

# SOMEWHERE IN THE SKIES

WITH RYAN SPRAGUE

**WITNESS  
ACCOUNTS**

*VOLUME NINE*

1  
00:00:00,060 --> 00:00:04,820

[Music]

2  
00:00:08,830 --> 00:00:06,710

[Applause]

3  
00:00:12,169 --> 00:00:08,840

[Music]

4  
00:00:13,430 --> 00:00:12,179  
this is somewhere in the skies the

5  
00:00:35,430 --> 00:00:13,440

Bransford

6  
00:00:41,530 --> 00:00:38,710

this is bill I currently reside in

7  
00:00:45,119 --> 00:00:41,540

Central Florida but at the time of this

8  
00:00:50,160 --> 00:00:45,129

sighting I was living in my hometown in

9  
00:00:55,030 --> 00:00:50,170

Northern Kentucky back in the early 80s

10  
00:00:58,630 --> 00:00:55,040

early to mid 80s I would say myself my

11  
00:01:00,100 --> 00:00:58,640

dad who has since passed and several of

12  
00:01:03,479 --> 00:01:00,110

my friends were standing out in the

13  
00:01:05,890 --> 00:01:03,489

front yard of my grandparents house

14

00:01:06,670 --> 00:01:05,900

which at the time I was staying with my

15

00:01:11,490 --> 00:01:06,680

grandparents

16

00:01:14,320 --> 00:01:11,500

we were overlooking this pasture that

17

00:01:16,539 --> 00:01:14,330

butted up to the property that my

18

00:01:19,749 --> 00:01:16,549

grandparents had in the housing

19

00:01:21,399 --> 00:01:19,759

development where they lived several of

20

00:01:25,539 --> 00:01:21,409

us were standing there and we looked

21

00:01:29,859 --> 00:01:25,549

over into the pasture which was part of

22

00:01:34,179 --> 00:01:29,869

a big ranch owned by a well known family

23

00:01:38,819 --> 00:01:34,189

in my hometown we looked and there was

24

00:01:42,700 --> 00:01:38,829

something floating across the pasture

25

00:01:46,859 --> 00:01:42,710

shining a light down on the pasture and

26

00:01:51,190 --> 00:01:46,869

when we first saw it it had to be Oh

27

00:01:54,849 --> 00:01:51,200

probably a quarter-mile away but then it

28

00:01:57,279 --> 00:01:54,859

continued to come towards us when it

29

00:02:02,429 --> 00:01:57,289

finally got the closest it was going to

30

00:02:04,959 --> 00:02:02,439

be it was approximately 200 feet away

31

00:02:08,199 --> 00:02:04,969

about a hundred and fifty feet in the

32

00:02:12,670 --> 00:02:08,209

air now I know you know some of your

33

00:02:17,350 --> 00:02:12,680

thinking it's hard to determine distance

34

00:02:20,770 --> 00:02:17,360

and size at that range or when

35

00:02:23,949 --> 00:02:20,780

something's up in the air but to that I

36

00:02:26,890 --> 00:02:23,959

kind of add a another dimension to the

37

00:02:29,710 --> 00:02:26,900

identification process in that it was

38

00:02:33,790 --> 00:02:29,720

shining a light down on to the pasture

39

00:02:36,550 --> 00:02:33,800

itself the pasture that the light itself

40

00:02:38,350 --> 00:02:36,560

the that was shining on the pasture was

41

00:02:43,090 --> 00:02:38,360

circular

42

00:02:48,100 --> 00:02:43,100

once it hit the ground if the if the

43

00:02:51,790 --> 00:02:48,110

object had been farther away or if it

44

00:02:54,370 --> 00:02:51,800

had been you know shining a light down

45

00:02:56,770 --> 00:02:54,380

at an angle then of course it would not

46

00:02:59,140 --> 00:02:56,780

the light itself would not be circular

47

00:03:02,610 --> 00:02:59,150

it would be more oblong and then of

48

00:03:07,390 --> 00:03:02,620

course the the greater the angle the

49

00:03:10,360 --> 00:03:07,400

more oblong the spotlight would be but

50

00:03:13,720 --> 00:03:10,370

it was by the time it was to about 200

51  
00:03:15,400 --> 00:03:13,730  
feet away there was absolutely no noise

52  
00:03:20,200 --> 00:03:15,410  
whatsoever and if it had been a

53  
00:03:24,330 --> 00:03:20,210  
helicopter shining down the light we

54  
00:03:26,470 --> 00:03:24,340  
obviously were heard it now of course I

55  
00:03:27,070 --> 00:03:26,480  
understand helicopters and things of

56  
00:03:31,120 --> 00:03:27,080  
that nature

57  
00:03:33,730 --> 00:03:31,130  
and I understand that but this could not

58  
00:03:38,770 --> 00:03:33,740  
have been a helicopter because the

59  
00:03:43,240 --> 00:03:38,780  
lights from the big barn on the ranch

60  
00:03:47,890 --> 00:03:43,250  
kind of backlit behind the object itself

61  
00:03:52,630 --> 00:03:47,900  
and the object was approximately 30 feet

62  
00:03:54,570 --> 00:03:52,640  
across it was flat on the bottom and the

63  
00:03:58,080 --> 00:03:54,580

light was coming out at the bottom and

64

00:04:01,360 --> 00:03:58,090

it was somewhat dome shaped on the top

65

00:04:04,870 --> 00:04:01,370

well maybe a combination of dome shape

66

00:04:08,710 --> 00:04:04,880

slightly triangular shaped or pyramid

67

00:04:10,540 --> 00:04:08,720

type shape across the top kind of hard

68

00:04:13,990 --> 00:04:10,550

to describe but that's the best way I

69

00:04:17,140 --> 00:04:14,000

can describe it is as a combination of

70

00:04:19,740 --> 00:04:17,150

it the top part of the dome with slight

71

00:04:22,350 --> 00:04:19,750

triangular features

72

00:04:27,350 --> 00:04:22,360

but it continued to shine the light down

73

00:04:31,650 --> 00:04:27,360

various places in the pasture itself

74

00:04:33,510 --> 00:04:31,660

quite often there would be the the

75

00:04:36,350 --> 00:04:33,520

family's herd of cows that would be out

76

00:04:40,260 --> 00:04:36,360

in this pasture using it as Graceland

77

00:04:44,340 --> 00:04:40,270

but at this point I don't believe there

78

00:04:46,560 --> 00:04:44,350

were any cows out there at the time so I

79

00:04:48,420 --> 00:04:46,570

we were all looking at it we were

80

00:04:50,460 --> 00:04:48,430

talking in the front yard and then we

81

00:04:52,140 --> 00:04:50,470

all noticed at about the same time and

82

00:04:56,010 --> 00:04:52,150

then we're all looking at each other

83

00:04:59,460 --> 00:04:56,020

like what the heck is this we really had

84

00:05:01,680 --> 00:04:59,470

no idea and as it got closer we were

85

00:05:03,780 --> 00:05:01,690

noticing again we all made the comment

86

00:05:08,340 --> 00:05:03,790

to each other that it was not making

87

00:05:10,350 --> 00:05:08,350

sound and it was getting closer so it

88

00:05:11,700 --> 00:05:10,360

stopped at about the 200 foot marked

89

00:05:14,909 --> 00:05:11,710

about a hundred and fifty feet in the

90

00:05:18,090 --> 00:05:14,919

air and still shining this light down on

91

00:05:24,150 --> 00:05:18,100

the pasture this whole sighting probably

92

00:05:26,130 --> 00:05:24,160

took a good Oh 3 to 4 minutes from the

93

00:05:27,800 --> 00:05:26,140

time that we saw it first shine in the

94

00:05:31,710 --> 00:05:27,810

light down about a quarter-mile away

95

00:05:34,380 --> 00:05:31,720

till it got to the closest that it

96

00:05:39,360 --> 00:05:34,390

actually was and then shortly thereafter

97

00:05:43,500 --> 00:05:39,370

it started heading off back towards the

98

00:05:46,950 --> 00:05:43,510

edge of the property of the ranch in the

99

00:05:49,710 --> 00:05:46,960

opposite direction of where we were so

100

00:05:52,020 --> 00:05:49,720

eventually we're all we're all standing

101  
00:05:57,060 --> 00:05:52,030  
there transfixed and eventually it just

102  
00:05:59,159 --> 00:05:57,070  
ends up going over a hill continually

103  
00:06:00,990 --> 00:05:59,169  
shining this light down it eventually

104  
00:06:03,930 --> 00:06:01,000  
went over this hill and out of sight

105  
00:06:06,570 --> 00:06:03,940  
after it's all said and done again all

106  
00:06:09,210 --> 00:06:06,580  
of us are standing there going what the

107  
00:06:11,130 --> 00:06:09,220  
heck was that now I have to understand

108  
00:06:13,350 --> 00:06:11,140  
in Northern Kentucky that's an area of

109  
00:06:18,210 --> 00:06:13,360  
the country where it's not unusual to

110  
00:06:22,620 --> 00:06:18,220  
have sightings of unidentified objects

111  
00:06:25,440 --> 00:06:22,630  
in the air it's almost it's not quite

112  
00:06:29,219 --> 00:06:25,450  
I'd say commonplace but it's enough to

113  
00:06:31,990 --> 00:06:29,229

where folks you know it doesn't surprise

114

00:06:35,770 --> 00:06:32,000

folks when we get reports

115

00:06:38,500 --> 00:06:35,780

of UFOs unidentified objects things of

116

00:06:41,200 --> 00:06:38,510

that nature and it all just kind of you

117

00:06:43,150 --> 00:06:41,210

know we weren't shocked by it but we

118

00:06:46,710 --> 00:06:43,160

were all scratching our heads trying to

119

00:06:54,310 --> 00:06:46,720

figure out what it was to this day I

120

00:06:57,750 --> 00:06:54,320

still have no idea what it was we looked

121

00:07:01,800 --> 00:06:57,760

you know being a person who is

122

00:07:06,490 --> 00:07:01,810

interested in sightings of this nature

123

00:07:10,480 --> 00:07:06,500

we all looked for potential articles in

124

00:07:13,240 --> 00:07:10,490

the hometown newspaper of cattle

125

00:07:15,880 --> 00:07:13,250

mutilations things like that after the

126

00:07:21,040 --> 00:07:15,890

sighting none of us saw anything so

127

00:07:26,080 --> 00:07:21,050

either there were none or it was kept

128

00:07:29,500 --> 00:07:26,090

hush-hush that were uncertain of but I

129

00:07:31,470 --> 00:07:29,510

do know what I saw and everyone that was

130

00:07:33,690 --> 00:07:31,480

with me that day

131

00:07:35,830 --> 00:07:33,700

unfortunately I can't ask my dad

132

00:07:39,340 --> 00:07:35,840

anything else about it since he's no

133

00:07:42,340 --> 00:07:39,350

longer with us but I have to say that

134

00:07:45,340 --> 00:07:42,350

while I wasn't afraid of him what I saw

135

00:07:48,250 --> 00:07:45,350

at all it left me with the sense of

136

00:07:52,570 --> 00:07:48,260

wonder like not every question in the

137

00:07:54,640 --> 00:07:52,580

world has been answered and we still

138

00:07:56,200 --> 00:07:54,650

have things we need to know or that we

139

00:08:00,760 --> 00:07:56,210

need to find out or we need to figure

140

00:08:01,320 --> 00:08:00,770

out and then move on thank you for

141

00:08:03,620 --> 00:08:01,330

listening

142

00:08:05,850 --> 00:08:03,630

take care

143

00:08:09,159 --> 00:08:05,860

[Music]

144

00:08:10,900 --> 00:08:09,169

hi Ryan this is a lennick thank you for

145

00:08:15,820 --> 00:08:10,910

giving me this opportunity to share my

146

00:08:17,850 --> 00:08:15,830

story on August 30 2014 I woke up went

147

00:08:22,270 --> 00:08:17,860

to the kitchen had some orange juice

148

00:08:24,250 --> 00:08:22,280

finding myself right awake I decided to

149

00:08:28,450 --> 00:08:24,260

check on my truck which was parked next

150

00:08:31,350 --> 00:08:28,460

door to our building and I could do this

151

00:08:34,240 --> 00:08:31,360

by viewing it from a west-facing

152

00:08:37,899 --> 00:08:34,250

floor-to-ceiling window in our living

153

00:08:41,709 --> 00:08:37,909

room I had to lay on my tummy because

154

00:08:45,310 --> 00:08:41,719

the shade was pulled down 3/4 of the way

155

00:08:48,970 --> 00:08:45,320

and the lever for pulling the shade was

156

00:08:51,130 --> 00:08:48,980

in conveniently located and also very

157

00:08:53,110 --> 00:08:51,140

squeaky when pulled and my husband was

158

00:08:56,829 --> 00:08:53,120

sleeping just down the hall again this

159

00:09:00,490 --> 00:08:56,839

is San Francisco so it's a small place I

160

00:09:04,840 --> 00:09:00,500

didn't want to wake him up as I layed

161

00:09:07,690 --> 00:09:04,850

there checking on my truck everything

162

00:09:09,960 --> 00:09:07,700

was fine by the way the reason I was

163

00:09:13,600 --> 00:09:09,970

doing this is the gate was open

164

00:09:15,940 --> 00:09:13,610

stuck in the open position so we were

165

00:09:20,710 --> 00:09:15,950

constantly worried and I about the truck

166

00:09:22,900 --> 00:09:20,720

getting vandalized truck was fine but I

167

00:09:27,160 --> 00:09:22,910

found myself feeling very peaceful it

168

00:09:31,060 --> 00:09:27,170

was a super dark inky black night it was

169

00:09:35,740 --> 00:09:31,070

so quiet which is very unusual nothing

170

00:09:38,019 --> 00:09:35,750

going on except for one light kitty

171

00:09:40,810 --> 00:09:38,029

corner to where I was positioned and

172

00:09:43,480 --> 00:09:40,820

it's a lapa dated building I thought it

173

00:09:45,550 --> 00:09:43,490

was so unusual that there were that

174

00:09:47,710 --> 00:09:45,560

there was one light on in this

175

00:09:51,550 --> 00:09:47,720

dilapidated building with nothing else

176

00:09:54,250 --> 00:09:51,560

going on that night or that morning so I

177

00:09:57,250 --> 00:09:54,260

grabbed a set of binoculars from my

178

00:10:01,810 --> 00:09:57,260

husband sale bag which was in the living

179

00:10:04,670 --> 00:10:01,820

room and decided to investigate I didn't

180

00:10:08,210 --> 00:10:04,680

see anything going on in that building

181

00:10:09,980 --> 00:10:08,220

and yet I stayed still because there was

182

00:10:12,590 --> 00:10:09,990

just something very peaceful about the

183

00:10:16,400 --> 00:10:12,600

morning being wide awake in this dark

184

00:10:20,239 --> 00:10:16,410

morning I turned my gaze again to the

185

00:10:21,079 --> 00:10:20,249

left where my truck was I looked up in

186

00:10:26,179 --> 00:10:21,089

the sky

187

00:10:32,569 --> 00:10:26,189

and there was a bright star that started

188

00:10:34,730 --> 00:10:32,579

to fall and as it did so it started to

189

00:10:39,630 --> 00:10:34,740

come toward me and this part I have to

190

00:10:44,710 --> 00:10:39,640

read from my blog and will just help me

191

00:10:47,080 --> 00:10:44,720

describe it best so as I saw the white

192

00:10:49,870 --> 00:10:47,090

lights rapidly twirling downward on a

193

00:10:52,500 --> 00:10:49,880

diagonal trajectory in my direction I

194

00:10:56,290 --> 00:10:52,510

thought a jet was falling out of control

195

00:10:58,180 --> 00:10:56,300

but quickly realized with certainty that

196

00:11:01,300 --> 00:10:58,190

that wasn't the case because there

197

00:11:02,830 --> 00:11:01,310

weren't any green or red lights though I

198

00:11:05,920 --> 00:11:02,840

was sure the lights were fixed to an

199

00:11:09,190 --> 00:11:05,930

object by their pattern rotation which

200

00:11:12,160 --> 00:11:09,200

slowed as it neared closer I soon saw

201  
00:11:14,110 --> 00:11:12,170  
that the object was a giant black

202  
00:11:17,110 --> 00:11:14,120  
rectangle which had been spinning like a

203  
00:11:19,900 --> 00:11:17,120  
top on its vortex the spinning stopped

204  
00:11:21,760 --> 00:11:19,910  
and it glided into position directly in

205  
00:11:24,280 --> 00:11:21,770  
front of me at my window straight up and

206  
00:11:27,370 --> 00:11:24,290  
down long ways like a big black door

207  
00:11:29,560 --> 00:11:27,380  
where it hovered above the ground it had

208  
00:11:32,410 --> 00:11:29,570  
four round white lights one on each

209  
00:11:35,170 --> 00:11:32,420  
corner and was completely stable in its

210  
00:11:38,170 --> 00:11:35,180  
hovered state the lights did not emit it

211  
00:11:39,010 --> 00:11:38,180  
being pulsate or blink the rectangle did

212  
00:11:41,380 --> 00:11:39,020  
not wobble

213  
00:11:44,950 --> 00:11:41,390

I don't recall hearing any sounds at all

214

00:11:47,440 --> 00:11:44,960

I inspected the rectangle with my

215

00:11:50,350 --> 00:11:47,450

binoculars if there was nothing to see

216

00:11:53,680 --> 00:11:50,360

on the surface other than the four white

217

00:11:56,170 --> 00:11:53,690

lights binoculars fogged up so I put

218

00:11:59,680 --> 00:11:56,180

them down and shortly thereafter it

219

00:12:03,370 --> 00:11:59,690

slowly levitated turned on its side

220

00:12:07,060 --> 00:12:03,380

think flying carpet style and floated

221

00:12:09,670 --> 00:12:07,070

off over the horizon I went to my

222

00:12:12,460 --> 00:12:09,680

computer to make a post on Facebook and

223

00:12:14,710 --> 00:12:12,470

I'm so glad I did because it served as a

224

00:12:17,350 --> 00:12:14,720

reliable time stamp for the duration of

225

00:12:20,020 --> 00:12:17,360

the episode I know I was drinking orange

226

00:12:21,040 --> 00:12:20,030

juice in the kitchen at 4 a.m. because I

227

00:12:23,290 --> 00:12:21,050

looked at the clock

228

00:12:25,540 --> 00:12:23,300

rushing to post an update on Facebook

229

00:12:28,240 --> 00:12:25,550

hoping someone would look up and see the

230

00:12:31,240 --> 00:12:28,250

rectangle I know the entire timeline was

231

00:12:33,340 --> 00:12:31,250

about 15 minutes the next thing I did

232

00:12:34,590 --> 00:12:33,350

was Google what do you do when you see a

233

00:12:37,510 --> 00:12:34,600

UFO

234

00:12:38,230 --> 00:12:37,520

at no time did I feel threatened or

235

00:12:41,350 --> 00:12:38,240

afraid

236

00:12:44,050 --> 00:12:41,360

I felt peaceful in the quiet dark

237

00:12:44,620 --> 00:12:44,060

morning and during than said during the

238

00:12:47,200 --> 00:12:44,630

incident

239

00:12:49,960 --> 00:12:47,210

I was simply awestruck in a state of

240

00:12:52,390 --> 00:12:49,970

wonderment over what was occurring on my

241

00:12:54,280 --> 00:12:52,400

mind were feelings of deep curiosity and

242

00:12:58,140 --> 00:12:54,290

gratefulness to be witnessing something

243

00:13:02,530 --> 00:12:58,150

so extraordinary and unexplainable

244

00:13:04,510 --> 00:13:02,540

afterward I felt invigorated bewildered

245

00:13:07,420 --> 00:13:04,520

and determined to understand what I had

246

00:13:09,100 --> 00:13:07,430

seen I've relayed this encounter to

247

00:13:12,130 --> 00:13:09,110

numerous friends and family and

248

00:13:14,800 --> 00:13:12,140

co-workers and then he wanted to know

249

00:13:17,890 --> 00:13:14,810

why I didn't wake my husband the truth

250

00:13:19,840 --> 00:13:17,900

is I didn't even think of it I was

251  
00:13:22,240 --> 00:13:19,850  
completely in the moment and would not

252  
00:13:24,760 --> 00:13:22,250  
have done anything to distract myself or

253  
00:13:27,760 --> 00:13:24,770  
put the sighting in jeopardy by creating

254  
00:13:29,710 --> 00:13:27,770  
a commotion but having had to explain

255  
00:13:31,990 --> 00:13:29,720  
this so many times I promised myself

256  
00:13:32,230 --> 00:13:32,000  
that if there were ever to be a next

257  
00:13:34,810 --> 00:13:32,240  
time

258  
00:13:39,640 --> 00:13:34,820  
I'd make it a priority to record by

259  
00:13:43,090 --> 00:13:39,650  
camera or video in July 2015 I seized

260  
00:13:46,320 --> 00:13:43,100  
such a moment I've been struggling to

261  
00:13:50,250 --> 00:13:46,330  
share those details from the 2015

262  
00:13:57,670 --> 00:13:50,260  
incident but I do expect to do so

263  
00:14:01,020 --> 00:13:57,680

eventually thank you so much hi Ryan

264

00:14:03,940 --> 00:14:01,030

my name is Oscar and I live in Colorado

265

00:14:07,090 --> 00:14:03,950

but the incident I'm about to talk about

266

00:14:10,900 --> 00:14:07,100

takes place on the road somewhere

267

00:14:14,170 --> 00:14:10,910

between Arizona and California me and my

268

00:14:16,390 --> 00:14:14,180

brother took a trip out there to go see

269

00:14:19,420 --> 00:14:16,400

some friends and I think we only went

270

00:14:22,150 --> 00:14:19,430

there for I think that one day and we're

271

00:14:24,340 --> 00:14:22,160

driving back at night

272

00:14:26,590 --> 00:14:24,350

and the way the freeways kind of set up

273

00:14:31,809 --> 00:14:26,600

driving back from Arizona to California

274

00:14:37,920 --> 00:14:31,819

is you have two lanes on one side and

275

00:14:41,410 --> 00:14:37,930

then a dirt area dividing a larger area

276

00:14:45,009 --> 00:14:41,420

dividing the lane for the cars going the

277

00:14:50,189 --> 00:14:45,019

opposite way and we're driving and it's

278

00:14:52,660 --> 00:14:50,199

probably around 11 o'clock at night and

279

00:14:54,699 --> 00:14:52,670

my brother had fallen asleep in the car

280

00:14:59,460 --> 00:14:54,709

which he was supposed to stay awake to

281

00:15:03,850 --> 00:14:59,470

keep me awake but I start seeing this

282

00:15:05,379 --> 00:15:03,860

really bright light in the sky and at

283

00:15:08,019 --> 00:15:05,389

first I thought it was a helicopter but

284

00:15:12,309 --> 00:15:08,029

it started going back and forth side to

285

00:15:15,550 --> 00:15:12,319

side and the light was still facing Mike

286

00:15:17,889 --> 00:15:15,560

towards me and I'm just paying attention

287

00:15:19,869 --> 00:15:17,899

to this light and I try to wake up my

288

00:15:21,689 --> 00:15:19,879

brother and I'm telling him hey like

289

00:15:23,920 --> 00:15:21,699

look at this look at this

290

00:15:27,160 --> 00:15:23,930

just so I have somebody else to see it

291

00:15:28,480 --> 00:15:27,170

with me but he's not waking up he's just

292

00:15:31,059 --> 00:15:28,490

kind of like mumbly and telling me to

293

00:15:34,809 --> 00:15:31,069

leave him alone and I'm paying attention

294

00:15:38,470 --> 00:15:34,819

to this light and out of nowhere a car

295

00:15:41,230 --> 00:15:38,480

driving the wrong way is coming right

296

00:15:42,910 --> 00:15:41,240

towards me and I have to swerve really

297

00:15:46,540 --> 00:15:42,920

hard to the right and luckily there was

298

00:15:49,300 --> 00:15:46,550

no car on the right the right lane next

299

00:15:51,429 --> 00:15:49,310

to me and I swerved to get away and then

300

00:15:53,019 --> 00:15:51,439

that's when my brother wakes up and he's

301

00:15:54,280 --> 00:15:53,029

like are you okay are you all righty

302

00:15:56,829 --> 00:15:54,290

were you falling asleep and I was like

303

00:15:59,290 --> 00:15:56,839

no there was they were the car right in

304

00:16:02,590 --> 00:15:59,300

front of me like he came out of nowhere

305

00:16:05,259 --> 00:16:02,600

and when I turned around to see where

306

00:16:08,079 --> 00:16:05,269

this person was going there was no car I

307

00:16:11,579 --> 00:16:08,089

saw no taillights driving away in the

308

00:16:15,069 --> 00:16:11,589

distance I saw other cars in the other

309

00:16:18,970 --> 00:16:15,079

lane you know going the opposite way but

310

00:16:22,439 --> 00:16:18,980

there was really nobody in on my side of

311

00:16:24,430 --> 00:16:22,449

the road and and I have no idea

312

00:16:27,850 --> 00:16:24,440

where

313

00:16:30,940 --> 00:16:27,860

that car came from it just seemed like

314

00:16:33,250 --> 00:16:30,950

it came out of nowhere but the light was

315

00:16:35,680 --> 00:16:33,260

no longer there in the sky like

316

00:16:39,070 --> 00:16:35,690

immediately right after that so it just

317

00:16:42,790 --> 00:16:39,080

left me really confused and wondering

318

00:16:46,810 --> 00:16:42,800

what I just saw and I still to this day

319

00:16:49,120 --> 00:16:46,820

I have no idea what it was my brain

320

00:16:51,250 --> 00:16:49,130

likes to try to rationalize it by

321

00:16:53,050 --> 00:16:51,260

thinking you saw a helicopter and then

322

00:16:55,990 --> 00:16:53,060

somebody was driving the wrong way

323

00:16:58,990 --> 00:16:56,000

outside of the road but it really felt

324

00:17:03,270 --> 00:16:59,000

like the two were connected in some way

325

00:17:06,880 --> 00:17:03,280

and I'm just it sucks that my brother

326

00:17:09,220 --> 00:17:06,890

was asleep and didn't see it he just

327

00:17:12,309 --> 00:17:09,230

knows that I swerved to get out of the

328

00:17:14,319 --> 00:17:12,319

way but when I swerved I didn't see like

329

00:17:16,240 --> 00:17:14,329

a car passed me or anything like that

330

00:17:19,449 --> 00:17:16,250

I'm like I said when I looked back there

331

00:17:23,170 --> 00:17:19,459

was no car driving away so I have no

332

00:17:25,660 --> 00:17:23,180

idea what it was I know that I couldn't

333

00:17:28,150 --> 00:17:25,670

tell for 100% sure that the light in

334

00:17:30,940 --> 00:17:28,160

this guy was a helicopter and I couldn't

335

00:17:32,500 --> 00:17:30,950

tell that it was actually a car driving

336

00:17:34,120 --> 00:17:32,510

straight towards me I just saw a bright

337

00:17:36,910 --> 00:17:34,130

light right in front of me and I had to

338

00:17:41,380 --> 00:17:36,920

swerve right after seeing the light in

339

00:17:44,290 --> 00:17:41,390

the sky and yeah we're still like I I

340

00:17:50,500 --> 00:17:44,300

just don't I don't know what it was it

341

00:17:57,370 --> 00:17:54,990

but yeah that's my short little incident

342

00:18:00,180 --> 00:17:57,380

experience whatever you want to call it

343

00:18:02,710 --> 00:18:00,190

I know there's not really a lot to it

344

00:18:05,710 --> 00:18:02,720

but thank you for taking the time to

345

00:18:11,890 --> 00:18:05,720

listen I really enjoy the podcast and

346

00:18:13,870 --> 00:18:11,900

keep doing what you do hey y'all

347

00:18:16,030 --> 00:18:13,880

Ryan Sprague here as you all know this

348

00:18:18,549 --> 00:18:16,040

summer in the skies podcast is always

349

00:18:20,710 --> 00:18:18,559

free to consume but it isn't free to

350

00:18:22,600 --> 00:18:20,720

create that's why I've started this

351  
00:18:25,360 --> 00:18:22,610  
somewhere in the skies patreon campaign

352  
00:18:27,190 --> 00:18:25,370  
you on a monthly basis you give what you

353  
00:18:30,010 --> 00:18:27,200  
think the show is worth you'll be

354  
00:18:32,530 --> 00:18:30,020  
helping the show continue grow and to be

355  
00:18:34,720 --> 00:18:32,540  
something truly communal and remember

356  
00:18:36,850 --> 00:18:34,730  
there are rewards for each level of

357  
00:18:39,340 --> 00:18:36,860  
contribution and the list is only

358  
00:18:41,919 --> 00:18:39,350  
growing so please help somewhere in the

359  
00:18:54,610 --> 00:18:41,929  
skies now by becoming a patron to

360  
00:19:09,060 --> 00:19:05,370

362  
00:19:43,120 --> 00:19:40,669  
would call me a gringa

363  
00:19:47,169 --> 00:19:43,130

you know mail a gringo anyway and my

364

00:19:50,700 --> 00:19:47,179

friend Amata she had red hair she was

365

00:19:55,810 --> 00:19:50,710

you know a ginger carrot top and she had

366

00:19:59,470 --> 00:19:55,820

really like hazel colored eyes and her

367

00:20:00,310 --> 00:19:59,480

little brother Kimo who had brown hair

368

00:20:02,680 --> 00:20:00,320

and blue eyes

369

00:20:06,279 --> 00:20:02,690

she also had a sister named Josie who

370

00:20:09,279 --> 00:20:06,289

looks a lot like me she had blonde hair

371

00:20:11,019 --> 00:20:09,289

and blue eyes they they all three of

372

00:20:12,399 --> 00:20:11,029

them had the same mom the same dad but

373

00:20:15,940 --> 00:20:12,409

they all looked completely different

374

00:20:18,970 --> 00:20:15,950

from each other okay anyway my point is

375

00:20:21,370 --> 00:20:18,980

is we were at the playground in this

376

00:20:23,560 --> 00:20:21,380

neighborhood and it was probably about I

377

00:20:27,249 --> 00:20:23,570

don't know close to seven o'clock at

378

00:20:30,070 --> 00:20:27,259

night and I had to be home by 7:30 so we

379

00:20:32,499 --> 00:20:30,080

were the only ones there all the kids

380

00:20:35,100 --> 00:20:32,509

had gone inside we were just kind of

381

00:20:37,600 --> 00:20:35,110

sitting out there

382

00:20:38,950 --> 00:20:37,610

we weren't sitting on like a swing or

383

00:20:41,139 --> 00:20:38,960

anything like that there was like this

384

00:20:45,039 --> 00:20:41,149

pipe like thing that came up out of the

385

00:20:48,820 --> 00:20:45,049

ground and was shaped kind of like a

386

00:20:51,369 --> 00:20:48,830

little more like this you know it and we

387

00:20:53,409 --> 00:20:51,379

were and it was yellow and we were

388

00:20:55,060 --> 00:20:53,419

playing on that you know like sitting on

389

00:20:57,430 --> 00:20:55,070

it climbing on it and we were just

390

00:20:59,019 --> 00:20:57,440

talking about I don't even know what we

391

00:21:03,509 --> 00:20:59,029

were talking about we were good little

392

00:21:08,110 --> 00:21:03,519

kids when all of a sudden I saw this red

393

00:21:10,930 --> 00:21:08,120

dot it wasn't a light it wasn't shiny it

394

00:21:16,060 --> 00:21:10,940

was almost like like a balloon would

395

00:21:19,629 --> 00:21:16,070

look just but very very red and it was

396

00:21:22,899 --> 00:21:19,639

just in the sky and it looked pretty far

397

00:21:27,759 --> 00:21:22,909

away and there was an airport there

398

00:21:30,249 --> 00:21:27,769

there was the FAA was very close to this

399

00:21:32,230 --> 00:21:30,259

neighborhood so I see this red dot in

400

00:21:33,879 --> 00:21:32,240

the sky and I didn't really think

401  
00:21:35,590 --> 00:21:33,889  
anything of it I just thought oh there's

402  
00:21:37,240 --> 00:21:35,600  
a balloon up there and I pointed it out

403  
00:21:39,310 --> 00:21:37,250  
to Amada and chemo and they both looked

404  
00:21:41,830 --> 00:21:39,320  
at and were like yeah we forgot about it

405  
00:21:45,639 --> 00:21:41,840  
went back to talking and playing no

406  
00:21:49,899 --> 00:21:45,649  
sudden I noticed that this red dot had

407  
00:21:53,919 --> 00:21:49,909  
grown it gotten closer and it was just

408  
00:21:59,560 --> 00:21:53,929  
hovering there like a giant balloon in

409  
00:22:03,159 --> 00:21:59,570  
the sky it was weird it wasn't moving

410  
00:22:05,529 --> 00:22:03,169  
the way a balloon should move it wasn't

411  
00:22:07,629 --> 00:22:05,539  
stationed in the sky the way that you

412  
00:22:09,759 --> 00:22:07,639  
would expect a balloon to be and this is

413  
00:22:11,490 --> 00:22:09,769

on a tropical island there's wind this

414

00:22:15,540 --> 00:22:11,500

thing was not blowing around

415

00:22:18,240 --> 00:22:15,550

it it was like it was literally just had

416

00:22:22,620 --> 00:22:18,250

an intelligence to it and it was doing

417

00:22:24,840 --> 00:22:22,630

its own thing so we thought that was odd

418

00:22:27,660 --> 00:22:24,850

but again being small kids we didn't

419

00:22:29,990 --> 00:22:27,670

really think too much of it although I

420

00:22:32,310 --> 00:22:30,000

kept looking at it and I just thought

421

00:22:36,660 --> 00:22:32,320

why does this thing keep getting closer

422

00:22:39,660 --> 00:22:36,670

and closer to us this went on for a good

423

00:22:43,500 --> 00:22:39,670

15 minutes and then I realized oh gosh

424

00:22:47,790 --> 00:22:43,510

you know 7:30 I gotta get home and it

425

00:22:50,310 --> 00:22:47,800

was a good 10 or 15-minute walk home

426

00:22:52,920 --> 00:22:50,320

Amata in chemo lived in on the same side

427

00:22:55,710 --> 00:22:52,930

of the neighborhood as me so we decided

428

00:22:59,070 --> 00:22:55,720

we were gonna start walking home we

429

00:23:02,280 --> 00:22:59,080

start walking and oh how do I explain

430

00:23:07,020 --> 00:23:02,290

this it was like almost like a heaviness

431

00:23:14,270 --> 00:23:07,030

in the air we felt this thing I know I

432

00:23:19,160 --> 00:23:14,280

did so I turned around and this red dot

433

00:23:22,290 --> 00:23:19,170

was literally hovering right over us

434

00:23:25,640 --> 00:23:22,300

right over us and at this point you

435

00:23:30,870 --> 00:23:25,650

could see that it was a round

436

00:23:33,840 --> 00:23:30,880

3-dimensional circle is solid of course

437

00:23:35,280 --> 00:23:33,850

it had I don't even know how to explain

438

00:23:39,210 --> 00:23:35,290

this thing it was the weirdest thing

439

00:23:41,640 --> 00:23:39,220

I've ever seen but it was red it wasn't

440

00:23:44,160 --> 00:23:41,650

like I said it wasn't a light it wasn't

441

00:23:45,540 --> 00:23:44,170

shiny there was no noise it was

442

00:23:49,220 --> 00:23:45,550

completely quiet

443

00:23:50,790 --> 00:23:49,230

I do remember not hearing any birds or

444

00:23:55,380 --> 00:23:50,800

cars going by

445

00:23:59,160 --> 00:23:55,390

we heard absolutely dead silence when we

446

00:24:01,290 --> 00:23:59,170

saw this thing it scared us so bad we

447

00:24:05,960 --> 00:24:01,300

started to run I mean that was our first

448

00:24:08,550 --> 00:24:05,970

instinct run so we did chemo fell

449

00:24:11,280 --> 00:24:08,560

scraped his knees all up his hands

450

00:24:13,740 --> 00:24:11,290

actually I fell - and skinned my hands a

451  
00:24:16,470 --> 00:24:13,750  
little bit I don't remember a lot of

452  
00:24:20,000 --> 00:24:16,480  
falling but anyway we got back up and we

453  
00:24:22,700 --> 00:24:20,010  
just we hauled excuse my French

454  
00:24:24,290 --> 00:24:22,710  
we hauled ass we ran all the way down

455  
00:24:27,920 --> 00:24:24,300  
Timberlake there was another part and

456  
00:24:29,420 --> 00:24:27,930  
tennis courts we had to turn right at

457  
00:24:31,790 --> 00:24:29,430  
the end of that street where the tennis

458  
00:24:33,830 --> 00:24:31,800  
court was to go home well to get to our

459  
00:24:35,450 --> 00:24:33,840  
street which was also right it was like

460  
00:24:36,980 --> 00:24:35,460  
a right and then a right I'm only

461  
00:24:39,380 --> 00:24:36,990  
pointing these things out because I want

462  
00:24:41,150 --> 00:24:39,390  
you to realize I even remember which way

463  
00:24:44,120 --> 00:24:41,160

I had to turn I remember the tennis

464

00:24:46,430 --> 00:24:44,130

courts I remember everything by the time

465

00:24:49,400 --> 00:24:46,440

we got there of course as kids what do

466

00:24:52,100 --> 00:24:49,410

we do we run up to our friends we start

467

00:24:54,350 --> 00:24:52,110

telling everybody what we saw they

468

00:24:57,950 --> 00:24:54,360

laughed at us they thought it was funny

469

00:25:01,280 --> 00:24:57,960

I was completely changed by this

470

00:25:04,970 --> 00:25:01,290

experience and so it was a motto in

471

00:25:07,370 --> 00:25:04,980

chemo when I got home the first person I

472

00:25:12,050 --> 00:25:07,380

wanted to tell was my dad because my dad

473

00:25:14,960 --> 00:25:12,060

very spiritual man he believes you know

474

00:25:17,390 --> 00:25:14,970

he believed and you know ghosts and God

475

00:25:19,970 --> 00:25:17,400

and he believed in aliens after being

476

00:25:23,090 --> 00:25:19,980

signed another planet I was raised in a

477

00:25:26,960 --> 00:25:23,100

strict Mormon home and Mormons believe

478

00:25:28,880 --> 00:25:26,970

in essence that God is an alien you know

479

00:25:30,950 --> 00:25:28,890

he lives on a planet you know I just

480

00:25:34,130 --> 00:25:30,960

that that's what Mormons believe I mean

481

00:25:37,820 --> 00:25:34,140

in a nutshell they believe it's deeper

482

00:25:40,130 --> 00:25:37,830

than that but yeah so anyway I tell I

483

00:25:43,550 --> 00:25:40,140

decided to tell my father because I just

484

00:25:46,940 --> 00:25:43,560

knew he was going to believe him well

485

00:25:49,280 --> 00:25:46,950

what does my dad say did it land and

486

00:25:51,500 --> 00:25:49,290

Superman get out my brother's laughed

487

00:25:53,360 --> 00:25:51,510

about it my mom they were like it's

488

00:25:55,220 --> 00:25:53,370

nothing don't worry about it FAA is

489

00:25:58,790 --> 00:25:55,230

right there is probably some kind of

490

00:26:01,400 --> 00:25:58,800

airplane thingamajigger I don't know so

491

00:26:04,430 --> 00:26:01,410

they just blew it off as nothing and of

492

00:26:06,890 --> 00:26:04,440

course I ended up going the rest of my

493

00:26:09,870 --> 00:26:06,900

life never forgetting that experience

494

00:26:12,810 --> 00:26:09,880

knowing exactly

495

00:26:15,990 --> 00:26:12,820

what I saw well I mean I don't know what

496

00:26:19,320 --> 00:26:16,000

I saw but I knew and I know that I saw

497

00:26:21,900 --> 00:26:19,330

this thing I don't know did I see a UFO

498

00:26:25,530 --> 00:26:21,910

did I see a giant weather balloon that

499

00:26:27,600 --> 00:26:25,540

could move in a way that I've never seen

500

00:26:30,480 --> 00:26:27,610

anything like that on this planet move

501  
00:26:36,240 --> 00:26:30,490  
like that it could move at a rate of

502  
00:26:38,070 --> 00:26:36,250  
speed like so quickly it it was almost

503  
00:26:42,600 --> 00:26:38,080  
like it would disappear and reappear it

504  
00:26:44,730 --> 00:26:42,610  
was so strange everybody it's right here

505  
00:26:47,310 --> 00:26:44,740  
and just wanted to share this little

506  
00:26:49,590 --> 00:26:47,320  
story that happened while my wife and I

507  
00:26:51,270 --> 00:26:49,600  
were on vacation my wife and I were

508  
00:26:53,220 --> 00:26:51,280  
actually down in Gatlinburg Tennessee in

509  
00:26:55,410 --> 00:26:53,230  
the Smoky Mountains for our five-year

510  
00:26:57,060 --> 00:26:55,420  
wedding anniversary so let me preface

511  
00:26:59,580 --> 00:26:57,070  
this all let me just start off by saying

512  
00:27:02,520 --> 00:26:59,590  
that my wife and I do not drink or do

513  
00:27:04,500 --> 00:27:02,530

drugs I was not high when this happened

514

00:27:07,530 --> 00:27:04,510

I don't drink it all in completely

515

00:27:10,680 --> 00:27:07,540

straightedge so I was not drunk at the

516

00:27:12,450 --> 00:27:10,690

time my wife she has drinks every once

517

00:27:14,490 --> 00:27:12,460

in a while but not you know she just

518

00:27:16,590 --> 00:27:14,500

takes sips of wine I don't even think

519

00:27:19,590 --> 00:27:16,600

I've ever seen her finish a full glass

520

00:27:21,840 --> 00:27:19,600

of wine but we had nothing to drink

521

00:27:23,930 --> 00:27:21,850

nothing to smoke we were on nothing I

522

00:27:27,450 --> 00:27:23,940

hadn't even had a candy part of that day

523

00:27:29,370 --> 00:27:27,460

so we get two gallon for Tennessee and

524

00:27:34,230 --> 00:27:29,380

check in with our cabin place at around

525

00:27:35,820 --> 00:27:34,240

6:00 p.m. ish it takes us about a half

526

00:27:37,830 --> 00:27:35,830

hour to find our cabin we ended up in

527

00:27:39,210 --> 00:27:37,840

somebody's driveway I kept calling the

528

00:27:41,490 --> 00:27:39,220

guy cooter cuz he just sat on the back

529

00:27:42,780 --> 00:27:41,500

of his truck and stared at us and gave

530

00:27:45,540 --> 00:27:42,790

us no indication that we were actually

531

00:27:47,040 --> 00:27:45,550

probably about to be murdered by him and

532

00:27:48,570 --> 00:27:47,050

his entire inbred family but that's

533

00:27:52,230 --> 00:27:48,580

neither here nor there

534

00:27:55,460 --> 00:27:52,240

so I'd say around 6:30 ish we found our

535

00:27:59,070 --> 00:27:55,470

cabin which is a beautiful cabin I

536

00:28:01,860 --> 00:27:59,080

forget the name of it now but it was

537

00:28:04,230 --> 00:28:01,870

beautiful on a private road overlooking

538

00:28:05,790 --> 00:28:04,240

the Smokies which thank you for asking

539

00:28:08,850 --> 00:28:05,800

our vacation kind of sucked cuz it

540

00:28:10,980 --> 00:28:08,860

rained the entire time it blew and we

541

00:28:13,470 --> 00:28:10,990

couldn't see anything because Smokies

542

00:28:14,910 --> 00:28:13,480

have their name for a reason they have

543

00:28:16,890 --> 00:28:14,920

their reputation and we couldn't see

544

00:28:18,780 --> 00:28:16,900

anything off in the distance and then of

545

00:28:20,460 --> 00:28:18,790

course here we are a week afterwards and

546

00:28:22,230 --> 00:28:20,470

this beautiful and sunny but that's

547

00:28:26,280 --> 00:28:22,240

neither here nor there

548

00:28:28,620 --> 00:28:26,290

so around seven o'clock I'd say 7:00

549

00:28:31,470 --> 00:28:28,630

7:30 we got everything settled into the

550

00:28:33,390 --> 00:28:31,480

house everything unpacked everything put

551  
00:28:35,190 --> 00:28:33,400  
away I would even say it was eight

552  
00:28:38,220 --> 00:28:35,200  
o'clock at night and we just trying to

553  
00:28:40,230 --> 00:28:38,230  
kind of chill around the cabin so we

554  
00:28:41,490 --> 00:28:40,240  
decided that we were going to stock up

555  
00:28:42,570 --> 00:28:41,500  
on groceries because it was gonna be

556  
00:28:43,830 --> 00:28:42,580  
raining all night we're not gonna be

557  
00:28:45,600 --> 00:28:43,840  
wanting to walk around downtown and

558  
00:28:48,780 --> 00:28:45,610  
check-in out all the foods and whatnot

559  
00:28:51,180 --> 00:28:48,790  
down a gallon burg so we decided to go

560  
00:28:54,720 --> 00:28:51,190  
to what was formerly Food Lion is now

561  
00:28:57,240 --> 00:28:54,730  
Food City which is actually I think it's

562  
00:28:59,850 --> 00:28:57,250  
in considered in Sevierville or Pigeon

563  
00:29:01,590 --> 00:28:59,860

Forge area so it's a distance away it's

564

00:29:04,350 --> 00:29:01,600

about a half hour away 45 minutes from

565

00:29:09,180 --> 00:29:04,360

where our cabin was it took a while to

566

00:29:12,690 --> 00:29:09,190

get there so we begin the long trek out

567

00:29:14,580 --> 00:29:12,700

there we pick up our groceries and on

568

00:29:15,930 --> 00:29:14,590

our way there we actually have to go

569

00:29:18,360 --> 00:29:15,940

through the Smoky Mountains National

570

00:29:21,590 --> 00:29:18,370

Reserve work then the Smoky Mountain

571

00:29:24,990 --> 00:29:21,600

timber Smoky Mountains park and now

572

00:29:26,700 --> 00:29:25,000

they're at this point because it was so

573

00:29:28,650 --> 00:29:26,710

late after we showered and settled in

574

00:29:30,390 --> 00:29:28,660

and I think we might have even had a

575

00:29:31,740 --> 00:29:30,400

little bit of food left in the car that

576

00:29:34,740 --> 00:29:31,750

we decided to heat up and eat it was

577

00:29:36,830 --> 00:29:34,750

Mexican from the previous night I'd say

578

00:29:39,060 --> 00:29:36,840

it was closer to about 11 and 11:30

579

00:29:41,310 --> 00:29:39,070

maybe get probably about 11 because I

580

00:29:44,550 --> 00:29:41,320

think Food Lion closed at midnight Food

581

00:29:47,310 --> 00:29:44,560

City closed at midnight but we decided

582

00:29:49,680 --> 00:29:47,320

to you know be those [h\_\_h] that go

583

00:29:54,090 --> 00:29:49,690

into a store with an hour to close and

584

00:29:57,270 --> 00:29:54,100

shop anyway so we're driving through

585

00:30:00,600 --> 00:29:57,280

again Smoky Mountains park pitch-black

586

00:30:02,430 --> 00:30:00,610

there's no light and because I drank

587

00:30:03,900 --> 00:30:02,440

like grandpa I was probably the last in

588

00:30:05,310 --> 00:30:03,910

line there was absolutely nobody behind

589

00:30:06,780 --> 00:30:05,320

us and there was about four or five cars

590

00:30:08,400 --> 00:30:06,790

in front of us it wasn't very busy

591

00:30:13,800 --> 00:30:08,410

because like I said it was late at night

592

00:30:15,750 --> 00:30:13,810

and we were driving along kind of

593

00:30:18,900 --> 00:30:15,760

minding my own business and out of my

594

00:30:20,910 --> 00:30:18,910

peripheral I see lights now there's

595

00:30:22,800 --> 00:30:20,920

nothing out of the ordinary when you're

596

00:30:24,900 --> 00:30:22,810

down in Gatlinburg Tennessee or in Smoky

597

00:30:26,520 --> 00:30:24,910

Mountains to see lights through the

598

00:30:28,300 --> 00:30:26,530

trees because there are lodges and

599

00:30:30,970 --> 00:30:28,310

cabins and stuff that are up in

600

00:30:34,530 --> 00:30:30,980

in the mountains however we were

601  
00:30:37,150 --> 00:30:34,540  
actually in the Smoky Mountain Park and

602  
00:30:42,520 --> 00:30:37,160  
it will they what they weren't lights

603  
00:30:46,870 --> 00:30:42,530  
coming from a cabin it was blue lights

604  
00:30:49,150 --> 00:30:46,880  
and here's the other thing it was no

605  
00:30:52,360 --> 00:30:49,160  
when you're in the National Park the

606  
00:30:54,130 --> 00:30:52,370  
trees go fifty to a hundred feet in the

607  
00:30:55,840 --> 00:30:54,140  
air you know but going up the side of a

608  
00:30:57,730 --> 00:30:55,850  
mountain so these trees were about a

609  
00:31:00,820 --> 00:30:57,740  
hundred feet in the air 1500 feet in the

610  
00:31:03,190 --> 00:31:00,830  
air and the lights were above the tree

611  
00:31:06,340 --> 00:31:03,200  
line and I'm talking like directly above

612  
00:31:11,890 --> 00:31:06,350  
the tree line and they were blue with

613  
00:31:13,930 --> 00:31:11,900

some oranges reddish on them and at

614

00:31:17,260 --> 00:31:13,940

first I thought maybe it was a airplane

615

00:31:19,270 --> 00:31:17,270

tower quickly squashed that because we

616

00:31:21,670 --> 00:31:19,280

went through that area about two or

617

00:31:24,760 --> 00:31:21,680

three more times and those lights were

618

00:31:26,800 --> 00:31:24,770

not in that location not a cabin because

619

00:31:29,130 --> 00:31:26,810

there were blue and red lights and it

620

00:31:33,310 --> 00:31:29,140

was above the tree line not a helicopter

621

00:31:34,540 --> 00:31:33,320

because it was 11 and 11:30 at night why

622

00:31:36,310 --> 00:31:34,550

would they be doing helicopter tours

623

00:31:39,760 --> 00:31:36,320

that late at night and hovering in one

624

00:31:44,230 --> 00:31:39,770

location this thing was stationary and

625

00:31:46,420 --> 00:31:44,240

also not a drone I thought maybe it was

626  
00:31:49,330 --> 00:31:46,430  
like a handheld Rome for a second my

627  
00:31:53,950 --> 00:31:49,340  
problem being is because in my eye sight

628  
00:31:56,710 --> 00:31:53,960  
I saw it through the the the through the

629  
00:31:59,470 --> 00:31:56,720  
window through the windshield and it was

630  
00:32:01,450 --> 00:31:59,480  
probably about this big in my eyesight

631  
00:32:04,480 --> 00:32:01,460  
which means if we're judging that it's

632  
00:32:06,040 --> 00:32:04,490  
about fifty to a hundred feet away up a

633  
00:32:07,660 --> 00:32:06,050  
tree by in front of the tree lines I

634  
00:32:10,720 --> 00:32:07,670  
would say that this thing was about

635  
00:32:16,180 --> 00:32:10,730  
twenty to thirty feet long it was pretty

636  
00:32:20,260 --> 00:32:16,190  
damn big and when I saw it I said very

637  
00:32:21,700 --> 00:32:20,270  
loudly what the f is that which I think

638  
00:32:24,550 --> 00:32:21,710

is a reasonable response

639

00:32:28,350 --> 00:32:24,560

I didn't censor myself then like I did

640

00:32:32,320 --> 00:32:28,360

now but I scream what the f is that and

641

00:32:33,700 --> 00:32:32,330

my wife actually happened to be staring

642

00:32:37,330 --> 00:32:33,710

at it herself and didn't say anything

643

00:32:41,060 --> 00:32:37,340

and says I have no flippin idea

644

00:32:44,870 --> 00:32:41,070

also she did not censor herself I just

645

00:32:46,490 --> 00:32:44,880

censored herself we were on a bend so

646

00:32:48,860 --> 00:32:46,500

we're coming around the bend and my wife

647

00:32:51,320 --> 00:32:48,870

immediately whips around to try and get

648

00:32:54,770 --> 00:32:51,330

a better look at it it wasn't there it

649

00:32:57,080 --> 00:32:54,780

was gone completely it was in a

650

00:32:58,610 --> 00:32:57,090

triangular shape it actually looked like

651

00:33:01,640 --> 00:32:58,620

it would be the underside of a

652

00:33:02,960 --> 00:33:01,650

helicopter that that's pretty much what

653

00:33:05,450 --> 00:33:02,970

it looked like it looked like it would

654

00:33:08,360 --> 00:33:05,460

be the underside of a helicopter except

655

00:33:09,710 --> 00:33:08,370

it wasn't a helicopter and I believe we

656

00:33:12,290 --> 00:33:09,720

had our windows down and I didn't hear

657

00:33:13,490 --> 00:33:12,300

the buh-buh-buh-buh of a helicopter and

658

00:33:16,280 --> 00:33:13,500

you would think it would also be blowing

659

00:33:18,470 --> 00:33:16,290

the trees down with how close it was to

660

00:33:19,580 --> 00:33:18,480

the tree line that's the only thing I

661

00:33:21,620 --> 00:33:19,590

could figure that would be stationary

662

00:33:23,480 --> 00:33:21,630

other than uh you know somebody's

663

00:33:26,240 --> 00:33:23,490

handheld drone but again why would you

664

00:33:28,850 --> 00:33:26,250

be out at 11:30 at night in the actual

665

00:33:32,060 --> 00:33:28,860

Smoky Mountain Park and and who has a

666

00:33:34,070 --> 00:33:32,070

drone that that is that big anyway it

667

00:33:36,350 --> 00:33:34,080

wasn't a airplane it wasn't an airplane

668

00:33:37,970 --> 00:33:36,360

because it was stationary it did not

669

00:33:40,670 --> 00:33:37,980

move while we were looking at it and we

670

00:33:41,780 --> 00:33:40,680

got a good 10 to 15 second look at it

671

00:33:45,620 --> 00:33:41,790

because like I said I Drive like a

672

00:33:49,190 --> 00:33:45,630

grandfather but yeah it was right above

673

00:33:51,200 --> 00:33:49,200

the tree line gigantic and then again my

674

00:33:53,540 --> 00:33:51,210

wife can vouch for me I wasn't on

675

00:33:57,320 --> 00:33:53,550

anything she saw it she wasn't on

676  
00:33:59,030 --> 00:33:57,330  
anything and again we went through there

677  
00:34:01,070 --> 00:33:59,040  
a couple more times not that night

678  
00:34:02,360 --> 00:34:01,080  
because we had to get to food city and

679  
00:34:04,880 --> 00:34:02,370  
lord knows food is more important than

680  
00:34:06,500 --> 00:34:04,890  
UFO discoveries but we went through

681  
00:34:10,340 --> 00:34:06,510  
there that exact same area a couple more

682  
00:34:12,500 --> 00:34:10,350  
times and it was not there at all and I

683  
00:34:15,320 --> 00:34:12,510  
also saw a an actual plane tower

684  
00:34:18,770 --> 00:34:15,330  
somewhere else located in in the park

685  
00:34:21,409 --> 00:34:18,780  
and it had flashing red lights this was

686  
00:34:24,260 --> 00:34:21,419  
they weren't blinking at all they were

687  
00:34:27,320 --> 00:34:24,270  
just blue lights in the shape of a

688  
00:34:29,780 --> 00:34:27,330

triangle a long triangle with some

689

00:34:33,470 --> 00:34:29,790

oranges red mixed in it was a crazy

690

00:34:35,450 --> 00:34:33,480

sight she saw it I saw it in the middle

691

00:34:37,610 --> 00:34:35,460

of the Smoky Mountains I didn't lose any

692

00:34:39,800 --> 00:34:37,620

amount of time so I wasn't abducted or

693

00:34:41,810 --> 00:34:39,810

anything like that and I also looked on

694

00:34:43,520 --> 00:34:41,820

the news to see if maybe it was a search

695

00:34:45,409 --> 00:34:43,530

helicopter maybe somebody got lost but

696

00:34:46,780 --> 00:34:45,419

why would a search helicopter be so

697

00:34:49,720 --> 00:34:46,790

close to the road

698

00:34:52,600 --> 00:34:49,730

I mean we were on the main stretch going

699

00:34:54,100 --> 00:34:52,610

through Smoky Mountains I have no

700

00:34:55,870 --> 00:34:54,110

explanation what it is I'm not gonna say

701  
00:34:57,900 --> 00:34:55,880  
it was an alien but I will say that it

702  
00:35:18,510 --> 00:34:57,910  
was a UFO because I could not identify

703  
00:35:26,710 --> 00:35:22,240  
low apprehensive but he'd be the guy to

704  
00:35:28,600 --> 00:35:26,720  
double stories you so when I was in the

705  
00:35:36,520 --> 00:35:28,610  
fourth grade my older brother was in

706  
00:35:39,100 --> 00:35:36,530  
middle school and his school started we

707  
00:35:46,390 --> 00:35:39,110  
dropped him off and we go stood in the

708  
00:35:48,430 --> 00:35:46,400  
parking lot started you know I was I was

709  
00:35:51,310 --> 00:35:48,440  
a sucker for the animal respect then so

710  
00:35:53,890 --> 00:35:51,320  
if she was reading the Animorphs and I'd

711  
00:35:56,980 --> 00:35:53,900  
you know be in the fourth grade take a

712  
00:36:03,310 --> 00:35:56,990  
nap because I hated mornings and I still

713  
00:36:06,100 --> 00:36:03,320

do on this particular day had you've

714

00:36:19,570 --> 00:36:06,110

been later in the year so remember now

715

00:36:23,560 --> 00:36:19,580

we're mayor so I had the Epiphany they

716

00:36:26,500 --> 00:36:23,570

holy crap I can have this entire

717

00:36:29,950 --> 00:36:26,510

playground to myself for the next 45

718

00:36:32,980 --> 00:36:29,960

minutes an hour and that being the holy

719

00:36:37,050 --> 00:36:32,990

grail of all children I was like mother

720

00:36:40,870 --> 00:36:37,060

please let me go play those little stars

721

00:36:45,729 --> 00:36:44,019

I went into playgrounds and started

722

00:36:48,309 --> 00:36:45,739

doing what I was doing is probably

723

00:36:51,579 --> 00:36:48,319

tetherball office I was a sucker for

724

00:36:54,969 --> 00:36:51,589

tetherball back in the day so I'm doing

725

00:36:59,200 --> 00:36:54,979

my thing and I don't know what prompted

726

00:37:04,299 --> 00:36:59,210

me but I looked up and there was this

727

00:37:06,579 --> 00:37:04,309

rectangular object very low it was very

728

00:37:09,009 --> 00:37:06,589

low I can't stress that enough

729

00:37:16,180 --> 00:37:09,019

it was just above the school maybe about

730

00:37:20,079 --> 00:37:16,190

50 feet or so at my school it was shaped

731

00:37:22,390 --> 00:37:20,089

like Hugh and in the center a venue it

732

00:37:27,910 --> 00:37:22,400

was a little courtyard is grass that had

733

00:37:31,839 --> 00:37:27,920

you've been I don't know a hundred feet

734

00:37:34,359 --> 00:37:31,849

deep from looking at the edge of the

735

00:37:39,249 --> 00:37:34,369

concrete through the grass the building

736

00:37:41,349 --> 00:37:39,259

and maybe 50 or 60 feet side by side and

737

00:37:46,809 --> 00:37:41,359

while this thing that was flying over

738

00:37:50,019 --> 00:37:46,819

the school was Holly it taken up about

739

00:37:53,950 --> 00:37:50,029

three-quarters of that courtyard like I

740

00:37:55,599 --> 00:37:53,960

said a while ago so judgment on size

741

00:38:02,200 --> 00:37:55,609

isn't that great but I remember it being

742

00:38:04,299 --> 00:38:02,210

big not and you move it very slowly like

743

00:38:06,819 --> 00:38:04,309

a good-enough as I get don't get a good

744

00:38:10,299 --> 00:38:06,829

look at it and I know that just being

745

00:38:15,009 --> 00:38:10,309

having happened a long time ago the

746

00:38:17,259 --> 00:38:15,019

human memory is very simple but I I I

747

00:38:21,339 --> 00:38:17,269

could promise you that this memories as

748

00:38:22,989 --> 00:38:21,349

precious today it happened and I'm

749

00:38:27,039 --> 00:38:22,999

watching this thing I can still remember

750

00:38:31,420 --> 00:38:27,049

a hat like razors flats going all the

751

00:38:33,789 --> 00:38:31,430

way from the back bottom to the top I

752

00:38:35,200 --> 00:38:33,799

don't remember seeing the sides or the

753

00:38:38,450 --> 00:38:35,210

bottom

754

00:38:42,079 --> 00:38:38,460

I did while I did see a little business

755

00:38:46,690 --> 00:38:42,089

knives and I remember they had had lines

756

00:38:52,390 --> 00:38:46,700

going look like solid structure going

757

00:38:55,309 --> 00:38:52,400

along the sides runs it back every every

758

00:38:56,779 --> 00:38:55,319

that a note my twenties or so

759

00:38:59,839 --> 00:38:56,789

they were spaced out and they're only

760

00:39:03,529 --> 00:38:59,849

like four or five of them but I remember

761

00:39:06,559 --> 00:39:03,539

as I'm watching this thing I have never

762

00:39:10,249 --> 00:39:06,569

heard the world be so quiet before no

763

00:39:12,410 --> 00:39:10,259

birds no winds no motor noise not a

764

00:39:15,769 --> 00:39:12,420

thing I I don't know if it was just

765

00:39:19,430 --> 00:39:15,779

because I was so incredibly transfixed

766

00:39:21,670 --> 00:39:19,440

on what I was staring at or if maybe

767

00:39:24,710 --> 00:39:21,680

that part of my memories just kind of

768

00:39:25,479 --> 00:39:24,720

you know it being the mundane part of

769

00:39:28,819 --> 00:39:25,489

this event

770

00:39:32,269 --> 00:39:28,829

my memories just kind of dropped off but

771

00:39:33,979 --> 00:39:32,279

I I can I could attest to this though

772

00:39:38,660 --> 00:39:33,989

that thing make not a sound

773

00:39:41,920 --> 00:39:38,670

it still blows me away to say I have no

774

00:39:44,989 --> 00:39:41,930

idea what it was I can't say for certain

775

00:39:48,670 --> 00:39:44,999

what it was but I can tell you've

776

00:39:53,859 --> 00:39:48,680

researched what it wasn't wasn't a plane

777

00:39:56,599 --> 00:39:53,869

wasn't Joe mercury retrograde it wasn't

778

00:39:59,180 --> 00:39:56,609

whatever it was a swamp gas wasn't

779

00:40:04,039 --> 00:39:59,190

anything that I can he's been to this

780

00:40:06,799 --> 00:40:04,049

day watching the explain it the birth of

781

00:40:09,079 --> 00:40:06,809

the Nervii well it's none of the time I

782

00:40:12,079 --> 00:40:09,089

thought I was just using the world but

783

00:40:15,469 --> 00:40:12,089

now that I think about it is it's almost

784

00:40:18,280 --> 00:40:15,479

killing how quiet everything was but I

785

00:40:22,690 --> 00:40:18,290

remember watching this thing for

786

00:40:26,470 --> 00:40:22,700

got a good couple of minutes at least as

787

00:40:28,420 --> 00:40:26,480

it passed over the school and once once

788

00:40:31,560 --> 00:40:28,430

it got over the school I couldn't see it

789

00:40:35,260 --> 00:40:31,570

any more so in all of my infinite wisdom

790

00:40:37,180 --> 00:40:35,270

right across from that courtyard across

791

00:40:40,300 --> 00:40:37,190

the pavement was a sweet set not like a

792

00:40:42,010 --> 00:40:40,310

sweet it's the top of this as high as I

793

00:40:46,030 --> 00:40:42,020

can't see if I can see over the school

794

00:40:51,099 --> 00:40:46,040

and I swung as far as my little baby

795

00:40:54,880 --> 00:40:51,109

legs to go and I never saw it again

796

00:40:59,530 --> 00:40:54,890

as far as dude I don't know I don't know

797

00:41:03,970 --> 00:40:59,540

I honestly don't it was fascinating and

798

00:41:06,580 --> 00:41:03,980

terrifying at the same time like I'll

799

00:41:09,990 --> 00:41:06,590

never never lose that image for as long

800

00:41:12,609 --> 00:41:10,000

as I draw breath it was amazing it

801  
00:41:15,790 --> 00:41:12,619  
kick-started my lifelong love of UFOs

802  
00:41:17,320 --> 00:41:15,800  
they will be your subject so I guess

803  
00:41:22,270 --> 00:41:17,330  
jazz there's a kind of type thing

804  
00:41:25,650 --> 00:41:22,280  
but uh yeah man I really I don't know

805  
00:41:30,280 --> 00:41:25,660  
how it made me feel honestly like now

806  
00:41:35,170 --> 00:41:30,290  
did I don't know it I want to say it was

807  
00:41:37,840 --> 00:41:35,180  
aliens because you know it's it's the

808  
00:41:40,170 --> 00:41:37,850  
only thing that I can really like think

809  
00:41:43,599 --> 00:41:40,180  
that it could have been there's nothing

810  
00:41:45,460 --> 00:41:43,609  
nothing flying that we have an hour or

811  
00:41:50,550 --> 00:41:45,470  
then that looked like that I have no

812  
00:41:54,490 --> 00:41:50,560  
wings no tail it was just amazing and

813  
00:41:57,490 --> 00:41:54,500

it's kind of stick with me like I said

814

00:41:59,620 --> 00:41:57,500

until I draw my last breath I will see

815

00:42:04,510 --> 00:41:59,630

that thing in my head every time I hear

816

00:42:07,450 --> 00:42:04,520

a story and if it immediately like

817

00:42:12,170 --> 00:42:07,460

brings me back to that day of watching

818

00:42:14,120 --> 00:42:12,180

it gunmetal grey object smoke

819

00:42:17,720 --> 00:42:14,130

so silently and effort these

820

00:42:21,470 --> 00:42:17,730

effortlessly above high school like I

821

00:42:23,809 --> 00:42:21,480

can't like I'm sorry this is just like

822

00:42:27,260 --> 00:42:23,819

now it's hurting in to be rambling but I

823

00:42:28,849 --> 00:42:27,270

struggle to find the words cuz I never

824

00:42:31,280 --> 00:42:28,859

shared this story before so I don't know

825

00:42:35,569 --> 00:42:31,290

I don't know what else to say other than

826

00:42:39,500 --> 00:42:35,579

my mind is still unrepairable blowed

827

00:42:41,450 --> 00:42:39,510

like I have no idea do you guys anyways

828

00:42:44,270 --> 00:42:41,460

I'm gonna wrap this rambling up sorry

829

00:42:46,569 --> 00:42:44,280

for saying words that don't make

830

00:42:50,480 --> 00:42:46,579

coherent sentences sometimes but I

831

00:42:51,980 --> 00:42:50,490

freaking love the show the UFO subjects

832

00:42:55,220 --> 00:42:51,990

have it dropped off my radar for a

833

00:42:58,099 --> 00:42:55,230

little bit and somewhere in the skies

834

00:43:00,049 --> 00:42:58,109

definitely rekindled my my fascination

835

00:43:03,410 --> 00:43:00,059

and love for the subject so thank you

836

00:43:06,170 --> 00:43:03,420

again for that and I will be listening

837

00:43:07,490 --> 00:43:06,180

as long as you're making a show hey man

838

00:43:08,299 --> 00:43:07,500

thanks for thanks for taking the time

839

00:43:18,900 --> 00:43:08,309

and hearing me out

840

00:43:23,109 --> 00:43:21,370

somewhere in the skies is produced by

841

00:43:25,060 --> 00:43:23,119

Third Kind productions in association

842

00:43:26,740 --> 00:43:25,070

with the entertainment one podcast
