

SOMEWHERE IN THE SKIES

WITH RYAN SPRAGUE

**INVASIONS &
CRASHES &
LANDINGS, OH MY!**

1
00:00:05,059 --> 00:00:02,480
was a NASA astronaut really shown photos

2
00:00:07,430 --> 00:00:05,069
of an alien what happened to a soldier

3
00:00:09,530 --> 00:00:07,440
who discovered a UFO crash and was never

4
00:00:13,190 --> 00:00:09,540
seen or heard from again

5
00:00:16,400 --> 00:00:13,200
a bizarre UFO invasion in California a

6
00:00:19,010 --> 00:00:16,410
UFO crashes into a lake in Brazil and a

7
00:00:23,179 --> 00:00:19,020
metal fanged alien hunts down two young

8
00:00:23,540 --> 00:00:23,189
boys in Japan who all this and so much

9
00:00:36,190 --> 00:00:23,550
more

10
00:00:37,760 --> 00:00:36,200
right now this is somewhere in the skies

11
00:00:56,660 --> 00:00:37,770
inspired

12
00:00:58,919 --> 00:00:56,670
[Music]

13
00:01:01,740 --> 00:00:58,929

welcome to somewhere in the skies I'm

14

00:01:03,930 --> 00:01:01,750

your host Ryan spring well I finally

15

00:01:07,440 --> 00:01:03,940

made a cross-country back to my new home

16

00:01:09,270 --> 00:01:07,450

well I guess old home whatever I'm now

17

00:01:11,609 --> 00:01:09,280

in New York City and while I'm getting

18

00:01:13,920 --> 00:01:11,619

settled back in and getting the new NYC

19

00:01:16,560 --> 00:01:13,930

HQ in order it's been a little tough to

20

00:01:18,870 --> 00:01:16,570

get any interviews recorded but fear not

21

00:01:21,450 --> 00:01:18,880

because this week I am bringing you a

22

00:01:23,789 --> 00:01:21,460

collection of case histories that I

23

00:01:27,300 --> 00:01:23,799

personally find very interesting and

24

00:01:29,580 --> 00:01:27,310

just plain weird and mysterious for any

25

00:01:31,080 --> 00:01:29,590

patreon subscribers you may recognize

26

00:01:33,149 --> 00:01:31,090

some of these stories from the bonus

27

00:01:36,029 --> 00:01:33,159

episodes but for those who aren't

28

00:01:37,889 --> 00:01:36,039

patrons this is your sneak peek at what

29

00:01:39,749 --> 00:01:37,899

to expect when you do become a patreon

30

00:01:41,430 --> 00:01:39,759

subscriber to learn more about the

31

00:01:45,210 --> 00:01:41,440

patreon campaign please visit

32

00:01:48,240 --> 00:01:45,220

patreon.com slash summer skies thank you

33

00:01:50,190 --> 00:01:48,250

as always I can't wait to bring brand

34

00:01:52,710 --> 00:01:50,200

new shows to you out of my New York City

35

00:01:55,680 --> 00:01:52,720

headquarters and I hope you enjoy the

36

00:02:05,050 --> 00:01:59,560

[Music]

37

00:02:09,370 --> 00:02:05,060

it was 2:30 p.m. October 31st 1963 when

38

00:02:12,220 --> 00:02:09,380

the saucer fell Ruth Souza nine-year-old

39

00:02:14,890 --> 00:02:12,230

daughter of Sonora Sousa was playing

40

00:02:17,410 --> 00:02:14,900

near the bank of the para pava River

41

00:02:20,320 --> 00:02:17,420

when a loud roar frightened her and

42

00:02:22,750 --> 00:02:20,330

caused her to look up into the sky what

43

00:02:26,710 --> 00:02:22,760

she saw coming at her was even more

44

00:02:28,660 --> 00:02:26,720

startling a shiny disc shaped object to

45

00:02:31,510 --> 00:02:28,670

move slowly just above the treetop level

46

00:02:33,990 --> 00:02:31,520

as it moved towards their house it lost

47

00:02:36,690 --> 00:02:34,000

altitude and collided with a palm tree

48

00:02:39,250 --> 00:02:36,700

growing between the house in the river

49

00:02:42,040 --> 00:02:39,260

unable to move the little girl watched

50

00:02:44,710 --> 00:02:42,050

awestruck as the shiny craft seemed to

51
00:02:47,050 --> 00:02:44,720
try to gain altitude as it moved over

52
00:02:50,229 --> 00:02:47,060
the water of the river it rocked

53
00:02:53,140 --> 00:02:50,239
violently and maneuvered awkwardly as if

54
00:02:55,180 --> 00:02:53,150
trying to regain stability then it

55
00:02:56,500 --> 00:02:55,190
suddenly dropped directly into the water

56
00:02:59,560 --> 00:02:56,510
of the river

57
00:03:02,170 --> 00:02:59,570
Ruth ran to her mother Nord come out at

58
00:03:04,060 --> 00:03:02,180
the sound of the tremendous roar had

59
00:03:06,610 --> 00:03:04,070
there been no other effects besides the

60
00:03:08,620 --> 00:03:06,620
roar the disc shaped object that the

61
00:03:10,330 --> 00:03:08,630
little girl described might have been

62
00:03:13,570 --> 00:03:10,340
written off as the construction of a

63
00:03:16,150 --> 00:03:13,580

child's imagination but when Mrs. Souza

64

00:03:18,039 --> 00:03:16,160

reached the river the water where her

65

00:03:21,640 --> 00:03:18,049

daughter said the object had fallen was

66

00:03:24,490 --> 00:03:21,650

boiling violently churning up mud and

67

00:03:26,860 --> 00:03:24,500

other debris from the bottom Raoul Souza

68

00:03:28,870 --> 00:03:26,870

Ruth's uncle who was working about a

69

00:03:30,970 --> 00:03:28,880

hundred yards away from the spot came

70

00:03:33,910 --> 00:03:30,980

running to the house at the sound of the

71

00:03:36,190 --> 00:03:33,920

roar as he looked out over the river he

72

00:03:38,680 --> 00:03:36,200

too witnessed the strange boiling

73

00:03:41,380 --> 00:03:38,690

churning water but even with these

74

00:03:44,650 --> 00:03:41,390

witnesses Ruth's story might have gone

75

00:03:47,590 --> 00:03:44,660

unbelievable had not verification come from

76
00:03:49,270 --> 00:03:47,600
across the river fishermen working the

77
00:03:51,699 --> 00:03:49,280
opposite bank of the river described

78
00:03:54,280 --> 00:03:51,709
exactly the same phenomenon that Ruth

79
00:03:56,380 --> 00:03:54,290
had they all heard the roar and saw the

80
00:03:59,350 --> 00:03:56,390
craft has moved from the river then

81
00:04:02,050 --> 00:03:59,360
plunged into it Senora de Souza's home

82
00:04:04,330 --> 00:04:02,060
is located in the South Paolo provenance

83
00:04:06,250 --> 00:04:04,340
of Brazil and a report of the sighting

84
00:04:08,349 --> 00:04:06,260
and of the fall of the object

85
00:04:08,800 --> 00:04:08,359
immediately went to the city of Sao

86
00:04:11,349 --> 00:04:08,810
Paulo

87
00:04:11,980 --> 00:04:11,359
police from the nearest town agua Bay

88
00:04:14,080 --> 00:04:11,990

when

89

00:04:16,090 --> 00:04:14,090

to the scene at once and questioned the

90

00:04:19,030 --> 00:04:16,100

witnesses while the incident was still

91

00:04:21,100 --> 00:04:19,040

fresh in their minds the story they

92

00:04:23,650 --> 00:04:21,110

pieced together described a disc of

93

00:04:26,200 --> 00:04:23,660

small thickness about one meter but

94

00:04:28,900 --> 00:04:26,210

about five meters in diameter by all

95

00:04:31,750 --> 00:04:28,910

accounts that had resembled an aluminum

96

00:04:33,490 --> 00:04:31,760

basin it had been very bright and in

97

00:04:36,580 --> 00:04:33,500

broad daylight that had looked almost

98

00:04:39,760 --> 00:04:36,590

luminous when first sighted the crafters

99

00:04:42,250 --> 00:04:39,770

moving very slowly and at no time did I

100

00:04:44,650 --> 00:04:42,260

show any ability to accelerate at any

101
00:04:47,050 --> 00:04:44,660
great rate the roar that announced its

102
00:04:48,520 --> 00:04:47,060
coming was almost deafening and seemed

103
00:04:50,890 --> 00:04:48,530
to indicate that the craft possessed

104
00:04:52,510 --> 00:04:50,900
great Bower as it moved toward the de

105
00:04:54,690 --> 00:04:52,520
Souza house it appeared to be having

106
00:04:57,790 --> 00:04:54,700
difficulty maintaining its altitude

107
00:05:00,130 --> 00:04:57,800
after several erratic movements the

108
00:05:02,890 --> 00:05:00,140
power had seemed to give out and the

109
00:05:05,200 --> 00:05:02,900
disk had plunged toward the river all

110
00:05:07,540 --> 00:05:05,210
the witnesses agree that the river had

111
00:05:10,510 --> 00:05:07,550
erupted violently and the water had

112
00:05:13,270 --> 00:05:10,520
begun to boil the craft did not stay on

113
00:05:15,360 --> 00:05:13,280

top of the water for any time at all but

114

00:05:17,530 --> 00:05:15,370

settled immediately beneath the surface

115

00:05:20,650 --> 00:05:17,540

indicating that it was of greater

116

00:05:23,440 --> 00:05:20,660

average density than water the depth of

117

00:05:25,510 --> 00:05:23,450

the water at the spot is twelve feet but

118

00:05:27,790 --> 00:05:25,520

where the water stops the silt begins

119

00:05:31,060 --> 00:05:27,800

and the mud layer on the bottom is about

120

00:05:33,250 --> 00:05:31,070

15 feet thick and is mixed with clay the

121

00:05:36,310 --> 00:05:33,260

disc had stuck to the top of a palm tree

122

00:05:38,260 --> 00:05:36,320

next to mrs. de Souza's house before it

123

00:05:40,060 --> 00:05:38,270

had moved over the river the police

124

00:05:41,920 --> 00:05:40,070

observed that something had freshly

125

00:05:44,980 --> 00:05:41,930

gouged the trunk out of the tree

126
00:05:47,340 --> 00:05:44,990
about 15 feet above the ground whatever

127
00:05:50,710 --> 00:05:47,350
the objects identity it had been very

128
00:05:52,780 --> 00:05:50,720
substantial heavier than water and in

129
00:05:55,150 --> 00:05:52,790
trouble before it plunged into the river

130
00:05:58,240 --> 00:05:55,160
the incident caused an immediate

131
00:06:00,370 --> 00:05:58,250
sensation in Brazil UFO investigators

132
00:06:02,830 --> 00:06:00,380
had waited for years for a saucer to

133
00:06:05,700 --> 00:06:02,840
land or crash in order to establish

134
00:06:08,170 --> 00:06:05,710
their claims to the existence of

135
00:06:11,530 --> 00:06:08,180
extraterrestrial intelligence this

136
00:06:14,380 --> 00:06:11,540
seemed to be the perfect opportunity the

137
00:06:17,680 --> 00:06:14,390
craft had sunk in a river but it had not

138
00:06:20,140 --> 00:06:17,690

fallen on military property it seemed to

139

00:06:22,600 --> 00:06:20,150

be just a matter of recovering it where

140

00:06:24,760 --> 00:06:22,610

it had fallen the first attempt to

141

00:06:25,390 --> 00:06:24,770

retrieve the disk was made by a diving

142

00:06:29,170 --> 00:06:25,400

instructor

143

00:06:31,090 --> 00:06:29,180

k'tano hermano Yvonne a with two

144

00:06:34,360 --> 00:06:31,100

companions peter unger

145

00:06:36,730 --> 00:06:34,370

in man WA Bautista Andrade they spent

146

00:06:39,010 --> 00:06:36,740

four hours searching the bottom in

147

00:06:41,800 --> 00:06:39,020

several efforts but they were hampered

148

00:06:43,510 --> 00:06:41,810

by the mud although the exact spot of

149

00:06:45,640 --> 00:06:43,520

descent into the river was marked

150

00:06:47,950 --> 00:06:45,650

exactly what had happened to the disk

151
00:06:50,189 --> 00:06:47,960
shaped object once it had passed under

152
00:06:53,350 --> 00:06:50,199
the surface was a matter of speculation

153
00:06:55,810 --> 00:06:53,360
one possibility is that it had sunk

154
00:06:58,719 --> 00:06:55,820
straight down into the mud and silt

155
00:07:00,430 --> 00:06:58,729
layers on the bottom yet if it had not

156
00:07:02,590 --> 00:07:00,440
moved immediately into the mud

157
00:07:05,379 --> 00:07:02,600
the current might have pushed the object

158
00:07:07,450 --> 00:07:05,389
toward the ocean it also could have been

159
00:07:09,730 --> 00:07:07,460
moved under its own power underwater

160
00:07:12,189 --> 00:07:09,740
before finally coming to rest on the

161
00:07:14,290 --> 00:07:12,199
river bottom another attempt to recover

162
00:07:17,740 --> 00:07:14,300
the disk was made by a second team of

163
00:07:20,230 --> 00:07:17,750

divers led by a man named Gigi Delmas

164

00:07:21,969 --> 00:07:20,240

Keo although much special equipment was

165

00:07:24,279 --> 00:07:21,979

brought in by the determined group of

166

00:07:27,010 --> 00:07:24,289

men they had his little look as the

167

00:07:29,500 --> 00:07:27,020

first team once again the mud on the

168

00:07:32,529 --> 00:07:29,510

river bottom was the biggest obstacle to

169

00:07:34,060 --> 00:07:32,539

successful diving several theories

170

00:07:36,370 --> 00:07:34,070

concerning what happened to the disc

171

00:07:38,920 --> 00:07:36,380

have been advanced by the residents of a

172

00:07:41,589 --> 00:07:38,930

guapa and by the divers who have gone in

173

00:07:43,480 --> 00:07:41,599

search of the object the most immediate

174

00:07:46,120 --> 00:07:43,490

possibility is that it may have been

175

00:07:49,240 --> 00:07:46,130

washed downstream most of the witnesses

176

00:07:52,180 --> 00:07:49,250

to the crash think that this is highly

177

00:07:54,820 --> 00:07:52,190

unlikely the way the disc plunged into

178

00:07:57,430 --> 00:07:54,830

the river it was probably a very heavy

179

00:07:59,980 --> 00:07:57,440

object those believing that the disc had

180

00:08:01,990 --> 00:07:59,990

come from some point in outer space have

181

00:08:03,850 --> 00:08:02,000

suggested that it may have been secretly

182

00:08:06,550 --> 00:08:03,860

retrieved some night immediately

183

00:08:08,260 --> 00:08:06,560

following the crash but eyewitnesses to

184

00:08:10,390 --> 00:08:08,270

the crash can test this position

185

00:08:12,550 --> 00:08:10,400

pointing out that immediately after the

186

00:08:14,529 --> 00:08:12,560

craft hit the water mud was spewed up

187

00:08:16,779 --> 00:08:14,539

which would indicate that it had

188

00:08:19,659 --> 00:08:16,789

probably buried itself deep in the silt

189

00:08:22,990 --> 00:08:19,669

making such an operation extremely

190

00:08:25,240 --> 00:08:23,000

difficult furthermore any mysterious

191

00:08:27,640 --> 00:08:25,250

activity in the alerted guapa area

192

00:08:30,550 --> 00:08:27,650

surely would have been observed by the

193

00:08:32,680 --> 00:08:30,560

residents the remaining possibility and

194

00:08:35,170 --> 00:08:32,690

the one which many people consider to be

195

00:08:36,540 --> 00:08:35,180

the most likely is that the disc is

196

00:08:38,520 --> 00:08:36,550

still there

197

00:08:41,070 --> 00:08:38,530

perhaps it moved with the current

198

00:08:43,770 --> 00:08:41,080

underwater or even under its own power

199

00:08:46,560 --> 00:08:43,780

but it is probably buried somewhere

200

00:08:48,750 --> 00:08:46,570

between the banks of the para PAVA still

201

00:08:51,230 --> 00:08:48,760

settling to the bottom of the 15-foot

202

00:08:54,480 --> 00:08:51,240

layer of enveloping almost impenetrable

203

00:08:56,820 --> 00:08:54,490

mud with the reports of the witnesses

204

00:08:59,280 --> 00:08:56,830

and the evidence of a notched palm tree

205

00:09:01,650 --> 00:08:59,290

the facts seem to indicate that an

206

00:09:04,530 --> 00:09:01,660

unidentified flying disc had had

207

00:09:07,040 --> 00:09:04,540

navigational trouble over Brazil and had

208

00:09:10,050 --> 00:09:07,050

been forced down in the para PAVA River

209

00:09:12,630 --> 00:09:10,060

whether it was manned or operated by

210

00:09:14,520 --> 00:09:12,640

remote control is unknown but the

211

00:09:16,470 --> 00:09:14,530

witnesses agree that it seemed to be

212

00:09:19,260 --> 00:09:16,480

moving under its own power when it

213

00:09:22,920 --> 00:09:19,270

plunged into the water it forms another

214

00:09:32,469 --> 00:09:22,930

mystery yet to be unraveled

215

00:09:39,849 --> 00:09:36,619

on a summer day in 1955 a group of

216

00:09:41,839 --> 00:09:39,859

children ranging in the age from 4 to 15

217

00:09:45,049 --> 00:09:41,849

had one of the most frightening

218

00:09:48,469 --> 00:09:45,059

sustained and out-and-out bizarre or

219

00:09:50,569 --> 00:09:48,479

alien encounters ever chronicled over

220

00:09:52,699 --> 00:09:50,579

the course of hours these children

221

00:09:55,149 --> 00:09:52,709

endure a series of events so outlandish

222

00:09:58,519 --> 00:09:55,159

that it's nearly impossible to

223

00:10:00,589 --> 00:09:58,529

categorize this series of truly

224

00:10:03,249 --> 00:10:00,599

astonishing events began at

225

00:10:05,840 --> 00:10:03,259

approximately 2:00 p.m. on Sunday August

226

00:10:07,880 --> 00:10:05,850

22nd 1955

227

00:10:09,620 --> 00:10:07,890

in the picturesque Casablanca

228

00:10:13,100 --> 00:10:09,630

neighborhood in Riverside County

229

00:10:15,260 --> 00:10:13,110

California that day a group of about

230

00:10:16,850 --> 00:10:15,270

eight boys were playing in the garden of

231

00:10:19,340 --> 00:10:16,860

mr. and mrs. Douglas

232

00:10:23,180 --> 00:10:19,350

the parents of one of the children that

233

00:10:25,160 --> 00:10:23,190

child won Kermit Douglas was wrestling

234

00:10:26,810 --> 00:10:25,170

on the lawn with another boy when he

235

00:10:29,810 --> 00:10:26,820

suddenly noticed a strange object

236

00:10:32,240 --> 00:10:29,820

hovering in the air above him the kids

237

00:10:34,940 --> 00:10:32,250

stopped playing and stared skyward at

238

00:10:37,590 --> 00:10:34,950

the translucent you cradled don't like

239

00:10:40,800 --> 00:10:37,600

structure until it abruptly

240

00:10:43,620 --> 00:10:40,810

a moment later a second object appeared

241

00:10:46,650 --> 00:10:43,630

with a distinct musical pinging sound

242

00:10:48,660 --> 00:10:46,660

this resembled a disc covering on its

243

00:10:51,300 --> 00:10:48,670

side which at times seemed to be

244

00:10:53,340 --> 00:10:51,310

spinning when it did so the lines of

245

00:10:56,040 --> 00:10:53,350

light emanating from it seemed to be

246

00:10:57,990 --> 00:10:56,050

bent around the rotating structure in

247

00:11:01,170 --> 00:10:58,000

what was an apparent breakdown of

248

00:11:03,990 --> 00:11:01,180

traditional physics within seconds the

249

00:11:06,509 --> 00:11:04,000

group of children became transfixed by

250

00:11:09,870 --> 00:11:06,519

the semi-transparent objects which were

251
00:11:12,449 --> 00:11:09,880
round like basketballs they consisted of

252
00:11:16,319 --> 00:11:12,459
various colors like red blue and orange

253
00:11:18,720 --> 00:11:16,329
but mostly silver these bizarre orbs and

254
00:11:20,699 --> 00:11:18,730
domes were repeatedly vanishing and

255
00:11:24,210 --> 00:11:20,709
reappearing with the high-pitched pains

256
00:11:27,150 --> 00:11:24,220
ringing out with every flash the display

257
00:11:28,650 --> 00:11:27,160
went on for some time but whenever one

258
00:11:31,980 --> 00:11:28,660
of the children ran into the home to

259
00:11:35,430 --> 00:11:31,990
call the parents outside the odd objects

260
00:11:37,410 --> 00:11:35,440
suddenly disappeared this apparent

261
00:11:39,569 --> 00:11:37,420
awareness on the part of the UFOs

262
00:11:42,030 --> 00:11:39,579
regarding who happened to be watching

263
00:11:44,100 --> 00:11:42,040

them was odd enough but when Blanche

264

00:11:47,189 --> 00:11:44,110

Campbell screamed for her mother to come

265

00:11:49,559 --> 00:11:47,199

outside and see the display the UFOs

266

00:11:52,650 --> 00:11:49,569

remained completely visible to the

267

00:11:55,350 --> 00:11:52,660

children but cannot be seen by the adult

268

00:11:58,769 --> 00:11:55,360

at first the group were fascinated by

269

00:12:00,569 --> 00:11:58,779

this amazing aerial extravaganza but

270

00:12:03,600 --> 00:12:00,579

without warning the phenomena

271

00:12:05,490 --> 00:12:03,610

transformed from a colorful display to

272

00:12:09,449 --> 00:12:05,500

an alarmingly bizarre series of

273

00:12:12,240 --> 00:12:09,459

encounters with a group of entities the

274

00:12:13,800 --> 00:12:12,250

kids started in astonishment as one of

275

00:12:16,740 --> 00:12:13,810

the more beautiful and brightly colored

276

00:12:19,110 --> 00:12:16,750

objects landed in a football field about

277

00:12:21,420 --> 00:12:19,120

a half a block away from them one of the

278

00:12:24,809 --> 00:12:21,430

witnesses described the colossal orb as

279

00:12:28,310 --> 00:12:24,819

being about as large as three houses put

280

00:12:31,970 --> 00:12:28,320

together and that it was very beautiful

281

00:12:33,560 --> 00:12:31,980

the massive UFO hovering of the ground

282

00:12:36,110 --> 00:12:33,570

but as the group began to migrate

283

00:12:38,420 --> 00:12:36,120

towards it two of the boys suddenly

284

00:12:40,730 --> 00:12:38,430

became aware of something moving near

285

00:12:43,939 --> 00:12:40,740

the house next door to the Douglas home

286

00:12:45,590 --> 00:12:43,949

stunned the boys claimed that they saw a

287

00:12:47,509 --> 00:12:45,600

translucent beam

288

00:12:51,290 --> 00:12:47,519

roughly the size of a four-year-old

289

00:12:53,780 --> 00:12:51,300

child floating just off the ground they

290

00:12:57,259 --> 00:12:53,790

described the creature as having a big

291

00:13:00,530 --> 00:12:57,269

red mouth big red eyes and four round

292

00:13:03,379 --> 00:13:00,540

objects on its face which sparkled like

293

00:13:05,930 --> 00:13:03,389

diamonds where the nose would be as if

294

00:13:08,540 --> 00:13:05,940

this wasn't weird enough where its legs

295

00:13:09,889 --> 00:13:08,550

and feet octave Ben was just a tapering

296

00:13:12,710 --> 00:13:09,899

round nope

297

00:13:15,139 --> 00:13:12,720

they also noticed a belt around its

298

00:13:17,990 --> 00:13:15,149

waist with a disc shaped buckle that

299

00:13:21,139 --> 00:13:18,000

shone like a bright mirror dazzling the

300

00:13:23,720 --> 00:13:21,149

children at this point the children were

301
00:13:27,050 --> 00:13:23,730
becoming terrified and began to scream

302
00:13:29,180 --> 00:13:27,060
and cry one of the horrified kids nearly

303
00:13:31,460 --> 00:13:29,190
plowed over his own mother as she

304
00:13:34,400 --> 00:13:31,470
sprinted outside to see what the panic

305
00:13:36,379 --> 00:13:34,410
was all about needless to say like all

306
00:13:38,650 --> 00:13:36,389
other adults who had come outside to see

307
00:13:41,509 --> 00:13:38,660
what the commotion was all about she saw

308
00:13:44,090 --> 00:13:41,519
nothing the rest of the group who

309
00:13:46,040 --> 00:13:44,100
remained outside left the hovering thing

310
00:13:48,259 --> 00:13:46,050
behind to get a better look at the

311
00:13:50,360 --> 00:13:48,269
object floating above the football field

312
00:13:52,879 --> 00:13:50,370
as the kids arrived at the sprawling

313
00:13:55,730 --> 00:13:52,889

field a seven-year-old boy became

314

00:13:57,769 --> 00:13:55,740

transfixed and began walking toward the

315

00:14:00,740 --> 00:13:57,779

object saying it was the most beautiful

316

00:14:03,410 --> 00:14:00,750

thing he'd ever seen two of the older

317

00:14:05,960 --> 00:14:03,420

boys concerned for his welfare tackled

318

00:14:09,170 --> 00:14:05,970

the hypnotized kid before he could get

319

00:14:12,500 --> 00:14:09,180

too close to the UFO it was then that

320

00:14:14,870 --> 00:14:12,510

all hell broke loose Marvin Simms

321

00:14:17,990 --> 00:14:14,880

claimed that UFOs begin to descend from

322

00:14:19,120 --> 00:14:18,000

the sky appearing and disappearing at a

323

00:14:22,430 --> 00:14:19,130

rapid pace

324

00:14:24,830 --> 00:14:22,440

stating that they sort of spiraled down

325

00:14:27,980 --> 00:14:24,840

when they took off they disappeared with

326

00:14:30,140 --> 00:14:27,990

a whirling motion one of the UFOs landed

327

00:14:32,360 --> 00:14:30,150

on a nearby rooftop while another

328

00:14:35,300 --> 00:14:32,370

apparently knocked a branch of a walnut

329

00:14:37,490 --> 00:14:35,310

tree a third flew past with a long

330

00:14:40,760 --> 00:14:37,500

antenna which seemed to admit some kind

331

00:14:43,160 --> 00:14:40,770

of ray at the same time one of the boys

332

00:14:46,310 --> 00:14:43,170

were startled to see a disembodied child

333

00:14:49,850 --> 00:14:46,320

sized silver arm beckoning to him from

334

00:14:51,710 --> 00:14:49,860

midair from about 20 feet away the arm

335

00:14:54,350 --> 00:14:51,720

appeared to be clad in some sort of

336

00:14:56,540 --> 00:14:54,360

riveted armor or protective shielding

337

00:14:59,090 --> 00:14:56,550

although the report fails to mention

338

00:15:01,850 --> 00:14:59,100

whether or not the unnamed boy responded

339

00:15:03,980 --> 00:15:01,860

to the gesture one can hope that he had

340

00:15:07,100 --> 00:15:03,990

the good sense to run in the opposite

341

00:15:10,010 --> 00:15:07,110

direction yet another boy told reporters

342

00:15:13,310 --> 00:15:10,020

that he saw a strange man in the field

343

00:15:15,890 --> 00:15:13,320

was gripping two gun light devices with

344

00:15:18,470 --> 00:15:15,900

which he temporarily paralyzed a pair of

345

00:15:20,630 --> 00:15:18,480

his friends while this description of a

346

00:15:23,140 --> 00:15:20,640

fast shooting futuristic gun wielding

347

00:15:26,450 --> 00:15:23,150

he-man instantly invokes images of

348

00:15:28,940 --> 00:15:26,460

terminator in many modern minds one can

349

00:15:31,280 --> 00:15:28,950

only imagine how perplexing such a

350

00:15:33,440 --> 00:15:31,290

vision must have been two kids weaned on

351
00:15:36,380 --> 00:15:33,450
the altogether more wholesome television

352
00:15:39,770 --> 00:15:36,390
exploits of Davy Crockett and rocky

353
00:15:41,630 --> 00:15:39,780
Jones Space Ranger as if all of these

354
00:15:44,210 --> 00:15:41,640
inexplicable happenings weren't weird

355
00:15:45,800 --> 00:15:44,220
enough it was then that an opening

356
00:15:48,110 --> 00:15:45,810
appeared on the side of the massive

357
00:15:51,320 --> 00:15:48,120
craft and out floated one of the

358
00:15:54,380 --> 00:15:51,330
strangest creatures ever recorded in

359
00:15:57,020 --> 00:15:54,390
either paranormal crypto zoological or a

360
00:15:58,970 --> 00:15:57,030
UFO logical or according to the

361
00:16:01,010 --> 00:15:58,980
eyewitnesses the thing that emerged from

362
00:16:04,250 --> 00:16:01,020
the huge horror was about three and a

363
00:16:06,829 --> 00:16:04,260

half feet tall with red eyes and a red

364

00:16:09,680 --> 00:16:06,839

mouth like the other hovering ghostly

365

00:16:11,810 --> 00:16:09,690

creature this one also had a rounded

366

00:16:14,750 --> 00:16:11,820

head and four diamond-like objects

367

00:16:16,760 --> 00:16:14,760

embedded in its face but perhaps the

368

00:16:19,420 --> 00:16:16,770

most bizarre characteristic of this beam

369

00:16:22,550 --> 00:16:19,430

were its odd series of appendages

370

00:16:25,400 --> 00:16:22,560

consisting of four legs that ended in

371

00:16:27,620 --> 00:16:25,410

rounded nubs and two arms that split at

372

00:16:28,670 --> 00:16:27,630

the elbow to grow into two sets of

373

00:16:32,300 --> 00:16:28,680

forearms

374

00:16:36,290 --> 00:16:32,310

each side with a hand attached to it in

375

00:16:39,889 --> 00:16:36,300

total this thing had two arms for four

376

00:16:43,130 --> 00:16:39,899

arms four hands and four tentacle like

377

00:16:45,920 --> 00:16:43,140

legs making this a truly alien

378

00:16:47,510 --> 00:16:45,930

apparition one of the boys Ronnie

379

00:16:50,360 --> 00:16:47,520

Strickland claimed that the floating

380

00:16:52,699 --> 00:16:50,370

multi linked entity spoke to him and

381

00:16:55,160 --> 00:16:52,709

told him to climb up into a nearby tree

382

00:16:57,620 --> 00:16:55,170

whereupon it promised to pick him up in

383

00:16:59,240 --> 00:16:57,630

15 minutes time he and another boy

384

00:17:01,370 --> 00:16:59,250

apparently climbed the tree and a

385

00:17:03,650 --> 00:17:01,380

trance-like state and the children

386

00:17:05,569 --> 00:17:03,660

confirmed that another UFO approached

387

00:17:07,640 --> 00:17:05,579

right on schedule

388

00:17:10,340 --> 00:17:07,650

this Saturn shaped vehicle had a

389

00:17:12,669 --> 00:17:10,350

stationary outer rim and a rotating

390

00:17:15,590 --> 00:17:12,679

central part that made a swishing sound

391

00:17:17,990 --> 00:17:15,600

according to the kids a group of little

392

00:17:20,090 --> 00:17:18,000

men were seen climbing out onto the rim

393

00:17:22,640 --> 00:17:20,100

in an attempt to reach Strickland and

394

00:17:26,030 --> 00:17:22,650

his friend and help the hypnotized boys

395

00:17:27,439 --> 00:17:26,040

aboard the panicking children no doubt

396

00:17:30,740 --> 00:17:27,449

fearing that their friends might be

397

00:17:33,140 --> 00:17:30,750

abducted never to be returned pleaded

398

00:17:35,960 --> 00:17:33,150

with the two boys to come down but they

399

00:17:38,810 --> 00:17:35,970

refused and continued to focus on the

400

00:17:41,990 --> 00:17:38,820

rotating UFO in a brilliant piece of

401
00:17:44,060 --> 00:17:42,000
ingenuity some of the youngsters ran for

402
00:17:46,310 --> 00:17:44,070
a nearby garden hose attached to one of

403
00:17:48,950 --> 00:17:46,320
the neighbors homes the lengthy tube

404
00:17:51,080 --> 00:17:48,960
reached the tree and the intrepid kids

405
00:17:53,720 --> 00:17:51,090
began to douse their friends with water

406
00:17:56,480 --> 00:17:53,730
in an attempt to bring them out of their

407
00:17:59,360 --> 00:17:56,490
treads one of the boys snapped back to

408
00:18:02,330 --> 00:17:59,370
reality and climbed down the tree but

409
00:18:04,910 --> 00:18:02,340
Strickland remained in a daze and sort

410
00:18:07,870 --> 00:18:04,920
of slid off the branch he was perched on

411
00:18:10,820 --> 00:18:07,880
and levitated onto a nearby rooftop

412
00:18:13,580 --> 00:18:10,830
still in a trance Strickland proceeded

413
00:18:16,250 --> 00:18:13,590

to walk right off the edge of the roof

414

00:18:18,680 --> 00:18:16,260

Blanche Campbell later claimed that she

415

00:18:20,780 --> 00:18:18,690

had watched in horror as Strickland had

416

00:18:21,630 --> 00:18:20,790

turned red before he jumped off the

417

00:18:24,330 --> 00:18:21,640

house

418

00:18:26,940 --> 00:18:24,340

although the boy landed on his head he

419

00:18:29,180 --> 00:18:26,950

mercifully suffered no permanent injury

420

00:18:32,340 --> 00:18:29,190

from the long fall but when he came to

421

00:18:34,169 --> 00:18:32,350

stricken could recollect nothing of what

422

00:18:36,090 --> 00:18:34,179

had happened to him and he refused to

423

00:18:38,539 --> 00:18:36,100

believe that he had floated to the roof

424

00:18:40,970 --> 00:18:38,549

and stepped off on his own accord

425

00:18:44,190 --> 00:18:40,980

following Strickland's potentially

426

00:18:47,100 --> 00:18:44,200

ruinous spill the multiplicity of UFOs

427

00:18:49,669 --> 00:18:47,110

and their various and increasingly more

428

00:18:52,980 --> 00:18:49,679

outlandish inhabitants abruptly

429

00:18:55,710 --> 00:18:52,990

disappeared never to be seen again

430

00:18:58,380 --> 00:18:55,720

perhaps it was all fun and games for

431

00:19:00,419 --> 00:18:58,390

these otherworldly entities until

432

00:19:02,130 --> 00:19:00,429

Strickland's fall brought a more serious

433

00:19:05,490 --> 00:19:02,140

note to the proceedings

434

00:19:08,669 --> 00:19:05,500

perhaps they simply grew bored or maybe

435

00:19:11,520 --> 00:19:08,679

their mission as unfathomable as it may

436

00:19:14,220 --> 00:19:11,530

have been was accomplished either way

437

00:19:17,010 --> 00:19:14,230

these myriad creatures and their

438

00:19:19,530 --> 00:19:17,020

multifaceted vehicles departed as

439

00:19:21,659 --> 00:19:19,540

swiftly as they had arrived leaving the

440

00:19:25,289 --> 00:19:21,669

prophetic children to a lifetime of

441

00:19:28,110 --> 00:19:25,299

wonder and one can only assume more than

442

00:19:28,830 --> 00:19:28,120

a few lingering psychological traumas to

443

00:19:31,650 --> 00:19:28,840

work out

444

00:19:34,230 --> 00:19:31,660

according to famed UFO researcher Ted

445

00:19:36,930 --> 00:19:34,240

closure after this the objects with

446

00:19:38,430 --> 00:19:36,940

their paranormal pilots disappeared but

447

00:19:40,830 --> 00:19:38,440

when the Riverside Press reporter

448

00:19:43,020 --> 00:19:40,840

arrived about an hour later one of the

449

00:19:46,080 --> 00:19:43,030

little boys were still crying in

450

00:19:48,180 --> 00:19:46,090

bludgers summation of this encounter he

451
00:19:50,760 --> 00:19:48,190
wrestled with the perplexing nature of

452
00:19:53,630 --> 00:19:50,770
the event in question he would say that

453
00:19:56,250 --> 00:19:53,640
quote this extraordinary incident

454
00:19:58,409 --> 00:19:56,260
manifestation may be a better word it

455
00:20:01,919 --> 00:19:58,419
lacks sufficient information to come to

456
00:20:04,440 --> 00:20:01,929
any final conclusions even so available

457
00:20:07,409 --> 00:20:04,450
data are sufficient to conclude that

458
00:20:09,830 --> 00:20:07,419
something bizarre and inexplicable

459
00:20:12,539 --> 00:20:09,840
occurred that afternoon at Casablanca

460
00:20:15,000 --> 00:20:12,549
that the children alone were able to

461
00:20:17,280 --> 00:20:15,010
perceive it and that whatever it was it

462
00:20:20,280 --> 00:20:17,290
appears to be directly related to an

463
00:20:23,320 --> 00:20:20,290

area of UFO phenomena suggestive of

464

00:20:26,230 --> 00:20:23,330

certain types of parapsychological the

465

00:20:28,740 --> 00:20:26,240

raises the question of whether these

466

00:20:30,610 --> 00:20:28,750

entities were extraterrestrial

467

00:20:33,060 --> 00:20:30,620

interdimensional biological

468

00:20:35,260 --> 00:20:33,070

parapsychological or merely

469

00:20:37,240 --> 00:20:35,270

phantasmagoric manifestations of the

470

00:20:41,110 --> 00:20:37,250

children's collective imaginations

471

00:20:43,660 --> 00:20:41,120

remains open and as such is still

472

00:20:46,810 --> 00:20:43,670

intensely fascinating and deeply

473

00:20:49,540 --> 00:20:46,820

frustrating for all of us who ponder its

474

00:20:52,140 --> 00:20:49,550

implications not only for the children

475

00:20:54,970 --> 00:20:52,150

who bore witness to this prolonged and

476

00:20:58,090 --> 00:20:54,980

disturbing series of incidents but for

477

00:21:00,910 --> 00:20:58,100

the human race as a whole for if the

478

00:21:03,760 --> 00:21:00,920

intentions of these presumably superior

479

00:21:07,420 --> 00:21:03,770

beings are to at best mess with our

480

00:21:09,970 --> 00:21:07,430

minds and at worse abscond away with our

481

00:21:12,670 --> 00:21:09,980

children for purposes too terrifying to

482

00:21:15,850 --> 00:21:12,680

contemplate then it seems that we're all

483

00:21:18,010 --> 00:21:15,860

in for a whole lot of grief it bears

484

00:21:20,530 --> 00:21:18,020

mentioning that the infamous alien

485

00:21:22,240 --> 00:21:20,540

attack on the Sutton family now known

486

00:21:25,210 --> 00:21:22,250

worldwide as the Kelly

487

00:21:29,140 --> 00:21:25,220

Hopkinsville encounter took place in the

488

00:21:32,080 --> 00:21:29,150

same 24 hours span as the Casablanca

489

00:21:34,480 --> 00:21:32,090

incident though there are few apparent

490

00:21:36,850 --> 00:21:34,490

connections between these two events it

491

00:21:39,640 --> 00:21:36,860

surely must be registered as one of the

492

00:21:42,700 --> 00:21:39,650

most astonishing days in the history of

493

00:21:45,310 --> 00:21:42,710

ethology a few days following the

494

00:21:47,290 --> 00:21:45,320

harrowing events at Casablanca a trio of

495

00:21:49,230 --> 00:21:47,300

investigators from the borderland

496

00:21:51,610 --> 00:21:49,240

Sciences Research Association

497

00:21:54,160 --> 00:21:51,620

interviewed the children involved with

498

00:21:55,900 --> 00:21:54,170

the event and concluded the report with

499

00:21:58,240 --> 00:21:55,910

the statement that they felt certain

500

00:22:00,200 --> 00:21:58,250

that the children that day at Casablanca

501
00:22:07,140 --> 00:22:00,210
were telling the truth

502
00:22:10,900 --> 00:22:08,410
Gary

503
00:22:14,470 --> 00:22:10,910
Irwin was a Nike missile technician at

504
00:22:18,610 --> 00:22:14,480
Fort Bliss in El Paso Texas on February

505
00:22:21,880 --> 00:22:18,620
28th 1959 he was driving back from Nampa

506
00:22:22,960 --> 00:22:21,890
Idaho where he'd been on leave at Cedar

507
00:22:26,350 --> 00:22:22,970
City Utah

508
00:22:28,930 --> 00:22:26,360
he turned southeast onto Route 14 about

509
00:22:31,240 --> 00:22:28,940
six miles from the turnoff he spotted a

510
00:22:33,130 --> 00:22:31,250
glowing object that seemed to come to

511
00:22:35,350 --> 00:22:33,140
earth in a field just off the road

512
00:22:38,500 --> 00:22:35,360
thinking he had seen an airplane crash

513
00:22:40,750 --> 00:22:38,510

or at least a forced landing he stopped

514

00:22:42,550 --> 00:22:40,760

to see if he could give assistance he

515

00:22:45,280 --> 00:22:42,560

wrote a note and placed it on the

516

00:22:48,010 --> 00:22:45,290

steering wheel of his car it read quote

517

00:22:50,220 --> 00:22:48,020

have gone to investigate possible plane

518

00:22:52,330 --> 00:22:50,230

crash please call law enforcement

519

00:22:55,330 --> 00:22:52,340

officers and quote

520

00:22:58,090 --> 00:22:55,340

then he wrote stopped in large letters

521

00:23:00,460 --> 00:22:58,100

on the side of his car about 30 minutes

522

00:23:02,890 --> 00:23:00,470

later a fishing game inspector happened

523

00:23:05,380 --> 00:23:02,900

to be driving past and stopped at Earl

524

00:23:07,690 --> 00:23:05,390

ins car he saw the note and took it to

525

00:23:10,330 --> 00:23:07,700

the Cedar City Sheriff's Office where

526

00:23:13,030 --> 00:23:10,340

sheriff auto Fife gathered a party of

527

00:23:15,460 --> 00:23:13,040

volunteers and returned to the site when

528

00:23:17,920 --> 00:23:15,470

they searched they found no trace of a

529

00:23:20,800 --> 00:23:17,930

plane crash but they found private Gary

530

00:23:22,990 --> 00:23:20,810

Irwin unconscious in a field by the side

531

00:23:25,420 --> 00:23:23,000

of the road ninety minutes had passed

532

00:23:26,170 --> 00:23:25,430

since he had first seen the glowing

533

00:23:28,810 --> 00:23:26,180

object

534

00:23:31,480 --> 00:23:28,820

Irwin was taken to the hospital in Cedar

535

00:23:33,430 --> 00:23:31,490

City where doctor Broadbent could find

536

00:23:36,070 --> 00:23:33,440

nothing physically wrong with him

537

00:23:36,850 --> 00:23:36,080

Irwin was merely asleep and could not be

538

00:23:39,010 --> 00:23:36,860

awakened

539

00:23:40,150 --> 00:23:39,020

dr. Broadbent could find no explanation

540

00:23:43,060 --> 00:23:40,160

for this

541

00:23:43,540 --> 00:23:43,070

so his diagnosis was hysteria when

542

00:23:45,850 --> 00:23:43,550

private

543

00:23:48,100 --> 00:23:45,860

Arwen eventually awoke he felt perfectly

544

00:23:51,010 --> 00:23:48,110

well but he was mystified by the glowing

545

00:23:53,560 --> 00:23:51,020

object he had seen he was also confused

546

00:23:56,110 --> 00:23:53,570

by the fact that his jacket was missing

547

00:23:58,060 --> 00:23:56,120

the sheriff's search party stated that

548

00:24:00,190 --> 00:23:58,070

he was not wearing it when they found

549

00:24:03,250 --> 00:24:00,200

him Irwin was flown back to Fort Bliss

550

00:24:05,710 --> 00:24:03,260

and placed under observation at William

551
00:24:08,410 --> 00:24:05,720
Beaumont Army Hospital for several days

552
00:24:11,200 --> 00:24:08,420
after which he was released as fit to

553
00:24:12,850 --> 00:24:11,210
return to duty the episode was not over

554
00:24:15,490 --> 00:24:12,860
yet though some days later

555
00:24:18,070 --> 00:24:15,500
Irwin fainted on base and a few days

556
00:24:19,930 --> 00:24:18,080
after that he fainted while in the city

557
00:24:22,090 --> 00:24:19,940
they'll pass so he was taken to

558
00:24:24,190 --> 00:24:22,100
Southwest General Hospital where he was

559
00:24:27,519 --> 00:24:24,200
found once again to be asleep and

560
00:24:30,490 --> 00:24:27,529
unwakeable about 24 hours later he awoke

561
00:24:33,399 --> 00:24:30,500
asking quote are there any survivors he

562
00:24:35,560 --> 00:24:33,409
behaved as if he had lost all memory of

563
00:24:38,380 --> 00:24:35,570

the period between seeing the object On

564

00:24:42,100 --> 00:24:38,390

February 28th in Utah and waking up on

565

00:24:44,500 --> 00:24:42,110

March 16th in El Paso once again he was

566

00:24:47,139 --> 00:24:44,510

taken to William Beaumont Army Hospital

567

00:24:50,560 --> 00:24:47,149

where he was placed under observation by

568

00:24:52,419 --> 00:24:50,570

psychiatrists after one month extensive

569

00:24:52,779 --> 00:24:52,429

testing could find nothing wrong with

570

00:24:55,899 --> 00:24:52,789

him

571

00:24:56,710 --> 00:24:55,909

so he was released on April 17th the

572

00:24:59,049 --> 00:24:56,720

next day

573

00:25:01,870 --> 00:24:59,059

Irwin was seized by a powerful impulse

574

00:25:05,169 --> 00:25:01,880

that made him take a bus from El Paso to

575

00:25:07,360 --> 00:25:05,179

Cedar City arriving on April 19th he

576

00:25:09,820 --> 00:25:07,370

then walked back to the field in which

577

00:25:12,490 --> 00:25:09,830

the sheriff's party had found him he

578

00:25:14,769 --> 00:25:12,500

found his jacket on a bush there was a

579

00:25:17,110 --> 00:25:14,779

pencil stuck in one of its buttonholes

580

00:25:17,860 --> 00:25:17,120

with a piece of paper long tightly

581

00:25:20,139 --> 00:25:17,870

around it

582

00:25:22,990 --> 00:25:20,149

Irwin burned the paper and then seemed

583

00:25:24,820 --> 00:25:23,000

to come out of some kind of trance he

584

00:25:27,310 --> 00:25:24,830

could not recall the path back to the

585

00:25:29,259 --> 00:25:27,320

road or why he'd come there he made his

586

00:25:32,169 --> 00:25:29,269

way back to Cedar City and turned

587

00:25:34,269 --> 00:25:32,179

himself in to sheriff Otto Fife who told

588

00:25:36,430 --> 00:25:34,279

Arwen about his first encounter on the

589

00:25:38,980 --> 00:25:36,440

28th of February once again

590

00:25:41,980 --> 00:25:38,990

Irwin returned to Fort Bliss and was

591

00:25:44,259 --> 00:25:41,990

given psychological examinations on July

592

00:25:46,779 --> 00:25:44,269

10th he again entered William Beaumont

593

00:25:48,789 --> 00:25:46,789

army hospital he was discharged again

594

00:25:51,310 --> 00:25:48,799

but on August 1st he failed to report

595

00:25:52,840 --> 00:25:51,320

for duty and one month later he was

596

00:25:55,379 --> 00:25:52,850

listed as a deserter

597

00:25:58,180 --> 00:25:55,389

after this private Gary Irwin

598

00:26:01,539 --> 00:25:58,190

disappeared from the public view and his

599

00:26:12,900 --> 00:26:01,549

current if he still is alive whereabouts

600

00:26:20,170 --> 00:26:16,060

sometime before 7 p.m. on the evening of

601
00:26:21,700 --> 00:26:20,180
February 23rd 1975 to seven-year-old

602
00:26:24,940 --> 00:26:21,710
boys Masato

603
00:26:27,430 --> 00:26:24,950
kawano and kata Shiro Yamaha - who were

604
00:26:30,790 --> 00:26:27,440
rollerskating near the high note housing

605
00:26:33,840 --> 00:26:30,800
estate in kami machi Kofu city when they

606
00:26:37,090 --> 00:26:33,850
noticed a pair of glittering orange UFOs

607
00:26:39,250 --> 00:26:37,100
cavorting in the sky above them the

608
00:26:42,370 --> 00:26:39,260
enthralled boys stared in astonishment

609
00:26:45,280 --> 00:26:42,380
as the larger of the two objects broke

610
00:26:48,280 --> 00:26:45,290
off and flew Northwest toward Mount

611
00:26:51,490 --> 00:26:48,290
Atago while the smaller craft slowly

612
00:26:53,320 --> 00:26:51,500
descended to the ground landing amongst

613
00:26:56,500 --> 00:26:53,330

the props of a vineyard located behind

614

00:26:58,540 --> 00:26:56,510

the estate the boys later confirmed that

615

00:27:01,330 --> 00:26:58,550

despite the distance the descending

616

00:27:04,480 --> 00:27:01,340

aerial anomaly could be heard emitting

617

00:27:07,180 --> 00:27:04,490

an odd series of crackling or ticking

618

00:27:10,090 --> 00:27:07,190

sounds not unlike that of a Geiger

619

00:27:12,400 --> 00:27:10,100

counter it goes without saying that the

620

00:27:15,100 --> 00:27:12,410

curious youngsters wasted no time in

621

00:27:16,390 --> 00:27:15,110

removing their skates and charging into

622

00:27:19,150 --> 00:27:16,400

the vineyard in order to get a better

623

00:27:21,310 --> 00:27:19,160

look at this now earthbound object as

624

00:27:24,220 --> 00:27:21,320

the second graders approached the

625

00:27:26,770 --> 00:27:24,230

formerly orange spacecraft they noted

626
00:27:30,100 --> 00:27:26,780
that it now resembled a dome atop a

627
00:27:33,040 --> 00:27:30,110
silver disc which stood approximately 7

628
00:27:36,160 --> 00:27:33,050
feet high and was roughly 15 feet in

629
00:27:38,890 --> 00:27:36,170
diameter this now classically shaped

630
00:27:41,380 --> 00:27:38,900
flying saucer was perched on three ball

631
00:27:44,530 --> 00:27:41,390
shaped legs and had but the children

632
00:27:46,720 --> 00:27:44,540
described as strange characters who

633
00:27:49,480 --> 00:27:46,730
bossed on the metallic surface of its

634
00:27:50,110 --> 00:27:49,490
helmet while inspecting the craft both

635
00:27:53,620 --> 00:27:50,120
Kawano

636
00:27:56,110 --> 00:27:53,630
and Yamaha were astounded to see a hatch

637
00:27:58,810 --> 00:27:56,120
open on the side of the craft and a

638
00:28:01,600 --> 00:27:58,820

ladder automatically extending down to

639

00:28:04,630 --> 00:28:01,610

the ground below the boy stared in

640

00:28:07,690 --> 00:28:04,640

stunned silence as a peculiar long armed

641

00:28:08,630 --> 00:28:07,700

humanoid began to disembark from the

642

00:28:10,850 --> 00:28:08,640

show

643

00:28:13,250 --> 00:28:10,860

it was at that moment that the boys

644

00:28:16,130 --> 00:28:13,260

noticed another slightly smaller though

645

00:28:18,080 --> 00:28:16,140

virtually identical entity that remained

646

00:28:20,260 --> 00:28:18,090

inside one was apparently the objects

647

00:28:23,120 --> 00:28:20,270

button in Levin field controlled room

648

00:28:24,830 --> 00:28:23,130

kono and Yamaha day later reported that

649

00:28:27,260 --> 00:28:24,840

the creatures were both approximately

650

00:28:30,320 --> 00:28:27,270

four feet tall and were clad in a

651
00:28:32,870 --> 00:28:30,330
glowing or reflective silver uniform

652
00:28:35,810 --> 00:28:32,880
they also depicted the entities as

653
00:28:40,190 --> 00:28:35,820
having large pointed ears and uncovered

654
00:28:41,870 --> 00:28:40,200
feet and in two Tolec protuberances the

655
00:28:44,630 --> 00:28:41,880
creatures were also described as being

656
00:28:46,909 --> 00:28:44,640
dark brown and smothered in wrinkles so

657
00:28:49,760 --> 00:28:46,919
dense they have scared any noticeable

658
00:28:53,960 --> 00:28:49,770
facial features saved three distinct

659
00:28:56,419 --> 00:28:53,970
nearly two inch long metal fangs while

660
00:28:58,370 --> 00:28:56,429
the metal fangs are a new twist the

661
00:29:00,440 --> 00:28:58,380
wrinkly skin might ring a bell for those

662
00:29:03,680 --> 00:29:00,450
who studied the Pascagoula alien

663
00:29:05,870 --> 00:29:03,690

abduction the boys also claimed that the

664

00:29:07,850 --> 00:29:05,880

being had emerged from the craft had

665

00:29:09,980 --> 00:29:07,860

been carrying a lone object

666

00:29:13,970 --> 00:29:09,990

slung over its shoulder which they

667

00:29:16,280 --> 00:29:13,980

stated resembled a rifle this strange

668

00:29:19,250 --> 00:29:16,290

visitor from out of this world surveyed

669

00:29:22,610 --> 00:29:19,260

the terrain outside the saucer oblivious

670

00:29:25,789 --> 00:29:22,620

to the spellbound duo openly Ocalan at

671

00:29:28,820 --> 00:29:25,799

it oblivious that was until it sharply

672

00:29:31,549 --> 00:29:28,830

turned and placed one of its claws under

673

00:29:34,460 --> 00:29:31,559

Yahama to shoulder patting him twice and

674

00:29:37,700 --> 00:29:34,470

uttering a series of sounds that sounded

675

00:29:41,630 --> 00:29:37,710

to the boys like a tape recorder running

676
00:29:44,659 --> 00:29:41,640
backwards at this point Yamaha collapsed

677
00:29:47,270 --> 00:29:44,669
to the ground paralyzed by terror as

678
00:29:50,480 --> 00:29:47,280
soon as Yamaha de fell to the ground

679
00:29:52,250 --> 00:29:50,490
coño exhibiting a commendable degree of

680
00:29:54,560 --> 00:29:52,260
courage for one so young

681
00:29:56,840 --> 00:29:54,570
rapidly pulled his friend up into his

682
00:30:00,080 --> 00:29:56,850
shoulders and carried him away from

683
00:30:03,490 --> 00:30:00,090
these potential vampiric alien

684
00:30:06,100 --> 00:30:03,500
assailants as swiftly as he could

685
00:30:08,350 --> 00:30:06,110
upon returning to the estate the now

686
00:30:10,149 --> 00:30:08,360
almost hysterical boys immediately

687
00:30:13,990 --> 00:30:10,159
inform their mothers about this bizarre

688
00:30:16,870 --> 00:30:14,000

close encounter they're curious yet Momo

689

00:30:19,419 --> 00:30:16,880

certainly incredulous mother's followed

690

00:30:21,850 --> 00:30:19,429

their clearly perturbed sons to the back

691

00:30:25,149 --> 00:30:21,860

of the apartment where much to their

692

00:30:28,360 --> 00:30:25,159

shock confirmed seeing an orange stroke

693

00:30:30,220 --> 00:30:28,370

like light pulsing in the vineyard the

694

00:30:32,680 --> 00:30:30,230

boys tried to convince their mothers to

695

00:30:34,870 --> 00:30:32,690

investigate the area but they safely

696

00:30:37,870 --> 00:30:34,880

decided to keep their distance from the

697

00:30:40,120 --> 00:30:37,880

inexplicable object the mothers later

698

00:30:42,390 --> 00:30:40,130

testified that the unusual light show

699

00:30:45,580 --> 00:30:42,400

continued for another five minutes

700

00:30:47,950 --> 00:30:45,590

before the UFO rocketed skyward with a

701
00:30:50,470 --> 00:30:47,960
burst of light so brilliant that the eye

702
00:30:53,320 --> 00:30:50,480
witnesses were compelled to avert their

703
00:30:56,080 --> 00:30:53,330
eyes it should be noted that while

704
00:30:58,659 --> 00:30:56,090
Yamaha and Cowen Oh were the only ones

705
00:31:01,600 --> 00:30:58,669
to have actually seen the allegedly et

706
00:31:05,080 --> 00:31:01,610
entities their classmate eight-year-old

707
00:31:07,419 --> 00:31:05,090
Ichiro Minegishi also reported spying a

708
00:31:09,880 --> 00:31:07,429
shining saucer flying toward thee he

709
00:31:12,250 --> 00:31:09,890
node housing estate while riding in a

710
00:31:14,860 --> 00:31:12,260
car with his parents near the Kofu

711
00:31:16,299 --> 00:31:14,870
bypass approximately the half an hour

712
00:31:19,659 --> 00:31:16,309
before the boys claimed to have

713
00:31:22,149 --> 00:31:19,669

encountered the UFO later eyewitnesses

714

00:31:23,950 --> 00:31:22,159

also included both a janitor and a local

715

00:31:26,770 --> 00:31:23,960

woman driving in the air

716

00:31:29,260 --> 00:31:26,780

the following day a owner and Yamaha DA

717

00:31:32,470 --> 00:31:29,270

had a captivated audience of students

718

00:31:35,049 --> 00:31:32,480

and teachers at the Yamashiro elementary

719

00:31:37,600 --> 00:31:35,059

school as they drew pictures of the

720

00:31:40,600 --> 00:31:37,610

beings and retold the harrowing tale of

721

00:31:43,060 --> 00:31:40,610

the alien encounter it wasn't long

722

00:31:45,610 --> 00:31:43,070

before alien fever and infected the

723

00:31:48,430 --> 00:31:45,620

entire student body and in an effort to

724

00:31:51,370 --> 00:31:48,440

quell the escalating mania schoolmaster

725

00:31:54,399 --> 00:31:51,380

nabe Yoshi koneko with what appears to

726
00:31:56,620 --> 00:31:54,409
be a surge of open-mindedness decided

727
00:31:59,919 --> 00:31:56,630
that they would inspect the area for

728
00:32:01,930 --> 00:31:59,929
themselves the school officials armed

729
00:32:04,299 --> 00:32:01,940
with whatever scientific paraphernalia

730
00:32:06,450 --> 00:32:04,309
they could get their hands on made their

731
00:32:09,119 --> 00:32:06,460
way to the scene of the

732
00:32:11,609 --> 00:32:09,129
upon their arrival they noted that two

733
00:32:14,460 --> 00:32:11,619
solid concrete posts had been pushed

734
00:32:16,560 --> 00:32:14,470
over at the landing site it was

735
00:32:19,200 --> 00:32:16,570
determined that the boys would have been

736
00:32:21,629 --> 00:32:19,210
unable to accomplish this task of

737
00:32:24,989 --> 00:32:21,639
intergalactic vandalism on their own

738
00:32:28,109 --> 00:32:24,999

this investigative team also discovered

739

00:32:30,779 --> 00:32:28,119

what they refer to as landing traces

740

00:32:33,659 --> 00:32:30,789

including soil impressions as well as a

741

00:32:36,180 --> 00:32:33,669

ring pattern in the dirt near the broken

742

00:32:39,600 --> 00:32:36,190

concrete posts where the UFO had

743

00:32:41,330 --> 00:32:39,610

allegedly landed one school teacher even

744

00:32:45,330 --> 00:32:41,340

claimed to have discovered radioactivity

745

00:32:48,180 --> 00:32:45,340

within the circular patch following the

746

00:32:50,669 --> 00:32:48,190

event both boys were questioned in depth

747

00:32:53,970 --> 00:32:50,679

by their parents their schoolmaster as

748

00:32:57,259 --> 00:32:53,980

well as noted UFO investigator masseter

749

00:33:00,480 --> 00:32:57,269

Morton their stories remain disturbingly

750

00:33:01,739 --> 00:33:00,490

consistent not surprisingly when asked

751
00:33:04,680 --> 00:33:01,749
what the orange lights might have been

752
00:33:07,379 --> 00:33:04,690
authorities at Civil Aviation Bureau of

753
00:33:09,659 --> 00:33:07,389
Transportation ministry claimed that the

754
00:33:15,239 --> 00:33:09,669
UFOs were nothing more than the lights

755
00:33:17,279 --> 00:33:15,249
of YS - 11 propeller planes which often

756
00:33:19,470 --> 00:33:17,289
flew at an altitude of a thousand metres

757
00:33:22,350 --> 00:33:19,480
Andras visible to the naked

758
00:33:23,940 --> 00:33:22,360
these aviation experts apparently

759
00:33:25,830 --> 00:33:23,950
reserved comment as to whether or not

760
00:33:29,940 --> 00:33:25,840
this conventional aircraft could

761
00:33:33,289 --> 00:33:29,950
transform into a silver dome as well as

762
00:33:37,289 --> 00:33:33,299
assume the form of small 20 eared Fang

763
00:33:40,200 --> 00:33:37,299

humanoids tonight sci-fi fans and

764

00:33:43,019 --> 00:33:40,210

skeptics including researcher Ventura

765

00:33:45,509 --> 00:33:43,029

Yamaguchi have noted that an alien

766

00:33:48,690 --> 00:33:45,519

appearing in an episode of Japan's ultra

767

00:33:51,500 --> 00:33:48,700

7 a popular live-action special-effects

768

00:33:54,299 --> 00:33:51,510

television series bears at least a

769

00:33:58,680 --> 00:33:54,309

superficial resemblance to the Kofu

770

00:34:01,919 --> 00:33:58,690

humanoid - the metallic fangs known as

771

00:34:05,789 --> 00:34:01,929

alien hook the unusual entity appeared

772

00:34:08,849 --> 00:34:05,799

in 1968 many years before this event

773

00:34:11,669 --> 00:34:08,859

occurred was this all an elaborate prank

774

00:34:15,270 --> 00:34:11,679

and the imagination of two young boys at

775

00:34:16,500 --> 00:34:15,280

school or did they truly encounter alien

776

00:34:19,349 --> 00:34:16,510

vampires

777

00:34:21,649 --> 00:34:19,359

no matter the case this will truly go

778

00:34:24,690 --> 00:34:21,659

down is one of the strangest and

779

00:34:29,669 --> 00:34:24,700

scariest encounters ever to come out of

780

00:34:29,679 --> 00:34:38,000

[Music]

781

00:34:43,080 --> 00:34:40,620

throughout the history of modern UFO

782

00:34:46,020 --> 00:34:43,090

research there have been many reports of

783

00:34:49,020 --> 00:34:46,030

crashed flying saucers and dead alien

784

00:34:51,600 --> 00:34:49,030

bodies being shipped off to destinations

785

00:34:54,090 --> 00:34:51,610

unknown whom while many of these reports

786

00:34:56,670 --> 00:34:54,100

come from dubious and less than credible

787

00:34:59,490 --> 00:34:56,680

witnesses there are those rare occasions

788

00:35:02,280 --> 00:34:59,500

when the story rests on the shoulders of

789

00:35:05,820 --> 00:35:02,290

extremely prominent and highly credible

790

00:35:09,150 --> 00:35:05,830

individuals such was the case for Clark

791

00:35:11,240 --> 00:35:09,160

B McClelland former spacecraft operator

792

00:35:13,320 --> 00:35:11,250

of the NASA space shuttle fleet

793

00:35:16,080 --> 00:35:13,330

McClelland came forward to tell a

794

00:35:18,860 --> 00:35:16,090

fantastic story he'd heard from the late

795

00:35:21,510 --> 00:35:18,870

lieutenant colonel Ellison Onizuka

796

00:35:24,690 --> 00:35:21,520

former discovery astronaut who

797

00:35:27,420 --> 00:35:24,700

tragically died in the 1986 Challenger

798

00:35:30,060 --> 00:35:27,430

Space Shuttle explosion during a routine

799

00:35:32,010 --> 00:35:30,070

prep mission the two had connected and

800

00:35:33,710 --> 00:35:32,020

exchanged several conversations

801
00:35:36,240 --> 00:35:33,720
throughout their working relationship

802
00:35:38,450 --> 00:35:36,250
many astronauts had been aware that

803
00:35:41,340 --> 00:35:38,460
McClelland had an interest in UFOs

804
00:35:44,310 --> 00:35:41,350
having spoken on many occasions with

805
00:35:45,870 --> 00:35:44,320
major Donald Kehoe and dick Hall two

806
00:35:47,910 --> 00:35:45,880
former members of the National

807
00:35:49,880 --> 00:35:47,920
Investigations Committee on aerial

808
00:35:52,620 --> 00:35:49,890
phenomena during one of McClellan's

809
00:35:55,140 --> 00:35:52,630
correspondence with Onizuka he was quite

810
00:35:57,420 --> 00:35:55,150
surprised when Onizuka asked him about

811
00:35:59,460 --> 00:35:57,430
his opinions on the possibility of an

812
00:36:02,340 --> 00:35:59,470
extraterrestrial intelligence having

813
00:36:04,890 --> 00:36:02,350

visited the planet McClellan once stated

814

00:36:07,590 --> 00:36:04,900

that he told Onizuka that he believed

815

00:36:09,870 --> 00:36:07,600

that life does exist among the stars and

816

00:36:12,420 --> 00:36:09,880

that it has visited earth throughout

817

00:36:15,480 --> 00:36:12,430

human history at this point Onizuka

818

00:36:17,550 --> 00:36:15,490

smile and then pressed on he asked

819

00:36:19,830 --> 00:36:17,560

McClelland if his name had any type of

820

00:36:22,230 --> 00:36:19,840

connection to McClelland Air Force Base

821

00:36:24,210 --> 00:36:22,240

in California when he admitted that he

822

00:36:27,390 --> 00:36:24,220

wasn't aware of any connection he asked

823

00:36:29,700 --> 00:36:27,400

Onizuka why he was so curious McClelland

824

00:36:32,160 --> 00:36:29,710

recalled the following about onizuka's

825

00:36:34,530 --> 00:36:32,170

response quote he had a surprising

826

00:36:37,080 --> 00:36:34,540

experience along with other USAF

827

00:36:39,890 --> 00:36:37,090

Aerospace flight engineers and pilots

828

00:36:42,319 --> 00:36:39,900

while on military training duty and

829

00:36:44,299 --> 00:36:42,329

Cleland Air Force Base about eight or

830

00:36:46,430 --> 00:36:44,309

nine years prior to his astronaut

831

00:36:48,319 --> 00:36:46,440

training he and his group were at the

832

00:36:50,390 --> 00:36:48,329

base for specialized training when they

833

00:36:52,849 --> 00:36:50,400

were directed to report to a viewing

834

00:36:55,819 --> 00:36:52,859

room as they were seated the room

835

00:36:58,760 --> 00:36:55,829

darkened and a movie began without the

836

00:37:01,519 --> 00:36:58,770

usual official introduction by a USAF

837

00:37:04,160 --> 00:37:01,529

officer end quote at this point

838

00:37:05,660 --> 00:37:04,170

Onizuka remembered being startled when

839

00:37:08,480 --> 00:37:05,670

the film began to show what appeared to

840

00:37:11,329 --> 00:37:08,490

be some sort of medical examination room

841

00:37:14,120 --> 00:37:11,339

with small bodies laying on some sort of

842

00:37:16,640 --> 00:37:14,130

table the bodies according to Onizuka

843

00:37:19,039 --> 00:37:16,650

were quote small strange-looking

844

00:37:21,289 --> 00:37:19,049

creatures they were humanoid and

845

00:37:23,180 --> 00:37:21,299

appeared similar to those described by

846

00:37:27,200 --> 00:37:23,190

alleged witnesses at the well-known

847

00:37:30,980 --> 00:37:27,210

Roswell site in 1947 they all had large

848

00:37:33,920 --> 00:37:30,990

heads large eyes slight torsos arms and

849

00:37:37,519 --> 00:37:33,930

legs they did not appear to be of

850

00:37:40,190 --> 00:37:37,529

earthly origin but why were Onizuka and

851
00:37:42,200 --> 00:37:40,200
others shown this film to what purpose

852
00:37:44,779 --> 00:37:42,210
was it to usher them in sit them down

853
00:37:47,210 --> 00:37:44,789
and not explain what they were seeing

854
00:37:49,579 --> 00:37:47,220
Onizuka explained his theories on this

855
00:37:52,309 --> 00:37:49,589
to McClelland stating that quote we were

856
00:37:54,349 --> 00:37:52,319
all caught off guard perhaps it was a

857
00:37:57,529 --> 00:37:54,359
test of our psyche to determine our

858
00:37:59,750 --> 00:37:57,539
overall reaction well we were all caught

859
00:38:01,519 --> 00:37:59,760
by surprise end quote

860
00:38:03,710 --> 00:38:01,529
this certainly would have been enough

861
00:38:05,930 --> 00:38:03,720
reason to question what it was they were

862
00:38:08,450 --> 00:38:05,940
seeing so had they been given the

863
00:38:10,519 --> 00:38:08,460

opportunity to enquire Onizuka went on

864

00:38:13,309 --> 00:38:10,529

to explain that they were not even given

865

00:38:15,140 --> 00:38:13,319

a moment to question their superiors he

866

00:38:16,819 --> 00:38:15,150

would go on to say that quote we were

867

00:38:18,950 --> 00:38:16,829

then asked to exit the room and

868

00:38:21,890 --> 00:38:18,960

continued our scheduled technical

869

00:38:23,620 --> 00:38:21,900

activities as if nothing special had

870

00:38:26,720 --> 00:38:23,630

occurred end quote

871

00:38:30,140 --> 00:38:26,730

so they said clearly been a cryptic and

872

00:38:33,230 --> 00:38:30,150

bizarre experience prompted by Onizuka

873

00:38:34,339 --> 00:38:33,240

superiors and various agencies so while

874

00:38:36,859 --> 00:38:34,349

it may have been a test on the

875

00:38:39,230 --> 00:38:36,869

collective and individual psyche of the

876
00:38:42,710 --> 00:38:39,240
viewers at the time what was the overall

877
00:38:44,960 --> 00:38:42,720
intent in the opinion of Onizuka he

878
00:38:47,839 --> 00:38:44,970
postulated the following to McClelland

879
00:38:50,450 --> 00:38:47,849
quote perhaps it was a planned USAF

880
00:38:51,170 --> 00:38:50,460
psychological test for military reasons

881
00:38:53,599 --> 00:38:51,180
and

882
00:38:56,750 --> 00:38:53,609
I may have been evaluating it in my

883
00:38:59,299 --> 00:38:56,760
selection as an astronaut in 1978

884
00:39:02,480 --> 00:38:59,309
you know what would my reaction be if I

885
00:39:04,760 --> 00:39:02,490
actually saw an alien being and quote it

886
00:39:06,319 --> 00:39:04,770
was at this point that McClellan claims

887
00:39:09,319 --> 00:39:06,329
that the two went their separate ways

888
00:39:11,780 --> 00:39:09,329

but not before agreeing to meet again to

889

00:39:12,500 --> 00:39:11,790

discuss the extraordinary story in more

890

00:39:14,630 --> 00:39:12,510

detail

891

00:39:16,609 --> 00:39:14,640

McClelland wished Onizuka the best of

892

00:39:19,069 --> 00:39:16,619

luck in his upcoming Challenger Space

893

00:39:21,980 --> 00:39:19,079

Flight mission unbeknownst to both men

894

00:39:25,970 --> 00:39:21,990

that day it would be the last time they

895

00:39:28,339 --> 00:39:25,980

ever spoke On January 8th 1986

896

00:39:31,190 --> 00:39:28,349

Onizuka and the other members of the

897

00:39:32,270 --> 00:39:31,200

Challenger crew lost their lives in the

898

00:39:35,780 --> 00:39:32,280

tragic accident

899

00:39:38,150 --> 00:39:35,790

that shook the nation McClelland was at

900

00:39:40,640 --> 00:39:38,160

Kennedy Space Center that day when the

901
00:39:43,569 --> 00:39:40,650
Challenger exploded and fell into the

902
00:39:46,069 --> 00:39:43,579
Atlantic Ocean with it the incredible

903
00:39:49,309 --> 00:39:46,079
accomplishments of the crew lived on in

904
00:39:51,980 --> 00:39:49,319
the memories of many and for Onizuka in

905
00:39:54,230 --> 00:39:51,990
particular he was remembered by most for

906
00:39:57,289 --> 00:39:54,240
being the first Asian American the first

907
00:40:00,349 --> 00:39:57,299
Japanese American and the first Hawaiian

908
00:40:03,470 --> 00:40:00,359
in space as an astronaut on the space

909
00:40:06,410 --> 00:40:03,480
shuttle Discovery but for McClelland his

910
00:40:10,099 --> 00:40:06,420
memory of Onizuka included the amazing

911
00:40:12,950 --> 00:40:10,109
story of possible alien beings and the

912
00:40:15,680 --> 00:40:12,960
strange film he'd witnessed assuring in

913
00:40:18,280 --> 00:40:15,690

yet another controversial tale in the

914

00:40:29,220 --> 00:40:18,290

annals of UFO lore

915

00:40:33,250 --> 00:40:31,210

alright that's it for this week's

916

00:40:35,290 --> 00:40:33,260

episode again if you'd like to become a

917

00:40:37,900 --> 00:40:35,300

patron please visit patreon.com slash

918

00:40:39,970 --> 00:40:37,910

somewhere skies please take a moment to

919

00:40:42,220 --> 00:40:39,980

subscribe rate and review somewhere in

920

00:40:44,050 --> 00:40:42,230

the skies wherever possible it really

921

00:40:46,390 --> 00:40:44,060

helps us gain visibility across all

922

00:40:48,520 --> 00:40:46,400

podcast platforms but somewhere in the

923

00:40:49,600 --> 00:40:48,530

sky store is open with some brand new

924

00:40:52,420 --> 00:40:49,610

designs

925

00:40:55,000 --> 00:40:52,430

check that out at t public comm that's t

926

00:40:56,860 --> 00:40:55,010

ee public calm and just search for the

927

00:40:58,990 --> 00:40:56,870

somewhere in the sky store you can also

928

00:41:01,570 --> 00:40:59,000

subscribe to our growing youtube channel

929

00:41:03,640 --> 00:41:01,580

right now with exclusive video content

930

00:41:05,950 --> 00:41:03,650

just look for the ryan spread channel

931

00:41:08,080 --> 00:41:05,960

you click subscribe we're on twitter at

932

00:41:10,390 --> 00:41:08,090

summer skies and instagram at similar

933

00:41:13,240 --> 00:41:10,400

skies by mike makes is always goes out

934

00:41:16,900 --> 00:41:13,250

to the e1 podcast network hello fresh

935

00:41:18,850 --> 00:41:16,910

kgr a radio and especially to you for

936

00:41:21,700 --> 00:41:18,860

listening i will see you here next week

937

00:41:23,770 --> 00:41:21,710

and remember to defeat on the ground but

938

00:41:24,190 --> 00:41:23,780

never stop searching somewhere in the

939

00:42:03,390 --> 00:41:24,200

skies

940

00:42:06,080 --> 00:42:03,400

[Music]

941

00:42:08,550 --> 00:42:06,090

[Applause]

942

00:42:10,320 --> 00:42:08,560

somewhere in the skies is produced by

943

00:42:12,510 --> 00:42:10,330

Third Kind productions in association

944

00:42:14,040 --> 00:42:12,520

with the entertainment one podcast
