

SOMEWHERE IN THE SKIES

WITH RYAN SPRAGUE

1
00:00:04,160 --> 00:00:02,180
hey y'all Ryan Sprague here as you all

2
00:00:06,920 --> 00:00:04,170
know this summer in the skies podcast is

3
00:00:09,470 --> 00:00:06,930
always free to consume but it isn't free

4
00:00:11,570 --> 00:00:09,480
to create that's why I've started this

5
00:00:14,089 --> 00:00:11,580
somewhere in the skies patreon can pay

6
00:00:15,919 --> 00:00:14,099
you on a monthly basis you give what you

7
00:00:18,769 --> 00:00:15,929
think the show is worth you'll be

8
00:00:21,260 --> 00:00:18,779
helping the show continue grow and to be

9
00:00:23,480 --> 00:00:21,270
something truly communal and remember

10
00:00:26,000 --> 00:00:23,490
there are rewards for each level of

11
00:00:28,730 --> 00:00:26,010
contribution and the list is only grown

12
00:00:31,370 --> 00:00:28,740
so please help someone in the skies now

13
00:00:37,450 --> 00:00:31,380

by becoming a patron to contribute and

14

00:00:45,180 --> 00:00:40,410

www.personalfitnesstrainerstlouis.com

15

00:01:14,700 --> 00:00:47,070

[Applause]

16

00:01:17,200 --> 00:01:14,710

[Music]

17

00:01:19,570 --> 00:01:17,210

welcome to somewhere in the skies I'm

18

00:01:21,550 --> 00:01:19,580

your host Ryan spring this week I'm

19

00:01:24,790 --> 00:01:21,560

coming to you from my hotel room in

20

00:01:27,460 --> 00:01:24,800

Washington DC why I'm here I can't quite

21

00:01:29,680 --> 00:01:27,470

give away just yet and yes I am pulling

22

00:01:31,660 --> 00:01:29,690

a Tom DeLonge to the stars Academy

23

00:01:34,300 --> 00:01:31,670

critics and fans will get that reference

24

00:01:37,120 --> 00:01:34,310

but I did want to let you know that this

25

00:01:39,280 --> 00:01:37,130

week I'm sharing with you a very special

26

00:01:41,770 --> 00:01:39,290

discussion I had while I was living in

27

00:01:44,020 --> 00:01:41,780

Los Angeles this past year I had the

28

00:01:46,210 --> 00:01:44,030

amazing opportunity to be part of a

29

00:01:49,090 --> 00:01:46,220

panel discussion at The Upright Citizens

30

00:01:51,760 --> 00:01:49,100

Brigade as part of the Hound Talde

31

00:01:54,999 --> 00:01:51,770

discussion series hosted by well-known

32

00:01:57,300 --> 00:01:55,009

comedian Moshe kasher joining us that

33

00:02:00,389 --> 00:01:57,310

night was Irish comedian Aisling B

34

00:02:02,710 --> 00:02:00,399

oscar-nominated writer Emily Gordon and

35

00:02:05,109 --> 00:02:02,720

oscar-nominated writer and featured

36

00:02:05,590 --> 00:02:05,119

actor on the x-files and The Twilight

37

00:02:09,070 --> 00:02:05,600

Zone

38

00:02:12,040 --> 00:02:09,080

mr. Kumail Nanjiani with that lineup

39

00:02:14,620 --> 00:02:12,050

I was a little intimidated but I also

40

00:02:16,810 --> 00:02:14,630

prepared for both a little ragging on

41

00:02:19,810 --> 00:02:16,820

and definitely for some well-needed

42

00:02:21,759 --> 00:02:19,820

laughs but I made sure to always bring

43

00:02:25,090 --> 00:02:21,769

the topic back to a level of sincerity

44

00:02:27,270 --> 00:02:25,100

and seriousness as it well deserves but

45

00:02:30,130 --> 00:02:27,280

just be warned if this is a comedy

46

00:02:32,440 --> 00:02:30,140

discussion sensitive ufologists out

47

00:02:35,740 --> 00:02:32,450

there may get a little offended and for

48

00:02:37,300 --> 00:02:35,750

that all I can say is I'm not sorry if

49

00:02:39,490 --> 00:02:37,310

you can't have a little sense of humor

50

00:02:42,520 --> 00:02:39,500

with all this please find another

51
00:02:44,289 --> 00:02:42,530
passion and hobby this was an amazing

52
00:02:46,720 --> 00:02:44,299
opportunity where I got to run these

53
00:02:50,140 --> 00:02:46,730
comedians and a live audience through

54
00:02:51,640 --> 00:02:50,150
over 70 years of UFO history leading up

55
00:02:54,370 --> 00:02:51,650
to the announcement of the secret

56
00:02:57,100 --> 00:02:54,380
Pentagon UFO program another warning

57
00:02:59,140 --> 00:02:57,110
this was recorded almost a year ago so

58
00:03:01,900 --> 00:02:59,150
many revelations about the a tip program

59
00:03:03,910 --> 00:03:01,910
and to the Stars Academy have been made

60
00:03:06,130 --> 00:03:03,920
since then so just keep that in mind

61
00:03:08,349 --> 00:03:06,140
when you hear us discussing it but other

62
00:03:10,730 --> 00:03:08,359
than that I hope you can sit back enjoy

63
00:03:13,430 --> 00:03:10,740

some levity in artists

64

00:03:15,560 --> 00:03:13,440

discussion on UFOs into Zoe's keep your

65

00:03:18,170 --> 00:03:15,570

feet on the ground as I Moshe kasher

66

00:03:20,360 --> 00:03:18,180

Ashlyn be Emily Gordon and Kumail

67

00:03:25,550 --> 00:03:20,370

Nanjiani keep searching for answers

68

00:03:27,410 --> 00:03:25,560

somewhere in the skies enjoy live at the

69

00:03:29,180 --> 00:03:27,420

UCB Franklin theatre for another episode

70

00:03:32,420 --> 00:03:29,190

of The Hound tall discussion series say

71

00:03:34,880 --> 00:03:32,430

hi everybody so now we're talking about

72

00:03:37,610 --> 00:03:34,890

UFOs do they exist well our guest expert

73

00:03:39,470 --> 00:03:37,620

definitely says that they do and we'll

74

00:03:41,330 --> 00:03:39,480

find out for ourselves right now put

75

00:03:43,430 --> 00:03:41,340

your hands together for him he is the

76

00:03:50,390 --> 00:03:43,440

author of somewhere in the skies Ryan

77

00:03:52,370 --> 00:03:50,400

Sprague ladies and gentlemen panelists

78

00:03:59,780 --> 00:03:52,380

Aisling be Emily Gordon and Kumail

79

00:04:01,670 --> 00:03:59,790

Nanjiani there they go so exciting oh

80

00:04:05,540 --> 00:04:01,680

wait Ryan no come sit next to me Kumail

81

00:04:07,130 --> 00:04:05,550

you go away okay sorry I'm trying to get

82

00:04:15,110 --> 00:04:07,140

Kumail back down to earth since his

83

00:04:16,760 --> 00:04:15,120

Academy Award nomination for an Academy

84

00:04:19,370 --> 00:04:16,770

Award but you do not have the problems

85

00:04:20,810 --> 00:04:19,380

with ego that Kumail does and I

86

00:04:22,970 --> 00:04:20,820

therefore do not need to bring you down

87

00:04:25,310 --> 00:04:22,980

to earth it's really not a big deal it's

88

00:04:28,010 --> 00:04:25,320

just an Academy Award [\h__\h] nomination

89

00:04:29,660 --> 00:04:28,020

I wish you'd stop bringing it up all the

90

00:04:30,680 --> 00:04:29,670

time well you know what actually I

91

00:04:32,210 --> 00:04:30,690

thought this would be a cool a cool

92

00:04:34,670 --> 00:04:32,220

opportunity because it's probably the

93

00:04:36,470 --> 00:04:34,680

last podcast you'll book due before the

94

00:04:38,150 --> 00:04:36,480

awards right and I just thought why

95

00:04:47,450 --> 00:04:38,160

don't you go ahead and just do your

96

00:04:53,300 --> 00:04:47,460

speech for just for us right now the

97

00:04:54,590 --> 00:04:53,310

last podcast we're doing period you're

98

00:04:59,570 --> 00:04:54,600

like Camille already said yes it was

99

00:05:03,920 --> 00:04:59,580

like Camille you're doing podcasting she

100

00:05:05,930 --> 00:05:03,930

needs she needs the help you're doing

101
00:05:07,280 --> 00:05:05,940
you're doing them at you're doing them

102
00:05:08,690 --> 00:05:07,290
again I just love the idea of like

103
00:05:10,850 --> 00:05:08,700
Kumail coming home all Death of a

104
00:05:14,660 --> 00:05:10,860
Salesman style putting his briefcase

105
00:05:16,280 --> 00:05:14,670
down Emily that's the last podcast do

106
00:05:19,190 --> 00:05:16,290
but I like we need you as a guest oh I'm

107
00:05:21,170 --> 00:05:19,200
too old for that [h__\h] yeah classic Death

108
00:05:23,510 --> 00:05:21,180
of a Salesman reference Kumail I was

109
00:05:26,060 --> 00:05:23,520
doing a I don't know what you're talking

110
00:05:32,060 --> 00:05:26,070
about who are you up against you were

111
00:05:32,900 --> 00:05:32,070
these other Pro up against tonight on

112
00:05:34,940 --> 00:05:32,910
this podcast

113
00:05:37,719 --> 00:05:34,950

Aisling be ladies and gentlemen there

114

00:05:40,520 --> 00:05:37,729

she is that's her dulcet Irish tones

115

00:05:45,950 --> 00:05:40,530

Ashlyn are you a believer in UFOs at big

116

00:05:47,300 --> 00:05:45,960

time I just only between like 9 p.m. at

117

00:05:50,870 --> 00:05:47,310

night and three o'clock in the morning

118

00:05:53,300 --> 00:05:50,880

so like ghosts vampires aliens and

119

00:05:56,420 --> 00:05:53,310

crystals and you start to believe in

120

00:06:02,330 --> 00:05:56,430

crystals finally yeah we all believe in

121

00:06:07,670 --> 00:06:02,340

crystal gems of all kinds she's showing

122

00:06:09,530 --> 00:06:07,680

a necklace way different gentleman Emily

123

00:06:11,420 --> 00:06:09,540

you and Kumail are big x-files people

124

00:06:14,120 --> 00:06:11,430

are you guys also believe it or not are

125

00:06:16,190 --> 00:06:14,130

you not I'm absolute believer and it's

126

00:06:17,960 --> 00:06:16,200

the only thing I'm frightened of oh why

127

00:06:20,390 --> 00:06:17,970

are you afraid of them because I don't

128

00:06:22,310 --> 00:06:20,400

get them hmm and I watched a lot of

129

00:06:23,990 --> 00:06:22,320

unsolved mysteries as a kid and the

130

00:06:25,760 --> 00:06:24,000

whole idea is that you don't know they

131

00:06:28,250 --> 00:06:25,770

could be taking you over on a nightly

132

00:06:30,200 --> 00:06:28,260

basis and you just don't know so I was

133

00:06:32,420 --> 00:06:30,210

like how do i how do I prove that I

134

00:06:34,280 --> 00:06:32,430

haven't been taken in the night and then

135

00:06:37,070 --> 00:06:34,290

they wiped my brain and then that time

136

00:06:39,529 --> 00:06:37,080

and did not swerve like 9 9 the ages of

137

00:06:40,909 --> 00:06:39,539

9 to like 12 or 13 it was a nosebleed if

138

00:06:42,770 --> 00:06:40,919

anyone in school ago knows me like

139

00:06:47,420 --> 00:06:42,780

you've been taken by aliens there's no

140

00:06:49,920 --> 00:06:47,430

other way of knowing country Ireland

141

00:06:50,970 --> 00:06:49,930

no we murdered a lot of children and we

142

00:06:53,130 --> 00:06:50,980

were embarrassed by it

143

00:06:55,200 --> 00:06:53,140

welcome back we thought x-files was a

144

00:06:57,150 --> 00:06:55,210

documentary and nobody told us and we're

145

00:06:59,190 --> 00:06:57,160

embarrassed but we moved on Kumail what

146

00:07:02,820 --> 00:06:59,200

about you you believe her I think so

147

00:07:06,000 --> 00:07:02,830

yeah of all the fish that like I don't

148

00:07:10,110 --> 00:07:06,010

believe in ghosts or vampires a Bigfoot

149

00:07:12,180 --> 00:07:10,120

or UFOs is the only one of that whole

150

00:07:15,630 --> 00:07:12,190

group that I think that there's a very

151
00:07:17,820 --> 00:07:15,640
real possibility Ryan uh do you resent

152
00:07:19,890 --> 00:07:17,830
the idea like everybody's been framing

153
00:07:22,260 --> 00:07:19,900
this already from I don't believe in

154
00:07:24,960 --> 00:07:22,270
ghosts specters poltergeists but I kind

155
00:07:26,910 --> 00:07:24,970
of do believe in does it does it stick

156
00:07:30,930 --> 00:07:26,920
in your crew that it's even categorized

157
00:07:34,020 --> 00:07:30,940
with those things it's tough because the

158
00:07:38,100 --> 00:07:34,030
way I look at it the UFO or alien

159
00:07:40,620 --> 00:07:38,110
phenomenon could impact the world in

160
00:07:42,300 --> 00:07:40,630
many different ways whereas I don't

161
00:07:55,560 --> 00:07:42,310
think many people feel threatened by a

162
00:08:00,690 --> 00:07:55,570
ghost came up with a three-letter word

163
00:08:02,370 --> 00:08:00,700

for I am threatening you I take your

164

00:08:05,730 --> 00:08:02,380

point though right you're saying

165

00:08:09,030 --> 00:08:05,740

essentially that because of how how

166

00:08:11,700 --> 00:08:09,040

potentially real this is it feels like

167

00:08:13,100 --> 00:08:11,710

it more could fall under the category of

168

00:08:15,750 --> 00:08:13,110

possible science rather than

169

00:08:18,270 --> 00:08:15,760

supernatural I think so yeah I mean if

170

00:08:25,010 --> 00:08:18,280

you think about a an alien civilization

171

00:08:29,309 --> 00:08:27,990

ladies and gentlemen science speaks for

172

00:08:31,799 --> 00:08:29,319

itself man

173

00:08:33,810 --> 00:08:31,809

Liz science me listeners at home I don't

174

00:08:35,399 --> 00:08:33,820

know what to tell you except that from

175

00:08:39,740 --> 00:08:35,409

this as he said ghosts are scary

176
00:08:49,710 --> 00:08:47,850
let's go sneezed on us thank you for

177
00:08:54,660 --> 00:08:49,720
laughing it did not deserve it it didn't

178
00:08:57,210 --> 00:08:54,670
deserve it I'm not joking I think it did

179
00:08:59,100 --> 00:08:57,220
Ryan before we get into the science and

180
00:09:01,920 --> 00:08:59,110
the possible changing of the world that

181
00:09:03,840 --> 00:09:01,930
UFOs could bring about I read your book

182
00:09:05,220 --> 00:09:03,850
I read a good portion of it and it

183
00:09:07,650 --> 00:09:05,230
starts off with your well it's difficult

184
00:09:09,480 --> 00:09:07,660
to get everything no it's not the book

185
00:09:10,110 --> 00:09:09,490
is very good easy to get through it's a

186
00:09:15,120 --> 00:09:10,120
page-turner

187
00:09:16,439 --> 00:09:15,130
I just I'm busy anyway Ryan you start

188
00:09:18,360 --> 00:09:16,449

the book off with your own personal

189

00:09:19,470 --> 00:09:18,370

experience of a UFO sighting and I

190

00:09:23,420 --> 00:09:19,480

wondered if you could take us through

191

00:09:25,559 --> 00:09:23,430

what happened just tell the story yeah

192

00:09:28,920 --> 00:09:25,569

that wasn't even kumail that was this

193

00:09:32,999 --> 00:09:28,930

specter that has a period yes so uh I

194

00:09:37,259 --> 00:09:33,009

was 12 years old I was 1996 I had a

195

00:09:39,780 --> 00:09:37,269

bloody nose and I was fishing off a dock

196

00:09:42,360 --> 00:09:39,790

I was away with my parents at camp and

197

00:09:42,930 --> 00:09:42,370

another world this was in upstate New

198

00:09:47,840 --> 00:09:42,940

York okay

199

00:09:55,980 --> 00:09:53,280

and I was fishing and I looked up and I

200

00:09:59,610 --> 00:09:55,990

saw three white lights and a triangular

201
00:10:02,460 --> 00:09:59,620
formation mm-hmm and completely silent I

202
00:10:04,590 --> 00:10:02,470
I didn't see like a structured craft if

203
00:10:06,990 --> 00:10:04,600
you will but I could not see like the

204
00:10:10,610 --> 00:10:07,000
Stars or anything behind it and it was

205
00:10:15,269 --> 00:10:10,620
coming down at nighttime nighttime yeah

206
00:10:16,630 --> 00:10:15,279
what'd you say stories starting to fall

207
00:10:18,910 --> 00:10:16,640
apart

208
00:10:20,889 --> 00:10:18,920
okay so it's nighttime all of a sudden

209
00:10:23,400 --> 00:10:20,899
you look up there's three there are

210
00:10:26,920 --> 00:10:23,410
three lights to quote Captain Picard and

211
00:10:29,230 --> 00:10:26,930
that's the Cape cut and and you can't

212
00:10:31,840 --> 00:10:29,240
see past the lights correct yeah yeah

213
00:10:33,970 --> 00:10:31,850

completely silent all I could hear was

214

00:10:36,009 --> 00:10:33,980

like the water hitting the dock where I

215

00:10:37,840 --> 00:10:36,019

was fishing and but you were still

216

00:10:41,530 --> 00:10:37,850

fishing at this planet that's a

217

00:10:55,170 --> 00:10:41,540

committed fisherman right there these

218

00:11:05,079 --> 00:10:59,250

maybe you should have finished the book

219

00:11:07,840 --> 00:11:05,089

like page to chapter 42 it was perch mr.

220

00:11:09,610 --> 00:11:07,850

Issa okay so what happened are you

221

00:11:11,350 --> 00:11:09,620

scared are you you're years old you're

222

00:11:13,509 --> 00:11:11,360

terrified I was [\h__\h] terrified man

223

00:11:16,569 --> 00:11:13,519

yeah I I screamed for my dad to come out

224

00:11:21,790 --> 00:11:16,579

he was inside our camp that's kind of

225

00:11:23,769 --> 00:11:21,800

weak up the other way screw that did he

226

00:11:25,960 --> 00:11:23,779

come he came out he came out he saw the

227

00:11:28,269 --> 00:11:25,970

tail under this thing as it floated

228

00:11:35,439 --> 00:11:28,279

silently over the water towards Canada

229

00:11:37,259 --> 00:11:35,449

well it smart aliens huh twenty years

230

00:11:39,660 --> 00:11:37,269

some shits gonna go down here

231

00:11:44,220 --> 00:11:39,670

we don't want to be here for us to tudo

232

00:11:47,489 --> 00:11:44,230

and beyond question does see what your

233

00:11:50,280 --> 00:11:47,499

dad saw is it did he see enough of it to

234

00:11:52,799 --> 00:11:50,290

be like that was crazy or is he like I

235

00:11:54,600 --> 00:11:52,809

don't know what I saw you know yeah I so

236

00:11:56,910 --> 00:11:54,610

again he saw like the tail end of it so

237

00:11:57,900 --> 00:11:56,920

to him he thought it was a plane it

238

00:11:58,499 --> 00:11:57,910

could have been it could have been

239

00:12:02,340 --> 00:11:58,509

anything

240

00:12:04,499 --> 00:12:02,350

I saw it directly over me it was huge

241

00:12:06,059 --> 00:12:04,509

whatever the hell this thing was and it

242

00:12:07,619 --> 00:12:06,069

just floated silently and that's the

243

00:12:14,569 --> 00:12:07,629

thing that really got to me was like a

244

00:12:18,359 --> 00:12:14,579

Prius but this is 96

245

00:12:20,460 --> 00:12:18,369

we are pre Prius yeah yeah so good night

246

00:12:22,590 --> 00:12:20,470

in a Prius well you a kid at that point

247

00:12:24,150 --> 00:12:22,600

who was prone to believe in us will you

248

00:12:26,819 --> 00:12:24,160

like sort of the kind of kid who was

249

00:12:29,429 --> 00:12:26,829

like looking for UFOs and and that kind

250

00:12:31,350 --> 00:12:29,439

of stuff no not at you that's the right

251
00:12:32,759 --> 00:12:31,360
answer Ryan by the way that's the one I

252
00:12:34,559 --> 00:12:32,769
wanted from you yeah I was really

253
00:12:36,569 --> 00:12:34,569
leading you did you watch on solve

254
00:12:38,519 --> 00:12:36,579
mysteries growing up I I did see it on

255
00:12:40,139 --> 00:12:38,529
occasion the music scared this [h__h] yeah

256
00:12:41,609 --> 00:12:40,149
the music was terrified most people that

257
00:12:47,699 --> 00:12:41,619
went upset with the arsonist and the guy

258
00:12:49,289 --> 00:12:47,709
watching if anybody also did you we were

259
00:12:51,569 --> 00:12:49,299
talking backstage at the time-life books

260
00:12:54,210 --> 00:12:51,579
oh I had those yeah did you have those

261
00:12:55,850 --> 00:12:54,220
before after this incident man I'm

262
00:12:58,169 --> 00:12:55,860
trying to figure when those came out

263
00:12:59,879 --> 00:12:58,179

those books this is like to say that

264

00:13:02,939 --> 00:12:59,889

white privilege one oh why another I

265

00:13:04,980 --> 00:13:02,949

know you had the books for sure now did

266

00:13:07,169 --> 00:13:04,990

you get the books before or after uni

267

00:13:09,059 --> 00:13:07,179

doing a pro experience no child did not

268

00:13:10,830 --> 00:13:09,069

have those books yeah they come with

269

00:13:13,050 --> 00:13:10,840

your white car

270

00:13:17,160 --> 00:13:13,060

do you remember those commercials Emily

271

00:13:18,960 --> 00:13:17,170

yes oh it was so in flight it just the

272

00:13:21,480 --> 00:13:18,970

stories would be so incendiary be like

273

00:13:22,560 --> 00:13:21,490

and then aliens came down grab the man

274

00:13:24,600 --> 00:13:22,570

what happened next

275

00:13:26,100 --> 00:13:24,610

read the book don't have to find out

276

00:13:29,930 --> 00:13:26,110

yeah and I stole them from the library

277

00:13:31,860 --> 00:13:29,940

but they'd go sorry got your street cred

278

00:13:33,090 --> 00:13:31,870

gorgeous artwork so sometimes I would

279

00:13:35,370 --> 00:13:33,100

just steal pages out of them after

280

00:13:39,540 --> 00:13:35,380

reading them what a monstrous thing to

281

00:13:42,420 --> 00:13:39,550

do others from solving the crime yeah

282

00:13:43,440 --> 00:13:42,430

that's right the mystery stay done song

283

00:13:46,320 --> 00:13:43,450

yeah it's me

284

00:13:48,210 --> 00:13:46,330

tearing worried yeah you're like a young

285

00:13:49,680 --> 00:13:48,220

hip Jessica Fletcher don't never work

286

00:13:50,430 --> 00:13:49,690

out it was me the whole time that's

287

00:13:52,650 --> 00:13:50,440

exactly right

288

00:13:54,240 --> 00:13:52,660

that's sort of myself so far we've refer

289

00:13:57,030 --> 00:13:54,250

to Death of a Salesman unsolved

290

00:14:00,769 --> 00:13:57,040

mysteries Lethal Weapon Murder She Wrote

291

00:14:06,180 --> 00:14:04,320

toast so Ryan come any other questions

292

00:14:07,860 --> 00:14:06,190

but keep going I just want to know more

293

00:14:09,329 --> 00:14:07,870

about yeah tell us more of what was

294

00:14:10,410 --> 00:14:09,339

happening to you physiologically at the

295

00:14:13,050 --> 00:14:10,420

time that you saw this because it was

296

00:14:16,740 --> 00:14:13,060

more I don't want and uh would your dick

297

00:14:24,660 --> 00:14:16,750

get hard or what was going on look at me

298

00:14:33,840 --> 00:14:24,670

bro shook it was always hard that's what

299

00:14:35,790 --> 00:14:33,850

he was fishing with that was no line but

300

00:14:36,840 --> 00:14:35,800

but you do describe your physiological

301
00:14:37,890 --> 00:14:36,850
reaction to seeing these lights so

302
00:14:39,600 --> 00:14:37,900
because I don't want to paint a picture

303
00:14:41,610 --> 00:14:39,610
of that like in the in the book it

304
00:14:42,810 --> 00:14:41,620
really struck me how intensive and

305
00:14:44,640 --> 00:14:42,820
experience this was for it was more than

306
00:14:46,500 --> 00:14:44,650
just seeing three lights in the sky you

307
00:14:48,030 --> 00:14:46,510
were you felt a vibration in the air

308
00:14:50,820 --> 00:14:48,040
tell tell us more about what it felt

309
00:14:52,740 --> 00:14:50,830
like physically I could like and maybe

310
00:14:54,960 --> 00:14:52,750
it was adrenaline something like that I

311
00:14:57,870 --> 00:14:54,970
was definitely scared I felt threatened

312
00:15:00,600 --> 00:14:57,880
I felt this vibration throughout my

313
00:15:04,140 --> 00:15:00,610

whole body my hair was sticking up my

314

00:15:06,540 --> 00:15:04,150

hair was sticking up sorry and a just

315

00:15:09,990 --> 00:15:06,550

hair was sticking up chemist

316

00:15:11,400 --> 00:15:10,000

Wow do you know your hair was taking up

317

00:15:17,070 --> 00:15:11,410

well you're like a better get my fishing

318

00:15:18,900 --> 00:15:17,080

mirror okay or do you does could you

319

00:15:25,140 --> 00:15:18,910

feel the spike in it of your like on all

320

00:15:26,880 --> 00:15:25,150

your hair in your arm which is also a

321

00:15:28,920 --> 00:15:26,890

great series of books from our era

322

00:15:31,710 --> 00:15:28,930

because somebody wanted to reference

323

00:15:42,870 --> 00:15:31,720

another thing from did you have the like

324

00:15:46,110 --> 00:15:42,880

alright Hitler haircut at the time but

325

00:15:47,880 --> 00:15:46,120

after that um I know I used to have the

326

00:15:51,900 --> 00:15:47,890

haircut no no but I just do like the

327

00:15:53,700 --> 00:15:51,910

image of you hair standing on it anyway

328

00:15:57,900 --> 00:15:53,710

whatever little mustache goes up

329

00:15:58,170 --> 00:15:57,910

whatever okay so Ryan what yeah what

330

00:16:00,570 --> 00:15:58,180

else

331

00:16:02,160 --> 00:16:00,580

and then as it as it disappeared into

332

00:16:04,020 --> 00:16:02,170

the skyline what are you thinking do you

333

00:16:05,190 --> 00:16:04,030

think I just saw an alien craft or youth

334

00:16:07,680 --> 00:16:05,200

or what do you think what's what's your

335

00:16:11,250 --> 00:16:07,690

process yeah I mean at that time like I

336

00:16:14,460 --> 00:16:11,260

mean I was only twelve but sort of my my

337

00:16:15,960 --> 00:16:14,470

limited knowledge of aviation I I knew

338

00:16:18,090 --> 00:16:15,970

that what I was looking at was not like

339

00:16:21,150 --> 00:16:18,100

a plane I'd ever seen before

340

00:16:22,980 --> 00:16:21,160

I knew that whatever it was it was

341

00:16:26,700 --> 00:16:22,990

silent there was no like propulsion to

342

00:16:29,190 --> 00:16:26,710

it and I was just confused I had no clue

343

00:16:30,630 --> 00:16:29,200

what I was looking at and for my father

344

00:16:32,280 --> 00:16:30,640

to say like it was playing there was a

345

00:16:34,890 --> 00:16:32,290

plane to try to calm me down like that

346

00:16:36,960 --> 00:16:34,900

helped in the moment but I just I became

347

00:16:39,630 --> 00:16:36,970

so curious after that that I wanted to

348

00:16:41,640 --> 00:16:39,640

keep you know pursuing what did you like

349

00:16:43,170 --> 00:16:41,650

to tell your friends about it did you

350

00:16:45,330 --> 00:16:43,180

like to think about it for weeks and

351
00:16:47,940 --> 00:16:45,340
weeks like what happened and how did the

352
00:16:50,670 --> 00:16:47,950
people around you take it um I I didn't

353
00:16:53,100 --> 00:16:50,680
tell anyone for years and years Wow

354
00:16:56,130 --> 00:16:53,110
yeah III what I would go to the library

355
00:17:00,300 --> 00:16:56,140
and take a book there were pages were

356
00:17:08,010 --> 00:17:06,750
I'm white trash white party and yeah he

357
00:17:09,870 --> 00:17:08,020
became obsessed for that

358
00:17:12,840 --> 00:17:09,880
I mean stacks of books I would take home

359
00:17:15,210 --> 00:17:12,850
on like UFOs Loch Ness monster like all

360
00:17:18,449 --> 00:17:15,220
this crazy [h__\h] because sort of this

361
00:17:20,309 --> 00:17:18,459
door was open for me that whatever was

362
00:17:21,990 --> 00:17:20,319
happening out there whenever we were

363
00:17:24,270 --> 00:17:22,000

being told was happening wasn't the

364

00:17:26,130 --> 00:17:24,280

whole story and I'll just say that I

365

00:17:28,680 --> 00:17:26,140

when you sent you sent me a bunch of

366

00:17:29,850 --> 00:17:28,690

material to look at and and when I got

367

00:17:31,260 --> 00:17:29,860

the material I would say that I was

368

00:17:33,300 --> 00:17:31,270

probably a pretty heavy skeptic I

369

00:17:34,830 --> 00:17:33,310

believe in alien life because it just

370

00:17:35,730 --> 00:17:34,840

seems pretty obvious that at some point

371

00:17:39,060 --> 00:17:35,740

there's gonna be alien life out there

372

00:17:40,320 --> 00:17:39,070

but in terms of UFOs visiting earth or

373

00:17:41,820 --> 00:17:40,330

wherever they may or may not have come

374

00:17:43,980 --> 00:17:41,830

from I would say I was a skeptic by the

375

00:17:45,930 --> 00:17:43,990

end of looking through the the material

376

00:17:47,460 --> 00:17:45,940

you sent me I don't think it's really up

377

00:17:50,460 --> 00:17:47,470

for debate that there has been some

378

00:17:51,900 --> 00:17:50,470

something has come to this planet maybe

379

00:17:54,540 --> 00:17:51,910

it came from this planet maybe it came

380

00:17:56,460 --> 00:17:54,550

from somewhere else but let us so let's

381

00:18:00,060 --> 00:17:56,470

go back in history and just get to the

382

00:18:01,440 --> 00:18:00,070

our modern understanding of it like the

383

00:18:03,900 --> 00:18:01,450

military and the government's

384

00:18:06,510 --> 00:18:03,910

involvement in a cover-up of whatever

385

00:18:08,640 --> 00:18:06,520

the craft that has been seen maybe it

386

00:18:10,800 --> 00:18:08,650

started when I mean well what what are

387

00:18:12,720 --> 00:18:10,810

some of the early sightings that we

388

00:18:14,220 --> 00:18:12,730

refer to you you were telling me about

389

00:18:15,450 --> 00:18:14,230

one that happened even before Roswell

390

00:18:18,210 --> 00:18:15,460

right that happened here in Los Angeles

391

00:18:20,850 --> 00:18:18,220

right yeah it's one of the first I guess

392

00:18:22,860 --> 00:18:20,860

recorded once in modern UFO history we

393

00:18:35,550 --> 00:18:22,870

call it Ashley's doing silent there's no

394

00:18:39,240 --> 00:18:35,560

comedy on the podcast right now I'll be

395

00:18:41,710 --> 00:18:39,250

I'll be using the miracle I am sure

396

00:18:45,560 --> 00:18:41,720

going up like you

397

00:18:46,549 --> 00:18:45,570

okay Bryan yes so before Roz while

398

00:18:50,299 --> 00:18:46,559

you're telling me there was there was

399

00:18:54,230 --> 00:18:50,309

actually a documented UFO visit here in

400

00:18:58,760 --> 00:18:54,240

Los Angeles right 1941 it was called the

401
00:19:17,750 --> 00:18:58,770
Battle of Los Angeles not the movie with

402
00:19:21,200 --> 00:19:17,760
oh [h__h] I don't know looks good this

403
00:19:23,570 --> 00:19:21,210
huge cylindrical object bright as all

404
00:19:26,330 --> 00:19:23,580
hell was seen over Los Angeles the army

405
00:19:29,090 --> 00:19:26,340
actually got really like scared about

406
00:19:30,770 --> 00:19:29,100
this and they started firing on it they

407
00:19:32,960 --> 00:19:30,780
mobilized them sent planes on the list

408
00:19:34,790 --> 00:19:32,970
oh absolutely and this is a documented

409
00:19:36,470 --> 00:19:34,800
thing that has documented this is you

410
00:19:40,370 --> 00:19:36,480
know in every yeah did they bring it

411
00:19:42,140 --> 00:19:40,380
down so they shot at it and whatever was

412
00:19:44,840 --> 00:19:42,150
up there completely it just disappeared

413
00:19:47,510 --> 00:19:44,850

out of sight shell casings actually fell

414

00:19:48,650 --> 00:19:47,520

back down and killed people so this was

415

00:19:50,299 --> 00:19:48,660

actually like a pretty deadly

416

00:19:51,500 --> 00:19:50,309

are you sure that the army didn't just

417

00:20:04,100 --> 00:19:51,510

shoot a bunch of people and then make up

418

00:20:08,230 --> 00:20:04,110

the standing under the spacecraft came

419

00:20:11,299 --> 00:20:08,240

down piloted by George Soros it sound so

420

00:20:14,120 --> 00:20:11,309

scary that that is very scary and and

421

00:20:15,830 --> 00:20:14,130

one of the one of the ongoing themes of

422

00:20:18,680 --> 00:20:15,840

these different stories is that the is

423

00:20:20,299 --> 00:20:18,690

is that idea that the craft not only are

424

00:20:22,610 --> 00:20:20,309

larger than any craft you could ever

425

00:20:25,160 --> 00:20:22,620

imagine that they also move at a pace

426

00:20:27,260 --> 00:20:25,170

that is unimaginable that doesn't match

427

00:20:31,190 --> 00:20:27,270

any technology so they change direction

428

00:20:33,260 --> 00:20:31,200

too right that's another balloons yeah

429

00:20:35,360 --> 00:20:33,270

it's like certainly not technology that

430

00:20:38,419 --> 00:20:35,370

we have now but definitely not that we

431

00:20:39,740 --> 00:20:38,429

had in 1941 or 47 which is when roswell

432

00:20:41,740 --> 00:20:39,750

happens what happened in Roswell I

433

00:20:45,070 --> 00:20:41,750

honestly don't know the story of was

434

00:20:47,150 --> 00:20:45,080

this was Joel early July of 1947

435

00:20:48,380 --> 00:20:47,160

something crashed in the desert in

436

00:20:51,560 --> 00:20:48,390

Roswell New Mexico

437

00:20:53,980 --> 00:20:51,570

a rancher found a bunch of wreckage on

438

00:20:57,370 --> 00:20:53,990

his on his ranch he reported

439

00:20:59,919 --> 00:20:57,380

to the the local airfield and they came

440

00:21:03,190 --> 00:20:59,929

out to investigate immediately they

441

00:21:05,710 --> 00:21:03,200

started gathering everything up putting

442

00:21:08,289 --> 00:21:05,720

it you know on their trucks and sending

443

00:21:09,850 --> 00:21:08,299

it back to their base and they were told

444

00:21:13,480 --> 00:21:09,860

the rancher never to talk about what had

445

00:21:16,029 --> 00:21:13,490

happened there that the next day the

446

00:21:19,180 --> 00:21:16,039

newspaper said that they had found a

447

00:21:21,279 --> 00:21:19,190

flying disc and the day after that the

448

00:21:23,049 --> 00:21:21,289

story was retracted and they said that

449

00:21:24,250 --> 00:21:23,059

they found a weather balloon I mean

450

00:21:25,659 --> 00:21:24,260

that's that's what most people know

451
00:21:27,760 --> 00:21:25,669
about Roswell it was just a weather

452
00:21:30,639 --> 00:21:27,770
balloon weather balloon but there's been

453
00:21:31,990 --> 00:21:30,649
I mean countless witnesses in the

454
00:21:34,450 --> 00:21:32,000
military who have come forward and said

455
00:21:35,710 --> 00:21:34,460
that was a cover story like we don't

456
00:21:37,299 --> 00:21:35,720
know exactly what it was but it

457
00:21:38,649 --> 00:21:37,309
definitely was not what do you it so

458
00:21:41,200 --> 00:21:38,659
what I'd heard about Roswell was like

459
00:21:43,000 --> 00:21:41,210
that's that like people saw the graves

460
00:21:45,610 --> 00:21:43,010
like the little guys with the big eyes

461
00:21:47,860 --> 00:21:45,620
that give me all the pairs so it's that

462
00:21:50,049 --> 00:21:47,870
is that a cockamamie part of the theory

463
00:21:52,120 --> 00:21:50,059

or is it we just don't know what they

464

00:21:53,740 --> 00:21:52,130

saw we don't know what people saw what's

465

00:21:54,909 --> 00:21:53,750

the greatest thing at Roswell

466

00:21:56,799 --> 00:21:54,919

well the grades are just that's what the

467

00:21:59,320 --> 00:21:56,809

aliens I know but I didn't know that

468

00:22:00,730 --> 00:21:59,330

people saw those aliens in Roswell there

469

00:22:04,120 --> 00:22:00,740

there are many witnesses who claim to

470

00:22:06,010 --> 00:22:04,130

have seen bodies so what those bodies

471

00:22:07,450 --> 00:22:06,020

were we don't know they might have been

472

00:22:09,159 --> 00:22:07,460

dead the human body it could have been a

473

00:22:10,870 --> 00:22:09,169

test you know by the government some

474

00:22:14,289 --> 00:22:10,880

sort of flight test this was the very

475

00:22:16,570 --> 00:22:14,299

early days of aerospace you know trying

476

00:22:18,639 --> 00:22:16,580

to get as far up as we could it could

477

00:22:20,169 --> 00:22:18,649

have been some sort of test pilot that

478

00:22:21,700 --> 00:22:20,179

the whole body thing has always been up

479

00:22:22,930 --> 00:22:21,710

before this because you know the way

480

00:22:25,450 --> 00:22:22,940

when you what do you see

481

00:22:27,399 --> 00:22:25,460

aliens and old movies we don't seem to

482

00:22:29,080 --> 00:22:27,409

be able to really stretch away from an

483

00:22:31,299 --> 00:22:29,090

alien look like even what's that Amy

484

00:22:34,600 --> 00:22:31,309

Adams movie all right all right yeah

485

00:22:36,310 --> 00:22:34,610

look still a bit like the blue like like

486

00:22:37,419 --> 00:22:36,320

it's always like octopuses we can't

487

00:22:41,350 --> 00:22:37,429

imagine something weirder than an

488

00:22:42,700 --> 00:22:41,360

octopus legs no one can understand them

489

00:22:46,680 --> 00:22:42,710

I'll eat them but I don't understand

490

00:22:49,269 --> 00:22:46,690

them today bare octopuses look [\h__\h]

491

00:22:50,680 --> 00:22:49,279

we all just coming just not all get our

492

00:22:52,870 --> 00:22:50,690

heads are in octopus is that what aliens

493

00:22:53,580 --> 00:22:52,880

are but you know say after the film The

494

00:22:59,080 --> 00:22:53,590

Truman Show

495

00:23:02,440 --> 00:22:59,090

in in the sort of book of mental health

496

00:23:03,669 --> 00:23:02,450

there is now a sort of disease where

497

00:23:05,620 --> 00:23:03,679

people think and I think of the whole

498

00:23:06,090 --> 00:23:05,630

time like oh I'm in a movie

499

00:23:07,410 --> 00:23:06,100

they've

500

00:23:09,630 --> 00:23:07,420

those extras really bad because I saw

501
00:23:11,430 --> 00:23:09,640
him running around two years ago and

502
00:23:13,200 --> 00:23:11,440
they'd heard they've just reused the

503
00:23:16,310 --> 00:23:13,210
budget for the extras like there's

504
00:23:18,510 --> 00:23:16,320
there's a it made us dementia yeah yeah

505
00:23:19,950 --> 00:23:18,520
anymore replaced by doubles and that

506
00:23:21,870 --> 00:23:19,960
yeah exactly and so you start looking

507
00:23:22,290 --> 00:23:21,880
for the filmic or that the connections

508
00:23:25,530 --> 00:23:22,300
your life

509
00:23:26,700 --> 00:23:25,540
I wonder say with aliens how much and

510
00:23:30,060 --> 00:23:26,710
you could maybe answers

511
00:23:32,430 --> 00:23:30,070
how much Hollywood has to answer for

512
00:23:34,560 --> 00:23:32,440
what we see matching or what or when we

513
00:23:36,390 --> 00:23:34,570

when we think we see something matching

514

00:23:48,660 --> 00:23:36,400

what's so delivered to us as this

515

00:23:50,280 --> 00:23:48,670

octopus looking thing guys even but your

516

00:23:52,590 --> 00:23:50,290

your point is well made like the

517

00:23:55,710 --> 00:23:52,600

question is always begged when we talk

518

00:23:58,260 --> 00:23:55,720

about UFOs is did we begin to believe in

519

00:23:59,940 --> 00:23:58,270

UFOs because the science fiction movie

520

00:24:01,640 --> 00:23:59,950

showed them to us or did science fiction

521

00:24:04,200 --> 00:24:01,650

movies take from the human consciousness

522

00:24:08,780 --> 00:24:04,210

robos report exactly like the chicken

523

00:24:11,370 --> 00:24:08,790

and the egg no their unfinished question

524

00:24:13,020 --> 00:24:11,380

so what do you think I mean you're a

525

00:24:15,570 --> 00:24:13,030

believer so it's a difficult question to

526
00:24:17,520 --> 00:24:15,580
pose to you when we and by the way I

527
00:24:20,070 --> 00:24:17,530
want to point out the Ryan's specialty

528
00:24:22,410 --> 00:24:20,080
is not necessarily alien visitation it

529
00:24:23,730 --> 00:24:22,420
is UFO it's it's spacecraft people that

530
00:24:26,010 --> 00:24:23,740
have seen spacecraft right what we're

531
00:24:27,660 --> 00:24:26,020
gonna get more into the beings but even

532
00:24:29,340 --> 00:24:27,670
the spacecraft the imagery that we see

533
00:24:30,930 --> 00:24:29,350
when we see the spacecraft we used to

534
00:24:33,630 --> 00:24:30,940
see flying saucers and now it's maybe

535
00:24:35,820 --> 00:24:33,640
modernised a bit like - what - yeah I

536
00:24:37,740 --> 00:24:35,830
try to what degree do you think we have

537
00:24:40,440 --> 00:24:37,750
been info by the way you would admit

538
00:24:43,890 --> 00:24:40,450

that most UFO sightings are total

539

00:24:45,240 --> 00:24:43,900

[h__h] right oh absolutely I mean 95%

540

00:24:49,800 --> 00:24:45,250

yeah but yours was real

541

00:24:55,050 --> 00:24:53,260

95% of them are prosaic explanations

542

00:24:57,670 --> 00:24:55,060

they're conventional aircraft they're

543

00:24:59,620 --> 00:24:57,680

misidentifications they're birds I don't

544

00:25:02,920 --> 00:24:59,630

know but there is always that like 5%

545

00:25:05,620 --> 00:25:02,930

flying octopuses fine those guys and

546

00:25:07,030 --> 00:25:05,630

that we can't explain right simply can't

547

00:25:09,550 --> 00:25:07,040

explain and that goes for the government

548

00:25:11,470 --> 00:25:09,560

that goes for science you know we've had

549

00:25:13,060 --> 00:25:11,480

astronomers look into this which I'm

550

00:25:14,290 --> 00:25:13,070

sure we'll get in did you hear but did

551
00:25:15,490 --> 00:25:14,300
you read that news story that came out a

552
00:25:17,230 --> 00:25:15,500
couple months ago about the guy who

553
00:25:18,870 --> 00:25:17,240
worked in the Pentagon or were get in

554
00:25:21,040 --> 00:25:18,880
there come on

555
00:25:22,510 --> 00:25:21,050
but before we do get to the Pentagon

556
00:25:23,590 --> 00:25:22,520
because I think that is part of part of

557
00:25:24,940 --> 00:25:23,600
what was so striking to me in looking

558
00:25:27,070 --> 00:25:24,950
through this stuff is like the

559
00:25:29,230 --> 00:25:27,080
government has been involved in some

560
00:25:31,000 --> 00:25:29,240
sort of cover-up I don't know if it's

561
00:25:32,560 --> 00:25:31,010
for alien spacecraft or if it's just

562
00:25:34,810 --> 00:25:32,570
because they're covering up the you know

563
00:25:36,820 --> 00:25:34,820

it's purely their own technology but the

564

00:25:38,770 --> 00:25:36,830

government has been involved since 1947

565

00:25:40,210 --> 00:25:38,780

right and Roswell was I know it that is

566

00:25:42,040 --> 00:25:40,220

the year that Pakistan became a country

567

00:25:44,350 --> 00:25:42,050

anyway keep going I'm just trying to

568

00:25:46,330 --> 00:25:44,360

teach you something awesome there are

569

00:25:48,670 --> 00:25:46,340

the two things connected you're bad or

570

00:25:50,200 --> 00:25:48,680

no I was [h__h] spaceship crashes in

571

00:25:56,020 --> 00:25:50,210

New Mexico and a month later we have a

572

00:25:58,510 --> 00:25:56,030

new country you tell me that is another

573

00:26:01,360 --> 00:25:58,520

question that comes up actually is how

574

00:26:03,280 --> 00:26:01,370

how much of the concentration of UFO

575

00:26:05,560 --> 00:26:03,290

sightings is based in the United States

576

00:26:08,860 --> 00:26:05,570

or how international phenomenon is it it

577

00:26:10,750 --> 00:26:08,870

is definitely a worldly phenomenon we

578

00:26:13,300 --> 00:26:10,760

often see it through Western eyes

579

00:26:17,860 --> 00:26:13,310

however all the big cases you think of

580

00:26:20,430 --> 00:26:17,870

Roswell Rendlesham which was in England

581

00:26:23,680 --> 00:26:20,440

but was on a American military base

582

00:26:26,410 --> 00:26:23,690

which I can get into later as well but

583

00:26:28,060 --> 00:26:26,420

most of the cases have happened here and

584

00:26:32,650 --> 00:26:28,070

so the ones that are reported in other

585

00:26:33,790 --> 00:26:32,660

countries are they similar images very

586

00:26:35,590 --> 00:26:33,800

strikingly similar

587

00:26:37,870 --> 00:26:35,600

there's many patterns to be made in

588

00:26:40,780 --> 00:26:37,880

terms of what they saw the thing I've

589

00:26:42,520 --> 00:26:40,790

noticed though is that other countries

590

00:26:44,230 --> 00:26:42,530

they take this topic very seriously

591

00:26:46,840 --> 00:26:44,240

we're here in the United States it's

592

00:26:48,580 --> 00:26:46,850

very ridiculed at times is it because

593

00:26:50,770 --> 00:26:48,590

we've made so many movies about it maybe

594

00:26:52,270 --> 00:26:50,780

possibly there's a lot of like the

595

00:26:54,490 --> 00:26:52,280

chicken and the egg thing is which came

596

00:26:57,340 --> 00:26:54,500

first the bug-eyed aliens in the movies

597

00:26:59,550 --> 00:26:57,350

or the the bar got aliens [h__h] me up

598

00:27:03,880 --> 00:26:59,560

the ass with their instruments exactly

599

00:27:07,720 --> 00:27:03,890

um Kumail you grew up in Pakistan tell

600

00:27:12,100 --> 00:27:07,730

us about that no how much of the movies

601
00:27:13,900 --> 00:27:12,110
true no but what was the cultural

602
00:27:15,490 --> 00:27:13,910
consciousness as a kid in Pakistan like

603
00:27:17,050 --> 00:27:15,500
do they talk about what what what's the

604
00:27:19,000 --> 00:27:17,060
understanding of UFOs in Pakistan today

605
00:27:20,620 --> 00:27:19,010
oh I mean I remember I saw all of

606
00:27:22,390 --> 00:27:20,630
everybody talking about it I was

607
00:27:24,600 --> 00:27:22,400
obsessed with UFOs since I was a little

608
00:27:28,150 --> 00:27:24,610
kid I had all the books and stuff and

609
00:27:29,650 --> 00:27:28,160
not time-life but other ones but I was

610
00:27:31,080 --> 00:27:29,660
really I remember looking at the a

611
00:27:33,550 --> 00:27:31,090
picture of like the checkerboard

612
00:27:36,280 --> 00:27:33,560
radiation burn thing and being like oh

613
00:27:38,020 --> 00:27:36,290

wow that's I want that but like if you

614

00:27:39,310 --> 00:27:38,030

in I don't know if you can speak to it

615

00:27:41,170 --> 00:27:39,320

now cuz you've been gone for so long but

616

00:27:42,490 --> 00:27:41,180

if a person had one of the things that I

617

00:27:43,540 --> 00:27:42,500

noticed through that through your book

618

00:27:44,800 --> 00:27:43,550

and through this documentary that I

619

00:27:46,750 --> 00:27:44,810

watches the people when they come out

620

00:27:47,950 --> 00:27:46,760

there's pretty a lot of pretty regular

621

00:27:50,110 --> 00:27:47,960

people and a lot of very high-ranking

622

00:27:51,970 --> 00:27:50,120

people right there immediately ridiculed

623

00:27:53,950 --> 00:27:51,980

and they made to be sorry that they ever

624

00:27:55,780 --> 00:27:53,960

talked about what they saw is the same

625

00:27:58,210 --> 00:27:55,790

kind of ridicule in Ireland or in

626

00:28:00,430 --> 00:27:58,220

Pakistan is it does it feel as the lamb

627

00:28:03,070 --> 00:28:00,440

Bassett and Lampoon in this in the other

628

00:28:05,620 --> 00:28:03,080

countries you guys grew up in yeah I'd

629

00:28:07,390 --> 00:28:05,630

say so I mean the thing is I think he'd

630

00:28:09,700 --> 00:28:07,400

be more ridiculed for an alien than a

631

00:28:12,070 --> 00:28:09,710

ghost in Ireland because I think if you

632

00:28:13,570 --> 00:28:12,080

have a very religious country and any

633

00:28:15,190 --> 00:28:13,580

really really nice country you're

634

00:28:17,580 --> 00:28:15,200

naturally saying I believe in something

635

00:28:24,690 --> 00:28:17,590

higher as long as it's not higher than

636

00:28:30,269 --> 00:28:26,909

I see you're Ella and I raise you a

637

00:28:33,599 --> 00:28:30,279

Jesus Christ and you call them wee

638

00:28:34,139 --> 00:28:33,609

little spirits is that right no we

639

00:28:36,779 --> 00:28:34,149

really don't

640

00:28:38,700 --> 00:28:36,789

and but I think there's the belief in

641

00:28:40,470 --> 00:28:38,710

something higher than you but the aliens

642

00:28:42,419 --> 00:28:40,480

are inside of it I think you would fair

643

00:28:44,430 --> 00:28:42,429

enough because to some degree an alien

644

00:28:49,590 --> 00:28:44,440

sighting flies in the face of a

645

00:28:52,529 --> 00:28:49,600

religious and science I think I mean the

646

00:28:54,239 --> 00:28:52,539

idea of God and why we have it it's it's

647

00:28:56,460 --> 00:28:54,249

for all of our psychology and it's for

648

00:28:57,690 --> 00:28:56,470

all of our insanity it's what we have to

649

00:28:59,129 --> 00:28:57,700

explain things that we don't have any

650

00:29:00,539 --> 00:28:59,139

words for at the moment we don't have

651
00:29:02,279 --> 00:29:00,549
any science for and that's why we have

652
00:29:11,070 --> 00:29:02,289
it and whether it's read or not we don't

653
00:29:13,859 --> 00:29:11,080
know actually I do know and it provides

654
00:29:17,279 --> 00:29:13,869
comfort whereas aliens provide disco

655
00:29:20,430 --> 00:29:17,289
extreme discomfort but I think I think

656
00:29:22,409 --> 00:29:20,440
the idea that we are alone is so subtle

657
00:29:24,210 --> 00:29:22,419
of systick and so the idea that we are

658
00:29:26,639 --> 00:29:24,220
at the core of our own universe always

659
00:29:29,700 --> 00:29:26,649
said it was all sister you are motion

660
00:29:32,159 --> 00:29:29,710
it's a commotion - yes but it's so the

661
00:29:33,989 --> 00:29:32,169
idea that we are the only planet that

662
00:29:36,539 --> 00:29:33,999
has managed to like get enough heat and

663
00:29:38,129 --> 00:29:36,549

bacteria together to develop into

664

00:29:41,639 --> 00:29:38,139

whatever let these little bags of meat

665

00:29:45,389 --> 00:29:41,649

we are are is is absolutely ridiculous

666

00:29:48,450 --> 00:29:45,399

that said I I don't know about that how

667

00:29:50,460 --> 00:29:48,460

far in advance for example all all of

668

00:29:52,830 --> 00:29:50,470

the alien spacecrafts we have are a

669

00:29:54,509 --> 00:29:52,840

version of aeroplanes so we never we

670

00:29:56,190 --> 00:29:54,519

can't even imagine so that's right that

671

00:29:58,349 --> 00:29:56,200

doesn't look like even when moves as a

672

00:29:59,909 --> 00:29:58,359

vapor like we don't know even like the

673

00:30:01,529 --> 00:29:59,919

hint with God when you're saying that

674

00:30:04,229 --> 00:30:01,539

look like men you're saying that these

675

00:30:08,999 --> 00:30:04,239

sightings of UFOs match aircraft that

676
00:30:14,340 --> 00:30:09,009
we've seen helium balloon of a balloon

677
00:30:16,169 --> 00:30:14,350
into the sky of an octopus that doesn't

678
00:30:17,879 --> 00:30:16,179
feel this doesn't feel like it tracks

679
00:30:19,830 --> 00:30:17,889
with your book like is that is that true

680
00:30:23,430 --> 00:30:19,840
that the sightings of alien spacecraft

681
00:30:25,710 --> 00:30:23,440
fit conventional aircraft ideas I

682
00:30:28,049 --> 00:30:25,720
wouldn't say they directly mirror our

683
00:30:30,330 --> 00:30:28,059
aircraft they always seem to be a little

684
00:30:32,609 --> 00:30:30,340
bit ahead at least from what I've

685
00:30:35,399 --> 00:30:32,619
gathered from you know decade to decade

686
00:30:37,690 --> 00:30:35,409
report for to report I mean you look at

687
00:30:40,509 --> 00:30:37,700
like the early 50s you have saucers

688
00:30:43,930 --> 00:30:40,519

look at the 60s and 70s 80s he had his

689

00:30:48,600 --> 00:30:43,940

weed leaves right for the reason I just

690

00:30:53,649 --> 00:30:51,879

sorry Oh God

691

00:30:55,720 --> 00:30:53,659

what Spring Heeled Jack do you know what

692

00:30:57,639 --> 00:30:55,730

that is you don't know what that is okay

693

00:30:59,740 --> 00:30:57,649

the murder thing isn't it no but there

694

00:31:01,840 --> 00:30:59,750

was I've read this book and now I'm

695

00:31:03,879 --> 00:31:01,850

getting like little flashes but in in

696

00:31:05,049 --> 00:31:03,889

London there was like a creek there was

697

00:31:07,659 --> 00:31:05,059

like a sighting and then this creature

698

00:31:10,930 --> 00:31:07,669

was seen jumping around for this was

699

00:31:12,460 --> 00:31:10,940

like in the 80s you know what doesn't

700

00:31:15,009 --> 00:31:12,470

think old paintings with there's like a

701
00:31:19,480 --> 00:31:15,019
disc flying and stuff what's that about

702
00:31:21,940 --> 00:31:19,490
yeah great question come on I mean yeah

703
00:31:24,129 --> 00:31:21,950
would get me more that pre the idea of

704
00:31:25,990 --> 00:31:24,139
an airplane yes for you there's

705
00:31:27,759 --> 00:31:26,000
something what what I was trying to say

706
00:31:29,710 --> 00:31:27,769
there was the idea that his aliens a

707
00:31:32,620 --> 00:31:29,720
chorus of course we're not the only

708
00:31:34,870 --> 00:31:32,630
bloody planet like how classic hashtag

709
00:31:36,310 --> 00:31:34,880
human is is it of us to imagine I know

710
00:31:37,750 --> 00:31:36,320
were the only ones were the most

711
00:31:39,549 --> 00:31:37,760
advanced he could ever be what about

712
00:31:41,379 --> 00:31:39,559
crack [h__\h] Kruk shoes then that's

713
00:31:42,879 --> 00:31:41,389

disgustin like clearly we're not the

714

00:31:44,200 --> 00:31:42,889

most advanced people in the world but

715

00:31:49,149 --> 00:31:44,210

the that's your proof that were not

716

00:31:51,279 --> 00:31:49,159

alone in the universe but like that we

717

00:31:52,570 --> 00:31:51,289

can't even imagine something it like

718

00:31:54,549 --> 00:31:52,580

you're you you were saying about

719

00:31:56,470 --> 00:31:54,559

sightings there a little bit further on

720

00:31:58,480 --> 00:31:56,480

than a spacecraft they're not an

721

00:32:00,460 --> 00:31:58,490

unimaginable thing you're just a little

722

00:32:02,440 --> 00:32:00,470

bit but I think it when you're like like

723

00:32:04,139 --> 00:32:02,450

well your smile about those things and

724

00:32:07,350 --> 00:32:04,149

the paintings you like that is yeah

725

00:32:10,870 --> 00:32:07,360

there are a lot of sightings before like

726

00:32:13,120 --> 00:32:10,880

the 1900 there's their settings back to

727

00:32:15,490 --> 00:32:13,130

recorded history from what I can gather

728

00:32:18,070 --> 00:32:15,500

I mean I I I look a lot at the modern

729

00:32:20,409 --> 00:32:18,080

UFO era from like Raj Mohan but yes I

730

00:32:22,480 --> 00:32:20,419

mean you look at like Nostradamus is

731

00:32:24,159 --> 00:32:22,490

predictions of 9/11 or whatever you're

732

00:32:26,279 --> 00:32:24,169

like oh that's weird because they are

733

00:32:28,870 --> 00:32:26,289

that he couldn't even have imagined a

734

00:32:30,940 --> 00:32:28,880

building that high so something that

735

00:32:33,279 --> 00:32:30,950

that that that to me is like whoa that's

736

00:32:35,799 --> 00:32:33,289

a you know put your works real hard to

737

00:32:38,240 --> 00:32:35,809

bring 9/11 into that always always

738

00:32:41,160 --> 00:32:38,250

that's kind of my brand yeah

739

00:32:42,810 --> 00:32:41,170

so yeah so getting back to the modern

740

00:32:44,130 --> 00:32:42,820

understanding of the UFO era which I

741

00:32:45,830 --> 00:32:44,140

think these questions are good and what

742

00:32:47,730 --> 00:32:45,840

you're saying is that there are recorded

743

00:32:49,230 --> 00:32:47,740

instances of these sightings but it

744

00:32:51,750 --> 00:32:49,240

doesn't actually hit it's fever pitch

745

00:32:53,010 --> 00:32:51,760

until to your point actually we do we do

746

00:32:54,840 --> 00:32:53,020

get into the modern era so there is a

747

00:32:57,660 --> 00:32:54,850

kind of you know sort of confirmation

748

00:32:59,910 --> 00:32:57,670

bias question about it all but as we get

749

00:33:01,860 --> 00:32:59,920

into later on into the history I want to

750

00:33:03,600 --> 00:33:01,870

say it makes sense that as we have more

751
00:33:05,130 --> 00:33:03,610
science that these sightings would stand

752
00:33:06,660 --> 00:33:05,140
out more because back then you see

753
00:33:09,570 --> 00:33:06,670
something flying you're like [h__h] we

754
00:33:11,040 --> 00:33:09,580
don't know anything but now we're like

755
00:33:14,190 --> 00:33:11,050
we know most things what the what the

756
00:33:15,840 --> 00:33:14,200
hell they wanted to figure out what

757
00:33:17,310 --> 00:33:15,850
whether it was real when we got to this

758
00:33:19,290 --> 00:33:17,320
exactly what you're saying to this era

759
00:33:21,030 --> 00:33:19,300
of X or scientific exploration and in

760
00:33:23,790 --> 00:33:21,040
fact this era of really being afraid of

761
00:33:26,730 --> 00:33:23,800
our skies being compromised our national

762
00:33:29,430 --> 00:33:26,740
security being compromised after World

763
00:33:32,370 --> 00:33:29,440

War two and airspace being a secured

764

00:33:34,110 --> 00:33:32,380

thing that needed to be secured we start

765

00:33:35,430 --> 00:33:34,120

seeing government involvement trying to

766

00:33:37,410 --> 00:33:35,440

figure out what these things are so tell

767

00:33:39,930 --> 00:33:37,420

me about Project Blue Book and what was

768

00:33:42,450 --> 00:33:39,940

that and how did it affect the discovery

769

00:33:44,820 --> 00:33:42,460

and the exploration of UFOs yeah so a

770

00:33:47,670 --> 00:33:44,830

Project Blue Book was the government's

771

00:33:50,610 --> 00:33:47,680

first official acknowledgment that there

772

00:33:53,040 --> 00:33:50,620

was a a UFO phenomena the way they

773

00:33:57,240 --> 00:33:53,050

coined the term UFO unidentified flying

774

00:34:01,430 --> 00:33:57,250

object to downplay you know the danger

775

00:34:05,670 --> 00:34:04,050

yeah so they they coined this term UFO

776

00:34:07,520 --> 00:34:05,680

they started looking into it they hired

777

00:34:10,950 --> 00:34:07,530

the world's most prominent astronomers

778

00:34:13,550 --> 00:34:10,960

to look into this to debunk it very much

779

00:34:19,770 --> 00:34:13,560

like Scully when was this this was in

780

00:34:21,389 --> 00:34:19,780

1957 have been around for 10 years so

781

00:34:22,500 --> 00:34:21,399

what was happening to set beyond what

782

00:34:25,139 --> 00:34:22,510

was happening in Pakistan which we've

783

00:34:26,909 --> 00:34:25,149

all been very curious about what was

784

00:34:28,770 --> 00:34:26,919

happening between 47 when they

785

00:34:30,480 --> 00:34:28,780

confiscated all the equipment at Roswell

786

00:34:32,190 --> 00:34:30,490

and the beginning of this blue broke

787

00:34:33,720 --> 00:34:32,200

blue book project what what was the

788

00:34:36,440 --> 00:34:33,730

government doing and what was happening

789

00:34:39,149 --> 00:34:36,450

in this space yeah no pun intended yeah

790

00:34:41,280 --> 00:34:39,159

so I mean if these things were crashing

791

00:34:44,040 --> 00:34:41,290

in the skies and they weren't supposedly

792

00:34:46,200 --> 00:34:44,050

ours like clearly it was a threat you

793

00:34:48,360 --> 00:34:46,210

know so I think that was the point where

794

00:34:51,830 --> 00:34:48,370

they had to say okay we have to look

795

00:34:53,780 --> 00:34:51,840

into this officially they hired duct

796

00:34:55,250 --> 00:34:53,790

J Allen Hynek again the world's most

797

00:34:58,010 --> 00:34:55,260

liked prominent astronomer at the time

798

00:35:04,580 --> 00:34:58,020

to say it's just swamp gas it's just

799

00:35:07,280 --> 00:35:04,590

natural phenomena gas and he couldn't do

800

00:35:09,560 --> 00:35:07,290

it he spent years investigating these

801
00:35:11,540 --> 00:35:09,570
cases going out you know boots on the

802
00:35:13,310 --> 00:35:11,550
ground like looking at these things and

803
00:35:15,560 --> 00:35:13,320
eventually he came to the conclusion

804
00:35:18,740 --> 00:35:15,570
that whatever these things were they

805
00:35:19,880 --> 00:35:18,750
they were not ours and it was pretty

806
00:35:22,130 --> 00:35:19,890
interesting he started his own

807
00:35:22,700 --> 00:35:22,140
organization after that after project

808
00:35:26,120 --> 00:35:22,710
Bluebook

809
00:35:27,550 --> 00:35:26,130
ended in 1969 the government said it was

810
00:35:29,120 --> 00:35:27,560
not a national security threat

811
00:35:30,830 --> 00:35:29,130
everything's cool

812
00:35:31,820 --> 00:35:30,840
we're done investigating what was he

813
00:35:34,430 --> 00:35:31,830

investigating though was the

814

00:35:38,150 --> 00:35:34,440

investigation like parts of this grace

815

00:35:40,010 --> 00:35:38,160

crafts that he find or people's reports

816

00:35:42,290 --> 00:35:40,020

reports yeah so he was like the first

817

00:35:44,030 --> 00:35:42,300

responder when people would report these

818

00:35:46,100 --> 00:35:44,040

things to the government so they would

819

00:35:48,770 --> 00:35:46,110

you know send him out there to interview

820

00:35:51,200 --> 00:35:48,780

the witnesses and to look for any trace

821

00:35:53,750 --> 00:35:51,210

evidence you know had a craft supposedly

822

00:35:55,490 --> 00:35:53,760

landed they'd go out there with geiger

823

00:35:57,290 --> 00:35:55,500

counters looking for radiation in the

824

00:35:59,480 --> 00:35:57,300

area and did they find radiation in

825

00:36:01,520 --> 00:35:59,490

there oh yeah on many occasions in fact

826

00:36:03,260 --> 00:36:01,530

like it was in that documentary like

827

00:36:05,630 --> 00:36:03,270

Harry Truman who was president at the

828

00:36:08,870 --> 00:36:05,640

time was talking about this isn't like

829

00:36:10,670 --> 00:36:08,880

there's notified project no no this was

830

00:36:12,470 --> 00:36:10,680

completely open to the public right it

831

00:36:14,420 --> 00:36:12,480

wasn't and at the time the conversation

832

00:36:16,550 --> 00:36:14,430

felt a lot more dignified it felt a lot

833

00:36:17,660 --> 00:36:16,560

less ridicule based and more like where

834

00:36:18,980 --> 00:36:17,670

they were actually trying to figure out

835

00:36:20,240 --> 00:36:18,990

whatever the phenomena was that people

836

00:36:21,860 --> 00:36:20,250

were seeing whether or not it was a real

837

00:36:24,380 --> 00:36:21,870

phenomenon yeah and Harry Truman himself

838

00:36:26,180 --> 00:36:24,390

was like talking about it and trying to

839

00:36:27,590 --> 00:36:26,190

get to the bottom of it so in other

840

00:36:29,690 --> 00:36:27,600

words the government hired a scientist

841

00:36:32,720 --> 00:36:29,700

to try to disprove the existence of UFOs

842

00:36:36,790 --> 00:36:32,730

and could he could not he could not no I

843

00:36:41,600 --> 00:36:39,560

do you enjoy true stories of the

844

00:36:43,940 --> 00:36:41,610

supernatural from the people who

845

00:36:46,850 --> 00:36:43,950

experienced it well then you might like

846

00:36:49,580 --> 00:36:46,860

my show Jim Harold's campfire hi i'm jim

847

00:36:52,310 --> 00:36:49,590

and we've been doing the show since 2009

848

00:36:55,280 --> 00:36:52,320

and we talked about ghosts cryptic

849

00:36:57,200 --> 00:36:55,290

creatures ufos head scratchers you name

850

00:36:59,270 --> 00:36:57,210

it and you tuned in you might hear a

851
00:37:02,330 --> 00:36:59,280
story like this one and as he was

852
00:37:05,810 --> 00:37:02,340
driving home he encountered a shadow

853
00:37:09,110 --> 00:37:05,820
person who seemed to be dressed like a

854
00:37:12,110 --> 00:37:09,120
monk I know that sounds very strange but

855
00:37:15,250 --> 00:37:12,120
it was a solid black form and it was

856
00:37:19,580 --> 00:37:15,260
wearing a hooded cloak tied at the waist

857
00:37:23,420 --> 00:37:19,590
with the cloak up and it had glowing red

858
00:37:27,320 --> 00:37:23,430
eyes he sees this thing coming out of a

859
00:37:29,090 --> 00:37:27,330
really teeny abandoned Cemetery if you

860
00:37:31,550 --> 00:37:29,100
haven't tuned in I hope you'll check us

861
00:37:34,520 --> 00:37:31,560
out you can find us on Apple podcasts

862
00:37:37,190 --> 00:37:34,530
Spotify and wherever podcasts are heard

863
00:37:39,560 --> 00:37:37,200

it's Jim Harold's campfire and you can

864

00:37:44,870 --> 00:37:39,570

find it at Jim Harold calm thanks so

865

00:37:46,250 --> 00:37:44,880

much and stay spooky I think that's

866

00:37:48,410 --> 00:37:46,260

what's so scary about the whole thing

867

00:37:50,240 --> 00:37:48,420

it's not just aliens at least when it

868

00:37:51,920 --> 00:37:50,250

comes to America it's the fact that it

869

00:37:53,990 --> 00:37:51,930

feels like our government has been

870

00:37:56,390 --> 00:37:54,000

working their asses off to keep whatever

871

00:37:57,710 --> 00:37:56,400

it is from us and I think that's the

872

00:37:59,300 --> 00:37:57,720

thing that's scary it's not only like

873

00:38:01,250 --> 00:37:59,310

not only are there beings coming from

874

00:38:02,570 --> 00:38:01,260

other places but like oh the government

875

00:38:04,280 --> 00:38:02,580

knows everything it's spending millions

876

00:38:05,960 --> 00:38:04,290

of dollars keeping it from you there's

877

00:38:08,060 --> 00:38:05,970

something definitely bad going on here

878

00:38:11,240 --> 00:38:08,070

kind of speaks to a scarier like oh

879

00:38:13,040 --> 00:38:11,250

there is there is something for sure and

880

00:38:14,930 --> 00:38:13,050

the people who are in charge absolutely

881

00:38:16,430 --> 00:38:14,940

don't want us to have any part I think

882

00:38:20,170 --> 00:38:16,440

it's getting harder and harder like you

883

00:38:31,250 --> 00:38:29,270

911 remember the guy who tweeted about

884

00:38:33,140 --> 00:38:31,260

seeing the helicopters and so they were

885

00:38:34,490 --> 00:38:33,150

trying to do like a private mission but

886

00:38:36,950 --> 00:38:34,500

there was a guy he's like I can see

887

00:38:39,590 --> 00:38:36,960

these helicopters outside my house and

888

00:38:40,790 --> 00:38:39,600

all of a sudden you for example had no

889

00:38:42,160 --> 00:38:40,800

access to the Internet or you could use

890

00:38:46,010 --> 00:38:42,170

go dad

891

00:38:50,030 --> 00:38:48,440

like like prefilled it the people around

892

00:38:51,890 --> 00:38:50,040

can go guys what the hell is going on

893

00:38:53,690 --> 00:38:51,900

here is a picture everyone else can see

894

00:38:55,460 --> 00:38:53,700

this so at the time there was a sky just

895

00:38:59,030 --> 00:38:55,470

as I was going it is weird for this time

896

00:39:00,500 --> 00:38:59,040

of night for these helicopters to be so

897

00:39:04,130 --> 00:39:00,510

that would be that would fall into your

898

00:39:05,450 --> 00:39:04,140

95 98 percent of cases that are [h__\h]

899

00:39:06,950 --> 00:39:05,460

that are people thinking they're seeing

900

00:39:09,440 --> 00:39:06,960

something like this really I don't mean

901
00:39:11,450 --> 00:39:09,450
it like that I mean it more that and at

902
00:39:12,680 --> 00:39:11,460
the time you'd like you what would you

903
00:39:13,790 --> 00:39:12,690
do to call the government you'd call a

904
00:39:15,200 --> 00:39:13,800
government get through to a hotline

905
00:39:16,970 --> 00:39:15,210
weeks later someone will come with a

906
00:39:19,310 --> 00:39:16,980
white coat and go really pre pre pre pre

907
00:39:20,870 --> 00:39:19,320
pre pre paper whereas now you saw there

908
00:39:22,220 --> 00:39:20,880
are people have connection to

909
00:39:23,930 --> 00:39:22,230
communities and you can take a photo

910
00:39:26,710 --> 00:39:23,940
very quickly you can just take it you

911
00:39:29,120 --> 00:39:26,720
know like like you were saying about em

912
00:39:30,710 --> 00:39:29,130
technology we have sort of access to go

913
00:39:32,900 --> 00:39:30,720

that is weird because there's so much

914

00:39:35,330 --> 00:39:32,910

stuff I can take a picture of it or then

915

00:39:38,750 --> 00:39:35,340

also all this stuff is it's harder to

916

00:39:41,300 --> 00:39:38,760

believe exactly yeah that is the biggest

917

00:39:43,460 --> 00:39:41,310

conundrum we have in ufology as we call

918

00:39:45,620 --> 00:39:43,470

it is we live in an age where anything

919

00:39:48,140 --> 00:39:45,630

could be faked you know a UFO photo

920

00:39:50,359 --> 00:39:48,150

every video that comes out you know and

921

00:39:52,010 --> 00:39:50,369

I get sent on a weekly basis it's

922

00:39:53,750 --> 00:39:52,020

[h__\h] it's [h__\h] it's [h__\h] so

923

00:39:57,500 --> 00:39:53,760

in a weird way these older sightings and

924

00:39:58,640 --> 00:39:57,510

these older cases are a little bit more

925

00:40:00,200 --> 00:39:58,650

helpful to figure out if they're real

926
00:40:03,349 --> 00:40:00,210
than people saying that they see them

927
00:40:04,700 --> 00:40:03,359
now I think so I mean it's it's sad to

928
00:40:08,420 --> 00:40:04,710
think that you know we have to look back

929
00:40:11,300 --> 00:40:08,430
at 1947 for often you know to see an

930
00:40:13,460 --> 00:40:11,310
authentic UFO right so so Project Blue

931
00:40:14,630 --> 00:40:13,470
Book was shut down in 1969 why did they

932
00:40:16,160 --> 00:40:14,640
shut it down because they decided there

933
00:40:17,720 --> 00:40:16,170
was no credible threat whether that was

934
00:40:19,300 --> 00:40:17,730
true or not they shut it down and they

935
00:40:21,500 --> 00:40:19,310
said oh did they find it enough to

936
00:40:23,120 --> 00:40:21,510
realize that that to start hiding it

937
00:40:24,530 --> 00:40:23,130
yeah the way I do want to say that the

938
00:40:26,930 --> 00:40:24,540

government secrecy around it I

939

00:40:29,030 --> 00:40:26,940

understand that and I support it

940

00:40:30,980 --> 00:40:29,040

what do you think that is I think if

941

00:40:33,170 --> 00:40:30,990

they were like oh we don't know this

942

00:40:37,099 --> 00:40:33,180

spacecraft coming and going we have no

943

00:40:38,810 --> 00:40:37,109

idea that would be horrified what what

944

00:40:41,390 --> 00:40:38,820

do you think would happen in in a in a

945

00:40:43,310 --> 00:40:41,400

world where we're living in a reality

946

00:40:44,690 --> 00:40:43,320

that's terrifying on a daily basis it's

947

00:40:45,920 --> 00:40:44,700

like what would really happen if the

948

00:40:48,500 --> 00:40:45,930

governors like yeah there are UFOs

949

00:40:50,690 --> 00:40:48,510

wouldn't even need a needle no but we

950

00:40:54,040 --> 00:40:50,700

elected drunk it's all good that's now

951

00:40:55,690 --> 00:40:54,050

I'm saying like before that no I agree

952

00:40:57,310 --> 00:40:55,700

and I think that the era that these that

953

00:40:59,140 --> 00:40:57,320

these craft came out that's post-world

954

00:41:00,340 --> 00:40:59,150

War two ERA people were really paranoid

955

00:41:02,410 --> 00:41:00,350

about the end of the world nuclear

956

00:41:03,610 --> 00:41:02,420

weapons now we just accepted that it's

957

00:41:06,010 --> 00:41:03,620

definitely going to happen and it's not

958

00:41:07,360 --> 00:41:06,020

a big deal yeah so but it doesn't so it

959

00:41:09,460 --> 00:41:07,370

explains why they covered it up in the

960

00:41:11,320 --> 00:41:09,470

first place it doesn't explain why they

961

00:41:13,270 --> 00:41:11,330

continue to do so today if it is in fact

962

00:41:14,800 --> 00:41:13,280

a cover-up and I think the evidence

963

00:41:16,060 --> 00:41:14,810

shows that it is in fact a cover-up

964

00:41:17,710 --> 00:41:16,070

whether they're covering up their own

965

00:41:20,380 --> 00:41:17,720

and technology or not we don't know

966

00:41:21,820 --> 00:41:20,390

but what what happened when they shut

967

00:41:24,700 --> 00:41:21,830

down Project Blue Book did they stop

968

00:41:27,160 --> 00:41:24,710

researching UFOs apparently that was

969

00:41:29,400 --> 00:41:27,170

their official statement on it a story

970

00:41:32,290 --> 00:41:29,410

came out you know maybe a month ago

971

00:41:34,810 --> 00:41:32,300

where we learned that that certainly was

972

00:41:36,250 --> 00:41:34,820

not the case what was that story so this

973

00:41:39,760 --> 00:41:36,260

happened about a month ago the New York

974

00:41:42,490 --> 00:41:39,770

Times came out with an article about a

975

00:41:44,950 --> 00:41:42,500

secret Pentagon program that had been

976
00:41:48,190 --> 00:41:44,960
going on for about five years where they

977
00:41:50,020 --> 00:41:48,200
were secretly investigating UFOs you

978
00:41:51,610 --> 00:41:50,030
mean the last five years there has been

979
00:41:54,910 --> 00:41:51,620
approached a program at the Pentagon

980
00:41:57,070 --> 00:41:54,920
from about 2000 yeah about 2008 or so

981
00:41:59,560 --> 00:41:57,080
did too now so a little longer than that

982
00:42:01,180 --> 00:41:59,570
did they discover anything so you were

983
00:42:03,280 --> 00:42:01,190
talking about Comal yeah it's really

984
00:42:06,160 --> 00:42:03,290
great yeah it was I mean for like

985
00:42:08,260 --> 00:42:06,170
ufologists who were screaming you know

986
00:42:10,060 --> 00:42:08,270
for vindication yes things are real by

987
00:42:14,410 --> 00:42:10,070
the way to your point Moshe this story

988
00:42:17,020 --> 00:42:14,420

came out and exactly everybody's like

989

00:42:19,180 --> 00:42:17,030

what a dropped weed yeah there's alien

990

00:42:19,630 --> 00:42:19,190

life here right now what about top

991

00:42:22,330 --> 00:42:19,640

though

992

00:42:24,100 --> 00:42:22,340

did he [h__h] stormy Daniels but do you

993

00:42:26,020 --> 00:42:24,110

think that that's why certain things

994

00:42:28,090 --> 00:42:26,030

take off because they kind of capture a

995

00:42:30,610 --> 00:42:28,100

mood like there are certain times when

996

00:42:32,440 --> 00:42:30,620

collectively we're humans are more like

997

00:42:34,090 --> 00:42:32,450

bees like we all sort of are afraid of

998

00:42:37,030 --> 00:42:34,100

the same things at the same time whether

999

00:42:38,800 --> 00:42:37,040

it's terrorism or UFOs at the time or or

1000

00:42:40,780 --> 00:42:38,810

mad cow disease or whatever it's gonna

1001
00:42:42,130 --> 00:42:40,790
be we all get afraid it's same thing and

1002
00:42:44,440 --> 00:42:42,140
it takes attention away from something

1003
00:42:46,330 --> 00:42:44,450
else at the moment in the world

1004
00:42:49,840 --> 00:42:46,340
aliens are the least of our [h__\h]

1005
00:42:50,950 --> 00:42:49,850
problems common bombers are do something

1006
00:42:53,890 --> 00:42:50,960
they're very better than what's going on

1007
00:42:55,180 --> 00:42:53,900
nine but tell us why you do that

1008
00:42:56,860 --> 00:42:55,190
absolutely speaking of terrorism just

1009
00:42:58,960 --> 00:42:56,870
real quick what's your favorite terror

1010
00:43:00,700 --> 00:42:58,970
attack oh I don't know I mean the IRA

1011
00:43:04,329 --> 00:43:00,710
had some real doozies

1012
00:43:05,530 --> 00:43:04,339
I wasn't trying to distract from what

1013
00:43:07,870 --> 00:43:05,540

you were saying I was just saying in

1014

00:43:09,549 --> 00:43:07,880

terms of it going quiet it's because the

1015

00:43:11,230 --> 00:43:09,559

fear has been sort of pushed somewhere

1016

00:43:14,290 --> 00:43:11,240

else so I'm not surprised there was no

1017

00:43:16,059 --> 00:43:14,300

big like kind of like gauging the news

1018

00:43:17,620 --> 00:43:16,069

about it because people are so

1019

00:43:20,260 --> 00:43:17,630

overwhelmed by everything else that's

1020

00:43:21,520 --> 00:43:20,270

going on but that but also a rival came

1021

00:43:25,270 --> 00:43:21,530

out right after the election and I

1022

00:43:27,609 --> 00:43:25,280

sobbed like a baby during that what what

1023

00:43:29,680 --> 00:43:27,619

um what was the the Pentagon sort what

1024

00:43:31,930 --> 00:43:29,690

did we learn from that so the head of

1025

00:43:33,490 --> 00:43:31,940

the program his name was Luis Elizondo

1026

00:43:35,319 --> 00:43:33,500

he'd worked for the Department of

1027

00:43:38,260 --> 00:43:35,329

Defense for a really long time he was

1028

00:43:41,079 --> 00:43:38,270

hired to head this project by I believe

1029

00:43:43,660 --> 00:43:41,089

it was Senator Harry Reid was how are

1030

00:43:50,140 --> 00:43:43,670

you read Harry Reid I've got the money

1031

00:43:52,059 --> 00:43:50,150

to do what are you a hip hop man crazy

1032

00:43:53,589 --> 00:43:52,069

guy it's a guy we know well that's what

1033

00:43:55,690 --> 00:43:53,599

I kept coming to with this with the

1034

00:43:57,099 --> 00:43:55,700

stuff that you said it was like like yes

1035

00:43:58,299 --> 00:43:57,109

there are crazies out there that are

1036

00:44:00,760 --> 00:43:58,309

like you know the saying that they were

1037

00:44:02,380 --> 00:44:00,770

getting alien anal probes but a lot of

1038

00:44:04,000 --> 00:44:02,390

the people that are cited in your book

1039

00:44:06,520 --> 00:44:04,010

and in this documentary are like you

1040

00:44:09,760 --> 00:44:06,530

know Air Force general of the majors Air

1041

00:44:15,309 --> 00:44:09,770

Force pilots Jimmy Carter right Gerald

1042

00:44:18,839 --> 00:44:15,319

Ford Harry Truman so what day Morris Day

1043

00:44:21,609 --> 00:44:18,849

and the time life books pages missing

1044

00:44:23,500 --> 00:44:21,619

I'm getting too old for this Harry Reid

1045

00:44:25,150 --> 00:44:23,510

had hired this guy yeah he hired this

1046

00:44:26,920 --> 00:44:25,160

guy and he got the funding to do this

1047

00:44:30,460 --> 00:44:26,930

project because Harry Reid was very

1048

00:44:31,960 --> 00:44:30,470

interested in the topic and so for in it

1049

00:44:34,089 --> 00:44:31,970

was something like 22 million dollars

1050

00:44:36,039 --> 00:44:34,099

which you know to me seems like a lot

1051
00:44:38,440 --> 00:44:36,049
but in terms of like government funding

1052
00:44:40,809 --> 00:44:38,450
it's nothing and I think that was the

1053
00:44:43,630 --> 00:44:40,819
purpose was it was so lowly funded that

1054
00:44:45,730 --> 00:44:43,640
it was you know under the radar so you

1055
00:44:48,220 --> 00:44:45,740
know they could do this secretly and

1056
00:44:52,089 --> 00:44:48,230
keep investigating UFOs so wasn't he

1057
00:44:54,430 --> 00:44:52,099
involved with another guy who was like

1058
00:44:57,849 --> 00:44:54,440
an entrepreneur yeah what's that

1059
00:45:00,339 --> 00:44:57,859
so Harry Reid was directly involved with

1060
00:45:02,710 --> 00:45:00,349
Robert Bigelow this guy is an

1061
00:45:04,359 --> 00:45:02,720
entrepreneur he started I but the budget

1062
00:45:06,549 --> 00:45:04,369
hotel suites so this dude's a

1063
00:45:09,370 --> 00:45:06,559

billionaire and he's had a strong

1064

00:45:11,530 --> 00:45:09,380

interest in UFOs for many many years he

1065

00:45:14,020 --> 00:45:11,540

is convinced that we've been visited by

1066

00:45:17,980 --> 00:45:14,030

something other world

1067

00:45:19,810 --> 00:45:17,990

non-human and he had been helping to

1068

00:45:21,700 --> 00:45:19,820

fund this project as well so any

1069

00:45:23,890 --> 00:45:21,710

information that was going into this

1070

00:45:25,240 --> 00:45:23,900

Pentagon story was then getting funneled

1071

00:45:26,860 --> 00:45:25,250

to Robert Bigelow wait so this is a

1072

00:45:29,470 --> 00:45:26,870

private citizen that's funding a

1073

00:45:31,300 --> 00:45:29,480

pentagon inspection unit

1074

00:45:33,100 --> 00:45:31,310

yes was he legally getting the

1075

00:45:34,090 --> 00:45:33,110

information or was it worth the guy just

1076

00:45:36,130 --> 00:45:34,100

passing it to him

1077

00:45:40,930 --> 00:45:36,140

that's where I I it gets very

1078

00:45:44,440 --> 00:45:40,940

interesting Bigelow has wreckage from

1079

00:45:47,650 --> 00:45:44,450

UFO crash in his possession one of those

1080

00:45:49,180 --> 00:45:47,660

sweets that's crazy

1081

00:45:50,350 --> 00:45:49,190

and he has a brother named deuce who's

1082

00:45:53,830 --> 00:45:50,360

actually a male gigolo I don't know

1083

00:46:01,270 --> 00:45:53,840

people just looking for a joke coming

1084

00:46:04,630 --> 00:46:01,280

all right I see your disappointment you

1085

00:46:06,730 --> 00:46:04,640

know what the joke is out there okay so

1086

00:46:08,620 --> 00:46:06,740

in the 60s and we go move into the 60s

1087

00:46:10,060 --> 00:46:08,630

and 70s right and now things start to

1088

00:46:12,340 --> 00:46:10,070

get a little bit wonky and weirder

1089

00:46:14,470 --> 00:46:12,350

because with psychedelic drugs and with

1090

00:46:16,510 --> 00:46:14,480

the kind of hippie movement the UFO to

1091

00:46:18,700 --> 00:46:16,520

your point Aisling the UFO movements

1092

00:46:20,830 --> 00:46:18,710

ways into the cultural forces that are

1093

00:46:22,720 --> 00:46:20,840

present at the time what what's going on

1094

00:46:24,430 --> 00:46:22,730

in the 60s and 70s in terms of UFO

1095

00:46:26,110 --> 00:46:24,440

sightings yes I mean you're looking at

1096

00:46:29,200 --> 00:46:26,120

the decades when like we're very

1097

00:46:32,580 --> 00:46:29,210

anti-war or all about peace and you

1098

00:46:36,190 --> 00:46:32,590

start to see see this movement within

1099

00:46:38,260 --> 00:46:36,200

ufology that almost these religions

1100

00:46:39,880 --> 00:46:38,270

start to pop up around it and a lot of

1101
00:46:41,800 --> 00:46:39,890
people believe ufology is a religion

1102
00:46:43,360 --> 00:46:41,810
it's a belief system where as I look at

1103
00:46:45,310 --> 00:46:43,370
it more as you know fact-based

1104
00:46:46,690 --> 00:46:45,320
evidence-based way people believe what

1105
00:46:48,190 --> 00:46:46,700
do they believe what are the tenants of

1106
00:46:50,260 --> 00:46:48,200
this religion that there were beings

1107
00:46:51,520 --> 00:46:50,270
that came and set up our civilization

1108
00:46:53,320 --> 00:46:51,530
and that's that's why they're coming

1109
00:46:54,910 --> 00:46:53,330
back is it that was one of the questions

1110
00:46:57,070 --> 00:46:54,920
I kept asking myself is like I can

1111
00:46:59,260 --> 00:46:57,080
understand an alien visiting I can't

1112
00:47:01,420 --> 00:46:59,270
understand aliens visiting sustained

1113
00:47:03,400 --> 00:47:01,430

over and over again for 60 years and

1114

00:47:04,780 --> 00:47:03,410

what are they doing how [h__h]

1115

00:47:06,430 --> 00:47:04,790

interesting what are they what are they

1116

00:47:08,200 --> 00:47:06,440

doing are they just jerking a little

1117

00:47:10,090 --> 00:47:08,210

twelve-year-old dicks to our you know

1118

00:47:12,820 --> 00:47:10,100

like Porky's looking through it like why

1119

00:47:14,440 --> 00:47:12,830

are they here so much lottery probably

1120

00:47:15,460 --> 00:47:14,450

yeah what's up just playing the lottery

1121

00:47:16,840 --> 00:47:15,470

every time they come back they're like

1122

00:47:18,610 --> 00:47:16,850

we're gonna get it at some point and

1123

00:47:23,880 --> 00:47:18,620

there you go maybe it's like a cruise

1124

00:47:30,190 --> 00:47:27,370

do you think it's an element of it again

1125

00:47:32,260 --> 00:47:30,200

I I just saw again I believe that there

1126
00:47:34,930 --> 00:47:32,270
are probably aliens it's just at certain

1127
00:47:37,060 --> 00:47:34,940
times that psychological zeitgeist or

1128
00:47:38,530 --> 00:47:37,070
what it taps into it is sort of

1129
00:47:41,560 --> 00:47:38,540
prevalent around the world for example

1130
00:47:43,480 --> 00:47:41,570
fear or the idea that we're alone or

1131
00:47:45,130 --> 00:47:43,490
that we want to go somewhere else so I

1132
00:47:47,890 --> 00:47:45,140
believe a lot of like religions come

1133
00:47:49,810 --> 00:47:47,900
from God imagine if this is always if

1134
00:47:53,140 --> 00:47:49,820
this is all we are imagine if this is

1135
00:47:56,290 --> 00:47:53,150
this is it that would be too terrifying

1136
00:48:00,300 --> 00:47:56,300
to get our heads around so let's just

1137
00:48:06,670 --> 00:48:05,560
you actual UFO against not not say some

1138
00:48:08,530 --> 00:48:06,680

of the sightings but like you're saying

1139

00:48:11,950 --> 00:48:08,540

night like in terms of tapping into the

1140

00:48:16,090 --> 00:48:11,960

psychology of why we have this needs

1141

00:48:18,910 --> 00:48:16,100

what you what you kind of take what what

1142

00:48:22,060 --> 00:48:18,920

need they fulfill for us yes and that's

1143

00:48:24,250 --> 00:48:22,070

why I'm curious what and in ufology what

1144

00:48:26,170 --> 00:48:24,260

what is the cult like current thing of

1145

00:48:28,120 --> 00:48:26,180

what aliens are doing for us like that

1146

00:48:29,650 --> 00:48:28,130

we is what's in the culture in other

1147

00:48:30,820 --> 00:48:29,660

words why are they coming here or what

1148

00:48:32,440 --> 00:48:30,830

do they do

1149

00:48:35,380 --> 00:48:32,450

and Justin I'm more interested in how we

1150

00:48:37,750 --> 00:48:35,390

we interpret them coming so we know that

1151

00:48:39,250 --> 00:48:37,760

already know but like literally right

1152

00:48:40,930 --> 00:48:39,260

now so if it's gone from like oh there

1153

00:48:42,580 --> 00:48:40,940

might be a threat oh there are peaceful

1154

00:48:44,830 --> 00:48:42,590

loving beings we should build a religion

1155

00:48:46,510 --> 00:48:44,840

around them what is it now have they

1156

00:48:50,920 --> 00:48:46,520

come to take a sign a from this body

1157

00:48:53,080 --> 00:48:50,930

yeah well if in the 60s was it that

1158

00:48:54,520 --> 00:48:53,090

there were religions around UFO yeah I

1159

00:48:56,080 --> 00:48:54,530

mean there were religions popping up

1160

00:48:57,640 --> 00:48:56,090

there were cults but what was the basis

1161

00:49:00,040 --> 00:48:57,650

of those religions like are we going to

1162

00:49:02,950 --> 00:49:00,050

be saved or what was the what is the

1163

00:49:06,040 --> 00:49:02,960

idea bind I I think it was it was this

1164

00:49:08,440 --> 00:49:06,050

whole idea of they are going to impart

1165

00:49:10,660 --> 00:49:08,450

knowledge on us they're going to come

1166

00:49:13,240 --> 00:49:10,670

here to save us so we were searching for

1167

00:49:15,220 --> 00:49:13,250

like in other to save us because we

1168

00:49:17,410 --> 00:49:15,230

weren't you know saving ourselves that's

1169

00:49:18,940 --> 00:49:17,420

exactly how we've interpreted phenomena

1170

00:49:21,490 --> 00:49:18,950

we don't understand it used to be like

1171

00:49:23,020 --> 00:49:21,500

oh it's raining cuz this goat we should

1172

00:49:25,300 --> 00:49:23,030

kill this girl you know you know what I

1173

00:49:27,730 --> 00:49:25,310

mean and so yeah seeing UFOs were just

1174

00:49:29,400 --> 00:49:27,740

putting on I don't know why you guys

1175

00:49:33,150 --> 00:49:29,410

laughed at that

1176
00:49:35,070 --> 00:49:33,160
that's real [h__\h] but but we're seeing

1177
00:49:37,050 --> 00:49:35,080
something we don't understand and we're

1178
00:49:38,970 --> 00:49:37,060
coming up with different reasons we kind

1179
00:49:41,460 --> 00:49:38,980
of thought if all the butt probing of

1180
00:49:43,860 --> 00:49:41,470
the 80s was a result of like STDs and

1181
00:49:46,320 --> 00:49:43,870
like suddenly like that and homophobia

1182
00:49:48,210 --> 00:49:46,330
and homophobia mapping a culture that

1183
00:49:51,570 --> 00:49:48,220
that's over sobbing yes Jessica Fletcher

1184
00:49:53,580 --> 00:49:51,580
yes you so well exactly and that what

1185
00:49:55,050 --> 00:49:53,590
what happened in the 80s and 90s is that

1186
00:49:56,970 --> 00:49:55,060
they started they moved from being our

1187
00:49:58,950 --> 00:49:56,980
like loving brothers into being people

1188
00:50:01,500 --> 00:49:58,960

that are coming to like stick [\h__\h] now

1189

00:50:06,420 --> 00:50:01,510

yeah but [\h__\h] us and give us space aids

1190

00:50:08,310 --> 00:50:06,430

so what have you encountered people that

1191

00:50:10,590 --> 00:50:08,320

were abducted but that claim to be

1192

00:50:12,030 --> 00:50:10,600

abducted by aliens and what like do you

1193

00:50:15,320 --> 00:50:12,040

buy that do you buy that kind of stuff

1194

00:50:17,490 --> 00:50:15,330

it's really tough and it I was extremely

1195

00:50:20,010 --> 00:50:17,500

skeptical when I got to the alien

1196

00:50:21,420 --> 00:50:20,020

abduction part of the book and and you

1197

00:50:23,550 --> 00:50:21,430

know essentially interviewing people who

1198

00:50:26,160 --> 00:50:23,560

claimed this like I had to meet them

1199

00:50:29,580 --> 00:50:26,170

face to face in order to or ass to ass

1200

00:50:31,320 --> 00:50:29,590

as the case may be it's funny how that

1201

00:50:36,240 --> 00:50:31,330

all proved it like that was like one

1202

00:50:38,070 --> 00:50:36,250

case one case no it's more than one yeah

1203

00:50:39,390 --> 00:50:38,080

but listen that's the steel dossier we

1204

00:50:41,130 --> 00:50:39,400

don't talk about all the other [h__h] we

1205

00:50:42,750 --> 00:50:41,140

talk about the [h__h] piss on the with

1206

00:50:44,880 --> 00:50:42,760

the Russian hooker I mean so it's

1207

00:50:46,710 --> 00:50:44,890

delicious if you're probing as a

1208

00:50:48,630 --> 00:50:46,720

scientist there's only so many holes in

1209

00:50:51,300 --> 00:50:48,640

a human woman's gonna be like it's like

1210

00:50:53,640 --> 00:50:51,310

two nose to ears one might throw but

1211

00:50:57,570 --> 00:50:53,650

like there's anyway you missed a very

1212

00:50:59,730 --> 00:50:57,580

important hole my main one you know when

1213

00:51:02,480 --> 00:50:59,740

it comes down to sex it's an ass to nose

1214

00:51:04,970 --> 00:51:02,490

nostrils and ear and I guess you're done

1215

00:51:08,510 --> 00:51:04,980

what else is there

1216

00:51:12,260 --> 00:51:08,520

virginity I'm gonna know you really are

1217

00:51:13,520 --> 00:51:12,270

Irish but no it's not that mod to think

1218

00:51:15,349 --> 00:51:13,530

that you go up one of them wouldn't it

1219

00:51:16,640 --> 00:51:15,359

like it's your nose your ears well did

1220

00:51:18,050 --> 00:51:16,650

you ever conduct an interview with a

1221

00:51:19,790 --> 00:51:18,060

person that have been abducted that made

1222

00:51:22,310 --> 00:51:19,800

you feel like this is something happened

1223

00:51:24,650 --> 00:51:22,320

here yeah so there were a few I mean I I

1224

00:51:26,870 --> 00:51:24,660

met with a woman face-to-face with her

1225

00:51:28,220 --> 00:51:26,880

husband and she's recalling this event

1226
00:51:30,440 --> 00:51:28,230
that had happened to her that she's been

1227
00:51:33,320 --> 00:51:30,450
taken aboard this craft that they'd

1228
00:51:35,900 --> 00:51:33,330
experimented on her and she's like

1229
00:51:37,940 --> 00:51:35,910
gripping her husband's hand she's crying

1230
00:51:40,580 --> 00:51:37,950
and he's like they are like trying to

1231
00:51:42,410 --> 00:51:40,590
calm her down now whether or not that's

1232
00:51:43,760 --> 00:51:42,420
the whole thing that I've come to with

1233
00:51:46,130 --> 00:51:43,770
the alien abduction phenomenon is

1234
00:51:48,470 --> 00:51:46,140
whether or not that physically happened

1235
00:51:50,510 --> 00:51:48,480
if it really happened if aliens actually

1236
00:51:52,730 --> 00:51:50,520
took this woman I can't tell you where

1237
00:51:54,260 --> 00:51:52,740
you think she she believes and that's

1238
00:51:56,240 --> 00:51:54,270

all you can get it most of these people

1239

00:51:58,400 --> 00:51:56,250

they firmly believe that these events

1240

00:52:01,130 --> 00:51:58,410

happen to them no I can't say they did

1241

00:52:03,290 --> 00:52:01,140

or they did not I'll take down the story

1242

00:52:05,210 --> 00:52:03,300

oh I'll be a listen but do you believe

1243

00:52:07,040 --> 00:52:05,220

like you can always of course you can't

1244

00:52:08,540 --> 00:52:07,050

but when you go into those rooms is

1245

00:52:09,710 --> 00:52:08,550

there an element to belief or is it just

1246

00:52:11,420 --> 00:52:09,720

sort of like pity and sorrow for

1247

00:52:12,200 --> 00:52:11,430

whatever this person feels viscerally

1248

00:52:14,450 --> 00:52:12,210

like they're going through

1249

00:52:16,370 --> 00:52:14,460

I wouldn't say pity I am definitely open

1250

00:52:17,720 --> 00:52:16,380

and compassionate I think that's

1251
00:52:19,730 --> 00:52:17,730
essential when you're interviewing

1252
00:52:23,390 --> 00:52:19,740
someone with such a such a sensitive

1253
00:52:25,430 --> 00:52:23,400
issue just to hear them out is almost

1254
00:52:27,880 --> 00:52:25,440
like confirmation enough for them yeah

1255
00:52:30,140 --> 00:52:27,890
someone's willing to listen but are you

1256
00:52:31,640 --> 00:52:30,150
labeling they do studies of people like

1257
00:52:32,990 --> 00:52:31,650
if you write down while someone's

1258
00:52:34,820 --> 00:52:33,000
telling you about a trauma if you are

1259
00:52:36,500 --> 00:52:34,830
writing something down versus not the

1260
00:52:37,849 --> 00:52:36,510
people who are being listened to by

1261
00:52:40,070 --> 00:52:37,859
someone writing something down feel

1262
00:52:41,359 --> 00:52:40,080
better than the other people because

1263
00:52:43,820 --> 00:52:41,369

they feel like it's going somewhere

1264

00:52:46,910 --> 00:52:43,830

official and now it means something yeah

1265

00:52:49,099 --> 00:52:46,920

I read a thing that said theory is that

1266

00:52:52,570 --> 00:52:49,109

a lot of these abduction memories are

1267

00:52:54,710 --> 00:52:52,580

actually dissociated memories of abuse

1268

00:52:56,900 --> 00:52:54,720

somebody just snapped like we were at a

1269

00:52:58,609 --> 00:52:56,910

poetry slam over here I swear you're

1270

00:53:00,080 --> 00:52:58,619

like just so see any memories of abuse

1271

00:53:01,599 --> 00:53:00,090

right there boy yeah

1272

00:53:04,989 --> 00:53:01,609

they have a big heart

1273

00:53:08,620 --> 00:53:04,999

check that oh yeah I think I have their

1274

00:53:11,410 --> 00:53:08,630

Hound tall bingo car but that is someone

1275

00:53:13,539 --> 00:53:11,420

a visitor in the night take you know oh

1276

00:53:17,049 --> 00:53:13,549

yeah I mean their theories of you know

1277

00:53:18,519 --> 00:53:17,059

abuse or trauma as a child or sleep

1278

00:53:20,950 --> 00:53:18,529

paralysis you know things like this

1279

00:53:23,109 --> 00:53:20,960

these are a lot of a lot of times the

1280

00:53:25,420 --> 00:53:23,119

explanations for abduction cases but

1281

00:53:27,489 --> 00:53:25,430

there there's a gentleman that I used to

1282

00:53:29,380 --> 00:53:27,499

speak to on the passed away a few years

1283

00:53:39,759 --> 00:53:29,390

ago named buddy Hopkins who's [h__\h] to

1284

00:53:41,079 --> 00:53:39,769

death by an alien friend yeah all right

1285

00:53:44,950 --> 00:53:41,089

he was [h__\h] to death by an alien

1286

00:53:50,970 --> 00:53:44,960

waited he had a family I know it's a

1287

00:53:53,109 --> 00:53:50,980

[h__\h] tragedy the way he went out he

1288

00:53:54,069 --> 00:53:53,119

interviewed hundreds and hundreds of

1289

00:53:54,940 --> 00:53:54,079

people who claim to have been abducted

1290

00:53:58,180 --> 00:53:54,950

by aliens

1291

00:54:00,460 --> 00:53:58,190

I'd say about 98% of them he found

1292

00:54:03,279 --> 00:54:00,470

absolutely no evidence of any sort of

1293

00:54:04,509 --> 00:54:03,289

trauma by the two percent and this is

1294

00:54:06,759 --> 00:54:04,519

what I would say to you is what do you

1295

00:54:10,690 --> 00:54:06,769

think 98 percent had no abuse of trauma

1296

00:54:13,390 --> 00:54:10,700

so 2% were the ones who were easily

1297

00:54:15,759 --> 00:54:13,400

debunked exactly how did he know rather

1298

00:54:17,380 --> 00:54:15,769

what did you feel cuz again you're

1299

00:54:19,089 --> 00:54:17,390

saying you've a lot of sensitivity and

1300

00:54:20,950 --> 00:54:19,099

everything nuclear you're a caring

1301
00:54:22,960 --> 00:54:20,960
person did we're there any of them that

1302
00:54:24,009 --> 00:54:22,970
you are like come on I think this might

1303
00:54:25,749 --> 00:54:24,019
have happened to you when you were

1304
00:54:29,140 --> 00:54:25,759
talking to these people yeah yes I mean

1305
00:54:30,910 --> 00:54:29,150
I I am I've been interviewing this guy

1306
00:54:33,700 --> 00:54:30,920
for years now his name is Travis Walton

1307
00:54:39,249 --> 00:54:33,710
they made a movie about him early 90s I

1308
00:54:41,349 --> 00:54:39,259
want to say called what is it called

1309
00:54:43,779 --> 00:54:41,359
it's called fire in the sky happens

1310
00:54:46,539 --> 00:54:43,789
isn't that the movie that first scared

1311
00:54:48,700 --> 00:54:46,549
you about from a leo et was the first

1312
00:54:53,950 --> 00:54:48,710
[h__\h] scared me man alien that guy

1313
00:54:55,370 --> 00:54:53,960

looks like our penis you're not scared

1314

00:54:57,170 --> 00:54:55,380

of any somebody's upset

1315

00:54:59,900 --> 00:54:57,180

just got the opposite of a poetry slam

1316

00:55:03,109 --> 00:54:59,910

snap on that you [h__h] say et looks

1317

00:55:22,640 --> 00:55:03,119

like a dick [h__h] Oh take it back

1318

00:55:26,599 --> 00:55:22,650

you rode a bike and it was cute you know

1319

00:55:29,120 --> 00:55:26,609

in 1947 Pakistan began and the alien

1320

00:55:32,450 --> 00:55:29,130

dick phenomenon has never been the same

1321

00:55:34,160 --> 00:55:32,460

now okay so we're going oh I want you to

1322

00:55:35,299 --> 00:55:34,170

answer that question first is it this

1323

00:55:37,130 --> 00:55:35,309

person what were you saying you

1324

00:55:39,470 --> 00:55:37,140

interview this one personal yeah I mean

1325

00:55:42,049 --> 00:55:39,480

this was back in like 75 had happened

1326

00:55:44,089 --> 00:55:42,059

but like six he was part of a logging

1327

00:55:47,180 --> 00:55:44,099

crew that went out to do a project to

1328

00:55:49,579 --> 00:55:47,190

treat any project they see this craft he

1329

00:55:51,499 --> 00:55:49,589

gets out this guy Travis he looks up at

1330

00:55:54,019 --> 00:55:51,509

it it shoots a beam down hits him and

1331

00:55:56,210 --> 00:55:54,029

the other dudes that you know they just

1332

00:55:59,210 --> 00:55:56,220

bolt they get out of there they think

1333

00:56:02,630 --> 00:55:59,220

he's dead at that point um many hours

1334

00:56:12,230 --> 00:56:02,640

later they come back we go check on

1335

00:56:13,759 --> 00:56:12,240

Claude or Mary you get up there outside

1336

00:56:15,650 --> 00:56:13,769

of my shoulders we'll get them back yeah

1337

00:56:17,089 --> 00:56:15,660

you don't like a run we'll come back in

1338

00:56:18,680 --> 00:56:17,099

a few hours and see if he's okay yeah

1339

00:56:22,620 --> 00:56:18,690

I've noticed how supportive women are of

1340

00:56:28,210 --> 00:56:26,500

so so they all saw Taylor being abducted

1341

00:56:30,430 --> 00:56:28,220

mr. Travis

1342

00:56:32,890 --> 00:56:30,440

I called him Claude and I feel like yeah

1343

00:56:35,620 --> 00:56:32,900

okay yeah sure what about they saw me

1344

00:56:38,250 --> 00:56:35,630

hit by a beam they saw that they saw it

1345

00:56:40,840 --> 00:56:38,260

they all saw it he gets hit they leave

1346

00:56:42,850 --> 00:56:40,850

they report it to the police what

1347

00:56:44,410 --> 00:56:42,860

happened they go out with the police to

1348

00:56:46,030 --> 00:56:44,420

try to find the guy they can't find him

1349

00:56:48,040 --> 00:56:46,040

anywhere so for weeks on end

1350

00:56:49,690 --> 00:56:48,050

everyone thinks that this guy's been

1351

00:56:52,140 --> 00:56:49,700

murdered and that this is this like

1352

00:56:54,610 --> 00:56:52,150

story of a UFO was it a cover-up for it

1353

00:56:55,870 --> 00:56:54,620

by the loggers they think the loggers

1354

00:56:57,190 --> 00:56:55,880

what they you know maybe something

1355

00:57:00,070 --> 00:56:57,200

happened out there they made up this

1356

00:57:02,650 --> 00:57:00,080

elaborate story a a few weeks later he

1357

00:57:06,370 --> 00:57:02,660

shows up he's found on the side of a

1358

00:57:08,130 --> 00:57:06,380

road and they are able to you know get

1359

00:57:10,630 --> 00:57:08,140

him talking again and everything he

1360

00:57:12,070 --> 00:57:10,640

recounts the same exact event that

1361

00:57:14,800 --> 00:57:12,080

happened with the beam coming down and

1362

00:57:17,050 --> 00:57:14,810

then he recounts this crazy story about

1363

00:57:19,090 --> 00:57:17,060

being taken aboard a craft and being

1364

00:57:20,890 --> 00:57:19,100

experimented on he picked something up

1365

00:57:23,590 --> 00:57:20,900

tried to hit one of the aliens at one

1366

00:57:24,010 --> 00:57:23,600

point Wow and that's a logger for you

1367

00:57:26,080 --> 00:57:24,020

right there

1368

00:57:29,500 --> 00:57:26,090

you got a comedian up there it's just

1369

00:57:30,460 --> 00:57:29,510

[h__h] submission turning over I'm like

1370

00:57:42,270 --> 00:57:30,470

it's back here

1371

00:57:46,830 --> 00:57:44,330

difference between men and women again

1372

00:57:49,440 --> 00:57:46,840

you can kick that by Nellie and you get

1373

00:57:51,570 --> 00:57:49,450

ten new minutes out of it that is at

1374

00:57:53,160 --> 00:57:51,580

least a one-man show was I don't know go

1375

00:57:57,089 --> 00:57:53,170

back to the other stuff that's all I got

1376

00:58:00,170 --> 00:57:57,099

actually married now so it's you know

1377

00:58:03,510 --> 00:58:00,180

that's a trip anyway

1378

00:58:04,470 --> 00:58:03,520

this gentleman remembers that and is he

1379

00:58:08,730 --> 00:58:04,480

still around

1380

00:58:15,510 --> 00:58:08,740

weird is like he hasn't it looks like he

1381

00:58:18,510 --> 00:58:15,520

hasn't aged a day since happy and the

1382

00:58:20,640 --> 00:58:18,520

others were put under countless like

1383

00:58:22,010 --> 00:58:20,650

polygraph tests and they all passed with

1384

00:58:24,839 --> 00:58:22,020

flying colors

1385

00:58:26,430 --> 00:58:24,849

did you talk to the other loggers yes

1386

00:58:27,990 --> 00:58:26,440

I've spoken to several of them on

1387

00:58:29,400 --> 00:58:28,000

several occasion they all have a saying

1388

00:58:34,859 --> 00:58:29,410

they all have the same are they all

1389

00:58:36,630 --> 00:58:34,869

friends still no no yeah sure okay we're

1390

00:58:38,700 --> 00:58:36,640

still look so young and [h__h] we're

1391

00:58:43,080 --> 00:58:38,710

all old-ass loggers over here on better

1392

00:58:45,690 --> 00:58:43,090

skin Travis I went from Claude to Taylor

1393

00:58:48,210 --> 00:58:45,700

I'm getting closer how far away was he

1394

00:58:50,670 --> 00:58:48,220

found from where he was taken presume I

1395

00:58:53,010 --> 00:58:50,680

think it was something like 20 miles or

1396

00:58:55,109 --> 00:58:53,020

something like that ya think

1397

00:58:58,230 --> 00:58:55,119

oh so that's when you believe that you

1398

00:59:00,390 --> 00:58:58,240

feel like I mean that's a case where I'm

1399

00:59:02,670 --> 00:59:00,400

like these they had everything to lose

1400

00:59:07,980 --> 00:59:02,680

and nothing to gain with yeah yeah they

1401
00:59:09,810 --> 00:59:07,990
made no money on this you know an orgy

1402
00:59:15,060 --> 00:59:09,820
or something I really what we guys are

1403
00:59:18,329 --> 00:59:15,070
free outside and they lost each other

1404
00:59:19,690 --> 00:59:18,339
and then he hid for two weeks homophobia

1405
00:59:22,120 --> 00:59:19,700
is deep man

1406
00:59:24,849 --> 00:59:22,130
it's like coffee in this log cabin for

1407
00:59:26,620 --> 00:59:24,859
to eat it's also an anal probe situation

1408
00:59:29,500 --> 00:59:26,630
that's the thing I know people

1409
00:59:33,849 --> 00:59:29,510
personally who are normal sane normal

1410
00:59:35,079 --> 00:59:33,859
people people who have seen UFOs and I

1411
00:59:36,640 --> 00:59:35,089
know a group of three friends who've

1412
00:59:38,710 --> 00:59:36,650
seen it and one was telling people in

1413
00:59:40,930 --> 00:59:38,720

the other to like don't tell people it

1414

00:59:44,470 --> 00:59:40,940

makes us look weird so he doesn't know

1415

00:59:46,240 --> 00:59:44,480

people who've seen who've seen it their

1416

00:59:48,190 --> 00:59:46,250

cases were like a whole town in Texas

1417

00:59:50,770 --> 00:59:48,200

saw something you know that's right or

1418

00:59:52,870 --> 00:59:50,780

game for town of Texas in Phoenix

1419

00:59:55,660 --> 00:59:52,880

Arizona there was one case in Phoenix

1420

00:59:58,270 --> 00:59:55,670

Arizona that so many people saw the

1421

01:00:00,150 --> 00:59:58,280

Governor of Arizona saw and he Wow he

1422

01:00:04,120 --> 01:00:00,160

came out and said I saw these aliens

1423

01:00:07,120 --> 01:00:04,130

what do they see they saw a utility this

1424

01:00:09,520 --> 01:00:07,130

is the Phoenix lights incident of 1997 a

1425

01:00:12,670 --> 01:00:09,530

great title boomerang craft was seen

1426

01:00:14,890 --> 01:00:12,680

over the City of Phoenix thousands of

1427

01:00:17,049 --> 01:00:14,900

people saw this reported it they sent

1428

01:00:20,890 --> 01:00:17,059

out fighter jets to try to find this

1429

01:00:28,210 --> 01:00:20,900

thing they couldn't find this graduated

1430

01:00:31,420 --> 01:00:28,220

high school so he was really huge people

1431

01:00:39,160 --> 01:00:31,430

were seeing giant boomerang that's not

1432

01:00:40,630 --> 01:00:39,170

an alien spacecraft so so time to see

1433

01:00:43,180 --> 01:00:40,640

something that's quite like well there's

1434

01:00:44,980 --> 01:00:43,190

another one of the stories in the to me

1435

01:00:46,390 --> 01:00:44,990

was the most substantive and really was

1436

01:00:50,079 --> 01:00:46,400

sort of breathtaking was the story of

1437

01:00:51,940 --> 01:00:50,089

the air base in England where the the US

1438

01:00:53,799 --> 01:00:51,950

air force base in England tell us about

1439

01:00:55,630 --> 01:00:53,809

that what they saw on what happened yeah

1440

01:00:57,789 --> 01:00:55,640

so I've been in direct contact with the

1441

01:01:00,309 --> 01:00:57,799

key witness to this event this happened

1442

01:01:02,890 --> 01:01:00,319

in 1980 he was in called Rendlesham

1443

01:01:05,140 --> 01:01:02,900

forest this was a forest between two

1444

01:01:07,450 --> 01:01:05,150

joint military bases owned by the United

1445

01:01:09,160 --> 01:01:07,460

States in England this is during the

1446

01:01:11,200 --> 01:01:09,170

Cold War you know so tensions were high

1447

01:01:14,589 --> 01:01:11,210

we were over there just in case anything

1448

01:01:17,920 --> 01:01:14,599

happened so one night this craft is

1449

01:01:21,130 --> 01:01:17,930

caught on radar everyone's seen it

1450

01:01:22,960 --> 01:01:21,140

coming in land in the forest and about

1451

01:01:24,069 --> 01:01:22,970

260 officers were sent out to

1452

01:01:26,680 --> 01:01:24,079

investigate whatever the hell this thing

1453

01:01:28,270 --> 01:01:26,690

because they thought it was maybe a sort

1454

01:01:30,130 --> 01:01:28,280

of foreign actor that was coming in to

1455

01:01:32,380 --> 01:01:30,140

do some nefarious something absolutely

1456

01:01:32,920 --> 01:01:32,390

and and what's interesting is at the

1457

01:01:35,440 --> 01:01:32,930

time

1458

01:01:37,330 --> 01:01:35,450

were secretly housing nuclear ordnance

1459

01:01:40,060 --> 01:01:37,340

under these bases without England's

1460

01:01:42,700 --> 01:01:40,070

knowledge we're able to sneak them in so

1461

01:01:44,680 --> 01:01:42,710

of course it's highly sensitive at this

1462

01:01:47,590 --> 01:01:44,690

point if something had occurred you know

1463

01:01:49,630 --> 01:01:47,600

and so they scrambled like 20 military

1464

01:01:51,370 --> 01:01:49,640

police or whatever it takes T 60 okay

1465

01:01:53,530 --> 01:01:51,380

yeah they all ran towards it they all

1466

01:01:55,360 --> 01:01:53,540

had to go that that was they didn't know

1467

01:01:57,580 --> 01:01:55,370

what they were walking into they were

1468

01:01:59,320 --> 01:01:57,590

just told to go out there and she would

1469

01:02:01,600 --> 01:01:59,330

you know what they can do

1470

01:02:03,580 --> 01:02:01,610

the base commander this is caught an

1471

01:02:05,530 --> 01:02:03,590

audio as well you can hear that asipi I

1472

01:02:08,680 --> 01:02:05,540

heard the audio it's insane it's pretty

1473

01:02:10,420 --> 01:02:08,690

scary yeah and the base commander is

1474

01:02:12,640 --> 01:02:10,430

recounting what's going on as this is

1475

01:02:15,070 --> 01:02:12,650

happening and he said that this craft

1476

01:02:19,240 --> 01:02:15,080

was directly over the nuclear ordnance

1477

01:02:21,550 --> 01:02:19,250

and disabled it got shuts down and the

1478

01:02:23,950 --> 01:02:21,560

other thing is of 20 these 20 military

1479

01:02:25,930 --> 01:02:23,960

police went to the woods and they all

1480

01:02:28,650 --> 01:02:25,940

saw something that they universally

1481

01:02:31,860 --> 01:02:28,660

reported as beyond any kind of

1482

01:02:33,850 --> 01:02:31,870

possibility of being crafted on at least

1483

01:02:36,130 --> 01:02:33,860

technology that any of these people in

1484

01:02:39,010 --> 01:02:36,140

the [h__\h] Air Force knew about right

1485

01:02:40,840 --> 01:02:39,020

so this is all the way from high-ranking

1486

01:02:42,550 --> 01:02:40,850

military officials down to military

1487

01:02:44,650 --> 01:02:42,560

police all were reporting the same thing

1488

01:02:46,540 --> 01:02:44,660

and then correct me if I'm wrong they

1489

01:02:48,400 --> 01:02:46,550

called in somebody else once again to

1490

01:02:50,560 --> 01:02:48,410

debunk the thing they called in a higher

1491

01:02:53,770 --> 01:02:50,570

ranking military official who came in

1492

01:02:55,960 --> 01:02:53,780

and this saw the exact same thing yeah

1493

01:02:57,640 --> 01:02:55,970

there was activity for three nights on

1494

01:03:00,250 --> 01:02:57,650

the base you know once this thing landed

1495

01:03:01,780 --> 01:03:00,260

and supposedly shot off strange lights

1496

01:03:03,640 --> 01:03:01,790

were seen over the base for two more

1497

01:03:05,890 --> 01:03:03,650

nights and they could not explain what

1498

01:03:07,390 --> 01:03:05,900

was going on and they were they told all

1499

01:03:09,670 --> 01:03:07,400

the officers never to speak about it

1500

01:03:12,160 --> 01:03:09,680

this story only came out about 20 years

1501

01:03:14,350 --> 01:03:12,170

ago or so it's interesting and this was

1502

01:03:16,690 --> 01:03:14,360

not like a you know a you know

1503

01:03:18,400 --> 01:03:16,700

traumatized yokel you know just going

1504

01:03:20,260 --> 01:03:18,410

like I saw something in this guy these

1505

01:03:24,190 --> 01:03:20,270

are high-ranking military officials and

1506

01:03:27,880 --> 01:03:24,200

also after that the governments of

1507

01:03:29,440 --> 01:03:27,890

England and France have come and Belgium

1508

01:03:32,170 --> 01:03:29,450

have all come out with full disclosure

1509

01:03:34,120 --> 01:03:32,180

on their UFO programs the UFO

1510

01:03:36,700 --> 01:03:34,130

observation programs and they all report

1511

01:03:39,160 --> 01:03:36,710

that there are at least some substantial

1512

01:03:41,440 --> 01:03:39,170

cases of UFOs that they cannot explain

1513

01:03:43,660 --> 01:03:41,450

and that were sightings that can't be

1514

01:03:43,880 --> 01:03:43,670

explained so other countries have come

1515

01:03:45,500 --> 01:03:43,890

out

1516

01:03:48,140 --> 01:03:45,510

and admit that there and they've like

1517

01:03:50,870 --> 01:03:48,150

found stuff almost every country you can

1518

01:03:53,299 --> 01:03:50,880

think of who has ever investigated UFOs

1519

01:03:55,130 --> 01:03:53,309

you know whether publicly or secretly

1520

01:03:56,599 --> 01:03:55,140

have come forward it said look we've

1521

01:03:58,640 --> 01:03:56,609

looked into it we don't know what's

1522

01:03:59,690 --> 01:03:58,650

going on but here's our files there are

1523

01:04:04,519 --> 01:03:59,700

such [h__h]

1524

01:04:07,009 --> 01:04:04,529

the ones are like no no we'll keep this

1525

01:04:10,240 --> 01:04:07,019

you're the one in talking to them do you

1526

01:04:12,769 --> 01:04:10,250

think we're actually talking to them I

1527

01:04:14,359 --> 01:04:12,779

mean you've looking at contact to the

1528

01:04:14,720 --> 01:04:14,369

movie contact you know that that's where

1529

01:04:17,779 --> 01:04:14,730

SETI

1530

01:04:19,190 --> 01:04:17,789

oh it's so good really good well I have

1531

01:04:20,720 --> 01:04:19,200

a I but I don't know if there's a funny

1532

01:04:23,359 --> 01:04:20,730

story but it's an odd story

1533

01:04:25,460 --> 01:04:23,369

I saw contact and I was so taken with it

1534

01:04:28,759 --> 01:04:25,470

I was like you wouldn't have come out

1535

01:04:31,700 --> 01:04:28,769

like 95 no it was later it was like 97

1536

01:04:33,170 --> 01:04:31,710

or so I was I was just like in awe of

1537

01:04:35,180 --> 01:04:33,180

the film it like really got my brain

1538

01:04:38,420 --> 01:04:35,190

going and I'm like I gotta get in my car

1539

01:04:41,000 --> 01:04:38,430

and drive into the hills to look at the

1540

01:04:42,920 --> 01:04:41,010

moon so I did I got into this like 93

1541

01:04:44,329 --> 01:04:42,930

Saturn and I drove up into the Oakland

1542

01:04:45,710 --> 01:04:44,339

Hills and I didn't bring any shoes

1543

01:04:47,539 --> 01:04:45,720

because I was like it's like 2:00 in the

1544

01:04:49,609 --> 01:04:47,549

morning I'm just gonna go ponder the

1545

01:04:50,870 --> 01:04:49,619

cosmos right and I'm up there I'm

1546

01:04:52,700 --> 01:04:50,880

sitting on the hood I'm just having like

1547

01:04:54,859 --> 01:04:52,710

a moment with God and the moon or

1548

01:04:56,480 --> 01:04:54,869

whatever and I have no shoes on I'm way

1549

01:04:58,160 --> 01:04:56,490

up in the Oakland Hills and I pull I'm

1550

01:05:01,460 --> 01:04:58,170

like okay well I've looked at the moon

1551

01:05:03,589 --> 01:05:01,470

for a while and I pull out I start the

1552

01:05:07,940 --> 01:05:03,599

car and I pull back and the car pulls up

1553

01:05:10,249 --> 01:05:07,950

over a boulder and I'm stuck I like

1554

01:05:12,349 --> 01:05:10,259

can't move the car I see that no cell

1555

01:05:15,589 --> 01:05:12,359

phone is as pre cell phone times no

1556

01:05:18,440 --> 01:05:15,599

shoes and I had to walk three miles down

1557

01:05:21,170 --> 01:05:18,450

a winding the Oakland Hills Road

1558

01:05:22,759 --> 01:05:21,180

barefoot to this hotel where I walk in

1559

01:05:25,700 --> 01:05:22,769

at like 4:00 in the morning barefoot

1560

01:05:28,390 --> 01:05:25,710

like you guys have a payphone yeah you

1561

01:05:30,069 --> 01:05:28,400

guys seen the movie condom

1562

01:05:33,940 --> 01:05:30,079

they're like yeah people come here all

1563

01:05:37,690 --> 01:05:33,950

the time I've been pondering yeah we got

1564

01:05:39,430 --> 01:05:37,700

another shoeless contact there it's been

1565

01:05:42,309 --> 01:05:39,440

happening for ten years the movies only

1566

01:05:44,529 --> 01:05:42,319

been out for two Ryan so let's see the

1567

01:05:46,029 --> 01:05:44,539

video that was that came out a month ago

1568

01:05:47,349 --> 01:05:46,039

that that was another one of those

1569

01:05:49,870 --> 01:05:47,359

videos that came out with the the

1570

01:05:51,549 --> 01:05:49,880

Pentagon guy that they they released one

1571

01:05:53,349 --> 01:05:51,559

of the videos were they yes I mean the

1572

01:05:55,989 --> 01:05:53,359

big part of that Pentagon story was

1573

01:05:57,849 --> 01:05:55,999

video footage that came officially from

1574

01:06:00,999 --> 01:05:57,859

the Department of Defense and these were

1575

01:06:03,099 --> 01:06:01,009

two videos that were from the gun camera

1576

01:06:05,349 --> 01:06:03,109

footage from the fighter pilots were

1577

01:06:07,989 --> 01:06:05,359

sent to investigate these UFOs and

1578

01:06:09,609 --> 01:06:07,999

you're listening to them and these

1579

01:06:11,499 --> 01:06:09,619

pilots are like completely out of

1580

01:06:11,799 --> 01:06:11,509

character they're like what the [h__\h] is

1581

01:06:16,539 --> 01:06:11,809

that

1582

01:06:18,099 --> 01:06:16,549

know what it is yeah it's it was pretty

1583

01:06:21,130 --> 01:06:18,109

freaky and the footage itself is

1584

01:06:23,529 --> 01:06:21,140

extremely yeah of the really objects are

1585

01:06:25,509 --> 01:06:23,539

moving uh you know zipping around at

1586

01:06:27,759 --> 01:06:25,519

breakneck speeds that no human could

1587

01:06:29,410 --> 01:06:27,769

survive if it's just and that's what's

1588

01:06:32,589 --> 01:06:29,420

really interesting and these videos were

1589

01:06:34,779 --> 01:06:32,599

leaked by the head of the program yeah a

1590

01:06:36,910 --> 01:06:34,789

program yeah that's a program so he

1591

01:06:38,979 --> 01:06:36,920

could talk about this right and what he

1592

01:06:40,359 --> 01:06:38,989

quit so he could be like something's

1593

01:06:43,269 --> 01:06:40,369

happening it's like every other country

1594

01:06:45,670 --> 01:06:43,279

in the [h__\h] world it seems like 182

1595

01:06:48,609 --> 01:06:45,680

involved in this somehow - yeah that

1596

01:06:51,190 --> 01:06:48,619

guy's like he's be pays much along so

1597

01:06:55,779 --> 01:06:51,200

yeah so bi all the small things as a

1598

01:06:56,890 --> 01:06:55,789

Python all the small little men it's

1599

01:06:58,450 --> 01:06:56,900

interesting because a lot of the

1600

01:07:00,700 --> 01:06:58,460

information about UFOs that's come out

1601
01:07:02,049 --> 01:07:00,710
has comes from very wealthy people if

1602
01:07:05,380 --> 01:07:02,059
you have money you're able to get the

1603
01:07:06,940 --> 01:07:05,390
information so Tom DeLonge all through

1604
01:07:09,099 --> 01:07:06,950
his time in blink-182 had been

1605
01:07:11,109 --> 01:07:09,109
investigating UFOs researching the topic

1606
01:07:15,249 --> 01:07:11,119
so whenever they were touring you see oh

1607
01:07:16,599 --> 01:07:15,259
they were to Roswell all the time can

1608
01:07:18,069 --> 01:07:16,609
you imagine marrying someone from banner

1609
01:07:19,329 --> 01:07:18,079
going oh it's great he's got so much

1610
01:07:22,120 --> 01:07:19,339
money in American you never believe

1611
01:07:23,739 --> 01:07:22,130
where he spends it on god I do well the

1612
01:07:25,269 --> 01:07:23,749
child support he spends on alien

1613
01:07:28,469 --> 01:07:25,279

investigations what a waste

1614

01:07:30,729 --> 01:07:28,479

my girlfriend go Steve that

1615

01:07:33,819 --> 01:07:30,739

she's here tonight ladies and gentlemen

1616

01:07:36,969 --> 01:07:33,829

wait you're at blink 182 look with that

1617

01:07:39,789 --> 01:07:36,979

haircut your clothes what tell me some

1618

01:07:41,620 --> 01:07:39,799

more of the like tell me one more of the

1619

01:07:42,910 --> 01:07:41,630

stories of the anecdotal stories from

1620

01:07:44,469 --> 01:07:42,920

your book or from the people that you've

1621

01:07:45,910 --> 01:07:44,479

talked to that really like what are some

1622

01:07:50,259 --> 01:07:45,920

of the most spine-tingling stories that

1623

01:07:52,059 --> 01:07:50,269

you've heard about one or just the ones

1624

01:07:54,279 --> 01:07:52,069

that are hard to a future like I mean so

1625

01:07:55,509 --> 01:07:54,289

many people right so the ones I find

1626

01:07:57,219 --> 01:07:55,519

most interesting is when there's more

1627

01:07:59,079 --> 01:07:57,229

than one witness I mean you have

1628

01:08:00,999 --> 01:07:59,089

cooperating everything's at that point

1629

01:08:03,430 --> 01:08:01,009

you know what I mean and there was one

1630

01:08:06,009 --> 01:08:03,440

where a mother and her two daughters

1631

01:08:09,009 --> 01:08:06,019

they witnessed a triangular craft this

1632

01:08:11,680 --> 01:08:09,019

is in Michigan and so it's floating

1633

01:08:13,689 --> 01:08:11,690

above their house and one of the

1634

01:08:15,729 --> 01:08:13,699

daughters is outside with the mother the

1635

01:08:18,189 --> 01:08:15,739

mother is like staring up at this thing

1636

01:08:20,319 --> 01:08:18,199

she thinks it's amazing she's in aa she

1637

01:08:22,539 --> 01:08:20,329

feels euphoric and the daughters right

1638

01:08:25,359 --> 01:08:22,549

next to her like covering her ears and

1639

01:08:27,849 --> 01:08:25,369

saying how unbearably loud it is and how

1640

01:08:32,709 --> 01:08:27,859

it's like gonna kill them and the mother

1641

01:08:35,859 --> 01:08:32,719

couldn't hear anything so it whoa what

1642

01:08:37,720 --> 01:08:35,869

is what do you from that that one really

1643

01:08:40,539 --> 01:08:37,730

mystified me I mean they're they're

1644

01:08:42,700 --> 01:08:40,549

clearly looking I think at the same

1645

01:08:44,169 --> 01:08:42,710

object but having completely different

1646

01:08:46,059 --> 01:08:44,179

percentage you know your ears up until

1647

01:08:48,010 --> 01:08:46,069

the age of 18 can pick up sounds that an

1648

01:08:49,720 --> 01:08:48,020

8-pound that's right they do it a lot of

1649

01:08:54,220 --> 01:08:49,730

shopping centers maybe she was that's

1650

01:08:56,169 --> 01:08:54,230

right yeah because they malls sometimes

1651
01:08:56,649 --> 01:08:56,179
they play these sounds to stop kids are

1652
01:09:00,700 --> 01:08:56,659
loitering

1653
01:09:01,330 --> 01:09:00,710
because yeah age of 18 years recalled

1654
01:09:07,300 --> 01:09:01,340
easily

1655
01:09:09,919 --> 01:09:07,310
[Laughter]

1656
01:09:11,689 --> 01:09:09,929
that's the end of the show good

1657
01:09:13,129 --> 01:09:11,699
I mean that's a good point for us too

1658
01:09:17,809 --> 01:09:13,139
are there any questions from the

1659
01:09:20,599 --> 01:09:17,819
audience let's take a couple question

1660
01:09:24,849 --> 01:09:20,609
here are any of you more convinced of

1661
01:09:27,769 --> 01:09:24,859
UFOs now I was already pretty convinced

1662
01:09:30,410 --> 01:09:27,779
I'm more convinced that I was and also

1663
01:09:33,169 --> 01:09:30,420

we'll have to take a lot of medication

1664

01:09:35,209 --> 01:09:33,179

to sleep tonight yeah I still I I've

1665

01:09:37,879 --> 01:09:35,219

always believed in aliens I think it's

1666

01:09:41,300 --> 01:09:37,889

ridiculous not to the UFOs thing I still

1667

01:09:43,999 --> 01:09:41,310

I think I have a question over our mass

1668

01:09:46,669 --> 01:09:44,009

hysteria and psychologically what we

1669

01:09:48,589 --> 01:09:46,679

what we actually do as groups even even

1670

01:09:50,899 --> 01:09:48,599

things like looking up before airplanes

1671

01:09:52,490 --> 01:09:50,909

or even the start everything's did we

1672

01:09:55,010 --> 01:09:52,500

ever look up as much as we do and how

1673

01:09:58,220 --> 01:09:55,020

much to be that that's fair enough

1674

01:10:00,770 --> 01:09:58,230

what refuted to me is like it's 12

1675

01:10:02,839 --> 01:10:00,780

military police on an Air Force Base and

1676

01:10:04,520 --> 01:10:02,849

a major seeing a spacecraft right in

1677

01:10:06,379 --> 01:10:04,530

front of them doesn't feel like to me

1678

01:10:10,339 --> 01:10:06,389

maybe there's mass hysteria in the

1679

01:10:13,430 --> 01:10:10,349

military but it just feels like a mass

1680

01:10:15,379 --> 01:10:13,440

hysteria me it's more like why why in a

1681

01:10:17,089 --> 01:10:15,389

military area you're like oh maybe there

1682

01:10:18,950 --> 01:10:17,099

is some kind of from another country

1683

01:10:20,750 --> 01:10:18,960

going to a military area why in that

1684

01:10:22,430 --> 01:10:20,760

particular is that what could they there

1685

01:10:24,530 --> 01:10:22,440

are other the question cases of them

1686

01:10:26,209 --> 01:10:24,540

like going gravitating towards nuclear

1687

01:10:27,410 --> 01:10:26,219

weapons and stuff it doesn't that

1688

01:10:29,300 --> 01:10:27,420

happens a bunch of times oh absolutely

1689

01:10:31,520 --> 01:10:29,310

yeah the Rendlesham when we mentioned

1690

01:10:32,899 --> 01:10:31,530

there was one in Montana where it went

1691

01:10:34,580 --> 01:10:32,909

over the base and shut him down again

1692

01:10:37,399 --> 01:10:34,590

there's one a Germany where it turned

1693

01:10:41,510 --> 01:10:37,409

them on it oh yeah well yours turned you

1694

01:10:43,850 --> 01:10:41,520

on a little bit too right they would go

1695

01:10:45,890 --> 01:10:43,860

where our technology is best right if

1696

01:10:47,600 --> 01:10:45,900

they want to learn about us like like I

1697

01:10:49,550 --> 01:10:47,610

was saying we always put it something to

1698

01:10:52,189 --> 01:10:49,560

our perspective so whether it's language

1699

01:10:53,540 --> 01:10:52,199

or it's military or it's war we put it

1700

01:10:55,430 --> 01:10:53,550

within ours perspective like oh they

1701

01:11:02,149 --> 01:10:55,440

would go to a military base and for me

1702

01:11:05,479 --> 01:11:02,159

that's a really human connection looking

1703

01:11:08,540 --> 01:11:05,489

for like good technic our most advanced

1704

01:11:11,330 --> 01:11:08,550

technology would make sense that's again

1705

01:11:12,649 --> 01:11:11,340

it has to be to do with technology alien

1706

01:11:13,939 --> 01:11:12,659

life we always have to go oh it has to

1707

01:11:16,129 --> 01:11:13,949

be technology it wouldn't be an organic

1708

01:11:17,640 --> 01:11:16,139

matter we can't even oh but they do

1709

01:11:18,959 --> 01:11:17,650

everything there

1710

01:11:21,209 --> 01:11:18,969

you know anal probing but although

1711

01:11:22,620 --> 01:11:21,219

they're going to that's good a lot a

1712

01:11:24,750 --> 01:11:22,630

really good spot there's a lot of

1713

01:11:28,820 --> 01:11:24,760

organic matter inside of an [h__h] so

1714

01:11:33,120 --> 01:11:31,919

hey so you've looked at so many of these

1715

01:11:34,470 --> 01:11:33,130

cases you guys are talking about you

1716

01:11:35,820 --> 01:11:34,480

know though they're stopping over

1717

01:11:37,530 --> 01:11:35,830

military bases it's stuff about

1718

01:11:39,030 --> 01:11:37,540

technology you've looked at so many of

1719

01:11:41,820 --> 01:11:39,040

these over time I mean are there any

1720

01:11:43,500 --> 01:11:41,830

particular like odd details or recurring

1721

01:11:45,360 --> 01:11:43,510

details they're just like what could

1722

01:11:47,790 --> 01:11:45,370

that possibly be like why would this

1723

01:11:51,149 --> 01:11:47,800

happen so much like sort of strange

1724

01:11:54,180 --> 01:11:51,159

things yeah I think for me at least it's

1725

01:11:56,850 --> 01:11:54,190

the way it impacts people actually it's

1726

01:11:58,590 --> 01:11:56,860

not even like the data or the evidence

1727

01:12:01,020 --> 01:11:58,600

of the thing happening it's how it

1728

01:12:02,130 --> 01:12:01,030

actually affected people afterwards and

1729

01:12:03,780 --> 01:12:02,140

sort of open them up to the

1730

01:12:06,810 --> 01:12:03,790

possibilities yeah you're wanting a

1731

01:12:09,510 --> 01:12:06,820

ufologist badge right now it really did

1732

01:12:11,430 --> 01:12:09,520

a number on you yeah is there anything

1733

01:12:13,439 --> 01:12:11,440

that doesn't connect with what we see is

1734

01:12:15,479 --> 01:12:13,449

aliens so again like the spacecraft that

1735

01:12:17,189 --> 01:12:15,489

the the grey man whatever it is is there

1736

01:12:18,360 --> 01:12:17,199

anything that like people have seen that

1737

01:12:20,939 --> 01:12:18,370

have felt something that just doesn't

1738

01:12:22,770 --> 01:12:20,949

connect with a sort of the cartoon of

1739

01:12:24,180 --> 01:12:22,780

what we think are UFOs oh yes the

1740

01:12:25,830 --> 01:12:24,190

triangles whatever it is yeah I mean

1741

01:12:28,320 --> 01:12:25,840

there's like there's the narrative of

1742

01:12:30,959 --> 01:12:28,330

you know that the flying saucer the

1743

01:12:32,510 --> 01:12:30,969

little grey aliens um that we see over

1744

01:12:35,820 --> 01:12:32,520

and over and over again but they're so

1745

01:12:39,090 --> 01:12:35,830

crazy bizarre cases out there of like

1746

01:12:48,209 --> 01:12:39,100

you know seven foot tall Nordic aliens

1747

01:12:50,820 --> 01:12:48,219

you know Nordic what do you want an

1748

01:12:52,919 --> 01:12:50,830

octopus or it's all northern very hard

1749

01:12:55,290 --> 01:12:52,929

do not really like that because there

1750

01:12:57,720 --> 01:12:55,300

are a few people who are less sound for

1751

01:13:00,339 --> 01:12:57,730

tall Nordic than me

1752

01:13:01,899 --> 01:13:00,349

it's just a flavor she's been having for

1753

01:13:03,640 --> 01:13:01,909

a while so it's like you know it's it's

1754

01:13:05,500 --> 01:13:03,650

in the idea other you know what I mean

1755

01:13:06,879 --> 01:13:05,510

right now cuz I always I love chocolate

1756

01:13:10,810 --> 01:13:06,889

but every now and then it's like let's

1757

01:13:12,729 --> 01:13:10,820

try a sound foot-tall is there anybody

1758

01:13:17,010 --> 01:13:12,739

who came tonight who didn't believe who

1759

01:13:21,010 --> 01:13:17,020

now thinks that it's possible that it's

1760

01:13:22,750 --> 01:13:21,020

from you why oh just um all the military

1761

01:13:23,830 --> 01:13:22,760

examples you were bringing up it sounds

1762

01:13:25,359 --> 01:13:23,840

pretty legit and I want to do some

1763

01:13:30,010 --> 01:13:25,369

research now yeah because our military

1764

01:13:31,990 --> 01:13:30,020

would never lie and again I leave that's

1765

01:13:33,939 --> 01:13:32,000

actually a really good point man but the

1766

01:13:35,290 --> 01:13:33,949

fact that I don't I don't personally

1767

01:13:36,609 --> 01:13:35,300

believe the government is ever gonna

1768

01:13:38,350 --> 01:13:36,619

tell us the truth about what they know

1769

01:13:40,600 --> 01:13:38,360

because honestly I don't think they know

1770

01:13:42,399 --> 01:13:40,610

a lot yeah what's going on you know that

1771

01:13:44,260 --> 01:13:42,409

they they don't they don't control

1772

01:13:46,209 --> 01:13:44,270

what's happening in our skies but they

1773

01:13:47,200 --> 01:13:46,219

can control the information that they

1774

01:13:49,720 --> 01:13:47,210

give to the pub I want to project

1775

01:13:51,700 --> 01:13:49,730

confidence absolutely and I don't think

1776

01:13:53,439 --> 01:13:51,710

disclosure as they call it is ever gonna

1777

01:13:55,930 --> 01:13:53,449

come from the government so like if you

1778

01:13:57,370 --> 01:13:55,940

see something just it's like you know

1779

01:13:59,350 --> 01:13:57,380

the subways if you see something say

1780

01:14:01,720 --> 01:13:59,360

something you know there's a hundred

1781

01:14:04,060 --> 01:14:01,730

thousand UFO reports a year on average

1782

01:14:06,640 --> 01:14:04,070

you would you recommend people report

1783

01:14:09,100 --> 01:14:06,650

UFO sightings it seems like every person

1784

01:14:11,260 --> 01:14:09,110

that does is ridiculed and like it

1785

01:14:14,050 --> 01:14:11,270

becomes a mistake in their lives I see

1786

01:14:16,149 --> 01:14:14,060

that changing they call it like I see an

1787

01:14:18,280 --> 01:14:16,159

a like that the NIE seem an unidentified

1788

01:14:19,839 --> 01:14:18,290

flying object usually like what the hell

1789

01:14:21,760 --> 01:14:19,849

is this well Dennis Kucinich and that

1790

01:14:23,020 --> 01:14:21,770

presidential debate they asked me a UFO

1791

01:14:29,979 --> 01:14:23,030

and he was like well yeah but it wasn't

1792

01:14:31,270 --> 01:14:29,989

his presidential so but you'd still say

1793

01:14:32,649 --> 01:14:31,280

do it why do you think it's important to

1794

01:14:34,330 --> 01:14:32,659

report these I think it's extremely

1795

01:14:36,220 --> 01:14:34,340

important because it gives us something

1796

01:14:39,310 --> 01:14:36,230

to work off of instead of you know these

1797

01:14:41,470 --> 01:14:39,320

cases from 1947 and stuff like that I

1798

01:14:43,959 --> 01:14:41,480

think the more people the more credible

1799

01:14:45,910 --> 01:14:43,969

people military or academics or

1800

01:14:47,979 --> 01:14:45,920

scientists that come forward or everyday

1801

01:14:49,629 --> 01:14:47,989

people you know just see something when

1802

01:14:51,580 --> 01:14:49,639

they look up if they report it that's

1803

01:14:53,589 --> 01:14:51,590

more things that we can look into and

1804

01:14:55,419 --> 01:14:53,599

bring it to the government be like like

1805

01:14:57,310 --> 01:14:55,429

tell us what you know are the roads

1806

01:14:58,990 --> 01:14:57,320

going up given that we all have video

1807

01:15:01,629 --> 01:14:59,000

cameras in our pockets at all times that

1808

01:15:04,180 --> 01:15:01,639

is a really good question um to my

1809

01:15:07,339 --> 01:15:04,190

knowledge the amount of UFOs reported

1810

01:15:13,760 --> 01:15:11,540

because I back to me makes it less the

1811

01:15:17,000 --> 01:15:13,770

fact that we can capture the images now

1812

01:15:18,890 --> 01:15:17,010

and we're not we are not nobody is that

1813

01:15:23,720 --> 01:15:18,900

that's the kind of the point is there's

1814

01:15:25,250 --> 01:15:23,730

more radios but not more sightings that

1815

01:15:26,540 --> 01:15:25,260

what you're saying I think so in it's

1816

01:15:28,580 --> 01:15:26,550

tough because that is the biggest

1817

01:15:31,069 --> 01:15:28,590

conundrum I think in today's you know

1818

01:15:32,899 --> 01:15:31,079

technological world is that we have the

1819

01:15:36,379 --> 01:15:32,909

technology to just look up and take a

1820

01:15:37,819 --> 01:15:36,389

picture and we don't you know this might

1821

01:15:39,410 --> 01:15:37,829

seem like a jump but if you look at

1822

01:15:50,149 --> 01:15:39,420

what's happening with race in America so

1823

01:15:52,430 --> 01:15:50,159

much stuff is getting that well Pakistan

1824

01:15:54,709 --> 01:15:52,440

is a country classically depopulated of

1825

01:15:57,080 --> 01:15:54,719

seven-foot-tall [h__\h] aliens and they

1826

01:15:59,780 --> 01:15:57,090

just think time for us to talk about it

1827

01:16:01,280 --> 01:15:59,790

finish my point is that what most people

1828

01:16:03,169 --> 01:16:01,290

are saying the incidents aren't new

1829

01:16:05,209 --> 01:16:03,179

what's being what's new is that we can

1830

01:16:06,740 --> 01:16:05,219

finally capture them and go this is

1831

01:16:08,180 --> 01:16:06,750

happening can someone finally be held

1832

01:16:13,520 --> 01:16:08,190

accountable they're also less around

1833

01:16:15,410 --> 01:16:13,530

because we can that is true but at least

1834

01:16:17,270 --> 01:16:15,420

like things are being captured so we're

1835

01:16:19,330 --> 01:16:17,280

seeing more stuff so it's something

1836

01:16:21,709 --> 01:16:19,340

where for years you're like it was only

1837

01:16:23,450 --> 01:16:21,719

witness reports because how else would

1838

01:16:25,189 --> 01:16:23,460

you do it other than a witness board now

1839

01:16:28,220 --> 01:16:25,199

there's all the technology to capture

1840

01:16:31,160 --> 01:16:28,230

stuff and yet people aren't capturing

1841

01:16:32,750 --> 01:16:31,170

anything is there are there are there

1842

01:16:34,220 --> 01:16:32,760

was audio and there are pictures and

1843

01:16:36,200 --> 01:16:34,230

there is video or there is not oh yeah

1844

01:16:38,390 --> 01:16:36,210

you know it's out there but like you

1845

01:16:39,649 --> 01:16:38,400

said it's disseminating the the truth

1846

01:16:41,930 --> 01:16:39,659

from the fiction at this point like

1847

01:16:43,729 --> 01:16:41,940

there's apps that you can insert UFOs

1848

01:16:45,800 --> 01:16:43,739

into your picture right like where do we

1849

01:16:47,510 --> 01:16:45,810

go from there right I guess yeah is

1850

01:16:49,609 --> 01:16:47,520

there anybody with a burning question

1851

01:16:57,040 --> 01:16:49,619

one final part yes all the way in the

1852

01:17:00,979 --> 01:16:59,149

we're right across the street from those

1853

01:17:02,060 --> 01:17:00,989

[h__\h] you could talk aliens in

1854

01:17:04,069 --> 01:17:02,070

the government all night long but don't

1855

01:17:06,290 --> 01:17:04,079

you ever impugn Scientology

1856

01:17:07,270 --> 01:17:06,300

ladies gentlemen that's our show thank

1857

01:17:09,160 --> 01:17:07,280

you so much

1858

01:17:10,419 --> 01:17:09,170

applause Ryan spray Kumail Nanjiani

1859

01:17:12,609 --> 01:17:10,429

Emily Gordon

1860

01:17:14,319 --> 01:17:12,619

Aisling B thank you very much them come

1861

01:17:16,180 --> 01:17:14,329

back and see us again on the hotel

1862

01:17:17,940 --> 01:17:16,190

discussion series here at the UCB

1863

01:17:29,150 --> 01:17:17,950

theatre the second Wednesday of every

1864

01:17:31,030 --> 01:17:29,160

[Music]

1865

01:17:33,500 --> 01:17:31,040

[Applause]

1866

01:17:35,240 --> 01:17:33,510

somewhere in the skies is produced by

1867

01:17:37,190 --> 01:17:35,250

Third Kind productions in association

1868

01:17:38,990 --> 01:17:37,200

with the entertainment one podcast
