something truly communal and remember

10
00:00:26,000 --> 00:00:23,490
there are rewards for each level of

11
00:00:28,400 --> 00:00:26,010
contribution and the list is only grown

12
00:00:31,189 --> 00:00:28,410
so please help somewhere in the skies

17

00:01:24,889 --> 00:01:22,049

your host Ryan Sprague today on the show

18

00:01:27,200 --> 00:01:24,899

we talked to Heather tatty one of three

19

00:01:30,499 --> 00:01:27,210

investigators on the new Travel Channel

20

00:01:32,960 --> 00:01:30,509

show alien highway many may know Heather

21

00:01:35,870 --> 00:01:32,970

from her extensive investigation work on

22

00:01:38,450 --> 00:01:35,880

the hit show paranormal state but it's

23

00:01:41,840 --> 00:01:38,460

clear she's not just a ghost hunter any

24

00:01:45,290 --> 00:01:41,850

longer now she's on the trail of strange

25

00:01:48,200 --> 00:01:45,300

phenomena happening across the u.s. she

26
00:01:50,870 --> 00:01:48,210
is joined by Chuck and Dan sook Houston

27
00:01:52,639 --> 00:01:50,880
Chuck is a former Colorado law

28
00:01:54,859 --> 00:01:52,649
enforcement officer who's been

29
00:01:57,980 --> 00:01:54,869
researching and investigating UFO

30
00:02:00,320 --> 00:01:57,990
related it's for over 30 years and

31
00:02:02,899 --> 00:02:00,330
together with his son Daniel and Heather

32
00:02:06,710 --> 00:02:02,909
they're searching for definitive proof

33
00:02:09,469 --> 00:02:06,720
of UFOs along America's well known alien

34
00:02:12,490 --> 00:02:09,479
highway here's our conversation with

35
00:02:16,460 --> 00:02:14,930
Heather thank you so much for joining me

36
00:02:19,850 --> 00:02:16,470
today on somewhere in the skies

37
00:02:21,440 --> 00:02:19,860
thank you I'm super pumped I listen to

38
00:02:23,240 --> 00:02:21,450

your podcast all the time and now I'm a

39

00:02:25,820 --> 00:02:23,250

guest on it which is completely crazy it

40

00:02:28,160 --> 00:02:25,830

is crazy it's come full circle everybody

41

00:02:30,950 --> 00:02:28,170

watching you on television every week

42

00:02:32,960 --> 00:02:30,960

and know that like you're listening to

43

00:02:35,420 --> 00:02:32,970

my show and we finally made this happen

44

00:02:37,910 --> 00:02:35,430

it's a yeah yeah this is a big one for

45

00:02:41,540 --> 00:02:37,920

me so I apologize I'm a little nervous

46

00:02:43,340 --> 00:02:41,550

sorry what no no way

47

00:02:46,160 --> 00:02:43,350

I'm more nervous probably than you oh

48

00:02:48,620 --> 00:02:46,170

man well we'll be nervous and we'll get

49

00:02:50,750 --> 00:02:48,630

through this together but kind of the

50

00:02:52,550 --> 00:02:50,760

real reason we're here today is to talk

51
00:02:55,310 --> 00:02:52,560
about your new show alien highway on the

52
00:02:57,440 --> 00:02:55,320
Travel Channel yes but most of my

53
00:02:59,590 --> 00:02:57,450
listeners including myself we know you

54
00:03:03,050 --> 00:02:59,600
best from your work on Paranormal State

55
00:03:04,820 --> 00:03:03,060
so I would love to know how you first

56
00:03:07,010 --> 00:03:04,830
got involved with investigating

57
00:03:10,760 --> 00:03:07,020
researching the paranormal what is your

58
00:03:13,640 --> 00:03:10,770
origin story as it well I grew up with a

59
00:03:17,690 --> 00:03:13,650
pretty colder brother or 10 years apart

60
00:03:20,570 --> 00:03:17,700
in age and he got me and to music and I

61
00:03:22,910 --> 00:03:20,580
can remember I was really young and I

62
00:03:23,960 --> 00:03:22,920
remember eavesdropping on he and his

63
00:03:24,590 --> 00:03:23,970

friends while I played with a Ouija

64

00:03:26,810 --> 00:03:24,600

board

65

00:03:28,100 --> 00:03:26,820

I remember peeking through crack crack

66

00:03:30,830 --> 00:03:28,110

of the door and being like what are they

67

00:03:33,350 --> 00:03:30,840

doing what is a Ouija board so it kind

68

00:03:35,960 --> 00:03:33,360

of started with that and then from there

69

00:03:37,270 --> 00:03:35,970

just listening to him and his friends

70

00:03:39,830 --> 00:03:37,280

talk about how they'd go to these

71

00:03:41,720 --> 00:03:39,840

haunted places and they heard a voice of

72

00:03:43,729 --> 00:03:41,730

a little girl in this graveyard and and

73

00:03:46,340 --> 00:03:43,739

I was just really intrigued by these

74

00:03:49,520 --> 00:03:46,350

stories and I wanted to put myself in

75

00:03:52,190 --> 00:03:49,530

these situations so um and then it just

76

00:03:53,900 --> 00:03:52,200

came from watching you know movies like

77

00:03:55,729 --> 00:03:53,910

I was I was I remember being really

78

00:03:59,120 --> 00:03:55,739

young and watching Tales from the Crypt

79

00:04:02,180 --> 00:03:59,130

and reading about Ed and Lorraine Warren

80

00:04:04,670 --> 00:04:02,190

reading about all of their cases the

81

00:04:06,620 --> 00:04:04,680

stories just I was always intrigued and

82

00:04:08,470 --> 00:04:06,630

I wanted to have those experiences and I

83

00:04:11,960 --> 00:04:08,480

wanted to know what happens when you die

84

00:04:14,210 --> 00:04:11,970

so then in junior high I started

85

00:04:17,060 --> 00:04:14,220

investigating on my own and with my

86

00:04:19,130 --> 00:04:17,070

friends and that kind of consisted of me

87

00:04:21,560 --> 00:04:19,140

with a movie camera and a Ouija board

88

00:04:23,300 --> 00:04:21,570

leading my friends into these abandoned

89

00:04:24,560 --> 00:04:23,310

buildings and just trying to figure out

90

00:04:26,870 --> 00:04:24,570

if we could catch

91

00:04:30,170 --> 00:04:26,880

any evidence that's where it started and

92

00:04:32,300 --> 00:04:30,180

then just from there you know paranormal

93

00:04:33,530 --> 00:04:32,310

state I can I can I know that's probably

94

00:04:34,880 --> 00:04:33,540

one of your questions is how I got

95

00:04:36,680 --> 00:04:34,890

involved in Paranormal State oh

96

00:04:38,900 --> 00:04:36,690

absolutely I definitely want to get to

97

00:04:41,210 --> 00:04:38,910

that but my first question is for you so

98

00:04:44,560 --> 00:04:41,220

you went you went right to the Ouija

99

00:04:48,470 --> 00:04:44,570

board to try to communicate with these

100

00:04:50,930 --> 00:04:48,480

there's no like who's here

101
00:04:53,480 --> 00:04:50,940
EMF readers and whatnot you just went

102
00:04:55,970 --> 00:04:53,490
straight for the Ouija avoid no I mean

103
00:04:57,890 --> 00:04:55,980
yeah it's just the whole thing about

104
00:05:00,380 --> 00:04:57,900
spiritualism you know reading about the

105
00:05:03,350 --> 00:05:00,390
Fox sisters like that really I was just

106
00:05:05,060 --> 00:05:03,360
so interested in that and in ways in

107
00:05:07,130 --> 00:05:05,070
which people would go to great lengths

108
00:05:08,930 --> 00:05:07,140
to try to contact people who have passed

109
00:05:12,140 --> 00:05:08,940
away that was just always really bizarre

110
00:05:14,720 --> 00:05:12,150
to me and yeah and then just the

111
00:05:16,700 --> 00:05:14,730
investigating and and I I've always been

112
00:05:18,080 --> 00:05:16,710
intrigued to by old buildings and

113
00:05:20,150 --> 00:05:18,090

knowing the history and knowing what

114

00:05:21,800 --> 00:05:20,160

energy has passed through that's a

115

00:05:25,460 --> 00:05:21,810

really good point I often find myself

116

00:05:29,420 --> 00:05:25,470

when I'm traveling legend tripping which

117

00:05:31,790 --> 00:05:29,430

yeah then eases into like paranormal

118

00:05:33,710 --> 00:05:31,800

investigating but I almost find the

119

00:05:36,260 --> 00:05:33,720

story is more intriguing than like oh

120

00:05:38,120 --> 00:05:36,270

this ghost is haunting this place no I

121

00:05:41,060 --> 00:05:38,130

like the history of what happened there

122

00:05:43,070 --> 00:05:41,070

and I kind of your thing when it comes

123

00:05:44,810 --> 00:05:43,080

to him what you would eventually do in

124

00:05:47,660 --> 00:05:44,820

paranormal States so yeah let's go there

125

00:05:51,620 --> 00:05:47,670

how did the opportunity for paranormal

126
00:05:54,410 --> 00:05:51,630
state come about so I and I went to Penn

127
00:05:58,550 --> 00:05:54,420
State of course and I I had known about

128
00:06:01,760 --> 00:05:58,560
PRS a year prior because I remember I

129
00:06:03,140 --> 00:06:01,770
was studying for a test and I looked on

130
00:06:05,960 --> 00:06:03,150
one of the tables and it was around

131
00:06:08,900 --> 00:06:05,970
Halloween and and literally the page was

132
00:06:10,790 --> 00:06:08,910
open to this article about this

133
00:06:13,040 --> 00:06:10,800
conference that they ran at Penn State

134
00:06:14,420 --> 00:06:13,050
where they bring in you know Lorraine

135
00:06:16,610 --> 00:06:14,430
Warren and and they'd had these

136
00:06:17,990 --> 00:06:16,620
investigations and on haunted buildings

137
00:06:20,360 --> 00:06:18,000
on campus and I remember seeing that

138
00:06:22,610 --> 00:06:20,370

article being like wow there's an actual

139

00:06:24,980 --> 00:06:22,620

club that's backed by student University

140

00:06:27,350 --> 00:06:24,990

and a college student started it like

141

00:06:29,000 --> 00:06:27,360

I'm gonna join this club when I transfer

142

00:06:30,530 --> 00:06:29,010

up to the main campus because I had been

143

00:06:32,840 --> 00:06:30,540

going to like a branch campus my first

144

00:06:34,490 --> 00:06:32,850

two years of college so when I

145

00:06:37,460 --> 00:06:34,500

transferred up there I saved the article

146

00:06:38,480 --> 00:06:37,470

I started going to meetings and I was so

147

00:06:41,150 --> 00:06:38,490

impressed

148

00:06:43,580 --> 00:06:41,160

by how smart everybody was and how much

149

00:06:45,650 --> 00:06:43,590

they knew about you know this phenomena

150

00:06:47,629 --> 00:06:45,660

so and and the meetings they were just

151
00:06:49,520 --> 00:06:47,639
on a building they were in a building on

152
00:06:50,719 --> 00:06:49,530
campus and I would I would go every

153
00:06:53,689 --> 00:06:50,729
Sunday and I remember I would always

154
00:06:54,890 --> 00:06:53,699
park illegally illegally and I have you

155
00:06:55,610 --> 00:06:54,900
said in there thinking am I going to get

156
00:06:58,550 --> 00:06:55,620
a ticket

157
00:06:59,839 --> 00:06:58,560
I'd park in the the teachers parking I

158
00:07:05,450 --> 00:06:59,849
don't know why that just popped into my

159
00:07:07,640 --> 00:07:05,460
head it's kind of funny you know so I

160
00:07:09,110 --> 00:07:07,650
remember you know they would set up

161
00:07:11,629 --> 00:07:09,120
these tables and it would just be like a

162
00:07:13,129 --> 00:07:11,639
group of 15 to 20 people we'd all be

163
00:07:14,870 --> 00:07:13,139

facing each other and everybody would

164

00:07:17,210 --> 00:07:14,880

just go around and talk about their

165

00:07:19,820 --> 00:07:17,220

experiences growing up and what kind of

166

00:07:21,560 --> 00:07:19,830

drew them to join the club and and they

167

00:07:24,830 --> 00:07:21,570

they would go on investigations they had

168

00:07:27,170 --> 00:07:24,840

equipment and Ryan was just super smart

169

00:07:28,760 --> 00:07:27,180

and everybody in the in the club is

170

00:07:30,409 --> 00:07:28,770

really interesting so I continued to go

171

00:07:33,290 --> 00:07:30,419

to the meetings and I knew nothing about

172

00:07:35,149 --> 00:07:33,300

a TV show I I kept going and around the

173

00:07:37,640 --> 00:07:35,159

fifth or sixth meeting and I noticed a

174

00:07:38,899 --> 00:07:37,650

new face in the room and this guy was

175

00:07:40,189 --> 00:07:38,909

just sitting at this table when he had

176

00:07:43,460 --> 00:07:40,199

the stack of pamphlets and I was like

177

00:07:45,140 --> 00:07:43,470

what is this guy John and and they they

178

00:07:46,520 --> 00:07:45,150

were they had been in the process they

179

00:07:48,560 --> 00:07:46,530

had filmed a pilot a couple years prior

180

00:07:52,100 --> 00:07:48,570

but they were in the process of making

181

00:07:54,050 --> 00:07:52,110

like a doc you reality series about you

182

00:07:57,770 --> 00:07:54,060

know following these college students as

183

00:07:59,779 --> 00:07:57,780

they go on their investigations so they

184

00:08:01,310 --> 00:07:59,789

put up all these Flyers everywhere on

185

00:08:02,930 --> 00:08:01,320

campus like everybody knew about this

186

00:08:05,360 --> 00:08:02,940

and they they basically just said do you

187

00:08:08,209 --> 00:08:05,370

want to be in a haunted location and

188

00:08:10,790 --> 00:08:08,219

experience ghosts and spirits and I was

189

00:08:14,450 --> 00:08:10,800

like yes sign me up so I filled out this

190

00:08:16,129 --> 00:08:14,460

twenty page pamphlet and I just kind of

191

00:08:17,600 --> 00:08:16,139

went back to my studies and didn't I

192

00:08:19,969 --> 00:08:17,610

didn't really think about it you know I

193

00:08:21,200 --> 00:08:19,979

was I was really focused I was really

194

00:08:22,850 --> 00:08:21,210

focused on doing well in school and

195

00:08:24,800 --> 00:08:22,860

trying to figure out what the heck I

196

00:08:27,320 --> 00:08:24,810

wanted to do because I was studying film

197

00:08:29,180 --> 00:08:27,330

and I studied French and I kind of never

198

00:08:31,249 --> 00:08:29,190

really knew what I wanted to do it was

199

00:08:32,630 --> 00:08:31,259

just kind of like these are my interests

200

00:08:35,000 --> 00:08:32,640

so let's just try to get through this

201
00:08:37,579 --> 00:08:35,010
and then figure it out so I see what

202
00:08:41,269 --> 00:08:37,589
happened then then I got a call probably

203
00:08:43,130 --> 00:08:41,279
like two or three weeks you know I got I

204
00:08:45,769 --> 00:08:43,140
got a call back and and what was really

205
00:08:48,110 --> 00:08:45,779
interesting it was Katrina and I were

206
00:08:50,840 --> 00:08:48,120
both going through the training process

207
00:08:51,740 --> 00:08:50,850
to become investigators okay so we took

208
00:08:53,930 --> 00:08:51,750
tests and it was

209
00:08:56,750 --> 00:08:53,940
basically like we added on an extra

210
00:08:57,860 --> 00:08:56,760
class to our curriculum that we kind of

211
00:08:59,630 --> 00:08:57,870
weren't really getting credit for you

212
00:09:00,890 --> 00:08:59,640
just you know we're so interested and

213
00:09:02,600 --> 00:09:00,900

passionate about this and we took these

214

00:09:05,510 --> 00:09:02,610

tests we wrote these research papers

215

00:09:06,770 --> 00:09:05,520

because my goal is to be an investigator

216

00:09:09,200 --> 00:09:06,780

and to be able to go on these

217

00:09:12,770 --> 00:09:09,210

investigations and learn more about all

218

00:09:15,920 --> 00:09:12,780

this so Katrina and I ended up being the

219

00:09:17,720 --> 00:09:15,930

ones that got picked and and then

220

00:09:20,540 --> 00:09:17,730

literally like a month later we started

221

00:09:23,120 --> 00:09:20,550

filming I was a junior in college and we

222

00:09:25,040 --> 00:09:23,130

first we started our first cases where

223

00:09:27,080 --> 00:09:25,050

most of them were in Pennsylvania or

224

00:09:29,540 --> 00:09:27,090

like you know neighboring states where

225

00:09:30,980 --> 00:09:29,550

we would just drive and I would leave on

226

00:09:32,360 --> 00:09:30,990

like a Thursday and I'd come back on a

227

00:09:34,700 --> 00:09:32,370

Monday so I acted like hey I'm gonna

228

00:09:36,230 --> 00:09:34,710

miss you know some some classes and my

229

00:09:38,810 --> 00:09:36,240

teachers were really understanding about

230

00:09:40,490 --> 00:09:38,820

it because I had I had film classes and

231

00:09:42,380 --> 00:09:40,500

my French teacher was like what do you

232

00:09:44,630 --> 00:09:42,390

mean you're going to investigate you

233

00:09:47,960 --> 00:09:44,640

know a girl that's possessed like it was

234

00:09:50,060 --> 00:09:47,970

just so so bizarre and imagine yes yeah

235

00:09:52,190 --> 00:09:50,070

and that's I was just and what was

236

00:09:53,870 --> 00:09:52,200

really crazy was walking through the hub

237

00:09:56,329 --> 00:09:53,880

at Penn State you know the main building

238

00:09:58,300 --> 00:09:56,339

everybody hangs out with and and seeing

239

00:10:02,329 --> 00:09:58,310

like a cardboard cutout of yourself

240

00:10:04,700 --> 00:10:02,339

standing in there wow that's yeah my

241

00:10:05,750 --> 00:10:04,710

college was my college experience was a

242

00:10:07,880 --> 00:10:05,760

little different from everybody else if

243

00:10:09,620 --> 00:10:07,890

it was it was super fun that is so

244

00:10:11,390 --> 00:10:09,630

interesting yeah it's yeah I always

245

00:10:13,579 --> 00:10:11,400

whenever I talked to like UFO

246

00:10:16,100 --> 00:10:13,589

researchers or paranormal investigators

247

00:10:18,710 --> 00:10:16,110

we all like live these two separate

248

00:10:21,110 --> 00:10:18,720

lives which is you know like we we do

249

00:10:24,170 --> 00:10:21,120

our jobs during the day and we you know

250

00:10:25,910 --> 00:10:24,180

we we buy our morning coffee and we do

251
00:10:28,160 --> 00:10:25,920
the mundane work and then we come home

252
00:10:30,020 --> 00:10:28,170
and we we start talking to people about

253
00:10:32,780 --> 00:10:30,030
you know they were abducted by aliens

254
00:10:35,240 --> 00:10:32,790
brought to the Pleiades are they they

255
00:10:37,940 --> 00:10:35,250
spoke to their great great great

256
00:10:40,490 --> 00:10:37,950
grandparent from the dead it's crazy did

257
00:10:43,280 --> 00:10:40,500
just this juxtaposition between what

258
00:10:45,770 --> 00:10:43,290
people know and experience every day and

259
00:10:47,840 --> 00:10:45,780
then these other worlds that are out

260
00:10:50,090 --> 00:10:47,850
there it's it's got to be surreal like

261
00:10:52,880 --> 00:10:50,100
going to class and then going to a

262
00:10:55,550 --> 00:10:52,890
haunted home to try to like stop a demon

263
00:10:59,540 --> 00:10:55,560

from possessing yeah I mean I remember

264

00:11:01,310 --> 00:10:59,550

being in like a philosophy film class or

265

00:11:03,079 --> 00:11:01,320

something and and literally just

266

00:11:04,250 --> 00:11:03,089

studying for these tests that I had to

267

00:11:04,820 --> 00:11:04,260

take in the club and like I'd have a

268

00:11:07,220 --> 00:11:04,830

little

269

00:11:08,780 --> 00:11:07,230

you know I was talking about Satanism

270

00:11:11,420 --> 00:11:08,790

and stuff like that so it's it's it's

271

00:11:13,640 --> 00:11:11,430

really crazy how all of this came

272

00:11:15,800 --> 00:11:13,650

together but I mean finding out that I'd

273

00:11:18,920 --> 00:11:15,810

get to work with Lorraine Warren was

274

00:11:22,490 --> 00:11:18,930

like a huge deal for me because I

275

00:11:24,410 --> 00:11:22,500

remember two before I joined PRS I went

276

00:11:26,540 --> 00:11:24,420

to see her speak at Penn State and I was

277

00:11:29,030 --> 00:11:26,550

just blown away by her stories and her

278

00:11:31,430 --> 00:11:29,040

her and Ed's commitment to just helping

279

00:11:33,820 --> 00:11:31,440

families that were going through things

280

00:11:36,650 --> 00:11:33,830

they couldn't explain right and I mean

281

00:11:39,080 --> 00:11:36,660

those of us in like the paranormal world

282

00:11:40,940 --> 00:11:39,090

or you know what not we we know these

283

00:11:42,650 --> 00:11:40,950

names ed and Lorraine Warren probably

284

00:11:45,650 --> 00:11:42,660

everyone knows now because of the the

285

00:11:48,200 --> 00:11:45,660

conjuring movies so did you ever get to

286

00:11:50,570 --> 00:11:48,210

personally meet her Lorraine yeah I mean

287

00:11:53,630 --> 00:11:50,580

she was on a lot of our episodes yeah

288

00:11:56,470 --> 00:11:53,640

yeah she yeah I mean it a few it was it

289

00:11:59,090 --> 00:11:56,480

was insane like I I got to know her and

290

00:12:00,830 --> 00:11:59,100

she was a wonderful person yeah I mean

291

00:12:02,540 --> 00:12:00,840

just being able to hear her stories I

292

00:12:04,430 --> 00:12:02,550

remember there were so many times

293

00:12:06,440 --> 00:12:04,440

because when Lorraine started talking

294

00:12:09,380 --> 00:12:06,450

you couldn't get her to stop and she was

295

00:12:10,400 --> 00:12:09,390

such an amazing storyteller like I just

296

00:12:12,170 --> 00:12:10,410

couldn't believe some of the things that

297

00:12:14,350 --> 00:12:12,180

would come out of her mouth like Ann and

298

00:12:17,360 --> 00:12:14,360

she had the best sense of humor she was

299

00:12:19,400 --> 00:12:17,370

sweetest little angel and I remember

300

00:12:21,080 --> 00:12:19,410

we'd be getting ready to film a scene

301
00:12:23,180 --> 00:12:21,090
where Lorraine would you know be talking

302
00:12:24,260 --> 00:12:23,190
to one of the family members and she'd

303
00:12:27,080 --> 00:12:24,270
be talents sitting there telling us

304
00:12:28,940 --> 00:12:27,090
about Amityville and all this stuff and

305
00:12:30,470 --> 00:12:28,950
we're just like our jaws are dropped in

306
00:12:32,540 --> 00:12:30,480
productions like come on Lorraine we got

307
00:12:38,360 --> 00:12:32,550
to do this next scene and she's going on

308
00:12:40,190 --> 00:12:38,370
and on but yeah you know maybe in the

309
00:12:42,440 --> 00:12:40,200
middle of shooting something for our

310
00:12:44,030 --> 00:12:42,450
show and someone would start talking

311
00:12:46,040 --> 00:12:44,040
about you know what happened back at

312
00:12:50,090 --> 00:12:46,050
Roswell and I'd be like oh my god is

313
00:12:55,520 --> 00:12:50,100

this really happening man well speaking

314

00:12:57,680 --> 00:12:55,530

of um you know Roswell UFOs I know at

315

00:12:59,900 --> 00:12:57,690

one point on paranormal state you guys

316

00:13:02,330 --> 00:12:59,910

actually went to the east SETI ranch my

317

00:13:04,670 --> 00:13:02,340

listeners know that place well so yeah

318

00:13:08,630 --> 00:13:04,680

this is that like mixing sort of this

319

00:13:12,560 --> 00:13:08,640

UFO world with a paranormal it was super

320

00:13:14,780 --> 00:13:12,570

fun I remember we camped there and every

321

00:13:16,700 --> 00:13:14,790

night we would see these lights and they

322

00:13:19,190 --> 00:13:16,710

would I mean they would start going

323

00:13:21,950 --> 00:13:19,200

really slow and then James

324

00:13:23,390 --> 00:13:21,960

a you know he had all these high-powered

325

00:13:24,890 --> 00:13:23,400

military flashlights and he'd be like

326

00:13:27,050 --> 00:13:24,900

I'm gonna show you how it powers up and

327

00:13:28,850 --> 00:13:27,060

he would flash this light and it would

328

00:13:30,680 --> 00:13:28,860

take a little bit but it would be so

329

00:13:32,030 --> 00:13:30,690

bright and it would flash back at us and

330

00:13:33,380 --> 00:13:32,040

then it would go really slow in them and

331

00:13:35,420 --> 00:13:33,390

go fast and then it would disappear and

332

00:13:37,100 --> 00:13:35,430

we saw this multiple nights and I had

333

00:13:38,930 --> 00:13:37,110

been there twice because I think after

334

00:13:42,190 --> 00:13:38,940

we filmed the episode there we went back

335

00:13:45,410 --> 00:13:42,200

to do an event but I could not explain

336

00:13:47,120 --> 00:13:45,420

this at all I know scientists had been

337

00:13:48,920 --> 00:13:47,130

there to study it and I think like a

338

00:13:50,990 --> 00:13:48,930

week before we arrived to film our

339

00:13:54,050 --> 00:13:51,000

episode Robbie Williams was there I know

340

00:13:56,000 --> 00:13:54,060

he's really into all this but yeah it

341

00:13:58,130 --> 00:13:56,010

was incredible and and hearing James

342

00:14:00,410 --> 00:13:58,140

stories like he's just such an

343

00:14:02,090 --> 00:14:00,420

interesting person and I I was like

344

00:14:03,500 --> 00:14:02,100

we're not gonna say anything like I was

345

00:14:05,750 --> 00:14:03,510

pretty skeptical like what you know

346

00:14:07,460 --> 00:14:05,760

we're gonna see a satellite and we went

347

00:14:09,500 --> 00:14:07,470

there and had these experiences and it

348

00:14:11,840 --> 00:14:09,510

was really cool because we had a they

349

00:14:13,970 --> 00:14:11,850

bought us this like satellite tracking

350

00:14:16,160 --> 00:14:13,980

system we had on the computer so we

351

00:14:17,270 --> 00:14:16,170

could precisely see what direction the

352

00:14:19,610 --> 00:14:17,280

satellites were and when they were

353

00:14:21,740 --> 00:14:19,620

coming so we you know we would know what

354

00:14:23,930 --> 00:14:21,750

we were seeing but it was Coe I mean I

355

00:14:25,160 --> 00:14:23,940

felt like a little kid because growing

356

00:14:26,960 --> 00:14:25,170

up too I always had this fascination

357

00:14:29,450 --> 00:14:26,970

with looking at the stars and just

358

00:14:31,160 --> 00:14:29,460

hanging out with friends and just you

359

00:14:33,590 --> 00:14:31,170

you would always end up having really

360

00:14:35,450 --> 00:14:33,600

great conversations about you know life

361

00:14:38,450 --> 00:14:35,460

on other planets and then everything so

362

00:14:40,160 --> 00:14:38,460

it was it was really neat to be able to

363

00:14:42,560 --> 00:14:40,170

go there I really want to go back

364

00:14:44,450 --> 00:14:42,570

actually yeah I've actually never been

365

00:14:47,000 --> 00:14:44,460

there but about so many people recommend

366

00:14:49,220 --> 00:14:47,010

it so hopefully yeah yeah yeah you

367

00:14:51,770 --> 00:14:49,230

should you should totally go cool well

368

00:14:53,960 --> 00:14:51,780

what were some of your most your most

369

00:14:57,350 --> 00:14:53,970

memorable moments for paranormal state I

370

00:14:59,930 --> 00:14:57,360

know that's a really broad question so

371

00:15:03,260 --> 00:14:59,940

much but like does anything really stand

372

00:15:06,290 --> 00:15:03,270

out to you like whoa this is like this

373

00:15:09,830 --> 00:15:06,300

is beyond what I signed up for I mean we

374

00:15:11,900 --> 00:15:09,840

I did a couple cases that ended up being

375

00:15:13,580 --> 00:15:11,910

pretty serious and I was still training

376

00:15:16,310 --> 00:15:13,590

and learning about all this stuff and I

377

00:15:18,410 --> 00:15:16,320

mean a lot of that was kind of intense

378

00:15:19,790 --> 00:15:18,420

and they always wanted me to go because

379

00:15:22,040 --> 00:15:19,800

I you know I have this positive energy

380

00:15:23,780 --> 00:15:22,050

and you know it'll help the clients and

381

00:15:26,660 --> 00:15:23,790

everything but a lot of those cases are

382

00:15:29,480 --> 00:15:26,670

really really serious and it affected us

383

00:15:31,820 --> 00:15:29,490

all after we leave you know thinking

384

00:15:33,170 --> 00:15:31,830

about helping this family and and what

385

00:15:35,000 --> 00:15:33,180

they were going through like it stuck

386

00:15:36,530 --> 00:15:35,010

with us and especially with Ryan mind

387

00:15:39,410 --> 00:15:36,540

there be and this has never happened to

388

00:15:40,990 --> 00:15:39,420

me but a lot of times some of the PRS

389

00:15:43,460 --> 00:15:41,000

members lived in a house together and

390

00:15:46,130 --> 00:15:43,470

after some of the real serious cases

391

00:15:47,690 --> 00:15:46,140

they would have stuff follow them home I

392

00:15:49,250 --> 00:15:47,700

don't know why nothing ever followed me

393

00:15:51,650 --> 00:15:49,260

home like I never had any any

394

00:15:53,450 --> 00:15:51,660

experiences but a lot of that kind of

395

00:15:55,370 --> 00:15:53,460

really stuck with you seeing these

396

00:15:57,410 --> 00:15:55,380

families that were terrified to sleep in

397

00:15:59,180 --> 00:15:57,420

their own house some of them brought

398

00:16:01,880 --> 00:15:59,190

obviously they brought this activity

399

00:16:03,140 --> 00:16:01,890

upon them without knowing the dangers of

400

00:16:04,850 --> 00:16:03,150

you know messing around with a Ouija

401
00:16:07,910 --> 00:16:04,860
board or anything like this like that

402
00:16:09,590 --> 00:16:07,920
but a lot of that was really intense but

403
00:16:11,030 --> 00:16:09,600
one case that really stuck out to me it

404
00:16:14,240 --> 00:16:11,040
was called I think they called it

405
00:16:16,310 --> 00:16:14,250
paranormal intervention we worked with

406
00:16:19,640 --> 00:16:16,320
this lady she actually lived in Queens

407
00:16:21,260 --> 00:16:19,650
her name was Cara Lee Anne and she had

408
00:16:24,410 --> 00:16:21,270
these bouts of depressions that she

409
00:16:26,240 --> 00:16:24,420
blamed on spirits and a woman named Mary

410
00:16:29,450 --> 00:16:26,250
had committed suicide in her garage and

411
00:16:32,540 --> 00:16:29,460
and carolien she had a really intense

412
00:16:36,500 --> 00:16:32,550
attachment to the spirit and she was

413
00:16:39,440 --> 00:16:36,510

obsessed with taking EVPs and trying to

414

00:16:40,700 --> 00:16:39,450

hear her voice and she had bagged bad

415

00:16:42,710 --> 00:16:40,710

little baggies and baggies of these

416

00:16:44,450 --> 00:16:42,720

little micro cassettes of of these

417

00:16:47,510 --> 00:16:44,460

amazing EVPs and she was literally

418

00:16:50,000 --> 00:16:47,520

obsessed with with trying to reach this

419

00:16:52,820 --> 00:16:50,010

spirit and it was was really it was

420

00:16:54,920 --> 00:16:52,830

really insane and so the activity was

421

00:16:57,860 --> 00:16:54,930

really centered around Carol and Carol

422

00:16:59,360 --> 00:16:57,870

Ann and she wasn't letting the spirits

423

00:17:01,850 --> 00:16:59,370

move on because she was constantly

424

00:17:04,160 --> 00:17:01,860

engaging them and that's something you

425

00:17:06,050 --> 00:17:04,170

think about today was like everybody

426

00:17:07,850 --> 00:17:06,060

really into this phenomena it's

427

00:17:11,270 --> 00:17:07,860

happening so often and is it because

428

00:17:12,830 --> 00:17:11,280

we're constantly trying to contact them

429

00:17:15,200 --> 00:17:12,840

you know it's like a strange thing to

430

00:17:16,850 --> 00:17:15,210

think about but um I don't know that's

431

00:17:18,920 --> 00:17:16,860

one episode that really stuck out to me

432

00:17:21,590 --> 00:17:18,930

because she just wouldn't stop I mean we

433

00:17:23,300 --> 00:17:21,600

even ended up taking her recorder I

434

00:17:25,520 --> 00:17:23,310

think she just went out and got another

435

00:17:28,880 --> 00:17:25,530

one but it it's it's strange how

436

00:17:30,710 --> 00:17:28,890

obsessed people can get with this this

437

00:17:34,370 --> 00:17:30,720

kind of thing yeah you're telling me

438

00:17:36,140 --> 00:17:34,380

yeah it's it's hard because like they go

439

00:17:38,600 --> 00:17:36,150
through this paradigm shifting

440

00:17:41,870 --> 00:17:38,610
experience and then it's like how do you

441

00:17:44,690 --> 00:17:41,880
go on every day after that like these

442

00:17:45,470 --> 00:17:44,700
menial tasks we all do is you know mere

443

00:17:48,049 --> 00:17:45,480
mortals

444

00:17:50,600 --> 00:17:48,059
when we know or they know I should say

445

00:17:52,669 --> 00:17:50,610
or think that like there's a spirit

446

00:17:53,510 --> 00:17:52,679
talking to them from like beyond the

447

00:17:56,960 --> 00:17:53,520
grave it's crazy

448

00:18:00,260 --> 00:17:56,970
it is yeah but it's it was really

449

00:18:01,460 --> 00:18:00,270
interesting to try to go and like you

450

00:18:02,870 --> 00:18:01,470
because when you go to these families

451

00:18:06,230 --> 00:18:02,880

houses you basically become their

452

00:18:07,820 --> 00:18:06,240

historian you're you're diving into

453

00:18:09,440 --> 00:18:07,830

their history diving into their past and

454

00:18:10,970 --> 00:18:09,450

and even figuring out when this

455

00:18:12,620 --> 00:18:10,980

phenomena began what was going on in

456

00:18:14,780 --> 00:18:12,630

your life and I always like trying to

457

00:18:16,640 --> 00:18:14,790

figure figure that out because a lot of

458

00:18:17,900 --> 00:18:16,650

times the stuff would happen they would

459

00:18:20,570 --> 00:18:17,910

bring it upon themselves and not even

460

00:18:21,830 --> 00:18:20,580

realize like oh this you know the stress

461

00:18:23,720 --> 00:18:21,840

was causing me to do you know what I

462

00:18:25,880 --> 00:18:23,730

mean since there's so many different

463

00:18:28,549 --> 00:18:25,890

pieces to the puzzle there really are

464

00:18:31,310 --> 00:18:28,559

and I what I'd like to ask you either um

465

00:18:34,520 --> 00:18:31,320

in terms of like filming for this thing

466

00:18:36,080 --> 00:18:34,530

for anonymous state I'm sure it'll sort

467

00:18:38,299 --> 00:18:36,090

of be the same for alien highway but

468

00:18:40,610 --> 00:18:38,309

what is it like trying to investigate

469

00:18:42,530 --> 00:18:40,620

while there's like constantly cameras on

470

00:18:43,520 --> 00:18:42,540

you and like that you're in the middle

471

00:18:45,710 --> 00:18:43,530

of something and they have to be like

472

00:18:48,289 --> 00:18:45,720

okay we have to like go over and get

473

00:18:50,480 --> 00:18:48,299

this angle like is it a challenge trying

474

00:18:53,120 --> 00:18:50,490

to do this stuff for television it

475

00:18:54,980 --> 00:18:53,130

definitely is I mean there are so many

476
00:18:56,780 --> 00:18:54,990
moments where it's like can you just do

477
00:18:59,150 --> 00:18:56,790
that one more time our camera didn't

478
00:19:01,159 --> 00:18:59,160
catch you picking that up so yeah it's

479
00:19:03,409 --> 00:19:01,169
it's bizarre and I know beginning with

480
00:19:05,030 --> 00:19:03,419
Paranormal State it was really hard to

481
00:19:06,770 --> 00:19:05,040
get used to the cameras at first because

482
00:19:08,360 --> 00:19:06,780
they are so big and they're just

483
00:19:10,159 --> 00:19:08,370
constantly falling her down but after

484
00:19:12,860 --> 00:19:10,169
the first couple episodes I kind of got

485
00:19:16,039 --> 00:19:12,870
used to it in a way where you you learn

486
00:19:17,600 --> 00:19:16,049
where to stand and and to know when to

487
00:19:20,120 --> 00:19:17,610
say something you know it just kind of

488
00:19:21,740 --> 00:19:20,130

like came naturally then after after a

489

00:19:23,830 --> 00:19:21,750

while but there's definitely time

490

00:19:27,110 --> 00:19:23,840

constraints I mean with house

491

00:19:28,280 --> 00:19:27,120

investigations you know you're there and

492

00:19:30,049 --> 00:19:28,290

you're spending more time with the

493

00:19:31,280 --> 00:19:30,059

people and you know the first a lot of

494

00:19:32,600 --> 00:19:31,290

people don't know this but the first and

495

00:19:34,730 --> 00:19:32,610

second season a paranoid state we

496

00:19:37,580 --> 00:19:34,740

basically stayed the night in these

497

00:19:39,289 --> 00:19:37,590

people's homes like it wasn't until like

498

00:19:41,180 --> 00:19:39,299

maybe later in the second season or it

499

00:19:42,680 --> 00:19:41,190

they just put us in hotel but we were

500

00:19:44,990 --> 00:19:42,690

spending a lot more time with them and

501
00:19:47,780 --> 00:19:45,000
we had cameras on this but a lot of the

502
00:19:50,060 --> 00:19:47,790
times we just we filmed so much that you

503
00:19:51,500 --> 00:19:50,070
couldn't fit into the actual series and

504
00:19:52,700 --> 00:19:51,510
then there were other times where we you

505
00:19:54,110 --> 00:19:52,710
know there is a moment where it's like

506
00:19:56,299 --> 00:19:54,120
we have to go to the next thing it's

507
00:19:58,940 --> 00:19:56,309
like how can we just have like more time

508
00:19:59,480 --> 00:19:58,950
to do this those were definitely things

509
00:20:00,889 --> 00:19:59,490
we were in

510
00:20:02,240 --> 00:20:00,899
and also I mean you have to have a lot

511
00:20:04,549 --> 00:20:02,250
of patience working in this field which

512
00:20:07,700 --> 00:20:04,559
you probably know oh yeah there's a lot

513
00:20:09,830 --> 00:20:07,710

of waiting around yeah yeah that's what

514

00:20:11,930 --> 00:20:09,840

doesn't make it on camera obviously you

515

00:20:13,730 --> 00:20:11,940

know everybody says like oh we're seeing

516

00:20:15,620 --> 00:20:13,740

the edited version this stuff probably

517

00:20:19,370 --> 00:20:15,630

happened over like the span of a week or

518

00:20:23,269 --> 00:20:19,380

yes yeah yeah paranormal investigating

519

00:20:25,310 --> 00:20:23,279

and UFO hunting or sky watching it can

520

00:20:27,529 --> 00:20:25,320

get a little boring little mundane

521

00:20:29,720 --> 00:20:27,539

sometimes but then you just wait for

522

00:20:32,899 --> 00:20:29,730

those moments of like it's like a

523

00:20:35,230 --> 00:20:32,909

baseball game you know three hours long

524

00:20:37,399 --> 00:20:35,240

nobody's doing anything and then a

525

00:20:40,250 --> 00:20:37,409

second something happens and you're like

526

00:20:42,019 --> 00:20:40,260

oh my god I missed it yeah those moments

527

00:20:43,340 --> 00:20:42,029

are the best that's and that's why I got

528

00:20:44,600 --> 00:20:43,350

into all this because the the thrill of

529

00:20:46,970 --> 00:20:44,610

when something happens you're just like

530

00:20:48,680 --> 00:20:46,980

what what did I just see like that's my

531

00:20:50,810 --> 00:20:48,690

favorite I know and I feel like the

532

00:20:52,850 --> 00:20:50,820

phenomenon sort of does that it's very

533

00:20:55,100 --> 00:20:52,860

trickster ish it's like I'm gonna make

534

00:20:57,139 --> 00:20:55,110

them just wait around for like four

535

00:20:59,360 --> 00:20:57,149

hours and then I'm gonna just move this

536

00:21:01,519 --> 00:20:59,370

pencil a little bit off the table you

537

00:21:03,680 --> 00:21:01,529

know yeah yeah you never know what the

538

00:21:06,320 --> 00:21:03,690

heck is gonna happen you never know yeah

539

00:21:10,399 --> 00:21:06,330

well moving away from paranormal State

540

00:21:12,289 --> 00:21:10,409

now we have alien highway this is crazy

541

00:21:13,669 --> 00:21:12,299

so I had been Mezrich on my show

542

00:21:16,039 --> 00:21:13,679

probably when I first started the

543

00:21:19,269 --> 00:21:16,049

podcast and many people know him from

544

00:21:22,159 --> 00:21:19,279

the 37th parallel the book jihad on

545

00:21:24,230 --> 00:21:22,169

Chuck the guy that you're doing this

546

00:21:27,019 --> 00:21:24,240

show with so can you tell us a little

547

00:21:29,000 --> 00:21:27,029

about who is on your investigation team

548

00:21:30,200 --> 00:21:29,010

for this new show alien highway and

549

00:21:33,200 --> 00:21:30,210

maybe a little about how this

550

00:21:38,269 --> 00:21:33,210

opportunity came about yeah of course so

551
00:21:39,980 --> 00:21:38,279
Chuck Zukowski he is so he worked in law

552
00:21:43,310 --> 00:21:39,990
enforcement he was a deputy sheriff but

553
00:21:45,289 --> 00:21:43,320
his real passion is he's dedicated a

554
00:21:48,830 --> 00:21:45,299
huge chunk of his life to investigating

555
00:21:50,600 --> 00:21:48,840
UFOs animal mutilations Bigfoot he

556
00:21:53,210 --> 00:21:50,610
basically would go on these vacations

557
00:21:55,430 --> 00:21:53,220
with his families and and they would

558
00:21:57,139 --> 00:21:55,440
always have to stop somewhere like that

559
00:21:59,000 --> 00:21:57,149
their family vacations basically return

560
00:22:01,519 --> 00:21:59,010
into we're going to Roswell we're doing

561
00:22:04,130 --> 00:22:01,529
here so if you were just drag his family

562
00:22:07,730 --> 00:22:04,140
to these places but he is so passionate

563
00:22:09,649 --> 00:22:07,740

about all of this and really his his law

564

00:22:11,000 --> 00:22:09,659

his background in law enforcement

565

00:22:12,980 --> 00:22:11,010

his investigating skills like he has a

566

00:22:14,360 --> 00:22:12,990

huge attention to detail

567

00:22:16,430 --> 00:22:14,370

you know he saw that there was a huge

568

00:22:18,560 --> 00:22:16,440

lack of scientific expertise in this

569

00:22:20,360 --> 00:22:18,570

field and I don't know I was just really

570

00:22:23,419 --> 00:22:20,370

impressed by his his knowledge of

571

00:22:25,310 --> 00:22:23,429

everything and when that when I got

572

00:22:27,950 --> 00:22:25,320

first got told about that I'd be working

573

00:22:30,740 --> 00:22:27,960

with him I had read an article somewhere

574

00:22:32,750 --> 00:22:30,750

about a cattle cattle mutilation that he

575

00:22:35,240 --> 00:22:32,760

had investigated and and he referred to

576

00:22:36,770 --> 00:22:35,250

himself as the UFO nut so I kind of

577

00:22:40,160 --> 00:22:36,780

didn't know what to expect going into

578

00:22:42,650 --> 00:22:40,170

this but I was I was really impressed by

579

00:22:44,540 --> 00:22:42,660

his investigation skills and his

580

00:22:47,390 --> 00:22:44,550

excitement and passion for the subject

581

00:22:49,100 --> 00:22:47,400

yeah and like you see you mentioned you

582

00:22:50,720 --> 00:22:49,110

know he would drag his son along on

583

00:22:53,150 --> 00:22:50,730

these zones uh-huh you know there's

584

00:22:55,850 --> 00:22:53,160

getaways and now he's on television with

585

00:22:57,680 --> 00:22:55,860

him so what is what is a son make of all

586

00:23:00,770 --> 00:22:57,690

this I'm sure you guys had plenty of

587

00:23:03,680 --> 00:23:00,780

conversations off camera yes so his son

588

00:23:05,900 --> 00:23:03,690

he he's really supportive of his dad

589

00:23:07,760 --> 00:23:05,910

he's supportive of his dad and his quest

590

00:23:10,370 --> 00:23:07,770

for these answers but at the same time

591

00:23:11,960 --> 00:23:10,380

he makes fun of his dad for doing this

592

00:23:13,160 --> 00:23:11,970

like oh we're gonna go here you want to

593

00:23:15,770 --> 00:23:13,170

do this so he kind of thinks his dad is

594

00:23:19,190 --> 00:23:15,780

crazy in a way but he's fully supportive

595

00:23:21,140 --> 00:23:19,200

of them and he Dan is also very

596

00:23:24,049 --> 00:23:21,150

skeptical when it comes to a lot of this

597

00:23:25,310 --> 00:23:24,059

when something happens he's always you

598

00:23:27,799 --> 00:23:25,320

know looking for a natural explanation

599

00:23:30,560 --> 00:23:27,809

which I think all three of us are like

600

00:23:31,610 --> 00:23:30,570

that in a way I know when I go on

601
00:23:33,470 --> 00:23:31,620
investigations I'd like to have that

602
00:23:36,110 --> 00:23:33,480
equal balance of belief and skepticism

603
00:23:38,540 --> 00:23:36,120
but yeah and Dan also currently works in

604
00:23:40,460 --> 00:23:38,550
law enforcement so he has those solid

605
00:23:43,310 --> 00:23:40,470
interviewing skills investigating skills

606
00:23:45,140 --> 00:23:43,320
I think that really helps absalom it

607
00:23:47,299 --> 00:23:45,150
helps yeah and I think it's refreshing

608
00:23:50,660 --> 00:23:47,309
to at least from the first two episodes

609
00:23:54,680 --> 00:23:50,670
I've seen is you all are you know

610
00:23:57,200 --> 00:23:54,690
skeptical believers or you know to a

611
00:23:59,570 --> 00:23:57,210
point where it's not one of these shows

612
00:24:01,940 --> 00:23:59,580
where you have the molder and you have

613
00:24:04,549 --> 00:24:01,950

the Scully you know yeah believer and

614

00:24:06,710 --> 00:24:04,559

skeptic let's you know let's hash it out

615

00:24:08,600 --> 00:24:06,720

it's it's so refreshing to see a show

616

00:24:11,210 --> 00:24:08,610

where all three of you are just trying

617

00:24:13,640 --> 00:24:11,220

to find the truth if it's not yeah let's

618

00:24:16,340 --> 00:24:13,650

prove aliens are real let's prove you

619

00:24:18,680 --> 00:24:16,350

know that the skinwalker is is there

620

00:24:21,200 --> 00:24:18,690

it's it's okay let's look at the

621

00:24:23,240 --> 00:24:21,210

evidence and let's see what comes out of

622

00:24:25,710 --> 00:24:23,250

it no matter what the answer might be so

623

00:24:29,100 --> 00:24:25,720

yep that's super refreshing

624

00:24:30,960 --> 00:24:29,110

well being that you you deal you're sort

625

00:24:32,549 --> 00:24:30,970

of dealing with different phenomena than

626

00:24:36,149 --> 00:24:32,559

you did on paranormal state

627

00:24:38,190 --> 00:24:36,159

maybe Who am I to say but how did you

628

00:24:40,590 --> 00:24:38,200

adapt or sort of bring your experience

629

00:24:44,480 --> 00:24:40,600

from that paranormal investigation into

630

00:24:47,760 --> 00:24:44,490

doing this new sort of UFO oriented show

631

00:24:50,250 --> 00:24:47,770

um I think at first it was a little

632

00:24:52,409 --> 00:24:50,260

tough because I don't really consider

633

00:24:54,029 --> 00:24:52,419

myself a UF ologists at all I've it's

634

00:24:56,430 --> 00:24:54,039

just something I've always had an

635

00:24:58,590 --> 00:24:56,440

interest in and I've always known I've

636

00:25:00,330 --> 00:24:58,600

always known about it but knowing that I

637

00:25:02,460 --> 00:25:00,340

was doing the show I started doing a lot

638

00:25:04,740 --> 00:25:02,470

more research that I was prepared but

639

00:25:05,970 --> 00:25:04,750

I'd say I definitely brought my

640

00:25:07,130 --> 00:25:05,980

investigation skills because I'm

641

00:25:09,360 --> 00:25:07,140

paranormal State there were so many

642

00:25:12,149 --> 00:25:09,370

different cases where you really had to

643

00:25:14,820 --> 00:25:12,159

do deep investigating like you had to go

644

00:25:17,340 --> 00:25:14,830

out of your way to you know do so much

645

00:25:19,529 --> 00:25:17,350

research so I think that already having

646

00:25:21,330 --> 00:25:19,539

that and having a good read of people

647

00:25:24,000 --> 00:25:21,340

when you're interviewing them I think

648

00:25:25,049 --> 00:25:24,010

that that's that's really helped and I

649

00:25:27,600 --> 00:25:25,059

know I'm paranormal State we

650

00:25:31,320 --> 00:25:27,610

investigated so many different types of

651
00:25:33,480 --> 00:25:31,330
cases so I think that it I'm pretty

652
00:25:35,340 --> 00:25:33,490
well-rounded when it comes to it I think

653
00:25:37,500 --> 00:25:35,350
that that really helped me you know

654
00:25:40,380 --> 00:25:37,510
transition into this absolutely this

655
00:25:42,000 --> 00:25:40,390
show yeah and like I said I I saw the

656
00:25:44,310 --> 00:25:42,010
first two episodes of the show and there

657
00:25:47,669 --> 00:25:44,320
they most definitely did not disappoint

658
00:25:49,200 --> 00:25:47,679
I know right yeah your season opener it

659
00:25:51,600 --> 00:25:49,210
brought you somewhere that a lot of us

660
00:25:53,580 --> 00:25:51,610
are familiar with for but for those who

661
00:25:56,460 --> 00:25:53,590
may not be could you maybe give us a

662
00:25:58,889 --> 00:25:56,470
little I guess refresher course about

663
00:26:02,580 --> 00:25:58,899

what's where and what skinwalker ranch

664

00:26:05,070 --> 00:26:02,590

is of course the skinwalker ranch is

665

00:26:08,279 --> 00:26:05,080

it's basically regarded as one of the

666

00:26:10,850 --> 00:26:08,289

weirdest hotspots for everything from

667

00:26:16,200 --> 00:26:10,860

UFO sightings to unusual activity

668

00:26:19,860 --> 00:26:16,210

poltergeist activity monsters giant wolf

669

00:26:22,169 --> 00:26:19,870

creatures so it's it's very varied in

670

00:26:23,850 --> 00:26:22,179

terms of all the weird things have

671

00:26:26,279 --> 00:26:23,860

happened there in it and this stuff

672

00:26:29,519 --> 00:26:26,289

predates the ranch it's it's this whole

673

00:26:31,950 --> 00:26:29,529

area of the Uintah Basin and but it's

674

00:26:34,950 --> 00:26:31,960

said that there is a portal near this

675

00:26:37,110 --> 00:26:34,960

ranch or in this area and and it all

676
00:26:38,540 --> 00:26:37,120
goes back to a curse put on by the

677
00:26:42,550 --> 00:26:38,550
Navajo Navajo

678
00:26:44,990 --> 00:26:42,560
where you know this this ranch is

679
00:26:47,420 --> 00:26:45,000
supposedly in the path of the skinwalker

680
00:26:49,700 --> 00:26:47,430
and what didn't make the episode is we

681
00:26:52,490 --> 00:26:49,710
interviewed a Native American elder

682
00:26:54,890 --> 00:26:52,500
about an experience they had had and

683
00:26:56,450 --> 00:26:54,900
they're very they won't talk about the

684
00:26:57,980 --> 00:26:56,460
skinwalker ranch they won't talk about

685
00:26:59,990 --> 00:26:57,990
skinwalkers at all so it's a really

686
00:27:02,110 --> 00:27:00,000
taboo thing which is really fascinating

687
00:27:04,310 --> 00:27:02,120
but yeah I mean this place

688
00:27:06,620 --> 00:27:04,320

you know ranchers had lived there and

689

00:27:08,360 --> 00:27:06,630

had really bizarre experiences and and

690

00:27:10,040 --> 00:27:08,370

we all know about Robert Bigelow buying

691

00:27:13,160 --> 00:27:10,050

it and using it as like a living

692

00:27:15,890 --> 00:27:13,170

laboratory so it's just a bizarre place

693

00:27:18,110 --> 00:27:15,900

and I was super excited to just be you

694

00:27:20,270 --> 00:27:18,120

know in that area because I know it's

695

00:27:23,030 --> 00:27:20,280

not just the ranch it's all around that

696

00:27:25,400 --> 00:27:23,040

area has a unique history absolutely I

697

00:27:27,680 --> 00:27:25,410

mean it's like a dream come true for and

698

00:27:29,660 --> 00:27:27,690

he's out there her into this stuff it's

699

00:27:32,450 --> 00:27:29,670

got everything you need cryptids ghosts

700

00:27:35,140 --> 00:27:32,460

aliens yeah it's crazy well what was

701
00:27:38,840 --> 00:27:35,150
like you guys you really did get some

702
00:27:41,150 --> 00:27:38,850
solid evidence that's what really

703
00:27:43,460 --> 00:27:41,160
impressed me and I'm so happy that they

704
00:27:45,920 --> 00:27:43,470
started like the premiere episode was

705
00:27:48,020 --> 00:27:45,930
this because it yeah like there is stuff

706
00:27:51,380 --> 00:27:48,030
we can actually analyze it's not just

707
00:27:53,480 --> 00:27:51,390
safaris what stood out to you most while

708
00:27:57,380 --> 00:27:53,490
you were there about just whoa this

709
00:28:00,980 --> 00:27:57,390
place is definitely batshit weird I mean

710
00:28:03,080 --> 00:28:00,990
when you talk to the locals and talk to

711
00:28:04,430 --> 00:28:03,090
everybody I mean we well I mean a lot of

712
00:28:06,230 --> 00:28:04,440
stuff again to make the episode but we

713
00:28:07,880 --> 00:28:06,240

talked to someone that lived close to

714

00:28:09,260 --> 00:28:07,890

the ranch net yeah we have experiences

715

00:28:11,660 --> 00:28:09,270

but we're not going on camera you know

716

00:28:13,220 --> 00:28:11,670

I'm trying to write like a book and it's

717

00:28:15,260 --> 00:28:13,230

just hearing about what everybody knows

718

00:28:16,670 --> 00:28:15,270

that has lived in that area for a long

719

00:28:19,580 --> 00:28:16,680

time and what they've heard from you

720

00:28:22,610 --> 00:28:19,590

know their ancestors but to me that

721

00:28:24,980 --> 00:28:22,620

video that we captured of the wolf I

722

00:28:27,020 --> 00:28:24,990

mean it looked it didn't look like to me

723

00:28:28,190 --> 00:28:27,030

it was a coyote I mean what do you think

724

00:28:31,970 --> 00:28:28,200

about that like what's your thought on

725

00:28:34,220 --> 00:28:31,980

that it was massive yeah exactly

726

00:28:36,110 --> 00:28:34,230

I and it was really cool to see again

727

00:28:40,070 --> 00:28:36,120

that you guys you went out of your way

728

00:28:42,430 --> 00:28:40,080

to like show these things you know you

729

00:28:44,720 --> 00:28:42,440

went you put the cameras you have like

730

00:28:46,400 --> 00:28:44,730

cameras out there that captured this

731

00:28:47,960 --> 00:28:46,410

wolf and then you put the camera out

732

00:28:50,360 --> 00:28:47,970

there during the day and got the same

733

00:28:53,420 --> 00:28:50,370

exact angle and all that

734

00:28:55,370 --> 00:28:53,430

it's like a mathematicians dream you're

735

00:28:57,500 --> 00:28:55,380

you're looking at the height of where it

736

00:28:59,810 --> 00:28:57,510

would have been how tall the Bourbon

737

00:29:02,630 --> 00:28:59,820

that was really cool again these are

738

00:29:04,310 --> 00:29:02,640

things that the people at home wouldn't

739

00:29:07,070 --> 00:29:04,320

realize they would just see oh it's a

740

00:29:10,400 --> 00:29:07,080

stray dog that somehow got on the ranch

741

00:29:12,020 --> 00:29:10,410

but know whatever it was it had to have

742

00:29:14,570 --> 00:29:12,030

been huge and then it appeared out of

743

00:29:17,060 --> 00:29:14,580

nowhere I know that's the thing I cannot

744

00:29:18,770 --> 00:29:17,070

explain because we got the trap cam and

745

00:29:21,440 --> 00:29:18,780

we need it immediately saw that it got

746

00:29:24,350 --> 00:29:21,450

hit so immediately analyzed it and while

747

00:29:25,790 --> 00:29:24,360

analyzing it you you could see the cars

748

00:29:27,920 --> 00:29:25,800

coming around the turn and I wish that

749

00:29:29,450 --> 00:29:27,930

they would have put more of this footage

750

00:29:31,430 --> 00:29:29,460

in the episode but you could see where

751
00:29:33,110 --> 00:29:31,440
the sensor would trigger and where each

752
00:29:35,600 --> 00:29:33,120
time the exact same spot

753
00:29:38,120 --> 00:29:35,610
the cars headlights would go through you

754
00:29:39,560 --> 00:29:38,130
could see the cars passing and I know on

755
00:29:42,050 --> 00:29:39,570
the episode they showed one of the gas

756
00:29:43,670 --> 00:29:42,060
tankers trucks coming through and you

757
00:29:46,250 --> 00:29:43,680
can see where the sensor triggers it and

758
00:29:49,400 --> 00:29:46,260
where would show on camera this creature

759
00:29:51,770 --> 00:29:49,410
just it just appeared like it out of

760
00:29:54,230 --> 00:29:51,780
nowhere no sense I it did it I still

761
00:29:56,540 --> 00:29:54,240
have no idea how to explain that yeah

762
00:29:58,850 --> 00:29:56,550
for anyone who hasn't seen the first

763
00:30:02,090 --> 00:29:58,860

episode definitely check it out that

764

00:30:05,720 --> 00:30:02,100

moment of when this wolf-like creature

765

00:30:07,610 --> 00:30:05,730

appears literally out of thin air like

766

00:30:10,970 --> 00:30:07,620

some sort of I don't know portal

767

00:30:13,310 --> 00:30:10,980

something it really really caught me

768

00:30:14,690 --> 00:30:13,320

off-guard I was not expecting that so I

769

00:30:17,360 --> 00:30:14,700

can't imagine what it must have been

770

00:30:19,250 --> 00:30:17,370

like actually being there yeah and you

771

00:30:20,660 --> 00:30:19,260

know we we looked around we explored to

772

00:30:22,640 --> 00:30:20,670

see if we could see tracks now it had

773

00:30:23,990 --> 00:30:22,650

snowed again because it was super cold

774

00:30:26,090 --> 00:30:24,000

just knowing like the whole time we were

775

00:30:28,040 --> 00:30:26,100

in Utah but I mean we didn't see

776

00:30:30,500 --> 00:30:28,050

anything unusual and around there there

777

00:30:33,440 --> 00:30:30,510

were a couple neighbors really spread

778

00:30:35,510 --> 00:30:33,450

out that had ranches and you know you we

779

00:30:37,160 --> 00:30:35,520

spent some time in the daytime going

780

00:30:39,920 --> 00:30:37,170

around to try to see if we could see any

781

00:30:43,400 --> 00:30:39,930

dogs but I mean nothing looked like what

782

00:30:45,050 --> 00:30:43,410

we saw in the video yeah yeah that was

783

00:30:47,120 --> 00:30:45,060

enough for me to be like wow yes

784

00:30:48,920 --> 00:30:47,130

something's going on here but yeah there

785

00:30:50,420 --> 00:30:48,930

was one other thing and again I don't

786

00:30:53,300 --> 00:30:50,430

want to give away too much for those who

787

00:30:56,180 --> 00:30:53,310

haven't seen it but this beam of light

788

00:30:58,520 --> 00:30:56,190

oh my gosh eared over the entire ranch

789

00:31:01,280 --> 00:30:58,530

that was terrifying what the hell was

790

00:31:02,660 --> 00:31:01,290

going on there yeah so right over that

791

00:31:04,100 --> 00:31:02,670

hill and this happened

792

00:31:07,010 --> 00:31:04,110

probably about three

793

00:31:09,020 --> 00:31:07,020

and we had been out there for hours I

794

00:31:11,090 --> 00:31:09,030

was doing that animal caller thing and

795

00:31:13,280 --> 00:31:11,100

we were we were just in there we were

796

00:31:16,130 --> 00:31:13,290

there for hours and it was really crazy

797

00:31:18,380 --> 00:31:16,140

because the way that it pulsated and

798

00:31:19,910 --> 00:31:18,390

right over the first Ridge where where

799

00:31:21,770 --> 00:31:19,920

Dan was there was a second Ridge and

800

00:31:24,500 --> 00:31:21,780

then over that I mean that was that was

801

00:31:26,900 --> 00:31:24,510

skinwalker ranch so the way that it

802

00:31:29,720 --> 00:31:26,910

pulsated and the timing of it was really

803

00:31:31,760 --> 00:31:29,730

unique and Dan was right up against and

804

00:31:34,460 --> 00:31:31,770

he couldn't he had no idea what it was

805

00:31:35,750 --> 00:31:34,470

and my thing is it like I said we knew

806

00:31:37,880 --> 00:31:35,760

what was on the other side of the ridge

807

00:31:39,770 --> 00:31:37,890

and another thing that didn't make of

808

00:31:43,220 --> 00:31:39,780

the episode is we went on this really

809

00:31:46,040 --> 00:31:43,230

long hike on this one mountain that was

810

00:31:47,900 --> 00:31:46,050

kind of on the other side of skinwalker

811

00:31:49,940 --> 00:31:47,910

we went with the local animal tracker

812

00:31:52,430 --> 00:31:49,950

that had land around there and really

813

00:31:54,230 --> 00:31:52,440

knew the area and our our goal is to

814

00:31:56,630 --> 00:31:54,240

kind of look for wildlife tracks to see

815

00:31:58,610 --> 00:31:56,640

like do oles inhabit this area you know

816

00:32:00,050 --> 00:31:58,620

what kind of animals are around here and

817

00:32:03,800 --> 00:32:00,060

just to see if we saw anything unusual

818

00:32:05,720 --> 00:32:03,810

and so we were hiking this really really

819

00:32:08,630 --> 00:32:05,730

steep mountain and we came up against a

820

00:32:10,700 --> 00:32:08,640

barbed wire fence that basically that

821

00:32:12,950 --> 00:32:10,710

was skinwalker ranch so we didn't cross

822

00:32:16,280 --> 00:32:12,960

it or anything but way way off in the

823

00:32:18,620 --> 00:32:16,290

distance you could see flames in the sky

824

00:32:20,990 --> 00:32:18,630

which was from when they I guess they

825

00:32:23,240 --> 00:32:21,000

burn oil there there that whole area in

826

00:32:24,800 --> 00:32:23,250

the Un sub-basin there's oil I don't

827

00:32:26,510 --> 00:32:24,810

know if it's like an oil refinery I

828

00:32:28,010 --> 00:32:26,520

don't really know much about that kind

829

00:32:29,930 --> 00:32:28,020

of stuff but there's constant you and

830

00:32:32,330 --> 00:32:29,940

the traffic you see constant oil tankers

831

00:32:34,700 --> 00:32:32,340

going way back beyond the ranch in the

832

00:32:36,920 --> 00:32:34,710

distance pretty far and when we were out

833

00:32:39,440 --> 00:32:36,930

there you could see a flame and you

834

00:32:41,780 --> 00:32:39,450

could see what I would describe it as as

835

00:32:43,850 --> 00:32:41,790

lightning and it was kind of an orange

836

00:32:45,560 --> 00:32:43,860

glow but it was completely different

837

00:32:48,440 --> 00:32:45,570

from what we saw when we were in the

838

00:32:50,720 --> 00:32:48,450

cemetery okay so I kind of attributed to

839

00:32:52,460 --> 00:32:50,730

it was it that but then when it happened

840

00:32:52,760 --> 00:32:52,470

I was like this wasn't anything like

841

00:32:56,630 --> 00:32:52,770

that

842

00:32:59,920 --> 00:32:56,640

stuff was way way off in the distance

843

00:33:03,380 --> 00:32:59,930

and this was like right beyond the ridge

844

00:33:05,950 --> 00:33:03,390

yeah that one will probably remain a

845

00:33:08,330 --> 00:33:05,960

mystery but again like it's crazy that

846

00:33:10,250 --> 00:33:08,340

you know with a lot of these shows you

847

00:33:12,530 --> 00:33:10,260

end up going somewhere and nothing

848

00:33:13,730 --> 00:33:12,540

happens and this huh that's the reality

849

00:33:16,580 --> 00:33:13,740

of it that's why it's you know

850

00:33:17,420 --> 00:33:16,590

quote-unquote reality television you

851
00:33:19,790 --> 00:33:17,430
guys seemed

852
00:33:23,210 --> 00:33:19,800
just like have dropped in right at the

853
00:33:25,130 --> 00:33:23,220
right moment it just yeah I mean I I

854
00:33:26,780 --> 00:33:25,140
didn't you know I I kind of always go

855
00:33:28,100 --> 00:33:26,790
into these thinking you know I don't

856
00:33:29,510 --> 00:33:28,110
expect to get anything I'm just like

857
00:33:31,370 --> 00:33:29,520
something happens it happens but I

858
00:33:33,380 --> 00:33:31,380
didn't definitely didn't expect to get

859
00:33:36,050 --> 00:33:33,390
that the video the wolf or whatever that

860
00:33:37,670 --> 00:33:36,060
thing was and the light like it was it

861
00:33:39,620 --> 00:33:37,680
was action-packed it was it was great

862
00:33:42,080 --> 00:33:39,630
that was one of the most memorable ones

863
00:33:43,520 --> 00:33:42,090

and that was one we filmed kind of we

864

00:33:46,340 --> 00:33:43,530

found that one in February getting of

865

00:33:47,900 --> 00:33:46,350

February yeah yeah a lot of people don't

866

00:33:50,270 --> 00:33:47,910

know like these things are filmed out of

867

00:33:52,910 --> 00:33:50,280

sequence so like oh yeah yeah you might

868

00:33:54,980 --> 00:33:52,920

have shot that like months after going

869

00:33:57,770 --> 00:33:54,990

to Roswell or going somewhere else but

870

00:33:59,000 --> 00:33:57,780

it ends up being the first episode so it

871

00:34:02,000 --> 00:33:59,010

definitely makes me want to go back

872

00:34:04,160 --> 00:34:02,010

because I just feel like if I could just

873

00:34:05,810 --> 00:34:04,170

go and I wish we could just camp there

874

00:34:07,120 --> 00:34:05,820

you know what I mean camp near there and

875

00:34:09,260 --> 00:34:07,130

just see what we find

876

00:34:11,060 --> 00:34:09,270

absolutely like being there for a

877

00:34:13,010 --> 00:34:11,070

prolonged amount of time I can't imagine

878

00:34:15,830 --> 00:34:13,020

and we know that like groups of

879

00:34:18,170 --> 00:34:15,840

scientists were on the ranch for months

880

00:34:19,970 --> 00:34:18,180

on end yeah studying this paranormal

881

00:34:22,730 --> 00:34:19,980

stuff and a lot of the things they've

882

00:34:24,980 --> 00:34:22,740

brought forward are sort of things you

883

00:34:27,470 --> 00:34:24,990

guys came across so something is

884

00:34:30,790 --> 00:34:27,480

definitely going on it's skin wash yes I

885

00:34:33,830 --> 00:34:30,800

agree I agree oh well the second episode

886

00:34:36,920 --> 00:34:33,840

this one was near and dear to my heart

887

00:34:39,020 --> 00:34:36,930

Roswell New Mexico I this is you know

888

00:34:42,260 --> 00:34:39,030

what gets all of us who follow Just's

889

00:34:44,570 --> 00:34:42,270

into this the shadow case of ufology

890

00:34:46,640 --> 00:34:44,580

but you guys sort of took a new avenue

891

00:34:49,700 --> 00:34:46,650

with the case and it was trying to track

892

00:34:52,130 --> 00:34:49,710

down a possible cave where some of the

893

00:34:54,710 --> 00:34:52,140

wreckage from the crash was hidden this

894

00:34:56,720 --> 00:34:54,720

was really interesting so were you

895

00:35:00,020 --> 00:34:56,730

familiar with the Roseville case before

896

00:35:01,910 --> 00:35:00,030

this and what we know you have yeah yeah

897

00:35:03,890 --> 00:35:01,920

I mean I had read crash at Corona I like

898

00:35:06,590 --> 00:35:03,900

I yeah I was pretty familiar with it

899

00:35:09,400 --> 00:35:06,600

yeah so Chuck and one of the producers

900

00:35:12,740 --> 00:35:09,410

they they both have different contacts

901
00:35:15,560 --> 00:35:12,750
through the government and so for this

902
00:35:18,680 --> 00:35:15,570
episode this federal informant gave

903
00:35:21,710 --> 00:35:18,690
Chuck this map that was supposedly drawn

904
00:35:24,170 --> 00:35:21,720
by the rancher who or whoever it was

905
00:35:25,760 --> 00:35:24,180
that that hid the debris mm-hmm and you

906
00:35:27,770 --> 00:35:25,770
know you hear all these stories about

907
00:35:29,810 --> 00:35:27,780
it's hidden in a cave there's still an

908
00:35:31,310 --> 00:35:29,820
alien somewhere you know see it's hard

909
00:35:33,350 --> 00:35:31,320
to know what to believe but

910
00:35:35,900 --> 00:35:33,360
this map was was pretty accurate so we

911
00:35:37,610 --> 00:35:35,910
went out and we first of all let's talk

912
00:35:40,490 --> 00:35:37,620
about how we talked to Sandy Proctor

913
00:35:42,620 --> 00:35:40,500

because that was incredible for me I was

914

00:35:44,690 --> 00:35:42,630

super excited to be able to interview

915

00:35:47,090 --> 00:35:44,700

him and for those community that don't

916

00:35:49,160 --> 00:35:47,100

know sandy Proctor is the brother of Dee

917

00:35:51,680 --> 00:35:49,170

who was with Mac when he found the

918

00:35:53,090 --> 00:35:51,690

debris on the right so yeah so it was

919

00:35:55,190 --> 00:35:53,100

really nursing to talk to him because

920

00:35:58,250 --> 00:35:55,200

you hear all these rumors that the

921

00:36:00,830 --> 00:35:58,260

Proctor's had a piece of the debris and

922

00:36:02,300 --> 00:36:00,840

he flat-out you know Chuck Chuck was of

923

00:36:03,890 --> 00:36:02,310

course gonna ask that question in me and

924

00:36:05,900 --> 00:36:03,900

Sandy came around I won't be like no

925

00:36:08,180 --> 00:36:05,910

those people are idiots like we don't

926

00:36:12,020 --> 00:36:08,190

have we don't have any of the debris you

927

00:36:14,270 --> 00:36:12,030

know and Sandy talked about how you know

928

00:36:15,890 --> 00:36:14,280

Dee was young and he he wasn't even

929

00:36:18,170 --> 00:36:15,900

interested in their wreckage like he

930

00:36:19,820 --> 00:36:18,180

couldn't really talk about it because

931

00:36:21,560 --> 00:36:19,830

you know when you grow up on these

932

00:36:23,600 --> 00:36:21,570

ranches you just see piles of stuff so

933

00:36:26,410 --> 00:36:23,610

it kind of wasn't a big deal to him as a

934

00:36:30,050 --> 00:36:26,420

young boy but it's completely like

935

00:36:32,840 --> 00:36:30,060

plausible to think if this miss debris

936

00:36:34,610 --> 00:36:32,850

was on a ranch for it was like a couple

937

00:36:37,490 --> 00:36:34,620

days before the government came correct

938

00:36:39,680 --> 00:36:37,500

yeah yeah so it's completely you know

939

00:36:41,180 --> 00:36:39,690

logical to think that maybe you know

940

00:36:42,830 --> 00:36:41,190

people in the town knew about this maybe

941

00:36:44,170 --> 00:36:42,840

a little kid or someone came and took

942

00:36:46,220 --> 00:36:44,180

some of the debris and hid it saw her

943

00:36:49,220 --> 00:36:46,230

like I think that that's completely

944

00:36:51,440 --> 00:36:49,230

totally believable yeah yeah so we

945

00:36:53,720 --> 00:36:51,450

talked to Don Schmitt and he he told us

946

00:36:57,920 --> 00:36:53,730

that the richard richards ranch which is

947

00:36:59,950 --> 00:36:57,930

adjacent to or adjoining to you know the

948

00:37:02,690 --> 00:36:59,960

proctor ranch where the debris was found

949

00:37:05,300 --> 00:37:02,700

they think that he still stole the

950

00:37:07,070 --> 00:37:05,310

debris so we talked to somebody in the

951
00:37:08,360 --> 00:37:07,080
family that didn't you know want to be

952
00:37:11,420 --> 00:37:08,370
named didn't want to be seen on camera

953
00:37:14,930 --> 00:37:11,430
and he basically we went to his house

954
00:37:16,520 --> 00:37:14,940
and he said told us where he thought the

955
00:37:17,660 --> 00:37:16,530
cave was where you know this had been

956
00:37:20,630 --> 00:37:17,670
and his family and people knew about

957
00:37:23,000 --> 00:37:20,640
this and he told us where he thought the

958
00:37:24,620 --> 00:37:23,010
cave was after you know prior we had

959
00:37:26,510 --> 00:37:24,630
been looking and we were kind of

960
00:37:27,680 --> 00:37:26,520
distracted and thought we had seen two

961
00:37:29,780 --> 00:37:27,690
different caves that ended up being

962
00:37:32,840 --> 00:37:29,790
nothing but yeah I mean it was pretty

963
00:37:35,420 --> 00:37:32,850

incredible to be able to talk to Sandy

964

00:37:39,620 --> 00:37:35,430

and and hear what his mom you know his

965

00:37:41,210 --> 00:37:39,630

mom got to see that the debris and he

966

00:37:42,530 --> 00:37:41,220

also told us a story this didn't make

967

00:37:45,120 --> 00:37:42,540

the episode but he told us a story about

968

00:37:47,730 --> 00:37:45,130

how his father and mother they had they

969

00:37:51,210 --> 00:37:47,740

had a pretty incredible UFO sighting

970

00:37:53,130 --> 00:37:51,220

before the corona crash oh okay yeah so

971

00:37:56,190 --> 00:37:53,140

it was just really neat to hear about

972

00:37:57,330 --> 00:37:56,200

that but you know and they said that you

973

00:37:59,520 --> 00:37:57,340

know and then they're the property

974

00:38:02,300 --> 00:37:59,530

family of course was close with both Mac

975

00:38:04,530 --> 00:38:02,310

and Mac was told not to talk about it

976

00:38:06,330 --> 00:38:04,540

you know he was a butcher and he wanted

977

00:38:09,120 --> 00:38:06,340

a place where he could keep he wanted a

978

00:38:10,710 --> 00:38:09,130

meat locker so they moved him you know

979

00:38:12,420 --> 00:38:10,720

and then they say did they move him too

980

00:38:14,970 --> 00:38:12,430

to be able to watch him near this Air

981

00:38:17,010 --> 00:38:14,980

Force Base and did they pay him off you

982

00:38:18,990 --> 00:38:17,020

know all these stories you hear so it's

983

00:38:21,360 --> 00:38:19,000

just really neat to hear that from

984

00:38:24,060 --> 00:38:21,370

someone that obviously was in that for

985

00:38:25,320 --> 00:38:24,070

the Procter family but um yeah that's a

986

00:38:28,560 --> 00:38:25,330

really good point though Heather I mean

987

00:38:31,350 --> 00:38:28,570

I've had my presumptions about this case

988

00:38:33,450 --> 00:38:31,360

forever uh-huh in that all sort of

989

00:38:35,490 --> 00:38:33,460

change when I got there and started

990

00:38:37,950 --> 00:38:35,500

talking to the locals that's when you

991

00:38:40,380 --> 00:38:37,960

like you really start to get to the core

992

00:38:41,880 --> 00:38:40,390

of the story and you start hearing from

993

00:38:44,640 --> 00:38:41,890

these people who are you know

994

00:38:46,650 --> 00:38:44,650

descendants of of families who were

995

00:38:48,900 --> 00:38:46,660

involved I mean I got to speak to the

996

00:38:53,220 --> 00:38:48,910

granddaughter of Jesse Marcel the first

997

00:38:55,470 --> 00:38:53,230

officer yeah story she had to tell in

998

00:38:57,720 --> 00:38:55,480

terms of like this memory medal that was

999

00:38:59,610 --> 00:38:57,730

on say you know crumble it out that

1000

00:39:02,570 --> 00:38:59,620

would go right back to its shape it was

1001
00:39:06,000 --> 00:39:02,580
light as a feather but you couldn't like

1002
00:39:08,550 --> 00:39:06,010
hammer through it it's close but it

1003
00:39:10,770 --> 00:39:08,560
really is its lining up with the same

1004
00:39:12,840 --> 00:39:10,780
stories that you heard from the project

1005
00:39:13,980 --> 00:39:12,850
families hmm you really do have to

1006
00:39:15,810 --> 00:39:13,990
wonder and this was really interesting

1007
00:39:17,790 --> 00:39:15,820
when I was watching when you guys got to

1008
00:39:20,880 --> 00:39:17,800
the like the impact site the crash scene

1009
00:39:22,830 --> 00:39:20,890
yeah I'm like okay people claim so many

1010
00:39:24,330 --> 00:39:22,840
different locations are where this crash

1011
00:39:26,070 --> 00:39:24,340
happened uh-huh

1012
00:39:27,510 --> 00:39:26,080
I don't know if you guys came across

1013
00:39:31,230 --> 00:39:27,520

this but when we went out there there's

1014

00:39:33,360 --> 00:39:31,240

like a memorial or like this plaque

1015

00:39:36,510 --> 00:39:33,370

that's out there that says this is where

1016

00:39:39,570 --> 00:39:36,520

the UFO crash happened yes so that is a

1017

00:39:41,880 --> 00:39:39,580

little ways down we saw the road that

1018

00:39:44,190 --> 00:39:41,890

leads to but it's really crazy because I

1019

00:39:45,690 --> 00:39:44,200

mean Chuck doing this for so long he got

1020

00:39:48,540 --> 00:39:45,700

to talk to a lot of the key players and

1021

00:39:50,820 --> 00:39:48,550

get to know them in Roswell so Glenn

1022

00:39:53,310 --> 00:39:50,830

Dennis gave him the coordinates for the

1023

00:39:55,530 --> 00:39:53,320

debris site he so I mean that's how we

1024

00:39:57,990 --> 00:39:55,540

but Chuck has been out there he's done a

1025

00:39:58,980 --> 00:39:58,000

dig out there so he knew exactly where

1026
00:40:01,320 --> 00:39:58,990
to go

1027
00:40:02,910 --> 00:40:01,330
but I mean to be able to stand there and

1028
00:40:04,859 --> 00:40:02,920
just put yourself back in the 40s and

1029
00:40:06,510 --> 00:40:04,869
think like what really have it was

1030
00:40:09,660 --> 00:40:06,520
incredible like I felt like I was in a

1031
00:40:12,120 --> 00:40:09,670
dream yeah hey well that was the other

1032
00:40:15,300 --> 00:40:12,130
thing when you finally got to the the

1033
00:40:17,310 --> 00:40:15,310
impact say I saw it and I'm like okay

1034
00:40:20,520 --> 00:40:17,320
let's see if it matches where I was and

1035
00:40:22,800 --> 00:40:20,530
I'm not kidding you the area where you

1036
00:40:25,859 --> 00:40:22,810
guys were was exactly where we were told

1037
00:40:28,470 --> 00:40:25,869
to go yeah it was it and you do you step

1038
00:40:32,700 --> 00:40:28,480

foot out there and there's nothing no

1039

00:40:34,950 --> 00:40:32,710

Lyle not no like birds above no reason

1040

00:40:37,500 --> 00:40:34,960

there were big garbage or debris out

1041

00:40:40,080 --> 00:40:37,510

there yet you know like Chuck and people

1042

00:40:42,120 --> 00:40:40,090

like Frank Kim blur this geologist we

1043

00:40:44,760 --> 00:40:42,130

spoke to while we were there they filmed

1044

00:40:47,700 --> 00:40:44,770

stuff out there so yet you really do

1045

00:40:49,800 --> 00:40:47,710

have two one here yeah and it's really

1046

00:40:51,480 --> 00:40:49,810

crazy too that the the Richards family

1047

00:40:53,670 --> 00:40:51,490

you know this was a legend that this

1048

00:40:55,920 --> 00:40:53,680

this guy had told us that it was hidden

1049

00:40:58,890 --> 00:40:55,930

away and Dan's cave and there's some

1050

00:41:00,630 --> 00:40:58,900

different locations and but there's this

1051

00:41:04,230 --> 00:41:00,640

the guy that we interviewed was was

1052

00:41:05,580 --> 00:41:04,240

pretty strange I mean he he he was kind

1053

00:41:07,200 --> 00:41:05,590

of like we don't want this to be known

1054

00:41:08,490 --> 00:41:07,210

and I'm thinking why are we here

1055

00:41:11,609 --> 00:41:08,500

interviewing year and then and then

1056

00:41:15,180 --> 00:41:11,619

finally like we were all in this other

1057

00:41:16,770 --> 00:41:15,190

area near like behind his house and Dan

1058

00:41:18,240 --> 00:41:16,780

Dan's always the one that kind of goes

1059

00:41:19,470 --> 00:41:18,250

off and does his own thing and I

1060

00:41:20,820 --> 00:41:19,480

remember production being like you know

1061

00:41:22,620 --> 00:41:20,830

we want to film you guys all together

1062

00:41:23,730 --> 00:41:22,630

for this like come back dan didn't

1063

00:41:26,430 --> 00:41:23,740

listen and went off and he ended up

1064

00:41:28,020 --> 00:41:26,440

finding an opening yeah and then we

1065

00:41:32,430 --> 00:41:28,030

started digging it really looked like a

1066

00:41:33,390 --> 00:41:32,440

cave like what the heck yeah so and then

1067

00:41:35,280 --> 00:41:33,400

we were out there and we were digging

1068

00:41:38,340 --> 00:41:35,290

for hours trying to figure figure this

1069

00:41:39,810 --> 00:41:38,350

out and and then this the guy comes up

1070

00:41:41,609 --> 00:41:39,820

and he's like you know you guys are

1071

00:41:42,780 --> 00:41:41,619

going too far like we don't want you to

1072

00:41:48,480 --> 00:41:42,790

be here anymore you have to leave more

1073

00:41:51,240 --> 00:41:48,490

just like yeah but I really hope that we

1074

00:41:53,550 --> 00:41:51,250

can try to get back there there is

1075

00:41:56,640 --> 00:41:53,560

something down there there definitely is

1076
00:41:59,030 --> 00:41:56,650
like you guys were so close and I was I

1077
00:42:01,320 --> 00:41:59,040
was I'm not giving you even for like a

1078
00:42:03,150 --> 00:42:01,330
reality television show I was on the

1079
00:42:04,920 --> 00:42:03,160
edge of my seat like oh my god they

1080
00:42:06,330 --> 00:42:04,930
might break this case wide open

1081
00:42:09,060 --> 00:42:06,340
yeah I mean could you imagine if we

1082
00:42:10,530 --> 00:42:09,070
found a piece of it like that I just

1083
00:42:12,750 --> 00:42:10,540
can't even wrap my head around that it

1084
00:42:14,790 --> 00:42:12,760
would be incredible well

1085
00:42:17,190 --> 00:42:14,800
like you said though like it's not done

1086
00:42:19,350 --> 00:42:17,200
like Chuck in that determined to get

1087
00:42:21,810 --> 00:42:19,360
back there and I know with his

1088
00:42:23,550 --> 00:42:21,820

connections like something's gonna

1089

00:42:26,340 --> 00:42:23,560

happen he'll be able to get back out

1090

00:42:27,900 --> 00:42:26,350

there but yeah it was a fascinating

1091

00:42:29,460 --> 00:42:27,910

episode a lot of people when they hear

1092

00:42:31,830 --> 00:42:29,470

Roswell they're like what is there left

1093

00:42:33,990 --> 00:42:31,840

to look at but clearly there's still

1094

00:42:35,810 --> 00:42:34,000

stuff to investigate and I think you

1095

00:42:38,400 --> 00:42:35,820

guys did a really good job with that

1096

00:42:39,060 --> 00:42:38,410

yeah yeah thanks I'm glad that I'm glad

1097

00:42:41,400 --> 00:42:39,070

you enjoyed it

1098

00:42:44,490 --> 00:42:41,410

yeah well I mean okay so we have alien

1099

00:42:47,280 --> 00:42:44,500

highway we have we have this show

1100

00:42:48,840 --> 00:42:47,290

unidentified on now yeah we've got this

1101

00:42:51,270 --> 00:42:48,850

show this show this show all these

1102

00:42:54,480 --> 00:42:51,280

paranormal and ufo-related TV shows seem

1103

00:42:56,610 --> 00:42:54,490

to be cropping up lately so in your

1104

00:42:59,370 --> 00:42:56,620

opinion why do you why do you think that

1105

00:43:02,700 --> 00:42:59,380

is what about alien highway kind of

1106

00:43:05,040 --> 00:43:02,710

stands out amongst all these I mean I I

1107

00:43:07,620 --> 00:43:05,050

think that this stuff isn't stopping I

1108

00:43:11,010 --> 00:43:07,630

mean people all over the world are still

1109

00:43:12,630 --> 00:43:11,020

seeing UFOs they're still experiencing

1110

00:43:14,070 --> 00:43:12,640

paranormal activity like it it's just a

1111

00:43:16,320 --> 00:43:14,080

sight a never-ending cycle like it's

1112

00:43:18,270 --> 00:43:16,330

it's happening now more than ever

1113

00:43:20,370 --> 00:43:18,280

especially with all these you know

1114

00:43:21,540 --> 00:43:20,380

stories about the Pentagon

1115

00:43:23,880 --> 00:43:21,550

you know investigating and everything

1116

00:43:25,620 --> 00:43:23,890

like that like I think a lot more is

1117

00:43:27,210 --> 00:43:25,630

coming to light now and maybe a lot more

1118

00:43:29,610 --> 00:43:27,220

people are opening their eyes and a lot

1119

00:43:31,350 --> 00:43:29,620

more pilots are coming forward and a lot

1120

00:43:32,820 --> 00:43:31,360

more people in the Navy you know people

1121

00:43:34,830 --> 00:43:32,830

that know stuff are coming forward and

1122

00:43:36,720 --> 00:43:34,840

sharing their stories which i think is

1123

00:43:39,000 --> 00:43:36,730

awesome because it's only gonna help us

1124

00:43:40,830 --> 00:43:39,010

get to the answers more absolutely yeah

1125

00:43:43,500 --> 00:43:40,840

there seems to be a shift happening

1126

00:43:46,350 --> 00:43:43,510

where these topics are they're becoming

1127

00:43:48,840 --> 00:43:46,360

more legitimate and you know I feel like

1128

00:43:51,780 --> 00:43:48,850

throughout decades this happens these

1129

00:43:54,510 --> 00:43:51,790

things have been flow we're like oh UFOs

1130

00:43:56,400 --> 00:43:54,520

are real we investigated it and then you

1131

00:43:58,530 --> 00:43:56,410

don't then it goes away it fades into

1132

00:44:02,100 --> 00:43:58,540

obscurity from huh five years and then

1133

00:44:05,820 --> 00:44:02,110

it comes back up but I don't know I feel

1134

00:44:09,060 --> 00:44:05,830

like something is changing whether it's

1135

00:44:12,360 --> 00:44:09,070

the legitimization by the Navy or this

1136

00:44:14,400 --> 00:44:12,370

Pentagon program must be changing UFOs

1137

00:44:16,110 --> 00:44:14,410

are like on the minds of everyone right

1138

00:44:18,150 --> 00:44:16,120

now and it's exciting for us who have

1139

00:44:22,220 --> 00:44:18,160

been kind of screaming this from the

1140

00:44:24,470 --> 00:44:22,230

rooftops to deaf ears for so long yeah

1141

00:44:26,359 --> 00:44:24,480

yeah yeah it's really interesting well

1142

00:44:28,609 --> 00:44:26,369

what are your what are your friends and

1143

00:44:30,740 --> 00:44:28,619

family think about all this stuff you do

1144

00:44:34,310 --> 00:44:30,750

I am always wondering you know luckily I

1145

00:44:36,650 --> 00:44:34,320

have a partner who is so understanding

1146

00:44:38,450 --> 00:44:36,660

of the things I do that's good parents

1147

00:44:42,800 --> 00:44:38,460

you support me but I know it's not the

1148

00:44:45,109 --> 00:44:42,810

same for everybody I mean my parents

1149

00:44:47,090 --> 00:44:45,119

they kind of think it's funny because I

1150

00:44:49,070 --> 00:44:47,100

grew up being so passionate about this

1151

00:44:51,080 --> 00:44:49,080

stuff and I grew up with basically a

1152

00:44:53,570 --> 00:44:51,090

video camera attached to my hand I was

1153

00:44:55,460 --> 00:44:53,580

constantly filming ridiculous skits and

1154

00:44:57,020 --> 00:44:55,470

just documenting my everyday life so I

1155

00:45:01,160 --> 00:44:57,030

think they always thought I would do

1156

00:45:02,930 --> 00:45:01,170

something with TV so it kind of seems

1157

00:45:05,210 --> 00:45:02,940

normal but I mean they think it's

1158

00:45:06,980 --> 00:45:05,220

they're super supportive and they they

1159

00:45:08,599 --> 00:45:06,990

love watching me and when reruns are on

1160

00:45:10,220 --> 00:45:08,609

they'll send me pictures of my face on

1161

00:45:12,140 --> 00:45:10,230

the screen I'm just like whoa mom's

1162

00:45:14,240 --> 00:45:12,150

watching me on TV again so they think

1163

00:45:15,920 --> 00:45:14,250

it's really cool but at the same time

1164

00:45:17,840 --> 00:45:15,930

it's kind of like they expected me to be

1165

00:45:19,849 --> 00:45:17,850

into something weird like this just

1166

00:45:22,370 --> 00:45:19,859

because of who I am you know yeah

1167

00:45:25,970 --> 00:45:22,380

totally I remember when my parents came

1168

00:45:28,460 --> 00:45:25,980

to my first ever UFO talk that I gave fo

1169

00:45:29,810 --> 00:45:28,470

conference and I warned him before and

1170

00:45:32,420 --> 00:45:29,820

I'm like this might get a little weird

1171

00:45:34,910 --> 00:45:32,430

just be prepared and afterwards my

1172

00:45:37,010 --> 00:45:34,920

mother who's like never thought about

1173

00:45:39,010 --> 00:45:37,020

this stuff really she always was like

1174

00:45:41,660 --> 00:45:39,020

yeah Ryan go do your thing

1175

00:45:46,400 --> 00:45:41,670

she said to me like oh my god this stuff

1176

00:45:48,140 --> 00:45:46,410

is real I'm like yeah supposedly it's

1177

00:45:50,180 --> 00:45:48,150

all real so that was a good moment

1178

00:45:52,670 --> 00:45:50,190

turning point for me where I'm like yeah

1179

00:45:59,270 --> 00:45:52,680

I finally got to my parents the people

1180

00:46:03,130 --> 00:45:59,280

who always for like what is right now we

1181

00:46:05,810 --> 00:46:03,140

can finally be like we told you so yeah

1182

00:46:08,990 --> 00:46:05,820

well in terms of alien highway had their

1183

00:46:12,170 --> 00:46:09,000

um the next episode to air concerns

1184

00:46:15,260 --> 00:46:12,180

something super interesting which yes so

1185

00:46:17,630 --> 00:46:15,270

just investigated myself area 51 in

1186

00:46:19,580 --> 00:46:17,640

Tonopah so Nepal is this really

1187

00:46:22,510 --> 00:46:19,590

interesting place a lot of people

1188

00:46:26,060 --> 00:46:22,520

consider this to be like the new area 51

1189

00:46:27,920 --> 00:46:26,070

hmm yeah so could you maybe tease us a

1190

00:46:30,859 --> 00:46:27,930

little about what we can expect from

1191

00:46:33,440 --> 00:46:30,869

this upcoming episode yes so for this

1192

00:46:35,630 --> 00:46:33,450

episode were we're playing on the theory

1193

00:46:40,130 --> 00:46:35,640

you hear about an Alienist

1194

00:46:42,740 --> 00:46:40,140

from area 51 so were on a hunt to try to

1195

00:46:45,140 --> 00:46:42,750

find this and the site that people were

1196

00:46:48,410 --> 00:46:45,150

talking about happens to be kind of in

1197

00:46:50,600 --> 00:46:48,420

between Tonopah and area 51 so that that

1198

00:46:52,970 --> 00:46:50,610

whole area which there's nothing out

1199

00:46:54,560 --> 00:46:52,980

there yes as you know there's nothing so

1200

00:46:57,290 --> 00:46:54,570

it would be the perfect place for

1201
00:46:59,300 --> 00:46:57,300
someone to hide a creature or you know

1202
00:47:01,190 --> 00:46:59,310
something to escape so and this was

1203
00:47:03,800 --> 00:47:01,200
actually my second time out to Tonopah

1204
00:47:05,330 --> 00:47:03,810
we spent some time there and it's really

1205
00:47:07,490 --> 00:47:05,340
interesting talking to the locals and

1206
00:47:09,530 --> 00:47:07,500
and talking to people that worked in

1207
00:47:10,730 --> 00:47:09,540
areas near there that you know no

1208
00:47:13,940 --> 00:47:10,740
information that they're not allowed to

1209
00:47:14,960 --> 00:47:13,950
talk about and so this is gonna be a

1210
00:47:17,120 --> 00:47:14,970
really good when I think people are

1211
00:47:20,210 --> 00:47:17,130
really gonna enjoy enjoy this one that's

1212
00:47:22,250 --> 00:47:20,220
interesting yeah ya know like these vast

1213
00:47:25,040 --> 00:47:22,260

deserts that's where all this stuff

1214

00:47:27,920 --> 00:47:25,050

happens whether or not just top-secret

1215

00:47:31,670 --> 00:47:27,930

military projects or something a bit

1216

00:47:34,430 --> 00:47:31,680

more esoteric or you know paranormal I

1217

00:47:38,330 --> 00:47:34,440

don't know but you know once once we

1218

00:47:40,400 --> 00:47:38,340

knew what area 51 was or that it was

1219

00:47:42,890 --> 00:47:40,410

like officially acknowledged by the

1220

00:47:45,530 --> 00:47:42,900

government you know full well they moved

1221

00:47:47,780 --> 00:47:45,540

all that somewhere else oh yeah

1222

00:47:50,150 --> 00:47:47,790

so Tonopah might be the place so I

1223

00:47:52,760 --> 00:47:50,160

wouldn't be sad and I had been there

1224

00:47:54,260 --> 00:47:52,770

once before to Tonopah because uh I was

1225

00:47:57,200 --> 00:47:54,270

passing through I think I was driving to

1226
00:47:58,490 --> 00:47:57,210
Yosemite and I had heard about it and I

1227
00:48:00,230 --> 00:47:58,500
was just like I'm gonna stay at the

1228
00:48:02,360 --> 00:48:00,240
mid-span hotel and I ended up staying

1229
00:48:04,700 --> 00:48:02,370
there and it's really really interesting

1230
00:48:06,950 --> 00:48:04,710
history and interesting in the fact that

1231
00:48:09,110 --> 00:48:06,960
like gold and silver were kind of

1232
00:48:12,230 --> 00:48:09,120
accidentally discovered in that in that

1233
00:48:13,700 --> 00:48:12,240
area so I encourage anyone to check out

1234
00:48:15,620 --> 00:48:13,710
that area and if you look at the guest

1235
00:48:18,350 --> 00:48:15,630
book at the Mizpah hotel I think I

1236
00:48:21,730 --> 00:48:18,360
signed it twice yeah I wrote a really

1237
00:48:24,110 --> 00:48:21,740
funny story in there oh that's bright

1238
00:48:26,360 --> 00:48:24,120

well that's so awesome Heather where can

1239

00:48:27,610 --> 00:48:26,370

we find out more about the show and and

1240

00:48:30,950 --> 00:48:27,620

what you're up to

1241

00:48:32,090 --> 00:48:30,960

well I'm pretty active on social media

1242

00:48:33,620 --> 00:48:32,100

there's times where I'm kind of just

1243

00:48:37,220 --> 00:48:33,630

like get out of here like I don't want

1244

00:48:39,320 --> 00:48:37,230

to be on the computer but yeah like my

1245

00:48:43,820 --> 00:48:39,330

handle on Instagram and Twitter is

1246

00:48:46,010 --> 00:48:43,830

classic tad so classic and then tid so

1247

00:48:47,540 --> 00:48:46,020

I'm you know people and I still get a

1248

00:48:49,130 --> 00:48:47,550

lot of messages even from people that

1249

00:48:51,410 --> 00:48:49,140

are just now discovering para mistake

1250

00:48:53,000 --> 00:48:51,420

people that followed the show like I

1251
00:48:54,799 --> 00:48:53,010
still get messages which is completely

1252
00:48:56,690 --> 00:48:54,809
blows my mind how that show has affected

1253
00:48:58,430 --> 00:48:56,700
people oh absolutely I made me the

1254
00:49:01,940 --> 00:48:58,440
person I am today I'm like whoa you can

1255
00:49:04,579 --> 00:49:01,950
do this in college yeah it's wild but

1256
00:49:07,880 --> 00:49:04,589
I'm also active on Facebook and I just

1257
00:49:10,279 --> 00:49:07,890
started a public figure Facebook page to

1258
00:49:11,870 --> 00:49:10,289
kind of keep my private one separate but

1259
00:49:13,940 --> 00:49:11,880
um you can find me on there under

1260
00:49:15,950 --> 00:49:13,950
Heather tatty and I'm working on a

1261
00:49:16,819 --> 00:49:15,960
website right now I'm just kind of

1262
00:49:19,190 --> 00:49:16,829
behind on it

1263
00:49:25,279 --> 00:49:19,200

yeah you're too busy investigating

1264
