

**SOMEWHERE
IN THE SKIES**

WITH RYAN SPRAGUE

***BREAKING THE
BILLION-YEAR CONTRACT***

PART 1

SCIENTOLOGY

***WITH EX-MEMBER
JOEY CHAIT***

1
00:00:04,039 --> 00:00:02,060
hey y'all Ryan Sprague here as you all

2
00:00:06,800 --> 00:00:04,049
know this summer in the skies podcast is

3
00:00:09,379 --> 00:00:06,810
always free to consume but it isn't free

4
00:00:11,240 --> 00:00:09,389
to create that's why I've started this

5
00:00:14,060 --> 00:00:11,250
somewhere in the skies patreon campaign

6
00:00:15,799 --> 00:00:14,070
you on a monthly basis you give what you

7
00:00:18,650 --> 00:00:15,809
think the show is worth you'll be

8
00:00:21,140 --> 00:00:18,660
helping the show continue grow and to be

9
00:00:23,359 --> 00:00:21,150
something truly communal and remember

10
00:00:25,880 --> 00:00:23,369
there are rewards for each level of

11
00:00:28,279 --> 00:00:25,890
contribution and the list is only grown

12
00:00:31,070 --> 00:00:28,289
so please help somewhere in the skies

13
00:00:37,370 --> 00:00:31,080

now by becoming a patron to contribute

14

00:00:40,160 --> 00:00:39,560

thank you for your support and now on

15

00:00:41,810 --> 00:00:40,170

with the show

16

00:00:44,180 --> 00:00:41,820

the views thoughts and opinions

17

00:00:46,549 --> 00:00:44,190

expressed in this episode of summer in

18

00:00:49,190 --> 00:00:46,559

the skies are solely that of the guest

19

00:00:52,420 --> 00:00:49,200

and host and do not reflect those of the

20

00:00:55,270 --> 00:00:52,430

e-1 podcast network or of our sponsors

21

00:00:56,510 --> 00:00:55,280

you

22

00:00:59,740 --> 00:00:56,520

[Applause]

23

00:01:03,000 --> 00:00:59,750

you are imagination

24

00:01:06,289 --> 00:01:03,010

you are the power to change to create

25

00:01:10,359 --> 00:01:06,299

make the grow

26

00:01:14,660 --> 00:01:10,369

our spirit that will never die

27

00:01:23,760 --> 00:01:21,800

you will rise again Scientology

28

00:01:28,440 --> 00:01:23,770

know yourself

29

00:01:31,649 --> 00:01:28,450

no life just really horrible physically

30

00:01:33,600 --> 00:01:31,659

and and verbally abusive I've seen tier

31

00:01:35,760 --> 00:01:33,610

members get into fights I saw them beat

32

00:01:37,740 --> 00:01:35,770

up an old man because he refused to do

33

00:01:40,200 --> 00:01:37,750

an all-nighter one night which happens a

34

00:01:42,510 --> 00:01:40,210

lot Sierra members stay up all night and

35

00:01:44,070 --> 00:01:42,520

do these crazy things because they have

36

00:01:45,960 --> 00:01:44,080

to meet their deadlines and they have to

37

00:01:48,179 --> 00:01:45,970

do it because if their statistics are

38

00:01:49,950 --> 00:01:48,189

down from the previous week then it's

39

00:02:01,050 --> 00:01:49,960

all over then they go get sent to ethics

40

00:02:04,200 --> 00:02:01,060

and they're punished for it this is

41

00:02:04,200 --> 00:02:04,210

somewhere in the skies

42

00:02:04,210 --> 00:02:28,440

[Music]

43

00:02:34,720 --> 00:02:32,140

I'm Ryan Sprague in this is somewhere in

44

00:02:37,240 --> 00:02:34,730

the skies Scientology

45

00:02:39,070 --> 00:02:37,250

one of the most successful new American

46

00:02:42,010 --> 00:02:39,080

faiths to have emerged in the past

47

00:02:44,500 --> 00:02:42,020

century at its core it is a belief that

48

00:02:47,440 --> 00:02:44,510

each human has a reactive mind that

49

00:02:49,330 --> 00:02:47,450

responds to life's traumas clouding the

50

00:02:52,270 --> 00:02:49,340

analytic mind and keeping us from

51
00:02:54,550 --> 00:02:52,280
experiencing reality members of the

52
00:02:57,190 --> 00:02:54,560
religion submit to a process called

53
00:03:00,370 --> 00:02:57,200
auditing to find the sources of this

54
00:03:02,830 --> 00:03:00,380
trauma reliving those experiences in an

55
00:03:06,310 --> 00:03:02,840
attempt to neutralize them and reassert

56
00:03:09,210 --> 00:03:06,320
the primacy of the analytic mind working

57
00:03:11,770 --> 00:03:09,220
toward a spiritual state called clear as

58
00:03:13,750 --> 00:03:11,780
you climb the bridge to spiritual

59
00:03:16,240 --> 00:03:13,760
freedom you pledge allegiance to the

60
00:03:18,750 --> 00:03:16,250
church above all else working towards

61
00:03:21,610 --> 00:03:18,760
helping mankind and awakening the world

62
00:03:24,100 --> 00:03:21,620
but somewhere along the way it became

63
00:03:27,490 --> 00:03:24,110

very clear that this church was hiding

64

00:03:29,830 --> 00:03:27,500

very dark and disturbing stories behind

65

00:03:32,710 --> 00:03:29,840

the walls of its international churches

66

00:03:34,990 --> 00:03:32,720

and as time progressed more and more

67

00:03:37,840 --> 00:03:35,000

members began to speak out about its

68

00:03:41,250 --> 00:03:37,850

wrongdoings and practices and the

69

00:03:44,610 --> 00:03:41,260

results have been absolutely terrifying

70

00:03:47,380 --> 00:03:44,620

today we hear from ex member Joey cheat

71

00:03:48,040 --> 00:03:47,390

born into the religion by his devout

72

00:03:50,560 --> 00:03:48,050

parents

73

00:03:53,560 --> 00:03:50,570

Joey became one of Scientology's most

74

00:03:56,050 --> 00:03:53,570

prominent members and then it all came

75

00:04:00,310 --> 00:03:56,060

crashing down when he decided to leave

76
00:04:02,410 --> 00:04:00,320
the church and it wasn't easy today Joey

77
00:04:05,260 --> 00:04:02,420
runs us through how it all began for him

78
00:04:08,320 --> 00:04:05,270
he also breaks down the religion for us

79
00:04:11,410 --> 00:04:08,330
it's strange creation story what he

80
00:04:14,440 --> 00:04:11,420
endured in and outside of the church and

81
00:04:18,159 --> 00:04:14,450
just exactly why he left and is urging

82
00:04:20,349 --> 00:04:18,169
others to do the same this is a two-part

83
00:04:23,860 --> 00:04:20,359
series covering one man's struggle with

84
00:04:27,970 --> 00:04:23,870
faith sexuality allegiance and finally

85
00:04:30,239 --> 00:04:27,980
starting a new life here is part one of

86
00:04:35,789 --> 00:04:30,249
breaking the billion-year contract

87
00:04:37,529 --> 00:04:35,799
of Scientology with Joey shaped Joey

88
00:04:39,389 --> 00:04:37,539

thank you so much for joining me today

89

00:04:40,259 --> 00:04:39,399

on somewhere in the skies thank you so

90

00:04:43,919 --> 00:04:40,269

much for having me

91

00:04:45,929 --> 00:04:43,929

this is like been a really long time in

92

00:04:47,579 --> 00:04:45,939

the making man I feel like it's been

93

00:04:49,139 --> 00:04:47,589

almost a year since the last time I saw

94

00:04:51,359 --> 00:04:49,149

you that we were talking about this yeah

95

00:04:54,569 --> 00:04:51,369

yeah it has literally been almost a year

96

00:04:56,009 --> 00:04:54,579

and it was it was interesting so for

97

00:04:58,379 --> 00:04:56,019

those who don't know I was working in a

98

00:05:00,299 --> 00:04:58,389

coffee shop in LA coffee for sasquatch

99

00:05:02,909 --> 00:05:00,309

so if anyone's in the Hollywood /

100

00:05:06,719 --> 00:05:02,919

Fairfax area go check them out that's my

101
00:05:09,299 --> 00:05:06,729
shameless plug for my employment but you

102
00:05:11,489 --> 00:05:09,309
you were one of our regulars and I

103
00:05:14,339 --> 00:05:11,499
always saw you in the corner kind of

104
00:05:16,350 --> 00:05:14,349
scribbling in a notebook writing and I'm

105
00:05:18,329 --> 00:05:16,360
like oh he's one of those writers he's

106
00:05:20,519 --> 00:05:18,339
one of those guys who comes in does his

107
00:05:23,909 --> 00:05:20,529
work and I love it I love seeing people

108
00:05:26,759 --> 00:05:23,919
doing their stuff there man and so so

109
00:05:29,579 --> 00:05:26,769
typical for LA it is it is it is in New

110
00:05:31,859 --> 00:05:29,589
York too but in LA everyone's in the

111
00:05:34,819 --> 00:05:31,869
business whether you owe you know it or

112
00:05:37,169 --> 00:05:34,829
not and also there's a lot of

113
00:05:40,469 --> 00:05:37,179

Scientists which we will get to in

114

00:05:43,350 --> 00:05:40,479

LA whether you know it or not but I'm

115

00:05:45,359 --> 00:05:43,360

getting ahead of myself here so I talked

116

00:05:48,029 --> 00:05:45,369

to one of my fellow employees and they'd

117

00:05:50,009 --> 00:05:48,039

informed me that you were a former

118

00:05:53,009 --> 00:05:50,019

member of the Church of Scientology and

119

00:05:55,619 --> 00:05:53,019

I was like oh my god I was like I would

120

00:05:58,739 --> 00:05:55,629

love to interview him I I've never

121

00:06:01,619 --> 00:05:58,749

spoken to a in ex-scientologists before

122

00:06:03,839 --> 00:06:01,629

so I was really excited to talk to you a

123

00:06:06,479 --> 00:06:03,849

little nervous I'm not gonna lie but

124

00:06:09,899 --> 00:06:06,489

after actually meeting you I was like

125

00:06:12,359 --> 00:06:09,909

he's he's just a normal guy who was a

126

00:06:15,239 --> 00:06:12,369

part of this thing so thank you again

127

00:06:17,999 --> 00:06:15,249

for doing this and for ostensibly

128

00:06:19,769 --> 00:06:18,009

telling us stories that a lot of us

129

00:06:21,419 --> 00:06:19,779

don't know about things that have

130

00:06:24,809 --> 00:06:21,429

happened in the church and whatnot so

131

00:06:27,749 --> 00:06:24,819

again there's our origin story but I got

132

00:06:29,729 --> 00:06:27,759

to ask you man what is your your origin

133

00:06:32,699 --> 00:06:29,739

story how did you get involved with

134

00:06:35,459 --> 00:06:32,709

Scientology there's a big misconception

135

00:06:37,619 --> 00:06:35,469

out there of oh these people are so

136

00:06:39,419 --> 00:06:37,629

stupid if they're recruited into this

137

00:06:42,509 --> 00:06:39,429

religion but it was a lot different for

138

00:06:43,319 --> 00:06:42,519

you so how'd this all start well I was

139

00:06:43,800 --> 00:06:43,329

born into it

140

00:06:46,010 --> 00:06:43,810

I

141

00:06:48,180 --> 00:06:46,020

a what they call a second-generation

142

00:06:50,790 --> 00:06:48,190

Scientologist so my parents got into it

143

00:06:53,520 --> 00:06:50,800

back in the 70s in the early 70s before

144

00:06:55,770 --> 00:06:53,530

I was born and they got suckered into it

145

00:06:56,970 --> 00:06:55,780

and then by the time I was born and by

146

00:06:58,440 --> 00:06:56,980

the time my two younger brothers were

147

00:07:02,520 --> 00:06:58,450

born they were already fully

148

00:07:04,409 --> 00:07:02,530

indoctrinated into Scientology so I it

149

00:07:06,060 --> 00:07:04,419

was basically the religion that I was

150

00:07:07,560 --> 00:07:06,070

raised with I didn't really have a

151

00:07:11,310 --> 00:07:07,570

choice in the matter

152

00:07:13,440 --> 00:07:11,320

they they did which was stupid so I I

153

00:07:15,030 --> 00:07:13,450

ended up suffering for their mistakes

154

00:07:17,219 --> 00:07:15,040

which most kids do especially when it

155

00:07:20,159 --> 00:07:17,229

comes to religions or cults absolutely I

156

00:07:22,890 --> 00:07:20,169

mean we can all let s you know whether I

157

00:07:25,469 --> 00:07:22,900

mean I was born and raised Roman

158

00:07:27,810 --> 00:07:25,479

Catholic and I also had no choice in the

159

00:07:30,060 --> 00:07:27,820

matter and right the the older you get

160

00:07:32,730 --> 00:07:30,070

that's when you sort of you know it's

161

00:07:35,760 --> 00:07:32,740

either sink or swim do I keep going or

162

00:07:37,740 --> 00:07:35,770

or what you know there's a lot of

163

00:07:40,710 --> 00:07:37,750

pressure when you're a young kid growing

164

00:07:43,710 --> 00:07:40,720

up in a religion as I'm sure it was with

165

00:07:46,560 --> 00:07:43,720

this as well whether it is a cult or not

166

00:07:48,779 --> 00:07:46,570

so yeah I mean I I did ask for listener

167

00:07:51,150 --> 00:07:48,789

questions for this episode and a lot of

168

00:07:54,750 --> 00:07:51,160

people are like how could you how could

169

00:07:56,190 --> 00:07:54,760

you join this this religion like after

170

00:07:59,610 --> 00:07:56,200

everything we've learned how could

171

00:08:02,580 --> 00:07:59,620

someone join and I I answered that for

172

00:08:04,050 --> 00:08:02,590

you on your behalf saying he was born

173

00:08:06,180 --> 00:08:04,060

into it so a lot of people don't ya have

174

00:08:08,070 --> 00:08:06,190

that choice so and I didn't have that

175

00:08:10,409 --> 00:08:08,080

choice unfortunately and the thing that

176

00:08:12,510 --> 00:08:10,419

a lot of people don't realize about

177

00:08:15,150 --> 00:08:12,520

Scientology is that every facet of your

178

00:08:17,940 --> 00:08:15,160

life especially when you're in the

179

00:08:20,129 --> 00:08:17,950

family of Scientologists and from a

180

00:08:22,620 --> 00:08:20,139

famous Scientology family who donated a

181

00:08:25,110 --> 00:08:22,630

lot of money everything is already

182

00:08:27,090 --> 00:08:25,120

decided for you and you don't really

183

00:08:29,879 --> 00:08:27,100

have a choice whether it has to do with

184

00:08:32,490 --> 00:08:29,889

your finances your personal life your

185

00:08:37,230 --> 00:08:32,500

work everything surrounds the Church of

186

00:08:39,360 --> 00:08:37,240

Scientology and when you grow up in a in

187

00:08:41,399 --> 00:08:39,370

a in a in a sort of environment like

188

00:08:42,690 --> 00:08:41,409

that you get brainwashed and that's

189

00:08:46,769 --> 00:08:42,700

exactly what happens to me and you

190

00:08:48,530 --> 00:08:46,779

become so brainwashed into thinking like

191

00:08:50,550 --> 00:08:48,540

they do and talking like they do

192

00:08:52,980 --> 00:08:50,560

Scientologists have their own language

193

00:08:55,829 --> 00:08:52,990

we have abbreviations for everything

194

00:08:57,750 --> 00:08:55,839

Hubbard I believe was a very dyslexic

195

00:09:01,530 --> 00:08:57,760

and uneducated man and

196

00:09:04,290 --> 00:09:01,540

he takes he love to take regular English

197

00:09:06,720 --> 00:09:04,300

words and put weird twists on them to

198

00:09:08,910 --> 00:09:06,730

make them mean different things so like

199

00:09:11,880 --> 00:09:08,920

I will be talking in my Scientology

200

00:09:14,490 --> 00:09:11,890

speak to like my my fiance Michael and

201
00:09:16,080 --> 00:09:14,500
I'll say something a regular English

202
00:09:17,490 --> 00:09:16,090
word and he'll look at me and be like

203
00:09:19,770 --> 00:09:17,500
I'm sorry wait what did you just say

204
00:09:21,330 --> 00:09:19,780
because it because it's not real English

205
00:09:24,510 --> 00:09:21,340
it grammatically doesn't make any sense

206
00:09:27,390 --> 00:09:24,520
so after I started you know sort of

207
00:09:29,370 --> 00:09:27,400
waking up and realizing that Scientology

208
00:09:31,170 --> 00:09:29,380
was complete and utter I had to

209
00:09:32,940 --> 00:09:31,180
relearn the language and like actually

210
00:09:35,010 --> 00:09:32,950
learn what the actual definitions of

211
00:09:39,000 --> 00:09:35,020
some of these regular words mean so

212
00:09:40,200 --> 00:09:39,010
that's how that's how how how I guess

213
00:09:41,970 --> 00:09:40,210

through I guess the right word is

214

00:09:43,710 --> 00:09:41,980

brainwash you just get so indoctrinated

215

00:09:45,780 --> 00:09:43,720

into the thing you'd have to literally

216

00:09:48,720 --> 00:09:45,790

wake up and pull yourself out of it it's

217

00:09:50,580 --> 00:09:48,730

crazy yeah so I mean would you would you

218

00:09:52,500 --> 00:09:50,590

consider that then like a deep

219

00:09:55,020 --> 00:09:52,510

programming we hear about this a lot

220

00:09:58,530 --> 00:09:55,030

when people are brainwashed in in what

221

00:10:01,170 --> 00:09:58,540

is considered cults you how long did it

222

00:10:03,540 --> 00:10:01,180

take to really I guess it's a gear

223

00:10:06,780 --> 00:10:03,550

Graham yourself years years years years

224

00:10:08,220 --> 00:10:06,790

it it wasn't a thing and one of the

225

00:10:10,230 --> 00:10:08,230

biggest questions that people ask me is

226

00:10:11,820 --> 00:10:10,240

like when was that aha moment or when

227

00:10:14,850 --> 00:10:11,830

was that moment when you woke up and I'm

228

00:10:17,730 --> 00:10:14,860

like there wasn't really an exact moment

229

00:10:21,570 --> 00:10:17,740

it's sort of like it's like a slow burn

230

00:10:23,190 --> 00:10:21,580

it takes years of just I'm just slowly

231

00:10:25,170 --> 00:10:23,200

coming out of it and then slowly

232

00:10:28,260 --> 00:10:25,180

realizing it and then eventually you get

233

00:10:30,450 --> 00:10:28,270

to the point where you're I I it it's

234

00:10:32,430 --> 00:10:30,460

almost like climbing over a fence except

235

00:10:34,110 --> 00:10:32,440

just very very slowly it takes a while

236

00:10:35,610 --> 00:10:34,120

you got to climb up one by one and then

237

00:10:36,630 --> 00:10:35,620

you get to the top and then you slowly

238

00:10:39,000 --> 00:10:36,640

come down the other side

239

00:10:41,790 --> 00:10:39,010

but eventually I made it there thank God

240

00:10:44,600 --> 00:10:41,800

exactly I'm so happy that we're having

241

00:10:48,810 --> 00:10:44,610

this conversation today too

242

00:10:50,700 --> 00:10:48,820

well I mean okay so I don't know how

243

00:10:52,860 --> 00:10:50,710

anyone couldn't really know what

244

00:10:54,480 --> 00:10:52,870

Scientology is at this point you know

245

00:10:58,200 --> 00:10:54,490

the glory of the internet the glory of

246

00:10:59,940 --> 00:10:58,210

television but for anyone who might not

247

00:11:03,300 --> 00:10:59,950

be too familiar Joey I'm going to sort

248

00:11:06,180 --> 00:11:03,310

of ask you could you give us kind of the

249

00:11:08,370 --> 00:11:06,190

rundown of what Scientology is you

250

00:11:10,380 --> 00:11:08,380

mentioned Hubbard's so who started it in

251

00:11:11,460 --> 00:11:10,390

kind of the overall mission of the

252

00:11:13,020 --> 00:11:11,470

religion maybe

253

00:11:16,530 --> 00:11:13,030

I I don't know if that's even possible

254

00:11:20,250 --> 00:11:16,540

to do in like no in elevator pitch but

255

00:11:23,730 --> 00:11:20,260

yeah please I can give you the the the

256

00:11:25,740 --> 00:11:23,740

quick two minute version so a guy named

257

00:11:30,120 --> 00:11:25,750

I ron Hubbard who was a science fiction

258

00:11:32,430 --> 00:11:30,130

writer he wrote a ton of work in the

259

00:11:34,110 --> 00:11:32,440

1930s and the 1940s mostly science

260

00:11:36,620 --> 00:11:34,120

fiction stuff and then in the 1950s

261

00:11:39,570 --> 00:11:36,630

actually I believe it was in 1950 he

262

00:11:41,610 --> 00:11:39,580

wrote a book called Dianetics actually

263

00:11:43,410 --> 00:11:41,620

the full name of the book is Dianetics

264

00:11:46,020 --> 00:11:43,420

the modern science of mental health and

265

00:11:49,320 --> 00:11:46,030

basically what he had discovered I used

266

00:11:52,050 --> 00:11:49,330

that term loosely he discovered that all

267

00:11:54,600 --> 00:11:52,060

human beings have something called a

268

00:11:56,310 --> 00:11:54,610

reactive mind so there's two parts of

269

00:11:56,910 --> 00:11:56,320

your mind there's the analytical side of

270

00:11:59,460 --> 00:11:56,920

your mind

271

00:12:01,290 --> 00:11:59,470

which is the normal one and again it

272

00:12:02,430 --> 00:12:01,300

solves problems and and it does good

273

00:12:03,720 --> 00:12:02,440

things for you and then there's the

274

00:12:05,310 --> 00:12:03,730

other side of your mind which is called

275

00:12:09,270 --> 00:12:05,320

the reactive mind that stores all of

276

00:12:10,620 --> 00:12:09,280

your bad memories pain painful memories

277

00:12:12,960 --> 00:12:10,630

times that you were unconscious

278

00:12:14,460 --> 00:12:12,970

sicknesses and stuff like that and that

279

00:12:17,310 --> 00:12:14,470

was the thing that was causing all of

280

00:12:19,890 --> 00:12:17,320

your diseases so basically Dianetics is

281

00:12:22,230 --> 00:12:19,900

when the mind heals the body so because

282

00:12:24,420 --> 00:12:22,240

you have a cold or because you have bad

283

00:12:27,420 --> 00:12:24,430

eyesight or because you have cancer or

284

00:12:31,320 --> 00:12:27,430

whatever the ailment could be you use

285

00:12:32,880 --> 00:12:31,330

the technology of Dianetics to cure the

286

00:12:35,610 --> 00:12:32,890

problem from your mind

287

00:12:37,290 --> 00:12:35,620

which will then in turn heal the body so

288

00:12:39,420 --> 00:12:37,300

he's so he started this and it was kind

289

00:12:41,850 --> 00:12:39,430

of a fad in the 1950s and then he

290

00:12:44,100 --> 00:12:41,860

realized a couple of years after he

291

00:12:45,450 --> 00:12:44,110

wrote Dianetics he was like well you

292

00:12:48,540 --> 00:12:45,460

know the best way to go about this is to

293

00:12:51,150 --> 00:12:48,550

start a religion he would get tax-exempt

294

00:12:52,830 --> 00:12:51,160

status and people like the medical field

295

00:12:54,510 --> 00:12:52,840

and like the American Psychiatric

296

00:12:56,310 --> 00:12:54,520

Association that were coming after him

297

00:12:57,600 --> 00:12:56,320

saying you guys are ridiculous Dianetics

298

00:12:59,490 --> 00:12:57,610

doesn't actually work

299

00:13:01,170 --> 00:12:59,500

so he was like well I'm just gonna start

300

00:13:03,840 --> 00:13:01,180

a religion and say that it's you know a

301

00:13:05,820 --> 00:13:03,850

church so they can't come after me for

302

00:13:08,700 --> 00:13:05,830

medical malpractice or medical fraud so

303

00:13:10,440 --> 00:13:08,710

that's when he started Scientology so he

304

00:13:12,870 --> 00:13:10,450

continued with his Scientology writings

305

00:13:14,940 --> 00:13:12,880

and he's written thousands upon

306

00:13:18,360 --> 00:13:14,950

thousands upon thousands of pages and

307

00:13:20,550 --> 00:13:18,370

done thousands of hours of lectures on

308

00:13:23,190 --> 00:13:20,560

the subject of dealing with Scientology

309

00:13:25,110 --> 00:13:23,200

which has to do not with the mind like

310

00:13:25,319 --> 00:13:25,120

Dianetics did but Scientology has to do

311

00:13:28,710 --> 00:13:25,329

with

312

00:13:33,539 --> 00:13:28,720

soul or the spirit so he created this

313

00:13:35,309 --> 00:13:33,549

whole series of practices or things that

314

00:13:37,819 --> 00:13:35,319

you do Scientology really isn't a belief

315

00:13:42,289 --> 00:13:37,829

system it's something that you do it's a

316

00:13:44,249 --> 00:13:42,299

it's an applied religious philosophy so

317

00:13:46,049 --> 00:13:44,259

Scientologists do things like they go

318

00:13:48,509 --> 00:13:46,059

study courses where they learn about

319

00:13:50,549 --> 00:13:48,519

what Hubbard wrote what he says are like

320

00:13:51,989 --> 00:13:50,559

the factors for life or improving your

321

00:13:53,100 --> 00:13:51,999

relationships and getting along with

322

00:13:55,199 --> 00:13:53,110

others and then they do this thing

323

00:13:57,720 --> 00:13:55,209

called auditing auditing is that is the

324

00:14:00,030 --> 00:13:57,730

Scientology term for for basically for

325

00:14:03,689 --> 00:14:00,040

therapy and Hubbard wrote these very

326

00:14:06,030 --> 00:14:03,699

exact and very detailed auditing he

327

00:14:07,650 --> 00:14:06,040

calls them processes or a process so

328

00:14:10,379 --> 00:14:07,660

there's these auditing processes that

329

00:14:13,169 --> 00:14:10,389

you do and the purpose of it they say is

330

00:14:14,910 --> 00:14:13,179

to help obviously get get rid of your

331

00:14:17,429 --> 00:14:14,920

reactive mind and get rid of all of

332

00:14:19,410 --> 00:14:17,439

these negative emotions and negative

333

00:14:21,780 --> 00:14:19,420

things so that you can live a happier

334

00:14:23,960 --> 00:14:21,790

and better life and when you put it like

335

00:14:27,269 --> 00:14:23,970

that it doesn't sound so bad necessarily

336

00:14:29,189 --> 00:14:27,279

but in reality it's much much more

337

00:14:31,169 --> 00:14:29,199

insidious than it then it appears on the

338

00:14:33,239 --> 00:14:31,179

surface so that's the basic that's the

339

00:14:36,720 --> 00:14:33,249

basic gist of it in a nutshell right

340

00:14:38,340 --> 00:14:36,730

yeah and you know that as you're saying

341

00:14:41,850 --> 00:14:38,350

that I I'm thinking to myself that's

342

00:14:44,489 --> 00:14:41,860

actually not too bad of an idea I mean

343

00:14:46,139 --> 00:14:44,499

it's not it's not and they want and they

344

00:14:47,819 --> 00:14:46,149

always say like well we want to we want

345

00:14:49,590 --> 00:14:47,829

to help people we want to help people

346

00:14:52,739 --> 00:14:49,600

you know do better in life and their

347

00:14:54,539 --> 00:14:52,749

whole purpose is to save the planet or

348

00:14:56,759 --> 00:14:54,549

save the humans on this planet because

349

00:15:00,419 --> 00:14:56,769

if once they get enough Scientologist

350

00:15:02,879 --> 00:15:00,429

into Scientology and up the Scientology

351

00:15:04,289 --> 00:15:02,889

levels eventually they say that there

352

00:15:05,129 --> 00:15:04,299

would be no more wars no more

353

00:15:07,350 --> 00:15:05,139

criminality

354

00:15:09,210 --> 00:15:07,360

no more insanity everything will be nice

355

00:15:11,579 --> 00:15:09,220

and shiny and happy and wonderful and

356

00:15:12,749 --> 00:15:11,589

and then people who oppose them they say

357

00:15:14,039 --> 00:15:12,759

well these are the purposes of

358

00:15:16,530 --> 00:15:14,049

Scientology how could you argue with

359

00:15:19,590 --> 00:15:16,540

that do not want a world without without

360

00:15:22,769 --> 00:15:19,600

criminality and without war so it's it's

361

00:15:26,009 --> 00:15:22,779

it's a it's it's a pretty sick system

362

00:15:28,199 --> 00:15:26,019

they have no right and again and we'll

363

00:15:31,850 --> 00:15:28,209

get deeper into like the whole process

364

00:15:34,489 --> 00:15:31,860

and kind of the almost hijacking of

365

00:15:37,590 --> 00:15:34,499

Hubbard's original intent for all this

366

00:15:38,980 --> 00:15:37,600

but this is really interesting when I

367

00:15:42,100 --> 00:15:38,990

first moved to New York Joey

368

00:15:44,769 --> 00:15:42,110

I am I flier on the streets of Times

369

00:15:46,449 --> 00:15:44,779

Square for like two and a half years so

370

00:15:48,850 --> 00:15:46,459

I literally was out there eight hours a

371

00:15:51,280 --> 00:15:48,860

day handing out flyers to Broadway shows

372

00:15:52,810 --> 00:15:51,290

comedy clubs restaurant sure whatever

373

00:15:55,449 --> 00:15:52,820

they wanted me to do I was out there I

374

00:15:57,280 --> 00:15:55,459

love the job I honestly did it was like

375

00:16:00,100 --> 00:15:57,290

the best paying job I ever had because

376

00:16:03,220 --> 00:16:00,110

what idiot would stand outside fifty

377

00:16:05,560 --> 00:16:03,230

hours a week and eat out flyers but what

378

00:16:07,660 --> 00:16:05,570

was really interesting is I met a guy

379

00:16:10,060 --> 00:16:07,670

while I was out there and we actually

380

00:16:12,430 --> 00:16:10,070

became like pretty close like really

381

00:16:14,740 --> 00:16:12,440

good friends and we we talked a lot

382

00:16:17,590 --> 00:16:14,750

about our family together and like our

383

00:16:19,810 --> 00:16:17,600

relationship problems or what have you

384

00:16:22,090 --> 00:16:19,820

and it was cool to like go to work and

385

00:16:23,560 --> 00:16:22,100

have someone that camaraderie like he

386

00:16:25,690 --> 00:16:23,570

was doing his thing I was doing mine

387

00:16:27,610 --> 00:16:25,700

handing out flyers and he was handing

388

00:16:29,710 --> 00:16:27,620

out something else and it actually took

389

00:16:32,230 --> 00:16:29,720

me a while to realize he was a

390

00:16:35,790 --> 00:16:32,240

horologist and he was hitting these

391

00:16:38,949 --> 00:16:35,800

flyers to see a free movie at the

392

00:16:41,019 --> 00:16:38,959

Manhattan Church of Scientology and what

393

00:16:44,410 --> 00:16:41,029

was really interesting is he and I were

394

00:16:47,250 --> 00:16:44,420

close and I I kind of like watch the

395

00:16:50,860 --> 00:16:47,260

people that he would approach and I

396

00:16:52,990 --> 00:16:50,870

noticed trends in like the demographics

397

00:16:55,240 --> 00:16:53,000

of the people that he would stop and get

398

00:16:56,410 --> 00:16:55,250

to go watch this free movie and at that

399

00:16:58,870 --> 00:16:56,420

time I didn't really know what

400

00:17:00,670 --> 00:16:58,880

Scientology was I didn't know how the

401
00:17:02,590 --> 00:17:00,680
whole intricate system to everything I'm

402
00:17:04,090 --> 00:17:02,600
like oh that's you know whatever you

403
00:17:08,140 --> 00:17:04,100
know he's just trying to get people to

404
00:17:10,540 --> 00:17:08,150
go to his church cool yeah so but yeah I

405
00:17:12,760 --> 00:17:10,550
noticed these patterns of like the the

406
00:17:14,590 --> 00:17:12,770
people that he would get to do it and it

407
00:17:18,100 --> 00:17:14,600
it always sort of seemed to be the same

408
00:17:20,260 --> 00:17:18,110
so I wanted to ask you do you know for

409
00:17:22,840 --> 00:17:20,270
like these type of people the recruiters

410
00:17:25,059 --> 00:17:22,850
on the streets is there like a protocol

411
00:17:27,939 --> 00:17:25,069
for who they try to recruit is there

412
00:17:30,760 --> 00:17:27,949
like yeah oh yeah grand way to get

413
00:17:34,780 --> 00:17:30,770

certain people into this religion yeah

414

00:17:36,400 --> 00:17:34,790

well first of all the the job title of

415

00:17:38,380 --> 00:17:36,410

those people that stand out on the

416

00:17:40,620 --> 00:17:38,390

streets they do that here there's that

417

00:17:44,020 --> 00:17:40,630

big Scientology blue building boomlet

418

00:17:45,490 --> 00:17:44,030

Boulevard yeah the big blue they have a

419

00:17:46,900 --> 00:17:45,500

ton of people out there that are handing

420

00:17:48,850 --> 00:17:46,910

out flyers and they're trying to get you

421

00:17:50,650 --> 00:17:48,860

to take their stupid personality test or

422

00:17:52,450 --> 00:17:50,660

come in and see the movie those guys

423

00:17:55,660 --> 00:17:52,460

their job title is

424

00:17:58,450 --> 00:17:55,670

called a body router they literally are

425

00:18:00,700 --> 00:17:58,460

instructed to take people's bodies and

426

00:18:03,610 --> 00:18:00,710

bring them in because the statistic and

427

00:18:05,050 --> 00:18:03,620

Scientology when the new person comes in

428

00:18:07,180 --> 00:18:05,060

the door to take a course or to get

429

00:18:10,360 --> 00:18:07,190

auditing it's called bodies in the shop

430

00:18:13,630 --> 00:18:10,370

so the body so that so the body routers

431

00:18:15,730 --> 00:18:13,640

that's their entire job and they

432

00:18:19,540 --> 00:18:15,740

definitely go for a very specific type

433

00:18:21,820 --> 00:18:19,550

of person and in Scientology Hubbard

434

00:18:25,360 --> 00:18:21,830

once said that Scientology's purpose is

435

00:18:28,480 --> 00:18:25,370

to make the able more able so they don't

436

00:18:29,890 --> 00:18:28,490

want someone who isn't able basically

437

00:18:31,180 --> 00:18:29,900

what that means is that they want

438

00:18:32,980 --> 00:18:31,190

someone who looks like they have money

439

00:18:34,810 --> 00:18:32,990

they want someone that looks like they

440

00:18:35,860 --> 00:18:34,820

might be affluent someone that looks

441

00:18:38,140 --> 00:18:35,870

like they've got their together

442

00:18:39,700 --> 00:18:38,150

they don't want to deal with people who

443

00:18:42,120 --> 00:18:39,710

are mentally ill they don't want to deal

444

00:18:45,010 --> 00:18:42,130

with people who look like they're poor

445

00:18:46,330 --> 00:18:45,020

so that is sort of the thing that

446

00:18:49,570 --> 00:18:46,340

they're looking for they're looking for

447

00:18:52,690 --> 00:18:49,580

that for able-bodied people that can

448

00:18:54,070 --> 00:18:52,700

come in and I think that that the reason

449

00:18:56,110 --> 00:18:54,080

for that is because they don't want to

450

00:18:57,490 --> 00:18:56,120

have any problems with you know someone

451
00:19:00,100 --> 00:18:57,500
coming in and having a psychotic break

452
00:19:02,440 --> 00:19:00,110
which has happened or people who are

453
00:19:04,120 --> 00:19:02,450
sick or dying or someone who doesn't

454
00:19:05,830 --> 00:19:04,130
have money there's no purpose for them

455
00:19:08,380 --> 00:19:05,840
to do Scientology because if they can't

456
00:19:10,420 --> 00:19:08,390
pay for the courses they don't want them

457
00:19:14,290 --> 00:19:10,430
right at all and we'll get to that the

458
00:19:17,080 --> 00:19:14,300
paying part for sure yeah mentioning

459
00:19:20,920 --> 00:19:17,090
mental illness didn't something just

460
00:19:22,510 --> 00:19:20,930
happen like this yeah something happened

461
00:19:25,330 --> 00:19:22,520
at the at the at the Church of

462
00:19:29,680 --> 00:19:25,340
Scientology down in Englewood which

463
00:19:31,570 --> 00:19:29,690

which incidentally my dad paid for and

464

00:19:34,990 --> 00:19:31,580

we could talk about that later sure I I

465

00:19:36,400 --> 00:19:35,000

guess some guy from from from from the

466

00:19:38,830 --> 00:19:36,410

rumors that I've been hearing from some

467

00:19:41,260 --> 00:19:38,840

of my other ex I ontology friends I

468

00:19:42,820 --> 00:19:41,270

guess this person was a parishioner he

469

00:19:44,800 --> 00:19:42,830

was actually taking courses at the

470

00:19:46,120 --> 00:19:44,810

Scientology Church in Englewood ok he

471

00:19:49,900 --> 00:19:46,130

pulled up in his he pulled up in his

472

00:19:52,150 --> 00:19:49,910

Bentley wielded a sword of some kind and

473

00:19:54,940 --> 00:19:52,160

then I don't know how it happened but

474

00:19:56,380 --> 00:19:54,950

like an officer got shot in the arm or

475

00:19:58,090 --> 00:19:56,390

shot in the hand or something and they

476
00:19:59,440 --> 00:19:58,100
ended up killing I think they shot and

477
00:20:01,150 --> 00:19:59,450
killed the guy with the sword right

478
00:20:02,710 --> 00:20:01,160
that's right yeah

479
00:20:05,440 --> 00:20:02,720
we're sort of waiting to hear what

480
00:20:05,950 --> 00:20:05,450
happens but a couple of months ago there

481
00:20:08,019 --> 00:20:05,960
was a staff

482
00:20:12,070 --> 00:20:08,029
being at a Church of Scientology down in

483
00:20:14,440 --> 00:20:12,080
Australia and the church was quick - was

484
00:20:16,659 --> 00:20:14,450
was quick to respond to that and say

485
00:20:20,169 --> 00:20:16,669
that it was a non Scientology person

486
00:20:21,940 --> 00:20:20,179
that was crazy that they sort of tried

487
00:20:23,889 --> 00:20:21,950
to pin it on Leah Remini in her show

488
00:20:25,840 --> 00:20:23,899

they were basically saying that Leah

489

00:20:28,330 --> 00:20:25,850

that Leah Remini show was spreading all

490

00:20:29,830 --> 00:20:28,340

of this hate and religious bigotry so

491

00:20:33,310 --> 00:20:29,840

that caused the person to come in and

492

00:20:35,139 --> 00:20:33,320

stab a non Scientologist to come in and

493

00:20:36,580 --> 00:20:35,149

stab a Scientology member okay so the

494

00:20:38,200 --> 00:20:36,590

church has been Church has been very

495

00:20:39,789 --> 00:20:38,210

silent about the thing that happened in

496

00:20:41,350 --> 00:20:39,799

Inglewood just a few days ago so I'm

497

00:20:43,810 --> 00:20:41,360

pretty sure that it was one of their own

498

00:20:45,580 --> 00:20:43,820

that had the sword that sort unthinking

499

00:20:47,740 --> 00:20:45,590

- especially the whole sword thing I

500

00:20:51,399 --> 00:20:47,750

mean isn't there some sort of connection

501
00:20:53,710 --> 00:20:51,409
to like to Hubbard and like swords and

502
00:20:56,470 --> 00:20:53,720
everything Excalibur something like that

503
00:20:58,090 --> 00:20:56,480
yeah well the Excalibur I think was that

504
00:20:59,560 --> 00:20:58,100
was the name of her story that he wrote

505
00:21:02,500 --> 00:20:59,570
a very very long time ago I don't know

506
00:21:04,180 --> 00:21:02,510
what the sword represents okay I mean I

507
00:21:06,940 --> 00:21:04,190
might be getting a bit - conspiracy

508
00:21:08,889 --> 00:21:06,950
theory maybe but also I mean like the

509
00:21:10,870 --> 00:21:08,899
Sea Org the sea organization members

510
00:21:12,490 --> 00:21:10,880
those are the good those are the guys

511
00:21:14,289 --> 00:21:12,500
that sign the billion-year contracts and

512
00:21:17,139 --> 00:21:14,299
they wear the naval style uniforms the

513
00:21:19,960 --> 00:21:17,149

sword is a very you know powerful symbol

514

00:21:22,210 --> 00:21:19,970

you know military wise and I think that

515

00:21:24,549 --> 00:21:22,220

for the you know when they get all

516

00:21:26,500 --> 00:21:24,559

dressed up in their sea organization

517

00:21:27,970 --> 00:21:26,510

uniforms some of them have little swords

518

00:21:30,460 --> 00:21:27,980

or flags or something I don't know maybe

519

00:21:33,279 --> 00:21:30,470

that something yeah who knows who knows

520

00:21:35,230 --> 00:21:33,289

we may never know Church seems very

521

00:21:38,860 --> 00:21:35,240

pretty good at keeping people quiet

522

00:21:40,450 --> 00:21:38,870

as well for now yeah yeah well that's

523

00:21:42,940 --> 00:21:40,460

really interesting because that that

524

00:21:45,220 --> 00:21:42,950

really did mystifies like the whole body

525

00:21:47,380 --> 00:21:45,230

recruitment thing that was interesting

526

00:21:50,230 --> 00:21:47,390

and with that guy of that I that I knew

527

00:21:53,139 --> 00:21:50,240

I noticed as time went on like he became

528

00:21:55,360 --> 00:21:53,149

more distant with me and stopped talking

529

00:21:56,919 --> 00:21:55,370

about his personal life and then there

530

00:21:58,120 --> 00:21:56,929

came one day where he literally told me

531

00:21:59,680 --> 00:21:58,130

I can't talk to you anymore

532

00:22:01,720 --> 00:21:59,690

he said that yeah I mean I was really

533

00:22:04,299 --> 00:22:01,730

hurt because like I can fight it a lot

534

00:22:06,340 --> 00:22:04,309

in this dude and yeah I respected his

535

00:22:08,320 --> 00:22:06,350

beliefs he respected mine and then he

536

00:22:10,960 --> 00:22:08,330

just disappeared I never saw him again

537

00:22:12,789 --> 00:22:10,970

haven't seen him since he probably got

538

00:22:14,019 --> 00:22:12,799

into ethics trouble and that happens a

539

00:22:15,909 --> 00:22:14,029

lot if you do something wrong in

540

00:22:17,649 --> 00:22:15,919

Scientology you get said to ethics and

541

00:22:19,810 --> 00:22:17,659

they basically they have to try to fix

542

00:22:22,780 --> 00:22:19,820

you or they have to try to correct

543

00:22:24,490 --> 00:22:22,790

for whatever it is that you did wrong so

544

00:22:26,260 --> 00:22:24,500

they probably pulled him back in because

545

00:22:28,090 --> 00:22:26,270

he did something or he or he said

546

00:22:30,220 --> 00:22:28,100

something or maybe he was having doubts

547

00:22:32,560 --> 00:22:30,230

about Scientology or doubts about

548

00:22:34,000 --> 00:22:32,570

staying in Scientology and they do not

549

00:22:35,770 --> 00:22:34,010

like that at all

550

00:22:37,450 --> 00:22:35,780

and what they have is they have this

551
00:22:40,300 --> 00:22:37,460
thing called a security check which is

552
00:22:43,660 --> 00:22:40,310
basically their nice way of putting a

553
00:22:46,060 --> 00:22:43,670
what it really is is a interrogation

554
00:22:47,740 --> 00:22:46,070
they put you in a little room and they

555
00:22:49,150 --> 00:22:47,750
hook you up to the e meter that's that

556
00:22:51,940 --> 00:22:49,160
little machine that they use is kind of

557
00:22:53,800 --> 00:22:51,950
like a lie detector and they grill you

558
00:22:55,630 --> 00:22:53,810
for hours and hours and hours and ask

559
00:22:57,370 --> 00:22:55,640
you questions like what have you done do

560
00:22:59,530 --> 00:22:57,380
you have evil intentions against the

561
00:23:02,020 --> 00:22:59,540
Church of Scientology do you have evil

562
00:23:04,870 --> 00:23:02,030
intentions against David Miscavige have

563
00:23:06,640 --> 00:23:04,880

you have you done something that you

564

00:23:08,620 --> 00:23:06,650

don't want to have fun found out about

565

00:23:11,050 --> 00:23:08,630

like for hours and hours and hours and

566

00:23:16,510 --> 00:23:11,060

they make you confess all of your crimes

567

00:23:19,660 --> 00:23:16,520

God says oh it's horrible I've had my

568

00:23:22,600 --> 00:23:19,670

share of security checking thousands and

569

00:23:23,950 --> 00:23:22,610

thousands of hours over over a very long

570

00:23:25,090 --> 00:23:23,960

period of time of course you know

571

00:23:27,400 --> 00:23:25,100

because I'm always getting in trouble

572

00:23:28,900 --> 00:23:27,410

for something I'm always saying I'm

573

00:23:30,790 --> 00:23:28,910

always saying the wrong thing I'm always

574

00:23:32,800 --> 00:23:30,800

doing the wrong thing like Joey's got to

575

00:23:36,370 --> 00:23:32,810

go in for SEC checking okay well there's

576
00:23:37,960 --> 00:23:36,380
to be very common in the religion Joey I

577
00:23:39,820 --> 00:23:37,970
mean you hear all the time like it's a

578
00:23:42,460 --> 00:23:39,830
religion of Snickers you know

579
00:23:45,760 --> 00:23:42,470
everybody's out for themselves it's come

580
00:23:48,880 --> 00:23:45,770
it's it's completely a snitching

581
00:23:51,220 --> 00:23:48,890
environment it's it's that's how they

582
00:23:53,200 --> 00:23:51,230
keep control over people because you're

583
00:23:55,210 --> 00:23:53,210
not allowed to say anything negative

584
00:23:56,650 --> 00:23:55,220
about Scientology you're not allowed to

585
00:23:58,150 --> 00:23:56,660
say anything negative about other

586
00:24:01,390 --> 00:23:58,160
Scientologists I mean I'll tell you a

587
00:24:04,030 --> 00:24:01,400
quick story when I was a kid I did a lot

588
00:24:06,130 --> 00:24:04,040

of my Scientology training very early in

589

00:24:08,140 --> 00:24:06,140

life I started at the age of 13 which is

590

00:24:10,060 --> 00:24:08,150

very unusual it doesn't happen very

591

00:24:12,310 --> 00:24:10,070

often but of course my parents being the

592

00:24:14,260 --> 00:24:12,320

huge Scientologists that they were

593

00:24:17,230 --> 00:24:14,270

anyway and so when I started my training

594

00:24:20,080 --> 00:24:17,240

I was at the Celebrity Center and there

595

00:24:22,180 --> 00:24:20,090

was this one executive woman that was

596

00:24:25,930 --> 00:24:22,190

working there and she was trying to

597

00:24:28,000 --> 00:24:25,940

convince me to basically quit school and

598

00:24:30,340 --> 00:24:28,010

come and come do my training first at

599

00:24:31,840 --> 00:24:30,350

Celebrity Centre full-time I said listen

600

00:24:34,000 --> 00:24:31,850

I'm sorry but I have to go to school

601
00:24:35,590 --> 00:24:34,010
during the day and then I'll I come to

602
00:24:37,060 --> 00:24:35,600
Liberty center you know in the late

603
00:24:39,550 --> 00:24:37,070
afternoon and I study into the evening

604
00:24:41,890 --> 00:24:39,560
and she said to me she was like Joey

605
00:24:43,570 --> 00:24:41,900
trying to convince me this is the this

606
00:24:45,670 --> 00:24:43,580
is the greatest thing that you can do

607
00:24:47,980 --> 00:24:45,680
school is for idiots and like you're

608
00:24:51,310 --> 00:24:47,990
sure you're not a regular person you're

609
00:24:52,960 --> 00:24:51,320
a super human being and and I told her

610
00:24:54,310 --> 00:24:52,970
I'm like I'm not gonna stop going to

611
00:24:54,700 --> 00:24:54,320
school I actually enjoy going to my

612
00:24:56,620 --> 00:24:54,710
school

613
00:24:58,420 --> 00:24:56,630

so basically she said well you know what

614

00:25:00,310 --> 00:24:58,430

Joey you can just go yourself and

615

00:25:02,380 --> 00:25:00,320

go jump off the top of Celebrity Center

616

00:25:03,880 --> 00:25:02,390

and they had a balcony up there she said

617

00:25:05,500 --> 00:25:03,890

go up to the sixth floor balcony and

618

00:25:08,710 --> 00:25:05,510

just jump off because you you may as

619

00:25:10,240 --> 00:25:08,720

well kill yourself Jesus so I was really

620

00:25:12,160 --> 00:25:10,250

upset by that whole thing and then

621

00:25:13,900 --> 00:25:12,170

another person came to me a few days

622

00:25:15,520 --> 00:25:13,910

later and they saw that I was upset and

623

00:25:17,740 --> 00:25:15,530

they were like what's the matter I said

624

00:25:20,620 --> 00:25:17,750

oh well this is this executive I said

625

00:25:23,050 --> 00:25:20,630

her name and she told me to go kill

626

00:25:25,150 --> 00:25:23,060

myself I'm really really upset they

627

00:25:28,060 --> 00:25:25,160

pulled me into a security check because

628

00:25:30,130 --> 00:25:28,070

I was being critical of her because she

629

00:25:32,770 --> 00:25:30,140

was because she was an executive at

630

00:25:34,330 --> 00:25:32,780

Celebrity Centre okay I'm not allowed to

631

00:25:35,500 --> 00:25:34,340

say anything bad to her even though what

632

00:25:37,210 --> 00:25:35,510

she said to me was a hundred percent

633

00:25:39,310 --> 00:25:37,220

wrong and a hunt but it was also a

634

00:25:41,290 --> 00:25:39,320

hundred percent true but because I was

635

00:25:44,080 --> 00:25:41,300

saying a negative thing about a senior C

636

00:25:46,180 --> 00:25:44,090

organisation member they pulled me into

637

00:25:48,660 --> 00:25:46,190

an interrogation and said and asked me

638

00:25:52,750 --> 00:25:48,670

what did I do wrong what are my crimes

639

00:25:54,220 --> 00:25:52,760

Wow yeah so that's the that's the that's

640

00:25:56,230 --> 00:25:54,230

the way that they control people

641

00:25:58,000 --> 00:25:56,240

everybody everybody's niching on on

642

00:26:00,100 --> 00:25:58,010

everybody else and if you and you learn

643

00:26:01,840 --> 00:26:00,110

I learned really quickly if you say

644

00:26:04,180 --> 00:26:01,850

anything negative about something or

645

00:26:05,890 --> 00:26:04,190

somebody else in Scientology then I knew

646

00:26:08,410 --> 00:26:05,900

that I myself would get in trouble so

647

00:26:10,690 --> 00:26:08,420

you learn to just basically shut up and

648

00:26:12,100 --> 00:26:10,700

not say anything even though if

649

00:26:14,620 --> 00:26:12,110

something wrong happened or if you know

650

00:26:16,990 --> 00:26:14,630

that it's wrong it's all about control I

651
00:26:19,630 --> 00:26:17,000
I totally it's it becomes more clear

652
00:26:22,360 --> 00:26:19,640
like the more stories you hear but um

653
00:26:25,870 --> 00:26:22,370
okay so you were one of like the

654
00:26:28,240 --> 00:26:25,880
youngest like you said what were they

655
00:26:33,670 --> 00:26:28,250
auditors is that correct really yeah

656
00:26:35,680 --> 00:26:33,680
yeah so yes so people who deliver the

657
00:26:37,540 --> 00:26:35,690
Scientology auditing they call them

658
00:26:39,790 --> 00:26:37,550
auditors so I was trained to be a

659
00:26:42,220 --> 00:26:39,800
Scientology auditor so I was the one on

660
00:26:45,040 --> 00:26:42,230
the opposite side of the meter so like I

661
00:26:46,990 --> 00:26:45,050
would be the one that would be giving

662
00:26:47,840 --> 00:26:47,000
the people the Scientology auditing

663
00:26:50,690 --> 00:26:47,850

process

664

00:26:52,279 --> 00:26:50,700

essentially and and helping them go up

665

00:26:54,620 --> 00:26:52,289

and then eventually what I did was is

666

00:26:56,240 --> 00:26:54,630

that when you get into the confidential

667

00:26:57,409 --> 00:26:56,250

levels of Scientology they call those

668

00:27:01,909 --> 00:26:57,419

the OT levels

669

00:27:03,740 --> 00:27:01,919

I was yeah yeah so so in the beginning I

670

00:27:05,150 --> 00:27:03,750

was trained to be an auditor at a very

671

00:27:07,880 --> 00:27:05,160

young age I started like I said when I

672

00:27:09,919 --> 00:27:07,890

was 13 and and this you said going up

673

00:27:12,320 --> 00:27:09,929

now this is what I assume is the

674

00:27:14,659 --> 00:27:12,330

spiritual bridge is that what it is yeah

675

00:27:16,390 --> 00:27:14,669

yeah so it's this sort of Scientology

676

00:27:19,010 --> 00:27:16,400

it's called the bridge to total freedom

677

00:27:20,930 --> 00:27:19,020

yeah so everybody everybody starts at

678

00:27:23,060 --> 00:27:20,940

the bottom and then step by step you do

679

00:27:24,649 --> 00:27:23,070

these certain levels and you go starting

680

00:27:27,350 --> 00:27:24,659

from the bottom the first thing that you

681

00:27:29,659 --> 00:27:27,360

do is the it's this thing called the

682

00:27:31,549 --> 00:27:29,669

purification rundown that's the thing

683

00:27:34,029 --> 00:27:31,559

where you sit in a sauna for five hours

684

00:27:36,649 --> 00:27:34,039

a day and take heavy heavy doses of

685

00:27:39,620 --> 00:27:36,659

vitamins and particularly a vitamin

686

00:27:41,060 --> 00:27:39,630

called niacin and Hubbard believed that

687

00:27:42,350 --> 00:27:41,070

like the first thing you have to do when

688

00:27:44,840 --> 00:27:42,360

you step onto the bridge to total

689

00:27:46,669 --> 00:27:44,850

freedom is you have to flush all of the

690

00:27:48,649 --> 00:27:46,679

drugs and the alcohol and the poisons

691

00:27:51,919 --> 00:27:48,659

out of your body and he believed that a

692

00:27:55,330 --> 00:27:51,929

heavy diet of multivitamins and niacin

693

00:27:58,070 --> 00:27:55,340

and sitting in a sauna you sweat out the

694

00:28:00,320 --> 00:27:58,080

toxins and the drugs that are stored in

695

00:28:02,060 --> 00:28:00,330

the fat cells of your body okay which

696

00:28:02,810 --> 00:28:02,070

has been scientifically proven to be

697

00:28:06,710 --> 00:28:02,820

horseshit

698

00:28:08,779 --> 00:28:06,720

but Scientologists still do it yeah yeah

699

00:28:12,020 --> 00:28:08,789

I could actually see that working in

700

00:28:13,940 --> 00:28:12,030

some ways but well you know I did I did

701
00:28:15,409 --> 00:28:13,950
the purification rundown twice and the

702
00:28:17,630 --> 00:28:15,419
only thing that I can say about it is

703
00:28:19,850 --> 00:28:17,640
that I lost a bunch of weight okay you

704
00:28:21,470 --> 00:28:19,860
know from sitting in a sauna for you

705
00:28:23,960 --> 00:28:21,480
know four five hours a day I felt a

706
00:28:25,640 --> 00:28:23,970
little healthier but I wouldn't

707
00:28:27,380 --> 00:28:25,650
recommend taking that much nice and I

708
00:28:30,020 --> 00:28:27,390
mean literally 5,000 milligrams of

709
00:28:31,850 --> 00:28:30,030
niacin per day right I mean I assume

710
00:28:34,549 --> 00:28:31,860
it's just can't be good for you

711
00:28:36,049 --> 00:28:34,559
no I think that would destroy somebody's

712
00:28:39,409 --> 00:28:36,059
liver if they had like a slight liver

713
00:28:42,350 --> 00:28:39,419

problem I would think yeah so anyway so

714

00:28:44,090 --> 00:28:42,360

yeah so you so I was the auditor I was

715

00:28:45,890 --> 00:28:44,100

the person that was taking people up the

716

00:28:48,080 --> 00:28:45,900

bridge from like level two level two

717

00:28:51,649 --> 00:28:48,090

level two level and how many levels are

718

00:28:54,110 --> 00:28:51,659

there like total so from the beginning

719

00:28:56,090 --> 00:28:54,120

of the bridge to the middle part which

720

00:28:57,830 --> 00:28:56,100

is where you reach a level called clear

721

00:29:00,320 --> 00:28:57,840

I'm sure people are very familiar with

722

00:29:01,520 --> 00:29:00,330

the clear thing right going that's one

723

00:29:04,660 --> 00:29:01,530

two three four five

724

00:29:07,640 --> 00:29:04,670

seven a like eight or nine levels to

725

00:29:09,650 --> 00:29:07,650

clear and then after clear then you get

726
00:29:13,100 --> 00:29:09,660
to the OT levels and right now it goes

727
00:29:16,070 --> 00:29:13,110
ot one through ot eight on the bridge

728
00:29:16,970 --> 00:29:16,080
it does go all the way up to ot 15 but

729
00:29:18,740 --> 00:29:16,980
at the moment

730
00:29:21,560 --> 00:29:18,750
ot eight is the highest you can go they

731
00:29:23,900 --> 00:29:21,570
haven't actually released ot nine and

732
00:29:25,520 --> 00:29:23,910
above yet I think that they don't even

733
00:29:27,410 --> 00:29:25,530
exist and I think it's just a carrot

734
00:29:29,270 --> 00:29:27,420
that they're dangling in front of all

735
00:29:32,240 --> 00:29:29,280
these other Scientologists to try to

736
00:29:33,890 --> 00:29:32,250
keep them on board I see yeah but who

737
00:29:37,570 --> 00:29:33,900
knows who knows what Hubbard wrote in

738
00:29:40,430 --> 00:29:37,580

the late 80s before he died who knows

739

00:29:43,340 --> 00:29:40,440

yeah we probably won't some people think

740

00:29:47,720 --> 00:29:43,350

they're the secrets lie underground but

741

00:29:49,760 --> 00:29:47,730

we'll get to that too okay so you what

742

00:29:53,210 --> 00:29:49,770

level take you personally get to Joey

743

00:29:55,370 --> 00:29:53,220

and um yeah what was what was what was

744

00:29:58,070 --> 00:29:55,380

that like when you got to that level so

745

00:30:00,590 --> 00:29:58,080

I got to OT three and ot three is like

746

00:30:03,670 --> 00:30:00,600

the Big Kahuna in Scientology because on

747

00:30:07,430 --> 00:30:03,680

ot three that's when you discover

748

00:30:09,950 --> 00:30:07,440

basically Scientology's creation story

749

00:30:11,870 --> 00:30:09,960

the story about Xenu the galactic

750

00:30:13,550 --> 00:30:11,880

Overlord of the of the Galactic

751

00:30:17,480 --> 00:30:13,560

Confederation and the horrible things

752

00:30:19,340 --> 00:30:17,490

that he did 75 million years ago yep we

753

00:30:21,290 --> 00:30:19,350

had to get there man this is a UFO

754

00:30:23,600 --> 00:30:21,300

podcast that's the very thing it's like

755

00:30:25,700 --> 00:30:23,610

so now so now we can talk about aliens

756

00:30:27,560 --> 00:30:25,710

let's so so when you're doing your

757

00:30:30,380 --> 00:30:27,570

auditing at the beginning part of the

758

00:30:31,400 --> 00:30:30,390

bridge to total freedom you don't know

759

00:30:34,400 --> 00:30:31,410

anything about this

760

00:30:37,250 --> 00:30:34,410

you know what the OT levels are but

761

00:30:39,140 --> 00:30:37,260

they're so confidential they keep those

762

00:30:41,510 --> 00:30:39,150

materials it's like going into Fort Knox

763

00:30:44,870 --> 00:30:41,520

it's like in a special building behind

764

00:30:47,030 --> 00:30:44,880

security lock doors the materials

765

00:30:49,100 --> 00:30:47,040

themselves are in these special packets

766

00:30:52,700 --> 00:30:49,110

and they're kept in like these giant

767

00:30:54,770 --> 00:30:52,710

guns saves okay and they're plugged into

768

00:30:56,000 --> 00:30:54,780

like an electronic I don't know what you

769

00:30:59,480 --> 00:30:56,010

call it but they're plugged into the

770

00:31:01,340 --> 00:30:59,490

safe and when I did the course they took

771

00:31:03,050 --> 00:31:01,350

it out of the safe they unplugged it and

772

00:31:04,940 --> 00:31:03,060

then you take it to your little table so

773

00:31:07,280 --> 00:31:04,950

you can sit down and read it and there's

774

00:31:09,170 --> 00:31:07,290

a plug on the table and you have 30

775

00:31:11,540 --> 00:31:09,180

seconds to get it from the safe to the

776
00:31:12,980 --> 00:31:11,550
table otherwise the alarms go off and

777
00:31:14,690 --> 00:31:12,990
the doors shut and security comes

778
00:31:15,289 --> 00:31:14,700
running in I mean they take this

779
00:31:18,169 --> 00:31:15,299
very very

780
00:31:20,060 --> 00:31:18,179
yeah so when you're going up the bridge

781
00:31:24,499 --> 00:31:20,070
you have no idea what's on these levels

782
00:31:26,119 --> 00:31:24,509
I didn't at least and you know you see

783
00:31:27,560 --> 00:31:26,129
the stuff going on you're like wow this

784
00:31:29,239 --> 00:31:27,570
stuff must be heavy like if they're

785
00:31:31,070 --> 00:31:29,249
protecting it this much it must be like

786
00:31:32,539 --> 00:31:31,080
serious and they put you through the

787
00:31:34,580 --> 00:31:32,549
wringer that you have to get tons of

788
00:31:36,979 --> 00:31:34,590

security checking to make sure that

789

00:31:38,180 --> 00:31:36,989

you're you're safe - I mean safe under

790

00:31:39,560 --> 00:31:38,190

their eyes to actually read the

791

00:31:42,970 --> 00:31:39,570

materials and then when you finally read

792

00:31:44,930 --> 00:31:42,980

them I was 18 when I did it and I was so

793

00:31:47,149 --> 00:31:44,940

brainwashed into it I was so

794

00:31:49,009 --> 00:31:47,159

indoctrinated I had pretty much no

795

00:31:50,899 --> 00:31:49,019

choice but to believe all the that

796

00:31:53,299 --> 00:31:50,909

I read in it now you know I think it's

797

00:31:55,519 --> 00:31:53,309

completely ridiculous but at the time I

798

00:31:58,009 --> 00:31:55,529

actually really truly believed that that

799

00:32:01,220 --> 00:31:58,019

that was the answer I was like oh okay I

800

00:32:03,710 --> 00:32:01,230

was I was nothing it was nothing like it

801
00:32:05,060 --> 00:32:03,720
that I had ever expected to do it and

802
00:32:07,340 --> 00:32:05,070
then the thing is is that once you read

803
00:32:10,279 --> 00:32:07,350
it then you have to go in session and

804
00:32:11,899 --> 00:32:10,289
you have to do the auditing to fix the

805
00:32:14,080 --> 00:32:11,909
whole thing of what he said was the

806
00:32:20,029 --> 00:32:14,090
problem was and it's a very complicated

807
00:32:21,680 --> 00:32:20,039
very convoluted so that's interesting

808
00:32:25,989 --> 00:32:21,690
because you know we've heard when people

809
00:32:29,210 --> 00:32:25,999
get to the the creation story - ot3 that

810
00:32:31,369 --> 00:32:29,220
people like Leah she she was like oh my

811
00:32:33,289 --> 00:32:31,379
god this is such and then right

812
00:32:36,019 --> 00:32:33,299
there's someone like you who was like

813
00:32:38,090 --> 00:32:36,029

okay I'm gonna run with this like every

814

00:32:40,549 --> 00:32:38,100

religion has like a myth Oh Sarah

815

00:32:43,519 --> 00:32:40,559

mythology to it I yeah guess this is

816

00:32:45,440 --> 00:32:43,529

ours so this is our is that kind of what

817

00:32:47,479 --> 00:32:45,450

you went with when this whole story of

818

00:32:50,720 --> 00:32:47,489

Xenu which I would love if you could

819

00:32:53,299 --> 00:32:50,730

like kind of tell us about if you don't

820

00:32:56,060 --> 00:32:53,309

know this whole story of Xenu and things

821

00:32:58,430 --> 00:32:56,070

and oh god I know it's very confident

822

00:33:00,830 --> 00:32:58,440

but again it is were UFO podcasts were

823

00:33:02,749 --> 00:33:00,840

used to that yeah exactly and also too

824

00:33:04,039 --> 00:33:02,759

by the way the thing with Leah I know

825

00:33:06,019 --> 00:33:04,049

that she first thought that it was

826

00:33:07,639 --> 00:33:06,029

but again she couldn't say

827

00:33:09,049 --> 00:33:07,649

anything because again you're not

828

00:33:12,229 --> 00:33:09,059

supposed to say anything negative you're

829

00:33:14,810 --> 00:33:12,239

not supposed to disagree and the ot3

830

00:33:18,070 --> 00:33:14,820

materials most of them are in Hubbard's

831

00:33:21,680 --> 00:33:18,080

handwriting they are non disputable and

832

00:33:23,269 --> 00:33:21,690

and by the way all of the ot3 materials

833

00:33:25,909 --> 00:33:23,279

you can find it on the internet now in

834

00:33:27,320 --> 00:33:25,919

his handwriting so they're not really

835

00:33:28,820 --> 00:33:27,330

that big of a secret anymore but

836

00:33:29,139 --> 00:33:28,830

Scientology still pretends that they

837

00:33:31,539 --> 00:33:29,149

don't

838

00:33:34,299 --> 00:33:31,549

just anywhere else outside of the

839

00:33:35,950 --> 00:33:34,309

outside of the confines of Fort Knox but

840

00:33:39,009 --> 00:33:35,960

yeah no that's what I sort of believed I

841

00:33:40,869 --> 00:33:39,019

was like oh well if I ron Hubbard

842

00:33:42,399 --> 00:33:40,879

says that it is than it is must be true

843

00:33:44,079 --> 00:33:42,409

because that's the thing that you were

844

00:33:45,849 --> 00:33:44,089

taught and you were indoctrinated into

845

00:33:48,489 --> 00:33:45,859

believing you can't dispute anything

846

00:33:50,560 --> 00:33:48,499

that he says what's written is what's

847

00:33:52,899 --> 00:33:50,570

true if he wrote it then it must be true

848

00:33:55,089 --> 00:33:52,909

he could have told you whatever he

849

00:33:56,950 --> 00:33:55,099

wanted to in the world and he would have

850

00:33:58,869 --> 00:33:56,960

had to have and that and that and that

851

00:34:01,060 --> 00:33:58,879

was it and if you disputed it or if he

852

00:34:02,709 --> 00:34:01,070

had a problem with it then you would go

853

00:34:04,029 --> 00:34:02,719

back to ethics and nobody wants to do

854

00:34:05,919 --> 00:34:04,039

that so of course what do you do you

855

00:34:12,700 --> 00:34:05,929

keep your mouth shut so what is the

856

00:34:14,769 --> 00:34:12,710

creation story okay do you enjoy true

857

00:34:17,500 --> 00:34:14,779

stories of the supernatural from the

858

00:34:19,930 --> 00:34:17,510

people who experienced it well then you

859

00:34:22,629 --> 00:34:19,940

might like my show Jim Harold's campfire

860

00:34:26,409 --> 00:34:22,639

hi I'm Jim and we've been doing the show

861

00:34:29,109 --> 00:34:26,419

since 2009 and we talk about ghosts

862

00:34:31,419 --> 00:34:29,119

cryptic creatures UFOs head scratchers

863

00:34:34,089 --> 00:34:31,429

you name it and you tune in you might

864

00:34:37,419 --> 00:34:34,099

hear a story like this one and as he was

865

00:34:40,899 --> 00:34:37,429

driving home he encountered a shadow

866

00:34:44,200 --> 00:34:40,909

person who seemed to be dressed like a

867

00:34:47,200 --> 00:34:44,210

monk I know that sounds very strange but

868

00:34:50,309 --> 00:34:47,210

it was a solid black form and it was

869

00:34:54,970 --> 00:34:50,319

wearing a hooded cloak tied at the waist

870

00:34:58,839 --> 00:34:54,980

with the cloak up and it had glowing red

871

00:35:02,859 --> 00:34:58,849

eyes he sees this thing coming out of a

872

00:35:04,630 --> 00:35:02,869

really teeny abandoned Cemetery if you

873

00:35:07,089 --> 00:35:04,640

haven't tuned in I hope you'll check us

874

00:35:10,059 --> 00:35:07,099

out you can find us on Apple podcasts

875

00:35:12,730 --> 00:35:10,069

Spotify and wherever podcasts are heard

876

00:35:14,680 --> 00:35:12,740

it's Jim Harold's campfire and you can

877

00:35:19,700 --> 00:35:14,690

find it at Jim Harold calm

878

00:35:26,200 --> 00:35:23,150

so basically what happened is is that 75

879

00:35:28,880 --> 00:35:26,210

million years ago earth is part of a

880

00:35:32,450 --> 00:35:28,890

Galactic Confederation of planets and

881

00:35:36,799 --> 00:35:32,460

our planet the original name for Earth

882

00:35:38,180 --> 00:35:36,809

is called T G AK and T G AK Earth has

883

00:35:39,500 --> 00:35:38,190

been sort of a dumping ground for

884

00:35:41,450 --> 00:35:39,510

millions and millions and millions of

885

00:35:43,220 --> 00:35:41,460

years this is like the really like the

886

00:35:44,809 --> 00:35:43,230

shittiest planet and the in the whole

887

00:35:48,260 --> 00:35:44,819

Confederation I think he said there was

888

00:35:51,349 --> 00:35:48,270

76 or 77 planets or something so there

889

00:35:53,630 --> 00:35:51,359

was a huge overpopulation problem with

890

00:35:56,270 --> 00:35:53,640

most of the other planets so what Xenu

891

00:35:58,480 --> 00:35:56,280

decided to do is he decided to fix the

892

00:36:02,660 --> 00:35:58,490

population problem he gathered up

893

00:36:06,170 --> 00:36:02,670

billions and billions of people aliens

894

00:36:08,839 --> 00:36:06,180

and put them in the spaceships that he

895

00:36:10,190 --> 00:36:08,849

said look like dc-8 air airplanes except

896

00:36:13,010 --> 00:36:10,200

they had rocket engines on them and not

897

00:36:16,130 --> 00:36:13,020

propellers nice and so billions of these

898

00:36:17,540 --> 00:36:16,140

of these people aliens you know aliens

899

00:36:18,890 --> 00:36:17,550

from different types of bodies and

900

00:36:21,799 --> 00:36:18,900

things like that different types of

901
00:36:24,020 --> 00:36:21,809
creatures brought them all to earth blew

902
00:36:26,089 --> 00:36:24,030
them up in volcanoes and then trap them

903
00:36:28,069 --> 00:36:26,099
all so now remember of Scientology's

904
00:36:31,400 --> 00:36:28,079
basic belief is that you are not your

905
00:36:33,230 --> 00:36:31,410
body you are a soul you are a spiritual

906
00:36:37,010 --> 00:36:33,240
being and this the word that Scientology

907
00:36:40,039 --> 00:36:37,020
uses for spirit is called a Satan so

908
00:36:42,049 --> 00:36:40,049
you're it so you're a Satan you have a

909
00:36:43,579 --> 00:36:42,059
body and you have a mind those are the

910
00:36:47,359 --> 00:36:43,589
those are the three different parts of

911
00:36:48,650 --> 00:36:47,369
man so we so all of these people that he

912
00:36:50,359 --> 00:36:48,660
brought to earth and put them on the

913
00:36:51,500 --> 00:36:50,369

different volcanoes across her sand blew

914

00:36:53,720 --> 00:36:51,510

them up with h-bombs

915

00:36:55,160 --> 00:36:53,730

their bodies are dead but the fate ins

916

00:36:57,770 --> 00:36:55,170

are still there their souls are still

917

00:36:59,630 --> 00:36:57,780

there so he figured out a way to trap

918

00:37:02,980 --> 00:36:59,640

all of these Staton's and basically what

919

00:37:05,480 --> 00:37:02,990

he did is he boxed him up in boxes and

920

00:37:08,569 --> 00:37:05,490

compacted them to solve the

921

00:37:11,480 --> 00:37:08,579

overpopulation problem so now as a

922

00:37:14,120 --> 00:37:11,490

result of that incident that happened 75

923

00:37:16,069 --> 00:37:14,130

million years ago everybody walking on

924

00:37:21,260 --> 00:37:16,079

this planet today we are all composite

925

00:37:23,450 --> 00:37:21,270

creatures so you Ryan have hundreds of

926

00:37:24,980 --> 00:37:23,460

thousands of thetan that are stuck to

927

00:37:27,440 --> 00:37:24,990

you and stuck to your body

928

00:37:29,420 --> 00:37:27,450

I knew that are right so every single

929

00:37:31,460 --> 00:37:29,430

person walking around is not just one

930

00:37:33,560 --> 00:37:31,470

thetan it's not just one soul you have

931

00:37:36,500 --> 00:37:33,570

hundreds of thousands of fate ins that

932

00:37:38,810 --> 00:37:36,510

stuck to you so when you learn this in

933

00:37:39,890 --> 00:37:38,820

Scientology that's the first thing you

934

00:37:41,900 --> 00:37:39,900

read is Hubbard tells you the whole

935

00:37:44,810 --> 00:37:41,910

stories like Xenu came in and he did all

936

00:37:46,550 --> 00:37:44,820

this stuff and you know it's a very long

937

00:37:49,760 --> 00:37:46,560

and complicated process I think that

938

00:37:51,140 --> 00:37:49,770

whole sequence of events where he blew

939

00:37:53,660 --> 00:37:51,150

them up in the volcanoes and stuff it

940

00:37:55,430 --> 00:37:53,670

lasted for like months or something like

941

00:37:57,890 --> 00:37:55,440

that I can imagine it's a very

942

00:38:01,340 --> 00:37:57,900

complicated process oh yeah so then so

943

00:38:03,830 --> 00:38:01,350

then once you read that then you go okay

944

00:38:05,480 --> 00:38:03,840

so now that I know that there's millions

945

00:38:07,150 --> 00:38:05,490

of people or hundreds of thousands of

946

00:38:09,020 --> 00:38:07,160

people that are stuck to me what do I do

947

00:38:12,020 --> 00:38:09,030

Hubbard had a solution for everything

948

00:38:13,970 --> 00:38:12,030

you audit them you have to audit each of

949

00:38:14,690 --> 00:38:13,980

the individual souls this is how you

950

00:38:18,710 --> 00:38:14,700

handle it

951
00:38:22,310 --> 00:38:18,720
so using basic Scientology technology

952
00:38:24,890 --> 00:38:22,320
you go through one by one throughout

953
00:38:27,260 --> 00:38:24,900
your entire body and and around your

954
00:38:29,510 --> 00:38:27,270
body to find each of these statements

955
00:38:31,790 --> 00:38:29,520
and you talk to them figure out what

956
00:38:34,520 --> 00:38:31,800
their problem is and get them to leave

957
00:38:36,950 --> 00:38:34,530
by using basic Scientology processes

958
00:38:40,010 --> 00:38:36,960
that that in itself takes a very long

959
00:38:42,350 --> 00:38:40,020
time so starting from ot3 all the way up

960
00:38:43,550 --> 00:38:42,360
through ot seven that's the only thing

961
00:38:47,120 --> 00:38:43,560
that you're doing is your is your

962
00:38:49,760 --> 00:38:47,130
auditing these thetans I'm kind of stuck

963
00:38:51,710 --> 00:38:49,770

to you to get them to leave and what

964

00:38:53,230 --> 00:38:51,720

Hubbard said was is that each of these

965

00:38:57,050 --> 00:38:53,240

Staton's that are stuck to you are

966

00:38:58,700 --> 00:38:57,060

negative emotions and pains and diseases

967

00:38:59,990 --> 00:38:58,710

and all of these other things that he

968

00:39:01,610 --> 00:39:00,000

originally was talking about in

969

00:39:04,520 --> 00:39:01,620

Dianetics it's like oh well the whole

970

00:39:06,800 --> 00:39:04,530

reason why people get sick is because of

971

00:39:08,150 --> 00:39:06,810

the reactive mind and then as the years

972

00:39:10,070 --> 00:39:08,160

went on he was like actually it's not

973

00:39:12,680 --> 00:39:10,080

true it's because of these Staton's that

974

00:39:15,440 --> 00:39:12,690

are stuck to you so the more Satan's you

975

00:39:17,860 --> 00:39:15,450

get rid of it's so insane when I say it

976

00:39:20,060 --> 00:39:17,870

like whatever I tell the story yeah so

977

00:39:21,950 --> 00:39:20,070

basically he was saying the more you

978

00:39:23,660 --> 00:39:21,960

audit these Satan's and the more the

979

00:39:24,260 --> 00:39:23,670

Satan's that you get rid of off of

980

00:39:27,080 --> 00:39:24,270

yourself

981

00:39:28,490 --> 00:39:27,090

the happier you'll be the less problems

982

00:39:29,930 --> 00:39:28,500

you'll have and all this other stuff so

983

00:39:32,240 --> 00:39:29,940

that's the in a nutshell that's the

984

00:39:35,570 --> 00:39:32,250

basic gist of what you learn and what

985

00:39:38,810 --> 00:39:35,580

you do on our t3 okay all right well

986

00:39:41,840 --> 00:39:38,820

thank you that was I mean it's very

987

00:39:44,030 --> 00:39:41,850

convoluted but it actually like when you

988

00:39:46,310 --> 00:39:44,040

hear it like that I'm like okay so he

989

00:39:46,940 --> 00:39:46,320

basically took his original thoughts and

990

00:39:48,770 --> 00:39:46,950

ideas

991

00:39:51,380 --> 00:39:48,780

in applied this very science-fiction

992

00:39:54,950 --> 00:39:51,390

esque slant to it all which make sense

993

00:39:57,650 --> 00:39:54,960

so I mean so body faden's they can get

994

00:40:00,680 --> 00:39:57,660

all over you you're trying to get rid of

995

00:40:03,950 --> 00:40:00,690

them through oddity and so do they once

996

00:40:06,470 --> 00:40:03,960

they're off of you do they go to someone

997

00:40:10,579 --> 00:40:06,480

else or can they come back how does that

998

00:40:14,539 --> 00:40:10,589

all work I will read you the exact thing

999

00:40:17,630 --> 00:40:14,549

that Hubbard wrote about that in one of

1000

00:40:19,609 --> 00:40:17,640

the in in in one of the policies that he

1001
00:40:21,950 --> 00:40:19,619
wrote on the on the ot3 course he says

1002
00:40:24,200 --> 00:40:21,960
body things are just Satan's that are

1003
00:40:26,089 --> 00:40:24,210
stuck to you when you get rid of one he

1004
00:40:29,359 --> 00:40:26,099
goes off and possibly squares around

1005
00:40:31,700 --> 00:40:29,369
picks up another body or admires daisies

1006
00:40:33,170 --> 00:40:31,710
so basically what he's saying there is

1007
00:40:35,480 --> 00:40:33,180
is that they can basically do whatever

1008
00:40:38,450 --> 00:40:35,490
they want I see because they've been

1009
00:40:39,980 --> 00:40:38,460
stuck to you for 75 million years this

1010
00:40:42,920 --> 00:40:39,990
is the first time that they're actually

1011
00:40:45,380 --> 00:40:42,930
like on their own and a single Phaeton

1012
00:40:47,000 --> 00:40:45,390
so he could go and find another body

1013
00:40:49,970 --> 00:40:47,010

because you know Scientologists believe

1014

00:40:51,410 --> 00:40:49,980

in past lives and we've all lived you

1015

00:40:53,180 --> 00:40:51,420

know millions upon millions upon

1016

00:40:55,670 --> 00:40:53,190

millions of lifetimes and all this other

1017

00:40:57,380 --> 00:40:55,680

crap so he could go pick up another body

1018

00:40:59,480 --> 00:40:57,390

he could go sniff the daisies he can

1019

00:41:02,089 --> 00:40:59,490

basically do whatever they want so yeah

1020

00:41:04,700 --> 00:41:02,099

it's it's almost like a threat but it

1021

00:41:08,210 --> 00:41:04,710

could return if it wants to and the

1022

00:41:10,789 --> 00:41:08,220

cycle just keeps going in a way it could

1023

00:41:13,730 --> 00:41:10,799

be but but at the same time Hubbard said

1024

00:41:16,549 --> 00:41:13,740

that like a regular thetan if you if you

1025

00:41:17,960 --> 00:41:16,559

do Scientology auditing on someone you

1026
00:41:20,089 --> 00:41:17,970
know could be you or could be me and

1027
00:41:22,099 --> 00:41:20,099
it's supposed to make them better it's

1028
00:41:23,839 --> 00:41:22,109
the same thing with a body thing one of

1029
00:41:25,400 --> 00:41:23,849
the guys that are stuck to you hi so if

1030
00:41:27,829 --> 00:41:25,410
you audit them so if you audit them on

1031
00:41:29,539 --> 00:41:27,839
Scientology it's the same thing they're

1032
00:41:31,069 --> 00:41:29,549
gonna be a little bit better than they

1033
00:41:33,440 --> 00:41:31,079
were before and they're gonna hopefully

1034
00:41:34,640 --> 00:41:33,450
not get back into that vicious cycle all

1035
00:41:37,400 --> 00:41:34,650
over again okay

1036
00:41:40,250 --> 00:41:37,410
so Joey being that you were like one of

1037
00:41:42,950 --> 00:41:40,260
the prime auditors I've heard rumors

1038
00:41:45,520 --> 00:41:42,960

that auditing sessions are recorded is

1039

00:41:49,280 --> 00:41:45,530

this true if so why yeah being recorded

1040

00:41:51,140 --> 00:41:49,290

yes absolutely will that's terrifying

1041

00:41:52,970 --> 00:41:51,150

it really is terrifying because when

1042

00:41:55,069 --> 00:41:52,980

you're getting auditing especially

1043

00:41:58,309 --> 00:41:55,079

during like the security checking you're

1044

00:42:00,410 --> 00:41:58,319

telling these guys as they did to me

1045

00:42:00,859 --> 00:42:00,420

they're they're telling me their deepest

1046

00:42:04,309 --> 00:42:00,869

darkest

1047

00:42:06,829 --> 00:42:04,319

secrets right like in full detail their

1048

00:42:08,420 --> 00:42:06,839

most personal thoughts really

1049

00:42:10,880 --> 00:42:08,430

embarrassing things that they've done

1050

00:42:12,380 --> 00:42:10,890

like really like secretive stuff and the

1051
00:42:15,650 --> 00:42:12,390
reason why that they say that they do

1052
00:42:19,009 --> 00:42:15,660
all the recordings of everything is for

1053
00:42:22,430 --> 00:42:19,019
the purpose of the auditor so like when

1054
00:42:23,960 --> 00:42:22,440
I used to audit at the big blue at the

1055
00:42:26,089 --> 00:42:23,970
big blue buildings down on Sunset

1056
00:42:27,710 --> 00:42:26,099
Boulevard every single time that I would

1057
00:42:29,569 --> 00:42:27,720
go into one of the little auditing rooms

1058
00:42:31,970 --> 00:42:29,579
to take someone a session everything was

1059
00:42:33,499 --> 00:42:31,980
recorded so then the person who is in

1060
00:42:35,749 --> 00:42:33,509
charge of the auditing they called them

1061
00:42:38,329 --> 00:42:35,759
the case supervisor they have a little

1062
00:42:40,970 --> 00:42:38,339
look in system where they can they have

1063
00:42:42,799 --> 00:42:40,980

a TV in their office and they look in on

1064

00:42:44,180 --> 00:42:42,809

everybody sessions they can just kind of

1065

00:42:46,249 --> 00:42:44,190

pop in you know by pressing a button

1066

00:42:48,829 --> 00:42:46,259

they say it's for the purpose of

1067

00:42:50,839 --> 00:42:48,839

correcting the auditor if the auditor

1068

00:42:52,789 --> 00:42:50,849

made a mistake which is true because

1069

00:42:54,890 --> 00:42:52,799

sometimes he like I would do something

1070

00:42:56,749 --> 00:42:54,900

that was technically not correct and

1071

00:42:58,279 --> 00:42:56,759

they would say like Oh Joey the session

1072

00:43:00,529 --> 00:42:58,289

that you did yesterday I watched the

1073

00:43:02,359 --> 00:43:00,539

video and you did you forgot to do this

1074

00:43:04,880 --> 00:43:02,369

you or you forgot to do that and then I

1075

00:43:06,229 --> 00:43:04,890

would be sent to correction but the real

1076

00:43:07,640 --> 00:43:06,239

reason that they want to do it is so

1077

00:43:09,979 --> 00:43:07,650

that they have a record of everything

1078

00:43:12,739 --> 00:43:09,989

that the person ever says because they

1079

00:43:14,599 --> 00:43:12,749

auditors write everything down whenever

1080

00:43:16,039 --> 00:43:14,609

you go into a session you're supposed to

1081

00:43:18,769 --> 00:43:16,049

write down everything that you do and

1082

00:43:21,200 --> 00:43:18,779

everything that the patient says but

1083

00:43:22,670 --> 00:43:21,210

it's mostly shorthand but if you have it

1084

00:43:25,640 --> 00:43:22,680

on video and if you have a sound

1085

00:43:27,410 --> 00:43:25,650

recording of it there's no dispute as to

1086

00:43:29,180 --> 00:43:27,420

what happened and what they said because

1087

00:43:30,589 --> 00:43:29,190

the auditor can write down anything that

1088

00:43:31,910 --> 00:43:30,599

they want and if there wasn't a video

1089

00:43:35,390 --> 00:43:31,920

that nobody would really ever know

1090

00:43:38,420 --> 00:43:35,400

that's a good point yeah mm-hmm but this

1091

00:43:40,910 --> 00:43:38,430

was the person being audited they were

1092

00:43:44,299 --> 00:43:40,920

not aware right that this is being

1093

00:43:47,150 --> 00:43:44,309

recorded correct right see that's me it

1094

00:43:49,729 --> 00:43:47,160

just it's making me envision all these

1095

00:43:52,309 --> 00:43:49,739

times I went to confession in my Roman

1096

00:43:54,529 --> 00:43:52,319

Catholic Church and I did tell them

1097

00:43:56,660 --> 00:43:54,539

things that nobody on this earth would

1098

00:43:58,579 --> 00:43:56,670

know and that terrifies me to think that

1099

00:44:01,940 --> 00:43:58,589

whoa my religion could have been doing

1100

00:44:03,799 --> 00:44:01,950

the same thing no in really embarrassing

1101

00:44:06,170 --> 00:44:03,809

- it's like people told me some

1102

00:44:08,239 --> 00:44:06,180

really really personal thing and the

1103

00:44:11,420 --> 00:44:08,249

other thing too is is that over the

1104

00:44:14,029 --> 00:44:11,430

years since I have left Scientology a

1105

00:44:14,810 --> 00:44:14,039

lot of the cameras because I still talk

1106

00:44:16,400 --> 00:44:14,820

to people that are

1107

00:44:18,860 --> 00:44:16,410

in Scientology they're just kind of

1108

00:44:20,480 --> 00:44:18,870

laying low under the radar they would

1109

00:44:22,220 --> 00:44:20,490

never speak out about it because they're

1110

00:44:24,470 --> 00:44:22,230

obviously afraid of losing their family

1111

00:44:26,750 --> 00:44:24,480

or friends but they've called me and

1112

00:44:28,670 --> 00:44:26,760

told me things like now the Kent because

1113

00:44:30,440 --> 00:44:28,680

before the cameras you could kind of see

1114

00:44:33,710 --> 00:44:30,450

them and you sort of knew that they were

1115

00:44:36,680 --> 00:44:33,720

there but now they're hidden like they

1116

00:44:40,280 --> 00:44:36,690

literally hide cameras in like I think

1117

00:44:42,020 --> 00:44:40,290

at the at the the Church of Scientology

1118

00:44:44,450 --> 00:44:42,030

the one that's in Florida the one in

1119

00:44:48,860 --> 00:44:44,460

Clearwater the huge one they hide they

1120

00:44:50,660 --> 00:44:48,870

hide the cameras behind a photo frame on

1121

00:44:52,970 --> 00:44:50,670

the wall and there's a microphone it's

1122

00:44:54,590 --> 00:44:52,980

hidden underneath the table back in the

1123

00:44:57,830 --> 00:44:54,600

day when I was doing my auditing in the

1124

00:44:59,960 --> 00:44:57,840

mid 90s like there was a full-on camera

1125

00:45:01,580 --> 00:44:59,970

there that we could that that that

1126

00:45:03,770 --> 00:45:01,590

everybody could see there was no

1127

00:45:05,540 --> 00:45:03,780

question about it but now it's

1128

00:45:07,400 --> 00:45:05,550

completely hidden oh well you know we

1129

00:45:08,690 --> 00:45:07,410

don't want to distract the we don't want

1130

00:45:10,460 --> 00:45:08,700

to distract the patient you know whether

1131

00:45:12,200 --> 00:45:10,470

while they're getting their auditing but

1132

00:45:14,540 --> 00:45:12,210

it's like if you're a new Scientologist

1133

00:45:16,340 --> 00:45:14,550

or if you had no eye or if you have no

1134

00:45:17,840 --> 00:45:16,350

auditor training whatsoever you wouldn't

1135

00:45:21,550 --> 00:45:17,850

know that the thing was being recorded

1136

00:45:25,160 --> 00:45:21,560

at all right so right it's scary

1137

00:45:27,650 --> 00:45:25,170

scary and you know we kind of assumed

1138

00:45:29,510 --> 00:45:27,660

why they were doing that when when

1139

00:45:31,930 --> 00:45:29,520

someone does decide to try to leave the

1140

00:45:34,820 --> 00:45:31,940

church you know you have oh yeah so much

1141

00:45:37,670 --> 00:45:34,830

people they have so much dirt on them

1142

00:45:39,290 --> 00:45:37,680

yeah so much so much dirt on them I want

1143

00:45:42,520 --> 00:45:39,300

to get later on with some of the

1144

00:45:45,350 --> 00:45:42,530

celebrity members but but yeah okay yeah

1145

00:45:49,580 --> 00:45:45,360

we'll save that for the second part but

1146

00:45:51,380 --> 00:45:49,590

okay so the creation story so Xenu is

1147

00:45:54,080 --> 00:45:51,390

there anything else within Scientology

1148

00:45:56,210 --> 00:45:54,090

that involves UFOs or aliens or is this

1149

00:45:59,120 --> 00:45:56,220

kind of the one mythology that

1150

00:46:02,030 --> 00:45:59,130

Scientology stands by there's actually a

1151
00:46:04,160 --> 00:46:02,040
lot a lot more really and okay yeah you

1152
00:46:06,890 --> 00:46:04,170
you learn about because remember in

1153
00:46:10,460 --> 00:46:06,900
Scientology you learn very very early on

1154
00:46:12,980 --> 00:46:10,470
of Hubbard's concept of Satan's and you

1155
00:46:15,410 --> 00:46:12,990
know you yourself are a Satan and you

1156
00:46:17,390 --> 00:46:15,420
have past live stuff like that and then

1157
00:46:19,160 --> 00:46:17,400
there's a particular there's a

1158
00:46:20,960 --> 00:46:19,170
particular series of books in

1159
00:46:23,210 --> 00:46:20,970
Scientology they're called the research

1160
00:46:24,830 --> 00:46:23,220
and discovery volume bugs it's like I

1161
00:46:25,490 --> 00:46:24,840
think it's a volume of like seven or

1162
00:46:28,610 --> 00:46:25,500
eight of them

1163
00:46:30,320 --> 00:46:28,620

there are transcripts of a bug

1164

00:46:33,500 --> 00:46:30,330
of lectures that Hubbard did in the

1165

00:46:36,520 --> 00:46:33,510
early 1950s and going into like 1960

1166

00:46:38,990 --> 00:46:36,530
something where he talks about there's a

1167

00:46:41,690 --> 00:46:39,000
lecture I forget the name of it but I

1168

00:46:44,540 --> 00:46:41,700
but I remember very very vividly what he

1169

00:46:46,490 --> 00:46:44,550
was talking about and you know he's just

1170

00:46:47,990 --> 00:46:46,500
casually giving a lecture to people he's

1171

00:46:50,330 --> 00:46:48,000
like oh you know because he believed

1172

00:46:51,890 --> 00:46:50,340
that he could leave his body and you

1173

00:46:53,000 --> 00:46:51,900
know travel to different places and

1174

00:46:54,820 --> 00:46:53,010
things like that you know kind of like

1175

00:46:57,320 --> 00:46:54,830
teleportation and things like that are

1176
00:46:59,900 --> 00:46:57,330
so he was talking about leaving his body

1177
00:47:01,640 --> 00:46:59,910
and he was like oh well you know

1178
00:47:02,960 --> 00:47:01,650
yesterday I went up to the Van Allen

1179
00:47:04,520 --> 00:47:02,970
belt and I was just sitting there just

1180
00:47:06,050 --> 00:47:04,530
looking at the stars and stuff like that

1181
00:47:08,270 --> 00:47:06,060
the Van Allen belt is that it's that

1182
00:47:10,910 --> 00:47:08,280
layer of radiation that surrounds earth

1183
00:47:12,320 --> 00:47:10,920
I think is what it is okay okay and so

1184
00:47:13,700 --> 00:47:12,330
he was talking about yeah I'm I was

1185
00:47:15,590 --> 00:47:13,710
sitting up at the Van Allen belt and

1186
00:47:18,110 --> 00:47:15,600
like God do you guys have any idea how

1187
00:47:19,910 --> 00:47:18,120
warm it is up in space it was really

1188
00:47:23,030 --> 00:47:19,920

really weird and then he was telling the

1189

00:47:25,160 --> 00:47:23,040

story and like he and then he had had a

1190

00:47:26,840 --> 00:47:25,170

fleeting thought of like how he would

1191

00:47:29,270 --> 00:47:26,850

like to go to Mars and then he like

1192

00:47:33,200 --> 00:47:29,280

popped like immediately popped him went

1193

00:47:37,040 --> 00:47:33,210

straight to a an alien army base on Mars

1194

00:47:39,020 --> 00:47:37,050

and so so these are things that he said

1195

00:47:40,100 --> 00:47:39,030

in his lecture so when you're a kid or

1196

00:47:42,350 --> 00:47:40,110

when you're a young person in

1197

00:47:44,150 --> 00:47:42,360

Scientology reading about these stories

1198

00:47:47,000 --> 00:47:44,160

and like he was talking about this thing

1199

00:47:50,900 --> 00:47:47,010

called the v invader forces and there

1200

00:47:51,380 --> 00:47:50,910

are an army of aliens that had a base on

1201

00:47:55,160 --> 00:47:51,390

Mars

1202

00:47:56,570 --> 00:47:55,170

and apparently what he taught I don't

1203

00:47:58,790 --> 00:47:56,580

remember the exact story but basically

1204

00:48:00,710 --> 00:47:58,800

what he said was is that these different

1205

00:48:03,110 --> 00:48:00,720

waves of these alien forces they would

1206

00:48:04,760 --> 00:48:03,120

take the criminals and they would take

1207

00:48:06,620 --> 00:48:04,770

the bad people from other planets and

1208

00:48:09,350 --> 00:48:06,630

they would dump them on earth so he

1209

00:48:13,490 --> 00:48:09,360

called earth like basically a prison for

1210

00:48:15,590 --> 00:48:13,500

the whole galaxy and and we were sort of

1211

00:48:18,320 --> 00:48:15,600

like the last dumping ground for people

1212

00:48:19,700 --> 00:48:18,330

that they were trying to reheat the

1213

00:48:21,560 --> 00:48:19,710

criminals that they were trying to

1214

00:48:23,090 --> 00:48:21,570

rehabilitate on other planets and things

1215

00:48:26,270 --> 00:48:23,100

like that so Christie so it's like

1216

00:48:28,340 --> 00:48:26,280

Australia almost almost yes so earth is

1217

00:48:30,470 --> 00:48:28,350

like the galaxies Australia but again

1218

00:48:32,690 --> 00:48:30,480

none of that stuff is confidential you

1219

00:48:36,190 --> 00:48:32,700

can go into and - excuse me go into any

1220

00:48:39,200 --> 00:48:36,200

Church of Scientology and read about the

1221

00:48:40,730 --> 00:48:39,210

v of data forces and then he and then

1222

00:48:42,330 --> 00:48:40,740

the and then the thing about the Van

1223

00:48:44,750 --> 00:48:42,340

Allen belt he talks about having

1224

00:48:47,730 --> 00:48:44,760

bodies in pond where you have like a

1225

00:48:49,170 --> 00:48:47,740

twin or an exact copy of the body but

1226

00:48:50,760 --> 00:48:49,180

it's an alien body on a very very

1227

00:48:52,290 --> 00:48:50,770

distant planet you can go in and read

1228

00:48:54,330 --> 00:48:52,300

all that stuff he doesn't hide it you

1229

00:48:56,160 --> 00:48:54,340

take be clear after pre-clear after

1230

00:48:58,140 --> 00:48:56,170

briefly after paper you put up on

1231

00:49:00,120 --> 00:48:58,150

emitters you try to run them you try to

1232

00:49:10,770 --> 00:49:00,130

do this you try to do that straight on

1233

00:49:14,490 --> 00:49:10,780

and you body's communications spaceships

1234

00:49:24,750 --> 00:49:14,500

other planets locations beingness in

1235

00:49:27,390 --> 00:49:24,760

other states the thing you don't learn

1236

00:49:30,150 --> 00:49:27,400

about are the body Satan's in Xenu those

1237

00:49:32,340 --> 00:49:30,160

you don't learn until ot 3 I say see but

1238

00:49:35,910 --> 00:49:32,350

there's a lot of stuff about aliens and

1239

00:49:37,560 --> 00:49:35,920

UFOs and bases and things like that and

1240

00:49:39,240 --> 00:49:37,570

it's and it's I thought it was really

1241

00:49:40,980 --> 00:49:39,250

cool when I was a kid I was like oh this

1242

00:49:43,560 --> 00:49:40,990

is so cool I want to leave my body

1243

00:49:45,690 --> 00:49:43,570

invite just pop up to the pop up to the

1244

00:49:47,280 --> 00:49:45,700

Mars base and things like that you know

1245

00:49:49,440 --> 00:49:47,290

I was like this is awesome

1246

00:49:52,440 --> 00:49:49,450

dude I mean I was just going to say that

1247

00:49:54,540 --> 00:49:52,450

as a person interested in all this stuff

1248

00:49:57,480 --> 00:49:54,550

since a very early age I would have

1249

00:50:00,000 --> 00:49:57,490

eaten that up knowing like actually

1250

00:50:02,250 --> 00:50:00,010

part of like the head of my religion

1251
00:50:03,810 --> 00:50:02,260
that would have like I would have been a

1252
00:50:05,760 --> 00:50:03,820
Scientologist till the day I died

1253
00:50:08,460 --> 00:50:05,770
knowing that I could possibly go to Mars

1254
00:50:11,430 --> 00:50:08,470
and I'm gonna be honest with you there

1255
00:50:14,220 --> 00:50:11,440
are people in the UFO community right

1256
00:50:17,280 --> 00:50:14,230
now touting those same stories that they

1257
00:50:19,050 --> 00:50:17,290
worked on a base on Mars and Obama was

1258
00:50:21,450 --> 00:50:19,060
there with them and they had to fight

1259
00:50:23,460 --> 00:50:21,460
this intergalactic I'm not kidding you

1260
00:50:26,370 --> 00:50:23,470
and people actually believe this stuff

1261
00:50:29,040 --> 00:50:26,380
so when I hear you talking new and and

1262
00:50:32,880 --> 00:50:29,050
the satans and these stories of you know

1263
00:50:34,710 --> 00:50:32,890

alien doppelgangers it sounds crazy to

1264

00:50:37,230 --> 00:50:34,720

the layman person but these are stories

1265

00:50:39,060 --> 00:50:37,240

I hear every single day from people who

1266

00:50:41,790 --> 00:50:39,070

claim that this actually happened so

1267

00:50:43,920 --> 00:50:41,800

there's a lot of interconnectedness

1268

00:50:46,860 --> 00:50:43,930

between Scientology in the UFO field

1269

00:50:50,100 --> 00:50:46,870

obviously so this is why I'm so happy

1270

00:50:52,290 --> 00:50:50,110

that to hear you telling me all this

1271

00:50:54,000 --> 00:50:52,300

it's it's it's crazy it doesn't sound as

1272

00:50:55,200 --> 00:50:54,010

crazy as you think well and then and

1273

00:50:56,250 --> 00:50:55,210

then also the other thing that I was

1274

00:50:58,860 --> 00:50:56,260

gonna say too is that when I

1275

00:51:02,490 --> 00:50:58,870

was auditing people you know most of the

1276

00:51:04,350 --> 00:51:02,500

time we encourage the patient to go into

1277

00:51:05,880 --> 00:51:04,360

a past life to talk about you know

1278

00:51:07,470 --> 00:51:05,890

whatever they want to talk about it's

1279

00:51:09,000 --> 00:51:07,480

usually like some sort of a traumatic

1280

00:51:10,830 --> 00:51:09,010

thing that happened so like in

1281

00:51:12,690 --> 00:51:10,840

Scientology there's this there's this

1282

00:51:14,550 --> 00:51:12,700

concept of like if you had something bad

1283

00:51:16,020 --> 00:51:14,560

happen to you like you like I was

1284

00:51:17,640 --> 00:51:16,030

auditing someone and they were like oh I

1285

00:51:19,440 --> 00:51:17,650

got into a car accident the other day

1286

00:51:21,060 --> 00:51:19,450

and then you know we talk about that and

1287

00:51:23,910 --> 00:51:21,070

we go over it and talk about the pain

1288

00:51:25,860 --> 00:51:23,920

and you know like what did the car smell

1289

00:51:27,540 --> 00:51:25,870

like what did the and we tried to get

1290

00:51:29,970 --> 00:51:27,550

details of it because Hubbard believed

1291

00:51:32,400 --> 00:51:29,980

that if you examine something in very

1292

00:51:34,200 --> 00:51:32,410

very close detail you kind of get a you

1293

00:51:36,660 --> 00:51:34,210

kind of get a relief from the negativity

1294

00:51:39,180 --> 00:51:36,670

of it and then you go earlier okay when

1295

00:51:40,770 --> 00:51:39,190

was an earlier similar time you got into

1296

00:51:42,060 --> 00:51:40,780

a car accident and we would go back and

1297

00:51:44,280 --> 00:51:42,070

we would go back and we go back and

1298

00:51:46,800 --> 00:51:44,290

eventually people would go back into the

1299

00:51:48,450 --> 00:51:46,810

past lives so I'd say like okay when was

1300

00:51:51,380 --> 00:51:48,460

an earlier similar time he got into a

1301

00:51:54,870 --> 00:51:51,390

car accident oh you know in the in the

1302

00:51:56,760 --> 00:51:54,880

1850s I was in a woman's body and we

1303

00:51:58,410 --> 00:51:56,770

were in a buggy accident okay tell me

1304

00:52:00,420 --> 00:51:58,420

about an earlier similar and we would go

1305

00:52:01,800 --> 00:52:00,430

back really far Wow to the point where

1306

00:52:05,430 --> 00:52:01,810

they were to the point where they would

1307

00:52:08,580 --> 00:52:05,440

say something like you know 74 billion

1308

00:52:11,220 --> 00:52:08,590

years ago I was on this weird planet and

1309

00:52:13,230 --> 00:52:11,230

we were like these these weird like

1310

00:52:14,700 --> 00:52:13,240

alien bodies and I remember we were in

1311

00:52:17,070 --> 00:52:14,710

this some sort of like a roundish

1312

00:52:19,110 --> 00:52:17,080

vehicle and it like crashed into an

1313

00:52:20,610 --> 00:52:19,120

asteroid when we were flying through

1314

00:52:22,800 --> 00:52:20,620

space or something like that so I would

1315

00:52:25,080 --> 00:52:22,810

hear these stories all the time there

1316

00:52:27,480 --> 00:52:25,090

were people's personal stories okay

1317

00:52:28,980 --> 00:52:27,490

obviously interpretations of what they

1318

00:52:32,150 --> 00:52:28,990

thought they did in the past life but

1319

00:52:36,330 --> 00:52:32,160

it's like it was a very it was a very

1320

00:52:38,700 --> 00:52:36,340

alien and UFO sort of based concept what

1321

00:52:40,770 --> 00:52:38,710

was that um before ot3

1322

00:52:43,050 --> 00:52:40,780

yeah yeah yeah yeah how does when you

1323

00:52:46,440 --> 00:52:43,060

because before you do the OT levels

1324

00:52:50,100 --> 00:52:46,450

you're required to be able to easily go

1325

00:52:51,990 --> 00:52:50,110

into your past life is okay okay because

1326

00:52:54,030 --> 00:52:52,000

by the time you get all of the earlier

1327

00:52:56,550 --> 00:52:54,040

auditing before you get to clear you

1328

00:52:58,620 --> 00:52:56,560

would have already gone you know past

1329

00:53:00,780 --> 00:52:58,630

life in your auditing many many many

1330

00:53:02,880 --> 00:53:00,790

times gotcha it's interesting that you

1331

00:53:05,250 --> 00:53:02,890

would hear those stories before they

1332

00:53:07,800 --> 00:53:05,260

learned like the creation story you know

1333

00:53:09,810 --> 00:53:07,810

right right but again all of the earlier

1334

00:53:10,230 --> 00:53:09,820

works when Hubbard talked about you know

1335

00:53:14,880 --> 00:53:10,240

like

1336

00:53:16,530 --> 00:53:14,890

there was a book that they stopped

1337

00:53:17,880 --> 00:53:16,540

publishing a couple years ago I don't

1338

00:53:19,890 --> 00:53:17,890

know why it's a book called have you

1339

00:53:22,170 --> 00:53:19,900

lived before this life and it's stories

1340

00:53:24,000 --> 00:53:22,180

of people who talked about when they

1341

00:53:26,099 --> 00:53:24,010

went you know back in past lives and

1342

00:53:28,650 --> 00:53:26,109

stuff like that so it's like it's a

1343

00:53:31,349 --> 00:53:28,660

very common concept for early on

1344

00:53:32,490 --> 00:53:31,359

Scientology people who who are studying

1345

00:53:34,440 --> 00:53:32,500

this stuff okay

1346

00:53:36,060 --> 00:53:34,450

so they introduced the concept of going

1347

00:53:37,560 --> 00:53:36,070

past lives and then of course he talks

1348

00:53:40,829 --> 00:53:37,570

about aliens and stuff in the non

1349

00:53:42,390 --> 00:53:40,839

confidential lectures so you get kind of

1350

00:53:44,370 --> 00:53:42,400

those ideas stuck in your head and then

1351
00:53:46,320 --> 00:53:44,380
eventually when you get you know start

1352
00:53:47,700 --> 00:53:46,330
going up the bridge and start getting

1353
00:53:49,560 --> 00:53:47,710
more and more auditing you're like okay

1354
00:53:51,540 --> 00:53:49,570
this is a regular thing though okay

1355
00:53:54,180 --> 00:53:51,550
gotcha sand there was there could be

1356
00:53:56,880 --> 00:53:54,190
some influence early on before even

1357
00:54:01,349 --> 00:53:56,890
reaching the creation story yeah a lot

1358
00:54:04,020 --> 00:54:01,359
okay what so okay so during your ot3

1359
00:54:06,660 --> 00:54:04,030
level you decided to become a member of

1360
00:54:09,780 --> 00:54:06,670
the Sea Org and so could you

1361
00:54:12,870 --> 00:54:09,790
I know it's tough man I know stupid no

1362
00:54:15,780 --> 00:54:12,880
it was stupid okay okay you said it I

1363
00:54:17,849 --> 00:54:15,790

didn't but again this this is your life

1364

00:54:20,130 --> 00:54:17,859

and this is the navigation you took

1365

00:54:22,200 --> 00:54:20,140

having been written into this so it

1366

00:54:24,900 --> 00:54:22,210

might sound stupid to a lot of people

1367

00:54:26,970 --> 00:54:24,910

but this was your life so could you just

1368

00:54:28,800 --> 00:54:26,980

going to us what the Sea Org is how it's

1369

00:54:31,020 --> 00:54:28,810

different from just you know being a

1370

00:54:33,150 --> 00:54:31,030

regular Scientology member in yeah what

1371

00:54:35,460 --> 00:54:33,160

sort of like a two-day experience was in

1372

00:54:38,870 --> 00:54:35,470

the Sea Org okay okay so the sea the sea

1373

00:54:42,750 --> 00:54:38,880

organization was developed by Hubbard in

1374

00:54:45,060 --> 00:54:42,760

1967 or 1968 I think and what he did is

1375

00:54:48,839 --> 00:54:45,070

he got together a group of his most

1376
00:54:51,390 --> 00:54:48,849
hardcore Scientologists and set out on

1377
00:54:54,630 --> 00:54:51,400
the ocean so that the sea that's why

1378
00:54:57,750 --> 00:54:54,640
they call it the Sea Org so he created

1379
00:55:00,030 --> 00:54:57,760
his own little personal navy on this

1380
00:55:01,950 --> 00:55:00,040
boat and they sailed around the

1381
00:55:04,440 --> 00:55:01,960
Caribbean and they sailed around the

1382
00:55:06,540 --> 00:55:04,450
Atlantic area for probably about a

1383
00:55:08,760 --> 00:55:06,550
decade I think and basically what ha

1384
00:55:11,339 --> 00:55:08,770
what the Sea Org is is that it's for its

1385
00:55:13,620 --> 00:55:11,349
it's the it's the clergy of Scientology

1386
00:55:15,329 --> 00:55:13,630
okay so if you were gonna join the

1387
00:55:18,329 --> 00:55:15,339
priesthood or if you were gonna become a

1388
00:55:19,920 --> 00:55:18,339

nun it's sort of the same thing as joint

1389

00:55:22,349 --> 00:55:19,930

like you would be joining the highest

1390

00:55:23,910 --> 00:55:22,359

ranks of Scientology and as part of your

1391

00:55:25,530 --> 00:55:23,920

commitment to the Sea Org your

1392

00:55:29,130 --> 00:55:25,540

supposed to sign a contract for 1

1393

00:55:31,230 --> 00:55:29,140

billion years so in the Sea Org you're

1394

00:55:33,299 --> 00:55:31,240

the concept is is that you work in the

1395

00:55:36,059 --> 00:55:33,309

Sea Org and you dedicate your entire

1396

00:55:38,760 --> 00:55:36,069

life to Scientology and many other

1397

00:55:41,309 --> 00:55:38,770

future lifetimes and he says it very

1398

00:55:44,250 --> 00:55:41,319

very clearly he's like when you die you

1399

00:55:46,260 --> 00:55:44,260

have a 21-year break or a 21 year leave

1400

00:55:47,670 --> 00:55:46,270

of absence from the Sea Org and then

1401
00:55:50,280 --> 00:55:47,680
when you go and you pick up a new body

1402
00:55:52,109 --> 00:55:50,290
and that body gets to grow up a little

1403
00:55:54,089 --> 00:55:52,119
bit after 21 years you're supposed to

1404
00:55:55,170 --> 00:55:54,099
come back another another interesting

1405
00:55:57,180 --> 00:55:55,180
thing about the seer and people that

1406
00:55:59,069 --> 00:55:57,190
don't normally know about this is that

1407
00:56:01,710 --> 00:55:59,079
there's a little bit of an alien twist

1408
00:56:03,359 --> 00:56:01,720
to it too Hubbard Hubbert Hubbard

1409
00:56:04,950 --> 00:56:03,369
believed that because I told you before

1410
00:56:06,329 --> 00:56:04,960
that earth was a dumping ground for like

1411
00:56:08,490 --> 00:56:06,339
the shittiest people of the gallic

1412
00:56:11,400 --> 00:56:08,500
reading planet yeah the prison planet

1413
00:56:13,230 --> 00:56:11,410

Hubbard believed that most of the Sea

1414

00:56:15,750 --> 00:56:13,240

Org members that ended up joining the

1415

00:56:18,450 --> 00:56:15,760

Sea Org and did very well they were what

1416

00:56:20,490 --> 00:56:18,460

he called the loyal officers so the

1417

00:56:23,220 --> 00:56:20,500

loyal officers are the ones that

1418

00:56:25,109 --> 00:56:23,230

defeated Xenu back and back in the day

1419

00:56:28,530 --> 00:56:25,119

75 million years ago hmm

1420

00:56:31,640 --> 00:56:28,540

okay so connected now yes correct so all

1421

00:56:34,140 --> 00:56:31,650

of the people who were running the

1422

00:56:35,700 --> 00:56:34,150

Galactic Confederation they didn't like

1423

00:56:37,859 --> 00:56:35,710

Xenu and he did this really horrible

1424

00:56:39,870 --> 00:56:37,869

thing and he killed a bunch of people so

1425

00:56:40,770 --> 00:56:39,880

they ended up figuring it out and they

1426

00:56:42,990 --> 00:56:40,780

captured him

1427

00:56:45,329 --> 00:56:43,000

so those he called them the loyal

1428

00:56:47,190 --> 00:56:45,339

officer so he believed and he told seer

1429

00:56:49,289 --> 00:56:47,200

members this that they were though that

1430

00:56:52,170 --> 00:56:49,299

they were the reincarnated loyal

1431

00:56:54,390 --> 00:56:52,180

officers so we were like oh my god I

1432

00:56:56,730 --> 00:56:54,400

feel like a like a like a like a like a

1433

00:56:59,039 --> 00:56:56,740

king in a castle I'm like the the creme

1434

00:57:01,380 --> 00:56:59,049

de la creme of the of the entire galaxy

1435

00:57:02,760 --> 00:57:01,390

it's crazy so yes so that's what the

1436

00:57:05,609 --> 00:57:02,770

seer gives is you sign a billion-year

1437

00:57:09,780 --> 00:57:05,619

contract and you work live and sleep and

1438

00:57:11,700 --> 00:57:09,790

eat on Scientology property 24/7 you

1439

00:57:13,470 --> 00:57:11,710

don't get any days off you barely get

1440

00:57:16,620 --> 00:57:13,480

time off to see your family or like take

1441

00:57:19,339 --> 00:57:16,630

time to you know for anything and you

1442

00:57:21,930 --> 00:57:19,349

pretty much just slave away there for as

1443

00:57:24,450 --> 00:57:21,940

until you die or until you decide to

1444

00:57:26,880 --> 00:57:24,460

leave okay so slave away so like what

1445

00:57:30,990 --> 00:57:26,890

what was like a typical day in the Sea

1446

00:57:33,539 --> 00:57:31,000

Org then for you so for me when I was an

1447

00:57:35,640 --> 00:57:33,549

auditor the auditors and the and the

1448

00:57:37,170 --> 00:57:35,650

people who actually deliver the courses

1449

00:57:37,590 --> 00:57:37,180

they have a little bit of an easier

1450

00:57:39,240 --> 00:57:37,600

sched

1451
00:57:40,560 --> 00:57:39,250
as opposed to the people that just do

1452
00:57:42,750 --> 00:57:40,570
like the office worker like the

1453
00:57:45,300 --> 00:57:42,760
administration management stuff so it

1454
00:57:47,820 --> 00:57:45,310
was usually wake up at about 6:30 or

1455
00:57:51,420 --> 00:57:47,830
7:00 a.m. eat breakfast if you have time

1456
00:57:53,700 --> 00:57:51,430
you have to get to your morning kneading

1457
00:57:55,290 --> 00:57:53,710
they call it a muster because that the

1458
00:57:56,940 --> 00:57:55,300
military term it's like a muster where

1459
00:57:58,950 --> 00:57:56,950
you stand in the line and you know they

1460
00:58:01,830 --> 00:57:58,960
do like a little roll call thing by 8:00

1461
00:58:03,810 --> 00:58:01,840
a.m. or 8:30 you're there and you do

1462
00:58:06,180 --> 00:58:03,820
your morning meetings and like your your

1463
00:58:09,420 --> 00:58:06,190

orders of the day are given and then for

1464

00:58:11,340 --> 00:58:09,430

me is an auditor you go into the into

1465

00:58:13,800 --> 00:58:11,350

the area where you do the auditing and

1466

00:58:15,180 --> 00:58:13,810

you audit all day long you take a 30

1467

00:58:17,780 --> 00:58:15,190

minute break for lunch a 30 minute break

1468

00:58:20,100 --> 00:58:17,790

for dinner a couple more meetings and

1469

00:58:22,740 --> 00:58:20,110

possibly some more meetings at night and

1470

00:58:25,590 --> 00:58:22,750

then you go to bed by 11:30 or midnight

1471

00:58:27,000 --> 00:58:25,600

if you're lucky all day long so you

1472

00:58:29,880 --> 00:58:27,010

weren't going to school or anything

1473

00:58:31,530 --> 00:58:29,890

during all this no no well by that time

1474

00:58:34,080 --> 00:58:31,540

cuz when I had joined the Sea Org I was

1475

00:58:36,420 --> 00:58:34,090

I was 18 or 19 I had already graduated

1476

00:58:38,490 --> 00:58:36,430

high school okay okay yeah I used that

1477

00:58:40,820 --> 00:58:38,500

term graduated loosely because I went to

1478

00:58:42,900 --> 00:58:40,830

a Scientology run school which was not a

1479

00:58:46,350 --> 00:58:42,910

accredited school so I technically

1480

00:58:48,930 --> 00:58:46,360

didn't actually oh okay so they had they

1481

00:58:49,380 --> 00:58:48,940

had their own educational system they

1482

00:58:54,000 --> 00:58:49,390

did

1483

00:58:55,380 --> 00:58:54,010

Org and then so you get very very little

1484

00:58:58,470 --> 00:58:55,390

sleep at night you're working all day

1485

00:59:00,030 --> 00:58:58,480

seven days a week for fifty bucks a week

1486

00:59:03,060 --> 00:59:00,040

but all of your room and board is paid

1487

00:59:04,710 --> 00:59:03,070

for the food was shitty where I lived in

1488

00:59:07,770 --> 00:59:04,720

the dormitories and that big blue

1489

00:59:09,660 --> 00:59:07,780

building it's shared college style

1490

00:59:12,840 --> 00:59:09,670

dormitories except I'm kind of compared

1491

00:59:15,630 --> 00:59:12,850

to prison style dormitory because it's

1492

00:59:18,120 --> 00:59:15,640

like it's it's like it's like 15 to 25

1493

00:59:20,510 --> 00:59:18,130

people per per room in triple and triple

1494

00:59:23,820 --> 00:59:20,520

bunk beds the building is filled in

1495

00:59:25,170 --> 00:59:23,830

there's one bathroom on every single

1496

00:59:27,150 --> 00:59:25,180

floor I mean I'm sure they've renovated

1497

00:59:28,770 --> 00:59:27,160

it by now but when I was there there was

1498

00:59:30,270 --> 00:59:28,780

one bathroom on the floor that I lived I

1499

00:59:31,920 --> 00:59:30,280

lived on the seventh floor of the main

1500

00:59:34,620 --> 00:59:31,930

building the one that has the actual

1501

00:59:36,300 --> 00:59:34,630

Scientology sign on it okay okay there

1502

00:59:38,250 --> 00:59:36,310

was one bathroom for the entire seventh

1503

00:59:40,230 --> 00:59:38,260

floor and only two shower stalls so

1504

00:59:41,880 --> 00:59:40,240

every morning it would be like I'd have

1505

00:59:45,750 --> 00:59:41,890

to wait like 30 or 40 minutes just to

1506

00:59:47,670 --> 00:59:45,760

take a shower if I was lucky no and it

1507

00:59:50,220 --> 00:59:47,680

was very regimented while you were there

1508

00:59:52,560 --> 00:59:50,230

as well like Jerry

1509

00:59:54,720 --> 00:59:52,570

you have to show up for every meeting

1510

00:59:57,240 --> 00:59:54,730

and every muster if you're late you get

1511

00:59:58,710 --> 00:59:57,250

sent to ethics if you don't show up you

1512

01:00:01,079 --> 00:59:58,720

get sent to ethics there's cameras

1513

01:00:04,770 --> 01:00:01,089

everywhere I remember a friend of mine

1514

01:00:06,480 --> 01:00:04,780

who was in the same working in the same

1515

01:00:08,960 --> 01:00:06,490

organization with me she and I were kind

1516

01:00:11,430 --> 01:00:08,970

of kind of best friends at the time and

1517

01:00:13,440 --> 01:00:11,440

every Tuesday or went no I'm sorry it

1518

01:00:16,109 --> 01:00:13,450

was every Wednesday for lunch it would

1519

01:00:17,490 --> 01:00:16,119

be chili and cornbread which I thought

1520

01:00:17,490 --> 01:00:18,030

was disgusting and looked like a pile of

1521

01:00:23,490 --> 01:00:21,180

she hit she hated it too so we would try

1522

01:00:25,500 --> 01:00:23,500

to sneak off of the base to go down the

1523

01:00:26,940 --> 01:00:25,510

street to Wendy's or like go to the

1524

01:00:28,650 --> 01:00:26,950

place there was a place right up the

1525

01:00:30,750 --> 01:00:28,660

street called those los burritos and

1526

01:00:33,839 --> 01:00:30,760

like go get a burrito I think he was

1527

01:00:36,060 --> 01:00:33,849

still there it's still there yes it's

1528

01:00:37,500 --> 01:00:36,070

it's it's yeah it's right on Sunset and

1529

01:00:37,859 --> 01:00:37,510

we would have to do it without getting

1530

01:00:40,349 --> 01:00:37,869

caught

1531

01:00:41,880 --> 01:00:40,359

I was one of the lucky ones cuz I didn't

1532

01:00:44,010 --> 01:00:41,890

grow up in the Sea Org like she did so I

1533

01:00:45,329 --> 01:00:44,020

had a car most CA members don't have

1534

01:00:47,099 --> 01:00:45,339

cars most young members don't have

1535

01:00:48,300 --> 01:00:47,109

driver's licenses most of them don't

1536

01:00:50,819 --> 01:00:48,310

have bank accounts or anything but

1537

01:00:52,440 --> 01:00:50,829

anyway that's a separate thing so we so

1538

01:00:53,579 --> 01:00:52,450

we would have to sneak off and they have

1539

01:00:55,559 --> 01:00:53,589

cameras everywhere and they have

1540

01:00:58,829 --> 01:00:55,569

security guards roaming around on

1541

01:01:01,319 --> 01:00:58,839

bicycles constantly 24/7 oh yeah I and

1542

01:01:03,359 --> 01:01:01,329

absolutions yeah so we would have to

1543

01:01:05,069 --> 01:01:03,369

like run to the parking structure and

1544

01:01:06,240 --> 01:01:05,079

make sure that there were no security

1545

01:01:07,890 --> 01:01:06,250

guards and she would kind of keep

1546

01:01:10,800 --> 01:01:07,900

watching we would have to like run and

1547

01:01:13,500 --> 01:01:10,810

go grab our food scarf it down and come

1548

01:01:16,589 --> 01:01:13,510

back and be on time because we only had

1549

01:01:18,480 --> 01:01:16,599

a 30-minute window for lunch if if we

1550

01:01:20,339 --> 01:01:18,490

were lucky sometimes we sometimes we

1551
01:01:22,890 --> 01:01:20,349
didn't take a meal break at all because

1552
01:01:24,990 --> 01:01:22,900
I was still auditing someone you can't

1553
01:01:26,609 --> 01:01:25,000
just arbitrarily end the session in the

1554
01:01:28,559 --> 01:01:26,619
middle of the thing with the finish

1555
01:01:31,290 --> 01:01:28,569
whatever you're doing and so it was very

1556
01:01:33,450 --> 01:01:31,300
it was very very regimented and there

1557
01:01:35,069 --> 01:01:33,460
were pretty much no freedoms to kind of

1558
01:01:38,130 --> 01:01:35,079
do anything or whatever we want I think

1559
01:01:41,819 --> 01:01:38,140
in the four years that I was in the Sea

1560
01:01:45,450 --> 01:01:41,829
Org I probably took maybe five or six

1561
01:01:48,210 --> 01:01:45,460
days off total in that entire time Wow

1562
01:01:50,120 --> 01:01:48,220
so yeah it's it's it's it was a it was a

1563
01:01:54,059 --> 01:01:50,130

pretty shitty time it was very shitty

1564

01:01:55,859 --> 01:01:54,069

okay so yeah I can only imagine four and

1565

01:01:58,170 --> 01:01:55,869

a half years of your life just sort of

1566

01:02:00,150 --> 01:01:58,180

gone at that point and you did mention

1567

01:02:02,710 --> 01:02:00,160

that your whole family were members of

1568

01:02:06,550 --> 01:02:02,720

Scientology so

1569

01:02:08,890 --> 01:02:06,560

were they were you like reporting back

1570

01:02:10,720 --> 01:02:08,900

to them like the state and condition you

1571

01:02:12,610 --> 01:02:10,730

were in while you were there at all no

1572

01:02:14,560 --> 01:02:12,620

you're not allowed to anything that

1573

01:02:16,180 --> 01:02:14,570

happens in anything that happens in the

1574

01:02:18,430 --> 01:02:16,190

Sea Org you're not allowed to talk about

1575

01:02:20,350 --> 01:02:18,440

outside of the sea or because when you

1576

01:02:22,600 --> 01:02:20,360

have people who are inside Scientology

1577

01:02:24,160 --> 01:02:22,610

you can just be a Scientologist and be a

1578

01:02:26,500 --> 01:02:24,170

regular human like you know you can have

1579

01:02:29,350 --> 01:02:26,510

a job and live in your own house and do

1580

01:02:31,270 --> 01:02:29,360

but you take Scientology courses and you

1581

01:02:33,460 --> 01:02:31,280

get Scientology auditing when you're a

1582

01:02:35,770 --> 01:02:33,470

CR member that's that's when you like

1583

01:02:38,080 --> 01:02:35,780

jump onto the ship and like work for the

1584

01:02:39,730 --> 01:02:38,090

full full time it's a hub of guidance

1585

01:02:42,990 --> 01:02:39,740

center fully representative of the

1586

01:02:45,910 --> 01:02:43,000

Gateway to the top of the bridge and

1587

01:02:47,970 --> 01:02:45,920

each of the onboard counseling rooms is

1588

01:02:50,700 --> 01:02:47,980

the embodiment of technical perfection

1589

01:02:53,440 --> 01:02:50,710

down to the last detail

1590

01:02:55,300 --> 01:02:53,450

while as for training it's the course

1591

01:02:57,550 --> 01:02:55,310

rooms on the main deck and a deck

1592

01:03:00,010 --> 01:02:57,560

configured to transport hundreds at a

1593

01:03:01,510 --> 01:03:00,020

time ever closer to total spiritual

1594

01:03:04,300 --> 01:03:01,520

freedom

1595

01:03:06,850 --> 01:03:04,310

and since this ship is the threshold to

1596

01:03:08,740 --> 01:03:06,860

the upper levels of Scientology it's all

1597

01:03:12,490 --> 01:03:08,750

specifically geared for those on the

1598

01:03:14,560 --> 01:03:12,500

ascent to the highest states in all the

1599

01:03:16,420 --> 01:03:14,570

free one stands at the forefront of a

1600

01:03:18,850 --> 01:03:16,430

growing worldwide movement towards

1601
01:03:21,130 --> 01:03:18,860
spiritual advancement transporting

1602
01:03:24,550 --> 01:03:21,140
Scientologists to new realms of freedom

1603
01:03:27,700 --> 01:03:24,560
every day but they made me sign so many

1604
01:03:28,540 --> 01:03:27,710
NDA's and and confidentiality agreements

1605
01:03:30,910 --> 01:03:28,550
you're not allowed to talk about

1606
01:03:32,770 --> 01:03:30,920
anything I mean when I was I was

1607
01:03:34,300 --> 01:03:32,780
physically beaten when I was in the Sea

1608
01:03:34,750 --> 01:03:34,310
Org and I couldn't tell my parents about

1609
01:03:38,020 --> 01:03:34,760
it

1610
01:03:41,800 --> 01:03:38,030
I've had lamps thrown up thrown at my

1611
01:03:43,300 --> 01:03:41,810
face I had this one older Sea Org member

1612
01:03:46,540 --> 01:03:43,310
who was like one of the most senior

1613
01:03:49,330 --> 01:03:46,550

people on that and on that entire base

1614

01:03:51,820 --> 01:03:49,340

she would come up behind me and smacked

1615

01:03:53,950 --> 01:03:51,830

me on the back of my head open like open

1616

01:03:56,020 --> 01:03:53,960

handed just be like why your statistics

1617

01:03:58,540 --> 01:03:56,030

down because statistics is a huge part

1618

01:04:02,140 --> 01:03:58,550

of it I mean she and just really

1619

01:04:03,940 --> 01:04:02,150

horrible physically and and verbally

1620

01:04:06,130 --> 01:04:03,950

abusive I've seen see our members get

1621

01:04:08,050 --> 01:04:06,140

into fights I saw them beat up an old

1622

01:04:08,770 --> 01:04:08,060

man because he refused to do an

1623

01:04:11,140 --> 01:04:08,780

all-nighter

1624

01:04:13,150 --> 01:04:11,150

one night which happens a lot ciara

1625

01:04:15,040 --> 01:04:13,160

members stay up all night and do these

1626
01:04:16,570 --> 01:04:15,050
crazy things because they have to meet

1627
01:04:18,580 --> 01:04:16,580
their deadlines and they have to do it

1628
01:04:20,980 --> 01:04:18,590
because if their statistics are down

1629
01:04:22,720 --> 01:04:20,990
from the previous week then it's all

1630
01:04:25,510 --> 01:04:22,730
over then they go get sent to ethics and

1631
01:04:28,240 --> 01:04:25,520
they're punished for it and this old guy

1632
01:04:30,730 --> 01:04:28,250
he was in the Sea Org since I ron

1633
01:04:32,740 --> 01:04:30,740
hubbard started the Sea Org in the 1960s

1634
01:04:34,720 --> 01:04:32,750
you know he's like a 70 year old or 75

1635
01:04:36,040 --> 01:04:34,730
year old man yeah and he was exhausted

1636
01:04:38,859 --> 01:04:36,050
and it was midnight and he wanted to go

1637
01:04:40,720 --> 01:04:38,869
to bed and of course a younger much more

1638
01:04:43,000 --> 01:04:40,730

strong searing member comes up and said

1639

01:04:44,200 --> 01:04:43,010

don't you dare go to bed and then he

1640

01:04:45,400 --> 01:04:44,210

tried to push him out of the way and

1641

01:04:47,380 --> 01:04:45,410

then he knocked him in the you know

1642

01:04:49,510 --> 01:04:47,390

knocked him in the eye and that was a

1643

01:04:51,520 --> 01:04:49,520

regular that was a regular everyday

1644

01:04:52,870 --> 01:04:51,530

occurrence when I was in the Sea Org and

1645

01:04:55,599 --> 01:04:52,880

it was an ax was horrible

1646

01:04:57,010 --> 01:04:55,609

I saw people Hubbard Hubbard invented

1647

01:04:59,290 --> 01:04:57,020

this thing called throwing somebody

1648

01:05:02,170 --> 01:04:59,300

overboard so when he was on the when he

1649

01:05:05,200 --> 01:05:02,180

was on the boat in the 1960s when an

1650

01:05:07,150 --> 01:05:05,210

auditor screwed up and did something

1651
01:05:08,770 --> 01:05:07,160
that was technically wrong he created

1652
01:05:10,870 --> 01:05:08,780
this over boarding ceremony where they

1653
01:05:12,760 --> 01:05:10,880
would take the auditor and they would

1654
01:05:15,930 --> 01:05:12,770
have like a little ceremony on the side

1655
01:05:19,650 --> 01:05:15,940
deck of the ship and say you know I

1656
01:05:21,390 --> 01:05:19,660
I throw you and your and your mistakes

1657
01:05:23,220 --> 01:05:21,400
into the ocean deep and when you come

1658
01:05:24,840 --> 01:05:23,230
out of the water may you arise a free

1659
01:05:25,710 --> 01:05:24,850
man and free from your mistakes or

1660
01:05:27,570 --> 01:05:25,720
something like that it was like this

1661
01:05:29,340 --> 01:05:27,580
weird thing that he used to do sand they

1662
01:05:31,440 --> 01:05:29,350
would literally throw people over the

1663
01:05:32,910 --> 01:05:31,450

side and dump him into the water as like

1664

01:05:34,710 --> 01:05:32,920

a punishment for screwing up as an

1665

01:05:36,810 --> 01:05:34,720

auditor so then when I was in the sea or

1666

01:05:39,390 --> 01:05:36,820

I get the big blue bass that's not a

1667

01:05:41,550 --> 01:05:39,400

ship they didn't have an ocean so they

1668

01:05:43,320 --> 01:05:41,560

would stand people up they would get all

1669

01:05:45,810 --> 01:05:43,330

of the auditors and all of the technical

1670

01:05:47,640 --> 01:05:45,820

staff in a group and the person would

1671

01:05:49,350 --> 01:05:47,650

who screwed up would stand in front of

1672

01:05:50,730 --> 01:05:49,360

everybody and say I screwed up as an

1673

01:05:52,770 --> 01:05:50,740

auditor I did this and this and this

1674

01:05:55,109 --> 01:05:52,780

wrong and then the ethics officer would

1675

01:05:57,840 --> 01:05:55,119

spray them with a hose in their full

1676

01:06:00,390 --> 01:05:57,850

uniform as like a punishment okay and

1677

01:06:01,859 --> 01:06:00,400

that was oh so demeaning and I felt so

1678

01:06:03,330 --> 01:06:01,869

bad for the poor woman because she's

1679

01:06:05,070 --> 01:06:03,340

like this fifty or six year old woman

1680

01:06:07,020 --> 01:06:05,080

she's been in the Sea Org forever and

1681

01:06:09,690 --> 01:06:07,030

she has to stand there and be punished

1682

01:06:12,090 --> 01:06:09,700

in front of all these people and it was

1683

01:06:13,350 --> 01:06:12,100

it was it wasn't until many years later

1684

01:06:15,090 --> 01:06:13,360

that I realized it wasn't just

1685

01:06:16,680 --> 01:06:15,100

punishment for her it was because they

1686

01:06:18,960 --> 01:06:16,690

wanted to just scare the out of us

1687

01:06:20,460 --> 01:06:18,970

it's not for them it was for us because

1688

01:06:22,380 --> 01:06:20,470

they were like you see you see what

1689

01:06:24,720 --> 01:06:22,390

happens if you up right and it's

1690

01:06:27,780 --> 01:06:24,730

it's again coming back to that idea that

1691

01:06:30,120 --> 01:06:27,790

it's all based on control like what

1692

01:06:32,250 --> 01:06:30,130

through fear you know there's like

1693

01:06:34,890 --> 01:06:32,260

there's it sounds to me like there's

1694

01:06:36,810 --> 01:06:34,900

very little reward to ever come out of

1695

01:06:39,210 --> 01:06:36,820

this quote-unquote religion it's all

1696

01:06:42,000 --> 01:06:39,220

about the things you've done wrong and

1697

01:06:43,680 --> 01:06:42,010

that are in it you think you've you've

1698

01:06:45,960 --> 01:06:43,690

achieved something they find something

1699

01:06:47,460 --> 01:06:45,970

else right you did wrong that's right

1700

01:06:50,190 --> 01:06:47,470

it's frustrating the hell out of me just

1701

01:06:52,410 --> 01:06:50,200

hearing all this man no no it's I mean

1702

01:06:53,940 --> 01:06:52,420

it makes me it makes me red in the face

1703

01:06:55,530 --> 01:06:53,950

when I think about it I mean it's it's

1704

01:06:56,940 --> 01:06:55,540

horrific the stuff that people had to

1705

01:06:58,470 --> 01:06:56,950

suffer through this thing not just me

1706

01:07:00,510 --> 01:06:58,480

like I feel bad for the other people

1707

01:07:03,120 --> 01:07:00,520

right and then you know you have come

1708

01:07:06,270 --> 01:07:03,130

complacent and I'm sure like there were

1709

01:07:08,730 --> 01:07:06,280

times that you had to turn someone in or

1710

01:07:10,140 --> 01:07:08,740

you know stuff like that yeah it's just

1711

01:07:12,690 --> 01:07:10,150

this thing going on in your psyche

1712

01:07:14,300 --> 01:07:12,700

constantly yeah and and like you said

1713

01:07:16,970 --> 01:07:14,310

before it's like that it's the it's the

1714

01:07:20,520 --> 01:07:16,980

snitchin culture and we were all

1715

01:07:22,920 --> 01:07:20,530

complacent okay so snitchin culture

1716

01:07:26,460 --> 01:07:22,930

let's let's literally touch on that how

1717

01:07:26,820 --> 01:07:26,470

and why did you leave the Sea Org I know

1718

01:07:29,400 --> 01:07:26,830

this

1719

01:07:32,820 --> 01:07:29,410

is probably attend yes yeah let's go

1720

01:07:34,500 --> 01:07:32,830

through no no no it's it's it's I can I

1721

01:07:36,690 --> 01:07:34,510

can definitely talk about it now and not

1722

01:07:40,710 --> 01:07:36,700

and not be freaked out about it or thank

1723

01:07:45,510 --> 01:07:40,720

God so yeah so for those of you don't

1724

01:07:47,010 --> 01:07:45,520

know I am gay and I hid the fact that

1725

01:07:49,980 --> 01:07:47,020

well I tried to hide it it's kind of

1726

01:07:52,140 --> 01:07:49,990

hard to hide but I tried to you know for

1727

01:07:53,660 --> 01:07:52,150

years when I was in time in Scientology

1728

01:07:57,960 --> 01:07:53,670

because Scientology's very homophobic

1729

01:08:02,280 --> 01:07:57,970

they do not allow anybody that's openly

1730

01:08:04,380 --> 01:08:02,290

gay to continue past clear basically on

1731

01:08:06,120 --> 01:08:04,390

the bridge to total freedom and they

1732

01:08:07,890 --> 01:08:06,130

think it's an aberration they think it's

1733

01:08:09,840 --> 01:08:07,900

an abomination they think all kinds of

1734

01:08:11,670 --> 01:08:09,850

things about it so I was hiding this

1735

01:08:14,310 --> 01:08:11,680

fact for a very very long time and then

1736

01:08:17,550 --> 01:08:14,320

while I was in the Sea Org I developed a

1737

01:08:20,790 --> 01:08:17,560

crush on a on another searing member who

1738

01:08:22,890 --> 01:08:20,800

was also a man and we had a we had a

1739

01:08:24,570 --> 01:08:22,900

very emotional relationship we never

1740

01:08:26,700 --> 01:08:24,580

really touched each other we never did

1741

01:08:28,520 --> 01:08:26,710

anything physically gay but there was a

1742

01:08:31,260 --> 01:08:28,530

lot of flirting and there was a lot of

1743

01:08:33,000 --> 01:08:31,270

you know like secret secret note

1744

01:08:36,090 --> 01:08:33,010

writings and and just a very very

1745

01:08:37,400 --> 01:08:36,100

heavily emotional and it was amazing for

1746

01:08:40,710 --> 01:08:37,410

me because I had never actually

1747

01:08:43,380 --> 01:08:40,720

experienced a anything really that gay

1748

01:08:45,270 --> 01:08:43,390

before so I was very happy about it but

1749

01:08:47,430 --> 01:08:45,280

we both knew that we had to keep it a

1750

01:08:49,710 --> 01:08:47,440

secret and then eventually they found

1751

01:08:53,190 --> 01:08:49,720

out about it because of my mother my

1752

01:08:55,079 --> 01:08:53,200

mother snitched on me so yes so when

1753

01:08:57,930 --> 01:08:55,089

you're in the Sea Org you're not allowed

1754

01:09:00,660 --> 01:08:57,940

to have a cell phone so what did I do

1755

01:09:02,610 --> 01:09:00,670

I used to call this other boy I'm not

1756

01:09:07,250 --> 01:09:02,620

gonna say his name because he well I'm

1757

01:09:10,620 --> 01:09:07,260

not gonna say so he no no so he so I

1758

01:09:13,560 --> 01:09:10,630

used my because luckily I came from a

1759

01:09:15,090 --> 01:09:13,570

very wealthy family and I was one of the

1760

01:09:17,070 --> 01:09:15,100

lucky seer members I didn't have to

1761

01:09:19,220 --> 01:09:17,080

worry about you know starving and I had

1762

01:09:21,720 --> 01:09:19,230

a car bah-bah-bah but I also had a

1763

01:09:24,870 --> 01:09:21,730

prepaid phone card and this was back in

1764

01:09:27,240 --> 01:09:24,880

like 96 or 97 no I'm sorry I was like 98

1765

01:09:30,060 --> 01:09:27,250

and they had payphones inside of the

1766

01:09:32,490 --> 01:09:30,070

churches of Scientology so every couple

1767

01:09:34,440 --> 01:09:32,500

of days I would call the guy that I had

1768

01:09:37,260 --> 01:09:34,450

a crush on but I used my parents phone

1769

01:09:38,970 --> 01:09:37,270

card so one day my mom I guess she got

1770

01:09:40,680 --> 01:09:38,980

the bill for the thing and she sent it

1771

01:09:42,960 --> 01:09:40,690

to the ethics officer she sent the

1772

01:09:44,790 --> 01:09:42,970

phone bill to the ethics officer and was

1773

01:09:46,980 --> 01:09:44,800

like hey you should you should check in

1774

01:09:48,600 --> 01:09:46,990

the Joey and see like he's calling the

1775

01:09:50,640 --> 01:09:48,610

same number for the last like five

1776

01:09:51,330 --> 01:09:50,650

months or six months because he he was

1777

01:09:53,480 --> 01:09:51,340

in Florida

1778

01:09:55,740 --> 01:09:53,490

at the time he was at the at the

1779

01:09:57,660 --> 01:09:55,750

Clearwater Church of Scientology so I

1780

01:09:59,190 --> 01:09:57,670

was calling Florida almost the exact

1781

01:10:01,790 --> 01:09:59,200

same time every single day because it

1782

01:10:04,110 --> 01:10:01,800

was during our dinner it was during my

1783

01:10:06,240 --> 01:10:04,120

lunch time and during his break time I

1784

01:10:07,980 --> 01:10:06,250

think is I think is what it was okay so

1785

01:10:10,500 --> 01:10:07,990

anyway so she snitched on me so then the

1786

01:10:12,390 --> 01:10:10,510

ethics officer came in and she was like

1787

01:10:14,940 --> 01:10:12,400

you're gonna get a security check and

1788

01:10:16,860 --> 01:10:14,950

then they put me in session they put me

1789

01:10:19,860 --> 01:10:16,870

on the e meter and then they had someone

1790

01:10:21,720 --> 01:10:19,870

pounding at me for like hours being like

1791

01:10:24,060 --> 01:10:21,730

you know what is this thing like why you

1792

01:10:25,410 --> 01:10:24,070

calling blah blah why you you know

1793

01:10:29,160 --> 01:10:25,420

making these phone calls so finally I

1794

01:10:31,110 --> 01:10:29,170

had to confess and then they did the

1795

01:10:32,790 --> 01:10:31,120

same thing on Florida and then that's

1796

01:10:38,000 --> 01:10:32,800

how I got in trouble so they found out

1797

01:10:40,290 --> 01:10:38,010

about the gay situation and they

1798

01:10:44,460 --> 01:10:40,300

continued to do security checks on me

1799

01:10:47,070 --> 01:10:44,470

asking me all kinds of very harsh and

1800

01:10:49,770 --> 01:10:47,080

very graphic questions like specifically

1801
01:10:51,540 --> 01:10:49,780
asking for you know the sexual stuff

1802
01:10:53,850 --> 01:10:51,550
like did you ever have anal sex with

1803
01:10:56,370 --> 01:10:53,860
such as name did you ever have oral sex

1804
01:10:58,080 --> 01:10:56,380
with such as name did you ever touch so

1805
01:11:00,120 --> 01:10:58,090
and so and so his name's penis did

1806
01:11:01,980 --> 01:11:00,130
so-and-so ever touch her but like I mean

1807
01:11:03,930 --> 01:11:01,990
like really and I kept telling him like

1808
01:11:05,790 --> 01:11:03,940
no no no we never touched each other we

1809
01:11:07,860 --> 01:11:05,800
never touch each other and they didn't

1810
01:11:10,730 --> 01:11:07,870
believe me so they kept going at it and

1811
01:11:12,870 --> 01:11:10,740
they kept like screaming at me and

1812
01:11:14,970 --> 01:11:12,880
trying to get me to confess and then

1813
01:11:16,440 --> 01:11:14,980

finally after I don't know how long it

1814

01:11:18,480 --> 01:11:16,450

was it was like two months of that on

1815

01:11:20,700 --> 01:11:18,490

like in every single day basis and

1816

01:11:23,880 --> 01:11:20,710

although all the while they have

1817

01:11:27,330 --> 01:11:23,890

security guard watching me 24/7 and I

1818

01:11:30,390 --> 01:11:27,340

was put into a windowless room on the

1819

01:11:31,890 --> 01:11:30,400

7th floor of the main building and the

1820

01:11:34,410 --> 01:11:31,900

security guard would sleep in the room

1821

01:11:36,030 --> 01:11:34,420

with me and but he put his bed against

1822

01:11:39,060 --> 01:11:36,040

the door at night so that if I tried to

1823

01:11:40,590 --> 01:11:39,070

escape I would wake him up the only time

1824

01:11:42,450 --> 01:11:40,600

I was allowed to leave the room was to

1825

01:11:45,090 --> 01:11:42,460

go to the bathroom which I also had to

1826

01:11:46,890 --> 01:11:45,100

have an escort to go with me or to walk

1827

01:11:49,530 --> 01:11:46,900

across the street to get my security

1828

01:11:52,020 --> 01:11:49,540

checks so that lasted for about two

1829

01:11:54,060 --> 01:11:52,030

months and then eventually they were

1830

01:11:58,110 --> 01:11:54,070

like you are gay

1831

01:11:59,820 --> 01:11:58,120

you are not allowed to be the Sea Org

1832

01:12:01,410 --> 01:11:59,830

anymore we're kicking you out

1833

01:12:04,220 --> 01:12:01,420

and then they handed me a bill for forty

1834

01:12:07,650 --> 01:12:04,230

thousand dollars and then kicked me out

1835

01:12:09,630 --> 01:12:07,660

okay okay so they kick you out and then

1836

01:12:11,670 --> 01:12:09,640

I've heard this is what's called the

1837

01:12:13,920 --> 01:12:11,680

freeloader dead right yes

1838

01:12:17,190 --> 01:12:13,930

exactly so when you're in the sea

1839

01:12:19,380 --> 01:12:17,200

organization you get all of your courses

1840

01:12:21,150 --> 01:12:19,390

your training and your auditing for free

1841

01:12:22,709 --> 01:12:21,160

what they don't tell you is is that if

1842

01:12:24,780 --> 01:12:22,719

you ever decide to leave the Sea Org

1843

01:12:26,910 --> 01:12:24,790

they've been keeping track of all of the

1844

01:12:29,790 --> 01:12:26,920

things that you've done during your

1845

01:12:30,959 --> 01:12:29,800

stint in the sea in the Sea Org so even

1846

01:12:33,030 --> 01:12:30,969

though you take those courses for free

1847

01:12:34,680 --> 01:12:33,040

they keep a track of everything and if

1848

01:12:35,850 --> 01:12:34,690

you ever do decide to leave then they

1849

01:12:37,110 --> 01:12:35,860

hand you a bill and they're like oh by

1850

01:12:39,330 --> 01:12:37,120

the way you owe us money for all the

1851

01:12:41,040 --> 01:12:39,340

stuff which of course I think legally is

1852

01:12:42,300 --> 01:12:41,050

complete because they can't act

1853

01:12:43,860 --> 01:12:42,310

it doesn't actually affect your credit

1854

01:12:46,830 --> 01:12:43,870

or anything like that it's just if you

1855

01:12:48,840 --> 01:12:46,840

want to ever continue in Scientology if

1856

01:12:51,120 --> 01:12:48,850

you want to be a member in good standing

1857

01:12:56,459 --> 01:12:51,130

you have to pay your free letter debts

1858

01:12:59,040 --> 01:12:56,469

so stupid me I paid it well actually my

1859

01:13:01,860 --> 01:12:59,050

dad paid for it because he made uh my

1860

01:13:03,479 --> 01:13:01,870

dad basically was like you know I'm

1861

01:13:05,280 --> 01:13:03,489

really pissed off that you left the Sea

1862

01:13:07,140 --> 01:13:05,290

Org and I can't believe you like did all

1863

01:13:08,610 --> 01:13:07,150

these things so you're gonna come work

1864

01:13:09,840 --> 01:13:08,620

for me in the family business and I'm

1865

01:13:12,140 --> 01:13:09,850

gonna pay your freeloader debt but

1866

01:13:14,640 --> 01:13:12,150

you're gonna work it off no was he I

1867

01:13:17,729 --> 01:13:14,650

mean because he is a prominent member

1868

01:13:20,550 --> 01:13:17,739

and it has been for life obviously he

1869

01:13:22,080 --> 01:13:20,560

was he was disappointed but he was he

1870

01:13:24,750 --> 01:13:22,090

was the kind of father who would help

1871

01:13:27,600 --> 01:13:24,760

you out he was yeah and did he did he

1872

01:13:31,320 --> 01:13:27,610

know that this was all because you had

1873

01:13:35,370 --> 01:13:31,330

essentially been forced to come out yes

1874

01:13:37,200 --> 01:13:35,380

because they had the the seen some of

1875

01:13:39,720 --> 01:13:37,210

the senior ethics officers or the senior

1876

01:13:42,570 --> 01:13:39,730

ethics people had pulled my parents in

1877

01:13:44,729 --> 01:13:42,580

and had a meeting with them on the side

1878

01:13:46,709 --> 01:13:44,739

without my knowing about it and told

1879

01:13:48,990 --> 01:13:46,719

them everything they were like so Joey

1880

01:13:51,060 --> 01:13:49,000

did this and Joey did that and we're

1881

01:13:52,830 --> 01:13:51,070

kicking him out and this is why and

1882

01:13:54,390 --> 01:13:52,840

we're just letting you know because they

1883

01:13:56,910 --> 01:13:54,400

had to make sure to keep them on board

1884

01:13:58,560 --> 01:13:56,920

because if they left that that would be

1885

01:14:01,020 --> 01:13:58,570

a huge meal ticket for them but they

1886

01:14:02,880 --> 01:14:01,030

would have lost I see and they needed to

1887

01:14:04,830 --> 01:14:02,890

they needed to keep them happy you know

1888

01:14:07,050 --> 01:14:04,840

because most of the big donors in

1889

01:14:07,050 --> 01:14:07,650

Scientology can get away with a lot of

1890

01:14:11,460 --> 01:14:09,630

because they donate so much money and

1891

01:14:14,520 --> 01:14:11,470

this was and this was one of the things

1892

01:14:17,670 --> 01:14:14,530

where they did not want to they don't

1893

01:14:19,950 --> 01:14:17,680

want to lose them as Scientologists yeah

1894

01:14:21,990 --> 01:14:19,960

so so my dad was like all right I'm

1895

01:14:24,060 --> 01:14:22,000

gonna fix this you're gonna come work

1896

01:14:26,670 --> 01:14:24,070

for me at the gallery and you're gonna

1897

01:14:28,920 --> 01:14:26,680

work your way out of it and and I'm and

1898

01:14:30,000 --> 01:14:28,930

I'm just gonna give them the \$40,000 and

1899

01:14:34,700 --> 01:14:30,010

then we'll call it a day it was like

1900

01:14:37,110 --> 01:14:34,710

okay I guess so so yeah so this is uh

1901

01:14:38,910 --> 01:14:37,120

you start working for your dad at the

1902

01:14:44,340 --> 01:14:38,920

gallery and then this is where your

1903

01:14:49,560 --> 01:14:44,350

story really amps up men we're gonna

1904

01:14:51,360 --> 01:14:49,570

cover that in part two that is it for

1905

01:14:53,730 --> 01:14:51,370

part one of this two part series

1906

01:14:55,770 --> 01:14:53,740

breaking the billion-year contract of

1907

01:14:57,870 --> 01:14:55,780

Scientology

1908

01:15:00,270 --> 01:14:57,880

I hope you'll join me next week to hear

1909

01:15:02,340 --> 01:15:00,280

all about how Joey testified in federal

1910

01:15:05,610 --> 01:15:02,350

court about what he experienced in a

1911

01:15:08,010 --> 01:15:05,620

church and the infamous see why he

1912

01:15:10,050 --> 01:15:08,020

finally decided to leave and what life

1913

01:15:12,500 --> 01:15:10,060

is like on the other side of deep

1914

01:15:15,120 --> 01:15:12,510

programming from a brainwashing cult

1915

01:15:17,550 --> 01:15:15,130

we'll also talk about the church's new

1916

01:15:19,830 --> 01:15:17,560

and mysterious leader answer many

1917

01:15:22,110 --> 01:15:19,840

listener questions and so much more

1918

01:15:24,930 --> 01:15:22,120

that's next week on somewhere in the

1919

01:15:26,880 --> 01:15:24,940

skies please take a few moments to

1920

01:15:29,240 --> 01:15:26,890

subscribe rate and review the show

1921

01:15:32,700 --> 01:15:29,250

wherever possible it helps tremendously

1922

01:15:35,310 --> 01:15:32,710

for Apple users Apple podcasts is always

1923

01:15:37,710 --> 01:15:35,320

the best option but for my Android users

1924

01:15:40,740 --> 01:15:37,720

I have not forgotten you check us out on

1925

01:15:43,830 --> 01:15:40,750

pocket casts podcast addict Google Play

1926

01:15:46,110 --> 01:15:43,840

cast box and so much more and we're on

1927

01:15:49,380 --> 01:15:46,120

twitter at summer skies and instagram at

1928

01:15:51,720 --> 01:15:49,390

summer skies pi all past episodes news

1929

01:15:53,460 --> 01:15:51,730

articles and contact information is all

1930

01:15:55,800 --> 01:15:53,470

at the official web site somewhere in

1931

01:15:58,110 --> 01:15:55,810

the skies calm be sure to check out our

1932

01:16:00,210 --> 01:15:58,120

merch store Ft public and search for the

1933

01:16:03,240 --> 01:16:00,220

summer in the skies store that's tae

1934

01:16:05,340 --> 01:16:03,250

public calm i'll see you here next week

1935

01:16:07,260 --> 01:16:05,350

and remember keep your feet on the

1936

01:16:16,700 --> 01:16:07,270

ground but never stop searching

1937
