

SOMEWHERE IN THE SKIES

WITH RYAN SPRAGUE

WITNESS
ACCOUNTS
VOLUME 6

1
00:00:03,560 --> 00:00:02,180
what's up saucer heads this is Ryan

2
00:00:05,960 --> 00:00:03,570
Sprague from the summer in the skies

3
00:00:08,810 --> 00:00:05,970
podcast and I have an exclusive offer

4
00:00:11,570 --> 00:00:08,820
for you to come join me at alien con Los

5
00:00:14,089 --> 00:00:11,580
Angeles aileen con brings together UFO

6
00:00:16,760 --> 00:00:14,099
researchers the stars of ancient aliens

7
00:00:18,470 --> 00:00:16,770
and science fiction fan favorites but

8
00:00:21,230 --> 00:00:18,480
most importantly it brings us all

9
00:00:23,720 --> 00:00:21,240
together as like-minded people to talk

10
00:00:25,490 --> 00:00:23,730
about these topics I'll be giving

11
00:00:27,380 --> 00:00:25,500
lectures and taking part in numerous

12
00:00:30,140 --> 00:00:27,390
panel discussions with some of the most

13
00:00:32,510 --> 00:00:30,150

popular UFO and unexplained podcasts out

14

00:00:35,000 --> 00:00:32,520

there today and don't forget to check

15

00:00:37,970 --> 00:00:35,010

out live podcast recordings of summer in

16

00:00:40,130 --> 00:00:37,980

the skies and unknown hosted by Jason

17

00:00:42,860 --> 00:00:40,140

McClellan it's going to be a jam-packed

18

00:00:45,680 --> 00:00:42,870

weekend you won't soon forget and you

19

00:00:48,200 --> 00:00:45,690

get to be a part of the event is June

20

00:00:51,080 --> 00:00:48,210

21st 22nd and 23rd at the Los Angeles

21

00:00:54,799 --> 00:00:51,090

Convention Center tickets are on sale

22

00:00:57,080 --> 00:00:54,809

right now at the Elliot Gong calm and if

23

00:00:59,630 --> 00:00:57,090

you use the promo code skies at checkout

24

00:01:02,740 --> 00:00:59,640

you'll get an exclusive discount on all

25

00:01:06,020 --> 00:01:02,750

tickets again use the promo code skies

26

00:01:08,480 --> 00:01:06,030

for guest info special offers full

27

00:01:16,249 --> 00:01:08,490

schedule and ticket sves 'it the alien

28

00:01:17,960 --> 00:01:16,259

con comm and i'll see you there welcome

29

00:01:20,450 --> 00:01:17,970

to somewhere in the skies I'm your host

30

00:01:22,820 --> 00:01:20,460

Ryan Sprague before we get to this

31

00:01:24,620 --> 00:01:22,830

week's witness accounts episode I have

32

00:01:27,380 --> 00:01:24,630

to take a moment to acknowledge someone

33

00:01:32,330 --> 00:01:27,390

we unfortunately lost this past week in

34

00:01:34,609 --> 00:01:32,340

the UFO field Stanton T Friedman that

35

00:01:36,920 --> 00:01:34,619

name will be very familiar to many of

36

00:01:39,350 --> 00:01:36,930

you out there but if it's not basically

37

00:01:41,450 --> 00:01:39,360

we have this man to thank for literally

38

00:01:44,389 --> 00:01:41,460

breaking the Roswell UFO story

39

00:01:47,149 --> 00:01:44,399

it was his hard work and unwavering

40

00:01:49,340 --> 00:01:47,159

dedication to track him down firsthand

41

00:01:52,130 --> 00:01:49,350

witnesses that have made this case the

42

00:01:55,190 --> 00:01:52,140

most famous UFO event and cover-up of

43

00:01:57,679 --> 00:01:55,200

all time I remember the first time I

44

00:02:00,800 --> 00:01:57,689

recognized him at a UFO conference in

45

00:02:03,740 --> 00:02:00,810

Arizona I was too scared to talk to him

46

00:02:04,880 --> 00:02:03,750

I mean I was very very new to the UFO

47

00:02:07,280 --> 00:02:04,890

game at this point

48

00:02:09,680 --> 00:02:07,290

but as the years went on and I saw him

49

00:02:12,650 --> 00:02:09,690

more regularly I finally gathered the

50

00:02:15,589 --> 00:02:12,660

courage to get a book signed by him that

51
00:02:18,619 --> 00:02:15,599
book was crash at Corona all about the

52
00:02:21,530 --> 00:02:18,629
Roswell UFO crash it was the first ever

53
00:02:24,710 --> 00:02:21,540
book on UFOs I picked up at my local

54
00:02:27,020 --> 00:02:24,720
library as a 13 year old we spoke

55
00:02:30,199 --> 00:02:27,030
briefly after he signed my book and the

56
00:02:32,660 --> 00:02:30,209
years would go on and on April 1st 2018

57
00:02:35,390 --> 00:02:32,670
I had the amazing opportunity to

58
00:02:38,089 --> 00:02:35,400
interview mr. Friedman for the 50th

59
00:02:40,369 --> 00:02:38,099
episode of somewhere in the skies it was

60
00:02:43,040 --> 00:02:40,379
an interview I would never forget after

61
00:02:44,990 --> 00:02:43,050
announcing his retirement from the UFO

62
00:02:46,940 --> 00:02:45,000
lecture circuit I thought it would be a

63
00:02:50,410 --> 00:02:46,950

perfect time to hear all about his life

64

00:02:53,690 --> 00:02:50,420

and careers in and out of the UFO field

65

00:02:56,690 --> 00:02:53,700

listening back to that episode now every

66

00:02:58,580 --> 00:02:56,700

single word has now been elevated and

67

00:03:01,430 --> 00:02:58,590

taken to heart more than I could have

68

00:03:03,380 --> 00:03:01,440

possibly known at the time only a few

69

00:03:06,080 --> 00:03:03,390

months after that interview I had the

70

00:03:08,630 --> 00:03:06,090

rare opportunity to speak alongside him

71

00:03:09,920 --> 00:03:08,640

at his last ever lecture in Canada

72

00:03:12,530 --> 00:03:09,930

during the Halifax

73

00:03:15,410 --> 00:03:12,540

esoteric con conference put on by

74

00:03:17,089 --> 00:03:15,420

Stanton Friedman's very own nephew and a

75

00:03:19,550 --> 00:03:17,099

close friend of mine with Paul Kimball

76
00:03:22,100 --> 00:03:19,560
mr. Friedman stood in front of a packed

77
00:03:24,470 --> 00:03:22,110
audience and gave the same lecture he'd

78
00:03:26,479 --> 00:03:24,480
given almost 40 years ago and it was

79
00:03:27,830 --> 00:03:26,489
just as relevant today as it was back

80
00:03:33,619 --> 00:03:27,840
then

81
00:03:34,790 --> 00:03:33,629
you know at least look for fingerprints

82
00:03:38,030 --> 00:03:34,800
and footprints

83
00:03:43,220 --> 00:03:38,040
while we apologize us you trouble just

84
00:03:45,470 --> 00:03:43,230
not you fool urges and look for physical

85
00:03:48,619 --> 00:03:45,480
trace paces guy named Ted Phillips in

86
00:03:50,630 --> 00:03:48,629
Missouri has collected several thousand

87
00:03:53,390 --> 00:03:50,640
physical trace cases from at least

88
00:03:55,309 --> 00:03:53,400

eighty countries these are cases at

89

00:03:58,400 --> 00:03:55,319

which the saucer is seen on or near the

90

00:04:00,380 --> 00:03:58,410

ground an effort leaves what flats

91

00:04:04,910 --> 00:04:00,390

physical changes the equipment a firm

92

00:04:08,960 --> 00:04:04,920

service programs ligature marks most

93

00:04:13,880 --> 00:04:08,970

Anja's has changed out about ten

94

00:04:28,700 --> 00:04:13,890

inches and this another great measure to

95

00:04:30,320 --> 00:04:28,710

the surrounding area I remember sitting

96

00:04:32,450 --> 00:04:30,330

in the front row of the audience and

97

00:04:34,820 --> 00:04:32,460

just thinking of what it was been like

98

00:04:37,460 --> 00:04:34,830

for this man touting flying saucers are

99

00:04:38,960 --> 00:04:37,470

real back in the days when Project Blue

100

00:04:41,840 --> 00:04:38,970

Book was telling us that they were

101
00:04:43,969 --> 00:04:41,850
everything but real and throughout the

102
00:04:46,310 --> 00:04:43,979
years mr. Friedman wasn't without

103
00:04:48,950 --> 00:04:46,320
controversy but he was a man of

104
00:04:51,589 --> 00:04:48,960
conviction and he paved the way and

105
00:04:54,260 --> 00:04:51,599
built the roads that all of us seekers

106
00:04:58,850 --> 00:04:54,270
of truth are now navigating I pleased

107
00:05:02,630 --> 00:04:58,860
everybody I certainly have not

108
00:05:04,010 --> 00:05:02,640
that's the price you pay at a

109
00:05:05,840 --> 00:05:04,020
father-in-law who said when you're

110
00:05:07,340 --> 00:05:05,850
playing bridge if you don't get set once

111
00:05:10,490 --> 00:05:07,350
in a while you're not bidding high

112
00:05:12,980 --> 00:05:10,500
enough so if he can't stand the heat as

113
00:05:17,210 --> 00:05:12,990

Harry Truman said get out of the kitchen

114

00:05:20,950 --> 00:05:17,220

I can stand the heat and I will continue

115

00:05:27,790 --> 00:05:24,880

Stanton Friedman passed away on May 13th

116

00:05:31,970 --> 00:05:27,800

he died doing what he loved most

117

00:05:34,300 --> 00:05:31,980

speaking on the topic of UFOs he was on

118

00:05:38,240 --> 00:05:34,310

his way home from giving a talk in Ohio

119

00:05:39,610 --> 00:05:38,250

this seems very fitting and I'm sure he

120

00:05:43,280 --> 00:05:39,620

wouldn't have it any other way

121

00:05:46,130 --> 00:05:43,290

he saw friends he saw colleagues he

122

00:05:47,630 --> 00:05:46,140

shared his research and I know he opened

123

00:05:50,030 --> 00:05:47,640

the eyes of many that were in the

124

00:05:53,930 --> 00:05:50,040

audience that day just like he did for

125

00:05:56,450 --> 00:05:53,940

me when I was 13 years old this episode

126
00:06:00,710 --> 00:05:56,460
is dedicated to the memory of Stanton T

127
00:06:02,870 --> 00:06:00,720
Friedman may he now finally rest finding

128
00:06:14,810 --> 00:06:02,880
the answers he's always sought somewhere

129
00:06:14,820 --> 00:06:19,580
[Music]

130
00:06:19,590 --> 00:06:23,600
[Applause]

131
00:06:28,190 --> 00:06:26,970
this is somewhere in the skies with

132
00:06:51,719 --> 00:06:28,200
Ryan's birth

133
00:06:56,320 --> 00:06:52,990
hi

134
00:06:58,920 --> 00:06:56,330
my name is Jason I'm 40 years old and I

135
00:07:01,360 --> 00:06:58,930
reside in a rural part of Eastern Oregon

136
00:07:03,640 --> 00:07:01,370
before I get into my experience I want

137
00:07:06,879 --> 00:07:03,650
to just state where my interest in UFOs

138
00:07:10,149 --> 00:07:06,889

originates when I was probably in the

139

00:07:12,070 --> 00:07:10,159

fourth or fifth grade I saw a commercial

140

00:07:15,610 --> 00:07:12,080

for time life's mysteries of the unknown

141

00:07:17,589 --> 00:07:15,620

now in this commercial there's a segment

142

00:07:19,089 --> 00:07:17,599

in which they show these recurring

143

00:07:21,279 --> 00:07:19,099

pictures of what would return gray

144

00:07:21,550 --> 00:07:21,289

aliens and it shows it over and over

145

00:07:24,339 --> 00:07:21,560

again

146

00:07:26,550 --> 00:07:24,349

now I remember the fear that I felt at

147

00:07:29,080 --> 00:07:26,560

that age looking at those pictures and

148

00:07:30,879 --> 00:07:29,090

subsequently anytime a walk around the

149

00:07:33,279 --> 00:07:30,889

corner I would always be afraid that I

150

00:07:34,629 --> 00:07:33,289

would see one or you know I thought that

151

00:07:37,330 --> 00:07:34,639

if I were to ever look through a window

152

00:07:39,040 --> 00:07:37,340

maybe I would see one staring at me so I

153

00:07:41,230 --> 00:07:39,050

would always make sure that the windows

154

00:07:43,420 --> 00:07:41,240

were shut the blinds are closed and they

155

00:07:45,850 --> 00:07:43,430

were latched that's the last kind of

156

00:07:48,309 --> 00:07:45,860

experience I wanted to have but that's

157

00:07:52,330 --> 00:07:48,319

where my interest originates I guess now

158

00:07:57,430 --> 00:07:52,340

the experience that I had it happened in

159

00:08:00,459 --> 00:07:57,440

late June of 2011 now I'm a jogger and I

160

00:08:02,740 --> 00:08:00,469

was jogging on this path between this

161

00:08:04,329 --> 00:08:02,750

Sports Complex and the local high school

162

00:08:08,439 --> 00:08:04,339

where I live now

163

00:08:10,570 --> 00:08:08,449

westward are some mountains and at this

164

00:08:12,730 --> 00:08:10,580

time it was dusk so the Sun had just set

165

00:08:14,469 --> 00:08:12,740

behind the peaks of those mountains but

166

00:08:18,219 --> 00:08:14,479

there's still a little bit of light

167

00:08:19,600 --> 00:08:18,229

coming through now out of nowhere I just

168

00:08:21,550 --> 00:08:19,610

decided to look over to my right towards

169

00:08:24,579 --> 00:08:21,560

the mountains and as I look over to my

170

00:08:26,860 --> 00:08:24,589

right I see this flash of light and that

171

00:08:28,649 --> 00:08:26,870

my first thought was since that was at

172

00:08:31,329 --> 00:08:28,659

the base of the mountain where a lot of

173

00:08:33,909 --> 00:08:31,339

fields are that it was probably a crop

174

00:08:35,350 --> 00:08:33,919

duster or just a helicopter and the

175

00:08:37,209 --> 00:08:35,360

light was being reflected off the

176
00:08:40,779 --> 00:08:37,219
metallic surface I mean it seems logical

177
00:08:43,089 --> 00:08:40,789
enough right well as I keep looking I

178
00:08:46,150 --> 00:08:43,099
noticed that it starts speeding up and

179
00:08:48,999 --> 00:08:46,160
that this light isn't just a flash but

180
00:08:52,569 --> 00:08:49,009
it's a sustained ball of light

181
00:08:54,429 --> 00:08:52,579
now as it approaches what you would term

182
00:08:56,139 --> 00:08:54,439
a bad land hill at the base of one of

183
00:08:57,819 --> 00:08:56,149
these mountains and it's hitting

184
00:09:00,220 --> 00:08:57,829
southward by the way it's moving in the

185
00:09:03,160 --> 00:09:00,230
same direction I am so as it approaches

186
00:09:05,619 --> 00:09:03,170
this hill it shoots up that what I would

187
00:09:10,179 --> 00:09:05,629
describe to be probably a 60 degree

188
00:09:13,150 --> 00:09:10,189

angle and it does so very rapidly now as

189

00:09:15,819 --> 00:09:13,160

it goes up it heads left to my direction

190

00:09:18,340 --> 00:09:15,829

which is eastward and it approaches me

191

00:09:20,289 --> 00:09:18,350

at a high rate of speed now when it

192

00:09:22,479 --> 00:09:20,299

finally comes above my head there are

193

00:09:24,939 --> 00:09:22,489

two things that I noticed first of all

194

00:09:27,249 --> 00:09:24,949

it's blinking really fast almost as if

195

00:09:29,289 --> 00:09:27,259

it were a really fast strobe light it

196

00:09:31,150 --> 00:09:29,299

was producing that type of effect and at

197

00:09:34,359 --> 00:09:31,160

the same time it looked like it was

198

00:09:35,979 --> 00:09:34,369

undulating and this was like a darker

199

00:09:38,710 --> 00:09:35,989

shade of yellow is the color I would

200

00:09:40,509 --> 00:09:38,720

describe it and you know when I see this

201
00:09:43,629 --> 00:09:40,519
passing over my head I remember

202
00:09:45,129 --> 00:09:43,639
distinctly thinking oh my god I can't

203
00:09:48,309 --> 00:09:45,139
believe this is actually happening

204
00:09:50,079 --> 00:09:48,319
you know you hear about this on on TV

205
00:09:53,109 --> 00:09:50,089
maybe or you read about it in books or

206
00:09:55,179 --> 00:09:53,119
magazines or on crazy internet forums

207
00:09:57,189 --> 00:09:55,189
where where people talk about crazy

208
00:09:58,629 --> 00:09:57,199
things all the time but you never really

209
00:09:59,739 --> 00:09:58,639
think that it's going to happen to you

210
00:10:02,650 --> 00:09:59,749
and you never really think that you're

211
00:10:05,590 --> 00:10:02,660
gonna see this well I saw it hands down

212
00:10:07,329 --> 00:10:05,600
now as it passes over my head it keeps

213
00:10:10,269 --> 00:10:07,339

going in the same direction and it's

214

00:10:12,359 --> 00:10:10,279

gaining altitude at this point as it

215

00:10:16,210 --> 00:10:12,369

gets higher to the atmosphere it

216

00:10:18,549 --> 00:10:16,220

pulsates three or four times and then it

217

00:10:20,169 --> 00:10:18,559

immediately immediately it looks like

218

00:10:21,730 --> 00:10:20,179

it's snuffed out as if someone snuffed

219

00:10:24,359 --> 00:10:21,740

it out like a candle I mean it just

220

00:10:28,780 --> 00:10:24,369

disappeared it contracted and was gone

221

00:10:31,780 --> 00:10:28,790

now when I was on my way home I finished

222

00:10:34,150 --> 00:10:31,790

my jog in the the bizarre part about all

223

00:10:35,889 --> 00:10:34,160

of this is that yes I was surprised yes

224

00:10:37,539 --> 00:10:35,899

I was kind of excited but at the same

225

00:10:39,369 --> 00:10:37,549

time I had this really calm serene

226

00:10:42,879 --> 00:10:39,379

feeling and it didn't really feel

227

00:10:45,729 --> 00:10:42,889

natural to be honest it felt like it was

228

00:10:48,789 --> 00:10:45,739

something surreal like it it didn't

229

00:10:51,819 --> 00:10:48,799

really happen but it did now a couple of

230

00:10:53,520 --> 00:10:51,829

days later my wife and I are at our

231

00:10:56,900 --> 00:10:53,530

friend's house eating dinner

232

00:11:00,360 --> 00:10:56,910

and I bring this event up to them and

233

00:11:03,690 --> 00:11:00,370

the reason why I did this was because

234

00:11:05,790 --> 00:11:03,700

the place where this light originated

235

00:11:07,380 --> 00:11:05,800

from when I saw it was right near their

236

00:11:08,790 --> 00:11:07,390

property they own property right there

237

00:11:10,740 --> 00:11:08,800

on the on the base of the mountain so

238

00:11:12,030 --> 00:11:10,750

I'm like hey guys there's something

239

00:11:13,410 --> 00:11:12,040

going on over here did you see anything

240

00:11:16,950 --> 00:11:13,420

haven't really like to know if he did

241

00:11:19,020 --> 00:11:16,960

and of course they didn't and that night

242

00:11:20,580 --> 00:11:19,030

when we left my wife and I we were

243

00:11:24,210 --> 00:11:20,590

driving on the highway towards our house

244

00:11:26,460 --> 00:11:24,220

and I decide to look left over into the

245

00:11:29,460 --> 00:11:26,470

direction where I had seen that light a

246

00:11:32,430 --> 00:11:29,470

couple days before I go and I see what

247

00:11:34,590 --> 00:11:32,440

appears to be an orange ball of light

248

00:11:38,010 --> 00:11:34,600

rising into the air as steady speed

249

00:11:40,500 --> 00:11:38,020

really slow and steady so I pointed it

250

00:11:42,000 --> 00:11:40,510

out to my wife and I am like so hey do

251

00:11:44,160 --> 00:11:42,010

you see this and she's like yeah I see

252

00:11:46,380 --> 00:11:44,170

it so we pull over and we get out of the

253

00:11:49,500 --> 00:11:46,390

car and by the time we get out and we

254

00:11:51,150 --> 00:11:49,510

look up there are now three balls of

255

00:11:52,830 --> 00:11:51,160

orange light in the sky and they're

256

00:11:54,360 --> 00:11:52,840

forming what appeared to be an

257

00:11:57,720 --> 00:11:54,370

equilateral triangle I mean they were

258

00:11:58,950 --> 00:11:57,730

very evenly spaced right and then after

259

00:12:03,329 --> 00:11:58,960

looking at it for a couple of minutes

260

00:12:05,270 --> 00:12:03,339

they one by one one out now I'm looking

261

00:12:08,310 --> 00:12:05,280

I'm thinking about these experiences and

262

00:12:10,079 --> 00:12:08,320

you know sometimes you think it could be

263

00:12:12,840 --> 00:12:10,089

anything but I have a really weird

264

00:12:16,980 --> 00:12:12,850

feeling that the synchronicities in this

265

00:12:18,990 --> 00:12:16,990

or are too uncanny I'm not really much

266

00:12:22,380 --> 00:12:19,000

of a metaphysical person in that way I'm

267

00:12:25,200 --> 00:12:22,390

not really into the woo factor so to

268

00:12:28,020 --> 00:12:25,210

speak but in retrospect when I look back

269

00:12:30,480 --> 00:12:28,030

on these events I ask myself what are

270

00:12:32,970 --> 00:12:30,490

the odds that I would look in that

271

00:12:34,740 --> 00:12:32,980

direction at that time and see that

272

00:12:37,079 --> 00:12:34,750

light and have it passed directly over

273

00:12:38,970 --> 00:12:37,089

my head almost as if it were coming in

274

00:12:43,250 --> 00:12:38,980

my direction purposefully for me to see

275

00:12:45,690 --> 00:12:43,260

it when I first thought about this I

276

00:12:47,160 --> 00:12:45,700

thought you know what it seems like he

277

00:12:49,290 --> 00:12:47,170

was trying to avoid being seen because

278

00:12:51,630 --> 00:12:49,300

it was going so fast but the more I

279

00:12:55,170 --> 00:12:51,640

think about it it almost seems like it

280

00:12:56,970 --> 00:12:55,180

wanted to be seen in both times because

281

00:12:59,280 --> 00:12:56,980

the fact that I was looking in those

282

00:13:00,660 --> 00:12:59,290

directions at that specific time in that

283

00:13:03,780 --> 00:13:00,670

specific way

284

00:13:06,180 --> 00:13:03,790

it really kind of reinforces you know

285

00:13:07,680 --> 00:13:06,190

that fear that I've always had about

286

00:13:10,710 --> 00:13:07,690

shutting my windows and whatnot he

287

00:13:13,230 --> 00:13:10,720

especially hinted into my older age now

288

00:13:15,390 --> 00:13:13,240

I suppose but one thing I think that is

289

00:13:18,390 --> 00:13:15,400

that makes us really poignant so to

290

00:13:21,420 --> 00:13:18,400

speaks is that you know some people will

291

00:13:21,900 --> 00:13:21,430

say I know what it is I saw I know what

292

00:13:24,270 --> 00:13:21,910

I saw

293

00:13:26,940 --> 00:13:24,280

you know I I'm not at the same mind I

294

00:13:27,690 --> 00:13:26,950

say I have no idea what I saw I don't

295

00:13:33,690 --> 00:13:27,700

know what it was

296

00:13:35,460 --> 00:13:33,700

not a plane it was not a satellite it

297

00:13:37,850 --> 00:13:35,470

was not a balloon it was not a

298

00:13:41,280 --> 00:13:37,860

helicopter it was nothing man-made

299

00:13:46,920 --> 00:13:44,690

my name is Elle from Northeast Ohio I

300

00:13:52,110 --> 00:13:46,930

was about seven

301
00:13:55,290 --> 00:13:52,120
when this sighting occurred it was the

302
00:14:00,720 --> 00:13:55,300
first I can ever recall it certainly

303
00:14:05,310 --> 00:14:00,730
wasn't the last no I loved to play this

304
00:14:08,030 --> 00:14:05,320
game in my backyard that I called bus

305
00:14:11,010 --> 00:14:08,040
driver it's exactly the way it sounds I

306
00:14:13,200 --> 00:14:11,020
walk around the yard and pretend that I

307
00:14:16,230 --> 00:14:13,210
was a bus driver picking the kids up to

308
00:14:21,540 --> 00:14:16,240
go to school I don't know why it was fun

309
00:14:24,270 --> 00:14:21,550
but I love doing it and I did it almost

310
00:14:26,240 --> 00:14:24,280
every single day this particular day I

311
00:14:29,970 --> 00:14:26,250
remember there was something going on

312
00:14:33,930 --> 00:14:29,980
inside the house I my mom's family was

313
00:14:36,600 --> 00:14:33,940

over so I flipped away went outside and

314

00:14:39,780 --> 00:14:36,610

started to play my game and when I got

315

00:14:41,880 --> 00:14:39,790

closer to the house there was a deck on

316

00:14:45,990 --> 00:14:41,890

the back of the house that had a set of

317

00:14:47,700 --> 00:14:46,000

steps that were right at the back of the

318

00:14:50,520 --> 00:14:47,710

house like you could go up the steps and

319

00:14:55,170 --> 00:14:50,530

go right inside the door and when I got

320

00:14:58,500 --> 00:14:55,180

there something compelled me to look up

321

00:15:05,070 --> 00:14:58,510

and look over my shoulder kind of behind

322

00:15:05,670 --> 00:15:05,080

me and there like maybe 20 or 30 feet in

323

00:15:10,730 --> 00:15:05,680

the air

324

00:15:14,570 --> 00:15:10,740

not very high off the ground was the

325

00:15:19,470 --> 00:15:14,580

literal definition of a flying saucer

326

00:15:22,010 --> 00:15:19,480

absolutely the most typical saucer that

327

00:15:25,100 --> 00:15:22,020

you know you could see in pop culture

328

00:15:29,250 --> 00:15:25,110

that you usually see in pop culture it

329

00:15:31,680 --> 00:15:29,260

was small incredibly small like if there

330

00:15:35,430 --> 00:15:31,690

were people inside there could only be

331

00:15:37,870 --> 00:15:35,440

one that's how small it was and we lived

332

00:15:40,270 --> 00:15:37,880

in a ranch

333

00:15:44,470 --> 00:15:40,280

home that my parents had just built so

334

00:15:47,140 --> 00:15:44,480

it was not you know it was you know

335

00:15:53,560 --> 00:15:47,150

exactly that about 20 or 30 feet up like

336

00:15:56,740 --> 00:15:53,570

tall and the craft didn't even they it

337

00:16:00,550 --> 00:15:56,750

didn't even clear the chimney it's crazy

338

00:16:03,130 --> 00:16:00,560

how long the moment went on or goes on

339

00:16:06,010 --> 00:16:03,140

in my memory because there are so many

340

00:16:10,450 --> 00:16:06,020

details that I can recall I remember it

341

00:16:13,170 --> 00:16:10,460

was silver but it wasn't reflective it

342

00:16:15,730 --> 00:16:13,180

had three lights that I could see and

343

00:16:17,380 --> 00:16:15,740

they were turned off but I could see

344

00:16:21,820 --> 00:16:17,390

what colors they would be if they were

345

00:16:26,080 --> 00:16:21,830

turned on if one would be blue one would

346

00:16:30,670 --> 00:16:26,090

be yellow and one would be red and it

347

00:16:33,880 --> 00:16:30,680

was just so small that's still to this

348

00:16:37,600 --> 00:16:33,890

day one of the two things that baffles

349

00:16:43,960 --> 00:16:37,610

me most is how small it was and how

350

00:16:45,280 --> 00:16:43,970

close it was I had never experienced

351
00:16:47,830 --> 00:16:45,290
anything like this

352
00:16:51,250 --> 00:16:47,840
I had never wanted to it had never been

353
00:16:51,790 --> 00:16:51,260
something that was what I was interested

354
00:16:54,730 --> 00:16:51,800
in

355
00:16:56,470 --> 00:16:54,740
I loved Barbies and Hot Wheels I didn't

356
00:16:59,140 --> 00:16:56,480
care about space I didn't care about

357
00:17:04,179 --> 00:16:59,150
aliens I didn't care about any of that

358
00:17:06,550 --> 00:17:04,189
stuff so for me to see this was odd it

359
00:17:10,000 --> 00:17:06,560
wasn't something that I would have been

360
00:17:14,350 --> 00:17:10,010
seeking out sometimes in the memories I

361
00:17:17,829 --> 00:17:14,360
can recall a figure or being inside the

362
00:17:22,449 --> 00:17:17,839
dome on top of the craft sometimes I

363
00:17:26,350 --> 00:17:22,459

can't I'm not sure which it would be

364

00:17:30,490 --> 00:17:26,360

maybe it was both maybe it was something

365

00:17:33,140 --> 00:17:30,500

I'm just creating in my mind but I know

366

00:17:37,190 --> 00:17:33,150

what I did see

367

00:17:40,970 --> 00:17:37,200

and I know that it was there in front of

368

00:17:43,640 --> 00:17:40,980

me everything was silent like I there

369

00:17:46,070 --> 00:17:43,650

was no sounds I don't even know what

370

00:17:48,799 --> 00:17:46,080

really compelled me to look up because I

371

00:17:53,390 --> 00:17:48,809

was just minding my own business playing

372

00:17:57,680 --> 00:17:53,400

my little bus driver game and something

373

00:18:01,610 --> 00:17:57,690

caused me to look up I ran inside I

374

00:18:03,530 --> 00:18:01,620

didn't want to be around anything like

375

00:18:05,299 --> 00:18:03,540

that I when I got inside my

376

00:18:07,280 --> 00:18:05,309

great-grandmother was standing right

377

00:18:09,860 --> 00:18:07,290

there and she's like oh you look like

378

00:18:14,510 --> 00:18:09,870

you just saw a ghost I'm like all I

379

00:18:17,360 --> 00:18:14,520

could say was no and shook my head and I

380

00:18:19,760 --> 00:18:17,370

didn't say anything about it to her at

381

00:18:22,310 --> 00:18:19,770

some point I did tell my parents my dad

382

00:18:24,230 --> 00:18:22,320

didn't believe me my mom didn't say

383

00:18:26,660 --> 00:18:24,240

anything at the time but I found out

384

00:18:30,200 --> 00:18:26,670

later that she most definitely did

385

00:18:32,919 --> 00:18:30,210

believe me my dad thought it was an

386

00:18:36,230 --> 00:18:32,929

excuse to go to not have to go outside

387

00:18:39,290 --> 00:18:36,240

because in the months that followed over

388

00:18:41,180 --> 00:18:39,300

that summer I didn't want to go outside

389

00:18:44,000 --> 00:18:41,190

whether I was with someone or not I

390

00:18:46,930 --> 00:18:44,010

didn't want to see that again I would

391

00:18:51,130 --> 00:18:46,940

sit on the floor of my bedroom with my

392

00:18:55,130 --> 00:18:51,140

yellow line tablet and draw this house

393

00:18:57,130 --> 00:18:55,140

draw this girl and then draw this flying

394

00:19:00,880 --> 00:18:57,140

saucer

395

00:19:04,990 --> 00:19:00,890

and it was utterly silent when the

396

00:19:07,660 --> 00:19:05,000

incident happened but when I was drawing

397

00:19:09,970 --> 00:19:07,670

these I would always have some kind of

398

00:19:12,220 --> 00:19:09,980

caption on that flying saucer it would

399

00:19:16,360 --> 00:19:12,230

always say something like the one I

400

00:19:21,760 --> 00:19:16,370

remember the most is Elle it's us we're

401
00:19:25,120 --> 00:19:21,770
not here to harm you and it's like I had

402
00:19:28,810 --> 00:19:25,130
never known about aliens or abductions

403
00:19:31,150 --> 00:19:28,820
or anything like that so I don't know

404
00:19:35,020 --> 00:19:31,160
why I added you know those little

405
00:19:38,049 --> 00:19:35,030
captions on to these pictures I hid them

406
00:19:40,450 --> 00:19:38,059
I know eventually my mom did see them

407
00:19:42,960 --> 00:19:40,460
but I hid them and eventually I threw

408
00:19:46,299 --> 00:19:42,970
them away because I was embarrassed and

409
00:19:50,110 --> 00:19:46,309
that's how I've felt in the following

410
00:19:52,419 --> 00:19:50,120
years since since the that first

411
00:19:57,430 --> 00:19:52,429
sighting there's been other sightings

412
00:19:59,860 --> 00:19:57,440
there's many other experiences that have

413
00:20:05,320 --> 00:19:59,870

that should confirm to me that I'm not

414

00:20:11,490 --> 00:20:05,330

crazy but I I do feel so crazy every

415

00:20:16,870 --> 00:20:11,500

single day for believing in you know

416

00:20:21,880 --> 00:20:16,880

aliens and UFOs and being on this

417

00:20:24,820 --> 00:20:21,890

journey of truth seeking I used to be so

418

00:20:28,180 --> 00:20:24,830

shameless when in my teen young teen

419

00:20:30,730 --> 00:20:28,190

years I was so shameless about making

420

00:20:33,250 --> 00:20:30,740

trying to make people believe in it I

421

00:20:34,780 --> 00:20:33,260

thought that if they heard my story then

422

00:20:39,250 --> 00:20:34,790

they would have to believe it because

423

00:20:42,460 --> 00:20:39,260

they know me why would I lie so

424

00:20:44,020 --> 00:20:42,470

therefore my story to me was the most

425

00:20:47,050 --> 00:20:44,030

compelling

426

00:20:52,090 --> 00:20:47,060

truth to them to make them believe it

427

00:20:54,520 --> 00:20:52,100

but I kind of became an outcast in part

428

00:21:00,130 --> 00:20:54,530

because of that belief and eventually I

429

00:21:02,380 --> 00:21:00,140

kind of shut up about it I never I never

430

00:21:06,420 --> 00:21:02,390

really speak about it publicly anymore I

431

00:21:09,250 --> 00:21:06,430

just live in lippy

432

00:21:14,580 --> 00:21:09,260

there are other experiences that I've

433

00:21:18,580 --> 00:21:14,590

had that I shouldn't feel so insane but

434

00:21:22,090 --> 00:21:18,590

every single day of my life I do I

435

00:21:26,620 --> 00:21:22,100

completely feel crazy for seeing the

436

00:21:31,680 --> 00:21:26,630

things that I've seen and believing what

437

00:21:35,980 --> 00:21:31,690

I do they say seeing is believing but I

438

00:21:42,310 --> 00:21:35,990

guess sometimes even seeing it can't

439

00:21:44,580 --> 00:21:42,320

make you believe it this is Cameron

440

00:21:47,170 --> 00:21:44,590

Brower thanks so much for having me I

441

00:21:49,120 --> 00:21:47,180

grew up in northern Montana right near

442

00:21:51,820 --> 00:21:49,130

the Canadian border the nearest town

443

00:21:53,940 --> 00:21:51,830

with over 100 people in it was about 25

444

00:21:56,290 --> 00:21:53,950

miles away so I was surrounded by

445

00:21:58,510 --> 00:21:56,300

millions of acres of empty Prairie

446

00:22:01,660 --> 00:21:58,520

taught by an endless sky full of stars

447

00:22:05,440 --> 00:22:01,670

and well in that part of Montana you can

448

00:22:08,710 --> 00:22:05,450

definitely see some UFOs I would almost

449

00:22:10,840 --> 00:22:08,720

guarantee that if anyone went out to

450

00:22:13,180 --> 00:22:10,850

that part of the Prairie only a mile or

451
00:22:15,520 --> 00:22:13,190
so from the house that I grew up in and

452
00:22:18,190 --> 00:22:15,530
spent three or so nights looking you'd

453
00:22:19,020 --> 00:22:18,200
probably see a UFO probably more than

454
00:22:20,910 --> 00:22:19,030
one

455
00:22:23,190 --> 00:22:20,920
my friends and I spent countless nights

456
00:22:24,750 --> 00:22:23,200
sleeping under the stars we would stare

457
00:22:27,090 --> 00:22:24,760
most of the night at the sky and we

458
00:22:28,230 --> 00:22:27,100
would see amazing things like satellites

459
00:22:31,590 --> 00:22:28,240
and other things that look like

460
00:22:33,600 --> 00:22:31,600
satellites but probably weren't these

461
00:22:36,120 --> 00:22:33,610
dim lights would travel across the sky

462
00:22:39,000 --> 00:22:36,130
just like a satellite but they would do

463
00:22:40,470 --> 00:22:39,010

other things that were amazing just when

464

00:22:42,960 --> 00:22:40,480

you thought you were looking at another

465

00:22:45,150 --> 00:22:42,970

satellite the small dim light above

466

00:22:48,140 --> 00:22:45,160

would stop or it would change direction

467

00:22:50,460 --> 00:22:48,150

90 degrees or do a complete 180

468

00:22:52,770 --> 00:22:50,470

sometimes they would even approach other

469

00:22:55,380 --> 00:22:52,780

lights with identical intensity and stop

470

00:22:58,110 --> 00:22:55,390

then continue on and stop at another

471

00:23:01,130 --> 00:22:58,120

light sometimes stopping 3 or 4 times

472

00:23:05,340 --> 00:23:01,140

before they had blast across the sky and

473

00:23:07,710 --> 00:23:05,350

unimaginable speeds and disappear during

474

00:23:09,960 --> 00:23:07,720

the summer of 1983 which was the year

475

00:23:11,790 --> 00:23:09,970

between my sophomore and junior year of

476

00:23:15,270 --> 00:23:11,800

high school I had a job I worked at a

477

00:23:18,060 --> 00:23:15,280

radio station my usual shift was about 6

478

00:23:20,280 --> 00:23:18,070

p.m. to midnight and my own car and I

479

00:23:22,970 --> 00:23:20,290

drove the 25 miles to and from work

480

00:23:25,580 --> 00:23:22,980

several times a week

481

00:23:27,770 --> 00:23:25,590

after work that always gave me a chance

482

00:23:29,690 --> 00:23:27,780

to do a lot of thinking and to also look

483

00:23:31,970 --> 00:23:29,700

for lights in the sky and other strange

484

00:23:35,120 --> 00:23:31,980

looking lights which were not too hard

485

00:23:37,100 --> 00:23:35,130

to find even when driving so one night I

486

00:23:39,740 --> 00:23:37,110

was traveling home a little later than

487

00:23:41,750 --> 00:23:39,750

usual I was about halfway home there was

488

00:23:44,990 --> 00:23:41,760

no mood and I was only car in the road

489

00:23:46,610 --> 00:23:45,000

this was not unusual if you were on this

490

00:23:49,100 --> 00:23:46,620

stretch of highway you were most likely

491

00:23:52,670 --> 00:23:49,110

a trucker going to or coming from Canada

492

00:23:55,610 --> 00:23:52,680

I was listening to my AM radio in my old

493

00:23:58,640 --> 00:23:55,620

66 Chevy when all of a sudden an emerald

494

00:24:01,310 --> 00:23:58,650

green light lit up the whole sky and I'm

495

00:24:03,230 --> 00:24:01,320

talking the whole sky the light was

496

00:24:05,420 --> 00:24:03,240

coming from my side of the car and I

497

00:24:08,090 --> 00:24:05,430

quickly looked over just in time to see

498

00:24:12,800 --> 00:24:08,100

the green streak the object made a cross

499

00:24:15,830 --> 00:24:12,810

and parallel to my left to the horizon

500

00:24:18,800 --> 00:24:15,840

there was also a woosh sound but not so

501
00:24:20,360 --> 00:24:18,810
much because of the object or the object

502
00:24:23,210 --> 00:24:20,370
flying through our atmosphere it was

503
00:24:24,890 --> 00:24:23,220
almost like the light object made its

504
00:24:26,570 --> 00:24:24,900
own sound and I know that's hard to

505
00:24:29,570 --> 00:24:26,580
explain but there was definitely a

506
00:24:32,330 --> 00:24:29,580
whoosh sound I estimate the light was

507
00:24:34,580 --> 00:24:32,340
more than 40 miles away but less than 80

508
00:24:36,740 --> 00:24:34,590
I could see the Rocky Mountain Front

509
00:24:39,230 --> 00:24:36,750
behind the light and I saw something

510
00:24:41,930 --> 00:24:39,240
else as well I saw what looked like

511
00:24:43,970 --> 00:24:41,940
dozens of great dots and dashes that

512
00:24:46,820 --> 00:24:43,980
were peppering the night sky just above

513
00:24:48,860 --> 00:24:46,830

the horizon of the Rockies I knew these

514

00:24:51,080 --> 00:24:48,870

gray dots were the profile of some kind

515

00:24:54,530 --> 00:24:51,090

of craft that were probably floating in

516

00:24:56,690 --> 00:24:54,540

the night sky they were absolutely in

517

00:24:58,370 --> 00:24:56,700

formation and I could barely make them

518

00:25:01,220 --> 00:24:58,380

out after the green light was totally

519

00:25:04,120 --> 00:25:01,230

gone but they remained there maybe for

520

00:25:07,970 --> 00:25:04,130

20 seconds or more just kind of hovering

521

00:25:10,220 --> 00:25:07,980

then something incredible in formation

522

00:25:12,650 --> 00:25:10,230

they moved slightly forward and then

523

00:25:15,920 --> 00:25:12,660

made in a draw abrupt ascent and began

524

00:25:18,050 --> 00:25:15,930

spiraling in formation into the sky they

525

00:25:20,690 --> 00:25:18,060

were in groups spiraling and heading

526
00:25:22,730 --> 00:25:20,700
totally vertical and then there was a

527
00:25:25,100 --> 00:25:22,740
flash of green at the highest point in

528
00:25:27,650 --> 00:25:25,110
their travel and they became one gray

529
00:25:29,600 --> 00:25:27,660
streak that actually glowed a little

530
00:25:32,090 --> 00:25:29,610
grayer in the sky as they continued

531
00:25:34,280 --> 00:25:32,100
straight up they definitely seemed to

532
00:25:36,740 --> 00:25:34,290
bleed into one streak as they stretched

533
00:25:40,010 --> 00:25:36,750
up and out of sight in an incredible

534
00:25:42,530 --> 00:25:40,020
flash and an incredible demonstration of

535
00:25:44,780 --> 00:25:42,540
speed and in less than a second they

536
00:25:47,060 --> 00:25:44,790
were gone there was another brief flash

537
00:25:51,260 --> 00:25:47,070
of green at that point very high this

538
00:25:53,240 --> 00:25:51,270

guy and they disappeared I didn't get

539

00:25:55,130 --> 00:25:53,250

the impression they were making that

540

00:25:57,680 --> 00:25:55,140

green glow at all I am definitely

541

00:25:59,810 --> 00:25:57,690

thinking they were under fire or making

542

00:26:02,900 --> 00:25:59,820

an escape I couldn't see anything

543

00:26:06,410 --> 00:26:02,910

pursuing them but for sure they were

544

00:26:08,300 --> 00:26:06,420

trying to flee something so I can't help

545

00:26:10,520 --> 00:26:08,310

but wonder if I witnessed some kind of

546

00:26:13,280 --> 00:26:10,530

interstellar battle right here on earth

547

00:26:15,050 --> 00:26:13,290

right in the middle of Montana thank you

548

00:26:19,200 --> 00:26:15,060

so much for having me I love your

549

00:26:26,470 --> 00:26:22,360

hi Ryan this is brandy from Omaha

550

00:26:30,370 --> 00:26:26,480

calling in my story back in October of

551
00:26:32,020 --> 00:26:30,380
2011 my then fiance and I were driving

552
00:26:33,730 --> 00:26:32,030
home from dinner one night and it was

553
00:26:35,230 --> 00:26:33,740
still kind of early so we decided we

554
00:26:38,860 --> 00:26:35,240
were gonna hit a couple of the local

555
00:26:40,810 --> 00:26:38,870
bars on the way home on our way back we

556
00:26:42,640 --> 00:26:40,820
were coming over this expressway and

557
00:26:47,170 --> 00:26:42,650
looking up there was probably about

558
00:26:50,230 --> 00:26:47,180
seven to ten reddish ambarish colored

559
00:26:51,760 --> 00:26:50,240
lights all throughout the sky we really

560
00:26:54,100 --> 00:26:51,770
wanted to pull over and just watch him

561
00:26:55,960 --> 00:26:54,110
but there was really nowhere on this

562
00:26:57,820 --> 00:26:55,970
expressway to pull over safely so we

563
00:27:01,030 --> 00:26:57,830

just kind of slowed down and just kept

564

00:27:02,050 --> 00:27:01,040

staring at him and driving and it didn't

565

00:27:03,730 --> 00:27:02,060

really seem like any of the other

566

00:27:05,500 --> 00:27:03,740

drivers were paying any attention to him

567

00:27:08,170 --> 00:27:05,510

nobody else was slowing down nobody else

568

00:27:09,460 --> 00:27:08,180

was pulling over anything so we were

569

00:27:11,260 --> 00:27:09,470

just kind of watching him as we were

570

00:27:12,790 --> 00:27:11,270

trying to drive and we just kept

571

00:27:16,000 --> 00:27:12,800

noticing more and more of them just kind

572

00:27:17,860 --> 00:27:16,010

of just kept blinking out there one of

573

00:27:20,530 --> 00:27:17,870

them remained by the time that we got

574

00:27:23,710 --> 00:27:20,540

parked to go into one of the bars and it

575

00:27:25,570 --> 00:27:23,720

the thought that struck me was I just

576

00:27:27,820 --> 00:27:25,580

got past this

577

00:27:30,670 --> 00:27:27,830

and that thought just kind of kept just

578

00:27:32,140 --> 00:27:30,680

rolling around in my head and it sat

579

00:27:33,790 --> 00:27:32,150

with me for some time but I kind of

580

00:27:37,450 --> 00:27:33,800

didn't think it named anything else of

581

00:27:40,510 --> 00:27:37,460

it and then a few years later I had kind

582

00:27:43,570 --> 00:27:40,520

of a whirlwind of experiences all just

583

00:27:46,330 --> 00:27:43,580

kind of happened at the same time I kind

584

00:27:50,170 --> 00:27:46,340

of started back up again in April of

585

00:27:53,170 --> 00:27:50,180

2015 I woke to the sound of this tapping

586

00:27:55,120 --> 00:27:53,180

noise what would have been on one window

587

00:27:57,970 --> 00:27:55,130

or corner of the house so I went to go

588

00:27:59,560 --> 00:27:57,980

see what was making the noise and that's

589

00:28:01,780 --> 00:27:59,570

when I noticed there was another light

590

00:28:05,610 --> 00:28:01,790

outside of the window and it was just

591

00:28:10,090 --> 00:28:05,620

kind of flashing this ironic white red

592

00:28:11,980 --> 00:28:10,100

multicolor blinked to it and it was just

593

00:28:13,210 --> 00:28:11,990

kind of fascinating and I was watching

594

00:28:15,460 --> 00:28:13,220

it for a little bit and I would notice

595

00:28:18,280 --> 00:28:15,470

it would kind of just bounce and weave

596

00:28:19,900 --> 00:28:18,290

and move around just enough to be

597

00:28:21,400 --> 00:28:19,910

noticeable but not really go anywhere

598

00:28:23,590 --> 00:28:21,410

and I think I sat and watched it for

599

00:28:25,720 --> 00:28:23,600

maybe about an hour before I just

600

00:28:27,790 --> 00:28:25,730

finally got tired of it went to bed and

601
00:28:30,790 --> 00:28:27,800
for the next few nights it was just

602
00:28:33,490 --> 00:28:30,800
there and every night and then after

603
00:28:36,340 --> 00:28:33,500
about a week or so I stopped seeing it

604
00:28:38,560 --> 00:28:36,350
after that point I just kind of got hit

605
00:28:41,919 --> 00:28:38,570
with the flurry of just synchronicities

606
00:28:43,659 --> 00:28:41,929
and all kind of all these little signs

607
00:28:48,130 --> 00:28:43,669
pointing to things that were going on in

608
00:28:50,890 --> 00:28:48,140
my life and I had this mad rush to try

609
00:28:55,200 --> 00:28:50,900
and read and take in and consume

610
00:28:57,700 --> 00:28:55,210
anything I could about UFOs aliens

611
00:29:01,419 --> 00:28:57,710
experiencers anything of that fashion

612
00:29:03,310 --> 00:29:01,429
and it it was just a non-stop drive to

613
00:29:05,890 --> 00:29:03,320

try and consume everything that I could

614

00:29:08,020 --> 00:29:05,900

and I think in that time a lot of

615

00:29:09,520 --> 00:29:08,030

childhood memories came back of stuff

616

00:29:12,820 --> 00:29:09,530

that has happened to me collectively

617

00:29:15,180 --> 00:29:12,830

over the years and I had one experience

618

00:29:18,190 --> 00:29:15,190

that I always thought was a dream but

619

00:29:21,250 --> 00:29:18,200

turned out thinking back I don't really

620

00:29:23,440 --> 00:29:21,260

think that was the case I lived right

621

00:29:25,360 --> 00:29:23,450

next to my grandparents when I was a

622

00:29:28,360 --> 00:29:25,370

little opinioned so during the summer

623

00:29:30,220 --> 00:29:28,370

when my parents were at work I had free

624

00:29:32,620 --> 00:29:30,230

rein to bounce between my grandma's

625

00:29:38,770 --> 00:29:32,630

house and mine and one summer afternoon

626

00:29:40,510 --> 00:29:38,780

I was playing in my room and my room had

627

00:29:42,100 --> 00:29:40,520

four windows in it because it was kind

628

00:29:43,659 --> 00:29:42,110

of on the back corner of the house and

629

00:29:46,720 --> 00:29:43,669

they were pretty tied say maybe about

630

00:29:48,640 --> 00:29:46,730

ten feet off the ground or so I had this

631

00:29:50,440 --> 00:29:48,650

girl come and tap at my window and I

632

00:29:52,419 --> 00:29:50,450

didn't think anything of it because I

633

00:29:54,590 --> 00:29:52,429

had half sisters that would sometimes

634

00:29:57,710 --> 00:29:54,600

come and visit me and

635

00:29:59,480 --> 00:29:57,720

so I I just didn't really think anything

636

00:30:01,940 --> 00:29:59,490

of it and I didn't know this one girl in

637

00:30:04,399 --> 00:30:01,950

particular but I remember her coming to

638

00:30:07,070 --> 00:30:04,409

play with me one other time and she she

639

00:30:09,680 --> 00:30:07,080

had red hair and for some reason I

640

00:30:11,330 --> 00:30:09,690

thought she was another one of my half

641

00:30:15,110 --> 00:30:11,340

sisters because I only saw him once

642

00:30:17,330 --> 00:30:15,120

every couple times a year or so I mean I

643

00:30:19,879 --> 00:30:17,340

was small maybe like four or five so I

644

00:30:23,029 --> 00:30:19,889

didn't really pay attention to who some

645

00:30:25,310 --> 00:30:23,039

of these people were and this girl she

646

00:30:28,039 --> 00:30:25,320

came tapping at my window and I remember

647

00:30:29,450 --> 00:30:28,049

thinking how did you get up there she

648

00:30:32,600 --> 00:30:29,460

wanted me to come outside and play and

649

00:30:34,940 --> 00:30:32,610

so I did I don't really remember going

650

00:30:36,950 --> 00:30:34,950

out but I did and we were playing on the

651
00:30:39,950 --> 00:30:36,960
swing set I kept asking I'm like how did

652
00:30:42,230 --> 00:30:39,960
you get up to the window well then I had

653
00:30:44,570 --> 00:30:42,240
there was a little piece of tin that was

654
00:30:46,220 --> 00:30:44,580
up against the side of the house well

655
00:30:48,980 --> 00:30:46,230
she said she climbed up it I tried to

656
00:30:50,749 --> 00:30:48,990
replicate it and I couldn't they just

657
00:30:55,039 --> 00:30:50,759
blew it off and I didn't think anything

658
00:30:56,840 --> 00:30:55,049
else of it and it was a little later we

659
00:30:58,610 --> 00:30:56,850
were playing on the swing set she kept

660
00:30:59,960 --> 00:30:58,620
trying to ask me to do something and I

661
00:31:03,470 --> 00:30:59,970
don't remember what the question was but

662
00:31:05,480 --> 00:31:03,480
I was just so distraught and I remember

663
00:31:06,980 --> 00:31:05,490

thinking you're mean I don't want you to

664

00:31:09,320 --> 00:31:06,990

come and play with me anymore

665

00:31:11,419 --> 00:31:09,330

and she kept just trying to convince me

666

00:31:13,190 --> 00:31:11,429

to to go with her and I didn't want to

667

00:31:16,369 --> 00:31:13,200

go with her and then the next thing I

668

00:31:20,810 --> 00:31:16,379

remember I'm standing in the backyard

669

00:31:23,779 --> 00:31:20,820

and behind my bedroom there was a fenced

670

00:31:27,619 --> 00:31:23,789

off garden and in this garden was this

671

00:31:30,619 --> 00:31:27,629

little Scout ship thing and I remember

672

00:31:32,779 --> 00:31:30,629

standing there and she was there and I

673

00:31:34,460 --> 00:31:32,789

was begging her that I didn't want to go

674

00:31:37,279 --> 00:31:34,470

inside of this thing

675

00:31:40,010 --> 00:31:37,289

she she was just it was like she just

676

00:31:42,230 --> 00:31:40,020

gotten really mean and pushy and she was

677

00:31:45,260 --> 00:31:42,240

making me and I was pleading not to do

678

00:31:48,320 --> 00:31:45,270

it I don't remember ever actually going

679

00:31:53,029 --> 00:31:48,330

inside of it but I do remember being

680

00:31:54,529 --> 00:31:53,039

inside of it on this like dark table it

681

00:31:57,590 --> 00:31:54,539

was dark in there and I had this weird

682

00:31:59,060 --> 00:31:57,600

like amber kind of lighting against the

683

00:32:01,549 --> 00:31:59,070

floor and that's all I remember but

684

00:32:03,409 --> 00:32:01,559

instead of being faced up I was like

685

00:32:07,370 --> 00:32:03,419

face down on the table like and I

686

00:32:09,260 --> 00:32:07,380

remember being told not to look and I at

687

00:32:13,100 --> 00:32:09,270

that point and went from being upset to

688

00:32:16,580 --> 00:32:13,110

just angry because this girl was talking

689

00:32:18,500 --> 00:32:16,590

to whoever was behind me and I wasn't

690

00:32:23,149 --> 00:32:18,510

allowed to look and I was mad about it

691

00:32:24,649 --> 00:32:23,159

and I remember just laying there crying

692

00:32:27,350 --> 00:32:24,659

and crying and the next thing I knew I

693

00:32:28,820 --> 00:32:27,360

was back in bed and just sobbing and I

694

00:32:30,320 --> 00:32:28,830

remember just having such a relief

695

00:32:34,669 --> 00:32:30,330

thinking oh that was such a terrible

696

00:32:36,669 --> 00:32:34,679

dream but after that I remember having

697

00:32:39,799 --> 00:32:36,679

friends over and I remember showing them

698

00:32:41,899 --> 00:32:39,809

this girl came up to my window and she

699

00:32:44,930 --> 00:32:41,909

climbed up and she we were trying to

700

00:32:47,419 --> 00:32:44,940

climb up the back part of the house like

701
00:32:50,810 --> 00:32:47,429
how this girl was to get up how she was

702
00:32:53,270 --> 00:32:50,820
and I I couldn't ever do it and I don't

703
00:32:55,580 --> 00:32:53,280
know how she did it so thinking back it

704
00:33:00,260 --> 00:32:55,590
really wasn't a dream it really did

705
00:33:02,120 --> 00:33:00,270
happen and so it there's just a lot of

706
00:33:06,169 --> 00:33:02,130
other experiences I'd be happy to call

707
00:33:08,029 --> 00:33:06,179
in some time but that was that was one

708
00:33:09,909 --> 00:33:08,039
of the major wake-up calls I've had and

709
00:33:15,700 --> 00:33:09,919
I've had

710
00:33:18,070 --> 00:33:15,710
dreams where I felt like they were in my

711
00:33:20,770 --> 00:33:18,080
room with me I've woken up with marks to

712
00:33:26,740 --> 00:33:20,780
correspond with the kinds of dreams I've

713
00:33:30,310 --> 00:33:26,750

had and it's it was really crazy in some

714

00:33:32,590 --> 00:33:30,320

way I was kind of happy that I had some

715

00:33:34,390 --> 00:33:32,600

sort of justification to all the weird

716

00:33:37,240 --> 00:33:34,400

things that have happened my entire life

717

00:33:39,690 --> 00:33:37,250

and then also it was very alarming

718

00:33:42,880 --> 00:33:39,700

because I have no control over it and

719

00:33:44,560 --> 00:33:42,890

it's kind of lonesome because you don't

720

00:33:45,330 --> 00:33:44,570

really have anybody you can talk to

721

00:33:48,370 --> 00:33:45,340

about it

722

00:33:50,680 --> 00:33:48,380

thankfully my dad has kind of had

723

00:33:53,020 --> 00:33:50,690

similar experiences so he has been kind

724

00:33:55,060 --> 00:33:53,030

of my saving grace and that I can talk

725

00:33:58,900 --> 00:33:55,070

to him about some of the goings on in my

726

00:34:02,470 --> 00:33:58,910

life and we have had a few sort of

727

00:34:04,870 --> 00:34:02,480

shared events so that's been nice but

728

00:34:07,390 --> 00:34:04,880

for the most part it's it's opened my

729

00:34:11,670 --> 00:34:07,400

eyes to a lot of things and it's made me

730

00:34:14,400 --> 00:34:11,680

appreciate and take great value in life

731

00:34:19,310 --> 00:34:14,410

and and just kind of have a whole new

732

00:34:21,660 --> 00:34:19,320

outlook on humanity and also it's very

733

00:34:24,290 --> 00:34:21,670

stressful because you never know when

734

00:34:27,330 --> 00:34:24,300

things are going to flare up again and

735

00:34:31,530 --> 00:34:27,340

you have no control of how it's going to

736

00:34:32,880 --> 00:34:31,540

affect your life outwardly in you a lot

737

00:34:34,740 --> 00:34:32,890

of times you just want to talk to

738

00:34:36,870 --> 00:34:34,750

somebody about it any you don't always

739

00:34:38,640 --> 00:34:36,880

have that opportunity so you're

740

00:34:40,860 --> 00:34:38,650

struggling with things in kind of your

741

00:34:44,150 --> 00:34:40,870

private life that you can't really

742

00:34:46,290 --> 00:34:44,160

explain to anybody else and so it's

743

00:34:48,930 --> 00:34:46,300

taught me to have a really good

744

00:34:51,240 --> 00:34:48,940

balancing act in life but I thank you

745

00:34:53,700 --> 00:34:51,250

for having a platform for us to share

746

00:34:55,530 --> 00:34:53,710

our stories we appreciate hearing that

747

00:34:57,840 --> 00:34:55,540

we're we're not the only people that

748

00:35:00,470 --> 00:34:57,850

experience things like this so thanks

749

00:35:08,610 --> 00:35:06,240

at about 444 p.m. on November 26 2009

750

00:35:10,620 --> 00:35:08,620

when I walked out with the a VRC

751

00:35:12,540 --> 00:35:10,630

facility in Danville Virginia they

752

00:35:15,170 --> 00:35:12,550

didn't come from anywhere they didn't

753

00:35:20,000 --> 00:35:15,180

suddenly beam in there they were two

754

00:35:23,100 --> 00:35:20,010

20-foot orbs glowing beautiful light

755

00:35:24,930 --> 00:35:23,110

rose-colored light with a thin layer of

756

00:35:27,360 --> 00:35:24,940

yellow light around each one one

757

00:35:29,310 --> 00:35:27,370

slightly cent higher in the sky only

758

00:35:31,440 --> 00:35:29,320

about 120 feet from the ground only

759

00:35:34,550 --> 00:35:31,450

about 120 feet from where I was standing

760

00:35:37,820 --> 00:35:36,440

I should have said something profound

761

00:35:41,300 --> 00:35:37,830

but all I could say was what will you

762

00:35:43,900 --> 00:35:41,310

look at that I grabbed my binoculars out

763

00:35:47,810 --> 00:35:43,910

of my truck which is right there and

764

00:35:51,500 --> 00:35:47,820

watched as the first one that I got into

765

00:35:54,260 --> 00:35:51,510

focus the lower one in the sky began to

766

00:35:56,930 --> 00:35:54,270

develop a lip of invisibility that

767

00:36:01,070 --> 00:35:56,940

covered the whole sphere in the course

768

00:36:02,810 --> 00:36:01,080

of about 14 seconds after which I moved

769

00:36:05,060 --> 00:36:02,820

my binoculars to look at the other one

770

00:36:07,280 --> 00:36:05,070

at to began to have a lip of

771

00:36:11,560 --> 00:36:07,290

invisibility that formed and took about

772

00:36:14,570 --> 00:36:11,570

14 seconds to completely cloak it

773

00:36:17,930 --> 00:36:14,580

ultimately the meaning can be brought

774

00:36:21,170 --> 00:36:17,940

down to this as we cannot see the stars

775

00:36:24,260 --> 00:36:21,180

during the day or we cannot see the air

776

00:36:27,050 --> 00:36:24,270

we breathe it does not mean it does not

777

00:36:30,710 --> 00:36:27,060

exist or they do not exist what do I

778

00:36:34,220 --> 00:36:30,720

draw from the whole experience that

779

00:36:37,640 --> 00:36:34,230

great things are coming with living for

780

00:36:39,850 --> 00:36:37,650

worth dying for and obviously we are not

781

00:36:44,380 --> 00:36:39,860

alone

782

00:36:48,350 --> 00:36:44,390

my name is Tim McMillan and in 2011 I

783

00:36:51,320 --> 00:36:48,360

saw something in the sky that I still

784

00:36:53,600 --> 00:36:51,330

cannot find a prosaic explanation for it

785

00:36:56,930 --> 00:36:53,610

ultimately thrusts me down the rabbit

786

00:36:59,030 --> 00:36:56,940

hole of the entire UFO enigma that

787

00:37:01,280 --> 00:36:59,040

particularly light it was December it

788

00:37:03,440 --> 00:37:01,290

was a very cold night and I was leaving

789

00:37:05,990 --> 00:37:03,450

a friend of Mines house in rincón

790

00:37:09,650 --> 00:37:06,000

Georgia just outside Savannah it's about

791

00:37:12,260 --> 00:37:09,660

11:00 11:30 at night and me and her were

792

00:37:14,510 --> 00:37:12,270

just talking in her front yard and I

793

00:37:17,780 --> 00:37:14,520

remember was a really bitterly cold

794

00:37:19,460 --> 00:37:17,790

night and living here on the coast it's

795

00:37:21,260 --> 00:37:19,470

really on those coldest nights so the

796

00:37:24,920 --> 00:37:21,270

only times you get to see really nice

797

00:37:26,960 --> 00:37:24,930

beautiful starry skies typically the

798

00:37:30,020 --> 00:37:26,970

humidity we don't get to see some of

799

00:37:32,570 --> 00:37:30,030

those really picturesque night scenes

800

00:37:35,840 --> 00:37:32,580

that other people get to see and so we

801
00:37:39,010 --> 00:37:35,850
were chatting and just you know hanging

802
00:37:42,980 --> 00:37:39,020
out before I left and admittedly I've

803
00:37:44,810 --> 00:37:42,990
always been a stargazer and always had a

804
00:37:48,820 --> 00:37:44,820
fascination with the sky and so I was

805
00:37:51,760 --> 00:37:48,830
gazing up in the air when suddenly

806
00:37:56,270 --> 00:37:51,770
inexplicably out of the blue these three

807
00:37:57,950 --> 00:37:56,280
bright lights just popped up as if

808
00:38:01,430 --> 00:37:57,960
somebody was flipping a light switch and

809
00:38:04,760 --> 00:38:01,440
they were in a straight line and they

810
00:38:08,780 --> 00:38:04,770
were the brightest color white you could

811
00:38:12,320 --> 00:38:08,790
possibly imagine but yet also had kind

812
00:38:14,770 --> 00:38:12,330
of a antique yellow tinge to him is it's

813
00:38:16,790 --> 00:38:14,780

hard to describe but they were they just

814

00:38:20,120 --> 00:38:16,800

like I said it was like somebody cut on

815

00:38:22,940 --> 00:38:20,130

the light switch and it was one of these

816

00:38:24,650 --> 00:38:22,950

events it's not something where you see

817

00:38:26,480 --> 00:38:24,660

something strange in the sky and you go

818

00:38:29,630 --> 00:38:26,490

hey what's that now this was something

819

00:38:33,020 --> 00:38:29,640

as soon as it emerged both me and my

820

00:38:35,390 --> 00:38:33,030

friend were we're just holy cow oh look

821

00:38:37,160 --> 00:38:35,400

at that I mean it just dominated the

822

00:38:39,710 --> 00:38:37,170

night sky and from right in front of us

823

00:38:43,940 --> 00:38:42,710

perfectly in a straight little row you

824

00:38:45,950 --> 00:38:43,950

know they were probably about the size

825

00:38:49,940 --> 00:38:45,960

of a pea if you held it out at arm's

826

00:38:53,540 --> 00:38:49,950

length and they were evenly spaced

827

00:38:54,710 --> 00:38:53,550

almost in a sequence and they stayed

828

00:38:57,349 --> 00:38:54,720

like that for

829

00:38:59,240 --> 00:38:57,359

I don't 10 15 seconds and then they all

830

00:39:02,330 --> 00:38:59,250

three just went out again as if somebody

831

00:39:03,620 --> 00:39:02,340

just cut out a light switch and so you

832

00:39:06,740 --> 00:39:03,630

know we were standing there dumbfounded

833

00:39:09,500 --> 00:39:06,750

whoa what was that what could that have

834

00:39:13,220 --> 00:39:09,510

been and and they were kind of low on

835

00:39:15,109 --> 00:39:13,230

the horizon as well and you definitely

836

00:39:16,010 --> 00:39:15,119

didn't look like anything we had ever

837

00:39:19,599 --> 00:39:16,020

seen before

838

00:39:22,960 --> 00:39:19,609

and they stayed off for probably another

839

00:39:26,620 --> 00:39:22,970

15 20 seconds and then all of a sudden

840

00:39:28,580 --> 00:39:26,630

the same three lights cut right back on

841

00:39:31,070 --> 00:39:28,590

except this time there were two other

842

00:39:32,990 --> 00:39:31,080

lights and all of them were in a row as

843

00:39:36,830 --> 00:39:33,000

if you know they were attached to a

844

00:39:38,780 --> 00:39:36,840

straight level surface except that the

845

00:39:42,200 --> 00:39:38,790

two additional lights that came on they

846

00:39:45,320 --> 00:39:42,210

were spaced a little distance away from

847

00:39:47,570 --> 00:39:45,330

the first three and it was only when all

848

00:39:49,820 --> 00:39:47,580

five of them just caught on like that'

849

00:39:51,349 --> 00:39:49,830

properly the sudden they realized that

850

00:39:54,410 --> 00:39:51,359

against the ambient light of their

851
00:39:59,390 --> 00:39:54,420
horizon there appeared to be this kind

852
00:40:02,420 --> 00:39:59,400
of rectangular almost like a giant pizza

853
00:40:05,839 --> 00:40:02,430
box that seemed to be blocking out the

854
00:40:07,400 --> 00:40:05,849
ambient light on the horizon and i mean

855
00:40:10,780 --> 00:40:07,410
if this thing was a solid structure it

856
00:40:15,079 --> 00:40:10,790
was huge and low-flying

857
00:40:17,060 --> 00:40:15,089
it didn't make any noise and with all

858
00:40:18,620 --> 00:40:17,070
five lights popped up there the lights

859
00:40:20,060 --> 00:40:18,630
themselves were so bright it was kind of

860
00:40:24,440 --> 00:40:20,070
difficult to see but you could see the

861
00:40:28,070 --> 00:40:24,450
the very straight edges of what looked

862
00:40:30,040 --> 00:40:28,080
like a giant pizza box I don't know what

863
00:40:33,440 --> 00:40:30,050

color other than it was darker darker

864

00:40:36,710 --> 00:40:33,450

enough that it kind of blocked out the

865

00:40:39,650 --> 00:40:36,720

city lights there and a whole five

866

00:40:43,040 --> 00:40:39,660

lights stayed on like that for probably

867

00:40:46,070 --> 00:40:43,050

another 20 seconds or so

868

00:40:47,900 --> 00:40:46,080

and then all five just disappeared again

869

00:40:52,160 --> 00:40:47,910

It was as if somebody was flipping a

870

00:40:53,630 --> 00:40:52,170

switch on and then off at the time I I

871

00:40:56,630 --> 00:40:53,640

was a police officer

872

00:40:58,670 --> 00:40:56,640

I was a sergeant I ran a shift a patrol

873

00:41:00,890 --> 00:40:58,680

shift and I'd ended up being a

874

00:41:02,990 --> 00:41:00,900

lieutenant before I retired and the

875

00:41:05,750 --> 00:41:03,000

officer who was with me she she was a

876

00:41:09,080 --> 00:41:05,760

sergeant she still is a sergeant with

877

00:41:10,460 --> 00:41:09,090

the police force and so we were customer

878

00:41:12,530 --> 00:41:10,470

working nights we worked in an area

879

00:41:15,350 --> 00:41:12,540

where there's a lot of military activity

880

00:41:18,410 --> 00:41:15,360

hunter Army Airfield Fort Stewart the

881

00:41:21,020 --> 00:41:18,420

Marine Air Station at Beaufort Air

882

00:41:24,950 --> 00:41:21,030

National Guard base and so we've seen

883

00:41:29,570 --> 00:41:24,960

plenty of military planes and aircraft

884

00:41:33,860 --> 00:41:29,580

and but this was not anything like I've

885

00:41:36,200 --> 00:41:33,870

ever seen before either us in addition

886

00:41:39,140 --> 00:41:36,210

it was not in an area the sky that

887

00:41:41,030 --> 00:41:39,150

should have it was not typical for

888

00:41:42,650 --> 00:41:41,040

commercial or military aircraft it

889

00:41:47,990 --> 00:41:42,660

wasn't in one of the typical flight

890

00:41:50,270 --> 00:41:48,000

lanes and to this day I I have no idea

891

00:41:55,010 --> 00:41:50,280

and I've never seen anything that could

892

00:41:57,170 --> 00:41:55,020

possibly explain what we saw to my

893

00:42:00,710 --> 00:41:57,180

knowledge there's there's no flying

894

00:42:03,260 --> 00:42:00,720

craft but I'm aware of there is as large

895

00:42:05,600 --> 00:42:03,270

as this thing I mean if that solid pizza

896

00:42:08,840 --> 00:42:05,610

box shape was a solid structure this

897

00:42:11,860 --> 00:42:08,850

thing would have to have been three or

898

00:42:14,660 --> 00:42:11,870

four football fields big it was massive

899

00:42:17,210 --> 00:42:14,670

but as soon as those lights cut off it

900

00:42:23,300 --> 00:42:17,220

was as if it just disappeared

901
00:42:25,880 --> 00:42:23,310
and I mean I that just I I love I love

902
00:42:28,460 --> 00:42:25,890
mysteries I love solving mysteries

903
00:42:30,920 --> 00:42:28,470
and so that was such a mysterious

904
00:42:33,440 --> 00:42:30,930
occurrence that it's drove me crazy and

905
00:42:34,730 --> 00:42:33,450
it ended up igniting this passion and

906
00:42:36,589 --> 00:42:34,740
interest to determine what have we seen

907
00:42:40,190 --> 00:42:36,599
and like I said it thrust me down that

908
00:42:43,940 --> 00:42:40,200
rabbit hole of really I guess getting

909
00:42:46,819 --> 00:42:43,950
into ufology and trying to effort to

910
00:42:51,849 --> 00:42:46,829
explain what what was it that we saw

911
00:42:56,480 --> 00:42:51,859
that night and and so it it definitely

912
00:42:59,480 --> 00:42:56,490
captured my curiosity it fascinated me

913
00:43:01,730 --> 00:42:59,490

and to this day I would still love to

914

00:43:03,770 --> 00:43:01,740

know what it is that I saw the friend

915

00:43:06,500 --> 00:43:03,780

that I was with she it kind of scared

916

00:43:10,609 --> 00:43:06,510

her because it was just so outside of

917

00:43:14,329 --> 00:43:10,619

the norm of what he's supposed to happen

918

00:43:15,950 --> 00:43:14,339

and the thing that would hit ultimately

919

00:43:17,480 --> 00:43:15,960

end up shocking me the most is in my

920

00:43:19,760 --> 00:43:17,490

efforts to try to determine what was

921

00:43:23,150 --> 00:43:19,770

this that I saw I remember you know

922

00:43:25,309 --> 00:43:23,160

doing like every other you know normal

923

00:43:26,900 --> 00:43:25,319

modern person in society and hitting on

924

00:43:28,730 --> 00:43:26,910

google and type in all sorts of

925

00:43:33,200 --> 00:43:28,740

different search terms to try to figure

926
00:43:35,290 --> 00:43:33,210
out if I could determine you know

927
00:43:40,940 --> 00:43:35,300
anything that could account for this and

928
00:43:43,400 --> 00:43:40,950
I ended up on new fonts website and when

929
00:43:45,140 --> 00:43:43,410
I started looking through their sighting

930
00:43:48,980 --> 00:43:45,150
reports at the time they were publicly

931
00:43:53,050 --> 00:43:48,990
available I was shocked to find out that

932
00:43:58,430 --> 00:43:53,060
that very same night about 15 20 minutes

933
00:44:00,260 --> 00:43:58,440
before our sighting in a city just west

934
00:44:04,970 --> 00:44:00,270
of us which was the direction that we

935
00:44:07,710 --> 00:44:04,980
were observing this object somebody else

936
00:44:12,299 --> 00:44:07,720
had reported it to move on

937
00:44:15,480 --> 00:44:12,309
and that was shocking because there was

938
00:44:18,750 --> 00:44:15,490

no doubt in my mind that it was real but

939

00:44:21,120 --> 00:44:18,760

to have an independent eyewitness in a

940

00:44:22,859 --> 00:44:21,130

totally different area that I still to

941

00:44:26,549 --> 00:44:22,869

this day have no clue who those people

942

00:44:28,620 --> 00:44:26,559

are but to corroborate what we had seen

943

00:44:31,380 --> 00:44:28,630

they saw exactly they described exactly

944

00:44:32,490 --> 00:44:31,390

what we had seen well now this became

945

00:44:34,950 --> 00:44:32,500

very very real

946

00:44:37,710 --> 00:44:34,960

there's no no other remaining doubts

947

00:44:39,029 --> 00:44:37,720

that somehow we we could have

948

00:44:42,390 --> 00:44:39,039

hallucinate at this though I never

949

00:44:46,589 --> 00:44:42,400

really believed that to begin with and

950

00:44:49,829 --> 00:44:46,599

so then it became very real because I

951
00:44:53,490 --> 00:44:49,839
became a part of I had seen something

952
00:44:58,500 --> 00:44:53,500
with someone else that equally saw it

953
00:44:59,819 --> 00:44:58,510
that now it was real and I didn't know I

954
00:45:02,819 --> 00:44:59,829
ended up reporting the sighting and I

955
00:45:05,010 --> 00:45:02,829
think that was one of the one of the

956
00:45:07,020 --> 00:45:05,020
summering moments was when after the

957
00:45:09,480 --> 00:45:07,030
investigator you know several weeks they

958
00:45:11,400 --> 00:45:09,490
had looked into it and he spoke to me on

959
00:45:15,359 --> 00:45:11,410
the phone and I said well what what is

960
00:45:19,829 --> 00:45:15,369
it and he said it's a UFO we don't know

961
00:45:21,839 --> 00:45:19,839
yeah that was like I said I like solving

962
00:45:24,420 --> 00:45:21,849
mysteries and that didn't stick with me

963
00:45:25,920 --> 00:45:24,430

and still hasn't to this day and so the

964

00:45:28,349 --> 00:45:25,930

past eight years since then I've been

965

00:45:29,730 --> 00:45:28,359

very heavily involved in trying to

966

00:45:32,579 --> 00:45:29,740

determine not just what I saw but what

967

00:45:35,190 --> 00:45:32,589

are other people saying and so it

968

00:45:39,000 --> 00:45:35,200

ultimately all began that one December

969

00:45:41,549 --> 00:45:39,010

night and yeah I don't expect anybody to

970

00:45:42,839 --> 00:45:41,559

believe it just by my word but I most

971

00:45:46,549 --> 00:45:42,849

definitely know what I saw

972

00:45:49,380 --> 00:45:46,559

and it wasn't flairs it wasn't

973

00:45:52,620 --> 00:45:49,390

pareidolia it wasn't anything like that

974

00:46:00,060 --> 00:45:52,630

it was something what that something was

975

00:46:00,070 --> 00:46:08,170

[Music]

976

00:46:12,410 --> 00:46:10,640

somewhere in the skies is produced by

977

00:46:14,330 --> 00:46:12,420

Third Kind productions in association

978

00:46:16,130 --> 00:46:14,340

with the entertainment one podcast
