

UFO GARAGE PODCAST

Episode 28
GUEST: **Ryan Sprague**

1
00:00:08,900 --> 00:00:05,470

[Music]

2
00:00:10,879 --> 00:00:08,910

this is another episode of UFO Quran I'm

3
00:00:14,110 --> 00:00:10,889

Ben and I'm Joe and this is where we

4
00:00:17,990 --> 00:00:14,120

talk about UFOs aliens and all things we

5
00:00:21,500 --> 00:00:18,000

depa so twenty-eight a wine spring it's

6
00:00:24,800 --> 00:00:21,510

it's a very important episode for me

7
00:00:28,130 --> 00:00:24,810

number 28 is very symbolic Oh

8
00:00:32,420 --> 00:00:28,140

because 28 is also the year I lost my

9
00:00:34,760 --> 00:00:32,430

virginity whoa dude 1928 no no I was 28

10
00:00:37,850 --> 00:00:34,770

years old oh dude hell yeah

11
00:00:40,430 --> 00:00:37,860

I was born on June 28 I've stood so

12
00:00:49,700 --> 00:00:40,440

significant for both of us yeah man I'm

13
00:00:54,880 --> 00:00:49,710

just kidding yeah you too man I've been

14

00:01:00,020 --> 00:00:57,650

I'm just joking I've been slamming that

15

00:01:02,389 --> 00:01:00,030

ham a long time but like really hams

16

00:01:07,730 --> 00:01:02,399

real ham like I slam hams on the

17

00:01:10,760 --> 00:01:07,740

driveway man so Ryan sprang today do

18

00:01:12,649 --> 00:01:10,770

don't you talked about this so excite

19

00:01:15,640 --> 00:01:12,659

well I mean this is after the fact I'm

20

00:01:19,850 --> 00:01:15,650

so excited for you people to hear this

21

00:01:24,440 --> 00:01:19,860

switch like well I'm excited for it

22

00:01:28,160 --> 00:01:24,450

before the fact I I am also excited for

23

00:01:32,330 --> 00:01:28,170

the in the episode and also furthermore

24

00:01:34,399 --> 00:01:32,340

had also talking to him yes dude so what

25

00:01:36,170 --> 00:01:34,409

have you got on uh on the agenda today

26
00:01:38,330 --> 00:01:36,180
for the Facebook thing oh yeah dude we

27
00:01:40,249 --> 00:01:38,340
got so much stuff on the Facebook we're

28
00:01:41,510 --> 00:01:40,259
gonna have to go through yeah if you're

29
00:01:43,850 --> 00:01:41,520
not on our group I'm a Facebook group

30
00:01:45,319 --> 00:01:43,860
check out UFO garage podcast group join

31
00:01:47,210 --> 00:01:45,329
the conversation post some stuff you'd

32
00:01:48,819 --> 00:01:47,220
find stuff something on YouTube or an

33
00:01:51,830 --> 00:01:48,829
image post it and see what people say

34
00:01:54,859 --> 00:01:51,840
yeah this one is called this one's

35
00:01:57,440 --> 00:01:54,869
awesome from Chris the oh five three the

36
00:01:59,510 --> 00:01:57,450
memoirs of Jack Carroll part one did

37
00:02:01,550 --> 00:01:59,520
it's so awesome that was pretty dope

38
00:02:03,380 --> 00:02:01,560

such an awesome story that was really

39

00:02:07,940 --> 00:02:03,390

awesome I can't wait for part two

40

00:02:08,990 --> 00:02:07,950

I know a chris is part two uh is it is

41

00:02:10,850 --> 00:02:09,000

it already done

42

00:02:12,680 --> 00:02:10,860

or is it like you're just waiting to put

43

00:02:14,930 --> 00:02:12,690

it out or like he's still gotta talk to

44

00:02:17,300 --> 00:02:14,940

him or or what because that was pretty

45

00:02:19,220 --> 00:02:17,310

sick I enjoyed that one yeah that was

46

00:02:20,600 --> 00:02:19,230

pretty dope that was pretty dope yeah I

47

00:02:23,510 --> 00:02:20,610

didn't realize that he was the one that

48

00:02:24,140 --> 00:02:23,520

he that did the interview whoo right

49

00:02:25,700 --> 00:02:24,150

great

50

00:02:27,500 --> 00:02:25,710

here's a nice experience or interview I

51
00:02:29,000 --> 00:02:27,510
did recently yeah yeah I didn't know

52
00:02:29,300 --> 00:02:29,010
that he was the one that interviewed him

53
00:02:32,480 --> 00:02:29,310
uh-huh

54
00:02:34,520 --> 00:02:32,490
that's sick yeah yeah yeah this is uh

55
00:02:36,500 --> 00:02:34,530
that's his podcast right there oh dude

56
00:02:39,890 --> 00:02:36,510
well yeah cuz then he also did like cast

57
00:02:43,220 --> 00:02:39,900
he also did the the live or he did the

58
00:02:47,900 --> 00:02:43,230
podcast with his friend from alien Colin

59
00:02:50,810 --> 00:02:47,910
I think too and then recently he did how

60
00:02:52,670 --> 00:02:50,820
was it a Bigfoot one I think I can't I

61
00:02:54,530 --> 00:02:52,680
can't remember so I can't remember but

62
00:02:56,210 --> 00:02:54,540
yeah dude I enjoy it

63
00:02:59,570 --> 00:02:56,220

conspire a theory is the name of the

64
00:03:02,300 --> 00:02:59,580
podcast mm-hmm that's awesome so check

65
00:03:03,680 --> 00:03:02,310
it out y'all it's really good yeah I

66
00:03:06,199 --> 00:03:03,690
don't want to ruin the story but man

67
00:03:09,380 --> 00:03:06,209
it's sick Hey yeah his experience her

68
00:03:11,270 --> 00:03:09,390
story was was pretty awesome yeah

69
00:03:13,490 --> 00:03:11,280
what else we get that snake thing that

70
00:03:16,009 --> 00:03:13,500
rattlesnake thing uh-huh timber rattlers

71
00:03:19,009 --> 00:03:16,019
yeah it was pretty crazy with the being

72
00:03:22,100 --> 00:03:19,019
like sweeping up the room uh-huh

73
00:03:25,310 --> 00:03:22,110
in a medical room right yeah well you

74
00:03:27,710 --> 00:03:25,320
know I can't really touch you am I done

75
00:03:30,290 --> 00:03:27,720
he's like well you know you got some

76

00:03:32,990 --> 00:03:30,300

stuff you got to do it sounded like like

77

00:03:36,170 --> 00:03:33,000

one of those tertiary actors in a like

78

00:03:37,970 --> 00:03:36,180

an FBI show where they go and like

79

00:03:40,400 --> 00:03:37,980

interview people at their jobs and they

80

00:03:42,520 --> 00:03:40,410

keep doing their jobs is like the FBI is

81

00:03:46,460 --> 00:03:42,530

interviewing like put down the broom

82

00:03:49,400 --> 00:03:46,470

exactly there's always that dude I like

83

00:03:51,560 --> 00:03:49,410

CSI Miami where he's like the box guy

84

00:03:56,390 --> 00:03:51,570

where he's holding a box and just moving

85

00:04:01,280 --> 00:03:56,400

boxes like oh the police are talking to

86

00:04:03,380 --> 00:04:01,290

you yeah Melinda Leslie last week dude

87

00:04:06,320 --> 00:04:03,390

yeah do you double circ that was pretty

88

00:04:08,810 --> 00:04:06,330

sick no that was a good one yeah man

89

00:04:10,220 --> 00:04:08,820

yeah that was that was really in-depth

90

00:04:11,990 --> 00:04:10,230

that's awesome talking to her he's one

91

00:04:13,789 --> 00:04:12,000

of my faves morning yeah do you father

92

00:04:18,370 --> 00:04:13,799

Shaw soft

93

00:04:20,060 --> 00:04:18,380

yeah thanks alejandro for doing that

94

00:04:22,070 --> 00:04:20,070

photography touch-up that was

95

00:04:22,990 --> 00:04:22,080

immediately yeah hosted it ensures that

96

00:04:26,420 --> 00:04:23,000

your picture

97

00:04:27,890 --> 00:04:26,430

watch this yeah I couldn't even figure

98

00:04:28,279 --> 00:04:27,900

out how to do it I use Photoshop all the

99

00:04:29,899 --> 00:04:28,289

time

100

00:04:31,969 --> 00:04:29,909

maybe there's I'll go a look at the

101
00:04:33,350 --> 00:04:31,979
tutorial maybe we just send all of our

102
00:04:37,520 --> 00:04:33,360
stuff to on the hound reverse and then

103
00:04:41,209 --> 00:04:37,530
right never have her doctor it up for us

104
00:04:45,230 --> 00:04:41,219
it's pretty sick oh it looks like so the

105
00:04:46,999 --> 00:04:45,240
Trump and UFOs video that Dan post did I

106
00:04:48,830 --> 00:04:47,009
I clicked on it and it said the videos

107
00:04:51,350 --> 00:04:48,840
were moved which is weird because

108
00:04:53,839 --> 00:04:51,360
earlier today I started watching the

109
00:04:56,330 --> 00:04:53,849
beginning and then the old lady was like

110
00:04:59,659 --> 00:04:56,340
hey let's take the dogs for a walk and I

111
00:05:01,040 --> 00:04:59,669
was like okay and so we went to dogs for

112
00:05:03,439 --> 00:05:01,050
a walk and I came back and then it was

113
00:05:06,200 --> 00:05:03,449

time to podcast and then when I got here

114

00:05:08,420 --> 00:05:06,210

so between that time me eating tacos

115

00:05:11,360 --> 00:05:08,430

taking the dog and the dogs for a walk

116

00:05:18,680 --> 00:05:11,370

yeah and then coming here it was taken

117

00:05:20,420 --> 00:05:18,690

down creepy looks like posted a new link

118

00:05:22,550 --> 00:05:20,430

maybe it was just a link in the video

119

00:05:24,409 --> 00:05:22,560

but you you must have clicked on the

120

00:05:26,450 --> 00:05:24,419

video from Facebook I wonder I did it

121

00:05:29,269 --> 00:05:26,460

didn't work didn't work

122

00:05:31,790 --> 00:05:29,279

yeah that was December 8 today it was

123

00:05:33,920 --> 00:05:31,800

uploaded today oh snap Oh Rio

124

00:05:38,719 --> 00:05:33,930

oh it's just reloaded to fix audio

125

00:05:41,360 --> 00:05:38,729

problems oh alright no conspiracy you

126

00:05:43,070 --> 00:05:41,370

know what I still think the FBI did yeah

127

00:05:44,689 --> 00:05:43,080

do you mean well now we're gonna have to

128

00:05:47,480 --> 00:05:44,699

go back and watch the whole thing yeah

129

00:05:49,790 --> 00:05:47,490

so so we were gonna talk about it but

130

00:05:52,279 --> 00:05:49,800

they were like ah [h__h] it got taken down

131

00:05:53,180 --> 00:05:52,289

we're like it's Piercy and then we were

132

00:05:55,339 --> 00:05:53,190

like well let's talk about the

133

00:05:57,829 --> 00:05:55,349

conspiracy and then now I just got

134

00:06:04,399 --> 00:05:57,839

reloaded so now I don't have anything to

135

00:06:06,800 --> 00:06:04,409

say yeah well well damn we'd you know

136

00:06:09,019 --> 00:06:06,810

it's it's still cool we're gonna have to

137

00:06:10,459 --> 00:06:09,029

yeah I want to watch it and yeah so

138

00:06:11,089 --> 00:06:10,469

we'll be prepared for next week's

139

00:06:16,219 --> 00:06:11,099

episode

140

00:06:18,619 --> 00:06:16,229

UFO garage podcast yeah well uh man this

141

00:06:20,959 --> 00:06:18,629

interview at the Rhine sprague awesome

142

00:06:22,790 --> 00:06:20,969

so stoked for you guys to hear it what

143

00:06:25,820 --> 00:06:22,800

do you say we get into it let's get into

144

00:06:27,860 --> 00:06:25,830

it dude well what's up Brian thanks for

145

00:06:30,889 --> 00:06:27,870

being on the UFO garage podcast and I

146

00:06:32,230 --> 00:06:30,899

dude my pleasure guys hey listen I've

147

00:06:34,330 --> 00:06:32,240

become a

148

00:06:37,210 --> 00:06:34,340

and in the past couple months or so when

149

00:06:38,589 --> 00:06:37,220

I heard about you guys so I'm super

150

00:06:40,809 --> 00:06:38,599

honored to be here to be completely

151
00:06:43,059 --> 00:06:40,819
honest so thank you thank you awesome

152
00:06:45,219 --> 00:06:43,069
man thanks a lot yeah we uh we uh we

153
00:06:48,249 --> 00:06:45,229
thoroughly enjoy your show as well man

154
00:06:49,300 --> 00:06:48,259
yes it's a it's it's a blast it gets me

155
00:06:50,159 --> 00:06:49,310
through my workday you know what I'm

156
00:06:52,689 --> 00:06:50,169
saying

157
00:06:56,529 --> 00:06:52,699
that's what podcasts are for let's be

158
00:06:58,330 --> 00:06:56,539
absolutely well hey man I guess just for

159
00:07:02,200 --> 00:06:58,340
maybe some of our listeners who may not

160
00:07:04,170 --> 00:07:02,210
be too familiar with you let them know

161
00:07:05,980 --> 00:07:04,180
you know who you are what you do brother

162
00:07:10,149 --> 00:07:05,990
yeah absolutely

163
00:07:13,510 --> 00:07:10,159

um I I'm a UFO researcher journalist

164

00:07:16,059 --> 00:07:13,520

podcast host author blah blah blah sort

165

00:07:18,490 --> 00:07:16,069

of done it all in the UFO field um ever

166

00:07:21,309 --> 00:07:18,500

since I was pretty young to be honest I

167

00:07:24,370 --> 00:07:21,319

had a UFO sighting back in 1995 that

168

00:07:26,200 --> 00:07:24,380

kind of changed my life and um you know

169

00:07:28,450 --> 00:07:26,210

after that I started looking into the

170

00:07:31,659 --> 00:07:28,460

topic and taking out books at the

171

00:07:33,640 --> 00:07:31,669

library on UFOs and you know Loch Ness

172

00:07:36,580 --> 00:07:33,650

monster Bigfoot all that's all that fun

173

00:07:38,080 --> 00:07:36,590

stuff and it kind of just followed me

174

00:07:41,070 --> 00:07:38,090

for the rest of my life I started

175

00:07:45,310 --> 00:07:41,080

interviewing people in my hometown of

176

00:07:48,790 --> 00:07:45,320

Syracuse New York you know even so much

177

00:07:51,430 --> 00:07:48,800

to say I interviewed a Vietnam veteran

178

00:07:53,680 --> 00:07:51,440

when I was twelve and a half years old

179

00:07:57,640 --> 00:07:53,690

about a UFO sighting he had over the

180

00:07:59,499 --> 00:07:57,650

Pacific Oceans I started started pretty

181

00:08:02,439 --> 00:07:59,509

young I was the first person he ever

182

00:08:05,140 --> 00:08:02,449

told about this and kind of the last two

183

00:08:07,120 --> 00:08:05,150

he passed away a few months after I took

184

00:08:09,040 --> 00:08:07,130

down his story so I really think it was

185

00:08:10,930 --> 00:08:09,050

meant to be and that that kind of

186

00:08:13,480 --> 00:08:10,940

propelled me forward to keep doing this

187

00:08:16,029 --> 00:08:13,490

whole UFO journalism thing and just

188

00:08:17,800 --> 00:08:16,039

going around meeting people talking to

189

00:08:20,529 --> 00:08:17,810

people and hearing their incredible

190

00:08:21,999 --> 00:08:20,539

stories about UFOs that's awesome yeah

191

00:08:25,209 --> 00:08:22,009

that's super cool I want to hear only

192

00:08:27,879 --> 00:08:25,219

hear the story man oh my story yeah yeah

193

00:08:29,409 --> 00:08:27,889

yeah oh yeah yeah tell us about your

194

00:08:33,969 --> 00:08:29,419

experience you'd like run us through

195

00:08:35,139 --> 00:08:33,979

from the beginning to the end I I'm sort

196

00:08:37,449 --> 00:08:35,149

of at this point got a Cliff Notes

197

00:08:40,240 --> 00:08:37,459

version so I won't uh I won't keep you

198

00:08:43,089 --> 00:08:40,250

too long with it um so yeah this

199

00:08:45,850 --> 00:08:43,099

happened in the summer of 1995 I was on

200

00:08:46,150 --> 00:08:45,860

a fishing trip with my my parents we we

201
00:08:49,809 --> 00:08:46,160
would

202
00:08:52,480 --> 00:08:49,819
- this this motel up in upstate New York

203
00:08:54,430 --> 00:08:52,490
and we would fish off the st. Lawrence

204
00:08:57,970 --> 00:08:54,440
River up there which literally it's a

205
00:09:00,579 --> 00:08:57,980
river that separates Canada from the US

206
00:09:03,160 --> 00:09:00,589
right near New York and I was fishing

207
00:09:04,840 --> 00:09:03,170
one night by myself outside I had my

208
00:09:09,189 --> 00:09:04,850
discman with me so that brings it back

209
00:09:10,540 --> 00:09:09,199
to the mid nineties and yeah yeah that

210
00:09:12,689 --> 00:09:10,550
was listening to Green Day so that

211
00:09:16,660 --> 00:09:12,699
brings me even back to the 90s even more

212
00:09:20,410 --> 00:09:16,670
nice so I'm listening to like basket

213
00:09:21,819 --> 00:09:20,420

case or one of the songs on there and it

214

00:09:23,259 --> 00:09:21,829

started getting dark so I'm like all

215

00:09:25,990 --> 00:09:23,269

right I should probably go in for the

216

00:09:28,329 --> 00:09:26,000

night and I'm not real in my line in and

217

00:09:30,550 --> 00:09:28,339

I could see these three white lights in

218

00:09:33,280 --> 00:09:30,560

the water and you know I kind of bend

219

00:09:35,949 --> 00:09:33,290

down on the dock the dock was right next

220

00:09:38,650 --> 00:09:35,959

to our motel so I could like see inside

221

00:09:40,809 --> 00:09:38,660

to our room and I'm looking down into

222

00:09:42,189 --> 00:09:40,819

the water I'm seeing what are these

223

00:09:44,259 --> 00:09:42,199

lights coming from and you know

224

00:09:47,590 --> 00:09:44,269

naturally I look up and realize it's a

225

00:09:49,379 --> 00:09:47,600

reflection so I look up and I see three

226

00:09:53,350 --> 00:09:49,389

white lights in the triangular formation

227

00:09:55,230 --> 00:09:53,360

just kind of hover in there and no

228

00:09:57,879 --> 00:09:55,240

structure I didn't see like a machine or

229

00:09:59,679 --> 00:09:57,889

you know windows nothing like that but

230

00:10:03,249 --> 00:09:59,689

there was like this other red ball in

231

00:10:05,499 --> 00:10:03,259

the middle very hazy and it just kind of

232

00:10:08,679 --> 00:10:05,509

hung there this triangular formation and

233

00:10:10,179 --> 00:10:08,689

I couldn't get any noise out I tried to

234

00:10:12,670 --> 00:10:10,189

yell into my dad because I could

235

00:10:15,220 --> 00:10:12,680

literally like see him in the hotel room

236

00:10:17,980 --> 00:10:15,230

the motel room there and I couldn't

237

00:10:19,480 --> 00:10:17,990

nothing I couldn't move I couldn't

238

00:10:22,420 --> 00:10:19,490

scream I couldn't do anything

239

00:10:24,910 --> 00:10:22,430

and I just stared up at it man and then

240

00:10:27,160 --> 00:10:24,920

it just it started to float over the

241

00:10:28,840 --> 00:10:27,170

water I finally get a little like

242

00:10:32,379 --> 00:10:28,850

twelve-year-old squeal out and my dad

243

00:10:34,449 --> 00:10:32,389

comes outside and as he's coming out he

244

00:10:37,150 --> 00:10:34,459

actually sees this thing with me and we

245

00:10:38,679 --> 00:10:37,160

both watched it as it floated across the

246

00:10:41,290 --> 00:10:38,689

river headed towards Canada and

247

00:10:42,120 --> 00:10:41,300

disappeared out of sight so so there I

248

00:10:45,270 --> 00:10:42,130

don't know

249

00:10:47,490 --> 00:10:45,280

I knew it yeah they're either Canadians

250

00:10:49,590 --> 00:10:47,500

or they're trying to cross the border

251
00:10:51,600 --> 00:10:49,600
without you know when there's a legal

252
00:10:53,340 --> 00:10:51,610
fireworks I don't know they're good note

253
00:10:54,720 --> 00:10:53,350
you know over there they're not of age

254
00:10:59,430 --> 00:10:54,730
to drink yet so they're going to get

255
00:11:03,270 --> 00:10:59,440
some beer get you drink in a younger age

256
00:11:05,460 --> 00:11:03,280
I don't know I don't know I think that's

257
00:11:08,010 --> 00:11:05,470
it that's a good point I know a lot of

258
00:11:09,180 --> 00:11:08,020
my friends went to colleges in Canada

259
00:11:14,490 --> 00:11:09,190
because they knew they could drink

260
00:11:16,350 --> 00:11:14,500
younger so smart smart dudes dude yeah I

261
00:11:19,770 --> 00:11:16,360
mean I mean that's it's crazy

262
00:11:21,930 --> 00:11:19,780
you know like how how just seeing

263
00:11:25,980 --> 00:11:21,940

something in the sky briefly can

264

00:11:28,620 --> 00:11:25,990

completely kind of change the trajectory

265

00:11:31,290 --> 00:11:28,630

of the rest of your life you know like

266

00:11:34,200 --> 00:11:31,300

even as a little kid or even as an older

267

00:11:36,990 --> 00:11:34,210

person like just something so like I

268

00:11:39,870 --> 00:11:37,000

wouldn't say small right because I mean

269

00:11:42,030 --> 00:11:39,880

it definitely changes your like it

270

00:11:44,340 --> 00:11:42,040

changes you a little bit you know these

271

00:11:46,950 --> 00:11:44,350

experiences that happen and and man like

272

00:11:47,490 --> 00:11:46,960

you know me and Ben you know out in

273

00:11:49,890 --> 00:11:47,500

Sedona

274

00:11:52,530 --> 00:11:49,900

you know we witnessed you know a little

275

00:11:54,300 --> 00:11:52,540

something and dude I mean it really does

276

00:11:56,610 --> 00:11:54,310

like something inside you just kind of

277

00:11:58,980 --> 00:11:56,620

like clicks you know it did definitely

278

00:12:01,800 --> 00:11:58,990

changes a little something inside of you

279

00:12:04,050 --> 00:12:01,810

that's a good way puttin it clicks it

280

00:12:06,240 --> 00:12:04,060

kind of turns you turns a switch on I

281

00:12:08,280 --> 00:12:06,250

mean I'm gonna be honest guys I was like

282

00:12:11,190 --> 00:12:08,290

an athlete like baseball was my life

283

00:12:14,640 --> 00:12:11,200

when I was younger you know baseball

284

00:12:18,090 --> 00:12:14,650

girls and rock music that's about it and

285

00:12:20,520 --> 00:12:18,100

then this goddamn UFO thing just dropped

286

00:12:22,710 --> 00:12:20,530

in my lap and it did it changed the

287

00:12:24,930 --> 00:12:22,720

whole course of my life I'm a I'm what

288

00:12:26,520 --> 00:12:24,940

some consider like a professional UFO

289

00:12:28,500 --> 00:12:26,530

researcher not that that's an actual

290

00:12:31,410 --> 00:12:28,510

thing but that's what a lot of people

291

00:12:34,590 --> 00:12:31,420

consider me and I'm like where the hell

292

00:12:36,660 --> 00:12:34,600

did this come from this you turn but I I

293

00:12:38,880 --> 00:12:36,670

think that's kind of how it is and I

294

00:12:42,030 --> 00:12:38,890

mean being out in Sedona you guys must

295

00:12:43,050 --> 00:12:42,040

hear and see so many stories of things I

296

00:12:45,150 --> 00:12:43,060

can't even imagine

297

00:12:47,340 --> 00:12:45,160

no dude we've we've heard some crazy

298

00:12:49,130 --> 00:12:47,350

stuff out there in Sedona man I mean

299

00:12:52,890 --> 00:12:49,140

have you ever been out there before I

300

00:12:53,760 --> 00:12:52,900

have not I've only been to Tempe for a

301
00:12:55,380 --> 00:12:53,770
UFO

302
00:12:59,370 --> 00:12:55,390
I'm French so that's a spot as close as

303
00:13:02,820 --> 00:12:59,380
I come bro if you ever get a chance you

304
00:13:05,390 --> 00:13:02,830
need to go to Sedona I mean I mean it is

305
00:13:09,480 --> 00:13:05,400
not only is it gorgeous but dude I mean

306
00:13:11,730 --> 00:13:09,490
the energy in that area is is incredible

307
00:13:12,780 --> 00:13:11,740
man like it's it's such a good time you

308
00:13:15,450 --> 00:13:12,790
it's one of those places you could

309
00:13:16,980 --> 00:13:15,460
literally go just sit out on rock and do

310
00:13:19,410 --> 00:13:16,990
absolutely nothing and have one of the

311
00:13:21,320 --> 00:13:19,420
best times of your life yeah yeah and I

312
00:13:24,270 --> 00:13:21,330
mean some of the most conventional

313
00:13:26,820 --> 00:13:24,280

skeptical people I know have gone out

314

00:13:28,950 --> 00:13:26,830

there and you know beyond seeing a UFO

315

00:13:31,320 --> 00:13:28,960

themselves they do say the same thing

316

00:13:32,850 --> 00:13:31,330

there's something about it so there's

317

00:13:34,410 --> 00:13:32,860

got to be something to it guys I don't

318

00:13:35,820 --> 00:13:34,420

know you might you might be where the

319

00:13:39,180 --> 00:13:35,830

portal is that all these things are

320

00:13:41,190 --> 00:13:39,190

coming in and out of that's right I have

321

00:13:44,040 --> 00:13:41,200

a couple friends out there we had

322

00:13:45,840 --> 00:13:44,050

Melinda Lesley on last week and you know

323

00:13:47,880 --> 00:13:45,850

a couple weeks before that one of our

324

00:13:49,580 --> 00:13:47,890

other friends Jocelyn who lives out

325

00:13:53,700 --> 00:13:49,590

there and she lives right behind

326

00:13:56,580 --> 00:13:53,710

Cathedral Rock and supposedly during the

327

00:13:59,190 --> 00:13:56,590

you know the Rendlesham case right you

328

00:14:01,410 --> 00:13:59,200

know how supposedly he got this download

329

00:14:04,140 --> 00:14:01,420

of information and it was like binary

330

00:14:06,510 --> 00:14:04,150

code and stuff like that so you know

331

00:14:08,880 --> 00:14:06,520

like it turned out to be like ley lines

332

00:14:09,830 --> 00:14:08,890

and like points on the earth and stuff

333

00:14:13,320 --> 00:14:09,840

like that

334

00:14:16,050 --> 00:14:13,330

apparently Sedona was was was one of the

335

00:14:18,990 --> 00:14:16,060

the points that that was you know that

336

00:14:21,690 --> 00:14:19,000

was in there and yes you know apparently

337

00:14:24,030 --> 00:14:21,700

that this is that portal is right there

338

00:14:27,180 --> 00:14:24,040

above Cathedral Rock and is right in her

339

00:14:30,150 --> 00:14:27,190

backyard so she that knows yet she takes

340

00:14:32,130 --> 00:14:30,160

photos like all the time and she's got

341

00:14:33,270 --> 00:14:32,140

incredible photos just of stuff she's

342

00:14:35,520 --> 00:14:33,280

like that's what we do we just sit

343

00:14:37,560 --> 00:14:35,530

outside and take pictures all the time

344

00:14:39,360 --> 00:14:37,570

because a lot of times you can't see

345

00:14:41,790 --> 00:14:39,370

certain things and then you develop

346

00:14:42,030 --> 00:14:41,800

these photos and they're all over the

347

00:14:45,390 --> 00:14:42,040

place

348

00:14:47,220 --> 00:14:45,400

oh absolutely that I mean a quick story

349

00:14:49,800 --> 00:14:47,230

about Rendlesham them the gentleman

350

00:14:51,960 --> 00:14:49,810

you're talking about Jim Penniston I've

351
00:14:54,450 --> 00:14:51,970
spoken to him on several occasions and

352
00:14:55,860 --> 00:14:54,460
the whole binary code thing I know he

353
00:14:58,650 --> 00:14:55,870
just came out with a new book all about

354
00:15:00,630 --> 00:14:58,660
deciphering those codes so I definitely

355
00:15:03,090 --> 00:15:00,640
suggest people check that out but um

356
00:15:06,060 --> 00:15:03,100
yeah some of these ley lines he found

357
00:15:07,440 --> 00:15:06,070
and the coordinates were incredible and

358
00:15:09,900 --> 00:15:07,450
I actually think I know your

359
00:15:11,550 --> 00:15:09,910
talking about joseline I've spoken to

360
00:15:13,950 --> 00:15:11,560
her on several occasions - and what I

361
00:15:15,750 --> 00:15:13,960
what I love about her is she's out there

362
00:15:18,690 --> 00:15:15,760
just experiencing it she's not you know

363
00:15:22,020 --> 00:15:18,700

come one come all start a mission come

364

00:15:24,330 --> 00:15:22,030

see the come see the portable so I think

365

00:15:26,490 --> 00:15:24,340

that's amazing and I'm so happy you

366

00:15:28,410 --> 00:15:26,500

brought up Rendlesham when when I'm not

367

00:15:31,050 --> 00:15:28,420

doing UFOs I'm actually a playwright

368

00:15:32,550 --> 00:15:31,060

here in New York City and I actually one

369

00:15:34,290 --> 00:15:32,560

of the first plays I wrote when I moved

370

00:15:38,430 --> 00:15:34,300

here was about the Rendlesham UFO

371

00:15:40,320 --> 00:15:38,440

encounter oh yeah I've been working on

372

00:15:45,690 --> 00:15:40,330

it for about eight years now and I'm

373

00:15:47,190 --> 00:15:45,700

nowhere near being done I don't think so

374

00:15:49,560 --> 00:15:47,200

you're gonna you're gonna like try and

375

00:15:51,750 --> 00:15:49,570

make like a little like a film out of it

376

00:15:55,080 --> 00:15:51,760

or like maybe like a live Broadway play

377

00:15:56,520 --> 00:15:55,090

out of trying man so I work on Broadway

378

00:15:59,010 --> 00:15:56,530

here so I've definitely got some

379

00:16:01,200 --> 00:15:59,020

connections I I just try to slip some

380

00:16:03,570 --> 00:16:01,210

scripts to some producers every now and

381

00:16:04,920 --> 00:16:03,580

again and it really perks their ears so

382

00:16:07,920 --> 00:16:04,930

when they hear it's about a UFO case

383

00:16:10,500 --> 00:16:07,930

they're like what the hell we've never

384

00:16:12,390 --> 00:16:10,510

seen UFOs on Broadway so um exactly

385

00:16:15,450 --> 00:16:12,400

that's all say that would be super

386

00:16:17,990 --> 00:16:15,460

interesting to see really would yeah so

387

00:16:22,290 --> 00:16:18,000

it's been um it's been interesting yeah

388

00:16:25,740 --> 00:16:22,300

yes dude that's awesome man so dude I

389

00:16:27,570 --> 00:16:25,750

mean you know like your uh I mean I love

390

00:16:30,540 --> 00:16:27,580

your podcast dude I mean I think it's

391

00:16:34,500 --> 00:16:30,550

it's uh it's kind of like the you know

392

00:16:37,380 --> 00:16:34,510

the need to have Diet kind of to you

393

00:16:39,060 --> 00:16:37,390

know the UFO community and just you know

394

00:16:41,040 --> 00:16:39,070

people listening to it you bring a lot

395

00:16:43,680 --> 00:16:41,050

of interesting guests on you have you

396

00:16:45,510 --> 00:16:43,690

know a lot of you know facts and things

397

00:16:48,090 --> 00:16:45,520

like that you know like our show is kind

398

00:16:49,410 --> 00:16:48,100

of like the dr. pepper of like UFO

399

00:16:51,900 --> 00:16:49,420

community you know what I'm saying like

400

00:16:53,100 --> 00:16:51,910

it may not be important to the diet but

401

00:16:55,080 --> 00:16:53,110

I mean you know it's nice to have a

402

00:16:56,940 --> 00:16:55,090

little sweets every now and then bro you

403

00:16:59,880 --> 00:16:56,950

know are you kidding me man I literally

404

00:17:02,100 --> 00:16:59,890

moments before we got on got me some

405

00:17:04,710 --> 00:17:02,110

chicken and broccoli and my local

406

00:17:07,439 --> 00:17:04,720

Chinese place than a dr. pepper so he's

407

00:17:09,210 --> 00:17:07,449

a necessity it is a necessity I will

408

00:17:11,670 --> 00:17:09,220

send you a picture I'm not kidding I

409

00:17:13,890 --> 00:17:11,680

have one sitting in my lap right now and

410

00:17:15,360 --> 00:17:13,900

I'm a huge I me being from Texas I mean

411

00:17:15,929 --> 00:17:15,370

that's it's kind of what we drink you

412

00:17:19,850 --> 00:17:15,939

know

413

00:17:22,130 --> 00:17:19,860

oh my kid over sucks we are here in the

414

00:17:24,470 --> 00:17:22,140

York we're big on Pepsi because Pepsi

415

00:17:26,390 --> 00:17:24,480

Cola is like their headquarters is here

416

00:17:28,850 --> 00:17:26,400

in New York so you can't even find

417

00:17:31,700 --> 00:17:28,860

freaking coca-cola anywhere here it's

418

00:17:38,150 --> 00:17:31,710

worth like living in this weird Pepsi

419

00:17:41,630 --> 00:17:38,160

Oasis and it's disgusting tastes like

420

00:17:44,990 --> 00:17:41,640

flat coke to me though for some reason

421

00:17:46,640 --> 00:17:45,000

Pepsi is kind of good with Taco Bell I

422

00:17:48,860 --> 00:17:46,650

think it's because they both taste like

423

00:17:53,830 --> 00:17:48,870

[h__h] that like a compliments you notice

424

00:17:57,610 --> 00:17:53,840

it puts [h__h] on [h__h] and call it a day

425

00:18:03,140 --> 00:17:57,620

that's right dude that's right

426

00:18:07,310 --> 00:18:03,150

there's the title of your episode don't

427

00:18:10,610 --> 00:18:07,320

drink Pepsi yeah that's awesome dude

428

00:18:13,000 --> 00:18:10,620

that's awesome so I so dude like through

429

00:18:16,130 --> 00:18:13,010

listened to your show right you know I

430

00:18:18,260 --> 00:18:16,140

noticed that you know I you know you

431

00:18:19,789 --> 00:18:18,270

said that you loved you know fire in the

432

00:18:22,130 --> 00:18:19,799

sky and you know you're friends with

433

00:18:24,350 --> 00:18:22,140

Travis dude like when I saw that movie

434

00:18:25,180 --> 00:18:24,360

when I was a kid that was it I was

435

00:18:28,580 --> 00:18:25,190

hooked

436

00:18:31,070 --> 00:18:28,590

really yeah oh man I I remember the

437

00:18:33,080 --> 00:18:31,080

first time I saw it it was um there's

438

00:18:35,720 --> 00:18:33,090

either like Showtime or HBO one of those

439

00:18:37,430 --> 00:18:35,730

like pay you know pay cable things and

440

00:18:39,590 --> 00:18:37,440

we weren't we didn't really get the

441

00:18:40,730 --> 00:18:39,600

station so it was like that fuzzy thing

442

00:18:42,830 --> 00:18:40,740

you know when you're trying to watch

443

00:18:47,090 --> 00:18:42,840

Paul trying to watch porn when you're

444

00:18:50,270 --> 00:18:47,100

like 13 and look through the phase but

445

00:18:52,400 --> 00:18:50,280

for me it was yeah exactly but for me it

446

00:18:54,140 --> 00:18:52,410

was [h__h] Travis Walton getting

447

00:18:58,090 --> 00:18:54,150

abducted by aliens so I had to like

448

00:19:01,159 --> 00:18:58,100

watch that through the snow on the TV oh

449

00:19:04,280 --> 00:19:01,169

man that what I finally saw that movie

450

00:19:06,980 --> 00:19:04,290

dude I was the same way it just it it

451
00:19:10,760 --> 00:19:06,990
did something I think to a lot of people

452
00:19:12,500 --> 00:19:10,770
triggered a lot of people and and told a

453
00:19:15,010 --> 00:19:12,510
story of what a lot of people didn't

454
00:19:17,390 --> 00:19:15,020
know was based on actual events so it's

455
00:19:20,210 --> 00:19:17,400
it's up there man when people come to me

456
00:19:22,159 --> 00:19:20,220
and say what abduction cases do you put

457
00:19:24,289 --> 00:19:22,169
up you know stock in because I'm gonna

458
00:19:26,659 --> 00:19:24,299
be completely honest as UFO researcher

459
00:19:28,400 --> 00:19:26,669
I'm still very on the fence when it

460
00:19:31,510 --> 00:19:28,410
comes to the abduction phenomenon and

461
00:19:33,600 --> 00:19:31,520
what it is what it represents but

462
00:19:36,820 --> 00:19:33,610
this is one of those walking enigmas

463
00:19:40,420 --> 00:19:36,830

with you know multiple witnesses who saw

464

00:19:42,220 --> 00:19:40,430

it happen who took lie-detector tests

465

00:19:45,010 --> 00:19:42,230

and passed with flying colors that this

466

00:19:45,700 --> 00:19:45,020

[h__h] happened and I can't take that away

467

00:19:47,770 --> 00:19:45,710

from them

468

00:19:49,390 --> 00:19:47,780

I can't and I will tell you this too

469

00:19:51,010 --> 00:19:49,400

meeting the guys so many times it

470

00:19:52,780 --> 00:19:51,020

doesn't look like he's aged today in

471

00:19:58,150 --> 00:19:52,790

like 50 years it's crazy

472

00:20:01,300 --> 00:19:58,160

Israel Ladykiller like yeah that guy's

473

00:20:03,670 --> 00:20:01,310

got a good hairline and mustache he's

474

00:20:07,270 --> 00:20:03,680

always got laid always got ladies around

475

00:20:11,170 --> 00:20:07,280

him too so you know yeah I guess that's

476

00:20:13,690 --> 00:20:11,180

the key yep guitar whether we saw last

477

00:20:15,220 --> 00:20:13,700

time that we were at the UFO Congress

478

00:20:17,290 --> 00:20:15,230

out in Phoenix a couple of months so

479

00:20:19,990 --> 00:20:17,300

perfect yeah that's where we got to meet

480

00:20:23,170 --> 00:20:20,000

him he's a pretty awesome dude yeah yeah

481

00:20:26,560 --> 00:20:23,180

man so how do you like I have like a

482

00:20:30,940 --> 00:20:26,570

real hard problem I think with like I

483

00:20:34,390 --> 00:20:30,950

don't know separating separating the

484

00:20:36,670 --> 00:20:34,400

aliens with the UFO you know what I'm

485

00:20:40,120 --> 00:20:36,680

saying because I've kind of I feel like

486

00:20:43,390 --> 00:20:40,130

man like yes there is probably some

487

00:20:45,640 --> 00:20:43,400

stuff that you know maybe isn't piloted

488

00:20:47,950 --> 00:20:45,650

by anything but at the same time like

489

00:20:49,900 --> 00:20:47,960

when you hear cases like like Travis's

490

00:20:52,180 --> 00:20:49,910

and with all these multiple witnesses

491

00:20:54,730 --> 00:20:52,190

saying that you know yeah we saw this

492

00:20:58,330 --> 00:20:54,740

thing right and then and then Travis is

493

00:21:00,910 --> 00:20:58,340

like yeah I was in this thing and then I

494

00:21:05,230 --> 00:21:00,920

saw these beings there too like do you

495

00:21:07,750 --> 00:21:05,240

do you separate the two or can you or

496

00:21:09,850 --> 00:21:07,760

you know what I'm saying yeah absolutely

497

00:21:12,640 --> 00:21:09,860

man I mean that's half the struggle of

498

00:21:16,060 --> 00:21:12,650

being a UFO researcher is I study UFOs

499

00:21:19,210 --> 00:21:16,070

I'm not an alien tala gist I'm not like

500

00:21:21,400 --> 00:21:19,220

a what would you call it a bio chemist

501

00:21:25,060 --> 00:21:21,410

nothing like that astrobiology forget

502

00:21:27,310 --> 00:21:25,070

about it math is not my thing but you

503

00:21:30,220 --> 00:21:27,320

know you give me a solid UFO case to go

504

00:21:32,530 --> 00:21:30,230

investigate and and I'll do it so yeah

505

00:21:35,200 --> 00:21:32,540

it's super tough to separate the UFO

506

00:21:37,210 --> 00:21:35,210

from extraterrestrial anytime you go to

507

00:21:38,590 --> 00:21:37,220

the mass media or you're getting

508

00:21:40,900 --> 00:21:38,600

interviewed about this stuff they always

509

00:21:43,150 --> 00:21:40,910

say so you know what are the aliens up

510

00:21:44,560 --> 00:21:43,160

to and I'll say I don't know I have

511

00:21:47,379 --> 00:21:44,570

absolutely no idea

512

00:21:50,200 --> 00:21:47,389

I can tell you as these 25 people saw a

513

00:21:53,919 --> 00:21:50,210

boomerang shaped craft in 1997 over

514

00:21:56,799 --> 00:21:53,929

Phoenix Arizona so I mean we don't know

515

00:21:59,049 --> 00:21:56,809

what they are and we can't even say that

516

00:22:02,230 --> 00:21:59,059

any of these UFOs are directly connected

517

00:22:04,389 --> 00:22:02,240

to one another I mean it could be ten

518

00:22:06,070 --> 00:22:04,399

different reasons for these things a

519

00:22:08,860 --> 00:22:06,080

million different reasons and we're

520

00:22:11,320 --> 00:22:08,870

we're still I think just scratching the

521

00:22:14,320 --> 00:22:11,330

surface of that so when it comes to et I

522

00:22:16,659 --> 00:22:14,330

think that's one tiny tiny possibility

523

00:22:19,690 --> 00:22:16,669

of what we could be dealing with yeah

524

00:22:22,090 --> 00:22:19,700

yeah yeah so it man like I mean it could

525

00:22:23,980 --> 00:22:22,100

be like you know you have ufology on one

526

00:22:26,680 --> 00:22:23,990

hand and then like we need to kind of

527

00:22:29,950 --> 00:22:26,690

like start alien ology like on the other

528

00:22:34,029 --> 00:22:29,960

hand you know totally yeah and I mean

529

00:22:36,159 --> 00:22:34,039

it's I fall victim to it too I mean I'm

530

00:22:38,440 --> 00:22:36,169

always posting [\h__\h] about little green

531

00:22:41,200 --> 00:22:38,450

men and in the greys and this and that

532

00:22:44,560 --> 00:22:41,210

but I mean when it becomes such a part

533

00:22:47,019 --> 00:22:44,570

of pop culture and just like the mostly

534

00:22:49,509 --> 00:22:47,029

the American zeitgeist I'd say like it's

535

00:22:53,139 --> 00:22:49,519

tough it's tough because I try to tell

536

00:22:55,570 --> 00:22:53,149

people yeah like oh I'll draw an alien

537

00:22:59,860 --> 00:22:55,580

on that for you if you want or like I

538

00:23:02,409 --> 00:22:59,870

have a ton of alien swag all over all

539

00:23:06,100 --> 00:23:02,419

the time but at the core of it I want to

540

00:23:08,200 --> 00:23:06,110

know what UFOs are and if there's an

541

00:23:11,710 --> 00:23:08,210

intelligence behind them and what do

542

00:23:14,110 --> 00:23:11,720

they want whatever it is that is so yeah

543

00:23:15,820 --> 00:23:14,120

I don't know do you do you think

544

00:23:18,460 --> 00:23:15,830

personally that our government will ever

545

00:23:20,590 --> 00:23:18,470

come out and truly do a disclosure like

546

00:23:25,889 --> 00:23:20,600

hey do you think that'll ever happen

547

00:23:29,259 --> 00:23:25,899

[h__h] you know this are you kidding me I

548

00:23:30,909 --> 00:23:29,269

apologize I I get very passionate with

549

00:23:33,009 --> 00:23:30,919

that question because look I mean

550

00:23:34,869 --> 00:23:33,019

they've been lying to us for so long

551
00:23:36,940 --> 00:23:34,879
anyways we thought Project Blue Book was

552
00:23:39,549 --> 00:23:36,950
the end of the government investigating

553
00:23:42,399 --> 00:23:39,559
UFOs come to find out what two years ago

554
00:23:44,950 --> 00:23:42,409
secret Pentagon UFO programs so I mean

555
00:23:47,080 --> 00:23:44,960
yeah they're always gonna be they're

556
00:23:50,889 --> 00:23:47,090
always gonna be deceitful they're always

557
00:23:53,049 --> 00:23:50,899
going to to bend it whichever way they

558
00:23:55,139 --> 00:23:53,059
want and also guys I always tell people

559
00:23:58,799 --> 00:23:55,149
this the government is dumbest [h__\h]

560
00:24:02,310 --> 00:23:58,809
like they are they I don't think they

561
00:24:04,440 --> 00:24:02,320
are capable of this huge huge cover-up

562
00:24:06,810 --> 00:24:04,450
that everyone thinks they are everyone

563
00:24:08,759 --> 00:24:06,820

has their own job within government that

564

00:24:11,549 --> 00:24:08,769

dude over here has no idea what the girl

565

00:24:14,279 --> 00:24:11,559

over here is doing so like I don't think

566

00:24:15,899 --> 00:24:14,289

that they could ever disclose because

567

00:24:18,509 --> 00:24:15,909

honestly I don't think they know what

568

00:24:21,509 --> 00:24:18,519

the [h__\h] is going on either but I always

569

00:24:24,749 --> 00:24:21,519

tell people it's not what the government

570

00:24:26,489 --> 00:24:24,759

knows or doesn't know it's that they can

571

00:24:28,560 --> 00:24:26,499

control the information that gets out to

572

00:24:30,570 --> 00:24:28,570

us so you just got to be careful what

573

00:24:33,779 --> 00:24:30,580

you what you're hearing all the time I

574

00:24:36,539 --> 00:24:33,789

mean look I think this whole Tom DeLonge

575

00:24:38,310 --> 00:24:36,549

to the stars thing is awesome but we've

576

00:24:40,529 --> 00:24:38,320

got to remember that's one narrative

577

00:24:42,869 --> 00:24:40,539

that's one lens to look at the UFO

578

00:24:46,079 --> 00:24:42,879

phenomenon through and with them it's a

579

00:24:48,060 --> 00:24:46,089

threat yeah it is a threat in the

580

00:24:50,219 --> 00:24:48,070

military loves here in that [h__h] because

581

00:24:53,190 --> 00:24:50,229

then you're gonna get funding for it so

582

00:24:56,190 --> 00:24:53,200

absolutely it's tough it's tough because

583

00:24:57,629 --> 00:24:56,200

I do not think UFOs are as big of a

584

00:24:59,219 --> 00:24:57,639

threat as people think I think they

585

00:25:03,239 --> 00:24:59,229

could actually help us a lot more than

586

00:25:04,950 --> 00:25:03,249

hurt us whatever they may be so to to

587

00:25:06,119 --> 00:25:04,960

sort of circle back to your question do

588

00:25:08,159 --> 00:25:06,129

I think the government will disclose

589

00:25:10,019 --> 00:25:08,169

know I think whatever's behind this

590

00:25:13,409 --> 00:25:10,029

stuff is gonna disclose when they're

591

00:25:15,359 --> 00:25:13,419

damn ready yeah I think it's it's way

592

00:25:17,729 --> 00:25:15,369

bigger than we can possibly imagine and

593

00:25:21,419 --> 00:25:17,739

there's probably a reason for it but

594

00:25:24,060 --> 00:25:21,429

again like you said like I feel like the

595

00:25:26,219 --> 00:25:24,070

not all the government branches do know

596

00:25:28,560 --> 00:25:26,229

what the what the story is and maybe

597

00:25:31,129 --> 00:25:28,570

maybe they just know half of it yeah

598

00:25:34,349 --> 00:25:31,139

dude I'm never gonna agree on one I

599

00:25:36,029 --> 00:25:34,359

don't think no I think they know like

600

00:25:37,709 --> 00:25:36,039

they all will probably just know as much

601
00:25:40,169 --> 00:25:37,719
as we do the only difference is maybe

602
00:25:42,029 --> 00:25:40,179
they have some files right and maybe

603
00:25:43,979 --> 00:25:42,039
like little pieces of like some crash

604
00:25:46,799 --> 00:25:43,989
it's really like the only thing I feel

605
00:25:49,589 --> 00:25:46,809
like separates them from you know from

606
00:25:52,649 --> 00:25:49,599
from us you know and and and yeah I mean

607
00:25:54,629 --> 00:25:52,659
they may know like a couple of like deep

608
00:25:56,999 --> 00:25:54,639
secrets but other than that dude I mean

609
00:26:00,329 --> 00:25:57,009
they probably don't know [h__h] either

610
00:26:02,759 --> 00:26:00,339
right I have to agree yeah I think and

611
00:26:05,020 --> 00:26:02,769
again it's all spin and like they can

612
00:26:07,030 --> 00:26:05,030
control the information

613
00:26:11,020 --> 00:26:07,040

when they just flat out deny that it

614

00:26:14,080 --> 00:26:11,030

exists so I I think just be careful be

615

00:26:16,090 --> 00:26:14,090

careful who you listen to and what you

616

00:26:17,860 --> 00:26:16,100

put stock in but just do your own work

617

00:26:19,150 --> 00:26:17,870

that's what I tell people don't trust

618

00:26:22,000 --> 00:26:19,160

what the government's gonna tell you

619

00:26:24,640 --> 00:26:22,010

about UFOs yeah

620

00:26:27,580 --> 00:26:24,650

talk to like that dude at the bar or

621

00:26:29,650 --> 00:26:27,590

like the police officer that you know

622

00:26:31,930 --> 00:26:29,660

goes to your coffee shop be like hey

623

00:26:33,190 --> 00:26:31,940

anyone ever report a UFO to you I want

624

00:26:35,230 --> 00:26:33,200

to hear about it like those are the

625

00:26:37,870 --> 00:26:35,240

people I want to hear from I don't care

626
00:26:41,890 --> 00:26:37,880
about Louis Elizondo I don't care about

627
00:26:44,170 --> 00:26:41,900
like you know some ex-cia agent tell me

628
00:26:46,120 --> 00:26:44,180
about it I want to hear from like the

629
00:26:49,630 --> 00:26:46,130
person whose life was changed by an

630
00:26:51,310 --> 00:26:49,640
event and how it affects exactly no I am

631
00:26:53,260 --> 00:26:51,320
all about the people having these

632
00:26:56,230 --> 00:26:53,270
experiences that's that's what it comes

633
00:26:58,180 --> 00:26:56,240
down to for me because like you guys it

634
00:26:59,950 --> 00:26:58,190
changed me like whatever I saw I don't

635
00:27:02,500 --> 00:26:59,960
care what it was it changed the entire

636
00:27:04,330 --> 00:27:02,510
path of my life and I'm very thankful

637
00:27:06,640 --> 00:27:04,340
for that I've made incredible friends

638
00:27:10,090 --> 00:27:06,650

and colleagues through the UFO topic and

639

00:27:13,240 --> 00:27:10,100

it's made me a very understanding and

640

00:27:14,530 --> 00:27:13,250

empathetic person and I think we need

641

00:27:17,950 --> 00:27:14,540

that in the world right now more than

642

00:27:19,900 --> 00:27:17,960

ever yeah do it absolutely yeah and you

643

00:27:21,280 --> 00:27:19,910

know like I man you know me I didn't

644

00:27:24,280 --> 00:27:21,290

talk about this on the show a lot to

645

00:27:27,400 --> 00:27:24,290

like you know I I you know I I agree

646

00:27:29,530 --> 00:27:27,410

like it is kind of cool like what the to

647

00:27:31,780 --> 00:27:29,540

the Stars Academy is kind of doing but

648

00:27:33,580 --> 00:27:31,790

total same time like man we we have to

649

00:27:36,100 --> 00:27:33,590

like we have to be really really careful

650

00:27:37,990 --> 00:27:36,110

with that too because it's you know you

651
00:27:40,150 --> 00:27:38,000
you look at all these people involved

652
00:27:43,180 --> 00:27:40,160
and I mean you got these guys that were

653
00:27:45,070 --> 00:27:43,190
part of the aviary groove yeah you know

654
00:27:46,930 --> 00:27:45,080
the working group part of it you know

655
00:27:49,750 --> 00:27:46,940
like all these different groups you know

656
00:27:52,630 --> 00:27:49,760
that were purposely like set out in the

657
00:27:53,980 --> 00:27:52,640
UFO community - like discredit and to

658
00:27:56,320 --> 00:27:53,990
disprove and make people look like

659
00:27:58,030 --> 00:27:56,330
quacks and now we're supposed to like

660
00:27:59,590 --> 00:27:58,040
sit back and be like oh yeah they're

661
00:28:00,970 --> 00:27:59,600
telling us all this stuff like yeah I

662
00:28:03,580 --> 00:28:00,980
totally believe it because it's the

663
00:28:05,860 --> 00:28:03,590

government you know it doesn't any sense

664

00:28:08,560 --> 00:28:05,870

whatsoever like how can you say for all

665

00:28:10,360 --> 00:28:08,570

these years like don't trust the

666

00:28:11,770 --> 00:28:10,370

government and then now like they say

667

00:28:13,390 --> 00:28:11,780

some stuff and everybody's like oh yeah

668

00:28:15,040 --> 00:28:13,400

it's totally true the government said it

669

00:28:17,050 --> 00:28:15,050

you know what I'm saying yeah yeah

670

00:28:18,310 --> 00:28:17,060

that's such a good point everyone has

671

00:28:20,639 --> 00:28:18,320

their own truth

672

00:28:23,080 --> 00:28:20,649

your truth is being validated by any

673

00:28:25,029 --> 00:28:23,090

anyone you know that's when you're gonna

674

00:28:28,090 --> 00:28:25,039

say yep yep yeah yeah I'm with you now

675

00:28:30,999 --> 00:28:28,100

because it's truth is very malleable and

676

00:28:32,649 --> 00:28:31,009

I think you're right when it comes to to

677

00:28:34,570 --> 00:28:32,659

this group there's some very

678

00:28:37,060 --> 00:28:34,580

questionable people involved and you

679

00:28:39,669 --> 00:28:37,070

gotta be careful and I think when you

680

00:28:42,519 --> 00:28:39,679

see the people who are like just totally

681

00:28:44,409 --> 00:28:42,529

all-in with to the Stars Academy like

682

00:28:46,899 --> 00:28:44,419

there is nothing else this is the way

683

00:28:48,789 --> 00:28:46,909

it's gonna be this is disclosure they

684

00:28:51,730 --> 00:28:48,799

tend to be on the younger side and

685

00:28:53,860 --> 00:28:51,740

that's because they don't know about the

686

00:28:55,539 --> 00:28:53,870

aviary they don't know about the working

687

00:28:58,570 --> 00:28:55,549

group they don't know the the track

688

00:28:59,860 --> 00:28:58,580

record of some of these people so I get

689

00:29:03,159 --> 00:28:59,870

do your research

690

00:29:05,019 --> 00:29:03,169

dig look and talk to the older guard of

691

00:29:07,659 --> 00:29:05,029

ufology for Christ's sake I'm meeting up

692

00:29:10,960 --> 00:29:07,669

with my my mentor Peter Robbins

693

00:29:12,940 --> 00:29:10,970

investigative UFO guy tomorrow morning

694

00:29:15,610 --> 00:29:12,950

and every month we meet here in New York

695

00:29:18,340 --> 00:29:15,620

City and do it we just debrief for like

696

00:29:21,190 --> 00:29:18,350

two hours over some some bacon and eggs

697

00:29:23,169 --> 00:29:21,200

and coffee and like I hear the stories

698

00:29:25,570 --> 00:29:23,179

he's telling me from like the 40s the

699

00:29:27,820 --> 00:29:25,580

50s the 60s because I guarantee you

700

00:29:29,980 --> 00:29:27,830

that's gonna play a big part in your

701
00:29:33,190 --> 00:29:29,990
research moving forward and just

702
00:29:37,240 --> 00:29:33,200
building off of that so yeah yeah for

703
00:29:38,950 --> 00:29:37,250
anyone who's Pro TTS a or anti TTS a I

704
00:29:40,869 --> 00:29:38,960
really think the truth plays somewhere

705
00:29:42,700 --> 00:29:40,879
in the middle so yeah yeah yeah

706
00:29:44,440 --> 00:29:42,710
absolutely dude yeah you know me I've

707
00:29:46,509 --> 00:29:44,450
been like we've really liked taking some

708
00:29:47,830 --> 00:29:46,519
big steps lately you know cuz I mean

709
00:29:50,139 --> 00:29:47,840
this is something that we've been into

710
00:29:53,590 --> 00:29:50,149
since we were kids right and and you

711
00:29:56,320 --> 00:29:53,600
know recently like we stopped so we were

712
00:29:58,269 --> 00:29:56,330
in a band together for a long time you

713
00:30:00,369 --> 00:29:58,279

know the the band kind of split up the

714

00:30:02,529 --> 00:30:00,379

drummer moved out to California you know

715

00:30:04,060 --> 00:30:02,539

for work and stuff and me and Ben just

716

00:30:06,039 --> 00:30:04,070

had this free time on our hands and

717

00:30:08,049 --> 00:30:06,049

we're like dude let's let's do a podcast

718

00:30:09,820 --> 00:30:08,059

I mean we all we do is sit around and

719

00:30:12,129 --> 00:30:09,830

talk about like UFOs and stuff all the

720

00:30:14,430 --> 00:30:12,139

time anyways we might as well like you

721

00:30:17,769 --> 00:30:14,440

know make a podcast about it so you know

722

00:30:19,869 --> 00:30:17,779

we're kind of breaking out of this like

723

00:30:21,940 --> 00:30:19,879

you know just being like YouTube

724

00:30:23,950 --> 00:30:21,950

researchers yea mainstream yeah we're

725

00:30:27,129 --> 00:30:23,960

really like trying to talk to people now

726

00:30:29,529 --> 00:30:27,139

and you look through these files and

727

00:30:31,539 --> 00:30:29,539

dude like so much reading has been

728

00:30:32,050 --> 00:30:31,549

involved in like usually I'm not a big

729

00:30:34,300 --> 00:30:32,060

reader

730

00:30:36,520 --> 00:30:34,310

but I mean this has been awesome for us

731

00:30:38,710 --> 00:30:36,530

you know just trying to put this puzzle

732

00:30:41,530 --> 00:30:38,720

together dude and it's it's uh it's

733

00:30:44,760 --> 00:30:41,540

pretty crazy like the deeper you go like

734

00:30:47,650 --> 00:30:44,770

the more unanswered questions you have

735

00:30:50,020 --> 00:30:47,660

yeah I mean I can't tell you I'm any

736

00:30:52,000 --> 00:30:50,030

closer to knowing what the hell is going

737

00:30:54,070 --> 00:30:52,010

on with UFOs I could tell you that much

738

00:30:56,380 --> 00:30:54,080

and in anyone who does tell you they

739

00:30:58,870 --> 00:30:56,390

have the answers guys I don't have to

740

00:31:01,450 --> 00:30:58,880

tell you this like run away because they

741

00:31:03,850 --> 00:31:01,460

don't they absolutely do not this

742

00:31:05,200 --> 00:31:03,860

phenomena eye and I say phenomena I

743

00:31:07,750 --> 00:31:05,210

don't think we're dealing with one thing

744

00:31:11,110 --> 00:31:07,760

it is always gonna be a step ahead of us

745

00:31:13,090 --> 00:31:11,120

and I bet that's sobering in one way but

746

00:31:15,220 --> 00:31:13,100

at the same time like that's what keeps

747

00:31:17,560 --> 00:31:15,230

me going that carrot you know being

748

00:31:19,750 --> 00:31:17,570

dangled in front of you I every time I

749

00:31:21,100 --> 00:31:19,760

find one answer I know it's gonna lead

750

00:31:23,320 --> 00:31:21,110

to something else something else I'm

751
00:31:26,230 --> 00:31:23,330
gonna change my mind go back do this

752
00:31:28,930 --> 00:31:26,240
rinse and repeat and I love that and you

753
00:31:30,880 --> 00:31:28,940
know the fact that like you guys started

754
00:31:33,220 --> 00:31:30,890
a podcast like that's more than most

755
00:31:35,380 --> 00:31:33,230
people ever do they will go on YouTube

756
00:31:37,390 --> 00:31:35,390
and write some scathing comment about

757
00:31:38,620 --> 00:31:37,400
someone would be like that's [h__\h] or

758
00:31:41,560 --> 00:31:38,630
you're crazy

759
00:31:44,050 --> 00:31:41,570
instead of like actually doing some

760
00:31:46,030 --> 00:31:44,060
digging so like you know bring on the

761
00:31:48,820 --> 00:31:46,040
book spring on the documentaries bring

762
00:31:51,070 --> 00:31:48,830
on the movies it's it's great and I love

763
00:31:53,500 --> 00:31:51,080

it so when I can find kindred spirits to

764

00:31:56,170 --> 00:31:53,510

like talk about this stuff with and not

765

00:31:58,480 --> 00:31:56,180

get like laughed out of the room yeah

766

00:32:00,070 --> 00:31:58,490

that's awesome and that's changing to

767

00:32:02,800 --> 00:32:00,080

that whole ridicule factor with these

768

00:32:05,110 --> 00:32:02,810

topics you guys entered the UFO fields

769

00:32:07,630 --> 00:32:05,120

and podcast world at the right time man

770

00:32:09,520 --> 00:32:07,640

because let me tell you I have lost job

771

00:32:18,400 --> 00:32:09,530

interviews I've lost second dates

772

00:32:20,440 --> 00:32:18,410

talking about UFOs so yeah dude yeah and

773

00:32:23,830 --> 00:32:20,450

I think it's cool like you know it's

774

00:32:26,950 --> 00:32:23,840

almost weird how like when somebody says

775

00:32:29,140 --> 00:32:26,960

I don't know it almost makes it more

776

00:32:31,780 --> 00:32:29,150

credible than pretending like you do

777

00:32:34,260 --> 00:32:31,790

know absolutely yeah I mean those are

778

00:32:37,000 --> 00:32:34,270

the people I trust and that's that's

779

00:32:39,280 --> 00:32:37,010

science that's that's you know building

780

00:32:40,960 --> 00:32:39,290

off of something and knowing that like

781

00:32:43,610 --> 00:32:40,970

the minute you figure something out

782

00:32:46,549 --> 00:32:43,620

there's gonna always be a next step

783

00:32:49,610 --> 00:32:46,559

and that's what I love and there's so

784

00:32:51,890 --> 00:32:49,620

what what I love about the UFO field you

785

00:32:54,430 --> 00:32:51,900

know self-proclaimed is that it does

786

00:32:58,880 --> 00:32:54,440

involve everyone whether it's you know

787

00:33:00,380 --> 00:32:58,890

religion science history academics

788

00:33:02,480 --> 00:33:00,390

everything everything you could possibly

789

00:33:05,330 --> 00:33:02,490

think of soft scientists hard sciences

790

00:33:07,750 --> 00:33:05,340

everyone can have a place in ufology and

791

00:33:11,150 --> 00:33:07,760

like when you can find something that

792

00:33:14,180 --> 00:33:11,160

inclusive that's amazing that we can all

793

00:33:16,460 --> 00:33:14,190

just talk about this topic like with one

794

00:33:20,000 --> 00:33:16,470

another in so many different ways and

795

00:33:21,890 --> 00:33:20,010

you know even maybe find some answers

796

00:33:23,840 --> 00:33:21,900

along the way that's that's that's the

797

00:33:26,210 --> 00:33:23,850

beauty of it I think I love when I can

798

00:33:29,660 --> 00:33:26,220

like open my email and I've got like

799

00:33:31,760 --> 00:33:29,670

someone saying they were brought aboard

800

00:33:33,530 --> 00:33:31,770

a craft and brought to the Pleiades and

801
00:33:36,620 --> 00:33:33,540
then the next email is from like some

802
00:33:39,350 --> 00:33:36,630
nuclear physicist telling me like this

803
00:33:45,440 --> 00:33:39,360
formula to how the craft work and I'm

804
00:33:47,720 --> 00:33:45,450
just like what the [h__\h] is my life it's

805
00:33:49,700 --> 00:33:47,730
amazing and I know you guys probably get

806
00:33:52,549 --> 00:33:49,710
those kind of emails and stuff too when

807
00:33:54,740 --> 00:33:52,559
when when people start paying attention

808
00:33:57,440 --> 00:33:54,750
to you and put stock in what you have to

809
00:33:59,720 --> 00:33:57,450
say that's a big responsibility so I

810
00:34:01,580 --> 00:33:59,730
always tell people like I'm not gonna

811
00:34:04,310 --> 00:34:01,590
have answers for you but I will take

812
00:34:06,710 --> 00:34:04,320
your story down oh I will hash it out

813
00:34:08,629 --> 00:34:06,720

with you but I am never gonna tell you

814

00:34:12,379 --> 00:34:08,639

what you saw or did not see because I

815

00:34:14,659 --> 00:34:12,389

was not there yeah it's a good way of

816

00:34:16,550 --> 00:34:14,669

looking at it to you yeah and and and

817

00:34:19,010 --> 00:34:16,560

getting emails like stories written tea

818

00:34:20,300 --> 00:34:19,020

I was I'm just curious I mean you don't

819

00:34:22,520 --> 00:34:20,310

have to tell the whole story but what

820

00:34:25,070 --> 00:34:22,530

what's your like crazy story that you

821

00:34:26,750 --> 00:34:25,080

heard not crazy but you know out there I

822

00:34:28,940 --> 00:34:26,760

mean that one sounded pretty interesting

823

00:34:33,139 --> 00:34:28,950

about somebody go to the Pleiades oh

824

00:34:35,600 --> 00:34:33,149

yeah I mean it really runs the gamut I

825

00:34:37,760 --> 00:34:35,610

get a I'm probably a daily basis at

826

00:34:40,700 --> 00:34:37,770

least like a few emails about a UFO

827

00:34:42,619 --> 00:34:40,710

sighting or a contact experience and I

828

00:34:45,500 --> 00:34:42,629

try to keep them all on the same level

829

00:34:47,119 --> 00:34:45,510

of like integrity and empathy and just

830

00:34:50,180 --> 00:34:47,129

alright tell me your story I'm not gonna

831

00:34:52,099 --> 00:34:50,190

judge you so let me just hear it and I

832

00:34:55,010 --> 00:34:52,109

mean there's one I always kind of go

833

00:34:56,430 --> 00:34:55,020

back to that had multiple people

834

00:34:58,740 --> 00:34:56,440

involved in that right there

835

00:35:02,099 --> 00:34:58,750

I'm like okay so this isn't like one

836

00:35:03,599 --> 00:35:02,109

person's subjective experience like

837

00:35:06,480 --> 00:35:03,609

there were more than one person involved

838

00:35:09,089 --> 00:35:06,490

with this and this happened I think back

839

00:35:13,550 --> 00:35:09,099

in the early 2000s this woman sent me an

840

00:35:16,890 --> 00:35:13,560

email out in Michigan and she she saw a

841

00:35:18,569 --> 00:35:16,900

triangular UFO over her property she's

842

00:35:20,010 --> 00:35:18,579

going out to walk her dogs at night and

843

00:35:22,319 --> 00:35:20,020

this thing was just hovering above her

844

00:35:24,000 --> 00:35:22,329

house and her dogs like wouldn't leave

845

00:35:26,730 --> 00:35:24,010

the porch like they were scared

846

00:35:29,760 --> 00:35:26,740

petrified of what it was so she's like

847

00:35:32,069 --> 00:35:29,770

holy [h__\h] look what what is going on

848

00:35:34,170 --> 00:35:32,079

here so she starts yelling for a

849

00:35:36,180 --> 00:35:34,180

daughter inside she's like you know go

850

00:35:38,400 --> 00:35:36,190

come on here come see this bring a

851
00:35:41,220 --> 00:35:38,410
camera bring a camera so her daughter

852
00:35:43,859 --> 00:35:41,230
comes out and they're both looking up at

853
00:35:48,750 --> 00:35:43,869
this UFO is trying to give their UFO and

854
00:35:51,180 --> 00:35:48,760
the mom is like super like chill about

855
00:35:53,190 --> 00:35:51,190
it if she's feeling euphoric and she

856
00:35:55,109 --> 00:35:53,200
said it was silent and beautiful and

857
00:35:57,930 --> 00:35:55,119
then she's looking over at her daughter

858
00:36:00,329 --> 00:35:57,940
who's like bent on the ground covering

859
00:36:03,120 --> 00:36:00,339
her ears and saying the thing is so loud

860
00:36:06,809 --> 00:36:03,130
I can't even I can't hear anything it's

861
00:36:09,089 --> 00:36:06,819
just like I'm so scared so you have the

862
00:36:10,710 --> 00:36:09,099
mother and daughter having a completely

863
00:36:12,329 --> 00:36:10,720

different perception of what was going

864

00:36:15,240 --> 00:36:12,339

on in that moment looking at the same

865

00:36:18,240 --> 00:36:15,250

thing and that really really struck me

866

00:36:21,329 --> 00:36:18,250

I'm like what the hell is going on here

867

00:36:24,359 --> 00:36:21,339

these Kong crafts can like literally

868

00:36:26,760 --> 00:36:24,369

alter people's perceptions or or kind of

869

00:36:29,849 --> 00:36:26,770

like you know just be perceived

870

00:36:31,290 --> 00:36:29,859

completely different they did they did

871

00:36:35,339 --> 00:36:31,300

get some pictures of it by the way I

872

00:36:37,109 --> 00:36:35,349

should add that yeah yeah so I'll try to

873

00:36:37,530 --> 00:36:37,119

send those to you guys after we talk

874

00:36:41,069 --> 00:36:37,540

here

875

00:36:42,599 --> 00:36:41,079

that'd be already pretty freakin crazy

876
00:36:44,880 --> 00:36:42,609
I'm not gonna lie when she sent me the

877
00:36:45,809 --> 00:36:44,890
photos I was like okay I got something

878
00:36:49,650 --> 00:36:45,819
to work with here

879
00:36:52,530 --> 00:36:49,660
so okay do you see what yeah there's

880
00:36:54,450 --> 00:36:52,540
something to the them like emitting some

881
00:36:55,620 --> 00:36:54,460
kind of frequency that like changes I

882
00:36:57,750 --> 00:36:55,630
think there's there's something there

883
00:37:00,390 --> 00:36:57,760
that changes the perception of the

884
00:37:02,819 --> 00:37:00,400
observer observer I think that's really

885
00:37:05,550 --> 00:37:02,829
super interesting it plays into like the

886
00:37:06,859 --> 00:37:05,560
I don't know the science aspect of it I

887
00:37:10,230 --> 00:37:06,869
think it's really really interesting

888
00:37:13,320 --> 00:37:10,240

yeah a lot of people have coined

889

00:37:16,740 --> 00:37:13,330

sort of the Oz factor you know like time

890

00:37:19,350 --> 00:37:16,750

slows down the air becomes like thick

891

00:37:20,850 --> 00:37:19,360

everything becomes quiet and you know I

892

00:37:23,550 --> 00:37:20,860

had another guy tell me the same thing

893

00:37:25,859 --> 00:37:23,560

like he couldn't hear anything he

894

00:37:28,560 --> 00:37:25,869

couldn't see anything and I I will say

895

00:37:31,140 --> 00:37:28,570

too like when I had my experience I

896

00:37:33,000 --> 00:37:31,150

don't think what I saw was alien that I

897

00:37:35,370 --> 00:37:33,010

can flat-out say that but I can't

898

00:37:37,740 --> 00:37:35,380

discount that either but I felt that

899

00:37:39,450 --> 00:37:37,750

same thing like I couldn't yell I

900

00:37:42,359 --> 00:37:39,460

couldn't do anything I was just like

901
00:37:45,030 --> 00:37:42,369
frozen there so like is it adrenaline is

902
00:37:48,090 --> 00:37:45,040
it fear or in are these things actually

903
00:37:50,940 --> 00:37:48,100
somehow physiologically controlling us a

904
00:37:52,859 --> 00:37:50,950
I don't know I don't know there's my

905
00:37:54,210 --> 00:37:52,869
answer and that's why you should that's

906
00:37:57,480 --> 00:37:54,220
why you should trust me cuz I say I

907
00:38:00,750 --> 00:37:57,490
don't know yeah man I know like when I

908
00:38:02,910 --> 00:38:00,760
think back on you know when when me and

909
00:38:04,890 --> 00:38:02,920
Ben saw that stuff out in Sedona like I

910
00:38:07,770 --> 00:38:04,900
think back on it man and you know it's

911
00:38:10,050 --> 00:38:07,780
probably about you know 45 seconds to

912
00:38:12,780 --> 00:38:10,060
about a minutes worth of like you know

913
00:38:15,030 --> 00:38:12,790

air show that they put on but man like

914

00:38:18,450 --> 00:38:15,040

when I go back and think about it like

915

00:38:21,000 --> 00:38:18,460

I'm staring it at this object in the sky

916

00:38:24,150 --> 00:38:21,010

and we're standing outside you know and

917

00:38:27,240 --> 00:38:24,160

like I don't recall the wind blowing I

918

00:38:29,280 --> 00:38:27,250

don't recall noises I don't know if it's

919

00:38:31,650 --> 00:38:29,290

just because we're so focused on like

920

00:38:34,380 --> 00:38:31,660

what was happening around you know up in

921

00:38:37,170 --> 00:38:34,390

the sky that I blocked out all the other

922

00:38:38,550 --> 00:38:37,180

senses but you know it's it's it is one

923

00:38:41,609 --> 00:38:38,560

of those things man it just kind of

924

00:38:43,410 --> 00:38:41,619

makes you think like whoa I think so

925

00:38:47,220 --> 00:38:43,420

yeah and I think you know it's human

926
00:38:49,320 --> 00:38:47,230
nature to when like something something

927
00:38:51,599 --> 00:38:49,330
out of the ordinary that's not part of

928
00:38:53,370 --> 00:38:51,609
your daily routine that isn't like you

929
00:38:56,130 --> 00:38:53,380
know the same thing you've done every

930
00:38:57,960 --> 00:38:56,140
single day or looked at like it does it

931
00:39:00,390 --> 00:38:57,970
changes something it like like you said

932
00:39:03,210 --> 00:39:00,400
earlier it flips that switch on and then

933
00:39:05,460 --> 00:39:03,220
like the floodgates are open I mean it's

934
00:39:07,590 --> 00:39:05,470
crazy after all these people tell me

935
00:39:09,450 --> 00:39:07,600
they've had a singular UFO event then

936
00:39:11,099 --> 00:39:09,460
they come to me months later years later

937
00:39:12,210 --> 00:39:11,109
saying stuff Mouse happened something

938
00:39:16,230 --> 00:39:12,220

else happened that woman in Michigan

939

00:39:20,300 --> 00:39:16,240

dude her house became like haunted by

940

00:39:23,360 --> 00:39:20,310

poltergeist after this after a UFO case

941

00:39:25,370 --> 00:39:23,370

I mean her things were flying across the

942

00:39:27,650 --> 00:39:25,380

house the the electricity was going out

943

00:39:30,500 --> 00:39:27,660

she called the the electric people to

944

00:39:32,260 --> 00:39:30,510

come out and look at it they come the

945

00:39:35,390 --> 00:39:32,270

dudes like trying to fix the electricity

946

00:39:38,690 --> 00:39:35,400

huge boomerang craft comes over the

947

00:39:39,740 --> 00:39:38,700

house and he sees oh and he's like [h__\h]

948

00:39:41,780 --> 00:39:39,750

this I'm out of here

949

00:39:44,450 --> 00:39:41,790

and he literally left and he was like

950

00:39:47,120 --> 00:39:44,460

I'll send someone else I'm never coming

951
00:39:49,640 --> 00:39:47,130
back here again so yeah is that is that

952
00:39:53,180 --> 00:39:49,650
the one where the the daughter saw the

953
00:39:56,600 --> 00:39:53,190
hooded figure yes it is [h__\h]

954
00:39:58,610 --> 00:39:56,610
yep yes that story's crazy the hook yeah

955
00:40:00,830 --> 00:39:58,620
that heard this one the yeah yeah how

956
00:40:03,230 --> 00:40:00,840
did figure yeah right yeah better than I

957
00:40:05,720 --> 00:40:03,240
can do absolutely you've gotten anymore

958
00:40:08,540 --> 00:40:05,730
update information on that or is this

959
00:40:09,980 --> 00:40:08,550
still kind of a work yes it is a work in

960
00:40:12,590 --> 00:40:09,990
progress that's funny you mentioned that

961
00:40:15,230 --> 00:40:12,600
I was in Michigan about a month and a

962
00:40:18,380 --> 00:40:15,240
half ago at a UFO conference and that

963
00:40:20,000 --> 00:40:18,390

woman was there and it was my first time

964

00:40:22,220 --> 00:40:20,010

meeting her face to face everything

965

00:40:26,060 --> 00:40:22,230

before that was like it isn't that was

966

00:40:28,460 --> 00:40:26,070

nineteen over Facebook and I got to like

967

00:40:30,080 --> 00:40:28,470

hug her and talk to her I was the first

968

00:40:33,320 --> 00:40:30,090

person she like shared this story with

969

00:40:35,780 --> 00:40:33,330

in in my book I wrote an entire chapter

970

00:40:37,820 --> 00:40:35,790

on her her case with her and her two

971

00:40:40,010 --> 00:40:37,830

daughters and what you're talking about

972

00:40:42,230 --> 00:40:40,020

is actually the younger daughter she

973

00:40:46,520 --> 00:40:42,240

wasn't part of the original UFO event

974

00:40:48,830 --> 00:40:46,530

but one night she was in bed and she got

975

00:40:50,660 --> 00:40:48,840

up to go to the bathroom and she sees

976

00:40:52,700 --> 00:40:50,670

this hooded figure in the [\h__\h]

977

00:40:53,420 --> 00:40:52,710

hallway of their house and just chill in

978

00:40:55,970 --> 00:40:53,430

there

979

00:40:57,920 --> 00:40:55,980

just chilling you know it's like four

980

00:40:58,940 --> 00:40:57,930

feet tall hooded figure you know no

981

00:41:02,870 --> 00:40:58,950

normal I guess

982

00:41:04,730 --> 00:41:02,880

and it starts walking towards hurry

983

00:41:06,830 --> 00:41:04,740

she's like nope nope but this is not

984

00:41:08,690 --> 00:41:06,840

happening she runs into her room gets

985

00:41:11,150 --> 00:41:08,700

under the covers puts him over her head

986

00:41:14,420 --> 00:41:11,160

and she's just like this isn't happening

987

00:41:16,970 --> 00:41:14,430

this isn't happening and that covers

988

00:41:21,490 --> 00:41:16,980

start to come down as someone's pulling

989

00:41:24,800 --> 00:41:21,500

the covers down yeah and it's her mom

990

00:41:26,240 --> 00:41:24,810

little suspenseful there it was her mom

991

00:41:27,860 --> 00:41:26,250

and she was like are you okay honey I

992

00:41:31,640 --> 00:41:27,870

heard like some scampering in the

993

00:41:33,090 --> 00:41:31,650

hallway and she couldn't move because

994

00:41:35,340 --> 00:41:33,100

she was still petrified

995

00:41:38,040 --> 00:41:35,350

and as the moms like trying to calm her

996

00:41:40,590 --> 00:41:38,050

down hooded figure is going throughout

997

00:41:44,010 --> 00:41:40,600

the room surveying the area just looking

998

00:41:46,230 --> 00:41:44,020

at [h__\h] and the daughter couldn't do

999

00:41:48,720 --> 00:41:46,240

anything she was frozen and petrified

1000

00:41:51,480 --> 00:41:48,730

mom finally says all right go to bed

1001
00:41:53,660 --> 00:41:51,490
good night leaves being follows the mom

1002
00:41:56,940 --> 00:41:53,670
out of the room and then boom that's it

1003
00:41:58,860 --> 00:41:56,950
whoa yeah what if they're just all

1004
00:42:00,690 --> 00:41:58,870
around us all the time and we just don't

1005
00:42:03,690 --> 00:42:00,700
know it they're just walking a picket

1006
00:42:05,850 --> 00:42:03,700
[h__h] up and looking at it or absolutely

1007
00:42:07,920 --> 00:42:05,860
man like they they might be just as

1008
00:42:09,570 --> 00:42:07,930
confused as we are like what the hell am

1009
00:42:11,430 --> 00:42:09,580
i doing a lot of people say that with

1010
00:42:13,290 --> 00:42:11,440
ghosts too like they're just as scared

1011
00:42:16,290 --> 00:42:13,300
of us as we are of them they don't know

1012
00:42:18,180 --> 00:42:16,300
why the hell you're seeing them all of a

1013
00:42:20,910 --> 00:42:18,190

sudden like maybe there was a glitch in

1014

00:42:24,090 --> 00:42:20,920

the matrix or there was you know some

1015

00:42:27,570 --> 00:42:24,100

time space warp where you did catch a

1016

00:42:28,860 --> 00:42:27,580

glimpse of someone back in 1700 freaking

1017

00:42:30,990 --> 00:42:28,870

knows man maybe that's what we're

1018

00:42:33,120 --> 00:42:31,000

dealing with aliens do hey leaves are

1019

00:42:35,190 --> 00:42:33,130

ghosts ghosts or aliens yeah I mean

1020

00:42:37,380 --> 00:42:35,200

that's that's crazy you know it's weird

1021

00:42:39,120 --> 00:42:37,390

cuz like you always like any time you

1022

00:42:43,980 --> 00:42:39,130

hear about it you know it's like I saw

1023

00:42:46,260 --> 00:42:43,990

this being and I I ran away or like I

1024

00:42:48,480 --> 00:42:46,270

hid under my covers and it always makes

1025

00:42:51,060 --> 00:42:48,490

me think like I wonder I wonder what

1026
00:42:53,340 --> 00:42:51,070
would happen if somebody was like hey

1027
00:42:55,320 --> 00:42:53,350
what's up hey what are you doing over

1028
00:42:57,990 --> 00:42:55,330
there and like walked towards it or like

1029
00:43:00,210 --> 00:42:58,000
ran towards it like I wonder if it would

1030
00:43:01,890 --> 00:43:00,220
haul ass out of there or like you know

1031
00:43:04,590 --> 00:43:01,900
what I'm saying like I don't know it's

1032
00:43:08,600 --> 00:43:04,600
great oh man I've got I've got a quick

1033
00:43:11,670 --> 00:43:08,610
story for you want this one okay yes so

1034
00:43:13,680 --> 00:43:11,680
this comes from my my friend Mike

1035
00:43:15,660 --> 00:43:13,690
Cleland he's the owl guy I don't know if

1036
00:43:18,720 --> 00:43:15,670
you guys heard if you know oh yeah yeah

1037
00:43:21,930 --> 00:43:18,730
okay I know him yeah yeah he compiles

1038
00:43:25,530 --> 00:43:21,940

all people's stories who somehow connect

1039

00:43:27,420 --> 00:43:25,540

towels with UFOs or aliens so he he's

1040

00:43:30,150 --> 00:43:27,430

got this story of this woman who's like

1041

00:43:34,230 --> 00:43:30,160

you know she's doing the dishes after

1042

00:43:35,760 --> 00:43:34,240

dinner and she's a multiple abductee she

1043

00:43:38,310 --> 00:43:35,770

claimed to have been abducted surround

1044

00:43:40,500 --> 00:43:38,320

her life and she's she's just doing the

1045

00:43:43,590 --> 00:43:40,510

dishes putting them away then she looks

1046

00:43:45,810 --> 00:43:43,600

out her window and a gray you know great

1047

00:43:46,540 --> 00:43:45,820

alien is staring at her in the window

1048

00:43:49,300 --> 00:43:46,550

and she

1049

00:43:51,370 --> 00:43:49,310

looks over it she's like no no not a

1050

00:43:53,350 --> 00:43:51,380

chance she's like I am NOT going with

1051
00:43:55,540 --> 00:43:53,360
you now I got too much [h__\h] to do

1052
00:43:58,450 --> 00:43:55,550
tonight I gotta like help my daughter

1053
00:44:01,810 --> 00:43:58,460
with her homework and she literally like

1054
00:44:04,840 --> 00:44:01,820
puts the dishes down opens the door goes

1055
00:44:08,830 --> 00:44:04,850
outside and she's like no no I'm not

1056
00:44:11,080 --> 00:44:08,840
doing this right and the alien starts

1057
00:44:14,500 --> 00:44:11,090
going literally like not telepathically

1058
00:44:17,710 --> 00:44:14,510
saying owl owl owl owl like it's

1059
00:44:20,080 --> 00:44:17,720
trying to like scream memory itself into

1060
00:44:23,410 --> 00:44:20,090
an owl cuz a lot of abductees claim that

1061
00:44:26,200 --> 00:44:23,420
yeah yeah the little [h__\h] couldn't do

1062
00:44:29,980 --> 00:44:26,210
it it was just like failing miserably

1063
00:44:32,950 --> 00:44:29,990

like so her runs away dude the gray ran

1064

00:44:35,370 --> 00:44:32,960

away hit a tree fell over and then ran

1065

00:44:37,810 --> 00:44:35,380

off into the woods and she was like wow

1066

00:44:39,760 --> 00:44:37,820

she's like that was weird

1067

00:44:41,050 --> 00:44:39,770

that's never happened but okay I guess I

1068

00:44:43,780 --> 00:44:41,060

can go help my daughter with their

1069

00:44:46,480 --> 00:44:43,790

homework now Jo so grace could be

1070

00:44:49,690 --> 00:44:46,490

awkward too they can be clumsy yeah

1071

00:44:50,740 --> 00:44:49,700

apparently they can [h__h] up yeah because

1072

00:44:53,050 --> 00:44:50,750

you always think of them as so like

1073

00:44:55,210 --> 00:44:53,060

precise and calculated but but you throw

1074

00:44:57,040 --> 00:44:55,220

them off their game and and and you know

1075

00:44:58,420 --> 00:44:57,050

you you turn it around on them and

1076
00:45:01,600 --> 00:44:58,430
they're like oh [\h__\h] I don't know what

1077
00:45:04,120 --> 00:45:01,610
to do with this situation did their

1078
00:45:06,460 --> 00:45:04,130
stories were like they put people back

1079
00:45:09,070 --> 00:45:06,470
in like the wrong clothes or even like

1080
00:45:10,930 --> 00:45:09,080
the wrong car this one dude was on the

1081
00:45:14,260 --> 00:45:10,940
highway and he claimed to have been

1082
00:45:16,450 --> 00:45:14,270
abducted and when he like kinda came

1083
00:45:18,550 --> 00:45:16,460
back he to it he was in a different car

1084
00:45:20,710 --> 00:45:18,560
looking at his own car on the highway

1085
00:45:23,440 --> 00:45:20,720
with someone else in it I'm not kidding

1086
00:45:25,300 --> 00:45:23,450
you know like what do you do with that I

1087
00:45:27,430 --> 00:45:25,310
mean duh part of me wants to be like

1088
00:45:30,040 --> 00:45:27,440

that that's not true like that's total

1089

00:45:32,770 --> 00:45:30,050

[h__h] but at the same time like these

1090

00:45:33,370 --> 00:45:32,780

are normal sane people claiming these

1091

00:45:36,910 --> 00:45:33,380

things

1092

00:45:39,790 --> 00:45:36,920

no no sense of like being fantasy prone

1093

00:45:41,770 --> 00:45:39,800

or like hallucinating or on any drugs

1094

00:45:44,230 --> 00:45:41,780

nothing and they're claiming these

1095

00:45:46,810 --> 00:45:44,240

things so what do you do with that yeah

1096

00:45:48,160 --> 00:45:46,820

man yeah I know that's you know and it's

1097

00:45:50,230 --> 00:45:48,170

it's crazy because you know it kind of

1098

00:45:52,000 --> 00:45:50,240

brings it back to the you know like well

1099

00:45:53,800 --> 00:45:52,010

maybe we should have like an alien ology

1100

00:45:55,780 --> 00:45:53,810

because you know we all you know we

1101
00:45:58,510 --> 00:45:55,790
discussed the UFO aspect of this but

1102
00:46:00,220 --> 00:45:58,520
then when you you talk to people who who

1103
00:46:02,020 --> 00:46:00,230
have no interest in it who

1104
00:46:04,330 --> 00:46:02,030
don't even think about you know aliens

1105
00:46:06,640 --> 00:46:04,340
or whatever you know then they have this

1106
00:46:10,150 --> 00:46:06,650
experience and they all seem to like

1107
00:46:12,310 --> 00:46:10,160
kind of describe the same like certain

1108
00:46:15,130 --> 00:46:12,320
kinds of beings you know like whether

1109
00:46:18,250 --> 00:46:15,140
they be like greys or you know hooded

1110
00:46:21,910 --> 00:46:18,260
figures or whites or whatever it is like

1111
00:46:23,650 --> 00:46:21,920
they all kind of you know you know you

1112
00:46:25,030 --> 00:46:23,660
you could just you know I guess chalk it

1113
00:46:26,830 --> 00:46:25,040

off to like oh what they've heard

1114

00:46:29,530 --> 00:46:26,840

stories they've read books they've seen

1115

00:46:31,660 --> 00:46:29,540

movies that's what I do that's that's

1116

00:46:35,109 --> 00:46:31,670

why they describe them this way but but

1117

00:46:37,300 --> 00:46:35,119

you know like every every line of

1118

00:46:40,450 --> 00:46:37,310

[h__\h] came from like a little kernel

1119

00:46:44,230 --> 00:46:40,460

of truth yeah no that's a good point man

1120

00:46:46,750 --> 00:46:44,240

I I work under the assumption that every

1121

00:46:49,240 --> 00:46:46,760

story has some sort of value yeah when

1122

00:46:52,150 --> 00:46:49,250

you do hear like the same damn story ten

1123

00:46:54,820 --> 00:46:52,160

million times you know big head big

1124

00:46:56,680 --> 00:46:54,830

black eyes grave like I'm like okay like

1125

00:46:59,710 --> 00:46:56,690

it's very possible you are influenced by

1126
00:47:01,630 --> 00:46:59,720
something but at the same time like is

1127
00:47:04,500 --> 00:47:01,640
it chicken or egg like what came first

1128
00:47:07,930 --> 00:47:04,510
the story or the person having the the

1129
00:47:09,940 --> 00:47:07,940
same sort of experience I don't know I

1130
00:47:11,910 --> 00:47:09,950
mean you trace it all the way back to

1131
00:47:14,830 --> 00:47:11,920
like the modern UFO era where like

1132
00:47:18,099 --> 00:47:14,840
Kenneth Arnold duties like nine flying

1133
00:47:19,510 --> 00:47:18,109
saucers which was a misquote to begin

1134
00:47:22,510 --> 00:47:19,520
with he didn't even see saucer-shaped

1135
00:47:24,790 --> 00:47:22,520
craft but he saw like these prescient

1136
00:47:26,830 --> 00:47:24,800
things or whatever and they miss you

1137
00:47:28,359 --> 00:47:26,840
know misheard him in the article and

1138
00:47:30,070 --> 00:47:28,369

called it flying saucers and then

1139

00:47:31,859 --> 00:47:30,080

everyone sees fine saucers after that

1140

00:47:35,410 --> 00:47:31,869

because of this article so it's like

1141

00:47:37,900 --> 00:47:35,420

were they really seen them or was it all

1142

00:47:39,730 --> 00:47:37,910

influenced by this first claim of seeing

1143

00:47:42,070 --> 00:47:39,740

he's like I don't know it blows my mind

1144

00:47:43,810 --> 00:47:42,080

and maybe it's like you said I think the

1145

00:47:45,880 --> 00:47:43,820

truth really does lie somewhere in

1146

00:47:48,280 --> 00:47:45,890

between and that's kind of what the

1147

00:47:50,170 --> 00:47:48,290

whole UFO field is based on two lies

1148

00:47:52,390 --> 00:47:50,180

with a little bit of truth somewhere in

1149

00:47:54,609 --> 00:47:52,400

the middle yeah dude yeah and then I

1150

00:47:56,500 --> 00:47:54,619

think a lot of it to like maybe a little

1151

00:47:59,170 --> 00:47:56,510

bit of it you know I think it has to do

1152

00:48:01,030 --> 00:47:59,180

with maybe like these people tell their

1153

00:48:04,420 --> 00:48:01,040

story and then some of the people who

1154

00:48:05,740 --> 00:48:04,430

are taking the story you know like if

1155

00:48:07,870 --> 00:48:05,750

it's just like a regular like news

1156

00:48:10,180 --> 00:48:07,880

broadcaster or something you know a lot

1157

00:48:11,920 --> 00:48:10,190

of times I feel like those people don't

1158

00:48:13,990 --> 00:48:11,930

give a [\h__\h] like you could literally say

1159

00:48:16,750 --> 00:48:14,000

like yes I saw a cue

1160

00:48:19,030 --> 00:48:16,760

in the sky and you know it was kind of

1161

00:48:21,190 --> 00:48:19,040

shifting these forms and I couldn't you

1162

00:48:22,660 --> 00:48:21,200

know make it out or whatever and then on

1163

00:48:25,180 --> 00:48:22,670

the news at night they're like they saw

1164

00:48:27,880 --> 00:48:25,190

flying saucers yeah yeah and then you're

1165

00:48:30,280 --> 00:48:27,890

like oh damn that dude saw saucers so

1166

00:48:32,500 --> 00:48:30,290

immediately in your head you think you

1167

00:48:35,560 --> 00:48:32,510

know circular saucer shape when that's

1168

00:48:38,109 --> 00:48:35,570

not what you saw at all I saw cube right

1169

00:48:40,060 --> 00:48:38,119

yeah absolutely they're there when you

1170

00:48:42,670 --> 00:48:40,070

look at the mass media there's buzzwords

1171

00:48:45,490 --> 00:48:42,680

that will get clicks and will get people

1172

00:48:47,380 --> 00:48:45,500

interested in saucers one of them and I

1173

00:48:49,030 --> 00:48:47,390

mean god I can't tell you the last time

1174

00:48:53,230 --> 00:48:49,040

someone's actually like reported a

1175

00:48:56,290 --> 00:48:53,240

saucer to me it's it's everything but so

1176

00:48:57,940 --> 00:48:56,300

I don't I don't know man it's tough it

1177

00:48:59,530 --> 00:48:57,950

is tough when you're dealing with UFOs

1178

00:49:03,099 --> 00:48:59,540

in the mass media I think things are

1179

00:49:06,750 --> 00:49:03,109

changing I think a lot of news anchors

1180

00:49:09,370 --> 00:49:06,760

and you know some of these really good

1181

00:49:12,099 --> 00:49:09,380

websites are actually starting to really

1182

00:49:15,780 --> 00:49:12,109

do their homework you look at stuff like

1183

00:49:17,890 --> 00:49:15,790

vice or the drive the the military

1184

00:49:21,010 --> 00:49:17,900

website and like they're doing some

1185

00:49:23,800 --> 00:49:21,020

heavy heavy reporting on UFOs and they

1186

00:49:25,660 --> 00:49:23,810

are taking down precise quotes and make

1187

00:49:28,210 --> 00:49:25,670

it sure they're not like mincing words

1188

00:49:30,880 --> 00:49:28,220

with anything and I really respect that

1189

00:49:32,950 --> 00:49:30,890

that we have people out there finally

1190

00:49:35,460 --> 00:49:32,960

taking the topic seriously getting the

1191

00:49:38,079 --> 00:49:35,470

accurate information out there and

1192

00:49:39,609 --> 00:49:38,089

really making waves and following up

1193

00:49:42,130 --> 00:49:39,619

with people that's another big thing

1194

00:49:43,839 --> 00:49:42,140

with me is yeah you look on your news Oh

1195

00:49:46,089 --> 00:49:43,849

some people saw something strange in the

1196

00:49:48,310 --> 00:49:46,099

sky and then that's it you never hear

1197

00:49:49,150 --> 00:49:48,320

about anything after that like well did

1198

00:49:52,390 --> 00:49:49,160

it happen again

1199

00:49:55,120 --> 00:49:52,400

or like was there any sort of event that

1200

00:49:58,000 --> 00:49:55,130

triggered it beforehand or like give me

1201
00:49:59,920 --> 00:49:58,010
something here guys but it was often

1202
00:50:01,540 --> 00:49:59,930
just fluff pieces in the news and I

1203
00:50:05,140 --> 00:50:01,550
think that is shifting and changing

1204
00:50:07,120 --> 00:50:05,150
where the UFO topic is getting closer

1205
00:50:10,030 --> 00:50:07,130
and closer to the front page of some

1206
00:50:11,920 --> 00:50:10,040
major newspapers so I'm excited to see

1207
00:50:13,750 --> 00:50:11,930
where it goes and I have to admit we

1208
00:50:18,730 --> 00:50:13,760
have Tom DeLonge to thank for that so

1209
00:50:23,950 --> 00:50:18,740
thank you Tom for a lot of songs about

1210
00:50:25,990 --> 00:50:23,960
penises you know that's all good chief

1211
00:50:27,089 --> 00:50:26,000
that's that's one of those things where

1212
00:50:28,680 --> 00:50:27,099
it's like okay yeah

1213
00:50:30,839 --> 00:50:28,690

I mean like there are so many people

1214

00:50:32,430 --> 00:50:30,849

with that hop on with with TTS a and

1215

00:50:34,140 --> 00:50:32,440

it's because you know they grew up with

1216

00:50:36,359 --> 00:50:34,150

blink-182 man you know and it's like

1217

00:50:39,180 --> 00:50:36,369

that's cool one of my favorite bands of

1218

00:50:41,549 --> 00:50:39,190

all time is now like you know yo mom is

1219

00:50:44,460 --> 00:50:41,559

now you know doing aliens and UFO stuff

1220

00:50:46,859 --> 00:50:44,470

you know so yeah that's that's one thing

1221

00:50:48,779 --> 00:50:46,869

they got going for him but but so I

1222

00:50:52,109 --> 00:50:48,789

guess on the on the topic of flying

1223

00:50:56,759 --> 00:50:52,119

saucers man I have to know how was it

1224

00:50:58,739 --> 00:50:56,769

interviewing Stan Freedman oh man yes so

1225

00:51:00,989 --> 00:50:58,749

that was that was a big catch for me I'm

1226
00:51:03,569 --> 00:51:00,999
not gonna lie I was nervous as [\h__\h] and

1227
00:51:06,719 --> 00:51:03,579
like okay you know I've talked to a lot

1228
00:51:09,120 --> 00:51:06,729
of the I guess whatever heavy hitters in

1229
00:51:11,729 --> 00:51:09,130
the field but that was one where I

1230
00:51:13,469 --> 00:51:11,739
honestly I had no idea what to ask that

1231
00:51:16,279 --> 00:51:13,479
guy he's been asked every question you

1232
00:51:18,719 --> 00:51:16,289
could possibly think of and his his

1233
00:51:22,349 --> 00:51:18,729
vocabulary and the way his mind works is

1234
00:51:25,140 --> 00:51:22,359
just it's beyond me like I'm a I'm just

1235
00:51:27,380 --> 00:51:25,150
a UFO researcher who listens to pick

1236
00:51:30,539 --> 00:51:27,390
what did he do every now and again but

1237
00:51:32,190 --> 00:51:30,549
that was um episode 50 for me on my

1238
00:51:34,319 --> 00:51:32,200

podcast and I really wanted to do

1239

00:51:36,719 --> 00:51:34,329

something special and around that time

1240

00:51:39,599 --> 00:51:36,729

is when Stan Friedman decided he was

1241

00:51:41,309 --> 00:51:39,609

done he wanted to retire from the you

1242

00:51:42,959 --> 00:51:41,319

know the lecture circuit in the dude is

1243

00:51:45,329 --> 00:51:42,969

lectured in every country every

1244

00:51:49,380 --> 00:51:45,339

continent every city you can think of

1245

00:51:52,349 --> 00:51:49,390

every province in Canada it's insane so

1246

00:51:54,029 --> 00:51:52,359

I I spent in weeks and weeks trying to

1247

00:51:55,859 --> 00:51:54,039

compile like a list of questions asked

1248

00:51:59,069 --> 00:51:55,869

and then eventually I was just like [h__h]

1249

00:52:02,489 --> 00:51:59,079

it like just get him on and see what

1250

00:52:05,630 --> 00:52:02,499

happens so I call him up and he answers

1251

00:52:08,759 --> 00:52:05,640

the phone it is like hey let's do this

1252

00:52:11,190 --> 00:52:08,769

just like that immediately put me at

1253

00:52:14,039 --> 00:52:11,200

ease I'm like oh my god he's he's just a

1254

00:52:16,859 --> 00:52:14,049

normal dude and he's just excited to

1255

00:52:19,979 --> 00:52:16,869

talk to me as I was to him and we

1256

00:52:23,039 --> 00:52:19,989

literally just ran through 50 years of

1257

00:52:24,660 --> 00:52:23,049

his career and how he got into it what

1258

00:52:27,150 --> 00:52:24,670

he found most interesting where he

1259

00:52:29,190 --> 00:52:27,160

thought it was heading and I just let

1260

00:52:32,130 --> 00:52:29,200

him talk I think when I was editing I

1261

00:52:34,769 --> 00:52:32,140

had maybe like 10 words total in like a

1262

00:52:36,690 --> 00:52:34,779

two and a half hour conversation so yeah

1263

00:52:38,790 --> 00:52:36,700

I love you that was so that was a great

1264

00:52:41,910 --> 00:52:38,800

one dude thank you it was

1265

00:52:43,950 --> 00:52:41,920

amazing it really if you didn't have

1266

00:52:45,090 --> 00:52:43,960

respect for him before that I don't know

1267

00:52:47,850 --> 00:52:45,100

how you could come out the other side

1268

00:52:50,820 --> 00:52:47,860

not thinking this dude changed all of

1269

00:52:53,430 --> 00:52:50,830

our lives and like he paved the way he

1270

00:52:55,950 --> 00:52:53,440

was the original ufologist it's it's

1271

00:52:58,530 --> 00:52:55,960

insane to think that you know we can't

1272

00:53:00,510 --> 00:52:58,540

just call him up anymore and and we

1273

00:53:02,730 --> 00:53:00,520

won't see more books by him but I

1274

00:53:04,470 --> 00:53:02,740

treasure everything he's written I

1275

00:53:06,810 --> 00:53:04,480

respect the hell out of the guy as a

1276
00:53:09,810 --> 00:53:06,820
human being first and foremost as a UFO

1277
00:53:12,120 --> 00:53:09,820
researcher second and it was quite an

1278
00:53:13,410 --> 00:53:12,130
honor I have to admit man yeah that's

1279
00:53:15,750 --> 00:53:13,420
gotta be awesome dude

1280
00:53:19,440 --> 00:53:15,760
so I mean the closest that we ever got

1281
00:53:22,620 --> 00:53:19,450
was we we got to interview uh her name

1282
00:53:24,330 --> 00:53:22,630
was Joanna you incur right Oh kind of

1283
00:53:27,660 --> 00:53:24,340
she's the the head archivist in New

1284
00:53:28,859 --> 00:53:27,670
Brunswick the Ohio archive that Stanton

1285
00:53:31,590 --> 00:53:28,869
you know

1286
00:53:33,270 --> 00:53:31,600
donated all of his stuff all his

1287
00:53:35,940 --> 00:53:33,280
research everything that was in his

1288
00:53:37,980 --> 00:53:35,950

house he donated to them and she's the

1289

00:53:40,680 --> 00:53:37,990

head archivist over there and she had

1290

00:53:44,640 --> 00:53:40,690

some pretty pretty awesome stories about

1291

00:53:46,200 --> 00:53:44,650

it as well I can imagine yeah yeah yeah

1292

00:53:49,050 --> 00:53:46,210

she was like she was like you know

1293

00:53:52,320 --> 00:53:49,060

there's so many things in his in his

1294

00:53:55,380 --> 00:53:52,330

collection like there's vials of liquid

1295

00:53:57,300 --> 00:53:55,390

and like powder like all the kinds of

1296

00:53:59,540 --> 00:53:57,310

stuff that we don't really know what to

1297

00:54:02,670 --> 00:53:59,550

do with them or like should we open them

1298

00:54:07,440 --> 00:54:02,680

you know but yeah she said should we

1299

00:54:11,630 --> 00:54:07,450

smoke it yeah so in that space Weed Man

1300

00:54:14,359 --> 00:54:11,640

if anybody that's know you stand in row

1301
00:54:19,560 --> 00:54:14,369
absolutely I I could see him in like

1302
00:54:21,450 --> 00:54:19,570
Carl Sagan kick him back a joiner - yeah

1303
00:54:24,000 --> 00:54:21,460
I bet they did they went to college

1304
00:54:26,160 --> 00:54:24,010
together right yeah yeah they debated

1305
00:54:28,680 --> 00:54:26,170
together and like they had a huge

1306
00:54:31,140 --> 00:54:28,690
respect for one another so again like

1307
00:54:34,890 --> 00:54:31,150
Stanton you can say what you want about

1308
00:54:37,290 --> 00:54:34,900
the guy he was very Pro et but he was

1309
00:54:40,080 --> 00:54:37,300
very well respected by his peers and

1310
00:54:41,790 --> 00:54:40,090
although he will always be remembered as

1311
00:54:45,000 --> 00:54:41,800
he follow just like he was a physicist

1312
00:54:48,000 --> 00:54:45,010
first and foremost and that's an amazing

1313
00:54:50,700 --> 00:54:48,010

feat and a life you know well lived in

1314

00:54:51,900 --> 00:54:50,710

my opinion that's awesome dude that's

1315

00:54:54,180 --> 00:54:51,910

awesome

1316

00:54:56,190 --> 00:54:54,190

gotta follow up with Johanna cuz I mean

1317

00:54:58,789 --> 00:54:56,200

she did tell us about Friedman Fridays

1318

00:55:02,609 --> 00:54:58,799

where they would go through all the

1319

00:55:04,260 --> 00:55:02,619

archives and document samples and and

1320

00:55:06,960 --> 00:55:04,270

she said they do have a little piece of

1321

00:55:08,309 --> 00:55:06,970

metal that came in an envelope here's

1322

00:55:09,900 --> 00:55:08,319

here's a piece from the Roswell crash

1323

00:55:11,339 --> 00:55:09,910

was it the Roswell crash yeah okay

1324

00:55:13,380 --> 00:55:11,349

that's from the Roswell yeah I don't

1325

00:55:17,549 --> 00:55:13,390

know on mysteries decoded y'all y'all

1326

00:55:19,890 --> 00:55:17,559

went out to the crash site into some

1327

00:55:21,599 --> 00:55:19,900

some metal I have a sweetness to the

1328

00:55:23,549 --> 00:55:21,609

that episode when you talk about it but

1329

00:55:25,410 --> 00:55:23,559

you know maybe for our viewers that

1330

00:55:29,400 --> 00:55:25,420

don't know or listeners that don't know

1331

00:55:31,079 --> 00:55:29,410

y'all didn't have some something that

1332

00:55:33,390 --> 00:55:31,089

came back from from testing it right

1333

00:55:36,809 --> 00:55:33,400

y'all had some answers yeah so this is

1334

00:55:38,700 --> 00:55:36,819

actually an ongoing investigation you

1335

00:55:40,799 --> 00:55:38,710

know it did not end with the the

1336

00:55:43,260 --> 00:55:40,809

television special that was a that was

1337

00:55:46,589 --> 00:55:43,270

fun I mean I was contacted out of the

1338

00:55:48,809 --> 00:55:46,599

blue and they it was television CW

1339

00:55:51,029 --> 00:55:48,819

network was like we want to go

1340

00:55:52,890 --> 00:55:51,039

we're rebooting Roswell do you know the

1341

00:55:54,809 --> 00:55:52,900

fictional television show from the 90s

1342

00:55:56,819 --> 00:55:54,819

was like I school I remember that show

1343

00:55:59,010 --> 00:55:56,829

like yeah we're gonna do it the

1344

00:56:00,779 --> 00:55:59,020

modern-day version but we want to like

1345

00:56:02,519 --> 00:56:00,789

inform the public of what actually

1346

00:56:04,529 --> 00:56:02,529

happened in Roswell so like we want to

1347

00:56:07,319 --> 00:56:04,539

go out and investigate it I was like all

1348

00:56:09,240 --> 00:56:07,329

right like I guess I don't know what we

1349

00:56:12,809 --> 00:56:09,250

could discover after all this time but

1350

00:56:16,200 --> 00:56:12,819

yeah sure I'll go out there and I was

1351

00:56:18,150 --> 00:56:16,210

very surprised like we actually found

1352

00:56:21,750 --> 00:56:18,160

new evidence and that came in the form

1353

00:56:23,370 --> 00:56:21,760

of Frank Kim blur he's a a geologist out

1354

00:56:25,380 --> 00:56:23,380

in Roswell he works at the Military

1355

00:56:27,539 --> 00:56:25,390

Institute and the dude for like the past

1356

00:56:29,400 --> 00:56:27,549

couple of years has been out there

1357

00:56:31,680 --> 00:56:29,410

digging at the crash site which is a

1358

00:56:33,930 --> 00:56:31,690

story in itself of how he found it he

1359

00:56:35,940 --> 00:56:33,940

was able to use like all these crazy

1360

00:56:38,039 --> 00:56:35,950

aerial satellite stuff till I

1361

00:56:40,589 --> 00:56:38,049

triangulate the area according to like

1362

00:56:45,480 --> 00:56:40,599

certain bushes in the desert it's it's

1363

00:56:47,400 --> 00:56:45,490

[h__h] crazy oh yeah yeah it's crazy I

1364

00:56:49,740 --> 00:56:47,410

don't know how he did it but he what he

1365

00:56:51,870 --> 00:56:49,750

did was he went out to the site and he

1366

00:56:54,120 --> 00:56:51,880

just started digging and him and his son

1367

00:56:56,370 --> 00:56:54,130

free almost a few years were out there

1368

00:56:58,799 --> 00:56:56,380

digging like every weekend and they

1369

00:57:00,950 --> 00:56:58,809

actually found medals out there which if

1370

00:57:03,450 --> 00:57:00,960

you guys if you actually go out there

1371

00:57:04,920 --> 00:57:03,460

it's like a hundred miles from anything

1372

00:57:07,559 --> 00:57:04,930

any form of

1373

00:57:09,000 --> 00:57:07,569

and he nothing out there nothing not a

1374

00:57:12,270 --> 00:57:09,010

bird not a bug

1375

00:57:15,390 --> 00:57:12,280

nothing so when we discovered that he

1376

00:57:17,849 --> 00:57:15,400

found like metal alloys out there well

1377

00:57:21,120 --> 00:57:17,859

what the hell this this has to be the

1378

00:57:24,359 --> 00:57:21,130

place and the way he like discovered it

1379

00:57:26,790 --> 00:57:24,369

is from years and years of like erosion

1380

00:57:30,000 --> 00:57:26,800

and like water coming through those

1381

00:57:32,609 --> 00:57:30,010

areas the Arroyo is out there that stuff

1382

00:57:35,819 --> 00:57:32,619

would go down it would be like under the

1383

00:57:38,099 --> 00:57:35,829

surface and if the guys out there were

1384

00:57:40,290 --> 00:57:38,109

the military people picked everything up

1385

00:57:43,020 --> 00:57:40,300

that was on the surface they did not get

1386

00:57:46,349 --> 00:57:43,030

everything so I'm like yeah I'm all in

1387

00:57:48,299 --> 00:57:46,359

with that so he found metals we went to

1388

00:57:50,549 --> 00:57:48,309

Razvi we talked to him he showed us

1389

00:57:53,609 --> 00:57:50,559

military buttons he found out there too

1390

00:57:56,370 --> 00:57:53,619

that they were carbon dated back to the

1391

00:57:58,349 --> 00:57:56,380

40s so what the hell were military

1392

00:58:00,390 --> 00:57:58,359

buttons doing out there if they weren't

1393

00:58:02,700 --> 00:58:00,400

like on their hands and knees picking

1394

00:58:06,839 --> 00:58:02,710

[h__h] up and like you know maybe a button

1395

00:58:11,819 --> 00:58:06,849

or two fell off so back to the metals we

1396

00:58:14,010 --> 00:58:11,829

go to a aerospace lab in California and

1397

00:58:17,250 --> 00:58:14,020

we're talking like these dudes work with

1398

00:58:20,849 --> 00:58:17,260

some pretty well known aerospace people

1399

00:58:22,799 --> 00:58:20,859

on almost a daily basis and we're we

1400

00:58:25,680 --> 00:58:22,809

didn't tell them what we're doing we did

1401
00:58:27,690 --> 00:58:25,690
not say we think we have UFO pieces will

1402
00:58:29,730 --> 00:58:27,700
you test them because you try that with

1403
00:58:31,260 --> 00:58:29,740
these labs and they want nothing to do

1404
00:58:33,660 --> 00:58:31,270
with you like they don't want that on

1405
00:58:35,609 --> 00:58:33,670
their shoulders so like we tried like

1406
00:58:37,500 --> 00:58:35,619
five laps before we smartened up and

1407
00:58:41,849 --> 00:58:37,510
we're like maybe we shouldn't mention

1408
00:58:44,370 --> 00:58:41,859
these could possibly be from a UFO so we

1409
00:58:46,650 --> 00:58:44,380
we got him tested at the lab and our

1410
00:58:50,099 --> 00:58:46,660
results were actually pretty interesting

1411
00:58:53,400 --> 00:58:50,109
now on the TV show it was kind of a

1412
00:58:56,549 --> 00:58:53,410
wah-wah-wah like we we they're just

1413
00:59:00,780 --> 00:58:56,559

normal metals or whatever but what

1414

00:59:02,910 --> 00:59:00,790

actually happened is these things were

1415

00:59:06,120 --> 00:59:02,920

tested before in Canada and it came back

1416

00:59:08,280 --> 00:59:06,130

like totally off the charts like alien

1417

00:59:11,160 --> 00:59:08,290

like this stuff cannot be from here and

1418

00:59:12,809 --> 00:59:11,170

we were like okay let's let's get it

1419

00:59:16,020 --> 00:59:12,819

tested to make sure like they didn't

1420

00:59:17,420 --> 00:59:16,030

screw anything up lo and behold they

1421

00:59:20,809 --> 00:59:17,430

really screwed up

1422

00:59:25,460 --> 00:59:20,819

and we were able to determine that yes

1423

00:59:29,900 --> 00:59:25,470

the metals were quite possibly from

1424

00:59:32,359 --> 00:59:29,910

earth but the way the ratios were in

1425

00:59:37,250 --> 00:59:32,369

terms of like the actual alloys within

1426

00:59:37,970 --> 00:59:37,260

it definitely were from something in

1427

00:59:42,319 --> 00:59:37,980

space

1428

00:59:45,589 --> 00:59:42,329

and composition that you would only put

1429

00:59:49,250 --> 00:59:45,599

on the most sophisticated shuttles out

1430

00:59:52,130 --> 00:59:49,260

there so what the hell were these metals

1431

00:59:54,319 --> 00:59:52,140

doing out in the desert buried under

1432

00:59:58,069 --> 00:59:54,329

like feet of ground that had been there

1433

01:00:00,020 --> 00:59:58,079

for almost 50 years so I'm not saying it

1434

01:00:02,660 --> 01:00:00,030

was aliens but like yeah there was some

1435

01:00:04,880 --> 01:00:02,670

super high-tech [h__h] metal going on

1436

01:00:06,920 --> 01:00:04,890

in that desert that had been there for a

1437

01:00:09,140 --> 01:00:06,930

really long time so maybe it was some

1438

01:00:11,120 --> 01:00:09,150

top-secret thing I mean you look back at

1439

01:00:13,609 --> 01:00:11,130

the 40's and Roswell happen we were just

1440

01:00:16,160 --> 01:00:13,619

starting the early stages of the space

1441

01:00:18,319 --> 01:00:16,170

program so could it have been ours yeah

1442

01:00:21,470 --> 01:00:18,329

is that worth a cover-up for 50 years

1443

01:00:23,960 --> 01:00:21,480

maybe or or it was aliens I don't know

1444

01:00:25,520 --> 01:00:23,970

but the tests are ongoing we still have

1445

01:00:28,579 --> 01:00:25,530

a lot of different tests to do with the

1446

01:00:30,620 --> 01:00:28,589

metals and I I should have some exciting

1447

01:00:32,930 --> 01:00:30,630

news about some follow up with that

1448

01:00:35,359 --> 01:00:32,940

pretty soon that's cool that's awesome

1449

01:00:39,260 --> 01:00:35,369

dude have you heard any any stories

1450

01:00:41,270 --> 01:00:39,270

about how I don't know if it was it us

1451
01:00:45,140 --> 01:00:41,280
or maybe like the UH maybe the Russians

1452
01:00:48,589 --> 01:00:45,150
or whatever maybe had like sent you know

1453
01:00:51,319 --> 01:00:48,599
a man-made craft but it had like like

1454
01:00:53,359 --> 01:00:51,329
children inside of it like like that had

1455
01:00:56,030 --> 01:00:53,369
deformities and things like that and

1456
01:00:57,950 --> 01:00:56,040
like that's why they didn't want to say

1457
01:01:00,319 --> 01:00:57,960
anything because they don't want that

1458
01:01:02,690 --> 01:01:00,329
getting out which is worse than covering

1459
01:01:03,980 --> 01:01:02,700
up aliens like I think it's way worse to

1460
01:01:06,020 --> 01:01:03,990
be like yeah we just got some like

1461
01:01:08,240 --> 01:01:06,030
special needs kids and put them in a

1462
01:01:09,710 --> 01:01:08,250
spacecraft and shot it across you know

1463
01:01:13,760 --> 01:01:09,720

the world yeah

1464

01:01:16,220 --> 01:01:13,770

so I'd heard those rumors you know sort

1465

01:01:18,049 --> 01:01:16,230

of whispers in the UFO field and I know

1466

01:01:22,280 --> 01:01:18,059

Nick Redfern is written a book all about

1467

01:01:23,870 --> 01:01:22,290

that that theory as well but I will tell

1468

01:01:25,910 --> 01:01:23,880

you this when we were in Roswell you

1469

01:01:28,250 --> 01:01:25,920

know we we were just kind of chilling

1470

01:01:29,839 --> 01:01:28,260

and we have a camera guys with us so of

1471

01:01:31,519 --> 01:01:29,849

course everyone in town

1472

01:01:33,729 --> 01:01:31,529

the locals want they want to know what

1473

01:01:35,809 --> 01:01:33,739

the hell you're doing in Roswell and

1474

01:01:38,059 --> 01:01:35,819

usually they assume you're doing

1475

01:01:40,009 --> 01:01:38,069

something with the crash or aliens

1476

01:01:42,319 --> 01:01:40,019

because why else would you be in the

1477

01:01:44,569 --> 01:01:42,329

middle of Roswell yeah well we're doing

1478

01:01:47,900 --> 01:01:44,579

a documentary on Roadrunners yeah right

1479

01:01:48,529 --> 01:01:47,910

well the same dude that is so funny you

1480

01:01:50,599 --> 01:01:48,539

said that

1481

01:01:52,670 --> 01:01:50,609

so our cameraman didn't want to tell

1482

01:01:54,709 --> 01:01:52,680

them what we're doing and he literally

1483

01:01:58,449 --> 01:01:54,719

goes we're doing a documentary on

1484

01:02:01,489 --> 01:01:58,459

groundwater and I was like oh

1485

01:02:04,400 --> 01:02:01,499

interesting he's like so nothing with

1486

01:02:06,319 --> 01:02:04,410

UFOs and they were like now but like

1487

01:02:07,640 --> 01:02:06,329

what do you know about that just curious

1488

01:02:10,430 --> 01:02:07,650

what do you know cuz we wanted to hear

1489

01:02:12,650 --> 01:02:10,440

from locals and like not on camera we

1490

01:02:15,979 --> 01:02:12,660

wanted to hear it like raw vulnerable as

1491

01:02:18,739 --> 01:02:15,989

they can be and this guy goes oh my my

1492

01:02:22,160 --> 01:02:18,749

grandfather worked at at the base

1493

01:02:24,140 --> 01:02:22,170

Roswell Army Airfield and yeah I totally

1494

01:02:27,199 --> 01:02:24,150

know what it was we're like oh really

1495

01:02:30,709 --> 01:02:27,209

well tell us and he went on to tell us

1496

01:02:34,420 --> 01:02:30,719

that it was a top-secret project early

1497

01:02:37,819 --> 01:02:34,430

space program where we were sending up

1498

01:02:39,259 --> 01:02:37,829

children in high-altitude balloons to

1499

01:02:41,269 --> 01:02:39,269

see how far they could get in the

1500

01:02:44,959 --> 01:02:41,279

atmosphere before you know their [h__\h]

1501
01:02:47,359 --> 01:02:44,969
heads exploded or something oh yeah so

1502
01:02:51,319 --> 01:02:47,369
we should send dogs in Montreuil [h__h]

1503
01:02:53,870 --> 01:02:51,329
crazy so he thinks this guy thinks it

1504
01:02:58,939 --> 01:02:53,880
was us not the Russians not the Germans

1505
01:03:00,739 --> 01:02:58,949
that we were doing this and if you know

1506
01:03:02,420 --> 01:03:00,749
what it kind of clicked when I was in

1507
01:03:04,609 --> 01:03:02,430
Roswell hearing the story we went to the

1508
01:03:06,709 --> 01:03:04,619
Roswell Daily Record newspaper who broke

1509
01:03:09,589 --> 01:03:06,719
the original story we heard from the

1510
01:03:11,660 --> 01:03:09,599
original sources their families about

1511
01:03:14,209 --> 01:03:11,670
what headline they were told to put in

1512
01:03:15,680 --> 01:03:14,219
the newspaper we went to Frank and we

1513
01:03:17,930 --> 01:03:15,690

talked about what he'd found with the

1514

01:03:20,449 --> 01:03:17,940

medals we talked to all these locals and

1515

01:03:23,089 --> 01:03:20,459

like all these stories are spinning

1516

01:03:27,019 --> 01:03:23,099

around in my head and I'm like holy [h__h]

1517

01:03:28,939 --> 01:03:27,029

this human experiment thing makes so

1518

01:03:31,130 --> 01:03:28,949

much more sense it explains the bodies

1519

01:03:33,259 --> 01:03:31,140

that were found why they looked deformed

1520

01:03:35,089 --> 01:03:33,269

because like you said a lot of people

1521

01:03:38,420 --> 01:03:35,099

think they used special needs children

1522

01:03:40,610 --> 01:03:38,430

who were kind of out casted and nobody

1523

01:03:42,410 --> 01:03:40,620

would know they were missing or that

1524

01:03:45,410 --> 01:03:42,420

that you know that they've been killed

1525

01:03:47,690 --> 01:03:45,420

so maybe those were the bodies that were

1526

01:03:52,220 --> 01:03:47,700

found why they needed children caskets

1527

01:03:54,050 --> 01:03:52,230

the Roswell funeral home they were they

1528

01:03:56,120 --> 01:03:54,060

asked do you have child sized caskets

1529

01:03:57,260 --> 01:03:56,130

guys like what no it was like alright

1530

01:04:02,120 --> 01:03:57,270

what we need four of them like

1531

01:04:03,410 --> 01:04:02,130

immediately it explains why the original

1532

01:04:05,330 --> 01:04:03,420

story was it was a weather balloon

1533

01:04:07,520 --> 01:04:05,340

because it actually was a sort of

1534

01:04:11,180 --> 01:04:07,530

top-secret high-altitude balloon that

1535

01:04:14,000 --> 01:04:11,190

they were using so the human side of the

1536

01:04:16,730 --> 01:04:14,010

Roswell case is extremely disturbing and

1537

01:04:19,970 --> 01:04:16,740

the more and more I look at it I'm kind

1538

01:04:22,580 --> 01:04:19,980

of like it actually makes some sense and

1539

01:04:24,740 --> 01:04:22,590

that that's [h__\h] terrifying like you

1540

01:04:26,750 --> 01:04:24,750

said that's more scary than aliens

1541

01:04:29,210 --> 01:04:26,760

crashing on our planet for using our own

1542

01:04:31,040 --> 01:04:29,220

people to do these experiments and then

1543

01:04:32,420 --> 01:04:31,050

we're gonna let the public say yeah yeah

1544

01:04:34,490 --> 01:04:32,430

look they let them go with the alien

1545

01:04:36,740 --> 01:04:34,500

story if I don't go with that and we'll

1546

01:04:41,120 --> 01:04:36,750

continue to build our space program

1547

01:04:42,590 --> 01:04:41,130

now black-budget well I wonder like what

1548

01:04:44,360 --> 01:04:42,600

does happen to the human body when it

1549

01:04:46,460 --> 01:04:44,370

goes in a really high altitude does this

1550

01:04:47,960 --> 01:04:46,470

like your body bloat it's some like is

1551

01:04:50,390 --> 01:04:47,970

there a reason why the heads were bigger

1552

01:04:52,730 --> 01:04:50,400

you know alright well wonder what

1553

01:04:54,920 --> 01:04:52,740

happens to a human body yeah high

1554

01:04:57,470 --> 01:04:54,930

altitude I think only a few people

1555

01:05:07,400 --> 01:04:57,480

really know man and they're long gone by

1556

01:05:09,500 --> 01:05:07,410

this point I don't know I mean it is a

1557

01:05:11,510 --> 01:05:09,510

secret but I think it's no secret that

1558

01:05:14,420 --> 01:05:11,520

you know our government definitely has

1559

01:05:17,300 --> 01:05:14,430

tested on people and you know it's it's

1560

01:05:19,490 --> 01:05:17,310

that's that's kind of what they do yeah

1561

01:05:22,190 --> 01:05:19,500

I feel like that has a lot to do with

1562

01:05:24,710 --> 01:05:22,200

most of this secrecy stuff a lot more

1563

01:05:28,070 --> 01:05:24,720

than then you know maybe the the alien

1564

01:05:31,460 --> 01:05:28,080

UFO element it's just what they're doing

1565

01:05:34,760 --> 01:05:31,470

to them their own people yeah yeah man

1566

01:05:36,440 --> 01:05:34,770

and didn't like there's a scientist in

1567

01:05:38,740 --> 01:05:36,450

China that just got like the okay to

1568

01:05:43,730 --> 01:05:38,750

start doing animal and human DNA

1569

01:05:45,540 --> 01:05:43,740

hybridization projects yeah no thank you

1570

01:05:47,550 --> 01:05:45,550

that's that's not Oh China

1571

01:05:50,400 --> 01:05:47,560

[Laughter]

1572

01:05:53,910 --> 01:05:50,410

Oh China I love you everything

1573

01:05:56,850 --> 01:05:53,920

everything we own is made there but I

1574

01:05:58,530 --> 01:05:56,860

know but on the show on the topic of TV

1575

01:06:01,470 --> 01:05:58,540

shows man are you are you excited for

1576

01:06:04,410 --> 01:06:01,480

the the next blue book to come out dude

1577

01:06:07,920 --> 01:06:04,420

oh absolutely I mean I'm a huge Hynek

1578

01:06:10,350 --> 01:06:07,930

fan I mean he's like my hero I love the

1579

01:06:12,960 --> 01:06:10,360

first season look I mean everyone's

1580

01:06:15,450 --> 01:06:12,970

ragging on it cuz it's total fiction and

1581

01:06:17,820 --> 01:06:15,460

like they're mixing cases and like it's

1582

01:06:19,500 --> 01:06:17,830

inaccurate it's a TV show it's not a

1583

01:06:22,290 --> 01:06:19,510

documentary that's what I tell people

1584

01:06:24,620 --> 01:06:22,300

you know watching the teaser for the new

1585

01:06:27,270 --> 01:06:24,630

season they're doing Roswell area 51

1586

01:06:28,800 --> 01:06:27,280

MKULTRA they're just like everything

1587

01:06:31,680 --> 01:06:28,810

there are the baby in with the bathwater

1588

01:06:33,480 --> 01:06:31,690

and I'm all oh man like let's be excited

1589

01:06:35,940 --> 01:06:33,490

for it - dude yeah cuz I mean you got to

1590

01:06:37,950 --> 01:06:35,950

know it's just it's fiction yes it's

1591

01:06:39,810 --> 01:06:37,960

coming out on the History Channel but I

1592

01:06:42,300 --> 01:06:39,820

mean they're kind of the alien channel

1593

01:06:44,640 --> 01:06:42,310

now but yeah it's like dude you know

1594

01:06:46,560 --> 01:06:44,650

it's they're not like they haven't told

1595

01:06:48,540 --> 01:06:46,570

you the truth before it's not gonna come

1596

01:06:52,260 --> 01:06:48,550

out on a on a History Channel TV show

1597

01:06:54,780 --> 01:06:52,270

like you didn't expect that dude it's so

1598

01:06:56,550 --> 01:06:54,790

funny it's like I remember seeing the

1599

01:06:58,830 --> 01:06:56,560

meme where it's like here's History

1600

01:07:01,260 --> 01:06:58,840

Channel during the day Egyptians built

1601
01:07:06,720 --> 01:07:01,270
the pyramids here's here's History

1602
01:07:09,840 --> 01:07:06,730
Channel at 10:00 p.m. at night pyramids

1603
01:07:10,560 --> 01:07:09,850
like taken off into space yeah that's

1604
01:07:15,150 --> 01:07:10,570
pretty much it

1605
01:07:17,850 --> 01:07:15,160
another one I haven't seen yet is a

1606
01:07:18,870 --> 01:07:17,860
Hellyer - man that that looks like it's

1607
01:07:22,200 --> 01:07:18,880
gonna be pretty awesome because the

1608
01:07:25,200 --> 01:07:22,210
first yeah first season was great yeah

1609
01:07:28,170 --> 01:07:25,210
so I mean those dudes over it planet

1610
01:07:29,850 --> 01:07:28,180
weird they're they're huge heroes of

1611
01:07:32,340 --> 01:07:29,860
mine I love everything they do they're

1612
01:07:33,870 --> 01:07:32,350
the kind of people who are like not set

1613
01:07:35,490 --> 01:07:33,880

in their ways like what I'm dealing with

1614

01:07:37,680 --> 01:07:35,500

these UFOs what I'm dealing with is

1615

01:07:39,960 --> 01:07:37,690

ghosts it's like no let's see what else

1616

01:07:42,480 --> 01:07:39,970

it could be and this whole Helier thing

1617

01:07:44,430 --> 01:07:42,490

for any of your listeners who don't know

1618

01:07:45,810 --> 01:07:44,440

what it is I can't really explain it cuz

1619

01:07:48,510 --> 01:07:45,820

I don't think they even know what the

1620

01:07:51,000 --> 01:07:48,520

hell is going on yeah it started with

1621

01:07:53,610 --> 01:07:51,010

these cryptic emails about a dude being

1622

01:07:55,380 --> 01:07:53,620

terrorized by goblins in Kentucky so

1623

01:07:58,200 --> 01:07:55,390

right there you're like what I want to

1624

01:07:59,850 --> 01:07:58,210

see that yeah and it just goes down

1625

01:08:00,730 --> 01:07:59,860

every avenue and rabbit hole you can

1626

01:08:02,650 --> 01:08:00,740

think of

1627

01:08:05,800 --> 01:08:02,660

they just dropped their season two I've

1628

01:08:09,520 --> 01:08:05,810

got Greg Newkirk coming on my show this

1629

01:08:11,260 --> 01:08:09,530

week to talk about it and what you know

1630

01:08:12,760 --> 01:08:11,270

what he discovered and kind of where

1631

01:08:14,980 --> 01:08:12,770

where they're left in their

1632

01:08:16,990 --> 01:08:14,990

investigation and it's crazy

1633

01:08:19,690 --> 01:08:17,000

it's like this breadcrumb trail of just

1634

01:08:21,209 --> 01:08:19,700

mystery and weird [h__h] and everything

1635

01:08:24,970 --> 01:08:21,219

you could possibly think of in this

1636

01:08:27,070 --> 01:08:24,980

paranormal weird world we live in so I

1637

01:08:29,320 --> 01:08:27,080

definitely suggest people check out

1638

01:08:33,010 --> 01:08:29,330

Helier yeah it's all over it's like

1639

01:08:34,959 --> 01:08:33,020

number one on Amazon Prime yeah I'm

1640

01:08:36,309 --> 01:08:34,969

pretty excited about it yeah they when

1641

01:08:38,800 --> 01:08:36,319

they started talking about you know like

1642

01:08:40,840 --> 01:08:38,810

just the caves and like the Brown

1643

01:08:42,579 --> 01:08:40,850

Mountain lights and all the stuff they

1644

01:08:43,900 --> 01:08:42,589

were seeing you know here in Texas we

1645

01:08:45,970 --> 01:08:43,910

have the Marfa lights have you ever

1646

01:08:49,120 --> 01:08:45,980

heard of the Marfa lights oh absolutely

1647

01:08:52,090 --> 01:08:49,130

yeah yeah dude I mean you know it's it's

1648

01:08:54,430 --> 01:08:52,100

still you know up in the air like nobody

1649

01:08:55,959 --> 01:08:54,440

nobody really knows I mean there's been

1650

01:08:57,249 --> 01:08:55,969

like teams of scientists that have gone

1651
01:09:01,690 --> 01:08:57,259
out there and they're like yeah it's

1652
01:09:03,880 --> 01:09:01,700
cars like where these these lights are

1653
01:09:05,499 --> 01:09:03,890
being seen you know like it's just it's

1654
01:09:08,200 --> 01:09:05,509
kind of crazy and they and they occur

1655
01:09:10,990 --> 01:09:08,210
like around the same time almost every

1656
01:09:13,630 --> 01:09:11,000
night and you know it's like I've seen

1657
01:09:15,820 --> 01:09:13,640
them and it's ball lightning it's it's

1658
01:09:17,110 --> 01:09:15,830
cars it's well those are Chinese

1659
01:09:19,150 --> 01:09:17,120
lanterns like somebody's up there

1660
01:09:21,099 --> 01:09:19,160
lighting Chinese lanterns every single

1661
01:09:23,320 --> 01:09:21,109
night you're right you know that's

1662
01:09:26,620 --> 01:09:23,330
that's like a dedicated prank right

1663
01:09:28,630 --> 01:09:26,630

there exactly exactly

1664

01:09:31,599 --> 01:09:28,640

yeah yep let's get out there and like

1665

01:09:34,120 --> 01:09:31,609

those Chinese Lantern hell no get out of

1666

01:09:36,610 --> 01:09:34,130

here with that man yeah so yeah nobody

1667

01:09:39,309 --> 01:09:36,620

knows what that is man but but yeah

1668

01:09:41,320 --> 01:09:39,319

that's cool little uh Texas phenomenon

1669

01:09:43,780 --> 01:09:41,330

that we got you ever know you guys got

1670

01:09:47,890 --> 01:09:43,790

some great statuses yeah I've been there

1671

01:09:49,539 --> 01:09:47,900

a couple times traveling and yeah I mean

1672

01:09:51,490 --> 01:09:49,549

you guys got the Stephenville case one

1673

01:09:55,720 --> 01:09:51,500

of the biggest UFO cases of all time I

1674

01:09:58,570 --> 01:09:55,730

mean it aurora - my god perhaps one of

1675

01:10:00,940 --> 01:09:58,580

the first UFO crashes so I mean you guys

1676

01:10:03,610 --> 01:10:00,950

when it comes to UFOs you're you got it

1677

01:10:04,990 --> 01:10:03,620

going on for sure yeah there's a lot of

1678

01:10:07,060 --> 01:10:05,000

cool stuff out here man I mean there's

1679

01:10:08,650 --> 01:10:07,070

just there's so much uh you know nothing

1680

01:10:10,360 --> 01:10:08,660

there's there yeah you know we got we've

1681

01:10:12,070 --> 01:10:10,370

got big old cities but at the same time

1682

01:10:13,530 --> 01:10:12,080

there's a lot of nothing out here so

1683

01:10:16,260 --> 01:10:13,540

well in that swear

1684

01:10:18,540 --> 01:10:16,270

happens dude I mean I live in the most

1685

01:10:20,820 --> 01:10:18,550

populated city in America it's gross

1686

01:10:22,560 --> 01:10:20,830

it's dirty it's loud and light pollution

1687

01:10:25,350 --> 01:10:22,570

you can't see [h__\h]

1688

01:10:27,150 --> 01:10:25,360

so like I'm I'm envious I'm not gonna

1689

01:10:29,940 --> 01:10:27,160

lie I'm envious that you can have an

1690

01:10:33,180 --> 01:10:29,950

open sky to search while I'm just

1691

01:10:36,840 --> 01:10:33,190

staring up it's smog and ten million

1692

01:10:39,000 --> 01:10:36,850

airplanes coming in and out of JFK yeah

1693

01:10:41,700 --> 01:10:39,010

yeah well bin lives next to the the

1694

01:10:43,980 --> 01:10:41,710

Austin Bergstrom International Airport

1695

01:10:46,140 --> 01:10:43,990

so he's constantly got [h__h] flying over

1696

01:10:47,940 --> 01:10:46,150

his house good thing is you know like

1697

01:10:50,160 --> 01:10:47,950

you drive thirty minutes in any

1698

01:10:51,930 --> 01:10:50,170

direction and it there's nothing yeah

1699

01:10:53,790 --> 01:10:51,940

and that's that's pretty cool and some

1700

01:10:56,790 --> 01:10:53,800

cities here are also starting to take on

1701

01:10:59,370 --> 01:10:56,800

that the no light pollution ordinance

1702

01:11:01,890 --> 01:10:59,380

where lights have to you know be like

1703

01:11:03,600 --> 01:11:01,900

dim lights so I'm pretty excited about

1704

01:11:04,770 --> 01:11:03,610

that happening so we can we can

1705

01:11:07,560 --> 01:11:04,780

definitely you know keep your eyes on

1706

01:11:10,260 --> 01:11:07,570

the sky dude could you imagine man the

1707

01:11:11,580 --> 01:11:10,270

the more sky we see the better chance of

1708

01:11:13,290 --> 01:11:11,590

seeing these things and everyone's

1709

01:11:15,900 --> 01:11:13,300

always like I want to see you I want to

1710

01:11:18,810 --> 01:11:15,910

see UFO I'm like all right go to Arizona

1711

01:11:22,680 --> 01:11:18,820

go to New Mexico go to Texas like this

1712

01:11:24,960 --> 01:11:22,690

is not the place to be so yeah yeah man

1713

01:11:27,450 --> 01:11:24,970

will do if yeah if you're ever rolling

1714

01:11:29,880 --> 01:11:27,460

through Texas man and you want to have

1715

01:11:33,870 --> 01:11:29,890

some barbecue and look up at the skies

1716

01:11:36,540 --> 01:11:33,880

bro you hit us up yeah that sounds like

1717

01:11:41,760 --> 01:11:36,550

perfection yeah we'll go chase some UFOs

1718

01:11:43,760 --> 01:11:41,770

together dude you know I mean you guys

1719

01:11:46,440 --> 01:11:43,770

make some damn good tacos out there Oh

1720

01:11:48,420 --> 01:11:46,450

some of the best some of the best dude

1721

01:11:52,530 --> 01:11:48,430

yeah we were out uh I was out intra

1722

01:11:54,060 --> 01:11:52,540

lingua and dude I mean the the sky out

1723

01:11:57,060 --> 01:11:54,070

there cuz there's nothing it's just

1724

01:11:59,640 --> 01:11:57,070

desert you know and and it's it's pretty

1725

01:12:02,460 --> 01:11:59,650

rough dude like it's pretty rough out

1726

01:12:05,010 --> 01:12:02,470

there I'm like yeah yeah I'm I'm uh I'm

1727

01:12:08,460 --> 01:12:05,020

I'm drawn to the desert I absolutely

1728

01:12:10,530 --> 01:12:08,470

love it but man it's just gorgeous at

1729

01:12:13,200 --> 01:12:10,540

nighttime it doesn't get any better than

1730

01:12:15,960 --> 01:12:13,210

that man yeah there's something about it

1731

01:12:17,379 --> 01:12:15,970

I mean even I'm I've been a city boy my

1732

01:12:19,600 --> 01:12:17,389

whole life and

1733

01:12:22,450 --> 01:12:19,610

there's just something about the desert

1734

01:12:24,250 --> 01:12:22,460

that draws you in and I don't know what

1735

01:12:26,109 --> 01:12:24,260

it is I don't want to know what it is I

1736

01:12:28,240 --> 01:12:26,119

just know it's magical and it's where

1737

01:12:32,890 --> 01:12:28,250

these things are meant to happen I

1738

01:12:35,169 --> 01:12:32,900

really do believe that and I hope that

1739

01:12:38,439 --> 01:12:35,179

someday I can get out there again either

1740

01:12:41,770 --> 01:12:38,449

Roswell Texas and just enjoy it

1741

01:12:44,649 --> 01:12:41,780

and like take it all in and and maybe

1742

01:12:46,990 --> 01:12:44,659

see that triangle I saw when I was 12

1743

01:12:50,129 --> 01:12:47,000

years old I don't know man yeah you

1744

01:12:53,530 --> 01:12:50,139

should try to vector it end it yes

1745

01:12:59,649 --> 01:12:53,540

Steven Greer sky you know get some green

1746

01:13:01,390 --> 01:12:59,659

lasers didn't got a green laser and and

1747

01:13:04,629 --> 01:13:01,400

and dude he ran out of batteries in like

1748

01:13:07,149 --> 01:13:04,639

the first like doubled a [h__\h] around

1749

01:13:09,280 --> 01:13:07,159

with it mine still works but yeah

1750

01:13:11,770 --> 01:13:09,290

because I'm using it to vector aliens

1751

01:13:19,510 --> 01:13:11,780

dude I was gonna say vectoring in aliens

1752

01:13:23,830 --> 01:13:21,760

so did you are you are you running out

1753

01:13:28,209 --> 01:13:23,840

of time you bet to have to go and uh and

1754

01:13:31,300 --> 01:13:28,219

pick up the lady yeah yeah I'm the one

1755

01:13:34,090 --> 01:13:31,310

who's in charge of of the commuting here

1756

01:13:35,950 --> 01:13:34,100

in New York City so yeah I mean y'all

1757

01:13:37,359 --> 01:13:35,960

got one of the best mass transit systems

1758

01:13:40,959 --> 01:13:37,369

like in the world don't you

1759

01:13:44,050 --> 01:13:40,969

that is true that is true it just uh it

1760

01:13:47,020 --> 01:13:44,060

just it decides to break down and now's

1761

01:13:48,790 --> 01:13:47,030

dude dies I don't know how many times

1762

01:13:50,709 --> 01:13:48,800

you've heard it tonight but it wakes me

1763

01:13:51,660 --> 01:13:50,719

up like every half hour but I'm used to

1764

01:13:54,850 --> 01:13:51,670

it by now

1765

01:13:56,470 --> 01:13:54,860

that's awesome man well bro thank you so

1766

01:13:58,419 --> 01:13:56,480

much for coming on the show yeah

1767

01:14:00,070 --> 01:13:58,429

definitely want to have you back again

1768

01:14:01,689 --> 01:14:00,080

and because I mean there's a million

1769

01:14:03,669 --> 01:14:01,699

more things I could ask you and talk to

1770

01:14:05,979 --> 01:14:03,679

you about oh my god I could talk for I

1771

01:14:08,560 --> 01:14:05,989

could talk for 10 more hours but no guys

1772

01:14:10,629 --> 01:14:08,570

I know our conversations only begun so

1773

01:14:13,149 --> 01:14:10,639

no thank you thank you so much for

1774

01:14:16,000 --> 01:14:13,159

having me I I'm totally digging what you

1775

01:14:16,780 --> 01:14:16,010

guys are doing and we need all the help

1776

01:14:19,149 --> 01:14:16,790

we can get

1777

01:14:21,280 --> 01:14:19,159

so like let's do this again you got to

1778

01:14:23,859 --> 01:14:21,290

come on my show now the invitations

1779

01:14:25,629 --> 01:14:23,869

there and totally let's do it

1780

01:14:29,589 --> 01:14:25,639

let's keep let's keep searching the

1781

01:14:31,030 --> 01:14:29,599

skies yes man yes and again bro if you

1782

01:14:32,910 --> 01:14:31,040

ever if you ever come through Tech

1783

01:14:37,090 --> 01:14:32,920

this man hit us up it will meet up and

1784

01:14:38,770 --> 01:14:37,100

go do some cool [h__\h] I am in all right

1785

01:14:40,660 --> 01:14:38,780

brother way man it was good talking to

1786

01:14:42,820 --> 01:14:40,670

you man and what will talk to you next

1787

01:14:43,420 --> 01:14:42,830

time in absolutely have a great night

1788

01:14:45,220 --> 01:14:43,430

guys

1789

01:14:48,190 --> 01:14:45,230

All Right see you man see you later dude

1790

01:14:49,420 --> 01:14:48,200

later sick well that was good stuff dude

1791

01:14:50,980 --> 01:14:49,430

that was so much fun

1792

01:14:53,380 --> 01:14:50,990

yeah we finally got to have him on the

1793

01:14:55,240 --> 01:14:53,390

show I know man that was so good yeah

1794

01:14:56,740 --> 01:14:55,250

and I really did dude I mean I have like

1795

01:14:59,140 --> 01:14:56,750

a you know a hundred more questions

1796

01:15:01,270 --> 01:14:59,150

well 103 more questions that you know I

1797

01:15:02,530 --> 01:15:01,280

could totally ask him right now but you

1798

01:15:05,710 --> 01:15:02,540

know that just that just leaves it open

1799

01:15:07,450 --> 01:15:05,720

for the next one dude we gotta have him

1800

01:15:09,010 --> 01:15:07,460

back on our feet that'd be awesome we

1801
01:15:10,420 --> 01:15:09,020
can go on any show - that'd be sick yeah

1802
01:15:13,960 --> 01:15:10,430
that would be sick dude maybe I can ask

1803
01:15:16,120 --> 01:15:13,970
him like 94 questions like we ask him

1804
01:15:19,720 --> 01:15:16,130
questions live him ask you ask him

1805
01:15:21,360 --> 01:15:19,730
questions on his podcast yes did we just

1806
01:15:24,280 --> 01:15:21,370
interview him again

1807
01:15:26,830 --> 01:15:24,290
we don't know how to be guests we only

1808
01:15:29,680 --> 01:15:26,840
know how to be interviewees know what

1809
01:15:31,630 --> 01:15:29,690
I'd say dude it's like if you if you try

1810
01:15:35,860 --> 01:15:31,640
to like research us like yeah what's

1811
01:15:36,730 --> 01:15:35,870
there to find you Blake so I see that

1812
01:15:43,060 --> 01:15:36,740
you like aliens

1813
01:15:44,440 --> 01:15:43,070

I like aliens - yeah dude yeah but yeah

1814

01:15:47,920 --> 01:15:44,450

cuz I mean the you know the dude does

1815

01:15:49,480 --> 01:15:47,930

film and movies and writes books and

1816

01:15:52,180 --> 01:15:49,490

yeah all kinds of stuff

1817

01:15:54,610 --> 01:15:52,190

we'll be like yeah me and Ben we always

1818

01:15:56,380 --> 01:15:54,620

think about writing a book and you know

1819

01:15:59,680 --> 01:15:56,390

what we think it's gonna be awesome

1820

01:16:01,600 --> 01:15:59,690

yeah the thought is is there it's gonna

1821

01:16:03,940 --> 01:16:01,610

be sick yeah when we do right I don't

1822

01:16:04,720 --> 01:16:03,950

know what we're gonna write about us do

1823

01:16:06,730 --> 01:16:04,730

oh okay

1824

01:16:10,570 --> 01:16:06,740

no we'll just write about us okay our

1825

01:16:15,040 --> 01:16:10,580

experience it all started June of

1826

01:16:17,050 --> 01:16:15,050

nineteen yeah yeah oh yeah dude but yeah

1827

01:16:18,190 --> 01:16:17,060

dude I mean it was uh it was a lot of

1828

01:16:20,560 --> 01:16:18,200

fun a lot of fun

1829

01:16:22,570 --> 01:16:20,570

I want to hear more stories I want more

1830

01:16:23,710 --> 01:16:22,580

people to start emailing us stories - I

1831

01:16:26,650 --> 01:16:23,720

know guys

1832

01:16:28,810 --> 01:16:26,660

email us some stories man talk to your

1833

01:16:31,510 --> 01:16:28,820

friends if you hear anybody who's got a

1834

01:16:33,700 --> 01:16:31,520

story tell them to uh to email it to us

1835

01:16:36,280 --> 01:16:33,710

and uh you know we'll tell the story on

1836

01:16:38,620 --> 01:16:36,290

the show man or well have them on the

1837

01:16:39,760 --> 01:16:38,630

podcast or you can you can like email us

1838

01:16:41,380 --> 01:16:39,770

and we'll figure out a way where you

1839

01:16:42,849 --> 01:16:41,390

could come and like leave a message and

1840

01:16:44,560 --> 01:16:42,859

tell the story or

1841

01:16:47,020 --> 01:16:44,570

whatever ass something that become

1842

01:16:49,029 --> 01:16:47,030

because that people a pretty kick-ass

1843

01:16:51,219 --> 01:16:49,039

yeah I love those stories they don't say

1844

01:16:53,799 --> 01:16:51,229

that that hooded figure thing yeah

1845

01:16:55,479 --> 01:16:53,809

that's creepy that is so creepy and

1846

01:16:57,879 --> 01:16:55,489

that's like it's been happening a lot

1847

01:16:59,560 --> 01:16:57,889

like there's not just one story it's

1848

01:17:01,479 --> 01:16:59,570

been happening a lot not late maybe

1849

01:17:03,099 --> 01:17:01,489

lately but a lot more stories that I've

1850

01:17:05,319 --> 01:17:03,109

been listening to have have like a

1851
01:17:08,500 --> 01:17:05,329
hooded figure in it yeah which is really

1852
01:17:10,750 --> 01:17:08,510
freakin creepy like a robed hooded dude

1853
01:17:12,369 --> 01:17:10,760
just in your house it does make me feel

1854
01:17:14,949 --> 01:17:12,379
good to know though that if like you're

1855
01:17:15,609 --> 01:17:14,959
ever scared gonna be like uh-uh no not

1856
01:17:18,939 --> 01:17:15,619
today

1857
01:17:21,339 --> 01:17:18,949
not uh-uh and then go and like chase

1858
01:17:22,089 --> 01:17:21,349
after it and watch it stumble over

1859
01:17:30,939 --> 01:17:22,099
itself

1860
01:17:34,959 --> 01:17:30,949
he's like ow ow yeah maybe so dude okay

1861
01:17:37,629 --> 01:17:34,969
the owl thing right maybe right that's

1862
01:17:39,639 --> 01:17:37,639
what that burrito was telling guys floor

1863
01:17:40,839 --> 01:17:39,649

he's like burrito burrito burrito yeah

1864

01:17:45,399 --> 01:17:40,849

turn into a burrito

1865

01:17:47,139 --> 01:17:45,409

yes yeah totally I mean maybe they just

1866

01:17:49,299 --> 01:17:47,149

like see something in your mind that you

1867

01:17:50,589 --> 01:17:49,309

that they think you'd be okay with and

1868

01:17:55,239 --> 01:17:50,599

the hawk all right this guy loves

1869

01:17:56,709 --> 01:17:55,249

burritos yeah he said it verbally -

1870

01:18:00,129 --> 01:17:56,719

uh-huh that's crazy

1871

01:18:02,020 --> 01:18:00,139

that is crazy like aliens dude I mean it

1872

01:18:04,089 --> 01:18:02,030

they've been studying us this long they

1873

01:18:06,369 --> 01:18:04,099

gotta know our language right I mean

1874

01:18:08,319 --> 01:18:06,379

they're just [h__h] with us yeah maybe

1875

01:18:10,629 --> 01:18:08,329

wonder why he would say it in English -

1876

01:18:12,909 --> 01:18:10,639

I don't know they were maybe hated

1877

01:18:15,879 --> 01:18:12,919

English maybe he knew you know that

1878

01:18:18,489 --> 01:18:15,889

we're in America this is a word mark

1879

01:18:21,790 --> 01:18:18,499

burn marker Mike we're gonna talk

1880

01:18:23,919 --> 01:18:21,800

English don't talk American

1881

01:18:27,790 --> 01:18:23,929

we're speaking American here in America

1882

01:18:30,399 --> 01:18:27,800

all right do you don't want to like kind

1883

01:18:33,040 --> 01:18:30,409

of ask I wonder if he had heard any or

1884

01:18:36,040 --> 01:18:33,050

has anybody submitted any stories or

1885

01:18:37,419 --> 01:18:36,050

does he know any famous UFO stories are

1886

01:18:40,659 --> 01:18:37,429

alien stories that happen in other other

1887

01:18:42,040 --> 01:18:40,669

countries besides like Australia and I

1888

01:18:44,919 --> 01:18:42,050

know I know a lot of them happened in

1889

01:18:47,109 --> 01:18:44,929

like North America you know north and

1890

01:18:48,279 --> 01:18:47,119

south and and in Canada and all yeah but

1891

01:18:52,359 --> 01:18:48,289

like you don't hear about anything in

1892

01:18:54,340 --> 01:18:52,369

India a lot you know he submitted a FOIA

1893

01:18:58,030 --> 01:18:54,350

request for the

1894

01:19:01,300 --> 01:18:58,040

was it event that happened in Pakistan I

1895

01:19:03,400 --> 01:19:01,310

think and I was gonna ask him that but

1896

01:19:05,470 --> 01:19:03,410

we started running out of time okay but

1897

01:19:08,260 --> 01:19:05,480

yeah we do I mean they they happen

1898

01:19:09,640 --> 01:19:08,270

everywhere I mean so so just as of

1899

01:19:11,740 --> 01:19:09,650

recently right like our government

1900

01:19:13,060 --> 01:19:11,750

started talking about you know releasing

1901

01:19:15,400 --> 01:19:13,070

all this information and blah blah blah

1902

01:19:17,620 --> 01:19:15,410

well we're the only country who hasn't

1903

01:19:19,570 --> 01:19:17,630

disclosed their information all the

1904

01:19:21,820 --> 01:19:19,580

other countries already have really very

1905

01:19:24,280 --> 01:19:21,830

it's open people talk about it openly

1906

01:19:26,200 --> 01:19:24,290

that's why it's not like a big deal like

1907

01:19:28,660 --> 01:19:26,210

anywhere else like this is just [h__h]

1908

01:19:31,030 --> 01:19:28,670

people see all over the world and it's

1909

01:19:33,490 --> 01:19:31,040

like oh yeah it's those those flying

1910

01:19:35,850 --> 01:19:33,500

things again here in the United States

1911

01:19:38,950 --> 01:19:35,860

so it's like this big just cover up

1912

01:19:42,460 --> 01:19:38,960

conspiracy Oh what was that I saw in the

1913

01:19:43,870 --> 01:19:42,470

sky nobody knows but all the other world

1914

01:19:45,940 --> 01:19:43,880

governments have been like yeah dude

1915

01:19:48,190 --> 01:19:45,950

those are UFOs so for some reason it's

1916

01:19:50,470 --> 01:19:48,200

just America that's bad dude yeah yeah I

1917

01:19:53,800 --> 01:19:50,480

mean Canada's disclosed it for a

1918

01:19:56,380 --> 01:19:53,810

long-ass time Mexico it's huge dude I

1919

01:19:58,150 --> 01:19:56,390

mean like there's so a lot so many

1920

01:19:59,560 --> 01:19:58,160

things that happen like down in Mexico

1921

01:20:01,300 --> 01:19:59,570

so like I mean we're talking like just

1922

01:20:03,700 --> 01:20:01,310

right along the borders of both of us

1923

01:20:05,830 --> 01:20:03,710

you know both of us of the United States

1924

01:20:07,360 --> 01:20:05,840

you know both of these countries have

1925

01:20:09,310 --> 01:20:07,370

disclosed it and it's like not a big

1926

01:20:12,040 --> 01:20:09,320

deal to them and it's everywhere I mean

1927

01:20:14,140 --> 01:20:12,050

you know India too I mean like I've

1928

01:20:16,540 --> 01:20:14,150

heard I've heard all kinds of stuff all

1929

01:20:18,580 --> 01:20:16,550

over the world yeah dude

1930

01:20:20,620 --> 01:20:18,590

okay so I I saw something in the sky

1931

01:20:21,880 --> 01:20:20,630

yesterday I filmed it well I want you to

1932

01:20:26,440 --> 01:20:21,890

take a look at it and see what would see

1933

01:20:32,380 --> 01:20:26,450

what you think let me see this well I

1934

01:20:33,730 --> 01:20:32,390

see your big-ass finger that's pretty

1935

01:20:36,550 --> 01:20:33,740

inch so it wasn't moving

1936

01:20:38,410 --> 01:20:36,560

it was stationary in the sky that's

1937

01:20:40,150 --> 01:20:38,420

pretty interesting first up first I'm

1938

01:20:42,850 --> 01:20:40,160

thinking it's like nope those number

1939

01:20:46,840 --> 01:20:42,860

balloons ah it looks like there's a zero

1940

01:20:51,850 --> 01:20:46,850

and maybe like a seven or two yeah well

1941

01:20:54,940 --> 01:20:51,860

yeah I mean if it's not swamp gas it's

1942

01:20:56,380 --> 01:20:54,950

definitely a UFO right it's not yeah so

1943

01:20:59,590 --> 01:20:56,390

the weird thing is that the there was a

1944

01:21:01,480 --> 01:20:59,600

pretty good wind that day I mean this

1945

01:21:04,360 --> 01:21:01,490

was yeah this was yesterday yeah but the

1946

01:21:05,790 --> 01:21:04,370

thing it didn't it didn't ascend or

1947

01:21:07,650 --> 01:21:05,800

descend it was just hanging out

1948

01:21:09,300 --> 01:21:07,660

guy that's cool there's another one

1949

01:21:10,860 --> 01:21:09,310

actually really cool if you slide to the

1950

01:21:14,070 --> 01:21:10,870

left to the left there's another one

1951

01:21:20,880 --> 01:21:14,080

that's your dick that's cuz you slide to

1952

01:21:23,490 --> 01:21:20,890

the right yes that's her dude that was

1953

01:21:24,930 --> 01:21:23,500

your wiener all right

1954

01:21:32,880 --> 01:21:24,940

that's a nice wiener the freaking got

1955

01:21:34,730 --> 01:21:32,890

you dude yeah it's blurry it's got to be

1956

01:21:37,500 --> 01:21:34,740

a drone mm-hmm

1957

01:21:37,980 --> 01:21:37,510

no dude that's I tried to be pretty

1958

01:21:39,570 --> 01:21:37,990

still

1959

01:21:41,970 --> 01:21:39,580

that's actually pretty crazy looking

1960

01:21:44,010 --> 01:21:41,980

honestly I mean you guys out there

1961

01:21:46,290 --> 01:21:44,020

listening or piss cuz you can't see it

1962

01:21:48,450 --> 01:21:46,300

and I'm just like oh yeah mmm looks

1963

01:21:50,670 --> 01:21:48,460

looks pretty interesting yeah but uh

1964

01:21:53,370 --> 01:21:50,680

yeah post it on the Facebook yeah I'll

1965

01:21:56,970 --> 01:21:53,380

see what people and we'll see all the

1966

01:21:59,910 --> 01:21:56,980

[h__h] people talk about again another

1967

01:22:01,650 --> 01:21:59,920

blurry ass [h__h] cell phone photo

1968

01:22:03,540 --> 01:22:01,660

pretty awesome though dude yeah that's

1969

01:22:07,740 --> 01:22:03,550

this cool that's sick

1970

01:22:10,920 --> 01:22:07,750

and then dude so I was a at a bar on

1971

01:22:12,390 --> 01:22:10,930

Friday night with Sam and he's were

1972

01:22:14,280 --> 01:22:12,400

sitting at this picnic table and he's

1973

01:22:16,200 --> 01:22:14,290

looking out towards the sky I'm looking

1974

01:22:18,000 --> 01:22:16,210

towards the building so all of a sudden

1975

01:22:20,490 --> 01:22:18,010

we're having this chat and he goes oh my

1976

01:22:21,870 --> 01:22:20,500

god nice I turn around immediately and I

1977

01:22:23,550 --> 01:22:21,880

didn't see anything but he said dude

1978

01:22:26,100 --> 01:22:23,560

that was really weird

1979

01:22:29,040 --> 01:22:26,110

I just saw like you know a shooting star

1980

01:22:31,740 --> 01:22:29,050

comes in really fast like bu he said it

1981

01:22:34,920 --> 01:22:31,750

was probably like start-finish it was

1982

01:22:38,730 --> 01:22:34,930

really fast but it was a huge orange

1983

01:22:39,960 --> 01:22:38,740

circle that didn't have like reflections

1984

01:22:41,610 --> 01:22:39,970

coming off of it like huh

1985

01:22:43,440 --> 01:22:41,620

or a trail or anything like that he said

1986

01:22:45,840 --> 01:22:43,450

it was a trail but it was just this

1987

01:22:49,260 --> 01:22:45,850

big-ass orange ball that just streaked

1988

01:22:51,930 --> 01:22:49,270

across the sky but not all the way so it

1989

01:22:53,730 --> 01:22:51,940

just went like if you were to hold up

1990

01:22:55,290 --> 01:22:53,740

like a link of a cell phone in front of

1991

01:22:57,480 --> 01:22:55,300

you that's how far it went and then it

1992

01:22:58,350 --> 01:22:57,490

just disappeared it was pretty weird I

1993

01:23:00,780 --> 01:22:58,360

was pretty awesome

1994

01:23:02,040 --> 01:23:00,790

this pissed that I didn't see it I like

1995

01:23:03,450 --> 01:23:02,050

immediately went on his side of the

1996

01:23:05,970 --> 01:23:03,460

table just in case it happened again

1997

01:23:08,100 --> 01:23:05,980

right yeah yeah but dude to Z UFO

1998

01:23:09,660 --> 01:23:08,110

sightings in one weekend that's pretty

1999

01:23:10,920 --> 01:23:09,670

cool it's that's uh it's pretty awesome

2000

01:23:14,220 --> 01:23:10,930

that's pretty awesome

2001

01:23:17,640 --> 01:23:14,230

hey uh Dan what did I do I was pretty

2002

01:23:18,959 --> 01:23:17,650

lazy this weekend unfortunately I didn't

2003

01:23:20,939 --> 01:23:18,969

see any UFOs

2004

01:23:24,299 --> 01:23:20,949

man aren't you busy watching love after

2005

01:23:26,520 --> 01:23:24,309

lock up an old lady on TLC what what

2006

01:23:30,989 --> 01:23:26,530

does the art people use the war show

2007

01:23:33,029 --> 01:23:30,999

ever created it's about okay so it's

2008

01:23:35,189 --> 01:23:33,039

about it's about people who are in

2009

01:23:37,500 --> 01:23:35,199

prison and then like they find love

2010

01:23:39,479 --> 01:23:37,510

outside of prison and then whenever they

2011

01:23:40,229 --> 01:23:39,489

get released from prison they're like is

2012

01:23:42,330 --> 01:23:40,239

this gonna work

2013

01:23:44,219 --> 01:23:42,340

and it's like no because you were just

2014

01:23:46,080 --> 01:23:44,229

in prison and they were just using you

2015

01:23:48,120 --> 01:23:46,090

for your money and like it always works

2016

01:23:50,850 --> 01:23:48,130

out that way and they're like it's it's

2017

01:23:54,089 --> 01:23:50,860

it's so terrible home the worst show

2018

01:23:57,600 --> 01:23:54,099

ever created um you ever see something

2019

01:23:58,319 --> 01:23:57,610

so terrible that like you just can't

2020

01:24:00,450 --> 01:23:58,329

look away

2021

01:24:02,729 --> 01:24:00,460

like it is it's kind of one of those

2022

01:24:06,959 --> 01:24:02,739

things where like I yell at the TV yeah

2023

01:24:08,939 --> 01:24:06,969

right and like I know I shouldn't be

2024

01:24:11,729 --> 01:24:08,949

doing this yeah we're watching this I am

2025

01:24:14,910 --> 01:24:11,739

completely it's wasting my time right

2026

01:24:18,989 --> 01:24:14,920

now right and and I should be out

2027

01:24:21,899 --> 01:24:18,999

looking for aliens yeah I I can't it

2028

01:24:26,489 --> 01:24:21,909

like sucks me in yeah I can't leave the

2029

01:24:28,709 --> 01:24:26,499

couch oh no oh dude is terrible yeah I

2030

01:24:30,810 --> 01:24:28,719

had a show like that a while back it

2031

01:24:34,589 --> 01:24:30,820

wasn't it was I can't remember the name

2032

01:24:36,270 --> 01:24:34,599

of it but it was raised you know I did

2033

01:24:37,739 --> 01:24:36,280

try to watch that I couldn't get into it

2034

01:24:41,310 --> 01:24:37,749

I heard it was really good show though I

2035

01:24:43,640 --> 01:24:41,320

hear that you and it's not I think he's

2036

01:24:47,219 --> 01:24:43,650

for like smart people or something odd

2037

01:24:48,390 --> 01:24:47,229

but I did was the show uh it was about

2038

01:24:51,509 --> 01:24:48,400

people going out in the middle of

2039

01:24:52,739 --> 01:24:51,519

nowhere doing like a homestead and yeah

2040

01:24:54,750 --> 01:24:52,749

it was the weirdest thing like the

2041

01:24:57,270 --> 01:24:54,760

family had like eight kids well they all

2042

01:24:58,709 --> 01:24:57,280

had different accents so like what that

2043

01:25:00,719 --> 01:24:58,719

doesn't make any sense like did you grow

2044

01:25:01,859 --> 01:25:00,729

up in a different place I think it was

2045

01:25:03,719 --> 01:25:01,869

all just actors and they put him

2046

01:25:05,189 --> 01:25:03,729

together and said they were a family and

2047

01:25:07,200 --> 01:25:05,199

they're really just dysfunctional and

2048

01:25:10,319 --> 01:25:07,210

just like the Alaskan bush people

2049

01:25:12,029 --> 01:25:10,329

it might have been but I don't have to

2050

01:25:14,100 --> 01:25:12,039

look it up but man I didn't have a show

2051

01:25:17,549 --> 01:25:14,110

just like that like this is [h__\h]

2052

01:25:19,770 --> 01:25:17,559

terrible TV why did I spend two days two

2053

01:25:23,129 --> 01:25:19,780

full days watching every episode in jibt

2054

01:25:27,180 --> 01:25:23,139

I had to I'm not smarter nor do I know

2055

01:25:28,350 --> 01:25:27,190

how to homestead man that was awesome

2056

01:25:29,430 --> 01:25:28,360

will do that was a really good episode

2057

01:25:31,140 --> 01:25:29,440

man

2058

01:25:34,770 --> 01:25:31,150

hey don't forget to check us out on a

2059

01:25:36,690 --> 01:25:34,780

UFO garage PC comm I've got some goodies

2060

01:25:38,460 --> 01:25:36,700

on there for you guys you can check out

2061

01:25:40,500 --> 01:25:38,470

all of our episodes you can check out

2062

01:25:42,480 --> 01:25:40,510

our intro if you're if you're a new

2063

01:25:45,000 --> 01:25:42,490

listener you can listen to the intro to

2064

01:25:48,690 --> 01:25:45,010

our episodes and you know find out what

2065

01:25:50,970 --> 01:25:48,700

we're all about also UFO con 2020 oh

2066

01:25:54,660 --> 01:25:50,980

yeah all of our California listeners

2067

01:25:58,410 --> 01:25:54,670

check that out go to UFO Con 2020 calm

2068

01:26:00,450 --> 01:25:58,420

and uh yeah yeah get your tickets and

2069

01:26:01,830 --> 01:26:00,460

come out and say hi to us hell yeah

2070

01:26:04,380 --> 01:26:01,840

that'll be sook

2071

01:26:06,480 --> 01:26:04,390

I'm gonna send max to NASA send max to

2072

01:26:08,970 --> 01:26:06,490

NASA dude yeah we need some donations

2073

01:26:10,620 --> 01:26:08,980

for max and and also I still want to

2074

01:26:12,780 --> 01:26:10,630

find like a little charity around here

2075

01:26:14,820 --> 01:26:12,790

for Christmastime maybe it's some kids

2076

01:26:16,620 --> 01:26:14,830

some toys yeah so if you guys want to

2077

01:26:18,120 --> 01:26:16,630

donate and help us out with that cuz I

2078

01:26:19,440 --> 01:26:18,130

mean it's gonna be a bummer when we show

2079

01:26:23,070 --> 01:26:19,450

up to these kids houses and we're like

2080

01:26:28,290 --> 01:26:23,080

um so sorry we don't have any toys for

2081

01:26:29,490 --> 01:26:28,300

you but uh but here's a magic trick and

2082

01:26:33,660 --> 01:26:29,500

they're like we pretend to take their

2083

01:26:35,220 --> 01:26:33,670

nose off and it's like our thumb yeah

2084

01:26:36,810 --> 01:26:35,230

dude so I mean we'd like to do some

2085

01:26:38,640 --> 01:26:36,820

Christmas donation stuff cuz if not I

2086

01:26:45,480 --> 01:26:38,650

mean they're getting 40 bucks for me and

2087

01:26:47,910 --> 01:26:45,490

in 40 bucks for Ben yeah but yeah that

2088

01:26:51,800 --> 01:26:47,920

was an awesome episode yeah check out

2089

01:26:56,340 --> 01:26:51,810

the website you'll folk on what else oh

2090

01:26:58,380 --> 01:26:56,350

we need to get Lorien on we need to

2091

01:27:00,600 --> 01:26:58,390

schedule her to see you as well yes we

2092

01:27:02,220 --> 01:27:00,610

got to do that yeah I do that don't

2093

01:27:04,290 --> 01:27:02,230

forget to check out Phoenix shaving in

2094

01:27:08,460 --> 01:27:04,300

Phoenix shaving calm go see what does

2095

01:27:10,110 --> 01:27:08,470

Zach going on over there and uh cuz you

2096

01:27:12,330 --> 01:27:10,120

got some like Christmas stuff coming out

2097

01:27:18,630 --> 01:27:12,340

some Christmas in Sweden I'm not gonna

2098

01:27:20,820 --> 01:27:18,640

ply him cuz Christmas yeah abduction 51

2099

01:27:22,830 --> 01:27:20,830

calm go check out their gear those are

2100

01:27:25,620 --> 01:27:22,840

our our brothers from across the pond

2101

01:27:27,900 --> 01:27:25,630

and yeah man I mean who subscribe

2102

01:27:30,270 --> 01:27:27,910

subscribe to us on YouTube yeah yeah if

2103

01:27:32,310 --> 01:27:30,280

you uh listen on YouTube I know we got

2104

01:27:35,220 --> 01:27:32,320

like what like I'm like 90-something

2105

01:27:37,800 --> 01:27:35,230

members now on the on the UFO garage

2106

01:27:40,650 --> 01:27:37,810

podcast group so if every single one of

2107

01:27:42,330 --> 01:27:40,660

you guys goes and just hits the

2108

01:27:43,649 --> 01:27:42,340

subscribe button really quick I mean

2109

01:27:46,470 --> 01:27:43,659

don't even need an account to do that

2110

01:27:48,270 --> 01:27:46,480

you just go click Subscribe do you I

2111

01:27:51,660 --> 01:27:48,280

thought you did no I don't think so say

2112

01:27:53,879 --> 01:27:51,670

I never made an account ok think so even

2113

01:27:56,040 --> 01:27:53,889

if you did I mean how many times do you

2114

01:27:57,750 --> 01:27:56,050

put your email on something today right

2115

01:27:59,220 --> 01:27:57,760

and it doesn't mean anything

2116

01:28:01,979 --> 01:27:59,230

yeah I mean this is kind of one of those

2117

01:28:03,720 --> 01:28:01,989

things and if you do now you can just go

2118

01:28:06,300 --> 01:28:03,730

talk [h__h] to people right in the

2119

01:28:09,089 --> 01:28:06,310

comments and that's like I mean I don't

2120

01:28:11,100 --> 01:28:09,099

write but I definitely enjoy reading

2121

01:28:12,120 --> 01:28:11,110

them so go talk [h__h] to people in the

2122

01:28:14,070 --> 01:28:12,130

comments

2123

01:28:16,459 --> 01:28:14,080

sign up and so I can go read them and

2124

01:28:19,080 --> 01:28:16,469

don't forget to subscribe to us on on

2125

01:28:20,490 --> 01:28:19,090

Facebook and wherever you listen to us

2126

01:28:23,640 --> 01:28:20,500

you know whether it be Spotify

2127

01:28:26,220 --> 01:28:23,650

iHeartRadio whatever shoot us a little

2128

01:28:29,040 --> 01:28:26,230

like maybe send us a little comment on

2129

01:28:31,859 --> 01:28:29,050

the bottom even if it's like you guys

2130

01:28:34,350 --> 01:28:31,869

sound like farts on the radio that's

2131

01:28:36,810 --> 01:28:34,360

cool too like you know all the love out

2132

01:28:39,959 --> 01:28:36,820

of love manages it just helps us helps

2133

01:28:42,750 --> 01:28:39,969

us climb those those charts yeah and our

2134

01:28:45,870 --> 01:28:42,760

ratings on iTunes podcast - those help

2135

01:28:47,850 --> 01:28:45,880

our stuff show up yeah yeah we're trying

2136

01:28:50,459 --> 01:28:47,860

to get more lessons than Led Zeppelin

2137

01:28:51,990 --> 01:28:50,469

radio so if you guys could help us get

2138

01:28:52,950 --> 01:28:52,000

more listeners than Led Zeppelin radio

2139

01:28:55,439 --> 01:28:52,960

that would be awesome

2140

01:28:57,060 --> 01:28:55,449

that's gonna be too hard nah dude I mean

2141

01:28:58,080 --> 01:28:57,070

they're only just known as the pinnacle

2142

01:29:00,000 --> 01:28:58,090

of rock and roll

2143

01:29:04,109 --> 01:29:00,010

I've never heard of them never heard of

2144

01:29:06,479 --> 01:29:04,119

those guys it's these chicks from

2145

01:29:09,750 --> 01:29:06,489

England Oh got it

2146

01:29:11,550 --> 01:29:09,760

yeah no but uh yeah guys uh I think it's
