always free to consume but it isn't free

4
00:00:11,360 --> 00:00:09,510
to create that's why I've started this

5
00:00:14,180 --> 00:00:11,370

6
00:00:15,919 --> 00:00:14,190
on a monthly basis you give what you

7
00:00:18,769 --> 00:00:15,929
think the show is worth you'll be

8
00:00:21,260 --> 00:00:18,779
helping the show continue grow and to be

9
00:00:23,450 --> 00:00:21,270
something truly communal and remember

10
00:00:26,000 --> 00:00:23,460
there are rewards for each level of

11
00:00:28,730 --> 00:00:26,010
contribution and the list is only grown

12
00:00:31,370 --> 00:00:28,740
so please help someone in the skies now

13
00:00:45,350 --> 00:00:31,380

by becoming a patron to contribute and

14

00:00:48,680 --> 00:00:45,360

to learn more visit www.scosche.com for

15

00:00:50,959 --> 00:00:48,690

of UFO happy hour folks if there's one

16

00:00:54,260 --> 00:00:50,969

thing that you need to remember you

17

00:00:56,119 --> 00:00:54,270

never flashed a flashlight at a UFO it

18

00:00:57,770 --> 00:00:56,129

didn't end well for the allagash guys

19

00:01:10,010 --> 00:00:57,780

that it sure as hell didn't end well for

20

00:01:12,230 --> 00:01:10,020

Terry lovely this is somewhere in the

21

00:01:28,280 --> 00:01:12,240

skies

22

00:01:31,470 --> 00:01:28,290

[Music]

23

00:01:33,750 --> 00:01:31,480

all right today I have my favorite guy

24

00:01:36,870 --> 00:01:33,760

to pull up a barstool with after a long

25

00:01:38,940 --> 00:01:36,880

day of work for UFO happy hour and that

26
00:01:42,210 --> 00:01:38,950
is Rob Kristofferson Rob how you doing

27
00:01:45,420 --> 00:01:42,220
my man I'm doing good how are you I am

28
00:01:48,840 --> 00:01:45,430
good man coming off the heels of world

29
00:01:51,300 --> 00:01:48,850
UFO day happy world UFO day

30
00:01:53,670 --> 00:01:51,310
yes ain't you man it's it's a glorious

31
00:01:57,750 --> 00:01:53,680
day you know and it falls in line with

32
00:02:00,660 --> 00:01:57,760
you know the general timescale for when

33
00:02:03,210 --> 00:02:00,670
the Roswell crash happened so you know

34
00:02:05,550 --> 00:02:03,220
it's festive it's it's a very festive

35
00:02:06,900 --> 00:02:05,560
week here it is very festive well

36
00:02:07,980 --> 00:02:06,910
speaking of that what are you drinking

37
00:02:10,020 --> 00:02:07,990
today for happy hour

38
00:02:13,080 --> 00:02:10,030

so I toned it I toned it down a little

39

00:02:16,320 --> 00:02:13,090

bit it's still we're still drinking beer

40

00:02:17,040 --> 00:02:16,330

but it's root beer and not not just any

41

00:02:23,610 --> 00:02:17,050

root beer

42

00:02:25,350 --> 00:02:23,620

beer around seriously folks if you don't

43

00:02:27,780 --> 00:02:25,360

if you you got to get your hands on this

44

00:02:29,970 --> 00:02:27,790

root beer it's it's great it's not it's

45

00:02:33,810 --> 00:02:29,980

not like mug where it'll where it's like

46

00:02:36,660 --> 00:02:33,820

very it'll leave you gassy this doesn't

47

00:02:39,480 --> 00:02:36,670

do that I couldn't agree more being from

48

00:02:41,190 --> 00:02:39,490

upstate New York myself like that's what

49

00:02:43,760 --> 00:02:41,200

I grew up on man and I actually I

50

00:02:46,050 --> 00:02:43,770

actually went on like a root beer

51
00:02:49,199 --> 00:02:46,060
excursion throughout the country when I

52
00:02:51,120 --> 00:02:49,209
was uh in my younger days acting on the

53
00:02:53,340 --> 00:02:51,130
road and I would try a root beer in

54
00:02:56,070 --> 00:02:53,350
every like city in town I went to that

55
00:02:58,020 --> 00:02:56,080
was like my thing and it was it was

56
00:03:00,630 --> 00:02:58,030
really cool I got to try all these local

57
00:03:02,370 --> 00:03:00,640
brews and everything but I always came

58
00:03:05,430 --> 00:03:02,380
back to Saranac that was always my

59
00:03:07,140 --> 00:03:05,440
favorite yeah you you really can't go

60
00:03:09,510 --> 00:03:07,150
wrong with it and I mean you you don't

61
00:03:12,270 --> 00:03:09,520
live you grew up not far from where they

62
00:03:14,310 --> 00:03:12,280
brew the stuff so exactly yeah yeah it

63
00:03:16,320 --> 00:03:14,320

was awesome well good well okay so I

64

00:03:20,400 --> 00:03:16,330

guess I'm the alcoholic of the two of us

65

00:03:22,860 --> 00:03:20,410

um I have with me I found this beer at a

66

00:03:24,930 --> 00:03:22,870

craft beer bar here in New York and dude

67

00:03:27,270 --> 00:03:24,940

I was stunned when I saw it so about a

68

00:03:30,449 --> 00:03:27,280

month ago I covered the UM the herb

69

00:03:32,370 --> 00:03:30,459

Shermer incident on the show and at the

70

00:03:35,130 --> 00:03:32,380

time they had a beer that was coming out

71

00:03:38,230 --> 00:03:35,140

commemorating the event and I found it

72

00:03:40,480 --> 00:03:38,240

here in New York City oh no way

73

00:03:42,970 --> 00:03:40,490

I I was stunned when I saw it in the

74

00:03:45,040 --> 00:03:42,980

refrigerator it comes from broken Bose

75

00:03:50,290 --> 00:03:45,050

Brewing Company and it's called you'll

76

00:03:52,510 --> 00:03:50,300

like this the star snake tank IPA that's

77

00:03:55,570 --> 00:03:52,520

great I'm sure you get the reference

78

00:03:57,610 --> 00:03:55,580

it's inspired by the emblem then yep

79

00:04:00,490 --> 00:03:57,620

Sherman remember seeing on the uniforms

80

00:04:03,130 --> 00:04:00,500

of the aliens that invited him aboard

81

00:04:05,620 --> 00:04:03,140

their craft so I I was just astounded so

82

00:04:07,200 --> 00:04:05,630

I've got it in front of me I'm gonna pop

83

00:04:11,380 --> 00:04:07,210

it open as we get into our conversation

84

00:04:12,790 --> 00:04:11,390

here but um happy world UFO day Rob and

85

00:04:14,290 --> 00:04:12,800

I'm glad you brought up the Roswell

86

00:04:15,940 --> 00:04:14,300

incident when it came to that because I

87

00:04:18,070 --> 00:04:15,950

wanted to know where this all came from

88

00:04:19,720 --> 00:04:18,080

people just started sort of posting this

89

00:04:22,240 --> 00:04:19,730
on their social networks and everything

90

00:04:25,150 --> 00:04:22,250
and I wanted to know where did world UFO

91

00:04:27,070 --> 00:04:25,160
day come from and al-jazeera actually

92

00:04:28,690 --> 00:04:27,080
did a pretty good write-up on this I

93

00:04:31,090 --> 00:04:28,700
said I'm just gonna run through this

94

00:04:33,220 --> 00:04:31,100
briefly if you don't mind oh yeah man

95

00:04:37,030 --> 00:04:33,230
yeah a little crash course here in world

96

00:04:40,870 --> 00:04:37,040
UFO day it's defined by the world UFO

97

00:04:43,660 --> 00:04:40,880
day organization actually the world UFO

98

00:04:46,750 --> 00:04:43,670
day is a day dedicated to the existence

99

00:04:49,270 --> 00:04:46,760
of UFOs it aims to raise awareness about

100

00:04:51,450 --> 00:04:49,280
the existence of UFOs and with that

101
00:04:53,740 --> 00:04:51,460
intelligent beings from outer space

102
00:04:56,380 --> 00:04:53,750
encouraging people to think about the

103
00:04:58,840 --> 00:04:56,390
possibility of us not being alone in the

104
00:05:01,390 --> 00:04:58,850
universe it's also a way to encourage

105
00:05:03,790 --> 00:05:01,400
governments to declassify their files on

106
00:05:06,970 --> 00:05:03,800
supposedly UFO sightings and you'd

107
00:05:09,310 --> 00:05:06,980
mentioned Roswell so originally you

108
00:05:11,860 --> 00:05:09,320
world UFO day was celebrated on June

109
00:05:14,500 --> 00:05:11,870
24th data of Kenneth Arnold sighting

110
00:05:16,810 --> 00:05:14,510
what they ended up doing is they wanted

111
00:05:19,120 --> 00:05:16,820
to merge two of the most sort of famous

112
00:05:21,460 --> 00:05:19,130
events at the time Kenneth Arnold and

113
00:05:23,440 --> 00:05:21,470

Roswell and just have it in July you

114

00:05:25,870 --> 00:05:23,450

know when everyone's out doing their

115

00:05:27,520 --> 00:05:25,880

barbecues and it's a hundred and two

116

00:05:29,920 --> 00:05:27,530

degrees out and you're drinking a cold

117

00:05:33,490 --> 00:05:29,930

beer so I thought that was pretty cool

118

00:05:35,280 --> 00:05:33,500

and now we know where world UFO day came

119

00:05:38,200 --> 00:05:35,290

from so thank you al Jazeera

120

00:05:41,530 --> 00:05:38,210

yeah absolutely you just got learned

121

00:05:43,510 --> 00:05:41,540

people you got hurt well you've been

122

00:05:44,890 --> 00:05:43,520

doing a lot of learning too lately man

123

00:05:48,040 --> 00:05:44,900

I've been following you on Twitter and

124

00:05:49,900 --> 00:05:48,050

it's been such an amazing enlightening

125

00:05:53,710 --> 00:05:49,910

time for your Twitter

126

00:05:55,540 --> 00:05:53,720

like you can always tell when Rob is

127

00:05:57,520 --> 00:05:55,550

really getting heavy into his research

128

00:06:00,700 --> 00:05:57,530

because you start posting all these like

129

00:06:03,490 --> 00:06:00,710

photos no one's ever seen before from

130

00:06:07,300 --> 00:06:03,500

all these like books from like 10 20 30

131

00:06:10,090 --> 00:06:07,310

years ago so I love it dude oh yeah man

132

00:06:14,500 --> 00:06:10,100

it's I I get giddy with the research

133

00:06:15,400 --> 00:06:14,510

because we have more research resources

134

00:06:18,030 --> 00:06:15,410

than ever

135

00:06:20,950 --> 00:06:18,040

I mean online in books and like

136

00:06:24,460 --> 00:06:20,960

hindsight's you know 2020 man especially

137

00:06:26,440 --> 00:06:24,470

right now where we are in 2019 looking

138

00:06:29,680 --> 00:06:26,450

back on all these incidents and stuff

139

00:06:32,470 --> 00:06:29,690

it's it's been kind of a really fun

140

00:06:34,750 --> 00:06:32,480

learning experience I can imagine and

141

00:06:36,580 --> 00:06:34,760

again it's so exciting following someone

142

00:06:39,250 --> 00:06:36,590

like you're on Twitter especially as UFO

143

00:06:42,190 --> 00:06:39,260

researchers who get so you know dog down

144

00:06:45,340 --> 00:06:42,200

with dates and times and you know this

145

00:06:47,590 --> 00:06:45,350

that debunking this and it gets so like

146

00:06:49,750 --> 00:06:47,600

it could be draining and kind of boring

147

00:06:52,270 --> 00:06:49,760

to be honest so when you see someone

148

00:06:54,760 --> 00:06:52,280

like you excited to dig into these old

149

00:06:56,830 --> 00:06:54,770

cases like it just reinvigorates

150

00:07:00,010 --> 00:06:56,840

everyone in the community so I got a

151
00:07:01,840 --> 00:07:00,020
thank you for that first of all well you

152
00:07:06,040 --> 00:07:01,850
know it's it's fun and I love sharing

153
00:07:08,110 --> 00:07:06,050
the wealth so I'm happy to do it and you

154
00:07:11,020 --> 00:07:08,120
know you did bring up a good point we're

155
00:07:14,560 --> 00:07:11,030
in 2019 now there is a lot going on when

156
00:07:16,630 --> 00:07:14,570
it comes to the Stars and a tip these

157
00:07:19,600 --> 00:07:16,640
revelations which we'll get to towards

158
00:07:22,480 --> 00:07:19,610
the end here but everyone is looking at

159
00:07:24,730 --> 00:07:22,490
this now from a military angle you know

160
00:07:27,670 --> 00:07:24,740
with the Navy and everything but there's

161
00:07:29,770 --> 00:07:27,680
all these cases involving people that

162
00:07:31,330 --> 00:07:29,780
aren't part of the military so we have

163
00:07:33,940 --> 00:07:31,340

to keep that in mind when we're looking

164

00:07:36,550 --> 00:07:33,950

at this that most UFO sightings were not

165

00:07:38,320 --> 00:07:36,560

seen by the military and that sort of

166

00:07:40,750 --> 00:07:38,330

comes in the form of one of the ones I

167

00:07:42,880 --> 00:07:40,760

wanted to talk with you about first here

168

00:07:45,760 --> 00:07:42,890

and that is this Brazilian kick you've

169

00:07:47,710 --> 00:07:45,770

been on Lee so what cases really stick

170

00:07:49,780 --> 00:07:47,720

out to you how did you how did in how

171

00:07:52,240 --> 00:07:49,790

did this lead you to on what I saw you

172

00:07:56,200 --> 00:07:52,250

posting about recently about the 1954

173

00:08:00,430 --> 00:07:56,210

French UFO flap I have a Brazilian

174

00:08:02,980 --> 00:08:00,440

friend her name is Fabi and she kind of

175

00:08:03,620 --> 00:08:02,990

like reinvigorates

176

00:08:06,470 --> 00:08:03,630

my love

177

00:08:10,280 --> 00:08:06,480

for Brazilian UFO cases because they're

178

00:08:15,470 --> 00:08:10,290

really really kind of extreme in many

179

00:08:19,850 --> 00:08:15,480

ways to give kind of a comparison in

180

00:08:22,490 --> 00:08:19,860

July June 24th you know 1947 Kenneth

181

00:08:24,980 --> 00:08:22,500

Arnold sees the nine objects well a

182

00:08:27,800 --> 00:08:24,990

month after that Brazil has its first

183

00:08:29,540 --> 00:08:27,810

humanoid sighting so while we're just

184

00:08:31,550 --> 00:08:29,550

seeing UFOs in the sky

185

00:08:35,180 --> 00:08:31,560

Brazil's seeing some really extreme

186

00:08:38,060 --> 00:08:35,190

stuff the first humanoid sighting in

187

00:08:40,670 --> 00:08:38,070

Brazil was by a man named Jose E Hagins

188

00:08:44,420 --> 00:08:40,680

he sees this craft and he sees these

189

00:08:47,450 --> 00:08:44,430

really tall really weird-looking aliens

190

00:08:49,970 --> 00:08:47,460

get out they're kind of they want him to

191

00:08:52,700 --> 00:08:49,980

come aboard their ship but he doesn't

192

00:08:54,860 --> 00:08:52,710

want to and he tries to convince them

193

00:08:56,150 --> 00:08:54,870

that you know he's he's got a family

194

00:08:58,430 --> 00:08:56,160

here he doesn't want to go anywhere so

195

00:09:00,230 --> 00:08:58,440

the aliens leave them alone and then

196

00:09:02,570 --> 00:09:00,240

they just start frolicking around for

197

00:09:05,030 --> 00:09:02,580

whatever reason it's very reminiscent

198

00:09:08,750 --> 00:09:05,040

kind of of like the Kelly Hopkinsville

199

00:09:12,440 --> 00:09:08,760

encounter or if you're familiar with the

200

00:09:15,290 --> 00:09:12,450

Mojave incident yeah where they were

201
00:09:17,030 --> 00:09:15,300
just these really strange look at beings

202
00:09:19,810 --> 00:09:17,040
they were just like they described them

203
00:09:24,340 --> 00:09:19,820
as frolicking around and and you know

204
00:09:28,750 --> 00:09:24,350
childlike in a certain way but I I

205
00:09:32,210 --> 00:09:28,760
decided I wanted to do some cases from

206
00:09:33,830 --> 00:09:32,220
Brazil and there's always kind of like

207
00:09:36,170 --> 00:09:33,840
three classic ones that always come to

208
00:09:40,300 --> 00:09:36,180
mind there's the abduction of Antonio

209
00:09:44,830 --> 00:09:40,310
Villas Boas there's the culeros

210
00:09:50,120 --> 00:09:44,840
sightings in 1977 which is where we get

211
00:09:54,680 --> 00:09:50,130
the Koopas from the rectangular looking

212
00:09:57,590 --> 00:09:54,690
UFOs that supposedly shot beams down at

213
00:10:02,870 --> 00:09:57,600

people and hurt them and the third one

214

00:10:08,180 --> 00:10:02,880

is the VAR Shinya incident in 1996 but I

215

00:10:12,530 --> 00:10:08,190

was just perusing old issues of flying

216

00:10:14,900 --> 00:10:12,540

saucer review online and they really

217

00:10:17,360 --> 00:10:14,910

provided the most in-depth coverage of

218

00:10:21,590 --> 00:10:17,370

the Antonio V s bovis incident so

219

00:10:25,400 --> 00:10:21,600

any time I would see a lava fountas who

220

00:10:27,140 --> 00:10:25,410

was Brazilian doctor he was the APRA

221

00:10:29,540 --> 00:10:27,150

representative aerial phenomenon

222

00:10:31,930 --> 00:10:29,550

Research Organisation any time I'd see

223

00:10:35,210 --> 00:10:31,940

an article by him I'd just pull it and

224

00:10:38,840 --> 00:10:35,220

there's one from 1961 and it's called

225

00:10:41,080 --> 00:10:38,850

Brazil under UFO survey and it's just

226

00:10:45,340 --> 00:10:41,090

you know perusing it a little bit and

227

00:10:47,870 --> 00:10:45,350

there's a line that a sentence that says

228

00:10:50,180 --> 00:10:47,880

the sightings followed a straight line

229

00:10:54,080 --> 00:10:50,190

pattern first discovered by Amy Michelle

230

00:10:56,120 --> 00:10:54,090

in France in 1954 see his book flying

231

00:10:59,630 --> 00:10:56,130

saucers and the straight line mystery

232

00:11:00,830 --> 00:10:59,640

and it just got really curious like

233

00:11:03,290 --> 00:11:00,840

straight line mystery what the hell are

234

00:11:07,490 --> 00:11:03,300

you talking about man UFOs and straight

235

00:11:09,470 --> 00:11:07,500

lines that's kind of weird so I kind of

236

00:11:13,010 --> 00:11:09,480

put it aside a little bit and did some

237

00:11:15,740 --> 00:11:13,020

research on the Brazil stuff and it was

238

00:11:18,440 --> 00:11:15,750

probably like a month month and a half

239

00:11:22,970 --> 00:11:18,450

ago I stumble across this blog post it's

240

00:11:27,830 --> 00:11:22,980

about a really strange law that was

241

00:11:30,590 --> 00:11:27,840

passed in France in 1955 that basically

242

00:11:34,130 --> 00:11:30,600

banned UFOs from flying over this town

243

00:11:36,050 --> 00:11:34,140

it's called shut enough do pop a it's in

244

00:11:41,900 --> 00:11:36,060

southern France and it was in response

245

00:11:45,310 --> 00:11:41,910

to this 1954 flap in France and it was

246

00:11:48,350 --> 00:11:45,320

kind of the first flap that featured

247

00:11:52,130 --> 00:11:48,360

humanoids and what people often describe

248

00:11:54,920 --> 00:11:52,140

seeing was these short three to four

249

00:11:57,320 --> 00:11:54,930

foot tall humanoid beings they were

250

00:11:59,210 --> 00:11:57,330

wearing what they called diving suits

251
00:12:02,210 --> 00:11:59,220
we've just seized metallic-looking suits

252
00:12:04,940 --> 00:12:02,220
that was reminiscent of you know the

253
00:12:07,580 --> 00:12:04,950
stuff before Jacques Cousteau came along

254
00:12:10,760 --> 00:12:07,590
and gave us the scuba gear and all that

255
00:12:14,330 --> 00:12:10,770
good stuff and they were often seen and

256
00:12:18,830 --> 00:12:14,340
near small craft oftentimes working on

257
00:12:21,440 --> 00:12:18,840
it and one thing that they also reported

258
00:12:24,800 --> 00:12:21,450
that was kind of startling is that these

259
00:12:26,600 --> 00:12:24,810
UFOs would paralyze these people many

260
00:12:28,580 --> 00:12:26,610
times more often than that which kind of

261
00:12:31,060 --> 00:12:28,590
relates to some of the stuff that goes

262
00:12:35,439 --> 00:12:31,070
on in Brazil but

263
00:12:37,660 --> 00:12:35,449

it was in that that really just got

264

00:12:39,670 --> 00:12:37,670

interested in in this straight line

265

00:12:42,879 --> 00:12:39,680

mystery thing so I ended up finding a

266

00:12:44,439 --> 00:12:42,889

copy of a Michele's flying saucers in

267

00:12:45,970 --> 00:12:44,449

the straight line mystery not a cheap

268

00:12:48,759 --> 00:12:45,980

book if you want to find a folks I think

269

00:12:50,499 --> 00:12:48,769

I paid like I paddled with an eBay

270

00:12:52,960 --> 00:12:50,509

seller to get it down to like thirty

271

00:12:55,090 --> 00:12:52,970

dollars you were looking at that by the

272

00:12:57,430 --> 00:12:55,100

way I try I do my best

273

00:13:01,059 --> 00:12:57,440

I am extremely envious of your UFO

274

00:13:02,590 --> 00:13:01,069

library it's just you know you get a tip

275

00:13:05,530 --> 00:13:02,600

and it's like oh hey I gotta go find

276

00:13:08,559 --> 00:13:05,540

that book so it's it's an addiction it

277

00:13:11,110 --> 00:13:08,569

really is it is and you know a lot of

278

00:13:14,499 --> 00:13:11,120

books aren't in print these days or

279

00:13:16,389 --> 00:13:14,509

they're through you know publishers that

280

00:13:18,460 --> 00:13:16,399

are very dubious that I'm not really

281

00:13:22,150 --> 00:13:18,470

totally safe with but very good point

282

00:13:24,519 --> 00:13:22,160

yeah but what you find in France in 54

283

00:13:26,379 --> 00:13:24,529

and and I give a lot of respect to the

284

00:13:27,939 --> 00:13:26,389

independent investigators because that's

285

00:13:31,030 --> 00:13:27,949

where most of this information comes

286

00:13:33,540 --> 00:13:31,040

from this stuff was investigated by Amy

287

00:13:37,240 --> 00:13:33,550

Michelle and I think one other guy and

288

00:13:40,090 --> 00:13:37,250

they collected over I want to say four

289

00:13:43,930 --> 00:13:40,100

hundred reports and though and then like

290

00:13:47,710 --> 00:13:43,940

the reporting was so good that Amy

291

00:13:49,329 --> 00:13:47,720

Michelle was actually able to take UFO

292

00:13:50,949 --> 00:13:49,339

sightings on a certain day and able to

293

00:13:53,620 --> 00:13:50,959

track it and they would always go in

294

00:13:55,410 --> 00:13:53,630

these straight line patterns from you

295

00:13:58,629 --> 00:13:55,420

know place to place to place place and

296

00:14:03,370 --> 00:13:58,639

the time frame generally matched up and

297

00:14:05,410 --> 00:14:03,380

everything and he this book is mostly

298

00:14:09,939 --> 00:14:05,420

about you know plotting all of this

299

00:14:12,460 --> 00:14:09,949

along and giving you all of these UFO

300

00:14:15,550 --> 00:14:12,470

sightings and if you want kind of a

301

00:14:17,410 --> 00:14:15,560

teaser on many of these sightings all

302

00:14:19,360 --> 00:14:17,420

you have to do is go to passport some

303

00:14:22,710 --> 00:14:19,370

ago Nia and Jacques palais has a lot of

304

00:14:26,170 --> 00:14:22,720

them in there interesting okay yeah but

305

00:14:29,319 --> 00:14:26,180

it was so fascinating to see that he was

306

00:14:31,120 --> 00:14:29,329

able to that the reporting was so good

307

00:14:34,449 --> 00:14:31,130

that he was able to track that in

308

00:14:36,629 --> 00:14:34,459

straight-line patterns and olavo Fontes

309

00:14:42,550 --> 00:14:36,639

was able to do the same thing in brazil

310

00:14:44,170 --> 00:14:42,560

he was noting in 1957 and 1960 that

311

00:14:46,000 --> 00:14:44,180

with the UFO sightings that they were

312

00:14:50,220 --> 00:14:46,010

getting they were moving in straight

313

00:14:54,580 --> 00:14:50,230

lines and he has some very interesting

314

00:14:57,400 --> 00:14:54,590

graphs in in flying saucer review and it

315

00:15:00,250 --> 00:14:57,410

it looks like a jumble of like lines and

316

00:15:03,250 --> 00:15:00,260

stuff but there it's all in straight

317

00:15:07,570 --> 00:15:03,260

line patterns and Amy Michelle was also

318

00:15:10,930 --> 00:15:07,580

able to link that to the 1957 flap in

319

00:15:14,280 --> 00:15:10,940

the United States that includes the

320

00:15:17,650 --> 00:15:14,290

famous levelin sighting in Texas that

321

00:15:19,870 --> 00:15:17,660

was kind of around the time when UFO

322

00:15:24,220 --> 00:15:19,880

started shutting off car engines right

323

00:15:27,940 --> 00:15:24,230

what's interesting about that and it

324

00:15:31,540 --> 00:15:27,950

kind of it kind of begins with Antonia

325

00:15:33,820 --> 00:15:31,550

vs boas himself but it has this it's

326

00:15:36,880 --> 00:15:33,830

almost like an analogue kind of way

327

00:15:42,370 --> 00:15:36,890

because when you look at his abduction

328

00:15:47,370 --> 00:15:42,380

account it's very there isn't a lot of

329

00:15:52,030 --> 00:15:47,380

like real authentic hi strangest to it

330

00:15:55,150 --> 00:15:52,040

when he eventually like to go into the

331

00:15:58,630 --> 00:15:55,160

basics of it Antonio vs Boas he was a 23

332

00:16:00,760 --> 00:15:58,640

year old farmer and he was living on his

333

00:16:02,440 --> 00:16:00,770

family farm at the time he was plowing a

334

00:16:04,270 --> 00:16:02,450

field at one o'clock in the morning as

335

00:16:09,070 --> 00:16:04,280

you do when you're living in Brazil

336

00:16:12,460 --> 00:16:09,080

because it's hot as hell and he had seen

337

00:16:14,290 --> 00:16:12,470

UFOs on previous occasions including the

338

00:16:18,610 --> 00:16:14,300

night before but he sees this red light

339

00:16:22,630 --> 00:16:18,620

in the sky it comes down really fast and

340

00:16:24,850 --> 00:16:22,640

it kind of cuts his tractor off from the

341

00:16:27,460 --> 00:16:24,860

the road leading to his house to

342

00:16:29,470 --> 00:16:27,470

actually get away from it and he makes

343

00:16:32,200 --> 00:16:29,480

this split-second decision that he's

344

00:16:35,140 --> 00:16:32,210

gonna try to you know outrun it anyway

345

00:16:36,190 --> 00:16:35,150

his tractor dies unfortunately so he

346

00:16:38,320 --> 00:16:36,200

makes a run for it

347

00:16:41,770 --> 00:16:38,330

doesn't make it long before he gets

348

00:16:43,540 --> 00:16:41,780

tackled by the short humanoid and he

349

00:16:45,850 --> 00:16:43,550

said it came to about his shoulder and

350

00:16:48,550 --> 00:16:45,860

he pushed it away and he continued

351
00:16:50,110 --> 00:16:48,560
running and made it about 20 feet before

352
00:16:53,320 --> 00:16:50,120
he was tackled by three more figures

353
00:16:55,760 --> 00:16:53,330
they dragged him on board a UFO they

354
00:16:58,400 --> 00:16:55,770
stripped him naked they

355
00:16:59,840 --> 00:16:58,410
took blood from his chin which seems

356
00:17:02,720 --> 00:16:59,850
like a really odd place to take blood

357
00:17:06,500 --> 00:17:02,730
but yeah you know we'll go with it he

358
00:17:10,910 --> 00:17:06,510
had sex with a female alien being or at

359
00:17:15,620 --> 00:17:10,920
least that's how he claims it yeah and

360
00:17:20,840 --> 00:17:15,630
not once but twice yeah this was not a

361
00:17:23,300 --> 00:17:20,850
one-night stand no it was he had some

362
00:17:25,130 --> 00:17:23,310
very personal feelings and when she

363
00:17:28,990 --> 00:17:25,140

rejected him the third time but you know

364

00:17:33,320 --> 00:17:29,000

like you'll have that he's so sensitive

365

00:17:37,400 --> 00:17:33,330

yes he's very sensitive but they also

366

00:17:41,510 --> 00:17:37,410

toured him around the UFO and then they

367

00:17:43,280 --> 00:17:41,520

let him out and took off and apparently

368

00:17:46,610 --> 00:17:43,290

he was on this UFO for like four and a

369

00:17:50,300 --> 00:17:46,620

half hours okay but what he found when

370

00:17:52,040 --> 00:17:50,310

he went back to his tractor is that when

371

00:17:54,410 --> 00:17:52,050

he tried to start it up he couldn't and

372

00:17:56,240 --> 00:17:54,420

then when he looked in the engine he

373

00:17:58,820 --> 00:17:56,250

just realized it's that one of the

374

00:18:02,810 --> 00:17:58,830

battery terminals was unplugged so it's

375

00:18:05,440 --> 00:18:02,820

very like it's almost like a proto kind

376

00:18:08,030 --> 00:18:05,450

of abduction because it's not really

377

00:18:09,770 --> 00:18:08,040

there isn't a lot of there isn't psychic

378

00:18:12,140 --> 00:18:09,780

elements to it he claimed that the

379

00:18:14,240 --> 00:18:12,150

beings he interacted with they had a

380

00:18:16,730 --> 00:18:14,250

very primitive language they that he

381

00:18:23,240 --> 00:18:16,740

said they sounded like dogs barking

382

00:18:25,760 --> 00:18:23,250

almost and yeah it's it kind of starts

383

00:18:28,520 --> 00:18:25,770

right there with Antonia vs Boas and

384

00:18:31,720 --> 00:18:28,530

then after that you start to see flood

385

00:18:33,260 --> 00:18:31,730

of reports of UFOs shutting off cars

386

00:18:36,290 --> 00:18:33,270

it's very weird

387

00:18:39,470 --> 00:18:36,300

yes and the thing that we stuck out to

388

00:18:41,990 --> 00:18:39,480

me about his cases this happened well

389

00:18:44,750 --> 00:18:42,000

before the Betty and Barney Hill case in

390

00:18:47,210 --> 00:18:44,760

my career for years for years so there

391

00:18:49,060 --> 00:18:47,220

you go I mean everyone thinks that they

392

00:18:52,670 --> 00:18:49,070

were sort of the start of this

393

00:18:55,100 --> 00:18:52,680

phenomenon that was starting to pop up

394

00:18:56,480 --> 00:18:55,110

everywhere but well yeah it you bring up

395

00:18:59,570 --> 00:18:56,490

a good point though you know it was

396

00:19:03,080 --> 00:18:59,580

pretty pretty straightforward in some

397

00:19:04,970 --> 00:19:03,090

respects but um that that almost says

398

00:19:06,800 --> 00:19:04,980

more to me that he's not he's not

399

00:19:08,750 --> 00:19:06,810

exaggerating anything he's like this

400

00:19:09,170 --> 00:19:08,760

what happened this is what I saw and

401

00:19:11,300 --> 00:19:09,180

this

402

00:19:16,660 --> 00:19:11,310

how they communicated so yeah

403

00:19:19,490 --> 00:19:16,670

fascinating case yeah and unfortunately

404

00:19:22,880 --> 00:19:19,500

they didn't believe him when they when

405

00:19:25,100 --> 00:19:22,890

he went in fountas had his reservations

406

00:19:28,190 --> 00:19:25,110

and there was a journalist that he

407

00:19:33,890 --> 00:19:28,200

initially got in contact with named John

408

00:19:37,580 --> 00:19:33,900

Martin see he kind of he was the kind of

409

00:19:40,250 --> 00:19:37,590

the UFO journalist for this magazine

410

00:19:43,010 --> 00:19:40,260

called Oh crucero I think is how it's

411

00:19:46,460 --> 00:19:43,020

pronounced but he didn't believe his

412

00:19:49,820 --> 00:19:46,470

story at all and either this guy is

413

00:19:53,260 --> 00:19:49,830

really imaginative because when you read

414

00:19:56,570 --> 00:19:53,270

his affidavit it's like a 13-page

415

00:19:59,120 --> 00:19:56,580

affidavit is full of so much detail the

416

00:20:01,330 --> 00:19:59,130

guy didn't really miss a beat and he did

417

00:20:07,270 --> 00:20:01,340

he had conscious recall of everything so

418

00:20:10,250 --> 00:20:07,280

it that makes it stand out as a very

419

00:20:13,820 --> 00:20:10,260

strange kind of abduction that almost

420

00:20:16,640 --> 00:20:13,830

seems more human kind of in a way like

421

00:20:19,070 --> 00:20:16,650

the perpetrators may have been human but

422

00:20:22,160 --> 00:20:19,080

and there's conspiracies like that but

423

00:20:24,470 --> 00:20:22,170

yeah it's it's a very strange case the

424

00:20:26,600 --> 00:20:24,480

whole Brazil thing there's so much rich

425

00:20:29,000 --> 00:20:26,610

UFO history when it comes to Brazil so

426

00:20:31,160 --> 00:20:29,010

I'm glad someone's seeking it out I do

427

00:20:34,400 --> 00:20:31,170

want to go back for a minute they'll Rob

428

00:20:37,040 --> 00:20:34,410

you brought up these laws in France um

429

00:20:39,320 --> 00:20:37,050

I've got to read these really quick if

430

00:20:42,800 --> 00:20:39,330

you don't mind yeah this is hilarious

431

00:20:44,720 --> 00:20:42,810

okay so in 1954 here's the law of the

432

00:20:46,940 --> 00:20:44,730

overflight the landing and the takeoff

433

00:20:49,550 --> 00:20:46,950

of aircraft known as flying saucers are

434

00:20:51,680 --> 00:20:49,560

flying cigars whatever their nationality

435

00:20:54,320 --> 00:20:51,690

is are prohibited on the territory of

436

00:20:56,390 --> 00:20:54,330

the community article 2 any aircraft

437

00:20:58,040 --> 00:20:56,400

known as flying saucers flying cigar

438

00:21:00,500 --> 00:20:58,050

which should land on the territory of

439

00:21:02,080 --> 00:21:00,510

the community will immediately be held

440

00:21:04,640 --> 00:21:02,090

in custody

441

00:21:07,520 --> 00:21:04,650

article 3 the forest officer and the

442

00:21:10,520 --> 00:21:07,530

city policemen are in charge each one in

443

00:21:13,250 --> 00:21:10,530

what relates to him of the execution of

444

00:21:15,710 --> 00:21:13,260

this decree so there you go man city

445

00:21:19,610 --> 00:21:15,720

policemen are in charge of a UFO lands

446

00:21:22,820 --> 00:21:19,620

it's fun to watch these laws pop up in

447

00:21:26,660 --> 00:21:22,830

like random places that have

448

00:21:28,430 --> 00:21:26,670

to do with like UFOs Washington there's

449

00:21:33,940 --> 00:21:28,440

a county in Washington that has a

450

00:21:36,980 --> 00:21:33,950

Bigfoot law that basically says if they

451
00:21:38,630 --> 00:21:36,990
when they examine the animal if it turns

452
00:21:41,920 --> 00:21:38,640
out to be more human you're gonna be

453
00:21:44,750 --> 00:21:41,930
charged basically with manslaughter so

454
00:21:46,070 --> 00:21:44,760
well in we know John Green while - over

455
00:21:47,930 --> 00:21:46,080
at the black vote he's found many

456
00:21:50,570 --> 00:21:47,940
documents throughout history where like

457
00:21:52,850 --> 00:21:50,580
either the army or like the fire

458
00:21:57,020 --> 00:21:52,860
department there's like contingency

459
00:22:02,030 --> 00:21:57,030
plans if a UFO is found it's crazy yeah

460
00:22:04,580 --> 00:22:02,040
absolutely there was before Dave Politis

461
00:22:09,950 --> 00:22:04,590
became the missing for one one guy his

462
00:22:13,520 --> 00:22:09,960
thing was researching Bigfoot he ended

463
00:22:16,280 --> 00:22:13,530

up staying in interviewing many of the

464

00:22:18,710 --> 00:22:16,290

Hupa people which are in northern

465

00:22:20,570 --> 00:22:18,720

california getting their statements but

466

00:22:22,430 --> 00:22:20,580

in the beginning of his book it's called

467

00:22:26,590 --> 00:22:22,440

the Hupa project he talks about how

468

00:22:32,150 --> 00:22:26,600

there is a I want to say there's like a

469

00:22:36,760 --> 00:22:32,160

US Army Corps of Engineers map that has

470

00:22:40,670 --> 00:22:36,770

big foot on it and listing it as like a

471

00:22:43,940 --> 00:22:40,680

potential threat to like deforestation

472

00:22:46,310 --> 00:22:43,950

and you know like like it would we would

473

00:22:49,040 --> 00:22:46,320

be like a threat to them if we decided

474

00:22:50,990 --> 00:22:49,050

to DeForest in certain areas so it was

475

00:22:55,250 --> 00:22:51,000

kind of interesting and then it has kind

476
00:22:58,760 --> 00:22:55,260
of a funny cartoon underneath it and it

477
00:23:00,680 --> 00:22:58,770
says something like Bigfoot does not

478
00:23:02,090 --> 00:23:00,690
exist and we shouldn't be putting stuff

479
00:23:05,840 --> 00:23:02,100
in there like that or something like

480
00:23:07,610 --> 00:23:05,850
that it's kind of funny that's awesome

481
00:23:10,460 --> 00:23:07,620
yeah Bigfoot's make it a comeback lately

482
00:23:13,640 --> 00:23:10,470
in the mainstream media - so yes it's

483
00:23:15,820 --> 00:23:13,650
pretty cool well one of the other cases

484
00:23:19,280 --> 00:23:15,830
rather wanted to cover with you here is

485
00:23:22,280 --> 00:23:19,290
you tweeted recently about a case in New

486
00:23:24,350 --> 00:23:22,290
Jersey back on back in our neck of the

487
00:23:27,260 --> 00:23:24,360
woods here that involved a hefty amount

488
00:23:28,820 --> 00:23:27,270

of aliens so can you maybe run us

489

00:23:32,780 --> 00:23:28,830

through this case and what you found

490

00:23:36,200 --> 00:23:32,790

most interesting about it oh yeah this

491

00:23:39,470 --> 00:23:36,210

is a fun little case from 1975

492

00:23:44,180 --> 00:23:39,480

like a whole nine months before the

493

00:23:46,010 --> 00:23:44,190

Travis Walton abduction and it's I first

494

00:23:50,480 --> 00:23:46,020

first read about it in Budd Hopkins

495

00:23:53,870 --> 00:23:50,490

missing time and it's in this like Park

496

00:23:59,090 --> 00:23:53,880

in North Bergen New Jersey now if you're

497

00:24:01,910 --> 00:23:59,100

in Manhattan and you're standing on West

498

00:24:04,520 --> 00:24:01,920

89th Street you can look across the

499

00:24:07,040 --> 00:24:04,530

Hudson River and you can see kind of the

500

00:24:10,400 --> 00:24:07,050

landmark in the area where this happened

501
00:24:13,250 --> 00:24:10,410
it happened near this circular apartment

502
00:24:18,200 --> 00:24:13,260
building called the Stonehenge which at

503
00:24:21,350 --> 00:24:18,210
the time it was pretty it was pretty

504
00:24:23,240 --> 00:24:21,360
much brand-new it wasn't open that long

505
00:24:25,610 --> 00:24:23,250
it was very modern looking I mean

506
00:24:27,740 --> 00:24:25,620
looking at it now it's it's not like you

507
00:24:31,190 --> 00:24:27,750
have many round apartment buildings he

508
00:24:34,040 --> 00:24:31,200
stays but it's and if you want to get

509
00:24:37,340 --> 00:24:34,050
really technical it's New Jersey's 42nd

510
00:24:41,710 --> 00:24:37,350
tallest building there you go man doing

511
00:24:48,440 --> 00:24:41,720
the deep research oh yeah but basically

512
00:24:53,150 --> 00:24:48,450
Budd Hopkins at the time in 1976 there

513
00:24:55,580 --> 00:24:53,160

sorry 1975 November 1975 he he has a

514

00:24:59,330 --> 00:24:55,590

studio right across the street from this

515

00:25:02,270 --> 00:24:59,340

liquor store and as he would you know

516

00:25:04,160 --> 00:25:02,280

would have it he would go at the end of

517

00:25:05,920 --> 00:25:04,170

the day you don't usually go over buy a

518

00:25:08,840 --> 00:25:05,930

bottle of wine or something like that

519

00:25:10,640 --> 00:25:08,850

something bougie because I mean it's fun

520

00:25:14,630 --> 00:25:10,650

Hopkins he's an artist you know it's

521

00:25:18,730 --> 00:25:14,640

just yeah it's just this nature and yeah

522

00:25:23,090 --> 00:25:18,740

he rolls in sometime in mid November

523

00:25:25,880 --> 00:25:23,100

1975 and the guy at the counter his

524

00:25:29,830 --> 00:25:25,890

name's George Oh Barsky means he's

525

00:25:32,570 --> 00:25:29,840

co-owns the building he's mumbling about

526

00:25:34,610 --> 00:25:32,580

you you never know when something's

527

00:25:36,560 --> 00:25:34,620

gonna come out of the sky near you and

528

00:25:38,360 --> 00:25:36,570

startle you and stuff like that and you

529

00:25:44,540 --> 00:25:38,370

know it catches Budd Hopkins attention

530

00:25:46,610 --> 00:25:44,550

now this is November 75 so if I'm I'm

531

00:25:48,590 --> 00:25:46,620

wondering why this guy's babbling about

532

00:25:49,910 --> 00:25:48,600

this I'm wondering if you know he may

533

00:25:52,940 --> 00:25:49,920

have saw something about travel

534

00:25:56,630 --> 00:25:52,950

Walton because it was you know around

535

00:25:58,850 --> 00:25:56,640

this time so but you know starts asking

536

00:26:03,950 --> 00:25:58,860

him you know a little bit about this and

537

00:26:05,810 --> 00:26:03,960

you know it's busy a busy liquor store

538

00:26:08,390 --> 00:26:05,820

so he comes back he's got his recorder

539

00:26:12,740 --> 00:26:08,400

and Giorgio Barsky tells him this story

540

00:26:15,530 --> 00:26:12,750

about how in January of 75 he's closed

541

00:26:18,260 --> 00:26:15,540

up shop he's driving home he lives in

542

00:26:20,030 --> 00:26:18,270

North Bergen New Jersey and he cuts

543

00:26:22,220 --> 00:26:20,040

through this park called the North

544

00:26:27,140 --> 00:26:22,230

Hudson Park and it's just kind of this

545

00:26:30,050 --> 00:26:27,150

random park it's it stands out in the

546

00:26:32,870 --> 00:26:30,060

middle of a you big city but it's got

547

00:26:36,220 --> 00:26:32,880

playing fields of all kinds got a little

548

00:26:39,950 --> 00:26:36,230

lake in it and it's right across from

549

00:26:43,700 --> 00:26:39,960

this apartment building called the

550

00:26:46,280 --> 00:26:43,710

Stonehenge so he's cutting through the

551
00:26:49,370 --> 00:26:46,290
park on his way home when he sees this

552
00:26:51,790 --> 00:26:49,380
really bright light coming past him I'm

553
00:26:54,890 --> 00:26:51,800
basically keeping pace with his car and

554
00:26:58,850 --> 00:26:54,900
it lands in a field nearby

555
00:27:01,820 --> 00:26:58,860
now George stops his car and he and he

556
00:27:05,570 --> 00:27:01,830
just watches it and this object it's

557
00:27:08,420 --> 00:27:05,580
like 30 feet long it's very weird it's

558
00:27:11,270 --> 00:27:08,430
like a dome kind of structure with these

559
00:27:16,750 --> 00:27:11,280
windows that are all around the side and

560
00:27:20,330 --> 00:27:16,760
he sees this ladder come down and these

561
00:27:22,220 --> 00:27:20,340
10 alien beings getting out he described

562
00:27:25,460 --> 00:27:22,230
them pretty much this like short greys

563
00:27:30,140 --> 00:27:25,470

and they're all carrying a small shovel

564

00:27:31,850 --> 00:27:30,150

and a bag and they all start digging in

565

00:27:35,510 --> 00:27:31,860

the ground and they fill up these bags

566

00:27:37,160 --> 00:27:35,520

and it's very kind of robotic they're

567

00:27:39,770 --> 00:27:37,170

very systematic in the way that they do

568

00:27:42,650 --> 00:27:39,780

this and they got the job job done with

569

00:27:46,970 --> 00:27:42,660

inform about four minutes and then boom

570

00:27:51,040 --> 00:27:46,980

the craft takes off so o'Barr skis

571

00:27:54,620 --> 00:27:51,050

naturally shaken up he goes home he

572

00:27:56,990 --> 00:27:54,630

takes a couple aspirin and he tries to

573

00:27:59,870 --> 00:27:57,000

fall asleep and eventually does next

574

00:28:02,420 --> 00:27:59,880

morning goes out goes to this park and

575

00:28:03,600 --> 00:28:02,430

he's thinking that it must have been a

576

00:28:07,440 --> 00:28:03,610

dream or something

577

00:28:11,340 --> 00:28:07,450

like that and he goes and he finds 15

578

00:28:14,160 --> 00:28:11,350

holes in the ground around the area

579

00:28:17,760 --> 00:28:14,170

where these aliens were digging the

580

00:28:19,970 --> 00:28:17,770

ground up and he pops a couple more

581

00:28:22,110 --> 00:28:19,980

aspirin he's a little more nervous and

582

00:28:26,039 --> 00:28:22,120

you know he kind of keeps it to himself

583

00:28:27,720 --> 00:28:26,049

for he did he literally didn't tell

584

00:28:31,620 --> 00:28:27,730

anybody including his son who was living

585

00:28:34,940 --> 00:28:31,630

with him and until that day when bud cop

586

00:28:38,100 --> 00:28:34,950

but Hopkins comes in and Budd Hopkins

587

00:28:40,200 --> 00:28:38,110

you know this is his early days as an

588

00:28:43,470 --> 00:28:40,210

investigator and he's like well I need

589

00:28:47,520 --> 00:28:43,480

resources so in context had blocker and

590

00:28:50,190 --> 00:28:47,530

a guy named Jerry story I think is his

591

00:28:51,659 --> 00:28:50,200

name he was a member of MUFON and they

592

00:28:54,090 --> 00:28:51,669

investigated the hell out of this case

593

00:28:55,860 --> 00:28:54,100

they found an eyewitness at the

594

00:28:58,289 --> 00:28:55,870

Stonehenge apartment building that

595

00:29:04,440 --> 00:28:58,299

worked the door who saw a light on that

596

00:29:07,890 --> 00:29:04,450

night and apparently around the time

597

00:29:10,860 --> 00:29:07,900

that this craft was departing it ended

598

00:29:12,060 --> 00:29:10,870

up that they heard like a sound what he

599

00:29:14,940 --> 00:29:12,070

were heard like a sound wave or

600

00:29:17,789 --> 00:29:14,950

something like that and it shattered

601
00:29:22,100 --> 00:29:17,799
part of the glass on the front door of

602
00:29:25,230 --> 00:29:22,110
the building he hit yeah and prior to

603
00:29:27,900 --> 00:29:25,240
this incident about a week before that

604
00:29:31,049 --> 00:29:27,910
there was a family a few blocks down

605
00:29:34,230 --> 00:29:31,059
that saw this weird object passed by

606
00:29:36,780 --> 00:29:34,240
their window there were so you know

607
00:29:38,610 --> 00:29:36,790
amazed by it they all ran outside their

608
00:29:40,289 --> 00:29:38,620
house some of them weren't even wearing

609
00:29:45,330 --> 00:29:40,299
shoes and they chased this thing down

610
00:29:48,299 --> 00:29:45,340
the block that is dedication oh yeah

611
00:29:51,630 --> 00:29:48,309
pure pure dedication but like basically

612
00:29:53,610 --> 00:29:51,640
it's one of the probably best

613
00:29:56,789 --> 00:29:53,620

investigated cases that you'll ever read

614

00:29:58,950 --> 00:29:56,799

you can go on to Kew Phocis website and

615

00:30:00,720 --> 00:29:58,960

there's a great write-up in there

616

00:30:03,360 --> 00:30:00,730

I think they housed it under their

617

00:30:06,659 --> 00:30:03,370

abduction papers and there's kind of a

618

00:30:08,190 --> 00:30:06,669

question interest maybe maybe Oh Barsky

619

00:30:10,799 --> 00:30:08,200

was abducted because there's a little

620

00:30:14,430 --> 00:30:10,809

bit of a time difference there but you

621

00:30:17,460 --> 00:30:14,440

know can't be totally sure but yeah that

622

00:30:19,140 --> 00:30:17,470

was it's one very straight

623

00:30:22,289 --> 00:30:19,150

is a populated area heavily populated

624

00:30:24,539 --> 00:30:22,299

area in North Bergen is a decent sized

625

00:30:26,159 --> 00:30:24,549

City and not to mention you're right

626

00:30:28,560 --> 00:30:26,169

across from like one of the biggest

627

00:30:30,270 --> 00:30:28,570

cities in the world yeah exactly I know

628

00:30:33,480 --> 00:30:30,280

everyone thinks these things happen in

629

00:30:36,480 --> 00:30:33,490

very you know rural areas but no we got

630

00:30:38,340 --> 00:30:36,490

them here in the city as well right yeah

631

00:30:42,240 --> 00:30:38,350

absolutely I mean you you talked about

632

00:30:45,899 --> 00:30:42,250

having a sighting second sighting

633

00:30:48,779 --> 00:30:45,909

yourself I saw the the youth video

634

00:30:51,060 --> 00:30:48,789

yeah dude yeah that was my second and

635

00:30:54,029 --> 00:30:51,070

only other UFO sighting that I can

636

00:30:56,549 --> 00:30:54,039

really think of at least but um yeah it

637

00:31:00,390 --> 00:30:56,559

was so cool to have to have Jim here and

638

00:31:02,940 --> 00:31:00,400

Carl to be there on the rooftop with me

639

00:31:05,159 --> 00:31:02,950

where we're you know right off the block

640

00:31:06,330 --> 00:31:05,169

where I saw this thing but yeah we see

641

00:31:09,120 --> 00:31:06,340

them here in the city all the time the

642

00:31:11,190 --> 00:31:09,130

problem is there's so much aircraft over

643

00:31:12,750 --> 00:31:11,200

us then like you never know

644

00:31:14,430 --> 00:31:12,760

you just never know I remember I

645

00:31:16,200 --> 00:31:14,440

downloaded an app where you could see

646

00:31:19,230 --> 00:31:16,210

every plane in the air

647

00:31:21,450 --> 00:31:19,240

and I just flicked it on one random

648

00:31:24,990 --> 00:31:21,460

night and there was literally I think it

649

00:31:28,409 --> 00:31:25,000

says something like 300 flights right

650

00:31:30,690 --> 00:31:28,419

out of me oh god it's I don't know how

651
00:31:34,529 --> 00:31:30,700
that many planes can be coming in and

652
00:31:39,000 --> 00:31:34,539
out of both either LaGuardia JFK Newark

653
00:31:43,830 --> 00:31:39,010
I don't know without crashing it's

654
00:31:44,279 --> 00:31:43,840
beyond me yeah yeah I don't want my head

655
00:31:46,320 --> 00:31:44,289
around that

656
00:31:48,600 --> 00:31:46,330
that's wild it's too much man but yeah

657
00:31:50,430 --> 00:31:48,610
whatever I saw that night I I still

658
00:31:53,190 --> 00:31:50,440
think it was probably a satellite just

659
00:31:55,169 --> 00:31:53,200
its movement and the way I tracked it

660
00:31:57,659 --> 00:31:55,179
and everything but yeah it definitely

661
00:31:59,570 --> 00:31:57,669
like shot up into the sky and kind of

662
00:32:02,340 --> 00:31:59,580
disappeared so that's when I was like

663
00:32:05,039 --> 00:32:02,350

what like either my eyes play tricks on

664

00:32:09,740 --> 00:32:05,049

me or this satellite had some sort of

665

00:32:13,610 --> 00:32:09,750

like thrust to it beyond what it had so

666

00:32:17,100 --> 00:32:13,620

but this isn't about me Rob this is it

667

00:32:24,149 --> 00:32:17,110

these four people in New Jersey running

668

00:32:26,490 --> 00:32:24,159

barefoot after a UFO yeah it's amazing

669

00:32:28,850 --> 00:32:26,500

that they were actually able to find as

670

00:32:30,749 --> 00:32:28,860

many eyewitnesses to this and like right

671

00:32:32,069 --> 00:32:30,759

they just and

672

00:32:34,439 --> 00:32:32,079

they did it old school they went

673

00:32:37,579 --> 00:32:34,449

door-to-door they bugged everybody that

674

00:32:39,869 --> 00:32:37,589

they could at the at the Stonehenge and

675

00:32:42,689 --> 00:32:39,879

you know they they just tracked down

676
00:32:45,449 --> 00:32:42,699
leads there was why I believe one of the

677
00:32:48,629 --> 00:32:45,459
members of that family was they were at

678
00:32:50,310 --> 00:32:48,639
a UFO talk that somebody was given it

679
00:32:52,919 --> 00:32:50,320
might have been Ted Walker himself but

680
00:32:55,349 --> 00:32:52,929
they came up and said oh we we saw

681
00:32:58,619 --> 00:32:55,359
something you know on this day and we

682
00:33:00,359 --> 00:32:58,629
chased it down the street yeah that's a

683
00:33:02,430 --> 00:33:00,369
good point though like doing the due

684
00:33:04,079 --> 00:33:02,440
diligence when it comes to investigating

685
00:33:06,180 --> 00:33:04,089
these things I know you had John Tenney

686
00:33:08,609 --> 00:33:06,190
on the show recently and he brought up a

687
00:33:10,469 --> 00:33:08,619
good point he said you know I had these

688
00:33:12,269 --> 00:33:10,479

humanoid sightings happening in this

689

00:33:14,369 --> 00:33:12,279

town so what did I do

690

00:33:16,319 --> 00:33:14,379

I went door-to-door and tried to ask

691

00:33:18,449 --> 00:33:16,329

other people if they'd seen anything and

692

00:33:18,989 --> 00:33:18,459

like you never hear about people doing

693

00:33:21,959 --> 00:33:18,999

that anymore

694

00:33:24,209 --> 00:33:21,969

it's either posted on Facebook anyone

695

00:33:26,819 --> 00:33:24,219

see this or you know you just hope that

696

00:33:29,479 --> 00:33:26,829

someone finds you but no there's people

697

00:33:32,489 --> 00:33:29,489

are going out there and doing the work

698

00:33:35,189 --> 00:33:32,499

yeah it's important because I mean like

699

00:33:37,859 --> 00:33:35,199

that when you go knock on somebody's

700

00:33:40,259 --> 00:33:37,869

door you're showing them that you're

701
00:33:42,329 --> 00:33:40,269
taking the time that this is important

702
00:33:46,829 --> 00:33:42,339
and that what they have to say is

703
00:33:49,739 --> 00:33:46,839
important so the it's it's kind it's

704
00:33:51,839 --> 00:33:49,749
it's important to do because what you

705
00:33:53,999 --> 00:33:51,849
see that MUFON investigators do and I

706
00:33:56,099 --> 00:33:54,009
understand they don't have time to get

707
00:33:59,579 --> 00:33:56,109
out and investigate like a bunch of

708
00:34:03,449 --> 00:33:59,589
cases but most of the time it's an email

709
00:34:05,549 --> 00:34:03,459
a phone call and that's it yeah yeah I

710
00:34:08,430 --> 00:34:05,559
know it's it's the digital age we live

711
00:34:10,109 --> 00:34:08,440
in it's good and bad at times but even I

712
00:34:13,829 --> 00:34:10,119
find myself doing the same thing I'm

713
00:34:16,139 --> 00:34:13,839

like I don't want to go to you know I

714

00:34:21,720 --> 00:34:16,149

don't even want to go to New Jersey to

715

00:34:24,269 --> 00:34:21,730

interview someone but now put the

716

00:34:26,190 --> 00:34:24,279

working guys put the work in well here's

717

00:34:29,129 --> 00:34:26,200

another one you recently covered on the

718

00:34:32,309 --> 00:34:29,139

hour strange skies podcast Rob ISM Terry

719

00:34:36,299 --> 00:34:32,319

Lovelace this case I recently had him on

720

00:34:38,909 --> 00:34:36,309

a bonus episode of my show and it was an

721

00:34:40,599 --> 00:34:38,919

interview conducted by longtime listener

722

00:34:42,700 --> 00:34:40,609

mind Daniel Island

723

00:34:44,260 --> 00:34:42,710

I had him as sort of a correspondent I

724

00:34:46,809 --> 00:34:44,270

would had contact in the desert and

725

00:34:48,790 --> 00:34:46,819

that's where he he got to meet Terry

726

00:34:50,889 --> 00:34:48,800

Lovelace so a shout out to Daniel for

727

00:34:54,220 --> 00:34:50,899

his awesome correspondence work first of

728

00:34:56,500 --> 00:34:54,230

all but I know that you you did a really

729

00:34:58,990 --> 00:34:56,510

good dive into this case so would you

730

00:35:01,300 --> 00:34:59,000

mind maybe running us through the basics

731

00:35:04,630 --> 00:35:01,310

of it I know that's probably hard to do

732

00:35:06,910 --> 00:35:04,640

if there are any basics to it and your

733

00:35:09,670 --> 00:35:06,920

impressions of this case I know we're

734

00:35:12,839 --> 00:35:09,680

gonna get him on eventually Terry's kind

735

00:35:16,809 --> 00:35:12,849

of an interesting person just because he

736

00:35:18,490 --> 00:35:16,819

represents this new age of experiencers

737

00:35:20,109 --> 00:35:18,500

in the way that they get their stories

738

00:35:23,859 --> 00:35:20,119

out there and and that's through

739

00:35:28,660 --> 00:35:23,869

self-publishing so if you look at a lot

740

00:35:30,460 --> 00:35:28,670

of experience or stories they are

741

00:35:32,710 --> 00:35:30,470

through self-published works

742

00:35:35,349 --> 00:35:32,720

sherry wild self-published her book I

743

00:35:38,819 --> 00:35:35,359

believe there's a there's a few others

744

00:35:42,670 --> 00:35:38,829

that come to mind but Terry's kind of

745

00:35:45,280 --> 00:35:42,680

leading the pack and at least lately and

746

00:35:49,270 --> 00:35:45,290

I think the reason is is because his

747

00:35:55,480 --> 00:35:49,280

story is very strange it's very kind of

748

00:35:58,359 --> 00:35:55,490

relatable too but there's also not a ton

749

00:36:01,990 --> 00:35:58,369

of detail at times and then it's kind of

750

00:36:04,720 --> 00:36:02,000

juxtaposed with a lot of detail of about

751

00:36:07,900 --> 00:36:04,730

one incident but for Terry the story

752

00:36:11,589 --> 00:36:07,910

kind of begins in October of 2012

753

00:36:13,900 --> 00:36:11,599

Terry was and he probably still is an

754

00:36:15,520 --> 00:36:13,910

avid jogger and it's kind of funny to

755

00:36:19,329 --> 00:36:15,530

read in this book how his dad has

756

00:36:21,670 --> 00:36:19,339

objections about him jogging but I mean

757

00:36:24,460 --> 00:36:21,680

it was a different time the early 1980s

758

00:36:27,370 --> 00:36:24,470

jogging was new and you kind of asked

759

00:36:29,260 --> 00:36:27,380

Terry a good question why do you want to

760

00:36:31,960 --> 00:36:29,270

run if no one's chasing you and it's

761

00:36:35,050 --> 00:36:31,970

kind of this very prescient you Bickett

762

00:36:36,370 --> 00:36:35,060

ubiquitous question like why the heck

763

00:36:39,190 --> 00:36:36,380

would you want to do that what the heck

764

00:36:45,660 --> 00:36:39,200

you're running from and then he proceeds

765

00:36:48,130 --> 00:36:45,670

to lay out that in October of 2012 he

766

00:36:50,200 --> 00:36:48,140

often when he was running his right knee

767

00:36:53,800 --> 00:36:50,210

there was a spot above his right knee I

768

00:36:57,160 --> 00:36:53,810

would often go numb which is not

769

00:37:00,640 --> 00:36:57,170

something you hear happening to most

770

00:37:02,530 --> 00:37:00,650

runners and he he initially had it too

771

00:37:05,230 --> 00:37:02,540

checked out and the doctor basically

772

00:37:06,000 --> 00:37:05,240

said well if it ain't broke don't worry

773

00:37:08,350 --> 00:37:06,010

about it

774

00:37:12,520 --> 00:37:08,360

it doesn't cause you pain it's not a

775

00:37:14,350 --> 00:37:12,530

problem so he goes on runs for years and

776

00:37:16,360 --> 00:37:14,360

years and years and years and then one

777

00:37:19,870 --> 00:37:16,370

morning he wakes up with this incredible

778

00:37:23,650 --> 00:37:19,880

pain in his leg and his wife Sheila

779

00:37:27,960 --> 00:37:23,660

drives him to the emergency room they

780

00:37:31,270 --> 00:37:27,970

take an x-ray and they find basically a

781

00:37:34,450 --> 00:37:31,280

it's like I'm um looks like a piece of

782

00:37:38,440 --> 00:37:34,460

metal the long thin piece of metal and

783

00:37:40,540 --> 00:37:38,450

they also find this very strange like

784

00:37:43,600 --> 00:37:40,550

circular pattern of what they called

785

00:37:49,600 --> 00:37:43,610

bone but it's like laid out in this like

786

00:37:53,310 --> 00:37:49,610

floral type pattern so for this causes

787

00:37:55,960 --> 00:37:53,320

Terry to kind of remember a lot of

788

00:37:59,410 --> 00:37:55,970

strange incidents from his past that

789

00:38:01,030 --> 00:37:59,420

goes back to when he was eight years old

790

00:38:03,280 --> 00:38:01,040

and even younger you would talk about

791

00:38:05,920 --> 00:38:03,290

these experiences what with what he

792

00:38:09,250 --> 00:38:05,930

called the monkey Ben and they were

793

00:38:12,370 --> 00:38:09,260

these shadowy figures that would dart

794

00:38:15,970 --> 00:38:12,380

around his bedroom on certain nights and

795

00:38:17,920 --> 00:38:15,980

when they would come out into the light

796

00:38:20,320 --> 00:38:17,930

from like the moon or something they

797

00:38:24,520 --> 00:38:20,330

would have these they looked very much

798

00:38:27,250 --> 00:38:24,530

like a short bipedal kind of like a grey

799

00:38:31,270 --> 00:38:27,260

but their face was more monkey like and

800

00:38:33,310 --> 00:38:31,280

then her eyes were yellow and he they

801
00:38:36,070 --> 00:38:33,320
would always ask him you know come out

802
00:38:38,440 --> 00:38:36,080
and play with us and Terry wasn't having

803
00:38:41,830 --> 00:38:38,450
any of it so he just screams screams

804
00:38:43,810 --> 00:38:41,840
lungs out and this would happen for you

805
00:38:46,750 --> 00:38:43,820
know a good portion of his childhood and

806
00:38:49,290 --> 00:38:46,760
he would have you know a few UFO

807
00:38:52,570 --> 00:38:49,300
experiences there was one during the day

808
00:38:55,320 --> 00:38:52,580
when he was just outside playing with a

809
00:38:58,330 --> 00:38:55,330
bow and arrow and there's a UFO that

810
00:39:00,400 --> 00:38:58,340
just kind of comes over and hangs around

811
00:39:01,960 --> 00:39:00,410
him for a little while he lays back on

812
00:39:05,470 --> 00:39:01,970
the grass and watches it for a little

813
00:39:07,650 --> 00:39:05,480

bit and then it shoots off then a couple

814

00:39:11,260 --> 00:39:07,660

months later he has this

815

00:39:13,300 --> 00:39:11,270

seize this series of lights that are

816

00:39:16,000 --> 00:39:13,310

coming through underneath his drapes and

817

00:39:18,100 --> 00:39:16,010

he shoots out of bed he's kind of

818

00:39:21,460 --> 00:39:18,110

apathetic at first which is something

819

00:39:24,390 --> 00:39:21,470

you know a lot of UFO witnesses kind of

820

00:39:28,920 --> 00:39:24,400

report being this like indifference and

821

00:39:32,080 --> 00:39:28,930

he's been teased a lot by his sister and

822

00:39:34,330 --> 00:39:32,090

he kind of wants proof so he can hear

823

00:39:36,610 --> 00:39:34,340

this low humming sound also that's

824

00:39:39,130 --> 00:39:36,620

coming through with it and it vibrates

825

00:39:41,350 --> 00:39:39,140

the entire room so much that a bottle

826

00:39:44,530 --> 00:39:41,360

plane that's on his dresser just falls

827

00:39:47,320 --> 00:39:44,540

off onto the floor he's like if it stays

828

00:39:51,010 --> 00:39:47,330

there I know this is proof well okay and

829

00:39:52,930 --> 00:39:51,020

then and then he goes to the window and

830

00:39:57,090 --> 00:39:52,940

actually gets a look at this thing and

831

00:40:00,220 --> 00:39:57,100

it's a you know your classic saucer UFO

832

00:40:02,860 --> 00:40:00,230

shooting out these green and yellow

833

00:40:04,780 --> 00:40:02,870

lights and such and he's like I'll

834

00:40:07,030 --> 00:40:04,790

sweeten the pot by messing up the drapes

835

00:40:07,540 --> 00:40:07,040

and that way I'll know this really

836

00:40:10,150 --> 00:40:07,550

happened

837

00:40:11,980 --> 00:40:10,160

so does that he wakes up the next

838

00:40:14,950 --> 00:40:11,990

morning and the way that he describes it

839

00:40:18,820 --> 00:40:14,960

is like the moment he hits his head hits

840

00:40:21,370 --> 00:40:18,830

the pillow it's like a switch in the and

841

00:40:23,410 --> 00:40:21,380

then it's daylight and he just wakes up

842

00:40:25,630 --> 00:40:23,420

like he didn't get any sleep at all and

843

00:40:27,010 --> 00:40:25,640

the model plane still in the floor the

844

00:40:33,130 --> 00:40:27,020

drapes are still messed up so that's

845

00:40:37,120 --> 00:40:33,140

proof for him but as he progresses he

846

00:40:39,940 --> 00:40:37,130

yes less sightings as his teenage years

847

00:40:45,810 --> 00:40:39,950

go by and after he graduates from high

848

00:40:49,840 --> 00:40:45,820

school he enlists in the Air Force and

849

00:40:51,250 --> 00:40:49,850

he's basically an Army medic that's what

850

00:40:53,470 --> 00:40:51,260

he specialized in that's what he got

851
00:40:56,800 --> 00:40:53,480
training in and he's stationed at

852
00:40:58,960 --> 00:40:56,810
Whiteman Air Force Base he he's a medic

853
00:41:02,290 --> 00:40:58,970
there with a with a guy named Toby it's

854
00:41:05,380 --> 00:41:02,300
a african-american man and they become

855
00:41:08,170 --> 00:41:05,390
really great friends and one night in 75

856
00:41:11,680 --> 00:41:08,180
it's January so it's really cold as hell

857
00:41:14,680 --> 00:41:11,690
out there yet they get a call that they

858
00:41:19,840 --> 00:41:14,690
need to go retrieve a guy who fell off

859
00:41:21,460 --> 00:41:19,850
of a silo and where they were is a it's

860
00:41:23,170 --> 00:41:21,470
a missile silo

861
00:41:27,910 --> 00:41:23,180
I believe they had nuclear ordnance

862
00:41:31,690 --> 00:41:27,920
there and yeah and they pull up and they

863
00:41:33,220 --> 00:41:31,700

see this these military checkpoints and

864

00:41:36,100 --> 00:41:33,230

a bunch of people just standing around

865

00:41:38,320 --> 00:41:36,110

which is really odd and Toby gets it out

866

00:41:40,090 --> 00:41:38,330

of the head of the vehicle and he goes

867

00:41:42,850 --> 00:41:40,100

up and he's like he comes back and says

868

00:41:47,830 --> 00:41:42,860

you got to come check this out and above

869

00:41:50,140 --> 00:41:47,840

this silo is this UFO it's just hanging

870

00:41:52,090 --> 00:41:50,150

out there and it's there for maybe like

871

00:41:54,220 --> 00:41:52,100

five more minutes before it shoots off

872

00:41:58,210 --> 00:41:54,230

and they retrieve the guy so there's

873

00:42:01,000 --> 00:41:58,220

another UFO sighting forum and then a

874

00:42:05,560 --> 00:42:01,010

couple years later the they both have

875

00:42:07,930 --> 00:42:05,570

another UFO sighting and in like it's

876

00:42:09,570 --> 00:42:07,940

around the same time in January and a

877

00:42:12,130 --> 00:42:09,580

couple months later

878

00:42:14,680 --> 00:42:12,140

Toby has this idea that they should go

879

00:42:16,720 --> 00:42:14,690

camping now these are two city guys they

880

00:42:20,010 --> 00:42:16,730

know no jack about camping

881

00:42:22,810 --> 00:42:20,020

so it's just like one of those like

882

00:42:25,600 --> 00:42:22,820

impulse things that happens and like

883

00:42:28,660 --> 00:42:25,610

it's something like a an 80s comedy

884

00:42:36,250 --> 00:42:28,670

movie with like what's-his-name the guy

885

00:42:39,490 --> 00:42:36,260

from home improvement or something like

886

00:42:45,070 --> 00:42:39,500

a buddy movie or something yeah I can I

887

00:42:46,990 --> 00:42:45,080

can see that but this quickly becomes

888

00:42:49,720 --> 00:42:47,000

like a joke quickly moves from being a

889

00:42:51,820 --> 00:42:49,730

joke to this obsession yeah and they all

890

00:42:54,190 --> 00:42:51,830

basically and both of them basically

891

00:42:57,240 --> 00:42:54,200

kind of like beg steal or borrow what

892

00:43:00,280 --> 00:42:57,250

they need to go on this camping trip

893

00:43:01,900 --> 00:43:00,290

Terry's gonna bring his camera he's

894

00:43:04,600 --> 00:43:01,910

gonna take some nature shots and all

895

00:43:08,020 --> 00:43:04,610

that stuff and Toby's got his binoculars

896

00:43:09,550 --> 00:43:08,030

and you know they they got a tent from

897

00:43:12,070 --> 00:43:09,560

somebody else and they got a bunch of

898

00:43:14,440 --> 00:43:12,080

hot dogs and stuff and they picked this

899

00:43:20,310 --> 00:43:14,450

place called The Devil's Den which is in

900

00:43:24,190 --> 00:43:20,320

Northwest Arkansas it's a state park and

901
00:43:26,890 --> 00:43:24,200
it's you know it's got a history there's

902
00:43:29,290 --> 00:43:26,900
some weird stuff gone on there people

903
00:43:31,030 --> 00:43:29,300
have gone missing that's it's missing

904
00:43:35,200 --> 00:43:31,040
four oh one one kind of territory stuff

905
00:43:38,710 --> 00:43:35,210
and it isn't long before there

906
00:43:41,770 --> 00:43:38,720
amateurism comes out so they they pull

907
00:43:43,540 --> 00:43:41,780
in and they pick the spot where they're

908
00:43:45,520 --> 00:43:43,550
technically not supposed to be that it's

909
00:43:48,420 --> 00:43:45,530
illegal to camp where they're camping

910
00:43:50,740 --> 00:43:48,430
but you know they didn't care yeah and

911
00:43:56,440 --> 00:43:50,750
instead of setting up their camp they

912
00:44:00,790 --> 00:43:56,450
just go for a hike okay yeah mistake one

913
00:44:03,790 --> 00:44:00,800

and they come back a little while later

914

00:44:05,410 --> 00:44:03,800

and yeah they'll set up the camp well

915

00:44:08,110 --> 00:44:05,420

they don't do that they just like you

916

00:44:11,410 --> 00:44:08,120

know zone out and and pass out mistake

917

00:44:13,450 --> 00:44:11,420

yeah for a few hours and they wake up in

918

00:44:19,060 --> 00:44:13,460

the in the middle of the night it's dark

919

00:44:22,840 --> 00:44:19,070

out and yeah so they they quickly set up

920

00:44:25,270 --> 00:44:22,850

camp there the car isn't very far away

921

00:44:26,710 --> 00:44:25,280

and what they find is that most the

922

00:44:28,030 --> 00:44:26,720

provisions that they had they didn't

923

00:44:33,040 --> 00:44:28,040

bring with them they forgot to bring

924

00:44:35,800 --> 00:44:33,050

with them it's amateur hour here and but

925

00:44:38,800 --> 00:44:35,810

they set up their tent they they set up

926

00:44:40,450 --> 00:44:38,810

they'd get a fire going and they've got

927

00:44:42,910 --> 00:44:40,460

they still got hot dogs and stuff that

928

00:44:45,880 --> 00:44:42,920

you know make themselves an evening meal

929

00:44:48,970 --> 00:44:45,890

and they proclaim themselves like Kings

930

00:44:53,680 --> 00:44:48,980

to the forest it's kind of funny city

931

00:44:56,650 --> 00:44:53,690

folk yeah and things start to get weird

932

00:45:00,730 --> 00:44:56,660

pretty quick after that Terry first

933

00:45:02,680 --> 00:45:00,740

notices that the there's no wildlife

934

00:45:04,630 --> 00:45:02,690

sounds coming from anywhere there's no

935

00:45:07,870 --> 00:45:04,640

crickets there's no nothing the forest

936

00:45:10,630 --> 00:45:07,880

has gone completely silent and it's Toby

937

00:45:13,950 --> 00:45:10,640

that sees these three lights in the sky

938

00:45:16,870 --> 00:45:13,960

off on the I believe the western horizon

939

00:45:20,230 --> 00:45:16,880

kind of low definitely look a little too

940

00:45:22,000 --> 00:45:20,240

low to be stars but they just stare at

941

00:45:23,590 --> 00:45:22,010

it and they kind of like you know pass

942

00:45:26,650 --> 00:45:23,600

it off that's nothing

943

00:45:29,800 --> 00:45:26,660

and then these stars start to move up

944

00:45:32,260 --> 00:45:29,810

over the horizon then up and over and

945

00:45:36,970 --> 00:45:32,270

then they just come directly over their

946

00:45:38,620 --> 00:45:36,980

campsite now these guys should be like

947

00:45:40,660 --> 00:45:38,630

a brick but they're basically

948

00:45:45,970 --> 00:45:40,670

like looking up and they're amazed by it

949

00:45:47,770 --> 00:45:45,980

and they're at one point and and we know

950

00:45:48,910 --> 00:45:47,780

this is a mistake and I want to make

951

00:45:51,070 --> 00:45:48,920

this very clear

952

00:45:52,840 --> 00:45:51,080

you do not signal flashlights their

953

00:45:55,570 --> 00:45:52,850

signal UFOs with a flashlight you just

954

00:45:57,370 --> 00:45:55,580

don't do it don't do it didn't hat

955

00:45:59,140 --> 00:45:57,380

didn't end well for the allagash guys

956

00:46:02,320 --> 00:45:59,150

didn't end well for these guys either

957

00:46:05,050 --> 00:46:02,330

yes don't take that from the playbook of

958

00:46:07,180 --> 00:46:05,060

Steven Greer people Jesus Christ

959

00:46:09,220 --> 00:46:07,190

no no if you take anything away from

960

00:46:10,570 --> 00:46:09,230

Steven grids it's just that he's

961

00:46:16,690 --> 00:46:10,580

fraudulent just let it go

962

00:46:19,210 --> 00:46:16,700

but but this UFO after he flashes this

963

00:46:22,060 --> 00:46:19,220

flashlight three times it drops this

964

00:46:24,850 --> 00:46:22,070

white beam of light down that it's there

965

00:46:28,060 --> 00:46:24,860

for maybe like 30 seconds and disappears

966

00:46:30,300 --> 00:46:28,070

and then boom there's a blue pencil thin

967

00:46:33,190 --> 00:46:30,310

light that just darts around their camp

968

00:46:35,410 --> 00:46:33,200

now I'm like freaking out here

969

00:46:39,810 --> 00:46:35,420

but they weren't they were pretty calm

970

00:46:44,440 --> 00:46:39,820

about it so that light disappears and

971

00:46:46,990 --> 00:46:44,450

then the UFO moves away that's pretty

972

00:46:48,490 --> 00:46:47,000

exciting yeah I don't think I'd be able

973

00:46:52,570 --> 00:46:48,500

to sleep that night but they go to sleep

974

00:46:55,810 --> 00:46:52,580

right after you know as as you know any

975

00:47:00,490 --> 00:46:55,820

rational person I wouldn't do but yeah

976
00:47:04,120 --> 00:47:00,500
but it's Terry that wakes up what feels

977
00:47:05,800 --> 00:47:04,130
like a couple hours later and he sees

978
00:47:09,100 --> 00:47:05,810
this light that's flooding into their

979
00:47:13,630 --> 00:47:09,110
tent and he can see Toby he's kneeling

980
00:47:16,410 --> 00:47:13,640
by the the the flap to the tent and he's

981
00:47:19,240 --> 00:47:16,420
like crying and he's looking out and

982
00:47:22,900 --> 00:47:19,250
Terry's goes to grab the flashlight and

983
00:47:25,480 --> 00:47:22,910
see what's going on out there and Toby

984
00:47:28,900 --> 00:47:25,490
just bats him away and says no they're

985
00:47:32,170 --> 00:47:28,910
out there and he can hear figures

986
00:47:34,840 --> 00:47:32,180
walking around out there he can see this

987
00:47:37,110 --> 00:47:34,850
really bright light and eventually his

988
00:47:40,090 --> 00:47:37,120

curiosity gets the better of him and he

989

00:47:43,990 --> 00:47:40,100

throws open the flap and what he sees is

990

00:47:46,450 --> 00:47:44,000

this UFO it's in this field not far from

991

00:47:50,080 --> 00:47:46,460

their campsite taking up like the whole

992

00:47:53,200 --> 00:47:50,090

field because it was that big and he can

993

00:47:56,380 --> 00:47:53,210

see 10 to 15 short figures that are

994

00:47:59,230 --> 00:47:56,390

walking towards it they're basically

995

00:48:01,000 --> 00:47:59,240

like the size of a child and they walk

996

00:48:02,650 --> 00:48:01,010

into this white beam of light that's

997

00:48:04,630 --> 00:48:02,660

projecting down to it

998

00:48:09,940 --> 00:48:04,640

and the way that he describes it they

999

00:48:11,670 --> 00:48:09,950

just dissolved so both the guys are kind

1000

00:48:14,890 --> 00:48:11,680

of in this intense pain

1001
00:48:18,330 --> 00:48:14,900
they're very thirsty they did bring

1002
00:48:23,520 --> 00:48:18,340
water with them because you know we're

1003
00:48:26,440 --> 00:48:23,530
amateurs and our still even fellows and

1004
00:48:27,250 --> 00:48:26,450
they make the decision very quickly to

1005
00:48:30,540 --> 00:48:27,260
get the hell out of there

1006
00:48:32,730 --> 00:48:30,550
so they drive the hours it's like is I

1007
00:48:36,100 --> 00:48:32,740
believe it was like six hours away from

1008
00:48:39,340 --> 00:48:36,110
where they were living and everybody was

1009
00:48:42,820 --> 00:48:39,350
surprised to see them back Terry's wife

1010
00:48:44,560 --> 00:48:42,830
Sheila pawned just seeing him took him

1011
00:48:48,010 --> 00:48:44,570
to the emergency room because he was in

1012
00:48:53,230 --> 00:48:48,020
that bad of shape as he was running a

1013
00:48:56,620 --> 00:48:53,240

fever of 104 he his face was very puffy

1014

00:48:59,410 --> 00:48:56,630

and his eyes were almost swollen shut

1015

00:49:01,780 --> 00:48:59,420

so yeah they ran him to the hospital he

1016

00:49:04,720 --> 00:49:01,790

was in there for a few days while he was

1017

00:49:06,460 --> 00:49:04,730

in there he got a visit from a guy from

1018

00:49:09,760 --> 00:49:06,470

the Air Force Office of Special

1019

00:49:12,370 --> 00:49:09,770

Investigations and we all know a foe see

1020

00:49:21,040 --> 00:49:12,380

we know we know players from a foe see

1021

00:49:23,950 --> 00:49:21,050

we know who Rick Doty is you know you

1022

00:49:26,110 --> 00:49:23,960

can't not hear OSI and not think Rick

1023

00:49:29,250 --> 00:49:26,120

Doty right and the only reason I used

1024

00:49:31,480 --> 00:49:29,260

the word is because of that name I

1025

00:49:34,750 --> 00:49:31,490

love him to death I know you might even

1026

00:49:36,820 --> 00:49:34,760

be listening to this but yeah not to

1027

00:49:42,580 --> 00:49:36,830

take away from this incident whatsoever

1028

00:49:45,190 --> 00:49:42,590

by using the word I apology if I

1029

00:49:47,830 --> 00:49:45,200

get all fired up I think a lot of people

1030

00:49:48,820 --> 00:49:47,840

get fired up but you know that's that's

1031

00:49:53,160 --> 00:49:48,830

to be expected

1032

00:49:59,590 --> 00:49:53,170

it it really is but they basically

1033

00:50:01,690 --> 00:49:59,600

interview him the guy the is agent

1034

00:50:05,920 --> 00:50:01,700

Gregory you know because we're not used

1035

00:50:09,820 --> 00:50:05,930

in full names here field baby Nick oh

1036

00:50:14,530 --> 00:50:11,680

sets up a tape recorder starts

1037

00:50:16,300 --> 00:50:14,540

interviewing and and basically ask you

1038

00:50:20,140 --> 00:50:16,310

know why did you come back

1039

00:50:22,330 --> 00:50:20,150

so quickly and you know the the basic

1040

00:50:25,120 --> 00:50:22,340

standard stuff and they were really

1041

00:50:29,050 --> 00:50:25,130

harping on whether Terry had taken

1042

00:50:31,810 --> 00:50:29,060

photos of anything and Terry forgot his

1043

00:50:33,490 --> 00:50:31,820

camera cuz you know the only thing I

1044

00:50:37,750 --> 00:50:33,500

think they remembered was the tent some

1045

00:50:40,570 --> 00:50:37,760

hotdogs and I believe Toby's binoculars

1046

00:50:44,350 --> 00:50:40,580

okay okay

1047

00:50:46,540 --> 00:50:44,360

yeah but Terry was he was an amateur

1048

00:50:48,760 --> 00:50:46,550

photographer he had a studio in his

1049

00:50:52,770 --> 00:50:48,770

house but he didn't bring the camera

1050

00:50:55,510 --> 00:50:52,780

with him and just kept pressing him but

1051
00:50:58,990 --> 00:50:55,520
he's in the hospital for about three or

1052
00:51:02,770 --> 00:50:59,000
four days and when he gets out he's

1053
00:51:07,420 --> 00:51:02,780
reassigned to another unit where all he

1054
00:51:09,430 --> 00:51:07,430
does is paints pieces of plywood gee

1055
00:51:11,830 --> 00:51:09,440
okay Wow

1056
00:51:13,210 --> 00:51:11,840
he paints these sheets of plywood over

1057
00:51:15,460 --> 00:51:13,220
and over again they're basically just

1058
00:51:17,380 --> 00:51:15,470
giving him grunt work to keep them out

1059
00:51:20,080 --> 00:51:17,390
of their hair and all that stuff this

1060
00:51:21,880 --> 00:51:20,090
happens a lot man like well military

1061
00:51:24,190 --> 00:51:21,890
people have these encounters and your

1062
00:51:26,320 --> 00:51:24,200
thoughts they send them different places

1063
00:51:28,660 --> 00:51:26,330

in the world and give him menial tasks

1064

00:51:30,460 --> 00:51:28,670

hoping they'll won't start talking about

1065

00:51:32,290 --> 00:51:30,470

it with other people like get him alone

1066

00:51:36,670 --> 00:51:32,300

that's what you don't do get him alone

1067

00:51:39,820 --> 00:51:36,680

yep and I think it was like a couple

1068

00:51:43,440 --> 00:51:39,830

days before he was set to be reassigned

1069

00:51:48,400 --> 00:51:43,450

again and agent Gregory comes back and

1070

00:51:52,450 --> 00:51:48,410

basically he forces Terry to consent to

1071

00:51:55,390 --> 00:51:52,460

hypnosis you know okay let's let's do

1072

00:51:58,110 --> 00:51:55,400

that so they explore the night and

1073

00:52:02,050 --> 00:51:58,120

Devil's Den and what happened and

1074

00:52:04,720 --> 00:52:02,060

basically Terry recounts being taken

1075

00:52:07,090 --> 00:52:04,730

aboard this craft standing in a line

1076

00:52:11,160 --> 00:52:07,100

full of people that are waiting to

1077

00:52:14,140 --> 00:52:11,170

undergo procedures and there's also this

1078

00:52:17,140 --> 00:52:14,150

short what he basically calls a hybrid

1079

00:52:20,170 --> 00:52:17,150

woman standing with him he recognizes

1080

00:52:21,970 --> 00:52:20,180

her as being someone who has been with

1081

00:52:24,490 --> 00:52:21,980

him his entire life with these

1082

00:52:29,770 --> 00:52:24,500

experiences and such like many abductees

1083

00:52:34,420 --> 00:52:29,780

report and he also reports walking by

1084

00:52:37,570 --> 00:52:34,430

a wall of like aquarium tanks that had

1085

00:52:40,930 --> 00:52:37,580

very strange reptilian looking beings in

1086

00:52:44,410 --> 00:52:40,940

them he talked about how there were

1087

00:52:46,180 --> 00:52:44,420

human crew on this ship that all were

1088

00:52:49,720 --> 00:52:46,190

these like brown coveralls with an

1089

00:52:54,250 --> 00:52:49,730

orange insignia on them and they worked

1090

00:52:57,040 --> 00:52:54,260

beside the short grey beings and he

1091

00:52:58,930 --> 00:52:57,050

eventually was brought to this one room

1092

00:53:03,970 --> 00:52:58,940

where they performed a procedure on him

1093

00:53:07,330 --> 00:53:03,980

and brought him back and that's really

1094

00:53:10,600 --> 00:53:07,340

the only insight into like any of his

1095

00:53:15,550 --> 00:53:10,610

abduction experiences that he has he

1096

00:53:17,320 --> 00:53:15,560

never talks about exploring these monkey

1097

00:53:21,070 --> 00:53:17,330

man encounters when he was a kid or

1098

00:53:24,700 --> 00:53:21,080

anything like that and after that

1099

00:53:26,740 --> 00:53:24,710

he continues to have these lifelong

1100

00:53:30,700 --> 00:53:26,750

experiences eventually he's reassigned

1101

00:53:33,880 --> 00:53:30,710

to a unit where he's basically a medic

1102

00:53:36,040 --> 00:53:33,890

again Toby he loses contact with him for

1103

00:53:39,610 --> 00:53:36,050

a while but he tells us in the book that

1104

00:53:46,170 --> 00:53:39,620

Toby died a homeless man in the 90s in

1105

00:53:49,780 --> 00:53:46,180

Michigan okay yeah but fast forward to

1106

00:53:52,180 --> 00:53:49,790

2017 and Terry starts talking about his

1107

00:53:55,390 --> 00:53:52,190

experiences he starts appearing in a

1108

00:53:58,300 --> 00:53:55,400

couple of cons and after he starts doing

1109

00:54:01,090 --> 00:53:58,310

that he experiences this dramatic weight

1110

00:54:04,930 --> 00:54:01,100

loss Terry used to be kind of a big guy

1111

00:54:06,220 --> 00:54:04,940

over 200 pounds and nowadays I think he

1112

00:54:09,760 --> 00:54:06,230

weighs somewhere in the neighborhood of

1113

00:54:17,560 --> 00:54:09,770

like 120 or something like that Wow yeah

1114

00:54:20,410 --> 00:54:17,570

and strewed yeah and one night not long

1115

00:54:23,860 --> 00:54:20,420

after he gave a presentation at a

1116

00:54:25,390 --> 00:54:23,870

conference and I believe Houston he woke

1117

00:54:28,750 --> 00:54:25,400

up in his living room

1118

00:54:32,320 --> 00:54:28,760

across from sitting in his living room

1119

00:54:33,970 --> 00:54:32,330

he went to bed upstairs but yeah he woke

1120

00:54:36,250 --> 00:54:33,980

up sitting in the living room across

1121

00:54:38,560 --> 00:54:36,260

from this woman that he's had these

1122

00:54:41,650 --> 00:54:38,570

lifelong experiences with and she's

1123

00:54:43,450 --> 00:54:41,660

wearing very human clothes along with a

1124

00:54:45,010 --> 00:54:43,460

wig and some sunglasses

1125

00:54:46,720 --> 00:54:45,020

and he kind of makes fun of her for a

1126

00:54:50,410 --> 00:54:46,730

little bit for wearing the wig but you

1127

00:54:54,130 --> 00:54:50,420

know you'll have strong she's trying she

1128

00:54:56,349 --> 00:54:54,140

is trying but you know he basically asks

1129

00:55:00,339 --> 00:54:56,359

her questions about you know these

1130

00:55:04,510 --> 00:55:00,349

beings you know being in his life for as

1131

00:55:07,630 --> 00:55:04,520

long as they have and basically she says

1132

00:55:10,210 --> 00:55:07,640

that if he talks keeps to talking about

1133

00:55:11,380 --> 00:55:10,220

his experiences well they're gonna have

1134

00:55:13,930 --> 00:55:11,390

to take the implants that are in his

1135

00:55:16,750 --> 00:55:13,940

legs which she didn't know he had to he

1136

00:55:19,539 --> 00:55:16,760

thought he only had one but turns out he

1137

00:55:21,970 --> 00:55:19,549

had two for one deal yeah it's a

1138

00:55:25,630 --> 00:55:21,980

two-for-one deal you know written on

1139

00:55:28,569 --> 00:55:25,640

sale that week but they also said that

1140

00:55:32,819 --> 00:55:28,579

the military would kill him which hasn't

1141

00:55:35,529 --> 00:55:32,829

happened because he's still alive but

1142

00:55:37,480 --> 00:55:35,539

and they also basically said that they'd

1143

00:55:40,029 --> 00:55:37,490

never see him again

1144

00:55:42,579 --> 00:55:40,039

so Terry made the decision then to keep

1145

00:55:46,390 --> 00:55:42,589

talking about it and about a week later

1146

00:55:50,740 --> 00:55:46,400

he woke up to incredible pain in his

1147

00:55:53,859 --> 00:55:50,750

legs again he he had these like red kind

1148

00:55:58,059 --> 00:55:53,869

of puncture marks on both of his legs

1149

00:56:00,640 --> 00:55:58,069

and about a day later there was a bruise

1150

00:56:02,380 --> 00:56:00,650

that appeared on both legs that looked

1151
00:56:06,789 --> 00:56:02,390
like that flower pattern that was seen

1152
00:56:09,220 --> 00:56:06,799
on the x-ray in 2012 and that's that's

1153
00:56:12,549 --> 00:56:09,230
pretty much where Terry's story lee gia

1154
00:56:14,799 --> 00:56:12,559
it's interesting it's kind of devoid of

1155
00:56:19,109 --> 00:56:14,809
details at some times but it's really

1156
00:56:22,029 --> 00:56:19,119
intriguing and it gives a lot of the the

1157
00:56:23,829 --> 00:56:22,039
conspiratorial minded people something

1158
00:56:27,579 --> 00:56:23,839
to bite on especially when he talks

1159
00:56:28,480 --> 00:56:27,589
about being on the ship in 1977 right

1160
00:56:31,599 --> 00:56:28,490
Wow

1161
00:56:34,960 --> 00:56:31,609
yes well you know what I have I was

1162
00:56:37,539 --> 00:56:34,970
given the book by the publisher that was

1163
00:56:41,079 --> 00:56:37,549

working with him on on getting this out

1164

00:56:43,390 --> 00:56:41,089

to the public and I've spoken to Terry I

1165

00:56:47,079 --> 00:56:43,400

think once through email he is an

1166

00:56:49,960 --> 00:56:47,089

extremely nice guy very smart very

1167

00:56:53,049 --> 00:56:49,970

insightful but this this case is just

1168

00:56:55,680 --> 00:56:53,059

it's there's so many gaps where

1169

00:56:57,839 --> 00:56:55,690

conspiracy people can fill those in

1170

00:56:59,549 --> 00:56:57,849

so I don't know man I don't know I

1171

00:57:03,630 --> 00:56:59,559

struggle with this one I'm gonna be

1172

00:57:06,120 --> 00:57:03,640

honest if there's a lot going on but

1173

00:57:09,029 --> 00:57:06,130

hopefully I can get them on to get some

1174

00:57:11,460 --> 00:57:09,039

more detail but Wow yeah you did a good

1175

00:57:14,069 --> 00:57:11,470

job with that one I appreciate it man

1176
00:57:15,930 --> 00:57:14,079
and I guess he's working on a second

1177
00:57:18,210 --> 00:57:15,940
book so maybe we'll get some more

1178
00:57:22,529 --> 00:57:18,220
insight on those kind of details I don't

1179
00:57:25,200 --> 00:57:22,539
know but but yeah there's definitely we

1180
00:57:26,730 --> 00:57:25,210
we need a little more we need some more

1181
00:57:29,760 --> 00:57:26,740
for me Terry if you're listening please

1182
00:57:30,539 --> 00:57:29,770
give us some more to work with here yeah

1183
00:57:36,289 --> 00:57:30,549
awesome

1184
00:57:38,910 --> 00:57:36,299
well Rob coming to today we have these

1185
00:57:42,210 --> 00:57:38,920
videos that came out one of which is

1186
00:57:44,700 --> 00:57:42,220
known as the gimbal video and a lot of

1187
00:57:47,370 --> 00:57:44,710
researchers have been working on this

1188
00:57:50,010 --> 00:57:47,380

lately trying to figure out when and

1189

00:57:52,020 --> 00:57:50,020

where this happened and they're pretty

1190

00:57:54,299 --> 00:57:52,030

much landing on the East Coast this

1191

00:57:57,150 --> 00:57:54,309

gimbal video if anyone's seen it it's

1192

00:57:59,520 --> 00:57:57,160

the one where the gun camera footage

1193

00:58:01,920 --> 00:57:59,530

where the craft seems to be rotating in

1194

00:58:04,500 --> 00:58:01,930

midair it's the one that I know

1195

00:58:07,650 --> 00:58:04,510

unidentified the TV show uses as their

1196

00:58:09,779 --> 00:58:07,660

their main what would you call it like

1197

00:58:11,690 --> 00:58:09,789

featured image even though they doctored

1198

00:58:14,609 --> 00:58:11,700

it a little made it more saucer-shaped

1199

00:58:16,940 --> 00:58:14,619

yep anyways I'm getting I'm getting too

1200

00:58:19,769 --> 00:58:16,950

detailed into the craft the gimbal video

1201

00:58:24,870 --> 00:58:19,779

we think that this happened off of the

1202

00:58:27,990 --> 00:58:24,880

USS Roosevelt in the early to mid-2000s

1203

00:58:30,660 --> 00:58:28,000

and even in the Middle East this thing

1204

00:58:33,180 --> 00:58:30,670

possibly may have been seen but you

1205

00:58:36,870 --> 00:58:33,190

found something that happened in the USS

1206

00:58:39,660 --> 00:58:36,880

Roosevelt that was that happened a while

1207

00:58:42,269 --> 00:58:39,670

ago so what is up with the USS Roosevelt

1208

00:58:44,190 --> 00:58:42,279

why are they the ones to track all these

1209

00:58:46,920 --> 00:58:44,200

UFOs and what is this case he came

1210

00:58:50,700 --> 00:58:46,930

across right so the interesting thing

1211

00:58:53,279 --> 00:58:50,710

about this USS Roosevelt it's not the

1212

00:58:56,819 --> 00:58:53,289

first USS Roosevelt this is actually the

1213

00:59:00,750 --> 00:58:56,829

second it's a Nimitz class carrier which

1214

00:59:03,859 --> 00:59:00,760

is a more advanced carrier but before

1215

00:59:09,980 --> 00:59:03,869

that there is the Essex class carrier

1216

00:59:13,860 --> 00:59:09,990

USS franklin d roosevelt and basically

1217

00:59:17,520 --> 00:59:13,870

it has a history of UFO sightings going

1218

00:59:22,080 --> 00:59:17,530

back to the early 50s and it starts in

1219

00:59:23,130 --> 00:59:22,090

September of 1952 with Operation

1220

00:59:28,320 --> 00:59:23,140

Mainbrace

1221

00:59:30,750 --> 00:59:28,330

which was a NATO exercise that a lot of

1222

00:59:33,150 --> 00:59:30,760

there was like I forget how many nations

1223

00:59:38,400 --> 00:59:33,160

took part in it is probably about 10 or

1224

00:59:41,460 --> 00:59:38,410

12 but supposedly 85,000 like servicemen

1225

00:59:43,170 --> 00:59:41,470

were a part of this exercise and like

1226
00:59:46,530 --> 00:59:43,180
from the start they started to

1227
00:59:48,720 --> 00:59:46,540
experience UFO activity there were some

1228
00:59:51,660 --> 00:59:48,730
that reported UFOs coming out of the

1229
00:59:56,400 --> 00:59:51,670
water and flying over their heads some

1230
00:59:59,340 --> 00:59:56,410
of them just basic flybys of UFOs but

1231
01:00:03,150 --> 00:59:59,350
one of them was the USS Franklin D

1232
01:00:07,410 --> 01:00:03,160
Roosevelt and basically on September

1233
01:00:11,220 --> 01:00:07,420
20th 1952 they were taking pictures of

1234
01:00:13,590 --> 01:00:11,230
the area and they see this object in the

1235
01:00:16,950 --> 01:00:13,600
sky it's in broad daylight and it just

1236
01:00:18,930 --> 01:00:16,960
flies over their ship and they take

1237
01:00:21,150 --> 01:00:18,940
pictures of it they heard they were

1238
01:00:26,160 --> 01:00:21,160

supposedly took three pictures of the

1239

01:00:27,870 --> 01:00:26,170

thing and it was just kind of you know

1240

01:00:29,340 --> 01:00:27,880

that's what it was it's three pictures

1241

01:00:31,620 --> 01:00:29,350

it was interesting though really

1242

01:00:34,110 --> 01:00:31,630

interesting pictures you can google them

1243

01:00:37,080 --> 01:00:34,120

they're out there I'd also like to note

1244

01:00:40,860 --> 01:00:37,090

that the crewmen of this ship called

1245

01:00:47,780 --> 01:00:40,870

this the USS Franklin D Roosevelt swanky

1246

01:00:53,310 --> 01:00:47,790

Frankie but the most dramatic report of

1247

01:00:56,640 --> 01:00:53,320

UFOs comes from 1958 the Franklin

1248

01:01:01,820 --> 01:00:56,650

Roosevelt was down in the Caribbean it

1249

01:01:04,320 --> 01:01:01,830

wasn't far from Cuba and they saw this

1250

01:01:08,790 --> 01:01:04,330

light that was basically tailing their

1251
01:01:11,940 --> 01:01:08,800
boat and eventually it came speeding by

1252
01:01:16,350 --> 01:01:11,950
and it got so close to the boat that you

1253
01:01:18,180 --> 01:01:16,360
could actually see the object you could

1254
01:01:21,150 --> 01:01:18,190
see windows on the thing and you could

1255
01:01:24,390 --> 01:01:21,160
see figures in the windows looking out

1256
01:01:28,349 --> 01:01:24,400
okay and the object just hovered right

1257
01:01:31,410 --> 01:01:28,359
there above the ship for maybe a minute

1258
01:01:34,770 --> 01:01:31,420
or two before it just disappeared and

1259
01:01:38,339 --> 01:01:34,780
this report comes from a guy named

1260
01:01:41,520 --> 01:01:38,349
Chester grazinsky he was 18 years old at

1261
01:01:44,549 --> 01:01:41,530
the time but he kind of just basically

1262
01:01:46,020 --> 01:01:44,559
tried to find anybody else that had you

1263
01:01:49,109 --> 01:01:46,030

know seen this after it had gone down

1264

01:01:52,559 --> 01:01:49,119

because there was a cover-up the CIA

1265

01:01:58,109 --> 01:01:52,569

came on board the ship investigating

1266

01:01:59,940 --> 01:01:58,119

gambling things okay yeah and you know

1267

01:02:02,400 --> 01:01:59,950

they basically just told everybody to

1268

01:02:05,359 --> 01:02:02,410

shut up about this and you know it

1269

01:02:09,420 --> 01:02:05,369

became this huge giant cover-up and

1270

01:02:12,089 --> 01:02:09,430

Chester he basically he tried to track

1271

01:02:14,940 --> 01:02:12,099

down anybody he that he could that

1272

01:02:21,089 --> 01:02:14,950

remembered seeing this thing now if you

1273

01:02:27,630 --> 01:02:21,099

google it's I just googled operation

1274

01:02:30,359 --> 01:02:27,640

main Mainbrace UFO and you'd cert and

1275

01:02:33,210 --> 01:02:30,369

you go through the the image search

1276

01:02:37,549 --> 01:02:33,220

results you what you'll see is this it's

1277

01:02:40,559 --> 01:02:37,559

a sketch that somebody drew of it's

1278

01:02:43,529 --> 01:02:40,569

right to Charles they're Chester

1279

01:02:47,250 --> 01:02:43,539

Krasinski's back and above him you could

1280

01:02:49,019 --> 01:02:47,260

see like the tower of the carrier and

1281

01:02:51,930 --> 01:02:49,029

right next to the tower and slightly

1282

01:02:53,670 --> 01:02:51,940

above it is this object and so they drew

1283

01:02:56,069 --> 01:02:53,680

it to scale and everything and it's a

1284

01:03:00,900 --> 01:02:56,079

it's a pretty great image mm-hmm I love

1285

01:03:04,529 --> 01:03:00,910

it but yeah I I don't know I apparently

1286

01:03:07,289 --> 01:03:04,539

according to Rosinski there were like

1287

01:03:10,980 --> 01:03:07,299

eight separate UFO incidents that the

1288

01:03:14,220 --> 01:03:10,990

u.s. all throughout the 50s and 60s and

1289

01:03:16,620 --> 01:03:14,230

it was decommissioned in 1977 that was

1290

01:03:20,940 --> 01:03:16,630

when the nimitz-class franklin roosevelt

1291

01:03:25,160 --> 01:03:20,950

was set sail so apparently something

1292

01:03:31,579 --> 01:03:25,170

about Franklin D Roosevelt screams UFOs

1293

01:03:34,289 --> 01:03:31,589

I mean he was cool and all but come on

1294

01:03:36,630 --> 01:03:34,299

well I found that really fascinating

1295

01:03:38,400 --> 01:03:36,640

because again the Roosevelt is um it's

1296

01:03:39,870 --> 01:03:38,410

becoming a buzzword now in the UFO

1297

01:03:42,989 --> 01:03:39,880

community because of all the activity

1298

01:03:44,429 --> 01:03:42,999

with UFOs involved with it so I was so

1299

01:03:45,900 --> 01:03:44,439

happy to hear that you found that and

1300

01:03:49,499 --> 01:03:45,910

I'm also happy to know it wasn't the

1301

01:03:52,079 --> 01:03:49,509

same ship because my god if there's ever

1302

01:03:54,029 --> 01:03:52,089

been like UFO bait now we know it's the

1303

01:03:55,319 --> 01:03:54,039

USS Roosevelt just throw that thing out

1304

01:03:57,929 --> 01:03:55,329

in the water and you're gonna get some

1305

01:04:01,140 --> 01:03:57,939

UFOs yeah pretty much you know it's it's

1306

01:04:03,120 --> 01:04:01,150

the bait that every ufologist needs and

1307

01:04:06,259 --> 01:04:03,130

it's kind of funny because when you read

1308

01:04:10,469 --> 01:04:06,269

about the history of the first ship in

1309

01:04:11,789 --> 01:04:10,479

77 they were in talks to actually keep

1310

01:04:15,779 --> 01:04:11,799

it going mm-hmm

1311

01:04:18,209 --> 01:04:15,789

they people were afraid that Jimmy

1312

01:04:19,949 --> 01:04:18,219

Carter was just going to you know keep

1313

01:04:21,929 --> 01:04:19,959

this thing going forever so they

1314

01:04:23,429 --> 01:04:21,939

basically said no we're taking it out of

1315

01:04:28,429 --> 01:04:23,439

commission they sold it to somebody for

1316

01:04:37,140 --> 01:04:33,599

damn Jimmy Carter and all right well

1317

01:04:40,019 --> 01:04:37,150

wrapping things up here Rob take a good

1318

01:04:42,299 --> 01:04:40,029

sip man because of your drink there cuz

1319

01:04:44,400 --> 01:04:42,309

this is what we're gonna end with here

1320

01:04:47,219 --> 01:04:44,410

you were recently on the mad scientist

1321

01:04:51,109 --> 01:04:47,229

podcast with Chris Cogswell a very good

1322

01:04:54,329 --> 01:04:51,119

friend of both of ours and this was a

1323

01:04:57,599 --> 01:04:54,339

brutally honest conversation man about

1324

01:05:00,359 --> 01:04:57,609

the UFO news coming out lately so my big

1325

01:05:02,729 --> 01:05:00,369

question to you is where do you stand

1326

01:05:05,099 --> 01:05:02,739

today on this mainstream coverage of

1327

01:05:08,969 --> 01:05:05,109

UFOs and what do you think is going on

1328

01:05:12,150 --> 01:05:08,979

with to the stars their new show give me

1329

01:05:15,089 --> 01:05:12,160

what you got man because people are very

1330

01:05:17,069 --> 01:05:15,099

divided and this is this has really put

1331

01:05:19,859 --> 01:05:17,079

a dent in the UFO community both good

1332

01:05:23,759 --> 01:05:19,869

and bad so what do you got man be honest

1333

01:05:27,359 --> 01:05:23,769

with us here so I'm very skeptical these

1334

01:05:28,799 --> 01:05:27,369

days now I've got kind of been a little

1335

01:05:33,479 --> 01:05:28,809

more I've gotten a little more skeptical

1336

01:05:35,910 --> 01:05:33,489

as time has gone on and for me there are

1337

01:05:40,949 --> 01:05:35,920

things that to the Stars Academy does or

1338

01:05:44,789 --> 01:05:40,959

doesn't do that kind of goes against it

1339

01:05:47,759 --> 01:05:44,799

the being legitimate operation not to

1340

01:05:48,490 --> 01:05:47,769

say that there aren't trying or stuff

1341

01:05:51,130 --> 01:05:48,500

like that but

1342

01:05:53,530 --> 01:05:51,140

like there's if you're talking about

1343

01:05:57,910 --> 01:05:53,540

science and UFOs there are ways to do

1344

01:06:01,060 --> 01:05:57,920

this when you go on to the the to the

1345

01:06:03,490 --> 01:06:01,070

Stars Academy website and you look at

1346

01:06:05,980 --> 01:06:03,500

the videos you look at the gimbal video

1347

01:06:09,940 --> 01:06:05,990

the nimitz video the go-fast video what

1348

01:06:11,890 --> 01:06:09,950

you find on there is not an explanation

1349

01:06:14,140 --> 01:06:11,900

of how they came to their conclusions

1350

01:06:17,050 --> 01:06:14,150

what they tell you is this is what this

1351

01:06:19,630 --> 01:06:17,060

is and this is what our conclusions are

1352

01:06:22,120 --> 01:06:19,640

well how did you arrive at that and to

1353

01:06:24,160 --> 01:06:22,130

give you a kind of an analogy if you're

1354

01:06:27,010 --> 01:06:24,170

in math class in high school and your

1355

01:06:29,920 --> 01:06:27,020

basic this is basically to the Stars

1356

01:06:31,630 --> 01:06:29,930

Academy writing down the answers without

1357

01:06:34,180 --> 01:06:31,640

telling you how they got there and

1358

01:06:36,700 --> 01:06:34,190

that's a big problem for me because if

1359

01:06:38,320 --> 01:06:36,710

if the teacher hands that paper back

1360

01:06:42,070 --> 01:06:38,330

what's it gonna say what's it gonna say

1361

01:06:44,560 --> 01:06:42,080

work ya 65 show your work and I don't

1362

01:06:48,250 --> 01:06:44,570

think to the Stars Academy is doing the

1363

01:06:53,349 --> 01:06:48,260

best job of showing their work very well

1364

01:06:55,810 --> 01:06:53,359

I'm skeptical oh man how do i how do i

1365

01:07:01,420 --> 01:06:55,820

lay this out you know in a concise way I

1366

01:07:02,920 --> 01:07:01,430

think it's hard it is hard but I I just

1367

01:07:04,510 --> 01:07:02,930

don't know what the hell they're doing I

1368

01:07:08,050 --> 01:07:04,520

really don't know what the hell they're

1369

01:07:11,530 --> 01:07:08,060

doing and like they're giving you

1370

01:07:13,300 --> 01:07:11,540

nuggets of information that they're

1371

01:07:15,760 --> 01:07:13,310

tantalizing but they ultimately don't

1372

01:07:17,740 --> 01:07:15,770

lead to anything like they'd announce

1373

01:07:20,440 --> 01:07:17,750

the atom project last year what what has

1374

01:07:21,730 --> 01:07:20,450

come of that right nothing well here's

1375

01:07:23,950 --> 01:07:21,740

the other thing you bring up a good

1376

01:07:26,230 --> 01:07:23,960

point we know for a fact that Lou

1377

01:07:29,620 --> 01:07:26,240

Elizondo he's even stated this in the TV

1378

01:07:32,260 --> 01:07:29,630

show unidentified that he knows more

1379

01:07:35,650 --> 01:07:32,270

than what he can say on the show and

1380

01:07:40,680 --> 01:07:35,660

what he can tell civilians so you have

1381

01:07:44,109 --> 01:07:40,690

this weird like purgatory where the

1382

01:07:46,329 --> 01:07:44,119

investigator in charge of all this knows

1383

01:07:48,849 --> 01:07:46,339

more than he's telling the public so

1384

01:07:50,920 --> 01:07:48,859

that's a problem like what why why

1385

01:07:54,040 --> 01:07:50,930

should we listen or trust you when you

1386

01:07:57,220 --> 01:07:54,050

know more than you're telling us it's

1387

01:07:57,940 --> 01:07:57,230

hard because I honestly think like he's

1388

01:08:00,790 --> 01:07:57,950

a cool guy

1389

01:08:03,460 --> 01:08:00,800

I think he's doing some good work

1390

01:08:06,280 --> 01:08:03,470

and I I do believe that he wants answers

1391

01:08:09,510 --> 01:08:06,290

but he's got answers and he can't tell

1392

01:08:14,890 --> 01:08:09,520

us that's a problem and not only that

1393

01:08:16,539 --> 01:08:14,900

how many to the stars members are former

1394

01:08:17,110 --> 01:08:16,549

government officials that can't say

1395

01:08:21,130 --> 01:08:17,120

anything

1396

01:08:24,010 --> 01:08:21,140

Chris Mellon Steve justice helped put

1397

01:08:26,079 --> 01:08:24,020

off you can't say crap about a lot of

1398

01:08:28,450 --> 01:08:26,089

things I mean a lot of a lot of them

1399

01:08:31,180 --> 01:08:28,460

can't and especially if a lot of these

1400

01:08:33,160 --> 01:08:31,190

people are former bass employees or are

1401

01:08:35,740 --> 01:08:33,170

still bass employees they're not gonna

1402

01:08:37,720 --> 01:08:35,750

say anything yeah I kind of had high

1403

01:08:39,789 --> 01:08:37,730

hopes but it's just like you're

1404

01:08:42,039 --> 01:08:39,799

tempering this with non-disclosure

1405

01:08:44,410 --> 01:08:42,049

agreements that you can't give anything

1406

01:08:47,920 --> 01:08:44,420

up yeah and now you've got people like

1407

01:08:49,870 --> 01:08:47,930

Mick West on doing you know I think he's

1408

01:08:52,539 --> 01:08:49,880

doing pretty good work I can honestly

1409

01:08:55,030 --> 01:08:52,549

say I wasn't convinced by the go-fast

1410

01:08:57,670 --> 01:08:55,040

video to begin with and now I really

1411

01:09:00,430 --> 01:08:57,680

don't think it isn't UFO I think it

1412

01:09:02,260 --> 01:09:00,440

really is a balloon interesting yeah I

1413

01:09:02,740 --> 01:09:02,270

mean I've thought that for a while now

1414

01:09:05,410 --> 01:09:02,750

too

1415

01:09:07,930 --> 01:09:05,420

um but you're right you know we get

1416

01:09:10,210 --> 01:09:07,940

blinded by the excitement that comes

1417

01:09:12,760 --> 01:09:10,220

when this topic it's mainstream coverage

1418

01:09:15,400 --> 01:09:12,770

and when we have people like Tom DeLonge

1419

01:09:17,170 --> 01:09:15,410

like really I I respect the hell out of

1420

01:09:19,900 --> 01:09:17,180

the guy for what he's doing I honestly

1421

01:09:22,269 --> 01:09:19,910

do and I think like he's done some great

1422

01:09:24,640 --> 01:09:22,279

work and he's assembled an amazing team

1423

01:09:26,500 --> 01:09:24,650

but you always come back to this fact

1424

01:09:28,660 --> 01:09:26,510

that all those people involved it to the

1425

01:09:31,930 --> 01:09:28,670

stars no more than what they're letting

1426

01:09:34,450 --> 01:09:31,940

on and that is a problem and as we're

1427

01:09:37,090 --> 01:09:34,460

getting this narrative from to the stars

1428

01:09:39,099 --> 01:09:37,100

now here's my thing too and our good

1429

01:09:40,720 --> 01:09:39,109

friend Jason McClellan always says you

1430

01:09:43,809 --> 01:09:40,730

don't have to listen to to the stars

1431

01:09:46,180 --> 01:09:43,819

like they they're one cog in this huge

1432

01:09:48,940 --> 01:09:46,190

machine of this phenomenon they clearly

1433

01:09:52,300 --> 01:09:48,950

have an angle and that's military and

1434

01:09:54,550 --> 01:09:52,310

that this is a threat and we need to be

1435

01:09:56,620 --> 01:09:54,560

ready for it so there you go right there

1436

01:09:58,810 --> 01:09:56,630

like to the stars has been pretty

1437

01:09:59,950 --> 01:09:58,820

upfront even Tom DeLonge saying I want

1438

01:10:03,640 --> 01:09:59,960

to paint a good picture of the

1439

01:10:05,410 --> 01:10:03,650

military-industrial complex and he said

1440

01:10:07,360 --> 01:10:05,420

that from the very start so anyone who

1441

01:10:10,390 --> 01:10:07,370

argues that he said that from the start

1442

01:10:11,280 --> 01:10:10,400

so there's that right there but like we

1443

01:10:13,979 --> 01:10:11,290

said

1444

01:10:17,070 --> 01:10:13,989

this stuff is only military and that's

1445

01:10:19,710 --> 01:10:17,080

only a small fraction of what's going on

1446

01:10:25,680 --> 01:10:19,720

with these phenomena yeah exactly it

1447

01:10:28,350 --> 01:10:25,690

cuts out like I would say 85 to 90

1448

01:10:33,630 --> 01:10:28,360

percent of the rest of this phenomenon

1449

01:10:36,570 --> 01:10:33,640

like it cuts out a lot and I feel and

1450

01:10:39,180 --> 01:10:36,580

I've always felt that when somebody

1451

01:10:41,430 --> 01:10:39,190

controls the field of perception here

1452

01:10:43,290 --> 01:10:41,440

because it always comes down to that you

1453

01:10:47,280 --> 01:10:43,300

need to start looking other places not

1454

01:10:50,190 --> 01:10:47,290

just at this one main body and they're

1455

01:10:52,860 --> 01:10:50,200

noble intentions you'd start to look at

1456

01:10:55,140 --> 01:10:52,870

other places which is why I will spend

1457

01:10:59,130 --> 01:10:55,150

hours digging through old issues of

1458

01:11:04,380 --> 01:10:59,140

flying saucer review I those still have

1459

01:11:08,070 --> 01:11:04,390

value there'd still valuable to us too

1460

01:11:10,890 --> 01:11:08,080

in what they tell us about UFOs like

1461

01:11:13,110 --> 01:11:10,900

when Lou Elizondo is saying well there's

1462

01:11:15,510 --> 01:11:13,120

a clear pattern of UFOs and military

1463

01:11:17,400 --> 01:11:15,520

installations and nuclear installations

1464

01:11:20,850 --> 01:11:17,410

like we've known that for decades but

1465

01:11:24,870 --> 01:11:20,860

dude okay I'm gonna all right I got a

1466

01:11:26,940 --> 01:11:24,880

vent here man that last episode first of

1467

01:11:29,430 --> 01:11:26,950

all I love seeing some of the witness

1468

01:11:32,220 --> 01:11:29,440

they interviewed Larry Gesner first came

1469

01:11:35,610 --> 01:11:32,230

forward in my book I must say that I

1470

01:11:37,890 --> 01:11:35,620

have to defend this in my book silver in

1471

01:11:39,540 --> 01:11:37,900

the skies with his UFO encounter to the

1472

01:11:42,540 --> 01:11:39,550

stars claims this is the first time he's

1473

01:11:43,590 --> 01:11:42,550

ever come forward it's a TV I get it I

1474

01:11:44,790 --> 01:11:43,600

get it

1475

01:11:46,740 --> 01:11:44,800

but they went through the whole Rick

1476

01:11:50,130 --> 01:11:46,750

Doty and bennewitz thing which was

1477

01:11:53,880 --> 01:11:50,140

interesting and then okay who is this

1478

01:11:56,430 --> 01:11:53,890

mysterious general halt or what was a

1479

01:11:59,100 --> 01:11:56,440

base commander halt with in Rendlesham

1480

01:12:02,190 --> 01:11:59,110

case we'd never heard of him before yeah

1481

01:12:05,280 --> 01:12:02,200

I think it's a little offensive that

1482

01:12:07,200 --> 01:12:05,290

they're covering the nuclear angle to

1483

01:12:09,750 --> 01:12:07,210

all this when we've known this for so

1484

01:12:12,450 --> 01:12:09,760

long look at faded Giants look at all

1485

01:12:15,300 --> 01:12:12,460

the work by Hastings and all these guys

1486

01:12:18,060 --> 01:12:15,310

out there and it's almost like as a slap

1487

01:12:20,910 --> 01:12:18,070

in the face that Oulu Elizondo suddenly

1488

01:12:24,479 --> 01:12:20,920

made this connection come on dude it

1489

01:12:25,020 --> 01:12:24,489

bothers me and like what you find in

1490

01:12:26,540 --> 01:12:25,030

this field

1491

01:12:29,370 --> 01:12:26,550

right now is a lot of people trying to

1492

01:12:31,590 --> 01:12:29,380

like and I'm not like discounting you

1493

01:12:35,280 --> 01:12:31,600

because you definitely did very first

1494

01:12:38,370 --> 01:12:35,290

but like you're finding a lot of that

1495

01:12:40,980 --> 01:12:38,380

like people's you know saying that we

1496

01:12:43,020 --> 01:12:40,990

had these people along before you did it

1497

01:12:45,930 --> 01:12:43,030

it's it's absolutely ridiculous like

1498

01:12:47,850 --> 01:12:45,940

what I want to know is why is nobody in

1499

01:12:49,440 --> 01:12:47,860

in terms of the david flavor sighting

1500

01:12:51,630 --> 01:12:49,450

why is nobody talking to a Paco cheer

1501

01:12:53,940 --> 01:12:51,640

Ichi and I'm here to you most people

1502

01:12:55,680 --> 01:12:53,950

probably don't know who Paco teg is or

1503

01:12:58,680 --> 01:12:55,690

even know what I'm talking about and

1504

01:13:01,260 --> 01:12:58,690

like I know that Jeremy Korbel god

1505

01:13:04,320 --> 01:13:01,270

respect him thinks that he was breaking

1506

01:13:06,120 --> 01:13:04,330

that fray verse story to begin with Paco

1507

01:13:09,360 --> 01:13:06,130

Chi reach he broke that two years before

1508

01:13:11,850 --> 01:13:09,370

he did so why is nobody talking to him

1509

01:13:14,730 --> 01:13:11,860

yeah again it's all about perception and

1510

01:13:17,220 --> 01:13:14,740

narrative and you know I think you make

1511

01:13:19,050 --> 01:13:17,230

a good point though like the ego got the

1512

01:13:21,600 --> 01:13:19,060

best of me when I saw the Larry Gessner

1513

01:13:23,250 --> 01:13:21,610

case involved to this i'ma go I was the

1514

01:13:25,050 --> 01:13:23,260

first to break that but I don't know

1515

01:13:26,910 --> 01:13:25,060

that someone else may have interviewed

1516

01:13:30,330 --> 01:13:26,920

Larry long before that but that's not

1517

01:13:32,550 --> 01:13:30,340

what it's about I think you're right we

1518

01:13:33,900 --> 01:13:32,560

need to like keep digging finding all

1519

01:13:35,610 --> 01:13:33,910

these people look at like Dave Beattie

1520

01:13:38,520 --> 01:13:35,620

and all these people he's working with

1521

01:13:41,100 --> 01:13:38,530

try to find all these people that were

1522

01:13:43,170 --> 01:13:41,110

on the Roosevelt it's amazing

1523

01:13:45,330 --> 01:13:43,180

the work that the UFO field is doing

1524

01:13:47,490 --> 01:13:45,340

Keith pastor field I mean the the list

1525

01:13:50,790 --> 01:13:47,500

is endless of the people who are doing

1526

01:13:54,240 --> 01:13:50,800

way way more work than to the Stars

1527

01:13:57,930 --> 01:13:54,250

Academy right and and my big problem

1528

01:14:02,070 --> 01:13:57,940

with them is that they're cutting the

1529

01:14:03,900 --> 01:14:02,080

rest of us out they're cutting us the

1530

01:14:06,270 --> 01:14:03,910

people that have done this research so

1531

01:14:08,280 --> 01:14:06,280

it's like to the Stars Academy is like

1532

01:14:10,170 --> 01:14:08,290

hitting the reset button why do we need

1533

01:14:13,950 --> 01:14:10,180

to hit the reset button when we have

1534

01:14:15,750 --> 01:14:13,960

literature from decades and decades that

1535

01:14:19,800 --> 01:14:15,760

are saying the same things that you

1536

01:14:21,390 --> 01:14:19,810

think are revelations now yeah it sucks

1537

01:14:23,340 --> 01:14:21,400

man and at the same time like I

1538

01:14:25,800 --> 01:14:23,350

understand you're bringing presenting

1539

01:14:28,590 --> 01:14:25,810

this to the mainstream who haven't been

1540

01:14:31,260 --> 01:14:28,600

into all this like we have but like you

1541

01:14:33,420 --> 01:14:31,270

like use us ask us for help like

1542

01:14:35,670 --> 01:14:33,430

creaking hey we're we're all for you I

1543

01:14:37,860 --> 01:14:35,680

still am a big fan of what they're doing

1544

01:14:38,670 --> 01:14:37,870

bringing this to the mainstream trying

1545

01:14:41,190 --> 01:14:38,680

to D state

1546

01:14:44,040 --> 01:14:41,200

mattias the phenomena and the topic but

1547

01:14:45,330 --> 01:14:44,050

at the same time like Tom DeLonge from

1548

01:14:47,640 --> 01:14:45,340

the beginning told the UFO community

1549

01:14:49,920 --> 01:14:47,650

read between the lines guys like you

1550

01:14:51,660 --> 01:14:49,930

know what I'm really trying to get here

1551

01:14:53,490 --> 01:14:51,670

well you're not showing that man cuz you

1552

01:14:55,380 --> 01:14:53,500

completely cut out the entire UFO

1553

01:14:57,930 --> 01:14:55,390

community hey and we were the most

1554

01:15:00,540 --> 01:14:57,940

offending you from the start right and

1555

01:15:02,670 --> 01:15:00,550

like look at look at the UFO community

1556

01:15:05,550 --> 01:15:02,680

now and and how things are coming back

1557

01:15:07,200 --> 01:15:05,560

yeah things are cyclical again why are

1558

01:15:09,030 --> 01:15:07,210

we talking about some goddamn alien

1559

01:15:13,590 --> 01:15:09,040

autopsy video again that we know is not

1560

01:15:16,740 --> 01:15:13,600

real don't get me started like why are

1561

01:15:18,780 --> 01:15:16,750

we and and some topics are worth

1562

01:15:21,030 --> 01:15:18,790

revisiting but there are topics that

1563

01:15:24,930 --> 01:15:21,040

nobody has even bothered to cover which

1564

01:15:26,520 --> 01:15:24,940

is what I love to do when I first like

1565

01:15:28,800 --> 01:15:26,530

the first appearance I ever made on this

1566

01:15:31,200 --> 01:15:28,810

podcast we talked about the men in black

1567

01:15:36,450 --> 01:15:31,210

I was like I really want to dig into

1568

01:15:38,700 --> 01:15:36,460

this stuff and I looked at the Herbert

1569

01:15:40,350 --> 01:15:38,710

Hopkins encounter and I'm like this is

1570

01:15:41,940 --> 01:15:40,360

really strange what the hell was he

1571

01:15:44,040 --> 01:15:41,950

looking into because it's it felt like

1572

01:15:47,190 --> 01:15:44,050

it was a question nobody had asked yeah

1573

01:15:49,800 --> 01:15:47,200

so I find it in this book and I'm like

1574

01:15:51,450 --> 01:15:49,810

why is nobody talking about this case it

1575

01:15:55,200 --> 01:15:51,460

literally happened like two weeks before

1576

01:15:57,180 --> 01:15:55,210

Travis Walton was abducted and it's far

1577

01:15:59,280 --> 01:15:57,190

more insane than Travis Walt in the

1578

01:16:04,020 --> 01:15:59,290

story why is nobody talking about this

1579

01:16:06,420 --> 01:16:04,030

and it's those stories that really they

1580

01:16:08,640 --> 01:16:06,430

need to be told because they've never

1581

01:16:10,680 --> 01:16:08,650

really been told before they've they've

1582

01:16:13,950 --> 01:16:10,690

existed in the annals of these UFO

1583

01:16:17,460 --> 01:16:13,960

journals that sometimes people pick up

1584

01:16:20,430 --> 01:16:17,470

and read through and you know if you got

1585

01:16:24,660 --> 01:16:20,440

AB lying around there's a the whole like

1586

01:16:27,420 --> 01:16:24,670

Internet Archive like if you go to it's

1587

01:16:29,130 --> 01:16:27,430

either new fork or new force had that

1588

01:16:32,000 --> 01:16:29,140

it's really confusing at a certain time

1589

01:16:35,490 --> 01:16:32,010

new forest is in Canada I believe yeah

1590

01:16:37,830 --> 01:16:35,500

there is a database of issues a flying

1591

01:16:40,320 --> 01:16:37,840

saucer review from the time it started

1592

01:16:43,080 --> 01:16:40,330

in the 50s up until it folded in the

1593

01:16:44,790 --> 01:16:43,090

early 2000s they're all on there go read

1594

01:16:50,730 --> 01:16:44,800

through them there's some crazy cases in

1595

01:16:52,599 --> 01:16:50,740

there they're the the some of the bonus

1596

01:16:54,729 --> 01:16:52,609

Kait bonus episodes that I've done

1597

01:16:56,500 --> 01:16:54,739

have come from these cases there's

1598

01:16:58,329 --> 01:16:56,510

everybody talks about the Mothman

1599

01:17:02,500 --> 01:16:58,339

sightings and they don't talk about this

1600

01:17:06,879 --> 01:17:02,510

one case from as I believed South

1601
01:17:08,949 --> 01:17:06,889
Carolina Gaffney of these two cops they

1602
01:17:14,339 --> 01:17:08,959
were out one night during this meteor

1603
01:17:16,839 --> 01:17:14,349
shower and they were patrolling an area

1604
01:17:18,399 --> 01:17:16,849
they it was an abandoned area and they

1605
01:17:19,899 --> 01:17:18,409
see this UFO and it just comes straight

1606
01:17:21,790 --> 01:17:19,909
down in front of their car and this

1607
01:17:24,429 --> 01:17:21,800
really short being gets out and it

1608
01:17:26,169 --> 01:17:24,439
starts asking them questions he talks

1609
01:17:28,509 --> 01:17:26,179
about that case is a case that John keel

1610
01:17:29,770 --> 01:17:28,519
reported and it's like why is that not

1611
01:17:34,629 --> 01:17:29,780
talked about when people talk about the

1612
01:17:37,899 --> 01:17:34,639
Mafia yeah and it's it's those yeah it's

1613
01:17:40,959 --> 01:17:37,909

those cases that like God I find more

1614

01:17:42,849 --> 01:17:40,969

value in them than I do in a lot of what

1615

01:17:44,679 --> 01:17:42,859

to the Stars Academy is doing and I know

1616

01:17:46,119 --> 01:17:44,689

that's gonna upset a lot of people I

1617

01:17:47,979 --> 01:17:46,129

just don't care anymore

1618

01:17:51,489 --> 01:17:47,989

you know I don't need a man there's no

1619

01:17:53,709 --> 01:17:51,499

time for it and I've been sort of taken

1620

01:17:55,929 --> 01:17:53,719

to task with Ryan like make a decision

1621

01:17:57,489 --> 01:17:55,939

are you for it are you against it look I

1622

01:17:59,739 --> 01:17:57,499

wrote a shining review of the first

1623

01:18:01,589 --> 01:17:59,749

episode of unidentified because I

1624

01:18:04,810 --> 01:18:01,599

thought it was slick and

1625

01:18:08,049 --> 01:18:04,820

beautiful and insightful and it was

1626

01:18:11,079 --> 01:18:08,059

great it was again it was for a new

1627

01:18:13,599 --> 01:18:11,089

audience so that's great but as the show

1628

01:18:16,779 --> 01:18:13,609

has gone on I get what they're doing

1629

01:18:20,469 --> 01:18:16,789

it's just it's a recycling of everything

1630

01:18:22,479 --> 01:18:20,479

we already know that's not to say that

1631

01:18:25,679 --> 01:18:22,489

they have not made strides and some

1632

01:18:28,000 --> 01:18:25,689

progression in terms of the military

1633

01:18:31,329 --> 01:18:28,010

acknowledging this or this or that but

1634

01:18:33,489 --> 01:18:31,339

at the same time dude it's the UFO

1635

01:18:36,459 --> 01:18:33,499

researchers working in the shadows that

1636

01:18:37,869 --> 01:18:36,469

are really doing the hard work so I

1637

01:18:40,419 --> 01:18:37,879

think we have to keep that in mind

1638

01:18:41,979 --> 01:18:40,429

do not stop what you're doing the Keith

1639

01:18:44,649 --> 01:18:41,989

pasture fields out there the day

1640

01:18:47,679 --> 01:18:44,659

beauties everyone out there who's doing

1641

01:18:51,429 --> 01:18:47,689

that legwork and to the stars kind of

1642

01:18:54,579 --> 01:18:51,439

takes away from that in my opinion just

1643

01:18:56,829 --> 01:18:54,589

and doing your work yeah and I gotta say

1644

01:18:59,709 --> 01:18:56,839

God bless Sean Greenwald for doing what

1645

01:19:02,619 --> 01:18:59,719

he is doing because he took that bashing

1646

01:19:05,919 --> 01:19:02,629

he did he has taken a bastion he has

1647

01:19:08,229 --> 01:19:05,929

done it well and he is

1648

01:19:11,020 --> 01:19:08,239

he's doing honest work you know and and

1649

01:19:17,290 --> 01:19:11,030

like I'll be honest I've never seen

1650

01:19:19,659 --> 01:19:17,300

Alejandro Rojas it's like God never gets

1651

01:19:23,020 --> 01:19:19,669

angry no I've never seen Alejandro Rojas

1652

01:19:26,169 --> 01:19:23,030

angry at all and and I was watching that

1653

01:19:29,290 --> 01:19:26,179

Twitter thread and I'm like oh my god

1654

01:19:30,969 --> 01:19:29,300

yeah really hey if anything this whole

1655

01:19:33,459 --> 01:19:30,979

thing that's happened in the past couple

1656

01:19:36,699 --> 01:19:33,469

years has made UFO researchers

1657

01:19:39,429 --> 01:19:36,709

passionate again and we lost that for a

1658

01:19:41,949 --> 01:19:39,439

long time so you know what while it

1659

01:19:45,399 --> 01:19:41,959

might be divisive it's also really

1660

01:19:47,919 --> 01:19:45,409

really getting our flames going so I

1661

01:19:51,189 --> 01:19:47,929

hope we can use that passion work

1662

01:19:52,659 --> 01:19:51,199

together to find answers because I agree

1663

01:19:54,699 --> 01:19:52,669

with a lot of what the young guns are

1664

01:19:56,859 --> 01:19:54,709

doing I agree a lot with what people

1665

01:19:58,989 --> 01:19:56,869

like John Greenwald are doing and we are

1666

01:20:01,299 --> 01:19:58,999

getting some incredible journalism

1667

01:20:04,569 --> 01:20:01,309

coming out of Tyler rogue away Alejandro

1668

01:20:07,600 --> 01:20:04,579

Johnny Wald they're all doing amazing

1669

01:20:10,029 --> 01:20:07,610

work so you know what if that's what it

1670

01:20:12,459 --> 01:20:10,039

comes down to the way that this topic is

1671

01:20:14,709 --> 01:20:12,469

covered I want to read everything that

1672

01:20:16,239 --> 01:20:14,719

all of those people have to say because

1673

01:20:17,619 --> 01:20:16,249

we're at the end of the day we are all

1674

01:20:20,259 --> 01:20:17,629

in this together we're just trying to

1675

01:20:23,350 --> 01:20:20,269

find answers yeah absolutely and I mean

1676

01:20:26,379 --> 01:20:23,360

if people can use to the stars Academy

1677

01:20:29,589 --> 01:20:26,389

as a gateway drug that more power to you

1678

01:20:31,869 --> 01:20:29,599

if it caught if it wanted you know

1679

01:20:32,949 --> 01:20:31,879

pushes you to look into this stuff more

1680

01:20:36,639 --> 01:20:32,959

then that's great

1681

01:20:40,839 --> 01:20:36,649

yeah that's fantastic oh yeah man T TSA

1682

01:20:42,759 --> 01:20:40,849

is the marijuana to the cocaine yeah

1683

01:20:44,379 --> 01:20:42,769

like I like to think of myself as the

1684

01:20:49,000 --> 01:20:44,389

cocaine right now yeah you come to my

1685

01:20:53,709 --> 01:20:49,010

podcast or getting the cocaine yeah the

1686

01:20:55,689 --> 01:20:53,719

our strange cocaine podcast yeah well

1687

01:20:58,330 --> 01:20:55,699

speaking of that dude wrapping things up

1688

01:21:00,819 --> 01:20:58,340

here you're back the show is back I

1689

01:21:03,819 --> 01:21:00,829

can't believe it we were all waiting so

1690

01:21:05,979 --> 01:21:03,829

so patiently but you are back and the

1691

01:21:08,500 --> 01:21:05,989

floodgates have opened new music new

1692

01:21:10,239 --> 01:21:08,510

formatting what can we expect moving

1693

01:21:11,939 --> 01:21:10,249

forward with the our strange skies

1694

01:21:15,339 --> 01:21:11,949

put our our meltdowns which if you don't

1731

01:22:56,260 --> 01:22:52,140

know what a meltdown is it's basically

1732

01:22:59,300 --> 01:22:56,270

where myself and some guests watch

1733

01:23:00,980 --> 01:22:59,310

really weird UFO documentaries and

1734

01:23:04,700 --> 01:23:00,990

movies and stuff like that and then we

1735

01:23:09,470 --> 01:23:04,710

just tear it apart it's fun we we

1736

01:23:13,670 --> 01:23:09,480

recently watched UFOs the best evidence

1737

01:23:18,020 --> 01:23:13,680

everyone into with the ever ever the

1738

01:23:21,530 --> 01:23:18,030

greatest of the 90s Jonathan Frakes so

1739

01:23:24,200 --> 01:23:21,540

we we ripped into the UFO footage in

1740

01:23:26,900 --> 01:23:24,210

that it was fun I remember those man

1741

01:23:29,330 --> 01:23:26,910

there were some freaky looking UFOs in

1742

01:23:31,170 --> 01:23:29,340

there mostly balloons but some of them

1743

01:23:34,350 --> 01:23:31,180

are pretty astounding

1744

01:23:36,120 --> 01:23:34,360

yes some of them were I think we I think

1745

01:23:37,230 --> 01:23:36,130

we found three of them that were good in

1746

01:23:39,780 --> 01:23:37,240

that thing but you know uh

1747

01:23:41,670 --> 01:23:39,790

you'll get hours of entertainment hours

1748

01:23:43,530 --> 01:23:41,680

of entertainment Oh Jonathan Frakes you

1749

01:23:45,930 --> 01:23:43,540

are you're sorely missed in the UFO

1750

01:23:49,800 --> 01:23:45,940

community alien autopsy - yes absolutely

1751

01:23:51,570 --> 01:23:49,810

alien autopsy yeah he was he was all

1752

01:23:55,500 --> 01:23:51,580

over the place in the 90s man he was

1753

01:23:59,370 --> 01:23:55,510

doing that he what the heck was another

1754

01:24:06,450 --> 01:23:59,380

show that he had are you beyond belief

1755

01:24:08,670 --> 01:24:06,460

yes yeah so great so create well hey I

1756
