00:00:11,020 --> 00:00:06,600
we're finally finding out what's going

4
00:00:14,320 --> 00:00:11,030
on we reverse-engineer alien spacecraft

5
00:00:18,230 --> 00:00:14,330
there's no way I missed on that game

6
00:00:21,500 --> 00:00:18,240
mysteries Dakota on Tuesday September 10

7
00:00:23,660 --> 00:00:21,510

8
00:00:27,080 --> 00:00:23,670
Kristofferson that's right

9
00:00:28,820 --> 00:00:27,090
it's another volume of UFO happy hour he

10
00:00:30,290 --> 00:00:28,830
moves forward a little bit you can see

11
00:00:32,299 --> 00:00:30,300
that you can finally see this light

12
00:00:34,490 --> 00:00:32,309
coming down from the ceiling so stands

13
00:00:37,790 --> 00:00:34,500

under this light and the loud booming

14

00:00:41,119 --> 00:00:37,800

voice says what is your age and Alfred

15

00:00:45,590 --> 00:00:41,129

Berto says oh I'll be turning 78 on my

16

00:00:48,529 --> 00:00:45,600

next birthday and the alien beings tell

17

00:01:02,479 --> 00:00:48,539

him you can go you are too old and

18

00:01:05,160 --> 00:01:02,489

infirm for our purpose this is somewhere

19

00:01:25,300 --> 00:01:13,240

[Music]

20

00:01:27,940 --> 00:01:25,310

welcome to another edition of UFO happy

21

00:01:29,920 --> 00:01:27,950

hour and as usual I have with me Rob

22

00:01:32,560 --> 00:01:29,930

Kristofferson the host of the hour

23

00:01:35,380 --> 00:01:32,570

strange skies podcast Rob how you doin

24

00:01:37,420 --> 00:01:35,390

brother I am good I am happy to be back

25

00:01:39,310 --> 00:01:37,430

I don't know why these people will keep

26
00:01:40,990 --> 00:01:39,320
wanting me back but apparently they love

27
00:01:44,820 --> 00:01:41,000
it and you gotta give the people what

28
00:01:47,890 --> 00:01:44,830
they love so I I want a Twitter poll so

29
00:01:49,810 --> 00:01:47,900
suck it whatever else lost yep the

30
00:01:52,480 --> 00:01:49,820
people have spoken they like you fo

31
00:01:54,010 --> 00:01:52,490
happy are the best me too man you do all

32
00:01:59,050 --> 00:01:54,020
the work for these episodes so let's

33
00:02:01,090 --> 00:01:59,060
just be upfront and I get to sit back a

34
00:02:03,250 --> 00:02:01,100
brew with you which is always a really

35
00:02:03,610 --> 00:02:03,260
good time so I got asking what do you

36
00:02:07,109 --> 00:02:03,620
think

37
00:02:14,500 --> 00:02:07,119
well I teased it on the internet and

38
00:02:17,110 --> 00:02:14,510

let's I bought some cans of Labatt Blue

39

00:02:18,760 --> 00:02:17,120

a while back and they've been waiting

40

00:02:21,850 --> 00:02:18,770

for another episode

41

00:02:24,160 --> 00:02:21,860

you fo happy hour so finally got to dust

42

00:02:27,160 --> 00:02:24,170

those bad boys off I'm three beers in at

43

00:02:31,090 --> 00:02:27,170

this point oh this is gonna be fine yeah

44

00:02:33,160 --> 00:02:31,100

it should be oh god you're a man after

45

00:02:35,140 --> 00:02:33,170

my heart Rob Labatt blue one of my

46

00:02:37,150 --> 00:02:35,150

favorites I'm drooling over here I can't

47

00:02:42,250 --> 00:02:37,160

find it in New York man we're not that

48

00:02:44,979 --> 00:02:42,260

far away how like how does New York City

49

00:02:47,920 --> 00:02:44,989

not have this I've seen it in like two

50

00:02:49,930 --> 00:02:47,930

bars and it's in the like way way back

51
00:02:53,229 --> 00:02:49,940
in a dark corner shit's probably not

52
00:02:56,020 --> 00:02:53,239
even refrigerated half the time and it's

53
00:02:58,770 --> 00:02:56,030
hard man there's I you can't find Molson

54
00:03:01,840 --> 00:02:58,780
here to save your life let alone blue so

55
00:03:04,479 --> 00:03:01,850
Molson's practically a no-go it's it

56
00:03:07,150 --> 00:03:04,489
rarely makes it over the border you if

57
00:03:09,310 --> 00:03:07,160
you're a little closer to Canada up and

58
00:03:11,470 --> 00:03:09,320
you know like I could probably go visit

59
00:03:13,270 --> 00:03:11,480
my sister in Ogdensburg and I could

60
00:03:15,460 --> 00:03:13,280
probably get some but yeah it's really

61
00:03:17,710 --> 00:03:15,470
tough it is we're gonna have to get some

62
00:03:19,930 --> 00:03:17,720
of our friends and jabbin eius and a few

63
00:03:23,110 --> 00:03:19,940

others to smuggle that [h__\h] over here

64
00:03:26,229 --> 00:03:23,120
next time yeah come on MJ hook us up man

65
00:03:28,479 --> 00:03:26,239
I know mr. celebrity now mr. mystery

66
00:03:31,180 --> 00:03:28,489
stick coated Mothman yeah I didn't know

67
00:03:32,780 --> 00:03:31,190
he was a Mothman researcher did you no I

68
00:03:34,459 --> 00:03:32,790
did not and

69
00:03:36,559 --> 00:03:34,469
you know what the world needs more

70
00:03:39,649 --> 00:03:36,569
Mothman researcher so I'm down with it

71
00:03:41,990 --> 00:03:39,659
absolutely no I I was so impressed with

72
00:03:44,959 --> 00:03:42,000
with the work he did on that show I

73
00:03:46,670 --> 00:03:44,969
thought it was excellent and we need we

74
00:03:48,830 --> 00:03:46,680
need more people to look at that stuff

75
00:03:50,809 --> 00:03:48,840
you know get more junk eel in the world

76

00:03:52,369 --> 00:03:50,819

I know Helle ours gonna be coming out

77

00:03:54,890 --> 00:03:52,379

with a second season now we're gonna be

78

00:03:57,080 --> 00:03:54,900

looking deeper into all that weird [h__h]

79

00:03:59,179 --> 00:03:57,090

so are you pumped for that oh hell yeah

80

00:04:02,929 --> 00:03:59,189

that trailer they dropped I was just

81

00:04:05,089 --> 00:04:02,939

like wow yeah you could like Greg

82

00:04:07,910 --> 00:04:05,099

Newkirk has seen some [h__h] that's the

83

00:04:10,909 --> 00:04:07,920

best way to put it about that yeah yeah

84

00:04:13,750 --> 00:04:10,919

and you know the fact that the the

85

00:04:17,120 --> 00:04:13,760

emails now continue I just I'm stunned

86

00:04:19,390 --> 00:04:17,130

yeah yeah I am too and I can only

87

00:04:21,170 --> 00:04:19,400

imagine where this seasons going they

88

00:04:23,510 --> 00:04:21,180

announced on Twitter that they were

89

00:04:27,140 --> 00:04:23,520
filming the final portions of it this

90

00:04:30,320 --> 00:04:27,150
weekend so I can't wait yeah I remember

91

00:04:32,810 --> 00:04:30,330
on you know Carl Pfeiffer the director

92

00:04:34,939 --> 00:04:32,820
and filmmaker was in was in here in New

93

00:04:37,159 --> 00:04:34,949
York not too long ago and we we had

94

00:04:39,710 --> 00:04:37,169
dinner and I asked him I'm like so when

95

00:04:41,240 --> 00:04:39,720
when when can we expect more and he just

96

00:04:44,409 --> 00:04:41,250
said flat out he's like when the

97

00:04:48,110 --> 00:04:44,419
phenomenon shows itself again like you

98

00:04:51,560 --> 00:04:48,120
such a perfect answer that's that's so

99

00:04:53,839 --> 00:04:51,570
Carl - it is yes it's so true though man

100

00:04:55,909 --> 00:04:53,849
you can't force these things and they're

101
00:04:58,520 --> 00:04:55,919
on their own journey and path to find

102
00:05:00,620 --> 00:04:58,530
maybe find answers they might never find

103
00:05:02,089 --> 00:05:00,630
answers to all this weird stuff but the

104
00:05:04,129 --> 00:05:02,099
fact that they're documenting it and

105
00:05:06,500 --> 00:05:04,139
doing it independently and on their own

106
00:05:07,550 --> 00:05:06,510
I love it I love it I'm a huge fan I

107
00:05:09,890 --> 00:05:07,560
can't wait for that

108
00:05:12,140 --> 00:05:09,900
you know answers I don't think are

109
00:05:13,760 --> 00:05:12,150
something that is built-in to this

110
00:05:15,740 --> 00:05:13,770
phenomena until like any of this

111
00:05:18,730 --> 00:05:15,750
phenomenon for the most part it's just

112
00:05:23,379 --> 00:05:18,740
something you experience something that

113
00:05:27,050 --> 00:05:23,389

reminds you that your world is not as

114

00:05:32,029 --> 00:05:27,060

familiar as you may think it is and that

115

00:05:33,409 --> 00:05:32,039

there are other nuances to it that's you

116

00:05:35,570 --> 00:05:33,419

know will keep you scratching your head

117

00:05:38,960 --> 00:05:35,580

for a lifetime I'd know people that have

118

00:05:41,480 --> 00:05:38,970

had one or two strange experiences and

119

00:05:43,700 --> 00:05:41,490

it like totally changes their worldview

120

00:05:45,200 --> 00:05:43,710

so if that's what this phenomenon is

121

00:05:46,560 --> 00:05:45,210

doing well it's doing a pretty good job

122

00:05:48,600 --> 00:05:46,570

of it I think so

123

00:05:51,570 --> 00:05:48,610

this whole trickster element to I I

124

00:05:53,520 --> 00:05:51,580

don't care I've told people so many damn

125

00:05:56,280 --> 00:05:53,530

times I don't care if I ever know what

126

00:05:58,200 --> 00:05:56,290

UFOs are or aren't like and I'm the

127

00:05:59,790 --> 00:05:58,210

journey alone and the little nudges

128

00:06:02,490 --> 00:05:59,800

these phenomena give you and be like

129

00:06:06,120 --> 00:06:02,500

haha you thought you knew this [h__h] you

130

00:06:07,980 --> 00:06:06,130

yeah that's love that stuff just when

131

00:06:09,660 --> 00:06:07,990

you think you know something you know

132

00:06:11,100 --> 00:06:09,670

something creeps around the corner and

133

00:06:13,740 --> 00:06:11,110

taps you on the shoulder and says hey

134

00:06:14,670 --> 00:06:13,750

I'm over here come look at me so I love

135

00:06:16,800 --> 00:06:14,680

it I love it

136

00:06:19,260 --> 00:06:16,810

it's sobering to think we may never know

137

00:06:20,610 --> 00:06:19,270

what's out there but I know a lot of the

138

00:06:22,920 --> 00:06:20,620

stories we're gonna talk about tonight a

139

00:06:24,570 --> 00:06:22,930

lot of these people probably will never

140

00:06:27,330 --> 00:06:24,580

know what actually happened to them so I

141

00:06:30,390 --> 00:06:27,340

am stoked to do this with you we've got

142

00:06:33,240 --> 00:06:30,400

some really good stuff lined up we do we

143

00:06:37,620 --> 00:06:33,250

do before we do that though I gotta tell

144

00:06:40,860 --> 00:06:37,630

you what I am drinking yes all right

145

00:06:43,140 --> 00:06:40,870

this is the thousand stars Pilsner from

146

00:06:44,940 --> 00:06:43,150

alewife Brewing Company in the Bronx I

147

00:06:47,310 --> 00:06:44,950

went all the way up to the Bronx to get

148

00:06:50,850 --> 00:06:47,320

this one so this is gonna be that's bold

149

00:06:54,090 --> 00:06:50,860

man no little little white boy going up

150

00:06:56,370 --> 00:06:54,100

into the Bronx it could be a tough

151
00:06:58,380 --> 00:06:56,380
neighborhood man especially if you're

152
00:07:02,550 --> 00:06:58,390
wearing a New York Mets hat in Yankee

153
00:07:05,670 --> 00:07:02,560
Tech oh yeah I've seen what happens you

154
00:07:08,610 --> 00:07:05,680
know my my old man was born in Brooklyn

155
00:07:10,020 --> 00:07:08,620
he grew up on Long Island and every now

156
00:07:12,690 --> 00:07:10,030
and then we'd go back down to Brooklyn

157
00:07:14,190 --> 00:07:12,700
visit the family and yeah I learned

158
00:07:16,920 --> 00:07:14,200
pretty quick you don't wear Mets hat

159
00:07:19,680 --> 00:07:16,930
down nope and vice-versa I live in

160
00:07:22,230 --> 00:07:19,690
Queens I live about maybe 25 minutes

161
00:07:23,820 --> 00:07:22,240
from Citi Field and it's the same here

162
00:07:26,790 --> 00:07:23,830
man you you got a Yankees hat on

163
00:07:28,410 --> 00:07:26,800

anywhere in a 5-mile radius and and that

164

00:07:32,460 --> 00:07:28,420

hats going down the gutter I can tell

165

00:07:33,960 --> 00:07:32,470

you that much oh yeah it's always fun

166

00:07:36,630 --> 00:07:33,970

when they have the other Subway Series

167

00:07:38,670 --> 00:07:36,640

here too my dad comes to town and you

168

00:07:40,650 --> 00:07:38,680

know we'll we'll be on our way to the

169

00:07:42,390 --> 00:07:40,660

Yankees game and I'll bust out all my

170

00:07:45,840 --> 00:07:42,400

Mets stuff and nobody you can't be seen

171

00:07:47,580 --> 00:07:45,850

with that what do you think that's what

172

00:07:50,250 --> 00:07:47,590

happens when you grow up in a Yankees

173

00:07:52,500 --> 00:07:50,260

family and then turn to the one of the

174

00:07:56,100 --> 00:07:52,510

worst teams in history the Mets not so

175

00:07:58,950 --> 00:07:56,110

much the season but um no no this season

176

00:08:00,420 --> 00:07:58,960

you know they're doing pretty good the

177

00:08:02,400 --> 00:08:00,430

this is the

178

00:08:04,710 --> 00:08:02,410

Home Run Derby season because just

179

00:08:06,480 --> 00:08:04,720

everybody slamming them so I know man it

180

00:08:08,820 --> 00:08:06,490

brings me back to like the McGuire days

181

00:08:11,760 --> 00:08:08,830

and Sammy Sosa I'm like all right what

182

00:08:12,960 --> 00:08:11,770

who's who's taking steroids let's look

183

00:08:15,870 --> 00:08:12,970

at this again we got to do another

184

00:08:18,300 --> 00:08:15,880

investigation like our entire team our

185

00:08:21,150 --> 00:08:18,310

entire teams just using right now yeah

186

00:08:25,440 --> 00:08:21,160

yeah yeah it's crazy it's like the the

187

00:08:26,670 --> 00:08:25,450

late 90s all over again it is well I'm

188

00:08:28,350 --> 00:08:26,680

sure we could do a whole episode on

189

00:08:30,630 --> 00:08:28,360

baseball - but that's not what our

190

00:08:32,490 --> 00:08:30,640

audience is here for so I guess we

191

00:08:34,230 --> 00:08:32,500

should talk a little bit UFOs how's that

192

00:08:37,140 --> 00:08:34,240

sound that sounds good man

193

00:08:40,890 --> 00:08:37,150

awesome well we're gonna start with the

194

00:08:42,840 --> 00:08:40,900

most popular thing going on in UFO

195

00:08:45,090 --> 00:08:42,850

conversations right now no I'm not

196

00:08:49,890 --> 00:08:45,100

talking about Tom DeLonge I am talking

197

00:08:52,920 --> 00:08:49,900

about hashtag storm area 51 let's get

198

00:08:54,300 --> 00:08:52,930

the [h__\h] out of the way early what do

199

00:08:56,640 --> 00:08:54,310

you think of all this Rob what do you

200

00:08:58,950 --> 00:08:56,650

think is going to happen not happen what

201
00:09:00,990 --> 00:08:58,960
are your suggestions to anyone out there

202
00:09:05,850 --> 00:09:01,000
who's planning on go into this storm

203
00:09:07,650 --> 00:09:05,860
area 51 on September 20th I honestly

204
00:09:11,340 --> 00:09:07,660
think this is the dumbest thing that I

205
00:09:14,670 --> 00:09:11,350
have ever heard and like this went from

206
00:09:17,340 --> 00:09:14,680
being a joke very quickly to something

207
00:09:20,720 --> 00:09:17,350
serious and then it became like a First

208
00:09:24,060 --> 00:09:20,730
Amendment's right thing and now it's

209
00:09:26,600 --> 00:09:24,070
let's just try to pop off with the

210
00:09:29,040 --> 00:09:26,610
festival or something or two or three

211
00:09:33,290 --> 00:09:29,050
it's free I think we're up to three now

212
00:09:38,190 --> 00:09:33,300
yeah it's very unorganized my advice

213
00:09:41,370 --> 00:09:38,200

would be to let let's just avoid this

214

00:09:44,610 --> 00:09:41,380

this year and next year why don't we

215

00:09:47,310 --> 00:09:44,620

take a year to plan this out so you know

216

00:09:50,670 --> 00:09:47,320

you can find a good location where

217

00:09:52,680 --> 00:09:50,680

people you know want to host it and not

218

00:09:54,960 --> 00:09:52,690

Rachel Nevada how many people live in

219

00:09:57,060 --> 00:09:54,970

Rachel Nevada dude it's not even like a

220

00:09:58,860 --> 00:09:57,070

town they call it a jon ship because

221

00:10:00,600 --> 00:09:58,870

there's so few people I don't know I

222

00:10:02,010 --> 00:10:00,610

couldn't tell you but I could tell you

223

00:10:05,670 --> 00:10:02,020

every single one of those people don't

224

00:10:07,800 --> 00:10:05,680

want you coming there no no and I'm

225

00:10:10,380 --> 00:10:07,810

pretty sure most of the people in the

226

00:10:13,070 --> 00:10:10,390

outlying areas don't want it either just

227

00:10:14,430 --> 00:10:13,080

because most of them are very small

228

00:10:18,269 --> 00:10:14,440

towns

229

00:10:21,780 --> 00:10:18,279

so it's not it's not it's not you know

230

00:10:24,329 --> 00:10:21,790

very good place to host something like

231

00:10:26,129 --> 00:10:24,339

that yeah I would agree I mean they're

232

00:10:27,720 --> 00:10:26,139

expecting thousands of people to show up

233

00:10:28,350 --> 00:10:27,730

and that's just you know that's just a

234

00:10:30,720 --> 00:10:28,360

guess

235

00:10:31,980 --> 00:10:30,730

like honestly nobody knows how many

236

00:10:34,819 --> 00:10:31,990

people are gonna show up to any of these

237

00:10:38,160 --> 00:10:34,829

three events I think it's alien stock

238

00:10:41,730 --> 00:10:38,170

piece stock or some [h__\h] and then

239

00:10:44,490 --> 00:10:41,740

we've got storm area 51 base camp which

240

00:10:46,230 --> 00:10:44,500

Jeremy Korbel is working on and of

241

00:10:49,199 --> 00:10:46,240

course anyone who knows our show or

242

00:10:51,740 --> 00:10:49,209

knows area 51 Jeremy Korbel is now

243

00:10:54,269 --> 00:10:51,750

forever intrinsically linked to that

244

00:10:56,400 --> 00:10:54,279

whether you like it or not a lot of

245

00:10:58,740 --> 00:10:56,410

people don't but um right I gotta hand

246

00:11:00,780 --> 00:10:58,750

the guys some props I talked to him a

247

00:11:05,009 --> 00:11:00,790

couple weeks ago and he is trying to

248

00:11:08,699 --> 00:11:05,019

make this thing as safe as educational

249

00:11:10,949 --> 00:11:08,709

and as worth people's time going out

250

00:11:12,329 --> 00:11:10,959

there but I do agree with you if you're

251

00:11:15,389 --> 00:11:12,339

gonna do something like this

252

00:11:17,579 --> 00:11:15,399

if you're coordinating any sort of thing

253

00:11:20,129 --> 00:11:17,589

that's expecting this many people take a

254

00:11:23,100 --> 00:11:20,139

year to figure this [h__h] out you know it

255

00:11:25,019 --> 00:11:23,110

happened it blew up and of course you

256

00:11:28,139 --> 00:11:25,029

know people are gonna take advantage of

257

00:11:29,819 --> 00:11:28,149

that and get something going but this

258

00:11:32,009 --> 00:11:29,829

this could potentially be really

259

00:11:35,009 --> 00:11:32,019

dangerous just think you know out of

260

00:11:37,740 --> 00:11:35,019

maybe a thousand people show up then

261

00:11:42,629 --> 00:11:37,750

that's being generous 1% of those people

262

00:11:44,129 --> 00:11:42,639

are going to actually be in not good

263

00:11:45,900 --> 00:11:44,139

state of mind and they're actually gonna

264

00:11:47,910 --> 00:11:45,910

try to storm those gates I guarantee it

265

00:11:50,879 --> 00:11:47,920

I get it yeah there's gonna be some

266

00:11:53,340 --> 00:11:50,889

[h__h] who wants that YouTube video or

267

00:11:55,470 --> 00:11:53,350

that Instagram photo of them on the

268

00:11:58,499 --> 00:11:55,480

other side of the gate or you know

269

00:11:59,910 --> 00:11:58,509

Naruto running towards whatever the hell

270

00:12:02,400 --> 00:11:59,920

they expect to see dude there's no

271

00:12:04,170 --> 00:12:02,410

building within like 10 miles of the

272

00:12:07,379 --> 00:12:04,180

actual game so good luck with that

273

00:12:09,360 --> 00:12:07,389

there's gonna be no photos or videos

274

00:12:10,799 --> 00:12:09,370

because they will be confiscated they

275

00:12:13,170 --> 00:12:10,809

will be taken down if you put them up

276

00:12:15,389 --> 00:12:13,180

it's just because it I mean it's a

277

00:12:17,639 --> 00:12:15,399

classified military base there's no way

278

00:12:21,030 --> 00:12:17,649

that you're gonna be able to keep that

279

00:12:22,829 --> 00:12:21,040

for one and and you may be lucky if you

280

00:12:25,679 --> 00:12:22,839

get to keep your life because we already

281

00:12:27,850 --> 00:12:25,689

had one guy try to storm area

282

00:12:29,889 --> 00:12:27,860

what 331 something

283

00:12:32,319 --> 00:12:29,899

like that and he paid for it with his

284

00:12:34,360 --> 00:12:32,329

life so yeah we brought that up I think

285

00:12:36,639 --> 00:12:34,370

on our last UFO happy hour it happened

286

00:12:39,670 --> 00:12:36,649

like the day before or something yeah

287

00:12:42,730 --> 00:12:39,680

yeah that's scary I mean that's the [h__\h]

288

00:12:45,340 --> 00:12:42,740

that happens you get shot dead no I mean

289

00:12:47,920 --> 00:12:45,350

I know I know that the security at the

290

00:12:50,079 --> 00:12:47,930

base is they're well-equipped for this

291

00:12:52,120 --> 00:12:50,089

sort of thing I don't care if you have a

292

00:12:54,430 --> 00:12:52,130

thousand two thousand four thousand

293

00:12:57,430 --> 00:12:54,440

people storm in that gate they will stop

294

00:13:00,069 --> 00:12:57,440

you they have every right to and they

295

00:13:02,199 --> 00:13:00,079

have every resource to do that this is a

296

00:13:04,090 --> 00:13:02,209

black budget high classified military

297

00:13:06,400 --> 00:13:04,100

installation they have more money than

298

00:13:08,650 --> 00:13:06,410

any military base you can possibly think

299

00:13:10,630 --> 00:13:08,660

of so you know they're gonna be doing

300

00:13:12,400 --> 00:13:10,640

everything I was talking to someone

301
00:13:14,410 --> 00:13:12,410
recently who said they've got like these

302
00:13:16,750 --> 00:13:14,420
this technology that can make you sick

303
00:13:19,150 --> 00:13:16,760
to your stomach and link immediately

304
00:13:21,880 --> 00:13:19,160
when you get to a certain area they can

305
00:13:24,460 --> 00:13:21,890
shut down your phones with like the

306
00:13:26,019 --> 00:13:24,470
click of a button we're not talking like

307
00:13:28,540 --> 00:13:26,029
shooting people in the head left and

308
00:13:30,190 --> 00:13:28,550
right like a total firefight going on

309
00:13:33,730 --> 00:13:30,200
we're talking some of the most high-tech

310
00:13:36,490 --> 00:13:33,740
ways of securing the base which needs to

311
00:13:38,620 --> 00:13:36,500
be secured this is a great fence base

312
00:13:40,000 --> 00:13:38,630
they are doing these things there for a

313
00:13:43,569 --> 00:13:40,010

reason whether you think there's aliens

314

00:13:44,920 --> 00:13:43,579

there or not like this is some serious

315

00:13:46,900 --> 00:13:44,930

[h__h] and I think a lot of people don't

316

00:13:49,269 --> 00:13:46,910

really realize that right and if you

317

00:13:52,329 --> 00:13:49,279

really honestly want to know what's that

318

00:13:54,189 --> 00:13:52,339

area 51 there's a couple of sources we

319

00:13:56,199 --> 00:13:54,199

could send you to one go read any

320

00:13:59,439 --> 00:13:56,209

Jacobson's book about it it's pretty

321

00:14:01,810 --> 00:13:59,449

well in depth and it pretty much lays it

322

00:14:03,689 --> 00:14:01,820

out secondly the History Channel

323

00:14:06,400 --> 00:14:03,699

actually produced a documentary about

324

00:14:08,439 --> 00:14:06,410

Lockheed Martin in their skunk works

325

00:14:10,769 --> 00:14:08,449

program and that's basically what was

326

00:14:15,579 --> 00:14:10,779

out there they developed u2 they

327

00:14:18,670 --> 00:14:15,589

developed the f-117 they developed the

328

00:14:21,630 --> 00:14:18,680

sr-71 all out there that's what that

329

00:14:24,519 --> 00:14:21,640

base was designed for I mean the

330

00:14:27,480 --> 00:14:24,529

fascinating enough I mean yeah I mean

331

00:14:30,970 --> 00:14:27,490

they literally put it in a place that is

332

00:14:32,139 --> 00:14:30,980

adjacent to atomic testing I mean I

333

00:14:34,480 --> 00:14:32,149

wouldn't want to go out there

334

00:14:36,460 --> 00:14:34,490

oh man that's another thing I think

335

00:14:40,329 --> 00:14:36,470

people don't realize is there have been

336

00:14:42,069 --> 00:14:40,339

so much so many bombs blown up out there

337

00:14:44,470 --> 00:14:42,079

that I wouldn't even want to get close

338

00:14:47,049 --> 00:14:44,480

to that area and I did people are gonna

339

00:14:49,329 --> 00:14:47,059

see it tomorrow night actually see me at

340

00:14:51,699 --> 00:14:49,339

the gates of area 51 once this episode

341

00:14:53,790 --> 00:14:51,709

airs and I can tell you right now I'm a

342

00:14:58,329 --> 00:14:53,800

little scared I might grow an extra arm

343

00:14:59,439 --> 00:14:58,339

I don't know man everybody everybody

344

00:15:02,439 --> 00:14:59,449

we're gonna need you to keep an eye on

345

00:15:06,160 --> 00:15:02,449

Ryan just like make sure that he's okay

346

00:15:09,460 --> 00:15:06,170

make sure that you know he's not turning

347

00:15:12,369 --> 00:15:09,470

any weird colors or you know he's not

348

00:15:13,809 --> 00:15:12,379

like you know hulking out here like

349

00:15:17,410 --> 00:15:13,819

Bruce Banner

350

00:15:20,519 --> 00:15:17,420

I wish man yeah yeah those days are over

351
00:15:23,769 --> 00:15:20,529
muscular Ryan is gone replaced by a nice

352
00:15:27,610 --> 00:15:23,779
doughy Doughboy over here which that's

353
00:15:29,619 --> 00:15:27,620
what unemployment gets you I was

354
00:15:33,519 --> 00:15:29,629
unemployed once for two years it was not

355
00:15:36,670 --> 00:15:33,529
fun yeah yeah for anyone listening I did

356
00:15:39,429 --> 00:15:36,680
lose my job temporarily I'm going back

357
00:15:41,619 --> 00:15:39,439
to work soon but that's why I have the

358
00:15:45,249 --> 00:15:41,629
time to do these fun episodes of the Rob

359
00:15:50,699 --> 00:15:45,259
so god bless the economy for failing me

360
00:15:56,679 --> 00:15:54,970
anyways yeesh moving on so I gotta ask

361
00:15:59,769 --> 00:15:56,689
you before we move on Rob with this

362
00:16:02,919 --> 00:15:59,779
whole storm area 51 stuff do you think

363
00:16:05,949 --> 00:16:02,929

this is gonna help or harm the UFO field

364

00:16:08,079 --> 00:16:05,959

if there is a UFO field or the UFO

365

00:16:10,449 --> 00:16:08,089

community does this help us or hinder us

366

00:16:14,169 --> 00:16:10,459

I don't think it does either I think

367

00:16:15,610 --> 00:16:14,179

it's just this is something that's kind

368

00:16:20,290 --> 00:16:15,620

of slipped through the cracks it's

369

00:16:22,900 --> 00:16:20,300

really a joke and I don't see really any

370

00:16:25,090 --> 00:16:22,910

sides of the UFO community with the

371

00:16:28,090 --> 00:16:25,100

exception of Jeremy Korbelt himself

372

00:16:30,100 --> 00:16:28,100

really contributing to this like if you

373

00:16:34,150 --> 00:16:30,110

talk to most ufologists they'll tell you

374

00:16:36,040 --> 00:16:34,160

that this is absolutely dumb and you

375

00:16:38,379 --> 00:16:36,050

know they're not really giving it the

376

00:16:40,929 --> 00:16:38,389

time of day that most of the people that

377

00:16:43,419 --> 00:16:40,939

are interested in this are just your

378

00:16:45,389 --> 00:16:43,429

average joes it like it feels like

379

00:16:47,679 --> 00:16:45,399

people are haunted by the fact that

380

00:16:50,590 --> 00:16:47,689

Woodstock did not take place this year

381

00:16:52,449 --> 00:16:50,600

so we're gonna do something else we need

382

00:16:53,439 --> 00:16:52,459

some other stock to happen and there

383

00:16:55,989 --> 00:16:53,449

seems to be

384

00:16:58,269 --> 00:16:55,999

only way to do it but that's a good

385

00:17:00,759 --> 00:16:58,279

point you know I think the UFO community

386

00:17:02,470 --> 00:17:00,769

quote-unquote they're actually smart

387

00:17:05,079 --> 00:17:02,480

enough to not go to this thing because

388

00:17:07,689 --> 00:17:05,089

they know what could happen if you know

389

00:17:10,569 --> 00:17:07,699

they're and they also know that there's

390

00:17:12,309 --> 00:17:10,579

nothing out there I mean leaving Las

391

00:17:15,279 --> 00:17:12,319

Vegas it's like an hour-and-a-half drive

392

00:17:17,529 --> 00:17:15,289

just to get to that gate and I got lost

393

00:17:19,299 --> 00:17:17,539

man I got lost in an hour and a half

394

00:17:21,699 --> 00:17:19,309

into the drive had to turn around go all

395

00:17:24,009 --> 00:17:21,709

the way back to the little alien and get

396

00:17:26,919 --> 00:17:24,019

directions and I almost ran out of gas

397

00:17:29,230 --> 00:17:26,929

on the way there so I could be still out

398

00:17:31,720 --> 00:17:29,240

there deserted dead in the middle of the

399

00:17:34,060 --> 00:17:31,730

desert if I if I didn't have other

400

00:17:36,460 --> 00:17:34,070

people out there to make sure that

401
00:17:37,750 --> 00:17:36,470
didn't happen but everyone going out

402
00:17:40,330 --> 00:17:37,760
there I don't think they're prepared for

403
00:17:43,750 --> 00:17:40,340
this man it's a long-ass trek just to

404
00:17:45,460 --> 00:17:43,760
get out there so yeah yeah yeah whatever

405
00:17:48,460 --> 00:17:45,470
whatever is gonna happen on September

406
00:17:50,950 --> 00:17:48,470
20th I'm interested to see how this all

407
00:17:54,430 --> 00:17:50,960
plays out I have a feeling it's gonna be

408
00:17:56,919 --> 00:17:54,440
a dud to be completely honest and again

409
00:17:58,450 --> 00:17:56,929
Jeremy Korbelt is a friend but I just

410
00:18:00,759 --> 00:17:58,460
think this is way over the heads of

411
00:18:02,529 --> 00:18:00,769
everyone involved including Maddy

412
00:18:04,840 --> 00:18:02,539
Roberts the kid who started all this

413
00:18:06,610 --> 00:18:04,850

thing you know and God bless him he's

414

00:18:09,940 --> 00:18:06,620
trying he's trying to spin this into

415

00:18:11,409 --> 00:18:09,950
some positive fun thing but I think just

416

00:18:13,870 --> 00:18:11,419
like it was a surprise to him that this

417

00:18:16,600 --> 00:18:13,880
thing went viral it's gonna be surprised

418

00:18:19,360 --> 00:18:16,610
at how hard it is to pull something off

419

00:18:21,840 --> 00:18:19,370
with these expectations of thousands of

420

00:18:23,740 --> 00:18:21,850
people coming to Rachel Nevada

421

00:18:26,409 --> 00:18:23,750
especially when the people do not want

422

00:18:28,509 --> 00:18:26,419
them there it's it is it's Woodstock all

423

00:18:30,490 --> 00:18:28,519
over again you know what I think people

424

00:18:33,310 --> 00:18:30,500
should do I think people should protest

425

00:18:34,570 --> 00:18:33,320
this by reading about the Betty and

426

00:18:37,090 --> 00:18:34,580

Barney Hill abduction because it's the

427

00:18:40,539 --> 00:18:37,100

same time this is it's the anniversary

428

00:18:41,980 --> 00:18:40,549

could read about it folks absolutely

429

00:18:45,850 --> 00:18:41,990

that is such a good point I think they

430

00:18:47,799 --> 00:18:45,860

just had the Exeter UFO festival yeah

431

00:18:49,480 --> 00:18:47,809

yeah that is such a good point I know

432

00:18:52,480 --> 00:18:49,490

you've covered Betty and Barney Hill

433

00:18:54,909 --> 00:18:52,490

extensively on your show so please I I

434

00:18:57,970 --> 00:18:54,919

hope people will definitely take your

435

00:18:59,440 --> 00:18:57,980

advice on that but Rob I want to get to

436

00:19:02,139 --> 00:18:59,450

some of the stuff you got going on it

437

00:19:06,610 --> 00:19:02,149

are straight skies is that cool oh yeah

438

00:19:08,890 --> 00:19:06,620

man so this one literally made me

439

00:19:11,500 --> 00:19:08,900

laughs out loud when I heard you were

440

00:19:14,530 --> 00:19:11,510

right in this a recent blog you wrote at

441

00:19:17,010 --> 00:19:14,540

your website it is called don't go to

442

00:19:19,900 --> 00:19:17,020

the greys for your gift wrapping needs

443

00:19:22,720 --> 00:19:19,910

so could you maybe tell us what the

444

00:19:25,720 --> 00:19:22,730

running theme of this post is and maybe

445

00:19:26,410 --> 00:19:25,730

a few examples of what you mean by this

446

00:19:30,340 --> 00:19:26,420

man

447

00:19:32,740 --> 00:19:30,350

sure so last year I did an episode that

448

00:19:35,020 --> 00:19:32,750

was an overview of the abduction

449

00:19:37,150 --> 00:19:35,030

phenomenon I did it with my good friend

450

00:19:41,760 --> 00:19:37,160

rich Adams screenwriter of the Mothman

451
00:19:45,100 --> 00:19:41,770
Prophecies and we started talking about

452
00:19:47,919 --> 00:19:45,110
how sometimes aliens for lack of a

453
00:19:51,430 --> 00:19:47,929
better term [h__\h] up when they're doing

454
00:19:54,330 --> 00:19:51,440
something they mess up you know bringing

455
00:19:58,030 --> 00:19:54,340
a person back sometimes people will be

456
00:19:59,740 --> 00:19:58,040
brought back a mile or two away from

457
00:20:02,710 --> 00:19:59,750
where they were abducted there's a

458
00:20:04,990 --> 00:20:02,720
supposedly one story that was told to a

459
00:20:08,020 --> 00:20:05,000
researcher named John s carpenter that

460
00:20:10,090 --> 00:20:08,030
one person was returned 20 miles away

461
00:20:17,770 --> 00:20:10,100
from where they were abducted in a

462
00:20:20,080 --> 00:20:17,780
nearby town yeah but I mean in in Travis

463
00:20:22,390 --> 00:20:20,090

Waltons case he was I think a couple

464

00:20:26,049 --> 00:20:22,400

miles away from the screams National

465

00:20:28,410 --> 00:20:26,059

Forest the it gets more you know

466

00:20:32,350 --> 00:20:28,420

nefarious from there sometimes these

467

00:20:35,710 --> 00:20:32,360

aliens will take personal items from

468

00:20:38,200 --> 00:20:35,720

people there are some experiences that

469

00:20:41,490 --> 00:20:38,210

report that they have they have jewelry

470

00:20:44,610 --> 00:20:41,500

missing some have reported that

471

00:20:48,900 --> 00:20:44,620

apparently some greys have a thing for

472

00:20:51,549 --> 00:20:48,910

nightgowns apparently this one guy told

473

00:20:53,290 --> 00:20:51,559

John Carpenter that he had to keep

474

00:20:56,950 --> 00:20:53,300

replacing his wife's nightgowns because

475

00:21:00,430 --> 00:20:56,960

he was afraid that she would be seen by

476

00:21:04,750 --> 00:21:00,440

the neighbors floating outside in the

477

00:21:07,180 --> 00:21:04,760

air that you know completely naked wow

478

00:21:09,850 --> 00:21:07,190

that's a that's a possessive husband

479

00:21:15,100 --> 00:21:09,860

right there I guess yeah you know he's

480

00:21:19,630 --> 00:21:15,110

doing good work sometimes when the

481

00:21:20,180 --> 00:21:19,640

aliens bring people back they bring them

482

00:21:22,490 --> 00:21:20,190

back

483

00:21:24,769 --> 00:21:22,500

put them in the wrong place not just

484

00:21:27,710 --> 00:21:24,779

smiles away but just like in the wrong

485

00:21:29,840 --> 00:21:27,720

central location so Terry Lovelace

486

00:21:32,389 --> 00:21:29,850

reported that during the actual devil

487

00:21:33,080 --> 00:21:32,399

stand abduction when they brought him

488

00:21:36,430 --> 00:21:33,090

back

489

00:21:39,440 --> 00:21:36,440

the aliens placed him near their car

490

00:21:41,299 --> 00:21:39,450

when in fact they actually abducted him

491

00:21:43,430 --> 00:21:41,309

from their tent so the aliens had to

492

00:21:45,409 --> 00:21:43,440

come back and move them back into the

493

00:21:50,749 --> 00:21:45,419

tents whoops

494

00:21:52,999 --> 00:21:50,759

and if you read John Mack's abduction

495

00:21:56,269 --> 00:21:53,009

there's this brief little tidbit in

496

00:21:58,730 --> 00:21:56,279

there about this guy who's researching

497

00:22:01,039 --> 00:21:58,740

an abduction and apparently these two

498

00:22:03,289 --> 00:22:01,049

people were abducted at the same time

499

00:22:05,149 --> 00:22:03,299

from two different cars when they were

500

00:22:07,820 --> 00:22:05,159

returned they were returned to the wrong

501
00:22:09,980 --> 00:22:07,830
car each of them saw each other on the

502
00:22:11,960 --> 00:22:09,990
highway as they were driving past each

503
00:22:13,690 --> 00:22:11,970
other and the aliens had to come back

504
00:22:16,759 --> 00:22:13,700
really manned put them in the right cars

505
00:22:19,190 --> 00:22:16,769
oh that just gave me chills actually

506
00:22:21,470 --> 00:22:19,200
could you imagine like driving down the

507
00:22:24,499 --> 00:22:21,480
road and seeing your your own vehicle

508
00:22:28,879 --> 00:22:24,509
being driven by someone else yeah yeah

509
00:22:32,930 --> 00:22:28,889
it's weird and creepy where the si gets

510
00:22:36,610 --> 00:22:32,940
its title from is the account of a woman

511
00:22:40,070 --> 00:22:36,620
named Carol den Hamm and she was in

512
00:22:43,580 --> 00:22:40,080
abductor she lived I must say in

513
00:22:46,789 --> 00:22:43,590

Massachusetts I think and basically she

514

00:22:50,539 --> 00:22:46,799

had had experiences her entire life this

515

00:22:52,669 --> 00:22:50,549

was in January of like 92 91 92

516

00:22:56,180 --> 00:22:52,679

somewhere around there and she had gone

517

00:22:59,899 --> 00:22:56,190

to a company Christmas party she was

518

00:23:01,879 --> 00:22:59,909

returning and with her in her truck she

519

00:23:04,399 --> 00:23:01,889

was returning to a farm that she worked

520

00:23:08,110 --> 00:23:04,409

on she had this gift raft package of

521

00:23:10,610 --> 00:23:08,120

cookies and lake fruitcake and she

522

00:23:14,509 --> 00:23:10,620

recognized the signs that she was about

523

00:23:16,700 --> 00:23:14,519

to get abducted and in one moment you

524

00:23:18,230 --> 00:23:16,710

know there was just a sprite light and

525

00:23:21,320 --> 00:23:18,240

in the next moment she's in her cab

526

00:23:23,180 --> 00:23:21,330

everything's all messed up and then

527

00:23:26,389 --> 00:23:23,190

there's papers all over the cab of the

528

00:23:29,600 --> 00:23:26,399

truck and she looks down at the package

529

00:23:33,590 --> 00:23:29,610

and she realizes that it's been poorly

530

00:23:34,070 --> 00:23:33,600

rewrapped by the grace it sounds like me

531

00:23:36,230 --> 00:23:34,080

at Chris

532

00:23:37,940 --> 00:23:36,240

I used to volunteer at our mall to wrap

533

00:23:42,279 --> 00:23:37,950

presents and people would just be like

534

00:23:46,130 --> 00:23:42,289

uh I think I'll go somewhere else

535

00:23:47,840 --> 00:23:46,140

Wow that's see this is this is what's

536

00:23:50,029 --> 00:23:47,850

amazing to me and I'm so glad that you

537

00:23:52,070 --> 00:23:50,039

were able to like cherry pick all these

538

00:23:54,590 --> 00:23:52,080

stories out of different abduction

539

00:23:57,259 --> 00:23:54,600

researchers work because the they happen

540

00:23:59,240 --> 00:23:57,269

I mean we know people have been returned

541

00:24:02,659 --> 00:23:59,250

in different clothes that weren't theirs

542

00:24:05,539 --> 00:24:02,669

or clothes were inside out and just like

543

00:24:09,379 --> 00:24:05,549

small things like that it's it's so

544

00:24:12,049 --> 00:24:09,389

interesting yeah and I mean there are

545

00:24:14,930 --> 00:24:12,059

things that aliens seem to be puzzled by

546

00:24:17,360 --> 00:24:14,940

that you know to the average person like

547

00:24:20,180 --> 00:24:17,370

are really everyday items that we use

548

00:24:22,580 --> 00:24:20,190

like there's one situation in which the

549

00:24:25,370 --> 00:24:22,590

aliens bringing back this one woman

550

00:24:29,029 --> 00:24:25,380

didn't understand how the blankets on

551

00:24:31,960 --> 00:24:29,039

her bed were used hmm so they just

552

00:24:35,990 --> 00:24:31,970

draped them around her neck oh my god

553

00:24:38,149 --> 00:24:36,000

the funny thing was is that she was at

554

00:24:39,860 --> 00:24:38,159

this UFO conference and her roommate was

555

00:24:42,139 --> 00:24:39,870

in the room with her and she watched the

556

00:24:44,629 --> 00:24:42,149

whole thing and she's just talking about

557

00:24:48,769 --> 00:24:44,639

like they seem confused and frustrated

558

00:24:51,110 --> 00:24:48,779

by how the blankets right yet they can

559

00:24:52,879 --> 00:24:51,120

travel you know hundreds of millions of

560

00:24:54,680 --> 00:24:52,889

light-years to get to our planet but

561

00:24:58,789 --> 00:24:54,690

that's what always fascinates me with

562

00:25:01,100 --> 00:24:58,799

these conundrums of the greys yeah it

563

00:25:03,950 --> 00:25:01,110

almost really makes them kind of human

564

00:25:06,740 --> 00:25:03,960

just yeah don't understand how things

565

00:25:07,220 --> 00:25:06,750

work but you know we'll give it our best

566

00:25:09,740 --> 00:25:07,230

shot

567

00:25:12,230 --> 00:25:09,750

right right I mean it's kind of like you

568

00:25:14,690 --> 00:25:12,240

know I'm I'm good at some stuff and I'm

569

00:25:17,360 --> 00:25:14,700

completely horrible at others I mean you

570

00:25:19,580 --> 00:25:17,370

asked me to add two and two and I'm

571

00:25:23,330 --> 00:25:19,590

clueless but you want me to write a

572

00:25:25,340 --> 00:25:23,340

soliloquy of Shakespearean you know

573

00:25:28,639 --> 00:25:25,350

dialogue I'll do it I'll do it for you

574

00:25:31,070 --> 00:25:28,649

like on the spot so you know it's just

575

00:25:33,799 --> 00:25:31,080

like humans we all have our own set of

576

00:25:35,539 --> 00:25:33,809

skills and traits so maybe the greys are

577

00:25:37,730 --> 00:25:35,549

the same we think of them as these drone

578

00:25:38,750 --> 00:25:37,740

like things but maybe they're more human

579

00:25:41,450 --> 00:25:38,760

than we think

580

00:25:44,570 --> 00:25:41,460

maybe you know maybe lends credence to

581

00:25:47,210 --> 00:25:44,580

this these theories that you know these

582

00:25:50,169 --> 00:25:47,220

are humans from the future and like this

583

00:25:53,470 --> 00:25:50,179

not something this is an old idea

584

00:25:56,899 --> 00:25:53,480

because if you go back into the late

585

00:25:58,520 --> 00:25:56,909

1800s there were people postulating what

586

00:26:01,940 --> 00:25:58,530

the humans of the future would look like

587

00:26:05,539 --> 00:26:01,950

and a lot of them had really bulbous

588

00:26:08,570 --> 00:26:05,549

heads and some of them kind of walked on

589

00:26:11,240 --> 00:26:08,580

you know four legs almost kind of

590

00:26:14,000 --> 00:26:11,250

reverting to like the the man and the

591

00:26:15,320 --> 00:26:14,010

trees and kind of stuff like that but if

592

00:26:17,120 --> 00:26:15,330

you do look at that

593

00:26:20,090 --> 00:26:17,130

there's an interesting account I can't

594

00:26:23,029 --> 00:26:20,100

remember the guys name but he wrote this

595

00:26:25,940 --> 00:26:23,039

account after being in a coma for a few

596

00:26:27,950 --> 00:26:25,950

years and he talked about seeing man in

597

00:26:33,049 --> 00:26:27,960

the future and kind of looked a little

598

00:26:36,230 --> 00:26:33,059

bit like the Grace HG Wells also kind of

599

00:26:37,100 --> 00:26:36,240

toyed with this idea in a satirical work

600

00:26:40,520 --> 00:26:37,110

called

601
00:26:42,680 --> 00:26:40,530
Man of the Year million and a few Google

602
00:26:44,690 --> 00:26:42,690
pictures of what man of the year million

603
00:26:47,930 --> 00:26:44,700
looked like kind of looks like a gray on

604
00:26:50,390 --> 00:26:47,940
all fours there is there's a an incident

605
00:26:52,010 --> 00:26:50,400
I came across Rob this one's pretty

606
00:26:54,440 --> 00:26:52,020
funny this comes from Mike Lowen the owl

607
00:26:56,419 --> 00:26:54,450
guy do you know Mike's work I do know

608
00:27:00,080 --> 00:26:56,429
Mike's work yes yeah he lives not too

609
00:27:02,360 --> 00:27:00,090
far from you actually he lives the the

610
00:27:05,350 --> 00:27:02,370
doctors in is in my hometown oh yeah I

611
00:27:08,270 --> 00:27:05,360
think you mentioned that yeah yeah it's

612
00:27:09,680 --> 00:27:08,280
yeah and then you know some aliens

613
00:27:12,710 --> 00:27:09,690

showed up there or you were there one

614

00:27:15,649 --> 00:27:12,720

weekend and you know my hometown has

615

00:27:20,779 --> 00:27:15,659

never been the same since sorry about

616

00:27:23,120 --> 00:27:20,789

that I'll never return will Mike told in

617

00:27:26,690 --> 00:27:23,130

his first book the messengers this

618

00:27:29,899 --> 00:27:26,700

really funny story almost heartwarming

619

00:27:32,419 --> 00:27:29,909

where a woman a multiple abductee she

620

00:27:33,649 --> 00:27:32,429

been abducted all her life she was you

621

00:27:35,539 --> 00:27:33,659

know putting her kids to bed one night

622

00:27:37,310 --> 00:27:35,549

and getting ready to go to sleep and

623

00:27:40,370 --> 00:27:37,320

she's on the ground level of her house

624

00:27:43,520 --> 00:27:40,380

and she looks out the window and she

625

00:27:47,299 --> 00:27:43,530

sees a gray staring at her from the

626
00:27:49,279 --> 00:27:47,309
window and the gray runs away from the

627
00:27:52,159 --> 00:27:49,289
window she can see it like running away

628
00:27:56,120 --> 00:27:52,169
so she goes outside and she's like hey I

629
00:27:59,120 --> 00:27:56,130
see you and the gray turns around looks

630
00:28:00,980 --> 00:27:59,130
at her and not telepathically like she

631
00:28:04,280 --> 00:28:00,990
could see its mouth moving and it just

632
00:28:07,190 --> 00:28:04,290
goes owl owl owl owl owl it was

633
00:28:11,150 --> 00:28:07,200
trying to screen memory itself into an

634
00:28:13,160 --> 00:28:11,160
owl couldn't do it she's staring at this

635
00:28:17,000 --> 00:28:13,170
gray outside and it's just looking at

636
00:28:18,620 --> 00:28:17,010
her going ow ow ow ow could it do it for

637
00:28:20,660 --> 00:28:18,630
some reason it could not implant this

638
00:28:22,310 --> 00:28:20,670

screen memory into her head of what

639

00:28:25,340 --> 00:28:22,320

you're looking at is actually an owl not

640

00:28:27,320 --> 00:28:25,350

a gray alien so I mean that gray [h__h]

641

00:28:30,169 --> 00:28:27,330

up probably got demoted that day and

642

00:28:32,810 --> 00:28:30,179

didn't get to do the abduction so yeah

643

00:28:35,390 --> 00:28:32,820

you know he's probably one of those

644

00:28:36,799 --> 00:28:35,400

crazed that's you know just hanging

645

00:28:39,380 --> 00:28:36,809

around waiting to do something around

646

00:28:47,240 --> 00:28:39,390

the table or something right right oh

647

00:28:49,310 --> 00:28:47,250

let me please let me try let me try I

648

00:28:50,840 --> 00:28:49,320

hope he was able to finally scream

649

00:28:52,340 --> 00:28:50,850

memory someone abduct them and

650

00:28:58,130 --> 00:28:52,350

traumatize them for the rest of their

651
00:29:00,380 --> 00:28:58,140
lives yeah that's all you can ask for in

652
00:29:01,910 --> 00:29:00,390
an alien abduction really I know I know

653
00:29:04,549 --> 00:29:01,920
and I know we're making light of it but

654
00:29:06,049 --> 00:29:04,559
I do you know have all the empathy in

655
00:29:10,880 --> 00:29:06,059
the world for people who suffer these

656
00:29:14,330 --> 00:29:10,890
experiences but absolutely is yelling

657
00:29:17,060 --> 00:29:14,340
owl at you yeah you you can't help but

658
00:29:19,250 --> 00:29:17,070
laugh when aliens just screw up exactly

659
00:29:21,230 --> 00:29:19,260
well I know you have a bunch of other

660
00:29:23,780 --> 00:29:21,240
examples in that article so I definitely

661
00:29:25,850 --> 00:29:23,790
suggest people check out that one over

662
00:29:29,150 --> 00:29:25,860
at your website our strange skies calm

663
00:29:31,430 --> 00:29:29,160

all right man so let's move on to your

664

00:29:34,549 --> 00:29:31,440

one of your latest episodes that I was

665

00:29:36,830 --> 00:29:34,559

listening to titled harm from above part

666

00:29:39,530 --> 00:29:36,840

one this is great we're gonna get a part

667

00:29:42,590 --> 00:29:39,540

two which you cover why UFOs may be

668

00:29:44,120 --> 00:29:42,600

hostile and you gave a few examples so

669

00:29:45,919 --> 00:29:44,130

some wonder and maybe what you might

670

00:29:49,960 --> 00:29:45,929

teasing a little of this episode for us

671

00:29:53,630 --> 00:29:49,970

so I've been on a Brazil kick lately

672

00:29:56,750 --> 00:29:53,640

mostly because their cases are so out of

673

00:30:00,860 --> 00:29:56,760

the norm for most countries like you

674

00:30:03,700 --> 00:30:00,870

talk about people seeing humanoids are

675

00:30:07,430 --> 00:30:03,710

just having a random encounter well in

676
00:30:11,450 --> 00:30:07,440
1977 UFOs and Brazil started to get a

677
00:30:14,540 --> 00:30:11,460
little violent and they coined a term

678
00:30:17,750 --> 00:30:14,550
for them called the cheapest now you

679
00:30:20,120 --> 00:30:17,760
may know about these a little bit if

680
00:30:21,890 --> 00:30:20,130
you've read hunt for the skinwalker they

681
00:30:27,320 --> 00:30:21,900
get kind of a little mentioned because

682
00:30:30,920 --> 00:30:27,330
on the ranch I think it was mrs. Sherman

683
00:30:34,220 --> 00:30:30,930
who had the encounter with the the

684
00:30:36,620 --> 00:30:34,230
box-like UFO out there or might have

685
00:30:38,450 --> 00:30:36,630
been Terri I can't remember exactly but

686
00:30:40,340 --> 00:30:38,460
they talked about the to possess and

687
00:30:43,490 --> 00:30:40,350
they talked about how some of them were

688
00:30:48,770 --> 00:30:43,500

these rectangular or square like objects

689

00:30:52,460 --> 00:30:48,780

and the people of in northern Brazil

690

00:30:56,150 --> 00:30:52,470

ended up undergoing this intense flap

691

00:30:59,780 --> 00:30:56,160

with UFOs that would shoot beams down at

692

00:31:01,730 --> 00:30:59,790

them and would cause them all sorts of

693

00:31:05,840 --> 00:31:01,740

bodily injuries sometime there would be

694

00:31:09,380 --> 00:31:05,850

skin lesions people would feel nauseous

695

00:31:12,800 --> 00:31:09,390

dizzy sometimes

696

00:31:15,260 --> 00:31:12,810

they would I think just blackout a lot

697

00:31:19,120 --> 00:31:15,270

of physical symptoms in response to

698

00:31:22,340 --> 00:31:19,130

these but there were very few occupants

699

00:31:26,090 --> 00:31:22,350

seen some of them were like very strange

700

00:31:28,490 --> 00:31:26,100

there was one person who saw a man and a

701
00:31:30,860 --> 00:31:28,500
woman just flying in this weird-looking

702
00:31:32,990 --> 00:31:30,870
cylinder and in another one there was a

703
00:31:36,470 --> 00:31:33,000
very strange-looking humanoid that

704
00:31:38,660 --> 00:31:36,480
floated out of a one of these cheapest

705
00:31:44,210 --> 00:31:38,670
you're gonna get that in part two and

706
00:31:46,610 --> 00:31:44,220
was checking out a boat but the mo yeah

707
00:31:51,200 --> 00:31:46,620
most of the time it fit this pattern and

708
00:31:53,780 --> 00:31:51,210
this was seen by countless people like

709
00:31:56,740 --> 00:31:53,790
we're talking in the hundreds not only

710
00:32:00,440 --> 00:31:56,750
that this was Brazil's first

711
00:32:02,930 --> 00:32:00,450
government-run study of UFOs and their

712
00:32:05,030 --> 00:32:02,940
investigators experienced them the

713
00:32:08,270 --> 00:32:05,040

doctor that treated the injuries

714

00:32:11,570 --> 00:32:08,280

sustained by these stupas also saw it

715

00:32:14,660 --> 00:32:11,580

and saw them everybody was seeing it so

716

00:32:16,640 --> 00:32:14,670

I wanted to cover it because it's a flap

717

00:32:18,860 --> 00:32:16,650

that I think people overlook a lot of

718

00:32:21,170 --> 00:32:18,870

the time there aren't a lot of pods that

719

00:32:25,070 --> 00:32:21,180

I've seen cover them and it's definitely

720

00:32:28,130 --> 00:32:25,080

one that is worthy of its own episode we

721

00:32:28,520 --> 00:32:28,140

broke it up into two but I think a lot

722

00:32:32,270 --> 00:32:28,530

of the proud

723

00:32:35,660 --> 00:32:32,280

ms2 where you know antonio vs boa sand

724

00:32:38,240 --> 00:32:35,670

the virginia incident there readily

725

00:32:41,540 --> 00:32:38,250

available sources in english you don't

726
00:32:44,240 --> 00:32:41,550
have that for Colares because most of

727
00:32:46,730 --> 00:32:44,250
the documents are coming from it was

728
00:32:50,300 --> 00:32:46,740
called the opera cal Prato team so

729
00:32:52,940 --> 00:32:50,310
literally in portuguese its operation

730
00:32:56,420 --> 00:32:52,950
plate because you know it's kind of

731
00:32:58,730 --> 00:32:56,430
tongue-in-cheek for the saucer but if

732
00:33:01,670 --> 00:32:58,740
you want to try and take a crack at

733
00:33:05,180 --> 00:33:01,680
those documents john Greenwald has him

734
00:33:08,030 --> 00:33:05,190
on his website the black vault and is

735
00:33:11,000 --> 00:33:08,040
we're talking about to over two thousand

736
00:33:13,220 --> 00:33:11,010
pages of documentation and they the

737
00:33:16,100 --> 00:33:13,230
Brazilian government investigated this

738
00:33:20,150 --> 00:33:16,110

for about a year and a half just writing

739

00:33:22,520 --> 00:33:20,160

reports interviewing witnesses gathering

740

00:33:25,730 --> 00:33:22,530

testimony and it really is one of the

741

00:33:31,250 --> 00:33:25,740

best flaps you know something that is on

742

00:33:35,260 --> 00:33:31,260

par with the 73-year the humanoids or

743

00:33:41,060 --> 00:33:35,270

the 65 to 67 flaps in the states or the

744

00:33:43,550 --> 00:33:41,070

54 flap in France and all these yeah

745

00:33:46,220 --> 00:33:43,560

just all these flaps on par with it kind

746

00:33:48,860 --> 00:33:46,230

of just really goes above it it's it's

747

00:33:52,790 --> 00:33:48,870

disturbing to think because I mean you

748

00:33:56,060 --> 00:33:52,800

can you can find reports of her name was

749

00:33:59,150 --> 00:33:56,070

dr. Carvalho she traded like I want to

750

00:34:02,230 --> 00:33:59,160

say about 50 patients so it's a wild one

751

00:34:05,090 --> 00:34:02,240

but definitely check out those episodes

752

00:34:08,510 --> 00:34:05,100

yeah the party will have come out by the

753

00:34:11,830 --> 00:34:08,520

time this episode goes up so it's it's

754

00:34:14,180 --> 00:34:11,840

an interesting it's an interesting flat

755

00:34:15,800 --> 00:34:14,190

absolutely man and I mean you know we

756

00:34:18,080 --> 00:34:15,810

have so many examples here in the US to

757

00:34:20,810 --> 00:34:18,090

look at like you know Rendlesham look at

758

00:34:22,700 --> 00:34:20,820

the harm that came to to the gentleman

759

00:34:25,120 --> 00:34:22,710

there his name's escaping though right

760

00:34:27,919 --> 00:34:25,130

now not Penniston no burr Burroughs

761

00:34:30,290 --> 00:34:27,929

Burroughs yeah man I mean you had to get

762

00:34:32,780 --> 00:34:30,300

like congressional help to get direct

763

00:34:36,440 --> 00:34:32,790

out with this thing this like ruined

764

00:34:39,919 --> 00:34:36,450

disheartened this UFO yeah I mean you

765

00:34:42,440 --> 00:34:39,929

you look at the the cases in which maybe

766

00:34:44,389 --> 00:34:42,450

the UFOs weren't acting aggressively but

767

00:34:48,020 --> 00:34:44,399

they had negative health effects like

768

00:34:51,190 --> 00:34:48,030

cash Landrum that's an I think of the

769

00:34:54,770 --> 00:34:51,200

name yeah the Falcon Lake incident

770

00:34:59,000 --> 00:34:54,780

Stefan Michalak had all sorts of health

771

00:35:01,569 --> 00:34:59,010

problems after that and he had these

772

00:35:05,180 --> 00:35:01,579

this grid pattern of scars that would

773

00:35:07,849 --> 00:35:05,190

materialize and disappear like every so

774

00:35:09,800 --> 00:35:07,859

many months for a while it was I was a

775

00:35:12,380 --> 00:35:09,810

wild one and then there's you know the

776

00:35:14,780 --> 00:35:12,390

other side of that the healings and such

777

00:35:17,120 --> 00:35:14,790

yeah so I mean yeah let's do a complete

778

00:35:20,359 --> 00:35:17,130

180 here you go from UFOs that cause

779

00:35:21,950 --> 00:35:20,369

harm to UFOs that are helping people out

780

00:35:24,980 --> 00:35:21,960

and this is another episode of your show

781

00:35:26,750 --> 00:35:24,990

782

00:35:32,330 --> 00:35:26,760

sixties

812
00:37:03,660 --> 00:36:59,760
dr. olavo fountas who for a long time

813
00:37:05,430 --> 00:37:03,670

was brazil's like number one UFO

814

00:37:08,549 --> 00:37:05,440

investigator there were a few others but

815

00:37:10,410 --> 00:37:08,559

he was really the one that had the best

816

00:37:13,519 --> 00:37:10,420

resources because he was affiliated with

817

00:37:16,430 --> 00:37:13,529

that bro he had a partnership with a

818

00:37:19,500 --> 00:37:16,440

journalist named Joe Martin's who

819

00:37:22,529 --> 00:37:19,510

published in this magazine called okras

820

00:37:25,380 --> 00:37:22,539

arrow it was it was kind of your average

821

00:37:27,200 --> 00:37:25,390

like maybe Look magazine or Time

822

00:37:31,079 --> 00:37:27,210

magazine or something like that and

823

00:37:34,829 --> 00:37:31,089

occasionally he would publish these UFO

824

00:37:37,710 --> 00:37:34,839

accounts and he got he would routinely

825

00:37:40,910 --> 00:37:37,720

get letters and one of them that he got

826

00:37:45,240 --> 00:37:40,920

was from this woman who was a caretaker

827

00:37:48,749 --> 00:37:45,250

to this one man's daughter and she told

828

00:37:51,990 --> 00:37:48,759

the story about how she had I want to

829

00:37:54,539 --> 00:37:52,000

say was like stomach cancer and it was

830

00:37:58,079 --> 00:37:54,549

really painful for as stomach cancer as

831

00:38:01,380 --> 00:37:58,089

and they were pretty much certain that

832

00:38:03,690 --> 00:38:01,390

she was going to die and all of a sudden

833

00:38:06,329 --> 00:38:03,700

they're all gathered around in this one

834

00:38:11,549 --> 00:38:06,339

room they see a bright light outside the

835

00:38:15,089 --> 00:38:11,559

window and there's this UFO and all of a

836

00:38:17,130 --> 00:38:15,099

sudden this doorway opens up and there

837

00:38:18,390 --> 00:38:17,140

are these two beings that float out and

838

00:38:21,359 --> 00:38:18,400

one of them that stands in the doorway

839

00:38:24,150 --> 00:38:21,369

they were short about four feet tall

840

00:38:27,690 --> 00:38:24,160

they came in and they started to perform

841

00:38:29,249 --> 00:38:27,700

an operation on this girl and there

842

00:38:31,769 --> 00:38:29,259

there was another one that was

843

00:38:34,769 --> 00:38:31,779

explaining to the girl's father that you

844

00:38:36,599 --> 00:38:34,779

know you're gonna have to do this after

845

00:38:38,789 --> 00:38:36,609

we leave give her these pills these

846

00:38:40,230 --> 00:38:38,799

these aliens apparently gave her gave

847

00:38:42,630 --> 00:38:40,240

this man pills to give to his daughter

848

00:38:45,990 --> 00:38:42,640

they're like pharmacists yeah pretty

849

00:38:49,529 --> 00:38:46,000

much and according to the letter she was

850

00:38:50,370 --> 00:38:49,539

cured that's he that's I don't know what

851
00:38:53,190 --> 00:38:50,380
to say I mean

852
00:38:57,300 --> 00:38:53,200
it it almost like makes you really

853
00:39:00,300 --> 00:38:57,310
wonder you know maybe some races are

854
00:39:01,560 --> 00:39:00,310
here to harm us or to you know deplete

855
00:39:04,020 --> 00:39:01,570
our resources but then you have

856
00:39:05,850 --> 00:39:04,030
situations like this or it's like wow

857
00:39:08,550 --> 00:39:05,860
how else do you take it other than like

858
00:39:09,540 --> 00:39:08,560
a miracle you know you got to wonder how

859
00:39:12,240 --> 00:39:09,550
many people think this could be

860
00:39:17,540 --> 00:39:12,250
something angelic or spiritual even

861
00:39:21,300 --> 00:39:17,550
right and to this woman it looked like a

862
00:39:24,090 --> 00:39:21,310
UFO and aliens getting out and I mean we

863
00:39:28,680 --> 00:39:24,100

have other cases of UFO healings there's

864

00:39:31,740 --> 00:39:28,690

a fascinating case from France the case

865

00:39:34,100 --> 00:39:31,750

of a man they called him doctor X they

866

00:39:40,020 --> 00:39:34,110

didn't want to reveal his identity but

867

00:39:43,500 --> 00:39:40,030

one night he is awoken in the middle of

868

00:39:46,020 --> 00:39:43,510

the night his his son wakes him up and

869

00:39:47,280 --> 00:39:46,030

he's a little restless and he looks out

870

00:39:50,250 --> 00:39:47,290

the window and he could see like these

871

00:39:52,200 --> 00:39:50,260

bright flashes like it's there's like

872

00:39:54,540 --> 00:39:52,210

thunder and lightning out there except

873

00:39:57,690 --> 00:39:54,550

there's no thunder there's just these

874

00:40:00,240 --> 00:39:57,700

flashes of light and he goes to this

875

00:40:02,400 --> 00:40:00,250

picture window see these two UFOs that

876
00:40:04,290 --> 00:40:02,410
keep dropping beams down and they're

877
00:40:07,530 --> 00:40:04,300
flying parallel to each other

878
00:40:11,910 --> 00:40:07,540
and at one point they just come together

879
00:40:14,280 --> 00:40:11,920
and they form one big huge UFO this UFO

880
00:40:16,740 --> 00:40:14,290
comes towards the window where the

881
00:40:18,360 --> 00:40:16,750
doctors standing the doctor has all

882
00:40:21,990 --> 00:40:18,370
these health problems some of them

883
00:40:24,540 --> 00:40:22,000
stemming from World War two and I I

884
00:40:26,280 --> 00:40:24,550
think one was sustained after falling

885
00:40:28,680 --> 00:40:26,290
off a ladder he couldn't walk very well

886
00:40:33,090 --> 00:40:28,690
I think he had like blood clot and his

887
00:40:34,650 --> 00:40:33,100
legs and stuff like that well he after

888
00:40:36,900 --> 00:40:34,660

this incident he gets up the next

889

00:40:40,860 --> 00:40:36,910

morning finds out that you know he's

890

00:40:43,050 --> 00:40:40,870

walking just fine seems to be healed at

891

00:40:45,420 --> 00:40:43,060

one point he gets a message that these

892

00:40:49,230 --> 00:40:45,430

aliens are gonna return after he falls

893

00:40:51,540 --> 00:40:49,240

down a small set of stairs he falls down

894

00:40:56,160 --> 00:40:51,550

the set of stairs the UFO does return

895

00:40:58,710 --> 00:40:56,170

and apparently this man has interactions

896

00:41:01,790 --> 00:40:58,720

with this UFO and supposedly alien

897

00:41:04,140 --> 00:41:01,800

beings for the majority of his life but

898

00:41:06,930 --> 00:41:04,150

at certain points

899

00:41:09,900 --> 00:41:06,940

he and his son would get this triangular

900

00:41:13,230 --> 00:41:09,910

shaped red mark that would appear on

901
00:41:15,839 --> 00:41:13,240
their abdomen every so often so yeah

902
00:41:18,269 --> 00:41:15,849
that's a that's one fascinating case

903
00:41:21,809 --> 00:41:18,279
I'll do an episode on that at some point

904
00:41:24,299 --> 00:41:21,819
but yeah it's that's another one they

905
00:41:26,339 --> 00:41:24,309
these these healings every now and then

906
00:41:30,690 --> 00:41:26,349
are very strange there's another one

907
00:41:35,309 --> 00:41:30,700
in 1951 it's called the Georgia stocks

908
00:41:38,359 --> 00:41:35,319
case and this pilot was flying and he

909
00:41:41,760 --> 00:41:38,369
had made contact with the UFO and

910
00:41:44,400 --> 00:41:41,770
instead of falling to the ground this

911
00:41:46,730 --> 00:41:44,410
this UFO brought him on board they

912
00:41:50,160 --> 00:41:46,740
apparently diagnosed him with cancer and

913
00:41:53,519 --> 00:41:50,170

they cured his cancer on board he wakes

914

00:41:55,710 --> 00:41:53,529

up a short while later on the ground

915

00:41:58,230 --> 00:41:55,720

outside near the wreckage of his plane

916

00:42:06,180 --> 00:41:58,240

but unfortunately he dies a year later

917

00:42:07,920 --> 00:42:06,190

for nothing yeah that is just like irony

918

00:42:09,329 --> 00:42:07,930

and its finest I don't even know what to

919

00:42:14,990 --> 00:42:09,339

say to that I need to take a sip of my

920

00:42:19,950 --> 00:42:18,150

wow man well I mean if you look at

921

00:42:22,620 --> 00:42:19,960

something like the Carlos Taylor Santos

922

00:42:25,019 --> 00:42:22,630

case where UFOs collided with a dudes

923

00:42:27,420 --> 00:42:25,029

plane they make him go into like a

924

00:42:29,940 --> 00:42:27,430

downward spiral and then they safely

925

00:42:32,579 --> 00:42:29,950

guide him to like an area where he can

926

00:42:35,130 --> 00:42:32,589

land safely so you got a wander look at

927

00:42:36,930 --> 00:42:35,140

Travis Walton - you know hit with the

928

00:42:39,150 --> 00:42:36,940

beam might have killed them who knows

929

00:42:41,279 --> 00:42:39,160

and then they bring him on board to fix

930

00:42:44,549 --> 00:42:41,289

him up that's what he says at least so

931

00:42:47,190 --> 00:42:44,559

you gotta wonder well yeah cuz I mean

932

00:42:49,260 --> 00:42:47,200

like it didn't seem like those aliens

933

00:42:51,059 --> 00:42:49,270

were touching down in that field to

934

00:42:53,940 --> 00:42:51,069

abduct anybody it seemed like they were

935

00:42:55,140 --> 00:42:53,950

having some kind of mechanical problems

936

00:42:57,000 --> 00:42:55,150

because they were just like kind of

937

00:43:00,029 --> 00:42:57,010

floating up and down in this field and

938

00:43:02,430 --> 00:43:00,039

then you got some young brash idiot that

939

00:43:04,289 --> 00:43:02,440

decides to come over and it gets hit

940

00:43:07,710 --> 00:43:04,299

with a blue beam of light uh well we got

941

00:43:09,960 --> 00:43:07,720

to fix them yep and now we forever have

942

00:43:12,299 --> 00:43:09,970

that abduction scene planted into our

943

00:43:15,210 --> 00:43:12,309

heads for the rest of eternity yeah that

944

00:43:17,930 --> 00:43:15,220

thing gives me nightmares it does it

945

00:43:20,060 --> 00:43:17,940

really does especially when you see

946

00:43:22,630 --> 00:43:20,070

Mike Rogers illustration of the first

947

00:43:25,220 --> 00:43:22,640

aliens that he comes into contact with

948

00:43:28,070 --> 00:43:25,230

yeah they're very strange I think

949

00:43:30,740 --> 00:43:28,080

they're I think the their eyes in the

950

00:43:32,960 --> 00:43:30,750

way that their pupils and their brown

951
00:43:34,910 --> 00:43:32,970
eyes are kind of freaked me out more

952
00:43:37,609 --> 00:43:34,920
than anything not to mention the fact

953
00:43:40,339 --> 00:43:37,619
that he like painted them with these

954
00:43:41,630 --> 00:43:40,349
like Stern expressions I'm like I think

955
00:43:44,210 --> 00:43:41,640
they were a little more emotive than

956
00:43:47,060 --> 00:43:44,220
that but okay yeah yeah you do have to

957
00:43:50,150 --> 00:43:47,070
wonder hey artist interpretation yeah

958
00:43:52,790 --> 00:43:50,160
pretty much and I mean yeah I mean it's

959
00:43:55,370 --> 00:43:52,800
you know Mike Rogers he got brought into

960
00:43:57,589 --> 00:43:55,380
all this mess anyway so yeah is he the

961
00:43:59,900 --> 00:43:57,599
one Rob I don't know if you know one of

962
00:44:02,960 --> 00:43:59,910
them like goes out to the site now all

963
00:44:05,000 --> 00:44:02,970

the time and like is begging and waiting

964

00:44:06,349 --> 00:44:05,010

to be taken I don't think it's Mike

965

00:44:10,670 --> 00:44:06,359

Rogers I think it's one of the other

966

00:44:13,730 --> 00:44:10,680

guys yeah well I mean like I don't even

967

00:44:17,800 --> 00:44:13,740

know what it would be like to be in that

968

00:44:20,210 --> 00:44:17,810

kind of situation to be a bystander to

969

00:44:23,510 --> 00:44:20,220

how that would affect you your entire

970

00:44:25,520 --> 00:44:23,520

life I mean we know that guys like

971

00:44:29,300 --> 00:44:25,530

Phillip ass I call him that

972

00:44:32,450 --> 00:44:29,310

you know like tried to [h__\h] ruin some

973

00:44:36,589 --> 00:44:32,460

lives there not to mention that just

974

00:44:38,720 --> 00:44:36,599

seeing something like that just like

975

00:44:41,720 --> 00:44:38,730

what kind of existential crisis will

976

00:44:45,770 --> 00:44:41,730

that create in some people I can only

977

00:44:48,589 --> 00:44:45,780

imagine right and to you know have such

978

00:44:51,920 --> 00:44:48,599

confidence in one another and loyalty to

979

00:44:54,109 --> 00:44:51,930

stick to the story and meanwhile your

980

00:44:56,750 --> 00:44:54,119

your life is just going into a downward

981

00:45:00,410 --> 00:44:56,760

spiral of like you know being involved

982

00:45:02,570 --> 00:45:00,420

with this UFO case you gotta wonder and

983

00:45:05,359 --> 00:45:02,580

all these guys stick to it to this day

984

00:45:07,640 --> 00:45:05,369

even if it did ruin their life so know

985

00:45:10,520 --> 00:45:07,650

even though Travis was the one taken

986

00:45:12,349 --> 00:45:10,530

they all suffered because of this and

987

00:45:14,720 --> 00:45:12,359

they all had their own existential

988

00:45:18,020 --> 00:45:14,730

crisis I would believe crisis of faith

989

00:45:19,760 --> 00:45:18,030

belief and the fact that one of them is

990

00:45:21,890 --> 00:45:19,770

going out there begging to be taken I

991

00:45:23,839 --> 00:45:21,900

guess I can understand like he wants

992

00:45:26,240 --> 00:45:23,849

confirmation that the [h__h] actually

993

00:45:30,020 --> 00:45:26,250

happened in that the way his life went

994

00:45:31,220 --> 00:45:30,030

is maybe worth it I don't know right I

995

00:45:33,140 --> 00:45:31,230

mean like

996

00:45:36,620 --> 00:45:33,150

you know Travis Walton was literally

997

00:45:40,010 --> 00:45:36,630

taken these guys were taken in other

998

00:45:43,430 --> 00:45:40,020

ways so you know that that will

999

00:45:45,950 --> 00:45:43,440

definitely affect you yeah well you know

1000

00:45:47,930 --> 00:45:45,960

not to get too sad again but this one

1001

00:45:51,170 --> 00:45:47,940

dude broke my heart when I heard about

1002

00:45:54,589 --> 00:45:51,180

this a rejected abductee

1003

00:45:56,359 --> 00:45:54,599

so you know we have UFO occupants that

1004

00:45:57,920 --> 00:45:56,369

are harmful sometimes helpful and

1005

00:46:00,230 --> 00:45:57,930

sometimes they simply are just doing

1006

00:46:02,539 --> 00:46:00,240

their job and quality control seems to

1007

00:46:04,809 --> 00:46:02,549

be a big part of that so could you maybe

1008

00:46:11,720 --> 00:46:04,819

tell us a little about this poor bastard

1009

00:46:15,319 --> 00:46:11,730

Alberto Alberto he oh my gosh she's God

1010

00:46:18,049 --> 00:46:15,329

loved this guy he he was knight-fish

1011

00:46:20,480 --> 00:46:18,059

nice in this place called the passing

1012

00:46:23,329 --> 00:46:20,490

stroke canal this this canal was

1013

00:46:25,819 --> 00:46:23,339

essentially built in the late 1700s in

1014

00:46:29,589 --> 00:46:25,829

England to kind of introduced

1015

00:46:33,380 --> 00:46:29,599

agriculture all along this canal way and

1016

00:46:35,630 --> 00:46:33,390

it kind of went out of commission not

1017

00:46:37,940 --> 00:46:35,640

long after maybe 40 years after it was

1018

00:46:41,180 --> 00:46:37,950

built and it went through different

1019

00:46:43,609 --> 00:46:41,190

stages the military used it for training

1020

00:46:47,030 --> 00:46:43,619

during World War one and to bring

1021

00:46:49,130 --> 00:46:47,040

supplies up and down but a lot of people

1022

00:46:51,500 --> 00:46:49,140

used it for recreational fishing and

1023

00:46:56,510 --> 00:46:51,510

boating and such and one of those people

1024

00:47:00,250 --> 00:46:56,520

was Alfred Berto and in 1983 you know

1025

00:47:04,120 --> 00:47:00,260

were in we're approaching the height of

1026
00:47:07,190 --> 00:47:04,130
you know abductions in pop culture where

1027
00:47:09,470 --> 00:47:07,200
at least in the UFO community we're

1028
00:47:11,750 --> 00:47:09,480
getting to that level and Alfred Berto

1029
00:47:14,390 --> 00:47:11,760
decides he's gonna go night fishing

1030
00:47:17,690 --> 00:47:14,400
something that he did every so often and

1031
00:47:20,480 --> 00:47:17,700
he was 77 years old at the time brought

1032
00:47:24,170 --> 00:47:20,490
his dog tiny with him and he settles in

1033
00:47:27,650 --> 00:47:24,180
at around 1:00 a.m. it's got his line

1034
00:47:29,630 --> 00:47:27,660
out there he takes a swig of tea and he

1035
00:47:32,780 --> 00:47:29,640
sees these lights just coming and

1036
00:47:36,680 --> 00:47:32,790
approaching and they set down in this

1037
00:47:40,150 --> 00:47:36,690
Cops of trees nearby and a few minutes

1038
00:47:42,799 --> 00:47:40,160

later his dog just starts going nuts so

1039

00:47:45,080 --> 00:47:42,809

he looks over he could see these two

1040

00:47:48,590 --> 00:47:45,090

figures approaching him

1041

00:47:51,400 --> 00:47:48,600

they're kind of wearing coveralls and

1042

00:47:54,620 --> 00:47:51,410

helmets with a with a visor on them and

1043

00:47:57,470 --> 00:47:54,630

they basically motioned for him to come

1044

00:47:59,930 --> 00:47:57,480

along with them so you've got one

1045

00:48:03,830 --> 00:47:59,940

leading and then one behind him and they

1046

00:48:06,350 --> 00:48:03,840

approach this craft that it's kind of a

1047

00:48:08,960 --> 00:48:06,360

little donut shaped with a really

1048

00:48:13,220 --> 00:48:08,970

strange dome on top it's got these

1049

00:48:16,670 --> 00:48:13,230

porthole lights on and on the outer edge

1050

00:48:19,520 --> 00:48:16,680

of it and there's this small stairway

1051
00:48:21,980 --> 00:48:19,530
leading up into an opening so they lead

1052
00:48:25,580 --> 00:48:21,990
him up in there he's standing in this

1053
00:48:28,550 --> 00:48:25,590
room for maybe a few minutes and this

1054
00:48:31,130 --> 00:48:28,560
shaft comes out of the floor and this

1055
00:48:34,070 --> 00:48:31,140
really loud booming voice says stand

1056
00:48:35,810 --> 00:48:34,080
under the amber light and at the time he

1057
00:48:38,180 --> 00:48:35,820
couldn't actually see an amber light so

1058
00:48:39,620 --> 00:48:38,190
he he moves forward a little bit and you

1059
00:48:41,270 --> 00:48:39,630
can see that you can finally see this

1060
00:48:43,670 --> 00:48:41,280
light coming down from the ceiling so

1061
00:48:46,460 --> 00:48:43,680
stands under this light and the loud

1062
00:48:50,750 --> 00:48:46,470
booming voice says what is your age and

1063
00:48:55,040 --> 00:48:50,760

Alfred Berto says oh I'll be turning 78

1064

00:48:58,940 --> 00:48:55,050

on my next birthday and the alien beings

1065

00:49:06,830 --> 00:48:58,950

tell him you can go you are too old and

1066

00:49:09,320 --> 00:49:06,840

infirm for our purpose so Albert you

1067

00:49:10,970 --> 00:49:09,330

know he wasn't dejected he didn't feel

1068

00:49:14,180 --> 00:49:10,980

dejected or anything he just went back

1069

00:49:17,000 --> 00:49:14,190

to fishing and then he's fishing until

1070

00:49:19,780 --> 00:49:17,010

probably about noon the next day he runs

1071

00:49:22,400 --> 00:49:19,790

into a couple of a Ministry of Defense

1072

00:49:24,230 --> 00:49:22,410

guys out there and you know he's talking

1073

00:49:26,390 --> 00:49:24,240

about it and they're like oh I guess you

1074

00:49:32,750 --> 00:49:26,400

did see that UFO I was like well that's

1075

00:49:35,090 --> 00:49:32,760

interesting but just too old and infirm

1076
00:49:37,520 --> 00:49:35,100
for their purposes you know if it wasn't

1077
00:49:40,010 --> 00:49:37,530
enough that like society casts the

1078
00:49:42,920 --> 00:49:40,020
elderly aside and forgets about them

1079
00:49:46,550 --> 00:49:42,930
even the [h__\h] aliens won't take him

1080
00:49:48,380 --> 00:49:46,560
and I mean I think Dave Hagen this is

1081
00:49:51,020 --> 00:49:48,390
the best of us all because he you know

1082
00:49:52,670 --> 00:49:51,030
he's like how old now and apparently

1083
00:49:55,970 --> 00:49:52,680
he's still getting it I don't know

1084
00:49:57,410 --> 00:49:55,980
yo Dave Huggins is the man still macking

1085
00:50:01,520 --> 00:49:57,420
it with an alien at like

1086
00:50:02,420 --> 00:50:01,530
seventy-nine I think yeah yeah more

1087
00:50:05,630 --> 00:50:02,430
power to them

1088
00:50:08,660 --> 00:50:05,640

hey dude Oh got it use it that's all I

1089

00:50:10,700 --> 00:50:08,670

gotta say Rob now before we leave here

1090

00:50:12,829 --> 00:50:10,710

there is another series you do with your

1091

00:50:14,660 --> 00:50:12,839

show called the meltdown and these are

1092

00:50:17,480 --> 00:50:14,670

where you get kind of like UFO happy

1093

00:50:19,370 --> 00:50:17,490

hour you let loose and you just air all

1094

00:50:21,890 --> 00:50:19,380

your frustration and and these are the

1095

00:50:23,569 --> 00:50:21,900

best episodes of any podcast that's

1096

00:50:25,789 --> 00:50:23,579

willing to like shed that

1097

00:50:28,549 --> 00:50:25,799

professionalism or that performance mode

1098

00:50:30,650 --> 00:50:28,559

and really tell their honest opinions so

1099

00:50:32,980 --> 00:50:30,660

I love when you guys do these episodes

1100

00:50:38,000 --> 00:50:32,990

and you recently you recently covered

1101
00:50:40,789 --> 00:50:38,010
something that should not be back in the

1102
00:50:43,370 --> 00:50:40,799
UFO conversation and up for debate but

1103
00:50:46,099 --> 00:50:43,380
for some [h__\h] reason it is I don't

1104
00:50:49,880 --> 00:50:46,109
know why but people think the alien

1105
00:50:51,770 --> 00:50:49,890
autopsy video once again is real but you

1106
00:50:54,770 --> 00:50:51,780
recently covered it and you talked about

1107
00:50:57,589 --> 00:50:54,780
the Frakes man so what was this meltdown

1108
00:50:59,720 --> 00:50:57,599
episode man so I had my buddies Brian

1109
00:51:02,960 --> 00:50:59,730
and Angelo from double-density on and

1110
00:51:08,030 --> 00:51:02,970
man we did what we call the freaks

1111
00:51:11,059 --> 00:51:08,040
trilogy which is the the alien autopsy

1112
00:51:13,849 --> 00:51:11,069
video and two specials that he did in 97

1113
00:51:18,440 --> 00:51:13,859

and 2000 called UFOs the best evidence

1114

00:51:21,049 --> 00:51:18,450

ever caught on tape which oh yeah yeah

1115

00:51:23,270 --> 00:51:21,059

which most of those were not the best

1116

00:51:25,700 --> 00:51:23,280

evidence ever caught on tape some of

1117

00:51:28,339 --> 00:51:25,710

them were very much street lights some

1118

00:51:31,880 --> 00:51:28,349

of them were the reflection of indoor

1119

00:51:33,799 --> 00:51:31,890

lights you know from a window and you

1120

00:51:35,839 --> 00:51:33,809

know there were a couple of them we gave

1121

00:51:41,150 --> 00:51:35,849

a little credit to Jaime moose on during

1122

00:51:44,420 --> 00:51:41,160

the 1990 Mexico City Eclipse footage

1123

00:51:47,450 --> 00:51:44,430

because some of its good but most of it

1124

00:51:49,400 --> 00:51:47,460

we've actually we've actually asked like

1125

00:51:51,829 --> 00:51:49,410

you know instead of getting wrapped up

1126
00:51:54,710 --> 00:51:51,839
in these alien mummy hoaxes why don't

1127
00:51:57,500 --> 00:51:54,720
you like digitize all these videos that

1128
00:51:59,510 --> 00:51:57,510
you say you have like over 5,000 UFO

1129
00:52:02,120 --> 00:51:59,520
videos that you've been sent why don't

1130
00:52:05,089 --> 00:52:02,130
we just digitize those buddy just come

1131
00:52:08,000 --> 00:52:05,099
on even we even offered to set up a

1132
00:52:09,859 --> 00:52:08,010
patreon forum I mean come on Jaime he

1133
00:52:10,250 --> 00:52:09,869
doesn't need your money trust me that's

1134
00:52:13,340 --> 00:52:10,260
doing

1135
00:52:15,400 --> 00:52:13,350
just fine I know but I figured it would

1136
00:52:19,580 --> 00:52:15,410
be a little more motivation but you know

1137
00:52:24,490 --> 00:52:19,590
but we talked about the race until the

1138
00:52:28,100 --> 00:52:24,500

alien autopsy video from the absolute oh

1139

00:52:28,670 --> 00:52:28,110

just great special alien autopsy factor

1140

00:52:30,650 --> 00:52:28,680

fiction

1141

00:52:33,410 --> 00:52:30,660

oh dude I watch it like on a monthly

1142

00:52:36,590 --> 00:52:33,420

basis it's on Netflix right now and like

1143

00:52:38,720 --> 00:52:36,600

I always go back to it because even even

1144

00:52:40,820 --> 00:52:38,730

without the videos of the alien it's a

1145

00:52:43,490 --> 00:52:40,830

pretty good wrap-up of the Roswell

1146

00:52:45,140 --> 00:52:43,500

incident to be honest they got a row on

1147

00:52:47,480 --> 00:52:45,150

there who you don't hear from that often

1148

00:52:48,980 --> 00:52:47,490

so though yeah so how did it go

1149

00:52:53,180 --> 00:52:48,990

would you guys what were your

1150

00:52:55,370 --> 00:52:53,190

conclusions were the the interesting

1151

00:52:58,280 --> 00:52:55,380

thing is is like yeah you get the the

1152

00:52:59,980 --> 00:52:58,290

Roswell portion up front and then you

1153

00:53:03,950 --> 00:52:59,990

have all these quote-unquote experts

1154

00:53:10,990 --> 00:53:03,960

looking at this you know video and and

1155

00:53:15,320 --> 00:53:11,000

one of them is Cyril Brecht the All Star

1156

00:53:17,540 --> 00:53:15,330

he was the was a medical examiner that

1157

00:53:20,960 --> 00:53:17,550

was like featured on every program in

1158

00:53:23,750 --> 00:53:20,970

the 90s in 2000 Cyril Wecht just an

1159

00:53:25,760 --> 00:53:23,760

interesting guy and he's somehow

1160

00:53:28,760 --> 00:53:25,770

convinced that this is an actual life

1161

00:53:30,410 --> 00:53:28,770

farm okay we got a medical examiner

1162

00:53:34,250 --> 00:53:30,420

convinced this is an actual life form

1163

00:53:37,730 --> 00:53:34,260

then we have Stan Winston now Stan

1164

00:53:40,550 --> 00:53:37,740

Winston Stan Winston built the freakin

1165

00:53:42,560 --> 00:53:40,560

dinosaurs from Jurassic Park he was just

1166

00:53:44,660 --> 00:53:42,570

at first he's like no this is fake and

1167

00:53:46,730 --> 00:53:44,670

then you know as you go along he's like

1168

00:53:48,620 --> 00:53:46,740

oh no this has got to be real because we

1169

00:53:51,140 --> 00:53:48,630

couldn't even duplicate this and you

1170

00:53:53,330 --> 00:53:51,150

know today even though one guy

1171

00:53:55,990 --> 00:53:53,340

duplicated it in his London flat he

1172

00:53:58,040 --> 00:53:56,000

built it this one too flat yeah come on

1173

00:54:01,520 --> 00:53:58,050

how much did they pay him to say that

1174

00:54:03,500 --> 00:54:01,530

right right I mean realistically this

1175

00:54:05,660 --> 00:54:03,510

this special the only thing this special

1176
00:54:07,160 --> 00:54:05,670
is missing was Bruce Maccabee because he

1177
00:54:09,200 --> 00:54:07,170
falls for most things hook line and

1178
00:54:10,850 --> 00:54:09,210
sinker god bless you Bruce but some

1179
00:54:20,560 --> 00:54:10,860
things you put a little too much stock

1180
00:54:24,080 --> 00:54:20,570
in belfries crop circle videos but yeah

1181
00:54:27,650 --> 00:54:24,090
we we we toured a new one

1182
00:54:30,320 --> 00:54:27,660
just you I don't understand how people

1183
00:54:33,770 --> 00:54:30,330
could still believe this after Ray

1184
00:54:36,260 --> 00:54:33,780
Santilli himself said that he had to

1185
00:54:39,230 --> 00:54:36,270
quote-unquote remake this footage

1186
00:54:42,110 --> 00:54:39,240
because he saw a video that he saw video

1187
00:54:44,750 --> 00:54:42,120
footage of this originally but it was in

1188
00:54:47,840 --> 00:54:44,760

so poor quality he had to refilm it in

1189

00:54:50,360 --> 00:54:47,850

himself and then you had I forget what

1190

00:54:52,400 --> 00:54:50,370

his name was in 2017 saying oh yeah I

1191

00:54:56,690 --> 00:54:52,410

created this in my London flat it wasn't

1192

00:55:00,080 --> 00:54:56,700

that hard Spiro something yes yeah so I

1193

00:55:02,930 --> 00:55:00,090

don't know there's actually a good movie

1194

00:55:07,520 --> 00:55:02,940

I remember watching I think Bill Pullman

1195

00:55:13,870 --> 00:55:07,530

was even in it if there was a 2006 movie

1196

00:55:17,420 --> 00:55:13,880

yeah it was it was a British movie yeah

1197

00:55:20,540 --> 00:55:17,430

do you know who created that guys that

1198

00:55:23,480 --> 00:55:20,550

hosts British British Got Talent all

1199

00:55:25,190 --> 00:55:23,490

right there you go Bret Scott tell ya

1200

00:55:28,100 --> 00:55:25,200

the the two hosts that they have on

1201

00:55:31,340 --> 00:55:28,110

there created that movie okay it's

1202

00:55:33,590 --> 00:55:31,350

actually I really enjoyed it yeah it's a

1203

00:55:35,450 --> 00:55:33,600

step by step of how they did this thing

1204

00:55:37,100 --> 00:55:35,460

but um right I don't know if you know

1205

00:55:38,690 --> 00:55:37,110

anything about all this [h__h] going on

1206

00:55:41,930 --> 00:55:38,700

right now with people claiming that it

1207

00:55:45,770 --> 00:55:41,940

actually is real and that like admirals

1208

00:55:48,950 --> 00:55:45,780

or someone are saying that it was real I

1209

00:55:52,460 --> 00:55:48,960

don't know I think it was in one of the

1210

00:55:53,990 --> 00:55:52,470

Eric Davis memos okay they were talking

1211

00:55:57,380 --> 00:55:54,000

about it and one of those because they

1212

00:55:59,000 --> 00:55:57,390

were also talking about the MJ MJ 12

1213

00:56:02,150 --> 00:55:59,010

documents being real

1214

00:56:04,160 --> 00:56:02,160

I had MJ binaya son last year and we

1215

00:56:06,770 --> 00:56:04,170

talked about the the Paul bennewitz

1216

00:56:08,270 --> 00:56:06,780

stuff and the mj-12 documents and you

1217

00:56:10,850 --> 00:56:08,280

know he's like empty twelve what's a

1218

00:56:14,360 --> 00:56:10,860

thing but they just didn't investigate

1219

00:56:16,370 --> 00:56:14,370

aliens they were involved in covering up

1220

00:56:18,050 --> 00:56:16,380

but you know atomic fallout and stuff

1221

00:56:21,230 --> 00:56:18,060

like that that's what they were there

1222

00:56:24,470 --> 00:56:21,240

for and I mean if you have heard of the

1223

00:56:26,270 --> 00:56:24,480

mj-12 documents what you need to do now

1224

00:56:28,700 --> 00:56:26,280

is go to the internet and look up

1225

00:56:30,380 --> 00:56:28,710

something called the prat tapes if you

1226

00:56:32,690 --> 00:56:30,390

go and look for the prat tapes you can

1227

00:56:35,780 --> 00:56:32,700

pretty much tell where the mj-12 stuff

1228

00:56:37,910 --> 00:56:35,790

came from not to mention and the first

1229

00:56:40,460 --> 00:56:37,920

mj-12 documents who were they said to

1230

00:56:41,690 --> 00:56:40,470

jamee Shandra and bill bore he hasn't

1231

00:56:45,049 --> 00:56:41,700

been wrapped up in any sort of

1232

00:56:47,599 --> 00:56:45,059

disinformation controversies not at all

1233

00:56:50,480 --> 00:56:47,609

no not at all he I mean he didn't admit

1234

00:56:52,280 --> 00:56:50,490

to like you know playing his part in the

1235

00:56:55,339 --> 00:56:52,290

Paul bennewitz affair at all like in

1236

00:56:57,740 --> 00:56:55,349

1989 at the MUFON symposium like that

1237

00:56:59,210 --> 00:56:57,750

that symposium had to be like you know

1238

00:57:01,220 --> 00:56:59,220

gangbusters I wish I could have been

1239

00:57:03,200 --> 00:57:01,230

there ah yeah I know Greg Bishop was

1240

00:57:05,270 --> 00:57:03,210

there at the time he said like you know

1241

00:57:07,280 --> 00:57:05,280

those people were if if there were

1242

00:57:10,039 --> 00:57:07,290

pitchforks they're being sold they would

1243

00:57:12,349 --> 00:57:10,049

have sold out in like two minutes I'm

1244

00:57:15,079 --> 00:57:12,359

sure because I mean I can't imagine it's

1245

00:57:18,470 --> 00:57:15,089

an easy thing to get up there and say oh

1246

00:57:21,410 --> 00:57:18,480

yeah I helped ruin Paul bennewitz his

1247

00:57:23,750 --> 00:57:21,420

life in return I get all this off that

1248

00:57:25,250 --> 00:57:23,760

dick UFO information I mean a lot of

1249

00:57:27,170 --> 00:57:25,260

people think this is you know the whole

1250

00:57:29,180 --> 00:57:27,180

Tom DeLonge thing like he's getting fed

1251
00:57:30,859 --> 00:57:29,190
actual information but then he's gonna

1252
00:57:32,809 --> 00:57:30,869
pump out a whole different narrative to

1253
00:57:35,299 --> 00:57:32,819
the to the public no I don't believe

1254
00:57:37,730 --> 00:57:35,309
that but at the end of the date man it's

1255
00:57:39,500 --> 00:57:37,740
the fact that we're still talking about

1256
00:57:42,710 --> 00:57:39,510
the alien autopsy video and that it

1257
00:57:46,160 --> 00:57:42,720
could be real what kind of world are we

1258
00:57:48,380 --> 00:57:46,170
living in it just it astounds me that

1259
00:57:51,049 --> 00:57:48,390
this is happening that the entry mj-12

1260
00:57:53,270 --> 00:57:51,059
documents the alien autopsy are being

1261
00:57:56,210 --> 00:57:53,280
debated again and that's the UFO field

1262
00:57:59,299 --> 00:57:56,220
there's such amnesia when it comes to

1263
00:58:01,849 --> 00:57:59,309

these things that people are so hungry

1264

00:58:04,220 --> 00:58:01,859

to believe in something that the minute

1265

00:58:06,440 --> 00:58:04,230

someone says let me recycle that alien

1266

00:58:07,039 --> 00:58:06,450

autopsy thing again and let's see what

1267

00:58:09,980 --> 00:58:07,049

happens

1268

00:58:14,329 --> 00:58:09,990

people are gonna [h__h] believe it it's

1269

00:58:16,190 --> 00:58:14,339

astounding right like the thing is it's

1270

00:58:17,839 --> 00:58:16,200

like I had hook line sinker what I would

1271

00:58:19,940 --> 00:58:17,849

tell you to do is to go out and do a

1272

00:58:23,450 --> 00:58:19,950

little more research and that's really

1273

00:58:25,880 --> 00:58:23,460

what this field of study is it's looking

1274

00:58:27,920 --> 00:58:25,890

into all angles of this and saying oh

1275

00:58:29,930 --> 00:58:27,930

well I think there's something to this

1276

00:58:32,450 --> 00:58:29,940

or no this is completely bogus and I

1277

00:58:34,339 --> 00:58:32,460

mean if you go to the FBI's website and

1278

00:58:37,339 --> 00:58:34,349

you look at the mj-12 documents somebody

1279

00:58:39,589 --> 00:58:37,349

basically wrote bogus and big black

1280

00:58:41,299 --> 00:58:39,599

letters on these documents and put

1281

00:58:43,900 --> 00:58:41,309

pictures of them on their website that's

1282

00:58:47,870 --> 00:58:43,910

what they think of them and I mean

1283

00:58:51,440 --> 00:58:47,880

here's a good barometer so the Psalm 101

1284

00:58:55,880 --> 00:58:51,450

manual that was sent to Don Berliner

1285

00:58:57,530 --> 00:58:55,890

in 1991 I believe it was now Clifford

1286

00:59:01,160 --> 00:58:57,540

stone do you know who Clifford stone is

1287

00:59:03,290 --> 00:59:01,170

the crash retrieval guy yeah yeah

1288

00:59:05,660 --> 00:59:03,300

they asked Clifford stone about the

1289

00:59:07,670 --> 00:59:05,670

Psalm 101 manual he's like now it's it's

1290

00:59:11,270 --> 00:59:07,680

not like anything that I had to work

1291

00:59:11,960 --> 00:59:11,280

with so I don't think it's real no it's

1292

00:59:13,610 --> 00:59:11,970

not real

1293

00:59:17,060 --> 00:59:13,620

yeah if Clifford stone who will believe

1294

00:59:19,660 --> 00:59:17,070

anything is saying that then that means

1295

00:59:25,100 --> 00:59:19,670

something yeah that's definitely

1296

00:59:27,740 --> 00:59:25,110

significant and okay like like my advice

1297

00:59:30,320 --> 00:59:27,750

to people is go look at every aspect of

1298

00:59:32,750 --> 00:59:30,330

something and then draw your conclusions

1299

00:59:34,850 --> 00:59:32,760

don't just don't just listen to me all

1300

00:59:37,190 --> 00:59:34,860

right don't just listen to one person if

1301

00:59:40,400 --> 00:59:37,200

you're gonna listen to me just go out

1302

00:59:42,560 --> 00:59:40,410

find every bit and piece of information

1303

00:59:45,320 --> 00:59:42,570

about one certain thing that you can and

1304

00:59:49,850 --> 00:59:45,330

then draw your own conclusions I mean

1305

00:59:54,800 --> 00:59:49,860

that what some people say you know to do

1306

00:59:56,930 --> 00:59:54,810

in some forms of entertainment I'm not

1307

00:59:59,750 --> 00:59:56,940

gonna name names here but like there are

1308

01:00:01,790 --> 00:59:59,760

some people that say I want you to draw

1309

01:00:04,490 --> 01:00:01,800

your own conclusion but don't do an

1310

01:00:06,890 --> 01:00:04,500

honest job of giving you honest

1311

01:00:09,670 --> 01:00:06,900

information so you need to go out and

1312

01:00:12,200 --> 01:00:09,680

you need to go look for that information

1313

01:00:14,300 --> 01:00:12,210

unfortunately these days because yeah

1314

01:00:16,790 --> 01:00:14,310

it's a tough world and you may not know

1315

01:00:19,220 --> 01:00:16,800

who you could trust that's a really good

1316

01:00:21,320 --> 01:00:19,230

point man if I've learned anything from

1317

01:00:23,660 --> 01:00:21,330

working in the entertainment field as of

1318

01:00:25,550 --> 01:00:23,670

late it's say you don't know who you can

1319

01:00:28,160 --> 01:00:25,560

trust and you have to be very careful

1320

01:00:29,720 --> 01:00:28,170

and at the end of the day like don't pay

1321

01:00:32,120 --> 01:00:29,730

for someone to tell you what to think

1322

01:00:34,160 --> 01:00:32,130

just think on your own that's why we're

1323

01:00:37,400 --> 01:00:34,170

here that's why we have brains that's

1324

01:00:39,710 --> 01:00:37,410

why we have the freedom to learn so like

1325

01:00:44,210 --> 01:00:39,720

do it do it right

1326

01:00:46,790 --> 01:00:44,220

learn research put the legwork in and be

1327

01:00:49,100 --> 01:00:46,800

honest with yourself about the

1328

01:00:51,320 --> 01:00:49,110

information that you are receiving don't

1329

01:00:54,290 --> 01:00:51,330

just outright Lee discount it because it

1330

01:00:57,650 --> 01:00:54,300

doesn't fall into your line of belief

1331

01:01:00,410 --> 01:00:57,660

system or the the belief that you have

1332

01:01:02,870 --> 01:01:00,420

and somebody now that you're not looking

1333

01:01:05,060 --> 01:01:02,880

for belief in people you're looking for

1334

01:01:08,180 --> 01:01:05,070

the actual information the facts

1335

01:01:11,600 --> 01:01:08,190

so follow those don't follow the beliefs

1336

01:01:13,730 --> 01:01:11,610

of other people and in particular Steven

1337

01:01:16,400 --> 01:01:13,740

Greer I think I think it's kind of like

1338

01:01:18,460 --> 01:01:16,410

a tradition that we just like you know

1339

01:01:20,990 --> 01:01:18,470

name column at least once and one

1340

01:01:23,030 --> 01:01:21,000

episode I think his name comes up at

1341

01:01:26,300 --> 01:01:23,040

least once but while we're at it Corey

1342

01:01:27,920 --> 01:01:26,310

good done it done yeah yep Corey go get

1343

01:01:31,220 --> 01:01:27,930

out of here you know what you know who's

1344

01:01:34,780 --> 01:01:31,230

a better version of Corey Goode is Randy

1345

01:01:37,490 --> 01:01:34,790

Cramer I love Randy Cramer to death like

1346

01:01:39,950 --> 01:01:37,500

he's he's in that line but he's not as

1347

01:01:42,140 --> 01:01:39,960

egotistical go go listen to Randy Cramer

1348

01:01:44,330 --> 01:01:42,150

if you're into that kind of like secret

1349

01:01:47,840 --> 01:01:44,340

space program kind of stuff go listen to

1350

01:01:50,300 --> 01:01:47,850

him yeah well if they're not listening

1351
01:01:52,580 --> 01:01:50,310
to Randy Cramer Rob where can they

1352
01:01:54,620 --> 01:01:52,590
listen like this transition here where

1353
01:01:57,830 --> 01:01:54,630
can they listen to the outer strange

1354
01:01:59,930 --> 01:01:57,840
skies podcast brother well you can find

1355
01:02:02,150 --> 01:01:59,940
it on pretty much every single podcast

1356
01:02:04,940 --> 01:02:02,160
app and you can find it at the new

1357
01:02:06,560 --> 01:02:04,950
website our strange skies calm I've only

1358
01:02:08,210 --> 01:02:06,570
been doing this for almost two years we

1359
01:02:09,710 --> 01:02:08,220
finally got a website dude it's

1360
01:02:12,470 --> 01:02:09,720
beautiful by the way

1361
01:02:14,810 --> 01:02:12,480
yeah I've done by the great desdemona

1362
01:02:16,220 --> 01:02:14,820
that's the only thing that I will call

1363
01:02:18,410 --> 01:02:16,230

her the great Desdemona because she's

1364

01:02:22,070 --> 01:02:18,420

great at everything she does she does

1365

01:02:24,680 --> 01:02:22,080

all the artwork for our website and most

1366

01:02:26,240 --> 01:02:24,690

of the t-shirts and merch that you can

1367

01:02:28,850 --> 01:02:26,250

find at our tea public store have been

1368

01:02:34,580 --> 01:02:28,860

done by her and she did one for me too

1369

01:02:36,890 --> 01:02:34,590

yeah she is if you're intrigued by the

1370

01:02:39,020 --> 01:02:36,900

Antonio Villas Boas story we have a

1371

01:02:41,270 --> 01:02:39,030

t-shirt over there the Antonio Diaz Bose

1372

01:02:45,500 --> 01:02:41,280

craft it's really pretty cool

1373

01:02:49,100 --> 01:02:45,510

so yes Boas is boss

1374

01:02:51,470 --> 01:02:49,110

oh he is boss I mean just like he was

1375

01:02:54,080 --> 01:02:51,480

taken aboard that UFO but he didn't seem

1376

01:02:57,410 --> 01:02:54,090

to have too bad a time yeah dude party

1377

01:02:59,540 --> 01:02:57,420

it up yeah that's all I gotta say Rob

1378

01:03:01,880 --> 01:02:59,550

thank you as always brother for coming

1379

01:03:04,550 --> 01:03:01,890

1380

01:03:07,460 --> 01:03:04,560
