76
00:04:01,839 --> 00:03:59,569
hi guys my name is Ryan Sprague I am one

77
00:04:03,670 --> 00:04:01,849
of the co investigators and co-hosts of

78
00:04:05,800 --> 00:04:03,680
that little clip you just saw there from

79
00:04:07,780 --> 00:04:05,810
Roswell mysteries decoded which we're

80
00:04:09,640 --> 00:04:07,790
going to be talking about today with our

81
00:04:11,559 --> 00:04:09,650
panelists we're also gonna be talking

82
00:04:13,630 --> 00:04:11,569
about what was spawned from Roswell

83
00:04:15,280 --> 00:04:13,640
mysteries decoded and that is a new

84
00:04:16,659 --> 00:04:15,290
series that's going to be premiering on

85
00:04:19,780 --> 00:04:16,669
the CW called

86
00:04:21,729 --> 00:04:19,790
aptly mysteries decoded so without

87
00:04:24,640 --> 00:04:21,739
further ado I'd like to introduce you to

88
00:04:27,129 --> 00:04:24,650

our panel today first we have Alejandro

89

00:04:37,750 --> 00:04:35,690

the show Alejandra and for anyone that

91

00:04:39,640 --> 00:04:37,760

knows anything about the Roswell UFO

92

00:04:42,400 --> 00:04:39,650

incident you're gonna know this next

93

00:04:45,340 --> 00:04:42,410

person this is the granddaughter of

Jesse Marcel the first military officer

95

00:04:50,180 --> 00:04:48,800

on-site at the Roswell UFO crash that's

96

00:04:57,640 --> 00:04:50,190

Denise Marcel Denise

97

00:05:02,689 --> 00:05:00,439

all right next up this is the man that

98

00:05:05,420 --> 00:05:02,699

made this all happen the reason we're

99

00:05:08,540 --> 00:05:05,430

all standing up here today one of the

100

00:05:11,089 --> 00:05:08,550

most caring producers I've ever met of

101
00:05:13,850 --> 00:05:11,099
the UFO phenomenon and how it is treated

102
00:05:16,219 --> 00:05:13,860
in entertainment and that is executive

103
00:05:18,290 --> 00:05:16,229
producer of Roswell mysteries Dakotan

104
00:05:28,249 --> 00:05:18,300
and creator of mysteries decoded Gary

105
00:05:30,980 --> 00:05:28,259
darwinian and last but not least my

106
00:05:32,870 --> 00:05:30,990
partner in crime my co-host and

107
00:05:35,180 --> 00:05:32,880
co-investigator on Roswell mysteries

108
00:05:37,390 --> 00:05:35,190
decoded and the host of mysteries

109
00:05:44,260 --> 00:05:37,400
decoded Jennifer Marshall

110
00:05:49,899 --> 00:05:44,270
[Applause]

111
00:05:55,219 --> 00:05:52,459
so we're gonna we're gonna start off

112
00:05:57,409 --> 00:05:55,229
with Roswell mysteries Dakota the

113
00:06:00,800 --> 00:05:57,419

one-hour special that premiered on the

114

00:06:03,350 --> 00:06:00,810

CW a few months ago and all of you were

115

00:06:06,619 --> 00:06:03,360

connected to this project so I think I'd

116

00:06:08,450 --> 00:06:06,629

like to start with Gary how did this all

117

00:06:11,149 --> 00:06:08,460

come about where did your interest in

118

00:06:13,040 --> 00:06:11,159

UFOs start Roswell how did this project

119

00:06:15,080 --> 00:06:13,050

come to be well I've always been

120

00:06:17,059 --> 00:06:15,090

interested in the topic and it seems

121

00:06:19,700 --> 00:06:17,069

that it has never been more popular and

122

00:06:22,100 --> 00:06:19,710

what really helped me get the show off

123

00:06:25,640 --> 00:06:22,110

the ground as I went to the show last

124

00:06:28,580 --> 00:06:25,650

year in Pasadena and heard Ryan Sprague

125

00:06:30,770 --> 00:06:28,590

speak and he sort of had me at hello

126

00:06:32,600 --> 00:06:30,780

and I thought alright we need to do a

127

00:06:35,149 --> 00:06:32,610

UFO show and it was a matter of figuring

128

00:06:36,920 --> 00:06:35,159

out what it was going to be and then we

129

00:06:39,050 --> 00:06:36,930

had this wonderful opportunity where we

130

00:06:41,119 --> 00:06:39,060

brought it to the CW network and the

131

00:06:43,070 --> 00:06:41,129

rest is history yeah it happened so

132

00:06:44,450 --> 00:06:43,080

quick and that's often how these things

133

00:06:46,550 --> 00:06:44,460

happen and that's how we all get

134

00:06:48,559 --> 00:06:46,560

involved with it and one of those people

135

00:06:50,209 --> 00:06:48,569

was alejandro now for those who don't

136

00:06:52,939 --> 00:06:50,219

know I've been working with Alejandro

137

00:06:56,059 --> 00:06:52,949

for many many years he gave me my big

138

00:06:58,369 --> 00:06:56,069

break in the UFO field working for his

139

00:07:00,680 --> 00:06:58,379

magazine open minds magazine so

140

00:07:02,749 --> 00:07:00,690

Alejandro how did you get involved with

141

00:07:03,769 --> 00:07:02,759

this and what was your role with Roswell

142

00:07:06,050 --> 00:07:03,779

mysteries decoded

143

00:07:08,300 --> 00:07:06,060

yeah I've been talking with Gary for

144

00:07:10,339 --> 00:07:08,310

quite a while for a few years now

145

00:07:11,899 --> 00:07:10,349

he's been talking about his UFO interest

146

00:07:13,879 --> 00:07:11,909

we've been talking about you know

147

00:07:16,969 --> 00:07:13,889

different ideas that he's been pitching

148

00:07:19,760 --> 00:07:16,979

out there so I was very happy when they

149

00:07:24,499 --> 00:07:19,770

got this deal with CW to work on Roswell

150

00:07:26,269 --> 00:07:24,509

and you know when we talk they of course

151

00:07:28,159 --> 00:07:26,279

when they're producing shows like the

152

00:07:31,100 --> 00:07:28,169

research is the most important part and

153

00:07:32,839 --> 00:07:31,110

so I felt it was important that we show

154

00:07:34,430 --> 00:07:32,849

two different things that first of all

155

00:07:36,950 --> 00:07:34,440

Roswell was a conspiracy and I'll

156

00:07:39,980 --> 00:07:36,960

explain why but second of all that

157

00:07:41,480 --> 00:07:39,990

there's research ongoing research that

158

00:07:42,619 --> 00:07:41,490

can happen and I think that's what's

159

00:07:43,550 --> 00:07:42,629

important because a lot of people are

160

00:07:44,899 --> 00:07:43,560

like Roswell

161

00:07:46,999 --> 00:07:44,909

why don't we need to talk about Roswell

162

00:07:49,219 --> 00:07:47,009

that was so long ago what new is with

163

00:07:51,290 --> 00:07:49,229

Roswell on the show you saw what was new

164

00:07:54,050 --> 00:07:51,300

there are people looking for metals and

165

00:07:55,459 --> 00:07:54,060

materials out in the desert any day

166

00:07:56,390 --> 00:07:55,469

someone could find something and we

167

00:07:59,450 --> 00:07:56,400

might you know

168

00:08:01,250 --> 00:07:59,460

prove scientifically that there's

169

00:08:03,590 --> 00:08:01,260

there's something out there that's truly

170

00:08:05,840 --> 00:08:03,600

mysterious so that's important also

171

00:08:08,540 --> 00:08:05,850

there's that image you know that was in

172

00:08:10,370 --> 00:08:08,550

the show with the the memo that that

173

00:08:12,320 --> 00:08:10,380

general is holding and and what's on

174

00:08:14,540 --> 00:08:12,330

that memo we still don't know so

175

00:08:16,670 --> 00:08:14,550

hopefully the technology one day will

176

00:08:19,400 --> 00:08:16,680

show us what's on there but the other

177

00:08:20,750 --> 00:08:19,410

part people don't realize is that it is

178

00:08:23,540 --> 00:08:20,760

a conspiracy in the Air Force has

179

00:08:25,939 --> 00:08:23,550

admitted that in their own documentation

180

00:08:27,710 --> 00:08:25,949

they show that you know it wasn't the

181

00:08:29,779 --> 00:08:27,720

weather balloon they know it wasn't the

182

00:08:31,700 --> 00:08:29,789

weather balloon they admit we don't know

183

00:08:33,200 --> 00:08:31,710

why they do you know they decided to

184

00:08:35,089 --> 00:08:33,210

cover it up and say it was weather

185

00:08:36,519 --> 00:08:35,099

balloon when it wasn't of course we have

186

00:08:39,709 --> 00:08:36,529

this theory it was a mogul balloon

187

00:08:42,320 --> 00:08:39,719

that's not necessarily proven yet but

188

00:08:44,180 --> 00:08:42,330

the point is it wasn't conspiracy so if

189

00:08:45,910 --> 00:08:44,190

they're upset about people calling it a

190

00:08:50,480 --> 00:08:45,920

conspiracy it's their own fault

191

00:08:52,670 --> 00:08:50,490

too bad yeah all right no Denise when

192

00:08:54,410 --> 00:08:52,680

Gary approached me with this project I

193

00:08:56,540 --> 00:08:54,420

was a lot like alejandro I was very

194

00:08:58,820 --> 00:08:56,550

skeptical I'm like what's new that we

195

00:09:01,400 --> 00:08:58,830

could really discover about Roswell and

196

00:09:03,530 --> 00:09:01,410

I knew we were going to be going out to

197

00:09:05,390 --> 00:09:03,540

the crash site which we will get to I

198

00:09:08,480 --> 00:09:05,400

knew that we were going to be talking to

199

00:09:10,610 --> 00:09:08,490

a earth scientist and geologists about

200

00:09:12,620 --> 00:09:10,620

metals we'd found he had found out there

201
00:09:14,780 --> 00:09:12,630
but when he said that we're going to be

202
00:09:16,519 --> 00:09:14,790
speaking to you one of the descendants

203
00:09:18,980 --> 00:09:16,529
of the Marcel family that's when I was

204
00:09:21,350 --> 00:09:18,990
like let's do this let's do this so how

205
00:09:23,930 --> 00:09:21,360
is that when Gary approached you to do

206
00:09:25,610 --> 00:09:23,940
this show I'm sure this isn't the first

207
00:09:27,890 --> 00:09:25,620
time you've been approached with things

208
00:09:29,990 --> 00:09:27,900
like this to cover the legacy of your

209
00:09:31,970 --> 00:09:30,000
grandfather and your father who were

210
00:09:34,340 --> 00:09:31,980
both directly involved with the Roswell

211
00:09:36,710 --> 00:09:34,350
UFO crash you know I was really happy

212
00:09:37,910 --> 00:09:36,720
when I was contacted about this it's you

213
00:09:39,350 --> 00:09:37,920

know anytime that I can get an

214

00:09:41,720 --> 00:09:39,360

opportunity to talk about what really

215

00:09:44,269 --> 00:09:41,730

happened out there I'll jump at that

216

00:09:46,040 --> 00:09:44,279

opportunity and I was just really lucky

217

00:09:47,990 --> 00:09:46,050

that it was you guys because you guys

218

00:09:49,730 --> 00:09:48,000

did an amazing job with this you you

219

00:09:51,500 --> 00:09:49,740

portrayed my grandfather and my father

220

00:09:52,250 --> 00:09:51,510

in a really good light which I really

221

00:09:54,829 --> 00:09:52,260

appreciate

222

00:09:55,430 --> 00:09:54,839

because it's you know it's a touchy

223

00:09:57,199 --> 00:09:55,440

subject

224

00:09:58,280 --> 00:09:57,209

you know like Alejandro was saying you

225

00:09:58,970 --> 00:09:58,290

know if you don't agree that it's

226

00:10:03,740 --> 00:09:58,980

conspiracy

227

00:10:05,600 --> 00:10:03,750

grandfather 100% said that was not what

228

00:10:08,030 --> 00:10:05,610

was in that room that of what he found

229

00:10:09,610 --> 00:10:08,040

out and that's that field and my father

230

00:10:11,260 --> 00:10:09,620

saw the same material he's like

231

00:10:14,560 --> 00:10:11,270

this is definitely not what was in that

232

00:10:16,620 --> 00:10:14,570

picture there so yeah it was real no I

233

00:10:19,210 --> 00:10:16,630

want to see something too I think by

234

00:10:21,700 --> 00:10:19,220

participating Denise you really made our

235

00:10:24,100 --> 00:10:21,710

show something special and I think you

236

00:10:26,710 --> 00:10:24,110

really honored the legacy of your father

237

00:10:28,810 --> 00:10:26,720

and your grandfather who I believe is an

238

00:10:35,040 --> 00:10:28,820

American Hero for speaking up so thank

239

00:10:41,260 --> 00:10:38,700

My partner in crime you're so far away

240

00:10:43,090 --> 00:10:41,270

Jennifer when we first started this

241

00:10:44,200 --> 00:10:43,100

project and I knew I was gonna be going

242

00:10:47,650 --> 00:10:44,210

out to investigate razo

243

00:10:49,930 --> 00:10:47,660

I was like a kid in a candy shop but you

244

00:10:53,050 --> 00:10:49,940

coming from a background of what you do

245

00:10:54,520 --> 00:10:53,060

if you're willing to share with us what

246

00:10:56,890 --> 00:10:54,530

was it like knowing that you were going

247

00:10:59,740 --> 00:10:56,900

to be investigating a UFO event

248

00:11:01,360 --> 00:10:59,750

oh my so for those of you who don't know

249

00:11:02,680 --> 00:11:01,370

I am a military veteran and I am a

250

00:11:04,660 --> 00:11:02,690

licensed private investigator in the

251
00:11:07,000 --> 00:11:04,670
state of California so things that

252
00:11:09,220 --> 00:11:07,010
border on the paranormal can be really

253
00:11:11,620 --> 00:11:09,230
looked down upon in our community so I

254
00:11:14,050 --> 00:11:11,630
had to explain it to my colleagues in a

255
00:11:16,180 --> 00:11:14,060
way that focused on the conspiracy of it

256
00:11:18,880 --> 00:11:16,190
because we knew that it was not as the

257
00:11:20,200 --> 00:11:18,890
government had portrayed and then after

258
00:11:21,610 --> 00:11:20,210
I had spoken to some of my colleagues

259
00:11:23,650 --> 00:11:21,620
and I have actually gone to a state

260
00:11:25,690 --> 00:11:23,660
conference this past month people were

261
00:11:27,060 --> 00:11:25,700
very supportive because when you're

262
00:11:29,440 --> 00:11:27,070
dealing with a historical investigation

263
00:11:31,090 --> 00:11:29,450

p.i is we don't make a living with

264

00:11:33,160 --> 00:11:31,100

historical investigations because who's

265

00:11:34,810 --> 00:11:33,170

gonna pay the bills so they were really

266

00:11:36,250 --> 00:11:34,820

excited that I got the chance to work in

267

00:11:37,900 --> 00:11:36,260

that realm because it's not something

268

00:11:40,390 --> 00:11:37,910

often that we have the opportunity to do

269

00:11:42,940 --> 00:11:40,400

you know had you known anything about

270

00:11:44,350 --> 00:11:42,950

the Roswell UFO event specifically

271

00:11:47,830 --> 00:11:44,360

before you got involved I have

272

00:11:48,970 --> 00:11:47,840

definitely read into it I not nearly as

273

00:11:50,620 --> 00:11:48,980

much as when we started shooting the

274

00:11:52,360 --> 00:11:50,630

show and we did all the research that we

275

00:11:53,950 --> 00:11:52,370

did but I had always known that there

276

00:11:55,450 --> 00:11:53,960

was something a little off about it

277

00:11:57,610 --> 00:11:55,460

because I think if you pull everybody in

278

00:11:58,780 --> 00:11:57,620

the room if anybody does anyone here

279

00:12:02,410 --> 00:11:58,790

really think it was a weather balloon

280

00:12:06,340 --> 00:12:02,420

that crashed right but I feel like

281

00:12:10,000 --> 00:12:06,350

Society now it is we maybe see me to see

282

00:12:12,190 --> 00:12:10,010

me after society where it's Twitter base

283

00:12:14,110 --> 00:12:12,200

it's 160 characters people just know

284

00:12:16,900 --> 00:12:14,120

what's put out there so the government

285

00:12:19,000 --> 00:12:16,910

says it was a weather balloon and 95% of

286

00:12:22,360 --> 00:12:19,010

people will say weather balloon I

287

00:12:24,129 --> 00:12:22,370

believe it so I applaud that you

288

00:12:26,470 --> 00:12:24,139

are here and looking into this and

289

00:12:28,569 --> 00:12:26,480

saying no maybe it wasn't what was fed

290

00:12:30,670 --> 00:12:28,579

to us right and that's another really

291

00:12:33,579 --> 00:12:30,680

good point that I'd like to throw over

292

00:12:36,929 --> 00:12:33,589

to Alejandro is this idea that when this

293

00:12:39,009 --> 00:12:36,939

event happened in 47 the military

294

00:12:41,769 --> 00:12:39,019

themselves put out a headline saying

295

00:12:45,009 --> 00:12:41,779

that they had captured a flying disc a

296

00:12:46,540 --> 00:12:45,019

day later that headline was taken away

297

00:12:49,030 --> 00:12:46,550

and it was nothing but a weather balloon

298

00:12:51,489 --> 00:12:49,040

so our own military were the ones to

299

00:12:54,100 --> 00:12:51,499

first come forward and brag that we may

300

00:12:57,280 --> 00:12:54,110

be the first country to have recovered

301
00:13:00,059 --> 00:12:57,290
an alien spacecraft next day that was

302
00:13:03,040 --> 00:13:00,069
completely a whole different story so

303
00:13:04,869 --> 00:13:03,050
Alejandro being like the preeminent

304
00:13:06,970 --> 00:13:04,879
researcher on this case and many others

305
00:13:08,769 --> 00:13:06,980
what do you make of this the military's

306
00:13:11,259 --> 00:13:08,779
involvement and the the switch around

307
00:13:13,869 --> 00:13:11,269
within a day I think there's a couple

308
00:13:15,309 --> 00:13:13,879
really important aspects to it and by

309
00:13:16,809 --> 00:13:15,319
the way there's a lot of researchers who

310
00:13:19,960 --> 00:13:16,819
have done a lot more work on it but

311
00:13:21,429 --> 00:13:19,970
thank you there's a couple really

312
00:13:23,379 --> 00:13:21,439
important things that I think we have to

313
00:13:26,170 --> 00:13:23,389

keep in mind with it that people I think

314

00:13:27,960 --> 00:13:26,180

overlooked so for instance it was a

315

00:13:31,960 --> 00:13:27,970

military who put out that press release

316

00:13:34,059 --> 00:13:31,970

it was Denise's grandfather who had gone

317

00:13:35,619 --> 00:13:34,069

and looked at that material reported it

318

00:13:36,759 --> 00:13:35,629

back that this is not a weather balloon

319

00:13:38,290 --> 00:13:36,769

this is something that we don't

320

00:13:41,650 --> 00:13:38,300

understand and we don't know what it is

321

00:13:44,169 --> 00:13:41,660

the colonel on the base decided wow

322

00:13:46,569 --> 00:13:44,179

we've really got something here UFOs

323

00:13:48,759 --> 00:13:46,579

were in the news so this press release

324

00:13:51,610 --> 00:13:48,769

said you know we might have caught one

325

00:13:52,590 --> 00:13:51,620

of these flying saucers we recovered a

326

00:13:55,960 --> 00:13:52,600

crash disc

327

00:13:57,910 --> 00:13:55,970

the radio reports as well you can hear

328

00:13:59,980 --> 00:13:57,920

these online you hear we may have an

329

00:14:02,679 --> 00:13:59,990

answer to these you of the flying saucer

330

00:14:04,679 --> 00:14:02,689

issue I don't know why they talk like

331

00:14:08,559 --> 00:14:04,689

that back in the old days on the radio

332

00:14:10,660 --> 00:14:08,569

but yeah and so this was a thing so they

333

00:14:13,629 --> 00:14:10,670

very boldly put out this press release

334

00:14:16,900 --> 00:14:13,639

that we captured a flying saucer the

335

00:14:19,569 --> 00:14:16,910

next day you know your grandfather

336

00:14:22,030 --> 00:14:19,579

Jesse Marcel was flown to Fort Worth

337

00:14:24,699 --> 00:14:22,040

Texas where he shows up and the general

338

00:14:26,079 --> 00:14:24,709

he goes and he says well we're gonna

339

00:14:27,280 --> 00:14:26,089

tell people it's just weather balloon

340

00:14:29,739 --> 00:14:27,290

and he walks in the room and there's

341

00:14:31,329 --> 00:14:29,749

weather balloon pieces and I was good

342

00:14:33,400 --> 00:14:31,339

friends with Denise's father who was an

343

00:14:35,480 --> 00:14:33,410

absolute wonderful person one of the

344

00:14:38,570 --> 00:14:35,490

most incredible people

345

00:14:40,699 --> 00:14:38,580

kind and just a wonderful person but and

346

00:14:42,290 --> 00:14:40,709

and the way he puts it is you know he

347

00:14:43,610 --> 00:14:42,300

was a patriot they both were they both

348

00:14:46,790 --> 00:14:43,620

served in the military

349

00:14:48,500 --> 00:14:46,800

and his dad did not question it he said

350

00:14:50,600 --> 00:14:48,510

yes sir that's what I'll do if that's

351

00:14:52,550 --> 00:14:50,610

what I'm ordered to do so that's what

352

00:14:54,769 --> 00:14:52,560

they did end of story

353

00:14:56,090 --> 00:14:54,779

and it wasn't until years later when

354

00:14:58,040 --> 00:14:56,100

santen Friedman talked with her

355

00:15:00,829 --> 00:14:58,050

grandfather that the story really kind

356

00:15:02,480 --> 00:15:00,839

of became famous and got out there but

357

00:15:04,699 --> 00:15:02,490

Colonel Blanchard the guy who put out

358

00:15:07,490 --> 00:15:04,709

that press release he didn't get in

359

00:15:09,920 --> 00:15:07,500

trouble or reprimanded in fact he went

360

00:15:10,820 --> 00:15:09,930

on to become a general brigadier general

361

00:15:13,490 --> 00:15:10,830

I believe so

362

00:15:14,990 --> 00:15:13,500

he raised through the ranks he wasn't in

363

00:15:16,370 --> 00:15:15,000

trouble for saying what are you doing

364

00:15:18,769 --> 00:15:16,380

telling people that we caught a flying

365

00:15:20,990 --> 00:15:18,779

saucer no it was more like you know he

366

00:15:22,699 --> 00:15:21,000

was doing his job and you would think

367

00:15:24,230 --> 00:15:22,709

that if he told people we caught a

368

00:15:26,090 --> 00:15:24,240

flying saucer when it was just a weather

369

00:15:28,100 --> 00:15:26,100

balloon obviously they'd get in a lot of

370

00:15:30,500 --> 00:15:28,110

trouble and he'd probably be demoted but

371

00:15:32,600 --> 00:15:30,510

that's not what happened so you know

372

00:15:34,250 --> 00:15:32,610

there's a lot that supports that there

373

00:15:37,400 --> 00:15:34,260

was something to this and that those

374

00:15:39,290 --> 00:15:37,410

guys were not mistaken a weather balloon

375

00:15:44,389 --> 00:15:39,300

that they really encountered something

376

00:15:46,819 --> 00:15:44,399

unusual Denise I'd love to get your your

377

00:15:49,579 --> 00:15:46,829

thoughts on this when when your

378

00:15:52,970 --> 00:15:49,589

grandfather did what he was told to do

379

00:15:55,340 --> 00:15:52,980

as any military person would do I know

380

00:15:58,100 --> 00:15:55,350

the story must have been completely

381

00:16:01,670 --> 00:15:58,110

different at home so when this all

382

00:16:05,540 --> 00:16:01,680

happened when he has shared things with

383

00:16:08,870 --> 00:16:05,550

you how did that make you feel knowing

384

00:16:11,150 --> 00:16:08,880

that your grandfather believed that we

385

00:16:12,590 --> 00:16:11,160

were not alone and that there was

386

00:16:16,280 --> 00:16:12,600

possibly something from another planet

387

00:16:17,870 --> 00:16:16,290

that had crashed here yeah you know it I

388

00:16:21,260 --> 00:16:17,880

had a very I guess you could say

389

00:16:23,690 --> 00:16:21,270

interesting childhood my father they

390

00:16:26,630 --> 00:16:23,700

were he was raised in Louisiana after

391

00:16:28,460 --> 00:16:26,640

they moved away from Roswell and when he

392

00:16:30,680 --> 00:16:28,470

he was in the Navy and when he got out

393

00:16:32,389 --> 00:16:30,690

of the Navy we moved to Montana and one

394

00:16:34,069 --> 00:16:32,399

of the main reasons we moved to Montana

395

00:16:36,019 --> 00:16:34,079

was so my dad could build a huge

396

00:16:38,569 --> 00:16:36,029

telescope in a backyard because all he

397

00:16:41,019 --> 00:16:38,579

wanted to do was look up at the stars to

398

00:16:44,569 --> 00:16:41,029

see if he could see anything out there

399

00:16:45,840 --> 00:16:44,579

my grandfather in my what we didn't talk

400

00:16:48,569 --> 00:16:45,850

about it a lot

401
00:16:50,370 --> 00:16:48,579
um because we were told my grandfather

402
00:16:53,040 --> 00:16:50,380
was told he's never to talk about it

403
00:16:55,530 --> 00:16:53,050
again and my father really really kind

404
00:16:58,139 --> 00:16:55,540
of stuck to that as far as friend wise

405
00:16:59,670 --> 00:16:58,149
I've been finding out recently that my

406
00:17:02,490 --> 00:16:59,680
grandfather actually was talking about

407
00:17:04,409 --> 00:17:02,500
it a lot more than what I I think even

408
00:17:06,329 --> 00:17:04,419
then what my dad knew she was some

409
00:17:08,610 --> 00:17:06,339
family relatives and these family

410
00:17:10,620 --> 00:17:08,620
relatives are saying no you your

411
00:17:14,659 --> 00:17:10,630
grandfather was actually very upset he

412
00:17:17,520 --> 00:17:14,669
felt he had absolutely no recourse and

413
00:17:18,809 --> 00:17:17,530

he felt he was kind of done wrong even

414

00:17:20,939 --> 00:17:18,819

though he you know he was a military man

415

00:17:23,429 --> 00:17:20,949

and he was doing his job I think he

416

00:17:24,899 --> 00:17:23,439

expected like years later something like

417

00:17:26,549 --> 00:17:24,909

the truth would come out and like you

418

00:17:28,380 --> 00:17:26,559

know let's you know not make him look

419

00:17:29,820 --> 00:17:28,390

like he was a bumbling fool you know

420

00:17:31,320 --> 00:17:29,830

saying oh you know he couldn't tell what

421

00:17:35,010 --> 00:17:31,330

a weather balloon was but that never

422

00:17:37,710 --> 00:17:35,020

happened I think for me though

423

00:17:39,659 --> 00:17:37,720

it it really opened my eyes up to

424

00:17:42,180 --> 00:17:39,669

there's so many possibilities out there

425

00:17:44,340 --> 00:17:42,190

and so many gosh it could be so much

426

00:17:46,740 --> 00:17:44,350

life out there and we just don't have

427

00:17:49,890 --> 00:17:46,750

know that it's I mean we just don't you

428

00:17:51,899 --> 00:17:49,900

know it's it's amazing to me yeah I mean

429

00:17:54,060 --> 00:17:51,909

the first book I ever read about UFOs

430

00:17:57,299 --> 00:17:54,070

was crash a Corona by Stanton Friedman

431

00:17:59,520 --> 00:17:57,309

and I was just getting into this thing

432

00:18:01,440 --> 00:17:59,530

in the fact that I was now seeing the

433

00:18:04,140 --> 00:18:01,450

UFOs maybe visiting our planet but

434

00:18:05,610 --> 00:18:04,150

they're also crashing planet that was

435

00:18:08,159 --> 00:18:05,620

enough for me to be like there's

436

00:18:10,680 --> 00:18:08,169

something to this all and Jennifer I

437

00:18:11,730 --> 00:18:10,690

know when we first started like we we

438

00:18:14,220 --> 00:18:11,740

had just met each other

439

00:18:15,659 --> 00:18:14,230

um it was very you know brief

440

00:18:18,960 --> 00:18:15,669

introductions let's go let's go

441

00:18:20,880 --> 00:18:18,970

investigate and I knew a lot of sort of

442

00:18:22,770 --> 00:18:20,890

sort of the things we would be covering

443

00:18:25,590 --> 00:18:22,780

I had heard rumors that there were

444

00:18:27,899 --> 00:18:25,600

possible materials out in the desert and

445

00:18:30,810 --> 00:18:27,909

everything so I like I'd like to know

446

00:18:33,480 --> 00:18:30,820

from you what what about this

447

00:18:36,360 --> 00:18:33,490

investigation into Roswell really stuck

448

00:18:37,440 --> 00:18:36,370

out to you in terms of evidence well it

449

00:18:38,820 --> 00:18:37,450

was funny when you called me and you

450

00:18:41,100 --> 00:18:38,830

asked me if I wanted to work on this

451
00:18:42,720 --> 00:18:41,110
with you I was really once we started

452
00:18:45,570 --> 00:18:42,730
researching and digging in I was really

453
00:18:47,460 --> 00:18:45,580
appalled at how sloppy the cover-up was

454
00:18:50,580 --> 00:18:47,470
so if you're going to cover something up

455
00:18:52,890 --> 00:18:50,590
do a good job just do a good job if you

456
00:18:55,710 --> 00:18:52,900
look at even the pieces of the weather

457
00:18:57,600 --> 00:18:55,720
balloon that were found those were shiny

458
00:18:59,030 --> 00:18:57,610
straight out of a package it hadn't been

459
00:19:01,820 --> 00:18:59,040
sitting out there

460
00:19:04,760 --> 00:19:01,830
no mud there was no dirt I mean this is

461
00:19:06,350 --> 00:19:04,770
a dusty place that it was sitting and it

462
00:19:08,270 --> 00:19:06,360
was just kind of insulting that they

463
00:19:09,560 --> 00:19:08,280

said well this is what we found and you

464

00:19:11,900 --> 00:19:09,570

guys just have to accept that because

465

00:19:14,600 --> 00:19:11,910

there were so many things that it was

466

00:19:16,490 --> 00:19:14,610

like guys really this is the best that

467

00:19:18,080 --> 00:19:16,500

you can do and then I think when the Air

468

00:19:19,520 --> 00:19:18,090

Force released the report saying it was

469

00:19:22,790 --> 00:19:19,530

project mogul it was this big long

470

00:19:25,430 --> 00:19:22,800

report that was kind of a lot to do

471

00:19:27,140 --> 00:19:25,440

about nothing it was this huge report to

472

00:19:28,460 --> 00:19:27,150

kind of get people to shut up because

473

00:19:30,860 --> 00:19:28,470

how many people are actually going to

474

00:19:33,200 --> 00:19:30,870

read the report not many I mean this

475

00:19:35,270 --> 00:19:33,210

thing was what did they say nine hundred

476

00:19:37,490 --> 00:19:35,280

and ninety four pages long I think it's

477

00:19:40,580 --> 00:19:37,500

exactly nobody's going to read anything

478

00:19:42,230 --> 00:19:40,590

that's you know over 50 pages exactly so

479

00:19:44,440 --> 00:19:42,240

I think that's what struck me about it

480

00:19:47,540 --> 00:19:44,450

and then kind of just how it went away

481

00:19:49,310 --> 00:19:47,550

it went away and the government said

482

00:19:50,600 --> 00:19:49,320

okay if you think that it's aliens I

483

00:19:53,390 --> 00:19:50,610

guess people are gonna think it's aliens

484

00:19:56,510 --> 00:19:53,400

we'll just let you think it's aliens so

485

00:20:00,470 --> 00:19:56,520

and I think that's just kind of a lazy

486

00:20:02,360 --> 00:20:00,480

way of allowing it to go to the side is

487

00:20:03,620 --> 00:20:02,370

just by making everybody think oh we're

488

00:20:05,060 --> 00:20:03,630

crazy because we think it could be

489

00:20:06,860 --> 00:20:05,070

aliens now I'm not saying that that's

490

00:20:08,990 --> 00:20:06,870

exactly what happened I don't know if

491

00:20:10,490 --> 00:20:09,000

that was extraterrestrial in nature but

492

00:20:14,450 --> 00:20:10,500

it's undeniable that a cover-up did

493

00:20:17,110 --> 00:20:14,460

occur okay now for anyone who's seen the

494

00:20:19,910 --> 00:20:17,120

special we did go to the crash site and

495

00:20:21,590 --> 00:20:19,920

there's been a lot of speculation and

496

00:20:24,440 --> 00:20:21,600

rumors about where this actual crash

497

00:20:26,540 --> 00:20:24,450

site is in Roswell everyone claims to

498

00:20:29,480 --> 00:20:26,550

have been there we got out there and

499

00:20:30,890 --> 00:20:29,490

there's this this like placard in the

500

00:20:33,470 --> 00:20:30,900

ground that says this is where something

501
00:20:35,390 --> 00:20:33,480
crashed in 1947 and a lot of people go

502
00:20:37,220 --> 00:20:35,400
there and they're like cool this is

503
00:20:41,450 --> 00:20:37,230
where it happened that's awesome we

504
00:20:43,580 --> 00:20:41,460
found out with Frank Kindler a geologist

505
00:20:46,400 --> 00:20:43,590
that we had worked with that know the

506
00:20:49,850 --> 00:20:46,410
actual crash site was something like 50

507
00:20:52,280 --> 00:20:49,860
miles away I believe and that astounded

508
00:20:53,420 --> 00:20:52,290
me I I I I never knew exactly where

509
00:20:56,630 --> 00:20:53,430
this thing had happened

510
00:20:58,640 --> 00:20:56,640
of course Roswell is like that case that

511
00:21:00,560 --> 00:20:58,650
we all hope we can someday investigate

512
00:21:03,320 --> 00:21:00,570
and the fact that we got to go out there

513
00:21:05,690 --> 00:21:03,330

and the way that this geo geologist

514

00:21:07,850 --> 00:21:05,700

found the crash site itself was

515

00:21:09,920 --> 00:21:07,860

astounding to me would you mind maybe

516

00:21:11,710 --> 00:21:09,930

giving us a little bit about how Frank

517

00:21:14,049 --> 00:21:11,720

was able to do this he

518

00:21:15,549 --> 00:21:14,059

he succeeded where so many failed so

519

00:21:17,320 --> 00:21:15,559

Frank is a is a teacher at the New

520

00:21:19,840 --> 00:21:17,330

Mexico Military Institute and he's a

521

00:21:21,730 --> 00:21:19,850

geologist by trade so he was able to

522

00:21:23,950 --> 00:21:21,740

look at the maps and determine where it

523

00:21:27,279 --> 00:21:23,960

was using topography so he had several

524

00:21:28,750 --> 00:21:27,289

maps and he took him a long time he

525

00:21:30,399 --> 00:21:28,760

basically laid the maps over different

526
00:21:32,409 --> 00:21:30,409
areas and eventually he found one that

527
00:21:35,080 --> 00:21:32,419
was a perfect fit so there's no way that

528
00:21:36,460 --> 00:21:35,090
you can fake the topography and say here

529
00:21:37,870 --> 00:21:36,470
we're going to build a mountain and here

530
00:21:40,120 --> 00:21:37,880
we're going to build a valley and here

531
00:21:41,560 --> 00:21:40,130
we're going to build a hill so the way

532
00:21:43,510 --> 00:21:41,570
that he founded I was I was really

533
00:21:45,340 --> 00:21:43,520
impressed and to me when we started

534
00:21:47,380 --> 00:21:45,350
talking about that that gave him a level

535
00:21:48,730 --> 00:21:47,390
of credibility in my mind because he had

536
00:21:50,529 --> 00:21:48,740
done so much research and had

537
00:21:52,690 --> 00:21:50,539
ascertained exactly where the location

538
00:21:55,419 --> 00:21:52,700

was right and then the next step from

539

00:21:57,610 --> 00:21:55,429

there after finding this location was he

540

00:22:00,370 --> 00:21:57,620

would go out there for weeks and weeks

541

00:22:02,020 --> 00:22:00,380

on end with his son got plus his son for

542

00:22:03,880 --> 00:22:02,030

doing this with him out to the crash

543

00:22:07,210 --> 00:22:03,890

site with metal detectors trying to look

544

00:22:08,560 --> 00:22:07,220

for anything they could find and we we

545

00:22:12,070 --> 00:22:08,570

were all out there Gary you were out

546

00:22:13,840 --> 00:22:12,080

there to within a hundred miles of where

547

00:22:16,570 --> 00:22:13,850

this crash site is there's nothing

548

00:22:18,490 --> 00:22:16,580

absolutely nothing no life no there

549

00:22:20,919 --> 00:22:18,500

would be no reason for anyone to be out

550

00:22:22,060 --> 00:22:20,929

there so I know Jennifer and I we're

551
00:22:24,340 --> 00:22:22,070
like we're gonna go out there there's

552
00:22:26,529 --> 00:22:24,350
gonna be like trash left over some kids

553
00:22:29,230 --> 00:22:26,539
were probably partying not a single

554
00:22:32,230 --> 00:22:29,240
thing but this was where Frank was able

555
00:22:34,659 --> 00:22:32,240
to find a ton of metal buried beneath

556
00:22:36,640 --> 00:22:34,669
the ground so that was a whole other

557
00:22:38,830 --> 00:22:36,650
aspect of this thing that I wasn't

558
00:22:40,600 --> 00:22:38,840
expecting going into it I don't know

559
00:22:42,940 --> 00:22:40,610
about you but what did you think about

560
00:22:44,320 --> 00:22:42,950
the whole metamaterial thing well just

561
00:22:46,060 --> 00:22:44,330
to be clear when they said that they

562
00:22:48,159 --> 00:22:46,070
found the location at first I was like

563
00:22:49,720 --> 00:22:48,169

sure you found the location everybody

564

00:22:51,970 --> 00:22:49,730

says they found the location I mean in

565

00:22:54,220 --> 00:22:51,980

my line of work I'm very skeptical

566

00:22:56,230 --> 00:22:54,230

so once Frank had convinced me that that

567

00:22:58,330 --> 00:22:56,240

actually was the location and we went

568

00:22:59,890 --> 00:22:58,340

out there I said for sure

569

00:23:02,470 --> 00:22:59,900

there's gonna be something that we can

570

00:23:04,960 --> 00:23:02,480

tell that people have been here there

571

00:23:07,120 --> 00:23:04,970

were not animals there was not trash

572

00:23:08,799 --> 00:23:07,130

there was not a string on the ground and

573

00:23:10,570 --> 00:23:08,809

in the military we do a thing called a

574

00:23:11,890 --> 00:23:10,580

fog walk down so we look for foreign

575

00:23:14,200 --> 00:23:11,900

objects that could get stuck in an

576
00:23:17,049 --> 00:23:14,210
aircraft and potentially blow the engine

577
00:23:18,820 --> 00:23:17,059
so I basically looked at the ground and

578
00:23:20,049 --> 00:23:18,830
I walked turned around looked at the

579
00:23:21,669 --> 00:23:20,059
ground and walked and I did this for

580
00:23:24,220 --> 00:23:21,679
about a half an hour there was nothing

581
00:23:25,580 --> 00:23:24,230
out there there were barely any insects

582
00:23:29,840 --> 00:23:25,590
out there which I thought was

583
00:23:31,820 --> 00:23:29,850
very weird so I think that um I think

584
00:23:33,710 --> 00:23:31,830
the fact that Frank was able to find

585
00:23:35,299 --> 00:23:33,720
metal out there it was very odd to me

586
00:23:38,180 --> 00:23:35,309
and not only did he find the metal but

587
00:23:40,760 --> 00:23:38,190
he also found buttons from a military

588
00:23:42,440 --> 00:23:40,770

uniform that date back to that time yeah

589

00:23:45,260 --> 00:23:42,450

we weren't able to get that on camera

590

00:23:45,830 --> 00:23:45,270

but we did find out later on he did find

591

00:23:47,690 --> 00:23:45,840

me

592

00:23:49,760 --> 00:23:47,700

he found military buttons out there they

593

00:23:52,580 --> 00:23:49,770

were dated and they were back in the 40s

594

00:23:54,740 --> 00:23:52,590

so why was that out there we sort of

595

00:23:56,779 --> 00:23:54,750

thought probably if these military

596

00:23:59,120 --> 00:23:56,789

people were out there they were sweeping

597

00:24:00,560 --> 00:23:59,130

the area hands and feet down there

598

00:24:03,529 --> 00:24:00,570

trying to find out every little bit of

599

00:24:05,810 --> 00:24:03,539

whatever this thing was that impacted on

600

00:24:09,200 --> 00:24:05,820

the ground and dragged for miles after

601
00:24:10,880 --> 00:24:09,210
that so imagining that cleanup that's

602
00:24:12,980 --> 00:24:10,890
it's unfathomable that they would

603
00:24:15,350 --> 00:24:12,990
actually find every single piece oh

604
00:24:16,700 --> 00:24:15,360
absolutely and I've done cleanups when

605
00:24:18,889 --> 00:24:16,710
we're looking for something not when a

606
00:24:20,389 --> 00:24:18,899
UFO crashes I've never done that but

607
00:24:21,919 --> 00:24:20,399
we've done cleanup and you put

608
00:24:23,960 --> 00:24:21,929
everything that you find in a particular

609
00:24:26,299 --> 00:24:23,970
bag and they bag and tag everything so

610
00:24:29,600 --> 00:24:26,309
is it possible you can find every little

611
00:24:31,970 --> 00:24:29,610
piece no that's generally not possible

612
00:24:33,289 --> 00:24:31,980
so I'm I'm not surprised that he was

613
00:24:36,980 --> 00:24:33,299

able to find something but I'm also

614

00:24:39,740 --> 00:24:36,990

surprised given how barren it was that

615

00:24:40,789 --> 00:24:39,750

he was able to gotcha you know it's not

616

00:24:43,370 --> 00:24:40,799

a very scientific

617

00:24:45,919 --> 00:24:43,380

you know observation but I was there and

618

00:24:47,510 --> 00:24:45,929

a place just seemed eerie like spooky

619

00:24:49,340 --> 00:24:47,520

and weird I mean didn't you guys feel

620

00:24:51,919 --> 00:24:49,350

that I oh yeah for me it was like

621

00:24:54,860 --> 00:24:51,929

Disneyland like I got to step foot on

622

00:24:57,710 --> 00:24:54,870

the actual crash site so for me I was

623

00:24:59,240 --> 00:24:57,720

like all excited and euphoric and yeah I

624

00:25:00,769 --> 00:24:59,250

know for you though Gary you did share

625

00:25:02,539 --> 00:25:00,779

that with me it was eerie there was

626
00:25:04,760 --> 00:25:02,549
there's an ominous feel to it as history

627
00:25:07,039 --> 00:25:04,770
behind it and I and I loved it the way

628
00:25:08,810 --> 00:25:07,049
you pointed out that even the marker for

629
00:25:11,659 --> 00:25:08,820
the crash site is part of the cover-up

630
00:25:14,480 --> 00:25:11,669
it's not the right place which is kind

631
00:25:17,210 --> 00:25:14,490
of interesting of right now Denise I

632
00:25:19,850 --> 00:25:17,220
know a lot of people are probably

633
00:25:21,260 --> 00:25:19,860
wondering this myself included and I

634
00:25:22,639 --> 00:25:21,270
think I asked you this one point I don't

635
00:25:25,100 --> 00:25:22,649
know if I made it on camera or not

636
00:25:28,630 --> 00:25:25,110
there's been so much speculation that

637
00:25:30,080 --> 00:25:28,640
when your grandfather brought these

638
00:25:34,700 --> 00:25:30,090

materials home

639

00:25:37,539 --> 00:25:34,710

to show your father and his wife that he

640

00:25:39,609 --> 00:25:37,549

said this was from an alien spaceship

641

00:25:42,220 --> 00:25:39,619

and a lot of people have heard that

642

00:25:44,080 --> 00:25:42,230

maybe he held on to a little something

643

00:25:46,720 --> 00:25:44,090

is this something you could clarify for

644

00:25:48,519 --> 00:25:46,730

us you know as far as I know he never

645

00:25:50,669 --> 00:25:48,529

kept anything but what's really

646

00:25:56,830 --> 00:25:50,679

interesting though is in that Roswell

647

00:25:59,169 --> 00:25:56,840

that 994 page report there is a lady I

648

00:26:00,369 --> 00:25:59,179

think her name's Mary Mary Cabot she was

649

00:26:01,989 --> 00:26:00,379

married to Sheridan Cavitt

650

00:26:05,289 --> 00:26:01,999

who was a person that went out with my

651
00:26:09,369 --> 00:26:05,299
grandfather to the the field and she did

652
00:26:12,700 --> 00:26:09,379
reference that he they saw a piece of it

653
00:26:14,379 --> 00:26:12,710
afterwards at their house which you know

654
00:26:16,180 --> 00:26:14,389
I I found kind of shocking but the one

655
00:26:17,950 --> 00:26:16,190
thing that made it like well you know

656
00:26:20,169 --> 00:26:17,960
this kind of sounds in a way real

657
00:26:22,570 --> 00:26:20,179
because she called my father little

658
00:26:23,229 --> 00:26:22,580
Jessie nobody unless you know the family

659
00:26:25,269 --> 00:26:23,239
really well

660
00:26:27,009 --> 00:26:25,279
wouldn't know to call him little Jessie

661
00:26:29,499 --> 00:26:27,019
so it was like she he was out there at

662
00:26:30,820 --> 00:26:29,509
the same time well my dad said that as

663
00:26:32,769 --> 00:26:30,830

far as he knew nothing was ever kept

664

00:26:35,109 --> 00:26:32,779

either okay but you know what was I was

665

00:26:36,970 --> 00:26:35,119

gonna say but that the be the the out

666

00:26:38,259 --> 00:26:36,980

there in that field wasn't the Bureau of

667

00:26:41,619 --> 00:26:38,269

Land Management trying to get those

668

00:26:43,930 --> 00:26:41,629

pieces back from Frank yes so during the

669

00:26:46,989 --> 00:26:43,940

process of our filming I'd say a couple

670

00:26:51,220 --> 00:26:46,999

weeks before during and after we had

671

00:26:53,259 --> 00:26:51,230

worked with Frank and the Bureau of Land

672

00:26:55,509 --> 00:26:53,269

Management had found out that he was

673

00:26:57,909 --> 00:26:55,519

going to be doing this and they

674

00:27:01,539 --> 00:26:57,919

contacted him and brought him in for a

675

00:27:04,389 --> 00:27:01,549

special meeting to discuss what he had

676

00:27:07,180 --> 00:27:04,399

and what they found out there now they

677

00:27:09,999 --> 00:27:07,190

own the land so that's really

678

00:27:12,190 --> 00:27:10,009

interesting my job yeah my question is

679

00:27:14,139 --> 00:27:12,200

why if it's a soda can like people have

680

00:27:16,269 --> 00:27:14,149

said it is why are they trying to get it

681

00:27:17,499 --> 00:27:16,279

back that doesn't make any sense unless

682

00:27:19,389 --> 00:27:17,509

it's something that they don't want

683

00:27:21,580 --> 00:27:19,399

reveal to the public why would you waste

684

00:27:23,320 --> 00:27:21,590

government resources in time to contact

685

00:27:25,659 --> 00:27:23,330

some quack which is what they're

686

00:27:27,430 --> 00:27:25,669

alluding to to get pieces of metal back

687

00:27:29,409 --> 00:27:27,440

it doesn't make any sense they were

688

00:27:31,359 --> 00:27:29,419

monitoring his Facebook page too because

689

00:27:33,849 --> 00:27:31,369

I got caught up in that I did too yep

690

00:27:36,340 --> 00:27:33,859

yep we through a Freedom of Information

691

00:27:38,560 --> 00:27:36,350

Act request that we were being monitored

692

00:27:40,389 --> 00:27:38,570

on Facebook conversing with Frank Kim

693

00:27:42,099 --> 00:27:40,399

blur the man who found these materials

694

00:27:44,470 --> 00:27:42,109

they had screenshots of our

695

00:27:46,450 --> 00:27:44,480

conversations with him and these were

696

00:27:48,460 --> 00:27:46,460

these were released well what's

697

00:27:52,029 --> 00:27:48,470

interesting too is the kind of loophole

698

00:27:55,090 --> 00:27:52,039

that Frank used was that you can take

699

00:27:58,419 --> 00:27:55,100

the material off of the bureau off the

700

00:28:01,599 --> 00:27:58,429

land however unless it is culturally or

701
00:28:03,519 --> 00:28:01,609
historically significant so if that

702
00:28:06,340 --> 00:28:03,529
material is found to be something

703
00:28:08,019 --> 00:28:06,350
mysterious then that may classify it as

704
00:28:10,450 --> 00:28:08,029
such and then the Bureau of Land

705
00:28:13,029 --> 00:28:10,460
Management would be able to confiscate

706
00:28:15,489 --> 00:28:13,039
that material so well see what happens

707
00:28:17,710 --> 00:28:15,499
this is all you know unfolding and will

708
00:28:19,930 --> 00:28:17,720
for years absolutely see what happens

709
00:28:21,460 --> 00:28:19,940
that's kind of what I wanted to get to

710
00:28:24,099 --> 00:28:21,470
know Jennifer when we're out there we

711
00:28:27,609 --> 00:28:24,109
spoke to a lot of locals and whatnot um

712
00:28:31,149 --> 00:28:27,619
about bodies this is a very contentious

713
00:28:33,009 --> 00:28:31,159

part of the Roswell mystery so we heard

714

00:28:35,349 --> 00:28:33,019

some pretty interesting stories off the

715

00:28:36,970 --> 00:28:35,359

record while we were out there but we

716

00:28:39,820 --> 00:28:36,980

also heard some really intriguing things

717

00:28:41,619 --> 00:28:39,830

from the the family who headed the

718

00:28:44,560 --> 00:28:41,629

Roswell Daily Record the people who

719

00:28:45,849 --> 00:28:44,570

broke the Roswell story right and we

720

00:28:48,129 --> 00:28:45,859

heard some interesting stuff about that

721

00:28:50,139 --> 00:28:48,139

do you want to elaborate sort of wrap up

722

00:28:52,299 --> 00:28:50,149

our Roswell party event you know we

723

00:28:54,700 --> 00:28:52,309

heard a lot of things when we were there

724

00:28:56,349 --> 00:28:54,710

so even to the locals um one of the

725

00:28:59,019 --> 00:28:56,359

things that stuck out to me of course is

726
00:28:59,830 --> 00:28:59,029
you know they ordered for child sized

727
00:29:02,409 --> 00:28:59,840
caskets

728
00:29:05,230 --> 00:29:02,419
so if there are no bodies do you need

729
00:29:07,570 --> 00:29:05,240
caskets and if their crash-test dummies

730
00:29:09,489 --> 00:29:07,580
which we've disproven that theory

731
00:29:12,159 --> 00:29:09,499
because those were were made after the

732
00:29:14,680 --> 00:29:12,169
fact after Roswell had been years who

733
00:29:16,269 --> 00:29:14,690
puts crash-test dummies in a casket have

734
00:29:18,759 --> 00:29:16,279
you ever heard of such a thing

735
00:29:19,899 --> 00:29:18,769
so we talked to several people and a few

736
00:29:22,629 --> 00:29:19,909
things that didn't make it into the show

737
00:29:24,820 --> 00:29:22,639
I had talked to someone who was at the

738
00:29:26,680 --> 00:29:24,830

New Mexico Military Institute he's a

739

00:29:29,950 --> 00:29:26,690

retired colonel and he had said that

740

00:29:32,849 --> 00:29:29,960

there was a woman who her husband was a

741

00:29:35,979 --> 00:29:32,859

veterinarian and he was called in to

742

00:29:38,019 --> 00:29:35,989

vivisect some beings that were found and

743

00:29:40,239 --> 00:29:38,029

he went into the room and he immediately

744

00:29:42,789 --> 00:29:40,249

freaked out and started screaming and

745

00:29:46,479 --> 00:29:42,799

was shaking and was uncontrollable they

746

00:29:49,930 --> 00:29:46,489

removed him and he did not touch any any

747

00:29:52,210 --> 00:29:49,940

of the bodies and later they he had some

748

00:29:55,720 --> 00:29:52,220

visitors at his house saying if this

749

00:29:57,339 --> 00:29:55,730

were to ever happen manure if you were

750

00:29:58,509 --> 00:29:57,349

to ever be contact about this none of

751

00:29:59,830 --> 00:29:58,519

this happened everybody will think

752

00:30:02,190 --> 00:29:59,840

you're crazy you'll be run out of town

753

00:30:05,850 --> 00:30:02,200

and his wife

754

00:30:07,650 --> 00:30:05,860

told my acquaintances this decades after

755

00:30:10,410 --> 00:30:07,660

after her husband was dead and it was

756

00:30:13,200 --> 00:30:10,420

never spoken of again so again if it was

757

00:30:14,970 --> 00:30:13,210

a weather balloon there's no bodies if

758

00:30:18,600 --> 00:30:14,980

there were no bodies there's no need for

759

00:30:20,600 --> 00:30:18,610

caskets it's very simple it is and the

760

00:30:23,400 --> 00:30:20,610

important thing to also keep in mind is

761

00:30:25,740 --> 00:30:23,410

were not the investigators who are out

762

00:30:27,720 --> 00:30:25,750

there saying Roswell was definitely

763

00:30:29,850 --> 00:30:27,730

aliens that's not what we were about we

764

00:30:32,760 --> 00:30:29,860

wanted to seek the truth we wanted to go

765

00:30:34,680 --> 00:30:32,770

where the facts led us and in terms of

766

00:30:37,590 --> 00:30:34,690

the research alejandro brought to us

767

00:30:39,960 --> 00:30:37,600

about project mogul after we had spoken

768

00:30:42,510 --> 00:30:39,970

to him I did some digging and I found

769

00:30:46,470 --> 00:30:42,520

out that the person who wrote the manual

770

00:30:49,260 --> 00:30:46,480

for project mogul was really pissed off

771

00:30:52,290 --> 00:30:49,270

that the US Air Force was using his

772

00:30:54,960 --> 00:30:52,300

project as a scapegoat for some UFO

773

00:30:57,780 --> 00:30:54,970

event so before he died he did make the

774

00:30:59,940 --> 00:30:57,790

statement that project mogul was not

775

00:31:01,320 --> 00:30:59,950

what happened at Roswell and that is the

776

00:31:03,810 --> 00:31:01,330

last sensor we've been given by the

777

00:31:06,780 --> 00:31:03,820

government so I guess the mystery

778

00:31:08,580 --> 00:31:06,790

remains why I think you said it so

779

00:31:10,740 --> 00:31:08,590

perfectly at the end of our show that

780

00:31:11,970 --> 00:31:10,750

there's definitely a cover-up here but

781

00:31:13,890 --> 00:31:11,980

we don't quite know what they're

782

00:31:16,410 --> 00:31:13,900

covering up right and the other thing

783

00:31:18,300 --> 00:31:16,420

that I loved is when you said it's

784

00:31:20,820 --> 00:31:18,310

really raised more questions and answers

785

00:31:22,890 --> 00:31:20,830

after we did this X unfortunately it did

786

00:31:24,480 --> 00:31:22,900

and we went in thinking we'll be able to

787

00:31:26,790 --> 00:31:24,490

figure out what happened but there was

788

00:31:28,110 --> 00:31:26,800

just so many things that that came up

789

00:31:29,880 --> 00:31:28,120

during the course of the investigation

790

00:31:32,070 --> 00:31:29,890

and if you know when you're doing an

791

00:31:34,140 --> 00:31:32,080

investigation you can't just decide

792

00:31:36,090 --> 00:31:34,150

where you want to go and follow that

793

00:31:38,640 --> 00:31:36,100

path you can't do that that's piss-poor

794

00:31:40,110 --> 00:31:38,650

investigation to put it lightly you have

795

00:31:41,550 --> 00:31:40,120

to look at everything and so when we

796

00:31:42,870 --> 00:31:41,560

were investigating this there were

797

00:31:44,580 --> 00:31:42,880

things that took us off this way in this

798

00:31:46,530 --> 00:31:44,590

way in this way and things that we

799

00:31:48,030 --> 00:31:46,540

didn't even think would happen ended up

800

00:31:51,630 --> 00:31:48,040

happening and we really had enough for

801
00:31:53,850 --> 00:31:51,640
three shows but we had you know you only

802
00:31:55,470 --> 00:31:53,860
have 40 something minutes to have a show

803
00:31:58,200 --> 00:31:55,480
there was so much that we uncovered that

804
00:32:00,330 --> 00:31:58,210
ended up not in the show yeah yeah yeah

805
00:32:02,520 --> 00:32:00,340
and since we're wrapping up Roswell I'll

806
00:32:04,950 --> 00:32:02,530
add one thing that I think is really

807
00:32:06,450 --> 00:32:04,960
interesting I've been pretty skeptical

808
00:32:08,730 --> 00:32:06,460
you never know like these guys looked

809
00:32:12,480 --> 00:32:08,740
into it not assuming that this is aliens

810
00:32:13,110 --> 00:32:12,490
but we've heard a lot and it's been part

811
00:32:15,660 --> 00:32:13,120
of

812
00:32:18,570 --> 00:32:15,670
this event you know unidentified this

813
00:32:20,970 --> 00:32:18,580

Pentagon program that we now know exists

814

00:32:23,670 --> 00:32:20,980

well many of us have interviewed people

815

00:32:25,230 --> 00:32:23,680

involved with this program and a couple

816

00:32:28,799 --> 00:32:25,240

of the people including one of the

817

00:32:31,650 --> 00:32:28,809

contractors dr. Eric Davis a physicist

818

00:32:33,990 --> 00:32:31,660

and Lou Elizondo the guy who ran the

819

00:32:35,910 --> 00:32:34,000

Pentagon program they have both said

820

00:32:38,220 --> 00:32:35,920

that they have heard there really are

821

00:32:40,380 --> 00:32:38,230

crash retrieval programs inside the

822

00:32:42,360 --> 00:32:40,390

government they haven't been able to get

823

00:32:44,430 --> 00:32:42,370

access to these programs they're just

824

00:32:46,890 --> 00:32:44,440

rumors but they're looking for those

825

00:32:49,200 --> 00:32:46,900

answers I asked Lou well you say that

826

00:32:50,700 --> 00:32:49,210

can you prove it or I've been said I'm

827

00:32:52,380 --> 00:32:50,710

assuming you can't prove that and he

828

00:32:54,930 --> 00:32:52,390

said no I'm not saying that at all

829

00:32:56,280 --> 00:32:54,940

so it seems like if pressed he believes

830

00:32:58,500 --> 00:32:56,290

he could prove there actually are

831

00:32:59,700 --> 00:32:58,510

programs like that I was pretty telling

832

00:33:01,710 --> 00:32:59,710

that the head of a secret Pentagon

833

00:33:03,030 --> 00:33:01,720

program would say that yeah that's

834

00:33:05,250 --> 00:33:03,040

really interesting well Jennifer I know

835

00:33:07,980 --> 00:33:05,260

were we're definitely just scratching

836

00:33:11,310 --> 00:33:07,990

the surface of Roswell so many have

837

00:33:13,440 --> 00:33:11,320

tried to crack crack this case and we're

838

00:33:16,650 --> 00:33:13,450

doing our own thing and we're gonna keep

839

00:33:18,540 --> 00:33:16,660

going where the facts lead us so I I'm

840

00:33:21,090 --> 00:33:18,550

looking forward to keep doing that with

841

00:33:22,860 --> 00:33:21,100

you getting out there back to Roswell if

842

00:33:26,970 --> 00:33:22,870

we made our untimely demise

843

00:33:27,080 --> 00:33:26,980

yeah riot riot for us

844

00:33:30,070 --> 00:33:27,090

[Laughter]

845

00:33:33,950 --> 00:33:30,080

[Music]

846

00:33:36,739 --> 00:33:33,960

all right so switching gears a little

847

00:33:38,749 --> 00:33:36,749

guys when this one hour of Roswell

848

00:33:42,440 --> 00:33:38,759

mysteries decoded special aired on the

849

00:33:46,220 --> 00:33:42,450

CW it far exceeded expectations of a lot

850

00:33:49,190 --> 00:33:46,230

of people and the CW came to Gary and

851
00:33:50,690 --> 00:33:49,200
said let's keep doing this and from

852
00:33:53,029 --> 00:33:50,700
Roswell mysteries decoded spawned

853
00:33:55,879 --> 00:33:53,039
mysteries decoded a series that you're

854
00:33:59,149 --> 00:33:55,889
gonna see premiere on August 13th on the

855
00:34:01,989 --> 00:33:59,159
CW so I want to sort of get an idea of

856
00:34:06,289 --> 00:34:01,999
where we're heading next we done Roswell

857
00:34:08,780 --> 00:34:06,299
UFOs but I know Jennifer has such a vast

858
00:34:10,700 --> 00:34:08,790
experience in investigation that it's

859
00:34:13,190 --> 00:34:10,710
not just UFOs that you guys want to

860
00:34:14,809 --> 00:34:13,200
cover with this so as the executive

861
00:34:17,629 --> 00:34:14,819
producer and the lead hosts and

862
00:34:19,790 --> 00:34:17,639
mysteries decoded what what should we

863
00:34:20,839 --> 00:34:19,800

look forward to with this upcoming

864

00:34:23,359 --> 00:34:20,849

series what are we gonna be

865

00:34:27,700 --> 00:34:23,369

investigating want to focus to the man

866

00:34:32,539 --> 00:34:29,780

we're so excited to have this

867

00:34:35,480 --> 00:34:32,549

opportunity and I can't thank the

868

00:34:41,089 --> 00:34:35,490

network enough Thank You Kyle for this

869

00:34:43,039 --> 00:34:41,099

chance and it's - they've really given

870

00:34:44,659 --> 00:34:43,049

us carte blanche to look at stories that

871

00:34:46,369 --> 00:34:44,669

we find really fascinating and

872

00:34:48,500 --> 00:34:46,379

interesting and to really delve into

873

00:34:51,470 --> 00:34:48,510

them and what we wanted to do from the

874

00:34:53,569 --> 00:34:51,480

very beginning is to see if we could

875

00:34:56,750 --> 00:34:53,579

find the truth and tell a great story

876

00:34:58,730 --> 00:34:56,760

and in a lot of ways I would have to say

877

00:35:01,309 --> 00:34:58,740

Alejandra I've been inspired by you and

878

00:35:03,589 --> 00:35:01,319

open minds because and I think they are

879

00:35:06,020 --> 00:35:03,599

the preeminent source right now for any

880

00:35:09,740 --> 00:35:06,030

information about UFOs and what I like

881

00:35:11,839 --> 00:35:09,750

about them is that everything isn't a

882

00:35:14,270 --> 00:35:11,849

UFO it's like we're gonna look at it

883

00:35:15,980 --> 00:35:14,280

we're gonna investigate it and maybe 90%

884

00:35:17,870 --> 00:35:15,990

of the time we even come up with an

885

00:35:19,970 --> 00:35:17,880

explanation but then there's that five

886

00:35:22,010 --> 00:35:19,980

or ten like we don't know what this is

887

00:35:24,079 --> 00:35:22,020

we need to take a closer look at it so

888

00:35:25,940 --> 00:35:24,089

when we decided to do the series we want

889

00:35:28,549 --> 00:35:25,950

to use that same technique we're gonna

890

00:35:30,829 --> 00:35:28,559

look at everything and see where the

891

00:35:32,569 --> 00:35:30,839

facts lead us we don't kind of come to

892

00:35:34,910 --> 00:35:32,579

any conclusions before we begin the

893

00:35:37,440 --> 00:35:34,920

shows we don't tell anyone what to say

894

00:35:40,140 --> 00:35:37,450

I'd not - Jennifer would listen

895

00:35:41,940 --> 00:35:40,150

but we go at naive we look for the facts

896

00:35:44,940 --> 00:35:41,950

in the truth and wherever it takes us

897

00:35:46,680 --> 00:35:44,950

that's where we go um one thing that was

898

00:35:49,500 --> 00:35:46,690

difficult for me when I first signed on

899

00:35:51,930 --> 00:35:49,510

was you know some of the topics are a

900

00:35:53,970 --> 00:35:51,940

little more paranormal than I'm used to

901
00:35:56,730 --> 00:35:53,980

and I am a skeptic I work an

902
00:35:59,220 --> 00:35:56,740

investigation I don't deal with ghosts

903
00:36:01,140 --> 00:35:59,230

and paranormal things so that was really

904
00:36:03,839 --> 00:36:01,150

important to me and I explained to Gary

905
00:36:06,060 --> 00:36:03,849

that I'm not going to go into something

906
00:36:08,040 --> 00:36:06,070

necessarily believing it I need to be

907
00:36:10,380 --> 00:36:08,050

the skeptic and I need to really look at

908
00:36:12,180 --> 00:36:10,390

the science behind things and the proof

909
00:36:15,060 --> 00:36:12,190

behind things and I have to admit

910
00:36:18,990 --> 00:36:15,070

there's been a few episodes where things

911
00:36:21,630 --> 00:36:19,000

have happened and I cannot explain why

912
00:36:22,920 --> 00:36:21,640

or how and of course you're gonna have

913
00:36:24,870 --> 00:36:22,930

people watching a show and they're gonna

914

00:36:26,220 --> 00:36:24,880

say this is fake that's fake no there's

915

00:36:28,109 --> 00:36:26,230

been some things that have happened that

916

00:36:31,380 --> 00:36:28,119

I called my husband that night and said

917

00:36:33,900 --> 00:36:31,390

this is what happened and I don't know

918

00:36:37,640 --> 00:36:33,910

how to explain it I have no idea and

919

00:36:42,240 --> 00:36:37,650

months of paths and I still have no idea

920

00:36:45,089 --> 00:36:42,250

interesting I was gonna add to that in

921

00:36:48,020 --> 00:36:45,099

terms of Morningstar productions who

922

00:36:51,390 --> 00:36:48,030

produce the show and the CW it's

923

00:36:54,510 --> 00:36:51,400

extremely rare for both a network and a

924

00:36:56,579 --> 00:36:54,520

production company to give such control

925

00:36:59,130 --> 00:36:56,589

to the investigators I've been a part of

926
00:37:01,140 --> 00:36:59,140
other projects where they're telling you

927
00:37:03,089 --> 00:37:01,150
what to say verbatim they have a

928
00:37:05,309 --> 00:37:03,099
narrative that they want for their show

929
00:37:08,370 --> 00:37:05,319
and you got to do that or they will edit

930
00:37:10,109 --> 00:37:08,380
you to make it seem that way that was

931
00:37:12,150 --> 00:37:10,119
not the experience with this project

932
00:37:15,000 --> 00:37:12,160
from the very start and we both went

933
00:37:16,140 --> 00:37:15,010
into that asking for that like let us do

934
00:37:18,240 --> 00:37:16,150
what we do best

935
00:37:19,800 --> 00:37:18,250
and that's to investigate and that's

936
00:37:21,780 --> 00:37:19,810
what I really enjoyed about Roswell

937
00:37:24,059 --> 00:37:21,790
mysteries Dakota it is you let us do

938
00:37:26,550 --> 00:37:24,069

what we wanted to do right there was

939

00:37:29,430 --> 00:37:26,560

never an agenda it was let's just go do

940

00:37:30,930 --> 00:37:29,440

this so in terms of mysteries decoded

941

00:37:32,819 --> 00:37:30,940

you mentioned there were some pretty

942

00:37:34,710 --> 00:37:32,829

paradigm-shifting moments for you that

943

00:37:37,349 --> 00:37:34,720

really made you think so

944

00:37:40,740 --> 00:37:37,359

I know Jennifer and I went out to

945

00:37:43,380 --> 00:37:40,750

investigate area 51 which again Roswell

946

00:37:46,650 --> 00:37:43,390

and area 51 like no UFO investigator

947

00:37:48,569 --> 00:37:46,660

gets that opportunity so I'm extremely

948

00:37:50,339 --> 00:37:48,579

thankful for that well get to area 51

949

00:37:50,910 --> 00:37:50,349

but what else you going to be covering

950

00:37:52,589 --> 00:37:50,920

and what

951
00:37:54,000 --> 00:37:52,599
maybe what is one or two of those

952
00:37:56,519 --> 00:37:54,010
pivotal moments where you were like

953
00:37:58,200 --> 00:37:56,529
there is something to this and the world

954
00:38:00,660 --> 00:37:58,210
is not what I expected

955
00:38:03,390 --> 00:38:00,670
well I'm not gonna give away plot points

956
00:38:05,849 --> 00:38:03,400
of course but um two episodes stick out

957
00:38:08,549 --> 00:38:05,859
to me one was an episode we've shot

958
00:38:10,440 --> 00:38:08,559
about Lizzie Borden did Lizzie Borden in

959
00:38:12,690 --> 00:38:10,450
fact murder her parents or was it

960
00:38:16,650 --> 00:38:12,700
someone else there were things that

961
00:38:18,839 --> 00:38:16,660
happened during that episode that can't

962
00:38:21,900 --> 00:38:18,849
explain when you guys see it you'll

963
00:38:25,410 --> 00:38:21,910

understand why and then when we were

964

00:38:27,319 --> 00:38:25,420

looking at the Bermuda Triangle I went

965

00:38:30,299 --> 00:38:27,329

into it thinking it's a clever

966

00:38:31,980 --> 00:38:30,309

manipulation of statistics the number of

967

00:38:33,870 --> 00:38:31,990

ships and planes that have disappeared

968

00:38:35,970 --> 00:38:33,880

there but the more that we looked into

969

00:38:38,220 --> 00:38:35,980

it and the science behind it it really

970

00:38:40,920 --> 00:38:38,230

blew me away yeah we talked to

971

00:38:43,620 --> 00:38:40,930

physicists I mean anybody who deals with

972

00:38:45,809 --> 00:38:43,630

naval ships aircraft who we talked to

973

00:38:48,660 --> 00:38:45,819

pilots I really wanted the science

974

00:38:50,400 --> 00:38:48,670

behind it and it was just incredible

975

00:38:52,500 --> 00:38:50,410

some of the people that we talked to in

976

00:38:55,049 --> 00:38:52,510

the knowledge base and how deep we were

977

00:38:56,339 --> 00:38:55,059

able to dive yeah what one of my

978

00:39:01,109 --> 00:38:56,349

favorite moments is when we were doing

979

00:39:03,150 --> 00:39:01,119

the Lizzie Borden story her home where

980

00:39:04,400 --> 00:39:03,160

her parents were killed is now a

981

00:39:07,079 --> 00:39:04,410

bed-and-breakfast

982

00:39:09,950 --> 00:39:07,089

wonderful place to stay and they made me

983

00:39:13,380 --> 00:39:09,960

stay overnight at that bed-and-breakfast

984

00:39:19,529 --> 00:39:13,390

she slept in Lizzie's bed which I would

985

00:39:21,180 --> 00:39:19,539

have never gone near so why I told that

986

00:39:22,849 --> 00:39:21,190

you know people would be disappointed if

987

00:39:27,499 --> 00:39:22,859

she didn't spend the night in the place

988

00:39:31,529 --> 00:39:29,999

yeah yeah but you know one of the things

989

00:39:32,999 --> 00:39:31,539

that you say I really take it as a great

990

00:39:35,099 --> 00:39:33,009

compliment that you know you said we

991

00:39:37,890 --> 00:39:35,109

didn't tell you what to say we didn't

992

00:39:40,440 --> 00:39:37,900

come up with a theory or a thesis to

993

00:39:42,120 --> 00:39:40,450

prove in any of these shows we went into

994

00:39:44,730 --> 00:39:42,130

them thinking let's look for the facts

995

00:39:45,660 --> 00:39:44,740

let's tell a great story and see where

996

00:39:48,509 --> 00:39:45,670

this leads us

997

00:39:50,279 --> 00:39:48,519

that's that's the way to do it yeah and

998

00:39:51,900 --> 00:39:50,289

should we talk about some of the the

999

00:39:54,089 --> 00:39:51,910

shows we have coming up I'd love to I

1000

00:39:56,220 --> 00:39:54,099

mean we have one of the ones I was

1001
00:39:59,910 --> 00:39:56,230
really excited to learn about was the

1002
00:40:02,069 --> 00:39:59,920
Montauk Project now Jennifer for some

1003
00:40:04,170 --> 00:40:02,079
who may not know you have not just a

1004
00:40:05,760 --> 00:40:04,180
connection to investigating on

1005
00:40:08,309 --> 00:40:05,770
talk but you were part of something

1006
00:40:11,370 --> 00:40:08,319
pretty pretty prominent in pop culture

1007
00:40:13,920 --> 00:40:11,380
today that was directly inspired by this

1008
00:40:15,750 --> 00:40:13,930
case you covered yeah so can you tell us

1009
00:40:17,430 --> 00:40:15,760
what your connection to that is sure so

1010
00:40:21,150 --> 00:40:17,440
I've been working in television and film

1011
00:40:24,000 --> 00:40:21,160
since I left the military and I have I'm

1012
00:40:26,089 --> 00:40:24,010
an actor by trade so I have you know

1013
00:40:27,930 --> 00:40:26,099

several roles that coincide with

1014

00:40:29,670 --> 00:40:27,940

ironically some of the episodes we've

1015

00:40:32,460 --> 00:40:29,680

been doing but I play Max's mom on

1016

00:40:35,400 --> 00:40:32,470

stranger things and so when I was in

1017

00:40:36,720 --> 00:40:35,410

Montauk which is great because if they

1018

00:40:38,730 --> 00:40:36,730

have a show they can hire a private

1019

00:40:41,910 --> 00:40:38,740

investigator who understands television

1020

00:40:43,710 --> 00:40:41,920

that's always you know great but most of

1021

00:40:45,870 --> 00:40:43,720

my living is as a private investigator I

1022

00:40:47,880 --> 00:40:45,880

can help people and that's really what

1023

00:40:49,589 --> 00:40:47,890

drives me is helping people get closure

1024

00:40:52,710 --> 00:40:49,599

to the things that they so desperately

1025

00:40:54,809 --> 00:40:52,720

need closure for but it was strange when

1026

00:40:56,190 --> 00:40:54,819

we were in Montauk the whole stranger

1027

00:40:59,160 --> 00:40:56,200

things series who watches stranger

1028

00:41:01,079 --> 00:40:59,170

things okay so you guys know yeah it's a

1029

00:41:03,630 --> 00:41:01,089

great show and it's inspired by what

1030

00:41:05,640 --> 00:41:03,640

happened at Montauk so it was so odd

1031

00:41:09,089 --> 00:41:05,650

being in Montauk and investigating this

1032

00:41:10,280 --> 00:41:09,099

and seeing my two worlds kind of come

1033

00:41:12,809 --> 00:41:10,290

together

1034

00:41:14,460 --> 00:41:12,819

Montauk was interesting because you have

1035

00:41:16,200 --> 00:41:14,470

people who say I believe in the Montauk

1036

00:41:17,849 --> 00:41:16,210

Project it's like well what does that

1037

00:41:20,160 --> 00:41:17,859

mean there's so many things that go

1038

00:41:21,569 --> 00:41:20,170

under the Montauk Project so the more

1039

00:41:24,000 --> 00:41:21,579

that we looked into it there's certainly

1040

00:41:25,109 --> 00:41:24,010

things that I believe have merit and

1041

00:41:27,150 --> 00:41:25,119

then there's some things that are just

1042

00:41:30,690 --> 00:41:27,160

kind of thrown in there for conspiracy

1043

00:41:34,260 --> 00:41:30,700

theorists but that was one of the

1044

00:41:35,760 --> 00:41:34,270

episodes that I replay in my mind over

1045

00:41:37,470 --> 00:41:35,770

and over the things that we experienced

1046

00:41:40,440 --> 00:41:37,480

there because it is if you've never been

1047

00:41:42,539 --> 00:41:40,450

to Montauk New York I would say just go

1048

00:41:46,680 --> 00:41:42,549

just for the experience it's super

1049

00:41:48,240 --> 00:41:46,690

creepy yeah yeah yeah another one that I

1050

00:41:51,450 --> 00:41:48,250

was excited to hear about his Mothman

1051
00:41:52,319 --> 00:41:51,460
for any John keel fans out there we know

1052
00:41:55,020 --> 00:41:52,329
we know

1053
00:41:56,520 --> 00:41:55,030
Mothman pretty well so tell us a little

1054
00:41:59,099 --> 00:41:56,530
about that did you know anything about

1055
00:42:01,349 --> 00:41:59,109
the lore behind this beforehand you know

1056
00:42:05,190 --> 00:42:01,359
I had only known about Mothman because

1057
00:42:07,049 --> 00:42:05,200
the man who directed it directed my son

1058
00:42:09,000 --> 00:42:07,059
in the in a commercial so that was my

1059
00:42:12,599 --> 00:42:09,010
only connection to it I wasn't very

1060
00:42:13,900 --> 00:42:12,609
well-versed in it and Mothman was very

1061
00:42:15,430 --> 00:42:13,910
interesting

1062
00:42:18,130 --> 00:42:15,440
one because of the geography and the

1063
00:42:20,319 --> 00:42:18,140

culture of West Virginia Ohio when we

1064

00:42:21,670 --> 00:42:20,329

went there I'm sure most of you guys

1065

00:42:23,470 --> 00:42:21,680

live in California if you're filming

1066

00:42:24,370 --> 00:42:23,480

anywhere people say where's your permit

1067

00:42:26,440 --> 00:42:24,380

sir

1068

00:42:28,450 --> 00:42:26,450

people don't want you filming people

1069

00:42:30,370 --> 00:42:28,460

find it to be a pain in the butt in West

1070

00:42:33,069 --> 00:42:30,380

Virginia everybody was so welcoming and

1071

00:42:35,770 --> 00:42:33,079

they were so open and it was interesting

1072

00:42:39,010 --> 00:42:35,780

talking to everyday people and seeing

1073

00:42:40,809 --> 00:42:39,020

this belief permeate the culture it

1074

00:42:42,849 --> 00:42:40,819

really permeates the culture and you

1075

00:42:45,370 --> 00:42:42,859

have people from the very old to the

1076
00:42:47,260 --> 00:42:45,380
very young residents of this entire area

1077
00:42:49,839 --> 00:42:47,270
who either know someone who had an

1078
00:42:52,480 --> 00:42:49,849
experience or had an experience

1079
00:42:54,130 --> 00:42:52,490
themselves so that really blew me away I

1080
00:42:56,260 --> 00:42:54,140
never thought we would go into this area

1081
00:42:58,059 --> 00:42:56,270
and talk to so many people with a direct

1082
00:43:00,579 --> 00:42:58,069
connection yeah I think you don't

1083
00:43:02,440 --> 00:43:00,589
realize the impact these events have not

1084
00:43:04,180 --> 00:43:02,450
just on the individuals experience in it

1085
00:43:06,430 --> 00:43:04,190
but the community that grew up around

1086
00:43:08,470 --> 00:43:06,440
this it's the same with Roswell I mean

1087
00:43:12,130 --> 00:43:08,480
when you go there Denise you know it's a

1088
00:43:13,630 --> 00:43:12,140

very small town like no offense to

1089

00:43:15,970 --> 00:43:13,640

Roswell of it but there's not much going

1090

00:43:18,370 --> 00:43:15,980

on other than this event and the

1091

00:43:20,500 --> 00:43:18,380

military base is there so you don't

1092

00:43:22,390 --> 00:43:20,510

really realize what kind of a cultural

1093

00:43:25,809 --> 00:43:22,400

impact these things actually have

1094

00:43:27,940 --> 00:43:25,819

Mothman the flatwoods monster things

1095

00:43:29,349 --> 00:43:27,950

like this they they permeate and they

1096

00:43:31,240 --> 00:43:29,359

become bigger and they become bigger

1097

00:43:33,460 --> 00:43:31,250

than sometimes the incident that

1098

00:43:35,710 --> 00:43:33,470

actually occurred and I think it's

1099

00:43:37,089 --> 00:43:35,720

important to remember that most of the

1100

00:43:38,710 --> 00:43:37,099

Mothman Laura centers around the

1101
00:43:41,250 --> 00:43:38,720
collapse of the Silver Bridge and you

1102
00:43:43,870 --> 00:43:41,260
look at how many people I mean imagine I

1103
00:43:46,660 --> 00:43:43,880
stood at that spot imagine you're in

1104
00:43:50,559 --> 00:43:46,670
your car on a bridge and it starts to

1105
00:43:52,480 --> 00:43:50,569
collapse the fear the terror and so many

1106
00:43:55,029 --> 00:43:52,490
people died in that and people we talked

1107
00:43:57,220 --> 00:43:55,039
to said my grandfather died my cousin

1108
00:44:00,370 --> 00:43:57,230
died and this is very much a town that

1109
00:44:02,559 --> 00:44:00,380
yes it does profit from Mothman lore I

1110
00:44:04,569 --> 00:44:02,569
mean let's address the elephant in the

1111
00:44:07,690 --> 00:44:04,579
room of course it does it's a very small

1112
00:44:09,819 --> 00:44:07,700
town at the same time this stemmed from

1113
00:44:12,490 --> 00:44:09,829

a tragedy and when we were there it was

1114

00:44:14,470 --> 00:44:12,500

just so sad when we talked to people and

1115

00:44:16,359 --> 00:44:14,480

they would explain that yes this person

1116

00:44:19,059 --> 00:44:16,369

died that person died this person was

1117

00:44:21,069 --> 00:44:19,069

maimed horribly this person had such bad

1118

00:44:22,900 --> 00:44:21,079

post-traumatic stress that they couldn't

1119

00:44:25,539 --> 00:44:22,910

hold a job they became homeless it

1120

00:44:26,650 --> 00:44:25,549

really made it real so regardless of

1121

00:44:30,100 --> 00:44:26,660

whether or not moths may

1122

00:44:32,020 --> 00:44:30,110

exists in any form this bridge collapse

1123

00:44:34,150 --> 00:44:32,030

and the appearance of Mothman that

1124

00:44:37,360 --> 00:44:34,160

people believe they saw has impacted the

1125

00:44:39,670 --> 00:44:37,370

community yeah yeah it's again it's he's

1126

00:44:43,510 --> 00:44:39,680

we're also really thrilled that we got

1127

00:44:46,540 --> 00:44:43,520

one of the last living survivors who saw

1128

00:44:50,110 --> 00:44:46,550

Mothman real show okay yeah so we're

1129

00:44:54,040 --> 00:44:50,120

very excited I think she saw it and she

1130

00:44:57,010 --> 00:44:54,050

even describes it to our artist who is

1131

00:44:57,370 --> 00:44:57,020

gonna depict what she saw it's pretty

1132

00:45:01,870 --> 00:44:57,380

cool

1133

00:45:03,810 --> 00:45:01,880

here but I do want to wrap up miss

1134

00:45:06,010 --> 00:45:03,820

Teresa coated talking about our other

1135

00:45:07,120 --> 00:45:06,020

investigation that we went on and that

1136

00:45:10,540 --> 00:45:07,130

was area 51

1137

00:45:13,090 --> 00:45:10,550

now the government recently within the

1138

00:45:14,830 --> 00:45:13,100

past decade or so finally acknowledged

1139

00:45:17,890 --> 00:45:14,840

that this thing existed even though we

1140

00:45:20,740 --> 00:45:17,900

all knew it for so long but Jennifer

1141

00:45:22,300 --> 00:45:20,750

what did you think about area 51 Ryan

1142

00:45:23,530 --> 00:45:22,310

and I were in the car I don't know if

1143

00:45:25,750 --> 00:45:23,540

this will make the show but we were in

1144

00:45:27,430 --> 00:45:25,760

the car saying we're rolling down the

1145

00:45:29,890 --> 00:45:27,440

windows if the government has any

1146

00:45:33,070 --> 00:45:29,900

software to read our lips we will not

1147

00:45:35,770 --> 00:45:33,080

breach the barrier we we are here just

1148

00:45:38,080 --> 00:45:35,780

to see we will not tell your secrets we

1149

00:45:39,460 --> 00:45:38,090

were just so scared that something was

1150

00:45:42,400 --> 00:45:39,470

going to happen because a few months ago

1151

00:45:43,840 --> 00:45:42,410

somebody had been shot he now he crossed

1152

00:45:46,900 --> 00:45:43,850

the barrier and he had a cylindrical

1153

00:45:50,350 --> 00:45:46,910

object in his hand not too smart and he

1154

00:45:53,380 --> 00:45:50,360

was shot so we were very very careful

1155

00:45:55,030 --> 00:45:53,390

how far we went to the gate and we were

1156

00:45:57,760 --> 00:45:55,040

very cognizant that there are cameras

1157

00:46:00,070 --> 00:45:57,770

everywhere oh yeah and I mean again we

1158

00:46:01,720 --> 00:46:00,080

had some weird stuff happen when we were

1159

00:46:03,880 --> 00:46:01,730

in the car heading to the base I'm not

1160

00:46:06,790 --> 00:46:03,890

going to give that away but there was

1161

00:46:08,950 --> 00:46:06,800

absolutely no doubt in my mind we were

1162

00:46:13,180 --> 00:46:08,960

being surveilled within 10 miles of the

1163

00:46:16,060 --> 00:46:13,190

gate it's definitive proof in my opinion

1164

00:46:18,250 --> 00:46:16,070

well it hurt happened there so um yeah

1165

00:46:19,630 --> 00:46:18,260

we sort of tie an area 51 to a lot of

1166

00:46:22,150 --> 00:46:19,640

what's going on today

1167

00:46:24,670 --> 00:46:22,160

this modern Navy story that is broken

1168

00:46:28,090 --> 00:46:24,680

with all these pilots coming forward the

1169

00:46:30,700 --> 00:46:28,100

a tip secret Pentagon UFO program and we

1170

00:46:32,890 --> 00:46:30,710

talked a lot about Bob Lazar the the

1171

00:46:34,660 --> 00:46:32,900

person who sort of put area51 on the map

1172

00:46:37,090 --> 00:46:34,670

along with George Knapp the

1173

00:46:39,900 --> 00:46:37,100

investigative journalist who broke area

1174

00:46:40,920 --> 00:46:39,910

51 to begin with and

1175

00:46:43,950 --> 00:46:40,930

found some really interesting

1176
00:46:46,589 --> 00:46:43,960
similarities between what Bob Lazar had

1177
00:46:48,480 --> 00:46:46,599
to say in terms of technology this man

1178
00:46:50,910 --> 00:46:48,490
supposedly worked on when he was

1179
00:46:53,250 --> 00:46:50,920
employed at area 51 and these this

1180
00:46:55,559 --> 00:46:53,260
gimbal video if any of you have seen

1181
00:46:57,779 --> 00:46:55,569
this video of this cylindrical craft

1182
00:47:02,309 --> 00:46:57,789
that seemed to rotate in midair and

1183
00:47:04,260 --> 00:47:02,319
shoot off it was strikingly similar to

1184
00:47:06,299 --> 00:47:04,270
this testimony back in the 80s by Bob

1185
00:47:08,460 --> 00:47:06,309
Lazar so alejandra I know you've looked

1186
00:47:11,069 --> 00:47:08,470
a lot into this to sort of wrapping up

1187
00:47:13,680 --> 00:47:11,079
area 51 for us what do you make of

1188
00:47:16,349 --> 00:47:13,690

office man what's going on today are we

1189

00:47:18,839 --> 00:47:16,359

living in a new era of UFO disclosure

1190

00:47:19,380 --> 00:47:18,849

and how does that match what we were

1191

00:47:22,529 --> 00:47:19,390

told

1192

00:47:25,349 --> 00:47:22,539

30-something years ago by Bob Lazar yeah

1193

00:47:28,170 --> 00:47:25,359

I think that Bob Lazar story is really

1194

00:47:30,990 --> 00:47:28,180

hard to verify I mean it's one person

1195

00:47:33,020 --> 00:47:31,000

with anecdotal information I think that

1196

00:47:35,250 --> 00:47:33,030

a lot of the lead investigation

1197

00:47:37,319 --> 00:47:35,260

investigators question you know as

1198

00:47:40,049 --> 00:47:37,329

educational background it's impossible

1199

00:47:42,210 --> 00:47:40,059

to verify that and so there are a lot of

1200

00:47:43,589 --> 00:47:42,220

questions there but what's really

1201

00:47:45,990 --> 00:47:43,599

interesting you know talking about

1202

00:47:49,529 --> 00:47:46,000

what's going on today with area 51 is

1203

00:47:51,510 --> 00:47:49,539

that two of the members of the to the

1204

00:47:54,029 --> 00:47:51,520

Stars team that Tong along the rock

1205

00:47:56,789 --> 00:47:54,039

stars started that Louise Elizondo the

1206

00:47:58,680 --> 00:47:56,799

guy who ran the Pentagon program this

1207

00:48:00,900 --> 00:47:58,690

team is made up of two people who have

1208

00:48:04,620 --> 00:48:00,910

worked at area 51 and been there quite

1209

00:48:05,190 --> 00:48:04,630

often one of them is used to be the

1210

00:48:07,559 --> 00:48:05,200

assistant

1211

00:48:11,670 --> 00:48:07,569

defense secretary of intelligence Chris

1212

00:48:13,950 --> 00:48:11,680

Mellon the other one is a former you

1213

00:48:15,809 --> 00:48:13,960

know executive with Lockheed Martin

1214

00:48:18,059 --> 00:48:15,819

skunk works and Lockheed Martin skunk

1215

00:48:20,730 --> 00:48:18,069

works is the organization that was

1216

00:48:24,569 --> 00:48:20,740

tasked with finding the location for

1217

00:48:26,760 --> 00:48:24,579

area 51 and building area 51 for the CIA

1218

00:48:29,220 --> 00:48:26,770

and now this guy you know he is one of

1219

00:48:31,829 --> 00:48:29,230

the guys at area 51 is working with Tom

1220

00:48:33,630 --> 00:48:31,839

DeLonge and these others so they're the

1221

00:48:36,329 --> 00:48:33,640

guys who would know if anything's there

1222

00:48:37,200 --> 00:48:36,339

they've spent a lot of time but I one of

1223

00:48:39,809 --> 00:48:37,210

the things that I found really

1224

00:48:41,730 --> 00:48:39,819

interesting about area 51 is that you

1225

00:48:44,990 --> 00:48:41,740

know it is a real base you know Lockheed

1226

00:48:46,950 --> 00:48:45,000

CIA have all been involved but as

1227

00:48:48,900 --> 00:48:46,960

ufologists you know when we luckily

1228

00:48:50,940 --> 00:48:48,910

lately have been finding this we get

1229

00:48:51,940 --> 00:48:50,950

vindicated and there were a lot of

1230

00:48:55,089 --> 00:48:51,950

people one

1231

00:48:57,790 --> 00:48:55,099

see the news hit that the CIA admitted

1232

00:49:00,550 --> 00:48:57,800

area 51 existed you know we got these

1233

00:49:02,950 --> 00:49:00,560

phone calls hey who are you 51 is real

1234

00:49:06,730 --> 00:49:02,960

no kidding we've been telling you that

1235

00:49:09,490 --> 00:49:06,740

for years so it was shocking to me some

1236

00:49:12,010 --> 00:49:09,500

people speculate that they attach this

1237

00:49:14,589 --> 00:49:12,020

idea of UFOs and aliens with area 51 to

1238

00:49:17,440 --> 00:49:14,599

keep people from realizing what goes on

1239

00:49:19,450 --> 00:49:17,450

there and if that is the case it was

1240

00:49:21,910 --> 00:49:19,460

very effective because just because of

1241

00:49:24,490 --> 00:49:21,920

that relationship people did not believe

1242

00:49:26,380 --> 00:49:24,500

it even existed yeah I think that's a

1243

00:49:28,540 --> 00:49:26,390

really good way to sort of wrap up what

1244

00:49:30,069 --> 00:49:28,550

is gonna be investigated on mysteries

1245

00:49:32,319 --> 00:49:30,079

decoded but we did want to leave a

1246

00:49:34,089 --> 00:49:32,329

little time if anyone had any questions

1247

00:49:37,030 --> 00:49:34,099

about you know the process of our

1248

00:49:38,950 --> 00:49:37,040

investigation what we uncovered stuff

1249

00:49:41,680 --> 00:49:38,960

like that yeah please I think there's a

1250

00:49:43,870 --> 00:49:41,690

mic on either end here if you could go

1251
00:49:45,550 --> 00:49:43,880
up there we've got about 15 minutes so

1252
00:49:47,800 --> 00:49:45,560
if you could just make the questions a

1253
00:49:49,390 --> 00:49:47,810
little short in concise we would really

1254
00:49:54,670 --> 00:49:49,400
appreciate it I don't think they do have

1255
00:49:57,790 --> 00:49:54,680
mics actually oh they're not yeah so

1256
00:49:59,589 --> 00:49:57,800
came in a little late but so maybe

1257
00:50:02,319 --> 00:49:59,599
already covered this but I didn't

1258
00:50:05,020 --> 00:50:02,329
question about the analysis of the metal

1259
00:50:09,190 --> 00:50:05,030
from Roswell or allegedly from Roswell

1260
00:50:12,819 --> 00:50:09,200
from the crash did you put it under

1261
00:50:16,270 --> 00:50:12,829
isotope analysis isotope ratios yes you

1262
00:50:18,990 --> 00:50:16,280
did and to be honest we tested about

1263
00:50:21,430 --> 00:50:19,000

five pieces of metal it was inconclusive

1264

00:50:24,220 --> 00:50:21,440

but we have more pieces we're hoping to

1265

00:50:26,349 --> 00:50:24,230

test in the future although if I could

1266

00:50:28,660 --> 00:50:26,359

this is one of the stories luckily we

1267

00:50:30,460 --> 00:50:28,670

got to break as early on the hard part

1268

00:50:32,650 --> 00:50:30,470

is there are several small little pieces

1269

00:50:34,510 --> 00:50:32,660

and they're very tiny and he can't say

1270

00:50:36,730 --> 00:50:34,520

for certain you know every piece is

1271

00:50:38,530 --> 00:50:36,740

something anomalous and we have to look

1272

00:50:41,170 --> 00:50:38,540

at several different pieces which is

1273

00:50:42,880 --> 00:50:41,180

difficult now one of the early analysis

1274

00:50:44,800 --> 00:50:42,890

he got on the isotopes because that's

1275

00:50:46,690 --> 00:50:44,810

very important essentially you can look

1276

00:50:48,970 --> 00:50:46,700

at the isotopes and determine if

1277

00:50:51,430 --> 00:50:48,980

something was you know created here on

1278

00:50:54,970 --> 00:50:51,440

the planet essentially and he did get

1279

00:50:57,640 --> 00:50:54,980

from one lab a very strange result that

1280

00:51:00,099 --> 00:50:57,650

said essentially that it wasn't made on

1281

00:51:02,079 --> 00:51:00,109

the planet it was within what's called

1282

00:51:03,640 --> 00:51:02,089

an error range and he said and he got a

1283

00:51:04,770 --> 00:51:03,650

hold of them and said you know it looks

1284

00:51:06,270 --> 00:51:04,780

like in the in the error range

1285

00:51:08,520 --> 00:51:06,280

you think I mean you made a mistake and

1286

00:51:12,570 --> 00:51:08,530

they said we do not make mistakes like

1287

00:51:14,520 --> 00:51:12,580

that it is way off on the out there we

1288

00:51:15,450 --> 00:51:14,530

the lab itself was doubtful that that

1289

00:51:18,090 --> 00:51:15,460

was a mistake

1290

00:51:19,110 --> 00:51:18,100

now that experiment has not been able to

1291

00:51:21,150 --> 00:51:19,120

be repeated

1292

00:51:22,560 --> 00:51:21,160

you know they attempted to and

1293

00:51:24,690 --> 00:51:22,570

unfortunately they didn't get the same

1294

00:51:26,790 --> 00:51:24,700

results but you know a one thing that

1295

00:51:29,280 --> 00:51:26,800

Frank likes to make a point of is in the

1296

00:51:31,470 --> 00:51:29,290

analysis done in the show those those

1297

00:51:33,330 --> 00:51:31,480

who are metallurgist and they were not

1298

00:51:35,250 --> 00:51:33,340

able to determine that the metal was

1299

00:51:37,470 --> 00:51:35,260

something anomalous but they did receive

1300

00:51:40,160 --> 00:51:37,480

you know some chemicals that were part

1301
00:51:41,820 --> 00:51:40,170
of the analysis that weren't able to be

1302
00:51:43,680 --> 00:51:41,830
investigated so there's still some

1303
00:51:46,650 --> 00:51:43,690
possibility that something mysterious

1304
00:51:48,750 --> 00:51:46,660
could be found right yeah I did it's

1305
00:51:50,460 --> 00:51:48,760
still open there's still so many tests

1306
00:51:53,070 --> 00:51:50,470
that we could do again this was just a

1307
00:51:55,560 --> 00:51:53,080
metal test so and honestly I hope that

1308
00:51:56,700 --> 00:51:55,570
Frank holds on to at least a few of the

1309
00:51:58,860 --> 00:51:56,710
pieces because who knows where

1310
00:52:01,140 --> 00:51:58,870
technology will be in 10 20 30 40 50

1311
00:52:04,070 --> 00:52:01,150
years yes and Frank's well aware that

1312
00:52:06,600 --> 00:52:04,080
you know with a lot of these pieces they

1313
00:52:08,940 --> 00:52:06,610

unfortunately have to be destroyed in

1314

00:52:12,270 --> 00:52:08,950

order to be tested right so Frank is a

1315

00:52:14,430 --> 00:52:12,280

very careful responsible scientist he's

1316

00:52:16,920 --> 00:52:14,440

got pieces of this stuff locked away

1317

00:52:18,540 --> 00:52:16,930

that nobody knows about which is very

1318

00:52:20,190 --> 00:52:18,550

smart in my opinion and he's still

1319

00:52:21,540 --> 00:52:20,200

looking for more he's still looking at

1320

00:52:23,880 --> 00:52:21,550

he's still out there all the time

1321

00:52:25,110 --> 00:52:23,890

yeah I participated this was weird too

1322

00:52:27,960 --> 00:52:25,120

if you don't mind me sharing this story

1323

00:52:30,780 --> 00:52:27,970

where we got ahold of this very

1324

00:52:33,840 --> 00:52:30,790

prominent USGS scientist who wanted to

1325

00:52:36,960 --> 00:52:33,850

get involved and help him do research he

1326

00:52:39,630 --> 00:52:36,970

we got that material sent to a lab that

1327

00:52:42,810 --> 00:52:39,640

was very prestigious a university and I

1328

00:52:45,750 --> 00:52:42,820

can't give the details but it broke down

1329

00:52:48,810 --> 00:52:45,760

because when that university opened up

1330

00:52:51,840 --> 00:52:48,820

the Box the materials were gone and I

1331

00:52:55,290 --> 00:52:51,850

told Frank do not mail those you have to

1332

00:52:57,000 --> 00:52:55,300

go hand-deliver them and he they talked

1333

00:52:58,140 --> 00:52:57,010

him into you know the logistics just

1334

00:53:00,000 --> 00:52:58,150

wasn't gonna work for him to

1335

00:53:01,830 --> 00:53:00,010

hand-deliver them but of course when

1336

00:53:03,570 --> 00:53:01,840

that lab got this material opened the

1337

00:53:05,580 --> 00:53:03,580

box they thought Oh Frank's a jokester

1338

00:53:08,160 --> 00:53:05,590

this is all we shouldn't have done this

1339

00:53:10,500 --> 00:53:08,170

goofy UFO thing in the beginning he was

1340

00:53:12,870 --> 00:53:10,510

upset because he thought they stole the

1341

00:53:15,210 --> 00:53:12,880

material or lost it but it was still a

1342

00:53:16,880 --> 00:53:15,220

mystery we we never found out where that

1343

00:53:18,740 --> 00:53:16,890

material went yeah and I think

1344

00:53:21,290 --> 00:53:18,750

I learned from that so he handed them to

1345

00:53:22,970 --> 00:53:21,300

me and I handed them to the metallurgist

1346

00:53:25,700 --> 00:53:22,980

to make sure nothing like that happened

1347

00:53:28,970 --> 00:53:25,710

again yes thank you for your question

1348

00:53:31,970 --> 00:53:28,980

thank you yes let's go right here if we

1349

00:53:34,340 --> 00:53:31,980

could questions for Jennifer when you

1350

00:53:35,600 --> 00:53:34,350

went to come tonight at a busy Borden's

1351
00:53:38,300 --> 00:53:35,610
house did you

1352
00:53:40,160 --> 00:53:38,310
I've been there everything I was offered

1353
00:53:44,780 --> 00:53:40,170
to spend the night also but I declined

1354
00:53:46,070 --> 00:53:44,790
smart did you make it to Maplecroft we

1355
00:53:47,930 --> 00:53:46,080
did we did

1356
00:53:49,060 --> 00:53:47,940
so Maplecroft for those of you who

1357
00:53:52,070 --> 00:53:49,070
aren't aware that is the house that

1358
00:53:54,800 --> 00:53:52,080
Lizzie after her parents were murdered

1359
00:53:56,360 --> 00:53:54,810
she wanted to go by Lizbeth so it was

1360
00:53:59,570 --> 00:53:56,370
the house that Elizabeth Borden bought

1361
00:54:02,480 --> 00:53:59,580
with her inheritance and it's a it's a

1362
00:54:04,040 --> 00:54:02,490
large estate and it's in a very ritzy

1363
00:54:05,960 --> 00:54:04,050

part of town and it's not open to the

1364

00:54:09,590 --> 00:54:05,970

public but we were actually able to go

1365

00:54:13,370 --> 00:54:09,600

there and it's quite lovely yeah I was

1366

00:54:16,220 --> 00:54:13,380

there in Fall River and we not only want

1367

00:54:18,410 --> 00:54:16,230

to took the tour of her house we went to

1368

00:54:21,230 --> 00:54:18,420

maple crop and then we went to her grave

1369

00:54:26,050 --> 00:54:21,240

site we did so yes I got a picture of me

1370

00:54:31,390 --> 00:54:27,620

please show me later

1371

00:54:36,500 --> 00:54:31,400

that is a morbid sense of humor sir

1372

00:54:38,750 --> 00:54:36,510

let's go over here yes you guys for

1373

00:54:42,110 --> 00:54:38,760

doing what you're doing my question

1374

00:54:44,180 --> 00:54:42,120

there is a photo out there of a

1375

00:54:47,210 --> 00:54:44,190

high-ranking military official perhaps

1376
00:54:49,340 --> 00:54:47,220
too general he's kneeling down next to

1377
00:54:52,520 --> 00:54:49,350
this this balloon supposed to balloon

1378
00:54:55,460 --> 00:54:52,530
and he's hold the little matter and what

1379
00:54:58,010 --> 00:54:55,470
I understand someone tried to zoom in on

1380
00:55:01,450 --> 00:54:58,020
this and decipher what it is one do you

1381
00:55:03,410 --> 00:55:01,460
know about it and two can you share any

1382
00:55:06,200 --> 00:55:03,420
contents that you might not found

1383
00:55:08,930 --> 00:55:06,210
Jennifer that's all you yes so that's

1384
00:55:10,550 --> 00:55:08,940
general Ramey and when in what he's

1385
00:55:12,710 --> 00:55:10,560
holding is referred to as the Ramey memo

1386
00:55:15,800 --> 00:55:12,720
and we knew that it had been deciphered

1387
00:55:18,230 --> 00:55:15,810
by other sources we did not want to have

1388
00:55:19,900 --> 00:55:18,240

that color our perception of it so we

1389

00:55:22,490 --> 00:55:19,910

went in and we had a forensic photo

1390

00:55:24,200 --> 00:55:22,500

analyst analyst who used to work for the

1391

00:55:26,990 --> 00:55:24,210

FBI he blew it up and we went through

1392

00:55:29,690 --> 00:55:27,000

line by line my issue with the Ramey

1393

00:55:30,500 --> 00:55:29,700

memo is if this was in fact a weather

1394

00:55:32,360 --> 00:55:30,510

balloon wide

1395

00:55:34,490 --> 00:55:32,370

you need a memo why do you need a

1396

00:55:36,950 --> 00:55:34,500

general there why do you need a photo

1397

00:55:38,840 --> 00:55:36,960

session there's a lot of things about

1398

00:55:41,630 --> 00:55:38,850

that memo that just don't make sense now

1399

00:55:43,850 --> 00:55:41,640

it has not been definitively translated

1400

00:55:44,960 --> 00:55:43,860

word-for-word or deciphered I'll say not

1401

00:55:46,760 --> 00:55:44,970

translate it but deciphered

1402

00:55:49,430 --> 00:55:46,770

word-for-word but there's enough on

1403

00:55:52,490 --> 00:55:49,440

there that it's clear there's something

1404

00:55:56,740 --> 00:55:52,500

else going on yes and I have to add to

1405

00:55:59,360 --> 00:55:56,750

Denise's a grandfather he was brought in

1406

00:56:01,220 --> 00:55:59,370

took it taken out of the room brought

1407

00:56:03,320 --> 00:56:01,230

back in and they laid the weather

1408

00:56:05,210 --> 00:56:03,330

balloon out and he said what the hell is

1409

00:56:08,870 --> 00:56:05,220

this said that's what you saw up there

1410

00:56:10,700 --> 00:56:08,880

that's no it isn't yes it is that's what

1411

00:56:12,740 --> 00:56:10,710

I that's exactly what I heard yeah he

1412

00:56:14,420 --> 00:56:12,750

was briefed on what it really was still

1413

00:56:16,550 --> 00:56:14,430

had the letter in his hand and then they

1414

00:56:18,620 --> 00:56:16,560

laid out the balloon and the photo yep

1415

00:56:21,320 --> 00:56:18,630

that's what we did you should watch the

1416

00:56:23,540 --> 00:56:21,330

show you could see it still on CW seed

1417

00:56:25,640 --> 00:56:23,550

and you'll see the whole section I think

1418

00:56:27,590 --> 00:56:25,650

you'll enjoy it yeah there is another

1419

00:56:29,300 --> 00:56:27,600

gentleman in the one of those photos too

1420

00:56:31,550 --> 00:56:29,310

colonel two boys who who is general

1421

00:56:33,200 --> 00:56:31,560

Rama's right-hand man and he has come

1422

00:56:35,660 --> 00:56:33,210

out to some of the Roswell researchers

1423

00:56:37,670 --> 00:56:35,670

and said it was a cover-up but it was

1424

00:56:39,260 --> 00:56:37,680

not a weather balloon I was aware that

1425

00:56:40,910 --> 00:56:39,270

what we took pictures of what are in

1426

00:56:42,560 --> 00:56:40,920

those photos is not what was found in

1427

00:56:44,810 --> 00:56:42,570

the desert he says I don't know what was

1428

00:56:47,300 --> 00:56:44,820

found but it wasn't what was in Raimi's

1429

00:56:48,860 --> 00:56:47,310

office during those pictures yeah Gary

1430

00:56:51,170 --> 00:56:48,870

brings up a good point if you do want to

1431

00:56:54,560 --> 00:56:51,180

watch the special it's available for

1432

00:56:57,200 --> 00:56:54,570

free to stream on the CWC comm whenever

1433

00:56:59,030 --> 00:56:57,210

you like please check it out there's so

1434

00:57:01,460 --> 00:56:59,040

much more we did and talked about that

1435

00:57:03,020 --> 00:57:01,470

was in that but I think we have time

1436

00:57:03,920 --> 00:57:03,030

maybe for one or two more questions so

1437

00:57:05,870 --> 00:57:03,930

if we don't get you guys

1438

00:57:07,700 --> 00:57:05,880

I do apologize will be available after

1439

00:57:10,850 --> 00:57:07,710

you want to ask us some more questions

1440

00:57:12,290 --> 00:57:10,860

but yes sir yes I do my name is Rob

1441

00:57:14,870 --> 00:57:12,300

Hamdi from the Atlantic City New Jersey

1442

00:57:16,280 --> 00:57:14,880

area and I like to thank all of you for

1443

00:57:19,070 --> 00:57:16,290

enlightening us on all these subjects

1444

00:57:21,140 --> 00:57:19,080

but my question is do any of your

1445

00:57:25,340 --> 00:57:21,150

episodes and feature any information on

1446

00:57:29,900 --> 00:57:25,350

the Kecksburg Pennsylvania UFO incident

1447

00:57:31,490 --> 00:57:29,910

it's the bell and do it everything else

1448

00:57:33,650 --> 00:57:31,500

so funny that you bring that up we don't

1449

00:57:35,210 --> 00:57:33,660

specifically talk about Kecksburg Ryan

1450

00:57:36,770 --> 00:57:35,220

and I are actually acquaintances with a

1451
00:57:38,840 --> 00:57:36,780
filmmaker who's making a movie about

1452
00:57:40,040 --> 00:57:38,850
Kecksburg right now and he's surprised

1453
00:57:41,819 --> 00:57:40,050
like he had asked me to be in the film

1454
00:57:43,400 --> 00:57:41,829
and I said this is getting too weird

1455
00:57:45,870 --> 00:57:43,410
many of my roles are crossing over into

1456
00:57:48,089 --> 00:57:45,880
investigation so he's actually doing a

1457
00:57:50,459 --> 00:57:48,099
film that's called Kecksburg but it's

1458
00:57:52,229 --> 00:57:50,469
not in any of our we're aware event

1459
00:57:54,599 --> 00:57:52,239
we've looked into it but it's not in any

1460
00:57:56,759 --> 00:57:54,609
of our episodes but if we get picked up

1461
00:57:57,959 --> 00:57:56,769
for season two that's definitely

1462
00:58:00,509 --> 00:57:57,969
something I would love to look at it

1463
00:58:03,569 --> 00:58:00,519

that's died that's a dream come true for

1464

00:58:06,719 --> 00:58:03,579

a dream bucket list number three yeah

1465

00:58:09,479 --> 00:58:06,729

yes sir yeah with the Roswell crash I

1466

00:58:12,539 --> 00:58:09,489

know you mentioned that there was for

1467

00:58:14,519 --> 00:58:12,549

you needed for caskets but where is

1468

00:58:16,499 --> 00:58:14,529

there any evidence or proof that any of

1469

00:58:21,930 --> 00:58:16,509

the greys or alien bodies were still

1470

00:58:24,380 --> 00:58:21,940

alive so the one so the colonel the

1471

00:58:27,269 --> 00:58:24,390

retired colonel that I talked to who's

1472

00:58:29,489 --> 00:58:27,279

what whose source was the wife of the

1473

00:58:33,539 --> 00:58:29,499

veterinarian she said that when her

1474

00:58:35,279 --> 00:58:33,549

husband saw them that one of them was

1475

00:58:38,549 --> 00:58:35,289

still alive which is why I said that he

1476
00:58:41,039 --> 00:58:38,559
wanted it vivisected after that because

1477
00:58:42,959 --> 00:58:41,049
he ran out that's all that I've been

1478
00:58:44,940 --> 00:58:42,969
able to tell and that's a very very

1479
00:58:47,939 --> 00:58:44,950
credible source he's a retired colonel

1480
00:58:52,349 --> 00:58:47,949
now and that woman is is long since

1481
00:58:53,849 --> 00:58:52,359
deceased yet is that part in the in the

1482
00:58:56,219 --> 00:58:53,859
show that you know because it months ago

1483
00:58:59,640 --> 00:58:56,229
no what I so what happened with that was

1484
00:59:01,559 --> 00:58:59,650
I I was working as an advisor for

1485
00:59:03,420 --> 00:59:01,569
another show when I ran into him and he

1486
00:59:05,699 --> 00:59:03,430
said have you been and I said you know I

1487
00:59:06,959 --> 00:59:05,709
just shot this this Roswell show and he

1488
00:59:08,670 --> 00:59:06,969

said you should have talked to me

1489

00:59:10,739 --> 00:59:08,680

because I went to New Mexico Military

1490

00:59:12,509 --> 00:59:10,749

Institute and that's when he told me and

1491

00:59:14,099 --> 00:59:12,519

he gave me the woman's name and I've

1492

00:59:15,930 --> 00:59:14,109

looked up the woman her husband did in

1493

00:59:17,819 --> 00:59:15,940

fact have a veterinary practice in

1494

00:59:19,529 --> 00:59:17,829

Roswell at that time so it is a

1495

00:59:21,630 --> 00:59:19,539

legitimate source but unfortunately

1496

00:59:23,789 --> 00:59:21,640

they've both sons passed on and I also

1497

00:59:27,660 --> 00:59:23,799

heard that either of this true or not

1498

00:59:31,259 --> 00:59:27,670

that the US government is also working

1499

00:59:33,539 --> 00:59:31,269

with the aliens actually at area 51 like

1500

00:59:35,489 --> 00:59:33,549

a lot is any of that true I've heard

1501
00:59:37,289 --> 00:59:35,499
stories through the years but I don't

1502
00:59:39,689 --> 00:59:37,299
know if it's fantasy or actually any

1503
00:59:41,519 --> 00:59:39,699
based in any kind of reality right right

1504
00:59:45,180 --> 00:59:41,529
I mean there have been so many claims

1505
00:59:47,249 --> 00:59:45,190
that there's these alien-human hybrid

1506
00:59:49,650 --> 00:59:47,259
ization programs going on that the

1507
00:59:52,439 --> 00:59:49,660
military is working in cahoots with the

1508
00:59:53,880 --> 00:59:52,449
aliens I'm a huge fan of the x-files

1509
00:59:55,920 --> 00:59:53,890
it's probably my favorite show of all

1510
00:59:58,840 --> 00:59:55,930
time but it's science fact

1511
01:00:01,390 --> 00:59:58,850
I'm not saying I'm not discounting any

1512
01:00:04,690 --> 01:00:01,400
of the claims that that is happening but

1513
01:00:06,370 --> 01:00:04,700

to my knowledge to the many military

1514

01:00:09,490 --> 01:00:06,380

officials I've spoken with and

1515

01:00:12,550 --> 01:00:09,500

governmental bodies retired people I've

1516

01:00:15,690 --> 01:00:12,560

spoken with I haven't come across any

1517

01:00:19,090 --> 01:00:15,700

evidence myself that that is happening

1518

01:00:21,880 --> 01:00:19,100

there is definitely some exotic stuff

1519

01:00:23,800 --> 01:00:21,890

happening at area 51 not a doubt in my

1520

01:00:27,610 --> 01:00:23,810

mind in terms of aliens working with

1521

01:00:30,160 --> 01:00:27,620

humans I think that's a whole other and

1522

01:00:32,230 --> 01:00:30,170

I think well leather show Ryan you know

1523

01:00:33,910 --> 01:00:32,240

Ryan's an expert in this field I have

1524

01:00:35,650 --> 01:00:33,920

the advantage of being a veteran and

1525

01:00:37,660 --> 01:00:35,660

talking to other veterans and people are

1526

01:00:38,500 --> 01:00:37,670

more likely to open up to me as a fellow

1527

01:00:40,840 --> 01:00:38,510

veteran if they're speaking

1528

01:00:43,570 --> 01:00:40,850

off-the-record I have spoken to many

1529

01:00:46,840 --> 01:00:43,580

veterans naval aviators pilots from all

1530

01:00:49,030 --> 01:00:46,850

branches I've spoken to people who were

1531

01:00:53,890 --> 01:00:49,040

a part of the incident on the USS Nimitz

1532

01:00:55,990 --> 01:00:53,900

in in 2004 and they tell me things off

1533

01:00:58,090 --> 01:00:56,000

the record that I cannot go into but I

1534

01:00:59,860 --> 01:00:58,100

will say definitively nobody none of my

1535

01:01:01,840 --> 01:00:59,870

sources has ever said to me yes there

1536

01:01:04,000 --> 01:01:01,850

are humans and aliens working in tandem

1537

01:01:06,220 --> 01:01:04,010

at area 51 that's never come up and I've

1538

01:01:08,760 --> 01:01:06,230

heard some pretty outlandish things that

1539

01:01:13,030 --> 01:01:08,770

has never once come across my radar

1540

01:01:14,590 --> 01:01:13,040

thank you guys I do apologize we did run
