crime lines feed ready for you to bash

17

00:00:52,340 --> 00:00:49,920

so go subscribe to crime lines on Apple

18

00:01:04,130 --> 00:00:52,350

podcast Spotify or wherever you listen

19

00:01:11,480 --> 00:01:07,150

these are the voyages of the starship si

20

00:01:15,620 --> 00:01:11,490

SS we're on a mission to explore strange

21

00:01:20,150 --> 00:01:15,630

new worlds to seek out new life and new

22

00:01:23,960 --> 00:01:20,160

civilizations to boldly go where few

23

00:01:25,910 --> 00:01:23,970

science podcasts have gone before we're

24

00:01:28,010 --> 00:01:25,920

going to discover the science that looks

25

00:01:33,760 --> 00:01:28,020

to explain the mysteries in the skies

26

00:01:41,840 --> 00:01:33,770

and tell us once and for all the truth

27

00:01:43,820 --> 00:01:41,850

about UFOs this week we are gonna make

28

00:01:46,160 --> 00:01:43,830

first contact with the world of ufology

29

00:01:47,080 --> 00:01:46,170

and speak with the one person who knows

30

00:01:51,020 --> 00:01:47,090

it best

31

00:01:54,350 --> 00:01:51,030

Ryan Sprague we're going to look at what

32

00:01:57,770 --> 00:01:54,360

you follow G happens to be and how Ryan

33

00:02:00,109 --> 00:01:57,780

conducts his research and in our SAS

34

00:02:02,690 --> 00:02:00,119

class we're gonna discuss with Ryan how

35

00:02:05,540 --> 00:02:02,700

the study of UFOs Believe It or Not has

36

00:02:06,510 --> 00:02:05,550

become more mainstream than any of us

37

00:02:08,500 --> 00:02:06,520

imagined

38

00:02:11,090 --> 00:02:08,510

[Music]

39

00:02:16,100 --> 00:02:11,100

I'm Jason the derm guy tempo and I'm

40

00:02:18,590 --> 00:02:16,110

gonna probe your brain with tales of the

41

00:02:23,030 --> 00:02:18,600

unknown and how we're trying to find

42

00:02:28,310 --> 00:02:23,040

answers it's time to get started this is

43

00:02:30,080 --> 00:02:28,320

the super awesome science show have you

44

00:02:34,820 --> 00:02:30,090

ever looked up to the sky and seen a

45

00:02:40,650 --> 00:02:38,040

you know it can't be a star or an

46

00:02:46,290 --> 00:02:40,660

airplane and it's too big to be a

47

00:02:49,320 --> 00:02:46,300

satellite instead it's something

48

00:02:55,170 --> 00:02:49,330

different and it's like nothing you've

49

00:03:02,460 --> 00:02:55,180

ever seen before three letters

50

00:03:05,070 --> 00:03:02,470

immediately enter your mind you f o now

51  
00:03:07,350 --> 00:03:05,080  
why is a science podcast looking at UFOs

52  
00:03:09,270 --> 00:03:07,360  
well when you think about it technically

53  
00:03:11,520 --> 00:03:09,280  
an unidentified flying object can be

54  
00:03:13,260 --> 00:03:11,530  
anything that is not identified it's

55  
00:03:15,450 --> 00:03:13,270  
just that those three letters have

56  
00:03:19,140 --> 00:03:15,460  
become synonymous with extraterrestrial

57  
00:03:22,410 --> 00:03:19,150  
spacecraft there's an entire culture

58  
00:03:24,600 --> 00:03:22,420  
revolved around UFOs people across the

59  
00:03:26,190 --> 00:03:24,610  
globe are working tirelessly to find an

60  
00:03:29,370 --> 00:03:26,200  
answer to those sightings that defy

61  
00:03:32,130 --> 00:03:29,380  
human logic and when you think about it

62  
00:03:34,620 --> 00:03:32,140  
that's the basis of science to discover

63  
00:03:37,200 --> 00:03:34,630

answers to how the world and universe

64

00:03:41,790 --> 00:03:37,210

works around us especially when we don't

65

00:03:43,830 --> 00:03:41,800

understand it in science there's always

66

00:03:45,840 --> 00:03:43,840

a method that needs to be followed one

67

00:03:47,550 --> 00:03:45,850

must have an objective a hypothesis

68

00:03:50,270 --> 00:03:47,560

materials and methods results in

69

00:03:52,890 --> 00:03:50,280

eventually if possible conclusion and

70

00:03:55,350 --> 00:03:52,900

using these methods we've been able to

71

00:03:58,140 --> 00:03:55,360

decipher what many UFO sightings happen

72

00:04:02,660 --> 00:03:58,150

to be weather balloons ball lightning

73

00:04:05,640 --> 00:04:02,670

satellites and in our modern era drones

74

00:04:08,040 --> 00:04:05,650

but not every sighting can be explained

75

00:04:13,350 --> 00:04:08,050

and for that more research needs to be

76

00:04:15,360 --> 00:04:13,360

done enter you follow G while not

77

00:04:17,580 --> 00:04:15,370

considered a true branch of science the

78

00:04:20,250 --> 00:04:17,590

world of UFO research has grown to a

79

00:04:21,950 --> 00:04:20,260

point in which basic researchers former

80

00:04:24,510 --> 00:04:21,960

intelligence agents engineers

81

00:04:26,310 --> 00:04:24,520

psychologists and yes even lawyers have

82

00:04:29,640 --> 00:04:26,320

become involved in the pursuit of

83

00:04:31,350 --> 00:04:29,650

answers granted we're not about to see

84

00:04:33,240 --> 00:04:31,360

papers in any scientific journals

85

00:04:34,770 --> 00:04:33,250

anytime soon although there was a

86

00:04:37,860 --> 00:04:34,780

short-lived one called the European

87

00:04:39,990 --> 00:04:37,870

Journal of UFO and abduction studies but

88

00:04:41,840 --> 00:04:40,000

the results are popping up in places you

89

00:04:46,080 --> 00:04:41,850

may not have imagined

90

00:04:48,060 --> 00:04:46,090

ABC News Science Channel Travel Channel

91

00:04:52,200 --> 00:04:48,070

and most recently

92

00:04:54,090 --> 00:04:52,210

The CW seed Network one of the people

93

00:04:56,280 --> 00:04:54,100

dedicated to this research is Ryan

94

00:04:58,590 --> 00:04:56,290

Sprague he is one of the most prolific

95

00:05:01,590 --> 00:04:58,600

contributors to the dissemination of

96

00:05:04,050 --> 00:05:01,600

ufology there's a good likelihood that

97

00:05:07,560 --> 00:05:04,060

if you see UF ology on TV

98

00:05:09,900 --> 00:05:07,570

Ryan is involved apart from his

99

00:05:13,590 --> 00:05:09,910

television work he also is the host of

100

00:05:15,480 --> 00:05:13,600

his podcast somewhere in the skies if

101  
00:05:21,000 --> 00:05:15,490  
anyone can tell us about what you follow

102  
00:05:23,400 --> 00:05:21,010  
G happens to be it's him what is you

103  
00:05:25,950 --> 00:05:23,410  
follow G ufology is sort of a

104  
00:05:28,320 --> 00:05:25,960  
self-proclaimed Sir Jason I would say

105  
00:05:31,260 --> 00:05:28,330  
that we have created in what we call the

106  
00:05:33,600 --> 00:05:31,270  
UFO field it's honestly just the study

107  
00:05:35,640 --> 00:05:33,610  
of your host it's as simple as that it

108  
00:05:38,670 --> 00:05:35,650  
encompasses everything having to do with

109  
00:05:41,280 --> 00:05:38,680  
unidentified flying objects literally

110  
00:05:43,920 --> 00:05:41,290  
what the acronym means a term that was

111  
00:05:45,330 --> 00:05:43,930  
actually created by the US Air Force a

112  
00:05:46,800 --> 00:05:45,340  
lot of people don't know that and this

113  
00:05:49,290 --> 00:05:46,810

was to downplay the high strangeness

114

00:05:52,380 --> 00:05:49,300

aspect or I guess more importantly the

115

00:05:54,780 --> 00:05:52,390

national security implications to these

116

00:05:58,620 --> 00:05:54,790

objects being in our skies and our own

117

00:06:02,130 --> 00:05:58,630

military not being able to identify them

118

00:06:03,660 --> 00:06:02,140

or to even stay up to speed with them

119

00:06:06,510 --> 00:06:03,670

when they would intercept these things

120

00:06:09,570 --> 00:06:06,520

in our skies so it's sort of a term that

121

00:06:11,970 --> 00:06:09,580

we're trying to move past in the UFO

122

00:06:12,780 --> 00:06:11,980

field there's so much baggage that comes

123

00:06:15,210 --> 00:06:12,790

with it

124

00:06:17,910 --> 00:06:15,220

but it has stuck and it's kind of what

125

00:06:19,650 --> 00:06:17,920

we are left with so we kind of just run

126

00:06:22,980 --> 00:06:19,660

with it at this point a lot of people

127

00:06:25,680 --> 00:06:22,990

believe that ufology is interchangeable

128

00:06:28,170 --> 00:06:25,690

with aliens and from what it sounds like

129

00:06:30,450 --> 00:06:28,180

that's not really the case it's trying

130

00:06:33,060 --> 00:06:30,460

to solve a mystery that's not explained

131

00:06:34,970 --> 00:06:33,070

I feel like I spent half my time when

132

00:06:37,260 --> 00:06:34,980

either I'm doing interviews or

133

00:06:39,450 --> 00:06:37,270

documentaries and whatnot explaining to

134

00:06:42,720 --> 00:06:39,460

people that you have to separate the

135

00:06:45,540 --> 00:06:42,730

alien the extra-terrestrial hypothesis

136

00:06:48,660 --> 00:06:45,550

as it were from the UFO we have

137

00:06:51,360 --> 00:06:48,670

absolutely no definitive proof that

138

00:06:53,550 --> 00:06:51,370

these UFOs what everyday people are

139

00:06:55,830 --> 00:06:53,560

seeing in our skies are alien now we

140

00:06:57,600 --> 00:06:55,840

have claims we have theories and it is

141

00:06:59,880 --> 00:06:57,610

definitely a viable theory as to what

142

00:07:01,340 --> 00:06:59,890

these are but we don't have that

143

00:07:02,960 --> 00:07:01,350

definitive proof that

144

00:07:05,660 --> 00:07:02,970

what we're seeing our skies have

145

00:07:07,730 --> 00:07:05,670

anything to do with aliens so I'm glad

146

00:07:09,440 --> 00:07:07,740

you you brought that up because I do

147

00:07:12,050 --> 00:07:09,450

feel like I spent a lot of time and

148

00:07:14,870 --> 00:07:12,060

energy separating the UFO from the

149

00:07:17,540 --> 00:07:14,880

aliens who or perhaps what was the spark

150

00:07:20,570 --> 00:07:17,550

that started people wanting to learn

151  
00:07:22,730 --> 00:07:20,580  
more about UFOs we've had no reports

152  
00:07:26,390 --> 00:07:22,740  
dating back to ancient times but when it

153  
00:07:29,990 --> 00:07:26,400  
comes to I'd say the de peak the modern

154  
00:07:33,230 --> 00:07:30,000  
UFO era as we call it back in 1947 when

155  
00:07:37,040 --> 00:07:33,240  
the Roswell incident happened or Kenneth

156  
00:07:40,490 --> 00:07:37,050  
Arnold famously saw nine what he called

157  
00:07:42,920 --> 00:07:40,500  
flying discs in the sky over Mount

158  
00:07:46,790 --> 00:07:42,930  
Rainier in Washington this is where the

159  
00:07:48,740 --> 00:07:46,800  
real modern UFO era started and these

160  
00:07:51,380 --> 00:07:48,750  
cases these early cases were

161  
00:07:52,700 --> 00:07:51,390  
investigated by the US Air Force and the

162  
00:07:54,920 --> 00:07:52,710  
government and their project Bluebook

163  
00:07:57,260 --> 00:07:54,930

and that was headed by a guy an

164

00:08:00,650 --> 00:07:57,270

astronomer named J Allen Hynek this guy

165

00:08:05,630 --> 00:08:00,660

is like the UFO dad for us in the UFO

166

00:08:08,150 --> 00:08:05,640

field he was hired to to to debunk these

167

00:08:10,580 --> 00:08:08,160

cases he created two really important

168

00:08:12,290 --> 00:08:10,590

classification systems that we use to

169

00:08:14,450 --> 00:08:12,300

this day actually first one was

170

00:08:16,820 --> 00:08:14,460

relatively distant sighting so we're

171

00:08:19,160 --> 00:08:16,830

talking like just lights in the sky at

172

00:08:20,660 --> 00:08:19,170

night everyone sees these things and a

173

00:08:23,600 --> 00:08:20,670

lot of the times they can't explain it

174

00:08:25,910 --> 00:08:23,610

the next after that came David so in mid

175

00:08:27,230 --> 00:08:25,920

daylight people are seeing objects of

176

00:08:29,990 --> 00:08:27,240

all different shapes that they can

177

00:08:32,240 --> 00:08:30,000

identify and the third classification

178

00:08:34,339 --> 00:08:32,250

for these distant sightings are radar

179

00:08:36,680 --> 00:08:34,349

visual sightings so this is literally

180

00:08:39,500 --> 00:08:36,690

you know connecting in eyewitness report

181

00:08:42,200 --> 00:08:39,510

to Cosmo radar data that was sort of the

182

00:08:44,000 --> 00:08:42,210

way we started with with UFOs I guess

183

00:08:46,010 --> 00:08:44,010

more famously a high-neck is known for

184

00:08:48,170 --> 00:08:46,020

the close encounter classification

185

00:08:50,240 --> 00:08:48,180

system you know everyone knows the movie

186

00:08:52,310 --> 00:08:50,250

Close Encounters of the Third Kind but

187

00:08:54,590 --> 00:08:52,320

he started it with Close Encounters one

188

00:08:56,630 --> 00:08:54,600

which is a UFO sighting where a witness

189

00:08:59,600 --> 00:08:56,640

or an object it does not interact

190

00:09:00,170 --> 00:08:59,610

whatsoever with a person or the

191

00:09:02,540 --> 00:09:00,180

environment

192

00:09:04,490 --> 00:09:02,550

it moves on to Close Encounters - which

193

00:09:07,280 --> 00:09:04,500

is a bit closer but this can clearly

194

00:09:09,860 --> 00:09:07,290

make out an object or see some sort of

195

00:09:11,930 --> 00:09:09,870

physical effect on themselves or the

196

00:09:14,660 --> 00:09:11,940

environment and then we famously have

197

00:09:17,390 --> 00:09:14,670

Close Encounters 3 and that's perhaps

198

00:09:20,240 --> 00:09:17,400

the most I guess sensational or most

199

00:09:23,260 --> 00:09:20,250

Interactive's where a person sees some

200

00:09:27,140 --> 00:09:23,270

sort of occupant or intelligence behind

201  
00:09:29,300 --> 00:09:27,150  
what they're seeing this UFO so you know

202  
00:09:31,730 --> 00:09:29,310  
hynek's created this system after being

203  
00:09:34,400 --> 00:09:31,740  
extremely skeptical of UFOs he wanted to

204  
00:09:36,620 --> 00:09:34,410  
narrow in and find an explanation for

205  
00:09:38,330 --> 00:09:36,630  
all of them but he couldn't you know he

206  
00:09:42,680 --> 00:09:38,340  
works for this project for many years

207  
00:09:44,360 --> 00:09:42,690  
and there were over 800 cases that they

208  
00:09:46,820 --> 00:09:44,370  
project Bluebook could not readily

209  
00:09:50,090 --> 00:09:46,830  
explain so times of the most famous

210  
00:09:52,820 --> 00:09:50,100  
debunker originally of UFOs did a 180

211  
00:09:55,550 --> 00:09:52,830  
and became one of the most outspoken

212  
00:09:57,880 --> 00:09:55,560  
individuals on the possibility that a

213  
00:10:00,800 --> 00:09:57,890

lot of these UFOs could be of

214

00:10:02,690 --> 00:10:00,810

extraterrestrial origin and that's what

215

00:10:05,390 --> 00:10:02,700

excites us most is even when the

216

00:10:06,740 --> 00:10:05,400

government tried to debunk UFOs and tell

217

00:10:07,640 --> 00:10:06,750

the public there's nothing to worry

218

00:10:10,040 --> 00:10:07,650

about

219

00:10:12,950 --> 00:10:10,050

we find out that there might actually be

220

00:10:14,960 --> 00:10:12,960

some stuff to worry about and it's an

221

00:10:17,540 --> 00:10:14,970

you searching for out there I guess that

222

00:10:19,670 --> 00:10:17,550

really hits on a point that ufology for

223

00:10:21,590 --> 00:10:19,680

so long has never been given the credit

224

00:10:23,300 --> 00:10:21,600

it deserves but now it seems like

225

00:10:25,640 --> 00:10:23,310

there's more evidence suggesting that

226

00:10:28,700 --> 00:10:25,650

indeed it is a credible branch of study

227

00:10:31,640 --> 00:10:28,710

yes things have drastically drastically

228

00:10:33,920 --> 00:10:31,650

changed within the the UFO discourse I

229

00:10:36,620 --> 00:10:33,930

would say it's a subculture it's a

230

00:10:39,770 --> 00:10:36,630

community of people who like like we

231

00:10:41,960 --> 00:10:39,780

mentioned sort of live in the shadows in

232

00:10:44,840 --> 00:10:41,970

an echo chamber preaching to one another

233

00:10:48,320 --> 00:10:44,850

UFOs are real UFOs are real they go to

234

00:10:51,290 --> 00:10:48,330

these conferences they trade old UFO

235

00:10:54,440 --> 00:10:51,300

books about cases from the 40s the 50s I

236

00:10:57,410 --> 00:10:54,450

think what's really changed station is

237

00:11:00,290 --> 00:10:57,420

the overall perception of the UFO

238

00:11:02,090 --> 00:11:00,300

phenomenon we acknowledge me I would say

239

00:11:04,580 --> 00:11:02,100

by both our government and the

240

00:11:06,650 --> 00:11:04,590

scientific communities for so many years

241

00:11:09,530 --> 00:11:06,660

you know since Project Blue Book they've

242

00:11:11,930 --> 00:11:09,540

been saying there's nothing to UFOs they

243

00:11:15,020 --> 00:11:11,940

pose no threat there's a prosaic

244

00:11:17,690 --> 00:11:15,030

explanation for most if not all of these

245

00:11:19,730 --> 00:11:17,700

things but then we come to find out you

246

00:11:22,310 --> 00:11:19,740

know within the last couple years and

247

00:11:25,070 --> 00:11:22,320

even I've seen the UFO field did not

248

00:11:27,590 --> 00:11:25,080

know this that the government was still

249

00:11:28,280 --> 00:11:27,600

investigating UFOs there was a secret

250

00:11:30,259 --> 00:11:28,290

Pentagon

251  
00:11:33,139 --> 00:11:30,269  
UFO program that have been running for

252  
00:11:36,530 --> 00:11:33,149  
almost a decade looking at UFO reports

253  
00:11:39,799 --> 00:11:36,540  
from strictly the military so we're

254  
00:11:43,189 --> 00:11:39,809  
talking about Air Force Navy army pilot

255  
00:11:44,659 --> 00:11:43,199  
soldiers reporting UFOs and this came in

256  
00:11:47,479 --> 00:11:44,669  
the form in the New York Times an

257  
00:11:49,900 --> 00:11:47,489  
article where several Navy pilots came

258  
00:11:52,669 --> 00:11:49,910  
forward and said that they had seen

259  
00:11:55,039 --> 00:11:52,679  
objects over the water when they were

260  
00:11:57,579 --> 00:11:55,049  
doing training exercises interacting

261  
00:11:59,869 --> 00:11:57,589  
with their own aircraft and making

262  
00:12:01,749 --> 00:11:59,879  
impossible maneuvers

263  
00:12:04,699 --> 00:12:01,759

you know ascending and descending

264

00:12:08,359 --> 00:12:04,709

thousands of feet in the air

265

00:12:10,340 --> 00:12:08,369

within seconds which to me sounds and

266

00:12:12,069 --> 00:12:10,350

I'm sure to these Navy pilots that's

267

00:12:16,609 --> 00:12:12,079

impossible no human being could survive

268

00:12:19,669 --> 00:12:16,619

such a thrust or a a propulsion such of

269

00:12:23,229 --> 00:12:19,679

that such as that so that's when it

270

00:12:25,549 --> 00:12:23,239

really started changing when finally

271

00:12:27,169 --> 00:12:25,559

mainstream media was covering the UFO

272

00:12:29,119 --> 00:12:27,179

topics seriously with this New York

273

00:12:31,639 --> 00:12:29,129

Times article and it was sort of a

274

00:12:33,679 --> 00:12:31,649

snowball effect from there now we we are

275

00:12:37,400 --> 00:12:33,689

seeing these headlines all over the

276

00:12:39,169 --> 00:12:37,410

place or on the news of UFOs are here we

277

00:12:40,699 --> 00:12:39,179

don't really know what they are the

278

00:12:43,999 --> 00:12:40,709

military doesn't pretend to have any

279

00:12:46,519 --> 00:12:44,009

answers but we are looking into them and

280

00:12:49,669 --> 00:12:46,529

we have new protocol to report them

281

00:12:51,949 --> 00:12:49,679

within the military so when you have

282

00:12:55,309 --> 00:12:51,959

your own military government saying UFOs

283

00:12:58,009 --> 00:12:55,319

exist that is a huge huge step because

284

00:13:00,529 --> 00:12:58,019

they did not do that for so long for me

285

00:13:02,659 --> 00:13:00,539

the real question now lies in what are

286

00:13:05,689 --> 00:13:02,669

they who's in control of them and what

287

00:13:08,319 --> 00:13:05,699

do they want we were in a new I would

288

00:13:12,139 --> 00:13:08,329

say paradigm shift when it comes to

289

00:13:15,379 --> 00:13:12,149

ufology and what it can be what it was

290

00:13:18,019 --> 00:13:15,389

and potentially what it means to all of

291

00:13:21,289 --> 00:13:18,029

us yeah it's a new era it's exciting I

292

00:13:24,529 --> 00:13:21,299

am finding myself reinvigorated you get

293

00:13:27,919 --> 00:13:24,539

so caught up in these things and I guess

294

00:13:30,469 --> 00:13:27,929

tired at times because no one was really

295

00:13:32,299 --> 00:13:30,479

listening for so long but now we've been

296

00:13:34,699 --> 00:13:32,309

given the microphone and we're hoarse

297

00:13:36,729 --> 00:13:34,709

streaming it from the rooftops and UFOs

298

00:13:39,319 --> 00:13:36,739

are here

299

00:13:42,090 --> 00:13:39,329

ufology strives to follow similar

300

00:13:44,510 --> 00:13:42,100

methods to other branches of science

301  
00:13:46,770 --> 00:13:44,520  
however in most cases of UFO

302  
00:13:48,960 --> 00:13:46,780  
investigations the materials for

303  
00:13:52,260 --> 00:13:48,970  
concrete analysis are simply not

304  
00:13:54,530 --> 00:13:52,270  
available most evidence is related

305  
00:13:58,710 --> 00:13:54,540  
through recounted observations

306  
00:14:01,190 --> 00:13:58,720  
there's nothing tangible and therein

307  
00:14:05,130 --> 00:14:01,200  
lies the issue with ufology as a science

308  
00:14:07,440 --> 00:14:05,140  
instead of hard data we hear stories see

309  
00:14:09,810 --> 00:14:07,450  
drawings and are witness to photos and

310  
00:14:13,530 --> 00:14:09,820  
videos which may be blurry or pixelated

311  
00:14:16,560 --> 00:14:13,540  
and that brings up the issue of trust

312  
00:14:18,960 --> 00:14:16,570  
can we trust the people who have

313  
00:14:22,380 --> 00:14:18,970

experienced a UFO sighting or some other

314

00:14:26,900 --> 00:14:22,390

type of encounter would you trust me if

315

00:14:29,610 --> 00:14:26,910

I told you I've seen a UFO twice in fact

316

00:14:32,370 --> 00:14:29,620

Trust is hard to gain and easy to lose

317

00:14:35,370 --> 00:14:32,380

but for Ryan the way to build that trust

318

00:14:39,300 --> 00:14:35,380

as you start an investigation is to open

319

00:14:41,070 --> 00:14:39,310

up your mind and listen what is your

320

00:14:45,000 --> 00:14:41,080

objective being an investigator my

321

00:14:47,100 --> 00:14:45,010

objective mainly is to listen Jason I

322

00:14:50,160 --> 00:14:47,110

I'd like to say my objective is to solve

323

00:14:52,200 --> 00:14:50,170

the UFO phenomena that's like my my

324

00:14:54,540 --> 00:14:52,210

dream if it were to be as an

325

00:14:56,580 --> 00:14:54,550

investigator but I don't think or

326

00:14:58,710 --> 00:14:56,590

anywhere close to really doing that

327

00:15:01,020 --> 00:14:58,720

he'll bring to feel that way but it's

328

00:15:03,450 --> 00:15:01,030

just like any other field of silence

329

00:15:04,410 --> 00:15:03,460

like it continues to progress and just

330

00:15:06,840 --> 00:15:04,420

when you think you have an answer

331

00:15:09,180 --> 00:15:06,850

something turns around and shows you

332

00:15:12,300 --> 00:15:09,190

differently so my objective is really

333

00:15:13,860 --> 00:15:12,310

just to be a listening ear to those who

334

00:15:16,950 --> 00:15:13,870

have had the courage to come forward

335

00:15:20,730 --> 00:15:16,960

with a UFO report when I'm not doing

336

00:15:22,710 --> 00:15:20,740

this investigating UFOs I am a writer a

337

00:15:25,110 --> 00:15:22,720

playwright mainly here in New York City

338

00:15:28,110 --> 00:15:25,120

and I've always been fascinated by

339

00:15:29,940 --> 00:15:28,120

characters you know people and how they

340

00:15:32,790 --> 00:15:29,950

change you know within the course of a

341

00:15:35,640 --> 00:15:32,800

play your character your main character

342

00:15:37,500 --> 00:15:35,650

as it were leads to change somehow and

343

00:15:40,080 --> 00:15:37,510

the play also has to be the most pivotal

344

00:15:42,450 --> 00:15:40,090

moment in their life or one of the most

345

00:15:44,760 --> 00:15:42,460

pivotal moments or otherwise why are we

346

00:15:46,710 --> 00:15:44,770

following them so so mean it comes down

347

00:15:49,470 --> 00:15:46,720

to the people having these UFO

348

00:15:52,110 --> 00:15:49,480

experiences people in all walks of life

349

00:15:54,390 --> 00:15:52,120

there's these cliches that only people

350

00:15:56,000 --> 00:15:54,400

in the backwoods drinking beer or the

351

00:15:59,120 --> 00:15:56,010

ones reporting UFOs

352

00:16:01,690 --> 00:15:59,130

invest simply not the case its doctors

353

00:16:05,060 --> 00:16:01,700

its law enforcement it's professors

354

00:16:08,090 --> 00:16:05,070

scientists priests you name it these are

355

00:16:09,680 --> 00:16:08,100

the people reporting UFOs so for me it

356

00:16:12,680 --> 00:16:09,690

comes down to the people and sort of

357

00:16:16,760 --> 00:16:12,690

shedding that stigma or ridicule factor

358

00:16:19,340 --> 00:16:16,770

that comes with talking about UFOs for

359

00:16:21,800 --> 00:16:19,350

me I hope that once I start hearing

360

00:16:24,590 --> 00:16:21,810

their stories once more and more people

361

00:16:29,090 --> 00:16:24,600

come forward we can begin to normalize

362

00:16:32,060 --> 00:16:29,100

the topic and have bigger wider and more

363

00:16:34,220 --> 00:16:32,070

insightful conversations about the UFOs

364

00:16:37,670 --> 00:16:34,230

it sounds almost like what we call

365

00:16:39,650 --> 00:16:37,680

knowledge brokers in science where

366

00:16:41,030 --> 00:16:39,660

you're taking the experience of the

367

00:16:42,470 --> 00:16:41,040

science and you're putting it in such a

368

00:16:44,780 --> 00:16:42,480

way that it becomes relevant to the

369

00:16:46,610 --> 00:16:44,790

public when we do it we have to go

370

00:16:48,200 --> 00:16:46,620

through academic journals to be able to

371

00:16:50,780 --> 00:16:48,210

share information and then we have to

372

00:16:52,450 --> 00:16:50,790

sort of translate that for you you you

373

00:16:56,330 --> 00:16:52,460

go through very different means

374

00:16:57,860 --> 00:16:56,340

ABC News Fox News Channel Travel Channel

375

00:17:00,230 --> 00:16:57,870

mysteries at the museum

376

00:17:02,900 --> 00:17:00,240

your podcast somewhere in the skies and

377

00:17:05,690 --> 00:17:02,910

now the show Roswell mysteries decoded

378

00:17:07,940 --> 00:17:05,700

on CW how do you manage to be able to

379

00:17:09,710 --> 00:17:07,950

share what you hear in such a way that

380

00:17:13,010 --> 00:17:09,720

it still is meaningful to an audience

381

00:17:15,680 --> 00:17:13,020

it's exciting to see how sort of I guess

382

00:17:18,890 --> 00:17:15,690

mainstream media outlets cover the topic

383

00:17:21,980 --> 00:17:18,900

of UFOs usually it's a very surface

384

00:17:24,110 --> 00:17:21,990

level or sensational approach I mean you

385

00:17:26,720 --> 00:17:24,120

have so many of these television shows

386

00:17:29,960 --> 00:17:26,730

that people going out in hunting down

387

00:17:31,820 --> 00:17:29,970

ghosts are hunting down aliens and it's

388

00:17:33,770 --> 00:17:31,830

usually for entertainment to be

389

00:17:36,920 --> 00:17:33,780

completely honest even when it pretends

390

00:17:39,170 --> 00:17:36,930

to be informational or educational and I

391

00:17:42,980 --> 00:17:39,180

often use this term Jason I love this

392

00:17:45,200 --> 00:17:42,990

infotainment there has to be this way

393

00:17:47,630 --> 00:17:45,210

you have to engage an audience and

394

00:17:49,520 --> 00:17:47,640

that's what television is for but you

395

00:17:51,860 --> 00:17:49,530

also have to inform them and as an

396

00:17:55,160 --> 00:17:51,870

investigator moving into that medium of

397

00:17:58,310 --> 00:17:55,170

television or documentaries or movies I

398

00:18:00,440 --> 00:17:58,320

don't want to lose sight of informing

399

00:18:03,050 --> 00:18:00,450

the public with what I've discovered

400

00:18:05,750 --> 00:18:03,060

what me and my colleagues have come up

401  
00:18:06,320 --> 00:18:05,760  
with so with shows like mysteries at the

402  
00:18:08,630 --> 00:18:06,330  
museum

403  
00:18:09,480 --> 00:18:08,640  
or Roswell mysteries decoded or our

404  
00:18:11,940 --> 00:18:09,490  
upcoming

405  
00:18:14,310 --> 00:18:11,950  
mr. Easter Koated where we go deeper

406  
00:18:16,860 --> 00:18:14,320  
into other stuff I strive to sort of

407  
00:18:18,750 --> 00:18:16,870  
break that routine and really make the

408  
00:18:22,830 --> 00:18:18,760  
topic of UFOs something more than just

409  
00:18:25,500 --> 00:18:22,840  
cool or scary stories I want people to

410  
00:18:28,080 --> 00:18:25,510  
think and and not forget what they just

411  
00:18:30,450 --> 00:18:28,090  
saw or heard so many of these shows you

412  
00:18:32,010 --> 00:18:30,460  
watch it hmm interesting move on with

413  
00:18:34,560 --> 00:18:32,020

your life you don't even think about it

414

00:18:37,409 --> 00:18:34,570

the next day I want people to go out and

415

00:18:39,690 --> 00:18:37,419

search the cases that I cover on

416

00:18:41,820 --> 00:18:39,700

mysteries at the museum or mysteries

417

00:18:43,500 --> 00:18:41,830

decoded I want them to google it the

418

00:18:46,529 --> 00:18:43,510

next day and get caught up in that

419

00:18:49,169 --> 00:18:46,539

rabbit hole I did when I first started

420

00:18:52,110 --> 00:18:49,179

reading about these historical UFO

421

00:18:55,110 --> 00:18:52,120

events Roswell Rendlesham in 1980

422

00:18:57,690 --> 00:18:55,120

another famous UFO case there's so many

423

00:19:01,139 --> 00:18:57,700

rich case histories out there of

424

00:19:03,539 --> 00:19:01,149

credible UFO accounts and it's cool to

425

00:19:06,180 --> 00:19:03,549

see a two-minute segment on the news or

426  
00:19:08,610 --> 00:19:06,190  
on a TV show but when you really start

427  
00:19:11,159 --> 00:19:08,620  
to dive in and get to the core of who

428  
00:19:13,230 --> 00:19:11,169  
are seeing these things what's been

429  
00:19:16,260 --> 00:19:13,240  
reported that's when I know that it's

430  
00:19:18,750 --> 00:19:16,270  
leaving a lasting impression in my field

431  
00:19:21,510 --> 00:19:18,760  
we've got anti-vaxxers they frustrate us

432  
00:19:23,250 --> 00:19:21,520  
so much they spread disinformation and

433  
00:19:26,130 --> 00:19:23,260  
when you try and put good information

434  
00:19:28,649 --> 00:19:26,140  
out there you get trolled I imagine you

435  
00:19:30,659 --> 00:19:28,659  
follow gee must be suffering that same

436  
00:19:32,639 --> 00:19:30,669  
frustration considering its already

437  
00:19:35,370 --> 00:19:32,649  
having a bit of a difficulty trying to

438  
00:19:37,590 --> 00:19:35,380

just be relevant as a science absolutely

439

00:19:39,899 --> 00:19:37,600

and I try Jason to steer away from

440

00:19:43,769 --> 00:19:39,909

politics when it comes to UFOs but

441

00:19:46,350 --> 00:19:43,779

there's there's no way around it there

442

00:19:49,710 --> 00:19:46,360

are several of my own listeners of my

443

00:19:51,960 --> 00:19:49,720

podcast who contact me almost weekly or

444

00:19:53,880 --> 00:19:51,970

daily and they try to convince me to

445

00:19:56,880 --> 00:19:53,890

cover like let's take the Flat Earth

446

00:19:57,750 --> 00:19:56,890

theory for instance but I'm very

447

00:20:00,539 --> 00:19:57,760

open-minded

448

00:20:03,029 --> 00:20:00,549

clearly I'm a ufologist I'm very very

449

00:20:05,700 --> 00:20:03,039

open-minded but there comes a point

450

00:20:07,769 --> 00:20:05,710

where you know the information I choose

451  
00:20:10,350 --> 00:20:07,779  
to cover let's say once I disseminate

452  
00:20:13,560 --> 00:20:10,360  
that out to the public people do listen

453  
00:20:14,519 --> 00:20:13,570  
to what I have to say and I'm not saying

454  
00:20:16,919 --> 00:20:14,529  
I'm always right

455  
00:20:19,230 --> 00:20:16,929  
earth always eloquent or anything like

456  
00:20:21,299 --> 00:20:19,240  
that but there's such things like the

457  
00:20:23,370 --> 00:20:21,309  
Flat Earth or anti-vaccine that are

458  
00:20:25,740 --> 00:20:23,380  
simply anti science

459  
00:20:28,409 --> 00:20:25,750  
let's be honest and in they're dangerous

460  
00:20:30,180 --> 00:20:28,419  
they're dangerous to the public and I

461  
00:20:31,740 --> 00:20:30,190  
can say right here right now I do not in

462  
00:20:34,470 --> 00:20:31,750  
any way shape or form promote

463  
00:20:36,720 --> 00:20:34,480

anti-vaccine Flat Earth theory or things

464

00:20:39,299 --> 00:20:36,730

like let's say queueing on these are

465

00:20:42,060 --> 00:20:39,309

conspiracy theories based on extremely

466

00:20:44,520 --> 00:20:42,070

bad information sometimes even

467

00:20:46,919 --> 00:20:44,530

disinformation and this sometimes it's

468

00:20:49,730 --> 00:20:46,929

just pure fantasy so for us in mythology

469

00:20:52,799 --> 00:20:49,740

it's super hard when you're dealing with

470

00:20:55,669 --> 00:20:52,809

phenomena that seem to sort of defies

471

00:20:58,590 --> 00:20:55,679

logic and break all the rules of our own

472

00:21:00,810 --> 00:20:58,600

scientific method terms of like physics

473

00:21:02,490 --> 00:21:00,820

or time of space even chemistry

474

00:21:05,760 --> 00:21:02,500

sometimes how do you even begin to

475

00:21:09,659 --> 00:21:05,770

really look at UFO sighting when you

476  
00:21:11,100 --> 00:21:09,669  
have these detractors as you said I like

477  
00:21:13,649 --> 00:21:11,110  
to think of UFOs as kind of the

478  
00:21:16,289 --> 00:21:13,659  
punk-rock version of science Israel is

479  
00:21:18,930 --> 00:21:16,299  
against everything we're taught so UFOs

480  
00:21:20,970 --> 00:21:18,940  
as punk-rock I have several colleagues

481  
00:21:23,899 --> 00:21:20,980  
who write specifically about this it

482  
00:21:26,970 --> 00:21:23,909  
must uses to play by standards or rules

483  
00:21:29,640 --> 00:21:26,980  
state the facts progressed with the

484  
00:21:34,860 --> 00:21:29,650  
science and to ignore those who are

485  
00:21:37,140 --> 00:21:34,870  
trying to stop that it's asked last time

486  
00:21:39,659 --> 00:21:37,150  
and today we're gonna look at how you

487  
00:21:43,680 --> 00:21:39,669  
follow gee maybe more mainstream than

488  
00:21:45,270 --> 00:21:43,690

you might imagine a few months back a 21

489

00:21:47,580 --> 00:21:45,280

year old named Mattie Roberts made a

490

00:21:51,020 --> 00:21:47,590

single social media post suggesting that

491

00:21:53,580 --> 00:21:51,030

people all gathered to storm area 51

492

00:21:56,279 --> 00:21:53,590

it's thought to be the hub of UFO

493

00:21:59,610 --> 00:21:56,289

intelligence engineering and maybe some

494

00:22:02,640 --> 00:21:59,620

aliens before he knew it the post went

495

00:22:06,570 --> 00:22:02,650

viral and some 1.5 million people were

496

00:22:08,190 --> 00:22:06,580

on board for their own invasion if

497

00:22:10,710 --> 00:22:08,200

you're worried about the aliens don't be

498

00:22:12,810 --> 00:22:10,720

the raid has been called off because of

499

00:22:14,510 --> 00:22:12,820

some not-so-subtle warnings from the US

500

00:22:17,850 --> 00:22:14,520

military

501  
00:22:19,860 --> 00:22:17,860  
Ryan has talked at Maddy Roberts and has

502  
00:22:22,799 --> 00:22:19,870  
his own perspective about the

503  
00:22:24,600 --> 00:22:22,809  
mainstreaming of ufology and as we're

504  
00:22:27,899 --> 00:22:24,610  
about to find out you're gonna be

505  
00:22:30,960 --> 00:22:27,909  
hearing a lot more about UFOs as time

506  
00:22:33,510 --> 00:22:30,970  
goes on how is it possible that so many

507  
00:22:36,220 --> 00:22:33,520  
people decided to sign on to what was

508  
00:22:38,409 --> 00:22:36,230  
initially a joke that is

509  
00:22:40,720 --> 00:22:38,419  
a really good question that I'm still

510  
00:22:45,130 --> 00:22:40,730  
trying to figure out myself to be honest

511  
00:22:47,620 --> 00:22:45,140  
it's the enemy of an idea catching on

512  
00:22:50,200 --> 00:22:47,630  
and in this day and age it becomes a

513  
00:22:52,930 --> 00:22:50,210

meme this is the age of social

514

00:22:55,630 --> 00:22:52,940

networking and just explodes for no

515

00:22:58,150 --> 00:22:55,640

apparent reason to me it's almost as

516

00:23:00,280 --> 00:22:58,160

animatic as UFOs themselves if you

517

00:23:03,460 --> 00:23:00,290

really look at it I've personally spoken

518

00:23:06,850 --> 00:23:03,470

to Mattie Roberts the kid who started

519

00:23:09,789 --> 00:23:06,860

this whole storm area 51 Facebook event

520

00:23:11,470 --> 00:23:09,799

and he is just as blindsided and

521

00:23:13,390 --> 00:23:11,480

overwhelmed by all of this as I think

522

00:23:14,890 --> 00:23:13,400

anyone would be when they find

523

00:23:18,640 --> 00:23:14,900

themselves caught in the middle of

524

00:23:21,549 --> 00:23:18,650

internet viral experience he's confused

525

00:23:24,010 --> 00:23:21,559

he's scared she's curious but he's also

526

00:23:26,200 --> 00:23:24,020

being very cautious and I think that's a

527

00:23:29,230 --> 00:23:26,210

really good thing he told me that the

528

00:23:31,560 --> 00:23:29,240

FBI actually came to his home to

529

00:23:35,950 --> 00:23:31,570

question him about his motives with this

530

00:23:38,650 --> 00:23:35,960

raid area 51 alien stock whatever it's

531

00:23:40,450 --> 00:23:38,660

sort of manifesting or morphing into

532

00:23:42,220 --> 00:23:40,460

they wanted to know what his intentions

533

00:23:44,650 --> 00:23:42,230

were from the start with this whole

534

00:23:47,200 --> 00:23:44,660

thing and he told them it was a jump

535

00:23:49,900 --> 00:23:47,210

it's 2:00 in the morning I was I was

536

00:23:52,120 --> 00:23:49,910

high I was like questioning life

537

00:23:55,090 --> 00:23:52,130

elsewhere in the universe site I watched

538

00:23:57,490 --> 00:23:55,100

a documentary about area 51 and listened

539

00:24:00,090 --> 00:23:57,500

to a podcast and I just jokingly said

540

00:24:02,740 --> 00:24:00,100

let's find the aliens in area 51 so

541

00:24:04,690 --> 00:24:02,750

we're kind of wrapped up in something

542

00:24:06,820 --> 00:24:04,700

that this guy Matty Roberts never

543

00:24:09,039 --> 00:24:06,830

expected and he's trying to sort of make

544

00:24:11,020 --> 00:24:09,049

the best of it and embrace the platform

545

00:24:14,650 --> 00:24:11,030

he's been given it's kind of not so much

546

00:24:17,020 --> 00:24:14,660

a storm the gates of area 51 let's have

547

00:24:20,110 --> 00:24:17,030

a good time in the desert let's get some

548

00:24:24,460 --> 00:24:20,120

music some barbecue some beers but let's

549

00:24:27,159 --> 00:24:24,470

also educate people about area 51 what

550

00:24:29,200 --> 00:24:27,169

is the history behind this this place it

551  
00:24:31,720 --> 00:24:29,210  
goes back really far some of our most

552  
00:24:34,240 --> 00:24:31,730  
advanced aircraft were developed here

553  
00:24:37,360 --> 00:24:34,250  
back during the Cold War everything so

554  
00:24:39,760 --> 00:24:37,370  
let's have people that worked at area 51

555  
00:24:43,390 --> 00:24:39,770  
come talk about the stuff they can talk

556  
00:24:46,210 --> 00:24:43,400  
about and let's also get physicists out

557  
00:24:49,030 --> 00:24:46,220  
to talk about how if we are in

558  
00:24:49,690 --> 00:24:49,040  
possession of let's say a UFO that

559  
00:24:52,000 --> 00:24:49,700  
crashed

560  
00:24:54,789 --> 00:24:52,010  
in Roswell New Mexico was shipped off to

561  
00:24:57,700 --> 00:24:54,799  
area 51 how do we begin to reverse

562  
00:24:59,799 --> 00:24:57,710  
engineer a technology we know nothing

563  
00:25:01,930 --> 00:24:59,809

about so it's pretty cool there's

564

00:25:04,480 --> 00:25:01,940

getting scientists they're getting UFO

565

00:25:06,700 --> 00:25:04,490

researchers they're getting bands who

566

00:25:09,509 --> 00:25:06,710

love this thing about aliens and stuff

567

00:25:11,590 --> 00:25:09,519

out there to make it something fun and

568

00:25:14,379 --> 00:25:11,600

educational like I mentioned earlier

569

00:25:16,659 --> 00:25:14,389

before finding a way to bridge that gap

570

00:25:19,210 --> 00:25:16,669

between entertainment and information

571

00:25:21,399 --> 00:25:19,220

my only concern when it comes to this

572

00:25:24,039 --> 00:25:21,409

man is you know there are gonna be

573

00:25:27,009 --> 00:25:24,049

people who'd go out there and try to

574

00:25:28,990 --> 00:25:27,019

breach that gate at area 51 and I'll

575

00:25:31,629 --> 00:25:29,000

be honest I was out there about a month

576

00:25:34,240 --> 00:25:31,639

ago at the gates of area 51 I have

577

00:25:36,279 --> 00:25:34,250

experience with this they do not mess

578

00:25:38,590 --> 00:25:36,289

around and when it comes to people

579

00:25:41,350 --> 00:25:38,600

wanting that Instagram photo or that

580

00:25:44,320 --> 00:25:41,360

YouTube video to go viral you know

581

00:25:46,750 --> 00:25:44,330

someone's gonna try it so I just hope

582

00:25:48,789 --> 00:25:46,760

hope hope and pray that people are smart

583

00:25:49,960 --> 00:25:48,799

enough not to do anything because at the

584

00:25:52,240 --> 00:25:49,970

end of the day it's a military

585

00:25:54,820 --> 00:25:52,250

installation it's there for a reason

586

00:25:56,440 --> 00:25:54,830

it's highly guarded and we need that

587

00:25:58,330 --> 00:25:56,450

sort of Defense when it comes to

588

00:26:00,779 --> 00:25:58,340

protecting our own country here in

589

00:26:03,430 --> 00:26:00,789

America it seems like it is

590

00:26:05,590 --> 00:26:03,440

mainstreaming counterculture all over

591

00:26:06,370 --> 00:26:05,600

again we saw with Woodstock we saw with

592

00:26:09,370 --> 00:26:06,380

Burning Man

593

00:26:11,919 --> 00:26:09,380

Coachella goodness gracious Kanye is now

594

00:26:13,480 --> 00:26:11,929

having Sunday service at Coachella it's

595

00:26:15,970 --> 00:26:13,490

almost like there's an underlying

596

00:26:19,629 --> 00:26:15,980

message that the world is ready to

597

00:26:23,529 --> 00:26:19,639

accept ufology and also possibly the

598

00:26:26,379 --> 00:26:23,539

idea that we really are not alone yes an

599

00:26:29,019 --> 00:26:26,389

alien stock is a prime example of that

600

00:26:31,180 --> 00:26:29,029

Jason you make a good point that we have

601  
00:26:33,460 --> 00:26:31,190  
been a counterculture for so long this

602  
00:26:36,700 --> 00:26:33,470  
subculture owns tinfoil hat wearing

603  
00:26:39,220 --> 00:26:36,710  
conspiracy there is UFO people and now

604  
00:26:42,250 --> 00:26:39,230  
because of these stories coming out with

605  
00:26:45,430 --> 00:26:42,260  
Navy pilots technology of UFOs you know

606  
00:26:49,240 --> 00:26:45,440  
the New York Times or Fox News or CNN

607  
00:26:52,029 --> 00:26:49,250  
covering UFOs at a constant rate now we

608  
00:26:54,310 --> 00:26:52,039  
live in a new age and we are becoming

609  
00:26:56,470 --> 00:26:54,320  
mainstream and alien stock is a prime

610  
00:26:58,930 --> 00:26:56,480  
example you have companies like Bud

611  
00:27:01,509 --> 00:26:58,940  
Light overnight mind you after this

612  
00:27:02,789 --> 00:27:01,519  
thing went by or create a area51

613  
00:27:07,020 --> 00:27:02,799

beer

614

00:27:09,340 --> 00:27:07,030

you know like you have hate mainstream

615

00:27:11,350 --> 00:27:09,350

that's tough because you look at things

616

00:27:14,950 --> 00:27:11,360

like Woodstock or Coachella and it

617

00:27:18,310 --> 00:27:14,960

started as one thing and then it becomes

618

00:27:20,529 --> 00:27:18,320

such a bigger beast or monster and

619

00:27:22,659 --> 00:27:20,539

people start to really profit off of it

620

00:27:24,700 --> 00:27:22,669

take advantage of it and in terms of

621

00:27:25,630 --> 00:27:24,710

like alien stock look at this tone of

622

00:27:28,960 --> 00:27:25,640

Rachel Nevada

623

00:27:30,789 --> 00:27:28,970

it's the closest town to area 51 I was

624

00:27:33,220 --> 00:27:30,799

out there like I said a month ago this

625

00:27:35,470 --> 00:27:33,230

is one small restaurant and a couple

626

00:27:38,169 --> 00:27:35,480

trailers that's it thousands and

627

00:27:40,419 --> 00:27:38,179

thousands of people May when the saline

628

00:27:43,060 --> 00:27:40,429

stock thing happens venture out there

629

00:27:45,549 --> 00:27:43,070

and this small town just can't be ready

630

00:27:48,130 --> 00:27:45,559

for something like that but they are

631

00:27:50,980 --> 00:27:48,140

going to do whatever they can to take

632

00:27:53,169 --> 00:27:50,990

advantage of that and milk it for every

633

00:27:55,000 --> 00:27:53,179

penny they possibly can and honestly I

634

00:27:57,880 --> 00:27:55,010

can't blame them if you're struggling

635

00:28:00,190 --> 00:27:57,890

town on the cusp of possibly another

636

00:28:02,320 --> 00:28:00,200

recession why wouldn't you take

637

00:28:06,159 --> 00:28:02,330

advantage of turrets my greatest hope is

638

00:28:08,909 --> 00:28:06,169

that people can sort of move past alien

639

00:28:11,980 --> 00:28:08,919

stock and funnel their time their energy

640

00:28:14,289 --> 00:28:11,990

their money even for something worth

641

00:28:15,360 --> 00:28:14,299

helping not demanding answers from a

642

00:28:17,860 --> 00:28:15,370

National Defense and military

643

00:28:20,140 --> 00:28:17,870

installation that's never gonna happen

644

00:28:21,909 --> 00:28:20,150

but maybe maybe they can help the

645

00:28:23,470 --> 00:28:21,919

environment somehow or you know both

646

00:28:26,200 --> 00:28:23,480

hunger things like that that actually

647

00:28:28,750 --> 00:28:26,210

matters so I hope alien stock can

648

00:28:31,060 --> 00:28:28,760

provide those sort of organizations some

649

00:28:33,399 --> 00:28:31,070

sort of platform at their event you know

650

00:28:35,500 --> 00:28:33,409

donate any type of proceeds to charities

651

00:28:37,060 --> 00:28:35,510

I just what just let the wait and see

652

00:28:39,909 --> 00:28:37,070

when it comes to that I find

653

00:28:41,799 --> 00:28:39,919

mainstreaming a topic helpful when it

654

00:28:43,810 --> 00:28:41,809

comes to finding answers to questions

655

00:28:46,000 --> 00:28:43,820

and I'm wondering if you believe that

656

00:28:48,310 --> 00:28:46,010

mainstreaming is going to be able to

657

00:28:50,770 --> 00:28:48,320

help you follow gee answer the big

658

00:28:53,980 --> 00:28:50,780

questions that they have we see this

659

00:28:55,390 --> 00:28:53,990

with Alzheimer's with cancer muscular

660

00:28:57,070 --> 00:28:55,400

dystrophy with the telethons

661

00:28:59,500 --> 00:28:57,080

it helps to raise money but it also

662

00:29:01,480 --> 00:28:59,510

helps to develop answers do you think

663

00:29:03,730 --> 00:29:01,490

that we're going to be getting those

664

00:29:06,940 --> 00:29:03,740

answers faster as a result of something

665

00:29:09,970 --> 00:29:06,950

like alien stock I think that ufology

666

00:29:11,770 --> 00:29:09,980

really represents that carrot being

667

00:29:14,020 --> 00:29:11,780

dangled in front of us to be completely

668

00:29:16,120 --> 00:29:14,030

honest I don't think we're ever really

669

00:29:20,990 --> 00:29:16,130

going to reach it I think what

670

00:29:23,690 --> 00:29:21,000

UFOs are they are so beyond our concept

671

00:29:28,130 --> 00:29:23,700

of our own realities our own logic

672

00:29:29,750 --> 00:29:28,140

possibly our own sons to really get that

673

00:29:31,639 --> 00:29:29,760

answer and I also don't think there's

674

00:29:33,440 --> 00:29:31,649

one answer to us I wish they could be a

675

00:29:36,200 --> 00:29:33,450

million different things or represent

676  
00:29:37,730 --> 00:29:36,210  
things completely different but in terms

677  
00:29:41,269 --> 00:29:37,740  
of what you mentioned you know let's say

678  
00:29:44,000 --> 00:29:41,279  
curing cancer Alzheimer's um I hope we

679  
00:29:46,519 --> 00:29:44,010  
do those things first I hope we do a lot

680  
00:29:49,430 --> 00:29:46,529  
of things before we saw the UFO question

681  
00:29:51,200 --> 00:29:49,440  
and I might get pillaged by the UFO

682  
00:29:53,629 --> 00:29:51,210  
community for saying something like that

683  
00:29:55,639 --> 00:29:53,639  
but I love the journey and the people

684  
00:29:57,980 --> 00:29:55,649  
I've met in terms of the ethology the

685  
00:30:00,649 --> 00:29:57,990  
stories I've heard some of the things

686  
00:30:03,289 --> 00:30:00,659  
that I've even seen but I also have

687  
00:30:05,509 --> 00:30:03,299  
family members and friends and a job and

688  
00:30:08,509 --> 00:30:05,519

a whole other life outside of UFOs as

689

00:30:11,360 --> 00:30:08,519

I'm sure you do or your colleagues and

690

00:30:15,289 --> 00:30:11,370

we have real-world issues that need

691

00:30:17,629 --> 00:30:15,299

attention so I'm hoping maybe some of

692

00:30:19,220 --> 00:30:17,639

the technology these UFOs represents

693

00:30:22,220 --> 00:30:19,230

that were witnessing coming from the

694

00:30:24,820 --> 00:30:22,230

military or civilians maybe this

695

00:30:27,470 --> 00:30:24,830

technology someday to be harnessed to

696

00:30:30,620 --> 00:30:27,480

better humanity how cure these diseases

697

00:30:32,419 --> 00:30:30,630

and that's a huge hypothetical you know

698

00:30:36,019 --> 00:30:32,429

something I I don't think we could ever

699

00:30:38,180 --> 00:30:36,029

really predict but I've lost family

700

00:30:41,240 --> 00:30:38,190

members I've lost friends to the news or

701  
00:30:43,730 --> 00:30:41,250  
drugs or mental health issues so if we

702  
00:30:46,519 --> 00:30:43,740  
can focus our energies again on being

703  
00:30:48,889 --> 00:30:46,529  
better humans I I think we could really

704  
00:30:51,470 --> 00:30:48,899  
be better off when that day comes that

705  
00:30:54,470 --> 00:30:51,480  
maybe an alien race does decide or

706  
00:30:57,049 --> 00:30:54,480  
worthy of making contact with them let's

707  
00:30:59,720 --> 00:30:57,059  
say we finally earned that spot at the

708  
00:31:02,060 --> 00:30:59,730  
Galactic table but for now I like what

709  
00:31:04,370 --> 00:31:02,070  
I'm doing my contributions to the UFO

710  
00:31:05,060 --> 00:31:04,380  
conversation and I'm enjoying the

711  
00:31:07,190 --> 00:31:05,070  
tyranny

712  
00:31:09,289 --> 00:31:07,200  
I think UFOs really say more about

713  
00:31:13,390 --> 00:31:09,299

ourselves than it possibly could any

714

00:31:17,870 --> 00:31:15,860

well that's it for this week's ask cast

715

00:31:21,260 --> 00:31:17,880

I hope you have a new appreciation for

716
