

RYAN'S RANDOM FACTS

1
00:00:00,700 --> 00:00:12,289

[Music]

2
00:00:23,380 --> 00:00:20,990

oh hello did you know that the male

3
00:00:27,290 --> 00:00:23,390

albatross during the incubation period

4
00:00:29,420 --> 00:00:27,300

lays on the egg for 15 days straight and

5
00:00:32,089 --> 00:00:29,430

then the female takes over and then they

6
00:00:36,319 --> 00:00:32,099

they take turns during a 70 day

7
00:00:39,020 --> 00:00:36,329

incubation period can you imagine being

8
00:00:57,020 --> 00:00:39,030

cooped up somewhere for fifteen days and

9
00:00:58,880 --> 00:00:57,030

not being able to go anywhere I gotta
