

**ANDREW AND RYAN
ON UFOS**

1
00:00:14,900 --> 00:00:12,530
I understand fur and I'm here with noted

2
00:00:17,120 --> 00:00:14,910
UF ologist and host of the podcast

3
00:00:20,240 --> 00:00:17,130
somewhere in the skies writer of the

4
00:00:22,550 --> 00:00:20,250
book somewhere in the skies and just

5
00:00:23,900 --> 00:00:22,560
all-around nice guy Ryan spread cation

6
00:00:25,790 --> 00:00:23,910
how's it going there man

7
00:00:28,490 --> 00:00:25,800
I'm here you know I'm having a good time

8
00:00:30,980 --> 00:00:28,500
we're Ted tackling some now I won't call

9
00:00:32,659 --> 00:00:30,990
them tough issues for me necessarily but

10
00:00:36,590 --> 00:00:32,669
you know I love to hold your feet to the

11
00:00:42,470 --> 00:00:36,600
fire yeah yeah I think that's very

12
00:00:45,200 --> 00:00:42,480
important what would you consider the

13
00:00:46,760 --> 00:00:45,210

biggest challenge as a UFO just in this

14

00:00:49,100 --> 00:00:46,770

day and age especially in a day and age

15

00:00:51,080 --> 00:00:49,110

when we have not just people like me who

16

00:00:53,630 --> 00:00:51,090

can hop on their phone and do an

17

00:00:55,340 --> 00:00:53,640

interview about why they don't believe

18

00:00:56,840 --> 00:00:55,350

in something but people have a lot of

19

00:00:59,510 --> 00:00:56,850

that information right at their

20

00:01:01,400 --> 00:00:59,520

fingertips the they I you could almost

21

00:01:03,260 --> 00:01:01,410

say that with the more office your

22

00:01:06,590 --> 00:01:03,270

options to do their own research people

23

00:01:09,590 --> 00:01:06,600

do less research these days so yeah what

24

00:01:11,390 --> 00:01:09,600

with all of that happening what is the

25

00:01:13,429 --> 00:01:11,400

biggest issue that you found that you

26
00:01:17,060 --> 00:01:13,439
face well I think the biggest issue when

27
00:01:20,630 --> 00:01:17,070
it comes to the UFO topic is trying to

28
00:01:23,570 --> 00:01:20,640
disseminate the the hoaxes from the

29
00:01:27,649 --> 00:01:23,580
reality I mean anyone can fake a UFO

30
00:01:29,660 --> 00:01:27,659
sighting or a video it's so easy to do

31
00:01:32,690 --> 00:01:29,670
there are apps literally out there to

32
00:01:34,999 --> 00:01:32,700
insert a UFO into your photos so a lot

33
00:01:37,880 --> 00:01:35,009
of people are out there claiming you

34
00:01:41,679 --> 00:01:37,890
know they were taken aboard a craft or

35
00:01:44,300 --> 00:01:41,689
they visited Mars and worked on

36
00:01:46,190 --> 00:01:44,310
spaceships with Obama I mean these are

37
00:01:48,289 --> 00:01:46,200
literal things that people are saying

38
00:01:50,719 --> 00:01:48,299

about I'm not - and

39

00:01:53,359 --> 00:01:50,729

millions of people are watching these

40

00:01:56,569 --> 00:01:53,369

videos and believing it so it's hard

41

00:01:57,919 --> 00:01:56,579

it's hard especially because I think

42

00:02:00,969 --> 00:01:57,929

that I would want nothing more than to

43

00:02:05,300 --> 00:02:00,979

work on a spaceship with Barack Obama

44

00:02:08,419 --> 00:02:05,310

how does somebody like you who's trying

45

00:02:10,249 --> 00:02:08,429

to sift through the noise deal with

46

00:02:12,259 --> 00:02:10,259

something like that that's a really good

47

00:02:14,900 --> 00:02:12,269

way to put it we often look at it as

48

00:02:17,270 --> 00:02:14,910

trying to find that signal amongst the

49

00:02:21,050 --> 00:02:17,280

noise there's so much out there so much

50

00:02:22,940 --> 00:02:21,060

saturation of conspiracy theories when

51
00:02:25,280 --> 00:02:22,950
when I tell people what I do that I'm in

52
00:02:28,370 --> 00:02:25,290
the UFOs they automatically look at me

53
00:02:31,490 --> 00:02:28,380
like I'm one of these Alex Jones type

54
00:02:33,410 --> 00:02:31,500
people you know espousing the most

55
00:02:37,400 --> 00:02:33,420
ridiculous conspiracy theories out there

56
00:02:38,479 --> 00:02:37,410
with absolutely no basis for fact

57
00:02:41,449 --> 00:02:38,489
whatsoever

58
00:02:43,729 --> 00:02:41,459
and we do we live in a digital age of

59
00:02:45,979 --> 00:02:43,739
YouTube and Facebook and Instagram where

60
00:02:48,830 --> 00:02:45,989
everyone wants to be known everybody

61
00:02:52,039 --> 00:02:48,840
wants to be seen an influencer is an

62
00:02:54,080 --> 00:02:52,049
actual thing in our society and we have

63
00:02:56,300 --> 00:02:54,090

those in the UFO field as well

64

00:02:59,420 --> 00:02:56,310

influencers absolutely these people who

65

00:03:01,430 --> 00:02:59,430

are out there touting certain things to

66

00:03:04,370 --> 00:03:01,440

get to a certain demographic or a

67

00:03:06,500 --> 00:03:04,380

certain set of beliefs and they're hired

68

00:03:08,509 --> 00:03:06,510

to say these things even though they

69

00:03:10,759 --> 00:03:08,519

don't actually believe it I mean there

70

00:03:13,520 --> 00:03:10,769

are people out there who actually say

71

00:03:15,530 --> 00:03:13,530

that they are talking to blue chicken

72

00:03:19,580 --> 00:03:15,540

aliens on the planet Mars and they're

73

00:03:22,729 --> 00:03:19,590

working with former presidents on these

74

00:03:24,440 --> 00:03:22,739

spaceships during these space Wars now

75

00:03:28,129 --> 00:03:24,450

these not actual people up getting

76

00:03:31,070 --> 00:03:28,139

millions of clicks and down and this is

77

00:03:38,030 --> 00:03:35,940

what would you say is the craziest story

78

00:03:40,949 --> 00:03:38,040

that you have heard that you believe

79

00:03:41,630 --> 00:03:40,959

that you have had to explain to other

80

00:03:44,850 --> 00:03:41,640

people

81

00:03:47,550 --> 00:03:44,860

Wow that something that you're just like

82

00:03:48,990 --> 00:03:47,560

listen I know nobody's gonna believe if

83

00:03:50,460 --> 00:03:49,000

I tell them that there are little green

84

00:03:53,940 --> 00:03:50,470

Goblin's running around terrorizing

85

00:03:55,199 --> 00:03:53,950

these peoples home however I got a lot

86

00:03:57,479 --> 00:03:55,209

of things to back that up

87

00:03:59,370 --> 00:03:57,489

I got a lot of things that they really

88

00:04:00,570 --> 00:03:59,380

believe that you're a sane person what's

89

00:04:04,290 --> 00:04:00,580

something that would make me think

90

00:04:07,949 --> 00:04:04,300

otherwise thank you really that's

91

00:04:09,660 --> 00:04:07,959

probably one of the cases I'm not gonna

92

00:04:11,729 --> 00:04:09,670

lie I don't know if that was a leading

93

00:04:14,729 --> 00:04:11,739

or what but you didn't call that a happy

94

00:04:17,190 --> 00:04:14,739

accident um so there's a case that

95

00:04:20,280 --> 00:04:17,200

happened in Hopkinsville sure which is

96

00:04:23,629 --> 00:04:20,290

in Kentucky sounds made-up it's a real

97

00:04:27,540 --> 00:04:23,639

place oh yeah sure go to Hopkinsville oh

98

00:04:29,820 --> 00:04:27,550

so these two families the Sutton family

99

00:04:32,310 --> 00:04:29,830

and the the other names escaping me at

100

00:04:33,570 --> 00:04:32,320

the moment but these two families are

101
00:04:34,500 --> 00:04:33,580
coming together this is back in the

102
00:04:37,670 --> 00:04:34,510
mid-50s

103
00:04:41,100 --> 00:04:37,680
okay um very rural area in Kentucky

104
00:04:42,840 --> 00:04:41,110
farmhouse and they had a nice dinner and

105
00:04:45,270 --> 00:04:42,850
they were just catching up and having a

106
00:04:48,690 --> 00:04:45,280
good time and when everyone was about to

107
00:04:50,940 --> 00:04:48,700
go to bed one of the wives of one of the

108
00:04:53,490 --> 00:04:50,950
husbands she noticed something in the

109
00:04:55,230 --> 00:04:53,500
window and she liked to start to look it

110
00:04:57,480 --> 00:04:55,240
out and she's freaked out she's a

111
00:05:00,540 --> 00:04:57,490
cock-up go go see there there might be a

112
00:05:03,360 --> 00:05:00,550
predator out there or something so one

113
00:05:06,810 --> 00:05:03,370

of the husbands goes out to look and I'm

114

00:05:10,469 --> 00:05:06,820

not kidding you in the treeline he sees

115

00:05:12,150 --> 00:05:10,479

about five different beings floating in

116

00:05:15,000 --> 00:05:12,160

mid-air well they're floating floating

117

00:05:18,110 --> 00:05:15,010

okay midair they're probably about this

118

00:05:21,770 --> 00:05:18,120

tall maybe two and a half feet or so or

119

00:05:25,939 --> 00:05:21,780

yeah and their goblins the goblins what

120

00:05:28,189 --> 00:05:25,949

what supplement eating goblins what

121

00:05:31,280 --> 00:05:28,199

classifies a goblin and I don't mean to

122

00:05:32,810 --> 00:05:31,290

laugh I'm sorry that's I it shots over I

123

00:05:36,379 --> 00:05:32,820

get excited when I hear about floating

124

00:05:39,020 --> 00:05:36,389

goblins but what would constitute a

125

00:05:41,210 --> 00:05:39,030

goblin in this case so a lot of people

126

00:05:43,850 --> 00:05:41,220

like to attribute this case to a close

127

00:05:45,950 --> 00:05:43,860

encounter of an alien okay okay you've

128

00:05:49,879 --> 00:05:45,960

got these beings out there who are

129

00:05:51,920 --> 00:05:49,889

invading a home scoping out the area but

130

00:05:56,150 --> 00:05:51,930

the way that these things were described

131

00:05:58,850 --> 00:05:56,160

is they were small they were pudgy they

132

00:06:02,300 --> 00:05:58,860

had big black eyes but they also had

133

00:06:04,460 --> 00:06:02,310

huge alpha like ears so I mean we're not

134

00:06:06,890 --> 00:06:04,470

talking these prototypical grey alien

135

00:06:09,350 --> 00:06:06,900

rights with the bald heads big heads oh

136

00:06:10,670 --> 00:06:09,360

there's no extra features right right so

137

00:06:15,379 --> 00:06:10,680

we're almost talking about like an

138

00:06:17,480 --> 00:06:15,389

amalgamation alien lore and goblin more

139

00:06:19,969 --> 00:06:17,490

sort of mixing together and the whole

140

00:06:22,219 --> 00:06:19,979

floating in mid-air thing I don't know

141

00:06:23,840 --> 00:06:22,229

what to make of it and then they go out

142

00:06:25,610 --> 00:06:23,850

with their guns and try to shoot at

143

00:06:27,290 --> 00:06:25,620

these things to get them off their

144

00:06:29,659 --> 00:06:27,300

property because that's what you do when

145

00:06:32,870 --> 00:06:29,669

you live in a rural area and get off my

146

00:06:34,159 --> 00:06:32,880

land and they start shooting at these

147

00:06:37,879 --> 00:06:34,169

things and the bullets are just

148

00:06:41,810 --> 00:06:37,889

deflecting off of them so I mean what is

149

00:06:43,690 --> 00:06:41,820

that and both families say this thing

150

00:06:47,240 --> 00:06:43,700

happened they said that there was like a

151
00:06:48,320 --> 00:06:47,250
gunfight that ensued yeah the Goblin

152
00:06:51,379 --> 00:06:48,330
said that good news but they were

153
00:06:53,750 --> 00:06:51,389
shooting at the Goblin I've watched this

154
00:06:56,120 --> 00:06:53,760
movie anyway but if they had guns move

155
00:06:57,860 --> 00:06:56,130
in begin to some kind of John wick

156
00:07:07,520 --> 00:06:57,870
situation just some goblins dive in a

157
00:07:10,460 --> 00:07:07,530
car what makes you believe that story

158
00:07:12,290 --> 00:07:10,470
ah the fact that to their dying day

159
00:07:13,500 --> 00:07:12,300
every member of the family stuck to the

160
00:07:14,730 --> 00:07:13,510
story

161
00:07:16,830 --> 00:07:14,740
to the point where it got so much

162
00:07:18,990 --> 00:07:16,840
attention that reporters from all over

163
00:07:20,970 --> 00:07:19,000

the world were descending on the small

164

00:07:23,220 --> 00:07:20,980

area in Kentucky I mean you have

165

00:07:27,150 --> 00:07:23,230

reporters from Japan from like the

166

00:07:30,510 --> 00:07:27,160

Middle East in the 50s yeah brother

167

00:07:33,780 --> 00:07:30,520

look at this thing yeah and it got so

168

00:07:36,900 --> 00:07:33,790

bad that they eventually sold the farm

169

00:07:39,390 --> 00:07:36,910

and moved away Wow so this event again

170

00:07:41,790 --> 00:07:39,400

while it sounds ridiculous and we can

171

00:07:43,860 --> 00:07:41,800

laugh about it it ruined their lives in

172

00:07:46,200 --> 00:07:43,870

one way the fact that they came forward

173

00:07:48,210 --> 00:07:46,210

and talked about this of course there's

174

00:07:49,920 --> 00:07:48,220

gonna be people that talk and of course

175

00:07:50,790 --> 00:07:49,930

there's gonna be people that don't

176

00:07:52,650 --> 00:07:50,800

believe them

177

00:07:55,950 --> 00:07:52,660

it broke up members of the family

178

00:07:58,740 --> 00:07:55,960

friends their community their parish of

179

00:08:00,510 --> 00:07:58,750

the church and they kind of tried to not

180

00:08:04,610 --> 00:08:00,520

talk about it for the rest of their

181

00:08:14,490 --> 00:08:09,360

you have claimed yourself to live had a

182

00:08:16,860 --> 00:08:14,500

sighting when you were 12 years old if

183

00:08:20,460 --> 00:08:16,870

there was anything that you think you

184

00:08:22,650 --> 00:08:20,470

could go back to ask your 12 year old

185

00:08:24,900 --> 00:08:22,660

selves about about that moment what do

186

00:08:27,360 --> 00:08:24,910

you think that it was because we are

187

00:08:30,210 --> 00:08:27,370

aware out of time you're almost twice

188

00:08:31,410 --> 00:08:30,220

removed from that point in your life or

189

00:08:35,370 --> 00:08:31,420

a little bit more than twice removed

190

00:08:37,350 --> 00:08:35,380

from that point your life it's I know at

191

00:08:38,520 --> 00:08:37,360

least for me and it may not be the case

192

00:08:40,020 --> 00:08:38,530

for summer may not be the case for

193

00:08:42,240 --> 00:08:40,030

somebody who had a moment

194

00:08:47,640 --> 00:08:42,250

that huge that age but it can be hard to

195

00:08:50,400 --> 00:08:47,650

recall that certain perspective so if

196

00:08:52,800 --> 00:08:50,410

you are able to go back and ask yourself

197

00:08:58,860 --> 00:08:52,810

like the next morning a question what

198

00:09:01,950 --> 00:08:58,870

would it be I asked my older self that

199

00:09:04,830 --> 00:09:01,960

many times Anjali I mean because of

200

00:09:06,900 --> 00:09:04,840

where I'm at in my life now the older

201
00:09:09,720 --> 00:09:06,910
you get the more you start to filter

202
00:09:11,930 --> 00:09:09,730
things and the more you start to find

203
00:09:14,700 --> 00:09:11,940
present answers for things in their life

204
00:09:17,010 --> 00:09:14,710
when I was 12 years old when I had my

205
00:09:20,580 --> 00:09:17,020
UFO sighting it could have been anything

206
00:09:21,990 --> 00:09:20,590
and that's where my mind was it could

207
00:09:24,510 --> 00:09:22,000
have been a plane it could have been a

208
00:09:26,550 --> 00:09:24,520
UFO it could have been you know anything

209
00:09:29,970 --> 00:09:26,560
in the world and now looking back at it

210
00:09:32,940 --> 00:09:29,980
I think if I could tell my 12 year old

211
00:09:37,800 --> 00:09:32,950
self anything it wouldn't even be a

212
00:09:39,780 --> 00:09:37,810
question it would be remember this for

213
00:09:42,720 --> 00:09:39,790

what it was and not what you're gonna

214

00:09:47,460 --> 00:09:42,730

think it was because now in a later life

215

00:09:52,500 --> 00:09:47,470

I I feel that what I saw was something

216

00:09:55,530 --> 00:09:52,510

completely prosaic and conventional and

217

00:09:57,510 --> 00:09:55,540

that almost bums me out or you know I

218

00:09:59,700 --> 00:09:57,520

think been sent on this path in my life

219

00:10:01,770 --> 00:09:59,710

now of trying to investigate UFOs and

220

00:10:05,130 --> 00:10:01,780

find answers to these mysteries and

221

00:10:09,020 --> 00:10:05,140

that's awesome and I love it but I wish

222

00:10:12,180 --> 00:10:09,030

that I could have that 12 year old

223

00:10:15,870 --> 00:10:12,190

feeling of just complete innocence and

224

00:10:20,220 --> 00:10:15,880

imagination again so I think I would

225

00:10:21,930 --> 00:10:20,230

tell myself remain open I do feel that

226

00:10:25,020 --> 00:10:21,940

the older I get and the more that I look

227

00:10:27,480 --> 00:10:25,030

into these topics the the more skeptical

228

00:10:31,890 --> 00:10:27,490

I get and that's okay like I think

229

00:10:33,840 --> 00:10:31,900

that's important too but you always have

230

00:10:35,370 --> 00:10:33,850

to remain open-minded when it comes to

231

00:10:36,990 --> 00:10:35,380

these topics because the minute you

232

00:10:38,560 --> 00:10:37,000

think you haven't figure it out

233

00:10:41,170 --> 00:10:38,570

it flips you on your ass

234

00:10:44,530 --> 00:10:41,180

- something - right so if I could go

235

00:10:48,850 --> 00:10:44,540

back and tell myself anything it's to to

236

00:10:52,750 --> 00:10:48,860

keep doing what you're doing and to keep

237

00:10:53,380 --> 00:10:52,760

looking up at the skies hey I'm Ryan

238

00:10:56,200 --> 00:10:53,390

Sprague

239

00:10:58,480 --> 00:10:56,210

I'm a UFO researcher author podcast host

240

00:11:00,910 --> 00:10:58,490

and you can find all of my work at

241

00:11:02,350 --> 00:11:00,920

somewhere in the sky is calm I'm Andrew
