SPECIAL GUESTS:

JEREMY CORBELL
UFO JANE

UFO LOCKDOWN!

1
00:00:03,270 --> 00:00:01,429
you know you can pretty much go through

2
00:00:06,710 --> 00:00:03,280
and and look at any

3
00:00:07,349 --> 00:00:06,720
huge ufo event over the last 40 50 60

4
00:00:09,669 --> 00:00:07,359
years

5
00:00:11,110 --> 00:00:09,679
and tune in whatever comedian was

6
00:00:13,270 --> 00:00:11,120
speaking at the time and find them

7
00:00:14,150 --> 00:00:13,280
making jokes about it depicting ufo

8
00:00:16,950 --> 00:00:14,160
experiencers as

9
00:00:18,550 --> 00:00:16,960
lunatics and feeding it back to people

10
00:00:19,670 --> 00:00:18,560
and making it impossible for people to

11
00:00:21,189 --> 00:00:19,680
come forward because they're

12
00:00:23,509 --> 00:00:21,199
terrified of being ridiculed by people

13
00:00:24,790 --> 00:00:23,519

like me so comedians have had a lot to

14

00:00:27,509 --> 00:00:24,800

do with the

15

00:00:28,870 --> 00:00:27,519

suppression of the real data over the

16

00:00:31,029 --> 00:00:28,880

last 70 years

17

00:00:32,709 --> 00:00:31,039

and i feel like as a comedian i kind of

18

00:00:34,549 --> 00:00:32,719

want to point that out to people

19

00:00:36,470 --> 00:00:34,559

especially people who do comedy like i

20

00:00:38,229 --> 00:00:36,480

do and so to get them to think about it

21

00:00:48,950 --> 00:00:38,239

in a little more clever and

22

00:00:56,830 --> 00:00:52,810

this is somewhere in the skies with ryan

23

00:01:15,590 --> 00:00:56,840

[Music]

24

00:01:20,070 --> 00:01:17,510

hey guys ryan sprague here a little

25

00:01:22,469 --> 00:01:20,080

context for this week's episode

26

00:01:24,149 --> 00:01:22,479

this was a virtual panel i took part in

27

00:01:27,190 --> 00:01:24,159

hosted by ufo jane

28

00:01:30,069 --> 00:01:27,200

over at the weird ufo show on youtube

29

00:01:30,789 --> 00:01:30,079

she pulled off an entire day of ufo

30

00:01:34,630 --> 00:01:30,799

content

31

00:01:37,590 --> 00:01:34,640

from 9am to 11pm and it was epic

32

00:01:39,429 --> 00:01:37,600

it was called the ufo lockdown there was

33

00:01:42,149 --> 00:01:39,439

live alien themed music

34

00:01:42,950 --> 00:01:42,159

one-on-one interviews live tarot card

35

00:01:46,230 --> 00:01:42,960

readings

36

00:01:46,870 --> 00:01:46,240

flying humanoid encrypted talk and of

37

00:01:50,630 --> 00:01:46,880

course

38

00:01:52,149 --> 00:01:50,640

ufos there was also a really fascinating

39

00:01:54,550 --> 00:01:52,159
conversation with past

40

00:01:55,270 --> 00:01:54,560
somewhere in the sky's guest and quantum

41

00:01:59,270 --> 00:01:55,280
computing

42

00:02:00,550 --> 00:01:59,280
ceo deep prasad so be sure to go over to

43

00:02:02,630 --> 00:02:00,560
the ufo jane

44

00:02:05,590 --> 00:02:02,640
youtube channel and check out all of the

45

00:02:07,590 --> 00:02:05,600
archived content over there right now

46

00:02:10,150 --> 00:02:07,600
so the main event of the night was a

47

00:02:12,790 --> 00:02:10,160
panel i was honored to take part in

48

00:02:14,150 --> 00:02:12,800
hosted by ufo jane and featuring

49

00:02:17,430 --> 00:02:14,160
investigative filmmaker

50

00:02:18,309 --> 00:02:17,440
jeremy corbell and actor comedian dave

51

00:02:20,550 --> 00:02:18,319

foley

52

00:02:23,270 --> 00:02:20,560

we talked about everything from the navy

53

00:02:26,390 --> 00:02:23,280

ufo videos to bob lazar

54

00:02:27,910 --> 00:02:26,400

and anti-gravity theory then we went

55

00:02:31,509 --> 00:02:27,920

deep into the perception

56

00:02:33,589 --> 00:02:31,519

of ufos by the mainstream and perception

57

00:02:35,430 --> 00:02:33,599

in general when it comes to seeing is

58

00:02:38,630 --> 00:02:35,440

believing and believing

59

00:02:42,309 --> 00:02:38,640

is seen and then we just go full

60

00:02:43,030 --> 00:02:42,319

on with consciousness so get ready to

61

00:02:45,830 --> 00:02:43,040

think

62

00:02:47,270 --> 00:02:45,840

theorize and to take a super fun ride

63

00:02:48,869 --> 00:02:47,280

with us

64

00:02:51,350 --> 00:02:48,879

if you want to watch the video version

65

00:02:53,430 --> 00:02:51,360

of this panel it's available on the ufo

66

00:02:55,990 --> 00:02:53,440

jane youtube channel as well

67

00:02:56,869 --> 00:02:56,000

but here we go right now with ufo

68

00:02:57,990 --> 00:02:56,879

lockdown

69

00:03:01,910 --> 00:02:58,000

uncensored

70

00:03:05,910 --> 00:03:03,750

that's awesome there's a bit of a delay

71

00:03:09,190 --> 00:03:05,920

i just got the iris folks at home we are

72

00:03:11,110 --> 00:03:09,200

live but it's just like real live tv

73

00:03:12,790 --> 00:03:11,120

there's a bit of a delay but there's no

74

00:03:17,830 --> 00:03:12,800

bleep button

75

00:03:19,270 --> 00:03:17,840

no watch the language

76

00:03:21,350 --> 00:03:19,280

god damn it i should have worn a

77

00:03:23,110 --> 00:03:21,360

different shirt that's like vape that's

78

00:03:24,949 --> 00:03:23,120

not it that's baby swearing compared to

79

00:03:28,789 --> 00:03:24,959

what i like

80

00:03:31,509 --> 00:03:28,799

hey my ufo we're live so um let's just

81

00:03:33,270 --> 00:03:31,519

i am everybody has their own group of

82

00:03:34,070 --> 00:03:33,280

people that have come to this live

83

00:03:37,190 --> 00:03:34,080

stream

84

00:03:38,710 --> 00:03:37,200

so i do want to give you a proper intro

85

00:03:41,270 --> 00:03:38,720

campus of course before we start out

86

00:03:42,949 --> 00:03:41,280

just thank you thank you for being here

87

00:03:44,789 --> 00:03:42,959

everybody here is doing this for free

88

00:03:47,589 --> 00:03:44,799

everybody who has participated in the

89

00:03:51,589 --> 00:03:47,599

ufo lockdown fest has done it for free

90

00:03:53,190 --> 00:03:51,599

shops giving out discounts giveaways

91

00:03:55,589 --> 00:03:53,200

thank you to everybody who's here

92

00:03:58,309 --> 00:03:55,599

watching who's joining the live

93

00:04:00,070 --> 00:03:58,319

chat this has just been amazing and

94

00:04:00,949 --> 00:04:00,080

we'll continue for the folks at home

95

00:04:02,949 --> 00:04:00,959

we'll do

96

00:04:04,470 --> 00:04:02,959

the proper introductions because they're

97

00:04:07,429 --> 00:04:04,480

they're well deserved and

98

00:04:09,830 --> 00:04:07,439

so we've got ryan sprague so he's ufo

99

00:04:11,910 --> 00:04:09,840

author researcher has a very popular

100

00:04:14,309 --> 00:04:11,920

podcast somewhere in the skies

101
00:04:15,750 --> 00:04:14,319
and then of course dave foley doesn't

102
00:04:18,789 --> 00:04:15,760
need an introduction

103
00:04:19,590 --> 00:04:18,799
but you know like i'll try you know from

104
00:04:22,069 --> 00:04:19,600
news radio

105
00:04:23,110 --> 00:04:22,079
kids in the hall writer director

106
00:04:26,390 --> 00:04:23,120
producer and

107
00:04:28,390 --> 00:04:26,400
our home fondly know him as flick from a

108
00:04:30,790 --> 00:04:28,400
bug's life and

109
00:04:32,150 --> 00:04:30,800
principal mcintyre and it's always sunny

110
00:04:35,510 --> 00:04:32,160
thank you so much for being here

111
00:04:40,070 --> 00:04:35,520
jeremy will be hopefully joining us

112
00:04:46,230 --> 00:04:43,110
that'll help he's knocking

113
00:04:47,749 --> 00:04:46,240

there he is okay guys sorry about that

114

00:04:49,670 --> 00:04:47,759

i got it figured out can you hear me

115

00:04:52,950 --> 00:04:49,680

okay yeah yeah

116

00:04:55,510 --> 00:04:52,960

let's start the ufo jane show

117

00:04:57,430 --> 00:04:55,520

let's do this all right no no no i want

118

00:04:59,990 --> 00:04:57,440

to get out of it

119

00:05:02,150 --> 00:05:00,000

yeah this is um all you guys and we were

120

00:05:04,629 --> 00:05:02,160

just about to intro you jeremy

121

00:05:06,230 --> 00:05:04,639

so what's going on i can hear perfect

122

00:05:07,189 --> 00:05:06,240

yeah so perfect timing so here we have

123

00:05:10,310 --> 00:05:07,199

jeremy corbell

124

00:05:12,469 --> 00:05:10,320

amazing filmmaker you've got

125

00:05:14,310 --> 00:05:12,479

bob lazar ufos and flying saucers that

126

00:05:17,189 --> 00:05:14,320

is still on netflix

127

00:05:19,189 --> 00:05:17,199

yeah bob lazar area 51 and flying

128

00:05:20,790 --> 00:05:19,199

saucers is still on netflix

129

00:05:22,629 --> 00:05:20,800

i don't mean that in a ba at a

130

00:05:24,310 --> 00:05:22,639

criticizing way i'm just used to seeing

131

00:05:28,150 --> 00:05:24,320

things come and go and

132

00:05:30,230 --> 00:05:28,160

people are all really watching

133

00:05:32,629 --> 00:05:30,240

it again and nothing's going to go from

134

00:05:34,950 --> 00:05:32,639

netflix for a while now

135

00:05:36,550 --> 00:05:34,960

yeah yeah that's true netflix is the

136

00:05:37,430 --> 00:05:36,560

entertainment industry especially about

137

00:05:39,909 --> 00:05:37,440

ufos

138

00:05:40,950 --> 00:05:39,919

it's gonna be in uh kind of real lacking

139

00:05:43,830 --> 00:05:40,960

for a while

140

00:05:45,510 --> 00:05:43,840

netflix picked up uh babazar area 51 and

141

00:05:48,150 --> 00:05:45,520

flying saucers for

142

00:05:49,029 --> 00:05:48,160

uh probably at least another year one

143

00:05:51,430 --> 00:05:49,039

more year

144

00:05:52,469 --> 00:05:51,440

uh hunt for the skinwalker is on hulu

145

00:05:54,310 --> 00:05:52,479

and uh

146

00:05:55,510 --> 00:05:54,320

you can find all my you know films

147

00:05:57,350 --> 00:05:55,520

obviously just on

148

00:05:58,790 --> 00:05:57,360

all pay-per-view platforms but yeah the

149

00:06:01,510 --> 00:05:58,800

ufos are having a run

150

00:06:03,510 --> 00:06:01,520

you know the world has changed recently

151

00:06:05,670 --> 00:06:03,520

about the topic as we all know

152

00:06:06,870 --> 00:06:05,680

um i just want to first of all thank uh

153

00:06:10,230 --> 00:06:06,880

everybody who's

154

00:06:13,350 --> 00:06:10,240

joining us um jane set this up

155

00:06:14,070 --> 00:06:13,360

set up this whole day of ufos ryan great

156

00:06:16,950 --> 00:06:14,080

to see you

157

00:06:17,749 --> 00:06:16,960

we're all fans of your work and and dave

158

00:06:20,070 --> 00:06:17,759

foley

159

00:06:21,909 --> 00:06:20,080

who's got a lot to say on the ufo topic

160

00:06:24,469 --> 00:06:21,919

and somebody i really like your

161

00:06:26,070 --> 00:06:24,479

talk about it so yeah thanks for having

162

00:06:27,909 --> 00:06:26,080

me really excited

163

00:06:29,189 --> 00:06:27,919

i'm glad a lot of people are tuning in

164

00:06:31,110 --> 00:06:29,199

and thank you guys and thank you

165

00:06:33,670 --> 00:06:31,120

everybody for joining we got a nice

166

00:06:35,830 --> 00:06:33,680

nice crowd here so all right so how are

167

00:06:38,390 --> 00:06:35,840

you it's interesting

168

00:06:39,430 --> 00:06:38,400

that like you said people are locked

169

00:06:41,270 --> 00:06:39,440

into netflix

170

00:06:42,629 --> 00:06:41,280

they're locked into their homes we're

171

00:06:45,189 --> 00:06:42,639

all locked in

172

00:06:47,270 --> 00:06:45,199

how are you guys holding up right now

173

00:06:47,670 --> 00:06:47,280

are you still interested in ufos right

174

00:06:51,029 --> 00:06:47,680

now

175

00:06:52,950 --> 00:06:51,039

that seems like an obvious question but

176

00:06:55,029 --> 00:06:52,960

but maybe maybe it's not i mean how are

177

00:06:59,270 --> 00:06:55,039

your feelings dave

178

00:07:01,749 --> 00:06:59,280

on ufos since everything's happened

179

00:07:02,390 --> 00:07:01,759

uh well it's weird because i yeah

180

00:07:05,110 --> 00:07:02,400

because i

181

00:07:06,790 --> 00:07:05,120

i've i've been very distracted by uh the

182

00:07:10,469 --> 00:07:06,800

world not dying

183

00:07:12,070 --> 00:07:10,479

uh you know and uh but uh yeah

184

00:07:14,150 --> 00:07:12,080

and it's kind of so it's kind of fun to

185

00:07:16,550 --> 00:07:14,160

be doing this again um

186

00:07:17,189 --> 00:07:16,560

but yeah i i have it's because i was so

187

00:07:19,029 --> 00:07:17,199

excited

188

00:07:20,469 --> 00:07:19,039

it felt like things were moving towards

189

00:07:23,029 --> 00:07:20,479

an amazing 2020

190

00:07:24,950 --> 00:07:23,039

in terms of ufos and and public

191

00:07:28,150 --> 00:07:24,960

knowledge and awareness and

192

00:07:31,749 --> 00:07:28,160

uh um respectability

193

00:07:34,790 --> 00:07:31,759

uh in the mainstream and uh

194

00:07:36,950 --> 00:07:34,800

and it's almost like uh this

195

00:07:38,070 --> 00:07:36,960

was all just done to up to the

196

00:07:42,230 --> 00:07:38,080

stars academy

197

00:07:44,790 --> 00:07:42,240

um so i'm not sure if that's the case

198

00:07:46,150 --> 00:07:44,800

well i i mean i'll say back back back in

199

00:07:49,189 --> 00:07:46,160

the day ryan i don't know

200

00:07:51,430 --> 00:07:49,199

do you remember there being

201
00:07:52,390 --> 00:07:51,440
rumors wait and maybe others do way way

202
00:07:54,950 --> 00:07:52,400
back in the day

203
00:07:57,110 --> 00:07:54,960
of there being some kind of ufo and

204
00:07:59,029 --> 00:07:57,120
alien disclosure and people were always

205
00:08:01,589 --> 00:07:59,039
predicting 2020.

206
00:08:03,510 --> 00:08:01,599
yeah i mean we i feel like that's a

207
00:08:04,390 --> 00:08:03,520
yearly thing at this point we do have

208
00:08:07,270 --> 00:08:04,400
the um

209
00:08:08,790 --> 00:08:07,280
the disclosure crowd the maple leafs are

210
00:08:11,670 --> 00:08:08,800
gonna win the stanley cup

211
00:08:12,550 --> 00:08:11,680
exactly man it's coming it's coming it's

212
00:08:14,629 --> 00:08:12,560
uh

213
00:08:16,950 --> 00:08:14,639

this was our year this totally was our

214

00:08:18,790 --> 00:08:16,960

year yeah

215

00:08:20,950 --> 00:08:18,800

but it really did seem like this year

216

00:08:23,589 --> 00:08:20,960

was different though right i mean yeah

217

00:08:25,189 --> 00:08:23,599

yeah yeah there was such a such a it was

218

00:08:26,950 --> 00:08:25,199

in the zeitgeist it was becoming

219

00:08:28,869 --> 00:08:26,960

in the mainstream side guys that people

220

00:08:30,390 --> 00:08:28,879

were taking it seriously and

221

00:08:31,749 --> 00:08:30,400

politicians were talking about it yeah

222

00:08:32,630 --> 00:08:31,759

it was definitely building towards

223

00:08:35,190 --> 00:08:32,640

something

224

00:08:36,550 --> 00:08:35,200

uh and now it's def it's definitely been

225

00:08:38,709 --> 00:08:36,560

sidelined by this

226

00:08:40,550 --> 00:08:38,719

yeah i i would have to agree with dave i

227

00:08:43,750 --> 00:08:40,560

think we were on a really

228

00:08:46,230 --> 00:08:43,760

really good fast narrow path

229

00:08:48,230 --> 00:08:46,240

in terms of ufos in the mainstream and i

230

00:08:50,949 --> 00:08:48,240

mean honestly that came with

231

00:08:52,870 --> 00:08:50,959

uh the new york times it came with uh

232

00:08:54,150 --> 00:08:52,880

with jeremy's documentaries and it came

233

00:08:57,190 --> 00:08:54,160

with to the stars

234

00:08:59,190 --> 00:08:57,200

and i i will be honest i

235

00:09:01,190 --> 00:08:59,200

as a ufo researcher who's been in the

236

00:09:03,990 --> 00:09:01,200

game for a really long time now

237

00:09:04,630 --> 00:09:04,000

like it was stuffy it was boring it was

238

00:09:07,350 --> 00:09:04,640

you know

239

00:09:08,550 --> 00:09:07,360

static and then boom we just got this

240

00:09:10,630 --> 00:09:08,560

injection of blood

241

00:09:12,949 --> 00:09:10,640

whether it was through jeremy's films or

242

00:09:14,710 --> 00:09:12,959

um books coming out by new authors

243

00:09:17,590 --> 00:09:14,720

interested in the ufo topic

244

00:09:18,949 --> 00:09:17,600

uh tom delong whoever i was i'm just

245

00:09:20,070 --> 00:09:18,959

riding the wave and it's been an

246

00:09:22,870 --> 00:09:20,080

incredible ride

247

00:09:23,670 --> 00:09:22,880

and to see people um like dave getting

248

00:09:25,670 --> 00:09:23,680

involved

249

00:09:26,949 --> 00:09:25,680

and everything like these are things we

250

00:09:29,269 --> 00:09:26,959

never expected to see

251

00:09:30,389 --> 00:09:29,279

in our little niche community that just

252

00:09:32,630 --> 00:09:30,399

seems to have grown

253

00:09:34,070 --> 00:09:32,640

exponentially in the last few years and

254

00:09:35,430 --> 00:09:34,080

i do agree with dave i think it's

255

00:09:37,590 --> 00:09:35,440

sidelined right now

256

00:09:39,269 --> 00:09:37,600

um for the mainstream perception of

257

00:09:41,190 --> 00:09:39,279

ufology but jane

258

00:09:43,430 --> 00:09:41,200

stuff like what you're doing here i

259

00:09:45,590 --> 00:09:43,440

think the ufo community is more

260

00:09:47,190 --> 00:09:45,600

connected now than ever i've been seeing

261

00:09:49,670 --> 00:09:47,200

so many panels and

262

00:09:51,269 --> 00:09:49,680

virtual conferences and stuff like that

263

00:09:53,350 --> 00:09:51,279

going on so i'm excited

264

00:09:55,190 --> 00:09:53,360

you know as much as i hate being locked

265

00:09:58,230 --> 00:09:55,200

down in the epicenter of this

266

00:09:59,110 --> 00:09:58,240

it's um it's been really good for my own

267

00:10:02,630 --> 00:09:59,120

personal

268

00:10:04,230 --> 00:10:02,640

research and um and just point of view

269

00:10:07,350 --> 00:10:04,240

as a human i guess

270

00:10:08,710 --> 00:10:07,360

yeah the world has a wound right now and

271

00:10:09,670 --> 00:10:08,720

you know we're all trying to figure out

272

00:10:12,230 --> 00:10:09,680

what tomorrow

273

00:10:12,949 --> 00:10:12,240

is going to look like and what we've

274

00:10:15,990 --> 00:10:12,959

seen

275

00:10:18,630 --> 00:10:16,000

is that our priorities have shifted and

276

00:10:19,509 --> 00:10:18,640

i think it's a good thing there's a lot

277

00:10:22,230 --> 00:10:19,519

of

278

00:10:23,590 --> 00:10:22,240

beauty that is going to come from

279

00:10:26,470 --> 00:10:23,600

everybody

280

00:10:27,430 --> 00:10:26,480

having to be more introspective having

281

00:10:30,790 --> 00:10:27,440

to see

282

00:10:31,350 --> 00:10:30,800

what a priority truly is in their lives

283

00:10:34,310 --> 00:10:31,360

what they

284

00:10:35,110 --> 00:10:34,320

value the most these things that not

285

00:10:37,350 --> 00:10:35,120

only

286

00:10:39,190 --> 00:10:37,360

show us that boundaries are completely

287

00:10:41,110 --> 00:10:39,200

false that maps are just something that

288

00:10:42,630 --> 00:10:41,120

we've created that we are as

289

00:10:45,350 --> 00:10:42,640

dave and i were talking about earlier

290

00:10:47,350 --> 00:10:45,360

today completely interconnected you know

291

00:10:48,870 --> 00:10:47,360

sad way to figure that out but we are

292

00:10:49,590 --> 00:10:48,880

connected to the planet we're connected

293

00:10:51,670 --> 00:10:49,600

to each other

294

00:10:53,269 --> 00:10:51,680

and all the boundaries we've created are

295

00:10:55,269 --> 00:10:53,279

completely fictitious

296

00:10:57,190 --> 00:10:55,279

you know this is something that i think

297

00:11:00,630 --> 00:10:57,200

will inspire a lot of understanding

298

00:11:00,949 --> 00:11:00,640

creativity and like any challenge as we

299

00:11:03,430 --> 00:11:00,959

go

300

00:11:04,710 --> 00:11:03,440

through this all together in our own way

301
00:11:07,990 --> 00:11:04,720
because certainly

302
00:11:09,990 --> 00:11:08,000
all quarantines are not created equal uh

303
00:11:12,389 --> 00:11:10,000
you know which is a positive or negative

304
00:11:15,509 --> 00:11:12,399
thing but it's the reality

305
00:11:16,069 --> 00:11:15,519
uh the ufo phenomenon it's been with us

306
00:11:18,310 --> 00:11:16,079
since

307
00:11:20,069 --> 00:11:18,320
as far as we can tell before the

308
00:11:20,790 --> 00:11:20,079
beginning of recorded human history but

309
00:11:22,230 --> 00:11:20,800
for sure

310
00:11:24,550 --> 00:11:22,240
since the beginning of recorded human

311
00:11:27,350 --> 00:11:24,560
history so

312
00:11:29,670 --> 00:11:27,360
this interest that we have we might not

313
00:11:33,430 --> 00:11:29,680

see it on fox news like we did

314

00:11:34,069 --> 00:11:33,440

a year ago but i am very confident in

315

00:11:36,069 --> 00:11:34,079

saying

316

00:11:37,269 --> 00:11:36,079

that that was just the beginning that

317

00:11:39,269 --> 00:11:37,279

there's a lot more

318

00:11:40,949 --> 00:11:39,279

that will be coming into the public

319

00:11:44,470 --> 00:11:40,959

realm and will

320

00:11:46,630 --> 00:11:44,480

kind of re-inspire that big

321

00:11:47,590 --> 00:11:46,640

question and you know the question is

322

00:11:50,389 --> 00:11:47,600

are we alone

323

00:11:51,509 --> 00:11:50,399

in the universe second is are they

324

00:11:54,150 --> 00:11:51,519

coming here

325

00:11:55,509 --> 00:11:54,160

so that's kind of like look man we gotta

326

00:11:57,590 --> 00:11:55,519

take care of the wound

327

00:11:59,269 --> 00:11:57,600

we've got to take care of each other it

328

00:12:01,910 --> 00:11:59,279

has an opportunity to

329

00:12:03,430 --> 00:12:01,920

revolutionize the way that we understand

330

00:12:05,829 --> 00:12:03,440

our connectivity

331

00:12:07,509 --> 00:12:05,839

and our connection to one another and

332

00:12:10,710 --> 00:12:07,519

then i think we'll be more

333

00:12:11,190 --> 00:12:10,720

formidable in our ability to tackle the

334

00:12:13,430 --> 00:12:11,200

bigger

335

00:12:15,829 --> 00:12:13,440

questions that's you know just not

336

00:12:17,750 --> 00:12:15,839

hunting eating sleeping and

337

00:12:18,870 --> 00:12:17,760

hate something dave and i were talking

338

00:12:21,590 --> 00:12:18,880

about before but

339

00:12:22,790 --> 00:12:21,600

we'll be able to look at these topics in

340

00:12:25,509 --> 00:12:22,800

a different way

341

00:12:26,710 --> 00:12:25,519

so look man it's not going away been

342

00:12:29,190 --> 00:12:26,720

here a long time

343

00:12:30,629 --> 00:12:29,200

and here we are and uncertainty and

344

00:12:32,550 --> 00:12:30,639

let's kind of see what happens from here

345

00:12:34,949 --> 00:12:32,560

but i'm very optimistic

346

00:12:36,150 --> 00:12:34,959

yeah well i should say um the ufo

347

00:12:39,110 --> 00:12:36,160

lockdown

348

00:12:39,430 --> 00:12:39,120

i very much feel inspired by you jeremy

349

00:12:45,269 --> 00:12:39,440

and

350

00:12:46,949 --> 00:12:45,279

actor comedian jeremy is it would make

351
00:12:48,710 --> 00:12:46,959
sense that we would cross paths but we

352
00:12:52,150 --> 00:12:48,720
met at area 51

353
00:12:55,670 --> 00:12:52,160
a year ago for the very peaceful

354
00:12:56,389 --> 00:12:55,680
storm area or storm base camp area 51

355
00:13:00,230 --> 00:12:56,399
base camp

356
00:13:02,870 --> 00:13:00,240
not the storm area 51 that was infamous

357
00:13:03,430 --> 00:13:02,880
on facebook and so we got to meet there

358
00:13:06,230 --> 00:13:03,440
i knew

359
00:13:07,110 --> 00:13:06,240
ryan from before and that was such an

360
00:13:10,230 --> 00:13:07,120
awesome

361
00:13:11,269 --> 00:13:10,240
event and it was you you and other

362
00:13:14,389 --> 00:13:11,279
people pulled together

363
00:13:16,069 --> 00:13:14,399

it together so quickly and in a time

364

00:13:19,590 --> 00:13:16,079

when it was really needed

365

00:13:22,150 --> 00:13:19,600

and so it definitely feels very similar

366

00:13:23,110 --> 00:13:22,160

this week so i was really inspired by

367

00:13:25,590 --> 00:13:23,120

that

368

00:13:27,190 --> 00:13:25,600

the only difference is i i called dave

369

00:13:29,030 --> 00:13:27,200

foley and dave we weren't like

370

00:13:30,710 --> 00:13:29,040

super tight yet or anything but i called

371

00:13:33,670 --> 00:13:30,720

you said hey man

372

00:13:35,030 --> 00:13:33,680

jump in a car get to the desert i got a

373

00:13:36,710 --> 00:13:35,040

dwelling for you

374

00:13:38,150 --> 00:13:36,720

it's by air if you want people thinking

375

00:13:39,189 --> 00:13:38,160

they're gonna storm it it's gonna be

376

00:13:41,910 --> 00:13:39,199

awesome man

377

00:13:42,629 --> 00:13:41,920

it's gonna be awesome and and you did

378

00:13:48,710 --> 00:13:42,639

you

379

00:13:50,550 --> 00:13:48,720

misconceptions about storm air 51

380

00:13:52,629 --> 00:13:50,560

we were there we were there for the main

381

00:13:54,230 --> 00:13:52,639

event what do you think about it was

382

00:13:55,829 --> 00:13:54,240

beautiful i mean it was a wonderful

383

00:13:59,110 --> 00:13:55,839

event i mean it wasn't

384

00:13:59,750 --> 00:13:59,120

the the insane uh event that some people

385

00:14:03,910 --> 00:13:59,760

were

386

00:14:08,710 --> 00:14:03,920

guess but it was just a wonderful like

387

00:14:10,629 --> 00:14:08,720

uh incredibly sort of peaceful um

388

00:14:11,829 --> 00:14:10,639

interesting gathering of people just in

389

00:14:14,389 --> 00:14:11,839

the desert

390

00:14:14,870 --> 00:14:14,399

you know enjoying music and and and

391

00:14:17,910 --> 00:14:14,880

enjoying

392

00:14:20,629 --> 00:14:17,920

talking about uh ufo phenomena and

393

00:14:21,350 --> 00:14:20,639

um you know and just being out there was

394

00:14:24,069 --> 00:14:21,360

you know just

395

00:14:24,470 --> 00:14:24,079

was a really wonderful experience and uh

396

00:14:28,150 --> 00:14:24,480

yeah

397

00:14:32,230 --> 00:14:30,069

i put extra cushy pillows in there so

398

00:14:34,389 --> 00:14:32,240

like as a comedian i'm just curious i

399

00:14:36,629 --> 00:14:34,399

mean i want you to repent

400

00:14:37,590 --> 00:14:36,639

but as a comedian can you tell me like

401
00:14:41,030 --> 00:14:37,600
what weaponry

402
00:14:43,030 --> 00:14:41,040
the the comedy has served in the form of

403
00:14:44,629 --> 00:14:43,040
dismissing the ufo topic and then why

404
00:14:44,949 --> 00:14:44,639
you've decided to talk about it in a

405
00:14:47,189 --> 00:14:44,959
more

406
00:14:49,509 --> 00:14:47,199
serious light well that's the thing i

407
00:14:52,629 --> 00:14:49,519
like you know for me i realized that my

408
00:14:54,949 --> 00:14:52,639
my people my my sub sub

409
00:14:57,030 --> 00:14:54,959
uh subphylum i guess we call it of the

410
00:14:59,670 --> 00:14:57,040
the human species comedians

411
00:15:00,310 --> 00:14:59,680
has done an awful lot to contribute to

412
00:15:06,870 --> 00:15:00,320
the

413
00:15:08,470 --> 00:15:06,880

have experienced it

414

00:15:10,069 --> 00:15:08,480

you know this you know you can pretty

415

00:15:13,430 --> 00:15:10,079

much go through and and

416

00:15:16,949 --> 00:15:13,440

look at any huge ufo event over the last

417

00:15:19,269 --> 00:15:16,959

40 50 60 years and

418

00:15:20,870 --> 00:15:19,279

tune in whatever comedian was speaking

419

00:15:21,509 --> 00:15:20,880

at the time and find them making jokes

420

00:15:23,189 --> 00:15:21,519

about it

421

00:15:24,710 --> 00:15:23,199

and always dismissing it and it's always

422

00:15:27,910 --> 00:15:24,720

you know you know

423

00:15:31,350 --> 00:15:27,920

depicting ufo experiencers as lunatics

424

00:15:32,230 --> 00:15:31,360

and um you know and and just tapping

425

00:15:35,509 --> 00:15:32,240

into

426
00:15:38,389 --> 00:15:35,519
the the most absurd

427
00:15:40,069 --> 00:15:38,399
description of the phenomenon that was

428
00:15:43,030 --> 00:15:40,079
fed to us by uh

429
00:15:44,629 --> 00:15:43,040
the government and feeding it back to

430
00:15:46,069 --> 00:15:44,639
people and making it impossible for

431
00:15:47,590 --> 00:15:46,079
people to come forward because they're

432
00:15:49,189 --> 00:15:47,600
terrified of being ridiculed by people

433
00:15:51,430 --> 00:15:49,199
like me

434
00:15:53,590 --> 00:15:51,440
so uh you know so comedians have had a

435
00:15:57,110 --> 00:15:53,600
lot to do with the uh

436
00:15:58,550 --> 00:15:57,120
suppression of the real data uh over the

437
00:16:00,710 --> 00:15:58,560
last 70 years

438
00:16:02,389 --> 00:16:00,720

and i feel like as a comedian i kind of

439

00:16:04,710 --> 00:16:02,399

want to point that out to people

440

00:16:06,949 --> 00:16:04,720

especially people who do comedy like i

441

00:16:08,069 --> 00:16:06,959

do and so to get them to think about it

442

00:16:10,949 --> 00:16:08,079

in a little more clever

443

00:16:11,269 --> 00:16:10,959

and and knowledgeable way and maybe just

444

00:16:18,310 --> 00:16:11,279

stop

445

00:16:21,110 --> 00:16:18,320

tools dave

446

00:16:23,350 --> 00:16:21,120

yes yeah but i can only i can only

447

00:16:25,990 --> 00:16:23,360

tackle one stopping being one particular

448

00:16:28,150 --> 00:16:26,000

kind of tool at a time

449

00:16:29,670 --> 00:16:28,160

that's a good point because i mean don't

450

00:16:30,310 --> 00:16:29,680

don't put it on yourself dave i mean

451
00:16:32,470 --> 00:16:30,320
it's ev

452
00:16:33,670 --> 00:16:32,480
it's in every industry and field is even

453
00:16:36,550 --> 00:16:33,680
within

454
00:16:38,470 --> 00:16:36,560
the ufology field you have people that

455
00:16:39,829 --> 00:16:38,480
give it a bad name what about you

456
00:16:41,590 --> 00:16:39,839
right what do you think so there's like

457
00:16:43,749 --> 00:16:41,600
we we have a lot of comedians to give

458
00:16:46,150 --> 00:16:43,759
comedy a bad name too

459
00:16:47,829 --> 00:16:46,160
do you get any do you see any do you see

460
00:16:50,550 --> 00:16:47,839
any of the ufo do you participate in the

461
00:16:53,670 --> 00:16:50,560
ufo twitter at all dave i was gonna

462
00:16:57,189 --> 00:16:53,680
i know that ryan knows that hashtag but

463
00:16:58,150 --> 00:16:57,199

um yeah i mean there's a lot of ufo

464

00:17:00,629 --> 00:16:58,160

debate

465

00:17:01,829 --> 00:17:00,639

in chat so like where does every i'm

466

00:17:04,789 --> 00:17:01,839

assuming that we're all

467

00:17:05,669 --> 00:17:04,799

appreciative of to the stars academy

468

00:17:08,470 --> 00:17:05,679

yeah and

469

00:17:10,309 --> 00:17:08,480

and what has been accomplished there but

470

00:17:13,909 --> 00:17:10,319

there's a lot of people

471

00:17:16,309 --> 00:17:13,919

who are very skeptical of it

472

00:17:17,990 --> 00:17:16,319

no where do you guys people coming from

473

00:17:21,029 --> 00:17:18,000

any group of people at all

474

00:17:24,630 --> 00:17:21,039

that get involved in any uh endeavor

475

00:17:28,150 --> 00:17:24,640

uh have a tremendous capacity for uh

476

00:17:29,830 --> 00:17:28,160

really dumb backbiting uh you know

477

00:17:31,270 --> 00:17:29,840

and i think so that's any group any

478

00:17:32,310 --> 00:17:31,280

group that gathers anywhere there's

479

00:17:33,430 --> 00:17:32,320

always gonna be some people that are

480

00:17:35,990 --> 00:17:33,440

just going to

481

00:17:36,950 --> 00:17:36,000

embarrass you and attack each other for

482

00:17:39,110 --> 00:17:36,960

no good reason

483

00:17:40,870 --> 00:17:39,120

and and and just sort of set everybody

484

00:17:42,390 --> 00:17:40,880

back uh and that

485

00:17:44,070 --> 00:17:42,400

that definitely seems to be the case in

486

00:17:47,029 --> 00:17:44,080

the ufo community that there are a lot

487

00:17:50,870 --> 00:17:47,039

of people who are just very uh

488

00:17:53,990 --> 00:17:50,880

non-constructive i guess and territorial

489

00:17:55,669 --> 00:17:54,000

and uh and i think i usually usually

490

00:17:57,190 --> 00:17:55,679

sort of feel like

491

00:17:59,029 --> 00:17:57,200

any endeavor when you get really

492

00:18:01,190 --> 00:17:59,039

territorial about things

493

00:18:02,789 --> 00:18:01,200

and it's all about uh this new bit of

494

00:18:04,230 --> 00:18:02,799

information is undermining the thing

495

00:18:07,270 --> 00:18:04,240

i've been putting forward so i'd better

496

00:18:08,950 --> 00:18:07,280

attack that new bit of information

497

00:18:10,390 --> 00:18:08,960

you know as opposed to getting excited

498

00:18:10,950 --> 00:18:10,400

about anything you know like i always

499

00:18:12,549 --> 00:18:10,960

said you

500

00:18:14,310 --> 00:18:12,559

you know the only arguments worth having

501
00:18:17,029 --> 00:18:14,320
are the ones you lose

502
00:18:18,789 --> 00:18:17,039
oh that's you know yeah so uh you know

503
00:18:20,870 --> 00:18:18,799
you never you never you never learn

504
00:18:24,070 --> 00:18:20,880
anything from winning an argument

505
00:18:25,750 --> 00:18:24,080
um so uh so i'm you know

506
00:18:27,510 --> 00:18:25,760
and when i whenever i find out i was

507
00:18:29,750 --> 00:18:27,520
wrong about something i find it kind of

508
00:18:31,990 --> 00:18:29,760
exciting and i think that's something

509
00:18:33,669 --> 00:18:32,000
that should be applied to any any field

510
00:18:35,590 --> 00:18:33,679
i'd like to educate too i agree with

511
00:18:37,669 --> 00:18:35,600
dave i think um

512
00:18:38,950 --> 00:18:37,679
you know the word constructive is

513
00:18:41,029 --> 00:18:38,960

extremely important

514

00:18:42,630 --> 00:18:41,039

we need skeptics in this field this

515

00:18:45,270 --> 00:18:42,640

quote-unquote field

516

00:18:47,190 --> 00:18:45,280

we need them like it's necessary and i

517

00:18:49,190 --> 00:18:47,200

i'm sure all four of us

518

00:18:50,230 --> 00:18:49,200

five of us excuse me i was not included

519

00:18:52,150 --> 00:18:50,240

myself and six

520

00:18:53,430 --> 00:18:52,160

i see the alien in the background there

521

00:18:56,630 --> 00:18:53,440

um

522

00:18:59,110 --> 00:18:56,640

uh we all are skeptic to some degree

523

00:18:59,990 --> 00:18:59,120

um but when when dave says it comes to

524

00:19:03,190 --> 00:19:00,000

attacking and

525

00:19:05,510 --> 00:19:03,200

straight up straight up debunking um

526

00:19:07,590 --> 00:19:05,520

immediately without even asking someone

527

00:19:10,950 --> 00:19:07,600

i mean i see jeremy deal with this

528

00:19:12,150 --> 00:19:10,960

on a freaking daily basis of people

529

00:19:15,350 --> 00:19:12,160

coming at him

530

00:19:15,909 --> 00:19:15,360

talking about bob lazar and they say the

531

00:19:18,710 --> 00:19:15,919

same

532

00:19:19,830 --> 00:19:18,720

damn like five words every time without

533

00:19:22,870 --> 00:19:19,840

even looking at it

534

00:19:24,549 --> 00:19:22,880

if you go back and look at any news uh

535

00:19:26,310 --> 00:19:24,559

you know segment about ufos where

536

00:19:28,870 --> 00:19:26,320

there's a believer

537

00:19:30,950 --> 00:19:28,880

or someone you know a proponent of the

538

00:19:32,630 --> 00:19:30,960

ufo phenomenon and a skeptic

539

00:19:33,990 --> 00:19:32,640

they don't even know what case they're

540

00:19:35,270 --> 00:19:34,000

on there to talk about

541

00:19:37,350 --> 00:19:35,280

they just know exactly what they're

542

00:19:39,590 --> 00:19:37,360

gonna say it was venus

543

00:19:40,870 --> 00:19:39,600

it was this and they don't even put the

544

00:19:42,630 --> 00:19:40,880

legwork in so

545

00:19:44,310 --> 00:19:42,640

i think that applies to twitter too i

546

00:19:46,630 --> 00:19:44,320

think there's a lot of um

547

00:19:49,350 --> 00:19:46,640

people on twitter who are just there to

548

00:19:51,990 --> 00:19:49,360

um only amplify that tribalism

549

00:19:53,270 --> 00:19:52,000

but uh end of the day i mean i love

550

00:19:55,669 --> 00:19:53,280

talking to everyone on

551

00:19:56,710 --> 00:19:55,679

uh ufo twitter it's it's fun it's

552

00:19:59,909 --> 00:19:56,720

entertaining

553

00:20:01,590 --> 00:19:59,919

um but you gotta remain you know yeah

554

00:20:03,350 --> 00:20:01,600

you gotta remain respectful

555

00:20:04,710 --> 00:20:03,360

i'm not sure if i've delved into you to

556

00:20:06,470 --> 00:20:04,720

ufo twitter

557

00:20:08,710 --> 00:20:06,480

you have to it's basically twitter

558

00:20:11,669 --> 00:20:08,720

anything you talk about ufos

559

00:20:12,070 --> 00:20:11,679

yeah i mean i follow all of you guys you

560

00:20:17,750 --> 00:20:12,080

know

561

00:20:20,870 --> 00:20:17,760

me make a comment here

562

00:20:21,990 --> 00:20:20,880

so about twitter and about our ability

563

00:20:25,669 --> 00:20:22,000

to communicate

564

00:20:27,350 --> 00:20:25,679

about ufos and about skepticism dave

565

00:20:30,070 --> 00:20:27,360

foley has actually said some things to

566

00:20:33,029 --> 00:20:30,080

me that were very powerful about this

567

00:20:35,029 --> 00:20:33,039

you know there's he has an analogy that

568

00:20:35,669 --> 00:20:35,039

maybe you'll share with us about occam's

569

00:20:38,789 --> 00:20:35,679

razor

570

00:20:40,310 --> 00:20:38,799

after i say this but you know the basic

571

00:20:43,830 --> 00:20:40,320

thing is

572

00:20:44,310 --> 00:20:43,840

skepticism is one thing right the idea

573

00:20:47,029 --> 00:20:44,320

that you

574

00:20:48,310 --> 00:20:47,039

critically look at something to try to

575

00:20:50,710 --> 00:20:48,320

determine

576

00:20:53,270 --> 00:20:50,720

if there's weight or validity to it

577

00:20:56,549 --> 00:20:53,280

because none of us want to look a fool

578

00:20:58,789 --> 00:20:56,559

none of us want to be wrong

579

00:20:59,909 --> 00:20:58,799

however i think that's a huge mistake as

580

00:21:02,549 --> 00:20:59,919

you said earlier

581

00:21:03,270 --> 00:21:02,559

jane or i think it was you you know it's

582

00:21:05,590 --> 00:21:03,280

through

583

00:21:06,549 --> 00:21:05,600

loss like when i was a mixed martial

584

00:21:08,230 --> 00:21:06,559

athlete

585

00:21:10,230 --> 00:21:08,240

when i was doing that it was always the

586

00:21:12,310 --> 00:21:10,240

losses that taught me

587

00:21:14,070 --> 00:21:12,320

how to better resolve for the you know

588

00:21:16,070 --> 00:21:14,080

future problems

589

00:21:17,990 --> 00:21:16,080

jiu jitsu is like problems you're

590

00:21:20,470 --> 00:21:18,000

solving them as you go

591

00:21:21,110 --> 00:21:20,480

so this idea of communication with

592

00:21:24,549 --> 00:21:21,120

twitter

593

00:21:26,149 --> 00:21:24,559

and ufology and skepticism yeah every

594

00:21:28,310 --> 00:21:26,159

day i deal with this

595

00:21:30,310 --> 00:21:28,320

you know i people ask the same questions

596

00:21:31,029 --> 00:21:30,320

over and over and the questions the

597

00:21:34,149 --> 00:21:31,039

tones are

598

00:21:35,270 --> 00:21:34,159

loaded with preconception i've

599

00:21:39,190 --> 00:21:35,280

completely

600

00:21:42,470 --> 00:21:39,200

ignore i block delete don't read

601
00:21:43,029 --> 00:21:42,480
hatred uh venom that kind of thing it's

602
00:21:44,710 --> 00:21:43,039
too much

603
00:21:47,669 --> 00:21:44,720
coming in my life has changed greatly

604
00:21:50,950 --> 00:21:47,679
since my movies it's too much coming in

605
00:21:54,070 --> 00:21:50,960
so there are pressure points we can push

606
00:21:56,710 --> 00:21:54,080
those that are interested in finding out

607
00:21:57,630 --> 00:21:56,720
if the ufo topic has enough merit

608
00:22:01,029 --> 00:21:57,640
scientifically

609
00:22:04,549 --> 00:22:01,039
sociologically and personally to

610
00:22:07,350 --> 00:22:04,559
to give it value to give it time

611
00:22:08,149 --> 00:22:07,360
those are the people that it's you're

612
00:22:09,990 --> 00:22:08,159
required

613
00:22:12,310 --> 00:22:10,000

to answer them i do believe that i

614

00:22:14,470 --> 00:22:12,320

believe it is our duty and our job to be

615

00:22:17,909 --> 00:22:14,480

honest and straightforward and answer

616

00:22:19,990 --> 00:22:17,919

but when the conversation devolves into

617

00:22:21,590 --> 00:22:20,000

a point and a perspective where people

618

00:22:23,990 --> 00:22:21,600

are just trying to

619

00:22:26,310 --> 00:22:24,000

prove their own standpoint it's a waste

620

00:22:29,510 --> 00:22:26,320

of space a waste of breath

621

00:22:32,149 --> 00:22:29,520

so my tactic is drop it and

622

00:22:34,070 --> 00:22:32,159

leave it but then jump in later and

623

00:22:35,830 --> 00:22:34,080

people that are really interested

624

00:22:37,510 --> 00:22:35,840

i'm going to go through it now the

625

00:22:40,470 --> 00:22:37,520

number one problem i have

626
00:22:41,510 --> 00:22:40,480
with you know social media and the ufo

627
00:22:44,710 --> 00:22:41,520
topic

628
00:22:47,909 --> 00:22:44,720
is people wanting everything now

629
00:22:50,230 --> 00:22:47,919
and wanting it the easy way if i tell

630
00:22:52,470 --> 00:22:50,240
you my opinion on something

631
00:22:54,230 --> 00:22:52,480
you're not going to be swayed you're

632
00:22:54,789 --> 00:22:54,240
going to be able to drop that opinion

633
00:22:57,110 --> 00:22:54,799
later

634
00:22:58,390 --> 00:22:57,120
if it wasn't formed and forged through

635
00:23:01,430 --> 00:22:58,400
the fire of your

636
00:23:03,270 --> 00:23:01,440
own desire and your own look at stuff so

637
00:23:04,390 --> 00:23:03,280
you need to investigate a lot of the

638
00:23:05,909 --> 00:23:04,400

questions i get are things that are

639

00:23:07,430 --> 00:23:05,919

already answered the same things that

640

00:23:11,430 --> 00:23:07,440

have been answered for 30 years

641

00:23:14,230 --> 00:23:11,440

like about bob lazar however

642

00:23:16,390 --> 00:23:14,240

the concept that we can communicate as

643

00:23:18,549 --> 00:23:16,400

long as nobody says something mean or

644

00:23:19,510 --> 00:23:18,559

terrible you know let's talk about it

645

00:23:20,710 --> 00:23:19,520

but if it's something that's been

646

00:23:23,830 --> 00:23:20,720

answered before

647

00:23:26,390 --> 00:23:23,840

i'm going to say go do the work

648

00:23:28,230 --> 00:23:26,400

go look into it go build your own

649

00:23:31,350 --> 00:23:28,240

personal akashic record

650

00:23:33,909 --> 00:23:31,360

of information form your own opinion

651
00:23:34,549 --> 00:23:33,919
now dave foley had a very interesting

652
00:23:36,710 --> 00:23:34,559
point

653
00:23:38,789 --> 00:23:36,720
that he told me about occam's razor so

654
00:23:39,909 --> 00:23:38,799
not to get into specifics with lazar or

655
00:23:42,549 --> 00:23:39,919
whatever but

656
00:23:43,909 --> 00:23:42,559
just yeah the basic concept you've told

657
00:23:46,630 --> 00:23:43,919
me dave can you

658
00:23:48,830 --> 00:23:46,640
tell us it's basically my reaction to

659
00:23:51,590 --> 00:23:48,840
people like michael shermer

660
00:23:53,269 --> 00:23:51,600
who you know the you know and the notion

661
00:23:57,029 --> 00:23:53,279
that they'll apply outcomes rays are

662
00:23:58,950 --> 00:23:57,039
uh in in in inaccurately

663
00:24:00,630 --> 00:23:58,960

because occam's razor doesn't say that

664

00:24:01,590 --> 00:24:00,640

the most boring answer is correct it

665

00:24:05,350 --> 00:24:01,600

says that the

666

00:24:07,110 --> 00:24:05,360

the simplest answer is correct you know

667

00:24:08,710 --> 00:24:07,120

but they've taken that to be just them

668

00:24:09,750 --> 00:24:08,720

whatever is the most banal answer that's

669

00:24:12,149 --> 00:24:09,760

when you're going to have to

670

00:24:14,230 --> 00:24:12,159

accept even if it is you have to jump

671

00:24:16,070 --> 00:24:14,240

through multiple loops

672

00:24:17,510 --> 00:24:16,080

to accept it like michael shermer saying

673

00:24:21,430 --> 00:24:17,520

the tic tac video

674

00:24:24,789 --> 00:24:21,440

was a product of uh exhaustion on the

675

00:24:29,110 --> 00:24:24,799

part of the pilots uh equipment error

676

00:24:32,549 --> 00:24:29,120

on the on the uh onboard uh

677

00:24:33,830 --> 00:24:32,559

radar and infrared cameras combined with

678

00:24:37,190 --> 00:24:33,840

equipment error

679

00:24:40,630 --> 00:24:37,200

in the radar rooms of you know of the uh

680

00:24:44,230 --> 00:24:40,640

the ships below uh combined with

681

00:24:46,710 --> 00:24:44,240

uh errors in perception

682

00:24:47,669 --> 00:24:46,720

by the trained pilots in two jets well

683

00:24:48,710 --> 00:24:47,679

three jets actually

684

00:24:51,590 --> 00:24:48,720

if you count the one that we haven't

685

00:24:55,110 --> 00:24:51,600

actually did so you have to accept

686

00:24:57,029 --> 00:24:55,120

that uh a trained pilot couldn't tell

687

00:25:00,870 --> 00:24:57,039

the difference between the exhaust

688

00:25:03,350 --> 00:25:00,880

flare of another uh jet

689

00:25:04,470 --> 00:25:03,360
and uh the tic tac that he clearly

690

00:25:06,549 --> 00:25:04,480
observed

691

00:25:08,230 --> 00:25:06,559
and you have to accept that at the exact

692

00:25:11,510 --> 00:25:08,240
same time

693

00:25:12,470 --> 00:25:11,520
the uh the radar the most advanced radar

694

00:25:15,830 --> 00:25:12,480
in the world

695

00:25:17,350 --> 00:25:15,840
uh got a false reading on a craft that

696

00:25:18,390 --> 00:25:17,360
exactly matched the movements of the

697

00:25:21,110 --> 00:25:18,400
craft that

698

00:25:21,750 --> 00:25:21,120
uh david fravor was observing so you

699

00:25:23,830 --> 00:25:21,760
have to believe

700

00:25:25,350 --> 00:25:23,840
all of these things happened and and

701
00:25:28,149 --> 00:25:25,360
that he was exhausted

702
00:25:28,390 --> 00:25:28,159
and hallucinating uh in order and this

703
00:25:30,950 --> 00:25:28,400
is

704
00:25:31,750 --> 00:25:30,960
also coming from people who've never

705
00:25:34,470 --> 00:25:31,760
spoken

706
00:25:35,990 --> 00:25:34,480
with commander fraber and this is coming

707
00:25:36,390 --> 00:25:36,000
from yeah and that that to me is the

708
00:25:39,350 --> 00:25:36,400
most

709
00:25:40,950 --> 00:25:39,360
annoying because you know my whole

710
00:25:42,710 --> 00:25:40,960
investigation began

711
00:25:44,549 --> 00:25:42,720
going into the nimitz encounters waiting

712
00:25:45,029 --> 00:25:44,559
for it was ever known yeah and speaking

713
00:25:47,990 --> 00:25:45,039

with people

714

00:25:49,909 --> 00:25:48,000

directly and with occam's razor the

715

00:25:53,590 --> 00:25:49,919

simplest explanation for what happened

716

00:25:56,470 --> 00:25:53,600

is he saw exactly what he described

717

00:25:57,269 --> 00:25:56,480

right that doesn't say what it is that

718

00:25:58,870 --> 00:25:57,279

he saw

719

00:26:01,110 --> 00:25:58,880

doesn't say how it flies doesn't say

720

00:26:03,029 --> 00:26:01,120

where it's from but occam's razor says

721

00:26:04,549 --> 00:26:03,039

the simplest explanation for what

722

00:26:06,549 --> 00:26:04,559

happened that day

723

00:26:07,990 --> 00:26:06,559

is everybody saw exactly what they

724

00:26:10,390 --> 00:26:08,000

described yep

725

00:26:12,630 --> 00:26:10,400

yeah dave i mean if even one of those

726

00:26:14,630 --> 00:26:12,640

things michael shermer said is true

727

00:26:15,669 --> 00:26:14,640

those people should not be in the navy i

728

00:26:17,750 --> 00:26:15,679

mean straight up

729

00:26:19,990 --> 00:26:17,760

no those aren't the people we want

730

00:26:21,750 --> 00:26:20,000

defending our exactly our national

731

00:26:23,590 --> 00:26:21,760

security give me a break

732

00:26:25,269 --> 00:26:23,600

no and it's also this is a guy and they

733

00:26:25,830 --> 00:26:25,279

said it was the stress the performance

734

00:26:28,630 --> 00:26:25,840

dress

735

00:26:30,549 --> 00:26:28,640

david framer he's a top gun pilot he's

736

00:26:31,430 --> 00:26:30,559

not going to flip out during a training

737

00:26:34,710 --> 00:26:31,440

mission

738

00:26:37,110 --> 00:26:34,720

no no yeah good point let me uh

739

00:26:37,990 --> 00:26:37,120

add a little bit commander fraber at the

740

00:26:41,029 --> 00:26:38,000

time was

741

00:26:43,110 --> 00:26:41,039

head of the black aces commander fravor

742

00:26:45,029 --> 00:26:43,120

had more flight time than anybody and it

743

00:26:48,070 --> 00:26:45,039

wasn't just commander fravor

744

00:26:50,149 --> 00:26:48,080

that saw the tic tac there were many

745

00:26:52,470 --> 00:26:50,159

eyes a few planes up there

746

00:26:53,990 --> 00:26:52,480

yeah but he was the one that engaged it

747

00:26:57,430 --> 00:26:54,000

he was the one that actually

748

00:27:00,950 --> 00:26:57,440

chased it so yeah these types of

749

00:27:04,230 --> 00:27:00,960

um i don't know detached

750

00:27:07,269 --> 00:27:04,240

viewpoints obviously they have an

751
00:27:09,750 --> 00:27:07,279
agenda you know a psychological agenda

752
00:27:11,029 --> 00:27:09,760
in trying to dismiss something where the

753
00:27:13,110 --> 00:27:11,039
weight is so

754
00:27:14,230 --> 00:27:13,120
powerful now i love when the bunkers

755
00:27:17,190 --> 00:27:14,240
come out and say

756
00:27:19,029 --> 00:27:17,200
uh by the way uh trained top gun pilots

757
00:27:22,070 --> 00:27:19,039
are no better observers than the average

758
00:27:25,350 --> 00:27:23,590
you don't understand they're better yet

759
00:27:28,389 --> 00:27:25,360
they are yeah

760
00:27:30,870 --> 00:27:28,399
yeah they are and additionally uh

761
00:27:31,430 --> 00:27:30,880
hopefully i'll reveal a lot more of this

762
00:27:34,630 --> 00:27:31,440
you know

763
00:27:36,149 --> 00:27:34,640

there's there were a lot of things going

764

00:27:39,110 --> 00:27:36,159

on at that time

765

00:27:39,669 --> 00:27:39,120

there were a lot of systems that we have

766

00:27:43,830 --> 00:27:39,679

that we're

767

00:27:45,510 --> 00:27:43,840

so we're not just talking about

768

00:27:48,630 --> 00:27:45,520

eyewitness that's what makes

769

00:27:50,870 --> 00:27:48,640

the nimitz encounters a great case

770

00:27:52,230 --> 00:27:50,880

is we're talking about technologies

771

00:27:54,389 --> 00:27:52,240

individuals

772

00:27:55,830 --> 00:27:54,399

i will say although it's a very unpop

773

00:27:56,870 --> 00:27:55,840

i'm going to be killed on ufo twitter

774

00:27:58,470 --> 00:27:56,880

for this

775

00:28:00,549 --> 00:27:58,480

there are a lot of bullshitters out

776

00:28:02,389 --> 00:28:00,559

there there's a lot of people

777

00:28:04,149 --> 00:28:02,399

that and you can read it in two seconds

778

00:28:05,590 --> 00:28:04,159

they're like whining children there's

779

00:28:07,750 --> 00:28:05,600

people that come out

780

00:28:09,430 --> 00:28:07,760

and they're trying to make a buck off of

781

00:28:11,430 --> 00:28:09,440

what's been going on

782

00:28:13,350 --> 00:28:11,440

now i'll tell you the people i've

783

00:28:16,310 --> 00:28:13,360

interviewed people i talked with

784

00:28:17,269 --> 00:28:16,320

they were resistant to going out

785

00:28:19,990 --> 00:28:17,279

publicly

786

00:28:21,830 --> 00:28:20,000

they weren't jumping up on podiums and

787

00:28:23,269 --> 00:28:21,840

trying to make a dollar off of it

788

00:28:24,470 --> 00:28:23,279

so people say why didn't you interview

789

00:28:25,110 --> 00:28:24,480

this person why didn't you interview

790

00:28:27,430 --> 00:28:25,120

that person

791

00:28:29,350 --> 00:28:27,440

people don't know who i interviewed i

792

00:28:31,110 --> 00:28:29,360

haven't released everything

793

00:28:33,750 --> 00:28:31,120

the people that are most interesting to

794

00:28:34,789 --> 00:28:33,760

me are the people that don't have a dog

795

00:28:37,029 --> 00:28:34,799

in the fight

796

00:28:38,389 --> 00:28:37,039

the people that are resistant to being

797

00:28:41,110 --> 00:28:38,399

known publicly

798

00:28:42,950 --> 00:28:41,120

this is a seminal case for the ufo topic

799

00:28:46,230 --> 00:28:42,960

because it's current

800

00:28:46,510 --> 00:28:46,240

and it implies a lot uh it implies a lot

801
00:28:49,750 --> 00:28:46,520
of

802
00:28:52,789 --> 00:28:49,760
understanding on a government level

803
00:28:56,070 --> 00:28:52,799
and a military level of an increased

804
00:28:56,870 --> 00:28:56,080
frequency of unknown vehicles of unknown

805
00:28:58,710 --> 00:28:56,880
origin

806
00:29:00,070 --> 00:28:58,720
of high technology that outpace

807
00:29:02,630 --> 00:29:00,080
outmaneuver and

808
00:29:04,950 --> 00:29:02,640
shut down some of our most complex

809
00:29:07,909 --> 00:29:04,960
communications and weapon systems

810
00:29:09,029 --> 00:29:07,919
so this is an important case it's a very

811
00:29:11,190 --> 00:29:09,039
important case

812
00:29:13,190 --> 00:29:11,200
but just to kind of go back to your

813
00:29:16,070 --> 00:29:13,200

point dave

814

00:29:17,669 --> 00:29:16,080

uh i think that you know it's in the eye

815

00:29:19,750 --> 00:29:17,679

of the beholder in a way

816

00:29:21,590 --> 00:29:19,760

if you've already made up your mind

817

00:29:23,750 --> 00:29:21,600

there's nothing anybody can do

818

00:29:25,430 --> 00:29:23,760

but if you're willing to look at the

819

00:29:28,149 --> 00:29:25,440

evidence and you're willing to

820

00:29:29,029 --> 00:29:28,159

really take the time there's a profound

821

00:29:31,669 --> 00:29:29,039

mystery

822

00:29:34,710 --> 00:29:31,679

that we are now being led in on that's

823

00:29:37,750 --> 00:29:34,720

been held secret by our government

824

00:29:39,350 --> 00:29:37,760

for more than 70 years i i'd love to ask

825

00:29:40,389 --> 00:29:39,360

jeremy your opinion on this since you've

826

00:29:43,190 --> 00:29:40,399

spoken to

827

00:29:43,909 --> 00:29:43,200

commander framer um a lot of skeptics

828

00:29:47,510 --> 00:29:43,919

are saying

829

00:29:50,230 --> 00:29:47,520

this was the air force testing the navy

830

00:29:51,669 --> 00:29:50,240

i mean i i don't know that sounds to me

831

00:29:54,789 --> 00:29:51,679

that sounds asinine

832

00:29:57,909 --> 00:29:54,799

that they would no no that's verifiably

833

00:30:00,870 --> 00:29:57,919

false okay it's verifiably false

834

00:30:01,669 --> 00:30:00,880

on so many levels okay not even not even

835

00:30:05,510 --> 00:30:01,679

talking about

836

00:30:07,750 --> 00:30:05,520

the technology and what it can do

837

00:30:09,350 --> 00:30:07,760

and the fact that we don't have this

838

00:30:11,990 --> 00:30:09,360

technology

839

00:30:12,870 --> 00:30:12,000

but additionally that's not how things

840

00:30:15,990 --> 00:30:12,880

are tested

841

00:30:17,430 --> 00:30:16,000

that is dangerous that it that is not

842

00:30:21,110 --> 00:30:17,440

something that is even

843

00:30:22,630 --> 00:30:21,120

remotely part of a a reality that can be

844

00:30:24,310 --> 00:30:22,640

considered this is not

845

00:30:25,750 --> 00:30:24,320

one branch of the government with a

846

00:30:28,789 --> 00:30:25,760

technology

847

00:30:29,830 --> 00:30:28,799

that has been unused in warfare that all

848

00:30:32,950 --> 00:30:29,840

of a sudden

849

00:30:35,350 --> 00:30:32,960

were testing secretly

850

00:30:36,070 --> 00:30:35,360

off the coast of california that's not

851
00:30:40,149 --> 00:30:36,080
how it

852
00:30:42,950 --> 00:30:40,159
works period full stop

853
00:30:44,470 --> 00:30:42,960
anybody that says that walk away better

854
00:30:48,830 --> 00:30:44,480
use your time

855
00:30:51,590 --> 00:30:48,840
this was an unknown object of extreme

856
00:30:52,789 --> 00:30:51,600
technology that is very clearly

857
00:30:57,110 --> 00:30:52,799
manipulating

858
00:31:00,789 --> 00:30:57,120
what we know as gravity in order to

859
00:31:03,509 --> 00:31:00,799
maneuver it was able to shut down

860
00:31:04,950 --> 00:31:03,519
our optics and weapon systems on our

861
00:31:08,870 --> 00:31:04,960
most advanced

862
00:31:11,430 --> 00:31:08,880
systems as well as our encrypted systems

863
00:31:12,389 --> 00:31:11,440

one of the most amazing things about the

864

00:31:15,430 --> 00:31:12,399

the tic tac

865

00:31:17,269 --> 00:31:15,440

incident is the way that it was able to

866

00:31:19,029 --> 00:31:17,279

maneuver to what's called the cap

867

00:31:21,509 --> 00:31:19,039

point which is a later point the command

868

00:31:23,909 --> 00:31:21,519

of favor was going to

869

00:31:25,190 --> 00:31:23,919

somehow whether it be temporal

870

00:31:28,070 --> 00:31:25,200

distortion

871

00:31:28,870 --> 00:31:28,080

or let it be some sort of encryption it

872

00:31:31,350 --> 00:31:28,880

was able to

873

00:31:31,990 --> 00:31:31,360

know a future movement that one of our

874

00:31:34,389 --> 00:31:32,000

pilots were

875

00:31:35,750 --> 00:31:34,399

able to do dave foley and i would today

876

00:31:38,070 --> 00:31:35,760

were talking about well

877

00:31:39,430 --> 00:31:38,080

what have these advanced technologies

878

00:31:42,070 --> 00:31:39,440

that we call ufos

879

00:31:43,990 --> 00:31:42,080

what have they done with our technology

880

00:31:46,230 --> 00:31:44,000

you know what are they capable of

881

00:31:47,350 --> 00:31:46,240

you know this is beyond shadow of a

882

00:31:49,830 --> 00:31:47,360

doubt

883

00:31:51,830 --> 00:31:49,840

we know that these technologies can shut

884

00:31:54,389 --> 00:31:51,840

down our nuclear weapons

885

00:31:55,590 --> 00:31:54,399

we know that they can manipulate our

886

00:31:57,669 --> 00:31:55,600

nuclear weapons

887

00:31:59,190 --> 00:31:57,679

this is something that they have shown

888

00:32:02,070 --> 00:31:59,200

before this is not me

889

00:32:02,470 --> 00:32:02,080

just talking this is a true thing so

890

00:32:05,830 --> 00:32:02,480

this

891

00:32:08,950 --> 00:32:05,840

concept of a way a hardcore physical

892

00:32:10,470 --> 00:32:08,960

technology interacts with some sort of

893

00:32:11,190 --> 00:32:10,480

intelligence that's operating them

894

00:32:13,269 --> 00:32:11,200

whether than be

895

00:32:15,269 --> 00:32:13,279

manned or not manned or people are in

896

00:32:17,909 --> 00:32:15,279

them or people are not in them

897

00:32:18,470 --> 00:32:17,919

uh this is not something we have this is

898

00:32:21,269 --> 00:32:18,480

something

899

00:32:23,110 --> 00:32:21,279

we wish we had one of the greatest

900

00:32:25,029 --> 00:32:23,120

moments of my life

901
00:32:27,190 --> 00:32:25,039
was being able to speak with the highest

902
00:32:28,070 --> 00:32:27,200
ranking military individual that i have

903
00:32:30,549 --> 00:32:28,080
ever

904
00:32:31,430 --> 00:32:30,559
personally been able to speak with one

905
00:32:34,470 --> 00:32:31,440
to one

906
00:32:36,310 --> 00:32:34,480
man to man person to person somebody who

907
00:32:37,909 --> 00:32:36,320
is in a position to know

908
00:32:39,430 --> 00:32:37,919
somebody who is currently in a position

909
00:32:42,630 --> 00:32:39,440
to know

910
00:32:45,110 --> 00:32:42,640
and what he said to me is that

911
00:32:45,909 --> 00:32:45,120
if we had these technologies we would

912
00:32:49,269 --> 00:32:45,919
have had been

913
00:32:49,909 --> 00:32:49,279

deploying them we would have been using

914

00:32:52,710 --> 00:32:49,919

them

915

00:32:54,389 --> 00:32:52,720

it's so revolutionary we wish we did

916

00:32:56,470 --> 00:32:54,399

have these technologies these things

917

00:32:59,269 --> 00:32:56,480

you're calling ufos jeremy

918

00:33:00,789 --> 00:32:59,279

we wish we had them we do not have

919

00:33:03,509 --> 00:33:00,799

anti-gravity

920

00:33:05,909 --> 00:33:03,519

we do not have the ability to move

921

00:33:09,350 --> 00:33:05,919

through space-time as these craft do

922

00:33:12,710 --> 00:33:09,360

and undeniably bees

923

00:33:13,909 --> 00:33:12,720

craft are moving through gravity wave

924

00:33:17,269 --> 00:33:13,919

amplification

925

00:33:20,470 --> 00:33:17,279

this is undeniable our military knows it

926
00:33:21,669 --> 00:33:20,480
our intelligence agencies know this the

927
00:33:24,950 --> 00:33:21,679
problem is

928
00:33:26,470 --> 00:33:24,960
is that it's it can be weaponized so

929
00:33:27,990 --> 00:33:26,480
i i would really pay attention to what

930
00:33:30,630 --> 00:33:28,000
bob lazar told you

931
00:33:31,430 --> 00:33:30,640
the function of the craft the science of

932
00:33:33,909 --> 00:33:31,440
the craft i would

933
00:33:34,870 --> 00:33:33,919
pay attention to that that is how these

934
00:33:37,750 --> 00:33:34,880
things are moving

935
00:33:38,549 --> 00:33:37,760
and the implications of that are so vast

936
00:33:41,710 --> 00:33:38,559
they're so

937
00:33:43,190 --> 00:33:41,720
profound they can instantly

938
00:33:45,110 --> 00:33:43,200

instantaneously

939

00:33:46,310 --> 00:33:45,120

change the way that humanity lives on

940

00:33:49,029 --> 00:33:46,320

this earth

941

00:33:51,190 --> 00:33:49,039

so anyway dave foley thank you for for

942

00:33:53,110 --> 00:33:51,200

telling us about occam's razor because

943

00:33:54,389 --> 00:33:53,120

there's a lot of out there well

944

00:33:56,549 --> 00:33:54,399

i'm curious dave on

945

00:33:58,870 --> 00:33:56,559

your take and others do what about the

946

00:34:01,029 --> 00:33:58,880

one extraordinary claims require

947

00:34:03,110 --> 00:34:01,039

extraordinary evidence because that's

948

00:34:04,149 --> 00:34:03,120

another one because also occam's razor

949

00:34:05,830 --> 00:34:04,159

is not i

950

00:34:08,149 --> 00:34:05,840

understand it there's not it's not a

951
00:34:11,829 --> 00:34:08,159
scientific thing it's just a

952
00:34:13,750 --> 00:34:11,839
a saying it's a it's a kind of a

953
00:34:15,510 --> 00:34:13,760
mental yeah it's it's a scientific

954
00:34:17,430 --> 00:34:15,520
version of a of a kitchen plaque that

955
00:34:20,149 --> 00:34:17,440
says hang in there baby

956
00:34:21,030 --> 00:34:20,159
right uh yeah it's not a scientific

957
00:34:23,430 --> 00:34:21,040
principle

958
00:34:24,310 --> 00:34:23,440
and the extraordinary claims thing okay

959
00:34:27,349 --> 00:34:24,320
that's

960
00:34:29,030 --> 00:34:27,359
it's a valid criticism uh but there is

961
00:34:32,550 --> 00:34:29,040
extraordinary evidence

962
00:34:36,310 --> 00:34:32,560
uh for those extraordinary claims uh but

963
00:34:39,990 --> 00:34:36,320

that seems to be there's no requirement

964

00:34:43,190 --> 00:34:40,000

for even vaguely accurate

965

00:34:44,629 --> 00:34:43,200

claims to debunk

966

00:34:46,389 --> 00:34:44,639

you know it's like anything that can

967

00:34:49,349 --> 00:34:46,399

debunk one element

968

00:34:51,190 --> 00:34:49,359

of a sighting or of an incident is taken

969

00:34:53,030 --> 00:34:51,200

to debunk the entire incident and every

970

00:34:55,909 --> 00:34:53,040

incident vaguely were vaguely

971

00:34:56,550 --> 00:34:55,919

similar to it throughout all of history

972

00:35:00,550 --> 00:34:56,560

you know

973

00:35:01,829 --> 00:35:00,560

know claim that sometimes people have

974

00:35:04,390 --> 00:35:01,839

mistaken

975

00:35:05,990 --> 00:35:04,400

weather balloons for ufos therefore all

976

00:35:07,670 --> 00:35:06,000

ufos are weather balloons

977

00:35:10,069 --> 00:35:07,680

that's the way the debunking usually

978

00:35:12,870 --> 00:35:10,079

goes and that's not very good

979

00:35:14,069 --> 00:35:12,880

rigor and they're more likely chinese

980

00:35:16,710 --> 00:35:14,079

lanterns

981

00:35:18,630 --> 00:35:16,720

yeah i mean i i like like somebody who's

982

00:35:19,750 --> 00:35:18,640

had kind of a bit of an evolution is uh

983

00:35:22,790 --> 00:35:19,760

michokaku

984

00:35:25,910 --> 00:35:22,800

um yes yes

985

00:35:27,030 --> 00:35:25,920

because he he had done uh a video i

986

00:35:29,109 --> 00:35:27,040

watched him on youtube

987

00:35:31,430 --> 00:35:29,119

that just infuriated me because i think

988

00:35:32,870 --> 00:35:31,440

he's such a smart guy

989

00:35:35,270 --> 00:35:32,880

but he did a whole thing about the tic

990

00:35:38,950 --> 00:35:35,280

tac ufo saying uh it was most likely

991

00:35:39,829 --> 00:35:38,960

a russian drone that was able to shut

992

00:35:43,270 --> 00:35:39,839

off its end

993

00:35:44,790 --> 00:35:43,280

engines and uh fly without it and

994

00:35:46,230 --> 00:35:44,800

glide without engines that's why i

995

00:35:47,270 --> 00:35:46,240

didn't that's why i didn't have a heat

996

00:35:50,310 --> 00:35:47,280

signature

997

00:35:52,310 --> 00:35:50,320

and it was able to maneuver right to

998

00:35:55,349 --> 00:35:52,320

left so that's why it was able to make

999

00:35:57,190 --> 00:35:55,359

uh turns and that that is most likely

1000

00:35:59,030 --> 00:35:57,200

what the tic tac ufo was

1001
00:36:00,390 --> 00:35:59,040
completely ignoring the fact that

1002
00:36:04,310 --> 00:36:00,400
gliding uh

1003
00:36:07,430 --> 00:36:04,320
uh drones a gliding drone is unlikely to

1004
00:36:08,950 --> 00:36:07,440
uh to go from you know 60 feet above sea

1005
00:36:11,030 --> 00:36:08,960
level to 60 000 ft

1006
00:36:13,190 --> 00:36:11,040
in a matter of seconds in a straight

1007
00:36:16,230 --> 00:36:13,200
line it isn't likely to

1008
00:36:16,550 --> 00:36:16,240
uh make right angle turns so it you know

1009
00:36:18,470 --> 00:36:16,560
his

1010
00:36:19,670 --> 00:36:18,480
explanation didn't match any of the

1011
00:36:22,550 --> 00:36:19,680
evidence didn't match

1012
00:36:24,630 --> 00:36:22,560
any of the observed phenomena but he

1013
00:36:26,069 --> 00:36:24,640

dismissed the whole thing

1014

00:36:27,750 --> 00:36:26,079

does everybody i mean i don't know if

1015

00:36:28,710 --> 00:36:27,760

the audience understands the the

1016

00:36:31,910 --> 00:36:28,720

difference between

1017

00:36:37,589 --> 00:36:31,920

reactionary propulsion and

or wherever you listen to podcasts and

1051
00:37:59,190 --> 00:37:56,720
remember

1052
00:37:59,990 --> 00:37:59,200
the truth is out there but you won't

1053
00:38:04,390 --> 00:38:00,000
find it here

1054
00:38:07,510 --> 00:38:04,400
stay woke meet sex

1055
00:38:09,589 --> 00:38:07,520
yeah this is this is so important

1056
00:38:11,510 --> 00:38:09,599
and it's based and built upon the

1057
00:38:12,310 --> 00:38:11,520
observations of people like commander

1058
00:38:14,390 --> 00:38:12,320
fraber

1059
00:38:15,829 --> 00:38:14,400
i do want to talk about that moment when

1060
00:38:19,109 --> 00:38:15,839
commander fravor

1061
00:38:21,030 --> 00:38:19,119
uh met with bob lazar and they there's a

1062
00:38:22,230 --> 00:38:21,040
photo of it online and we were all in a

1063
00:38:25,030 --> 00:38:22,240

room there's george knapp

1064

00:38:27,030 --> 00:38:25,040

matt adams me commander faber and bob

1065

00:38:29,790 --> 00:38:27,040

lazar and they were confirming

1066

00:38:30,950 --> 00:38:29,800

to one another about the technical

1067

00:38:33,270 --> 00:38:30,960

specifications

1068

00:38:35,829 --> 00:38:33,280

required to have these types of

1069

00:38:37,990 --> 00:38:35,839

maneuvers witnessed by commander fraber

1070

00:38:39,990 --> 00:38:38,000

and then what bob described bob lazar

1071

00:38:42,470 --> 00:38:40,000

described back in 1989

1072

00:38:43,829 --> 00:38:42,480

so let's make this really simple was a

1073

00:38:47,030 --> 00:38:43,839

learning curve for

1074

00:38:48,710 --> 00:38:47,040

me but i find it to be a pivotal aspect

1075

00:38:50,390 --> 00:38:48,720

of our understanding of how these craft

1076

00:38:53,270 --> 00:38:50,400

work which is a small portion of the

1077

00:38:55,990 --> 00:38:53,280

phenomenon is the ufos themselves

1078

00:38:57,430 --> 00:38:56,000

so a reactionary craft a reactionary

1079

00:38:59,270 --> 00:38:57,440

propulsion system

1080

00:39:00,550 --> 00:38:59,280

is like everything you see you push

1081

00:39:03,109 --> 00:39:00,560

something out the back

1082

00:39:04,310 --> 00:39:03,119

you move forward so this is you know

1083

00:39:06,870 --> 00:39:04,320

trains

1084

00:39:08,150 --> 00:39:06,880

cars combustion engines this is a very

1085

00:39:12,069 --> 00:39:08,160

basic principle

1086

00:39:14,630 --> 00:39:12,079

of known physics we don't know

1087

00:39:15,589 --> 00:39:14,640

all of physics we are discovering stuff

1088

00:39:17,430 --> 00:39:15,599

every day

1089

00:39:18,790 --> 00:39:17,440

anybody that says well physics proves or

1090

00:39:22,630 --> 00:39:18,800

disproves this

1091

00:39:25,670 --> 00:39:22,640

get a grip we are young as a specie

1092

00:39:26,390 --> 00:39:25,680

okay so reactionary propulsion is the

1093

00:39:28,310 --> 00:39:26,400

idea

1094

00:39:29,510 --> 00:39:28,320

you push something on the back you move

1095

00:39:33,670 --> 00:39:29,520

forward now

1096

00:39:36,069 --> 00:39:33,680

why have ufos over all these years

1097

00:39:36,710 --> 00:39:36,079

been identified as coming in we said

1098

00:39:38,950 --> 00:39:36,720

with the

1099

00:39:40,390 --> 00:39:38,960

nimitz case above 80 000 feet it was

1100

00:39:42,630 --> 00:39:40,400

actually outer space

1101
00:39:44,390 --> 00:39:42,640
dropping down to 50 feet above the water

1102
00:39:46,310 --> 00:39:44,400
okay so that was the scan volume of the

1103
00:39:47,750 --> 00:39:46,320
spy one radar was 80 000 feet that's

1104
00:39:49,670 --> 00:39:47,760
about where it catches it

1105
00:39:51,109 --> 00:39:49,680
these things are coming from above that

1106
00:39:53,109 --> 00:39:51,119
so outer space

1107
00:39:55,510 --> 00:39:53,119
now why have we heard about objects

1108
00:39:57,270 --> 00:39:55,520
being able to do right hand turns

1109
00:39:59,190 --> 00:39:57,280
why have we heard about objects being

1110
00:40:00,470 --> 00:39:59,200
able to drop into the sea without a

1111
00:40:02,069 --> 00:40:00,480
splash

1112
00:40:03,750 --> 00:40:02,079
why have we been able to hear about

1113
00:40:06,630 --> 00:40:03,760

these objects and people witness

1114

00:40:07,750 --> 00:40:06,640

these objects hovering stationary

1115

00:40:11,030 --> 00:40:07,760

sometimes

1116

00:40:13,829 --> 00:40:11,040

almost as if they're floating on water

1117

00:40:14,870 --> 00:40:13,839

the reason is because the technology

1118

00:40:17,950 --> 00:40:14,880

that is used

1119

00:40:19,829 --> 00:40:17,960

is a field propulsion system it's a

1120

00:40:21,109 --> 00:40:19,839

non-reactionary system so instead of

1121

00:40:24,470 --> 00:40:21,119

pushing something out the back

1122

00:40:25,510 --> 00:40:24,480

to move forward you're using high energy

1123

00:40:27,910 --> 00:40:25,520

to amplify

1124

00:40:29,109 --> 00:40:27,920

a gravity wave distorting because

1125

00:40:31,829 --> 00:40:29,119

gravity is it

1126
00:40:33,109 --> 00:40:31,839
is uh in relation to time and space has

1127
00:40:35,510 --> 00:40:33,119
an effect

1128
00:40:36,309 --> 00:40:35,520
so it's almost like making a pocket that

1129
00:40:38,550 --> 00:40:36,319
you fall

1130
00:40:40,150 --> 00:40:38,560
into and this is something that babazar

1131
00:40:42,870 --> 00:40:40,160
said in 1989

1132
00:40:43,670 --> 00:40:42,880
and it's it truly is what weaponized my

1133
00:40:46,309 --> 00:40:43,680
curiosity

1134
00:40:48,230 --> 00:40:46,319
it's what made me stop being a passive

1135
00:40:51,030 --> 00:40:48,240
consumer of information

1136
00:40:51,990 --> 00:40:51,040
and start being an active participant in

1137
00:40:55,430 --> 00:40:52,000
trying to understand

1138
00:40:57,349 --> 00:40:55,440

this stuff is this concept so push your

1139

00:40:59,750 --> 00:40:57,359

put a bowling ball on a bed spring

1140

00:41:02,230 --> 00:40:59,760

mattress push your fist down

1141

00:41:02,950 --> 00:41:02,240

and that ball fall that ball falls

1142

00:41:05,190 --> 00:41:02,960

towards

1143

00:41:07,270 --> 00:41:05,200

where you've made the depression so

1144

00:41:08,390 --> 00:41:07,280

what's happening with these craft

1145

00:41:10,870 --> 00:41:08,400

they're not pushing somebody out the

1146

00:41:14,390 --> 00:41:10,880

back to move forward they're

1147

00:41:17,109 --> 00:41:14,400

focusing waves of gravity

1148

00:41:17,510 --> 00:41:17,119

in a direction where they want to be

1149

00:41:22,069 --> 00:41:17,520

this

1150

00:41:25,670 --> 00:41:22,079

why things can move

1151

00:41:28,630 --> 00:41:25,680

optically like this

1152

00:41:30,150 --> 00:41:28,640

they might be but also this might be an

1153

00:41:33,270 --> 00:41:30,160

optical aspect

1154

00:41:35,589 --> 00:41:33,280

of the distortion of time and space

1155

00:41:36,870 --> 00:41:35,599

created by a gravity wave this is

1156

00:41:38,230 --> 00:41:36,880

understood with the intelligence

1157

00:41:40,069 --> 00:41:38,240

communities within the scientific

1158

00:41:42,069 --> 00:41:40,079

communities within the multitude of

1159

00:41:43,510 --> 00:41:42,079

projects in every branch of our military

1160

00:41:46,630 --> 00:41:43,520

that studies ufos

1161

00:41:49,829 --> 00:41:46,640

actively today which there are

1162

00:41:52,230 --> 00:41:49,839

that this is how the craft work so the

1163

00:41:55,030 --> 00:41:52,240

concept right behind me this picture

1164

00:41:55,589 --> 00:41:55,040

of the flying saucer that babazar was

1165

00:41:59,349 --> 00:41:55,599

able to

1166

00:42:02,550 --> 00:41:59,359

actually walk into check it out right

1167

00:42:04,710 --> 00:42:02,560

is that the way these things maneuver

1168

00:42:06,790 --> 00:42:04,720

is through field propulsion systems

1169

00:42:10,390 --> 00:42:06,800

gravity wave amplification i can

1170

00:42:13,270 --> 00:42:10,400

solidly say that take it or leave it

1171

00:42:13,990 --> 00:42:13,280

but it's so important because it shows

1172

00:42:16,390 --> 00:42:14,000

us

1173

00:42:17,270 --> 00:42:16,400

that not only bob was right gravity is a

1174

00:42:19,109 --> 00:42:17,280

wave

1175

00:42:22,230 --> 00:42:19,119

and that it can be amplified like any

1176
00:42:24,710 --> 00:42:22,240
wave and that objects are not exploding

1177
00:42:27,270 --> 00:42:24,720
when they do these 90 degree turns

1178
00:42:29,030 --> 00:42:27,280
either because of some sort of optical

1179
00:42:32,550 --> 00:42:29,040
uh time space distortion but mo

1180
00:42:35,190 --> 00:42:32,560
but more likely because their entire way

1181
00:42:35,829 --> 00:42:35,200
in which they're propelling is different

1182
00:42:37,829 --> 00:42:35,839
than our

1183
00:42:39,510 --> 00:42:37,839
concept that we understand as far as

1184
00:42:40,230 --> 00:42:39,520
reactionary propulsion so i hope that

1185
00:42:42,230 --> 00:42:40,240
makes it

1186
00:42:44,309 --> 00:42:42,240
a little bit clear to people why that's

1187
00:42:46,790 --> 00:42:44,319
important but that's also why

1188
00:42:47,670 --> 00:42:46,800

there was project galileo which was the

1189

00:42:50,309 --> 00:42:47,680

project which

1190

00:42:51,190 --> 00:42:50,319

for for the propulsion system at site

1191

00:42:53,510 --> 00:42:51,200

four

1192

00:42:54,950 --> 00:42:53,520

that bob worked on but there was also

1193

00:42:57,990 --> 00:42:54,960

project looking glass

1194

00:43:00,550 --> 00:42:58,000

which looked at temporal distortions by

1195

00:43:01,829 --> 00:43:00,560

this amplification gravity application

1196

00:43:04,309 --> 00:43:01,839

system

1197

00:43:06,950 --> 00:43:04,319

there was a project sidekick which is

1198

00:43:09,990 --> 00:43:06,960

looking at the weaponization

1199

00:43:12,550 --> 00:43:10,000

of gravity amplification which is

1200

00:43:13,510 --> 00:43:12,560

massively powerful so we can understand

1201
00:43:15,589 --> 00:43:13,520
why

1202
00:43:16,950 --> 00:43:15,599
everything's hush about this because

1203
00:43:20,069 --> 00:43:16,960
whoever gains

1204
00:43:21,829 --> 00:43:20,079
the ability to replicate this technology

1205
00:43:25,030 --> 00:43:21,839
as a nation

1206
00:43:28,390 --> 00:43:25,040
they win they win

1207
00:43:30,150 --> 00:43:28,400
it's as simple as that so this

1208
00:43:31,430 --> 00:43:30,160
concept of secrecy think about the

1209
00:43:34,390 --> 00:43:31,440
atomic bomb this

1210
00:43:35,270 --> 00:43:34,400
concept of cover-up it is real it is

1211
00:43:38,309 --> 00:43:35,280
happening

1212
00:43:40,710 --> 00:43:38,319
this is what uh we are guarding is this

1213
00:43:45,270 --> 00:43:40,720

idea that we can

1214

00:43:48,230 --> 00:43:45,280

take elements out of a propulsion system

1215

00:43:49,670 --> 00:43:48,240

and use them for things like

1216

00:43:51,750 --> 00:43:49,680

weaponization

1217

00:43:53,270 --> 00:43:51,760

that's the reality so i hope i've kind

1218

00:43:55,750 --> 00:43:53,280

of described what

1219

00:43:57,109 --> 00:43:55,760

gravity amplification is or what uh

1220

00:43:59,589 --> 00:43:57,119

gravity distortion is

1221

00:44:01,030 --> 00:43:59,599

in very simple terms compared to a

1222

00:44:02,069 --> 00:44:01,040

reactionary propulsion system but it is

1223

00:44:03,910 --> 00:44:02,079

that the crux

1224

00:44:06,150 --> 00:44:03,920

and core of what we're talking about

1225

00:44:09,670 --> 00:44:06,160

when we talk about the machines

1226

00:44:13,430 --> 00:44:09,680

so does that help i don't know i i

1227

00:44:16,950 --> 00:44:13,440

i'd like to add too i had jeremy on

1228

00:44:19,109 --> 00:44:16,960

our uh tv show recently and

1229

00:44:20,470 --> 00:44:19,119

my partner is one of the most skeptical

1230

00:44:23,589 --> 00:44:20,480

people on the planet

1231

00:44:27,510 --> 00:44:23,599

and she dis dismissed bob lazar

1232

00:44:30,150 --> 00:44:27,520

immediately until jeremy brought to us

1233

00:44:30,630 --> 00:44:30,160

a video of jeremy showing the gimbal

1234

00:44:34,790 --> 00:44:30,640

video

1235

00:44:37,270 --> 00:44:34,800

first time

1236

00:44:38,790 --> 00:44:37,280

and that was a revelatory moment for me

1237

00:44:41,270 --> 00:44:38,800

and for my partner

1238

00:44:43,829 --> 00:44:41,280

to see that what's being displayed in

1239

00:44:47,270 --> 00:44:43,839

this ufo video from 2015

1240

00:44:48,150 --> 00:44:47,280

is eerily similar to exactly how bob

1241

00:44:50,870 --> 00:44:48,160

lazar said

1242

00:44:52,550 --> 00:44:50,880

these craft functioned anti-gravity

1243

00:44:55,589 --> 00:44:52,560

pulling instead of pushing

1244

00:44:58,230 --> 00:44:55,599

um we see this in the gimbal video which

1245

00:44:59,270 --> 00:44:58,240

just stunned me when jeremy first

1246

00:45:02,150 --> 00:44:59,280

brought that to me

1247

00:45:02,870 --> 00:45:02,160

and then my partner after all was said

1248

00:45:05,270 --> 00:45:02,880

and done

1249

00:45:06,550 --> 00:45:05,280

all the hollywood was over i

1250

00:45:09,829 --> 00:45:06,560

asked her straight up

1251

00:45:11,829 --> 00:45:09,839

like do you think this is authentic

1252

00:45:13,829 --> 00:45:11,839

do you think bob lazar is who he says he

1253

00:45:15,510 --> 00:45:13,839

is and she said yes

1254

00:45:17,589 --> 00:45:15,520

and i'm not afraid to say that on the

1255

00:45:19,670 --> 00:45:17,599

air like that didn't make it in the show

1256

00:45:21,910 --> 00:45:19,680

but she told me straight up she said i

1257

00:45:24,230 --> 00:45:21,920

can't i can't i can't deny it anymore

1258

00:45:25,910 --> 00:45:24,240

so that was a big moment it's really

1259

00:45:27,829 --> 00:45:25,920

hard to dismiss i mean especially once

1260

00:45:28,870 --> 00:45:27,839

you know bob and you know kind of

1261

00:45:30,790 --> 00:45:28,880

you know what he's gone through

1262

00:45:32,150 --> 00:45:30,800

personally and you get to actually get

1263

00:45:34,230 --> 00:45:32,160

to that position which which

1264

00:45:35,670 --> 00:45:34,240

most people obviously won't be probably

1265

00:45:37,910 --> 00:45:35,680

wouldn't believe it if it was

1266

00:45:40,309 --> 00:45:37,920

you know for the roles were reversed he

1267

00:45:41,990 --> 00:45:40,319

said however he wouldn't dismiss it

1268

00:45:44,309 --> 00:45:42,000

and we are seeing that we're seeing now

1269

00:45:47,829 --> 00:45:44,319

popularly people are talking about how

1270

00:45:50,870 --> 00:45:47,839

the the craft will turn belly first

1271

00:45:51,670 --> 00:45:50,880

yeah to move in that direction so this

1272

00:45:54,790 --> 00:45:51,680

is obviously

1273

00:45:56,790 --> 00:45:54,800

one form in which these unknown objects

1274

00:45:58,390 --> 00:45:56,800

seem to travel is through this you know

1275

00:46:01,750 --> 00:45:58,400

triad of

1276

00:46:03,190 --> 00:46:01,760

gravity amplification but the you you

1277

00:46:03,990 --> 00:46:03,200

guys i wish you were in the room for

1278

00:46:06,390 --> 00:46:04,000

this

1279

00:46:07,270 --> 00:46:06,400

when commander david fraber and bob

1280

00:46:09,910 --> 00:46:07,280

lazar

1281

00:46:11,270 --> 00:46:09,920

were able finally with george knapp matt

1282

00:46:13,910 --> 00:46:11,280

adams and me in the room

1283

00:46:14,790 --> 00:46:13,920

they were finally able to go over

1284

00:46:16,550 --> 00:46:14,800

optically

1285

00:46:17,829 --> 00:46:16,560

and technologically what commander

1286

00:46:20,150 --> 00:46:17,839

fraber was able to

1287

00:46:21,270 --> 00:46:20,160

ascertain from the experience and then

1288

00:46:25,829 --> 00:46:21,280

talking with

1289

00:46:27,910 --> 00:46:25,839

bob lazar about what he witnessed in

1290

00:46:29,670 --> 00:46:27,920

attempting to reverse engineer which is

1291

00:46:31,670 --> 00:46:29,680

completely impossible our material

1292

00:46:33,589 --> 00:46:31,680

science is the number one boundary

1293

00:46:35,030 --> 00:46:33,599

when it comes to uh being able to

1294

00:46:35,990 --> 00:46:35,040

replicate this gravity amplification

1295

00:46:38,870 --> 00:46:36,000

systems

1296

00:46:39,589 --> 00:46:38,880

but in that meeting to see them go back

1297

00:46:41,510 --> 00:46:39,599

and forth

1298

00:46:43,990 --> 00:46:41,520

on a scientific level because commander

1299

00:46:46,790 --> 00:46:44,000

faber's an engineer as well i mean he is

1300

00:46:48,790 --> 00:46:46,800

absolutely one of not not just a fighter

1301

00:46:52,069 --> 00:46:48,800

pilot he's got brains man

1302

00:46:54,630 --> 00:46:52,079

so the the ability to see them talk

1303

00:46:55,990 --> 00:46:54,640

the ability to see them go over the

1304

00:46:58,630 --> 00:46:56,000

specifications of what

1305

00:47:00,630 --> 00:46:58,640

would be required from energy and power

1306

00:47:03,030 --> 00:47:00,640

to the type of propulsion

1307

00:47:04,390 --> 00:47:03,040

it was a very powerful meeting and i i

1308

00:47:06,230 --> 00:47:04,400

hope one day

1309

00:47:08,470 --> 00:47:06,240

you know the look i like studying this

1310

00:47:11,030 --> 00:47:08,480

it's cool when i can film it

1311

00:47:13,030 --> 00:47:11,040

and show to other people obviously 99.9

1312

00:47:15,030 --> 00:47:13,040

of what i do on a daily basis is not

1313

00:47:16,790 --> 00:47:15,040

filmed and put out for people

1314

00:47:18,230 --> 00:47:16,800

but that would be a meeting that would

1315

00:47:20,870 --> 00:47:18,240

be a meeting for people to see so it's

1316

00:47:22,549 --> 00:47:20,880

cool to see babazar dissect that video

1317

00:47:23,990 --> 00:47:22,559

and it's cool your skeptical friend

1318

00:47:26,950 --> 00:47:24,000

starts understanding

1319

00:47:28,150 --> 00:47:26,960

a little more but this is so much bigger

1320

00:47:29,829 --> 00:47:28,160

you know so anyway i just wanted to

1321

00:47:31,190 --> 00:47:29,839

relate that was a powerful

1322

00:47:32,870 --> 00:47:31,200

meeting that people should pay attention

1323

00:47:33,990 --> 00:47:32,880

to well i was going to say one of for me

1324

00:47:35,589 --> 00:47:34,000

one of the most powerful things about

1325

00:47:38,230 --> 00:47:35,599

your movie about bob

1326

00:47:39,829 --> 00:47:38,240

is is outside of the uh like the

1327

00:47:41,910 --> 00:47:39,839

technical revelations of it and the

1328

00:47:44,470 --> 00:47:41,920

stories he tells about what he worked on

1329

00:47:45,349 --> 00:47:44,480

was the fact that when you watch the

1330

00:47:47,589 --> 00:47:45,359

movie

1331

00:47:49,030 --> 00:47:47,599

uh for me it was the first time i'd had

1332

00:47:52,549 --> 00:47:49,040

enough time to sit and

1333

00:47:56,150 --> 00:47:52,559

feel like i was with him uh un

1334

00:47:57,510 --> 00:47:56,160

and sort of uh uh unobstructed i guess

1335

00:47:59,589 --> 00:47:57,520

would be one way to put it

1336

00:48:01,190 --> 00:47:59,599

and you you can't escape the idea this

1337

00:48:03,589 --> 00:48:01,200

is a very rational

1338

00:48:05,030 --> 00:48:03,599

extremely intelligent person who has

1339

00:48:06,069 --> 00:48:05,040

nothing to gain from saying the things

1340

00:48:07,750 --> 00:48:06,079

he's saying

1341

00:48:09,510 --> 00:48:07,760

and that's like a really powerful thing

1342

00:48:12,309 --> 00:48:09,520

to just realize well there's no reason

1343

00:48:13,190 --> 00:48:12,319

to not believe him if you get to spend

1344

00:48:15,270 --> 00:48:13,200

you know i

1345

00:48:17,190 --> 00:48:15,280

thanks dave for saying that the point of

1346

00:48:19,589 --> 00:48:17,200

the movie was to do two things one was

1347

00:48:20,069 --> 00:48:19,599

to uplift the visual medium of ufo

1348

00:48:22,870 --> 00:48:20,079

movies

1349

00:48:24,390 --> 00:48:22,880

because most are crap and i just wanted

1350

00:48:26,230 --> 00:48:24,400

to see something i'd want to watch

1351

00:48:28,069 --> 00:48:26,240

but it was to humanize you know it's

1352

00:48:31,589 --> 00:48:28,079

it's harder to

1353

00:48:32,309 --> 00:48:31,599

violently dismiss somebody that you can

1354

00:48:33,829 --> 00:48:32,319

just you know

1355

00:48:34,710 --> 00:48:33,839

you label them crazy because they're

1356

00:48:35,829 --> 00:48:34,720

talking about something you don't want

1357

00:48:37,750 --> 00:48:35,839

to deal with

1358

00:48:39,589 --> 00:48:37,760

it's harder to do that when someone is

1359

00:48:41,589 --> 00:48:39,599

humanized when you're able to show hey

1360

00:48:43,670 --> 00:48:41,599

this is his dog this is his wife this is

1361

00:48:45,589 --> 00:48:43,680

his mom these are his friends

1362

00:48:47,510 --> 00:48:45,599

what would be his it's like in court

1363

00:48:50,390 --> 00:48:47,520

what's motive

1364

00:48:51,109 --> 00:48:50,400

the the lies out there that bob has

1365

00:48:54,150 --> 00:48:51,119

somehow

1366

00:48:57,750 --> 00:48:54,160

um benefited in any way

1367

00:49:00,470 --> 00:48:57,760

financially in any way they're all

1368

00:49:02,630 --> 00:49:00,480

we have a guide to

1369

00:49:03,990 --> 00:49:02,640

poison people's minds against someone

1370

00:49:05,589 --> 00:49:04,000

like you look at what happened to bob

1371

00:49:08,470 --> 00:49:05,599

carey in the swift boat back in

1372

00:49:09,030 --> 00:49:08,480

by you know the uh campaign you

1373

00:49:11,109 --> 00:49:09,040

know

1374

00:49:12,870 --> 00:49:11,119

that you're able to take someone who is

1375

00:49:15,589 --> 00:49:12,880

clearly definably

1376

00:49:16,710 --> 00:49:15,599

done something heroic and just tell

1377

00:49:18,309 --> 00:49:16,720

people it wasn't

1378

00:49:19,510 --> 00:49:18,319

and people will believe it even though

1379

00:49:20,470 --> 00:49:19,520

the facts don't support what they're

1380

00:49:23,549 --> 00:49:20,480

saying

1381

00:49:25,109 --> 00:49:23,559

and why should i yeah why should a

1382

00:49:28,309 --> 00:49:25,119

whistleblower

1383

00:49:30,790 --> 00:49:28,319

be a saint too though so to to jeremy

1384

00:49:32,630 --> 00:49:30,800

giving the humanity obviously bubbles

1385

00:49:33,750 --> 00:49:32,640

are just not a perfect human being like

1386

00:49:36,710 --> 00:49:33,760

you or me

1387

00:49:38,069 --> 00:49:36,720

yeah you're perfect that's so cool yeah

1388

00:49:40,630 --> 00:49:38,079

is that what i said

1389

00:49:42,470 --> 00:49:40,640

no it just sounded i i love it you seem

1390

00:49:44,230 --> 00:49:42,480

perfect

1391

00:49:46,390 --> 00:49:44,240

i was making a joke no look uh poe

1392

00:49:47,030 --> 00:49:46,400

buddies nerfed as i've been told many

1393

00:49:50,950 --> 00:49:47,040

times

1394

00:49:53,190 --> 00:49:50,960

um but the yeah the the idea that so bob

1395

00:49:55,030 --> 00:49:53,200

does not see himself as a whistleblower

1396

00:49:57,349 --> 00:49:55,040

he came forward with information out of

1397

00:50:00,150 --> 00:49:57,359

fear for his own life

1398

00:50:01,270 --> 00:50:00,160

and for his wife at the time uh that was

1399

00:50:04,069 --> 00:50:01,280

very real stuff

1400

00:50:05,109 --> 00:50:04,079

this is not cloak and dagger

1401

00:50:07,510 --> 00:50:05,119

you know this is

1402

00:50:09,270 --> 00:50:07,520

he was being monitored and he allowed

1403

00:50:11,030 --> 00:50:09,280

them to tap his phones when he first got

1404

00:50:12,950 --> 00:50:11,040

the job that's no problem

1405

00:50:14,230 --> 00:50:12,960

he was actually told his wife was having

1406

00:50:16,470 --> 00:50:14,240

an affair by

1407

00:50:17,910 --> 00:50:16,480

agents he didn't know it was because

1408

00:50:20,390 --> 00:50:17,920

they tapped the stone

1409

00:50:21,270 --> 00:50:20,400

george knapp has met one of the people

1410

00:50:24,150 --> 00:50:21,280

that was

1411

00:50:25,670 --> 00:50:24,160

tasked with following him so has bob

1412

00:50:29,829 --> 00:50:25,680

they proved it to them

1413

00:50:32,950 --> 00:50:29,839

that's an incredible thing so this idea

1414

00:50:34,870 --> 00:50:32,960

that he benefited from this

1415

00:50:36,549 --> 00:50:34,880

okay you just don't know bob you just

1416

00:50:37,829 --> 00:50:36,559

don't know the story you just don't know

1417

00:50:39,030 --> 00:50:37,839

what actually happened or you're

1418

00:50:41,190 --> 00:50:39,040

dismissing it because you don't want to

1419

00:50:43,109 --> 00:50:41,200

hear it he has not benefited

1420

00:50:44,549 --> 00:50:43,119

this has been heartache it's been

1421

00:50:46,870 --> 00:50:44,559

traumatic i i

1422

00:50:49,030 --> 00:50:46,880

he's ripping off his clark kent outfit

1423

00:50:51,990 --> 00:50:49,040

though he stepped forward again

1424

00:50:53,990 --> 00:50:52,000

after 30 years and i am so grateful that

1425

00:50:55,589 --> 00:50:54,000

he did that he put a lot of trust in me

1426
00:50:57,109 --> 00:50:55,599
he thought you know he'd just be

1427
00:50:59,670 --> 00:50:57,119
pitchforked again and

1428
00:51:01,270 --> 00:50:59,680
it would destroy his life again and

1429
00:51:04,349 --> 00:51:01,280
we've seen the opposite

1430
00:51:07,349 --> 00:51:04,359
now people are because maybe of december

1431
00:51:09,430 --> 00:51:07,359
2017 i don't know that people are

1432
00:51:10,870 --> 00:51:09,440
starting to pay attention it would be

1433
00:51:12,790 --> 00:51:10,880
reckless not to do it

1434
00:51:14,150 --> 00:51:12,800
and he doesn't really care if any

1435
00:51:15,829 --> 00:51:14,160
individual

1436
00:51:17,670 --> 00:51:15,839
i mean it's got to take a toll after 30

1437
00:51:19,670 --> 00:51:17,680
years of people talking i mean

1438
00:51:21,430 --> 00:51:19,680

i hate opening twitter these days i'm

1439

00:51:24,150 --> 00:51:21,440

just trying to help people want to learn

1440

00:51:26,230 --> 00:51:24,160

but it feels bad opening it right so i

1441

00:51:27,750 --> 00:51:26,240

could only imagine what he went through

1442

00:51:29,030 --> 00:51:27,760

uh he does not see himself as a

1443

00:51:30,950 --> 00:51:29,040

whistleblower he did it for

1444

00:51:33,510 --> 00:51:30,960

self-preservation but now

1445

00:51:34,950 --> 00:51:33,520

at this point in his life he truly feels

1446

00:51:37,589 --> 00:51:34,960

not one individual

1447

00:51:39,109 --> 00:51:37,599

but in general it's important people

1448

00:51:40,230 --> 00:51:39,119

understand there's science and there's

1449

00:51:43,349 --> 00:51:40,240

technology

1450

00:51:45,910 --> 00:51:43,359

and it is being held back from humanity

1451
00:51:47,430 --> 00:51:45,920
by a military faction because there's

1452
00:51:50,150 --> 00:51:47,440
not just one government

1453
00:51:51,190 --> 00:51:50,160
but by a faction and everything that's

1454
00:51:53,589 --> 00:51:51,200
been done to dismiss

1455
00:51:54,549 --> 00:51:53,599
and harm him you know he's weathered it

1456
00:51:57,910 --> 00:51:54,559
he's he's

1457
00:51:58,710 --> 00:51:57,920
not a whistleblower but he's heroic as a

1458
00:52:01,430 --> 00:51:58,720
friend

1459
00:52:02,150 --> 00:52:01,440
he's a heroic person so yeah i'm really

1460
00:52:05,190 --> 00:52:02,160
glad that

1461
00:52:06,630 --> 00:52:05,200
people are starting to listen and uh

1462
00:52:09,270 --> 00:52:06,640
you know people need to judge for

1463
00:52:12,470 --> 00:52:09,280

themselves i'm curious guys

1464

00:52:13,910 --> 00:52:12,480

uh i know uh there's a couple

1465

00:52:15,910 --> 00:52:13,920

media things that have been out there

1466

00:52:16,470 --> 00:52:15,920

there's there's the new skinwalker show

1467

00:52:19,349 --> 00:52:16,480

ranch

1468

00:52:20,470 --> 00:52:19,359

uh can walk around show and then there

1469

00:52:23,510 --> 00:52:20,480

there's also

1470

00:52:25,030 --> 00:52:23,520

uh the idea of without mentioning

1471

00:52:25,750 --> 00:52:25,040

anybody who's full you know completely

1472

00:52:28,549 --> 00:52:25,760

full of

1473

00:52:29,829 --> 00:52:28,559

but there's this idea about summoning

1474

00:52:32,950 --> 00:52:29,839

and uh i wanted to hear

1475

00:52:34,390 --> 00:52:32,960

dave foley i i was in conflict i had

1476

00:52:34,950 --> 00:52:34,400

this problem with i'm a nuts and bolts

1477

00:52:37,670 --> 00:52:34,960

guy

1478

00:52:37,670 --> 00:52:38,230

craft but i've witnessed this summoning

1479

00:52:42,790 --> 00:52:40,950

and it's it's pretty compelling and i

1480

00:52:44,069 --> 00:52:42,800

was like i called dave or texted david i

1481

00:52:45,750 --> 00:52:44,079

was like man i can't wrap my head around

1482

00:52:48,069 --> 00:52:45,760

this how could machines

1483

00:52:49,670 --> 00:52:48,079

be connected to our consciousness and he

1484

00:52:51,109 --> 00:52:49,680

told me something that just like

1485

00:52:52,470 --> 00:52:51,119

really allowed me to understand this a

1486

00:52:54,150 --> 00:52:52,480

little bit more so would you mind

1487

00:52:57,349 --> 00:52:54,160

telling us about that dave

1488

00:52:58,790 --> 00:52:57,359

sure if no one else minds that's uh

1489

00:53:00,390 --> 00:52:58,800

yeah we were talking about that and and

1490

00:53:02,309 --> 00:53:00,400

the thing that it

1491

00:53:04,630 --> 00:53:02,319

made me think of right away was uh

1492

00:53:07,829 --> 00:53:04,640

princeton's uh universal consciousness

1493

00:53:09,589 --> 00:53:07,839

project which was a project they set up

1494

00:53:10,549 --> 00:53:09,599

uh i forget how long ago about 20 years

1495

00:53:13,589 --> 00:53:10,559

ago now i think

1496

00:53:15,910 --> 00:53:13,599

um uh well yes it was right before

1497

00:53:17,829 --> 00:53:15,920

uh 9 11 that they set it up but they

1498

00:53:19,430 --> 00:53:17,839

started studying whether or not people

1499

00:53:20,870 --> 00:53:19,440

paying attention to a machine could have

1500

00:53:22,950 --> 00:53:20,880

an effect on the machine

1501
00:53:24,390 --> 00:53:22,960
so they set up random number generators

1502
00:53:26,150 --> 00:53:24,400
and had people to sit in a room with a

1503
00:53:28,150 --> 00:53:26,160
random number generator and think about

1504
00:53:29,750 --> 00:53:28,160
the machine

1505
00:53:31,190 --> 00:53:29,760
and what they found was that when

1506
00:53:34,150 --> 00:53:31,200
someone does that

1507
00:53:37,510 --> 00:53:34,160
the machine veers away from being random

1508
00:53:39,910 --> 00:53:37,520
and starts producing patterns of numbers

1509
00:53:41,349 --> 00:53:39,920
and they thought that's weird and they

1510
00:53:42,390 --> 00:53:41,359
kept doing it and they kept repeating it

1511
00:53:44,870 --> 00:53:42,400
and it kept it was

1512
00:53:46,069 --> 00:53:44,880
repeatable over and over and over again

1513
00:53:47,349 --> 00:53:46,079

and then they thought well what happens

1514

00:53:48,710 --> 00:53:47,359

if more people are thinking about

1515

00:53:50,549 --> 00:53:48,720

something so they decided they would set

1516

00:53:52,069 --> 00:53:50,559

up random number generators all around

1517

00:53:55,190 --> 00:53:52,079

the world

1518

00:53:57,349 --> 00:53:55,200

um and monitor world events

1519

00:53:59,190 --> 00:53:57,359

and see what happens when a major event

1520

00:54:00,470 --> 00:53:59,200

happens that has a lot of people

1521

00:54:03,430 --> 00:54:00,480

thinking about it

1522

00:54:05,510 --> 00:54:03,440

and right after that 911 happened and

1523

00:54:08,829 --> 00:54:05,520

what they found was that the uh

1524

00:54:10,950 --> 00:54:08,839

the all of the machines all across the

1525

00:54:13,670 --> 00:54:10,960

world at once

1526
00:54:14,950 --> 00:54:13,680
veered away from randomness and started

1527
00:54:18,309 --> 00:54:14,960
producing patterns

1528
00:54:20,630 --> 00:54:18,319
of numbers um as a response to the

1529
00:54:22,390 --> 00:54:20,640
and so the effect seems to be connected

1530
00:54:23,190 --> 00:54:22,400
to the number of people thinking about

1531
00:54:25,670 --> 00:54:23,200
something

1532
00:54:27,910 --> 00:54:25,680
another example where it veered was uh

1533
00:54:28,309 --> 00:54:27,920
when uh prime minister of canada died

1534
00:54:30,790 --> 00:54:28,319
pierre

1535
00:54:32,150 --> 00:54:30,800
trudeau and his son now the prime

1536
00:54:35,430 --> 00:54:32,160
minister justin trudeau

1537
00:54:36,150 --> 00:54:35,440
gave the eulogy um you had 30 million

1538
00:54:39,109 --> 00:54:36,160

canadians

1539

00:54:40,789 --> 00:54:39,119

all listening to this eulogy pretty much

1540

00:54:43,109 --> 00:54:40,799

at the same time

1541

00:54:43,990 --> 00:54:43,119

and it was another event where the

1542

00:54:47,510 --> 00:54:44,000

randomness

1543

00:54:49,430 --> 00:54:47,520

uh went went off significantly but

1544

00:54:53,270 --> 00:54:49,440

specifically in those machines

1545

00:54:55,910 --> 00:54:53,280

in the area of canada

1546

00:54:56,789 --> 00:54:55,920

so they found that the consciousness was

1547

00:55:00,390 --> 00:54:56,799

having an effect

1548

00:55:02,309 --> 00:55:00,400

on machines so if we're discovering that

1549

00:55:04,230 --> 00:55:02,319

now and we have this very primitive

1550

00:55:06,630 --> 00:55:04,240

understanding of

1551
00:55:07,589 --> 00:55:06,640
of how consciousness can have an effect

1552
00:55:10,069 --> 00:55:07,599
on things

1553
00:55:11,190 --> 00:55:10,079
we have to assume that any technology

1554
00:55:13,990 --> 00:55:11,200
advanced of ours

1555
00:55:16,710 --> 00:55:14,000
as as far advanced of uh of ours as

1556
00:55:18,390 --> 00:55:16,720
these ufos obviously have to be

1557
00:55:20,309 --> 00:55:18,400
they must be also really advanced in

1558
00:55:22,390 --> 00:55:20,319
terms of manipulating

1559
00:55:23,510 --> 00:55:22,400
uh the connection of consciousness to

1560
00:55:25,430 --> 00:55:23,520
machines

1561
00:55:27,510 --> 00:55:25,440
and to each other and and being able to

1562
00:55:29,910 --> 00:55:27,520
manipulate consciousness

1563
00:55:30,870 --> 00:55:29,920

uh so that's why to me when i heard

1564

00:55:32,549 --> 00:55:30,880

about the

1565

00:55:34,549 --> 00:55:32,559

you know these people saying that there

1566

00:55:36,069 --> 00:55:34,559

was a connection to their consciousness

1567

00:55:38,230 --> 00:55:36,079

it seems obvious that there is a

1568

00:55:39,109 --> 00:55:38,240

mechanical way to connect to

1569

00:55:41,829 --> 00:55:39,119

consciousness

1570

00:55:43,510 --> 00:55:41,839

that we're already discovering so a few

1571

00:55:46,829 --> 00:55:43,520

thousand years from now we'll actually

1572

00:55:48,230 --> 00:55:46,839

be able to turn it into uh a meaningful

1573

00:55:50,950 --> 00:55:48,240

technology and

1574

00:55:52,069 --> 00:55:50,960

it's more than just machines yeah and

1575

00:55:52,630 --> 00:55:52,079

it's more than just machines right

1576
00:55:56,069 --> 00:55:52,640
machines

1577
00:55:58,630 --> 00:55:56,079
are picking up that connection

1578
00:56:00,309 --> 00:55:58,640
between and consciousness engaging

1579
00:56:02,630 --> 00:56:00,319
connected to each other

1580
00:56:03,510 --> 00:56:02,640
right and so i think the bigger picture

1581
00:56:06,630 --> 00:56:03,520
is that

1582
00:56:08,309 --> 00:56:06,640
consciousness influences

1583
00:56:09,829 --> 00:56:08,319
physical reality this is not some hippie

1584
00:56:12,789 --> 00:56:09,839
this is just

1585
00:56:13,670 --> 00:56:12,799
that our consciousness has a dynamic uh

1586
00:56:16,150 --> 00:56:13,680
dance

1587
00:56:17,109 --> 00:56:16,160
with what we know to be or understand

1588
00:56:19,270 --> 00:56:17,119

limitedly

1589

00:56:20,470 --> 00:56:19,280

what reality is so the idea that

1590

00:56:23,510 --> 00:56:20,480

machines can pick that

1591

00:56:25,829 --> 00:56:23,520

up and actually have an effect than this

1592

00:56:28,710 --> 00:56:25,839

idea that consciousness

1593

00:56:30,150 --> 00:56:28,720

and what we call ufos that there is an

1594

00:56:32,789 --> 00:56:30,160

intimate connection

1595

00:56:34,950 --> 00:56:32,799

it kind of mended that wound for me as a

1596

00:56:35,510 --> 00:56:34,960

nuts and bolts you know bob lazar ufo

1597

00:56:40,069 --> 00:56:35,520

guy

1598

00:56:42,789 --> 00:56:40,079

and you know i don't like anything

1599

00:56:45,109 --> 00:56:42,799

spiritual as an explanation of anything

1600

00:56:46,870 --> 00:56:45,119

yeah yeah we the whole chakra thing and

1601
00:56:47,910 --> 00:56:46,880
did you reduce forget about it but i'm

1602
00:56:50,309 --> 00:56:47,920
just saying

1603
00:56:51,910 --> 00:56:50,319
yeah in general that this is a profound

1604
00:56:54,470 --> 00:56:51,920
i started our

1605
00:56:55,829 --> 00:56:54,480
et contact and spirituality session

1606
00:56:58,309 --> 00:56:55,839
earlier

1607
00:57:00,390 --> 00:56:58,319
no no not having it not doing it keep

1608
00:57:02,069 --> 00:57:00,400
your crystals to yourself namaste

1609
00:57:03,430 --> 00:57:02,079
over here you're going to stay over

1610
00:57:05,510 --> 00:57:03,440
there but um

1611
00:57:06,630 --> 00:57:05,520
because i do but you know yeah like that

1612
00:57:07,430 --> 00:57:06,640
that connection that consciousness

1613
00:57:10,789 --> 00:57:07,440

connection

1614

00:57:12,230 --> 00:57:10,799

is uh yeah it is basically it makes

1615

00:57:14,390 --> 00:57:12,240

sense when you realize that that

1616

00:57:16,230 --> 00:57:14,400

reality itself emerges out of the

1617

00:57:19,430 --> 00:57:16,240

quantum

1618

00:57:21,510 --> 00:57:19,440

phenomenon

1619

00:57:22,710 --> 00:57:21,520

and consciousness is also a quantum

1620

00:57:25,109 --> 00:57:22,720

phenomena so

1621

00:57:26,150 --> 00:57:25,119

they're both existing in the same level

1622

00:57:27,510 --> 00:57:26,160

and they're both coming

1623

00:57:30,390 --> 00:57:27,520

out of that you know and then everything

1624

00:57:33,190 --> 00:57:30,400

we perceive beyond the quantum

1625

00:57:33,910 --> 00:57:33,200

is kind of an illusion anyway yeah i i

1626
00:57:36,069 --> 00:57:33,920
recently

1627
00:57:37,270 --> 00:57:36,079
um interviewed leslie keane the

1628
00:57:40,549 --> 00:57:37,280
investigative journalist

1629
00:57:42,470 --> 00:57:40,559
on her um her book surviving death

1630
00:57:43,589 --> 00:57:42,480
about the afterlife and it was really

1631
00:57:45,430 --> 00:57:43,599
interesting because

1632
00:57:46,710 --> 00:57:45,440
i went into this thinking i was going to

1633
00:57:49,910 --> 00:57:46,720
be having like a

1634
00:57:51,670 --> 00:57:49,920
spiritual or religious conversation and

1635
00:57:53,270 --> 00:57:51,680
um that was like the first thing she

1636
00:57:56,069 --> 00:57:53,280
said to me was

1637
00:57:58,549 --> 00:57:56,079
the word god was not in my book once

1638
00:58:00,390 --> 00:57:58,559

it's like a 350 page book

1639

00:58:01,990 --> 00:58:00,400

and i found that really interesting and

1640

00:58:05,270 --> 00:58:02,000

i agree with both of you that

1641

00:58:07,510 --> 00:58:05,280

we are getting closer to

1642

00:58:08,870 --> 00:58:07,520

the science behind consciousness and on

1643

00:58:11,349 --> 00:58:08,880

the quantum level

1644

00:58:13,510 --> 00:58:11,359

and that's i i do agree i think it's

1645

00:58:14,069 --> 00:58:13,520

going to take a really long time to get

1646

00:58:17,589 --> 00:58:14,079

there

1647

00:58:19,510 --> 00:58:17,599

but the idea that consciousness is

1648

00:58:21,670 --> 00:58:19,520

part of the afterlife and this is how we

1649

00:58:22,549 --> 00:58:21,680

may be able to communicate with those

1650

00:58:25,430 --> 00:58:22,559

whose

1651
00:58:27,510 --> 00:58:25,440
consciousness has moved on gone to

1652
00:58:27,910 --> 00:58:27,520
another vessel whatever you want to call

1653
00:58:30,069 --> 00:58:27,920
it

1654
00:58:31,109 --> 00:58:30,079
um yeah why not why can't that be

1655
00:58:34,309 --> 00:58:31,119
connected to

1656
00:58:36,309 --> 00:58:34,319
whatever ufos represent i i think it's

1657
00:58:37,589 --> 00:58:36,319
fascinating and jeremy you did mention

1658
00:58:40,789 --> 00:58:37,599
the whole you know

1659
00:58:41,670 --> 00:58:40,799
sort of ce5 thing too um this is a huge

1660
00:58:44,950 --> 00:58:41,680
movement right now

1661
00:58:45,910 --> 00:58:44,960
well i didn't always say ce5 but yeah

1662
00:58:48,470 --> 00:58:45,920
you know i

1663
00:58:50,470 --> 00:58:48,480

i feel you i think i feel like we were

1664

00:58:53,589 --> 00:58:50,480

inched in there but i i feel like

1665

00:58:55,910 --> 00:58:53,599

you're so crazy when all those fails

1666

00:58:57,510 --> 00:58:55,920

when nuts and bolts fails like what you

1667

00:58:58,630 --> 00:58:57,520

know what are we left with and i think

1668

00:59:01,109 --> 00:58:58,640

the quantum level

1669

00:59:02,710 --> 00:59:01,119

is has something to do with that well i

1670

00:59:03,270 --> 00:59:02,720

mean like i don't believe we have souls

1671

00:59:04,870 --> 00:59:03,280

but i

1672

00:59:06,630 --> 00:59:04,880

i do believe there's something to the

1673

00:59:07,829 --> 00:59:06,640

ghost phenomenon

1674

00:59:09,270 --> 00:59:07,839

and when i tell people that you know i'm

1675

00:59:10,390 --> 00:59:09,280

an atheist but i believe ghosts are

1676

00:59:12,150 --> 00:59:10,400

probably real

1677

00:59:13,670 --> 00:59:12,160

they go how can you how can you believe

1678

00:59:15,990 --> 00:59:13,680

in that without believing we have a soul

1679

00:59:18,150 --> 00:59:16,000

and i said like like i i believe the

1680

00:59:20,069 --> 00:59:18,160

phenomenon exists because

1681

00:59:21,750 --> 00:59:20,079

we have you know thousands of years of

1682

00:59:23,750 --> 00:59:21,760

anecdotal evidence for it

1683

00:59:25,270 --> 00:59:23,760

you know and i don't think the reason is

1684

00:59:26,630 --> 00:59:25,280

thousands of years

1685

00:59:28,549 --> 00:59:26,640

the only reason why things are

1686

00:59:30,390 --> 00:59:28,559

paranormal is because they're not

1687

00:59:32,630 --> 00:59:30,400

normalized yet because we haven't

1688

00:59:34,069 --> 00:59:32,640

figured out exactly how they're working

1689

00:59:35,670 --> 00:59:34,079

and this is something that

1690

00:59:37,990 --> 00:59:35,680

you know i talked a lot with dr edgar

1691

00:59:40,150 --> 00:59:38,000

mittell before he passed away

1692

00:59:41,349 --> 00:59:40,160

was able to film with him you know he's

1693

00:59:43,990 --> 00:59:41,359

a guy that

1694

00:59:45,190 --> 00:59:44,000

when he was coming back from the moon he

1695

00:59:46,870 --> 00:59:45,200

had an epiphany

1696

00:59:49,510 --> 00:59:46,880

and he realized you know his

1697

00:59:51,990 --> 00:59:49,520

interconnectivity of his consciousness

1698

00:59:53,829 --> 00:59:52,000

with the planet he was coming back to

1699

00:59:54,950 --> 00:59:53,839

and he started the institute of noetic

1700

00:59:58,069 --> 00:59:54,960

sciences

1701
00:59:59,829 --> 00:59:58,079
so this and i was kind of joking ryan we

1702
01:00:02,230 --> 00:59:59,839
are talking about this idea where

1703
01:00:03,430 --> 01:00:02,240
people are believing that their

1704
01:00:06,069 --> 01:00:03,440
consciousness

1705
01:00:07,589 --> 01:00:06,079
is somehow interacting with these

1706
01:00:11,109 --> 01:00:07,599
machines in the sky

1707
01:00:12,829 --> 01:00:11,119
or whatever and uh undoubtedly there's

1708
01:00:15,510 --> 01:00:12,839
something to it

1709
01:00:18,710 --> 01:00:15,520
undoubtedly and we have to separate

1710
01:00:20,069 --> 01:00:18,720
the messenger from the message that's

1711
01:00:22,950 --> 01:00:20,079
really important because

1712
01:00:26,829 --> 01:00:22,960
the ufo world it does inspire lots of

1713
01:00:29,990 --> 01:00:26,839

schizophrenia it inspires a lot of uh

1714

01:00:32,950 --> 01:00:30,000

fantasy but that doesn't mean

1715

01:00:34,710 --> 01:00:32,960

that there isn't um real power in

1716

01:00:36,470 --> 01:00:34,720

looking into these realms that feel

1717

01:00:38,710 --> 01:00:36,480

uncomfortable i'm personally allergic

1718

01:00:40,069 --> 01:00:38,720

to that kind of high weirdness but i'm

1719

01:00:44,950 --> 01:00:40,079

confronted by it

1720

01:00:47,270 --> 01:00:44,960

like skinwalker ranch and you guys know

1721

01:00:50,309 --> 01:00:47,280

that that george knapp who has been an

1722

01:00:53,430 --> 01:00:50,319

amazing mentor to me in in journalism

1723

01:00:53,910 --> 01:00:53,440

he jumped into that and he looked at it

1724

01:00:56,630 --> 01:00:53,920

and and

1725

01:00:58,870 --> 01:00:56,640

the scientists and dr colin kelleher and

1726

01:00:59,829 --> 01:00:58,880

eric davis and and nids and jacques

1727

01:01:01,589 --> 01:00:59,839

ballet and hal

1728

01:01:03,589 --> 01:01:01,599

put off and some of the brightest minds

1729

01:01:05,510 --> 01:01:03,599

that we have kit green

1730

01:01:07,270 --> 01:01:05,520

all these people they've been looking

1731

01:01:10,710 --> 01:01:07,280

into this for quite some time it is an

1732

01:01:14,069 --> 01:01:10,720

undeniable fact that the phenomena

1733

01:01:17,589 --> 01:01:14,079

which includes ufos that it does

1734

01:01:21,190 --> 01:01:17,599

interact almost in a in a playful

1735

01:01:24,309 --> 01:01:21,200

manner or a performance manner it does

1736

01:01:25,670 --> 01:01:24,319

interact with humanity and with human

1737

01:01:27,430 --> 01:01:25,680

consciousness and you've got some place

1738

01:01:28,950 --> 01:01:27,440

like skinwalker ranch

1739

01:01:30,950 --> 01:01:28,960

which is being used as a living

1740

01:01:32,309 --> 01:01:30,960

laboratory again boundaries are false we

1741

01:01:34,549 --> 01:01:32,319

know that from corona

1742

01:01:36,390 --> 01:01:34,559

but the idea that that you can have a

1743

01:01:39,190 --> 01:01:36,400

place and you can study it

1744

01:01:40,630 --> 01:01:39,200

so like the show that just came out

1745

01:01:43,190 --> 01:01:40,640

millions of people

1746

01:01:43,990 --> 01:01:43,200

are watching this show millions of

1747

01:01:47,910 --> 01:01:44,000

people

1748

01:01:49,750 --> 01:01:47,920

so it is opening that door for us

1749

01:01:52,230 --> 01:01:49,760

under the new ownership of skinwalker

1750

01:01:55,349 --> 01:01:52,240

ranch it is opening that door for us

1751

01:01:58,589 --> 01:01:55,359

to have this conversation to face

1752

01:01:59,990 --> 01:01:58,599

our the imposition of our you know

1753

01:02:03,190 --> 01:02:00,000

preconceptions

1754

01:02:06,870 --> 01:02:03,200

you know i firmly feel consensus

1755

01:02:08,150 --> 01:02:06,880

reality needs to catch up with physical

1756

01:02:14,470 --> 01:02:08,160

reality

1757

01:02:16,789 --> 01:02:14,480

is wrong it is incomplete

1758

01:02:18,230 --> 01:02:16,799

and so now it's time that we you know we

1759

01:02:21,589 --> 01:02:18,240

start looking at this stuff

1760

01:02:23,910 --> 01:02:21,599

in fun ways in entertainment personally

1761

01:02:25,029 --> 01:02:23,920

uh having these conversations and i know

1762

01:02:28,390 --> 01:02:25,039

probably like

1763

01:02:29,349 --> 01:02:28,400

you all been the crazy uncle or crazy

1764

01:02:31,190 --> 01:02:29,359

aunt and the family

1765

01:02:33,029 --> 01:02:31,200

you know interested in ufos but this

1766

01:02:35,270 --> 01:02:33,039

topic is big

1767

01:02:36,870 --> 01:02:35,280

it's it's big because it looks at the

1768

01:02:39,829 --> 01:02:36,880

idea of not only

1769

01:02:42,069 --> 01:02:39,839

are we alone in the universe but it also

1770

01:02:46,789 --> 01:02:42,079

it looks into the concept

1771

01:02:49,910 --> 01:02:46,799

of is reality as we understand it

1772

01:02:51,750 --> 01:02:49,920

is it is it like uh dave foley you said

1773

01:02:54,630 --> 01:02:51,760

to me today

1774

01:02:56,549 --> 01:02:54,640

looking at the screen of your iphone it

1775

01:02:58,549 --> 01:02:56,559

tells you nothing about what's going on

1776

01:02:59,990 --> 01:02:58,559

on the inside of that yeah that's the

1777

01:03:01,510 --> 01:03:00,000

can you tell tell me about that in

1778

01:03:03,510 --> 01:03:01,520

a second that's actually guy donald

1779

01:03:05,829 --> 01:03:03,520

hoffman who's a cognitive

1780

01:03:07,829 --> 01:03:05,839

psychologist but he's putting out this

1781

01:03:11,270 --> 01:03:07,839

theory that um

1782

01:03:15,190 --> 01:03:11,280

that basically our senses

1783

01:03:18,870 --> 01:03:15,200

evolved not to reveal reality to us but

1784

01:03:21,829 --> 01:03:18,880

to conceal reality from us um

1785

01:03:22,390 --> 01:03:21,839

how do you mean that that it that what

1786

01:03:24,309 --> 01:03:22,400

there are

1787

01:03:26,069 --> 01:03:24,319

that are basically our senses we're

1788

01:03:29,589 --> 01:03:26,079

creating a user interface

1789

01:03:31,430 --> 01:03:29,599

that is understandable and useful

1790

01:03:33,190 --> 01:03:31,440

it is not about knowing what's really

1791

01:03:34,950 --> 01:03:33,200

going on like we we look at our

1792

01:03:36,470 --> 01:03:34,960

our iphones and we can send emails on

1793

01:03:37,349 --> 01:03:36,480

our iphones or we can watch videos on

1794

01:03:39,430 --> 01:03:37,359

our iphones

1795

01:03:40,630 --> 01:03:39,440

without having any concept about what is

1796

01:03:43,109 --> 01:03:40,640

going on behind that

1797

01:03:44,950 --> 01:03:43,119

that piece of glass that we're staring

1798

01:03:46,069 --> 01:03:44,960

at we have no idea what's happening

1799

01:03:47,349 --> 01:03:46,079

because and every most of the things

1800

01:03:49,349 --> 01:03:47,359

that are happening inside the phone

1801
01:03:51,349 --> 01:03:49,359
are happening at a quantum level as well

1802
01:03:54,150 --> 01:03:51,359
but uh so he said that

1803
01:03:55,990 --> 01:03:54,160
that our senses were basically just set

1804
01:03:56,870 --> 01:03:56,000
up not to reveal reality to us but to

1805
01:03:59,349 --> 01:03:56,880
filter reality

1806
01:04:00,710 --> 01:03:59,359
out so that we can maneuver and survive

1807
01:04:03,349 --> 01:04:00,720
we can avoid being

1808
01:04:04,950 --> 01:04:03,359
eaten we can find mates we can find food

1809
01:04:07,029 --> 01:04:04,960
and those were the things that we needed

1810
01:04:09,270 --> 01:04:07,039
census to direct us towards

1811
01:04:10,870 --> 01:04:09,280
and that anything that uh that didn't

1812
01:04:13,829 --> 01:04:10,880
provide those

1813
01:04:16,069 --> 01:04:13,839

uh that sort of uh a filter that user

1814

01:04:18,630 --> 01:04:16,079

interface to dealing with reality

1815

01:04:19,910 --> 01:04:18,640

uh would be discarded uh through

1816

01:04:21,589 --> 01:04:19,920

evolution because uh

1817

01:04:23,589 --> 01:04:21,599

it wouldn't you know it's like needed

1818

01:04:26,309 --> 01:04:23,599

for survival to know the

1819

01:04:27,990 --> 01:04:26,319

life yeah whereas if you if some if some

1820

01:04:28,950 --> 01:04:28,000

creature did evolve that was able to

1821

01:04:32,390 --> 01:04:28,960

perceive

1822

01:04:34,710 --> 01:04:32,400

reality at a quantum level uh it most

1823

01:04:37,750 --> 01:04:34,720

likely would get eaten by a lion

1824

01:04:40,789 --> 01:04:37,760

and not reproduce and not you know

1825

01:04:43,190 --> 01:04:40,799

it would not dominate the species um

1826

01:04:45,430 --> 01:04:43,200

so he was saying that that evolution

1827

01:04:47,510 --> 01:04:45,440

weeds out reality

1828

01:04:49,029 --> 01:04:47,520

in terms of our senses and i don't fully

1829

01:04:50,150 --> 01:04:49,039

understand but it's but his and he

1830

01:04:53,349 --> 01:04:50,160

believes that

1831

01:04:56,710 --> 01:04:53,359

essentially the the universe is is

1832

01:04:59,190 --> 01:04:56,720

is really built up of conscious entities

1833

01:04:59,829 --> 01:04:59,200

and uh consciousness the consciousness

1834

01:05:04,390 --> 01:04:59,839

itself

1835

01:05:08,069 --> 01:05:04,400

is the baseline reality of the universe

1836

01:05:10,870 --> 01:05:08,079

um but that you know but our

1837

01:05:12,230 --> 01:05:10,880

our our illusion of reality is nothing

1838

01:05:15,109 --> 01:05:12,240

to do with consciousness right

1839

01:05:16,150 --> 01:05:15,119

it's very useful yeah it's useful

1840

01:05:18,150 --> 01:05:16,160

related yeah

1841

01:05:20,230 --> 01:05:18,160

yeah it said that yeah anything and you

1842

01:05:22,150 --> 01:05:20,240

said he's run like evolutionary models

1843

01:05:24,630 --> 01:05:22,160

and anytime he runs a model where uh you

1844

01:05:28,230 --> 01:05:24,640

know where he imposes the idea of

1845

01:05:29,910 --> 01:05:28,240

of uh really perceiving reality as

1846

01:05:31,190 --> 01:05:29,920

opposed to having a user interface

1847

01:05:33,349 --> 01:05:31,200

that's useful

1848

01:05:34,470 --> 01:05:33,359

uh they quickly disappear they quickly

1849

01:05:36,309 --> 01:05:34,480

get destroyed yeah

1850

01:05:38,470 --> 01:05:36,319

in in jiu jitsu we had a saying is

1851

01:05:41,910 --> 01:05:38,480

called the 90 90 rule right

1852

01:05:45,270 --> 01:05:41,920

you train 90 of the time the stuff that

1853

01:05:47,430 --> 01:05:45,280

works at 90 of the the time and the

1854

01:05:50,549 --> 01:05:47,440

techniques that that work the remaining

1855

01:05:51,349 --> 01:05:50,559

10 you know maybe you you study those 10

1856

01:05:55,029 --> 01:05:51,359

of the time

1857

01:05:58,710 --> 01:05:55,039

so the idea that our physical tangible

1858

01:06:01,109 --> 01:05:58,720

perception of reality is useful

1859

01:06:02,630 --> 01:06:01,119

at least 90 of the time then we're going

1860

01:06:04,950 --> 01:06:02,640

to focus on that

1861

01:06:06,630 --> 01:06:04,960

however it's it's the rest of it that if

1862

01:06:11,510 --> 01:06:06,640

we have the luxury

1863

01:06:14,549 --> 01:06:11,520

about to study to analyze to dig

1864

01:06:15,349 --> 01:06:14,559

deep to find out more that's the cutting

1865

01:06:17,990 --> 01:06:15,359

edge

1866

01:06:19,270 --> 01:06:18,000

that's where things are going to change

1867

01:06:20,870 --> 01:06:19,280

yeah and you have to wonder like

1868

01:06:23,029 --> 01:06:20,880

hypothetically is that

1869

01:06:25,109 --> 01:06:23,039

what this phenomenon if we're going to

1870

01:06:26,150 --> 01:06:25,119

talk ufo i'd rather say phenomena i

1871

01:06:28,870 --> 01:06:26,160

guess uh

1872

01:06:30,230 --> 01:06:28,880

is that the end goal are they trying to

1873

01:06:33,270 --> 01:06:30,240

get us back to that point

1874

01:06:34,230 --> 01:06:33,280

of getting to the um you know the other

1875

01:06:36,470 --> 01:06:34,240

side of that

1876

01:06:38,309 --> 01:06:36,480

uh filtering mechanism i guess i do

1877

01:06:40,870 --> 01:06:38,319

wonder is there an end goal

1878

01:06:42,230 --> 01:06:40,880

i guess yeah i mean who are they i mean

1879

01:06:44,069 --> 01:06:42,240

that's something that uh

1880

01:06:46,870 --> 01:06:44,079

foley and i were talking about today

1881

01:06:50,309 --> 01:06:46,880

it's like you know these um

1882

01:06:52,870 --> 01:06:50,319

occupants or these controllers

1883

01:06:55,349 --> 01:06:52,880

of these vehicles which is one small

1884

01:06:58,150 --> 01:06:55,359

part of the phenomena

1885

01:06:58,549 --> 01:06:58,160

the ufo topic this part of it that you

1886

01:07:01,750 --> 01:06:58,559

know

1887

01:07:03,750 --> 01:07:01,760

how invested are they in humankind

1888

01:07:05,270 --> 01:07:03,760

what are the things that we've witnessed

1889

01:07:08,069 --> 01:07:05,280

that they've done we've seen them

1890

01:07:09,510 --> 01:07:08,079

toying with our nuclear weapons but

1891

01:07:11,190 --> 01:07:09,520

other than that i mean they're not

1892

01:07:12,470 --> 01:07:11,200

coming around and shooting a vaccine of

1893

01:07:15,510 --> 01:07:12,480

light for corona

1894

01:07:15,829 --> 01:07:15,520

i mean what's really going on and dave i

1895

01:07:17,750 --> 01:07:15,839

mean

1896

01:07:19,109 --> 01:07:17,760

just because i'm greedy dave tell us a

1897

01:07:21,109 --> 01:07:19,119

little bit about that dave

1898

01:07:22,230 --> 01:07:21,119

i agree with ryan that i think phenomena

1899

01:07:24,789 --> 01:07:22,240

is a better term

1900

01:07:25,349 --> 01:07:24,799

i think there are some of the phenomena

1901

01:07:27,829 --> 01:07:25,359

like i think

1902

01:07:28,870 --> 01:07:27,839

the your friend who is involved with

1903

01:07:31,990 --> 01:07:28,880

summoning

1904

01:07:34,789 --> 01:07:32,000

the the jim martin the guy that had that

1905

01:07:37,190 --> 01:07:34,799

video recently

1906

01:07:39,670 --> 01:07:37,200

yeah that seems to be different from the

1907

01:07:42,069 --> 01:07:39,680

the nuts and bolts kind of sightings

1908

01:07:43,270 --> 01:07:42,079

that a lot of other people have where it

1909

01:07:45,589 --> 01:07:43,280

doesn't feel like there's

1910

01:07:47,190 --> 01:07:45,599

um any desire on the part of these

1911

01:07:47,589 --> 01:07:47,200

people to really connect with us in some

1912

01:07:48,950 --> 01:07:47,599

way

1913

01:07:50,870 --> 01:07:48,960

but these these people that want to seem

1914

01:07:53,109 --> 01:07:50,880

to these craft that seem to want to

1915

01:07:54,630 --> 01:07:53,119

interact with our consciousness maybe

1916

01:07:57,270 --> 01:07:54,640

there is an interest there in

1917

01:07:57,990 --> 01:07:57,280

us uh right like the object that was

1918

01:08:01,190 --> 01:07:58,000

docking

1919

01:08:02,950 --> 01:08:01,200

with the the us0 unidentified submerged

1920

01:08:04,470 --> 01:08:02,960

object when commander fraber came up the

1921

01:08:07,029 --> 01:08:04,480

tic tac was

1922

01:08:08,390 --> 01:08:07,039

for lack of a better term docking it it

1923

01:08:11,910 --> 01:08:08,400

was ignoring

1924

01:08:15,109 --> 01:08:11,920

until it noticed

1925

01:08:15,670 --> 01:08:15,119

in his own words noticed him and then

1926

01:08:18,870 --> 01:08:15,680

came and

1927

01:08:21,430 --> 01:08:18,880

mirrored his exact movements so

1928

01:08:22,390 --> 01:08:21,440

it was doing a job it was doing

1929

01:08:24,309 --> 01:08:22,400

something else

1930

01:08:25,590 --> 01:08:24,319

it wasn't there for him it wasn't a

1931

01:08:28,550 --> 01:08:25,600

personal thing

1932

01:08:29,269 --> 01:08:28,560

however a lot of the sightings do end up

1933

01:08:32,309 --> 01:08:29,279

being

1934

01:08:34,470 --> 01:08:32,319

very uniquely personal and i've seen

1935

01:08:36,229 --> 01:08:34,480

things like that myself where certain

1936

01:08:36,789 --> 01:08:36,239

people can see them other people can't

1937

01:08:38,390 --> 01:08:36,799

until you

1938

01:08:39,990 --> 01:08:38,400

put a camera on them and they see the

1939

01:08:41,669 --> 01:08:40,000

the object in the camera and then they

1940

01:08:43,590 --> 01:08:41,679

then they can see it with their eyes so

1941

01:08:46,789 --> 01:08:43,600

this idea of passivity

1942

01:08:49,189 --> 01:08:46,799

this idea that some of these objects

1943

01:08:51,189 --> 01:08:49,199

are doing more than just like mapping or

1944

01:08:52,789 --> 01:08:51,199

something that they're engaging people

1945

01:08:54,070 --> 01:08:52,799

is that what you're talking about yeah

1946

01:08:54,309 --> 01:08:54,080

well i mean i think you got to look at

1947

01:08:57,430 --> 01:08:54,319

it

1948

01:08:59,829 --> 01:08:57,440

um if you want to draw parallel that

1949

01:09:00,870 --> 01:08:59,839

uh somebody who works for an oil

1950

01:09:03,349 --> 01:09:00,880

drilling company

1951

01:09:05,110 --> 01:09:03,359

uh will go into a jungle and find a

1952

01:09:06,950 --> 01:09:05,120

place where there might be oil

1953

01:09:08,149 --> 01:09:06,960

and you might not notice any of the

1954

01:09:10,070 --> 01:09:08,159

flora and fauna

1955

01:09:12,630 --> 01:09:10,080

in that jungle you might not take any

1956

01:09:14,950 --> 01:09:12,640

time to watch you know leafcutter ants

1957

01:09:16,870 --> 01:09:14,960

and marvel at what they do he's just

1958

01:09:19,349 --> 01:09:16,880

going to go find oil and leave

1959

01:09:20,070 --> 01:09:19,359

right but then you have someone like

1960

01:09:22,070 --> 01:09:20,080

jane goodall

1961

01:09:23,590 --> 01:09:22,080

who will go into the jungle and devote

1962

01:09:24,309 --> 01:09:23,600

her whole life to understanding

1963

01:09:28,229 --> 01:09:24,319

something

1964

01:09:31,349 --> 01:09:28,239

another creature so perhaps in the ufo

1965

01:09:32,709 --> 01:09:31,359

phenomena there are some people whose

1966

01:09:35,110 --> 01:09:32,719

job is just to come and

1967

01:09:36,789 --> 01:09:35,120

and get oil and other people whose job

1968

01:09:37,669 --> 01:09:36,799

is to come and understand what's going

1969

01:09:40,229 --> 01:09:37,679

on

1970

01:09:42,390 --> 01:09:40,239

different probably different species and

1971

01:09:45,990 --> 01:09:42,400

and within different species probably

1972

01:09:49,189 --> 01:09:46,000

uh just like us a variety of tasks

1973

01:09:52,709 --> 01:09:49,199

that are performed and a variety of

1974

01:09:54,709 --> 01:09:52,719

intent yeah and that you know so that

1975

01:09:56,470 --> 01:09:54,719

you know if you want to find out about

1976

01:09:58,390 --> 01:09:56,480

you know about uh

1977

01:09:59,590 --> 01:09:58,400

the ecosystems of the jungle don't ask

1978

01:10:02,630 --> 01:09:59,600

the oil guy

1979

01:10:03,669 --> 01:10:02,640

i i work with experiencers dave and

1980

01:10:06,550 --> 01:10:03,679

witnesses that's

1981

01:10:07,270 --> 01:10:06,560

that's my i guess approach to ufology

1982

01:10:09,510 --> 01:10:07,280

and

1983

01:10:10,550 --> 01:10:09,520

one case um i'm recalling is a woman in

1984

01:10:13,350 --> 01:10:10,560

detroit

1985

01:10:14,950 --> 01:10:13,360

who came to me with one of the most

1986

01:10:17,750 --> 01:10:14,960

stunning cases i've heard of

1987

01:10:18,790 --> 01:10:17,760

in michigan over body water she's a

1988

01:10:21,350 --> 01:10:18,800

triangular

1989

01:10:23,189 --> 01:10:21,360

ufo uh calls her daughter to come out

1990

01:10:24,870 --> 01:10:23,199

she's like 15 years old

1991

01:10:26,310 --> 01:10:24,880

and they're both looking up at this

1992

01:10:28,630 --> 01:10:26,320

thing and

1993

01:10:29,510 --> 01:10:28,640

the mother said she felt euphoric while

1994

01:10:31,750 --> 01:10:29,520

looking up

1995

01:10:33,350 --> 01:10:31,760

and that it was completely silent and

1996

01:10:33,910 --> 01:10:33,360

then she looks over at her 15 year old

1997

01:10:35,430 --> 01:10:33,920

daughter

1998

01:10:36,950 --> 01:10:35,440

and she's crouched on the ground

1999

01:10:40,790 --> 01:10:36,960

covering her ears and saying

2000

01:10:42,950 --> 01:10:40,800

how unbearably loud the craft is so

2001
01:10:44,390 --> 01:10:42,960
there's an objective reality to the ufo

2002
01:10:47,270 --> 01:10:44,400
phenomenon clearly

2003
01:10:48,709 --> 01:10:47,280
um but the subjectivity of it actually

2004
01:10:51,750 --> 01:10:48,719
speaks to me more

2005
01:10:53,910 --> 01:10:51,760
um the observer having the experience

2006
01:10:55,350 --> 01:10:53,920
so i i do find it fascinating that we

2007
01:10:58,630 --> 01:10:55,360
can look at it as yes

2008
01:10:59,590 --> 01:10:58,640
nuts and bolts craft um distinct reality

2009
01:11:01,590 --> 01:10:59,600
of a phenomenon

2010
01:11:03,750 --> 01:11:01,600
and then we look at the person having

2011
01:11:05,189 --> 01:11:03,760
the experience and how they decide to

2012
01:11:07,669 --> 01:11:05,199
embrace that or reject it

2013
01:11:09,110 --> 01:11:07,679

um the mom is like totally into it now

2014

01:11:11,590 --> 01:11:09,120

she has tons of sightings

2015

01:11:12,310 --> 01:11:11,600

she has high strangeness experiences the

2016

01:11:14,390 --> 01:11:12,320

daughter

2017

01:11:15,990 --> 01:11:14,400

she said this i want nothing to do

2018

01:11:16,630 --> 01:11:16,000

with it i never want to talk about this

2019

01:11:18,950 --> 01:11:16,640

again

2020

01:11:19,669 --> 01:11:18,960

um i'm done so i think it's really

2021

01:11:21,830 --> 01:11:19,679

interesting

2022

01:11:23,110 --> 01:11:21,840

these people having the experiences navy

2023

01:11:25,830 --> 01:11:23,120

pilots included

2024

01:11:27,590 --> 01:11:25,840

you know i'm sure one of them went one

2025

01:11:28,630 --> 01:11:27,600

way with it in another one a completely

2026

01:11:30,870 --> 01:11:28,640

different way i think that

2027

01:11:31,990 --> 01:11:30,880

yeah the less trained pilot had a lot of

2028

01:11:33,430 --> 01:11:32,000

fear and

2029

01:11:35,189 --> 01:11:33,440

it freaked them out and commander frager

2030

01:11:35,830 --> 01:11:35,199

said i'm going to go check that out i

2031

01:11:37,669 --> 01:11:35,840

want to see

2032

01:11:39,270 --> 01:11:37,679

who's flying that so yeah exactly

2033

01:11:41,030 --> 01:11:39,280

there's a big difference yeah

2034

01:11:42,310 --> 01:11:41,040

there is and that lens you look at the

2035

01:11:43,750 --> 01:11:42,320

experience through i think

2036

01:11:45,750 --> 01:11:43,760

has a lot to do this is the stuff that

2037

01:11:47,830 --> 01:11:45,760

donald hoffman talks about in even in

2038

01:11:50,709 --> 01:11:47,840

prepping his lectures he talks about

2039

01:11:51,510 --> 01:11:50,719

the fact that our our experience of

2040

01:11:53,669 --> 01:11:51,520

reality

2041

01:11:54,870 --> 01:11:53,679

at a very fundamental day-to-day level

2042

01:11:56,550 --> 01:11:54,880

is subjective

2043

01:11:58,709 --> 01:11:56,560

you know that we will you know that we

2044

01:12:00,709 --> 01:11:58,719

that's how optical illusions work

2045

01:12:01,830 --> 01:12:00,719

right is because our experience of

2046

01:12:04,950 --> 01:12:01,840

reality is

2047

01:12:06,470 --> 01:12:04,960

uh is subjective and that you can

2048

01:12:08,630 --> 01:12:06,480

you can see things as being different

2049

01:12:10,390 --> 01:12:08,640

colors when they aren't different colors

2050

01:12:11,910 --> 01:12:10,400

uh depending on the context that you're

2051

01:12:14,550 --> 01:12:11,920

seeing them in uh

2052

01:12:16,070 --> 01:12:14,560

you know you you have the uh you know is

2053

01:12:18,070 --> 01:12:16,080

it a duck or a rabbit

2054

01:12:19,750 --> 01:12:18,080

you can only see it one way or another

2055

01:12:22,310 --> 01:12:19,760

that optical illusion

2056

01:12:23,750 --> 01:12:22,320

because our because reality is

2057

01:12:30,390 --> 01:12:23,760

subjective

2058

01:12:32,390 --> 01:12:30,400

inaccurate and so no one can know

2059

01:12:33,990 --> 01:12:32,400

to you know i you know it's almost like

2060

01:12:36,550 --> 01:12:34,000

you know the old saying of uh

2061

01:12:38,390 --> 01:12:36,560

seeing is believing it's closer to

2062

01:12:40,470 --> 01:12:38,400

actually believing is seeing

2063

01:12:41,990 --> 01:12:40,480

is the is probably closer to the reality

2064

01:12:44,229 --> 01:12:42,000

of how we perceive the world

2065

01:12:45,669 --> 01:12:44,239

come out with a certain perspective so

2066

01:12:47,270 --> 01:12:45,679

speaking of the world right now and how

2067

01:12:49,270 --> 01:12:47,280

we perceive it and we've

2068

01:12:51,510 --> 01:12:49,280

talked for over an hour and i can't

2069

01:12:55,270 --> 01:12:51,520

believe i'm doing this but i'm gonna

2070

01:12:57,030 --> 01:12:55,280

um i'm gonna try to wrap us up with a

2071

01:12:58,470 --> 01:12:57,040

i mean we could just keep the stream

2072

01:13:00,070 --> 01:12:58,480

going all night and everybody could hang

2073

01:13:00,470 --> 01:13:00,080

out and we could talk about ufos all

2074

01:13:01,830 --> 01:13:00,480

night

2075

01:13:03,669 --> 01:13:01,840

and you guys should keep doing that

2076

01:13:04,870 --> 01:13:03,679

after you get off the live chat at home

2077

01:13:08,470 --> 01:13:04,880

with your friends like keep

2078

01:13:10,630 --> 01:13:08,480

keep talking about it um what is and i

2079

01:13:12,470 --> 01:13:10,640

know you answered this earlier ryan but

2080

01:13:14,310 --> 01:13:12,480

you can in the festival but you can

2081

01:13:15,510 --> 01:13:14,320

participate again we'll just go around

2082

01:13:17,990 --> 01:13:15,520

we'll start with you ryan

2083

01:13:19,030 --> 01:13:18,000

um what are you most looking forward to

2084

01:13:21,510 --> 01:13:19,040

doing

2085

01:13:22,470 --> 01:13:21,520

when this stupid quarantine is over

2086

01:13:25,110 --> 01:13:22,480

going outside

2087

01:13:25,830 --> 01:13:25,120

i mean that's the simplest answer um

2088

01:13:28,070 --> 01:13:25,840

i've been

2089

01:13:29,110 --> 01:13:28,080

trapped in my closet of a new york

2090

01:13:31,830 --> 01:13:29,120

apartment for

2091

01:13:32,950 --> 01:13:31,840

over a month now um and just looking up

2092

01:13:34,950 --> 01:13:32,960

i mean

2093

01:13:36,550 --> 01:13:34,960

there's mass ufo sightings going on

2094

01:13:38,550 --> 01:13:36,560

during this lockdown which is

2095

01:13:40,310 --> 01:13:38,560

incredible you know everyone's home and

2096

01:13:41,270 --> 01:13:40,320

everyone's like looking for any excuse

2097

01:13:42,790 --> 01:13:41,280

to

2098

01:13:44,790 --> 01:13:42,800

just pop their head out the window and

2099

01:13:47,030 --> 01:13:44,800

look at the sky um so i think it's an

2100

01:13:48,390 --> 01:13:47,040

exciting time uh like jeremy said

2101
01:13:49,750 --> 01:13:48,400
earlier i think it's gonna be really

2102
01:13:51,590 --> 01:13:49,760
interesting to see

2103
01:13:53,270 --> 01:13:51,600
the new normal that's gonna come out of

2104
01:13:56,390 --> 01:13:53,280
this and um

2105
01:13:58,709 --> 01:13:56,400
and what i can do to um

2106
01:14:00,709 --> 01:13:58,719
to just keep the ball rolling i mean i

2107
01:14:01,510 --> 01:14:00,719
know the minute i have the opportunity

2108
01:14:05,510 --> 01:14:01,520
i'm going

2109
01:14:07,990 --> 01:14:05,520
to phoenix to um meet with a zuni elder

2110
01:14:08,950 --> 01:14:08,000
and look at the phoenix lights in a

2111
01:14:11,350 --> 01:14:08,960
whole new

2112
01:14:12,870 --> 01:14:11,360
way so that's what i'm most excited

2113
01:14:16,149 --> 01:14:12,880

about um

2114

01:14:19,510 --> 01:14:16,159

and honestly just seeing my family and

2115

01:14:20,550 --> 01:14:19,520

um and just you know living life to the

2116

01:14:23,110 --> 01:14:20,560

fullest but

2117

01:14:24,870 --> 01:14:23,120

in the meantime i'm digging into a lot

2118

01:14:27,510 --> 01:14:24,880

of old ufo books valet

2119

01:14:28,070 --> 01:14:27,520

and to look at the stones i never

2120

01:14:29,750 --> 01:14:28,080

unturned

2121

01:14:31,270 --> 01:14:29,760

before and you're looking at this

2122

01:14:32,790 --> 01:14:31,280

phenomenon in a whole new light you are

2123

01:14:35,110 --> 01:14:32,800

such a hard worker

2124

01:14:35,910 --> 01:14:35,120

i've been like reporting on ufos for a

2125

01:14:37,350 --> 01:14:35,920

while and

2126
01:14:39,510 --> 01:14:37,360
there's just the amount of amazing

2127
01:14:41,189 --> 01:14:39,520
content you put out and the frequency is

2128
01:14:42,950 --> 01:14:41,199
incredible and you've been

2129
01:14:45,030 --> 01:14:42,960
doing a lot of interviews right now

2130
01:14:47,830 --> 01:14:45,040
you're hardly just hanging out at home

2131
01:14:48,149 --> 01:14:47,840
so yeah there's very if i did that i'd

2132
01:15:09,110 --> 01:14:48,159
go

2133
01:15:11,350 --> 01:15:09,120
like this has been amazing so i hope

2134
01:15:12,149 --> 01:15:11,360
when we are allowed to go back out into

2135
01:15:13,990 --> 01:15:12,159
society

2136
01:15:15,750 --> 01:15:14,000
we still come together and do stuff like

2137
01:15:17,189 --> 01:15:15,760
this because i think that's

2138
01:15:18,870 --> 01:15:17,199

a lot of businesses are probably going

2139

01:15:20,470 --> 01:15:18,880

to go that way too they're going to look

2140

01:15:22,630 --> 01:15:20,480

at their business model and be like

2141

01:15:24,470 --> 01:15:22,640

why the hell are we renting a building

2142

01:15:25,590 --> 01:15:24,480

every month to put these people in like

2143

01:15:27,590 --> 01:15:25,600

let's just do this

2144

01:15:29,990 --> 01:15:27,600

from home so everything is going to

2145

01:15:32,390 --> 01:15:30,000

change after this and um

2146

01:15:33,510 --> 01:15:32,400

yeah i'm it's disappointing that it took

2147

01:16:11,669 --> 01:15:33,520

a

2148

01:16:14,229 --> 01:16:11,679

new content

2149

01:16:16,149 --> 01:16:14,239

so really i think rather than thinking

2150

01:16:19,189 --> 01:16:16,159

about what's happening tomorrow

2151

01:16:21,590 --> 01:16:19,199

right now spending time with friends and

2152

01:16:24,790 --> 01:16:21,600

family and doing the best we can

2153

01:16:26,630 --> 01:16:24,800

and germs are real this is real this is

2154

01:16:28,630 --> 01:16:26,640

not some big conspiracy

2155

01:16:30,630 --> 01:16:28,640

this is happening and we all are

2156

01:16:33,590 --> 01:16:30,640

realizing our boundaries and borders

2157

01:16:34,470 --> 01:16:33,600

are fake and that we have to work

2158

01:16:36,790 --> 01:16:34,480

together

2159

01:16:37,910 --> 01:16:36,800

in order to stay healthy and find a way

2160

01:16:40,950 --> 01:16:37,920

to live

2161

01:16:42,149 --> 01:16:40,960

where you know we can gain all of those

2162

01:16:46,470 --> 01:16:42,159

things from one another

2163

01:16:48,470 --> 01:16:46,480

information hugs you know

2164

01:16:50,149 --> 01:16:48,480

but we have to do it in a way where we

2165

01:16:52,550 --> 01:16:50,159

think about one another

2166

01:16:53,910 --> 01:16:52,560

i see these protests people say it's a

2167

01:16:55,910 --> 01:16:53,920

big conspiracy because you

2168

01:16:57,590 --> 01:16:55,920

imagine my email mailbox every morning

2169

01:17:00,709 --> 01:16:57,600

is just filled with garbage i mean

2170

01:17:02,630 --> 01:17:00,719

thousands of messages of garbage

2171

01:17:04,390 --> 01:17:02,640

and this image came to me whereas like

2172

01:17:06,470 --> 01:17:04,400

all these protesters

2173

01:17:07,590 --> 01:17:06,480

our civil liberties our rights all this

2174

01:17:11,189 --> 01:17:07,600

stuff and then

2175

01:17:12,390 --> 01:17:11,199

one one medical worker who you know

2176

01:17:15,030 --> 01:17:12,400

is gonna have to deal with all these

2177

01:17:18,229 --> 01:17:15,040

people who are shoulder to shoulder

2178

01:17:21,910 --> 01:17:18,239

selfishly selfishly going outside

2179

01:17:24,709 --> 01:17:21,920

and trying to say they're pissed

2180

01:17:26,229 --> 01:17:24,719

right now is the time for us to be

2181

01:17:28,870 --> 01:17:26,239

introspective

2182

01:17:30,550 --> 01:17:28,880

to to show love and to to to be there

2183

01:17:33,189 --> 01:17:30,560

for people that need us

2184

01:17:34,950 --> 01:17:33,199

and to kind of help everybody out and

2185

01:17:37,030 --> 01:17:34,960

stop thinking just about ourselves so

2186

01:17:38,229 --> 01:17:37,040

i'm looking forward obviously to filming

2187

01:17:40,470 --> 01:17:38,239

more interviews

2188

01:17:42,310 --> 01:17:40,480

to putting out more footage but the

2189

01:17:42,870 --> 01:17:42,320

number one thing which i'm most excited

2190

01:17:45,270 --> 01:17:42,880

about

2191

01:17:45,910 --> 01:17:45,280

is playing with this laser gun from bob

2192

01:17:47,669 --> 01:17:45,920

lazar

2193

01:17:49,880 --> 01:17:47,679

because let me tell you something this

2194

01:17:51,430 --> 01:17:49,890

is this is a serious laser gun

2195

01:17:53,350 --> 01:17:51,440

[Laughter]

2196

01:17:55,350 --> 01:17:53,360

so what did you just set on fire in your

2197

01:17:56,149 --> 01:17:55,360

house i know just burned a little bit of

2198

01:17:58,630 --> 01:17:56,159

the door

2199

01:18:00,229 --> 01:17:58,640

it's it's it's not a toy but anyway i'm

2200

01:18:03,030 --> 01:18:00,239

just joking around but look i'm

2201

01:18:04,550 --> 01:18:03,040

i'm really grateful you know jane you

2202

01:18:05,669 --> 01:18:04,560

you put together something really cool

2203

01:18:07,590 --> 01:18:05,679

for people

2204

01:18:09,590 --> 01:18:07,600

um this is something that i think you

2205

01:18:11,189 --> 01:18:09,600

could do more regularly i know it takes

2206

01:18:13,030 --> 01:18:11,199

a lot of time and effort

2207

01:18:14,950 --> 01:18:13,040

uh i i really appreciate you all being

2208

01:18:16,709 --> 01:18:14,960

here and and ryan as well

2209

01:18:18,390 --> 01:18:16,719

look we're fans of your work man you

2210

01:18:20,870 --> 01:18:18,400

know you are a hard worker

2211

01:18:22,550 --> 01:18:20,880

both of you and so it's it's so cool to

2212

01:18:25,110 --> 01:18:22,560

see everybody coming at this

2213

01:18:27,030 --> 01:18:25,120

from from a good place and a place of

2214

01:18:29,510 --> 01:18:27,040

wanted to to get knowledge

2215

01:18:31,110 --> 01:18:29,520

and i'm grateful for dave foley he's got

2216

01:18:34,229 --> 01:18:31,120

a loud voice

2217

01:18:35,750 --> 01:18:34,239

and you know yeah well who isn't

2218

01:18:37,270 --> 01:18:35,760

grateful for dave foley we're gonna

2219

01:18:39,030 --> 01:18:37,280

laser beam them

2220

01:18:40,390 --> 01:18:39,040

but uh you know just the fact that

2221

01:18:40,630 --> 01:18:40,400

you're willing to talk about this with

2222

01:18:43,189 --> 01:18:40,640

us

2223

01:18:44,709 --> 01:18:43,199

knuckleheads i really appreciate it um

2224

01:18:45,910 --> 01:18:44,719

but yeah that's that's kind of it i

2225

01:18:47,430 --> 01:18:45,920

think that everybody should just push

2226

01:18:49,270 --> 01:18:47,440

the pause a little bit

2227

01:18:51,990 --> 01:18:49,280

and dive into the things they're

2228

01:18:54,550 --> 01:18:52,000

passionate about and take care of the

2229

01:18:56,390 --> 01:18:54,560

true priorities you know family friends

2230

01:18:59,030 --> 01:18:56,400

2231

01:19:01,189 --> 01:18:59,040

2232

01:19:04,149 --> 01:19:01,199

2233

01:19:05,669 --> 01:19:04,159

how about you dave uh well let's see

2234

01:19:06,950 --> 01:19:05,679

well one thing i would like to get back

2235

01:19:08,390 --> 01:19:06,960

to learning more about

2236

01:19:11,030 --> 01:19:08,400

all of these subjects that we've been

2237

01:19:12,470 --> 01:19:11,040

talking about today um

2238

01:19:14,070 --> 01:19:12,480

on a professional level i'm gonna have

2239

01:19:14,630 --> 01:19:14,080

to get back to work on the uh kids in

2240

01:19:17,110 --> 01:19:14,640

the hall

2241

01:19:17,669 --> 01:19:17,120

uh tv series that we're we're in the

2242

01:19:20,550 --> 01:19:17,679

middle of

2243

01:19:21,910 --> 01:19:20,560

writing when this all started and uh but

2244

01:19:23,750 --> 01:19:21,920

my main thing is i'm looking forward to

2245

01:19:24,870 --> 01:19:23,760

getting back outside and and licking

2246

01:19:26,070 --> 01:19:24,880

2247

01:19:27,750 --> 01:19:26,080

because it's something i used to really

2248

01:19:29,210 --> 01:19:27,760

enjoy you'd be surprised how different

2249

01:19:31,510 --> 01:19:29,220

uh strangers taste

2250

01:19:33,350 --> 01:19:31,520

2255

01:19:48,470 --> 01:19:45,199
