19

00:01:00,889 --> 00:00:59,160

since July has been pretty dry I spent

20

00:01:03,619 --> 00:01:00,899

the month getting research and a script

21

00:01:06,980 --> 00:01:03,629

in order for the next episode but this

22

00:01:09,380 --> 00:01:06,990

is not it I'll be back at you next

23

00:01:13,100 --> 00:01:09,390

episode with a topic that covers some

24

00:01:17,030 --> 00:01:13,110

great stuff in history occult origins

25

00:01:19,550 --> 00:01:17,040

and a famous figure it's gonna be a big

26

00:01:23,150 --> 00:01:19,560

ol cookie but first we need some

27

00:01:25,310 --> 00:01:23,160

delicious mouth-watering dinner at alien

28

00:01:28,040 --> 00:01:25,320

Con which I'll be talking more about

29

00:01:31,670 --> 00:01:28,050

later on I had the pleasure of meeting

30

00:01:33,710 --> 00:01:31,680

Ryan Sprague Ryan is an author UFO

31

00:01:36,680 --> 00:01:33,720

journalist and host of somewhere in the

32

00:01:39,200 --> 00:01:36,690

skies podcast a show that discusses UFOs

33

00:01:41,780 --> 00:01:39,210

and current anomalous events among other

34

00:01:45,770 --> 00:01:41,790

topics you can also see him co-hosting

35

00:01:48,620 --> 00:01:45,780

the CW's Roswell mysteries decoded he is

36

00:01:51,050 --> 00:01:48,630

an awesome podcaster and an awesome

37

00:01:53,750 --> 00:01:51,060

person and he was kind enough to join me

38

00:01:56,810 --> 00:01:53,760

to talk about something I honestly

39

00:01:59,000 --> 00:01:56,820

needed help figuring out I asked him on

40

00:02:01,940 --> 00:01:59,010

to talk about the current state of

41

00:02:05,060 --> 00:02:01,950

ufology and some names and organizations

42

00:02:09,100 --> 00:02:05,070

being thrown around in current

43

00:02:13,369 --> 00:02:09,110

conversation such as Bob Lazar tts a

44

00:02:15,199 --> 00:02:13,379

tic-tacs Jeremy Corbyn etc I don't have

45

00:02:17,869 --> 00:02:15,209

my finger on the pulse of this kind of

46

00:02:19,490 --> 00:02:17,879

stuff like Ryan does and he was kind

47

00:02:21,800 --> 00:02:19,500

enough to sit down and talk to me about

48

00:02:23,300 --> 00:02:21,810

it all and explain why people are

49

00:02:23,840 --> 00:02:23,310

talking about all this stuff all of a

50

00:02:26,780 --> 00:02:23,850

sudden

51
00:02:29,330 --> 00:02:26,790
and what it all means even shares an

52
00:02:32,420 --> 00:02:29,340
encounter of his own and we discuss area

53
00:02:36,020 --> 00:02:32,430
51 and the impending doom of the storm

54
00:02:44,320 --> 00:02:36,030
that's brewing here is my interview with

55
00:02:50,080 --> 00:02:47,530
I am joined by Ryan Sprague host of

56
00:02:54,160 --> 00:02:50,090
somewhere in the skies podcast as well

57
00:02:56,620 --> 00:02:54,170
as a ton of other stuff this man is one

58
00:02:59,710 --> 00:02:56,630
of the hardest working men in UF ology

59
00:03:02,140 --> 00:02:59,720
these days and I'm lucky enough to get

60
00:03:05,050 --> 00:03:02,150
to talk to him here at Ryan why don't

61
00:03:07,630 --> 00:03:05,060
you tell our listeners a little bit

62
00:03:10,210 --> 00:03:07,640
about how you got into this field what

63
00:03:11,680 --> 00:03:10,220

it is you do and where people can find

64

00:03:14,830 --> 00:03:11,690

you because you you've been on a

65

00:03:17,320 --> 00:03:14,840

sprinkling of not only shows for

66

00:03:19,750 --> 00:03:17,330

podcasts but the television as well oh

67

00:03:21,220 --> 00:03:19,760

thanks man well it's a pleasure to be

68

00:03:23,740 --> 00:03:21,230

here I've been listening to your show

69

00:03:25,420 --> 00:03:23,750

for a a long time now and I was a little

70

00:03:27,910 --> 00:03:25,430

nervous to reach out I'm not gonna lie

71

00:03:30,220 --> 00:03:27,920

oh when you uh when you finally meet

72

00:03:33,130 --> 00:03:30,230

your heroes as it were in which I had

73

00:03:38,940 --> 00:03:33,140

the pleasure of doing at alien garden so

74

00:03:42,370 --> 00:03:38,950

dinner my pleasure but back to me no no

75

00:03:44,170 --> 00:03:42,380

I'm just I'm just a dude looking for

76

00:03:46,750 --> 00:03:44,180

answers to the UFO topic to be

77

00:03:50,650 --> 00:03:46,760

completely honest there's no like you

78

00:03:53,229 --> 00:03:50,660

know hero's journey for me I just I I

79

00:03:56,650 --> 00:03:53,239

had a UFO sighting when I was 12 years

80

00:03:59,229 --> 00:03:56,660

old and it kind of messed my life up and

81

00:04:01,660 --> 00:03:59,239

also benefited my life in terms of

82

00:04:04,030 --> 00:04:01,670

opening up my mind and I started

83

00:04:07,810 --> 00:04:04,040

educating myself ever since I was 12

84

00:04:10,090 --> 00:04:07,820

years old on the UFO topic and I'm not

85

00:04:11,800 --> 00:04:10,100

kidding at like 13 or 14 I started

86

00:04:14,290 --> 00:04:11,810

interviewing people about their UFO

87

00:04:16,810 --> 00:04:14,300

sightings and recording them so it was a

88

00:04:18,940 --> 00:04:16,820

very young start for me in this field I

89

00:04:20,590 --> 00:04:18,950

would say but I didn't really get

90

00:04:23,590 --> 00:04:20,600

involved I'd say until maybe after

91

00:04:26,830 --> 00:04:23,600

college you know life takes over school

92

00:04:29,470 --> 00:04:26,840

girls sports all that good stuff and but

93

00:04:31,810 --> 00:04:29,480

then I just I really started digging

94

00:04:34,830 --> 00:04:31,820

deep and talking to people all over the

95

00:04:38,770 --> 00:04:34,840

world about UFO conspiracies and

96

00:04:40,690 --> 00:04:38,780

cover-ups and cases and that's when I

97

00:04:44,560 --> 00:04:40,700

started writing for alternative

98

00:04:46,510 --> 00:04:44,570

magazines and open minds particularly

99

00:04:49,060 --> 00:04:46,520

was the big one that gave me my start in

100

00:04:50,020 --> 00:04:49,070

the quote-unquote UFO journalism world I

101
00:04:54,190 --> 00:04:50,030
don't know if you really call it

102
00:04:56,770 --> 00:04:54,200
journalism but I was writing about UFOs

103
00:04:57,760 --> 00:04:56,780
and that has led me on the path I am

104
00:05:00,999 --> 00:04:57,770
today I wrote

105
00:05:03,520 --> 00:05:01,009
book in 2016 called summer in the skies

106
00:05:06,059 --> 00:05:03,530
a human approach to an alien phenomenon

107
00:05:08,740 --> 00:05:06,069
and that was my real dive into

108
00:05:11,740 --> 00:05:08,750
interviewing people and hearing their

109
00:05:13,689 --> 00:05:11,750
stories and and getting getting an idea

110
00:05:16,290 --> 00:05:13,699
of how these events impact people's

111
00:05:19,089 --> 00:05:16,300
lives you know we have times dates and

112
00:05:21,490 --> 00:05:19,099
sizes of the UFOs they saw and that's

113
00:05:23,890 --> 00:05:21,500

all good we need that we need that data

114

00:05:26,469 --> 00:05:23,900

but I wanted to know about the people

115

00:05:29,350 --> 00:05:26,479

having these experiences and that's sort

116

00:05:32,379 --> 00:05:29,360

of been my thing ever since is focusing

117

00:05:36,309 --> 00:05:32,389

on the individuals having UFO sightings

118

00:05:37,930 --> 00:05:36,319

or close encounter experiences the more

119

00:05:39,460 --> 00:05:37,940

people that come forward and talk about

120

00:05:41,559 --> 00:05:39,470

it and the more that the mainstream

121

00:05:43,779 --> 00:05:41,569

public sees that everyday people are

122

00:05:46,240 --> 00:05:43,789

experiencing these things it normalizes

123

00:05:48,100 --> 00:05:46,250

the topic it sheds that ridicule factor

124

00:05:49,990 --> 00:05:48,110

and then we can start having real

125

00:05:52,240 --> 00:05:50,000

conversations about it without getting

126

00:05:54,820 --> 00:05:52,250

laughed at so that's kind of where I'm

127

00:05:57,820 --> 00:05:54,830

at I am I've recently done a bunch of

128

00:06:00,309 --> 00:05:57,830

television work I had a one-hour special

129

00:06:02,920 --> 00:06:00,319

on the Roswell incident which was really

130

00:06:04,390 --> 00:06:02,930

fun and exciting for me I never thought

131

00:06:07,089 --> 00:06:04,400

I would get the chance to investigate

132

00:06:11,170 --> 00:06:07,099

Roswell or stepside on the actual crash

133

00:06:14,860 --> 00:06:11,180

site of whatever crashed in 1947 and I

134

00:06:17,350 --> 00:06:14,870

had the honor of doing that and that

135

00:06:19,149 --> 00:06:17,360

could sort of turned into a whole new

136

00:06:21,879 --> 00:06:19,159

beast we're now gonna go back out and

137

00:06:25,330 --> 00:06:21,889

investigate more mysteries out there

138

00:06:28,270 --> 00:06:25,340

area 51 being another one which we can

139

00:06:30,760 --> 00:06:28,280

get into a little later there's a fun

140

00:06:32,589 --> 00:06:30,770

conversations going on about area 51 but

141

00:06:34,689 --> 00:06:32,599

no man that's been my journey ever since

142

00:06:37,959 --> 00:06:34,699

I was 12 years old I've been obsessed

143

00:06:41,649 --> 00:06:37,969

with UFOs and I wanted to turn that

144

00:06:43,629 --> 00:06:41,659

obsession into into a passion and that's

145

00:06:46,330 --> 00:06:43,639

where everything spawned from there the

146

00:06:47,950 --> 00:06:46,340

podcast the book everything and I'm no

147

00:06:51,490 --> 00:06:47,960

closer to answers but I'm gonna keep

148

00:06:53,589 --> 00:06:51,500

trying I bet you're well I would think

149

00:06:56,200 --> 00:06:53,599

that you'd be a little closer just

150

00:06:58,149 --> 00:06:56,210

gaining all that information but it's

151

00:07:00,100 --> 00:06:58,159

such a complex topic yeah you're

152

00:07:03,520 --> 00:07:00,110

probably you're probably right maybe

153

00:07:05,379 --> 00:07:03,530

you're not closer yeah I mean spoiler

154

00:07:07,239 --> 00:07:05,389

alert I'm sure all your listeners are

155

00:07:09,729 --> 00:07:07,249

going to tune out right now I

156

00:07:12,039 --> 00:07:09,739

have no answers to the UFO phenomenon

157

00:07:14,349 --> 00:07:12,049

but for me it's not really about that

158

00:07:17,169 --> 00:07:14,359

it's the people I meet it's the stories

159

00:07:19,419 --> 00:07:17,179

they tell that's what keeps me going not

160

00:07:21,099 --> 00:07:19,429

like that final destination as it were

161

00:07:23,469 --> 00:07:21,109

yeah it's it's that journey along the

162

00:07:25,899 --> 00:07:23,479

way and it's so exciting because it's

163

00:07:28,659 --> 00:07:25,909

it's a community of people who have

164

00:07:30,429 --> 00:07:28,669

these interests and you're meeting new

165

00:07:31,959 --> 00:07:30,439

people every day and I've made some of

166

00:07:34,539 --> 00:07:31,969

my closest friends and colleagues

167

00:07:38,289 --> 00:07:34,549

through doing this you know lifelong

168

00:07:41,169 --> 00:07:38,299

friends so if anything I found it more

169

00:07:43,689 --> 00:07:41,179

rewarding and enriching as just a

170

00:07:46,149 --> 00:07:43,699

curious human being then trying to make

171

00:07:48,939 --> 00:07:46,159

it to the top or be that Stanton

172

00:07:51,279 --> 00:07:48,949

Friedman as it were sure it's not about

173

00:07:54,159 --> 00:07:51,289

that it really isn't you know we don't

174

00:07:57,639 --> 00:07:54,169

make a living off of researching UFOs

175

00:08:00,939 --> 00:07:57,649

trust me on that yeah not a lot of money

176

00:08:03,850 --> 00:08:00,949

in that but um no no it's fun I love

177

00:08:05,649 --> 00:08:03,860

doing it and um I do find answers every

178

00:08:08,829 --> 00:08:05,659

now and again and then those answers

179

00:08:11,979 --> 00:08:08,839

morph and change with this malleable

180

00:08:14,709 --> 00:08:11,989

phenomenon as it were so now I love love

181

00:08:16,869 --> 00:08:14,719

that's that's great to hear and I think

182

00:08:20,169 --> 00:08:16,879

it's important to point out that you do

183

00:08:22,989 --> 00:08:20,179

have that malleability in your outlook

184

00:08:25,149 --> 00:08:22,999

on stuff you know too many people come

185

00:08:28,209 --> 00:08:25,159

into things looking for the answer they

186

00:08:30,100 --> 00:08:28,219

want it to be and it it really muddies

187

00:08:32,709 --> 00:08:30,110

the water because then you're just

188

00:08:35,319 --> 00:08:32,719

you're getting confirmation by us from

189

00:08:37,540 --> 00:08:35,329

places and it's just not it's not good

190

00:08:40,329 --> 00:08:37,550

journalism it's not good science it's

191

00:08:42,899 --> 00:08:40,339

not honest you know in a way so like I

192

00:08:46,809 --> 00:08:42,909

think you do a great job especially when

193

00:08:49,990 --> 00:08:46,819

talking to people who are reticent to

194

00:08:52,360 --> 00:08:50,000

open up about this stuff they they don't

195

00:08:55,119 --> 00:08:52,370

want to be made fun of they're not sure

196

00:08:57,579 --> 00:08:55,129

what they saw or encountered and so

197

00:08:59,019 --> 00:08:57,589

therefore it's a kind of an emotional

198

00:09:03,129 --> 00:08:59,029

thing for them it's something they don't

199

00:09:05,980 --> 00:09:03,139

want to really share because you know of

200

00:09:09,009 --> 00:09:05,990

a very earned insecurity for that so I

201
00:09:10,780 --> 00:09:09,019
think you do a great job from what I was

202
00:09:14,019 --> 00:09:10,790
seeing an alien con from what I've you

203
00:09:17,110 --> 00:09:14,029
know heard and read from your works you

204
00:09:20,019 --> 00:09:17,120
do a great job of letting people relax

205
00:09:21,070 --> 00:09:20,029
make sure they know that they're in a

206
00:09:23,320 --> 00:09:21,080
safe spot

207
00:09:25,570 --> 00:09:23,330
that they can share this information and

208
00:09:27,699 --> 00:09:25,580
not get ridiculed right and discuss it

209
00:09:30,430 --> 00:09:27,709
and try and figure something out you

210
00:09:33,430 --> 00:09:30,440
know just yeah just to get some kind of

211
00:09:35,199 --> 00:09:33,440
closure or or even just therapy out of

212
00:09:37,900 --> 00:09:35,209
it in a way that is a really good point

213
00:09:39,730 --> 00:09:37,910

man I I don't think it's about me

214

00:09:41,290 --> 00:09:39,740

finding answers for them because I

215

00:09:43,690 --> 00:09:41,300

wasn't there that's kind of the thing

216

00:09:45,780 --> 00:09:43,700

I've always that's kind of my mantra

217

00:09:48,250 --> 00:09:45,790

when it comes to this whole thing is

218

00:09:49,840 --> 00:09:48,260

maybe when I was younger I would judge

219

00:09:52,389 --> 00:09:49,850

people for the stories they told my

220

00:09:55,269 --> 00:09:52,399

better that's BS or no I believe you but

221

00:09:57,190 --> 00:09:55,279

now I go by that mantra I was not there

222

00:09:59,440 --> 00:09:57,200

when this happened I cannot say that

223

00:10:01,690 --> 00:09:59,450

this happened or did not happen to you

224

00:10:04,210 --> 00:10:01,700

but if I can just be a listening ear

225

00:10:06,670 --> 00:10:04,220

that you're right it is closure for some

226

00:10:08,470 --> 00:10:06,680

people I mean you saw it alien con at

227

00:10:10,540 --> 00:10:08,480

these experience or sessions for people

228

00:10:13,720 --> 00:10:10,550

get up and talk about their experiences

229

00:10:16,360 --> 00:10:13,730

I'm seeing grown middle-aged men like

230

00:10:19,540 --> 00:10:16,370

breaking down crying and shaking because

231

00:10:21,910 --> 00:10:19,550

of these emotional traumatic sometimes

232

00:10:25,600 --> 00:10:21,920

events that have happened to them and

233

00:10:28,060 --> 00:10:25,610

that's not easy to see or to sort of

234

00:10:30,550 --> 00:10:28,070

deal with I'm not a therapist I'm not a

235

00:10:33,579 --> 00:10:30,560

psychologist I'm a person who relays

236

00:10:36,670 --> 00:10:33,589

stories so I can't tell them what to do

237

00:10:39,280 --> 00:10:36,680

what to feel but if I can just be there

238

00:10:41,949 --> 00:10:39,290

to listen I was always told when I was a

239

00:10:43,569 --> 00:10:41,959

kid like I'm a listener I love just

240

00:10:46,269 --> 00:10:43,579

being in the corner of a room listening

241

00:10:48,670 --> 00:10:46,279

to people talking that might be creepy

242

00:10:51,190 --> 00:10:48,680

sometimes just this guy a guy in the

243

00:10:53,050 --> 00:10:51,200

corner listening to everyone but I think

244

00:10:55,810 --> 00:10:53,060

it's the popcorn that you're eating that

245

00:11:01,329 --> 00:10:55,820

might be it yeah yeah and that wide-eyed

246

00:11:02,980 --> 00:11:01,339

stare but no man I think it is easy that

247

00:11:05,620 --> 00:11:02,990

is when my strengths isn't listening to

248

00:11:07,780 --> 00:11:05,630

people and not casting judgment and if

249

00:11:10,740 --> 00:11:07,790

that's what I can do for them to just

250

00:11:13,960 --> 00:11:10,750

listen and kind of archive their story

251
00:11:16,180 --> 00:11:13,970
that's that's all they want sometimes

252
00:11:18,160 --> 00:11:16,190
and that's all I won't want to hear

253
00:11:20,170 --> 00:11:18,170
stories I don't care I don't care if

254
00:11:22,240 --> 00:11:20,180
like you ever find the answer to what

255
00:11:24,730 --> 00:11:22,250
happened if that's good for you that's

256
00:11:27,670 --> 00:11:24,740
great but I just love hearing about

257
00:11:29,470 --> 00:11:27,680
these events because it solidifies for

258
00:11:32,680 --> 00:11:29,480
me that what I saw when I was 12 years

259
00:11:33,260 --> 00:11:32,690
old was unexplainable and that's okay I

260
00:11:34,940 --> 00:11:33,270
don't

261
00:11:36,560 --> 00:11:34,950
have to know what happened to me mm-hm

262
00:11:38,690 --> 00:11:36,570
and we can just keep going on and

263
00:11:41,200 --> 00:11:38,700

realizing that the world is hell of a

264

00:11:44,060 --> 00:11:41,210

lot stranger than we we first perceived

265

00:11:46,400 --> 00:11:44,070

do you would you mind sharing that

266

00:11:49,340 --> 00:11:46,410

experience with us you don't have to of

267

00:11:51,020 --> 00:11:49,350

course just to get some perspective an

268

00:11:52,640 --> 00:11:51,030

no i-i've talked about it at length on

269

00:11:55,220 --> 00:11:52,650

my own show people are probably sick of

270

00:11:57,740 --> 00:11:55,230

it but yeah your listeners um if it is

271

00:12:01,730 --> 00:11:57,750

new to them yeah I it's it's kind of my

272

00:12:04,430 --> 00:12:01,740

origin story it was um it was in 1995 I

273

00:12:06,560 --> 00:12:04,440

was 12 years old like I said and I was

274

00:12:09,770 --> 00:12:06,570

on a weekend getaway with my parents we

275

00:12:11,630 --> 00:12:09,780

um we had like this this camp area that

276

00:12:14,360 --> 00:12:11,640

we would stay at kind of like a motel

277

00:12:16,850 --> 00:12:14,370

situation and they had a dock right off

278

00:12:18,890 --> 00:12:16,860

the motel where you could go fishing and

279

00:12:21,650 --> 00:12:18,900

just just look at the river the st.

280

00:12:23,990 --> 00:12:21,660

Lawrence River which literally connected

281

00:12:26,450 --> 00:12:24,000

Canada and the United States and we were

282

00:12:29,540 --> 00:12:26,460

right on the border and I was fishing

283

00:12:30,860 --> 00:12:29,550

one night I was alone listening to Green

284

00:12:32,950 --> 00:12:30,870

Day on my discman

285

00:12:35,990 --> 00:12:32,960

so that was back in the mid nineties

286

00:12:37,610 --> 00:12:36,000

dookie dookie it was Dookie yep basket

287

00:12:40,880 --> 00:12:37,620

case specifically the song I was

288

00:12:42,770 --> 00:12:40,890

listening to and yeah it was starting to

289

00:12:44,570 --> 00:12:42,780

turn dark so I'm like yeah this is I'm

290

00:12:46,730 --> 00:12:44,580

not gonna I'm done I'm done for the

291

00:12:49,340 --> 00:12:46,740

night so I started you know reeling my

292

00:12:52,640 --> 00:12:49,350

line in and I noticed in the water there

293

00:12:54,260 --> 00:12:52,650

was these three white lights in the

294

00:12:56,060 --> 00:12:54,270

water well I thought they were in the

295

00:12:58,970 --> 00:12:56,070

water so I kind of bent down and looked

296

00:13:02,120 --> 00:12:58,980

and I realized Oh Ryan you're an idiot

297

00:13:05,690 --> 00:13:02,130

they're above you it's a reflection so I

298

00:13:09,290 --> 00:13:05,700

get up and I look up above me and it was

299

00:13:10,970 --> 00:13:09,300

just it was flowing there I I don't know

300

00:13:13,550 --> 00:13:10,980

what it was but it was three white

301
00:13:17,390 --> 00:13:13,560
lights in a triangular formation and

302
00:13:18,020 --> 00:13:17,400
kind of this weird orange red hazy thing

303
00:13:20,240 --> 00:13:18,030
in the middle

304
00:13:22,670 --> 00:13:20,250
it looked circular from where I was

305
00:13:24,170 --> 00:13:22,680
looking and it was just a formation of

306
00:13:26,530 --> 00:13:24,180
lights like I try to make it clear to

307
00:13:29,150 --> 00:13:26,540
people I never saw like a craft or

308
00:13:30,560 --> 00:13:29,160
machinery just these lights but I

309
00:13:32,390 --> 00:13:30,570
couldn't see anything behind it don't

310
00:13:34,850 --> 00:13:32,400
curse stars the moon nothing like that

311
00:13:39,350 --> 00:13:34,860
and was just floating there like I said

312
00:13:42,440 --> 00:13:39,360
and I didn't know what to do I gotta

313
00:13:44,240 --> 00:13:42,450

just stared up I flung my headphones off

314

00:13:47,010 --> 00:13:44,250

at that point because I was about to run

315

00:13:49,410 --> 00:13:47,020

inside but I was kind of frozen

316

00:13:51,660 --> 00:13:49,420

man it's just staring at it and I was

317

00:13:56,070 --> 00:13:51,670

trying to yell for my dad who I could

318

00:13:58,110 --> 00:13:56,080

literally see in the motel just sitting

319

00:14:00,240 --> 00:13:58,120

there he's watching a Yankees game on TV

320

00:14:02,400 --> 00:14:00,250

but I couldn't get anything out like I

321

00:14:05,579 --> 00:14:02,410

couldn't like scream for him and I just

322

00:14:07,139 --> 00:14:05,589

got frozen there and the thing was

323

00:14:09,570 --> 00:14:07,149

making no noise that was the other big

324

00:14:13,680 --> 00:14:09,580

thing that uh really stuck with me is

325

00:14:14,970 --> 00:14:13,690

nothing no sign of propulsion it was

326

00:14:17,010 --> 00:14:14,980

completely silent

327

00:14:19,800 --> 00:14:17,020

I could actually faintly hear the

328

00:14:23,220 --> 00:14:19,810

announcers on the Yankees game inside my

329

00:14:25,170 --> 00:14:23,230

motel room and finally I got like a

330

00:14:28,500 --> 00:14:25,180

little twelve-year-old squeal out and my

331

00:14:30,210 --> 00:14:28,510

dad came out and he saw the tail end of

332

00:14:32,940 --> 00:14:30,220

this formation of lights as it was

333

00:14:35,160 --> 00:14:32,950

started not floating but coasting over

334

00:14:37,889 --> 00:14:35,170

the water so right then and there I knew

335

00:14:40,560 --> 00:14:37,899

I wasn't just seeing things my dad did

336

00:14:43,019 --> 00:14:40,570

see it but at that point it was so far

337

00:14:44,550 --> 00:14:43,029

away and it kind of disappeared out of

338

00:14:46,889 --> 00:14:44,560

sight I don't know if it went in the

339

00:14:50,519 --> 00:14:46,899

water or it just disappeared off in the

340

00:14:54,540 --> 00:14:50,529

distance towards Canada but that was it

341

00:14:56,730 --> 00:14:54,550

man yeah it was weird it was scary it

342

00:14:59,699 --> 00:14:56,740

was kind of cool but at the end of the

343

00:15:02,639 --> 00:14:59,709

day it terrified me and I had nightmares

344

00:15:05,160 --> 00:15:02,649

forever after that and I didn't really

345

00:15:06,540 --> 00:15:05,170

talk about it for a long time and you

346

00:15:10,530 --> 00:15:06,550

know my dad told me it was just a plane

347

00:15:13,440 --> 00:15:10,540

doing his dad duties as it were but yeah

348

00:15:16,829 --> 00:15:13,450

yeah I just became obsessed after that

349

00:15:18,990 --> 00:15:16,839

and like I told you I kind of tried to

350

00:15:20,970 --> 00:15:19,000

turn that obsession into like educated

351

00:15:23,430 --> 00:15:20,980

myself on the topic of UFOs like what

352

00:15:26,639 --> 00:15:23,440

are these weird things in the sky can we

353

00:15:30,120 --> 00:15:26,649

explain them and just a rabbit hole

354

00:15:32,130 --> 00:15:30,130

after that huh well that brings up quite

355

00:15:34,199 --> 00:15:32,140

a few questions for me if you don't mind

356

00:15:36,960 --> 00:15:34,209

that's corny asking a few how far away

357

00:15:39,840 --> 00:15:36,970

from you was it would you say so I I've

358

00:15:41,670 --> 00:15:39,850

definitely tried to come up with an

359

00:15:44,370 --> 00:15:41,680

answer for that but I'll be honest man I

360

00:15:46,710 --> 00:15:44,380

I there's a lot of things I remember and

361

00:15:50,150 --> 00:15:46,720

don't remember about it if I were to say

362

00:15:55,910 --> 00:15:50,160

like the size of the lights that I saw

363

00:16:00,840 --> 00:15:55,920

anywhere from like maybe 200 300 feet up

364

00:16:02,549 --> 00:16:00,850

but again like I just I have no I'm hor

365

00:16:06,269 --> 00:16:02,559

but when it comes to that sort of stuff

366

00:16:08,789 --> 00:16:06,279

oh sure and again like again memories

367

00:16:11,460 --> 00:16:08,799

fallible so yeah maybe it was that far

368

00:16:15,329 --> 00:16:11,470

up maybe it was this big but um I would

369

00:16:18,150 --> 00:16:15,339

probably say anywhere between 300 to 300

370

00:16:20,039 --> 00:16:18,160

feet up maybe memories a tough thing and

371

00:16:23,369 --> 00:16:20,049

I mean how many studies have they done

372

00:16:26,509 --> 00:16:23,379

that not only memory you know is is

373

00:16:29,400 --> 00:16:26,519

tough to to trust but also seeing

374

00:16:32,460 --> 00:16:29,410

something from a distance especially

375

00:16:35,159 --> 00:16:32,470

when it's above you or to the site like

376

00:16:36,509 --> 00:16:35,169

I remembered seeing like I don't I think

377

00:16:38,069 --> 00:16:36,519

it was a monster quest or something

378

00:16:41,279 --> 00:16:38,079

where they were talking about Mothman

379

00:16:43,619 --> 00:16:41,289

and how people it was hard for them to

380

00:16:46,289 --> 00:16:43,629

judge the height of something when it

381

00:16:49,529 --> 00:16:46,299

was even just like ten yards away so

382

00:16:52,169 --> 00:16:49,539

like yeah I wouldn't worry about just

383

00:16:56,219 --> 00:16:52,179

just ya Heaven haven't that experiences

384

00:16:59,159 --> 00:16:56,229

he's wild enough so when it took off was

385

00:17:01,859 --> 00:16:59,169

it moving fast did it these are two

386

00:17:03,629 --> 00:17:01,869

questions and one wasn't moving fast did

387

00:17:05,639 --> 00:17:03,639

it follow the river or did it kind of go

388

00:17:08,009 --> 00:17:05,649

over the treeline and stuff that's a

389

00:17:10,829 --> 00:17:08,019

really good question so it did not move

390

00:17:12,960 --> 00:17:10,839

fast at all when I first saw it it was

391

00:17:15,299 --> 00:17:12,970

just hovering like I said like floating

392

00:17:17,639 --> 00:17:15,309

above me so it was completely still

393

00:17:20,539 --> 00:17:17,649

which again I was like what what does

394

00:17:23,249 --> 00:17:20,549

that like is this a blimp is it a

395

00:17:23,610 --> 00:17:23,259

massive kite like what the hell is going

396

00:17:31,590 --> 00:17:23,620

on

397

00:17:34,230 --> 00:17:31,600

them anyway like we are now yeah yeah

398

00:17:36,119 --> 00:17:34,240

and that's another thing I never

399

00:17:38,490 --> 00:17:36,129

discount any of these conventional

400

00:17:40,289 --> 00:17:38,500

explanations what I saw easily could

401

00:17:42,629 --> 00:17:40,299

have been anything

402

00:17:44,129 --> 00:17:42,639

a blimp a conventional craft of some

403

00:17:46,409 --> 00:17:44,139

sort but the other things that really

404

00:17:49,619 --> 00:17:46,419

stuck out to me completely silent ya

405

00:17:51,990 --> 00:17:49,629

know sound of propulsion whatsoever so

406

00:17:54,539 --> 00:17:52,000

even at 12 you know I'm not an aviation

407

00:17:57,690 --> 00:17:54,549

expert but I know that planes make

408

00:18:01,919 --> 00:17:57,700

sounds even a blimp can make sense if it

409

00:18:03,990 --> 00:18:01,929

was that close but it moves so slow man

410

00:18:06,600 --> 00:18:04,000

as it coasted over the water and that

411

00:18:08,910 --> 00:18:06,610

was really eerie that it kind of did

412

00:18:12,330 --> 00:18:08,920

that I am like is it gonna

413

00:18:14,640 --> 00:18:12,340

just stay here am I in trouble should I

414

00:18:17,400 --> 00:18:14,650

um should I get out of here I don't know

415

00:18:19,890 --> 00:18:17,410

and again I just stared at it as it

416

00:18:21,900 --> 00:18:19,900

continued over the water and you bring

417

00:18:25,200 --> 00:18:21,910

up the point of the tree line so if you

418

00:18:28,110 --> 00:18:25,210

looked across the river there was

419

00:18:31,080 --> 00:18:28,120

another part of an island that was part

420

00:18:34,740 --> 00:18:31,090

of Canada and to the right of that the

421

00:18:38,130 --> 00:18:34,750

river continued deep into the Canadian

422

00:18:41,430 --> 00:18:38,140

waters as it were I when we my father

423

00:18:44,190 --> 00:18:41,440

and I watched as the thing went towards

424

00:18:46,890 --> 00:18:44,200

Canada it followed the path of the

425

00:18:48,750 --> 00:18:46,900

running water so it didn't go over the

426

00:18:50,700 --> 00:18:48,760

tree line it wasn't going towards land

427

00:18:53,370 --> 00:18:50,710

it continued on the path of the water

428

00:18:56,040 --> 00:18:53,380

which I found really interesting I feel

429

00:18:58,290 --> 00:18:56,050

like and I I may be completely wrong

430

00:19:01,470 --> 00:18:58,300

here because I haven't read much of John

431

00:19:03,600 --> 00:19:01,480

keels work I've just you know kind of

432

00:19:05,880 --> 00:19:03,610

get it tangentially when studying these

433

00:19:07,650 --> 00:19:05,890

things but like I seem to remember

434

00:19:10,530 --> 00:19:07,660

something about there being something

435

00:19:13,320 --> 00:19:10,540

similar around the Point Pleasant

436

00:19:16,410 --> 00:19:13,330

sightings where there were some there

437

00:19:18,930 --> 00:19:16,420

was some UFO activity that followed the

438

00:19:21,450 --> 00:19:18,940

river there maybe it just something

439

00:19:23,460 --> 00:19:21,460

something about that is click and you

440

00:19:25,650 --> 00:19:23,470

know one of the old files in my brain

441

00:19:28,230 --> 00:19:25,660

yeah but yeah some time and I feel like

442

00:19:31,620 --> 00:19:28,240

I've heard quite a few stories of these

443

00:19:37,740 --> 00:19:31,630

UFOs moving with the waterways and stuff

444

00:19:42,570 --> 00:19:37,750

which you know if if you go to a follow

445

00:19:43,920 --> 00:19:42,580

me on this one planet as an if as an

446

00:19:45,720 --> 00:19:43,930

extraterrestrial if you're going to a

447

00:19:48,060 --> 00:19:45,730

new planet you probably want to follow

448

00:19:48,600 --> 00:19:48,070

the rivers it's a good way to what am I

449

00:19:50,640 --> 00:19:48,610

talking about

450

00:19:53,670 --> 00:19:50,650

I don't know this a man no it's a

451
00:19:55,110 --> 00:19:53,680
logical it's a logical explanation look

452
00:19:57,690 --> 00:19:55,120
if you're if you're lost

453
00:20:00,300 --> 00:19:57,700
like as humans we know to follow the

454
00:20:02,670 --> 00:20:00,310
water and you'll eventually find land no

455
00:20:05,190 --> 00:20:02,680
here maybe they were lost or maybe they

456
00:20:08,130 --> 00:20:05,200
were looking for a certain place to land

457
00:20:10,500 --> 00:20:08,140
or get resources I don't know yeah who

458
00:20:12,840 --> 00:20:10,510
knows or it could have been a dream I

459
00:20:13,440 --> 00:20:12,850
don't know I don't know could have been

460
00:20:16,740 --> 00:20:13,450
anything

461
00:20:19,800 --> 00:20:16,750
we're mid 90s maybe stealth aircraft

462
00:20:22,760 --> 00:20:19,810
I don't know dude that's another thing

463
00:20:25,190 --> 00:20:22,770

like yeah there's speculation there's no

464

00:20:26,840 --> 00:20:25,200

wind to it you know when you start

465

00:20:29,060 --> 00:20:26,850

because that's sometimes all we're left

466

00:20:32,420 --> 00:20:29,070

with but it's a it's a really

467

00:20:36,140 --> 00:20:32,430

fascinating story and I can imagine it's

468

00:20:38,510 --> 00:20:36,150

it was pretty traumatic so good for you

469

00:20:41,210 --> 00:20:38,520

for wanting to like turn around and face

470

00:20:43,190 --> 00:20:41,220

it and you know get to the heart of it

471

00:20:45,170 --> 00:20:43,200

if you can you know at least talking

472

00:20:46,970 --> 00:20:45,180

about it is is got to be sort of

473

00:20:50,450 --> 00:20:46,980

therapeutic for that so good on you for

474

00:20:53,600 --> 00:20:50,460

that thank you I wanted to talk with you

475

00:20:55,850 --> 00:20:53,610

a little bit in this episode about a lot

476
00:20:58,250 --> 00:20:55,860
of stuff that has come out lately in the

477
00:21:01,340 --> 00:20:58,260
news and this is there may be a little

478
00:21:03,620 --> 00:21:01,350
time dilation with the podcast from you

479
00:21:06,650 --> 00:21:03,630
know when I release this episode but as

480
00:21:09,550 --> 00:21:06,660
of right now we're kind of we kind of

481
00:21:13,130 --> 00:21:09,560
have hit a peak and maybe crossed it on

482
00:21:14,990 --> 00:21:13,140
talking about things like there's a

483
00:21:17,660 --> 00:21:15,000
quite a few things like disclosure

484
00:21:22,130 --> 00:21:17,670
that's that's coming out that's been hot

485
00:21:26,420 --> 00:21:22,140
lately there's been stuff on TTS a which

486
00:21:28,250 --> 00:21:26,430
is to the Stars Academy and fella by the

487
00:21:31,040 --> 00:21:28,260
name of Bob Lazar

488
00:21:33,800 --> 00:21:31,050

Jeremy corbels name has been thrown at

489

00:21:36,530 --> 00:21:33,810

their lives and tic-tac UFOs things like

490

00:21:39,050 --> 00:21:36,540

these are all kind of like hot topics

491

00:21:43,010 --> 00:21:39,060

that have come up lately and I I

492

00:21:47,930 --> 00:21:43,020

personally have been living under a rock

493

00:21:51,080 --> 00:21:47,940

because I prefer the the cool shady part

494

00:21:53,720 --> 00:21:51,090

you know out of Earth's Yellow Sun but I

495

00:21:56,240 --> 00:21:53,730

haven't been as tapped into this stuff

496

00:21:57,890 --> 00:21:56,250

as a lot of people are and I know that

497

00:21:59,270 --> 00:21:57,900

you have heard quite a bit about it

498

00:22:01,010 --> 00:21:59,280

you've you've got your finger on the

499

00:22:03,140 --> 00:22:01,020

pulse of that kind of stuff so I thought

500

00:22:03,740 --> 00:22:03,150

maybe we could bring you in to discuss

501
00:22:06,740 --> 00:22:03,750
this

502
00:22:09,050 --> 00:22:06,750
for me and mostly for listeners who

503
00:22:11,900 --> 00:22:09,060
might also be like you know what I've

504
00:22:13,400 --> 00:22:11,910
heard of Bob Lazar I've heard that you

505
00:22:15,770 --> 00:22:13,410
know stuff has come out in the news

506
00:22:17,900 --> 00:22:15,780
lately that's very interesting and you

507
00:22:20,630 --> 00:22:17,910
know it's shaken things up but I don't

508
00:22:22,970 --> 00:22:20,640
know exactly what's going on with that

509
00:22:25,760 --> 00:22:22,980
so I was hoping maybe you could discuss

510
00:22:28,640 --> 00:22:25,770
these things with me and give everybody

511
00:22:31,190 --> 00:22:28,650
kind of a rundown of what the what all

512
00:22:33,170 --> 00:22:31,200
this stuff means yeah how would you what

513
00:22:34,820 --> 00:22:33,180

do you think of all this stuff doesn't

514

00:22:36,259 --> 00:22:34,830

it seem like there's been kind of a bump

515

00:22:39,709 --> 00:22:36,269

in a

516

00:22:41,869 --> 00:22:39,719

the the the pop culture of this stuff

517

00:22:43,909 --> 00:22:41,879

and a lot of things getting shared and

518

00:22:45,979 --> 00:22:43,919

discussed more than usual or is that

519

00:22:48,169 --> 00:22:45,989

just me no you you're not wrong you know

520

00:22:51,320 --> 00:22:48,179

man I mean there's been this this is

521

00:22:56,079 --> 00:22:51,330

kind of a new era of UFO discourse in my

522

00:22:58,879 --> 00:22:56,089

personal opinion we learned that back in

523

00:23:02,359 --> 00:22:58,889

2017 the New York Times broke this like

524

00:23:05,989 --> 00:23:02,369

major story that even most of us in the

525

00:23:08,319 --> 00:23:05,999

UFO field had no idea about of a secret

526
00:23:11,659 --> 00:23:08,329
Pentagon UFO program that had been

527
00:23:14,779 --> 00:23:11,669
investigating UFOs now we all thought

528
00:23:18,560 --> 00:23:14,789
and even the public thought that that

529
00:23:20,659 --> 00:23:18,570
all ended back in the early 1960s with

530
00:23:24,049 --> 00:23:20,669
Project Blue Book this government funded

531
00:23:26,479 --> 00:23:24,059
UFO investigation program and we were

532
00:23:29,509 --> 00:23:26,489
told you know this is it we're done

533
00:23:31,549 --> 00:23:29,519
doing this we're done funding this we

534
00:23:34,999 --> 00:23:31,559
find no national security threat with

535
00:23:37,489 --> 00:23:35,009
these quote-unquote UFOs everyone move

536
00:23:41,899 --> 00:23:37,499
on with your lives so for the longest

537
00:23:43,459 --> 00:23:41,909
time we're all like okay um well what

538
00:23:45,079 --> 00:23:43,469

believe some of that but there's

539

00:23:47,449 --> 00:23:45,089

probably something going on and then as

540

00:23:49,249 --> 00:23:47,459

the years went on and on I think a lot

541

00:23:50,779 --> 00:23:49,259

of people got really jaded and they're

542

00:23:54,739 --> 00:23:50,789

like yeah government's no longer

543

00:23:56,810 --> 00:23:54,749

interested and then in 2017 we did learn

544

00:24:00,049 --> 00:23:56,820

that there was a 22 million dollar

545

00:24:03,919 --> 00:24:00,059

project in complete secret funded by the

546

00:24:06,079 --> 00:24:03,929

the Defense Intelligence Agency called a

547

00:24:08,989 --> 00:24:06,089

tip the advanced aerial threat

548

00:24:12,289 --> 00:24:08,999

identification program or aerospace

549

00:24:14,719 --> 00:24:12,299

program it changes every other day in

550

00:24:17,509 --> 00:24:14,729

terms of what it was called but um yeah

551
00:24:19,909 --> 00:24:17,519
this is funded by Senator Harry Reid one

552
00:24:22,489 --> 00:24:19,919
of our senators right he was interested

553
00:24:24,739 --> 00:24:22,499
in UFOs and he wanted to get to the

554
00:24:27,259 --> 00:24:24,749
bottom of it so he got funding for this

555
00:24:29,299 --> 00:24:27,269
thing 22 million dollars which you know

556
00:24:31,299 --> 00:24:29,309
is just a nickel in the Hat when it

557
00:24:33,499 --> 00:24:31,309
comes to government funding but on

558
00:24:34,969 --> 00:24:33,509
putting the word threat in your program

559
00:24:36,440 --> 00:24:34,979
that's a good way to get some funding

560
00:24:40,430 --> 00:24:36,450
for sure from the Defense Intelligence

561
00:24:42,589 --> 00:24:40,440
Agency so on that story broke it made

562
00:24:43,940 --> 00:24:42,599
major headlines all over the world and

563
00:24:46,430 --> 00:24:43,950

then we started to hear about these

564

00:24:49,980 --> 00:24:46,440

really interesting military UFO

565

00:24:52,860 --> 00:24:49,990

sightings that had been happening and we

566

00:24:55,950 --> 00:24:52,870

video of them some really interesting

567

00:24:59,580 --> 00:24:55,960

videos nonetheless and one of them you

568

00:25:02,250 --> 00:24:59,590

said was the tic-tac UFO have you heard

569

00:25:05,130 --> 00:25:02,260

anything about this one man just that

570

00:25:08,010 --> 00:25:05,140

the name implies the shape the name is

571

00:25:11,820 --> 00:25:08,020

named after the the candy meant thing

572

00:25:14,430 --> 00:25:11,830

and beyond that I think maybe that it

573

00:25:18,600 --> 00:25:14,440

you know it defies kind of the physics

574

00:25:21,660 --> 00:25:18,610

that we know coat unquote no is this the

575

00:25:24,600 --> 00:25:21,670

same thing that is on that that jet

576

00:25:26,520 --> 00:25:24,610

pilot video that right but that was

577

00:25:28,440 --> 00:25:26,530

going around right yes so there's three

578

00:25:30,450 --> 00:25:28,450

separate videos there's one called the

579

00:25:32,630 --> 00:25:30,460

tic-tac UFO there's one called the

580

00:25:35,700 --> 00:25:32,640

gimble UFO and there's one called the

581

00:25:39,060 --> 00:25:35,710

go-fast and it's really easy for

582

00:25:42,299 --> 00:25:39,070

mainstream media sites to mix the three

583

00:25:43,980 --> 00:25:42,309

together but they are three separate

584

00:25:46,650 --> 00:25:43,990

events that happened over the span of I

585

00:25:48,750 --> 00:25:46,660

believe maybe a decade or so but the one

586

00:25:53,130 --> 00:25:48,760

that's really out there is the tic-tac

587

00:25:55,200 --> 00:25:53,140

UFO because we have a lot of actual Navy

588

00:25:57,630 --> 00:25:55,210

pilots who are involved with this thing

589

00:26:00,000 --> 00:25:57,640

come forward and give their testimony of

590

00:26:03,980 --> 00:26:00,010

originally we only had the video which

591

00:26:07,710 --> 00:26:03,990

is very short and shows a tic-tac shaped

592

00:26:11,340 --> 00:26:07,720

object making pretty interesting

593

00:26:13,500 --> 00:26:11,350

maneuvers in the sky and slowly we begin

594

00:26:16,440 --> 00:26:13,510

to realize that it was connected to the

595

00:26:19,200 --> 00:26:16,450

testimony of a lot of these people that

596

00:26:20,400 --> 00:26:19,210

were involved the first person involved

597

00:26:23,100 --> 00:26:20,410

was a man who I've interviewed

598

00:26:25,919 --> 00:26:23,110

extensively named Kevin day he was a

599

00:26:30,540 --> 00:26:25,929

senior radar operator at the time of

600

00:26:34,260 --> 00:26:30,550

this event and he saw on his radar like

601
00:26:35,790 --> 00:26:34,270
ten objects on his radar that were not

602
00:26:38,610 --> 00:26:35,800
supposed to be in the airspace they were

603
00:26:40,740 --> 00:26:38,620
in and they is kind of like a fleet so

604
00:26:43,440 --> 00:26:40,750
he he ends up reporting this and he

605
00:26:44,760 --> 00:26:43,450
tells the pilots like we got to

606
00:26:46,230 --> 00:26:44,770
intercept these things you got to figure

607
00:26:49,650 --> 00:26:46,240
out what they are they are in our

608
00:26:51,630 --> 00:26:49,660
training airspace so they actually send

609
00:26:55,650 --> 00:26:51,640
up fighter jets to intercept these

610
00:26:58,110 --> 00:26:55,660
things and they were not able to lock in

611
00:27:00,860 --> 00:26:58,120
on them they saw the what they say were

612
00:27:03,600 --> 00:27:00,870
these tic tacs shaped objects that were

613
00:27:05,400 --> 00:27:03,610

reacting to their movements

614

00:27:08,340 --> 00:27:05,410

ummm at times like there was an

615

00:27:10,970 --> 00:27:08,350

intelligent control behind them going

616

00:27:14,280 --> 00:27:10,980

into the water coming back up to

617

00:27:17,070 --> 00:27:14,290

immeasurable distances at immeasurable

618

00:27:18,660 --> 00:27:17,080

speeds and then disappearing so I mean

619

00:27:20,880 --> 00:27:18,670

the pilots are saying there's no way

620

00:27:22,620 --> 00:27:20,890

there's a pilot in there they would die

621

00:27:26,070 --> 00:27:22,630

immediately making the maneuvers that

622

00:27:28,440 --> 00:27:26,080

they did right so the gun camera footage

623

00:27:31,049 --> 00:27:28,450

from one of these Navy pilots is what we

624

00:27:33,539 --> 00:27:31,059

now have and it's it's astounding to be

625

00:27:36,870 --> 00:27:33,549

completely honest and ever since then

626
00:27:38,730 --> 00:27:36,880
it's just been unraveling huh were there

627
00:27:41,669 --> 00:27:38,740
multiple pilots

628
00:27:44,940 --> 00:27:41,679
that that witnessed them and was there

629
00:27:46,799 --> 00:27:44,950
only one video taken for this particular

630
00:27:50,070 --> 00:27:46,809
event that took attack UFO event there

631
00:27:53,100 --> 00:27:50,080
is what as far as we know only one video

632
00:27:56,070 --> 00:27:53,110
taken but there are several pilots who

633
00:27:58,260 --> 00:27:56,080
have come forward and say yes we did see

634
00:28:01,049 --> 00:27:58,270
these objects yes they did make these

635
00:28:03,659 --> 00:28:01,059
maneuvers there's one pilot in

636
00:28:06,659 --> 00:28:03,669
particular a female pilot who was the

637
00:28:08,370 --> 00:28:06,669
wingman of the main pilot who has come

638
00:28:11,400 --> 00:28:08,380

forward this is getting convoluted I

639

00:28:12,720 --> 00:28:11,410

apologize sorry that's why we're talking

640

00:28:15,510 --> 00:28:12,730

about exactly

641

00:28:17,370 --> 00:28:15,520

exactly again if your listeners Google

642

00:28:20,220 --> 00:28:17,380

tick-tack UFO it's going to give them a

643

00:28:23,370 --> 00:28:20,230

point-by-point person-by-person play of

644

00:28:25,560 --> 00:28:23,380

all of this but in essence there were

645

00:28:28,650 --> 00:28:25,570

multiple pilots who witnessed this who

646

00:28:30,990 --> 00:28:28,660

have come forward and solidify what

647

00:28:32,700 --> 00:28:31,000

we're seeing in these videos so it's

648

00:28:34,770 --> 00:28:32,710

really really interesting the other

649

00:28:36,900 --> 00:28:34,780

interesting thing is that these videos

650

00:28:39,539 --> 00:28:36,910

were Declassified and given to the

651

00:28:42,450 --> 00:28:39,549

public so we have to wonder why why now

652

00:28:44,190 --> 00:28:42,460

why all of a sudden is the government

653

00:28:47,250 --> 00:28:44,200

allowing us to see these videos that

654

00:28:49,049 --> 00:28:47,260

they've held secret for so long I don't

655

00:28:51,330 --> 00:28:49,059

know I don't pretend to have an answer

656

00:28:54,030 --> 00:28:51,340

for that but um I will take what I can

657

00:28:55,140 --> 00:28:54,040

get and because we do not get this often

658

00:28:59,430 --> 00:28:55,150

yeah for sure

659

00:29:01,380 --> 00:28:59,440

now a tip was that established before or

660

00:29:06,240 --> 00:29:01,390

after these supposed sightings

661

00:29:09,240 --> 00:29:06,250

I believe that a tip was between the

662

00:29:13,470 --> 00:29:09,250

years that these things happened I mean

663

00:29:14,920 --> 00:29:13,480

we're looking at around 2012 I think is

664

00:29:17,890 --> 00:29:14,930

when the

665

00:29:20,250 --> 00:29:17,900

project and did a tip ended so actually

666

00:29:24,550 --> 00:29:20,260

a lot of these events happened either

667

00:29:26,250 --> 00:29:24,560

before or during the project and the

668

00:29:30,010 --> 00:29:26,260

project was headed by a guy named Luis

669

00:29:32,380 --> 00:29:30,020

Elizondo and he is now the man that we

670

00:29:36,700 --> 00:29:32,390

all know is working for to the Stars

671

00:29:39,820 --> 00:29:36,710

Academy TT si which is connected to a

672

00:29:41,740 --> 00:29:39,830

tip in terms of he headed a tip now he's

673

00:29:43,900 --> 00:29:41,750

working his own project which to the

674

00:29:46,930 --> 00:29:43,910

Stars Academy to continue investigating

675

00:29:49,300 --> 00:29:46,940

these things he left he left a tip

676
00:29:51,010 --> 00:29:49,310
because he was sick of the secrecy going

677
00:29:53,260 --> 00:29:51,020
on he thought these things should be

678
00:29:54,730 --> 00:29:53,270
given to the public they were funding

679
00:29:56,980 --> 00:29:54,740
the program these are black budget

680
00:29:59,050 --> 00:29:56,990
programs that we taxpayers are paying

681
00:30:01,480 --> 00:29:59,060
for and he said we gotta let people know

682
00:30:03,130 --> 00:30:01,490
what's going on yes of course there has

683
00:30:04,630 --> 00:30:03,140
to be classification and there's a

684
00:30:06,190 --> 00:30:04,640
reason some of these things are kept

685
00:30:10,120 --> 00:30:06,200
from the public for national security

686
00:30:12,100 --> 00:30:10,130
purposes but at the same time he he knew

687
00:30:14,200 --> 00:30:12,110
that these events were happening to

688
00:30:17,230 --> 00:30:14,210

people all over the world and we gotta

689

00:30:18,730 --> 00:30:17,240

look at it as as human beings and as

690

00:30:20,890 --> 00:30:18,740

civilians rather than just a

691

00:30:23,950 --> 00:30:20,900

governmental body yeah well that's a

692

00:30:26,050 --> 00:30:23,960

good segue into talking about to the

693

00:30:29,350 --> 00:30:26,060

stars Academy with where did that name

694

00:30:31,270 --> 00:30:29,360

come from is it is is he like taking

695

00:30:33,820 --> 00:30:31,280

tuition from people who disturb

696

00:30:36,520 --> 00:30:33,830

Milwaukee Academy part really mystifies

697

00:30:39,760 --> 00:30:36,530

me at this point man but when it comes

698

00:30:41,890 --> 00:30:39,770

to to the stars this was a a media

699

00:30:45,460 --> 00:30:41,900

company created by Tom DeLonge the

700

00:30:48,130 --> 00:30:45,470

former frontman of liquid 82 mm-hmm and

701
00:30:50,050 --> 00:30:48,140
he had to the stars going on for a while

702
00:30:53,290 --> 00:30:50,060
you know they covered tech they covered

703
00:30:55,210 --> 00:30:53,300
aliens they covered cryptids it is a

704
00:30:57,580 --> 00:30:55,220
really cool project you know he'd always

705
00:30:59,650 --> 00:30:57,590
been really interested in in UFOs

706
00:31:02,380 --> 00:30:59,660
particularly but just the strange world

707
00:31:06,790 --> 00:31:02,390
we live in and he started this to the

708
00:31:09,280 --> 00:31:06,800
stars company when it came time to to

709
00:31:12,160 --> 00:31:09,290
get involved with this new thing this

710
00:31:15,790 --> 00:31:12,170
new venture to the stars Academy DeLonge

711
00:31:18,520 --> 00:31:15,800
head somehow and we're still learning

712
00:31:21,120 --> 00:31:18,530
about how all this happened he somehow

713
00:31:25,270 --> 00:31:21,130

got his way into all these different

714

00:31:27,520 --> 00:31:25,280

intelligence agencies and former workers

715

00:31:28,820 --> 00:31:27,530

of stunk works the people who worked at

716

00:31:33,120 --> 00:31:28,830

area 51

717

00:31:36,180 --> 00:31:33,130

Lockheed Martin and he was able to get

718

00:31:39,330 --> 00:31:36,190

information on what they knew about UFOs

719

00:31:41,850 --> 00:31:39,340

or what they proposed to know about what

720

00:31:43,530 --> 00:31:41,860

was going on and it blew his mind and

721

00:31:46,350 --> 00:31:43,540

that's when he started to the stars

722

00:31:49,200 --> 00:31:46,360

Academy and got all these former and

723

00:31:52,380 --> 00:31:49,210

some still working for intelligence

724

00:31:56,460 --> 00:31:52,390

agency officers to join him so it's a

725

00:31:58,710 --> 00:31:56,470

huge murky weird thing going on I'm not

726

00:32:02,100 --> 00:31:58,720

gonna lie to the stars Academy a lot of

727

00:32:04,500 --> 00:32:02,110

people are very hesitant to follow their

728

00:32:07,710 --> 00:32:04,510

work because of all these former CIA

729

00:32:09,540 --> 00:32:07,720

people or you know secret projects

730

00:32:12,030 --> 00:32:09,550

people that are working with Tom DeLonge

731

00:32:14,430 --> 00:32:12,040

I'm trying to find answers to the UFO

732

00:32:16,850 --> 00:32:14,440

phenomenon we've been burned in the past

733

00:32:19,940 --> 00:32:16,860

when it came to similar things where

734

00:32:23,270 --> 00:32:19,950

disinformation agent says they were were

735

00:32:26,970 --> 00:32:23,280

pumping the UFO community and Beyond

736

00:32:30,120 --> 00:32:26,980

false information about UFOs just a

737

00:32:31,830 --> 00:32:30,130

muddy the waters even more so in and

738

00:32:33,900 --> 00:32:31,840

that's proven that's documented this

739

00:32:37,050 --> 00:32:33,910

isn't some conspiracy theory I'm making

740

00:32:39,120 --> 00:32:37,060

up here right so it's a very

741

00:32:41,070 --> 00:32:39,130

controversial thing to the Stars Academy

742

00:32:42,690 --> 00:32:41,080

but at the end of the day they're

743

00:32:46,380 --> 00:32:42,700

getting the UFO topic out to the

744

00:32:48,300 --> 00:32:46,390

mainstream and until they burn us all I

745

00:32:51,860 --> 00:32:48,310

hope that doesn't happen I'm gonna keep

746

00:32:55,290 --> 00:32:51,870

following them yeah so it seems to me

747

00:32:57,270 --> 00:32:55,300

maybe I'm conflating a couple of things

748

00:33:01,260 --> 00:32:57,280

it seems to me like a lot of people are

749

00:33:02,760 --> 00:33:01,270

getting very worked up or angry or like

750

00:33:06,030 --> 00:33:02,770

there's a lot of fighting that has

751
00:33:09,150 --> 00:33:06,040
started happening and to the Stars is

752
00:33:10,950 --> 00:33:09,160
from what I see from the way way outside

753
00:33:14,130 --> 00:33:10,960
it just seems like that's at the center

754
00:33:16,350 --> 00:33:14,140
of things and maybe like I said it's

755
00:33:18,000 --> 00:33:16,360
it's something else that's going on in

756
00:33:20,430 --> 00:33:18,010
the in the news these days that I'm

757
00:33:23,580 --> 00:33:20,440
thinking of but what is the infighting

758
00:33:25,800 --> 00:33:23,590
about is it just people that are worried

759
00:33:27,150 --> 00:33:25,810
about the misinformation that it's

760
00:33:32,580 --> 00:33:27,160
coming out of this or do they think that

761
00:33:35,370 --> 00:33:32,590
yeah Elizondo or DeLonge are just cuckoo

762
00:33:37,740 --> 00:33:35,380
or like not doing a good job like what

763
00:33:40,350 --> 00:33:37,750

is this fighting yeah going on well I

764

00:33:43,620 --> 00:33:40,360

mean with any sort of I guess

765

00:33:46,320 --> 00:33:43,630

you know subculture or community beyond

766

00:33:48,240 --> 00:33:46,330

UFO community there's always in funny

767

00:33:50,789 --> 00:33:48,250

there always will be I mean no matter

768

00:33:52,519 --> 00:33:50,799

what you belong to clubs whatever

769

00:33:55,680 --> 00:33:52,529

there's infighting and it's always

770

00:33:58,289 --> 00:33:55,690

happened with the UFO community and that

771

00:34:00,539 --> 00:33:58,299

is for one simple reason none of us know

772

00:34:02,639 --> 00:34:00,549

what the hell is going on yeah so people

773

00:34:04,590 --> 00:34:02,649

are gonna be very passionate about their

774

00:34:07,380 --> 00:34:04,600

theory is their thoughts their opinions

775

00:34:09,960 --> 00:34:07,390

and when it comes to this whole thing to

776

00:34:14,369 --> 00:34:09,970

the Stars Academy here's where I see the

777

00:34:17,940 --> 00:34:14,379

problem we have a sort of poster child

778

00:34:20,970 --> 00:34:17,950

now for ufology in Tom DeLonge he is the

779

00:34:22,970 --> 00:34:20,980

face of ufology this self-proclaimed

780

00:34:26,010 --> 00:34:22,980

field that we've created on studying

781

00:34:27,810 --> 00:34:26,020

UFOs and that is a problem for a lot of

782

00:34:29,730 --> 00:34:27,820

people who have dedicated decades and

783

00:34:31,980 --> 00:34:29,740

decades of their lives of researching

784

00:34:34,440 --> 00:34:31,990

this just to have some rock star come

785

00:34:36,690 --> 00:34:34,450

along and say I'm now the voice for the

786

00:34:39,990 --> 00:34:36,700

UFO community I know the voice of what

787

00:34:43,440 --> 00:34:40,000

UFOs are and aren't and follow me on

788

00:34:46,260 --> 00:34:43,450

that journey now that is a problem

789

00:34:49,349 --> 00:34:46,270

I get it so a lot of these older guard

790

00:34:50,700 --> 00:34:49,359

of ufology who have seen this sort of

791

00:34:52,770 --> 00:34:50,710

thing happened before where someone

792

00:34:55,290 --> 00:34:52,780

comes horde and says I'm gonna find the

793

00:34:55,829 --> 00:34:55,300

answers to this and everyone should join

794

00:34:59,460 --> 00:34:55,839

me

795

00:35:01,650 --> 00:34:59,470

I see the hesitancy to see this sort of

796

00:35:03,720 --> 00:35:01,660

repeating itself with Tom DeLonge and

797

00:35:04,349 --> 00:35:03,730

these people that were connected to

798

00:35:06,810 --> 00:35:04,359

government

799

00:35:09,329 --> 00:35:06,820

nicely on the flip side of it you have a

800

00:35:13,410 --> 00:35:09,339

lot of younger people who Tom DeLonge

801
00:35:15,990 --> 00:35:13,420
appeals to and who is energetic is cool

802
00:35:19,710 --> 00:35:16,000
is like you know stylish when it comes

803
00:35:21,960 --> 00:35:19,720
to all this stuff he attracts those kind

804
00:35:24,420 --> 00:35:21,970
of people so you have that other side of

805
00:35:26,400 --> 00:35:24,430
the UFO community the younger people who

806
00:35:28,020 --> 00:35:26,410
are like gonna follow him to the ends of

807
00:35:31,200 --> 00:35:28,030
the earth and be like I believe whatever

808
00:35:33,900 --> 00:35:31,210
you say so it's hard man what I'm seeing

809
00:35:34,710 --> 00:35:33,910
is an age gap that's the big divisive

810
00:35:36,870 --> 00:35:34,720
nasaw

811
00:35:39,420 --> 00:35:36,880
the the older people have seen this

812
00:35:41,400 --> 00:35:39,430
happen before and they're they're trying

813
00:35:43,829 --> 00:35:41,410

to warn us of where it's headed the

814

00:35:46,109 --> 00:35:43,839

younger people are saying this is our

815

00:35:47,849 --> 00:35:46,119

first time ever having this topic taken

816

00:35:49,530 --> 00:35:47,859

seriously in the mainstream so we're

817

00:35:51,900 --> 00:35:49,540

gonna see where it goes and I'm

818

00:35:52,790 --> 00:35:51,910

somewhere in the middle I I'm hesitant

819

00:35:56,480 --> 00:35:52,800

but I'm

820

00:35:58,670 --> 00:35:56,490

so very excited to see where it's where

821

00:36:01,490 --> 00:35:58,680

it's all heading because I'll be honest

822

00:36:03,500 --> 00:36:01,500

to the stars Academy has got this topic

823

00:36:06,440 --> 00:36:03,510

more coverage than I've ever seen before

824

00:36:08,900 --> 00:36:06,450

when you have articles coming out on a

825

00:36:11,810 --> 00:36:08,910

monthly basis now from the New York

826

00:36:13,910 --> 00:36:11,820

Times or The Washington Post about UFOs

827

00:36:16,850 --> 00:36:13,920

and it's serious there's no more

828

00:36:18,680 --> 00:36:16,860

ridicule in these articles that's very

829

00:36:21,860 --> 00:36:18,690

important especially for someone like me

830

00:36:23,930 --> 00:36:21,870

who writes about UFOs you know now my

831

00:36:26,690 --> 00:36:23,940

articles are being taken seriously

832

00:36:30,860 --> 00:36:26,700

they're not being shared for laughs so

833

00:36:33,230 --> 00:36:30,870

it's divisive it's it's interesting it's

834

00:36:34,940 --> 00:36:33,240

controversial but it's it's making us

835

00:36:36,860 --> 00:36:34,950

all passionate and we haven't had that

836

00:36:40,790 --> 00:36:36,870

in the UFO field for a really long time

837

00:36:42,530 --> 00:36:40,800

everyone was just so down and down in

838

00:36:44,810 --> 00:36:42,540

the dirt because nothing was happening

839

00:36:47,210 --> 00:36:44,820

so god forbid some would come along and

840

00:36:49,520 --> 00:36:47,220

inject new blood and that kind Tom

841

00:36:51,830 --> 00:36:49,530

DeLonge has done that and yeah whether

842

00:36:53,630 --> 00:36:51,840

you like him or not he's he's making a

843

00:36:55,940 --> 00:36:53,640

lot of headway he's moving that needle

844

00:36:59,180 --> 00:36:55,950

and I'm just excited to see where that

845

00:37:01,780 --> 00:36:59,190

goes so let's save in all this stuff

846

00:37:05,600 --> 00:37:01,790

that's coming out it's true there are

847

00:37:08,090 --> 00:37:05,610

things that are the government has no

848

00:37:10,790 --> 00:37:08,100

idea how they got here what they are

849

00:37:13,130 --> 00:37:10,800

what's going on they're pretty sure it's

850

00:37:15,620 --> 00:37:13,140

not like Russian tech you know or

851

00:37:19,070 --> 00:37:15,630

Chinese drones or you know other

852

00:37:21,560 --> 00:37:19,080

military tech which I wouldn't put it

853

00:37:23,270 --> 00:37:21,570

very far past that but let's say it is

854

00:37:25,580 --> 00:37:23,280

it is something that the government's

855

00:37:28,940 --> 00:37:25,590

just like this is happening what's the

856

00:37:32,060 --> 00:37:28,950

next step do you think for both the

857

00:37:35,090 --> 00:37:32,070

government and us lay people who are

858

00:37:36,530 --> 00:37:35,100

just kind of waiting to see what happens

859

00:37:38,690 --> 00:37:36,540

with this what do you think what do you

860

00:37:40,760 --> 00:37:38,700

think the next step is that is a really

861

00:37:43,880 --> 00:37:40,770

good question I the next step for me I

862

00:37:46,270 --> 00:37:43,890

think is is confirmation we have a

863

00:37:48,860 --> 00:37:46,280

knowledge meant by our government

864

00:37:52,550 --> 00:37:48,870

officially that UFOs exists that that's

865

00:37:55,310 --> 00:37:52,560

no longer questioned UFOs are real now

866

00:37:57,680 --> 00:37:55,320

it's a question of what they are who's

867

00:37:58,910 --> 00:37:57,690

in control of them and why they're here

868

00:38:01,610 --> 00:37:58,920

or why they're doing what they're doing

869

00:38:03,770 --> 00:38:01,620

and I think that's a lot of what to the

870

00:38:05,520 --> 00:38:03,780

Stars Academy is doing and I think

871

00:38:07,170 --> 00:38:05,530

that's a lot of what the U

872

00:38:10,380 --> 00:38:07,180

community is trying to figure out as

873

00:38:12,780 --> 00:38:10,390

well as who is in control of these UFOs

874

00:38:16,230 --> 00:38:12,790

why are they doing these things if we

875

00:38:19,350 --> 00:38:16,240

can take any close encounters or let's

876

00:38:23,100 --> 00:38:19,360

even say alien abduction cases if we can

877

00:38:26,220 --> 00:38:23,110

take those seriously why are they doing

878

00:38:28,500 --> 00:38:26,230

that and that's a big if a big big if

879

00:38:30,000 --> 00:38:28,510

when it comes to all that stuff when it

880

00:38:32,610 --> 00:38:30,010

comes to this what we're dealing with

881

00:38:35,190 --> 00:38:32,620

right now in the UFO discourse is not

882

00:38:37,680 --> 00:38:35,200

connecting it directly to aliens that's

883

00:38:40,230 --> 00:38:37,690

the biggest problem in herda we have is

884

00:38:43,440 --> 00:38:40,240

the extra-terrestrial hypothesis that

885

00:38:45,600 --> 00:38:43,450

UFOs are extraterrestrial we do not know

886

00:38:47,700 --> 00:38:45,610

that we don't know that and I don't

887

00:38:49,590 --> 00:38:47,710

think the government does either we give

888

00:38:51,210 --> 00:38:49,600

them way too much credit man I'm gonna

889

00:38:53,850 --> 00:38:51,220

be honest we give them way too much

890

00:38:55,290 --> 00:38:53,860

credit of what UFOs are I don't think

891

00:38:57,960 --> 00:38:55,300

they have any idea what they're dealing

892

00:38:59,790 --> 00:38:57,970

with yeah so for me I think that next

893

00:39:02,280 --> 00:38:59,800

step comes with they've acknowledged

894

00:39:06,060 --> 00:39:02,290

UFOs are real and our pilots and

895

00:39:08,250 --> 00:39:06,070

military are seeing them and interacting

896

00:39:10,260 --> 00:39:08,260

with them in some ways so let's get

897

00:39:12,690 --> 00:39:10,270

congressional hearings about what's that

898

00:39:15,840 --> 00:39:12,700

next step and that's kind of what we're

899

00:39:18,270 --> 00:39:15,850

seeing we're seeing these pilots talking

900

00:39:20,700 --> 00:39:18,280

to senators going to Congress and saying

901
00:39:23,820 --> 00:39:20,710
this is what happened to me I felt

902
00:39:26,250 --> 00:39:23,830
threatened I don't think it was us or a

903
00:39:29,010 --> 00:39:26,260
rival country I don't know what it is

904
00:39:31,080 --> 00:39:29,020
but we have to look at it and they're

905
00:39:34,440 --> 00:39:31,090
moving that needle the Navy now has a

906
00:39:37,470 --> 00:39:34,450
new UFO protocol reporting thing yes

907
00:39:39,540 --> 00:39:37,480
like if they see stuff it's now taken

908
00:39:43,890 --> 00:39:39,550
seriously and there's a point-by-point

909
00:39:45,630 --> 00:39:43,900
way to report it so it's really really

910
00:39:47,790 --> 00:39:45,640
fascinating to see where this is all

911
00:39:50,370 --> 00:39:47,800
heading in terms of our government

912
00:39:52,020 --> 00:39:50,380
acknowledging it and what is that next

913
00:39:54,090 --> 00:39:52,030

step I don't think they know I don't

914

00:39:56,430 --> 00:39:54,100

think we know but let's work on that

915

00:39:58,680 --> 00:39:56,440

together the government works for the

916

00:40:00,990 --> 00:39:58,690

people so let us be involved with that

917

00:40:04,890 --> 00:40:01,000

interesting do you think there's any

918

00:40:08,190 --> 00:40:04,900

possibility that stuff like this could

919

00:40:11,610 --> 00:40:08,200

be things that the u.s. is working on

920

00:40:14,940 --> 00:40:11,620

that is so compartmentalized that the

921

00:40:17,550 --> 00:40:14,950

rest of the government military doesn't

922

00:40:19,170 --> 00:40:17,560

even know and so they could be seeing

923

00:40:21,900 --> 00:40:19,180

something that is

924

00:40:23,700 --> 00:40:21,910

something friendly that's out testing or

925

00:40:26,940 --> 00:40:23,710

something they just don't even know

926
00:40:29,040 --> 00:40:26,950
because it's so secretive and black you

927
00:40:30,570 --> 00:40:29,050
know in the black book kind of thing

928
00:40:34,050 --> 00:40:30,580
that they're working on yeah there any

929
00:40:37,290 --> 00:40:34,060
possibility of that absolutely i i 100%

930
00:40:40,230 --> 00:40:37,300
think that could be very possible it is

931
00:40:42,690 --> 00:40:40,240
a case-to-case basis i i asked the

932
00:40:45,030 --> 00:40:42,700
senior radar operator of that tick-tock

933
00:40:47,100 --> 00:40:45,040
UFO event the same question like could

934
00:40:50,030 --> 00:40:47,110
this here's the interesting thing after

935
00:40:52,650 --> 00:40:50,040
that event happened this was a navy

936
00:40:55,920 --> 00:40:52,660
training exercise that was going on when

937
00:40:57,780 --> 00:40:55,930
this UFO appeared and after it happened

938
00:41:00,380 --> 00:40:57,790

and after these videos were taken and

939

00:41:03,450 --> 00:41:00,390

the logs of the radar were recorded

940

00:41:05,340 --> 00:41:03,460

members of the US Air Force showed up

941

00:41:09,900 --> 00:41:05,350

and took the logs from the radar

942

00:41:13,380 --> 00:41:09,910

operators so why in the hell was the Air

943

00:41:15,990 --> 00:41:13,390

Force now in control of what was being

944

00:41:19,050 --> 00:41:16,000

done by the Navy I can't pretend to have

945

00:41:21,630 --> 00:41:19,060

an answer for that but I asked the guys

946

00:41:23,610 --> 00:41:21,640

point-blank do you think this could have

947

00:41:25,920 --> 00:41:23,620

been some sort of black budget secret

948

00:41:27,900 --> 00:41:25,930

experiment by the Air Force in the

949

00:41:30,090 --> 00:41:27,910

training space of the Navy and the Navy

950

00:41:32,400 --> 00:41:30,100

just wasn't privy to what it was and he

951
00:41:33,930 --> 00:41:32,410
told me no there's absolutely no way

952
00:41:36,390 --> 00:41:33,940
another branch of the military would

953
00:41:39,090 --> 00:41:36,400
take that risk of putting something in

954
00:41:39,840 --> 00:41:39,100
our area so pilots could have been

955
00:41:42,420 --> 00:41:39,850
killed

956
00:41:44,760 --> 00:41:42,430
weapons could have been you know

957
00:41:48,570 --> 00:41:44,770
implemented we could have caused like a

958
00:41:50,790 --> 00:41:48,580
massive destruction or anything we could

959
00:41:52,170 --> 00:41:50,800
have started a war if as it were even if

960
00:41:54,260 --> 00:41:52,180
it was a rival country that had

961
00:41:57,000 --> 00:41:54,270
top-secret experiments in our airspace

962
00:41:59,820 --> 00:41:57,010
so you do have to wonder when even the

963
00:42:02,400 --> 00:41:59,830

Navy pilots involved say no no this

964

00:42:05,790 --> 00:42:02,410

wasn't a top-secret project it was

965

00:42:08,040 --> 00:42:05,800

something that is completely defies

966

00:42:10,650 --> 00:42:08,050

every conventional way an aircraft can

967

00:42:12,690 --> 00:42:10,660

maneuver I don't know yeah so do I think

968

00:42:15,270 --> 00:42:12,700

it could be a black budget project maybe

969

00:42:17,880 --> 00:42:15,280

some of them but definitely not all of

970

00:42:19,860 --> 00:42:17,890

them yeah yeah I that's that's kind of

971

00:42:22,710 --> 00:42:19,870

the mantra for all of these sightings I

972

00:42:27,540 --> 00:42:22,720

guess yes could be this might might be

973

00:42:31,890 --> 00:42:27,550

that I wonder too how much I know that

974

00:42:32,730 --> 00:42:31,900

there's big money in contracts too you

975

00:42:35,760 --> 00:42:32,740

know

976
00:42:39,000 --> 00:42:35,770
to test military stuff to get new

977
00:42:41,070 --> 00:42:39,010
equipment new weapons all all that stuff

978
00:42:44,540 --> 00:42:41,080
I know there's all kinds of that going

979
00:42:48,210 --> 00:42:44,550
on I just wonder like to that end if

980
00:42:50,430 --> 00:42:48,220
someone maybe is testing something new

981
00:42:53,609 --> 00:42:50,440
developing something maybe they're not

982
00:42:56,220 --> 00:42:53,619
affiliated with the military at that

983
00:42:59,280 --> 00:42:56,230
point you know maybe it's a private firm

984
00:43:02,760 --> 00:42:59,290
doing it and and then they don't care if

985
00:43:05,910 --> 00:43:02,770
you know they put lives in danger or if

986
00:43:08,160 --> 00:43:05,920
they cross into some kind of territory

987
00:43:10,650 --> 00:43:08,170
that they you know maybe they even look

988
00:43:13,050 --> 00:43:10,660

for that to test to see how well their

989

00:43:15,750 --> 00:43:13,060

stuff is but then again this is all

990

00:43:18,480 --> 00:43:15,760

getting way in the deep end of

991

00:43:21,510 --> 00:43:18,490

speculation for this kind of stuff so we

992

00:43:23,370 --> 00:43:21,520

could you know spend 10 hours doing this

993

00:43:28,349 --> 00:43:23,380

right now which I know you don't have

994

00:43:30,060 --> 00:43:28,359

the time for so I don't think it's as

995

00:43:32,430 --> 00:43:30,070

silly as you make it out to be man I

996

00:43:34,650 --> 00:43:32,440

mean we have we have these theories on

997

00:43:37,339 --> 00:43:34,660

these breakaway civilizations you know

998

00:43:40,950 --> 00:43:37,349

this sort of secret group with access to

999

00:43:43,349 --> 00:43:40,960

radically advanced technology science

1000

00:43:45,540 --> 00:43:43,359

even radically advanced science that no

1001
00:43:47,070 --> 00:43:45,550
one else knows about that they're not

1002
00:43:49,470 --> 00:43:47,080
sharing with the rest of the world even

1003
00:43:51,420 --> 00:43:49,480
like you said the military and you know

1004
00:43:53,070 --> 00:43:51,430
one breakthrough leads to another it

1005
00:43:54,540 --> 00:43:53,080
leads to another and the next thing you

1006
00:43:57,150 --> 00:43:54,550
know you've got a separate group of

1007
00:43:59,400 --> 00:43:57,160
humanity that is like beyond the rest of

1008
00:44:02,310 --> 00:43:59,410
the world yeah and that does sound

1009
00:44:04,470 --> 00:44:02,320
really out there and speculative but we

1010
00:44:06,930 --> 00:44:04,480
can't discount that either when I if

1011
00:44:10,500 --> 00:44:06,940
there's anything I've learned it's a

1012
00:44:13,079 --> 00:44:10,510
conspiracy until it comes true that's

1013
00:44:17,490 --> 00:44:13,089

true yeah yeah so tell me a little bit

1014

00:44:20,609 --> 00:44:17,500

about old Bob Lazar his name has been in

1015

00:44:22,770 --> 00:44:20,619

the news just as much as this other

1016

00:44:26,250 --> 00:44:22,780

stuff if not more lately what is going

1017

00:44:29,550 --> 00:44:26,260

on with Bob Lazar that everybody's got

1018

00:44:32,490 --> 00:44:29,560

such a kerfuffle about yeah so the 80s

1019

00:44:36,450 --> 00:44:32,500

are making a comeback man for sure I

1020

00:44:38,520 --> 00:44:36,460

mean I've been waiting so long I've you

1021

00:44:42,660 --> 00:44:38,530

look at all this vaporwave stuff

1022

00:44:43,920 --> 00:44:42,670

everywhere and stranger things just like

1023

00:44:47,549 --> 00:44:43,930

I

1024

00:44:49,890 --> 00:44:47,559

lots of pink what Cindy on P yeah last

1025

00:44:51,750 --> 00:44:49,900

year I saw Rick Ashley in concert and

1026

00:44:55,109 --> 00:44:51,760

that thing was sold out two nights in a

1027

00:44:57,630 --> 00:44:55,119

row I don't know I don't know my gosh

1028

00:45:00,000 --> 00:44:57,640

everything comes back and when it comes

1029

00:45:03,450 --> 00:45:00,010

to Bob Lazar it's it's a fascinating

1030

00:45:05,730 --> 00:45:03,460

part of pop culture I mean back in the

1031

00:45:07,730 --> 00:45:05,740

80s this guy said he worked at area 51

1032

00:45:12,599 --> 00:45:07,740

and he reverse engineered alien

1033

00:45:15,000 --> 00:45:12,609

technology to propel flying saucers he

1034

00:45:18,000 --> 00:45:15,010

is the reason whether people believe him

1035

00:45:19,980 --> 00:45:18,010

or not that we know about area 51 he was

1036

00:45:22,349 --> 00:45:19,990

interviewed by George Knapp the

1037

00:45:25,769 --> 00:45:22,359

investigative journalist they broke this

1038

00:45:29,269 --> 00:45:25,779

story back in the 80s and that's why we

1039

00:45:33,359 --> 00:45:29,279

know about area 51 and we know about

1040

00:45:35,880 --> 00:45:33,369

possible government work on UFOs so it's

1041

00:45:38,730 --> 00:45:35,890

really fascinating the reason I think

1042

00:45:41,069 --> 00:45:38,740

it's making a comeback now is because of

1043

00:45:43,200 --> 00:45:41,079

a documentary that came out by a

1044

00:45:46,620 --> 00:45:43,210

filmmaker by the name of Jeremy Korbel

1045

00:45:50,670 --> 00:45:46,630

who caught up with Bob some 30 years

1046

00:45:52,349 --> 00:45:50,680

later to see where he stands now on all

1047

00:45:54,900 --> 00:45:52,359

the claims that he made back then and

1048

00:45:57,029 --> 00:45:54,910

where he stands now on this and a lot of

1049

00:45:59,250 --> 00:45:57,039

people they completely discount bob

1050

00:46:01,789 --> 00:45:59,260

lazar story they don't think he ever

1051
00:46:05,579 --> 00:46:01,799
worked there they think it's all a big

1052
00:46:07,559 --> 00:46:05,589
fabrication or disinformation and I will

1053
00:46:10,769 --> 00:46:07,569
be honest for the longest time I thought

1054
00:46:12,599 --> 00:46:10,779
that - I was like it's a cool story but

1055
00:46:17,250 --> 00:46:12,609
I don't I don't really know what to make

1056
00:46:19,500 --> 00:46:17,260
of it this film I can't say that it

1057
00:46:22,519 --> 00:46:19,510
convinced me that everything Bob Lazar

1058
00:46:27,599 --> 00:46:22,529
says is true but it convinced me that he

1059
00:46:29,010 --> 00:46:27,609
says how can I put this he believes

1060
00:46:32,039 --> 00:46:29,020
himself there we go

1061
00:46:34,740 --> 00:46:32,049
yesthank he believes himself and I do

1062
00:46:36,900 --> 00:46:34,750
believe that he says he worked on what

1063
00:46:40,440 --> 00:46:36,910

he says he worked on whether or not that

1064

00:46:42,779 --> 00:46:40,450

was actual alien technology is not to

1065

00:46:45,599 --> 00:46:42,789

say but I came away from that

1066

00:46:47,819 --> 00:46:45,609

documentary being like huh I actually

1067

00:46:51,210 --> 00:46:47,829

think this dude worked at some weird

1068

00:46:54,930 --> 00:46:51,220

place in Nevada as far as he calls it

1069

00:46:57,580 --> 00:46:54,940

right outside of area 51 on very exotic

1070

00:46:59,560 --> 00:46:57,590

technology I do believe that

1071

00:47:03,160 --> 00:46:59,570

um a lot of people discount him because

1072

00:47:05,080 --> 00:47:03,170

of his lying about his education or not

1073

00:47:07,680 --> 00:47:05,090

knowing the physics behind what he

1074

00:47:11,650 --> 00:47:07,690

actually was working on as well as many

1075

00:47:14,380 --> 00:47:11,660

physicists do but I can't argue that I

1076

00:47:17,500 --> 00:47:14,390

think those are very very valid points

1077

00:47:20,710 --> 00:47:17,510

on why Bob Lazar may not be who he says

1078

00:47:24,010 --> 00:47:20,720

he is on the flip side though I do see a

1079

00:47:26,350 --> 00:47:24,020

lot of what he is saying coming true and

1080

00:47:29,020 --> 00:47:26,360

the way he says that these craft

1081

00:47:32,500 --> 00:47:29,030

maneuvered and how they worked back in

1082

00:47:35,200 --> 00:47:32,510

the 80s we are seeing that mirrored in

1083

00:47:38,620 --> 00:47:35,210

these videos that came out from a tip

1084

00:47:40,630 --> 00:47:38,630

and from these Navy pilots exactly how

1085

00:47:44,230 --> 00:47:40,640

they were maneuvering so I don't know

1086

00:47:46,030 --> 00:47:44,240

man it's blowing my mind and area 51 is

1087

00:47:48,700 --> 00:47:46,040

all over the place now which I'm sure

1088

00:47:52,590 --> 00:47:48,710

we'll get to but when it comes to Bob

1089

00:47:57,190 --> 00:47:52,600

Lazar I am he's an enigma he really is I

1090

00:48:00,460 --> 00:47:57,200

believe him when he says he did these

1091

00:48:02,770 --> 00:48:00,470

things but I am NOT ready to say that he

1092

00:48:05,440 --> 00:48:02,780

worked on reverse engineered alien

1093

00:48:07,780 --> 00:48:05,450

technology I just can't that's gonna

1094

00:48:10,420 --> 00:48:07,790

where I stand on the whole thing um you

1095

00:48:13,840 --> 00:48:10,430

know he he brought forth this element

1096

00:48:16,360 --> 00:48:13,850

115 which we now know exists it's not a

1097

00:48:19,150 --> 00:48:16,370

stable element we can't test it but it

1098

00:48:21,280 --> 00:48:19,160

now exists in our periodic table and he

1099

00:48:24,160 --> 00:48:21,290

was saying this back in the eighties he

1100

00:48:27,010 --> 00:48:24,170

says that when he was going through

1101
00:48:30,160 --> 00:48:27,020
security at area 51 that there were

1102
00:48:31,360 --> 00:48:30,170
these really intricate hand scanners

1103
00:48:34,870 --> 00:48:31,370
that you had to put your hand through

1104
00:48:38,260 --> 00:48:34,880
and then measure every bit of you know

1105
00:48:40,930 --> 00:48:38,270
your fingerprint to get in it seemed

1106
00:48:42,760 --> 00:48:40,940
like crazy sci-fi at the time but we now

1107
00:48:44,650 --> 00:48:42,770
know that those things existed and

1108
00:48:47,980 --> 00:48:44,660
they're being used at a lot of the

1109
00:48:50,980 --> 00:48:47,990
top-secret military bases right now so I

1110
00:48:53,260 --> 00:48:50,990
know again it's just there's certain

1111
00:48:54,310 --> 00:48:53,270
things he says that I'm like whoa you

1112
00:48:57,280 --> 00:48:54,320
were right and then there's certain

1113
00:49:00,250 --> 00:48:57,290

things where I'm like but you lied about

1114

00:49:03,100 --> 00:49:00,260

where you went to school or this or that

1115

00:49:06,610 --> 00:49:03,110

or yeah you were working that up brothel

1116

00:49:09,940 --> 00:49:06,620

at one point in Las Vegas so it's crazy

1117

00:49:11,950 --> 00:49:09,950

like his entire story is just it's

1118

00:49:14,650 --> 00:49:11,960

ripe with controversy and it would make

1119

00:49:19,270 --> 00:49:14,660

such a good movie so you know Aaron

1120

00:49:20,940 --> 00:49:19,280

Sorkin get on that so this is all

1121

00:49:24,310 --> 00:49:20,950

kicking off because of corbels

1122

00:49:26,770 --> 00:49:24,320

documentary then like a resurging I

1123

00:49:30,730 --> 00:49:26,780

guess I should say when did he when did

1124

00:49:32,950 --> 00:49:30,740

Lazar first come out with the stuff you

1125

00:49:35,260 --> 00:49:32,960

said it was the 80s right yeah yeah I'm

1126

00:49:38,950 --> 00:49:35,270

thinking early 80s I I don't have an

1127

00:49:42,760 --> 00:49:38,960

exact date it's it's not like one of the

1128

00:49:44,650 --> 00:49:42,770

things I know a turn about but yeah

1129

00:49:47,200 --> 00:49:44,660

we're talking like early eighties I

1130

00:49:49,770 --> 00:49:47,210

believe and was this did he come out

1131

00:49:52,450 --> 00:49:49,780

with a book at the time was he on some

1132

00:49:54,640 --> 00:49:52,460

shows that that he was saying this how

1133

00:49:56,319 --> 00:49:54,650

did he break this to the world do you

1134

00:49:59,500 --> 00:49:56,329

remember yeah this is broken to the

1135

00:50:03,220 --> 00:49:59,510

world through an interview through I

1136

00:50:05,200 --> 00:50:03,230

believe it was klas the new station in

1137

00:50:07,410 --> 00:50:05,210

Nevada that George Knapp the

1138

00:50:11,500 --> 00:50:07,420

investigative journalist was working for

1139

00:50:14,020 --> 00:50:11,510

somehow he got connected to Lazar at the

1140

00:50:16,240 --> 00:50:14,030

time and Lazar told him what he was

1141

00:50:19,300 --> 00:50:16,250

doing where he had worked and that he

1142

00:50:22,870 --> 00:50:19,310

was no longer employed there he was

1143

00:50:26,980 --> 00:50:22,880

fired he was let go for various reasons

1144

00:50:30,819 --> 00:50:26,990

but this was all broken through a simple

1145

00:50:33,220 --> 00:50:30,829

new segment and it went viral after that

1146

00:50:35,980 --> 00:50:33,230

I mean across the world people started

1147

00:50:39,250 --> 00:50:35,990

looking into this and everyone wanted to

1148

00:50:41,079 --> 00:50:39,260

interview Lazar and this did not help

1149

00:50:44,200 --> 00:50:41,089

Bob Lazar I can put it that way

1150

00:50:45,790 --> 00:50:44,210

he made no money after coming forward

1151

00:50:48,390 --> 00:50:45,800

with us so there's another thing right

1152

00:50:51,069 --> 00:50:48,400

here like this wasn't about you know

1153

00:50:54,970 --> 00:50:51,079

concocting some cockamamie story to

1154

00:50:58,780 --> 00:50:54,980

become rich he lost his job he lost his

1155

00:51:01,450 --> 00:50:58,790

wife he you lost his credibility and a

1156

00:51:03,370 --> 00:51:01,460

lot of people think that they meant to

1157

00:51:06,069 --> 00:51:03,380

do that that the government was trying

1158

00:51:09,730 --> 00:51:06,079

to discredit him and all these claims

1159

00:51:12,550 --> 00:51:09,740

that he was making so god it's so messy

1160

00:51:15,040 --> 00:51:12,560

I don't we'll never clean it up well

1161

00:51:16,780 --> 00:51:15,050

never clear yeah I mean I mean unless he

1162

00:51:18,730 --> 00:51:16,790

were to come forward and say you know

1163

00:51:20,470 --> 00:51:18,740

what I made it all up and right then

1164

00:51:22,599 --> 00:51:20,480

then nobody be talking about him anymore

1165

00:51:23,359 --> 00:51:22,609

right 30 years later he's telling the

1166

00:51:26,239 --> 00:51:23,369

same damn

1167

00:51:28,700 --> 00:51:26,249

dori man so for me I'm like okay either

1168

00:51:32,029 --> 00:51:28,710

this is him trying to you know just

1169

00:51:33,650 --> 00:51:32,039

become important or relevant again or he

1170

00:51:36,170 --> 00:51:33,660

just wants to put it on the record once

1171

00:51:38,329 --> 00:51:36,180

and for all this is what I did this is

1172

00:51:41,120 --> 00:51:38,339

what I saw I don't care what you think

1173

00:51:42,799 --> 00:51:41,130

take it for what it is I don't know I I

1174

00:51:45,380 --> 00:51:42,809

can't pretend to know the motives behind

1175

00:51:48,200 --> 00:51:45,390

Bob Lazar and I don't think we ever will

1176

00:51:51,440 --> 00:51:48,210

interesting Korbelt a lot of people are

1177

00:51:54,380 --> 00:51:51,450

it's just so much fighting man like I

1178

00:51:56,420 --> 00:51:54,390

don't know why people gets I mean I

1179

00:51:58,400 --> 00:51:56,430

guess I know like like we said a lot of

1180

00:52:00,680 --> 00:51:58,410

people have opinions and are very

1181

00:52:03,349 --> 00:52:00,690

passionate about this stuff so it

1182

00:52:05,839 --> 00:52:03,359

affects them more than just listening to

1183

00:52:09,230 --> 00:52:05,849

the stories and kind of ho-hum and about

1184

00:52:11,390 --> 00:52:09,240

it but so Korbelt is he friends with

1185

00:52:13,609 --> 00:52:11,400

Lazarre now or are they kind of button

1186

00:52:15,440 --> 00:52:13,619

heads did Korbelt have an opinion on it

1187

00:52:17,269 --> 00:52:15,450

or you know something with his

1188

00:52:20,180 --> 00:52:17,279

documentary he was trying to prove or

1189

00:52:23,150 --> 00:52:20,190

disprove yeah so I will I'll say on the

1190

00:52:25,039 --> 00:52:23,160

record I am I am friends with Jeremy

1191

00:52:27,950 --> 00:52:25,049

Korbel so some of your listeners may

1192

00:52:30,019 --> 00:52:27,960

find what I say about him biased but I

1193

00:52:33,470 --> 00:52:30,029

don't care

1194

00:52:35,509 --> 00:52:33,480

he is a passionate guy when it comes to

1195

00:52:37,489 --> 00:52:35,519

the UFO topic and he's extremely

1196

00:52:41,089 --> 00:52:37,499

passionate about the content he covers

1197

00:52:42,950 --> 00:52:41,099

in his films now when he decided to to

1198

00:52:45,440 --> 00:52:42,960

reach out to bob lazar to make this film

1199

00:52:47,269 --> 00:52:45,450

i know it was through george knapp the

1200

00:52:50,390 --> 00:52:47,279

man who originally broke the story on

1201
00:52:52,819 --> 00:52:50,400
bob lazar and Korbelt had worked with

1202
00:52:55,579 --> 00:52:52,829
george knapp on a previous film about

1203
00:52:57,319 --> 00:52:55,589
the skinwalker ranch who again another

1204
00:53:00,529 --> 00:52:57,329
story that george knapp sort of broke

1205
00:53:02,420 --> 00:53:00,539
about this weird ranch in utah where a

1206
00:53:04,640 --> 00:53:02,430
bunch of paranormal stuff was going on

1207
00:53:07,460 --> 00:53:04,650
so I believe that's the connection there

1208
00:53:09,289 --> 00:53:07,470
that got Korbelt to Lazar cuz no one

1209
00:53:10,640 --> 00:53:09,299
could get to Lazar if it's like Fort

1210
00:53:14,779 --> 00:53:10,650
Knox trying to get this guy to talk

1211
00:53:16,910 --> 00:53:14,789
about this ever again so as far as I

1212
00:53:18,769 --> 00:53:16,920
know Korbelt wanted to set the record

1213
00:53:22,460 --> 00:53:18,779

straight once and for all on what Bob

1214

00:53:24,049 --> 00:53:22,470

Lazar said and try to the best of his

1215

00:53:27,890 --> 00:53:24,059

abilities to tell the story as

1216

00:53:30,170 --> 00:53:27,900

objectively as he could and in the film

1217

00:53:34,339 --> 00:53:30,180

I believe he did a good job of showing

1218

00:53:37,009 --> 00:53:34,349

both sides of of that debate I do think

1219

00:53:39,769 --> 00:53:37,019

Korbel believes Bob

1220

00:53:41,659 --> 00:53:39,779

and the story he has to tell so that's

1221

00:53:44,239 --> 00:53:41,669

hard that's a little controversial when

1222

00:53:46,279 --> 00:53:44,249

you're trying to make a documentary but

1223

00:53:48,469 --> 00:53:46,289

you have these preconceived notions of

1224

00:53:51,349 --> 00:53:48,479

this guy's telling the truth that being

1225

00:53:55,069 --> 00:53:51,359

said I know Korbel did his homework and

1226
00:53:57,319 --> 00:53:55,079
he did his research and he did push Bob

1227
00:53:59,120 --> 00:53:57,329
on a lot of things when it came to well

1228
00:54:03,199 --> 00:53:59,130
this is what the skeptics have to say

1229
00:54:05,389 --> 00:54:03,209
this that this that and you know I think

1230
00:54:07,279 --> 00:54:05,399
was our did a good job of defending a

1231
00:54:10,849 --> 00:54:07,289
lot of those things but at the end of

1232
00:54:14,659 --> 00:54:10,859
the day I think that film really opened

1233
00:54:16,130 --> 00:54:14,669
the eyes of many people now Joe Rogan

1234
00:54:19,009 --> 00:54:16,140
one of the biggest podcasters in the

1235
00:54:21,889 --> 00:54:19,019
world is like obsessed with this case it

1236
00:54:23,929 --> 00:54:21,899
is getting it out there again so I

1237
00:54:26,899 --> 00:54:23,939
cannot pretend to know the motives of

1238
00:54:28,819 --> 00:54:26,909

Bob Lazar or Jeremy Korbel or anyone

1239

00:54:32,529 --> 00:54:28,829

that covers this thing yeah I just know

1240

00:54:35,649 --> 00:54:32,539

that it's interesting it's weird and

1241

00:54:39,620 --> 00:54:35,659

again it's in just another sign that

1242

00:54:41,299 --> 00:54:39,630

people crave nostalgia you know so let's

1243

00:54:45,469 --> 00:54:41,309

bring the 80s back let's talk about

1244

00:54:49,779 --> 00:54:45,479

flying saucers and let's uh let's storm

1245

00:54:52,729 --> 00:54:49,789

area 51 oh man I mean talk about a

1246

00:54:55,549 --> 00:54:52,739

monster meme just out of control

1247

00:54:57,889 --> 00:54:55,559

insane so what do you think like you

1248

00:55:00,799 --> 00:54:57,899

think anybody's gonna show up you think

1249

00:55:03,469 --> 00:55:00,809

anybody's gonna die my first two

1250

00:55:06,049 --> 00:55:03,479

questions for you yes to the first

1251

00:55:11,059 --> 00:55:06,059

question and I hope not to the second

1252

00:55:14,899 --> 00:55:11,069

now this this is insane dude like it we

1253

00:55:17,539 --> 00:55:14,909

live in such interesting times when it

1254

00:55:20,479 --> 00:55:17,549

comes to the digital age and how it can

1255

00:55:25,009 --> 00:55:20,489

influence and impact things and the fact

1256

00:55:27,620 --> 00:55:25,019

that apparently on September 20th the

1257

00:55:29,719 --> 00:55:27,630

public is going to storm area 51 I just

1258

00:55:33,409 --> 00:55:29,729

I don't know what weird alternate

1259

00:55:35,839 --> 00:55:33,419

universe were in but it started as a

1260

00:55:38,389 --> 00:55:35,849

joke it was a complete joke yeah and now

1261

00:55:40,189 --> 00:55:38,399

it is turning into something way bigger

1262

00:55:43,849 --> 00:55:40,199

than it should be

1263

00:55:46,969 --> 00:55:43,859

and I do know there are people who will

1264

00:55:49,219 --> 00:55:46,979

show up to this even if it was a joke

1265

00:55:51,160 --> 00:55:49,229

because that's what people do they want

1266

00:55:53,530 --> 00:55:51,170

something that they do they

1267

00:55:55,089 --> 00:55:53,540

see it on Facebook and they said cool I

1268

00:55:57,339 --> 00:55:55,099

want to be a part of that I want to get

1269

00:56:00,940 --> 00:55:57,349

a cool Instagram photo I want to do a

1270

00:56:03,220 --> 00:56:00,950

Facebook live from area 51 um I can tell

1271

00:56:06,460 --> 00:56:03,230

you from experience I was at the gate of

1272

00:56:08,950 --> 00:56:06,470

area 51 almost a month ago it's nothing

1273

00:56:11,349 --> 00:56:08,960

to mess with so if any of your listeners

1274

00:56:14,140 --> 00:56:11,359

plan on attending this store marry 51

1275

00:56:16,620 --> 00:56:14,150

all I can say is be careful yeah you

1276

00:56:19,510 --> 00:56:16,630

step a foot over that security gate and

1277

00:56:20,230 --> 00:56:19,520

they have a right to do whatever the

1278

00:56:23,109 --> 00:56:20,240

hell they want

1279

00:56:25,690 --> 00:56:23,119

whether that's tell you to move back

1280

00:56:28,690 --> 00:56:25,700

whether that's confiscating your camera

1281

00:56:30,970 --> 00:56:28,700

or your phone or put you on the ground

1282

00:56:32,980 --> 00:56:30,980

face down and put the you know the

1283

00:56:34,660 --> 00:56:32,990

barrel of a gun to your head I know for

1284

00:56:36,370 --> 00:56:34,670

a fact that that has happened a week

1285

00:56:38,740 --> 00:56:36,380

before I got there man someone got shot

1286

00:56:42,210 --> 00:56:38,750

dead from breaching the security and

1287

00:56:44,349 --> 00:56:42,220

that is documented and that is real so

1288

00:56:48,010 --> 00:56:44,359

it's nothing to mess with

1289

00:56:50,859 --> 00:56:48,020

they monitor you at least what I can

1290

00:56:53,620 --> 00:56:50,869

gather from it five miles outside of

1291

00:56:57,760 --> 00:56:53,630

just the security gate they have ways of

1292

00:56:59,589 --> 00:56:57,770

monitoring your phones your radio any

1293

00:57:00,880 --> 00:56:59,599

sort of communication you have they are

1294

00:57:04,510 --> 00:57:00,890

listening to you

1295

00:57:06,670 --> 00:57:04,520

yeah I have proof of that which which I

1296

00:57:09,760 --> 00:57:06,680

can't share right now unfortunately but

1297

00:57:11,049 --> 00:57:09,770

they they do not mess around and the

1298

00:57:13,660 --> 00:57:11,059

other thing these people have to keep in

1299

00:57:18,849 --> 00:57:13,670

mind if they plan on storming area 51

1300

00:57:21,010 --> 00:57:18,859

the actual base is dozens and dozens of

1301
00:57:23,680 --> 00:57:21,020
miles from that security gate yeah so

1302
00:57:25,450 --> 00:57:23,690
you aren't gonna see it's been

1303
00:57:29,140 --> 00:57:25,460
pardon my french you're not gonna see

1304
00:57:31,329 --> 00:57:29,150
anything so just be careful if you plan

1305
00:57:35,530 --> 00:57:31,339
on going out there bringing a lot of

1306
00:57:38,890 --> 00:57:35,540
water because there is nothing within 70

1307
00:57:40,960 --> 00:57:38,900
miles of that security gate and don't

1308
00:57:44,049 --> 00:57:40,970
get lost because it's very easy to do

1309
00:57:48,900 --> 00:57:44,059
and it's very easy to drive past the

1310
00:57:52,059 --> 00:57:48,910
security gates so be very very careful

1311
00:57:54,220 --> 00:57:52,069
that's all I can say I'll say this just

1312
00:57:56,410 --> 00:57:54,230
don't just don't I'll get to this in a

1313
00:57:59,140 --> 00:57:56,420

second but so I was just out there last

1314

00:58:01,299 --> 00:57:59,150

year myself and like it's fun to visit

1315

00:58:03,280 --> 00:58:01,309

the little alien and stuff and get

1316

00:58:04,750 --> 00:58:03,290

yourself a burger all that what I don't

1317

00:58:05,019 --> 00:58:04,760

think a lot of people realize is just

1318

00:58:08,499 --> 00:58:05,029

what

1319

00:58:11,769 --> 00:58:08,509

you said the base itself is miles from

1320

00:58:14,649 --> 00:58:11,779

the checkpoint which itself is like 8 8

1321

00:58:18,189 --> 00:58:14,659

to 12 miles from the roads Akal so like

1322

00:58:23,349 --> 00:58:18,199

what are all you tinfoil hat wearing

1323

00:58:25,839 --> 00:58:23,359

meme lovin guys got a Naruto run like 20

1324

00:58:30,489 --> 00:58:25,849

to 50 miles to get to this thing no

1325

00:58:32,169 --> 00:58:30,499

you're not like it's a it's obviously

1326

00:58:34,239 --> 00:58:32,179

it's it's a joke that's gone out of

1327

00:58:35,559 --> 00:58:34,249

control some people probably don't see

1328

00:58:39,339 --> 00:58:35,569

it as a joke some people are probably

1329

00:58:41,319 --> 00:58:39,349

very fired up for this hopefully there's

1330

00:58:43,719 --> 00:58:41,329

not enough of them to where they can

1331

00:58:46,479 --> 00:58:43,729

kind of get a mob mentality going and

1332

00:58:48,699 --> 00:58:46,489

actually try something like this that

1333

00:58:50,649 --> 00:58:48,709

being said I agree with you I think

1334

00:58:55,089 --> 00:58:50,659

there's I think people are gonna show up

1335

00:58:59,169 --> 00:58:55,099

I know that a couple of entrepreneurs

1336

00:59:00,849 --> 00:58:59,179

out there have already made plans to set

1337

00:59:04,899 --> 00:59:00,859

this up kind of as like a festival

1338

00:59:09,219 --> 00:59:04,909

answer yeah which is you know yeh

1339

00:59:10,509 --> 00:59:09,229

capitalism go for it like like if you

1340

00:59:13,359 --> 00:59:10,519

want to if you want to turn this into

1341

00:59:16,269 --> 00:59:13,369

something like a festival I'm all for

1342

00:59:19,630 --> 00:59:16,279

that and I actually think if everything

1343

00:59:22,659 --> 00:59:19,640

goes ok and people aren't as stupid as

1344

00:59:24,429 --> 00:59:22,669

we are worried they might be if nobody

1345

00:59:27,459 --> 00:59:24,439

gets killed this thing could turn into a

1346

00:59:29,319 --> 00:59:27,469

very fun yearly festival that they you

1347

00:59:32,649 --> 00:59:29,329

know could be a great thing for not only

1348

00:59:35,439 --> 00:59:32,659

Rachel you know Nevada but also just fun

1349

00:59:38,229 --> 00:59:35,449

for people to go to have something to do

1350

00:59:40,209 --> 00:59:38,239

out there at one of the you know

1351
00:59:42,939 --> 00:59:40,219
premiere spots that everybody knows

1352
00:59:45,880 --> 00:59:42,949
about in ufology in in this sort of

1353
00:59:47,979 --> 00:59:45,890
stuff so as long as people can just go

1354
00:59:52,449 --> 00:59:47,989
out there and try and have a good time

1355
00:59:55,809 --> 00:59:52,459
it might be a good thing in the end so

1356
00:59:58,749 --> 00:59:55,819
and like you said make sure there's not

1357
01:00:00,819 --> 00:59:58,759
a gas station for you know 60 70 miles

1358
01:00:02,979 --> 01:00:00,829
like you said something crazy like that

1359
01:00:05,919 --> 01:00:02,989
you need to make sure you have enough

1360
01:00:10,059 --> 01:00:05,929
gas to get back dude I was swearing I am

1361
01:00:12,880 --> 01:00:10,069
we got lost and I'm talking like an hour

1362
01:00:14,799 --> 01:00:12,890
out of the way so we had to drive all

1363
01:00:17,630 --> 01:00:14,809

the way back to Rachel to get directions

1364

01:00:19,460 --> 01:00:17,640

and I was nervous like

1365

01:00:22,400 --> 01:00:19,470

we're gonna be stranded in the middle of

1366

01:00:24,200 --> 01:00:22,410

the Extra Terrestrial highway and I

1367

01:00:27,529 --> 01:00:24,210

don't know well worse at the clown motel

1368

01:00:29,120 --> 01:00:27,539

in Tonopah exactly exactly

1369

01:00:31,430 --> 01:00:29,130

you make such a good point though man

1370

01:00:34,250 --> 01:00:31,440

like this it's gonna be a festival

1371

01:00:37,370 --> 01:00:34,260

atmosphere at this point I'm all for

1372

01:00:39,589 --> 01:00:37,380

like town of Rachel or anyone going out

1373

01:00:41,809 --> 01:00:39,599

there to capitalize off of this yeah if

1374

01:00:44,269 --> 01:00:41,819

a social networking phenomenon becomes

1375

01:00:46,789 --> 01:00:44,279

something real like do what you got to

1376

01:00:49,309 --> 01:00:46,799

do you know people struggle you know the

1377

01:00:52,039 --> 01:00:49,319

economy isn't the best and if you need a

1378

01:00:53,870 --> 01:00:52,049

way to make some money like go take

1379

01:00:57,109 --> 01:00:53,880

advantage of these people who are gonna

1380

01:00:59,630 --> 01:00:57,119

do this because it's very easy to take

1381

01:01:01,160 --> 01:00:59,640

advantage of stupid people and I think

1382

01:01:04,339 --> 01:01:01,170

that's the kind of people that are gonna

1383

01:01:06,950 --> 01:01:04,349

show up for this thing and like you said

1384

01:01:09,710 --> 01:01:06,960

just don't don't go focus your energy on

1385

01:01:12,019 --> 01:01:09,720

something important the reason area 51

1386

01:01:15,380 --> 01:01:12,029

is secret is because it is a national

1387

01:01:17,210 --> 01:01:15,390

security issue they are testing things

1388

01:01:20,089 --> 01:01:17,220

out there that keep us safe

1389

01:01:22,640 --> 01:01:20,099

and I'm not like some pro rawa military

1390

01:01:24,799 --> 01:01:22,650

person but I understand that there are

1391

01:01:27,559 --> 01:01:24,809

things the public doesn't need to know

1392

01:01:29,349 --> 01:01:27,569

about in terms of keeping us safe I can

1393

01:01:31,970 --> 01:01:29,359

fully admit that so when it comes to

1394

01:01:34,640 --> 01:01:31,980

breaking into a top-secret military base

1395

01:01:37,160 --> 01:01:34,650

it's cool on the x-files but I don't

1396

01:01:40,370 --> 01:01:37,170

think people should think that by doing

1397

01:01:42,980 --> 01:01:40,380

the Naruto run and dodging bullets to

1398

01:01:45,410 --> 01:01:42,990

try to find aliens first of all if there

1399

01:01:47,539 --> 01:01:45,420

was ever a lien stuff there if Bob Lazar

1400

01:01:49,759 --> 01:01:47,549

was telling the truth at all they moved

1401

01:01:52,999 --> 01:01:49,769

that the minute we knew what area

1402

01:01:54,859 --> 01:01:53,009

51 was right a Tonopah or done and they

1403

01:01:57,380 --> 01:01:54,869

moved it twice when people started

1404

01:02:00,259 --> 01:01:57,390

talking about storming it two months in

1405

01:02:02,450 --> 01:02:00,269

advance in advance that's another thing

1406

01:02:04,009 --> 01:02:02,460

here's a tip don't give the government

1407

01:02:07,370 --> 01:02:04,019

two months advance warning that you're

1408

01:02:09,289 --> 01:02:07,380

going to storm them when it comes to

1409

01:02:11,089 --> 01:02:09,299

area 51 you have to have an element of

1410

01:02:14,390 --> 01:02:11,099

surprise - there's people who go there

1411

01:02:17,269 --> 01:02:14,400

in the dead of night and are very good

1412

01:02:19,519 --> 01:02:17,279

and elusive of staying in areas where

1413

01:02:22,220 --> 01:02:19,529

they can see activity going on over the

1414

01:02:23,990 --> 01:02:22,230

base but I guarantee you they still know

1415

01:02:26,240 --> 01:02:24,000

you're there and they might be putting a

1416

01:02:28,730 --> 01:02:26,250

show on just for you who knows yeah I

1417

01:02:31,520 --> 01:02:28,740

think there is gonna be a weird mix of

1418

01:02:33,350 --> 01:02:31,530

people that go to this people that

1419

01:02:35,060 --> 01:02:33,360

are serious about it people that are

1420

01:02:37,430 --> 01:02:35,070

there just to watch people and see what

1421

01:02:40,340 --> 01:02:37,440

happens and then people that are kind of

1422

01:02:42,410 --> 01:02:40,350

a kind of a mix and I I think there will

1423

01:02:44,870 --> 01:02:42,420

be stupid people sure I think there will

1424

01:02:47,750 --> 01:02:44,880

be some people who are just there for

1425

01:02:50,120 --> 01:02:47,760

kicks and have a weekend or whatever to

1426

01:02:52,100 --> 01:02:50,130

spin to go and just see what happens

1427

01:02:54,710 --> 01:02:52,110

because you also got a got to keep in

1428

01:02:57,380 --> 01:02:54,720

mind like this isn't the easiest place

1429

01:02:59,720 --> 01:02:57,390

to get to so how many people are gonna

1430

01:03:02,240 --> 01:02:59,730

be coming from the Vegas area or you

1431

01:03:05,080 --> 01:03:02,250

know somewhere close by there how many

1432

01:03:08,420 --> 01:03:05,090

like it the number even gets less when

1433

01:03:11,030 --> 01:03:08,430

you consider people that might try to

1434

01:03:13,220 --> 01:03:11,040

fly there or drive from out of town or

1435

01:03:15,590 --> 01:03:13,230

something as a it's a it's a trip it is

1436

01:03:19,180 --> 01:03:15,600

a trip to make so I hope you know

1437

01:03:24,080 --> 01:03:19,190

everybody who goes there just realizes I

1438

01:03:26,210 --> 01:03:24,090

I don't see anybody that would be like

1439

01:03:30,140 --> 01:03:26,220

yes let's go through with this storming

1440

01:03:34,360 --> 01:03:30,150

you knowing that the thing is like 20 25

1441

01:03:37,550 --> 01:03:34,370

to 30 miles away yeah you know like

1442

01:03:40,130 --> 01:03:37,560

they're gonna be very very letdown when

1443

01:03:41,780 --> 01:03:40,140

they get there it's cool to say you went

1444

01:03:43,190 --> 01:03:41,790

there it's cool to be like I said get

1445

01:03:45,230 --> 01:03:43,200

that photo in front of the gate and

1446

01:03:47,300 --> 01:03:45,240

everything that's what it's about

1447

01:03:48,620 --> 01:03:47,310

if you think that's worth going there do

1448

01:03:50,930 --> 01:03:48,630

it if you think it's worth going there

1449

01:03:53,440 --> 01:03:50,940

to people-watch like that's awesome I

1450

01:03:56,960 --> 01:03:53,450

went to a Phish concert with my dad like

1451

01:03:58,610 --> 01:03:56,970

18 years ago probably and I he didn't

1452

01:04:01,250 --> 01:03:58,620

even go and watch any of the music he

1453

01:04:03,530 --> 01:04:01,260

just people watched and that could be a

1454

01:04:06,140 --> 01:04:03,540

really fun thing for these people to so

1455

01:04:08,630 --> 01:04:06,150

I I should retract my statement bet

1456

01:04:10,070 --> 01:04:08,640

anyone who goes is stupid no people

1457

01:04:12,080 --> 01:04:10,080

might just be going that's very

1458

01:04:13,820 --> 01:04:12,090

condescending I apologize people might

1459

01:04:15,440 --> 01:04:13,830

just go to have a good time like you

1460

01:04:18,470 --> 01:04:15,450

said if they're gonna have bands there

1461

01:04:21,350 --> 01:04:18,480

and cookouts and and a dance parties

1462

01:04:23,300 --> 01:04:21,360

like that's great just know that if you

1463

01:04:25,400 --> 01:04:23,310

step foot over that gate it's gonna be a

1464

01:04:26,740 --> 01:04:25,410

whole different kind of party and why do

1465

01:04:31,070 --> 01:04:26,750

I want to be invited

1466

01:04:33,430 --> 01:04:31,080

exactly yeah I I hope people do make

1467

01:04:36,920 --> 01:04:33,440

this kind of a thing make this kind of a

1468

01:04:39,860 --> 01:04:36,930

festival exciting atmosphere because it

1469

01:04:42,900 --> 01:04:39,870

rachel is it's got the a the little

1470

01:04:45,059 --> 01:04:42,910

alien and then a bunch of trailers

1471

01:04:47,190 --> 01:04:45,069

there's there's really not a lot there

1472

01:04:49,019 --> 01:04:47,200

and hopefully you know if this becomes a

1473

01:04:52,920 --> 01:04:49,029

thing then they could they could build

1474

01:04:55,559 --> 01:04:52,930

that little area it's things like this

1475

01:04:58,259 --> 01:04:55,569

these social phenomenons that happen are

1476

01:05:01,650 --> 01:04:58,269

these histories that can completely

1477

01:05:03,720 --> 01:05:01,660

impact and change a community or a city

1478

01:05:06,269 --> 01:05:03,730

I mean look at Roswell Roswell nothing's

1479

01:05:07,950 --> 01:05:06,279

going on there either and I apologize

1480

01:05:10,079 --> 01:05:07,960

anyone that may live there but yeah it's

1481

01:05:13,859 --> 01:05:10,089

like one Main Street and that's it and

1482

01:05:16,620 --> 01:05:13,869

that Main Street is covered with alien

1483

01:05:19,140 --> 01:05:16,630

stuff the McDonald's is a UFO every

1484

01:05:21,269 --> 01:05:19,150

street lamp is an alien they embraced it

1485

01:05:23,700 --> 01:05:21,279

and now their town is flourishing they

1486

01:05:26,099 --> 01:05:23,710

have the biggest UFO festival every year

1487

01:05:28,559 --> 01:05:26,109

that attracts people from all over the

1488

01:05:30,930 --> 01:05:28,569

world so let me know if Rachel could do

1489

01:05:34,049 --> 01:05:30,940

that and become something that's awesome

1490

01:05:36,329 --> 01:05:34,059

like do it I will throw my money at them

1491

01:05:39,660 --> 01:05:36,339

if they're gonna build some sort of

1492

01:05:41,609 --> 01:05:39,670

really cool UFO Museum there or

1493

01:05:44,009 --> 01:05:41,619

something yeah like let's do it

1494

01:05:47,460 --> 01:05:44,019

same with Mothman and Point Pleasant or

1495

01:05:49,859 --> 01:05:47,470

that monster it's it's cool that like

1496

01:05:52,079 --> 01:05:49,869

these weird things we look at every day

1497

01:05:54,240 --> 01:05:52,089

can directly impact the communities that

1498

01:05:55,920 --> 01:05:54,250

they happened in I think that's good and

1499

01:05:57,569 --> 01:05:55,930

like we said in America we can

1500

01:06:00,630 --> 01:05:57,579

capitalize off of those things and

1501
01:06:01,230 --> 01:06:00,640
people do so if you're gonna go to area

1502
01:06:03,329 --> 01:06:01,240
51

1503
01:06:06,900 --> 01:06:03,339
just be careful have a good time and

1504
01:06:09,589 --> 01:06:06,910
yeah and toe toe what's his name tell

1505
01:06:12,599 --> 01:06:09,599
Nathan I said hi at the little alien

1506
01:06:15,359 --> 01:06:12,609
there's it and also I'll add to that

1507
01:06:18,839 --> 01:06:15,369
this sign for the extra-terrestrial

1508
01:06:22,200 --> 01:06:18,849
highway that is right outside of Rachel

1509
01:06:24,539 --> 01:06:22,210
or like right there probably 200 yards

1510
01:06:26,970 --> 01:06:24,549
from the little alien the sign that's

1511
01:06:29,720 --> 01:06:26,980
there take a picture next to the blurry

1512
01:06:33,210 --> 01:06:29,730
photo sticker that's on that sign I

1513
01:06:35,299 --> 01:06:33,220

didn't even think to do that see this is

1514

01:06:37,589 --> 01:06:35,309

why you're a professional podcaster

1515

01:06:41,910 --> 01:06:37,599

you're always thinking of marketing

1516

01:06:48,180 --> 01:06:41,920

somehow that's right vandalism number

1517

01:06:49,920 --> 01:06:48,190

one yes yes oh man well I think that I

1518

01:06:51,990 --> 01:06:49,930

think that'll be a good point for us to

1519

01:06:53,460 --> 01:06:52,000

wrap up I appreciate you coming on here

1520

01:06:55,660 --> 01:06:53,470

and telling us all about this stuff it's

1521

01:06:57,700 --> 01:06:55,670

fascinating to talk about it's some

1522

01:06:59,799 --> 01:06:57,710

things that just because it's in the

1523

01:07:01,630 --> 01:06:59,809

news right now doesn't mean the

1524

01:07:03,670 --> 01:07:01,640

conversations gonna stop it's gonna

1525

01:07:05,020 --> 01:07:03,680

change you know on down the line it's

1526

01:07:07,450 --> 01:07:05,030

gonna be something new and it's always

1527

01:07:10,480 --> 01:07:07,460

gonna be something fascinating to talk

1528

01:07:13,059 --> 01:07:10,490

about and I hope when that does change

1529

01:07:14,740 --> 01:07:13,069

or even if it doesn't that you'd be

1530

01:07:16,510 --> 01:07:14,750

willing to come back sometime and talk

1531

01:07:18,549 --> 01:07:16,520

with us some more about stuff right oh

1532

01:07:20,710 --> 01:07:18,559

absolutely this has been a blast man I

1533

01:07:22,630 --> 01:07:20,720
