

SOMEWHERE IN THE SKIES

WITH RYAN SPRAGUE

1
00:00:05,180 --> 00:00:02,510
today on the show we've got Navy veteran

2
00:00:08,270 --> 00:00:05,190
private investigator and host of

3
00:00:09,919 --> 00:00:08,280
mysteries decoded Jennifer Marshall and

4
00:00:12,169 --> 00:00:09,929
I know that there's gonna be people who

5
00:00:14,060 --> 00:00:12,179
watch the episode and say oh those

6
00:00:15,709 --> 00:00:14,070
people are just fame and fortune seeking

7
00:00:18,859 --> 00:00:15,719
what a bunch of garbage I'll tell you

8
00:00:21,740 --> 00:00:18,869
this there were two people involved with

9
00:00:23,779 --> 00:00:21,750
the 2004 incident off the USS Nimitz

10
00:00:26,240 --> 00:00:23,789
battle group who have talked to me

11
00:00:27,740 --> 00:00:26,250
confidentially off the record I cannot

12
00:00:29,720 --> 00:00:27,750
and will not use their names they were

13
00:00:31,849 --> 00:00:29,730

not included in the show these people

14

00:00:34,310 --> 00:00:31,859

backed up and gave me additional

15

00:00:37,190 --> 00:00:34,320

information as to what we show in the

16

00:00:39,410 --> 00:00:37,200

program so if the people on the program

17

00:00:41,000 --> 00:00:39,420

are doing it for fame and fortune what

18

00:00:42,590 --> 00:00:41,010

are these other two people doing it for

19

00:00:44,720 --> 00:00:42,600

they have nothing to gain they have

20

00:00:47,060 --> 00:00:44,730

everything to lose they came to me as a

21

00:00:59,209 --> 00:00:47,070

fellow Navy veteran in confidence and

22

00:01:02,390 --> 00:00:59,219

said yes this is what happened this is

23

00:01:25,020 --> 00:01:02,400

somewhere in the skies the Branzburg

24

00:01:27,220 --> 00:01:25,030

[Music]

25

00:01:30,070 --> 00:01:27,230

welcome to somewhere in the skies I'm

26
00:01:31,630 --> 00:01:30,080

TV special Roswell mysteries decoded and

48

00:02:32,380 --> 00:02:29,930

today we talk in depth about how it all

49

00:02:35,289 --> 00:02:32,390

came to be her military career her

50

00:02:37,180 --> 00:02:35,299

acting career and then we go deep into

51
00:02:39,280 --> 00:02:37,190
our investigation into the Roswell

52
00:02:42,160 --> 00:02:39,290
incident what Jennifer is looking for

53
00:02:45,370 --> 00:02:42,170
now in her new series mysteries decoded

54
00:02:47,259 --> 00:02:45,380
and we tease our upcoming episode where

55
00:02:51,490 --> 00:02:47,269
we investigated the highly classified

56
00:02:53,830 --> 00:02:51,500
military base area 51 the episode

57
00:02:56,680 --> 00:02:53,840
premieres Tuesday September 10th on the

58
00:02:59,680 --> 00:02:56,690
CW but for now I hope you enjoy this

59
00:03:02,170 --> 00:02:59,690
interview with Jennifer Marshall

60
00:03:04,300 --> 00:03:02,180
Ryan thank you so much for having me you

61
00:03:06,700 --> 00:03:04,310
will hear my cat purring he's right next

62
00:03:09,100 --> 00:03:06,710
to the mic so um the more the merrier

63
00:03:11,820 --> 00:03:09,110

uh yeah absolutely if there's anything

64

00:03:14,920 --> 00:03:11,830

my show needs its cat purring for sure

65

00:03:19,210 --> 00:03:14,930

are you're gonna hear the subway in the

66

00:03:19,900 --> 00:03:19,220

background okay it's a um Beyonce I can

67

00:03:21,340 --> 00:03:19,910

get I can dig it

68

00:03:23,410 --> 00:03:21,350

Oh totally yeah no it makes perfect

69

00:03:25,150 --> 00:03:23,420

sense we're on different coasts we get

70

00:03:27,070 --> 00:03:25,160

those two different vibes so it's gonna

71

00:03:28,510 --> 00:03:27,080

be great yeah yeah well I'm glad to be

72

00:03:31,270 --> 00:03:28,520

here thank you so much for the invite

73

00:03:33,070 --> 00:03:31,280

finally we made this happen I've had I

74

00:03:35,050 --> 00:03:33,080

know asked me for months and months like

75

00:03:37,570 --> 00:03:35,060

why didn't you do a interview when

76

00:03:39,760 --> 00:03:37,580

you're the Roswell special came out said

77

00:03:42,340 --> 00:03:39,770

we're both so busy but now we have so

78

00:03:43,840 --> 00:03:42,350

much more to talk about yeah it was

79

00:03:45,760 --> 00:03:43,850

insane we had talked about it back then

80

00:03:47,350 --> 00:03:45,770

but we were really really busy and

81

00:03:49,300 --> 00:03:47,360

Roswell just happened like a complete

82

00:03:51,430 --> 00:03:49,310

tornado it happened it was done and then

83

00:03:52,840 --> 00:03:51,440

yeah go go go oh my god it was a

84

00:03:53,890 --> 00:03:52,850

whirlwind and then we'll get to what

85

00:03:57,010 --> 00:03:53,900

grew from that

86

00:03:59,320 --> 00:03:57,020

obviously but um before we sort of get

87

00:04:02,020 --> 00:03:59,330

to why I brought you out today misters

88

00:04:04,570 --> 00:04:02,030

Dakota dear new show on the CW I'd love

89

00:04:07,330 --> 00:04:04,580

to get the origin story of like how

90

00:04:10,570 --> 00:04:07,340

people came to to research or

91

00:04:13,300 --> 00:04:10,580

investigate the paranormal UFOs just

92

00:04:15,010 --> 00:04:13,310

mysteries in general and um and kind of

93

00:04:17,440 --> 00:04:15,020

our origin story of how we started

94

00:04:19,870 --> 00:04:17,450

working together so before we get to

95

00:04:21,820 --> 00:04:19,880

that part let's start even earlier can

96

00:04:24,250 --> 00:04:21,830

you give us a little background on your

97

00:04:26,590 --> 00:04:24,260

timing the Navy and what made you go

98

00:04:28,960 --> 00:04:26,600

down that path yeah so I joined the Navy

99

00:04:30,730 --> 00:04:28,970

when I was 17 I was five weeks out of

100

00:04:33,460 --> 00:04:30,740

graduation for a high school graduation

101

00:04:35,110 --> 00:04:33,470

I grew up in a one-stoplight town and

102

00:04:36,700 --> 00:04:35,120

there were nine veterans and my family

103

00:04:38,770 --> 00:04:36,710

so it was just one of those things where

104

00:04:40,420 --> 00:04:38,780

you know one of us was going to join it

105

00:04:43,270 --> 00:04:40,430

ended up being me and not my brothers

106

00:04:45,190 --> 00:04:43,280

but I joined I served for five years I

107

00:04:47,320 --> 00:04:45,200

had an incredible time when I was in and

108

00:04:50,320 --> 00:04:47,330

I really just feel like it set up the

109

00:04:53,320 --> 00:04:50,330

path for who I was to be when I finally

110

00:04:54,940 --> 00:04:53,330

grew up per se so I love the Navy I

111

00:04:56,860 --> 00:04:54,950

can't say enough good things about it

112

00:04:59,170 --> 00:04:56,870

yeah and I do want to ask you later on

113

00:05:02,110 --> 00:04:59,180

about the connections you still have

114

00:05:04,420 --> 00:05:02,120

with veterans because this is something

115

00:05:06,610 --> 00:05:04,430

that I'm very passionate about as well

116

00:05:08,620 --> 00:05:06,620

it's something that a lot of people in

117

00:05:11,469 --> 00:05:08,630

the I would say the civilian world don't

118

00:05:12,040 --> 00:05:11,479

think of often so we'll get to that a

119

00:05:16,930 --> 00:05:12,050

little

120

00:05:19,149 --> 00:05:16,940

later but um so Navy and then the acting

121

00:05:21,399 --> 00:05:19,159

career so how did this happen how do you

122

00:05:23,619 --> 00:05:21,409

go from being in the military to being

123

00:05:25,360 --> 00:05:23,629

an actor on television you know if you

124

00:05:26,800 --> 00:05:25,370

would have told me 15 years ago you're

125

00:05:28,420 --> 00:05:26,810

going to get all the Navy and you're

126

00:05:29,559 --> 00:05:28,430

gonna be on Netflix is number one show

127

00:05:31,659 --> 00:05:29,569

and you're gonna have a show of your own

128

00:05:34,480 --> 00:05:31,669

on the CW I would have slapped you some

129

00:05:36,460 --> 00:05:34,490

others no way that's not that's not

130

00:05:39,249 --> 00:05:36,470

Jennifer that's not possible that's not

131

00:05:41,680 --> 00:05:39,259

things so I mean growing up without much

132

00:05:42,760 --> 00:05:41,690

money that's a career for other people

133

00:05:44,800 --> 00:05:42,770

you don't ever think that that's

134

00:05:46,990 --> 00:05:44,810

something for you but basically I

135

00:05:48,999 --> 00:05:47,000

stumbled into it because you know I

136

00:05:50,559 --> 00:05:49,009

touched on this in the montauk episode

137

00:05:52,659 --> 00:05:50,569

but I had gotten sick from the anthrax

138

00:05:54,969 --> 00:05:52,669

shots when I was in the Navy and it put

139

00:05:56,890 --> 00:05:54,979

an end to what I had hoped would be a

140

00:05:58,809 --> 00:05:56,900

20-year career I was in for five years

141

00:06:01,719 --> 00:05:58,819

at that point I got sick I had to get

142

00:06:03,219 --> 00:06:01,729

out and you know I had this friend who

143

00:06:04,749 --> 00:06:03,229

was on a local commercial and I said how

144

00:06:07,119 --> 00:06:04,759

did you do that and he said oh I take

145

00:06:09,879 --> 00:06:07,129

classes at this local studio and I got

146

00:06:12,189 --> 00:06:09,889

paid \$400 for that commercial so at the

147

00:06:15,369 --> 00:06:12,199

time I've had \$400 for a half a day at

148

00:06:18,070 --> 00:06:15,379

work that's a lot of money let me let me

149

00:06:19,870 --> 00:06:18,080

go see if I can do this so I started

150

00:06:22,300 --> 00:06:19,880

taking classes at this place and I

151
00:06:23,499 --> 00:06:22,310
booked my first job two weeks in are you

152
00:06:25,839 --> 00:06:23,509
hear about so many people getting

153
00:06:27,129 --> 00:06:25,849
involved in the acting world or the

154
00:06:30,010 --> 00:06:27,139
entertainment industry through

155
00:06:31,839 --> 00:06:30,020
commercials and for any of us out there

156
00:06:35,189 --> 00:06:31,849
living in you know here in New York and

157
00:06:38,469 --> 00:06:35,199
the theater world that pays so so little

158
00:06:41,350 --> 00:06:38,479
and the rewards you you reap are more

159
00:06:43,480 --> 00:06:41,360
just like you know the satisfaction of

160
00:06:46,300 --> 00:06:43,490
having done a show eight times a week or

161
00:06:48,850 --> 00:06:46,310
something well right in the commercial

162
00:06:50,950 --> 00:06:48,860
world and you're you're there for you

163
00:06:53,230 --> 00:06:50,960

know maybe maybe twelve hour a day or

164

00:06:55,240 --> 00:06:53,240

whatever but then you you realize how

165

00:06:58,689 --> 00:06:55,250

much the paychecks are forth that is

166

00:07:00,430 --> 00:06:58,699

where it's at people oh absolutely and I

167

00:07:02,920 --> 00:07:00,440

mean that commercial that I was talking

168

00:07:04,830 --> 00:07:02,930

about was a non-union commercial in a

169

00:07:07,719 --> 00:07:04,840

local market but if you get into

170

00:07:10,029 --> 00:07:07,729

commercials that are Union if it's a big

171

00:07:12,580 --> 00:07:10,039

spot a coke spot you could make fifty

172

00:07:14,529 --> 00:07:12,590

grand a hundred grand I mean it's not as

173

00:07:17,350 --> 00:07:14,539

common as it used to be more and more

174

00:07:19,689 --> 00:07:17,360

spots circling non-union but if you can

175

00:07:22,480 --> 00:07:19,699

nail one of those I mean it's a lot of

176

00:07:24,820 --> 00:07:22,490

money it's a lot of residuals that's

177

00:07:25,920 --> 00:07:24,830

that's what I like I'm not in it just

178

00:07:29,610 --> 00:07:25,930

for the satisfied

179

00:07:32,640 --> 00:07:29,620

I need to get paid - yes it's a business

180

00:07:34,499 --> 00:07:32,650

I'm a businesswoman so you know I don't

181

00:07:36,779 --> 00:07:34,509

tend to book that many commercials I

182

00:07:38,909 --> 00:07:36,789

tend to book more film and TV which is

183

00:07:41,580 --> 00:07:38,919

weird because most people book more

184

00:07:43,529 --> 00:07:41,590

commercials and they find it harder to

185

00:07:45,420 --> 00:07:43,539

get into film and TV so I'm an odd duck

186

00:07:47,879 --> 00:07:45,430

that way well you did mention one of the

187

00:07:50,939 --> 00:07:47,889

number-one shows on Netflix so I got it

188

00:07:52,650 --> 00:07:50,949

out to here what are some of the I guess

189

00:07:54,719 --> 00:07:52,660

the more high-profile things you've been

190

00:07:57,090 --> 00:07:54,729

involved with if you don't mind telling

191

00:08:00,750 --> 00:07:57,100

us your little Hollywood career here

192

00:08:04,740 --> 00:08:00,760

yeah I you know I've worked in TV and

193

00:08:05,790 --> 00:08:04,750

film here in Los Angeles since 2013 so

194

00:08:08,430 --> 00:08:05,800

since that time I

195

00:08:11,370 --> 00:08:08,440

I booked stranger things so I play Max's

196

00:08:13,800 --> 00:08:11,380

mom on stranger things I had an amazing

197

00:08:16,260 --> 00:08:13,810

guest star on Hawaii five-o playing

198

00:08:18,719 --> 00:08:16,270

Lieutenant Colonel Bailey she's a joint

199

00:08:20,670 --> 00:08:18,729

mortuary affairs officer who oversees

200

00:08:23,040 --> 00:08:20,680

the dignified transfer of one of our

201

00:08:25,469 --> 00:08:23,050

Airmen killed in Kabul so that was a

202

00:08:27,830 --> 00:08:25,479

very meaningful episode for me I was

203

00:08:29,820 --> 00:08:27,840

guest starring as a very strict

204

00:08:33,000 --> 00:08:29,830

headmistress named Marlene on

205

00:08:35,459 --> 00:08:33,010

Nickelodeon's game shakers I've been in

206

00:08:37,709 --> 00:08:35,469

several films both that went straight to

207

00:08:39,120 --> 00:08:37,719

TV and then straight to DVD and then

208

00:08:42,000 --> 00:08:39,130

some that were in the theater so

209

00:08:43,140 --> 00:08:42,010

thankfully I've been very busy since

210

00:08:45,680 --> 00:08:43,150

I've been here

211

00:08:48,329 --> 00:08:45,690

but of course stranger things was really

212

00:08:50,850 --> 00:08:48,339

the role that kind of turned everything

213

00:08:54,110 --> 00:08:50,860

for me and after I booked that I

214

00:08:57,269 --> 00:08:54,120

couldn't tell anybody until it aired so

215

00:08:59,190 --> 00:08:57,279

that was terrible I wanted to you know

216

00:09:00,810 --> 00:08:59,200

jump up and tell everybody but you can't

217

00:09:03,360 --> 00:09:00,820

because you risk getting fired and or

218

00:09:05,220 --> 00:09:03,370

sued oh yeah and I mean these NDA's

219

00:09:06,930 --> 00:09:05,230

they're they're no joke I mean we

220

00:09:08,400 --> 00:09:06,940

couldn't talk about what we were doing

221

00:09:11,430 --> 00:09:08,410

for a while

222

00:09:13,530 --> 00:09:11,440

I remember neurone was very quick oh

223

00:09:15,360 --> 00:09:13,540

it's so quick and people would ask me

224

00:09:17,670 --> 00:09:15,370

what art because they knew that I was

225

00:09:19,680 --> 00:09:17,680

out of state and they knew that I was

226

00:09:21,930 --> 00:09:19,690

you know because where we were at there

227

00:09:24,810 --> 00:09:21,940

was no cell service so I had to explain

228

00:09:27,930 --> 00:09:24,820

to my my reps you know where I was but I

229

00:09:29,070 --> 00:09:27,940

couldn't really go into specifics so you

230

00:09:31,079 --> 00:09:29,080

just have to have a great relationship

231

00:09:33,510 --> 00:09:31,089

with you know your boss your reps

232

00:09:34,800 --> 00:09:33,520

whoever it is that you kind of report to

233

00:09:36,210 --> 00:09:34,810

and hope that they understand that

234

00:09:38,060 --> 00:09:36,220

you're not working on just some crackpot

235

00:09:39,949 --> 00:09:38,070

something right

236

00:09:41,449 --> 00:09:39,959

you know I mean when you told all your

237

00:09:43,430 --> 00:09:41,459

reps and everyone that you're in

238

00:09:45,650 --> 00:09:43,440

Roosevelt they were probably why what I

239

00:09:48,920 --> 00:09:45,660

told everyone I was in Roswell they were

240

00:09:53,180 --> 00:09:48,930

pretty damn sure they knew why I was

241

00:09:55,519 --> 00:09:53,190

there so with you of course yeah I think

242

00:09:58,939 --> 00:09:55,529

with me they were just like what are you

243

00:10:00,889 --> 00:09:58,949

doing and they they knew in theory you

244

00:10:02,870 --> 00:10:00,899

know they know our clients a private

245

00:10:05,449 --> 00:10:02,880

investigator if they joke with me about

246

00:10:08,019 --> 00:10:05,459

things sometimes but I don't think that

247

00:10:10,790 --> 00:10:08,029

they expected it nor did I expect it to

248

00:10:12,949 --> 00:10:10,800

lead into a TV show that was never

249

00:10:14,930 --> 00:10:12,959

really the thought process behind me

250

00:10:16,400 --> 00:10:14,940

getting into it I'd seen here I mean I

251
00:10:19,009 --> 00:10:16,410
knew we were doing a one-hour special

252
00:10:21,530 --> 00:10:19,019
and it had always been a dream of mine

253
00:10:23,059 --> 00:10:21,540
to investigate the Roswell okay so even

254
00:10:25,819 --> 00:10:23,069
though even if it never went anywhere

255
00:10:29,509 --> 00:10:25,829
after that I was I was so happy that I

256
00:10:31,460 --> 00:10:29,519
was literally being like whisked off to

257
00:10:34,670 --> 00:10:31,470
the desert where something crashed in

258
00:10:37,280 --> 00:10:34,680
1947 to live out this fantasy I know

259
00:10:39,019 --> 00:10:37,290
he's had of speaking to people who found

260
00:10:40,699 --> 00:10:39,029
stuff out there or talking to the

261
00:10:44,389 --> 00:10:40,709
granddaughter of like the main military

262
00:10:46,879 --> 00:10:44,399
officers so I gotta ask you how did how

263
00:10:48,949 --> 00:10:46,889

did the opportunity for you come about

264

00:10:50,930 --> 00:10:48,959

with Roswell mysteries decoded for me it

265

00:10:54,650 --> 00:10:50,940

was a chance meeting as these things

266

00:10:58,460 --> 00:10:54,660

often are at alien con where a sec you

267

00:11:00,259 --> 00:10:58,470

know producer Gary met me but how did it

268

00:11:04,370 --> 00:11:00,269

come about for you you know it's funny I

269

00:11:05,509 --> 00:11:04,380

was brought in for a I don't want to say

270

00:11:08,000 --> 00:11:05,519

exactly what it does but it was

271

00:11:11,000 --> 00:11:08,010

something on History Channel and they

272

00:11:12,199 --> 00:11:11,010

brought me in because I had they they

273

00:11:14,900 --> 00:11:12,209

knew I had a background in naval

274

00:11:16,579 --> 00:11:14,910

aviation I think they thought I was

275

00:11:19,160 --> 00:11:16,589

maybe a pilot or something like that

276

00:11:21,259 --> 00:11:19,170

because people assume naval aviation no

277

00:11:23,150 --> 00:11:21,269

I just worked in logistics but I went in

278

00:11:24,379 --> 00:11:23,160

anyway and they said you know we're

279

00:11:28,100 --> 00:11:24,389

looking for an investigator with a

280

00:11:30,170 --> 00:11:28,110

background in this and I you know I

281

00:11:31,429 --> 00:11:30,180

talked to them they said yeah the

282

00:11:32,780 --> 00:11:31,439

network didn't think that you were fit

283

00:11:35,660 --> 00:11:32,790

for that could you come back because we

284

00:11:37,579 --> 00:11:35,670

want to pitch you for a show and you get

285

00:11:40,610 --> 00:11:37,589

this all the time living in Hollywood so

286

00:11:43,850 --> 00:11:40,620

I went in and we did kind of like a real

287

00:11:46,519 --> 00:11:43,860

and I just remember I was very SAS it's

288

00:11:48,949 --> 00:11:46,529

very sassy with them and Dan will tell

289

00:11:50,269 --> 00:11:48,959

you I was very sassy and then they had

290

00:11:51,620 --> 00:11:50,279

called me and they said hey do you

291

00:11:52,280 --> 00:11:51,630

remember you came in and you did this

292

00:11:54,259 --> 00:11:52,290

real and ice

293

00:11:56,180 --> 00:11:54,269

yeah they said we need to pitch you for

294

00:11:57,800 --> 00:11:56,190

something else can you come in so we can

295

00:12:00,170 --> 00:11:57,810

reshoot some of it so I went in and they

296

00:12:02,360 --> 00:12:00,180

weren't very specific and then they were

297

00:12:04,610 --> 00:12:02,370

telling me that they pitched a bunch of

298

00:12:06,829 --> 00:12:04,620

other people to be your partner and then

299

00:12:08,960 --> 00:12:06,839

that network was kind of now we're not

300

00:12:10,819 --> 00:12:08,970

really into that and then they told me

301
00:12:12,769 --> 00:12:10,829
you know what you're the person that we

302
00:12:14,269 --> 00:12:12,779
want we're here the person the network

303
00:12:16,370 --> 00:12:14,279
chose you and Ryan are going to get

304
00:12:19,280 --> 00:12:16,380
together and and go to Roswell for this

305
00:12:22,819 --> 00:12:19,290
and I think I had three days notice

306
00:12:26,509 --> 00:12:22,829
yeah I'm pretty sure that oh my gosh I

307
00:12:29,600 --> 00:12:26,519
know we met at the airport for the and

308
00:12:31,670 --> 00:12:29,610
trying to do all that research was you

309
00:12:34,280 --> 00:12:31,680
know I had because that's not my area of

310
00:12:37,129 --> 00:12:34,290
expertise so I had three days to just I

311
00:12:39,499 --> 00:12:37,139
literally was scouring everything from

312
00:12:41,660 --> 00:12:39,509
12 to 18 hour days and for the listeners

313
00:12:43,819 --> 00:12:41,670

you know on mysteries decoded on Roswell

314

00:12:45,499 --> 00:12:43,829

mysteries decoded we have researchers

315

00:12:47,449 --> 00:12:45,509

behind the scenes so Ryan and I are

316

00:12:50,180 --> 00:12:47,459

certainly up to snuff but there's no way

317

00:12:52,340 --> 00:12:50,190

we could cover all of that especially

318

00:12:53,569 --> 00:12:52,350

when I got into shooting the series you

319

00:12:55,850 --> 00:12:53,579

know you're shooting a new episode every

320

00:12:58,939 --> 00:12:55,860

two weeks so unless I want to have been

321

00:13:00,829 --> 00:12:58,949

in my family and go into a library 24/7

322

00:13:02,600 --> 00:13:00,839

I'm not going to have as you know the

323

00:13:05,120 --> 00:13:02,610

knowledge that I would need working on a

324

00:13:07,579 --> 00:13:05,130

regular case so Ryan and I had some some

325

00:13:09,319 --> 00:13:07,589

really great researchers who work at the

326

00:13:11,870 --> 00:13:09,329

production company who helped us as well

327

00:13:14,449 --> 00:13:11,880

absolutely you know one of those two is

328

00:13:17,059 --> 00:13:14,459

a he was actually just on the show last

329

00:13:19,460 --> 00:13:17,069

week Alejandro Rojas was our little team

330

00:13:23,090 --> 00:13:19,470

producer and I mean this guy's life is

331

00:13:24,920 --> 00:13:23,100

UFOs 24/7 so I mean I'm so happy they

332

00:13:27,530 --> 00:13:24,930

brought him in and that's what they do

333

00:13:29,930 --> 00:13:27,540

they they find people who know these

334

00:13:32,120 --> 00:13:29,940

things they collaborate with you and I

335

00:13:33,559 --> 00:13:32,130

and that's when we can really start to

336

00:13:34,730 --> 00:13:33,569

do the research because like you said

337

00:13:36,800 --> 00:13:34,740

it's at the end of the day it's

338

00:13:40,280 --> 00:13:36,810

television let me know things have been

339

00:13:43,759 --> 00:13:40,290

very quick and there they can be very

340

00:13:45,170 --> 00:13:43,769

stressful so we don't have months and

341

00:13:47,509 --> 00:13:45,180

months to prepare and sit in that

342

00:13:49,249 --> 00:13:47,519

library like you said to to look at

343

00:13:51,829 --> 00:13:49,259

these things so I mean there were stuff

344

00:13:54,319 --> 00:13:51,839

I was learning from our researchers and

345

00:13:57,410 --> 00:13:54,329

from you so I have to give you credit

346

00:14:04,760 --> 00:13:57,420

for you know literally doing a crash

347

00:14:08,329 --> 00:14:04,770

course no pun intended with Roswell and

348

00:14:10,460 --> 00:14:08,339

I am so happy that they went with you

349

00:14:13,250 --> 00:14:10,470

because I can't imagine having done that

350

00:14:15,800 --> 00:14:13,260

with anyone else you were so patient and

351
00:14:17,980 --> 00:14:15,810
understanding and open-minded I think is

352
00:14:20,329 --> 00:14:17,990
the big thing when it comes to this like

353
00:14:21,980 --> 00:14:20,339
every Network when they want to do one

354
00:14:24,620 --> 00:14:21,990
of these investigator shows they want

355
00:14:27,500 --> 00:14:24,630
that cookie cutter Mulder and Scully

356
00:14:30,800 --> 00:14:27,510
thing and I think it was smart you and I

357
00:14:33,019 --> 00:14:30,810
went into the st. look let's not play

358
00:14:34,610 --> 00:14:33,029
these roles let's say what we really

359
00:14:36,980 --> 00:14:34,620
want to say and I think that was great

360
00:14:38,660 --> 00:14:36,990
that we had that opportunity to do that

361
00:14:41,420 --> 00:14:38,670
because you don't see that often oh

362
00:14:44,180 --> 00:14:41,430
absolutely and you know for people

363
00:14:46,220 --> 00:14:44,190

listening who watched Roswell or they

364

00:14:49,130 --> 00:14:46,230

watched the show itself of course

365

00:14:52,850 --> 00:14:49,140

there's editing to kind of make it you

366

00:14:54,410 --> 00:14:52,860

know a little more he-said she-said you

367

00:14:56,510 --> 00:14:54,420

and I definitely have our own opinions

368

00:14:59,240 --> 00:14:56,520

of things that went on there but I think

369

00:15:01,370 --> 00:14:59,250

what's what's wonderful about us as we

370

00:15:03,050 --> 00:15:01,380

can just say you know what I don't agree

371

00:15:05,750 --> 00:15:03,060

with that you don't agree with that we

372

00:15:08,269 --> 00:15:05,760

think differently but that's okay rather

373

00:15:10,160 --> 00:15:08,279

than what's really common in society oh

374

00:15:11,870 --> 00:15:10,170

you don't believe what I believe okay

375

00:15:12,290 --> 00:15:11,880

well you're not worth my time and see

376

00:15:15,440 --> 00:15:12,300

you later

377

00:15:17,600 --> 00:15:15,450

and I think that both of us got stronger

378

00:15:19,880 --> 00:15:17,610

because we were not in an echo chamber

379

00:15:21,949 --> 00:15:19,890

we were challenging each other and I

380

00:15:25,460 --> 00:15:21,959

just I loved working with you and again

381

00:15:28,280 --> 00:15:25,470

on area 51 because you are so passionate

382

00:15:30,530 --> 00:15:28,290

about the subject matter and even if I

383

00:15:33,310 --> 00:15:30,540

wasn't interested at all which I am but

384

00:15:36,079 --> 00:15:33,320

let's say I wasn't just your passion

385

00:15:36,980 --> 00:15:36,089

makes it interesting it makes me want to

386

00:15:39,319 --> 00:15:36,990

learn more

387

00:15:42,680 --> 00:15:39,329

oh that's extremely kind of you to say

388

00:15:45,290 --> 00:15:42,690

and I think that's rare to find people

389

00:15:47,510 --> 00:15:45,300

so passionate about these topics that

390

00:15:50,690 --> 00:15:47,520

maybe they'll change your mind but at

391

00:15:54,319 --> 00:15:50,700

least you're open to the possibilities I

392

00:15:56,870 --> 00:15:54,329

mean you come from a very evidence-based

393

00:15:59,600 --> 00:15:56,880

background as you have to in the kind of

394

00:16:02,600 --> 00:15:59,610

work that you do outside of acting so I

395

00:16:04,370 --> 00:16:02,610

mean I knew full well going in like I'm

396

00:16:07,819 --> 00:16:04,380

not gonna be able to prove [h__\h] to

397

00:16:09,590 --> 00:16:07,829

Jennifer like this is this is Roswell

398

00:16:12,769 --> 00:16:09,600

we've been trying to prove this thing

399

00:16:17,420 --> 00:16:12,779

was a cover-up for 70 years or even

400

00:16:19,160 --> 00:16:17,430

longer proving that it was alien so I

401
00:16:21,740 --> 00:16:19,170
think it was so refreshing to see

402
00:16:24,530 --> 00:16:21,750
something on television that didn't say

403
00:16:26,030 --> 00:16:24,540
you think this I think this were never

404
00:16:28,100 --> 00:16:26,040
going to agree because I think you and I

405
00:16:31,639 --> 00:16:28,110
both what came out of that project being

406
00:16:33,769 --> 00:16:31,649
like whoa we kind of had an entirely new

407
00:16:37,160 --> 00:16:33,779
door opened after hearing some

408
00:16:38,600 --> 00:16:37,170
interesting stories in Roswell so hmm

409
00:16:40,190 --> 00:16:38,610
I do kind of want to touch on that a

410
00:16:42,650 --> 00:16:40,200
little before we get to this rooster

411
00:16:45,380 --> 00:16:42,660
code it is yeah what were some of the

412
00:16:47,570 --> 00:16:45,390
highlights of your time in Roswell and

413
00:16:48,920 --> 00:16:47,580

that evidence like I said that we

414

00:16:50,420 --> 00:16:48,930

uncovered what do you what really

415

00:16:52,280 --> 00:16:50,430

resonated with you

416

00:16:55,940 --> 00:16:52,290

you know I think what sticks out to me

417

00:16:58,070 --> 00:16:55,950

about that episode in particular being

418

00:17:00,889 --> 00:16:58,080

at the crash site being there and

419

00:17:02,150 --> 00:17:00,899

realizing that what I had assumed and

420

00:17:05,660 --> 00:17:02,160

what I had thought in my head it

421

00:17:08,960 --> 00:17:05,670

completely was not that some some other

422

00:17:11,630 --> 00:17:08,970

things came through the man are we going

423

00:17:13,970 --> 00:17:11,640

to talk about the man who came up okay

424

00:17:16,100 --> 00:17:13,980

this is a great story to tell because

425

00:17:18,169 --> 00:17:16,110

again with television there's things

426

00:17:19,990 --> 00:17:18,179

that just don't make it on and this yeah

427

00:17:23,270 --> 00:17:20,000

I was picking on moments you and I had

428

00:17:25,630 --> 00:17:23,280

yes so you know when you go to shoot in

429

00:17:29,380 --> 00:17:25,640

Roswell people assume that you're making

430

00:17:31,310 --> 00:17:29,390

TV or film about aliens or

431

00:17:33,980 --> 00:17:31,320

extraterrestrial craft that's what they

432

00:17:37,160 --> 00:17:33,990

assume so the morning that we were

433

00:17:39,350 --> 00:17:37,170

shooting at the diner someone came over

434

00:17:41,180 --> 00:17:39,360

to one of our cameramen and said hey

435

00:17:42,680 --> 00:17:41,190

what are y'all shootin and the cameraman

436

00:17:47,299 --> 00:17:42,690

said we're shooting a documentary on

437

00:17:48,799 --> 00:17:47,309

ground water and the man said well good

438

00:17:50,690 --> 00:17:48,809

good thing you're not talking about the

439

00:17:53,780 --> 00:17:50,700

aliens and he said what do you know

440

00:17:56,930 --> 00:17:53,790

about aliens and this man basically told

441

00:17:59,390 --> 00:17:56,940

the cameraman who is a very reliable

442

00:18:01,760 --> 00:17:59,400

person he's he's not someone who would

443

00:18:03,320 --> 00:18:01,770

lie about this or anything like that

444

00:18:04,640 --> 00:18:03,330

he's actually it's it's actually funny

445

00:18:06,590 --> 00:18:04,650

that he was working on the type of show

446

00:18:08,810 --> 00:18:06,600

that we were doing because he's even

447

00:18:12,110 --> 00:18:08,820

more of a more of a skeptic than I am so

448

00:18:14,630 --> 00:18:12,120

and he's very soft-spoken so so I know

449

00:18:16,250 --> 00:18:14,640

that this happened and he did not just

450

00:18:18,650 --> 00:18:16,260

you know say I'm just gonna sleep it's

451
00:18:19,700 --> 00:18:18,660
not a thing with him so a man walked up

452
00:18:21,470 --> 00:18:19,710
to me said he was working on a

453
00:18:23,930 --> 00:18:21,480
documentary with ground water he said

454
00:18:25,340 --> 00:18:23,940
this is what I know about aliens and so

455
00:18:30,100 --> 00:18:25,350
the cameraman just sat there and

456
00:18:33,290 --> 00:18:30,110
listened and the man claims that oh gosh

457
00:18:35,510 --> 00:18:33,300
there was an orphanage at the time a

458
00:18:37,040 --> 00:18:35,520
home for children not so much an

459
00:18:39,260 --> 00:18:37,050
orphanage but a home for children where

460
00:18:40,880 --> 00:18:39,270
parents had relinquished custody of

461
00:18:42,409 --> 00:18:40,890
their children due to mental and

462
00:18:45,260 --> 00:18:42,419
physical disabilities that their

463
00:18:46,580 --> 00:18:45,270

children had hydrocephalus cerebral

464

00:18:50,659 --> 00:18:46,590

palsy things like that

465

00:18:53,240 --> 00:18:50,669

so what he said was there was supposedly

466

00:18:56,210 --> 00:18:53,250

some sort of TB outbreak that went

467

00:18:57,919 --> 00:18:56,220

through this home for children and most

468

00:19:00,260 --> 00:18:57,929

of the children or a good number of the

469

00:19:05,120 --> 00:19:00,270

children died from whatever this was

470

00:19:07,549 --> 00:19:05,130

supposedly TB so he said that it was

471

00:19:10,340 --> 00:19:07,559

absolutely there were absolutely beings

472

00:19:12,680 --> 00:19:10,350

in this craft when it crashed he posits

473

00:19:14,570 --> 00:19:12,690

that it was a US government experimental

474

00:19:17,659 --> 00:19:14,580

aircraft and they did not want to risk

475

00:19:20,240 --> 00:19:17,669

the lives of pilots so they had taken

476

00:19:22,370 --> 00:19:20,250

these children that supposedly died they

477

00:19:23,750 --> 00:19:22,380

did not die they had taken the children

478

00:19:26,720 --> 00:19:23,760

and they had put and put them in the

479

00:19:29,780 --> 00:19:26,730

craft to try to study the effects of how

480

00:19:31,909 --> 00:19:29,790

quickly that craft flew on the human

481

00:19:34,250 --> 00:19:31,919

body that's why there was a need for

482

00:19:36,169 --> 00:19:34,260

caskets for child sized caskets that's

483

00:19:38,390 --> 00:19:36,179

why the children looked as if they had

484

00:19:40,850 --> 00:19:38,400

the beings looked as if they had large

485

00:19:43,130 --> 00:19:40,860

heads that's why they were small in

486

00:19:45,919 --> 00:19:43,140

stature and their skin was tinged gray

487

00:19:48,919 --> 00:19:45,929

so immediately Ryan and I hear this and

488

00:19:50,960 --> 00:19:48,929

we are sickened and freaking out and

489

00:19:55,070 --> 00:19:50,970

thinking does this have merit what's

490

00:19:56,840 --> 00:19:55,080

going on and you know if let's just say

491

00:19:59,240 --> 00:19:56,850

that's true just for the sake of

492

00:20:00,799 --> 00:19:59,250

argument for this point if that is true

493

00:20:02,299 --> 00:20:00,809

or has any kernel of truth to it no

494

00:20:04,400 --> 00:20:02,309

wonder the government says you think

495

00:20:06,950 --> 00:20:04,410

that it's aliens right on keep thinking

496

00:20:10,580 --> 00:20:06,960

it's aliens great because if that were

497

00:20:12,530 --> 00:20:10,590

to be the truth how horrific right and I

498

00:20:14,659 --> 00:20:12,540

mean we'll get to some of the stuff the

499

00:20:18,080 --> 00:20:14,669

government's possibly done in terms of

500

00:20:20,930 --> 00:20:18,090

experiments with people but this was a

501
00:20:23,000 --> 00:20:20,940
theory that had been going around the

502
00:20:25,880 --> 00:20:23,010
UFO community for a while in different

503
00:20:27,500 --> 00:20:25,890
forms you know one minute it was you

504
00:20:30,740 --> 00:20:27,510
know orphans from America the next

505
00:20:33,010 --> 00:20:30,750
minute there was POWs from Japan the

506
00:20:35,030 --> 00:20:33,020
next minute it was people from Russia

507
00:20:36,140 --> 00:20:35,040
these theories have been going around

508
00:20:38,750 --> 00:20:36,150
for a while that

509
00:20:41,840 --> 00:20:38,760
Roswell was much more human than I think

510
00:20:44,240 --> 00:20:41,850
a lot of people are willing to accept in

511
00:20:47,120 --> 00:20:44,250
the believer camp

512
00:20:50,720 --> 00:20:47,130
I heard our cameraman bring up the story

513
00:20:52,850 --> 00:20:50,730

I was stunned because it was so accurate

514

00:20:56,780 --> 00:20:52,860

two things I'd been told throughout the

515

00:20:58,760 --> 00:20:56,790

years it matched up perfectly with the

516

00:21:01,640 --> 00:20:58,770

investigation you and I were doing in

517

00:21:03,710 --> 00:21:01,650

terms of the evidence we found and it

518

00:21:05,750 --> 00:21:03,720

just it blew me away that a local in

519

00:21:06,860 --> 00:21:05,760

Roswell who you know has heard every

520

00:21:09,020 --> 00:21:06,870

story Under the Sun

521

00:21:10,970 --> 00:21:09,030

said not only that he'd heard this story

522

00:21:12,590 --> 00:21:10,980

but that he'd heard it directly from

523

00:21:15,440 --> 00:21:12,600

people within his family that were

524

00:21:16,850 --> 00:21:15,450

involved with it so that was scary to

525

00:21:20,090 --> 00:21:16,860

think if any of that's true

526

00:21:22,430 --> 00:21:20,100

any of it it's any unnerving well and

527

00:21:24,080 --> 00:21:22,440

later you know I was on set in Los

528

00:21:25,700 --> 00:21:24,090

Angeles and somebody said you've been

529

00:21:27,950 --> 00:21:25,710

gone for a long time I was stuck

530

00:21:29,900 --> 00:21:27,960

advising for a military scene for the

531

00:21:31,490 --> 00:21:29,910

show and he said you've been gone a long

532

00:21:34,010 --> 00:21:31,500

time I said yeah I was actually just in

533

00:21:35,570 --> 00:21:34,020

Roswell and he said you know what were

534

00:21:37,190 --> 00:21:35,580

you shooting and I gave him the bare

535

00:21:39,410 --> 00:21:37,200

minimum I said hey you're you know it's

536

00:21:41,840 --> 00:21:39,420

coming out on this day but yes basically

537

00:21:43,580 --> 00:21:41,850

we're shooting about that and he said

538

00:21:46,390 --> 00:21:43,590

you know I went to New Mexico Military

539

00:21:48,830 --> 00:21:46,400

Institute and this is a retired colonel

540

00:21:51,080 --> 00:21:48,840

that I know so you know he was in the

541

00:21:53,480 --> 00:21:51,090

Army for 30 years he's very reliable and

542

00:21:55,130 --> 00:21:53,490

I said really and he said yes and he

543

00:21:57,260 --> 00:21:55,140

said and I actually have a connection to

544

00:21:57,650 --> 00:21:57,270

Roswell and I said well you know of

545

00:22:00,020 --> 00:21:57,660

course

546

00:22:02,330 --> 00:22:00,030

tell me more he said that there was a

547

00:22:04,280 --> 00:22:02,340

woman who used to be married to one of

548

00:22:08,420 --> 00:22:04,290

the town veterinarians he had since

549

00:22:10,460 --> 00:22:08,430

passed on and when he was a cadet at the

550

00:22:12,950 --> 00:22:10,470

New Mexico Military Institute you know

551

00:22:15,770 --> 00:22:12,960

this was 30 years ago but she was

552

00:22:18,560 --> 00:22:15,780

married to the town veterinarian and she

553

00:22:21,350 --> 00:22:18,570

said that her husband had come home and

554

00:22:23,240 --> 00:22:21,360

he had said that and at this time when

555

00:22:25,190 --> 00:22:23,250

she was talking to the colonel her

556

00:22:26,930 --> 00:22:25,200

husband had died you know she's retired

557

00:22:30,920 --> 00:22:26,940

they're they're elderly at this point

558

00:22:32,870 --> 00:22:30,930

but back in 1947 he had come home and he

559

00:22:36,020 --> 00:22:32,880

was screaming and crying and shaking and

560

00:22:37,820 --> 00:22:36,030

she said what happened and he said that

561

00:22:39,830 --> 00:22:37,830

and this was a very reserved man you

562

00:22:42,530 --> 00:22:39,840

know that's not a standard of behavior

563

00:22:44,990 --> 00:22:42,540

for men back then and he had said that

564

00:22:48,020 --> 00:22:45,000

you know they had called him in to his

565

00:22:50,270 --> 00:22:48,030

practice and they had said we need you

566

00:22:52,850 --> 00:22:50,280

to vivisect because one of these beings

567

00:22:55,160 --> 00:22:52,860

was still alive and he said that there

568

00:22:57,919 --> 00:22:55,170

were three beings and he explained that

569

00:23:00,289 --> 00:22:57,929

they looked small at in just great

570

00:23:02,060 --> 00:23:00,299

skin he said that he didn't know if they

571

00:23:04,190 --> 00:23:02,070

were human or not but two of them were

572

00:23:06,680 --> 00:23:04,200

dead and they wanted the other one

573

00:23:08,570 --> 00:23:06,690

vivisected and he said he just started

574

00:23:10,070 --> 00:23:08,580

freaking out and said no and was crying

575

00:23:13,129 --> 00:23:10,080

and screaming and she said that after

576
00:23:15,739 --> 00:23:13,139
that the you know quintessential men in

577
00:23:17,720 --> 00:23:15,749
black came to their house and said that

578
00:23:18,529 --> 00:23:17,730
they needed to speak to him they spoke

579
00:23:21,680 --> 00:23:18,539
to him in private

580
00:23:24,019 --> 00:23:21,690
and he never talked about it again so to

581
00:23:25,909 --> 00:23:24,029
me you know do I know that this is

582
00:23:28,340 --> 00:23:25,919
necessarily true I don't know but it

583
00:23:31,489 --> 00:23:28,350
backs up exactly what the other story

584
00:23:34,519 --> 00:23:31,499
was and you know this woman at the time

585
00:23:36,710 --> 00:23:34,529
was in her 90s so why is she going to be

586
00:23:38,720 --> 00:23:36,720
making up stories to tell local cadets

587
00:23:40,399 --> 00:23:38,730
at the New Mexico Military Institute

588
00:23:42,430 --> 00:23:40,409

that just doesn't make a lot of sense

589

00:23:44,899 --> 00:23:42,440

when somebody has lived a very

590

00:23:46,639 --> 00:23:44,909

honourable life doesn't have a history

591

00:23:50,330 --> 00:23:46,649

of making up stories and then in their

592

00:23:52,489 --> 00:23:50,340

90s decides to invent this story you

593

00:23:54,470 --> 00:23:52,499

know so I have to give that some sort of

594

00:23:57,320 --> 00:23:54,480

credence maybe he told her then and it

595

00:23:59,749 --> 00:23:57,330

wasn't true but then again why would he

596

00:24:00,379 --> 00:23:59,759

make it up it just does it doesn't make

597

00:24:04,070 --> 00:24:00,389

any sense

598

00:24:07,789 --> 00:24:04,080

you know exactly yeah and I mean we we

599

00:24:10,759 --> 00:24:07,799

could debate till you know for the end

600

00:24:14,060 --> 00:24:10,769

of time what Roswell was or wasn't will

601
00:24:16,909 --> 00:24:14,070
we ever know I don't know but I know you

602
00:24:18,799 --> 00:24:16,919
and I we we are itching to get back out

603
00:24:22,159 --> 00:24:18,809
there because there's some leads that we

604
00:24:24,680 --> 00:24:22,169
have where we're like whoa we really got

605
00:24:27,859 --> 00:24:24,690
a we got I'll get this even further so I

606
00:24:30,080 --> 00:24:27,869
guess sort of rounding out Roswell what

607
00:24:31,460 --> 00:24:30,090
do you want to do that's left with

608
00:24:33,710 --> 00:24:31,470
investigating right so is there anything

609
00:24:35,869 --> 00:24:33,720
that really we weren't able to cover

610
00:24:38,470 --> 00:24:35,879
that you'd want to do or where do you

611
00:24:42,529 --> 00:24:38,480
stand right now on the whole thing Jen

612
00:24:44,359 --> 00:24:42,539
you know I wish I had access to the

613
00:24:47,539 --> 00:24:44,369

files of base personnel at that time

614

00:24:49,730 --> 00:24:47,549

that's something that you know if that

615

00:24:51,499 --> 00:24:49,740

did exist it's probably long gone it's

616

00:24:55,789 --> 00:24:51,509

been destroyed I would not have access

617

00:24:57,769 --> 00:24:55,799

to it I would love to do I would love to

618

00:24:59,930 --> 00:24:57,779

do more interviews in person with people

619

00:25:01,669 --> 00:24:59,940

now at this point it's children of

620

00:25:03,739 --> 00:25:01,679

people and it's grandchildren of people

621

00:25:06,320 --> 00:25:03,749

but there's something to be said about

622

00:25:09,619 --> 00:25:06,330

many people coming forward who do not

623

00:25:10,090 --> 00:25:09,629

have a history of exaggeration or lying

624

00:25:12,640 --> 00:25:10,100

and

625

00:25:14,230 --> 00:25:12,650

you know this is what happened this is

626

00:25:16,090 --> 00:25:14,240

what my father said this is what my

627

00:25:17,830 --> 00:25:16,100

grandfather said I really want to do

628

00:25:19,630 --> 00:25:17,840

some more interviews because sometimes

629

00:25:21,520 --> 00:25:19,640

the beauty of interviews is sometimes

630

00:25:23,710 --> 00:25:21,530

people will say something as an aside

631

00:25:25,390 --> 00:25:23,720

that they think is nothing but it

632

00:25:27,430 --> 00:25:25,400

connects to something else that you

633

00:25:29,350 --> 00:25:27,440

already know about the investigation and

634

00:25:31,090 --> 00:25:29,360

it's just a tree branch and you follow

635

00:25:33,190 --> 00:25:31,100

it and you see where it goes sometimes

636

00:25:35,950 --> 00:25:33,200

it leads to nothing sometimes it leads

637

00:25:37,810 --> 00:25:35,960

to something really freaking great that

638

00:25:39,909 --> 00:25:37,820

is such a good point I mean the only

639

00:25:42,940 --> 00:25:39,919

reason you and I are talking about

640

00:25:46,330 --> 00:25:42,950

Roswell right now was a chance like

641

00:25:48,820 --> 00:25:46,340

remark to Stanton Friedman one of the

642

00:25:51,520 --> 00:25:48,830

biggest you know UFO researchers of all

643

00:25:54,730 --> 00:25:51,530

time who we lost recently unfortunately

644

00:25:56,409 --> 00:25:54,740

but a chance remark that someone said

645

00:25:57,669 --> 00:25:56,419

being like oh you should talk to that

646

00:26:00,190 --> 00:25:57,679

guy Jesse Marcel

647

00:26:02,590 --> 00:26:00,200

I think he was somewhat involved with

648

00:26:04,180 --> 00:26:02,600

that and then BOOM the entire Roswell

649

00:26:06,700 --> 00:26:04,190

incident that had been covered up for so

650

00:26:08,680 --> 00:26:06,710

long was blown wide open and that's why

651
00:26:11,799 --> 00:26:08,690
I'm talking about it no because it was

652
00:26:12,909 --> 00:26:11,809
out left in obscurity after it happened

653
00:26:14,289 --> 00:26:12,919
they thought they've covered this thing

654
00:26:16,299 --> 00:26:14,299
up and no one was ever gonna talk about

655
00:26:19,120 --> 00:26:16,309
it again but look it's 2019 and we're

656
00:26:20,350 --> 00:26:19,130
still questioning what happened well you

657
00:26:22,120 --> 00:26:20,360
know what I would love to do is I would

658
00:26:23,950 --> 00:26:22,130
love to go to Kingman because there was

659
00:26:26,440 --> 00:26:23,960
a supposedly a UFO crash there I would

660
00:26:28,390 --> 00:26:26,450
love to go to Kecksburg I want to see

661
00:26:30,610 --> 00:26:28,400
what the connecting threads are because

662
00:26:32,140 --> 00:26:30,620
I don't believe for one instance now I'm

663
00:26:33,970 --> 00:26:32,150

not saying that I know for a fact it's

664

00:26:35,529 --> 00:26:33,980

extraterrestrial craft I don't know that

665

00:26:38,380 --> 00:26:35,539

maybe it's military craft it could be

666

00:26:41,350 --> 00:26:38,390

anything but you know when these things

667

00:26:44,649 --> 00:26:41,360

happen this isn't just conspiracy

668

00:26:45,549 --> 00:26:44,659

theorists making up things that's that's

669

00:26:47,919 --> 00:26:45,559

not possible

670

00:26:50,409 --> 00:26:47,929

Oh in Roswell in 47 they made it up oh

671

00:26:52,299 --> 00:26:50,419

and Kecksburg in 65 they made this that

672

00:26:54,370 --> 00:26:52,309

that's a nonsense theory in itself to

673

00:26:56,140 --> 00:26:54,380

say all of these things are just created

674

00:26:57,789 --> 00:26:56,150

out of somebody's minds something

675

00:27:00,370 --> 00:26:57,799

happened we just have to ascertain what

676
00:27:03,789 --> 00:27:00,380
and I can't wait for that possibility

677
00:27:07,299 --> 00:27:03,799
for us to get back out there from

678
00:27:09,760 --> 00:27:07,309
Roswell came mysteries decoded the the

679
00:27:12,760 --> 00:27:09,770
one-hour special did so well with the CW

680
00:27:15,850 --> 00:27:12,770
they were so amped to keep doing this

681
00:27:19,030 --> 00:27:15,860
that they created mysteries decoded and

682
00:27:22,600 --> 00:27:19,040
you are the main host and I I gotta tell

683
00:27:23,950 --> 00:27:22,610
you didn't like I love watching this

684
00:27:27,269 --> 00:27:23,960
show every week

685
00:27:29,950 --> 00:27:27,279
just to see the looks on your face

686
00:27:32,830 --> 00:27:29,960
some of these stories oh my god you're

687
00:27:34,989 --> 00:27:32,840
becoming a meme it's hilarious oh I need

688
00:27:37,060 --> 00:27:34,999

some gifts I tell you I rolled my eyes

689

00:27:39,460 --> 00:27:37,070

so hard I feel like they're gonna break

690

00:27:41,230 --> 00:27:39,470

off into the back of my stall see but

691

00:27:42,940 --> 00:27:41,240

here's the thing that that that could be

692

00:27:45,609 --> 00:27:42,950

taken the wrong way in terms of your

693

00:27:48,460 --> 00:27:45,619

debugger or an extreme skeptic when I

694

00:27:51,730 --> 00:27:48,470

know for a fact that you are very

695

00:27:54,669 --> 00:27:51,740

open-minded I am I am but sometimes

696

00:27:56,889 --> 00:27:54,679

people listen then the eye-rolling comes

697

00:27:58,810 --> 00:27:56,899

from and I'm not going to say what

698

00:28:00,100 --> 00:27:58,820

episodes these people are on but you

699

00:28:01,930 --> 00:28:00,110

know there were three people that we

700

00:28:03,639 --> 00:28:01,940

interviewed who are they're not hosts

701
00:28:05,070 --> 00:28:03,649
there they are not co-hosts they were

702
00:28:07,180 --> 00:28:05,080
just people who are on the show and

703
00:28:09,909 --> 00:28:07,190
three individual people who are

704
00:28:12,909 --> 00:28:09,919
charlatans you know just everything

705
00:28:14,680 --> 00:28:12,919
about them it's like I they're just

706
00:28:17,350 --> 00:28:14,690
trying to sell me something and they're

707
00:28:19,180 --> 00:28:17,360
trying to think that I'm dumb and they

708
00:28:22,029 --> 00:28:19,190
can kind of try to convince me that a B

709
00:28:23,619 --> 00:28:22,039
and C is true and there are a lot of

710
00:28:25,930 --> 00:28:23,629
people that we bring on the show who are

711
00:28:27,999 --> 00:28:25,940
very credible but there are other people

712
00:28:31,029 --> 00:28:28,009
we bring on who have these fanciful

713
00:28:31,629 --> 00:28:31,039

things going on and none of it makes any

714

00:28:34,899 --> 00:28:31,639

sense

715

00:28:36,759 --> 00:28:34,909

so yes I'm extremely open-minded but you

716

00:28:38,379 --> 00:28:36,769

know I can also sniff out BS like

717

00:28:40,389 --> 00:28:38,389

nobody's business and when somebody's

718

00:28:42,940 --> 00:28:40,399

trying to feed me something that is

719

00:28:45,190 --> 00:28:42,950

clearly just absolutely not true and I

720

00:28:47,529 --> 00:28:45,200

feel you know maybe if I if I believe my

721

00:28:51,279 --> 00:28:47,539

lies she will too I just cannot control

722

00:28:54,310 --> 00:28:51,289

myself welcome to my life I mean I go to

723

00:28:56,769 --> 00:28:54,320

conferences where you know you have a

724

00:29:00,039 --> 00:28:56,779

retired military base commander you know

725

00:29:03,310 --> 00:29:00,049

with audio documentation of a UFO event

726

00:29:05,049 --> 00:29:03,320

happening who's risking his career his

727

00:29:07,299 --> 00:29:05,059

pension and coming forward with these

728

00:29:09,669 --> 00:29:07,309

things and then the next speaker up a

729

00:29:12,970 --> 00:29:09,679

guy who says he met blue chicken aliens

730

00:29:17,080 --> 00:29:12,980

and worked on a Mars base with Obama I

731

00:29:19,090 --> 00:29:17,090

mean yeah this is the sad sad state of

732

00:29:22,239 --> 00:29:19,100

affairs when it comes to these topics

733

00:29:24,909 --> 00:29:22,249

paranormal UFOs and the communities that

734

00:29:27,879 --> 00:29:24,919

crop up around these is yes you have

735

00:29:29,830 --> 00:29:27,889

very credible people coming forward and

736

00:29:32,739 --> 00:29:29,840

telling stories but there's always that

737

00:29:34,629 --> 00:29:32,749

that shadow that dark shadow behind them

738

00:29:35,590 --> 00:29:34,639

of a charlatan who's gonna take

739

00:29:37,900 --> 00:29:35,600

advantage

740

00:29:40,000 --> 00:29:37,910

of people's belief systems so and it

741

00:29:42,910 --> 00:29:40,010

hurts the credibility of everybody

742

00:29:45,760 --> 00:29:42,920

involved and that's who the main that's

743

00:29:48,220 --> 00:29:45,770

who the mass media you know hooks on to

744

00:29:50,440 --> 00:29:48,230

is the blue chicken Obama Mars guy

745

00:29:52,900 --> 00:29:50,450

they don't look at actual sightings and

746

00:29:54,580 --> 00:29:52,910

say okay this is a UFO what could it be

747

00:29:56,500 --> 00:29:54,590

could it be a military craft could it be

748

00:29:58,350 --> 00:29:56,510

extraterrestrial do we know no we're

749

00:30:00,840 --> 00:29:58,360

just gonna lump in all these legitimate

750

00:30:02,740 --> 00:30:00,850

sightings and with the blue chicken guy

751

00:30:04,450 --> 00:30:02,750

exactly oh man

752

00:30:06,520 --> 00:30:04,460

I could we could do an entire episode on

753

00:30:08,500 --> 00:30:06,530

the blue chicken guy but we don't want

754

00:30:10,420 --> 00:30:08,510

to give him that much acknowledgement to

755

00:30:12,160 --> 00:30:10,430

be able to be to be fair I've never

756

00:30:15,400 --> 00:30:12,170

heard of him so I'm glad blue chicken

757

00:30:18,850 --> 00:30:15,410

guy is not on on my radar yet he will be

758

00:30:21,310 --> 00:30:18,860

seeing I'll be sure so you can check him

759

00:30:23,200 --> 00:30:21,320

out but um let's get to the first

760

00:30:25,210 --> 00:30:23,210

episode that aired on the CW of

761

00:30:29,500 --> 00:30:25,220

mysteries decoded and that's the Lizzie

762

00:30:32,800 --> 00:30:29,510

Borden murders always been fascinated by

763

00:30:35,890 --> 00:30:32,810

this case i I went to see a play based

764

00:30:37,480 --> 00:30:35,900

on it not too long ago actually so it

765

00:30:39,550 --> 00:30:37,490

was pretty fresh in my mind when this

766

00:30:41,050 --> 00:30:39,560

came out so Lizzie Borden what was the

767

00:30:45,400 --> 00:30:41,060

experience like first of all working

768

00:30:47,400 --> 00:30:45,410

with a paranormal investigator I have my

769

00:30:50,020 --> 00:30:47,410

reservations about people who are

770

00:30:51,610 --> 00:30:50,030

psychic mediums you know Stephanie she's

771

00:30:54,430 --> 00:30:51,620

a psychic medium the paranormal

772

00:30:56,350 --> 00:30:54,440

investigators were there and I just

773

00:30:58,240 --> 00:30:56,360

there called the ghost guys the ghost

774

00:31:01,150 --> 00:30:58,250

guys sometimes I think yeah they're

775

00:31:02,830 --> 00:31:01,160

pretty cool is it started yeah yeah and

776

00:31:04,090 --> 00:31:02,840

pardon me it has been months and months

777

00:31:05,920 --> 00:31:04,100

and months since we shot that that was

778

00:31:07,810 --> 00:31:05,930

the first episode we shot um but I

779

00:31:09,970 --> 00:31:07,820

enjoyed working with them but of course

780

00:31:12,340 --> 00:31:09,980

I went into it thinking she's probably a

781

00:31:16,180 --> 00:31:12,350

liar or a fraud or mentally ill and I

782

00:31:17,470 --> 00:31:16,190

you know I say that just because 95% of

783

00:31:19,330 --> 00:31:17,480

the people who come to me and say

784

00:31:21,580 --> 00:31:19,340

they're psychic it's one of the above

785

00:31:23,800 --> 00:31:21,590

and I don't mean mentally ill in a

786

00:31:25,630 --> 00:31:23,810

disparaging way I mean it as a literal

787

00:31:28,540 --> 00:31:25,640

you know I've dealt with mental illness

788

00:31:30,370 --> 00:31:28,550

as well I mean it as in perhaps she

789

00:31:33,130 --> 00:31:30,380

believes these things that are not true

790

00:31:34,450 --> 00:31:33,140

but you know the longer we were there

791

00:31:36,390 --> 00:31:34,460

there were things that I could not

792

00:31:39,580 --> 00:31:36,400

explain and I went into that thinking

793

00:31:40,900 --> 00:31:39,590

guys come on let's just go in here let's

794

00:31:43,120 --> 00:31:40,910

just get this done let's look at the

795

00:31:45,040 --> 00:31:43,130

science I didn't expect anything to

796

00:31:47,050 --> 00:31:45,050

happen so when we're in the room and

797

00:31:48,640 --> 00:31:47,060

they said can you get down where Abby

798

00:31:49,240 --> 00:31:48,650

Borden was found where Abby Borden's

799

00:31:51,580 --> 00:31:49,250

body was

800

00:31:53,170 --> 00:31:51,590

found sure I got on the floor I wasn't

801
00:31:55,510 --> 00:31:53,180
scared I wasn't nervous I said I'm gonna

802
00:31:57,160 --> 00:31:55,520
do this not feel anything get up and you

803
00:31:57,340 --> 00:31:57,170
know go eat my dinner and be fine with

804
00:31:59,320 --> 00:31:57,350
it

805
00:32:00,760 --> 00:31:59,330
when I got down there they were saying

806
00:32:05,890 --> 00:32:00,770
well there's this creature on the bed

807
00:32:08,410 --> 00:32:05,900
and I felt something or someone touched

808
00:32:10,720 --> 00:32:08,420
me in the side it was not pressure it

809
00:32:13,390 --> 00:32:10,730
was a poke of static electricity and my

810
00:32:15,220 --> 00:32:13,400
ribs naysayers would say no she's

811
00:32:16,390 --> 00:32:15,230
wanting to think that she's thinking

812
00:32:18,670 --> 00:32:16,400
something was going to happen

813
00:32:20,620 --> 00:32:18,680

no I was thinking my boots are cutting

814

00:32:22,570 --> 00:32:20,630

off my circulation how long do I have to

815

00:32:24,130 --> 00:32:22,580

stand here I'm pretty sure my how long

816

00:32:25,720 --> 00:32:24,140

do I have to kneel here I'm pretty sure

817

00:32:27,730 --> 00:32:25,730

my muffin top is hanging out over my

818

00:32:30,000 --> 00:32:27,740

pants what's going on I was just

819

00:32:32,770 --> 00:32:30,010

thinking of all these other things and

820

00:32:34,660 --> 00:32:32,780

the CW cut it out of course because it

821

00:32:36,850 --> 00:32:34,670

was profanity but I actually stood up

822

00:32:40,300 --> 00:32:36,860

after I felt the poke and I said [\h__\h]

823

00:32:44,050 --> 00:32:40,310

this we are done I said we are done and

824

00:32:47,020 --> 00:32:44,060

I was very thrown by that I did not

825

00:32:49,360 --> 00:32:47,030

expect that and then later you know I I

826
00:32:51,040 --> 00:32:49,370
had never felt that malevolent creature

827
00:32:52,420 --> 00:32:51,050
that they said is next to you and it

828
00:32:54,940 --> 00:32:52,430
looks like it's trying to hit you I

829
00:32:58,420 --> 00:32:54,950
never felt any evil anything like that

830
00:33:01,330 --> 00:32:58,430
I did feel the child that was around and

831
00:33:04,240 --> 00:33:01,340
it was this weird euphoric feeling with

832
00:33:05,920 --> 00:33:04,250
a hint of affection kind of you know how

833
00:33:07,770 --> 00:33:05,930
it is when my kids are around it was

834
00:33:10,030 --> 00:33:07,780
like this hint of affection and

835
00:33:11,740 --> 00:33:10,040
protectiveness and it was the oddest

836
00:33:13,540 --> 00:33:11,750
thing I've ever felt because Here I am

837
00:33:15,850 --> 00:33:13,550
at a murder scene I should have felt

838
00:33:19,090 --> 00:33:15,860

either bored if I'm a skeptic or nervous

839

00:33:22,450 --> 00:33:19,100

if I'm none I felt the euphoria and I

840

00:33:25,270 --> 00:33:22,460

felt that several times and Stephanie

841

00:33:27,120 --> 00:33:25,280

said to me later during a few of those

842

00:33:29,740 --> 00:33:27,130

times she said the child is back I

843

00:33:31,840 --> 00:33:29,750

didn't say anything to her I didn't say

844

00:33:33,700 --> 00:33:31,850

this is how I feel she looked at me and

845

00:33:34,660 --> 00:33:33,710

said do you feel her she's next to you

846

00:33:37,900 --> 00:33:34,670

mm-hmm

847

00:33:39,910 --> 00:33:37,910

so I still can't say what Stephanie is

848

00:33:42,100 --> 00:33:39,920

and what she isn't but I can tell you

849

00:33:43,930 --> 00:33:42,110

that there were several times I felt

850

00:33:45,130 --> 00:33:43,940

something I didn't say anything I didn't

851
00:33:48,250 --> 00:33:45,140
look a certain way I was minding my own

852
00:33:51,550 --> 00:33:48,260
business and she said to me the child is

853
00:33:54,610 --> 00:33:51,560
back so maybe it's possible she sees

854
00:33:56,740 --> 00:33:54,620
things that we do not I don't know and

855
00:33:58,690 --> 00:33:56,750
I'm not ready to discount that because

856
00:34:00,850 --> 00:33:58,700
we don't understand how Souls work or

857
00:34:02,350 --> 00:34:00,860
different dimensions or you know we

858
00:34:02,950 --> 00:34:02,360
don't understand that so even as a

859
00:34:04,510 --> 00:34:02,960
skeptic

860
00:34:07,269 --> 00:34:04,520
Who am I to say oh that doesn't exist

861
00:34:09,820 --> 00:34:07,279
right and you know I'm sort of glad that

862
00:34:11,680 --> 00:34:09,830
the episode really teetering on both

863
00:34:14,500 --> 00:34:11,690

ends of the spectrum you know you've got

864

00:34:18,700 --> 00:34:14,510

the sort of paranormal angle of trying

865

00:34:21,129 --> 00:34:18,710

to possibly communicate with spirits in

866

00:34:24,010 --> 00:34:21,139

terms of trying to solve this case which

867

00:34:26,020 --> 00:34:24,020

is you know an interesting way to go

868

00:34:28,720 --> 00:34:26,030

obviously but then you have the other

869

00:34:30,490 --> 00:34:28,730

side of it to where you you spoke to an

870

00:34:33,369 --> 00:34:30,500

author of the book that about Lizzie

871

00:34:35,109 --> 00:34:33,379

Borden or um who was the other gentleman

872

00:34:41,020 --> 00:34:35,119

he was like a crime-scene investigator

873

00:34:42,790 --> 00:34:41,030

or yes Esav right yes yes so he yes so

874

00:34:44,970 --> 00:34:42,800

he was a detective and he had worked as

875

00:34:47,589 --> 00:34:44,980

a crime-scene investigator for years and

876

00:34:49,389 --> 00:34:47,599

it's funny because of course you know as

877

00:34:51,129 --> 00:34:49,399

we shoot it's you know two or three

878

00:34:54,339 --> 00:34:51,139

hours and then it becomes a two to three

879

00:34:57,550 --> 00:34:54,349

minute scene but he was really

880

00:34:59,290 --> 00:34:57,560

interesting and he gave me a perspective

881

00:35:01,120 --> 00:34:59,300

as to because people said well Lizzie

882

00:35:03,160 --> 00:35:01,130

couldn't have done it because many

883

00:35:06,280 --> 00:35:03,170

sources said she was left-handed and he

884

00:35:07,660 --> 00:35:06,290

showed in fact if she was left-handed as

885

00:35:09,820 --> 00:35:07,670

sources have indicated she absolutely

886

00:35:12,190 --> 00:35:09,830

could have done it she could have come

887

00:35:14,079 --> 00:35:12,200

up behind Andrew Borden on the couch and

888

00:35:16,240 --> 00:35:14,089

did it that way and that would have

889

00:35:18,130 --> 00:35:16,250

explained the spatter it also would have

890

00:35:20,530 --> 00:35:18,140

made sense because if you're about to

891

00:35:22,030 --> 00:35:20,540

murder your own father you know do you

892

00:35:23,800 --> 00:35:22,040

want to be looking right at him as you

893

00:35:25,660 --> 00:35:23,810

plunge that hatchet into his face or is

894

00:35:28,930 --> 00:35:25,670

it kind of more palatable to stand

895

00:35:30,849 --> 00:35:28,940

behind and do a sneak attack so he was

896

00:35:34,210 --> 00:35:30,859

really really interesting and and I wish

897

00:35:35,800 --> 00:35:34,220

I wish that that scene could have been

898

00:35:37,630 --> 00:35:35,810

longer because he provided so much

899

00:35:41,140 --> 00:35:37,640

science behind it as far as blood

900

00:35:44,109 --> 00:35:41,150

spatter trajectory it was fascinating

901
00:35:49,240 --> 00:35:44,119
talking to him I'm sure and I mean sort

902
00:35:50,620 --> 00:35:49,250
of going out of this episode I mean I

903
00:35:53,560 --> 00:35:50,630
don't know about you I lean more on the

904
00:35:55,480 --> 00:35:53,570
side that she definitely did this I mean

905
00:35:57,130 --> 00:35:55,490
there were some pieces of evidence that

906
00:35:59,920 --> 00:35:57,140
you guys found that I'd never heard

907
00:36:03,460 --> 00:35:59,930
before that really convinced at least

908
00:36:06,040 --> 00:36:03,470
for me all paranormal stuff aside that

909
00:36:07,810 --> 00:36:06,050
that Lizzie was not the person that a

910
00:36:11,620 --> 00:36:07,820
lot of people think she was saying there

911
00:36:13,390 --> 00:36:11,630
was for that well I I absolutely believe

912
00:36:16,000 --> 00:36:13,400
that she did it and if she was a man

913
00:36:16,580 --> 00:36:16,010

there would be no discussion about it

914

00:36:19,190 --> 00:36:16,590

but there were

915

00:36:21,170 --> 00:36:19,200

so many things that just didn't make

916

00:36:22,850 --> 00:36:21,180

sense and there's you know and Stephanie

917

00:36:23,630 --> 00:36:22,860

said the woman I talked to she could not

918

00:36:25,760 --> 00:36:23,640

have done this

919

00:36:28,760 --> 00:36:25,770

listen plenty of people do bad things

920

00:36:31,430 --> 00:36:28,770

and have remorse if I believed that she

921

00:36:33,140 --> 00:36:31,440

was talking to Lizzie Borden that's

922

00:36:34,610 --> 00:36:33,150

quite possible that she has remorse it's

923

00:36:36,170 --> 00:36:34,620

quite possible she was a changed person

924

00:36:37,090 --> 00:36:36,180

it's quite possible she lived the rest

925

00:36:39,560 --> 00:36:37,100

of her life

926

00:36:42,200 --> 00:36:39,570

upset and sickened by what she had done

927

00:36:43,550 --> 00:36:42,210

but at the same time you know there was

928

00:36:45,770 --> 00:36:43,560

a quote that was cut out

929

00:36:49,100 --> 00:36:45,780

I said Lizzie Borden is the first

930

00:36:51,650 --> 00:36:49,110

documented case of affluenza because she

931

00:36:54,230 --> 00:36:51,660

murdered her parents and then bought

932

00:36:55,700 --> 00:36:54,240

this huge estate with the blood money

933

00:36:58,550 --> 00:36:55,710

and lived in that for the rest of her

934

00:37:00,950 --> 00:36:58,560

life that was sent that was a level of

935

00:37:03,320 --> 00:37:00,960

you know that was what she that was how

936

00:37:05,030 --> 00:37:03,330

she wanted to live and then as soon as

937

00:37:07,130 --> 00:37:05,040

her parents were dead you know she she

938

00:37:09,770 --> 00:37:07,140

moves into this sprawling estate she got

939

00:37:10,460 --> 00:37:09,780

exactly what she wanted so there were so

940

00:37:12,200 --> 00:37:10,470

many things that were inappropriate

941

00:37:14,810 --> 00:37:12,210

another thing that was cut out was the

942

00:37:18,410 --> 00:37:14,820

all-male jury there was a photo of them

943

00:37:20,630 --> 00:37:18,420

that we showed in the program they sent

944

00:37:22,730 --> 00:37:20,640

Lizzie Borden this photo of them like

945

00:37:25,850 --> 00:37:22,740

some sort of weird fan club I thought

946

00:37:29,150 --> 00:37:25,860

what is going on here you know it was

947

00:37:30,860 --> 00:37:29,160

everything about it was just off the

948

00:37:33,530 --> 00:37:30,870

walls and Rebecca Pittman the author we

949

00:37:35,390 --> 00:37:33,540

interviewed her book is almost 900 pages

950

00:37:36,800 --> 00:37:35,400

and I had gone through the court

951
00:37:39,200 --> 00:37:36,810
documents and I had looked at all of the

952
00:37:41,000 --> 00:37:39,210
things she had provided and she spent

953
00:37:44,150 --> 00:37:41,010
years of her life putting this together

954
00:37:45,950 --> 00:37:44,160
and it was very persuasive she was

955
00:37:48,470 --> 00:37:45,960
dealing with primary source documents

956
00:37:50,330 --> 00:37:48,480
she's not going off of hearsay right and

957
00:37:52,310 --> 00:37:50,340
the fact that she has those documents

958
00:37:54,650 --> 00:37:52,320
from so long ago I mean that's that's

959
00:37:57,230 --> 00:37:54,660
digging beyond like some surface level

960
00:37:59,120 --> 00:37:57,240
look at this case that's like it gets to

961
00:38:02,240 --> 00:37:59,130
the point of almost an obsession but

962
00:38:04,480 --> 00:38:02,250
again that's when authors really they

963
00:38:07,100 --> 00:38:04,490

have a lot of power and they can change

964

00:38:11,000 --> 00:38:07,110

they can ultimately change history at

965

00:38:14,120 --> 00:38:11,010

times mm-hmm yes no Rebecca was amazing

966

00:38:16,630 --> 00:38:14,130

she definitely I mean she put a lot of

967

00:38:19,370 --> 00:38:16,640

time and effort into that but she was

968

00:38:22,310 --> 00:38:19,380

spot-on anything that I asked her that I

969

00:38:24,740 --> 00:38:22,320

wasn't clear about from looking at court

970

00:38:27,140 --> 00:38:24,750

records or you know reading witness

971

00:38:29,250 --> 00:38:27,150

accounts she knew the answer right away

972

00:38:31,290 --> 00:38:29,260

there was nothing that she had to say

973

00:38:32,580 --> 00:38:31,300

I mean look that up and if she didn't

974

00:38:34,470 --> 00:38:32,590

know she would say well that's not

975

00:38:36,570 --> 00:38:34,480

really well known I've looked into it

976
00:38:39,410 --> 00:38:36,580
here here here here and then I had also

977
00:38:42,500 --> 00:38:39,420
read the book from the Fall River

978
00:38:45,480 --> 00:38:42,510
Historical Association and that was a

979
00:38:48,030 --> 00:38:45,490
very very thick book it was hard to find

980
00:38:51,510 --> 00:38:48,040
I had to interlibrary loan it from

981
00:38:53,850 --> 00:38:51,520
university in Austin at a university in

982
00:38:55,710 --> 00:38:53,860
Austin and they sent it to me and you

983
00:38:59,640 --> 00:38:55,720
know they're very much of the belief

984
00:39:01,380 --> 00:38:59,650
that she did not commit this crime I I

985
00:39:03,750 --> 00:39:01,390
just don't see how it's possible that

986
00:39:06,300 --> 00:39:03,760
anybody else could have it doesn't make

987
00:39:10,800 --> 00:39:06,310
any sense and if she had a penis she

988
00:39:13,110 --> 00:39:10,810

would have been convicted case closed

989

00:39:14,940 --> 00:39:13,120

it does require a penis you know to be

990

00:39:21,390 --> 00:39:14,950

murder it does not require a penis it

991

00:39:26,550 --> 00:39:21,400

just does not thank you all right well

992

00:39:29,730 --> 00:39:26,560

moving from penises to the moth oh my

993

00:39:32,220 --> 00:39:29,740

gosh Mothman you met a first-hand

994

00:39:33,780 --> 00:39:32,230

witness of Mothman which was really cool

995

00:39:36,570 --> 00:39:33,790

you also worked with one of my good

996

00:39:39,570 --> 00:39:36,580

colleagues MJ benign asan this episode

997

00:39:41,820 --> 00:39:39,580

and I gotta ask what was this experience

998

00:39:44,250 --> 00:39:41,830

like what did you make of Mothman before

999

00:39:46,140 --> 00:39:44,260

this and what was your what were your

1000

00:39:49,410 --> 00:39:46,150

first impressions when you got there -

1001
00:39:51,990 --> 00:39:49,420
uh - Point Pleasant West Virginia well

1002
00:39:54,060 --> 00:39:52,000
I'll say that I had not heard of Mothman

1003
00:39:55,140 --> 00:39:54,070
outside of just being familiar with the

1004
00:39:57,150 --> 00:39:55,150
Mothman Prophecies

1005
00:40:00,990 --> 00:39:57,160
it was not something that was well-known

1006
00:40:02,790 --> 00:40:01,000
to me when we went to West Virginia you

1007
00:40:05,070 --> 00:40:02,800
know I'm a country girl at heart I grew

1008
00:40:07,020 --> 00:40:05,080
up in a very rural area I still go to

1009
00:40:09,030 --> 00:40:07,030
the rodeo people say there's a rodeo in

1010
00:40:13,110 --> 00:40:09,040
California I do I go to the rodeo you

1011
00:40:14,910 --> 00:40:13,120
know that that is kind of the place I

1012
00:40:18,150 --> 00:40:14,920
like to be so when we went to West

1013
00:40:21,690 --> 00:40:18,160

Virginia it was just wonderful the

1014

00:40:23,310 --> 00:40:21,700

people were amazing and it was really

1015

00:40:25,530 --> 00:40:23,320

really nice they were incredibly

1016

00:40:28,170 --> 00:40:25,540

welcoming when I first started looking

1017

00:40:31,080 --> 00:40:28,180

into it I I thought you know this had to

1018

00:40:33,930 --> 00:40:31,090

be some moonshine and you know cowboys

1019

00:40:35,640 --> 00:40:33,940

who were just out out seeing something

1020

00:40:37,860 --> 00:40:35,650

right just out in the middle of the

1021

00:40:41,280 --> 00:40:37,870

woods but the more that I looked into it

1022

00:40:42,930 --> 00:40:41,290

I thought this cannot be where all of

1023

00:40:45,750 --> 00:40:42,940

these people come forward and there's

1024

00:40:48,000 --> 00:40:45,760

same thing what I believe happened with

1025

00:40:49,770 --> 00:40:48,010

Mothman was there had to have been

1026

00:40:51,410 --> 00:40:49,780

something in the beginning because there

1027

00:40:53,880 --> 00:40:51,420

are too many witness accounts that match

1028

00:40:55,529 --> 00:40:53,890

the police would call people in they'd

1029

00:40:57,930 --> 00:40:55,539

immediately separate them have them

1030

00:40:59,460 --> 00:40:57,940

write it down on paper and the accounts

1031

00:41:02,819 --> 00:40:59,470

would match there were so many

1032

00:41:05,150 --> 00:41:02,829

legitimate sightings and then then I

1033

00:41:07,680 --> 00:41:05,160

think after that it kind of became

1034

00:41:09,059 --> 00:41:07,690

Mothman was the default people would see

1035

00:41:10,410 --> 00:41:09,069

something they thought it was Mothman

1036

00:41:12,870 --> 00:41:10,420

and I get it it's a kind of mass

1037

00:41:14,309 --> 00:41:12,880

hysteria that follows that but there was

1038

00:41:16,799 --> 00:41:14,319

something in the beginning know what

1039

00:41:18,779 --> 00:41:16,809

that is I don't know there was something

1040

00:41:21,299 --> 00:41:18,789

that MJ and I discussed that was you

1041

00:41:24,359 --> 00:41:21,309

know also didn't survive the edit there

1042

00:41:26,880 --> 00:41:24,369

is a concept in many indigenous cultures

1043

00:41:28,620 --> 00:41:26,890

of thought forms so basically a thought

1044

00:41:30,510 --> 00:41:28,630

form and this is a very lay person's

1045

00:41:33,359 --> 00:41:30,520

definition I'm not an expert in the

1046

00:41:35,940 --> 00:41:33,369

subject but from what I've read of it if

1047

00:41:39,359 --> 00:41:35,950

enough people believe in some things

1048

00:41:41,279 --> 00:41:39,369

existence think of the mind power that

1049

00:41:43,260 --> 00:41:41,289

comes from that we don't understand the

1050

00:41:45,660 --> 00:41:43,270

power of the brain we don't understand

1051
00:41:47,279 --> 00:41:45,670
exactly how it works so if you have

1052
00:41:49,170 --> 00:41:47,289
dozens of people hundreds of people

1053
00:41:51,960 --> 00:41:49,180
thousands of people believing that

1054
00:41:55,349 --> 00:41:51,970
something exists a thought form is

1055
00:41:58,079 --> 00:41:55,359
basically where it is willed into being

1056
00:42:00,029 --> 00:41:58,089
now this could be a sight or a sound or

1057
00:42:01,890 --> 00:42:00,039
a presence it doesn't necessarily mean

1058
00:42:04,200 --> 00:42:01,900
that all these people believe Mothman

1059
00:42:06,450 --> 00:42:04,210
exists and then a creature is created

1060
00:42:10,140 --> 00:42:06,460
that lives and breathes and walks it's

1061
00:42:12,539 --> 00:42:10,150
not that it's just kind of this this

1062
00:42:14,549 --> 00:42:12,549
thought form this being that's there so

1063
00:42:17,910 --> 00:42:14,559

do I think that that possibly could have

1064

00:42:19,920 --> 00:42:17,920

happened later on I do because we don't

1065

00:42:23,250 --> 00:42:19,930

know enough about the brain to say

1066

00:42:25,579 --> 00:42:23,260

that's not a possibility MJ was so

1067

00:42:29,099 --> 00:42:25,589

well-read he was so well-spoken

1068

00:42:31,529 --> 00:42:29,109

he's so intelligent I loved shooting

1069

00:42:34,500 --> 00:42:31,539

with him yeah yeah I was always

1070

00:42:37,650 --> 00:42:34,510

fascinated me about MJ is this cultural

1071

00:42:40,349 --> 00:42:37,660

approach he takes to the paranormal it's

1072

00:42:42,450 --> 00:42:40,359

not just like oh I believe in Bigfoot or

1073

00:42:44,910 --> 00:42:42,460

I believe in the Mothman it's okay well

1074

00:42:47,970 --> 00:42:44,920

let's look throughout the decades of how

1075

00:42:51,269 --> 00:42:47,980

these stories either manifested or

1076
00:42:54,269 --> 00:42:51,279
changed or how culture or belief systems

1077
00:42:55,820 --> 00:42:54,279
impact you know what we're seeing or

1078
00:42:57,350 --> 00:42:55,830
think we're seeing

1079
00:42:59,720 --> 00:42:57,360
you know a lot of people connect the

1080
00:43:01,970 --> 00:42:59,730
Mothman now to this Silver Bridge

1081
00:43:04,280 --> 00:43:01,980
collapse when in reality when you really

1082
00:43:06,710 --> 00:43:04,290
look at the string of events there were

1083
00:43:07,280 --> 00:43:06,720
there was not that many sightings of the

1084
00:43:09,920 --> 00:43:07,290
Mothman

1085
00:43:12,110 --> 00:43:09,930
at the Silver Bridge anyway it happens

1086
00:43:14,090 --> 00:43:12,120
to be you know what like you said a

1087
00:43:17,120 --> 00:43:14,100
default like this horrible tragedy

1088
00:43:20,000 --> 00:43:17,130

happens in a small town let's go to the

1089

00:43:22,670 --> 00:43:20,010

closest thing this harbinger of doom as

1090

00:43:25,310 --> 00:43:22,680

it were the Mothman and people want to

1091

00:43:28,760 --> 00:43:25,320

assign to be fair people want to assign

1092

00:43:31,370 --> 00:43:28,770

meaning to tragedy you know you saw this

1093

00:43:33,170 --> 00:43:31,380

after you know not not to get political

1094

00:43:35,270 --> 00:43:33,180

I won't but you saw this after after

1095

00:43:38,630 --> 00:43:35,280

9/11 I'll keep it on a historical note

1096

00:43:41,000 --> 00:43:38,640

you know people they were thirsty for

1097

00:43:43,490 --> 00:43:41,010

vengeance and it made people feel good

1098

00:43:45,590 --> 00:43:43,500

to say hey we are going to go after

1099

00:43:47,060 --> 00:43:45,600

these people that caused 9/11 it gave

1100

00:43:49,430 --> 00:43:47,070

them a purpose now I'm not saying that

1101
00:43:52,130 --> 00:43:49,440
was right or wrong what I'm just saying

1102
00:43:54,860 --> 00:43:52,140
is that is a natural reaction to tragedy

1103
00:43:56,750 --> 00:43:54,870
you want to lash out at somebody you

1104
00:43:59,960 --> 00:43:56,760
want to get even you want to assign

1105
00:44:01,760 --> 00:43:59,970
blame and and that's absolutely

1106
00:44:05,270 --> 00:44:01,770
understandable and I think when you're

1107
00:44:07,910 --> 00:44:05,280
dealing with a tragedy like that you

1108
00:44:11,120 --> 00:44:07,920
know they don't necessarily at the time

1109
00:44:12,830 --> 00:44:11,130
know that the bridge was made for this

1110
00:44:14,570 --> 00:44:12,840
amount of traffic and this is the weight

1111
00:44:17,120 --> 00:44:14,580
that's now in the bridge it hadn't been

1112
00:44:20,060 --> 00:44:17,130
regularly inspected that's not something

1113
00:44:21,860 --> 00:44:20,070

back in those times where they can go

1114

00:44:24,200 --> 00:44:21,870

online and say hmm when was this bred

1115

00:44:27,080 --> 00:44:24,210

bridge last inspected so of course

1116

00:44:28,790 --> 00:44:27,090

rather than lashing out you know where

1117

00:44:31,010 --> 00:44:28,800

the blame should have been it was it

1118

00:44:33,170 --> 00:44:31,020

said okay well maybe it was this this is

1119

00:44:36,290 --> 00:44:33,180

what I saw I saw this too and and it

1120

00:44:38,690 --> 00:44:36,300

became Mothman it became that he was the

1121

00:44:40,940 --> 00:44:38,700

one not necessarily to blame but he was

1122

00:44:43,430 --> 00:44:40,950

the one that was there warning them of

1123

00:44:45,500 --> 00:44:43,440

this impending doom giving a face to

1124

00:44:48,350 --> 00:44:45,510

like the things that we can't explain

1125

00:44:49,880 --> 00:44:48,360

are the things we fear it's how we deal

1126

00:44:53,480 --> 00:44:49,890

with it I think that's such a good point

1127

00:44:55,790 --> 00:44:53,490

and I mean right yeah and you guys also

1128

00:44:57,470 --> 00:44:55,800

came out with some really interesting

1129

00:44:59,510 --> 00:44:57,480

evidence for this episode I won't give

1130

00:45:01,700 --> 00:44:59,520

it away too much because all of these

1131

00:45:03,860 --> 00:45:01,710

episodes are free to stream right now I

1132

00:45:06,450 --> 00:45:03,870

highly suggest people check them out

1133

00:45:09,480 --> 00:45:06,460

over at CW seed but this I

1134

00:45:12,630 --> 00:45:09,490

this photo you guys had in the episode I

1135

00:45:15,630 --> 00:45:12,640

think that that that photo has been

1136

00:45:17,670 --> 00:45:15,640

going around for years now a lot of

1137

00:45:21,030 --> 00:45:17,680

people say this is evidence the Mothman

1138

00:45:23,160 --> 00:45:21,040

exists and I think you guys hit the nail

1139

00:45:24,540 --> 00:45:23,170

on the head with the photo the analysis

1140

00:45:27,510 --> 00:45:24,550

that was done on it and what it actually

1141

00:45:31,740 --> 00:45:27,520

was I won't give it away but I reckon it

1142

00:45:36,839 --> 00:45:31,750

was 100% the answer to that photograph

1143

00:45:39,120 --> 00:45:36,849

in my eye was I mean so we won't say

1144

00:45:41,550 --> 00:45:39,130

it's one say we won't say what the photo

1145

00:45:43,260 --> 00:45:41,560

but I will just say that you know this

1146

00:45:45,599 --> 00:45:43,270

photo that was supposedly taken by a

1147

00:45:48,599 --> 00:45:45,609

hunter who wants to remain anonymous

1148

00:45:51,900 --> 00:45:48,609

Jen's work was so thorough that in my

1149

00:45:54,599 --> 00:45:51,910

private practice I want to use her for a

1150

00:45:56,310 --> 00:45:54,609

tea for any audio or visual audio or

1151
00:45:58,050 --> 00:45:56,320
video forensics that I need because I

1152
00:46:00,300 --> 00:45:58,060
was so impressed with her she gave me

1153
00:46:01,890 --> 00:46:00,310
information I did not go into that

1154
00:46:03,570 --> 00:46:01,900
thinking that it was going to work out

1155
00:46:06,390 --> 00:46:03,580
the way that it did I went into their

1156
00:46:09,690 --> 00:46:06,400
thinking no no I am pretty sure that you

1157
00:46:11,760 --> 00:46:09,700
know the photo is a B or C and she

1158
00:46:14,849 --> 00:46:11,770
shocked the hell out of me I mean the

1159
00:46:17,700 --> 00:46:14,859
face that I'd show that's not an acting

1160
00:46:19,170 --> 00:46:17,710
face that is a what the hell I did not

1161
00:46:19,470 --> 00:46:19,180
think that she was going to say that to

1162
00:46:22,230 --> 00:46:19,480
me

1163
00:46:24,000 --> 00:46:22,240

yeah and I sort of went in being like oh

1164

00:46:25,859 --> 00:46:24,010

yeah she's gonna prove it was hoaxed or

1165

00:46:29,130 --> 00:46:25,869

like whatever the other thing in the

1166

00:46:31,859 --> 00:46:29,140

image is was like brushed into there CGI

1167

00:46:34,920 --> 00:46:31,869

- whatever but yeah her answer to it I

1168

00:46:36,780 --> 00:46:34,930

was a yup boom done so I highly suggest

1169

00:46:40,560 --> 00:46:36,790

people go to the episode to see what

1170

00:46:41,540 --> 00:46:40,570

we're talking about what do you think of

1171

00:46:44,640 --> 00:46:41,550

this idea

1172

00:46:46,800 --> 00:46:44,650

wrapping up Mothman this is the same

1173

00:46:50,790 --> 00:46:46,810

thing you and I came across with Roswell

1174

00:46:53,339 --> 00:46:50,800

as well is this idea that a town that

1175

00:46:56,730 --> 00:46:53,349

may not have been known for much now

1176

00:46:59,220 --> 00:46:56,740

part of the cultural zeitgeist of the

1177

00:47:01,890 --> 00:46:59,230

paranormal or you Falah djegal they

1178

00:47:04,050 --> 00:47:01,900

become prosperous because of this event

1179

00:47:06,420 --> 00:47:04,060

in their town what do you make of that

1180

00:47:08,910 --> 00:47:06,430

to be fair there was probably one or two

1181

00:47:11,609 --> 00:47:08,920

people that misconstrued what I said on

1182

00:47:14,640 --> 00:47:11,619

the show about basically profiting from

1183

00:47:18,870 --> 00:47:14,650

disaster so so I'll try to be more clear

1184

00:47:20,140 --> 00:47:18,880

here you cannot say that the town of

1185

00:47:22,359 --> 00:47:20,150

Point Pleasant has not

1186

00:47:25,380 --> 00:47:22,369

profited from the lore of Mothman it

1187

00:47:27,460 --> 00:47:25,390

absolutely has people go there because

1188

00:47:30,220 --> 00:47:27,470

Mothman has you know it's very prevalent

1189

00:47:33,569 --> 00:47:30,230

they have a museum there it's very much

1190

00:47:36,849 --> 00:47:33,579

a tourist draw now with that being said

1191

00:47:38,890 --> 00:47:36,859

they did not profit off of the collapse

1192

00:47:40,660 --> 00:47:38,900

of the Silver Bridge that was the worst

1193

00:47:43,529 --> 00:47:40,670

bridge disaster in US history

1194

00:47:46,960 --> 00:47:43,539

no one is profiting off the tragedy

1195

00:47:49,150 --> 00:47:46,970

Mothman became inextricably linked to

1196

00:47:51,220 --> 00:47:49,160

the Silver Bridge collapse but the fact

1197

00:47:53,769 --> 00:47:51,230

that Mothman is alive and well in their

1198

00:47:56,170 --> 00:47:53,779

town as far as lore I don't put that

1199

00:47:58,150 --> 00:47:56,180

with the Silver Bridge collapse so I

1200

00:48:00,579 --> 00:47:58,160

think that it's one of those things

1201

00:48:02,319 --> 00:48:00,589

that's a sleepy town it's kind of

1202

00:48:04,809 --> 00:48:02,329

something fun when you remove it from

1203

00:48:06,819 --> 00:48:04,819

the tragedy and you own look only look

1204

00:48:09,760 --> 00:48:06,829

at it in a paranormal lens it's kind of

1205

00:48:11,710 --> 00:48:09,770

fun it's kind of kitschy and you know I

1206

00:48:14,829 --> 00:48:11,720

think they've done a good job at kind of

1207

00:48:17,140 --> 00:48:14,839

marketing the town in this way and they

1208

00:48:20,019 --> 00:48:17,150

they have a festival every year but I

1209

00:48:22,599 --> 00:48:20,029

will be clear that community is affected

1210

00:48:24,760 --> 00:48:22,609

by the Silver Bridge collapse it is

1211

00:48:27,309 --> 00:48:24,770

something very traumatic and very tragic

1212

00:48:30,130 --> 00:48:27,319

for them and I didn't meet anybody who

1213

00:48:31,960 --> 00:48:30,140

wasn't affected by it by one way or

1214

00:48:33,940 --> 00:48:31,970

another they all have relatives who

1215

00:48:37,000 --> 00:48:33,950

either died or knew someone who died

1216

00:48:39,279 --> 00:48:37,010

it's a very small closely knit town so

1217

00:48:40,990 --> 00:48:39,289

while I think that Mothman is a very

1218

00:48:43,539 --> 00:48:41,000

kitschy and very cute and it's a tourist

1219

00:48:47,680 --> 00:48:43,549

straw there and I loved the people of

1220

00:48:50,049 --> 00:48:47,690

Point Pleasant I don't see it as at all

1221

00:48:51,700 --> 00:48:50,059

as them profiting from any you know from

1222

00:48:53,680 --> 00:48:51,710

the death and destruction that happened

1223

00:48:56,440 --> 00:48:53,690

with the Silver Bridge collapse you have

1224

00:48:58,750 --> 00:48:56,450

to you know parse those you have to take

1225

00:49:00,460 --> 00:48:58,760

them as two separates two separate

1226

00:49:01,930 --> 00:49:00,470

issues if that makes sense yes there are

1227

00:49:04,210 --> 00:49:01,940

links but you have to take it as two

1228

00:49:06,490 --> 00:49:04,220

separate issues nobody there thinks it's

1229

00:49:08,799 --> 00:49:06,500

okay to profit off the death of of all

1230

00:49:10,870 --> 00:49:08,809

those people who perished exactly I

1231

00:49:13,420 --> 00:49:10,880

think you guys sort of summed it up best

1232

00:49:15,039 --> 00:49:13,430

when you said like end of the day no

1233

00:49:17,349 --> 00:49:15,049

matter what you think about Mothman the

1234

00:49:19,900 --> 00:49:17,359

Silver Bridge collapse is a tragedy and

1235

00:49:22,750 --> 00:49:19,910

it should be treated as such and you

1236

00:49:23,819 --> 00:49:22,760

know that is the case with a lot of sort

1237

00:49:26,260 --> 00:49:23,829

of mystery

1238

00:49:28,539 --> 00:49:26,270

mysteries that occur you know whether

1239

00:49:30,910 --> 00:49:28,549

it's the Bermuda Triangle where people

1240

00:49:32,320 --> 00:49:30,920

disappear forever like yeah it's a

1241

00:49:34,600 --> 00:49:32,330

lowering and

1242

00:49:36,850 --> 00:49:34,610

and intriguing to think Oh some

1243

00:49:39,910 --> 00:49:36,860

paranormal or a weird thing happened

1244

00:49:42,070 --> 00:49:39,920

into the day someone died you know if

1245

00:49:43,480 --> 00:49:42,080

someone's missing so we got to keep

1246

00:49:44,980 --> 00:49:43,490

those things into perspective and I

1247

00:49:47,890 --> 00:49:44,990

think you guys did such a good job at

1248

00:49:51,700 --> 00:49:47,900

focusing on the human impact that the

1249

00:49:54,490 --> 00:49:51,710

this event had and completely separated

1250

00:49:56,830 --> 00:49:54,500

it from mom and and well thank you I I

1251
00:49:58,260 --> 00:49:56,840
do want to share something they got cut

1252
00:50:02,110 --> 00:49:58,270
yes please

1253
00:50:04,360 --> 00:50:02,120
MJ and I were so annoyed that we didn't

1254
00:50:07,810 --> 00:50:04,370
find anything in the forest we were in

1255
00:50:09,460 --> 00:50:07,820
the woods just running around and you

1256
00:50:11,950 --> 00:50:09,470
know we're trying to find something and

1257
00:50:14,500 --> 00:50:11,960
and were you know we're open to this and

1258
00:50:17,830 --> 00:50:14,510
there was nothing even scary it was just

1259
00:50:19,930 --> 00:50:17,840
beautiful and we just loved being out

1260
00:50:22,570 --> 00:50:19,940
there it was gorgeous and we left there

1261
00:50:24,850 --> 00:50:22,580
and we were driving back so grumpy we

1262
00:50:26,650 --> 00:50:24,860
saw nothing we saw nothing because this

1263
00:50:28,120 --> 00:50:26,660

was right after we shot head shot Lizzie

1264

00:50:29,860 --> 00:50:28,130

borne and I had shot Lizzie Borden so I

1265

00:50:31,330 --> 00:50:29,870

went into this thinking we're going to

1266

00:50:33,160 --> 00:50:31,340

see nothing and we wouldn't see

1267

00:50:35,920 --> 00:50:33,170

something and when we saw nothing it was

1268

00:50:37,210 --> 00:50:35,930

such a letdown but the investigator in

1269

00:50:38,740 --> 00:50:37,220

me should have known you're not gonna

1270

00:50:40,510 --> 00:50:38,750

see anything just go out for a midnight

1271

00:50:43,510 --> 00:50:40,520

stroll in the woods and be okay with

1272

00:50:45,760 --> 00:50:43,520

that yeah that's tough I mean welcome to

1273

00:50:48,490 --> 00:50:45,770

paranormal investors right people don't

1274

00:50:50,320 --> 00:50:48,500

know like even these ghost hunting shows

1275

00:50:52,870 --> 00:50:50,330

you know some of them are probably a

1276

00:50:55,630 --> 00:50:52,880

little staged or whatnot but they are

1277

00:50:59,050 --> 00:50:55,640

there for like you know hours on end

1278

00:51:00,640 --> 00:50:59,060

with nothing happening yes the minute

1279

00:51:03,190 --> 00:51:00,650

something happens that's why you see

1280

00:51:05,680 --> 00:51:03,200

every ghost hunting show be like what

1281

00:51:08,050 --> 00:51:05,690

was that and they cut to commercial come

1282

00:51:11,530 --> 00:51:08,060

back someone knocked over the tripod

1283

00:51:14,770 --> 00:51:11,540

right right now the stage thing the

1284

00:51:17,680 --> 00:51:14,780

pilot podcast who did who reviewed the

1285

00:51:19,480 --> 00:51:17,690

pilot or Lizzie Borden episode of of

1286

00:51:21,490 --> 00:51:19,490

mysteries decoded it was funny because

1287

00:51:23,290 --> 00:51:21,500

speaking of staging they said you know

1288

00:51:24,910 --> 00:51:23,300

Jennifer's having breakfast with

1289

00:51:26,710 --> 00:51:24,920

Stephanie the next morning and her hair

1290

00:51:29,260 --> 00:51:26,720

is good and she's been through hair and

1291

00:51:32,770 --> 00:51:29,270

makeup I just want to say I had not been

1292

00:51:35,200 --> 00:51:32,780

through hair and makeup I had not I just

1293

00:51:36,760 --> 00:51:35,210

use a very good setting lotion and I can

1294

00:51:37,990 --> 00:51:36,770

sleep and my curls will be there in the

1295

00:51:40,270 --> 00:51:38,000

morning they'll be loose but they'll be

1296

00:51:42,940 --> 00:51:40,280

there and you know when we were eating

1297

00:51:44,710 --> 00:51:42,950

breakfast my breakfast was disappearing

1298

00:51:45,940 --> 00:51:44,720

pretty quickly so I'll say this if

1299

00:51:47,710 --> 00:51:45,950

you're watching the show

1300

00:51:50,050 --> 00:51:47,720

you see a continuity error like that

1301
00:51:52,690 --> 00:51:50,060
it's because and it happened in Roswell

1302
00:51:54,970 --> 00:51:52,700
too we are shooting we're not worried

1303
00:51:57,400 --> 00:51:54,980
about refilling food so it looks good on

1304
00:52:00,160 --> 00:51:57,410
camera we are worried about getting an

1305
00:52:01,300 --> 00:52:00,170
in-depth conversation this is not acting

1306
00:52:04,359 --> 00:52:01,310
you know when you and I were at the

1307
00:52:06,700 --> 00:52:04,369
diner in Roswell we were talking and

1308
00:52:08,710 --> 00:52:06,710
eating and yes you know the way they

1309
00:52:11,380 --> 00:52:08,720
edit it sometimes it'll go from half a

1310
00:52:13,510 --> 00:52:11,390
burrito - no burrito but that's but

1311
00:52:15,940 --> 00:52:13,520
that's because they're taking three

1312
00:52:20,500 --> 00:52:15,950
minutes of an hour-long conversation so

1313
00:52:22,060 --> 00:52:20,510

yes those continuity errors do exist try

1314

00:52:23,829 --> 00:52:22,070

not to look into them so much because

1315

00:52:25,690 --> 00:52:23,839

we're trying to be realistic and

1316

00:52:28,270 --> 00:52:25,700

honestly as an investigator if I'm

1317

00:52:29,800 --> 00:52:28,280

worried about what level of food is on

1318

00:52:31,650 --> 00:52:29,810

my plate you're not gonna get the best

1319

00:52:34,120 --> 00:52:31,660

questions coming out of my mouth and

1320

00:52:36,460 --> 00:52:34,130

again that's why it's cryptic reality

1321

00:52:37,990 --> 00:52:36,470

people like they're in even more with

1322

00:52:41,079 --> 00:52:38,000

mysteries decoded than most of these

1323

00:52:44,560 --> 00:52:41,089

shows is the reality aspect of it like

1324

00:52:46,349 --> 00:52:44,570

there's so little acting or scripts when

1325

00:52:49,990 --> 00:52:46,359

it comes to the show and I respect

1326
00:52:53,589 --> 00:52:50,000
Morningstar and CW for allowing that

1327
00:52:56,890 --> 00:52:53,599
that you know that openness to both you

1328
00:52:59,109 --> 00:52:56,900
your co-investigators and the people you

1329
00:53:02,079 --> 00:52:59,119
interview is there's not a lot of

1330
00:53:04,359 --> 00:53:02,089
structure we're literally going in to

1331
00:53:05,920 --> 00:53:04,369
investigate and they they let you do

1332
00:53:08,800 --> 00:53:05,930
what you do best and that's to

1333
00:53:10,930 --> 00:53:08,810
investigate so I completely understand

1334
00:53:14,500 --> 00:53:10,940
that and I remember after the Roswell

1335
00:53:15,940 --> 00:53:14,510
special people's primary question for me

1336
00:53:17,620 --> 00:53:15,950
not what do you think I've been at

1337
00:53:19,930 --> 00:53:17,630
Roswell what do you think of the medal

1338
00:53:21,700 --> 00:53:19,940

see you guys found the question was did

1339

00:53:24,030 --> 00:53:21,710

you eat that entire burrito because that

1340

00:53:29,800 --> 00:53:27,190

did you ever burrito - yeah I had the I

1341

00:53:32,650 --> 00:53:29,810

think it was the alien burrito they

1342

00:53:35,319 --> 00:53:32,660

called it they were so good and I

1343

00:53:37,480 --> 00:53:35,329

remember it was amazing it was so good

1344

00:53:39,160 --> 00:53:37,490

and and there is an Easter Egg the

1345

00:53:41,740 --> 00:53:39,170

executive producer is sitting at a table

1346

00:53:43,480 --> 00:53:41,750

behind us you guys watch it the

1347

00:53:44,859 --> 00:53:43,490

executive producers there and it's funny

1348

00:53:46,270 --> 00:53:44,869

because I remember they were like okay

1349

00:53:47,680 --> 00:53:46,280

we're getting we're you know we're

1350

00:53:49,300 --> 00:53:47,690

leaving to go she to the next place and

1351

00:53:50,680 --> 00:53:49,310

I said okay I'm gonna finish this

1352

00:53:53,290 --> 00:53:50,690

burrito and they're like we're on a

1353

00:53:54,970 --> 00:53:53,300

schedule I'm like okay yeah burrito

1354

00:53:56,970 --> 00:53:54,980

because this burrito is good and we sat

1355

00:53:59,259 --> 00:53:56,980

there in a tie means the Purita was

1356

00:54:01,479 --> 00:53:59,269

insane if you guys are ever in Roswell

1357

00:54:03,789 --> 00:54:01,489

go that was the best diner best coffee

1358

00:54:05,949 --> 00:54:03,799

1359

all right so moving to the the big one

1391

00:55:51,000 --> 00:55:47,200

Jen you have a very close connection to

1392

00:55:54,090 --> 00:55:51,010

this the Montauk experience in a the

1393

00:55:56,940 --> 00:55:54,100

other world that you live in so um let's

1394

00:55:58,680 --> 00:55:56,950

cover this one the Montauk Project tell

1395

00:56:00,630 --> 00:55:58,690

us a little about your connection to

1396

00:56:01,560 --> 00:56:00,640

Montauk before you even went there to

1397

00:56:04,410 --> 00:56:01,570

investigate

1398

00:56:07,740 --> 00:56:04,420

you know stranger things was supposedly

1399

00:56:10,350 --> 00:56:07,750

inspired by what happened at Montauk so

1400

00:56:12,900 --> 00:56:10,360

when I went to Montauk to investigate

1401

00:56:15,510 --> 00:56:12,910

this it was like my two lives one on TV

1402

00:56:19,080 --> 00:56:15,520

and one an investigation they were

1403

00:56:21,090 --> 00:56:19,090

colliding it was the most surreal thing

1404

00:56:23,250 --> 00:56:21,100

ever but it was so intriguing to

1405

00:56:24,780 --> 00:56:23,260

actually be on the ground where all of

1406

00:56:26,490 --> 00:56:24,790

these horrible things supposedly took

1407

00:56:28,920 --> 00:56:26,500

place and we'll get to some of those

1408

00:56:30,240 --> 00:56:28,930

horrible things because I I heard things

1409

00:56:31,980 --> 00:56:30,250

in the episode that I hadn't known

1410

00:56:34,530 --> 00:56:31,990

previously about Montauk and I've been

1411

00:56:36,870 --> 00:56:34,540

looking at that case for a while but

1412

00:56:39,210 --> 00:56:36,880

what stuck out to me first and foremost

1413

00:56:44,180 --> 00:56:39,220

with this episode Jen was your co-host

1414

00:56:48,600 --> 00:56:44,190

oh my god I I felt like I was watching

1415

00:56:51,030 --> 00:56:48,610

like if if the people that made Parks

1416

00:56:53,490 --> 00:56:51,040

and Rec are the office right for the

1417

00:57:00,990 --> 00:56:53,500

x-files they could not have killed your

1418

00:57:05,730 --> 00:57:01,000

co-host any better the wall oh my gosh

1419

00:57:07,740 --> 00:57:05,740

he he's off the wall but um that's just

1420

00:57:09,600 --> 00:57:07,750

his default I remember I remember waking

1421

00:57:11,400 --> 00:57:09,610

up one day and they're doing a coffee

1422

00:57:12,870 --> 00:57:11,410

run and I'm coming out of hair and

1423

00:57:14,970 --> 00:57:12,880

makeup and he's already bouncing off the

1424

00:57:16,500 --> 00:57:14,980

wall and he said yeah I really need some

1425

00:57:19,920 --> 00:57:16,510

coffee and I'm like ooh this is you

1426

00:57:22,020 --> 00:57:19,930

uncaf innate it holy cow that's just his

1427

00:57:23,640 --> 00:57:22,030

default and there were so many times I

1428

00:57:25,950 --> 00:57:23,650

literally grabbed his knee because he's

1429

00:57:27,630 --> 00:57:25,960

you know his default is kind of a yell

1430

00:57:28,830 --> 00:57:27,640

and I was like saying we can't yell

1431

00:57:30,870 --> 00:57:28,840

we're in the middle of the restaurant or

1432

00:57:34,110 --> 00:57:30,880

in the middle of whatever but with that

1433

00:57:35,670 --> 00:57:34,120

being said it was so fun shooting with

1434

00:57:37,320 --> 00:57:35,680

him just because you never know what's

1435

00:57:39,900 --> 00:57:37,330

gonna come out of his mouth and they

1436

00:57:42,960 --> 00:57:39,910

have so many bloopers I mean some of the

1437

00:57:47,190 --> 00:57:42,970

things that he says he is just he's he's

1438

00:57:50,220 --> 00:57:47,200

just Sam and he was beer see guy I mean

1439

00:57:53,040 --> 00:57:50,230

that's what they use yeah yeah and and

1440

00:57:53,609 --> 00:57:53,050

with Sam I will say this that is not an

1441

00:57:56,400 --> 00:57:53,619

act

1442

00:57:58,710 --> 00:57:56,410

that is his default that is who he is I

1443

00:58:01,589 --> 00:57:58,720

shot with him you know from 7:00 a.m. to

1444

00:58:03,299 --> 00:58:01,599

10 p.m. some nights and did he get a

1445

00:58:05,489 --> 00:58:03,309

little quiet like at you know after

1446

00:58:08,910 --> 00:58:05,499

lunch carb coma sure but for the most

1447

00:58:11,519 --> 00:58:08,920

part that is Sam just wired all the time

1448

00:58:14,759 --> 00:58:11,529

I I think what would really stuck out to

1449

00:58:17,880 --> 00:58:14,769

me with this episode is the passion that

1450

00:58:21,239 --> 00:58:17,890

you saw in what he was looking for

1451
00:58:23,789 --> 00:58:21,249
within the Montauk Project and and you

1452
00:58:26,400 --> 00:58:23,799
too because you had a very interesting

1453
00:58:29,460 --> 00:58:26,410
story to tell in the episode which you

1454
00:58:31,769 --> 00:58:29,470
mentioned earlier of kind of kind of we

1455
00:58:34,230 --> 00:58:31,779
we think of the military as like this

1456
00:58:35,999 --> 00:58:34,240
sort of very structured thing where

1457
00:58:38,160 --> 00:58:36,009
things go point by point

1458
00:58:40,529 --> 00:58:38,170
no mistakes are ever made it's very

1459
00:58:43,109 --> 00:58:40,539
rigid but then you come to things like

1460
00:58:46,710 --> 00:58:43,119
the Montauk Project or MKULTRA or

1461
00:58:49,920 --> 00:58:46,720
Project Orange all these things where

1462
00:58:52,950 --> 00:58:49,930
the the military has been has used

1463
00:58:55,049 --> 00:58:52,960

people for things to in their personal

1464

00:58:57,630 --> 00:58:55,059

opinions and fishel them to get

1465

00:58:59,640 --> 00:58:57,640

something and right we don't know what

1466

00:59:03,539 --> 00:58:59,650

the hell they were trying to get out of

1467

00:59:05,430 --> 00:59:03,549

the Montauk Project but what what do you

1468

00:59:07,410 --> 00:59:05,440

make of all the claims of the stuff that

1469

00:59:09,779 --> 00:59:07,420

actually went on there you know it's

1470

00:59:12,749 --> 00:59:09,789

interesting because the Montauk Project

1471

00:59:16,620 --> 00:59:12,759

is this huge umbrella that has a lot of

1472

00:59:19,920 --> 00:59:16,630

crazy claims so you know child abduction

1473

00:59:22,109 --> 00:59:19,930

time travel you know experimenting on

1474

00:59:24,269 --> 00:59:22,119

children there's there's a lot that kind

1475

00:59:26,339 --> 00:59:24,279

of goes into it so when people say oh I

1476
00:59:28,680 --> 00:59:26,349
believe in the Montauk Project I always

1477
00:59:30,900 --> 00:59:28,690
say well what do you believe because

1478
00:59:32,609 --> 00:59:30,910
there's so many individual claims you

1479
00:59:36,150 --> 00:59:32,619
have to judge each claim on its own

1480
00:59:38,400 --> 00:59:36,160
merit so for me I'm not naive enough to

1481
00:59:41,009 --> 00:59:38,410
think oh the government never does a B

1482
00:59:43,049 --> 00:59:41,019
and C because from my own experience

1483
00:59:46,130 --> 00:59:43,059
clearly I know that's not true time

1484
00:59:49,259 --> 00:59:46,140
travel I think is pretty much you know

1485
00:59:50,640 --> 00:59:49,269
unproven I think if time travel did

1486
00:59:52,890 --> 00:59:50,650
exist there would be time travelers

1487
00:59:55,259 --> 00:59:52,900
among us now and I would hope that we

1488
00:59:58,559 --> 00:59:55,269

would be doing better than we are now as

1489

01:00:00,390 --> 00:59:58,569

a society if if you have time travelers

1490

01:00:02,640 --> 01:00:00,400

and you have a hindsight you could kind

1491

01:00:04,489 --> 01:00:02,650

of you know try to clean up all the

1492

01:00:07,470 --> 01:00:04,499

things that are going on right now so

1493

01:00:10,100 --> 01:00:07,480

that's my main beef with the times

1494

01:00:12,630 --> 01:00:10,110

aspect also is the Philadelphia

1495

01:00:15,780 --> 01:00:12,640

experiment with the USS eldridge is is

1496

01:00:18,270 --> 01:00:15,790

looped into into Montauk and we didn't

1497

01:00:19,860 --> 01:00:18,280

talk about that a lot in the episode but

1498

01:00:21,150 --> 01:00:19,870

the one thing that strikes to me about

1499

01:00:24,390 --> 01:00:21,160

the Philadelphia Experiment is

1500

01:00:27,560 --> 01:00:24,400

supposedly the USS eldridge went through

1501

01:00:29,490 --> 01:00:27,570

a space warp and it ended up it ended up

1502

01:00:32,100 --> 01:00:29,500

this is so crazy

1503

01:00:33,690 --> 01:00:32,110

in a nutshell these guys knew that the

1504

01:00:35,490 --> 01:00:33,700

ship was going through a space warp so

1505

01:00:38,400 --> 01:00:35,500

they jumped off the side these two guys

1506

01:00:41,910 --> 01:00:38,410

and supposedly they landed up they

1507

01:00:44,310 --> 01:00:41,920

landed on the cliffs of Montauk in 1983

1508

01:00:46,530 --> 01:00:44,320

and this isn't this was in the 40s and

1509

01:00:48,180 --> 01:00:46,540

so I'm trying you know I'm talking to

1510

01:00:50,220 --> 01:00:48,190

people and I said well how could this be

1511

01:00:52,410 --> 01:00:50,230

and then supposedly the ship as it was

1512

01:00:55,260 --> 01:00:52,420

going through this space warp there were

1513

01:00:57,720 --> 01:00:55,270

sailors who got stuck like pimento

1514

01:01:00,720 --> 01:00:57,730

cheese style in the walls and then I

1515

01:01:03,000 --> 01:01:00,730

said okay well if this is true who were

1516

01:01:04,680 --> 01:01:03,010

the sailors that died the ship was later

1517

01:01:07,770 --> 01:01:04,690

sent to Greece so wouldn't have Greece

1518

01:01:09,570 --> 01:01:07,780

said hey first was sent to Greece and it

1519

01:01:12,060 --> 01:01:09,580

became the Leone and Greece and then it

1520

01:01:13,980 --> 01:01:12,070

was scrapped for metal so wouldn't they

1521

01:01:17,670 --> 01:01:13,990

have said why are their body parts and

1522

01:01:20,040 --> 01:01:17,680

in in the walls of this ship so it was a

1523

01:01:23,310 --> 01:01:20,050

lot of unfounded just kind of crazy

1524

01:01:25,410 --> 01:01:23,320

claims but I do think that personally

1525

01:01:27,030 --> 01:01:25,420

what I believe happened was there were

1526
01:01:28,380 --> 01:01:27,040
people who were working under the guise

1527
01:01:30,270 --> 01:01:28,390
of the government and whether or not

1528
01:01:32,190 --> 01:01:30,280
they were ordered by the government or

1529
01:01:34,530 --> 01:01:32,200
they were just bad people they were

1530
01:01:37,290 --> 01:01:34,540
doing things to children there were

1531
01:01:39,720 --> 01:01:37,300
things that that were brought up as far

1532
01:01:42,060 --> 01:01:39,730
as pedophilia and you have to stay away

1533
01:01:44,010 --> 01:01:42,070
from that because it gets into lawsuits

1534
01:01:46,890 --> 01:01:44,020
and that's why I say allegedly allegedly

1535
01:01:49,350 --> 01:01:46,900
allegedly but I think what we know about

1536
01:01:50,640 --> 01:01:49,360
the Catholic Church and you know things

1537
01:01:52,770 --> 01:01:50,650
have happened in the Boy Scouts and

1538
01:01:54,330 --> 01:01:52,780

things have happened with pedophilia

1539

01:01:56,160 --> 01:01:54,340

throughout society that people said no

1540

01:01:57,720 --> 01:01:56,170

that's not a thing that never happened

1541

01:01:59,250 --> 01:01:57,730

and then it ended up happening so I

1542

01:02:01,920 --> 01:01:59,260

don't think that that's something that

1543

01:02:03,630 --> 01:02:01,930

we can say was definitely not something

1544

01:02:04,470 --> 01:02:03,640

that happened when Joe went under

1545

01:02:07,410 --> 01:02:04,480

hypnosis

1546

01:02:08,940 --> 01:02:07,420

the hypnotist said she said no this

1547

01:02:11,160 --> 01:02:08,950

doesn't seem like it's sexual abuse

1548

01:02:13,620 --> 01:02:11,170

related and joe says that he does not

1549

01:02:16,470 --> 01:02:13,630

recall any of that happening but clearly

1550

01:02:19,080 --> 01:02:16,480

something happened to Joe that was not

1551
01:02:20,910 --> 01:02:19,090
him faking that was not know do I know

1552
01:02:23,910 --> 01:02:20,920
that that was the case no

1553
01:02:26,730 --> 01:02:23,920
but I know that something happened so

1554
01:02:29,070 --> 01:02:26,740
there's a lot going on there that comes

1555
01:02:32,310 --> 01:02:29,080
down to bad men in positions of

1556
01:02:35,640 --> 01:02:32,320
authority or power and children and and

1557
01:02:38,520 --> 01:02:35,650
vulnerable people being being lured in

1558
01:02:41,700 --> 01:02:38,530
I'm glad you said that I mean I deal

1559
01:02:44,340 --> 01:02:41,710
with so many unsubstantiated claims in

1560
01:02:44,940 --> 01:02:44,350
the alien abduction realm of things as

1561
01:02:47,310 --> 01:02:44,950
well

1562
01:02:49,980 --> 01:02:47,320
and when a lot of these people go under

1563
01:02:51,870 --> 01:02:49,990

hypnotic regression it's the same thing

1564

01:02:54,300 --> 01:02:51,880

the first question everyone asks me is

1565

01:02:56,820 --> 01:02:54,310

oh well or not even questioned claim

1566

01:02:59,220 --> 01:02:56,830

they say preconceived notion is oh they

1567

01:03:00,690 --> 01:02:59,230

were sexually abused as a child you know

1568

01:03:02,580 --> 01:03:00,700

this is a way to deal with it and I

1569

01:03:05,430 --> 01:03:02,590

can't argue that and say some of them

1570

01:03:08,700 --> 01:03:05,440

are or aren't but at the end of the day

1571

01:03:10,910 --> 01:03:08,710

something happened to these play you

1572

01:03:14,190 --> 01:03:10,920

know it's not a complete fantasy

1573

01:03:16,530 --> 01:03:14,200

something clearly traumatic happened to

1574

01:03:19,980 --> 01:03:16,540

them in their lives whether or not it

1575

01:03:23,160 --> 01:03:19,990

was the evil black government doing

1576

01:03:25,710 --> 01:03:23,170

experiments or aliens conducting

1577

01:03:27,870 --> 01:03:25,720

abduction experiences and people I can't

1578

01:03:30,930 --> 01:03:27,880

tell you but something happened to these

1579

01:03:33,240 --> 01:03:30,940

people right and I think people who say

1580

01:03:34,920 --> 01:03:33,250

you know I don't believe that

1581

01:03:38,760 --> 01:03:34,930

somebody's faking I would say well

1582

01:03:41,250 --> 01:03:38,770

listen that's fine too maybe doubt the

1583

01:03:42,930 --> 01:03:41,260

veracity of their claim but to say that

1584

01:03:44,910 --> 01:03:42,940

somebody is going to bring all this

1585

01:03:47,100 --> 01:03:44,920

unwanted attention and critique to

1586

01:03:49,740 --> 01:03:47,110

themselves by saying something that

1587

01:03:52,230 --> 01:03:49,750

happened that didn't I I don't believe

1588

01:03:54,210 --> 01:03:52,240

that I believe that people are

1589

01:03:56,490 --> 01:03:54,220

influenced by trauma something happened

1590

01:03:58,410 --> 01:03:56,500

maybe they don't necessarily know but I

1591

01:04:00,480 --> 01:03:58,420

never doubt the pain someone's going

1592

01:04:02,760 --> 01:04:00,490

through I definitely look at the claim

1593

01:04:03,840 --> 01:04:02,770

and say okay just because you're saying

1594

01:04:05,760 --> 01:04:03,850

that this happened that doesn't

1595

01:04:08,580 --> 01:04:05,770

necessarily mean that I believe but that

1596

01:04:10,290 --> 01:04:08,590

it costs me nothing to extend compassion

1597

01:04:12,540 --> 01:04:10,300

to you when you're hurting

1598

01:04:15,330 --> 01:04:12,550

that cost me nothing and I think with

1599

01:04:17,990 --> 01:04:15,340

Joe do I know that he was a Montauk boy

1600

01:04:20,880 --> 01:04:18,000

I I don't I don't know that but I know

1601
01:04:22,530 --> 01:04:20,890
that the session on TV was three minutes

1602
01:04:25,140 --> 01:04:22,540
the session in real life was over an

1603
01:04:27,060 --> 01:04:25,150
hour and I saw him crying and shaking

1604
01:04:30,950 --> 01:04:27,070
and it was hard for her to pull him out

1605
01:04:34,160 --> 01:04:30,960
I I don't know what happened to him but

1606
01:04:36,500 --> 01:04:34,170
something happened and he deserves

1607
01:04:38,930 --> 01:04:36,510
respect and compassion for whatever he

1608
01:04:41,090 --> 01:04:38,940
may be dealing with yeah that was that

1609
01:04:43,310 --> 01:04:41,100
was hard to watch it really was and I

1610
01:04:46,970 --> 01:04:43,320
can't imagine like having to endure that

1611
01:04:49,760 --> 01:04:46,980
entire regression both for you guys

1612
01:04:52,700 --> 01:04:49,770
watching and for him to you know

1613
01:04:55,850 --> 01:04:52,710

reliving whatever this fractured memory

1614

01:04:58,340 --> 01:04:55,860

is of his or you know struggle with if

1615

01:05:00,470 --> 01:04:58,350

it was a dream or not we we may never

1616

01:05:02,210 --> 01:05:00,480

know when Joe might not ever know and

1617

01:05:03,920 --> 01:05:02,220

that's kind of probably what the Montauk

1618

01:05:07,220 --> 01:05:03,930

Project wanted all along

1619

01:05:09,400 --> 01:05:07,230

and I think a lot of this comes back to

1620

01:05:12,800 --> 01:05:09,410

Preston Nichols and Preston Nichols

1621

01:05:16,730 --> 01:05:12,810

supposedly at hypnotized Joe you know 20

1622

01:05:19,730 --> 01:05:16,740

30 years earlier and he had relived some

1623

01:05:22,310 --> 01:05:19,740

traumatic experiences then I don't like

1624

01:05:23,870 --> 01:05:22,320

anything about Preston Nichols I've

1625

01:05:25,550 --> 01:05:23,880

watched your videos I wish he was still

1626
01:05:27,110 --> 01:05:25,560
alive so I could interview him in person

1627
01:05:29,660 --> 01:05:27,120
but I've watched videos with him I've

1628
01:05:32,750 --> 01:05:29,670
read things that he's written and there

1629
01:05:37,100 --> 01:05:32,760
is something about him I don't like him

1630
01:05:39,200 --> 01:05:37,110
and that's as far as I'll go but it's

1631
01:05:42,800 --> 01:05:39,210
kind of all roads lead back to this

1632
01:05:45,140 --> 01:05:42,810
Preston Nichols character and I try not

1633
01:05:47,120 --> 01:05:45,150
to speak ill of the dead he's not here

1634
01:05:48,650 --> 01:05:47,130
to defend himself but if you look into

1635
01:05:51,020 --> 01:05:48,660
Preston Nichols and you look into the

1636
01:05:54,080 --> 01:05:51,030
Montauk Project there's a lot of things

1637
01:05:57,320 --> 01:05:54,090
that are very shady they don't make

1638
01:05:59,360 --> 01:05:57,330

sense and I'm not okay with a lot of the

1639

01:06:01,070 --> 01:05:59,370

things that he said and dead and what's

1640

01:06:03,020 --> 01:06:01,080

even more terrifying is to think that

1641

01:06:06,250 --> 01:06:03,030

this may have actually had nothing to do

1642

01:06:08,780 --> 01:06:06,260

with the government right was just rogue

1643

01:06:10,760 --> 01:06:08,790

scientists or people claiming to be

1644

01:06:12,680 --> 01:06:10,770

doing projects for the government right

1645

01:06:15,290 --> 01:06:12,690

doing these horrible things to kids I

1646

01:06:17,930 --> 01:06:15,300

don't even want to go there it is it's

1647

01:06:20,150 --> 01:06:17,940

almost unfathomable to think that people

1648

01:06:22,630 --> 01:06:20,160

were doing these things but you know all

1649

01:06:25,730 --> 01:06:22,640

we sort of have left is this dilapidated

1650

01:06:28,820 --> 01:06:25,740

radar tower and all these dark

1651

01:06:31,130 --> 01:06:28,830

disturbing stories you know there was

1652

01:06:34,040 --> 01:06:31,140

one thing that was cut out there was

1653

01:06:38,270 --> 01:06:34,050

supposedly an LSD house at camp here oh

1654

01:06:42,260 --> 01:06:38,280

right and it was marked officer housing

1655

01:06:45,050 --> 01:06:42,270

so as not as in single officers where

1656

01:06:47,770 --> 01:06:45,060

they would go to stay but as in a house

1657

01:06:51,010 --> 01:06:47,780

for an O five or an O six

1658

01:06:57,609 --> 01:06:51,020

like a lieutenant-colonel or a colonel

1659

01:06:59,560 --> 01:06:57,619

and his family so this house when when I

1660

01:07:05,830 --> 01:06:59,570

have seen photos of it Brian Minich

1661

01:07:10,210 --> 01:07:05,840

showed photos there was a open Bay for

1662

01:07:11,980 --> 01:07:10,220

showers and there was open toilets now

1663

01:07:14,380 --> 01:07:11,990

if it really is a base commander's

1664

01:07:16,750 --> 01:07:14,390

housing your it's set up as an actual

1665

01:07:20,200 --> 01:07:16,760

house because a family lives there yeah

1666

01:07:24,160 --> 01:07:20,210

so what I believe is they marked it as

1667

01:07:27,790 --> 01:07:24,170

being a house for the colonel on the

1668

01:07:30,430 --> 01:07:27,800

base or a general on the base because

1669

01:07:32,290 --> 01:07:30,440

that keeps 99 percent of base personnel

1670

01:07:33,910 --> 01:07:32,300

out of there they don't they're not

1671

01:07:37,240 --> 01:07:33,920

authorized to go there they don't want

1672

01:07:39,250 --> 01:07:37,250

to go there so they stay away so when we

1673

01:07:40,300 --> 01:07:39,260

were looking through this you know

1674

01:07:42,460 --> 01:07:40,310

that's something that has not been

1675

01:07:44,109 --> 01:07:42,470

brought up it's like how do you hide an

1676

01:07:47,260 --> 01:07:44,119

LSD house well you hide it in plain

1677

01:07:49,390 --> 01:07:47,270

sight and you label it to where most

1678

01:07:52,630 --> 01:07:49,400

soldiers or Airmen are not gonna be

1679

01:07:54,339 --> 01:07:52,640

poking around good point yeah I'm so

1680

01:07:56,770 --> 01:07:54,349

happy you guys got ahold the prime

1681

01:07:59,410 --> 01:07:56,780

minute because his videos have been like

1682

01:08:01,359 --> 01:07:59,420

the biggest bombshell for to break this

1683

01:08:04,270 --> 01:08:01,369

thing open to at least know that there's

1684

01:08:05,650 --> 01:08:04,280

stuff going on oh that's had gone on

1685

01:08:08,050 --> 01:08:05,660

there and the fact that there's

1686

01:08:09,790 --> 01:08:08,060

underground tunnels like that thing you

1687

01:08:12,700 --> 01:08:09,800

guys found in the episode in terms of a

1688

01:08:14,589 --> 01:08:12,710

quote-unquote access point like whoa

1689

01:08:17,260 --> 01:08:14,599

that kind of blew my mind

1690

01:08:18,760 --> 01:08:17,270

well what's interesting to me is a lot

1691

01:08:22,390 --> 01:08:18,770

of those areas have either been filled

1692

01:08:24,490 --> 01:08:22,400

in with rocks or with seawater so you

1693

01:08:28,349 --> 01:08:24,500

know they could say it's for safety

1694

01:08:30,789 --> 01:08:28,359

purposes but I do have to wonder why

1695

01:08:32,349 --> 01:08:30,799

right why because there's plenty of

1696

01:08:34,229 --> 01:08:32,359

buildings there's plenty of underground

1697

01:08:37,059 --> 01:08:34,239

bunkers there's plenty of things that

1698

01:08:39,550 --> 01:08:37,069

you know they simply demolish they build

1699

01:08:40,570 --> 01:08:39,560

over they but with this they filled it

1700

01:08:42,670 --> 01:08:40,580

up with rocks they filled it up with

1701

01:08:44,170 --> 01:08:42,680

seawater and some people have even said

1702

01:08:47,200 --> 01:08:44,180

that they torched the inside of it prior

1703

01:08:51,459 --> 01:08:47,210

to doing that and the conspiracies

1704

01:08:54,970 --> 01:08:51,469

continue as they often do all right Jen

1705

01:08:59,860 --> 01:08:54,980

the mother lode of conspiracies hashtag

1706

01:09:00,880 --> 01:08:59,870

storm area 51 this came out of nowhere

1707

01:09:04,420 --> 01:09:00,890

just in

1708

01:09:06,520 --> 01:09:04,430

time for you and I to cover this we had

1709

01:09:09,130 --> 01:09:06,530

no idea this is gonna happen when we

1710

01:09:12,280 --> 01:09:09,140

actually did our investigation so talk

1711

01:09:15,400 --> 01:09:12,290

about like all in the timing well we had

1712

01:09:17,800 --> 01:09:15,410

absolutely no idea that the movement was

1713

01:09:19,450 --> 01:09:17,810

going to take place we didn't know any

1714

01:09:21,940 --> 01:09:19,460

of this so we were just interested at

1715

01:09:24,580 --> 01:09:21,950

what was going on at area 51 clearly

1716

01:09:27,250 --> 01:09:24,590

there's been a lot of conjecture this

1717

01:09:28,960 --> 01:09:27,260

Bob Lazar character you know people are

1718

01:09:30,790 --> 01:09:28,970

split on him they either absolutely

1719

01:09:33,760 --> 01:09:30,800

believe him or they think he's a

1720

01:09:35,470 --> 01:09:33,770

charlatan and a liar so Bob Lazar was

1721

01:09:38,650 --> 01:09:35,480

somebody that I absolutely wanted to

1722

01:09:41,110 --> 01:09:38,660

discount when I had first heard about

1723

01:09:43,840 --> 01:09:41,120

him but there are several things that

1724

01:09:46,000 --> 01:09:43,850

there's no explanation there's no

1725

01:09:47,740 --> 01:09:46,010

explanation for with regards to Bob and

1726

01:09:50,560 --> 01:09:47,750

some of the things that he's claiming so

1727

01:09:53,650 --> 01:09:50,570

it's a really interesting episode and

1728

01:09:57,190 --> 01:09:53,660

I'm really excited for it to air me too

1729

01:09:59,800 --> 01:09:57,200

and by the time this episode is released

1730

01:10:02,230 --> 01:09:59,810

it'll be within days of that so I'm

1731

01:10:04,780 --> 01:10:02,240

super excited for people to see what we

1732

01:10:07,060 --> 01:10:04,790

uncovered but what I think is even more

1733

01:10:10,450 --> 01:10:07,070

interesting than just area 51 because

1734

01:10:13,050 --> 01:10:10,460

yes we did go to area 51 I won't say

1735

01:10:16,600 --> 01:10:13,060

anything more than that right our

1736

01:10:18,430 --> 01:10:16,610

investigation was kind of sparked by by

1737

01:10:20,650 --> 01:10:18,440

something else and that was these recent

1738

01:10:23,650 --> 01:10:20,660

videos that released through the the

1739

01:10:26,320 --> 01:10:23,660

secret Pentagon UFO program a tip so

1740

01:10:28,150 --> 01:10:26,330

what did you think of these videos when

1741

01:10:30,340 --> 01:10:28,160

your first song I know you talked about

1742

01:10:35,470 --> 01:10:30,350

it in the episode quite a bit as well

1743

01:10:37,840 --> 01:10:35,480

but yeah as a former military veteran

1744

01:10:40,780 --> 01:10:37,850

these videos coming forward from the

1745

01:10:45,070 --> 01:10:40,790

Navy nonetheless your people are the

1746

01:10:47,770 --> 01:10:45,080

ones that have like broken the whole new

1747

01:10:51,660 --> 01:10:47,780

UFO conversation going on in today's

1748

01:10:54,460 --> 01:10:51,670

world you know when I saw the videos I I

1749

01:10:57,100 --> 01:10:54,470

don't know I really didn't know what to

1750

01:10:58,780 --> 01:10:57,110

think I saw them I thought it was a

1751

01:11:01,660 --> 01:10:58,790

little funny I thought you know maybe

1752

01:11:03,070 --> 01:11:01,670

this is who knows what it is because the

1753

01:11:05,200 --> 01:11:03,080

first time that I ever seen anything I

1754

01:11:07,660 --> 01:11:05,210

just assume it's a fake just because

1755

01:11:10,120 --> 01:11:07,670

most of the things I deal with you know

1756

01:11:11,860 --> 01:11:10,130

are frauds or fakes and then I really

1757

01:11:13,630 --> 01:11:11,870

look into ok where did this come from

1758

01:11:14,500 --> 01:11:13,640

alright that's not a fake that's not

1759

01:11:18,090 --> 01:11:14,510

something somebody

1760

01:11:21,010 --> 01:11:18,100

on a computer they're really

1761

01:11:24,400 --> 01:11:21,020

inexplicable and I wish I could say oh

1762

01:11:28,120 --> 01:11:24,410

you know this is absolutely possible the

1763

01:11:30,780 --> 01:11:28,130

way this is flying it's not and honestly

1764

01:11:34,030 --> 01:11:30,790

I'm surprised that it hasn't gotten more

1765

01:11:35,500 --> 01:11:34,040

mainstream I'm surprised more people

1766

01:11:36,970 --> 01:11:35,510

don't know about it I talked to people

1767

01:11:38,860 --> 01:11:36,980

about it and they said no no I've never

1768

01:11:40,600 --> 01:11:38,870

heard of that yeah I've never heard of

1769

01:11:42,790 --> 01:11:40,610

the videos I've never heard of the you

1770

01:11:45,580 --> 01:11:42,800

know I don't know we're in a society

1771

01:11:47,830 --> 01:11:45,590

where people care about the Kardashians

1772

01:11:49,450 --> 01:11:47,840

and and they're not really aware of

1773

01:11:51,160 --> 01:11:49,460

things that are going on and and I'm not

1774

01:11:52,090 --> 01:11:51,170

saying you know you can't have a little

1775

01:11:54,400 --> 01:11:52,100

bit of fun and care about the

1776

01:11:56,560 --> 01:11:54,410

Kardashians once in a while but if this

1777

01:11:58,540 --> 01:11:56,570

is extraterrestrial in nature that has

1778

01:12:00,910 --> 01:11:58,550

some serious potential consequences for

1779

01:12:02,229 --> 01:12:00,920

Humanity as a whole right and some of

1780

01:12:05,140 --> 01:12:02,239

the people we talk to in the episode

1781

01:12:06,580 --> 01:12:05,150

again not giving away too much but we're

1782

01:12:09,010 --> 01:12:06,590

talking about people who had first-hand

1783

01:12:12,130 --> 01:12:09,020

experience with what these videos might

1784

01:12:14,890 --> 01:12:12,140

or might not be intelligence people we

1785

01:12:17,290 --> 01:12:14,900

spoke to and they all sort of agree that

1786

01:12:19,330 --> 01:12:17,300

yeah something's going on and we got to

1787

01:12:21,970 --> 01:12:19,340

be careful because whatever these things

1788

01:12:24,490 --> 01:12:21,980

are whatever technology they represent

1789

01:12:27,790 --> 01:12:24,500

it's far beyond what our own military is

1790

01:12:30,460 --> 01:12:27,800

capable of or or even knows of vs. privy

1791

01:12:31,720 --> 01:12:30,470

capsule absolutely and I know that

1792

01:12:34,180 --> 01:12:31,730

there's gonna be people who watch the

1793

01:12:35,950 --> 01:12:34,190

episode and say oh those people are just

1794

01:12:38,229 --> 01:12:35,960

fame and fortune seeking what a bunch of

1795

01:12:41,440 --> 01:12:38,239

garbage I'll tell you this there were

1796

01:12:43,870 --> 01:12:41,450

two people involved with the 2004

1797

01:12:46,000 --> 01:12:43,880

incident off the USS Nimitz battle group

1798

01:12:49,060 --> 01:12:46,010

who have talked to me confident she

1799

01:12:50,650 --> 01:12:49,070

confidently off the record I cannot and

1800

01:12:53,800 --> 01:12:50,660

will not use their names they were not

1801
01:12:55,990 --> 01:12:53,810
included in the show these people backed

1802
01:12:59,950 --> 01:12:56,000
up and gave me additional information as

1803
01:13:01,810 --> 01:12:59,960
to what we show in the program so if the

1804
01:13:03,370 --> 01:13:01,820
people on the program are doing it for

1805
01:13:05,020 --> 01:13:03,380
fame and fortune what are these other

1806
01:13:06,550 --> 01:13:05,030
two people doing it for they have

1807
01:13:08,800 --> 01:13:06,560
nothing to gain they have everything to

1808
01:13:11,470 --> 01:13:08,810
lose they came to me as a fellow Navy

1809
01:13:13,810 --> 01:13:11,480
veteran in confidence and said yes this

1810
01:13:16,000 --> 01:13:13,820
is what happened and explained to me

1811
01:13:17,950 --> 01:13:16,010
their experiences so I don't buy for one

1812
01:13:19,930 --> 01:13:17,960
minute when people say well all these

1813
01:13:21,280 --> 01:13:19,940

former sailors are aviators they're just

1814

01:13:22,840 --> 01:13:21,290

looking for fame and fortune because

1815

01:13:26,110 --> 01:13:22,850

generally people who go into the

1816

01:13:27,610 --> 01:13:26,120

military that's we're not the military

1817

01:13:30,730 --> 01:13:27,620

does not pay a lot and it

1818

01:13:31,960 --> 01:13:30,740

not a path to stardom so that's not you

1819

01:13:35,470 --> 01:13:31,970

know something that people generally

1820

01:13:38,890 --> 01:13:35,480

join for Wow dad I didn't even know that

1821

01:13:41,260 --> 01:13:38,900

that's crazy to me it only solidifies

1822

01:13:44,980 --> 01:13:41,270

for me that all these Navy people coming

1823

01:13:46,810 --> 01:13:44,990

forward this is going to change things

1824

01:13:49,720 --> 01:13:46,820

we already know that the Navy has a new

1825

01:13:53,470 --> 01:13:49,730

reporting system for UFOs and that's

1826

01:13:57,190 --> 01:13:53,480

that's incredible to think that in 2019

1827

01:13:59,740 --> 01:13:57,200

the stigma of reporting UFOs is changing

1828

01:14:02,350 --> 01:13:59,750

we know in the military and even in just

1829

01:14:05,260 --> 01:14:02,360

commercial aviation that when you

1830

01:14:07,930 --> 01:14:05,270

reported these things boom career over

1831

01:14:09,640 --> 01:14:07,940

right I've put on desk duty instead of

1832

01:14:13,510 --> 01:14:09,650

flying the skies for the rest of your

1833

01:14:16,210 --> 01:14:13,520

career but now they can do it and now

1834

01:14:18,640 --> 01:14:16,220

we're starting to see wow you know not

1835

01:14:21,220 --> 01:14:18,650

just two thousand four thousand whatever

1836

01:14:23,380 --> 01:14:21,230

16 these things have been going on for a

1837

01:14:27,160 --> 01:14:23,390

while and now these people can talk

1838

01:14:29,410 --> 01:14:27,170

about it so I've always wondered why

1839

01:14:32,590 --> 01:14:29,420

that was something that was really

1840

01:14:35,260 --> 01:14:32,600

looked down upon because to me it's

1841

01:14:38,590 --> 01:14:35,270

narcissistic to believe we are the most

1842

01:14:40,480 --> 01:14:38,600

intelligent form of life out there first

1843

01:14:42,580 --> 01:14:40,490

of all there's a subtly in' planets

1844

01:14:44,650 --> 01:14:42,590

we're the only one with any form of life

1845

01:14:46,930 --> 01:14:44,660

and who are we to say oh we are

1846

01:14:49,210 --> 01:14:46,940

definitely the most advanced we could be

1847

01:14:51,550 --> 01:14:49,220

ants compared to another civilization we

1848

01:14:54,760 --> 01:14:51,560

could be nothing more than sloths so to

1849

01:14:56,740 --> 01:14:54,770

say you know somebody saw something that

1850

01:14:58,180 --> 01:14:56,750

they don't understand what it is maybe

1851

01:14:59,620 --> 01:14:58,190

it could be top-secret military but

1852

01:15:01,630 --> 01:14:59,630

maybe it could be extraterrestrial oh

1853

01:15:03,130 --> 01:15:01,640

that person needs to be mocked that

1854

01:15:05,440 --> 01:15:03,140

person should be grounded that person

1855

01:15:08,080 --> 01:15:05,450

should lose their career it's all based

1856

01:15:09,850 --> 01:15:08,090

and narcissism absolutely I'm so glad

1857

01:15:13,180 --> 01:15:09,860

you said that because we've we've

1858

01:15:15,880 --> 01:15:13,190

struggled with that for so long of not

1859

01:15:19,540 --> 01:15:15,890

only saying look that the possibilities

1860

01:15:22,060 --> 01:15:19,550

of alien life is just like there has to

1861

01:15:24,340 --> 01:15:22,070

be there has to be I think almost every

1862

01:15:27,400 --> 01:15:24,350

mathematician astronomer out there

1863

01:15:30,400 --> 01:15:27,410

agrees that there's some sort of alien

1864

01:15:32,680 --> 01:15:30,410

life-form out there whether it's visited

1865

01:15:34,170 --> 01:15:32,690

this planet or not or is intelligent or

1866

01:15:39,160 --> 01:15:34,180

sentient that's a whole different story

1867

01:15:39,899 --> 01:15:39,170

but it's fascinating that we now live in

1868

01:15:43,020 --> 01:15:39,909

an age

1869

01:15:45,090 --> 01:15:43,030

you can talk about UFOs without getting

1870

01:15:46,379 --> 01:15:45,100

laughed at you know it's it's still

1871

01:15:49,140 --> 01:15:46,389

barren it's probably always going to be

1872

01:15:52,439 --> 01:15:49,150

there that small hint of ridicule but I

1873

01:15:54,810 --> 01:15:52,449

see the tides changing within the

1874

01:15:58,590 --> 01:15:54,820

overall UFO conversation and I think it

1875

01:16:01,379 --> 01:15:58,600

shows like yours and the this show that

1876

01:16:04,290 --> 01:16:01,389

Tom DeLonge did you know the blink-182

1877

01:16:06,120 --> 01:16:04,300

guy about UFOs that's really showing

1878

01:16:08,910 --> 01:16:06,130

people look we could talk about this

1879

01:16:11,870 --> 01:16:08,920

normally at the dinner table and you

1880

01:16:15,660 --> 01:16:11,880

don't have to like be afraid to do it so

1881

01:16:18,360 --> 01:16:15,670

kudos to any Navy pilot who's come out

1882

01:16:21,240 --> 01:16:18,370

with these nimitz encounters or these

1883

01:16:23,760 --> 01:16:21,250

the gimbal video the tic tac what have

1884

01:16:27,270 --> 01:16:23,770

it like we need more people like that to

1885

01:16:30,720 --> 01:16:27,280

be willing to do that absolutely and I

1886

01:16:32,790 --> 01:16:30,730

think you know when I hear of sightings

1887

01:16:34,709 --> 01:16:32,800

or I hear of witness accounts regardless

1888

01:16:36,959 --> 01:16:34,719

of what it is I always ask myself what

1889

01:16:40,200 --> 01:16:36,969

does this person have to gain these

1890

01:16:44,129 --> 01:16:40,210

naval aviators have nothing to gain and

1891

01:16:46,740 --> 01:16:44,139

a lot to lose absolutely so I think even

1892

01:16:50,640 --> 01:16:46,750

the you know the height of the most

1893

01:16:52,410 --> 01:16:50,650

skeptic of all skeptics needs to look at

1894

01:16:54,209 --> 01:16:52,420

this and say all right let me just at

1895

01:16:57,419 --> 01:16:54,219

least hear these people out because

1896

01:16:59,459 --> 01:16:57,429

there's nothing driving this oh let me

1897

01:17:01,800 --> 01:16:59,469

come out possibly lose my career be

1898

01:17:03,450 --> 01:17:01,810

ridiculed know that this is they're

1899

01:17:05,790 --> 01:17:03,460

coming out because they saw something

1900

01:17:07,860 --> 01:17:05,800

and they feel like other people should

1901

01:17:10,560 --> 01:17:07,870

be aware of it and and for a few of the

1902

01:17:12,780 --> 01:17:10,570

people I talked to they said yes I am

1903

01:17:14,850 --> 01:17:12,790

I have fear as to what I saw because I

1904

01:17:17,520 --> 01:17:14,860

know that this is not within the

1905

01:17:19,830 --> 01:17:17,530

capability of the military and if this

1906

01:17:25,320 --> 01:17:19,840

is extraterrestrial in nature how do we

1907

01:17:27,959 --> 01:17:25,330

know that these beings are that they're

1908

01:17:29,610 --> 01:17:27,969

you know safe that they that they don't

1909

01:17:31,439 --> 01:17:29,620

want to do us harm I mean you don't know

1910

01:17:34,590 --> 01:17:31,449

their motivation if it is in fact

1911

01:17:36,510 --> 01:17:34,600

something extraterrestrial exactly you

1912

01:17:39,419 --> 01:17:36,520

know the question no longer is like if

1913

01:17:42,330 --> 01:17:39,429

your foes exist it's losing control of

1914

01:17:45,000 --> 01:17:42,340

them why are they here and like you said

1915

01:17:47,820 --> 01:17:45,010

everyone always says oh if aliens exist

1916

01:17:49,200 --> 01:17:47,830

they're so far advanced and enlightened

1917

01:17:52,620 --> 01:17:49,210

and intelligent that they would be

1918

01:17:54,870 --> 01:17:52,630

peaceful we don't know that we don't why

1919

01:17:58,350 --> 01:17:54,880

just because they're so vastly

1920

01:18:00,240 --> 01:17:58,360

intelligent does you know time and

1921

01:18:03,060 --> 01:18:00,250

evolution say that they're gonna be a

1922

01:18:05,430 --> 01:18:03,070

peaceful race I never understood that

1923

01:18:08,399 --> 01:18:05,440

when we are pretty technologically

1924

01:18:09,899 --> 01:18:08,409

advanced and we are war mongers exactly

1925

01:18:13,740 --> 01:18:09,909

to the point where we could destroy our

1926

01:18:16,439 --> 01:18:13,750

own planet who knows who knows who's in

1927

01:18:20,100 --> 01:18:16,449

control of these UFOs why they're doing

1928

01:18:22,830 --> 01:18:20,110

this and oh god it's so fascinating but

1929

01:18:24,930 --> 01:18:22,840

a lot of people Jen think that it's

1930

01:18:27,120 --> 01:18:24,940

aliens and they're gonna see them aliens

1931

01:18:29,669 --> 01:18:27,130

on September 20th when they storm the

1932

01:18:32,220 --> 01:18:29,679

gates of oh no if they storm the gates

1933

01:18:34,680 --> 01:18:32,230

they're gonna be seeing some tear gas

1934

01:18:36,870 --> 01:18:34,690

and fun stuff like that I mean I do

1935

01:18:38,459 --> 01:18:36,880

think that you know the guy that we

1936

01:18:39,780 --> 01:18:38,469

talked about who stormed the gates and

1937

01:18:43,140 --> 01:18:39,790

he had a cylindrical object in his hand

1938

01:18:45,149 --> 01:18:43,150

he was killed unfortunately um yeah you

1939

01:18:47,640 --> 01:18:45,159

play stupid games you win stupid prizes

1940

01:18:50,040 --> 01:18:47,650

I feel bad for his family I don't know

1941

01:18:52,320 --> 01:18:50,050

what his motivation was but it's it's

1942

01:18:54,810 --> 01:18:52,330

tragic you cannot do that you cannot

1943

01:18:57,570 --> 01:18:54,820

storm a base I would hope and I would

1944

01:18:59,550 --> 01:18:57,580

think that the military is planning

1945

01:19:01,320 --> 01:18:59,560

appropriately for this and and I don't

1946

01:19:03,629 --> 01:19:01,330

think that they're gonna be there you

1947

01:19:05,580 --> 01:19:03,639

know and machine guns are gonna be there

1948

01:19:08,040 --> 01:19:05,590

they're there first to go to I don't

1949

01:19:10,020 --> 01:19:08,050

think you know they're they're just

1950

01:19:12,209 --> 01:19:10,030

going to blow people away but but I do

1951

01:19:14,790 --> 01:19:12,219

think that they're going to be prepared

1952

01:19:15,990 --> 01:19:14,800

with tear gas rubber bullets things that

1953

01:19:19,800 --> 01:19:16,000

make crowds

1954

01:19:22,050 --> 01:19:19,810

very angry and very uncomfortable and of

1955

01:19:24,870 --> 01:19:22,060

course yes they'll have they'll have

1956

01:19:28,169 --> 01:19:24,880

leaflet less lethal methods but you also

1957

01:19:30,209 --> 01:19:28,179

have to have lethal methods so I would

1958

01:19:33,570 --> 01:19:30,219

encourage anyone who's saying let me

1959

01:19:36,540 --> 01:19:33,580

storm you do not storm a military base

1960

01:19:39,350 --> 01:19:36,550

even in large numbers you do not do that

1961

01:19:42,629 --> 01:19:39,360

you can't outrun bullets don't do that

1962

01:19:44,610 --> 01:19:42,639

absolutely and again like I think you

1963

01:19:46,770 --> 01:19:44,620

and I can both agree no matter what we

1964

01:19:50,250 --> 01:19:46,780

personally think is going on at area 51

1965

01:19:53,340 --> 01:19:50,260

that that base exists for our security

1966

01:19:56,490 --> 01:19:53,350

whatever's being developed there is for

1967

01:19:59,280 --> 01:19:56,500

our safety when it comes down to it and

1968

01:20:04,510 --> 01:19:59,290

I've never been like a pro you know

1969

01:20:06,970 --> 01:20:04,520

military person but you can bet your ass

1970

01:20:10,180 --> 01:20:06,980

that we have those people doing that for

1971

01:20:12,130 --> 01:20:10,190

us so absolutely people please don't

1972

01:20:14,890 --> 01:20:12,140

storm the gates very 51 if you're going

1973

01:20:18,040 --> 01:20:14,900

to go out there go to the alien Research

1974

01:20:20,170 --> 01:20:18,050

Center go to the little alien go have a

1975

01:20:22,630 --> 01:20:20,180

good time you know maybe have a couple

1976

01:20:24,640 --> 01:20:22,640

beers listen to some music I think that

1977

01:20:26,470 --> 01:20:24,650

should are planning to do but do not

1978

01:20:29,920 --> 01:20:26,480

storm the gates cuz you and I both know

1979

01:20:31,960 --> 01:20:29,930

they knew you and I were coming God how

1980

01:20:34,360 --> 01:20:31,970

many miles before we even got to that

1981

01:20:37,840 --> 01:20:34,370

gate I can't even imagine so I won't say

1982

01:20:39,160 --> 01:20:37,850

anymore and and I think it's important

1983

01:20:41,110 --> 01:20:39,170

if people want to go they have the

1984

01:20:44,230 --> 01:20:41,120

camaraderie of other believers they can

1985

01:20:48,250 --> 01:20:44,240

have a good time but keep it a good time

1986

01:20:51,250 --> 01:20:48,260

people keep it good keep it good yeah

1987

01:20:54,010 --> 01:20:51,260

great well in terms of what's to come on

1988

01:20:56,020 --> 01:20:54,020

mysteries decoded Jen can you give us a

1989

01:20:59,800 --> 01:20:56,030

little tease of what's gonna be

1990

01:21:01,900 --> 01:20:59,810

happening after area 51 yeah we have

1991

01:21:04,570 --> 01:21:01,910

some great episodes to wrap up the

1992

01:21:06,910 --> 01:21:04,580

season we actually look at Bigfoot which

1993

01:21:09,940 --> 01:21:06,920

I went into it thinking complete

1994

01:21:13,270 --> 01:21:09,950

nonsense but we've talked to a scientist

1995

01:21:15,490 --> 01:21:13,280

in the field who you know he brought up

1996

01:21:18,280 --> 01:21:15,500

some really great points showed me some

1997

01:21:20,980 --> 01:21:18,290

really intriguing things we look at

1998

01:21:22,630 --> 01:21:20,990

vampires in New Orleans and whether the

1999

01:21:26,650 --> 01:21:22,640

consumption of blood can in fact

2000

01:21:29,590 --> 01:21:26,660

lengthen one's life and we look at the

2001

01:21:31,450 --> 01:21:29,600

Bermuda Triangle which was really really

2002

01:21:35,140 --> 01:21:31,460

interesting to me because of course

2003

01:21:37,720 --> 01:21:35,150

numerous planes and ships military

2004

01:21:40,300 --> 01:21:37,730

planes and ships have gone missing in

2005

01:21:42,580 --> 01:21:40,310

that area and so that's an episode where

2006

01:21:44,500 --> 01:21:42,590

we hit the science pretty hard I'm

2007

01:21:47,290 --> 01:21:44,510

really looking forward to that one I've

2008

01:21:49,270 --> 01:21:47,300

done a little bit in the past on the

2009

01:21:51,490 --> 01:21:49,280

Bermuda Triangle so I can't wait to see

2010

01:21:52,140 --> 01:21:51,500

what you guys came up with that one but

2011

01:21:55,630 --> 01:21:52,150

um

2012

01:21:59,740 --> 01:21:55,640

which is two oh my gosh yeah Salem which

2013

01:22:02,230 --> 01:21:59,750

is second it's been so long I had forgot

2014

01:22:05,980 --> 01:22:02,240

about it yes we had Salem witches as

2015

01:22:08,290 --> 01:22:05,990

well which was really intriguing because

2016

01:22:10,450 --> 01:22:08,300

of course so many people were put to

2017

01:22:12,940 --> 01:22:10,460

death for supposedly practicing

2018

01:22:15,460 --> 01:22:12,950

witchcraft so we we delve into it and

2019

01:22:18,040 --> 01:22:15,470

you know look at were they witches were

2020

01:22:20,589 --> 01:22:18,050

they practicing witchcraft what made the

2021

01:22:22,629 --> 01:22:20,599

town put all these people to death what

2022

01:22:25,990 --> 01:22:22,639

happened what were the socio-economic

2023

01:22:28,060 --> 01:22:26,000

variables included in that scenario it's

2024

01:22:29,950 --> 01:22:28,070

a very interesting episode oh and the

2025

01:22:32,169 --> 01:22:29,960

gender politics of the time that was

2026

01:22:33,850 --> 01:22:32,179

something that I really had not thought

2027

01:22:35,430 --> 01:22:33,860

of going into it but there was such a

2028

01:22:37,720 --> 01:22:35,440

difference between men and women

2029

01:22:40,870 --> 01:22:37,730

children were to be seen and not heard

2030

01:22:43,209 --> 01:22:40,880

so you know gender dynamics power there

2031

01:22:45,310 --> 01:22:43,219

were so many things that that went into

2032

01:22:48,399 --> 01:22:45,320

that episode it should be a good one

2033

01:22:50,319 --> 01:22:48,409

it's fascinating I gotta ask again with

2034

01:22:52,870 --> 01:22:50,329

mysteries Dakota it like this is a huge

2035

01:22:54,790 --> 01:22:52,880

departure from kind of what you're used

2036

01:22:57,479 --> 01:22:54,800

to or what I'm sure your family or

2037

01:23:00,399 --> 01:22:57,489

friends or colleagues know about you so

2038

01:23:02,260 --> 01:23:00,409

how have your your friends your

2039

01:23:03,370 --> 01:23:02,270

colleagues in the entertainment industry

2040

01:23:05,530 --> 01:23:03,380

and the military

2041

01:23:08,379 --> 01:23:05,540

how have they reacted to mysteries

2042

01:23:11,830 --> 01:23:08,389

decoded the veteran community has been

2043

01:23:13,750 --> 01:23:11,840

extremely extremely supportive we tend

2044

01:23:15,970 --> 01:23:13,760

to support our brothers and sisters when

2045

01:23:17,830 --> 01:23:15,980

you know they branch off into different

2046

01:23:19,450 --> 01:23:17,840

endeavors so I've been very indebted to

2047

01:23:22,299 --> 01:23:19,460

them I would say the private

2048

01:23:24,970 --> 01:23:22,309

investigation community at first when it

2049

01:23:26,709 --> 01:23:24,980

was first pitched to them you know their

2050

01:23:30,640 --> 01:23:26,719

concern was don't make us look like a

2051

01:23:32,140 --> 01:23:30,650

bunch of slaps which I get I I do not

2052

01:23:35,229 --> 01:23:32,150

think that I've done that but of course

2053

01:23:38,020 --> 01:23:35,239

anytime it's reality TV or docudrama

2054

01:23:40,180 --> 01:23:38,030

there's always the you know there's

2055

01:23:42,459 --> 01:23:40,190

always the fear that the profession is

2056

01:23:45,220 --> 01:23:42,469

going to be belittled so I think we've

2057

01:23:46,870 --> 01:23:45,230

avoided doing that many of my other

2058

01:23:48,580 --> 01:23:46,880

investigators said that they will never

2059

01:23:51,310 --> 01:23:48,590

work on anything paranormal which I

2060

01:23:52,240 --> 01:23:51,320

absolutely appreciate and understand

2061

01:23:55,510 --> 01:23:52,250

where they're coming from

2062

01:23:57,790 --> 01:23:55,520

the reception's been really good you

2063

01:24:01,899 --> 01:23:57,800

always have you know you're 1 to 5%

2064

01:24:03,760 --> 01:24:01,909

trolls but for the most part just people

2065

01:24:06,819 --> 01:24:03,770

overall have been super supportive and

2066

01:24:08,530 --> 01:24:06,829

the way that I see trolls is you know if

2067

01:24:10,470 --> 01:24:08,540

you're that unhappy that you feel the

2068

01:24:13,930 --> 01:24:10,480

need to lash out at people online

2069

01:24:15,970 --> 01:24:13,940

anonymously it doesn't make me angry it

2070

01:24:19,390 --> 01:24:15,980

just makes me sad and it makes me sad

2071

01:24:20,799 --> 01:24:19,400

for that person so trolls don't get to

2072

01:24:23,109 --> 01:24:20,809

me maybe the same way that they would

2073

01:24:25,839 --> 01:24:23,119

get to somebody else I just take it with

2074

01:24:27,520 --> 01:24:25,849

a grain of salt and and move on and I

2075

01:24:30,549 --> 01:24:27,530

think that some people some of the

2076

01:24:31,419 --> 01:24:30,559

trolls I've experienced they they're so

2077

01:24:34,209 --> 01:24:31,429

quick to

2078

01:24:36,580 --> 01:24:34,219

anything and say no none of these things

2079

01:24:39,430 --> 01:24:36,590

exist and I don't feel like that's being

2080

01:24:41,860 --> 01:24:39,440

intellectually intellectually curious if

2081

01:24:45,360 --> 01:24:41,870

you automatically say none of these

2082

01:24:49,419 --> 01:24:45,370

things exist and this is all nonsense a

2083

01:24:51,729 --> 01:24:49,429

men to that there's far too much

2084

01:24:54,610 --> 01:24:51,739

important work to be done to even like

2085

01:24:59,290 --> 01:24:54,620

give these people the time of day so I

2086

01:25:00,610 --> 01:24:59,300

hear you say that well on the other side

2087

01:25:02,709 --> 01:25:00,620

not trolls

2088

01:25:04,120 --> 01:25:02,719

I have listeners in my show who had a

2089

01:25:09,070 --> 01:25:04,130

couple of questions for you do you have

2090

01:25:11,740 --> 01:25:09,080

time I would love to awesome so Tim asks

2091

01:25:13,840 --> 01:25:11,750

what's the weirdest and/or scariest

2092

01:25:17,260 --> 01:25:13,850

thing you've seen or heard while

2093

01:25:20,610 --> 01:25:17,270

investigating a case there was a case I

2094

01:25:22,540 --> 01:25:20,620

I will I will dance around it because

2095

01:25:25,180 --> 01:25:22,550

confidentiality is very important to me

2096

01:25:28,919 --> 01:25:25,190

in my clients yeah there was a case of a

2097

01:25:33,899 --> 01:25:28,929

girl that I had helped with who had been

2098

01:25:36,370 --> 01:25:33,909

she had disappeared and we thought that

2099

01:25:37,870 --> 01:25:36,380

shame on me I thought that she was dead

2100

01:25:40,090 --> 01:25:37,880

I thought that her mother sold her off

2101
01:25:43,600 --> 01:25:40,100
for a drug debt this girl was very

2102
01:25:46,360 --> 01:25:43,610
active on social media after this it was

2103
01:25:50,669 --> 01:25:46,370
completely cut off she was hanging

2104
01:25:54,370 --> 01:25:50,679
around some gangbangers ms-13 members

2105
01:25:57,280 --> 01:25:54,380
all of it was very very bad she was 16

2106
01:25:57,880 --> 01:25:57,290
years old and I thought this girl has to

2107
01:25:59,620 --> 01:25:57,890
be dead

2108
01:26:02,050 --> 01:25:59,630
so we worked on it it was several

2109
01:26:04,360 --> 01:26:02,060
investigators working on it and she

2110
01:26:06,280 --> 01:26:04,370
ended up popping up in another country

2111
01:26:09,399 --> 01:26:06,290
she had been sex trafficked

2112
01:26:11,410 --> 01:26:09,409
but reading the after-action reports of

2113
01:26:13,780 --> 01:26:11,420

some of the things she had experienced

2114

01:26:16,390 --> 01:26:13,790

how they were able to move her out of

2115

01:26:18,880 --> 01:26:16,400

the country and the type of people we

2116

01:26:22,810 --> 01:26:18,890

were dealing with really made my blood

2117

01:26:27,220 --> 01:26:22,820

run cold they're very dangerous ruthless

2118

01:26:30,070 --> 01:26:27,230

people who dehumanize anyone and

2119

01:26:32,680 --> 01:26:30,080

everyone you are simply a number to them

2120

01:26:34,330 --> 01:26:32,690

you are not a life and they will snuff

2121

01:26:37,899 --> 01:26:34,340

you out without a second thought wow

2122

01:26:40,270 --> 01:26:37,909

that's tough I mean again like we deal

2123

01:26:41,800 --> 01:26:40,280

with some weird and dark stuff and the

2124

01:26:43,550 --> 01:26:41,810

UFO field or the paranormal community

2125

01:26:45,980 --> 01:26:43,560

but and when it comes down to it I

2126
01:26:48,530 --> 01:26:45,990
the scariest thing is what humans can do

2127
01:26:53,240 --> 01:26:48,540
to other humans oh absolutely

2128
01:26:57,320 --> 01:26:53,250
Wow yeah that that's fine I'm speechless

2129
01:26:59,240 --> 01:26:57,330
to be honest well and later she was I've

2130
01:27:01,580 --> 01:26:59,250
continued to follow her and later she

2131
01:27:04,430 --> 01:27:01,590
was posting some of the same things

2132
01:27:07,400 --> 01:27:04,440
online getting into old habits again and

2133
01:27:09,470 --> 01:27:07,410
it broke my heart because I thought you

2134
01:27:11,630 --> 01:27:09,480
know I'm not a victim blame her I don't

2135
01:27:14,270 --> 01:27:11,640
think it's right to blame people but I

2136
01:27:16,100 --> 01:27:14,280
just had hoped that she would go in a

2137
01:27:19,790 --> 01:27:16,110
different direction after the trauma she

2138
01:27:21,830 --> 01:27:19,800

experienced and it just it it hurt me

2139

01:27:23,090 --> 01:27:21,840

and it scared me to see her going down

2140

01:27:25,370 --> 01:27:23,100

that same path

2141

01:27:27,980 --> 01:27:25,380

being around unsavory people again

2142

01:27:30,470 --> 01:27:27,990

because there's no you know there's no

2143

01:27:32,180 --> 01:27:30,480

happy ending to that story yeah and

2144

01:27:33,980 --> 01:27:32,190

often times you think these things are

2145

01:27:36,740 --> 01:27:33,990

like vicious cycles you know when

2146

01:27:38,690 --> 01:27:36,750

absolutely when you've been surmised

2147

01:27:41,060 --> 01:27:38,700

it's just a number it's like how do you

2148

01:27:44,150 --> 01:27:41,070

find your self preservation again so

2149

01:27:46,880 --> 01:27:44,160

that's that's sad I hate hearing that we

2150

01:27:51,890 --> 01:27:46,890

can only hope that she finds some sort

2151
01:27:54,050 --> 01:27:51,900
of you know closure or or self-worth at

2152
01:27:57,170 --> 01:27:54,060
the end of the day absolutely absent and

2153
01:27:59,090 --> 01:27:57,180
I will put in a little PSA parents you

2154
01:28:01,820 --> 01:27:59,100
know definitely raise your girls to be

2155
01:28:04,280 --> 01:28:01,830
aware of what's going on and to to know

2156
01:28:06,710 --> 01:28:04,290
their own worth but raise your boy is to

2157
01:28:09,440 --> 01:28:06,720
treat women with respect and realize

2158
01:28:12,440 --> 01:28:09,450
that no means no and anything yes then

2159
01:28:15,050 --> 01:28:12,450
an emphatic yes is absolutely no because

2160
01:28:17,660 --> 01:28:15,060
there was a lot of things playing into

2161
01:28:20,240 --> 01:28:17,670
that case where you know I just thought

2162
01:28:21,790 --> 01:28:20,250
as a mother I thought if these if all of

2163
01:28:24,650 --> 01:28:21,800

these people just would have been raised

2164

01:28:26,870 --> 01:28:24,660

better with more respect for other

2165

01:28:29,150 --> 01:28:26,880

humans we wouldn't be in this position

2166

01:28:31,880 --> 01:28:29,160

and there was some serious parental

2167

01:28:33,560 --> 01:28:31,890

failures on all sides that contributed

2168

01:28:36,080 --> 01:28:33,570

to this girl being sex trafficked out of

2169

01:28:38,570 --> 01:28:36,090

the country amen hi I couldn't say it

2170

01:28:42,800 --> 01:28:38,580

any better Jenny I guess getting a

2171

01:28:44,990 --> 01:28:42,810

little more light Robert asks are you

2172

01:28:47,630 --> 01:28:45,000

still skeptical or have any

2173

01:28:50,300 --> 01:28:47,640

investigations changed your mind with

2174

01:28:54,640 --> 01:28:50,310

mysteries decoded Robert I will always

2175

01:28:57,080 --> 01:28:54,650

be a skeptic because that is my job but

2176

01:28:59,600 --> 01:28:57,090

were there things that happened

2177

01:29:02,030 --> 01:28:59,610

that I can't explain absolutely and I

2178

01:29:05,270 --> 01:29:02,040

would love to explain them away I would

2179

01:29:09,109 --> 01:29:05,280

love to explain away anything paranormal

2180

01:29:11,750 --> 01:29:09,119

with science I love science I love logic

2181

01:29:14,000 --> 01:29:11,760

I love reasoning you know my life on

2182

01:29:16,850 --> 01:29:14,010

camera as an actress is where I kind of

2183

01:29:19,100 --> 01:29:16,860

explore just the artsy side of things

2184

01:29:22,750 --> 01:29:19,110

but as a person I'm very grounded in

2185

01:29:26,419 --> 01:29:22,760

reality so yes some things have happened

2186

01:29:28,490 --> 01:29:26,429

and I wouldn't say I'm a believer per se

2187

01:29:31,910 --> 01:29:28,500

but I would say that there are things

2188

01:29:33,830 --> 01:29:31,920

that we don't understand yet and my

2189

01:29:37,479 --> 01:29:33,840

co-host in Salem had said something she

2190

01:29:41,030 --> 01:29:37,489

said everything known to man was at once

2191

01:29:43,149 --> 01:29:41,040

paranormal and you know that's a really

2192

01:29:46,580 --> 01:29:43,159

interesting point I'm sure if somebody

2193

01:29:48,709 --> 01:29:46,590

saw a car driving down a road you know

2194

01:29:50,600 --> 01:29:48,719

in 1800 they would think that that's

2195

01:29:52,760 --> 01:29:50,610

paranormal it's just something that

2196

01:29:54,770 --> 01:29:52,770

hasn't happened yet due to technology so

2197

01:29:56,870 --> 01:29:54,780

I think that there's something to be

2198

01:30:00,770 --> 01:29:56,880

said about that point that she made and

2199

01:30:02,300 --> 01:30:00,780

I I just I think we don't know enough we

2200

01:30:04,189 --> 01:30:02,310

don't know enough yet about how the

2201
01:30:06,410 --> 01:30:04,199
world works how the universe works how

2202
01:30:09,589 --> 01:30:06,420
anything works to completely discount

2203
01:30:12,200 --> 01:30:09,599
anything yeah that's a really good way

2204
01:30:14,810 --> 01:30:12,210
of looking at it you know drop an iPhone

2205
01:30:18,080 --> 01:30:14,820
back in the you know prehistoric times

2206
01:30:21,260 --> 01:30:18,090
and see what they would think that's

2207
01:30:22,820 --> 01:30:21,270
pure sorcery absolutely you know it's

2208
01:30:25,310 --> 01:30:22,830
it's fascinating to think that way I

2209
01:30:27,589 --> 01:30:25,320
agree I think the paranormal is just

2210
01:30:31,220 --> 01:30:27,599
science we haven't discovered yet and

2211
01:30:33,890 --> 01:30:31,230
most times we have okay Chris has sort

2212
01:30:38,379 --> 01:30:33,900
of a a relating question what motivates

2213
01:30:41,060 --> 01:30:38,389

you to keep investigating oh my gosh um

2214

01:30:43,180 --> 01:30:41,070

well outside of the show because the

2215

01:30:45,830 --> 01:30:43,190

show is great because I get to

2216

01:30:47,600 --> 01:30:45,840

investigate things that I would never be

2217

01:30:49,189 --> 01:30:47,610

paid for on the outside no one's gonna

2218

01:30:50,600 --> 01:30:49,199

say find out what's going on the Bermuda

2219

01:30:54,109 --> 01:30:50,610

Triangle I'll pay for you to go down to

2220

01:30:55,729 --> 01:30:54,119

Miami that's not a thing so the show was

2221

01:30:58,010 --> 01:30:55,739

a unique departure from what I do in my

2222

01:31:01,250 --> 01:30:58,020

everyday business but what keeps me

2223

01:31:06,560 --> 01:31:01,260

investigating is wanting to help people

2224

01:31:09,839 --> 01:31:06,570

I get so much just it's such a good

2225

01:31:11,520 --> 01:31:09,849

feeling to be able to help someone I

2226

01:31:13,680 --> 01:31:11,530

had worked with a woman who was looking

2227

01:31:16,890 --> 01:31:13,690

for her biological father who did not

2228

01:31:18,569 --> 01:31:16,900

know she existed she was 60 inner sixty

2229

01:31:21,209 --> 01:31:18,579

she's a real estate agent in Northern

2230

01:31:22,800 --> 01:31:21,219

California and she said you know I've

2231

01:31:24,240 --> 01:31:22,810

brought this to several investigators

2232

01:31:26,160 --> 01:31:24,250

they've never been able to find my

2233

01:31:28,500 --> 01:31:26,170

father all I have is his name and I

2234

01:31:30,330 --> 01:31:28,510

think he's out of the country I worked

2235

01:31:32,850 --> 01:31:30,340

with her and within three days I had

2236

01:31:35,640 --> 01:31:32,860

located him he was in Germany they

2237

01:31:39,990 --> 01:31:35,650

recently have met each other for the

2238

01:31:41,310 --> 01:31:40,000

first time and he's in his 80s so am I

2239

01:31:43,080 --> 01:31:41,320

the only investigator who could have

2240

01:31:45,720 --> 01:31:43,090

found him probably not but she had gone

2241

01:31:47,640 --> 01:31:45,730

to other people and knowing that I could

2242

01:31:51,810 --> 01:31:47,650

bring that closure to her prior to him

2243

01:31:54,390 --> 01:31:51,820

passing away it's such a good feeling

2244

01:31:56,729 --> 01:31:54,400

and I love being able to help people and

2245

01:32:00,270 --> 01:31:56,739

in some cases make their dreams come

2246

01:32:01,740 --> 01:32:00,280

true because I do work on birth parents

2247

01:32:04,080 --> 01:32:01,750

who have placed their children for

2248

01:32:05,580 --> 01:32:04,090

adoption you know sometimes people don't

2249

01:32:07,979 --> 01:32:05,590

want to meet but most of the time they

2250

01:32:10,410 --> 01:32:07,989

do want to meet and a good number of

2251
01:32:11,040 --> 01:32:10,420
those visits they enjoy themselves very

2252
01:32:12,990 --> 01:32:11,050
much

2253
01:32:15,770 --> 01:32:13,000
you know I'm looking into a case right

2254
01:32:18,839 --> 01:32:15,780
now of a man who disappeared in 2013 and

2255
01:32:21,080 --> 01:32:18,849
it's very perplexing but if I'm able to

2256
01:32:23,430 --> 01:32:21,090
help his parents in any way at all

2257
01:32:25,950 --> 01:32:23,440
that's what I want to do so that's

2258
01:32:27,540 --> 01:32:25,960
really what keeps me motivated is just

2259
01:32:29,790 --> 01:32:27,550
being able to bring closure to these

2260
01:32:32,729 --> 01:32:29,800
families who so desperately need it I

2261
01:32:34,859 --> 01:32:32,739
love that yeah using your skills to help

2262
01:32:38,189 --> 01:32:34,869
people if everyone in the world did that

2263
01:32:41,370 --> 01:32:38,199

it'd be a much better place

2264

01:32:44,189 --> 01:32:41,380

awesome well Steve and Jessica both have

2265

01:32:46,979 --> 01:32:44,199

kind of a similar question here in your

2266

01:32:48,990 --> 01:32:46,989

military experience did you ever see or

2267

01:32:50,910 --> 01:32:49,000

experience anything out of the ordinary

2268

01:32:52,740 --> 01:32:50,920

that was kind of you know like swept

2269

01:32:55,050 --> 01:32:52,750

under the rug or maybe at the time it

2270

01:32:57,899 --> 01:32:55,060

was not a big deal but kind of looking

2271

01:33:02,370 --> 01:32:57,909

back on it now you think maybe it was a

2272

01:33:04,439 --> 01:33:02,380

little strange or unexplainable well

2273

01:33:06,180 --> 01:33:04,449

I'll say this I have always been very

2274

01:33:09,510 --> 01:33:06,190

good at reading people's body language

2275

01:33:12,089 --> 01:33:09,520

so something that may have flown under

2276

01:33:14,790 --> 01:33:12,099

the radar with maybe another sailor it

2277

01:33:16,859 --> 01:33:14,800

did not with me I grew up in a very

2278

01:33:19,080 --> 01:33:16,869

tumultuous household and so I was always

2279

01:33:22,169 --> 01:33:19,090

trying to read my father and see what

2280

01:33:23,370 --> 01:33:22,179

his mood was for that day to see if I

2281

01:33:24,780 --> 01:33:23,380

should stay away how

2282

01:33:27,570 --> 01:33:24,790

should act so I was very much a

2283

01:33:30,120 --> 01:33:27,580

chameleon from early on even as a

2284

01:33:32,670 --> 01:33:30,130

toddler so there were definitely things

2285

01:33:36,060 --> 01:33:32,680

that my first command that I saw that I

2286

01:33:40,830 --> 01:33:36,070

witnessed that I heard I was stationed

2287

01:33:42,420 --> 01:33:40,840

on a base it's an island base and I

2288

01:33:45,620 --> 01:33:42,430

don't really want to get into what they

2289

01:33:48,150 --> 01:33:45,630

do there but I had made friends with

2290

01:33:51,090 --> 01:33:48,160

some of the civilians on the island who

2291

01:33:52,860 --> 01:33:51,100

they all had security clearances and so

2292

01:33:55,470 --> 01:33:52,870

they would invite me to dinner parties

2293

01:33:57,330 --> 01:33:55,480

you know and I was nineteen twenty years

2294

01:34:01,470 --> 01:33:57,340

old sitting at a dinner party with these

2295

01:34:03,570 --> 01:34:01,480

you know 40 50 60 something-year-old men

2296

01:34:06,480 --> 01:34:03,580

and women who'd been working in a

2297

01:34:09,090 --> 01:34:06,490

government capacity for decades with

2298

01:34:13,170 --> 01:34:09,100

security clearances and yes things were

2299

01:34:16,890 --> 01:34:13,180

said that I knew I probably was not

2300

01:34:17,940 --> 01:34:16,900

supposed to hear and it's one of those

2301

01:34:21,120 --> 01:34:17,950

things you take it with a grain of salt

2302

01:34:23,670 --> 01:34:21,130

I don't know if those things are still

2303

01:34:25,590 --> 01:34:23,680

classified so I won't divulge them just

2304

01:34:29,340 --> 01:34:25,600

out of respect but there were definitely

2305

01:34:32,130 --> 01:34:29,350

things when we shot area 51 that I knew

2306

01:34:34,590 --> 01:34:32,140

about that I can't and will not say on

2307

01:34:38,220 --> 01:34:34,600

camera just out of national security

2308

01:34:40,560 --> 01:34:38,230

reasons so yes there there are

2309

01:34:42,510 --> 01:34:40,570

definitely things it's not even looking

2310

01:34:45,300 --> 01:34:42,520

back it was at the time I realized I'm

2311

01:34:48,390 --> 01:34:45,310

probably not supposed to know that but I

2312

01:34:50,550 --> 01:34:48,400

do know it anyway and I worked in

2313

01:34:52,320 --> 01:34:50,560

logistics so there were things that you

2314

01:34:54,720 --> 01:34:52,330

know nothing came onto the ship or

2315

01:34:57,320 --> 01:34:54,730

nothing came to my command that I didn't

2316

01:35:01,500 --> 01:34:57,330

order or that I didn't know about so

2317

01:35:03,360 --> 01:35:01,510

yeah for sure for sure Nationals how all

2318

01:35:06,600 --> 01:35:03,370

that fits into into the grand scheme of

2319

01:35:08,160 --> 01:35:06,610

things I can't tell you that but yeah

2320

01:35:10,020 --> 01:35:08,170

there's lots of there's lots of things

2321

01:35:12,390 --> 01:35:10,030

out there that that fly under the radar

2322

01:35:14,910 --> 01:35:12,400

that you don't think twice about unless

2323

01:35:16,470 --> 01:35:14,920

given the context I can't wait for the

2324

01:35:18,450 --> 01:35:16,480

next time you and I meet up I'm gonna

2325

01:35:23,940 --> 01:35:18,460

have to get a couple drinks in yet to

2326

01:35:25,920 --> 01:35:23,950

get those stories out of you our last

2327

01:35:28,230 --> 01:35:25,930

listener question here comes from Earl

2328

01:35:30,900 --> 01:35:28,240

and this is a good one

2329

01:35:35,310 --> 01:35:30,910

what is scarier or more impactful to you

2330

01:35:36,979 --> 01:35:35,320

that ghosts or cryptids or aliens may be

2331

01:35:40,709 --> 01:35:36,989

real after do

2332

01:35:42,600 --> 01:35:40,719

investigations well I would say if if

2333

01:35:44,340 --> 01:35:42,610

all of let's say all of them are real

2334

01:35:49,680 --> 01:35:44,350

right let's say ghosts cryptids and

2335

01:35:52,709 --> 01:35:49,690

aliens are all real aliens like I said

2336

01:35:54,450 --> 01:35:52,719

we don't know what drives them what

2337

01:35:56,790 --> 01:35:54,460

motivates them they could look at what

2338

01:35:58,830 --> 01:35:56,800

we're doing and say you are completely

2339

01:36:00,030 --> 01:35:58,840

trashing your planet you are killing

2340

01:36:02,820 --> 01:36:00,040

each other you're doing all these things

2341

01:36:05,419 --> 01:36:02,830

you deserve to be annihilated you know

2342

01:36:08,070 --> 01:36:05,429

we don't know the thought process behind

2343

01:36:10,320 --> 01:36:08,080

what other civilizations could think

2344

01:36:12,090 --> 01:36:10,330

about what's happening on earth so to me

2345

01:36:15,060 --> 01:36:12,100

that is probably the most terrifying

2346

01:36:18,149 --> 01:36:15,070

because we just don't know that now

2347

01:36:19,950 --> 01:36:18,159

ghosts they can surely scare the scare

2348

01:36:23,310 --> 01:36:19,960

the [h__\h] out of somebody or you know

2349

01:36:24,780 --> 01:36:23,320

follow you around whatever you don't

2350

01:36:27,540 --> 01:36:24,790

hear a lot of stories about ghosts

2351

01:36:31,530 --> 01:36:27,550

wiping civilizations off the map with

2352

01:36:34,770 --> 01:36:31,540

cryptids it's certainly interesting you

2353

01:36:36,990 --> 01:36:34,780

know it's intriguing but if bigfoot is

2354

01:36:38,879 --> 01:36:37,000

real he's not tearing people apart limb

2355

01:36:42,450 --> 01:36:38,889

from limb as he comes across them and

2356

01:36:44,939 --> 01:36:42,460

british columbia so I think if cryptids

2357

01:36:46,970 --> 01:36:44,949

were real that would be an interesting

2358

01:36:50,729 --> 01:36:46,980

intriguing thing but but

2359

01:36:54,180 --> 01:36:50,739

extraterrestrials yes it is very it is

2360

01:36:56,100 --> 01:36:54,190

very worrisome to me just because if we

2361

01:36:58,530 --> 01:36:56,110

don't even remotely understand the

2362

01:37:02,970 --> 01:36:58,540

technology behind some of these videos

2363

01:37:06,510 --> 01:37:02,980

that means that they are years and years

2364

01:37:07,850 --> 01:37:06,520

and years ahead of us and who knows what

2365

01:37:09,780 --> 01:37:07,860

could happen with that

2366

01:37:14,580 --> 01:37:09,790

absolutely and I've had this discussion

2367

01:37:16,560 --> 01:37:14,590

with MJ bias a lot and his his

2368

01:37:19,439 --> 01:37:16,570

experience with cultures and belief

2369

01:37:21,810 --> 01:37:19,449

systems it rings so true with what

2370

01:37:24,390 --> 01:37:21,820

you're saying that you know ghosts can't

2371

01:37:26,790 --> 01:37:24,400

take over the world cryptids are not

2372

01:37:30,080 --> 01:37:26,800

going to wipe our planet out I think

2373

01:37:32,939 --> 01:37:30,090

that's why people are so hesitant to

2374

01:37:35,189 --> 01:37:32,949

accept that aliens could be real because

2375

01:37:37,470 --> 01:37:35,199

we potentially don't know what they're

2376
01:37:40,379 --> 01:37:37,480
capable of so I agree with you a hundred

2377
01:37:42,780 --> 01:37:40,389
percent you know while I tend to err on

2378
01:37:45,120 --> 01:37:42,790
the side of believing in aliens that big

2379
01:37:47,760 --> 01:37:45,130
part of me inside almost doesn't want to

2380
01:37:49,389 --> 01:37:47,770
because that fear of the unknown of what

2381
01:37:52,299 --> 01:37:49,399
they could do like brain

2382
01:37:54,429 --> 01:37:52,309
the ghosts bring on the Bigfoots but at

2383
01:37:57,310 --> 01:37:54,439
the end of the day while I'm a look at

2384
01:37:59,080 --> 01:37:57,320
UFOs you know all the time there's that

2385
01:38:01,719 --> 01:37:59,090
small part of me that just kind of hopes

2386
01:38:06,040 --> 01:38:01,729
that we could prove that they aren't

2387
01:38:07,779 --> 01:38:06,050
alien for that I mean from a national

2388
01:38:09,580 --> 01:38:07,789

security perspective and from a military

2389

01:38:11,889 --> 01:38:09,590

perspective I want nothing more than to

2390

01:38:15,040 --> 01:38:11,899

say these are experimental military

2391

01:38:17,109 --> 01:38:15,050

craft we have this technology because if

2392

01:38:20,049 --> 01:38:17,119

something were to happen god forbid like

2393

01:38:23,259 --> 01:38:20,059

World War 3 I would want to have the

2394

01:38:26,649 --> 01:38:23,269

best technology capable of ending a war

2395

01:38:30,219 --> 01:38:26,659

quickly so I want nothing more than for

2396

01:38:32,649 --> 01:38:30,229

this to be homegrown I'll don't know I

2397

01:38:35,229 --> 01:38:32,659

mean when one of the pilots was talking

2398

01:38:40,049 --> 01:38:35,239

about he basically saw a docking station

2399

01:38:43,439 --> 01:38:40,059

in the ocean that that's yeah that is

2400

01:38:46,359 --> 01:38:43,449

inexplicable that's terrifying that's

2401
01:38:49,209 --> 01:38:46,369
you know what is this this is a man with

2402
01:38:51,429 --> 01:38:49,219
thousands of hours thousands of flying

2403
01:38:54,250 --> 01:38:51,439
hours he's not prone to exaggeration

2404
01:38:56,949 --> 01:38:54,260
he's seen lots of things so that gives

2405
01:38:59,379 --> 01:38:56,959
me pause yeah well sort of closing

2406
01:39:01,509 --> 01:38:59,389
things out here Jen mysteries decoded

2407
01:39:03,549 --> 01:39:01,519
we've got half the season is aired we've

2408
01:39:06,100 --> 01:39:03,559
got some more stuff to investigate but

2409
01:39:08,560 --> 01:39:06,110
what are some topics that you'd like to

2410
01:39:11,189 --> 01:39:08,570
cover if if given the opportunity to get

2411
01:39:13,719 --> 01:39:11,199
back out there you know I don't know

2412
01:39:15,669 --> 01:39:13,729
it's just supposed to be a one-off it's

2413
01:39:17,529 --> 01:39:15,679

not supposed to be you know in every

2414

01:39:20,379 --> 01:39:17,539

year sort of show it's supposed to be a

2415

01:39:23,159 --> 01:39:20,389

summer filler but if we were given the

2416

01:39:25,330 --> 01:39:23,169

opportunity to look at anything else

2417

01:39:26,949 --> 01:39:25,340

there's something that's really

2418

01:39:29,589 --> 01:39:26,959

interesting to me that I recently came

2419

01:39:31,419 --> 01:39:29,599

across that I immediately dismissed as

2420

01:39:33,159 --> 01:39:31,429

[h__\h] but the more I look into it I

2421

01:39:36,580 --> 01:39:33,169

said well maybe I should look into this

2422

01:39:39,159 --> 01:39:36,590

and it's whether or not the Titanic

2423

01:39:42,339 --> 01:39:39,169

actually sunk hear me out

2424

01:39:44,560 --> 01:39:42,349

whoa okay there's a thought process that

2425

01:39:47,979 --> 01:39:44,570

there's a theory that it was actually

2426

01:39:51,520 --> 01:39:47,989

the Titanic's sister ship and that it

2427

01:39:53,770 --> 01:39:51,530

was an insurance scheme so there's

2428

01:39:55,600 --> 01:39:53,780

compelling evidence one way that no it

2429

01:39:58,389 --> 01:39:55,610

was the Titanic but there's other things

2430

01:40:00,790 --> 01:39:58,399

that you look at there's the list of the

2431

01:40:03,009 --> 01:40:00,800

ship there was a two degree Lisp to it

2432

01:40:05,019 --> 01:40:03,019

they're listed to it there was a certain

2433

01:40:06,279 --> 01:40:05,029

of portholes on the sistership and a

2434

01:40:08,649 --> 01:40:06,289

certain number of portholes on the

2435

01:40:11,019 --> 01:40:08,659

Titanic so there's several things that

2436

01:40:15,219 --> 01:40:11,029

made me think well maybe I should look

2437

01:40:18,429 --> 01:40:15,229

into this a little closer because the

2438

01:40:21,189 --> 01:40:18,439

captain had been in to maritime

2439

01:40:24,039 --> 01:40:21,199

accidents previously for white star and

2440

01:40:26,829 --> 01:40:24,049

he was still made the captain of the

2441

01:40:28,149 --> 01:40:26,839

Titanic there were sick which to me

2442

01:40:30,789 --> 01:40:28,159

makes no sense from a business

2443

01:40:33,699 --> 01:40:30,799

perspective there were also some very

2444

01:40:36,339 --> 01:40:33,709

quite a tweety high-ranking people in

2445

01:40:39,339 --> 01:40:36,349

society who canceled their tickets right

2446

01:40:42,699 --> 01:40:39,349

before the Titanic took its voyage so

2447

01:40:45,009 --> 01:40:42,709

there is there there are things that

2448

01:40:48,009 --> 01:40:45,019

make me want to look into it whether or

2449

01:40:51,399 --> 01:40:48,019

not it's legitimate I don't know but if

2450

01:40:53,259 --> 01:40:51,409

somebody wants to fund my voyage to go

2451

01:40:58,289 --> 01:40:53,269

see if that's true I would absolutely

2452

01:41:01,599 --> 01:40:58,299

love that Wow I'm I'm with can I go

2453

01:41:04,089 --> 01:41:01,609

it'll be great and you know we didn't do

2454

01:41:05,829 --> 01:41:04,099

it this season because we you know we

2455

01:41:07,599 --> 01:41:05,839

didn't do anything internationally with

2456

01:41:10,839 --> 01:41:07,609

the exception of a Bigfoot and that's

2457

01:41:12,519 --> 01:41:10,849

just up in British Columbia so it is

2458

01:41:14,949 --> 01:41:12,529

really intriguing and whether or not

2459

01:41:18,250 --> 01:41:14,959

it's true or not true it's it's worth

2460

01:41:20,589 --> 01:41:18,260

the look sort of rounding out your

2461

01:41:23,439 --> 01:41:20,599

military career here Jenny you do a lot

2462

01:41:25,659 --> 01:41:23,449

of work with military veterans and again

2463

01:41:27,159 --> 01:41:25,669

like I said I'm a big proponent of this

2464

01:41:29,439 --> 01:41:27,169

as well can you tell us a little about

2465

01:41:32,409 --> 01:41:29,449

your work in this sector and what it

2466

01:41:35,949 --> 01:41:32,419

means to you yeah you know when I left

2467

01:41:38,019 --> 01:41:35,959

the military it was kind of unexpected I

2468

01:41:40,029 --> 01:41:38,029

wasn't planning on leaving and I

2469

01:41:42,849 --> 01:41:40,039

struggled a lot with the transition if

2470

01:41:45,819 --> 01:41:42,859

you can think of all the careers you

2471

01:41:47,259 --> 01:41:45,829

know everybody finds kind of where where

2472

01:41:49,329 --> 01:41:47,269

they're comfortable and I was so

2473

01:41:51,429 --> 01:41:49,339

comfortable in the Navy I loved it I

2474

01:41:53,469 --> 01:41:51,439

wanted to make it a career so when I got

2475

01:41:55,750 --> 01:41:53,479

out the transition was so difficult and

2476

01:41:58,059 --> 01:41:55,760

I was ill on top of that so it was

2477

01:42:01,029 --> 01:41:58,069

really hard and once I got my bearings I

2478

01:42:04,169 --> 01:42:01,039

said you know I want to help my brothers

2479

01:42:07,649 --> 01:42:04,179

and sisters however I can and that

2480

01:42:10,509 --> 01:42:07,659

wasn't just some selfless act that

2481

01:42:12,250 --> 01:42:10,519

active altruism was helpful to me as

2482

01:42:15,279 --> 01:42:12,260

well because it made me feel like I was

2483

01:42:16,750 --> 01:42:15,289

giving back and it filled that hole that

2484

01:42:19,959 --> 01:42:16,760

had been there since I had left

2485

01:42:21,939 --> 01:42:19,969

the service so I volunteer with veterans

2486

01:42:23,680 --> 01:42:21,949

and media and entertainment and I work

2487

01:42:25,000 --> 01:42:23,690

as a mentor to help veterans who are

2488

01:42:28,000 --> 01:42:25,010

coming into the film and television

2489

01:42:30,700 --> 01:42:28,010

arena I volunteer with pin ups for vets

2490

01:42:33,520 --> 01:42:30,710

we dress up as World War 2 era pin-up

2491

01:42:36,189 --> 01:42:33,530

girls and we visit veterans in hospitals

2492

01:42:38,410 --> 01:42:36,199

and nursing homes we dress very modestly

2493

01:42:40,180 --> 01:42:38,420

but very colorful and it's just

2494

01:42:42,640 --> 01:42:40,190

wonderful to go into these rooms of

2495

01:42:44,680 --> 01:42:42,650

veterans who haven't had a visitor sit

2496

01:42:46,839 --> 01:42:44,690

down with them share stories of service

2497

01:42:49,240 --> 01:42:46,849

and just feel that camaraderie again so

2498

01:42:50,830 --> 01:42:49,250

I'm very active in the veteran community

2499

01:42:53,680 --> 01:42:50,840

and I'm very blessed that they've been

2500

01:42:57,100 --> 01:42:53,690

so welcoming to to invite me in and have

2501
01:42:59,649 --> 01:42:57,110
me spend time that's fantastic and I

2502
01:43:02,770 --> 01:42:59,659
mean I've seen the outpour of support

2503
01:43:04,870 --> 01:43:02,780
for you on social networks from the

2504
01:43:07,540 --> 01:43:04,880
military community and I mean no matter

2505
01:43:11,080 --> 01:43:07,550
anyone's thoughts on you know politics

2506
01:43:14,200 --> 01:43:11,090
or or the military it's it is a

2507
01:43:16,299 --> 01:43:14,210
community of people who would literally

2508
01:43:18,759 --> 01:43:16,309
give their lives for one another and

2509
01:43:21,850 --> 01:43:18,769
know that there are ways to still give

2510
01:43:24,189 --> 01:43:21,860
back and show that appreciation I wish

2511
01:43:26,770 --> 01:43:24,199
more civilians would do that

2512
01:43:28,600 --> 01:43:26,780
so is there anywhere we can go to to

2513
01:43:31,270 --> 01:43:28,610

kind of look that stuff up and where

2514

01:43:32,890 --> 01:43:31,280

people could turn to yes so I have a

2515

01:43:35,169 --> 01:43:32,900

couple websites and then I have an

2516

01:43:36,879 --> 01:43:35,179

actual tangible way that listeners can

2517

01:43:38,259 --> 01:43:36,889

help vets because a lot of people say

2518

01:43:40,750 --> 01:43:38,269

thank you for your service which is

2519

01:43:42,430 --> 01:43:40,760

well-meaning but I always tell people do

2520

01:43:44,229 --> 01:43:42,440

you want a tangible way and when I tell

2521

01:43:46,660 --> 01:43:44,239

them they're like absolutely tell me how

2522

01:43:47,549 --> 01:43:46,670

I can do this so the first couple

2523

01:43:52,959 --> 01:43:47,559

websites

2524

01:43:55,990 --> 01:43:52,969

WW pinups for vets comm we have a

2525

01:43:58,419 --> 01:43:56,000

calendar that we sell to fund our 50

2526
01:44:01,089 --> 01:43:58,429
state hospital tour and the calendar has

2527
01:44:03,100 --> 01:44:01,099
female and male veterans in it this year

2528
01:44:05,290 --> 01:44:03,110
it's mainly female we've done ones with

2529
01:44:07,299 --> 01:44:05,300
a with males as well but it's a

2530
01:44:09,490 --> 01:44:07,309
wonderful calendar very modest very

2531
01:44:11,580 --> 01:44:09,500
beautiful and that helps fund our

2532
01:44:15,729 --> 01:44:11,590
mission of getting to visit every state

2533
01:44:17,350 --> 01:44:15,739
I would also say if if you are someone

2534
01:44:20,020 --> 01:44:17,360
in a position where you say I'd like to

2535
01:44:23,319 --> 01:44:20,030
help a veteran the easiest way you can

2536
01:44:25,870 --> 01:44:23,329
do this is by putting on your LinkedIn

2537
01:44:27,609 --> 01:44:25,880
profile that you're willing to mentor a

2538
01:44:29,859 --> 01:44:27,619

veteran who's coming into your field

2539

01:44:30,430 --> 01:44:29,869

because often we get out of the military

2540

01:44:31,960 --> 01:44:30,440

we

2541

01:44:33,940 --> 01:44:31,970

don't know how to make that transition

2542

01:44:36,430 --> 01:44:33,950

let's say you work in Hotel Management

2543

01:44:39,610 --> 01:44:36,440

and somebody's going to school for

2544

01:44:41,800 --> 01:44:39,620

hospitality if they want to follow in

2545

01:44:44,230 --> 01:44:41,810

your footsteps oftentimes they're very

2546

01:44:46,290 --> 01:44:44,240

hesitant to reach out so put it in your

2547

01:44:48,670 --> 01:44:46,300

bio put a couple Asterix by it

2548

01:44:51,400 --> 01:44:48,680

oftentimes that's all it takes veterans

2549

01:44:54,330 --> 01:44:51,410

most of us do not need a hand out but a

2550

01:44:58,540 --> 01:44:54,340

hand up is very very helpful in getting

2551

01:45:00,670 --> 01:44:58,550

reintegrated to civilian life so also if

2552

01:45:04,290 --> 01:45:00,680

you'd like to visit my website Jennifer

2553

01:45:06,910 --> 01:45:04,300

Marshall comm I do some work in Uganda I

2554

01:45:10,060 --> 01:45:06,920

currently sponsored two students to go

2555

01:45:12,400 --> 01:45:10,070

to school one of whom is he was

2556

01:45:14,860 --> 01:45:12,410

abandoned by his parents and so he's an

2557

01:45:16,900 --> 01:45:14,870

orphan and the girl that I sponsor is

2558

01:45:19,900 --> 01:45:16,910

HIV positive they would not be able to

2559

01:45:21,910 --> 01:45:19,910

go to school without sponsorship and it

2560

01:45:24,190 --> 01:45:21,920

really takes a community I have people

2561

01:45:25,900 --> 01:45:24,200

who donate money and because of that

2562

01:45:28,390 --> 01:45:25,910

I've been able to sponsor him for the

2563

01:45:32,800 --> 01:45:28,400

last six years and her for the last

2564

01:45:34,870 --> 01:45:32,810

three so all of that money donated if

2565

01:45:37,210 --> 01:45:34,880

you want to send me a message on my

2566

01:45:41,110 --> 01:45:37,220

website all of that money donated goes

2567

01:45:43,150 --> 01:45:41,120

to their education and making just life

2568

01:45:45,610 --> 01:45:43,160

better for for the kids living in the

2569

01:45:48,820 --> 01:45:45,620

village in Uganda where I volunteer

2570

01:45:51,430 --> 01:45:48,830

that's amazing Jen I mean you're like

2571

01:45:53,860 --> 01:45:51,440

the shining example I was like what one

2572

01:45:55,870 --> 01:45:53,870

can do with this journey we call life

2573

01:45:58,930 --> 01:45:55,880

like you're involved with so many

2574

01:46:01,870 --> 01:45:58,940

different things it's so inspiring I

2575

01:46:04,330 --> 01:46:01,880

just I want to tell people Ryan because

2576

01:46:06,640 --> 01:46:04,340

I know people get overwhelmed you don't

2577

01:46:09,100 --> 01:46:06,650

have to change the world but you can

2578

01:46:11,380 --> 01:46:09,110

change the world for one person yeah

2579

01:46:13,390 --> 01:46:11,390

it's such a good way to look at it yeah

2580

01:46:15,940 --> 01:46:13,400

that makes all the difference to that

2581

01:46:18,330 --> 01:46:15,950

one person and Wow

2582

01:46:21,550 --> 01:46:18,340
