

RYAN'S TOP 5 UFO CASES!

1
00:00:15,589 --> 00:00:12,830
hey everybody welcome back to the

2
00:00:19,070 --> 00:00:15,599
Bigfoot collectors Club patreon feed we

3
00:00:21,140 --> 00:00:19,080
have a BCC bonus episode to go along

4
00:00:22,820 --> 00:00:21,150
with today's episode over on the main

5
00:00:25,490 --> 00:00:22,830
feed we have Ryan Sprague with us from

6
00:00:31,130 --> 00:00:25,500
somewhere in the skies podcast and I

7
00:00:33,170 --> 00:00:31,140
asked Ryan to bring in his top 5 UFO

8
00:00:36,170 --> 00:00:33,180
stories his favorite encounter stories

9
00:00:38,030 --> 00:00:36,180
and I got a sneak peek at this list and

10
00:00:39,860 --> 00:00:38,040
the cool thing is I don't think we've

11
00:00:43,360 --> 00:00:39,870
done any of these on the show yet so

12
00:00:46,190 --> 00:00:43,370
this might be a good tease or a good

13
00:00:47,810 --> 00:00:46,200

what is it a signpost to point towards

14

00:00:48,680 --> 00:00:47,820

where maybe Bigfoot collectors Club

15

00:00:52,130 --> 00:00:48,690

needs to go next

16

00:00:54,260 --> 00:00:52,140

nice yeah you got what are your first of

17

00:00:56,360 --> 00:00:54,270

all what I want to ask you this what is

18

00:01:00,799 --> 00:00:56,370

it in your mind what makes for a good

19

00:01:03,860 --> 00:01:00,809

UFO story a good UFO story for me is not

20

00:01:06,530 --> 00:01:03,870

the same prototypical thing over and

21

00:01:08,750 --> 00:01:06,540

over again you know it was saucer shaped

22

00:01:11,030 --> 00:01:08,760

it was there for a second and then it

23

00:01:12,920 --> 00:01:11,040

zipped away I believe it happened but

24

00:01:15,920 --> 00:01:12,930

for me like that proves nothing we're

25

00:01:17,300 --> 00:01:15,930

absolutely nothing so give me some sort

26

00:01:19,760 --> 00:01:17,310

of physical evidence whether it's

27

00:01:21,469 --> 00:01:19,770

photographic whether it's video whether

28

00:01:23,600 --> 00:01:21,479

it's trace evidence if I can go to the

29

00:01:26,270 --> 00:01:23,610

site and actually find something is

30

00:01:29,719 --> 00:01:26,280

there traces of radiation in the area

31

00:01:32,179 --> 00:01:29,729

can the FAA tell me that they did or did

32

00:01:33,980 --> 00:01:32,189

not have aircraft in the air at that

33

00:01:36,140 --> 00:01:33,990

time in that area what were the weather

34

00:01:38,600 --> 00:01:36,150

conditions everything plays into it now

35

00:01:40,640 --> 00:01:38,610

how often are you actually as UFO just

36

00:01:42,609 --> 00:01:40,650

doing that kind of stuff how often are

37

00:01:47,330 --> 00:01:42,619

you actually investigating these kind of

38

00:01:50,120 --> 00:01:47,340

accounts yeah I mean for me I am a UFO

39

00:01:52,639 --> 00:01:50,130

journalist before anything so I do tell

40

00:01:56,030 --> 00:01:52,649

people I am a little armchair researcher

41

00:01:58,639 --> 00:01:56,040

I am I I do the show I write articles

42

00:02:00,830 --> 00:01:58,649

about it but I'm not like these

43

00:02:03,499 --> 00:02:00,840

individuals who work for the mutual UFO

44

00:02:06,080 --> 00:02:03,509

network MUFON who go out there and

45

00:02:09,650 --> 00:02:06,090

actually investigate I've done that

46

00:02:11,449 --> 00:02:09,660

several times and I love doing it but I

47

00:02:13,190 --> 00:02:11,459

like relaying stories I am definitely a

48

00:02:16,010 --> 00:02:13,200

relator of stories and

49

00:02:17,960 --> 00:02:16,020

information so yeah I'd say it's

50

00:02:19,220 --> 00:02:17,970

probably like an 80/20 sort of

51
00:02:21,530 --> 00:02:19,230
percentage but I'm actually out there

52
00:02:23,449 --> 00:02:21,540
boots on the ground right yeah I think

53
00:02:25,280 --> 00:02:23,459
I'd be scared of some of the stuff I

54
00:02:27,350 --> 00:02:25,290
might find amazing some of the stories

55
00:02:29,780 --> 00:02:27,360
on your podcast I would be too yeah yeah

56
00:02:33,530 --> 00:02:29,790
sorry yeah so what's your should we go

57
00:02:35,180 --> 00:02:33,540
from least favorite to favorite like

58
00:02:41,509 --> 00:02:35,190
your bottom the top are these under in

59
00:02:44,509 --> 00:02:41,519
particular order down list so number

60
00:02:47,990 --> 00:02:44,519
five yeah five for number five I would

61
00:02:50,420 --> 00:02:48,000
have to go with probably Roswell I mean

62
00:02:53,839 --> 00:02:50,430
it's an easy one to sort of go to but it

63
00:02:56,289 --> 00:02:53,849

is also kind of what we have and to

64

00:02:58,699 --> 00:02:56,299

prove that there is a UFO cover-up right

65

00:03:00,759 --> 00:02:58,709

establishes the narrative of so many

66

00:03:03,740 --> 00:03:00,769

things that come afterwards yeah yeah

67

00:03:06,650 --> 00:03:03,750

1947 again the beginning of the modern

68

00:03:08,780 --> 00:03:06,660

UFO era we had one case before that the

69

00:03:10,490 --> 00:03:08,790

Kenneth Arnold flying saucer sighting

70

00:03:13,640 --> 00:03:10,500

right where the actual term flying

71

00:03:15,830 --> 00:03:13,650

saucer was first coin right later

72

00:03:18,379 --> 00:03:15,840

changed to UFO by the US government a

73

00:03:20,270 --> 00:03:18,389

lot of people don't know that - a sort

74

00:03:23,300 --> 00:03:20,280

of squashed the idea that this could be

75

00:03:26,449 --> 00:03:23,310

alien so yeah I'm gonna go with Roswell

76
00:03:29,770 --> 00:03:26,459
for number five yeah if you have to come

77
00:03:32,270 --> 00:03:29,780
to just a quick conclusion about Roswell

78
00:03:35,090 --> 00:03:32,280
was it an alien craft and were there

79
00:03:38,120 --> 00:03:35,100
bodies was there an alien craft in where

80
00:03:42,410 --> 00:03:38,130
their bodies I I know this is sort of

81
00:03:44,319 --> 00:03:42,420
passive I'm gonna go 5050 okay I 50%

82
00:03:47,720 --> 00:03:44,329
believe it could possibly be

83
00:03:50,240 --> 00:03:47,730
extraterrestrial and probably even

84
00:03:52,759 --> 00:03:50,250
splitting that 50% if there were bodies

85
00:03:56,180 --> 00:03:52,769
I did interview people who claim that

86
00:03:56,599 --> 00:03:56,190
there's evidence that something was

87
00:04:00,080 --> 00:03:56,609
found

88
00:04:01,160 --> 00:04:00,090

we spoke to descendants of the gentleman

89

00:04:03,050 --> 00:04:01,170

who worked at the funeral home in

90

00:04:04,490 --> 00:04:03,060

Roswell New Mexico that story's pretty

91

00:04:07,670 --> 00:04:04,500

fast it's fascinating really

92

00:04:10,099 --> 00:04:07,680

yeah the Air Force you allegedly called

93

00:04:11,930 --> 00:04:10,109

him and asked for I think four to five

94

00:04:13,309 --> 00:04:11,940

check out sized coffins and at first he

95

00:04:16,339 --> 00:04:13,319

was like I'm gonna have to special order

96

00:04:18,409 --> 00:04:16,349

those because we don't keep kid coffins

97

00:04:20,810 --> 00:04:18,419

in the funeral home and they're like

98

00:04:22,790 --> 00:04:20,820

okay you know and he's like what is

99

00:04:25,279 --> 00:04:22,800

going on it has happened he did ask that

100

00:04:26,570 --> 00:04:25,289

he's okay if if there was an abuse yeah

101

00:04:28,429 --> 00:04:26,580

that they were dead yes

102

00:04:30,110 --> 00:04:28,439

he's like what's going on what what

103

00:04:31,580 --> 00:04:30,120

happened yeah and they said you do not

104

00:04:33,589 --> 00:04:31,590

have a need to know for that just do you

105

00:04:34,760 --> 00:04:33,599

have it yeah he didn't he got him

106

00:04:37,040 --> 00:04:34,770

ordered and he doesn't know what

107

00:04:40,399 --> 00:04:37,050

happened from there or so fascinating

108

00:04:45,350 --> 00:04:40,409

yeah the I also love the story the other

109

00:04:47,749 --> 00:04:45,360

it's that story and then Mac Brazel is

110

00:04:51,950 --> 00:04:47,759

the one who we also get a clue that

111

00:04:55,550 --> 00:04:51,960

there were bodies which is because he

112

00:04:56,480 --> 00:04:55,560

got paid off I think from the Air Force

113

00:04:58,820 --> 00:04:56,490

that keep his mouth shut

114

00:05:01,189 --> 00:04:58,830

he did and he took some of that money to

115

00:05:03,980 --> 00:05:01,199

the bar and was getting drunk people

116

00:05:05,659 --> 00:05:03,990

were making fun of him and someone's

117

00:05:07,580 --> 00:05:05,669

like you seen little green men and he

118

00:05:10,580 --> 00:05:07,590

supposedly walked out drunk and turn

119

00:05:13,879 --> 00:05:10,590

around said they weren't green and left

120

00:05:16,279 --> 00:05:13,889

which is one of my favorite little yeah

121

00:05:20,360 --> 00:05:16,289

either he was serious or he's like a

122

00:05:23,330 --> 00:05:20,370

master at suspect it's suspenseful

123

00:05:25,519 --> 00:05:23,340

comeback yeah he was not that witty I

124

00:05:28,519 --> 00:05:25,529

could tell you that much from from what

125

00:05:30,260 --> 00:05:28,529

I've heard but sure the a lot of people

126

00:05:32,450 --> 00:05:30,270

also don't know there's two crash sites

127

00:05:35,559 --> 00:05:32,460

right involved with this the corona and

128

00:05:39,709 --> 00:05:35,569

where's the other crash site it

129

00:05:41,540 --> 00:05:39,719

supposedly it is both near Corona okay a

130

00:05:43,939 --> 00:05:41,550

lot of people think it happened in

131

00:05:46,040 --> 00:05:43,949

Roswell it did not that's just where the

132

00:05:47,959 --> 00:05:46,050

stuff was brought exactly yeah the

133

00:05:52,100 --> 00:05:47,969

closest town there do anything with it

134

00:05:54,290 --> 00:05:52,110

um what we discovered is there was the

135

00:05:58,579 --> 00:05:54,300

impact site where the thing actually

136

00:06:01,459 --> 00:05:58,589

crashed went back up Basso bounced and

137

00:06:05,499 --> 00:06:01,469

literally went miles and miles and miles

138

00:06:08,240 --> 00:06:05,509

away and actually when vaccinated right

139

00:06:11,420 --> 00:06:08,250

finale happened exactly and that's where

140

00:06:14,269 --> 00:06:11,430

supposedly the whatever occupants were

141

00:06:16,550 --> 00:06:14,279

in this craft found coverage in a little

142

00:06:19,189 --> 00:06:16,560

cave area right and so that's

143

00:06:20,839 --> 00:06:19,199

interesting yeah yeah and they that is

144

00:06:23,510 --> 00:06:20,849

is that why some people think that there

145

00:06:26,959 --> 00:06:23,520

were two crash two crafts that crashed

146

00:06:28,399 --> 00:06:26,969

that night possibly because but you're

147

00:06:30,050 --> 00:06:28,409

saying and I would tend to agree with

148

00:06:32,869 --> 00:06:30,060

you that it was a thing where it skidded

149

00:06:35,329 --> 00:06:32,879

hit hit once got back up in the air for

150

00:06:37,850 --> 00:06:35,339

miles and then finally came back down I

151
00:06:39,570 --> 00:06:37,860
think so if that thing was coming in at

152
00:06:41,580 --> 00:06:39,580
the trajectory that we

153
00:06:44,399 --> 00:06:41,590
been told that has and a lot of

154
00:06:46,860 --> 00:06:44,409
testimony of you know what happened I

155
00:06:49,740 --> 00:06:46,870
could understand that like coming in at

156
00:06:51,689 --> 00:06:49,750
that force and if you look at the debris

157
00:06:54,300 --> 00:06:51,699
that supposedly has been found and was

158
00:06:56,850 --> 00:06:54,310
picked up by the military tiny particles

159
00:06:59,929 --> 00:06:56,860
of like some sort of metallic objects

160
00:07:03,749 --> 00:06:59,939
burnt bent charred like this thing

161
00:07:05,939 --> 00:07:03,759
exploded at a tremendous speed so it

162
00:07:08,990 --> 00:07:05,949
shattered right it's absolutely

163
00:07:11,939 --> 00:07:09,000

shattered so yeah I was wondered if this

164

00:07:15,029 --> 00:07:11,949

alien metal was so malleable how it

165

00:07:17,040 --> 00:07:15,039

would fall apart in a crash right but I

166

00:07:18,600 --> 00:07:17,050

guess if the impacts hard enough and

167

00:07:21,629 --> 00:07:18,610

then either that or a lot of people

168

00:07:23,760 --> 00:07:21,639

think he got shot down yeah - so or that

169

00:07:26,249 --> 00:07:23,770

they tried to land it and they were

170

00:07:29,070 --> 00:07:26,259

looking for a flat area to crash-land

171

00:07:31,709 --> 00:07:29,080

the object after they were you know shot

172

00:07:33,089 --> 00:07:31,719

down or struck by lightning perhaps it

173

00:07:35,279 --> 00:07:33,099

was a lightning storm that night there

174

00:07:38,399 --> 00:07:35,289

was yeah yep yep all right cool so let's

175

00:07:42,230 --> 00:07:38,409

go to number four number four I'm going

176
00:07:44,700 --> 00:07:42,240
to go with the Carlos de Santos UFO of

177
00:07:46,830 --> 00:07:44,710
1975 I don't think I know this story

178
00:07:49,110 --> 00:07:46,840
yeah I didn't know it either to be

179
00:07:51,959 --> 00:07:49,120
honest until I I spoke to a gentleman

180
00:07:55,110 --> 00:07:51,969
who strictly investigates cases out of

181
00:07:58,129 --> 00:07:55,120
the Southwest and Mexico and yeah this

182
00:08:02,399 --> 00:07:58,139
happened to a gentleman he was flying a

183
00:08:05,279 --> 00:08:02,409
private plane Piper at the time and he

184
00:08:08,670 --> 00:08:05,289
was heading to Mexico City and as he was

185
00:08:12,119 --> 00:08:08,680
in the air he saw three saucer shaped

186
00:08:14,279 --> 00:08:12,129
objects coming towards him he started

187
00:08:16,769 --> 00:08:14,289
radio in being like who's around me

188
00:08:18,089 --> 00:08:16,779

what's going on here and all those

189

00:08:20,100 --> 00:08:18,099

instruments started to fail his

190

00:08:22,290 --> 00:08:20,110

transmissions with the flight towers

191

00:08:23,879 --> 00:08:22,300

were starting to fail and the objects

192

00:08:25,050 --> 00:08:23,889

just got closer and closer until he

193

00:08:28,140 --> 00:08:25,060

could actually make out that they were

194

00:08:31,920 --> 00:08:28,150

saucer shaped and they surrounded his

195

00:08:34,439 --> 00:08:31,930

plane and then one of them actually hit

196

00:08:36,509 --> 00:08:34,449

his fuselage what yeah

197

00:08:38,819 --> 00:08:36,519

crashed into his plane and he started

198

00:08:40,339 --> 00:08:38,829

going out of control he started he

199

00:08:42,920 --> 00:08:40,349

started getting back on the radio and

200

00:08:45,360 --> 00:08:42,930

finally got in touch with the FAA

201
00:08:46,860 --> 00:08:45,370
whoever was in that area at the time the

202
00:08:49,680 --> 00:08:46,870
flight towers I should say

203
00:08:51,780 --> 00:08:49,690
and Mayday Mayday I've just been hit I

204
00:08:54,930 --> 00:08:51,790
don't know what's going on I don't know

205
00:08:57,630 --> 00:08:54,940
what to do and we have actual audio

206
00:08:59,850 --> 00:08:57,640
documentation of this hat Wow

207
00:09:03,960 --> 00:08:59,860
you can find it online did he see

208
00:09:07,050 --> 00:09:03,970
portals on the saucer city from what I

209
00:09:11,340 --> 00:09:07,060
can gather from his testimony pilots

210
00:09:14,610 --> 00:09:11,350
know pilots all he could see was a dome

211
00:09:17,340 --> 00:09:14,620
shaped craft solid dome shape not like a

212
00:09:20,040 --> 00:09:17,350
glass right thing with not like the

213
00:09:22,140 --> 00:09:20,050

Jetsons exactly exactly so he couldn't

214

00:09:23,280 --> 00:09:22,150

see inside of them he was too busy just

215

00:09:25,320 --> 00:09:23,290

trying to gain control of his

216

00:09:27,540 --> 00:09:25,330

instruments and his plane he didn't know

217

00:09:29,820 --> 00:09:27,550

what to do and he started he thought he

218

00:09:33,660 --> 00:09:29,830

was gonna crash so how did you make it

219

00:09:36,360 --> 00:09:33,670

to an airport so what happened was as he

220

00:09:38,790 --> 00:09:36,370

was trying to gain control he said that

221

00:09:42,780 --> 00:09:38,800

these craft these technology whatever

222

00:09:43,560 --> 00:09:42,790

actually helped him safely land at the

223

00:09:45,360 --> 00:09:43,570

airport

224

00:09:48,510 --> 00:09:45,370

they got him to a point where he could

225

00:09:51,150 --> 00:09:48,520

gain control they disappeared off into

226

00:09:53,640 --> 00:09:51,160

the mountains and he was able to land

227

00:09:55,710 --> 00:09:53,650

but when he got down there clearly

228

00:09:57,810 --> 00:09:55,720

something had hit his plane like holy

229

00:09:59,790 --> 00:09:57,820

[h__h] the people who showed up there were

230

00:10:00,960 --> 00:09:59,800

like what what the hell happened to your

231

00:10:02,270 --> 00:10:00,970

plane there's no reason you should be

232

00:10:05,160 --> 00:10:02,280

alive right now

233

00:10:07,740 --> 00:10:05,170

yep photos of the plane yep immediately

234

00:10:10,020 --> 00:10:07,750

they got this guy into like a psych ward

235

00:10:12,660 --> 00:10:10,030

a hospital first of all check him out

236

00:10:15,300 --> 00:10:12,670

and they said he's fine like he seems

237

00:10:18,450 --> 00:10:15,310

traumatized but like he's perfectly sane

238

00:10:20,790 --> 00:10:18,460

and it's it's crazy Wow crazy was the

239

00:10:29,310 --> 00:10:20,800

name of that again carlos de los santos

240

00:10:32,100 --> 00:10:29,320

case 1975 all right number three number

241

00:10:36,420 --> 00:10:32,110

three all right I'm going to go with the

242

00:10:38,340 --> 00:10:36,430

Rendlesham case case we've talked about

243

00:10:41,699 --> 00:10:38,350

it we haven't done a full episode

244

00:10:42,900 --> 00:10:41,709

devoted to it okay okay I have is one of

245

00:10:45,510 --> 00:10:42,910

those big ones where he's trying to

246

00:10:47,820 --> 00:10:45,520

spread them out a little bit you know so

247

00:10:50,269 --> 00:10:47,830

we have talked about it okay cool yeah

248

00:10:53,850 --> 00:10:50,279

you don't want to play all your cards in

249

00:10:57,240 --> 00:10:53,860

Rendlesham 1980 this was on a joint

250

00:10:59,460 --> 00:10:57,250

military base in England Rendlesham

251
00:11:00,809 --> 00:10:59,470
forest connected basically connected

252
00:11:04,139 --> 00:11:00,819
these two bases

253
00:11:07,439 --> 00:11:04,149
and there was a craft that supposedly

254
00:11:10,019 --> 00:11:07,449
landed in the forest and clearly they

255
00:11:12,299 --> 00:11:10,029
had this thing caught on radar and they

256
00:11:15,179 --> 00:11:12,309
saw it land so the bases go into

257
00:11:17,369 --> 00:11:15,189
emergency mode they send dozens and

258
00:11:19,590 --> 00:11:17,379
dozens of officers out there to

259
00:11:21,150 --> 00:11:19,600
investigate what this thing was and I've

260
00:11:23,369 --> 00:11:21,160
spoken to many of the officers who have

261
00:11:23,879 --> 00:11:23,379
come forward about their experiences

262
00:11:27,299 --> 00:11:23,889
with it

263
00:11:29,479 --> 00:11:27,309

my unique involvement was with this is I

264

00:11:31,710 --> 00:11:29,489

was in New York at the time as a

265

00:11:34,439 --> 00:11:31,720

struggling playwright trying to write a

266

00:11:35,879 --> 00:11:34,449

play about this okay so that's how I got

267

00:11:37,769 --> 00:11:35,889

in touch with some of the officers and

268

00:11:41,029 --> 00:11:37,779

one of the lead investigators on the

269

00:11:43,859 --> 00:11:41,039

case and that was my sort of peripheral

270

00:11:45,779 --> 00:11:43,869

introduction to it since then it's just

271

00:11:47,369 --> 00:11:45,789

crazy where this case this is like one

272

00:11:49,199 --> 00:11:47,379

of them read hi like look at

273

00:11:51,090 --> 00:11:49,209

hieroglyphics on the ship and then it

274

00:11:52,889 --> 00:11:51,100

was like writing [h__h] down in binary

275

00:11:56,879 --> 00:11:52,899

code or something that actually made

276

00:11:58,799 --> 00:11:56,889

some sense so I mean this guy Jim

277

00:12:00,840 --> 00:11:58,809

Penniston one of the officers who

278

00:12:02,999 --> 00:12:00,850

actually touched the craft got that

279

00:12:05,789 --> 00:12:03,009

close he said the minute he touch it he

280

00:12:08,849 --> 00:12:05,799

saw strange objects on it when he

281

00:12:11,099 --> 00:12:08,859

touched it something was downloaded into

282

00:12:13,079 --> 00:12:11,109

his brain this binary code he was able

283

00:12:14,429 --> 00:12:13,089

to like kind of write it down quick as

284

00:12:16,259 --> 00:12:14,439

it was happening to him

285

00:12:18,119 --> 00:12:16,269

same with like what the craft look like

286

00:12:20,879 --> 00:12:18,129

what the hieroglyphics looked like and

287

00:12:24,569 --> 00:12:20,889

since then they've gotten this binary

288

00:12:27,059 --> 00:12:24,579

code decoded and it's like ley lines

289

00:12:30,059 --> 00:12:27,069

it's it's these areas throughout the

290

00:12:33,509 --> 00:12:30,069

world that a lot of weird stuff lands on

291

00:12:35,819 --> 00:12:33,519

the pyramids this that and one of the

292

00:12:36,359 --> 00:12:35,829

ley lines is apparently Rendlesham

293

00:12:38,369 --> 00:12:36,369

forest

294

00:12:41,249 --> 00:12:38,379

Wow so you have to wonder why did it

295

00:12:43,379 --> 00:12:41,259

land there and what was it and did this

296

00:12:47,309 --> 00:12:43,389

actually happen to him but no entities

297

00:12:50,159 --> 00:12:47,319

seen in that yes okay there were there

298

00:12:53,340 --> 00:12:50,169

were according to one officer at the

299

00:12:56,279 --> 00:12:53,350

time very controversial guy came forward

300

00:12:57,840 --> 00:12:56,289

his name is Larry Warren and he said

301
00:13:01,529 --> 00:12:57,850
that when he went out there as a

302
00:13:05,549 --> 00:13:01,539
security police officer he saw the craft

303
00:13:08,279 --> 00:13:05,559
he saw his superiors talking to someone

304
00:13:11,069 --> 00:13:08,289
but when he got closer who they were

305
00:13:13,280 --> 00:13:11,079
talking to we're like three feet tall no

306
00:13:14,780 --> 00:13:13,290
way glowing

307
00:13:16,939 --> 00:13:14,790
all that stuff you hear about in like

308
00:13:19,879 --> 00:13:16,949
the Hopkins yeah what's up with the

309
00:13:21,259 --> 00:13:19,889
glow-in-the-dark aliens don't we have

310
00:13:25,579 --> 00:13:21,269
more of those I know it's like a

311
00:13:27,980 --> 00:13:25,589
Twilight vampire I guess yeah yeah but

312
00:13:29,329 --> 00:13:27,990
yeah that was that's very controversial

313
00:13:31,370 --> 00:13:29,339

he's the only one who's claimed that

314

00:13:32,900 --> 00:13:31,380

they were entities seen okay at the site

315

00:13:35,900 --> 00:13:32,910

so you gotta take that for what it's

316

00:13:38,509 --> 00:13:35,910

worth right but yeah fascinating case so

317

00:13:41,780 --> 00:13:38,519

a few people sent a link which I have

318

00:13:43,040 --> 00:13:41,790

not looked at this weekend past week you

319

00:13:45,470 --> 00:13:43,050

know but some there was some connection

320

00:13:47,540 --> 00:13:45,480

between that and John McCain yeah yeah

321

00:13:49,550 --> 00:13:47,550

yeah that's funny you mentioned that I

322

00:13:51,170 --> 00:13:49,560

just covered that on my show oh really

323

00:13:52,519 --> 00:13:51,180

what was the can you not show that real

324

00:13:53,629 --> 00:13:52,529

quick with the connection between John

325

00:13:57,319 --> 00:13:53,639

McCain yeah totally

326

00:13:58,910 --> 00:13:57,329

so a few years ago the other gentleman

327

00:14:01,069 --> 00:13:58,920

that was with John Penniston the guy who

328

00:14:05,480 --> 00:14:01,079

touched the craft he was there with him

329

00:14:07,699 --> 00:14:05,490

at the time and he had a completely

330

00:14:09,379 --> 00:14:07,709

different experience he blacked out hmm

331

00:14:12,170 --> 00:14:09,389

when this all happened when that's like

332

00:14:14,780 --> 00:14:12,180

Calvin Parker did with the Pascagoula he

333

00:14:17,750 --> 00:14:14,790

blacked out yep it seems that always one

334

00:14:21,829 --> 00:14:17,760

blacks out and another has yeah weird so

335

00:14:23,780 --> 00:14:21,839

I this guy John Burroughs he blacked out

336

00:14:26,509 --> 00:14:23,790

during all this wakes up to see the

337

00:14:28,550 --> 00:14:26,519

craft descend into the air and disappear

338

00:14:30,430 --> 00:14:28,560

he didn't talk about about it for a

339

00:14:32,780 --> 00:14:30,440

really long time when the whistle

340

00:14:36,019 --> 00:14:32,790

eventually blew on this whole case and a

341

00:14:39,319 --> 00:14:36,029

lot of officers came forward he started

342

00:14:42,980 --> 00:14:39,329

having weird health problems due to

343

00:14:46,009 --> 00:14:42,990

radiation and they asked him when were

344

00:14:47,750 --> 00:14:46,019

you around radiation he said I the only

345

00:14:49,400 --> 00:14:47,760

thing I could think of was this weird

346

00:14:54,889 --> 00:14:49,410

thing that happened to me back in the

347

00:14:57,199 --> 00:14:54,899

80s when I was on his base so what is up

348

00:14:59,750 --> 00:14:57,209

with that did this craft have some sort

349

00:15:02,240 --> 00:14:59,760

of radiation effect on him he believed

350

00:15:04,189 --> 00:15:02,250

so he got checked out by the the

351

00:15:07,340 --> 00:15:04,199

veteran's hospital and they were like

352

00:15:09,530 --> 00:15:07,350

dude what the hell happened to you this

353

00:15:11,629 --> 00:15:09,540

is far beyond what any human being

354

00:15:13,939 --> 00:15:11,639

should have in their system in terms of

355

00:15:15,679 --> 00:15:13,949

like trace radiation and he's like I

356

00:15:16,460 --> 00:15:15,689

don't know but like I'm having a lot of

357

00:15:18,769 --> 00:15:16,470

things happen

358

00:15:21,050 --> 00:15:18,779

this was life-threatening for him like

359

00:15:22,129 --> 00:15:21,060

this could have like really it could

360

00:15:24,800 --> 00:15:22,139

have killed him

361

00:15:26,569 --> 00:15:24,810

so what he did is tried to get surgery

362

00:15:27,470 --> 00:15:26,579

and everything done through the veteran

363

00:15:30,580 --> 00:15:27,480

affair

364

00:15:33,350 --> 00:15:30,590

cuz can't afford that yeah you know and

365

00:15:34,640 --> 00:15:33,360

it was a big sort of back and forth an

366

00:15:36,350 --> 00:15:34,650

argument for a long time with the

367

00:15:38,620 --> 00:15:36,360

Veteran Affairs like we we can't cover

368

00:15:42,500 --> 00:15:38,630

this this that this that John McCain

369

00:15:45,770 --> 00:15:42,510

somehow heard about this and was like I

370

00:15:49,040 --> 00:15:45,780

am all for our veterans getting the help

371

00:15:51,410 --> 00:15:49,050

they can from this so John burrows along

372

00:15:54,080 --> 00:15:51,420

with his attorney and John McCain's

373

00:15:56,120 --> 00:15:54,090

approval they all went to the Veteran

374

00:15:58,730 --> 00:15:56,130

Affairs and said you need to help this

375

00:16:00,680 --> 00:15:58,740

guy Wow you need to help and he won the

376

00:16:02,990 --> 00:16:00,690

case yeah so this is the first

377

00:16:05,360 --> 00:16:03,000

documented case that the Veteran Affairs

378

00:16:07,790 --> 00:16:05,370

has said this man was directly affected

379

00:16:09,680 --> 00:16:07,800

by a UFO event and is health

380

00:16:10,670 --> 00:16:09,690

deteriorated and we got a help that's

381

00:16:12,980 --> 00:16:10,680

insane

382

00:16:15,940 --> 00:16:12,990

yeah that's mind-blowing Wow awesome

383

00:16:20,330 --> 00:16:15,950

story yeah alright number two number two

384

00:16:23,330 --> 00:16:20,340

all right this one is really fascinating

385

00:16:25,490 --> 00:16:23,340

to me this is a woman I interviewed

386

00:16:28,340 --> 00:16:25,500

actually in my book this happened in

387

00:16:31,250 --> 00:16:28,350

2005 her name is patty I won't give away

388

00:16:34,220 --> 00:16:31,260

away her last name but she had a

389

00:16:39,170 --> 00:16:34,230

triangular UFO sighting in Michigan over

390

00:16:40,850 --> 00:16:39,180

her home what year this was 2005 2005

391

00:16:44,030 --> 00:16:40,860

sorry no no not at all

392

00:16:45,830 --> 00:16:44,040

and she went out with her dogs take him

393

00:16:48,200 --> 00:16:45,840

for a walk at night dogs would not leave

394

00:16:50,420 --> 00:16:48,210

the porch never happened before she

395

00:16:52,190 --> 00:16:50,430

didn't know why she went out saw this

396

00:16:55,400 --> 00:16:52,200

triangular thing right above their home

397

00:16:58,430 --> 00:16:55,410

she yells for some of her family to come

398

00:17:00,830 --> 00:16:58,440

out one of her daughters runs out and

399

00:17:03,920 --> 00:17:00,840

sees the thing too so okay she's not

400

00:17:05,960 --> 00:17:03,930

imagining this and as they're looking up

401
00:17:08,660 --> 00:17:05,970
at this triangular thing patty the

402
00:17:10,730 --> 00:17:08,670
mother starts feeling euphoric and like

403
00:17:12,890 --> 00:17:10,740
this is an incredible experience I'm

404
00:17:15,500 --> 00:17:12,900
having I can't explain what I'm feeling

405
00:17:18,170 --> 00:17:15,510
but it's beautiful and it's silent

406
00:17:20,900 --> 00:17:18,180
hovering above me meanwhile she asks her

407
00:17:22,340 --> 00:17:20,910
daughter like well what's going on she

408
00:17:25,070 --> 00:17:22,350
looks over her daughter's covering her

409
00:17:27,430 --> 00:17:25,080
ears and saying how unbearably loud this

410
00:17:30,230 --> 00:17:27,440
thing is above them and that it's

411
00:17:33,470 --> 00:17:30,240
dangerous and she feel felt like it was

412
00:17:35,030 --> 00:17:33,480
a threat so right there that really drew

413
00:17:36,620 --> 00:17:35,040

me in they were having completely

414

00:17:38,660 --> 00:17:36,630

different experiences looking at the

415

00:17:41,270 --> 00:17:38,670

same exact thing one said it was silent

416

00:17:44,150 --> 00:17:41,280

one said it was unbearably loud

417

00:17:48,380 --> 00:17:44,160

but it gets even weirder after this

418

00:17:49,970 --> 00:17:48,390

initial event the third the third person

419

00:17:52,670 --> 00:17:49,980

involved the younger daughter

420

00:17:55,480 --> 00:17:52,680

one night she wakes up and she's going

421

00:17:59,570 --> 00:17:55,490

to the bathroom and she sees this weird

422

00:18:04,910 --> 00:17:59,580

dark entity leaving her parents yikes

423

00:18:06,740 --> 00:18:04,920

thank you Shadow Man yep yep that's that

424

00:18:09,710 --> 00:18:06,750

was my first inclination like shadow

425

00:18:11,750 --> 00:18:09,720

people or like maybe like she was tired

426
00:18:13,610 --> 00:18:11,760
her eyes were playing tricks on her but

427
00:18:14,840 --> 00:18:13,620
she saw the things start heading to her

428
00:18:18,170 --> 00:18:14,850
own bedroom

429
00:18:21,440 --> 00:18:18,180
so she runs into her room gets under the

430
00:18:23,860 --> 00:18:21,450
covers and next thing she knows she

431
00:18:26,540 --> 00:18:23,870
hears her mom's voice in the room and

432
00:18:29,660 --> 00:18:26,550
she takes the covers down and her mom's

433
00:18:31,670 --> 00:18:29,670
like her mom's there she's there she's

434
00:18:33,740 --> 00:18:31,680
definitely there saying honey I heard

435
00:18:36,320 --> 00:18:33,750
like footsteps outside what's going on

436
00:18:40,130 --> 00:18:36,330
is everything okay when the moms asking

437
00:18:42,860 --> 00:18:40,140
this the entity is in the room surveying

438
00:18:45,470 --> 00:18:42,870

the room looking at stuff like touching

439

00:18:47,420 --> 00:18:45,480

things and she's petrified she can't

440

00:18:50,450 --> 00:18:47,430

even like tell her mom doesn't sleep

441

00:18:52,760 --> 00:18:50,460

over there mom doesn't see it so she

442

00:18:56,180 --> 00:18:52,770

kind of calms her down she's like

443

00:18:57,830 --> 00:18:56,190

watching the entity look around and as

444

00:19:00,950 --> 00:18:57,840

the moms leaving the room the entity

445

00:19:03,640 --> 00:19:00,960

follows the mom out and then that's all

446

00:19:06,560 --> 00:19:03,650

she remembers after that she eventually

447

00:19:08,870 --> 00:19:06,570

somehow goes back to sleep I don't know

448

00:19:10,670 --> 00:19:08,880

how I would never sleep again I know and

449

00:19:12,380 --> 00:19:10,680

this is one of those cases where I'm

450

00:19:14,630 --> 00:19:12,390

like things just keep getting weirder

451
00:19:16,850 --> 00:19:14,640
and weirder they started having weird

452
00:19:20,210 --> 00:19:16,860
poltergeist activity in the home after

453
00:19:21,830 --> 00:19:20,220
that after these events and their

454
00:19:24,590 --> 00:19:21,840
electricity went out at one point they

455
00:19:27,950 --> 00:19:24,600
had Con Ed or whoever come out and see

456
00:19:30,860 --> 00:19:27,960
what was going on as the Con Ed guy is

457
00:19:34,820 --> 00:19:30,870
trying to fix their electricity he sees

458
00:19:37,280 --> 00:19:34,830
a UFO above the house what and he goes

459
00:19:37,660 --> 00:19:37,290
into their house and tells them I'm out

460
00:19:40,610 --> 00:19:37,670
of here

461
00:19:45,010 --> 00:19:40,620
I'll send someone else I gotta get out

462
00:19:47,450 --> 00:19:45,020
of here and it just kept going and going

463
00:19:50,030 --> 00:19:47,460

crazy because that sounds like a ghost

464

00:19:51,680 --> 00:19:50,040

story but the ghosts are aliens yeah

465

00:19:54,710 --> 00:19:51,690

like it's definitely like aliens

466

00:19:56,510 --> 00:19:54,720

haunting a family yes like we're picking

467

00:19:58,370 --> 00:19:56,520

you guys out we're kind of claiming the

468

00:20:01,220 --> 00:19:58,380

house you're using the house we're

469

00:20:03,350 --> 00:20:01,230

scaring away like the rationally minded

470

00:20:06,440 --> 00:20:03,360

people you know it I mean it that

471

00:20:09,020 --> 00:20:06,450

there's no difference in story structure

472

00:20:11,510 --> 00:20:09,030

right between that and a good haunting

473

00:20:13,930 --> 00:20:11,520

right yes it was like the doors were

474

00:20:17,029 --> 00:20:13,940

open it started with a UFO and then like

475

00:20:19,340 --> 00:20:17,039

poltergeist slept in the shadow person

476
00:20:21,049 --> 00:20:19,350
or alien entity was like okay I'm gonna

477
00:20:23,600 --> 00:20:21,059
go mess with them now that you open

478
00:20:26,299 --> 00:20:23,610
Pandora's Box I don't know I'm still

479
00:20:28,220 --> 00:20:26,309
working with Patty on this case things

480
00:20:30,260 --> 00:20:28,230
are still developing she's still having

481
00:20:32,090 --> 00:20:30,270
weird stuff go on the daughters don't

482
00:20:34,399 --> 00:20:32,100
really want to talk about it sound

483
00:20:37,310 --> 00:20:34,409
similar to the copeley wood stuffed yeah

484
00:20:39,260 --> 00:20:37,320
it really does yep it does so yeah

485
00:20:42,080 --> 00:20:39,270
developing case still working whether

486
00:20:44,180 --> 00:20:42,090
I'm sure I'm gonna talk to her within

487
00:20:45,320 --> 00:20:44,190
the next couple months to see if check

488
00:20:47,330 --> 00:20:45,330

back in and see if anything in these

489

00:20:48,919 --> 00:20:47,340

photos anything is there photographic

490

00:20:51,110 --> 00:20:48,929

evidence of pictures of the ship or

491

00:20:53,810 --> 00:20:51,120

anything they do of the craft they have

492

00:20:56,270 --> 00:20:53,820

photos of the craft and pretty

493

00:20:59,390 --> 00:20:56,280

compelling yep are they available to the

494

00:21:03,620 --> 00:20:59,400

public not yet no maybe in your book

495

00:21:05,120 --> 00:21:03,630

possible K yeah maybe future if if you

496

00:21:09,260 --> 00:21:05,130

want to see him I can definitely try to

497

00:21:11,960 --> 00:21:09,270

see those I will have to check with her

498

00:21:14,029 --> 00:21:11,970

first okay she has shared them before in

499

00:21:16,700 --> 00:21:14,039

the public so yeah I will definitely try

500

00:21:25,120 --> 00:21:16,710

to get that to ya little bonus for the

501
00:21:31,100 --> 00:21:27,610
fascinating all right yeah number one

502
00:21:34,370 --> 00:21:31,110
all right so this this is the case that

503
00:21:38,210 --> 00:21:34,380
I go to whenever anybody asks me for

504
00:21:41,000 --> 00:21:38,220
documentation so I did a Freedom of

505
00:21:43,789 --> 00:21:41,010
Information request a couple years ago

506
00:21:47,930 --> 00:21:43,799
now to the Department of intelligence

507
00:21:49,669 --> 00:21:47,940
the DIA part of the DoD and I had heard

508
00:21:50,870 --> 00:21:49,679
about this case I'd heard stories about

509
00:21:53,779 --> 00:21:50,880
it but I wanted to see if I could

510
00:22:00,289 --> 00:21:53,789
actually get anything on it and I did

511
00:22:01,580 --> 00:22:00,299
they have a real well we talked about

512
00:22:03,440 --> 00:22:01,590
like if I'm a boots on the ground

513
00:22:05,750 --> 00:22:03,450

investigator I am more of like an

514

00:22:07,279 --> 00:22:05,760

armchair researcher say I wanted to do

515

00:22:08,150 --> 00:22:07,289

my due diligence and see what I could

516

00:22:10,700 --> 00:22:08,160

find on this

517

00:22:14,270 --> 00:22:10,710

so I hammered them for any information

518

00:22:15,560 --> 00:22:14,280

on this one and I waited probably a year

519

00:22:17,750 --> 00:22:15,570

and a half to actually get a response

520

00:22:20,390 --> 00:22:17,760

from Wow and they apologized they said

521

00:22:21,890 --> 00:22:20,400

we are so backlogged like we're sorry

522

00:22:24,020 --> 00:22:21,900

but you got to be careful when you do

523

00:22:26,270 --> 00:22:24,030

these requests because if you don't go

524

00:22:28,310 --> 00:22:26,280

in with specifics they're not gonna give

525

00:22:29,810 --> 00:22:28,320

you [h__h] right you have to do your

526

00:22:32,450 --> 00:22:29,820

homework before you make these requests

527

00:22:34,400 --> 00:22:32,460

I reached out to a gentleman who told me

528

00:22:36,770 --> 00:22:34,410

exactly how I should word this who I

529

00:22:40,130 --> 00:22:36,780

should direct it to and he was right I

530

00:22:42,020 --> 00:22:40,140

mean what was the case so this was and

531

00:22:44,600 --> 00:22:42,030

then yeah he was the right person to go

532

00:22:47,900 --> 00:22:44,610

to the right person to go to was the

533

00:22:52,730 --> 00:22:47,910

Department of intelligence and this was

534

00:22:54,260 --> 00:22:52,740

the Tehran case of 1960 so yeah yeah

535

00:22:59,080 --> 00:22:54,270

this rings a bell

536

00:23:01,910 --> 00:22:59,090

yeah so this happened in Tehran Iran and

537

00:23:04,730 --> 00:23:01,920

strange lights were seen being seen over

538

00:23:07,490 --> 00:23:04,740

the town and they people started

539

00:23:09,500 --> 00:23:07,500

contacting local law enforcement and the

540

00:23:11,660 --> 00:23:09,510

airport be like what's going on like

541

00:23:14,660 --> 00:23:11,670

there's weird stuff being seen in the

542

00:23:18,770 --> 00:23:14,670

area like should we be worried is this

543

00:23:21,110 --> 00:23:18,780

an attack of some sort and so the local

544

00:23:23,720 --> 00:23:21,120

air force base got involved and they

545

00:23:26,660 --> 00:23:23,730

were like what like we know nothing

546

00:23:28,850 --> 00:23:26,670

about this we got some weird blips on a

547

00:23:32,330 --> 00:23:28,860

radar but we should probably investigate

548

00:23:35,150 --> 00:23:32,340

this so they sent two pilots up to look

549

00:23:37,030 --> 00:23:35,160

for whatever people were seeing and once

550

00:23:40,070 --> 00:23:37,040

they got up there they saw these weird

551
00:23:43,760 --> 00:23:40,080
brilliant bright lights and the closer

552
00:23:47,030 --> 00:23:43,770
they got the less their instrumentation

553
00:23:48,470 --> 00:23:47,040
would work Wow so that they got a little

554
00:23:49,820 --> 00:23:48,480
scared at that point they're like I

555
00:23:51,800 --> 00:23:49,830
don't even know if we can like make it

556
00:23:53,900 --> 00:23:51,810
up to whatever this is to investigate it

557
00:23:56,570 --> 00:23:53,910
they actually turn around go back to the

558
00:23:58,730 --> 00:23:56,580
base and they told their superior yeah I

559
00:24:01,490 --> 00:23:58,740
agree I agree they told their superior

560
00:24:03,860 --> 00:24:01,500
we don't know what's going on but we

561
00:24:05,900 --> 00:24:03,870
can't get a lock on it we can't see it

562
00:24:08,150 --> 00:24:05,910
but it's making all of our instruments

563
00:24:12,290 --> 00:24:08,160

fail so Parviz Jafari

564

00:24:15,050 --> 00:24:12,300

a a major I believe at the time he went

565

00:24:18,350 --> 00:24:15,060

up by himself he's like fine you gotta

566

00:24:20,870 --> 00:24:18,360

hold my beer yes

567

00:24:22,400 --> 00:24:20,880

I can imagine this dude doing that he

568

00:24:24,470 --> 00:24:22,410

did he was like you're fine you're too

569

00:24:27,230 --> 00:24:24,480

chicken I'm gonna go up there so you

570

00:24:29,510 --> 00:24:27,240

know as a veteran who was who'd flown so

571

00:24:32,150 --> 00:24:29,520

much he was like I'm gonna take a crack

572

00:24:34,310 --> 00:24:32,160

at this he goes up and he actually got

573

00:24:37,640 --> 00:24:34,320

super close to whatever this thing was

574

00:24:40,070 --> 00:24:37,650

and saw a structure to it it was diamond

575

00:24:42,230 --> 00:24:40,080

shaped cool just pretty cool I don't

576

00:24:44,330 --> 00:24:42,240

hear that often no Close Encounters has

577

00:24:46,160 --> 00:24:44,340

one of those couple of those little but

578

00:24:48,830 --> 00:24:46,170

they're little right right this thing

579

00:24:52,810 --> 00:24:48,840

was huge he said that it was probably

580

00:24:57,650 --> 00:24:52,820

the size of like a um a Boeing like

581

00:24:59,720 --> 00:24:57,660

jumbo jet and am insane yeah so he gets

582

00:25:02,390 --> 00:24:59,730

close to it has the same problems his

583

00:25:04,430 --> 00:25:02,400

instruments start to fail but what was

584

00:25:07,520 --> 00:25:04,440

interesting is as he's looking at this

585

00:25:09,860 --> 00:25:07,530

huge diamond thing a smaller object came

586

00:25:12,080 --> 00:25:09,870

out of it it started following his plane

587

00:25:14,840 --> 00:25:12,090

and that's when he started getting

588

00:25:16,940 --> 00:25:14,850

worried he's like this like this isn't

589

00:25:19,580 --> 00:25:16,950

just one thing like there's some other

590

00:25:22,010 --> 00:25:19,590

things attached to this and it started

591

00:25:24,200 --> 00:25:22,020

falling came out yeah like some sort of

592

00:25:26,690 --> 00:25:24,210

probe or drone started following this

593

00:25:29,840 --> 00:25:26,700

plane and got a lock on him so right now

594

00:25:32,960 --> 00:25:29,850

he's in a dogfight with a UFO he's

595

00:25:34,760 --> 00:25:32,970

following it it's following him he gets

596

00:25:39,710 --> 00:25:34,770

a lock on it gets a lock on him as he

597

00:25:42,250 --> 00:25:39,720

fire on it so he actually was going to

598

00:25:44,480 --> 00:25:42,260

fire on it but it made like these

599

00:25:46,970 --> 00:25:44,490

unbelievable maneuvers and got behind

600

00:25:49,910 --> 00:25:46,980

him and then got the lock on him so now

601
00:25:52,700 --> 00:25:49,920
he's trying to outrun the UFO and what

602
00:25:57,860 --> 00:25:52,710
he does is he takes a negative G's those

603
00:25:59,900 --> 00:25:57,870
seen in a movie you can see it yeah and

604
00:26:02,900 --> 00:25:59,910
this is all in the documents I got this

605
00:26:05,390 --> 00:26:02,910
is crazy about this guy's testimony so

606
00:26:09,380 --> 00:26:05,400
he makes a negative knows G dive or

607
00:26:13,190 --> 00:26:09,390
what-have-you and outmaneuver Z and that

608
00:26:15,500 --> 00:26:13,200
thing like crash lands apparently into

609
00:26:17,390 --> 00:26:15,510
the mountains and he doesn't know where

610
00:26:20,540 --> 00:26:17,400
it go it went from there the

611
00:26:25,430 --> 00:26:20,550
diamond-shaped mothership as I presume

612
00:26:27,320 --> 00:26:25,440
took off as well you know event over but

613
00:26:29,690 --> 00:26:27,330

he goes and investigates it the next day

614

00:26:32,240 --> 00:26:29,700

in the town where supposedly the thing

615

00:26:34,640 --> 00:26:32,250

landed no one saw anything but

616

00:26:37,670 --> 00:26:34,650

they did hear some sort of explosion in

617

00:26:41,450 --> 00:26:37,680

the town there was trace radiation found

618

00:26:43,280 --> 00:26:41,460

in the area the way the Defense

619

00:26:45,260 --> 00:26:43,290

Intelligence Agency got involved in

620

00:26:47,600 --> 00:26:45,270

America is we are leasing our planes to

621

00:26:50,030 --> 00:26:47,610

Iran at the time so it was our aircraft

622

00:26:52,130 --> 00:26:50,040

that Parviz Jafari was flying so they

623

00:26:56,270 --> 00:26:52,140

wanted to know what the hell happened

624

00:26:58,340 --> 00:26:56,280

and what our new Vord our yeah yeah yeah

625

00:26:59,480 --> 00:26:58,350

so that's how they got involved they

626

00:27:01,610 --> 00:26:59,490

wanted to do their own personal

627

00:27:03,530 --> 00:27:01,620

investigation they worked with jafari

628

00:27:07,820 --> 00:27:03,540

and then eventually told him you never

629

00:27:09,560 --> 00:27:07,830

talk about this again oh Jesus so he it

630

00:27:11,050 --> 00:27:09,570

goes even further he spoke in front of

631

00:27:15,110 --> 00:27:11,060

the National Press Club in Washington

632

00:27:17,060 --> 00:27:15,120

about this event and we lost him a few

633

00:27:18,710 --> 00:27:17,070

years ago unfortunately oh no but we

634

00:27:20,570 --> 00:27:18,720

have all this documentation and

635

00:27:22,340 --> 00:27:20,580

testimony to rely on when it comes to

636

00:27:24,800 --> 00:27:22,350

this case that's why it's number one for

637

00:27:27,770 --> 00:27:24,810

me we have government documents we have

638

00:27:30,260 --> 00:27:27,780

the testimony of a military pilot and we

639

00:27:33,830 --> 00:27:30,270

have a clear cover-up as well don't talk

640

00:27:36,440 --> 00:27:33,840

about this he did Wow god that's too bad

641

00:27:38,210 --> 00:27:36,450

he's gone I know that seems to be the

642

00:27:40,160 --> 00:27:38,220

problem with a lot of these UFO cases

643

00:27:42,200 --> 00:27:40,170

it's a race where the Undertaker when it

644

00:27:44,120 --> 00:27:42,210

comes to it well and especially Roswell

645

00:27:46,280 --> 00:27:44,130

you know like that's what when I

646

00:27:49,460 --> 00:27:46,290

mentioned on the main feed episode with

647

00:27:53,710 --> 00:27:49,470

you that when Dennis Balthazar took us

648

00:27:57,080 --> 00:27:53,720

around town not only are his first

649

00:27:58,790 --> 00:27:57,090

secondhand witnesses dying a lot of the

650

00:28:00,680 --> 00:27:58,800

original buildings are being torn down

651
00:28:03,590 --> 00:28:00,690
and replaced by he's like pretty soon

652
00:28:05,390 --> 00:28:03,600
I'm gonna have fewer and fewer I'm gonna

653
00:28:07,780 --> 00:28:05,400
have nothing to actually point at and be

654
00:28:10,430 --> 00:28:07,790
like this is where this thing was yeah

655
00:28:13,610 --> 00:28:10,440
so we found that too we were able to

656
00:28:16,790 --> 00:28:13,620
find you know third hand or distant

657
00:28:18,350 --> 00:28:16,800
relatives of Jesse Marcel to speak to

658
00:28:20,720 --> 00:28:18,360
but yeah like what do you do when you're

659
00:28:22,700 --> 00:28:20,730
firsthand witnesses are gone you know

660
00:28:24,470 --> 00:28:22,710
maybe the cover-up one at that point but

661
00:28:26,270 --> 00:28:24,480
uh we're not done a lot of UFO

662
00:28:29,210 --> 00:28:26,280
investigators aren't done we're gonna

663
00:28:33,020 --> 00:28:29,220

keep digging yeah Oh fascinating

664

00:28:35,120 --> 00:28:33,030

oh man great top five listens news

665

00:28:37,280 --> 00:28:35,130

stories that we should dig into on our

666

00:28:39,500 --> 00:28:37,290

podcast as well but Ryan spec thank you

667

00:28:40,130 --> 00:28:39,510

again go check out his podcast and we're

668

00:28:42,770 --> 00:28:40,140

in the skies

669

00:28:45,200 --> 00:28:42,780

check out Roswell mysteries decoded I

670

00:28:45,980 --> 00:28:45,210

hope you do more TV stuff because I

671

00:28:51,250 --> 00:28:45,990

thought you were true

672

00:28:55,310 --> 00:28:51,260

thank you um your natural so I would be

673

00:28:56,779 --> 00:28:55,320

hosting absolutely and I thought you

674

00:28:59,539 --> 00:28:56,789

managed to pack in so much information

675

00:29:02,269 --> 00:28:59,549

in those like 45 minutes so we tried

676

00:29:04,940 --> 00:29:02,279

yeah it that you avoided these sort of

677

00:29:06,110 --> 00:29:04,950

like tease it out tease it out kind of

678

00:29:09,049 --> 00:29:06,120

stuff that you see on a lot of these

679

00:29:11,899 --> 00:29:09,059

shows we wanted to inform new people of

680

00:29:13,639 --> 00:29:11,909

this but then bring something new

681

00:29:15,970 --> 00:29:13,649

forward otherwise what the hell's and

682

00:29:18,500 --> 00:29:15,980

not a lot of repetition which I

683

00:29:20,870 --> 00:29:18,510

appreciate it for sure so awesome man

684

00:29:22,279 --> 00:29:20,880

thank you good luck in your future

685

00:29:23,659 --> 00:29:22,289

endeavors won't be watching your work

686

00:29:25,430 --> 00:29:23,669

thank you very much awesome

687

00:29:27,049 --> 00:29:25,440

good night and thank you everybody over

688

00:29:34,690 --> 00:29:27,059

on the patreon you know I have to say

689

00:29:41,220 --> 00:29:41,149

[Music]
