

# SOMEWHERE IN THE SKIES

WITH RYAN SPRAGUE

**RYAN'S TOP 5  
UFO CASES**

1  
00:00:04,550 --> 00:00:02,330  
today on the show I joined Michael

2  
00:00:08,750 --> 00:00:04,560  
McMillian of the Bigfoot collectors Club

3  
00:00:11,209 --> 00:00:08,760  
podcast to discuss my top 5 favorite UFO

4  
00:00:14,720 --> 00:00:11,219  
cases so John burrows along with his

5  
00:00:16,580 --> 00:00:14,730  
attorney and John McCain's approval they

6  
00:00:18,439 --> 00:00:16,590  
all went to the Veteran Affairs and said

7  
00:00:20,929 --> 00:00:18,449  
you need to help this guy you need to

8  
00:00:22,970 --> 00:00:20,939  
help and he won the case yeah so this is

9  
00:00:25,220 --> 00:00:22,980  
the first documented case that the

10  
00:00:28,250 --> 00:00:25,230  
Veteran Affairs has said this man was

11  
00:00:30,019 --> 00:00:28,260  
directly affected by a UFO event and is

12  
00:00:31,339 --> 00:00:30,029  
health deteriorated and we got a help

13  
00:00:43,190 --> 00:00:31,349

that's insane

14

00:00:46,370 --> 00:00:43,200

yeah that's mind-blowing Wow this is

15

00:00:54,430 --> 00:00:46,380

somewhere in the skies inspired

16

00:01:04,770 --> 00:01:02,570

[Music]

17

00:01:07,440 --> 00:01:04,780

we have Ryan Sprague with us from

18

00:01:13,080 --> 00:01:07,450

somewhere in the skies podcast and I

19

00:01:15,120 --> 00:01:13,090

asked Ryan to bring in his top 5 UFO

20

00:01:18,060 --> 00:01:15,130

stories his favorite encounter stories

21

00:01:19,980 --> 00:01:18,070

and I got a sneak peek at this list and

22

00:01:21,810 --> 00:01:19,990

the cool thing is I don't think we've

23

00:01:25,310 --> 00:01:21,820

done any of these on the show yet so

24

00:01:28,140 --> 00:01:25,320

this might be a good tease or a good

25

00:01:29,760 --> 00:01:28,150

what is it a signpost to point towards

26

00:01:30,750 --> 00:01:29,770

where maybe Bigfoot collectors Club

27

00:01:34,200 --> 00:01:30,760

needs to go next

28

00:01:36,690 --> 00:01:34,210

nice yeah what are your first of all

29

00:01:39,060 --> 00:01:36,700

what I want to ask you this what is it

30

00:01:43,740 --> 00:01:39,070

in your mind what makes for a good UFO

31

00:01:45,960 --> 00:01:43,750

story a good UFO story for me is not the

32

00:01:48,990 --> 00:01:45,970

same prototypical thing over and over

33

00:01:50,700 --> 00:01:49,000

again you know it was saucer shaped it

34

00:01:53,010 --> 00:01:50,710

was there for a second and then it

35

00:01:54,870 --> 00:01:53,020

zipped away I believe it happened but

36

00:01:57,870 --> 00:01:54,880

for me like that proves nothing we're

37

00:01:59,249 --> 00:01:57,880

absolutely nothing so give me some sort

38

00:02:01,710 --> 00:01:59,259

of physical evidence whether it's

39

00:02:03,420 --> 00:02:01,720

photographic whether it's video whether

40

00:02:05,730 --> 00:02:03,430

it's trace evidence if I can go to the

41

00:02:08,100 --> 00:02:05,740

site and actually find something is

42

00:02:11,670 --> 00:02:08,110

there traces of radiation in the area

43

00:02:14,160 --> 00:02:11,680

can the FAA tell me that they did or did

44

00:02:15,930 --> 00:02:14,170

not have aircraft in the air at that

45

00:02:18,090 --> 00:02:15,940

time in that area what were the weather

46

00:02:20,699 --> 00:02:18,100

conditions everything plays into it now

47

00:02:22,590 --> 00:02:20,709

how often are you actually as UFO just

48

00:02:24,560 --> 00:02:22,600

doing that kind of stuff how often are

49

00:02:29,280 --> 00:02:24,570

you actually investigating these kind of

50

00:02:32,069 --> 00:02:29,290

accounts yeah I mean for me I am a UFO

51  
00:02:34,590 --> 00:02:32,079  
journalist before anything so I do tell

52  
00:02:37,710 --> 00:02:34,600  
people I am a little armchair researcher

53  
00:02:40,590 --> 00:02:37,720  
I am I I do the show I write articles

54  
00:02:42,780 --> 00:02:40,600  
about it but I'm not like these

55  
00:02:45,449 --> 00:02:42,790  
individuals who work for the mutual UFO

56  
00:02:48,000 --> 00:02:45,459  
network MUFON who go out there and

57  
00:02:51,690 --> 00:02:48,010  
actually investigate I've done that

58  
00:02:53,400 --> 00:02:51,700  
several times and I love doing it but I

59  
00:02:56,370 --> 00:02:53,410  
like relaying stories I am definitely a

60  
00:02:59,460 --> 00:02:56,380  
relator of stories and information so

61  
00:03:01,140 --> 00:02:59,470  
yeah I'd say it's probably like an 80/20

62  
00:03:03,000 --> 00:03:01,150  
sort of percentage that I'm actually out

63  
00:03:05,130 --> 00:03:03,010

there boots on the ground right yeah I

64

00:03:07,110 --> 00:03:05,140

think I'd be scared of some of the stuff

65

00:03:09,300 --> 00:03:07,120

I might find I mean some of the stories

66

00:03:11,729 --> 00:03:09,310

on your podcast I would be too yeah yeah

67

00:03:15,600 --> 00:03:11,739

sorry yeah so what's your should we go

68

00:03:17,130 --> 00:03:15,610

from least favorite to favorite like

69

00:03:23,460 --> 00:03:17,140

your bottom the top are these entering

70

00:03:26,340 --> 00:03:23,470

particular orders down list so number

71

00:03:29,940 --> 00:03:26,350

yeah number five for number five I would

72

00:03:32,370 --> 00:03:29,950

have to go with probably Roswell I mean

73

00:03:35,790 --> 00:03:32,380

it's an easy one to sort of go to but it

74

00:03:38,240 --> 00:03:35,800

is also kind of what we have and to

75

00:03:40,650 --> 00:03:38,250

prove that there is a UFO cover-up right

76

00:03:42,810 --> 00:03:40,660

establishes the narrative of so many

77

00:03:45,690 --> 00:03:42,820

things that come afterwards yeah yeah

78

00:03:48,600 --> 00:03:45,700

1947 again the beginning of the modern

79

00:03:50,730 --> 00:03:48,610

UFO era we had one case before that the

80

00:03:52,440 --> 00:03:50,740

Kenneth Arnold flying saucer sighting

81

00:03:55,590 --> 00:03:52,450

right where the actual term flying

82

00:03:57,780 --> 00:03:55,600

saucer was first coin right later

83

00:04:00,300 --> 00:03:57,790

changed to UFO by the US government a

84

00:04:02,220 --> 00:04:00,310

lot of people don't know that do a sort

85

00:04:05,280 --> 00:04:02,230

of squelch the idea that this could be

86

00:04:08,400 --> 00:04:05,290

alien so yeah I'm gonna go with Roswell

87

00:04:11,720 --> 00:04:08,410

for number five yeah if you have to come

88

00:04:14,220 --> 00:04:11,730

to just a quick conclusion about Roswell

89

00:04:17,039 --> 00:04:14,230

was it an alien craft and were there

90

00:04:20,070 --> 00:04:17,049

bodies was there an alien craft in where

91

00:04:24,330 --> 00:04:20,080

their bodies I I know this is sort of

92

00:04:26,270 --> 00:04:24,340

passive I'm gonna go 5050 okay I fifty

93

00:04:29,670 --> 00:04:26,280

percent believe it could possibly be

94

00:04:31,740 --> 00:04:29,680

extraterrestrial and probably even

95

00:04:34,200 --> 00:04:31,750

splitting that 50 percent if there were

96

00:04:36,719 --> 00:04:34,210

bodies I did interview people who

97

00:04:38,550 --> 00:04:36,729

claimed that there's evidence that

98

00:04:42,030 --> 00:04:38,560

something was found

99

00:04:43,110 --> 00:04:42,040

we spoke to descendents of the gentleman

100

00:04:45,060 --> 00:04:43,120

who worked at the funeral home in

101  
00:04:45,510 --> 00:04:45,070  
Roswell New Mexico that story's pretty

102  
00:04:47,880 --> 00:04:45,520  
fast

103  
00:04:50,940 --> 00:04:47,890  
it's fascinating they yeah the Air Force

104  
00:04:53,400 --> 00:04:50,950  
she allegedly called him and asked for I

105  
00:04:54,659 --> 00:04:53,410  
think four to five gallon sized coffins

106  
00:04:56,640 --> 00:04:54,669  
and at first he was like I'm gonna have

107  
00:05:00,060 --> 00:04:56,650  
to special order those because we don't

108  
00:05:02,159 --> 00:05:00,070  
keep kid coffins in the funeral home and

109  
00:05:04,170 --> 00:05:02,169  
they're like okay you know and he's like

110  
00:05:06,360 --> 00:05:04,180  
what is going on what is happening he

111  
00:05:08,370 --> 00:05:06,370  
did ask that he's okay if there was

112  
00:05:10,380 --> 00:05:08,380  
an abuse yeah that they were dead yeah

113  
00:05:12,060 --> 00:05:10,390

it seems like what's going on what what

114

00:05:13,530 --> 00:05:12,070

happened yeah and they said you do not

115

00:05:15,570 --> 00:05:13,540

have a need to know for that just do you

116

00:05:16,710 --> 00:05:15,580

have it yeah he didn't he got him

117

00:05:18,990 --> 00:05:16,720

ordered and he doesn't know what

118

00:05:22,320 --> 00:05:19,000

happened from there or so fascinating

119

00:05:26,219 --> 00:05:22,330

yeah the I also loved the story the

120

00:05:29,340 --> 00:05:26,229

other it's that story and then Mac

121

00:05:32,450 --> 00:05:29,350

Brazel is the one who we also get

122

00:05:37,050 --> 00:05:32,460

clue that there were bodies which is

123

00:05:38,550 --> 00:05:37,060

because he got paid off I think from the

124

00:05:40,680 --> 00:05:38,560

air force that keep his mouth shut

125

00:05:43,140 --> 00:05:40,690

he did and he took some of that money to

126

00:05:45,960 --> 00:05:43,150

the bar and was getting drunk people

127

00:05:47,640 --> 00:05:45,970

were making fun of him and someone's

128

00:05:49,530 --> 00:05:47,650

like you seen little green men and he

129

00:05:52,530 --> 00:05:49,540

supposedly walked out drunk and turn

130

00:05:55,830 --> 00:05:52,540

around said they weren't green and left

131

00:05:58,230 --> 00:05:55,840

which is one of my favorite little yeah

132

00:06:02,310 --> 00:05:58,240

either he was serious or he's like a

133

00:06:05,280 --> 00:06:02,320

master at suspect it's suspenseful

134

00:06:07,470 --> 00:06:05,290

comeback yeah he was not that witty I

135

00:06:10,560 --> 00:06:07,480

could tell you that much from from what

136

00:06:12,690 --> 00:06:10,570

I've heard but sure a lot of people also

137

00:06:14,550 --> 00:06:12,700

don't know there's two crash sites right

138

00:06:19,290 --> 00:06:14,560

involved with this Corona and where's

139

00:06:22,560 --> 00:06:19,300

the other crash site it supposedly it is

140

00:06:24,600 --> 00:06:22,570

both near Corona okay a lot of people

141

00:06:26,820 --> 00:06:24,610

think it happened in Roswell it did not

142

00:06:27,630 --> 00:06:26,830

that's just where the stuff was brought

143

00:06:29,700 --> 00:06:27,640

exactly

144

00:06:33,720 --> 00:06:29,710

yeah the closest town there do anything

145

00:06:36,060 --> 00:06:33,730

with it what we discovered is there was

146

00:06:40,530 --> 00:06:36,070

the impact site where the thing actually

147

00:06:43,380 --> 00:06:40,540

crashed went back up Basso bounced and

148

00:06:47,450 --> 00:06:43,390

literally went miles and miles and miles

149

00:06:50,190 --> 00:06:47,460

away and actually when vaccinated right

150

00:06:53,370 --> 00:06:50,200

finale happened exactly and that's where

151  
00:06:56,220 --> 00:06:53,380  
supposedly the whatever occupants were

152  
00:06:58,500 --> 00:06:56,230  
in this craft found coverage in a little

153  
00:07:01,140 --> 00:06:58,510  
cave area right and so that's

154  
00:07:02,790 --> 00:07:01,150  
interesting yeah yeah and they that is

155  
00:07:05,460 --> 00:07:02,800  
is that why some people think that there

156  
00:07:08,910 --> 00:07:05,470  
were two crash two crafts that crashed

157  
00:07:10,350 --> 00:07:08,920  
that night possibly because but you're

158  
00:07:12,000 --> 00:07:10,360  
saying and I would tend to agree with

159  
00:07:14,820 --> 00:07:12,010  
you that it was a thing where it skidded

160  
00:07:17,280 --> 00:07:14,830  
hit hit once got back up in the air for

161  
00:07:19,800 --> 00:07:17,290  
miles and then finally came back down I

162  
00:07:22,110 --> 00:07:19,810  
think so if that thing was coming in at

163  
00:07:24,690 --> 00:07:22,120

the trajectory that we've been told it

164

00:07:27,450 --> 00:07:24,700

has and a lot of testimony of you know

165

00:07:30,450 --> 00:07:27,460

what happened I could understand that

166

00:07:32,760 --> 00:07:30,460

like coming in at that force and if you

167

00:07:34,170 --> 00:07:32,770

look at the debris that supposedly has

168

00:07:37,290 --> 00:07:34,180

been found and was picked up by the

169

00:07:40,110 --> 00:07:37,300

military tiny particles of like some

170

00:07:42,659 --> 00:07:40,120

sort of metallic objects burnt bent

171

00:07:46,290 --> 00:07:42,669

charred like this thing explode

172

00:07:49,050 --> 00:07:46,300

at a tremendous speed so it shattered

173

00:07:52,469 --> 00:07:49,060

right it's absolutely shattered so yeah

174

00:07:54,959 --> 00:07:52,479

I was wondered if this alien metal was

175

00:07:57,659 --> 00:07:54,969

so malleable how it would fall apart

176

00:07:59,730 --> 00:07:57,669

in a crash right but I guess if the

177

00:08:01,230 --> 00:07:59,740

impacts hard enough and the either that

178

00:08:02,279 --> 00:08:01,240

or a lot of people think he got shot

179

00:08:05,279 --> 00:08:02,289

down yeah

180

00:08:07,860 --> 00:08:05,289

- so or that they tried to land it and

181

00:08:09,649 --> 00:08:07,870

they were looking for a flat area to

182

00:08:12,659 --> 00:08:09,659

crash land the object after they were

183

00:08:14,070 --> 00:08:12,669

you know shot down or struck by

184

00:08:16,290 --> 00:08:14,080

lightning perhaps there was a lightning

185

00:08:18,119 --> 00:08:16,300

storm that night there was yep yep all

186

00:08:21,839 --> 00:08:18,129

right cool so let's go to number four

187

00:08:25,529 --> 00:08:21,849

number four I'm going to go with the

188

00:08:27,450 --> 00:08:25,539

Carlos De Santis UFO of 1975 I don't

189

00:08:30,149 --> 00:08:27,460

think I know this story yeah I didn't

190

00:08:31,740 --> 00:08:30,159

know it either to be honest until I I

191

00:08:34,589 --> 00:08:31,750

spoke to a gentleman who strictly

192

00:08:37,469 --> 00:08:34,599

investigates cases out of the Southwest

193

00:08:41,279 --> 00:08:37,479

and Mexico and yeah this happened to a

194

00:08:45,000 --> 00:08:41,289

gentleman he was flying a private plane

195

00:08:48,120 --> 00:08:45,010

Piper at the time and he was heading to

196

00:08:52,079 --> 00:08:48,130

Mexico City and as he was in the air he

197

00:08:53,460 --> 00:08:52,089

saw three saucer shaped objects coming

198

00:08:55,530 --> 00:08:53,470

towards him

199

00:08:58,590 --> 00:08:55,540

he started radioing being like who's

200

00:09:00,030 --> 00:08:58,600

around me what's going on here and all

201  
00:09:02,040 --> 00:09:00,040  
his instruments started to fail his

202  
00:09:04,230 --> 00:09:02,050  
transmissions with the flight towers

203  
00:09:05,819 --> 00:09:04,240  
were starting to fail and the objects

204  
00:09:07,019 --> 00:09:05,829  
just got closer and closer until he

205  
00:09:10,079 --> 00:09:07,029  
could actually make out that they were

206  
00:09:13,860 --> 00:09:10,089  
saucer shaped and they surrounded his

207  
00:09:17,220 --> 00:09:13,870  
plane and then one of them actually hit

208  
00:09:19,019 --> 00:09:17,230  
his fuselage what yeah crashed into his

209  
00:09:21,150 --> 00:09:19,029  
plane and he started going out of

210  
00:09:23,610 --> 00:09:21,160  
control he started he started getting

211  
00:09:26,280 --> 00:09:23,620  
back on the radio and finally got in

212  
00:09:28,019 --> 00:09:26,290  
touch with the FAA whoever was in that

213  
00:09:30,900 --> 00:09:28,029

area at the time the flights hours I

214

00:09:33,360 --> 00:09:30,910

should say and Mayday Mayday I've just

215

00:09:36,420 --> 00:09:33,370

been hit I don't know what's going on I

216

00:09:39,750 --> 00:09:36,430

don't know what to do and we have actual

217

00:09:43,050 --> 00:09:39,760

audio documentation of this hat Wow you

218

00:09:46,259 --> 00:09:43,060

can find it online yet he see portals on

219

00:09:50,420 --> 00:09:46,269

the saucer city from what I can gather

220

00:09:54,350 --> 00:09:50,430

from his testimony pilots know pilots

221

00:09:56,220 --> 00:09:54,360

all he could see was a dome shaped craft

222

00:09:59,160 --> 00:09:56,230

solid dome shape

223

00:10:01,740 --> 00:09:59,170

like a glass right thing with not like

224

00:10:03,690 --> 00:10:01,750

the Jetsons exactly exactly so he

225

00:10:05,250 --> 00:10:03,700

couldn't see inside of them he was too

226

00:10:07,290 --> 00:10:05,260

busy just trying to gain control of his

227

00:10:09,480 --> 00:10:07,300

instruments and his plane he didn't know

228

00:10:11,940 --> 00:10:09,490

what to do and he started he thought he

229

00:10:15,630 --> 00:10:11,950

was gonna crash so how did you make it

230

00:10:18,300 --> 00:10:15,640

to an airport so what happened was as he

231

00:10:20,730 --> 00:10:18,310

was trying to gain control he said that

232

00:10:24,720 --> 00:10:20,740

these craft these technology whatever

233

00:10:27,210 --> 00:10:24,730

actually helped him safely land at the

234

00:10:30,090 --> 00:10:27,220

airport they got him to a point where he

235

00:10:32,850 --> 00:10:30,100

could gain control they disappeared off

236

00:10:35,760 --> 00:10:32,860

into the mountains and he was able to

237

00:10:37,680 --> 00:10:35,770

land but when he got down there clearly

238

00:10:39,750 --> 00:10:37,690

something at hit his plane like holy

239

00:10:41,760 --> 00:10:39,760

[h\_\_h] the people who showed up there were

240

00:10:42,900 --> 00:10:41,770

like what what the hell happen to your

241

00:10:44,210 --> 00:10:42,910

playing there's no reason you should be

242

00:10:47,100 --> 00:10:44,220

alive right now

243

00:10:49,680 --> 00:10:47,110

yep photos of the plane yep immediately

244

00:10:51,900 --> 00:10:49,690

they got this guy into like a psych ward

245

00:10:54,630 --> 00:10:51,910

a hospital first of all check him out

246

00:10:57,240 --> 00:10:54,640

and they said he's fine like he seems

247

00:11:00,420 --> 00:10:57,250

traumatized but like he's perfectly sane

248

00:11:03,000 --> 00:11:00,430

and it's it's crazy Wow crazy was the

249

00:11:07,380 --> 00:11:03,010

name of that again Carlos de lo Santos

250

00:11:08,550 --> 00:11:07,390

case 1975 cool awesome love that you

251

00:11:11,430 --> 00:11:08,560

know we'll have to look into that one

252

00:11:14,040 --> 00:11:11,440

yeah all right number three number three

253

00:11:16,650 --> 00:11:14,050

all right I'm going to go with the

254

00:11:18,630 --> 00:11:16,660

Rendlesham case the Rendlesham case

255

00:11:20,970 --> 00:11:18,640

that's covered we've talked about it we

256

00:11:24,120 --> 00:11:20,980

haven't done a full episode devoted to

257

00:11:25,410 --> 00:11:24,130

it okay okay it's one of those big ones

258

00:11:28,650 --> 00:11:25,420

we can we turn to spread them out a

259

00:11:30,510 --> 00:11:28,660

little bit you know we have talked about

260

00:11:34,710 --> 00:11:30,520

it okay cool yeah you know one play all

261

00:11:38,210 --> 00:11:34,720

your cards at with Rendlesham 1980 this

262

00:11:40,980 --> 00:11:38,220

was on a joint military base in England

263

00:11:44,430 --> 00:11:40,990

Rendlesham forest connected basically

264

00:11:46,950 --> 00:11:44,440

connected these two bases and there was

265

00:11:50,190 --> 00:11:46,960

a craft that supposedly landed in the

266

00:11:52,920 --> 00:11:50,200

forest and clearly they had this thing

267

00:11:55,200 --> 00:11:52,930

caught on radar and they saw it land so

268

00:11:58,410 --> 00:11:55,210

the bases go into emergency mode

269

00:12:00,390 --> 00:11:58,420

they send dozens and dozens of officers

270

00:12:02,340 --> 00:12:00,400

out there to investigate what this thing

271

00:12:04,350 --> 00:12:02,350

was and I've spoken to many of the

272

00:12:06,830 --> 00:12:04,360

officers who have come forward about

273

00:12:09,750 --> 00:12:06,840

their experiences with it my unique

274

00:12:12,420 --> 00:12:09,760

involvement was with this is I was

275

00:12:13,950 --> 00:12:12,430

in New York at the time as a struggling

276

00:12:16,650 --> 00:12:13,960

playwright trying to write a play about

277

00:12:18,660 --> 00:12:16,660

this gays so that's how I got in touch

278

00:12:21,780 --> 00:12:18,670

with some of the officers and one of the

279

00:12:23,970 --> 00:12:21,790

lead investigators on the case and that

280

00:12:26,760 --> 00:12:23,980

was my sort of peripheral introduction

281

00:12:28,380 --> 00:12:26,770

to it since then it's just crazy where

282

00:12:30,780 --> 00:12:28,390

this case is like one of them read hire

283

00:12:32,640 --> 00:12:30,790

like a look at hieroglyphics on the ship

284

00:12:34,290 --> 00:12:32,650

and then it was like writing [h\_\_h] down

285

00:12:37,740 --> 00:12:34,300

in binary code or something that

286

00:12:40,560 --> 00:12:37,750

actually made some sense so I mean this

287

00:12:42,810 --> 00:12:40,570

guy Jim Penniston one of the officers

288

00:12:44,940 --> 00:12:42,820

who actually touched the craft got that

289

00:12:47,700 --> 00:12:44,950

close he said the minute he touch it he

290

00:12:50,790 --> 00:12:47,710

saw strange objects on it when he

291

00:12:53,070 --> 00:12:50,800

touched it something was downloaded into

292

00:12:55,050 --> 00:12:53,080

his brain this binary code he was able

293

00:12:57,150 --> 00:12:55,060

to like kind of write it down quick as

294

00:12:58,590 --> 00:12:57,160

it was happening to him same with like

295

00:13:01,140 --> 00:12:58,600

what the craft looked like what the

296

00:13:03,810 --> 00:13:01,150

hieroglyphics looked like and since then

297

00:13:07,560 --> 00:13:03,820

they've gotten this binary code decoded

298

00:13:10,560 --> 00:13:07,570

and it's like ley lines it's it's these

299

00:13:14,010 --> 00:13:10,570

areas throughout the world that a lot of

300

00:13:16,140 --> 00:13:14,020

weird stuff lands on the pyramids this

301

00:13:19,080 --> 00:13:16,150

that and one of the ley lines is

302

00:13:20,520 --> 00:13:19,090

apparently Rendlesham forest Wow

303

00:13:23,160 --> 00:13:20,530

so you have to wonder why did it land

304

00:13:25,320 --> 00:13:23,170

there and what was it and did this

305

00:13:29,280 --> 00:13:25,330

actually happen to him but no entities

306

00:13:32,010 --> 00:13:29,290

seen in that yes okay there were there

307

00:13:35,280 --> 00:13:32,020

were according to one officer at the

308

00:13:38,220 --> 00:13:35,290

time very controversial guy came forward

309

00:13:39,810 --> 00:13:38,230

his name is Larry Warren and he said

310

00:13:43,470 --> 00:13:39,820

that when he went out there as a

311

00:13:47,510 --> 00:13:43,480

security police officer he saw the craft

312

00:13:50,250 --> 00:13:47,520

he saw his superiors talking to someone

313

00:13:53,070 --> 00:13:50,260

but when he got closer who they were

314

00:13:53,760 --> 00:13:53,080

talking to we're like three feet tall no

315

00:13:56,580 --> 00:13:53,770

way

316

00:13:58,650 --> 00:13:56,590

glowing all that stuff you hear about in

317

00:13:59,730 --> 00:13:58,660

like the Hopkins four yeah what's that

318

00:14:03,000 --> 00:13:59,740

with the glow-in-the-dark

319

00:14:07,560 --> 00:14:03,010

aliens we have more of those I know it's

320

00:14:09,930 --> 00:14:07,570

like a Twilight vampire I guess yeah but

321

00:14:11,280 --> 00:14:09,940

yeah that was that's very controversial

322

00:14:13,320 --> 00:14:11,290

he's the only one who's claimed that

323

00:14:14,850 --> 00:14:13,330

they were entities seen okay at the site

324

00:14:17,850 --> 00:14:14,860

so you got to take that for what it's

325

00:14:20,460 --> 00:14:17,860

worth right but yeah fascinating case so

326

00:14:22,790 --> 00:14:20,470

a few people sent a link which I have

327

00:14:24,769 --> 00:14:22,800

not looked at this weekend

328

00:14:26,290 --> 00:14:24,779

past weekend ovet some there's some

329

00:14:28,970 --> 00:14:26,300

connection between that and John McCain

330

00:14:30,920 --> 00:14:28,980

yeah yeah yeah that's funny you

331

00:14:32,660 --> 00:14:30,930

mentioned that I just covered that on my

332

00:14:33,949 --> 00:14:32,670

show really what was the can you not

333

00:14:41,510 --> 00:14:33,959

show that real quick with the connection

334

00:14:45,380 --> 00:14:41,520

between John McCain totally welcome to

335

00:14:48,920 --> 00:14:45,390

hysteria 51 a weekly podcast of

336

00:14:52,400 --> 00:14:48,930

promise I am human and I do human things

345

00:15:18,680 --> 00:15:17,160

explore enigmas it's all about ley lines

346

00:15:20,720 --> 00:15:18,690

and you'd understand that if I could

347

00:15:24,230 --> 00:15:20,730

explain it to you and probe the

348

00:15:26,810 --> 00:15:24,240

paranormal hysteria 51 is a hilarious

you listen to podcasts and remember the

354

00:15:46,970 --> 00:15:40,350

truth is out there but you won't find it

355

00:15:49,280 --> 00:15:46,980

here stay woke meet sex so a few years

356

00:15:50,780 --> 00:15:49,290

ago the other gentleman that was with

357

00:15:53,420 --> 00:15:50,790

John Penniston the guy who touched the

358

00:15:57,199 --> 00:15:53,430

craft he was there with him at the time

359

00:15:59,389 --> 00:15:57,209

and he had a completely different

360

00:16:00,829 --> 00:15:59,399

experience he blacked out mm-hmm when

361

00:16:03,650 --> 00:16:00,839

this all happened when that's like

362

00:16:05,900 --> 00:16:03,660

Calvin Parker did with the Pascagoula he

363

00:16:07,880 --> 00:16:05,910

blacked out yeah it seems that always

364

00:16:12,530 --> 00:16:07,890

one blacks out and another has yeah

365

00:16:14,960 --> 00:16:12,540

weird so I this guy John Burroughs he

366

00:16:16,880 --> 00:16:14,970

blacked out during all this wakes up to

367

00:16:19,850 --> 00:16:16,890

see the craft descend into the air and

368

00:16:20,960 --> 00:16:19,860

disappear he didn't talk about about it

369

00:16:23,420 --> 00:16:20,970

for a really long time

370

00:16:25,639 --> 00:16:23,430

when the whistle eventually blew on this

371

00:16:29,600 --> 00:16:25,649

whole case and a lot of officers came

372

00:16:32,900 --> 00:16:29,610

forward he started having weird health

373

00:16:33,920 --> 00:16:32,910

problems due to radiation and they asked

374

00:16:37,220 --> 00:16:33,930

him when

375

00:16:38,870 --> 00:16:37,230

were you around radiation he said I the

376

00:16:40,790 --> 00:16:38,880

only thing I could think of was this

377

00:16:46,130 --> 00:16:40,800

weird thing that happened to me back in

378

00:16:48,440 --> 00:16:46,140

the 80s when I was on his base so what

379

00:16:50,900 --> 00:16:48,450

is up with that did this craft have some

380

00:16:52,880 --> 00:16:50,910

sort of radiation effect on him he

381

00:16:55,670 --> 00:16:52,890

believed so he got checked out by the

382

00:16:58,790 --> 00:16:55,680

the Veterans Hospital and they were like

383

00:17:00,980 --> 00:16:58,800

dude what the hell happened to you this

384

00:17:03,050 --> 00:17:00,990

is far beyond what any human being

385

00:17:05,390 --> 00:17:03,060

should have in their system in terms of

386

00:17:07,220 --> 00:17:05,400

like trace radiation and he was like I

387

00:17:07,910 --> 00:17:07,230

don't know but like I'm having a lot of

388

00:17:10,220 --> 00:17:07,920

things happen

389

00:17:12,530 --> 00:17:10,230

this was life-threatening for him like

390

00:17:15,170 --> 00:17:12,540

this could have like really it could

391

00:17:17,300 --> 00:17:15,180

have killed him so what he did is tried

392

00:17:19,730 --> 00:17:17,310

to get surgery and everything done

393

00:17:23,210 --> 00:17:19,740

through the Veteran Affairs cuz can't

394

00:17:25,280 --> 00:17:23,220

afford that yeah you know and it was a

395

00:17:26,660 --> 00:17:25,290

big sort of back and forth an argument

396

00:17:28,670 --> 00:17:26,670

for a long time with the Veteran Affairs

397

00:17:31,790 --> 00:17:28,680

like we we can't cover this this that

398

00:17:35,390 --> 00:17:31,800

this that John McCain somehow heard

399

00:17:38,060 --> 00:17:35,400

about this and was like I am all for our

400

00:17:40,880 --> 00:17:38,070

veterans getting the help they can from

401

00:17:44,390 --> 00:17:40,890

this so John burrows along with his

402

00:17:46,220 --> 00:17:44,400

attorney and John McCain's approval they

403

00:17:48,560 --> 00:17:46,230

all went to the Veteran Affairs and said

404

00:17:50,570 --> 00:17:48,570

you need to help this guy Wow

405

00:17:52,730 --> 00:17:50,580

you need to help and he won the case

406

00:17:55,070 --> 00:17:52,740

yeah so this is the first documented

407

00:17:57,980 --> 00:17:55,080

case that the Veteran Affairs has said

408

00:18:00,410 --> 00:17:57,990

this man was directly affected by a UFO

409

00:18:00,980 --> 00:18:00,420

event and his health deteriorated and we

410

00:18:03,140 --> 00:18:00,990

got a help

411

00:18:06,590 --> 00:18:03,150

that's insane yeah that's mind-blowing

412

00:18:10,280 --> 00:18:06,600

Wow awesome story yeah all right number

413

00:18:14,660 --> 00:18:10,290

two number two all right this one is

414

00:18:16,490 --> 00:18:14,670

really fascinating to me this is a woman

415

00:18:19,370 --> 00:18:16,500

I interviewed actually in my book this

416

00:18:21,460 --> 00:18:19,380

happened in 2005 her name is patty I

417

00:18:24,830 --> 00:18:21,470

won't give away away her last name but

418

00:18:27,740 --> 00:18:24,840

she had a triangular UFO sighting in

419

00:18:32,060 --> 00:18:27,750

Michigan over her home what year this

420

00:18:35,390 --> 00:18:32,070

was 2000 2005 2005 sorry no no not at

421

00:18:36,950 --> 00:18:35,400

all and she went out with her dogs take

422

00:18:38,780 --> 00:18:36,960

him for a walk at night the dogs would

423

00:18:41,180 --> 00:18:38,790

not leave the porch never happened

424

00:18:43,220 --> 00:18:41,190

before she didn't know why she went out

425

00:18:46,280 --> 00:18:43,230

saw this triangular thing right above

426  
00:18:47,540 --> 00:18:46,290  
their home she yells for some of her

427  
00:18:50,299 --> 00:18:47,550  
family to come out

428  
00:18:52,880 --> 00:18:50,309  
one of her daughters runs out and sees

429  
00:18:55,640 --> 00:18:52,890  
the thing - so okay she's not imagining

430  
00:18:58,190 --> 00:18:55,650  
this and as they're looking up at this

431  
00:19:00,680 --> 00:18:58,200  
triangular thing patty the mother starts

432  
00:19:03,740 --> 00:19:00,690  
feeling euphoric and like this is an

433  
00:19:04,910 --> 00:19:03,750  
incredible experience I'm having I can't

434  
00:19:07,730 --> 00:19:04,920  
explain what I'm feeling but it's

435  
00:19:10,340 --> 00:19:07,740  
beautiful and it's silent hovering above

436  
00:19:12,830 --> 00:19:10,350  
me meanwhile she asks her daughter like

437  
00:19:14,960 --> 00:19:12,840  
well what's going on she looks over her

438  
00:19:17,390 --> 00:19:14,970

daughter's covering her ears and saying

439

00:19:20,299 --> 00:19:17,400

how unbearably loud this thing is above

440

00:19:22,910 --> 00:19:20,309

them and that it's dangerous and she

441

00:19:25,580 --> 00:19:22,920

feel felt like it was a threat so right

442

00:19:27,440 --> 00:19:25,590

there that really drew me and they were

443

00:19:29,600 --> 00:19:27,450

having completely different experiences

444

00:19:31,610 --> 00:19:29,610

looking at the same exact thing one said

445

00:19:35,600 --> 00:19:31,620

it was silent one said it was unbearably

446

00:19:39,950 --> 00:19:35,610

loud but it gets even weirder after this

447

00:19:41,270 --> 00:19:39,960

initial event the third the third person

448

00:19:44,150 --> 00:19:41,280

involved the younger daughter

449

00:19:46,940 --> 00:19:44,160

one night she wakes up and she's going

450

00:19:51,020 --> 00:19:46,950

to the bathroom and she sees this weird

451

00:19:56,390 --> 00:19:51,030

dark entity leaving her parents yikes

452

00:19:58,190 --> 00:19:56,400

thank you shadow man yep yep that's that

453

00:20:01,310 --> 00:19:58,200

was my first inclination like shadow

454

00:20:03,200 --> 00:20:01,320

people or like maybe like she was tired

455

00:20:05,090 --> 00:20:03,210

her eyes were playing tricks on her but

456

00:20:08,540 --> 00:20:05,100

she saw the things start heading to her

457

00:20:12,110 --> 00:20:08,550

own bedroom so she runs into her room

458

00:20:14,360 --> 00:20:12,120

gets under the covers and next thing she

459

00:20:17,810 --> 00:20:14,370

knows she hears her mom's voice in the

460

00:20:20,810 --> 00:20:17,820

room and she takes covers down in her

461

00:20:22,910 --> 00:20:20,820

mom's like her mom's there she's there

462

00:20:24,890 --> 00:20:22,920

she's definitely there saying honey I

463

00:20:27,049 --> 00:20:24,900

heard like footsteps outside what's

464

00:20:30,200 --> 00:20:27,059

going on is everything okay when the

465

00:20:33,530 --> 00:20:30,210

moms asking this the entity is in the

466

00:20:36,410 --> 00:20:33,540

room surveying the room looking at stuff

467

00:20:38,270 --> 00:20:36,420

like touching things and she's petrified

468

00:20:40,040 --> 00:20:38,280

she can't even like tell her mama

469

00:20:44,210 --> 00:20:40,050

doesn't sleep over there mom doesn't see

470

00:20:47,090 --> 00:20:44,220

it so she kind of calms her down she's

471

00:20:49,310 --> 00:20:47,100

like watching the entity look around and

472

00:20:52,400 --> 00:20:49,320

as the moms leaving the room the entity

473

00:20:55,090 --> 00:20:52,410

follows them all out and then that's all

474

00:20:58,010 --> 00:20:55,100

she remembers after that she eventually

475

00:21:00,320 --> 00:20:58,020

somehow goes back to sleep I don't know

476  
00:21:01,220 --> 00:21:00,330  
how I would never sleep again I know and

477  
00:21:03,380 --> 00:21:01,230  
this is one of

478  
00:21:04,940 --> 00:21:03,390  
those cases where I'm like things just

479  
00:21:06,860 --> 00:21:04,950  
keep getting weirder and weirder they

480  
00:21:08,990 --> 00:21:06,870  
started having weird poltergeist

481  
00:21:12,530 --> 00:21:09,000  
activity in the home after that after

482  
00:21:14,240 --> 00:21:12,540  
these events and their electricity went

483  
00:21:16,310 --> 00:21:14,250  
out at one point they had Con Ed or

484  
00:21:20,539 --> 00:21:16,320  
whoever come out and see what was going

485  
00:21:23,990 --> 00:21:20,549  
on as the Con Ed guy is trying to fix

486  
00:21:26,900 --> 00:21:24,000  
their electricity he sees a UFO above

487  
00:21:29,110 --> 00:21:26,910  
the house what and he goes into their

488  
00:21:32,060 --> 00:21:29,120

house and tells them I'm out of here

489

00:21:36,460 --> 00:21:32,070

I'll send someone else I gotta get out

490

00:21:38,960 --> 00:21:36,470

of here and it just kept going and going

491

00:21:41,510 --> 00:21:38,970

crazy because that sounds like a ghost

492

00:21:43,130 --> 00:21:41,520

story but the ghosts are aliens yeah

493

00:21:46,130 --> 00:21:43,140

like it's definitely like aliens

494

00:21:47,960 --> 00:21:46,140

haunting a family yes like we're picking

495

00:21:50,330 --> 00:21:47,970

you guys out we're kind of claiming the

496

00:21:53,270 --> 00:21:50,340

house or using the house we're scaring

497

00:21:55,490 --> 00:21:53,280

away like the rationally minded people

498

00:21:58,580 --> 00:21:55,500

you know what I mean is that there's no

499

00:22:00,919 --> 00:21:58,590

difference in story structure right

500

00:22:03,440 --> 00:22:00,929

between that and a good haunting right

501  
00:22:05,409 --> 00:22:03,450  
yes it was like the doors were open it

502  
00:22:08,510 --> 00:22:05,419  
started with a UFO and then like

503  
00:22:10,820 --> 00:22:08,520  
poltergeist slipped in the shadow person

504  
00:22:12,500 --> 00:22:10,830  
or alien entity was like okay I'm gonna

505  
00:22:13,549 --> 00:22:12,510  
go mess with them now that you open

506  
00:22:15,770 --> 00:22:13,559  
Pandora's box

507  
00:22:18,200 --> 00:22:15,780  
I don't know I'm still working with

508  
00:22:20,330 --> 00:22:18,210  
Patty on this case things are still

509  
00:22:22,130 --> 00:22:20,340  
developing I'm still having weird stuff

510  
00:22:24,710 --> 00:22:22,140  
go on the daughters don't really want to

511  
00:22:26,690 --> 00:22:24,720  
talk about it it sounds similar to the

512  
00:22:29,810 --> 00:22:26,700  
copeley wood stuff yeah it really does

513  
00:22:32,270 --> 00:22:29,820

yep it does so yeah developing case

514

00:22:34,010 --> 00:22:32,280

still working with her I'm sure I'm

515

00:22:36,260 --> 00:22:34,020

gonna talk to her within the next couple

516

00:22:38,150 --> 00:22:36,270

months to see if check back in and see

517

00:22:39,680 --> 00:22:38,160

if anything in these photos anything is

518

00:22:41,630 --> 00:22:39,690

there photographic evidence of pictures

519

00:22:44,260 --> 00:22:41,640

of the ship or anything they do of the

520

00:22:46,640 --> 00:22:44,270

craft they have photos of the craft and

521

00:22:49,580 --> 00:22:46,650

very compelling yep are they available

522

00:22:53,180 --> 00:22:49,590

to the public not yet

523

00:22:55,940 --> 00:22:53,190

no maybe in your book possible K maybe

524

00:22:59,960 --> 00:22:55,950

future if if you want to see him I can

525

00:23:01,970 --> 00:22:59,970

definitely try to see those I will have

526

00:23:04,760 --> 00:23:01,980

to check with her first okay she has

527

00:23:06,320 --> 00:23:04,770

shared them before in the public so yeah

528

00:23:08,630 --> 00:23:06,330

I will definitely try to get that to see

529

00:23:10,649 --> 00:23:08,640

those yeah little bonus for the patron

530

00:23:16,769 --> 00:23:10,659

yeah we can share with her

531

00:23:19,070 --> 00:23:16,779

a long way \$5 this way

532

00:23:22,560 --> 00:23:19,080

fascinating all right yeah number one

533

00:23:25,830 --> 00:23:22,570

all right so this this is the case that

534

00:23:29,669 --> 00:23:25,840

I go to whenever anybody asks me for

535

00:23:32,369 --> 00:23:29,679

documentation so I did a Freedom of

536

00:23:35,249 --> 00:23:32,379

Information request a couple years ago

537

00:23:39,389 --> 00:23:35,259

now to the Department of intelligence

538

00:23:41,129 --> 00:23:39,399

the DIA part of the DoD and I had heard

539

00:23:42,239 --> 00:23:41,139

about this case I'd heard stories about

540

00:23:50,089 --> 00:23:42,249

it but I wanted to see if I could

541

00:23:54,089 --> 00:23:52,499

well we talked about like if I'm a

542

00:23:56,489 --> 00:23:54,099

boots-on-the-ground investigator I am

543

00:23:58,440 --> 00:23:56,499

more of like an armchair researcher so I

544

00:24:00,930 --> 00:23:58,450

wanted to do my due diligence and see

545

00:24:03,029 --> 00:24:00,940

what I could find on this so I hammered

546

00:24:06,389 --> 00:24:03,039

them for any information on this one and

547

00:24:08,099 --> 00:24:06,399

I waited probably a year and a half to

548

00:24:09,930 --> 00:24:08,109

actually get a response from Wow and

549

00:24:12,599 --> 00:24:09,940

they apologized they said we are so

550

00:24:13,979 --> 00:24:12,609

backlogged like we're sorry but you got

551  
00:24:16,320 --> 00:24:13,989  
to be careful when you do these requests

552  
00:24:17,820 --> 00:24:16,330  
because if you don't go in with

553  
00:24:19,950 --> 00:24:17,830  
specifics they're not gonna give you

554  
00:24:22,649 --> 00:24:19,960  
[h\_\_h] right you have to do your homework

555  
00:24:24,119 --> 00:24:22,659  
before you make these requests I reached

556  
00:24:26,039 --> 00:24:24,129  
out to a gentleman who told me exactly

557  
00:24:29,009 --> 00:24:26,049  
how I should word this who I should

558  
00:24:31,680 --> 00:24:29,019  
direct it to and he was right I want

559  
00:24:33,509 --> 00:24:31,690  
what was the case so this is and then

560  
00:24:36,060 --> 00:24:33,519  
yeah he was the right person to go to

561  
00:24:39,359 --> 00:24:36,070  
the right person to go to was the

562  
00:24:44,190 --> 00:24:39,369  
Department of intelligence and this was

563  
00:24:47,820 --> 00:24:44,200

the tyronn case of 1960 so yeah yeah

564

00:24:51,960 --> 00:24:47,830

this rings a bell yeah so this happened

565

00:24:54,930 --> 00:24:51,970

in Tehran Iran and strange lights were

566

00:24:57,419 --> 00:24:54,940

seen being seen over the town and they

567

00:24:59,969 --> 00:24:57,429

people started contacting local law

568

00:25:01,589 --> 00:24:59,979

enforcement and the airport be like

569

00:25:04,680 --> 00:25:01,599

what's going on like there's weird stuff

570

00:25:07,440 --> 00:25:04,690

being seen in the area like should we be

571

00:25:11,729 --> 00:25:07,450

worried is this an attack of some sort

572

00:25:14,820 --> 00:25:11,739

and so the local air force base got

573

00:25:17,460 --> 00:25:14,830

involved and they were like what like we

574

00:25:19,649 --> 00:25:17,470

know nothing about this we got some

575

00:25:21,299 --> 00:25:19,659

weird blips on a radar but we should

576

00:25:24,040 --> 00:25:21,309

probably investigate this so they sent

577

00:25:26,590 --> 00:25:24,050

two pilots up to look

578

00:25:28,500 --> 00:25:26,600

whatever people were seeing and once

579

00:25:31,540 --> 00:25:28,510

they got up there they saw these weird

580

00:25:35,230 --> 00:25:31,550

brilliant bright lights and the closer

581

00:25:36,580 --> 00:25:35,240

they got the lesser instrumentation

582

00:25:39,100 --> 00:25:36,590

would work Wow

583

00:25:40,390 --> 00:25:39,110

so they got a little scared at that

584

00:25:42,340 --> 00:25:40,400

point they're like I don't even know if

585

00:25:44,410 --> 00:25:42,350

we can like make it up to whatever this

586

00:25:46,750 --> 00:25:44,420

is to investigate it they actually turn

587

00:25:49,480 --> 00:25:46,760

around go back to the base and they told

588

00:25:51,640 --> 00:25:49,490

their superior yeah I agree I agree they

589

00:25:53,950 --> 00:25:51,650

told their superior we don't know what's

590

00:25:56,620 --> 00:25:53,960

going on but we can't get a lock on it

591

00:26:00,270 --> 00:25:56,630

we can't see it but it's making all of

592

00:26:04,060 --> 00:26:00,280

our instruments fail so Parviz Jafari a

593

00:26:07,000 --> 00:26:04,070

a major I believe at the time he went up

594

00:26:11,440 --> 00:26:07,010

by himself he's like fine you guys

595

00:26:13,300 --> 00:26:11,450

hold my beer I can imagine this dude

596

00:26:14,770 --> 00:26:13,310

doing that he did he was like you're

597

00:26:17,320 --> 00:26:14,780

fine you're too chicken I'm gonna go up

598

00:26:20,470 --> 00:26:17,330

there so you know as a veteran who's

599

00:26:23,110 --> 00:26:20,480

nude flown so much he was like I'm gonna

600

00:26:25,090 --> 00:26:23,120

take a crack at this he goes up and he

601  
00:26:27,580 --> 00:26:25,100  
actually got super close to whatever

602  
00:26:30,820 --> 00:26:27,590  
this thing was and saw a structure to it

603  
00:26:32,560 --> 00:26:30,830  
it was diamond shaped cool she's pretty

604  
00:26:34,510 --> 00:26:32,570  
cool I don't like her that often No

605  
00:26:35,920 --> 00:26:34,520  
Close Encounters has one of those a

606  
00:26:38,680 --> 00:26:35,930  
couple of those little but they're

607  
00:26:41,020 --> 00:26:38,690  
little right right this thing was huge

608  
00:26:47,980 --> 00:26:41,030  
he said that it was probably the size of

609  
00:26:50,470 --> 00:26:47,990  
like a um a Boeing like and am insane

610  
00:26:52,500 --> 00:26:50,480  
yeah so he gets close to it has the same

611  
00:26:55,300 --> 00:26:52,510  
problems his instruments start to fail

612  
00:26:57,340 --> 00:26:55,310  
but what was interesting is as he's

613  
00:27:00,370 --> 00:26:57,350

looking at this huge diamond thing a

614

00:27:03,070 --> 00:27:00,380

smaller object came out of it it started

615

00:27:05,050 --> 00:27:03,080

following his plane and that's when he

616

00:27:07,330 --> 00:27:05,060

started getting worried he's like this

617

00:27:09,760 --> 00:27:07,340

like this isn't just one thing like

618

00:27:11,830 --> 00:27:09,770

there's some other things attached to

619

00:27:14,470 --> 00:27:11,840

this and it started falling came out

620

00:27:16,330 --> 00:27:14,480

yeah like some sort of probe or drone

621

00:27:18,670 --> 00:27:16,340

started following this plane and got a

622

00:27:22,450 --> 00:27:18,680

lock on him so right now he's in a

623

00:27:25,180 --> 00:27:22,460

dogfight with a UFO he's following it

624

00:27:28,020 --> 00:27:25,190

it's following him he gets a lock on it

625

00:27:32,110 --> 00:27:28,030

gets a lock on him as he fire on it so

626

00:27:34,690 --> 00:27:32,120

he actually was going to fire on it but

627

00:27:36,820 --> 00:27:34,700

it made like these unbelievable

628

00:27:38,110 --> 00:27:36,830

maneuvers and got behind him and then

629

00:27:40,510 --> 00:27:38,120

got the lock on him

630

00:27:43,450 --> 00:27:40,520

so now he's trying to outrun the UFO and

631

00:27:47,950 --> 00:27:43,460

what he does is he takes a negative g'd

632

00:27:50,230 --> 00:27:47,960

this whole scene in a movie after you

633

00:27:52,870 --> 00:27:50,240

can see it yeah and this is all in the

634

00:27:54,909 --> 00:27:52,880

documents I got this is crazy about this

635

00:27:58,470 --> 00:27:54,919

guy's testimony so he makes a negative

636

00:28:02,680 --> 00:27:58,480

knows G dive or what-have-you and

637

00:28:05,560 --> 00:28:02,690

outmaneuver Z and that thing like crash

638

00:28:07,960 --> 00:28:05,570

lands apparently into the mountains and

639

00:28:11,320 --> 00:28:07,970

he doesn't know where it go it went from

640

00:28:16,029 --> 00:28:11,330

there the diamond-shaped mothership as I

641

00:28:18,490 --> 00:28:16,039

presume took off as well you know event

642

00:28:20,649 --> 00:28:18,500

over but he goes and investigates it the

643

00:28:23,649 --> 00:28:20,659

next day in the town where especially

644

00:28:26,110 --> 00:28:23,659

the thing landed no one saw anything but

645

00:28:29,139 --> 00:28:26,120

they did hear some sort of explosion in

646

00:28:32,919 --> 00:28:29,149

the town there was trace radiation found

647

00:28:34,750 --> 00:28:32,929

in the area the way the Defense

648

00:28:36,730 --> 00:28:34,760

Intelligence Agency got involved in

649

00:28:39,070 --> 00:28:36,740

America is we are leasing our planes to

650

00:28:41,500 --> 00:28:39,080

Iran at the time so it was our aircraft

651

00:28:43,299 --> 00:28:41,510

that Parviz Jafari was flying so they

652

00:28:46,149 --> 00:28:43,309

wanted to know what the hell happened

653

00:28:49,180 --> 00:28:46,159

and what our new vered our yeah yeah

654

00:28:50,409 --> 00:28:49,190

yeah yeah so that's how they got

655

00:28:52,570 --> 00:28:50,419

involved they wanted to do their own

656

00:28:54,820 --> 00:28:52,580

personal investigation they worked with

657

00:28:55,930 --> 00:28:54,830

jafari and then eventually told him you

658

00:29:00,399 --> 00:28:55,940

never talk about this again

659

00:29:01,810 --> 00:29:00,409

oh Jesus so he it goes even further he

660

00:29:04,799 --> 00:29:01,820

spoke in front of the National Press

661

00:29:06,850 --> 00:29:04,809

Club in Washington about this event and

662

00:29:09,190 --> 00:29:06,860

we lost him a few years ago

663

00:29:11,409 --> 00:29:09,200

unfortunately oh no but we have all this

664

00:29:13,120 --> 00:29:11,419

documentation and testimony to rely on

665

00:29:14,529 --> 00:29:13,130

when it comes to this case that's why

666

00:29:16,510 --> 00:29:14,539

it's number one for me we have

667

00:29:19,240 --> 00:29:16,520

government documents we have the

668

00:29:21,730 --> 00:29:19,250

testimony of a military pilot and we

669

00:29:25,269 --> 00:29:21,740

have a clear cover-up as well don't talk

670

00:29:27,909 --> 00:29:25,279

about this he did Wow god that's too bad

671

00:29:29,649 --> 00:29:27,919

he's gone I know that seems to be the

672

00:29:31,630 --> 00:29:29,659

problem with a lot of these UFO cases

673

00:29:33,669 --> 00:29:31,640

it's a race where the Undertaker when it

674

00:29:35,620 --> 00:29:33,679

comes to it well and especially Roswell

675

00:29:37,720 --> 00:29:35,630

you know like guess what when I

676  
00:29:40,899 --> 00:29:37,730  
mentioned on the main feed episode with

677  
00:29:45,180 --> 00:29:40,909  
you that when Dennis Balthazar took us

678  
00:29:48,549 --> 00:29:45,190  
around town not only are his first

679  
00:29:50,169 --> 00:29:48,559  
secondhand witness is dying a lot of the

680  
00:29:51,640 --> 00:29:50,179  
original buildings are being torn down

681  
00:29:54,160 --> 00:29:51,650  
and replaced by

682  
00:29:55,630 --> 00:29:54,170  
like pretty soon I'm gonna have fewer

683  
00:29:57,400 --> 00:29:55,640  
and fewer I'm gonna have nothing to

684  
00:30:00,760 --> 00:29:57,410  
actually point at and be like this is

685  
00:30:03,070 --> 00:30:00,770  
where this thing was yep so we found

686  
00:30:06,310 --> 00:30:03,080  
that too we were able to find you know

687  
00:30:09,370 --> 00:30:06,320  
third hand or distant relatives of Jesse

688  
00:30:10,750 --> 00:30:09,380

Marcel to speak to but yeah like what do

689

00:30:13,210 --> 00:30:10,760

you do when you're firsthand witnesses

690

00:30:15,190 --> 00:30:13,220

are gone you know maybe the cover up one

691

00:30:17,410 --> 00:30:15,200

at that point but uh we're not done a

692

00:30:19,170 --> 00:30:17,420

lot of UFO investigators aren't done

693

00:30:22,750 --> 00:30:19,180

we're gonna keep digging yeah

694

00:30:23,490 --> 00:30:22,760

fascinating oh man great top five

695

00:30:26,200 --> 00:30:23,500

listens

696

00:30:28,660 --> 00:30:26,210

news stories that we should dig into on

697

00:30:30,820 --> 00:30:28,670

our podcast as well but Ryan spec thank

698

00:30:31,600 --> 00:30:30,830

you again go check out his podcast and

699

00:30:34,240 --> 00:30:31,610

we're in the skies

700

00:30:36,670 --> 00:30:34,250

check out Roswell mysteries decoded I

701  
00:30:38,350 --> 00:30:36,680  
hope you do more TV stuff because I

702  
00:30:44,470 --> 00:30:38,360  
thought you were terrific host thank you

703  
00:30:47,830 --> 00:30:44,480  
um your natural so hosting absolutely

704  
00:30:49,720 --> 00:30:47,840  
and I thought you managed to pack in so

705  
00:30:52,690 --> 00:30:49,730  
much information in those like 45

706  
00:30:54,790 --> 00:30:52,700  
minutes so we tried yeah it that you

707  
00:30:57,220 --> 00:30:54,800  
avoided these sort of like tease it out

708  
00:30:59,560 --> 00:30:57,230  
tease it out kind of stuff you see in a

709  
00:31:02,290 --> 00:30:59,570  
lot of these shows we wanted to inform

710  
00:31:04,750 --> 00:31:02,300  
new people of this but then bring

711  
00:31:06,520 --> 00:31:04,760  
something new forward otherwise what the

712  
00:31:09,880 --> 00:31:06,530  
hell's and not a lot of repetition which

713  
00:31:10,780 --> 00:31:09,890

I appreciate it for sure so awesome man

714
