**RYAN
SPRAGUE**

**JASON
MCCLELLAN**

1
00:00:07,249 --> 00:00:03,889
I got this all right looks like we're

2
00:00:10,490 --> 00:00:07,259
live what's up Jason what's going on man

3
00:00:12,890 --> 00:00:10,500
how are you I'm fantastic I'm excited

4
00:00:15,320 --> 00:00:12,900
cuz I love talking about UFOs oh yeah

5
00:00:17,180 --> 00:00:15,330
man again we're testing out the stream

6
00:00:18,650 --> 00:00:17,190
yard platform seeing how everything

7
00:00:21,019 --> 00:00:18,660
works so we're gonna try some videos

8
00:00:23,060 --> 00:00:21,029
tonight we'll see if how that goes it

9
00:00:24,050 --> 00:00:23,070
might be a disaster but we're gonna give

10
00:00:26,870 --> 00:00:24,060
it a try

11
00:00:28,939 --> 00:00:26,880
if you hear any clapping or clanking of

12
00:00:30,019 --> 00:00:28,949
pans in the background it is 7:00 p.m.

13
00:00:32,569 --> 00:00:30,029

here on the East Coast

14

00:00:34,370 --> 00:00:32,579

and in New York everyone's out cheering

15

00:00:37,220 --> 00:00:34,380

at 7:00 p.m. every night for our

16

00:00:40,549 --> 00:00:37,230

frontline workers first responders so

17

00:00:42,920 --> 00:00:40,559

it's pretty cool and I'm gonna clap with

18

00:00:48,139 --> 00:00:42,930

them just for a moment there all right

19

00:00:50,840 --> 00:00:48,149

yeah yes we can although cool so we are

20

00:00:53,119 --> 00:00:50,850

live on Facebook and on YouTube right

21

00:00:54,889 --> 00:00:53,129

now I want to let everyone know if

22

00:00:57,799 --> 00:00:54,899

you're on Facebook right now I did put a

23

00:00:59,689 --> 00:00:57,809

link there all you do is click that and

24

00:01:01,819 --> 00:00:59,699

00:01:05,149 --> 00:01:01,829

we're using to stream this to you give

26
00:01:07,850 --> 00:01:05,159
them permission to show your comments in

27
00:01:10,670 --> 00:01:07,860
our chat here so yeah just click that

28
00:01:12,500 --> 00:01:10,680
link it's one-button youtube you can

29
00:01:14,840 --> 00:01:12,510
comment right on the right-hand side

30
00:01:16,550 --> 00:01:14,850
there of the feed and other than that

31
00:01:19,999 --> 00:01:16,560
Jason we're just going to dive in man

32
00:01:21,740 --> 00:01:20,009
there's actually four as stagnant as we

33
00:01:23,630 --> 00:01:21,750
are as human beings right now on

34
00:01:27,380 --> 00:01:23,640
lockdown and whatnot there's been a lot

35
00:01:29,600 --> 00:01:27,390
of UFO news and activity lately and I do

36
00:01:33,700 --> 00:01:29,610
want to start with the elephant in the

37
00:01:36,920 --> 00:01:33,710
room the Department of Defense finally

38
00:01:40,370 --> 00:01:36,930

officially released the Navy UFO videos

39

00:01:42,260 --> 00:01:40,380

now for a lot of us out there it's about

40

00:01:45,230 --> 00:01:42,270

two years old about two years too late

41

00:01:46,969 --> 00:01:45,240

but um yeah I saw that you recently did

42

00:01:49,490 --> 00:01:46,979

an episode of the unknown podcast

43

00:01:52,639 --> 00:01:49,500

covering the Pentagon UFO videos and the

44

00:01:55,730 --> 00:01:52,649

new acknowledgment by the DoD so what do

45

00:01:58,550 --> 00:01:55,740

you think man has anything changed what

46

00:02:00,350 --> 00:01:58,560

what exactly is this announcement by the

47

00:02:02,929 --> 00:02:00,360

DoD and why should we pay attention to

48

00:02:05,660 --> 00:02:02,939

it yeah you're right the only thing

49

00:02:07,760 --> 00:02:05,670

that's really changed is they decided to

50

00:02:09,290 --> 00:02:07,770

make a statement and it's not the first

51
00:02:10,309 --> 00:02:09,300
time we've heard official statements

52
00:02:12,589 --> 00:02:10,319
from them they've made official

53
00:02:14,000 --> 00:02:12,599
statements before but you know this is

54
00:02:16,130 --> 00:02:14,010
like official direct

55
00:02:18,229 --> 00:02:16,140
press-release essentially from them and

56
00:02:21,380 --> 00:02:18,239
you know the motivation behind this who

57
00:02:23,449 --> 00:02:21,390
knows but they bother to issue issue and

58
00:02:25,130 --> 00:02:23,459
official press release to acknowledge

59
00:02:28,339 --> 00:02:25,140
the videos to acknowledge that videos

60
00:02:29,869 --> 00:02:28,349
are in fact legitimate videos from the

61
00:02:32,839 --> 00:02:29,879
Navy they're saying that they are

62
00:02:34,940 --> 00:02:32,849
legitimate real Navy videos showing you

63
00:02:37,839 --> 00:02:34,950

know something strange in these videos

64

00:02:39,860 --> 00:02:37,849

that they they claim is is unidentified

65

00:02:42,170 --> 00:02:39,870

unidentified to whom is another question

66

00:02:43,550 --> 00:02:42,180

but that's what they're saying they're

67

00:02:47,300 --> 00:02:43,560

sticking to their their carefully

68

00:02:50,050 --> 00:02:47,310

phrased terminology and the the the new

69

00:02:52,670 --> 00:02:50,060

thing here besides they're saying hey

70

00:02:54,759 --> 00:02:52,680

these videos have been circulating

71

00:02:57,619 --> 00:02:54,769

publicly but we're never officially

72

00:02:59,990 --> 00:02:57,629

authorized to be released that they're

73

00:03:02,210 --> 00:03:00,000

given a nice stick thereto to the stars

74

00:03:03,920 --> 00:03:02,220

and anybody else who you know is

75

00:03:06,259 --> 00:03:03,930

released these videos in the past saying

76
00:03:08,000 --> 00:03:06,269
hey despite what people are saying these

77
00:03:12,229 --> 00:03:08,010
videos were never authorized to be

78
00:03:13,430 --> 00:03:12,239
released again we can play sides here

79
00:03:14,990 --> 00:03:13,440
and choose who we want to believe

80
00:03:17,119 --> 00:03:15,000
because we've heard conflicting stories

81
00:03:19,520 --> 00:03:17,129
all over the place so that's a whole

82
00:03:24,170 --> 00:03:19,530
other you know ball of worms or can of

83
00:03:27,050 --> 00:03:24,180
worms but then they decide to release

84
00:03:28,849 --> 00:03:27,060
the videos themselves to say okay look

85
00:03:30,979 --> 00:03:28,859
now they've been officially been

86
00:03:34,699 --> 00:03:30,989
released here is our official release of

87
00:03:38,659 --> 00:03:34,709
these videos so there you go but the

88
00:03:40,550 --> 00:03:38,669

videos are identical to the ones that

89

00:03:44,030 --> 00:03:40,560

have already been circulating publicly

90

00:03:48,319 --> 00:03:44,040

for two years and then well-well older

91

00:03:50,930 --> 00:03:48,329

than that oh yeah so they gave us these

92

00:03:54,259 --> 00:03:50,940

the like copies of the videos that had

93

00:03:57,080 --> 00:03:54,269

been circulating essentially sleuths

94

00:03:59,509 --> 00:03:57,090

sliced sleuthy people figured out that

95

00:04:01,369 --> 00:03:59,519

these videos that were released by the

96

00:04:04,520 --> 00:04:01,379

DoD we're in fact downloaded from

97

00:04:06,379 --> 00:04:04,530

YouTube at some point so you know we can

98

00:04:09,229 --> 00:04:06,389

surmise all sorts of things from that

99

00:04:10,909 --> 00:04:09,239

but one could guess that they didn't

100

00:04:13,729 --> 00:04:10,919

actually have possession of the original

101
00:04:15,710 --> 00:04:13,739
videos they learned about it by finding

102
00:04:18,159 --> 00:04:15,720
them online and decided to download them

103
00:04:21,680 --> 00:04:18,169
themselves so those are the official

104
00:04:26,000 --> 00:04:21,690
copies that they have and there are no

105
00:04:27,440 --> 00:04:26,010
other videos they state that the Navy

106
00:04:30,530 --> 00:04:27,450
still holds the orig

107
00:04:34,310 --> 00:04:30,540
no videos but the original videos are

108
00:04:36,200 --> 00:04:34,320
the same quality and same length as the

109
00:04:39,040 --> 00:04:36,210
videos that were just released and as

110
00:04:42,650 --> 00:04:39,050
the ones that have been circulating so

111
00:04:44,690 --> 00:04:42,660
you know again it's very strange that

112
00:04:47,600 --> 00:04:44,700
these videos were downloaded from the

113
00:04:51,410 --> 00:04:47,610

internet at some point and that's all

114

00:04:53,600 --> 00:04:51,420

they have so you know the the mystery

115

00:04:55,490 --> 00:04:53,610

the plot thickens it just goes round and

116

00:04:57,140 --> 00:04:55,500

round and we'll continue having new

117

00:04:59,510 --> 00:04:57,150

headlines new things to discuss with

118

00:05:02,360 --> 00:04:59,520

these videos it's very fascinating the

119

00:05:04,730 --> 00:05:02,370

videos themselves but I find the

120

00:05:07,160 --> 00:05:04,740

response and the sort of tripping over

121

00:05:09,950 --> 00:05:07,170

feet and and restating and carefully

122

00:05:11,600 --> 00:05:09,960

phrasing by the Department of Defense to

123

00:05:14,440 --> 00:05:11,610

be the most fascinating thing to watch

124

00:05:17,120 --> 00:05:14,450

with this whole saga right and I mean

125

00:05:18,380 --> 00:05:17,130

honestly man I think they're kind of

126

00:05:20,780 --> 00:05:18,390

shooting themselves in the foot with

127

00:05:23,240 --> 00:05:20,790

this one to be honest I mean it sounds

128

00:05:25,910 --> 00:05:23,250

like they're trying to take control of

129

00:05:28,730 --> 00:05:25,920

the situation again almost two years

130

00:05:30,410 --> 00:05:28,740

late and saying hey it's on record and

131

00:05:32,960 --> 00:05:30,420

now we officially release these when in

132

00:05:35,780 --> 00:05:32,970

reality like you said not even dating

133

00:05:38,630 --> 00:05:35,790

back to 2017 when the New York Times

134

00:05:40,400 --> 00:05:38,640

posted these videos but like you said

135

00:05:44,420 --> 00:05:40,410

there are people who found some of these

136

00:05:48,800 --> 00:05:44,430

videos on forums back in like 2007 and

137

00:05:50,960 --> 00:05:48,810

and even longer videos we've heard some

138

00:05:54,470 --> 00:05:50,970

of the Navy people involved with these

139

00:05:57,050 --> 00:05:54,480

cases say they've seen eight minutes of

140

00:05:58,820 --> 00:05:57,060

these videos so I mean I mean we only

141

00:06:01,280 --> 00:05:58,830

have their word to take on that but

142

00:06:03,500 --> 00:06:01,290

exactly if that's the case if these are

143

00:06:05,960 --> 00:06:03,510

the original videos from the Navy um

144

00:06:10,910 --> 00:06:05,970

they really didn't do a good job if you

145

00:06:13,310 --> 00:06:10,920

ask to your point of you know perhaps

146

00:06:17,990 --> 00:06:13,320

the motivation here is to you know take

147

00:06:20,830 --> 00:06:18,000

control of the situation but does it

148

00:06:23,000 --> 00:06:20,840

really I mean let's look at how the

149

00:06:27,260 --> 00:06:23,010

government and the military has played

150

00:06:28,970 --> 00:06:27,270

the UFO game since the beginning and is

151

00:06:30,980 --> 00:06:28,980

it really taking control of the

152

00:06:33,380 --> 00:06:30,990

narrative or or taking control of the

153

00:06:35,360 --> 00:06:33,390

situation if they want to pretend that

154

00:06:37,559 --> 00:06:35,370

they're they're in control and they are

155

00:06:39,869 --> 00:06:37,569

that the know all people who

156

00:06:41,760 --> 00:06:39,879

you know have their hands they have

157

00:06:46,199 --> 00:06:41,770

control over everything that's happening

158

00:06:47,850 --> 00:06:46,209

I publicly say stating here are some UFO

159

00:06:52,199 --> 00:06:47,860

videos and we don't know what's in these

160

00:06:54,149 --> 00:06:52,209

videos mm-hmm that's not really you know

161

00:06:55,949 --> 00:06:54,159

doing what what they've done in the past

162

00:06:57,449 --> 00:06:55,959

and that's by saying hey we know

163

00:07:00,149 --> 00:06:57,459

everything this is a top-secret project

164

00:07:03,449 --> 00:07:00,159

or hey yeah this is nothing move along

165

00:07:07,739 --> 00:07:03,459

that would be the easy route to take but

166

00:07:11,850 --> 00:07:07,749

by putting out a press release a press

167

00:07:13,920 --> 00:07:11,860

release to get attention on videos that

168

00:07:15,959 --> 00:07:13,930

have already been out there have already

169

00:07:17,999 --> 00:07:15,969

spawned countless headlines just to

170

00:07:21,989 --> 00:07:18,009

create another wave of headlines by

171

00:07:23,489 --> 00:07:21,999

saying nothing new except a here we're

172

00:07:25,799 --> 00:07:23,499

saying what the Navy already told you

173

00:07:27,749 --> 00:07:25,809

because the Navy once before this

174

00:07:31,259 --> 00:07:27,759

release already did release of their own

175

00:07:33,980 --> 00:07:31,269

to say hey here are our videos yes there

176

00:07:37,109 --> 00:07:33,990

are videos and yes the objects are

177

00:07:38,939 --> 00:07:37,119

unidentified or unknowns so the Navy had

178

00:07:42,089 --> 00:07:38,949

already publicly stated that now we have

179

00:07:43,439 --> 00:07:42,099

the DoD saying the same thing why it's

180

00:07:44,850 --> 00:07:43,449

not news we already got that

181

00:07:47,549 --> 00:07:44,860

confirmation that confirmation comes

182

00:07:49,350 --> 00:07:47,559

from the DoD so here they are doing it

183

00:07:52,469 --> 00:07:49,360

again in the form of a press release to

184

00:07:56,239 --> 00:07:52,479

generate publicity and to say yeah the

185

00:07:58,290 --> 00:07:56,249

objects are unknowns what is the point

186

00:08:00,600 --> 00:07:58,300

what's the point and what's their what's

187

00:08:02,549 --> 00:08:00,610

their game you know because everything

188

00:08:03,959 --> 00:08:02,559

they do in a release is carefully

189

00:08:06,089 --> 00:08:03,969

considered carefully crafted

190

00:08:08,040 --> 00:08:06,099

intentionally worded so you do have to

191

00:08:10,529 --> 00:08:08,050

look at the wording and the phrasing

192

00:08:12,480 --> 00:08:10,539

that they use and really kind of scratch

193

00:08:15,899 --> 00:08:12,490

your head and try to try to wonder what

194

00:08:17,489 --> 00:08:15,909

is the motivation behind this yeah I I

195

00:08:20,069 --> 00:08:17,499

think this definitely isn't going to be

196

00:08:23,489 --> 00:08:20,079

the last we hear from the DoD probably

197

00:08:25,259 --> 00:08:23,499

on this topic again they had their hand

198

00:08:28,379 --> 00:08:25,269

forced and we do have to the stars

199

00:08:30,659 --> 00:08:28,389

Academy and in a part the New York Times

200

00:08:33,809 --> 00:08:30,669

article writers Helene Cooper as they

201
00:08:37,110 --> 00:08:33,819
Kane Blumenthal for bringing this to the

202
00:08:38,519 --> 00:08:37,120
public's attention and I think that

203
00:08:40,829 --> 00:08:38,529
there are plenty of you know

204
00:08:42,899 --> 00:08:40,839
optimistic people who view this the

205
00:08:44,590 --> 00:08:42,909
statements and the actions being taken

206
00:08:49,389 --> 00:08:44,600
here by the DoD and the Navy

207
00:08:51,430 --> 00:08:49,399
as you know some some very positive

208
00:08:55,569 --> 00:08:51,440
you know good-hearted notion on their

209
00:08:58,030 --> 00:08:55,579
part to you know be open and you know

210
00:09:00,759 --> 00:08:58,040
start disclosure and start saying hey

211
00:09:03,009 --> 00:09:00,769
look we're the good guys now in the UFO

212
00:09:04,720 --> 00:09:03,019
world we want to help move this forward

213
00:09:07,240 --> 00:09:04,730

and we're interested in being truthful

214

00:09:09,610 --> 00:09:07,250

with you and open and transparent so

215

00:09:11,230 --> 00:09:09,620

here's what we know there you go that's

216

00:09:13,780 --> 00:09:11,240

what you wanted to hear so we're good

217

00:09:16,990 --> 00:09:13,790

now yay right put the public's trust

218

00:09:19,329 --> 00:09:17,000

back in government again during a global

219

00:09:22,389 --> 00:09:19,339

crisis nonetheless that's another thing

220

00:09:24,160 --> 00:09:22,399

why now why did they do this now is was

221

00:09:26,259 --> 00:09:24,170

it to get buried in the rest of the news

222

00:09:29,230 --> 00:09:26,269

I mean every day we're bombarded with

223

00:09:31,990 --> 00:09:29,240

news about kovat 19 and you know

224

00:09:33,910 --> 00:09:32,000

politics and this and that and health

225

00:09:37,660 --> 00:09:33,920

and blah blah blah and then BOOM let's

226

00:09:39,730 --> 00:09:37,670

put this right in the middle of a global

227

00:09:43,660 --> 00:09:39,740

crisis and maybe nobody will even pay

228

00:09:45,430 --> 00:09:43,670

attention to it I don't know I that's

229

00:09:47,879 --> 00:09:45,440

always possible and I know a lot of

230

00:09:50,829 --> 00:09:47,889

people think that but I don't think

231

00:09:52,240 --> 00:09:50,839

anybody there for a second thought that

232

00:09:54,460 --> 00:09:52,250

they would be able to slip this out and

233

00:09:56,139 --> 00:09:54,470

it wouldn't get noticed they will they

234

00:09:58,300 --> 00:09:56,149

wouldn't go through the effort of

235

00:10:01,990 --> 00:09:58,310

putting together a press release and

236

00:10:05,590 --> 00:10:02,000

releasing these videos you know without

237

00:10:07,749 --> 00:10:05,600

expecting a a splash to be made they got

238

00:10:10,090 --> 00:10:07,759

exactly what they wanted that's true and

239

00:10:12,689 --> 00:10:10,100

they probably as they should learn by

240

00:10:15,670 --> 00:10:12,699

now know that there are diligent

241

00:10:18,939 --> 00:10:15,680

researchers and archive archivists out

242

00:10:21,490 --> 00:10:18,949

there who will call them out on their BS

243

00:10:24,069 --> 00:10:21,500

when it comes down to it I mean we have

244

00:10:27,040 --> 00:10:24,079

people stating I mean we wouldn't have

245

00:10:28,689 --> 00:10:27,050

known that the DoD ripped videos from

246

00:10:30,429 --> 00:10:28,699

YouTube without the work of diligent

247

00:10:34,300 --> 00:10:30,439

researchers figuring that out

248

00:10:36,280 --> 00:10:34,310

so kudos to all those who did that it's

249

00:10:39,790 --> 00:10:36,290

a pretty interesting story Louis

250

00:10:41,710 --> 00:10:39,800

Elizondo the former director of programs

251

00:10:44,019 --> 00:10:41,720

I believe for the a tip program the

252

00:10:46,809 --> 00:10:44,029

secret Pentagon UFO program he did weigh

253

00:10:49,240 --> 00:10:46,819

in on this and say you know we respect

254

00:10:51,790 --> 00:10:49,250

that the DoD did this we do want to work

255

00:10:53,530 --> 00:10:51,800

with them on being you know bringing

256

00:10:57,250 --> 00:10:53,540

transparent UFO information to the

257

00:10:57,980 --> 00:10:57,260

public so we thank them and we look

258

00:11:00,800 --> 00:10:57,990

forward to

259

00:11:02,780 --> 00:11:00,810

operating with them more so again again

260

00:11:05,060 --> 00:11:02,790

to the stars was two years ahead of them

261

00:11:07,370 --> 00:11:05,070

but I find it you know I find it pretty

262

00:11:09,079 --> 00:11:07,380

classy that this was the response to the

263

00:11:10,970 --> 00:11:09,089

stars took and look they're gonna

264

00:11:12,440 --> 00:11:10,980

benefit from all this to the more

265

00:11:14,000 --> 00:11:12,450

headlines out there about these videos

266

00:11:17,810 --> 00:11:14,010

the more it's going to generate back

267

00:11:18,920 --> 00:11:17,820

into to the Stars Academy so yeah yeah

268

00:11:21,760 --> 00:11:18,930

everyone wins

269

00:11:23,960 --> 00:11:21,770

in my opinion except the DDOT I guess

270

00:11:26,889 --> 00:11:23,970

well moving to some other government

271

00:11:30,290 --> 00:11:26,899

news Jason we finally got the first

272

00:11:32,329 --> 00:11:30,300

recruitment video from space force so

273

00:11:34,760 --> 00:11:32,339

I'm gonna give this a try if this works

274

00:11:37,220 --> 00:11:34,770

here we're gonna play the recruitment

275

00:11:46,460 --> 00:11:37,230

video so yeah hang tight everyone let's

276

00:11:50,320 --> 00:11:46,470

see if this works my fingers are crossed

277

00:11:52,940 --> 00:11:50,330

Ryan hey look at that

278

00:12:00,100 --> 00:11:52,950

except they don't hear it they're not

279

00:12:04,100 --> 00:12:00,110

hearing it are they just hearing us I

280

00:12:11,620 --> 00:12:04,110

certainly don't hear it okay well we

281

00:12:14,630 --> 00:12:11,630

tried but here it is guys boom alright

282

00:12:16,610 --> 00:12:14,640

so we couldn't hear it so unfortunately

283

00:12:19,250 --> 00:12:16,620

that didn't work but we'll figure that

284

00:12:21,889 --> 00:12:19,260

out for next time um basically they're

285

00:12:24,500 --> 00:12:21,899

saying who says you know that in order

286

00:12:26,600 --> 00:12:24,510

to help your country you got to be on

287

00:12:30,860 --> 00:12:26,610

the planet and they even who's the term

288

00:12:34,490 --> 00:12:30,870

to the stars in their videos so I'm

289

00:12:36,350 --> 00:12:34,500

gonna read the official you know what

290

00:12:36,650 --> 00:12:36,360

what space force is right here for a

291

00:12:38,720 --> 00:12:36,660

minute

292

00:12:41,210 --> 00:12:38,730

space force organizes trains and equips

293

00:12:43,760 --> 00:12:41,220

space forces in order to protect us and

294

00:12:46,900 --> 00:12:43,770

allied interests in space and to provide

295

00:12:49,100 --> 00:12:46,910

space capabilities to the joint force

296

00:12:52,310 --> 00:12:49,110

seven hundred and thirty eight billion

297

00:12:55,910 --> 00:12:52,320

dollars was spent on funding space force

298

00:12:58,370 --> 00:12:55,920

Jason so what do you make of this are

299

00:13:00,650 --> 00:12:58,380

you excited about it and then I've got a

300

00:13:01,880 --> 00:13:00,660

little conspiracy question I want to ask

301
00:13:06,769 --> 00:13:01,890
you but yeah what do you make a space

302
00:13:10,010 --> 00:13:06,779
force all right well I love the concept

303
00:13:11,180 --> 00:13:10,020
of space force I love what the space

304
00:13:16,280 --> 00:13:11,190
force

305
00:13:18,140 --> 00:13:16,290
isn't a new thing mm-hmm the US Air

306
00:13:21,320 --> 00:13:18,150
Force Space Command has been around for

307
00:13:23,300 --> 00:13:21,330
a long time and essentially to me it's

308
00:13:25,040 --> 00:13:23,310
it's sad to see what what space force is

309
00:13:28,400 --> 00:13:25,050
now because it was just a waste of money

310
00:13:31,790 --> 00:13:28,410
to essentially do a rebranding yeah a

311
00:13:32,960 --> 00:13:31,800
very expensive rebranding because what

312
00:13:34,820 --> 00:13:32,970
they've now done is they've just

313
00:13:37,280 --> 00:13:34,830

transferred everything that Space

314

00:13:39,230 --> 00:13:37,290

Command was working on and put it under

315

00:13:42,920 --> 00:13:39,240

this new name of space force

316

00:13:44,810 --> 00:13:42,930

um you know so it's just a gigantic

317

00:13:45,950 --> 00:13:44,820

waste of money in my opinion to go

318

00:13:48,200 --> 00:13:45,960

through that but the work they do is

319

00:13:50,180 --> 00:13:48,210

awesome and you know they're gonna be

320

00:13:53,660 --> 00:13:50,190

doing a lot more things now that they're

321

00:13:55,310 --> 00:13:53,670

they're more more visible I guess so

322

00:13:57,230 --> 00:13:55,320

in the recruitment video you know we see

323

00:13:59,810 --> 00:13:57,240

a lot of like future tech and things

324

00:14:02,390 --> 00:13:59,820

that aren't even real but the one thing

325

00:14:03,020 --> 00:14:02,400

they highlight is the x-37b which is

326

00:14:07,250 --> 00:14:03,030

very real

327

00:14:11,320 --> 00:14:07,260

very cool and very mysterious yeah yeah

328

00:14:13,430 --> 00:14:11,330

I mean I'm excited to see the potential

329

00:14:17,690 --> 00:14:13,440

technologies and developments that come

330

00:14:21,410 --> 00:14:17,700

out of this as for the I guess warfare

331

00:14:25,700 --> 00:14:21,420

aspect of it I'm never for war or you

332

00:14:27,050 --> 00:14:25,710

know I'm I'm I'm pro military to a point

333

00:14:30,110 --> 00:14:27,060

I don't want to get political or

334

00:14:31,700 --> 00:14:30,120

anything on this show but um I I think

335

00:14:35,000 --> 00:14:31,710

it's interesting we'll see how the

336

00:14:36,470 --> 00:14:35,010

recruitment numbers go with that and one

337

00:14:40,100 --> 00:14:36,480

of the big things I wanted to ask your

338

00:14:42,170 --> 00:14:40,110

opinion on with this is when and

339

00:14:44,450 --> 00:14:42,180

everything always circles back to to the

340

00:14:47,180 --> 00:14:44,460

stars Academy when Tom DeLonge first

341

00:14:49,520 --> 00:14:47,190

approached people in the intelligence

342

00:14:51,860 --> 00:14:49,530

communities and the Air Force and the

343

00:14:54,260 --> 00:14:51,870

army and said look I want to put the

344

00:14:55,670 --> 00:14:54,270

military in a good light again I want to

345

00:14:57,620 --> 00:14:55,680

give people interested I want to get

346

00:15:00,260 --> 00:14:57,630

people recruited I want to help you guys

347

00:15:02,270 --> 00:15:00,270

and in return exchange information on

348

00:15:04,310 --> 00:15:02,280

what you might know about UFOs or um you

349

00:15:08,150 --> 00:15:04,320

know these high-tech things you guys are

350

00:15:10,250 --> 00:15:08,160

working on exotic technologies and here

351

00:15:14,000 --> 00:15:10,260

we have the first recruitment video for

352

00:15:17,540 --> 00:15:14,010

space force a new branch of the military

353

00:15:20,570 --> 00:15:17,550

and using the term to the stars in their

354

00:15:23,240 --> 00:15:20,580

recruitment video is this it man is this

355

00:15:25,070 --> 00:15:23,250

the cooperation between to the stars and

356

00:15:26,840 --> 00:15:25,080

this new branch of the millet

357

00:15:29,150 --> 00:15:26,850

coming together to be like let's get

358

00:15:32,650 --> 00:15:29,160

people Pumped for space force and let's

359

00:15:39,139 --> 00:15:35,509

anything's possible Ryan yeah

360

00:15:42,740 --> 00:15:39,149

if we've learned anything from look no

361

00:15:46,100 --> 00:15:42,750

no I think that's ridiculous I mean sure

362

00:15:47,360 --> 00:15:46,110

it's possible but I think if that were

363

00:15:49,900 --> 00:15:47,370

going to be the case with this

364

00:15:54,079 --> 00:15:49,910

particular particularly cavetalk

365

00:15:55,220 --> 00:15:54,089

particular recruitments initiative they

366

00:15:56,930 --> 00:15:55,230

would have had an appearance from Tom

367

00:15:58,670 --> 00:15:56,940

DeLonge right I mean they would have

368

00:16:00,530 --> 00:15:58,680

done something or used Angels and

369

00:16:02,210 --> 00:16:00,540

Airwaves music or things that to the

370

00:16:04,610 --> 00:16:02,220

stars is very interested and and

371

00:16:06,740 --> 00:16:04,620

receptive to doing things like that but

372

00:16:09,530 --> 00:16:06,750

you don't see that here I think we've

373

00:16:11,780 --> 00:16:09,540

seen you know collaborative efforts many

374

00:16:15,470 --> 00:16:11,790

times in the existence of to the Stars

375

00:16:18,680 --> 00:16:15,480

Academy and that's you know already

376

00:16:21,980 --> 00:16:18,690

working with with the cooperation you've

377

00:16:23,900 --> 00:16:21,990

seen between the military the the TV

378

00:16:25,730 --> 00:16:23,910

show that has cooperation from the

379

00:16:28,100 --> 00:16:25,740

military I mean you see things like that

380

00:16:30,620 --> 00:16:28,110

that all works towards you know

381

00:16:32,240 --> 00:16:30,630

recruiting efforts in a way we know that

382

00:16:33,949 --> 00:16:32,250

Hollywood does that all the time the

383

00:16:37,699 --> 00:16:33,959

military uses Hollywood like that

384

00:16:38,990 --> 00:16:37,709

creates you know shows like Top Gun you

385

00:16:41,060 --> 00:16:39,000

know movies like Top Gun and things that

386

00:16:42,740 --> 00:16:41,070

are essentially outright recruiting

387

00:16:43,430 --> 00:16:42,750

videos to make the military look cool

388

00:16:45,740 --> 00:16:43,440

and things like that

389

00:16:47,269 --> 00:16:45,750

we know that's something that the tom is

390

00:16:48,500 --> 00:16:47,279

very passionate about and the people he

391

00:16:51,290 --> 00:16:48,510

works with you know they're they're very

392

00:16:53,810 --> 00:16:51,300

Pro military and happy to support

393

00:16:56,690 --> 00:16:53,820

military efforts and they've been very

394

00:16:58,190 --> 00:16:56,700

open about that so yeah it's not gonna

395

00:17:01,400 --> 00:16:58,200

be a conspiracy or something surprising

396

00:17:05,059 --> 00:17:01,410

to see you know collaboration there and

397

00:17:07,850 --> 00:17:05,069

and perhaps things that are essentially

398

00:17:10,220 --> 00:17:07,860

recruiting efforts to write enhance the

399

00:17:13,010 --> 00:17:10,230

the image the military has especially

400

00:17:14,299 --> 00:17:13,020

with younger people yeah that's a really

401
00:17:15,530 --> 00:17:14,309
good boy I'd even think about that if

402
00:17:19,010 --> 00:17:15,540
they're gonna try to get younger people

403
00:17:22,610 --> 00:17:19,020
interested like have the face of to the

404
00:17:25,520 --> 00:17:22,620
stars on there or whatnot so yeah pretty

405
00:17:27,770 --> 00:17:25,530
pretty interesting in looking back up

406
00:17:30,409 --> 00:17:27,780
and from what from a common perspective

407
00:17:32,900 --> 00:17:30,419
you know if you're somebody like Tom who

408
00:17:35,900 --> 00:17:32,910
has this vision in mind

409
00:17:39,320 --> 00:17:35,910
and you've got celebrity power behind

410
00:17:41,570 --> 00:17:39,330
you you're certainly going to put that

411
00:17:44,840 --> 00:17:41,580
out and use that to your advantage you

412
00:17:46,490 --> 00:17:44,850
know and say hey look I'll help you out

413
00:17:48,170 --> 00:17:46,500

here and throw my name toward this and

414

00:17:49,760 --> 00:17:48,180

try to try to make you guys look good

415

00:17:52,250 --> 00:17:49,770

and help you out with you know

416

00:17:55,280 --> 00:17:52,260

recruiting or whatever right know what I

417

00:17:57,230 --> 00:17:55,290

want some stuff I want some info you

418

00:18:00,380 --> 00:17:57,240

know absolutely can't fault him for that

419

00:18:02,270 --> 00:18:00,390

yeah yes that's totally right yeah well

420

00:18:04,640 --> 00:18:02,280

you know it's only the beginning so

421

00:18:07,790 --> 00:18:04,650

we'll see where spaceforce ends up in

422

00:18:09,740 --> 00:18:07,800

all this there's already a sitcom coming

423

00:18:14,180 --> 00:18:09,750

out starring Steve Carell called space

424

00:18:16,280 --> 00:18:14,190

force so that goes maybe another

425

00:18:18,910 --> 00:18:16,290

recruitment tool again I'm just getting

426

00:18:21,290 --> 00:18:18,920

spirit or a conspiratorial here but

427

00:18:23,290 --> 00:18:21,300

sadly I'm more excited for that show

428

00:18:25,790 --> 00:18:23,300

than I am the real space force because

429

00:18:28,580 --> 00:18:25,800

it is I think Space Command was probably

430

00:18:30,650 --> 00:18:28,590

going you know and in and making great

431

00:18:33,500 --> 00:18:30,660

progress and doing great things and all

432

00:18:35,210 --> 00:18:33,510

that perhaps got got slowed down and and

433

00:18:37,490 --> 00:18:35,220

you know messed up because of this whole

434

00:18:38,330 --> 00:18:37,500

rebranding that had to take place that's

435

00:18:40,760 --> 00:18:38,340

a good point

436

00:18:43,730 --> 00:18:40,770

yeah and it's good to see Steve Carell

437

00:18:46,790 --> 00:18:43,740

working again - I'm excited I'm excited

438

00:18:48,140 --> 00:18:46,800

for sure um all right here's the next

439

00:18:51,890 --> 00:18:48,150

thing I want to talk - I'm gonna throw

440

00:18:55,510 --> 00:18:51,900

you a curveball here I am I've had been

441

00:18:58,310 --> 00:18:55,520

having a one-sided battle with a certain

442

00:19:01,010 --> 00:18:58,320

scientist out there in the mainstream

443

00:19:05,360 --> 00:19:01,020

who's very vocal about many things and

444

00:19:07,280 --> 00:19:05,370

that is Neil deGrasse Tyson and he had a

445

00:19:12,140 --> 00:19:07,290

tweet recently I'm gonna throw it up

446

00:19:17,030 --> 00:19:12,150

here this will work let's see boom let's

447

00:19:19,880 --> 00:19:17,040

make it a little bigger here yeah so let

448

00:19:20,960 --> 00:19:19,890

me see if I can read this here billions

449

00:19:23,030 --> 00:19:20,970

and billions of full-color

450

00:19:24,800 --> 00:19:23,040

high-resolution images and videos are

451

00:19:26,960 --> 00:19:24,810

uploaded to the internet every day if

452

00:19:29,420 --> 00:19:26,970

your best evidence for aliens visiting

453

00:19:32,540 --> 00:19:29,430

from another galaxy is monochromatic low

454

00:19:35,920 --> 00:19:32,550

resolution fuzzy videos taken by the US

455

00:19:39,620 --> 00:19:35,930

Navy then there's more work to be done

456

00:19:43,460 --> 00:19:39,630

okay so the reason I wanted to bring

457

00:19:45,970 --> 00:19:43,470

this up with you Jason is I found this

458

00:19:49,120 --> 00:19:45,980

tweet a little

459

00:19:51,520 --> 00:19:49,130

not disconcerting but in a completely

460

00:19:53,980 --> 00:19:51,530

completely in line with everything he

461

00:19:56,409 --> 00:19:53,990

does that's the thing now this used to

462

00:19:59,049 --> 00:19:56,419

be a guy who I would retweet I would

463

00:20:01,360 --> 00:19:59,059

post videos I thought the world of game

464

00:20:03,460 --> 00:20:01,370

I praised this man because of his

465

00:20:06,090 --> 00:20:03,470

grounded and objective approach to

466

00:20:08,830 --> 00:20:06,100

whenever the UFO topic would come up or

467

00:20:11,620 --> 00:20:08,840

anomalies in space and everything but

468

00:20:14,980 --> 00:20:11,630

now we have him weighing in on the US

469

00:20:17,260 --> 00:20:14,990

Navy story one probably just to get some

470

00:20:20,020 --> 00:20:17,270

buzz and some followers and just start

471

00:20:23,049 --> 00:20:20,030

engage people um but that's the problem

472

00:20:24,730 --> 00:20:23,059

I don't think this is working in his

473

00:20:27,610 --> 00:20:24,740

favor now the big problem I have with

474

00:20:29,140 --> 00:20:27,620

this tweet is yes there is a hell of a

475

00:20:32,020 --> 00:20:29,150

lot of work to be done when it comes to

476

00:20:35,590 --> 00:20:32,030

these videos and UFO videos in

477

00:20:37,960 --> 00:20:35,600

particular but this this this tweet just

478

00:20:39,390 --> 00:20:37,970

really rubbed me the wrong way when you

479

00:20:43,060 --> 00:20:39,400

look at the wording that he uses

480

00:20:45,490 --> 00:20:43,070

belittling the US Navy and saying all we

481

00:20:47,980 --> 00:20:45,500

can get are these grainy things these

482

00:20:51,159 --> 00:20:47,990

people are using Raytheon highly

483

00:20:53,770 --> 00:20:51,169

classified highly sophisticated cameras

484

00:20:56,020 --> 00:20:53,780

and technology and they're capturing

485

00:20:58,870 --> 00:20:56,030

objects that are moving quadruple the

486

00:21:02,380 --> 00:20:58,880

time speed of our fighter jets and to

487

00:21:04,210 --> 00:21:02,390

say this is all they got we have a lot

488

00:21:07,990 --> 00:21:04,220

of work to do and he uses the words

489

00:21:11,650 --> 00:21:08,000

aliens and that really really bugged me

490

00:21:13,870 --> 00:21:11,660

we have a we're in the year 2020 we have

491

00:21:16,600 --> 00:21:13,880

not even the US Navy saying you know

492

00:21:20,020 --> 00:21:16,610

it's not aliens it's not this but we

493

00:21:21,549 --> 00:21:20,030

have this guy saying this is all we have

494

00:21:24,240 --> 00:21:21,559

to prove there's aliens there's a lot of

495

00:21:27,100 --> 00:21:24,250

work to be done what kind of scientist

496

00:21:29,980 --> 00:21:27,110

sticks with just aliens when it comes to

497

00:21:32,440 --> 00:21:29,990

UFOs I mean you and I preach this every

498

00:21:35,320 --> 00:21:32,450

day that we are UFO researchers we're

499

00:21:37,480 --> 00:21:35,330

not alien researchers I even made a

500

00:21:39,820 --> 00:21:37,490

tweet recently saying my belief in UFOs

501
00:21:41,740 --> 00:21:39,830
versus my belief in aliens visiting the

502
00:21:44,710 --> 00:21:41,750
planet and I pissed a lot of people live

503
00:21:46,330 --> 00:21:44,720
but but at the same time um what do you

504
00:21:48,450 --> 00:21:46,340
make of this what do you make of neil

505
00:21:50,830 --> 00:21:48,460
degrasse weighing in on all this stuff

506
00:21:52,900 --> 00:21:50,840
it's so frustrating when you get

507
00:21:54,549 --> 00:21:52,910
scientists who you know have

508
00:21:56,710 --> 00:21:54,559
historically been good scientists but

509
00:21:58,170 --> 00:21:56,720
they get to a point on a certain topic

510
00:22:01,330 --> 00:21:58,180
like UFOs

511
00:22:03,700 --> 00:22:01,340
and they turned the science off yeah

512
00:22:05,650 --> 00:22:03,710
right and and in this case this isn't

513
00:22:09,130 --> 00:22:05,660

even turning the science off this is

514

00:22:11,770 --> 00:22:09,140

just turning the Lazy on because I doubt

515

00:22:15,150 --> 00:22:11,780

even based on that tweet doubt he even

516

00:22:17,440 --> 00:22:15,160

looked into it because clearly he's not

517

00:22:19,240 --> 00:22:17,450

understanding that this is a message

518

00:22:21,400 --> 00:22:19,250

from the Pentagon saying that these are

519

00:22:22,840 --> 00:22:21,410

UFO videos they're not something that

520

00:22:25,030 --> 00:22:22,850

somebody took in their backyard some

521

00:22:28,420 --> 00:22:25,040

random person this is from Navy fighter

522

00:22:30,910 --> 00:22:28,430

jets confirmed by the Department of

523

00:22:35,620 --> 00:22:30,920

Defense saying these are videos showing

524

00:22:38,020 --> 00:22:35,630

you know unidentified objects so it

525

00:22:41,340 --> 00:22:38,030

shows that he did zero research he just

526

00:22:44,350 --> 00:22:41,350

based on his own established beliefs

527

00:22:45,940 --> 00:22:44,360

decided to ridicule these things like

528

00:22:49,930 --> 00:22:45,950

you said you know in a very

529

00:22:51,730 --> 00:22:49,940

condescending tone saying that you know

530

00:22:53,590 --> 00:22:51,740

these aren't anything worth getting

531

00:22:56,080 --> 00:22:53,600

excited over because he knows better

532

00:22:57,700 --> 00:22:56,090

than everybody else right and here's my

533

00:23:00,100 --> 00:22:57,710

other thing you know he did respond to a

534

00:23:02,830 --> 00:23:00,110

few people who called him out on this

535

00:23:04,120 --> 00:23:02,840

and he he said oh funny you don't you

536

00:23:06,040 --> 00:23:04,130

don't even follow me but you're

537

00:23:08,440 --> 00:23:06,050

commenting on my thing so this dude is

538

00:23:09,820 --> 00:23:08,450

literally reading comments going to see

539

00:23:13,210 --> 00:23:09,830

if these people are actually following

540

00:23:15,220 --> 00:23:13,220

him and then commenting on it in his

541

00:23:18,010 --> 00:23:15,230

thing so again when it comes down to it

542

00:23:21,040 --> 00:23:18,020

I think the dude is just desperate for

543

00:23:22,900 --> 00:23:21,050

attention right now the world is passing

544

00:23:24,640 --> 00:23:22,910

him by nobody in the scientific

545

00:23:27,240 --> 00:23:24,650

community really takes him seriously

546

00:23:30,340 --> 00:23:27,250

we've had astrophysicists and

547

00:23:32,290 --> 00:23:30,350

astrobiologists straight-up say we don't

548

00:23:34,780 --> 00:23:32,300

agree with Anu agree with Neil deGrasse

549

00:23:38,110 --> 00:23:34,790

Tyson on this don't let him be the face

550

00:23:40,270 --> 00:23:38,120

for all of us I remember when

551
00:23:42,700 --> 00:23:40,280
astrophysicist saying we're not in the

552
00:23:44,740 --> 00:23:42,710
business of debunking which i think is a

553
00:23:46,030 --> 00:23:44,750
really good thing and that's kind of

554
00:23:48,760 --> 00:23:46,040
what he's doing he's like the modern-day

555
00:23:51,790 --> 00:23:48,770
fella class where his class actually had

556
00:23:54,760 --> 00:23:51,800
you know educated opinions and actually

557
00:23:57,850 --> 00:23:54,770
looked into UFO cases and he was right a

558
00:24:00,550 --> 00:23:57,860
lot of the time I just this really

559
00:24:02,380 --> 00:24:00,560
rubbed me the wrong way yeah I mean it's

560
00:24:05,590 --> 00:24:02,390
it's bad for scientists you know Neil is

561
00:24:07,840 --> 00:24:05,600
this public figure celebrity scientist

562
00:24:09,730 --> 00:24:07,850
so he's what a lot of people think of

563
00:24:10,960 --> 00:24:09,740

when they think of scientists and so

564

00:24:12,789 --> 00:24:10,970

when he's out there

565

00:24:14,799 --> 00:24:12,799

you know turning off the science and

566

00:24:17,919 --> 00:24:14,809

being very unscientific with the subject

567

00:24:19,779 --> 00:24:17,929

matter it represents scientists in a

568

00:24:22,419 --> 00:24:19,789

very bad way there are many many many

569

00:24:24,340 --> 00:24:22,429

many many scientists who do take the

570

00:24:27,070 --> 00:24:24,350

subject of UFOs and extraterrestrial

571

00:24:29,169 --> 00:24:27,080

life extremely seriously and you know

572

00:24:31,390 --> 00:24:29,179

they approach it with that scientific

573

00:24:33,760 --> 00:24:31,400

rigor you can't have this established

574

00:24:36,600 --> 00:24:33,770

belief plant your feet in the sand and

575

00:24:39,549 --> 00:24:36,610

say I'm not deviating from that because

576
00:24:41,529 --> 00:24:39,559
science says this that's not how science

577
00:24:43,600 --> 00:24:41,539
works science is about exploring all the

578
00:24:47,380 --> 00:24:43,610
possibilities and ruling things out one

579
00:24:50,529 --> 00:24:47,390
by one you know if he has his hypothesis

580
00:24:52,419 --> 00:24:50,539
that UFOs can't can't exist there

581
00:24:54,700 --> 00:24:52,429
they're all ridiculous because every

582
00:24:55,960 --> 00:24:54,710
photo is a grainy photo well then he

583
00:24:58,360 --> 00:24:55,970
needs to do some science and back that

584
00:24:59,680 --> 00:24:58,370
up but he can't and if he would just

585
00:25:02,049 --> 00:24:59,690
look into the details of some of these

586
00:25:05,350 --> 00:25:02,059
cases before spouting off he could use

587
00:25:08,260 --> 00:25:05,360
his scientific knowledge to maybe put

588
00:25:10,360 --> 00:25:08,270

forth something creative to help move

589

00:25:12,580 --> 00:25:10,370

things forward rather than just making

590

00:25:16,029 --> 00:25:12,590

the topic seem silly yeah yeah exactly

591

00:25:18,010 --> 00:25:16,039

work with people on this you know if you

592

00:25:19,690 --> 00:25:18,020

want to be so vocal about it why don't

593

00:25:22,180 --> 00:25:19,700

you reach out to Tom DeLonge even he

594

00:25:24,220 --> 00:25:22,190

commented to the other grass and he was

595

00:25:26,680 --> 00:25:24,230

like hey man did you interview the

596

00:25:28,240 --> 00:25:26,690

pilots did you talk to the ground crew

597

00:25:30,610 --> 00:25:28,250

do you even know about the witness

598

00:25:33,880 --> 00:25:30,620

testimony to this blurry photo that

599

00:25:35,590 --> 00:25:33,890

you're talking about or screencap and

600

00:25:37,690 --> 00:25:35,600

then he did the same thing with bigfoot

601
00:25:39,880 --> 00:25:37,700
immediately after he folks he posted a

602
00:25:41,770 --> 00:25:39,890
blurry photo of Bigfoot and did the same

603
00:25:43,060 --> 00:25:41,780
thing so honestly man I think he's just

604
00:25:45,520 --> 00:25:43,070
trying to piss off a lot of these

605
00:25:47,560 --> 00:25:45,530
community it might be I mean I know he's

606
00:25:49,990 --> 00:25:47,570
got an ego and that's a problem you know

607
00:25:52,930 --> 00:25:50,000
that interferes with with objectivity

608
00:25:54,279 --> 00:25:52,940
always but you know I would even have a

609
00:25:56,440 --> 00:25:54,289
less of a problem if he would make it

610
00:25:59,169 --> 00:25:56,450
clear that he was just spouting an

611
00:26:01,029 --> 00:25:59,179
uninformed opinion right to say you know

612
00:26:02,710 --> 00:26:01,039
I haven't looked into the details of

613
00:26:04,480 --> 00:26:02,720

this and I don't really care too because

614

00:26:06,490 --> 00:26:04,490

I think it's all ridiculous that's just

615

00:26:09,130 --> 00:26:06,500

my opinion that would be different than

616

00:26:12,159 --> 00:26:09,140

him coming across as this public figure

617

00:26:14,080 --> 00:26:12,169

celebrity scientist saying this like

618

00:26:17,080 --> 00:26:14,090

it's some authoritative definitive

619

00:26:19,510 --> 00:26:17,090

statement yeah it just doesn't work for

620

00:26:22,240 --> 00:26:19,520

me I just had to get that off my chest

621

00:26:23,560 --> 00:26:22,250

so thanks man thank you for entertaining

622

00:26:26,230 --> 00:26:23,570

me on that one

623

00:26:31,090 --> 00:26:26,240

um the next thing I want to talk about

624

00:26:33,010 --> 00:26:31,100

is a listener / viewer UFO video I was

625

00:26:35,170 --> 00:26:33,020

sent recently and you know we get sent

626

00:26:37,330 --> 00:26:35,180

these things a lot and a lot of the time

627

00:26:39,400 --> 00:26:37,340

it's just like oh it's a bug or it's a

628

00:26:41,920 --> 00:26:39,410

lie but this one actually really caught

629

00:26:44,590 --> 00:26:41,930

my attention and I did get permission by

630

00:26:46,660 --> 00:26:44,600

the person who sent me this to broadcast

631

00:26:48,910 --> 00:26:46,670

it to get people some quotes on it so

632

00:26:52,540 --> 00:26:48,920

this happened Thursday May 7th at

633

00:26:54,190 --> 00:26:52,550

approximately 10:15 insult vil Virginia

634

00:26:54,700 --> 00:26:54,200

so I'm just gonna play it really quick

635

00:26:58,000 --> 00:26:54,710

here

636

00:27:09,570 --> 00:26:58,010

no audio obviously again but yeah let's

637

00:27:09,580 --> 00:27:19,269

there we go

638

00:27:26,299 --> 00:27:23,649

all right so I mean it doesn't look

639

00:27:28,009 --> 00:27:26,309

particularly amazing or anything but

640

00:27:30,049 --> 00:27:28,019

really caught my attention with this one

641

00:27:34,039 --> 00:27:30,059

is there's definitely a pattern to the

642

00:27:36,379 --> 00:27:34,049

lights they look very standard but it

643

00:27:37,430 --> 00:27:36,389

was the formation and it was the amount

644

00:27:41,450 --> 00:27:37,440

of lights that really caught my

645

00:27:43,009 --> 00:27:41,460

attention and I sent this to you and

646

00:27:45,379 --> 00:27:43,019

Shane heard another member of rogue

647

00:27:48,350 --> 00:27:45,389

planet who is an active MUFON field

648

00:27:50,600 --> 00:27:48,360

investigator to get his opinions on it

649

00:27:52,549 --> 00:27:50,610

but um before I get to what Shane said

650

00:27:54,649 --> 00:27:52,559

what are your initial thoughts on this

651
00:27:56,239 --> 00:27:54,659
one man I did post it in the Facebook

652
00:27:58,970 --> 00:27:56,249
group and we got a lot of varying

653
00:27:59,989 --> 00:27:58,980
opinions so I know it's short but yeah

654
00:28:03,440 --> 00:27:59,999
what do you make of it

655
00:28:04,909 --> 00:28:03,450
yeah when you see lights like that you

656
00:28:07,940 --> 00:28:04,919
know multiple lights like that and

657
00:28:10,159 --> 00:28:07,950
blinking lights your initial thought

658
00:28:12,590 --> 00:28:10,169
goes right to aircraft and typically

659
00:28:16,239 --> 00:28:12,600
with that many something like a military

660
00:28:19,369 --> 00:28:16,249
convoy the problem is with this video

661
00:28:22,519 --> 00:28:19,379
like you said there seems to be you know

662
00:28:25,220 --> 00:28:22,529
sort of a synchronized pattern to the

663
00:28:27,590 --> 00:28:25,230

lights if you watch you know normal

664

00:28:31,789 --> 00:28:27,600

conventional aircraft in the sky with

665

00:28:34,369 --> 00:28:31,799

their navigation lights that blink it's

666

00:28:36,229 --> 00:28:34,379

not always synchronized you know with

667

00:28:38,119 --> 00:28:36,239

other aircraft you'll even try to like

668

00:28:39,739 --> 00:28:38,129

time it out and the timing will change a

669

00:28:41,119 --> 00:28:39,749

little bit they'll get off and one will

670

00:28:42,859 --> 00:28:41,129

start blinking before the other one that

671

00:28:45,680 --> 00:28:42,869

was initially blinking first it's very

672

00:28:47,989 --> 00:28:45,690

mesmerizing to watch but these they seem

673

00:28:50,299 --> 00:28:47,999

to go in a go in sequence it's very

674

00:28:53,659 --> 00:28:50,309

interesting but you know again this is

675

00:28:55,849 --> 00:28:53,669

nighttime and with how with how video

676

00:28:58,039 --> 00:28:55,859

technology works it's always really

677

00:28:59,570 --> 00:28:58,049

deceptive when you're looking at what

678

00:29:02,060 --> 00:28:59,580

you're seeing on video versus what was

679

00:29:04,489 --> 00:29:02,070

actually happening because you know

680

00:29:07,729 --> 00:29:04,499

cameras try to focus on lights at night

681

00:29:10,039 --> 00:29:07,739

and can't really accurately you know

682

00:29:12,470 --> 00:29:10,049

capture what was really happening so

683

00:29:13,789 --> 00:29:12,480

there might have been you know more more

684

00:29:15,590 --> 00:29:13,799

strobing effect with the blinking

685

00:29:17,629 --> 00:29:15,600

happening that would look more like a

686

00:29:19,340 --> 00:29:17,639

like a traditional aircraft we don't

687

00:29:21,499 --> 00:29:19,350

know we just see what's on the video it

688

00:29:22,999 --> 00:29:21,509

does look interesting but I have have

689

00:29:26,989 --> 00:29:23,009

seen other videos that are sort of

690

00:29:31,190 --> 00:29:26,999

similar with military convoy but that's

691

00:29:32,570 --> 00:29:31,200

just one possibility yeah yeah and we

692

00:29:35,360 --> 00:29:32,580

did

693

00:29:37,610 --> 00:29:35,370

Shayne you know look at the the military

694

00:29:40,490 --> 00:29:37,620

operations in the area or bases or

695

00:29:43,430 --> 00:29:40,500

anything he said there was nothing close

696

00:29:45,940 --> 00:29:43,440

to where this really happened but Shane

697

00:29:48,800 --> 00:29:45,950

said he thinks it could possibly be

698

00:29:50,780 --> 00:29:48,810

planes refueling in the middle of the

699

00:29:52,760 --> 00:29:50,790

night he said you know the way that they

700

00:29:55,670 --> 00:29:52,770

were structured they almost look like

701
00:29:57,710 --> 00:29:55,680
hazard lights underneath the plane so

702
00:30:00,950 --> 00:29:57,720
yeah he sent me a video of two planes

703
00:30:03,440 --> 00:30:00,960
refueling on a stabilized video and it

704
00:30:04,760 --> 00:30:03,450
does look very similar so I mean again

705
00:30:07,820 --> 00:30:04,770
this is what this is about

706
00:30:10,600 --> 00:30:07,830
like getting educated opinions not

707
00:30:12,890 --> 00:30:10,610
immediately jumping to the alien theory

708
00:30:16,280 --> 00:30:12,900
so yeah I thought it was pretty cool

709
00:30:18,230 --> 00:30:16,290
that this guy sent this to me and and

710
00:30:20,360 --> 00:30:18,240
was looking for answers and I told them

711
00:30:21,770 --> 00:30:20,370
look man I'm not a field investigator

712
00:30:24,170 --> 00:30:21,780
let me send this to people who actually

713
00:30:26,600 --> 00:30:24,180

know what they're talking about um so

714

00:30:29,090 --> 00:30:26,610

yeah yeah again we didn't solve the

715

00:30:30,920 --> 00:30:29,100

mystery for the witness but we did give

716

00:30:32,570 --> 00:30:30,930

them some possible explanations so

717

00:30:35,270 --> 00:30:32,580

that's why you've got a lot of eyeballs

718

00:30:38,540 --> 00:30:35,280

on it so absolutely which is very

719

00:30:42,320 --> 00:30:38,550

important all right now this is the meat

720

00:30:43,970 --> 00:30:42,330

of why we are here tonight let's see if

721

00:30:47,120 --> 00:30:43,980

this works we're not going to hear the

722

00:30:50,240 --> 00:30:47,130

amazing music but um let's let's let's

723

00:30:55,390 --> 00:30:50,250

give this a try let's see if I can get

724

00:31:06,630 --> 00:31:02,790

forgive me guys what hours always

725

00:31:10,260 --> 00:31:06,640

for testing new things there is there

726

00:31:12,630 --> 00:31:10,270

she be alright Jason now this is the

727

00:31:15,090 --> 00:31:12,640

reason we are here tonight to make an

728

00:31:17,610 --> 00:31:15,100

official announcement about an event

729

00:31:21,150 --> 00:31:17,620

that rogue planet has coming up and that

730

00:31:24,150 --> 00:31:21,160

is the all the strange virtual Expo so

731

00:31:26,480 --> 00:31:24,160

hit me with it man what is this when is

732

00:31:30,390 --> 00:31:26,490

it and what is it all about

733

00:31:32,460 --> 00:31:30,400

well it's interestingly about all the

734

00:31:35,040 --> 00:31:32,470

strange you know because that's what

735

00:31:37,800 --> 00:31:35,050

what we like so this is something that

736

00:31:39,960 --> 00:31:37,810

rogue planets put together and the grind

737

00:31:42,930 --> 00:31:39,970

said it's a virtual Expo a virtual

738

00:31:46,320 --> 00:31:42,940

virtual conference of sorts where we're

739

00:31:49,740 --> 00:31:46,330

getting a handful I guess a couple

740

00:31:52,710 --> 00:31:49,750

handfuls of awesome people together who

741

00:31:56,250 --> 00:31:52,720

are going to deliver presentations about

742

00:31:58,980 --> 00:31:56,260

UFOs Bigfoot ghosts all sorts of strange

743

00:32:02,040 --> 00:31:58,990

topics and this is going to be on May

744

00:32:04,620 --> 00:32:02,050

30th and it's completely free it's a

745

00:32:07,380 --> 00:32:04,630

free event we put together you know

746

00:32:11,070 --> 00:32:07,390

right now especially with all of the

747

00:32:13,200 --> 00:32:11,080

conferences in postponed or essentially

748

00:32:14,550 --> 00:32:13,210

canceled for the year not happening till

749

00:32:17,340 --> 00:32:14,560

next Jamie we just heard that Roswell

750

00:32:20,250 --> 00:32:17,350

canceled that's very wasn't it wasn't

751
00:32:21,780 --> 00:32:20,260
too shocking but it's so sad to hear but

752
00:32:24,330 --> 00:32:21,790
you know people aren't able to go to

753
00:32:26,040 --> 00:32:24,340
these in-person conferences so you know

754
00:32:28,650 --> 00:32:26,050
we decided to put together something

755
00:32:31,620 --> 00:32:28,660
virtual that you can attend from home

756
00:32:34,440 --> 00:32:31,630
attend for free and we're gonna have a

757
00:32:37,170 --> 00:32:34,450
good time yeah man I'm super super

758
00:32:40,410 --> 00:32:37,180
excited um the word free being I think

759
00:32:43,170 --> 00:32:40,420
the key word here I think awesome it's

760
00:32:45,140 --> 00:32:43,180
awesome and you know you get what you

761
00:32:47,790 --> 00:32:45,150
pay for but we promise it's gonna be

762
00:32:50,010 --> 00:32:47,800
everything that you hoped it will be and

763
00:32:50,880 --> 00:32:50,020

more and look like this is just the

764

00:32:54,030 --> 00:32:50,890

beginning

765

00:32:56,880 --> 00:32:54,040

we're getting more people involved this

766

00:32:58,950 --> 00:32:56,890

might become a regular thing after we do

767

00:33:01,050 --> 00:32:58,960

this but um yeah that's what we're about

768

00:33:03,030 --> 00:33:01,060

at rogue planet I think just bringing

769

00:33:05,730 --> 00:33:03,040

the strange to people in a fun and

770

00:33:10,700 --> 00:33:05,740

fascinating way making it very inclusive

771

00:33:12,840 --> 00:33:10,710

and again just providing some sort of

772

00:33:15,600 --> 00:33:12,850

education and entertainment for people

773

00:33:16,789 --> 00:33:15,610

out there especially right now and look

774

00:33:20,480 --> 00:33:16,799

this isn't just for

775

00:33:23,510 --> 00:33:20,490

gonna be attending virtually it's for us

776

00:33:25,970 --> 00:33:23,520

to let's be completely honest good point

777

00:33:28,970 --> 00:33:25,980

yeah really good point yeah some thing

778

00:33:31,070 --> 00:33:28,980

that that we wanted to do and you know

779

00:33:32,750 --> 00:33:31,080

hopefully people will will help have a

780

00:33:34,909 --> 00:33:32,760

fun and get a little something out of it

781

00:33:37,159 --> 00:33:34,919

you yeah absolutely and I mean if you

782

00:33:39,440 --> 00:33:37,169

wouldn't mind maybe teasing a little of

783

00:33:41,389 --> 00:33:39,450

who we can expect I did scroll through

784

00:33:42,919 --> 00:33:41,399

the guest list there but anything really

785

00:33:45,980 --> 00:33:42,929

come to mind about what you're super

786

00:33:49,340 --> 00:33:45,990

excited about oh man you know I always

787

00:33:53,570 --> 00:33:49,350

love when our buddy Frank Kim Blair

788

00:33:57,740 --> 00:33:53,580

talks fascinating to hear geologists and

789

00:34:00,169 --> 00:33:57,750

professor talk about physical objects

790

00:34:02,690 --> 00:34:00,179

collected at the Roswell debris field

791

00:34:05,360 --> 00:34:02,700

right that's that's interesting and

792

00:34:07,460 --> 00:34:05,370

tests scientific tests and continuing to

793

00:34:11,000 --> 00:34:07,470

this day new testing done all the time

794

00:34:13,730 --> 00:34:11,010

and you know many of us have heard from

795

00:34:16,490 --> 00:34:13,740

from Frank time and time again but like

796

00:34:18,530 --> 00:34:16,500

I just said new testing new data to talk

797

00:34:20,000 --> 00:34:18,540

about new things to talk about and Frank

798

00:34:22,430 --> 00:34:20,010

specifically going to be talking about

799

00:34:25,430 --> 00:34:22,440

his recent appearance on ancient aliens

800

00:34:27,889 --> 00:34:25,440

and you know as with all TV shows there

801
00:34:30,139 --> 00:34:27,899
are things that the TV show left out

802
00:34:32,990 --> 00:34:30,149
things that they didn't have time to get

803
00:34:36,619 --> 00:34:33,000
to and so he's got more science he wants

804
00:34:38,960 --> 00:34:36,629
to share based on that so Frank is you

805
00:34:40,760 --> 00:34:38,970
know really exciting to talk with of

806
00:34:42,409 --> 00:34:40,770
course we've got a lot of the guys from

807
00:34:44,119 --> 00:34:42,419
the secretive skinwalker ranch they're

808
00:34:45,740 --> 00:34:44,129
going to be doing a panel with us to

809
00:34:48,020 --> 00:34:45,750
talk a little more behind the scenes of

810
00:34:51,290 --> 00:34:48,030
the show at rogue planet we've been

811
00:34:53,659 --> 00:34:51,300
doing a weekly podcast basically an

812
00:34:56,389 --> 00:34:53,669
after show going over each episode of

813
00:34:59,060 --> 00:34:56,399

that TV show with people from the show

814

00:35:00,320 --> 00:34:59,070

with one of the executive producers and

815

00:35:03,410 --> 00:35:00,330

some of the guys who are going to be on

816

00:35:06,250 --> 00:35:03,420

our panel and for anybody who hasn't

817

00:35:08,240 --> 00:35:06,260

watched the secret of skinwalker ranch

818

00:35:10,579 --> 00:35:08,250

you know I know there's there's been a

819

00:35:13,430 --> 00:35:10,589

lot of hesitation because it's a TV show

820

00:35:15,800 --> 00:35:13,440

and we know that TV shows are TV shows

821

00:35:18,230 --> 00:35:15,810

they're meant to be entertaining they're

822

00:35:19,700 --> 00:35:18,240

meant to be dramatized to pull you in

823

00:35:22,790 --> 00:35:19,710

and make you want to tune in next week

824

00:35:24,920 --> 00:35:22,800

that's what TV is so there's a lot of

825

00:35:27,380 --> 00:35:24,930

that on this show and the great thing

826

00:35:29,870 --> 00:35:27,390

about hearing this panel and also the

827

00:35:30,450 --> 00:35:29,880

podcast we do called the skinwalker

828

00:35:32,940 --> 00:35:30,460

deeper

829

00:35:34,710 --> 00:35:32,950

is you get to hear from these people

830

00:35:37,530 --> 00:35:34,720

actively involved in research on the

831

00:35:39,990 --> 00:35:37,540

ranch you get to hear and ask questions

832

00:35:41,490 --> 00:35:40,000

to those people why things happened the

833

00:35:43,349 --> 00:35:41,500

way they did on the show why didn't they

834

00:35:45,359 --> 00:35:43,359

do this additional testing are they

835

00:35:47,880 --> 00:35:45,369

going to do this next time and they've

836

00:35:49,620 --> 00:35:47,890

been very candid very forthcoming and

837

00:35:51,120 --> 00:35:49,630

answering the questions they can ask I

838

00:35:52,710 --> 00:35:51,130

mean it's still an ongoing TV show so

839

00:35:54,660 --> 00:35:52,720

they can't talk all the time

840

00:35:56,490 --> 00:35:54,670

you know reveal everything that they're

841

00:35:58,680 --> 00:35:56,500

building up to you but they're very open

842

00:35:59,880 --> 00:35:58,690

to talking about the actual science

843

00:36:01,200 --> 00:35:59,890

that's going on and there are a lot of

844

00:36:02,460 --> 00:36:01,210

people who haven't what bothered to

845

00:36:04,440 --> 00:36:02,470

watch the show or listen to these people

846

00:36:07,170 --> 00:36:04,450

and they think that they're just you

847

00:36:08,609 --> 00:36:07,180

know TV peoples is all hokey they chose

848

00:36:10,049 --> 00:36:08,619

the wrong people to do it they don't

849

00:36:11,640 --> 00:36:10,059

care about the science but there is

850

00:36:13,049 --> 00:36:11,650

actual science going on and when you

851
00:36:15,180 --> 00:36:13,059
hear these people talk and hear about

852
00:36:17,430 --> 00:36:15,190
what they're doing and the experts

853
00:36:18,839 --> 00:36:17,440
they're bringing on to to do the work

854
00:36:20,700 --> 00:36:18,849
that they themselves don't have the

855
00:36:22,920 --> 00:36:20,710
skillset to do it's kind of exciting

856
00:36:25,200 --> 00:36:22,930
hearing that who knows what we'll

857
00:36:27,089 --> 00:36:25,210
discover from skinwalker ranch but it's

858
00:36:29,400 --> 00:36:27,099
a really cool opportunity to get that

859
00:36:30,930 --> 00:36:29,410
insider's look to the people who are on

860
00:36:32,430 --> 00:36:30,940
the ground they're doing the research at

861
00:36:33,480 --> 00:36:32,440
skinwalker ranch so we'll get that with

862
00:36:36,059 --> 00:36:33,490
this panel to you and that'll be really

863
00:36:37,740 --> 00:36:36,069

cool absolutely and I think what we have

864

00:36:40,650 --> 00:36:37,750

to keep in mind too is with this

865

00:36:42,359 --> 00:36:40,660

television show this is the transparency

866

00:36:43,859 --> 00:36:42,369

we've been waiting for when it comes to

867

00:36:45,690 --> 00:36:43,869

skinwalker ranch

868

00:36:48,390 --> 00:36:45,700

we know that when Bob Bigelow on the

869

00:36:50,370 --> 00:36:48,400

ranch he he had to answer to the

870

00:36:52,950 --> 00:36:50,380

government he was being funded by the

871

00:36:56,460 --> 00:36:52,960

government through a tip and a side

872

00:36:58,740 --> 00:36:56,470

funding program as well to investigate

873

00:37:00,990 --> 00:36:58,750

the ranch so all the information he got

874

00:37:03,390 --> 00:37:01,000

was given right back to the government

875

00:37:04,020 --> 00:37:03,400

so now that we have a new owner of the

876

00:37:06,930 --> 00:37:04,030

ranch

877

00:37:08,339 --> 00:37:06,940

Brandon fugal he made it clear he wants

878

00:37:09,660 --> 00:37:08,349

nothing to do with the government when

879

00:37:12,059 --> 00:37:09,670

it comes to what he's doing there what

880

00:37:14,910 --> 00:37:12,069

he's figuring now and that the the

881

00:37:17,069 --> 00:37:14,920

things that they find are for the public

882

00:37:19,140 --> 00:37:17,079

so we're getting me through a television

883

00:37:20,730 --> 00:37:19,150

show and while some people might think

884

00:37:24,720 --> 00:37:20,740

oh man they could have done in a better

885

00:37:27,059 --> 00:37:24,730

way um how do you get information up to

886

00:37:29,789 --> 00:37:27,069

the public better than on televisions

887

00:37:31,319 --> 00:37:29,799

yeah and here's the thing I mean we we

888

00:37:33,839 --> 00:37:31,329

will see more in the future and

889

00:37:35,970 --> 00:37:33,849

certainly TV shows only run for so long

890

00:37:37,799 --> 00:37:35,980

you know it still hasn't been announced

891

00:37:40,170 --> 00:37:37,809

if if a second season's coming

892

00:37:43,230 --> 00:37:40,180

but regardless of what happens with the

893

00:37:44,160 --> 00:37:43,240

TV show they're still going to be doing

894

00:37:46,650 --> 00:37:44,170

research

895

00:37:49,670 --> 00:37:46,660

on the ranch and that's the thing there

896

00:37:51,900 --> 00:37:49,680

there you know will most likely be other

897

00:37:53,820 --> 00:37:51,910

vehicles for getting information to the

898

00:37:57,720 --> 00:37:53,830

public with that being said just to your

899

00:38:00,480 --> 00:37:57,730

point Ryan yeah how how can you do a

900

00:38:03,990 --> 00:38:00,490

better than a TV show to reach that mass

901
00:38:05,640 --> 00:38:04,000
audience you know you're probably going

902
00:38:07,200 --> 00:38:05,650
to be stuck with you know just a website

903
00:38:08,970 --> 00:38:07,210
where you have to go and look at the

904
00:38:11,640 --> 00:38:08,980
information for yourself and that's fine

905
00:38:13,680 --> 00:38:11,650
I mean people who are truly genuinely

906
00:38:14,940 --> 00:38:13,690
interested and passionate about that

907
00:38:15,990 --> 00:38:14,950
subject will do that

908
00:38:18,600 --> 00:38:16,000
but when you're talking about the

909
00:38:19,950 --> 00:38:18,610
general public putting it on a TV show

910
00:38:21,570 --> 00:38:19,960
where all people have to do is push a

911
00:38:24,630 --> 00:38:21,580
button and sit on their butts you know

912
00:38:27,420 --> 00:38:24,640
that's that's a nice easy way to to get

913
00:38:29,400 --> 00:38:27,430

some of the information out yeah

914

00:38:32,400 --> 00:38:29,410

at the end you know as we see with most

915

00:38:34,530 --> 00:38:32,410

of these TV shows the real plus is just

916

00:38:36,720 --> 00:38:34,540

public education getting people familiar

917

00:38:38,520 --> 00:38:36,730

with the fact that there is something

918

00:38:40,050 --> 00:38:38,530

called skinwalker ranch and you know

919

00:38:41,820 --> 00:38:40,060

getting some of those details and

920

00:38:44,340 --> 00:38:41,830

hopefully encouraging people to go

921

00:38:47,340 --> 00:38:44,350

research for themselves yeah and I know

922

00:38:49,740 --> 00:38:47,350

you know the security on the ranch has

923

00:38:51,090 --> 00:38:49,750

been a little a little surprised with

924

00:38:52,620 --> 00:38:51,100

the amount of people coming out there

925

00:38:55,380 --> 00:38:52,630

now after seeing the show to turn

926
00:38:56,610 --> 00:38:55,390
ridiculous um but hey that's when you

927
00:38:59,220 --> 00:38:56,620
know you've done your job and you've

928
00:39:01,170 --> 00:38:59,230
reached the public so I'm excited to see

929
00:39:03,180 --> 00:39:01,180
what else they have coming out I'm sure

930
00:39:07,470 --> 00:39:03,190
we'll get some revelations in the panel

931
00:39:10,320 --> 00:39:07,480
for for the expo what else anyone else

932
00:39:12,510 --> 00:39:10,330
you want to talk about yeah so something

933
00:39:14,700 --> 00:39:12,520
that you know might not be the most

934
00:39:17,700 --> 00:39:14,710
exciting to a lot of people I think it's

935
00:39:21,240 --> 00:39:17,710
incredibly valuable and important for

936
00:39:24,060 --> 00:39:21,250
topics like this but we have Aaron

937
00:39:26,340 --> 00:39:24,070
sagres Aaron sagres is a TV host and pop

938
00:39:29,700 --> 00:39:26,350

culture expert very big in the

939

00:39:33,180 --> 00:39:29,710

paranormal world and I am really really

940

00:39:36,120 --> 00:39:33,190

happy with the the talk that he decided

941

00:39:38,190 --> 00:39:36,130

to do and his presentation is the

942

00:39:40,590 --> 00:39:38,200

unexplained interview how to approach

943

00:39:43,920 --> 00:39:40,600

paranormal claims as a journalist and

944

00:39:45,300 --> 00:39:43,930

conduct interviews with experienced or /

945

00:39:49,230 --> 00:39:45,310

eyewitnesses while maintaining

946

00:39:52,050 --> 00:39:49,240

credibility and empathy that is hugely

947

00:39:55,470 --> 00:39:52,060

invaluable for anybody who's interested

948

00:39:56,940 --> 00:39:55,480

in researching and/or investigating the

949

00:40:00,060 --> 00:39:56,950

world this strange

950

00:40:03,870 --> 00:40:00,070

so I mean that's that's one example of a

951
00:40:05,190 --> 00:40:03,880
valuable like real life situation you

952
00:40:07,859 --> 00:40:05,200
know for anybody interested in getting

953
00:40:10,620 --> 00:40:07,869
into researching the paranormal that is

954
00:40:12,329 --> 00:40:10,630
really valuable as well as Shane Hertz

955
00:40:14,609 --> 00:40:12,339
presentation Shane Hurd is basically

956
00:40:17,339 --> 00:40:14,619
going to be talking about evidence based

957
00:40:20,910 --> 00:40:17,349
UAP investigations and that's coming

958
00:40:24,329 --> 00:40:20,920
from his perspective his experience as a

959
00:40:27,120 --> 00:40:24,339
UFO field investigator yeah that one

960
00:40:29,339 --> 00:40:27,130
looks super super cool again Shane

961
00:40:31,290 --> 00:40:29,349
hasn't given many presentations so this

962
00:40:33,870 --> 00:40:31,300
may be one of the first times that we

963
00:40:35,670 --> 00:40:33,880

actually get to see him do something

964

00:40:38,370 --> 00:40:35,680

like this I'm excited to see him

965

00:40:40,890 --> 00:40:38,380

stretches investigator muscles um yep me

966

00:40:42,770 --> 00:40:40,900

too yeah there's a few others forget

967

00:40:46,530 --> 00:40:42,780

that dude in the middle there but

968

00:40:49,410 --> 00:40:46,540

sapphires uh no no no no he's he's all

969

00:40:50,250 --> 00:40:49,420

about the he's all about the aliens I've

970

00:40:52,500 --> 00:40:50,260

heard

971

00:40:54,510 --> 00:40:52,510

we've got sapphire sand dollar who's

972

00:40:57,540 --> 00:40:54,520

going to be talking about the spirit

973

00:40:59,880 --> 00:40:57,550

realm you know we talk UFOs all the time

974

00:41:01,980 --> 00:40:59,890

but now we've got one of the paranormal

975

00:41:04,890 --> 00:41:01,990

experts you've seen her on paranormal

976
00:41:06,470 --> 00:41:04,900
caught on camera she's got a really cool

977
00:41:09,960 --> 00:41:06,480
podcast where she talks all about

978
00:41:11,819 --> 00:41:09,970
folklore and the spirit realm and the

979
00:41:13,290 --> 00:41:11,829
paranormal and how all these things are

980
00:41:16,230 --> 00:41:13,300
probably connected interconnected

981
00:41:18,510 --> 00:41:16,240
whether it's ghosts UFOs cryptids all of

982
00:41:23,250 --> 00:41:18,520
that so I'm super stoked about that one

983
00:41:27,329 --> 00:41:23,260
- yeah yeah yeah we all so what else do

984
00:41:30,660 --> 00:41:27,339
we go we've got oh our buddy Micah Hanks

985
00:41:33,839 --> 00:41:30,670
is going to be talking about Bigfoot in

986
00:41:35,790 --> 00:41:33,849
my Craig hood yes yes we had to had to

987
00:41:37,230 --> 00:41:35,800
get Bigfoot in there you can't have an

988
00:41:39,960 --> 00:41:37,240

event called all the strange without

989

00:41:41,160 --> 00:41:39,970

getting some Bigfoot in there yes or

990

00:41:44,730 --> 00:41:41,170

else we wouldn't have them in the

991

00:41:47,069 --> 00:41:44,740

official logo yeah exactly

992

00:41:49,050 --> 00:41:47,079

yeah I'm super stoked that he has done

993

00:41:51,900 --> 00:41:49,060

so much research he's been investigating

994

00:41:54,359 --> 00:41:51,910

Bigfoot since he was like 10 years old

995

00:41:55,200 --> 00:41:54,369

so whatever he's got I'm sure it's gonna

996

00:41:57,540 --> 00:41:55,210

be worth it

997

00:41:59,040 --> 00:41:57,550

and because you brought up Micah I've

998

00:42:02,010 --> 00:41:59,050

got to give a shout out to his brother

999

00:42:04,890 --> 00:42:02,020

Caleb Hanks and course Caleb Hanks is

1000

00:42:07,079 --> 00:42:04,900

part of the rogue planet family and we

1001
00:42:09,420 --> 00:42:07,089
have to give him credit for creating our

1002
00:42:12,059 --> 00:42:09,430
awesome all the strange logo

1003
00:42:15,960 --> 00:42:12,069
as well as our all the strange theme

1004
00:42:18,870 --> 00:42:15,970
music for this year so thank you yeah he

1005
00:42:21,089 --> 00:42:18,880
does amazing work if you can check out

1006
00:42:23,370 --> 00:42:21,099

1007
00:42:25,440 --> 00:42:23,380

1008
00:42:28,250 --> 00:42:25,450
pumped and ready now ready for the day

1009
00:42:31,710 --> 00:42:28,260

man if you're interested in just hearing

1011
00:42:37,589 --> 00:42:34,800
you know more of Caleb's awesome music I

1012
00:42:40,410 --> 00:42:37,599
suggest even if you don't care about

1013
00:42:43,829 --> 00:42:40,420

skinwalker ranch listen just to the

1014

00:42:45,839 --> 00:42:43,839

intro of the skinwalker debrief because

1015

00:42:48,210 --> 00:42:45,849

Caleb did the theme music for that too

1016

00:42:50,910 --> 00:42:48,220

and it is awesome it's so good it

1017

00:42:53,579 --> 00:42:50,920

reminds me so much of like that eighties

1018

00:42:57,540 --> 00:42:53,589

you know stranger exchange of things

1019

00:43:00,480 --> 00:42:57,550

1020

00:43:01,950 --> 00:43:00,490
