

1
00:00:04,870 --> 00:00:02,910
treating citizens and welcome to unknown

2
00:00:06,300 --> 00:00:04,880
[Music]

3
00:00:24,890 --> 00:00:06,310
[Applause]

4
00:00:27,200 --> 00:00:24,900
[Music]

5
00:00:29,300 --> 00:00:27,210
I'm Jason McClellan I'm here with Ryan

6
00:00:31,430 --> 00:00:29,310
Sprague and Shane herd thanks for

7
00:00:34,220 --> 00:00:31,440
hanging out with us today today we're

8
00:00:36,350 --> 00:00:34,230
having a casual conversation about that

9
00:00:39,020 --> 00:00:36,360
thing that just won't leave the

10
00:00:42,200 --> 00:00:39,030
headlines and that is it the whole storm

11
00:00:43,460 --> 00:00:42,210
area51 business i suspect you already

12
00:00:45,500 --> 00:00:43,470
know what that is

13
00:00:48,410 --> 00:00:45,510

but if you're not familiar with it the

14

00:00:50,150 --> 00:00:48,420

storm area51 thing started as a joke

15

00:00:52,640 --> 00:00:50,160

that this guy named Mattie Roberts

16

00:00:55,520 --> 00:00:52,650

posted the facebook on June 27th of this

17

00:00:58,220 --> 00:00:55,530

year what he did was create an event on

18

00:01:00,470 --> 00:00:58,230

Facebook titled storm area 51 they can't

19

00:01:02,689 --> 00:01:00,480

stop all of us and the description for

20

00:01:04,430 --> 00:01:02,699

the event simply stated we will all meet

21

00:01:07,130 --> 00:01:04,440

up in rural Nevada and coordinate our

22

00:01:09,050 --> 00:01:07,140

parties if we Naruto run we can move

23

00:01:11,510 --> 00:01:09,060

faster than their bullets let's see them

24

00:01:13,160 --> 00:01:11,520

aliens well Roberts has admitted that he

25

00:01:15,230 --> 00:01:13,170

created the event as a joke after

26
00:01:17,330 --> 00:01:15,240
watching area 51 whistleblower bob lazar

27
00:01:19,850 --> 00:01:17,340
and filmmaker jeremy Korb on the Joe

28
00:01:22,510 --> 00:01:19,860
Rogan experience but that didn't stop

29
00:01:24,830 --> 00:01:22,520
the event from spreading like wildfire

30
00:01:27,530 --> 00:01:24,840
millions of people signed up for the

31
00:01:30,800 --> 00:01:27,540
event and media outlets around the world

32
00:01:34,790 --> 00:01:30,810
ran with stories about this storm area51

33
00:01:36,800 --> 00:01:34,800
event who initially before people were

34
00:01:39,920 --> 00:01:36,810
really realizing that this was just a

35
00:01:42,020 --> 00:01:39,930
joke it was even prompting responses

36
00:01:43,970 --> 00:01:42,030
from the military warning against any

37
00:01:47,240 --> 00:01:43,980
attempted action at the secret facility

38
00:01:48,800 --> 00:01:47,250

but many of us rolled our eyes at this

39

00:01:51,620 --> 00:01:48,810

thing from the very beginning and

40

00:01:53,660 --> 00:01:51,630

suspected that if anybody actually

41

00:01:55,580 --> 00:01:53,670

showed up on the date of the supposed

42

00:01:57,230 --> 00:01:55,590

event September 20th

43

00:01:59,330 --> 00:01:57,240

it would just be a few people who would

44

00:02:02,720 --> 00:01:59,340

hang out grab drinks and talk about UFOs

45

00:02:04,580 --> 00:02:02,730

no storming even further some of us

46

00:02:06,530 --> 00:02:04,590

speculated from the start that if

47

00:02:08,690 --> 00:02:06,540

anything materialized with this whole

48

00:02:11,630 --> 00:02:08,700

thing it would just wind up being a

49

00:02:12,530 --> 00:02:11,640

Woodstock type gathering well fast

50

00:02:14,270 --> 00:02:12,540

forward to today

51
00:02:17,540 --> 00:02:14,280
that's essentially what it's become

52
00:02:20,809 --> 00:02:17,550
storm area 51 has become an event called

53
00:02:23,990 --> 00:02:20,819
alien stock and there are spin-off

54
00:02:27,650 --> 00:02:24,000
events to storm area 51 base camp and

55
00:02:30,440 --> 00:02:27,660
peace stock 51 are two of the other

56
00:02:33,709 --> 00:02:30,450
events allegedly taking place on the

57
00:02:37,610 --> 00:02:33,719
same weekend so this thing is a giant

58
00:02:38,280 --> 00:02:37,620
cluster and like I said this thing just

59
00:02:40,679 --> 00:02:38,290
won't get

60
00:02:43,229 --> 00:02:40,689
the headlines I mean just this morning

61
00:02:46,949 --> 00:02:43,239
we're recording this on Saturday and

62
00:02:49,050 --> 00:02:46,959
just this morning HLN did a segment on

63
00:02:51,569 --> 00:02:49,060

storm area 51 and they interviewed

64

00:02:54,209 --> 00:02:51,579

Roberts so I mean we're seeing this in

65

00:02:56,280 --> 00:02:54,219

the headlines every day new details

66

00:02:58,920 --> 00:02:56,290

about the local authorities and the

67

00:03:01,020 --> 00:02:58,930

actions they're taking so what we wanted

68

00:03:03,330 --> 00:03:01,030

to do today is just take off our

69

00:03:05,429 --> 00:03:03,340

journalistic hats and just have a frank

70

00:03:08,699 --> 00:03:05,439

discussion about this thing and share

71

00:03:11,309 --> 00:03:08,709

some of our personal opinions so first

72

00:03:17,309 --> 00:03:11,319

guys are either of you going to any of

73

00:03:22,050 --> 00:03:17,319

these events I was actually going to go

74

00:03:24,809 --> 00:03:22,060

to the storm area 51 base camp then I

75

00:03:27,979 --> 00:03:24,819

was asked to come out there and and

76
00:03:30,869 --> 00:03:27,989
speak at that one Jason but I I

77
00:03:32,909 --> 00:03:30,879
completely forgot to check my calendar

78
00:03:36,929 --> 00:03:32,919
and I'm doing another conference that

79
00:03:38,610 --> 00:03:36,939
exact same weekend so I've been you know

80
00:03:39,479 --> 00:03:38,620
signed on to do this other event for

81
00:03:41,670 --> 00:03:39,489
almost a year now

82
00:03:43,890 --> 00:03:41,680
yeah I've been super excited and stoked

83
00:03:46,159 --> 00:03:43,900
about it I'm meeting like John Tenney

84
00:03:48,240 --> 00:03:46,169
and Nick Redfern for the first time ever

85
00:03:49,800 --> 00:03:48,250
cheryl cost is gonna be there

86
00:03:53,789 --> 00:03:49,810
so I was like I can't I can't I just

87
00:03:57,509 --> 00:03:53,799
can't give it up to go to presumably

88
00:03:59,250 --> 00:03:57,519

what could be a disaster or or on the

89

00:04:01,649 --> 00:03:59,260

flip side it could be something super

90

00:04:03,869 --> 00:04:01,659

big and fun but yeah yeah I was

91

00:04:06,149 --> 00:04:03,879

originally gonna go but yeah I and

92

00:04:07,530 --> 00:04:06,159

unfortunately I can't what about you

93

00:04:11,280 --> 00:04:07,540

Shane are you making the trek out to

94

00:04:14,369 --> 00:04:11,290

area 51 I'm not and I guess my opinion

95

00:04:17,420 --> 00:04:14,379

has been expressed on Facebook

96

00:04:22,800 --> 00:04:17,430

frequently and I basically have said

97

00:04:28,469 --> 00:04:22,810

stay home stay free and you know stay

98

00:04:30,330 --> 00:04:28,479

alive but obviously the the the tenor of

99

00:04:32,460 --> 00:04:30,340

it and everything has changed that was

100

00:04:35,370 --> 00:04:32,470

that was when it was actually storm area

101
00:04:37,200 --> 00:04:35,380
51 however now you know I'd be kind of

102
00:04:40,320 --> 00:04:37,210
cool probably it's gonna probably end up

103
00:04:42,270 --> 00:04:40,330
being a big party who knows but no I'm

104
00:04:44,129 --> 00:04:42,280
not planning on going yeah I think stay

105
00:04:45,960 --> 00:04:44,139
home is some good advice and a lot of

106
00:04:48,209 --> 00:04:45,970
people have been been offering that

107
00:04:49,920 --> 00:04:48,219
advice I know both of you have actually

108
00:04:51,270 --> 00:04:49,930
been to the area you both have been

109
00:04:52,440 --> 00:04:51,280
right there there

110
00:04:54,810 --> 00:04:52,450
deewan and ryan you've been there

111
00:04:58,140 --> 00:04:54,820
recently so for people who aren't

112
00:05:01,320 --> 00:04:58,150
familiar sort of described the area you

113
00:05:02,940 --> 00:05:01,330

know that whole surrounding it it's a

114

00:05:05,550 --> 00:05:02,950

schlep to get out there first of all but

115

00:05:08,970 --> 00:05:05,560

but describe the area around everyone I

116

00:05:10,590 --> 00:05:08,980

mean I I was pretty naive too when I got

117

00:05:13,620 --> 00:05:10,600

out there you know I thought like oh

118

00:05:16,110 --> 00:05:13,630

it's gonna be like a 10 15 20 minute

119

00:05:18,480 --> 00:05:16,120

ride from Las Vegas right little did I

120

00:05:21,420 --> 00:05:18,490

know how far Rachel actually is in a

121

00:05:23,640 --> 00:05:21,430

small town ship I guess you can call it

122

00:05:26,640 --> 00:05:23,650

of Rachel Nevada it's not even a really

123

00:05:28,620 --> 00:05:26,650

a town it's one restaurant bar and a

124

00:05:32,460 --> 00:05:28,630

couple like trailers and tents in the

125

00:05:35,550 --> 00:05:32,470

back but um it it's a long drive man

126
00:05:37,710 --> 00:05:35,560
from any sort of civilization endless

127
00:05:40,980 --> 00:05:37,720
endless desert gorgeous absolutely

128
00:05:43,740 --> 00:05:40,990
beautiful drive but my god I drank two

129
00:05:45,390 --> 00:05:43,750
cups of coffee in Rachel and I had to

130
00:05:47,969 --> 00:05:45,400
get out P at least like four times

131
00:05:50,700 --> 00:05:47,979
before I actually got to anywhere even

132
00:05:53,280 --> 00:05:50,710
resembling a gate I read that that is an

133
00:05:57,810 --> 00:05:53,290
important point right because there is

134
00:06:01,830 --> 00:05:57,820
nothing there there's no gas stations no

135
00:06:03,540 --> 00:06:01,840
hotels no restaurants so ya know if you

136
00:06:05,400 --> 00:06:03,550
have to pee you do have to pull over the

137
00:06:07,469 --> 00:06:05,410
side of the road I mean can I can I add

138
00:06:10,320 --> 00:06:07,479

to Jason you gotta know where you're

139

00:06:13,020 --> 00:06:10,330

going yeah I we drove out to where we

140

00:06:15,150 --> 00:06:13,030

thought the gate was gonna be and we got

141

00:06:17,760 --> 00:06:15,160

lost we had to turn around and go back

142

00:06:20,490 --> 00:06:17,770

for two hours back to Rachel and get

143

00:06:24,060 --> 00:06:20,500

actual directions turn around and go and

144

00:06:26,640 --> 00:06:24,070

that's unlike just you know fumes of gas

145

00:06:29,130 --> 00:06:26,650

at that point so make sure your gas

146

00:06:31,500 --> 00:06:29,140

tanks are full and you have backup

147

00:06:33,300 --> 00:06:31,510

that's all I'm gonna say so you

148

00:06:35,430 --> 00:06:33,310

experienced a to shane with your drive

149

00:06:38,790 --> 00:06:35,440

out there to do surprise you how sparse

150

00:06:40,560 --> 00:06:38,800

it is yeah absolutely it's a it's a good

151

00:06:42,330 --> 00:06:40,570

hour and a half drive or more and it's

152

00:06:46,170 --> 00:06:42,340

it's pretty desolate the whole way and

153

00:06:48,779 --> 00:06:46,180

and remember you know a good portion at

154

00:06:51,300 --> 00:06:48,789

least the last leg of the trek is on the

155

00:06:54,029 --> 00:06:51,310

new nuclear test site than Nevada

156

00:06:57,300 --> 00:06:54,039

nuclear test site well you're not gonna

157

00:06:59,760 --> 00:06:57,310

have civil Asian civilization on it on a

158

00:07:02,100 --> 00:06:59,770

nuclear test site and you go quite a

159

00:07:03,839 --> 00:07:02,110

ways in some really desolate desert and

160

00:07:04,980 --> 00:07:03,849

I mean you know I live in Arizona here

161

00:07:08,460 --> 00:07:04,990

and of course there's plenty

162

00:07:10,830 --> 00:07:08,470

desert but the desert there is really

163

00:07:13,740 --> 00:07:10,840

sparse I mean you barely have any

164

00:07:16,590 --> 00:07:13,750

shrubby at all and you know some

165

00:07:19,470 --> 00:07:16,600

cactus and very little of that even so I

166

00:07:23,790 --> 00:07:19,480

mean this is some really desolate stuff

167

00:07:26,310 --> 00:07:23,800

and that that Trek from I think I went

168

00:07:28,410 --> 00:07:26,320

to the back gate when I went and I would

169

00:07:32,220 --> 00:07:28,420

never have found it if it weren't for I

170

00:07:34,410 --> 00:07:32,230

had stopped at that little oh it's looks

171

00:07:36,000 --> 00:07:34,420

like a Quonset hut and has a big robot

172

00:07:37,920 --> 00:07:36,010

in front that guy I can't remember the

173

00:07:39,990 --> 00:07:37,930

name of it some aliens stopped or

174

00:07:41,730 --> 00:07:40,000

whatever I mean it's a cool kitchy story

175

00:07:44,460 --> 00:07:41,740

absolutely if you're gonna go stop by

176

00:07:47,010 --> 00:07:44,470

there see that guy support him and he

177

00:07:49,290 --> 00:07:47,020

used to work at area 51 and so he was

178

00:07:52,110 --> 00:07:49,300

super informative and very helpful and

179

00:07:53,640 --> 00:07:52,120

he gave us explicit directions and so we

180

00:07:56,820 --> 00:07:53,650

were able to get there you know in a

181

00:07:59,220 --> 00:07:56,830

pretty straight shot but again if you're

182

00:08:02,070 --> 00:07:59,230

going there I mean do not count on any

183

00:08:05,700 --> 00:08:02,080

service whatsoever I mean it there is

184

00:08:07,800 --> 00:08:05,710

nothing there and that little restaurant

185

00:08:09,420 --> 00:08:07,810

that raychel cool little bar and stuff

186

00:08:11,250 --> 00:08:09,430

and Pat she's really sweet and

187

00:08:13,980 --> 00:08:11,260

everything it's a neat little fun

188

00:08:16,050 --> 00:08:13,990

kitschy thing to do but that that is not

189

00:08:18,300 --> 00:08:16,060

going to support thousands of people in

190

00:08:21,390 --> 00:08:18,310

any way shape or form as far as I can

191

00:08:23,520 --> 00:08:21,400

tell yeah I don't know how they're gonna

192

00:08:25,470 --> 00:08:23,530

do that I mean they're expecting

193

00:08:27,150 --> 00:08:25,480

thousands of people to show up to what

194

00:08:30,300 --> 00:08:27,160

is this now we're up to like three

195

00:08:33,420 --> 00:08:30,310

events happening in the vicinity within

196

00:08:34,500 --> 00:08:33,430

40 miles of one one another so I don't

197

00:08:36,570 --> 00:08:34,510

know how they're gonna do it and we

198

00:08:38,430 --> 00:08:36,580

we've already heard like locals being

199

00:08:40,170 --> 00:08:38,440

like yeah come out here we're gonna be

200

00:08:42,900 --> 00:08:40,180

out there with our guns stopping yet

201
00:08:44,640 --> 00:08:42,910
it's not the government military that's

202
00:08:47,280 --> 00:08:44,650
gonna be stopping these people it's

203
00:08:50,880 --> 00:08:47,290
these small communities out there that

204
00:08:52,910 --> 00:08:50,890
are like no we don't watch out yeah it's

205
00:08:55,350 --> 00:08:52,920
really interesting reading the

206
00:08:58,560 --> 00:08:55,360
information on the websites for these

207
00:09:00,750 --> 00:08:58,570
events you know they have the same

208
00:09:02,370 --> 00:09:00,760
advice that you've been offering Ryan to

209
00:09:05,130 --> 00:09:02,380
make sure that you have gas because

210
00:09:06,810 --> 00:09:05,140
there's no gas here make sure you have

211
00:09:10,410 --> 00:09:06,820
your supplies make sure you're prepared

212
00:09:15,360 --> 00:09:10,420
because we have nothing here so that's

213
00:09:17,870 --> 00:09:15,370

there but also fascinating is the town

214

00:09:20,270 --> 00:09:17,880

of Rachel or whatever it's called

215

00:09:22,550 --> 00:09:20,280

you know their own website he's warning

216

00:09:26,510 --> 00:09:22,560

people to stay away and with that very

217

00:09:29,030 --> 00:09:26,520

warning that you know people here aren't

218

00:09:33,170 --> 00:09:29,040

happy about this and they're gonna

219

00:09:34,820 --> 00:09:33,180

defend their property their their that

220

00:09:36,470 --> 00:09:34,830

the town themselves that they're they're

221

00:09:39,140 --> 00:09:36,480

warning people hey look you're gonna be

222

00:09:41,510 --> 00:09:39,150

faced with the landowners here and

223

00:09:43,040 --> 00:09:41,520

they're going to have their guns right

224

00:09:46,430 --> 00:09:43,050

right this is it's a major metropolitan

225

00:09:49,130 --> 00:09:46,440

area where everyone's like oh yeah just

226

00:09:50,870 --> 00:09:49,140

whatever like everyone's property is

227

00:09:52,640 --> 00:09:50,880

everyone's property at least here in New

228

00:09:55,040 --> 00:09:52,650

York like you're on top of one another

229

00:09:57,440 --> 00:09:55,050

but out there they take their land very

230

00:09:59,390 --> 00:09:57,450

seriously think about the the the type

231

00:10:02,840 --> 00:09:59,400

of person who would live in a place like

232

00:10:05,950 --> 00:10:02,850

that imagine it's somebody who is there

233

00:10:10,130 --> 00:10:05,960

for a reason and they want their privacy

234

00:10:12,200 --> 00:10:10,140

yeah we have I live on kind of the

235

00:10:15,020 --> 00:10:12,210

outskirts of Phoenix and there's a place

236

00:10:17,300 --> 00:10:15,030

called New River and just just for for

237

00:10:20,900 --> 00:10:17,310

fun you know on more than one occasion

238

00:10:23,240 --> 00:10:20,910

like the ATF and and you know has to go

239

00:10:26,420 --> 00:10:23,250

out there and they find some prepper guy

240

00:10:28,820 --> 00:10:26,430

and he's got a shed sled dynamite I mean

241

00:10:32,120 --> 00:10:28,830

this is the kind of people who who they

242

00:10:34,820 --> 00:10:32,130

they on purpose live in a very remote

243

00:10:36,980 --> 00:10:34,830

area they don't want people near them

244

00:10:39,680 --> 00:10:36,990

and it's it's as serious as a heart

245

00:10:42,380 --> 00:10:39,690

attack so can you imagine living in that

246

00:10:43,700 --> 00:10:42,390

remote of an area no thanks I'm not

247

00:10:46,310 --> 00:10:43,710

messing with those folks

248

00:10:48,710 --> 00:10:46,320

yeah no and that's smart that's very

249

00:10:51,710 --> 00:10:48,720

smart of you Shane yeah there's no

250

00:10:53,360 --> 00:10:51,720

reason to you so here's something I want

251
00:10:57,800 --> 00:10:53,370
to bring up and and talk about a little

252
00:11:00,500 --> 00:10:57,810
bit and that is the whole aspect of this

253
00:11:04,160 --> 00:11:00,510
generating the hype the hoopla that it

254
00:11:07,310 --> 00:11:04,170
has you know we can't get away from

255
00:11:09,350 --> 00:11:07,320
seeing it in the headlines now we it's

256
00:11:13,010 --> 00:11:09,360
been that way for you know at least a

257
00:11:15,800 --> 00:11:13,020
month now and just prior to that you

258
00:11:18,430 --> 00:11:15,810
know we had this huge momentum where a

259
00:11:21,920 --> 00:11:18,440
lot of people and I don't necessarily

260
00:11:26,510 --> 00:11:21,930
ascribe to this opinion but a lot of

261
00:11:28,370 --> 00:11:26,520
people were celebrating all of the UFO

262
00:11:29,720 --> 00:11:28,380
headlines that we'd seen in mainstream

263
00:11:33,769 --> 00:11:29,730

media

264

00:11:38,210 --> 00:11:33,779

in recent months related to the navy's

265

00:11:41,930 --> 00:11:38,220

UFO videos a tip all that stuff and and

266

00:11:43,430 --> 00:11:41,940

to the stars their television show but

267

00:11:45,650 --> 00:11:43,440

you know a lot of people and the thing i

268

00:11:47,570 --> 00:11:45,660

don't necessarily agree with is that

269

00:11:51,350 --> 00:11:47,580

oh yeah we're finally seeing mainstream

270

00:11:53,990 --> 00:11:51,360

media report on ufos we're seeing an

271

00:11:56,120 --> 00:11:54,000

uptick in the number of stories about

272

00:11:57,710 --> 00:11:56,130

UFOs and you know my position has always

273

00:11:59,810 --> 00:11:57,720

been that there are always stories about

274

00:12:01,250 --> 00:11:59,820

UFOs that's not anything new and yes

275

00:12:04,510 --> 00:12:01,260

media outlets around the world even

276

00:12:07,100 --> 00:12:04,520

mainstream that the main players

277

00:12:10,490 --> 00:12:07,110

constantly write about UFOs it's not not

278

00:12:12,260 --> 00:12:10,500

something new this particular story was

279

00:12:14,329 --> 00:12:12,270

cool because it was coming from official

280

00:12:17,030 --> 00:12:14,339

channels it was about the military about

281

00:12:18,500 --> 00:12:17,040

the navy and about congressional people

282

00:12:20,180 --> 00:12:18,510

being briefed and things like that so

283

00:12:22,280 --> 00:12:20,190

that was all very exciting very very

284

00:12:24,050 --> 00:12:22,290

high level things that seemed to be

285

00:12:27,980 --> 00:12:24,060

happening at a rapid pace that was all

286

00:12:30,260 --> 00:12:27,990

very cool but right after that we get

287

00:12:35,329 --> 00:12:30,270

bombarded with headlines about storm

288

00:12:36,920 --> 00:12:35,339

mary 51 show us them aliens and by the

289

00:12:38,840 --> 00:12:36,930

way we're going to just have a music

290

00:12:42,410 --> 00:12:38,850

festival with a bunch of weirdos in the

291

00:12:44,569 --> 00:12:42,420

desert and i haven't heard those same

292

00:12:47,150 --> 00:12:44,579

people saying hey yeh look the

293

00:12:48,500 --> 00:12:47,160

mainstream media is writing about ufos

294

00:12:51,889 --> 00:12:48,510

and writing about aliens and writing

295

00:12:52,430 --> 00:12:51,899

about area 51 it probably for good

296

00:12:55,370 --> 00:12:52,440

reason

297

00:12:57,050 --> 00:12:55,380

because you know this is making i mean

298

00:12:59,630 --> 00:12:57,060

it's it's a goofy thing it deserves to

299

00:13:02,150 --> 00:12:59,640

be ripped on a bit you've got a bunch of

300

00:13:04,730 --> 00:13:02,160

you know kind of out there people and

301
00:13:06,530 --> 00:13:04,740
you know I love you UFO community I do

302
00:13:08,420 --> 00:13:06,540
but this isn't necessarily the UFO

303
00:13:11,090 --> 00:13:08,430
community right the guy who's starting

304
00:13:13,130 --> 00:13:11,100
this is a young college guys a gamer

305
00:13:14,870 --> 00:13:13,140
it's just like you know like a lot of

306
00:13:18,740 --> 00:13:14,880
people in the general public we're all

307
00:13:22,010 --> 00:13:18,750
yeah UFOs and you know that's cool and

308
00:13:24,079 --> 00:13:22,020
it has its place but you know when we're

309
00:13:27,230 --> 00:13:24,089
coming off of something where UFOs are

310
00:13:29,300 --> 00:13:27,240
finally being taken seriously to now all

311
00:13:32,240 --> 00:13:29,310
the UFO talk is they're a bunch of

312
00:13:34,100 --> 00:13:32,250
wackos going to the desert you know

313
00:13:36,500 --> 00:13:34,110

destroying this tiny town and they're

314

00:13:39,410 --> 00:13:36,510

just gonna get high and have sex with

315

00:13:42,680 --> 00:13:39,420

each other and go yeah man aliens are

316

00:13:47,810 --> 00:13:42,690

cool what do you think that does to the

317

00:13:50,290 --> 00:13:47,820

the perceived momentum for getting UFOs

318

00:13:53,690 --> 00:13:50,300

taken seriously in the general public

319

00:13:57,890 --> 00:13:53,700

well I mean we are our own worst enemies

320

00:14:00,830 --> 00:13:57,900

when it comes to the UFO Kane and I hate

321

00:14:02,270 --> 00:14:00,840

to say that but it's true I mean one

322

00:14:06,410 --> 00:14:02,280

minute we're getting congressional

323

00:14:09,620 --> 00:14:06,420

hearings possibly we're getting really

324

00:14:12,140 --> 00:14:09,630

solid documented things credible things

325

00:14:14,180 --> 00:14:12,150

like what Tom DeLonge has done and then

326

00:14:16,880 --> 00:14:14,190

you know you turn around the next week

327

00:14:18,980 --> 00:14:16,890

and you've got storm area 51 or you've

328

00:14:22,730 --> 00:14:18,990

got the bob lazar story creeping up

329

00:14:25,130 --> 00:14:22,740

again and look I I'm actually on the

330

00:14:27,950 --> 00:14:25,140

side of believing a lot of what Bob

331

00:14:30,080 --> 00:14:27,960

Lazar says but I also can't pretend to

332

00:14:34,970 --> 00:14:30,090

know how much baggage comes with that as

333

00:14:37,190 --> 00:14:34,980

well okay there's so much discredited

334

00:14:39,020 --> 00:14:37,200

stuff that's come out of the Bob Lazar

335

00:14:41,780 --> 00:14:39,030

story which is what most people know

336

00:14:44,750 --> 00:14:41,790

about area 51 not the top secret you

337

00:14:47,920 --> 00:14:44,760

know f-117 s that were made there or you

338

00:14:50,210 --> 00:14:47,930

know Aurora oxcart all that good amazing

339

00:14:51,860 --> 00:14:50,220

technology we created they know the

340

00:14:54,650 --> 00:14:51,870

story about Bob Lazar and reverse

341

00:14:56,750 --> 00:14:54,660

engineered alien technology and I think

342

00:14:59,270 --> 00:14:56,760

it's tough because it just it muddies

343

00:15:01,130 --> 00:14:59,280

the water on everything we've worked so

344

00:15:03,590 --> 00:15:01,140

hard to achieve in the past couple of

345

00:15:07,070 --> 00:15:03,600

years the UFO community and what Tom

346

00:15:09,380 --> 00:15:07,080

DeLonge is done so I'm I'm frustrated by

347

00:15:11,780 --> 00:15:09,390

it I find myself caught right in the

348

00:15:13,370 --> 00:15:11,790

middle of all of it and being excited

349

00:15:15,680 --> 00:15:13,380

one second about you know all these

350

00:15:18,140 --> 00:15:15,690

people going out to area 51 and then the

351

00:15:19,970 --> 00:15:18,150

next minute being like what this is like

352

00:15:22,670 --> 00:15:19,980

five steps backwards from where we were

353

00:15:25,070 --> 00:15:22,680

a year ago so I don't know it's tough

354

00:15:26,690 --> 00:15:25,080

guys I'm a very bipolar on the whole

355

00:15:29,270 --> 00:15:26,700

thing what do you think yeah and that's

356

00:15:31,820 --> 00:15:29,280

a good word for it - it's like a split

357

00:15:35,530 --> 00:15:31,830

personality with ufology right you have

358

00:15:38,390 --> 00:15:35,540

this kitschy pop culture side versus the

359

00:15:40,460 --> 00:15:38,400

scientific very serious side and it is

360

00:15:42,560 --> 00:15:40,470

it's like this dance of one step forward

361

00:15:44,810 --> 00:15:42,570

and two steps back you know and

362

00:15:47,390 --> 00:15:44,820

especially with with the fact that we

363

00:15:51,380 --> 00:15:47,400

aren't we take it serious and when

364

00:15:54,410 --> 00:15:51,390

you've seen this you know accomplishment

365

00:15:56,550 --> 00:15:54,420

of some very serious things taking place

366

00:15:59,610 --> 00:15:56,560

with ufology and

367

00:16:01,619 --> 00:15:59,620

getting an air of credibility both from

368

00:16:04,559 --> 00:16:01,629

the government and front from the media

369

00:16:07,550 --> 00:16:04,569

and and then this comes up and and then

370

00:16:10,650 --> 00:16:07,560

it just it does it kind of smears or

371

00:16:12,689 --> 00:16:10,660

besmirches the reputation of the serious

372

00:16:14,249 --> 00:16:12,699

side for this whole kitchen thing I'm

373

00:16:17,129 --> 00:16:14,259

not saying it was planned or anything

374

00:16:19,439 --> 00:16:17,139

like that it's just this duality that we

375

00:16:21,960 --> 00:16:19,449

constantly have to live with them with

376

00:16:24,389 --> 00:16:21,970

ufology and it's frustrating like you

377

00:16:26,910 --> 00:16:24,399

said Ryan I mean it just it is it's very

378

00:16:28,769 --> 00:16:26,920

irritating in some respects but you know

379

00:16:30,689 --> 00:16:28,779

on the one side you know yeah it is kind

380

00:16:33,869 --> 00:16:30,699

of fun and kitschy and that part may be

381

00:16:35,460 --> 00:16:33,879

like inspires interest mm-hmm especially

382

00:16:37,350 --> 00:16:35,470

you know young people are people who are

383

00:16:39,749 --> 00:16:37,360

not serious and then maybe they

384

00:16:42,239 --> 00:16:39,759

gravitate to the serious side you know

385

00:16:44,819 --> 00:16:42,249

so there's a place for it I suppose but

386

00:16:47,189 --> 00:16:44,829

you know it's just such a difficult

387

00:16:50,100 --> 00:16:47,199

thing to manage and and do so in a way

388

00:16:51,809 --> 00:16:50,110

that you know maintains credibility so I

389

00:16:53,929 --> 00:16:51,819

don't know what we do about it probably

390

00:16:57,269 --> 00:16:53,939

nothing you just got to live with it but

391

00:16:59,910 --> 00:16:57,279

you know it is it's a real factor in

392

00:17:01,829 --> 00:16:59,920

this whole thing yeah I agree and I

393

00:17:04,590 --> 00:17:01,839

share in the frustration it is it is

394

00:17:06,329 --> 00:17:04,600

frustrating but then I have to you know

395

00:17:09,240 --> 00:17:06,339

practice what I preach and and I always

396

00:17:14,850 --> 00:17:09,250

tell people to not get so worked up and

397

00:17:18,029 --> 00:17:14,860

worried about ufology and UFOs in

398

00:17:19,829 --> 00:17:18,039

general and that the poor poor delicate

399

00:17:22,289 --> 00:17:19,839

UFOs right people are always worried

400

00:17:25,139 --> 00:17:22,299

about how the public is going to

401
00:17:27,480 --> 00:17:25,149
perceive UFOs and and you follow Jesus

402
00:17:29,700 --> 00:17:27,490
arrived because negative things like

403
00:17:31,520 --> 00:17:29,710
this happen in the press and so people

404
00:17:34,370 --> 00:17:31,530
will stop taking it seriously and

405
00:17:36,779 --> 00:17:34,380
therefore ufology is going to die and

406
00:17:40,320 --> 00:17:36,789
what I always remind people is that look

407
00:17:42,899 --> 00:17:40,330
we all vote we all agree that there's

408
00:17:44,820 --> 00:17:42,909
substantial evidence for UFOs and

409
00:17:46,740 --> 00:17:44,830
perhaps even that some UFOs are

410
00:17:48,990 --> 00:17:46,750
extraterrestrial in origin and if we

411
00:17:52,500 --> 00:17:49,000
truly believe that the evidence is as

412
00:17:54,360 --> 00:17:52,510
strong as we do then we don't need to

413
00:17:57,029 --> 00:17:54,370

worry about UFOs UFOs are just fine

414

00:17:59,370 --> 00:17:57,039

right they don't they don't need us like

415

00:18:00,560 --> 00:17:59,380

sitting there going oh no my baby don't

416

00:18:02,610 --> 00:18:00,570

hurt my baby

417

00:18:04,560 --> 00:18:02,620

worrying about what other people are

418

00:18:07,020 --> 00:18:04,570

thinking like if they if the evidence is

419

00:18:08,880 --> 00:18:07,030

as strong as we say it is then UFOs and

420

00:18:09,880 --> 00:18:08,890

the study of UFOs is going to be just

421

00:18:12,960 --> 00:18:09,890

fine

422

00:18:15,430 --> 00:18:12,970

but that being said this does you know

423

00:18:18,190 --> 00:18:15,440

sort of encourage that or bring back

424

00:18:20,320 --> 00:18:18,200

that the reason for for the ridicule

425

00:18:22,230 --> 00:18:20,330

factor with UFOs because this is what's

426
00:18:25,540 --> 00:18:22,240
being presented to them they're seeing

427
00:18:28,690 --> 00:18:25,550
these people that's that's what they're

428
00:18:30,700 --> 00:18:28,700
seeing as UFO people and so they see a

429
00:18:32,710 --> 00:18:30,710
bunch of goofballs on TV getting drunk

430
00:18:36,310 --> 00:18:32,720
and swing their hands to music and going

431
00:18:38,770 --> 00:18:36,320
yeah we want to see aliens and they're

432
00:18:40,390 --> 00:18:38,780
all yep that's that's why we don't say

433
00:18:42,310 --> 00:18:40,400
that we believe in UFOs or

434
00:18:44,350 --> 00:18:42,320
extraterrestrials because and that's

435
00:18:46,510 --> 00:18:44,360
what people think that that means I am

436
00:18:48,760 --> 00:18:46,520
and I am NOT just I don't want to be

437
00:18:51,040 --> 00:18:48,770
affiliated with that right and that's

438
00:18:53,560 --> 00:18:51,050

what's frustrating is we know that not

439

00:18:55,360 --> 00:18:53,570

many UFO people are gonna go to this

440

00:19:00,030 --> 00:18:55,370

thing right because they're smart enough

441

00:19:02,140 --> 00:19:00,040

to know a that you know unlike my naive

442

00:19:04,590 --> 00:19:02,150

notion of going out there and not

443

00:19:09,880 --> 00:19:04,600

knowing how far it is from civilization

444

00:19:12,220 --> 00:19:09,890

they know that let's say 10% of what Bob

445

00:19:14,290 --> 00:19:12,230

Lazar said was true that some sort of

446

00:19:17,200 --> 00:19:14,300

alien technology was being worked on

447

00:19:19,330 --> 00:19:17,210

there or there's you know bodies stored

448

00:19:22,420 --> 00:19:19,340

there from Roswell or whatever whatever

449

00:19:24,340 --> 00:19:22,430

we know when area 51 first became known

450

00:19:27,070 --> 00:19:24,350

to the public that crap was moved

451
00:19:28,720 --> 00:19:27,080
somewhere else immediately so for anyone

452
00:19:32,560 --> 00:19:28,730
thinking there's actually anything alien

453
00:19:35,500 --> 00:19:32,570
at area 51 I I tend to err on the side

454
00:19:36,820 --> 00:19:35,510
of maybe at one time but definitely not

455
00:19:39,640 --> 00:19:36,830
when you're going out there on September

456
00:19:42,220 --> 00:19:39,650
20th that stuff was gone a long time ago

457
00:19:43,930 --> 00:19:42,230
or its underground and like that's

458
00:19:46,150 --> 00:19:43,940
that's the other big thing these people

459
00:19:48,310 --> 00:19:46,160
think they're gonna storm a gate I know

460
00:19:50,170 --> 00:19:48,320
we're more into the alien stock field

461
00:19:52,660 --> 00:19:50,180
festival now but you know there's gonna

462
00:19:56,290 --> 00:19:52,670
be some people who actually try to run

463
00:20:00,790 --> 00:19:56,300

onto that base and the first building is

464

00:20:03,160 --> 00:20:00,800

probably what God 16 miles or something

465

00:20:05,650 --> 00:20:03,170

like that from the actual gate so I

466

00:20:07,720 --> 00:20:05,660

think people are in for a very sobering

467

00:20:10,570 --> 00:20:07,730

experience going out there if they're

468

00:20:12,910 --> 00:20:10,580

looking to actually get anything in

469

00:20:15,160 --> 00:20:12,920

terms of information so to see that

470

00:20:17,170 --> 00:20:15,170

there are some educational things going

471

00:20:19,690 --> 00:20:17,180

on out there at this base camp thing

472

00:20:21,370 --> 00:20:19,700

that's I guess that's a plus ya know

473

00:20:22,600 --> 00:20:21,380

yeah I mean they are gonna have lectures

474

00:20:24,549 --> 00:20:22,610

they are gonna have

475

00:20:27,340 --> 00:20:24,559

Jeremie corbels gonna be there screening

476

00:20:30,850 --> 00:20:27,350

his film bob lazar so yeah that stuff is

477

00:20:32,950 --> 00:20:30,860

cool and you know I I really I mean I

478

00:20:34,480 --> 00:20:32,960

know there are plenty of dumb people but

479

00:20:36,370 --> 00:20:34,490

I really don't think anybody's gonna try

480

00:20:38,260 --> 00:20:36,380

to storm anything I think it's all just

481

00:20:40,419 --> 00:20:38,270

a goofy thing and something for them to

482

00:20:43,180 --> 00:20:40,429

latch on to you and pretend to be tough

483

00:20:45,070 --> 00:20:43,190

but just again go out and share UFO

484

00:20:46,570 --> 00:20:45,080

stories and I hope that's that's all it

485

00:20:47,830 --> 00:20:46,580

turns out to be but that being said

486

00:20:49,240 --> 00:20:47,840

you're right there-there is an

487

00:20:50,500 --> 00:20:49,250

educational opportunity here and I'm

488

00:20:53,140 --> 00:20:50,510

glad some of the events are taking

489

00:20:54,400 --> 00:20:53,150

advantage of the Hat but also I think

490

00:20:57,100 --> 00:20:54,410

something huge that will come out of

491

00:20:59,919 --> 00:20:57,110

this for the general public is first of

492

00:21:01,840 --> 00:20:59,929

all is there still a large percentage of

493

00:21:03,880 --> 00:21:01,850

population most likely that still

494

00:21:05,740 --> 00:21:03,890

doesn't realize that area 51 is a real

495

00:21:07,720 --> 00:21:05,750

thing I can't tell you how many times I

496

00:21:10,780 --> 00:21:07,730

get asked so we think about area 51 you

497

00:21:13,090 --> 00:21:10,790

think it's real we know area 51 is real

498

00:21:14,620 --> 00:21:13,100

if you're asking about are there

499

00:21:16,270 --> 00:21:14,630

extraterrestrials there have there been

500

00:21:18,070 --> 00:21:16,280

UFOs there that's another story but

501
00:21:20,169 --> 00:21:18,080
people are still back that that basic

502
00:21:22,600 --> 00:21:20,179
level of not knowing if area 51 is even

503
00:21:24,460 --> 00:21:22,610
real thing but second of all a lot of

504
00:21:27,310 --> 00:21:24,470
people don't know where area 51 is and

505
00:21:29,409 --> 00:21:27,320
hopefully this will have people learn

506
00:21:33,010 --> 00:21:29,419
that area 51 is in Nevada and not in New

507
00:21:34,330 --> 00:21:33,020
Mexico that gets confused a lot so you

508
00:21:37,450 --> 00:21:34,340
know at least people will learn where

509
00:21:39,310 --> 00:21:37,460
area 51 is hopefully but you know I do

510
00:21:42,100 --> 00:21:39,320
think this has a place right I just

511
00:21:45,310 --> 00:21:42,110
think people it should be presented in a

512
00:21:47,500 --> 00:21:45,320
different way not in a we're going to

513
00:21:49,240 --> 00:21:47,510

find out the truth or we're going to

514

00:21:52,299 --> 00:21:49,250

gain any information from the government

515

00:21:54,130 --> 00:21:52,309

by going out there that's clearly not

516

00:21:56,380 --> 00:21:54,140

going to happen and it's a waste of your

517

00:21:58,419 --> 00:21:56,390

time to go to a military base in the

518

00:22:00,070 --> 00:21:58,429

middle of the desert to demand answers

519

00:22:02,890 --> 00:22:00,080

that's not going to happen if you want

520

00:22:05,289 --> 00:22:02,900

to do that go to Washington this however

521

00:22:08,740 --> 00:22:05,299

if you just want to go somewhere and

522

00:22:10,360 --> 00:22:08,750

have a fun time with people who have

523

00:22:12,100 --> 00:22:10,370

similar interests it's just like going

524

00:22:13,630 --> 00:22:12,110

to you a UFO conference I think it's

525

00:22:15,490 --> 00:22:13,640

great and I think people should if they

526

00:22:18,610 --> 00:22:15,500

want to do that and have fun with other

527

00:22:20,770 --> 00:22:18,620

people who like UFOs yeah I was thinking

528

00:22:23,049 --> 00:22:20,780

too not to be such a downer but the

529

00:22:25,150 --> 00:22:23,059

serious side of this I mean first of all

530

00:22:27,760 --> 00:22:25,160

I think there were like 2.2 million

531

00:22:30,580 --> 00:22:27,770

people on Facebook who responded

532

00:22:33,850 --> 00:22:30,590

interests in this and even if 10% of

533

00:22:36,400 --> 00:22:33,860

those people showed up you know that was

534

00:22:39,400 --> 00:22:36,410

one heck of a lot of people right and

535

00:22:43,120 --> 00:22:39,410

the other issue is you know would you

536

00:22:46,270 --> 00:22:43,130

storm Fort Hood Texas would you storm

537

00:22:49,510 --> 00:22:46,280

you know Edwards Air Force Base I mean

538

00:22:54,370 --> 00:22:49,520

the storming of an American military

539

00:22:55,990 --> 00:22:54,380

base is not a good idea I mean I know

540

00:22:58,900 --> 00:22:56,000

they're sort of tongue-in-cheek the

541

00:23:01,060 --> 00:22:58,910

whole Neruda thing and outrun both look

542

00:23:03,159 --> 00:23:01,070

those guys I don't know if you've ever

543

00:23:05,830 --> 00:23:03,169

seen footage of people who do venture

544

00:23:09,880 --> 00:23:05,840

past the signs at area 51

545

00:23:12,340 --> 00:23:09,890

those dudes are not nice they will they

546

00:23:14,350 --> 00:23:12,350

shove a gun in your face they call you

547

00:23:16,480 --> 00:23:14,360

all sorts of names they'll throw you on

548

00:23:18,159 --> 00:23:16,490

the ground they will cuff you they were

549

00:23:21,580 --> 00:23:18,169

I mean this is not a pleasant experience

550

00:23:25,330 --> 00:23:21,590

and in fact they haven't they have shot

551

00:23:28,090 --> 00:23:25,340

people so I mean if you literally if

552

00:23:29,799 --> 00:23:28,100

there were one thousand five thousand

553

00:23:33,220 --> 00:23:29,809

twenty thousand two hundred thousand

554

00:23:35,890 --> 00:23:33,230

people there their force is gonna act

555

00:23:37,630 --> 00:23:35,900

they are gonna protect that military

556

00:23:39,760 --> 00:23:37,640

base and I mean you know this is a

557

00:23:41,680 --> 00:23:39,770

serious side of it I don't know what

558

00:23:44,950 --> 00:23:41,690

they would do but they would not just

559

00:23:46,480 --> 00:23:44,960

say oh okay cool go ahead come on in no

560

00:23:49,210 --> 00:23:46,490

they're gonna take action and that

561

00:23:52,810 --> 00:23:49,220

action is not going to be pleasant so I

562

00:23:55,270 --> 00:23:52,820

mean it is really a quite a foolish

563

00:23:57,310 --> 00:23:55,280

notion to even consider doing such a

564

00:23:58,779 --> 00:23:57,320

thing now I know it's more from that to

565

00:24:01,899 --> 00:23:58,789

the festival but like I think you

566

00:24:03,279 --> 00:24:01,909

mentioned earlier right add a 2.2

567

00:24:06,880 --> 00:24:03,289

million people do you think there might

568

00:24:09,460 --> 00:24:06,890

be 10 plenty a hundred to three hundred

569

00:24:10,390 --> 00:24:09,470

people that maybe don't have quite all

570

00:24:12,130 --> 00:24:10,400

there

571

00:24:14,560 --> 00:24:12,140

you know cards in their deck and they

572

00:24:17,560 --> 00:24:14,570

might try it I think so I think that

573

00:24:21,850 --> 00:24:17,570

might happen and if that's a case that's

574

00:24:24,159 --> 00:24:21,860

gonna be a very ugly ugly smear on not

575

00:24:26,919 --> 00:24:24,169

only the military America but on on

576

00:24:29,860 --> 00:24:26,929

ufology as well if that really were to

577

00:24:33,310 --> 00:24:29,870

happen so I mean you know I really do

578

00:24:35,580 --> 00:24:33,320

fear for people who who might push it

579

00:24:37,990 --> 00:24:35,590

that far now the whole festival thing

580

00:24:40,090 --> 00:24:38,000

that's different hopefully it just stays

581

00:24:44,049 --> 00:24:40,100

on that level and everything is cool but

582

00:24:47,560 --> 00:24:44,059

I mean the reality of attempting to do

583

00:24:48,450 --> 00:24:47,570

such a thing is just crazy and I would

584

00:24:52,200 --> 00:24:48,460

hope that no

585

00:24:55,110 --> 00:24:52,210

dozen I've got to conspiracy theories

586

00:24:57,870 --> 00:24:55,120

for this one guys this this actually

587

00:25:00,510 --> 00:24:57,880

came from a buddy of mine

588

00:25:02,550 --> 00:25:00,520

Alan B Smith do I talk you recently

589

00:25:05,400 --> 00:25:02,560

about this whole event and I actually

590

00:25:08,550 --> 00:25:05,410

the minute he said it he I was like

591

00:25:12,830 --> 00:25:08,560

that's genius I think that this whole

592

00:25:16,020 --> 00:25:12,840

thing is just a way to do a blink 182

593

00:25:17,220 --> 00:25:16,030

reunion show with Tom DeLonge and I

594

00:25:19,680 --> 00:25:17,230

think they're gonna show up to the

595

00:25:21,240 --> 00:25:19,690

festival and blink-182 is gonna get back

596

00:25:23,400 --> 00:25:21,250

together and this is gonna be their

597

00:25:25,410 --> 00:25:23,410

first reunion concert what do you think

598

00:25:26,670 --> 00:25:25,420

Jason I think there's zero chance of

599

00:25:29,490 --> 00:25:26,680

that

600

00:25:32,430 --> 00:25:29,500

zero chance and I'll tell you what I

601
00:25:36,330 --> 00:25:32,440
mean if if this if this were happening

602
00:25:38,040 --> 00:25:36,340
like next year I would maybe entertain

603
00:25:40,860 --> 00:25:38,050
that possibility but because it's

604
00:25:43,860 --> 00:25:40,870
happening in September I mean we're

605
00:25:46,740 --> 00:25:43,870
already in September so not a chance

606
00:25:50,400 --> 00:25:46,750
I mean tom is busy with Angels and

607
00:25:52,350 --> 00:25:50,410
Airwaves tour not gonna very true

608
00:25:55,770 --> 00:25:52,360
although have you seen the latest blink

609
00:25:59,250 --> 00:25:55,780
182 flyer the UF Adamski UFO it's pretty

610
00:26:02,700 --> 00:25:59,260
interesting I I will tell you most blink

611
00:26:04,260 --> 00:26:02,710
182 as posters have UFOs really it's

612
00:26:06,090 --> 00:26:04,270
interesting and I think it's because

613
00:26:07,830 --> 00:26:06,100

they're they're largely fan-made you

614

00:26:10,050 --> 00:26:07,840

know and a lot of people a lot of fans

615

00:26:12,380 --> 00:26:10,060

equate that because they follow tom as

616

00:26:16,170 --> 00:26:12,390

well so that's cool yeah my other

617

00:26:18,390 --> 00:26:16,180

conspiracy is that maybe maybe this will

618

00:26:19,830 --> 00:26:18,400

be like some big air show like we can

619

00:26:22,200 --> 00:26:19,840

finally they're gonna show off all the

620

00:26:24,630 --> 00:26:22,210

things that they've been testing at area

621

00:26:27,990 --> 00:26:24,640

51 for the public who knows maybe we're

622

00:26:30,900 --> 00:26:28,000

gonna see some really cool drones or new

623

00:26:33,480 --> 00:26:30,910

stealth technology a way of giving

624

00:26:35,840 --> 00:26:33,490

transparency to the public finally from

625

00:26:38,580 --> 00:26:35,850

this supposedly black-budget

626
00:26:39,030 --> 00:26:38,590
installation so I don't know that's your

627
00:26:45,660 --> 00:26:39,040
chance

628
00:26:47,640 --> 00:26:45,670
bursting the balloons on this one you

629
00:26:51,720 --> 00:26:47,650
know I I will I will say I I think

630
00:26:53,010 --> 00:26:51,730
there's a high probability that some

631
00:26:56,130 --> 00:26:53,020
drones are gonna get shot down right

632
00:26:57,750 --> 00:26:56,140
with wipes with like yeah like

633
00:27:00,600 --> 00:26:57,760
electrical weapons or something like

634
00:27:01,410 --> 00:27:00,610
that because a lot a lot of morons are

635
00:27:03,090 --> 00:27:01,420
going to have

636
00:27:05,490 --> 00:27:03,100
there and you can't have drones there

637
00:27:08,250 --> 00:27:05,500
they're gonna just take that down so

638
00:27:10,650 --> 00:27:08,260

yeah and they also they I know that they

639

00:27:12,930 --> 00:27:10,660

can hack into your phone the minute

640

00:27:15,510 --> 00:27:12,940

you're like within a certain vicinity so

641

00:27:17,430 --> 00:27:15,520

they can shut down your cameras yeah

642

00:27:21,090 --> 00:27:17,440

they'll shut us down there was one other

643

00:27:22,980 --> 00:27:21,100

thing oh they they have that like sonar

644

00:27:25,440 --> 00:27:22,990

technology where they can actually make

645

00:27:27,480 --> 00:27:25,450

you like sick to your stomach right or

646

00:27:30,240 --> 00:27:27,490

get headaches or migraines so I mean

647

00:27:32,550 --> 00:27:30,250

we're not talking guys on top of hills

648

00:27:34,590 --> 00:27:32,560

with guns shooting at people I honestly

649

00:27:36,960 --> 00:27:34,600

don't think that's what they plan to do

650

00:27:38,850 --> 00:27:36,970

at all I think they're gonna be using

651
00:27:41,550 --> 00:27:38,860
all these other things that they have to

652
00:27:42,930 --> 00:27:41,560
keep people away if they do tend to get

653
00:27:46,530 --> 00:27:42,940
up there that's another big thing is

654
00:27:49,680 --> 00:27:46,540
that back gate chain you know as well as

655
00:27:52,260 --> 00:27:49,690
I do it's her no I'm sorry the front

656
00:27:54,090 --> 00:27:52,270
gate the front gate is not like a little

657
00:27:56,460 --> 00:27:54,100
post that says do not come in here

658
00:27:57,690 --> 00:27:56,470
people could drive right past that thing

659
00:27:59,610 --> 00:27:57,700
without even knowing it

660
00:28:03,480 --> 00:27:59,620
so that could be a problem too if people

661
00:28:05,250 --> 00:28:03,490
don't know where the actual perimeters

662
00:28:08,010 --> 00:28:05,260
are I think they're actually gonna have

663
00:28:10,050 --> 00:28:08,020

people there I mean they've got access

664

00:28:12,810 --> 00:28:10,060

true they've got extra police presence

665

00:28:15,060 --> 00:28:12,820

and extra military presidents good for

666

00:28:16,890 --> 00:28:15,070

that that weekend so I imagine they'll

667

00:28:18,690 --> 00:28:16,900

have people right at the gate which is

668

00:28:19,740 --> 00:28:18,700

ridiculous I mean I think I think they'd

669

00:28:21,270 --> 00:28:19,750

blowing this whole thing out of

670

00:28:23,430 --> 00:28:21,280

proportion I really don't think they

671

00:28:25,650 --> 00:28:23,440

need to have all these people but you

672

00:28:27,810 --> 00:28:25,660

know they've been forced to play it safe

673

00:28:30,800 --> 00:28:27,820

and it's smart and to your point Shane I

674

00:28:33,420 --> 00:28:30,810

mean I do think they'll probably be some

675

00:28:35,910 --> 00:28:33,430

people who don't are playing with all

676

00:28:37,890 --> 00:28:35,920

their cards that might try to do

677

00:28:40,650 --> 00:28:37,900

something but I'm still hopeful I'm

678

00:28:44,130 --> 00:28:40,660

still optimistic that it's not going to

679

00:28:45,900 --> 00:28:44,140

be anything you know so aggressive like

680

00:28:47,430 --> 00:28:45,910

I'm I'm out here with all my guns I'm

681

00:28:50,010 --> 00:28:47,440

gonna march in and I'm gonna take the

682

00:28:52,440 --> 00:28:50,020

place I think it's just gonna be a

683

00:28:54,390 --> 00:28:52,450

handful of dudes who want to feel macho

684

00:28:56,790 --> 00:28:54,400

and they're gonna stand at the gate and

685

00:29:00,060 --> 00:28:56,800

swear it the guards they're gonna turn

686

00:29:01,890 --> 00:29:00,070

around and moon them dance with their

687

00:29:03,150 --> 00:29:01,900

asses out I think that's what will

688

00:29:07,770 --> 00:29:03,160

happen and those guys are get arrested

689

00:29:09,540 --> 00:29:07,780

but hold my beer I do got to tell you

690

00:29:11,250 --> 00:29:09,550

guys about my experience going there

691

00:29:14,280 --> 00:29:11,260

they'll kind of look at a whole drone

692

00:29:15,830 --> 00:29:14,290

thing and in the display of military you

693

00:29:19,280 --> 00:29:15,840

know capable

694

00:29:21,470 --> 00:29:19,290

so go into the back gate you you you

695

00:29:23,390 --> 00:29:21,480

pull out this little highway that that

696

00:29:25,430 --> 00:29:23,400

is going through the mountains and it

697

00:29:28,340 --> 00:29:25,440

kind of snakes and then it takes a

698

00:29:30,460 --> 00:29:28,350

straight shot off to Rachel but where it

699

00:29:33,440 --> 00:29:30,470

kind of snakes out of the mountains you

700

00:29:36,590 --> 00:29:33,450

so you're elevated there's this dirt

701
00:29:38,360 --> 00:29:36,600
road that shoots off the the curvy paved

702
00:29:41,300 --> 00:29:38,370
highway that you're on and it goes

703
00:29:43,370 --> 00:29:41,310
straight for 15 miles in it you know

704
00:29:46,040 --> 00:29:43,380
appears to just dead in into these hills

705
00:29:48,500 --> 00:29:46,050
well that that's the route to the back

706
00:29:51,290 --> 00:29:48,510
gate and it's this big wide gravel dirt

707
00:29:53,330 --> 00:29:51,300
road obviously maintained and that's

708
00:29:55,550 --> 00:29:53,340
where those buses with the employees go

709
00:29:57,170 --> 00:29:55,560
and then go ripping down that thing 60

710
00:29:59,750 --> 00:29:57,180
miles an hour that's why it's so well

711
00:30:02,750 --> 00:29:59,760
groomed and thick heavy gravel and stuff

712
00:30:05,060 --> 00:30:02,760
anyway so my wife and I I just got my

713
00:30:08,510 --> 00:30:05,070

Camaro and it's a convertible and it's

714

00:30:11,240 --> 00:30:08,520

like April and so it's cold but nice out

715

00:30:14,270 --> 00:30:11,250

and anyways we're driving down that road

716

00:30:15,920 --> 00:30:14,280

and again anyway approaching area 51

717

00:30:17,510 --> 00:30:15,930

they're gonna see if for like 15 miles

718

00:30:19,940 --> 00:30:17,520

away right you're a little dust cloud on

719

00:30:22,100 --> 00:30:19,950

your car on this straight road that goes

720

00:30:24,560 --> 00:30:22,110

through this flat valley by the time you

721

00:30:26,630 --> 00:30:24,570

get there that they're ready before me

722

00:30:29,960 --> 00:30:26,640

but anyway so we're in the middle of

723

00:30:32,390 --> 00:30:29,970

that flat Valley I have the top down and

724

00:30:35,780 --> 00:30:32,400

you know clear sky but a few puffy

725

00:30:38,630 --> 00:30:35,790

clouds and all of a sudden were we hear

726

00:30:40,100 --> 00:30:38,640

this plane coming basically military jet

727

00:30:42,470 --> 00:30:40,110

and I don't know if you've ever heard a

728

00:30:45,350 --> 00:30:42,480

military jet versus a commercial but

729

00:30:47,090 --> 00:30:45,360

they're way louder it's like a car with

730

00:30:49,610 --> 00:30:47,100

no muffler and it's just I mean it

731

00:30:52,010 --> 00:30:49,620

rumbles and shakes your guts right and

732

00:30:54,410 --> 00:30:52,020

I'm driving along maybe just 35 miles an

733

00:30:56,390 --> 00:30:54,420

hour and this thing goes over the top of

734

00:30:58,160 --> 00:30:56,400

us and you know just with with the

735

00:31:00,590 --> 00:30:58,170

Doppler effect right you hear it come in

736

00:31:02,780 --> 00:31:00,600

and then it gets over its its loudest

737

00:31:06,500 --> 00:31:02,790

and then it fades away as you go so

738

00:31:10,190 --> 00:31:06,510

anyways we get strafe to buy a jet but

739

00:31:12,200 --> 00:31:10,200

we look up and I have 360-degree view

740

00:31:17,270 --> 00:31:12,210

because the tops down we never saw the

741

00:31:19,040 --> 00:31:17,280

plane but that thing came right over the

742

00:31:21,200 --> 00:31:19,050

top of this and gone kind of like from

743

00:31:23,150 --> 00:31:21,210

the right to the left just shook our

744

00:31:25,130 --> 00:31:23,160

guts right there's no doubt it happened

745

00:31:27,170 --> 00:31:25,140

and we're looking up for this plane and

746

00:31:28,159 --> 00:31:27,180

we never saw it so I don't know if it

747

00:31:30,289 --> 00:31:28,169

was just hi

748

00:31:32,419 --> 00:31:30,299

of altitude or we're just freaked out or

749

00:31:34,220 --> 00:31:32,429

if there was some sort of you know

750

00:31:35,720 --> 00:31:34,230

technology that just didn't allow you

751
00:31:37,519 --> 00:31:35,730
here but there's no doubt was a

752
00:31:40,430 --> 00:31:37,529
conventional airplane and it was a

753
00:31:42,080 --> 00:31:40,440
fighter jet but man that thing I just I

754
00:31:44,810 --> 00:31:42,090
thought that was the coolest darn thing

755
00:31:47,899 --> 00:31:44,820
you know because but what it did is it

756
00:31:49,999 --> 00:31:47,909
said hey we know you're here and we're

757
00:31:51,830 --> 00:31:50,009
doing something about it you know so I

758
00:31:54,560 --> 00:31:51,840
thought that was just fascinating it was

759
00:31:57,169 --> 00:31:54,570
fun but um yes they have technology

760
00:31:59,570 --> 00:31:57,179
there and they can use it and I guess

761
00:32:03,440 --> 00:31:59,580
that's why I brought that up and I had

762
00:32:06,919 --> 00:32:03,450
that experience it was awesome yeah I as

763
00:32:09,889 --> 00:32:06,929

well Shane have audio proof that they

764

00:32:13,519 --> 00:32:09,899

knew that I was coming I can't divulge

765

00:32:16,099 --> 00:32:13,529

it here right now it will be in some

766

00:32:17,840 --> 00:32:16,109

coming up but I can't wait to hear what

767

00:32:20,479 --> 00:32:17,850

you guys think about it I hope it made

768

00:32:22,129 --> 00:32:20,489

it into the show but um it freaked me

769

00:32:24,560 --> 00:32:22,139

out cuz you know I kind of went being

770

00:32:26,840 --> 00:32:24,570

like nothing's gonna happen like yeah

771

00:32:29,330 --> 00:32:26,850

whatever I've seen the videos blah blah

772

00:32:31,909 --> 00:32:29,340

blah we're gonna be safe but I had

773

00:32:34,879 --> 00:32:31,919

something happen while we were in our

774

00:32:38,180 --> 00:32:34,889

vehicle maybe two miles from not even

775

00:32:40,369 --> 00:32:38,190

maybe a mile from the gate audio proof

776

00:32:43,489 --> 00:32:40,379

that they were tracking us and they knew

777

00:32:46,220 --> 00:32:43,499

why we were there who we were it was a

778

00:32:47,570 --> 00:32:46,230

little scary I'm not gonna lie so yeah

779

00:32:50,720 --> 00:32:47,580

yeah they definitely don't mess around

780

00:32:53,930 --> 00:32:50,730

in terms of monitoring people like Jason

781

00:32:55,789 --> 00:32:53,940

said I I have faith in humanity that

782

00:32:57,979 --> 00:32:55,799

people are not going to be stupid enough

783

00:33:03,830 --> 00:32:57,989

to storm that gate I mean someone died

784

00:33:06,229 --> 00:33:03,840

two months ago doing it but you can't

785

00:33:08,749 --> 00:33:06,239

underestimate Instagram and YouTube and

786

00:33:11,239 --> 00:33:08,759

the pressure people will feel to get

787

00:33:14,810 --> 00:33:11,249

that like that one video of them doing

788

00:33:16,460 --> 00:33:14,820

this or whatever so I don't know just go

789

00:33:20,450 --> 00:33:16,470

have fun if you're gonna do it that's

790

00:33:22,700 --> 00:33:20,460

all I have to say yes I'm like no yes I

791

00:33:27,979 --> 00:33:22,710

know an old man just kids having fun be

792

00:33:29,570 --> 00:33:27,989

breezy yeah make good choices yeah I

793

00:33:31,729 --> 00:33:29,580

don't know if you're gonna talk about

794

00:33:33,590 --> 00:33:31,739

this Jason but one one thing about this

795

00:33:35,180 --> 00:33:33,600

whole thing that strikes me and you know

796

00:33:39,310 --> 00:33:35,190

I kind of get into this stuff in my own

797

00:33:42,120 --> 00:33:39,320

head but the political science part of

798

00:33:45,390 --> 00:33:42,130

social media and how

799

00:33:48,870 --> 00:33:45,400

Maddi Roberts you know 22 year old

800

00:33:50,730 --> 00:33:48,880

college student living at home gets on

801
00:33:53,400 --> 00:33:50,740
Facebook so hello this would be cool and

802
00:33:58,140 --> 00:33:53,410
boo-boo-boo-boo and 2.2 million people

803
00:34:02,220 --> 00:33:58,150
are motivated to action I mean that is

804
00:34:06,900 --> 00:34:02,230
that is an unbelievable level of power

805
00:34:08,580 --> 00:34:06,910
that you know I'm sure that makes some

806
00:34:12,030 --> 00:34:08,590
people stay up all night right and

807
00:34:15,000 --> 00:34:12,040
government stuff how how you can make a

808
00:34:17,190 --> 00:34:15,010
call to action to millions of people in

809
00:34:19,500 --> 00:34:17,200
an instant and they respond and you can

810
00:34:22,200 --> 00:34:19,510
communicate and you can organize and dam

811
00:34:25,169 --> 00:34:22,210
you can do something I mean to me that

812
00:34:27,090 --> 00:34:25,179
that's a little freaky I mean it is a

813
00:34:30,060 --> 00:34:27,100

little freaky and a little scary because

814

00:34:32,550 --> 00:34:30,070

you know this this is a fairly harmless

815

00:34:35,369 --> 00:34:32,560

kind of proposition but you know what if

816

00:34:39,690 --> 00:34:35,379

somebody made a call to do something you

817

00:34:41,550 --> 00:34:39,700

know bad and and I mean like I said I'm

818

00:34:43,409 --> 00:34:41,560

sure there's intelligence agencies that

819

00:34:46,409 --> 00:34:43,419

are up all night about this stuff so I

820

00:34:48,869 --> 00:34:46,419

think it's really fascinating from that

821

00:34:50,879 --> 00:34:48,879

standpoint and also just human behavior

822

00:34:55,619 --> 00:34:50,889

and now how people like you were saying

823

00:34:57,390 --> 00:34:55,629

Jason 51 cool but there's a dark side to

824

00:34:59,760 --> 00:34:57,400

that and a you know serious and

825

00:35:03,180 --> 00:34:59,770

dangerous side too so um it just shows

826

00:35:06,060 --> 00:35:03,190

the power of social media and and it for

827

00:35:08,849 --> 00:35:06,070

me it speaks to like what we're doing

828

00:35:11,010 --> 00:35:08,859

now is you know if we're participants in

829

00:35:13,770 --> 00:35:11,020

it do it that we need to be you know

830

00:35:15,570 --> 00:35:13,780

have a sense of responsibility and make

831

00:35:18,960 --> 00:35:15,580

sure that what we're doing it you know

832

00:35:21,810 --> 00:35:18,970

is you know appropriate and responsible

833

00:35:23,310 --> 00:35:21,820

because you know I I would hate to cause

834

00:35:25,440 --> 00:35:23,320

something that would cause someone to

835

00:35:28,740 --> 00:35:25,450

you know do something wrong or bad or

836

00:35:30,599 --> 00:35:28,750

have some terrible experience so you

837

00:35:32,580 --> 00:35:30,609

know I just think it it's a it's a good

838

00:35:34,980 --> 00:35:32,590

life lesson and it's a lesson in in

839

00:35:36,720 --> 00:35:34,990

political science and kind of the modern

840

00:35:38,490 --> 00:35:36,730

world that we live in and the

841

00:35:41,130 --> 00:35:38,500

responsibility that's placed on people

842

00:35:44,099 --> 00:35:41,140

well you know I'm certainly an amateur

843

00:35:45,900 --> 00:35:44,109

with media and and boy you know you've

844

00:35:49,140 --> 00:35:45,910

got to be careful and you got to you

845

00:35:51,780 --> 00:35:49,150

know consider those things yeah I give

846

00:35:54,180 --> 00:35:51,790

Maddie credit I mean he usually could

847

00:35:55,940 --> 00:35:54,190

have just been like this isn't Joe like

848

00:35:58,280 --> 00:35:55,950

you guys are all idiots

849

00:36:00,560 --> 00:35:58,290

like that but he actually like stepped

850

00:36:01,850 --> 00:36:00,570

up I talked to him a couple weeks ago

851
00:36:04,520 --> 00:36:01,860
over the phone

852
00:36:09,080 --> 00:36:04,530
and he's he's definitely scared and

853
00:36:11,270 --> 00:36:09,090
nervous he's also way in over his head

854
00:36:11,840 --> 00:36:11,280
in terms of what he's trying to do with

855
00:36:14,540 --> 00:36:11,850
this thing

856
00:36:17,990 --> 00:36:14,550
but I give him credit for trying to do

857
00:36:21,470 --> 00:36:18,000
something positive um you know get music

858
00:36:23,510 --> 00:36:21,480
have fun educate people um you know if I

859
00:36:26,750 --> 00:36:23,520
were him I'd be like let's get a bunch

860
00:36:29,570 --> 00:36:26,760
of like donate money to these local

861
00:36:30,500 --> 00:36:29,580
charities or or help Rachel I don't know

862
00:36:32,720 --> 00:36:30,510
something like that

863
00:36:35,030 --> 00:36:32,730

um maybe that is what they're gonna do

864

00:36:36,680 --> 00:36:35,040

but the social the social movement

865

00:36:39,020 --> 00:36:36,690

aspect chain I think is really

866

00:36:41,000 --> 00:36:39,030

interesting to like you said within days

867

00:36:43,640 --> 00:36:41,010

this thing went to two million people

868

00:36:46,340 --> 00:36:43,650

the FBI showed up to his house to be

869

00:36:48,620 --> 00:36:46,350

like her intentions with this was just a

870

00:36:51,290 --> 00:36:48,630

joke but we all know how many times

871

00:36:55,520 --> 00:36:51,300

we've heard it was just a joke right I

872

00:36:58,190 --> 00:36:55,530

was real so it's fascinating to think

873

00:37:00,920 --> 00:36:58,200

like this kid had no intention of

874

00:37:05,270 --> 00:37:00,930

actually doing this or even cares about

875

00:37:08,540 --> 00:37:05,280

the UFO community or even you know UFO

876
00:37:10,850 --> 00:37:08,550
transparency or disclosure right he you

877
00:37:14,270 --> 00:37:10,860
know late at night listen to Joe Rogan

878
00:37:17,060 --> 00:37:14,280
and the rest is history so I think it's

879
00:37:19,760 --> 00:37:17,070
really fascinating that you know again

880
00:37:22,940 --> 00:37:19,770
someone comes out of the shadows and

881
00:37:25,540 --> 00:37:22,950
like becomes the face of ufology for a

882
00:37:29,240 --> 00:37:25,550
brief moment in times right I know

883
00:37:32,080 --> 00:37:29,250
usually yeah now it's absolutely insane

884
00:37:34,490 --> 00:37:32,090
but you know again I just hope people

885
00:37:37,300 --> 00:37:34,500
recognize these events for what they are

886
00:37:40,220 --> 00:37:37,310
don't go in with expectations of getting

887
00:37:42,020 --> 00:37:40,230
secret government information or

888
00:37:44,390 --> 00:37:42,030

anything like that if you want to go and

889

00:37:47,150 --> 00:37:44,400

and have a good time and talk about UFOs

890

00:37:49,220 --> 00:37:47,160

with people then more power to you but

891

00:37:50,930 --> 00:37:49,230

as we mentioned from the start

892

00:37:53,690 --> 00:37:50,940

know what you're getting into you visit

893

00:37:54,890 --> 00:37:53,700

the events websites they tell you what

894

00:37:56,540 --> 00:37:54,900

you should bring which is pretty much

895

00:37:59,440 --> 00:37:56,550

everything because there's nothing there

896

00:38:02,270 --> 00:37:59,450

you're not going for a leisurely

897

00:38:04,080 --> 00:38:02,280

vacation in the desert at some you know

898

00:38:05,250 --> 00:38:04,090

nice resort or something there

899

00:38:06,690 --> 00:38:05,260

there's nothing there you're gonna be

900

00:38:11,250 --> 00:38:06,700

camping you're gonna be you're gonna be

901
00:38:12,720 --> 00:38:11,260
roughing it so I mean that I don't know

902
00:38:14,100 --> 00:38:12,730
that I guess that's appealing to some

903
00:38:17,220 --> 00:38:14,110
people to me that sounds pretty awful

904
00:38:19,440 --> 00:38:17,230
but you know if you want sort of a

905
00:38:21,630 --> 00:38:19,450
similar experience you can just go to

906
00:38:23,910 --> 00:38:21,640
the International UFO Congress which is

907
00:38:26,610 --> 00:38:23,920
coming up next week and then you can

908
00:38:28,890 --> 00:38:26,620
stay in a hotel and have restaurants and

909
00:38:32,610 --> 00:38:28,900
bars around you and air conditioning and

910
00:38:35,310 --> 00:38:32,620
a shower and restrooms you know all the

911
00:38:37,590 --> 00:38:35,320
creature comforts so I mean you've got

912
00:38:40,260 --> 00:38:37,600
your options there and Shane will

913
00:38:42,600 --> 00:38:40,270

certainly be at the the UFO Congress off

914

00:38:44,460 --> 00:38:42,610

and on I'll probably be there too so if

915

00:38:46,170 --> 00:38:44,470

you see us say hello and Ryan you

916

00:38:48,390 --> 00:38:46,180

alluded to the event that's keeping you

917

00:38:50,970 --> 00:38:48,400

away from storming area 51 what event is

918

00:38:54,630 --> 00:38:50,980

that I'm really excited it's called the

919

00:38:57,450 --> 00:38:54,640

Michigan UFO contact event the only

920

00:39:00,030 --> 00:38:57,460

reason I signed on for this is because

921

00:39:01,860 --> 00:39:00,040

I'd never met Nick Redfern I've never

922

00:39:04,110 --> 00:39:01,870

met John Tenney and I saw that both

923

00:39:05,790 --> 00:39:04,120

these guys were gonna be there and I

924

00:39:08,580 --> 00:39:05,800

actually reached out to the event

925

00:39:11,730 --> 00:39:08,590

coordinator and begged them if I could

926

00:39:15,090 --> 00:39:11,740

come in and either just like hang out or

927

00:39:16,950 --> 00:39:15,100

cover the event for the podcast but they

928

00:39:19,410 --> 00:39:16,960

were like no come do a talk do anything

929

00:39:20,160 --> 00:39:19,420

so that's the same weekend as storm

930

00:39:23,130 --> 00:39:20,170

area51

931

00:39:25,830 --> 00:39:23,140

september 20th and 21st in Houghton Lake

932

00:39:28,410 --> 00:39:25,840

Michigan so I'm super stoked about that

933

00:39:30,330 --> 00:39:28,420

I'm sure the whole time I'm there we're

934

00:39:32,760 --> 00:39:30,340

gonna be like on our phone seeing what's

935

00:39:34,710 --> 00:39:32,770

going on in Nevada I'm sure it'll be a

936

00:39:37,200 --> 00:39:34,720

big topic of conversation there for sure

937

00:39:38,340 --> 00:39:37,210

oh yeah but if you're if you're in that

938

00:39:40,830 --> 00:39:38,350

area

939

00:39:42,840 --> 00:39:40,840

I don't know I'm biased but I say he's

940

00:39:44,880 --> 00:39:42,850

probably hang hang hang in the area and

941

00:39:48,030 --> 00:39:44,890

check out that event rather than going

942

00:39:51,690 --> 00:39:48,040

to Nevada for storm area 51 just my

943

00:39:53,190 --> 00:39:51,700

opinion yeah well citizens we wrap up

944

00:39:54,750 --> 00:39:53,200

this episode we invite you to come join

945

00:39:57,570 --> 00:39:54,760

us in the rogue planet Facebook group at

946

00:39:59,400 --> 00:39:57,580

facebook.com slash groups / planet we'd

947

00:40:01,770 --> 00:39:59,410

love to hear your your thoughts on the

948

00:40:03,900 --> 00:40:01,780

storm area51 hoopla or anything else

949

00:40:05,340 --> 00:40:03,910

ufo-related that's on your mind you can

950

00:40:07,470 --> 00:40:05,350

always find more episodes of unknown on

951

00:40:09,990 --> 00:40:07,480

Apple podcast stitcher google play I

952

00:40:11,460 --> 00:40:10,000

Heart Radio and YouTube subscribe on

953

00:40:13,110 --> 00:40:11,470

your favorite podcast provider so you're

954

00:40:14,790 --> 00:40:13,120

notified when we publish new episodes

955

00:40:15,810 --> 00:40:14,800

and if you haven't done it already it

956

00:40:17,340 --> 00:40:15,820

would be awesome if you could

957

00:40:19,770 --> 00:40:17,350

a minute and read a review unknown on

958

00:40:21,270 --> 00:40:19,780

your favorite podcast platform you can

959

00:40:22,350 --> 00:40:21,280

always find the show at rogue planet TV

960

00:40:24,750 --> 00:40:22,360

because unknown is a rogue planet

961

00:40:27,210 --> 00:40:24,760

production rogue planet TV is your home

962

00:40:28,590 --> 00:40:27,220

for all the strain big thanks to our

963

00:40:30,060 --> 00:40:28,600

talented friend and fellow rogue planet

964

00:40:32,310 --> 00:40:30,070

Eire caleb hanks for the show's intro

965

00:40:35,070 --> 00:40:32,320

and outro music check out all his work

966

00:40:36,450 --> 00:40:35,080

at the clerk chronicles calm thanks

967

00:40:37,430 --> 00:40:36,460

again for hanging out with us today I'm

968

00:40:40,800 --> 00:40:37,440

Jason McClellan

969

00:40:41,360 --> 00:40:40,810

I'm write spray and I'm Shane herd

970

00:40:43,500 --> 00:40:41,370

Cheers

971

00:40:44,940 --> 00:40:43,510

Dewar's the favorite friends always

972

00:40:46,530 --> 00:40:44,950

treat the UFO subject with the cautious

973

00:40:48,780 --> 00:40:46,540

and responsible skepticism it deserves

974

00:40:51,180 --> 00:40:48,790

question everything have the courage to

975

00:40:52,860 --> 00:40:51,190

form your own opinions keep truth as the

976

00:40:54,870 --> 00:40:52,870

focus of your quest even if the truth

977

00:40:56,630 --> 00:40:54,880

conflicts with your opinions and of
