

SOMEWHERE IN THE SKIES

WITH RYAN SPRAGUE

TOP TEN UFO STORIES
OF THE DECADE

FEATURING THE CREW OF
ROGUE PLANET

1
00:00:04,220 --> 00:00:02,210
hey y'all Ryan sprekk here as you all

2
00:00:06,950 --> 00:00:04,230
know this summer in the skies podcast is

3
00:00:09,530 --> 00:00:06,960
always free to consume but it isn't free

4
00:00:11,390 --> 00:00:09,540
to create that's why I've started this

5
00:00:14,120 --> 00:00:11,400
somewhere in the skies patreon campaign

6
00:00:15,980 --> 00:00:14,130
on a monthly basis you give what you

7
00:00:18,800 --> 00:00:15,990
think the show is worth you'll be

8
00:00:21,290 --> 00:00:18,810
helping the show continue grow and to be

9
00:00:23,480 --> 00:00:21,300
something truly communal and remember

10
00:00:26,060 --> 00:00:23,490
there are rewards for each level of

11
00:00:28,429 --> 00:00:26,070
contribution and the list is only grown

12
00:00:31,220 --> 00:00:28,439
so please help somewhere in the skies

13
00:00:37,780 --> 00:00:31,230

now by becoming a patron to contribute

14

00:00:37,790 --> 00:00:54,200

www.subscriptorium.com

15

00:00:54,210 --> 00:00:58,970

[Music]

16

00:00:58,980 --> 00:01:02,970

[Applause]

17

00:01:23,980 --> 00:01:07,560

this is somewhere in the skies inspired

18

00:01:27,440 --> 00:01:23,990

[Music]

19

00:01:30,499 --> 00:01:27,450

we've reached the end of another year at

20

00:01:32,480 --> 00:01:30,509

the end of a decade as hard as it might

21

00:01:36,139 --> 00:01:32,490

be to believe you'll soon be reading the

22

00:01:39,080 --> 00:01:36,149

year 2020 on your calendar that's crazy

23

00:01:41,480 --> 00:01:39,090

so since we're closing out a decade

24

00:01:43,760 --> 00:01:41,490

today we're going to run down some of

25

00:01:47,300 --> 00:01:43,770

the top UFO related stories from this

26

00:01:49,340 --> 00:01:47,310

past decade now this type of show is

27

00:01:52,039 --> 00:01:49,350

always a bit of a challenge for us to

28

00:01:54,139 --> 00:01:52,049

put together because so much happens

29

00:01:57,649 --> 00:01:54,149

during the span of a year let alone a

30

00:02:00,649 --> 00:01:57,659

decade so narrowing it down to the top

31

00:02:02,270 --> 00:02:00,659

10 stories is difficult to say the least

32

00:02:03,949 --> 00:02:02,280

but we've managed to do that for you

33

00:02:05,809 --> 00:02:03,959

today so let's get to it

34

00:02:09,050 --> 00:02:05,819

Ryan why don't you get us started off

35

00:02:12,500 --> 00:02:09,060

yeah absolutely so the first one we're

36

00:02:15,350 --> 00:02:12,510

going to cover here is back in 2001 and

37

00:02:16,280 --> 00:02:15,360

this is the Gary McKinnon case I'm sure

38

00:02:17,839 --> 00:02:16,290

that name

39

00:02:19,190 --> 00:02:17,849

definitely rings a bell with a lot of

40

00:02:21,280 --> 00:02:19,200

people out there but for anyone who

41

00:02:25,250 --> 00:02:21,290

doesn't know who this guy is he was in

42

00:02:27,710 --> 00:02:25,260

IT expert in England who in 2001 and

43

00:02:31,160 --> 00:02:27,720

2002 he spent a lot of his free time

44

00:02:34,640 --> 00:02:31,170

hacking and breaching security defences

45

00:02:37,490 --> 00:02:34,650

of NASA and other US military networks

46

00:02:39,770 --> 00:02:37,500

and he said that he found a document

47

00:02:43,400 --> 00:02:39,780

entitled quote unquote non-terrestrial

48

00:02:45,289 --> 00:02:43,410

officers which was pretty intriguing if

49

00:02:47,809 --> 00:02:45,299

he asked me it was sort of like this

50

00:02:50,300 --> 00:02:47,819

excel sheet that he recalls had the

51
00:02:52,250 --> 00:02:50,310
ranks and names of unknown individuals

52
00:02:54,920 --> 00:02:52,260
on it so when he tried to search for the

53
00:02:57,800 --> 00:02:54,930
names of the ships he was unable to find

54
00:03:00,590 --> 00:02:57,810
any any mention of these people publicly

55
00:03:02,930 --> 00:03:00,600
that is and it made him believe that it

56
00:03:04,930 --> 00:03:02,940
was some sort of secret space program so

57
00:03:08,000 --> 00:03:04,940
he started talking about this stuff

58
00:03:11,360 --> 00:03:08,010
meanwhile his hacking would eventually

59
00:03:15,500 --> 00:03:11,370
be discovered and he was arrested in

60
00:03:18,349 --> 00:03:15,510
late 2002 in England and he was said to

61
00:03:20,360 --> 00:03:18,359
have caused over hundreds of thousands

62
00:03:23,390 --> 00:03:20,370
of dollars in security breaches and

63
00:03:26,180 --> 00:03:23,400

damage and following his arrest he was

64

00:03:28,970 --> 00:03:26,190

also subject to a lengthy extradition

65

00:03:31,539 --> 00:03:28,980

battle the u.s. wanted to punish him for

66

00:03:35,179 --> 00:03:31,549

the cyber crimes on us computers and

67

00:03:36,530 --> 00:03:35,189

intelligence agencies and such so he

68

00:03:39,830 --> 00:03:36,540

easily could have spent on

69

00:03:43,369 --> 00:03:39,840

seventy years in jail for this but in

70

00:03:46,130 --> 00:03:43,379

2012 the newly appointed Prime Minister

71

00:03:48,140 --> 00:03:46,140

Theresa May she did not grant the

72

00:03:50,780 --> 00:03:48,150

extradition because of MacKinnon's

73

00:03:52,960 --> 00:03:50,790

history with depression and he was also

74

00:03:56,089 --> 00:03:52,970

suffering from Asperger's syndrome and

75

00:03:57,949 --> 00:03:56,099

it would be extremely detrimental to his

76

00:03:59,960 --> 00:03:57,959

health and it would make him highly

77

00:04:01,729 --> 00:03:59,970

suicidal and it would go against his

78

00:04:02,569 --> 00:04:01,739

human rights so she decided not to do

79

00:04:05,119 --> 00:04:02,579

that

80

00:04:08,780 --> 00:04:05,129

but since then MacKinnon had to pay very

81

00:04:10,729 --> 00:04:08,790

high legal fees and he is never allowed

82

00:04:13,460 --> 00:04:10,739

in the u.s. ever again

83

00:04:16,039 --> 00:04:13,470

and I actually got to speak with

84

00:04:18,740 --> 00:04:16,049

MacKinnon briefly after all this

85

00:04:21,590 --> 00:04:18,750

happened to see what we he was up to and

86

00:04:23,960 --> 00:04:21,600

now he is doing the IT thing again he's

87

00:04:25,969 --> 00:04:23,970

working for his own company basically

88

00:04:28,430 --> 00:04:25,979

doing what he used to do hacking he's

89

00:04:31,070 --> 00:04:28,440

now working with cybersecurity so it's

90

00:04:33,920 --> 00:04:31,080

kind of like one of these cases where

91

00:04:36,110 --> 00:04:33,930

the the government will hire ex-cons to

92

00:04:38,000 --> 00:04:36,120

help them it's pretty pretty cool I

93

00:04:41,120 --> 00:04:38,010

guess but every now and again he talks

94

00:04:43,310 --> 00:04:41,130

about this stuff and what he found on

95

00:04:44,960 --> 00:04:43,320

those u.s. computers and to this day we

96

00:04:47,689 --> 00:04:44,970

still will never know what

97

00:04:51,339 --> 00:04:47,699

non-terrestrial officers actually means

98

00:04:54,560 --> 00:04:51,349

well and this was such a long drawn-out

99

00:04:57,080 --> 00:04:54,570

saga the gary mckinnon saga like you

100

00:05:00,230 --> 00:04:57,090

said started you know in the early 2000s

101
00:05:04,750 --> 00:05:00,240
but the extradition battle was still

102
00:05:07,939 --> 00:05:04,760
raging on in this past decade in

103
00:05:09,920 --> 00:05:07,949
2010-2011 the the headlines were

104
00:05:12,560 --> 00:05:09,930
non-stop I mean it seemed like almost

105
00:05:14,810 --> 00:05:12,570
every week we were hearing a new new

106
00:05:18,500 --> 00:05:14,820
development in the Gary McKinnon case

107
00:05:20,510 --> 00:05:18,510
and his mother was was his really

108
00:05:22,310 --> 00:05:20,520
leading the charge his biggest advocate

109
00:05:25,129 --> 00:05:22,320
and leading the fight against

110
00:05:27,649 --> 00:05:25,139
extradition so that that whole battle

111
00:05:30,500 --> 00:05:27,659
you know the US trying to get him

112
00:05:32,689 --> 00:05:30,510
extradited and hearing all the the

113
00:05:34,760 --> 00:05:32,699

health issues the testimony and then

114

00:05:37,580 --> 00:05:34,770

Teresa may finally saying nope not gonna

115

00:05:39,469 --> 00:05:37,590

happen like that was just generating

116

00:05:41,510 --> 00:05:39,479

tons and tons and tons of mainstream

117

00:05:43,610 --> 00:05:41,520

headlines mainstream headlines so is it

118

00:05:45,379 --> 00:05:43,620

was kind of fun to follow along yeah it

119

00:05:47,990 --> 00:05:45,389

was so cool again to see like a

120

00:05:49,879 --> 00:05:48,000

mainstream story going on between

121

00:05:52,129 --> 00:05:49,889

countries all because a guy

122

00:05:54,770 --> 00:05:52,139

to hack into computers to find out

123

00:05:56,869 --> 00:05:54,780

on UFOs I think it's so cool I love it I

124

00:05:59,390 --> 00:05:56,879

love it yeah and think two of the the

125

00:06:02,689 --> 00:05:59,400

timing of it this was pre Snowden and

126
00:06:05,869 --> 00:06:02,699
pre WikiLeaks you know and how it was

127
00:06:08,059 --> 00:06:05,879
handled you know wasn't in that context

128
00:06:10,339 --> 00:06:08,069
it'd be kind of interesting you see how

129
00:06:12,320 --> 00:06:10,349
it all be treated now you know if it if

130
00:06:15,559 --> 00:06:12,330
it were to have occurred now after all

131
00:06:18,709 --> 00:06:15,569
of that maybe I mean the the the US was

132
00:06:22,129 --> 00:06:18,719
they were rabid man they wanted him it

133
00:06:23,899 --> 00:06:22,139
wanted him bad and and you know I I

134
00:06:27,409 --> 00:06:23,909
don't know if the if they would go after

135
00:06:29,839 --> 00:06:27,419
him as hard today as they did back then

136
00:06:32,360 --> 00:06:29,849
but it is really fascinating the the

137
00:06:35,080 --> 00:06:32,370
fact that it was a UFO story I mean

138
00:06:37,580 --> 00:06:35,090

that's amazing yeah and there there was

139

00:06:40,129 --> 00:06:37,590

you know some speculation because a

140

00:06:43,219 --> 00:06:40,139

bunch of documents were released FOIA

141

00:06:47,329 --> 00:06:43,229

requests and nobody has exactly found

142

00:06:49,189 --> 00:06:47,339

the right documents to sort of verify

143

00:06:53,179 --> 00:06:49,199

all his claims which makes you wonder

144

00:06:55,279 --> 00:06:53,189

you know where are they and people are

145

00:06:57,559 --> 00:06:55,289

still actively trying to research this

146

00:07:00,379 --> 00:06:57,569

and I think we'll see this stretch into

147

00:07:02,089 --> 00:07:00,389

2020 and beyond yeah and that's a good

148

00:07:03,829 --> 00:07:02,099

point and that's cool Shane that's a big

149

00:07:06,079 --> 00:07:03,839

big difference yeah with WikiLeaks and

150

00:07:07,610 --> 00:07:06,089

stuff I mean if we if we had what he

151
00:07:09,889 --> 00:07:07,620
discovered that would be amazing right

152
00:07:12,679 --> 00:07:09,899
these giants for lists of people going

153
00:07:16,219 --> 00:07:12,689
into the USS Hill and caught her and the

154
00:07:18,889 --> 00:07:16,229
USS LeMay like you know that's really

155
00:07:20,510 --> 00:07:18,899
huge stuff but again we don't have any

156
00:07:22,850 --> 00:07:20,520
of that because he didn't save any of

157
00:07:24,589 --> 00:07:22,860
that and he also says he was high when

158
00:07:27,829 --> 00:07:24,599
he was doing this so his memory is a

159
00:07:30,050 --> 00:07:27,839
little fuzzy too and there's a lot of

160
00:07:31,969 --> 00:07:30,060
stuff but it's incredible claims it

161
00:07:33,980 --> 00:07:31,979
would be great if we had you know some

162
00:07:36,320 --> 00:07:33,990
weak WikiLeaks like files that we could

163
00:07:38,600 --> 00:07:36,330

look at but there's nothing yep I mean

164

00:07:41,510 --> 00:07:38,610

it is fascinating and it is plausible

165

00:07:44,089 --> 00:07:41,520

you know that he saw what he says he saw

166

00:07:46,969 --> 00:07:44,099

but without any evidence it is just that

167

00:07:49,369 --> 00:07:46,979

frustrating thing with ufology man you

168

00:07:52,790 --> 00:07:49,379

just you can't get your hands around any

169

00:07:55,279 --> 00:07:52,800

friggin proof you know is so frustrating

170

00:07:57,050 --> 00:07:55,289

but you know I think it's plausible and

171

00:07:58,969 --> 00:07:57,060

I think you know maybe he saw stuff

172

00:08:01,820 --> 00:07:58,979

maybe he didn't I know I don't know but

173

00:08:03,639 --> 00:08:01,830

it is pretty curious how how hard the

174

00:08:05,320 --> 00:08:03,649

government went after him

175

00:08:07,329 --> 00:08:05,330

yeah and that that certainly fuels the

176

00:08:08,889 --> 00:08:07,339

fire right and gets beers he's going you

177

00:08:10,779 --> 00:08:08,899

know well why would they go so hard

178

00:08:12,429 --> 00:08:10,789

after him if he didn't actually find

179

00:08:15,579 --> 00:08:12,439

what he says he found why would they

180

00:08:17,200 --> 00:08:15,589

care but again he did hack into military

181

00:08:20,409 --> 00:08:17,210

computers and caused all sorts of damage

182

00:08:23,829 --> 00:08:20,419

they're not yeah yeah oh that's okay you

183

00:08:25,989 --> 00:08:23,839

stay over there and everything will

184

00:08:29,049 --> 00:08:25,999

forget it water under the bridge he must

185

00:08:31,929 --> 00:08:29,059

also be on a lot of legal hooks to where

186

00:08:35,740 --> 00:08:31,939

you noticed like he has not spoken about

187

00:08:37,540 --> 00:08:35,750

the case and or you know gone done the

188

00:08:39,730 --> 00:08:37,550

TV circuit or anything like that or

189

00:08:41,709 --> 00:08:39,740

started hopping around conferences and

190

00:08:45,129 --> 00:08:41,719

he has a little bit of UFO circuit but

191

00:08:46,660 --> 00:08:45,139

not significantly right I mean they've

192

00:08:48,309 --> 00:08:46,670

they've certainly had him it like

193

00:08:50,650 --> 00:08:48,319

contact in the desert and stuff like

194

00:08:52,840 --> 00:08:50,660

they there are these conferences where

195

00:08:55,329 --> 00:08:52,850

they wait a minute they have him how did

196

00:09:02,829 --> 00:08:55,339

he get the u.s. to go to contact in the

197

00:09:06,430 --> 00:09:02,839

desert no he did was he certainly done

198

00:09:08,559 --> 00:09:06,440

that not to the the sort of you can tell

199

00:09:12,220 --> 00:09:08,569

he's really trying to push the envelope

200

00:09:14,259 --> 00:09:12,230

and take advantage of the UFO phenomena

201

00:09:15,970 --> 00:09:14,269

circuit kind of thing a good point yeah

202

00:09:17,559 --> 00:09:15,980

it's a really good point all right let's

203

00:09:19,210 --> 00:09:17,569

move on to the next one on our list

204

00:09:22,030 --> 00:09:19,220

you guys might not agree with me on this

205

00:09:24,610 --> 00:09:22,040

one but I'm including Frank Kindler as

206

00:09:28,059 --> 00:09:24,620

one of the biggest stories of the decade

207

00:09:30,250 --> 00:09:28,069

and here's why because so Frank made

208

00:09:32,680 --> 00:09:30,260

headlines multiple times during the

209

00:09:34,750 --> 00:09:32,690

decade and if you are familiar with him

210

00:09:36,879 --> 00:09:34,760

Frank is a geologist and an instructor

211

00:09:38,019 --> 00:09:36,889

at the New Mexico Military Institute in

212

00:09:41,379 --> 00:09:38,029

Roswell New Mexico

213

00:09:44,019 --> 00:09:41,389

back in 2010 he began making trips out

214

00:09:46,809 --> 00:09:44,029

to a remote area of the desert that is

215

00:09:49,120 --> 00:09:46,819

thought to be near where UFO supposedly

216

00:09:51,670 --> 00:09:49,130

crashed back in 1947 and being a

217

00:09:54,309 --> 00:09:51,680

scientist Frank wanted to find physical

218

00:09:56,439 --> 00:09:54,319

evidence so he used a metal detector and

219

00:09:58,150 --> 00:09:56,449

he found what he was looking for he

220

00:10:00,340 --> 00:09:58,160

managed to find several small pieces of

221

00:10:02,829 --> 00:10:00,350

material he submitted material for

222

00:10:05,170 --> 00:10:02,839

analysis and in one of the first tests

223

00:10:07,840 --> 00:10:05,180

he had done his response to the results

224

00:10:10,569 --> 00:10:07,850

was quote either Earl the lab made an

225

00:10:13,809 --> 00:10:10,579

analytical error or the material is not

226

00:10:16,000 --> 00:10:13,819

from Earth unquote he was excited by the

227

00:10:17,199 --> 00:10:16,010

isotopic analysis and he continued

228

00:10:18,639 --> 00:10:17,209

working to get

229

00:10:21,160 --> 00:10:18,649

initial testing done throughout the

230

00:10:24,369 --> 00:10:21,170

decade and then you might remember that

231

00:10:26,559 --> 00:10:24,379

in 2018 there was the whole drama with

232

00:10:28,480 --> 00:10:26,569

the Bureau of Land Management when they

233

00:10:30,009 --> 00:10:28,490

called Frank in for a meeting and there

234

00:10:30,910 --> 00:10:30,019

was the threat of his material being

235

00:10:33,129 --> 00:10:30,920

confiscated

236

00:10:36,369 --> 00:10:33,139

fortunately Frank still has his Roswell

237

00:10:39,519 --> 00:10:36,379

material but that incident generated

238

00:10:41,619 --> 00:10:39,529

some buzz and I mean there were so many

239

00:10:44,679 --> 00:10:41,629

mainstream headlines about that and

240

00:10:46,840 --> 00:10:44,689

about Frank's previous work and the the

241

00:10:49,809 --> 00:10:46,850

test results and the claims made about

242

00:10:52,840 --> 00:10:49,819

this strange Roswell material so that

243

00:10:54,309 --> 00:10:52,850

really really breached mainstream press

244

00:10:56,710 --> 00:10:54,319

around the world generate a lot of

245

00:10:59,619 --> 00:10:56,720

headlines throughout the decade and then

246

00:11:01,720 --> 00:10:59,629

at the beginning of 2019 Ryan got to get

247

00:11:04,090 --> 00:11:01,730

involved with this material right Ryan

248

00:11:07,480 --> 00:11:04,100

yeah I got my hands all over this one

249

00:11:10,059 --> 00:11:07,490

yeah yeah no I love Frank to death and I

250

00:11:12,160 --> 00:11:10,069

think it's incredible the dedication he

251
00:11:14,590 --> 00:11:12,170
has to trying to find the truth behind

252
00:11:16,929 --> 00:11:14,600
Roswell I mean I've spoken about this in

253
00:11:19,480 --> 00:11:16,939
the past it's amazing the way he was

254
00:11:23,169 --> 00:11:19,490
able to locate the area first and

255
00:11:25,449 --> 00:11:23,179
foremost in there I also got his

256
00:11:27,189 --> 00:11:25,459
materials tested came up with vastly

257
00:11:29,650 --> 00:11:27,199
different results from his first test

258
00:11:31,780 --> 00:11:29,660
but that's what science is like you got

259
00:11:34,539 --> 00:11:31,790
it you got to get this stuff reviewed

260
00:11:35,230 --> 00:11:34,549
over and over and over again and I think

261
00:11:37,079 --> 00:11:35,240
it's fascinating

262
00:11:40,569 --> 00:11:37,089
whatever French found out there is

263
00:11:43,410 --> 00:11:40,579

definitely extraordinary I can that's

264

00:11:46,660 --> 00:11:43,420

all I can really say it might not be

265

00:11:48,730 --> 00:11:46,670

extraterrestrial but what we found out

266

00:11:50,259 --> 00:11:48,740

was that whatever that metal was it

267

00:11:52,480 --> 00:11:50,269

should not have been in that desert in

268

00:11:54,850 --> 00:11:52,490

1947 I can tell you that much

269

00:11:58,840 --> 00:11:54,860

hopefully more info on that in 2020 but

270

00:12:01,480 --> 00:11:58,850

um we know now that the feds I think

271

00:12:03,939 --> 00:12:01,490

were we're monitoring Frank and it's

272

00:12:06,609 --> 00:12:03,949

like social networks and even a bunch of

273

00:12:08,590 --> 00:12:06,619

our names came up in those files because

274

00:12:10,900 --> 00:12:08,600

ever talking to Frank about it so a

275

00:12:14,079 --> 00:12:10,910

little freaky but uh I guess that's um

276

00:12:16,929 --> 00:12:14,089

that's points for us yeah but you know I

277

00:12:19,359 --> 00:12:16,939

think that this case is really awesome

278

00:12:22,980 --> 00:12:19,369

because what it does is it illustrates

279

00:12:25,239 --> 00:12:22,990

the importance of having true scientific

280

00:12:28,119 --> 00:12:25,249

investigation and that it actually

281

00:12:30,579 --> 00:12:28,129

yields stuff so right yeah he was able

282

00:12:31,060 --> 00:12:30,589

to find those metallic fragments because

283

00:12:40,600 --> 00:12:31,070

he

284

00:12:42,730 --> 00:12:40,610

Annelle is well illustrated on your show

285

00:12:45,100 --> 00:12:42,740

while you know on mysteries decoded and

286

00:12:47,050 --> 00:12:45,110

and so I thought a that was very

287

00:12:49,150 --> 00:12:47,060

intriguing and then you know he's got

288

00:12:50,860 --> 00:12:49,160

the samples he's handled them properly

289

00:12:54,340 --> 00:12:50,870

and then you know there's something

290

00:12:56,890 --> 00:12:54,350

there physical evidence I mean how scant

291

00:12:58,600 --> 00:12:56,900

is physical evidence right and so he's

292

00:12:59,920 --> 00:12:58,610

got that in you know it has been

293

00:13:02,170 --> 00:12:59,930

analyzed and there's more they're

294

00:13:04,960 --> 00:13:02,180

available to continue the analysis so I

295

00:13:08,200 --> 00:13:04,970

mean to me it just his case really

296

00:13:10,600 --> 00:13:08,210

illustrates the value of true science

297

00:13:13,390 --> 00:13:10,610

and getting the right people involved in

298

00:13:16,420 --> 00:13:13,400

this thing and it will yield you know

299

00:13:19,030 --> 00:13:16,430

tangible results I think another good

300

00:13:21,610 --> 00:13:19,040

point to feed off of that Shane is that

301

00:13:23,590 --> 00:13:21,620

you know what's happening here is

302

00:13:26,110 --> 00:13:23,600

everyone says oh Roswell is such an old

303

00:13:29,140 --> 00:13:26,120

case but when you look at all these old

304

00:13:31,210 --> 00:13:29,150

cases that have never really been solved

305

00:13:34,110 --> 00:13:31,220

they're still considered by most to be

306

00:13:37,630 --> 00:13:34,120

unsolved that there's still sometimes

307

00:13:40,060 --> 00:13:37,640

magic and if we you know put the effort

308

00:13:42,100 --> 00:13:40,070

in in the science in like you said that

309

00:13:45,070 --> 00:13:42,110

we might be able to find clues that help

310

00:13:49,120 --> 00:13:45,080

shed light on these items that are still

311

00:13:51,610 --> 00:13:49,130

anomalous and yeah it you may think oh

312

00:13:53,980 --> 00:13:51,620

it's you know that happened in 1947

313

00:13:56,890 --> 00:13:53,990

nothing will be out there but you'd be

314

00:13:59,740 --> 00:13:56,900

surprised how stuff moves around you

315

00:14:01,780 --> 00:13:59,750

know shifts down because of changing

316

00:14:06,090 --> 00:14:01,790

landscape and water and everything else

317

00:14:09,850 --> 00:14:06,100

and and how you can still manage to

318

00:14:10,330 --> 00:14:09,860

potentially find clues or pieces of

319

00:14:12,580 --> 00:14:10,340

puzzle

320

00:14:14,200 --> 00:14:12,590

yeah we love Frank and again like you

321

00:14:16,980 --> 00:14:14,210

said Shane it's such a great point that

322

00:14:20,380 --> 00:14:16,990

in the UFO world in the UFO field

323

00:14:23,350 --> 00:14:20,390

tangible physical evidence is scarce so

324

00:14:25,930 --> 00:14:23,360

when you have a case that has that it's

325

00:14:29,070 --> 00:14:25,940

incredibly exciting and there's still

326

00:14:34,170 --> 00:14:29,080

stuff going on with this case so yeah I

327

00:14:34,180 --> 00:14:40,650

money that I just somehow did not get

328

00:14:44,770 --> 00:14:44,080

yeah alright so let's move on to the

329

00:14:47,590 --> 00:14:44,780

next one on the list

330

00:14:49,510 --> 00:14:47,600

Shane you got the next one this is the

331

00:14:51,790 --> 00:14:49,520

I'm gonna read a little bit on this

332

00:14:54,400 --> 00:14:51,800

thing this is the UFO incident that

333

00:14:58,720 --> 00:14:54,410

began about 9:20 p.m. on the evening of

334

00:15:03,400 --> 00:14:58,730

April 25th 2013 at the Raphael Hernandez

335

00:15:06,040 --> 00:15:03,410

Airport in Aguadilla Puerto Rico so many

336

00:15:08,860 --> 00:15:06,050

of you may have met remember the video

337

00:15:12,490 --> 00:15:08,870

from this but what it did is it included

338

00:15:15,580 --> 00:15:12,500

the crew of a DHC 8 turboprop turboprop

339

00:15:19,030 --> 00:15:15,590

aircraft from the US Customs and Border

340

00:15:21,700 --> 00:15:19,040

Protection Agency which is a division of

341

00:15:24,130 --> 00:15:21,710

the department of homeland security and

342

00:15:28,240 --> 00:15:24,140

basically what happened is this flight

343

00:15:32,280 --> 00:15:28,250

recorded a thermal imaging camera on a

344

00:15:35,200 --> 00:15:32,290

DEA chair craft recorded an object that

345

00:15:38,170 --> 00:15:35,210

exhibit characteristics that cannot be

346

00:15:40,870 --> 00:15:38,180

explained by known aircraft for natural

347

00:15:42,490 --> 00:15:40,880

phenomena and so this thing it moves

348

00:15:45,700 --> 00:15:42,500

through buildings and through trees and

349

00:15:47,830 --> 00:15:45,710

eventually over the ocean and then the

350

00:15:50,650 --> 00:15:47,840

object appears to go in and out of the

351
00:15:52,300 --> 00:15:50,660
ocean without slowing down and at the

352
00:15:55,120 --> 00:15:52,310
end of the video at sea they're joined

353
00:15:59,020 --> 00:15:55,130
by another object before it breaks and -

354
00:16:02,620 --> 00:15:59,030
and this case was analyzed thoroughly by

355
00:16:04,390 --> 00:16:02,630
the scientific Coalition for ufology and

356
00:16:06,100 --> 00:16:04,400
they kind of came up with this statement

357
00:16:07,960 --> 00:16:06,110
here I thought was great that kind of

358
00:16:10,450 --> 00:16:07,970
capital AIT's the whole thing that says

359
00:16:13,390 --> 00:16:10,460
there is no explanation for an object

360
00:16:16,210 --> 00:16:13,400
capable of traveling underwater at over

361
00:16:19,390 --> 00:16:16,220
90 miles per hour with minimal impact as

362
00:16:22,150 --> 00:16:19,400
it enters the water through the air at

363
00:16:24,190 --> 00:16:22,160

120 miles per hour at low altitude

364

00:16:27,220 --> 00:16:24,200
through a residential area without

365

00:16:29,770 --> 00:16:27,230
navigation lights and finally to be able

366

00:16:33,730 --> 00:16:29,780
of splitting into two separate objects

367

00:16:36,250 --> 00:16:33,740
no bird no balloon no aircraft and no

368

00:16:38,260 --> 00:16:36,260
known drones have that capability and

369

00:16:40,450 --> 00:16:38,270
I'll just mention if you want to read

370

00:16:44,610 --> 00:16:40,460
the report if anyone does out there and

371

00:16:49,990 --> 00:16:44,620
it's like 161 page report and it's on

372

00:16:51,340 --> 00:16:50,000
the website Explorers Cu dot or again

373

00:16:53,470 --> 00:16:51,350
you click get the whole report yourself

374

00:16:56,600 --> 00:16:53,480
yeah that group certainly did the most

375

00:16:59,060 --> 00:16:56,610
robust look into that case

376

00:17:02,389 --> 00:16:59,070

and that case at the time made

377

00:17:06,220 --> 00:17:02,399

substantial headlines because you know

378

00:17:10,189 --> 00:17:06,230

for obvious reasons as we know very well

379

00:17:12,500 --> 00:17:10,199

the public and the media love UFO videos

380

00:17:13,880 --> 00:17:12,510

and certainly love UFO videos when

381

00:17:15,500 --> 00:17:13,890

they're coming from a military source

382

00:17:19,010 --> 00:17:15,510

and that's what we had in this case

383

00:17:21,590 --> 00:17:19,020

so that was a great example of a

384

00:17:24,710 --> 00:17:21,600

military UFO video being circulated

385

00:17:25,039 --> 00:17:24,720

media ran wild with it and people ate it

386

00:17:27,909 --> 00:17:25,049

up

387

00:17:30,440 --> 00:17:27,919

I remember getting that link to the

388

00:17:33,169 --> 00:17:30,450

probably Morgan Beall or someone sent us

389

00:17:40,400 --> 00:17:33,179

the link to there were 61 page document

390

00:17:42,320 --> 00:17:40,410

and I thought yes yes I worked on it but

391

00:17:44,360 --> 00:17:42,330

it's very tight yeah and it's good and

392

00:17:44,750 --> 00:17:44,370

and that's that's a positive thing too

393

00:17:46,610 --> 00:17:44,760

though

394

00:17:48,530 --> 00:17:46,620

yeah I don't know if it's the same for

395

00:17:50,720 --> 00:17:48,540

you guys but sometimes when I i know

396

00:17:52,700 --> 00:17:50,730

these videos are coming from like the

397

00:17:55,070 --> 00:17:52,710

government or the military i almost get

398

00:17:58,250 --> 00:17:55,080

a little scared to watch it because i i

399

00:18:01,190 --> 00:17:58,260

we can usually figure out within moments

400

00:18:04,100 --> 00:18:01,200

like oh well it was this or it wasn't

401
00:18:06,049 --> 00:18:04,110
this i'm afraid to look at videos like

402
00:18:08,180 --> 00:18:06,059
this because I really think sometimes my

403
00:18:11,390 --> 00:18:08,190
paradigm is gonna get shifted in this

404
00:18:13,880 --> 00:18:11,400
video really was one of those ones early

405
00:18:16,789 --> 00:18:13,890
on before all the tic tacs and all that

406
00:18:18,890 --> 00:18:16,799
crap that this one was like oh my god

407
00:18:21,289 --> 00:18:18,900
this could blow the lid wide open but

408
00:18:24,169 --> 00:18:21,299
you know just like a story it kind of

409
00:18:27,169 --> 00:18:24,179
fades into obscurity within weeks in

410
00:18:29,630 --> 00:18:27,179
today's world so yeah yeah that's really

411
00:18:32,750 --> 00:18:29,640
good right because because we're just

412
00:18:34,190 --> 00:18:32,760
look at how big of a mess like you said

413
00:18:36,740 --> 00:18:34,200

and then it kind of drifted off into

414

00:18:39,080 --> 00:18:36,750

obscurity and and is that going to

415

00:18:41,150 --> 00:18:39,090

happen with the tic-tac UFOs or is there

416

00:18:44,030 --> 00:18:41,160

now been such a big deal about it that

417

00:18:45,740 --> 00:18:44,040

it'll remain you know stay the test of

418

00:18:48,230 --> 00:18:45,750

time I think it's human nature and we

419

00:18:50,570 --> 00:18:48,240

see it with every story that comes along

420

00:18:53,299 --> 00:18:50,580

you know whether it's UFOs or something

421

00:18:55,730 --> 00:18:53,309

in pop culture or anything else you know

422

00:18:57,919 --> 00:18:55,740

something's gigantic earth-shattering

423

00:18:59,570 --> 00:18:57,929

news and it must get your attention

424

00:19:01,909 --> 00:18:59,580

right now and everybody's talking about

425

00:19:03,830 --> 00:19:01,919

it and a couple weeks later it's gone so

426

00:19:06,230 --> 00:19:03,840

but you know if you're careful and you

427

00:19:08,720 --> 00:19:06,240

think about it so many of these things

428

00:19:10,310 --> 00:19:08,730

are are connected through history right

429

00:19:13,039 --> 00:19:10,320

even like you know we talked about

430

00:19:15,680 --> 00:19:13,049

Frank and you know I have 147 but here

431

00:19:17,690 --> 00:19:15,690

we are in 2019 almost 2020 and they're

432

00:19:20,539 --> 00:19:17,700

still evidence yielded or like with this

433

00:19:22,820 --> 00:19:20,549

case the fact that that that object

434

00:19:26,029 --> 00:19:22,830

entered both the air and then the water

435

00:19:28,639 --> 00:19:26,039

to me that that relates directly to what

436

00:19:31,120 --> 00:19:28,649

you know happen with the nimitz case and

437

00:19:33,499 --> 00:19:31,130

the tic-tac you know the eight tips

438

00:19:36,379 --> 00:19:33,509

conclusion that look this these things

439

00:19:38,690 --> 00:19:36,389

are trans medium this is one of like the

440

00:19:42,409 --> 00:19:38,700

five important aspects of identifying a

441

00:19:44,480 --> 00:19:42,419

true UFO right as as outlined by a tip

442

00:19:46,999 --> 00:19:44,490

and that one is a dab transmedia

443

00:19:49,310 --> 00:19:47,009

incapability southern client space air

444

00:19:51,590 --> 00:19:49,320

and water now in the Agri dia case

445

00:19:53,720 --> 00:19:51,600

obviously it was just observed that it

446

00:19:56,330 --> 00:19:53,730

entered both air and water but still

447

00:19:58,100 --> 00:19:56,340

that's remarkable because even at 95

448

00:20:00,860 --> 00:19:58,110

miles now I think is what they clocked

449

00:20:03,560 --> 00:20:00,870

it at underwater I mean there are very

450

00:20:06,259 --> 00:20:03,570

few man-made objects that can do that

451
00:20:07,789 --> 00:20:06,269
right now and and then let alone go in

452
00:20:10,789 --> 00:20:07,799
the water and fly right there's no

453
00:20:12,169 --> 00:20:10,799
man-made objects that do that so you

454
00:20:14,539 --> 00:20:12,179
know it's pretty fascinating so this

455
00:20:17,600 --> 00:20:14,549
stuff I think in time you know when you

456
00:20:19,610 --> 00:20:17,610
look at the aqua dia case from 2013 in

457
00:20:22,100 --> 00:20:19,620
the context of the information we're

458
00:20:25,159 --> 00:20:22,110
learning now in 2019 or 17 18 and 19

459
00:20:27,710 --> 00:20:25,169
they're kind of all related and and so

460
00:20:31,100 --> 00:20:27,720
if you look at ufology and in these

461
00:20:32,570 --> 00:20:31,110
cases from that 30,000 foot view and you

462
00:20:35,090 --> 00:20:32,580
know you can see that this stuff is

463
00:20:36,950 --> 00:20:35,100

connected and I think that that will

464

00:20:38,869 --> 00:20:36,960

help move us forward too because we

465

00:20:40,490 --> 00:20:38,879

learn that stuff and then we build on it

466

00:20:43,549 --> 00:20:40,500

and we add to it yeah there's five

467

00:20:46,039 --> 00:20:43,559

observables are really a new driving

468

00:20:48,740 --> 00:20:46,049

force for me when I'm looking at this I

469

00:20:51,289 --> 00:20:48,750

think it's an incredible way to to

470

00:20:52,779 --> 00:20:51,299

record the data of these things like how

471

00:20:55,789 --> 00:20:52,789

they maneuver we spend so much time

472

00:20:57,919 --> 00:20:55,799

talking about date in weather and this

473

00:20:59,749 --> 00:20:57,929

and that for a UFO case but let's really

474

00:21:02,539 --> 00:20:59,759

look at the patterns of how these things

475

00:21:04,759 --> 00:21:02,549

are working I think you're right Shane I

476

00:21:07,519 --> 00:21:04,769

think something can be gleaned for that

477

00:21:10,220 --> 00:21:07,529

for sure and this video proved that yeah

478

00:21:12,590 --> 00:21:10,230

even from like a perspective as a MUFON

479

00:21:15,830 --> 00:21:12,600

investigator now you know I look at you

480

00:21:18,680 --> 00:21:15,840

know how can you how can you define what

481

00:21:20,930 --> 00:21:18,690

a UFO is right I mean we all kind of you

482

00:21:23,720 --> 00:21:20,940

know we we think we know but you know

483

00:21:26,750 --> 00:21:23,730

this is a scientific and analysis and

484

00:21:29,419 --> 00:21:26,760

a demarcation of you know if this object

485

00:21:32,269 --> 00:21:29,429

observes these characteristics or

486

00:21:34,970 --> 00:21:32,279

exhibits them then this is not

487

00:21:37,129 --> 00:21:34,980

conventional I mean that that is awesome

488

00:21:39,590 --> 00:21:37,139

and that that's only something that very

489

00:21:42,529 --> 00:21:39,600

recently has come to the fore that we

490

00:21:44,870 --> 00:21:42,539

can define you know what a UFO is by

491

00:21:47,029 --> 00:21:44,880

bias performance characteristics and

492

00:21:49,639 --> 00:21:47,039

those other things so you know I think

493

00:21:50,960 --> 00:21:49,649

that's absolutely huge and in spite of

494

00:21:53,180 --> 00:21:50,970

the fact that we've been at this for

495

00:21:55,549 --> 00:21:53,190

seventy years we are continuing to make

496

00:21:58,639 --> 00:21:55,559

progress the more we bring science and

497

00:22:00,889 --> 00:21:58,649

technology and into the hunt you know we

498

00:22:02,840 --> 00:22:00,899

are making we're at least you know

499

00:22:05,600 --> 00:22:02,850

checking items off the list that it is

500

00:22:07,220 --> 00:22:05,610

not this it is not that right sooner or

501
00:22:10,639 --> 00:22:07,230
later we're gonna get down to them a

502
00:22:13,639 --> 00:22:10,649
much more narrow window we can say this

503
00:22:15,560 --> 00:22:13,649
is an you know a true unknown well said

504
00:22:18,789 --> 00:22:15,570
alright let's move to the next one on

505
00:22:21,230 --> 00:22:18,799
the list and that would be the CIA

506
00:22:24,259 --> 00:22:21,240
declassifying area 51

507
00:22:27,680 --> 00:22:24,269
so area 51 has been in pop culture for a

508
00:22:29,240 --> 00:22:27,690
few decades now but up until 2013 the

509
00:22:33,169 --> 00:22:29,250
government denied the top secret base

510
00:22:35,029 --> 00:22:33,179
even existed in August of 2013 the

511
00:22:37,460 --> 00:22:35,039
National Security Archive at George

512
00:22:39,379 --> 00:22:37,470
Washington University posted a CIA

513
00:22:42,560 --> 00:22:39,389

document obtained through a Freedom of

514

00:22:47,149 --> 00:22:42,570

Information Act in which the name area

515

00:22:51,230 --> 00:22:47,159

51 was not redacted and although the

516

00:22:54,080 --> 00:22:51,240

document wasn't the first to name to or

517

00:22:56,930 --> 00:22:54,090

to refer to area 51 by its name it

518

00:22:59,629 --> 00:22:56,940

essentially served as a sort of official

519

00:23:01,970 --> 00:22:59,639

outing or declassification of area 51

520

00:23:04,580 --> 00:23:01,980

and this story generated headlines

521

00:23:06,620 --> 00:23:04,590

around the world with the essential

522

00:23:10,970 --> 00:23:06,630

message that the CIA finally

523

00:23:14,240 --> 00:23:10,980

Declassified area 51 so this was huge at

524

00:23:17,930 --> 00:23:14,250

the time and the headlines this thing

525

00:23:20,870 --> 00:23:17,940

generated were crazy and again up to

526

00:23:25,129 --> 00:23:20,880

this point there were still most people

527

00:23:26,840 --> 00:23:25,139

in the general public viewed area 51 is

528

00:23:29,779 --> 00:23:26,850

something that just crazy conspiracy

529

00:23:30,950 --> 00:23:29,789

theorists talked about or they didn't

530

00:23:32,149 --> 00:23:30,960

think it was a real thing because the

531

00:23:34,549 --> 00:23:32,159

government said it wasn't a real thing

532

00:23:36,360 --> 00:23:34,559

absolutely and this was also in

533

00:23:37,770 --> 00:23:36,370

important it sounded

534

00:23:40,799 --> 00:23:37,780

so lame to us because we were like oh we

535

00:23:43,500 --> 00:23:40,809

already know but that's our circle but

536

00:23:47,130 --> 00:23:43,510

this was really important because it was

537

00:23:49,490 --> 00:23:47,140

a stepping kind of proving that at least

538

00:23:52,650 --> 00:23:49,500

Bob Lazar knew that piece of information

539

00:23:54,510 --> 00:23:52,660

before it was released to the public as

540

00:23:56,610 --> 00:23:54,520

well and it was kind of sort of

541

00:23:59,040 --> 00:23:56,620

confirming a few things that were said

542

00:24:00,810 --> 00:23:59,050

in those initial interviews so not only

543

00:24:03,660 --> 00:24:00,820

was the government saying yes this was

544

00:24:05,520 --> 00:24:03,670

the nickname it had a lot of implication

545

00:24:10,140 --> 00:24:05,530

behind it and that sort of set the

546

00:24:14,190 --> 00:24:10,150

ground for I'd say interested parties to

547

00:24:17,450 --> 00:24:14,200

start running saying well there's a lot

548

00:24:20,160 --> 00:24:17,460

more merit to this particular

549

00:24:22,380 --> 00:24:20,170

investigation of this secret base now

550

00:24:25,380 --> 00:24:22,390

yeah and this story brought out Bob

551
00:24:27,750 --> 00:24:25,390
Lazar - right remember in the stories he

552
00:24:29,970 --> 00:24:27,760
would comment on it you know their

553
00:24:31,799 --> 00:24:29,980
mainstream media outlets would get

554
00:24:33,150 --> 00:24:31,809
quotes from him and I remember at open

555
00:24:35,460 --> 00:24:33,160
minds we'd wrote a story about it it was

556
00:24:37,799 --> 00:24:35,470
something like Bob Bob Lazar is not

557
00:24:40,169 --> 00:24:37,809
impressed with the classification of

558
00:24:42,600 --> 00:24:40,179
area 51 he's all yeah so what else is

559
00:24:45,540 --> 00:24:42,610
new like oh that's what I've been

560
00:24:48,290 --> 00:24:45,550
telling you I remember back you know I

561
00:24:51,000 --> 00:24:48,300
think it was 95 yeah that's when they

562
00:24:53,490 --> 00:24:51,010
like there's a lawsuits against the base

563
00:24:55,650 --> 00:24:53,500

were made by like former employees

564

00:24:58,080 --> 00:24:55,660

because of their like the toxic fumes

565

00:25:00,570 --> 00:24:58,090

and everything that they had a lot of

566

00:25:02,100 --> 00:25:00,580

people were dying out there so like the

567

00:25:04,350 --> 00:25:02,110

government had to acknowledge that when

568

00:25:06,600 --> 00:25:04,360

the lawsuit came about and I remember

569

00:25:09,030 --> 00:25:06,610

hearing like specifically an Air Force

570

00:25:11,490 --> 00:25:09,040

attorney saying your honor there is no

571

00:25:13,830 --> 00:25:11,500

name there is no name for the operating

572

00:25:15,840 --> 00:25:13,840

location near Groom Lake and that always

573

00:25:18,360 --> 00:25:15,850

gave me chills back and I heard about

574

00:25:20,160 --> 00:25:18,370

yeah but the fact that like through like

575

00:25:22,140 --> 00:25:20,170

Freedom of Information requests in

576

00:25:24,960 --> 00:25:22,150

lawsuits that's how we finally got the

577

00:25:27,210 --> 00:25:24,970

CIA to acknowledge it being area 51

578

00:25:28,470 --> 00:25:27,220

so I remember my phone blowing up that

579

00:25:30,600 --> 00:25:28,480

day I don't know yeah it was the same

580

00:25:33,150 --> 00:25:30,610

for you guys almost as much as you know

581

00:25:33,840 --> 00:25:33,160

the current stuff going on so that I

582

00:25:36,419 --> 00:25:33,850

loved it

583

00:25:38,850 --> 00:25:36,429

I I thought it was awesome I think

584

00:25:41,490 --> 00:25:38,860

that's with anything like this as soon

585

00:25:45,600 --> 00:25:41,500

as it starts making headlines yeah my

586

00:25:47,220 --> 00:25:45,610

phone my email blew up friends who you

587

00:25:49,180 --> 00:25:47,230

know aren't paying attention to this

588

00:25:51,159 --> 00:25:49,190

stuff but they thought for the

589

00:25:53,710 --> 00:25:51,169

it meant so much more than it did to me

590

00:25:55,719 --> 00:25:53,720

because they were like what is this

591

00:25:57,940 --> 00:25:55,729

there actually is a base there what's

592

00:25:59,289 --> 00:25:57,950

happening you have all the answers don't

593

00:26:02,349 --> 00:25:59,299

you tell me what it is

594

00:26:06,039 --> 00:26:02,359

what it is a slight vinification right

595

00:26:08,589 --> 00:26:06,049

if not for Bob but for even ufology I

596

00:26:12,249 --> 00:26:08,599

mean you know we have all been throwing

597

00:26:14,889 --> 00:26:12,259

area51 around for a lot of decades but

598

00:26:17,680 --> 00:26:14,899

you know for official confirmation does

599

00:26:20,109 --> 00:26:17,690

kind of feel good in that way right yeah

600

00:26:22,119 --> 00:26:20,119

it gets it in the the public public's

601
00:26:25,119 --> 00:26:22,129
public's mind and then all of a sudden

602
00:26:27,909 --> 00:26:25,129
it becomes real yeah yeah it's also one

603
00:26:31,719 --> 00:26:27,919
of the best first-person shooter arcade

604
00:26:34,690 --> 00:26:31,729
games out there I'm just saying yeah yes

605
00:26:37,389 --> 00:26:34,700
do you prefer area 51 or the follow-up

606
00:26:39,039 --> 00:26:37,399
s4 I did not know they made it as far

607
00:26:40,419 --> 00:26:39,049
that's yeah they have a second one I

608
00:26:43,089 --> 00:26:40,429
think it's called I think it's called s4

609
00:26:46,180 --> 00:26:43,099
or site for yeah yeah they do have an

610
00:26:48,549 --> 00:26:46,190
area 51 to basically that is so weird I

611
00:26:51,519 --> 00:26:48,559
love it I love it and there's someone

612
00:26:54,039 --> 00:26:51,529
also that Nick Pope's part of right the

613
00:26:55,509 --> 00:26:54,049

more recently video game on there yeah

614

00:26:58,659 --> 00:26:55,519

I've got yeah I have to look that up

615

00:27:00,969 --> 00:26:58,669

okay I did not know Nick Pope was doing

616

00:27:04,239 --> 00:27:00,979

some sort of video game action no some

617

00:27:05,889 --> 00:27:04,249

either was he consulting on it or did he

618

00:27:07,960 --> 00:27:05,899

actually I think I think he consulted on

619

00:27:10,239 --> 00:27:07,970

it yeah yeah oh that's funny that is

620

00:27:14,289 --> 00:27:10,249

awesome what won't that guy do let's be

621

00:27:17,049 --> 00:27:14,299

honest I mean that in the all right

622

00:27:18,310 --> 00:27:17,059

let's move on to the next one so what

623

00:27:21,549 --> 00:27:18,320

have you got for the next item on our

624

00:27:24,820 --> 00:27:21,559

list Shane oh this is the Citizen

625

00:27:26,830 --> 00:27:24,830

hearing on disclosure so when we think

626
00:27:29,680 --> 00:27:26,840
about it the last congressional hearing

627
00:27:31,989 --> 00:27:29,690
dealing with the extra-terrestrial issue

628
00:27:34,989 --> 00:27:31,999
was before the house science and

629
00:27:36,549 --> 00:27:34,999
Aeronautics Committee in July of 1968 so

630
00:27:38,859 --> 00:27:36,559
I was you know obviously over fifty

631
00:27:41,589 --> 00:27:38,869
years ago the Citizen hearing on

632
00:27:46,719 --> 00:27:41,599
disclosure was a mock congressional

633
00:27:49,539 --> 00:27:46,729
hearing held in April and May of 2013 to

634
00:27:52,989 --> 00:27:49,549
do what they say the Congress has failed

635
00:27:54,879 --> 00:27:52,999
to do since 1968 and that is seek out

636
00:27:57,519 --> 00:27:54,889
the facts surrounding the most important

637
00:27:59,820 --> 00:27:57,529
issue of this or any other time and that

638
00:28:02,409 --> 00:27:59,830

is evidence pointing toward an

639

00:28:05,220 --> 00:28:02,419
extraterrestrial presence in gay

640

00:28:08,739 --> 00:28:05,230
the human race so what they did this is

641

00:28:11,769 --> 00:28:08,749
the work of Steven Bassett the paradigm

642

00:28:15,159 --> 00:28:11,779
research group and they assembled this

643

00:28:17,200 --> 00:28:15,169
this hearing 42 persons including

644

00:28:20,200 --> 00:28:17,210
researchers and military and political

645

00:28:22,379 --> 00:28:20,210
witnesses of Rankin station they came to

646

00:28:25,629 --> 00:28:22,389
the National Press Club in Washington DC

647

00:28:27,909 --> 00:28:25,639
to testify before six former members of

648

00:28:29,710 --> 00:28:27,919
the United States Congress so they had

649

00:28:31,769 --> 00:28:29,720
this main ballroom set up in the

650

00:28:33,909 --> 00:28:31,779
National Press Club was configured

651
00:28:36,879 --> 00:28:33,919
configured to look like a Senate hearing

652
00:28:38,710 --> 00:28:36,889
room there were press areas audience

653
00:28:41,549 --> 00:28:38,720
areas witnesses tables

654
00:28:45,729 --> 00:28:41,559
committee tables or you know

655
00:28:47,200 --> 00:28:45,739
professional protocols for congressional

656
00:28:51,039 --> 00:28:47,210
hearings that they followed as closely

657
00:28:52,960 --> 00:28:51,049
as possible the the committee members

658
00:28:54,999 --> 00:28:52,970
these former congressmen and

659
00:28:56,799 --> 00:28:55,009
congresswomen received written

660
00:28:58,779 --> 00:28:56,809
statements from the witnesses and they

661
00:29:00,489 --> 00:28:58,789
heard oral statements and they were

662
00:29:03,430 --> 00:29:00,499
allowed to ask questions just in a

663
00:29:07,330 --> 00:29:03,440

typical hearing it was like thirty five

664

00:29:10,479 --> 00:29:07,340

hours of testimony over five days and

665

00:29:14,619 --> 00:29:10,489

then the entire thing was filmed and

666

00:29:17,369 --> 00:29:14,629

that video is available to everyone on

667

00:29:20,340 --> 00:29:17,379

the paradigm research group dot-org

668

00:29:23,229 --> 00:29:20,350

website and it it is pretty fascinating

669

00:29:25,930 --> 00:29:23,239

it's really historical and it captures a

670

00:29:28,359 --> 00:29:25,940

lot of testimony from people that you

671

00:29:30,369 --> 00:29:28,369

know eventually probably in our lifetime

672

00:29:32,560 --> 00:29:30,379

they'll be gone and so that this is a

673

00:29:35,349 --> 00:29:32,570

you know a historical record of that

674

00:29:38,680 --> 00:29:35,359

actually we sent one of our colleagues

675

00:29:41,619 --> 00:29:38,690

at the time Antonio who næss was present

676
00:29:44,649 --> 00:29:41,629
at the Citizen hearings and Kenny gave

677
00:29:46,570 --> 00:29:44,659
us a behind-the-scenes look at what was

678
00:29:48,669 --> 00:29:46,580
happening and I think that yeah the

679
00:29:52,119 --> 00:29:48,679
importance of this it's a faux hearing

680
00:29:55,330 --> 00:29:52,129
the former senators and congressmen were

681
00:29:58,210 --> 00:29:55,340
paid to be there or at least were

682
00:30:00,609 --> 00:29:58,220
offered money to be there not sure they

683
00:30:02,320 --> 00:30:00,619
actually got their payout or not but you

684
00:30:05,200 --> 00:30:02,330
know this is one of those things where

685
00:30:08,019 --> 00:30:05,210
it was trying to set up a professional

686
00:30:11,320 --> 00:30:08,029
environment for lawmakers to seriously

687
00:30:16,450 --> 00:30:11,330
look at the fact that there is credible

688
00:30:19,930 --> 00:30:16,460

people detailing very strange phenomena

689

00:30:22,120 --> 00:30:19,940

and so I think that the effort well it's

690

00:30:25,090 --> 00:30:22,130

kind of you know oh it's a faux hearing

691

00:30:27,700 --> 00:30:25,100

you know why do we care well we care

692

00:30:31,450 --> 00:30:27,710

because we're trying to get people to

693

00:30:33,280 --> 00:30:31,460

take this phenomena seriously so you

694

00:30:35,680 --> 00:30:33,290

have my two cents on it and look at like

695

00:30:39,910 --> 00:30:35,690

it kind of paved the way in some weird

696

00:30:42,190 --> 00:30:39,920

you know bastardized way that now actual

697

00:30:45,250 --> 00:30:42,200

senators in office are being briefed on

698

00:30:48,340 --> 00:30:45,260

UFOs so I mean for as much as people may

699

00:30:51,550 --> 00:30:48,350

mock it because it was a mock hearing I

700

00:30:53,590 --> 00:30:51,560

guess I thought like Shane said we now

701
00:30:56,320 --> 00:30:53,600
have these things on record from some of

702
00:30:58,600 --> 00:30:56,330
the most prominent witnesses out there I

703
00:31:00,820 --> 00:30:58,610
mean you know you look at the Rendlesham

704
00:31:03,940 --> 00:31:00,830
guys Jim Penniston and John Burroughs

705
00:31:06,250 --> 00:31:03,950
that was the most amazing testimony I've

706
00:31:08,290 --> 00:31:06,260
heard from them at those hearings and

707
00:31:11,860 --> 00:31:08,300
that's one of the most pivotal cases we

708
00:31:13,390 --> 00:31:11,870
had to rely on in ufology so I think

709
00:31:15,610 --> 00:31:13,400
that was really cool to see some of

710
00:31:18,250 --> 00:31:15,620
these people all in one room doing this

711
00:31:20,890 --> 00:31:18,260
and then to hear the reactions from the

712
00:31:23,350 --> 00:31:20,900
former congressmen and women yes they

713
00:31:25,720 --> 00:31:23,360

may have been paid you know to to maybe

714

00:31:28,090 --> 00:31:25,730

seem interested but I do think all of

715

00:31:30,070 --> 00:31:28,100

them were genuinely interested in what

716

00:31:32,020 --> 00:31:30,080

they were hearing and in fact I know

717

00:31:34,300 --> 00:31:32,030

some of them went on to then try to

718

00:31:36,430 --> 00:31:34,310

rally the troops and get actual

719

00:31:38,380 --> 00:31:36,440

congressmen to look at this so yeah I

720

00:31:40,870 --> 00:31:38,390

thought it was a valiant effort for sure

721

00:31:43,930 --> 00:31:40,880

I did seem like I'm genuinely interested

722

00:31:45,880 --> 00:31:43,940

and you know you mentioned that and

723

00:31:48,880 --> 00:31:45,890

being paid and unfortunately there was

724

00:31:51,670 --> 00:31:48,890

plenty of of mainstream press coverage

725

00:31:54,190 --> 00:31:51,680

that focused on that act about how the

726

00:31:57,220 --> 00:31:54,200

dollar amount that they were paid to sit

727

00:31:58,810 --> 00:31:57,230

and listen to crazy UFOs but that was

728

00:32:01,000 --> 00:31:58,820

the unfortunate part about it but it did

729

00:32:04,230 --> 00:32:01,010

generate a lot of positive headlines and

730

00:32:07,210 --> 00:32:04,240

I guess we should point out too that

731

00:32:10,180 --> 00:32:07,220

Rubin Langdon and even Jeremy Korb

732

00:32:12,310 --> 00:32:10,190

played a big role in in the execution of

733

00:32:15,010 --> 00:32:12,320

the the Citizen hearing as well you know

734

00:32:19,360 --> 00:32:15,020

just looking back on it now it's it was

735

00:32:21,940 --> 00:32:19,370

a very novel approach on the issue of

736

00:32:23,470 --> 00:32:21,950

disclosure right so for you know 70

737

00:32:24,790 --> 00:32:23,480

years we've been banging away trying to

738

00:32:26,500 --> 00:32:24,800

get something out of the government it

739

00:32:28,960 --> 00:32:26,510

was just a different way to try and see

740

00:32:30,430 --> 00:32:28,970

if we could shake something loose so I

741

00:32:32,440 --> 00:32:30,440

give give

742

00:32:33,820 --> 00:32:32,450

Stephen Bassett credit for that thinking

743

00:32:36,070 --> 00:32:33,830

out of the box and trying something

744

00:32:38,909 --> 00:32:36,080

really different and and I think you

745

00:32:41,830 --> 00:32:38,919

know it it did produce some meaningful

746

00:32:44,049 --> 00:32:41,840

results not what we wanted but you know

747

00:32:45,580 --> 00:32:44,059

still meaningful results so you know at

748

00:32:48,610 --> 00:32:45,590

least kudos Dan for trying something

749

00:32:50,560 --> 00:32:48,620

different and and you know I it's

750

00:32:52,090 --> 00:32:50,570

definitely I think great viewing and

751
00:32:55,119 --> 00:32:52,100
something everybody should have a look

752
00:32:57,009 --> 00:32:55,129
at yeah definitely and and yeah Citizen

753
00:32:59,080 --> 00:32:57,019
hearing gorg's no place you can go watch

754
00:32:59,350 --> 00:32:59,090
all that testimony pretty fascinating

755
00:33:01,990 --> 00:32:59,360
stuff

756
00:33:04,419 --> 00:33:02,000
oh let's move on to the next item

757
00:33:07,960 --> 00:33:04,429
counting down our list Ryan what have

758
00:33:10,899 --> 00:33:07,970
you got yeah you've got our favorite

759
00:33:12,340 --> 00:33:10,909
don't you okay so our favorite on the

760
00:33:20,409 --> 00:33:12,350
list I don't know what I did to deserve

761
00:33:22,539 --> 00:33:20,419
this okay okay here we go

762
00:33:24,519 --> 00:33:22,549
bear with me guys I'm gonna try to get

763
00:33:27,279 --> 00:33:24,529

through this convoluted story as quickly

764

00:33:30,580 --> 00:33:27,289

as possible this happened back in May of

765

00:33:33,610 --> 00:33:30,590

2015 when our favorite Mexican UFO

766

00:33:36,399 --> 00:33:33,620

researcher Haim Ahsan he unveiled to the

767

00:33:38,740 --> 00:33:36,409

world what he says were slides and

768

00:33:42,279 --> 00:33:38,750

images of an alien from the Roswell UFO

769

00:33:44,889 --> 00:33:42,289

crash he presented this to a huge

770

00:33:47,919 --> 00:33:44,899

audience at a stadium in Mexico City and

771

00:33:51,279 --> 00:33:47,929

streamed it across the world for a price

772

00:33:54,220 --> 00:33:51,289

I might add the images they first became

773

00:33:57,279 --> 00:33:54,230

known by a man named Adam do who brought

774

00:33:59,049 --> 00:33:57,289

them to Masson and several other Roswell

775

00:34:01,720 --> 00:33:59,059

investigators including Don Schmidt and

776
00:34:03,820 --> 00:34:01,730
Tom Kerry and for almost a year I think

777
00:34:06,009 --> 00:34:03,830
they were kind of teasing this thing and

778
00:34:07,840 --> 00:34:06,019
promoting the idea that they had this

779
00:34:10,109 --> 00:34:07,850
bombshell evidence that would blow the

780
00:34:14,530 --> 00:34:10,119
entire Roswell incident wide open and

781
00:34:17,430 --> 00:34:14,540
then the day in May came and we all saw

782
00:34:21,040 --> 00:34:17,440
the images and I think all of us were

783
00:34:23,559 --> 00:34:21,050
little less than satisfied the the image

784
00:34:25,930 --> 00:34:23,569
showed a very blurry image of a small

785
00:34:29,200 --> 00:34:25,940
being one lying on a slab in front of

786
00:34:30,700 --> 00:34:29,210
some sort of glass casing I believe if

787
00:34:32,619 --> 00:34:30,710
I'm looking at the picture right there

788
00:34:34,690 --> 00:34:32,629

was a placard that sat below it but

789

00:34:36,790 --> 00:34:34,700

could not be read by the human eye of

790

00:34:39,340 --> 00:34:36,800

course blurry photos seemed to be a

791

00:34:44,860 --> 00:34:41,890

for over two hours at this packed

792

00:34:47,170 --> 00:34:44,870

Stadium and a horribly streamed audience

793

00:34:48,880 --> 00:34:47,180

Masson invited researchers and

794

00:34:51,250 --> 00:34:48,890

scientists to speak some of which

795

00:34:54,430 --> 00:34:51,260

actually backed up the images gave us a

796

00:34:56,230 --> 00:34:54,440

play-by-play of how they supposedly came

797

00:34:58,660 --> 00:34:56,240

to be and everything and for some reason

798

00:35:00,820 --> 00:34:58,670

Richard Owen was there he never thought

799

00:35:02,800 --> 00:35:00,830

the image was alien but he was still

800

00:35:06,940 --> 00:35:02,810

there speaking I will never forgive him

801
00:35:09,550 --> 00:35:06,950
for that but one slide was shown at the

802
00:35:11,350 --> 00:35:09,560
event and later Haim Ahsan would post a

803
00:35:14,830 --> 00:35:11,360
second image on his Twitter account so

804
00:35:16,680 --> 00:35:14,840
within 48 hours of this a group of UFO

805
00:35:19,240 --> 00:35:16,690
researchers and tech-savvy individuals

806
00:35:22,180 --> 00:35:19,250
coined the Roswell sites research group

807
00:35:24,850 --> 00:35:22,190
they were able to deploy the image and

808
00:35:26,950 --> 00:35:24,860
figure out that the placard on the image

809
00:35:27,270 --> 00:35:26,960
said mummified body of a two year old

810
00:35:29,710 --> 00:35:27,280
boy

811
00:35:30,940 --> 00:35:29,720
so immediately some of the people

812
00:35:32,860 --> 00:35:30,950
started getting defensive that were

813
00:35:35,020 --> 00:35:32,870

involved saying that the blurred photo

814

00:35:38,350 --> 00:35:35,030

is fake this that this that but then

815

00:35:39,880 --> 00:35:38,360

more of the the placard was deployed and

816

00:35:41,950 --> 00:35:39,890

it read at the time of the burial the

817

00:35:44,230 --> 00:35:41,960

body was clothed in a slipcover cotton

818

00:35:46,990 --> 00:35:44,240

shirt burial wrappings consisted of

819

00:35:49,690 --> 00:35:47,000

three small blankets and the last line

820

00:35:53,230 --> 00:35:49,700

which kind of blew this all wide open

821

00:35:56,500 --> 00:35:53,240

was quote loaned by mr. SL Palmer San

822

00:35:58,810 --> 00:35:56,510

Francisco California so this led other

823

00:36:02,760 --> 00:35:58,820

researchers to then look into it and

824

00:36:06,430 --> 00:36:02,770

they found out that this guy SL Palmer

825

00:36:09,100 --> 00:36:06,440

had given this mummy that he'd found to

826

00:36:11,590 --> 00:36:09,110

this museum the museum in Mesa Verde and

827

00:36:13,750 --> 00:36:11,600

since then mostly all involved of issued

828

00:36:16,300 --> 00:36:13,760

public apologies forgettin everyone's

829

00:36:19,300 --> 00:36:16,310

hopes up you know Tom carried on Schmidt

830

00:36:21,850 --> 00:36:19,310

said sorry we got our passion got the

831

00:36:23,860 --> 00:36:21,860

best of us Tommy my son I don't really

832

00:36:25,990 --> 00:36:23,870

know where he stands on all this today

833

00:36:29,110 --> 00:36:26,000

but the main person that kind of started

834

00:36:30,520 --> 00:36:29,120

this all Adam do is like nowhere to be

835

00:36:33,190 --> 00:36:30,530

found he was supposed to come out with a

836

00:36:35,350 --> 00:36:33,200

documentary about it never happened we

837

00:36:37,900 --> 00:36:35,360

never saw these crystal-clear copies

838

00:36:42,550 --> 00:36:37,910

that Adam supposedly has of these images

839

00:36:45,760 --> 00:36:42,560

either so yeah I think this is a huge

840

00:36:47,710 --> 00:36:45,770

black eye on the UFO community this

841

00:36:49,810 --> 00:36:47,720

entire thing and it really goes to show

842

00:36:51,880 --> 00:36:49,820

that when your passion and beliefs get

843

00:36:53,650 --> 00:36:51,890

ahead of yet it can really

844

00:36:55,779 --> 00:36:53,660

really look bad for the rest of us so

845

00:36:58,479 --> 00:36:55,789

yeah that was that was rough

846

00:37:01,599 --> 00:36:58,489

well UFOs are so just just the nature of

847

00:37:05,799 --> 00:37:01,609

UFOs with with the the mystery that they

848

00:37:07,870 --> 00:37:05,809

are it's just so ridiculous for a

849

00:37:11,229 --> 00:37:07,880

researcher to come out and make grand

850

00:37:13,120 --> 00:37:11,239

claims and both I mean everybody

851
00:37:13,779 --> 00:37:13,130
involved in this should have known

852
00:37:17,259 --> 00:37:13,789
better

853
00:37:19,120 --> 00:37:17,269
certainly not the individual who own

854
00:37:20,829 --> 00:37:19,130
these things claim to find them in a

855
00:37:23,380 --> 00:37:20,839
cigar box in the house or whatever II

856
00:37:25,390 --> 00:37:23,390
did yeah I wanted to make a documentary

857
00:37:27,549 --> 00:37:25,400
with that it's not a UFO researcher but

858
00:37:29,799 --> 00:37:27,559
the UFO research is involved should have

859
00:37:32,890 --> 00:37:29,809
known better than to hype this thing up

860
00:37:35,849 --> 00:37:32,900
make grand claims and and affirmative ly

861
00:37:38,650 --> 00:37:35,859
say this was absolutely something we

862
00:37:40,690 --> 00:37:38,660
know we know better I was just gonna say

863
00:37:44,470 --> 00:37:40,700

but that's happened so many times in

864

00:37:47,259 --> 00:37:44,480

this decade you know it has a necessity

865

00:37:49,630 --> 00:37:47,269

i mean people should people should learn

866

00:37:51,400 --> 00:37:49,640

and you can't make these grand claims

867

00:37:53,680 --> 00:37:51,410

because we're dealing with something so

868

00:37:56,559 --> 00:37:53,690

mysterious so unknown and being a

869

00:37:59,460 --> 00:37:56,569

responsible researcher you just can't

870

00:38:02,200 --> 00:37:59,470

make claims like that unless you have

871

00:38:03,910 --> 00:38:02,210

definitive proof to back it up these

872

00:38:05,559 --> 00:38:03,920

guys were operating under assumptions

873

00:38:08,589 --> 00:38:05,569

they were operating under things that

874

00:38:09,819 --> 00:38:08,599

they've been told they didn't see the

875

00:38:11,529 --> 00:38:09,829

test for themselves they didn't get

876

00:38:13,930 --> 00:38:11,539

testing done by themselves they were

877

00:38:15,640 --> 00:38:13,940

being told things that Jaime was telling

878

00:38:17,380 --> 00:38:15,650

them that had been done by questionable

879

00:38:19,509 --> 00:38:17,390

doctors and all sorts of weird things

880

00:38:20,799 --> 00:38:19,519

with this whole case but they didn't

881

00:38:22,779 --> 00:38:20,809

personally know they hadn't done the

882

00:38:25,059 --> 00:38:22,789

research on it and they were hyping this

883

00:38:26,890 --> 00:38:25,069

thing from the stage you know at

884

00:38:28,779 --> 00:38:26,900

conferences and things saying we have

885

00:38:30,999 --> 00:38:28,789

definitive proof that Roswell was alien

886

00:38:33,549 --> 00:38:31,009

all this stuff really hyping it up and

887

00:38:36,069 --> 00:38:33,559

it just came back and slapped him so

888

00:38:37,989 --> 00:38:36,079

hard in the face you know it's it's hard

889

00:38:39,940 --> 00:38:37,999

to believe that they've managed to you

890

00:38:41,890 --> 00:38:39,950

know recuperate from that I mean it was

891

00:38:44,349 --> 00:38:41,900

it was a dirty time for a while I mean

892

00:38:46,059 --> 00:38:44,359

even rich Dolan was getting so much

893

00:38:47,380 --> 00:38:46,069

and rightfully so I mean everybody

894

00:38:49,420 --> 00:38:47,390

involved with this it was just such an

895

00:38:52,239 --> 00:38:49,430

embarrassing debacle if people would

896

00:38:54,039 --> 00:38:52,249

make grand claims without you know being

897

00:38:55,210 --> 00:38:54,049

cautious without putting the thing out

898

00:38:57,729 --> 00:38:55,220

there saying hey we found something

899

00:38:59,200 --> 00:38:57,739

interesting it might be extraterrestrial

900

00:39:00,039 --> 00:38:59,210

we don't know but we're going to show

901
00:39:01,900 --> 00:39:00,049
you something

902
00:39:03,489 --> 00:39:01,910
and we're working on this we'll figure

903
00:39:04,859 --> 00:39:03,499
it out we'll do testing whatever we have

904
00:39:06,719 --> 00:39:04,869
to do to figure it out

905
00:39:08,910 --> 00:39:06,729
but here's an interesting development in

906
00:39:11,039 --> 00:39:08,920
the case right and I think this one

907
00:39:15,089 --> 00:39:11,049
really is an example of like how our

908
00:39:18,329 --> 00:39:15,099
field gets amnesia Oh easy

909
00:39:20,160 --> 00:39:18,339
I like to compare this Jason kinda to UM

910
00:39:22,380 --> 00:39:20,170
our good friend and colleague Peter

911
00:39:24,690 --> 00:39:22,390
Robbins I mean this guy based almost

912
00:39:27,029 --> 00:39:24,700
half his career on one house the

913
00:39:28,499 --> 00:39:27,039

Rendlesham and then to come to find out

914

00:39:30,239 --> 00:39:28,509

like the guy who worked with may have

915

00:39:33,180 --> 00:39:30,249

been less than honest about his

916

00:39:35,999 --> 00:39:33,190

involvement and what did Peter do he he

917

00:39:38,339 --> 00:39:36,009

admitted to it he like stood up he

918

00:39:40,859 --> 00:39:38,349

manned up as it were and he said look I

919

00:39:43,130 --> 00:39:40,869

mess up and I want to move on from that

920

00:39:45,900 --> 00:39:43,140

and I want to do the right thing and

921

00:39:49,289 --> 00:39:45,910

let's just keep working at this when

922

00:39:52,769 --> 00:39:49,299

members of this whether they issued an

923

00:39:54,900 --> 00:39:52,779

apology or not still aren't owning up to

924

00:39:57,630 --> 00:39:54,910

it in my opinion in terms of like how

925

00:39:59,549 --> 00:39:57,640

detrimental this was but again like any

926
00:40:03,120 --> 00:39:59,559
story it'll fade into obscurity like

927
00:40:06,180 --> 00:40:03,130
they all do but this was more an example

928
00:40:08,459 --> 00:40:06,190
of good diligent research by you know

929
00:40:10,709 --> 00:40:08,469
civilians and by like people behind

930
00:40:13,529 --> 00:40:10,719
their computers this Roswell slides

931
00:40:16,259 --> 00:40:13,539
research group jumped into action gotta

932
00:40:19,170 --> 00:40:16,269
thank them they did amazing amazing work

933
00:40:22,079 --> 00:40:19,180
and that's what we need and well I'm

934
00:40:24,979 --> 00:40:22,089
sure for for like Richard and Tom and

935
00:40:32,069 --> 00:40:24,989
Don that this case falls on a on a

936
00:40:34,289 --> 00:40:32,079
top-10 list of a different kind but like

937
00:40:38,759 --> 00:40:34,299
I mean this decade has been a mark of

938
00:40:40,380 --> 00:40:38,769

like alleged alien mummies and this is

939

00:40:43,559 --> 00:40:40,390

not the only embarrassing one and since

940

00:40:46,099 --> 00:40:43,569

we're not covering them gonna do my due

941

00:40:51,709 --> 00:40:46,109

diligence and this is very similar to

942

00:40:56,549 --> 00:40:51,719

the hype that was around the atacama

943

00:40:58,559 --> 00:40:56,559

mommy yeah it was little a de it was

944

00:41:01,440 --> 00:40:58,569

baby yeah not to be mistaken for baby

945

00:41:03,749 --> 00:41:01,450

Yoda right huge news and then

946

00:41:06,150 --> 00:41:03,759

unfortunately I really would like

947

00:41:08,969 --> 00:41:06,160

luckily my name isn't totally associated

948

00:41:12,930 --> 00:41:08,979

with this but Jason and I had to deal

949

00:41:16,109 --> 00:41:12,940

with Pepe the squirrel monkey oh boy

950

00:41:18,160 --> 00:41:16,119

that was that was advertised as being an

951
00:41:23,170 --> 00:41:18,170
alien mummy also from

952
00:41:25,300 --> 00:41:23,180
Busan and so yeah there this is

953
00:41:29,140 --> 00:41:25,310
something that keeps appearing and

954
00:41:31,600 --> 00:41:29,150
especially with items that look strange

955
00:41:31,780 --> 00:41:31,610
that are mummified we don't know what it

956
00:41:34,330 --> 00:41:31,790
is

957
00:41:35,680 --> 00:41:34,340
let's not immediately just because it

958
00:41:37,210 --> 00:41:35,690
looks strange jump to the

959
00:41:38,770 --> 00:41:37,220
extra-terrestrial conclusion

960
00:41:41,770 --> 00:41:38,780
I think that's the most important thing

961
00:41:44,350 --> 00:41:41,780
any of us can do like we say you know

962
00:41:47,020 --> 00:41:44,360
due diligence on research put the

963
00:41:50,190 --> 00:41:47,030

science behind it then if it comes back

964

00:41:52,210 --> 00:41:50,200

saying holy this is legitimately

965

00:41:54,610 --> 00:41:52,220

extraterrestrial in nature then let's

966

00:41:56,980 --> 00:41:54,620

tell the world when I what one day if I

967

00:41:59,470 --> 00:41:56,990

decide to to reach the point to where I

968

00:42:02,590 --> 00:41:59,480

just want to completely trash my

969

00:42:05,320 --> 00:42:02,600

credibility and you know throw myself

970

00:42:09,220 --> 00:42:05,330

down the toilet I'm gonna pull up my old

971

00:42:10,900 --> 00:42:09,230

photos with Pepe holding Pepe and

972

00:42:13,720 --> 00:42:10,910

kissing Pepe and everything I'll post

973

00:42:17,590 --> 00:42:13,730

him around and tell people that I found

974

00:42:19,390 --> 00:42:17,600

an alien yeah I could go back to some

975

00:42:22,390 --> 00:42:19,400

people and get some get some money and

976
00:42:24,970 --> 00:42:22,400
get a circus going I'm sure we have some

977
00:42:29,830 --> 00:42:24,980
photos from our UFO days that we don't

978
00:42:32,110 --> 00:42:29,840
want the photo I posted most of them

979
00:42:35,800 --> 00:42:32,120
publicly but making fun of it but if I

980
00:42:39,040 --> 00:42:35,810
were to be be a sleazy person and past

981
00:42:41,890 --> 00:42:39,050
try to pass them off as real there would

982
00:42:45,100 --> 00:42:41,900
be some biters yeah unfortunately that

983
00:42:47,860 --> 00:42:45,110
is so true yeah all right well the next

984
00:42:50,590 --> 00:42:47,870
item on our list was tremendously

985
00:42:52,780 --> 00:42:50,600
publicly visible and we're talking about

986
00:42:54,820 --> 00:42:52,790
Hillary Clinton so as she started

987
00:42:57,010 --> 00:42:54,830
hitting the campaign trail in her push

988
00:42:59,470 --> 00:42:57,020

for the White House Hillary Clinton made

989

00:43:03,160 --> 00:42:59,480

considerable headlines related to UFOs

990

00:43:06,070 --> 00:43:03,170

in 2016 Hillary and her husband former

991

00:43:09,070 --> 00:43:06,080

US President Bill Clinton are very vocal

992

00:43:12,160 --> 00:43:09,080

about their interest in UFOs and during

993

00:43:15,040 --> 00:43:12,170

one of her publicity stops when she was

994

00:43:16,780 --> 00:43:15,050

asked about UFOs she commented quote I

995

00:43:20,470 --> 00:43:16,790

think we may have been visited already

996

00:43:21,730 --> 00:43:20,480

we don't know for sure in quote and who

997

00:43:23,980 --> 00:43:21,740

could forget her appearance on Jimmy

998

00:43:26,290 --> 00:43:23,990

Kimmel Live where she stated quote I

999

00:43:28,660 --> 00:43:26,300

would like us to go into those files and

1000

00:43:30,760 --> 00:43:28,670

hopefully make as much of that public as

1001

00:43:32,180 --> 00:43:30,770

possible if there's nothing there let's

1002

00:43:35,480 --> 00:43:32,190

tell the people there's nothing

1003

00:43:37,730 --> 00:43:35,490

in quote then there was the moment on

1004

00:43:40,730 --> 00:43:37,740

that show when she explained to Kimmel

1005

00:43:44,000 --> 00:43:40,740

that quote unidentified aerial phenomena

1006

00:43:46,940 --> 00:43:44,010

or UAP is the modern nomenclature for

1007

00:43:48,740 --> 00:43:46,950

UFOs Bill Clinton's chief of staff John

1008

00:43:51,319 --> 00:43:48,750

Podesta was also Hillary's campaign

1009

00:43:53,990 --> 00:43:51,329

chairman this former counselor to

1010

00:43:56,059 --> 00:43:54,000

President Obama is a strong advocate for

1011

00:43:58,450 --> 00:43:56,069

government transparency when it comes to

1012

00:44:01,640 --> 00:43:58,460

knowledge of UFOs and files related to

1013

00:44:03,890 --> 00:44:01,650

UFO phenomena when Podesta left the

1014

00:44:06,470 --> 00:44:03,900

White House he began working on

1015

00:44:09,650 --> 00:44:06,480

Clinton's campaign and he publicly

1016

00:44:11,839 --> 00:44:09,660

voiced regret over not being able to get

1017

00:44:14,329 --> 00:44:11,849

the government UFO FILES released to the

1018

00:44:17,420 --> 00:44:14,339

public while on the campaign trail in

1019

00:44:20,120 --> 00:44:17,430

2016 when asked about Podesta Hillary

1020

00:44:21,620 --> 00:44:20,130

stated quote he has made me personally

1021

00:44:24,799 --> 00:44:21,630

pledge we are going to get the

1022

00:44:27,740 --> 00:44:24,809

information out in quote she continued

1023

00:44:30,230 --> 00:44:27,750

quote one way or another maybe we could

1024

00:44:32,839 --> 00:44:30,240

have like a task force go to area 51 in

1025

00:44:34,579 --> 00:44:32,849

quote of course Podesta generated

1026

00:44:36,559 --> 00:44:34,589

considerable UFO headlines of his own

1027

00:44:39,079 --> 00:44:36,569

including those related to WikiLeaks

1028

00:44:40,819 --> 00:44:39,089

publishing his hacked emails and some of

1029

00:44:44,599 --> 00:44:40,829

those emails contained communications

1030

00:44:47,960 --> 00:44:44,609

with Tom DeLonge about UFOs but yeah

1031

00:44:50,990 --> 00:44:47,970

Hillary certainly generated a countless

1032

00:44:51,859 --> 00:44:51,000

ufo-related headlines around that time

1033

00:44:54,500 --> 00:44:51,869

that was pretty fun

1034

00:44:56,180 --> 00:44:54,510

also another headline she generated

1035

00:44:59,539 --> 00:44:56,190

unless somehow I miss it you said that

1036

00:45:01,010 --> 00:44:59,549

is you know the photo came out of her

1037

00:45:03,019 --> 00:45:01,020

walking around with Lawrence Rockefeller

1038

00:45:05,299 --> 00:45:03,029

and she was holding a book that everyone

1039

00:45:07,160 --> 00:45:05,309

freaked out over right and they're like

1040

00:45:09,980 --> 00:45:07,170

what is it and it finally came to light

1041

00:45:12,440 --> 00:45:09,990

that the book was Paul Davies are we

1042

00:45:14,510 --> 00:45:12,450

alone people went through the roof with

1043

00:45:17,990 --> 00:45:14,520

that because that meant she was actively

1044

00:45:20,420 --> 00:45:18,000

talking about extraterrestrial life with

1045

00:45:23,150 --> 00:45:20,430

Lawrence Rockefeller and walking around

1046

00:45:24,950 --> 00:45:23,160

his estate that prior to this decade but

1047

00:45:28,670 --> 00:45:24,960

the biggest solving of what the book was

1048

00:45:30,440 --> 00:45:28,680

right came out yeah and she kind of

1049

00:45:33,380 --> 00:45:30,450

again paved the way for other

1050

00:45:36,049 --> 00:45:33,390

politicians like Bernie Sanders Andrew

1051

00:45:37,819 --> 00:45:36,059

yang they both has said like on the

1052

00:45:39,890 --> 00:45:37,829

campaign run like oh yeah totally I'll

1053

00:45:42,380 --> 00:45:39,900

disclose any info on that

1054

00:45:45,289 --> 00:45:42,390

we all know like they'll they all say

1055

00:45:48,140 --> 00:45:45,299

that in nothing but it was cool to see

1056

00:45:50,029 --> 00:45:48,150

other other representatives saying stuff

1057

00:45:52,579 --> 00:45:50,039

about like yeah totally I'll look into

1058

00:45:53,989 --> 00:45:52,589

the topic so well and God bless Jimmy

1059

00:45:56,059 --> 00:45:53,999

Kimmel you know that's his thing every

1060

00:45:58,880 --> 00:45:56,069

politician who comes on every president

1061

00:46:01,309 --> 00:45:58,890

you know he loves asking about UFOs he's

1062

00:46:03,589 --> 00:46:01,319

done that with GW he did that with Obama

1063

00:46:05,900 --> 00:46:03,599

he did that with Bill Clinton

1064

00:46:08,390 --> 00:46:05,910

well he's openly stated he will always

1065

00:46:10,339 --> 00:46:08,400

ask that question yes that I will always

1066

00:46:13,160 --> 00:46:10,349

to every presidential hopeful that is my

1067

00:46:15,079 --> 00:46:13,170

number one question if that's say he

1068

00:46:16,339 --> 00:46:15,089

always says that to you so if if I were

1069

00:46:18,799 --> 00:46:16,349

elected president the first thing I do

1070

00:46:21,440 --> 00:46:18,809

is run in and say tell me about the UFOs

1071

00:46:23,180 --> 00:46:21,450

I love Jimmy Kimmel love it yeah yeah

1072

00:46:26,960 --> 00:46:23,190

love it yep put him as your write-in

1073

00:46:28,880 --> 00:46:26,970

vote guys all right next on the list

1074

00:46:31,759 --> 00:46:28,890

Maureen what is next

1075

00:46:34,069 --> 00:46:31,769

so some of the most exciting things that

1076

00:46:37,220 --> 00:46:34,079

have happened over the last decade are a

1077

00:46:40,400 --> 00:46:37,230

continuance of commercial flights seeing

1078

00:46:43,220 --> 00:46:40,410

UFOs especially near the end of 2017

1079

00:46:44,749 --> 00:46:43,230

and the beginning of 2018 there was some

1080

00:46:47,239 --> 00:46:44,759

really exciting and incidents of

1081

00:46:49,910 --> 00:46:47,249

commercial pilots and unidentified

1082

00:46:51,650 --> 00:46:49,920

flying objects and these were reports

1083

00:46:54,890 --> 00:46:51,660

that generated headlines that went all

1084

00:46:58,670 --> 00:46:54,900

over the world banana fi Kraft was seen

1085

00:47:01,309 --> 00:46:58,680

on October 25th 2017 in the sky near the

1086

00:47:03,499 --> 00:47:01,319

border of California and Oregon now this

1087

00:47:05,809 --> 00:47:03,509

UFO was seen visually by several

1088

00:47:07,309 --> 00:47:05,819

commercial pilots and they worked with

1089

00:47:09,829 --> 00:47:07,319

ground controllers in an attempt to

1090

00:47:11,989 --> 00:47:09,839

identify it this unidentified white

1091

00:47:14,269 --> 00:47:11,999

craft was seen by several pilots flying

1092

00:47:15,979 --> 00:47:14,279

over Oregon and fighter jets were

1093

00:47:17,690 --> 00:47:15,989

scrambled to intercept and identified

1094

00:47:20,509 --> 00:47:17,700

the unknown craft but they were

1095

00:47:23,089 --> 00:47:20,519

unsuccessful in locating it the faa

1096

00:47:25,519 --> 00:47:23,099

norton NORAD confirmed the incident

1097

00:47:28,880 --> 00:47:25,529

occurred so we have official proof this

1098

00:47:31,339 --> 00:47:28,890

is is not a flighty event the craft was

1099

00:47:33,680 --> 00:47:31,349

large enough to be seen at a distance by

1100

00:47:35,749 --> 00:47:33,690

commercial traffic reportedly traveled

1101
00:47:38,029 --> 00:47:35,759
at incredible speeds and it had limited

1102
00:47:41,299 --> 00:47:38,039
radar reflectivity and was capable of

1103
00:47:44,210 --> 00:47:41,309
executing haiji maneuvers so nobody

1104
00:47:46,729 --> 00:47:44,220
knows what this is and this was really

1105
00:47:48,829 --> 00:47:46,739
crazy they you know thought maybe it was

1106
00:47:51,259 --> 00:47:48,839
a drug plane but it wasn't so it

1107
00:47:52,819 --> 00:47:51,269
traveled off and they can't find it the

1108
00:47:53,630 --> 00:47:52,829
fact that fighter jets are scrambled is

1109
00:47:55,640 --> 00:47:53,640
really cool and

1110
00:47:58,849 --> 00:47:55,650
similar incident occurred on the

1111
00:48:00,859 --> 00:47:58,859
afternoon of February 24th in 2018 and

1112
00:48:03,440 --> 00:48:00,869
when two commercial airliners

1113
00:48:05,660 --> 00:48:03,450

independently spotted a UFO this took

1114

00:48:07,640 --> 00:48:05,670

place in south eastern Arizona new the

1115

00:48:08,930 --> 00:48:07,650

near Mexico border and the cruise aboard

1116

00:48:11,059 --> 00:48:08,940

these planes communicated with

1117

00:48:12,950 --> 00:48:11,069

Albuquerque Center air traffic control

1118

00:48:15,259 --> 00:48:12,960

reporting their visual sighting as it

1119

00:48:17,000 --> 00:48:15,269

took place in the entire incident for

1120

00:48:19,849 --> 00:48:17,010

this one lasted only about six minutes

1121

00:48:22,400 --> 00:48:19,859

so one of the most important things

1122

00:48:24,289 --> 00:48:22,410

about these commercial sightings and why

1123

00:48:27,940 --> 00:48:24,299

we get really excited about them is

1124

00:48:31,370 --> 00:48:27,950

because a pilots are trained to look for

1125

00:48:34,099 --> 00:48:31,380

aircraft in the sky ground controls

1126

00:48:35,089 --> 00:48:34,109

trained to follow craft and obviously

1127

00:48:38,240 --> 00:48:35,099

you're supposed to have your flight

1128

00:48:39,920 --> 00:48:38,250

paths in so when unknown objects are

1129

00:48:41,900 --> 00:48:39,930

spotted by these you also have mass

1130

00:48:45,470 --> 00:48:41,910

witnesses and you have a lot of science

1131

00:48:48,019 --> 00:48:45,480

at your disposal already in order to try

1132

00:48:51,140 --> 00:48:48,029

and identify something while it's still

1133

00:48:52,819 --> 00:48:51,150

in the air and I know with the the

1134

00:48:54,500 --> 00:48:52,829

Oregon California they were really

1135

00:48:56,569 --> 00:48:54,510

worried you know that like I said it was

1136

00:48:58,789 --> 00:48:56,579

drug trafficker headed up to the

1137

00:49:00,710 --> 00:48:58,799

Canadian border but this this white

1138

00:49:03,079 --> 00:49:00,720

object just basically disappeared after

1139

00:49:04,039 --> 00:49:03,089

all these people had seen it in the

1140

00:49:09,740 --> 00:49:04,049

fighter jets

1141

00:49:11,539 --> 00:49:09,750

speeds but not fast enough yeah wider

1142

00:49:15,440 --> 00:49:11,549

Jets couldn't find it they went up and

1143

00:49:18,079 --> 00:49:15,450

they're all hello yeah that is crazy and

1144

00:49:20,690 --> 00:49:18,089

one of the coolest thing about both of

1145

00:49:23,870 --> 00:49:20,700

these cases is thanks to the incredible

1146

00:49:26,569 --> 00:49:23,880

work of Tyler rogue away we have all of

1147

00:49:30,710 --> 00:49:26,579

the FAA recording from the communication

1148

00:49:34,789 --> 00:49:30,720

with all of these pilots with FAA with

1149

00:49:36,079 --> 00:49:34,799

NORAD with the sort of follow up after

1150

00:49:37,490 --> 00:49:36,089

the event of them trying to piece

1151

00:49:40,190 --> 00:49:37,500

together the puzzle to figure out what

1152

00:49:42,950 --> 00:49:40,200

the hell happened it's so fascinating to

1153

00:49:45,259 --> 00:49:42,960

listen to you just the process of them

1154

00:49:48,319 --> 00:49:45,269

trying to deal with a UFO and the sky

1155

00:49:50,269 --> 00:49:48,329

and these both generated so many

1156

00:49:52,609 --> 00:49:50,279

headlines and this is another example of

1157

00:49:55,039 --> 00:49:52,619

something reaching just the general

1158

00:49:57,109 --> 00:49:55,049

public you know pop culture I can't tell

1159

00:50:00,049 --> 00:49:57,119

you how many times I was asked about

1160

00:50:02,029 --> 00:50:00,059

this these cases by people who aren't

1161

00:50:04,069 --> 00:50:02,039

into UFOs they would come to me and say

1162

00:50:05,779 --> 00:50:04,079

hey so what's the deal with these the

1163

00:50:07,610 --> 00:50:05,789

the planes they were we're over Oregon

1164

00:50:09,470 --> 00:50:07,620

what what what's the deal with that

1165

00:50:11,600 --> 00:50:09,480

it was really cool yeah I know the the

1166

00:50:13,610 --> 00:50:11,610

other one that made a lot of headlines

1167

00:50:17,000 --> 00:50:13,620

too was the one and was it Ireland

1168

00:50:19,880 --> 00:50:17,010

Ireland yeah what's that one - had some

1169

00:50:21,800 --> 00:50:19,890

audio and you can tell like all these

1170

00:50:24,860 --> 00:50:21,810

flights our operators and even the

1171

00:50:27,350 --> 00:50:24,870

pilots like they are really dumbfounded

1172

00:50:30,260 --> 00:50:27,360

by what they're seeing and they use the

1173

00:50:32,840 --> 00:50:30,270

term UFO many many times which used to

1174

00:50:35,000 --> 00:50:32,850

be a huge stigma you never set that word

1175

00:50:36,950 --> 00:50:35,010

when you're up there but it seems that

1176

00:50:39,950 --> 00:50:36,960

that might be changing a little bit as

1177

00:50:41,960 --> 00:50:39,960

these cases and these phenomena are

1178

00:50:45,380 --> 00:50:41,970

plaguing more and more of our commercial

1179

00:50:48,020 --> 00:50:45,390

pilots yeah you would think too with the

1180

00:50:49,700 --> 00:50:48,030

way the TTS a and its popularity and

1181

00:50:52,640 --> 00:50:49,710

then identified those sorts of things

1182

00:50:55,130 --> 00:50:52,650

that now and of course with Fox News and

1183

00:50:57,440 --> 00:50:55,140

Tucker Carson and those that you know

1184

00:50:59,780 --> 00:50:57,450

the media is warming up a little bit to

1185

00:51:01,820 --> 00:50:59,790

this and feels a little bit safer to to

1186

00:51:04,280 --> 00:51:01,830

report and probably not to mention the

1187

00:51:07,720 --> 00:51:04,290

competition from the likes of you know

1188

00:51:10,100 --> 00:51:07,730

Tyler rogue away and and those sorts of

1189

00:51:12,320 --> 00:51:10,110

publications as well right and you look

1190

00:51:14,540 --> 00:51:12,330

at like cases back to Japan Airlines

1191

00:51:16,460 --> 00:51:14,550

case you know Tata who chose like put on

1192

00:51:18,230 --> 00:51:16,470

desk duty after reporting the UFO I

1193

00:51:20,690 --> 00:51:18,240

don't see that happening anymore I'm

1194

00:51:22,940 --> 00:51:20,700

sure their careers are just fine Brian

1195

00:51:25,160 --> 00:51:22,950

reporting these things because times

1196

00:51:27,560 --> 00:51:25,170

have changed and these things are more

1197

00:51:29,720 --> 00:51:27,570

and more common well and yeah good point

1198

00:51:33,710 --> 00:51:29,730

Ryan and another thing I think you know

1199

00:51:35,300 --> 00:51:33,720

we're we live in an era of cya right so

1200

00:51:37,160 --> 00:51:35,310

that the light of these flight

1201
00:51:39,050 --> 00:51:37,170
controllers these pilots they don't want

1202
00:51:41,240 --> 00:51:39,060
to be responsible something happens so

1203
00:51:41,920 --> 00:51:41,250
to cover their asses they're gonna

1204
00:51:44,330 --> 00:51:41,930
report it

1205
00:51:47,000 --> 00:51:44,340
alright so we're getting into things

1206
00:51:49,730 --> 00:51:47,010
that took place much more recently so

1207
00:51:51,290 --> 00:51:49,740
the next list on or the next item on our

1208
00:51:53,480 --> 00:51:51,300
list will likely be fresh in your mind

1209
00:51:56,660 --> 00:51:53,490
and of course we're talking about a tip

1210
00:51:59,690 --> 00:51:56,670
and T TSA so on Wednesday October 11th

1211
00:52:02,000 --> 00:51:59,700
2017 trans media company to the Stars

1212
00:52:04,160 --> 00:52:02,010
hosted a livestream event during which

1213
00:52:07,040 --> 00:52:04,170

founder Tom DeLonge announced a new

1214

00:52:08,950 --> 00:52:07,050

endeavor for the company which was to

1215

00:52:11,750 --> 00:52:08,960

the Stars Academy of Arts and Science

1216

00:52:13,660 --> 00:52:11,760

PTSA has been the source of countless

1217

00:52:15,830 --> 00:52:13,670

global headlines since its launch

1218

00:52:18,950 --> 00:52:15,840

including the well-known New York Times

1219

00:52:20,720 --> 00:52:18,960

story published on December 15th 2017

1220

00:52:21,530 --> 00:52:20,730

that revealed the Pentagon's

1221

00:52:23,780 --> 00:52:21,540

contemporary

1222

00:52:25,610 --> 00:52:23,790

UFO study known as the advanced

1223

00:52:28,930 --> 00:52:25,620

aerospace threat identification program

1224

00:52:31,310 --> 00:52:28,940

don't forget those three Navy UFO videos

1225

00:52:33,920 --> 00:52:31,320

modification to the Navy's UFO reporting

1226
00:52:36,380 --> 00:52:33,930
policy government partnerships related

1227
00:52:38,960 --> 00:52:36,390
to testing exotic material and the UFO

1228
00:52:40,820 --> 00:52:38,970
TV show on the History Channel all these

1229
00:52:43,580 --> 00:52:40,830
things generated multiple stories by

1230
00:52:46,310 --> 00:52:43,590
media outlets around the world and all

1231
00:52:49,490 --> 00:52:46,320
are a result of the work up to the Stars

1232
00:52:54,260 --> 00:52:49,500
Academy pretty remarkable how much that

1233
00:52:56,600 --> 00:52:54,270
is just monopolized really the bulk of

1234
00:52:59,450 --> 00:52:56,610
the UFO community and in the things we

1235
00:53:01,730 --> 00:52:59,460
talk about what ufo-related headlines

1236
00:53:03,650 --> 00:53:01,740
that have been generated it is the face

1237
00:53:04,490 --> 00:53:03,660
of ufology there's no way to get around

1238
00:53:07,520 --> 00:53:04,500

it

1239

00:53:10,670 --> 00:53:07,530

we can thank Tom DeLonge for giving the

1240

00:53:12,290 --> 00:53:10,680

topic like I think the it's just dues

1241

00:53:14,150 --> 00:53:12,300

but at the same time it's like when you

1242

00:53:16,280 --> 00:53:14,160

have this one narrative out there now

1243

00:53:19,430 --> 00:53:16,290

it's tough it's hard it's tough to be

1244

00:53:22,310 --> 00:53:19,440

the the signal again stall the noise

1245

00:53:24,620 --> 00:53:22,320

yeah absolutely and and that's true to

1246

00:53:27,290 --> 00:53:24,630

to to an extent too if you think about

1247

00:53:29,270 --> 00:53:27,300

it it's like we're kind of being blinded

1248

00:53:32,060 --> 00:53:29,280

to a lot of other potential stories that

1249

00:53:33,350 --> 00:53:32,070

are probably happening right now and

1250

00:53:36,250 --> 00:53:33,360

we're in the dark because the news is

1251

00:53:38,840 --> 00:53:36,260

focusing all on on this one segment so

1252

00:53:41,180 --> 00:53:38,850

got to keep our ears open to the the

1253

00:53:42,680 --> 00:53:41,190

underground stuff happening yeah almost

1254

00:53:45,170 --> 00:53:42,690

four years now we're talking about the

1255

00:53:47,870 --> 00:53:45,180

tic-tac come on let's move on

1256

00:53:50,540 --> 00:53:47,880

it'll happen it'll happen but you know I

1257

00:53:52,250 --> 00:53:50,550

think it's gonna take and you know we we

1258

00:53:53,690 --> 00:53:52,260

in the community the UFO community like

1259

00:53:56,930 --> 00:53:53,700

to do a lot of bitching and moaning

1260

00:53:59,420 --> 00:53:56,940

about mainstream media and you know I'm

1261

00:54:02,780 --> 00:53:59,430

not giving the attention to UFOs that it

1262

00:54:05,060 --> 00:54:02,790

deserves but at the same time you know

1263

00:54:08,410 --> 00:54:05,070

time shift and we get you know some

1264

00:54:12,620 --> 00:54:08,420

people from the UFO community writing

1265

00:54:14,570 --> 00:54:12,630

for mainstream publications and they

1266

00:54:16,910 --> 00:54:14,580

really control the power I mean we've

1267

00:54:20,690 --> 00:54:16,920

all written for mainstream publications

1268

00:54:21,920 --> 00:54:20,700

and know how the the media works and you

1269

00:54:23,360 --> 00:54:21,930

know you really do have a lot of power

1270

00:54:27,320 --> 00:54:23,370

on the stories that you choose to write

1271

00:54:29,750 --> 00:54:27,330

and we're seeing right now from many of

1272

00:54:31,160 --> 00:54:29,760

the the UFO researchers people from the

1273

00:54:34,100 --> 00:54:31,170

UFO community who are writing for

1274

00:54:35,450 --> 00:54:34,110

mainstream outlets are really choosing

1275

00:54:39,470 --> 00:54:35,460

just to write stories up

1276

00:54:41,660 --> 00:54:39,480

about things related to TTS a when there

1277

00:54:43,700 --> 00:54:41,670

are so many other things happening and I

1278

00:54:45,770 --> 00:54:43,710

have to give credit and and I do you

1279

00:54:48,950 --> 00:54:45,780

have to point out the big void that has

1280

00:54:50,390 --> 00:54:48,960

been in UFO reporting since Lee Spiegel

1281

00:54:53,150 --> 00:54:50,400

left The Huffington Post

1282

00:54:54,920 --> 00:54:53,160

Seattle Lee Spiegel would certainly

1283

00:54:58,490 --> 00:54:54,930

cover the big stories but he would also

1284

00:54:59,990 --> 00:54:58,500

find other smaller unknown stories to

1285

00:55:02,000 --> 00:55:00,000

talk about he would also do a true

1286

00:55:03,830 --> 00:55:02,010

investigative journalism and use his

1287

00:55:05,420 --> 00:55:03,840

sources and go after stories and do

1288

00:55:07,820 --> 00:55:05,430

updates on those stories and really dig

1289

00:55:10,490 --> 00:55:07,830

in and pull out some really fascinating

1290

00:55:12,410 --> 00:55:10,500

things going on and I think the UFO

1291

00:55:17,060 --> 00:55:12,420

community is really missing that right

1292

00:55:19,670 --> 00:55:17,070

now a true general journalist who digs

1293

00:55:22,180 --> 00:55:19,680

in and approaches this topic like a

1294

00:55:24,980 --> 00:55:22,190

journalist and doesn't just focus on

1295

00:55:27,470 --> 00:55:24,990

what they see posted on Facebook and UFO

1296

00:55:29,630 --> 00:55:27,480

groups you know there's a lot more to

1297

00:55:33,110 --> 00:55:29,640

UFOs than what's trending right now

1298

00:55:35,630 --> 00:55:33,120

among UFO people we miss you lead yeah

1299

00:55:37,610 --> 00:55:35,640

miss you Lee but he'll be coming back

1300

00:55:41,030 --> 00:55:37,620

with a storm I mean he's got his podcast

1301
00:55:43,280 --> 00:55:41,040
right now that's cool and you know he's

1302
00:55:46,160 --> 00:55:43,290
got the great film with James Fox that

1303
00:55:48,260 --> 00:55:46,170
we're going to get in 2020 so I've been

1304
00:55:52,100 --> 00:55:48,270
living under a rock I did not know Lee

1305
00:55:53,930 --> 00:55:52,110
had a podcast can you please drop yes

1306
00:55:56,150 --> 00:55:53,940
nation about that yes we will certainly

1307
00:55:58,460 --> 00:55:56,160
post a link so we had a hot cast for

1308
00:56:02,210 --> 00:55:58,470
sure one cool thing though about the

1309
00:56:04,730 --> 00:56:02,220
whole nimitz case and the t TSA and I

1310
00:56:06,740 --> 00:56:04,740
don't know if it's you know it's

1311
00:56:10,880 --> 00:56:06,750
probably a combination of like the case

1312
00:56:13,940 --> 00:56:10,890
itself and but also the timing that you

1313
00:56:15,500 --> 00:56:13,950

know I I do worry like you say Ryan too

1314

00:56:18,380 --> 00:56:15,510

is you know too much focus on the

1315

00:56:19,970 --> 00:56:18,390

singular thing and and if it gets

1316

00:56:22,430 --> 00:56:19,980

resolved I mean I've even thought of

1317

00:56:24,680 --> 00:56:22,440

this what if what if it gets resolved in

1318

00:56:29,150 --> 00:56:24,690

a way like it it's identified like let's

1319

00:56:31,610 --> 00:56:29,160

just say there's some program will that

1320

00:56:34,490 --> 00:56:31,620

just all of a sudden you know D

1321

00:56:35,030 --> 00:56:34,500

legitimized everything that everything

1322

00:56:36,650 --> 00:56:35,040

else

1323

00:56:38,090 --> 00:56:36,660

other than that you know do we go back

1324

00:56:40,520 --> 00:56:38,100

to the whole thing we've been

1325

00:56:42,380 --> 00:56:40,530

experiencing for 70 years or not I mean

1326

00:56:45,860 --> 00:56:42,390

that is a little bit of worry but you

1327

00:56:48,680 --> 00:56:45,870

know I also appreciate the fact that you

1328

00:56:49,070 --> 00:56:48,690

know we needed something different to

1329

00:56:51,020 --> 00:56:49,080

have

1330

00:56:53,090 --> 00:56:51,030

and you know we've been plugging away

1331

00:56:55,370 --> 00:56:53,100

for you know these 70 years and not

1332

00:56:57,230 --> 00:56:55,380

really getting anywhere and and things

1333

00:56:59,900 --> 00:56:57,240

really are different because of this

1334

00:57:03,920 --> 00:56:59,910

case and this issue and maybe the way it

1335

00:57:05,840 --> 00:57:03,930

came out and maybe it is a bit about TST

1336

00:57:08,900 --> 00:57:05,850

TSA and they tip and all those things

1337

00:57:12,320 --> 00:57:08,910

but I mean the fact is it it it is it

1338

00:57:14,000 --> 00:57:12,330

has changed things and I think that's

1339

00:57:15,260 --> 00:57:14,010

pretty cool and exciting but I think

1340

00:57:17,930 --> 00:57:15,270

you're right we'll also have to be

1341

00:57:20,390 --> 00:57:17,940

careful and watchful that just doesn't

1342

00:57:24,020 --> 00:57:20,400

change things in the in a negative way

1343

00:57:25,280 --> 00:57:24,030

where we do disregard everything else

1344

00:57:28,190 --> 00:57:25,290

that's happening because there's still a

1345

00:57:30,890 --> 00:57:28,200

ton of stuff happens every single day so

1346

00:57:33,800 --> 00:57:30,900

I started I think your burden falls on

1347

00:57:36,260 --> 00:57:33,810

us you know in the community we have to

1348

00:57:39,200 --> 00:57:36,270

step up right we can sit here and

1349

00:57:41,540 --> 00:57:39,210

and moan about it you know we all still

1350

00:57:43,520 --> 00:57:41,550

talk about t TSA because it is important

1351
00:57:45,290 --> 00:57:43,530
things that are happening it is it is

1352
00:57:47,690 --> 00:57:45,300
newsworthy and relevant and people

1353
00:57:50,390 --> 00:57:47,700
should know about it but we also have to

1354
00:57:54,050 --> 00:57:50,400
do our work and in highlight other

1355
00:57:57,590 --> 00:57:54,060
things and you know not not get caught

1356
00:57:59,000 --> 00:57:57,600
up in this singular mindset and continue

1357
00:58:00,980 --> 00:57:59,010
painting that picture that only one

1358
00:58:04,340 --> 00:58:00,990
thing is happening I said it before and

1359
00:58:07,100 --> 00:58:04,350
I applaud every effort that anybody's

1360
00:58:09,650 --> 00:58:07,110
doing you know I think T TSA is doing

1361
00:58:11,450 --> 00:58:09,660
fantastic stuff I wish them all the luck

1362
00:58:13,820 --> 00:58:11,460
with everything they do that's great I'm

1363
00:58:15,800 --> 00:58:13,830

glad they're doing it I think SETI is

1364

00:58:17,330 --> 00:58:15,810

great people like to hate on SETI

1365

00:58:17,990 --> 00:58:17,340

they're all oh what a waste of time what

1366

00:58:19,670 --> 00:58:18,000

a waste of money

1367

00:58:21,500 --> 00:58:19,680

hey I'm glad somebody's doing that

1368

00:58:23,930 --> 00:58:21,510

somebody should be doing all the things

1369

00:58:26,360 --> 00:58:23,940

all the time and I'm glad when somebody

1370

00:58:29,750 --> 00:58:26,370

steps up and wants to take this piece

1371

00:58:32,540 --> 00:58:29,760

and work on that this piece and focus on

1372

00:58:34,430 --> 00:58:32,550

that we need all these things going at

1373

00:58:36,350 --> 00:58:34,440

the same time and when you have somebody

1374

00:58:38,630 --> 00:58:36,360

who steps up and wants to do part of

1375

00:58:40,910 --> 00:58:38,640

that I celebrate that and I think that's

1376

00:58:44,450 --> 00:58:40,920

wonderful we all have to do our part

1377

00:58:47,690 --> 00:58:44,460

it doesn't hurt us individually or as a

1378

00:58:49,400 --> 00:58:47,700

whole with the UFO community if there's

1379

00:58:51,320 --> 00:58:49,410

one group doing something that's getting

1380

00:58:52,790 --> 00:58:51,330

more visibility than what we're doing

1381

00:58:56,390 --> 00:58:52,800

that's just pride that gets in the way

1382

00:58:58,100 --> 00:58:56,400

and that hurts research yep competition

1383

00:59:00,830 --> 00:58:58,110

that's why there's a Dunkin Donuts

1384

00:59:02,270 --> 00:59:00,840

across from Starbucks like we need to

1385

00:59:04,100 --> 00:59:02,280

get this cake in the

1386

00:59:06,320 --> 00:59:04,110

every now and again and Jason I do it to

1387

00:59:08,870 --> 00:59:06,330

add like above my desk right now I'm not

1388

00:59:10,430 --> 00:59:08,880

kidding you I literally have we need all

1389

00:59:12,320 --> 00:59:10,440

the things all the time

1390

00:59:13,850 --> 00:59:12,330

oh that's amazing scale said you love

1391

00:59:15,440 --> 00:59:13,860

that right yeah I think that's the

1392

00:59:19,010 --> 00:59:15,450

mantra of this decade

1393

00:59:24,560 --> 00:59:19,020

yes all right well let's move into the

1394

00:59:27,380 --> 00:59:24,570

last thing on our list so finally uh we

1395

00:59:29,860 --> 00:59:27,390

can't talk about the top ten UFO related

1396

00:59:35,810 --> 00:59:29,870

stories of the decade without mentioning

1397

00:59:37,970 --> 00:59:35,820

storm area 51 storm area 51 started as a

1398

00:59:41,600 --> 00:59:37,980

joke by college student Mattie Roberts

1399

00:59:44,540 --> 00:59:41,610

he created a Facebook event on June 27th

1400

00:59:47,600 --> 00:59:44,550

2019 titled storm area 51

1401
00:59:49,400 --> 00:59:47,610
they can't stop all of us Roberts later

1402
00:59:52,010 --> 00:59:49,410
acknowledged that he created the event

1403
00:59:54,440 --> 00:59:52,020
as a joke after watching area 51

1404
00:59:55,940 --> 00:59:54,450
whistleblower bob lazar and filmmaker

1405
00:59:59,360 --> 00:59:55,950
jeremy Korb on the Joe Rogan

1406
01:00:01,820 --> 00:59:59,370
experience but still millions of people

1407
01:00:04,670 --> 01:00:01,830
said they were going to this event the

1408
01:00:06,440 --> 01:00:04,680
media went crazy with this story the

1409
01:00:08,960 --> 01:00:06,450
military and local authorities got

1410
01:00:10,700 --> 01:00:08,970
freaked out and local residents were

1411
01:00:12,380 --> 01:00:10,710
pretty darn unhappy with the thought of

1412
01:00:14,870 --> 01:00:12,390
millions of people descending on their

1413
01:00:17,210 --> 01:00:14,880

properties in rural Nevada the event

1414

01:00:19,430 --> 01:00:17,220

quickly morphed into a festival which

1415

01:00:23,030 --> 01:00:19,440

then morphed into multiple festivals

1416

01:00:25,010 --> 01:00:23,040

then just a week before the event

1417

01:00:26,990 --> 01:00:25,020

Maddy Roberts pulled out of the events

1418

01:00:29,870 --> 01:00:27,000

that he'd been planning with the little

1419

01:00:32,330 --> 01:00:29,880

alien in Rachel Nevada and did a

1420

01:00:34,160 --> 01:00:32,340

different event so yeah I just slop

1421

01:00:37,310 --> 01:00:34,170

together something in downtown Las Vegas

1422

01:00:39,320 --> 01:00:37,320

instead but although the few thousand

1423

01:00:42,920 --> 01:00:39,330

people who turned out for this event had

1424

01:00:45,170 --> 01:00:42,930

fun at really what was a silly weekend

1425

01:00:47,480 --> 01:00:45,180

the whole debacle was publicly

1426

01:00:50,000 --> 01:00:47,490

considered a flop and many of the

1427

01:00:50,300 --> 01:00:50,010

resulting headlines didn't sugarcoat it

1428

01:00:53,510 --> 01:00:50,310

either

1429

01:00:55,490 --> 01:00:53,520

maybe were headlines like storm area 51

1430

01:00:58,850 --> 01:00:55,500

brings fewer alien enthusiasts than

1431

01:01:01,510 --> 01:00:58,860

authorities expected area 51 storming to

1432

01:01:04,610 --> 01:01:01,520

see aliens fails to materialize and

1433

01:01:06,980 --> 01:01:04,620

storm area 51 base camp ends early due

1434

01:01:08,750 --> 01:01:06,990

to low attendance just a few of the

1435

01:01:11,750 --> 01:01:08,760

headlines that painted the unfortunate

1436

01:01:14,150 --> 01:01:11,760

picture the pop-culture effect of this

1437

01:01:15,900 --> 01:01:14,160

thing is still being seen we recently

1438

01:01:17,700 --> 01:01:15,910

learned that

1439

01:01:19,920 --> 01:01:17,710

now I'm citing my sources here guys

1440

01:01:22,160 --> 01:01:19,930

because I'm responsible but we recently

1441

01:01:26,220 --> 01:01:22,170

learned that porn hubs

1442

01:01:29,370 --> 01:01:26,230

20:19 year-in-review revealed that alien

1443

01:01:32,059 --> 01:01:29,380

was the second most popular search term

1444

01:01:35,460 --> 01:01:32,069

on the porn website for the year good

1445

01:01:38,940 --> 01:01:35,470

porn hub also revealed that cert

1446

01:01:41,190 --> 01:01:38,950

searches for the term area 51 surged

1447

01:01:43,769 --> 01:01:41,200

from zero to a hundred and sixty

1448

01:01:46,380 --> 01:01:43,779

thousand just a few days after the

1449

01:01:48,859 --> 01:01:46,390

Facebook event went viral and if you're

1450

01:01:51,509 --> 01:01:48,869

not aroused by stats from a porn site

1451

01:01:53,849 --> 01:01:51,519

maybe Google will do it for you

1452

01:01:59,460 --> 01:01:53,859

according to Google's year in search

1453

01:02:01,859 --> 01:01:59,470

2019 data area 51 raid was the year's

1454

01:02:06,900 --> 01:02:01,869

fourth biggest trending news story and

1455

01:02:09,720 --> 01:02:06,910

that's not all what is area 51 was the

1456

01:02:14,279 --> 01:02:09,730

top what is question of the year on

1457

01:02:17,670 --> 01:02:14,289

Google and where is our area 51 was the

1458

01:02:21,029 --> 01:02:17,680

third most popular where is question of

1459

01:02:23,579 --> 01:02:21,039

the year on Google that's insane

1460

01:02:26,249 --> 01:02:23,589

just showing the impact this silly

1461

01:02:27,710 --> 01:02:26,259

little event had on the general public

1462

01:02:30,359 --> 01:02:27,720

and on pop culture

1463

01:02:32,009 --> 01:02:30,369

it's unfortunate yeah it really is

1464

01:02:35,579 --> 01:02:32,019

Maureen I was gonna say the same thing I

1465

01:02:38,940 --> 01:02:35,589

mean cool fun like I love sharing the

1466

01:02:42,779 --> 01:02:38,950

memes and everything but like imagine if

1467

01:02:45,089 --> 01:02:42,789

something spread this this much that

1468

01:02:45,359 --> 01:02:45,099

like benefited anyone anyone in the

1469

01:02:48,839 --> 01:02:45,369

world

1470

01:02:51,420 --> 01:02:48,849

it's like sick and ailing people or poor

1471

01:02:52,980 --> 01:02:51,430

people or the the environment like just

1472

01:02:56,069 --> 01:02:52,990

imagine what kind of impact that could

1473

01:02:59,490 --> 01:02:56,079

have instead it was a stupid meme about

1474

01:03:02,190 --> 01:02:59,500

area 50 it hurts me but I guess this is

1475

01:03:04,440 --> 01:03:02,200

a very good segue to drop the point that

1476

01:03:06,630 --> 01:03:04,450

we met we didn't say top 10 most

1477

01:03:09,870 --> 01:03:06,640

credible UFO sightings of the last

1478

01:03:13,859 --> 01:03:09,880

decade these are more stories generated

1479

01:03:16,200 --> 01:03:13,869

buzz yeah note because we're gonna get

1480

01:03:19,589 --> 01:03:16,210

people saying what how are you listing

1481

01:03:20,789 --> 01:03:19,599

this top 10 listing yes plus I had to

1482

01:03:23,249 --> 01:03:20,799

throw that one in there because it gave

1483

01:03:25,109 --> 01:03:23,259

me an excuse to site pornhub that's true

1484

01:03:27,130 --> 01:03:25,119

when else could we ever do that on I'm

1485

01:03:29,350 --> 01:03:27,140

sure we'll do it again sometime

1486

01:03:32,140 --> 01:03:29,360

it is a first for this show citing

1487

01:03:34,000 --> 01:03:32,150

exciting foreign-born stats so again

1488

01:03:36,520 --> 01:03:34,010

it's pretty challenging to put together

1489

01:03:38,710 --> 01:03:36,530

the list for a show like this because

1490

01:03:41,260 --> 01:03:38,720

there are so many UFO related stories

1491

01:03:44,380 --> 01:03:41,270

making headlines every year trimming it

1492

01:03:46,360 --> 01:03:44,390

down to the best stories is tough so a

1493

01:03:49,990 --> 01:03:46,370

few of the other stories we considered

1494

01:03:51,760 --> 01:03:50,000

adding were the Baltic Sea UFO if you

1495

01:03:53,740 --> 01:03:51,770

remember that one that generated a lot

1496

01:03:55,780 --> 01:03:53,750

of headlines primarily because this

1497

01:03:57,670 --> 01:03:55,790

random thing that these treasure hunters

1498

01:03:58,870 --> 01:03:57,680

found at the bottom of the ocean looked

1499

01:04:01,990 --> 01:03:58,880

like the Millennium Falcon

1500

01:04:03,880 --> 01:04:02,000

so that generated its own headlines

1501

01:04:06,220 --> 01:04:03,890

right there because of the Star Wars - I

1502

01:04:09,130 --> 01:04:06,230

am they were all there was also a great

1503

01:04:12,190 --> 01:04:09,140

case with UFO hundreds of UFOs along

1504

01:04:14,500 --> 01:04:12,200

India's border in 2012 and that was an

1505

01:04:17,530 --> 01:04:14,510

ongoing case that you know there were

1506

01:04:19,960 --> 01:04:17,540

multiple updates as the case was being

1507

01:04:22,000 --> 01:04:19,970

investigated by the government and that

1508

01:04:23,560 --> 01:04:22,010

went unsolved it was a fascinating case

1509

01:04:25,870 --> 01:04:23,570

to follow and one of my favorites

1510

01:04:28,630 --> 01:04:25,880

certainly the decade then there were the

1511

01:04:30,700 --> 01:04:28,640

mo D UFO FILES the mo D claims they

1512

01:04:31,900 --> 01:04:30,710

released all of their UFO files and that

1513

01:04:34,420 --> 01:04:31,910

was something to follow throughout

1514

01:04:37,570 --> 01:04:34,430

multiple years as they gradually

1515

01:04:40,480 --> 01:04:37,580

released batches of incredible UFO files

1516

01:04:43,510 --> 01:04:40,490

from there their UFO desk when they were

1517

01:04:44,860 --> 01:04:43,520

collecting and investigating UFOs so

1518

01:04:46,930 --> 01:04:44,870

that was fascinating

1519

01:04:48,790 --> 01:04:46,940

then there was Annie Jacobson that was

1520

01:04:51,250 --> 01:04:48,800

one that generated a lot of headlines -

1521

01:04:55,090 --> 01:04:51,260

with her book that came out about area

1522

01:04:57,820 --> 01:04:55,100

51 and the infamous chapter about

1523

01:05:00,040 --> 01:04:57,830

Roswell where she claimed that the

1524

01:05:02,440 --> 01:05:00,050

Roswell bodies that were recovered

1525

01:05:05,530 --> 01:05:02,450

allegedly recovered in Roswell were

1526

01:05:06,400 --> 01:05:05,540

those of mutilated children done by

1527

01:05:10,450 --> 01:05:06,410

Josef Mengele

1528

01:05:13,780 --> 01:05:10,460

so that generated quite a stir created

1529

01:05:15,450 --> 01:05:13,790

headlines and got a lot of negative

1530

01:05:18,570 --> 01:05:15,460

response from the UFO community

1531

01:05:21,940 --> 01:05:18,580

especially by one Stan Friedman who

1532

01:05:24,850 --> 01:05:21,950

penned a nice rebuttal to her basically

1533

01:05:26,890 --> 01:05:24,860

calling her crazy but yeah I guess I

1534

01:05:28,870 --> 01:05:26,900

should mention to you like the passing

1535

01:05:32,620 --> 01:05:28,880

of Stanton Friedman being a big one this

1536

01:05:36,400 --> 01:05:32,630

decade yes yeah fortune yeah yeah and

1537

01:05:38,800 --> 01:05:36,410

and maybe maybe that's something that in

1538

01:05:41,190 --> 01:05:38,810

future years I might do four four year

1539

01:05:44,460 --> 01:05:41,200

reviews talking about things that

1540

01:05:47,430 --> 01:05:44,470

we're big news for the UFO community you

1541

01:05:49,109 --> 01:05:47,440

know certain losses in the community and

1542

01:05:51,030 --> 01:05:49,119

we've certainly seen a lot of those

1543

01:05:53,910 --> 01:05:51,040

we're seeing them more more and more as

1544

01:05:56,579 --> 01:05:53,920

time passes because a lot of you know

1545

01:05:58,980 --> 01:05:56,589

the old researchers from the beginning

1546

01:06:02,670 --> 01:05:58,990

of the modern UFO era are nearing their

1547

01:06:04,349 --> 01:06:02,680

end so gonna happen thanks again for

1548

01:06:06,420 --> 01:06:04,359

hanging out with us today I'm Jason

1549

01:06:08,130 --> 01:06:06,430

McClellan I'm Maureen Elsberry i'm ryan

1550

01:06:10,140 --> 01:06:08,140

spring and i'm shane herd

1551

01:06:11,609 --> 01:06:10,150

do us a favor friends always treat the

1552

01:06:13,460 --> 01:06:11,619

UFO subject with the cautious and

1553

01:06:16,109 --> 01:06:13,470

responsible skepticism it deserves

1554

01:06:19,170 --> 01:06:16,119

question everything had the courage to

1555

01:06:21,120 --> 01:06:19,180

form your own opinions keep truth as the

1556

01:06:23,280 --> 01:06:21,130

focus of your quest even if the truth

1557

01:06:28,790 --> 01:06:23,290

conflicts with your opinions and of

1558

01:07:18,710 --> 01:07:17,070

[Music]

1559

01:07:24,620 --> 01:07:18,720
