

SOMEWHERE IN THE SKIES

WITH RYAN SPRAGUE

STORMING AREA 51:

THEY CAN STOP
ALL OF YOU

1
00:00:03,080 --> 00:00:01,280
I tried to make it seem as much as a

2
00:00:04,130 --> 00:00:03,090
joke as I possibly could but there's

3
00:00:06,820 --> 00:00:04,140
definitely some people that are taking

4
00:00:09,020 --> 00:00:06,830
it seriously once a god like passed

5
00:00:11,089 --> 00:00:09,030
500,000 people that were interested or

6
00:00:13,039 --> 00:00:11,099
going I was just like the FBI is going

7
00:00:24,140 --> 00:00:13,049
to show up to my house and it got a

8
00:00:27,300 --> 00:00:24,150
little spooky from there this is

9
00:00:49,850 --> 00:00:27,310
somewhere in the skies inspired

10
00:00:56,670 --> 00:00:52,230
welcome to somewhere in the skies

11
00:00:59,430 --> 00:00:56,680
I'm Ryan Sprague area 51 we all know the

12
00:01:02,850 --> 00:00:59,440
name we've all seen the films read the

13
00:01:05,040 --> 00:01:02,860

books or watch the documentaries some of

14

00:01:07,290 --> 00:01:05,050

us may even have been to the gates of

15

00:01:09,270 --> 00:01:07,300

this highly restricted area

16

00:01:11,790 --> 00:01:09,280

but the interest in this enigmatic

17

00:01:14,960 --> 00:01:11,800

location comes and goes throughout the

18

00:01:18,600 --> 00:01:14,970

decades sometimes fading into obscurity

19

00:01:21,870 --> 00:01:18,610

for lengthy periods of time but guess

20

00:01:24,380 --> 00:01:21,880

what it's back and it's back in some of

21

00:01:29,520 --> 00:01:24,390

the most controversial exciting

22

00:01:31,320 --> 00:01:29,530

ridiculous in weirdest of ways in 2018 a

23

00:01:33,870 --> 00:01:31,330

documentary was released by

24

00:01:37,020 --> 00:01:33,880

investigative filmmaker Jeremy Korb

25

00:01:40,380 --> 00:01:37,030

the film featured a highly contentious

26

00:01:44,100 --> 00:01:40,390

person inextricably connected to area 51

27

00:01:47,219 --> 00:01:44,110

and that was Bob Lazar here's what Lazar

28

00:01:49,350 --> 00:01:47,229

claimed back in 1989 in an interview

29

00:01:52,050 --> 00:01:49,360

with investigative journalist George

30

00:01:54,240 --> 00:01:52,060

Knapp in 1987 when the Air Force sought

31

00:01:56,609 --> 00:01:54,250

to renew its stranglehold on the groom

32

00:01:58,469 --> 00:01:56,619

range news articles once again mentioned

33

00:02:00,150 --> 00:01:58,479

that talk about alien spacecraft and

34

00:02:02,760 --> 00:02:00,160

subsequent articles in national

35

00:02:05,850 --> 00:02:02,770

magazines quoted unnamed sources about

36

00:02:08,190 --> 00:02:05,860

things of alien origin flying in Nevada

37

00:02:10,620 --> 00:02:08,200

despite the speculation no one who knew

38

00:02:13,140 --> 00:02:10,630

area 51 from the inside ever talked

39

00:02:16,890 --> 00:02:13,150

publicly about the saucer stories well

40

00:02:20,010 --> 00:02:16,900

there's several actually nine

41

00:02:22,650 --> 00:02:20,020

flying saucers flying disks that are out

42

00:02:24,900 --> 00:02:22,660

there of extraterrestrial origin despite

43

00:02:27,270 --> 00:02:24,910

numerous inquiries and feelers dennis

44

00:02:29,430 --> 00:02:27,280

has remained anonymous until now his

45

00:02:31,800 --> 00:02:29,440

real name is Robert Lazar a young

46

00:02:34,440 --> 00:02:31,810

scientist with eclectic interests Lazar

47

00:02:36,000 --> 00:02:34,450

story is by any standards fantastic he

48

00:02:38,130 --> 00:02:36,010

says he's telling it in order to protect

49

00:02:40,470 --> 00:02:38,140

himself he says he was hired to work at

50

00:02:43,559 --> 00:02:40,480

an area called s4 which is a few miles

51
00:02:46,160 --> 00:02:43,569
south of groom Lake some 30 years later

52
00:02:49,710 --> 00:02:46,170
the claims of Bob Lazar came and went

53
00:02:53,550 --> 00:02:49,720
many believed him and many certainly did

54
00:02:55,800 --> 00:02:53,560
not but he stuck to his story and that

55
00:03:00,000 --> 00:02:55,810
was made perfectly clear in Jeremy

56
00:03:02,370 --> 00:03:00,010
corbels film Bob Lazar area 51 in flying

57
00:03:04,800 --> 00:03:02,380
saucers some of this stuff just sounds

58
00:03:07,589 --> 00:03:04,810
crazy to me and I I understand I'm

59
00:03:10,830 --> 00:03:07,599
biased because I'm behind my eyes and

60
00:03:13,470 --> 00:03:10,840
see everything but this is this is crazy

61
00:03:15,960 --> 00:03:13,480
you think there's something more

62
00:03:19,920 --> 00:03:15,970
secret than that that the flying saucers

63
00:03:22,319 --> 00:03:19,930

are all right cover up for I'm trying to

64

00:03:25,170 --> 00:03:22,329

tell you exactly the way things were I

65

00:03:29,340 --> 00:03:25,180

mean what I was exposed to where is it

66

00:03:31,800 --> 00:03:29,350

show me the alternate reality that you

67

00:03:34,050 --> 00:03:31,810

believe I mean where are those other

68

00:03:35,490 --> 00:03:34,060

facts to show me what they are these are

69

00:03:37,710 --> 00:03:35,500

the facts you grabbed together and

70

00:03:40,530 --> 00:03:37,720

painted a different story of my life

71

00:03:42,870 --> 00:03:40,540

than I did this story of Bob Lazar was

72

00:03:45,569 --> 00:03:42,880

slowly creeping back into the picture

73

00:03:48,660 --> 00:03:45,579

but it was no longer in the fringes of

74

00:03:49,440 --> 00:03:48,670

the UFO community or conspiracy

75

00:03:52,470 --> 00:03:49,450

theorists

76

00:03:55,259 --> 00:03:52,480

it was the centerpiece of new media in

77

00:03:57,840 --> 00:03:55,269

the form of the Joe Rogan experience

78

00:03:59,910 --> 00:03:57,850

podcast and I don't know if the craft is

79

00:04:02,970 --> 00:03:59,920

made of you know an advanced metal or a

80

00:04:04,559 --> 00:04:02,980

ceramic it was cold to the touch you

81

00:04:06,240 --> 00:04:04,569

know I would lean more towards a metal

82

00:04:09,150 --> 00:04:06,250

you're not allowed to ask questions

83

00:04:11,789 --> 00:04:09,160

no the only they work on the buddy

84

00:04:13,589 --> 00:04:11,799

system so I can only exchange ideas and

85

00:04:16,289 --> 00:04:13,599

talk to Barry

86

00:04:18,090 --> 00:04:16,299

now this really interferes with science

87

00:04:20,370 --> 00:04:18,100

because science is based on free

88

00:04:22,560 --> 00:04:20,380

discussion and ideally you get a bunch

89

00:04:24,090 --> 00:04:22,570

of guys together exchange ideas work on

90

00:04:26,629 --> 00:04:24,100

problems and that's how things move

91

00:04:28,950 --> 00:04:26,639

forward but they're so over-the-top

92

00:04:32,159 --> 00:04:28,960

concerned about security

93

00:04:35,820 --> 00:04:32,169

they split everything off and everybody

94

00:04:37,499 --> 00:04:35,830

becomes stagnant it just destroys any of

95

00:04:40,260 --> 00:04:37,509

the progress you can make or at least

96

00:04:41,670 --> 00:04:40,270

makes it go so slow they I think they

97

00:04:44,520 --> 00:04:41,680

wind up shooting themselves in the foot

98

00:04:46,560 --> 00:04:44,530

which is probably why they arrived at

99

00:04:49,170 --> 00:04:46,570

this bottleneck that they need to get

100

00:04:51,089 --> 00:04:49,180

this madman with a jet-powered Honda

101
00:04:53,010 --> 00:04:51,099
come in and see what he could do I think

102
00:04:54,420 --> 00:04:53,020
that was an act of desperation I think

103
00:04:56,430 --> 00:04:54,430
they wanted someone that's thinks out of

104
00:04:59,129 --> 00:04:56,440
the box and let's just give this guy a

105
00:05:01,170 --> 00:04:59,139
try here because they weren't and they

106
00:05:03,719 --> 00:05:01,180
might have done this four more times

107
00:05:05,400 --> 00:05:03,729
since you know up to the point in time

108
00:05:07,379 --> 00:05:05,410
today assuming they're still working on

109
00:05:09,779 --> 00:05:07,389
this thing the entire Bob Lazar

110
00:05:13,439 --> 00:05:09,789
interview with Joe Rogan has almost 8

111
00:05:15,689 --> 00:05:13,449
million views on YouTube alone and one

112
00:05:17,850 --> 00:05:15,699
of those 8 million listeners became

113
00:05:20,790 --> 00:05:17,860

intrigued by the story he was hearing

114

00:05:23,820 --> 00:05:20,800

and he felt compelled to do something

115

00:05:26,850 --> 00:05:23,830

anything and just like any young person

116

00:05:29,460 --> 00:05:26,860

in today's digital age Maddy Roberts

117

00:05:32,909 --> 00:05:29,470

hopped onto Facebook and did something

118

00:05:35,249 --> 00:05:32,919

as a joke that would catch fire go viral

119

00:05:37,680 --> 00:05:35,259

and become all too real

120

00:05:40,379 --> 00:05:37,690

tonight the man behind the viral idea to

121

00:05:42,570 --> 00:05:40,389

storm area 51 this secret and heavily

122

00:05:44,879 --> 00:05:42,580

guarded military site in the Nevada

123

00:05:47,129 --> 00:05:44,889

desert is hoping that no one gets hurt

124

00:05:49,050 --> 00:05:47,139

now he says people have written to him

125

00:05:51,510 --> 00:05:49,060

on Facebook saying that they are willing

126
00:05:53,070 --> 00:05:51,520
to die to get on that base is about two

127
00:05:54,719 --> 00:05:53,080
hours north of the valley 13

128
00:05:56,159 --> 00:05:54,729
investigative reporter Joe Bartels is

129
00:05:57,600 --> 00:05:56,169
live tonight and Joe the number of

130
00:06:00,990 --> 00:05:57,610
people who say they're interested just

131
00:06:03,089 --> 00:06:01,000
keeps growing warming area 51 about 12

132
00:06:05,580 --> 00:06:03,099
miles past this lonely mailbox in the

133
00:06:07,950 --> 00:06:05,590
dusty Nevada desert is now a much bigger

134
00:06:09,540 --> 00:06:07,960
deal it started out it's just from a

135
00:06:11,189 --> 00:06:09,550
pier stroke of imagination it's just

136
00:06:12,330 --> 00:06:11,199
meant to be funny I want to do something

137
00:06:13,649 --> 00:06:12,340
cool out there now that we have a bunch

138
00:06:13,980 --> 00:06:13,659

of people but I don't want anybody to

139

00:06:16,290 --> 00:06:13,990

get hurt

140

00:06:17,760 --> 00:06:16,300

May Roberts created the viral event

141

00:06:20,249 --> 00:06:17,770

that's taken the internet by storm

142

00:06:22,379 --> 00:06:20,259

more than 1.7 million people on Facebook

143

00:06:23,260 --> 00:06:22,389

have expressed interest to get into area

144

00:06:24,879 --> 00:06:23,270

51

145

00:06:26,680 --> 00:06:24,889

one of the most secure and highly

146

00:06:29,409 --> 00:06:26,690

protected pieces of property on the

147

00:06:31,210 --> 00:06:29,419

planet we're lethal force can be used on

148

00:06:32,620 --> 00:06:31,220

trespassers because I'm kind of worried

149

00:06:34,600 --> 00:06:32,630

about that I've had a couple people D in

150

00:06:36,309 --> 00:06:34,610

the page where they're like I'm willing

151
00:06:38,409 --> 00:06:36,319
to die for the government let's do this

152
00:06:39,760 --> 00:06:38,419
I'm just like oh my god but it's not

153
00:06:40,930 --> 00:06:39,770
going to be like a military base

154
00:06:43,059 --> 00:06:40,940
slaughter it'll actually be something

155
00:06:44,650 --> 00:06:43,069
really fun educational maybe music and

156
00:06:46,120 --> 00:06:44,660
art that's what I'm working on

157
00:06:48,670 --> 00:06:46,130
Roberts admits he's a little out there

158
00:06:50,589 --> 00:06:48,680
just like his idea and now his event has

159
00:06:52,540 --> 00:06:50,599
captured the imagination and fueled the

160
00:06:55,870 --> 00:06:52,550
fascination of one of the most

161
00:06:58,749 --> 00:06:55,880
mysterious places in the universe and so

162
00:07:01,719 --> 00:06:58,759
now we wait we wait patiently for

163
00:07:05,680 --> 00:07:01,729

September 20th and from whatever may

164

00:07:08,589 --> 00:07:05,690

come of storm area51 since the creation

165

00:07:11,620 --> 00:07:08,599

of the storm area 51 Facebook event it

166

00:07:14,110 --> 00:07:11,630

racked up over two million people saying

167

00:07:17,920 --> 00:07:14,120

that they were either interested in or

168

00:07:20,830 --> 00:07:17,930

planned on going to storm area 51 but as

169

00:07:23,290 --> 00:07:20,840

of Saturday August 3rd Facebook took

170

00:07:25,990 --> 00:07:23,300

down the event page claiming it was

171

00:07:27,850 --> 00:07:26,000

against its community standards but this

172

00:07:30,610 --> 00:07:27,860

isn't stopping Mary Roberts from

173

00:07:33,129 --> 00:07:30,620

continuing to pursue this epic viral

174

00:07:37,060 --> 00:07:33,139

event no matter what it may end up being

175

00:07:40,870 --> 00:07:37,070

or not being but until then let's take a

176
00:07:44,740 --> 00:07:40,880
look at what area 51 actually is beyond

177
00:07:47,200 --> 00:07:44,750
the stories of aliens and UFOs where

178
00:07:52,779 --> 00:07:47,210
exactly is it and what official purpose

179
00:07:55,120 --> 00:07:52,789
does it serve area 51 is a highly

180
00:07:58,059 --> 00:07:55,130
classified US Air Force military

181
00:08:00,339 --> 00:07:58,069
installation located at Groom Lake in

182
00:08:03,279 --> 00:08:00,349
southern nevada about a hundred and

183
00:08:05,499 --> 00:08:03,289
twenty miles northwest of Las Vegas it's

184
00:08:08,680 --> 00:08:05,509
administered by Edwards Air Force Base

185
00:08:10,659 --> 00:08:08,690
in Southern California for years there

186
00:08:13,330 --> 00:08:10,669
were speculation about the installation

187
00:08:15,939 --> 00:08:13,340
especially amid growing reports of UFO

188
00:08:19,120 --> 00:08:15,949

sightings in the vicinity the site

189

00:08:21,640 --> 00:08:19,130

became known as area 51 which was its

190

00:08:22,860 --> 00:08:21,650

designation on maps of the Atomic Energy

191

00:08:26,700 --> 00:08:22,870

Commission

192

00:08:29,100 --> 00:08:26,710

in 2013 the US government officially

193

00:08:32,700 --> 00:08:29,110

acknowledged the existence of area 51

194

00:08:35,399 --> 00:08:32,710

that year the national security archives

195

00:08:37,860 --> 00:08:35,409

at George Washington University obtained

196

00:08:41,399 --> 00:08:37,870

through the Freedom of Information Act a

197

00:08:43,350 --> 00:08:41,409

formerly classified CIA document that

198

00:08:47,010 --> 00:08:43,360

chronicled the history of the u-2 spy

199

00:08:49,320 --> 00:08:47,020

plane according to the report in 1955

200

00:08:51,930 --> 00:08:49,330

the remote site which included an

201
00:08:54,630 --> 00:08:51,940
airfield not used by the military since

202
00:08:57,540 --> 00:08:54,640
world war ii was selected in order to

203
00:08:59,300 --> 00:08:57,550
test the u-2 spy plane test flights of

204
00:09:01,890 --> 00:08:59,310
that plane and subsequent aircraft

205
00:09:03,240 --> 00:09:01,900
accounted for many of the UFO sightings

206
00:09:06,450 --> 00:09:03,250
in the area

207
00:09:08,820 --> 00:09:06,460
the u2 could reach altitudes much higher

208
00:09:12,900 --> 00:09:08,830
than any other planes at the time after

209
00:09:15,920 --> 00:09:12,910
the u2 was put into service in 1956 area

210
00:09:18,990 --> 00:09:15,930
51 was used to develop other aircraft

211
00:09:22,860 --> 00:09:19,000
including the a12 which is also known as

212
00:09:27,079 --> 00:09:22,870
oxcart a reconnaissance plane and even

213
00:09:29,760 --> 00:09:27,089

the stealth fighter f-117 nighthawk the

214

00:09:33,620 --> 00:09:29,770

secrecy the classification of the

215

00:09:36,900 --> 00:09:33,630

program was at the same level as the

216

00:09:38,730 --> 00:09:36,910

Manhattan Project that was how how

217

00:09:41,240 --> 00:09:38,740

secret it was and it was very successful

218

00:09:43,920 --> 00:09:41,250

if you recall we spent many years

219

00:09:46,590 --> 00:09:43,930

working and actually having the airplane

220

00:09:49,019 --> 00:09:46,600

and operational readiness and not many

221

00:09:52,410 --> 00:09:49,029

people knew anything about it so it was

222

00:09:55,260 --> 00:09:52,420

highly classified remotely developed a

223

00:09:57,390 --> 00:09:55,270

lot of time away from family my wife

224

00:09:59,670 --> 00:09:57,400

knew I was flying I mean that was my job

225

00:10:01,500 --> 00:09:59,680

but that was all I could tell her I

226

00:10:04,110 --> 00:10:01,510

couldn't tell her what I was flying

227

00:10:05,920 --> 00:10:04,120

where we were yeah it was it was pretty

228

00:10:10,060 --> 00:10:05,930

strenuous on the fail

229

00:10:13,050 --> 00:10:10,070

the security that was established within

230

00:10:15,880 --> 00:10:13,060

the skunkworks the security or the

231

00:10:17,430 --> 00:10:15,890

classification and one of the reasons

232

00:10:19,960 --> 00:10:17,440

for that is it keeps other people out

233

00:10:21,760 --> 00:10:19,970

that was one of the tools to keep other

234

00:10:24,660 --> 00:10:21,770

people from becoming involved with the

235

00:10:29,170 --> 00:10:24,670

program from becoming a bureaucracy so

236

00:10:31,900 --> 00:10:29,180

the skunkworks security was established

237

00:10:33,970 --> 00:10:31,910

out of common sense for example if you

238

00:10:35,320 --> 00:10:33,980

put a guard out in front of a place

239

00:10:38,350 --> 00:10:35,330

somebody's going to know something's

240

00:10:41,680 --> 00:10:38,360

inside they didn't put any guards out if

241

00:10:45,370 --> 00:10:41,690

you put secret or confidential on it on

242

00:10:46,930 --> 00:10:45,380

a drawing of an airplane you're going to

243

00:10:49,180 --> 00:10:46,940

know it's a secret something's going on

244

00:10:51,280 --> 00:10:49,190

if somebody gets a hold of it they

245

00:10:54,100 --> 00:10:51,290

didn't they didn't but they didn't stamp

246

00:10:56,650 --> 00:10:54,110

any of the things classified at all they

247

00:11:00,970 --> 00:10:56,660

didn't have any guards outside they made

248

00:11:03,550 --> 00:11:00,980

it as as normal as possible so as to not

249

00:11:07,000 --> 00:11:03,560

attract attention they went so far way

250

00:11:10,510 --> 00:11:07,010

back when the satellites were first

251
00:11:13,120 --> 00:11:10,520
coming out and they took all the names

252
00:11:15,610 --> 00:11:13,130
off of the parking places because they

253
00:11:17,440 --> 00:11:15,620
could find out who was working there the

254
00:11:19,510 --> 00:11:17,450
enemy could find out who was working

255
00:11:20,660 --> 00:11:19,520
there the enemy being the cold war in

256
00:11:23,720 --> 00:11:20,670
Russia

257
00:11:25,700 --> 00:11:23,730
area 51 is restricted to the public and

258
00:11:28,690 --> 00:11:25,710
has armed guards patrolling the

259
00:11:30,920 --> 00:11:28,700
perimeter constantly it's also

260
00:11:32,990 --> 00:11:30,930
impossible to enter the airspace above

261
00:11:36,890 --> 00:11:33,000
without permission from air traffic

262
00:11:38,900 --> 00:11:36,900
control so we have a very interesting

263
00:11:42,380 --> 00:11:38,910

history when it comes to developing

264

00:11:44,750 --> 00:11:42,390

advanced aircraft that every 51 and then

265

00:11:48,020 --> 00:11:44,760

we have the stories of Bob Lazar in

266

00:11:50,060 --> 00:11:48,030

reverse engineered alien technology and

267

00:11:52,550 --> 00:11:50,070

as the years went on it would seem that

268

00:11:56,390 --> 00:11:52,560

area 51 has taken on a life of its own

269

00:11:58,940 --> 00:11:56,400

in terms of mythology and no matter what

270

00:12:00,350 --> 00:11:58,950

happens on September 20th as many

271

00:12:03,950 --> 00:12:00,360

stormed down the Extra Terrestrial

272

00:12:06,620 --> 00:12:03,960

highway towards the gates I hope they

273

00:12:08,690 --> 00:12:06,630

have a full tank of gas fully charged

274

00:12:11,330 --> 00:12:08,700

phones and I hope they're ready for

275

00:12:11,780 --> 00:12:11,340

endless desert to greet them along the

276

00:12:14,780 --> 00:12:11,790

way

277

00:12:17,390 --> 00:12:14,790

so if you're going please just be

278

00:12:19,400 --> 00:12:17,400

careful because as you'll hear in the

279

00:12:22,430 --> 00:12:19,410

following conversation between Shannon

280

00:12:25,400 --> 00:12:22,440

libero and I having both been to area 51

281

00:12:28,790 --> 00:12:25,410

in the past month they do not mess

282

00:12:32,390 --> 00:12:28,800

around and yes they most certainly can

283

00:12:34,820 --> 00:12:32,400

stop us all here's our area 51

284

00:12:38,800 --> 00:12:34,830

conversation with the host of into the

285

00:12:41,860 --> 00:12:38,810

fray radio Shannon the crime

286

00:12:48,970 --> 00:12:41,870

oh gosh we've been talking for about 40

287

00:12:50,320 --> 00:12:48,980

minutes here everybody buzz limit we

288

00:12:53,770 --> 00:12:50,330

should probably start recording at this

289

00:12:56,290 --> 00:12:53,780

point right Shannon yeah well you guys

290

00:12:58,690 --> 00:12:56,300

know her voice you know who she is if

291

00:13:00,940 --> 00:12:58,700

you don't then you clearly have not been

292

00:13:03,640 --> 00:13:00,950

following my work in the past either

293

00:13:06,940 --> 00:13:03,650

this is one of my favorite people to

294

00:13:09,430 --> 00:13:06,950

talk to both about the paranormal UFOs

295

00:13:11,470 --> 00:13:09,440

and just life in general and that is

296

00:13:12,760 --> 00:13:11,480

Shannon Leggero Shannon thank you for

297

00:13:14,770 --> 00:13:12,770

joining me today and somewhere in the

298

00:13:18,070 --> 00:13:14,780

skies thank you so much for having me

299

00:13:19,780 --> 00:13:18,080

Ryan this is going to be a fun one it

300

00:13:21,820 --> 00:13:19,790

already has been and it's really too bad

301
00:13:24,340 --> 00:13:21,830
we don't leave more outtakes in either

302
00:13:25,420 --> 00:13:24,350
of our shows because the last 45 minutes

303
00:13:28,200 --> 00:13:25,430
we've been chatting have been very

304
00:13:31,330 --> 00:13:28,210
colorful and interesting so believing

305
00:13:33,220 --> 00:13:31,340
very very hot to the touch on some

306
00:13:33,970 --> 00:13:33,230
subjects oh no it's so good to talk to

307
00:13:35,950 --> 00:13:33,980
you again Ryan

308
00:13:38,710 --> 00:13:35,960
well thank you well the reason I wanted

309
00:13:42,220 --> 00:13:38,720
to have you on today Shannon is hashtag

310
00:13:45,490 --> 00:13:42,230
storm area 51 mm-hmm

311
00:13:47,380 --> 00:13:45,500
yeah Wow so this came out of nowhere

312
00:13:49,840 --> 00:13:47,390
it's funny that it would come out of

313
00:13:52,080 --> 00:13:49,850

nowhere because both you and I have a

314

00:13:55,420 --> 00:13:52,090

pretty good track record with area 51

315

00:13:56,350 --> 00:13:55,430

within the last month or so and then out

316

00:13:59,380 --> 00:13:56,360

of the blue

317

00:14:02,410 --> 00:13:59,390

Facebook explodes with this event

318

00:14:04,810 --> 00:14:02,420

storm area 51 they can't stop us all

319

00:14:08,080 --> 00:14:04,820

when did you first hear about this thing

320

00:14:10,930 --> 00:14:08,090

and what did you make of it at first you

321

00:14:12,940 --> 00:14:10,940

know it's honest to god that because the

322

00:14:15,670 --> 00:14:12,950

memes have been coming down the pipeline

323

00:14:17,680 --> 00:14:15,680

so ferociously I don't even remember and

324

00:14:19,870 --> 00:14:17,690

I had wasn't that long ago because I

325

00:14:22,060 --> 00:14:19,880

don't know when this started exactly but

326

00:14:25,240 --> 00:14:22,070

I don't remember the first meme that I

327

00:14:28,120 --> 00:14:25,250

saw but I do remember seeing some

328

00:14:29,860 --> 00:14:28,130

somebody with an UFO over their head and

329

00:14:32,140 --> 00:14:29,870

they had their arms behind them and they

330

00:14:35,170 --> 00:14:32,150

were running only what in the what is

331

00:14:37,000 --> 00:14:35,180

that what is this and it wasn't actually

332

00:14:39,130 --> 00:14:37,010

till a month later that I found out that

333

00:14:41,650 --> 00:14:39,140

that is what people call a Naruto run

334

00:14:44,320 --> 00:14:41,660

and that when you cross I suppose the

335

00:14:46,090 --> 00:14:44,330

boundary of 51 if you are so inclined to

336

00:14:48,070 --> 00:14:46,100

do so which you shouldn't be by the way

337

00:14:49,450 --> 00:14:48,080

that you are supposed to Naruto run in

338

00:14:51,910 --> 00:14:49,460

there and I still don't know exactly

339

00:14:52,510 --> 00:14:51,920

what happens when you execute such a run

340

00:14:54,639 --> 00:14:52,520

maybe

341

00:14:56,410 --> 00:14:54,649

you do you run faster or someone can't

342

00:14:59,530 --> 00:14:56,420

see you I don't know you can dodge

343

00:15:02,139 --> 00:14:59,540

bullets oh well there you go so I

344

00:15:03,639 --> 00:15:02,149

thought I didn't make sense that

345

00:15:05,769 --> 00:15:03,649

completely makes sense you'll need it

346

00:15:08,010 --> 00:15:05,779

because the camo dudes and every other

347

00:15:11,139 --> 00:15:08,020

military police officer on that base is

348

00:15:13,480 --> 00:15:11,149

highly armed to the teeth with great

349

00:15:15,940 --> 00:15:13,490

weapons and they will not hesitate to

350

00:15:18,490 --> 00:15:15,950

use them and that is that is no

351
00:15:19,930 --> 00:15:18,500
right there already when we were here

352
00:15:25,460 --> 00:15:19,940
last time there was about four months

353
00:15:28,619 --> 00:15:25,470
ago we put a video up you're still off

354
00:15:32,900 --> 00:15:28,629
[Music]

355
00:15:35,560 --> 00:15:32,910
we got things happening in Ohio

356
00:15:42,980 --> 00:15:35,570
[Music]

357
00:15:42,990 --> 00:15:47,640
I'm not gonna tell you again

358
00:15:51,410 --> 00:15:50,260
[Music]

359
00:15:53,320 --> 00:15:51,420
Oh

360
00:16:01,740 --> 00:15:53,330
[Music]

361
00:16:20,820 --> 00:16:04,000
we're just adventure travelers we're

362
00:16:37,380 --> 00:16:35,400
I knew you should for the guys we're

363
00:16:40,110 --> 00:16:37,390

just we're just travelers yeah well

364

00:16:44,519 --> 00:16:40,120

let's get to that so I know you and I

365

00:16:48,000 --> 00:16:44,529

both were at the gates of area 51 very

366

00:16:50,610 --> 00:16:48,010

recently and this is no joke we we both

367

00:16:53,730 --> 00:16:50,620

on separate occasions went out to the

368

00:16:56,069 --> 00:16:53,740

gate we also before we got there we both

369

00:16:58,350 --> 00:16:56,079

went to the little alien which is in

370

00:17:00,750 --> 00:16:58,360

Rachel Nevada which how far would you

371

00:17:03,180 --> 00:17:00,760

say that is from kind of where the gate

372

00:17:05,970 --> 00:17:03,190

is a very 51 shin being our local

373

00:17:08,130 --> 00:17:05,980

resident of Nevada so if you leave the

374

00:17:11,280 --> 00:17:08,140

little alien if you're trying to get to

375

00:17:13,650 --> 00:17:11,290

the back gate I would say it takes maybe

376
00:17:14,910 --> 00:17:13,660
half an hour somewhere around there if

377
00:17:17,610 --> 00:17:14,920
you're trying to get to the main gate

378
00:17:19,590 --> 00:17:17,620
which is the more famous location it's

379
00:17:21,900 --> 00:17:19,600
not there's no gate out there at least

380
00:17:24,179 --> 00:17:21,910
from what I know right now we didn't go

381
00:17:27,299 --> 00:17:24,189
to that gate Seth and and the crew and I

382
00:17:29,130 --> 00:17:27,309
we went to the back gate but on that

383
00:17:31,110 --> 00:17:29,140
route I think that's closer to around an

384
00:17:33,180 --> 00:17:31,120
hour and a half maybe more from the

385
00:17:35,190 --> 00:17:33,190
little alien and that is like I said the

386
00:17:36,900 --> 00:17:35,200
more famous site where it's just

387
00:17:39,240 --> 00:17:36,910
basically a couple signs that say do not

388
00:17:41,430 --> 00:17:39,250

cross and that's where you get a lot of

389

00:17:43,080 --> 00:17:41,440

the videos of people they'll scan the

390

00:17:44,430 --> 00:17:43,090

hillside and then you'll see the the

391

00:17:49,049 --> 00:17:44,440

white vehicles with the camo dudes

392

00:17:51,299 --> 00:17:49,059

inside so I me and Seth and the guys we

393

00:17:53,820 --> 00:17:51,309

ended up out at the back gate it was

394

00:17:55,860 --> 00:17:53,830

just it was more conducive to do so at

395

00:17:59,010 --> 00:17:55,870

that point yeah that's where I ended up

396

00:18:02,100 --> 00:17:59,020

too and I think for the better because

397

00:18:05,520 --> 00:18:02,110

like you said at this back quote-unquote

398

00:18:07,620 --> 00:18:05,530

gate there's an actual post that will

399

00:18:09,630 --> 00:18:07,630

not it's a barrier you can't go past

400

00:18:12,180 --> 00:18:09,640

yeah the one you're talking about the

401
00:18:14,130 --> 00:18:12,190
the main gate as it were there's nothing

402
00:18:17,100 --> 00:18:14,140
to stop you and that's where we see

403
00:18:19,710 --> 00:18:17,110
these viral videos of people who have

404
00:18:24,150 --> 00:18:19,720
either purposefully or accidentally

405
00:18:26,909 --> 00:18:24,160
crossed past silence and I think in the

406
00:18:28,200 --> 00:18:26,919
past if I'm not mistaken maybe I don't

407
00:18:30,419 --> 00:18:28,210
know if this had happened yet but when

408
00:18:32,340 --> 00:18:30,429
you and I and Sam did our groom Lake

409
00:18:33,960 --> 00:18:32,350
episode yes I don't know if this had

410
00:18:34,590 --> 00:18:33,970
happened yet but there was a cabbie that

411
00:18:37,140 --> 00:18:34,600
was commissioned

412
00:18:40,080 --> 00:18:37,150
by a couple of people in Vegas to drive

413
00:18:42,419 --> 00:18:40,090

them out to area 51 unbeknownst to him

414

00:18:44,279 --> 00:18:42,429

you know maybe they were chatting and he

415

00:18:47,640 --> 00:18:44,289

wasn't paying attention he did cross

416

00:18:49,400 --> 00:18:47,650

that boundary at the main gate and they

417

00:18:51,930 --> 00:18:49,410

were pulled out of the car at gunpoint

418

00:18:54,120 --> 00:18:51,940

very terrifying for all involved I'm

419

00:18:57,750 --> 00:18:54,130

sure and even though it was an accident

420

00:19:00,150 --> 00:18:57,760

I mean the guy and the two fares were in

421

00:19:03,360 --> 00:19:00,160

a lot of trouble I mean when you cross

422

00:19:05,490 --> 00:19:03,370

the boundaries it is more serious I

423

00:19:08,279 --> 00:19:05,500

think than people could realize besides

424

00:19:09,870 --> 00:19:08,289

the jail time in little Alamo City Jail

425

00:19:12,720 --> 00:19:09,880

the hefty fines

426
00:19:14,340 --> 00:19:12,730
people need to realize unless you maybe

427
00:19:16,470 --> 00:19:14,350
you don't like to fly maybe you like to

428
00:19:18,240 --> 00:19:16,480
drive let's hope so because you end up

429
00:19:20,880 --> 00:19:18,250
on a terrorist watch list and you can

430
00:19:27,270 --> 00:19:20,890
never fly again in your whole life

431
00:19:30,840 --> 00:19:27,280
so yeah I had become a terrorist you're

432
00:19:33,690 --> 00:19:30,850
breaching a federally owned military

433
00:19:35,940 --> 00:19:33,700
installation yeah never dawned on me

434
00:19:38,940 --> 00:19:35,950
yeah you would be put on a no-fly list

435
00:19:41,789 --> 00:19:38,950
in fact there was a guy this was in the

436
00:19:44,340 --> 00:19:41,799
last year there was a guy that and we do

437
00:19:45,659 --> 00:19:44,350
believe at this point that it was I say

438
00:19:48,090 --> 00:19:45,669

we like I'm part of the story I'm just

439

00:19:51,210 --> 00:19:48,100

saying we in general as people believe

440

00:19:54,240 --> 00:19:51,220

that it was kind of death by by MP or

441

00:19:56,220 --> 00:19:54,250

security guard but he went through I

442

00:20:00,210 --> 00:19:56,230

believe it was Tonopah test range which

443

00:20:03,960 --> 00:20:00,220

all of these areas Tonopah is not very

444

00:20:05,940 --> 00:20:03,970

far north of 51 I like the actual base

445

00:20:07,710 --> 00:20:05,950

people don't realize once you here's

446

00:20:10,409 --> 00:20:07,720

another thing guys once you get through

447

00:20:12,029 --> 00:20:10,419

the gate say you do say you know Ruto

448

00:20:13,980 --> 00:20:12,039

run through the gate you still have to

449

00:20:16,890 --> 00:20:13,990

Naruto run about another hour to

450

00:20:19,169 --> 00:20:16,900

actually hit the race itself yeah yeah

451
00:20:20,760 --> 00:20:19,179
yeah and I highly doubt there's gonna be

452
00:20:26,730 --> 00:20:20,770
UFO sitting on the tarmac by the way

453
00:20:28,110 --> 00:20:26,740
guys um but this guy breached I believe

454
00:20:29,909 --> 00:20:28,120
it was tone up I could be wrong about

455
00:20:31,500 --> 00:20:29,919
that but there was a it could even be

456
00:20:34,770 --> 00:20:31,510
creature I don't know there's all kinds

457
00:20:37,590 --> 00:20:34,780
of bases out in out here in Nevada he

458
00:20:39,779 --> 00:20:37,600
got about an hour deep in his vehicle he

459
00:20:41,340 --> 00:20:39,789
was kind of pulling the oj thing where

460
00:20:43,140 --> 00:20:41,350
they're tagging along behind him and

461
00:20:44,850 --> 00:20:43,150
he's taking him on a chase it was more

462
00:20:46,530 --> 00:20:44,860
high speed than oj a deadly police

463
00:20:48,029 --> 00:20:46,540

shooting out of Mercury Nevada and

464

00:20:49,799 --> 00:20:48,039

police shot and killed him

465

00:20:51,690 --> 00:20:49,809

who entered the federal site where the

466

00:20:53,070 --> 00:20:51,700

government used to test nuclear bombs

467

00:20:54,659 --> 00:20:53,080

and here's the video we're getting into

468

00:20:56,639 --> 00:20:54,669

our newsroom the National Nuclear

469

00:20:58,859 --> 00:20:56,649

Security Administration says the man

470

00:21:02,009 --> 00:20:58,869

failed to stop at the security gate and

471

00:21:04,080 --> 00:21:02,019

then he drove another eight miles parked

472

00:21:06,659 --> 00:21:04,090

got out of his car started walking

473

00:21:08,789 --> 00:21:06,669

toward security officers those officers

474

00:21:10,830 --> 00:21:08,799

and nine County sheriff's deputies say

475

00:21:13,139 --> 00:21:10,840

they told the man to stop and drop what

476
00:21:15,149 --> 00:21:13,149
he was holding he refused so they shot

477
00:21:17,249 --> 00:21:15,159
him he died on the scene it's not clear

478
00:21:19,710 --> 00:21:17,259
if he was armed and the FBI has been

479
00:21:22,799 --> 00:21:19,720
notified the point is they don't mess

480
00:21:25,019 --> 00:21:22,809
around at these bases and if you think

481
00:21:27,599 --> 00:21:25,029
that just because 10,000 of you show up

482
00:21:29,399 --> 00:21:27,609
something interesting to me would be not

483
00:21:32,009 --> 00:21:29,409
that I want to see anybody hurt but they

484
00:21:33,960 --> 00:21:32,019
have these forms of crowd control that

485
00:21:35,669 --> 00:21:33,970
it's not all just they're going to take

486
00:21:37,440 --> 00:21:35,679
you down with their a ar-15s or whatever

487
00:21:39,629 --> 00:21:37,450
they have what if they have some of

488
00:21:41,359 --> 00:21:39,639

these infrasound weapons you know to

489

00:21:43,409 --> 00:21:41,369

make you very very sick so hey

490

00:21:45,119 --> 00:21:43,419

60-thousand show up great you're all

491

00:21:48,149 --> 00:21:45,129

going to be puking in the dirt before

492

00:21:50,070 --> 00:21:48,159

you ever see any any hanger you might

493

00:21:52,109 --> 00:21:50,080

cross the boundary but you're going to

494

00:21:55,430 --> 00:21:52,119

be taken down by other means because I'm

495

00:21:58,769 --> 00:21:55,440

pretty sure they have some fantastic

496

00:22:02,669 --> 00:21:58,779

non-lethal weaponry behind those gates

497

00:22:05,700 --> 00:22:02,679

yeah and I mean we had an incident that

498

00:22:07,499 --> 00:22:05,710

hopefully will make it onto an upcoming

499

00:22:09,149 --> 00:22:07,509

television show it might not I don't

500

00:22:12,330 --> 00:22:09,159

know if they're gonna use it or not we

501
00:22:15,839 --> 00:22:12,340
had an incident about I'd say we were

502
00:22:21,060 --> 00:22:15,849
still about seven to ten miles away from

503
00:22:23,359 --> 00:22:21,070
that gate where we have audio proof that

504
00:22:26,310 --> 00:22:23,369
we were being monitored at that point

505
00:22:28,589 --> 00:22:26,320
which was really scaring for me because

506
00:22:31,469 --> 00:22:28,599
I had never been to the gate before I'd

507
00:22:33,210 --> 00:22:31,479
heard all the stories all the rumors you

508
00:22:35,969 --> 00:22:33,220
know we went to the little alien before

509
00:22:37,830 --> 00:22:35,979
this and the guy said oh yeah be careful

510
00:22:39,479 --> 00:22:37,840
we asked when's the last time someone's

511
00:22:41,460 --> 00:22:39,489
been shot there he's like Oh last week

512
00:22:43,560 --> 00:22:41,470
and we left we thought he was kidding

513
00:22:46,349 --> 00:22:43,570

he's like no I'm serious and he took out

514

00:22:48,570 --> 00:22:46,359

a newspaper and showed us and holy

515

00:22:52,229 --> 00:22:48,580

like this is real like we have to be

516

00:22:54,330 --> 00:22:52,239

real a house I I did not real it was

517

00:22:56,249 --> 00:22:54,340

that the guy that I was just yes doesn't

518

00:22:59,729 --> 00:22:56,259

mean you were talking about okay

519

00:23:00,570 --> 00:22:59,739

we covered because story recently it was

520

00:23:04,110 --> 00:23:00,580

a young

521

00:23:07,440 --> 00:23:04,120

frickin American man who it seemed like

522

00:23:10,980 --> 00:23:07,450

he may have been a little unstable man

523

00:23:13,680 --> 00:23:10,990

clearly you know he's breaching at gate

524

00:23:16,100 --> 00:23:13,690

at area 51 or Nevada testing site I

525

00:23:19,169 --> 00:23:16,110

should say and the Lincoln County

526

00:23:23,610 --> 00:23:19,179

Sheriff's had to had to take care of it

527

00:23:25,289 --> 00:23:23,620

and Sheriff's it wasn't the on-base okay

528

00:23:28,409 --> 00:23:25,299

because and wasn't it true that

529

00:23:30,389 --> 00:23:28,419

eventually most of those roads from like

530

00:23:33,090 --> 00:23:30,399

Creech to Tonopah Nevada test range in

531

00:23:35,430 --> 00:23:33,100

51 they kind of all are connected so

532

00:23:38,009 --> 00:23:35,440

eventually he would have ended up in in

533

00:23:40,230 --> 00:23:38,019

51 if that was this point who knows I

534

00:23:42,570 --> 00:23:40,240

won't find out but ya never know we'll

535

00:23:45,029 --> 00:23:42,580

never know why he was there what he was

536

00:23:47,549 --> 00:23:45,039

doing to me it just was a very

537

00:23:49,919 --> 00:23:47,559

unfortunate tragedy ya shoulda never

538

00:23:53,159 --> 00:23:49,929

happen you could tell the Lincoln County

539

00:23:55,649 --> 00:23:53,169

Sheriff was extremely like shaken up by

540

00:23:57,659 --> 00:23:55,659

this event but they had to do their job

541

00:24:00,570 --> 00:23:57,669

unfortunately it was then taken over by

542

00:24:02,759 --> 00:24:00,580

the FBI the case so we'll never know why

543

00:24:05,430 --> 00:24:02,769

the kid was out there what he was doing

544

00:24:06,990 --> 00:24:05,440

what he was looking for so what was the

545

00:24:10,070 --> 00:24:07,000

could you share what that proof was that

546

00:24:17,820 --> 00:24:10,080

you guys wore in fact being monitored I

547

00:24:20,159 --> 00:24:17,830

can't I can't ya know that is so cool

548

00:24:24,299 --> 00:24:20,169

we didn't have any confirmation of of

549

00:24:25,289 --> 00:24:24,309

that sort but those buildings right

550

00:24:27,720 --> 00:24:25,299

there at the back gate

551

00:24:29,450 --> 00:24:27,730

they've kind of got that that tent that

552

00:24:32,610 --> 00:24:29,460

you see on some people's cars where you

553

00:24:33,779 --> 00:24:32,620

sure as heck can't see if anybody's

554

00:24:35,159 --> 00:24:33,789

standing right on the other side of it

555

00:24:36,419 --> 00:24:35,169

and looking out at you not that they

556

00:24:39,299 --> 00:24:36,429

would date a body right there because

557

00:24:40,769 --> 00:24:39,309

the cameras out there were spectacular

558

00:24:42,720 --> 00:24:40,779

you can tell they were the high def and

559

00:24:45,960 --> 00:24:42,730

they're moving moving them around as

560

00:24:47,519 --> 00:24:45,970

they need to so big well very impressive

561

00:24:50,159 --> 00:24:47,529

I want to hear a little bit more about

562

00:24:53,460 --> 00:24:50,169

your trip their and um who did you

563

00:24:55,590 --> 00:24:53,470

go with why were you guys out there and

564

00:24:57,930 --> 00:24:55,600

what what did you experience if you're

565

00:25:00,210 --> 00:24:57,940

willing to share I know see it in an

566

00:25:02,310 --> 00:25:00,220

upcoming docu-series as it were yeah

567

00:25:04,230 --> 00:25:02,320

yeah who was this what were you guys

568

00:25:07,049 --> 00:25:04,240

doing though I was out there with Seth

569

00:25:08,730 --> 00:25:07,059

Breedlove and Brandon Dale oh and Jason

570

00:25:11,070 --> 00:25:08,740

Utes and that is of course the small

571

00:25:14,220 --> 00:25:11,080

town monster's crew and I'm lucky enough

572

00:25:17,310 --> 00:25:14,230

that Seth invited me to be the on camera

573

00:25:20,730 --> 00:25:17,320

for its called on the trail of UFOs we

574

00:25:22,800 --> 00:25:20,740

recently released on the trail a Bigfoot

575

00:25:24,930 --> 00:25:22,810

I was also part of that so if you guys

576

00:25:27,420 --> 00:25:24,940

are interested in in Bigfoot hurry then

577

00:25:29,400 --> 00:25:27,430

that's on Amazon Prime still along with

578

00:25:31,920 --> 00:25:29,410

all of Seth's other works I mean he's

579

00:25:34,560 --> 00:25:31,930

fantastic at what he does so this on the

580

00:25:38,700 --> 00:25:34,570

trail UFOs the first leg of filming was

581

00:25:40,920 --> 00:25:38,710

out here and we talked to we talked to

582

00:25:43,980 --> 00:25:40,930

Sean Kevin Jason Ryan you might have

583

00:25:45,870 --> 00:25:43,990

seen that and we've talked to David

584

00:25:47,670 --> 00:25:45,880

Weatherly and we went to Phoenix

585

00:25:49,020 --> 00:25:47,680

talked to a couple people out there I

586

00:25:50,370 --> 00:25:49,030

don't want to give it all away even

587

00:25:52,860 --> 00:25:50,380

though we were all sharing pictures of

588

00:25:56,700 --> 00:25:52,870

everyone we spoke to so it's not super

589

00:25:59,070 --> 00:25:56,710

top secret but we went from Vegas to

590

00:26:01,290 --> 00:25:59,080

Phoenix from Phoenix to Sedona and then

591

00:26:03,390 --> 00:26:01,300

Sedona to 51 and back to Vegas and

592

00:26:06,120 --> 00:26:03,400

something funny that happened was we

593

00:26:09,000 --> 00:26:06,130

were leaving Sedona driving out to 51

594

00:26:11,340 --> 00:26:09,010

and we decided because we were kind of

595

00:26:13,340 --> 00:26:11,350

bored it's a long drive says like a

596

00:26:16,050 --> 00:26:13,350

let's go Facebook live real quick and

597

00:26:20,760 --> 00:26:16,060

Brandon who's the composer for all US

598

00:26:23,340 --> 00:26:20,770

works he titled the the video the

599

00:26:24,810 --> 00:26:23,350

Facebook live had the area 51 so we're

600

00:26:26,790 --> 00:26:24,820

doing our thing we're chatting there's a

601
00:26:28,680 --> 00:26:26,800
few folks that know Seth and me and the

602
00:26:31,050 --> 00:26:28,690
guys and we're having a good time and

603
00:26:32,940 --> 00:26:31,060
all of a sudden the views shoot up in

604
00:26:34,500 --> 00:26:32,950
the hundreds hundreds hundreds I get one

605
00:26:42,000 --> 00:26:34,510
point it's like 800 we're like what the

606
00:26:44,670 --> 00:26:42,010
hell is going on right now they've been

607
00:26:47,400 --> 00:26:44,680
seen all over our planet somewhere in

608
00:26:50,640 --> 00:26:47,410

keep looking somewhere in the skies and

632
00:28:00,839 --> 00:27:57,279
unbeknownst to us someone had shared our

633
00:28:03,669 --> 00:28:00,849
Facebook live to the great area 51 group

634
00:28:06,549 --> 00:28:03,679
all of a sudden we're getting called

635
00:28:07,869 --> 00:28:06,559
Carens and kyle's and hey you know why

636
00:28:09,399 --> 00:28:07,879
are you drinking a Red Bull you're

637
00:28:11,079 --> 00:28:09,409
supposed to be drinking a bang I was

638
00:28:12,940 --> 00:28:11,089

drinking a Red Bull and we're like

639

00:28:15,519 --> 00:28:12,950

what's happening right now

640

00:28:17,379 --> 00:28:15,529

so anyway that was just a funny little

641

00:28:19,569 --> 00:28:17,389

blip on the radar and eventually we're

642

00:28:21,369 --> 00:28:19,579

like okay we're gonna stop the Facebook

643

00:28:23,529 --> 00:28:21,379

life now guys have a great day

644

00:28:26,289 --> 00:28:23,539

because we didn't now we're self is like

645

00:28:28,959 --> 00:28:26,299

great now we're on the radar if you know

646

00:28:30,749 --> 00:28:28,969

anybody is actually taking these fools

647

00:28:33,039 --> 00:28:30,759

seriously that might be going out here

648

00:28:35,229 --> 00:28:33,049

now we've been shared in that group

649

00:28:36,279 --> 00:28:35,239

saying that we are heading to area 51

650

00:28:37,899 --> 00:28:36,289

everyone's like aren't you you're a

651
00:28:40,899 --> 00:28:37,909
little early and we're like god dammit

652
00:28:42,879 --> 00:28:40,909
we're not gonna even touch the gates

653
00:28:44,560 --> 00:28:42,889
we're not even gonna attach the gates

654
00:28:47,109 --> 00:28:44,570
we're not going to do anything stupid

655
00:28:50,319 --> 00:28:47,119
like that so that was just a blip on the

656
00:28:53,529 --> 00:28:50,329
radar but we we get out there and it's

657
00:28:56,229 --> 00:28:53,539
the first extraterrestrial sign there's

658
00:28:57,940 --> 00:28:56,239
a couple of guys taking photos at the et

659
00:29:04,419 --> 00:28:57,950
highway sign the very first one there's

660
00:29:05,829 --> 00:29:04,429
two of them yeah and we we pull up and

661
00:29:07,989 --> 00:29:05,839
it's funny because they have the exact

662
00:29:09,999 --> 00:29:07,999
same rental car that we do it's over a

663
00:29:11,259 --> 00:29:10,009

Ford Explorer and we just start chatting

664

00:29:12,699 --> 00:29:11,269

with them I'm like hey you guys want me

665

00:29:14,739 --> 00:29:12,709

to take your picture for the sign and

666

00:29:16,209 --> 00:29:14,749

cuz that's always helpful so I did and

667

00:29:19,060 --> 00:29:16,219

we started chatting he actually has some

668

00:29:20,409 --> 00:29:19,070

credentials I can't really say but he's

669

00:29:21,639 --> 00:29:20,419

like yeah I'm heading out there we're

670

00:29:23,919 --> 00:29:21,649

gonna head out there I'm taking my buddy

671

00:29:26,079 --> 00:29:23,929

out to the gate I'm like well hey I mean

672

00:29:27,579 --> 00:29:26,089

I've never actually been to the gate and

673

00:29:30,489 --> 00:29:27,589

neither have these guys do you mind if

674

00:29:32,199 --> 00:29:30,499

we tag along and we did so the funny

675

00:29:34,029 --> 00:29:32,209

thing was I was like well look at us we

676

00:29:36,620 --> 00:29:34,039

don't look conspicuous at all like two

677

00:29:39,590 --> 00:29:36,630

cars you know

678

00:29:41,480 --> 00:29:39,600

yeah yeah kicking up dust and matching

679

00:29:44,900 --> 00:29:41,490

cars so that was another funny little

680

00:29:48,410 --> 00:29:44,910

blip and we we stop we pull over we see

681

00:29:50,300 --> 00:29:48,420

the gate it's still I don't know 40 50

682

00:29:52,460 --> 00:29:50,310

yards away from us at this point and

683

00:29:56,120 --> 00:29:52,470

there actually was just outside the

684

00:29:58,550 --> 00:29:56,130

gauge a four-door white truck couldn't

685

00:30:02,900 --> 00:29:58,560

see anybody I'm like yes camo dude is

686

00:30:05,510 --> 00:30:02,910

amazed everybody and just a couple

687

00:30:06,710 --> 00:30:05,520

minutes later we're outside the cars and

688

00:30:08,420 --> 00:30:06,720

we're starting to do a couple of

689

00:30:09,890 --> 00:30:08,430

interviews we're seeing if the gentleman

690

00:30:12,560 --> 00:30:09,900

that we ran into wanted to talk about

691

00:30:14,210 --> 00:30:12,570

the base a little bit and he did and

692

00:30:16,100 --> 00:30:14,220

then all of a sudden the truck starts

693

00:30:16,880 --> 00:30:16,110

coming towards us I was like this is

694

00:30:18,320 --> 00:30:16,890

gonna be amazing

695

00:30:23,450 --> 00:30:18,330

we're about to get kicked out by the

696

00:30:24,530 --> 00:30:23,460

camo dudes we dream oh so excited it was

697

00:30:32,960 --> 00:30:24,540

a family of five

698

00:30:36,110 --> 00:30:32,970

there was no camo dudes you don't have

699

00:30:38,690 --> 00:30:36,120

any camo it was like the back freakin

700

00:30:40,640 --> 00:30:38,700

dogs back there the whole nine so there

701
00:30:43,490 --> 00:30:40,650
was all kinds of as you know when you're

702
00:30:46,340 --> 00:30:43,500
on these trips little amazing funny

703
00:30:48,500 --> 00:30:46,350
nuances that happen what about and you

704
00:30:51,050 --> 00:30:48,510
you because of all the mystique behind

705
00:30:53,360 --> 00:30:51,060
area 51 and all these stories you hear

706
00:30:54,680 --> 00:30:53,370
everything you see you're like oh god I

707
00:30:57,770 --> 00:30:54,690
mean I remember we were going down the

708
00:31:00,680 --> 00:30:57,780
ET Highway and a car was barreling

709
00:31:02,870 --> 00:31:00,690
towards us at like over a hundred miles

710
00:31:04,190 --> 00:31:02,880
per hour and we were like oh my god oh

711
00:31:06,500 --> 00:31:04,200
my god who is this who is this who is

712
00:31:08,390 --> 00:31:06,510
this and you know they zip right past us

713
00:31:10,370 --> 00:31:08,400

and who knows could've been anyone out

714

00:31:11,870 --> 00:31:10,380

there maybe someone go in to Rachel I

715

00:31:13,520 --> 00:31:11,880

don't know absolutely

716

00:31:15,350 --> 00:31:13,530

but and we automatically assume oh my

717

00:31:18,110 --> 00:31:15,360

god it's someone connected to the base

718

00:31:20,270 --> 00:31:18,120

it's the government they know where he

719

00:31:22,100 --> 00:31:20,280

is there's no reason for anyone else to

720

00:31:24,860 --> 00:31:22,110

be out there like you said it's so

721

00:31:26,660 --> 00:31:24,870

deserted you need to make sure you have

722

00:31:28,390 --> 00:31:26,670

a full tank of gas before you leave

723

00:31:30,470 --> 00:31:28,400

Rachel or else you're gonna be screwed

724

00:31:31,910 --> 00:31:30,480

yeah there's not even that's what people

725

00:31:34,220 --> 00:31:31,920

need to realize they're like oh the town

726

00:31:37,130 --> 00:31:34,230

of Rachel it is not a town I don't know

727

00:31:38,810 --> 00:31:37,140

if it's called a Township a blip I don't

728

00:31:40,640 --> 00:31:38,820

know what its official title is there's

729

00:31:45,140 --> 00:31:40,650

not a grocery store again there's not

730

00:31:47,120 --> 00:31:45,150

even like a kwik-e-mart to grab a little

731

00:31:49,580 --> 00:31:47,130

bit tasteless sub or something I mean

732

00:31:50,210 --> 00:31:49,590

the gas like you said you have to get it

733

00:31:53,330 --> 00:31:50,220

on the way

734

00:31:55,999 --> 00:31:53,340

it's what 30 40 miles in in an actual

735

00:31:59,389 --> 00:31:56,009

little rest stop area and then that

736

00:32:01,519 --> 00:31:59,399

wasn't even in place right and okay so

737

00:32:04,039 --> 00:32:01,529

let's let's touch on that for anyone

738

00:32:05,269 --> 00:32:04,049

planning to go to this storm area 51

739

00:32:06,830 --> 00:32:05,279

and we're talking like two million

740

00:32:08,749 --> 00:32:06,840

people have said they're going to this

741

00:32:11,060 --> 00:32:08,759

thing we know that's not going to happen

742

00:32:13,899 --> 00:32:11,070

but there are going to be people that

743

00:32:17,570 --> 00:32:13,909

show up to this I know that for a fact

744

00:32:19,669 --> 00:32:17,580

and they don't realize the closest place

745

00:32:23,509 --> 00:32:19,679

is Rachel and y'all we're talking like a

746

00:32:27,110 --> 00:32:23,519

couple trailers maybe a few tents and

747

00:32:29,480 --> 00:32:27,120

then the little alien and they cannot

748

00:32:32,749 --> 00:32:29,490

how is all these people who plan on

749

00:32:35,869 --> 00:32:32,759

going so I I don't know I do it this is

750

00:32:38,930 --> 00:32:35,879

gonna be a very interesting social

751

00:32:41,570 --> 00:32:38,940

experiment which it started as a joke

752

00:32:44,299 --> 00:32:41,580

and it is manifested into something way

753

00:32:46,340 --> 00:32:44,309

bigger than any of us can even imagine I

754

00:32:49,519 --> 00:32:46,350

think yeah it's certainly gotten out of

755

00:32:51,710 --> 00:32:49,529

hand and I think that it might be pretty

756

00:32:54,590 --> 00:32:51,720

good for the the alien they'll sell some

757

00:32:56,869 --> 00:32:54,600

extra burgers you know throughout that

758

00:32:59,869 --> 00:32:56,879

day and if people actually hang around I

759

00:33:01,460 --> 00:32:59,879

think that what will happen like you

760

00:33:04,070 --> 00:33:01,470

said there is going to be a portion of

761

00:33:07,129 --> 00:33:04,080

people that go out there now whether it

762

00:33:08,749 --> 00:33:07,139

be just for lookie-loo purposes which I

763

00:33:10,999 --> 00:33:08,759

can't blame them because like you said

764

00:33:13,220 --> 00:33:11,009

it'll be an amazing social experiment to

765

00:33:14,869 --> 00:33:13,230

see actually what goes down what is it

766

00:33:18,080 --> 00:33:14,879

between 3 and 6 a.m. or whatever it is

767

00:33:19,340 --> 00:33:18,090

right like 3 a.m. let's do this thing

768

00:33:23,119 --> 00:33:19,350

the witching hour

769

00:33:26,029 --> 00:33:23,129

so how perfect is that I think what will

770

00:33:28,159 --> 00:33:26,039

probably happen and I've been posting

771

00:33:29,810 --> 00:33:28,169

the funny memes in my group just just

772

00:33:32,690 --> 00:33:29,820

because it's just so damn funny you know

773

00:33:34,669 --> 00:33:32,700

that there's ads for fake festivals and

774

00:33:36,110 --> 00:33:34,679

this and Adam they said like Tupac was

775

00:33:37,399 --> 00:33:36,120

going to be performing and all this

776

00:33:40,490 --> 00:33:37,409

stuff it's hilarious I mean it's

777

00:33:42,740 --> 00:33:40,500

obviously a joke and and people just

778

00:33:43,820 --> 00:33:42,750

need to laugh it's just funny except for

779

00:33:45,320 --> 00:33:43,830

the people that may be taking this

780

00:33:46,879 --> 00:33:45,330

seriously but I hope that what happens

781

00:33:48,799 --> 00:33:46,889

is they all go out there even a serious

782

00:33:50,600 --> 00:33:48,809

ones they get talked down there'll be

783

00:33:52,879 --> 00:33:50,610

some food trucks there and some people

784

00:33:54,470 --> 00:33:52,889

selling \$7 bottles of water is if you

785

00:33:57,080 --> 00:33:54,480

were at a Vegas pool or something and

786

00:34:00,259 --> 00:33:57,090

then everybody goes home safe and sound

787

00:34:02,659 --> 00:34:00,269

and maybe the the alien get some extra

788

00:34:05,239 --> 00:34:02,669

exposure not that it really

789

00:34:07,849 --> 00:34:05,249

anymore is very famous but I think that

790

00:34:10,819 --> 00:34:07,859

is closer to what will happen do I think

791

00:34:14,539 --> 00:34:10,829

that there might be a few let's be

792

00:34:16,760 --> 00:34:14,549

honest are you know I will say Bob Lazar

793

00:34:18,589 --> 00:34:16,770

made a comment about this whole storm at

794

00:34:20,809 --> 00:34:18,599

area 51 thing and he was so like

795

00:34:23,629 --> 00:34:20,819

professional and diplomatic about it I

796

00:34:25,819 --> 00:34:23,639

myself just go if you are moronic enough

797

00:34:28,970 --> 00:34:25,829

to do that then I I don't know what to

798

00:34:32,329 --> 00:34:28,980

tell you it is completely moronic to

799

00:34:35,960 --> 00:34:32,339

think that you should ever ever go into

800

00:34:37,760 --> 00:34:35,970

a high-profile highly secured base just

801
00:34:39,859 --> 00:34:37,770
just google it just Google what will

802
00:34:42,260 --> 00:34:39,869
happen if you do so and maybe you will

803
00:34:43,970 --> 00:34:42,270
reconsider yeah so I remember a few

804
00:34:46,609 --> 00:34:43,980
years back now I interviewed a guy who

805
00:34:48,319 --> 00:34:46,619
was part of a BBC television show where

806
00:34:51,319 --> 00:34:48,329
he and a group of UFO Hunters

807
00:34:54,109 --> 00:34:51,329
accompanied a British comedian Andrew

808
00:34:57,349 --> 00:34:54,119
Maxwell to the gates at area 51 and

809
00:34:59,180 --> 00:34:57,359
Maxwell decided to play with fire and he

810
00:35:02,240 --> 00:34:59,190
literally had the whole group crossed

811
00:35:04,819 --> 00:35:02,250
the barriers and lo and behold guess

812
00:35:07,579 --> 00:35:04,829
what happens we arrived at area 51

813
00:35:09,770 --> 00:35:07,589

checkpoint to me it seemed like an

814

00:35:11,780 --> 00:35:09,780

ordinary military facility but my

815

00:35:13,940 --> 00:35:11,790

companions were convinced this was the

816

00:35:16,579 --> 00:35:13,950

gateway to the Extra Terrestrial secrets

817

00:35:19,430 --> 00:35:16,589

it got a little bit overexcited and we

818

00:35:21,530 --> 00:35:19,440

strayed into the restrictor zone but

819

00:35:23,329 --> 00:35:21,540

after knocking on the guardhouse door we

820

00:35:25,789 --> 00:35:23,339

found ourselves lying on the ground with

821

00:35:27,319 --> 00:35:25,799

gun barrels pointed at our heads the

822

00:35:29,660 --> 00:35:27,329

military police had detained us for

823

00:35:32,000 --> 00:35:29,670

trespassing and confiscated our cameras

824

00:35:34,880 --> 00:35:32,010

four hours later we were back on the bus

825

00:35:36,589 --> 00:35:34,890

after being released without charge with

826

00:35:41,690 --> 00:35:36,599

just a camera phone to capture our

827

00:35:44,730 --> 00:35:41,700

relief we please raise a toast to work

828

00:36:06,309 --> 00:36:04,180

we are people who can say and you know

829

00:36:07,660 --> 00:36:06,319

we don't maybe when I was younger and

830

00:36:10,210 --> 00:36:07,670

more naive when it came to all this

831

00:36:12,220 --> 00:36:10,220

stuff and I really bought into like the

832

00:36:14,740 --> 00:36:12,230

x-files when Mulder would break into

833

00:36:18,250 --> 00:36:14,750

these government installations for alien

834

00:36:19,900 --> 00:36:18,260

information I'm like yeah let's let's

835

00:36:22,420 --> 00:36:19,910

overthrow the government let's find out

836

00:36:26,770 --> 00:36:22,430

what they know now that I've become I

837

00:36:29,410 --> 00:36:26,780

would hope a more logical person and a

838

00:36:33,069 --> 00:36:29,420

person who understands the need for

839

00:36:35,470 --> 00:36:33,079

national security these bases are doing

840

00:36:37,210 --> 00:36:35,480

highly classified things for a reason

841

00:36:39,910 --> 00:36:37,220

maybe some of those reasons are more

842

00:36:44,710 --> 00:36:39,920

nefarious than others but they are for

843

00:36:46,569 --> 00:36:44,720

our defense and I am all for that again

844

00:36:50,530 --> 00:36:46,579

not getting into politics or anything

845

00:36:53,829 --> 00:36:50,540

but like I am all for America being like

846

00:36:55,690 --> 00:36:53,839

this this this place where we can always

847

00:36:58,030 --> 00:36:55,700

feel safe and know that our government

848

00:37:02,079 --> 00:36:58,040

is looking out for us and that's what

849

00:37:05,500 --> 00:37:02,089

these bases are presumably for not for

850

00:37:08,770 --> 00:37:05,510

housing crashed UFOs or any of that you

851
00:37:11,079 --> 00:37:08,780
look at the amazing aviation things that

852
00:37:15,250 --> 00:37:11,089
have come out of area 51 I've skunkworks

853
00:37:18,069 --> 00:37:15,260
you know yes the sr-71 the oxcart thing

854
00:37:19,780 --> 00:37:18,079
everything stealth bombers like these

855
00:37:21,550 --> 00:37:19,790
are things that they've been working on

856
00:37:23,770 --> 00:37:21,560
there for 30 years before we knew about

857
00:37:27,579 --> 00:37:23,780
it and that's what you do that's how you

858
00:37:29,200 --> 00:37:27,589
get ahead in defense so for a for anyone

859
00:37:31,089 --> 00:37:29,210
who thinks it's a good idea to do that

860
00:37:33,460 --> 00:37:31,099
and try to look for aliens you're gonna

861
00:37:35,290 --> 00:37:33,470
be sorely disappointed and be you don't

862
00:37:37,210 --> 00:37:35,300
have a right to know what's going on in

863
00:37:40,329 --> 00:37:37,220

there just don't and you have to accept

864

00:37:40,960 --> 00:37:40,339

that as this as a citizen I mean that's

865

00:37:43,930 --> 00:37:40,970

my opinion

866

00:37:46,359 --> 00:37:43,940

no you're you're completely right and as

867

00:37:48,760 --> 00:37:46,369

mentioned earlier if you make it to our

868

00:37:50,380 --> 00:37:48,770

past the corn coat gate or the boundary

869

00:37:52,390 --> 00:37:50,390

do you really think there's going to be

870

00:37:53,470 --> 00:37:52,400

UFO with a little alien waving at you

871

00:37:55,569 --> 00:37:53,480

sitting out on the tarmac

872

00:37:56,680 --> 00:37:55,579

you have to realize it's more like an

873

00:37:58,270 --> 00:37:56,690

iceberg I

874

00:38:00,460 --> 00:37:58,280

suppose at most of these bases where

875

00:38:02,260 --> 00:38:00,470

what you see on the surface pales in

876
00:38:05,470 --> 00:38:02,270
comparison to what is underground we've

877
00:38:08,220 --> 00:38:05,480
heard many a tale about line after line

878
00:38:11,980 --> 00:38:08,230
of concrete trucks back in the day

879
00:38:14,620 --> 00:38:11,990
taking loads of concrete underground in

880
00:38:17,319 --> 00:38:14,630
these massive tunnels so folks come on

881
00:38:19,420 --> 00:38:17,329
there's no way that even if you you

882
00:38:21,250 --> 00:38:19,430
could be standing on a tarmac of the

883
00:38:23,079 --> 00:38:21,260
longest runway in the world which would

884
00:38:25,599 --> 00:38:23,089
be really bad to the bone for that

885
00:38:27,609 --> 00:38:25,609
selfie but once they catch up to you

886
00:38:30,010 --> 00:38:27,619
you're just in a world of hurt and you

887
00:38:32,140 --> 00:38:30,020
have had no experiences you'll have had

888
00:38:35,319 --> 00:38:32,150

no sightings of anything strange or

889

00:38:36,790 --> 00:38:35,329

alien and you're not taking an alien out

890

00:38:39,339 --> 00:38:36,800

so that he can get his free Bud Light

891

00:38:42,040 --> 00:38:39,349

that is not going to happen so I mean

892

00:38:44,800 --> 00:38:42,050

you've got a lot of bases here in Nevada

893

00:38:48,370 --> 00:38:44,810

alone and I think that it's something

894

00:38:50,710 --> 00:38:48,380

like what is it 83 or 85% of Nevada is

895

00:38:53,230 --> 00:38:50,720

government-owned with a lot of that land

896

00:38:55,569 --> 00:38:53,240

being a no-fly zone to where I mean

897

00:38:58,390 --> 00:38:55,579

you're talking about f-14s will escort

898

00:39:00,609 --> 00:38:58,400

your butt right out of that debt zone or

899

00:39:02,140 --> 00:39:00,619

you just get shot down depending on you

900

00:39:04,450 --> 00:39:02,150

know what's going on or where you are

901
00:39:06,609 --> 00:39:04,460
they take it very seriously so whether

902
00:39:09,280 --> 00:39:06,619
it's on the ground or in the air just

903
00:39:12,670 --> 00:39:09,290
just don't do it just don't be like Nike

904
00:39:16,030 --> 00:39:12,680
don't don't do it so right if there was

905
00:39:19,390 --> 00:39:16,040
at some point some kind of alien craft

906
00:39:21,069 --> 00:39:19,400
or something strange at 51 maybe there's

907
00:39:23,680 --> 00:39:21,079
some remnants there still maybe it is

908
00:39:25,390 --> 00:39:23,690
just like id4 where you know they've got

909
00:39:27,339 --> 00:39:25,400
that hangar with the floating craft that

910
00:39:29,620 --> 00:39:27,349
would be amazing we all want that really

911
00:39:31,569 --> 00:39:29,630
really bad but I think at this point

912
00:39:33,040 --> 00:39:31,579
things have probably been shifted

913
00:39:36,579 --> 00:39:33,050

somewhere else you know you've got

914

00:39:39,550 --> 00:39:36,589

wright-patterson in in Ohio or you've

915

00:39:41,589 --> 00:39:39,560

got even Utah you've got Doug way out in

916

00:39:44,380 --> 00:39:41,599

Utah and who's to say that some of these

917

00:39:46,240 --> 00:39:44,390

bases aren't even connected I mean

918

00:39:48,069 --> 00:39:46,250

that's another may be nearly a

919

00:39:50,020 --> 00:39:48,079

conspiracy theory right like some

920

00:39:54,220 --> 00:39:50,030

underground train or a transfer system

921

00:39:56,230 --> 00:39:54,230

big enough to do such a thing but I

922

00:39:58,210 --> 00:39:56,240

don't think it's completely impossible

923

00:40:01,390 --> 00:39:58,220

you know the government's got a lot of

924

00:40:02,829 --> 00:40:01,400

money yeah so I I don't think they're

925

00:40:06,569 --> 00:40:02,839

they're putting these things on 18

926
00:40:10,790 --> 00:40:09,250
yeah or what was it a flight of the

927
00:40:12,920 --> 00:40:10,800
navigator they had that

928
00:40:15,550 --> 00:40:12,930
for a second or maybe it was another

929
00:40:18,080 --> 00:40:15,560
movie sometimes I get mine cross but

930
00:40:20,330 --> 00:40:18,090
yeah I think it's all happening under

931
00:40:23,450 --> 00:40:20,340
our feet for the most part especially if

932
00:40:25,100 --> 00:40:23,460
it's forget the the secret stuff to keep

933
00:40:27,560 --> 00:40:25,110
us safe like you said very important

934
00:40:29,900 --> 00:40:27,570
let's keep that secret if it is some

935
00:40:32,300 --> 00:40:29,910
alien stuff there sure as hell not gonna

936
00:40:34,940 --> 00:40:32,310
be transporting it above ground for the

937
00:40:37,280 --> 00:40:34,950
most part right that's a really good

938
00:40:39,410 --> 00:40:37,290

point and I would suggest anyone

939

00:40:41,690 --> 00:40:39,420

listening um if you go to reddit if

940

00:40:44,000 --> 00:40:41,700

you're a reddit kind of person there's

941

00:40:46,580 --> 00:40:44,010

like a really good thread for about

942

00:40:48,950 --> 00:40:46,590

Dugway proving ground hmm am I saying

943

00:40:51,020 --> 00:40:48,960

that right proving proving I don't prove

944

00:40:53,450 --> 00:40:51,030

proving you okay yeah see that's just

945

00:40:56,390 --> 00:40:53,460

how much I know about military it's say

946

00:40:58,760 --> 00:40:56,400

that's where we are you know we have our

947

00:41:01,640 --> 00:40:58,770

limits at some points I have the same

948

00:41:03,620 --> 00:41:01,650

thing where I'm like I I think I said

949

00:41:04,910 --> 00:41:03,630

the right thing but I probably didn't

950

00:41:12,800 --> 00:41:04,920

but you guys will figure it out later

951
00:41:14,870 --> 00:41:12,810
don't worry right area 51 yeah you're

952
00:41:22,940 --> 00:41:14,880
gonna piss your pants with areia if you

953
00:41:24,950 --> 00:41:22,950
run across this Oh Doug way yeah um

954
00:41:26,420 --> 00:41:24,960
there's like a thread on reddit all

955
00:41:27,560 --> 00:41:26,430
about Doug wait were like former

956
00:41:29,660 --> 00:41:27,570
military people

957
00:41:31,660 --> 00:41:29,670
and people who've worked at Doug wait

958
00:41:34,430 --> 00:41:31,670
like communicate with each other and

959
00:41:36,650 --> 00:41:34,440
like so what's going on there and like

960
00:41:38,630 --> 00:41:36,660
oh I tried to get a sign there and they

961
00:41:41,960 --> 00:41:38,640
said not a chance in hell blah blah blah

962
00:41:45,260 --> 00:41:41,970
so you know ah there is definitely some

963
00:41:47,030 --> 00:41:45,270

like bio warfare sort of stuff going on

964

00:41:49,910 --> 00:41:47,040

there there's been like leaks in the

965

00:41:52,430 --> 00:41:49,920

past I believe at Dugway where like some

966

00:41:54,140 --> 00:41:52,440

sort of chemicals or pathogens like

967

00:41:57,830 --> 00:41:54,150

leaked out to the public and they had to

968

00:42:00,560 --> 00:41:57,840

close down the entire town am i gay yeah

969

00:42:02,030 --> 00:42:00,570

I vaguely remember something about that

970

00:42:04,580 --> 00:42:02,040

I'm not gonna speak further on it cuz I

971

00:42:05,840 --> 00:42:04,590

really vaguely remember it but yes I do

972

00:42:09,560 --> 00:42:05,850

remember hearing something about that I

973

00:42:12,020 --> 00:42:09,570

mean Doug way I think is like nearly a

974

00:42:13,700 --> 00:42:12,030

million acres or 800 something thousand

975

00:42:18,140 --> 00:42:13,710

acres I mean they've got the room to

976

00:42:21,650 --> 00:42:18,150

play that's what folks need to realize

977

00:42:23,780 --> 00:42:21,660

and they have they do have the right to

978

00:42:24,690 --> 00:42:23,790

do whatever the hell they want on those

979

00:42:26,130 --> 00:42:24,700

grounds

980

00:42:27,930 --> 00:42:26,140

and and I think that you're right it's

981

00:42:30,210 --> 00:42:27,940

mostly just for national security

982

00:42:32,309 --> 00:42:30,220

purposes and and God bless them let them

983

00:42:34,260 --> 00:42:32,319

work but don't interrupt them let them

984

00:42:36,270 --> 00:42:34,270

work that's the other thing like let

985

00:42:38,700 --> 00:42:36,280

these people do their jobs they're just

986

00:42:40,230 --> 00:42:38,710

doing their jobs even the camo dude it's

987

00:42:42,089 --> 00:42:40,240

like they like them mess around with

988

00:42:43,920 --> 00:42:42,099

people because it's not only boring as

989

00:42:45,930 --> 00:42:43,930

for ninety five percent of the time

990

00:42:47,880 --> 00:42:45,940

they're there but they just run into

991

00:42:49,620 --> 00:42:47,890

morons just I mean ninety five percent

992

00:42:51,450 --> 00:42:49,630

of the time it's just morons they do it

993

00:42:53,549 --> 00:42:51,460

that's their whole job you guys realize

994

00:42:55,289 --> 00:42:53,559

today was a job yeah do you remember

995

00:42:58,349 --> 00:42:55,299

that video of the like I think it was a

996

00:43:00,780 --> 00:42:58,359

Japanese family who like went past the

997

00:43:02,039 --> 00:43:00,790

gate and they camo dudes got him out of

998

00:43:04,650 --> 00:43:02,049

their cars and made him like walk

999

00:43:08,339 --> 00:43:04,660

backwards to them yeah that viral video

1000

00:43:10,710 --> 00:43:08,349

so let's talk to the dude who was there

1001
00:43:14,460 --> 00:43:10,720
with that family until that video that's

1002
00:43:17,280 --> 00:43:14,470
real it's not a hoax oh my god and it's

1003
00:43:20,640 --> 00:43:17,290
that's what they do they wait for people

1004
00:43:24,780 --> 00:43:20,650
to be stupid and then like you said slap

1005
00:43:27,660 --> 00:43:24,790
a \$750 fine on breaching one tiny wooden

1006
00:43:29,640 --> 00:43:27,670
outpost yeah but they knew you were

1007
00:43:31,380 --> 00:43:29,650
coming for miles and miles ahead of that

1008
00:43:33,870 --> 00:43:31,390
they just want to see what you're gonna

1009
00:43:35,789 --> 00:43:33,880
do and like you said it's very few

1010
00:43:37,920 --> 00:43:35,799
people who actually are stupid enough or

1011
00:43:41,490 --> 00:43:37,930
like you said with the other guy the

1012
00:43:43,079 --> 00:43:41,500
tour guide who just got distracted and

1013
00:43:44,400 --> 00:43:43,089

went past the barrier without even

1014

00:43:47,280 --> 00:43:44,410

knowing it

1015

00:43:50,130 --> 00:43:47,290

those things happen but you have to be

1016

00:43:52,620 --> 00:43:50,140

careful and and just know if you're

1017

00:43:54,660 --> 00:43:52,630

going out there to film they have every

1018

00:43:56,220 --> 00:43:54,670

right to confiscate your phone your camp

1019

00:43:59,039 --> 00:43:56,230

yeah you will never get those things

1020

00:44:01,440 --> 00:43:59,049

back so be prepared to lose your phone

1021

00:44:03,030 --> 00:44:01,450

your cameras your drones they will shoot

1022

00:44:06,839 --> 00:44:03,040

those things out of the sky if they have

1023

00:44:08,010 --> 00:44:06,849

to like they don't mess around and they

1024

00:44:09,240 --> 00:44:08,020

don't mess around when it comes to

1025

00:44:10,799 --> 00:44:09,250

giving people tickets either

1026

00:44:13,230 --> 00:44:10,809

like this is like getting a speeding

1027

00:44:15,180 --> 00:44:13,240

ticket they have quotas to me this is

1028

00:44:15,480 --> 00:44:15,190

the Lincoln County police they need your

1029

00:44:17,130 --> 00:44:15,490

money

1030

00:44:20,670 --> 00:44:17,140

yeah there's not a lot going on out

1031

00:44:23,370 --> 00:44:20,680

there so I dare you to do that so why

1032

00:44:26,309 --> 00:44:23,380

not if you want to donate 750 bucks to

1033

00:44:29,069 --> 00:44:26,319

the Lincoln County please feel free yeah

1034

00:44:31,859 --> 00:44:29,079

go for it yeah Ivy there's real-life

1035

00:44:33,569 --> 00:44:31,869

consequences and yeah when we were out

1036

00:44:36,420 --> 00:44:33,579

there we didn't even utter the D word

1037

00:44:37,560 --> 00:44:36,430

that you know drown we you can't you

1038

00:44:39,750 --> 00:44:37,570

can't drown in national

1039

00:44:41,670 --> 00:44:39,760

national parks and you you certainly

1040

00:44:44,070 --> 00:44:41,680

should not even utter that word when

1041

00:44:47,570 --> 00:44:44,080

you're near a place like area 51 so you

1042

00:44:52,530 --> 00:44:47,580

know don't do it do not do it well

1043

00:44:54,720 --> 00:44:52,540

moving past that chin so on the trail of

1044

00:44:57,270 --> 00:44:54,730

UFOs that's going to be coming to us

1045

00:45:01,050 --> 00:44:57,280

what later next year am I correct in

1046

00:45:03,780 --> 00:45:01,060

that yeah sometime 2020 I believe that

1047

00:45:06,540 --> 00:45:03,790

Seth kind of mentioned late 2020 but

1048

00:45:08,490 --> 00:45:06,550

we'll see as we progress forward in a

1049

00:45:11,100 --> 00:45:08,500

few months we will be heading out your

1050

00:45:12,840 --> 00:45:11,110

way actually Ryan to the East Coast I

1051

00:45:15,990 --> 00:45:12,850

think we're hitting near New York and

1052

00:45:19,140 --> 00:45:16,000

Washington DC and then sometime after

1053

00:45:21,540 --> 00:45:19,150

that he's gonna bring the crew back out

1054

00:45:24,870 --> 00:45:21,550

kind of my way we're gonna hit up Utah

1055

00:45:27,270 --> 00:45:24,880

in New Mexico so yeah and that should

1056

00:45:29,340 --> 00:45:27,280

culminate filming for on the trail UFOs

1057

00:45:30,540 --> 00:45:29,350

so very exciting well I'm excited that

1058

00:45:32,580 --> 00:45:30,550

you guys are coming out to the East

1059

00:45:35,760 --> 00:45:32,590

Coast we we never get any love over here

1060

00:45:36,960 --> 00:45:35,770

when it comes to UFOs it's always and

1061

00:45:38,370 --> 00:45:36,970

that's the funniest thing everyone's

1062

00:45:39,990 --> 00:45:38,380

like well you're in Vegas you must see

1063

00:45:42,210 --> 00:45:40,000

weird crap in the sky all the time I'm

1064

00:45:44,820 --> 00:45:42,220

like never I never have I still this day

1065

00:45:46,800 --> 00:45:44,830

cannot say I've seen an unidentified

1066

00:45:48,540 --> 00:45:46,810

flying object for the most part I'm like

1067

00:45:50,820 --> 00:45:48,550

that's a plane that I said hey that's

1068

00:45:53,610 --> 00:45:50,830

boring okay so yeah it's just one of

1069

00:45:57,420 --> 00:45:53,620

those things it's it hasn't hit me yet

1070

00:46:01,680 --> 00:45:57,430

no when I people are also cute just to

1071

00:46:04,560 --> 00:46:01,690

tie in the storm area51 thing people

1072

00:46:06,930 --> 00:46:04,570

don't realize how far Rachel is from Las

1073

00:46:08,820 --> 00:46:06,940

Vegas right Ryan I mean I think they

1074

00:46:10,650 --> 00:46:08,830

think it's like oh every fifty one's

1075

00:46:12,840 --> 00:46:10,660

like yeah you get in the car 30 minutes

1076

00:46:16,140 --> 00:46:12,850

later you're at the gate area so much

1077

00:46:18,690 --> 00:46:16,150

yeah here's a note guys don't drink two

1078

00:46:21,210 --> 00:46:18,700

cups of coffee do you make that chance

1079

00:46:22,590 --> 00:46:21,220

right or else you're gonna be a peon in

1080

00:46:25,080 --> 00:46:22,600

the desert and that's when you got to

1081

00:46:27,090 --> 00:46:25,090

look out for snakes absolutely and and

1082

00:46:30,990 --> 00:46:27,100

another thing about the desert is if you

1083

00:46:32,910 --> 00:46:31,000

have to urinate the urea 51 the bushes

1084

00:46:34,500 --> 00:46:32,920

are not big they're it's not like it's

1085

00:46:35,970 --> 00:46:34,510

gonna cover you so you really got to

1086

00:46:37,890 --> 00:46:35,980

take a little hike out with them snakes

1087

00:46:39,900 --> 00:46:37,900

and the scorpions and the camel spiders

1088

00:46:42,090 --> 00:46:39,910

to take that piss so yeah that's that's

1089

00:46:44,820 --> 00:46:42,100

a good PSA if you are doing this dorm

1090

00:46:47,280 --> 00:46:44,830

area 51 no coffee for the road trip and

1091

00:46:50,490 --> 00:46:47,290

and everyone should know this too which

1092

00:46:54,900 --> 00:46:50,500

I did and um don't pee if the

1093

00:46:57,599 --> 00:46:54,910

coming towards you I don't pee outside

1094

00:47:01,349 --> 00:46:57,609

often I do live in a major metropolitan

1095

00:47:02,580 --> 00:47:01,359

area so there's a pissin to the room but

1096

00:47:07,380 --> 00:47:02,590

what I do I drink

1097

00:47:09,839 --> 00:47:07,390

Bud Light beer label out for the camera

1098

00:47:11,849 --> 00:47:09,849

yeah yeah it's like alright fine if

1099

00:47:14,310 --> 00:47:11,859

we're gonna film out of area 51 why not

1100

00:47:17,310 --> 00:47:14,320

have piss all over my pants right I make

1101
00:47:19,170 --> 00:47:17,320
sense it's authentic you're funny you're

1102
00:47:21,480 --> 00:47:19,180
like look I don't piss outside a lot I

1103
00:47:23,990 --> 00:47:21,490
live in New York City I usually use a

1104
00:47:26,820 --> 00:47:24,000
urinal or a toilet and I'm you know very

1105
00:47:28,710 --> 00:47:26,830
dignified that way but that's amazing

1106
00:47:32,190 --> 00:47:28,720
who are we kidding New York City is one

1107
00:47:35,220 --> 00:47:32,200
giant toilet yeah

1108
00:47:37,560 --> 00:47:35,230
Touche but I love it I love it to death

1109
00:47:41,940 --> 00:47:37,570
but I cannot wait to get back out there

1110
00:47:44,250 --> 00:47:41,950
to to visit you guys and maybe storm

1111
00:47:46,740 --> 00:47:44,260
area51 we'll see we'll see what happens

1112
00:47:51,000 --> 00:47:46,750
if I'm not feeling up to it and I got

1113
00:47:54,390 --> 00:47:51,010

enough whiskey and me but um we'll head

1114

00:47:56,070 --> 00:47:54,400

out there we can we can start on the

1115

00:47:57,810 --> 00:47:56,080

jack and then drink some of the seven

1116

00:47:59,849 --> 00:47:57,820

dollar bottles of water that I know will

1117

00:48:01,950 --> 00:47:59,859

be for Hawk out there when when some of

1118

00:48:03,690 --> 00:48:01,960

these folks show up on September 20th

1119

00:48:05,640 --> 00:48:03,700

oh they're know it it's god bless

1120

00:48:08,400 --> 00:48:05,650

america these people are gonna make so

1121

00:48:10,170 --> 00:48:08,410

much money if anyone shows up to these

1122

00:48:12,060 --> 00:48:10,180

things and if there is a sort of

1123

00:48:15,210 --> 00:48:12,070

festival like this to become a yearly

1124

00:48:17,760 --> 00:48:15,220

thing this could be the new Woodstock so

1125

00:48:20,010 --> 00:48:17,770

see we'll see what happens that's why I

1126

00:48:22,589 --> 00:48:20,020

think the ads for the faux festival that

1127

00:48:24,540 --> 00:48:22,599

I found is really not too far off like

1128

00:48:26,640 --> 00:48:24,550

you said it it may become an annual

1129

00:48:27,990 --> 00:48:26,650

event so yeah cool if it would actually

1130

00:48:29,700 --> 00:48:28,000

be kind of cool for Rachel

1131

00:48:31,589 --> 00:48:29,710

I think that the little alien would like

1132

00:48:33,329 --> 00:48:31,599

that but I'm not so sure yeah yeah we'll

1133

00:48:35,760 --> 00:48:33,339

see they might have to expand the

1134

00:48:38,640 --> 00:48:35,770

ever-growing city of Rachel or Tyler

1135

00:48:40,920 --> 00:48:38,650

town yes tent Township hey whatever it

1136

00:48:42,599 --> 00:48:40,930

is Jen what do you got going on what

1137

00:48:45,480 --> 00:48:42,609

have you covered recently over into the

1138

00:48:49,170 --> 00:48:45,490

fray I did recently listen to the

1139

00:48:52,859 --> 00:48:49,180

episode about the ghosts of war of 1812

1140

00:48:54,660 --> 00:48:52,869

no interesting so what's going on over

1141

00:48:56,760 --> 00:48:54,670

there and what can we expect moving

1142

00:48:58,190 --> 00:48:56,770

forward yeah I'm just I'm still plugging

1143

00:49:00,990 --> 00:48:58,200

away talking to folks that have

1144

00:49:02,910 --> 00:49:01,000

experienced strange things and whether

1145

00:49:04,230 --> 00:49:02,920

it be just once or a lifetime of

1146

00:49:06,900 --> 00:49:04,240

experiences I

1147

00:49:09,210 --> 00:49:06,910

cently talked to a gentleman about

1148

00:49:12,150 --> 00:49:09,220

Thunderbirds and then another area he

1149

00:49:14,940 --> 00:49:12,160

went you know he's had some possible

1150

00:49:17,250 --> 00:49:14,950

Bigfoot activity it you know I'm still

1151
00:49:18,690 --> 00:49:17,260
running the gamut at into the fray so we

1152
00:49:21,510 --> 00:49:18,700
like you said ghosts

1153
00:49:23,370 --> 00:49:21,520
I've got shadow people I've got past

1154
00:49:24,660 --> 00:49:23,380
live stuff I need to do more of that by

1155
00:49:26,910 --> 00:49:24,670
the way that's quite fast and anyone

1156
00:49:28,530 --> 00:49:26,920
think it is high-end sometimes but it's

1157
00:49:30,870 --> 00:49:28,540
a lot of cryptid stuff lately which I'm

1158
00:49:33,750 --> 00:49:30,880
really really kind of enjoying and of

1159
00:49:38,030 --> 00:49:33,760
course as always with some UFO stuff

1160
00:49:41,400 --> 00:49:38,040
peppered in I mean that's a huge part of

1161
00:49:44,790 --> 00:49:41,410
wonderful 14 research so I always

1162
00:49:47,100 --> 00:49:44,800
welcome any kind of stories for ITF

1163
00:49:52,290 --> 00:49:47,110

that's why I love doing the multi topic

1164

00:49:54,930 --> 00:49:52,300

shows and yeah so episode 200 coming up

1165

00:49:57,930 --> 00:49:54,940

next Thursday which is of course you and

1166

00:50:02,760 --> 00:49:57,940

i's birthday August 8th so happy early

1167

00:50:04,890 --> 00:50:02,770

birthday to you I know a little little

1168

00:50:06,210 --> 00:50:04,900

early as folks know it was pretty cool

1169

00:50:08,690 --> 00:50:06,220

when we figured that out for the first

1170

00:50:11,460 --> 00:50:08,700

time wasn't it we're like no way yeah

1171

00:50:13,950 --> 00:50:11,470

two years it took a while I don't know

1172

00:50:15,660 --> 00:50:13,960

why but yeah maybe we just you know we

1173

00:50:18,440 --> 00:50:15,670

weren't trolling each other's Facebook

1174

00:50:20,280 --> 00:50:18,450

pages were for the dates or anything but

1175

00:50:22,500 --> 00:50:20,290

came up to us

1176

00:50:26,460 --> 00:50:22,510

we're very humble and we're very like

1177

00:50:28,470 --> 00:50:26,470

low-key sometimes so it makes sense yeah

1178

00:50:31,980 --> 00:50:28,480

we don't put up our own birthday wishes

1179

00:50:33,330 --> 00:50:31,990

to ourselves on our pages so we have

1180

00:50:34,770 --> 00:50:33,340

some point we figured that out but yeah

1181

00:50:37,290 --> 00:50:34,780

happy early birthday we're talking

1182

00:50:40,200 --> 00:50:37,300

before birthdays but yeah episode two

1183

00:50:42,840 --> 00:50:40,210

hundreds coming out and regulations yeah

1184

00:50:45,390 --> 00:50:42,850

thank you so much it's gone so fast I'm

1185

00:50:47,250 --> 00:50:45,400

like how in the way like I remember feet

1186

00:50:49,950 --> 00:50:47,260

first of all everyone should know like

1187

00:50:52,170 --> 00:50:49,960

most podcasters they stop after like 10

1188

00:50:55,260 --> 00:50:52,180

episodes they just give up at that point

1189

00:50:57,390 --> 00:50:55,270

but to get to 200 and that's just your

1190

00:50:59,820 --> 00:50:57,400

main episodes you do a whole other side

1191

00:51:02,880 --> 00:50:59,830

project as well in terms of bonus

1192

00:51:05,130 --> 00:51:02,890

content so I mean it's incredible and

1193

00:51:07,500 --> 00:51:05,140

that shows the dedication of a podcaster

1194

00:51:09,510 --> 00:51:07,510

and an investigator so I think I've

1195

00:51:12,180 --> 00:51:09,520

learned graduates you on all fronts for

1196

00:51:16,350 --> 00:51:12,190

that it's very inspiring and I have to

1197

00:51:17,820 --> 00:51:16,360

say you guys you and Sam Sharon are

1198

00:51:19,590 --> 00:51:17,830

mentioned a law

1199

00:51:21,900 --> 00:51:19,600

still you know and emails and messages

1200

00:51:23,550 --> 00:51:21,910

and hey and getting people that are just

1201
00:51:25,260 --> 00:51:23,560
starting the show you know they don't

1202
00:51:26,790 --> 00:51:25,270
realize that the format did eventually

1203
00:51:29,700 --> 00:51:26,800
change and you went on to do your show

1204
00:51:32,310 --> 00:51:29,710
and you know it's just the way that that

1205
00:51:33,930 --> 00:51:32,320
went that it turned out to be kind of

1206
00:51:35,250 --> 00:51:33,940
just me now talking to the folks and

1207
00:51:37,890 --> 00:51:35,260
then the show is kind of over

1208
00:51:40,080 --> 00:51:37,900
I do miss doing that intro and just to

1209
00:51:42,750 --> 00:51:40,090
let you know a lot of people miss you

1210
00:51:43,830 --> 00:51:42,760
guys very very much so I just want to

1211
00:51:46,230 --> 00:51:43,840
throw that out there because you guys

1212
00:51:47,850 --> 00:51:46,240
are still even though you're not on with

1213
00:51:49,740 --> 00:51:47,860

me every week you're still a huge part

1214

00:51:49,980 --> 00:51:49,750

of of into the fray and you always will

1215

00:51:52,710 --> 00:51:49,990

be

1216

00:51:54,570 --> 00:51:52,720

that really means the world to me Shane

1217

00:51:56,910 --> 00:51:54,580

because I mean that you gave me my start

1218

00:51:59,250 --> 00:51:56,920

and you are the one who inspired me to

1219

00:52:01,650 --> 00:51:59,260

start a podcast so anyone listening

1220

00:52:04,200 --> 00:52:01,660

Shannon is the reason for that and your

1221

00:52:08,070 --> 00:52:04,210

support system they were so welcoming to

1222

00:52:10,080 --> 00:52:08,080

me like this young naive ufologist

1223

00:52:12,000 --> 00:52:10,090

trying to learn about cryptids and the

1224

00:52:14,220 --> 00:52:12,010

supernatural I knew nothing about that

1225

00:52:17,010 --> 00:52:14,230

stuff so not only did I learn a lot

1226

00:52:20,880 --> 00:52:17,020

about like these mysterious things in

1227

00:52:24,020 --> 00:52:20,890

the world but how to how to give it my

1228

00:52:27,230 --> 00:52:24,030

own voice and and get that out there so

1229

00:52:32,610 --> 00:52:27,240

again I have to congratulate you I love

1230

00:52:35,340 --> 00:52:32,620

ITF the ITF family and I I can't wait to

1231

00:52:37,350 --> 00:52:35,350

see where you go next Thank You Ryan

1232

00:52:39,780 --> 00:52:37,360

I really appreciate that where can we

1233

00:52:42,090 --> 00:52:39,790

find this show before we go yeah so most

1234

00:52:44,550 --> 00:52:42,100

any and all pod catchers probably some

1235

00:52:47,070 --> 00:52:44,560

that I don't even know exist it's also

1236

00:52:49,470 --> 00:52:47,080

on YouTube I I do release that every

1237

00:52:51,480 --> 00:52:49,480

week if you're a youtube fan versus

1238

00:52:54,420 --> 00:52:51,490

going to a website the website though is

1239

00:52:57,600 --> 00:52:54,430

into the fray radio.com and then I'm on

1240

00:52:59,840 --> 00:52:57,610

the usual suspects for social media

1241

00:53:02,610 --> 00:52:59,850

Facebook Twitter and Instagram

1242

00:53:06,090 --> 00:53:02,620

perfect and if there's anything we can

1243

00:53:09,210 --> 00:53:06,100

leave people with Shannon it's area 51

1244

00:53:11,740 --> 00:53:09,220

you can't stop us all you can't stop us

1245

00:53:12,930 --> 00:53:11,750

all Naruto run baby

1246

00:53:18,360 --> 00:53:12,940

[Music]

1247

00:53:22,380 --> 00:53:18,370

in 20th September 51 all in this

1248

00:53:27,570 --> 00:53:22,390

together let's take a stand so we can

1249

00:53:28,290 --> 00:53:27,580

see the mayonnaise okay so here's the

1250

00:53:39,510 --> 00:53:28,300

plan

1251
00:53:40,860 --> 00:53:39,520
never told me let's go over steak God to

1252
00:53:43,560 --> 00:53:40,870
come to see the rock brain should be

1253
00:53:47,579 --> 00:53:43,570
full of you gamers March Sam plays save

1254
00:53:47,589 --> 00:53:56,630
