7  
00:00:41,090 --> 00:00:38,460  
welcome to somewhere in the skies I'm

8  
00:00:43,160 --> 00:00:41,100  
your host Ryan Sprague this week I'm

9  
00:00:46,430 --> 00:00:43,170  
bringing you the second recording live

10  
00:00:48,920 --> 00:00:46,440  
from alien con Los Angeles this is a

11  
00:00:51,410 --> 00:00:48,930  
special witness accounts episode where

12  
00:00:54,650 --> 00:00:51,420  
I'm joined by Jason McClellan of rogue

13  
00:00:57,110 --> 00:00:54,660

planet and the unknown podcast we

14

00:01:00,650 --> 00:00:57,120

discuss our personal of UFO second is

15

00:01:02,750 --> 00:01:00,660

the power of witness testimony and then

16

00:01:05,270 --> 00:01:02,760

audience members share their own

17

00:01:08,389 --> 00:01:05,280

personal experiences with a UFO

18

00:01:10,160 --> 00:01:08,399

phenomena thank you to everyone who

19

00:01:12,499 --> 00:01:10,170

shared their stories not only at this

20

00:01:15,320 --> 00:01:12,509

recording but during our experienter

21

00:01:17,930 --> 00:01:15,330

session at a Lincoln as well I know it's

22

00:01:20,270 --> 00:01:17,940

never easy so again thank you to all of

23

00:01:21,859 --> 00:01:20,280

you there's no outro this week so be

00:01:48,560 --> 00:01:45,630

remember keep your feet on the ground

34

00:01:52,880 --> 00:01:48,570

but never stop searching somewhere in

35

00:01:54,800 --> 00:01:52,890

the skies all right welcome to somewhere

36

00:01:56,840 --> 00:01:54,810

in the skies I am your host Ryan Sprague

37

00:01:59,630 --> 00:01:56,850

and with me today is Jason McClellan

38

00:02:01,550 --> 00:01:59,640

from the unknown podcast and we are live

39

00:02:03,850 --> 00:02:01,560

at hey lien con Los Angeles how's

40

00:02:06,070 --> 00:02:03,860

everyone doing

41

00:02:07,840 --> 00:02:06,080

oh thank god I'm always worried about

42

00:02:09,760 --> 00:02:07,850

that that it's gonna be crickets oh

43

00:02:11,350 --> 00:02:09,770

thank you thank you so much for joining

44

00:02:15,220 --> 00:02:11,360

me today never a cricket the daily

45

00:02:17,110 --> 00:02:15,230

income this is the best UFO conference

46

00:02:19,960 --> 00:02:17,120

and we do these things all the time but

47

00:02:22,120 --> 00:02:19,970

alien con is by far the biggest in the

48

00:02:24,520 --> 00:02:22,130

funnest event bringing people together

49

00:02:27,460 --> 00:02:24,530

of all walks of life to talk about

50

00:02:30,520 --> 00:02:27,470

ancient alien theory aliens in general

51  
00:02:32,260 --> 00:02:30,530  
experiences UFOs it's a place where we

52  
00:02:34,810 --> 00:02:32,270  
can all come together talk about it not

53  
00:02:36,090 --> 00:02:34,820  
be judged and have a good time so that's

54  
00:02:38,830 --> 00:02:36,100  
kind of what we're gonna be doing today

55  
00:02:41,080 --> 00:02:38,840  
this is a series of my show I call

56  
00:02:43,480 --> 00:02:41,090  
witness accounts and this is where

57  
00:02:45,730 --> 00:02:43,490  
people come onto my show and tell their

58  
00:02:48,580 --> 00:02:45,740  
UFO stories in their own voices I think

59  
00:02:50,830 --> 00:02:48,590  
that is much much more important than me

60  
00:02:53,650 --> 00:02:50,840  
relaying their story to the audience is

61  
00:02:56,410 --> 00:02:53,660  
hearing them tell their own story how

62  
00:02:58,740 --> 00:02:56,420  
they experienced it what they think it

63  
00:03:01,030 --> 00:02:58,750

was and the impact it had on their lives

64

00:03:03,250 --> 00:03:01,040

UFOs come and go in the blink of an eye

65

00:03:06,640 --> 00:03:03,260

but the impact they have on people can

66

00:03:08,680 --> 00:03:06,650

be extremely strong in many aspects of

67

00:03:10,900 --> 00:03:08,690

their lives so what we're gonna sort of

68

00:03:13,240 --> 00:03:10,910

start out with here today is telling you

69

00:03:15,310 --> 00:03:13,250

guys about our own personal UFO

70

00:03:17,710 --> 00:03:15,320

encounters because we both have had them

71

00:03:20,800 --> 00:03:17,720

and that's kind of set us on the path we

72

00:03:23,259 --> 00:03:20,810

are today so I I'll share mine first if

73

00:03:26,610 --> 00:03:23,269

you don't mind yes sir yeah yeah so I

74

00:03:29,470 --> 00:03:26,620

was 12 years old and this was in the

75

00:03:32,199 --> 00:03:29,480

central New York area on the East Coast

76

00:03:34,150 --> 00:03:32,209

and I was fishing off of a dock at a

77

00:03:36,580 --> 00:03:34,160

motel with my parents and we're on a

78

00:03:38,979 --> 00:03:36,590

weekend getaway in this river the st.

79

00:03:42,100 --> 00:03:38,989

Lawrence River literally was the border

80

00:03:45,160 --> 00:03:42,110

between the u.s. and Canada and it was

81

00:03:47,350 --> 00:03:45,170

just turning dark and I was out on the

82

00:03:50,740 --> 00:03:47,360

dock at the motel fishing by myself

83

00:03:53,620 --> 00:03:50,750

listening to - Green Day on my discman

84

00:03:55,840 --> 00:03:53,630

this is back in 1995 yep it was the

85

00:03:58,810 --> 00:03:55,850

Dukey album I remember that specifically

86

00:04:00,640 --> 00:03:58,820

and it was starting to get dark so I

87

00:04:04,060 --> 00:04:00,650

reeled my line in because I was done for

88

00:04:06,789 --> 00:04:04,070

the night and I noticed a reflection in

89

00:04:08,680 --> 00:04:06,799

the water and it was three white lights

90

00:04:10,810 --> 00:04:08,690

and at first I thought it was something

91

00:04:13,000 --> 00:04:10,820

in the water so I like got down and look

92

00:04:16,180 --> 00:04:13,010

and then I realized you know clearly

93

00:04:16,960 --> 00:04:16,190

this was a reflection so naturally I

94

00:04:21,340 --> 00:04:16,970

look

95

00:04:23,800 --> 00:04:21,350

and I can't tell you how high it was but

96

00:04:26,880 --> 00:04:23,810

there was a triangular formation with

97

00:04:30,490 --> 00:04:26,890

three white lights and a sort of like

98

00:04:32,410 --> 00:04:30,500

reddish orange basketball thing in the

99

00:04:34,030 --> 00:04:32,420

middle and it was just hovering above me

100

00:04:36,340 --> 00:04:34,040

this formation I didn't see like a

101  
00:04:39,160 --> 00:04:36,350  
structure to this thing I didn't see any

102  
00:04:40,990 --> 00:04:39,170  
mechanics nothing like that I only saw

103  
00:04:43,360 --> 00:04:41,000  
this formation of lights but I could not

104  
00:04:45,130 --> 00:04:43,370  
see anything behind the formation I

105  
00:04:47,410 --> 00:04:45,140  
couldn't see the stars I couldn't see

106  
00:04:49,450 --> 00:04:47,420  
the moon nothing like that and it just

107  
00:04:53,260 --> 00:04:49,460  
hovered silently over my head it was

108  
00:04:55,150 --> 00:04:53,270  
very very big and I remember trying to

109  
00:04:57,340 --> 00:04:55,160  
scream for my father who was in the

110  
00:05:00,160 --> 00:04:57,350  
motel probably I don't know maybe like

111  
00:05:01,720 --> 00:05:00,170  
40 feet away from me and I couldn't I

112  
00:05:04,420 --> 00:05:01,730  
couldn't get anything out I was so

113  
00:05:07,120 --> 00:05:04,430

scared at what I was looking at and I

114

00:05:09,580 --> 00:05:07,130

felt frozen there I I couldn't move and

115

00:05:11,230 --> 00:05:09,590

I just kind of stared up kept watching

116

00:05:14,110 --> 00:05:11,240

this thing and then it started to float

117

00:05:17,560 --> 00:05:14,120

over the water and that's when I finally

118

00:05:21,190 --> 00:05:17,570

for some reason was able to like get out

119

00:05:24,820 --> 00:05:21,200

of this frozen state and I squealed to

120

00:05:26,890 --> 00:05:24,830

my father dad see this and he runs out

121

00:05:30,430 --> 00:05:26,900

and he did catch the tail end of this

122

00:05:32,380 --> 00:05:30,440

triangular formation as it either headed

123

00:05:34,390 --> 00:05:32,390

towards Canada and disappeared out of

124

00:05:36,520 --> 00:05:34,400

sight or literally submerged in the

125

00:05:38,830 --> 00:05:36,530

water neither of us know we've argued

126

00:05:41,920 --> 00:05:38,840

about that about what we both think

127

00:05:45,100 --> 00:05:41,930

happened but that was kind of it for me

128

00:05:48,670 --> 00:05:45,110

I was terrified at what I'd seen I knew

129

00:05:51,040 --> 00:05:48,680

that planes made noise and this made no

130

00:05:54,790 --> 00:05:51,050

noise it hovered and then started to

131

00:05:56,920 --> 00:05:54,800

move silently and I had nightmares for

132

00:05:59,470 --> 00:05:56,930

years after that I didn't really talk

133

00:06:00,430 --> 00:05:59,480

about it with anyone and my dad didn't

134

00:06:03,550 --> 00:06:00,440

talk about it either

135

00:06:05,590 --> 00:06:03,560

and I kind of became obsessed after that

136

00:06:08,770 --> 00:06:05,600

I wanted to sort of educate myself to

137

00:06:10,480 --> 00:06:08,780

get rid of of that fear and terror that

138

00:06:14,020 --> 00:06:10,490

I felt that night I started taking out

139

00:06:15,790 --> 00:06:14,030

books at the library on UFOs and Bigfoot

140

00:06:19,030 --> 00:06:15,800

anything I could get my hands on and

141

00:06:20,950 --> 00:06:19,040

that kind of sent me on the path I am

142

00:06:23,740 --> 00:06:20,960

today interviewing witnesses who've had

143

00:06:25,510 --> 00:06:23,750

experiences like me we're afraid to talk

144

00:06:27,700 --> 00:06:25,520

about it for a really long time but now

145

00:06:28,890 --> 00:06:27,710

are ready to embrace it so it's

146

00:06:31,590 --> 00:06:28,900

interesting every time

147

00:06:33,360 --> 00:06:31,600

here your story that the fear you

148

00:06:36,210 --> 00:06:33,370

described yeah right

149

00:06:38,670 --> 00:06:36,220

because it seems irrational when you

150

00:06:41,730 --> 00:06:38,680

think about it because this thing didn't

151  
00:06:43,439 --> 00:06:41,740  
do any sort of hostile act toward you it

152  
00:06:46,740 --> 00:06:43,449  
didn't do anything that made you think

153  
00:06:50,100 --> 00:06:46,750  
he was going to hurt you but it was this

154  
00:06:52,320 --> 00:06:50,110  
unknown and that unknown created this

155  
00:06:54,749 --> 00:06:52,330  
fear and that's common among people who

156  
00:06:56,100 --> 00:06:54,759  
who witnessed these bizarre things they

157  
00:06:58,080 --> 00:06:56,110  
can't explain they're outside of their

158  
00:07:00,659 --> 00:06:58,090  
reality oh absolutely and I mean again I

159  
00:07:03,000 --> 00:07:00,669  
was only a kid but I knew I mean and I

160  
00:07:05,520 --> 00:07:03,010  
was no aviation expert but I knew that

161  
00:07:07,950 --> 00:07:05,530  
whatever the thing was it should have

162  
00:07:10,469 --> 00:07:07,960  
been making some sort of noise if this

163  
00:07:14,430 --> 00:07:10,479

was like a vehicle of some sort or a

164

00:07:16,950 --> 00:07:14,440

blimp or even a balloon like this thing

165

00:07:19,650 --> 00:07:16,960

hovered stopped hovered stopped and then

166

00:07:22,860 --> 00:07:19,660

went over the water so it was it was a

167

00:07:24,330 --> 00:07:22,870

fear of the unknown I think that that

168

00:07:26,189 --> 00:07:24,340

really stuck with me hmm

169

00:07:28,469 --> 00:07:26,199

yeah but yeah I know Jason you've had a

170

00:07:30,060 --> 00:07:28,479

few experiences so I would love if you

171

00:07:32,700 --> 00:07:30,070

wouldn't mind sharing some of those with

172

00:07:35,010 --> 00:07:32,710

the audience as well sure the most

173

00:07:36,839 --> 00:07:35,020

exciting one I think probably has to be

174

00:07:38,610 --> 00:07:36,849

the Phoenix lights and many of you are

175

00:07:40,980 --> 00:07:38,620

probably familiar with the Phoenix

176  
00:07:43,890 --> 00:07:40,990  
lights but just a quick overview the

177  
00:07:45,589 --> 00:07:43,900  
Phoenix lights occurred over the state

178  
00:07:49,950 --> 00:07:45,599  
of Arizona and some metering states too

179  
00:07:51,600 --> 00:07:49,960  
in March of 1997 this was a mass UFO

180  
00:07:55,020 --> 00:07:51,610  
sighting seen by thousands of people

181  
00:07:57,330 --> 00:07:55,030  
across the state as with any UFO

182  
00:08:00,420 --> 00:07:57,340  
sighting and specifically a mass UFO

183  
00:08:01,890 --> 00:08:00,430  
sighting you have varying stories from

184  
00:08:05,460 --> 00:08:01,900  
all these witnesses that's how witness

185  
00:08:06,870 --> 00:08:05,470  
testimony works but essentially a large

186  
00:08:10,350 --> 00:08:06,880  
craft was seen traversing the entire

187  
00:08:13,230 --> 00:08:10,360  
state by lots of people there was also a

188  
00:08:17,149 --> 00:08:13,240

series of about seven lights seeing just

189

00:08:19,649 --> 00:08:17,159

stationary in the sky and they were also

190

00:08:21,480 --> 00:08:19,659

reportedly military flares dropped that

191

00:08:23,279 --> 00:08:21,490

night at a different time that doesn't

192

00:08:27,060 --> 00:08:23,289

coincide with the mass sighting that

193

00:08:30,000 --> 00:08:27,070

occurred what I witnessed that night was

194

00:08:33,180 --> 00:08:30,010

a series of seven stationary lights in

195

00:08:35,850 --> 00:08:33,190

the sky and although that doesn't sound

196

00:08:38,100 --> 00:08:35,860

all that exciting especially for

197

00:08:40,110 --> 00:08:38,110

somebody like me now looking back on it

198

00:08:42,510 --> 00:08:40,120

somebody who's spent more than a decade

199

00:08:45,600 --> 00:08:42,520

researching and writing about UFO

200

00:08:47,580 --> 00:08:45,610

and really looking into strange things

201  
00:08:50,430 --> 00:08:47,590  
in the sky and not so strange things in

202  
00:08:51,630 --> 00:08:50,440  
the sky to learn what is up there what

203  
00:08:53,790 --> 00:08:51,640  
isn't up there and what things should

204  
00:08:55,800 --> 00:08:53,800  
look like in the sky if I were to see

205  
00:08:58,800 --> 00:08:55,810  
those things that night was really

206  
00:09:02,340 --> 00:08:58,810  
bizarre for me so I grew up in rural

207  
00:09:05,790 --> 00:09:02,350  
Arizona on the far west side of the

208  
00:09:09,030 --> 00:09:05,800  
Phoenix metro area nothing around very

209  
00:09:10,860 --> 00:09:09,040  
remote area just out in the desert so on

210  
00:09:12,840 --> 00:09:10,870  
and I spent a lot of time outside and

211  
00:09:15,270 --> 00:09:12,850  
specifically camping too because there

212  
00:09:18,960 --> 00:09:15,280  
was nothing else for me to do a very

213  
00:09:20,340 --> 00:09:18,970

very sad childhood so it's been a lot of

214

00:09:23,100 --> 00:09:20,350

time outside and I'm just walking around

215

00:09:26,130 --> 00:09:23,110

our property that night and happened to

216

00:09:28,230 --> 00:09:26,140

notice this series of seven lights just

217

00:09:30,780 --> 00:09:28,240

hovering what seemed to be directly

218

00:09:33,090 --> 00:09:30,790

overhead they weren't moving they

219

00:09:36,510 --> 00:09:33,100

weren't making any sound

220

00:09:39,180 --> 00:09:36,520

they weren't altering it all in their

221

00:09:41,550 --> 00:09:39,190

luminosity or anything they were just

222

00:09:45,270 --> 00:09:41,560

these solid lights that were there in

223

00:09:49,260 --> 00:09:45,280

the sky above my head so I watched them

224

00:09:53,310 --> 00:09:49,270

for a while and I was pretty fascinated

225

00:09:55,380 --> 00:09:53,320

but I was also a teenager with a short

226

00:09:57,930 --> 00:09:55,390

attention span so after watching these

227

00:10:01,410 --> 00:09:57,940

things for a while I got bored and I

228

00:10:03,920 --> 00:10:01,420

went back inside what came out sometime

229

00:10:08,070 --> 00:10:03,930

later those lights were still there and

230

00:10:09,480 --> 00:10:08,080

at some point I my brain started working

231

00:10:11,640 --> 00:10:09,490

properly and I got the video camera and

232

00:10:14,880 --> 00:10:11,650

started recording these things these

233

00:10:16,410 --> 00:10:14,890

lights were what seemed to be over our

234

00:10:18,210 --> 00:10:16,420

property I mean they were pretty high up

235

00:10:20,340 --> 00:10:18,220

not that high up but pretty high up but

236

00:10:23,160 --> 00:10:20,350

they were they were in the sky there for

237

00:10:26,100 --> 00:10:23,170

what I estimate and again this is 1997 I

238

00:10:28,470 --> 00:10:26,110

don't remember precisely but I like to

239

00:10:30,570 --> 00:10:28,480

say about 45 minutes these lights were

240

00:10:34,170 --> 00:10:30,580

in the sky I was very familiar with

241

00:10:36,540 --> 00:10:34,180

military flares because I grew up where

242

00:10:38,610 --> 00:10:36,550

I had line-of-sight to the Barry

243

00:10:42,090 --> 00:10:38,620

Goldwater test range which is where they

244

00:10:44,610 --> 00:10:42,100

frequently would drop military flares I

245

00:10:46,800 --> 00:10:44,620

saw these things all the time and knew

246

00:10:49,230 --> 00:10:46,810

what military flares look like and saw

247

00:10:52,020 --> 00:10:49,240

them quite frequently what I saw was not

248

00:10:55,170 --> 00:10:52,030

military flares what I saw I have no

249

00:10:56,050 --> 00:10:55,180

idea what could possibly explain what I

250

00:10:57,940 --> 00:10:56,060

saw

251  
00:10:59,860 --> 00:10:57,950  
even to this day looking back you know

252  
00:11:01,630 --> 00:10:59,870  
with hindsight knowing what I know now

253  
00:11:05,670 --> 00:11:01,640  
with all of my investigation and looking

254  
00:11:08,530 --> 00:11:05,680  
into UFOs specifically I still cannot

255  
00:11:10,140 --> 00:11:08,540  
come up with any logical explanation for

256  
00:11:12,730 --> 00:11:10,150  
what I saw that night

257  
00:11:16,090 --> 00:11:12,740  
yeah the Phoenix lights is probably one

258  
00:11:18,760 --> 00:11:16,100  
of the most famous mass UFO sightings in

259  
00:11:22,090 --> 00:11:18,770  
history and what a lot of people don't

260  
00:11:23,970 --> 00:11:22,100  
really take into consideration is so

261  
00:11:25,930 --> 00:11:23,980  
many people saw this and so many people

262  
00:11:28,180 --> 00:11:25,940  
reported it and so many people were

263  
00:11:30,790 --> 00:11:28,190

affected by it and the official title

264

00:11:34,410 --> 00:11:30,800

for this episode is the power of witness

265

00:11:37,420 --> 00:11:34,420

testimony and I wanted to ask Jason

266

00:11:39,940 --> 00:11:37,430

along with some of you later on what

267

00:11:43,150 --> 00:11:39,950

important witness testimony plays within

268

00:11:45,790 --> 00:11:43,160

the UFO research that we do you can have

269

00:11:48,280 --> 00:11:45,800

dates and times of a UFO event you can

270

00:11:50,890 --> 00:11:48,290

have all the data you want but if you

271

00:11:54,970 --> 00:11:50,900

don't have a witness telling the story

272

00:11:56,680 --> 00:11:54,980

of what they saw or experienced we have

273

00:12:00,010 --> 00:11:56,690

absolutely nothing to work off of

274

00:12:01,330 --> 00:12:00,020

so how important is that Jason sometimes

275

00:12:03,790 --> 00:12:01,340

it's really like you said it's all we

276

00:12:06,250 --> 00:12:03,800

have you know and in the you and I talk

277

00:12:08,530 --> 00:12:06,260

about this a lot but right now you know

278

00:12:10,720 --> 00:12:08,540

people want photos and videos of UFOs

279

00:12:13,030 --> 00:12:10,730

and that's fantastic I would love photos

280

00:12:16,300 --> 00:12:13,040

and videos of UFOs and we see lots of

281

00:12:18,370 --> 00:12:16,310

them all the time however we know that

282

00:12:21,660 --> 00:12:18,380

we live in a time where photos and

283

00:12:24,520 --> 00:12:21,670

videos can be faked very easily you can

284

00:12:26,920 --> 00:12:24,530

pull out an app on your phone and create

285

00:12:30,130 --> 00:12:26,930

a very realistic UFO sighting right out

286

00:12:32,080 --> 00:12:30,140

the window you know so on one hand as a

287

00:12:34,210 --> 00:12:32,090

researcher you want the best photo and

288

00:12:36,580 --> 00:12:34,220

video evidence on the other hand you

289

00:12:38,800 --> 00:12:36,590

know that only counts for so much it

290

00:12:40,930 --> 00:12:38,810

contribute its contributing evidence but

291

00:12:42,760 --> 00:12:40,940

you also know it can be very very very

292

00:12:44,800 --> 00:12:42,770

faked however with the Phoenix lights

293

00:12:46,840 --> 00:12:44,810

specifically I'll point out yes you had

294

00:12:48,070 --> 00:12:46,850

thousands of witnesses and that's you

295

00:12:50,320 --> 00:12:48,080

think about that you're all oh that's

296

00:12:51,880 --> 00:12:50,330

cool thousands of people saw these

297

00:12:54,820 --> 00:12:51,890

lights in the sky or saw it saw a craft

298

00:12:57,460 --> 00:12:54,830

moving across the state that's cool but

299

00:12:59,650 --> 00:12:57,470

then you take it further and you talk

300

00:13:01,900 --> 00:12:59,660

about the governor of the state at that

301

00:13:04,630 --> 00:13:01,910

time you bring the government into it

302

00:13:06,160 --> 00:13:04,640

and at the time yes people when people

303

00:13:09,010 --> 00:13:06,170

think about this they think about how he

304

00:13:09,700 --> 00:13:09,020

publicly sort of ridiculed it on TV he

305

00:13:11,710 --> 00:13:09,710

held a press

306

00:13:13,660 --> 00:13:11,720

francy brought out his staffer in an

307

00:13:16,000 --> 00:13:13,670

alien costume and said we found the

308

00:13:17,560 --> 00:13:16,010

culprit responsible and sort of made a

309

00:13:19,420 --> 00:13:17,570

joke out of it said this just shows you

310

00:13:22,540 --> 00:13:19,430

people are taking it way too seriously

311

00:13:24,340 --> 00:13:22,550

Oh chill out later he went on the record

312

00:13:26,740 --> 00:13:24,350

and said he did that because people are

313

00:13:29,560 --> 00:13:26,750

freaking out he wanted to calm the

314

00:13:31,630 --> 00:13:29,570

public but the biggest thing and again

315

00:13:33,100 --> 00:13:31,640

this comes to witness testimony and the

316

00:13:35,500 --> 00:13:33,110

power of witness testimony when you

317

00:13:37,440 --> 00:13:35,510

bring the government into it this was

318

00:13:40,210 --> 00:13:37,450

the governor of the state of Arizona and

319

00:13:42,700 --> 00:13:40,220

he went on CNN and later some

320

00:13:45,820 --> 00:13:42,710

documentaries to to state that he too

321

00:13:48,100 --> 00:13:45,830

saw the Phoenix lights that night he was

322

00:13:50,590 --> 00:13:48,110

bewildered by them he had been an Air

323

00:13:53,500 --> 00:13:50,600

Force pilot and knew what things look

324

00:13:56,590 --> 00:13:53,510

like in the sky he actively tried to get

325

00:13:58,690 --> 00:13:56,600

answers from the military about what

326

00:14:00,760 --> 00:13:58,700

happened that night they wouldn't give

327

00:14:02,020 --> 00:14:00,770

him any information it wasn't until I

328

00:14:03,490 --> 00:14:02,030

think more than a year later when they

329

00:14:06,070 --> 00:14:03,500

came out and said oh yeah by the way

330

00:14:08,470 --> 00:14:06,080

that was us we dropped flares but their

331

00:14:09,780 --> 00:14:08,480

explanation they gave didn't even align

332

00:14:11,530 --> 00:14:09,790

with the time when the incident happened

333

00:14:13,750 --> 00:14:11,540

but this was the governor of the state

334

00:14:16,330 --> 00:14:13,760

trying to get answers from the air force

335

00:14:19,150 --> 00:14:16,340

base in in Arizona

336

00:14:21,190 --> 00:14:19,160

he couldn't get answers at all and he

337

00:14:24,040 --> 00:14:21,200

also says that not only was he witnessed

338

00:14:25,600 --> 00:14:24,050

that night but what he saw was not of

339

00:14:27,940 --> 00:14:25,610

this earth that's the governor of the

340

00:14:31,480 --> 00:14:27,950

state of Arizona going on record making

341

00:14:33,970 --> 00:14:31,490

that claim so yes it's powerful when you

342

00:14:35,440 --> 00:14:33,980

have thousands of people you know when

343

00:14:37,510 --> 00:14:35,450

you talk about it or read about it

344

00:14:39,550 --> 00:14:37,520

that's just you know number on the paper

345

00:14:41,440 --> 00:14:39,560

when you're reading a story or all oh

346

00:14:44,050 --> 00:14:41,450

yeah thousands of people that's cool but

347

00:14:46,090 --> 00:14:44,060

then when you bring in somebody in a

348

00:14:48,130 --> 00:14:46,100

governmental public service position

349

00:14:50,560 --> 00:14:48,140

like the governor of a state also saying

350

00:14:52,840 --> 00:14:50,570

yeah I saw two and it wasn't from this

351

00:14:54,850 --> 00:14:52,850

planet yeah that's powerful it's very

352

00:14:56,770 --> 00:14:54,860

powerful and I think what's also really

353

00:14:58,810 --> 00:14:56,780

interesting is we both work with a

354

00:15:00,730 --> 00:14:58,820

colleague named Cheryl Costa who wrote a

355

00:15:03,850 --> 00:15:00,740

desk reference book that's literally

356

00:15:06,730 --> 00:15:03,860

like this thick and it goes from oming

357

00:15:08,410 --> 00:15:06,740

oh maybe like two decades of UFO reports

358

00:15:12,400 --> 00:15:08,420

throughout the United States

359

00:15:15,070 --> 00:15:12,410

it goes by I think count from like state

360

00:15:18,570 --> 00:15:15,080

all the way down to County of reported

361

00:15:20,890 --> 00:15:18,580

UFO events in a certain area and it's

362

00:15:22,810 --> 00:15:20,900

amazing to see these graphs and charts

363

00:15:25,300 --> 00:15:22,820

of all this data that

364

00:15:27,940 --> 00:15:25,310

she's brought forward but it also helps

365

00:15:30,400 --> 00:15:27,950

us as UFO researchers to find these

366

00:15:32,080 --> 00:15:30,410

areas these hot beds as we call them of

367

00:15:34,180 --> 00:15:32,090

where all these reports are coming from

368

00:15:35,740 --> 00:15:34,190

so if you have an area in you know

369

00:15:38,770 --> 00:15:35,750

somewhere in California where there's

370

00:15:40,750 --> 00:15:38,780

been seven hundred reports versus

371

00:15:42,940 --> 00:15:40,760

somewhere else in the country that had

372

00:15:45,010 --> 00:15:42,950

two reports we're gonna go to that area

373

00:15:46,540 --> 00:15:45,020

because clearly there's activity going

374

00:15:48,280 --> 00:15:46,550

on there that a lot of people are seeing

375

00:15:49,960 --> 00:15:48,290

and we're going to interview the people

376

00:15:53,770 --> 00:15:49,970

who saw these things and get their

377

00:15:56,980 --> 00:15:53,780

stories so I think while data and all

378

00:15:58,630 --> 00:15:56,990

that is very important it's mixing that

379

00:16:00,700 --> 00:15:58,640

with the story and trying to find

380

00:16:03,100 --> 00:16:00,710

patterns that that really brings

381

00:16:04,900 --> 00:16:03,110

ethology to life you have the people who

382

00:16:07,120 --> 00:16:04,910

work with witnesses and then you have

383

00:16:09,640 --> 00:16:07,130

the people who record the data and I

384

00:16:11,380 --> 00:16:09,650

love UFO data so much so Cheryl's work

385

00:16:13,690 --> 00:16:11,390

is is awesome it's nice to have that

386

00:16:15,880 --> 00:16:13,700

data to point to but you know coming

387

00:16:18,760 --> 00:16:15,890

back to you to witness testimony I love

388

00:16:20,560 --> 00:16:18,770

seeing that being a huge emphasis in the

389

00:16:22,900 --> 00:16:20,570

History Channel's news show unidentified

390

00:16:24,760 --> 00:16:22,910

they really focus on witness testimony

391

00:16:28,360 --> 00:16:24,770

and specifically the witness testimony

392

00:16:30,520 --> 00:16:28,370

of Navy fighter pilots and and Navy

393

00:16:33,580 --> 00:16:30,530

service members aboard ships who are

394

00:16:37,150 --> 00:16:33,590

operating radar systems and you know

395

00:16:38,820 --> 00:16:37,160

hearing from service members about UFO

396

00:16:41,110 --> 00:16:38,830

encounters that's also very powerful

397

00:16:44,050 --> 00:16:41,120

absolutely I mean I'm gonna be talking

398

00:16:46,390 --> 00:16:44,060

to one of the Navy radar operators that

399

00:16:49,780 --> 00:16:46,400

was a part of the Nimitz encounter later

400

00:16:51,700 --> 00:16:49,790

this week and already after a phone

401  
00:16:54,130 --> 00:16:51,710  
interview with him he told me flat out

402  
00:16:56,920 --> 00:16:54,140  
like this changed my life it really did

403  
00:16:59,950 --> 00:16:56,930  
I was there to do my job I fell into a

404  
00:17:02,380 --> 00:16:59,960  
UFO event and it's changed every aspect

405  
00:17:05,860 --> 00:17:02,390  
of my life since then so so again about

406  
00:17:10,330 --> 00:17:05,870  
the power of witness testimony you talk

407  
00:17:12,220 --> 00:17:10,340  
a lot to witnesses people who claim to

408  
00:17:14,410 --> 00:17:12,230  
have seen lights in the sky all the way

409  
00:17:16,570 --> 00:17:14,420  
to having a you know encounter

410  
00:17:19,870 --> 00:17:16,580  
experiences abduction experiences things

411  
00:17:22,210 --> 00:17:19,880  
like that and in your case you know I

412  
00:17:24,450 --> 00:17:22,220  
know you've read like emails they've

413  
00:17:27,700 --> 00:17:24,460

written or or read about their stories

414

00:17:30,100 --> 00:17:27,710

ahead of time but how different is it

415

00:17:32,830 --> 00:17:30,110

for you when you actually meet the

416

00:17:33,970 --> 00:17:32,840

person face to face and hear that story

417

00:17:35,000 --> 00:17:33,980

from their mouth

418

00:17:37,280 --> 00:17:35,010

it's a hell

419

00:17:39,980 --> 00:17:37,290

a lot different I mean I get emails on a

420

00:17:41,960 --> 00:17:39,990

daily basis of people saying they saw

421

00:17:43,810 --> 00:17:41,970

something or they experience something

422

00:17:48,230 --> 00:17:43,820

you know in the email is literally like

423

00:17:50,120 --> 00:17:48,240

20 pages long and I would love to answer

424

00:17:51,890 --> 00:17:50,130

every email back and be like yeah I'm

425

00:17:53,750 --> 00:17:51,900

gonna look into your case but it's

426

00:17:56,720 --> 00:17:53,760

daunting they can be very daunting when

427

00:17:58,070 --> 00:17:56,730

you get these sort of correspondence

428

00:18:00,740 --> 00:17:58,080

because I don't know what the hell they

429

00:18:03,860 --> 00:18:00,750

saw I can try to help them along the way

430

00:18:06,860 --> 00:18:03,870

but for me it did come down to when I

431

00:18:08,840 --> 00:18:06,870

decided as a quote-unquote UFO

432

00:18:10,360 --> 00:18:08,850

journalist that I was going to go out

433

00:18:14,440 --> 00:18:10,370

and meet these people having these

434

00:18:18,050 --> 00:18:14,450

experiences and I remember the first

435

00:18:21,530 --> 00:18:18,060

person I met face-to-face I was in

436

00:18:23,480 --> 00:18:21,540

Arizona and I was in a diner and I was

437

00:18:26,270 --> 00:18:23,490

with her and her husband and she was

438

00:18:29,180 --> 00:18:26,280

recalling to me for the very first time

439

00:18:31,340 --> 00:18:29,190

she told anyone about this other than

440

00:18:33,650 --> 00:18:31,350

her husband in experience she had as a

441

00:18:38,350 --> 00:18:33,660

child with what she believes to have

442

00:18:42,260 --> 00:18:38,360

been some sort of non-human entity and

443

00:18:44,690 --> 00:18:42,270

it traumatized her it really did and I

444

00:18:46,820 --> 00:18:44,700

just remember sitting across from her

445

00:18:49,580 --> 00:18:46,830

and her husband and she started crying

446

00:18:52,250 --> 00:18:49,590

and she was holding her husband's hand

447

00:18:54,860 --> 00:18:52,260

and she was like squeezing his hand so

448

00:18:57,200 --> 00:18:54,870

hard she was leaving like permanent

449

00:18:59,120 --> 00:18:57,210

indents in his skin and I was just

450

00:19:01,460 --> 00:18:59,130

watching all these little things in

451

00:19:05,090 --> 00:19:01,470

descriptors as she was telling me this

452

00:19:07,610 --> 00:19:05,100

story and that really impacted me it was

453

00:19:10,190 --> 00:19:07,620

the first time I separated like reading

454

00:19:11,720 --> 00:19:10,200

something on my computer to meeting this

455

00:19:14,960 --> 00:19:11,730

person and hearing their story and

456

00:19:16,880 --> 00:19:14,970

seeing how it affected her and seeing

457

00:19:18,830 --> 00:19:16,890

her husband there with her supporting

458

00:19:21,230 --> 00:19:18,840

her through this and being like you got

459

00:19:23,480 --> 00:19:21,240

this you got this and the fact that I

460

00:19:26,120 --> 00:19:23,490

was the first person she ever told this

461

00:19:27,530 --> 00:19:26,130

to and she told me that she trusted me

462

00:19:28,340 --> 00:19:27,540

with her story that's a big

463

00:19:31,010 --> 00:19:28,350

responsibility

464

00:19:33,710 --> 00:19:31,020

because if I'm going to go on the record

465

00:19:36,440 --> 00:19:33,720

with this story whether it's in a book

466

00:19:38,240 --> 00:19:36,450

form or if she allowed me or gave me

467

00:19:41,720 --> 00:19:38,250

permission to talk about it on a podcast

468

00:19:44,060 --> 00:19:41,730

and uses her name there's no turning

469

00:19:46,780 --> 00:19:44,070

back from there she has kids she has

470

00:19:48,560 --> 00:19:46,790

family she has a community she lives in

471

00:19:51,110 --> 00:19:48,570

everyone is going to

472

00:19:55,670 --> 00:19:51,120

about this now so that really struck me

473

00:19:57,590 --> 00:19:55,680

- is it's not easy for people to come

474

00:20:00,470 --> 00:19:57,600

forward and talk about these things that

475

00:20:02,390 --> 00:20:00,480

you hear at a lien con it is so easy for

476  
00:20:04,160 --> 00:20:02,400  
some people but not for most people and

477  
00:20:05,930 --> 00:20:04,170  
I don't think a lot of people really

478  
00:20:07,820 --> 00:20:05,940  
take into consideration what happens

479  
00:20:11,090 --> 00:20:07,830  
after you come out with that like you

480  
00:20:14,240 --> 00:20:11,100  
look at Travis Walton the fire in the

481  
00:20:17,390 --> 00:20:14,250  
sky alien abduction case or anyone who

482  
00:20:20,540 --> 00:20:17,400  
claims to have been abducted by aliens

483  
00:20:23,840 --> 00:20:20,550  
maybe maybe it's a cool story to tell

484  
00:20:25,700 --> 00:20:23,850  
but after that like everyone's going to

485  
00:20:27,140 --> 00:20:25,710  
judge you after that so you really have

486  
00:20:29,570 --> 00:20:27,150  
to think about like the conviction you

487  
00:20:31,040 --> 00:20:29,580  
have coming forward why you're coming

488  
00:20:33,770 --> 00:20:31,050

forward and for a lot of people it's

489

00:20:35,990 --> 00:20:33,780

just closure just telling somebody they

490

00:20:37,940 --> 00:20:36,000

don't want you to judge them I don't

491

00:20:39,950 --> 00:20:37,950

judge anyone I speak to I think every

492

00:20:42,710 --> 00:20:39,960

story has some sort of value when it

493

00:20:44,900 --> 00:20:42,720

comes to our investigations and it's not

494

00:20:48,770 --> 00:20:44,910

easy it never gets easier right and on

495

00:20:51,140 --> 00:20:48,780

Sunday when we do our recording of the

496

00:20:53,690 --> 00:20:51,150

unknown podcast will specifically be

497

00:20:56,150 --> 00:20:53,700

talking about that ridicule factor that

498

00:20:58,750 --> 00:20:56,160

you mentioned and just the stigma that

499

00:21:02,210 --> 00:20:58,760

still surrounds the UFO topic and

500

00:21:04,280 --> 00:21:02,220

speaking specifically about witness

501  
00:21:07,010 --> 00:21:04,290  
testimony now think about all the

502  
00:21:09,710 --> 00:21:07,020  
stories that we don't hear because of

503  
00:21:11,420 --> 00:21:09,720  
that ridicule factor of people not

504  
00:21:13,820 --> 00:21:11,430  
feeling comfortable to share those

505  
00:21:16,070 --> 00:21:13,830  
stories yeah I mean we know one of our

506  
00:21:18,380 --> 00:21:16,080  
heroes the late Stanton Friedman a

507  
00:21:21,740 --> 00:21:18,390  
nuclear physicist who studied UFOs his

508  
00:21:23,720 --> 00:21:21,750  
entire career he used to go on the

509  
00:21:25,370 --> 00:21:23,730  
lecture circuit he's he's lectured in

510  
00:21:27,530 --> 00:21:25,380  
every continent country you can think of

511  
00:21:29,900 --> 00:21:27,540  
every one of his lectures he starts with

512  
00:21:33,050 --> 00:21:29,910  
them how many people in the audience

513  
00:21:35,120 --> 00:21:33,060

have seen a UFO and like 95% of the

514

00:21:37,220 --> 00:21:35,130

people would raise their hand if they

515

00:21:39,650 --> 00:21:37,230

saw something and then he would ask how

516

00:21:44,510 --> 00:21:39,660

many people reported it and maybe two

517

00:21:47,060 --> 00:21:44,520

hands would go up so that's 95% or

518

00:21:48,650 --> 00:21:47,070

somewhat people who aren't willing to

519

00:21:51,860 --> 00:21:48,660

come forward and report what they saw

520

00:21:54,680 --> 00:21:51,870

well I love using myself as an example

521

00:21:56,780 --> 00:21:54,690

too because like I think I've seen

522

00:21:58,070 --> 00:21:56,790

probably probably about 12 UFOs at this

523

00:22:02,009 --> 00:21:58,080

point

524

00:22:03,359 --> 00:22:02,019

I'm in this field this is what I do how

525

00:22:07,889 --> 00:22:03,369

many of those twelve have I ever

526  
00:22:09,359 --> 00:22:07,899  
reported so I mean yeah it just shows

527  
00:22:10,919 --> 00:22:09,369  
you there's so many out there that

528  
00:22:11,609 --> 00:22:10,929  
aren't aren't reported aren't discussed

529  
00:22:13,680 --> 00:22:11,619  
at all mmm

530  
00:22:16,499 --> 00:22:13,690  
well and another thing too is a lot of

531  
00:22:18,779 --> 00:22:16,509  
people ask us you know skeptics or

532  
00:22:21,029 --> 00:22:18,789  
people who just want answers Alaska's

533  
00:22:22,950 --> 00:22:21,039  
all these people are having UFO

534  
00:22:25,320 --> 00:22:22,960  
sightings or claimed abduction

535  
00:22:28,320 --> 00:22:25,330  
experiences or Close Encounters why is

536  
00:22:29,700 --> 00:22:28,330  
no one taking photos of this like where

537  
00:22:32,700 --> 00:22:29,710  
where's the evidence where's the

538  
00:22:35,519 --> 00:22:32,710

evidence and honestly like we don't have

539

00:22:37,619 --> 00:22:35,529

an answer for that there should be more

540

00:22:40,049 --> 00:22:37,629

photos out there of these things

541

00:22:42,060 --> 00:22:40,059

happening but at the end of the day I

542

00:22:43,829 --> 00:22:42,070

don't know about you but when I was 12

543

00:22:45,539 --> 00:22:43,839

years old and I was staring up at

544

00:22:47,459 --> 00:22:45,549

whatever the hell that thing was in the

545

00:22:49,889 --> 00:22:47,469

sky that I saw I wasn't thinking about

546

00:22:52,739 --> 00:22:49,899

going and getting a camera or taking

547

00:22:56,729 --> 00:22:52,749

photos these things are very very

548

00:22:59,969 --> 00:22:56,739

personal and for me I was alone on that

549

00:23:01,950 --> 00:22:59,979

dock and this was happening just for me

550

00:23:04,379 --> 00:23:01,960

and I wanted to experience that

551  
00:23:06,180 --> 00:23:04,389  
besides being scared shitless I wanted

552  
00:23:08,430 --> 00:23:06,190  
to experience that myself and I you

553  
00:23:11,369 --> 00:23:08,440  
don't think about like oh I need to

554  
00:23:13,529 --> 00:23:11,379  
document this to bring it to - somebody

555  
00:23:15,269 --> 00:23:13,539  
tells right dad yeah and I feel I have

556  
00:23:16,829 --> 00:23:15,279  
to go back to the Phoenix lights because

557  
00:23:19,560 --> 00:23:16,839  
I did mention that I recorded it on

558  
00:23:21,629 --> 00:23:19,570  
video but I then have to say that I

559  
00:23:24,570 --> 00:23:21,639  
think that was recorded over by one of

560  
00:23:27,389 --> 00:23:24,580  
my brother's soccer game so yeah that

561  
00:23:29,759 --> 00:23:27,399  
video doesn't exist well you know you

562  
00:23:31,889 --> 00:23:29,769  
point about photo and video there's

563  
00:23:33,959 --> 00:23:31,899

certainly a lot lots and lots and lots

564

00:23:35,940 --> 00:23:33,969

of photo and video we know that and in

565

00:23:37,560 --> 00:23:35,950

fact when we come to events like this

566

00:23:40,229 --> 00:23:37,570

lots of people share their photos and

567

00:23:42,359 --> 00:23:40,239

videos with us and we see you know

568

00:23:43,799 --> 00:23:42,369

hundreds of these photos and videos

569

00:23:47,729 --> 00:23:43,809

shared with us throughout the years or

570

00:23:50,159 --> 00:23:47,739

throughout the year but that really I

571

00:23:51,959 --> 00:23:50,169

think emphasizes the point of this

572

00:23:53,759 --> 00:23:51,969

episode and that is the power of witness

573

00:23:56,759 --> 00:23:53,769

testimony right because again it comes

574

00:23:58,859 --> 00:23:56,769

back to you yeah a photo can be really

575

00:24:01,169 --> 00:23:58,869

fascinating it can look cool it can look

576  
00:24:04,079 --> 00:24:01,179  
you know very clear it can look bizarre

577  
00:24:09,119 --> 00:24:04,089  
whatever but it's still a photo or video

578  
00:24:10,830 --> 00:24:09,129  
and they can be manipulated they can be

579  
00:24:12,780 --> 00:24:10,840  
faked that can be hoaxed

580  
00:24:14,430 --> 00:24:12,790  
doesn't mean that they are they also can

581  
00:24:16,140 --> 00:24:14,440  
be just missed identifications

582  
00:24:18,330 --> 00:24:16,150  
but really it's still just a photo or

583  
00:24:21,570 --> 00:24:18,340  
video I think when it comes down to it

584  
00:24:23,490 --> 00:24:21,580  
witness testimony to me is a lot more

585  
00:24:25,770 --> 00:24:23,500  
valuable than a photo or video I think

586  
00:24:28,740 --> 00:24:25,780  
so but we also have to play devil's

587  
00:24:30,420 --> 00:24:28,750  
advocate too and remember that a lot of

588  
00:24:34,200 --> 00:24:30,430

these events happen to people 20 30

589

00:24:37,680 --> 00:24:34,210

years exactly memory is not perfect and

590

00:24:39,210 --> 00:24:37,690

I know for me there are very specific

591

00:24:41,880 --> 00:24:39,220

things I remember about that night and

592

00:24:43,980 --> 00:24:41,890

things I don't remember at all I don't

593

00:24:46,380 --> 00:24:43,990

know when you saw the Phoenix lights I

594

00:24:48,270 --> 00:24:46,390

mean for you was it as clear as day

595

00:24:50,040 --> 00:24:48,280

could you say how high this thing was

596

00:24:52,560 --> 00:24:50,050

how big it was absolutely not

597

00:24:55,080 --> 00:24:52,570

yeah absolutely not I mean it was a

598

00:24:56,970 --> 00:24:55,090

tremendous event in my life for sure I

599

00:24:59,730 --> 00:24:56,980

remember I remember how you know

600

00:25:01,860 --> 00:24:59,740

fascinated I was how exciting it was how

601  
00:25:05,250 --> 00:25:01,870  
just bewildered I was what I was seeing

602  
00:25:07,590 --> 00:25:05,260  
but I always try to preface it when I

603  
00:25:10,320 --> 00:25:07,600  
tell that story that we're talking about

604  
00:25:12,420 --> 00:25:10,330  
something that happened in 1997 I'm not

605  
00:25:14,190 --> 00:25:12,430  
going to pretend that I know that I

606  
00:25:16,560 --> 00:25:14,200  
remember every little detail

607  
00:25:18,780 --> 00:25:16,570  
I don't even clearly remember seeing

608  
00:25:20,280 --> 00:25:18,790  
seven lights just after telling the

609  
00:25:23,160 --> 00:25:20,290  
story so many times and thinking back

610  
00:25:24,510 --> 00:25:23,170  
that that's what I see in my mind but

611  
00:25:25,710 --> 00:25:24,520  
could it have been more could it have

612  
00:25:27,530 --> 00:25:25,720  
been less absolutely

613  
00:25:30,030 --> 00:25:27,540

I'm not going to state with certainty

614

00:25:31,590 --> 00:25:30,040

you know the details that happen I'm

615

00:25:33,240 --> 00:25:31,600

going to say I'm pretty sure this

616

00:25:36,060 --> 00:25:33,250

happened where this is how I remember it

617

00:25:37,230 --> 00:25:36,070

but I know how fallible memory is so you

618

00:25:38,970 --> 00:25:37,240

have to keep that in mind with these

619

00:25:40,770 --> 00:25:38,980

cases that you know you're talking about

620

00:25:43,170 --> 00:25:40,780

things that happen so long ago I mean I

621

00:25:44,250 --> 00:25:43,180

know we went in and got a drink last

622

00:25:49,020 --> 00:25:44,260

night and had dinner I don't remember

623

00:25:50,790 --> 00:25:49,030

what I got for dinner so I remember fine

624

00:25:53,310 --> 00:25:50,800

details for something that happened back

625

00:25:55,140 --> 00:25:53,320

in 1997 yeah yeah it's fascinating and I

626

00:25:56,910 --> 00:25:55,150

think it really brings a human element

627

00:26:00,480 --> 00:25:56,920

to all this as well as perception I

628

00:26:02,910 --> 00:26:00,490

spoke to a woman in Michigan who had a

629

00:26:05,430 --> 00:26:02,920

triangular UFO sighting over her house

630

00:26:07,170 --> 00:26:05,440

and she went out to walk her dogs dogs

631

00:26:08,730 --> 00:26:07,180

would not go off the porch that night

632

00:26:09,270 --> 00:26:08,740

they'd never done anything like that

633

00:26:11,250 --> 00:26:09,280

before

634

00:26:14,220 --> 00:26:11,260

clearly she thought there was something

635

00:26:15,840 --> 00:26:14,230

out there so she walks down into the

636

00:26:17,760 --> 00:26:15,850

lawn she's looking around there's

637

00:26:21,510 --> 00:26:17,770

nothing the dog still won't leave the

638

00:26:23,640 --> 00:26:21,520

porch and they start barking and they're

639

00:26:27,150 --> 00:26:23,650

barking like up like bark

640

00:26:29,190 --> 00:26:27,160

upward so she looks up and she sees this

641

00:26:32,490 --> 00:26:29,200

massive triangular thing over her house

642

00:26:34,920 --> 00:26:32,500

and she's just staring up at it and then

643

00:26:36,480 --> 00:26:34,930

she screams for her daughter to come out

644

00:26:38,250 --> 00:26:36,490

and look at this thing with her like am

645

00:26:40,500 --> 00:26:38,260

I crazy are you seeing this

646

00:26:44,040 --> 00:26:40,510

her daughter comes out they're both now

647

00:26:47,370 --> 00:26:44,050

staring up at this triangle and the mom

648

00:26:50,400 --> 00:26:47,380

is telling her daughter like oh my god

649

00:26:51,870 --> 00:26:50,410

it's so silent it's beautiful like do

650

00:26:53,760 --> 00:26:51,880

you feel that I like I almost feel

651  
00:26:55,680 --> 00:26:53,770  
euphoric if she looks over at her

652  
00:26:57,630 --> 00:26:55,690  
daughter and her daughter's covering her

653  
00:27:00,990 --> 00:26:57,640  
ears and be like I can't hear you it's

654  
00:27:02,550 --> 00:27:01,000  
so loud and her daughter felt like

655  
00:27:05,010 --> 00:27:02,560  
immediate threat from whatever was up

656  
00:27:07,200 --> 00:27:05,020  
there so perception plays a key role too

657  
00:27:08,370 --> 00:27:07,210  
I think these people these mother and

658  
00:27:10,380 --> 00:27:08,380  
daughter they were looking at the same

659  
00:27:12,540 --> 00:27:10,390  
exact thing but having completely

660  
00:27:15,540 --> 00:27:12,550  
different experiences in that moment and

661  
00:27:18,720 --> 00:27:15,550  
that really fascinated me you mentioned

662  
00:27:19,920 --> 00:27:18,730  
dogs and I've got to say man like

663  
00:27:22,500 --> 00:27:19,930

witness testimony

664

00:27:25,380 --> 00:27:22,510

one day when we can actually talk to

665

00:27:27,120 --> 00:27:25,390

dogs I want to talk to talks about UFOs

666

00:27:28,200 --> 00:27:27,130

because there are so many UFO sightings

667

00:27:30,690 --> 00:27:28,210

stories

668

00:27:32,580 --> 00:27:30,700

did involve dogs you know people were

669

00:27:35,760 --> 00:27:32,590

alerted by their dogs about something in

670

00:27:37,380 --> 00:27:35,770

the sky or they actually are the reason

671

00:27:38,880 --> 00:27:37,390

for a lot of sightings too because a lot

672

00:27:40,470 --> 00:27:38,890

of sightings reported or people when

673

00:27:41,520 --> 00:27:40,480

they're all walking their dogs you know

674

00:27:44,400 --> 00:27:41,530

that's when you're out looking at the

675

00:27:48,180 --> 00:27:44,410

sky so I think dogs have a lot to say it

676

00:27:51,120 --> 00:27:48,190

like safe dogs want to talk to dog well

677

00:27:53,820 --> 00:27:51,130

I want to maybe talk to any of you guys

678

00:27:55,290 --> 00:27:53,830

out there we're sort of on the second

679

00:27:57,900 --> 00:27:55,300

half here and we did want to open it

680

00:28:00,240 --> 00:27:57,910

open it up to anyone if you feel

681

00:28:03,210 --> 00:28:00,250

comfortable sharing something with us up

682

00:28:05,010 --> 00:28:03,220

here whether it's like a UFO sighting

683

00:28:07,440 --> 00:28:05,020

please feel free to come up to the mic

684

00:28:10,140 --> 00:28:07,450

otherwise we'll just we'll keep we'll

685

00:28:12,750 --> 00:28:10,150

keep talking but yeah yeah you're in a

686

00:28:14,820 --> 00:28:12,760

safe place and no one's here to judge

687

00:28:16,440 --> 00:28:14,830

you so yeah if you'd like please feel

688

00:28:17,940 --> 00:28:16,450

free to come up yeah you come up to the

689

00:28:21,090 --> 00:28:17,950

microphone and form a line if somebody's

690

00:28:23,250 --> 00:28:21,100

there and we'll we'll get to you I want

691

00:28:24,660 --> 00:28:23,260

to mention that I brought up on Sunday

692

00:28:26,790 --> 00:28:24,670

how we're going to be doing a live

693

00:28:30,480 --> 00:28:26,800

recording of another UFO podcast called

694

00:28:32,310 --> 00:28:30,490

unknown and focusing on the ridicule

695

00:28:34,620 --> 00:28:32,320

factor and how people are uncomfortable

696

00:28:35,910 --> 00:28:34,630

sharing their stories and during that

697

00:28:38,490 --> 00:28:35,920

recording I'm going

698

00:28:42,660 --> 00:28:38,500

- for the first time play a recording

699

00:28:44,910 --> 00:28:42,670

that I have of a college professor at

700

00:28:47,970 --> 00:28:44,920

one of the largest public universities

701  
00:28:49,740 --> 00:28:47,980  
in the country who I happen to be doing

702  
00:28:53,250 --> 00:28:49,750  
an interview with on something totally

703  
00:28:57,150 --> 00:28:53,260  
not related to UFOs and he happened to

704  
00:28:59,790 --> 00:28:57,160  
see my book I wrote a book about UFOs

705  
00:29:01,200 --> 00:28:59,800  
and that book was was on my desk he

706  
00:29:04,200 --> 00:29:01,210  
happened to notice it out of the corner

707  
00:29:07,080 --> 00:29:04,210  
of his eye and he had to ask me about it

708  
00:29:08,730 --> 00:29:07,090  
he said so I see that book what is that

709  
00:29:10,410 --> 00:29:08,740  
and I explained to him that you know

710  
00:29:12,690 --> 00:29:10,420  
this is something I've done for more

711  
00:29:15,440 --> 00:29:12,700  
than a decade and wrote a book on it but

712  
00:29:18,930 --> 00:29:15,450  
on TV talk about UFOs all the time and

713  
00:29:21,600 --> 00:29:18,940

when he had that little intro he knew

714

00:29:23,510 --> 00:29:21,610

the gate was open and he just chimed in

715

00:29:27,330 --> 00:29:23,520

well I've seen the UFO

716

00:29:29,730 --> 00:29:27,340

oh that's great and so he started

717

00:29:31,590 --> 00:29:29,740

telling me his story and I had because I

718

00:29:33,720 --> 00:29:31,600

had him set up for an interview I was

719

00:29:36,780 --> 00:29:33,730

recording the whole time and it was a

720

00:29:37,800 --> 00:29:36,790

fascinating fascinating sighting that I

721

00:29:39,900 --> 00:29:37,810

can't wait for you to hear because you

722

00:29:42,990 --> 00:29:39,910

haven't heard this either and it's a

723

00:29:45,630 --> 00:29:43,000

fascinating story from a college

724

00:29:47,340 --> 00:29:45,640

professor and after and when I

725

00:29:48,870 --> 00:29:47,350

remembered that I'd been recorded this

726  
00:29:51,240 --> 00:29:48,880  
recording this whole thing and I wanted

727  
00:29:54,060 --> 00:29:51,250  
to use that on the podcast I asked him

728  
00:29:56,580 --> 00:29:54,070  
if it was ok if I use that in my podcast

729  
00:29:58,860 --> 00:29:56,590  
and he thought about it for a bit and he

730  
00:30:01,950 --> 00:29:58,870  
said yes

731  
00:30:04,830 --> 00:30:01,960  
that'll be fine but don't use my name

732  
00:30:07,410 --> 00:30:04,840  
yeah don't say where I work yeah because

733  
00:30:08,910 --> 00:30:07,420  
he didn't want people being able to

734  
00:30:12,360 --> 00:30:08,920  
figure out that it was him telling this

735  
00:30:16,170 --> 00:30:12,370  
story and this is he's actually retired

736  
00:30:18,390 --> 00:30:16,180  
now so an emeritus professor at a major

737  
00:30:21,030 --> 00:30:18,400  
university what does he care you know

738  
00:30:23,820 --> 00:30:21,040

his career is essentially over he's

739

00:30:25,470 --> 00:30:23,830

retired and you know certainly tenured

740

00:30:27,480 --> 00:30:25,480

faculty they're not worried all that

741

00:30:28,560 --> 00:30:27,490

much about their jobs they can kind of

742

00:30:30,090 --> 00:30:28,570

do their own research talk about

743

00:30:32,760 --> 00:30:30,100

whatever they want and they have that

744

00:30:33,750 --> 00:30:32,770

protection but still to this day and

745

00:30:37,170 --> 00:30:33,760

this is something that happened back in

746

00:30:39,570 --> 00:30:37,180

the 70s I think he still had never told

747

00:30:44,680 --> 00:30:39,580

anybody about it and didn't want his

748

00:30:49,480 --> 00:30:46,499

[Music]

749

00:30:52,629 --> 00:30:49,490

they've been seen all over our planet

750

00:30:55,749 --> 00:30:52,639

somewhere in the skies I'm talking about

751  
00:30:58,149 --> 00:30:55,759  
flying saucers hey guys Ryan sprek here

752  
00:31:01,379 --> 00:30:58,159  
and I'm excited to tell you about saucer

753

their t-shirts and their crewneck

760  
00:31:25,810 --> 00:31:23,779  
sweater and I am rocking them like crazy

761  
00:31:27,489 --> 00:31:25,820  
here in New York City people are

762  
00:31:30,090 --> 00:31:27,499  
starting to ask me about it and they're

763  
00:31:33,279 --> 00:31:30,100

even starting to look up into the skies

764

00:31:35,710 --> 00:31:33,289

saucer products are sustainably made in

765

show everyone that you believe and get

770

00:31:53,529 --> 00:31:50,480

your saucer gear now that's the saucer

771

00:32:00,210 --> 00:31:53,539

brand comm keep looking somewhere in the

772

00:32:04,629 --> 00:32:03,249

so you know the ridicule factor is

773

00:32:06,310 --> 00:32:04,639

strong and people still fill that and

774

00:32:08,379 --> 00:32:06,320

fill the hesitation when sharing that

775

00:32:11,139 --> 00:32:08,389

story and certainly publicly it's not

776

00:32:14,049 --> 00:32:11,149

easy I can't tell you like how many

777

00:32:17,200 --> 00:32:14,059

second dates I lost in my time bringing

778

00:32:18,669 --> 00:32:17,210

up UFOs or that I studied this sort of

779

00:32:22,299 --> 00:32:18,679

thing but that's another amazing thing

780

00:32:24,909 --> 00:32:22,309

about alien con is because this is like

781

00:32:26,919 --> 00:32:24,919

a perfect environment for talking about

782

00:32:29,169 --> 00:32:26,929

these topics like nothing is weird or

783

00:32:32,230 --> 00:32:29,179

off-limits here like you're among like

784

00:32:34,029 --> 00:32:32,240

fellow weirdos in the best way like this

785

00:32:35,440 --> 00:32:34,039

stuff is not weird this is our life and

786

00:32:37,239 --> 00:32:35,450

we love talking about it and sharing

787

00:32:39,430 --> 00:32:37,249

stories and that's the best thing for me

788

00:32:41,139 --> 00:32:39,440

about this entire weekend is just having

789

00:32:44,019 --> 00:32:41,149

that ability to talk to people and

790

00:32:46,389 --> 00:32:44,029

listen to people because a lot of people

791

00:32:47,859 --> 00:32:46,399

I know who come to this event they've

792

00:32:49,779 --> 00:32:47,869

never talked about this subject before

793

00:32:51,909 --> 00:32:49,789

or they don't have anybody in their

794

00:32:53,919 --> 00:32:51,919

personal lives who they can talk about

795

00:32:55,899 --> 00:32:53,929

this stuff with so this is just

796

00:33:03,369 --> 00:32:55,909

fantastic weekend for that I love it

797

00:33:10,509 --> 00:33:06,690

if you want you don't have any I'm Jane

798

00:33:12,430 --> 00:33:10,519

I I think I might have mentioned his

799

00:33:15,340 --> 00:33:12,440

story to some people before but it's

800

00:33:19,149 --> 00:33:15,350

kind of mysterious to me because it

801  
00:33:21,789 --> 00:33:19,159  
doesn't quite fit that mold as I saw you

802  
00:33:26,830 --> 00:33:21,799  
know one thing in the sky but I mean it

803  
00:33:30,810 --> 00:33:26,840  
feels unidentified in the sky didn't uh

804  
00:33:33,669 --> 00:33:30,820  
when I was much younger I remember

805  
00:33:37,029 --> 00:33:33,679  
waking up in the middle of the night for

806  
00:33:39,639 --> 00:33:37,039  
no apparent reason and I was thinking my

807  
00:33:42,279 --> 00:33:39,649  
early teens so I have no reason to be

808  
00:33:43,840 --> 00:33:42,289  
waking up her insomnia or anything but I

809  
00:33:47,169 --> 00:33:43,850  
woke up in the middle of tonight it was

810  
00:33:50,980 --> 00:33:47,179  
maybe 3 a.m. and I remember going to my

811  
00:33:52,720 --> 00:33:50,990  
window again don't have any reason why

812  
00:33:55,119 --> 00:33:52,730  
it was just this kind of thing that I

813  
00:33:56,590 --> 00:33:55,129

was doing almost on autopilot but I

814

00:33:59,529 --> 00:33:56,600

remember going to my window and looking

815

00:34:02,480 --> 00:33:59,539

out and there was there was a road below

816

00:34:06,890 --> 00:34:02,490

and absolutely nothing was going

817

00:34:09,500 --> 00:34:06,900

is totally quiet um and then after

818

00:34:12,590 --> 00:34:09,510

looking out the window for a split

819

00:34:16,580 --> 00:34:12,600

second the entire sky that I could see

820

00:34:19,490 --> 00:34:16,590

went red and it was the kind of red that

821

00:34:22,669 --> 00:34:19,500

would see if a car it puts on the brake

822

00:34:26,629 --> 00:34:22,679

lights that red is sort of glowing red

823

00:34:31,669 --> 00:34:26,639

but there was the entire sky and I I

824

00:34:33,859 --> 00:34:31,679

remember looking at it going huh I

825

00:34:36,260 --> 00:34:33,869

thought it was pulling out but it just

826

00:34:40,690 --> 00:34:36,270

it the whole style sort of stains that

827

00:34:43,820 --> 00:34:40,700

color and it stayed that way for about

828

00:34:45,800 --> 00:34:43,830

enough that I was kind of processing

829

00:34:49,030 --> 00:34:45,810

every sort of thing it could be and they

830

00:34:52,790 --> 00:34:49,040

kind of just staring baffles and then

831

00:34:57,440 --> 00:34:52,800

you know without any sort of fanfare it

832

00:35:00,700 --> 00:34:57,450

just and it's something I think about

833

00:35:03,260 --> 00:35:00,710

some time to time because if there's no

834

00:35:05,610 --> 00:35:03,270

good ending to that story it was just

835

00:35:10,420 --> 00:35:05,620

this weird phenomenon that have

836

00:35:12,220 --> 00:35:10,430

never happened together yeah yeah every

837

00:35:15,010 --> 00:35:12,230

stray that's a really good point there's

838

00:35:17,560 --> 00:35:15,020

no end to the story there never is like

839

00:35:20,290 --> 00:35:17,570

tons of yeah usually uh yeah like these

840

00:35:23,200 --> 00:35:20,300

things happen there's no explanation and

841

00:35:25,420 --> 00:35:23,210

you search for answers to it for the

842

00:35:27,670 --> 00:35:25,430

rest of your life racially which is

843

00:35:29,470 --> 00:35:27,680

frustrating in some aspects is in

844

00:35:31,750 --> 00:35:29,480

frustration lots of head-scratching a

845

00:35:33,610 --> 00:35:31,760

lot of head-scratching yeah in like when

846

00:35:36,190 --> 00:35:33,620

people come to me to tell me their story

847

00:35:37,930 --> 00:35:36,200

I try to tell them I'm not gonna solve

848

00:35:40,090 --> 00:35:37,940

this mystery for you but I'm gonna

849

00:35:41,860 --> 00:35:40,100

listen I'm gonna ask you some questions

850

00:35:45,550 --> 00:35:41,870

and let's just talk about it because

851  
00:35:48,970 --> 00:35:45,560  
we're not experts we're you know we are

852  
00:35:51,430 --> 00:35:48,980  
UFO researchers but we're in no way UFO

853  
00:35:54,970 --> 00:35:51,440  
experts we don't know what is going on

854  
00:35:57,310 --> 00:35:54,980  
out there we we try to bring theories

855  
00:35:59,320 --> 00:35:57,320  
forward we try to bring testimony

856  
00:36:01,300 --> 00:35:59,330  
forward but yeah at the end of the day

857  
00:36:04,660 --> 00:36:01,310  
like no one no one knows what's really

858  
00:36:08,440 --> 00:36:04,670  
going on so whatever that was whatever

859  
00:36:10,300 --> 00:36:08,450  
phenomena like happened that night you

860  
00:36:11,730 --> 00:36:10,310  
might be asking yourself what it is for

861  
00:36:15,220 --> 00:36:11,740  
the rest of your life

862  
00:36:16,300 --> 00:36:15,230  
sorry that's frustrating thank you for

863  
00:36:17,890 --> 00:36:16,310

sharing Jane appreciative

864

00:36:20,650 --> 00:36:17,900

so another thing with the witness

865

00:36:22,810 --> 00:36:20,660

testimony the power of that and how that

866

00:36:26,260 --> 00:36:22,820

helps with UFO research and

867

00:36:28,150 --> 00:36:26,270

investigations is we have that testimony

868

00:36:30,060 --> 00:36:28,160

and that brings in the data that you

869

00:36:31,870 --> 00:36:30,070

mentioned you know looking at

870

00:36:34,800 --> 00:36:31,880

commonalities between sightings

871

00:36:37,840 --> 00:36:34,810

different shapes and behaviors in

872

00:36:39,520 --> 00:36:37,850

knowing those commonly reported shapes

873

00:36:42,850 --> 00:36:39,530

and behaviors of these objects in the

874

00:36:44,910 --> 00:36:42,860

sky really help investigators when

875

00:36:47,770 --> 00:36:44,920

they're talking to witnesses or

876

00:36:50,950 --> 00:36:47,780

investigating particular incidents

877

00:36:52,260 --> 00:36:50,960

because they have these sort of boxes

878

00:36:54,610 --> 00:36:52,270

they can go through and check and

879

00:36:57,190 --> 00:36:54,620

categorize these things to help us

880

00:36:59,190 --> 00:36:57,200

better keep track of those objects and

881

00:37:02,370 --> 00:36:59,200

it's interesting if you've been watching

882

00:37:04,840 --> 00:37:02,380

unidentified on the History Channel or

883

00:37:07,240 --> 00:37:04,850

reading really any mainstream media

884

00:37:09,670 --> 00:37:07,250

outlet the past year and a half you know

885

00:37:11,890 --> 00:37:09,680

one of the big stories right now is the

886

00:37:14,620 --> 00:37:11,900

tick-tack UFO and I think because it's

887

00:37:16,240 --> 00:37:14,630

just such a silly thing to say Tic Tacs

888

00:37:17,860 --> 00:37:16,250

so I think the media likes to use that

889

00:37:19,810 --> 00:37:17,870

even though most of the time they'll

890

00:37:21,640 --> 00:37:19,820

the gimbal video and set a tic-tac yeah

891

00:37:22,960 --> 00:37:21,650

because the Kimble video is more

892

00:37:25,390 --> 00:37:22,970

exciting because you have the pilots go

893

00:37:28,270 --> 00:37:25,400

whoa dude what is that likely visit yeah

894

00:37:29,230 --> 00:37:28,280

that's fun but it's usually the gimbal

895

00:37:31,570 --> 00:37:29,240

video with a tic-tac

896

00:37:34,390 --> 00:37:31,580

but tic-tac you know that's a

897

00:37:37,420 --> 00:37:34,400

description of the shape of a UFO and

898

00:37:42,670 --> 00:37:37,430

it's relatively new thanks to that video

899

00:37:44,740 --> 00:37:42,680

but those long elongated UFOs you know

900

00:37:46,510 --> 00:37:44,750

I've gone by many names over the

901  
00:37:49,210 --> 00:37:46,520  
years you know for the longest time we

902  
00:37:51,280 --> 00:37:49,220  
heard a lot about cigar-shaped UFOs what

903  
00:37:52,540 --> 00:37:51,290  
we have you know rectangle UFOs and

904  
00:37:55,000 --> 00:37:52,550  
different things like that

905  
00:37:56,710 --> 00:37:55,010  
so it's good to you know sort of come up

906  
00:37:59,380 --> 00:37:56,720  
with a standard and that's I think a

907  
00:38:02,050 --> 00:37:59,390  
challenge that investigators have trying

908  
00:38:03,880 --> 00:38:02,060  
to determine if when somebody says a

909  
00:38:07,150 --> 00:38:03,890  
tic-tac is that the same thing as a

910  
00:38:08,230 --> 00:38:07,160  
cigar right you know and certainly one

911  
00:38:11,320 --> 00:38:08,240  
makes your breath smell better than

912  
00:38:12,550 --> 00:38:11,330  
others right yeah but you know you've

913  
00:38:14,440 --> 00:38:12,560

got these things trying to make

914

00:38:17,020 --> 00:38:14,450

investigation easier and make that data

915

00:38:19,000 --> 00:38:17,030

more consistent and it's challenging

916

00:38:21,370 --> 00:38:19,010

because those UFO descriptions have

917

00:38:23,320 --> 00:38:21,380

changed over the years when perhaps the

918

00:38:26,830 --> 00:38:23,330

UFOs might not have you know necessarily

919

00:38:30,820 --> 00:38:26,840

I as a UFO journalist I always loved

920

00:38:32,770 --> 00:38:30,830

especially reading accounts from the UK

921

00:38:35,650 --> 00:38:32,780

and hearing some of the things they

922

00:38:38,650 --> 00:38:35,660

would describe their their UFOs UFOs as

923

00:38:39,100 --> 00:38:38,660

they had a remember the the Dudley

924

00:38:41,590 --> 00:38:39,110

Dorito

925

00:38:43,510 --> 00:38:41,600

you know this triangle shaped UFO that

926  
00:38:46,480 --> 00:38:43,520  
is regularly seen over there they called

927  
00:38:48,790 --> 00:38:46,490  
it a Dorito mm-hmm shaped like a Dorito

928  
00:38:50,380 --> 00:38:48,800  
we're also hamburger shaped UFOs that

929  
00:38:52,960 --> 00:38:50,390  
was one of my favorites but there have

930  
00:38:54,790 --> 00:38:52,970  
been some interesting descriptions for

931  
00:38:56,680 --> 00:38:54,800  
UFO shapes over the years and we get

932  
00:38:59,320 --> 00:38:56,690  
that from witness testimony yeah yeah

933  
00:39:01,480 --> 00:38:59,330  
it's no longer just saucers like people

934  
00:39:01,930 --> 00:39:01,490  
are seeing just the weirdest things out

935  
00:39:07,180 --> 00:39:01,940  
there

936  
00:39:08,110 --> 00:39:07,190  
how's it going I think it was about

937  
00:39:10,810 --> 00:39:08,120  
three

938  
00:39:12,370 --> 00:39:10,820

years ago let me just preface it

939

00:39:16,420 --> 00:39:12,380

definitely you know I was always

940

00:39:18,250 --> 00:39:16,430

interested in healing I think I was just

941

00:39:23,760 --> 00:39:18,260

regular fascinated like same chemist

942

00:39:27,070 --> 00:39:23,770

sci-fi herself I was about three four

943

00:39:29,470 --> 00:39:27,080

summers ago it was the weekend right

944

00:39:31,300 --> 00:39:29,480

before fourth of July cycle on the

945

00:39:35,530 --> 00:39:31,310

channel village whichever day fourth of

946

00:39:37,810 --> 00:39:35,540

July on Monday was that summer I live in

947

00:39:42,550 --> 00:39:37,820

Los Angeles just outside of just like in

948

00:39:46,420 --> 00:39:42,560

East LA it was a Saturday afternoon so I

949

00:39:48,730 --> 00:39:46,430

had to run some errands it was it was

950

00:39:50,740 --> 00:39:48,740

midday it was around noon so our number

951  
00:39:52,690 --> 00:39:50,750  
one I jumped in my car because I saw

952  
00:39:55,300 --> 00:39:52,700  
something on the freeway there was

953  
00:39:58,690 --> 00:39:55,310  
around 12:15 right in the middle of day

954  
00:40:01,000 --> 00:39:58,700  
it was really sunny my mind wasn't on

955  
00:40:04,600 --> 00:40:01,010  
seeing anything in the sky and I wasn't

956  
00:40:07,330 --> 00:40:04,610  
anything out of the ordinary I was just

957  
00:40:09,970 --> 00:40:07,340  
interested to do my errands and to come

958  
00:40:11,560 --> 00:40:09,980  
to come back home so I jump on the

959  
00:40:15,010 --> 00:40:11,570  
freeway and I'm not sure if anybody back

960  
00:40:17,920 --> 00:40:15,020  
here is familiar but I live in El Sereno

961  
00:40:21,210 --> 00:40:17,930  
so I took the ten out of ten East so I'm

962  
00:40:25,510 --> 00:40:21,220  
traveling past Alhambra one toward like

963  
00:40:27,790 --> 00:40:25,520

in that area so once I jumped on the

964

00:40:31,600 --> 00:40:27,800

freeway there was some traffic which I

965

00:40:33,640 --> 00:40:31,610

usually anticipated I Drive a sports car

966

00:40:35,980 --> 00:40:33,650

so I'm kind of like my routine goes on

967

00:40:36,819 --> 00:40:35,990

the event fast lane outrun everybody

968

00:40:39,670 --> 00:40:36,829

again

969

00:40:43,209 --> 00:40:39,680

trying to come home and quit so I do

970

00:40:45,069 --> 00:40:43,219

that I have about a quarter of a mile

971

00:40:46,630 --> 00:40:45,079

before I notice because there's a

972

00:40:48,880 --> 00:40:46,640

straightaway at that point of the Tempe

973

00:40:50,440 --> 00:40:48,890

way if there's a bright light kind of

974

00:40:51,789 --> 00:40:50,450

like shining toward me so you know I

975

00:40:57,099 --> 00:40:51,799

didn't think anything again I'm looking

976  
00:40:58,809 --> 00:40:57,109  
at the traffic I'm approaching the light

977  
00:41:00,849 --> 00:40:58,819  
I'm kind of driving toward it so that

978  
00:41:02,289 --> 00:41:00,859  
was weird so I'm thinking well you know

979  
00:41:04,420 --> 00:41:02,299  
there's a trans sorry

980  
00:41:07,120 --> 00:41:04,430  
maybe there's a train coming I don't

981  
00:41:09,519 --> 00:41:07,130  
know what so again I'm kind of driving a

982  
00:41:10,989 --> 00:41:09,529  
little bit quickly so I'm approaching

983  
00:41:13,180 --> 00:41:10,999  
the light and I realize that the light's

984  
00:41:17,469 --> 00:41:13,190  
not traveling away it's actually

985  
00:41:19,150 --> 00:41:17,479  
stationary and I'm approaching it so as

986  
00:41:20,949 --> 00:41:19,160  
I got closer that's when it started to

987  
00:41:22,719 --> 00:41:20,959  
get really really confusing because all

988  
00:41:25,089 --> 00:41:22,729

the cars around me it seemed I think

989

00:41:26,739 --> 00:41:25,099

they had to see it as well because I

990

00:41:28,900 --> 00:41:26,749

found myself that I was the only one

991

00:41:30,849 --> 00:41:28,910

that was I think everybody started to

992

00:41:33,400 --> 00:41:30,859

break at this point when I was

993

00:41:35,229 --> 00:41:33,410

approaching I let my foot off the gas so

994

00:41:37,150 --> 00:41:35,239

I was letting the car momentum so I must

995

00:41:39,219 --> 00:41:37,160

have been going maybe about 40 miles an

996

00:41:42,729 --> 00:41:39,229

hour so when I was approaching what I

997

00:41:44,410 --> 00:41:42,739

saw I was alone everybody else was about

998

00:41:46,569 --> 00:41:44,420

maybe about at least a hundred feet

999

00:41:49,779 --> 00:41:46,579

behind me maybe more because I think

1000

00:41:51,370 --> 00:41:49,789

they were also alarmed also so in

1001  
00:41:53,019 --> 00:41:51,380  
essence what I'm saying is that I saw a

1002  
00:41:55,209 --> 00:41:53,029  
light on the freeway in broad daylight

1003  
00:41:57,309 --> 00:41:55,219  
during the summer time and as I

1004  
00:42:00,039 --> 00:41:57,319  
approached it I saw a light at least a

1005  
00:42:03,099 --> 00:42:00,049  
mile away so it was a bright almost LED

1006  
00:42:04,509 --> 00:42:03,109  
white color so as I approached our

1007  
00:42:07,269 --> 00:42:04,519  
started to see a shape of what was

1008  
00:42:09,579 --> 00:42:07,279  
giving off this light and it was kind of

1009  
00:42:11,589 --> 00:42:09,589  
scary at first because I didn't know

1010  
00:42:14,079 --> 00:42:11,599  
what it was I wasn't expecting anything

1011  
00:42:16,479 --> 00:42:14,089  
I was like well is this a helicopter is

1012  
00:42:18,430 --> 00:42:16,489  
it a train is it a car they got turned

1013  
00:42:19,989 --> 00:42:18,440

around on you know my mind is going a

1014

00:42:22,229 --> 00:42:19,999

little quickly am i look at the speed do

1015

00:42:25,479 --> 00:42:22,239

I have to you know swerve out of the way

1016

00:42:27,519 --> 00:42:25,489

no it was it was just there so as I

1017

00:42:31,029 --> 00:42:27,529

approached what I what I could describe

1018

00:42:33,759 --> 00:42:31,039

was it was this it was spherical so it

1019

00:42:35,680 --> 00:42:33,769

was circular it was the size of like

1020

00:42:38,589 --> 00:42:35,690

let's say an NBA regulation basketball

1021

00:42:41,469 --> 00:42:38,599

so it wasn't that big it was silver in

1022

00:42:44,349 --> 00:42:41,479

color there were no dents I didn't see

1023

00:42:46,120 --> 00:42:44,359

any rivets I didn't see any it so it

1024

00:42:49,239 --> 00:42:46,130

looked smooth like my ball bearing

1025

00:42:51,279 --> 00:42:49,249

except as I was approaching it the face

1026

00:42:54,519 --> 00:42:51,289

of this ball bearing was flat and that's

1027

00:42:56,859 --> 00:42:54,529

what was admitting this light now just

1028

00:42:58,390 --> 00:42:56,869

given what I was professionally doing at

1029

00:43:00,449 --> 00:42:58,400

the time I had some experience with

1030

00:43:03,370 --> 00:43:00,459

lightbulbs hundred watt lightbulbs

1031

00:43:05,109 --> 00:43:03,380

things of that nature so that also kind

1032

00:43:07,209 --> 00:43:05,119

of caught my attention because I've been

1033

00:43:09,130 --> 00:43:07,219

around light large wattage bulbs and

1034

00:43:11,079 --> 00:43:09,140

whether you have protective goggles or

1035

00:43:13,449 --> 00:43:11,089

not and you could see the outline of a

1036

00:43:15,099 --> 00:43:13,459

bulb or a shape and or it may you know

1037

00:43:18,219 --> 00:43:15,109

kind of have you wince

1038

00:43:20,529 --> 00:43:18,229

that also surprised me as I approached I

1039

00:43:22,299 --> 00:43:20,539

didn't wince away so a light that I

1040

00:43:24,609 --> 00:43:22,309

could see a mile away in broad daylight

1041

00:43:27,249 --> 00:43:24,619

as I got closer I didn't have to look

1042

00:43:28,989 --> 00:43:27,259

away it didn't hurt me so again I tried

1043

00:43:31,120 --> 00:43:28,999

to get as many details as I could as the

1044

00:43:32,410 --> 00:43:31,130

momentum of the car was passing I'm

1045

00:43:36,069 --> 00:43:32,420

looking at this thing so I could see

1046

00:43:38,049 --> 00:43:36,079

this the size how smooth it was another

1047

00:43:40,479 --> 00:43:38,059

thing that really well two things that

1048

00:43:43,329 --> 00:43:40,489

really also as I was approaching I'm

1049

00:43:45,160 --> 00:43:43,339

like this isn't normal how low it was on

1050

00:43:47,289 --> 00:43:45,170

the freeway you know I Drive I Drive a

1051  
00:43:49,630 --> 00:43:47,299  
Dodge Challenger so it's kind of like a

1052  
00:43:51,279 --> 00:43:49,640  
low car this object was floating in the

1053  
00:43:53,469 --> 00:43:51,289  
freeway so low that if it was like an

1054  
00:43:54,579 --> 00:43:53,479  
18-wheeler 18-wheeler it would have hit

1055  
00:43:56,289 --> 00:43:54,589  
the windshield mmm

1056  
00:43:58,809 --> 00:43:56,299  
so again I was like well that's if this

1057  
00:44:02,289 --> 00:43:58,819  
is a drone that's really on the freeway

1058  
00:44:04,569 --> 00:44:02,299  
really low and also the movement it kind

1059  
00:44:07,089 --> 00:44:04,579  
of moved like uh like a like a birthday

1060  
00:44:09,849 --> 00:44:07,099  
balloon that's tethered to a chair and

1061  
00:44:11,620 --> 00:44:09,859  
if somebody walks by so basically it was

1062  
00:44:14,349 --> 00:44:11,630  
kind of just like it was like moving

1063  
00:44:16,809 --> 00:44:14,359

like this very slowly and you know if

1064

00:44:19,930 --> 00:44:16,819

their cars were going it it seemed

1065

00:44:22,689 --> 00:44:19,940

unaffected so as I drove underneath it I

1066

00:44:24,130 --> 00:44:22,699

have like a sunroof so I hit the light I

1067

00:44:25,779 --> 00:44:24,140

hit the through the sunroof so I could

1068

00:44:28,390 --> 00:44:25,789

look underneath to see if I could see

1069

00:44:30,640 --> 00:44:28,400

fans or vapor or anything and there was

1070

00:44:32,109 --> 00:44:30,650

nothing so it was really strange so as

1071

00:44:34,029 --> 00:44:32,119

soon as I saw that I immediately thought

1072

00:44:35,680 --> 00:44:34,039

like this is really you know something

1073

00:44:37,599 --> 00:44:35,690

I've never really seen before I really

1074

00:44:39,549 --> 00:44:37,609

wasn't sure if it's something I should

1075

00:44:41,739 --> 00:44:39,559

pull over investigate and things like

1076

00:44:43,839 --> 00:44:41,749

that so when it occurred I was my

1077

00:44:45,579 --> 00:44:43,849

immediate reaction was I've never seen

1078

00:44:47,870 --> 00:44:45,589

anything like this

1079

00:44:50,120 --> 00:44:47,880

the size and how it moved

1080

00:44:52,460 --> 00:44:50,130

and all that I was like this if it was

1081

00:44:54,260 --> 00:44:52,470

somebody's possession like their drone I

1082

00:44:57,020 --> 00:44:54,270

would describe it that it looked really

1083

00:44:59,180 --> 00:44:57,030

really expensive and it looked really

1084

00:45:00,860 --> 00:44:59,190

really brand-new and because again it

1085

00:45:05,960 --> 00:45:00,870

was smooth it wasn't dented it wasn't

1086

00:45:08,270 --> 00:45:05,970

discolored it was it looked perfectly so

1087

00:45:09,590 --> 00:45:08,280

afterward when I drove by and I was like

1088

00:45:11,000 --> 00:45:09,600

should I pull over should I not so I

1089

00:45:13,790 --> 00:45:11,010

continued on the 10 freeway

1090

00:45:16,160 --> 00:45:13,800

I finished my my errands which took

1091

00:45:17,450 --> 00:45:16,170

about 30 minutes and I remember when I

1092

00:45:18,860 --> 00:45:17,460

got to the store to do my hair and

1093

00:45:21,110 --> 00:45:18,870

that's when it really started to sink in

1094

00:45:22,580 --> 00:45:21,120

like this is really strange so then I

1095

00:45:24,320 --> 00:45:22,590

was like well should I tell the the

1096

00:45:25,460 --> 00:45:24,330

person that works there you know

1097

00:45:28,580 --> 00:45:25,470

whatever I don't want to seem like a

1098

00:45:29,960 --> 00:45:28,590

crazy person but yeah it was really

1099

00:45:31,790 --> 00:45:29,970

strange so after that I think for about

1100

00:45:33,500 --> 00:45:31,800

a week maybe about a week

1101

00:45:36,260 --> 00:45:33,510

I googled to see if anybody else

1102

00:45:38,300 --> 00:45:36,270

mentioned drones on the tin a freeway

1103

00:45:41,120 --> 00:45:38,310

and alhambra or Monterey Park or

1104

00:45:43,610 --> 00:45:41,130

whatever and nothing and still like you

1105

00:45:45,380 --> 00:45:43,620

know casually when I watch TV if ever

1106

00:45:47,450 --> 00:45:45,390

that whenever they mentioned drones and

1107

00:45:50,720 --> 00:45:47,460

I see like spherical ones they're made

1108

00:45:52,700 --> 00:45:50,730

of PVC or really really thin plastic

1109

00:45:54,590 --> 00:45:52,710

it's just that it seemed really weird

1110

00:45:55,820 --> 00:45:54,600

that it move like a balloon but it

1111

00:45:57,710 --> 00:45:55,830

looked like if you were to hold it look

1112

00:46:00,320 --> 00:45:57,720

heavy yeah it would be heavy because it

1113

00:46:02,780 --> 00:46:00,330

looks looks metallic and metal yeah but

1114

00:46:05,780 --> 00:46:02,790

yeah and because of how low it was you

1115

00:46:08,030 --> 00:46:05,790

would have probably noticed if it it it

1116

00:46:10,370 --> 00:46:08,040

was tethered great oh yeah I mean I

1117

00:46:11,630 --> 00:46:10,380

drove and I drove underneath it again I

1118

00:46:13,670 --> 00:46:11,640

wanted to see if there was a vapor trail

1119

00:46:14,960 --> 00:46:13,680

I wanted to see if there was exhaust fan

1120

00:46:17,120 --> 00:46:14,970

I just wanted to see what was actually

1121

00:46:19,100 --> 00:46:17,130

you know propping it up or yeah whatever

1122

00:46:22,910 --> 00:46:19,110

and it was there was nothing

1123

00:46:24,320 --> 00:46:22,920

and also when I drove past it I I didn't

1124

00:46:26,480 --> 00:46:24,330

my foot wasn't on the gas I looked in my

1125

00:46:27,770 --> 00:46:26,490

rearview mirror just to see what the

1126

00:46:29,270 --> 00:46:27,780

reflection was and it kind of like

1127

00:46:30,800 --> 00:46:29,280

blended and I really couldn't see it

1128

00:46:32,690 --> 00:46:30,810

afterward in my roof in there once it

1129

00:46:35,289 --> 00:46:32,700

passed which which again I was like am I

1130

00:46:38,380 --> 00:46:35,299

crazy like did I just smile

1131

00:46:40,809 --> 00:46:38,390

yeah dude you're like the perfect

1132

00:46:42,849 --> 00:46:40,819

witness first of all oh you like you

1133

00:46:44,229 --> 00:46:42,859

checked everything off the boxes as it

1134

00:46:46,299 --> 00:46:44,239

was happening which a lot of people

1135

00:46:48,279 --> 00:46:46,309

can't do you know which was weird too I

1136

00:46:50,349 --> 00:46:48,289

mean what freaked me out at the time

1137

00:46:52,269 --> 00:46:50,359

again it wasn't that I was beyond

1138

00:46:54,399 --> 00:46:52,279

thinking that the possibility of aliens

1139

00:46:56,289 --> 00:46:54,409

was impossible it's not it's just

1140

00:46:57,609 --> 00:46:56,299

that it freaked me out because it was so

1141

00:46:59,079 --> 00:46:57,619

close to where I live and I live in the

1142

00:47:01,479 --> 00:46:59,089

city so I'm like every time I watch

1143

00:47:04,329 --> 00:47:01,489

these things it's maybe rural parts of

1144

00:47:06,249 --> 00:47:04,339

you know wherever or by the beach or

1145

00:47:08,169 --> 00:47:06,259

something but I'm not close to East oh

1146

00:47:09,819 --> 00:47:08,179

not not off the freeway where I Drive

1147

00:47:11,079 --> 00:47:09,829

all the time yeah and not in broad

1148

00:47:15,689 --> 00:47:11,089

daylight yeah

1149

00:47:19,380 --> 00:47:15,699

and how low it was so yeah Wow very much

1150

00:47:26,709 --> 00:47:23,039

hello my name is Annette and

1151

00:47:32,079 --> 00:47:26,719

it's pleasure to meet you me too you uh

1152

00:47:38,079 --> 00:47:32,089

this happened over 30 years ago and I

1153

00:47:41,649 --> 00:47:38,089

was summertime close to dust no son you

1154

00:47:46,929 --> 00:47:41,659

know wasn't bright anything and we were

1155

00:47:49,899 --> 00:47:46,939

leaving my home and as I was getting

1156

00:47:52,899 --> 00:47:49,909

into the car I put about one you know

1157

00:47:55,809 --> 00:47:52,909

when they get into the car like this and

1158

00:47:59,049 --> 00:47:55,819

I just looked over my shoulder over the

1159

00:48:03,249 --> 00:47:59,059

freeway because we lived close to the

1160

00:48:05,379 --> 00:48:03,259

freeway there was seven objects crash

1161

00:48:10,089 --> 00:48:05,389

they weren't objects it was seven craft

1162

00:48:14,709 --> 00:48:10,099

one in the front - behind - behind - her

1163

00:48:21,419 --> 00:48:14,719

and I just did there and looked at it

1164

00:48:24,699 --> 00:48:21,429

and you know do you see this and yeah

1165

00:48:29,439 --> 00:48:24,709

and we didn't say anything we just look

1166

00:48:33,199 --> 00:48:29,449

and I got into the car and we started

1167

00:48:38,189 --> 00:48:33,209

driving and the crash started

1168

00:48:41,579 --> 00:48:38,199

and we just drove slowly along and they

1169

00:48:45,749 --> 00:48:41,589

drove slowly along and then they took

1170

00:48:50,759 --> 00:48:45,759

off they managed we didn't talk about it

1171

00:48:53,249 --> 00:48:50,769

yeah that's yeah that's very common I

1172

00:48:55,609 --> 00:48:53,259

know a lot of people who were in the

1173

00:48:59,489 --> 00:48:55,619

same car with someone saw something and

1174

00:49:02,219 --> 00:48:59,499

they witnessed it and then it was never

1175

00:49:05,819 --> 00:49:02,229

spoken of again it wasn't just a quick

1176

00:49:08,699 --> 00:49:05,829

flash like this you know just oh no this

1177

00:49:12,269 --> 00:49:08,709

happened and I know what I saw

1178

00:49:12,959 --> 00:49:12,279

yeah yeah and so but and I've talked

1179

00:49:15,569 --> 00:49:12,969

about it

1180

00:49:17,519 --> 00:49:15,579

you know sometime over the years later I

1181

00:49:21,299 --> 00:49:17,529

mean at that particular time we didn't

1182

00:49:24,529 --> 00:49:21,309

know do you remember what the objects

1183

00:49:29,880 --> 00:49:24,539

look like at all if I could ask are okay

1184

00:49:35,699 --> 00:49:29,890

dark deep dark okay you know how the

1185

00:49:38,039 --> 00:49:35,709

still aircraft you need not exactly like

1186

00:49:40,229 --> 00:49:38,049

not like that okay because I don't even

1187

00:49:43,229 --> 00:49:40,239

know if that technology and seven of

1188

00:49:45,989 --> 00:49:43,239

them seven in a v-formation yeah yeah

1189

00:49:48,419 --> 00:49:45,999

yeah no not at and and you know they

1190

00:49:50,910 --> 00:49:48,429

have the sale varmints but they're I

1191

00:49:53,789 --> 00:49:50,920

don't know how many they had but no and

1192

00:49:53,789 --> 00:49:54,209

he's just said there was similar little

1193

00:50:01,890 --> 00:49:58,620

you know like that thank you thank you

1194

00:50:04,860 --> 00:50:01,900

very much for sharing that thank you

1195

00:50:07,710 --> 00:50:04,870

yeah all right I think that's gonna be

1196

00:50:09,540 --> 00:50:07,720

it for us guys this is not your last

1197

00:50:11,580 --> 00:50:09,550

chance to share your stories tomorrow

1198

00:50:14,310 --> 00:50:11,590

actually Jason and I are going to be

1199

00:50:17,150 --> 00:50:14,320

doing an experience or session where you

1200

00:50:19,850 --> 00:50:17,160

can come and talk amongst a group of

1201

00:50:22,080 --> 00:50:19,860

supportive people to tell your stories

1202

00:50:24,030 --> 00:50:22,090

no matter what it is what happened to

1203

00:50:27,120 --> 00:50:24,040

you doesn't have to be just UFOs if

1204

00:50:29,010 --> 00:50:27,130

you've had a strange paranormal

1205

00:50:30,510 --> 00:50:29,020

experience anything we want to hear

1206

00:50:33,870 --> 00:50:30,520

about it and obviously we love hearing

1207

00:50:35,280 --> 00:50:33,880

those stories on our podcast but that

1208

00:50:37,500 --> 00:50:35,290

will be your time to share their stories

1209

00:50:40,200 --> 00:50:37,510

and they won't be shared yeah yeah

1210

00:50:42,180 --> 00:50:40,210

absolutely so if you don't come to that

1211

00:50:45,420 --> 00:50:42,190

you can find us here all weekend to

1212

00:50:48,030 --> 00:50:45,430

reach out to us again the more people

1213

00:50:49,920 --> 00:50:48,040

that tell stories the more we normalize

1214

00:50:52,230 --> 00:50:49,930

this topic and bring it to the

1215

00:50:55,020 --> 00:50:52,240

mainstream to be like stuff's going on

1216

00:50:56,310 --> 00:50:55,030

we got to talk about this so I want to

1217

00:50:58,800 --> 00:50:56,320

thank you for coming to this today for

1218

00:51:00,840 --> 00:50:58,810

those who share their stories and for

1219

00:51:02,490 --> 00:51:00,850

joining me on this live recording of

1220

00:51:07,940 --> 00:51:02,500

somewhere in this gaius so thank you

1221

00:51:49,730 --> 00:51:47,690

[Music]

1222

00:51:51,890 --> 00:51:49,740

[Applause]
