Jessica I know she's listening in right

25

00:01:22,960 --> 00:01:19,290

now and also a concerning post that I

26

00:01:26,630 --> 00:01:22,970

saw earlier today from our Facebook our

27

00:01:29,630 --> 00:01:26,640

very hard-working Facebook admin Tracy

28

00:01:32,120 --> 00:01:29,640

savage both of her parents are not doing

29

00:01:34,460 --> 00:01:32,130

very well right now at all so just

30

00:01:37,190 --> 00:01:34,470

wanted to let her know our thoughts are

31

00:01:39,880 --> 00:01:37,200

with she and her family so hope

32

00:01:44,319 --> 00:01:39,890

everything's going better for you Tracy

33

00:01:48,950 --> 00:01:44,329

34

00:01:52,280 --> 00:01:48,960

it would be mr. Ryan Sprague he is a

witnesses in all walks of life about UFO

42

00:02:11,930 --> 00:02:10,670

sightings and possible encounters with

43

00:02:13,880 --> 00:02:11,940

extraterrestrials

the topic writing for such new sites as

47

00:02:25,010 --> 00:02:22,050

planet he is the creator and host of the

49

00:02:30,500 --> 00:02:28,320

00:02:33,440 --> 00:02:30,510

the UFO topic he has been featured on

51
00:02:36,590 --> 00:02:33,450

and is a regular on the Travel Channel's

53
00:02:39,740 --> 00:02:38,910

55
00:02:44,300 --> 00:02:41,880
he is currently working on his second

56
00:02:47,990 --> 00:02:44,310
book and developing several short films

57
00:02:51,199 --> 00:02:48,000
and plays about UFOs in New York City

58
00:02:55,729 --> 00:02:51,209
welcome to the show the very busy mr.

59
00:02:57,949 --> 00:02:55,739
Ryan Sprague thank you so much Shannon

60
00:02:59,680 --> 00:02:57,959
it's such an honor to be on with you

61
00:03:02,930 --> 00:02:59,690
today it's just like old times

62
00:03:05,210 --> 00:03:02,940
absolutely absolutely and for anybody

63
00:03:08,090 --> 00:03:05,220

that doesn't know Ryan did in fact used

64

00:03:10,250 --> 00:03:08,100

to co-host with me in beginning days of

65

00:03:11,420 --> 00:03:10,260

into the fray so it's good to talk to

66

00:03:14,120 --> 00:03:11,430

you again it's been a while it's been a

67

00:03:16,220 --> 00:03:14,130

while for us yeah I think I can't even

68

00:03:18,560 --> 00:03:16,230

tell you the last time we spoke over the

69

00:03:21,259 --> 00:03:18,570

radio so this is like even bigger the

70

00:03:23,900 --> 00:03:21,269

pressures really on yeah you you better

71

00:03:25,880 --> 00:03:23,910

deliver pretty good here Ryan I'm trying

72

00:03:27,530 --> 00:03:25,890

like we said it's a late year on the

73

00:03:30,770 --> 00:03:27,540

East Coast but I got a huge mug of

74

00:03:33,380 --> 00:03:30,780

coffee I'm good to go in your sasquatch

75

00:03:35,690 --> 00:03:33,390

mug right from LA yes a squatch coffee

76
00:03:37,220 --> 00:03:35,700
mug yes yes absolutely for those of you

77
00:03:39,740 --> 00:03:37,230
listeners who don't know I did work at a

78
00:03:41,120 --> 00:03:39,750
cryptid themed coffee shop in my time in

79
00:03:44,330 --> 00:03:41,130
Los Angeles so I thought it was very

80
00:03:48,110 --> 00:03:44,340
appropriate absolutely I'm sure that

81
00:03:49,820 --> 00:03:48,120
those came and like the the big size and

82
00:03:51,860 --> 00:03:49,830
then the biggie biggie size right cuz

83
00:03:53,690 --> 00:03:51,870
it's like well it's a Bigfoot cop so you

84
00:03:56,270 --> 00:03:53,700
better have a damn big cup of coffee oh

85
00:03:58,190 --> 00:03:56,280
my god yes I mean we had a huge

86
00:04:00,470 --> 00:03:58,200
Sasquatch on the wall that people would

87
00:04:02,210 --> 00:04:00,480
come in to see every day and take photos

88
00:04:05,060 --> 00:04:02,220

with and I'm not kidding you every

89

00:04:06,860 --> 00:04:05,070

single day at work someone would like

90

00:04:09,289 --> 00:04:06,870

come up and talk to me about Bigfoot or

91

00:04:11,509 --> 00:04:09,299

Sasquatch or UFOs I made so many

92

00:04:14,390 --> 00:04:11,519

connections working at this coffee shop

93

00:04:16,219 --> 00:04:14,400

that you know it was amazing you should

94

00:04:18,050 --> 00:04:16,229

have been wearing a wire and then you

95

00:04:21,710 --> 00:04:18,060

probably could have had a book you made

96

00:04:26,089 --> 00:04:21,720

out of a thing right yeah I probably

97

00:04:27,379 --> 00:04:26,099

could have all right Ryan so you know we

98

00:04:29,809 --> 00:04:27,389

have to go here

99

00:04:31,580 --> 00:04:29,819

because most of us not all of us but

100

00:04:34,070 --> 00:04:31,590

most of us have some kind of an

101
00:04:35,600 --> 00:04:34,080
inception story as to why I'm talking to

102
00:04:37,909 --> 00:04:35,610
you and you're talking to me and why you

103
00:04:40,189 --> 00:04:37,919
write these books and why you look into

104
00:04:41,959 --> 00:04:40,199
these things so if you don't mind for

105
00:04:44,929 --> 00:04:41,969
those that don't know how Ryan Sprague

106
00:04:46,309 --> 00:04:44,939
got into all this yeah absolutely I mean

107
00:04:48,920 --> 00:04:46,319
for the longest time I didn't really

108
00:04:50,629 --> 00:04:48,930
talk about it with many people you know

109
00:04:53,029 --> 00:04:50,639
maybe a couple close friends or

110
00:04:56,179 --> 00:04:53,039
obviously my parents who will play a

111
00:04:59,570 --> 00:04:56,189
role in this origin story of sorts but

112
00:05:03,580 --> 00:04:59,580
um yeah I did have a in experience when

113
00:05:07,670 --> 00:05:03,590

I was 12 years old in 1995 I had a

114

00:05:09,559 --> 00:05:07,680

pretty I guess dramatic UFO sighting you

115

00:05:11,629 --> 00:05:09,569

know now that I've heard so many stories

116

00:05:14,899 --> 00:05:11,639

about people who've had sightings it

117

00:05:17,869 --> 00:05:14,909

seems pretty tame in comparison but it

118

00:05:20,089 --> 00:05:17,879

definitely changed my life this was in

119

00:05:22,730 --> 00:05:20,099

upstate New York central New York I

120

00:05:26,029 --> 00:05:22,740

should say off the st. Lawrence River I

121

00:05:29,329 --> 00:05:26,039

was fishing at night I was by myself and

122

00:05:31,249 --> 00:05:29,339

I was listening to Green Day on my

123

00:05:36,379 --> 00:05:31,259

discman so that brings you back to the

124

00:05:39,980 --> 00:05:36,389

early mid 90s right there and I was I

125

00:05:43,070 --> 00:05:39,990

was taking my line in and I looked in

126

00:05:45,379 --> 00:05:43,080

the water and I could see like lights in

127

00:05:47,179 --> 00:05:45,389

the water so it's something there's

128

00:05:49,850 --> 00:05:47,189

something down there so I like get down

129

00:05:53,540 --> 00:05:49,860

on my tummy and I look in their water

130

00:05:55,480 --> 00:05:53,550

and you know I dawned on me how stupid I

131

00:05:59,510 --> 00:05:55,490

was this was was clearly a reflection

132

00:06:04,159 --> 00:05:59,520

from above so I get up and I look up

133

00:06:06,499 --> 00:06:04,169

into the sky and I it was there it was

134

00:06:09,670 --> 00:06:06,509

just there it was like three white

135

00:06:13,240 --> 00:06:09,680

lights and then like a hazy orangish

136

00:06:15,860 --> 00:06:13,250

reddish short of ball in the middle

137

00:06:18,679 --> 00:06:15,870

triangular formation of lights I didn't

138

00:06:21,350 --> 00:06:18,689

see any structure no machinery nothing

139

00:06:23,510 --> 00:06:21,360

like that I just saw lights but it was

140

00:06:25,399 --> 00:06:23,520

directly above me and it was completely

141

00:06:28,059 --> 00:06:25,409

silent whatever it was and the lights

142

00:06:30,649 --> 00:06:28,069

they started floating over the water

143

00:06:33,170 --> 00:06:30,659

stationary like they never lost that

144

00:06:36,529 --> 00:06:33,180

triangular formation and just started

145

00:06:38,509 --> 00:06:36,539

coasting over the water and I was

146

00:06:40,699 --> 00:06:38,519

terrified you know I read my headphones

147

00:06:41,330 --> 00:06:40,709

off you know to see if there was any

148

00:06:43,700 --> 00:06:41,340

sound

149

00:06:45,740 --> 00:06:43,710

there was absolutely nothing I was

150

00:06:48,140 --> 00:06:45,750

frozen there I didn't know what to do I

151

00:06:50,990 --> 00:06:48,150

couldn't like even yell nothing would

152

00:06:52,660 --> 00:06:51,000

come out and eventually I was able to

153

00:06:55,220 --> 00:06:52,670

get like a little squeal out and my dad

154

00:06:56,930 --> 00:06:55,230

heard me so he thinks like I fell in the

155

00:06:59,690 --> 00:06:56,940

water or something so he comes running

156

00:07:02,780 --> 00:06:59,700

out to the dock and I tell him like I I

157

00:07:05,360 --> 00:07:02,790

just saw something in the sky that I

158

00:07:07,910 --> 00:07:05,370

couldn't explain and he actually saw the

159

00:07:09,350 --> 00:07:07,920

tail end of this thing he saw two of the

160

00:07:10,730 --> 00:07:09,360

white lights that were in the back of

161

00:07:12,920 --> 00:07:10,740

the triangular formation

162

00:07:15,530 --> 00:07:12,930

he saw them so start to head towards

163

00:07:18,200 --> 00:07:15,540

Canada Canada was actually right across

164

00:07:20,590 --> 00:07:18,210

the river the the river actually was the

165

00:07:23,240 --> 00:07:20,600

border between the u.s. and Canada and

166

00:07:24,860 --> 00:07:23,250

he saw the tail end of it and he just

167

00:07:26,900 --> 00:07:24,870

told me it was a plane you know don't

168

00:07:29,240 --> 00:07:26,910

worry about it don't worry I'm telling

169

00:07:31,700 --> 00:07:29,250

him like dad this made no sound like it

170

00:07:34,850 --> 00:07:31,710

was right above me and it was so big and

171

00:07:37,490 --> 00:07:34,860

he just did his fatherly duties calm me

172

00:07:39,110 --> 00:07:37,500

down again told me it was a plane said

173

00:07:41,030 --> 00:07:39,120

he'd check on it in the morning and I

174

00:07:45,800 --> 00:07:41,040

didn't sleep at all that night obviously

175

00:07:47,840 --> 00:07:45,810

and we we went to the the hotel owner at

176
00:07:49,670 --> 00:07:47,850
the hotel we were staying at asked him

177
00:07:52,910 --> 00:07:49,680
if anything had been reported he had

178
00:07:54,440 --> 00:07:52,920
nothing we did eventually talk to like

179
00:07:57,110 --> 00:07:54,450
law enforcement in the area see if

180
00:07:59,720 --> 00:07:57,120
anyone else in that the town reported

181
00:08:02,600 --> 00:07:59,730
anything there was nothing so I kind of

182
00:08:05,090 --> 00:08:02,610
was alone in all of that with my

183
00:08:07,220 --> 00:08:05,100
sighting and I have like nightmares

184
00:08:09,260 --> 00:08:07,230
about it for many years after that and I

185
00:08:11,870 --> 00:08:09,270
didn't really talk about it with anybody

186
00:08:14,030 --> 00:08:11,880
and then sort of the floodgates started

187
00:08:19,340 --> 00:08:14,040
to open when I got into college and I

188
00:08:22,790 --> 00:08:19,350

started talking about it so as far as

189

00:08:25,370 --> 00:08:22,800

looking back now as far as your dad goes

190

00:08:28,010 --> 00:08:25,380

especially I mean just especially with

191

00:08:29,690 --> 00:08:28,020

what you do are you like well dad I

192

00:08:32,690 --> 00:08:29,700

remember you know my initial sighting I

193

00:08:36,110 --> 00:08:32,700

mean now--don't isn't he able to say

194

00:08:38,360 --> 00:08:36,120

yeah it was kind of weird or was it far

195

00:08:41,600 --> 00:08:38,370

enough away to where he really couldn't

196

00:08:43,850 --> 00:08:41,610

identify something being odd about it

197

00:08:45,230 --> 00:08:43,860

like he will he was in fact just oh it's

198

00:08:47,090 --> 00:08:45,240

probably just an airplane like he might

199

00:08:49,940 --> 00:08:47,100

have actually thought that right yeah I

200

00:08:52,880 --> 00:08:49,950

mean now this late in the game when he

201
00:08:54,830 --> 00:08:52,890
sees how serious I am about this topic

202
00:08:56,990 --> 00:08:54,840
and how this event no matter

203
00:08:58,850 --> 00:08:57,000
what it was how it affected me and

204
00:09:00,500 --> 00:08:58,860
changed me and made me who I am today

205
00:09:03,290 --> 00:09:00,510
I mean he's come to like talks I've

206
00:09:05,810 --> 00:09:03,300
given on UFOs so he's like a huge

207
00:09:08,780 --> 00:09:05,820
supporter of my work now and whenever I

208
00:09:11,630 --> 00:09:08,790
go home and visit him I you know we grab

209
00:09:14,030 --> 00:09:11,640
a beer and we chat UFOs it's great he's

210
00:09:16,340 --> 00:09:14,040
like really opened himself up to all

211
00:09:19,579 --> 00:09:16,350
this I think after seeing one of my

212
00:09:22,420 --> 00:09:19,589
talks he he really came around he's like

213
00:09:25,640 --> 00:09:22,430

holy crap like this stuff could be real

214

00:09:28,880 --> 00:09:25,650

as for that event itself I don't really

215

00:09:30,650 --> 00:09:28,890

think he's changed his mind or wavered

216

00:09:32,750 --> 00:09:30,660

too much on what that was or what it

217

00:09:35,540 --> 00:09:32,760

could have been I don't know it very

218

00:09:38,420 --> 00:09:35,550

well could have been some sort of you

219

00:09:40,250 --> 00:09:38,430

know military aircraft experiment it

220

00:09:42,890 --> 00:09:40,260

could have been like some sort of early

221

00:09:45,410 --> 00:09:42,900

drone a blimp I don't know I have no

222

00:09:47,840 --> 00:09:45,420

idea what it was but um I think it is

223

00:09:49,670 --> 00:09:47,850

really cool that it's led me on this

224

00:09:52,610 --> 00:09:49,680

path to where I am today and that I can

225

00:09:54,410 --> 00:09:52,620

share that with my father who now like

226

00:09:57,140 --> 00:09:54,420

every time I go home he's like so what's

227

00:09:58,970 --> 00:09:57,150

what's new in the UFO world about it

228

00:10:01,010 --> 00:09:58,980

it's so cool because I never had that

229

00:10:03,290 --> 00:10:01,020

with him growing up really everything

230

00:10:05,750 --> 00:10:03,300

was about sports and baseball and what

231

00:10:08,000 --> 00:10:05,760

grades I was getting in school so it's

232

00:10:10,130 --> 00:10:08,010

awesome to like go home have a beer and

233

00:10:14,690 --> 00:10:10,140

talk about like Rendlesham or Roswell

234

00:10:16,310 --> 00:10:14,700

with them really cool with your the

235

00:10:18,980 --> 00:10:16,320

subtitle of your book being a human

236

00:10:20,630 --> 00:10:18,990

approach to an alien phenomenon does he

237

00:10:23,540 --> 00:10:20,640

then know how much that sighting

238

00:10:25,640 --> 00:10:23,550

affected you or did he just you know in

239

00:10:27,050 --> 00:10:25,650

the last recent years figure that out or

240

00:10:32,540 --> 00:10:27,060

maybe after one of your talks

241

00:10:35,960 --> 00:10:32,550

I think after he heard me relate this

242

00:10:40,130 --> 00:10:35,970

story to like the public and to see like

243

00:10:41,840 --> 00:10:40,140

how it never gets easier I guess I can

244

00:10:43,850 --> 00:10:41,850

put it that way like you would think

245

00:10:45,590 --> 00:10:43,860

after years and years of like telling

246

00:10:47,449 --> 00:10:45,600

your story to someone that oh yeah you

247

00:10:50,030 --> 00:10:47,459

could just rattle it off with no emotion

248

00:10:52,190 --> 00:10:50,040

this that and and it's kind of just you

249

00:10:54,530 --> 00:10:52,200

know old hat at that point but every

250

00:10:58,400 --> 00:10:54,540

time I tell it like a either remember a

251
00:11:00,260 --> 00:10:58,410
small detail here or there or I get why

252
00:11:02,780 --> 00:11:00,270
I still get visibly like shaken up

253
00:11:06,050 --> 00:11:02,790
especially with how I felt during the

254
00:11:07,950 --> 00:11:06,060
event Shannon like I I remember the

255
00:11:10,950 --> 00:11:07,960
feeling more than what I actually

256
00:11:13,890 --> 00:11:10,960
saw and that was like pr2 terror like I

257
00:11:16,290 --> 00:11:13,900
said I was frozen on this dock of where

258
00:11:18,120 --> 00:11:16,300
I was fishing when I saw this and I felt

259
00:11:20,880 --> 00:11:18,130
like these weird vibrations going

260
00:11:22,710 --> 00:11:20,890
through my body and it was it was super

261
00:11:25,530 --> 00:11:22,720
strange it was totally foreign to me I

262
00:11:27,990 --> 00:11:25,540
have never felt that feeling again in my

263
00:11:30,570 --> 00:11:28,000

life the closest thing I could sort of

264

00:11:33,330 --> 00:11:30,580

relate it to would be like if you're

265

00:11:36,030 --> 00:11:33,340

standing really close it's like a huge

266

00:11:38,610 --> 00:11:36,040

speaker or amp at it like a rock concert

267

00:11:40,890 --> 00:11:38,620

and you can just feel the reverberation

268

00:11:42,990 --> 00:11:40,900

going through your body and like shaking

269

00:11:44,700 --> 00:11:43,000

your organs that's kind of how I felt

270

00:11:47,280 --> 00:11:44,710

that night that that's like the closest

271

00:11:49,170 --> 00:11:47,290

thing I can I can go with it and when I

272

00:11:51,660 --> 00:11:49,180

tell that to people and when I tell it

273

00:11:53,970 --> 00:11:51,670

it talks and when my my father has heard

274

00:11:56,580 --> 00:11:53,980

me talk about it I think he can tell

275

00:11:59,520 --> 00:11:56,590

like I'm actually affected by this this

276

00:12:01,320 --> 00:11:59,530

isn't just some cool little thing that

277

00:12:04,320 --> 00:12:01,330

happened to me when I was kid it

278

00:12:06,480 --> 00:12:04,330

literally changed my life and paved my

279

00:12:08,190 --> 00:12:06,490

way for where I am today is a UFO

280

00:12:09,870 --> 00:12:08,200

researcher and I could tell you this

281

00:12:12,960 --> 00:12:09,880

they were not expecting that to happen

282

00:12:14,760 --> 00:12:12,970

with my life for sure neither did I

283

00:12:17,580 --> 00:12:14,770

I think it's turned out pretty good

284

00:12:20,640 --> 00:12:17,590

though right not too shabby I reckon

285

00:12:23,790 --> 00:12:20,650

I've gotten to go places I never dreamt

286

00:12:26,490 --> 00:12:23,800

of going to investigate UFOs and I've

287

00:12:28,470 --> 00:12:26,500

met so many people that I probably never

288

00:12:29,820 --> 00:12:28,480

would have met and made and have made

289

00:12:32,820 --> 00:12:29,830

some of the greatest friends and

290

00:12:34,890 --> 00:12:32,830

colleagues I think I ever will so the

291

00:12:36,300 --> 00:12:34,900

craft itself and you've already admitted

292

00:12:37,530 --> 00:12:36,310

you have no idea it could have been

293

00:12:40,470 --> 00:12:37,540

military it could have been something

294

00:12:42,450 --> 00:12:40,480

actually off planet alien with little

295

00:12:45,720 --> 00:12:42,460

grey beings inside you just don't know

296

00:12:49,740 --> 00:12:45,730

and it's all speculation but the

297

00:12:50,880 --> 00:12:49,750

physical feeling the reverberation do

298

00:12:54,510 --> 00:12:50,890

you think that was some kind of a

299

00:12:57,420 --> 00:12:54,520

byproduct of the propulsion system or

300

00:12:59,820 --> 00:12:57,430

what do you think that was I've thought

301

00:13:02,130 --> 00:12:59,830

about that a lot actually and like I

302

00:13:03,960 --> 00:13:02,140

said like the fact that it was silent

303

00:13:06,810 --> 00:13:03,970

and there didn't seem to be any audible

304

00:13:10,740 --> 00:13:06,820

propulsion to whatever this thing was I

305

00:13:14,070 --> 00:13:10,750

tend to believe that for me it was more

306

00:13:16,290 --> 00:13:14,080

fear honestly adrenaline and something

307

00:13:18,720 --> 00:13:16,300

something within me that was making me

308

00:13:21,540 --> 00:13:18,730

frozen there you know could it had some

309

00:13:24,720 --> 00:13:21,550

sort of physiological effect on me toe

310

00:13:26,910 --> 00:13:24,730

but I I can't say I honestly can't

311

00:13:29,790 --> 00:13:26,920

I mean I've come across so many other

312

00:13:31,740 --> 00:13:29,800

cases where people have said they've

313

00:13:33,960 --> 00:13:31,750

been physically affected in the moment

314

00:13:36,420 --> 00:13:33,970

as a UFO encounter was happening but for

315

00:13:38,220 --> 00:13:36,430

me I I honestly chalk it up to being 12

316

00:13:40,650 --> 00:13:38,230

years old and being terrified out of my

317

00:13:41,040 --> 00:13:40,660

mind in that moment that that's a good

318

00:13:43,650 --> 00:13:41,050

answer

319

00:13:46,250 --> 00:13:43,660

I will accept that wholeheartedly I yeah

320

00:13:52,380 --> 00:13:46,260

I can agree with that so the light

321

00:13:54,380 --> 00:13:52,390

aspect of it I mean I get it if we think

322

00:13:56,400 --> 00:13:54,390

that it's military they have lights and

323

00:13:58,710 --> 00:13:56,410

there could be all sorts of reasons

324

00:14:00,240 --> 00:13:58,720

because we're not aliens and we don't

325

00:14:02,190 --> 00:14:00,250

know that they might put lights on a

326

00:14:04,170 --> 00:14:02,200

craft but what do you make it the lights

327

00:14:06,930 --> 00:14:04,180

and you've talked to a lot of people

328

00:14:09,720 --> 00:14:06,940

which we will get into but these kinds

329

00:14:11,700 --> 00:14:09,730

of cases there are so many things going

330

00:14:14,250 --> 00:14:11,710

on there that you know the the whole

331

00:14:17,760 --> 00:14:14,260

military aspect of it really starts to

332

00:14:19,710 --> 00:14:17,770

degrade so then the lights are still

333

00:14:23,520 --> 00:14:19,720

there on these crafts so what do you

334

00:14:26,190 --> 00:14:23,530

make of what seems to be something off

335

00:14:27,960 --> 00:14:26,200

planet having lights and then does that

336

00:14:29,670 --> 00:14:27,970

time with my previous question is it

337

00:14:32,190 --> 00:14:29,680

some kind of a byproduct or part of

338

00:14:33,990 --> 00:14:32,200

their propulsion or is it the same thing

339

00:14:35,760 --> 00:14:34,000

they just they need some headlights on

340

00:14:39,000 --> 00:14:35,770

their on their damn craft I don't know

341

00:14:42,270 --> 00:14:39,010

yeah that's kind of like the biggest

342

00:14:45,120 --> 00:14:42,280

question in ufology that's ever been

343

00:14:48,390 --> 00:14:45,130

asked not like is it alien or like you

344

00:14:50,760 --> 00:14:48,400

know when are they gonna disclose

345

00:14:52,860 --> 00:14:50,770

themselves to the whole world it's why

346

00:14:56,190 --> 00:14:52,870

in the hell does a UFO have light if it

347

00:14:59,100 --> 00:14:56,200

could travel time in space it's so

348

00:15:02,220 --> 00:14:59,110

highly advanced and you know why would

349

00:15:05,130 --> 00:15:02,230

it need lights on it so see and I

350

00:15:08,340 --> 00:15:05,140

completely get that it's a very valid

351

00:15:11,160 --> 00:15:08,350

question and that to me

352

00:15:13,650 --> 00:15:11,170

begs the question did it want to be seen

353

00:15:16,710 --> 00:15:13,660

and that's kind of where I land when it

354

00:15:19,590 --> 00:15:16,720

comes to these very obvious and

355

00:15:20,760 --> 00:15:19,600

in-your-face UFO sightings there's so

356

00:15:21,750 --> 00:15:20,770

many sightings to happen where it's like

357

00:15:23,700 --> 00:15:21,760

you know in the blink of an eye on

358

00:15:27,090 --> 00:15:23,710

someone see something it's gone and then

359

00:15:30,210 --> 00:15:27,100

there's others that just linger and stay

360

00:15:32,730 --> 00:15:30,220

with you and are ominous and just they

361

00:15:35,040 --> 00:15:32,740

they want to be seen and by that day I

362

00:15:37,470 --> 00:15:35,050

have no idea what that day is

363

00:15:39,450 --> 00:15:37,480

I will say that as well if there is an

364

00:15:42,630 --> 00:15:39,460

intelligence behind it I can't tell you

365

00:15:44,730 --> 00:15:42,640

but maybe maybe whatever it is it wants

366

00:15:47,430 --> 00:15:44,740

to be seen and that's how it can do it I

367

00:15:49,170 --> 00:15:47,440

don't know I don't know that would make

368

00:15:52,340 --> 00:15:49,180

me feel like even more of a guinea pig

369

00:15:55,230 --> 00:15:52,350

you know yeah that seems really scary if

370

00:15:56,640 --> 00:15:55,240

they really just don't give a crap and

371

00:15:57,960 --> 00:15:56,650

we're a bunch of little ants and they're

372

00:16:01,580 --> 00:15:57,970

like well let's see who pays attention

373

00:16:05,370 --> 00:16:01,590

to us flying over Phoenix right now Oh

374

00:16:07,650 --> 00:16:05,380

quite a few all right yes

375

00:16:09,630 --> 00:16:07,660

mission accomplished I mean there's mass

376

00:16:11,400 --> 00:16:09,640

sightings throughout history you have to

377

00:16:13,620 --> 00:16:11,410

wonder like did they mean for that to

378

00:16:15,360 --> 00:16:13,630

happen or was it just a complete

379

00:16:18,000 --> 00:16:15,370

overlook on their part of like oh my god

380

00:16:21,830 --> 00:16:18,010

an entire state just sauce yeah I don't

381

00:16:24,690 --> 00:16:21,840

know yeah they're like a board abort

382

00:16:26,400 --> 00:16:24,700

they're like well the the Boosters

383

00:16:28,950 --> 00:16:26,410

really didn't kick in there cuz we were

384

00:16:32,220 --> 00:16:28,960

cruising a little bit slow over Phoenix

385

00:16:34,530 --> 00:16:32,230

that day or that night too much yeah so

386

00:16:36,630 --> 00:16:34,540

that I'm I'm sorry right go ahead

387

00:16:38,760 --> 00:16:36,640

oh no I was gonna say you know in terms

388

00:16:40,380 --> 00:16:38,770

of like the light question there's also

389

00:16:43,800 --> 00:16:40,390

the question of you know if they're so

390

00:16:45,930 --> 00:16:43,810

highly advanced and so intelligent why

391

00:16:47,490 --> 00:16:45,940

are they crashing on our planet to which

392

00:16:49,410 --> 00:16:47,500

I'm sure we can do it a little bit but

393

00:16:51,330 --> 00:16:49,420

I'm getting ahead of yet the coffee's no

394

00:16:52,890 --> 00:16:51,340

no that's okay that that's great yeah

395

00:16:55,890 --> 00:16:52,900

the crashes we should definitely talk

396

00:16:57,810 --> 00:16:55,900

about the actual act of them crashing is

397

00:16:59,460 --> 00:16:57,820

also very strange right that's when the

398

00:17:02,940 --> 00:16:59,470

way to go out and they crash there you

399

00:17:06,480 --> 00:17:02,950

go this is easy mystery solved

400

00:17:09,030 --> 00:17:06,490

yeah we can go now we can we can write a

401

00:17:12,990 --> 00:17:09,040

book on how we solved at all we're

402

00:17:17,130 --> 00:17:13,000

experts after all so that was obviously

403

00:17:20,460 --> 00:17:17,140

your your one really jarring sighting

404

00:17:22,230 --> 00:17:20,470

right so now of course it with with

405

00:17:25,170 --> 00:17:22,240

people knowing a background on the UFO

406

00:17:27,480 --> 00:17:25,180

field and heck I just had Mike Lee Ellen

407

00:17:29,730 --> 00:17:27,490

on very recently you know talking about

408

00:17:31,770 --> 00:17:29,740

owls and this thing things that go on

409

00:17:34,110 --> 00:17:31,780

with the owls and the missing time and

410

00:17:36,810 --> 00:17:34,120

people that also see UFOs lights or no

411

00:17:38,900 --> 00:17:36,820

lights and most all of them are of

412

00:17:42,720 --> 00:17:38,910

course silent which is very interesting

413

00:17:44,250 --> 00:17:42,730

but for you people that don't know

414

00:17:46,590 --> 00:17:44,260

they're gonna want me to ask that

415

00:17:48,510 --> 00:17:46,600

have you found odd marks on your body do

416

00:17:48,980 --> 00:17:48,520

you have any missing time do you see

417

00:17:57,950 --> 00:17:48,990

things

418

00:18:00,650 --> 00:17:57,960

from then until now no that's the most

419

00:18:02,000 --> 00:18:00,660

boring answer I could give and if I did

420

00:18:05,840 --> 00:18:02,010

I'm sure we could talk for hours about

421

00:18:07,910 --> 00:18:05,850

it but no this was my singular event and

422

00:18:11,150 --> 00:18:07,920

I'd never know I'd never experience

423

00:18:12,950 --> 00:18:11,160

missing time but to my knowledge I I've

424

00:18:15,380 --> 00:18:12,960

never found anywhere scooped marks or

425

00:18:18,080 --> 00:18:15,390

anything on my body I haven't you know

426

00:18:21,560 --> 00:18:18,090

contracted any special mutant powers or

427

00:18:23,540 --> 00:18:21,570

anything like that but um again

428

00:18:24,860 --> 00:18:23,550

you know whatever that thing was it

429

00:18:29,049 --> 00:18:24,870

could have been completely conventional

430

00:18:32,390 --> 00:18:29,059

and prosaic but for me it was just

431

00:18:34,690 --> 00:18:32,400

seeing something I could not explain my

432

00:18:37,280 --> 00:18:34,700

reality in the moment being shifted that

433

00:18:39,380 --> 00:18:37,290

has ultimately led me on this path to

434

00:18:41,600 --> 00:18:39,390

meet there's people who've had these

435

00:18:44,000 --> 00:18:41,610

weird things and claimed alien

436

00:18:47,180 --> 00:18:44,010

abductions or had missing time

437

00:18:49,130 --> 00:18:47,190

experiences so yeah this was really it

438

00:18:51,049 --> 00:18:49,140

for me in terms of UFOs I've had a

439

00:18:53,000 --> 00:18:51,059

couple other weird strange experiences

440

00:18:57,590 --> 00:18:53,010

but which we've talked about in the past

441

00:18:59,270 --> 00:18:57,600

but yeah this is it alright last

442

00:19:01,370 --> 00:18:59,280

question on your own sighting would you

443

00:19:08,419 --> 00:19:01,380

ever want to see anything like that

444

00:19:10,100 --> 00:19:08,429

again I used to say no I used to say

445

00:19:13,460 --> 00:19:10,110

like no that was enough for me I never

446

00:19:15,940 --> 00:19:13,470

want to see anything again but the the

447

00:19:18,770 --> 00:19:15,950

more I get entrenched in this work and

448

00:19:21,470 --> 00:19:18,780

the more hungry I get to hear more

449

00:19:24,350 --> 00:19:21,480

stories I guess I wouldn't mind seeing

450

00:19:25,850 --> 00:19:24,360

something you know as long as it posed

451

00:19:30,200 --> 00:19:25,860

no threat to me

452

00:19:32,090 --> 00:19:30,210

directly or in the moment I guess I

453

00:19:34,549 --> 00:19:32,100

could see myself going out and doing a

454

00:19:36,860 --> 00:19:34,559

sky watch going out to like the East

455

00:19:39,919 --> 00:19:36,870

SETI ranch or something like that and

456

00:19:42,740 --> 00:19:39,929

trying to vector in these craft um yeah

457

00:19:44,720 --> 00:19:42,750

yeah I think I would at this point my

458

00:19:47,090 --> 00:19:44,730

wife say I could I could use a little

459

00:19:50,180 --> 00:19:47,100

excitement for sure let's do it okay

460

00:19:52,820 --> 00:19:50,190

we'll see this is a new development for

461

00:19:55,640 --> 00:19:52,830

me because I mean we've been talking for

462

00:19:56,360 --> 00:19:55,650

years now and you've always said no I

463

00:19:57,890 --> 00:19:56,370

wouldn't

464

00:19:58,850 --> 00:19:57,900

I was terrifying I don't want to see it

465

00:20:00,140 --> 00:19:58,860

and I don't need to see it again I

466

00:20:01,270 --> 00:20:00,150

already saw it and that's why I do what

467

00:20:03,070 --> 00:20:01,280

I do I'm good

468

00:20:05,890 --> 00:20:03,080

this is cool so this is the first time

469

00:20:08,590 --> 00:20:05,900

I'm hearing Ryan's brag say yeah I'm

470

00:20:10,990 --> 00:20:08,600

kind of ready for it again yeah but you

471

00:20:12,520 --> 00:20:11,000

also know me better than a lot of people

472

00:20:15,060 --> 00:20:12,530

shed and you know I'll probably call you

473

00:20:17,290 --> 00:20:15,070

tomorrow and say I changed my mind

474

00:20:19,390 --> 00:20:17,300

because you know you put it out there in

475

00:20:21,070 --> 00:20:19,400

the ether and sometimes weird stuff

476
00:20:22,680 --> 00:20:21,080
happens you know you got that intent out

477
00:20:26,260 --> 00:20:22,690
there oh you better watch it

478
00:20:30,010 --> 00:20:26,270
exactly it takes me like 25 minutes to

479
00:20:33,310 --> 00:20:30,020
make an order at like McDonald's so I'm

480
00:20:35,560 --> 00:20:33,320
so indecisive so yeah tomorrow I might

481
00:20:38,500 --> 00:20:35,570
call you and say hey don't don't air

482
00:20:40,420 --> 00:20:38,510
this we got to bleep that part out he

483
00:20:44,260 --> 00:20:40,430
didn't mean it too late I forgot we're

484
00:20:46,660 --> 00:20:44,270
live yeah all right so first tangent you

485
00:20:49,510 --> 00:20:46,670
mentioned the whole East study and the

486
00:20:53,200 --> 00:20:49,520
vectoring in of crafts now what do you

487
00:20:55,960 --> 00:20:53,210
think about that situation so I know you

488
00:20:58,900 --> 00:20:55,970

have spoken in the past to people like

489

00:21:01,420 --> 00:20:58,910

Jim Perry of the you from that podcast I

490

00:21:04,690 --> 00:21:01,430

know several other people who have gone

491

00:21:06,190 --> 00:21:04,700

to this place and just had the weirdest

492

00:21:09,370 --> 00:21:06,200

things happen

493

00:21:12,370 --> 00:21:09,380

so for me I'm a little hesitant when

494

00:21:14,140 --> 00:21:12,380

when someone says hey I'm gonna bring

495

00:21:16,620 --> 00:21:14,150

you out to this place I guarantee you

496

00:21:19,330 --> 00:21:16,630

something paranormal parapsychological

497

00:21:22,630 --> 00:21:19,340

you Falah djegal is going to happen to

498

00:21:24,880 --> 00:21:22,640

you so I can say I'm a little hesitant

499

00:21:27,010 --> 00:21:24,890

when people say they can literally like

500

00:21:27,400 --> 00:21:27,020

vector in something and make something

501
00:21:30,100 --> 00:21:27,410
happen

502
00:21:35,590 --> 00:21:30,110
I I don't think it works that way I

503
00:21:38,890 --> 00:21:35,600
honestly don't now can someone try to do

504
00:21:40,780 --> 00:21:38,900
this or I don't know I've spoken to

505
00:21:42,160 --> 00:21:40,790
people who have had these parents

506
00:21:46,030 --> 00:21:42,170
psychological events where they felt

507
00:21:47,590 --> 00:21:46,040
like in their mind they were told I have

508
00:21:49,060 --> 00:21:47,600
to look out the window right now or I

509
00:21:51,070 --> 00:21:49,070
have to go outside and look up into this

510
00:21:52,510 --> 00:21:51,080
direction in the sky and I'm gonna see

511
00:21:54,940 --> 00:21:52,520
something and when they went out there

512
00:21:58,630 --> 00:21:54,950
they did but again you know these

513
00:22:01,180 --> 00:21:58,640

experiences are so so subjective so I

514

00:22:03,430 --> 00:22:01,190

don't know I honestly don't know for me

515

00:22:05,980 --> 00:22:03,440

I think I want to get my feet on the

516

00:22:08,340 --> 00:22:05,990

ground at that you city ranch and do it

517

00:22:10,570 --> 00:22:08,350

myself before I make any judgments about

518

00:22:12,610 --> 00:22:10,580

that being possible

519

00:22:14,350 --> 00:22:12,620

you know I that's kind of where I'm at

520

00:22:14,930 --> 00:22:14,360

in my research now as I've spent so much

521

00:22:17,710 --> 00:22:14,940

time

522

00:22:20,480 --> 00:22:17,720

as an armchair researcher and journalist

523

00:22:23,090 --> 00:22:20,490

recalling other people's stories that

524

00:22:25,280 --> 00:22:23,100

I'm in that point in my research where I

525

00:22:27,800 --> 00:22:25,290

want to get out there and I want to

526

00:22:29,480 --> 00:22:27,810

experience it so that I can have that

527

00:22:32,210 --> 00:22:29,490

empathy for all these people who have

528

00:22:34,730 --> 00:22:32,220

had these experiences you know I'm ready

529

00:22:36,590 --> 00:22:34,740

I'm ready for something to happen I'm

530

00:22:41,300 --> 00:22:36,600

ready to have my paradigm shifted again

531

00:22:44,870 --> 00:22:41,310

I think what about a door opening up on

532

00:22:46,220 --> 00:22:44,880

Mount Adams see that it was at a video

533

00:22:49,310 --> 00:22:46,230

or I think it's just a picture from

534

00:22:52,100 --> 00:22:49,320

Jimmy Church Oh got out at East said he

535

00:22:55,250 --> 00:22:52,110

went there like there's a you know a

536

00:22:57,080 --> 00:22:55,260

massive it would be massive you know I

537

00:22:58,970 --> 00:22:57,090

think when they did the calculations

538

00:23:00,710 --> 00:22:58,980

they they were kind of hinting at the

539

00:23:02,900 --> 00:23:00,720

fact that it would basically be a

540

00:23:04,730 --> 00:23:02,910

massive hangar door of some sort right

541

00:23:08,810 --> 00:23:04,740

that you could right get quote-unquote a

542

00:23:11,120 --> 00:23:08,820

UFO in and out of from Mount Adams but I

543

00:23:14,390 --> 00:23:11,130

don't but I don't know it's just like

544

00:23:18,530 --> 00:23:14,400

photos a Bigfoot everything is just like

545

00:23:20,450 --> 00:23:18,540

you said subjective up in air and unless

546

00:23:22,550 --> 00:23:20,460

you were there and saw it like I can't I

547

00:23:24,880 --> 00:23:22,560

I don't know how to vote for that stuff

548

00:23:27,080 --> 00:23:24,890

just by looking at it over the Internet

549

00:23:28,520 --> 00:23:27,090

exactly and these things Shan is you

550

00:23:31,280 --> 00:23:28,530

know you've had your own personal

551
00:23:33,770 --> 00:23:31,290
experiences they're so personal you know

552
00:23:36,230 --> 00:23:33,780
no matter what you think of it or what

553
00:23:37,640 --> 00:23:36,240
you saw someone next right next to you

554
00:23:41,060 --> 00:23:37,650
is going to have a different experience

555
00:23:43,010 --> 00:23:41,070
and and take it a different ways so you

556
00:23:44,840 --> 00:23:43,020
know I don't know you know in terms of

557
00:23:47,180 --> 00:23:44,850
like the photographs jimmy has brought

558
00:23:49,790 --> 00:23:47,190
forward I don't really put much stock

559
00:23:52,520 --> 00:23:49,800
into photos anymore I just maybe I've

560
00:23:55,040 --> 00:23:52,530
become a jaded UFO researcher but

561
00:23:56,810 --> 00:23:55,050
anything could be faked anything you

562
00:24:00,650 --> 00:23:56,820
know it's hard to find the source to any

563
00:24:04,520 --> 00:24:00,660

of these things so I put very very

564

00:24:06,890 --> 00:24:04,530

little stock in photos or videos and for

565

00:24:08,780 --> 00:24:06,900

me I rely on the stories and my gut

566

00:24:11,300 --> 00:24:08,790

instinct about what people tell me

567

00:24:13,550 --> 00:24:11,310

am I wrong sometimes absolutely I

568

00:24:15,500 --> 00:24:13,560

guarantee you there's people I've spoken

569

00:24:19,220 --> 00:24:15,510

to who have straight-up lied to my face

570

00:24:21,800 --> 00:24:19,230

or or you know maybe we're a fantasy

571

00:24:24,950 --> 00:24:21,810

prone but there is that percentage of

572

00:24:27,080 --> 00:24:24,960

people who are so damn credible and so

573

00:24:28,100 --> 00:24:27,090

genuine that I can't help but believe

574

00:24:32,600 --> 00:24:28,110

them so

575

00:24:34,220 --> 00:24:32,610

I remember that video of the filled with

576

00:24:36,380 --> 00:24:34,230

like the letter coming out of the UFO

577

00:24:39,380 --> 00:24:36,390

and it's on stilts and then the aliens

578

00:24:41,090 --> 00:24:39,390

walking across from the other edge of

579

00:24:42,799 --> 00:24:41,100

the field and someone's like well guess

580

00:24:45,740 --> 00:24:42,809

it neither the old bathroom break you

581

00:24:47,570 --> 00:24:45,750

know but actually we're believing that

582

00:24:48,380 --> 00:24:47,580

that was a real video and like guys come

583

00:24:50,840 --> 00:24:48,390

on guys

584

00:24:53,330 --> 00:24:50,850

no no no it didn't even look that good

585

00:24:56,180 --> 00:24:53,340

but you know I think it was meant as a

586

00:24:56,930 --> 00:24:56,190

joke but people were ticketed very very

587

00:24:59,690 --> 00:24:56,940

seriously

588

00:25:03,799 --> 00:24:59,700

well guys uh more to come with Ryan

589

00:25:07,340 --> 00:25:03,809

Sprague after this break so please stay

590

00:25:10,340 --> 00:25:07,350

with us sitting in for Dave Reiter

591

00:25:13,190 --> 00:25:10,350

this is Shannon the crow we will be

592

00:25:16,879 --> 00:25:13,200

right back after these words with more

593

00:25:19,549 --> 00:25:16,889

UFO talk welcome back to the night in

594

00:25:22,460 --> 00:25:19,559

the desert I am your guest host Shannon

595

00:25:27,500 --> 00:25:22,470

on with two outs

596

00:25:30,379 --> 00:25:27,510

Ryan's brig UFO researcher and author so

597

00:25:32,810 --> 00:25:30,389

Ryan if we could switch gears here just

598

00:25:33,620 --> 00:25:32,820

a little bit and talk about your show on

599

00:25:37,399 --> 00:25:33,630

the CW

600

00:25:39,320 --> 00:25:37,409

Roswell mysteries decoded so what's that

601
00:25:42,769 --> 00:25:39,330
all about you know did you guys actually

602
00:25:44,470 --> 00:25:42,779
get to uncover anything that you maybe

603
00:25:48,110 --> 00:25:44,480
hadn't heard of or weren't expecting

604
00:25:51,799 --> 00:25:48,120
yeah I mean it's Roswell so when I was

605
00:25:54,139 --> 00:25:51,809
first approached with this opportunity I

606
00:25:56,960 --> 00:25:54,149
would say it literally was one of those

607
00:26:00,799 --> 00:25:56,970
fall in your lap sort of things I was at

608
00:26:03,909 --> 00:26:00,809
a UFO convention speaking and you know

609
00:26:07,129 --> 00:26:03,919
some guy comes up to me and he says oh I

610
00:26:09,289 --> 00:26:07,139
work in television we want to do a UFO

611
00:26:10,909 --> 00:26:09,299
show we'd love to work with you in like

612
00:26:13,070 --> 00:26:10,919
you know shine like we get tapped for

613
00:26:15,680 --> 00:26:13,080

these things all the time and you kind

614

00:26:17,570 --> 00:26:15,690

of just politely nod and shake hands and

615

00:26:20,990 --> 00:26:17,580

exchange cards and nothing ever happens

616

00:26:22,789 --> 00:26:21,000

you know and that's kind of what I

617

00:26:26,330 --> 00:26:22,799

thought this was gonna be but I'm not

618

00:26:28,399 --> 00:26:26,340

kidding you five weeks later I get

619

00:26:30,730 --> 00:26:28,409

contacted by this guy he says guess what

620

00:26:34,279 --> 00:26:30,740

we sold a show and we want you as the

621

00:26:36,019 --> 00:26:34,289

the lead investigator to go in look at

622

00:26:38,920 --> 00:26:36,029

Roswell so first of all I was stunned

623

00:26:41,380 --> 00:26:38,930

that this thing actually happened and

624

00:26:45,400 --> 00:26:41,390

I was like oh my god Roswell like what

625

00:26:47,440 --> 00:26:45,410

what could we possibly do with a 72 year

626

00:26:50,500 --> 00:26:47,450

old cold case that's never been solved

627

00:26:54,310 --> 00:26:50,510

so I was a little nervous at first I'm

628

00:26:57,970 --> 00:26:54,320

not gonna lie but um the more we dug in

629

00:26:59,590 --> 00:26:57,980

the more we actually you know we we were

630

00:27:01,230 --> 00:26:59,600

boots on the ground my investigative

631

00:27:03,760 --> 00:27:01,240

partner and I her name is Jennifer

632

00:27:06,550 --> 00:27:03,770

Marshall I I love talking about her

633

00:27:11,230 --> 00:27:06,560

because she is the rock of the two of us

634

00:27:13,780 --> 00:27:11,240

who who really gets to the core of you

635

00:27:16,770 --> 00:27:13,790

know the people we're talking to and the

636

00:27:20,200 --> 00:27:16,780

stuff recovering she's a five year

637

00:27:21,550 --> 00:27:20,210

retired Navy veteran so I mean I

638

00:27:24,070 --> 00:27:21,560

couldn't think of a better person to get

639

00:27:28,630 --> 00:27:24,080

out there and look at a military UFO

640

00:27:30,670 --> 00:27:28,640

case with and we really dug deep we you

641

00:27:34,360 --> 00:27:30,680

know we went to the actual Roswell UFO

642

00:27:36,910 --> 00:27:34,370

crash site we talked to a geologist who

643

00:27:38,920 --> 00:27:36,920

had evidence to show us we went to the

644

00:27:41,680 --> 00:27:38,930

Roswell Daily Record the newspaper that

645

00:27:42,880 --> 00:27:41,690

broke the Roswell story and changed

646

00:27:45,250 --> 00:27:42,890

history forever

647

00:27:47,950 --> 00:27:45,260

with their headline about you know the

648

00:27:52,990 --> 00:27:47,960

US Air Force capturing a flying saucer

649

00:27:56,050 --> 00:27:53,000

so it was great we we did have some

650

00:27:58,690 --> 00:27:56,060

moments of clarity I think for me in

651
00:28:01,690 --> 00:27:58,700
terms of my all my research into Roswell

652
00:28:04,180 --> 00:28:01,700
I answered some questions for myself I

653
00:28:07,510 --> 00:28:04,190
hope for our audience and it was quite

654
00:28:10,690 --> 00:28:07,520
an adventure I can tell you that much so

655
00:28:12,850 --> 00:28:10,700
coming out of that let's back up for a

656
00:28:16,890 --> 00:28:12,860
second going into that what did you

657
00:28:19,050 --> 00:28:16,900
think about the Roswell case in general

658
00:28:22,660 --> 00:28:19,060
for me it always

659
00:28:24,130 --> 00:28:22,670
it's that carrot constantly pain dangled

660
00:28:26,050 --> 00:28:24,140
in front of us you know every time we

661
00:28:29,980 --> 00:28:26,060
run after it it gets a little further

662
00:28:32,890 --> 00:28:29,990
away every damn time and I I really

663
00:28:35,470 --> 00:28:32,900

didn't give much credence to the case it

664

00:28:37,230 --> 00:28:35,480

had never been solved everyone directly

665

00:28:41,080 --> 00:28:37,240

involved was gone at this point

666

00:28:42,940 --> 00:28:41,090

unfortunately passed away but I kind of

667

00:28:44,830 --> 00:28:42,950

put it on the back shelf and never

668

00:28:48,670 --> 00:28:44,840

really thought about it

669

00:28:49,500 --> 00:28:48,680

was it alien possibly was there a

670

00:28:52,990 --> 00:28:49,510

cover-up

671

00:28:55,840 --> 00:28:53,000

absolutely 100% I think we

672

00:29:00,740 --> 00:28:55,850

definitively prove that in our special

673

00:29:02,750 --> 00:29:00,750

but for me it was it was either it was

674

00:29:05,300 --> 00:29:02,760

going to come down to it was either

675

00:29:09,770 --> 00:29:05,310

alien and they covered it up or it was

676

00:29:12,740 --> 00:29:09,780

ours and they covered it up so I had

677

00:29:16,750 --> 00:29:12,750

some preconceived notions going in and I

678

00:29:19,160 --> 00:29:16,760

left with a completely different I guess

679

00:29:20,690 --> 00:29:19,170

conclusion in my own eyes of what we are

680

00:29:23,510 --> 00:29:20,700

dealing with when it comes to Roswell

681

00:29:26,660 --> 00:29:23,520

it's a lot darker than I think people

682

00:29:27,950 --> 00:29:26,670

give it credit for and um yeah yeah some

683

00:29:29,840 --> 00:29:27,960

of the stuff we found was pretty

684

00:29:31,070 --> 00:29:29,850

intriguing I can tell you that much and

685

00:29:34,730 --> 00:29:31,080

I'm not afraid to talk about it either

686

00:29:39,860 --> 00:29:34,740

if you want oh no please do yeah if you

687

00:29:42,860 --> 00:29:39,870

can but okay so you did I catch this

688

00:29:45,140 --> 00:29:42,870

right you said that what you guys found

689

00:29:46,880 --> 00:29:45,150

has changed your mind and you actually

690

00:29:49,310 --> 00:29:46,890

do think this was something off planet

691

00:29:52,730 --> 00:29:49,320

that came in and crushed a crashed into

692

00:29:54,980 --> 00:29:52,740

Roswell New Mexico I can't say that no I

693

00:29:56,780 --> 00:29:54,990

can't say that I convinced that what

694

00:29:59,960 --> 00:29:56,790

we're doing with is off planet when it

695

00:30:04,190 --> 00:29:59,970

comes to the Roswell case we did get

696

00:30:06,440 --> 00:30:04,200

some materials tested again we spoke to

697

00:30:09,110 --> 00:30:06,450

a gentleman named Frank Kindler who is a

698

00:30:10,970 --> 00:30:09,120

earth science teacher and geologist at

699

00:30:13,400 --> 00:30:10,980

the Roswell Military Institute in

700

00:30:15,770 --> 00:30:13,410

Roswell New Mexico and he has been going

701
00:30:19,250 --> 00:30:15,780
out for the past like six seven eight

702
00:30:21,050 --> 00:30:19,260
years I think into the desert supposedly

703
00:30:24,530 --> 00:30:21,060
where this thing crashed and he actually

704
00:30:25,670 --> 00:30:24,540
found metal materials out there and you

705
00:30:28,460 --> 00:30:25,680
know that if that wasn't intriguing

706
00:30:31,580 --> 00:30:28,470
enough he's had them tested in the past

707
00:30:33,980 --> 00:30:31,590
and they've come up truly anomalous so

708
00:30:35,510 --> 00:30:33,990
you know we wanted to do the same thing

709
00:30:39,560 --> 00:30:35,520
so we reached out to one of the most

710
00:30:42,380 --> 00:30:39,570
prominent labs in Los Angeles who work

711
00:30:45,680 --> 00:30:42,390
with extremely rich and powerful

712
00:30:49,760 --> 00:30:45,690
aerospace people I won't convince many

713
00:30:52,550 --> 00:30:49,770

but I think we know about here to get

714

00:30:54,770 --> 00:30:52,560

these metals tested and as people might

715

00:30:56,300 --> 00:30:54,780

see in the special we got different

716

00:30:59,180 --> 00:30:56,310

results from what these other

717

00:31:01,460 --> 00:30:59,190

laboratories did and some of it was

718

00:31:05,390 --> 00:31:01,470

extremely disappointing but some of it

719

00:31:07,910 --> 00:31:05,400

is still very much up in the air and we

720

00:31:10,100 --> 00:31:07,920

still have more tests to do so that's

721

00:31:13,250 --> 00:31:10,110

exciting nonetheless and that gives me

722

00:31:15,350 --> 00:31:13,260

hope that maybe just maybe what Frank

723

00:31:17,690 --> 00:31:15,360

found out there and what this case might

724

00:31:22,160 --> 00:31:17,700

represent is something that's true in

725

00:31:24,310 --> 00:31:22,170

origin well that's good to hear because

726

00:31:26,510 --> 00:31:24,320

you know I like dark things of course

727

00:31:28,460 --> 00:31:26,520

I'm sure the Midnight in the desert

728

00:31:32,450 --> 00:31:28,470

folks are starting to get that dark is

729

00:31:35,780 --> 00:31:32,460

good I like dark person so but if

730

00:31:38,240 --> 00:31:35,790

there's also open-ended questions when

731

00:31:41,180 --> 00:31:38,250

it comes to a case that has been just

732

00:31:43,640 --> 00:31:41,190

beaten to death so many times and talked

733

00:31:45,830 --> 00:31:43,650

about so many times and written about so

734

00:31:47,900 --> 00:31:45,840

many times it's good to hear that there

735

00:31:51,230 --> 00:31:47,910

is some new information still coming to

736

00:31:53,510 --> 00:31:51,240

light I think so I mean for a lot of

737

00:31:55,250 --> 00:31:53,520

people this this television special

738

00:31:58,010 --> 00:31:55,260

might be old hat for them the veteran

739

00:31:59,660 --> 00:31:58,020

UFO researchers out there or anyone who

740

00:32:03,260 --> 00:31:59,670

knows a little bit more about Roswell

741

00:32:07,550 --> 00:32:03,270

than possibly the mainstream public this

742

00:32:11,540 --> 00:32:07,560

might not be um shall you know breaking

743

00:32:14,650 --> 00:32:11,550

for them but for the CW network which we

744

00:32:17,480 --> 00:32:14,660

aired on this is a very young

745

00:32:20,960 --> 00:32:17,490

demographic an audience and that's kind

746

00:32:23,330 --> 00:32:20,970

of what we wanted to do is we wanted to

747

00:32:25,040 --> 00:32:23,340

bring the Roswell case to a brand-new

748

00:32:27,620 --> 00:32:25,050

generation that's never even heard of

749

00:32:30,950 --> 00:32:27,630

this thing I mean you you ask a teenager

750

00:32:32,750 --> 00:32:30,960

what Roswell is or where Russell is and

751

00:32:35,240 --> 00:32:32,760

I guarantee you a lot of them aren't

752

00:32:38,930 --> 00:32:35,250

gonna know a lot of people think area 51

753

00:32:42,410 --> 00:32:38,940

is in Roswell and clearly it's not so

754

00:32:44,750 --> 00:32:42,420

that was exciting for me is I was like

755

00:32:47,450 --> 00:32:44,760

the entry point for a whole new

756

00:32:50,090 --> 00:32:47,460

generation of people to look at Roswell

757

00:32:52,490 --> 00:32:50,100

- now get interested in it and to not

758

00:32:53,870 --> 00:32:52,500

let this case die I mean we live in an

759

00:32:56,000 --> 00:32:53,880

age now where anyone can share

760

00:32:58,880 --> 00:32:56,010

information in a moment and we have

761

00:33:01,070 --> 00:32:58,890

technology we did not have when the

762

00:33:03,320 --> 00:33:01,080

original investigators looked into

763

00:33:05,300 --> 00:33:03,330

Roswell so I think we were able to do

764

00:33:07,910 --> 00:33:05,310

some really cool stuff with some really

765

00:33:11,060 --> 00:33:07,920

high-tech people scientists photo

766

00:33:13,760 --> 00:33:11,070

analysts and I came out of there really

767

00:33:15,050 --> 00:33:13,770

feeling like this was all worth it you

768

00:33:16,230 --> 00:33:15,060

know what I thought would maybe be a

769

00:33:18,900 --> 00:33:16,240

dead end case

770

00:33:22,710 --> 00:33:18,910

and blow up in our faces in the network

771

00:33:24,690 --> 00:33:22,720

spaces it opened the doors for a larger

772

00:33:26,640 --> 00:33:24,700

investigation I can tell you I'm pretty

773

00:33:28,620 --> 00:33:26,650

hopeful that we're gonna get back out

774

00:33:31,020 --> 00:33:28,630

there get back to that crash site and

775

00:33:31,970 --> 00:33:31,030

we're not done investigating by a long

776

00:33:35,130 --> 00:33:31,980

shot

777

00:33:37,080 --> 00:33:35,140

it does make me sad to hear you say that

778

00:33:39,360 --> 00:33:37,090

and I know that it's true but the

779

00:33:43,050 --> 00:33:39,370

younger generation if you say the word

780

00:33:44,760 --> 00:33:43,060

Roswell to most of us we're like well

781

00:33:47,130 --> 00:33:44,770

yeah Roswell and you spit out all the

782

00:33:49,710 --> 00:33:47,140

the facts about it I'm horrible at years

783

00:33:52,620 --> 00:33:49,720

so I never spent out years that well but

784

00:33:56,490 --> 00:33:52,630

I can tell you about Roswell it's like

785

00:34:00,330 --> 00:33:56,500

most of the other people in our our neck

786

00:34:02,880 --> 00:34:00,340

of the woods like what they will know is

787

00:34:05,970 --> 00:34:02,890

like that silly video that I brought up

788

00:34:08,160 --> 00:34:05,980

of that damned CGI alien walking back

789

00:34:10,680 --> 00:34:08,170

across the field like like in fact he

790

00:34:13,590 --> 00:34:10,690

did go yeah - stop take a leak on her

791

00:34:15,540 --> 00:34:13,600

sorry I couldn't wait and or there's

792

00:34:18,900 --> 00:34:15,550

that picture that keeps coming up also

793

00:34:21,270 --> 00:34:18,910

of the in fact I think Sam Sheeran is

794

00:34:21,660 --> 00:34:21,280

always harping on this - and I totally

795

00:34:23,700 --> 00:34:21,670

agree

796

00:34:25,980 --> 00:34:23,710

it's a picture taken through a window

797

00:34:28,530 --> 00:34:25,990

and it's there's a beautiful view of

798

00:34:31,050 --> 00:34:28,540

like a lake with the tall tree pine

799

00:34:33,840 --> 00:34:31,060

trees and beautiful view well there's a

800

00:34:36,480 --> 00:34:33,850

UFO flowing over this lake gets lighted

801
00:34:39,750 --> 00:34:36,490
up it looks so freaky and then it's like

802
00:34:42,450 --> 00:34:39,760
it's a lamp it is a lamp or reflection

803
00:34:45,210 --> 00:34:42,460
from their own home guys you know but

804
00:34:46,800 --> 00:34:45,220
that's what worries me is that the the

805
00:34:49,170 --> 00:34:46,810
people that you mentioned the younger

806
00:34:51,660 --> 00:34:49,180
folks they'll probably have seen those

807
00:34:53,610 --> 00:34:51,670
before they would actually even know

808
00:34:56,100 --> 00:34:53,620
what Roswell is or what it's about and

809
00:34:58,380 --> 00:34:56,110
and the incredible evidence like you

810
00:35:01,170 --> 00:34:58,390
said something was covered up we just

811
00:35:03,840 --> 00:35:01,180
don't know what absolutely and here a

812
00:35:06,870 --> 00:35:03,850
retired Navy veteran on national

813
00:35:09,780 --> 00:35:06,880

television say to my face as a UFO

814

00:35:12,170 --> 00:35:09,790

researcher say I am convinced that

815

00:35:16,230 --> 00:35:12,180

whatever happened in Roswell was of

816

00:35:18,180 --> 00:35:16,240

highly highly classified information and

817

00:35:20,430 --> 00:35:18,190

that they went to great lengths to cover

818

00:35:24,180 --> 00:35:20,440

up whatever happened there that was like

819

00:35:25,800 --> 00:35:24,190

vindication enough for me that we were

820

00:35:29,220 --> 00:35:25,810

dealing with something highly sensitive

821

00:35:32,280 --> 00:35:29,230

in terms of Roswell very

822

00:35:34,380 --> 00:35:32,290

possibly earth-shattering I mean we

823

00:35:37,309 --> 00:35:34,390

found this Swiss coal Shannon we went to

824

00:35:40,020 --> 00:35:37,319

the Roswell Daily Record and we found

825

00:35:42,750 --> 00:35:40,030

small blurbs in the newspaper from that

826

00:35:46,049 --> 00:35:42,760

day like the day the crash happens or

827

00:35:48,510 --> 00:35:46,059

maybe a day after like the main general

828

00:35:52,200 --> 00:35:48,520

at the Roswell Army Airfield went to

829

00:35:53,730 --> 00:35:52,210

visit President Truman you know just on

830

00:35:55,980 --> 00:35:53,740

a whim then God

831

00:35:57,990 --> 00:35:55,990

yeah which this has never really been

832

00:35:59,520 --> 00:35:58,000

talked about because it it's for a

833

00:36:02,490 --> 00:35:59,530

crashed weather balloon Ryan of course

834

00:36:08,370 --> 00:36:02,500

come you know it's important stuff those

835

00:36:10,710 --> 00:36:08,380

weather balloons when they go down the

836

00:36:17,339 --> 00:36:10,720

swamp gas got released so I gotta go

837

00:36:19,559 --> 00:36:17,349

talk about that too so he goes and he

838

00:36:23,549 --> 00:36:19,569

the very next day he's he's there

839

00:36:26,099 --> 00:36:23,559

talking to him what was that he you said

840

00:36:30,720 --> 00:36:26,109

he was the the guy that ran that base

841

00:36:33,000 --> 00:36:30,730

out there was what in the world like why

842

00:36:35,250 --> 00:36:33,010

did that happen I don't remember that

843

00:36:37,559 --> 00:36:35,260

part of that store head and yeah it's

844

00:36:39,690 --> 00:36:37,569

again it was just a little like throw

845

00:36:42,420 --> 00:36:39,700

away lying in the middle of course

846

00:36:44,460 --> 00:36:42,430

buried in the middle of some article not

847

00:36:46,470 --> 00:36:44,470

even having to do with this fine saucer

848

00:36:49,049 --> 00:36:46,480

crash we just happen to connect the dots

849

00:36:51,270 --> 00:36:49,059

my partner now and be like oh my god the

850

00:36:53,549 --> 00:36:51,280

head of like the Army Airfield went and

851
00:36:56,609 --> 00:36:53,559
met with the president when the Roswell

852
00:36:59,400 --> 00:36:56,619
incident happened so clearly this wasn't

853
00:37:02,700 --> 00:36:59,410
a damn weather balloon whatever it was

854
00:37:05,160 --> 00:37:02,710
and you know the guy who first found it

855
00:37:06,630 --> 00:37:05,170
out on his ranch the the rancher at the

856
00:37:09,180 --> 00:37:06,640
time his name is Mac Brazel

857
00:37:11,730 --> 00:37:09,190
he's seen downed weather balloons before

858
00:37:15,630 --> 00:37:11,740
in the desert he's seen these things

859
00:37:16,940 --> 00:37:15,640
land the first officer on site General

860
00:37:22,980 --> 00:37:16,950
Jesse Marcel

861
00:37:27,270 --> 00:37:22,990
military officer on site to collect the

862
00:37:29,460 --> 00:37:27,280
material said yeah I look at these

863
00:37:30,900 --> 00:37:29,470

things for a living it's my job to see

864

00:37:32,609 --> 00:37:30,910

what's in our skies and didn't know

865

00:37:34,230 --> 00:37:32,619

what's in our skies whatever that

866

00:37:37,140 --> 00:37:34,240

material was I found there was not a

867

00:37:39,150 --> 00:37:37,150

weather balloon so again these are the

868

00:37:41,599 --> 00:37:39,160

small things that really start to add up

869

00:37:42,870 --> 00:37:41,609

and make you think something really

870

00:37:47,279 --> 00:37:42,880

really

871

00:37:49,920 --> 00:37:47,289

it happened there in 1947 is it true the

872

00:37:51,839 --> 00:37:49,930

rumor that the land has been sold so no

873

00:37:56,240 --> 00:37:51,849

one will actually have any access to it

874

00:37:59,819 --> 00:37:56,250

per the new owner that is a really

875

00:38:02,460 --> 00:37:59,829

really tough one so first of all there's

876

00:38:05,370 --> 00:38:02,470

like seven different claimed crash sites

877

00:38:07,890 --> 00:38:05,380

for this thing so you know going to

878

00:38:09,690 --> 00:38:07,900

Roswell everyone is gonna claim that

879

00:38:12,420 --> 00:38:09,700

they went to the crash site where this

880

00:38:16,319 --> 00:38:12,430

happened and it's such a big vast area

881

00:38:18,480 --> 00:38:16,329

like who really knows for us what was

882

00:38:20,430 --> 00:38:18,490

really interesting is the the geologists

883

00:38:22,980 --> 00:38:20,440

we spoke to he was able to triangulate

884

00:38:25,490 --> 00:38:22,990

this area from photos that were taken

885

00:38:29,220 --> 00:38:25,500

back in 47 when this event happened

886

00:38:33,539 --> 00:38:29,230

where the crash site was and he was able

887

00:38:37,910 --> 00:38:33,549

to find like to the smallest detail like

888

00:38:40,859 --> 00:38:37,920

a shrub and a tree from the 1947 photo

889

00:38:44,009 --> 00:38:40,869
triangulated with all his amazing

890

00:38:46,349 --> 00:38:44,019
technology yes now and find that shrub

891

00:38:48,420 --> 00:38:46,359
in that tree so that's when he was like

892

00:38:49,799 --> 00:38:48,430
oh my god I found where this possibly

893

00:38:52,109 --> 00:38:49,809
happened I'm gonna go out there and see

894

00:38:54,059 --> 00:38:52,119
if I find anything and sure enough he

895

00:38:56,910 --> 00:38:54,069
did he found a bunch of metal out there

896

00:38:59,490 --> 00:38:56,920
and he found military buttons from

897

00:39:01,289 --> 00:38:59,500
fatigues that dated back to the 40s that

898

00:39:04,349 --> 00:39:01,299
did not make it into our show but that

899

00:39:07,529 --> 00:39:04,359
was a part that I really really blew me

900

00:39:10,910 --> 00:39:07,539
away what where 1940s style fatigue

901
00:39:14,519 --> 00:39:10,920
buttons from the military doing in that

902
00:39:16,349 --> 00:39:14,529
desolate area of Roswell New Mexico now

903
00:39:18,450 --> 00:39:16,359
I know we had to tread lightly because

904
00:39:19,980 --> 00:39:18,460
it's an ongoing series and you're

905
00:39:22,109 --> 00:39:19,990
probably gonna go back out there but why

906
00:39:27,660 --> 00:39:22,119
wouldn't they include the buttons on air

907
00:39:31,200 --> 00:39:27,670
do you think for me I think what what

908
00:39:34,230 --> 00:39:31,210
really what we really wanted to do is

909
00:39:36,150 --> 00:39:34,240
look at the medals yeah it's it's

910
00:39:38,759 --> 00:39:36,160
intriguing that the button was found out

911
00:39:40,589 --> 00:39:38,769
there but again I'm not saying that

912
00:39:42,870 --> 00:39:40,599
Frank the gentleman we spoke to would

913
00:39:45,210 --> 00:39:42,880

ever do something like this because I I

914

00:39:48,539 --> 00:39:45,220

trust this man and I think he is

915

00:39:50,339 --> 00:39:48,549

extremely credible but you know anyone

916

00:39:52,170 --> 00:39:50,349

else could have gone out and bought a

917

00:39:54,059 --> 00:39:52,180

button from a pawn shop somewhere

918

00:39:55,289 --> 00:39:54,069

flipped it on the ground out there and

919

00:39:56,520 --> 00:39:55,299

said look what I found

920

00:39:58,500 --> 00:39:56,530

again I

921

00:40:00,420 --> 00:39:58,510

not saying that is what this gentleman

922

00:40:03,300 --> 00:40:00,430

did by any stretch of the imagination

923

00:40:05,310 --> 00:40:03,310

but um for us I think it really came

924

00:40:08,610 --> 00:40:05,320

down to the metals because they had come

925

00:40:11,070 --> 00:40:08,620

back anomalous before that was what was

926

00:40:13,800 --> 00:40:11,080

most intriguing to us and why was their

927

00:40:16,140 --> 00:40:13,810

small shards of metal out in a desert

928

00:40:19,260 --> 00:40:16,150

where there was no trash there was no

929

00:40:21,930 --> 00:40:19,270

sign of life whatsoever you you're away

930

00:40:24,510 --> 00:40:21,940

you're like 200 miles away from any

931

00:40:28,500 --> 00:40:24,520

civilization out there it is so eerie

932

00:40:30,480 --> 00:40:28,510

and dead and quiet why why would that

933

00:40:33,480 --> 00:40:30,490

stuff be out there and why would it be

934

00:40:35,880 --> 00:40:33,490

buried you know a foot from the you know

935

00:40:38,270 --> 00:40:35,890

underneath the ground where it had

936

00:40:41,010 --> 00:40:38,280

probably been for many many years so

937

00:40:42,780 --> 00:40:41,020

it's fascinating it's intriguing and

938

00:40:46,320 --> 00:40:42,790

just how he was able to find this stuff

939

00:40:49,350 --> 00:40:46,330

and be able to like bring this to us to

940

00:40:51,540 --> 00:40:49,360

investigate it was a whirlwind I could

941

00:40:53,580 --> 00:40:51,550

tell you that much I'm just I'm happy

942

00:40:56,010 --> 00:40:53,590

that you found my buttons it finally got

943

00:41:03,990 --> 00:40:56,020

a mention I know it was a long drive but

944

00:41:07,350 --> 00:41:04,000

I finally something pays off that I do

945

00:41:09,620 --> 00:41:07,360

the log kind yep yeah that's right see

946

00:41:12,180 --> 00:41:09,630

you just gotta be patient everybody

947

00:41:15,120 --> 00:41:12,190

absolutely hundred dollars and guess

948

00:41:20,070 --> 00:41:15,130

some road snacks buttons from the army

949

00:41:23,430 --> 00:41:20,080

surplus store but you know it's really

950

00:41:24,930 --> 00:41:23,440

is like the town itself Roswell they

951
00:41:26,730 --> 00:41:24,940
just embrace this thing so much

952
00:41:28,710 --> 00:41:26,740
everywhere you look there's aliens and

953
00:41:31,200 --> 00:41:28,720
that's just they would not survive

954
00:41:33,510 --> 00:41:31,210
without this event having happened so

955
00:41:36,030 --> 00:41:33,520
that's a whole other intriguing social

956
00:41:39,030 --> 00:41:36,040
aspect of all this as well as towns

957
00:41:40,440 --> 00:41:39,040
built off of these experiences yeah and

958
00:41:42,750 --> 00:41:40,450
there's not a lot to do that you know

959
00:41:45,300 --> 00:41:42,760
you have Phalke Arkansas and you have

960
00:41:48,420 --> 00:41:45,310
Point Pleasant West Virginia of course

961
00:41:50,450 --> 00:41:48,430
before Mothman and of course focus for

962
00:41:53,070 --> 00:41:50,460
the falcon monster legend of boggy creek

963
00:41:54,930 --> 00:41:53,080

there's not a lot that do that most of

964

00:41:56,970 --> 00:41:54,940

them they just want to act like it

965

00:41:58,500 --> 00:41:56,980

didn't happen and of course the rest of

966

00:42:00,630 --> 00:41:58,510

us that are in love with things like

967

00:42:03,090 --> 00:42:00,640

this will never forget and we can spit

968

00:42:05,100 --> 00:42:03,100

those names out with a quickness but um

969

00:42:09,330 --> 00:42:05,110

but yeah it's cool that some of these

970

00:42:10,170 --> 00:42:09,340

these places they realize that well you

971

00:42:12,930 --> 00:42:10,180

know maybe

972

00:42:14,010 --> 00:42:12,940

you could make some money off this and

973

00:42:16,319 --> 00:42:14,020

there's nothing wrong with that and you

974

00:42:18,750 --> 00:42:16,329

get some pretty cool and maybe some

975

00:42:22,789 --> 00:42:18,760

really weird folks in for a few days or

976
00:42:25,710 --> 00:42:22,799
whatever and it's it's all good it's

977
00:42:27,930 --> 00:42:25,720
it's not ever something that I've gone

978
00:42:28,480 --> 00:42:27,940
out to do but I finally hope to do that

979
00:42:29,880 --> 00:42:28,490
here

980
00:42:33,210 --> 00:42:29,890
[Music]

981
00:42:35,460 --> 00:42:33,220
next year working you know with Seth and

982
00:42:36,750 --> 00:42:35,470
on the trail of a few folks so we'll see

983
00:42:40,710 --> 00:42:36,760
what happens I would love to get out to

984
00:42:47,730 --> 00:42:40,720
Roswell someday it is so much the button

985
00:42:49,740 --> 00:42:47,740
thing I didn't yeah it was fast it was

986
00:42:52,109 --> 00:42:49,750
like the mecca for someone like me you

987
00:42:55,349 --> 00:42:52,119
know the Roswell International UFO

988
00:42:57,809 --> 00:42:55,359

Museum is there and the McDonald's is

989

00:43:00,299 --> 00:42:57,819

shaped like a flying saucer all the

990

00:43:02,250 --> 00:43:00,309

streetlamps are alien heads like this is

991

00:43:05,460 --> 00:43:02,260

a town that fully embraces what happened

992

00:43:07,710 --> 00:43:05,470

and again when you go there you go to

993

00:43:10,380 --> 00:43:07,720

Main Street that is the only thing

994

00:43:12,750 --> 00:43:10,390

happening in Roswell New Mexico is these

995

00:43:16,309 --> 00:43:12,760

little shops with alien themed

996

00:43:18,839 --> 00:43:16,319

merchandise and and breakfasts and

997

00:43:21,120 --> 00:43:18,849

everything in between I I don't know if

998

00:43:23,549 --> 00:43:21,130

that place would still be here if this

999

00:43:25,019 --> 00:43:23,559

event hadn't have happened and of course

1000

00:43:27,450 --> 00:43:25,029

there's a lot of people who don't want

1001
00:43:29,339 --> 00:43:27,460
to be known for that there's people who

1002
00:43:31,319 --> 00:43:29,349
wouldn't talk to us when they knew we

1003
00:43:33,120 --> 00:43:31,329
were out there looking into the UFO case

1004
00:43:35,339 --> 00:43:33,130
he get the I roll you there immediately

1005
00:43:37,289 --> 00:43:35,349
on the defense and then you have another

1006
00:43:39,059 --> 00:43:37,299
person right next to him being like oh

1007
00:43:40,380 --> 00:43:39,069
I'll tell you my experience I knew

1008
00:43:43,559 --> 00:43:40,390
someone who knew someone who was

1009
00:43:44,970 --> 00:43:43,569
involved and we heard so so many of

1010
00:43:47,490 --> 00:43:44,980
their stories while we were there

1011
00:43:49,920 --> 00:43:47,500
everyone knows everyone in Roswell so

1012
00:43:52,109 --> 00:43:49,930
you can keep a secret in a small town

1013
00:43:56,339 --> 00:43:52,119

like that yeah they've somehow done it

1014

00:44:00,720 --> 00:43:56,349

for 72 years and that's a perfect segue

1015

00:44:03,839 --> 00:44:00,730

to where I was going next is the matter

1016

00:44:05,730 --> 00:44:03,849

of deathbed confessions and you can

1017

00:44:09,599 --> 00:44:05,740

relate this to Roswell if you want to of

1018

00:44:12,410 --> 00:44:09,609

course or just in general I know that

1019

00:44:15,680 --> 00:44:12,420

when it comes to tenure and it comes to

1020

00:44:18,059 --> 00:44:15,690

people's benefits and even after they go

1021

00:44:21,329 --> 00:44:18,069

then there are families benefits who

1022

00:44:23,820 --> 00:44:21,339

they leave behind I get the idea of well

1023

00:44:25,650 --> 00:44:23,830

I can't be talking about this stuff I

1024

00:44:27,390 --> 00:44:25,660

I probably would be the same way if it

1025

00:44:29,430 --> 00:44:27,400

meant that after I was gone my family

1026
00:44:31,200 --> 00:44:29,440
would be cut off from any and all monies

1027
00:44:34,230 --> 00:44:31,210
and how to take care of them and health

1028
00:44:38,250 --> 00:44:34,240
benefits and all that but is there any

1029
00:44:40,890 --> 00:44:38,260
word amongst UFO researchers that you

1030
00:44:44,730 --> 00:44:40,900
guys are hoping that there will in fact

1031
00:44:46,980 --> 00:44:44,740
be some really groundbreaking deathbed

1032
00:44:51,180 --> 00:44:46,990
confessions that will be more than just

1033
00:44:54,540 --> 00:44:51,190
a story that maybe something might come

1034
00:44:56,520 --> 00:44:54,550
forward that we could confirm I mean

1035
00:44:58,380 --> 00:44:56,530
yeah we've heard we've heard a bunch

1036
00:45:01,710 --> 00:44:58,390
phone throughout the years for sure I

1037
00:45:03,210 --> 00:45:01,720
mean a lot of the older researchers have

1038
00:45:04,590 --> 00:45:03,220

come across that the deathbed

1039

00:45:07,830 --> 00:45:04,600

confessions throughout their whole

1040

00:45:10,020 --> 00:45:07,840

careers in I guess quote-unquote ufology

1041

00:45:15,600 --> 00:45:10,030

the self-proclaimed field we've created

1042

00:45:17,700 --> 00:45:15,610

for ourselves but I I struggle with that

1043

00:45:19,830 --> 00:45:17,710

I really do because most of the time it

1044

00:45:21,870 --> 00:45:19,840

is just a story but most of the time

1045

00:45:23,970 --> 00:45:21,880

that's all these people have you know

1046

00:45:26,040 --> 00:45:23,980

they don't they if they were involved

1047

00:45:28,800 --> 00:45:26,050

with this event let's take the Roswell

1048

00:45:31,770 --> 00:45:28,810

event for instance they could say on

1049

00:45:35,700 --> 00:45:31,780

their deathbed oh yeah it was aliens you

1050

00:45:37,500 --> 00:45:35,710

know we covered it up but they also they

1051

00:45:40,740 --> 00:45:37,510

don't have the documentation to back

1052

00:45:42,540 --> 00:45:40,750

that up so all we have is their word and

1053

00:45:44,970 --> 00:45:42,550

for a lot of people involved with this

1054

00:45:46,260 --> 00:45:44,980

event the Roswell event in specific they

1055

00:45:48,690 --> 00:45:46,270

didn't even know what they were doing

1056

00:45:51,300 --> 00:45:48,700

out there hundreds of military officers

1057

00:45:53,160 --> 00:45:51,310

were sent out to clean up the site when

1058

00:45:54,810 --> 00:45:53,170

this crash happened and they didn't even

1059

00:45:57,660 --> 00:45:54,820

know what they were picking up or hiding

1060

00:45:59,820 --> 00:45:57,670

or you know bringing back to the base or

1061

00:46:01,710 --> 00:45:59,830

where it went after that they just did

1062

00:46:03,660 --> 00:46:01,720

their duty they did their job they

1063

00:46:06,330 --> 00:46:03,670

didn't ask questions and they moved on

1064

00:46:09,740 --> 00:46:06,340

with their lives so when it comes to

1065

00:46:12,870 --> 00:46:09,750

this one I there there's been several

1066

00:46:15,270 --> 00:46:12,880

deathbed confessions and a lot of them

1067

00:46:18,090 --> 00:46:15,280

have said yes it was aliens you know I

1068

00:46:19,590 --> 00:46:18,100

saw the bodies and the whole body aspect

1069

00:46:22,050 --> 00:46:19,600

of Raza was a whole other can of worms

1070

00:46:25,440 --> 00:46:22,060

you know were their occupants found at

1071

00:46:28,080 --> 00:46:25,450

the site that I can tell you is kind of

1072

00:46:31,380 --> 00:46:28,090

where we might be heading next in our

1073

00:46:33,960 --> 00:46:31,390

investigation maybe just maybe but um I

1074

00:46:35,730 --> 00:46:33,970

don't know I don't know it's tough

1075

00:46:37,740 --> 00:46:35,740

because these people have security oaths

1076

00:46:39,510 --> 00:46:37,750

they do have to worry about

1077

00:46:42,210 --> 00:46:39,520

you know maybe benefits for their family

1078

00:46:44,700 --> 00:46:42,220

getting taken away when they they pass

1079

00:46:46,950 --> 00:46:44,710

on but we've also gotten some really

1080

00:46:48,180 --> 00:46:46,960

interesting information from people who

1081

00:46:51,510 --> 00:46:48,190

have claimed to have been involved with

1082

00:46:54,089 --> 00:46:51,520

this so it's a mixed bag it always is in

1083

00:46:57,480 --> 00:46:54,099

this case is convoluted it's messy and

1084

00:47:00,150 --> 00:46:57,490

it's frustrating as all hell but I'm

1085

00:47:03,390 --> 00:47:00,160

excited and still ready to get out there

1086

00:47:05,910 --> 00:47:03,400

and try to do my small part in finding

1087

00:47:09,030 --> 00:47:05,920

even one small answer to the Roswell

1088

00:47:11,220 --> 00:47:09,040

puzzle so where can everybody watch

1089

00:47:13,710 --> 00:47:11,230

Roswell mysteries decoded at least the

1090

00:47:15,900 --> 00:47:13,720

first round right a second to hopefully

1091

00:47:19,170 --> 00:47:15,910

be coming up here pretty soon yeah

1092

00:47:21,270 --> 00:47:19,180

that's kinda where we're leaning it is

1093

00:47:24,690 --> 00:47:21,280

it's free it's completely free you can

1094

00:47:27,390 --> 00:47:24,700

stream it on the the CW network has

1095

00:47:28,890 --> 00:47:27,400

their own streaming platform kind of

1096

00:47:31,200 --> 00:47:28,900

like their own netflix where you can go

1097

00:47:33,780 --> 00:47:31,210

and watch everything for free there so

1098

00:47:38,070 --> 00:47:33,790

um yeah your listeners can just go to CW

1099

00:47:39,870 --> 00:47:38,080

seed se Edie calm and just look for

1100

00:47:42,270 --> 00:47:39,880

Roswell mysteries Dakota it's a one-hour

1101

00:47:44,640 --> 00:47:42,280

special and it's right up there for

1102

00:47:46,440 --> 00:47:44,650

anyone to watch and I hope people do and

1103

00:47:48,960 --> 00:47:46,450

I hope they come to me with more

1104

00:47:50,910 --> 00:47:48,970

questions and and I hope they want us to

1105

00:47:53,160 --> 00:47:50,920

get back out there because we me and

1106

00:47:55,740 --> 00:47:53,170

Jennifer are ready to go we are I've got

1107

00:47:57,810 --> 00:47:55,750

my bag packed already it's really a

1108

00:47:59,670 --> 00:47:57,820

great show and I hope that they they

1109

00:48:01,140 --> 00:47:59,680

pick you guys up for another round and

1110

00:48:04,050 --> 00:48:01,150

get you guys back out boots on the

1111

00:48:06,660 --> 00:48:04,060

ground with the investigative passion

1112

00:48:08,280 --> 00:48:06,670

that you guys both have I hope so

1113

00:48:11,450 --> 00:48:08,290

because I could tell you this again like

1114

00:48:14,849 --> 00:48:11,460

having known about Roswell my whole life

1115

00:48:16,530 --> 00:48:14,859

again I'd never actually been there to

1116

00:48:19,020 --> 00:48:16,540

experience it but when I was actually

1117

00:48:21,420 --> 00:48:19,030

there spoke to people spoke to the

1118

00:48:24,930 --> 00:48:21,430

daughter of the first military officer

1119

00:48:27,089 --> 00:48:24,940

on the site that was enough for me to be

1120

00:48:30,000 --> 00:48:27,099

like wow something definitely happened

1121

00:48:33,329 --> 00:48:30,010

here so I can't wait I can't wait to get

1122

00:48:36,000 --> 00:48:33,339

back out there okay so earlier I kind of

1123

00:48:38,010 --> 00:48:36,010

hinted towards and what I mentioned was

1124

00:48:39,540 --> 00:48:38,020

of course your subtitle for the book but

1125

00:48:42,510 --> 00:48:39,550

the entire title is somewhere in the

1126

00:48:44,339 --> 00:48:42,520

skies a human approach to an alien

1127

00:48:46,710 --> 00:48:44,349

phenomenon so what exactly does that

1128

00:48:48,570 --> 00:48:46,720

subtitle mean to you and why was it

1129

00:48:51,299 --> 00:48:48,580

important to add that into your title

1130

00:48:54,659 --> 00:48:51,309

and when it comes to UFOs and

1131

00:48:56,429 --> 00:48:54,669

who experiences them so yeah when I

1132

00:48:59,909 --> 00:48:56,439

first decided I wanted to write a book

1133

00:49:01,669 --> 00:48:59,919

about UFOs I really struggled because I

1134

00:49:03,929 --> 00:49:01,679

knew I wanted to do it but I didn't know

1135

00:49:06,779 --> 00:49:03,939

what I could really contribute to a

1136

00:49:09,539 --> 00:49:06,789

field that has pretty much asked every

1137

00:49:11,969 --> 00:49:09,549

question that could be asked of all of

1138

00:49:14,159 --> 00:49:11,979

this so I talked for a while with my

1139

00:49:16,199 --> 00:49:14,169

publisher about what can I do what can I

1140

00:49:18,989 --> 00:49:16,209

do to contribute to the conversation and

1141

00:49:20,849 --> 00:49:18,999

bring something new and for me what I

1142

00:49:24,989 --> 00:49:20,859

think a lot of UFO books throughout the

1143

00:49:28,140 --> 00:49:24,999

years have lacked is that that human

1144

00:49:30,509 --> 00:49:28,150

empathy that that giving a voice to the

1145

00:49:34,009 --> 00:49:30,519

people who have had the experiences so

1146

00:49:36,959 --> 00:49:34,019

many books have you know name date and

1147

00:49:39,390 --> 00:49:36,969

what they saw moving on to the next one

1148

00:49:41,009 --> 00:49:39,400

and they never really dug into the lives

1149

00:49:43,079 --> 00:49:41,019

of these people in you know Misha and

1150

00:49:46,109 --> 00:49:43,089

I'm a playwright first and foremost in

1151

00:49:49,259 --> 00:49:46,119

New York City I love characters that was

1152

00:49:52,079 --> 00:49:49,269

always my strong suit is people how they

1153

00:49:54,509 --> 00:49:52,089

you know their mannerisms how they react

1154

00:49:56,640 --> 00:49:54,519

to things how they change how they

1155

00:49:58,979 --> 00:49:56,650

interact with one another you know the

1156

00:50:00,870 --> 00:49:58,989

first thing we learn in a play is your

1157

00:50:02,819 --> 00:50:00,880

character has to have some sort of

1158

00:50:04,890 --> 00:50:02,829

change by the end of the play or it's

1159

00:50:09,390 --> 00:50:04,900

worthless there's no reason for us to

1160

00:50:12,719 --> 00:50:09,400

follow them for two hours right so for

1161

00:50:14,549 --> 00:50:12,729

me I was he was like all right let me

1162

00:50:16,679 --> 00:50:14,559

take my strengths as a playwright and

1163

00:50:19,079 --> 00:50:16,689

with characters and infuse that into my

1164

00:50:20,609 --> 00:50:19,089

UFO research so that's when I decided my

1165

00:50:23,159 --> 00:50:20,619

friend I'm sorry to interrupt you we

1166

00:50:25,589 --> 00:50:23,169

will pick that right back after this

1167

00:50:27,359 --> 00:50:25,599

break I'm sorry to interrupt you now

1168

00:50:29,669 --> 00:50:27,369

Cullens will begin so if you want to

1169

00:50:31,409 --> 00:50:29,679

talk to Ryan or myself please let us

1170

00:50:34,709 --> 00:50:31,419

know what your thoughts or questions

1171

00:50:37,829 --> 00:50:34,719

might be number is four eight zero five

1172

00:50:41,670 --> 00:50:37,839

seven one three five four zero and we

1173

00:50:48,190 --> 00:50:44,170

welcome back everybody to midnight in

1174

00:50:50,350 --> 00:50:48,200

the desert and my guest Ryan Sprague so

1175

00:50:53,320 --> 00:50:50,360

Ryan we went to the break we were

1176
00:50:56,980 --> 00:50:53,330
bringing up exactly what the human

1177
00:50:59,230 --> 00:50:56,990
approach to this alien phenomenon meant

1178
00:51:01,300 --> 00:50:59,240
to you so if he wanted to finish your

1179
00:51:02,530 --> 00:51:01,310
thought before we dive into your book

1180
00:51:06,220 --> 00:51:02,540
and some of the stories that are in

1181
00:51:09,100 --> 00:51:06,230
there oh sure yeah so for me it was you

1182
00:51:11,080 --> 00:51:09,110
know what what what did I want to bring

1183
00:51:12,850 --> 00:51:11,090
to the field of ufology and that was

1184
00:51:15,820 --> 00:51:12,860
this human approach so that's why I

1185
00:51:19,150 --> 00:51:15,830
really focused on the people having the

1186
00:51:21,070 --> 00:51:19,160
experiences and I wanted to know if they

1187
00:51:23,800 --> 00:51:21,080
were feeling what I felt you know when I

1188
00:51:26,500 --> 00:51:23,810

had my sighting when I was 12 were they

1189

00:51:28,270 --> 00:51:26,510

scared were they nervous were they

1190

00:51:30,760 --> 00:51:28,280

excited what did they think what did

1191

00:51:33,190 --> 00:51:30,770

they think it was rather than what what

1192

00:51:35,770 --> 00:51:33,200

did I think what they saw was I wanted

1193

00:51:38,470 --> 00:51:35,780

to give people a voice who rarely have

1194

00:51:40,300 --> 00:51:38,480

that and that is the UFO witness you

1195

00:51:41,950 --> 00:51:40,310

know a lot of people don't want to come

1196

00:51:44,110 --> 00:51:41,960

forward they're afraid of the ridicule

1197

00:51:46,450 --> 00:51:44,120

factor what people might think of them

1198

00:51:52,030 --> 00:51:46,460

or they may just not want to share it

1199

00:51:54,340 --> 00:51:52,040

with people so I I set out to look it

1200

00:51:56,650 --> 00:51:54,350

over I think I ended up with about 200

1201
00:52:00,960 --> 00:51:56,660
cases in the book that I narrowed down

1202
00:52:03,580 --> 00:52:00,970
to almost a little over a dozen and that

1203
00:52:05,890 --> 00:52:03,590
was it for me just hearing people's

1204
00:52:07,930 --> 00:52:05,900
stories how it affected them how it

1205
00:52:10,030 --> 00:52:07,940
changed them and how they came out on

1206
00:52:12,130 --> 00:52:10,040
the other side of it feeling you know

1207
00:52:14,830 --> 00:52:12,140
whether it was their belief before that

1208
00:52:16,780 --> 00:52:14,840
how it was changed after you know where

1209
00:52:18,840 --> 00:52:16,790
what are they religious before did it

1210
00:52:22,480 --> 00:52:18,850
change their belief system after that

1211
00:52:24,700 --> 00:52:22,490
how does it change their paradigm as it

1212
00:52:28,390 --> 00:52:24,710
did for me so I thought that would be a

1213
00:52:32,400 --> 00:52:28,400

really cool thing to do and maybe I find

1214

00:52:34,240 --> 00:52:32,410

some patterns and find some answers and

1215

00:52:37,810 --> 00:52:34,250

that's what I set out to do with the

1216

00:52:40,360 --> 00:52:37,820

book so did it take you longer to figure

1217

00:52:41,950 --> 00:52:40,370

out which 12 out of the 200 you wanted

1218

00:52:43,090 --> 00:52:41,960

to choose or to actually write the book

1219

00:52:45,790 --> 00:52:43,100

because I think for me it would be

1220

00:52:48,430 --> 00:52:45,800

extremely difficult to actually whittle

1221

00:52:51,310 --> 00:52:48,440

it down from that many to start with

1222

00:52:54,280 --> 00:52:51,320

oh it's heartbreaking I mean you these

1223

00:52:55,779 --> 00:52:54,290

people are confiding in you and they're

1224

00:52:58,269 --> 00:52:55,789

telling you

1225

00:53:01,239 --> 00:52:58,279

possibly for the first time ever telling

1226

00:53:03,429 --> 00:53:01,249

anyone their story so when I had to like

1227

00:53:05,889 --> 00:53:03,439

go to some of these people and say look

1228

00:53:09,219 --> 00:53:05,899

I'm sorry it's not gonna make it in you

1229

00:53:12,939 --> 00:53:09,229

know it was very tough and I struggled

1230

00:53:14,739 --> 00:53:12,949

and I clawed my way and fought my way

1231

00:53:16,899 --> 00:53:14,749

with my publisher of what should make it

1232

00:53:19,059 --> 00:53:16,909

in and what shouldn't and what really

1233

00:53:21,279 --> 00:53:19,069

kept with the theme of the book and

1234

00:53:23,499 --> 00:53:21,289

there's so many factors when it comes to

1235

00:53:25,689 --> 00:53:23,509

like what actually makes it into whether

1236

00:53:27,969 --> 00:53:25,699

it's television a movie a play a book

1237

00:53:30,399 --> 00:53:27,979

what actually makes it in and how do you

1238

00:53:34,209 --> 00:53:30,409

make it cohesive so yes it was extremely

1239

00:53:38,229 --> 00:53:34,219

challenging I felt terrible that I had

1240

00:53:39,669 --> 00:53:38,239

to not include anyone's stories but for

1241

00:53:41,849 --> 00:53:39,679

those that actually made it into the

1242

00:53:44,859 --> 00:53:41,859

book these were the cases that really

1243

00:53:47,109 --> 00:53:44,869

really stuck with me and really got that

1244

00:53:50,859 --> 00:53:47,119

message across that these events can

1245

00:53:54,029 --> 00:53:50,869

change a human being in many many

1246

00:53:56,589 --> 00:53:54,039

different ways and it's those small

1247

00:53:58,120 --> 00:53:56,599

disclosures for each person having the

1248

00:54:00,849 --> 00:53:58,130

experience that I think will ultimately

1249

00:54:02,589 --> 00:54:00,859

lead us to some answers and show that

1250

00:54:05,349 --> 00:54:02,599

like everyday people are having these

1251
00:54:07,870 --> 00:54:05,359
experiences it's no longer the days of

1252
00:54:09,729 --> 00:54:07,880
like some nutcase in the backwoods

1253
00:54:13,239 --> 00:54:09,739
having a UFO event while they're

1254
00:54:14,049 --> 00:54:13,249
drinking beer like these cliches are far

1255
00:54:15,969 --> 00:54:14,059
from over

1256
00:54:18,309 --> 00:54:15,979
the ridic the ridicule factor is

1257
00:54:20,349 --> 00:54:18,319
definitely shedding and I think this

1258
00:54:24,759 --> 00:54:20,359
book and many more that will come after

1259
00:54:28,029 --> 00:54:24,769
it will show that your teacher your post

1260
00:54:29,620 --> 00:54:28,039
office worker your waiter at at the

1261
00:54:32,319 --> 00:54:29,630
restaurant they are the ones having

1262
00:54:35,049 --> 00:54:32,329
these UFO events and that's extremely

1263
00:54:38,739 --> 00:54:35,059

exciting to me I think one of the

1264

00:54:41,949 --> 00:54:38,749

reasons that we get along probably so

1265

00:54:44,259 --> 00:54:41,959

well is that not only does the subtitle

1266

00:54:47,559 --> 00:54:44,269

of the book resonate with me but you

1267

00:54:51,219 --> 00:54:47,569

know how I run interviews on into the

1268

00:54:52,689 --> 00:54:51,229

fray and as I'm sure everybody knows if

1269

00:54:55,449 --> 00:54:52,699

they listen to your show that's what you

1270

00:54:57,999 --> 00:54:55,459

do as well is that sometimes when you

1271

00:54:59,589 --> 00:54:58,009

get down to it and this may sound really

1272

00:55:00,969 --> 00:54:59,599

ludicrous to say because we are

1273

00:55:03,039 --> 00:55:00,979

searching for the answers and I'm not

1274

00:55:05,709 --> 00:55:03,049

saying that I'm not searching anymore

1275

00:55:08,079 --> 00:55:05,719

but sometimes when you listen to these

1276

00:55:09,240 --> 00:55:08,089

people it almost doesn't matter it

1277

00:55:11,880 --> 00:55:09,250

doesn't even matter if

1278

00:55:14,520 --> 00:55:11,890

what they in fact saw was a military

1279

00:55:17,670 --> 00:55:14,530

craft or an alien craft what matters is

1280

00:55:20,130 --> 00:55:17,680

how much it affected their lives like in

1281

00:55:21,870 --> 00:55:20,140

totality they are a completely different

1282

00:55:24,270 --> 00:55:21,880

person not just forget that they can't

1283

00:55:26,910 --> 00:55:24,280

sleep it's affected everything in their

1284

00:55:30,930 --> 00:55:26,920

life and it can for not only years but

1285

00:55:33,320 --> 00:55:30,940

the span of their lifetime absolutely

1286

00:55:36,720 --> 00:55:33,330

and you know I think it's even more

1287

00:55:39,750 --> 00:55:36,730

ludicrous to you know try to find one

1288

00:55:41,790 --> 00:55:39,760

answer to all of it yeah it's not like I

1289

00:55:44,310 --> 00:55:41,800

came away saying every single person in

1290

00:55:47,100 --> 00:55:44,320

my book experience in alien encounter

1291

00:55:50,280 --> 00:55:47,110

with a gray alien and problem solved

1292

00:55:53,400 --> 00:55:50,290

like I proved it no they were having the

1293

00:55:56,220 --> 00:55:53,410

widest array of phenomena happening that

1294

00:55:58,980 --> 00:55:56,230

I could not find a pattern I could not

1295

00:56:01,200 --> 00:55:58,990

narrow in on that one answer to all of

1296

00:56:03,720 --> 00:56:01,210

these things and I don't think it's my

1297

00:56:06,000 --> 00:56:03,730

responsibility to find answers for these

1298

00:56:07,830 --> 00:56:06,010

people my responsibility was to tell

1299

00:56:09,840 --> 00:56:07,840

their story that's what I promised them

1300

00:56:12,180 --> 00:56:09,850

if they wanted me to give my opinion

1301

00:56:15,050 --> 00:56:12,190

sure I throw it in the book for sure

1302

00:56:19,560 --> 00:56:15,060

whether it was a subjective or objective

1303

00:56:21,390 --> 00:56:19,570

opinion and that was it you know they

1304

00:56:23,910 --> 00:56:21,400

trusted me to tell their story to get

1305

00:56:25,710 --> 00:56:23,920

their voice out there and to give a name

1306

00:56:27,990 --> 00:56:25,720

and face to these events that are

1307

00:56:30,570 --> 00:56:28,000

happening seemingly all over the world

1308

00:56:33,270 --> 00:56:30,580

so yeah that's why I love this stuff you

1309

00:56:35,670 --> 00:56:33,280

do is you let people tell their stories

1310

00:56:38,220 --> 00:56:35,680

in their own words and I think that's

1311

00:56:39,890 --> 00:56:38,230

extremely important because that's when

1312

00:56:44,250 --> 00:56:39,900

you get the most of raw and visceral

1313

00:56:47,040 --> 00:56:44,260

visceral data and you know testimony is

1314

00:56:50,250 --> 00:56:47,050

from the person who actually had it

1315

00:56:52,860 --> 00:56:50,260

happened to them yeah when you talk to

1316

00:56:54,390 --> 00:56:52,870

somebody and they won't go back in the

1317

00:56:56,790 --> 00:56:54,400

woods and they haven't been back in the

1318

00:56:59,850 --> 00:56:56,800

woods for 1520's for and sometimes in

1319

00:57:02,940 --> 00:56:59,860

some case even talk to people that is 25

1320

00:57:05,430 --> 00:57:02,950

years plus and like well I'm thinking

1321

00:57:08,820 --> 00:57:05,440

maybe next year I'm going to shoot to go

1322

00:57:11,430 --> 00:57:08,830

back out on the trail behind my house

1323

00:57:12,990 --> 00:57:11,440

during the day you can't tell me that

1324

00:57:15,150 --> 00:57:13,000

that person didn't see something now

1325

00:57:17,820 --> 00:57:15,160

whether it was in fact one of the

1326

00:57:20,760 --> 00:57:17,830

Bigfoot creatures that are seen

1327

00:57:21,870 --> 00:57:20,770

supposedly all over the country and in

1328

00:57:23,310 --> 00:57:21,880

some parts of the world

1329

00:57:26,010 --> 00:57:23,320

I don't know all the

1330

00:57:27,900 --> 00:57:26,020

matters is it is fascinating and

1331

00:57:30,360 --> 00:57:27,910

heartbreaking that that person hasn't

1332

00:57:33,210 --> 00:57:30,370

been outdoors on a hiking trail during

1333

00:57:36,830 --> 00:57:33,220

the day for 25 years absolutely you know

1334

00:57:41,820 --> 00:57:36,840

I talked to a guy who saw a extremely

1335

00:57:44,880 --> 00:57:41,830

vivid and mysterious I guess all I can

1336

00:57:49,050 --> 00:57:44,890

really describe it as a figure in his

1337

00:57:51,030 --> 00:57:49,060

bedroom at night and the dude has lived

1338

00:57:54,510 --> 00:57:51,040

in Harlem in New York City his entire

1339

00:57:57,960 --> 00:57:54,520

life bodybuilder looking dude huge buff

1340

00:57:59,670 --> 00:57:57,970

guy tough guy macho man and I asked him

1341

00:58:01,410 --> 00:57:59,680

so what did you do when you saw it he

1342

00:58:05,550 --> 00:58:01,420

said I put the sheets over my head and I

1343

00:58:09,030 --> 00:58:05,560

cowered like a little baby doesn't

1344

00:58:11,970 --> 00:58:09,040

matter who you are it's it's affecting

1345

00:58:14,250 --> 00:58:11,980

people in very different ways and you

1346

00:58:16,080 --> 00:58:14,260

cannot judge a person for how they react

1347

00:58:17,940 --> 00:58:16,090

to something like this why did you take

1348

00:58:20,790 --> 00:58:17,950

a picture of it why did she take video

1349

00:58:23,880 --> 00:58:20,800

why did she call the police you want to

1350

00:58:25,800 --> 00:58:23,890

know why because it was happening to me

1351

00:58:27,870 --> 00:58:25,810

in that moment and that's all that

1352

00:58:30,420 --> 00:58:27,880

mattered now you kind of want to go you

1353

00:58:32,070 --> 00:58:30,430

you try it let's see how you react you

1354

00:58:36,210 --> 00:58:32,080

don't know it's coming it's not gonna be

1355

00:58:39,750 --> 00:58:36,220

anything set up or anybody in retrospect

1356

00:58:41,340 --> 00:58:39,760

exactly yeah oh hindsight's always 20/20

1357

00:58:42,750 --> 00:58:41,350

and I would have done this and I would

1358

00:58:46,230 --> 00:58:42,760

have done that and why didn't he do this

1359

00:58:47,640 --> 00:58:46,240

that's it's impossible it's dealing in

1360

00:58:49,170 --> 00:58:47,650

an impossibility

1361

00:58:52,170 --> 00:58:49,180

I mean when you start saying things like

1362

00:58:53,810 --> 00:58:52,180

that so is story directly out of your

1363

00:58:57,390 --> 00:58:53,820

book or was that just a for instance

1364

00:58:58,920 --> 00:58:57,400

that was for instance I would say I mean

1365

00:59:01,590 --> 00:58:58,930

there's many others that have had

1366

00:59:05,700 --> 00:59:01,600

similar experiences from the actual book

1367

00:59:07,080 --> 00:59:05,710

about yeah yeah what are some of your

1368

00:59:09,300 --> 00:59:07,090

favorites what are some of you eat I

1369

00:59:11,160 --> 00:59:09,310

know that the 12 the II chose were the

1370

00:59:13,050 --> 00:59:11,170

most striking out of the 200 but can you

1371

00:59:15,690 --> 00:59:13,060

narrow them maybe down even more from

1372

00:59:18,720 --> 00:59:15,700

that like a few of your favorites yeah I

1373

00:59:21,000 --> 00:59:18,730

mean there's one that I really sticks

1374

00:59:23,940 --> 00:59:21,010

with me and I talk about a lot of like

1375

00:59:28,140 --> 00:59:23,950

conferences and everything just because

1376

00:59:30,750 --> 00:59:28,150

of the sheer weirdness of this of this

1377

00:59:33,660 --> 00:59:30,760

case it just it does keep me up at night

1378

00:59:35,070 --> 00:59:33,670

so yeah this one happened in Ohio you

1379

00:59:36,609 --> 00:59:35,080

know your original neck of the woods I

1380

00:59:40,400 --> 00:59:36,619

think back in

1381

00:59:43,580 --> 00:59:40,410

1974 it was this happened to a guy named

1382

00:59:46,580 --> 00:59:43,590

Scott and he was going to a drive-in

1383

00:59:50,599 --> 00:59:46,590

movie theater with a buddy of his in

1384

00:59:52,520 --> 00:59:50,609

Cuyahoga Falls Ohio and he was um you

1385

00:59:55,220 --> 00:59:52,530

know they they show up and they're

1386

00:59:56,750 --> 00:59:55,230

drinking beers they're they're hoping to

1387

00:59:58,280 --> 00:59:56,760

meet some girls and just have a good

1388

01:00:01,070 --> 00:59:58,290

time you know watch a movie see what

1389

01:00:03,980 --> 01:00:01,080

happens as and I progresses and as

1390

01:00:05,720 --> 01:00:03,990

they're like settling in and they think

1391

01:00:08,120 --> 01:00:05,730

the movies about to start like all the

1392

01:00:11,300 --> 01:00:08,130

power goes out in the entire driving so

1393

01:00:13,520 --> 01:00:11,310

imagine like you know 50 cars in the

1394

01:00:17,000 --> 01:00:13,530

parking lot all the big you know over

1395

01:00:19,730 --> 01:00:17,010

headlamps go out and it's just pitch

1396

01:00:22,250 --> 01:00:19,740

black and I mean everyone's like okay I

1397

01:00:24,830 --> 01:00:22,260

guess we're not seeing a movie so

1398

01:00:26,960 --> 01:00:24,840

everyone tries to start their cars up

1399

01:00:29,420 --> 01:00:26,970

and nobody's cars would start we're

1400

01:00:29,990 --> 01:00:29,430

talking again like a packed parking lot

1401

01:00:31,970 --> 01:00:30,000

of people

1402

01:00:36,380 --> 01:00:31,980

no one's cars are started and then

1403

01:00:38,630 --> 01:00:36,390

suddenly from like behind the huge movie

1404

01:00:44,540 --> 01:00:38,640

screen drive-in movie screen there's

1405

01:00:47,150 --> 01:00:44,550

this Chevron shaped dark black object

1406

01:00:49,760 --> 01:00:47,160

that starts floating over the parking

1407

01:00:51,829 --> 01:00:49,770

lot and Scott says you know from tip to

1408

01:00:55,130 --> 01:00:51,839

tip this thing took over the entire

1409

01:00:58,220 --> 01:00:55,140

parking lot and it just coasted over

1410

01:01:00,290 --> 01:00:58,230

everybody and just ominously floated

1411

01:01:02,480 --> 01:01:00,300

above them and again

1412

01:01:04,670 --> 01:01:02,490

no one's cars would start no one no one

1413

01:01:06,920 --> 01:01:04,680

could like leave even if they felt

1414

01:01:09,349 --> 01:01:06,930

threatened by this thing and what was

1415

01:01:10,010 --> 01:01:09,359

really interesting is as it was floating

1416

01:01:12,440 --> 01:01:10,020

over them

1417

01:01:15,290 --> 01:01:12,450

Scott noticed that like nobody was

1418

01:01:18,260 --> 01:01:15,300

really freaking out no one was trying to

1419

01:01:20,390 --> 01:01:18,270

really start their car or crawl away or

1420

01:01:24,079 --> 01:01:20,400

run away everyone was just looking up at

1421

01:01:26,690 --> 01:01:24,089

this thing in awe and it coasted over it

1422

01:01:29,120 --> 01:01:26,700

disappeared into like a field in the

1423

01:01:31,640 --> 01:01:29,130

distance and then all of the lights came

1424

01:01:34,430 --> 01:01:31,650

back on in the theater the outside

1425

01:01:37,550 --> 01:01:34,440

theater and then people's cars would

1426
01:01:40,910 --> 01:01:37,560
start so okay this super dramatic UFO

1427
01:01:45,200 --> 01:01:40,920
case happen Shane and then what does

1428
01:01:48,920 --> 01:01:45,210
everyone do they like go get popcorn

1429
01:01:49,790 --> 01:01:48,930
they get back in their car and they wait

1430
01:01:52,640 --> 01:01:49,800
for the movie to

1431
01:01:54,950 --> 01:01:52,650
as if this thing didn't just happen no

1432
01:01:57,980 --> 01:01:54,960
one reacted to this thing having

1433
01:02:00,470 --> 01:01:57,990
happened even Scott he like went to the

1434
01:02:01,880 --> 01:02:00,480
bathroom waited in line no one talked

1435
01:02:04,130 --> 01:02:01,890
about what it just happened

1436
01:02:05,930 --> 01:02:04,140
gets back in his car they watched the

1437
01:02:08,930 --> 01:02:05,940
entire movie and then he brings his

1438
01:02:10,610 --> 01:02:08,940

friend home so it's like what what the

1439

01:02:12,710 --> 01:02:10,620

hell happened there it was like an

1440

01:02:15,020 --> 01:02:12,720

instant amnesia that everyone

1441

01:02:17,660 --> 01:02:15,030

experienced all at once and he like

1442

01:02:19,940 --> 01:02:17,670

blacked out or something he didn't

1443

01:02:22,280 --> 01:02:19,950

remember this event happening until many

1444

01:02:24,890 --> 01:02:22,290

years later when like one image that

1445

01:02:27,020 --> 01:02:24,900

showed up in a book like triggered the

1446

01:02:30,530 --> 01:02:27,030

memory and this all came flooding back

1447

01:02:32,600 --> 01:02:30,540

to him it's insane like that no one

1448

01:02:35,540 --> 01:02:32,610

reacted to this event while it happened

1449

01:02:37,510 --> 01:02:35,550

and it was so big and so noticeable

1450

01:02:41,150 --> 01:02:37,520

there were so many people there

1451
01:02:42,740 --> 01:02:41,160
nothing it's as if it never happened and

1452
01:02:44,870 --> 01:02:42,750
that's like something straight out of

1453
01:02:48,290 --> 01:02:44,880
Close Encounters of the Third Kind and I

1454
01:02:50,180 --> 01:02:48,300
if I remember correctly I think he said

1455
01:02:51,380 --> 01:02:50,190
74 this happened to Scott and there's

1456
01:02:53,330 --> 01:02:51,390
all those people

1457
01:02:57,200 --> 01:02:53,340
I think else encounters after that so I

1458
01:02:59,330 --> 01:02:57,210
can't really write that exact like the

1459
01:03:00,800 --> 01:02:59,340
you know the car's not not starting and

1460
01:03:02,980 --> 01:03:00,810
then they dead start when the craft left

1461
01:03:05,510 --> 01:03:02,990
it's it's straight out of a movie but I

1462
01:03:07,790 --> 01:03:05,520
mean it for that many people to be in

1463
01:03:10,220 --> 01:03:07,800

the exact same amount of shock to where

1464

01:03:12,530 --> 01:03:10,230

they didn't nobody ran and screamed or

1465

01:03:14,210 --> 01:03:12,540

you know jumped in the car no one is

1466

01:03:18,170 --> 01:03:14,220

even talking about it afterwards

1467

01:03:20,660 --> 01:03:18,180

that is extremely odd right and I mean

1468

01:03:24,110 --> 01:03:20,670

of course I'm gonna question him on that

1469

01:03:25,910 --> 01:03:24,120

and they're like okay well obviously I

1470

01:03:28,310 --> 01:03:25,920

need to talk to someone else that was

1471

01:03:31,040 --> 01:03:28,320

there yeah that witnessed this thing and

1472

01:03:33,830 --> 01:03:31,050

see if they have you know any memories

1473

01:03:36,770 --> 01:03:33,840

of this happening and I couldn't find a

1474

01:03:38,660 --> 01:03:36,780

single person and that's when I started

1475

01:03:40,550 --> 01:03:38,670

getting a little hesitant I'm like Scott

1476
01:03:42,710 --> 01:03:40,560
dude I'm gonna be honest with you man

1477
01:03:44,390 --> 01:03:42,720
like I don't I have no one to

1478
01:03:46,250 --> 01:03:44,400
corroborate this story like where's your

1479
01:03:47,570 --> 01:03:46,260
friend that was with you and he told me

1480
01:03:49,250 --> 01:03:47,580
straight up he's like I haven't talked

1481
01:03:51,680 --> 01:03:49,260
to him since that day we never saw each

1482
01:03:54,020 --> 01:03:51,690
other again after that and this is a

1483
01:03:57,620 --> 01:03:54,030
case where I'm like alright I can either

1484
01:04:00,860 --> 01:03:57,630
completely throw this out and you know

1485
01:04:03,079 --> 01:04:00,870
maybe Scott's telling me tell or this

1486
01:04:06,140 --> 01:04:03,089
event was so weird

1487
01:04:07,969 --> 01:04:06,150
so dramatic and maybe he is the only one

1488
01:04:11,390 --> 01:04:07,979

that was able to retrieve that memory

1489

01:04:12,920 --> 01:04:11,400

somehow it's crazy and you know I talked

1490

01:04:16,489 --> 01:04:12,930

to the guy up until this day and he

1491

01:04:20,359 --> 01:04:16,499

sticks to the story and tells me that

1492

01:04:23,180 --> 01:04:20,369

this happened to him and nobody can take

1493

01:04:24,859 --> 01:04:23,190

that away from him I certainly can and I

1494

01:04:26,870 --> 01:04:24,869

believed him I believe this event

1495

01:04:29,390 --> 01:04:26,880

happened what it was we may never know

1496

01:04:32,749 --> 01:04:29,400

but I definitely believe this happened

1497

01:04:35,150 --> 01:04:32,759

to Scott well Ryan we've got a caller

1498

01:04:39,680 --> 01:04:35,160

I do not know his location but his name

1499

01:04:45,229 --> 01:04:39,690

is is Henry Henry well c'mon you were on

1500

01:04:49,400 --> 01:04:45,239

with Ryan's break about your book and

1501

01:04:52,209 --> 01:04:49,410

everything do you have any specific

1502

01:04:56,059 --> 01:04:52,219

parts of it that you would recommend

1503

01:04:59,269 --> 01:04:56,069

hmm yeah I mean I've sort of broken the

1504

01:05:01,839 --> 01:04:59,279

book down into several sections the the

1505

01:05:04,910 --> 01:05:01,849

first quarter of the book I would say is

1506

01:05:06,769 --> 01:05:04,920

UFO sightings you know people who have

1507

01:05:09,229 --> 01:05:06,779

seen everything from just lights in the

1508

01:05:10,400 --> 01:05:09,239

sky up to you know what we would

1509

01:05:12,890 --> 01:05:10,410

consider like a close encounter

1510

01:05:17,660 --> 01:05:12,900

experience up close they could actually

1511

01:05:20,900 --> 01:05:17,670

see like panels of a UFO craft or even

1512

01:05:22,219 --> 01:05:20,910

possibly occupants in the craft second

1513

01:05:24,440 --> 01:05:22,229

part of the book covers like the

1514

01:05:26,299 --> 01:05:24,450

abduction phenomenon so if that's more

1515

01:05:28,819 --> 01:05:26,309

your bag Henry like that's something you

1516

01:05:30,799 --> 01:05:28,829

you want to dig deeper into I've got

1517

01:05:33,499 --> 01:05:30,809

several stories including people who

1518

01:05:36,069 --> 01:05:33,509

have claimed abductions and the third

1519

01:05:39,769 --> 01:05:36,079

part is where I really get heavy into

1520

01:05:43,219 --> 01:05:39,779

the scientific community and what we can

1521

01:05:46,190 --> 01:05:43,229

take from them and how we as riu f of

1522

01:05:47,779 --> 01:05:46,200

researchers or experiencers how we can

1523

01:05:50,329 --> 01:05:47,789

work with the scientific community to

1524

01:05:52,640 --> 01:05:50,339

try to find some answers to all this I

1525

01:05:54,829 --> 01:05:52,650

think a lot of the times people view

1526

01:05:57,769 --> 01:05:54,839

scientists as the enemies you know

1527

01:06:00,319 --> 01:05:57,779

they're there to disprove UFOs or the

1528

01:06:02,209 --> 01:06:00,329

reality of them when in reality a lot of

1529

01:06:05,809 --> 01:06:02,219

them actually want to prove that these

1530

01:06:08,539 --> 01:06:05,819

things are real so I think the book is

1531

01:06:11,989 --> 01:06:08,549

sort of has a little bit of something

1532

01:06:14,450 --> 01:06:11,999

for everyone so it really depends on

1533

01:06:17,029 --> 01:06:14,460

what you want to take from it and what

1534

01:06:17,329 --> 01:06:17,039

you find of interest and possibly what

1535

01:06:19,519 --> 01:06:17,339

you

1536

01:06:23,059 --> 01:06:19,529

relate to with some of the people in the

1537

01:06:28,039 --> 01:06:23,069

book okay so how about some other

1538

01:06:30,109 --> 01:06:28,049

stories besides Scots where no okay wait

1539

01:06:33,319 --> 01:06:30,119

backing up discuss really quick so to

1540

01:06:35,660 --> 01:06:33,329

this day still Scott has been in contact

1541

01:06:38,150 --> 01:06:35,670

with someone that was this really truly

1542

01:06:40,519 --> 01:06:38,160

good friend ever since like literally

1543

01:06:43,670 --> 01:06:40,529

that night so you couldn't have any

1544

01:06:45,319 --> 01:06:43,680

corroboration right yes that's correct

1545

01:06:48,079 --> 01:06:45,329

I mean I even tried to look up like

1546

01:06:49,969 --> 01:06:48,089

maybe old newspaper clippings of this

1547

01:06:52,309 --> 01:06:49,979

event having happened

1548

01:06:53,900 --> 01:06:52,319

I tried to look up that drive-in theater

1549

01:06:56,359 --> 01:06:53,910

like maybe I could talk to someone there

1550

01:06:59,479 --> 01:06:56,369

and be like did you guys have some weird

1551
01:07:02,479 --> 01:06:59,489
like publicity stunt during a movie back

1552
01:07:04,759 --> 01:07:02,489
in the 70s but of course like most of

1553
01:07:08,539 --> 01:07:04,769
America this drive-in theater closed

1554
01:07:11,140 --> 01:07:08,549
many many years ago so it was tough it

1555
01:07:14,479 --> 01:07:11,150
was tough to try to find anything on him

1556
01:07:17,900 --> 01:07:14,489
yeah 74 I mean that's yeah I mean yeah

1557
01:07:20,059 --> 01:07:17,910
mm-hmm you you're like I did my best but

1558
01:07:21,289 --> 01:07:20,069
that was a very long time ago well what

1559
01:07:23,539 --> 01:07:21,299
about some of their stories from your

1560
01:07:25,989 --> 01:07:23,549
book that you could share with us yeah

1561
01:07:29,509 --> 01:07:25,999
sure I mean there was one that I believe

1562
01:07:32,269 --> 01:07:29,519
we may have spoken to this witness on a

1563
01:07:34,900 --> 01:07:32,279

past episode of your your show this had

1564

01:07:40,120 --> 01:07:34,910

to do with a woman named patty who had a

1565

01:07:43,969 --> 01:07:40,130

extremely vivid UFO event back in 2006

1566

01:07:46,160 --> 01:07:43,979

this is in Michigan she was um heading

1567

01:07:48,440 --> 01:07:46,170

out it was nighttime she was gonna walk

1568

01:07:50,029 --> 01:07:48,450

her dogs and right away she knew

1569

01:07:52,160 --> 01:07:50,039

something was off her dogs would not

1570

01:07:54,289 --> 01:07:52,170

leave the porch they've never done this

1571

01:07:56,029 --> 01:07:54,299

before so she's like oh my gosh there

1572

01:08:00,140 --> 01:07:56,039

must be like something out there maybe

1573

01:08:02,900 --> 01:08:00,150

there's an animal or an intruder and so

1574

01:08:05,359 --> 01:08:02,910

she hesitantly he goes down to her front

1575

01:08:07,459 --> 01:08:05,369

yard and looks around and that's when

1576

01:08:11,180 --> 01:08:07,469

she looks up and just above the tree

1577

01:08:15,769 --> 01:08:11,190

line she sees this massive triangular

1578

01:08:17,839 --> 01:08:15,779

UFO and immediately she starts yelling

1579

01:08:20,180 --> 01:08:17,849

for like anyone in her house to come out

1580

01:08:22,129 --> 01:08:20,190

her whole family was home and one of her

1581

01:08:24,499 --> 01:08:22,139

daughters comes out and actually sees

1582

01:08:26,629 --> 01:08:24,509

this thing with patty so right there

1583

01:08:28,640 --> 01:08:26,639

you've got a corroborating witness which

1584

01:08:30,890 --> 01:08:28,650

is exactly what we look for at least

1585

01:08:32,450 --> 01:08:30,900

someone else can attest to this

1586

01:08:35,510 --> 01:08:32,460

and what I really found is just

1587

01:08:38,750 --> 01:08:35,520

interesting about this one sure they're

1588

01:08:42,020 --> 01:08:38,760

looking up at the thing and patty is

1589

01:08:45,170 --> 01:08:42,030

like commenting on how a Wyatt the thing

1590

01:08:47,450 --> 01:08:45,180

was and how euphoric she felt and calm

1591

01:08:49,280 --> 01:08:47,460

and then she looks over at her daughter

1592

01:08:51,740 --> 01:08:49,290

and her daughter's covering her ears and

1593

01:08:54,230 --> 01:08:51,750

saying how unbearably loud it was and

1594

01:08:56,480 --> 01:08:54,240

that she felt threatened so that way

1595

01:08:58,730 --> 01:08:56,490

that gave me chills when I first talked

1596

01:09:01,540 --> 01:08:58,740

to her and her daughter they had

1597

01:09:04,460 --> 01:09:01,550

completely different experiences

1598

01:09:06,770 --> 01:09:04,470

simultaneously looking up at this UFO so

1599

01:09:09,440 --> 01:09:06,780

I mean I I don't know what don't really

1600

01:09:12,140 --> 01:09:09,450

make it bad yeah that's one of those

1601
01:09:14,810 --> 01:09:12,150
ones you're like what in the actual heck

1602
01:09:16,280 --> 01:09:14,820
do we do with that story yeah one

1603
01:09:19,910 --> 01:09:16,290
person's feeling euphoric and the other

1604
01:09:22,520 --> 01:09:19,920
one is absolutely horrific ly terrified

1605
01:09:24,820 --> 01:09:22,530
and got bring her hurt year that's Wow

1606
01:09:28,010 --> 01:09:24,830
and and talking to those two people

1607
01:09:30,860 --> 01:09:28,020
that's two completely different chapters

1608
01:09:33,740 --> 01:09:30,870
of the same book right yeah yeah exactly

1609
01:09:35,570 --> 01:09:33,750
I mean her story gets like really out

1610
01:09:37,670 --> 01:09:35,580
there you know they have like

1611
01:09:40,760 --> 01:09:37,680
poltergeist activity happening in their

1612
01:09:43,460 --> 01:09:40,770
house after that her younger daughter

1613
01:09:47,300 --> 01:09:43,470

was seeing like shadow figures in the

1614

01:09:49,250 --> 01:09:47,310

home and was really really hesitant

1615

01:09:51,470 --> 01:09:49,260

about talking about it but I was able to

1616

01:09:54,110 --> 01:09:51,480

get her to talk about it in the book so

1617

01:09:56,600 --> 01:09:54,120

I mean it was almost like you said

1618

01:09:59,330 --> 01:09:56,610

earlier there's like a door opened it

1619

01:10:02,090 --> 01:09:59,340

started with a UFO in the sky and it

1620

01:10:05,530 --> 01:10:02,100

ended with just all this crazy anomalous

1621

01:10:08,540 --> 01:10:05,540

phenomena happening to this family and

1622

01:10:10,820 --> 01:10:08,550

it was this is a tough one because I

1623

01:10:13,100 --> 01:10:10,830

could tell how much it affected them I

1624

01:10:15,290 --> 01:10:13,110

mean she and her two daughters who were

1625

01:10:17,570 --> 01:10:15,300

having these experiences they didn't

1626

01:10:19,580 --> 01:10:17,580

talk to each other for years because of

1627

01:10:21,860 --> 01:10:19,590

everything that was happening like kind

1628

01:10:23,840 --> 01:10:21,870

of rip the family apart but they

1629

01:10:26,870 --> 01:10:23,850

eventually all came back together and

1630

01:10:29,750 --> 01:10:26,880

and you know just kind of accepted that

1631

01:10:32,960 --> 01:10:29,760

this is their new reality yeah the new

1632

01:10:34,130 --> 01:10:32,970

normal as it were so I still talk to

1633

01:10:36,380 --> 01:10:34,140

Patty every day I'm going to see her in

1634

01:10:38,210 --> 01:10:36,390

a few months at a conference and meet

1635

01:10:40,610 --> 01:10:38,220

her for the first time face to face so

1636

01:10:42,320 --> 01:10:40,620

I'm really excited about that and she

1637

01:10:44,750 --> 01:10:42,330

tells me that their stuffs still going

1638

01:10:46,850 --> 01:10:44,760

on so this is an ongoing case

1639

01:10:49,820 --> 01:10:46,860

and I have no doubt that we haven't

1640

01:10:55,040 --> 01:10:49,830

heard the last from Patti in book form

1641

01:10:56,990 --> 01:10:55,050

or beyond so yeah yeah hint hint so what

1642

01:10:58,610 --> 01:10:57,000

do you make of that run out of all the

1643

01:11:00,500 --> 01:10:58,620

people that you talk to and all the

1644

01:11:06,100 --> 01:11:00,510

research that you've done when we're

1645

01:11:09,110 --> 01:11:06,110

talking about seeing what looks to be a

1646

01:11:11,210 --> 01:11:09,120

you know a metal held together with

1647

01:11:13,610 --> 01:11:11,220

bolts or maybe it's a little bit more

1648

01:11:16,040 --> 01:11:13,620

fancy seamless like flight of the

1649

01:11:19,400 --> 01:11:16,050

navigator craft and then it translates

1650

01:11:22,070 --> 01:11:19,410

into shadow people and poltergeist

1651
01:11:25,580 --> 01:11:22,080
activity in your home what do you make

1652
01:11:29,060 --> 01:11:25,590
of stories like that that's that I will

1653
01:11:30,890 --> 01:11:29,070
tell you right now Patti was kind of the

1654
01:11:33,280 --> 01:11:30,900
jumping-off point for a whole new

1655
01:11:36,470 --> 01:11:33,290
project I'm working on and that is

1656
01:11:38,230 --> 01:11:36,480
engaging the phenomena whether it's UFOs

1657
01:11:41,180 --> 01:11:38,240
paranormal supernatural

1658
01:11:43,490 --> 01:11:41,190
parapsychological trying to find these

1659
01:11:45,140 --> 01:11:43,500
connections with all of this stuff I

1660
01:11:47,030 --> 01:11:45,150
mean you look at something like this

1661
01:11:48,860 --> 01:11:47,040
documentary that recently came out the

1662
01:11:51,950 --> 01:11:48,870
heli or one have you had any of the

1663
01:11:55,880 --> 01:11:51,960

people on from that no I haven't yeah I

1664

01:12:00,170 --> 01:11:55,890

mean this is a crazy crazy story that

1665

01:12:03,110 --> 01:12:00,180

started with like this hunt for goblins

1666

01:12:08,300 --> 01:12:03,120

in Kentucky and then involved the

1667

01:12:11,030 --> 01:12:08,310

Mothman and ghosts and UFOs and just

1668

01:12:12,950 --> 01:12:11,040

this huge melting pot of weird stuff

1669

01:12:15,080 --> 01:12:12,960

that was happening to the people

1670

01:12:17,240 --> 01:12:15,090

involved with that Greg and Dana Newkirk

1671

01:12:20,420 --> 01:12:17,250

and several other paranormal

1672

01:12:23,840 --> 01:12:20,430

investigators so for me I'm kind of in

1673

01:12:25,700 --> 01:12:23,850

this weird weird nebulous place right

1674

01:12:28,340 --> 01:12:25,710

now with my research where I'm like I

1675

01:12:31,160 --> 01:12:28,350

don't think we're dealing with just UFOs

1676

01:12:33,860 --> 01:12:31,170

anymore so many individuals that I'm

1677

01:12:36,920 --> 01:12:33,870

interviewing are having all different

1678

01:12:39,320 --> 01:12:36,930

experiences across the spectrum so right

1679

01:12:42,200 --> 01:12:39,330

now I'm working on doing some research

1680

01:12:44,540 --> 01:12:42,210

and investigations and putting myself

1681

01:12:46,550 --> 01:12:44,550

out there and wanting to experience

1682

01:12:50,210 --> 01:12:46,560

these other things because I've I've

1683

01:12:52,130 --> 01:12:50,220

stuck to UFOs for so long that I now

1684

01:12:55,040 --> 01:12:52,140

want to dip my feet into some other

1685

01:12:56,510 --> 01:12:55,050

stuff and get involved and really get

1686

01:12:57,820 --> 01:12:56,520

out there and experience it for myself

1687

01:12:59,890 --> 01:12:57,830

so

1688

01:13:01,540 --> 01:12:59,900

I don't know what to make of all of it I

1689

01:13:05,380 --> 01:13:01,550

think everything is interconnected

1690

01:13:07,270 --> 01:13:05,390

somehow and I think we've only really

1691

01:13:10,330 --> 01:13:07,280

began to scratch the surface in terms of

1692

01:13:12,760 --> 01:13:10,340

that I mean if it's some sort of a

1693

01:13:14,470 --> 01:13:12,770

consciousness thing right which I think

1694

01:13:18,130 --> 01:13:14,480

they're kind of hinting at it II said II

1695

01:13:22,090 --> 01:13:18,140

and it's kind of like one of the things

1696

01:13:23,920 --> 01:13:22,100

where but why then when you were 12 and

1697

01:13:25,960 --> 01:13:23,930

you saw that craft you didn't have a

1698

01:13:27,130 --> 01:13:25,970

bunch of poltergeist activity after that

1699

01:13:28,990 --> 01:13:27,140

I mean yeah you couldn't sleep because

1700

01:13:30,820 --> 01:13:29,000

you were friggin terrified right but

1701

01:13:33,730 --> 01:13:30,830

yeah you know you didn't see shadow

1702

01:13:36,250 --> 01:13:33,740

people and there was all these you know

1703

01:13:40,540 --> 01:13:36,260

you didn't need to call tangina in to do

1704

01:13:45,520 --> 01:13:40,550

a cleansing Wow after you saw your

1705

01:13:47,380 --> 01:13:45,530

triangle formation of light so I just or

1706

01:13:49,600 --> 01:13:47,390

maybe it's just like I always joke I'm

1707

01:13:52,390 --> 01:13:49,610

like well I'm just sensitive as rock I

1708

01:13:53,710 --> 01:13:52,400

guess you know I I have nothing happened

1709

01:13:55,680 --> 01:13:53,720

to me except for really the one time

1710

01:13:58,480 --> 01:13:55,690

that I can confirm for sure was

1711

01:14:00,850 --> 01:13:58,490

definitely something very damn strange

1712

01:14:03,220 --> 01:14:00,860

and you know I I just don't know where

1713

01:14:06,580 --> 01:14:03,230

all this ties in but I I definitely am

1714

01:14:09,280 --> 01:14:06,590

of that same vein as are you that the

1715

01:14:12,280 --> 01:14:09,290

more people if I can spit out words the

1716

01:14:14,770 --> 01:14:12,290

more people that you talk to the the

1717

01:14:19,570 --> 01:14:14,780

more fascinating and stranger it gets it

1718

01:14:24,010 --> 01:14:19,580

may be the more open in fact we do need

1719

01:14:26,650 --> 01:14:24,020

to leave our minds and speaking of open

1720

01:14:29,680 --> 01:14:26,660

minds we are going to talk about some

1721

01:14:32,140 --> 01:14:29,690

more UFO cases throughout history and of

1722

01:14:34,990 --> 01:14:32,150

course if you want to call in it is four

1723

01:14:38,800 --> 01:14:35,000

eight zero five seven one three five

1724

01:14:40,630 --> 01:14:38,810

four zero so please call in talk to Ryan

1725

01:14:43,090 --> 01:14:40,640

Sprague if you have any questions or you

1726

01:14:46,389 --> 01:14:43,100

want to share a story we will be right

1727

01:14:48,219 --> 01:14:46,399

back on midnight in the desert

1728

01:14:51,100 --> 01:14:48,229

everybody welcome back to midnight in

1729

01:14:54,609 --> 01:14:51,110

the desert I have one with me Ryan

1730

01:14:57,699 --> 01:14:54,619

Sprague sir Sprague we do have another

1731

01:15:01,119 --> 01:14:57,709

caller here his name is Tom you want to

1732

01:15:02,939 --> 01:15:01,129

give it a shot here sure all right let's

1733

01:15:05,080 --> 01:15:02,949

see what we get

1734

01:15:11,159 --> 01:15:05,090

hey Tom welcome to midnight in the

1735

01:15:15,399 --> 01:15:12,549

okay Henry

1736

01:15:17,290 --> 01:15:15,409

we appreciate you buddy but you know if

1737

01:15:19,540 --> 01:15:17,300

you if you actually had a story we would

1738

01:15:22,479 --> 01:15:19,550

we would love to hear it maybe next time

1739

01:15:27,819 --> 01:15:22,489

all right Ryan so as far as your

1740

01:15:30,429 --> 01:15:27,829

favorite cases in UFO lore and UFO

1741

01:15:32,469 --> 01:15:30,439

history what do you think it's hard to

1742

01:15:35,350 --> 01:15:32,479

pick your most favorite but you know

1743

01:15:38,859 --> 01:15:35,360

what's one that you do in fact find

1744

01:15:41,409 --> 01:15:38,869

quite fascinating yeah we there's one

1745

01:15:42,759 --> 01:15:41,419

that kind of always sticks out because

1746

01:15:45,069 --> 01:15:42,769

of the sheer amount of like

1747

01:15:47,169 --> 01:15:45,079

documentation on this one and it

1748

01:15:50,109 --> 01:15:47,179

involved in military pilots so these are

1749

01:15:51,129 --> 01:15:50,119

the ones that really I I like to use as

1750

01:15:53,770 --> 01:15:51,139

like my go-to

1751

01:15:56,159 --> 01:15:53,780

when it comes to like really hardcore

1752

01:15:58,810 --> 01:15:56,169

skeptics ed like oh yeah there's no like

1753

01:16:00,909 --> 01:15:58,820

actual documents about any of the stuff

1754

01:16:03,129 --> 01:16:00,919

well I was able to get some

1755

01:16:07,600 --> 01:16:03,139

documentation from the Defense

1756

01:16:09,549 --> 01:16:07,610

Intelligence Agency I filed a Freedom of

1757

01:16:12,609 --> 01:16:09,559

Information request on this incident

1758

01:16:14,979 --> 01:16:12,619

because I'd heard about it briefly in an

1759

01:16:17,619 --> 01:16:14,989

interview that I had heard so I actually

1760

01:16:20,879 --> 01:16:17,629

got a response and got some stuff on

1761

01:16:26,649 --> 01:16:20,889

this one so this one happened back in

1762

01:16:30,310 --> 01:16:26,659

1976 in Tehran Iran and it involved the

1763

01:16:31,989 --> 01:16:30,320

it first started as a sighting of weird

1764

01:16:36,489 --> 01:16:31,999

lights being reported throughout the

1765

01:16:39,040 --> 01:16:36,499

town of Tehran the city I mean and it

1766

01:16:41,469 --> 01:16:39,050

got reported to the local faa and then

1767

01:16:44,529 --> 01:16:41,479

to the local air force base so you know

1768

01:16:46,209 --> 01:16:44,539

they they did go out and look and they

1769

01:16:48,159 --> 01:16:46,219

they couldn't really see anything but

1770

01:16:50,290 --> 01:16:48,169

they were getting stuff on radar so

1771

01:16:52,899 --> 01:16:50,300

that's when they sent up some jets to

1772

01:16:55,589 --> 01:16:52,909

kind of check out what was going on so

1773

01:17:00,420 --> 01:16:55,599

they send up to f4 fighter jets to

1774

01:17:04,440 --> 01:17:00,430

investigate and they they start to

1775

01:17:06,060 --> 01:17:04,450

narrow in on some sort of bright object

1776

01:17:08,160 --> 01:17:06,070

in the distance they couldn't really see

1777

01:17:10,470 --> 01:17:08,170

what it was but it was very bright and

1778

01:17:12,510 --> 01:17:10,480

glimmering and the closer they got to

1779

01:17:14,490 --> 01:17:12,520

this thing the more that all their

1780

01:17:17,100 --> 01:17:14,500

instrumentation on there on the plane

1781

01:17:19,680 --> 01:17:17,110

started to malfunction I mean nothing

1782

01:17:21,960 --> 01:17:19,690

was really working and they were getting

1783

01:17:25,710 --> 01:17:21,970

pretty freaked out so these two f4

1784

01:17:27,180 --> 01:17:25,720

pilots they actually retreat and go back

1785

01:17:29,040 --> 01:17:27,190

to base because they didn't know what

1786

01:17:31,890 --> 01:17:29,050

the heck they were dealing with or you

1787

01:17:35,430 --> 01:17:31,900

know if they would survive this so they

1788

01:17:38,910 --> 01:17:35,440

go to their their superior major Parviz

1789

01:17:40,980 --> 01:17:38,920

Jafari for the air force and tell him

1790

01:17:43,110 --> 01:17:40,990

you know our planes weren't working up

1791

01:17:45,330 --> 01:17:43,120

there or whatever this thing was and you

1792

01:17:47,280 --> 01:17:45,340

know being like the the major he's like

1793

01:17:50,190 --> 01:17:47,290

alright fine I'll handle this myself

1794

01:17:52,440 --> 01:17:50,200

so he actually hops in a plane and goes

1795

01:17:55,710 --> 01:17:52,450

up there by himself to investigate this

1796

01:17:56,520 --> 01:17:55,720

thing and he he gets the coordinates he

1797

01:18:00,060 --> 01:17:56,530

goes up there

1798

01:18:04,070 --> 01:18:00,070

and he gets closer than the other pilots

1799

01:18:07,290 --> 01:18:04,080

did and he sees that this is a massive

1800

01:18:10,770 --> 01:18:07,300

diamond-shaped object multicolored every

1801
01:18:14,160 --> 01:18:10,780
every color you can think of floating

1802
01:18:16,260 --> 01:18:14,170
diamond in the air so he has no idea

1803
01:18:17,880 --> 01:18:16,270
what he's dealing with and as he's

1804
01:18:19,500 --> 01:18:17,890
getting closer to this thing and trying

1805
01:18:22,170 --> 01:18:19,510
to get a lock on it

1806
01:18:24,360 --> 01:18:22,180
a smaller object descends out of the

1807
01:18:27,600 --> 01:18:24,370
diamond and starts to head towards his

1808
01:18:29,310 --> 01:18:27,610
plane so he starts to hightail it this

1809
01:18:31,440 --> 01:18:29,320
thing's coming right at him and he

1810
01:18:34,550 --> 01:18:31,450
starts to have a dogfight in midair with

1811
01:18:37,080 --> 01:18:34,560
this smaller object whatever it was and

1812
01:18:39,120 --> 01:18:37,090
he's trying to outmaneuver it it's

1813
01:18:41,940 --> 01:18:39,130

trying to outmaneuver him and then

1814

01:18:44,190 --> 01:18:41,950

finally the object gets like a lock on

1815

01:18:46,110 --> 01:18:44,200

him and he doesn't know what's gonna

1816

01:18:49,950 --> 01:18:46,120

happen next is it some sort of enemy

1817

01:18:53,250 --> 01:18:49,960

fighter some sort of advanced aerial

1818

01:18:56,280 --> 01:18:53,260

phenomena who knows but it gets a lock

1819

01:18:59,010 --> 01:18:56,290

on him and he his only course of action

1820

01:19:00,810 --> 01:18:59,020

is to do a negative gene nosedive to try

1821

01:19:04,170 --> 01:19:00,820

to get away from this thing he does it

1822

01:19:07,680 --> 01:19:04,180

he actually gets behind the object gets

1823

01:19:11,580 --> 01:19:07,690

a lock on it and then the object just

1824

01:19:12,800 --> 01:19:11,590

starts down towards a dry lakebed in a

1825

01:19:16,490 --> 01:19:12,810

mirror nearby

1826
01:19:18,290 --> 01:19:16,500
and disappears out of sight so he has no

1827
01:19:21,320 --> 01:19:18,300
idea what to do so he serves I head back

1828
01:19:23,630 --> 01:19:21,330
towards the the large object and it's

1829
01:19:26,840 --> 01:19:23,640
gone completely gone so whatever this

1830
01:19:29,690 --> 01:19:26,850
whatever happened he is he was mystified

1831
01:19:31,880 --> 01:19:29,700
by it he lands he tells everyone what he

1832
01:19:33,440 --> 01:19:31,890
saw and they go investigate it the next

1833
01:19:36,260 --> 01:19:33,450
day they go to the town where he saw the

1834
01:19:36,890 --> 01:19:36,270
small object go you know crash land as

1835
01:19:38,840 --> 01:19:36,900
it were

1836
01:19:40,220 --> 01:19:38,850
he starts interviewing people around the

1837
01:19:42,410 --> 01:19:40,230
town like did you see anything did

1838
01:19:44,360 --> 01:19:42,420

anything land and no one really saw

1839

01:19:47,030 --> 01:19:44,370

anything but they did say that people in

1840

01:19:49,220 --> 01:19:47,040

the town heard a loud explosion so it's

1841

01:19:52,220 --> 01:19:49,230

possible that whatever that thing was

1842

01:19:55,220 --> 01:19:52,230

crash-landed there and this is crazy

1843

01:19:59,030 --> 01:19:55,230

so he he reports all of this they

1844

01:20:00,980 --> 01:19:59,040

investigate it and we as Americans were

1845

01:20:03,560 --> 01:20:00,990

renting our planes out to the Iranian

1846

01:20:06,110 --> 01:20:03,570

army at the time so this was our plane

1847

01:20:08,360 --> 01:20:06,120

that possibly could have been attacked

1848

01:20:11,090 --> 01:20:08,370

and destroyed by some advanced

1849

01:20:13,010 --> 01:20:11,100

technology so our government got

1850

01:20:15,140 --> 01:20:13,020

involved and wanted to investigate as

1851
01:20:17,360 --> 01:20:15,150
well so they went over there and they're

1852
01:20:19,220 --> 01:20:17,370
talking to Jafari and they tell him you

1853
01:20:21,640 --> 01:20:19,230
can never speak about what this was or

1854
01:20:24,410 --> 01:20:21,650
what happened you know that whole

1855
01:20:27,140 --> 01:20:24,420
silencing the witness thing and he did

1856
01:20:31,220 --> 01:20:27,150
it for a really long time but it was in

1857
01:20:33,020 --> 01:20:31,230
the late sorry the mid 2000s he went to

1858
01:20:35,860 --> 01:20:33,030
the National Press Club in Washington DC

1859
01:20:37,730 --> 01:20:35,870
and told his entire story and

1860
01:20:41,180 --> 01:20:37,740
unfortunately we lost him a few years

1861
01:20:44,360 --> 01:20:41,190
ago but this is a case where a major of

1862
01:20:47,600 --> 01:20:44,370
the Air Force in another country said

1863
01:20:49,700 --> 01:20:47,610

that he had a dogfight with a UFO he

1864

01:20:52,040 --> 01:20:49,710

still doesn't know what it was there's

1865

01:20:55,160 --> 01:20:52,050

so much documentation on this case and

1866

01:20:58,360 --> 01:20:55,170

it is my go-to when it comes to the

1867

01:21:01,550 --> 01:20:58,370

military being involved in UFO sightings

1868

01:21:04,460 --> 01:21:01,560

so as far as the more quote-unquote

1869

01:21:06,380 --> 01:21:04,470

recent reports maybe the last I don't

1870

01:21:08,660 --> 01:21:06,390

know eight ten years that's pretty

1871

01:21:10,460 --> 01:21:08,670

recent considering as far back as some

1872

01:21:12,260 --> 01:21:10,470

of these reports go are people seeing

1873

01:21:14,240 --> 01:21:12,270

the Delta formation now more than

1874

01:21:18,020 --> 01:21:14,250

they're seeing the classic saucer shape

1875

01:21:21,260 --> 01:21:18,030

UFOs I think so I mean it's very rare

1876

01:21:23,750 --> 01:21:21,270

that we get any flying saucer cases

1877

01:21:26,450 --> 01:21:23,760

anymore which begs the question you know

1878

01:21:28,940 --> 01:21:26,460

why why do these things seem to change

1879

01:21:30,740 --> 01:21:28,950

evolve is it just like our own

1880

01:21:33,260 --> 01:21:30,750

technology you know we're always coming

1881

01:21:34,670 --> 01:21:33,270

up with something new I honestly

1882

01:21:37,370 --> 01:21:34,680

couldn't tell you but at least the case

1883

01:21:39,440 --> 01:21:37,380

supports I've come across and the MUFON

1884

01:21:41,810 --> 01:21:39,450

investigators that I speak to on like a

1885

01:21:44,180 --> 01:21:41,820

weekly basis there's very little

1886

01:21:45,979 --> 01:21:44,190

saucer-shaped craft still being reported

1887

01:21:49,040 --> 01:21:45,989

it is delta-shaped it's

1888

01:21:52,190 --> 01:21:49,050

triangular-shaped its lights it's this

1889

01:21:54,020 --> 01:21:52,200

it's that so you do have to wonder like

1890

01:21:56,630 --> 01:21:54,030

why do these things change they're out

1891

01:21:59,000 --> 01:21:56,640

the decades you know you got saucers in

1892

01:22:01,880 --> 01:21:59,010

the fifties sixties then you got these

1893

01:22:04,130 --> 01:22:01,890

triangular or I should say boomerang

1894

01:22:06,680 --> 01:22:04,140

craft happening in the 80s and now it's

1895

01:22:08,979 --> 01:22:06,690

all triangular it's it's very

1896

01:22:11,900 --> 01:22:08,989

fascinating you know throughout our

1897

01:22:14,570 --> 01:22:11,910

timeline whatever this phenomenon

1898

01:22:17,420 --> 01:22:14,580

represents also seems to be evolving

1899

01:22:18,709 --> 01:22:17,430

becoming even more elusive it is so

1900

01:22:21,440 --> 01:22:18,719

tricky because I don't know if that's

1901

01:22:23,120 --> 01:22:21,450

more validating or it's more damning to

1902

01:22:25,220 --> 01:22:23,130

the entire thing because like you said

1903

01:22:28,580 --> 01:22:25,230

maybe they just upgrade like we do right

1904

01:22:30,680 --> 01:22:28,590

I just like some people you know they

1905

01:22:33,020 --> 01:22:30,690

they have their the four-cylinder car

1906

01:22:34,850 --> 01:22:33,030

and then suddenly they have the the AMG

1907

01:22:36,229 --> 01:22:34,860

v12 and they're you know they're

1908

01:22:38,540 --> 01:22:36,239

cruising around and not that they're

1909

01:22:42,080 --> 01:22:38,550

floating anywhere but you know there are

1910

01:22:45,680 --> 01:22:42,090

upgrades that you can do I don't know

1911

01:22:48,560 --> 01:22:45,690

though or is it just impressions from

1912

01:22:51,500 --> 01:22:48,570

media and movies and then well I've

1913

01:22:54,590 --> 01:22:51,510

heard subconsciously this story so many

1914

01:22:57,709 --> 01:22:54,600

times and had dreams about it and then I

1915

01:23:00,020 --> 01:22:57,719

I don't know that that's the story they

1916

01:23:02,030 --> 01:23:00,030

come up with I I'm not saying I I don't

1917

01:23:05,030 --> 01:23:02,040

believe these people it's just like you

1918

01:23:07,430 --> 01:23:05,040

said it can go either way with the

1919

01:23:10,340 --> 01:23:07,440

changing of the phenomena itself as far

1920

01:23:12,440 --> 01:23:10,350

as how it's being cited yeah and I mean

1921

01:23:14,150 --> 01:23:12,450

that's where you really get into like

1922

01:23:16,240 --> 01:23:14,160

the whole consciousness aspect to all

1923

01:23:18,920 --> 01:23:16,250

this is are we

1924

01:23:21,410 --> 01:23:18,930

maybe we're manifesting what we're

1925

01:23:21,890 --> 01:23:21,420

seeing you know is that saucer shaped

1926

01:23:24,440 --> 01:23:21,900

breath

1927

01:23:28,070 --> 01:23:24,450

actually a saucer-shaped craft or is

1928

01:23:31,310 --> 01:23:28,080

that what they want us to see you do

1929

01:23:32,209 --> 01:23:31,320

have to wonder you know why here's a

1930

01:23:34,220 --> 01:23:32,219

good example

1931

01:23:37,280 --> 01:23:34,230

you know when Kenneth Arnold had the

1932

01:23:40,100 --> 01:23:37,290

famous flying saucer sighting you know

1933

01:23:43,250 --> 01:23:40,110

right before pretty much the Roswell

1934

01:23:45,830 --> 01:23:43,260

that happened this is where the term

1935

01:23:48,560 --> 01:23:45,840

flying saucer was coined from he said

1936

01:23:51,770 --> 01:23:48,570

that he saw these UFOs over Mount

1937

01:23:54,140 --> 01:23:51,780

Rainier in Washington and he described

1938

01:23:56,870 --> 01:23:54,150

them to a journalist saying that they

1939

01:23:58,640 --> 01:23:56,880

looked they were not saucer shaped but

1940

01:24:00,890 --> 01:23:58,650

they looked like saucers the way they

1941

01:24:03,320 --> 01:24:00,900

moved they were like saucers skipping on

1942

01:24:05,210 --> 01:24:03,330

water it was a misquote in the newspaper

1943

01:24:07,520 --> 01:24:05,220

that said that what he saw were flying

1944

01:24:10,940 --> 01:24:07,530

saucers and then what did everyone see

1945

01:24:13,090 --> 01:24:10,950

after that saucers so yeah it's almost

1946

01:24:16,940 --> 01:24:13,100

started right there that like this

1947

01:24:20,390 --> 01:24:16,950

cultural meme was created and everyone

1948

01:24:23,540 --> 01:24:20,400

seemed to see this misquoted object in

1949

01:24:26,420 --> 01:24:23,550

the sky after that so it's fascinating

1950

01:24:27,830 --> 01:24:26,430

it's frustrating but um I don't know I

1951

01:24:30,110 --> 01:24:27,840

don't know what to make of all that and

1952

01:24:31,370 --> 01:24:30,120

I don't know what comes next in terms of

1953

01:24:35,240 --> 01:24:31,380

what people are gonna be seeing in our

1954

01:24:37,580 --> 01:24:35,250

skies so what's next for you Ryan

1955

01:24:39,740 --> 01:24:37,590

what kind of books or shows or

1956

01:24:43,730 --> 01:24:39,750

conferences might you have coming up in

1957

01:24:45,530 --> 01:24:43,740

the next year or so oh boy so I am

1958

01:24:48,770 --> 01:24:45,540

working on the new book like I mentioned

1959

01:24:53,150 --> 01:24:48,780

I really want to throw myself into all

1960

01:24:56,210 --> 01:24:53,160

of it whether it's cryptozoology ghost

1961

01:24:58,130 --> 01:24:56,220

hunting whatever it is I want to get my

1962

01:25:00,530 --> 01:24:58,140

hands dirty I want to get out there and

1963

01:25:02,570 --> 01:25:00,540

experience these things I'm probably

1964

01:25:04,180 --> 01:25:02,580

going to regret saying that and I'm

1965

01:25:08,720 --> 01:25:04,190

probably gonna change my mind tomorrow

1966

01:25:10,220 --> 01:25:08,730

earlier but I think that's really what

1967

01:25:13,570 --> 01:25:10,230

you have to do when it comes to this

1968

01:25:16,790 --> 01:25:13,580

stuff no more sitting at my computer

1969

01:25:18,320 --> 01:25:16,800

just relaying stories of other people I

1970

01:25:20,720 --> 01:25:18,330

want to go out there and I want to

1971

01:25:23,150 --> 01:25:20,730

create my own stories so I'm really

1972

01:25:26,390 --> 01:25:23,160

working hard on that right now

1973

01:25:28,640 --> 01:25:26,400

other than that I've got a lea Khan in

1974

01:25:30,820 --> 01:25:28,650

Los Angeles coming up in June that's

1975

01:25:34,550 --> 01:25:30,830

gonna be really exciting this massive

1976

01:25:37,370 --> 01:25:34,560

conference that sort of mixes sci-fi pop

1977

01:25:40,040 --> 01:25:37,380

culture and mythology I mean it's it's

1978

01:25:42,230 --> 01:25:40,050

hosted by the ancient aliens television

1979

01:25:45,020 --> 01:25:42,240

show and no matter what people think of

1980

01:25:47,810 --> 01:25:45,030

ancient aliens and how divisive that

1981

01:25:49,790 --> 01:25:47,820

sort of stuff might be they have invited

1982

01:25:52,910 --> 01:25:49,800

the UFO community into this realm and

1983

01:25:55,790 --> 01:25:52,920

have really given us a voice to get true

1984

01:25:57,890 --> 01:25:55,800

ufology out to the the mainstream public

1985

01:26:00,440 --> 01:25:57,900

who come to these events and we're

1986

01:26:01,940 --> 01:26:00,450

talking like thousands and thousands of

1987

01:26:04,280 --> 01:26:01,950

people who come to this thing throughout

1988

01:26:06,620 --> 01:26:04,290

the weekend so I'm excited it's gonna be

1989

01:26:09,200 --> 01:26:06,630

my third event with these guys and I

1990

01:26:11,720 --> 01:26:09,210

know William Shatner is gonna be there

1991

01:26:14,900 --> 01:26:11,730

which is gonna be really cool finally

1992

01:26:16,340 --> 01:26:14,910

get to meet the man I hope I hope but

1993

01:26:18,890 --> 01:26:16,350

other than that I'm doing a couple of

1994

01:26:20,020 --> 01:26:18,900

other conferences one in Michigan coming

1995

01:26:25,070 --> 01:26:20,030

up in September

1996

01:26:26,420 --> 01:26:25,080

Michigan UFO contact it's called so yeah

1997

01:26:27,920 --> 01:26:26,430

people if they want to know more about

1998

01:26:30,680 --> 01:26:27,930

those they can always hit me up on

1999

01:26:34,190 --> 01:26:30,690

Facebook or just go to my website and

2000

01:26:36,410 --> 01:26:34,200

find out more about that I'm hoping to

2001

01:26:38,360 --> 01:26:36,420

go to you probably can't make it out of

2002

01:26:40,430 --> 01:26:38,370

this but actually I was talking to Peter

2003

01:26:42,530 --> 01:26:40,440

Robbins I might actually finally get to

2004

01:26:45,740 --> 01:26:42,540

meet him and then George Knapp should be

2005

01:26:48,590 --> 01:26:45,750

out there but it's a UFO Megacon and Ion

2006

01:26:50,590 --> 01:26:48,600

yes yes I think that's next month right

2007

01:26:53,930 --> 01:26:50,600

I'm the worst with dates I'm the worst

2008

01:26:56,150 --> 01:26:53,940

but I will be driving out there for that

2009

01:26:59,720 --> 01:26:56,160

even if it's I think that Peter said he

2010

01:27:01,220 --> 01:26:59,730

would be there on Saturday would be the

2011

01:27:03,410 --> 01:27:01,230

only day so that would be the day that I

2012

01:27:04,880 --> 01:27:03,420

would go out there so I could meet Peter

2013

01:27:07,310 --> 01:27:04,890

Robbins finally you're one of your very

2014

01:27:09,710 --> 01:27:07,320

good friends oh absolutely peter is my

2015

01:27:11,810 --> 01:27:09,720

mentor he's my soul brother he got me

2016

01:27:13,280 --> 01:27:11,820

into the UFO field and I know he's

2017

01:27:15,920 --> 01:27:13,290

probably gonna be the one to get me out

2018

01:27:18,440 --> 01:27:15,930

of it someday when I get too too

2019

01:27:21,530 --> 01:27:18,450

entrenched in all of it but no he's been

2020

01:27:23,300 --> 01:27:21,540

a very healthy grounded dose of reality

2021

01:27:26,420 --> 01:27:23,310

for me when it comes to looking at all

2022

01:27:28,160 --> 01:27:26,430

this strange weird weird stuff because

2023

01:27:30,500 --> 01:27:28,170

you know real life gets in the way

2024

01:27:32,150 --> 01:27:30,510

sometimes and we got a step back every

2025

01:27:34,340 --> 01:27:32,160

now and again and look at the bigger

2026

01:27:36,740 --> 01:27:34,350

picture so I'm so excited that you're

2027

01:27:39,200 --> 01:27:36,750

finally gonna get to meet him he he may

2028

01:27:41,030 --> 01:27:39,210

be a small man but he packs a punch I

2029

01:27:42,710 --> 01:27:41,040

can tell you that much he knows more

2030

01:27:45,500 --> 01:27:42,720

than anyone I've ever met

2031

01:27:47,210 --> 01:27:45,510

so yeah that's gonna be exciting I wish

2032

01:27:50,990 --> 01:27:47,220

I could make it to Megacon it looks

2033

01:27:53,480 --> 01:27:51,000

really cool I know they've done a lot of

2034

01:27:56,060 --> 01:27:53,490

events out there and it's in Lockland

2035

01:27:59,090 --> 01:27:56,070

right yeah Laughlin it's like a whole

2036

01:28:01,610 --> 01:27:59,100

week I'm like man how do they recognize

2037

01:28:02,630 --> 01:28:01,620

that it must have taken in five years I

2038

01:28:04,220 --> 01:28:02,640

don't know how they did all that or

2039

01:28:06,389 --> 01:28:04,230

could go through all that stress to

2040

01:28:08,399 --> 01:28:06,399

organize an event

2041

01:28:10,439 --> 01:28:08,409

lasts that long but it's like five days

2042

01:28:13,500 --> 01:28:10,449

or seven days so it's at least five days

2043

01:28:15,270 --> 01:28:13,510

which that's a very massive conference

2044

01:28:17,339 --> 01:28:15,280

considering the fact that like each day

2045

01:28:19,709 --> 01:28:17,349

is booked with speakers and then there's

2046

01:28:22,949 --> 01:28:19,719

dinners and all this family holy cow so

2047

01:28:26,009 --> 01:28:22,959

my mother how do you remember how hard

2048

01:28:28,799 --> 01:28:26,019

it was to just get you me and Sam one

2049

01:28:31,259 --> 01:28:28,809

wine table discussion together like let

2050

01:28:32,729 --> 01:28:31,269

alone 50 speakers throughout a whole

2051

01:28:35,009 --> 01:28:32,739

week I don't know how that's even

2052

01:28:37,589 --> 01:28:35,019

possible you're flying them all and it's

2053

01:28:39,569 --> 01:28:37,599

you got it you get a time everything and

2054

01:28:40,919 --> 01:28:39,579

what's everybody talking about and then

2055

01:28:42,799 --> 01:28:40,929

what if somebody is like well I have to

2056

01:28:46,139 --> 01:28:42,809

cancel or no I want to talk about

2057

01:28:48,929 --> 01:28:46,149

whatever I don't know I don't know how

2058

01:28:52,379 --> 01:28:48,939

they manage that but a huge high-five to

2059

01:28:54,119 --> 01:28:52,389

them okay so Ryan with you you know you

2060

01:28:58,830 --> 01:28:54,129

admitted that you want to kind of delve

2061

01:29:01,889 --> 01:28:58,840

into maybe the more multifaceted aspects

2062

01:29:03,869 --> 01:29:01,899

of UFOs which i think is incredible and

2063

01:29:07,469 --> 01:29:03,879

fascinating and a huge high five for

2064

01:29:09,569 --> 01:29:07,479

that but I mean will I get exclusive

2065

01:29:12,779 --> 01:29:09,579

rights to when you wake up and there's a

2066

01:29:15,989 --> 01:29:12,789

shadow person in your room or it's a

2067

01:29:19,199 --> 01:29:15,999

demon you know in the house or something

2068

01:29:21,589 --> 01:29:19,209

a little troll you know smiling at you

2069

01:29:24,479 --> 01:29:21,599

with jagged teeth I don't know I mean

2070

01:29:32,629 --> 01:29:24,489

saying are you ready for that if I keep

2071

01:29:36,469 --> 01:29:32,639

listening to your show yes totally and

2072

01:29:40,949 --> 01:29:36,479

again like I'm opening myself up to some

2073

01:29:45,049 --> 01:29:40,959

some encounters that might be extremely

2074

01:29:48,359 --> 01:29:45,059

uncomfortable terrifying beautiful scary

2075

01:29:49,919 --> 01:29:48,369

awkward who knows who knows what's in

2076
01:29:52,290 --> 01:29:49,929
store for me or maybe I won't experience

2077
01:29:54,929 --> 01:29:52,300
anything I don't know I'm kind of going

2078
01:29:58,379 --> 01:29:54,939
in blind but I'm reaching out to people

2079
01:30:01,709 --> 01:29:58,389
who I think I can really trust to set me

2080
01:30:03,209 --> 01:30:01,719
on the right path in terms of where I'm

2081
01:30:07,229 --> 01:30:03,219
heading whether it's paranormal

2082
01:30:10,109 --> 01:30:07,239
supernatural cryptid zoological and even

2083
01:30:11,399 --> 01:30:10,119
psychological so I I don't know I don't

2084
01:30:13,709 --> 01:30:11,409
know it's gonna be an interesting ride

2085
01:30:16,770 --> 01:30:13,719
but I'm looking forward to whatever

2086
01:30:18,419 --> 01:30:16,780
comes next in terms of that I'm like I

2087
01:30:19,040 --> 01:30:18,429
said I'm just ready I'm ready for that

2088
01:30:22,069 --> 01:30:19,050

next step

2089

01:30:24,350 --> 01:30:22,079

my life where I want to open those doors

2090

01:30:26,299 --> 01:30:24,360

and sort of peek in and see what I can

2091

01:30:29,600 --> 01:30:26,309

see before I have to close it really

2092

01:30:32,689 --> 01:30:29,610

quick like if any of this has to do with

2093

01:30:34,490 --> 01:30:32,699

consciousness I it's like to me when I

2094

01:30:36,649 --> 01:30:34,500

hear the word consciousness I'm thinking

2095

01:30:39,229 --> 01:30:36,659

of people like that are just so they're

2096

01:30:41,089 --> 01:30:39,239

so amazing and good at just you know

2097

01:30:43,790 --> 01:30:41,099

they have to kind of shut down and be in

2098

01:30:45,620 --> 01:30:43,800

touch with just the quiet and being

2099

01:30:48,140 --> 01:30:45,630

within themselves and like I would be

2100

01:30:50,780 --> 01:30:48,150

the worse at that I could never have

2101
01:30:52,790 --> 01:30:50,790
some kind of a consciousness experience

2102
01:30:54,109 --> 01:30:52,800
if that's how I'm gonna you know

2103
01:30:56,629 --> 01:30:54,119
depending on what episode you might

2104
01:30:59,839 --> 01:30:56,639
listen to of of any of our shows you

2105
01:31:03,410 --> 01:30:59,849
know Bigfoot UFOs aliens demons whatever

2106
01:31:06,350 --> 01:31:03,420
it might be you know sometimes the word

2107
01:31:07,939 --> 01:31:06,360
consciousness comes up but I'd been

2108
01:31:09,530 --> 01:31:07,949
wondering more and more lately I'm like

2109
01:31:11,930 --> 01:31:09,540
I don't know what this has to do with

2110
01:31:15,890 --> 01:31:11,940
something but it seems like it may be

2111
01:31:18,770 --> 01:31:15,900
tied in I don't know I think so and I

2112
01:31:21,950 --> 01:31:18,780
mean I I watch a documentary recently

2113
01:31:24,020 --> 01:31:21,960

about like psychic warfare and like how

2114

01:31:27,080 --> 01:31:24,030

we looked into this stuff back in the

2115

01:31:29,720 --> 01:31:27,090

day the CIA did they hired psychics to

2116

01:31:33,350 --> 01:31:29,730

like Remote View and spy on the Russians

2117

01:31:36,350 --> 01:31:33,360

and again it was the idea of taking the

2118

01:31:38,540 --> 01:31:36,360

consciousness out of the body and being

2119

01:31:40,430 --> 01:31:38,550

able to project it somewhere else and

2120

01:31:42,290 --> 01:31:40,440

you know I never really put much into

2121

01:31:45,500 --> 01:31:42,300

that until I watch this documentary and

2122

01:31:47,689 --> 01:31:45,510

read up on it and I'm like wow you know

2123

01:31:51,560 --> 01:31:47,699

I actually believed this might be

2124

01:31:54,260 --> 01:31:51,570

possible and it's got--it's that that's

2125

01:31:56,959 --> 01:31:54,270

scary to me that we can leave the body

2126
01:31:59,720 --> 01:31:56,969
the consciousness is not trapped within

2127
01:32:04,280 --> 01:31:59,730
this meat sack as it were and that we

2128
01:32:07,490 --> 01:32:04,290
can look ahead or in the past or to

2129
01:32:09,229 --> 01:32:07,500
another location yeah it'll be

2130
01:32:11,180 --> 01:32:09,239
interesting whether I could do that I

2131
01:32:14,299 --> 01:32:11,190
don't know I I wanted to learn how to

2132
01:32:16,760 --> 01:32:14,309
remote view and even just even just

2133
01:32:18,589 --> 01:32:16,770
meditate I was talking to my my buddy

2134
01:32:20,149 --> 01:32:18,599
yesterday I'm like you meditate right

2135
01:32:21,589 --> 01:32:20,159
like how do I do that and he explained

2136
01:32:23,419 --> 01:32:21,599
it all to me he's like you just have to

2137
01:32:26,359 --> 01:32:23,429
be alone with your thoughts and just

2138
01:32:32,500 --> 01:32:26,369

enjoy the silence and I just said oh I

2139

01:32:37,520 --> 01:32:35,540

and we because you see and we were right

2140

01:32:40,520 --> 01:32:37,530

there Ryan we could have all the answers

2141

01:32:43,370 --> 01:32:40,530

of the universe and be like ha ha ha

2142

01:32:45,500 --> 01:32:43,380

with all the other beings and were like

2143

01:32:47,360 --> 01:32:45,510

I can't sit still for five minutes I

2144

01:32:49,760 --> 01:32:47,370

mean if I'm like reading or I'm

2145

01:32:52,190 --> 01:32:49,770

researching or you know sitting down to

2146

01:32:55,160 --> 01:32:52,200

talk to cool people for cool shows

2147

01:32:57,530 --> 01:32:55,170

that's another issue but for me just to

2148

01:32:59,870 --> 01:32:57,540

sit down and go I'm gonna shut my brain

2149

01:33:01,820 --> 01:32:59,880

down and be within myself for the next

2150

01:33:03,350 --> 01:33:01,830

hour and I'm not making fun at all I

2151

01:33:05,510 --> 01:33:03,360

think that is so bad at the bone that

2152

01:33:08,120 --> 01:33:05,520

people can do that I just I don't know

2153

01:33:11,150 --> 01:33:08,130

maybe it it must be practice makes

2154

01:33:12,860 --> 01:33:11,160

perfect but I'm with you I was like I

2155

01:33:15,229 --> 01:33:12,870

don't know if I guess it's still like

2156

01:33:17,570 --> 01:33:15,239

that for four or five minutes exactly

2157

01:33:20,390 --> 01:33:17,580

and I come into anyone who can do that

2158

01:33:23,060 --> 01:33:20,400

in this day and age I mean we are we're

2159

01:33:25,040 --> 01:33:23,070

just bombarded with everything you know

2160

01:33:27,020 --> 01:33:25,050

media whether it's in our ears or in

2161

01:33:29,000 --> 01:33:27,030

front of our eyes it's just it's

2162

01:33:31,820 --> 01:33:29,010

constant you know it's too much

2163

01:33:34,100 --> 01:33:31,830

sometimes but you know for me I can

2164

01:33:35,810 --> 01:33:34,110

never sit in silence I need I need

2165

01:33:38,390 --> 01:33:35,820

something on in the background you know

2166

01:33:41,930 --> 01:33:38,400

even when I sleep I need something going

2167

01:33:43,670 --> 01:33:41,940

on so that I don't have that silence

2168

01:33:46,940 --> 01:33:43,680

because that's when I get really scared

2169

01:33:49,430 --> 01:33:46,950

and people always ask me what are you

2170

01:33:51,709 --> 01:33:49,440

most terrified of in life and I tell

2171

01:33:57,590 --> 01:33:51,719

them silence that's that's kind of it

2172

01:33:59,060 --> 01:33:57,600

for me ya know I like I said we're right

2173

01:34:01,250 --> 01:33:59,070

we are right there guess we'll never

2174

01:34:02,660 --> 01:34:01,260

find out these other people are doing

2175

01:34:04,160 --> 01:34:02,670

all these cool things cuz they can just

2176
01:34:08,600 --> 01:34:04,170
shut down I'm like I don't know how you

2177
01:34:09,950 --> 01:34:08,610
should do not scared of it I just maybe

2178
01:34:12,170 --> 01:34:09,960
we have just really short attention

2179
01:34:15,020 --> 01:34:12,180
spans I don't know what that is exactly

2180
01:34:18,500 --> 01:34:15,030
but I'm the first say yep would have a

2181
01:34:20,270 --> 01:34:18,510
problem with the meditation yeah it's

2182
01:34:22,070 --> 01:34:20,280
those Leo's man we share the same

2183
01:34:22,700 --> 01:34:22,080
birthday that's got to have something to

2184
01:34:25,280 --> 01:34:22,710
do with it

2185
01:34:29,120 --> 01:34:25,290
yeah it has to yeah we were we were

2186
01:34:30,860 --> 01:34:29,130
we're both August 8th babies so if

2187
01:34:32,240 --> 01:34:30,870
that's not pretty dang cool I don't know

2188
01:34:33,800 --> 01:34:32,250

what it is but yeah I must have

2189

01:34:35,300 --> 01:34:33,810

something to do with the Leos maybe some

2190

01:34:39,680 --> 01:34:35,310

other Leo's can write and be like yeah

2191

01:34:42,110 --> 01:34:39,690

that's totally like me possibly possibly

2192

01:34:44,420 --> 01:34:42,120

yeah and I mean I know we're going off

2193

01:34:45,050 --> 01:34:44,430

on a tangent here but did you see that

2194

01:34:47,090 --> 01:34:45,060

this

2195

01:34:49,790 --> 01:34:47,100

scary stories movie is gonna be coming

2196

01:34:53,060 --> 01:34:49,800

out the day before or after our birthday

2197

01:34:55,400 --> 01:34:53,070

I think it was meant to be yeah and you

2198

01:34:57,020 --> 01:34:55,410

know that I the only tattoo that I have

2199

01:35:01,420 --> 01:34:57,030

is on my wrist and it's from my brother

2200

01:35:05,000 --> 01:35:01,430

who passed away nearly 12 years ago and

2201
01:35:07,210 --> 01:35:05,010
his name is in cursive on the underneath

2202
01:35:11,560 --> 01:35:07,220
of my wrist on my right hand and then

2203
01:35:14,930 --> 01:35:11,570
what goes around the top is more like a

2204
01:35:17,210 --> 01:35:14,940
knot a fleur-de-lis but some kind of it

2205
01:35:18,890 --> 01:35:17,220
almost looks like some kind of ivy or

2206
01:35:21,170 --> 01:35:18,900
vines or something and I've always

2207
01:35:23,810 --> 01:35:21,180
thought about just updating that to be a

2208
01:35:27,320 --> 01:35:23,820
little bit more me and I've thought

2209
01:35:29,090 --> 01:35:27,330
about the cover of dark it's right

2210
01:35:31,850 --> 01:35:29,100
behind me I don't know if it's scary

2211
01:35:34,910 --> 01:35:31,860
stories or more scary stories but it's

2212
01:35:37,580 --> 01:35:34,920
actually a little girl holding the hand

2213
01:35:39,230 --> 01:35:37,590

of probably her bigger sister so it

2214

01:35:41,540 --> 01:35:39,240

through like this creepy looking

2215

01:35:43,910 --> 01:35:41,550

you know grass and such and I wanted to

2216

01:35:46,190 --> 01:35:43,920

edit that to make it a bigger sister

2217

01:35:48,200 --> 01:35:46,200

holding like the younger brothers hand

2218

01:35:50,120 --> 01:35:48,210

and to cover the ivy I don't know if

2219

01:35:51,380 --> 01:35:50,130

anybody can even do that any tattoo

2220

01:35:54,350 --> 01:35:51,390

artists out there but I would like to

2221

01:35:58,370 --> 01:35:54,360

look into that but um anyhow yes that is

2222

01:36:00,440 --> 01:35:58,380

a tangent I cannot wait to see that

2223

01:36:02,270 --> 01:36:00,450

flick in fact it'd be pretty cool to get

2224

01:36:03,620 --> 01:36:02,280

some of those guys on to talk about some

2225

01:36:07,340 --> 01:36:03,630

of the stories because I think that a

2226

01:36:10,340 --> 01:36:07,350

lot of those tales made a lot of us as

2227

01:36:12,200 --> 01:36:10,350

far as just being interested in anything

2228

01:36:14,750 --> 01:36:12,210

that might be a little bit dark you know

2229

01:36:18,070 --> 01:36:14,760

like cultivating toes or making sausage

2230

01:36:24,140 --> 01:36:18,080

out of people I mean one who doesn't

2231

01:36:26,900 --> 01:36:24,150

love that special sausage okay so final

2232

01:36:31,090 --> 01:36:26,910

thoughts here Ryan in our last few

2233

01:36:33,740 --> 01:36:31,100

minutes I would like it to be about the

2234

01:36:36,110 --> 01:36:33,750

the world of UFOs and the phenomena

2235

01:36:39,680 --> 01:36:36,120

itself and what do you think comes next

2236

01:36:42,470 --> 01:36:39,690

as far as the study of UFOs so we I

2237

01:36:45,020 --> 01:36:42,480

think are living in very exciting times

2238

01:36:47,900 --> 01:36:45,030

when it comes to UFOs you know with this

2239

01:36:50,960 --> 01:36:47,910

whole to the Stars staying going on with

2240

01:36:52,100 --> 01:36:50,970

Tom DeLonge and the secret Pentagon UFO

2241

01:36:55,460 --> 01:36:52,110

program

2242

01:36:58,570 --> 01:36:55,470

um I really do think we are living in an

2243

01:37:02,240 --> 01:36:58,580

age where UFOs are cool

2244

01:37:04,370 --> 01:37:02,250

God you know thank God I never thought I

2245

01:37:06,710 --> 01:37:04,380

would see that day in my lifetime but

2246

01:37:10,390 --> 01:37:06,720

not only that we're we're getting

2247

01:37:13,700 --> 01:37:10,400

information more and more information

2248

01:37:16,490 --> 01:37:13,710

every day from to the stars Academy and

2249

01:37:18,020 --> 01:37:16,500

from people who worked within the

2250

01:37:20,720 --> 01:37:18,030

government coming forward and saying

2251

01:37:22,700 --> 01:37:20,730

yeah we looked into it and all this so I

2252

01:37:25,820 --> 01:37:22,710

think we're on the precipice of some

2253

01:37:28,250 --> 01:37:25,830

really really interesting stuff will we

2254

01:37:30,710 --> 01:37:28,260

find the answer to the UFO enigma I

2255

01:37:33,230 --> 01:37:30,720

don't think so I honestly don't I know

2256

01:37:35,360 --> 01:37:33,240

that's the worst thing I could say as a

2257

01:37:38,000 --> 01:37:35,370

ufologist but it's true

2258

01:37:40,970 --> 01:37:38,010

I don't know or think we will ever find

2259

01:37:44,300 --> 01:37:40,980

the answer but we're getting closer to a

2260

01:37:47,540 --> 01:37:44,310

whole new generation of people getting

2261

01:37:49,580 --> 01:37:47,550

interested telling their stories and I

2262

01:37:51,290 --> 01:37:49,590

can say I think we have Tom DeLonge and

2263

01:37:54,850 --> 01:37:51,300

his people to thank for that

2264

01:37:57,140 --> 01:37:54,860

I I'm not like one of these hardcore

2265

01:37:59,540 --> 01:37:57,150

people being like yeah they're gonna

2266

01:38:02,000 --> 01:37:59,550

change the world or disclosures right

2267

01:38:04,700 --> 01:38:02,010

around the corner but on something right

2268

01:38:06,320 --> 01:38:04,710

it's something and it's the UFO syndrome

2269

01:38:09,800 --> 01:38:06,330

you look at the media now there's so

2270

01:38:11,600 --> 01:38:09,810

many UFO television shows on TV now so

2271

01:38:14,120 --> 01:38:11,610

it's back in the zeitgeist it's back

2272

01:38:15,590 --> 01:38:14,130

into pop culture and I think people are

2273

01:38:17,900 --> 01:38:15,600

really starting to take it a lot more

2274

01:38:20,420 --> 01:38:17,910

serious you look at like local and

2275

01:38:23,480 --> 01:38:20,430

mainstream news covering UFOs there's no

2276

01:38:25,910 --> 01:38:23,490

longer that like smirk and the x-files

2277

01:38:28,370 --> 01:38:25,920

music they're actually taking it

2278

01:38:30,410 --> 01:38:28,380

seriously and that's what we strived for

2279

01:38:33,710 --> 01:38:30,420

for so long it's to be taken seriously

2280

01:38:36,400 --> 01:38:33,720

so I think that's awesome and I think

2281

01:38:38,870 --> 01:38:36,410

it's about damn time and I think we are

2282

01:38:41,060 --> 01:38:38,880

just around the corner for some really

2283

01:38:43,670 --> 01:38:41,070

exciting stuff are we gonna answer the

2284

01:38:45,770 --> 01:38:43,680

question no but I think we're going to

2285

01:38:48,160 --> 01:38:45,780

be we're going to be asking new

2286

01:38:51,050 --> 01:38:48,170

questions and that's really exciting

2287

01:38:53,870 --> 01:38:51,060

well Ryan work and everybody find you

2288

01:38:56,420 --> 01:38:53,880
