00:00:12,440 --> 00:00:08,830

[Music]

2
00:00:13,410 --> 00:00:12,450

this is somewhere in the skies the brain

3
00:00:36,680 --> 00:00:13,420

spread

4
00:00:46,680 --> 00:00:41,040

so my story happened in the early

5
00:00:50,280 --> 00:00:46,690

morning of June 29th 2016 oddly enough

6
00:00:53,430 --> 00:00:50,290

just a couple weeks after I had visited

7
00:00:57,090 --> 00:00:53,440

Roswell New Mexico of all places and I

8
00:01:01,229 --> 00:00:57,100

was asleep in my bed on a ground I live

9
00:01:04,710 --> 00:01:01,239

in a ground-floor apartment and I woke

10
00:01:07,140 --> 00:01:04,720

up to hearing my Bulldog growling from

11
00:01:11,190 --> 00:01:07,150

the living room he was sleeping on the

12
00:01:14,040 --> 00:01:11,200

couch and at first I thought that he was

13
00:01:16,710 --> 00:01:14,050

growling at my neighbor who worked

14

00:01:18,540 --> 00:01:16,720

nights at the time and I thought maybe

15

00:01:20,460 --> 00:01:18,550

he was coming home but he knows that

16

00:01:23,070 --> 00:01:20,470

neighbor very well and I thought it was

17

00:01:26,700 --> 00:01:23,080

odd that he'd be growling but I could

18

00:01:29,520 --> 00:01:26,710

tell as I sat there for about 30 seconds

19

00:01:32,999 --> 00:01:29,530

listening to his growl get louder that

20

00:01:38,969 --> 00:01:33,009

he was about to start barking loudly and

21

00:01:40,350 --> 00:01:38,979

it was 4 o'clock in the morning so I was

22

00:01:41,910 --> 00:01:40,360

about to get out of bed and then my

23

00:01:45,209 --> 00:01:41,920

other dog who was sleeping with me a

24

00:01:48,959 --> 00:01:45,219

terrier she started barking and shot out

25

00:01:50,940 --> 00:01:48,969

into the living room so I stumbled out

26
00:01:53,340 --> 00:01:50,950
of bed I was trying to round them up and

27
00:01:56,999 --> 00:01:53,350
as I rounded the corner from my hallway

28
00:01:59,670 --> 00:01:57,009
into the living room I was staring at my

29
00:02:03,060 --> 00:01:59,680
window that looks out unto a sort of

30
00:02:05,370 --> 00:02:03,070
front porch area it's actually kind of a

31
00:02:08,880 --> 00:02:05,380
my building there's a driveway that runs

32
00:02:11,760 --> 00:02:08,890
up along the side so that window looks

33
00:02:17,120 --> 00:02:11,770
out onto the driveway and there were

34
00:02:18,960 --> 00:02:17,130
lights from the building the little I

35
00:02:21,240 --> 00:02:18,970
don't know when you'd call it a little

36
00:02:24,300 --> 00:02:21,250
patch of grass alcove or the trees are

37
00:02:26,580 --> 00:02:24,310
planted there's lights projected up from

38
00:02:29,970 --> 00:02:26,590

the ground onto my window and my

39

00:02:31,740 --> 00:02:29,980

curtains were drawn and I could see that

40

00:02:34,140 --> 00:02:31,750

there was immediately there was a figure

41

00:02:36,360 --> 00:02:34,150

at the window

42

00:02:39,059 --> 00:02:36,370

I could see its silhouette projected

43

00:02:41,880 --> 00:02:39,069

from the gardening lights whatever you

44

00:02:45,180 --> 00:02:41,890

want to call those up to the to my

45

00:02:50,430 --> 00:02:45,190

window but what was curious about it was

46

00:02:55,319 --> 00:02:50,440

instead of it being the silhouette of a

47

00:02:58,100 --> 00:02:55,329

human being this thing had was the

48

00:03:02,660 --> 00:02:58,110

shadow I saw was a long skinny neck and

49

00:03:04,770 --> 00:03:02,670

a rounded head with a pointy chin I

50

00:03:07,110 --> 00:03:04,780

couldn't see any details because the

51
00:03:12,960 --> 00:03:07,120
curtains were drawn my dogs are going

52
00:03:16,319 --> 00:03:12,970
apeshit barking at this figure and it

53
00:03:18,899 --> 00:03:16,329
was so on the nose that at first I was

54
00:03:22,649 --> 00:03:18,909
like well that looks like an alien it

55
00:03:25,589 --> 00:03:22,659
was like a classic gray silhouette

56
00:03:28,860 --> 00:03:25,599
something that looked straight out of

57
00:03:33,660 --> 00:03:28,870
Close Encounters and as I had that

58
00:03:38,640 --> 00:03:33,670
thought this figure turned its head to

59
00:03:41,789 --> 00:03:38,650
its left to my right and I could see the

60
00:03:46,140 --> 00:03:41,799
head and neck sort of undulate and I

61
00:03:52,680 --> 00:03:46,150
could see where the neck was fused at

62
00:03:57,839 --> 00:03:52,690
the the back of the head and it looked

63
00:04:00,900 --> 00:03:57,849

like a golf wedge almost except not it

64

00:04:02,280 --> 00:04:00,910

was like a golf club it was actually the

65

00:04:06,659 --> 00:04:02,290

best way to describe it but like a

66

00:04:08,640 --> 00:04:06,669

flatter like you know how an ET like the

67

00:04:14,699 --> 00:04:08,650

long neck connects to the back of the

68

00:04:18,990 --> 00:04:14,709

head imagine that but the head is much

69

00:04:21,270 --> 00:04:19,000

you know shorter or not as not as long I

70

00:04:24,150 --> 00:04:21,280

should say and you know it's like a

71

00:04:31,339 --> 00:04:24,160

classic again like a classic gray alien

72

00:04:34,400 --> 00:04:31,349

and when I saw that I went holy and

73

00:04:36,960 --> 00:04:34,410

you know looking back I should have

74

00:04:38,700 --> 00:04:36,970

steemed myself but again you have to

75

00:04:41,070 --> 00:04:38,710

remember the dogs are going crazy it's

76

00:04:43,740 --> 00:04:41,080

four o'clock in the morning I turned on

77

00:04:45,810 --> 00:04:43,750

the lights in my hallway and this thing

78

00:04:46,300 --> 00:04:45,820

ran away from my window towards the back

79

00:04:49,390 --> 00:04:46,310

of the bill

80

00:04:52,300 --> 00:04:49,400

so I walk down into my front patio that

81

00:04:53,800 --> 00:04:52,310

overlooks the same kind of area and I

82

00:04:55,510 --> 00:04:53,810

look down on my left I couldn't see

83

00:04:56,920 --> 00:04:55,520

anything and at that point my next-door

84

00:04:59,680 --> 00:04:56,930

neighbor the one that I thought was

85

00:05:02,140 --> 00:04:59,690

originally coming home he walked out

86

00:05:04,629 --> 00:05:02,150

onto his porch and he asked me what was

87

00:05:08,770 --> 00:05:04,639

going on and I didn't want to use the

88

00:05:11,170 --> 00:05:08,780

word alien so I said something somebody

89

00:05:14,500 --> 00:05:11,180

was just looking in my window and he

90

00:05:17,100 --> 00:05:14,510

said oh my gosh that's so weird because

91

00:05:20,140 --> 00:05:17,110

I've been home for an hour watching

92

00:05:22,690 --> 00:05:20,150

Netflix on my laptop in my bedroom and I

93

00:05:24,310 --> 00:05:22,700

kept taking my headphones off because I

94

00:05:26,940 --> 00:05:24,320

could have sworn something was in my

95

00:05:32,620 --> 00:05:26,950

apartment watching me

96

00:05:34,960 --> 00:05:32,630

so we walked around the the property

97

00:05:39,219 --> 00:05:34,970

couldn't find anything

98

00:05:41,409 --> 00:05:39,229

that window is about the windowsill is

99

00:05:43,990 --> 00:05:41,419

about three and a half four feet maybe

100

00:05:45,550 --> 00:05:44,000

off the the ground

101
00:05:47,580 --> 00:05:45,560
I should have measured it I could still

102
00:05:52,320 --> 00:05:47,590
do it I still live in the same building

103
00:05:55,150 --> 00:05:52,330
but I couldn't see any shoulders or

104
00:05:58,659 --> 00:05:55,160
hands it was just a long neck and this

105
00:06:00,070 --> 00:05:58,669
head and I had my neighbor kind of humor

106
00:06:02,110 --> 00:06:00,080
me and I was like well you stand here

107
00:06:06,540 --> 00:06:02,120
while I go inside and take a look at

108
00:06:09,940 --> 00:06:06,550
this and he was confused but obliged and

109
00:06:13,980 --> 00:06:09,950
the silhouette created by my neighbor

110
00:06:20,409 --> 00:06:13,990
who is a you know average height male

111
00:06:23,159 --> 00:06:20,419
looked completely different nothing else

112
00:06:26,890 --> 00:06:23,169
happened that night I did not sleep I

113
00:06:31,060 --> 00:06:26,900

don't know what this thing was there was

114

00:06:33,100 --> 00:06:31,070

no other UFO activity that took place

115

00:06:34,960 --> 00:06:33,110

like I wasn't experiencing any weird

116

00:06:37,870 --> 00:06:34,970

dreams or missing time there were no

117

00:06:41,010 --> 00:06:37,880

lights involved nothing of that kind of

118

00:06:44,920 --> 00:06:41,020

phenomenon it was almost as if this

119

00:06:48,940 --> 00:06:44,930

whatever this thing was was an entity

120

00:06:51,670 --> 00:06:48,950

passing by and I bet because my Bulldog

121

00:06:52,980 --> 00:06:51,680

snores so loud which is often why he's

122

00:06:56,279 --> 00:06:52,990

in the living room

123

00:07:00,900 --> 00:06:56,289

I have a feeling this thing was passing

124

00:07:04,980 --> 00:07:00,910

through and heard my Bulldog snoring and

125

00:07:07,350 --> 00:07:04,990

was peering into the window to try to

126

00:07:10,439 --> 00:07:07,360

figure out what this sleeping creature

127

00:07:11,999 --> 00:07:10,449

was inside this apartment and then at

128

00:07:13,800 --> 00:07:12,009

some point in the process my Bulldog

129

00:07:16,290 --> 00:07:13,810

woke up sense that there was something

130

00:07:18,210 --> 00:07:16,300

there and was you know he it must have

131

00:07:21,360 --> 00:07:18,220

been standing there for a couple minutes

132

00:07:22,890 --> 00:07:21,370

because I was listening to my dog growl

133

00:07:27,029 --> 00:07:22,900

at this thing for at least thirty

134

00:07:28,560 --> 00:07:27,039

seconds before I got out of bed so yeah

135

00:07:32,430 --> 00:07:28,570

I don't know what it is I can only

136

00:07:35,249 --> 00:07:32,440

describe it based on what it looked like

137

00:07:38,339 --> 00:07:35,259

to me and what it looked like to me was

138

00:07:41,180 --> 00:07:38,349

an alien gray I almost have an instinct

139

00:07:47,129 --> 00:07:41,190

that this was something that was maybe

140

00:07:50,189 --> 00:07:47,139

terrestrial or of this world maybe not

141

00:07:52,649 --> 00:07:50,199

necessarily of this dimension I know

142

00:07:54,870 --> 00:07:52,659

that sounds weird but it almost felt

143

00:07:57,480 --> 00:07:54,880

like I had seen a leprechaun or an elf

144

00:08:00,180 --> 00:07:57,490

more than I had seen a quote-unquote

145

00:08:02,700 --> 00:08:00,190

alien it was something that I was not

146

00:08:05,730 --> 00:08:02,710

that was passing by that I was not

147

00:08:07,320 --> 00:08:05,740

supposed to see and that's my story I

148

00:08:07,560 --> 00:08:07,330

hear my Bulldog walking up here right

149

00:08:14,249 --> 00:08:07,570

now

150

00:08:17,580 --> 00:08:14,259

thank you right in September of 1978 I

151

00:08:20,339 --> 00:08:17,590

was a youngish bureaucrat with the state

152

00:08:23,520 --> 00:08:20,349

of Michigan and was on a Sunday evening

153

00:08:26,310 --> 00:08:23,530

trip along with a workmate headed

154

00:08:28,980 --> 00:08:26,320

between Lansing and Kalamazoo which are

155

00:08:32,909 --> 00:08:28,990

both in south central to Western

156

00:08:35,909 --> 00:08:32,919

Michigan we were on i-94 which connects

157

00:08:39,630 --> 00:08:35,919

Detroit and Chicago and about midway

158

00:08:42,659 --> 00:08:39,640

there having passed battle creek headed

159

00:08:46,620 --> 00:08:42,669

toward Kalamazoo as we were traveling

160

00:08:49,829 --> 00:08:46,630

west I noticed that beyond the eastbound

161

00:08:52,769 --> 00:08:49,839

lanes and a line of trees there were

162

00:08:54,990 --> 00:08:52,779

some aerial lights that did not look

163

00:08:58,680 --> 00:08:55,000

normal to me and I asked the drivers

164

00:09:01,710 --> 00:08:58,690

driver to start to stop the car which

165

00:09:05,220 --> 00:09:01,720

she did I will always have to

166

00:09:08,340 --> 00:09:05,230

that whatever we were looking at reacted

167

00:09:12,540 --> 00:09:08,350

to our stopping it made an incredibly

168

00:09:16,199 --> 00:09:12,550

tight left turn and now at some perhaps

169

00:09:19,530 --> 00:09:16,209

20 miles an hour and descending went

170

00:09:22,590 --> 00:09:19,540

directly over our car two hundred three

171

00:09:27,319 --> 00:09:22,600

hundred feet in the air still descending

172

00:09:31,319 --> 00:09:27,329

over a newly harvested cornfield there

173

00:09:36,629 --> 00:09:31,329

some couple hundred feet from us it made

174

00:09:40,710 --> 00:09:36,639

a very tight circle about a 270 degree

175

00:09:44,280 --> 00:09:40,720

turn at what looked to me and struck me

176

00:09:49,439 --> 00:09:44,290

as a ballerinas pirouette it was so

177

00:09:54,929 --> 00:09:49,449

tight this object was in wingspan

178

00:09:58,110 --> 00:09:54,939

something approaching a 747 it was sort

179

00:10:03,030 --> 00:09:58,120

of like a boomerang and sort of like a

180

00:10:06,420 --> 00:10:03,040

an isosceles triangle it was all black

181

00:10:09,030 --> 00:10:06,430

the rear side of it was a little bit

182

00:10:11,210 --> 00:10:09,040

indented and so from that I understand

183

00:10:14,160 --> 00:10:11,220

why some people would call it a

184

00:10:14,850 --> 00:10:14,170

boomerang but to me it was more of a

185

00:10:20,369 --> 00:10:14,860

triangle

186

00:10:23,689 --> 00:10:20,379

after doing this 270 it moved it hold 50

187

00:10:27,389 --> 00:10:23,699

feet above the ground at virtually

188

00:10:29,759 --> 00:10:27,399

jogging speed and stopped over a clump

189

00:10:33,600 --> 00:10:29,769

of trees in that field

190

00:10:35,790 --> 00:10:33,610

there it simply levitated as it was

191

00:10:37,980 --> 00:10:35,800

passing over and as we were still

192

00:10:41,369 --> 00:10:37,990

looking at it just a couple hundred feet

193

00:10:46,699 --> 00:10:41,379

away over the field I could see that

194

00:10:52,290 --> 00:10:46,709

there was no window no light no insignia

195

00:10:55,110 --> 00:10:52,300

simply a black triangular form I did not

196

00:10:57,629 --> 00:10:55,120

hear a thing I know that others in

197

00:11:00,150 --> 00:10:57,639

connection with boomerang sightings have

198

00:11:04,379 --> 00:11:00,160

said they heard a light humming sound I

199

00:11:07,799 --> 00:11:04,389

did not while this was performing this

200

00:11:10,919 --> 00:11:07,809

pirouette and moving so slowly the

201
00:11:12,230 --> 00:11:10,929
driver shouted at me to run after it

202
00:11:16,129 --> 00:11:12,240
which Sal

203
00:11:19,540 --> 00:11:16,139
immediately like a fine idea still kind

204
00:11:22,549 --> 00:11:19,550
of looking up I started to run

205
00:11:26,269 --> 00:11:22,559
forgetting that every interstate has a

206
00:11:28,639 --> 00:11:26,279
metal fence and I bound it off this one

207
00:11:32,119 --> 00:11:28,649
like a trampoline and landed on my

208
00:11:36,139 --> 00:11:32,129
posterior I immediately started laughing

209
00:11:37,639 --> 00:11:36,149
to bat myself thinking whoever is inside

210
00:11:40,639 --> 00:11:37,649
this thing they're probably thinking

211
00:11:43,910 --> 00:11:40,649
beam us up Scotty there's no intelligent

212
00:11:47,629 --> 00:11:43,920
life down here but as I crawled back

213
00:11:52,309 --> 00:11:47,639

onto my feet a queasy feeling came over

214

00:11:55,309 --> 00:11:52,319

me that I wasn't supposed to run right

215

00:11:59,389 --> 00:11:55,319

up underneath this I was supposed to

216

00:12:01,879 --> 00:11:59,399

just stand here and take it all in which

217

00:12:05,090 --> 00:12:01,889

we did for a couple of more minutes

218

00:12:09,319 --> 00:12:05,100

until I noticed taillights in the

219

00:12:10,639 --> 00:12:09,329

distance on a side of dirt road on the

220

00:12:13,850 --> 00:12:10,649

other side of the field

221

00:12:17,119 --> 00:12:13,860

I felt I need more witnesses and I raced

222

00:12:20,929 --> 00:12:17,129

down that newly harvested corn row and

223

00:12:24,019 --> 00:12:20,939

caught up with a 40-ish man and his

224

00:12:27,590 --> 00:12:24,029

adolescent son who were outside their

225

00:12:30,259 --> 00:12:27,600

car and looking at the same thing as we

226

00:12:34,609 --> 00:12:30,269

were trading notes primarily about the

227

00:12:38,689 --> 00:12:34,619

beginning of the sighting for for me it

228

00:12:41,660 --> 00:12:38,699

began moving ever so slowly first at

229

00:12:44,869 --> 00:12:41,670

just walking speed then jogging and

230

00:12:48,139 --> 00:12:44,879

picking up pace slowly while staying

231

00:12:48,739 --> 00:12:48,149

very low to the ground and in five more

232

00:12:53,239 --> 00:12:48,749

minutes

233

00:12:57,379 --> 00:12:53,249

it was gone I cannot tell you that what

234

00:13:00,859 --> 00:12:57,389

I looked at was a military vehicle a UFO

235

00:13:06,829 --> 00:13:00,869

or anything in between I just know that

236

00:13:11,689 --> 00:13:06,839

it was damn strange to me I first joined

237

00:13:14,809 --> 00:13:11,699

MUFON in April 1978 and immediately set

238

00:13:17,859 --> 00:13:14,819

myself up with the Lansing Police the

239

00:13:21,650 --> 00:13:17,869

County Sheriff the State Police and

240

00:13:24,140 --> 00:13:21,660

airports to receive calls from people

241

00:13:26,690 --> 00:13:24,150

who believed they had seen a UFO

242

00:13:29,420 --> 00:13:26,700

the police didn't want these calls and

243

00:13:32,990 --> 00:13:29,430

MUFON did so it was a good marriage in

244

00:13:35,810 --> 00:13:33,000

late September of that year from the

245

00:13:39,500 --> 00:13:35,820

small town west of Lansing where I

246

00:13:42,100 --> 00:13:39,510

resided I received about seven o'clock

247

00:13:45,019 --> 00:13:42,110

in the minutes there after three calls

248

00:13:47,930 --> 00:13:45,029

right in a row by people who said they

249

00:13:51,079 --> 00:13:47,940

had seen and on red light

250

00:13:55,220 --> 00:13:51,089

meandering over a river that coursed

251
00:13:59,260 --> 00:13:55,230
through Lansing well I went out on to my

252
00:14:02,300 --> 00:13:59,270
back property and looked eastward toward

253
00:14:04,600 --> 00:14:02,310
Lansing to determine what these people

254
00:14:07,160 --> 00:14:04,610
were looking at either something easily

255
00:14:11,390 --> 00:14:07,170
identified or perhaps something more

256
00:14:14,420 --> 00:14:11,400
than that as I was looking and dusk was

257
00:14:17,900 --> 00:14:14,430
falling that stars just starting to pop

258
00:14:20,870 --> 00:14:17,910
out what I thought were two stars

259
00:14:25,610 --> 00:14:20,880
suddenly and simultaneously started

260
00:14:28,250 --> 00:14:25,620
moving one went further east and the

261
00:14:32,600 --> 00:14:28,260
other approached my little town going

262
00:14:35,600 --> 00:14:32,610
west as it came closer I could tell this

263
00:14:39,350 --> 00:14:35,610

was not just a single red light it was

264

00:14:42,970 --> 00:14:39,360

actually four lights to red and two

265

00:14:46,760 --> 00:14:42,980

green at opposite corners of a square

266

00:14:50,240 --> 00:14:46,770

formation perhaps ten feet to a side and

267

00:14:52,910 --> 00:14:50,250

they were blinking red and green now I

268

00:14:56,390 --> 00:14:52,920

didn't know a lot of things but I did

269

00:14:59,300 --> 00:14:56,400

know that FAA rules prohibited any

270

00:15:03,740 --> 00:14:59,310

aircraft or helicopter or anything

271

00:15:06,470 --> 00:15:03,750

flying from having two green lights so I

272

00:15:09,650 --> 00:15:06,480

opened the back door and shouted into my

273

00:15:13,160 --> 00:15:09,660

then wife I just got a drive on this one

274

00:15:16,030 --> 00:15:13,170

I hopped into my Mustang charged out on

275

00:15:20,030 --> 00:15:16,040

to the County Road heading farther west

276

00:15:25,730 --> 00:15:20,040

by now these lights still in a square

277

00:15:28,400 --> 00:15:25,740

still blinking red green red I was

278

00:15:31,460 --> 00:15:28,410

trying to catch up with them from

279

00:15:35,120 --> 00:15:31,470

perhaps a half-mile behind thank

280

00:15:39,860 --> 00:15:35,130

what if a cop stops you it's all a right

281

00:15:42,820 --> 00:15:39,870

officer I am chasing a UFO well that

282

00:15:47,480 --> 00:15:42,830

wasn't going to work several miles

283

00:15:51,710 --> 00:15:47,490

farther west there was a little tiny

284

00:15:54,620 --> 00:15:51,720

village set off the road and as the

285

00:15:57,320 --> 00:15:54,630

lights and I chasing them approached

286

00:16:00,200 --> 00:15:57,330

this village they suddenly shocked

287

00:16:02,930 --> 00:16:00,210

diagonally across the road and over that

288

00:16:07,280 --> 00:16:02,940

little one block business district of

289

00:16:10,070 --> 00:16:07,290

the village as they did it lit up and

290

00:16:13,820 --> 00:16:10,080

the sky for many thousands of feet above

291

00:16:17,240 --> 00:16:13,830

it lit up in white for just a split

292

00:16:20,480 --> 00:16:17,250

second like a flash bulb and I thought

293

00:16:22,850 --> 00:16:20,490

whoever this is they just took a picture

294

00:16:25,460 --> 00:16:22,860

of this little village that makes no

295

00:16:27,980 --> 00:16:25,470

sense well the lights kept going

296

00:16:30,920 --> 00:16:27,990

angularly to the northwest and I knew

297

00:16:33,920 --> 00:16:30,930

the road continued straight west so I

298

00:16:36,830 --> 00:16:33,930

had to get off it I found a gravel road

299

00:16:41,180 --> 00:16:36,840

to the north and then one to the west

300

00:16:43,460 --> 00:16:41,190

and north and west I was losing distance

301
00:16:47,570 --> 00:16:43,470
to the lights which were going as they

302
00:16:50,830 --> 00:16:47,580
say as the crow flies trees were up

303
00:16:54,050 --> 00:16:50,840
close to the road I was flying down

304
00:16:56,450 --> 00:16:54,060
rolling gravel roads hoping that I

305
00:17:00,830 --> 00:16:56,460
didn't encounter any car coming the

306
00:17:04,910 --> 00:17:00,840
other way and finally after a number of

307
00:17:08,930 --> 00:17:04,920
minutes the trees gave way around me the

308
00:17:12,560 --> 00:17:08,940
road straightened out into a large area

309
00:17:16,010 --> 00:17:12,570
of farm fields and there they were the

310
00:17:18,680 --> 00:17:16,020
same red lights in the square red and

311
00:17:22,790 --> 00:17:18,690
green blinking alternately they were

312
00:17:26,270 --> 00:17:22,800
situated some 50 or 60 yards away from

313
00:17:29,810 --> 00:17:26,280

me hovering perhaps 10 or 15 feet above

314

00:17:32,300 --> 00:17:29,820

a field I pulled off on to a driveway

315

00:17:36,320 --> 00:17:32,310

that led way back to a darkened

316

00:17:38,480 --> 00:17:36,330

farmhouse angled my car toward the

317

00:17:41,340 --> 00:17:38,490

lights and all I could think to do

318

00:17:44,730 --> 00:17:41,350

initially was to try something like a

319

00:17:47,130 --> 00:17:44,740

Morse code which I didn't know with my

320

00:17:51,090 --> 00:17:47,140

headlights blinking blinking blinking

321

00:17:55,710 --> 00:17:51,100

and so forth did the lights kept going

322

00:17:58,500 --> 00:17:55,720

red and green slowly and hovering above

323

00:18:00,930 --> 00:17:58,510

this field after some five minutes of

324

00:18:03,390 --> 00:18:00,940

trying my quote-unquote Morse code I

325

00:18:07,110 --> 00:18:03,400

thought well it's time to do what you

326

00:18:10,680 --> 00:18:07,120

came here to do walk right up underneath

327

00:18:12,570 --> 00:18:10,690

them and see what happens I opened the

328

00:18:15,930 --> 00:18:12,580

door of my Mustang

329

00:18:20,730 --> 00:18:15,940

I stood up between the body and the door

330

00:18:24,060 --> 00:18:20,740

of the car and something happened I went

331

00:18:27,210 --> 00:18:24,070

blank in my mind I don't know for how

332

00:18:31,080 --> 00:18:27,220

long perhaps a minute perhaps an hour

333

00:18:33,539 --> 00:18:31,090

I just don't know it to this day when I

334

00:18:36,810 --> 00:18:33,549

kind of came back and do a full

335

00:18:39,060 --> 00:18:36,820

awareness again the lights were no

336

00:18:41,120 --> 00:18:39,070

longer in front of me and I thought what

337

00:18:44,340 --> 00:18:41,130

the hey and I whirled around

338

00:18:48,180 --> 00:18:44,350

instinctively and now they were behind

339

00:18:50,419 --> 00:18:48,190

me in an adjacent farm field still about

340

00:18:53,700 --> 00:18:50,429

twelve or fifteen feet above the ground

341

00:18:57,419 --> 00:18:53,710

still blinking in this monotonous red

342

00:18:59,940 --> 00:18:57,429

green fashion but the thought of walking

343

00:19:03,390 --> 00:18:59,950

up to them never occurred to me again

344

00:19:06,090 --> 00:19:03,400

and I got a queasy feeling I'm

345

00:19:09,810 --> 00:19:06,100

interrupting something whoever is behind

346

00:19:14,100 --> 00:19:09,820

these lights they have some sort of an

347

00:19:18,270 --> 00:19:14,110

agenda which I am delaying so I started

348

00:19:22,320 --> 00:19:18,280

my car and I drove away when I got back

349

00:19:25,230 --> 00:19:22,330

home it was now dark I really did not

350

00:19:27,750 --> 00:19:25,240

check a clock to see how long I had been

351

00:19:31,770 --> 00:19:27,760

gone it was longer than I should have

352

00:19:34,980 --> 00:19:31,780

been but I lay down in my lazy boy chair

353

00:19:38,340 --> 00:19:34,990

and I just started rocking and thinking

354

00:19:41,100 --> 00:19:38,350

whoever these guys are they don't need

355

00:19:43,830 --> 00:19:41,110

weapons they just bend your mind a

356

00:19:47,850 --> 00:19:43,840

little bit and you do exactly what they

357

00:19:59,250 --> 00:19:47,860

want in my case it was to drive away

358

00:20:00,690 --> 00:19:59,260

I have a story for you that is actually

359

00:20:02,460 --> 00:20:00,700

my daughter story and I tried to get her

360

00:20:05,100 --> 00:20:02,470

to tell it she'll do photographs you

361

00:20:07,049 --> 00:20:05,110

know for her Facebook so I did manage to

362

00:20:09,060 --> 00:20:07,059

get her to do a note about it after she

363

00:20:10,860 --> 00:20:09,070

told me it happened in February she

364

00:20:13,200 --> 00:20:10,870

calls me up it's around 8 o'clock in the

365

00:20:14,789 --> 00:20:13,210

morning and she's like I answer the

366

00:20:17,220 --> 00:20:14,799

phone I'm still in the bed and she's

367

00:20:20,399 --> 00:20:17,230

like mom you're not gonna believe how

368

00:20:22,889 --> 00:20:20,409

insignificant we are I was like what and

369

00:20:24,210 --> 00:20:22,899

she says you you just don't even know

370

00:20:26,310 --> 00:20:24,220

you just don't even know

371

00:20:27,930 --> 00:20:26,320

I've been waiting all night to call you

372

00:20:29,669 --> 00:20:27,940

I've not even been to bed you're not

373

00:20:31,169 --> 00:20:29,679

gonna believe what I saw she was well

374

00:20:33,029 --> 00:20:31,179

actually if anyone would believe it it

375

00:20:35,669 --> 00:20:33,039

will be you but you're not gonna believe

376

00:20:37,110 --> 00:20:35,679

what I saw and I was like what you know

377

00:20:40,649 --> 00:20:37,120

I'm confused what are you

378

00:20:42,269 --> 00:20:40,659

talking about so um she tells me that

379

00:20:43,680 --> 00:20:42,279

she was gonna call me soon as it

380

00:20:44,879 --> 00:20:43,690

happened but her boyfriend convinced her

381

00:20:47,909 --> 00:20:44,889

that it was too late at night not to

382

00:20:49,500 --> 00:20:47,919

bother calling me and she hadn't been

383

00:20:51,299 --> 00:20:49,510

able to sleep so she called me as soon

384

00:20:52,529 --> 00:20:51,309

as she just couldn't wait anymore which

385

00:20:56,129 --> 00:20:52,539

was surrounding in the morning

386

00:20:58,590 --> 00:20:56,139

she's a very um very private person

387

00:21:00,360 --> 00:20:58,600

but this was bigger than her as she put

388

00:21:02,310 --> 00:21:00,370

it this was bigger than everything that

389

00:21:05,519 --> 00:21:02,320

you think you know or anything they'll

390

00:21:08,820 --> 00:21:05,529

ever tell you they'd be in society

391

00:21:10,710 --> 00:21:08,830

churches everything so I'm just gonna

392

00:21:13,950 --> 00:21:10,720

read you the note that she put on her

393

00:21:15,570 --> 00:21:13,960

facebook last night while my boyfriend

394

00:21:17,700 --> 00:21:15,580

and I were laying on the couch watching

395

00:21:20,100 --> 00:21:17,710

TV he saw a light out of the corner of

396

00:21:22,320 --> 00:21:20,110

his eye and told me to look at how low

397

00:21:23,820 --> 00:21:22,330

the plane was when we opened the blinds

398

00:21:26,730 --> 00:21:23,830

and got a better look we realized that

399

00:21:28,259 --> 00:21:26,740

it was an irregularly shaped aircraft so

400

00:21:30,629 --> 00:21:28,269

low to the ground it was almost brushing

401
00:21:32,340 --> 00:21:30,639
the tops of the trees there was no sound

402
00:21:35,669 --> 00:21:32,350
in the room and yet we couldn't hear the

403
00:21:37,289 --> 00:21:35,679
act the aircraft making noise at all it

404
00:21:39,750 --> 00:21:37,299
was completely silent and gliding

405
00:21:42,750 --> 00:21:39,760
smoothly it had four lights on the

406
00:21:45,299 --> 00:21:42,760
underside in a row a white a red another

407
00:21:47,340 --> 00:21:45,309
white and then a blue in the front set

408
00:21:49,110 --> 00:21:47,350
apart from the rest was a bright white

409
00:21:51,690 --> 00:21:49,120
light that was bigger than the others I

410
00:21:54,269 --> 00:21:51,700
couldn't make out a body shape it looked

411
00:21:56,010 --> 00:21:54,279
almost like floating lights common sense

412
00:21:57,750 --> 00:21:56,020
tells me that if there was a body the

413
00:21:58,259 --> 00:21:57,760

bright lights would have illuminated it

414

00:22:00,989 --> 00:21:58,269

enough

415

00:22:03,299 --> 00:22:00,999

for me to sing I knew immediately what I

416

00:22:05,249 --> 00:22:03,309

was looking at in the instant that I saw

417

00:22:07,709 --> 00:22:05,259

it within two seconds the lights began

418

00:22:10,109 --> 00:22:07,719

cutting off one by one starting in the

419

00:22:12,269 --> 00:22:10,119

front with the bigger brighter light the

420

00:22:15,449 --> 00:22:12,279

others cut off in the back one by one

421

00:22:18,810 --> 00:22:15,459

from left to right it was over in about

422

00:22:21,089 --> 00:22:18,820

15 seconds it was massive and hovering

423

00:22:23,759 --> 00:22:21,099

directly above the backyard I was

424

00:22:26,310 --> 00:22:23,769

looking up at it directly under it it

425

00:22:28,799 --> 00:22:26,320

was approximately 30 feet wide and 20

426
00:22:30,269 --> 00:22:28,809
feet long now after she wrote this note

427
00:22:33,659 --> 00:22:30,279
we got to talking about the size

428
00:22:36,539 --> 00:22:33,669
comparison you know compared to the

429
00:22:40,409 --> 00:22:36,549
mobile home she's in which is surrounded

430
00:22:42,389 --> 00:22:40,419
by trees it's in LeCun I don't know it's

431
00:22:43,560 --> 00:22:42,399
like a cutout in the woods at the

432
00:22:45,779 --> 00:22:43,570
beginning of their neighborhood

433
00:22:47,399 --> 00:22:45,789
surrounded by trees there's a water sort

434
00:22:49,979 --> 00:22:47,409
of like a water runoff in the back it's

435
00:22:52,739 --> 00:22:49,989
swampy behind that tree line in their

436
00:22:55,289 --> 00:22:52,749
backyard and it's bigger than what she

437
00:22:58,409 --> 00:22:55,299
thought the 30 by 20 it's bigger she

438
00:23:00,180 --> 00:22:58,419

realized afterward my boyfriend in our

439

00:23:01,829 --> 00:23:00,190

own edge waiting to see something else

440

00:23:05,819 --> 00:23:01,839

when we finally settled back down

441

00:23:08,339 --> 00:23:05,829

exactly one hour later we saw another it

442

00:23:10,169 --> 00:23:08,349

was going the opposite direction of the

443

00:23:12,029 --> 00:23:10,179

first and it was completely different

444

00:23:14,759 --> 00:23:12,039

this one made a slight humming noise

445

00:23:17,099 --> 00:23:14,769

just hardly loud enough to hear and it

446

00:23:18,719 --> 00:23:17,109

had a wingspan like a plane but they

447

00:23:22,199 --> 00:23:18,729

were squared as opposed to be an

448

00:23:25,049 --> 00:23:22,209

aerodynamic for red lights land the

449

00:23:26,999 --> 00:23:25,059

wings fan that was a mass on the back

450

00:23:29,669 --> 00:23:27,009

but I couldn't make out what shape it

451
00:23:32,249 --> 00:23:29,679
was in as it happened faster than the

452
00:23:34,139 --> 00:23:32,259
first one I ran to the next window after

453
00:23:35,819 --> 00:23:34,149
it was out of my eyesight to get a

454
00:23:38,430 --> 00:23:35,829
better look but it was gone

455
00:23:40,139 --> 00:23:38,440
no noise nothing the strangest thing

456
00:23:42,269 --> 00:23:40,149
about all of it was that my boyfriend

457
00:23:45,119 --> 00:23:42,279
and I saw different colors on the second

458
00:23:47,609 --> 00:23:45,129
one although we saw the exact same thing

459
00:23:50,430 --> 00:23:47,619
at the exact same time I saw four red

460
00:23:51,899 --> 00:23:50,440
lights and he saw four yellow I trust

461
00:23:54,239 --> 00:23:51,909
without a doubt that he knows what he

462
00:23:57,359 --> 00:23:54,249
just what he saw just as he trusts me

463
00:23:59,430 --> 00:23:57,369

there's no explanation as to why we

464

00:24:03,990 --> 00:23:59,440

would see two separate things while

465

00:24:06,420 --> 00:24:04,000

staring at the same thing finally today

466

00:24:08,370 --> 00:24:06,430

at 5:30 p.m. right as the Sun was

467

00:24:10,290 --> 00:24:08,380

starting to set we saw out the back

468

00:24:13,650 --> 00:24:10,300

kitchen window some sort of smoothie

469

00:24:16,110 --> 00:24:13,660

smoothly gliding mass it wasn't round it

470

00:24:18,540 --> 00:24:16,120

wasn't oblong it wasn't cylindrical I

471

00:24:20,820 --> 00:24:18,550

couldn't put my finger on how to explain

472

00:24:23,400 --> 00:24:20,830

it all I really took away from it was

473

00:24:24,360 --> 00:24:23,410

that it had purpose it looked like it

474

00:24:27,240 --> 00:24:24,370

was on a mission

475

00:24:29,790 --> 00:24:27,250

it just wasn't floating along smacking

476
00:24:31,980 --> 00:24:29,800
into the limbs it dodged them and landed

477
00:24:34,110 --> 00:24:31,990
on the ground by the time I got on my

478
00:24:37,470 --> 00:24:34,120
shoes and ran into the woods it was gone

479
00:24:39,570 --> 00:24:37,480
all in all what I saw was undeniable I

480
00:24:42,540 --> 00:24:39,580
couldn't write it off as something else

481
00:24:45,900 --> 00:24:42,550
because it wasn't far away it was close

482
00:24:47,340 --> 00:24:45,910
enough to throw rocks at I'm not crazy

483
00:24:49,200 --> 00:24:47,350
I'm not on drugs

484
00:24:55,020 --> 00:24:49,210
I wasn't under the influence of anything

485
00:24:58,890 --> 00:24:55,030
and what she kept saying afterwards was

486
00:25:00,750 --> 00:24:58,900
constant was all the time it was you're

487
00:25:02,340 --> 00:25:00,760
insignificant I would ask her are you

488
00:25:04,500 --> 00:25:02,350

coming over for dinner tonight she'd go

489

00:25:06,390 --> 00:25:04,510

yeah I'd say well what do you want he

490

00:25:08,400 --> 00:25:06,400

should go doesn't really matter it's

491

00:25:10,290 --> 00:25:08,410

insignificant and I'd be like oh come on

492

00:25:13,200 --> 00:25:10,300

she'd laugh and go I'm serious mom

493

00:25:16,710 --> 00:25:13,210

there's nothing matters anymore nothing

494

00:25:19,560 --> 00:25:16,720

is what we think it is nothing and for

495

00:25:23,790 --> 00:25:19,570

people that doubt her she says um her

496

00:25:26,340 --> 00:25:23,800

exact quote you can be a believer oh you

497

00:25:29,910 --> 00:25:26,350

don't believe asking me how to call

498

00:25:31,230 --> 00:25:29,920

1-800 you didn't see what I saw her

499

00:25:34,290 --> 00:25:31,240

boyfriend never believed in any of that

500

00:25:38,730 --> 00:25:34,300

ever he's from North Carolina he's very

501
00:25:40,920 --> 00:25:38,740
very down-home very you know and he said

502
00:25:42,720 --> 00:25:40,930
he doesn't need to see nothing Alex he

503
00:25:45,150 --> 00:25:42,730
don't need to see anything else to know

504
00:25:48,900 --> 00:25:45,160
to know that things are not what we have

505
00:25:50,280 --> 00:25:48,910
been told she said it changed her

506
00:25:54,000 --> 00:25:50,290
outlook on everything

507
00:25:56,580 --> 00:25:54,010
I felt insignificant and yet so print

508
00:25:58,380 --> 00:25:56,590
privileged and I know she felt

509
00:26:00,560 --> 00:25:58,390
privileged I would have loved to have

510
00:26:04,050 --> 00:26:00,570
seen that whatever it was that she saw

511
00:26:05,580 --> 00:26:04,060
whatever it was she saw was powerful it

512
00:26:12,260 --> 00:26:05,590
changed my child

513
00:26:15,930 --> 00:26:12,270

not sleep solid for almost two months

514

00:26:17,340 --> 00:26:15,940

just sleep did not happen for her she

515

00:26:20,870 --> 00:26:17,350

was a little scared

516

00:26:23,100 --> 00:26:20,880

she was confused anybody would be but uh

517

00:26:25,259 --> 00:26:23,110

she's one of the same as people I know

518

00:26:30,389 --> 00:26:25,269

she's the grounded one she keeps me in

519

00:26:31,799 --> 00:26:30,399

check so that's her story and around

520

00:26:32,460 --> 00:26:31,809

that same time I did a little research

521

00:26:34,769 --> 00:26:32,470

online

522

00:26:36,749 --> 00:26:34,779

they have like websites and different

523

00:26:38,399 --> 00:26:36,759

things where you can check reports that

524

00:26:41,999 --> 00:26:38,409

were made in your area or in other areas

525

00:26:45,690 --> 00:26:42,009

and quite a few reports were made within

526

00:26:48,680 --> 00:26:45,700

the about 15 to 20 days around that

527

00:26:51,269 --> 00:26:48,690

timeframe give or take for this area

528

00:26:55,350 --> 00:26:51,279

right through the Edgecombe County mash

529

00:26:59,190 --> 00:26:55,360

County Wilson County area there were a

530

00:27:01,980 --> 00:26:59,200

string of events publicly viewed in I

531

00:27:05,639 --> 00:27:01,990

think it was Arizona right around the

532

00:27:08,970 --> 00:27:05,649

same time I mean like police officers

533

00:27:11,970 --> 00:27:08,980

and lawyers and I mean people with

534

00:27:14,580 --> 00:27:11,980

stature in the community witness didn't

535

00:27:17,789 --> 00:27:14,590

were like you know I know what I saw and

536

00:27:20,519 --> 00:27:17,799

of course no one doubts them but uh yes

537

00:27:21,899 --> 00:27:20,529

so um I believe my daughter and not

538

00:27:27,659 --> 00:27:21,909

because she's my kid but because I know

539

00:27:35,100 --> 00:27:27,669

where so there's her story and she says

540

00:27:39,830 --> 00:27:35,110

we're insignificant hello my name is

541

00:27:43,860 --> 00:27:39,840

Larry Gaston and when I was

542

00:27:49,080 --> 00:27:43,870

approximately 15 years old this would be

543

00:27:55,110 --> 00:27:49,090

somewhere around 1968 somewhere in there

544

00:27:56,610 --> 00:27:55,120

I had a UFO sighting this was something

545

00:28:00,539 --> 00:27:56,620

that changed my life

546

00:28:02,909 --> 00:28:00,549

my friend and I we lived in upstate New

547

00:28:05,879 --> 00:28:02,919

York I'd say upstate New York probably

548

00:28:09,539 --> 00:28:05,889

about 50 miles north of New York City in

549

00:28:15,840 --> 00:28:09,549

a town called Monroe New York my friend

550

00:28:19,289 --> 00:28:15,850

and I lived next to each other and we

551
00:28:22,490 --> 00:28:19,299
liked to fish and we were always curious

552
00:28:27,710 --> 00:28:22,500
to see if catfish would

553
00:28:29,750 --> 00:28:27,720
bite from if we went out in a boat on

554
00:28:32,150 --> 00:28:29,760
the lake we had a lake right next door

555
00:28:35,810 --> 00:28:32,160
to us it was called orange and Rockland

556
00:28:37,640 --> 00:28:35,820
wait very small wage but had stocked

557
00:28:40,520 --> 00:28:37,650
well with fish and people always used

558
00:28:42,380 --> 00:28:40,530
its fishin but we had this idea that we

559
00:28:46,640 --> 00:28:42,390
would go out at night in a row boat and

560
00:28:50,360 --> 00:28:46,650
go catfishing and so we go and we get in

561
00:28:53,900 --> 00:28:50,370
the boat and roll out to oh I don't know

562
00:28:55,520 --> 00:28:53,910
somewhere probably about 50 60 feet

563
00:28:57,860 --> 00:28:55,530

offshore maybe a little bit more than

564

00:29:00,740 --> 00:28:57,870

that and we're just sitting there it's a

565

00:29:03,050 --> 00:29:00,750

clear night stars are out

566

00:29:04,940 --> 00:29:03,060

you know we're fishing we're not really

567

00:29:07,940 --> 00:29:04,950

getting anything so we're just basically

568

00:29:12,620 --> 00:29:07,950

talking to each other and looking up at

569

00:29:17,870 --> 00:29:12,630

the stars and as I'm looking to thee I

570

00:29:20,440 --> 00:29:17,880

want to say duh North East I spot

571

00:29:23,540 --> 00:29:20,450

something something catches my eye and

572

00:29:26,660 --> 00:29:23,550

what it appears to be is a meteor at

573

00:29:29,890 --> 00:29:26,670

first but then I realize that it's

574

00:29:31,760 --> 00:29:29,900

traveling in an upwards direction and

575

00:29:34,640 --> 00:29:31,770

everything that I do

576
00:29:37,940 --> 00:29:34,650
told me to meteors you know fall down or

577
00:29:40,790 --> 00:29:37,950
parallel or at a great angle coming

578
00:29:43,910 --> 00:29:40,800
downward from the sky so this was kind

579
00:29:45,710 --> 00:29:43,920
of puzzling to me and so I mentioned it

580
00:29:50,810 --> 00:29:45,720
to my friend my friend's name was Lanie

581
00:29:53,840 --> 00:29:50,820
and I said Wayne what is that it does

582
00:29:57,050 --> 00:29:53,850
that's not a meteor and we started to

583
00:30:00,800 --> 00:29:57,060
look at it and we watched it traveling

584
00:30:04,610 --> 00:30:00,810
in an upward direction coming from the

585
00:30:07,360 --> 00:30:04,620
Northeast and what was puzzling about

586
00:30:09,790 --> 00:30:07,370
this was that

587
00:30:14,250 --> 00:30:09,800
when you looked at it it looked like a

588
00:30:17,770 --> 00:30:14,260

star traveling at a lower altitude and

589

00:30:20,410 --> 00:30:17,780

it just kept coming and coming and then

590

00:30:25,870 --> 00:30:20,420

all of a sudden something dawned on me

591

00:30:29,650 --> 00:30:25,880

that I was looking at I don't know how

592

00:30:34,540 --> 00:30:29,660

to express it it was just it the light

593

00:30:37,210 --> 00:30:34,550

was moving it you know it dawned on me

594

00:30:39,880 --> 00:30:37,220

that this thing whatever it was was

595

00:30:42,640 --> 00:30:39,890

traveling at a higher rate of speed and

596

00:30:46,620 --> 00:30:42,650

that what we were looking at was it was

597

00:30:50,920 --> 00:30:46,630

at a higher altitude and it was

598

00:30:52,990 --> 00:30:50,930

traveling upward and it was giving us

599

00:30:55,180 --> 00:30:53,000

the impression that it was traveling

600

00:30:57,820 --> 00:30:55,190

upward but what it was doing in

601
00:31:00,100 --> 00:30:57,830
actuality was it was following the

602
00:31:03,880 --> 00:31:00,110
curvature of the earth and it's very

603
00:31:06,880 --> 00:31:03,890
hard to express this and your mind just

604
00:31:09,280 --> 00:31:06,890
sort of is bottled by this at first but

605
00:31:11,440 --> 00:31:09,290
then what happens is we're following the

606
00:31:14,620 --> 00:31:11,450
start at Wayne and I are both locked on

607
00:31:17,440 --> 00:31:14,630
this and all of a sudden it gets to

608
00:31:20,980 --> 00:31:17,450
about 11 o'clock position in the sky

609
00:31:23,590 --> 00:31:20,990
stops dead on a dime now now we're

610
00:31:25,270 --> 00:31:23,600
freaked out because this is something

611
00:31:27,220 --> 00:31:25,280
we've never seen before in our entire

612
00:31:29,860 --> 00:31:27,230
lives I've never seen anything like this

613
00:31:33,340 --> 00:31:29,870

and I'm trying to figure out what what's

614

00:31:36,670 --> 00:31:33,350

Columba and as we stand you know we were

615

00:31:38,850 --> 00:31:36,680

in the boat looking at this and trying

616

00:31:41,230 --> 00:31:38,860

to figure out how this is even possible

617

00:31:42,970 --> 00:31:41,240

you know there's no aircraft that we

618

00:31:45,100 --> 00:31:42,980

know that can do something like this and

619

00:31:49,030 --> 00:31:45,110

I mean this is just a solid white light

620

00:31:53,590 --> 00:31:49,040

like a like a star and we were focused

621

00:31:57,850 --> 00:31:53,600

on it and what seemed to be Oh minutes

622

00:32:00,190 --> 00:31:57,860

but it was probably you know 30 seconds

623

00:32:01,720 --> 00:32:00,200

maybe maybe a little bit more but it

624

00:32:05,730 --> 00:32:01,730

seemed like it was just words

625

00:32:09,659 --> 00:32:05,740

you know mesmerised by that's big

626

00:32:13,169 --> 00:32:09,669

we look at it and all of a sudden this

627

00:32:16,940 --> 00:32:13,179

thing changes direction and shoots

628

00:32:20,310 --> 00:32:16,950

across the sky going south at an

629

00:32:22,169 --> 00:32:20,320

unbelievable pace I mean this thing just

630

00:32:24,180 --> 00:32:22,179

shot across the sky faster than anything

631

00:32:27,990 --> 00:32:24,190

I had ever seen before in my entire life

632

00:32:31,529 --> 00:32:28,000

and it completely went all the way to

633

00:32:33,510 --> 00:32:31,539

the horizon I mean we could see see it

634

00:32:36,180 --> 00:32:33,520

for as long as we could and it was a

635

00:32:40,799 --> 00:32:36,190

mere cover up vast distance but it was

636

00:32:45,000 --> 00:32:40,809

gone it was just gone and that was the

637

00:32:47,460 --> 00:32:45,010

first time that reality hit me and I

638

00:32:51,060 --> 00:32:47,470

realized that we are not alone in the

639

00:32:53,850 --> 00:32:51,070

universe and at that point you know the

640

00:32:59,639 --> 00:32:53,860

1968 we're just there basically we just

641

00:33:01,950 --> 00:32:59,649

landed on the moon you know and we we

642

00:33:04,860 --> 00:33:01,960

had no idea what this was all we knew

643

00:33:06,960 --> 00:33:04,870

was it moved really fast and it had some

644

00:33:14,310 --> 00:33:06,970

extraordinary capabilities to be able to

645

00:33:15,840 --> 00:33:14,320

stop on a dime like that so when we you

646

00:33:17,519 --> 00:33:15,850

know it's a parent talk to each other it

647

00:33:19,620 --> 00:33:17,529

was just like we were just so amazed and

648

00:33:22,560 --> 00:33:19,630

we couldn't wait to tell anybody I mean

649

00:33:24,750 --> 00:33:22,570

it was like the next day in school you

650

00:33:29,100 --> 00:33:24,760

know I'm like a freshman in high school

651
00:33:31,230 --> 00:33:29,110
and but we're trying to express

652
00:33:33,659 --> 00:33:31,240
everybody we saw a UFO and everybody's

653
00:33:38,460 --> 00:33:33,669
laughing at oh yeah sure what do you

654
00:33:41,850 --> 00:33:38,470
guys smoke you know and it was just it

655
00:33:45,029 --> 00:33:41,860
was so profound that you know I realized

656
00:33:47,130 --> 00:33:45,039
that the possibility that were not were

657
00:33:49,169 --> 00:33:47,140
not alone in the universe is very real

658
00:33:54,630 --> 00:33:49,179
and so that changed my whole perspective

659
00:34:00,180 --> 00:33:54,640
on this and so at that point I started

660
00:34:02,970 --> 00:34:00,190
delving into UFO research to see what

661
00:34:05,380 --> 00:34:02,980
other kind of things had happened you

662
00:34:07,880 --> 00:34:05,390
know I started to learn about

663
00:34:10,460 --> 00:34:07,890

you know all the different every book

664

00:34:12,830 --> 00:34:10,470

that I could possibly pick up I picked

665

00:34:15,070 --> 00:34:12,840

up and read all these countless you know

666

00:34:19,310 --> 00:34:15,080

stories and calendars things like that

667

00:34:21,350 --> 00:34:19,320

and it just amazed me I realized that

668

00:34:23,090 --> 00:34:21,360

you know I wasn't the only one but you

669

00:34:26,180 --> 00:34:23,100

know I had a witness with me we both saw

670

00:34:28,370 --> 00:34:26,190

this when knew we weren't crazy and so

671

00:34:31,540 --> 00:34:28,380

you know that was one of the things that

672

00:34:34,160 --> 00:34:31,550

that started this whole thing for me and

673

00:34:37,390 --> 00:34:34,170

so that was the first encounter that I

674

00:34:42,320 --> 00:34:37,400

had you know I had a witness with me

675

00:34:44,360 --> 00:34:42,330

studied UFOs for ever I mean had never

676

00:34:46,070 --> 00:34:44,370

lost my interest in it I was always you

677

00:34:48,320 --> 00:34:46,080

know we need to know somebody needs to

678

00:34:53,030 --> 00:34:48,330

know about this know we got to get this

679

00:34:56,570 --> 00:34:53,040

out in the open so after years and years

680

00:34:59,150 --> 00:34:56,580

and years you know being ridiculed and

681

00:35:01,760 --> 00:34:59,160

not being you know taken seriously on

682

00:35:03,860 --> 00:35:01,770

this I basically had put it on the back

683

00:35:06,290 --> 00:35:03,870

burners you know realizing okay I've

684

00:35:09,920 --> 00:35:06,300

been fortunate enough to be witness to

685

00:35:14,900 --> 00:35:09,930

this the the world is probably not ready

686

00:35:18,620 --> 00:35:14,910

for this what what is it you know who is

687

00:35:22,100 --> 00:35:18,630

this what are they doing and error they

688

00:35:25,430 --> 00:35:22,110

of just observing us or is there contact

689

00:35:27,860 --> 00:35:25,440

being made this is the first the first

690

00:35:29,600 --> 00:35:27,870

thing that happened to me and I'm gonna

691

00:35:36,650 --> 00:35:29,610

say it back in 1968

692

00:35:41,270 --> 00:35:36,660

it wasn't until 2003 when my wife and I

693

00:35:48,469 --> 00:35:41,280

had the second encounter that I got a

694

00:35:58,370 --> 00:35:53,430

reinforced my belief that we were not

695

00:36:01,109 --> 00:35:58,380

allowed this thing shot out this guy

696

00:36:06,390 --> 00:36:01,119

came down like a shooting star stopped

697

00:36:10,199 --> 00:36:06,400

dead lights came on it moved towards us

698

00:36:12,329 --> 00:36:10,209

my wife and I saw it it was about 800

699

00:36:15,539 --> 00:36:12,339

feet somewhere 800 thousand feet maybe

700

00:36:18,239 --> 00:36:15,549

from us in the air and this thing was at

701
00:36:20,609 --> 00:36:18,249
least we estimated after you know

702
00:36:24,900 --> 00:36:20,619
thinking about it that it was probably

703
00:36:30,089 --> 00:36:24,910
somewhere in the vicinity of the diamond

704
00:36:33,809 --> 00:36:30,099
shaped craft that was a hundred feet are

705
00:36:38,640 --> 00:36:33,819
not 150 200 feet tall and maybe a

706
00:36:40,859 --> 00:36:38,650
hundred feet at Frost and it had a head

707
00:36:45,029 --> 00:36:40,869
red and white and green lights on it and

708
00:36:49,140 --> 00:36:45,039
it also when it had windows and it will

709
00:36:51,479 --> 00:36:49,150
back lift from the inside and when we

710
00:36:53,489 --> 00:36:51,489
you know I I was staring at the windows

711
00:36:56,999 --> 00:36:53,499
saying okay am I gonna see a silhouette

712
00:36:59,099 --> 00:36:57,009
of a an individual person alien what am

713
00:37:03,239 --> 00:36:59,109

I going to see and the one thing that I

714

00:37:05,299 --> 00:37:03,249

did notice was a structural support much

715

00:37:08,839 --> 00:37:05,309

like you would see on a large aircraft

716

00:37:14,130 --> 00:37:08,849

that beam that has holes cut into it to

717

00:37:22,079 --> 00:37:14,140

reduce the weight and I also recounted

718

00:37:25,549 --> 00:37:22,089

when when I had to relive that episode

719

00:37:28,979 --> 00:37:25,559

again for the series identified and

720

00:37:33,870 --> 00:37:28,989

Lewis with me when we went back to the

721

00:37:36,029 --> 00:37:33,880

site to recount the event the thing that

722

00:37:37,859 --> 00:37:36,039

popped out there you know popped into my

723

00:37:39,900 --> 00:37:37,869

head off a sudden was I remember looking

724

00:37:41,999 --> 00:37:39,910

at the windows that there was like two

725

00:37:46,680 --> 00:37:42,009

rows of windows and I remembered looking

726

00:37:49,439 --> 00:37:46,690

at the indentation in the craft to

727

00:37:51,779 --> 00:37:49,449

indicate that the walls were thick and

728

00:37:54,989 --> 00:37:51,789

that was something that that just you

729

00:37:56,849 --> 00:37:54,999

know you hear this all time from law

730

00:37:59,670 --> 00:37:56,859

enforcement

731

00:38:02,430 --> 00:37:59,680

people who have the victims recount the

732

00:38:04,430 --> 00:38:02,440

the event and they remember something

733

00:38:11,279 --> 00:38:04,440

else that happened that's details that

734

00:38:17,759 --> 00:38:11,289

the mind hides at first in 2005 I had my

735

00:38:22,999 --> 00:38:17,769

third UFO encounter or a phenomenon that

736

00:38:27,239 --> 00:38:23,009

I have no explanation for it was about

737

00:38:33,509 --> 00:38:27,249

6:30 in the morning my son was living

738

00:38:35,819 --> 00:38:33,519

with me and we lived in McCleskey North

739

00:38:37,489 --> 00:38:35,829

Dakota where I still live just a

740

00:38:41,789 --> 00:38:37,499

different house now

741

00:38:44,609 --> 00:38:41,799

where we where we lived he had taken a

742

00:38:47,370 --> 00:38:44,619

job with a contractor and the contractor

743

00:38:49,140 --> 00:38:47,380

was coming to pick him up his boss was

744

00:38:51,059 --> 00:38:49,150

come to pick him up at belt oh I don't

745

00:38:52,829 --> 00:38:51,069

know 6:30 in the morning something like

746

00:38:55,680 --> 00:38:52,839

that he want to go outside and have a

747

00:38:57,779 --> 00:38:55,690

cigarette before his boss came and it

748

00:39:02,249 --> 00:38:57,789

was warm out probably in June I take

749

00:39:03,509 --> 00:39:02,259

July somewhere in there and I said okay

750

00:39:04,589 --> 00:39:03,519

I'll go out and have a cup of coffee

751

00:39:07,109 --> 00:39:04,599

with you while you're having your

752

00:39:11,160 --> 00:39:07,119

cigarette so we went out and stood in a

753

00:39:14,749 --> 00:39:11,170

driveway and I'm facing to the west he's

754

00:39:18,599 --> 00:39:14,759

facing to the east I'm talking to me and

755

00:39:22,789 --> 00:39:18,609

while we're standing there I looked to

756

00:39:26,009 --> 00:39:22,799

the west and saw what I thought was a

757

00:39:29,489 --> 00:39:26,019

headlight from a tractor out in the

758

00:39:32,549 --> 00:39:29,499

field there were fields to the north

759

00:39:35,549 --> 00:39:32,559

across the highway Highway 200 rounds

760

00:39:39,959 --> 00:39:35,559

east and west and I'm facing west and

761

00:39:42,900 --> 00:39:39,969

off to the west and a distance their

762

00:39:46,589 --> 00:39:42,910

fields out there and what I thought at

763

00:39:49,370 --> 00:39:46,599

first was a light from a tractor and

764

00:39:53,969 --> 00:39:49,380

then it dawned on me that there would be

765

00:39:56,789 --> 00:39:53,979

really no reason for them to be out at

766

00:39:59,670 --> 00:39:56,799

6:30 in the morning doing something and

767

00:40:01,199 --> 00:39:59,680

that kind of now puzzled me but I

768

00:40:03,269 --> 00:40:01,209

figured okay maybe they're out there

769

00:40:04,910 --> 00:40:03,279

doing something so I'm standing there

770

00:40:11,420 --> 00:40:04,920

talking to my son

771

00:40:15,920 --> 00:40:11,430

as the light is moving towards us it's

772

00:40:20,150 --> 00:40:15,930

starting to get larger and when it comes

773

00:40:23,350 --> 00:40:20,160

into sight that I can actually see

774

00:40:29,540 --> 00:40:23,360

what's going on I realized that it's a

775

00:40:32,780 --> 00:40:29,550

luminous ball of light approximately 10

776

00:40:35,420 --> 00:40:32,790

15 foot in diameter and approximately

777

00:40:41,140 --> 00:40:35,430

somewhere between 10 and 20 feet off the

778

00:40:43,880 --> 00:40:41,150

ground and it's just moving to the east

779

00:40:47,780 --> 00:40:43,890

cruising along like there's nothing

780

00:40:52,130 --> 00:40:47,790

nothing to it no sound whatsoever this

781

00:40:56,510 --> 00:40:52,140

thing is just cruising along and the

782

00:41:01,040 --> 00:40:56,520

best way I can describe the the vision

783

00:41:05,990 --> 00:41:01,050

of it is it's almost as if the moon were

784

00:41:10,340 --> 00:41:06,000

on a full you know a full moon lit down

785

00:41:17,660 --> 00:41:10,350

10 15 feet off the the ground moving

786

00:41:19,460 --> 00:41:17,670

across the sky here it was the kind of

787

00:41:20,990 --> 00:41:19,470

thing that you look at you can't make

788

00:41:24,170 --> 00:41:21,000

any sense out of it because you don't

789

00:41:28,100 --> 00:41:24,180

know what it is if at the intensity of a

790

00:41:30,500 --> 00:41:28,110

moon but yet no sound this thing is just

791

00:41:35,060 --> 00:41:30,510

cruising along hovering you know above

792

00:41:36,680 --> 00:41:35,070

the ground not making a sound and when

793

00:41:39,860 --> 00:41:36,690

you see something like this your mind

794

00:41:42,980 --> 00:41:39,870

just goes berserk because you're

795

00:41:46,490 --> 00:41:42,990

paralyzed you your mind is focused on

796

00:41:49,670 --> 00:41:46,500

trying to make sense out of it all your

797

00:41:52,070 --> 00:41:49,680

senses everything is focused on this to

798

00:41:55,520 --> 00:41:52,080

see if you can determine what it is and

799

00:41:58,370 --> 00:41:55,530

and you know based on your perception of

800

00:42:00,650 --> 00:41:58,380

life everything that you've ever seen

801
00:42:03,800 --> 00:42:00,660
before this is something that doesn't

802
00:42:06,830 --> 00:42:03,810
follow the rules of physics or anything

803
00:42:09,050 --> 00:42:06,840
that you know so your mind is just

804
00:42:11,510 --> 00:42:09,060
preoccupied with trying to figure it out

805
00:42:13,130 --> 00:42:11,520
now I've been asked this many times you

806
00:42:14,810 --> 00:42:13,140
know why didn't you just jump in the

807
00:42:17,630 --> 00:42:14,820
squad car because I was Sheriff at the

808
00:42:18,380 --> 00:42:17,640
time why didn't you just jump in a squad

809
00:42:20,870 --> 00:42:18,390
car

810
00:42:24,170 --> 00:42:20,880
and chase it and the best thing I can

811
00:42:27,829 --> 00:42:24,180
say is your your dumbfounded your

812
00:42:30,049 --> 00:42:27,839
paralyzed your your your mind is not

813
00:42:31,789 --> 00:42:30,059

thinking about going to chase it you're

814

00:42:36,230 --> 00:42:31,799

trying to figure out what it is you're

815

00:42:39,440 --> 00:42:36,240

just in awe so we watch this this thing

816

00:42:44,000 --> 00:42:39,450

came closer and closer and finally you

817

00:42:45,500 --> 00:42:44,010

know as we both faced it I made mention

818

00:42:47,240 --> 00:42:45,510

of it right away as soon as I realized

819

00:42:49,490 --> 00:42:47,250

it was a ball of light I told my son

820

00:42:51,410 --> 00:42:49,500

look at this you know and he turned

821

00:42:55,789 --> 00:42:51,420

around and he and I both witnessed this

822

00:42:58,250 --> 00:42:55,799

travel right across from us maybe oh I

823

00:43:01,099 --> 00:42:58,260

don't know somewhere between 20 and 30

824

00:43:04,910 --> 00:43:01,109

miles an hour I guess if it was even

825

00:43:08,059 --> 00:43:04,920

going that fast and if we watched it go

826

00:43:10,910 --> 00:43:08,069

right across the field and keep on going

827

00:43:14,509 --> 00:43:10,920

to the east and like I say you know to

828

00:43:16,609 --> 00:43:14,519

this day I have no explanation as to why

829

00:43:19,759 --> 00:43:16,619

I did not just jump in the squad car and

830

00:43:22,099 --> 00:43:19,769

chase after it I can't I don't have an

831

00:43:24,230 --> 00:43:22,109

explanation it just I've so dumbfounded

832

00:43:28,309 --> 00:43:24,240

looking at this thing and so amazed

833

00:43:31,640 --> 00:43:28,319

trying to figure out what it was and

834

00:43:35,299 --> 00:43:31,650

like they say it was the intensity or

835

00:43:37,309 --> 00:43:35,309

the light that you would see if you were

836

00:43:42,829 --> 00:43:37,319

looking at the moon it was okay it was

837

00:43:45,740 --> 00:43:42,839

white it wasn't clear it wasn't bright

838

00:43:49,279 --> 00:43:45,750

like the Sun or it wasn't anything like

839

00:43:52,999 --> 00:43:49,289

that it was a pale white a luminous you

840

00:43:57,380 --> 00:43:53,009

know object so that was my third

841

00:44:03,200 --> 00:43:57,390

encounter and once again a witness with

842

00:44:08,720 --> 00:44:03,210

me and I have no idea what it was you

843

00:44:11,359 --> 00:44:08,730

know there had been stories of what they

844

00:44:14,329 --> 00:44:11,369

call it ball lightning I think it is and

845

00:44:17,720 --> 00:44:14,339

I had never seen anything like that

846

00:44:20,589 --> 00:44:17,730

before in my life if it was ball

847

00:44:23,909 --> 00:44:20,599

lightning I can't imagine

848

00:44:27,549 --> 00:44:23,919

something being 10-15 foot in diameter

849

00:44:31,089 --> 00:44:27,559

cruising along in a direct line not

850

00:44:35,229 --> 00:44:31,099

wavering up and down it was on a solid

851

00:44:38,439 --> 00:44:35,239

path it was it was almost as if it was

852

00:44:41,679 --> 00:44:38,449

being intelligently controlled to

853

00:44:44,140 --> 00:44:41,689

maintain that altitude or at height off

854

00:44:47,859 --> 00:44:44,150

the ground and the speed that it was it

855

00:44:50,969 --> 00:44:47,869

was a constant speed now I have never

856

00:44:53,439 --> 00:44:50,979

seen ball lightning before so I do not

857

00:44:56,499 --> 00:44:53,449

think that anything based on the

858

00:44:58,719 --> 00:44:56,509

accounts that I have read about believed

859

00:45:01,839 --> 00:44:58,729

that this was ball lightning by any

860

00:45:06,009 --> 00:45:01,849

stretch of the imagination this had to

861

00:45:10,059 --> 00:45:06,019

be some sort of orb if you want to call

862

00:45:13,589 --> 00:45:10,069

it an orb of some sort being

863

00:45:19,659 --> 00:45:13,599

intelligently controlled moving along

864

00:45:22,959 --> 00:45:19,669

and you know at a fair pace so that is

865

00:45:27,609 --> 00:45:22,969

my third encounter and just like all the

866

00:45:30,819 --> 00:45:27,619

other two that we've had it it just

867

00:45:33,309 --> 00:45:30,829

mystifies me it boggles my mind is that

868

00:45:37,979 --> 00:45:33,319

what could possibly you know this was a

869

00:45:42,099 --> 00:45:37,989

controlled energy of some sort so that

870

00:45:46,329 --> 00:45:42,109

would be my end of that account error

871

00:45:50,409 --> 00:45:46,339

encounter you asked me to describe how I

872

00:45:55,449 --> 00:45:50,419

feel the main word is frustrated laughed

873

00:46:00,099 --> 00:45:55,459

at ridiculed not taken seriously I have

874

00:46:03,519 --> 00:46:00,109

had three encounters with another

875

00:46:06,459 --> 00:46:03,529

witness at each of these encounters so

876
00:46:09,830 --> 00:46:06,469
these are three separate encounters with

877
00:46:15,110 --> 00:46:09,840
three different witnesses

878
00:46:17,150 --> 00:46:15,120
together I mean there's I I'm not with

879
00:46:18,770 --> 00:46:17,160
somebody each time I met I'm with

880
00:46:21,110 --> 00:46:18,780
somebody each time but it's a different

881
00:46:24,410 --> 00:46:21,120
person each time different time spans

882
00:46:28,660 --> 00:46:24,420
you know years apart when you have this

883
00:46:33,740 --> 00:46:28,670
happen to you you realize that

884
00:46:38,030 --> 00:46:33,750
something's wrong we are not being told

885
00:46:41,420 --> 00:46:38,040
the truth and it's maybe for our own

886
00:46:44,960 --> 00:46:41,430
good I don't know I really don't know

887
00:46:48,350 --> 00:46:44,970
I joined move on because I wanted to

888
00:46:53,710 --> 00:46:48,360

become a UFO investigator that didn't do

889

00:46:59,300 --> 00:46:53,720

anything maybe the experience the the

890

00:47:01,330 --> 00:46:59,310

exposure because of that you know I

891

00:47:04,300 --> 00:47:01,340

thought things were gonna develop

892

00:47:06,800 --> 00:47:04,310

totally different I taught that you know

893

00:47:08,780 --> 00:47:06,810

there would be camera crews I thought

894

00:47:11,320 --> 00:47:08,790

that there would be reporters I thought

895

00:47:14,620 --> 00:47:11,330

that this would become a main main event

896

00:47:18,980 --> 00:47:14,630

but it never did I mean not until lately

897

00:47:22,100 --> 00:47:18,990

you published my story or my event my

898

00:47:25,510 --> 00:47:22,110

encounter in your book that helped a lot

899

00:47:28,970 --> 00:47:25,520

I was briefly featured in the TV show

900

00:47:31,100 --> 00:47:28,980

unidentified I thought that was gonna

901
00:47:31,460 --> 00:47:31,110
cause my phone to be ringing off the

902
00:47:35,360 --> 00:47:31,470
hook

903
00:47:36,340 --> 00:47:35,370
with interviews and I don't know what

904
00:47:41,390 --> 00:47:36,350
happened

905
00:47:45,740 --> 00:47:41,400
nobody has contacted me so it makes me

906
00:47:50,180 --> 00:47:45,750
wonder why all these things to expose

907
00:47:55,280 --> 00:47:50,190
the truth and 50 years later from my

908
00:47:57,680 --> 00:47:55,290
Verte my first encounter and we're just

909
00:48:00,620 --> 00:47:57,690
now beginning to see the partial

910
00:48:03,050 --> 00:48:00,630
disclosure happening the best and

911
00:48:05,960 --> 00:48:03,060
brightest minds that mankind has to

912
00:48:08,660 --> 00:48:05,970
offer have most assuredly than assigned

913
00:48:10,190 --> 00:48:08,670

to this phenomenon at the top highest

914

00:48:12,980 --> 00:48:10,200

level

915

00:48:15,859 --> 00:48:12,990

we will never probably know the story

916

00:48:19,640 --> 00:48:15,869

until everything is brought out in the

917

00:48:23,320 --> 00:48:19,650

open I have to ask myself why keep this

918

00:48:27,589 --> 00:48:23,330

a secret the human race is not prepared

919

00:48:30,079 --> 00:48:27,599

to handle the technology that is one of

920

00:48:34,730 --> 00:48:30,089

the reasons that I can say you know

921

00:48:37,670 --> 00:48:34,740

would we destroy ourselves with this but

922

00:48:40,310 --> 00:48:37,680

I think about all the positive things

923

00:48:44,329 --> 00:48:40,320

that could happen anti-gravity

924

00:48:49,490 --> 00:48:44,339

propulsion faster travel to and from

925

00:48:53,210 --> 00:48:49,500

around the planet the not having to rely

926
00:48:56,960 --> 00:48:53,220
on fossil fuels anymore to provide fuel

927
00:49:00,770 --> 00:48:56,970
for the daily vehicles that we need the

928
00:49:03,370 --> 00:49:00,780
free energy that could be given to

929
00:49:07,250 --> 00:49:03,380
hospitals that could be given to

930
00:49:10,460 --> 00:49:07,260
agencies if they didn't have to pay for

931
00:49:15,140 --> 00:49:10,470
these things then that cost could be

932
00:49:17,599 --> 00:49:15,150
removed from the end product everybody

933
00:49:20,630 --> 00:49:17,609
would benefit that's just my opinion on

934
00:49:24,859 --> 00:49:20,640
it we have been at this for what 70

935
00:49:27,950 --> 00:49:24,869
years plus and how can we as the human

936
00:49:31,339 --> 00:49:27,960
species evolved to the point of not only

937
00:49:33,920 --> 00:49:31,349
disclosure but implementation of this

938
00:49:36,890 --> 00:49:33,930

technology and it could change the life

939

00:49:40,670 --> 00:49:36,900

to the better and for all mankind but

940

00:49:43,130 --> 00:49:40,680

yet it's being suppressed what can we do

941

00:49:45,680 --> 00:49:43,140

as the human race to move forward and

942

00:49:48,140 --> 00:49:45,690

not be held back these questions are

943

00:49:51,500 --> 00:49:48,150

ones that I ponder every single day of

944

00:49:56,089 --> 00:49:51,510

my life it's frustrating it's

945

00:49:59,329 --> 00:49:56,099

frustrating to know that the solution to

946

00:50:04,570 --> 00:49:59,339

a lot of the world's problems is right

947

00:50:06,590 --> 00:50:04,580

at our very fingertips and yet or not

948

00:50:10,280 --> 00:50:06,600

using it

949

00:50:14,360 --> 00:50:10,290

or or not being allowed to use it I

950

00:50:20,210 --> 00:50:14,370

should say that so that's how I feel I'm

951
00:50:22,730 --> 00:50:20,220
pretty frustrated I hope that before my

952
00:50:27,320 --> 00:50:22,740
time is up on this planet as a human

953
00:50:31,160 --> 00:50:27,330
being that all of this comes to light in

954
00:50:38,990 --> 00:50:31,170
a manner that makes sense to everyone
