this is somewhere in the skies Brian's

[Music]

4
00:00:41,930 --> 00:00:39,560

hello my name is Dennis Mackenzie I'm 52

5
00:00:44,930 --> 00:00:41,940

years old and live in st. Louis Missouri

6
00:00:47,120 --> 00:00:44,940

I was born here but grew up in Western

7
00:00:50,710 --> 00:00:47,130

Michigan my family and I have been

8
00:00:55,010 --> 00:00:50,720

living in st. Louis since about 2008 in

9
00:00:58,420 --> 00:00:55,020

2014 I experienced the sighting I didn't

10
00:01:01,700 --> 00:00:58,430

share it with anyone no reason I just

11
00:01:05,320 --> 00:01:01,710

didn't report it it was strange but

12
00:01:07,640 --> 00:01:05,330

uneventful I mentioned it to my wife but

13
00:01:10,040 --> 00:01:07,650

yeah I didn't file it with the folks

14

00:01:13,280 --> 00:01:10,050
that tracked these things for whatever

15

00:01:16,580 --> 00:01:13,290
reason but recently I've been enjoying

16

00:01:19,700 --> 00:01:16,590
Ryan's and some other paranormal and UFO

17

00:01:22,460 --> 00:01:19,710
podcasts and listening to accounts of

18

00:01:26,210 --> 00:01:22,470
people who've seen the the

19

00:01:29,000 --> 00:01:26,220
triangle-shaped lights it got me

20

00:01:32,780 --> 00:01:29,010
thinking and led me to search for any

21

00:01:37,850 --> 00:01:32,790
reports of incidents matching what I had

22

00:01:40,640 --> 00:01:37,860
seen back around 2013 or 2014 so I got

23

00:01:43,910 --> 00:01:40,650
on the Google machine and started poking

24

00:01:47,900 --> 00:01:43,920
around and lo and behold I found a

25

00:01:51,680 --> 00:01:47,910
report filed on June 12 2014 in st.

26

00:01:53,480 --> 00:01:51,690

Peter's Missouri now I'm I was in

27

00:01:56,090 --> 00:01:53,490

O'Fallon Missouri at the time which is

28

00:01:58,970 --> 00:01:56,100

essentially the same place Oh Fallon and

29

00:02:01,610 --> 00:01:58,980

st. Peters are just one giant suburb

30

00:02:05,210 --> 00:02:01,620

it's one massive neighborhood with about

31

00:02:08,330 --> 00:02:05,220

80,000 people I read the report and it

32

00:02:10,160 --> 00:02:08,340

matched exactly what I saw it kind of

33

00:02:13,220 --> 00:02:10,170

freaked me out it was I think a high

34

00:02:16,300 --> 00:02:13,230

school kid and he had seen it and was

35

00:02:19,520 --> 00:02:16,310

talking about it in school and had a

36

00:02:21,949 --> 00:02:19,530

teacher had seen it too in the area

37

00:02:26,479 --> 00:02:21,959

where they were kind of matched it

38

00:02:29,210 --> 00:02:26,489

synched to what I had seen so after

39

00:02:32,180 --> 00:02:29,220

reading the report I decided that I'd go

40

00:02:33,550 --> 00:02:32,190

on to ryan's website and summarized my

41

00:02:35,830 --> 00:02:33,560

sighting

42

00:02:39,250 --> 00:02:35,840

he asked me to share the story so here

43

00:02:42,360 --> 00:02:39,260

goes I'm a manufacturing engineer and I

44

00:02:44,740 --> 00:02:42,370

worked in factories my entire career

45

00:02:46,900 --> 00:02:44,750

oftentimes I get called into plants

46

00:02:49,810 --> 00:02:46,910

after normal business hours which is why

47

00:02:53,130 --> 00:02:49,820

I was driving down highway K about 2:00

48

00:02:55,570 --> 00:02:53,140

in the morning and so I the date I

49

00:02:58,240 --> 00:02:55,580

narrowed down based on reading that

50

00:02:59,910 --> 00:02:58,250

other report and that was filed June 12

51

00:03:02,500 --> 00:02:59,920

2014

52

00:03:04,420 --> 00:03:02,510

so I was called in the plant for some

53

00:03:07,570 --> 00:03:04,430

issue that I don't remember specifically

54

00:03:09,810 --> 00:03:07,580

what it was when I was driving on

55

00:03:14,800 --> 00:03:09,820

highway K you know foul on Missouri

56

00:03:18,160 --> 00:03:14,810

Highway K is an extremely busy road the

57

00:03:20,680 --> 00:03:18,170

the entirety of this road is well lit

58

00:03:23,110 --> 00:03:20,690

full of major shopping centers grocery

59

00:03:26,770 --> 00:03:23,120

stores big box home improvement gas

60

00:03:29,410 --> 00:03:26,780

stations nothing about this is rural

61

00:03:33,520 --> 00:03:29,420

it's a very dense elite or very densely

62

00:03:35,830 --> 00:03:33,530

populated very active place 2:30 in the

63

00:03:39,940 --> 00:03:35,840

morning I was pretty much the only one

64

00:03:42,430 --> 00:03:39,950

on this section of it you know most

65

00:03:45,400 --> 00:03:42,440

things are closed it was a pleasant

66

00:03:49,120 --> 00:03:45,410

evening and I remember some clouds in

67

00:03:52,509 --> 00:03:49,130

the sky and I was heading south on K and

68

00:03:54,729 --> 00:03:52,519

had just passed a road called Laura Hill

69

00:03:59,710 --> 00:03:54,739

and I was bit side between Laura Hill

70

00:04:03,850 --> 00:03:59,720

and Mexico and I noticed in the sky to

71

00:04:07,120 --> 00:04:03,860

my right a triangle of white lights

72

00:04:09,340 --> 00:04:07,130

moving steadily through the air yeah my

73

00:04:13,120 --> 00:04:09,350

first thought there was a formation of

74

00:04:17,050 --> 00:04:13,130

planes I didn't see an outline of any

75

00:04:20,349 --> 00:04:17,060

craft just bright white lights forming

76
00:04:23,380 --> 00:04:20,359
an equilateral triangle there were no no

77
00:04:26,440 --> 00:04:23,390
lights at the base just the sides and it

78
00:04:30,010 --> 00:04:26,450
was moving due west from east to west

79
00:04:33,610 --> 00:04:30,020
across k in the direction it was like

80
00:04:37,540 --> 00:04:33,620
arrow head maybe I heard absolutely

81
00:04:41,080 --> 00:04:37,550
nothing completely silence

82
00:04:44,050 --> 00:04:41,090
I had my radio was off my windows were

83
00:04:46,989 --> 00:04:44,060
down I couldn't hear a thing

84
00:04:51,699 --> 00:04:46,999
I looked for blinking lights

85
00:04:55,919 --> 00:04:51,709
to indicate aircraft wing tips or tail

86
00:04:59,289 --> 00:04:55,929
lights I didn't see anything that a

87
00:05:01,449 --> 00:04:59,299
identifiable aircraft would a hand on it

88
00:05:04,689 --> 00:05:01,459

yeah the pace of this whatever this was

89

00:05:07,689 --> 00:05:04,699

was pretty steady moving about as fast

90

00:05:11,649 --> 00:05:07,699

as a traffic helicopter so not real fast

91

00:05:13,209 --> 00:05:11,659

not hovering and it didn't appear to be

92

00:05:16,479 --> 00:05:13,219

that high because there were some clouds

93

00:05:19,149 --> 00:05:16,489

and the lights were very clear it was

94

00:05:22,449 --> 00:05:19,159

moving east to west I leaned over the

95

00:05:27,009 --> 00:05:22,459

steering wheel as I drove kind of under

96

00:05:28,629 --> 00:05:27,019

it as it went over Kay and I you know

97

00:05:32,319 --> 00:05:28,639

I'm thinking to myself holy [h__h] I'm

98

00:05:35,859 --> 00:05:32,329

seeing a UFO huh

99

00:05:38,139 --> 00:05:35,869

so after it had moved west and was

100

00:05:39,719 --> 00:05:38,149

directly to my left I still heard

101

00:05:43,409 --> 00:05:39,729

absolutely nothing

102

00:05:47,529 --> 00:05:43,419

not too long after it crossed over K

103

00:05:53,589 --> 00:05:47,539

these things disappeared upward into the

104

00:05:58,089 --> 00:05:53,599

sky and it wasn't a smooth turn or drift

105

00:06:02,379 --> 00:05:58,099

into the clouds these things rocketed

106

00:06:05,109 --> 00:06:02,389

upward I mean it was the media and the

107

00:06:08,009 --> 00:06:05,119

the thing that that really struck me is

108

00:06:12,369 --> 00:06:08,019

that I heard nothing in this area

109

00:06:16,659 --> 00:06:12,379

because of Boeing you know we have a lot

110

00:06:18,999 --> 00:06:16,669

of f-18 traffic we see f-15s by the

111

00:06:21,339 --> 00:06:19,009

airport these guys do touch and gos

112

00:06:24,100 --> 00:06:21,349

touch the runway and just explode damn

113

00:06:26,499 --> 00:06:24,110

near vertically into the sky and when a

114

00:06:28,569 --> 00:06:26,509

when a military aircraft is doing that

115

00:06:32,049 --> 00:06:28,579

it is you hear it in your bones

116

00:06:36,009 --> 00:06:32,059

this was seemed to be as quick as that

117

00:06:39,159 --> 00:06:36,019

but there was absolutely no sound the

118

00:06:42,729 --> 00:06:39,169

report that was filed by this other

119

00:06:44,859 --> 00:06:42,739

individual said that they kind of noted

120

00:06:48,689 --> 00:06:44,869

a humming or throbbing sensation

121

00:06:50,730 --> 00:06:48,699

I didn't hear even that but I was also

122

00:06:55,890 --> 00:06:50,740

driving in a pickup

123

00:06:59,129 --> 00:06:55,900

so who knows my thoughts on what it is

124

00:07:02,219 --> 00:06:59,139

or what it was I think it'd be really

125

00:07:05,730 --> 00:07:02,229

neat if it were aliens I'd love that

126

00:07:07,620 --> 00:07:05,740

I'm desperately hoping to actually have

127

00:07:11,700 --> 00:07:07,630

a video of contact or see something like

128

00:07:14,480 --> 00:07:11,710

that but I think it was I think it was

129

00:07:18,029 --> 00:07:14,490

us I think it's ours

130

00:07:22,610 --> 00:07:18,039

whatever it is I the tech has got to be

131

00:07:25,439 --> 00:07:22,620

crazy like noise-canceling technology or

132

00:07:30,290 --> 00:07:25,449

even more badass would be a gravity

133

00:07:33,210 --> 00:07:30,300

polarizer how cool would that be but I

134

00:07:35,520 --> 00:07:33,220

don't know that it was alien ID you know

135

00:07:37,140 --> 00:07:35,530

who knows that so many people have seen

136

00:07:40,790 --> 00:07:37,150

these triangle lights that's what's got

137

00:07:45,899 --> 00:07:40,800

me thinking that it's something that

138

00:07:48,149 --> 00:07:45,909

we're playing with you know I don't

139

00:07:51,300 --> 00:07:48,159

think that we are the only ones in the

140

00:07:54,870 --> 00:07:51,310

universe but like Fermi said you know

141

00:07:58,580 --> 00:07:54,880

where is everybody anyway the sighting

142

00:08:00,990 --> 00:07:58,590

intrigued me didn't really frighten me

143

00:08:03,870 --> 00:08:01,000

it was just very interesting I think

144

00:08:06,060 --> 00:08:03,880

about it all the time and every time I I

145

00:08:08,540 --> 00:08:06,070

listen to a podcast or here's somebody

146

00:08:12,209 --> 00:08:08,550

or see videos of the Phoenix lights it's

147

00:08:15,860 --> 00:08:12,219

you know I'm really what the hell was

148

00:08:20,429 --> 00:08:15,870

that that's my story

149

00:08:25,110 --> 00:08:20,439

my name is Melissa and back on October

150

00:08:29,279 --> 00:08:25,120

3rd of 1995 I had what I can only

151

00:08:33,630 --> 00:08:29,289

describe as an unidentified flying

152

00:08:36,029 --> 00:08:33,640

object incident I remember to be

153

00:08:39,449 --> 00:08:36,039

specifically October 3rd of 1995 because

154

00:08:42,810 --> 00:08:39,459

it was a day that I was moving from

155

00:08:45,750 --> 00:08:42,820

Florida to Kansas after my freshman year

156

00:08:47,819 --> 00:08:45,760

of college and it was my mother my

157

00:08:50,220 --> 00:08:47,829

stepfather and I in a u-haul van that I

158

00:08:52,410 --> 00:08:50,230

had rented the reason I know it was

159

00:08:54,630 --> 00:08:52,420

October 3rd is because I remember on our

160

00:08:57,600 --> 00:08:54,640

way back listening and hearing the OJ

161

00:08:59,579 --> 00:08:57,610

Simpson verdict so I was able to

162

00:09:03,720 --> 00:08:59,589

determine that it was October 3rd of

163

00:09:05,670 --> 00:09:03,730

1995 anyway we were driving one straight

164

00:09:08,220 --> 00:09:05,680

shot which is about 25 hours and we were

165

00:09:10,949 --> 00:09:08,230

halfway through roughly about 14 hour

166

00:09:14,220 --> 00:09:10,959

into the draw 14 hour into the drive and

167

00:09:16,079 --> 00:09:14,230

we were east of st. Louis I'm gonna say

168

00:09:17,730 --> 00:09:16,089

we were at least an hour maybe a little

169

00:09:22,259 --> 00:09:17,740

bit more outside of st. Louis Missouri

170

00:09:24,210 --> 00:09:22,269

it was a very very dark night there

171

00:09:26,250 --> 00:09:24,220

wasn't a lot of traffic because it was a

172

00:09:27,900 --> 00:09:26,260

weekday night in October not a lot of

173

00:09:30,210 --> 00:09:27,910

summer travelers or anything of that

174

00:09:32,009 --> 00:09:30,220

sort my stepfather was driving the

175

00:09:34,019 --> 00:09:32,019

u-haul my mother was in the middle and I

176
00:09:36,389 --> 00:09:34,029
was on the passenger side looking out

177
00:09:39,949 --> 00:09:36,399
the window and I was just kind of

178
00:09:42,449 --> 00:09:39,959
looking out the window not really

179
00:09:46,530 --> 00:09:42,459
necessarily paying to anything impotent

180
00:09:50,400 --> 00:09:46,540
in particular and these lights in the

181
00:09:51,960 --> 00:09:50,410
sky kind of caught my eye and at first

182
00:09:53,250 --> 00:09:51,970
you know you kind of readjust your eyes

183
00:09:56,880 --> 00:09:53,260
a little bit and try to figure out

184
00:10:00,750 --> 00:09:56,890
exactly what you're seeing but I saw

185
00:10:02,340 --> 00:10:00,760
distinctly like three and the reason

186
00:10:08,250 --> 00:10:02,350
they caught my eye is they weren't

187
00:10:12,259 --> 00:10:08,260
moving but then one would move really

188
00:10:14,310 --> 00:10:12,269

slowly and then another one would move

189

00:10:16,949 --> 00:10:14,320

it was almost like this kind of

190

00:10:18,820 --> 00:10:16,959

choreographed movement that was going on

191

00:10:21,370 --> 00:10:18,830

between the three

192

00:10:22,600 --> 00:10:21,380

that I can't remember how many miles we

193

00:10:24,760 --> 00:10:22,610

would have been and we were far enough

194

00:10:27,580 --> 00:10:24,770

away where I watched this for a while

195

00:10:29,200 --> 00:10:27,590

and I'm watching it and another thing

196

00:10:31,990 --> 00:10:29,210

that struck me is they were perfectly

197

00:10:34,420 --> 00:10:32,000

spaced apart they were perfectly spaced

198

00:10:37,840 --> 00:10:34,430

apart the lighting on it was kind of

199

00:10:39,970 --> 00:10:37,850

sporadic it was it was like you know

200

00:10:41,740 --> 00:10:39,980

blinking lights but but not like a

201
00:10:48,520 --> 00:10:41,750
pulsating light that you normally see on

202
00:10:51,250 --> 00:10:48,530
a jet and they were like I said

203
00:10:53,890 --> 00:10:51,260
perfectly spaced apart but they would

204
00:10:58,300 --> 00:10:53,900
sometimes move at the exact same speed

205
00:11:00,520 --> 00:10:58,310
together or sometimes one would move and

206
00:11:03,070 --> 00:11:00,530
the other one would move and then once

207
00:11:07,090 --> 00:11:03,080
in a while one would just dim completely

208
00:11:10,030 --> 00:11:07,100
and be gone and then I looked and it

209
00:11:11,260 --> 00:11:10,040
would be in a different location so I'm

210
00:11:12,610 --> 00:11:11,270
watching this for a while and I'm

211
00:11:14,470 --> 00:11:12,620
sitting there in my head trying to

212
00:11:16,120 --> 00:11:14,480
decide like do I tell my stepfather what

213
00:11:18,490 --> 00:11:16,130

I'm saying because this is really odd

214

00:11:20,860 --> 00:11:18,500

and I remember being really nervous to

215

00:11:23,350 --> 00:11:20,870

tell him because he's one of those you

216

00:11:25,120 --> 00:11:23,360

know very skeptical people he also is

217

00:11:28,030 --> 00:11:25,130

someone that has his pilot's license and

218

00:11:31,240 --> 00:11:28,040

he was in the Air Force Reserves

219

00:11:33,730 --> 00:11:31,250

so I was like he's probably gonna just

220

00:11:36,700 --> 00:11:33,740

kind of dismiss this but I kept watching

221

00:11:39,250 --> 00:11:36,710

it but as I watched it also it was like

222

00:11:42,370 --> 00:11:39,260

more lights appeared then I noticed

223

00:11:44,380 --> 00:11:42,380

there was one across the interstate on

224

00:11:46,510 --> 00:11:44,390

the other side of us and so this point

225

00:11:49,720 --> 00:11:46,520

is like it's almost like they're all

226

00:11:53,020 --> 00:11:49,730

around and I don't recall how many there

227

00:11:56,080 --> 00:11:53,030

were but as I said they were perfectly

228

00:11:57,880 --> 00:11:56,090

spaced apart and the way they were

229

00:12:01,090 --> 00:11:57,890

moving it was almost like there was a

230

00:12:04,000 --> 00:12:01,100

communication going on between him and

231

00:12:06,450 --> 00:12:04,010

they they moved you know as I would

232

00:12:09,490 --> 00:12:06,460

describe today very similar to a drone I

233

00:12:13,660 --> 00:12:09,500

feel that it you know they would be

234

00:12:16,720 --> 00:12:13,670

stopped for for a while and then one

235

00:12:18,910 --> 00:12:16,730

would move and so certainly back in 1995

236

00:12:22,540 --> 00:12:18,920

there was nothing that existed to my

237

00:12:25,030 --> 00:12:22,550

knowledge at least that could do this so

238

00:12:26,560 --> 00:12:25,040

I don't remember how long I was watching

239

00:12:28,329 --> 00:12:26,570

this several minutes if not maybe a

240

00:12:31,389 --> 00:12:28,339

little bit more and

241

00:12:35,499 --> 00:12:31,399

I finally told my stepfather I said do

242

00:12:37,059 --> 00:12:35,509

you see these lights and I think he was

243

00:12:40,179 --> 00:12:37,069

noticing them too and he didn't want to

244

00:12:44,079 --> 00:12:40,189

say anything and he's like yeah I've

245

00:12:48,549 --> 00:12:44,089

been watching this and I said what is

246

00:12:54,220 --> 00:12:48,559

this and he said I honestly can't tell

247

00:12:55,780 --> 00:12:54,230

you I don't know what this is and you

248

00:13:00,009 --> 00:12:55,790

know he was driving so he had to kind of

249

00:13:02,470 --> 00:13:00,019

pay attention to the road you know he we

250

00:13:06,359 --> 00:13:02,480

just didn't really say a lot because we

251
00:13:09,369 --> 00:13:06,369
were more just in awe and trying to

252
00:13:10,299 --> 00:13:09,379
comprehend what we were witnessing and I

253
00:13:15,729 --> 00:13:10,309
think my mother was a little more

254
00:13:17,229 --> 00:13:15,739
freaked out by it I don't I we

255
00:13:18,579 --> 00:13:17,239
definitely didn't hear any noise but the

256
00:13:21,099 --> 00:13:18,589
reason we didn't hear any noise also as

257
00:13:22,780 --> 00:13:21,109
we were driving so the the sound of our

258
00:13:23,859 --> 00:13:22,790
vehicle was loud enough to where I

259
00:13:27,999 --> 00:13:23,869
wouldn't know if there was any noise

260
00:13:30,879 --> 00:13:28,009
associated but with what we saw but we

261
00:13:33,999 --> 00:13:30,889
would you know we got like what I say

262
00:13:35,379 --> 00:13:34,009
closer and closer we sold them for such

263
00:13:36,999 --> 00:13:35,389

a long period of time it was almost like

264

00:13:38,199 --> 00:13:37,009

they were moving with us I'm not saying

265

00:13:39,249 --> 00:13:38,209

they were following us or anything I'm

266

00:13:41,139 --> 00:13:39,259

just saying it was like they're kind of

267

00:13:44,739 --> 00:13:41,149

moving along the same pattern or the

268

00:13:46,150 --> 00:13:44,749

same distance along with us because it

269

00:13:50,259 --> 00:13:46,160

felt like we watched this for probably

270

00:13:53,019 --> 00:13:50,269

20 minutes or so and then as we kind of

271

00:13:54,340 --> 00:13:53,029

got outside and closer to st. Louis and

272

00:13:56,850 --> 00:13:54,350

you started to see kind of the city

273

00:14:01,179 --> 00:13:56,860

lights or at least the you know the the

274

00:14:05,519 --> 00:14:01,189

the reflection in the sky did they just

275

00:14:09,329 --> 00:14:05,529

disappeared and that was it

276

00:14:11,499 --> 00:14:09,339

we never really talked about it we just

277

00:14:13,389 --> 00:14:11,509

just kind of gave each other look and

278

00:14:16,299 --> 00:14:13,399

just said I don't know what that is I

279

00:14:18,759 --> 00:14:16,309

just have no idea what that is and we're

280

00:14:20,979 --> 00:14:18,769

used to very dark nights and skies and

281

00:14:22,689 --> 00:14:20,989

Kansas and you know we've seen a lot of

282

00:14:24,999 --> 00:14:22,699

meteor showers and things of that sort

283

00:14:27,030 --> 00:14:25,009

we just couldn't put a placement to what

284

00:14:33,150 --> 00:14:27,040

it was at all

285

00:14:37,079 --> 00:14:33,160

so that was kind of my my one very very

286

00:14:39,030 --> 00:14:37,089

vivid incident with with an unidentified

287

00:14:42,420 --> 00:14:39,040

flying object and the reason again is

288

00:14:44,160 --> 00:14:42,430

there was multiple how many there

289

00:14:45,019 --> 00:14:44,170

ultimately were was probably upwards of

290

00:14:47,340 --> 00:14:45,029

five

291

00:14:49,019 --> 00:14:47,350

like I said they they seem to have made

292

00:14:51,960 --> 00:14:49,029

like a formation of some sort

293

00:14:54,569 --> 00:14:51,970

they were very slow they weren't moving

294

00:14:56,280 --> 00:14:54,579

at any high rate of speed but then they

295

00:14:57,900 --> 00:14:56,290

would disappear or at least the lights

296

00:15:00,180 --> 00:14:57,910

would be off and it was like they were

297

00:15:02,400 --> 00:15:00,190

gone and then all of a sudden I'd see it

298

00:15:05,430 --> 00:15:02,410

what I think was the same one appear in

299

00:15:09,689 --> 00:15:05,440

another location so there was kind of

300

00:15:12,689 --> 00:15:09,699

that going on - so how did it make me

301
00:15:17,040 --> 00:15:12,699
feel as far as the whole experience you

302
00:15:21,780 --> 00:15:17,050
know I mean looking back on it um you

303
00:15:25,410 --> 00:15:21,790
know I I honestly don't know what I saw

304
00:15:28,470 --> 00:15:25,420
I will say this is that I have told

305
00:15:30,389 --> 00:15:28,480
several people about it my husband and a

306
00:15:32,970 --> 00:15:30,399
couple family members and some people

307
00:15:35,850 --> 00:15:32,980
friends of mine that are UFO enthusiasts

308
00:15:39,600 --> 00:15:35,860
but a couple years ago I decided to tell

309
00:15:41,220 --> 00:15:39,610
my nephew who is a Air Force pilot has

310
00:15:43,189 --> 00:15:41,230
been an Air Force pilot for 15 plus

311
00:15:46,710 --> 00:15:43,199
years and is a very high ranking

312
00:15:49,170 --> 00:15:46,720
security he's been to lots of training

313
00:15:52,980 --> 00:15:49,180

lots of very high-end training that that

314

00:15:56,819 --> 00:15:52,990

I probably can't even speak to so she

315

00:16:00,090 --> 00:15:56,829

probably has seen a few things though he

316

00:16:03,530 --> 00:16:00,100

won't admit it but I will say that I

317

00:16:07,680 --> 00:16:03,540

told him about this incident and I said

318

00:16:10,740 --> 00:16:07,690

here's what I saw you know what do you

319

00:16:13,050 --> 00:16:10,750

make of this and he said to me that he

320

00:16:15,050 --> 00:16:13,060

had absolutely no doubt that what I saw

321

00:16:20,250 --> 00:16:15,060

was real

322

00:16:22,670 --> 00:16:20,260

he didn't doubt it and he said that the

323

00:16:28,069 --> 00:16:22,680

one thing to keep in mind he said is

324

00:16:31,019 --> 00:16:28,079

that he would say that there are

325

00:16:32,730 --> 00:16:31,029

aircrafts that have been created by our

326

00:16:36,210 --> 00:16:32,740

military that far exceeds our

327

00:16:38,370 --> 00:16:36,220

imagination so sometimes what maybe I

328

00:16:39,580 --> 00:16:38,380

was seen in 1995 is maybe what's

329

00:16:44,320 --> 00:16:39,590

available today

330

00:16:46,630 --> 00:16:44,330

drones that's kind of how he explained

331

00:16:48,610 --> 00:16:46,640

it now of course he didn't see it he

332

00:16:52,840 --> 00:16:48,620

doesn't know it but he did say that

333

00:16:55,480 --> 00:16:52,850

there's there is aircraft that exists

334

00:16:57,490 --> 00:16:55,490

that would blow our minds away so that

335

00:16:58,720 --> 00:16:57,500

was kind of interesting to me and it was

336

00:17:00,519 --> 00:16:58,730

also interesting to me that he didn't

337

00:17:02,290 --> 00:17:00,529

dismiss completely dismiss or deny what

338

00:17:06,939 --> 00:17:02,300

I said in fact if anything he validated

339

00:17:11,500 --> 00:17:06,949

it so that's kind of reassuring and yeah

340

00:17:13,630 --> 00:17:11,510

that's my story thank you I've always

341

00:17:15,760 --> 00:17:13,640

been into aviation and astronomy

342

00:17:17,530 --> 00:17:15,770

especially aviation but in either case

343

00:17:19,360 --> 00:17:17,540

I've always been looking up at the sky

344

00:17:21,340 --> 00:17:19,370

and observing things and I feel very

345

00:17:23,740 --> 00:17:21,350

privileged to have seen something as

346

00:17:25,990 --> 00:17:23,750

crazy as this I also haven't seen any

347

00:17:27,460 --> 00:17:26,000

reports of sightings similar to mine

348

00:17:29,350 --> 00:17:27,470

over the past 15 years

349

00:17:31,240 --> 00:17:29,360

so whatever it was that I saw it's not

350

00:17:33,340 --> 00:17:31,250

happening anymore so let me start by

351

00:17:35,620 --> 00:17:33,350

giving you the setting those late 90s

352

00:17:37,840 --> 00:17:35,630

I'm pretty sure it was 1999 but it could

353

00:17:40,060 --> 00:17:37,850

have been early 2000 as well so there

354

00:17:41,530 --> 00:17:40,070

are no smartphones easily available I

355

00:17:43,660 --> 00:17:41,540

didn't have anything in my pocket to

356

00:17:45,669 --> 00:17:43,670

film with like the nearest camera was

357

00:17:47,860 --> 00:17:45,679

probably 15 minutes away and didn't even

358

00:17:50,020 --> 00:17:47,870

know if there was tape for it or not so

359

00:17:51,400 --> 00:17:50,030

I could not record it all I have is my

360

00:17:53,350 --> 00:17:51,410

memory this also happened in the

361

00:17:54,760 --> 00:17:53,360

populated area which prompted me to

362

00:17:57,190 --> 00:17:54,770

think that other people must have seen

363

00:17:58,660 --> 00:17:57,200

it but there was no one around me at the

364

00:18:02,590 --> 00:17:58,670

time it was my grandmother's backyard

365

00:18:04,169 --> 00:18:02,600

and everybody was busy so pretty much if

366

00:18:06,669 --> 00:18:04,179

you want to make the case that I'm crazy

367

00:18:08,710 --> 00:18:06,679

there's some evidence for you it was

368

00:18:10,240 --> 00:18:08,720

11:00 a.m. and everybody in my family

369

00:18:11,740 --> 00:18:10,250

was getting ready to go out on a family

370

00:18:13,720 --> 00:18:11,750

lunch I was just hanging out my

371

00:18:15,160 --> 00:18:13,730

grandmother's backyard looking at the

372

00:18:17,680 --> 00:18:15,170

sky which is pretty normal maybe

373

00:18:19,750 --> 00:18:17,690

expecting the cargo 727 that usually

374

00:18:23,680 --> 00:18:19,760

went by at that time when I suddenly

375

00:18:26,290 --> 00:18:23,690

noticed this weird black triangle now

376

00:18:27,880 --> 00:18:26,300

was getting kind of cloudy there was

377

00:18:29,380 --> 00:18:27,890

still good visibility but you know you

378

00:18:31,150 --> 00:18:29,390

could tell that later on that day

379

00:18:33,640 --> 00:18:31,160

probably there's gonna be some rain so

380

00:18:36,040 --> 00:18:33,650

there was a layer of stratus clouds that

381

00:18:38,590 --> 00:18:36,050

was forming pretty rapidly but this

382

00:18:41,530 --> 00:18:38,600

thing was well above that and sometimes

383

00:18:43,660 --> 00:18:41,540

you know a cloud would go by and when

384

00:18:45,850 --> 00:18:43,670

the cloud went by I noticed it was still

385

00:18:48,310 --> 00:18:45,860

there so just hovering not moving not

386

00:18:50,169 --> 00:18:48,320

making any sounds I couldn't even tell

387

00:18:53,900 --> 00:18:50,179

what the texture was like it was so

388

00:18:57,630 --> 00:18:53,910

black it was just completely black

389

00:19:00,000 --> 00:18:57,640

no lights no details nothing like that

390

00:19:02,220 --> 00:19:00,010

now at that time drones were not very

391

00:19:03,060 --> 00:19:02,230

common and I definitely knew it was not

392

00:19:05,130 --> 00:19:03,070

a kite

393

00:19:07,770 --> 00:19:05,140

especially up at that altitude and not

394

00:19:09,540 --> 00:19:07,780

moving at all despite all the wind so

395

00:19:11,070 --> 00:19:09,550

the first thing that came to my mind was

396

00:19:12,350 --> 00:19:11,080

maybe a skunkworks

397

00:19:15,900 --> 00:19:12,360

aircraft some kind of top-secret

398

00:19:18,990 --> 00:19:15,910

American Air Force project or whatever I

399

00:19:22,140 --> 00:19:19,000

thought of the f-117 and also the b2

400

00:19:23,760 --> 00:19:22,150

which were both black triangles but this

401
00:19:26,640 --> 00:19:23,770
triangle looked kind of smaller than

402
00:19:28,530 --> 00:19:26,650
those two aircraft and as far as I'm

403
00:19:30,330 --> 00:19:28,540
concerned those two airplanes cannot

404
00:19:32,460 --> 00:19:30,340
hover they can just fly in a straight

405
00:19:35,970 --> 00:19:32,470
line or you know conventional flight

406
00:19:37,560 --> 00:19:35,980
like normal airplanes so no hovering so

407
00:19:39,390 --> 00:19:37,570
I thought hey maybe skunk works this is

408
00:19:40,320 --> 00:19:39,400
up to something new I better go check it

409
00:19:42,780 --> 00:19:40,330
out it's pretty cool

410
00:19:44,910 --> 00:19:42,790
so naturally I tried to observe it for

411
00:19:47,130 --> 00:19:44,920
as long as I could but it was just that

412
00:19:49,320 --> 00:19:47,140
it was just a black triangle not moving

413
00:19:51,900 --> 00:19:49,330

making no sounds

414

00:19:54,090 --> 00:19:51,910

unlike other reports of black triangles

415

00:19:56,220 --> 00:19:54,100

which usually accelerate or have lights

416

00:19:59,100 --> 00:19:56,230

or you know do something this one was

417

00:20:01,140 --> 00:19:59,110

just just there I actually yelled out to

418

00:20:02,910 --> 00:20:01,150

my aunt who was taking a shower at the

419

00:20:05,190 --> 00:20:02,920

time she told me it was probably a kite

420

00:20:08,610 --> 00:20:05,200

but obviously she wasn't observing it

421

00:20:10,620 --> 00:20:08,620

and I thought I was gonna get to see it

422

00:20:13,590 --> 00:20:10,630

go away or accelerate or do something

423

00:20:15,090 --> 00:20:13,600

but actually it became so cloudy that I

424

00:20:16,890 --> 00:20:15,100

just couldn't see it anymore you know

425

00:20:18,810 --> 00:20:16,900

the the layer of clouds became really

426

00:20:21,000 --> 00:20:18,820

dense and really thick became kind of an

427

00:20:23,400 --> 00:20:21,010

overcast so I couldn't see it anymore I

428

00:20:26,220 --> 00:20:23,410

don't know when it disappeared like I

429

00:20:29,310 --> 00:20:26,230

said I have not heard or read any

430

00:20:31,440 --> 00:20:29,320

reports especially near where I live of

431

00:20:33,870 --> 00:20:31,450

anything similar to this over the past

432

00:20:36,840 --> 00:20:33,880

15 years like I said I've always been

433

00:20:38,610 --> 00:20:36,850

fascinated with aviation and astronomy

434

00:20:40,800 --> 00:20:38,620

and the atmosphere and all those things

435

00:20:42,600 --> 00:20:40,810

I don't really buy into conspiracy

436

00:20:44,550 --> 00:20:42,610

theories and I didn't think for one

437

00:20:47,610 --> 00:20:44,560

second that it was an alien attack or an

438

00:20:49,050 --> 00:20:47,620

alien appearance or whatever if it had

439

00:20:51,480 --> 00:20:49,060

been an alien attack I would probably

440

00:20:52,170 --> 00:20:51,490

just gone out hit my chest and be like

441

00:20:53,670 --> 00:20:52,180

bring it on

442

00:20:56,850 --> 00:20:53,680

which would probably been my last words

443

00:21:00,620 --> 00:20:56,860

I feel like I said really privileged to

444

00:21:05,810 --> 00:21:03,190

[Music]

445

00:21:07,520 --> 00:21:05,820

what's up guys Ryan Sprague here and I'm

446

00:21:09,950 --> 00:21:07,530

just dropping in to remind you about our

447

00:21:12,260 --> 00:21:09,960

patreon campaign somewhere in the skies

448

00:21:14,030 --> 00:21:12,270

is always free to consume but it's not

449

00:21:16,610 --> 00:21:14,040

free to create so if you want to help

450

00:21:18,710 --> 00:21:16,620

the show on a monthly basis we have tons

451
00:21:20,510 --> 00:21:18,720
of rewards for you in return

452
00:21:23,360 --> 00:21:20,520
including shout outs on the show and

453
00:21:26,780 --> 00:21:23,370
website bonus content and episodes and

454
00:21:29,030 --> 00:21:26,790
free merch want to be my guest or pick a

455
00:21:31,010 --> 00:21:29,040
topic for the show you can do that too

456
00:21:33,500 --> 00:21:31,020
so if you'd like to learn more and to

457
00:21:36,980 --> 00:21:33,510
help support the show visit [patreon.com](https://www.patreon.com)

458
00:21:48,020 --> 00:21:36,990
slash summer Scouts thank you and keep

459
00:21:51,890 --> 00:21:48,030
looking up I saw a UFO so who knows what

460
00:21:57,470 --> 00:21:51,900
this thing was but it all started back

461
00:22:01,750 --> 00:21:57,480
when I was I guess 12 12 years old like

462
00:22:03,850 --> 00:22:01,760
sixth grade and I was having a sleepover

463
00:22:06,320 --> 00:22:03,860

with my best friend

464

00:22:07,820 --> 00:22:06,330

know what I think is my best friend too

465

00:22:09,860 --> 00:22:07,830

moved away I don't remember who I was

466

00:22:11,780 --> 00:22:09,870

with it was just like a friend or my

467

00:22:13,670 --> 00:22:11,790

sister but we just it was like one

468

00:22:16,310 --> 00:22:13,680

summer night we decided to go sleep on

469

00:22:19,910 --> 00:22:16,320

the trampoline and I'll never forget

470

00:22:22,580 --> 00:22:19,920

this excuse me so when I grew up I grew

471

00:22:25,970 --> 00:22:22,590

up really close to an Air Force Base so

472

00:22:29,330 --> 00:22:25,980

like our my little town is kind of

473

00:22:32,630 --> 00:22:29,340

surrounded by hills and then to the east

474

00:22:35,000 --> 00:22:32,640

of it are really huge mountain range and

475

00:22:37,220 --> 00:22:35,010

also there's a canyon right there and so

476
00:22:40,640 --> 00:22:37,230
it is a really unique place where I grew

477
00:22:42,500 --> 00:22:40,650
up it's really beautiful and actually at

478
00:22:44,870 --> 00:22:42,510
night and I grew up in has a really

479
00:22:47,900 --> 00:22:44,880
weird history with a lot of people

480
00:22:50,510 --> 00:22:47,910
seeing the sasquatch also known as

481
00:22:52,580 --> 00:22:50,520
Bigfoot which obviously I don't believe

482
00:22:54,830 --> 00:22:52,590
in but when I was a little kid I totally

483
00:22:56,810 --> 00:22:54,840
believed in it cuz I had my friends

484
00:22:59,870 --> 00:22:56,820
whose grandparents said they'd seen the

485
00:23:01,880 --> 00:22:59,880
Sasquatch and all that and yeah so I was

486
00:23:04,280 --> 00:23:01,890
obsessed with Bigfoot when I was little

487
00:23:07,100 --> 00:23:04,290
but I mean that's a whole nother story

488
00:23:09,490 --> 00:23:07,110

but this story it was we were sleeping

489

00:23:11,430 --> 00:23:09,500

on the trampoline I had a huge backyard

490

00:23:13,259 --> 00:23:11,440

and tons of tree

491

00:23:14,639 --> 00:23:13,269

like when it would when a wind would

492

00:23:16,950 --> 00:23:14,649

come through the breeze would come

493

00:23:22,379 --> 00:23:16,960

through you'd hear the wind and the

494

00:23:24,629 --> 00:23:22,389

leaves rustling in the trees and I would

495

00:23:26,940 --> 00:23:24,639

staring at the night sky my friend fell

496

00:23:29,789 --> 00:23:26,950

asleep and I was still awake just like

497

00:23:32,639 --> 00:23:29,799

staring up and like just you could see

498

00:23:34,860 --> 00:23:32,649

so many stars so I cry lived so many it

499

00:23:38,639 --> 00:23:34,870

was amazing and you can see satellites

500

00:23:40,830 --> 00:23:38,649

going by and shooting stars and I have

501
00:23:44,190 --> 00:23:40,840
been awake for quite a while just

502
00:23:47,100 --> 00:23:44,200
thinking and staring at the sky and that

503
00:23:52,110 --> 00:23:47,110
whole time I was watching the night sky

504
00:23:55,499 --> 00:23:52,120
the hill so I was laying down and behind

505
00:23:58,830 --> 00:23:55,509
me was east and the other way was west

506
00:24:01,950 --> 00:23:58,840
and kind of to like the west south part

507
00:24:03,720 --> 00:24:01,960
of the sky really low into the sky there

508
00:24:05,999 --> 00:24:03,730
was this big bright star the whole time

509
00:24:09,299 --> 00:24:06,009
that I was like a planet or a star I

510
00:24:11,159 --> 00:24:09,309
don't know but it was huge like well

511
00:24:13,200 --> 00:24:11,169
throughout the night I crossed it many

512
00:24:15,720 --> 00:24:13,210
times looking here at the sky you know

513
00:24:17,879 --> 00:24:15,730

looking at it the whole time it was

514

00:24:19,950 --> 00:24:17,889

there for at least an hour it had not

515

00:24:22,499 --> 00:24:19,960

moved this big bright star planet I'm

516

00:24:25,590 --> 00:24:22,509

not sure and then I didn't know where

517

00:24:28,230 --> 00:24:25,600

like this was the freakiest thing ever I

518

00:24:32,789 --> 00:24:28,240

didn't know where all of a sudden that

519

00:24:37,379 --> 00:24:32,799

star planet just slowly started moving

520

00:24:40,350 --> 00:24:37,389

up just higher like what the hell this

521

00:24:42,450 --> 00:24:40,360

thing started moving and it was holding

522

00:24:47,090 --> 00:24:42,460

still shining bright just like any other

523

00:24:49,860 --> 00:24:47,100

star the whole night and it starts

524

00:24:51,480 --> 00:24:49,870

moving up towards higher into the sky

525

00:24:52,799 --> 00:24:51,490

because it was one of the stars that

526
00:24:55,080 --> 00:24:52,809
were a little bit lower night light

527
00:24:57,960 --> 00:24:55,090
directly above and I remember just like

528
00:25:00,779 --> 00:24:57,970
my heart literally just like sank to my

529
00:25:03,450 --> 00:25:00,789
stomach I was just frozen just staring

530
00:25:05,009 --> 00:25:03,460
at it like watching it slowly just go up

531
00:25:06,299 --> 00:25:05,019
into the sky and this it got higher if

532
00:25:08,639 --> 00:25:06,309
there started getting smaller and

533
00:25:11,190 --> 00:25:08,649
smaller dimmer and dimmer until it

534
00:25:13,799 --> 00:25:11,200
finally just got so high up it

535
00:25:16,499 --> 00:25:13,809
disappeared and I remember just thinking

536
00:25:20,070 --> 00:25:16,509
what the hell was that it wasn't a plane

537
00:25:21,330 --> 00:25:20,080
it wasn't why was it it was the

538
00:25:23,279 --> 00:25:21,340

freakiest thing

539

00:25:25,230 --> 00:25:23,289

she's not there anymore that big bright

540

00:25:25,919 --> 00:25:25,240

star that was there he was not there

541

00:25:29,549 --> 00:25:25,929

anymore

542

00:25:30,659 --> 00:25:29,559

it disappeared I just watched it move up

543

00:25:33,060 --> 00:25:30,669

into the sky

544

00:25:36,659 --> 00:25:33,070

it was the creepiest so weirdest thing

545

00:25:38,310 --> 00:25:36,669

and I remember like the next day telling

546

00:25:39,570 --> 00:25:38,320

my whole family about my friends about

547

00:25:42,090 --> 00:25:39,580

Italy everyone just thinks I'm crazy

548

00:25:44,519 --> 00:25:42,100

like I would never forget that because I

549

00:25:48,239 --> 00:25:44,529

was not crazy I knew exactly what I saw

550

00:25:51,960 --> 00:25:48,249

so when I was aliens or it was from the

551
00:25:54,090 --> 00:25:51,970
Air Force Base some kind of new aircraft

552
00:25:56,820 --> 00:25:54,100
that they were testing but the weird

553
00:26:00,869 --> 00:25:56,830
part is is that it had been in that same

554
00:26:02,460 --> 00:26:00,879
spot for a very long time just hovering

555
00:26:05,039 --> 00:26:02,470
so if it wasn't aircraft or just

556
00:26:07,859 --> 00:26:05,049
hovering there it just does not make any

557
00:26:10,470 --> 00:26:07,869
sense into this day I still don't know

558
00:26:14,639 --> 00:26:10,480
what it was I'll never know but it's

559
00:26:17,190 --> 00:26:14,649
very weird and mysterious and yeah that

560
00:26:21,259 --> 00:26:17,200
was my my story of seeing an

561
00:26:25,200 --> 00:26:21,269
unidentified object bye

562
00:26:27,480 --> 00:26:25,210
hello my name is Miguel Rodriguez I'm a

563
00:26:30,149 --> 00:26:27,490

native New Yorker I was born and raised

564

00:26:32,519 --> 00:26:30,159

in the Bronx I currently live in South

565

00:26:35,669 --> 00:26:32,529

Florida I worked for the Broward County

566

00:26:38,279 --> 00:26:35,679

School Board I wanted to share two

567

00:26:41,310 --> 00:26:38,289

sightings that I had in the Bronx both

568

00:26:43,830 --> 00:26:41,320

as a child and as an adult my first

569

00:26:46,619 --> 00:26:43,840

initial sighting took place in 1989 I

570

00:26:49,649 --> 00:26:46,629

was 12 years old the building that I

571

00:26:53,960 --> 00:26:49,659

lived in from my bedroom I could see the

572

00:26:56,340 --> 00:26:53,970

New York City skyline and all of Queens

573

00:26:59,820 --> 00:26:56,350

directly in front of me was the Hudson

574

00:27:02,730 --> 00:26:59,830

River and the white stone bridge on this

575

00:27:06,289 --> 00:27:02,740

particular night I saw what appeared to

576
00:27:11,430 --> 00:27:06,299
be a luminescent orb over the bridge

577
00:27:13,980 --> 00:27:11,440
this orb was pulsating a brilliant light

578
00:27:16,950 --> 00:27:13,990
it looked like a little mini moon it was

579
00:27:19,710 --> 00:27:16,960
rocking back and forth in the sky right

580
00:27:23,269 --> 00:27:19,720
over the white stone bridge like a boat

581
00:27:29,789 --> 00:27:23,279
in water effortlessly what I observed

582
00:27:31,200 --> 00:27:29,799
was that this orb this UFO wanted to be

583
00:27:35,669 --> 00:27:31,210
seen

584
00:27:38,090 --> 00:27:35,679
as a child I was amazed I didn't know

585
00:27:41,970 --> 00:27:38,100
what to make of it I've never heard of

586
00:27:45,990 --> 00:27:41,980
UFOs or anything of that sort prior to

587
00:27:49,560 --> 00:27:46,000
that so I try to make sense of what I

588
00:27:53,100 --> 00:27:49,570

was seeing and my description of that

589

00:27:56,430 --> 00:27:53,110

was a little mini moon that floated like

590

00:27:59,580 --> 00:27:56,440

a boat on water things got more

591

00:28:03,510 --> 00:27:59,590

interesting as I observed this object

592

00:28:07,769 --> 00:28:03,520

which the experience in total may have

593

00:28:11,760 --> 00:28:07,779

lasted anywhere between 15 to 20 minutes

594

00:28:13,980 --> 00:28:11,770

that's how long it was there two jets

595

00:28:18,480 --> 00:28:13,990

were scrambled to pursue this object

596

00:28:20,940 --> 00:28:18,490

they came out of Queens and at this

597

00:28:22,889 --> 00:28:20,950

point I feel like I'm in a movie I

598

00:28:26,519 --> 00:28:22,899

couldn't believe what I was seeing I was

599

00:28:28,919 --> 00:28:26,529

excited I was scared ask my brother to

600

00:28:31,440 --> 00:28:28,929

come take a look at it he was terrified

601
00:28:34,560 --> 00:28:31,450
he ran back to his bunk bed and got

602
00:28:36,870 --> 00:28:34,570
under the covers me on the other hand I

603
00:28:40,230 --> 00:28:36,880
could have take my eyes off of it and I

604
00:28:43,830 --> 00:28:40,240
was you might as well have given me

605
00:28:44,580 --> 00:28:43,840
popcorn because my eyes were glued to

606
00:28:46,830 --> 00:28:44,590
what I was seeing

607
00:28:50,820 --> 00:28:46,840
so the jets pursued this object that

608
00:28:54,060 --> 00:28:50,830
object vanished and the Jets returned to

609
00:28:57,960 --> 00:28:54,070
wherever they came from in Queens this

610
00:29:02,279 --> 00:28:57,970
object reappeared and when it reappeared

611
00:29:04,529 --> 00:29:02,289
it really started going heavy with the

612
00:29:07,200 --> 00:29:04,539
light show it started pulsating even

613
00:29:12,060 --> 00:29:07,210

more the light was even more brilliant

614

00:29:16,169 --> 00:29:12,070

and then things started getting even

615

00:29:19,560 --> 00:29:16,179

more interesting so from the middle of

616

00:29:22,230 --> 00:29:19,570

the Whitestone bridge to my building

617

00:29:25,289 --> 00:29:22,240

I'd have to say I'm just taking a wild

618

00:29:28,649 --> 00:29:25,299

guess here but I'd say anywhere between

619

00:29:31,769 --> 00:29:28,659

five to ten miles what started happening

620

00:29:33,480 --> 00:29:31,779

is that this object from that point in

621

00:29:36,990 --> 00:29:33,490

the bridge to my building to my

622

00:29:38,620 --> 00:29:37,000

neighborhood started flying over it what

623

00:29:43,000 --> 00:29:38,630

appeared

624

00:29:44,370 --> 00:29:43,010

to be milliseconds I have to say that in

625

00:29:47,190 --> 00:29:44,380

under a minute

626
00:29:51,220 --> 00:29:47,200
possibly even under 30 seconds

627
00:29:55,840 --> 00:29:51,230
this object flew from the bridge to my

628
00:29:58,419 --> 00:29:55,850
neighborhood at least seven times eight

629
00:30:04,960 --> 00:29:58,429
times back and forth effortlessly like

630
00:30:08,400 --> 00:30:04,970
nothing it was unreal it was as fast as

631
00:30:11,950 --> 00:30:08,410
if you were to point a a light pointer a

632
00:30:17,830 --> 00:30:11,960
laser pointer on a chalkboard and move

633
00:30:20,470 --> 00:30:17,840
it around that's how fast it was when it

634
00:30:24,130 --> 00:30:20,480
got to my neighborhood which was very

635
00:30:29,220 --> 00:30:24,140
fast I noticed that it wasn't an orb it

636
00:30:32,919 --> 00:30:29,230
was in fact a craft a disc-shaped craft

637
00:30:37,390 --> 00:30:32,929
metallic in nature and that orb that I

638
00:30:41,730 --> 00:30:37,400

thought it was was just an energy of

639

00:30:47,980 --> 00:30:41,740

sorts around the craft like an aura

640

00:30:52,600 --> 00:30:47,990

circular and that was my first sighting

641

00:30:54,610 --> 00:30:52,610

I couldn't take my eyes off of the sky

642

00:30:58,419 --> 00:30:54,620

after that after that I became very

643

00:31:03,669 --> 00:30:58,429

adamant in observing and watching the

644

00:31:07,360 --> 00:31:03,679

sky the second sighting took place in

645

00:31:12,039 --> 00:31:07,370

2002 I worked as a security guard for a

646

00:31:16,630 --> 00:31:12,049

beer distribution company this was also

647

00:31:20,620 --> 00:31:16,640

in the Bronx and my shift was from 11:00

648

00:31:24,700 --> 00:31:20,630

p.m. to 8:00 a.m. I worked overnight and

649

00:31:29,740 --> 00:31:24,710

I noticed that in 2002 mid October late

650

00:31:32,740 --> 00:31:29,750

October actually October 25 26 I noticed

651
00:31:34,840 --> 00:31:32,750
what appeared to be like a like Roman

652
00:31:39,340 --> 00:31:34,850
sparklers like the sparks that come off

653
00:31:43,590 --> 00:31:39,350
a Roman sparkler or someone working with

654
00:31:47,049 --> 00:31:43,600
metal a machinist working with metal the

655
00:31:49,350 --> 00:31:47,059
sparks that come off of that I started

656
00:31:51,760 --> 00:31:49,360
noticing that

657
00:31:55,510 --> 00:31:51,770
over this building that was in front of

658
00:32:01,030 --> 00:31:55,520
the facility the building is six stories

659
00:32:05,050 --> 00:32:01,040
tall fairly small building and I was in

660
00:32:07,120 --> 00:32:05,060
my post in the back of the facility it

661
00:32:10,570 --> 00:32:07,130
was very cold and I didn't really care

662
00:32:13,960 --> 00:32:10,580
to go investigate whatever that was any

663
00:32:17,830 --> 00:32:13,970

further in fact it was so cold that for

664

00:32:20,410 --> 00:32:17,840

two weeks it just did it dawned on me to

665

00:32:27,070 --> 00:32:20,420

investigate whatever that was although I

666

00:32:31,600 --> 00:32:27,080

was watching it and checking it out on

667

00:32:34,950 --> 00:32:31,610

November 10th 2002 I finally gave in I

668

00:32:37,540 --> 00:32:34,960

was my curiosity got the best of me I

669

00:32:40,930 --> 00:32:37,550

asked myself what is this what am I

670

00:32:43,660 --> 00:32:40,940

looking at because it was just you know

671

00:32:46,060 --> 00:32:43,670

I just couldn't make it out so I walked

672

00:32:50,380 --> 00:32:46,070

toward the front of the facility to the

673

00:32:53,280 --> 00:32:50,390

first post and that facility is that

674

00:32:57,160 --> 00:32:53,290

it's as big as a football field so I

675

00:32:58,900 --> 00:32:57,170

walked to the front of it and out of

676
00:33:02,770 --> 00:32:58,910
these sparks that I saw over the

677
00:33:06,790 --> 00:33:02,780
building a triangular craft appeared out

678
00:33:10,870 --> 00:33:06,800
of nowhere out of those sparks and it

679
00:33:12,790 --> 00:33:10,880
was big it was silent if I didn't see it

680
00:33:15,640 --> 00:33:12,800
come out of those sparks I wouldn't have

681
00:33:17,700 --> 00:33:15,650
known it was there in the first place it

682
00:33:21,400 --> 00:33:17,710
made no noise whatsoever

683
00:33:25,180 --> 00:33:21,410
there was one light on it that I could

684
00:33:27,040 --> 00:33:25,190
tell that was red other than that it was

685
00:33:30,160 --> 00:33:27,050
completely blended in with the night and

686
00:33:35,050 --> 00:33:30,170
made no noise I walked backwards with

687
00:33:37,390 --> 00:33:35,060
this triangular craft over me which by

688
00:33:41,050 --> 00:33:37,400

the way was just over six storeys above

689

00:33:43,330 --> 00:33:41,060

me it was fairly close I'm pretty sure

690

00:33:45,850 --> 00:33:43,340

that if I wanted to I could throw

691

00:33:48,100 --> 00:33:45,860

something at the object but I walked in

692

00:33:54,130 --> 00:33:48,110

backwards the entire time with this

693

00:33:55,820 --> 00:33:54,140

object over me and it was so unreal that

694

00:34:03,399 --> 00:33:55,830

I couldn't

695

00:34:06,919 --> 00:34:03,409

just moved with it backwards until it

696

00:34:11,419 --> 00:34:06,929

went over the back of the facility which

697

00:34:15,829 --> 00:34:11,429

is obscured by rocks and you know a big

698

00:34:19,579 --> 00:34:15,839

rocky wall that over that goes into the

699

00:34:22,550 --> 00:34:19,589

Cross Bronx Expressway and that was a

700

00:34:25,520 --> 00:34:22,560

2002 so I wrestled with that sighting

701
00:34:29,030 --> 00:34:25,530
because I didn't know who to talk to

702
00:34:30,889 --> 00:34:29,040
about it so I really wrestled with that

703
00:34:33,530 --> 00:34:30,899
information and what I saw

704
00:34:39,109 --> 00:34:33,540
I've never reported a UFO or anything of

705
00:34:43,159 --> 00:34:39,119
that sort until 2005 when I stood first

706
00:34:46,280 --> 00:34:43,169
started using the internet and AOL I did

707
00:34:50,629 --> 00:34:46,290
my research I wanted to file my first

708
00:34:54,169 --> 00:34:50,639
UFO report and I did so with somebody

709
00:34:57,650 --> 00:34:54,179
that I felt was very credible and that

710
00:35:02,030 --> 00:34:57,660
person was Brian Vike from a HPCC UFO

711
00:35:07,910 --> 00:35:02,040
calm I filled out the report he called

712
00:35:10,640 --> 00:35:07,920
me he vetted me and according to Brian

713
00:35:14,150 --> 00:35:10,650

fact my story checked out and he wanted

714

00:35:16,430 --> 00:35:14,160

me to talk with jeff fretts and be

715

00:35:21,099 --> 00:35:16,440

interviewed by jeff fretts and be on his

716

00:35:24,740 --> 00:35:21,109

radio show and i did and after that

717

00:35:26,570 --> 00:35:24,750

interview which is uh on Jeff Jeff

718

00:35:30,290 --> 00:35:26,580

French program which is a nationally

719

00:35:32,270 --> 00:35:30,300

syndicated radio show the floodgates

720

00:35:36,770 --> 00:35:32,280

were open uh people started contacting

721

00:35:41,440 --> 00:35:36,780

me in regards to what I saw and from

722

00:35:44,060 --> 00:35:41,450

that day on I've been involved in the

723

00:35:47,240 --> 00:35:44,070

information community the UFO community

724

00:35:49,880 --> 00:35:47,250

whatever you want to call it and so this

725

00:35:54,950 --> 00:35:49,890

day I still have sightings I have

726

00:35:59,210 --> 00:35:54,960

pictures I have video particularly here

727

00:36:03,140 --> 00:35:59,220

in South Florida and that's my story I

728

00:36:04,880 --> 00:36:03,150

hope that uh people in New York share

729

00:36:06,680 --> 00:36:04,890

their stories more because to my

730

00:36:09,440 --> 00:36:06,690

understanding

731

00:36:11,839 --> 00:36:09,450

having a sighting out there is not

732

00:36:14,569 --> 00:36:11,849

unusual but we don't hear about those

733

00:36:19,130 --> 00:36:14,579

much especially in the cities in it and

734

00:36:24,020 --> 00:36:19,140

the five boroughs you know but that's my

735

00:36:26,510 --> 00:36:24,030

story thank you I have been putting off

736

00:36:28,700 --> 00:36:26,520

this story for such a very long time

737

00:36:31,400 --> 00:36:28,710

because it creeps me out

738

00:36:33,109 --> 00:36:31,410

I've only like really told this story to

739

00:36:33,980 --> 00:36:33,119

like my family members and like some

740

00:36:36,530 --> 00:36:33,990

coworkers

741

00:36:38,559 --> 00:36:36,540

so for today's video I'm going to be

742

00:36:41,540 --> 00:36:38,569

talking about my encounters with

743

00:36:45,770 --> 00:36:41,550

extraterrestrials and as in ufos really

744

00:36:48,200 --> 00:36:45,780

I start getting so scared talking about

745

00:36:50,329 --> 00:36:48,210

these kind of things and I'm also home

746

00:36:51,680 --> 00:36:50,339

alone which doesn't help so to start

747

00:36:53,839 --> 00:36:51,690

things off I'm actually going to be

748

00:36:56,990 --> 00:36:53,849

talking about one of my first earliest

749

00:36:59,870 --> 00:36:57,000

encounters with UFOs so this story

750

00:37:01,760 --> 00:36:59,880

begins with me and one of my friends so

751

00:37:04,309 --> 00:37:01,770

me and chase were actually playing in

752

00:37:05,990 --> 00:37:04,319

this playground and in these apartments

753

00:37:08,480 --> 00:37:06,000

that I used to live in they had a

754

00:37:10,940 --> 00:37:08,490

playground in a field that was across

755

00:37:14,089 --> 00:37:10,950

the apartments for me at the time this

756

00:37:15,770 --> 00:37:14,099

field was huge so I don't know how it is

757

00:37:17,480 --> 00:37:15,780

now because I haven't been there for so

758

00:37:19,220 --> 00:37:17,490

long me and my friend chase were playing

759

00:37:22,040 --> 00:37:19,230

on the playground the Sun was starting

760

00:37:24,380 --> 00:37:22,050

to set already we had like a good 30 to

761

00:37:26,780 --> 00:37:24,390

45 minutes maybe left of daylight I

762

00:37:29,270 --> 00:37:26,790

don't remember why but we decided oh

763

00:37:31,430 --> 00:37:29,280

like let's go play out in the field and

764

00:37:33,890 --> 00:37:31,440

which is strange because there was

765

00:37:36,079 --> 00:37:33,900

nothing in the field we were just kind

766

00:37:37,790 --> 00:37:36,089

of walking around the field I think we

767

00:37:40,730 --> 00:37:37,800

were just you know just talking I had

768

00:37:43,730 --> 00:37:40,740

the sudden urge to actually look up and

769

00:37:46,760 --> 00:37:43,740

right as I looked up I noticed something

770

00:37:49,819 --> 00:37:46,770

in the sky it looked like a big rock it

771

00:37:52,790 --> 00:37:49,829

had two dots on each side of the the

772

00:37:55,460 --> 00:37:52,800

thing of the UFO it had like a rough

773

00:37:58,819 --> 00:37:55,470

texture all around it it didn't have any

774

00:38:01,370 --> 00:37:58,829

wings and it was just there almost right

775

00:38:03,260 --> 00:38:01,380

above us it was nothing attached to it

776

00:38:06,290 --> 00:38:03,270

or a part of it that would make it you

777

00:38:08,329 --> 00:38:06,300

know fly me and chase we really didn't

778

00:38:10,190 --> 00:38:08,339

know what we were looking at I pointed

779

00:38:11,870 --> 00:38:10,200

to it and I asked chase I'll chase do

780

00:38:13,849 --> 00:38:11,880

you see that and chase was like yeah I

781

00:38:15,319 --> 00:38:13,859

do see that what is that you know like

782

00:38:17,329 --> 00:38:15,329

we were both just like oh what is it and

783

00:38:19,640 --> 00:38:17,339

we looked at it for a good few minutes

784

00:38:20,180 --> 00:38:19,650

and it was still there just floating it

785

00:38:23,599 --> 00:38:20,190

was

786

00:38:25,579 --> 00:38:23,609

high up in the sky but we could still

787

00:38:27,680 --> 00:38:25,589

see it perfectly but we just made our

788

00:38:30,049 --> 00:38:27,690

way back to the playground away from it

789

00:38:31,730 --> 00:38:30,059

really because we just didn't know what

790

00:38:33,529 --> 00:38:31,740

it was and we were just kind of playing

791

00:38:35,510 --> 00:38:33,539

on the play structure and there's this

792

00:38:37,190 --> 00:38:35,520

part in the play structure where you can

793

00:38:39,289 --> 00:38:37,200

kind of climb up and it's like almost

794

00:38:41,480 --> 00:38:39,299

like a roofing that you can climb up on

795

00:38:44,569 --> 00:38:41,490

and kind of just look out into the field

796

00:38:45,920 --> 00:38:44,579

and the UFO was still there it didn't

797

00:38:49,029 --> 00:38:45,930

look like it was moving around or

798

00:38:51,799 --> 00:38:49,039

anything it was just still up in the sky

799

00:38:53,750 --> 00:38:51,809

no movement whatsoever this is gonna

800

00:38:56,180 --> 00:38:53,760

sound really silly but earlier that week

801
00:38:59,569 --> 00:38:56,190
me and my family actually went to KFC

802
00:39:02,210 --> 00:38:59,579
and in the kids meals at that time they

803
00:39:04,520 --> 00:39:02,220
actually came with like binoculars for

804
00:39:06,349 --> 00:39:04,530
kids I told my friend chase that I was

805
00:39:09,020 --> 00:39:06,359
like hey chase like I have these new

806
00:39:11,390 --> 00:39:09,030
binoculars in my house I could go bring

807
00:39:13,970 --> 00:39:11,400
them and I we can come back outside and

808
00:39:15,710 --> 00:39:13,980
we can see this thing up close and my

809
00:39:17,900 --> 00:39:15,720
friend chase was like yeah okay you know

810
00:39:20,420 --> 00:39:17,910
let's do it and so what was really cool

811
00:39:22,190 --> 00:39:20,430
to as chase actually lived right next to

812
00:39:25,190 --> 00:39:22,200
me in the other apartment so we walked

813
00:39:27,740 --> 00:39:25,200

home and by this time - it was actually

814

00:39:29,569 --> 00:39:27,750

starting to get dark like it was about

815

00:39:31,760 --> 00:39:29,579

ten minutes before it actually got like

816

00:39:34,010 --> 00:39:31,770

dark out once we walked up to our doors

817

00:39:35,630 --> 00:39:34,020

Chase's mom told me Oh chase can't play

818

00:39:38,059 --> 00:39:35,640

outside anymore it's getting dark but I

819

00:39:40,130 --> 00:39:38,069

was still determined to get my

820

00:39:42,410 --> 00:39:40,140

binoculars and go back outside to the

821

00:39:44,390 --> 00:39:42,420

park to go look at whatever this thing

822

00:39:46,700 --> 00:39:44,400

was I ran into my room and I was trying

823

00:39:49,849 --> 00:39:46,710

to look everywhere I remember I had like

824

00:39:51,440 --> 00:39:49,859

a gray giant tub full of toys and I was

825

00:39:53,660 --> 00:39:51,450

just kind of digging my way through it

826

00:39:55,940 --> 00:39:53,670

taking out every toy to see if I could

827

00:39:58,190 --> 00:39:55,950

find my binoculars and I couldn't find

828

00:40:00,410 --> 00:39:58,200

them my sister opened the door and I

829

00:40:02,510 --> 00:40:00,420

heard the rattling of the binoculars so

830

00:40:03,890 --> 00:40:02,520

I actually hung them up on the doorknob

831

00:40:05,569 --> 00:40:03,900

I told my sister I was like oh there's

832

00:40:06,950 --> 00:40:05,579

something in the sky and it's floating

833

00:40:07,549 --> 00:40:06,960

there and I want to see it with my new

834

00:40:10,760 --> 00:40:07,559

binoculars

835

00:40:12,740 --> 00:40:10,770

opened the door and then I ran down the

836

00:40:15,680 --> 00:40:12,750

stairs and I went back to the park by

837

00:40:17,329 --> 00:40:15,690

myself and I went up to the rooftop of

838

00:40:21,769 --> 00:40:17,339

the play structure and I pulled out my

839

00:40:23,839 --> 00:40:21,779

binoculars and it was gone and it was a

840

00:40:26,870 --> 00:40:23,849

clear night there was nothing else in

841

00:40:28,430 --> 00:40:26,880

the sky but anyway so ya didn't see

842

00:40:31,010 --> 00:40:28,440

anything in the sky you know I had my

843

00:40:33,110 --> 00:40:31,020

little KFC binoculars on my neck and I

844

00:40:35,330 --> 00:40:33,120

this was like well you know what oh well

845

00:40:37,070 --> 00:40:35,340

I came back home I was telling my

846

00:40:39,350 --> 00:40:37,080

sisters I have three sisters by the way

847

00:40:41,150 --> 00:40:39,360

I was telling my sisters I was like you

848

00:40:43,130 --> 00:40:41,160

guys like me and my friend chase all the

849

00:40:45,770 --> 00:40:43,140

craziest thing today and I told him

850

00:40:47,330 --> 00:40:45,780

exactly how I saw it I told them I was

851

00:40:49,460 --> 00:40:47,340

like oh my god it was like a big rock

852

00:40:51,650 --> 00:40:49,470

and it had like four gray dots on it and

853

00:40:53,060 --> 00:40:51,660

my sisters are like oh my god you know

854

00:40:54,860 --> 00:40:53,070

if they were trying to scare me because

855

00:40:56,330 --> 00:40:54,870

they were teenagers at this point I was

856

00:40:59,090 --> 00:40:56,340

just a little bean at this time my

857

00:41:01,010 --> 00:40:59,100

sisters are like you just saw a UFO you

858

00:41:03,110 --> 00:41:01,020

and your friend just saw a UFO and you

859

00:41:04,670 --> 00:41:03,120

know that it was aliens and all of this

860

00:41:06,680 --> 00:41:04,680

stuff and they were just trying to freak

861

00:41:09,380 --> 00:41:06,690

me out that's when I realized I was like

862

00:41:10,820 --> 00:41:09,390

oh my god I saw a UFO they're like oh

863

00:41:12,110 --> 00:41:10,830

they're gonna track you down and you

864

00:41:13,490 --> 00:41:12,120

know they're gonna abduct you and

865

00:41:16,400 --> 00:41:13,500

they're gonna take you and your sleep

866

00:41:18,590 --> 00:41:16,410

but I was just bawling my eyes out it

867

00:41:20,510 --> 00:41:18,600

was so traumatizing for me because

868

00:41:22,130 --> 00:41:20,520

they're like yeah like why did you why

869

00:41:23,510 --> 00:41:22,140

did you go back outside they might have

870

00:41:25,700 --> 00:41:23,520

known that you were onto them and that's

871

00:41:27,980 --> 00:41:25,710

why they left so yeah that was one of

872

00:41:30,350 --> 00:41:27,990

the first encounters I have with you

873

00:41:32,480 --> 00:41:30,360

know seeing the UFO and all that stuff

874

00:41:34,940 --> 00:41:32,490

every once in a while when you do walk

875

00:41:42,700 --> 00:41:34,950

somewhere you know just make sure you

876

00:41:46,910 --> 00:41:45,170

somewhere in the skies is produced by

877

00:41:48,860 --> 00:41:46,920

Third Kind productions in association
