

SOMEWHERE IN THE SKIES

FEATURING
NICK REDFERN

THE RENDLESHAM FOREST
UFO CONSPIRACY

1
00:00:05,180 --> 00:00:02,570
today on the show prolific author Nick

2
00:00:08,120 --> 00:00:05,190
Redfern returns to talk all about his

3
00:00:11,419 --> 00:00:08,130
latest book the Rendlesham forest UFO

4
00:00:13,249 --> 00:00:11,429
conspiracy a close encounter exposed as

5
00:00:16,939 --> 00:00:13,259
a top secret government experiment

6
00:00:18,859 --> 00:00:16,949
people do want to hear about UFOs and

7
00:00:21,230 --> 00:00:18,869
they don't want to hear about Nick

8
00:00:24,529 --> 00:00:21,240
talking about hologram you know I'll be

9
00:00:26,929 --> 00:00:24,539
brutally honest I know people don't want

10
00:00:29,660 --> 00:00:26,939
the truth to be what it is in my book

11
00:00:31,759 --> 00:00:29,670
they want it to be extraterrestrial but

12
00:00:33,170 --> 00:00:31,769
I mean I can only present it as it is

13
00:00:35,660 --> 00:00:33,180

but that's one of the most brilliant

14

00:00:38,330 --> 00:00:35,670

things about it you know the reason why

15

00:00:41,000 --> 00:00:38,340

these programs work is because so many

16

00:00:43,400 --> 00:00:41,010

people do want that to be the answer

17

00:00:45,410 --> 00:00:43,410

they want the alien angles they don't

18

00:00:47,779 --> 00:00:45,420

want to know that Rendlesham was a

19

00:00:49,610 --> 00:00:47,789

secret military experiment and that's

20

00:01:03,340 --> 00:00:49,620

what you're up against that you follow

21

00:01:20,190 --> 00:01:03,350

gee this is somewhere in the skies

22

00:01:22,990 --> 00:01:20,200

[Music]

23

00:01:27,760 --> 00:01:23,000

Nick thanks for joining me once again on

24

00:01:30,040 --> 00:01:27,770

somewhere in the skies absolutely I

25

00:01:32,860 --> 00:01:30,050

think the last time we spoke was face to

26

00:01:37,630 --> 00:01:32,870

face actually in Michigan for the UFO

27

00:01:39,220 --> 00:01:37,640

con so I'm excited to catch up man yep

28

00:01:41,410 --> 00:01:39,230

yep and you had a controversial book

29

00:01:44,170 --> 00:01:41,420

come out around that time as you do

30

00:01:46,540 --> 00:01:44,180

today so we're gonna be talking today

31

00:01:49,180 --> 00:01:46,550

about the Rendlesham forest UFO

32

00:01:51,790 --> 00:01:49,190

conspiracy a close encounter exposed as

33

00:01:54,430 --> 00:01:51,800

a top secret government experiment that

34

00:01:57,280 --> 00:01:54,440

subtitle I think is going to be the the

35

00:01:59,560 --> 00:01:57,290

contention today with many people in the

36

00:02:01,450 --> 00:01:59,570

UFO field but um I'm really excited to

37

00:02:02,950 --> 00:02:01,460

talk to you about this one man oh well

38

00:02:04,720 --> 00:02:02,960

thanks I mean it's one of these things

39

00:02:06,430 --> 00:02:04,730

that people may not know the books

40

00:02:08,650 --> 00:02:06,440

called the Rendlesham forest UFO

41

00:02:11,340 --> 00:02:08,660

conspiracy and it takes sort of a

42

00:02:13,770 --> 00:02:11,350

different approach to the UFO angle but

43

00:02:16,840 --> 00:02:13,780

arguably you could say it's more

44

00:02:21,040 --> 00:02:16,850

controversial in some ways than it could

45

00:02:23,860 --> 00:02:21,050

be if aliens really did land and this

46

00:02:26,260 --> 00:02:23,870

being ufology you know some people think

47

00:02:28,630 --> 00:02:26,270

that i'm right on target other people

48

00:02:37,570 --> 00:02:28,640

wanna sort of you know throw me on a

49

00:02:40,090 --> 00:02:37,580

bonfire or just lady there's been a lot

50

00:02:42,130 --> 00:02:40,100

of good debates and arguments but it

51
00:02:44,530 --> 00:02:42,140
always tell people I've got thick skin

52
00:02:46,690 --> 00:02:44,540
and you know for an argument

53
00:02:49,120 --> 00:02:46,700
bring it on you know that's that's what

54
00:02:51,550 --> 00:02:49,130
it's debate is for you know to try and

55
00:02:54,940 --> 00:02:51,560
get to the heart of what the truth is of

56
00:02:57,160 --> 00:02:54,950
this particular case and and see where

57
00:02:58,300 --> 00:02:57,170
it leads us you know yeah absolutely and

58
00:03:01,479 --> 00:02:58,310
this is definitely one of those cases

59
00:03:03,759 --> 00:03:01,489
where I think there is a wide-open field

60
00:03:06,130 --> 00:03:03,769
of alternative theories because just

61
00:03:08,979 --> 00:03:06,140
like most UFO cases we don't have a

62
00:03:11,470 --> 00:03:08,989
solid definitive answer on what happened

63
00:03:13,330 --> 00:03:11,480

and we are kind of left with you know

64

00:03:15,640 --> 00:03:13,340

what the majority think Roswell was

65

00:03:17,710 --> 00:03:15,650

aliens Rendlesham was aliens but when

66

00:03:19,720 --> 00:03:17,720

you start to really look at these things

67

00:03:22,630 --> 00:03:19,730

and look at it with a fresh perspective

68

00:03:24,820 --> 00:03:22,640

I think these theories are bringing

69

00:03:26,560 --> 00:03:24,830

forward have a lot more truth to them

70

00:03:30,580 --> 00:03:26,570

that I think a lot of people are willing

71

00:03:33,160 --> 00:03:30,590

to accept as true believers of a ety

72

00:03:33,970 --> 00:03:33,170

kind I would say but um before we even

73

00:03:35,949 --> 00:03:33,980

get to that Nick

74

00:03:37,449 --> 00:03:35,959

you're probably sick of answering this

75

00:03:39,580 --> 00:03:37,459

question but for some of my listeners

76

00:03:41,199 --> 00:03:39,590

who may not be too familiar with the

77

00:03:44,199 --> 00:03:41,209

Rendlesham case could you maybe give us

78

00:03:47,649 --> 00:03:44,209

kind of a you know the 101 rundown of

79

00:03:50,890 --> 00:03:47,659

what Rendlesham is and what the original

80

00:03:53,559 --> 00:03:50,900

event was all about well it began like

81

00:03:56,910 --> 00:03:53,569

the part of December 1980 quite

82

00:04:00,449 --> 00:03:56,920

literally over the Christmas period and

83

00:04:04,809 --> 00:04:00,459

Renison forest is a large area of forest

84

00:04:06,699 --> 00:04:04,819

in the county of Suffolk in England and

85

00:04:09,759 --> 00:04:06,709

it's near they look it up and allâh on

86

00:04:13,170 --> 00:04:09,769

the map it's it's close to the east

87

00:04:15,880 --> 00:04:13,180

coast and it's a very intriguing

88

00:04:18,400 --> 00:04:15,890

location because all around that area

89

00:04:20,740 --> 00:04:18,410

you've got or you used to have at the

90

00:04:24,159 --> 00:04:20,750

height of the Cold War a number of

91

00:04:27,760 --> 00:04:24,169

British Royal Air Force bases which

92

00:04:31,150 --> 00:04:27,770

actually had leased out to the u2 the

93

00:04:33,820 --> 00:04:31,160

United States and so although the bases

94

00:04:36,100 --> 00:04:33,830

that where the two bases involved in the

95

00:04:38,589 --> 00:04:36,110

incident Royal Air Force Bentwaters and

96

00:04:42,310 --> 00:04:38,599

Royal Air Force Woodbridge although the

97

00:04:45,850 --> 00:04:42,320

events occurred on UK soil the bases

98

00:04:47,980 --> 00:04:45,860

themselves were actually staffed by US

99

00:04:50,950 --> 00:04:47,990

personnel largely not completely but

100

00:04:53,650 --> 00:04:50,960

largely so we have this situation where

101
00:04:57,430 --> 00:04:53,660
you've got military and on both sides

102
00:05:02,500 --> 00:04:57,440
the UK and the US in varying ways being

103
00:05:06,700 --> 00:05:02,510
involved and the story is that around 26

104
00:05:09,159 --> 00:05:06,710
27 December 1980 and the numbers are

105
00:05:11,860 --> 00:05:09,169
actually sort of a little bit vague

106
00:05:13,839 --> 00:05:11,870
because over the years people have come

107
00:05:15,460 --> 00:05:13,849
forward to say well you know something

108
00:05:17,230 --> 00:05:15,470
else happened on the third night and on

109
00:05:21,909 --> 00:05:17,240
the fourth night and there are stories

110
00:05:24,010 --> 00:05:21,919
about and just over the Suffolk border

111
00:05:25,740 --> 00:05:24,020
there's another County they're called

112
00:05:28,570 --> 00:05:25,750
Norfolk and there were rumors of another

113
00:05:30,820 --> 00:05:28,580

experiments going on there as well on

114

00:05:32,950 --> 00:05:30,830

one of the same nights so we don't

115

00:05:35,110 --> 00:05:32,960

admittedly after 40 years you know there

116

00:05:37,719 --> 00:05:35,120

are some things we don't know about it

117

00:05:40,180 --> 00:05:37,729

apart from the fact that the case is

118

00:05:42,670 --> 00:05:40,190

almost unique because you think about it

119

00:05:44,560 --> 00:05:42,680

most UFO events you know somebody say

120

00:05:46,450 --> 00:05:44,570

something and they take a picture or

121

00:05:47,719 --> 00:05:46,460

they just see it and you know tell

122

00:05:50,480 --> 00:05:47,729

somebody this is

123

00:05:52,879 --> 00:05:50,490

really difference because it wasn't here

124

00:05:55,999 --> 00:05:52,889

one second and gone the next second like

125

00:05:58,159 --> 00:05:56,009

so many UFO cases this went on for three

126

00:05:59,689 --> 00:05:58,169

or four nights and so that's one of the

127

00:06:03,290 --> 00:05:59,699

reasons why it's really stuck in

128

00:06:05,510 --> 00:06:03,300

people's minds and and the fact that you

129

00:06:08,510 --> 00:06:05,520

know there were a couple of dozen if not

130

00:06:11,209 --> 00:06:08,520

more military personnel out in the woods

131

00:06:14,420 --> 00:06:11,219

collectively on the under various nights

132

00:06:16,070 --> 00:06:14,430

and so it's become it's become known as

133

00:06:19,189 --> 00:06:16,080

like the British Roswell not because

134

00:06:21,860 --> 00:06:19,199

anything crashed but because of the the

135

00:06:24,290 --> 00:06:21,870

sheer visibility of the case and also

136

00:06:27,469 --> 00:06:24,300

the fact that you know it involves so

137

00:06:29,360 --> 00:06:27,479

many military people so that's

138

00:06:32,389 --> 00:06:29,370

essentially the story and what the the

139

00:06:35,540 --> 00:06:32,399

people saw the guy saw was sort of

140

00:06:38,540 --> 00:06:35,550

lights in the sky beams of light kind of

141

00:06:41,350 --> 00:06:38,550

like a red pencil laser light things

142

00:06:44,320 --> 00:06:41,360

like this and reports of some of the the

143

00:06:47,149 --> 00:06:44,330

the witnesses seeing what looked like a

144

00:06:49,219 --> 00:06:47,159

craft and there was this sort of strange

145

00:06:51,730 --> 00:06:49,229

mist as well in the woods so everything

146

00:06:54,889 --> 00:06:51,740

about it was sort of really weird and

147

00:06:56,570 --> 00:06:54,899

Atmospheric right super trippy almost

148

00:06:59,389 --> 00:06:56,580

and I mean that kind of comes with the

149

00:07:00,949 --> 00:06:59,399

territory of Rendlesham forest so before

150

00:07:03,649 --> 00:07:00,959

we even dive into some of these theories

151

00:07:05,869 --> 00:07:03,659

on what could have landed there if

152

00:07:07,820 --> 00:07:05,879

anything landed there I know you've done

153

00:07:10,760 --> 00:07:07,830

a lot of research into Rendlesham forest

154

00:07:13,219 --> 00:07:10,770

itself with a lot of the the folklore

155

00:07:14,480 --> 00:07:13,229

and history to this place and I was

156

00:07:16,999 --> 00:07:14,490

wondering would you mind touching on

157

00:07:18,709 --> 00:07:17,009

kind of a this stranger aspects of this

158

00:07:22,699 --> 00:07:18,719

forest before we've been dive into the

159

00:07:25,369 --> 00:07:22,709

event two sides to this one of them is

160

00:07:27,170 --> 00:07:25,379

sort of the the conspiracy angle and by

161

00:07:30,139 --> 00:07:27,180

that I mean that a lot of people who

162

00:07:32,779 --> 00:07:30,149

have heard of the case and herded

163

00:07:35,869 --> 00:07:32,789

Rendlesham forest they may not know of

164

00:07:38,480 --> 00:07:35,879

the sort of history of secret projects

165

00:07:40,339 --> 00:07:38,490

of varying ways that have actually

166

00:07:43,579 --> 00:07:40,349

occurred in and around the area for

167

00:07:46,279 --> 00:07:43,589

example in the early 1930s the British

168

00:07:48,649 --> 00:07:46,289

government secretly created a new

169

00:07:51,829 --> 00:07:48,659

program to develop radar and it was

170

00:07:54,610 --> 00:07:51,839

called the Tizard committee and this was

171

00:07:57,980 --> 00:07:54,620

when radar was really in its infancy and

172

00:08:00,019 --> 00:07:57,990

this occurred as I said it was set up in

173

00:08:00,700 --> 00:08:00,029

the 1930s and continued through the

174

00:08:03,220 --> 00:08:00,710

second we

175

00:08:05,470 --> 00:08:03,230

war not too far from Rendlesham forest

176

00:08:07,540 --> 00:08:05,480

there's a little village called shingle

177

00:08:10,920 --> 00:08:07,550

Street and there'd been rumors for years

178

00:08:13,870 --> 00:08:10,930

in fact decades that a contingent of

179

00:08:16,330 --> 00:08:13,880

German troops tried to secretly invade

180

00:08:19,690 --> 00:08:16,340

the UK from the east coast

181

00:08:21,910 --> 00:08:19,700

and they were all killed by some sort of

182

00:08:24,340 --> 00:08:21,920

technology that literally set them all

183

00:08:28,030 --> 00:08:24,350

on fire as they started to get onto the

184

00:08:31,990 --> 00:08:28,040

beach and there was in the 1960s there

185

00:08:35,020 --> 00:08:32,000

was a top-secret radar operation called

186

00:08:38,020 --> 00:08:35,030

Cobra mist which also operated out of

187

00:08:40,900 --> 00:08:38,030

air as well and also Marconi had a

188

00:08:43,570 --> 00:08:40,910

presence in the same area now to put

189

00:08:46,780 --> 00:08:43,580

this into sort of stark reality of it

190

00:08:49,210 --> 00:08:46,790

all but lizzard committee cobra mist

191

00:08:52,690 --> 00:08:49,220

shingle streets with the strange deaths

192

00:08:54,790 --> 00:08:52,700

and all the various other radar programs

193

00:08:57,550 --> 00:08:54,800

and so on all of them the Marconi

194

00:08:59,980 --> 00:08:57,560

company as well and all of these

195

00:09:03,460 --> 00:08:59,990

facilities all of these classified

196

00:09:06,850 --> 00:09:03,470

programs all took place less than eleven

197

00:09:09,010 --> 00:09:06,860

miles from Rendlesham forest so in other

198

00:09:11,170 --> 00:09:09,020

words you know a lot of people think

199

00:09:13,360 --> 00:09:11,180

Rendlesham forest is just this regular

200

00:09:16,330 --> 00:09:13,370

forest and something once happened there

201
00:09:18,970 --> 00:09:16,340
that was weird well weirdness he sort of

202
00:09:21,880 --> 00:09:18,980
Rendlesham forest middle name you know

203
00:09:23,640 --> 00:09:21,890
going right back to the 30s now there's

204
00:09:25,990 --> 00:09:23,650
the other side of it which is more of a

205
00:09:28,870 --> 00:09:26,000
supernatural side I guess there are

206
00:09:31,420 --> 00:09:28,880
legends of sort of like phantom black

207
00:09:33,730 --> 00:09:31,430
dogs as they're known in the UK sort of

208
00:09:36,460 --> 00:09:33,740
ghostly phantom black dogs roaming

209
00:09:39,810 --> 00:09:36,470
around the woods and large Black Panther

210
00:09:42,370 --> 00:09:39,820
type cats and ghostly figures so

211
00:09:45,220 --> 00:09:42,380
everything about Rendlesham forest is

212
00:09:47,620 --> 00:09:45,230
kind of weird but for me you know the

213
00:09:49,750 --> 00:09:47,630

the most important thing I guess in

214

00:09:53,650 --> 00:09:49,760

terms of the historical aspect of it all

215

00:09:56,580 --> 00:09:53,660

is the fact that like it or not the fact

216

00:10:01,240 --> 00:09:56,590

is that that entire area has been

217

00:10:03,490 --> 00:10:01,250

subjected to top-secret programs not

218

00:10:05,320 --> 00:10:03,500

just for years but for decades and I

219

00:10:07,840 --> 00:10:05,330

think that's an important thing when you

220

00:10:10,900 --> 00:10:07,850

look at the location and you look at the

221

00:10:12,820 --> 00:10:10,910

history you know it does become too

222

00:10:14,360 --> 00:10:12,830

difficult not too much of a stretch to

223

00:10:17,150 --> 00:10:14,370

say well you know

224

00:10:19,910 --> 00:10:17,160

four or five tops experiments going on

225

00:10:23,540 --> 00:10:19,920

in that direct area from the 30s to the

226

00:10:26,480 --> 00:10:23,550

80s then why not run a similar program

227

00:10:30,170 --> 00:10:26,490

in the same error again in relation to

228

00:10:34,490 --> 00:10:30,180

like a UFO theme experiments as well

229

00:10:36,470 --> 00:10:34,500

right right and you know these this idea

230

00:10:39,890 --> 00:10:36,480

that you know when you think of 11 miles

231

00:10:42,710 --> 00:10:39,900

here at America that's not that far so I

232

00:10:44,690 --> 00:10:42,720

mean then there's there's so much

233

00:10:47,090 --> 00:10:44,700

evidence that this is an area where you

234

00:10:49,220 --> 00:10:47,100

would do these types of experiments and

235

00:10:51,800 --> 00:10:49,230

one of the earlier ones you you cover in

236

00:10:53,840 --> 00:10:51,810

the book is um Edgewood Arsenal this was

237

00:10:55,970 --> 00:10:53,850

really interesting its significance with

238

00:10:58,760 --> 00:10:55,980

Rendlesham forest and this idea of ball

239

00:11:00,950 --> 00:10:58,770

lightning you know one of these excuses

240

00:11:03,470 --> 00:11:00,960

we heard later on during Project Blue

241

00:11:05,120 --> 00:11:03,480

Book for many UFO sightings as well so

242

00:11:06,769 --> 00:11:05,130

yeah would you mind kind of running us

243

00:11:08,660 --> 00:11:06,779

through this theory Nick of what ball

244

00:11:09,920 --> 00:11:08,670

lightning is first of all because I

245

00:11:14,950 --> 00:11:09,930

still can't really wrap my head around

246

00:11:18,050 --> 00:11:14,960

it and say graduate arsenal yeah well

247

00:11:21,410 --> 00:11:18,060

essentially all lightning is a very rare

248

00:11:23,870 --> 00:11:21,420

form of lightning and you know if you

249

00:11:25,100 --> 00:11:23,880

see you know a lightning bolt a

250

00:11:27,710 --> 00:11:25,110

thunderbolt you know and the the

251
00:11:29,660 --> 00:11:27,720
lightning coming down in like a like a

252
00:11:31,250 --> 00:11:29,670
jagged stick you know something like

253
00:11:33,860 --> 00:11:31,260
that in the skies you know everybody's

254
00:11:36,250 --> 00:11:33,870
seen that kind of lightning most people

255
00:11:39,050 --> 00:11:36,260
have never seen ball lightning and

256
00:11:41,269 --> 00:11:39,060
essentially it is exactly what it sounds

257
00:11:44,660 --> 00:11:41,279
like it's when you have this rare

258
00:11:48,079 --> 00:11:44,670
situation where the lightning actually

259
00:11:50,350 --> 00:11:48,089
turns into like a plasma ball and it can

260
00:11:53,329 --> 00:11:50,360
sort of you know it'll instead of like a

261
00:11:55,880 --> 00:11:53,339
bolt of lightning you know where you

262
00:11:58,160 --> 00:11:55,890
suddenly see for a second or two with

263
00:12:01,579 --> 00:11:58,170

ball lightning it kind of moves slowly

264

00:12:03,079 --> 00:12:01,589

in this spherical shape and it's

265

00:12:06,019 --> 00:12:03,089

something you know if you ever see it

266

00:12:08,900 --> 00:12:06,029

which I'd ever have but if you ever see

267

00:12:10,940 --> 00:12:08,910

it it really is like a fantastic thing

268

00:12:14,449 --> 00:12:10,950

it's kind of just imagine like a globe

269

00:12:16,550 --> 00:12:14,459

just totally lit up and slowly moving in

270

00:12:21,440 --> 00:12:16,560

the skies and and giving off these

271

00:12:24,640 --> 00:12:21,450

sparks of light now in the 1950s but

272

00:12:28,030 --> 00:12:24,650

particularly selmour in the 1960s

273

00:12:31,509 --> 00:12:28,040

research began to try and determine

274

00:12:35,620 --> 00:12:31,519

if if bull lightning could actually be

275

00:12:38,579 --> 00:12:35,630

controlled and weaponized and this all

276
00:12:41,769 --> 00:12:38,589
went along at the Edgewood Arsenal in

277
00:12:45,730 --> 00:12:41,779
Maryland and this was a top-secret

278
00:12:48,129 --> 00:12:45,740
program called kugelblitz kugelblitz is

279
00:12:49,710 --> 00:12:48,139
actually German for ball lightning

280
00:12:52,059 --> 00:12:49,720
that's where the name came from and

281
00:12:54,009 --> 00:12:52,069
possibly one of the reasons why it was

282
00:12:56,379 --> 00:12:54,019
called that was because some of the

283
00:12:59,019 --> 00:12:56,389
scientists who worked on it 20 years

284
00:13:02,139 --> 00:12:59,029
earlier they worked on some of the

285
00:13:05,470 --> 00:13:02,149
so-called paperclip projects that

286
00:13:07,900 --> 00:13:05,480
brought the German Nazi scientist over

287
00:13:10,199 --> 00:13:07,910
at the end of the Second World War so a

288
00:13:12,879 --> 00:13:10,209

lot of controversial and top-secret

289

00:13:15,939 --> 00:13:12,889

research was going on at the Edgewood

290

00:13:19,120 --> 00:13:15,949

Arsenal as I said they the plan was to

291

00:13:21,129 --> 00:13:19,130

try and see this ball lightning could be

292

00:13:24,519 --> 00:13:21,139

weaponized that's to say could it be

293

00:13:27,759 --> 00:13:24,529

directed using technology including

294

00:13:29,680 --> 00:13:27,769

laser beams to direct all lightning up

295

00:13:31,990 --> 00:13:29,690

the enemy in other words you know you

296

00:13:34,689 --> 00:13:32,000

could do away with tanks and missiles

297

00:13:37,689 --> 00:13:34,699

you could literally use ball lightning

298

00:13:40,870 --> 00:13:37,699

and you know arguably create even more

299

00:13:43,269 --> 00:13:40,880

damage to the enemy and this particular

300

00:13:46,230 --> 00:13:43,279

program went on for years

301
00:13:49,840 --> 00:13:46,240
the kugelblitz one by that name began in

302
00:13:52,629 --> 00:13:49,850
1965 and I've now got some files which

303
00:13:55,569 --> 00:13:52,639
show it was going through to the 1970s

304
00:13:59,769 --> 00:13:55,579
now the reason why I mentioned this in

305
00:14:03,129 --> 00:13:59,779
the book is because what the guys out in

306
00:14:05,040 --> 00:14:03,139
Rendlesham forest saw in in Rendlesham

307
00:14:08,290 --> 00:14:05,050
forest that night on the first night

308
00:14:10,980 --> 00:14:08,300
some of the material that was described

309
00:14:15,429 --> 00:14:10,990
in the skies by the guys in the woods

310
00:14:17,920 --> 00:14:15,439
eerily parallels what ball lightning is

311
00:14:20,829 --> 00:14:17,930
when you see moving along as I said it's

312
00:14:23,379 --> 00:14:20,839
like a spherical ball anywhere from the

313
00:14:25,749 --> 00:14:23,389

size of like a soccer ball up to like a

314

00:14:29,040 --> 00:14:25,759

beach ball maybe sometimes a little bit

315

00:14:33,009 --> 00:14:29,050

larger and it gives us these weird

316

00:14:36,040 --> 00:14:33,019

Sparks and glowing particles now what's

317

00:14:38,920 --> 00:14:36,050

intriguing is that that is exactly what

318

00:14:41,010 --> 00:14:38,930

Colonel Holt who wrote the famous memo

319

00:14:43,470 --> 00:14:41,020

about the about what happened on one of

320

00:14:46,590 --> 00:14:43,480

on the first two nights in that

321

00:14:50,160 --> 00:14:46,600

particular memo if you read in parallel

322

00:14:52,200 --> 00:14:50,170

what Holt had to say and the work being

323

00:14:55,560 --> 00:14:52,210

done at the Edgewood Arsenal it sounds

324

00:14:59,690 --> 00:14:55,570

very much like that in December 1980

325

00:15:02,610 --> 00:14:59,700

somebody had perfected this angle of

326

00:15:05,700 --> 00:15:02,620

replicating or controlling and

327

00:15:08,420 --> 00:15:05,710

weaponizing ball lightning and they were

328

00:15:12,510 --> 00:15:08,430

testing it out over Rendlesham forest

329

00:15:16,860 --> 00:15:12,520

now he gets more intriguing because the

330

00:15:19,650 --> 00:15:16,870

Edgewood Arsenal was also where a lot of

331

00:15:24,540 --> 00:15:19,660

early mind control that's similar to the

332

00:15:27,780 --> 00:15:24,550

see I am I am I am K ultra program of

333

00:15:30,810 --> 00:15:27,790

the 1950s onward so when you've got a

334

00:15:33,690 --> 00:15:30,820

facility that he's working to create

335

00:15:36,510 --> 00:15:33,700

ball lightning which in the sky kind of

336

00:15:39,600 --> 00:15:36,520

looks just like a UFO and at the same

337

00:15:43,100 --> 00:15:39,610

place they're also doing top-secret

338

00:15:45,500 --> 00:15:43,110

research into MKULTRA type

339

00:15:49,170 --> 00:15:45,510

investigations and experiments to

340

00:15:51,930 --> 00:15:49,180

manipulate the human mind etc etc then

341

00:15:53,820 --> 00:15:51,940

you realize you know this was all going

342

00:15:56,730 --> 00:15:53,830

on at the same time that's an important

343

00:15:59,940 --> 00:15:56,740

thing to note as well and there's also a

344

00:16:03,420 --> 00:15:59,950

mind control my manipulation component

345

00:16:05,970 --> 00:16:03,430

in in the Rendlesham forest story as

346

00:16:08,130 --> 00:16:05,980

well so you put all that together then

347

00:16:11,910 --> 00:16:08,140

you start to see a picture beginning in

348

00:16:15,000 --> 00:16:11,920

the mid sixties through to 1980 when he

349

00:16:17,580 --> 00:16:15,010

sounds very much like that by that time

350

00:16:20,790 --> 00:16:17,590

by nineteen eighty they've sort of got

351

00:16:22,980 --> 00:16:20,800

the program running up and you know sort

352

00:16:26,160 --> 00:16:22,990

of seeing what the guys responses were

353

00:16:28,620 --> 00:16:26,170

you know to see how they reacted to the

354

00:16:32,790 --> 00:16:28,630

idea could these be UFOs where actually

355

00:16:35,400 --> 00:16:32,800

it was a combination of controlled and

356

00:16:38,610 --> 00:16:35,410

weaponized ball lightning mind

357

00:16:41,040 --> 00:16:38,620

alteration and also with a third

358

00:16:43,530 --> 00:16:41,050

category that of the use of

359

00:16:45,720 --> 00:16:43,540

sophisticated pala grams

360

00:16:49,520 --> 00:16:45,730

yeah and we'll definitely get to that I

361

00:16:52,500 --> 00:16:49,530

do want to move back to the idea of

362

00:16:54,960 --> 00:16:52,510

using the mind with this Nick now we go

363

00:16:58,380 --> 00:16:54,970

from okay fine ball lightning in the sky

364

00:17:00,210 --> 00:16:58,390

this could be what halt you know and the

365

00:17:02,550 --> 00:17:00,220

other officers witnessed we've heard the

366

00:17:04,590 --> 00:17:02,560

audio tapes of them describing this and

367

00:17:06,810 --> 00:17:04,600

you're right it sounds no pun intended

368

00:17:10,199 --> 00:17:06,820

strikingly similar to this ball

369

00:17:13,439 --> 00:17:10,209

lightning but then you get to this next

370

00:17:15,210 --> 00:17:13,449

level of mind alteration we do know a

371

00:17:18,720 --> 00:17:15,220

lot of the officers said they felt like

372

00:17:20,340 --> 00:17:18,730

they were either you know going in slow

373

00:17:23,460 --> 00:17:20,350

motion or they felt like they were

374

00:17:25,829 --> 00:17:23,470

almost in this like weird altered state

375

00:17:28,170 --> 00:17:25,839

and some of the officers even said they

376

00:17:30,390 --> 00:17:28,180

felt like they were drugged and we moved

377

00:17:31,800 --> 00:17:30,400

to a different place that I know you've

378

00:17:34,980 --> 00:17:31,810

done a lot of research into and that's

379

00:17:37,110 --> 00:17:34,990

port and down so yeah I was wondering

380

00:17:39,750 --> 00:17:37,120

could you maybe we go from ball

381

00:17:41,760 --> 00:17:39,760

lightning to this next idea of now on

382

00:17:45,300 --> 00:17:41,770

the ground where officer said this thing

383

00:17:47,370 --> 00:17:45,310

possibly landed and other things happen

384

00:17:48,240 --> 00:17:47,380

so what is Porton Down has to do with

385

00:17:50,370 --> 00:17:48,250

all of this

386

00:17:52,950 --> 00:17:50,380

well portent down is an interesting

387

00:17:55,230 --> 00:17:52,960

place in the southwest of England and

388

00:17:58,260 --> 00:17:55,240

it's a highly classified top-secret

389

00:18:00,800 --> 00:17:58,270

facility in the southwest of the UK

390

00:18:04,770 --> 00:18:00,810

actually not too far as the crow flies

391

00:18:07,200 --> 00:18:04,780

from Stonehenge and so it kind of got

392

00:18:09,960 --> 00:18:07,210

its own little historical area so to

393

00:18:12,540 --> 00:18:09,970

speak but over the years certainly

394

00:18:15,660 --> 00:18:12,550

although it sort of began during the

395

00:18:18,780 --> 00:18:15,670

First World War it really sort of became

396

00:18:20,820 --> 00:18:18,790

- came to the fore so to speak in the

397

00:18:22,890 --> 00:18:20,830

Second World War and certainly

398

00:18:26,040 --> 00:18:22,900

throughout the early years of the Cold

399

00:18:31,200 --> 00:18:26,050

War so we thought talking about the 50s

400

00:18:34,230 --> 00:18:31,210

and the 60s now when the CIA started to

401
00:18:39,030 --> 00:18:34,240
do all their research into MKULTRA and

402
00:18:42,450 --> 00:18:39,040
my manipulation hallucinogenics LSD busy

403
00:18:45,390 --> 00:18:42,460
all these other mind-altering phenomena

404
00:18:49,800 --> 00:18:45,400
the UK of course has always had a good

405
00:18:52,290 --> 00:18:49,810
relationship with the US and when port

406
00:18:54,510 --> 00:18:52,300
and down decided in the 50s to get more

407
00:18:55,670 --> 00:18:54,520
and more involved in the field of things

408
00:18:59,540 --> 00:18:55,680
like LS

409
00:19:02,570 --> 00:18:59,550
and how it could be used on personnel to

410
00:19:05,630 --> 00:19:02,580
see how the sheer extent that he could

411
00:19:09,890 --> 00:19:05,640
alter the mindset well one of the things

412
00:19:13,910 --> 00:19:09,900
that they decided to do was to dos UK

413
00:19:16,430 --> 00:19:13,920

military personnel with LSD to see what

414

00:19:18,380 --> 00:19:16,440

the response was now you know people

415

00:19:20,060 --> 00:19:18,390

said to me well there's no way you know

416

00:19:22,190 --> 00:19:20,070

that the British government of British

417

00:19:24,500 --> 00:19:22,200

military would do that but they actually

418

00:19:27,340 --> 00:19:24,510

did and that the file some of the files

419

00:19:30,590 --> 00:19:27,350

at least have now been Declassified and

420

00:19:34,280 --> 00:19:30,600

film footage was taken which you can now

421

00:19:35,690 --> 00:19:34,290

actually see online and basically what

422

00:19:38,600 --> 00:19:35,700

it was they ran this experiment

423

00:19:40,700 --> 00:19:38,610

scientists from Porton down and took

424

00:19:43,400 --> 00:19:40,710

them to an area of forest interestingly

425

00:19:46,160 --> 00:19:43,410

enough you know under the forest not too

426
00:19:47,720 --> 00:19:46,170
far for important down in this case the

427
00:19:50,390 --> 00:19:47,730
guys were asked if they would be willing

428
00:19:52,040 --> 00:19:50,400
to go along with an experiment but they

429
00:19:53,630 --> 00:19:52,050
didn't tell them anything about the

430
00:19:54,650 --> 00:19:53,640
experiment they just said you know we

431
00:19:57,170 --> 00:19:54,660
want we're going to give you something

432
00:20:00,440 --> 00:19:57,180
and we just want to see how you respond

433
00:20:03,560 --> 00:20:00,450
and within minutes of being dosed with

434
00:20:05,390 --> 00:20:03,570
us with a small amount of LSD they

435
00:20:06,920 --> 00:20:05,400
started to you know just couldn't

436
00:20:08,960 --> 00:20:06,930
function properly some of them are

437
00:20:12,170 --> 00:20:08,970
climbing trees and whatever just

438
00:20:14,540 --> 00:20:12,180

laughing one guy in the in the footage

439

00:20:17,720 --> 00:20:14,550

looks like he's about to have a severe

440

00:20:19,900 --> 00:20:17,730

panic attack and there's a female nurse

441

00:20:22,790 --> 00:20:19,910

hanging on to his wrist and China

442

00:20:24,350 --> 00:20:22,800

reassuring and this demonstrated you

443

00:20:28,310 --> 00:20:24,360

know that the British government was

444

00:20:31,070 --> 00:20:28,320

quite billing to test things like LSD on

445

00:20:33,560 --> 00:20:31,080

their troops and some other guys you

446

00:20:35,630 --> 00:20:33,570

know they were only sort of 2021 but

447

00:20:38,870 --> 00:20:35,640

four years later it sort of stayed with

448

00:20:42,170 --> 00:20:38,880

them now the reason why I keep this in

449

00:20:44,690 --> 00:20:42,180

mind and why I put it in the book was

450

00:20:47,180 --> 00:20:44,700

because of the parallels between what

451
00:20:49,490 --> 00:20:47,190
went on in Mendelson forests we have

452
00:20:51,230 --> 00:20:49,500
some of the guys as you said you know

453
00:20:53,780 --> 00:20:51,240
they weren't able to walk around

454
00:20:56,060 --> 00:20:53,790
properly some of them felt you know they

455
00:20:58,610 --> 00:20:56,070
were walking in like water you know it

456
00:21:00,920 --> 00:20:58,620
was just sort of hard for them there was

457
00:21:03,500 --> 00:21:00,930
memory loss there was sort of a lot of

458
00:21:07,150 --> 00:21:03,510
bright light you know more visual than

459
00:21:08,480 --> 00:21:07,160
before or they should be and this was

460
00:21:17,840 --> 00:21:08,490
1964

461
00:21:19,820 --> 00:21:17,850
you'll find numerous websites about this

462
00:21:21,640 --> 00:21:19,830
and one of them it'll take you to

463
00:21:25,580 --> 00:21:21,650

youtube where you can actually watch

464

00:21:27,820 --> 00:21:25,590

portions of this experiment but the

465

00:21:31,520 --> 00:21:27,830

important thing for me you know this

466

00:21:35,210 --> 00:21:31,530

1964 that was only sort of sixteen years

467

00:21:39,700 --> 00:21:35,220

before Rendlesham british soldiers black

468

00:21:44,390 --> 00:21:39,710

t marines were exposed to mind-altering

469

00:21:47,780 --> 00:21:44,400

phenomena in a forest and the military

470

00:21:50,240 --> 00:21:47,790

the the the superior so to speak filmed

471

00:21:54,169 --> 00:21:50,250

it all and there are rumors that the

472

00:21:57,140 --> 00:21:54,179

guys him in Rendlesham forest were also

473

00:21:59,060 --> 00:21:57,150

filmed quietly to someone within the

474

00:22:01,340 --> 00:21:59,070

woods we don't know who exactly did that

475

00:22:06,530 --> 00:22:01,350

but the parallels between what happened

476

00:22:08,419 --> 00:22:06,540

in 64 and 1980 is so close that I had to

477

00:22:10,430 --> 00:22:08,429

pull you in the book but I wasn't the

478

00:22:12,410 --> 00:22:10,440

only one to sort of look into the port

479

00:22:16,040 --> 00:22:12,420

and down angle another another one of

480

00:22:19,490 --> 00:22:16,050

them was Rear Admiral Admiral the fleet

481

00:22:21,169 --> 00:22:19,500

Lord Hill Norton who was in the 1970s he

482

00:22:23,540 --> 00:22:21,179

was one of the most powerful and

483

00:22:26,270 --> 00:22:23,550

influential painting the British

484

00:22:28,700 --> 00:22:26,280

military in the Ministry of Defence in

485

00:22:31,520 --> 00:22:28,710

the 1970s and when he retired he

486

00:22:34,760 --> 00:22:31,530

actually developed a deep interest not

487

00:22:37,820 --> 00:22:34,770

just in UFOs but in Porton Down and the

488

00:22:40,490 --> 00:22:37,830

Rendlesham connection and he actually

489

00:22:43,880 --> 00:22:40,500

pushed the government to tell him what

490

00:22:45,950 --> 00:22:43,890

went on and bear in mind you know he was

491

00:22:48,140 --> 00:22:45,960

retired by then so he was kind of out of

492

00:22:51,230 --> 00:22:48,150

the out of the loop you know it was no

493

00:22:53,090 --> 00:22:51,240

longer in the know so to speak he was

494

00:22:55,070 --> 00:22:53,100

basically given the brush-off

495

00:22:58,190 --> 00:22:55,080

even though you know back in the 70s he

496

00:23:00,320 --> 00:22:58,200

held this senior position but he heard

497

00:23:02,870 --> 00:23:00,330

rumors through his contacts in

498

00:23:06,430 --> 00:23:02,880

governments that yes a team had been

499

00:23:09,890 --> 00:23:06,440

secretly brought in to Rendlesham forest

500

00:23:11,780 --> 00:23:09,900

almost certainly the night before the

501
00:23:14,150 --> 00:23:11,790
first series of events so everything

502
00:23:16,880 --> 00:23:14,160
could be sketched set up you know late

503
00:23:18,340 --> 00:23:16,890
deep in the wards late at night nobody

504
00:23:20,740 --> 00:23:18,350
really around

505
00:23:23,760 --> 00:23:20,750
he learned that as I said in almost

506
00:23:26,380 --> 00:23:23,770
certainly that the team from Porton Down

507
00:23:28,000 --> 00:23:26,390
had got up in to Rendlesham forest at

508
00:23:30,159 --> 00:23:28,010
night before everything was prepared

509
00:23:34,000 --> 00:23:30,169
along with the technology that was

510
00:23:35,770 --> 00:23:34,010
needed for the holograms and the and the

511
00:23:38,650 --> 00:23:35,780
ball lightning and that might sound like

512
00:23:41,080 --> 00:23:38,660
a lot of things going on but you know

513
00:23:43,090 --> 00:23:41,090

dosing the guys or at least some of them

514

00:23:45,909 --> 00:23:43,100

wouldn't have been that difficult you

515

00:23:48,820 --> 00:23:45,919

know Holograms can be projected quite

516

00:23:51,130 --> 00:23:48,830

easily and you know and if your mind is

517

00:23:54,520 --> 00:23:51,140

already warped that's going to make it

518

00:23:56,500 --> 00:23:54,530

even easier and with the ball lightning

519

00:23:59,380 --> 00:23:56,510

as well if you add that to it you know

520

00:24:02,799 --> 00:23:59,390

we know for sure that that program had

521

00:24:05,860 --> 00:24:02,809

been going on from 1965 and certainly

522

00:24:08,200 --> 00:24:05,870

through the 1970s so in other words the

523

00:24:10,720 --> 00:24:08,210

guys who were running this program were

524

00:24:13,659 --> 00:24:10,730

already primed you know to know what to

525

00:24:16,450 --> 00:24:13,669

do right yeah and you know the the word

526
00:24:18,580 --> 00:24:16,460
staged comes to mind a lot when it comes

527
00:24:20,590 --> 00:24:18,590
to this a lot of the people felt like

528
00:24:23,350 --> 00:24:20,600
this was some sort of performance

529
00:24:25,240 --> 00:24:23,360
happening moving to the hologram thing

530
00:24:28,090 --> 00:24:25,250
Nick this I don't know if this is just

531
00:24:31,149 --> 00:24:28,100
really good timing on your part but

532
00:24:33,909 --> 00:24:31,159
within the last few weeks I think it was

533
00:24:36,190 --> 00:24:33,919
the Department of Defense and the Navy

534
00:24:39,490 --> 00:24:36,200
came forward and said they were looking

535
00:24:41,860 --> 00:24:39,500
into patents for plasma lasers to sort

536
00:24:44,110 --> 00:24:41,870
of you know for air defense purposes

537
00:24:45,730 --> 00:24:44,120
shoot a hologram out there the enemy

538
00:24:48,940 --> 00:24:45,740

will fire at that and meanwhile our

539

00:24:50,590 --> 00:24:48,950

plane will go away and we know that in

540

00:24:52,990 --> 00:24:50,600

the past these things have been rumored

541

00:24:56,399 --> 00:24:53,000

as well you know shining Holograms of

542

00:24:59,289 --> 00:24:56,409

God in the sky and whatnot so yeah what

543

00:25:01,180 --> 00:24:59,299

was this really good timing on your part

544

00:25:03,039 --> 00:25:01,190

that your theory came forward at the

545

00:25:04,270 --> 00:25:03,049

same time these articles started to come

546

00:25:07,029 --> 00:25:04,280

out or what are we dealing with here

547

00:25:09,210 --> 00:25:07,039

this is insane well at the very least

548

00:25:11,820 --> 00:25:09,220

it's like an incredibly weird

549

00:25:15,250 --> 00:25:11,830

coincidence you know or the ultimate

550

00:25:17,260 --> 00:25:15,260

synchronicity but they actually you know

551
00:25:19,810 --> 00:25:17,270
the story that you're talking about when

552
00:25:22,299 --> 00:25:19,820
this earth is just recently I actually

553
00:25:24,789 --> 00:25:22,309
did my second interview when that story

554
00:25:27,490 --> 00:25:24,799
broke and so you know talk about timing

555
00:25:29,289 --> 00:25:27,500
you know I guess we could sort of go

556
00:25:31,990 --> 00:25:29,299
down all sorts of conspiratorial

557
00:25:34,360 --> 00:25:32,000
pathways to explain that

558
00:25:35,140 --> 00:25:34,370
or you could say to coincidence you know

559
00:25:37,450 --> 00:25:35,150
and I'm just

560
00:25:40,390 --> 00:25:37,460
or maybe it's somewhere in between you

561
00:25:43,570 --> 00:25:40,400
know but the important thing is you know

562
00:25:46,180 --> 00:25:43,580
it does demonstrate the research has

563
00:25:49,660 --> 00:25:46,190

gone on and he's going on you know to

564

00:25:52,540 --> 00:25:49,670

sort of present imagery that isn't

565

00:25:54,580 --> 00:25:52,550

necessarily what it appears to be or you

566

00:25:57,220 --> 00:25:54,590

know the other way round you know so

567

00:26:00,460 --> 00:25:57,230

yeah that was sort of a weird time you

568

00:26:02,800 --> 00:26:00,470

know timing in relation to the

569

00:26:05,140 --> 00:26:02,810

revelations and of course you know it

570

00:26:06,970 --> 00:26:05,150

was tied in with UFOs as well whether

571

00:26:09,490 --> 00:26:06,980

there's something more to this you know

572

00:26:10,780 --> 00:26:09,500

I don't know of anything else you know

573

00:26:13,180 --> 00:26:10,790

that's what's going on behind the scenes

574

00:26:16,240 --> 00:26:13,190

you know all I've got is we got in the

575

00:26:18,430 --> 00:26:16,250

new stories etc etc but you know when

576
00:26:21,040 --> 00:26:18,440
you look at a subject like UFOs which is

577
00:26:22,990 --> 00:26:21,050
sort of filled with weirdness it

578
00:26:25,470 --> 00:26:23,000
wouldn't surprise me if somewhere

579
00:26:28,690 --> 00:26:25,480
there's a connection you know between

580
00:26:32,440 --> 00:26:28,700
the story coming out at broadly the same

581
00:26:35,230 --> 00:26:32,450
time yeah and I mean like you mentioned

582
00:26:37,450 --> 00:26:35,240
- we've we've attempted these things in

583
00:26:40,420 --> 00:26:37,460
the past right I mean you came across

584
00:26:41,860 --> 00:26:40,430
some files and whatnot that stated you

585
00:26:44,020 --> 00:26:41,870
know we have tried to use this as a

586
00:26:45,540 --> 00:26:44,030
psychological warfare thing in the past

587
00:26:47,740 --> 00:26:45,550
right oh yeah

588
00:26:49,930 --> 00:26:47,750

towards the end of the book you know I

589

00:26:52,540 --> 00:26:49,940

talk about a bunch of other cases which

590

00:26:55,060 --> 00:26:52,550

I think could have fallen to fall into

591

00:26:57,270 --> 00:26:55,070

the same category as Rendlesham you know

592

00:27:00,340 --> 00:26:57,280

sort of manipulation of the mind and

593

00:27:02,110 --> 00:27:00,350

staged events and you know the more I've

594

00:27:05,530 --> 00:27:02,120

dug into it the more and more I think

595

00:27:08,350 --> 00:27:05,540

this has gone on and I think but

596

00:27:11,800 --> 00:27:08,360

basically the way I look at it is that I

597

00:27:14,170 --> 00:27:11,810

do fully believe there is a genuine UFO

598

00:27:16,720 --> 00:27:14,180

phenomenon I absolutely believe that now

599

00:27:19,090 --> 00:27:16,730

whether it is extraterrestrial or

600

00:27:22,240 --> 00:27:19,100

multi-dimensional or extra-dimensional

601
00:27:25,060 --> 00:27:22,250
or just something we cannot fathom what

602
00:27:27,460 --> 00:27:25,070
they are at all period you know I do

603
00:27:30,390 --> 00:27:27,470
believe there is a real UFO phenomenon

604
00:27:33,340 --> 00:27:30,400
but what I think has happened is that

605
00:27:35,650 --> 00:27:33,350
agencies scientific agencies military

606
00:27:38,590 --> 00:27:35,660
agencies intelligence agencies have

607
00:27:41,260 --> 00:27:38,600
realized that yes there is this weird

608
00:27:43,990 --> 00:27:41,270
phenomenon that we don't understand but

609
00:27:45,490 --> 00:27:44,000
they can essential or they decided at

610
00:27:48,210 --> 00:27:45,500
some point probably the

611
00:27:52,240 --> 00:27:48,220
these forties fifties they decided to

612
00:27:54,340 --> 00:27:52,250
sort of hijack the real phenomenon so

613
00:27:57,039 --> 00:27:54,350

they could use it as a means to their

614

00:28:00,399 --> 00:27:57,049

you know to their benefit so to speak so

615

00:28:04,539 --> 00:28:00,409

we'll be talking about creating UFO

616

00:28:07,090 --> 00:28:04,549

events to test mimed altering technology

617

00:28:10,659 --> 00:28:07,100

see how the human mind responds to this

618

00:28:12,490 --> 00:28:10,669

or to that and then you know say then

619

00:28:14,710 --> 00:28:12,500

the military can have a sort of a way

620

00:28:16,750 --> 00:28:14,720

out by saying oh well it was just UFOs

621

00:28:19,320 --> 00:28:16,760

it was nothing to do with us so I think

622

00:28:22,960 --> 00:28:19,330

you know there has been this intriguing

623

00:28:25,690 --> 00:28:22,970

angle of government agencies knowing

624

00:28:29,409 --> 00:28:25,700

there's a real phenomenon but also using

625

00:28:31,360 --> 00:28:29,419

it as a tool of experimentation on

626

00:28:33,520 --> 00:28:31,370

people as well yeah I think the

627

00:28:36,159 --> 00:28:33,530

government is very good at being

628

00:28:38,799 --> 00:28:36,169

opportunistic when when it fits their

629

00:28:40,990 --> 00:28:38,809

you know their motives and yeah like you

630

00:28:44,230 --> 00:28:41,000

said pushing that alien narrative even

631

00:28:46,480 --> 00:28:44,240

if that's not the source of what's going

632

00:28:48,700 --> 00:28:46,490

on has probably been used a lot in the

633

00:28:51,070 --> 00:28:48,710

past and the whole hologram thing it's

634

00:28:52,720 --> 00:28:51,080

it's very fascinating to me Nick but I'm

635

00:28:55,419 --> 00:28:52,730

gonna play devil's advocate here I know

636

00:28:58,510 --> 00:28:55,429

some of my listeners have wondered as

637

00:29:00,460 --> 00:28:58,520

well Holograms of the officers being

638

00:29:02,200 --> 00:29:00,470

possibly drugged and looking at these

639

00:29:04,270 --> 00:29:02,210

things in the forest is one thing but

640

00:29:07,390 --> 00:29:04,280

what about catching these things on

641

00:29:09,880 --> 00:29:07,400

radar we know the radar operators were

642

00:29:12,399 --> 00:29:09,890

tracking these objects into Rendlesham

643

00:29:15,130 --> 00:29:12,409

forest long before it even arrived there

644

00:29:18,310 --> 00:29:15,140

so I mean is this just another whole

645

00:29:19,600 --> 00:29:18,320

part of this staged performance or yeah

646

00:29:21,279 --> 00:29:19,610

what are we dealing with when it comes

647

00:29:24,520 --> 00:29:21,289

to these things actually being trapped

648

00:29:27,820 --> 00:29:24,530

on radar well yeah good point because

649

00:29:29,830 --> 00:29:27,830

you know what we're talking about is a

650

00:29:32,140 --> 00:29:29,840

case that you know he sort of would be

651

00:29:35,020 --> 00:29:32,150

the heart of ufology so one way or

652

00:29:38,320 --> 00:29:35,030

another you know we need to sort of get

653

00:29:40,840 --> 00:29:38,330

to the heart of it now in terms of the

654

00:29:44,740 --> 00:29:40,850

the whole hologram thing the first

655

00:29:48,490 --> 00:29:44,750

person who was told this story was a guy

656

00:29:52,299 --> 00:29:48,500

named Rob O'Shea and in the 1980s ray

657

00:29:55,120 --> 00:29:52,309

ran the Nebraska office of MUFON the

658

00:29:57,370 --> 00:29:55,130

mutual UFO network and he did you get a

659

00:29:58,830 --> 00:29:57,380

lot of expertise you know very good

660

00:30:03,060 --> 00:29:58,840

expertise in the field

661

00:30:06,180 --> 00:30:03,070

of Rendlesham contacted a senator and

662

00:30:08,970 --> 00:30:06,190

had a huge amount of correspondence

663

00:30:12,119 --> 00:30:08,980

which rate very generously let me use in

664

00:30:15,330 --> 00:30:12,129

the book and to also present some of the

665

00:30:18,269 --> 00:30:15,340

documents themselves in the book and it

666

00:30:21,149 --> 00:30:18,279

was after he'd sort of pushed and pushed

667

00:30:25,230 --> 00:30:21,159

with his senator and various other

668

00:30:27,269 --> 00:30:25,240

figures that in 1991 Ray was approached

669

00:30:29,149 --> 00:30:27,279

by what we would call you know sort of

670

00:30:31,919 --> 00:30:29,159

two departments of Defense

671

00:30:34,230 --> 00:30:31,929

whistleblowers and they said that they

672

00:30:36,419 --> 00:30:34,240

wanted to share with him the truth of

673

00:30:38,850 --> 00:30:36,429

what happened at Rendlesham now it's

674

00:30:40,649 --> 00:30:38,860

important to note that Ray wasn't the

675

00:30:43,619 --> 00:30:40,659

only one he was the first one to hear

676

00:30:45,869 --> 00:30:43,629

this story but as I point out in the in

677

00:30:49,230 --> 00:30:45,879

the book you know various researchers

678

00:30:52,200 --> 00:30:49,240

have followed this particular story now

679

00:30:55,109 --> 00:30:52,210

I'll just read this is a quotation from

680

00:30:58,259 --> 00:30:55,119

Ray when I interviewed him about this

681

00:31:01,379 --> 00:30:58,269

angle that concerns the the hologram and

682

00:31:03,330 --> 00:31:01,389

he said I found it interesting that they

683

00:31:05,369 --> 00:31:03,340

that's the two whistleblowers would

684

00:31:07,350 --> 00:31:05,379

mention Rendlesham their meeting they

685

00:31:11,009 --> 00:31:07,360

said there was a sense that this was

686

00:31:13,019 --> 00:31:11,019

maybe in some sense staged or that some

687

00:31:14,999 --> 00:31:13,029

of the senior people there were more

688

00:31:17,180 --> 00:31:15,009

concerned with the reaction of the men

689

00:31:19,830 --> 00:31:17,190

how they responded to the situation

690

00:31:24,210 --> 00:31:19,840

rather than what was actually going on

691

00:31:26,460 --> 00:31:24,220

and he said basically he said that even

692

00:31:28,259 --> 00:31:26,470

if it was a type of hologram they said

693

00:31:31,859 --> 00:31:28,269

he could interact with the environment

694

00:31:33,779 --> 00:31:31,869

the tree marks and the pod marks at the

695

00:31:36,180 --> 00:31:33,789

landing site were indications of that

696

00:31:39,049 --> 00:31:36,190

but how can you have a projective thing

697

00:31:42,749 --> 00:31:39,059

like a hologram that also has material

698

00:31:45,269 --> 00:31:42,759

physical capabilities one of the people

699

00:31:48,720 --> 00:31:45,279

who looked into this as well was was

700

00:31:51,509 --> 00:31:48,730

Jenny Randall and I'll just give you

701
00:31:53,850 --> 00:31:51,519
Jenny's words as well she's a people who

702
00:31:55,950 --> 00:31:53,860
don't know she's a long term UFO

703
00:31:59,549 --> 00:31:55,960
researcher in the UK going back to the

704
00:32:02,039 --> 00:31:59,559
1970s and she'd the way it was explained

705
00:32:03,720 --> 00:32:02,049
to her was this is a device this is her

706
00:32:06,239 --> 00:32:03,730
words now this is a device which

707
00:32:08,669 --> 00:32:06,249
manipulates the subatomic basis of

708
00:32:10,740 --> 00:32:08,679
matter at a quantum level and builds a

709
00:32:12,130 --> 00:32:10,750
bridge between mind and physical

710
00:32:14,050 --> 00:32:12,140
substance

711
00:32:16,510 --> 00:32:14,060
if I understand it correctly to edit

712
00:32:18,940 --> 00:32:16,520
they supposedly stimulated the mind into

713
00:32:21,460 --> 00:32:18,950

having vivid hallucinations but at the

714

00:32:23,320 --> 00:32:21,470

same time creating physical effects in

715

00:32:25,570 --> 00:32:23,330

the real world which could take on a

716

00:32:28,180 --> 00:32:25,580

semblance of the appearance and there

717

00:32:31,630 --> 00:32:28,190

loosen ated images so this sort of gets

718

00:32:33,940 --> 00:32:31,640

into you know sort of really you know

719

00:32:35,770 --> 00:32:33,950

scientific concepts you know when you

720

00:32:37,720 --> 00:32:35,780

start talking about quads and levels and

721

00:32:40,180 --> 00:32:37,730

things like this but basically the idea

722

00:32:42,640 --> 00:32:40,190

the theory that was given to all of

723

00:32:44,410 --> 00:32:42,650

these various people who looked into it

724

00:32:46,600 --> 00:32:44,420

and who approached by Department of

725

00:32:49,180 --> 00:32:46,610

Defense people so that yes it was

726

00:32:52,180 --> 00:32:49,190

holographic but he had this sort of

727

00:32:55,090 --> 00:32:52,190

connection with the physical reality in

728

00:32:57,970 --> 00:32:55,100

other words you could be sort of given

729

00:33:00,700 --> 00:32:57,980

an image and he would actually have some

730

00:33:02,830 --> 00:33:00,710

sense of physicality to it as well it

731

00:33:05,500 --> 00:33:02,840

wouldn't just be an energy would almost

732

00:33:07,810 --> 00:33:05,510

feel something that you could feel now

733

00:33:10,060 --> 00:33:07,820

some people might say well that could be

734

00:33:12,220 --> 00:33:10,070

disinformation as a way to explain that

735

00:33:14,860 --> 00:33:12,230

you know to give an alternative theory

736

00:33:17,200 --> 00:33:14,870

and say well he really was aliens you

737

00:33:18,700 --> 00:33:17,210

know so you have to be very careful and

738

00:33:20,860 --> 00:33:18,710

particularly you have to be very careful

739

00:33:22,900 --> 00:33:20,870

when you're dealing with whistleblowers

740

00:33:25,960 --> 00:33:22,910

because you don't know you know what

741

00:33:28,960 --> 00:33:25,970

their agenda really is but what I would

742

00:33:31,000 --> 00:33:28,970

say you know is that the people in the

743

00:33:33,580 --> 00:33:31,010

DoD who were willing to say something

744

00:33:35,950 --> 00:33:33,590

and in some cases you know the people

745

00:33:38,110 --> 00:33:35,960

are told never went public and I left

746

00:33:41,830 --> 00:33:38,120

about the book because that they asked

747

00:33:44,470 --> 00:33:41,840

me to but there's no doubt that from the

748

00:33:47,950 --> 00:33:44,480

mid to late 80s and through the mid

749

00:33:50,140 --> 00:33:47,960

nineties a lot of people in ufology who

750

00:33:54,010 --> 00:33:50,150

were looking into Rendlesham were being

751

00:33:56,290 --> 00:33:54,020

given this holographic story now of

752

00:33:59,110 --> 00:33:56,300

course you know the big question is well

753

00:34:01,090 --> 00:33:59,120

is it true or is it created to hide the

754

00:34:04,090 --> 00:34:01,100

fact that aliens really did land you

755

00:34:06,760 --> 00:34:04,100

know and if it was just that you know

756

00:34:08,950 --> 00:34:06,770

I'd say well you know it could be but

757

00:34:11,830 --> 00:34:08,960

when you add the fact that we know there

758

00:34:14,530 --> 00:34:11,840

was important components we know that

759

00:34:17,139 --> 00:34:14,540

what Colonel Holt reported seeing sounds

760

00:34:19,300 --> 00:34:17,149

eerily like what was being tested at

761

00:34:21,700 --> 00:34:19,310

Edgewood you know you put all those

762

00:34:24,520 --> 00:34:21,710

different aspects together then I think

763

00:34:26,680 --> 00:34:24,530

it still sort of pushes it down the sea

764

00:34:29,830 --> 00:34:26,690

could experiment angle absolutely

765

00:34:32,169 --> 00:34:29,840

there's another aspect of this and I was

766

00:34:34,300 --> 00:34:32,179

really interested to hear about this in

767

00:34:37,210 --> 00:34:34,310

the book you bring up a guy named Ralph

768

00:34:39,669 --> 00:34:37,220

noise now I recently interviewed Kevin

769

00:34:43,300 --> 00:34:39,679

day the radar operator during the

770

00:34:46,390 --> 00:34:43,310

tic-tac UFO event and back in I think it

771

00:34:49,120 --> 00:34:46,400

was 2009 he wrote a fictional book about

772

00:34:50,890 --> 00:34:49,130

the tic-tac event just to get it out

773

00:34:53,260 --> 00:34:50,900

there and like this is what I

774

00:34:56,919 --> 00:34:53,270

experienced and make of it what you will

775

00:34:59,980 --> 00:34:56,929

but in a fictional context and now I see

776

00:35:02,860 --> 00:34:59,990

this almost play out identical to

777

00:35:04,990 --> 00:35:02,870

something you found with this guy Ralph

778

00:35:06,700 --> 00:35:05,000

in terms of something he wrote would you

779

00:35:08,200 --> 00:35:06,710

mind maybe running us through a little

780

00:35:11,230 --> 00:35:08,210

bit of this and what his book might

781

00:35:13,890 --> 00:35:11,240

represent yeah sure well the guy you're

782

00:35:17,580 --> 00:35:13,900

talking about is ralph noise which is n

783

00:35:20,650 --> 00:35:17,590

eyes and he was someone who had a high

784

00:35:22,870 --> 00:35:20,660

level in the British Air Ministry as it

785

00:35:25,750 --> 00:35:22,880

was called back in the 50s and 60s and

786

00:35:27,910 --> 00:35:25,760

he continued on in the 70s when he was

787

00:35:32,260 --> 00:35:27,920

became known as the Ministry of Defence

788

00:35:34,720 --> 00:35:32,270

and when he he did a private interest in

789

00:35:36,640 --> 00:35:34,730

UFOs and he was actually involved in a

790

00:35:38,680 --> 00:35:36,650

few investigations in the fifties and

791

00:35:41,860 --> 00:35:38,690

sixties of UFOs but he's interestingly

792

00:35:43,720 --> 00:35:41,870

off he said he never saw anything that

793

00:35:46,090 --> 00:35:43,730

was you would call like an alien

794

00:35:48,880 --> 00:35:46,100

spacecraft and he actually described how

795

00:35:51,550 --> 00:35:48,890

some British pilots had taken a gun

796

00:35:53,350 --> 00:35:51,560

camera film of sort of strange balls of

797

00:35:55,840 --> 00:35:53,360

light which again kind of sounds like

798

00:35:59,380 --> 00:35:55,850

ball lightning and things like that but

799

00:36:02,230 --> 00:35:59,390

in 1995 when he was now retired ralph

800

00:36:05,830 --> 00:36:02,240

noise wrote a novel called a secret

801
00:36:08,200 --> 00:36:05,840
property and a secret property is a sort

802
00:36:09,880 --> 00:36:08,210
of a thinly veiled story of what

803
00:36:13,510 --> 00:36:09,890
happened at Rendlesham forest

804
00:36:17,020 --> 00:36:13,520
for example Colonel halt in tow in

805
00:36:19,870 --> 00:36:17,030
Ralph's noisy book is Colonel Hoyt and

806
00:36:22,390 --> 00:36:19,880
the story's best basically the same a

807
00:36:25,300 --> 00:36:22,400
UFO comes down in an area of woodland

808
00:36:28,300 --> 00:36:25,310
etc etcetera so in other words you know

809
00:36:31,480 --> 00:36:28,310
the story that Ralph's noise told was

810
00:36:34,000 --> 00:36:31,490
almost sort of you know paralleling what

811
00:36:37,360 --> 00:36:34,010
happened at Rendlesham apart from one

812
00:36:38,320 --> 00:36:37,370
intriguing thing and that is that the

813
00:36:40,720 --> 00:36:38,330

imagery

814

00:36:45,340 --> 00:36:40,730

that the the guy is in the nut in his

815

00:36:48,910 --> 00:36:45,350

novel you know vang see imagery of UFOs

816

00:36:52,600 --> 00:36:48,920

and strange things in the woods but it's

817

00:36:54,870 --> 00:36:52,610

sort of like a top-secret program again

818

00:36:58,060 --> 00:36:54,880

sort of involving visions and

819

00:37:01,000 --> 00:36:58,070

hallucinations and again it's being done

820

00:37:04,660 --> 00:37:01,010

to determine you know the effects on the

821

00:37:07,240 --> 00:37:04,670

on the military personnel and when you

822

00:37:09,940 --> 00:37:07,250

put all of those pieces those segments

823

00:37:12,460 --> 00:37:09,950

together you know you've got a guy who

824

00:37:14,110 --> 00:37:12,470

actually did work on a UFO program for

825

00:37:18,280 --> 00:37:14,120

the British Ministry of Defense in the

826

00:37:20,860 --> 00:37:18,290

50s and 60s and also he wrote this novel

827

00:37:23,940 --> 00:37:20,870

which almost identical to what happened

828

00:37:27,310 --> 00:37:23,950

in Rendlesham apart from the fact the

829

00:37:30,820 --> 00:37:27,320

imagery you know the so-called craft was

830

00:37:33,790 --> 00:37:30,830

provoked by visions by imagery and by

831

00:37:35,350 --> 00:37:33,800

like a superior technology which the the

832

00:37:38,200 --> 00:37:35,360

government is trying to get its grips

833

00:37:40,900 --> 00:37:38,210

around and I think and a lot of

834

00:37:43,390 --> 00:37:40,910

researchers think with hindsight after

835

00:37:46,080 --> 00:37:43,400

they read them at the the novel is that

836

00:37:49,060 --> 00:37:46,090

Ralph's noise knew exactly what happened

837

00:37:51,580 --> 00:37:49,070

Rendlesham forest but because you know

838

00:37:53,860 --> 00:37:51,590

it was an old man he was on a military

839

00:37:57,220 --> 00:37:53,870

pension he didn't want to go too far you

840

00:38:00,310 --> 00:37:57,230

know and come out in the world of fact

841

00:38:03,010 --> 00:38:00,320

as a whistleblower so he chose to tell

842

00:38:06,040 --> 00:38:03,020

what he actually knew in the form of a

843

00:38:09,070 --> 00:38:06,050

novel in terms of fiction and I think

844

00:38:11,650 --> 00:38:09,080

you know as I said pointed out in the in

845

00:38:14,170 --> 00:38:11,660

the book in my book I think you know if

846

00:38:16,480 --> 00:38:14,180

we ever do get the full story I think

847

00:38:19,360 --> 00:38:16,490

we'll say that Ralph's noise is one of

848

00:38:21,570 --> 00:38:19,370

the key players in knowing what really

849

00:38:24,130 --> 00:38:21,580

happened at Rendlesham forest

850

00:38:25,980 --> 00:38:24,140

interesting yeah I mean welcome to

851

00:38:28,930 --> 00:38:25,990

ufology right Nick I mean it's always

852

00:38:31,060 --> 00:38:28,940

fiction with a little truth somewhere in

853

00:38:33,070 --> 00:38:31,070

the middle well in terms of let's go

854

00:38:35,440 --> 00:38:33,080

back to the witnesses for a moment now I

855

00:38:37,090 --> 00:38:35,450

know you've spoken personally to John

856

00:38:40,030 --> 00:38:37,100

Burroughs who a lot of our listeners

857

00:38:42,790 --> 00:38:40,040

know receiving medical treatment from

858

00:38:44,530 --> 00:38:42,800

this event from the VA recently and then

859

00:38:46,720 --> 00:38:44,540

you have on the flip side you have Jim

860

00:38:48,220 --> 00:38:46,730

Penniston another person who claimed to

861

00:38:50,620 --> 00:38:48,230

have had a close encounter with the

862

00:38:51,250 --> 00:38:50,630

object itself and they're they're on

863

00:38:53,440 --> 00:38:51,260

very

864

00:38:56,200 --> 00:38:53,450

different paths when it comes to what

865

00:38:57,790 --> 00:38:56,210

happened out there but um have either of

866

00:38:59,710 --> 00:38:57,800

these guys reached out to you and given

867

00:39:04,330 --> 00:38:59,720

their opinions on what you brought

868

00:39:07,570 --> 00:39:04,340

forward here well yeah Jim has spoken

869

00:39:10,060 --> 00:39:07,580

quite you know wide open and you know

870

00:39:11,830 --> 00:39:10,070

said he does not you know go with

871

00:39:15,070 --> 00:39:11,840

anything pretty much that I've said and

872

00:39:16,750 --> 00:39:15,080

I understand that because you know he

873

00:39:18,910 --> 00:39:16,760

was one of the guys in the in the woods

874

00:39:22,570 --> 00:39:18,920

in December 1980

875

00:39:25,510 --> 00:39:22,580

you know December 1980 I was still a kid

876

00:39:27,640 --> 00:39:25,520

at school well I wasn't even college you

877

00:39:30,040 --> 00:39:27,650

know or University Oak Hill at school

878

00:39:32,950 --> 00:39:30,050

because the U K equivalent to the high

879

00:39:34,810 --> 00:39:32,960

school and so I wasn't there at the time

880

00:39:36,280 --> 00:39:34,820

being there many times since but I mean

881

00:39:40,000 --> 00:39:36,290

that's not the same as being there in

882

00:39:42,550 --> 00:39:40,010

December 1980 and so you know when what

883

00:39:45,700 --> 00:39:42,560

I've said in the book about John burrows

884

00:39:48,760 --> 00:39:45,710

Jim Penniston all the other guys I don't

885

00:39:52,390 --> 00:39:48,770

believe any of them at all have lied I

886

00:39:54,430 --> 00:39:52,400

don't believe any of them exaggerated I

887

00:39:57,010 --> 00:39:54,440

don't believe any of them have a

888

00:39:59,980 --> 00:39:57,020

sinister agenda or anything like that at

889

00:40:02,850 --> 00:39:59,990

all but what I do think is that if

890

00:40:07,450 --> 00:40:02,860

you're placed in a situation where

891

00:40:09,790 --> 00:40:07,460

you're faced with incredible technology

892

00:40:12,040 --> 00:40:09,800

which looks out of this world but

893

00:40:15,460 --> 00:40:12,050

actually isn't such as such as for

894

00:40:16,450 --> 00:40:15,470

example weaponized and control ball

895

00:40:18,790 --> 00:40:16,460

lightning

896

00:40:21,910 --> 00:40:18,800

you've got mind altering technology

897

00:40:24,370 --> 00:40:21,920

you've got sophisticated holograms when

898

00:40:27,100 --> 00:40:24,380

you put all that together what you see

899

00:40:30,070 --> 00:40:27,110

is what you remember and what you

900

00:40:32,680 --> 00:40:30,080

remember is what you see but when you

901

00:40:37,240 --> 00:40:32,690

put all of those other categories into

902

00:40:41,680 --> 00:40:37,250

it what I take the view is that can you

903

00:40:44,890 --> 00:40:41,690

actually rely on your own imagery can

904

00:40:47,560 --> 00:40:44,900

you rely on your own memories when you

905

00:40:50,620 --> 00:40:47,570

will potentially messed around with I

906

00:40:52,630 --> 00:40:50,630

mean for example with Jim I mean by his

907

00:40:55,600 --> 00:40:52,640

own admission you know that the military

908

00:40:58,180 --> 00:40:55,610

you sodium pentathol on him you know the

909

00:41:00,730 --> 00:40:58,190

so-called truth drug and you know this

910

00:41:03,610 --> 00:41:00,740

angle of drugs goes through the whole

911

00:41:04,930 --> 00:41:03,620

story you know whether it's like sodium

912

00:41:06,840 --> 00:41:04,940

pentathol in

913

00:41:11,470 --> 00:41:06,850

to try and find out for example

914

00:41:13,120 --> 00:41:11,480

Penniston recalled in his mind and then

915

00:41:15,430 --> 00:41:13,130

you've got the port and down connection

916

00:41:17,200 --> 00:41:15,440

you've got the fact that port and has a

917

00:41:20,410 --> 00:41:17,210

kind of connection back in the Cold War

918

00:41:21,820 --> 00:41:20,420

with port and down that's the way I look

919

00:41:24,010 --> 00:41:21,830

at it I think all the guys are

920

00:41:27,250 --> 00:41:24,020

completely honest they reported it as

921

00:41:30,400 --> 00:41:27,260

they saw it but when you're dealing with

922

00:41:33,850 --> 00:41:30,410

all this mold or mind-altering phenomena

923

00:41:37,240 --> 00:41:33,860

and you know highly advanced technology

924

00:41:40,510 --> 00:41:37,250

can you actually fully rely on your own

925

00:41:42,220 --> 00:41:40,520

memories you know right yeah and um well

926
00:41:45,460 --> 00:41:42,230
you mentioned the word honesty Nick and

927
00:41:47,260 --> 00:41:45,470
whether you like him or not he's forever

928
00:41:50,140 --> 00:41:47,270
an attached to this event and that's

929
00:41:52,810 --> 00:41:50,150
Larry Warren do you think any of your

930
00:41:55,900 --> 00:41:52,820
alternate theories make any of what he

931
00:41:58,660 --> 00:41:55,910
has said more reasonable or possible or

932
00:42:01,390 --> 00:41:58,670
do you dismiss this guy right like a lot

933
00:42:03,760 --> 00:42:01,400
of people have yeah where does he play

934
00:42:11,470 --> 00:42:03,770
into this entire alternate explanation

935
00:42:15,680 --> 00:42:13,940
what's up guys Ryan here and I'm just

936
00:42:17,480 --> 00:42:15,690
dropping in to tell you about a new

937
00:42:20,870 --> 00:42:17,490
podcast I'm listening to

938
00:42:24,020 --> 00:42:20,880

it's called crashed in Roswell survivors

939

00:42:27,260 --> 00:42:24,030

in a misunderstood city the podcast

940

00:42:30,380 --> 00:42:27,270

centers on Kyle Pollak a lifelong local

941

00:42:32,660 --> 00:42:30,390

of the infamous Roswell New Mexico Kyle

942

00:42:35,390 --> 00:42:32,670

takes us on an investigative journalists

943

00:42:38,660 --> 00:42:35,400

journey to uncover secrets from his

944

00:42:42,650 --> 00:42:38,670

family history and ties to the events of

945

00:42:44,630 --> 00:42:42,660

the Roswell UFO crash of 1947 what

946

00:42:47,390 --> 00:42:44,640

starts out as a show about family and

947

00:42:50,450 --> 00:42:47,400

small-town America quickly turns into

948

00:42:53,870 --> 00:42:50,460

something much more mysterious and wild

949

00:42:56,180 --> 00:42:53,880

when Kyle meets John an old friend of

950

00:42:59,750 --> 00:42:56,190

his grandfather's and a man with a

951
00:43:02,510 --> 00:42:59,760
secretive past the show also explores

952
00:43:04,670 --> 00:43:02,520
the effects the UFO crash has had on the

953
00:43:07,520 --> 00:43:04,680
small community over the past seventy

954
00:43:11,180 --> 00:43:07,530
plus years and how it's changed the very

955
00:43:14,150 --> 00:43:11,190
culture of Roswell forever if you're

956
00:43:16,070 --> 00:43:14,160
interested in UFOs conspiracies or want

957
00:43:19,339 --> 00:43:16,080
to know what Roswell is really about

958
00:43:21,560 --> 00:43:19,349
you've got to listen to this show the

959

[Music]

965

00:43:51,560 --> 00:43:47,349

yeah well I should first thing I should

966

00:43:55,170 --> 00:43:51,570

say that you know I've known Larry since

967

00:43:56,700 --> 00:43:55,180

1997 and this was when there with the

968

00:43:59,820 --> 00:43:56,710

book that he wrote with Peter Robbins

969

00:44:03,660 --> 00:43:59,830

left at a skate that book came out in

970

00:44:06,900 --> 00:44:03,670

the summer of 1997 Peter and Larry's

971

00:44:09,450 --> 00:44:06,910

publisher had essentially sent them on

972

00:44:11,940 --> 00:44:09,460

like a tour to promote the book that's

973

00:44:15,660 --> 00:44:11,950

what you have to do you know and they

974

00:44:18,780 --> 00:44:15,670

came over to the UK and I spent probably

975

00:44:20,400 --> 00:44:18,790

about I think I'm guessing there but I

976

00:44:24,990 --> 00:44:20,410

think it was this bear in mind this was

977

00:44:28,160 --> 00:44:25,000

23 years ago but I think I spent maybe

978

00:44:31,050 --> 00:44:28,170

about 13 or 14 days with them I think

979

00:44:33,599 --> 00:44:31,060

traveling up and down the UK and while

980

00:44:36,150 --> 00:44:33,609

they gave their lectures etc etc you

981

00:44:38,820 --> 00:44:36,160

know it stayed like that you know Larry

982

00:44:40,410 --> 00:44:38,830

became one of the key figures in the

983

00:44:43,859 --> 00:44:40,420

case and you know that did not change

984

00:44:45,780 --> 00:44:43,869

until just a couple years ago when

985

00:44:49,520 --> 00:44:45,790

there's a lot of controversy put out

986

00:44:52,320 --> 00:44:49,530

there about Larry and Peter eventually

987

00:44:55,230 --> 00:44:52,330

demanding that the book be pulled you

988

00:44:57,120 --> 00:44:55,240

know because he didn't have any sense of

989

00:44:59,040 --> 00:44:57,130

you know the contents of the book you

990

00:45:01,589 --> 00:44:59,050

know was reliable that's how he saw it

991

00:45:04,200 --> 00:45:01,599

you know so in that sense you know

992

00:45:06,150 --> 00:45:04,210

you've got people who who believe Larry

993

00:45:09,810 --> 00:45:06,160

story or people don't believe Larry

994

00:45:13,410 --> 00:45:09,820

story and then there's this sort of gray

995

00:45:16,380 --> 00:45:13,420

area in between and I call it a gray

996

00:45:19,200 --> 00:45:16,390

area because one of the interesting

997

00:45:21,960 --> 00:45:19,210

things is that although over the years

998

00:45:24,690 --> 00:45:21,970

Colonel holt Charles Holt didn't really

999

00:45:28,500 --> 00:45:24,700

have you know too much time for Larry he

1000

00:45:30,540 --> 00:45:28,510

very often would sort of say that even

1001

00:45:33,599 --> 00:45:30,550

though you know he didn't sort of go

1002

00:45:36,089 --> 00:45:33,609

with Larry's approach Holt you know did

1003

00:45:38,550 --> 00:45:36,099

say on a number of occasions that he

1004

00:45:40,530 --> 00:45:38,560

felt that Larry whatever the truth was

1005

00:45:42,510 --> 00:45:40,540

had been he had his mind in some way

1006

00:45:45,300 --> 00:45:42,520

meddled with and that was almost sort of

1007

00:45:46,790 --> 00:45:45,310

the you know the exact words well the

1008

00:45:50,120 --> 00:45:46,800

reason why I mention this is because

1009

00:45:51,300 --> 00:45:50,130

early last year I spoke at a conference

1010

00:45:53,460 --> 00:45:51,310

down

1011

00:45:55,260 --> 00:45:53,470

edinburg texas it's called the out to

1012

00:45:58,200 --> 00:45:55,270

the world conference it's on every year

1013

00:46:00,210 --> 00:45:58,210

and not only was i one of the speakers

1014

00:46:02,040 --> 00:46:00,220

down there but Charles Holt was as well

1015

00:46:04,200 --> 00:46:02,050

and we had a good time you know he's a

1016

00:46:06,750 --> 00:46:04,210

nice guy laid-back and you know chatty

1017

00:46:09,060 --> 00:46:06,760

and funny and we got talking about

1018

00:46:11,790 --> 00:46:09,070

various aspects of Rendlesham because we

1019

00:46:13,590 --> 00:46:11,800

were there from like B Friday or

1020

00:46:15,330 --> 00:46:13,600

Thursday possibly right through to the

1021

00:46:17,190 --> 00:46:15,340

Monday so we were all there sort of

1022

00:46:19,950 --> 00:46:17,200

hanging out together for about four days

1023

00:46:22,590 --> 00:46:19,960

and I asked him you know what he thought

1024

00:46:26,880 --> 00:46:22,600

about they will grow in controversy

1025

00:46:28,680 --> 00:46:26,890

surrounding Larry and he basically said

1026

00:46:30,680 --> 00:46:28,690

the same thing he said that you know

1027

00:46:33,870 --> 00:46:30,690

it's yet it's really controversial

1028

00:46:37,740 --> 00:46:33,880

etcetera etcetera but he did say to me

1029

00:46:39,870 --> 00:46:37,750

then again you know that he felt that in

1030

00:46:42,690 --> 00:46:39,880

some way regardless of what people

1031

00:46:45,240 --> 00:46:42,700

thought of you know his views and what

1032

00:46:47,700 --> 00:46:45,250

Larry had said he still felt that Larry

1033

00:46:50,010 --> 00:46:47,710

had had his mind messed with so I find

1034

00:46:52,890 --> 00:46:50,020

that interesting that you know you've

1035

00:46:56,130 --> 00:46:52,900

got a lot of people in you ufology who

1036

00:46:58,080 --> 00:46:56,140

don't like Larry and yes just a year ago

1037

00:47:00,750 --> 00:46:58,090

when I spoke to or just a little bit

1038

00:47:03,600 --> 00:47:00,760

more than a year ago when I met hall for

1039

00:47:05,040 --> 00:47:03,610

the first time down in Edinburg Texas he

1040

00:47:07,410 --> 00:47:05,050

was still saying that well you know

1041

00:47:10,200 --> 00:47:07,420

there is still something I think that

1042

00:47:13,080 --> 00:47:10,210

was sort of where Larry was played with

1043

00:47:16,140 --> 00:47:13,090

so you know and and Holt was one of the

1044

00:47:20,760 --> 00:47:16,150

guys in the woods you know so I think

1045

00:47:23,250 --> 00:47:20,770

the whole story he sort of has not been

1046

00:47:26,430 --> 00:47:23,260

unreveled you know I think they're still

1047

00:47:29,460 --> 00:47:26,440

way more you know in relation to - Larry

1048

00:47:32,550 --> 00:47:29,470

story right and you know a lot of the I

1049

00:47:35,130 --> 00:47:32,560

would say discounting of Larry's story

1050

00:47:37,290 --> 00:47:35,140

was always he was the only one to say

1051

00:47:39,060 --> 00:47:37,300

that he saw alien beings in the forest

1052

00:47:41,400 --> 00:47:39,070

and I mean you look at the cover of your

1053

00:47:44,300 --> 00:47:41,410

book and boom there it is right there

1054

00:47:47,670 --> 00:47:44,310

and you know it is possible that either

1055

00:47:50,430 --> 00:47:47,680

hallucinogens or holograms or something

1056

00:47:53,310 --> 00:47:50,440

had to do with that and you know Larry

1057

00:47:56,160 --> 00:47:53,320

did see what he thinks he saw so I mean

1058

00:47:58,200 --> 00:47:56,170

yeah he is a very pretentious person

1059

00:48:01,680 --> 00:47:58,210

when it comes to this yeah it would make

1060

00:48:05,030 --> 00:48:01,690

sense I think the big problem with not

1061

00:48:08,120 --> 00:48:05,040

with Larry's story but the way it's been

1062

00:48:10,130 --> 00:48:08,130

by ufology it's very much black and

1063

00:48:13,430 --> 00:48:10,140

white you've got people who believe him

1064

00:48:16,750 --> 00:48:13,440

and people who disbelieve him but then

1065

00:48:19,760 --> 00:48:16,760

you've got this hazy thing we're even

1066

00:48:23,150 --> 00:48:19,770

Colonel Holt said he felt something had

1067

00:48:27,050 --> 00:48:23,160

been done to Larry so for me we need to

1068

00:48:29,810 --> 00:48:27,060

be focusing more on that middle ground

1069

00:48:32,210 --> 00:48:29,820

you know this hazy weird middle ground

1070

00:48:34,670 --> 00:48:32,220

rather than just saying I think this is

1071

00:48:38,600 --> 00:48:34,680

garbage and somebody says no he's a good

1072

00:48:42,170 --> 00:48:38,610

guy you know it's I think the the

1073

00:48:45,650 --> 00:48:42,180

answers to Larry and easy vollentine

1074

00:48:49,040 --> 00:48:45,660

Rendlesham are in that hazy gray area

1075

00:48:50,990 --> 00:48:49,050

the Holts kind of vaguely touched on you

1076

00:48:52,910 --> 00:48:51,000

knew yeah yeah I would have to agree

1077

00:48:54,800 --> 00:48:52,920

it's always somewhere in between and I

1078

00:48:58,070 --> 00:48:54,810

mean someone who really looked at that

1079

00:49:00,500 --> 00:48:58,080

Nick was a Nick Pope you know former UFO

1080

00:49:02,090 --> 00:49:00,510

desk person for the mo D he brought

1081

00:49:03,800 --> 00:49:02,100

something interesting to the public not

1082

00:49:06,080 --> 00:49:03,810

too long ago and that was project

1083

00:49:08,570 --> 00:49:06,090

condign you know basically the UK

1084

00:49:10,610 --> 00:49:08,580

equivalent of I guess sort of like a tip

1085

00:49:13,310 --> 00:49:10,620

here in the United States where the

1086

00:49:16,520 --> 00:49:13,320

British defense intelligence agency you

1087

00:49:18,740 --> 00:49:16,530

know for 97 to 2000 they looked into UFO

1088

00:49:21,020 --> 00:49:18,750

reports and if I'm not mistaken I think

1089

00:49:23,330 --> 00:49:21,030

they went back to Rendlesham at one

1090

00:49:26,630 --> 00:49:23,340

point in project condign so what do you

1091

00:49:28,370 --> 00:49:26,640

think this this your alternate theories

1092

00:49:30,290 --> 00:49:28,380

does this play into anything that Nick

1093

00:49:31,880 --> 00:49:30,300

Pope is brought forward about the case

1094

00:49:34,700 --> 00:49:31,890

or have you spoken to him about what he

1095

00:49:37,220 --> 00:49:34,710

feels after doing all this research into

1096

00:49:38,480 --> 00:49:37,230

Rendlesham where does he lay when it

1097

00:49:41,330 --> 00:49:38,490

comes to these theories he brought

1098

00:49:44,930 --> 00:49:41,340

forward well I mean the whole condign

1099

00:49:48,290 --> 00:49:44,940

thing is important this was like a top

1100

00:49:52,280 --> 00:49:48,300

secret UFO program that began in the

1101

00:49:56,300 --> 00:49:52,290

late 1990s and it was essentially

1102

00:49:59,000 --> 00:49:56,310

looking at the UFO phenomenon and to a

1103

00:50:02,630 --> 00:49:59,010

significant degree again to see how it

1104

00:50:05,350 --> 00:50:02,640

could be utilized you know in the in the

1105

00:50:08,450 --> 00:50:05,360

formal weapon you know and a lot of it

1106

00:50:10,250 --> 00:50:08,460

revolved around like plasmas and ball

1107

00:50:11,900 --> 00:50:10,260

lightning and things like this

1108

00:50:15,290 --> 00:50:11,910

it was actually although it's called

1109

00:50:18,850 --> 00:50:15,300

project condign the official title was

1110

00:50:20,680 --> 00:50:18,860

unidentified aerial phenomena in the UK

1111

00:50:23,740 --> 00:50:20,690

defense region you know it's like a

1112

00:50:26,260 --> 00:50:23,750

typical kind of a government program

1113

00:50:28,570 --> 00:50:26,270

title and I think sometimes that's done

1114

00:50:30,850 --> 00:50:28,580

you know because it's such a weird and

1115

00:50:33,310 --> 00:50:30,860

strange title that he gets overlooked

1116

00:50:36,910 --> 00:50:33,320

which is making sort of get away with

1117

00:50:38,890 --> 00:50:36,920

not putting the word UFO in the document

1118

00:50:41,830 --> 00:50:38,900

you know it keeps it away from the media

1119

00:50:44,920 --> 00:50:41,840

and people like me and you but the

1120

00:50:47,860 --> 00:50:44,930

program itself was run by a guy named

1121

00:50:50,650 --> 00:50:47,870

Ron Hado he spent a lot of his life in

1122

00:50:53,650 --> 00:50:50,660

the Royal Air Force he worked on radar

1123

00:50:57,490 --> 00:50:53,660

guided weapons electronic warfare and

1124

00:50:59,620 --> 00:50:57,500

all sorts of different things and you

1125

00:51:03,190 --> 00:50:59,630

know he was somebody who was really in

1126

00:51:06,780 --> 00:51:03,200

the prime place to to look into this now

1127

00:51:09,760 --> 00:51:06,790

one of the angles of these plasmas that

1128

00:51:12,190 --> 00:51:09,770

condi in the condign project looked into

1129

00:51:14,260 --> 00:51:12,200

was to see how you know it could

1130

00:51:15,880 --> 00:51:14,270

actually be affected you know the human

1131

00:51:18,180 --> 00:51:15,890

mind could be affected by some of these

1132

00:51:21,040 --> 00:51:18,190

plasmas that the mo D was really

1133

00:51:23,650 --> 00:51:21,050

interested in now I'll just tell you

1134

00:51:26,650 --> 00:51:23,660

this is a quote from Nick Pope in

1135

00:51:28,420 --> 00:51:26,660

relation to the condign report and Nick

1136

00:51:30,550 --> 00:51:28,430

said and then quoted him directly here

1137

00:51:32,590 --> 00:51:30,560

one of the areas that will be most

1138

00:51:36,180 --> 00:51:32,600

contentious relates to what the report

1139

00:51:38,260 --> 00:51:36,190

refers to as plasma related fields

1140

00:51:40,480 --> 00:51:38,270

electronically charged atmospheric

1141

00:51:42,910 --> 00:51:40,490

plasmas accredited with having given

1142

00:51:45,100 --> 00:51:42,920

rise to some of the reports a vast

1143

00:51:47,410 --> 00:51:45,110

triangular-shaped craft while the

1144

00:51:50,500 --> 00:51:47,420

interaction of such plasma fields with

1145

00:51:52,900 --> 00:51:50,510

the temporal lobes in the brain is cited

1146

00:51:55,210 --> 00:51:52,910

as another reason now this way it gets

1147

00:51:57,850 --> 00:51:55,220

important another reason why people

1148

00:52:01,300 --> 00:51:57,860

might feel they were having a strange

1149

00:52:03,460 --> 00:52:01,310

experience so you know even Nick was

1150

00:52:06,910 --> 00:52:03,470

talking about strange experiences and

1151
00:52:09,580 --> 00:52:06,920
plasmas when the con dying report came

1152
00:52:14,140 --> 00:52:09,590
out those were his exact words you know

1153
00:52:16,930 --> 00:52:14,150
so I think condign was sort of like an

1154
00:52:20,800 --> 00:52:16,940
offshoot of whatever it was happening in

1155
00:52:22,750 --> 00:52:20,810
1980 that the maybe the mo D you know

1156
00:52:25,750 --> 00:52:22,760
didn't fully get a hold on it properly

1157
00:52:28,510 --> 00:52:25,760
in the early eighties and brought it

1158
00:52:30,910 --> 00:52:28,520
back again in the 90s and looking at

1159
00:52:32,059 --> 00:52:30,920
plasmas and and like Nick Pope himself

1160
00:52:34,969 --> 00:52:32,069
said you know

1161
00:52:38,359 --> 00:52:34,979
as to you know it can cause people to

1162
00:52:40,670 --> 00:52:38,369
have a bizarre experience but he may not

1163
00:52:42,259 --> 00:52:40,680

have been a real experience so so even

1164

00:52:44,329 --> 00:52:42,269

Nick you know didn't deny it

1165

00:52:46,699 --> 00:52:44,339

I mean I actually said that himself

1166

00:52:48,890 --> 00:52:46,709

right right and I think you know the

1167

00:52:50,209 --> 00:52:48,900

important thing to remember too is you

1168

00:52:52,430 --> 00:52:50,219

know while condign might have looked

1169

00:52:54,979 --> 00:52:52,440

back at Rendlesham all the files on this

1170

00:52:57,229 --> 00:52:54,989

case were actually never found when

1171

00:52:59,630 --> 00:52:57,239

people tried to get you know Freedom of

1172

00:53:02,509 --> 00:52:59,640

Information Act requests filed on this

1173

00:53:04,549 --> 00:53:02,519

case they just mysteriously disappeared

1174

00:53:06,559 --> 00:53:04,559

so I mean you've got that whole angle to

1175

00:53:09,349 --> 00:53:06,569

it all as well yeah you're right and I

1176

00:53:11,959 --> 00:53:09,359

mean that issue of missing files runs

1177

00:53:14,059 --> 00:53:11,969

through the story I mean it's not just

1178

00:53:17,299 --> 00:53:14,069

in relation to those missing files

1179

00:53:19,519 --> 00:53:17,309

he'll Norton Admiral Admiral Hill no no

1180

00:53:22,069 --> 00:53:19,529

I mentioned earlier you know he was

1181

00:53:24,259 --> 00:53:22,079

someone who pushed for the port and down

1182

00:53:26,900 --> 00:53:24,269

files now what's interesting the

1183

00:53:29,209 --> 00:53:26,910

government never actually said there was

1184

00:53:31,309 --> 00:53:29,219

no connection between what happened at

1185

00:53:33,739 --> 00:53:31,319

Randall's important down what they

1186

00:53:35,539 --> 00:53:33,749

actually said was that we went looking

1187

00:53:37,009 --> 00:53:35,549

and we couldn't find the files that's

1188

00:53:39,079 --> 00:53:37,019

what the government said so in other

1189

00:53:41,719 --> 00:53:39,089

words when the government says we went

1190

00:53:44,059 --> 00:53:41,729

looking we didn't find the files doesn't

1191

00:53:45,640 --> 00:53:44,069

mean they actually didn't exist you know

1192

00:53:48,620 --> 00:53:45,650

that government agencies are very

1193

00:53:51,799 --> 00:53:48,630

careful to word things like that in case

1194

00:53:54,910 --> 00:53:51,809

it comes back to to hit them and another

1195

00:53:57,529 --> 00:53:54,920

example just about five miles from

1196

00:54:00,140 --> 00:53:57,539

Rendlesham forest there's a prison

1197

00:54:02,209 --> 00:54:00,150

called Hollis Lee Bay and it's for young

1198

00:54:03,859 --> 00:54:02,219

offenders you know like kids who stole

1199

00:54:06,229 --> 00:54:03,869

in the car or something like that

1200

00:54:08,509 --> 00:54:06,239

and there were rumors that when they

1201
00:54:10,819 --> 00:54:08,519
were releasing the hallucinogenics into

1202
00:54:13,309 --> 00:54:10,829
the woods there was some concern that if

1203
00:54:16,370 --> 00:54:13,319
the weather changed the the wind changed

1204
00:54:18,589 --> 00:54:16,380
the aerosol based hallucinogenics could

1205
00:54:21,079 --> 00:54:18,599
actually head towards through the forest

1206
00:54:24,410 --> 00:54:21,089
and head towards Hollis leave a prison

1207
00:54:27,579 --> 00:54:24,420
and there were rumors that the the

1208
00:54:30,859 --> 00:54:27,589
prison for all these young kids would be

1209
00:54:33,559 --> 00:54:30,869
affected if you like and so there was

1210
00:54:36,019 --> 00:54:33,569
this plan if it was needed to evacuate

1211
00:54:38,150 --> 00:54:36,029
the prison and he'll Norton actually

1212
00:54:40,339 --> 00:54:38,160
heard through some of his sources about

1213
00:54:43,370 --> 00:54:40,349

that story this prison angle and the

1214

00:54:45,360 --> 00:54:43,380

evacuations and again the government

1215

00:54:47,820 --> 00:54:45,370

didn't deny this happened what

1216

00:54:50,700 --> 00:54:47,830

they said was they couldn't find the

1217

00:54:53,970 --> 00:54:50,710

prison governor's Journal from that

1218

00:54:56,910 --> 00:54:53,980

particular period so again he gave them

1219

00:55:00,390 --> 00:54:56,920

sort of an out but again he demonstrates

1220

00:55:04,410 --> 00:55:00,400

the this interesting angle of Rendlesham

1221

00:55:06,450 --> 00:55:04,420

namely documentation going missing you

1222

00:55:09,330 --> 00:55:06,460

know and we see that throughout the

1223

00:55:12,480 --> 00:55:09,340

entire story right plausible deniability

1224

00:55:14,220 --> 00:55:12,490

all the way that's great Nick well I'm

1225

00:55:16,890 --> 00:55:14,230

gonna move to a few listener questions

1226

00:55:19,080 --> 00:55:16,900

here with you Michael on Facebook asks

1227

00:55:21,540 --> 00:55:19,090

given your research relating to the

1228

00:55:24,300 --> 00:55:21,550

potential non extraterrestrial cause of

1229

00:55:25,950 --> 00:55:24,310

Roswell and Rendlesham to cases you've

1230

00:55:28,380 --> 00:55:25,960

covered would you say that the

1231

00:55:31,230 --> 00:55:28,390

government or military benefit from UFO

1232

00:55:33,930 --> 00:55:31,240

mythology over all to keep secrets and

1233

00:55:36,090 --> 00:55:33,940

if so in your opinion can disclosure

1234

00:55:38,190 --> 00:55:36,100

from the government actually ever be

1235

00:55:41,550 --> 00:55:38,200

trusted well that's actually a very good

1236

00:55:43,500 --> 00:55:41,560

question because in my times at least

1237

00:55:46,020 --> 00:55:43,510

you know when you look at Randall Jim

1238

00:55:49,050 --> 00:55:46,030

and I also wrote a book on Roswell

1239

00:55:51,720 --> 00:55:49,060

both which I suggest he were classified

1240

00:55:56,370 --> 00:55:51,730

military programs but which was sort of

1241

00:55:58,110 --> 00:55:56,380

hidden under the umbrella of a UFO angle

1242

00:56:01,710 --> 00:55:58,120

but yeah I mean that that's a perfect

1243

00:56:04,350 --> 00:56:01,720

question because we are in a situation I

1244

00:56:07,590 --> 00:56:04,360

think where we cannot trust which are

1245

00:56:09,740 --> 00:56:07,600

the real UFO cases and which ones are

1246

00:56:12,930 --> 00:56:09,750

the fabricated ones for things like

1247

00:56:15,090 --> 00:56:12,940

psychological warfare and character

1248

00:56:16,950 --> 00:56:15,100

intelligence and disinformation programs

1249

00:56:19,800 --> 00:56:16,960

you know the more and more our

1250

00:56:22,500 --> 00:56:19,810

technologies develop the more more

1251

00:56:25,950 --> 00:56:22,510

difficult it becomes to differentiate

1252

00:56:28,320 --> 00:56:25,960

between a real UFO phenomenon and one

1253

00:56:30,720 --> 00:56:28,330

that isn't real and I think you know the

1254

00:56:33,240 --> 00:56:30,730

in relation to the question as well this

1255

00:56:35,300 --> 00:56:33,250

issue of disclosure that's a very good

1256

00:56:38,130 --> 00:56:35,310

point most people think either

1257

00:56:41,100 --> 00:56:38,140

disclosures coming or it's not coming

1258

00:56:43,470 --> 00:56:41,110

but in relation to the question I mean

1259

00:56:45,620 --> 00:56:43,480

you got to think important point the

1260

00:56:49,470 --> 00:56:45,630

idea that can we actually trust

1261

00:56:51,750 --> 00:56:49,480

disclosure if and when he comes or is

1262

00:56:54,990 --> 00:56:51,760

disclosure going to be something where

1263

00:56:57,240 --> 00:56:55,000

you know well we've seen UFOs in the

1264

00:56:58,480 --> 00:56:57,250

skies and we we think they're dangerous

1265

00:57:02,620 --> 00:56:58,490

at better

1266

00:57:05,410 --> 00:57:02,630

and could easily be sort of used as a

1267

00:57:09,880 --> 00:57:05,420

means to take away you know more privacy

1268

00:57:12,370 --> 00:57:09,890

and etc etc in other words yes UFOs are

1269

00:57:14,440 --> 00:57:12,380

a threat and so you know we need to do

1270

00:57:16,750 --> 00:57:14,450

this and we need to do that to control

1271

00:57:18,910 --> 00:57:16,760

you even more you know I think that that

1272

00:57:23,020 --> 00:57:18,920

is one of the disturbing aspects is that

1273

00:57:25,990 --> 00:57:23,030

the UFO subject could be used as a means

1274

00:57:29,770 --> 00:57:26,000

to essentially be by bit you know sort

1275

00:57:32,710 --> 00:57:29,780

of affect people's you know everyday

1276

00:57:36,099 --> 00:57:32,720

liberty notice me and we would not know

1277

00:57:38,740 --> 00:57:36,109

you know for sure if it was a real UFO

1278

00:57:42,040 --> 00:57:38,750

event that inspired this to happen you

1279

00:57:44,040 --> 00:57:42,050

know initiating those new laws or was it

1280

00:57:47,890 --> 00:57:44,050

you know something that was fabricated

1281

00:57:49,270 --> 00:57:47,900

versus or was it aliens and in today's

1282

00:57:52,180 --> 00:57:49,280

world we're looking at things like

1283

00:57:54,460 --> 00:57:52,190

Rendlesham I honestly cannot say for

1284

00:57:56,740 --> 00:57:54,470

sure it's some of these high-profile

1285

00:57:59,680 --> 00:57:56,750

cases that we all know about I cannot

1286

00:58:01,089 --> 00:57:59,690

say for sure if they are real well

1287

00:58:03,820 --> 00:58:01,099

they're all they're real in one sense

1288

00:58:07,420 --> 00:58:03,830

regardless but I mean are they UFO

1289

00:58:09,550 --> 00:58:07,430

events or are they the fabricated UFO

1290

00:58:12,700 --> 00:58:09,560

events and that's where it kind of gets

1291

00:58:15,790 --> 00:58:12,710

into a disturbing realm of manipulation

1292

00:58:18,460 --> 00:58:15,800

and you know sort of having an effect on

1293

00:58:20,230 --> 00:58:18,470

the population as well right and then I

1294

00:58:22,540 --> 00:58:20,240

mean you look at the overall picture of

1295

00:58:24,790 --> 00:58:22,550

if any of the explanations you brought

1296

00:58:27,070 --> 00:58:24,800

forward are true and this was some sort

1297

00:58:29,770 --> 00:58:27,080

of top-secret experiment to what ends

1298

00:58:32,020 --> 00:58:29,780

and who's at the top kind of pulling the

1299

00:58:34,599 --> 00:58:32,030

strings down wording downward when it

1300

00:58:36,430 --> 00:58:34,609

comes to this and why so I think you're

1301

00:58:38,170 --> 00:58:36,440

right I think it is dark and disturbing

1302

00:58:40,440 --> 00:58:38,180

I mean you look at things like the

1303

00:58:43,270 --> 00:58:40,450

Patriot Act here in America or

1304

00:58:45,370 --> 00:58:43,280

conspiracy theorists thinking that this

1305

00:58:48,280 --> 00:58:45,380

global crisis we're dealing with is a

1306

00:58:50,020 --> 00:58:48,290

way to finally microchip everybody you

1307

00:58:52,000 --> 00:58:50,030

know you have these really far-out their

1308

00:58:55,810 --> 00:58:52,010

conspiracy theories about our government

1309

00:58:58,839 --> 00:58:55,820

using crisis or events as an opportunity

1310

00:59:00,640 --> 00:58:58,849

to get what they want out of it so is

1311

00:59:02,980 --> 00:59:00,650

this the same when it comes to certain

1312

00:59:05,859 --> 00:59:02,990

UFO events we'll we'll probably never

1313

00:59:07,570 --> 00:59:05,869

know well we we won't know unless you

1314

00:59:10,120 --> 00:59:07,580

know somebody comes forward with hard

1315

00:59:10,740 --> 00:59:10,130

evidence and I mean regardless of what

1316

00:59:13,620 --> 00:59:10,750

happened at

1317

00:59:16,130 --> 00:59:13,630

as well or the cash Landrum case which

1318

00:59:19,380 --> 00:59:16,140

is also a controversial one and

1319

00:59:23,460 --> 00:59:19,390

Rendlesham as well unless we get sort of

1320

00:59:25,590 --> 00:59:23,470

100 percent hard solid evidence as to

1321

00:59:27,660 --> 00:59:25,600

what happened I mean you're always gonna

1322

00:59:29,880 --> 00:59:27,670

have people on different sides of the

1323

00:59:31,890 --> 00:59:29,890

coin so to speak each of what they

1324

00:59:33,240 --> 00:59:31,900

believe happened to Randall shim or what

1325

00:59:36,960 --> 00:59:33,250

I happened you know what they believe

1326
00:59:39,870 --> 00:59:36,970
happened to Roswell and so on so in that

1327
00:59:42,480 --> 00:59:39,880
sense you know it is getting more and

1328
00:59:44,700 --> 00:59:42,490
more difficult and I mean the fact is we

1329
00:59:47,220 --> 00:59:44,710
are being sort of watched more and more

1330
00:59:49,320 --> 00:59:47,230
I mean this whole issue you know sort of

1331
00:59:52,410 --> 00:59:49,330
people be microchipped there's one

1332
00:59:55,560 --> 00:59:52,420
reason why I don't think we will ever be

1333
00:59:57,870 --> 00:59:55,570
microchipped and that's because we are

1334
01:00:01,500 --> 00:59:57,880
all we're all ready microchipped it's

1335
01:00:04,590 --> 01:00:01,510
called an iPhone you know you don't need

1336
01:00:07,200 --> 01:00:04,600
to have a little device implanted under

1337
01:00:10,980 --> 01:00:07,210
your skin because you've actually got

1338
01:00:14,010 --> 01:00:10,990

this small device which happens to be in

1339

01:00:18,300 --> 01:00:14,020

your pocket and you know for example

1340

01:00:19,830 --> 01:00:18,310

that phone may contain all your medical

1341

01:00:22,740 --> 01:00:19,840

information you know when you've got

1342

01:00:25,080 --> 01:00:22,750

your next checkup or whatever it's got

1343

01:00:27,390 --> 01:00:25,090

information on for example when you're

1344

01:00:29,310 --> 01:00:27,400

gonna go for you know you ladies have

1345

01:00:31,410 --> 01:00:29,320

your oil change changing the card or

1346

01:00:34,140 --> 01:00:31,420

whatever you know and and just about

1347

01:00:36,360 --> 01:00:34,150

anything like that all of that day - all

1348

01:00:38,820 --> 01:00:36,370

that information you know the the

1349

01:00:41,190 --> 01:00:38,830

holiday the vacation to the Bahamas that

1350

01:00:45,450 --> 01:00:41,200

you've just you just arranged you know

1351

01:00:47,970 --> 01:00:45,460

all that is on that phone so I think you

1352

01:00:49,740 --> 01:00:47,980

I could have seen the days when we could

1353

01:00:53,010 --> 01:00:49,750

have been so many might have made an

1354

01:00:55,380 --> 01:00:53,020

argument for you know for microchips but

1355

01:00:58,740 --> 01:00:55,390

as I said we don't think about the fact

1356

01:01:00,930 --> 01:00:58,750

that we actually do have the equivalent

1357

01:01:02,910 --> 01:01:00,940

you know a microchip but it's the

1358

01:01:06,300 --> 01:01:02,920

equivalent of it and we'd most people

1359

01:01:08,910 --> 01:01:06,310

can't put the thing down so you know and

1360

01:01:10,770 --> 01:01:08,920

I mean also there's the fact that I'm

1361

01:01:12,630 --> 01:01:10,780

anything you see just a track where you

1362

01:01:16,950 --> 01:01:12,640

go in as well you know when you've got

1363

01:01:19,980 --> 01:01:16,960

you you phone with you so that really is

1364

01:01:23,430 --> 01:01:19,990

the perfect surveillance device you know

1365

01:01:24,180 --> 01:01:23,440

yeah and I think it's important to let

1366

01:01:26,099 --> 01:01:24,190

if we

1367

01:01:28,770 --> 01:01:26,109

go back to something like a tip this

1368

01:01:31,620 --> 01:01:28,780

aerial threat identification program

1369

01:01:33,329 --> 01:01:31,630

with the Department of Defense

1370

01:01:35,970 --> 01:01:33,339

Lewis Elizondo the former head of the

1371

01:01:39,059 --> 01:01:35,980

program has even said you know we

1372

01:01:42,480 --> 01:01:39,069

weren't we could care less if these UFOs

1373

01:01:43,920 --> 01:01:42,490

were aliens we were there to monitor if

1374

01:01:46,349 --> 01:01:43,930

there was a potential threat to our

1375

01:01:49,650 --> 01:01:46,359

skies and our national security so I

1376

01:01:51,359 --> 01:01:49,660

mean right there you've got a very clear

1377

01:01:54,359 --> 01:01:51,369

stance that even the program

1378

01:01:57,180 --> 01:01:54,369

investigating UFOs here in America the

1379

01:01:57,900 --> 01:01:57,190

secret program didn't care where they

1380

01:01:59,849 --> 01:01:57,910

came from

1381

01:02:02,160 --> 01:01:59,859

was it a threat and I think that's kind

1382

01:02:04,770 --> 01:02:02,170

of the angle that the this certain group

1383

01:02:07,260 --> 01:02:04,780

is taking now in terms of looking at

1384

01:02:08,730 --> 01:02:07,270

this phenomenon you know is this going

1385

01:02:11,099 --> 01:02:08,740

to be a threat to us how can we make our

1386

01:02:13,740 --> 01:02:11,109

military stronger to fight back if we

1387

01:02:16,800 --> 01:02:13,750

ever have to so yeah it you're right

1388

01:02:18,960 --> 01:02:16,810

there's so much politics and economics

1389

01:02:22,920 --> 01:02:18,970

and beliefs that go into this

1390

01:02:24,569 --> 01:02:22,930

quote-unquote UFO phenomenon and it's

1391

01:02:26,400 --> 01:02:24,579

hard to tell up from down left from

1392

01:02:28,260 --> 01:02:26,410

right but I mean if we don't ask new

1393

01:02:29,700 --> 01:02:28,270

questions like you have we're just going

1394

01:02:33,059 --> 01:02:29,710

to be stuck in the same rut like we have

1395

01:02:35,550 --> 01:02:33,069

for 70 something years well you're right

1396

01:02:38,280 --> 01:02:35,560

I mean the way I look at it is that you

1397

01:02:42,210 --> 01:02:38,290

know if I'm looking into a case my the

1398

01:02:43,890 --> 01:02:42,220

UFO case and I realize well hang on to

1399

01:02:45,569 --> 01:02:43,900

me there's something not right here and

1400

01:02:48,359 --> 01:02:45,579

I start you know going down a different

1401

01:02:51,510 --> 01:02:48,369

path and find out this and find out that

1402

01:02:53,220 --> 01:02:51,520

you know I mean I won't name names but

1403

01:02:54,210 --> 01:02:53,230

there are certain well-known figures in

1404

01:02:57,720 --> 01:02:54,220

ufology

1405

01:02:59,819 --> 01:02:57,730

who will not rock the boat because

1406

01:03:01,829 --> 01:02:59,829

they're just worried they won't get

1407

01:03:03,450 --> 01:03:01,839

books for the next conference you know

1408

01:03:07,589 --> 01:03:03,460

for the next lecture

1409

01:03:10,410 --> 01:03:07,599

etc etcetera frankly I couldn't care

1410

01:03:12,180 --> 01:03:10,420

less you know who I tell it as I see

1411

01:03:14,370 --> 01:03:12,190

it's and if people like what I do and

1412

01:03:16,800 --> 01:03:14,380

agree that's great and if people don't

1413

01:03:19,710 --> 01:03:16,810

agree with me I'm gonna lose no sleep

1414

01:03:21,599 --> 01:03:19,720

over it you know it's that's how it goes

1415

01:03:25,319 --> 01:03:21,609

but I mean there's there are too many

1416

01:03:28,020 --> 01:03:25,329

people in ufology who are who just kiss

1417

01:03:30,359 --> 01:03:28,030

the ass of the person oh they think he's

1418

01:03:32,309 --> 01:03:30,369

going to get them up the UFO ladder so

1419

01:03:35,280 --> 01:03:32,319

to speak and I don't really have no time

1420

01:03:37,620 --> 01:03:35,290

for that at all which is why I'm

1421

01:03:39,900 --> 01:03:37,630

probably the first one to written a book

1422

01:03:43,200 --> 01:03:39,910

Rendlesham saying that aliens didn't

1423

01:03:45,420 --> 01:03:43,210

land you know I can think of more than a

1424

01:03:47,130 --> 01:03:45,430

few who would not I would not just sort

1425

01:03:48,690 --> 01:03:47,140

of blowing my own trumpet so to speak

1426

01:03:50,940 --> 01:03:48,700

but I can tell you for sure that there's

1427

01:03:55,230 --> 01:03:50,950

certain people you follow gee who would

1428

01:03:56,940 --> 01:03:55,240

never write a an anti Rendlesham case in

1429

01:03:59,660 --> 01:03:56,950

terms of you know aliens versus

1430

01:04:02,609 --> 01:03:59,670

experiments because they'd be just too

1431

01:04:05,549 --> 01:04:02,619

fearful of what they you know the

1432

01:04:07,980 --> 01:04:05,559

outcome would be for their UFO career

1433

01:04:09,779 --> 01:04:07,990

but I mean that's all they that's the

1434

01:04:11,730 --> 01:04:09,789

only thing they've got to deal with and

1435

01:04:13,890 --> 01:04:11,740

worry about I mean it's pretty pathetic

1436

01:04:16,589 --> 01:04:13,900

really I mean you should go for the

1437

01:04:19,620 --> 01:04:16,599

answers regardless of what the answers

1438

01:04:22,680 --> 01:04:19,630

are just look for the answer yeah there

1439

01:04:24,809 --> 01:04:22,690

is a huge difference between belief and

1440

01:04:27,180 --> 01:04:24,819

proof for a fact and I think you're

1441

01:04:28,380 --> 01:04:27,190

right belief often blinds a lot of

1442

01:04:30,180 --> 01:04:28,390

people when it comes to this stuff

1443

01:04:33,269 --> 01:04:30,190

especially when you bring something

1444

01:04:35,789 --> 01:04:33,279

forward like you have here well this one

1445

01:04:38,249 --> 01:04:35,799

is not so much a question but a fact

1446

01:04:41,249 --> 01:04:38,259

which we you might find interesting

1447

01:04:43,680 --> 01:04:41,259

the Orford ness lighthouse that many

1448

01:04:46,200 --> 01:04:43,690

said was the explanation for what halt

1449

01:04:48,240 --> 01:04:46,210

was seeing is actually being scheduled

1450

01:04:51,269 --> 01:04:48,250

for demolition after two hundred and

1451

01:04:55,470 --> 01:04:51,279

twenty years a functioning isn't that

1452

01:04:58,950 --> 01:04:55,480

crazy I think for the record I don't

1453

01:05:01,650 --> 01:04:58,960

think you know the maybe one or two

1454

01:05:03,809 --> 01:05:01,660

people at some point maybe saw you know

1455

01:05:05,759 --> 01:05:03,819

the lights from the from the lighthouse

1456

01:05:08,069 --> 01:05:05,769

and saw something and thought it might

1457

01:05:11,490 --> 01:05:08,079

have been you know there is somehow

1458

01:05:13,289 --> 01:05:11,500

connected but I think you know that if

1459

01:05:16,589 --> 01:05:13,299

that happened it would be sort of like a

1460

01:05:20,819 --> 01:05:16,599

minut part of the entire story even you

1461

01:05:22,640 --> 01:05:20,829

know beyond on you but yeah I mean the

1462

01:05:25,829 --> 01:05:22,650

whole area is sort of filled with

1463

01:05:27,299 --> 01:05:25,839

historical and government places I mean

1464

01:05:29,519 --> 01:05:27,309

you've got offered nests you know the

1465

01:05:30,749 --> 01:05:29,529

lighthouse you know sort of gonna be

1466

01:05:33,269 --> 01:05:30,759

razed to the ground

1467

01:05:35,640 --> 01:05:33,279

you've got Hollis liebe a prison that

1468

01:05:38,999 --> 01:05:35,650

was going to be evacuated you got Cobra

1469

01:05:41,160 --> 01:05:39,009

missed the Tizard committee the shingle

1470

01:05:43,200 --> 01:05:41,170

street story you know where the German

1471

01:05:45,569 --> 01:05:43,210

troops were all set on fire and the

1472

01:05:50,730 --> 01:05:45,579

beach when they tried to invade the

1473

01:05:51,540 --> 01:05:50,740

whole area is just weird and saturated

1474

01:05:54,680 --> 01:05:51,550

in

1475

01:05:59,430 --> 01:05:54,690

pacified programs and for me I cannot

1476

01:06:02,040 --> 01:05:59,440

extract that from the UFO story you know

1477

01:06:05,340 --> 01:06:02,050

it's Rendlesham forest is not your

1478

01:06:07,140 --> 01:06:05,350

average place no that's the you need a

1479

01:06:09,750 --> 01:06:07,150

concise terms that's the best way I can

1480

01:06:13,590 --> 01:06:09,760

describe it yeah I would have to agree

1481

01:06:17,400 --> 01:06:13,600

with you well in terms of Rendlesham

1482

01:06:19,760 --> 01:06:17,410

Nick and Roswell two cases that you have

1483

01:06:23,040 --> 01:06:19,770

clearly brought some controversial

1484

01:06:25,620 --> 01:06:23,050

theories - are there any other UFO cases

1485

01:06:28,050 --> 01:06:25,630

that you'd like to really you know shake

1486

01:06:29,670 --> 01:06:28,060

up and bring forth some new stuff

1487

01:06:38,960 --> 01:06:29,680

anything you're working on in terms of

1488

01:06:41,790 --> 01:06:38,970

these alternate explanations well

1489

01:06:44,220 --> 01:06:41,800

another one which is probably going to

1490

01:06:47,850 --> 01:06:44,230

piss off a few other people but again it

1491

01:06:51,420 --> 01:06:47,860

sort of smacks of reality please the

1492

01:06:55,340 --> 01:06:51,430

Charles Hickson Calvin Parker alien

1493

01:06:59,040 --> 01:06:55,350

abduction of 1973 I mean that case the

1494

01:07:02,640 --> 01:06:59,050

particular case the is one of the

1495

01:07:06,570 --> 01:07:02,650

primary alien abduction cases not just

1496

01:07:09,630 --> 01:07:06,580

at the 1970s but have throughout alien

1497

01:07:12,720 --> 01:07:09,640

abduction history itself and the story

1498

01:07:15,330 --> 01:07:12,730

is that the two men were on the edge of

1499

01:07:17,130 --> 01:07:15,340

the Mississippi River fishing late at

1500

01:07:20,190 --> 01:07:17,140

night you know a certain I just hanging

1501
01:07:22,920 --> 01:07:20,200
out I'm in a good time and they saw this

1502
01:07:25,350 --> 01:07:22,930
strange light coming towards them things

1503
01:07:27,840 --> 01:07:25,360
started to go weird they were taken on

1504
01:07:32,120 --> 01:07:27,850
board a craft and then it was followed

1505
01:07:34,530 --> 01:07:32,130
by some sort of classic abduction

1506
01:07:36,630 --> 01:07:34,540
interestingly enough they were taken to

1507
01:07:39,030 --> 01:07:36,640
a nearby military base after and

1508
01:07:41,490 --> 01:07:39,040
questioned all sorts of questions you

1509
01:07:43,650 --> 01:07:41,500
know what did you see etc etc it's

1510
01:07:45,900 --> 01:07:43,660
almost as if the the people who were

1511
01:07:48,990 --> 01:07:45,910
going to interview them were primed and

1512
01:07:53,700 --> 01:07:49,000
ready now what's particularly intriguing

1513
01:07:55,470 --> 01:07:53,710

is that Hickson and Parker when they had

1514

01:07:58,680 --> 01:07:55,480

experienced a lot of people don't know

1515

01:08:01,890 --> 01:07:58,690

this but where they were abducted from

1516

01:08:04,200 --> 01:08:01,900

and whoever they were abducted by was

1517

01:08:05,420 --> 01:08:04,210

not too far from a place called Horn

1518

01:08:12,560 --> 01:08:05,430

Island

1519

01:08:16,790 --> 01:08:12,570

where a lot of the early hallucinogenic

1520

01:08:18,350 --> 01:08:16,800

mind-altering technology was tested just

1521

01:08:21,650 --> 01:08:18,360

down the on horn-like

1522

01:08:23,840 --> 01:08:21,660

Horn Island not too far from where the

1523

01:08:26,660 --> 01:08:23,850

two men were abducted now wasn't

1524

01:08:29,780 --> 01:08:26,670

particularly intriguing is that the work

1525

01:08:32,140 --> 01:08:29,790

on Horn Island was cancelled for one

1526

01:08:35,330 --> 01:08:32,150

particular reason and that was because

1527

01:08:39,020 --> 01:08:35,340

the some of the experiments involved

1528

01:08:41,210 --> 01:08:39,030

aerosol Bay solution a genex and they

1529

01:08:43,190 --> 01:08:41,220

couldn't guarantee that the winds

1530

01:08:45,890 --> 01:08:43,200

wouldn't blow in the wrong direction and

1531

01:08:48,530 --> 01:08:45,900

head towards civilization so to speak

1532

01:08:51,470 --> 01:08:48,540

pop you know populated areas that sounds

1533

01:08:53,690 --> 01:08:51,480

almost identical to what happened in

1534

01:08:55,220 --> 01:08:53,700

Rendlesham forest with the prison the

1535

01:08:58,510 --> 01:08:55,230

youngsters prison

1536

01:09:01,160 --> 01:08:58,520

Hollis Lee Bay you know with the idea of

1537

01:09:03,140 --> 01:09:01,170

evacuating the place because of the wind

1538

01:09:06,860 --> 01:09:03,150

blowing the us projects so in other

1539

01:09:09,680 --> 01:09:06,870

words there are aspects of the Hickson

1540

01:09:12,470 --> 01:09:09,690

Parker's story which is very similar to

1541

01:09:15,590 --> 01:09:12,480

certain portions of Rendlesham as well

1542

01:09:19,840 --> 01:09:15,600

Wow I feel like only you would be able

1543

01:09:22,730 --> 01:09:19,850

to make a connection between Pascagoula

1544

01:09:25,670 --> 01:09:22,740

that's amazing Wow well actually there's

1545

01:09:28,550 --> 01:09:25,680

to give a plug to another book the book

1546

01:09:30,910 --> 01:09:28,560

the guy who who dug all this out about

1547

01:09:34,190 --> 01:09:30,920

Parker and Hicks urn and the

1548

01:09:36,830 --> 01:09:34,200

hallucinogenics and Horn Island was a

1549

01:09:38,600 --> 01:09:36,840

guy named Ostia shows a was he still is

1550

01:09:41,900 --> 01:09:38,610

a guy now Hank

1551

01:09:44,390 --> 01:09:41,910

Alber Ellie and he wrote a book called a

1552

01:09:46,880 --> 01:09:44,400

terrible mistake and it's all about the

1553

01:09:49,760 --> 01:09:46,890

death of a guy named Frank Olson who was

1554

01:09:51,680 --> 01:09:49,770

one of the early MKULTRA guys and he

1555

01:09:53,890 --> 01:09:51,690

died of what very controversial

1556

01:09:57,290 --> 01:09:53,900

circumstances he was able pushed or

1557

01:09:58,880 --> 01:09:57,300

thrown or jumped out of a hotel window

1558

01:10:02,030 --> 01:09:58,890

and there's still a lot of controversy

1559

01:10:04,640 --> 01:10:02,040

about it now but Al barelli's book is a

1560

01:10:07,520 --> 01:10:04,650

really good book a terrible mistake and

1561

01:10:09,860 --> 01:10:07,530

he talks about the Hicks and Parker case

1562

01:10:11,600 --> 01:10:09,870

and Gorham you know and it's so close to

1563

01:10:13,760 --> 01:10:11,610

Horn Island where all this sort of

1564

01:10:17,240 --> 01:10:13,770

mind-altering technology was being used

1565

01:10:18,240 --> 01:10:17,250

and also I mean if we've got time the

1566

01:10:23,160 --> 01:10:18,250

fearless Boers

1567

01:10:25,520 --> 01:10:23,170

case of 1957 Antonio Villas Boas claimed

1568

01:10:28,670 --> 01:10:25,530

that he'd been taken on board a UFO and

1569

01:10:34,770 --> 01:10:28,680

had sex with this sort of hot looking

1570

01:10:36,690 --> 01:10:34,780

uber space baby and sounds really cool

1571

01:10:40,010 --> 01:10:36,700

you know I mean most people wouldn't

1572

01:10:42,960 --> 01:10:40,020

sort of say no but the story itself is

1573

01:10:46,350 --> 01:10:42,970

intriguing because of the time frame and

1574

01:10:48,240 --> 01:10:46,360

what Phyllis Bose actually said versus

1575

01:10:51,330 --> 01:10:48,250

what so many people do follow gee have

1576

01:10:53,460 --> 01:10:51,340

said now people one of the people who

1577

01:10:56,790 --> 01:10:53,470

spoke about this was a guy named Ned

1578

01:10:58,680 --> 01:10:56,800

Bosco Nadel Kovac and he was someone who

1579

01:11:01,560 --> 01:10:58,690

was connected to the US intelligence

1580

01:11:04,290 --> 01:11:01,570

community and before his death

1581

01:11:07,650 --> 01:11:04,300

Nadel Kovac said that the villas-boas

1582

01:11:12,050 --> 01:11:07,660

case was kind of like an MKULTRA program

1583

01:11:14,850 --> 01:11:12,060

and he claimed that the UFO that

1584

01:11:16,740 --> 01:11:14,860

supposedly took villas-boas on board was

1585

01:11:19,290 --> 01:11:16,750

actually a helicopter now some people

1586

01:11:21,900 --> 01:11:19,300

might laugh at that but I mean if you

1587

01:11:24,720 --> 01:11:21,910

actually read villas-boas his very own

1588

01:11:27,480 --> 01:11:24,730

words in his own words when he was

1589

01:11:30,570 --> 01:11:27,490

interviewed he said that the craft that

1590

01:11:34,080 --> 01:11:30,580

he was taken on board was kind of like

1591

01:11:35,880 --> 01:11:34,090

an elongated type of craft and he said

1592

01:11:39,090 --> 01:11:35,890

that on top of it with something

1593

01:11:41,970 --> 01:11:39,100

spinning at high speed and something was

1594

01:11:44,340 --> 01:11:41,980

going making like a whoop kind of noise

1595

01:11:47,910 --> 01:11:44,350

yeah which sounds to me just like a

1596

01:11:49,830 --> 01:11:47,920

helicopter now on top of that and this

1597

01:11:52,260 --> 01:11:49,840

is where it gets really interesting is

1598

01:11:54,450 --> 01:11:52,270

that a number of documents have now

1599

01:11:57,570 --> 01:11:54,460

surfaced and I mentioned one of those in

1600

01:12:01,620 --> 01:11:57,580

the book a surfaced showing that in the

1601
01:12:05,400 --> 01:12:01,630
mid-1950s that the CIA hired prostitutes

1602
01:12:07,830 --> 01:12:05,410
to dose people you know in like a hotel

1603
01:12:09,750 --> 01:12:07,840
room and it'd be like with a you know a

1604
01:12:14,190 --> 01:12:09,760
mirror where you could see both sides

1605
01:12:17,820 --> 01:12:14,200
and they would use for example LSD on

1606
01:12:21,480 --> 01:12:17,830
people and see the responses to the LSD

1607
01:12:24,720 --> 01:12:21,490
and so the theory is that villas-boas

1608
01:12:28,190 --> 01:12:24,730
was taken on board a helicopter exposed

1609
01:12:29,930 --> 01:12:28,200
to extremely quick fast working

1610
01:12:32,150 --> 01:12:29,940
hallucinogenics

1611
01:12:34,280 --> 01:12:32,160
and and he may well have even had sex

1612
01:12:36,320 --> 01:12:34,290
with the woman you know she was a hooker

1613
01:12:38,750 --> 01:12:36,330

and when you reach sounds bizarre but

1614

01:12:41,720 --> 01:12:38,760

when you read the story it all comes

1615

01:12:44,920 --> 01:12:41,730

together and it sounds very much like a

1616

01:12:47,840 --> 01:12:44,930

staged early at a very very early stage

1617

01:12:52,430 --> 01:12:47,850

alien abduction event that was played

1618

01:12:55,430 --> 01:12:52,440

out to present to the UFO community if

1619

01:12:58,340 --> 01:12:55,440

you like one of the very earliest alien

1620

01:13:00,320 --> 01:12:58,350

abductions but which may not actually

1621

01:13:03,010 --> 01:13:00,330

been anything of the sorts at all it

1622

01:13:06,530 --> 01:13:03,020

could have been a very strange very

1623

01:13:09,050 --> 01:13:06,540

alternative kind of staged event Wow

1624

01:13:12,170 --> 01:13:09,060

that is absolutely fascinating you know

1625

01:13:14,330 --> 01:13:12,180

it just reminds me I always go back to

1626

01:13:16,100 --> 01:13:14,340

my theater roots and who said it better

1627

01:13:23,180 --> 01:13:16,110

than Shakespeare all the world is a

1628

01:13:31,880 --> 01:13:23,190

stage I don't think he really cared

1629

01:13:36,080 --> 01:13:31,890

whether it was a an alien woman or at

1630

01:13:37,850 --> 01:13:36,090

that point hey who can argue yeah I mean

1631

01:13:40,040 --> 01:13:37,860

one important thing and I talked about

1632

01:13:43,190 --> 01:13:40,050

this in the book as well he's highly

1633

01:13:46,160 --> 01:13:43,200

controversial is that John Fuller who

1634

01:13:48,500 --> 01:13:46,170

wrote the first alien abduction book

1635

01:13:51,170 --> 01:13:48,510

skids on the Betty and Barney Hill case

1636

01:13:52,990 --> 01:13:51,180

the interrupted journey when that book

1637

01:13:55,700 --> 01:13:53,000

came out a lot of people didn't realize

1638

01:13:58,070 --> 01:13:55,710

that John Fuller who wrote the first

1639

01:14:00,650 --> 01:13:58,080

alien abduction book was heavily

1640

01:14:03,560 --> 01:14:00,660

involved with some of the people who

1641

01:14:05,450 --> 01:14:03,570

worked in the CIA's MKULTRA program he

1642

01:14:08,300 --> 01:14:05,460

was friends with them and even had

1643

01:14:10,160 --> 01:14:08,310

insiders who were willing to sort of

1644

01:14:12,350 --> 01:14:10,170

share with him you know what was going

1645

01:14:15,260 --> 01:14:12,360

on with MKULTRA and what the status of

1646

01:14:17,330 --> 01:14:15,270

sort of research into that field was and

1647

01:14:19,430 --> 01:14:17,340

some people think that he may actually

1648

01:14:23,210 --> 01:14:19,440

even have been brought into the program

1649

01:14:26,690 --> 01:14:23,220

to reinforce this the alien abduction

1650

01:14:29,510 --> 01:14:26,700

angle to cry to try and create that the

1651
01:14:32,110 --> 01:14:29,520
Lord if you like and the legend of alien

1652
01:14:35,000 --> 01:14:32,120
abductions and kickstart off the whole

1653
01:14:38,080 --> 01:14:35,010
abduction phenomenon but doing it is

1654
01:14:40,880 --> 01:14:38,090
kind of like as like as a mind altering

1655
01:14:42,650 --> 01:14:40,890
project if you like yeah I mean you just

1656
01:14:43,339 --> 01:14:42,660
keep tracing back further and further

1657
01:14:47,870 --> 01:14:43,349
and

1658
01:14:52,790 --> 01:14:47,880
perfect sense you know creating the

1659
01:14:55,100 --> 01:14:52,800
mythology and yeah but the big problem

1660
01:14:57,709 --> 01:14:55,110
is and this isn't you know a slur on

1661
01:15:00,140 --> 01:14:57,719
paper in ufology but the fact is not

1662
01:15:01,850 --> 01:15:00,150
many people in ufology want to hear that

1663
01:15:04,220 --> 01:15:01,860

yeah

1664

01:15:07,459 --> 01:15:04,230

aliens that's why this works so

1665

01:15:10,729 --> 01:15:07,469

brilliantly because people do want to

1666

01:15:13,120 --> 01:15:10,739

hear about UFOs and they don't want to

1667

01:15:16,189 --> 01:15:13,130

hear about Nick talking about Holograms

1668

01:15:18,530 --> 01:15:16,199

you know I mean even I mean you know

1669

01:15:21,709 --> 01:15:18,540

I'll be brutally honest I know people

1670

01:15:23,649 --> 01:15:21,719

don't want the truth to be what it is in

1671

01:15:26,660 --> 01:15:23,659

my book they want it to be

1672

01:15:29,629 --> 01:15:26,670

extraterrestrial but I mean I can only

1673

01:15:31,069 --> 01:15:29,639

present it as it is you know but that's

1674

01:15:32,870 --> 01:15:31,079

one of the most brilliant things about

1675

01:15:36,470 --> 01:15:32,880

it you know the reason why these

1676

01:15:39,229 --> 01:15:36,480

programs work is because so many people

1677

01:15:41,600 --> 01:15:39,239

as I said do want that's a baby answer

1678

01:15:44,569 --> 01:15:41,610

they want the alien angles they don't

1679

01:15:47,780 --> 01:15:44,579

want to know that Roswell was a secret

1680

01:15:50,149 --> 01:15:47,790

military experiment you know or one of

1681

01:15:52,700 --> 01:15:50,159

the most famous alien abduction writers

1682

01:15:54,830 --> 01:15:52,710

you know was hooked into MKULTRA they

1683

01:15:58,189 --> 01:15:54,840

don't want that and and that's what

1684

01:15:59,990 --> 01:15:58,199

you're up against so got ufology next

1685

01:16:02,660 --> 01:16:00,000

you follow G in hey man it's not an easy

1686

01:16:04,550 --> 01:16:02,670

road to take so I respect you for for

1687

01:16:06,560 --> 01:16:04,560

doing that I think the field needs that

1688

01:16:09,560 --> 01:16:06,570

desperately when it comes to this topic

1689

01:16:11,750 --> 01:16:09,570

the power of belief outweighs everything

1690

01:16:14,600 --> 01:16:11,760

for some of these people and I think

1691

01:16:15,950 --> 01:16:14,610

without asking these questions we're not

1692

01:16:18,290 --> 01:16:15,960

going to get anywhere and I know there's

1693

01:16:20,180 --> 01:16:18,300

a lot of people who told me like you

1694

01:16:21,560 --> 01:16:20,190

shouldn't be doing that interview he

1695

01:16:24,020 --> 01:16:21,570

like he's just spreading more

1696

01:16:26,060 --> 01:16:24,030

disinformation but I argue to those

1697

01:16:28,100 --> 01:16:26,070

listening to this and who told me not to

1698

01:16:30,680 --> 01:16:28,110

do this interview I think the

1699

01:16:32,780 --> 01:16:30,690

disinformation comes from blind faith

1700

01:16:35,450 --> 01:16:32,790

and belief in something that we have

1701

01:16:38,149 --> 01:16:35,460

absolutely no definitive proof of so

1702

01:16:40,339 --> 01:16:38,159

yeah for anyone who does go with the

1703

01:16:41,510 --> 01:16:40,349

alien theory on Rendlesham or any of

1704

01:16:43,550 --> 01:16:41,520

these other things you've brought up

1705

01:16:45,500 --> 01:16:43,560

that's fine that's perfectly fine but

1706

01:16:47,990 --> 01:16:45,510

then you got to think to yourself maybe

1707

01:16:51,169 --> 01:16:48,000

that's what they want it all home well

1708

01:16:52,970 --> 01:16:51,179

you know I mean mice and I Ronnie but I

1709

01:16:56,240 --> 01:16:52,980

mean I would love it if Rendlesham

1710

01:16:57,020 --> 01:16:56,250

really was extraterrestrial because okay

1711

01:16:59,780 --> 01:16:57,030

he might

1712

01:17:02,300 --> 01:16:59,790

show that I was wrong but it would also

1713

01:17:06,230 --> 01:17:02,310

show that we had we really have had

1714

01:17:08,720 --> 01:17:06,240

alien visitations so you know even for

1715

01:17:12,110 --> 01:17:08,730

me you know I wish some of these cases

1716

01:17:13,970 --> 01:17:12,120

were actually terrestrial but you know

1717

01:17:17,360 --> 01:17:13,980

when you look further and further into

1718

01:17:19,430 --> 01:17:17,370

them I just saw like I begin to see sort

1719

01:17:21,440 --> 01:17:19,440

of red flags and red light you know

1720

01:17:23,240 --> 01:17:21,450

coming here and and threads and leads

1721

01:17:25,640 --> 01:17:23,250

here between different programs and

1722

01:17:28,160 --> 01:17:25,650

military programs and and they all you

1723

01:17:31,280 --> 01:17:28,170

know they're all tied around Rendlesham

1724

01:17:33,650 --> 01:17:31,290

forest and and so for me whatever the

1725

01:17:35,680 --> 01:17:33,660

answer is I mean frankly you know I

1726

01:17:37,760 --> 01:17:35,690

don't really care what you follow gee

1727

01:17:39,920 --> 01:17:37,770

thinks about me like I said I've got

1728

01:17:42,230 --> 01:17:39,930

thick skin I don't lose sleep about this

1729

01:17:44,390 --> 01:17:42,240

and if somebody wants a good argument

1730

01:17:48,950 --> 01:17:44,400

and a fight well that's cool that's fine

1731

01:17:52,100 --> 01:17:48,960

by me you know okay and but in saying

1732

01:17:55,610 --> 01:17:52,110

that I think yeah there is way too much

1733

01:17:57,260 --> 01:17:55,620

belief in ufology and really we should

1734

01:18:00,200 --> 01:17:57,270

just be looking for evidence not for

1735

01:18:02,270 --> 01:18:00,210

belief I mean you know not to you know

1736

01:18:04,430 --> 01:18:02,280

sort of besmirch people who were

1737

01:18:08,750 --> 01:18:04,440

religious faith but I mean a lot of

1738

01:18:11,570 --> 01:18:08,760

religion is based on belief and hey I

1739

01:18:14,240 --> 01:18:11,580

don't care I don't mind if people you

1740

01:18:17,420 --> 01:18:14,250

know base their you know their systems

1741

01:18:19,460 --> 01:18:17,430

of faith on belief but I just wish

1742

01:18:21,860 --> 01:18:19,470

instead of having belief we could have

1743

01:18:23,390 --> 01:18:21,870

we could have evidence and the reason

1744

01:18:26,030 --> 01:18:23,400

you know if you look at that in the

1745

01:18:28,700 --> 01:18:26,040

dictionary you know the description of

1746

01:18:30,710 --> 01:18:28,710

belief versus evidence they're two

1747

01:18:32,780 --> 01:18:30,720

different things you know yeah it's a

1748

01:18:36,590 --> 01:18:32,790

really good point well I mean Nick in

1749

01:18:39,560 --> 01:18:36,600

terms of moving forward with all of this

1750

01:18:40,700 --> 01:18:39,570

you have a really good after word in the

1751

01:18:42,800 --> 01:18:40,710

book which I don't want to give away

1752

01:18:45,500 --> 01:18:42,810

here I think people should read it about

1753

01:18:47,810 --> 01:18:45,510

your continued efforts and work into

1754

01:18:49,880 --> 01:18:47,820

looking at Rendlesham but what comes

1755

01:18:51,500 --> 01:18:49,890

next I know you're always working on

1756

01:18:53,810 --> 01:18:51,510

something so is there anything you can

1757

01:18:57,770 --> 01:18:53,820

share with us on what we can expect next

1758

01:19:00,260 --> 01:18:57,780

from you well one of my other big

1759

01:19:02,540 --> 01:19:00,270

interest is cryptozoology which is the

1760

01:19:05,420 --> 01:19:02,550

study of unknown animals like Bigfoot's

1761

01:19:07,730 --> 01:19:05,430

like monsters Chupacabra things like

1762

01:19:10,580 --> 01:19:07,740

that and I've got a book coming out in

1763

01:19:13,189 --> 01:19:10,590

August called monsters of the deep and

1764

01:19:15,020 --> 01:19:13,199

all to do we like monsters like Loch

1765

01:19:18,080 --> 01:19:15,030

Ness monster things like that sea

1766

01:19:20,540 --> 01:19:18,090

serpents giant squid things like the

1767

01:19:22,879 --> 01:19:20,550

Kraken and how they the legends and the

1768

01:19:25,250 --> 01:19:22,889

myths of the Kraken developed and so

1769

01:19:26,899 --> 01:19:25,260

anything that's sort of monstrous and

1770

01:19:29,570 --> 01:19:26,909

living deep in the waters that's what

1771

01:19:31,609 --> 01:19:29,580

the new book will be out be about and

1772

01:19:33,550 --> 01:19:31,619

then in October I've got another one

1773

01:19:36,470 --> 01:19:33,560

caught it's just called the Martians and

1774

01:19:39,220 --> 01:19:36,480

it's sort of like a full-length very

1775

01:19:41,660 --> 01:19:39,230

lengthy book on the the whole

1776

01:19:45,109 --> 01:19:41,670

controversy surrounding was there at

1777

01:19:47,750 --> 01:19:45,119

some point advanced life on Mars and

1778

01:19:49,820 --> 01:19:47,760

looks and the book looks at you know the

1779

01:19:51,830 --> 01:19:49,830

old legends and stories and some of

1780

01:19:54,950 --> 01:19:51,840

these strange photographs that NASA

1781

01:19:57,760 --> 01:19:54,960

itself even have taken you know what

1782

01:20:00,979 --> 01:19:57,770

looked kind of like the remnants and the

1783

01:20:04,520 --> 01:20:00,989

you know sort of the crumbling remnants

1784

01:20:06,919 --> 01:20:04,530

of ancient cities and buildings on Mars

1785

01:20:09,560 --> 01:20:06,929

so it looks at the the idea that

1786

01:20:11,450 --> 01:20:09,570

possibly thousands of years ago maybe

1787

01:20:12,760 --> 01:20:11,460

hundreds of thousands of years ago there

1788

01:20:16,580 --> 01:20:12,770

could have been some sort of ancient

1789

01:20:19,760 --> 01:20:16,590

race on the moon Mars itself so that one

1790

01:20:21,410 --> 01:20:19,770

will be out in October so it's monsters

1791

01:20:24,649 --> 01:20:21,420

of the day in August and then the

1792

01:20:27,560 --> 01:20:24,659

Martians in October hey I love it man

1793

01:20:29,750 --> 01:20:27,570

there's two things we we explore on this

1794

01:20:32,060 --> 01:20:29,760

planet it's what's below us and what's

1795

01:20:34,669 --> 01:20:32,070

above us and you're covering both angles

1796

01:20:37,370 --> 01:20:34,679

so I absolutely love that

1797

01:20:39,459 --> 01:20:37,380

before we go Nick where can we find the
