

SOMEWHERE IN THE SKIES

WITH RYAN SPRAGUE

FLYING SAUCERS

FROM THE KREMLIN

WITH NICK REDFERN

1
00:00:05,210 --> 00:00:02,330
this week on the show live from Michigan

2
00:00:07,010 --> 00:00:05,220
UFO Con with Nick Redfern that was

3
00:00:10,370 --> 00:00:07,020
really the kind of the start of it all

4
00:00:12,620 --> 00:00:10,380
when US intelligence sort of started to

5
00:00:15,049 --> 00:00:12,630
get their head around wow you know there

6
00:00:17,150 --> 00:00:15,059
are real year if I was up there but

7
00:00:19,390 --> 00:00:17,160
there's a possibility using like

8
00:00:23,179 --> 00:00:19,400
psychological warfare and disinformation

9
00:00:27,130 --> 00:00:23,189
that the Russians are now using this

10
00:00:30,200 --> 00:00:27,140
real phenomenon as a means to kickstart

11
00:00:31,970 --> 00:00:30,210
communism within the UFO field which was

12
00:00:44,030 --> 00:00:31,980
important because at that time I said it

13
00:00:46,470 --> 00:00:44,040

was a huge movement this is somewhere in

14

00:01:08,450 --> 00:00:46,480

the skies the brain space

15

00:01:12,770 --> 00:01:10,700

welcome to somewhere in the skies I'm

16

00:01:15,170 --> 00:01:12,780

your host Ryan Sprague I recently

17

00:01:17,510 --> 00:01:15,180

attended the Michigan UFO Con in

18

00:01:20,060 --> 00:01:17,520

Houghton Lake Michigan it was honestly

19

00:01:22,160 --> 00:01:20,070

one of the best experiences of my life I

20

00:01:23,990 --> 00:01:22,170

met some of the most amazing people over

21

00:01:26,270 --> 00:01:24,000

the weekend and made some awesome new

22

00:01:28,940 --> 00:01:26,280

friends one of those friends turned

23

00:01:30,740 --> 00:01:28,950

colleague was Nick Redfern you've heard

24

00:01:32,810 --> 00:01:30,750

him on the show in the past but this was

25

00:01:34,910 --> 00:01:32,820

personally my first time meeting him

26

00:01:37,130 --> 00:01:34,920

face to face and I had the opportunity

27

00:01:39,590 --> 00:01:37,140

to sit down with him for an in-depth

28

00:01:42,440 --> 00:01:39,600

discussion about his new book flying

29

00:01:44,480 --> 00:01:42,450

saucers from the Kremlin the book is a

30

00:01:47,060 --> 00:01:44,490

study of how and why Russian

31

00:01:49,940 --> 00:01:47,070

intelligence used the UFO phenomenon as

32

00:01:52,670 --> 00:01:49,950

a means to try to create fear hysteria

33

00:01:55,850 --> 00:01:52,680

in paranoia in the United States and

34

00:01:59,749 --> 00:01:55,860

beyond from the Roswell crash and mj-12

35

00:02:03,200 --> 00:01:59,759

documents to area 51 and the contactees

36

00:02:05,780 --> 00:02:03,210

of yesteryear were and our UFO

37

00:02:08,570 --> 00:02:05,790

researchers being monitored by foreign

38

00:02:11,690 --> 00:02:08,580

and domestic intelligence agencies and

39

00:02:15,140 --> 00:02:11,700

how far does the manipulation and

40

00:02:18,770 --> 00:02:15,150

meddling truly go with the UFO topic and

41

00:02:21,530 --> 00:02:18,780

beyond in today's Internet age we dig

42

00:02:24,470 --> 00:02:21,540

deep into how and why Russia used the

43

00:02:27,500 --> 00:02:24,480

UFO phenomenon and keen interest in it

44

00:02:31,009 --> 00:02:27,510

as an advantageous weapon of belief

45

00:02:32,420 --> 00:02:31,019

it's all here in our Michigan UFO con

46

00:02:36,730 --> 00:02:32,430

sit down

47

00:02:41,270 --> 00:02:39,080

alright guys Ryan Sprague here once

48

00:02:43,520 --> 00:02:41,280

again for somewhere in the skies coming

49

00:02:46,220 --> 00:02:43,530

to you live from the Michigan UFO

50

00:02:48,110 --> 00:02:46,230

contact event and with me right now is a

51
00:02:51,199 --> 00:02:48,120
gentleman that I have been dying to meet

52
00:02:54,050 --> 00:02:51,209
for years now and finally it's happened

53
00:02:55,820 --> 00:02:54,060
that is Nick Redfern Nick how's it goin

54
00:02:57,740 --> 00:02:55,830
brother hey Ryan it's good thanks have

55
00:02:59,420 --> 00:02:57,750
another time yeah it's been pretty cool

56
00:03:01,430 --> 00:02:59,430
so far I didn't know what to expect

57
00:03:04,100 --> 00:03:01,440
coming here but I saw that you had

58
00:03:05,750 --> 00:03:04,110
spoken at this event last year I saw you

59
00:03:07,309 --> 00:03:05,760
on the list this year with a couple

60
00:03:09,740 --> 00:03:07,319
other people that I've been dying to

61
00:03:11,210 --> 00:03:09,750
meet so this is a big one for me

62
00:03:13,729 --> 00:03:11,220
well it's good I mean it's a good

63
00:03:14,960 --> 00:03:13,739

conference because yes well-organized

64

00:03:17,420 --> 00:03:14,970

which is a hoser

65

00:03:19,160 --> 00:03:17,430

you know sort of an important thing when

66

00:03:21,740 --> 00:03:19,170

you go to these events right but also

67

00:03:23,990 --> 00:03:21,750

there's a good variation of subjects

68

00:03:26,090 --> 00:03:24,000

it's not like everybody's doing similar

69

00:03:28,820 --> 00:03:26,100

stuff you know and I think particularly

70

00:03:32,600 --> 00:03:28,830

for the audience that's a good thing you

71

00:03:35,479 --> 00:03:32,610

know they they get a lecture on hoaxing

72

00:03:37,670 --> 00:03:35,489

and photographs somebody else is doing a

73

00:03:39,650 --> 00:03:37,680

historical case you know so I'm just

74

00:03:43,690 --> 00:03:39,660

talking about this sort of that and I

75

00:03:47,750 --> 00:03:43,700

think that kind of keeps people

76

00:03:49,640 --> 00:03:47,760

intrigued you know and sort of they're

77

00:03:51,830 --> 00:03:49,650

gonna keep on listening because there's

78

00:03:54,349 --> 00:03:51,840

so many different things that people are

79

00:03:57,080 --> 00:03:54,359

talking about so yeah it's just so

80

00:03:59,599 --> 00:03:57,090

always good and it's a nice venue

81

00:04:01,670 --> 00:03:59,609

Oh beautiful without in Lake Michigan

82

00:04:04,460 --> 00:04:01,680

we're in right on the water it's a

83

00:04:07,220 --> 00:04:04,470

perfect setting for any UFOs that have

84

00:04:10,190 --> 00:04:07,230

you know a good point though the

85

00:04:13,130 --> 00:04:10,200

variation of topics discussed with in

86

00:04:15,530 --> 00:04:13,140

ufology here I mean you have people who

87

00:04:17,840 --> 00:04:15,540

are talking for MUFON you have people

88

00:04:21,289 --> 00:04:17,850

who are here talking strictly about data

89

00:04:22,610 --> 00:04:21,299

and statistics with UFOs and then you've

90

00:04:24,890 --> 00:04:22,620

got people talking about actual

91

00:04:27,350 --> 00:04:24,900

experiences so kind of mixing and

92

00:04:29,659 --> 00:04:27,360

melding all that research together and

93

00:04:32,240 --> 00:04:29,669

working together instead of a part you

94

00:04:34,879 --> 00:04:32,250

know there's so many different factions

95

00:04:36,890 --> 00:04:34,889

within these research communities and

96

00:04:39,710 --> 00:04:36,900

people not willing to share their

97

00:04:41,990 --> 00:04:39,720

information so it's pretty refreshing to

98

00:04:44,930 --> 00:04:42,000

see everyone on the same page of an

99

00:04:46,820 --> 00:04:44,940

event like that yeah and I think you

100

00:04:48,390 --> 00:04:46,830

know the guys are like a sense of like

101
00:04:50,879 --> 00:04:48,400
community every

102
00:04:52,820 --> 00:04:50,889
funny sort of all we're all in it

103
00:04:55,290 --> 00:04:52,830
together you know somebody's lecturing

104
00:04:57,620 --> 00:04:55,300
somebody saying for the first time and

105
00:05:00,270 --> 00:04:57,630
they want to know what is all all about

106
00:05:02,010 --> 00:05:00,280
you know somebody may have come along

107
00:05:04,560 --> 00:05:02,020
because they they know that there's one

108
00:05:07,050 --> 00:05:04,570
of their favorite stories he's gonna be

109
00:05:09,659 --> 00:05:07,060
discussed so I think you know people

110
00:05:10,980 --> 00:05:09,669
have a lot of different motivations to

111
00:05:13,350 --> 00:05:10,990
coming to these events

112
00:05:15,499 --> 00:05:13,360
maybe somebody happens to see a UFO

113
00:05:18,210 --> 00:05:15,509

somewhere over Michigan last week

114

00:05:20,310 --> 00:05:18,220

realize there was a UFO geek coming

115

00:05:22,439 --> 00:05:20,320

along oh my god I gotta go and see that

116

00:05:24,000 --> 00:05:22,449

you know that's a good point you know

117

00:05:25,890 --> 00:05:24,010

you never know who's gonna come out of

118

00:05:27,450 --> 00:05:25,900

the woodwork and have a story to tell

119

00:05:29,460 --> 00:05:27,460

that's what I love about these offenses

120

00:05:31,439 --> 00:05:29,470

and when you're done talking someone

121

00:05:34,439 --> 00:05:31,449

comes up to you and I got a story to

122

00:05:36,240 --> 00:05:34,449

tell you so you know it's it's it's

123

00:05:38,460 --> 00:05:36,250

refreshing to know that you know it's

124

00:05:39,710 --> 00:05:38,470

not just these old cases that we've gone

125

00:05:42,240 --> 00:05:39,720

over a million times

126
00:05:45,240 --> 00:05:42,250
Roswell Rendlesham blah blah blah and

127
00:05:47,370 --> 00:05:45,250
there's stuff still going on yeah and

128
00:05:50,760 --> 00:05:47,380
you know sort of the most recent thing

129
00:05:54,060 --> 00:05:50,770
in I guess the UFO field lately has been

130
00:05:56,490 --> 00:05:54,070
this storm area51 event that happened

131
00:05:58,560 --> 00:05:56,500
yesterday have you heard any rumblings

132
00:06:01,529 --> 00:05:58,570
about how long I haven't but I do have

133
00:06:04,620 --> 00:06:01,539
my opinions on it all yeah and yeah I

134
00:06:08,909 --> 00:06:04,630
mean everybody knew fala G has heard of

135
00:06:11,640 --> 00:06:08,919
area 51 but also everybody just about in

136
00:06:13,680 --> 00:06:11,650
the public has heard of area 51

137
00:06:16,350 --> 00:06:13,690
regardless of whether you know their

138
00:06:19,469 --> 00:06:16,360

interest in UFOs or not people know that

139

00:06:21,210 --> 00:06:19,479

area 51 is like this sacred base out

140

00:06:23,820 --> 00:06:21,220

somewhere in the desert so it's to

141

00:06:26,939 --> 00:06:23,830

connect with UFOs just by everybody now

142

00:06:29,969 --> 00:06:26,949

has done that and I love it all and and

143

00:06:31,920 --> 00:06:29,979

I understand why people want the answers

144

00:06:35,550 --> 00:06:31,930

because they've been strange lights over

145

00:06:38,399 --> 00:06:35,560

area 51 people climate of work there and

146

00:06:41,399 --> 00:06:38,409

and said they saw this they saw that

147

00:06:44,219 --> 00:06:41,409

flying saucers dead aliens live aliens

148

00:06:49,439 --> 00:06:44,229

whatever so it's developed this sort of

149

00:06:51,180 --> 00:06:49,449

pop culture and ándale if you like and

150

00:06:54,060 --> 00:06:51,190

it's also become almost like a piece of

151
00:06:57,600 --> 00:06:54,070
Americana in oh yeah in its own strange

152
00:07:00,620 --> 00:06:57,610
way and I think for that reason it's

153
00:07:04,240 --> 00:07:00,630
become sort of a hotbed for people who

154
00:07:07,580 --> 00:07:04,250
go along to the to the base and sort of

155
00:07:10,250 --> 00:07:07,590
test the security personality and say

156
00:07:12,740 --> 00:07:10,260
you know basically how close can I get

157
00:07:15,680 --> 00:07:12,750
before I get you know pulled away in

158
00:07:18,170 --> 00:07:15,690
handcuffs real whatever and and people

159
00:07:21,170 --> 00:07:18,180
have been arrested you know and fine and

160
00:07:24,740 --> 00:07:21,180
just thrown in the slammer for 24 hours

161
00:07:26,510 --> 00:07:24,750
to teach him a lesson now for me it's I

162
00:07:28,160 --> 00:07:26,520
think it's fine to sort of go up to the

163
00:07:30,620 --> 00:07:28,170

little alien you know and hang out with

164

00:07:32,000 --> 00:07:30,630

a bunch of people talk about area 51 get

165

00:07:34,970 --> 00:07:32,010

some pictures of the mountains and all

166

00:07:38,330 --> 00:07:34,980

that but when people talk about storm in

167

00:07:40,880 --> 00:07:38,340

the base I mean I draw the parallel what

168

00:07:42,590 --> 00:07:40,890

would people say if a group of people

169

00:07:45,680 --> 00:07:42,600

got together and said we're gonna storm

170

00:07:47,780 --> 00:07:45,690

the Pentagon you know and and they

171

00:07:50,030 --> 00:07:47,790

actually tried to do it well that'd be

172

00:07:51,890 --> 00:07:50,040

like a major national security issue

173

00:07:55,370 --> 00:07:51,900

that if five hundred people got together

174

00:07:57,260 --> 00:07:55,380

and tried to invade the Pentagon and I

175

00:08:00,170 --> 00:07:57,270

take the view that it's no different

176

00:08:02,210 --> 00:08:00,180

that in today's world regardless of the

177

00:08:06,650 --> 00:08:02,220

fact that you want to find the answers

178

00:08:09,680 --> 00:08:06,660

to area 51 for me breaking into a US

179

00:08:12,440 --> 00:08:09,690

military base is not the way to do it

180

00:08:15,470 --> 00:08:12,450

because it's reckless it's dangerous and

181

00:08:18,050 --> 00:08:15,480

in the state the worlds in now having

182

00:08:18,890 --> 00:08:18,060

people invade a military base could get

183

00:08:21,410 --> 00:08:18,900

your head blown off

184

00:08:24,370 --> 00:08:21,420

Oh absent and there's also the fact you

185

00:08:27,620 --> 00:08:24,380

know the little-known fact that people

186

00:08:31,250 --> 00:08:27,630

may not be aware of or the possibility

187

00:08:35,360 --> 00:08:31,260

not the fact is that who's to say you

188

00:08:37,760 --> 00:08:35,370

know this keeps on happening and you

189

00:08:39,589 --> 00:08:37,770

know there's numerous people involved

190

00:08:42,620 --> 00:08:39,599

well who's to say that some of those

191

00:08:45,350 --> 00:08:42,630

aren't plants from somewhere else right

192

00:08:46,910 --> 00:08:45,360

you know Russia who knows I mean that

193

00:08:50,080 --> 00:08:46,920

might sound a bit paranoid but it would

194

00:08:56,840 --> 00:08:50,090

be the perfect place for those people to

195

00:08:59,300 --> 00:08:56,850

infiltrate like a UFO group hundreds of

196

00:09:01,460 --> 00:08:59,310

people and take a bunch of pictures and

197

00:09:05,300 --> 00:09:01,470

and if they're questioned you know oh

198

00:09:08,450 --> 00:09:05,310

you know I'm Hank from North Dakota when

199

00:09:11,660 --> 00:09:08,460

you're actually you know Ivan from

200

00:09:14,060 --> 00:09:11,670

the muscari right you know and I mean we

201
00:09:15,200 --> 00:09:14,070
could look at the the joke inside on it

202
00:09:20,079 --> 00:09:15,210
but it for me

203
00:09:23,329 --> 00:09:20,089
it comes down to it's almost like

204
00:09:25,880 --> 00:09:23,339
suggesting the people should break into

205
00:09:29,000 --> 00:09:25,890
an invade military bases on US dollar

206
00:09:31,910 --> 00:09:29,010
soil and I think that for me is crossing

207
00:09:33,829 --> 00:09:31,920
the line too far oh absolutely yeah we

208
00:09:37,550 --> 00:09:33,839
live in an age of social networking

209
00:09:40,820 --> 00:09:37,560
where people will do the dumbest things

210
00:09:44,360 --> 00:09:40,830
for clicks now or a YouTube view or an

211
00:09:47,000 --> 00:09:44,370
Instagram like all these fake things

212
00:09:50,480 --> 00:09:47,010
that we've built up to be so much in our

213
00:09:53,750 --> 00:09:50,490

human existence name so who's to say

214

00:09:56,870 --> 00:09:53,760

that one person isn't gonna try to run

215

00:09:58,790 --> 00:09:56,880

over that gate just for a video yeah

216

00:10:01,130 --> 00:09:58,800

that's the issue I have you know and

217

00:10:02,269 --> 00:10:01,140

they say well most people know that it's

218

00:10:03,949 --> 00:10:02,279

just a bit of fun

219

00:10:05,329 --> 00:10:03,959

and most people probably just gonna sit

220

00:10:07,670 --> 00:10:05,339

on the desert floor look at the Stars

221

00:10:11,870 --> 00:10:07,680

and hope they see something weird but

222

00:10:14,420 --> 00:10:11,880

there's always some guy who takes it too

223

00:10:16,579 --> 00:10:14,430

far and that is the person who's gonna

224

00:10:18,380 --> 00:10:16,589

make the news yeah you know when they

225

00:10:19,910 --> 00:10:18,390

just keep running and running through

226

00:10:21,860 --> 00:10:19,920

the desert or whatever that kind of

227

00:10:26,300 --> 00:10:21,870

thing yeah and that's where the damage

228

00:10:28,610 --> 00:10:26,310

could occur right so my view is that the

229

00:10:31,210 --> 00:10:28,620

plenty of ways to sort of research and

230

00:10:34,100 --> 00:10:31,220

investigate the history of area 51 and

231

00:10:36,920 --> 00:10:34,110

if people come forward claim to work for

232

00:10:39,199 --> 00:10:36,930

them you know deeply investigate their

233

00:10:41,000 --> 00:10:39,209

story and I think what Jason Moon is

234

00:10:43,850 --> 00:10:41,010

ignored is it's somewhere in between and

235

00:10:46,640 --> 00:10:43,860

I think the best way to approach it is

236

00:10:50,000 --> 00:10:46,650

to like a journalistic approach the

237

00:10:52,280 --> 00:10:50,010

wrong approach is to try and haul

238

00:10:55,430 --> 00:10:52,290

yourself over a fence and just keep on

239

00:10:57,710 --> 00:10:55,440

going and going until you see let's be

240

00:10:59,210 --> 00:10:57,720

honest you know I don't mean people a

241

00:11:01,610 --> 00:10:59,220

lot of people forget that when you get

242

00:11:03,800 --> 00:11:01,620

to like the little alien and you get to

243

00:11:05,540 --> 00:11:03,810

the you know the points where you've got

244

00:11:07,010 --> 00:11:05,550

the security person and they'll turn you

245

00:11:09,949 --> 00:11:07,020

around a lot of people don't realize

246

00:11:12,440 --> 00:11:09,959

you've still got like another 8 9 10

247

00:11:14,569 --> 00:11:12,450

miles whatever it is before you actually

248

00:11:17,300 --> 00:11:14,579

get to what you would consider to be

249

00:11:19,519 --> 00:11:17,310

area 51 you know people think when they

250

00:11:21,800 --> 00:11:19,529

get stopped there that's like the start

251
00:11:22,670 --> 00:11:21,810
of area 51 well what it really is it's

252
00:11:27,380 --> 00:11:22,680
the

253
00:11:31,220 --> 00:11:27,390
on going for miles and miles so that's

254
00:11:33,890 --> 00:11:31,230
why it's almost impossible to to get

255
00:11:37,640 --> 00:11:33,900
there but yeah yeah I mean that that's

256
00:11:40,610 --> 00:11:37,650
my view that's do do an investigation

257
00:11:43,280 --> 00:11:40,620
from a journalistic perspective because

258
00:11:46,460 --> 00:11:43,290
if you follow you know this sort of

259
00:11:49,190 --> 00:11:46,470
storming angle not only could you get

260
00:11:51,050 --> 00:11:49,200
your head blown off but you know you

261
00:11:52,910 --> 00:11:51,060
followed and people might find what I'm

262
00:11:54,920 --> 00:11:52,920
gonna say now if it's controversial but

263
00:11:58,400 --> 00:11:54,930

I think it's also true if you follow

264

00:12:01,760 --> 00:11:58,410

just start breaking or into military

265

00:12:03,410 --> 00:12:01,770

bases or threaten to storm them well

266

00:12:07,010 --> 00:12:03,420

that could put you follow gist unlike a

267

00:12:08,750 --> 00:12:07,020

national security watch list yeah we all

268

00:12:12,860 --> 00:12:08,760

go down because they want to because

269

00:12:15,440 --> 00:12:12,870

somebody some stupid guy decided he was

270

00:12:18,140 --> 00:12:15,450

gonna be try and be the one who gets to

271

00:12:21,170 --> 00:12:18,150

the base and finds the dead aliens and

272

00:12:23,450 --> 00:12:21,180

all this you know so but yeah I haven't

273

00:12:25,670 --> 00:12:23,460

actually heard anything you know as to

274

00:12:28,070 --> 00:12:25,680

what's gone down i i've heard rumblings

275

00:12:30,920 --> 00:12:28,080

you know the turnout was not that good

276

00:12:33,130 --> 00:12:30,930

I've heard that there's more people at

277

00:12:36,230 --> 00:12:33,140

this event with a here in Michigan

278

00:12:37,670 --> 00:12:36,240

otherwise you know so maybe at the end

279

00:12:40,820 --> 00:12:37,680

of the day it was pretty anticlimactic

280

00:12:43,940 --> 00:12:40,830

but that's the thing this was all a joke

281

00:12:46,010 --> 00:12:43,950

to begin with well it was but the

282

00:12:49,010 --> 00:12:46,020

important thing is you know people make

283

00:12:50,870 --> 00:12:49,020

jokes and somebody acts acts on it now

284

00:12:53,660 --> 00:12:50,880

and again run and you only need one

285

00:12:56,060 --> 00:12:53,670

person it so act on it and people will

286

00:12:57,560 --> 00:12:56,070

remember that they won't remember L was

287

00:12:59,750 --> 00:12:57,570

all a joke they'll remember the thing

288

00:13:01,910 --> 00:12:59,760

that this one person did itself a really

289

00:13:05,450 --> 00:13:01,920

really good point well sort of

290

00:13:07,430 --> 00:13:05,460

transitioning you did mention planting

291

00:13:10,850 --> 00:13:07,440

people mmm you know this idea of

292

00:13:14,150 --> 00:13:10,860

planting people into certain groups or

293

00:13:16,340 --> 00:13:14,160

or countries for information were to

294

00:13:19,640 --> 00:13:16,350

influence and that's kind of the the

295

00:13:21,980 --> 00:13:19,650

center of your talk here at the Michigan

296

00:13:25,310 --> 00:13:21,990

contact event and your new book and

297

00:13:27,620 --> 00:13:25,320

flying saucers from the Kremlin so I'd

298

00:13:29,120 --> 00:13:27,630

like to discuss a little bit about that

299

00:13:31,670 --> 00:13:29,130

with you now if you don't mind Nick um

300

00:13:34,460 --> 00:13:31,680

what made you want to write this book in

301
00:13:35,110 --> 00:13:34,470
the first place well over the years you

302
00:13:36,880 --> 00:13:35,120
know I got

303
00:13:39,730 --> 00:13:36,890
if it's here and there and sometimes

304
00:13:43,269 --> 00:13:39,740
more far more than snippets of how the

305
00:13:45,550 --> 00:13:43,279
Russians were perceived by US

306
00:13:48,940 --> 00:13:45,560
intelligence in the Cold War as trying

307
00:13:52,720 --> 00:13:48,950
to infiltrate the United States and you

308
00:13:56,890 --> 00:13:52,730
or and manipulating the mindset of the

309
00:13:59,890 --> 00:13:56,900
u.s. population to try and sort of seed

310
00:14:03,760 --> 00:13:59,900
and indoctrinate communism into the u.s.

311
00:14:06,070 --> 00:14:03,770
and find alternative ways to do it and

312
00:14:09,250 --> 00:14:06,080
some of those alternative ways actually

313
00:14:13,390 --> 00:14:09,260

involved flying saucers and UFOs in a

314

00:14:15,120 --> 00:14:13,400

really weird way yeah for example in the

315

00:14:18,160 --> 00:14:15,130

early 1950s you know with the whole

316

00:14:21,210 --> 00:14:18,170

contactee movement the space brothers

317

00:14:24,519 --> 00:14:21,220

you know these peace you know sort of

318

00:14:26,980 --> 00:14:24,529

friendly peaceful long-haired aliens

319

00:14:30,480 --> 00:14:26,990

kind of looking pretty much like us with

320

00:14:32,860 --> 00:14:30,490

a few slight differences you know and

321

00:14:35,620 --> 00:14:32,870

typically they would meet people out in

322

00:14:39,550 --> 00:14:35,630

desert locations California New Mexico

323

00:14:42,430 --> 00:14:39,560

Arizona and Utah and so on and you know

324

00:14:45,519 --> 00:14:42,440

it's a typical dead Debu Stood Still

325

00:14:47,019 --> 00:14:45,529

flying saucer comes down and you know

326

00:14:49,030 --> 00:14:47,029

this human looking ailing to come out

327

00:14:53,320 --> 00:14:49,040

and target certain people say you're

328

00:14:57,130 --> 00:14:53,330

gonna help us on our on our Road if you

329

00:15:01,540 --> 00:14:57,140

like to help your planet from destroying

330

00:15:04,150 --> 00:15:01,550

itself and so it was very much like like

331

00:15:06,400 --> 00:15:04,160

a like a peaceful kind of approach she

332

00:15:08,680 --> 00:15:06,410

wasn't some abductions you know where

333

00:15:09,730 --> 00:15:08,690

people traumatized and the memories of

334

00:15:12,730 --> 00:15:09,740

life and so on

335

00:15:14,410 --> 00:15:12,740

and a lot of these people kind of went

336

00:15:17,650 --> 00:15:14,420

on that path like probably the most

337

00:15:19,329 --> 00:15:17,660

famous one George Adamski whose first

338

00:15:21,850 --> 00:15:19,339

book came out well not his first book

339

00:15:28,240 --> 00:15:21,860

but his first non-fiction book if it was

340

00:15:31,090 --> 00:15:28,250

nonfiction yeah in 1953 now a lot of

341

00:15:33,579 --> 00:15:31,100

people don't know that's a damn scheme

342

00:15:36,340 --> 00:15:33,589

he was heavily involved in sort of

343

00:15:38,860 --> 00:15:36,350

spiritual mind/body/spirit stuff going

344

00:15:41,680 --> 00:15:38,870

way back to the 1930s and actually had

345

00:15:45,610 --> 00:15:41,690

written a couple of books as well in

346

00:15:48,040 --> 00:15:45,620

that kind of theme now when he started

347

00:15:49,930 --> 00:15:48,050

to get involved in the UFO subjects

348

00:15:53,620 --> 00:15:49,940

most people probably don't know that he

349

00:15:55,150 --> 00:15:53,630

had a deep interest in communism and in

350

00:15:58,150 --> 00:15:55,160

some of his early lectures he talked

351

00:16:00,490 --> 00:15:58,160

about how the aliens the space brothers

352

00:16:02,650 --> 00:16:00,500

were probably communists which sounds

353

00:16:03,880 --> 00:16:02,660

like really weird and crazy but if

354

00:16:06,850 --> 00:16:03,890

that's what he said he said that they

355

00:16:08,410 --> 00:16:06,860

were probably were communists and then

356

00:16:10,300 --> 00:16:08,420

people said well what do you think about

357

00:16:12,970 --> 00:16:10,310

that and he said well he actually said

358

00:16:15,579 --> 00:16:12,980

communism is a good thing and he said it

359

00:16:18,100 --> 00:16:15,589

almost certainly Russia's gonna rule the

360

00:16:19,360 --> 00:16:18,110

world for a thousand years and there's

361

00:16:21,040 --> 00:16:19,370

gonna be paste throughout that period

362

00:16:23,980 --> 00:16:21,050

and he actually said that that's

363

00:16:24,759 --> 00:16:23,990

actually recorded in the FBI's files on

364

00:16:29,259 --> 00:16:24,769

a damn ski

365

00:16:32,139 --> 00:16:29,269

now if danske was just someone lecturing

366

00:16:33,910 --> 00:16:32,149

to five people and somebody's dug you

367

00:16:36,400 --> 00:16:33,920

know on a Sunday afternoon in a local

368

00:16:37,960 --> 00:16:36,410

library nobody would have cared if

369

00:16:39,910 --> 00:16:37,970

you're just him you know talking about

370

00:16:42,220 --> 00:16:39,920

this but that's not what happened his

371

00:16:46,960 --> 00:16:42,230

first book flying saucers have landed

372

00:16:49,840 --> 00:16:46,970

the the first publication the 125,000

373

00:16:51,910 --> 00:16:49,850

copies were sold just about yeah I mean

374

00:16:54,730 --> 00:16:51,920

it was a huge seller so you've got this

375

00:16:58,180 --> 00:16:54,740

guy who's selling his book in six

376

00:17:01,420 --> 00:16:58,190

figures of sales and he's talking about

377

00:17:04,659 --> 00:17:01,430

how aliens are communists and communism

378

00:17:08,370 --> 00:17:04,669

is good yeah and that's why the FBI got

379

00:17:12,040 --> 00:17:08,380

involved because their concern was that

380

00:17:15,730 --> 00:17:12,050

Adamski whether his claims were real or

381

00:17:19,840 --> 00:17:15,740

not the FBI began began to suspect that

382

00:17:22,659 --> 00:17:19,850

a danske was essentially spreading

383

00:17:25,240 --> 00:17:22,669

communism but doing so under a UFO

384

00:17:26,380 --> 00:17:25,250

banner and so you know he can kind of go

385

00:17:29,169 --> 00:17:26,390

under the radar

386

00:17:31,299 --> 00:17:29,179

oh I'm just you know doing a UFO lecture

387

00:17:33,490 --> 00:17:31,309

if the FBI comes along which they

388

00:17:37,360 --> 00:17:33,500

actually did several times they visited

389

00:17:38,980 --> 00:17:37,370

in Wow and and so you know he his

390

00:17:40,510 --> 00:17:38,990

argument was well I'm just a UFO

391

00:17:43,180 --> 00:17:40,520

researcher well no actually you're not

392

00:17:45,190 --> 00:17:43,190

you're a UFO researcher talking to

393

00:17:47,320 --> 00:17:45,200

hundreds of thousands of people and

394

00:17:50,409 --> 00:17:47,330

spreading communism that was the FBI's

395

00:17:53,830 --> 00:17:50,419

approach you can understand and they

396

00:17:56,320 --> 00:17:53,840

actually suspected that although he

397

00:18:00,220 --> 00:17:56,330

obviously wasn't a Russian spike was

398

00:18:01,290 --> 00:18:00,230

they did they did suspect on many

399

00:18:05,330 --> 00:18:01,300

occasions

400

00:18:09,210 --> 00:18:05,340

that he was actually sort of hired or

401
00:18:13,320 --> 00:18:09,220
agreed to sort of further this communist

402
00:18:15,150 --> 00:18:13,330
angle and to you know to target the UFL

403
00:18:16,440 --> 00:18:15,160
community which is actually huge back

404
00:18:19,080 --> 00:18:16,450
then because I mean some of the

405
00:18:21,870 --> 00:18:19,090
conferences like outer giant rock in

406
00:18:24,450 --> 00:18:21,880
California where George Van Tassel would

407
00:18:26,700 --> 00:18:24,460
put on these contact events they had on

408
00:18:30,030 --> 00:18:26,710
weekend events a lot ten to twelve

409
00:18:33,480 --> 00:18:30,040
thousand people which you know and today

410
00:18:34,740 --> 00:18:33,490
we get like three or four hundred you

411
00:18:37,350 --> 00:18:34,750
have to sort of look at it for that

412
00:18:42,060 --> 00:18:37,360
perspective that's you know twelve

413
00:18:44,910 --> 00:18:42,070

thousand people in say 1953-54 all of

414

00:18:46,590 --> 00:18:44,920

those people listening to communism is

415

00:18:50,430 --> 00:18:46,600

great you know peace-loving hippies

416

00:18:51,570 --> 00:18:50,440

types and all this kind of thing and you

417

00:18:54,540 --> 00:18:51,580

can see had that the big difference

418

00:18:57,690 --> 00:18:54,550

between today and now back then

419

00:18:59,820 --> 00:18:57,700

ufology was seen not by ufologists but

420

00:19:04,770 --> 00:18:59,830

by the FBI and some of the agencies as

421

00:19:07,860 --> 00:19:04,780

being a potential community that was

422

00:19:12,240 --> 00:19:07,870

ripe for manipulation by the Russians

423

00:19:16,170 --> 00:19:12,250

and so the FBI watch the damn scheme for

424

00:19:18,630 --> 00:19:16,180

a long long time in a brand about 1982

425

00:19:23,220 --> 00:19:18,640

they Declassified about seventy five

426

00:19:26,760 --> 00:19:23,230

pages of for files of FBI files on a

427

00:19:28,200 --> 00:19:26,770

dance team and by probably I think about

428

00:19:31,920 --> 00:19:28,210

two thousand I think is about a hundred

429

00:19:33,990 --> 00:19:31,930

and fifty pages the V of the final file

430

00:19:35,970 --> 00:19:34,000

so as far as we know at least was

431

00:19:37,680 --> 00:19:35,980

actually Declassified about three months

432

00:19:42,440 --> 00:19:37,690

ago and that's just over four hundred

433

00:19:45,750 --> 00:19:42,450

pages a surveillance pipe documents on

434

00:19:50,040 --> 00:19:45,760

Adamski four hundred pages long spanning

435

00:19:53,970 --> 00:19:50,050

about 1949 to about rampant his

436

00:19:58,320 --> 00:19:53,980

death 1967 so you know you can see how

437

00:20:00,900 --> 00:19:58,330

easily and and why the FBI had these

438

00:20:02,850 --> 00:20:00,910

concerns now where the road whether or

439

00:20:06,030 --> 00:20:02,860

not he actually was you know being used

440

00:20:09,270 --> 00:20:06,040

by the Russians as a as a means to try

441

00:20:11,850 --> 00:20:09,280

and spread communism or was it just him

442

00:20:14,700 --> 00:20:11,860

saying it himself we don't know but the

443

00:20:21,030 --> 00:20:14,710

important thing is the FBI did recognize

444

00:20:24,450 --> 00:20:21,040

he's his ability to if you like real

445

00:20:27,150 --> 00:20:24,460

people in and say this is good that's

446

00:20:30,240 --> 00:20:27,160

bad so that was really the kind of the

447

00:20:32,580 --> 00:20:30,250

start of it all the when US intelligence

448

00:20:35,070 --> 00:20:32,590

sort of started to get their head around

449

00:20:37,520 --> 00:20:35,080

wow you know there are real year if I

450

00:20:40,110 --> 00:20:37,530

was up there but there's a possibility

451

00:20:43,220 --> 00:20:40,120

using like psychological warfare and

452

00:20:47,330 --> 00:20:43,230

disinformation that the Russians are now

453

00:20:51,240 --> 00:20:47,340

using this real phenomenon as a means to

454

00:20:53,310 --> 00:20:51,250

kickstart communism within the UFO field

455

00:20:55,680 --> 00:20:53,320

which was important because at that time

456

00:20:57,450 --> 00:20:55,690

I said it was a huge movement yeah you

457

00:21:00,060 --> 00:20:57,460

know in the Cold War

458

00:21:02,190 --> 00:21:00,070

yeah hate a bit yeah and then they tried

459

00:21:03,960 --> 00:21:02,200

a lot of other different obscure ways as

460

00:21:06,660 --> 00:21:03,970

well you know you followed you was just

461

00:21:10,770 --> 00:21:06,670

just war not just one way ya know in

462

00:21:14,630 --> 00:21:10,780

terms of you said we're not just talking

463

00:21:17,850 --> 00:21:14,640

using psychological warfare in terms of

464

00:21:20,100 --> 00:21:17,860

false information or disinformation or

465

00:21:23,010 --> 00:21:20,110

just you know pure fantasy we're talking

466

00:21:24,990 --> 00:21:23,020

also actual events I mean you you even

467

00:21:28,260 --> 00:21:25,000

talk in the book about going back to

468

00:21:30,390 --> 00:21:28,270

Roswell being sort of in Kenneth Arnold

469

00:21:32,550 --> 00:21:30,400

even being a part of this manipulation

470

00:21:34,380 --> 00:21:32,560

that the Russians may have been doing on

471

00:21:38,130 --> 00:21:34,390

the US could you maybe touch on that

472

00:21:40,770 --> 00:21:38,140

yeah I mean there's this I mean there's

473

00:21:44,310 --> 00:21:40,780

a very strange story concerning Roswell

474

00:21:47,760 --> 00:21:44,320

you know I mean the the idea that

475

00:21:50,370 --> 00:21:47,770

supposedly the Russians faked the

476

00:21:53,400 --> 00:21:50,380

Roswell events as a means to sort of

477

00:21:56,700 --> 00:21:53,410

create hysteria in the US no it's a very

478

00:21:59,010 --> 00:21:56,710

bizarre an extremely controversial story

479

00:22:02,100 --> 00:21:59,020

and he comes from a a woman named Annie

480

00:22:05,360 --> 00:22:02,110

Jacobson who wrote a book on area 51 and

481

00:22:07,770 --> 00:22:05,370

various other books and and also unlike

482

00:22:10,170 --> 00:22:07,780

Operation Paperclip when they bought the

483

00:22:13,380 --> 00:22:10,180

German scientist over at the set of end

484

00:22:15,120 --> 00:22:13,390

of the second world war and her area 51

485

00:22:17,100 --> 00:22:15,130

books that's a really good book I'm it's

486

00:22:19,310 --> 00:22:17,110

a really thick book you know a long book

487

00:22:22,500 --> 00:22:19,320

and it's filled with a lot of

488

00:22:26,250 --> 00:22:22,510

fascinating secret material on area 51

489

00:22:28,320 --> 00:22:26,260

but it concerned contains this bizarre

490

00:22:32,400 --> 00:22:28,330

story of house

491

00:22:35,190 --> 00:22:32,410

Joseph Stalin did a deal with Joseph

492

00:22:37,140 --> 00:22:35,200

Mengele who was one of the most deranged

493

00:22:39,420 --> 00:22:37,150

evil men who ever lived

494

00:22:42,660 --> 00:22:39,430

who did all these terrible experiments

495

00:22:46,260 --> 00:22:42,670

on people in this in the Second World

496

00:22:48,840 --> 00:22:46,270

War the story is that supposedly mangle

497

00:22:51,690 --> 00:22:48,850

a had the ability to take a number of

498

00:22:53,420 --> 00:22:51,700

children and physically alter them to

499

00:22:58,130 --> 00:22:53,430

make them look like what we would call

500

00:23:01,200 --> 00:22:58,140

aliens today as well as supposedly

501
00:23:04,110 --> 00:23:01,210
genetically or physically altering these

502
00:23:09,150 --> 00:23:04,120
children the the story is that the

503
00:23:12,210 --> 00:23:09,160
Porton brothers who were aviation people

504
00:23:15,000 --> 00:23:12,220
who designed a lot of futuristic looking

505
00:23:18,020 --> 00:23:15,010
aircraft supposedly they were brought in

506
00:23:21,720 --> 00:23:18,030
to design the craft and the plan

507
00:23:24,540 --> 00:23:21,730
allegedly was that this particular craft

508
00:23:28,290 --> 00:23:24,550
with his strange-looking kids inside

509
00:23:30,750 --> 00:23:28,300
would be remotely piloted from Russia to

510
00:23:33,780 --> 00:23:30,760
the United States and it was the story

511
00:23:37,890 --> 00:23:33,790
it was supposed to come down in like a

512
00:23:39,930 --> 00:23:37,900
highly populated part of the US but as

513
00:23:41,640 --> 00:23:39,940

it was going over New Mexico something

514

00:23:44,130 --> 00:23:41,650

went wrong it may have been a stall or

515

00:23:47,370 --> 00:23:44,140

lightning strike and it came down in

516

00:23:49,620 --> 00:23:47,380

Lincoln County New Mexico not too far

517

00:23:52,680 --> 00:23:49,630

from the town of Roswell about an hour's

518

00:23:55,020 --> 00:23:52,690

drive or so and so in other words the

519

00:23:58,500 --> 00:23:55,030

plan to have the aircraft come down

520

00:24:00,180 --> 00:23:58,510

these altered kids come out and then

521

00:24:02,220 --> 00:24:00,190

everybody would say oh my god the

522

00:24:04,140 --> 00:24:02,230

Martians are invading and it would sort

523

00:24:07,350 --> 00:24:04,150

of be like a parallel to the Orson

524

00:24:09,450 --> 00:24:07,360

Welles story of war the world you know

525

00:24:13,860 --> 00:24:09,460

when people who listen to awesome

526

00:24:16,380 --> 00:24:13,870

Wales's radio recording to this in 1939

527

00:24:18,630 --> 00:24:16,390

people who turn on the radio halfway

528

00:24:20,940 --> 00:24:18,640

through or whatever thought the Martians

529

00:24:22,980 --> 00:24:20,950

really were invaded they didn't realize

530

00:24:25,950 --> 00:24:22,990

it was a radio show so that was this

531

00:24:31,170 --> 00:24:25,960

supposedly inspiration for all this

532

00:24:33,900 --> 00:24:31,180

interest yeah now the the story gets

533

00:24:37,410 --> 00:24:33,910

sort of more controversial when if you

534

00:24:40,290 --> 00:24:37,420

look at it the idea of having one a

535

00:24:41,080 --> 00:24:40,300

futuristic aircraft being remotely

536

00:24:43,480 --> 00:24:41,090

flower

537

00:24:45,610 --> 00:24:43,490

from all the way from Russia buy another

538

00:24:48,310 --> 00:24:45,620

one I don't think that kind of

539

00:24:50,440 --> 00:24:48,320

technology was around then you know just

540

00:24:53,139 --> 00:24:50,450

just to strap four kids in a

541

00:24:56,169 --> 00:24:53,149

weird-looking aircraft and then remotely

542

00:25:00,460 --> 00:24:56,179

pile Italy all the way from Russia to

543

00:25:03,249 --> 00:25:00,470

the US now on top of that and this is

544

00:25:05,710 --> 00:25:03,259

actually in the book it talks about how

545

00:25:08,560 --> 00:25:05,720

they found Russian writing inside and

546

00:25:11,009 --> 00:25:08,570

that probably the stories you know that

547

00:25:16,180 --> 00:25:11,019

that inspired the the tales of like

548

00:25:20,080 --> 00:25:16,190

hieroglyphics on the yeah I mean but any

549

00:25:22,239 --> 00:25:20,090

kind of experts on you know Russian and

550

00:25:24,310 --> 00:25:22,249

Russian language would quickly say that

551

00:25:27,549 --> 00:25:24,320

it was Russian and the idea that the

552

00:25:31,480 --> 00:25:27,559

Russians you know were in cahoots with

553

00:25:33,249 --> 00:25:31,490

the aliens and I mean the idea that just

554

00:25:36,190 --> 00:25:33,259

that just the idea that they would put

555

00:25:38,379 --> 00:25:36,200

you know Russian right in in the craft

556

00:25:41,440 --> 00:25:38,389

makes no sense if you're trying to pull

557

00:25:44,440 --> 00:25:41,450

it off as being extraterrestrial that

558

00:25:48,519 --> 00:25:44,450

doesn't make much sense and so my view

559

00:25:50,830 --> 00:25:48,529

on all of this is that if you read any

560

00:25:52,810 --> 00:25:50,840

Jacobson's book it's a really good book

561

00:25:55,210 --> 00:25:52,820

and I would recommend it to everyone who

562

00:25:57,220 --> 00:25:55,220

wants to learn about area 51 it's not

563

00:26:00,669 --> 00:25:57,230

like a sensationalized book it's a good

564

00:26:04,330 --> 00:26:00,679

solid nonfiction book but it has this

565

00:26:08,049 --> 00:26:04,340

Roswell story inserted into it and I

566

00:26:10,419 --> 00:26:08,059

think possibly people out at area 51

567

00:26:12,159 --> 00:26:10,429

working there now thought well you know

568

00:26:14,019 --> 00:26:12,169

this book's got a lot of top-secret

569

00:26:17,470 --> 00:26:14,029

stuff you know that we don't want

570

00:26:21,509 --> 00:26:17,480

getting out how about we insert a really

571

00:26:23,919 --> 00:26:21,519

sensational story and have the press

572

00:26:26,190 --> 00:26:23,929

predominantly focusing on this

573

00:26:30,549 --> 00:26:26,200

controversial story about Roswell and

574

00:26:33,480 --> 00:26:30,559

the story that was about this you know

575

00:26:37,509 --> 00:26:33,490

this Russian Roswell thing was given to

576

00:26:40,690 --> 00:26:37,519

Annie Jacobson by a guy named Alfred

577

00:26:43,029 --> 00:26:40,700

O'Donnell it was he had ties to area 51

578

00:26:46,210 --> 00:26:43,039

and the military intelligence community

579

00:26:49,359 --> 00:26:46,220

and he provided that story now my view

580

00:26:51,279 --> 00:26:49,369

is that it was done deliberately to

581

00:26:53,930 --> 00:26:51,289

because it was such a sensationalized

582

00:26:58,159 --> 00:26:53,940

story I think the hope was

583

00:26:59,869 --> 00:26:58,169

that the media would forget most of the

584

00:27:02,600 --> 00:26:59,879

good stuff on area 51 that was in the

585

00:27:04,549 --> 00:27:02,610

book and focus on Roswell and for the

586

00:27:07,129 --> 00:27:04,559

mouse but that's what happened a lot of

587

00:27:10,700 --> 00:27:07,139

the be cut the coverage and publicity

588

00:27:12,980 --> 00:27:10,710

for the book focused on Roswell in this

589

00:27:16,639 --> 00:27:12,990

Russian story so I think it was designed

590

00:27:20,180 --> 00:27:16,649

to fear the book away in the media away

591

00:27:23,389 --> 00:27:20,190

from the legitimate real material record

592

00:27:25,570 --> 00:27:23,399

so I thought if there was any truth to

593

00:27:28,690 --> 00:27:25,580

it you know that would be like a

594

00:27:32,110 --> 00:27:28,700

psychological warfare manipulation

595

00:27:35,629 --> 00:27:32,120

involving a bogus story but also

596

00:27:37,999 --> 00:27:35,639

creating you know literally a craft and

597

00:27:41,869 --> 00:27:38,009

literally creating aliens in a very

598

00:27:44,840 --> 00:27:41,879

strange way yeah so I think but again

599

00:27:46,820 --> 00:27:44,850

that much of the story falls down so I

600

00:27:50,450 --> 00:27:46,830

actually think you know he really

601
00:27:53,659 --> 00:27:50,460
probably was a fabrication designed to

602
00:27:55,549 --> 00:27:53,669
as I said steer people away from what's

603
00:27:58,789 --> 00:27:55,559
what actually go on at area 51 and

604
00:28:01,249 --> 00:27:58,799
Ivan's getting all excited about this

605
00:28:03,259 --> 00:28:01,259
Russian story yeah and I'm sure from the

606
00:28:04,999 --> 00:28:03,269
Russians perspective they were probably

607
00:28:07,249 --> 00:28:05,009
quite happy and they probably still are

608
00:28:09,919 --> 00:28:07,259
to have people think or some people

609
00:28:12,740 --> 00:28:09,929
think that they were responsible for

610
00:28:14,720 --> 00:28:12,750
Roswell you know it kind of beefs up

611
00:28:17,029 --> 00:28:14,730
their image from the absolute from their

612
00:28:20,240 --> 00:28:17,039
perspective you know right you know and

613
00:28:23,060 --> 00:28:20,250

you know you take for instance you know

614

00:28:26,570 --> 00:28:23,070

I'm not comparing all of Russia to

615

00:28:28,430 --> 00:28:26,580

terrorists I'm not no America say

616

00:28:30,169 --> 00:28:28,440

something like that but you know a

617

00:28:33,470 --> 00:28:30,179

terrorist group will take any

618

00:28:35,450 --> 00:28:33,480

opportunity to take the the

619

00:28:40,070 --> 00:28:35,460

responsibility for something you know

620

00:28:42,470 --> 00:28:40,080

say so some pissed-off kid and in

621

00:28:44,330 --> 00:28:42,480

America does a pipe bomb in the middle

622

00:28:45,919 --> 00:28:44,340

of Times Square in New York of course

623

00:28:47,779 --> 00:28:45,929

some terrorist group is gonna say we

624

00:28:49,789 --> 00:28:47,789

were responsible in that you know and it

625

00:28:53,119 --> 00:28:49,799

can just that's idea of psychological

626

00:28:54,909 --> 00:28:53,129

warfare and in fear so of course the

627

00:28:57,690 --> 00:28:54,919

Russians are gonna say yeah we totally

628

00:29:01,500 --> 00:28:57,700

concocted this genius plan

629

00:29:03,060 --> 00:29:01,510

and changed ufology or not just ufology

630

00:29:05,490 --> 00:29:03,070

national security in the united states

631

00:29:08,519 --> 00:29:05,500

forever yeah you're right and I mean one

632

00:29:09,960 --> 00:29:08,529

of the things about ufology and what

633

00:29:13,740 --> 00:29:09,970

I've found over the years and the

634

00:29:16,669 --> 00:29:13,750

decades is that a lot of people in the

635

00:29:19,409 --> 00:29:16,679

field are very susceptible to

636

00:29:22,230 --> 00:29:19,419

sensational stories and with leaked

637

00:29:24,600 --> 00:29:22,240

documents things like that and so many

638

00:29:26,460 --> 00:29:24,610

people you know view these documents is

639

00:29:29,519 --> 00:29:26,470

real because he's got a top-secret stamp

640

00:29:30,960 --> 00:29:29,529

and the story sounds really cool and my

641

00:29:33,180 --> 00:29:30,970

view is well how do you actually know

642

00:29:34,889 --> 00:29:33,190

this is real just because it's a photo

643

00:29:37,649 --> 00:29:34,899

I'm it's a photocopy probably for the

644

00:29:40,259 --> 00:29:37,659

most part and just because somebody got

645

00:29:43,289 --> 00:29:40,269

their hands on a 1950s typewriter put a

646

00:29:45,450 --> 00:29:43,299

stamp on doesn't mean it's real it just

647

00:29:48,269 --> 00:29:45,460

means somebody has gone to a fairly good

648

00:29:49,259 --> 00:29:48,279

length to try and make something look

649

00:29:51,360 --> 00:29:49,269

like the real deal

650

00:29:53,549 --> 00:29:51,370

right but the problem is with in you

651
00:29:55,590 --> 00:29:53,559
follow gee so many people want these

652
00:29:57,419 --> 00:29:55,600
documents to be real I know they do

653
00:29:59,129 --> 00:29:57,429
because when people get disappointed

654
00:30:02,159 --> 00:29:59,139
about it Dayna

655
00:30:03,629 --> 00:30:02,169
a fake UFO documents they're

656
00:30:04,740 --> 00:30:03,639
disappointed by it that means they

657
00:30:05,700 --> 00:30:04,750
wanted it to be real

658
00:30:07,980 --> 00:30:05,710
oh yeah cause you're not going to get

659
00:30:09,000 --> 00:30:07,990
disappointed if you're just Lars I about

660
00:30:13,500 --> 00:30:09,010
it all over all right

661
00:30:16,200 --> 00:30:13,510
so and that and that is a good pointer

662
00:30:21,480 --> 00:30:16,210
because it demonstrates how easy it is

663
00:30:24,360 --> 00:30:21,490

to manipulate UFO people because the

664

00:30:28,919 --> 00:30:24,370

whole x-files I want to believe factor

665

00:30:31,590 --> 00:30:28,929

just plays into it all and and we all

666

00:30:34,680 --> 00:30:31,600

get you know questionable stuff known

667

00:30:36,810 --> 00:30:34,690

again and mysterious characters you know

668

00:30:39,240 --> 00:30:36,820

want to speak to you and I always tell

669

00:30:42,899 --> 00:30:39,250

people when you follow it but don't go

670

00:30:45,090 --> 00:30:42,909

into it with your head thinking okay

671

00:30:47,220 --> 00:30:45,100

this is the real deal just see where he

672

00:30:49,019 --> 00:30:47,230

goes maybe there's the real deal maybe

673

00:30:50,850 --> 00:30:49,029

it's gonna turn out to be garbage maybe

674

00:30:55,049 --> 00:30:50,860

it's gonna be hazy somewhere between the

675

00:30:59,279 --> 00:30:55,059

two and then reveal your results but

676
00:31:02,580 --> 00:30:59,289
don't get overly excited just because

677
00:31:05,220 --> 00:31:02,590
somebody says they once walked worked on

678
00:31:06,930 --> 00:31:05,230
an alien autopsy maybe they did but then

679
00:31:08,250 --> 00:31:06,940
it's taking all excited and telling

680
00:31:09,460 --> 00:31:08,260
everybody before you've done the

681
00:31:11,340 --> 00:31:09,470
investigation

682
00:31:14,170 --> 00:31:11,350
get them to take the whole story

683
00:31:15,820 --> 00:31:14,180
research it will give me the name of the

684
00:31:18,340 --> 00:31:15,830
other doctors you know that kind of

685
00:31:23,440 --> 00:31:18,350
thing and I think that's sometimes the

686
00:31:26,530 --> 00:31:23,450
problem ufology is so easily to mold and

687
00:31:28,870 --> 00:31:26,540
manipulate because so often people in

688
00:31:31,750 --> 00:31:28,880

the field jump the gun and I put a story

689

00:31:34,510 --> 00:31:31,760

out before it's finished researched and

690

00:31:36,040 --> 00:31:34,520

everybody then jumps onto it and you've

691

00:31:38,890 --> 00:31:36,050

got the hoax as who said oh yeah I

692

00:31:40,720 --> 00:31:38,900

worked on that program as well and then

693

00:31:44,380 --> 00:31:40,730

but then no one else had talked about it

694

00:31:46,590 --> 00:31:44,390

so you come out with it you know then I

695

00:31:48,610 --> 00:31:46,600

think one of the things that really

696

00:31:50,980 --> 00:31:48,620

stuck out to me you and I were

697

00:31:53,380 --> 00:31:50,990

discussing this yesterday when UFO

698

00:31:55,360 --> 00:31:53,390

researchers we've we've all been there

699

00:31:57,430 --> 00:31:55,370

someone approaches you and says I've got

700

00:31:59,410 --> 00:31:57,440

this groundbreaking information that I

701
00:32:01,900 --> 00:31:59,420
want to share with you and only you and

702
00:32:04,270 --> 00:32:01,910
you brought up something that I'd never

703
00:32:06,430 --> 00:32:04,280
really thought about either is not so

704
00:32:08,080 --> 00:32:06,440
much who is this person what is the

705
00:32:10,090 --> 00:32:08,090
information they're giving you but why

706
00:32:11,740 --> 00:32:10,100
why are they coming to you not

707
00:32:14,500 --> 00:32:11,750
specifically and I found that really

708
00:32:16,150 --> 00:32:14,510
interesting yeah I mean I think it's

709
00:32:18,550 --> 00:32:16,160
important to sort of look at the bigger

710
00:32:21,400 --> 00:32:18,560
picture of things you know the why and

711
00:32:23,620 --> 00:32:21,410
when of how you got this story and I

712
00:32:25,090 --> 00:32:23,630
mean I would say to people well is there

713
00:32:29,620 --> 00:32:25,100

anything else that you're looking into

714

00:32:31,320 --> 00:32:29,630

at this particular time and you know

715

00:32:34,680 --> 00:32:31,330

maybe the person was looking into

716

00:32:37,360 --> 00:32:34,690

visited hypothetical now but you know

717

00:32:39,880 --> 00:32:37,370

somebody's looking into the history of

718

00:32:42,460 --> 00:32:39,890

atomic energy in the US and then some of

719

00:32:44,230 --> 00:32:42,470

the old guy comes along hey I've heard

720

00:32:46,690 --> 00:32:44,240

about you be doing this research I can

721

00:32:50,620 --> 00:32:46,700

help you but that old person may

722

00:32:52,870 --> 00:32:50,630

actually be inserted to actually find

723

00:32:55,810 --> 00:32:52,880

out well why is this person looking into

724

00:32:58,240 --> 00:32:55,820

this whole story you know of atomic

725

00:33:01,510 --> 00:32:58,250

energy history in the u.s. right so

726

00:33:03,670 --> 00:33:01,520

sometimes you know the again the UFO

727

00:33:05,590 --> 00:33:03,680

subject can be used like that if

728

00:33:09,400 --> 00:33:05,600

somebody thinks you're doing something

729

00:33:11,020 --> 00:33:09,410

else yeah well let stays them and you

730

00:33:13,000 --> 00:33:11,030

know we'll we'll learn what they

731

00:33:14,620 --> 00:33:13,010

actually really are doing well at the

732

00:33:17,409 --> 00:33:14,630

dangly carrots you know give me

733

00:33:19,719 --> 00:33:17,419

something then yeah yeah

734

00:33:22,509 --> 00:33:19,729

you have all these stories of you know

735

00:33:25,419 --> 00:33:22,519

the Paul bennewitz is and the you know

736

00:33:27,609 --> 00:33:25,429

using people I'll see how the public

737

00:33:29,499 --> 00:33:27,619

will react a lot of people think the

738

00:33:31,779 --> 00:33:29,509

stories of Bob Lazar were another

739

00:33:34,029 --> 00:33:31,789

attempt to you know throw a couple

740

00:33:36,219 --> 00:33:34,039

carrots out there see how people are yet

741

00:33:39,339 --> 00:33:36,229

to the information well I mean you know

742

00:33:41,739 --> 00:33:39,349

I'm the issue of Bob Lazar I mean 30

743

00:33:44,349 --> 00:33:41,749

years well more than 30 years 31 32

744

00:33:46,889 --> 00:33:44,359

years now since he he came out and

745

00:33:49,810 --> 00:33:46,899

talked about all this I mean it's still

746

00:33:52,089 --> 00:33:49,820

debated you know it's it hasn't done

747

00:33:56,019 --> 00:33:52,099

away regardless of whether you buy into

748

00:34:00,009 --> 00:33:56,029

it or don't but again I mean for me I

749

00:34:02,889 --> 00:34:00,019

think whatever the reason was that that

750

00:34:07,259 --> 00:34:02,899

whole plan if you like the whole program

751

00:34:10,839 --> 00:34:07,269

was was initiated to achieve the the

752

00:34:14,710 --> 00:34:10,849

endgame that he has achieved now why it

753

00:34:17,919 --> 00:34:14,720

was done I don't know now I don't

754

00:34:21,039 --> 00:34:17,929

believe Lazar was a liar like you know

755

00:34:23,289 --> 00:34:21,049

there are people in ufology who do think

756

00:34:25,930 --> 00:34:23,299

he's just an outright liar I member Stan

757

00:34:27,190 --> 00:34:25,940

Freeman famously said this is a bonk

758

00:34:29,700 --> 00:34:27,200

bonk bonk

759

00:34:32,169 --> 00:34:29,710

he said he three times like this is

760

00:34:36,519 --> 00:34:32,179

bong-bong-bong and he had no time for

761

00:34:38,859 --> 00:34:36,529

bob lazar at all but to me Lazar doesn't

762

00:34:41,409 --> 00:34:38,869

come across like your average hoaxer you

763

00:34:43,359 --> 00:34:41,419

know I mean you think about it's 88 when

764

00:34:46,450 --> 00:34:43,369

he came out under an alias when started

765

00:34:51,659 --> 00:34:46,460

in with a radio 89 we got his name and

766

00:34:53,950 --> 00:34:51,669

now you know it's almost 2020 and if

767

00:34:57,309 --> 00:34:53,960

although he's bought autobiographies

768

00:34:58,539 --> 00:34:57,319

coming out very soon the fact is pretty

769

00:35:00,759 --> 00:34:58,549

much up until the last couple of years

770

00:35:03,039 --> 00:35:00,769

he didn't do anything with that story he

771

00:35:05,069 --> 00:35:03,049

told people this is what happened like

772

00:35:10,809 --> 00:35:05,079

it or not and if you don't like it

773

00:35:15,190 --> 00:35:10,819

whatever you know and so you know he did

774

00:35:18,460 --> 00:35:15,200

at that time 88 89 90 when he was like

775

00:35:20,650 --> 00:35:18,470

really huge he didn't write a book he

776

00:35:22,450 --> 00:35:20,660

didn't have a movie he did a few

777

00:35:28,010 --> 00:35:22,460

lectures but he wasn't like someone who

778

00:35:30,710 --> 00:35:28,020

was on like a 70 city tour of the US

779

00:35:33,320 --> 00:35:30,720

very underground yeah no that that isn't

780

00:35:35,020 --> 00:35:33,330

really how the average hoaxer comes

781

00:35:36,920 --> 00:35:35,030

across in ufology I mean I've met

782

00:35:40,280 --> 00:35:36,930

unfortunately you know more than a few

783

00:35:43,700 --> 00:35:40,290

hoaxes out of the years and you know

784

00:35:47,690 --> 00:35:43,710

money comes up almost immediately a lot

785

00:35:51,230 --> 00:35:47,700

of stuff that can't be proved and when

786

00:35:53,060 --> 00:35:51,240

the initial core story sort of goes

787

00:35:55,370 --> 00:35:53,070

quiet after they finished their lecture

788

00:35:56,810 --> 00:35:55,380

circuit thing for three months then they

789

00:35:59,210 --> 00:35:56,820

say oh you know I've had some more

790

00:36:01,820 --> 00:35:59,220

experiences so they can get back on the

791

00:36:05,660 --> 00:36:01,830

lecture circuit you know that's how so

792

00:36:09,740 --> 00:36:05,670

many ufologists excuse me UFO witnesses

793

00:36:12,140 --> 00:36:09,750

I mean who may have fabricated something

794

00:36:14,090 --> 00:36:12,150

that's how they work but Lazar didn't

795

00:36:16,730 --> 00:36:14,100

were like that it really was well I've

796

00:36:18,350 --> 00:36:16,740

told my I've told you my story if you

797

00:36:21,650 --> 00:36:18,360

don't like it and you don't believe me

798

00:36:25,970 --> 00:36:21,660

there's the front door you know and and

799

00:36:29,120 --> 00:36:25,980

that's not how most hoaxes of works and

800

00:36:33,620 --> 00:36:29,130

and I mean if he was a hoaxer in that

801
00:36:37,310 --> 00:36:33,630
period 89 90 he could have you know sort

802
00:36:41,420 --> 00:36:37,320
of dominated ufology for years lectures

803
00:36:45,050 --> 00:36:41,430
conferences TV shows movies the whole

804
00:36:49,490 --> 00:36:45,060
thing and I don't see what he gained

805
00:36:51,230 --> 00:36:49,500
back then for doing that because he

806
00:36:53,720 --> 00:36:51,240
didn't really gain anything other than

807
00:36:57,860 --> 00:36:53,730
notoriety and people saying you full of

808
00:37:01,160 --> 00:36:57,870
crap you know so so that's why I think

809
00:37:04,730 --> 00:37:01,170
he was part of it but he was like an

810
00:37:07,630 --> 00:37:04,740
innocent Patsy who used as a means to

811
00:37:11,570 --> 00:37:07,640
for whatever reason I think somebody

812
00:37:14,300 --> 00:37:11,580
probably in area 51 wanted to get the

813
00:37:15,140 --> 00:37:14,310

story out that yes there are aliens at

814

00:37:19,280 --> 00:37:15,150

area 51

815

00:37:22,310 --> 00:37:19,290

now why somebody might do that that's a

816

00:37:25,040 --> 00:37:22,320

big question I think the the possibility

817

00:37:27,470 --> 00:37:25,050

could have been you know and this is

818

00:37:29,720 --> 00:37:27,480

hypothetical but maybe if there were

819

00:37:32,660 --> 00:37:29,730

sort of fears that there were Russian

820

00:37:34,940 --> 00:37:32,670

agents in the US and looking into our

821

00:37:37,610 --> 00:37:34,950

defense systems and you know pretending

822

00:37:39,800 --> 00:37:37,620

to be tourists that kind of thing well

823

00:37:41,480 --> 00:37:39,810

if you put a story out this there's

824

00:37:41,839 --> 00:37:41,490

something really weird and sensational

825

00:37:45,650 --> 00:37:41,849

go

826
00:37:48,439 --> 00:37:45,660
today 51 and they get someone involved

827
00:37:52,279 --> 00:37:48,449
who can essentially vindicate it like

828
00:37:54,650 --> 00:37:52,289
Lazar and and you've got all these

829
00:37:56,900 --> 00:37:54,660
Russian spies you know looking into it

830
00:37:58,759 --> 00:37:56,910
and because it's so sensational

831
00:38:00,380 --> 00:37:58,769
there's no way they're not going to

832
00:38:02,779 --> 00:38:00,390
invest the Russians aren't going to look

833
00:38:04,400 --> 00:38:02,789
into it well maybe that's like just like

834
00:38:07,130 --> 00:38:04,410
you know the fishermen reeling in the

835
00:38:08,930 --> 00:38:07,140
fish but US intelligence reels in the

836
00:38:11,029 --> 00:38:08,940
Russian spies because they're all

837
00:38:12,849 --> 00:38:11,039
hovering around area 51 because they've

838
00:38:15,229 --> 00:38:12,859

heard all these stories about

839

00:38:18,259 --> 00:38:15,239

sensational alien technology and weapons

840

00:38:20,150 --> 00:38:18,269

and oh my god the Americans have got

841

00:38:22,489 --> 00:38:20,160

this and we haven't we need to find out

842

00:38:25,009 --> 00:38:22,499

what's going on and if I recall weren't

843

00:38:28,189 --> 00:38:25,019

some of our first images ever of area 51

844

00:38:29,900 --> 00:38:28,199

from Russian yeah satellites yeah Wow

845

00:38:32,509 --> 00:38:29,910

so the Russians knew something was going

846

00:38:34,430 --> 00:38:32,519

on yeah yeah and if they were trying to

847

00:38:36,680 --> 00:38:34,440

find out more and more somebody in the

848

00:38:40,009 --> 00:38:36,690

area 51 might have said well let's give

849

00:38:42,289 --> 00:38:40,019

him the ultimate fish in the river you

850

00:38:44,420 --> 00:38:42,299

know and Jim Bell they'll catch it yeah

851
00:38:47,449 --> 00:38:44,430
and then we'll catch them isn't it funny

852
00:38:49,459 --> 00:38:47,459
it's let's say for just a moment that

853
00:38:51,259 --> 00:38:49,469
the Russians were responsible for

854
00:38:54,140 --> 00:38:51,269
Roswell and whatever happened there

855
00:38:57,920 --> 00:38:54,150
crash whatever was involved with that

856
00:39:00,140 --> 00:38:57,930
was brought to area 51 and now in return

857
00:39:02,959 --> 00:39:00,150
of them trying to create a hysteria in

858
00:39:05,329 --> 00:39:02,969
America now we're creating a hysteria

859
00:39:08,359 --> 00:39:05,339
for Russia thinking we have the same

860
00:39:11,660 --> 00:39:08,369
technology yeah nothing I think so many

861
00:39:14,719 --> 00:39:11,670
people in ufology don't recognize those

862
00:39:16,849 --> 00:39:14,729
weird sides to the phenomenon or the

863
00:39:19,249 --> 00:39:16,859

subject you know they think it's it's

864

00:39:22,849 --> 00:39:19,259

black and white it's aliens it's

865

00:39:25,759 --> 00:39:22,859

government cover-ups and and and that is

866

00:39:29,930 --> 00:39:25,769

you know that is a major part of it but

867

00:39:33,499 --> 00:39:29,940

so many people don't recognize the the

868

00:39:35,749 --> 00:39:33,509

full nature and the scope of how the

869

00:39:40,459 --> 00:39:35,759

subject and the people in it can be so

870

00:39:43,069 --> 00:39:40,469

easily manipulated and sent down this

871

00:39:44,449 --> 00:39:43,079

path and that path not even realizing

872

00:39:48,680 --> 00:39:44,459

that somebody's pulling their strings

873

00:39:51,380 --> 00:39:48,690

and all they see is the excitement

874

00:39:54,950 --> 00:39:51,390

factor and it is exciting but you can't

875

00:39:57,650 --> 00:39:54,960

just focus on that factor you've got a

876

00:40:00,589 --> 00:39:57,660

you know a tackle every aspect of

877

00:40:03,109 --> 00:40:00,599

whatever it is you do right right well I

878

00:40:05,240 --> 00:40:03,119

knew I knew we can connect area 51 to

879

00:40:08,029 --> 00:40:05,250

Russia so glad we found our way around

880

00:40:10,480 --> 00:40:08,039

that one um sort of wrapping up that

881

00:40:14,480 --> 00:40:10,490

this part of it Nick like the history of

882

00:40:16,430 --> 00:40:14,490

Russia and and even America influencing

883

00:40:18,589 --> 00:40:16,440

its own people and when it comes to the

884

00:40:21,769 --> 00:40:18,599

UFO topic you brought up something in

885

00:40:23,359 --> 00:40:21,779

the book this strategy to defuse the UFO

886

00:40:26,240 --> 00:40:23,369

hysteria using the Walt Disney

887

00:40:28,160 --> 00:40:26,250

Corporation oh yeah that was a really

888

00:40:29,779 --> 00:40:28,170

interesting part of the apology that a

889

00:40:31,760 --> 00:40:29,789

lot of people don't really know about

890

00:40:33,650 --> 00:40:31,770

could you maybe sort of wrapping this

891

00:40:37,240 --> 00:40:33,660

section up talking yeah that a little

892

00:40:40,160 --> 00:40:37,250

bit yeah I mean both sides recognize the

893

00:40:43,640 --> 00:40:40,170

the way in which the UFO subject could

894

00:40:46,220 --> 00:40:43,650

be manipulated as a means to alter

895

00:40:49,400 --> 00:40:46,230

people's views on just about anything

896

00:40:52,220 --> 00:40:49,410

really but the the Robertson panel was

897

00:40:56,390 --> 00:40:52,230

this prestigious panel set up in the

898

00:40:59,420 --> 00:40:56,400

early 1950s essentially - not so much

899

00:41:02,690 --> 00:40:59,430

investigate UFOs as sightings and

900

00:41:05,089 --> 00:41:02,700

encounters but have predominantly the

901
00:41:08,630 --> 00:41:05,099
phenomenon could be used from

902
00:41:11,329 --> 00:41:08,640
psychological perspectives and one of

903
00:41:13,099 --> 00:41:11,339
the fears was that the you know the

904
00:41:16,460 --> 00:41:13,109
Russians would use psychological warfare

905
00:41:19,299 --> 00:41:16,470
and so the plan with the Robertson panel

906
00:41:22,069 --> 00:41:19,309
was to sort of try and defuse the

907
00:41:24,849 --> 00:41:22,079
hysteria and the mania and the interest

908
00:41:28,069 --> 00:41:24,859
that was developing in terms of UFOs and

909
00:41:30,680 --> 00:41:28,079
they had a lot of strange plans one of

910
00:41:32,990 --> 00:41:30,690
them was to sort of enlist the help of

911
00:41:36,470 --> 00:41:33,000
the Walt Disney Corporation and have

912
00:41:38,750 --> 00:41:36,480
them make sort of little movies kind of

913
00:41:42,200 --> 00:41:38,760

you know putting it in like a

914

00:41:44,029 --> 00:41:42,210

tongue-in-cheek perspective but also you

915

00:41:46,010 --> 00:41:44,039

know making the point that well there's

916

00:41:48,109 --> 00:41:46,020

not much to this really at all it's just

917

00:41:52,250 --> 00:41:48,119

a bit of entertainments and people like

918

00:41:54,680 --> 00:41:52,260

it and you know pop culture and diffuse

919

00:41:56,839 --> 00:41:54,690

the idea that's you know there are

920

00:41:59,120 --> 00:41:56,849

Russia or that they're a communist

921

00:42:01,519 --> 00:41:59,130

aliens coming or that there are just

922

00:42:05,240 --> 00:42:01,529

aliens coming period you know that the

923

00:42:07,420 --> 00:42:05,250

idea was to just try and lay this all to

924

00:42:09,010 --> 00:42:07,430

rest and people will just go back to

925

00:42:13,180 --> 00:42:09,020

you know their regular lives before

926
00:42:15,670 --> 00:42:13,190
Flying Saucer surfaced in 1947 but again

927
00:42:18,430 --> 00:42:15,680
that the Robertson panel very quickly

928
00:42:21,609 --> 00:42:18,440
realized that you know just with a few

929
00:42:25,960 --> 00:42:21,619
tweaks and turns here and there you know

930
00:42:27,940 --> 00:42:25,970
they could actually alter the mindset to

931
00:42:30,670 --> 00:42:27,950
a degree and I mean if you think about

932
00:42:34,210 --> 00:42:30,680
it whether this was due to the Robertson

933
00:42:37,420 --> 00:42:34,220
panel or not but although the UFO

934
00:42:40,240 --> 00:42:37,430
subjects definitely obviously continued

935
00:42:43,480 --> 00:42:40,250
after 1953-54 when all this was going on

936
00:42:48,269 --> 00:42:43,490
but the political side of it we like the

937
00:42:50,470 --> 00:42:48,279
space brothers you know the contactees

938
00:42:54,279 --> 00:42:50,480

Adamski and the FBI watching all these

939

00:42:56,829 --> 00:42:54,289

people that really did go away after

940

00:42:59,650 --> 00:42:56,839

like the late 50's you know and it was

941

00:43:02,019 --> 00:42:59,660

all just about aliens and UFOs but if

942

00:43:04,029 --> 00:43:02,029

you go back to that fifties period it

943

00:43:07,180 --> 00:43:04,039

was filled with politics and just when

944

00:43:09,819 --> 00:43:07,190

all the contactees had files open on him

945

00:43:14,010 --> 00:43:09,829

you know George George Van Tassel's file

946

00:43:18,190 --> 00:43:14,020

who created the integratron yeah and

947

00:43:21,599 --> 00:43:18,200

lived out a giant rock his files his FBI

948

00:43:25,870 --> 00:43:21,609

files more than 400 pages gray Barker

949

00:43:28,510 --> 00:43:25,880

he's was about 75 pages George hunt

950

00:43:31,839 --> 00:43:28,520

Williamson he's about 65 pages and it

951
00:43:36,279 --> 00:43:31,849
goes on and on so there was this period

952
00:43:38,529 --> 00:43:36,289
for sure from 47 to about 59 58 that

953
00:43:41,740 --> 00:43:38,539
politics and the Russians and all this

954
00:43:46,089 --> 00:43:41,750
stuff you know was was going on and then

955
00:43:49,269 --> 00:43:46,099
to a large degree in terms of the FBI

956
00:43:51,309 --> 00:43:49,279
angle and the Russian angle went away so

957
00:43:53,970 --> 00:43:51,319
you know you could make a case that part

958
00:43:56,349 --> 00:43:53,980
of it that may have been influenced by

959
00:43:58,390 --> 00:43:56,359
you know people like the Russian and

960
00:44:01,599 --> 00:43:58,400
it's giving me like the the Robertson

961
00:44:04,029 --> 00:44:01,609
panel but you know it obviously didn't

962
00:44:06,700 --> 00:44:04,039
take away the UFO subjects right it just

963
00:44:07,359 --> 00:44:06,710

meant politics largely went out of it

964

00:44:09,700 --> 00:44:07,369

yeah

965

00:44:12,010 --> 00:44:09,710

but although the politics side went out

966

00:44:13,960 --> 00:44:12,020

of its you know the disinformation and

967

00:44:16,750 --> 00:44:13,970

the counterintelligence programs against

968

00:44:19,809 --> 00:44:16,760

the Russians that didn't go away but the

969

00:44:21,040 --> 00:44:19,819

you know the idea of people talking to

970

00:44:23,530 --> 00:44:21,050

communists alien

971

00:44:26,920 --> 00:44:23,540

that did kind of you know sort of go

972

00:44:30,040 --> 00:44:26,930

away so turn of the sixties thereabouts

973

00:44:34,210 --> 00:44:30,050

okay yeah it's it's fascinating to think

974

00:44:36,610 --> 00:44:34,220

of how you can use the UFO topic to mold

975

00:44:38,680 --> 00:44:36,620

and manipulate a certain narrative you

976

00:44:40,750 --> 00:44:38,690

could look at it now with this whole to

977

00:44:42,010 --> 00:44:40,760

the Stars Academy thing you know they

978

00:44:44,590 --> 00:44:42,020

they've got all these former

979

00:44:47,410 --> 00:44:44,600

intelligence officers counterterrorism

980

00:44:50,350 --> 00:44:47,420

people military people telling the

981

00:44:52,840 --> 00:44:50,360

public these things are being seen by

982

00:44:55,300 --> 00:44:52,850

our military our Navy our Air Force and

983

00:44:57,940 --> 00:44:55,310

they they pose a national security

984

00:45:00,550 --> 00:44:57,950

threat and so right now you've got the

985

00:45:03,520 --> 00:45:00,560

most visible UFO group out there to the

986

00:45:06,360 --> 00:45:03,530

Stars Academy hitting every major media

987

00:45:08,980 --> 00:45:06,370

news outlet reaching the biggest public

988

00:45:11,590 --> 00:45:08,990

platform we've really had in the UFO

989

00:45:13,930 --> 00:45:11,600

field for a while saying these things

990

00:45:16,540 --> 00:45:13,940

are dangerous and we need our military

991

00:45:18,460 --> 00:45:16,550

to take care of them in that boom I'm

992

00:45:20,650 --> 00:45:18,470

sure our military budgets are just

993

00:45:23,530 --> 00:45:20,660

skyrocketing well yeah I mean that's a

994

00:45:25,480 --> 00:45:23,540

good point because I think you know if

995

00:45:27,070 --> 00:45:25,490

you look at the history of ufology in

996

00:45:29,130 --> 00:45:27,080

terms of the government US government

997

00:45:31,870 --> 00:45:29,140

yeah project sign project Drudge

998

00:45:34,360 --> 00:45:31,880

Robertson panel and Blue Book and you

999

00:45:36,640 --> 00:45:34,370

know we were told that after 69 it was

1000

00:45:38,080 --> 00:45:36,650

all canned you know it was all over when

1001
00:45:42,550 --> 00:45:38,090
act and we learned you know the end of

1002
00:45:45,790 --> 00:45:42,560
2017 it wasn't over and I think why that

1003
00:45:48,430 --> 00:45:45,800
whole time frame like 2017 early 2018

1004
00:45:50,320 --> 00:45:48,440
was important was because you know the

1005
00:45:51,820 --> 00:45:50,330
debunkers skeptics said well the

1006
00:45:54,210 --> 00:45:51,830
government's not involved in ufology

1007
00:45:57,700 --> 00:45:54,220
anymore but he actually was you know and

1008
00:46:00,040 --> 00:45:57,710
I think well they I don't think I know

1009
00:46:03,340 --> 00:46:00,050
you know that the the mainstream media

1010
00:46:05,770 --> 00:46:03,350
you New York Times CNN everybody covered

1011
00:46:08,050 --> 00:46:05,780
this story and they still cover it now

1012
00:46:12,460 --> 00:46:08,060
when bits and pieces of no material

1013
00:46:14,800 --> 00:46:12,470

comes out so I think regardless of how

1014

00:46:17,020 --> 00:46:14,810

much research is going on with this

1015

00:46:20,020 --> 00:46:17,030

program I think another part of it is is

1016

00:46:23,020 --> 00:46:20,030

to see what the response is now not just

1017

00:46:25,390 --> 00:46:23,030

on the you know the five or six thousand

1018

00:46:29,380 --> 00:46:25,400

people in ufology but also the general

1019

00:46:32,290 --> 00:46:29,390

public and the media and say I see how

1020

00:46:33,800 --> 00:46:32,300

all three communities if you like

1021

00:46:36,320 --> 00:46:33,810

respond so

1022

00:46:39,320 --> 00:46:36,330

and so I think that's part of it it's

1023

00:46:42,970 --> 00:46:39,330

it's all I think it is legitimate in UFO

1024

00:46:47,800 --> 00:46:42,980

investigations but it's also like a

1025

00:46:50,690 --> 00:46:47,810

psychological study of the mindset of

1026
00:46:53,060 --> 00:46:50,700
what different people think about this

1027
00:46:54,920 --> 00:46:53,070
program and is it affecting them are

1028
00:46:57,650 --> 00:46:54,930
they thinking about it so there's

1029
00:47:00,440 --> 00:46:57,660
there's way more to it there's way more

1030
00:47:05,780 --> 00:47:00,450
to it I think and although I'm not a big

1031
00:47:08,180 --> 00:47:05,790
fan of disclosure mainly because it for

1032
00:47:10,130 --> 00:47:08,190
me it's almost like the the story of the

1033
00:47:12,470 --> 00:47:10,140
boy who cried wolf you know he cried too

1034
00:47:14,960 --> 00:47:12,480
many times and nobody came yeah and I

1035
00:47:17,930 --> 00:47:14,970
think that that's the main issue I have

1036
00:47:20,780 --> 00:47:17,940
with disclosure is not the the concept

1037
00:47:22,790 --> 00:47:20,790
of disclosure I got tired of here in

1038
00:47:25,670 --> 00:47:22,800

certain people conferences saying I've

1039

00:47:28,580 --> 00:47:25,680

got a high-ranking source who told me

1040

00:47:31,910 --> 00:47:28,590

you know that disclosures coming next

1041

00:47:34,490 --> 00:47:31,920

Thursday at 2:45 after whatever shows he

1042

00:47:36,410 --> 00:47:34,500

played out on the particular TV channel

1043

00:47:38,000 --> 00:47:36,420

I'm in a big sarcastic there you know

1044

00:47:40,190 --> 00:47:38,010

but I mean you get the point

1045

00:47:42,830 --> 00:47:40,200

people in the disclosure movement were

1046

00:47:44,480 --> 00:47:42,840

saying I've got got a contact and I

1047

00:47:46,640 --> 00:47:44,490

think it's coming out this year or it's

1048

00:47:49,160 --> 00:47:46,650

coming out later this year if not it's

1049

00:47:50,320 --> 00:47:49,170

the year after and that that's what sort

1050

00:47:53,210 --> 00:47:50,330

of pissed me off with the whole

1051
00:47:56,270 --> 00:47:53,220
disclosure movement I was like if you've

1052
00:47:58,940 --> 00:47:56,280
got nothing to say that's solid well go

1053
00:48:02,600 --> 00:47:58,950
away and come back when you're for sure

1054
00:48:05,690 --> 00:48:02,610
no the disclosures coming so that is my

1055
00:48:08,300 --> 00:48:05,700
issue now could disclosure happen well

1056
00:48:11,150 --> 00:48:08,310
it could but for me it's been smeared

1057
00:48:12,260 --> 00:48:11,160
with all these stories of yeah it's

1058
00:48:14,390 --> 00:48:12,270
coming next week that's coming next

1059
00:48:17,270 --> 00:48:14,400
month what's coming next year but in

1060
00:48:20,330 --> 00:48:17,280
saying that again I mean there could be

1061
00:48:22,550 --> 00:48:20,340
legitimate disclosure and we all finally

1062
00:48:26,140 --> 00:48:22,560
get the truth or it could be like a

1063
00:48:30,950 --> 00:48:26,150

fabricated manipulated disclosure where

1064

00:48:32,660 --> 00:48:30,960

for example you know people believe that

1065

00:48:34,460 --> 00:48:32,670

something has happened when he could

1066

00:48:36,340 --> 00:48:34,470

have been kind of like with the War of

1067

00:48:38,900 --> 00:48:36,350

the Worlds you know that was just a

1068

00:48:40,790 --> 00:48:38,910

entertainment but people bought into it

1069

00:48:43,850 --> 00:48:40,800

yeah you know I sometimes wonder if

1070

00:48:47,120 --> 00:48:43,860

disclosure might be like a fabricated

1071

00:48:49,850 --> 00:48:47,130

thing that would be a way to take away

1072

00:48:53,000 --> 00:48:49,860

more of our rights you know somebody

1073

00:48:56,030 --> 00:48:53,010

sees a fleet of UFOs over each city yeah

1074

00:48:58,730 --> 00:48:56,040

who's to say they were created on that

1075

00:49:01,970 --> 00:48:58,740

star system yeah maybe they were created

1076
00:49:04,100 --> 00:49:01,980
by us as a means to create fear you know

1077
00:49:07,670 --> 00:49:04,110
we all get up one morning and let's say

1078
00:49:11,660 --> 00:49:07,680
you know there's a 200 foot wide saucer

1079
00:49:13,730 --> 00:49:11,670
over 20 US cities I thought that's all

1080
00:49:16,850 --> 00:49:13,740
it would take to put the country in a

1081
00:49:21,830 --> 00:49:16,860
state of like what national security

1082
00:49:23,720 --> 00:49:21,840
issues would just saw you know I mean

1083
00:49:25,970 --> 00:49:23,730
some people might think that sounds like

1084
00:49:29,930 --> 00:49:25,980
really conspiratorial and paranoid which

1085
00:49:33,140 --> 00:49:29,940
led to a degree it is but you know it

1086
00:49:36,070 --> 00:49:33,150
would not take any time to you know

1087
00:49:37,910 --> 00:49:36,080
create a few sophisticated weird-looking

1088
00:49:40,610 --> 00:49:37,920

spaceship type things

1089

00:49:45,080 --> 00:49:40,620

I'll have him hover in each over a bunch

1090

00:49:47,480 --> 00:49:45,090

of cities and you know the city the

1091

00:49:50,390 --> 00:49:47,490

country being locked down within hours

1092

00:49:53,120 --> 00:49:50,400

yeah they really would that's so so

1093

00:49:55,790 --> 00:49:53,130

maybe disclosure you know and then you

1094

00:49:58,190 --> 00:49:55,800

know you've got some prominent figures

1095

00:49:59,630 --> 00:49:58,200

saying yes we aliens have finally

1096

00:50:01,190 --> 00:49:59,640

arrived I don't know what's going on

1097

00:50:04,640 --> 00:50:01,200

they're just sitting there in the sky

1098

00:50:07,280 --> 00:50:04,650

and we've got to do something about it

1099

00:50:09,410 --> 00:50:07,290

so we're gonna initiate new national

1100

00:50:10,880 --> 00:50:09,420

security laws because we don't know

1101
00:50:13,430 --> 00:50:10,890
what's going to happen yeah and before

1102
00:50:14,420 --> 00:50:13,440
you know it it's like you know more

1103
00:50:19,130 --> 00:50:14,430
rights are gone

1104
00:50:23,300 --> 00:50:19,140
great more so I doing nothing other than

1105
00:50:25,280 --> 00:50:23,310
fly a few craft in the sky which gets

1106
00:50:28,370 --> 00:50:25,290
everybody in a state of of whatever

1107
00:50:31,280 --> 00:50:28,380
mm-hmm it's really interesting the idea

1108
00:50:34,400 --> 00:50:31,290
of just the psychological warfare that's

1109
00:50:36,980 --> 00:50:34,410
been enacted probably on both ends in

1110
00:50:40,760 --> 00:50:36,990
either America or Russia and I think the

1111
00:50:42,560 --> 00:50:40,770
book sort of encapsulates this idea this

1112
00:50:48,830 --> 00:50:42,570
you bookend it so well in the beginning

1113
00:50:50,870 --> 00:50:48,840

and the end of going from one one time

1114

00:50:53,510 --> 00:50:50,880

in history when this could have happened

1115

00:50:55,109 --> 00:50:53,520

up until now where we have Russian

1116

00:50:56,910 --> 00:50:55,119

meddling happened happen

1117

00:50:59,849 --> 00:50:56,920

in our everyday elections here in

1118

00:51:02,130 --> 00:50:59,859

America so I I kind of want to ask you

1119

00:51:05,729 --> 00:51:02,140

closing this out Nick what is the

1120

00:51:10,259 --> 00:51:05,739

internet done in this new age to to

1121

00:51:12,989 --> 00:51:10,269

really show that it's so damn easy to

1122

00:51:15,930 --> 00:51:12,999

influence people there well one of the

1123

00:51:18,900 --> 00:51:15,940

problems is with the Internet is that I

1124

00:51:21,029 --> 00:51:18,910

think so many people just you know they

1125

00:51:24,569 --> 00:51:21,039

read the headline or the first couple of

1126
00:51:27,329 --> 00:51:24,579
paragraphs and you know it could be like

1127
00:51:31,799 --> 00:51:27,339
a multi-page article you know done by a

1128
00:51:33,779 --> 00:51:31,809
a reputable news outlets yeah but people

1129
00:51:35,219 --> 00:51:33,789
so I'm got time but they just read the

1130
00:51:38,219 --> 00:51:35,229
headline whatever and so they don't

1131
00:51:40,499 --> 00:51:38,229
sometimes that happens I think all the

1132
00:51:42,779 --> 00:51:40,509
time like yeah yeah I mean that does

1133
00:51:45,329 --> 00:51:42,789
happen and I think there's also this

1134
00:51:48,299 --> 00:51:45,339
tendency when people read in ufology

1135
00:51:51,930 --> 00:51:48,309
they reached up on the Internet I think

1136
00:51:56,009 --> 00:51:51,940
what's on the internet so it's real oh

1137
00:51:59,509 --> 00:51:56,019
yeah I mean it does and so you know I

1138
00:52:02,489 --> 00:51:59,519

think we need to be more careful and

1139

00:52:04,499 --> 00:52:02,499

tentative about what we say and when we

1140

00:52:06,479 --> 00:52:04,509

say it and that's like we thought you

1141

00:52:09,539 --> 00:52:06,489

know if I write a book like that one you

1142

00:52:11,579 --> 00:52:09,549

know that took about 18 months from

1143

00:52:14,609 --> 00:52:11,589

beginning to end to get all the Gator

1144

00:52:17,759 --> 00:52:14,619

research interview people and then to be

1145

00:52:20,729 --> 00:52:17,769

published and in that period I didn't

1146

00:52:23,430 --> 00:52:20,739

tell anyone about the book and I always

1147

00:52:25,559 --> 00:52:23,440

do that because something could happen

1148

00:52:27,329 --> 00:52:25,569

in that period that could blow one of

1149

00:52:29,249 --> 00:52:27,339

the cases completely the different

1150

00:52:32,339 --> 00:52:29,259

direction you know and I start talking

1151

00:52:34,650 --> 00:52:32,349

about it too soon you know then so

1152

00:52:36,450 --> 00:52:34,660

that's why I think it's important to do

1153

00:52:38,430 --> 00:52:36,460

all the research and stay as quiet as

1154

00:52:41,309 --> 00:52:38,440

you can and then when you've made a case

1155

00:52:44,630 --> 00:52:41,319

then put it out and I think if more

1156

00:52:48,289 --> 00:52:44,640

people did that we would have a

1157

00:52:51,089 --> 00:52:48,299

community that isn't unfortunately

1158

00:52:53,539 --> 00:52:51,099

infant when I infiltrated but filled

1159

00:52:57,359 --> 00:52:53,549

with you know controversial people

1160

00:52:59,969 --> 00:52:57,369

hoaxes somebody who we find out you know

1161

00:53:02,370 --> 00:52:59,979

spent five years in the slammer or

1162

00:53:04,589 --> 00:53:02,380

whatever for this yeah you know oh they

1163

00:53:06,390 --> 00:53:04,599

got a background in this and you know we

1164

00:53:08,359 --> 00:53:06,400

could have we could have died we could

1165

00:53:10,789 --> 00:53:08,369

have wrapped some of these people up

1166

00:53:13,849 --> 00:53:10,799

if somebody had instead of following

1167

00:53:16,969 --> 00:53:13,859

their story follow their background and

1168

00:53:19,729 --> 00:53:16,979

if it turns out to be legitimate that's

1169

00:53:21,559 --> 00:53:19,739

great if it turns out you know they were

1170

00:53:23,809 --> 00:53:21,569

busted for this and busted for that

1171

00:53:27,589 --> 00:53:23,819

there's a good chance their story's

1172

00:53:30,979 --> 00:53:27,599

bogus but you know we need to focus on

1173

00:53:33,410 --> 00:53:30,989

the alternative sides I think of the

1174

00:53:35,870 --> 00:53:33,420

theology to get some of the answers or

1175

00:53:38,299 --> 00:53:35,880

store why government agencies are

1176
00:53:40,999 --> 00:53:38,309
looking into things you know and and

1177
00:53:42,680 --> 00:53:41,009
it's not always for the reasons that it

1178
00:53:46,009 --> 00:53:42,690
isn't always because they're looking

1179
00:53:51,519 --> 00:53:46,019
into aliens yeah sometimes it's politics

1180
00:53:55,299 --> 00:53:51,529
it's mind manipulation of belief systems

1181
00:53:57,519 --> 00:53:55,309
and then it all comes into play and and

1182
00:54:01,579 --> 00:53:57,529
sometimes I think people just don't

1183
00:54:04,910 --> 00:54:01,589
realize the sheer depth that sometimes

1184
00:54:07,249 --> 00:54:04,920
that that sort of connection of

1185
00:54:10,719 --> 00:54:07,259
different things come to a connection

1186
00:54:13,870 --> 00:54:10,729
yeah it's and it's sort of fascinating

1187
00:54:17,829 --> 00:54:13,880
aspect that actually tells us more about

1188
00:54:21,469 --> 00:54:17,839

people and UFO and the UFO community

1189

00:54:24,170 --> 00:54:21,479

than it actually does the UFO phenomenon

1190

00:54:26,299 --> 00:54:24,180

itself okay yeah it's putting that

1191

00:54:28,160 --> 00:54:26,309

mirror back on ourselves oft and I think

1192

00:54:30,170 --> 00:54:28,170

that's that's a really good way to look

1193

00:54:32,630 --> 00:54:30,180

at it well can you tell us a little nick

1194

00:54:34,370 --> 00:54:32,640

about what what comes next for you and

1195

00:54:36,410 --> 00:54:34,380

where we can find all your work well

1196

00:54:38,839 --> 00:54:36,420

yeah the the new book flying saucers

1197

00:54:41,450 --> 00:54:38,849

from the Kremlin you can get that off

1198

00:54:43,190 --> 00:54:41,460

the shelves in Barnes & Noble or they

1199

00:54:47,089 --> 00:54:43,200

can order it in in a couple of days I

1200

00:54:48,529 --> 00:54:47,099

can get it from Amazon as well and the

1201

00:54:50,450 --> 00:54:48,539

next book I've got coming out is a

1202

00:54:53,259 --> 00:54:50,460

little bit of a departure it comes out

1203

00:54:55,969 --> 00:54:53,269

in April of next year and it's called

1204

00:54:59,269 --> 00:54:55,979

assassinations and it's a it's like a an

1205

00:55:01,009 --> 00:54:59,279

A to Z of historical assassinations

1206

00:55:03,529 --> 00:55:01,019

throughout history so actually goes back

1207

00:55:06,229 --> 00:55:03,539

to like the Egyptian times the Romans oh

1208

00:55:07,999 --> 00:55:06,239

wow yeah yeah and then through to you

1209

00:55:10,549 --> 00:55:08,009

know English kings and queens in the

1210

00:55:12,739 --> 00:55:10,559

Middle Ages and then through to like

1211

00:55:17,839 --> 00:55:12,749

Abraham Lincoln and then through the

1212

00:55:19,789 --> 00:55:17,849

course of 20th century of JFK RFK Martin

1213

00:55:22,700 --> 00:55:19,799

Luther King things like that so it's

1214

00:55:24,480 --> 00:55:22,710

there's about sort of 70 or

1215

00:55:26,309 --> 00:55:24,490

assassinations looked at and the

1216

00:55:28,230 --> 00:55:26,319

different theories who may have been

1217

00:55:31,410 --> 00:55:28,240

behind them and things like that

1218

00:55:33,630 --> 00:55:31,420

Oh interesting yes exactly some UFO

1219

00:55:35,630 --> 00:55:33,640

stuff in there people in ufology okay

1220

00:55:41,430 --> 00:55:35,640

who died under mysterious circumstances

1221

00:55:48,390 --> 00:55:41,440

and so it's full conspiracy stuff is it

1222

00:55:51,210 --> 00:55:48,400

sound all deaths is this a part of um

1223

00:55:52,470 --> 00:55:51,220

this series that you do because I know

1224

00:55:55,800 --> 00:55:52,480

you've done other books that are like

1225

00:55:59,010 --> 00:55:55,810

you know 50 cases of this yeah yeah yeah

1226

00:56:01,140 --> 00:55:59,020

it's done by visible impress and the

1227

00:56:03,359 --> 00:56:01,150

flying saucers from the cramming that's

1228

00:56:05,130 --> 00:56:03,369

just written in a regular style remember

1229

00:56:07,380 --> 00:56:05,140

visible ink press they have their own

1230

00:56:11,000 --> 00:56:07,390

way of doing all their books and they're

1231

00:56:13,500 --> 00:56:11,010

all 400 pages long 150,000 words and

1232

00:56:15,900 --> 00:56:13,510

sometimes they're done in a tizzy style

1233

00:56:17,520 --> 00:56:15,910

and sometimes it's chronological and

1234

00:56:19,079 --> 00:56:17,530

things like that yeah but then they're

1235

00:56:22,349 --> 00:56:19,089

sort of written from like a an

1236

00:56:25,290 --> 00:56:22,359

encyclopedia type perspective not where

1237

00:56:28,200 --> 00:56:25,300

it's like Dolan dusty to read you know

1238

00:56:30,359 --> 00:56:28,210

but it's the style is where you know you

1239

00:56:33,569 --> 00:56:30,369

could if you take to see you know you

1240

00:56:36,120 --> 00:56:33,579

can look up K for Kennedy Frank John F

1241

00:56:38,190 --> 00:56:36,130

you know and then you could jump back to

1242

00:56:40,200 --> 00:56:38,200

the start of the book for a room but

1243

00:56:41,819 --> 00:56:40,210

Julius Caesar that kind of thing so

1244

00:56:44,970 --> 00:56:41,829

you're not forced in other words to go

1245

00:56:47,730 --> 00:56:44,980

from page 1 to 400 which can be a bit

1246

00:56:50,130 --> 00:56:47,740

daunting daunting for me sometimes you

1247

00:56:51,780 --> 00:56:50,140

don't read in a huge a book it's like oh

1248

00:56:55,800 --> 00:56:51,790

my god I'm going to get through this you

1249

00:56:57,359 --> 00:56:55,810

know I think people like it when you

1250

00:56:59,160 --> 00:56:57,369

know just take the book to the beach or

1251

00:57:02,700 --> 00:56:59,170

whatever and take the Kindle to the

1252

00:57:04,140 --> 00:57:02,710

beach and I just dip into it here and

1253

00:57:06,480 --> 00:57:04,150

there you're not you know it's not like

1254

00:57:10,109 --> 00:57:06,490

you've got to keep going from page 1 to

1255

00:57:12,210 --> 00:57:10,119

400 I actually like that style me too I

1256

00:57:16,770 --> 00:57:12,220

mean I remember reading your book where

1257

00:57:18,930 --> 00:57:16,780

you recorded a UFO event from every day

1258

00:57:21,180 --> 00:57:18,940

of the week oh yeah here yeah and that

1259

00:57:22,710 --> 00:57:21,190

was so cool cuz you literally could wake

1260

00:57:24,540 --> 00:57:22,720

up every morning with their coffee and

1261

00:57:27,210 --> 00:57:24,550

what happened in ufology

1262

00:57:28,960 --> 00:57:27,220

hey so I think it's a really fascinating

1263
