4
00:00:11,570 --> 00:00:09,510
to create that's why I've started this

00:00:26,000 --> 00:00:23,490
there are rewards for each level of

11
00:00:28,400 --> 00:00:26,010
contribution and the list is only grown

12
00:00:31,189 --> 00:00:28,410
so please help somewhere in the skies

16

00:01:18,980 --> 00:01:15,200

if anything happens to me investigate

17

00:01:22,219 --> 00:01:18,990

this was a text sent to Vanessa Bates by

18

00:01:25,099 --> 00:01:22,229

her son in July of 2016

19

00:01:27,230 --> 00:01:25,109

several weeks prior max Pierce was

20

00:01:29,779 --> 00:01:27,240

scheduled to speak at a conference in

21

00:01:31,730 --> 00:01:29,789

Warsaw Poland the topics of his

22

00:01:34,039 --> 00:01:31,740

presentation would center around several

23

00:01:36,410 --> 00:01:34,049

conspiracy theories he believed he'd

24

00:01:39,080 --> 00:01:36,420

uncovered which included alleged

25

00:01:42,199 --> 00:01:39,090

government cover-ups of UFOs mind

26

00:01:44,240 --> 00:01:42,209

control and underground bases housing

27

00:01:47,690 --> 00:01:44,250

clandestine military experiments

28

00:01:50,270 --> 00:01:47,700

involving aliens it was the perfect mix

29

00:01:52,100 --> 00:01:50,280

for any conspiracy theorist and for

30

00:01:54,949 --> 00:01:52,110

those who had gathered in Warsaw to hear

31

00:01:58,039 --> 00:01:54,959

Speer speak but they wouldn't get that

32

00:02:00,410 --> 00:01:58,049

chance and Spears would leave behind yet

33

00:02:03,050 --> 00:02:00,420

another conspiracy theory to plague the

34

00:02:04,219 --> 00:02:03,060

paranoid minds of his supporters up

35

00:02:08,210 --> 00:02:04,229

until today

36

00:02:11,420 --> 00:02:08,220

max Pierce died on a sofa only days

37

00:02:14,569 --> 00:02:11,430

before his presentation the sole witness

38

00:02:17,449 --> 00:02:14,579

was Monika Duval thought to be a close

39

00:02:19,879 --> 00:02:17,459

friend and possible romantic interest of

40

00:02:22,009 --> 00:02:19,889

Spears he'd been staying at her flat in

41

00:02:24,650 --> 00:02:22,019

Warsaw preparing for the highly

42

00:02:27,349 --> 00:02:24,660

anticipated talk he would be giving but

43

00:02:29,960 --> 00:02:27,359

she found Spears that morning face up a

44

00:02:32,539 --> 00:02:29,970

dark black liquid seeping from his mouth

45

00:02:35,539 --> 00:02:32,549

that he had seemingly vomited up during

46

00:02:37,780 --> 00:02:35,549

the night finding him in this horrifying

47

00:02:40,789 --> 00:02:37,790

state to fall called for an ambulance

48

00:02:43,160 --> 00:02:40,799

but when the paramedics arrived they

49

00:02:46,099 --> 00:02:43,170

were unable to revive him and he was

50

00:02:48,140 --> 00:02:46,109

pronounced dead on the scene when word

51
00:02:51,740 --> 00:02:48,150
got back to Vanessa Bates back in

52
00:02:54,589 --> 00:02:51,750
England that her son was dead meanwhile

53
00:02:58,250 --> 00:02:54,599
Polish authorities performed no autopsy

54
00:03:00,750 --> 00:02:58,260
or post-mortem on Spears this was the

55
00:03:03,479 --> 00:03:00,760
first warning sign that something

56
00:03:06,600 --> 00:03:03,489
off the body was then handed over to

57
00:03:08,339 --> 00:03:06,610
British authorities mysteriously they

58
00:03:11,160 --> 00:03:08,349
ruled that Spears had died of natural

59
00:03:13,470 --> 00:03:11,170
causes despite the strange black liquid

60
00:03:16,589 --> 00:03:13,480
that devold claimed he vomited up that

61
00:03:19,110 --> 00:03:16,599
fateful night this was the second

62
00:03:21,569 --> 00:03:19,120
warning vanessa was then given

63
00:03:24,869 --> 00:03:21,579

possession of max Spears cell phone and

64

00:03:27,059 --> 00:03:24,879

computer and she claimed that both had

65

00:03:29,910 --> 00:03:27,069

been wiped completely clean

66

00:03:31,979 --> 00:03:29,920

not a single file text phone number or

67

00:03:34,740 --> 00:03:31,989

anything could be found on any of his

68

00:03:36,630 --> 00:03:34,750

devices It was as if his digital

69

00:03:39,869 --> 00:03:36,640

footprint had been erased

70

00:03:42,300 --> 00:03:39,879

this was the third and final warning for

71

00:03:45,780 --> 00:03:42,310

Vanessa that she had to heed her son's

72

00:03:47,930 --> 00:03:45,790

last words to her quote your boys in

73

00:03:52,050 --> 00:03:47,940

trouble if anything happens to me

74

00:03:54,420 --> 00:03:52,060

investigate and so she did and upon

75

00:03:56,819 --> 00:03:54,430

learning of how deep her son had truly

76

00:03:59,339 --> 00:03:56,829

gone down the rabbit hole in terms of

77

00:04:02,280 --> 00:03:59,349

his UFO and conspiracy work she began to

78

00:04:05,610 --> 00:04:02,290

truly wonder if he gotten too close to

79

00:04:10,289 --> 00:04:05,620

the truth or perhaps too far from

80

00:04:13,259 --> 00:04:10,299

reality more on max Pierce at the end of

81

00:04:16,080 --> 00:04:13,269

the show right now I want to talk about

82

00:04:19,229 --> 00:04:16,090

the notion of targeting UFO researchers

83

00:04:21,839 --> 00:04:19,239

I remember early on in my UFO research

84

00:04:24,270 --> 00:04:21,849

and investigative work I was sitting in

85

00:04:26,760 --> 00:04:24,280

a bar with my father in Syracuse New

86

00:04:29,430 --> 00:04:26,770

York and after a few beers we were

87

00:04:32,010 --> 00:04:29,440

getting pretty deep into Roswell and

88

00:04:34,740 --> 00:04:32,020

Rendlesham and particularly into the

89

00:04:37,560 --> 00:04:34,750

government cover-up aspect to UFO

90

00:04:39,089 --> 00:04:37,570

history and lore the more cases I

91

00:04:42,960 --> 00:04:39,099

brought up the more I could see my

92

00:04:45,659 --> 00:04:42,970

father looking rather concerned or maybe

93

00:04:48,870 --> 00:04:45,669

he was just the beer but what he asked

94

00:04:50,279 --> 00:04:48,880

me stuck with me up until today he asked

95

00:04:52,890 --> 00:04:50,289

me if I ever worried about the

96

00:04:55,620 --> 00:04:52,900

government coming after me or even more

97

00:04:57,629 --> 00:04:55,630

nefarious silencing me for possibly

98

00:05:00,930 --> 00:04:57,639

coming too close to the truth about UFOs

99

00:05:03,930 --> 00:05:00,940

and every member my knee-jerk reaction

100

00:05:06,089 --> 00:05:03,940

was to laugh it off I mean I'd been

101

00:05:08,279 --> 00:05:06,099

asked this many times in the past by

102

00:05:11,100 --> 00:05:08,289

curious minds but when it came to my own

103

00:05:14,219 --> 00:05:11,110

father staring at me with a straight

104

00:05:17,190 --> 00:05:14,229

face and asking me that I could tell

105

00:05:20,010 --> 00:05:17,200

that it wasn't an innocent inquiry my

106

00:05:21,750 --> 00:05:20,020

father was legitimately worried for his

107

00:05:24,810 --> 00:05:21,760

son's safety because the work he was

108

00:05:27,990 --> 00:05:24,820

doing a worry I'm sure of anticipates

109

00:05:30,270 --> 00:05:28,000

also had for her child but unfortunately

110

00:05:33,899 --> 00:05:30,280

her greatest nightmares had come true

111

00:05:36,870 --> 00:05:33,909

even I tried to ease my father's fears

112

00:05:40,019 --> 00:05:36,880

by stating that no UFO researcher had

113

00:05:41,760 --> 00:05:40,029

ever been killed or possibly murdered in

114

00:05:44,219 --> 00:05:41,770

the pursuit of finding the truth or

115

00:05:46,950 --> 00:05:44,229

uncovering a grand conspiracy or

116

00:05:48,690 --> 00:05:46,960

cover-up of the UFO phenomenon but I

117

00:05:51,089 --> 00:05:48,700

couldn't stop thinking about it after

118

00:05:52,890 --> 00:05:51,099

that night in the bar and that's when I

119

00:05:55,500 --> 00:05:52,900

flipped on the researcher mode and

120

00:05:58,200 --> 00:05:55,510

started digging and I soon realized that

121

00:05:58,740 --> 00:05:58,210

using my father's fears was the least of

122

00:06:01,140 --> 00:05:58,750

my worries

123

00:06:04,890 --> 00:06:01,150

I was faced with the possibility that

124

00:06:07,560 --> 00:06:04,900

maybe I was wrong and maybe some who

125

00:06:10,649 --> 00:06:07,570

knew too much about UFOs were in fact

126

00:06:13,290 --> 00:06:10,659

being surveilled and targeted their

127

00:06:15,120 --> 00:06:13,300

suspicious deaths left me wondering if

128

00:06:17,700 --> 00:06:15,130

this was just the theories of those

129

00:06:21,450 --> 00:06:17,710

seeking importance and relevancy where

130

00:06:23,640 --> 00:06:21,460

there was none or if they'd actually

131

00:06:28,760 --> 00:06:23,650

been killed to keep the truth hidden

132

00:06:37,820 --> 00:06:33,019

Morris Ketchum Jessup died April 20th

133

00:06:40,409 --> 00:06:37,830

1959 in 1955 of books of the UFO and

134

00:06:42,719 --> 00:06:40,419

intelligence communities by storm and

135

00:06:46,409 --> 00:06:42,729

instantly became a national bestseller

136

00:06:49,140 --> 00:06:46,419

the case for the UFO written by Morris K

137

00:06:52,200 --> 00:06:49,150

Jessup was an in-depth look at the UFO

138

00:06:54,360 --> 00:06:52,210

phenomenon to this day it remains an

139

00:06:57,089 --> 00:06:54,370

extremely comprehensive case study

140

00:06:59,760 --> 00:06:57,099

having begun his work as an instructor

141

00:07:01,409 --> 00:06:59,770

of mathematics and astrophysics Jessup

142

00:07:03,839 --> 00:07:01,419

would eventually receive his doctorate

143

00:07:06,420 --> 00:07:03,849

in astrophysics from the University of

144

00:07:09,180 --> 00:07:06,430

Michigan he would go on to study ancient

145

00:07:11,850 --> 00:07:09,190

ruins such as Easter Island and the

146

00:07:13,980 --> 00:07:11,860

megalithic stones of Peru as time

147

00:07:52,850 --> 00:07:13,990

progressed he even began to look into

148

00:07:59,910 --> 00:07:57,120

in 1956 just a plan to travel to Mexico

149

00:08:01,440 --> 00:07:59,920

to serve a meteorite craters but when

150

00:08:04,350 --> 00:08:01,450

word got out that he had been writing

151
00:08:06,990 --> 00:08:04,360
books about UFOs the University of

152
00:08:09,810 --> 00:08:07,000
Michigan the primary source of funding

153
00:08:12,630 --> 00:08:09,820
for Jessup's expedition wasn't exactly

154
00:08:15,410 --> 00:08:12,640
thrilled the university quickly pulled

155
00:08:19,380 --> 00:08:15,420
the funding and the trip never happened

156
00:08:21,750 --> 00:08:19,390
time progressed and by 1958 Jessup had

157
00:08:24,210 --> 00:08:21,760
separated from his wife stopped writing

158
00:08:27,780 --> 00:08:24,220
books and moved back to his hometown of

159
00:08:31,920 --> 00:08:27,790
Indiana he began to suffer from a deep

160
00:08:34,200 --> 00:08:31,930
depression in April 1959 he contacted

161
00:08:36,930 --> 00:08:34,210
his longtime friend popular radio show

162
00:08:39,630 --> 00:08:36,940
host Long John Neville Jessup sent

163
00:08:41,940 --> 00:08:39,640

Neville an extremely dark letter that

164

00:08:45,300 --> 00:08:41,950

Neville would later claim was a straight

165

00:08:47,160 --> 00:08:45,310

suicide note Neville hoped that the 59

166

00:08:50,580 --> 00:08:47,170

year old Jessup wasn't actually planning

167

00:08:53,490 --> 00:08:50,590

on going through with it but on April

168

00:08:56,670 --> 00:08:53,500

20th 1959 Jessup was found at

169

00:08:59,520 --> 00:08:56,680

approximately 6:30 p.m. at his home in

170

00:09:02,130 --> 00:08:59,530

Florida having wired a hose from his

171

00:09:05,580 --> 00:09:02,140

exhaust pipe into the window of his car

172

00:09:08,130 --> 00:09:05,590

the cause of death was carbon monoxide

173

00:09:11,640 --> 00:09:08,140

poisoning but a few things stood out

174

00:09:13,440 --> 00:09:11,650

about the suicide first the opening in

175

00:09:15,600 --> 00:09:13,450

the window of Jessup's car door where

176

00:09:17,670 --> 00:09:15,610

the hose had been inserted was stuffed

177

00:09:20,220 --> 00:09:17,680

with wet rags to keep the carbon

178

00:09:22,860 --> 00:09:20,230

monoxide from seeping out but there was

179

00:09:24,600 --> 00:09:22,870

no source of water in the car that

180

00:09:27,390 --> 00:09:24,610

Joseph could have used to dampen the

181

00:09:29,640 --> 00:09:27,400

rags granted Jessup could have wet the

182

00:09:30,970 --> 00:09:29,650

rags before he got in the car but it

183

00:09:34,210 --> 00:09:30,980

seems suspicious

184

00:09:37,030 --> 00:09:34,220

nonetheless even more suspicious however

185

00:09:40,480 --> 00:09:37,040

is the fact that contrary to Florida law

186

00:09:43,030 --> 00:09:40,490

no autopsy was performed on Jessup to

187

00:09:45,579 --> 00:09:43,040

determine the cause of death even if it

188

00:09:48,160 --> 00:09:45,589

were a suicide there wasn't even a hint

189

00:09:50,829 --> 00:09:48,170

of interest in looking deeper into the

190

00:09:53,769 --> 00:09:50,839

death was something being hidden and

191

00:09:57,550 --> 00:09:53,779

completely overlooked some believe

192

00:09:59,800 --> 00:09:57,560

Jessup was murdered Richard Ogden a UFO

193

00:10:01,990 --> 00:09:59,810

researcher was the first to question the

194

00:10:03,910 --> 00:10:02,000

suicide claiming that Jessup was

195

00:10:07,060 --> 00:10:03,920

receiving more information about UFOs

196

00:10:10,150 --> 00:10:07,070

than he was letting on and at a time

197

00:10:12,460 --> 00:10:10,160

when he was extremely vulnerable someone

198

00:10:17,800 --> 00:10:12,470

sent Jessup instructions on how to

199

00:10:23,470 --> 00:10:17,810

properly commit suicide Dorothy

200

00:10:25,810 --> 00:10:23,480

Kilgallen died November 8th 1965 as the

201
00:10:28,449 --> 00:10:25,820
most famous syndicated female journalist

202
00:10:31,269 --> 00:10:28,459
of her time Dorothy Kilgallen was used

203
00:10:33,639 --> 00:10:31,279
to controversy she was constantly

204
00:10:36,280 --> 00:10:33,649
rubbing elbows with the likes of Marilyn

205
00:10:38,860 --> 00:10:36,290
Monroe Frank Sinatra the Hollywood elite

206
00:10:40,780 --> 00:10:38,870
and the political celebrities that would

207
00:10:43,840 --> 00:10:40,790
find fame of their own in the most

208
00:10:47,079 --> 00:10:43,850
scandalous of ways this often left

209
00:10:49,600 --> 00:10:47,089
Dorothy prone to threats by those of

210
00:11:00,639 --> 00:10:49,610
whom she may have shed a not so bright

211
00:11:02,500 --> 00:11:00,649
light on indeed I do and looking forward

212
00:11:04,269 --> 00:11:02,510
to sharing them with our listeners I

213
00:11:06,460 --> 00:11:04,279

know you've got lots of fascinating

214

00:11:09,699 --> 00:11:06,470

information too but first I hear from a

215

00:11:12,519 --> 00:11:09,709

friend of ours but 1965 who proved to be

216

00:11:15,160 --> 00:11:12,529

the darkest year for the journalists the

217

00:11:17,920 --> 00:11:15,170

year when she herself became a tragic

218

00:11:20,500 --> 00:11:17,930

headline one would find it difficult to

219

00:11:22,629 --> 00:11:20,510

rank the contributions chuckling made to

220

00:11:24,670 --> 00:11:22,639

the world of journalism but there is no

221

00:11:26,530 --> 00:11:24,680

doubt that some headlines she helped

222

00:11:29,259 --> 00:11:26,540

spread across both America and Britain

223

00:11:30,970 --> 00:11:29,269

took precedence over others and put her

224

00:11:34,030 --> 00:11:30,980

vastly ahead of her journalistic

225

00:11:36,670 --> 00:11:34,040

counterparts the first was the 1954

226

00:11:38,889 --> 00:11:36,680

murder trial of dr. Sam Sheppard

227

00:11:41,500 --> 00:11:38,899

Coquelin questioned the guilty verdict

228

00:11:43,980 --> 00:11:41,510

in a syndicated column of hers stating

229

00:11:45,780 --> 00:11:43,990

that the prosecution didn't prove

230

00:11:48,960 --> 00:11:45,790

he was guilty anymore than they prove

231

00:11:51,030 --> 00:11:48,970

that there are pinheaded men on Mars her

232

00:11:53,070 --> 00:11:51,040

comments about men on Mars would stretch

233

00:11:56,240 --> 00:11:53,080

even further when she would veer her

234

00:11:59,670 --> 00:11:56,250

focus towards the topic of UFOs that

235

00:12:02,030 --> 00:11:59,680

same year she touched on many reports of

236

00:12:04,470 --> 00:12:02,040

sightings crashes and retrievals

237

00:12:07,410 --> 00:12:04,480

supposedly occurring in Britain at the

238

00:12:10,320 --> 00:12:07,420

time the byline of her first UFO related

239

00:12:13,110 --> 00:12:10,330

article stated quote flying saucers are

240

00:12:14,850 --> 00:12:13,120

regarded as of such vital importance

241

00:12:16,829 --> 00:12:14,860

that they will be the subject of a

242

00:12:19,650 --> 00:12:16,839

special hush-hush meeting of the world

243

00:12:21,600 --> 00:12:19,660

military heads next summer end quote

244

00:12:24,090 --> 00:12:21,610

in a separate article that ran in the

245

00:12:26,730 --> 00:12:24,100

New York Journal American the Cincinnati

246

00:12:28,829 --> 00:12:26,740

Enquirer and the Washington Post

247

00:12:31,470 --> 00:12:28,839

calculon's stated that British

248

00:12:33,269 --> 00:12:31,480

scientists and airmen after examining

249

00:12:36,150 --> 00:12:33,279

the wreckage of one mysterious flying

250

00:12:39,110 --> 00:12:36,160

ship are convinced these strange aerial

251

00:12:42,120 --> 00:12:39,120

objects are not optical illusions or

252

00:12:44,670 --> 00:12:42,130

Soviet interventions but our flying

253

00:12:48,240 --> 00:12:44,680

saucers which originated on another

254

00:12:50,010 --> 00:12:48,250

planet Coquelin claimed that her source

255

00:12:52,290 --> 00:12:50,020

of this information was a British

256

00:12:54,900 --> 00:12:52,300

high-ranking official preferred to

257

00:12:57,000 --> 00:12:54,910

remain anonymous she quoted this

258

00:13:00,030 --> 00:12:57,010

official as telling her that quote on

259

00:13:02,630 --> 00:13:00,040

the basis of our inquiry thus far the

260

00:13:05,010 --> 00:13:02,640

saucers were staffed by small men

261

00:13:07,500 --> 00:13:05,020

probably under 4 feet tall it's

262

00:13:09,510 --> 00:13:07,510

frightening but there is no denying that

263

00:13:10,290 --> 00:13:09,520

the flying saucers come from another

264

00:13:13,980 --> 00:13:10,300

planet

265

00:13:16,230 --> 00:13:13,990

end quote after close examination Gordon

266

00:13:18,269 --> 00:13:16,240

Crichton editor of the flying saucer

267

00:13:21,000 --> 00:13:18,279

review allege that the information was

268

00:13:23,340 --> 00:13:21,010

given to Calculon by Lord Mountbatten of

269

00:13:26,130 --> 00:13:23,350

Burma while they attended a cocktail

270

00:13:28,050 --> 00:13:26,140

party the third topic of great interest

271

00:13:30,630 --> 00:13:28,060

that Calculon found herself tangled up

272

00:13:33,060 --> 00:13:30,640

in was the John F Kennedy assassination

273

00:13:34,980 --> 00:13:33,070

soon after the death of President

274

00:13:37,230 --> 00:13:34,990

Kennedy Coquelin claimed that she had

275

00:13:39,410 --> 00:13:37,240

interviewed jack ruby inside the Dallas

276

00:13:43,050 --> 00:13:39,420

courthouse after he had shot and killed

277

00:13:45,269 --> 00:13:43,060

Lee Harvey Oswald the contents of this

278

00:13:48,389 --> 00:13:45,279

interview were never made public and

279

00:13:50,639 --> 00:13:48,399

instead only stirred the conspiratorial

280

00:13:53,400 --> 00:13:50,649

pot as Kilgallon would eventually

281

00:13:54,340 --> 00:13:53,410

suggest that the CIA had hired members

282

00:13:56,710 --> 00:13:54,350

of the

283

00:14:00,250 --> 00:13:56,720

via for assassinations on both Fidel

284

00:14:02,860 --> 00:14:00,260

Castro and President Kennedy perhaps

285

00:14:05,440 --> 00:14:02,870

foreshadowing her own demise Kilgallen

286

00:14:07,810 --> 00:14:05,450

was once quoted as saying this story

287

00:14:10,570 --> 00:14:07,820

isn't going to die as long as there's a

288

00:14:13,810 --> 00:14:10,580

real reporter alive and there are not a

289

00:14:16,300 --> 00:14:13,820

lot of them alive it was on an autumn

290

00:14:18,460 --> 00:14:16,310

morning in New York City when calculon's

291

00:14:21,310 --> 00:14:18,470

body was found in her brownstone

292

00:14:23,770 --> 00:14:21,320

apartment she had apparently succumbed

293

00:14:27,250 --> 00:14:23,780

to a fatal dose of sleeping pills and

294

00:14:29,320 --> 00:14:27,260

alcohol eerily of the same fashion as

295

00:14:31,660 --> 00:14:29,330

that of Marilyn Monroe with whom

296

00:14:34,480 --> 00:14:31,670

Gilliland had publicly become a close

297

00:14:37,720 --> 00:14:34,490

friend of many believed it to be an

298

00:14:39,700 --> 00:14:37,730

accidental suicide others believed she

299

00:14:41,500 --> 00:14:39,710

was permanently silenced for the wealth

300

00:14:45,400 --> 00:14:41,510

of information she was bringing forward

301
00:14:47,740 --> 00:14:45,410
about the affirmation topics either way

302
00:14:51,250 --> 00:14:47,750
the medical examiner who handled her

303
00:14:54,670 --> 00:14:51,260
death left a subtle but mysterious note

304
00:14:59,980 --> 00:14:54,680
typing simply circumstances undetermined

305
00:15:06,550 --> 00:14:59,990
on her death certificate Frank Edwards

306
00:15:08,860 --> 00:15:06,560
died June 22nd 1967 Frank Edwards had

307
00:15:10,990 --> 00:15:08,870
always had a knack for radio and it

308
00:15:14,050 --> 00:15:11,000
showed beginning his career as a

309
00:15:16,920 --> 00:15:14,060
broadcaster in 1924 he would go on to be

310
00:15:21,580 --> 00:15:16,930
a White House correspondent from 1949 to

311
00:15:23,920 --> 00:15:21,590
1954 in a 1953 poll Edwards were cited

312
00:15:26,560 --> 00:15:23,930
as one of the top three broadcasters in

313
00:15:29,440 --> 00:15:26,570

the nation delving deep into many

314

00:15:31,960 --> 00:15:29,450

different topics his true UFO colors

315

00:15:37,840 --> 00:15:31,970

began to show as his broadcasts boasted

316

00:15:40,090 --> 00:15:37,850

more and more died June 22nd 1967 Frank

317

00:15:42,970 --> 00:15:40,100

Edwards had always had a knack for radio

318

00:15:46,030 --> 00:15:42,980

and it showed beginning his career as a

319

00:15:48,930 --> 00:15:46,040

broadcaster in 1924 he would go on to be

320

00:15:53,560 --> 00:15:48,940

a White House correspondent from 1949 to

321

00:15:55,930 --> 00:15:53,570

1954 in a 1953 poll Edwards were cited

322

00:15:58,570 --> 00:15:55,940

as one of the top three broadcasters in

323

00:16:01,450 --> 00:15:58,580

the nation delving deep into many

324

00:16:03,940 --> 00:16:01,460

different topics his true UFO colors

325

00:16:06,100 --> 00:16:03,950

began to show as his broadcasts boasted

326
00:16:06,960 --> 00:16:06,110
more and more topics that bordered the

327
00:16:09,200 --> 00:16:06,970
frame

328
00:16:18,310 --> 00:16:09,210
primarily that of the extra-terrestrial

329
00:16:18,320 --> 00:16:39,270
you

330
00:17:12,810 --> 00:16:47,330
[Music]

331
00:17:20,290 --> 00:17:16,890
by the mid-1960s AdWords radio show

332
00:17:22,329 --> 00:17:20,300
strangest of all was heard on hundreds

333
00:17:25,360 --> 00:17:22,339
of radio stations across the country and

334
00:17:27,370 --> 00:17:25,370
soon hit newspaper syndication creating

335
00:17:29,920 --> 00:17:27,380
a whole new column for Edwards that

336
00:17:33,040 --> 00:17:29,930
spanned across 300 different American

337
00:17:36,010 --> 00:17:33,050
newspapers he was now the most outspoken

338
00:17:39,580 --> 00:17:36,020

radio broadcaster turned writer on the

339

00:17:42,220 --> 00:17:39,590

topic of UFOs and it didn't stop there

340

00:17:44,560 --> 00:17:42,230

Edwards would rack up an exceptional

341

00:17:46,420 --> 00:17:44,570

writing resume authoring a respectable

342

00:17:48,820 --> 00:17:46,430

seven books on different types of

343

00:17:51,490 --> 00:17:48,830

phenomena among the most notable of his

344

00:17:54,370 --> 00:17:51,500

books were flying saucers serious

345

00:17:57,010 --> 00:17:54,380

business which was published in 1966 and

346

00:18:00,550 --> 00:17:57,020

flying saucers here and now which was

347

00:18:02,530 --> 00:18:00,560

published in 1967 in a paper titled

348

00:18:04,960 --> 00:18:02,540

controversial deaths of UFO

349

00:18:07,780 --> 00:18:04,970

investigators researchers and authors

350

00:18:10,720 --> 00:18:07,790

Peter Robbins acknowledged Edwards

351

00:18:14,770 --> 00:18:10,730

interest in the UFO phenomenon CD in the

352

00:18:16,600 --> 00:18:14,780

late 1940s and peaking in 1953 the year

353

00:18:19,180 --> 00:18:16,610

in which Edwards received an advanced

354

00:18:21,670 --> 00:18:19,190

copy of the flying saucers are real by

355

00:18:24,790 --> 00:18:21,680

decorated marine pilot major Donald

356

00:18:26,560 --> 00:18:24,800

Keough in the book Kehoe comes to the

357

00:18:28,870 --> 00:18:26,570

controversial conclusion that the

358

00:18:31,540 --> 00:18:28,880

extra-terrestrial hypothesis is the most

359

00:18:34,540 --> 00:18:31,550

likely answer to the UFO phenomenon and

360

00:18:37,450 --> 00:18:34,550

that military officials know this but

361

00:18:39,640 --> 00:18:37,460

refused to acknowledge it Kehoe and

362

00:18:42,610 --> 00:18:39,650

Edwards connected on this theory and

363

00:18:44,110 --> 00:18:42,620

Kehoe soon became a regular unread words

364

00:18:47,300 --> 00:18:44,120

radio program

365

00:18:49,160 --> 00:18:47,310

Edwards took on a very integral role as

366

00:18:50,990 --> 00:18:49,170

the member of the Board of Governors for

367

00:18:55,220 --> 00:18:51,000

the national investigations Committee on

368

00:18:58,160 --> 00:18:55,230

aerial phenomena or night gap from 1957

369

00:19:00,170 --> 00:18:58,170

until his death as part of the

370

00:19:01,970 --> 00:19:00,180

organization he would eventually attend

371

00:19:04,220 --> 00:19:01,980

a special meeting in New York City

372

00:19:07,340 --> 00:19:04,230

called the conference of scientific

373

00:19:09,440 --> 00:19:07,350

ufologists the first morning at the

374

00:19:12,020 --> 00:19:09,450

conference found the organizer standing

375

00:19:14,750 --> 00:19:12,030

before more than a thousand people to

376

00:19:17,420 --> 00:19:14,760

announce that Frank Edwards had passed

377

00:19:20,420 --> 00:19:17,430

away a few minutes before midnight the

378

00:19:22,640 --> 00:19:20,430

night prior the importance of noting

379

00:19:25,010 --> 00:19:22,650

that it was before midnight stems from

380

00:19:26,900 --> 00:19:25,020

many believing the Edwards and all too

381

00:19:29,450 --> 00:19:26,910

coincidentally died on the anniversary

382

00:19:32,840 --> 00:19:29,460

of the famous Kenneth Arnold sightings

383

00:19:35,420 --> 00:19:32,850

of 1947 although it wasn't the exact

384

00:19:38,510 --> 00:19:35,430

anniversary it was spared only by

385

00:19:40,550 --> 00:19:38,520

minutes this begin to feel the fires of

386

00:19:42,800 --> 00:19:40,560

suspicion among many in the room that

387

00:19:44,990 --> 00:19:42,810

day those who are close to Edwards

388

00:19:48,110 --> 00:19:45,000

stated that his health had never been

389

00:19:50,690 --> 00:19:48,120

poor suspicions only grew when Edwards

390

00:19:53,330 --> 00:19:50,700

obituary in The New York Times read that

391

00:19:57,230 --> 00:19:53,340

he had apparently died of a heart attack

392

00:19:59,150 --> 00:19:57,240

the word apparently being noted if this

393

00:20:01,790 --> 00:19:59,160

weren't enough to question this sudden

394

00:20:04,490 --> 00:20:01,800

tragedy long-drawn nibel would take to

395

00:20:07,190 --> 00:20:04,500

the airwaves to explain that he had been

396

00:20:09,650 --> 00:20:07,200

shown two unsigned letters prior to the

397

00:20:11,930 --> 00:20:09,660

conference these letters both stated

398

00:20:14,570 --> 00:20:11,940

that Edwards would not live to see the

399

00:20:16,840 --> 00:20:14,580

end of the conference whether these

400

00:20:20,930 --> 00:20:16,850

letters were a warning or a threat

401
00:20:23,630 --> 00:20:20,940
remained in debate murder was resting

402
00:20:26,030 --> 00:20:23,640
lightly on everyone's lips but quickly

403
00:20:28,490 --> 00:20:26,040
became heavier when Neville related a

404
00:20:31,280 --> 00:20:28,500
phone call he had received from UFO

405
00:20:33,530 --> 00:20:31,290
author gray Barker days before the

406
00:20:36,800 --> 00:20:33,540
conference as well in the phone call

407
00:20:38,780 --> 00:20:36,810
Barker told Nebel quote John something

408
00:20:41,120 --> 00:20:38,790
happened a few minutes ago that really

409
00:20:43,430 --> 00:20:41,130
shook me up I got a phone call from a

410
00:20:45,740 --> 00:20:43,440
man who said that Frank would not live

411
00:20:47,540 --> 00:20:45,750
to see the end of the conference that's

412
00:20:50,799 --> 00:20:47,550
all he said before he hung up

413
00:20:53,080 --> 00:20:50,809

end quote Barker had been known to

414

00:20:55,480 --> 00:20:53,090

the truth a bit during the golden age of

415

00:20:57,519 --> 00:20:55,490

the saucer craze but never was always a

416

00:20:59,649 --> 00:20:57,529

straight shooter he wouldn't have

417

00:21:02,100 --> 00:20:59,659

broadcast these events on his show if he

418

00:21:04,509 --> 00:21:02,110

didn't believe there was truth to it and

419

00:21:06,730 --> 00:21:04,519

with the sheer amount of coincidences

420

00:21:09,310 --> 00:21:06,740

occurring that fade nationally touched

421

00:21:11,769 --> 00:21:09,320

on many controversial aspects of the UFO

422

00:21:13,989 --> 00:21:11,779

phenomenon including the alien-human

423

00:21:16,330 --> 00:21:13,999

hybrid ization theories brought forth by

424

00:21:18,940 --> 00:21:16,340

several abduction researchers and

425

00:21:20,950 --> 00:21:18,950

abductees remote even begged the

426

00:21:23,980 --> 00:21:20,960

question of whether aliens were guilty

427

00:21:26,639 --> 00:21:23,990

of a more sinister act such as

428

00:21:29,830 --> 00:21:26,649

harvesting humans for their organs as

429

00:21:32,200 --> 00:21:29,840

time progressed Rimmel subscription base

430

00:21:34,690 --> 00:21:32,210

began to grow some believe he was

431

00:21:36,820 --> 00:21:34,700

treading rough waters as his theories

432

00:21:38,560 --> 00:21:36,830

became not only more elaborate but he

433

00:21:40,810 --> 00:21:38,570

started to dig deeper into the black

434

00:21:43,359 --> 00:21:40,820

budget projects around Dulce New Mexico

435

00:21:46,299 --> 00:21:43,369

and other underground military bases

436

00:21:50,039 --> 00:21:46,309

that were supposedly housing aliens

437

00:21:52,840 --> 00:21:50,049

working alongside humans in August 1993

438

00:21:56,190 --> 00:21:52,850

Ramones death put an end to his

439

00:21:58,899 --> 00:21:56,200

investigations in silence him for good

440

00:22:00,310 --> 00:21:58,909

Ramon was found dead in a park in

441

00:22:01,899 --> 00:22:00,320

Portland Oregon

442

00:22:04,720 --> 00:22:01,909

having suffered from a fatal gunshot

443

00:22:08,200 --> 00:22:04,730

wound to the head by shooting himself

444

00:22:09,129 --> 00:22:08,210

through the mouth a bloody tragedy to

445

00:22:11,619 --> 00:22:09,139

say the least

446

00:22:13,230 --> 00:22:11,629

but one thing seemed to be missing from

447

00:22:17,080 --> 00:22:13,240

the barrel of the gun

448

00:22:18,970 --> 00:22:17,090

blood Ramon was found with the gun next

449

00:22:21,460 --> 00:22:18,980

to his hand but even more mysterious

450

00:22:24,999 --> 00:22:21,470

than the lack of blood was the lack of

451
00:22:29,019 --> 00:22:25,009
finger prints none were found on the gun

452
00:22:31,899 --> 00:22:29,029
also Ramos and written suicide note that

453
00:22:34,930 --> 00:22:31,909
eventually surfaced was clearly written

454
00:22:38,470 --> 00:22:34,940
by a left-handed person Ramon was

455
00:22:39,609 --> 00:22:38,480
right-handed perhaps an autopsy could

456
00:22:41,970 --> 00:22:39,619
have helped to answer some of the

457
00:22:44,889 --> 00:22:41,980
questions about this apparent suicide

458
00:22:48,009 --> 00:22:44,899
but just like Joseph before him no

459
00:22:51,180 --> 00:22:48,019
autopsy was performed and ramose body

460
00:22:54,430 --> 00:22:51,190
was cremated less than 24 hours later

461
00:22:56,169 --> 00:22:54,440
even more interesting was what Ramon was

462
00:22:59,049 --> 00:22:56,179
working on at the time of

463
00:23:01,269 --> 00:22:59,059

death according to a fox news broadcast

464

00:23:03,850 --> 00:23:01,279

covering his death it was rumored that

465

00:23:07,029 --> 00:23:03,860

he was working on an investigation into

466

00:23:09,609 --> 00:23:07,039

the deaths of over 30 British scientists

467

00:23:11,909 --> 00:23:09,619

who had allegedly committed suicide and

468

00:23:15,700 --> 00:23:11,919

all of whom had ties to top-secret

469

00:23:17,739 --> 00:23:15,710

projects with British Defense ramose

470

00:23:20,259 --> 00:23:17,749

death would prove to be one of the more

471

00:23:22,180 --> 00:23:20,269

questionable but even more questionable

472

00:23:24,850 --> 00:23:22,190

would be the death of someone he was

473

00:23:27,789 --> 00:23:24,860

working closely with and would suffer

474

00:23:33,340 --> 00:23:27,799

the same murky and suspicious fate not

475

00:23:37,659 --> 00:23:33,350

three years later Phil Schneider died

476
00:23:40,269 --> 00:23:37,669
January 17 1996 a self-taught geologist

477
00:23:42,519 --> 00:23:40,279
and explosives expert Phil Schneider

478
00:23:44,710 --> 00:23:42,529
would come forward with a story so

479
00:23:47,680 --> 00:23:44,720
controversial that even the claims of

480
00:23:50,590 --> 00:23:47,690
former whistleblower Bob Lazar paled in

481
00:23:53,200 --> 00:23:50,600
comparison to the accusations Schneider

482
00:23:55,480 --> 00:23:53,210
would reveal to the public it was an

483
00:23:59,169 --> 00:23:55,490
area 51 that Schneider was speaking out

484
00:24:01,210 --> 00:23:59,179
about but more than 13 underground

485
00:24:03,879 --> 00:24:01,220
facilities throughout the country that

486
00:24:05,440 --> 00:24:03,889
he had allegedly been stationed at to

487
00:24:08,230 --> 00:24:05,450
work on many different projects

488
00:24:10,509 --> 00:24:08,240

including structural engineering perhaps

489

00:24:13,060 --> 00:24:10,519

the most popular of these spaces was the

490

00:24:15,609 --> 00:24:13,070

rumored bio engineering facility in

491

00:24:17,769 --> 00:24:15,619

Dulce New Mexico while working there

492

00:24:21,129 --> 00:24:17,779

Schneider claimed that he witnessed grey

493

00:24:23,889 --> 00:24:21,139

humanoid aliens working alongside humans

494

00:24:27,009 --> 00:24:23,899

on different levels of the facility an

495

00:24:30,119 --> 00:24:27,019

incident occurred in 1979 causing a

496

00:24:32,889 --> 00:24:30,129

shootout amongst the aliens and humans

497

00:24:36,639 --> 00:24:32,899

supposedly over 60 members of The Secret

498

00:24:39,639 --> 00:24:36,649

Service FBI agents and black berets were

499

00:24:42,100 --> 00:24:39,649

killed countless gray aliens had

500

00:24:44,470 --> 00:24:42,110

perished as well during the shootout

501
00:24:46,480 --> 00:24:44,480
Shanter claimed that he was injured by

502
00:24:49,210 --> 00:24:46,490
the blast of a beam weapon by one of

503
00:24:50,770 --> 00:24:49,220
these aliens which left a huge scar on

504
00:24:53,050 --> 00:24:50,780
his chest

505
00:24:55,570 --> 00:24:53,060
he would later take the position that

506
00:24:58,150 --> 00:24:55,580
his contact with the beam weapon was the

507
00:25:01,930 --> 00:24:58,160
cause of a cancer he would be diagnosed

508
00:25:06,910 --> 00:25:01,940
with years later 66 Secret Service

509
00:25:08,950 --> 00:25:06,920
agents raised black berets crack troops

510
00:25:13,990 --> 00:25:08,960
lost their lives because the government

511
00:25:17,260 --> 00:25:14,000
our United States government lied did

512
00:25:20,680 --> 00:25:17,270
not tell us anything about the alien

513
00:25:25,210 --> 00:25:20,690

threat there's a war underneath there

514

00:25:28,690 --> 00:25:25,220

and I'm talking dead serious it's been

515

00:25:32,770 --> 00:25:28,700

going on since that time since late

516

00:25:34,600 --> 00:25:32,780

August of 1979 our military the Russian

517

00:25:37,980 --> 00:25:34,610

military basically the militaries of the

518

00:25:41,560 --> 00:25:37,990

world have been in constant conflict

519

00:25:44,170 --> 00:25:41,570

with the outer space alien the rumored

520

00:25:46,660 --> 00:25:44,180

event at Dulce had been twisted poked

521

00:25:50,140 --> 00:25:46,670

and prodded throughout the annals of UFO

522

00:25:53,170 --> 00:25:50,150

lore but Snejder would maintain a core

523

00:25:56,440 --> 00:25:53,180

group of accusations in lectures he gave

524

00:25:59,260 --> 00:25:56,450

across the country for years to go some

525

00:26:03,090 --> 00:25:59,270

of these accusations were sensational at

526

00:26:05,080 --> 00:26:03,100

the very least and some more sobering

527

00:26:07,210 --> 00:26:05,090

Sneijder claimed that our stealth

528

00:26:10,780 --> 00:26:07,220

technology was being back engineered

529

00:26:12,490 --> 00:26:10,790

from crashed UFOs aids was a population

530

00:26:15,310 --> 00:26:12,500

control method initiated by the National

531

00:26:17,380 --> 00:26:15,320

ordnance laboratory and that both the

532

00:26:20,680 --> 00:26:17,390

World Trade Center and Oklahoma City

533

00:26:23,890 --> 00:26:20,690

tragedies included nuclear detonated

534

00:26:25,900 --> 00:26:23,900

devices whether you believe the claims

535

00:26:27,940 --> 00:26:25,910

made by Schneider at his lectures or not

536

00:26:31,030 --> 00:26:27,950

one thing was for certain

537

00:26:33,450 --> 00:26:31,040

his death would raise just as many

538

00:26:35,920 --> 00:26:33,460

questions as his vast array of

539

00:26:37,420 --> 00:26:35,930

accusations claiming that numerous

540

00:26:39,970 --> 00:26:37,430

attempts had been made on his life

541

00:26:41,800 --> 00:26:39,980

including an incident in which someone

542

00:26:44,260 --> 00:26:41,810

removed the lug nuts from the tigers of

543

00:26:46,810 --> 00:26:44,270

his car he was able to outsmart those

544

00:26:48,670 --> 00:26:46,820

who wanted him gone but when a concerned

545

00:26:51,160 --> 00:26:48,680

friend of his hadn't heard from him in a

546

00:26:53,680 --> 00:26:51,170

few days he went to his house and saw

547

00:26:56,470 --> 00:26:53,690

his car their mail piled up in front of

548

00:26:57,240 --> 00:26:56,480

the door and no answer after incessant

549

00:26:59,940 --> 00:26:57,250

knocking

550

00:27:03,210 --> 00:26:59,950

the door the police eventually showed up

551

00:27:04,980 --> 00:27:03,220

in forced their way in the smell was

552

00:27:07,320 --> 00:27:04,990

unbearable when they function eiders

553

00:27:12,750 --> 00:27:07,330

body later concluding that he had been

554

00:27:15,180 --> 00:27:12,760

dead for at least five days word spread

555

00:27:17,220 --> 00:27:15,190

of his death and the detective on site

556

00:27:20,940 --> 00:27:17,230

determined that the cause of death was a

557

00:27:23,190 --> 00:27:20,950

stroke but as the day's progressed more

558

00:27:26,250 --> 00:27:23,200

and more grisly details emerged

559

00:27:28,950 --> 00:27:26,260

including evidence that a rubber tube or

560

00:27:32,070 --> 00:27:28,960

a catheter was found beneath the flaps

561

00:27:33,960 --> 00:27:32,080

of skin in Schneider's neck it had been

562

00:27:37,980 --> 00:27:33,970

wrapped around his neck three times

563

00:27:39,659 --> 00:27:37,990

before it was double knotted the failure

564

00:27:42,960 --> 00:27:39,669

to discover this evidence during the

565

00:27:45,899 --> 00:27:42,970

initial investigation was an inexcusable

566

00:27:48,690 --> 00:27:45,909

oversight by the police and the medical

567

00:27:51,240 --> 00:27:48,700

examiner who adopted the original cause

568

00:27:54,810 --> 00:27:51,250

of death and concluded that Schneider

569

00:27:59,039 --> 00:27:54,820

had committed suicide Snyder's widow

570

00:28:00,360 --> 00:27:59,049

cynthia drea was furious she demanded

571

00:28:02,789 --> 00:28:00,370

that the police begin a murder

572

00:28:04,860 --> 00:28:02,799

investigation and claimed that Schneider

573

00:28:07,080 --> 00:28:04,870

would never have taken his own life as

574

00:28:09,000 --> 00:28:07,090

his religious beliefs denounced the

575

00:28:12,180 --> 00:28:09,010

action and he had plans to write a

576

00:28:14,960 --> 00:28:12,190

tell-all book about his many claims but

577

00:28:18,120 --> 00:28:14,970

the investigation never came to fruition

578

00:28:21,029 --> 00:28:18,130

even more suspicious was that only days

579

00:28:23,460 --> 00:28:21,039

after Snyder's death Dreier claimed that

580

00:28:26,490 --> 00:28:23,470

intelligence agents had searched the

581

00:28:28,680 --> 00:28:26,500

premises thoroughly using many assets

582

00:28:30,590 --> 00:28:28,690

including personal photos that have been

583

00:28:33,299 --> 00:28:30,600

tucked away for years

584

00:28:36,000 --> 00:28:33,309

Snyder's death sparked much debate in

585

00:28:38,230 --> 00:28:36,010

and out of the UFO community but one

586

00:28:40,600 --> 00:28:38,240

thing was for certain

587

00:28:43,080 --> 00:28:40,610

when you speak about highly sensitive

588

00:28:46,570 --> 00:28:43,090

material no matter how outlandish

589

00:28:53,710 --> 00:28:46,580

someone is always listening and not

590

00:28:56,800 --> 00:28:53,720

always with the best of intentions the

591

00:28:59,980 --> 00:28:56,810

often dark and morbid stories of those

592

00:29:04,270 --> 00:28:59,990

who've just heard can easily fuel

593

00:29:07,380 --> 00:29:04,280

conspiracy theories they are tantalizing

594

00:29:10,690 --> 00:29:07,390

disturbing and most definitely

595

00:29:14,230 --> 00:29:10,700

mysterious and this is the perfect

596

00:29:17,140 --> 00:29:14,240

formula to create speculation but with

597

00:29:20,140 --> 00:29:17,150

speculation comes a responsibility for

598

00:29:23,230 --> 00:29:20,150

those telling the stories to focus not

599

00:29:26,070 --> 00:29:23,240

on the grisly deaths but perhaps to

600

00:29:29,590 --> 00:29:26,080

shine a light on the lives of those lost

601
00:29:32,440 --> 00:29:29,600
humanize them each of the individuals

602
00:29:35,080 --> 00:29:32,450
above pursued a truth that many of us

603
00:29:38,410 --> 00:29:35,090
seek - a mystery that will continue to

604
00:29:42,580 --> 00:29:38,420
elude us every step of the way and I

605
00:29:45,100 --> 00:29:42,590
commend them greatly for that I'm sure

606
00:29:48,540 --> 00:29:45,110
none of them were perfect by any means

607
00:29:52,030 --> 00:29:48,550
but they each had family friends

608
00:29:55,420 --> 00:29:52,040
supporters and probably detractors but

609
00:29:57,220 --> 00:29:55,430
they were somebody and in the memories

610
00:29:59,310 --> 00:29:57,230
of those who cared for them they

611
00:30:03,130 --> 00:29:59,320
remained somebody as well

612
00:30:06,970 --> 00:30:03,140
and for Vanessa Bates mother of Max

613
00:30:10,000 --> 00:30:06,980

peers the questions left behind were as

614

00:30:14,990 --> 00:30:10,010

painful as the loss of her son and the

615

00:30:19,640 --> 00:30:17,570

indeed by the time he was born just

616

00:30:22,280 --> 00:30:19,650

special because he's my son and might

617

00:30:24,980 --> 00:30:22,290

know the rest part of the world that he

618

00:30:28,220 --> 00:30:24,990

was part of he saw a lot of good and a

619

00:30:31,430 --> 00:30:28,230

lot of light he believed we were in a

620

00:30:33,200 --> 00:30:31,440

era of enlightenment and that it was on

621

00:30:36,230 --> 00:30:33,210

a second of Renaissance happening yet

622

00:30:38,030 --> 00:30:36,240

there were those who would not wish for

623

00:30:40,580 --> 00:30:38,040

this to be so that the last thing they

624

00:30:45,430 --> 00:30:40,590

wanted us enlightenment and they wanted

625

00:30:48,700 --> 00:30:45,440

to keep people closed and in place and

626

00:30:52,220 --> 00:30:48,710

that is what he saw as the darker side

627

00:30:55,010 --> 00:30:52,230

he thought that possibly the more he

628

00:30:57,950 --> 00:30:55,020

spoke out the more dangerous it became

629

00:31:00,410 --> 00:30:57,960

he said if I don't survive this month

630

00:31:02,510 --> 00:31:00,420

then you have to make sure that you look

631

00:31:04,400 --> 00:31:02,520

into it I don't even know if it was the

632

00:31:06,500 --> 00:31:04,410

people or if it was going to burn I

633

00:31:11,060 --> 00:31:06,510

don't know the answers but something

634

00:31:14,570 --> 00:31:11,070

changed some how he got connected with a

635

00:31:19,520 --> 00:31:14,580

darker side I want to know what happened

636

00:31:21,560 --> 00:31:19,530

to my son massive massive gaps that are

637

00:31:24,350 --> 00:31:21,570

extremely painful for me every morning

638

00:31:27,770 --> 00:31:24,360

that I wake up I worry about what

639

00:31:30,530 --> 00:31:27,780

happened to him I don't know I have no

640

00:31:32,180 --> 00:31:30,540

answers and it's more important to me I

641

00:31:33,830 --> 00:31:32,190

never thought that I'd be in a position

642

00:31:35,090 --> 00:31:33,840

to be even talking about it but it's

643

00:31:35,720 --> 00:31:35,100

more important to me to know what

644

00:31:40,049 --> 00:31:35,730

happened

645

00:31:43,289 --> 00:31:40,059

and whatever it is then not knowing

646

00:31:47,129 --> 00:31:43,299

but Vanessa Bates remembers the light in

647

00:31:50,039 --> 00:31:47,139

Max's life the good times and the joy he

648

00:31:50,669 --> 00:31:50,049

brought her and I'm sure in many

649

00:31:54,209 --> 00:31:50,679

different ways

650

00:31:57,450 --> 00:31:54,219

Morris Jessop Dorothy Kilgallen Frank

651
00:31:59,849 --> 00:31:57,460
Edwards Ron Romo and Phil Schneider did

652
00:32:02,999 --> 00:31:59,859
this same for those they encountered in

653
00:32:05,729 --> 00:32:03,009
their own lives and whether they like it

654
00:32:10,109 --> 00:32:05,739
or not they will go down in the annals

655
00:32:13,829 --> 00:32:10,119
of UFO lore both for their tragic ends

656
00:32:15,080 --> 00:32:13,839
but also for the legacies they left

657
00:32:29,860 --> 00:32:15,090
