

**TALKING
UFOS**
WITH RYAN & JASON

1
00:00:23,580 --> 00:00:04,009
[Music]

2
00:00:27,279 --> 00:00:26,259
welcome everyone to the first live

3
00:00:31,779 --> 00:00:27,289
Facebook

4
00:00:35,439 --> 00:00:31,789
of Ryan and Jason talk UFOs and with me

5
00:00:37,630 --> 00:00:35,449
today is our good friend my mutual rogue

6
00:00:40,990 --> 00:00:37,640
planet Eire Jason McClellan how's it

7
00:00:44,259 --> 00:00:41,000
going buddy it is going well I mean I'm

8
00:00:47,710 --> 00:00:44,269
shut in my house social distancing from

9
00:00:49,960 --> 00:00:47,720
everybody shut in away from society but

10
00:00:52,930 --> 00:00:49,970
yeah you know things are good Ryan how

11
00:00:54,729 --> 00:00:52,940
about you Oh same man I mean the date

12
00:00:56,590 --> 00:00:54,739
kiss just keeps getting pushed further

13
00:01:00,100 --> 00:00:56,600

and further back of how long were

14

00:01:01,780 --> 00:01:00,110

supposed to be quarantine so I'm trying

15

00:01:04,359 --> 00:01:01,790

to make the best of it trying stuff like

16

00:01:07,120 --> 00:01:04,369

this this is um a new program we're

17

00:01:09,640 --> 00:01:07,130

trying out called a stream yard it's a

18

00:01:11,649 --> 00:01:09,650

um you know and what just a thing that

19

00:01:13,210 --> 00:01:11,659

can stream to YouTube Facebook and I'm

20

00:01:16,060 --> 00:01:13,220

just seeing how it works out I don't

21

00:01:18,820 --> 00:01:16,070

know how we're gonna see the comments on

22

00:01:21,370 --> 00:01:18,830

Facebook so I've got my iPad pulled up

23

00:01:24,100 --> 00:01:21,380

here just in case if anyone wants to

24

00:01:25,749 --> 00:01:24,110

leave comments or questions but yeah we

25

00:01:28,510 --> 00:01:25,759

kind of we're just gonna talk shop today

26

00:01:30,340 --> 00:01:28,520

and you know talk about some of the

27

00:01:32,680 --> 00:01:30,350

stuff we've got going on at rogue planet

28

00:01:35,620 --> 00:01:32,690

what we're personally doing in terms of

29

00:01:38,080 --> 00:01:35,630

research and stuff like that so um yeah

30

00:01:40,540 --> 00:01:38,090

my man let some now I'm talking UFOs

31

00:01:43,030 --> 00:01:40,550

we're just gonna talk UFOs I know before

32

00:01:45,610 --> 00:01:43,040

we do that I did not tell you this Jason

33

00:01:49,780 --> 00:01:45,620

we do have a sponsor for this episode

34

00:01:51,789 --> 00:01:49,790

sweet yeah that is old tone roasters out

35

00:01:55,420 --> 00:01:51,799

of Santa Ana California I'm drinking the

36

00:01:57,850 --> 00:01:55,430

rocket fuel right now packaging thank

37

00:02:00,670 --> 00:01:57,860

you yeah yeah yeah thank you I did it

38

00:02:04,420 --> 00:02:00,680

myself no I got to pull this up here

39

00:02:06,490 --> 00:02:04,430

before I forget yeah so this is my

40

00:02:08,380 --> 00:02:06,500

master roaster Sean Anderson out of

41

00:02:11,020 --> 00:02:08,390

Santa Ana California he and his

42

00:02:13,780 --> 00:02:11,030

girlfriend own a coffee roasting place

43

00:02:16,899 --> 00:02:13,790

and they sent me a ton of bags of coffee

44

00:02:19,179 --> 00:02:16,909

so I am highly caffeinated for however

45

00:02:21,190 --> 00:02:19,189

long this quarantine lasts for so I have

46

00:02:23,080 --> 00:02:21,200

them to thank for that but I highly

47

00:02:26,020 --> 00:02:23,090

suggest people go check out their web

48

00:02:28,570 --> 00:02:26,030

site old town roasting calm

49

00:02:30,220 --> 00:02:28,580

they have artisanal beans they've got

50

00:02:32,920 --> 00:02:30,230

single origin anything you can possibly

51
00:02:35,110 --> 00:02:32,930
think from light to dark spectrum so if

52
00:02:35,660 --> 00:02:35,120
you're a coffee snob like me go check

53
00:02:38,240 --> 00:02:35,670
them out

54
00:02:40,809 --> 00:02:38,250
again that is old town roasting calm so

55
00:02:45,350 --> 00:02:40,819
thank you to them but getting back to

56
00:02:47,210 --> 00:02:45,360
UFOs Jason pardon the dogs barking and

57
00:02:51,440 --> 00:02:47,220
the trains going by that is the ambiance

58
00:02:53,990 --> 00:02:51,450
here in New York City yeah I love it man

59
00:02:56,540 --> 00:02:54,000
I wouldn't trade it for anything in our

60
00:03:00,170 --> 00:02:56,550
current world with you know everybody

61
00:03:01,580 --> 00:03:00,180
doing meetings over video conferencing

62
00:03:04,070 --> 00:03:01,590
and stuff like this that's like the new

63
00:03:06,620 --> 00:03:04,080

normal and I kind of love it right yeah

64

00:03:09,380 --> 00:03:06,630

I'm on video conferences every single

65

00:03:13,930 --> 00:03:09,390

day with colleagues and people around

66

00:03:16,160 --> 00:03:13,940

the world and that's just a thing that I

67

00:03:18,559 --> 00:03:16,170

frankly look forward to because it

68

00:03:20,660 --> 00:03:18,569

provides some some light-hearted light

69

00:03:22,190 --> 00:03:20,670

heartedness and laughter when you're in

70

00:03:24,500 --> 00:03:22,200

a meeting and you see somebody he's like

71

00:03:28,820 --> 00:03:24,510

kid jump in there laughs he's gonna

72

00:03:30,229 --> 00:03:28,830

catch up on their head or we're all

73

00:03:32,240 --> 00:03:30,239

going through this right now together

74

00:03:33,920 --> 00:03:32,250

and that just makes everybody laugh

75

00:03:36,740 --> 00:03:33,930

who's on the call it's great to see and

76

00:03:38,750 --> 00:03:36,750

it sort of humanizes oh absolutely this

77

00:03:40,910 --> 00:03:38,760

is you're right you're right this is

78

00:03:42,500 --> 00:03:40,920

kind of like a new normal I mean who

79

00:03:45,349 --> 00:03:42,510

knows how long this is gonna last and

80

00:03:49,280 --> 00:03:45,359

then whenever we are going back to our

81

00:03:52,099 --> 00:03:49,290

jobs or back out into society as it were

82

00:03:53,180 --> 00:03:52,109

um I feel like things are gonna change

83

00:03:55,729 --> 00:03:53,190

you know you might see a lot of

84

00:03:57,740 --> 00:03:55,739

companies and businesses being like mmm

85

00:04:00,770 --> 00:03:57,750

this actually worked with everyone at

86

00:04:03,319 --> 00:04:00,780

home like why spend rent on a building

87

00:04:05,539 --> 00:04:03,329

and offices and this and that like let's

88

00:04:07,310 --> 00:04:05,549

just do it this way so I'm really

89

00:04:10,789 --> 00:04:07,320

interested to see other than the economy

90

00:04:13,819 --> 00:04:10,799

obviously and and health being the the

91

00:04:15,650 --> 00:04:13,829

main priority how things come out on the

92

00:04:17,810 --> 00:04:15,660

other side with this in terms of how

93

00:04:19,969 --> 00:04:17,820

people interact and businesses do

94

00:04:22,039 --> 00:04:19,979

business it'll be interesting for sure

95

00:04:24,290 --> 00:04:22,049

we'll be yeah it's a it's sort of a big

96

00:04:27,080 --> 00:04:24,300

experiment right now yeah yeah a big

97

00:04:32,060 --> 00:04:27,090

social experiment whether we want it or

98

00:04:34,190 --> 00:04:32,070

not I guess let's see here I'm just

99

00:04:36,250 --> 00:04:34,200

making sure we are live we are good

100

00:04:38,180 --> 00:04:36,260

we've got six comments already here on

101
00:04:42,770 --> 00:04:38,190
Facebook I don't know how to pull these

102
00:04:45,440 --> 00:04:42,780
up oh that's not good sorry bear with us

103
00:04:47,719 --> 00:04:45,450
guys we're just we're just it's all part

104
00:04:49,240 --> 00:04:47,729
of the process of testing it is let's do

105
00:04:54,700 --> 00:04:49,250
this I'm going to turn my

106
00:04:56,590 --> 00:04:54,710
volume off pull this up just because I

107
00:04:58,660 --> 00:04:56,600
can I'm telling already that the stream

108
00:05:00,310 --> 00:04:58,670
yard chat or what do we have here I

109
00:05:02,920 --> 00:05:00,320
think you actually have to be registered

110
00:05:05,890 --> 00:05:02,930
to comment in that so I'm just gonna

111
00:05:07,450 --> 00:05:05,900
check here I think it's part of the

112
00:05:10,270 --> 00:05:07,460
settings I think you can require people

113
00:05:13,540 --> 00:05:10,280

to be registered okay they have to sign

114

00:05:17,170 --> 00:05:13,550

in with either YouTube or Facebook okay

115

00:05:18,700 --> 00:05:17,180

gotcha gotcha so lesson one for me for

116

00:05:22,390 --> 00:05:18,710

the next time so guys I'll make sure we

117

00:05:25,450 --> 00:05:22,400

do that but um let's see we got um hi

118

00:05:27,100 --> 00:05:25,460

Kristy Ellen David when everyone hopping

119

00:05:29,050 --> 00:05:27,110

in right now feel free to put questions

120

00:05:31,150 --> 00:05:29,060

in I'll try to get to them if I can get

121

00:05:34,450 --> 00:05:31,160

to them but yeah Jason let's sort of um

122

00:05:36,820 --> 00:05:34,460

let's talk shop here first and foremost

123

00:05:39,190 --> 00:05:36,830

with COBIT 19 and how this is affecting

124

00:05:41,230 --> 00:05:39,200

companies and businesses did you see

125

00:05:43,470 --> 00:05:41,240

that Bob Bigelow had to layoff his

126

00:05:48,180 --> 00:05:43,480

entire crew over at Bigelow Aerospace

127

00:05:50,620 --> 00:05:48,190

yeah that was crazy and you know we'll

128

00:05:54,040 --> 00:05:50,630

eventually hear what the real story is

129

00:05:56,650 --> 00:05:54,050

but their official word from the company

130

00:05:59,290 --> 00:05:56,660

is that this is in direct response to a

131

00:06:02,140 --> 00:05:59,300

couple 19 and and the governor there in

132

00:06:03,550 --> 00:06:02,150

Nevada declaring you know what

133

00:06:06,940 --> 00:06:03,560

businesses are essential and which ones

134

00:06:09,700 --> 00:06:06,950

aren't and aerospace is not so they

135

00:06:13,000 --> 00:06:09,710

promptly laid 100 percent of their

136

00:06:15,010 --> 00:06:13,010

workers off right and people familiar

137

00:06:17,770 --> 00:06:15,020

with the company and in former employees

138

00:06:19,870 --> 00:06:17,780

of the company have asserted that this

139

00:06:21,760 --> 00:06:19,880

is more than that actually that there's

140

00:06:24,880 --> 00:06:21,770

a total liquidation of the entire

141

00:06:28,960 --> 00:06:24,890

company and yeah our face is gonna be no

142

00:06:32,020 --> 00:06:28,970

more much yeah it's not the case because

143

00:06:34,510 --> 00:06:32,030

they are a leader in the private space

144

00:06:35,830 --> 00:06:34,520

industry and they've done some

145

00:06:38,860 --> 00:06:35,840

incredible things and had a lot of

146

00:06:41,440 --> 00:06:38,870

exciting things forthcoming so it'll be

147

00:06:44,110 --> 00:06:41,450

interesting to see what happens when we

148

00:06:45,940 --> 00:06:44,120

reach the end of all of this right same

149

00:06:47,470 --> 00:06:45,950

with a lot of companies you know and no

150

00:06:48,909 --> 00:06:47,480

a lot of the other aerospace companies

151
00:06:51,220 --> 00:06:48,919
are doing a lot of work from home right

152
00:06:52,990 --> 00:06:51,230
now but Bigelow Aerospace made it clear

153
00:06:54,880 --> 00:06:53,000
that's not what we're doing

154
00:06:57,700 --> 00:06:54,890
they said this is sort of just a perfect

155
00:07:00,850 --> 00:06:57,710
storm of Kovan 19 mixed with a lot of

156
00:07:02,390 --> 00:07:00,860
probably inner politics and you know

157
00:07:05,300 --> 00:07:02,400
business stuff so I guess

158
00:07:08,090 --> 00:07:05,310
we'll see but um we are never done

159
00:07:10,850 --> 00:07:08,100
talking about Bob Bigelow with his

160
00:07:12,409 --> 00:07:10,860
connections to skinwalker ranch this is

161
00:07:14,779 --> 00:07:12,419
something you posted over at rogue

162
00:07:18,020 --> 00:07:14,789
planet so everyone go visit rogue planet

163
00:07:19,670 --> 00:07:18,030

TV for the latest news on UFOs and

164

00:07:21,499 --> 00:07:19,680

everything paranormal and strange

165

00:07:23,629 --> 00:07:21,509

related we got some good stuff going on

166

00:07:25,790 --> 00:07:23,639

over there as we are stuck in self

167

00:07:29,120 --> 00:07:25,800

quarantine ourselves but um you recently

168

00:07:32,390 --> 00:07:29,130

wrote this write-up about a livestream

169

00:07:34,580 --> 00:07:32,400

isn't of skinwalker ranch could you

170

00:07:36,890 --> 00:07:34,590

maybe run us through the night is it

171

00:07:40,490 --> 00:07:36,900

tonight actually a starry night it's

172

00:07:42,830 --> 00:07:40,500

stealing your thunder okay Pacific I

173

00:07:45,650 --> 00:07:42,840

believe but yeah that's happening

174

00:07:49,700 --> 00:07:45,660

tonight it's a 12-hour basically live

175

00:07:51,890 --> 00:07:49,710

feed of skinwalker ranch that you're

176
00:07:54,170 --> 00:07:51,900
able to go and watch this live feed it's

177
00:07:56,540 --> 00:07:54,180
it's a youtube link so you've got the

178
00:07:58,790 --> 00:07:56,550
youtube link on the website in that

179
00:08:00,379 --> 00:07:58,800
article the youtube link is there so

180
00:08:02,749 --> 00:08:00,389
it's YouTube live people be able to

181
00:08:06,409 --> 00:08:02,759
watch a live feed from skinwalker ranch

182
00:08:09,860 --> 00:08:06,419
and basically conduct surveillance for

183
00:08:11,570 --> 00:08:09,870
12 hours yeah this is of course to

184
00:08:13,700 --> 00:08:11,580
promote the History Channel's new show

185
00:08:15,469 --> 00:08:13,710
the secret of skinwalker ranch right

186
00:08:17,240 --> 00:08:15,479
right which I'm actually looking forward

187
00:08:20,050 --> 00:08:17,250
to I mean we've had on for the

188
00:08:23,629 --> 00:08:20,060

skinwalker the book and the documentary

189

00:08:26,000 --> 00:08:23,639

and you know we had a recent article of

190

00:08:28,100 --> 00:08:26,010

our advice news with MJ pan is going to

191

00:08:29,810 --> 00:08:28,110

the ranch and actually getting to go

192

00:08:32,019 --> 00:08:29,820

around and see what's going on but now

193

00:08:35,449 --> 00:08:32,029

it looks like we're gonna get the most

194

00:08:37,339 --> 00:08:35,459

you know experience to look at it to

195

00:08:39,350 --> 00:08:37,349

actually see what they're doing what

196

00:08:40,699 --> 00:08:39,360

they've discovered so what do you think

197

00:08:42,350 --> 00:08:40,709

what do you think is gonna come out of

198

00:08:43,909 --> 00:08:42,360

this show anything good or is this gonna

199

00:08:47,449 --> 00:08:43,919

be just another one of these

200

00:08:50,810 --> 00:08:47,459

entertainment shows I think we're going

201
00:08:53,630 --> 00:08:50,820
to get a better glimpse of what

202
00:08:56,780 --> 00:08:53,640
skinwalker ranch is and perhaps some of

203
00:09:01,340 --> 00:08:56,790
the things going on there it it's gonna

204
00:09:03,440 --> 00:09:01,350
be hard to to know exactly how to take

205
00:09:05,390 --> 00:09:03,450
what we see and what we're delivered

206
00:09:07,400 --> 00:09:05,400
right because this is just a it's a

207
00:09:11,120 --> 00:09:07,410
History Channel show and I love History

208
00:09:13,010 --> 00:09:11,130
Channel but you know people have to keep

209
00:09:16,009 --> 00:09:13,020
in mind that it's an entertainment show

210
00:09:17,479 --> 00:09:16,019
it's designed to to inform

211
00:09:19,489 --> 00:09:17,489
but mostly entertain it's got to be

212
00:09:21,650 --> 00:09:19,499
entertaining to be on TV and to get

213
00:09:23,629 --> 00:09:21,660

ratings and to get another season and

214

00:09:27,019 --> 00:09:23,639

they put a lot of money into this show

215

00:09:29,449 --> 00:09:27,029

so you know I think we'll see I hope we

216

00:09:31,280 --> 00:09:29,459

see a lot of flashy tech and and you

217

00:09:32,660 --> 00:09:31,290

know experiments and stuff going on and

218

00:09:34,850 --> 00:09:32,670

that's that's sort of what they promised

219

00:09:37,489 --> 00:09:34,860

you know with their scientific team on

220

00:09:40,189 --> 00:09:37,499

the ranch conducting these experiments

221

00:09:43,009 --> 00:09:40,199

and trying to better understand the

222

00:09:44,449 --> 00:09:43,019

crazy stuff that's happening there so I

223

00:09:48,259 --> 00:09:44,459

think we'll get a better better glimpse

224

00:09:50,929 --> 00:09:48,269

than we ever have and I'll be optimistic

225

00:09:51,889 --> 00:09:50,939

and think that you know some good stuff

226

00:09:54,049 --> 00:09:51,899

will come out of it

227

00:09:57,139 --> 00:09:54,059

but in the end it's it's an entertaining

228

00:09:59,869 --> 00:09:57,149

show but now I'm happy that we're

229

00:10:02,179 --> 00:09:59,879

finally getting on the ranch and sadly

230

00:10:04,150 --> 00:10:02,189

this is probably as close to the ranch

231

00:10:06,619 --> 00:10:04,160

all over again

232

00:10:09,289 --> 00:10:06,629

possibly possibly a lot of us thought

233

00:10:11,299 --> 00:10:09,299

you know as this thing was unfolding

234

00:10:14,479 --> 00:10:11,309

that possibly it would be open to the

235

00:10:17,179 --> 00:10:14,489

public we'd have a paranormal theme park

236

00:10:19,759 --> 00:10:17,189

at our fingertips but the owner has made

237

00:10:22,039 --> 00:10:19,769

it very clear that is not the case you

238

00:10:24,679 --> 00:10:22,049

know and I think that's probably a good

239

00:10:26,960 --> 00:10:24,689

move but at the same time I would love

240

00:10:28,850 --> 00:10:26,970

that you know and I would not hold it

241

00:10:30,199 --> 00:10:28,860

against him if he went back on that word

242

00:10:31,249 --> 00:10:30,209

and said you know what there's been so

243

00:10:33,439 --> 00:10:31,259

much to man

244

00:10:35,269 --> 00:10:33,449

do we've decided we're gonna let people

245

00:10:37,789 --> 00:10:35,279

buy tickets and come on the ranch yeah

246

00:10:39,769 --> 00:10:37,799

yeah I mean I remember one of my one of

247

00:10:41,629 --> 00:10:39,779

my biggest questions for MJ when he went

248

00:10:43,970 --> 00:10:41,639

to interview the the new owner who's a

249

00:10:46,699 --> 00:10:43,980

name is escaping me at the moment I

250

00:10:48,379 --> 00:10:46,709

don't know if you know that offhand no

251
00:10:51,319 --> 00:10:48,389
but I know he follows me on Twitter oh

252
00:10:55,730 --> 00:10:51,329
hey that's bragging rights um well that

253
00:10:57,499 --> 00:10:55,740
being said I asked MJ did the new owner

254
00:10:59,809 --> 00:10:57,509
ever talk to Bigelow like did they

255
00:11:01,669 --> 00:10:59,819
exchange notes on what he did at the

256
00:11:06,259 --> 00:11:01,679
ranch during his time investigating with

257
00:11:09,259 --> 00:11:06,269
mids and now and MJ said they met over

258
00:11:11,359 --> 00:11:09,269
coffee and like a walk around the ranch

259
00:11:14,479 --> 00:11:11,369
and that was about it no information was

260
00:11:16,600 --> 00:11:14,489
exchanged nothing was handed over in

261
00:11:19,699 --> 00:11:16,610
terms of evidence or files or documents

262
00:11:22,489 --> 00:11:19,709
so who knows we're kind of starting from

263
00:11:24,730 --> 00:11:22,499

scratch I guess in terms of this yeah I

264

00:11:28,340 --> 00:11:24,740

I'm sure if information was shared

265

00:11:29,809 --> 00:11:28,350

robert bigelow is a strange cat

266

00:11:31,789 --> 00:11:29,819

you know and I've heard so many weird

267

00:11:33,259 --> 00:11:31,799

stories about him but I still always say

268

00:11:35,179 --> 00:11:33,269

I would love to grab a drink with him

269

00:11:37,759 --> 00:11:35,189

and just spend some time picking his

270

00:11:39,409 --> 00:11:37,769

weird brain I I love people who are

271

00:11:41,929 --> 00:11:39,419

fascinated by the strange and he is

272

00:11:43,609 --> 00:11:41,939

certainly somebody extremely fascinated

273

00:11:46,249 --> 00:11:43,619

by all things strange and has spent

274

00:11:49,219 --> 00:11:46,259

probably the most money of any private

275

00:11:53,150 --> 00:11:49,229

person on investigating this strange

276

00:11:55,549 --> 00:11:53,160

so Bigelow man cool guy the Brandon

277

00:11:59,989 --> 00:11:55,559

Brandon is the the current owner awesome

278

00:12:02,210 --> 00:11:59,999

Google perfect thanks man let's see um

279

00:12:04,009 --> 00:12:02,220

oh this is a good question actually over

280

00:12:04,759 --> 00:12:04,019

on Facebook before I get to our other

281

00:12:07,729 --> 00:12:04,769

stuff um

282

00:12:09,710 --> 00:12:07,739

ash asks have you guys noticed an

283

00:12:11,269 --> 00:12:09,720

increase in sighting reports since we

284

00:12:13,069 --> 00:12:11,279

started going into lockdown and

285

00:12:15,349 --> 00:12:13,079

quarantine that's been a big question

286

00:12:18,439 --> 00:12:15,359

actually out in the UFO community I've

287

00:12:21,319 --> 00:12:18,449

noticed is are are things increasing

288

00:12:22,849 --> 00:12:21,329

since everyone's home or are they

289

00:12:26,779 --> 00:12:22,859

decreasing because we're all stuck

290

00:12:28,400 --> 00:12:26,789

inside I've sort of heard both sides of

291

00:12:30,829 --> 00:12:28,410

that you know talking to Cheryl Kosta

292

00:12:33,439 --> 00:12:30,839

like the number one sighting statistic

293

00:12:35,869 --> 00:12:33,449

person out there and a few other MUFON

294

00:12:37,489 --> 00:12:35,879

investigators it's kind of a being and

295

00:12:39,379 --> 00:12:37,499

flowing but yeah do you have anything to

296

00:12:41,210 --> 00:12:39,389

add to that one Jason yeah this is

297

00:12:43,909 --> 00:12:41,220

something we brought up on a recent

298

00:12:46,869 --> 00:12:43,919

episode of unknown you know in our UFO

299

00:12:49,999 --> 00:12:46,879

happy hour we all talked about this and

300

00:12:54,169 --> 00:12:50,009

you know it's it's a weird time right

301
00:12:56,539 --> 00:12:54,179
now because I think yeah Cheryl's a good

302
00:13:01,039 --> 00:12:56,549
source to go to and it would be good to

303
00:13:03,349 --> 00:13:01,049
dig in to MUFON and the national UFO

304
00:13:05,779 --> 00:13:03,359
Reporting Center to to see what their

305
00:13:07,699 --> 00:13:05,789
actual numbers are see you know if

306
00:13:11,029 --> 00:13:07,709
people are reporting UFO sightings right

307
00:13:12,499 --> 00:13:11,039
now we have people shut inside right I

308
00:13:14,899 --> 00:13:12,509
mean people are still going outside but

309
00:13:16,729 --> 00:13:14,909
mostly people are shut inside right now

310
00:13:19,069 --> 00:13:16,739
they're not doing their daily commute to

311
00:13:22,369 --> 00:13:19,079
work to and from work there they're

312
00:13:24,679 --> 00:13:22,379
doing less travel outside so and that's

313
00:13:27,919 --> 00:13:24,689

when a lot of this stuff happens however

314

00:13:29,299 --> 00:13:27,929

one of the biggest biggest times when

315

00:13:30,590 --> 00:13:29,309

people see UFOs is when they're out

316

00:13:34,249 --> 00:13:30,600

walking their dogs and people are still

317

00:13:36,919 --> 00:13:34,259

doing that I don't really to be honest

318

00:13:40,069 --> 00:13:36,929

yeah but you know our exposure to the

319

00:13:41,690 --> 00:13:40,079

outdoors is reduced right now so I

320

00:13:43,580 --> 00:13:41,700

suspect it's going down

321

00:13:45,470 --> 00:13:43,590

but again people who track this stuff

322

00:13:47,990 --> 00:13:45,480

and certainly we're talking about the

323

00:13:49,250 --> 00:13:48,000

reported UFO sightings not actual UFO

324

00:13:50,570 --> 00:13:49,260

sightings because those are two

325

00:13:53,210 --> 00:13:50,580

different things and you can never know

326

00:13:55,310 --> 00:13:53,220

if true UFO sightings are up and down

327

00:13:58,130 --> 00:13:55,320

it's just the number that are reported

328

00:13:59,720 --> 00:13:58,140

to the UFO reporting agencies and that's

329

00:14:02,270 --> 00:13:59,730

something we'll do we're gonna follow up

330

00:14:05,300 --> 00:14:02,280

with those guys and see how those

331

00:14:09,070 --> 00:14:05,310

numbers look since the lockdown right

332

00:14:12,410 --> 00:14:09,080

and you know other than MUFON or the

333

00:14:15,290 --> 00:14:12,420

what's the one generating center ere we

334

00:14:17,510 --> 00:14:15,300

go national UFO Reporting Center if

335

00:14:20,060 --> 00:14:17,520

anyone out there sees anything strange

336

00:14:22,640 --> 00:14:20,070

in the sky either contact one of these

337

00:14:24,680 --> 00:14:22,650

organizations or reach out to us you

338

00:14:27,890 --> 00:14:24,690

know email us send us a facebook message

339

00:14:28,820 --> 00:14:27,900

like we were we're trapped inside just

340

00:14:31,460 --> 00:14:28,830

like everyone else

341

00:14:33,290 --> 00:14:31,470

so if we can investigate from here or

342

00:14:36,710 --> 00:14:33,300

even look at stuff from here like we'll

343

00:14:38,870 --> 00:14:36,720

definitely do it so yeah yeah for sure

344

00:14:40,340 --> 00:14:38,880

uh well speaking of quarantine seems to

345

00:14:43,280 --> 00:14:40,350

be the running theme right now we won't

346

00:14:44,900 --> 00:14:43,290

stress it too much but uh we also came

347

00:14:48,560 --> 00:14:44,910

out with an article over at rogue planet

348

00:14:51,470 --> 00:14:48,570

recently about UFO content to stream

349

00:14:55,010 --> 00:14:51,480

while quarantined this is a fun one I

350

00:14:56,660 --> 00:14:55,020

was sick of watching stuff so I thought

351
00:15:00,110 --> 00:14:56,670
you know rather than being a consumer

352
00:15:02,690 --> 00:15:00,120
let me be a producer for once so I just

353
00:15:04,310 --> 00:15:02,700
put together a list of all the UFO

354
00:15:05,750 --> 00:15:04,320
content I could possibly think of that's

355
00:15:08,060 --> 00:15:05,760
out there right now that I find

356
00:15:11,360 --> 00:15:08,070
interesting and some of my favorites um

357
00:15:14,000 --> 00:15:11,370
so again go check out real clinic TV to

358
00:15:15,860 --> 00:15:14,010
read that list but I know there was a

359
00:15:19,520 --> 00:15:15,870
lot of on there Jason but I'm sure there

360
00:15:21,500 --> 00:15:19,530
stuff I missed or stuff that I like and

361
00:15:23,240 --> 00:15:21,510
you might not or you might like I might

362
00:15:25,190 --> 00:15:23,250
not so yeah what did you think of the

363
00:15:26,240 --> 00:15:25,200

list did anything stick out to you and

364

00:15:28,160 --> 00:15:26,250

what did I miss

365

00:15:30,140 --> 00:15:28,170

did I miss anything I'm sure you missed

366

00:15:31,700 --> 00:15:30,150

plenty but nothing that they came to

367

00:15:33,830 --> 00:15:31,710

mind when I was flipping through it you

368

00:15:35,240 --> 00:15:33,840

actually gave me a lot of ideas when I

369

00:15:37,970 --> 00:15:35,250

was scrolling through it you did such a

370

00:15:40,460 --> 00:15:37,980

kick-ass job putting this together very

371

00:15:42,650 --> 00:15:40,470

very good job and you know it's it's

372

00:15:44,810 --> 00:15:42,660

funny I'm embarrassed to say it but you

373

00:15:45,890 --> 00:15:44,820

know when I got to the bottom and saw a

374

00:15:47,360 --> 00:15:45,900

good old project Bluebook

375

00:15:50,060 --> 00:15:47,370

that reminded me I still haven't

376

00:15:52,190 --> 00:15:50,070

finished project Bluebook yes well I

377

00:15:54,590 --> 00:15:52,200

forgot it in the original list that was

378

00:15:55,280 --> 00:15:54,600

an addendum to it and I felt really bad

379

00:15:57,499 --> 00:15:55,290

cuz

380

00:15:58,879 --> 00:15:57,509

I literally watch the finale probably an

381

00:16:01,579 --> 00:15:58,889

hour before I started putting this

382

00:16:04,060 --> 00:16:01,589

together so well yeah you fit it in

383

00:16:07,040 --> 00:16:04,070

there and something will be able to add

384

00:16:09,530 --> 00:16:07,050

that we should go back and add starting

385

00:16:12,769 --> 00:16:09,540

tomorrow is of course the secretive

386

00:16:14,360 --> 00:16:12,779

skinwalker ranch that debuts tomorrow

387

00:16:16,519 --> 00:16:14,370

oh yeah and won't constantly be updating

388

00:16:18,470 --> 00:16:16,529

the list when stuff comes to me I'll

389

00:16:20,329 --> 00:16:18,480

throw it in there and put up a link or

390

00:16:22,490 --> 00:16:20,339

whatever but um yeah if anyone's

391

00:16:25,069 --> 00:16:22,500

interested again rogue planet TB you've

392

00:16:27,769 --> 00:16:25,079

got a whole list X Files is on there of

393

00:16:30,949 --> 00:16:27,779

course our mutual friend Bryce Abel show

394

00:16:33,110 --> 00:16:30,959

dark skies is not streaming but you know

395

00:16:35,689 --> 00:16:33,120

there's ways I'm not going to say how to

396

00:16:38,960 --> 00:16:35,699

watch it but you can also purchase the

397

00:16:41,210 --> 00:16:38,970

DVD set on Amazon it's pretty cheap from

398

00:16:43,009 --> 00:16:41,220

what I remember but there's we should

399

00:16:45,199 --> 00:16:43,019

talk Bryce into doing is doing some sort

400

00:16:48,019 --> 00:16:45,209

of like watch party or something yeah

401
00:16:51,680 --> 00:16:48,029
that's a great idea I kept in showing it

402
00:16:53,210 --> 00:16:51,690
and commenting on it that'd be super fun

403
00:16:55,430 --> 00:16:53,220
I know David O'Leary with Project Blue

404
00:16:57,860 --> 00:16:55,440
Book was live tweeting as the show was

405
00:16:59,360 --> 00:16:57,870
going so yeah maybe we should get Bryce

406
00:17:02,600 --> 00:16:59,370
to do that kind of like a play-by-play

407
00:17:05,390 --> 00:17:02,610
because it was a heavy heavy production

408
00:17:08,149 --> 00:17:05,400
show I mean we're talking like a period

409
00:17:10,399 --> 00:17:08,159
piece and the costumes were amazing the

410
00:17:13,010 --> 00:17:10,409
sets and locations were incredible

411
00:17:15,919 --> 00:17:13,020
I know NBC pumped a lot of money into it

412
00:17:18,620 --> 00:17:15,929
back when it first aired so definitely

413
00:17:20,569 --> 00:17:18,630

go check out that list there's a new one

414

00:17:22,250 --> 00:17:20,579

that I've been watching that my

415

00:17:23,630 --> 00:17:22,260

girlfriend actually brought to my

416

00:17:25,970 --> 00:17:23,640

attention that I'd never heard of this

417

00:17:30,110 --> 00:17:25,980

is on Disney Plus it's called so weird

418

00:17:33,919 --> 00:17:30,120

and it's like a a version of The X Files

419

00:17:35,750 --> 00:17:33,929

but for for kids and that does not take

420

00:17:37,549 --> 00:17:35,760

away from how good the show is it's

421

00:17:39,289 --> 00:17:37,559

corny it's a little kitschy but it's

422

00:17:42,320 --> 00:17:39,299

about this young girl named fille who

423

00:17:43,880 --> 00:17:42,330

runs a paranormal website and she's on

424

00:17:46,250 --> 00:17:43,890

the road with her mom who's like a rock

425

00:17:49,250 --> 00:17:46,260

star so her mom is traveling the country

426

00:17:51,980 --> 00:17:49,260

and fees with her and every town they

427

00:17:53,500 --> 00:17:51,990

stop and she is investigating some sort

428

00:17:58,730 --> 00:17:53,510

of paranormal activity

429

00:18:01,340 --> 00:17:58,740

everything from UFOs to ghosts to to the

430

00:18:04,039 --> 00:18:01,350

Marfa lights and everything in between

431

00:18:05,930 --> 00:18:04,049

Bigfoot there's a good Bigfoot up it's

432

00:18:08,149 --> 00:18:05,940

super cool man and this is like at the

433

00:18:08,600 --> 00:18:08,159

advent of the Internet so you've got her

434

00:18:12,080 --> 00:18:08,610

sir

435

00:18:14,330 --> 00:18:12,090

dealing with early um forums in like you

436

00:18:16,880 --> 00:18:14,340

know Facebook enough Facebook whoa

437

00:18:18,770 --> 00:18:16,890

Facebook wait after that um chat rooms

438

00:18:21,890 --> 00:18:18,780

and all that good stuff and it's

439

00:18:23,900 --> 00:18:21,900

actually a really good show so if anyone

440

00:18:26,330 --> 00:18:23,910

nice Nizhny plus go check out so weird

441

00:18:28,280 --> 00:18:26,340

I'm I'm just in love with this show

442

00:18:30,230 --> 00:18:28,290

right now we're watching at least one a

443

00:18:34,520 --> 00:18:30,240

night and there's three seasons I think

444

00:18:36,650 --> 00:18:34,530

so yeah that was a good one for sure but

445

00:18:39,710 --> 00:18:36,660

yeah let's see what else I got here in

446

00:18:44,419 --> 00:18:39,720

terms of talking shop Oh

447

00:18:47,330 --> 00:18:44,429

in terms of podcast content Jason um you

448

00:18:50,150 --> 00:18:47,340

did some really cool solo shows over at

449

00:18:52,640 --> 00:18:50,160

the unknown podcast through broke planet

450

00:18:54,890 --> 00:18:52,650

in a couple um I just listened to you

451
00:18:56,930 --> 00:18:54,900
recently and the first one I wanted to

452
00:18:59,510 --> 00:18:56,940
talk to you about is alien life on Mars

453
00:19:02,210 --> 00:18:59,520
no I know this is a topic that is near

454
00:19:04,370 --> 00:19:02,220
and dear to your heart any time we talk

455
00:19:07,039 --> 00:19:04,380
about life on Mars your ears and eyes

456
00:19:09,230 --> 00:19:07,049
just perk up so um yeah give it to us

457
00:19:10,880 --> 00:19:09,240
what was this episode about and is there

458
00:19:13,909 --> 00:19:10,890
anything you can share with us about it

459
00:19:17,510 --> 00:19:13,919
so really the episode just kind of gives

460
00:19:20,740 --> 00:19:17,520
a very brief overview of a couple of

461
00:19:25,130 --> 00:19:20,750
highlights from you know over the years

462
00:19:27,350 --> 00:19:25,140
historically looking at what various

463
00:19:29,770 --> 00:19:27,360

scientists thought when they were

464

00:19:33,220 --> 00:19:29,780

looking at the red planet you know from

465

00:19:36,280 --> 00:19:33,230

first of all Lowell thinking that he saw

466

00:19:39,350 --> 00:19:36,290

artificial canals on Mars

467

00:19:41,900 --> 00:19:39,360

you know HG Welles War of the Worlds you

468

00:19:47,049 --> 00:19:41,910

know back in 1896 or whenever that was

469

00:19:50,030 --> 00:19:47,059

you know that making everybody scared of

470

00:19:52,789 --> 00:19:50,040

Martian invasion you know the the

471

00:19:54,560 --> 00:19:52,799

thought of life on Mars has been around

472

00:19:56,480 --> 00:19:54,570

for a while but scientists have

473

00:19:58,370 --> 00:19:56,490

certainly been looking at that and and

474

00:20:00,530 --> 00:19:58,380

assuming that that's the case for a

475

00:20:02,900 --> 00:20:00,540

while but you know when our technology

476
00:20:04,820 --> 00:20:02,910
got better and our telescopes got better

477
00:20:07,310 --> 00:20:04,830
and we actually went to Mars some of

478
00:20:09,350 --> 00:20:07,320
those things started going away but not

479
00:20:12,350 --> 00:20:09,360
completely they're still scientists and

480
00:20:15,380 --> 00:20:12,360
and many missions that support the idea

481
00:20:17,810 --> 00:20:15,390
that life has been there and may still

482
00:20:20,180 --> 00:20:17,820
be there whether we're talking about

483
00:20:22,490 --> 00:20:20,190
intelligent life or not that's that's

484
00:20:25,399 --> 00:20:22,500
another issue but talking this

485
00:20:28,970 --> 00:20:25,409
about microbial life you know it's still

486
00:20:32,180 --> 00:20:28,980
mainstream sciences notion that no there

487
00:20:34,399 --> 00:20:32,190
is not life on Mars however NASA

488
00:20:36,620 --> 00:20:34,409

missions are pointed to you by some

489

00:20:39,110 --> 00:20:36,630

scientists saying that NASA missions on

490

00:20:43,190 --> 00:20:39,120

Mars have indeed discovered microbial

491

00:20:45,740 --> 00:20:43,200

extraterrestrial life and I recently

492

00:20:48,200 --> 00:20:45,750

posted a photo on social media I'm

493

00:20:50,450 --> 00:20:48,210

posting everyday at trying to every day

494

00:20:53,120 --> 00:20:50,460

post a photo from something related to

495

00:20:56,289 --> 00:20:53,130

my UFO career and I posted a photo of

496

00:21:00,200 --> 00:20:56,299

Richard Hoover Richard Hoover is career

497

00:21:01,970 --> 00:21:00,210

astrobiologists who spent decades as an

498

00:21:04,909 --> 00:21:01,980

astrobiologist he still is he's still a

499

00:21:07,850 --> 00:21:04,919

professor but astrobiologists who

500

00:21:09,590 --> 00:21:07,860

started NASA's astrobiology program so

501
00:21:12,320 --> 00:21:09,600
the dude knows his stuff when it comes

502
00:21:14,140 --> 00:21:12,330
to astrobiology and you know he's

503
00:21:17,000 --> 00:21:14,150
publicly stated many times and written

504
00:21:18,740 --> 00:21:17,010
peer-reviewed papers asserting that we

505
00:21:22,399 --> 00:21:18,750
found extraterrestrial life both in

506
00:21:25,640 --> 00:21:22,409
meteorites here on earth and fossilized

507
00:21:28,610 --> 00:21:25,650
microbes on Mars so that's fascinating

508
00:21:30,770 --> 00:21:28,620
stuff you know of course any time

509
00:21:32,720 --> 00:21:30,780
somebody makes a claim like that people

510
00:21:34,820 --> 00:21:32,730
in the scientific community typically

511
00:21:36,289 --> 00:21:34,830
like to say oh yeah the guy's crazy

512
00:21:37,880 --> 00:21:36,299
doesn't know what he's talking about I

513
00:21:39,919 --> 00:21:37,890

was just gonna ask you that I mean when

514

00:21:42,710 --> 00:21:39,929

a paper or a claim comes out like that

515

00:21:45,590 --> 00:21:42,720

without peer review I mean it's just one

516

00:21:48,080 --> 00:21:45,600

man's word but I wanted to ask you now

517

00:21:50,510 --> 00:21:48,090

how that reaction happens though you

518

00:21:53,180 --> 00:21:50,520

know that this person can be a leader in

519

00:21:56,390 --> 00:21:53,190

their field and somebody who spent you

520

00:21:59,810 --> 00:21:56,400

know 40 years or whatever as a leading

521

00:22:01,580 --> 00:21:59,820

astrobiologists that is their field that

522

00:22:03,260 --> 00:22:01,590

is what they know this isn't something

523

00:22:04,399 --> 00:22:03,270

that they just researched for a little

524

00:22:06,260 --> 00:22:04,409

bit on the internet and they've been

525

00:22:08,810 --> 00:22:06,270

doing this for a couple months first guy

526

00:22:12,649 --> 00:22:08,820

had his entire career devoted to this he

527

00:22:15,950 --> 00:22:12,659

knows what fossilized life looks like

528

00:22:17,840 --> 00:22:15,960

and so as soon as he makes a claim and

529

00:22:18,980 --> 00:22:17,850

people say oh the guy doesn't know what

530

00:22:22,039 --> 00:22:18,990

he's talking about

531

00:22:23,930 --> 00:22:22,049

you know I mean maybe maybe he's crazy

532

00:22:27,049 --> 00:22:23,940

you know that's always a possibility it

533

00:22:29,330 --> 00:22:27,059

gets lost it but on the other hand here

534

00:22:31,789 --> 00:22:29,340

is a guy who is a leader in his field

535

00:22:32,990 --> 00:22:31,799

has done this his entire life kind of

536

00:22:35,180 --> 00:22:33,000

knows what he's talking about

537

00:22:36,110 --> 00:22:35,190

so you know those kind of things make me

538

00:22:38,870 --> 00:22:36,120

perk up

539

00:22:41,960 --> 00:22:38,880

listen and pay attention when experts

540

00:22:44,360 --> 00:22:41,970

like that because he is an expert you

541

00:22:46,610 --> 00:22:44,370

know make a claim like that yeah yeah I

542

00:22:49,040 --> 00:22:46,620

mean and we both met him too he

543

00:22:50,810 --> 00:22:49,050

absolutely I would I'd like to thank you

544

00:22:53,840 --> 00:22:50,820

and I are a good judge of character but

545

00:22:56,180 --> 00:22:53,850

you know who are we to truly say but in

546

00:22:58,820 --> 00:22:56,190

terms of meeting him and hearing him out

547

00:23:01,340 --> 00:22:58,830

and seeing how genuine he was about

548

00:23:02,540 --> 00:23:01,350

everything I mean I have no choice but

549

00:23:05,540 --> 00:23:02,550

to at least entertain the possibility

550

00:23:07,820 --> 00:23:05,550

that he's telling the truth I mean he's

551
00:23:10,220 --> 00:23:07,830
got a lot to lose by coming forward and

552
00:23:12,920 --> 00:23:10,230
saying things like this look at how the

553
00:23:15,590 --> 00:23:12,930
scientist and that's what he's basing

554
00:23:17,690 --> 00:23:15,600
this on is science and his career as an

555
00:23:20,570 --> 00:23:17,700
astrobiologist so right you know you

556
00:23:22,310 --> 00:23:20,580
have to consider that okay also in the

557
00:23:23,420 --> 00:23:22,320
podcast they talk about when my favorite

558
00:23:26,480 --> 00:23:23,430
things to talk about when talking about

559
00:23:29,840 --> 00:23:26,490
extraterrestrial life and habitability

560
00:23:32,510 --> 00:23:29,850
on other worlds is lava tubes these

561
00:23:35,270 --> 00:23:32,520
caves that exist on both the Moon and

562
00:23:37,700 --> 00:23:35,280
Mars and they are the most likely place

563
00:23:39,590 --> 00:23:37,710

for life to exist on both of those

564

00:23:41,180 --> 00:23:39,600

worlds because they're shielded from

565

00:23:44,480 --> 00:23:41,190

harsh elements like radiation and things

566

00:23:47,600 --> 00:23:44,490

like that and they conceivably provide a

567

00:23:49,790 --> 00:23:47,610

suitable habitat for certainly microbial

568

00:23:52,970 --> 00:23:49,800

life and possibly even life like us I

569

00:23:54,980 --> 00:23:52,980

mean NASA and other space organizations

570

00:23:57,320 --> 00:23:54,990

have explored these lava tubes as

571

00:24:00,020 --> 00:23:57,330

possible places for us to go for humans

572

00:24:02,030 --> 00:24:00,030

when we do man missions on these bodies

573

00:24:04,700 --> 00:24:02,040

to be able to go down in there and build

574

00:24:07,940 --> 00:24:04,710

habitats because we'd be shielded from

575

00:24:11,240 --> 00:24:07,950

everything and it's a perfect like cave

576
00:24:14,720 --> 00:24:11,250
world yeah yeah that is pretty cool um

577
00:24:15,880 --> 00:24:14,730
well I mean have we heard anything I

578
00:24:20,060 --> 00:24:15,890
don't know if you've been following

579
00:24:22,370 --> 00:24:20,070
space news in terms of NASA how are they

580
00:24:24,140 --> 00:24:22,380
been affected by everything that's going

581
00:24:26,660 --> 00:24:24,150
on in the world right now I mean do

582
00:24:28,580 --> 00:24:26,670
missions continue I mean I know we have

583
00:24:31,130 --> 00:24:28,590
satellites out there we've got the

584
00:24:33,380 --> 00:24:31,140
International Space Station so like

585
00:24:35,780 --> 00:24:33,390
what's going on with all that I wonder

586
00:24:37,280 --> 00:24:35,790
in terms of all this space stuff is

587
00:24:39,170 --> 00:24:37,290
still going on I mean it's it's hugely

588
00:24:42,410 --> 00:24:39,180

impacted like you said a lot of the you

589

00:24:44,270 --> 00:24:42,420

know rocket scientists and stuff we're

590

00:24:45,620 --> 00:24:44,280

working from home I hope a lot of them

591

00:24:48,740 --> 00:24:45,630

build rockets in their garage because

592

00:24:50,000 --> 00:24:48,750

that would be awesome but yeah I know

593

00:24:51,380 --> 00:24:50,010

it's all impacted right

594

00:24:55,130 --> 00:24:51,390

now the space missions are still

595

00:24:56,750 --> 00:24:55,140

happening I don't know how and what the

596

00:24:58,520 --> 00:24:56,760

regulations are on it

597

00:25:00,620 --> 00:24:58,530

you know what's delaying it but I know

598

00:25:02,300 --> 00:25:00,630

SpaceX is still launching stuff I know

599

00:25:03,680 --> 00:25:02,310

the space force is getting ready to

600

00:25:05,420 --> 00:25:03,690

launch its first satellite into orbit

601
00:25:08,420 --> 00:25:05,430
and I think that's happening this week

602
00:25:10,850 --> 00:25:08,430
or next week so it's still happening

603
00:25:12,830 --> 00:25:10,860
yeah yeah I know I know it is

604
00:25:17,270 --> 00:25:12,840
tremendously impacted right now I know

605
00:25:21,470 --> 00:25:17,280
the two trillion dollar stimulus relief

606
00:25:23,090 --> 00:25:21,480
bill includes money for NASA so hey they

607
00:25:25,670 --> 00:25:23,100
could take my twelve hundred bucks or

608
00:25:28,550 --> 00:25:25,680
whatever it is you know if it's gonna

609
00:25:30,740 --> 00:25:28,560
mean that we can go live on Mars and get

610
00:25:35,090 --> 00:25:30,750
past this pandemic that I'm all for it I

611
00:25:37,610 --> 00:25:35,100
guess I love space exploration yeah yeah

612
00:25:40,160 --> 00:25:37,620
awesome well the next episode I wanted

613
00:25:42,830 --> 00:25:40,170

to cover with you Jason is the Canary

614

00:25:45,020 --> 00:25:42,840

Island Matthew fo7 I never heard of this

615

00:25:47,330 --> 00:25:45,030

one before so I don't know how that

616

00:25:49,520 --> 00:25:47,340

happened but yeah would you mind maybe

617

00:25:50,530 --> 00:25:49,530

giving us a brief synopsis of what this

618

00:25:54,740 --> 00:25:50,540

is about

619

00:25:56,630 --> 00:25:54,750

well this one is interesting and you

620

00:26:00,370 --> 00:25:56,640

know I hope people go and listen to the

621

00:26:08,050 --> 00:26:05,720

something that was included as a you

622

00:26:10,160 --> 00:26:08,060

know some of the best ask UFO evidence

623

00:26:15,130 --> 00:26:10,170

there is I mean we're talking about

624

00:26:19,670 --> 00:26:15,140

something that so Laurance Rockefeller

625

00:26:22,040 --> 00:26:19,680

funded a report basically that was sent

626
00:26:25,010 --> 00:26:22,050
to the White House and sent to members

627
00:26:29,480 --> 00:26:25,020
of Congress and I know a lot of new

628
00:26:31,190 --> 00:26:29,490
people to the UFO study of UFOs will you

629
00:26:32,840 --> 00:26:31,200
know be surprised by that because

630
00:26:36,230 --> 00:26:32,850
everybody's thinking that right now with

631
00:26:39,620 --> 00:26:36,240
a tip and and you know the Nimitz case

632
00:26:41,440 --> 00:26:39,630
and getting Congress members to you know

633
00:26:44,600 --> 00:26:41,450
pay attention to UFOs for the first time

634
00:26:45,710 --> 00:26:44,610
it's not actually the case I mean this

635
00:26:48,410 --> 00:26:45,720
has happened many times throughout

636
00:26:50,810 --> 00:26:48,420
history where information like this has

637
00:26:52,490 --> 00:26:50,820
been sent to to members of Congress has

638
00:26:55,490 --> 00:26:52,500

been sent to members of the White House

639

00:26:58,850 --> 00:26:55,500

and Laurance Rockefeller big money man

640

00:27:01,850 --> 00:26:58,860

big philanthropist a lot of money back

641

00:27:03,500 --> 00:27:01,860

in the day for UFO related research and

642

00:27:06,200 --> 00:27:03,510

one of the things he funded

643

00:27:07,970 --> 00:27:06,210

this report that was sent out it's

644

00:27:09,560 --> 00:27:07,980

called the unidentified flying objects

645

00:27:13,790 --> 00:27:09,570

briefing document the best available

646

00:27:15,470 --> 00:27:13,800

evidence and it included this case that

647

00:27:18,770 --> 00:27:15,480

you mentioned that it covered in the

648

00:27:20,750 --> 00:27:18,780

podcast episode happened in 1976 and

649

00:27:25,340 --> 00:27:20,760

this was on the Spanish Canary Islands

650

00:27:28,610 --> 00:27:25,350

it was basically a luminous phenomenon

651
00:27:30,920 --> 00:27:28,620
that happened big big bright light it

652
00:27:34,580 --> 00:27:30,930
was seen by thousands of people on three

653
00:27:37,340 --> 00:27:34,590
different islands and the Air Force the

654
00:27:40,430 --> 00:27:37,350
Spanish Air Force conducted an official

655
00:27:42,290 --> 00:27:40,440
investigation and it's so cool going

656
00:27:46,100 --> 00:27:42,300
through see how they did their

657
00:27:48,590 --> 00:27:46,110
investigation because the we're really

658
00:27:51,470 --> 00:27:48,600
responsible in sort of coming up with a

659
00:27:54,880 --> 00:27:51,480
system of grouping witnesses into

660
00:27:58,520 --> 00:27:54,890
different categories of what would

661
00:28:00,740 --> 00:27:58,530
typically be be considered more credible

662
00:28:05,240 --> 00:28:00,750
you know they put people like doctors

663
00:28:08,630 --> 00:28:05,250

and the more terrible category or any

664

00:28:10,550 --> 00:28:08,640

law enforcement mental institution I

665

00:28:12,700 --> 00:28:10,560

don't know but yeah needed people and

666

00:28:15,920 --> 00:28:12,710

and you know gave gave their testimony

667

00:28:19,280 --> 00:28:15,930

more credence depending on their level

668

00:28:24,280 --> 00:28:19,290

of credibility so these were really

669

00:28:26,510 --> 00:28:24,290

credible people backing up this weird

670

00:28:29,390 --> 00:28:26,520

bright lights in the sky but people had

671

00:28:31,700 --> 00:28:29,400

different experiences that night and one

672

00:28:34,430 --> 00:28:31,710

of the weirdest was a doctor who said he

673

00:28:35,870 --> 00:28:34,440

saw a craft and insightly was like in

674

00:28:38,060 --> 00:28:35,880

front of him and so big that he could

675

00:28:41,980 --> 00:28:38,070

see like a control panel and see like

676
00:28:45,230 --> 00:28:41,990
humanoid figures inside this craft how

677
00:28:47,120 --> 00:28:45,240
thousands of people saw this it was you

678
00:28:48,200 --> 00:28:47,130
know a military investigation and I love

679
00:28:51,200 --> 00:28:48,210
cases that involve

680
00:28:53,960 --> 00:28:51,210
military investigations yeah yeah I mean

681
00:28:56,210 --> 00:28:53,970
that's where it's at I mean in terms of

682
00:28:59,090 --> 00:28:56,220
legitimacy and documentation that's

683
00:29:01,250 --> 00:28:59,100
where we're gonna get it we've got a ton

684
00:29:04,340 --> 00:29:01,260
of project Bluebook cases to look at but

685
00:29:06,170 --> 00:29:04,350
when it comes to you know the Navy

686
00:29:08,240 --> 00:29:06,180
reporting stuff that's where we're

687
00:29:11,810 --> 00:29:08,250
getting all the videos nowadays so I

688
00:29:13,970 --> 00:29:11,820

understand why I think everyone's

689

00:29:16,400 --> 00:29:13,980

focusing on military UFO encounters

690

00:29:17,299 --> 00:29:16,410

right now it's because that's what's out

691

00:29:19,759 --> 00:29:17,309

there and those

692

00:29:23,090 --> 00:29:19,769

the people talking about it so if it's a

693

00:29:26,570 --> 00:29:23,100

threat to national security like certain

694

00:29:28,999 --> 00:29:26,580

organizations are saying then yeah I

695

00:29:31,460 --> 00:29:29,009

guess we should look at it but um we

696

00:29:33,850 --> 00:29:31,470

both know that these things have effects

697

00:29:36,739 --> 00:29:33,860

on more than just the military and so

698

00:29:40,340 --> 00:29:36,749

many cases where people have had

699

00:29:44,119 --> 00:29:40,350

physical effects after a UFO sighting

700

00:29:46,700 --> 00:29:44,129

whether it's radiation or you know loss

701
00:29:49,519 --> 00:29:46,710
of hair or like everything you can think

702
00:29:50,299 --> 00:29:49,529
of scorch marks on their bodies it's

703
00:29:53,779 --> 00:29:50,309
pretty crazy

704
00:29:56,269 --> 00:29:53,789
yeah yeah I remember reading a massive

705
00:29:59,269 --> 00:29:56,279
article recently about the physical

706
00:30:01,009 --> 00:29:59,279
effects on humans from UFOs and then we

707
00:30:03,499 --> 00:30:01,019
came to find out that this is something

708
00:30:05,659 --> 00:30:03,509
that a tip the program actually looked

709
00:30:08,210 --> 00:30:05,669
at so that's that's pretty interesting

710
00:30:10,070 --> 00:30:08,220
in my opinion for sure on that topic you

711
00:30:13,310 --> 00:30:10,080
know of course I always recommend that

712
00:30:15,259 --> 00:30:13,320
people look into the Caloris case yeah

713
00:30:17,749 --> 00:30:15,269

Island and that's one above Bigelow's

714

00:30:19,940 --> 00:30:17,759

favorites just so you know but the

715

00:30:23,269 --> 00:30:19,950

Caloris you know you talk about about

716

00:30:26,119 --> 00:30:23,279

physical you know evidence physical

717

00:30:28,759 --> 00:30:26,129

contact physical harm caused by UFOs

718

00:30:31,450 --> 00:30:28,769

that case is fascinating and that case

719

00:30:34,399 --> 00:30:31,460

investigated by the military Oh daddy

720

00:30:37,639 --> 00:30:34,409

well then we move on to pilots

721

00:30:39,440 --> 00:30:37,649

encountering UFOs over Portugal can you

722

00:30:42,739 --> 00:30:39,450

tell us a little about this group okay

723

00:30:45,230 --> 00:30:42,749

so again pilots we love the cases that

724

00:30:47,269 --> 00:30:45,240

have pilots right because pilots are in

725

00:30:49,039 --> 00:30:47,279

the air so they're they're used to

726

00:30:51,560 --> 00:30:49,049

seeing the things that are normally in

727

00:30:54,560 --> 00:30:51,570

the air and when something is in the air

728

00:30:55,669 --> 00:30:54,570

with them that behaves differently or

729

00:30:57,830 --> 00:30:55,679

doesn't look like what they're used to

730

00:31:02,119 --> 00:30:57,840

seeing it sort of sets off alarms for

731

00:31:05,450 --> 00:31:02,129

them and you know their their testimony

732

00:31:07,639 --> 00:31:05,460

their recounting what happens to them is

733

00:31:10,039 --> 00:31:07,649

always fascinating to listen to you and

734

00:31:12,139 --> 00:31:10,049

in this episode I covered a couple

735

00:31:16,460 --> 00:31:12,149

different incidents that happen one

736

00:31:18,080 --> 00:31:16,470

going all the way back to 1957 but you

737

00:31:22,249 --> 00:31:18,090

know these were military people taking

738

00:31:25,940 --> 00:31:22,259

off from the Portuguese Air Force flying

739

00:31:29,029 --> 00:31:25,950

and encountering multiple UFOs and this

740

00:31:31,640 --> 00:31:29,039

is you know an encounter that we hear

741

00:31:33,860 --> 00:31:31,650

quite quite regularly

742

00:31:35,630 --> 00:31:33,870

you know where you have what people like

743

00:31:38,510 --> 00:31:35,640

to call a mothership basically a larger

744

00:31:41,000 --> 00:31:38,520

object and then at some point during the

745

00:31:43,670 --> 00:31:41,010

encounter smaller objects seemingly

746

00:31:48,560 --> 00:31:43,680

emerge from that that initially sighted

747

00:31:50,210 --> 00:31:48,570

object and then perform what seemed to

748

00:31:53,170 --> 00:31:50,220

be incredible maneuvers

749

00:31:56,330 --> 00:31:53,180

you know performing incredible speeds

750

00:32:00,340 --> 00:31:56,340

hovering and then shooting out of sight

751
00:32:03,560 --> 00:32:00,350
and that's what these guys saw and there

752
00:32:05,960 --> 00:32:03,570
was another incident with a plane that

753
00:32:09,460 --> 00:32:05,970
flew out of the same airbase but this

754
00:32:11,720 --> 00:32:09,470
was in 1982 so many years later and

755
00:32:15,260 --> 00:32:11,730
pilot encountered you know another

756
00:32:18,440 --> 00:32:15,270
object that performed incredible

757
00:32:20,620 --> 00:32:18,450
maneuvers seemingly impossible going

758
00:32:22,790 --> 00:32:20,630
faster than then this guy could go

759
00:32:27,110 --> 00:32:22,800
hovering over him and shooting off out

760
00:32:29,590 --> 00:32:27,120
of sight and fortunately for him the Air

761
00:32:32,090 --> 00:32:29,600
Force wanted to investigate it because

762
00:32:35,660 --> 00:32:32,100
the person in charge of the

763
00:32:38,990 --> 00:32:35,670

investigations was the captain from the

764

00:32:41,450 --> 00:32:39,000

1957 sighting really he had an ally on

765

00:32:43,040 --> 00:32:41,460

the inside who took the UFO seriously

766

00:32:45,350 --> 00:32:43,050

because of what he experienced back in

767

00:32:47,630 --> 00:32:45,360

1957 and he said yes we're going to

768

00:32:49,300 --> 00:32:47,640

investigate this was taken very

769

00:32:52,820 --> 00:32:49,310

seriously by the Portuguese Air Force

770

00:32:55,790 --> 00:32:52,830

they never identified or solved either

771

00:32:59,840 --> 00:32:55,800

of these these instances but you know

772

00:33:02,630 --> 00:32:59,850

the the chief of staff there took UFOs

773

00:33:05,240 --> 00:33:02,640

very seriously yeah yeah we do know that

774

00:33:07,250 --> 00:33:05,250

a lot of other places in the world UFOs

775

00:33:10,250 --> 00:33:07,260

are taking a lot more seriously by the

776

00:33:12,560 --> 00:33:10,260

government in the military and they

777

00:33:15,050 --> 00:33:12,570

actually accept it and investigate it

778

00:33:16,640 --> 00:33:15,060

whereas we either did it in secret here

779

00:33:19,220 --> 00:33:16,650

in the United States or we just flat-out

780

00:33:21,380 --> 00:33:19,230

denied it as a legitimate phenomenon so

781

00:33:24,590 --> 00:33:21,390

it's good to hear that other countries

782

00:33:26,990 --> 00:33:24,600

are taking it seriously and the that

783

00:33:30,230 --> 00:33:27,000

case actually reminds me a lot of the

784

00:33:32,900 --> 00:33:30,240

Tehran incident 76 I mean you have this

785

00:33:36,380 --> 00:33:32,910

massive object where other smaller

786

00:33:40,190 --> 00:33:36,390

objects came out of it went towards

787

00:33:42,170 --> 00:33:40,200

these pilots these fighter jets had sort

788

00:33:44,080 --> 00:33:42,180

of a dogfight and then reattached to the

789

00:33:46,659 --> 00:33:44,090

main object so I'm

790

00:33:49,899 --> 00:33:46,669

I mean what is that are these like sort

791

00:33:52,570 --> 00:33:49,909

of like drone technology within a huge

792

00:33:55,269 --> 00:33:52,580

mother ship of some sort um I don't know

793

00:33:57,820 --> 00:33:55,279

but it is fascinating that a lot of the

794

00:33:59,350 --> 00:33:57,830

reports sort of lean that way even going

795

00:34:03,039 --> 00:33:59,360

all the way up to the Nimitz event of

796

00:34:05,740 --> 00:34:03,049

what was it 2004 right yeah I mean we've

797

00:34:07,659 --> 00:34:05,750

got the tick tack and we're told there

798

00:34:10,450 --> 00:34:07,669

were tons of these things not just the

799

00:34:13,000 --> 00:34:10,460

one we see in the the camera footage and

800

00:34:17,169 --> 00:34:13,010

that they came from something massive

801
00:34:19,810 --> 00:34:17,179
down in the water so what is going on

802
00:34:23,109 --> 00:34:19,820
with UFOs in terms of like smaller

803
00:34:25,240 --> 00:34:23,119
object objects dislodging and then doing

804
00:34:27,940 --> 00:34:25,250
the business and then going back to the

805
00:34:29,530 --> 00:34:27,950
the big one I don't know but that's what

806
00:34:32,320 --> 00:34:29,540
we're hearing from all of these pilots

807
00:34:36,369 --> 00:34:32,330
and the cool thing about the the Canary

808
00:34:38,800 --> 00:34:36,379
Islands case is you know it's it's just

809
00:34:43,149 --> 00:34:38,810
one example that's it's sort of similar

810
00:34:50,230 --> 00:34:43,159
to you know talking about Nimitz in that

811
00:34:52,089 --> 00:34:50,240
an entire entire military ship everybody

812
00:34:55,930 --> 00:34:52,099
on the ship all of these military

813
00:34:57,640 --> 00:34:55,940

personnel witnessed the whatever it was

814

00:35:00,160 --> 00:34:57,650

in the sky as well you have lots of

815

00:35:01,780 --> 00:35:00,170

military witnesses combined with these

816

00:35:04,270 --> 00:35:01,790

thousands of residents from the Canary

817

00:35:05,800 --> 00:35:04,280

Islands who witnessed up right right

818

00:35:07,470 --> 00:35:05,810

yeah so I mean we're not just talking

819

00:35:10,060 --> 00:35:07,480

the pilots you know we're talking about

820

00:35:11,980 --> 00:35:10,070

hundreds of people seeing these and you

821

00:35:13,900 --> 00:35:11,990

know video is one thing but then when

822

00:35:15,940 --> 00:35:13,910

you actually get the testimony of the

823

00:35:17,620 --> 00:35:15,950

radar operator or the personnel on the

824

00:35:21,310 --> 00:35:17,630

deck like that's what we can really

825

00:35:23,589 --> 00:35:21,320

start to formulate a timeline and a

826

00:35:26,650 --> 00:35:23,599

solid case because without it we've just

827

00:35:28,300 --> 00:35:26,660

got a 20 second video with no context so

828

00:35:31,690 --> 00:35:28,310

yeah that's what I love witness

829

00:35:34,720 --> 00:35:31,700

testimony so much well speaking of that

830

00:35:38,960 --> 00:35:34,730

I got to ask you Jason um besides what

831

00:35:45,890 --> 00:35:42,220

is there that one case that you turn to

832

00:35:48,349 --> 00:35:45,900

when a skeptic comes to you or someone

833

00:35:50,660 --> 00:35:48,359

who doesn't think or talk about UFOs on

834

00:35:52,849 --> 00:35:50,670

a daily basis like we do is there one

835

00:35:55,730 --> 00:35:52,859

case that you turn them to to say look

836

00:35:57,440 --> 00:35:55,740

if you really want to know and you want

837

00:36:01,609 --> 00:35:57,450

the most convincing evidence like this

838

00:36:04,210 --> 00:36:01,619

is what I go to anything well it's

839

00:36:06,589 --> 00:36:04,220

interesting because definitely right now

840

00:36:09,200 --> 00:36:06,599

if I'm talking to somebody from the

841

00:36:12,290 --> 00:36:09,210

general public the recent military

842

00:36:14,450 --> 00:36:12,300

encounters have given us exactly what I

843

00:36:17,270 --> 00:36:14,460

think people need you know it's a great

844

00:36:21,170 --> 00:36:17,280

introduction and something that is hard

845

00:36:24,620 --> 00:36:21,180

to deny when you can bring a present-day

846

00:36:27,410 --> 00:36:24,630

case to people and say look this just

847

00:36:29,060 --> 00:36:27,420

happened and it wasn't some weirdo in

848

00:36:31,160 --> 00:36:29,070

the middle of nowhere who saw it by

849

00:36:33,470 --> 00:36:31,170

himself and you know he has a history of

850

00:36:35,150 --> 00:36:33,480

mental illness and all these other

851

00:36:38,210 --> 00:36:35,160

things that people like to think is the

852

00:36:42,470 --> 00:36:38,220

the stereotypical UFO sighting this is a

853

00:36:45,320 --> 00:36:42,480

military case that was seen by military

854

00:36:46,570 --> 00:36:45,330

people and investigated by the military

855

00:36:49,400 --> 00:36:46,580

and the government

856

00:36:51,290 --> 00:36:49,410

and you've how all these different test

857

00:36:55,570 --> 00:36:51,300

people's testimony that you can you can

858

00:36:58,430 --> 00:36:55,580

go to and read you know you've got that

859

00:37:00,680 --> 00:36:58,440

that's easier for people to swallow and

860

00:37:02,630 --> 00:37:00,690

pay attention to in the general public

861

00:37:04,130 --> 00:37:02,640

be able to say wow really the military

862

00:37:06,980 --> 00:37:04,140

did that that's not just some conspiracy

863

00:37:08,870 --> 00:37:06,990

theory you know I can actually verify

864

00:37:11,980 --> 00:37:08,880

this the New York Times wrote about it

865

00:37:15,079 --> 00:37:11,990

really so you've got these things that

866

00:37:17,420 --> 00:37:15,089

you know are good enough for a lot of

867

00:37:21,290 --> 00:37:17,430

people to a paid to pay attention to as

868

00:37:23,930 --> 00:37:21,300

well as the military's public responses

869

00:37:27,349 --> 00:37:23,940

to these things saying that they are

870

00:37:30,050 --> 00:37:27,359

true unknowns and they've changed their

871

00:37:32,030 --> 00:37:30,060

reporting policies because they want you

872

00:37:35,180 --> 00:37:32,040

know their pilots to report UFOs and

873

00:37:38,180 --> 00:37:35,190

more you more pilots talking about yes

874

00:37:40,099 --> 00:37:38,190

we see UFOs all the time so that kind of

875

00:37:42,440 --> 00:37:40,109

thing is easier for the general public

876

00:37:44,930 --> 00:37:42,450

to to pay attention to you to swallow

877

00:37:48,410 --> 00:37:44,940

and say wow okay this isn't just some

878

00:37:51,740 --> 00:37:48,420

some ancient aliens TV show telling me

879

00:37:52,100 --> 00:37:51,750

this or some my crazy uncle talking

880

00:37:53,990 --> 00:37:52,110

about you

881

00:37:56,180 --> 00:37:54,000

because this is the government this is

882

00:37:57,620 --> 00:37:56,190

the US military talking about this and

883

00:37:59,000 --> 00:37:57,630

this is something that just happened

884

00:38:00,860 --> 00:37:59,010

we're not talking about something that

885

00:38:01,580 --> 00:38:00,870

happened all the way back in 1947 who

886

00:38:05,060 --> 00:38:01,590

cares about that

887

00:38:08,840 --> 00:38:05,070

so it's something current it's something

888

00:38:10,490 --> 00:38:08,850

that's official and so I mean that gave

889

00:38:12,920 --> 00:38:10,500

us everything that I think we could hope

890

00:38:16,700 --> 00:38:12,930

for in terms of turning people onto the

891

00:38:19,820 --> 00:38:16,710

subject to be able to see people want to

892

00:38:23,690 --> 00:38:19,830

let them you know recognize that yes

893

00:38:26,330 --> 00:38:23,700

UFOs are real yes the you of the the

894

00:38:28,100 --> 00:38:26,340

government acknowledges that there is

895

00:38:31,070 --> 00:38:28,110

stuff flying in our airspace that we

896

00:38:34,010 --> 00:38:31,080

can't identify really good point I mean

897

00:38:36,800 --> 00:38:34,020

for so long our government did not admit

898

00:38:39,200 --> 00:38:36,810

that UFOs existed but we have that now

899

00:38:41,810 --> 00:38:39,210

we have that by the Navy we have that by

900

00:38:44,540 --> 00:38:41,820

the Pentagon I think now we have to

901
00:38:45,230 --> 00:38:44,550
start asking the harder questions what

902
00:38:47,450 --> 00:38:45,240
are they

903
00:38:49,850 --> 00:38:47,460
who's in control of them what do they

904
00:38:51,980 --> 00:38:49,860
want and are they a danger and I

905
00:38:54,830 --> 00:38:51,990
remember speaking to Leslie Kane

906
00:38:58,910 --> 00:38:54,840
recently about this in terms of UFOs

907
00:39:01,940 --> 00:38:58,920
being a threat and why that's what we're

908
00:39:04,370 --> 00:39:01,950
hearing from the military and it the

909
00:39:06,290 --> 00:39:04,380
answer is actually pretty obvious the

910
00:39:09,320 --> 00:39:06,300
military's job is to defend our nation

911
00:39:12,410 --> 00:39:09,330
and that doesn't mean that these UFOs

912
00:39:15,190 --> 00:39:12,420
are here to harm us but we've got pilots

913
00:39:19,280 --> 00:39:15,200

up there trying to intercept them and

914

00:39:21,650 --> 00:39:19,290

some of them they can't or they're

915

00:39:24,290 --> 00:39:21,660

risking their lives to do it to even

916

00:39:25,850 --> 00:39:24,300

lock on these things I mean think if

917

00:39:28,190 --> 00:39:25,860

something happened with this tick-tack

918

00:39:31,220 --> 00:39:28,200

where one of the planes crashed into the

919

00:39:33,710 --> 00:39:31,230

ocean from following it or this Tehran

920

00:39:35,270 --> 00:39:33,720

incident of 76 I mean this thing had a

921

00:39:37,130 --> 00:39:35,280

lock on this pilot and could have killed

922

00:39:40,610 --> 00:39:37,140

him instantly and he risked his life

923

00:39:42,680 --> 00:39:40,620

doing a negative G nosedive to outrun it

924

00:39:45,650 --> 00:39:42,690

and he could have died so I think the

925

00:39:48,500 --> 00:39:45,660

threat comes more from our pilots and

926

00:39:50,420 --> 00:39:48,510

our military not knowing how to deal

927

00:39:54,470 --> 00:39:50,430

with these things my frustration with

928

00:39:56,690 --> 00:39:54,480

the military deeming UFOs a threat or

929

00:39:59,600 --> 00:39:56,700

not a threat you know like like they've

930

00:40:02,780 --> 00:39:59,610

done and like like the the UK government

931

00:40:04,730 --> 00:40:02,790

has done this is something that I think

932

00:40:05,780 --> 00:40:04,740

a lot of people fall into and it's

933

00:40:09,590 --> 00:40:05,790

dangerous when trying to

934

00:40:13,370 --> 00:40:09,600

you assess a threat not all UFOs are the

935

00:40:15,920 --> 00:40:13,380

same right just because you see this UFO

936

00:40:18,770 --> 00:40:15,930

and say that UFOs not a threat that

937

00:40:21,260 --> 00:40:18,780

doesn't mean all UFOs are not a threat

938

00:40:23,780 --> 00:40:21,270

yes right it's not a blanket thing all

939

00:40:25,220 --> 00:40:23,790

UFOs are not the same so that's

940

00:40:26,990 --> 00:40:25,230

something that's impossible to determine

941

00:40:29,900 --> 00:40:27,000

it's got to be done on a case-by-case

942

00:40:33,350 --> 00:40:29,910

basis right you can't identify the

943

00:40:35,210 --> 00:40:33,360

object it's obviously a threat until you

944

00:40:38,990 --> 00:40:35,220

can identify it determine what it is

945

00:40:40,370 --> 00:40:39,000

then you can cross it off but like like

946

00:40:43,640 --> 00:40:40,380

you've noted I mean we've had plenty of

947

00:40:44,570 --> 00:40:43,650

examples of UFOs engaging fighter jets

948

00:40:46,760 --> 00:40:44,580

and things like that

949

00:40:48,760 --> 00:40:46,770

we're they're not necessarily doing

950

00:40:50,510 --> 00:40:48,770

anything that's hostile they're not

951
00:40:54,770 --> 00:40:50,520
hurting anybody

952
00:40:56,930 --> 00:40:54,780
but we also have examples of you know

953
00:41:01,400 --> 00:40:56,940
pilots dying who are involved in these

954
00:41:05,600 --> 00:41:01,410
encounters with UFOs we have examples

955
00:41:07,850 --> 00:41:05,610
like Rendlesham forest or Caloris where

956
00:41:09,440 --> 00:41:07,860
we've got UFOs like shooting lasers down

957
00:41:11,750 --> 00:41:09,450
at the ground and in culeros like

958
00:41:13,460 --> 00:41:11,760
burning people's skin that's clearly a

959
00:41:16,400 --> 00:41:13,470
threat like what is that

960
00:41:18,920 --> 00:41:16,410
yeah so I mean that's the difficulty

961
00:41:21,260 --> 00:41:18,930
with UFOs every UFO is different every

962
00:41:23,300 --> 00:41:21,270
UFO case is different they're like

963
00:41:25,400 --> 00:41:23,310

snowflakes yeah everyone's different

964

00:41:28,400 --> 00:41:25,410

well I mean look at every different type

965

00:41:30,740 --> 00:41:28,410

of car out there every type of Cola I

966

00:41:34,010 --> 00:41:30,750

mean it makes sense that they would be

967

00:41:35,750 --> 00:41:34,020

built by different different people

968

00:41:38,150 --> 00:41:35,760

different races different intelligences

969

00:41:41,240 --> 00:41:38,160

so yeah we're talking about the entire

970

00:41:43,760 --> 00:41:41,250

the entire universe here right yes

971

00:41:46,190 --> 00:41:43,770

there'll even and beyond I love to do

972

00:41:48,650 --> 00:41:46,200

this is my favorite dumbing down to the

973

00:41:50,330 --> 00:41:48,660

very basic thing that we can we can wrap

974

00:41:52,160 --> 00:41:50,340

our heads around just to kind of grasp

975

00:41:55,610 --> 00:41:52,170

how different it would be and think

976

00:41:57,470 --> 00:41:55,620

about like a gas station and think of

977

00:42:00,440 --> 00:41:57,480

three different people going into that

978

00:42:02,150 --> 00:42:00,450

same gas station everybody going into

979

00:42:03,770 --> 00:42:02,160

the gas station or like a convenience

980

00:42:05,750 --> 00:42:03,780

store you know if that's easier a

981

00:42:07,280 --> 00:42:05,760

convenience store not everybody's going

982

00:42:09,500 --> 00:42:07,290

into the convenience store for the same

983

00:42:12,110 --> 00:42:09,510

reason one person could be going in

984

00:42:14,150 --> 00:42:12,120

because they want to buy a soda so that

985

00:42:15,590 --> 00:42:14,160

one person buys a soda another person

986

00:42:16,460 --> 00:42:15,600

could be going in because he wants to

987

00:42:18,260 --> 00:42:16,470

use the restroom

988

00:42:19,630 --> 00:42:18,270

another person could be going in because

989

00:42:21,940 --> 00:42:19,640

she plans to stick up the play

990

00:42:24,250 --> 00:42:21,950

and Robin everybody has different

991

00:42:26,020 --> 00:42:24,260

motives so what people always talk about

992

00:42:28,030 --> 00:42:26,030

like why are they here what are their

993

00:42:30,760 --> 00:42:28,040

motives you're talking about the entire

994

00:42:32,350 --> 00:42:30,770

universe here so if you we have you know

995

00:42:34,510 --> 00:42:32,360

a universe teeming with life an

996

00:42:36,790 --> 00:42:34,520

intelligent life all of those people you

997

00:42:38,920 --> 00:42:36,800

know they're gonna be different motives

998

00:42:41,560 --> 00:42:38,930

and different reasons for people and you

999

00:42:44,590 --> 00:42:41,570

know extraterrestrial civilizations

1000

00:42:46,630 --> 00:42:44,600

doing what they do yeah yeah well you

1001
00:42:48,970 --> 00:42:46,640
bring up a good case and I just want to

1002
00:42:51,940 --> 00:42:48,980
touch on it briefly because of physical

1003
00:42:56,230 --> 00:42:51,950
effects for anyone watching and who

1004
00:42:58,090 --> 00:42:56,240
isn't as steeped in this as we are the

1005
00:43:00,280 --> 00:42:58,100
Rendlesham case you brought up talk

1006
00:43:02,550 --> 00:43:00,290
about physical effects I mean we had

1007
00:43:06,300 --> 00:43:02,560
officers military officers on the ground

1008
00:43:09,610 --> 00:43:06,310
encounter a UFO and then have

1009
00:43:13,030 --> 00:43:09,620
life-threatening ailments afterwards

1010
00:43:16,000 --> 00:43:13,040
that were directly attributed to this

1011
00:43:19,240 --> 00:43:16,010
event I mean one guy in particular went

1012
00:43:21,490 --> 00:43:19,250
on to have a lawsuit with the VA to

1013
00:43:24,220 --> 00:43:21,500

cover his medical expenses because he

1014

00:43:28,090 --> 00:43:24,230

was literally dying and they were able

1015

00:43:30,190 --> 00:43:28,100

to deduce that his heart failure and the

1016

00:43:33,190 --> 00:43:30,200

surgery he needed and needed to be paid

1017

00:43:36,850 --> 00:43:33,200

for what's directly because of a UFO

1018

00:43:39,610 --> 00:43:36,860

event in 1980 he won the case and VA had

1019

00:43:42,160 --> 00:43:39,620

to admit that yes what happened to this

1020

00:43:44,020 --> 00:43:42,170

guy was because of whatever was in the

1021

00:43:46,180 --> 00:43:44,030

forest that night and we're gonna pay

1022

00:43:49,150 --> 00:43:46,190

for a surgery and I think this is the

1023

00:43:52,240 --> 00:43:49,160

first time in history that some sort of

1024

00:43:53,440 --> 00:43:52,250

military or government agency has said

1025

00:43:58,300 --> 00:43:53,450

all right

1026

00:44:01,510 --> 00:43:58,310

it was directly involved a UFO at

1027

00:44:02,800 --> 00:44:01,520

least to my knowledge so question for

1028

00:44:04,870 --> 00:44:02,810

you because I know this is a case you

1029

00:44:10,230 --> 00:44:04,880

followed very closely and did a lot of

1030

00:44:15,550 --> 00:44:10,240

research into but what where did the

1031

00:44:17,650 --> 00:44:15,560

claims of the the like lasers shooting

1032

00:44:21,310 --> 00:44:17,660

down come from was that is that halt on

1033

00:44:23,710 --> 00:44:21,320

his tapes when he was out yes so for

1034

00:44:25,660 --> 00:44:23,720

anyone also wondering if you want to

1035

00:44:28,780 --> 00:44:25,670

know more about this case you can go to

1036

00:44:31,300 --> 00:44:28,790

youtube and type in halt tape and this

1037

00:44:32,170 --> 00:44:31,310

is the base commander during a UFO event

1038

00:44:37,780 --> 00:44:32,180

in

1039

00:44:40,030 --> 00:44:37,790

a little creepy a little eerie when you

1040

00:44:42,220 --> 00:44:40,040

listen to it but yeah you can hear in

1041

00:44:44,440 --> 00:44:42,230

those tapes him saying that whatever

1042

00:44:46,780 --> 00:44:44,450

this object was in the sky before it

1043

00:44:49,720 --> 00:44:46,790

actually landed that it was shining

1044

00:44:53,200 --> 00:44:49,730

beams down pencil-thin beams as he calls

1045

00:44:55,450 --> 00:44:53,210

them I believe in the in the audio uh on

1046

00:44:57,700 --> 00:44:55,460

to the bunkers the reason the reason I

1047

00:45:00,730 --> 00:44:57,710

ask that is because you know I've always

1048

00:45:03,640 --> 00:45:00,740

found it fascinating that in that case

1049

00:45:07,079 --> 00:45:03,650

we've got you know that testimony of

1050

00:45:10,240 --> 00:45:07,089

that action from the UFO there and

1051
00:45:12,760 --> 00:45:10,250
Caloris which essentially happened at

1052
00:45:17,290 --> 00:45:12,770
the same time I mean Cloris was like 77

1053
00:45:18,640 --> 00:45:17,300
78 Rendon was 79 and Cloris was all you

1054
00:45:22,480 --> 00:45:18,650
know shooting lasers down and burning

1055
00:45:24,549 --> 00:45:22,490
people Hey yeah who knows who sent me of

1056
00:45:26,740 --> 00:45:24,559
the parallel between those cases this

1057
00:45:30,839 --> 00:45:26,750
could be an instance where it was the

1058
00:45:34,420 --> 00:45:30,849
same per you know craft or you know

1059
00:45:37,120 --> 00:45:34,430
Chevrolet I guess Chevrolet the same

1060
00:45:42,520 --> 00:45:37,130
same teenagers up for a joyride yeah

1061
00:45:43,750 --> 00:45:42,530
yeah yeah well I know I've kind of

1062
00:45:45,400 --> 00:45:43,760
failed at looking at the Facebook

1063
00:45:47,970 --> 00:45:45,410

comments so I'm gonna have to learn how

1064

00:45:51,490 --> 00:45:47,980

to how to make this work next time

1065

00:45:53,710 --> 00:45:51,500

integrated yes we will integrate it for

1066

00:45:58,690 --> 00:45:53,720

sure let me see what else I got here

1067

00:46:00,670 --> 00:45:58,700

before I let you go but uh oh I got to

1068

00:46:03,130 --> 00:46:00,680

get your opinion on this man so in the

1069

00:46:05,950 --> 00:46:03,140

coming week a documentary is going to

1070

00:46:08,370 --> 00:46:05,960

come out this is by the gentleman who

1071

00:46:15,400 --> 00:46:08,380

made the unacknowledged documentary dr.

1072

00:46:16,870 --> 00:46:15,410

Steven Greer yeah yeah I had the I was

1073

00:46:18,970 --> 00:46:16,880

going to say pleasure but that's not the

1074

00:46:22,410 --> 00:46:18,980

right word I had the opportunity I guess

1075

00:46:25,660 --> 00:46:22,420

to watch this documentary yesterday and

1076

00:46:28,930 --> 00:46:25,670

this new one that he just came out with

1077

00:46:30,250 --> 00:46:28,940

is about ce-5 so for anyone who doesn't

1078

00:46:33,130 --> 00:46:30,260

know Close Encounters of the Third Kind

1079

00:46:34,870 --> 00:46:33,140

the famous movie um was part of the

1080

00:46:38,079 --> 00:46:34,880

classification system that project

1081

00:46:40,630 --> 00:46:38,089

Bluebook had by dr. J Allen Hynek the

1082

00:46:43,809 --> 00:46:40,640

noted astronomer who ran Blue Book along

1083

00:46:45,360 --> 00:46:43,819

with several others first kind seeing a

1084

00:46:47,610 --> 00:46:45,370

UFO second kind of

1085

00:46:49,860 --> 00:46:47,620

close some sort of effect on the

1086

00:46:52,920 --> 00:46:49,870

environmental people third kind is

1087

00:46:55,890 --> 00:46:52,930

literally seen occupants of a craft and

1088

00:46:57,630 --> 00:46:55,900

then the rest can sorta be argued Jacque

1089

00:47:00,960 --> 00:46:57,640

valet is sort of came up with the Fourth

1090

00:47:04,980 --> 00:47:00,970

Kind we're talking about you know actual

1091

00:47:08,130 --> 00:47:04,990

like I guess abductions yeah and then

1092

00:47:12,090 --> 00:47:08,140

fifth kind mr. Steven Greer has coined

1093

00:47:16,440 --> 00:47:12,100

is communication and contact with an

1094

00:47:18,750 --> 00:47:16,450

alien race initiated or agreed upon by

1095

00:47:21,360 --> 00:47:18,760

humans and this is what his new

1096

00:47:26,280 --> 00:47:21,370

documentary is about ce-5 and how we can

1097

00:47:28,320 --> 00:47:26,290

do this how we can contact aliens and it

1098

00:47:30,930 --> 00:47:28,330

was a treat um I'm not gonna lie it was

1099

00:47:33,660 --> 00:47:30,940

it was an interesting film but yeah

1100

00:47:35,430 --> 00:47:33,670

Jason what are your thoughts on this

1101

00:47:38,670 --> 00:47:35,440

whole movement going on right now in

1102

00:47:42,240 --> 00:47:38,680

terms of ce-5 and being able to veteran

1103

00:47:43,590 --> 00:47:42,250

UFOs or communicate with aliens to buy

1104

00:47:48,770 --> 00:47:43,600

into any of the stuff man

1105

00:47:52,230 --> 00:47:48,780

so as somebody who has you know been

1106

00:47:56,460 --> 00:47:52,240

deeply involved in the world of strange

1107

00:48:01,980 --> 00:47:56,470

for so long now I I'm open to anything I

1108

00:48:05,640 --> 00:48:01,990

really am I don't I don't poop who you

1109

00:48:07,440 --> 00:48:05,650

know things right away I think c5 you

1110

00:48:12,120 --> 00:48:07,450

know my initial reaction is I think it

1111

00:48:15,510 --> 00:48:12,130

sounds ridiculous I really do and really

1112

00:48:17,820 --> 00:48:15,520

I think it's you know goes down the

1113

00:48:21,150 --> 00:48:17,830

dangerous path of almost being a cult

1114

00:48:23,520 --> 00:48:21,160

and you know there there's lots of money

1115

00:48:29,100 --> 00:48:23,530

involved in learning how to do this

1116

00:48:32,720 --> 00:48:29,110

special procedure and I also you know I

1117

00:48:35,610 --> 00:48:32,730

have a hard time wrapping my head around

1118

00:48:38,370 --> 00:48:35,620

extraterrestrials and their their

1119

00:48:43,830 --> 00:48:38,380

willingness or ability to to human or

1120

00:48:45,630 --> 00:48:43,840

humor humans who basically meditate or

1121

00:48:49,110 --> 00:48:45,640

pray or whatever they're doing to say

1122

00:48:51,480 --> 00:48:49,120

please turn on your headlights it just

1123

00:48:53,250 --> 00:48:51,490

it seems weird to me that intelligent

1124

00:48:56,400 --> 00:48:53,260

extraterrestrials from somewhere else

1125

00:48:58,890 --> 00:48:56,410

would go oh those guys want us to flash

1126

00:48:59,370 --> 00:48:58,900

our lights let's do it and give them a

1127

00:49:03,330 --> 00:48:59,380

little

1128

00:49:05,940 --> 00:49:03,340

giggle yeah I mean I don't know that

1129

00:49:08,250 --> 00:49:05,950

just seems weird to me and something

1130

00:49:11,130 --> 00:49:08,260

else I always think about when I think

1131

00:49:12,780 --> 00:49:11,140

about seeing five is that in my

1132

00:49:16,830 --> 00:49:12,790

experience and again this is just my

1133

00:49:19,290 --> 00:49:16,840

experience I don't think there's a

1134

00:49:21,120 --> 00:49:19,300

magical formula for seeing UFOs or

1135

00:49:22,110 --> 00:49:21,130

having an experience I think sometimes

1136

00:49:27,000 --> 00:49:22,120

it just happens

1137

00:49:30,090 --> 00:49:27,010

but in my experience not every time but

1138

00:49:32,570 --> 00:49:30,100

most times that I've actually gone out

1139

00:49:36,750 --> 00:49:32,580

with the mindset with the purpose of

1140

00:49:40,050 --> 00:49:36,760

skywatching of investing hours of my

1141

00:49:45,180 --> 00:49:40,060

life staring up at the sky looking for

1142

00:49:47,190 --> 00:49:45,190

UFOs I've seen stuff and when I say I've

1143

00:49:50,400 --> 00:49:47,200

seen stuff that's coming from somebody

1144

00:49:54,270 --> 00:49:50,410

who has been a UFO investigator or

1145

00:49:56,610 --> 00:49:54,280

somebody who really rules out 90% of

1146

00:49:58,320 --> 00:49:56,620

what I see so when I say I've seen stuff

1147

00:50:01,320 --> 00:49:58,330

this is stuff I'm talking about stuff

1148

00:50:05,340 --> 00:50:01,330

that really defies logic stuff that I

1149

00:50:08,100 --> 00:50:05,350

can't explain away so I categorize it as

1150

00:50:10,710 --> 00:50:08,110

a UFO every time I've gone out and done

1151
00:50:14,940 --> 00:50:10,720
a sky watch I've seen something that

1152
00:50:18,690 --> 00:50:14,950
goes into that category so you know it's

1153
00:50:21,210 --> 00:50:18,700
hard for me to to then think that maybe

1154
00:50:24,450 --> 00:50:21,220
people doing ce-5 they're going out

1155
00:50:29,300 --> 00:50:24,460
there investing time their focus is on

1156
00:50:33,060 --> 00:50:29,310
seeing something strange so they see it

1157
00:50:34,710 --> 00:50:33,070
so does the moving the time the wand to

1158
00:50:36,420 --> 00:50:34,720
Bellini planted the method if they

1159
00:50:39,570 --> 00:50:36,430
weren't doing all of the stuff they're

1160
00:50:43,470 --> 00:50:39,580
paying money and being told to do they

1161
00:50:46,530 --> 00:50:43,480
would still experience something so I

1162
00:50:48,240 --> 00:50:46,540
don't know and again like it might be

1163
00:50:51,240 --> 00:50:48,250

different for everybody and you know

1164

00:50:53,160 --> 00:50:51,250

that might work well for some people but

1165

00:50:53,940 --> 00:50:53,170

for me it's it's not something that I

1166

00:50:55,830 --> 00:50:53,950

need

1167

00:50:57,660 --> 00:50:55,840

you know I've demonstrated to myself

1168

00:51:01,020 --> 00:50:57,670

that I don't need that

1169

00:51:02,910 --> 00:51:01,030

because I have success seeing stuff if I

1170

00:51:06,270 --> 00:51:02,920

just go out and invest the time looking

1171

00:51:09,690 --> 00:51:06,280

for mm-hmm that's a fair answer I mean I

1172

00:51:12,720 --> 00:51:09,700

I will be honest I I I'm being hard on

1173

00:51:12,910 --> 00:51:12,730

Steven Greer for many reasons for anyone

1174

00:51:18,160 --> 00:51:12,920

who

1175

00:51:20,620 --> 00:51:18,170

ever met the man or heard him speak he's

1176

00:51:22,960 --> 00:51:20,630

sick bodyguard fell asleep and exactly

1177

00:51:25,860 --> 00:51:22,970

watching his conference yes exactly

1178

00:51:30,640 --> 00:51:25,870

um you know what we're talking about

1179

00:51:33,730 --> 00:51:30,650

personality and ego aside I came out of

1180

00:51:36,190 --> 00:51:33,740

this documentary being like huh this is

1181

00:51:40,060 --> 00:51:36,200

interesting I I don't necessarily buy

1182

00:51:42,580 --> 00:51:40,070

into it but I'm not there and I wasn't

1183

00:51:46,360 --> 00:51:42,590

the person on the ground experiencing

1184

00:51:49,150 --> 00:51:46,370

that I mean one guy said that he was 99%

1185

00:51:52,360 --> 00:51:49,160

death before he had an experience and

1186

00:51:55,780 --> 00:51:52,370

afterwards within moments his hearing

1187

00:51:58,660 --> 00:51:55,790

almost came fully back and internal is

1188

00:52:00,580 --> 00:51:58,670

like a little bit a little bit yeah so I

1189

00:52:03,880 --> 00:52:00,590

mean when you've got sensational claims

1190

00:52:06,610 --> 00:52:03,890

like that yeah exactly so you know as

1191

00:52:10,060 --> 00:52:06,620

much as I wanted to go in it's just you

1192

00:52:13,300 --> 00:52:10,070

know scathing about this thing I had to

1193

00:52:15,250 --> 00:52:13,310

be like you know what beliefs aside if

1194

00:52:17,380 --> 00:52:15,260

these people found something positive in

1195

00:52:19,720 --> 00:52:17,390

their experience great I just don't like

1196

00:52:21,670 --> 00:52:19,730

that someone's you know taking advantage

1197

00:52:24,880 --> 00:52:21,680

of that and making money off the riots

1198

00:52:26,620 --> 00:52:24,890

so that that's where I agree and again I

1199

00:52:29,940 --> 00:52:26,630

mean we we work in the world of weird

1200

00:52:33,940 --> 00:52:29,950

like I understand that the world is

1201
00:52:36,760 --> 00:52:33,950
incredibly bizarre yeah I you know

1202
00:52:39,730 --> 00:52:36,770
that's what we do we do we do strange so

1203
00:52:42,520 --> 00:52:39,740
I understand that we don't we don't know

1204
00:52:45,880 --> 00:52:42,530
anything about our world let alone the

1205
00:52:47,620 --> 00:52:45,890
universe so I am happy to entertain all

1206
00:52:50,350 --> 00:52:47,630
possibilities I'm happy to entertain

1207
00:52:53,980 --> 00:52:50,360
that you know by doing a special certain

1208
00:52:56,320 --> 00:52:53,990
thing you can make extraterrestrials

1209
00:52:59,920 --> 00:52:56,330
respond to that I'm happy to entertain

1210
00:53:02,740 --> 00:52:59,930
that but at the same time you know using

1211
00:53:06,220 --> 00:53:02,750
the his last documentary as an example

1212
00:53:09,150 --> 00:53:06,230
you know you had dr. Nolan who was the

1213
00:53:13,920 --> 00:53:09,160

doctor in the movie about Atacama

1214

00:53:16,660 --> 00:53:13,930

humanoid baby alien yes who you know I

1215

00:53:19,780 --> 00:53:16,670

mean it was misrepresented in the film

1216

00:53:22,030 --> 00:53:19,790

but you know he said yeah it's human

1217

00:53:23,680 --> 00:53:22,040

it's a deformed human it's got all these

1218

00:53:26,710 --> 00:53:23,690

anomalies that we can't explain but

1219

00:53:29,859 --> 00:53:26,720

we're still working on it but not alien

1220

00:53:30,070 --> 00:53:29,869

and you know Greer didn't like that too

1221

00:53:33,220 --> 00:53:30,080

much

1222

00:53:36,780 --> 00:53:33,230

right yeah God god forbid science comes

1223

00:53:39,730 --> 00:53:36,790

into this but yeah well you know um

1224

00:53:41,920 --> 00:53:39,740

check it out I guess if people want to

1225

00:53:44,080 --> 00:53:41,930

and make up your own mind you know all

1226

00:53:46,180 --> 00:53:44,090

this yeah yeah it's it's another

1227

00:53:48,730 --> 00:53:46,190

perspective and again we're talking

1228

00:53:51,670 --> 00:53:48,740

about the unknown here and you know

1229

00:53:54,760 --> 00:53:51,680

that's perfect for scam doing this stuff

1230

00:53:56,320 --> 00:53:54,770

is a scammer or doing that but it makes

1231

00:53:58,450 --> 00:53:56,330

it very easy for people to do that

1232

00:54:00,880 --> 00:53:58,460

especially you know because people want

1233

00:54:01,960 --> 00:54:00,890

answers to this stuff - yeah but you

1234

00:54:04,599 --> 00:54:01,970

know when you're dealing with you

1235

00:54:06,940 --> 00:54:04,609

unknown it doesn't hurt to explore all

1236

00:54:08,650 --> 00:54:06,950

possibilities and ultimately you have to

1237

00:54:11,050 --> 00:54:08,660

make up your own mind yep

1238

00:54:12,880 --> 00:54:11,060

as you always say we should be doing all

1239

00:54:14,820 --> 00:54:12,890

the things all the time all the things

1240

00:54:17,859 --> 00:54:14,830

all the time

1241

00:54:19,930 --> 00:54:17,869

t-shirt comes out next week well

1242

00:54:22,660 --> 00:54:19,940

speaking of dr. Steven Greer he's going

1243

00:54:25,240 --> 00:54:22,670

to be as disappointed as I am I got a

1244

00:54:28,390 --> 00:54:25,250

message right before we got on here

1245

00:54:30,849 --> 00:54:28,400

today saying that contact in the desert

1246

00:54:33,160 --> 00:54:30,859

the huge UFO convention the Woodstock of

1247

00:54:35,349 --> 00:54:33,170

UFO conventions has officially been

1248

00:54:38,980 --> 00:54:35,359

canceled so for anyone who is planning

1249

00:54:40,660 --> 00:54:38,990

on going I'm just as bummed as you are I

1250

00:54:42,520 --> 00:54:40,670

was really looking forward to it but

1251
00:54:45,430 --> 00:54:42,530
just like every other convention out

1252
00:54:48,940 --> 00:54:45,440
there this is for the best and we just

1253
00:54:52,270 --> 00:54:48,950
have to get through this and get better

1254
00:54:53,950 --> 00:54:52,280
and keep doing our research and hey

1255
00:54:56,320 --> 00:54:53,960
it just gives us more time to do stuff

1256
00:54:57,700 --> 00:54:56,330
like this and we got some stuff down the

1257
00:55:00,130 --> 00:54:57,710
pipeline that's going to be pretty

1258
00:55:02,380 --> 00:55:00,140
interesting I don't know if you want to

1259
00:55:05,440 --> 00:55:02,390
talk about it yet Jason but other than

1260
00:55:07,960 --> 00:55:05,450
that what do you got going on where can

1261
00:55:10,900 --> 00:55:07,970
we find everything you're up to and yeah

1262
00:55:14,740 --> 00:55:10,910
give it to us all right so just quickly

1263
00:55:16,570 --> 00:55:14,750

you can always find me social media I'm

1264

00:55:19,060 --> 00:55:16,580

all over the place so Twitter and

1265

00:55:22,540 --> 00:55:19,070

Instagram I'm a centric that's a CEC

1266

00:55:25,180 --> 00:55:22,550

entr I see on Facebook facebook.com
