

1  
00:00:17,990 --> 00:00:15,030  
hey guys ryan here

2  
00:00:20,310 --> 00:00:18,000  
um just trying to do a impromptu

3  
00:00:23,429 --> 00:00:20,320  
facebook live here with you today

4  
00:00:26,470 --> 00:00:23,439  
um please feel free to join in

5  
00:00:28,950 --> 00:00:26,480  
ask any questions i'm really here to um

6  
00:00:30,630 --> 00:00:28,960  
to thank everyone for supporting me and

7  
00:00:32,229 --> 00:00:30,640  
uh my book release

8  
00:00:33,830 --> 00:00:32,239  
somewhere in the sky is a human approach

9  
00:00:37,670 --> 00:00:33,840  
to the ufo phenomenon

10  
00:00:40,709 --> 00:00:37,680  
released uh two days ago and we hit

11  
00:00:41,590 --> 00:00:40,719  
four different number one lists on

12  
00:00:43,830 --> 00:00:41,600  
amazon for

13  
00:00:45,270 --> 00:00:43,840

new release and bestseller and i could

14

00:00:47,750 --> 00:00:45,280

not have done that without

15

00:00:48,950 --> 00:00:47,760

all of you so thank you thank you thank

16

00:00:51,590 --> 00:00:48,960

you to everyone

17

00:00:53,430 --> 00:00:51,600

who ordered the book i am i was pretty

18

00:00:55,029 --> 00:00:53,440

quiet about this project for a while

19

00:00:57,270 --> 00:00:55,039

because i

20

00:00:59,510 --> 00:00:57,280

really wanted it to be something special

21

00:01:01,590 --> 00:00:59,520

it was a second edition of the book

22

00:01:02,709 --> 00:01:01,600

and i wanted it to be worth your time

23

00:01:05,990 --> 00:01:02,719

and you know your

24

00:01:09,270 --> 00:01:06,000

hard-earned money in buying it again so

25

00:01:10,710 --> 00:01:09,280

i added two new chapters with all new

26

00:01:13,190 --> 00:01:10,720

ufo cases that

27

00:01:14,870 --> 00:01:13,200

nobody's ever heard before uh these are

28

00:01:15,510 --> 00:01:14,880

being made public for the very first

29

00:01:18,230 --> 00:01:15,520

time

30

00:01:20,550 --> 00:01:18,240

by the individuals who trusted me to

31

00:01:22,789 --> 00:01:20,560

tell their story so i'm really

32

00:01:24,710 --> 00:01:22,799

really honored to have done that and i

33

00:01:28,310 --> 00:01:24,720

also have a brand new chapter about the

34

00:01:31,429 --> 00:01:28,320

nimitz tic tac ufo event with the first

35

00:01:34,469 --> 00:01:31,439

individual who tracked and witnessed

36

00:01:36,230 --> 00:01:34,479

and intercepted the tic tac object off

37

00:01:38,789 --> 00:01:36,240

the nimitz in 2004

38

00:01:39,510 --> 00:01:38,799

so that was a huge huge honor and i have

39

00:01:42,710 --> 00:01:39,520

to thank

40

00:01:45,749 --> 00:01:42,720

kevin day special radar operator and

41

00:01:48,310 --> 00:01:45,759

top gun navy uh

42

00:01:50,789 --> 00:01:48,320

radar operator i mean this guy is just

43

00:01:53,749 --> 00:01:50,799

an incredible wealth of information and

44

00:01:55,109 --> 00:01:53,759

he's done so much for our country and uh

45

00:01:56,709 --> 00:01:55,119

the fact that he was willing to come

46

00:01:58,149 --> 00:01:56,719

forward and talk about this event like

47

00:02:00,550 --> 00:01:58,159

many of the other people

48

00:02:01,910 --> 00:02:00,560

on the uss nimitz in the uss princeton

49

00:02:03,910 --> 00:02:01,920

in 2004

50

00:02:06,069 --> 00:02:03,920

uh we now have a whole new world we live

51  
00:02:08,630 --> 00:02:06,079  
in when it comes to ufo disclosure

52  
00:02:10,309 --> 00:02:08,640  
by the navy and the government so um

53  
00:02:12,390 --> 00:02:10,319  
yeah i'm very honored to share that

54  
00:02:15,830 --> 00:02:12,400  
story in its entirety in the book

55  
00:02:18,790 --> 00:02:15,840  
uh i spoke to several new scientists and

56  
00:02:20,309 --> 00:02:18,800  
academics and historians um who are

57  
00:02:22,070 --> 00:02:20,319  
working on endeavors

58  
00:02:23,510 --> 00:02:22,080  
scientific endeavors to study and

59  
00:02:25,190 --> 00:02:23,520  
capture and analyze

60  
00:02:26,710 --> 00:02:25,200  
ufo activity you know we're not just

61  
00:02:29,350 --> 00:02:26,720  
talking flying saucers

62  
00:02:31,190 --> 00:02:29,360  
we're talking about aerial phenomena uh

63  
00:02:31,990 --> 00:02:31,200

anomalies in our sky that just can't

64

00:02:33,670 --> 00:02:32,000

readily

65

00:02:35,750 --> 00:02:33,680

be explained now that doesn't mean it's

66

00:02:37,670 --> 00:02:35,760

alien it just means we cannot

67

00:02:39,589 --> 00:02:37,680

explain it in conventional terms or

68

00:02:41,750 --> 00:02:39,599

means and these people are out there

69

00:02:42,869 --> 00:02:41,760

spending their own money using their

70

00:02:45,110 --> 00:02:42,879

skills and their

71

00:02:46,390 --> 00:02:45,120

uh their knowledge to look into these

72

00:02:48,070 --> 00:02:46,400

things and i wanted

73

00:02:49,509 --> 00:02:48,080

to give them a voice to get their

74

00:02:49,990 --> 00:02:49,519

projects out there so you're going to

75

00:02:52,710 --> 00:02:50,000

see

76

00:02:54,710 --> 00:02:52,720

a lot of new projects along with other

77

00:02:57,270 --> 00:02:54,720

projects that i mentioned in the book

78

00:02:58,550 --> 00:02:57,280

from the 2016 version and where those

79

00:03:00,470 --> 00:02:58,560

are at today so

80

00:03:02,790 --> 00:03:00,480

there's a lot of follow-up there's brand

81

00:03:03,350 --> 00:03:02,800

new chapters it's almost 75 000 new

82

00:03:05,910 --> 00:03:03,360

words

83

00:03:07,430 --> 00:03:05,920

so it's basically a whole new book uh so

84

00:03:07,830 --> 00:03:07,440

yeah that's it i'm done pitching the

85

00:03:09,190 --> 00:03:07,840

book

86

00:03:11,270 --> 00:03:09,200

um if you want to check it out it's

87

00:03:12,070 --> 00:03:11,280

available right now on amazon and barnes

88

00:03:13,750 --> 00:03:12,080

and noble

89

00:03:15,350 --> 00:03:13,760

that's somewhere in the skies a human

90

00:03:18,470 --> 00:03:15,360

approach to the ufo

91

00:03:19,990 --> 00:03:18,480

phenomenon i'm so thankful and honored

92

00:03:20,710 --> 00:03:20,000

to be working with beyond the fray

93

00:03:22,390 --> 00:03:20,720

publishing

94

00:03:24,390 --> 00:03:22,400

who published this new edition of the

95

00:03:25,990 --> 00:03:24,400

book i could not be happier

96

00:03:28,229 --> 00:03:26,000

with the outcome from it it's just a

97

00:03:29,910 --> 00:03:28,239

beautiful book that they put together

98

00:03:31,670 --> 00:03:29,920

and i'm going to be working on several

99

00:03:32,229 --> 00:03:31,680

new books with them as well so i can't

100

00:03:33,910 --> 00:03:32,239

wait

101  
00:03:36,670 --> 00:03:33,920  
for that journey with beyond the freight

102  
00:03:39,030 --> 00:03:36,680  
publishing so check them out as well

103  
00:03:40,070 --> 00:03:39,040  
beyondthefraypublishing.com run by jeff

104  
00:03:43,430 --> 00:03:40,080  
and shannon

105  
00:03:45,190 --> 00:03:43,440  
and um yeah they're amazing amazing

106  
00:03:46,630 --> 00:03:45,200  
people to work with so check out all

107  
00:03:48,309 --> 00:03:46,640  
their books right now as well

108  
00:03:50,390 --> 00:03:48,319  
i'm gonna go look at some of the

109  
00:03:51,350 --> 00:03:50,400  
comments here i haven't looked yet i'm

110  
00:03:55,670 --> 00:03:51,360  
too excited

111  
00:03:58,789 --> 00:03:55,680  
hi cheryl hi andy hi alan hi shannon

112  
00:04:01,910 --> 00:03:58,799  
hi joshua hi nick hi nathan um

113  
00:04:02,869 --> 00:04:01,920

right now what i want to do is um show

114

00:04:05,429 --> 00:04:02,879

you guys

115

00:04:07,910 --> 00:04:05,439

if anybody didn't know um during the

116

00:04:09,750 --> 00:04:07,920

lockdown during this global crisis

117

00:04:12,470 --> 00:04:09,760

uh i was stuck in new york city the

118

00:04:15,429 --> 00:04:12,480

epicenter for a while of the coronavirus

119

00:04:17,189 --> 00:04:15,439

uh for almost 100 days straight um i

120

00:04:20,629 --> 00:04:17,199

barely left my apartment

121

00:04:22,950 --> 00:04:20,639

and i was going crazy and so my

122

00:04:23,670 --> 00:04:22,960

wonderful beautiful gracious partner

123

00:04:27,030 --> 00:04:23,680

jane

124

00:04:29,110 --> 00:04:27,040

um she said let's get the hell out of

125

00:04:31,830 --> 00:04:29,120

here and we finally did and we're

126

00:04:33,830 --> 00:04:31,840

on the island of oahu as far away from

127

00:04:36,469 --> 00:04:33,840

new york city as we could possibly get

128

00:04:38,310 --> 00:04:36,479

um i've been here for about a month now

129

00:04:39,270 --> 00:04:38,320

i can't lie it's been absolutely

130

00:04:41,510 --> 00:04:39,280

incredible

131

00:04:43,909 --> 00:04:41,520

um i would love to be back home in new

132

00:04:46,870 --> 00:04:43,919

york but it's just

133

00:04:48,070 --> 00:04:46,880

no reason my job on broadway has been

134

00:04:50,629 --> 00:04:48,080

shut down

135

00:04:52,390 --> 00:04:50,639

indefinitely until broadway reopens and

136

00:04:55,590 --> 00:04:52,400

god knows when that's going to be

137

00:04:56,070 --> 00:04:55,600

so i figured what the hell is the reason

138

00:04:59,110 --> 00:04:56,080

staying

139

00:05:00,870 --> 00:04:59,120

there um so yeah we're here on oahu and

140

00:05:03,510 --> 00:05:00,880

i'm just enjoying

141

00:05:04,629 --> 00:05:03,520

uh this beautiful weather and the space

142

00:05:07,830 --> 00:05:04,639

and

143

00:05:11,029 --> 00:05:07,840

extremely

144

00:05:12,390 --> 00:05:11,039

fortunate for that i also feel fortunate

145

00:05:15,270 --> 00:05:12,400

that my favorite

146

00:05:16,150 --> 00:05:15,280

home brewer beer lab located here on

147

00:05:18,790 --> 00:05:16,160

oahu

148

00:05:21,350 --> 00:05:18,800

is open for business and i'm drinking

149

00:05:24,310 --> 00:05:21,360

today their high valyrian beer

150

00:05:25,189 --> 00:05:24,320

seven percent so um i might get a little

151  
00:05:28,230 --> 00:05:25,199  
um

152  
00:05:29,830 --> 00:05:28,240  
inebriated during this facebook live but

153  
00:05:32,230 --> 00:05:29,840  
i gotta celebrate this is for

154  
00:05:33,909 --> 00:05:32,240  
beyond the fray publishing for shannon

155  
00:05:35,430 --> 00:05:33,919  
for jeff for everyone who um

156  
00:05:37,270 --> 00:05:35,440  
took a chance on the book and made it

157  
00:05:40,310 --> 00:05:37,280  
what it is and we hit number one

158  
00:05:42,070 --> 00:05:40,320  
four times in less than 72 hours so i'm

159  
00:05:45,909 --> 00:05:42,080  
really happy about that so

160  
00:05:50,870 --> 00:05:49,110  
oh that's good it's an ipm ipa i'm not

161  
00:05:53,350 --> 00:05:50,880  
really an ipa guy but um

162  
00:05:53,990 --> 00:05:53,360  
it is delicious but that's a cheers to

163  
00:05:55,830 --> 00:05:54,000

all of you

164

00:05:57,590 --> 00:05:55,840

and thank you for all your support along

165

00:05:58,070 --> 00:05:57,600

the way i can't wait to hear what you

166

00:06:00,550 --> 00:05:58,080

hear

167

00:06:02,150 --> 00:06:00,560

what you think about the book and um

168

00:06:02,710 --> 00:06:02,160

yeah that's all i got i'm gonna see what

169

00:06:06,309 --> 00:06:02,720

we got

170

00:06:07,670 --> 00:06:06,319

here uh congrats again on the new book

171

00:06:10,230 --> 00:06:07,680

thank you andy thank you

172

00:06:11,830 --> 00:06:10,240

thank you alan shannon thank you for

173

00:06:13,670 --> 00:06:11,840

everything you've done

174

00:06:15,749 --> 00:06:13,680

josh love the work you're doing thanks

175

00:06:17,990 --> 00:06:15,759

buddy i really appreciate that

176  
00:06:18,870 --> 00:06:18,000  
josh i remember our days on the baseball

177  
00:06:20,870 --> 00:06:18,880  
field like it was

178  
00:06:22,950 --> 00:06:20,880  
yesterday one of my fellow corcoran

179  
00:06:25,830 --> 00:06:22,960  
cougars is here right now

180  
00:06:27,590 --> 00:06:25,840  
um i for those who don't know i had i do

181  
00:06:28,150 --> 00:06:27,600  
have a former life i was a baseball

182  
00:06:30,550 --> 00:06:28,160  
player

183  
00:06:32,150 --> 00:06:30,560  
that was my life i loved it and then i

184  
00:06:35,029 --> 00:06:32,160  
caught the theater bug and then i caught

185  
00:06:35,909 --> 00:06:35,039  
the ufo bug and those bugs just became a

186  
00:06:38,230 --> 00:06:35,919  
hybrid

187  
00:06:39,909 --> 00:06:38,240  
and uh yeah while i'm out here i'm also

188  
00:06:43,029 --> 00:06:39,919

writing some new plays

189

00:06:45,990 --> 00:06:43,039

about ufos mixing my passions together

190

00:06:47,270 --> 00:06:46,000

and um not many plays out there about

191

00:06:49,589 --> 00:06:47,280

ufos or

192

00:06:51,270 --> 00:06:49,599

alien abductions so i'm looking forward

193

00:06:53,589 --> 00:06:51,280

to uh developing that

194

00:06:55,270 --> 00:06:53,599

with all the time i have here um thank

195

00:06:56,870 --> 00:06:55,280

you nick thank you so much

196

00:06:58,469 --> 00:06:56,880

uh let's see there's hundreds of people

197

00:06:59,110 --> 00:06:58,479

who have had experiences in southern

198

00:07:01,110 --> 00:06:59,120

utah

199

00:07:02,469 --> 00:07:01,120

and nobody's collecting those stories it

200

00:07:03,270 --> 00:07:02,479

said how much data is not being

201  
00:07:05,110 --> 00:07:03,280  
collected

202  
00:07:06,710 --> 00:07:05,120  
uh this comes from nathan nathan that is

203  
00:07:08,870 --> 00:07:06,720  
so true man um

204  
00:07:10,950 --> 00:07:08,880  
if i could get out to utah and interview

205  
00:07:13,510 --> 00:07:10,960  
those people myself i would but dude

206  
00:07:15,589 --> 00:07:13,520  
if you have anyone who's willing to get

207  
00:07:18,070 --> 00:07:15,599  
in touch with me about that i would love

208  
00:07:19,029 --> 00:07:18,080  
to uh take down their stories and see

209  
00:07:22,230 --> 00:07:19,039  
where we can go

210  
00:07:24,790 --> 00:07:22,240  
from there buddy um let's see

211  
00:07:25,430 --> 00:07:24,800  
ernesto takes a lot for a book to get me

212  
00:07:28,390 --> 00:07:25,440  
hooked so

213  
00:07:29,589 --> 00:07:28,400

soon first was amazing great job mine is

214

00:07:31,430 --> 00:07:29,599

on the way thank you

215

00:07:32,629 --> 00:07:31,440

ernesto that really means a lot to me

216

00:07:34,790 --> 00:07:32,639

man um

217

00:07:36,309 --> 00:07:34,800

i really poured my my heart into the

218

00:07:37,029 --> 00:07:36,319

second edition not to say the first

219

00:07:40,629 --> 00:07:37,039

edition

220

00:07:42,710 --> 00:07:40,639

uh wasn't it was uh as truthful and raw

221

00:07:44,230 --> 00:07:42,720

as i could be it was my first book

222

00:07:46,390 --> 00:07:44,240

and i had absolutely no idea what i was

223

00:07:49,589 --> 00:07:46,400

doing so to be able to um

224

00:07:51,749 --> 00:07:49,599

hone my skills as a writer and um and

225

00:07:53,430 --> 00:07:51,759

you know flex those muscles again and

226

00:07:55,670 --> 00:07:53,440

tell new stories and uh

227

00:07:57,430 --> 00:07:55,680

challenge myself uh was extremely

228

00:07:59,430 --> 00:07:57,440

rewarding so i hope you really

229

00:08:00,710 --> 00:07:59,440

catch on to that in the second edition

230

00:08:02,390 --> 00:08:00,720

um and let me know what you think

231

00:08:04,950 --> 00:08:02,400

ernesto

232

00:08:06,550 --> 00:08:04,960

hawaii sounds more fitting thanks nathan

233

00:08:07,430 --> 00:08:06,560

i put this shirt on just for that

234

00:08:10,070 --> 00:08:07,440

occasion

235

00:08:11,510 --> 00:08:10,080

as well um nick says much love to you

236

00:08:12,950 --> 00:08:11,520

and jane ryan i'm looking to do

237

00:08:15,270 --> 00:08:12,960

something business related

238

00:08:17,189 --> 00:08:15,280

in hawaii we'll have to uh we'll have to

239

00:08:18,469 --> 00:08:17,199

talk buddy because i have no idea what

240

00:08:22,469 --> 00:08:18,479

i'm leaving here

241

00:08:24,390 --> 00:08:22,479

um cheers shannon any hints on cases you

242

00:08:27,909 --> 00:08:24,400

follow up on from the first edition

243

00:08:29,350 --> 00:08:27,919

andy asks yes uh there were some

244

00:08:30,230 --> 00:08:29,360

stunning developments in some of the

245

00:08:32,469 --> 00:08:30,240

cases from

246

00:08:33,589 --> 00:08:32,479

the book um after following up with some

247

00:08:36,790 --> 00:08:33,599

of those people

248

00:08:38,310 --> 00:08:36,800

the one i can distinctly think of off

249

00:08:39,990 --> 00:08:38,320

the top of my head would have to be the

250

00:08:42,550 --> 00:08:40,000

drive-in movie theater

251  
00:08:43,750 --> 00:08:42,560  
uh chapter from the first edition with

252  
00:08:47,509 --> 00:08:43,760  
scott santa

253  
00:08:49,269 --> 00:08:47,519  
um an amazing ufo case for any of you

254  
00:08:52,070 --> 00:08:49,279  
who have not read the book

255  
00:08:53,509 --> 00:08:52,080  
um scott when he was younger went to a

256  
00:08:57,030 --> 00:08:53,519  
drive-in movie theater in

257  
00:08:57,509 --> 00:08:57,040  
uh kogaholo kyoga falls ohio i believe

258  
00:09:00,470 --> 00:08:57,519  
it is

259  
00:09:01,990 --> 00:09:00,480  
and um he had an amazing experience with

260  
00:09:03,670 --> 00:09:02,000  
a boomerang shaped craft

261  
00:09:05,829 --> 00:09:03,680  
hovering above this drive-in movie

262  
00:09:08,870 --> 00:09:05,839  
theater completely silent

263  
00:09:09,990 --> 00:09:08,880

silent uh massive in size and it just

264

00:09:12,150 --> 00:09:10,000

hovered over the theater

265

00:09:13,990 --> 00:09:12,160

disappeared off into a field hundreds of

266

00:09:16,470 --> 00:09:14,000

people supposedly saw this

267

00:09:18,230 --> 00:09:16,480

scott is the only one to remember it uh

268

00:09:21,829 --> 00:09:18,240

which is just blows my mind

269

00:09:24,230 --> 00:09:21,839

uh was it some sort of instant amnesia

270

00:09:25,750 --> 00:09:24,240

were people's brains flicked on and off

271

00:09:28,470 --> 00:09:25,760

during this event i don't know

272

00:09:29,350 --> 00:09:28,480

um scott for a really long time felt a

273

00:09:30,630 --> 00:09:29,360

lot of pressure

274

00:09:32,790 --> 00:09:30,640

that he was the only witness that

275

00:09:35,430 --> 00:09:32,800

remembered this and he was desperately

276

00:09:37,350 --> 00:09:35,440

searching for anyone who was who was

277

00:09:39,509 --> 00:09:37,360

there that night who also saw this you

278

00:09:41,829 --> 00:09:39,519

know so i started reaching out to people

279

00:09:43,110 --> 00:09:41,839

in ohio and specifically in this area

280

00:09:45,110 --> 00:09:43,120

where the drive-in was

281

00:09:46,470 --> 00:09:45,120

to see if anyone came forward with

282

00:09:48,870 --> 00:09:46,480

anything and there was nothing

283

00:09:49,670 --> 00:09:48,880

i could find nothing and then one day i

284

00:09:52,870 --> 00:09:49,680

got an email

285

00:09:53,350 --> 00:09:52,880

from a woman in ohio in that area in a

286

00:09:55,670 --> 00:09:53,360

town

287

00:09:56,710 --> 00:09:55,680

just about a few miles from the drive-in

288

00:09:58,630 --> 00:09:56,720

who thinks

289

00:10:00,630 --> 00:09:58,640

she saw the same thing as scott and that

290

00:10:04,150 --> 00:10:00,640

it was the same time period

291

00:10:06,949 --> 00:10:04,160

possibly the same night but that really

292

00:10:08,550 --> 00:10:06,959

just that hit me so hard you know scott

293

00:10:09,750 --> 00:10:08,560

for so long looked for someone else to

294

00:10:12,710 --> 00:10:09,760

talk about this with

295

00:10:14,389 --> 00:10:12,720

um and so did i i mean scott and i have

296

00:10:16,550 --> 00:10:14,399

become really good friends since then

297

00:10:18,310 --> 00:10:16,560

and i want nothing but the best for him

298

00:10:20,310 --> 00:10:18,320

in finding those answers so

299

00:10:22,389 --> 00:10:20,320

i was able to connect the two witnesses

300

00:10:23,190 --> 00:10:22,399

i'm hoping that uh they will reach out

301  
00:10:24,550 --> 00:10:23,200  
to each other

302  
00:10:25,990 --> 00:10:24,560  
and have a conversation about what

303  
00:10:26,710 --> 00:10:26,000  
happened to the drive-in movie theater

304  
00:10:30,150 --> 00:10:26,720  
that night

305  
00:10:33,269 --> 00:10:30,160  
so yeah that's updated in the new one um

306  
00:10:35,269 --> 00:10:33,279  
let's see there's three new cases

307  
00:10:36,630 --> 00:10:35,279  
in the book um i know those aren't

308  
00:10:38,069 --> 00:10:36,640  
follow-ups but there are some of the

309  
00:10:39,750 --> 00:10:38,079  
most amazing cases

310  
00:10:42,550 --> 00:10:39,760  
i've come across including one from a

311  
00:10:45,750 --> 00:10:42,560  
very famous podcast host out there

312  
00:10:47,509 --> 00:10:45,760  
uh one from a gentleman who's very

313  
00:10:49,990 --> 00:10:47,519

active on ufo twitter

314

00:10:52,069 --> 00:10:50,000

and who was recently featured on the

315

00:10:54,550 --> 00:10:52,079

history channel television series

316

00:10:56,870 --> 00:10:54,560

unidentified uh coming forward for the

317

00:10:59,350 --> 00:10:56,880

very first time to tell his ufo account

318

00:11:01,190 --> 00:10:59,360

and he's a super skeptic so for him to

319

00:11:02,790 --> 00:11:01,200

come forward with his own ufo event

320

00:11:04,389 --> 00:11:02,800

it's huge and i'm so honored that he

321

00:11:08,550 --> 00:11:04,399

trusted me with that

322

00:11:12,389 --> 00:11:08,560

um we also have another amazing case

323

00:11:15,670 --> 00:11:12,399

in uh over lake superior in michigan

324

00:11:18,150 --> 00:11:15,680

a stunning ufo case multi witnesses

325

00:11:19,030 --> 00:11:18,160

one i'm personally investigating and is

326  
00:11:21,269 --> 00:11:19,040  
ongoing

327  
00:11:22,310 --> 00:11:21,279  
um but i was able to get the primary

328  
00:11:24,949 --> 00:11:22,320  
witness to

329  
00:11:26,710 --> 00:11:24,959  
tell the entire story from start to

330  
00:11:27,509 --> 00:11:26,720  
finish i was able to corroborate the

331  
00:11:30,710 --> 00:11:27,519  
entire

332  
00:11:32,630 --> 00:11:30,720  
event with two other witnesses and

333  
00:11:35,030 --> 00:11:32,640  
it's an ongoing investigation one i'm a

334  
00:11:36,710 --> 00:11:35,040  
part of and one i'm extremely excited

335  
00:11:40,230 --> 00:11:36,720  
to hopefully get to michigan and

336  
00:11:44,470 --> 00:11:42,389  
shane from one ryan to another well done

337  
00:11:46,710 --> 00:11:44,480  
by the way my wife lisa was on the jet

338  
00:11:47,750 --> 00:11:46,720

program too and i used to be a national

339

00:11:50,150 --> 00:11:47,760

jet program

340

00:11:51,350 --> 00:11:50,160

coordinator wow that's amazing shade i

341

00:11:52,710 --> 00:11:51,360

believe you may have

342

00:11:54,470 --> 00:11:52,720

mentioned that in the past but i

343

00:11:56,550 --> 00:11:54,480

completely forgot uh

344

00:11:57,670 --> 00:11:56,560

all about that um jet is an amazing

345

00:12:00,629 --> 00:11:57,680

program that my

346

00:12:02,790 --> 00:12:00,639

my partner uh jane was on where uh you

347

00:12:04,870 --> 00:12:02,800

go to japan and teach kids english

348

00:12:07,190 --> 00:12:04,880

and um it was probably one of the most

349

00:12:08,949 --> 00:12:07,200

memorable experiences of her life so

350

00:12:10,470 --> 00:12:08,959

that's so cool that your wife was a part

351

00:12:12,069 --> 00:12:10,480

of that man i'm so um

352

00:12:14,870 --> 00:12:12,079

i'm so excited to hear that i'll have to

353

00:12:16,870 --> 00:12:14,880

tell jane paul says great book thank you

354

00:12:18,870 --> 00:12:16,880

paul

355

00:12:20,470 --> 00:12:18,880

troy howdy ryan congrats on the launch

356

00:12:23,269 --> 00:12:20,480

of the book proud of you thank you so

357

00:12:26,790 --> 00:12:25,670

that nick says heinek the musical i'm

358

00:12:29,910 --> 00:12:26,800

working on it man

359

00:12:31,350 --> 00:12:29,920

um it's so funny you mentioned that

360

00:12:33,190 --> 00:12:31,360

um the gentleman who wrote the

361

00:12:36,870 --> 00:12:33,200

autobiography on

362

00:12:39,590 --> 00:12:36,880

j allen heineck um mark o'connell

363

00:12:40,550 --> 00:12:39,600

he we we've pitched some ideas about how

364

00:12:43,190 --> 00:12:40,560

to further

365

00:12:44,470 --> 00:12:43,200

the story of heinek um you know after

366

00:12:46,870 --> 00:12:44,480

his autobiography

367

00:12:48,470 --> 00:12:46,880

and after the project blue book

368

00:12:50,470 --> 00:12:48,480

television series which kind of went

369

00:12:52,230 --> 00:12:50,480

into the realm of fantasy so we want to

370

00:12:54,069 --> 00:12:52,240

bring it back to reality and

371

00:12:56,710 --> 00:12:54,079

make a musical out of it so i'm gonna

372

00:12:59,990 --> 00:12:56,720

definitely work on that

373

00:13:07,750 --> 00:13:04,150

hi robert hi andrew nice to

374

00:13:10,389 --> 00:13:07,760

nice to hear from you buddy in l.a

375

00:13:11,670 --> 00:13:10,399

ryan in locals have locals tell you any

376

00:13:13,590 --> 00:13:11,680

ufo stories

377

00:13:15,350 --> 00:13:13,600

here in hawaii that's a great question

378

00:13:17,990 --> 00:13:15,360

alan um yes

379

00:13:20,150 --> 00:13:18,000

actually i have a very very special

380

00:13:22,710 --> 00:13:20,160

episode of summer in the skies coming up

381

00:13:23,829 --> 00:13:22,720

where i talked to one of the most

382

00:13:26,949 --> 00:13:23,839

profound

383

00:13:29,750 --> 00:13:26,959

and uh amazing locals here

384

00:13:30,470 --> 00:13:29,760

on the island of oahu born and raised

385

00:13:33,750 --> 00:13:30,480

here

386

00:13:34,790 --> 00:13:33,760

a million stories this guy is a master

387

00:13:37,750 --> 00:13:34,800

storyteller

388

00:13:40,150 --> 00:13:37,760

and i've spent countless hours with him

389

00:13:43,110 --> 00:13:40,160

recording stories that he has to share

390

00:13:43,829 --> 00:13:43,120

including ufo stories and also not ufo

391

00:13:47,670 --> 00:13:43,839

stories

392

00:13:51,110 --> 00:13:47,680

oahu and the other islands

393

00:13:51,509 --> 00:13:51,120

and um i i will tell you this this place

394

00:13:55,269 --> 00:13:51,519

is

395

00:13:59,269 --> 00:13:55,279

extremely uh special when it comes to

396

00:14:01,189 --> 00:13:59,279

stories and um heritage and folklore and

397

00:14:02,389 --> 00:14:01,199

everything in between um hawaii is a

398

00:14:04,310 --> 00:14:02,399

very powerful place

399

00:14:06,069 --> 00:14:04,320

and coming from a howli a white guy

400

00:14:08,230 --> 00:14:06,079

coming to this island um

401  
00:14:09,750 --> 00:14:08,240  
i just want to hear them um i don't want

402  
00:14:12,949 --> 00:14:09,760  
to give my take on them

403  
00:14:15,110 --> 00:14:12,959  
i don't want to um do anything to

404  
00:14:15,990 --> 00:14:15,120  
change the power of these stories for

405  
00:14:17,750 --> 00:14:16,000  
the people who

406  
00:14:19,350 --> 00:14:17,760  
grew up with them i just want to get

407  
00:14:22,310 --> 00:14:19,360  
them out there um

408  
00:14:23,670 --> 00:14:22,320  
by one of the most preeminent voices

409  
00:14:26,470 --> 00:14:23,680  
there is here

410  
00:14:27,910 --> 00:14:26,480  
on the island of oahu and beyond um so

411  
00:14:29,269 --> 00:14:27,920  
yeah you are going to hear a very

412  
00:14:34,389 --> 00:14:29,279  
special episode

413  
00:14:37,990 --> 00:14:36,949

uh let's see preaching to the choir

414

00:14:40,310 --> 00:14:38,000

nathan

415

00:14:41,990 --> 00:14:40,320

um let's see ryan i heard a few

416

00:14:45,030 --> 00:14:42,000

hilarious stories from ted phillips

417

00:14:47,189 --> 00:14:45,040

years ago about heinek um

418

00:14:49,189 --> 00:14:47,199

oh i can't wait to hear those nick i

419

00:14:52,949 --> 00:14:49,199

can't wait to hear those

420

00:14:55,590 --> 00:14:52,959

um yeah so um while i'm here

421

00:14:57,590 --> 00:14:55,600

in hawaii i'm also reading a lot which i

422

00:15:00,790 --> 00:14:57,600

haven't done in a really long time

423

00:15:01,189 --> 00:15:00,800

some ufo books but a lot not actually um

424

00:15:03,269 --> 00:15:01,199

but

425

00:15:04,550 --> 00:15:03,279

for ufo books the one i'm reading right

426

00:15:07,590 --> 00:15:04,560

now comes from

427

00:15:08,949 --> 00:15:07,600

my mutual colleague over at let me see

428

00:15:11,030 --> 00:15:08,959

if i can get that in right

429

00:15:13,189 --> 00:15:11,040

rogue planet shane heard wrote this

430

00:15:16,069 --> 00:15:13,199

awesome book unidentified

431

00:15:17,189 --> 00:15:16,079

aerial phenomena a beginner's guide to

432

00:15:19,990 --> 00:15:17,199

researching

433

00:15:20,870 --> 00:15:20,000

ufos this is the perfect primer for

434

00:15:22,870 --> 00:15:20,880

anyone out there

435

00:15:24,069 --> 00:15:22,880

who wants to um look into the ufo

436

00:15:25,990 --> 00:15:24,079

phenomenon

437

00:15:27,269 --> 00:15:26,000

written by one of the most knowledgeable

438

00:15:29,749 --> 00:15:27,279

ufo investigators

439

00:15:30,710 --> 00:15:29,759

out there today so check that one out

440

00:15:32,710 --> 00:15:30,720

and as for

441

00:15:33,749 --> 00:15:32,720

the plays i'm working on i'm actually

442

00:15:36,710 --> 00:15:33,759

working on a play

443

00:15:38,069 --> 00:15:36,720

about alien abduction and i found this

444

00:15:41,829 --> 00:15:38,079

amazing book

445

00:15:44,870 --> 00:15:41,839

there's a um there's a used bookstore

446

00:15:45,749 --> 00:15:44,880

here in hawaii called ideas and they

447

00:15:49,269 --> 00:15:45,759

have the most

448

00:15:51,030 --> 00:15:49,279

amazing used section of ufo books i've

449

00:15:54,230 --> 00:15:51,040

ever seen i mean we're talking like

450

00:15:56,150 --> 00:15:54,240

first to first edition vintage books um

451  
00:15:58,389 --> 00:15:56,160  
some of them are really pricey but i was

452  
00:16:00,310 --> 00:15:58,399  
able to steal a couple of them

453  
00:16:01,670 --> 00:16:00,320  
uh for a really good price and the

454  
00:16:03,670 --> 00:16:01,680  
andreas in affair is

455  
00:16:05,990 --> 00:16:03,680  
one of the most controversial and

456  
00:16:06,790 --> 00:16:06,000  
interesting alien abduction cases out

457  
00:16:08,790 --> 00:16:06,800  
there so

458  
00:16:11,590 --> 00:16:08,800  
if you can look up the andreas and

459  
00:16:12,230 --> 00:16:11,600  
affair um wherever you are i also did an

460  
00:16:14,389 --> 00:16:12,240  
episode

461  
00:16:16,230 --> 00:16:14,399  
really early on in summer in the skies

462  
00:16:16,949 --> 00:16:16,240  
called the andreas in affair i believe

463  
00:16:19,430 --> 00:16:16,959

so you can

464

00:16:20,550 --> 00:16:19,440

go back in the archives and check that

465

00:16:22,629 --> 00:16:20,560

out um

466

00:16:24,949 --> 00:16:22,639

speaking of the podcast still going

467

00:16:27,910 --> 00:16:24,959

weekly every week um it's been

468

00:16:29,430 --> 00:16:27,920

amazing um last few weeks i've really

469

00:16:32,629 --> 00:16:29,440

been focusing on

470

00:16:35,110 --> 00:16:32,639

uh media and ufos we had

471

00:16:36,069 --> 00:16:35,120

the 11th green director on which is an

472

00:16:38,949 --> 00:16:36,079

amazing movie

473

00:16:41,509 --> 00:16:38,959

all about disclosure and a lot of the

474

00:16:44,790 --> 00:16:41,519

stuff going on today seen through a very

475

00:16:46,629 --> 00:16:44,800

unique perspective by the filmmaker um

476

00:16:47,990 --> 00:16:46,639

so definitely check that one out the

477

00:16:50,069 --> 00:16:48,000

11th green

478

00:16:51,430 --> 00:16:50,079

is available this stream right now and

479

00:16:55,269 --> 00:16:51,440

then i also talked to

480

00:16:56,949 --> 00:16:55,279

um daniel um merrick who is the

481

00:16:58,790 --> 00:16:56,959

writer and director a lot of you may

482

00:17:01,030 --> 00:16:58,800

know him as the writer and director of

483

00:17:02,310 --> 00:17:01,040

the blair witch project one of the first

484

00:17:05,590 --> 00:17:02,320

found footage films

485

00:17:08,630 --> 00:17:05,600

uh but he's back and he made a ufo

486

00:17:10,789 --> 00:17:08,640

alien encounter movie called sky man

487

00:17:13,350 --> 00:17:10,799

and um you know in that vein it's kind

488

00:17:15,909 --> 00:17:13,360

of found footage kind of documentary

489

00:17:18,549 --> 00:17:15,919

and i really enjoyed it there's so much

490

00:17:20,630 --> 00:17:18,559

um easter eggs and um

491

00:17:22,710 --> 00:17:20,640

you know inside references for those who

492

00:17:24,470 --> 00:17:22,720

are very familiar with the ufo topic

493

00:17:26,309 --> 00:17:24,480

but even if you're not if this is all

494

00:17:27,429 --> 00:17:26,319

new to you or you just you know

495

00:17:30,230 --> 00:17:27,439

peripheral

496

00:17:32,630 --> 00:17:30,240

follow my work or whatnot um check out

497

00:17:34,710 --> 00:17:32,640

sky man it's a really interesting

498

00:17:36,950 --> 00:17:34,720

film and it's a really good character

499

00:17:39,669 --> 00:17:36,960

study in someone who claims to

500

00:17:40,549 --> 00:17:39,679

have encountered aliens been abducted by

501  
00:17:42,549 --> 00:17:40,559  
aliens

502  
00:17:44,310 --> 00:17:42,559  
um a lot of people scoff and laugh at

503  
00:17:47,110 --> 00:17:44,320  
these things but um

504  
00:17:47,909 --> 00:17:47,120  
look these things are being reported all

505  
00:17:50,950 --> 00:17:47,919  
over the world

506  
00:17:53,029 --> 00:17:50,960  
and um i've done a lot of research and

507  
00:17:55,909 --> 00:17:53,039  
spoken to so many experiencers

508  
00:17:57,669 --> 00:17:55,919  
which you can read in the book and i i

509  
00:18:01,190 --> 00:17:57,679  
can't tell you what's going on

510  
00:18:03,990 --> 00:18:01,200  
i can't tell you if these cases are um

511  
00:18:05,350 --> 00:18:04,000  
real or not um but those who have

512  
00:18:07,510 --> 00:18:05,360  
experienced them

513  
00:18:09,110 --> 00:18:07,520

firmly believe they've experienced that

514

00:18:10,310 --> 00:18:09,120

and i can't take that away from them i

515

00:18:11,029 --> 00:18:10,320

was not in their shoes when this

516

00:18:14,150 --> 00:18:11,039

happened

517

00:18:16,230 --> 00:18:14,160

um but yeah i i think it's

518

00:18:17,909 --> 00:18:16,240

a very controversial topic but one we

519

00:18:20,070 --> 00:18:17,919

need to continue to study

520

00:18:21,029 --> 00:18:20,080

and look into because there's definitely

521

00:18:23,350 --> 00:18:21,039

something

522

00:18:24,070 --> 00:18:23,360

going on what that is we may never know

523

00:18:26,230 --> 00:18:24,080

but um

524

00:18:28,789 --> 00:18:26,240

i'm gonna keep looking so yeah i'm

525

00:18:32,230 --> 00:18:28,799

working on a play about alien abductions

526

00:18:34,470 --> 00:18:32,240

i'm doing the podcast every week um

527

00:18:36,870 --> 00:18:34,480

we recently had the director and

528

00:18:39,830 --> 00:18:36,880

showrunner of ident unidentified

529

00:18:41,190 --> 00:18:39,840

the history television show um which was

530

00:18:42,950 --> 00:18:41,200

awesome we got some really

531

00:18:44,950 --> 00:18:42,960

good insider info on what's to come in

532

00:18:47,990 --> 00:18:44,960

that television series

533

00:18:50,630 --> 00:18:48,000

i've got a really good

534

00:18:51,110 --> 00:18:50,640

interview coming up this week with uh

535

00:18:54,310 --> 00:18:51,120

with

536

00:18:56,150 --> 00:18:54,320

um why is his name escaping me tim

537

00:18:58,950 --> 00:18:56,160

mcmillan tim i'm so sorry man

538

00:19:01,830 --> 00:18:58,960

i've been editing this episode for two

539

00:19:04,230 --> 00:19:01,840

two days now and i'm forgetting

540

00:19:06,789 --> 00:19:04,240

the interviewee's name i'm who i'm drunk

541

00:19:09,430 --> 00:19:06,799

already uh tim mcmillan is one of the

542

00:19:11,350 --> 00:19:09,440

most amazing ufo researchers out there

543

00:19:14,870 --> 00:19:11,360

right now writing for vice

544

00:19:16,230 --> 00:19:14,880

and uh popular mechanics and um

545

00:19:18,390 --> 00:19:16,240

yeah really getting the word out there

546

00:19:19,430 --> 00:19:18,400

about ufos and we just had an incredible

547

00:19:21,190 --> 00:19:19,440

conversation

548

00:19:22,470 --> 00:19:21,200

for over two hours so i can't wait for

549

00:19:25,990 --> 00:19:22,480

you to hear that

550

00:19:27,190 --> 00:19:26,000

um let's see sue sprague my mom is here

551

00:19:30,230 --> 00:19:27,200

hey honey mom here

552

00:19:31,750 --> 00:19:30,240

off to bed oh spoken like a true mom

553

00:19:34,150 --> 00:19:31,760

yeah it's getting late over on the east

554

00:19:35,669 --> 00:19:34,160

coast i'm six hours behind the east

555

00:19:38,230 --> 00:19:35,679

coast so it's like

556

00:19:38,950 --> 00:19:38,240

just inching towards dinner time here

557

00:19:41,029 --> 00:19:38,960

but um

558

00:19:43,190 --> 00:19:41,039

mom thank you for hopping in thank you

559

00:19:45,750 --> 00:19:43,200

for your unwavering support

560

00:19:47,190 --> 00:19:45,760

to my mom my dad doug sprague and my

561

00:19:50,070 --> 00:19:47,200

sister christy sprague

562

00:19:51,990 --> 00:19:50,080

and our dogs laila and titus you are my

563

00:19:54,710 --> 00:19:52,000

amazing support system and you've been

564

00:19:57,190 --> 00:19:54,720

there for me from the very start of this

565

00:19:57,750 --> 00:19:57,200

whole crazy ufo journey i've been on and

566

00:20:00,230 --> 00:19:57,760

um

567

00:20:01,270 --> 00:20:00,240

i couldn't be more proud to be your son

568

00:20:04,470 --> 00:20:01,280

and your brother

569

00:20:05,029 --> 00:20:04,480

and uh whatever you are to dogs i'm that

570

00:20:07,669 --> 00:20:05,039

too

571

00:20:08,950 --> 00:20:07,679

um so thank you thank you mom i love you

572

00:20:11,430 --> 00:20:08,960

to the moon and back

573

00:20:14,710 --> 00:20:11,440

and please tell everyone i say hi in uh

574

00:20:18,789 --> 00:20:16,710

all right let me scroll through here

575

00:20:20,390 --> 00:20:18,799

andy great book shane is a great dude he

576

00:20:22,549 --> 00:20:20,400

really is

577

00:20:24,070 --> 00:20:22,559

russ how's it going man my fellow

578

00:20:25,590 --> 00:20:24,080

brother from new york city

579

00:20:27,590 --> 00:20:25,600

howdy good to hear what's in the new

580

00:20:30,789 --> 00:20:27,600

edition of the book what not

581

00:20:31,270 --> 00:20:30,799

ufo books ryan did i ever send you my

582

00:20:33,590 --> 00:20:31,280

book

583

00:20:34,870 --> 00:20:33,600

nick yes you did man um i've got it on

584

00:20:38,950 --> 00:20:34,880

my shelf at home

585

00:20:42,950 --> 00:20:38,960

waiting for me man um

586

00:20:43,590 --> 00:20:42,960

let's see earl bought my copy thank you

587

00:20:45,510 --> 00:20:43,600

brother

588

00:20:48,070 --> 00:20:45,520

thank you oh for anyone out there who

589

00:20:51,029 --> 00:20:48,080

did get the book um please please please

590

00:20:52,870 --> 00:20:51,039

please please send me book selfies this

591

00:20:54,870 --> 00:20:52,880

was a campaign i did when the first

592

00:20:56,310 --> 00:20:54,880

edition came out and it was incredible

593

00:20:58,789 --> 00:20:56,320

hundreds of photos of people

594

00:20:59,510 --> 00:20:58,799

with their book whether it's um a print

595

00:21:02,710 --> 00:20:59,520

copy or

596

00:21:04,870 --> 00:21:02,720

um an ebook just send me a photo of it

597

00:21:05,990 --> 00:21:04,880

on your ipad or your phone or if you

598

00:21:08,710 --> 00:21:06,000

have the book with you

599

00:21:10,230 --> 00:21:08,720

um it's awesome it's awesome to see

600

00:21:13,510 --> 00:21:10,240

people from all over the country

601  
00:21:15,430 --> 00:21:13,520  
and the world um holding a book that

602  
00:21:17,590 --> 00:21:15,440  
i wrote i will never get used to that

603  
00:21:19,830 --> 00:21:17,600  
and i know many authors feel that same

604  
00:21:21,029 --> 00:21:19,840  
way and it's also just fun it's fun it

605  
00:21:23,430 --> 00:21:21,039  
builds the community

606  
00:21:24,870 --> 00:21:23,440  
and yeah so when you guys start getting

607  
00:21:26,470 --> 00:21:24,880  
the book i know it just came out two

608  
00:21:28,230 --> 00:21:26,480  
days ago so probably nobody

609  
00:21:29,830 --> 00:21:28,240  
got it yet unless you got the ebook i

610  
00:21:31,350 --> 00:21:29,840  
don't even have a print copy i wanted to

611  
00:21:31,830 --> 00:21:31,360  
show you a print copy today and i don't

612  
00:21:33,669 --> 00:21:31,840  
have one

613  
00:21:35,909 --> 00:21:33,679

um i've got some cool books in the

614

00:21:37,990 --> 00:21:35,919

background there as you can see

615

00:21:39,110 --> 00:21:38,000

um yeah those i found at the used

616

00:21:41,350 --> 00:21:39,120

bookstore as well

617

00:21:42,549 --> 00:21:41,360

um i'm blabbing i'm really blabbing but

618

00:21:45,510 --> 00:21:42,559

yeah please send me

619

00:21:46,630 --> 00:21:45,520

your book selfies you can personal

620

00:21:49,110 --> 00:21:46,640

message me with them

621

00:21:50,390 --> 00:21:49,120

or um go to my website somewhere in the

622

00:21:52,310 --> 00:21:50,400

skies dot com

623

00:21:53,830 --> 00:21:52,320

hit me up on email there and send them

624

00:21:57,270 --> 00:21:53,840

there um

625

00:21:58,470 --> 00:21:57,280

or just post them post them tag me in it

626

00:22:00,950 --> 00:21:58,480

you can put them in the summer in the

627

00:22:01,830 --> 00:22:00,960

skies facebook group and if you're not

628

00:22:04,390 --> 00:22:01,840

in that please

629

00:22:05,350 --> 00:22:04,400

join us over there very active community

630

00:22:06,950 --> 00:22:05,360

so awesome

631

00:22:08,710 --> 00:22:06,960

just type in somewhere in the skies on

632

00:22:11,909 --> 00:22:08,720

facebook and um

633

00:22:12,390 --> 00:22:11,919

ask for an invite and i'll let you in

634

00:22:15,750 --> 00:22:12,400

great

635

00:22:17,510 --> 00:22:15,760

beer agreed mario

636

00:22:18,789 --> 00:22:17,520

one more time that's beer lab shout out

637

00:22:24,830 --> 00:22:18,799

to beer lab here

638

00:22:30,230 --> 00:22:27,909

um david hyde pierce's jay on

639

00:22:33,350 --> 00:22:30,240

it dude that's freaking genius he would

640

00:22:35,190 --> 00:22:33,360

be amazing as heineken

641

00:22:38,390 --> 00:22:35,200

um on a hawaiian note somebody call him

642

00:22:41,870 --> 00:22:38,400

lin manuel and pitch him a musical based

643

00:22:44,149 --> 00:22:41,880

on the life of of duke

644

00:22:46,310 --> 00:22:44,159

kahanamoku i'm still trying to get used

645

00:22:48,149 --> 00:22:46,320

to how to say hawaii names and

646

00:22:49,510 --> 00:22:48,159

my beautiful wonderful partner is

647

00:22:51,270 --> 00:22:49,520

teaching me every day

648

00:22:53,510 --> 00:22:51,280

um so i'm really just starting to get

649

00:22:54,390 --> 00:22:53,520

used to it um and how to pronounce them

650

00:22:57,590 --> 00:22:54,400

properly

651  
00:22:58,310 --> 00:22:57,600  
as the howly i am so um yeah i'm trying

652  
00:23:00,630 --> 00:22:58,320  
man but

653  
00:23:02,070 --> 00:23:00,640  
yeah we got to get lin-manuel on that um

654  
00:23:03,430 --> 00:23:02,080  
you know if he isn't busy doing a

655  
00:23:06,310 --> 00:23:03,440  
million other things

656  
00:23:08,789 --> 00:23:06,320  
taking over the world or biting his lip

657  
00:23:09,110 --> 00:23:08,799  
on instagram if you guys don't know what

658  
00:23:11,029 --> 00:23:09,120  
i'm

659  
00:23:13,590 --> 00:23:11,039  
talking about um he's getting a lot of

660  
00:23:14,789 --> 00:23:13,600  
hate for posting photos of him biting

661  
00:23:18,630 --> 00:23:14,799  
his lip

662  
00:23:21,029 --> 00:23:18,640  
um not even going there whole other

663  
00:23:21,990 --> 00:23:21,039

whole other conversation i don't drink

664

00:23:24,710 --> 00:23:22,000

but i'm tempted by

665

00:23:26,230 --> 00:23:24,720

tennessee fire ooh what was the most

666

00:23:27,110 --> 00:23:26,240

surprising thing about writing this

667

00:23:30,149 --> 00:23:27,120

expanded

668

00:23:32,230 --> 00:23:30,159

edition shannon my publisher asks the

669

00:23:34,149 --> 00:23:32,240

most surprising thing for me chan was

670

00:23:37,270 --> 00:23:34,159

um and for those who don't know shannon

671

00:23:39,270 --> 00:23:37,280

is also the host of into the fray radio

672

00:23:41,510 --> 00:23:39,280

which is where i got my start in the

673

00:23:42,630 --> 00:23:41,520

podcasting world for over 50 episodes of

674

00:23:44,710 --> 00:23:42,640

into the fray

675

00:23:45,830 --> 00:23:44,720

um sporadically i came on to join

676  
00:23:48,549 --> 00:23:45,840  
shannon and

677  
00:23:49,510 --> 00:23:48,559  
sam sheeran uh to co-host the show and

678  
00:23:51,750 --> 00:23:49,520  
it was

679  
00:23:53,350 --> 00:23:51,760  
probably one of the funnest experiences

680  
00:23:55,350 --> 00:23:53,360  
i've ever had in my life

681  
00:23:56,870 --> 00:23:55,360  
and honestly i would not be doing

682  
00:23:57,830 --> 00:23:56,880  
somewhere in the skies if it were not

683  
00:24:01,029 --> 00:23:57,840  
for shannon

684  
00:24:04,070 --> 00:24:01,039  
she taught me everything she is my hero

685  
00:24:05,110 --> 00:24:04,080  
my inspiration an amazing friend and now

686  
00:24:07,669 --> 00:24:05,120  
my publisher

687  
00:24:09,190 --> 00:24:07,679  
so it's just been a crazy crazy ride and

688  
00:24:11,750 --> 00:24:09,200

if you haven't checked out

689

00:24:14,310 --> 00:24:11,760

shannon she is also the host of on the

690

00:24:14,950 --> 00:24:14,320

trail of ufos an amazing documentary

691

00:24:16,870 --> 00:24:14,960

series

692

00:24:18,230 --> 00:24:16,880

which you can find on amazon prime right

693

00:24:21,269 --> 00:24:18,240

now

694

00:24:24,070 --> 00:24:21,279

directed by filmmaker seth breedlove

695

00:24:26,070 --> 00:24:24,080

shannon traveled the entire country

696

00:24:27,110 --> 00:24:26,080

interviewing ufo researchers and

697

00:24:29,830 --> 00:24:27,120

witnesses

698

00:24:30,390 --> 00:24:29,840

and people involved with the ufo topic

699

00:24:31,510 --> 00:24:30,400

and um

700

00:24:33,269 --> 00:24:31,520

it's probably one of the most

701  
00:24:34,470 --> 00:24:33,279  
comprehensive studies of the ufo

702  
00:24:37,190 --> 00:24:34,480  
phenomenon

703  
00:24:38,310 --> 00:24:37,200  
ever put on film and i'm not just saying

704  
00:24:40,549 --> 00:24:38,320  
that because i'm in it

705  
00:24:41,750 --> 00:24:40,559  
um i highly suggest people check that

706  
00:24:43,590 --> 00:24:41,760  
out okay

707  
00:24:45,350 --> 00:24:43,600  
back to shannon's question the most

708  
00:24:46,070 --> 00:24:45,360  
surprising thing about writing the

709  
00:24:49,590 --> 00:24:46,080  
second edition

710  
00:24:50,149 --> 00:24:49,600  
of the book um for me it would have to

711  
00:24:52,950 --> 00:24:50,159  
be shen

712  
00:24:53,510 --> 00:24:52,960  
the um the continued experiences you

713  
00:24:55,190 --> 00:24:53,520

know

714

00:24:57,029 --> 00:24:55,200

a lot of these times we hear stories of

715

00:24:59,750 --> 00:24:57,039

people seeing ufos

716

00:25:00,789 --> 00:24:59,760

or having a close encounter experience

717

00:25:02,630 --> 00:25:00,799

and it's a one-off

718

00:25:04,789 --> 00:25:02,640

you know the news will cover it they'll

719

00:25:07,110 --> 00:25:04,799

say yeah people saw weird stuff

720

00:25:08,630 --> 00:25:07,120

here's so and so talking about it and

721

00:25:11,830 --> 00:25:08,640

then we never hear about it again

722

00:25:13,430 --> 00:25:11,840

what were there other experiences um

723

00:25:15,990 --> 00:25:13,440

did people continue to see things in

724

00:25:17,590 --> 00:25:16,000

that area um this person who claimed in

725

00:25:20,149 --> 00:25:17,600

an abduction experience

726

00:25:21,350 --> 00:25:20,159

are they still being abducted or claimed

727

00:25:23,510 --> 00:25:21,360

to have been abducted

728

00:25:24,710 --> 00:25:23,520

and surprisingly for a lot of the people

729

00:25:26,870 --> 00:25:24,720

in the book uh

730

00:25:28,070 --> 00:25:26,880

yeah there were continued experiences

731

00:25:30,789 --> 00:25:28,080

and i do cover

732

00:25:32,070 --> 00:25:30,799

those continued experiences in the book

733

00:25:35,269 --> 00:25:32,080

so i really

734

00:25:36,950 --> 00:25:35,279

hope people enjoy that um and then some

735

00:25:37,510 --> 00:25:36,960

people didn't ever want to talk about it

736

00:25:39,029 --> 00:25:37,520

again

737

00:25:41,269 --> 00:25:39,039

i reached out to people they were like

738

00:25:43,590 --> 00:25:41,279

no i'm good um don't want to talk about

739

00:25:46,630 --> 00:25:43,600

it anymore and i fully respect that

740

00:25:47,430 --> 00:25:46,640

um for some of these people they want to

741

00:25:49,190 --> 00:25:47,440

tell it once

742

00:25:51,590 --> 00:25:49,200

and that's it move on with your life i

743

00:25:53,269 --> 00:25:51,600

mean look i completely

744

00:25:56,470 --> 00:25:53,279

understand that we all have our own

745

00:25:58,870 --> 00:25:56,480

lives and um you know while i think and

746

00:26:00,549 --> 00:25:58,880

talk and present and speak about ufos

747

00:26:01,909 --> 00:26:00,559

every day of my week in life

748

00:26:04,310 --> 00:26:01,919

um that's not the case for a lot of

749

00:26:06,950 --> 00:26:04,320

people we have bills we have health

750

00:26:07,990 --> 00:26:06,960

we have families we have issues we have

751

00:26:10,630 --> 00:26:08,000

everything else

752

00:26:12,470 --> 00:26:10,640

in life other than these um things we're

753

00:26:14,870 --> 00:26:12,480

seeing in our skies so

754

00:26:16,950 --> 00:26:14,880

um again the fact that some of these

755

00:26:19,029 --> 00:26:16,960

people were willing to even come forward

756

00:26:20,950 --> 00:26:19,039

one time in their lives and tell it in

757

00:26:21,909 --> 00:26:20,960

my book and use their real names that's

758

00:26:24,390 --> 00:26:21,919

incredible

759

00:26:26,070 --> 00:26:24,400

and it ups the legitimacy and the

760

00:26:27,909 --> 00:26:26,080

credibility of the topic

761

00:26:29,110 --> 00:26:27,919

and shows people that it's okay to talk

762

00:26:32,350 --> 00:26:29,120

about this stuff

763

00:26:35,190 --> 00:26:32,360

we live in a world now you know post

764

00:26:36,870 --> 00:26:35,200

2017 where we learned that the pentagon

765

00:26:39,190 --> 00:26:36,880

had a secret ufo program

766

00:26:40,070 --> 00:26:39,200

still do and that a bill is being

767

00:26:42,549 --> 00:26:40,080

enacted

768

00:26:43,510 --> 00:26:42,559

in congress in the next hundred or so

769

00:26:46,549 --> 00:26:43,520

days

770

00:26:47,990 --> 00:26:46,559

about a ufo task force um we're not

771

00:26:50,710 --> 00:26:48,000

messing around anymore

772

00:26:52,470 --> 00:26:50,720

this isn't the days of flying saucers

773

00:26:53,510 --> 00:26:52,480

any longer there are things in our skies

774

00:26:55,909 --> 00:26:53,520

that our government

775

00:26:57,590 --> 00:26:55,919

our military cannot explain and they

776

00:26:58,470 --> 00:26:57,600

want to get to the bottom of it and i'm

777

00:27:00,710 --> 00:26:58,480

all for it

778

00:27:02,470 --> 00:27:00,720

so look we're living in a new world guys

779

00:27:03,990 --> 00:27:02,480

i don't care if you're a skeptic i don't

780

00:27:05,110 --> 00:27:04,000

care if you believe in ufos

781

00:27:07,590 --> 00:27:05,120

i don't care if it's something you've

782

00:27:10,470 --> 00:27:07,600

never thought about uh this topic is

783

00:27:11,190 --> 00:27:10,480

out there and we can't escape it any

784

00:27:13,110 --> 00:27:11,200

longer

785

00:27:14,630 --> 00:27:13,120

so um what those ufos are is a

786

00:27:15,909 --> 00:27:14,640

completely different story but our

787

00:27:18,070 --> 00:27:15,919

government's looking into it

788

00:27:19,029 --> 00:27:18,080

and that's awesome and i support that

789

00:27:22,070 --> 00:27:19,039

100

790

00:27:24,310 --> 00:27:22,080

as long as we get

791

00:27:25,669 --> 00:27:24,320

something some sort of transparency when

792

00:27:28,070 --> 00:27:25,679

it comes to that so

793

00:27:29,510 --> 00:27:28,080

we'll see i keep going really off on

794

00:27:31,190 --> 00:27:29,520

side tangents but um

795

00:27:33,269 --> 00:27:31,200

yeah the most surprising thing to me

796

00:27:37,990 --> 00:27:33,279

shannon was the um ongoing experiences

797

00:27:38,000 --> 00:27:41,190

let's see

798

00:27:44,870 --> 00:27:43,190

what are the challenges for writing an

799

00:27:45,909 --> 00:27:44,880

expanded version of your own book as

800

00:27:48,789 --> 00:27:45,919

opposed to writing

801  
00:27:50,230 --> 00:27:48,799  
the original uh troy honestly the the

802  
00:27:54,710 --> 00:27:50,240  
biggest challenge for me

803  
00:27:56,549 --> 00:27:54,720  
was um being in my own head you know

804  
00:27:58,549 --> 00:27:56,559  
what would make people want to buy a

805  
00:28:00,789 --> 00:27:58,559  
book again and you know i

806  
00:28:02,070 --> 00:28:00,799  
i can't remember the last time i bought

807  
00:28:04,630 --> 00:28:02,080  
a second edition

808  
00:28:06,710 --> 00:28:04,640  
of a book unless it was like in college

809  
00:28:08,950 --> 00:28:06,720  
like a school textbook or something

810  
00:28:09,830 --> 00:28:08,960  
um but for a book like somewhere in the

811  
00:28:13,350 --> 00:28:09,840  
skies

812  
00:28:15,830 --> 00:28:13,360  
um i think it wasn't only possible

813  
00:28:17,350 --> 00:28:15,840

i think it was essential to follow up

814

00:28:19,190 --> 00:28:17,360

with the individuals in the book because

815

00:28:21,590 --> 00:28:19,200

at the end of the day it's about them

816

00:28:23,269 --> 00:28:21,600

um and it always was about them the

817

00:28:25,909 --> 00:28:23,279

people having the experience

818

00:28:26,789 --> 00:28:25,919

yeah the their experience is interesting

819

00:28:29,190 --> 00:28:26,799

and i

820

00:28:31,430 --> 00:28:29,200

enjoyed telling those stories because i

821

00:28:33,750 --> 00:28:31,440

do consider myself a storyteller

822

00:28:35,510 --> 00:28:33,760

i love characters and these people were

823

00:28:38,870 --> 00:28:35,520

quote-unquote characters

824

00:28:40,630 --> 00:28:38,880

for me and um i think

825

00:28:43,110 --> 00:28:40,640

yeah i think that was the biggest

826  
00:28:44,789 --> 00:28:43,120  
challenge was how can i make this worth

827  
00:28:47,510 --> 00:28:44,799  
people's time to read again

828  
00:28:48,950 --> 00:28:47,520  
and again how can i bring these stories

829  
00:28:51,430 --> 00:28:48,960  
um to the public

830  
00:28:52,389 --> 00:28:51,440  
and give each of these individuals a

831  
00:28:56,070 --> 00:28:52,399  
unique voice

832  
00:28:57,510 --> 00:28:56,080  
and um that's not easy you know i i

833  
00:28:59,990 --> 00:28:57,520  
don't ever want people to think i'm

834  
00:29:01,990 --> 00:29:00,000  
exploiting people's stories just to tell

835  
00:29:06,149 --> 00:29:02,000  
in a book that's not the case

836  
00:29:07,990 --> 00:29:06,159  
um i i just saw so many cases that

837  
00:29:09,830 --> 00:29:08,000  
were out there that never got any

838  
00:29:12,310 --> 00:29:09,840

attention you know they weren't in the

839

00:29:13,590 --> 00:29:12,320

mainstream they weren't in the newspaper

840

00:29:15,510 --> 00:29:13,600

they weren't talked about a million

841

00:29:17,750 --> 00:29:15,520

times on television and

842

00:29:19,990 --> 00:29:17,760

some of them are as profound if not more

843

00:29:20,789 --> 00:29:20,000

than some of the crap we do see on

844

00:29:24,149 --> 00:29:20,799

television

845

00:29:25,029 --> 00:29:24,159

so um i want to give people voices um if

846

00:29:28,070 --> 00:29:25,039

i'm given

847

00:29:28,870 --> 00:29:28,080

any sort of platform in this niche ufo

848

00:29:31,269 --> 00:29:28,880

community

849

00:29:32,950 --> 00:29:31,279

or even in the mainstream and being on

850

00:29:35,190 --> 00:29:32,960

television or anything like that

851

00:29:36,230 --> 00:29:35,200

um it's not about being famous it's not

852

00:29:38,389 --> 00:29:36,240

about um

853

00:29:39,750 --> 00:29:38,399

getting attention it's about using the

854

00:29:42,470 --> 00:29:39,760

platform that i

855

00:29:43,909 --> 00:29:42,480

am given that opportunity to get this

856

00:29:45,510 --> 00:29:43,919

topic out there

857

00:29:47,990 --> 00:29:45,520

from the very start of me getting into

858

00:29:48,870 --> 00:29:48,000

ufos it has always been my goal to be an

859

00:29:51,750 --> 00:29:48,880

advocate

860

00:29:52,789 --> 00:29:51,760

of getting people interested in ufos um

861

00:29:55,590 --> 00:29:52,799

not to prove that there's

862

00:29:56,230 --> 00:29:55,600

aliens out there but that this is a

863

00:29:58,470 --> 00:29:56,240

topic

864

00:30:00,870 --> 00:29:58,480

worth talking about you can connect it

865

00:30:01,909 --> 00:30:00,880

to anything science history academics

866

00:30:05,909 --> 00:30:01,919

religion

867

00:30:07,669 --> 00:30:05,919

economics politics anything ufos

868

00:30:09,510 --> 00:30:07,679

they find their way into those and i

869

00:30:11,830 --> 00:30:09,520

find that absolutely fascinating

870

00:30:12,789 --> 00:30:11,840

and look we have people teaching college

871

00:30:15,029 --> 00:30:12,799

courses now

872

00:30:15,909 --> 00:30:15,039

about ufos never in my life did i think

873

00:30:17,510 --> 00:30:15,919

i would see that

874

00:30:19,990 --> 00:30:17,520

and also never in my life did i think i

875

00:30:20,710 --> 00:30:20,000

would see a bill being passed by the

876  
00:30:22,710 --> 00:30:20,720  
senate

877  
00:30:24,789 --> 00:30:22,720  
and the house and the president of the

878  
00:30:26,149 --> 00:30:24,799  
united states about ufos and that's

879  
00:30:28,789 --> 00:30:26,159  
hopefully going to happen

880  
00:30:30,310 --> 00:30:28,799  
very very soon um or even hearing

881  
00:30:32,710 --> 00:30:30,320  
presidents talk about it

882  
00:30:34,470 --> 00:30:32,720  
you know president trump has talked

883  
00:30:37,190 --> 00:30:34,480  
openly about ufos

884  
00:30:37,590 --> 00:30:37,200  
and i mean whatever your political views

885  
00:30:40,149 --> 00:30:37,600  
are

886  
00:30:41,830 --> 00:30:40,159  
um that's a big step obama talked about

887  
00:30:44,789 --> 00:30:41,840  
it clinton talked about it

888  
00:30:45,590 --> 00:30:44,799

and um i think you're gonna see in these

889

00:30:51,029 --> 00:30:45,600

um

890

00:30:52,149 --> 00:30:51,039

the topic of ufos will come up i

891

00:30:54,070 --> 00:30:52,159

guarantee that

892

00:30:55,269 --> 00:30:54,080

i'm calling it right now whoever wants

893

00:30:58,549 --> 00:30:55,279

to make a bet

894

00:30:59,590 --> 00:30:58,559

either trump or biden will talk about

895

00:31:02,149 --> 00:30:59,600

ufos

896

00:31:04,470 --> 00:31:02,159

i guarantee it they have to at this

897

00:31:05,750 --> 00:31:04,480

point um it's an issue and it's out

898

00:31:07,590 --> 00:31:05,760

there in the public

899

00:31:09,110 --> 00:31:07,600

and um i think that's going to be really

900

00:31:09,430 --> 00:31:09,120

interesting to see how they both handle

901  
00:31:11,110 --> 00:31:09,440  
that

902  
00:31:12,870 --> 00:31:11,120  
um you know again no matter what your

903  
00:31:16,549 --> 00:31:12,880  
political views are

904  
00:31:20,149 --> 00:31:18,230  
troy i really went off on a tangent on

905  
00:31:23,750 --> 00:31:20,159  
that one cody what's up man

906  
00:31:25,669 --> 00:31:23,760  
cody is the host of um um

907  
00:31:27,669 --> 00:31:25,679  
remind me cody what the name is the

908  
00:31:28,389 --> 00:31:27,679  
ether right that's the name of the show

909  
00:31:30,389 --> 00:31:28,399  
please

910  
00:31:31,990 --> 00:31:30,399  
tell my listeners about your show

911  
00:31:33,909 --> 00:31:32,000  
amazing amazing show

912  
00:31:35,590 --> 00:31:33,919  
um what's up can't wait to read through

913  
00:31:37,110 --> 00:31:35,600

the expanded edition once i finish

914

00:31:39,029 --> 00:31:37,120

shannon's latest book

915

00:31:40,230 --> 00:31:39,039

yes hold on one sec i don't know if you

916

00:31:42,830 --> 00:31:40,240

can see it right there

917

00:31:44,149 --> 00:31:42,840

is shannon's book beyond the fray

918

00:31:45,750 --> 00:31:44,159

paramalgamation

919

00:31:47,269 --> 00:31:45,760

um if you haven't heard the summer in

920

00:31:48,870 --> 00:31:47,279

the skies interview with shannon she

921

00:31:51,269 --> 00:31:48,880

told some of the

922

00:31:52,470 --> 00:31:51,279

craziest stories i've ever heard in the

923

00:31:55,110 --> 00:31:52,480

interview and also

924

00:31:55,509 --> 00:31:55,120

in that book so please check it out

925

00:31:58,830 --> 00:31:55,519

that's

926

00:32:00,149 --> 00:31:58,840

also available at beyond the fray

927

00:32:01,509 --> 00:32:00,159

publishing

928

00:32:03,750 --> 00:32:01,519

thank you for all your hard work and

929

00:32:06,789 --> 00:32:03,760

dedication to this subject ryan

930

00:32:09,590 --> 00:32:06,799

rylo that is shannon's nickname for me

931

00:32:12,710 --> 00:32:09,600

more to come yes absolutely more to come

932

00:32:17,909 --> 00:32:12,720

thank you for joining us shane

933

00:32:20,549 --> 00:32:17,919

let's see flannel man

934

00:32:21,110 --> 00:32:20,559

now i guess i'm hawaii shirt man hello

935

00:32:23,430 --> 00:32:21,120

huh man

936

00:32:24,630 --> 00:32:23,440

i don't know what's that guy's name

937

00:32:33,029 --> 00:32:24,640

tommy bahama

938

00:32:38,950 --> 00:32:36,549

hello nk cranda is here um nk

939

00:32:40,230 --> 00:32:38,960

crenda is featured in the second edition

940

00:32:42,710 --> 00:32:40,240

of summer in the skies

941

00:32:43,830 --> 00:32:42,720

uh one of the most personal and powerful

942

00:32:46,630 --> 00:32:43,840

sections of the book

943

00:32:47,669 --> 00:32:46,640

um so please check that out it's in the

944

00:32:50,950 --> 00:32:47,679

chapter titled

945

00:32:54,549 --> 00:32:50,960

a phantom war so check out nk

946

00:32:55,190 --> 00:32:54,559

in that um nk is a preserver of ufo

947

00:32:57,590 --> 00:32:55,200

stories

948

00:33:00,710 --> 00:32:57,600

so if any of you have had an experience

949

00:33:03,590 --> 00:33:00,720

on whether it's paranormal or ufos

950

00:33:05,110 --> 00:33:03,600

and you just want someone to record it

951  
00:33:05,830 --> 00:33:05,120  
now that doesn't mean put it out to the

952  
00:33:08,389 --> 00:33:05,840  
public

953  
00:33:08,870 --> 00:33:08,399  
um it can be completely confidential um

954  
00:33:11,110 --> 00:33:08,880  
and k

955  
00:33:12,950 --> 00:33:11,120  
is there to hear you out and to preserve

956  
00:33:15,190 --> 00:33:12,960  
it you know so it's there

957  
00:33:16,710 --> 00:33:15,200  
so we have it if we ever want to you

958  
00:33:17,990 --> 00:33:16,720  
know go back and be like this person had

959  
00:33:19,669 --> 00:33:18,000  
this experience this this

960  
00:33:22,070 --> 00:33:19,679  
it's not getting it out to the public

961  
00:33:23,909 --> 00:33:22,080  
it's just preserving it and um

962  
00:33:25,509 --> 00:33:23,919  
i think that's amazing but we don't hear

963  
00:33:26,389 --> 00:33:25,519

about that and she's really one of the

964

00:33:29,269 --> 00:33:26,399

only people

965

00:33:31,269 --> 00:33:29,279

pioneering that part of ufo research in

966

00:33:33,669 --> 00:33:31,279

preserving stories so um

967

00:33:34,950 --> 00:33:33,679

please check out nkranda you can find

968

00:33:37,029 --> 00:33:34,960

her here on facebook

969

00:33:41,110 --> 00:33:37,039

and i'm sure she'd be willing to um talk

970

00:33:46,789 --> 00:33:43,430

answering questions yes i am joshua ask

971

00:33:53,110 --> 00:33:49,990

yes sir cody the ether check it out guys

972

00:33:55,110 --> 00:33:53,120

on all podcasting apps it's an awesome

973

00:33:57,830 --> 00:33:55,120

awesome show

974

00:33:58,470 --> 00:33:57,840

ryan has that aloha vibe going on thank

975

00:34:01,990 --> 00:33:58,480

you

976  
00:34:04,310 --> 00:34:02,000  
again

977  
00:34:05,750 --> 00:34:04,320  
it's um it's hard for me to do as a city

978  
00:34:07,269 --> 00:34:05,760  
boy but um

979  
00:34:09,750 --> 00:34:07,279  
yeah it's been amazing i've been going

980  
00:34:11,430 --> 00:34:09,760  
on hikes out here and um

981  
00:34:13,510 --> 00:34:11,440  
and risking my life swimming i'm not the

982  
00:34:14,310 --> 00:34:13,520  
greatest swimmer but this tuesday i'm

983  
00:34:17,510 --> 00:34:14,320  
actually going

984  
00:34:19,750 --> 00:34:17,520  
um free diving with some locals here

985  
00:34:21,750 --> 00:34:19,760  
uh i've made some friends at my local

986  
00:34:24,149 --> 00:34:21,760  
coffee place here that i found

987  
00:34:26,149 --> 00:34:24,159  
and um you know they're spear fishers

988  
00:34:27,750 --> 00:34:26,159

they're professional surfers

989

00:34:29,430 --> 00:34:27,760

and now they're gonna get this uh

990

00:34:32,470 --> 00:34:29,440

middle-aged um

991

00:34:34,069 --> 00:34:32,480

not so thin anymore holy going out there

992

00:34:35,430 --> 00:34:34,079

and free diving so they might have to

993

00:34:37,190 --> 00:34:35,440

save my life i don't know

994

00:34:38,950 --> 00:34:37,200

i keep using the word holly because i

995

00:34:39,750 --> 00:34:38,960

think i'm cool that just means white

996

00:34:42,629 --> 00:34:39,760

person

997

00:34:44,230 --> 00:34:42,639

um so if you don't hear from me after

998

00:34:47,510 --> 00:34:44,240

tuesday enjoy the book

999

00:34:52,550 --> 00:34:47,520

um and um i guess it'll be a memorial at

1000

00:34:59,750 --> 00:34:57,589

oh that's good um let me see

1001  
00:35:01,190 --> 00:34:59,760  
you will always be flannel man thank you

1002  
00:35:05,030 --> 00:35:01,200  
troy thank you

1003  
00:35:09,750 --> 00:35:06,950  
cody asks do you ever get annoyed when

1004  
00:35:11,589 --> 00:35:09,760  
people ask if you believe in ufos

1005  
00:35:13,589 --> 00:35:11,599  
they're a fact of life so isn't that

1006  
00:35:15,990 --> 00:35:13,599  
like asking if you believe in the sun

1007  
00:35:16,790 --> 00:35:16,000  
or airplanes do you think belief is the

1008  
00:35:18,710 --> 00:35:16,800  
wrong word

1009  
00:35:20,550 --> 00:35:18,720  
yeah i do cody that's a really good

1010  
00:35:21,510 --> 00:35:20,560  
point in fact the new york times came

1011  
00:35:24,390 --> 00:35:21,520  
out with an article

1012  
00:35:25,109 --> 00:35:24,400  
two days ago i want to say about um

1013  
00:35:27,190 --> 00:35:25,119

belief

1014

00:35:28,470 --> 00:35:27,200

you know do journalists believe in the

1015

00:35:30,870 --> 00:35:28,480

things they're talking about

1016

00:35:32,550 --> 00:35:30,880

when reporting on ufos and um the

1017

00:35:34,950 --> 00:35:32,560

journalist has the same answer as me

1018

00:35:37,190 --> 00:35:34,960

it doesn't matter i absolutely my

1019

00:35:39,430 --> 00:35:37,200

beliefs are completely disconnected

1020

00:35:40,310 --> 00:35:39,440

from the work i do in the ufo field

1021

00:35:43,829 --> 00:35:40,320

again

1022

00:35:45,349 --> 00:35:43,839

i have no right to judge or um to

1023

00:35:46,950 --> 00:35:45,359

tell someone they're right or wrong when

1024

00:35:49,910 --> 00:35:46,960

it comes to such a

1025

00:35:50,950 --> 00:35:49,920

phenomenal phenomenon and unexplained

1026

00:35:54,230 --> 00:35:50,960

phenomenon

1027

00:35:58,870 --> 00:35:54,240

so um yeah i think we are far past

1028

00:36:01,990 --> 00:35:58,880

uh belief ufos are a fact and

1029

00:36:04,870 --> 00:36:02,000

our government has admitted that ufos

1030

00:36:05,349 --> 00:36:04,880

exist uh there's no longer a debate on

1031

00:36:06,790 --> 00:36:05,359

that

1032

00:36:09,190 --> 00:36:06,800

and there probably never was to be

1033

00:36:11,109 --> 00:36:09,200

completely honest but our government

1034

00:36:13,990 --> 00:36:11,119

here in america which a lot of people

1035

00:36:14,630 --> 00:36:14,000

base everything on which is ridiculous

1036

00:36:16,870 --> 00:36:14,640

um

1037

00:36:18,150 --> 00:36:16,880

has admitted that ufos exist and we're

1038

00:36:19,349 --> 00:36:18,160

one of the last countries and

1039

00:36:21,109 --> 00:36:19,359

governments to do that

1040

00:36:22,470 --> 00:36:21,119

other countries have admitted this for

1041

00:36:25,190 --> 00:36:22,480

years and years

1042

00:36:26,870 --> 00:36:25,200

and it's pretty simple look a ufo is

1043

00:36:29,510 --> 00:36:26,880

anything we can't explain

1044

00:36:30,470 --> 00:36:29,520

in our sky or in our water completely

1045

00:36:34,310 --> 00:36:30,480

different story

1046

00:36:36,390 --> 00:36:34,320

um but um it took us this long to

1047

00:36:37,829 --> 00:36:36,400

acknowledge it now the question is what

1048

00:36:40,069 --> 00:36:37,839

are they who are they

1049

00:36:41,589 --> 00:36:40,079

what do they want and why are they here

1050

00:36:44,390 --> 00:36:41,599

so that's the

1051  
00:36:45,829 --> 00:36:44,400  
existential part of all of it is solving

1052  
00:36:48,390 --> 00:36:45,839  
those next questions

1053  
00:36:50,150 --> 00:36:48,400  
but we have tackled the biggest one and

1054  
00:36:52,390 --> 00:36:50,160  
that's acceptance

1055  
00:36:53,829 --> 00:36:52,400  
just like anything else in life except

1056  
00:36:56,230 --> 00:36:53,839  
acceptance is the first step

1057  
00:36:57,670 --> 00:36:56,240  
and and i think we're there i think

1058  
00:37:01,190 --> 00:36:57,680  
humanity is there

1059  
00:37:04,630 --> 00:37:01,200  
um ufos exist guys there's no question

1060  
00:37:06,870 --> 00:37:04,640  
anymore um there's no debate so um

1061  
00:37:08,230 --> 00:37:06,880  
let's just face that fact and then go

1062  
00:37:09,750 --> 00:37:08,240  
from there and um

1063  
00:37:11,990 --> 00:37:09,760

that's when it gets fun and that's when

1064

00:37:13,829 --> 00:37:12,000

it gets really weird so yeah i'm looking

1065

00:37:14,390 --> 00:37:13,839

forward to that hey it's 20 20 anything

1066

00:37:18,069 --> 00:37:14,400

can happen

1067

00:37:21,109 --> 00:37:18,079

right honored to be a part of it keep

1068

00:37:24,710 --> 00:37:21,119

going thank you nk

1069

00:37:26,069 --> 00:37:24,720

um louise says hello i just got here

1070

00:37:27,990 --> 00:37:26,079

hope i didn't miss too much

1071

00:37:29,670 --> 00:37:28,000

hey this will be available to um to

1072

00:37:30,710 --> 00:37:29,680

watch after as well louise so if you

1073

00:37:32,230 --> 00:37:30,720

missed anything

1074

00:37:34,230 --> 00:37:32,240

um you can stay right here on my

1075

00:37:36,150 --> 00:37:34,240

facebook and watch the replay

1076

00:37:38,150 --> 00:37:36,160

um i'm also to throw it up on the ryan

1077

00:37:40,150 --> 00:37:38,160

sprague youtube channel

1078

00:37:41,670 --> 00:37:40,160

so um if you go to youtube and type in

1079

00:37:43,990 --> 00:37:41,680

ryan sprague hopefully i'll have it

1080

00:37:46,150 --> 00:37:44,000

uploaded sometime tonight or tomorrow

1081

00:37:47,349 --> 00:37:46,160

um you can watch that whole thing i do a

1082

00:37:49,589 --> 00:37:47,359

video series as well

1083

00:37:51,750 --> 00:37:49,599

over on my youtube channel called case

1084

00:37:53,510 --> 00:37:51,760

files which are my favorite ufo cases

1085

00:37:54,710 --> 00:37:53,520

and i kind of recap them in less than

1086

00:37:57,990 --> 00:37:54,720

like 10 minutes

1087

00:37:58,550 --> 00:37:58,000

um to video and archival footage and

1088

00:38:00,710 --> 00:37:58,560

photos

1089

00:38:01,990 --> 00:38:00,720

it's super fun and i love doing them and

1090

00:38:06,550 --> 00:38:02,000

they're fun

1091

00:38:09,030 --> 00:38:06,560

find fun enjoyable

1092

00:38:10,710 --> 00:38:09,040

um yeah so check those out i'm in a

1093

00:38:12,790 --> 00:38:10,720

really weird mood guys i'm in a really

1094

00:38:15,349 --> 00:38:12,800

weird mood

1095

00:38:16,710 --> 00:38:15,359

have you been on vacation there ryan um

1096

00:38:19,030 --> 00:38:16,720

yes i guess you could call this a

1097

00:38:20,150 --> 00:38:19,040

vacation luis um i am doing a lot of

1098

00:38:23,109 --> 00:38:20,160

work while i'm here

1099

00:38:24,790 --> 00:38:23,119

um helping with properties that um my

1100

00:38:28,069 --> 00:38:24,800

partner's parents own

1101

00:38:30,950 --> 00:38:28,079

um since we're kind of um you know

1102

00:38:31,589 --> 00:38:30,960

squatting uh you know in their territory

1103

00:38:33,750 --> 00:38:31,599

right now

1104

00:38:35,190 --> 00:38:33,760

anything i can do to help is um is

1105

00:38:35,910 --> 00:38:35,200

amazing and it makes me actually feel

1106

00:38:38,150 --> 00:38:35,920

like i'm

1107

00:38:39,750 --> 00:38:38,160

doing something i am unemployed right

1108

00:38:42,950 --> 00:38:39,760

now and um

1109

00:38:45,670 --> 00:38:42,960

welcome to a lot of the world and um

1110

00:38:46,069 --> 00:38:45,680

if i can do anything to feel productive

1111

00:38:54,069 --> 00:38:46,079

i

1112

00:38:55,510 --> 00:38:54,079

local paranormal groups and ghost

1113

00:38:58,950 --> 00:38:55,520

hunting tours

1114

00:39:01,030 --> 00:38:58,960

and um i'm also writing a new book

1115

00:39:02,630 --> 00:39:01,040

by beyond the freight publishing so

1116

00:39:03,510 --> 00:39:02,640

hopefully i'll have at least the first

1117

00:39:06,310 --> 00:39:03,520

draft done

1118

00:39:07,349 --> 00:39:06,320

by the time i leave hawaii but um look

1119

00:39:09,190 --> 00:39:07,359

um

1120

00:39:11,670 --> 00:39:09,200

my job in new york is not coming back

1121

00:39:12,630 --> 00:39:11,680

anytime soon so i'm kind of just taking

1122

00:39:14,230 --> 00:39:12,640

it day by day

1123

00:39:16,150 --> 00:39:14,240

but in the meantime making the most of

1124

00:39:18,390 --> 00:39:16,160

it cranking out podcasts

1125

00:39:19,270 --> 00:39:18,400

working on writing and um it's been

1126

00:39:22,870 --> 00:39:19,280

amazing

1127

00:39:24,790 --> 00:39:22,880

and um you know i i know a lot of people

1128

00:39:26,310 --> 00:39:24,800

probably think wow hawaii like you've

1129

00:39:29,510 --> 00:39:26,320

got it so hard and

1130

00:39:31,910 --> 00:39:29,520

i can't argue that it's an amazing place

1131

00:39:33,190 --> 00:39:31,920

um that i feel very fortunate to be here

1132

00:39:35,349 --> 00:39:33,200

but honestly

1133

00:39:36,470 --> 00:39:35,359

in and i mean this sincerely i would

1134

00:39:39,589 --> 00:39:36,480

rather be working

1135

00:39:43,030 --> 00:39:39,599

i love my job i love my city

1136

00:39:44,230 --> 00:39:43,040

and i love what i do so um i hope hope

1137

00:39:47,750 --> 00:39:44,240

hope and pray

1138

00:39:49,990 --> 00:39:47,760

that this um this virus

1139

00:39:52,069 --> 00:39:50,000

gets better for everyone's sake

1140

00:39:54,150 --> 00:39:52,079

especially the immune compromise

1141

00:39:55,109 --> 00:39:54,160

i can't even imagine how scary of a time

1142

00:39:57,430 --> 00:39:55,119

this must be

1143

00:39:58,230 --> 00:39:57,440

for those individuals out there and

1144

00:40:01,589 --> 00:39:58,240

again

1145

00:40:05,109 --> 00:40:01,599

politics aside um personal views

1146

00:40:07,910 --> 00:40:05,119

aside um please just please

1147

00:40:08,870 --> 00:40:07,920

be considerate to those around you uh

1148

00:40:11,990 --> 00:40:08,880

wear a mask

1149

00:40:14,150 --> 00:40:12,000

when you can don't make dumb choices and

1150

00:40:16,470 --> 00:40:14,160

do it for those around you

1151  
00:40:17,190 --> 00:40:16,480  
um again i hate wearing a mask just like

1152  
00:40:19,910 --> 00:40:17,200  
everyone else

1153  
00:40:20,230 --> 00:40:19,920  
it sucks trust me but um it's not about

1154  
00:40:23,990 --> 00:40:20,240  
me

1155  
00:40:26,950 --> 00:40:24,000  
those who could die literally die

1156  
00:40:27,510 --> 00:40:26,960  
within minutes from this so um please do

1157  
00:40:31,109 --> 00:40:27,520  
it for them

1158  
00:40:33,670 --> 00:40:31,119  
please please please um

1159  
00:40:34,390 --> 00:40:33,680  
other than that yes i'm on vacation wow

1160  
00:40:36,829 --> 00:40:34,400  
i really

1161  
00:40:39,990 --> 00:40:36,839  
have a way of spinning things uh i

1162  
00:40:40,000 --> 00:40:43,589  
uh let's see

1163  
00:40:51,190 --> 00:40:46,630

honolulu paper leads with headline ufo

1164

00:40:56,710 --> 00:40:54,710

oh my god nick that was amazing um

1165

00:40:58,550 --> 00:40:56,720

if anyone could make a meme of that

1166

00:41:00,870 --> 00:40:58,560

please do i would be

1167

00:41:02,950 --> 00:41:00,880

forever grateful for that and i'm gonna

1168

00:41:05,829 --> 00:41:02,960

give it to the guys i'm going um

1169

00:41:06,390 --> 00:41:05,839

free diving with they will love that um

1170

00:41:08,790 --> 00:41:06,400

hello

1171

00:41:10,550 --> 00:41:08,800

fellow saucer head ryan i ordered your

1172

00:41:11,430 --> 00:41:10,560

book thank you luis thank you thank you

1173

00:41:13,190 --> 00:41:11,440

thank you

1174

00:41:15,030 --> 00:41:13,200

um should receive in a couple days tell

1175

00:41:17,349 --> 00:41:15,040

me what you think louise tell me

1176

00:41:19,270 --> 00:41:17,359

um please i forgot to mention i'm not

1177

00:41:21,990 --> 00:41:19,280

doing my job as a businessman

1178

00:41:22,630 --> 00:41:22,000

um if you get the book please go to

1179

00:41:24,870 --> 00:41:22,640

amazon

1180

00:41:26,790 --> 00:41:24,880

and rate and review the book it's

1181

00:41:29,910 --> 00:41:26,800

vitally vitally important

1182

00:41:32,630 --> 00:41:29,920

um and we have a ton of

1183

00:41:33,430 --> 00:41:32,640

positive reviews already over there and

1184

00:41:36,230 --> 00:41:33,440

i could not be

1185

00:41:37,750 --> 00:41:36,240

more thankful and excited about that um

1186

00:41:39,829 --> 00:41:37,760

and like i mentioned earlier

1187

00:41:41,270 --> 00:41:39,839

um i think you know within hours of the

1188

00:41:44,150 --> 00:41:41,280

book coming out we had four

1189

00:41:45,109 --> 00:41:44,160

number one lists which i have no idea

1190

00:41:47,349 --> 00:41:45,119

how that happened

1191

00:41:48,309 --> 00:41:47,359

um but it happened so thank you thank

1192

00:41:51,190 --> 00:41:48,319

you to everyone

1193

00:41:53,030 --> 00:41:51,200

especially i i wasn't hyping this book

1194

00:41:55,829 --> 00:41:53,040

or even promoting it beforehand

1195

00:41:57,430 --> 00:41:55,839

so that is stunning to me and um it just

1196

00:41:58,710 --> 00:41:57,440

goes to show that i have a very strong

1197

00:42:01,430 --> 00:41:58,720

support system

1198

00:42:02,710 --> 00:42:01,440

and um that means the absolute world to

1199

00:42:04,790 --> 00:42:02,720

me to everyone out there

1200

00:42:05,990 --> 00:42:04,800

who's watching this or who listens to

1201  
00:42:07,750 --> 00:42:06,000  
the podcast or

1202  
00:42:09,990 --> 00:42:07,760  
follows my work so thank you thank you

1203  
00:42:11,750 --> 00:42:10,000  
thank you

1204  
00:42:14,390 --> 00:42:11,760  
um shannon says would your sighting have

1205  
00:42:17,990 --> 00:42:14,400  
been different if it was the classic

1206  
00:42:22,710 --> 00:42:19,270  
that's a really good question i don't

1207  
00:42:24,790 --> 00:42:22,720  
know shannon i don't i don't have a um

1208  
00:42:26,069 --> 00:42:24,800  
an answer for that i it would definitely

1209  
00:42:29,510 --> 00:42:26,079  
be different

1210  
00:42:32,870 --> 00:42:29,520  
um but i can't pretend to um

1211  
00:42:34,309 --> 00:42:32,880  
to really know i saw what i saw which

1212  
00:42:37,030 --> 00:42:34,319  
was a formation of

1213  
00:42:38,230 --> 00:42:37,040

lights in a triangular formation uh when

1214

00:42:41,109 --> 00:42:38,240

i was 12 years old

1215

00:42:41,910 --> 00:42:41,119

and i didn't see like a structure or

1216

00:42:44,470 --> 00:42:41,920

machinery

1217

00:42:46,470 --> 00:42:44,480

it was just lights in the sky in that

1218

00:42:49,349 --> 00:42:46,480

perfect triangular formation

1219

00:42:50,150 --> 00:42:49,359

and it hovered stationary over a body of

1220

00:42:52,150 --> 00:42:50,160

water

1221

00:42:53,430 --> 00:42:52,160

and then disappeared and my dad saw it

1222

00:42:55,589 --> 00:42:53,440

and um

1223

00:42:57,030 --> 00:42:55,599

uh it said it was probably a plane and

1224

00:42:59,190 --> 00:42:57,040

maybe it was i don't know

1225

00:43:00,630 --> 00:42:59,200

but it definitely led me on the path

1226

00:43:04,150 --> 00:43:00,640

where i am today

1227

00:43:05,750 --> 00:43:04,160

and um it was interesting maybe if it

1228

00:43:06,470 --> 00:43:05,760

was saucer shaped i would have thought

1229

00:43:08,550 --> 00:43:06,480

differently

1230

00:43:09,910 --> 00:43:08,560

um not that i think about it because

1231

00:43:12,630 --> 00:43:09,920

that clearly

1232

00:43:14,309 --> 00:43:12,640

was not a plane um it could have been a

1233

00:43:17,990 --> 00:43:14,319

blimp it could have been

1234

00:43:19,750 --> 00:43:18,000

something but it definitely wasn't um

1235

00:43:21,030 --> 00:43:19,760

it wasn't a plane if it was saucer

1236

00:43:23,109 --> 00:43:21,040

shaped

1237

00:43:24,390 --> 00:43:23,119

you know with my limited aviation

1238

00:43:25,510 --> 00:43:24,400

knowledge so yeah

1239

00:43:27,430 --> 00:43:25,520

probably it would have been a little

1240

00:43:29,510 --> 00:43:27,440

different now that you mention it

1241

00:43:31,430 --> 00:43:29,520

um but no matter what it led me on the

1242

00:43:32,309 --> 00:43:31,440

path that i am today and i would not

1243

00:43:37,990 --> 00:43:32,319

change

1244

00:43:41,510 --> 00:43:39,829

russ asks you may have already said but

1245

00:43:42,790 --> 00:43:41,520

where can one purchase a hard copy of

1246

00:43:45,750 --> 00:43:42,800

the book funk kindle

1247

00:43:46,390 --> 00:43:45,760

uh russ if you go on the amazon page um

1248

00:43:48,870 --> 00:43:46,400

i believe

1249

00:43:49,750 --> 00:43:48,880

it gives you two tabs that says either

1250

00:43:52,710 --> 00:43:49,760

kindle or

1251

00:43:54,470 --> 00:43:52,720

paperback um there's no hardback but you

1252

00:43:55,109 --> 00:43:54,480

should be able to click on paperback to

1253

00:43:58,230 --> 00:43:55,119

get it

1254

00:44:01,349 --> 00:43:58,240

um so just do that on amazon or um

1255

00:44:03,270 --> 00:44:01,359

on barnesandnoble.com their website

1256

00:44:05,510 --> 00:44:03,280

the book is only available in paperback

1257

00:44:07,750 --> 00:44:05,520

so if you're you know if there's any

1258

00:44:09,750 --> 00:44:07,760

confusion or issues um you can order it

1259

00:44:10,710 --> 00:44:09,760

from barnes and noble and it'll just be

1260

00:44:12,069 --> 00:44:10,720

the paperback

1261

00:44:14,870 --> 00:44:12,079

it doesn't matter if you order from

1262

00:44:16,230 --> 00:44:14,880

barnes noble or amazon either is fine

1263

00:44:21,030 --> 00:44:16,240

but yeah there should be a tab for

1264

00:44:25,270 --> 00:44:23,190

john asks separate from the abduction

1265

00:44:27,030 --> 00:44:25,280

aspects have you spoken to people about

1266

00:44:29,109 --> 00:44:27,040

psychic connections with

1267

00:44:30,870 --> 00:44:29,119

extraterrestrials or their belief

1268

00:44:32,030 --> 00:44:30,880

i use the word belief in this of their

1269

00:44:33,990 --> 00:44:32,040

psychic connection with

1270

00:44:35,910 --> 00:44:34,000

extraterrestrials

1271

00:44:37,349 --> 00:44:35,920

yeah john i mean even in the book i

1272

00:44:40,150 --> 00:44:37,359

think i um

1273

00:44:40,790 --> 00:44:40,160

cover several abduction scenarios where

1274

00:44:43,349 --> 00:44:40,800

people

1275

00:44:45,349 --> 00:44:43,359

have said that they either had psychic

1276

00:44:48,870 --> 00:44:45,359

abilities after their abduction

1277

00:44:52,309 --> 00:44:48,880

or there were signs of telekinesis or

1278

00:44:54,309 --> 00:44:52,319

um precognition happening where either

1279

00:44:55,750 --> 00:44:54,319

after their event they begin to be

1280

00:44:58,150 --> 00:44:55,760

extremely intuitive

1281

00:44:59,030 --> 00:44:58,160

or even claimed to have predicted the

1282

00:45:01,910 --> 00:44:59,040

future

1283

00:45:02,550 --> 00:45:01,920

or had telekinetic conversations with

1284

00:45:05,589 --> 00:45:02,560

these

1285

00:45:08,309 --> 00:45:05,599

extraterrestrial beings so that is

1286

00:45:09,750 --> 00:45:08,319

a pretty strong and consistent narrative

1287

00:45:12,470 --> 00:45:09,760

in the abduction

1288

00:45:13,349 --> 00:45:12,480

phenomenon is telekinesis with these

1289

00:45:16,790 --> 00:45:13,359

beings

1290

00:45:17,430 --> 00:45:16,800

um so yeah man i don't know what to make

1291

00:45:20,470 --> 00:45:17,440

of that but

1292

00:45:22,710 --> 00:45:20,480

um yeah i have come across that a lot i

1293

00:45:25,589 --> 00:45:22,720

do believe there is some sort of psychic

1294

00:45:26,470 --> 00:45:25,599

connection between us and whatever is

1295

00:45:28,870 --> 00:45:26,480

out there

1296

00:45:30,470 --> 00:45:28,880

um i mean look at it this way if if

1297

00:45:33,190 --> 00:45:30,480

we're not communicating with

1298

00:45:35,349 --> 00:45:33,200

a non-human intelligence the way we do

1299

00:45:38,550 --> 00:45:35,359

with other humans whether it's through

1300

00:45:41,589 --> 00:45:38,560

hand motions or speaking or

1301  
00:45:42,950 --> 00:45:41,599  
singing or whatever it may be maybe our

1302  
00:45:45,750 --> 00:45:42,960  
way of communicating with them

1303  
00:45:46,870 --> 00:45:45,760  
is on a whole different level and maybe

1304  
00:45:48,309 --> 00:45:46,880  
it is psychic

1305  
00:45:50,309 --> 00:45:48,319  
maybe it has something to do with

1306  
00:45:53,990 --> 00:45:50,319  
consciousness you know this

1307  
00:45:56,470 --> 00:45:54,000  
invisible energy within all of us

1308  
00:45:57,270 --> 00:45:56,480  
the soul for those who may believe in it

1309  
00:46:00,870 --> 00:45:57,280  
spiritually

1310  
00:46:02,309 --> 00:46:00,880  
um maybe this separation of mind and

1311  
00:46:05,829 --> 00:46:02,319  
body whatever

1312  
00:46:08,710 --> 00:46:05,839  
happens after we leave this mortal

1313  
00:46:08,950 --> 00:46:08,720

being shell um if the consciousness goes

1314

00:46:10,790 --> 00:46:08,960

on

1315

00:46:12,950 --> 00:46:10,800

somewhere else does it go to another

1316

00:46:15,990 --> 00:46:12,960

body does it go to another

1317

00:46:17,589 --> 00:46:16,000

world or plane i don't know man but it's

1318

00:46:20,630 --> 00:46:17,599

something that i find

1319

00:46:23,670 --> 00:46:20,640

really interesting um and i tackled it

1320

00:46:25,990 --> 00:46:23,680

full head on with leslie keane

1321

00:46:26,950 --> 00:46:26,000

who wrote a book all about the afterlife

1322

00:46:33,670 --> 00:46:26,960

and

1323

00:46:35,270 --> 00:46:33,680

archives of somewhere in the skies check

1324

00:46:35,990 --> 00:46:35,280

out that interview it really blew my

1325

00:46:39,030 --> 00:46:36,000

mind

1326  
00:46:39,510 --> 00:46:39,040  
um but yeah man um really interesting

1327  
00:46:44,390 --> 00:46:39,520  
stuff

1328  
00:46:46,230 --> 00:46:44,400  
for sure patrick says watch out for usos

1329  
00:46:49,030 --> 00:46:46,240  
while free diving

1330  
00:46:49,750 --> 00:46:49,040  
don't say that man i'm afraid enough of

1331  
00:46:53,109 --> 00:46:49,760  
sharks

1332  
00:46:56,390 --> 00:46:53,119  
now i gotta worry about ufos underwater

1333  
00:46:58,309 --> 00:46:56,400  
ugh thanks a lot no no

1334  
00:46:59,510 --> 00:46:58,319  
you trust me man i'm gonna be looking

1335  
00:47:02,470 --> 00:46:59,520  
for him while i'm out there

1336  
00:47:03,990 --> 00:47:02,480  
just not too far not too deep is there a

1337  
00:47:07,270 --> 00:47:04,000  
special amazon link you

1338  
00:47:09,430 --> 00:47:07,280

would like us to use um no

1339

00:47:11,589 --> 00:47:09,440

robert i don't believe there's a special

1340

00:47:13,990 --> 00:47:11,599

one um

1341

00:47:15,589 --> 00:47:14,000

if you go down a few posts in my

1342

00:47:17,589 --> 00:47:15,599

personal facebook page here

1343

00:47:19,109 --> 00:47:17,599

you'll see direct links to the book

1344

00:47:21,190 --> 00:47:19,119

definitely click on one of those

1345

00:47:22,309 --> 00:47:21,200

or if you just go to amazon and type in

1346

00:47:25,109 --> 00:47:22,319

somewhere in the skies

1347

00:47:26,710 --> 00:47:25,119

it should show up uh for sure the first

1348

00:47:28,150 --> 00:47:26,720

edition of the book is no longer

1349

00:47:30,630 --> 00:47:28,160

available to buy

1350

00:47:31,510 --> 00:47:30,640

um so if there are copies of the first

1351  
00:47:34,309 --> 00:47:31,520  
edition

1352  
00:47:34,870 --> 00:47:34,319  
on amazon they are through a third party

1353  
00:47:36,470 --> 00:47:34,880  
and they are

1354  
00:47:38,069 --> 00:47:36,480  
used and i've been told they're

1355  
00:47:39,750 --> 00:47:38,079  
extremely ridiculously

1356  
00:47:41,910 --> 00:47:39,760  
expensive the last time i checked one of

1357  
00:47:44,710 --> 00:47:41,920  
them was like 70

1358  
00:47:45,910 --> 00:47:44,720  
or something even as the writer i don't

1359  
00:47:47,030 --> 00:47:45,920  
think anyone should be spending that

1360  
00:47:49,670 --> 00:47:47,040  
money on my book

1361  
00:47:50,549 --> 00:47:49,680  
so um definitely get the new edition uh

1362  
00:47:54,870 --> 00:47:50,559  
it's

1363  
00:47:56,230 --> 00:47:54,880

really really wanted from the beginning

1364

00:47:59,030 --> 00:47:56,240

not to take anything away

1365

00:48:00,870 --> 00:47:59,040

from the first edition it uh again it

1366

00:48:03,349 --> 00:48:00,880

will always hold a very special place

1367

00:48:04,710 --> 00:48:03,359

in my heart it was my first book with an

1368

00:48:06,309 --> 00:48:04,720

amazing publisher

1369

00:48:08,069 --> 00:48:06,319

richard dolan and i can't thank him

1370

00:48:10,710 --> 00:48:08,079

enough for taking a chance on me

1371

00:48:11,190 --> 00:48:10,720

but um i'm so happy to be working with

1372

00:48:13,589 --> 00:48:11,200

um

1373

00:48:14,470 --> 00:48:13,599

the beyond the fray people on my

1374

00:48:17,510 --> 00:48:14,480

upcoming books

1375

00:48:19,190 --> 00:48:17,520

they've just been the most incredible

1376

00:48:22,309 --> 00:48:19,200

people through all of this

1377

00:48:24,950 --> 00:48:22,319

the cover is stunning i was so satisfied

1378

00:48:25,750 --> 00:48:24,960

with the layout and um the entire

1379

00:48:28,069 --> 00:48:25,760

process

1380

00:48:29,670 --> 00:48:28,079

of working with them they really really

1381

00:48:32,390 --> 00:48:29,680

put their writers first

1382

00:48:34,549 --> 00:48:32,400

and um look that's not very common in

1383

00:48:37,270 --> 00:48:34,559

the publishing world especially nowadays

1384

00:48:38,230 --> 00:48:37,280

so um yeah if there are any writers out

1385

00:48:39,910 --> 00:48:38,240

there who

1386

00:48:41,349 --> 00:48:39,920

like to talk about the paranormal or

1387

00:48:42,950 --> 00:48:41,359

ufos um

1388

00:48:44,150 --> 00:48:42,960

you can submit your work to beyond the

1389

00:48:45,270 --> 00:48:44,160

freight publishing and they will

1390

00:48:48,589 --> 00:48:45,280

consider it so

1391

00:48:49,990 --> 00:48:48,599

go to their website be on beyond

1392

00:48:51,589 --> 00:48:50,000

thefreypublishing.com

1393

00:48:54,069 --> 00:48:51,599

and um there should be a submit button

1394

00:48:55,349 --> 00:48:54,079

there and um start a conversation with

1395

00:49:00,150 --> 00:48:55,359

them they're always looking for new

1396

00:49:04,710 --> 00:49:04,309

let's see cody asks do you think green

1397

00:49:06,230 --> 00:49:04,720

day

1398

00:49:07,910 --> 00:49:06,240

in the headphones may have summoned the

1399

00:49:10,710 --> 00:49:07,920

ufo wow

1400

00:49:12,390 --> 00:49:10,720

cody's really digging deep um yeah so

1401  
00:49:13,910 --> 00:49:12,400  
for those of you who don't know when i

1402  
00:49:17,030 --> 00:49:13,920  
had my ufo experience

1403  
00:49:18,470 --> 00:49:17,040  
i was 12 years old it was 1995 um and i

1404  
00:49:20,710 --> 00:49:18,480  
was fishing off a dock

1405  
00:49:22,470 --> 00:49:20,720  
um off the st lawrence river and i had

1406  
00:49:23,270 --> 00:49:22,480  
my discman in and i was listening to

1407  
00:49:27,349 --> 00:49:23,280  
green day

1408  
00:49:29,270 --> 00:49:27,359  
always have always will be

1409  
00:49:30,549 --> 00:49:29,280  
in fact i was blasting american idiot

1410  
00:49:33,030 --> 00:49:30,559  
today um

1411  
00:49:33,670 --> 00:49:33,040  
going down the highway which was awesome

1412  
00:49:44,549 --> 00:49:33,680  
um

1413  
00:49:45,990 --> 00:49:44,559

then i'm gonna keep blasting american

1414

00:49:47,829 --> 00:49:46,000

idiot hopefully um

1415

00:49:50,710 --> 00:49:47,839

i'll have another experience experience

1416

00:49:54,309 --> 00:49:52,549

did you guys know they made a musical a

1417

00:49:57,430 --> 00:49:54,319

broadway musical about green day

1418

00:49:59,030 --> 00:49:57,440

american idiot i think um you can watch

1419

00:50:00,710 --> 00:49:59,040

it on netflix

1420

00:50:04,309 --> 00:50:00,720

it's actually really good check it out

1421

00:50:08,390 --> 00:50:06,870

troy asks ryan when after you had your

1422

00:50:09,430 --> 00:50:08,400

sighting did your brain constantly tell

1423

00:50:11,109 --> 00:50:09,440

you a script of

1424

00:50:13,270 --> 00:50:11,119

that was no big deal and you don't need

1425

00:50:15,190 --> 00:50:13,280

to think about it i have had that in

1426

00:50:17,670 --> 00:50:15,200

others and i've had i've heard

1427

00:50:19,510 --> 00:50:17,680

similar people say that as well um i

1428

00:50:21,190 --> 00:50:19,520

don't think i ever really had that

1429

00:50:22,870 --> 00:50:21,200

of this wasn't a big deal i was

1430

00:50:25,750 --> 00:50:22,880

terrified when it happened

1431

00:50:26,710 --> 00:50:25,760

like my father can attest i was white as

1432

00:50:29,430 --> 00:50:26,720

a ghost

1433

00:50:30,390 --> 00:50:29,440

and um we were on vacation and i

1434

00:50:33,030 --> 00:50:30,400

couldn't sleep

1435

00:50:34,549 --> 00:50:33,040

for nights after that um i remember just

1436

00:50:37,109 --> 00:50:34,559

tossing and turning

1437

00:50:37,910 --> 00:50:37,119

in our motel that we were staying at and

1438

00:50:41,270 --> 00:50:37,920

um

1439

00:50:43,750 --> 00:50:41,280

it was tough man like i was very quiet

1440

00:50:44,390 --> 00:50:43,760

i was constantly looking up in the sky

1441

00:50:47,190 --> 00:50:44,400

and i was

1442

00:50:48,390 --> 00:50:47,200

really scared and um for years after i

1443

00:50:50,950 --> 00:50:48,400

had nightmares about it

1444

00:50:52,950 --> 00:50:50,960

so it never really left me and um you

1445

00:50:55,589 --> 00:50:52,960

know yeah i did push it away

1446

00:50:56,870 --> 00:50:55,599

and deny it later in life because um you

1447

00:50:59,910 --> 00:50:56,880

know life goes on

1448

00:51:01,510 --> 00:50:59,920

life happens and i flat out denied the

1449

00:51:02,870 --> 00:51:01,520

experience people would ask me if i had

1450

00:51:04,309 --> 00:51:02,880

a ufo experience

1451  
00:51:06,549 --> 00:51:04,319  
um you know because they knew i was

1452  
00:51:09,270 --> 00:51:06,559  
interested in it and i would say no

1453  
00:51:10,470 --> 00:51:09,280  
and i feel horrible about that now um

1454  
00:51:13,910 --> 00:51:10,480  
that i

1455  
00:51:17,589 --> 00:51:13,920  
rejected it for a large portion of my

1456  
00:51:19,910 --> 00:51:17,599  
um young adult life and when i started

1457  
00:51:21,750 --> 00:51:19,920  
really getting into it and researching

1458  
00:51:24,710 --> 00:51:21,760  
and started writing the book

1459  
00:51:25,829 --> 00:51:24,720  
i knew i had to like i had to i had to

1460  
00:51:29,430 --> 00:51:25,839  
show people that

1461  
00:51:32,630 --> 00:51:29,440  
um i this happened to me too and um

1462  
00:51:33,910 --> 00:51:32,640  
look if i can relate to people who've

1463  
00:51:37,109 --> 00:51:33,920

had these experiences

1464

00:51:39,670 --> 00:51:37,119

and again help legitimize it and um

1465

00:51:41,589 --> 00:51:39,680

shed that ridicule factor then i owe it

1466

00:51:43,190 --> 00:51:41,599

to those people to tell my story

1467

00:51:44,950 --> 00:51:43,200

so that's why i did it that's why i came

1468

00:51:48,549 --> 00:51:44,960

forward and um

1469

00:51:49,270 --> 00:51:48,559

i don't regret it one bit i'm extremely

1470

00:51:51,030 --> 00:51:49,280

proud

1471

00:51:52,790 --> 00:51:51,040

of the experience i had because again it

1472

00:51:55,190 --> 00:51:52,800

did lead me on this path

1473

00:51:57,190 --> 00:51:55,200

and um i will shout it from the rooftops

1474

00:52:00,390 --> 00:51:57,200

whenever anyone asks so

1475

00:52:03,670 --> 00:52:00,400

yeah yeah let's see

1476

00:52:05,670 --> 00:52:03,680

what else do i have here is your new

1477

00:52:09,030 --> 00:52:05,680

book on that shelf behind you

1478

00:52:09,829 --> 00:52:09,040

if not why it is not luis um i actually

1479

00:52:12,390 --> 00:52:09,839

don't have

1480

00:52:13,589 --> 00:52:12,400

a copy yet i had to order it off of

1481

00:52:15,510 --> 00:52:13,599

amazon

1482

00:52:17,430 --> 00:52:15,520

just like everyone else um that being

1483

00:52:19,589 --> 00:52:17,440

said my publishers they do

1484

00:52:21,190 --> 00:52:19,599

they're always amazing and they send you

1485

00:52:24,470 --> 00:52:21,200

um a bulk of books

1486

00:52:27,430 --> 00:52:24,480

um but look we we got this thing out

1487

00:52:29,670 --> 00:52:27,440

really quick like and my publisher is

1488

00:52:31,190 --> 00:52:29,680

amazing and they got it out way sooner

1489

00:52:34,150 --> 00:52:31,200

than i anticipated

1490

00:52:34,630 --> 00:52:34,160

and um i'm just along for the ride as

1491

00:52:35,990 --> 00:52:34,640

well

1492

00:52:38,230 --> 00:52:36,000

so i'm probably gonna get at the same

1493

00:52:40,470 --> 00:52:38,240

time as a lot of people so um

1494

00:52:41,349 --> 00:52:40,480

yeah again i'll probably take a picture

1495

00:52:43,030 --> 00:52:41,359

with it and

1496

00:52:45,109 --> 00:52:43,040

you know something like that so yeah

1497

00:52:47,430 --> 00:52:45,119

after you get your books please do that

1498

00:52:49,750 --> 00:52:47,440

send me selfies with your book um it

1499

00:52:53,829 --> 00:52:49,760

just it would it would make me feel

1500

00:52:56,710 --> 00:52:53,839

really um like it was worth it um

1501  
00:53:00,309 --> 00:52:56,720  
and it's just fun just fun new book

1502  
00:53:03,430 --> 00:53:00,319  
order thank you mario thank you brother

1503  
00:53:03,910 --> 00:53:03,440  
hi michael michael um michael tarr is

1504  
00:53:06,790 --> 00:53:03,920  
here

1505  
00:53:09,270 --> 00:53:06,800  
um congratulations brother michael is

1506  
00:53:11,430 --> 00:53:09,280  
one of the coolest guys that i have

1507  
00:53:12,309 --> 00:53:11,440  
um connected with um he's out on the

1508  
00:53:15,109 --> 00:53:12,319  
west coast

1509  
00:53:16,309 --> 00:53:15,119  
and he's a sky watcher he's got awesome

1510  
00:53:18,390 --> 00:53:16,319  
um telescopes

1511  
00:53:19,589 --> 00:53:18,400  
he's out there doing live sky watches

1512  
00:53:23,270 --> 00:53:19,599  
like every night

1513  
00:53:25,910 --> 00:53:23,280

and uh him and his partner recently um

1514

00:53:28,230 --> 00:53:25,920

got in touch with nasa and some other

1515

00:53:30,069 --> 00:53:28,240

amazing astronomy people and they're

1516

00:53:31,990 --> 00:53:30,079

doing some awesome stuff

1517

00:53:33,190 --> 00:53:32,000

i watched your video last night man and

1518

00:53:36,390 --> 00:53:33,200

i could just see

1519

00:53:36,870 --> 00:53:36,400

you beaming and uh smiling from ear to

1520

00:53:40,390 --> 00:53:36,880

ear

1521

00:53:42,390 --> 00:53:40,400

so um amazing work out there um

1522

00:53:43,910 --> 00:53:42,400

michael if you're willing to share any

1523

00:53:45,030 --> 00:53:43,920

links or anything you want please put

1524

00:53:46,470 --> 00:53:45,040

them in the group here

1525

00:53:48,630 --> 00:53:46,480

i'm sure a lot of people would be really

1526

00:53:52,150 --> 00:53:48,640

interested in what you're doing um

1527

00:53:55,510 --> 00:53:52,160

so yeah good evening to you as well sir

1528

00:53:58,069 --> 00:53:55,520

first edition 54. on amazon

1529

00:53:58,790 --> 00:53:58,079

the first edition of my book on amazon

1530

00:54:00,950 --> 00:53:58,800

wow

1531

00:54:03,990 --> 00:54:00,960

nick don't buy it don't do it don't do

1532

00:54:04,000 --> 00:54:07,109

troy thank you man

1533

00:54:12,309 --> 00:54:11,109

all right awesome if anyone else has any

1534

00:54:13,190 --> 00:54:12,319

other questions i've been going for

1535

00:54:15,270 --> 00:54:13,200

almost an hour

1536

00:54:16,470 --> 00:54:15,280

and that's ridiculously long for anyone

1537

00:54:19,510 --> 00:54:16,480

to be watching this

1538

00:54:21,109 --> 00:54:19,520

um go live your lives um don't

1539

00:54:23,990 --> 00:54:21,119

congratulate me yet

1540

00:54:24,950 --> 00:54:24,000

i i won't jinx it brother good luck

1541

00:54:27,190 --> 00:54:24,960

that's all i'll say

1542

00:54:33,990 --> 00:54:27,200

break a leg as we say in the theater

1543

00:54:37,589 --> 00:54:36,470

all right guys i think i'm gonna call it

1544

00:54:38,069 --> 00:54:37,599

looks like we don't have any more

1545

00:54:39,750 --> 00:54:38,079

questions

1546

00:54:41,910 --> 00:54:39,760

i don't want that awkward silence while

1547

00:54:43,990 --> 00:54:41,920

i'm sipping a beer

1548

00:54:45,109 --> 00:54:44,000

new book order thank you nick thank you

1549

00:54:47,109 --> 00:54:45,119

brother i really

1550

00:54:48,470 --> 00:54:47,119

appreciate that um so i guess i'm gonna

1551

00:54:50,390 --> 00:54:48,480

take this time to just

1552

00:54:52,309 --> 00:54:50,400

pitch everything shamelessly one more

1553

00:54:53,750 --> 00:54:52,319

time um

1554

00:54:55,990 --> 00:54:53,760

somewhere in the sky is a human approach

1555

00:54:58,309 --> 00:54:56,000

to the ufo phenomenon the second edition

1556

00:54:59,829 --> 00:54:58,319

of my book is now available on amazon

1557

00:55:02,470 --> 00:54:59,839

and barnes and noble

1558

00:55:05,349 --> 00:55:02,480

um just go search for somewhere in the

1559

00:55:07,430 --> 00:55:05,359

skies i'll post a link here afterwards

1560

00:55:09,510 --> 00:55:07,440

as well please leave your ratings and

1561

00:55:12,950 --> 00:55:09,520

reviews if and when you can

1562

00:55:14,710 --> 00:55:12,960

and um other than that you can listen to

1563

00:55:18,630 --> 00:55:14,720

the summer in the skies podcast

1564

00:55:20,390 --> 00:55:18,640

weekly i've got over 170 something

1565

00:55:23,190 --> 00:55:20,400

episodes now in the archives

1566

00:55:23,589 --> 00:55:23,200

um with a new one coming out this monday

1567

00:55:27,670 --> 00:55:23,599

and

1568

00:55:30,630 --> 00:55:27,680

designed by mike rezzo

1569

00:55:32,150 --> 00:55:30,640

i am blown away by this website oh my

1570

00:55:33,910 --> 00:55:32,160

god this guy designed the website for

1571

00:55:35,990 --> 00:55:33,920

jacques valet who is one of the

1572

00:55:37,430 --> 00:55:36,000

preeminent ufo researchers out there who

1573

00:55:41,589 --> 00:55:37,440

don't know who that is

1574

00:55:42,950 --> 00:55:41,599

um and uh mike reached out to me as a

1575

00:55:45,670 --> 00:55:42,960

listener of the podcast

1576  
00:55:46,870 --> 00:55:45,680  
and um a fan of my work and he said he

1577  
00:55:49,829 --> 00:55:46,880  
wanted to work on

1578  
00:55:51,190 --> 00:55:49,839  
website design and holy hell did he

1579  
00:55:53,910 --> 00:55:51,200  
knock it out of the park

1580  
00:55:55,750 --> 00:55:53,920  
please go visit [someonetheskies.com](http://someonetheskies.com)

1581  
00:55:57,990 --> 00:55:55,760  
right now and check out the new website

1582  
00:55:59,190 --> 00:55:58,000  
it's astounding um i do have a page on

1583  
00:56:00,069 --> 00:55:59,200  
the website as well where you can

1584  
00:56:02,630 --> 00:56:00,079  
directly

1585  
00:56:04,150 --> 00:56:02,640  
order the book um they're not personally

1586  
00:56:05,030 --> 00:56:04,160  
signed or anything they do come from

1587  
00:56:07,349 --> 00:56:05,040  
amazon or

1588  
00:56:08,630 --> 00:56:07,359

barnes and noble but in the near future

1589

00:56:10,789 --> 00:56:08,640

i'm hoping to have

1590

00:56:13,190 --> 00:56:10,799

an opportunity to get a batch of books

1591

00:56:14,870 --> 00:56:13,200

myself that i can sign and send out to

1592

00:56:16,789 --> 00:56:14,880

people and i'll let you know when that

1593

00:56:18,870 --> 00:56:16,799

happens um

1594

00:56:19,990 --> 00:56:18,880

again the fact that anyone would want my

1595

00:56:21,910 --> 00:56:20,000

chicken scratch

1596

00:56:23,030 --> 00:56:21,920

astounds me but thank you thank you for

1597

00:56:25,829 --> 00:56:23,040

your support

1598

00:56:26,390 --> 00:56:25,839

um always with that and um other than

1599

00:56:27,710 --> 00:56:26,400

that

1600

00:56:29,990 --> 00:56:27,720

please visit my work at

1601  
00:56:33,510 --> 00:56:30,000  
summerontheskies.com um you can hit me

1602  
00:56:36,910 --> 00:56:33,520  
up here on facebook i'm on twitter at uh

1603  
00:56:38,230 --> 00:56:36,920  
somewhere skies and on instagram at

1604  
00:56:40,710 --> 00:56:38,240  
summerskiespod

1605  
00:56:42,390 --> 00:56:40,720  
and then my personal pages are up on all

1606  
00:56:45,270 --> 00:56:42,400  
those as well just type in

1607  
00:56:46,870 --> 00:56:45,280  
ryan sprague should pop up um nice

1608  
00:56:47,990 --> 00:56:46,880  
speaking with you too louise good night

1609  
00:56:51,030 --> 00:56:48,000  
shannon

1610  
00:56:52,710 --> 00:56:51,040  
um let's see thank you

1611  
00:56:54,390 --> 00:56:52,720  
thank you michael thank you for joining

1612  
00:56:57,829 --> 00:56:54,400  
us man um

1613  
00:56:59,030 --> 00:56:57,839

drink up ryan half a beer in an hour

1614

00:57:02,069 --> 00:56:59,040

cheers brother

1615

00:57:05,349 --> 00:57:02,079

dude this thing is huge this thing is

1616

00:57:07,829 --> 00:57:05,359

this is not a pint this is like um

1617

00:57:09,109 --> 00:57:07,839

i don't know it's about three beers so

1618

00:57:11,349 --> 00:57:09,119

if i drink half of this

1619

00:57:12,470 --> 00:57:11,359

um i'm gonna be already wasted man at

1620

00:57:15,829 --> 00:57:12,480

first um

1621

00:57:17,910 --> 00:57:15,839

you know uh what's the word built as i

1622

00:57:19,190 --> 00:57:17,920

am um let's go with belt you can't see

1623

00:57:22,069 --> 00:57:19,200

my stomach right now

1624

00:57:22,470 --> 00:57:22,079

um i can't really handle my beer anymore

1625

00:57:31,990 --> 00:57:22,480

man

1626

00:57:35,510 --> 00:57:34,150

i'm going to try though mario again if

1627

00:57:36,069 --> 00:57:35,520

you don't hear from me in a few days

1628

00:57:39,829 --> 00:57:36,079

guys

1629

00:57:40,390 --> 00:57:39,839

either i died um jumping off uh free

1630

00:57:43,510 --> 00:57:40,400

diving

1631

00:57:45,430 --> 00:57:43,520

in oahu on oahu or um i

1632

00:57:49,430 --> 00:57:45,440

died of alcohol poisoning that's not

1633

00:57:55,190 --> 00:57:51,829

oh that was so inappropriate i'm sorry

1634

00:57:56,789 --> 00:57:55,200

if i offended anyone

1635

00:57:58,230 --> 00:57:56,799

good seeing you too cody thank you for

1636

00:58:00,069 --> 00:57:58,240

joining me man

1637

00:58:01,670 --> 00:58:00,079

um nick thank you so much for being here

1638

00:58:02,789 --> 00:58:01,680

brother i always appreciate everything

1639

00:58:04,630 --> 00:58:02,799

you're doing

1640

00:58:06,630 --> 00:58:04,640

website looks amazing thank you andy

1641

00:58:09,030 --> 00:58:06,640

thank you for checking it out

1642

00:58:10,630 --> 00:58:09,040

um cody i would love to come on the show

1643

00:58:14,150 --> 00:58:10,640

brother um hit me up

1644

00:58:21,589 --> 00:58:17,990

uh thank you andy thank you russ

1645

00:58:24,390 --> 00:58:21,599

let's see uh jane should just put you to

1646

00:58:27,430 --> 00:58:24,400

bed if you polish the beer off

1647

00:58:28,150 --> 00:58:27,440

very good point nick very good point all

1648

00:58:30,870 --> 00:58:28,160

right guys

1649

00:58:31,910 --> 00:58:30,880

with that i'm gonna go i hear the

1650

00:58:34,150 --> 00:58:31,920

rooster

1651  
00:58:34,950 --> 00:58:34,160  
out there um usually they're in the

1652  
00:58:37,510 --> 00:58:34,960  
morning but

1653  
00:58:37,990 --> 00:58:37,520  
it's 5 30 here right now so i guess

1654  
00:58:40,630 --> 00:58:38,000  
that's

1655  
00:58:42,630 --> 00:58:40,640  
uh time for bed the rooster has spoken

1656  
00:58:44,710 --> 00:58:42,640  
um so i'm gonna get out of here

1657  
00:58:45,990 --> 00:58:44,720  
and thank you so much thank you for

1658  
00:58:48,549 --> 00:58:46,000  
joining me tonight

1659  
00:58:49,990 --> 00:58:48,559  
and um i'll have to do this again soon

1660  
00:58:52,789 --> 00:58:50,000  
but everyone have a great night

1661  
00:58:53,270 --> 00:58:52,799  
please be safe please be healthy and be

1662  
00:58:55,510 --> 00:58:53,280  
well

1663  
00:58:57,430 --> 00:58:55,520

and um we're gonna get through this we

1664

00:58:59,270 --> 00:58:57,440

always do as human beings

1665

00:59:00,549 --> 00:58:59,280

and uh we're gonna come out of it better

1666

00:59:04,069 --> 00:59:00,559

and we're gonna come out

1667

00:59:05,990 --> 00:59:04,079

of it more unified than ever so um

1668

00:59:07,589 --> 00:59:06,000

have a great night thank you again and

1669

00:59:10,069 --> 00:59:07,599

remember keep your feet on the ground

1670

00:59:10,870 --> 00:59:10,079

but never stop searching somewhere in
