

SOMEWHERE IN THE SKIES  
**CASE FILES**

Shoot to Kill...  
an Alien

1  
00:00:03,949 --> 00:00:02,210  
hi guys Ryan Sprague here and welcome to

2  
00:00:06,499 --> 00:00:03,959  
another episode of somewhere in the

3  
00:00:08,509 --> 00:00:06,509  
skies Case Files and today we're gonna

4  
00:00:12,280 --> 00:00:08,519  
be asking the question did the US

5  
00:00:37,190 --> 00:00:12,290  
military capture shoot and kill an

6  
00:00:41,209 --> 00:00:37,200  
extraterrestrial enjoy it was on the

7  
00:00:43,790 --> 00:00:41,219  
morning of January 18th 1978 when New

8  
00:00:46,459 --> 00:00:43,800  
Jersey State Police requested entry onto

9  
00:00:49,610 --> 00:00:46,469  
McGuire Air Force Base along with the

10  
00:00:52,250 --> 00:00:49,620  
adjacent Fort Dix base UFOs had been

11  
00:00:53,660 --> 00:00:52,260  
reported earlier in the evening but what

12  
00:00:57,020 --> 00:00:53,670  
the police said they were looking for

13  
00:00:59,599 --> 00:00:57,030

was far stranger than just lights in the

14

00:01:01,639 --> 00:00:59,609

sky when asked just exactly why the

15

00:01:04,880 --> 00:01:01,649

state troopers needed access to the base

16

00:01:07,670 --> 00:01:04,890

they explained that an MP at Fort Dix

17

00:01:10,550 --> 00:01:07,680

had seen a low-flying object that had

18

00:01:12,950 --> 00:01:10,560

passed over his car as he looked back to

19

00:01:16,160 --> 00:01:12,960

the road below he hit the brakes in a

20

00:01:19,190 --> 00:01:16,170

panic standing in front of his vehicle

21

00:01:22,100 --> 00:01:19,200

in the headlights was a small being with

22

00:01:26,120 --> 00:01:22,110

a large head black eyes in a very

23

00:01:28,730 --> 00:01:26,130

slender body the MP panicked getting out

24

00:01:31,550 --> 00:01:28,740

of the car and pulling his 45 automatic

25

00:01:33,920 --> 00:01:31,560

he demanded that the being lay on the

26

00:01:37,789 --> 00:01:33,930

ground and when it didn't comply he

27

00:01:39,740 --> 00:01:37,799

began to shoot wounded the being fled

28

00:01:42,410 --> 00:01:39,750

the scene supposedly hopping the fence

29

00:01:45,380 --> 00:01:42,420

between the bases it then ran down a

30

00:01:48,859 --> 00:01:45,390

deserted airfield runway at McGuire and

31

00:01:51,170 --> 00:01:48,869

eventually fell to the ground dying the

32

00:01:54,230 --> 00:01:51,180

guard on duty at this point one sergeant

33

00:01:56,510 --> 00:01:54,240

Jeff Morse allowed the police under the

34

00:01:59,389 --> 00:01:56,520

runway to search for the being there

35

00:02:02,359 --> 00:01:59,399

they found the body crouched in a fetal

36

00:02:03,290 --> 00:02:02,369

position not breathing it was indeed

37

00:02:06,230 --> 00:02:03,300

dead

38

00:02:09,440 --> 00:02:06,240

shocked but keeping with protocol they

39

00:02:11,870 --> 00:02:09,450

began to rope off the area suddenly a

40

00:02:15,260 --> 00:02:11,880

group of military officers in blue

41

00:02:15,980 --> 00:02:15,270

berets arrived distancing Morse from the

42

00:02:19,220 --> 00:02:15,990

area

43

00:02:21,920 --> 00:02:19,230

Morse watched on from afar as this new

44

00:02:24,380 --> 00:02:21,930

group clad in blue berets whom he'd

45

00:02:25,900 --> 00:02:24,390

never seen before seemed to take charge

46

00:02:29,450 --> 00:02:25,910

of the situation

47

00:02:32,170 --> 00:02:29,460

UFO researcher Leonard Stringfield once

48

00:02:34,670 --> 00:02:32,180

interviewed Morse about the being itself

49

00:02:38,000 --> 00:02:34,680

Stringfield stated the following about

50

00:02:40,010 --> 00:02:38,010

how Morse described it quote never close

51  
00:02:43,160 --> 00:02:40,020  
enough to observe details such as facial

52  
00:02:45,350 --> 00:02:43,170  
features or its hands and feet he did

53  
00:02:47,870 --> 00:02:45,360  
recall that under the glare of truck

54  
00:02:50,810 --> 00:02:47,880  
headlights the skin of the unclad

55  
00:02:53,570 --> 00:02:50,820  
hairless body was wet shiny and

56  
00:02:56,360 --> 00:02:53,580  
snake-like the entity was about four

57  
00:02:59,960 --> 00:02:56,370  
feet in height with a large head slender

58  
00:03:02,060 --> 00:02:59,970  
torso thin arms and legs and overall a

59  
00:03:04,940 --> 00:03:02,070  
grayish brown coloration

60  
00:03:07,520 --> 00:03:04,950  
end quote Stringfield also inquired

61  
00:03:09,860 --> 00:03:07,530  
about the retrieval operation itself as

62  
00:03:12,890 --> 00:03:09,870  
these blue beret officers worked their

63  
00:03:15,830 --> 00:03:12,900

secret and magic string felt stated that

64

00:03:18,440 --> 00:03:15,840

quote while on patrol Morse watched the

65

00:03:21,080 --> 00:03:18,450

blue beret specialists spray the corpse

66

00:03:23,240 --> 00:03:21,090

from a portable tank and cover it with a

67

00:03:25,310 --> 00:03:23,250

white sheet before the body was

68

00:03:28,760 --> 00:03:25,320

carefully placed onto a platform and a

69

00:03:30,590 --> 00:03:28,770

wooden frame built around it this was

70

00:03:33,920 --> 00:03:30,600

finally placed into a large square

71

00:03:36,590 --> 00:03:33,930

silver metal container about ten by ten

72

00:03:40,520 --> 00:03:36,600

feet with indistinguishable blue

73

00:03:43,580 --> 00:03:40,530

markings and quote after this a c-141

74

00:03:46,160 --> 00:03:43,590

cargo aircraft landed on the site the

75

00:03:48,110 --> 00:03:46,170

beam was loaded on board and it has been

76

00:03:50,170 --> 00:03:48,120

suspected that it took off towards

77

00:03:53,270 --> 00:03:50,180

wright-patterson Air Force Base

78

00:03:55,550 --> 00:03:53,280

supposedly the same base than 1947

79

00:03:58,400 --> 00:03:55,560

Roswell crash bodies were shipped off to

80

00:04:00,470 --> 00:03:58,410

as well Morse and the police officer

81

00:04:02,360 --> 00:04:00,480

were separated and both were told that

82

00:04:04,460 --> 00:04:02,370

if they ever spoke of what they'd seen

83

00:04:06,559 --> 00:04:04,470

that day they would immediately be

84

00:04:09,649 --> 00:04:06,569

stripped of their duties in the respect

85

00:04:11,720 --> 00:04:09,659

of jobs it was two days later when Morse

86

00:04:13,759 --> 00:04:11,730

and a few other witnesses were shipped

87

00:04:17,390 --> 00:04:13,769

off to wright-patterson and received

88

00:04:20,029 --> 00:04:17,400

intense interrogations and statements by

89

00:04:22,610 --> 00:04:20,039

Morse many years later he said quote

90

00:04:23,480 --> 00:04:22,620

they told me about my duty to keep my

91

00:04:26,120 --> 00:04:23,490

mouth shut

92

00:04:29,420 --> 00:04:26,130

I signed a form and it's supposed to

93

00:04:31,909 --> 00:04:29,430

bind me for life Morse was brought back

94

00:04:34,700 --> 00:04:31,919

to McGuire Air Force Base debriefed by

95

00:04:35,900 --> 00:04:34,710

his superiors and the incident was never

96

00:04:38,330 --> 00:04:35,910

spoken of again

97

00:04:40,610 --> 00:04:38,340

it didn't take long for Morse to start

98

00:04:42,890 --> 00:04:40,620

asking around about just exactly what

99

00:04:44,870 --> 00:04:42,900

he'd seen that night by other witnesses

100

00:04:47,270 --> 00:04:44,880

when word of this got out to his

101  
00:04:51,020 --> 00:04:47,280  
superiors many of the witnesses were

102  
00:04:53,600 --> 00:04:51,030  
shipped overseas including Morse who

103  
00:04:55,400 --> 00:04:53,610  
soon found himself stationed at Okinawa

104  
00:04:58,219 --> 00:04:55,410  
on desk duty

105  
00:05:00,650 --> 00:04:58,229  
to this day he admits that he's been

106  
00:05:03,200 --> 00:05:00,660  
constantly threatened not to speak of

107  
00:05:05,680 --> 00:05:03,210  
the event and that the military has gone

108  
00:05:08,689 --> 00:05:05,690  
to great lengths to keep him quiet

109  
00:05:11,120 --> 00:05:08,699  
including personality and professional

110  
00:05:14,600 --> 00:05:11,130  
attacks making it difficult for Morris

111  
00:05:17,570 --> 00:05:14,610  
to find employment in law enforcement if

112  
00:05:20,300 --> 00:05:17,580  
this was an extraordinary or incredible

113  
00:05:23,029 --> 00:05:20,310

enough another key witness did come

114

00:05:26,060 --> 00:05:23,039

forward to corroborate this event major

115

00:05:28,129 --> 00:05:26,070

George filer now retired was stationed

116

00:05:30,740 --> 00:05:28,139

at McGuire at the same time as an

117

00:05:32,779 --> 00:05:30,750

intelligence officer while now being

118

00:05:35,360 --> 00:05:32,789

present at the actual incident he heard

119

00:05:38,450 --> 00:05:35,370

firsthand about it the following morning

120

00:05:40,550 --> 00:05:38,460

in an interview with ABC News filer

121

00:05:42,920 --> 00:05:40,560

stated that quote our security police

122

00:05:45,909 --> 00:05:42,930

went out there and found him the alien

123

00:05:48,659 --> 00:05:45,919

at the end of the runway

124

00:05:51,670 --> 00:05:48,669

they asked me to brief the general staff

125

00:05:54,309 --> 00:05:51,680

while this briefing was later cancelled

126  
00:05:57,369 --> 00:05:54,319  
Feiler remain convinced that this event

127  
00:05:59,110 --> 00:05:57,379  
was truly bizarre and the joint bases

128  
00:06:01,749 --> 00:05:59,120  
were doing everything in their power to

129  
00:06:03,999 --> 00:06:01,759  
contain it and keep everyone silent

130  
00:06:07,149 --> 00:06:04,009  
while he couldn't prove that this alien

131  
00:06:09,399 --> 00:06:07,159  
beam was of extraterrestrial origin word

132  
00:06:11,589 --> 00:06:09,409  
around the base continued to spread and

133  
00:06:14,589 --> 00:06:11,599  
all were convinced that this was a

134  
00:06:17,610 --> 00:06:14,599  
genuine UFO landing in the subsequent

135  
00:06:20,950 --> 00:06:17,620  
death of its extraterrestrial occupant

136  
00:06:23,409 --> 00:06:20,960  
so did a panicked trigger-happy MP

137  
00:06:26,379 --> 00:06:23,419  
actually shoot and kill an alien that

138  
00:06:28,749 --> 00:06:26,389

night the truth may never be known the

139

00:06:30,399 --> 00:06:28,759

lid on this and so many other apparent

140

00:06:33,760 --> 00:06:30,409

incidents of this ilk have been so

141

00:06:36,189 --> 00:06:33,770

tightly wound shut that those involved

142

00:06:39,279 --> 00:06:36,199

fear the worst for their jobs or perhaps

143

00:06:42,999 --> 00:06:39,289

even their lives and I have to admit

144

00:06:44,529 --> 00:06:43,009

this one is pretty hard to swallow while

145

00:06:48,100 --> 00:06:44,539

we may have statements we have

146

00:06:51,070 --> 00:06:48,110

absolutely no evidence or documents to

147

00:06:55,059 --> 00:06:51,080

back any of this up that's ufology at

148

00:06:57,969 --> 00:06:55,069

its best and worst but if this case of

149

00:07:00,490 --> 00:06:57,979

an alien termination is true then we

150

00:07:03,700 --> 00:07:00,500

have more to fear than just military

151

00:07:05,920 --> 00:07:03,710

threats we have an alien race expecting

152

00:07:08,619 --> 00:07:05,930

one of their own to eventually come home

153

00:07:09,820 --> 00:07:08,629

they just probably weren't expecting it

154

00:07:10,500 --> 00:07:09,830

to be in a
