

# SOMEWHERE IN THE SKIES

**UFOS IN 2020 (PART 1)  
FEATURING TIM MCMILLAN**

1  
00:00:00,000 --> 00:00:02,950

[Music]

2  
00:00:08,230 --> 00:00:05,910

ufos seem to be invading both our skies

3  
00:00:10,390 --> 00:00:08,240

and our news outlets like never before

4  
00:00:11,749 --> 00:00:10,400

and more people are starting to look up

5  
00:00:15,110 --> 00:00:11,759

and are wondering who

6  
00:00:16,950 --> 00:00:15,120

or what might be out there in 2016

7  
00:00:19,109 --> 00:00:16,960

ryan spregg introduced the world to

8  
00:00:20,710 --> 00:00:19,119

countless ufo encounters that had never

9  
00:00:22,870 --> 00:00:20,720

been made public before

10  
00:00:24,870 --> 00:00:22,880

and now in the second edition of his

11  
00:00:27,670 --> 00:00:24,880

book he revisits these events and

12  
00:00:29,990 --> 00:00:27,680

introduces brand new ufo cases

13  
00:00:32,229 --> 00:00:30,000

in somewhere in the skies a human

14

00:00:34,310 --> 00:00:32,239

approach to the ufo phenomenon

15

00:00:35,590 --> 00:00:34,320

how have these events changed the lives

16

00:00:37,030 --> 00:00:35,600

of those involved

17

00:00:39,750 --> 00:00:37,040

and what might it tell us about the

18

00:00:41,670 --> 00:00:39,760

phenomenon with in-depth follow-ups

19

00:00:43,590 --> 00:00:41,680

brand new chapters and detailed

20

00:00:44,069 --> 00:00:43,600

testimony from credible witnesses and

21

00:00:46,229 --> 00:00:44,079

insight

22

00:00:47,910 --> 00:00:46,239

from those in the psychological academic

23

00:00:50,389 --> 00:00:47,920

and scientific fields

24

00:00:52,069 --> 00:00:50,399

somewhere in the skies a human approach

25

00:00:54,549 --> 00:00:52,079

to the ufo phenomenon

26  
00:00:56,229 --> 00:00:54,559  
weaves together a story of stories

27  
00:00:56,869 --> 00:00:56,239  
attempting to get to the heart of these

28  
00:00:59,670 --> 00:00:56,879  
mysteries

29  
00:01:00,389 --> 00:00:59,680  
one experience at a time available now

30  
00:01:02,790 --> 00:01:00,399  
on amazon

31  
00:01:09,990 --> 00:01:02,800  
in both paperback and ebook to learn

32  
00:01:15,429 --> 00:01:13,109  
today on somewhere in the skies part one

33  
00:01:17,030 --> 00:01:15,439  
of our two-part discussion with former

34  
00:01:20,230 --> 00:01:17,040  
law enforcement professional

35  
00:01:22,870 --> 00:01:20,240  
and investigative writer tim mcmillan

36  
00:01:23,510 --> 00:01:22,880  
tim has made quite a splash on the ufo

37  
00:01:25,749 --> 00:01:23,520  
front

38  
00:01:26,950 --> 00:01:25,759

writing groundbreaking articles for

39

00:01:31,030 --> 00:01:26,960

venues such as

40

00:01:32,710 --> 00:01:31,040

vice popular mechanics and the war zone

41

00:01:34,069 --> 00:01:32,720

in part one of this discussion you're

42

00:01:36,789 --> 00:01:34,079

going to hear what happens when

43

00:01:37,910 --> 00:01:36,799

tim one of the most skeptical and

44

00:01:41,990 --> 00:01:37,920

analytical minds

45

00:01:42,870 --> 00:01:42,000

tackling ufos is faced with a phenomenon

46

00:01:44,950 --> 00:01:42,880

head on

47

00:01:46,950 --> 00:01:44,960

himself i've always been somebody who

48

00:01:49,749 --> 00:01:46,960

really wants to solve mysteries

49

00:01:51,350 --> 00:01:49,759

and suddenly ufos became a mystery a

50

00:01:54,230 --> 00:01:51,360

very real mystery for me

51  
00:01:54,550 --> 00:01:54,240  
because that's all i saw something and

52  
00:01:57,510 --> 00:01:54,560  
then

53  
00:01:59,429 --> 00:01:57,520  
we tackled the hard truths of the secret

54  
00:02:01,670 --> 00:01:59,439  
pentagon ufo program

55  
00:02:04,230 --> 00:02:01,680  
the most recent new york times articles

56  
00:02:07,550 --> 00:02:04,240  
the senate intelligence committee bill

57  
00:02:10,550 --> 00:02:07,560  
in relation to the ufo task force and

58  
00:02:11,350 --> 00:02:10,560  
demystifying the secrecy the sensational

59  
00:02:14,550 --> 00:02:11,360  
claims

60  
00:02:17,750 --> 00:02:14,560  
and the want to believe in an elaborate

61  
00:02:19,430 --> 00:02:17,760  
strategic cover-up of the ufo problem

62  
00:02:20,790 --> 00:02:19,440  
there is more info that i'll come out

63  
00:02:23,750 --> 00:02:20,800

with soon

64

00:02:24,790 --> 00:02:23,760

that will give a lot more hopefully

65

00:02:26,070 --> 00:02:24,800

it'll give people a lot better

66

00:02:30,070 --> 00:02:26,080

understanding of

67

00:02:34,470 --> 00:02:30,080

indeed this ufo problem in government

68

00:02:35,910 --> 00:02:34,480

and recognize that a lot of things that

69

00:02:37,589 --> 00:02:35,920

maybe don't make sense on the outside or

70

00:02:38,550 --> 00:02:37,599

they're attributed to cover-ups and all

71

00:02:40,949 --> 00:02:38,560

these different things

72

00:02:42,070 --> 00:02:40,959

they're actually very very normal

73

00:02:45,030 --> 00:02:42,080

bureaucratic

74

00:02:45,830 --> 00:02:45,040

and then we confront the

75

00:02:48,949 --> 00:02:45,840

reality

76

00:02:51,589 --> 00:02:48,959

of the true ufo issue both the

77

00:02:52,949 --> 00:02:51,599

vindication for those who believe and

78

00:02:56,150 --> 00:02:52,959

confirmation

79

00:02:59,110 --> 00:02:56,160

for those who don't and tim shows us

80

00:02:59,910 --> 00:02:59,120

that the ufo topic is not only here to

81

00:03:03,110 --> 00:02:59,920

stay

82

00:03:05,589 --> 00:03:03,120

but it's arguably taking center stage

83

00:03:06,790 --> 00:03:05,599

in a world of uncertainty like never

84

00:03:08,470 --> 00:03:06,800

before

85

00:03:10,710 --> 00:03:08,480

everything we see right now is

86

00:03:12,390 --> 00:03:10,720

encouraging for anybody who's ever been

87

00:03:13,990 --> 00:03:12,400

ridiculed for

88

00:03:15,750 --> 00:03:14,000

being interested in the ufo subject for

89

00:03:16,790 --> 00:03:15,760

having their own siding for saying that

90

00:03:19,910 --> 00:03:16,800

these are real

91

00:03:20,550 --> 00:03:19,920

it is being treated very much like it is

92

00:03:34,390 --> 00:03:20,560

real

93

00:03:44,830 --> 00:03:39,040

this is somewhere in the skies with ryan

94

00:03:55,589 --> 00:03:44,840

[Music]

95

00:03:59,110 --> 00:03:57,509

tim mcmillan thank you so much for

96

00:04:00,470 --> 00:03:59,120

joining me today on somewhere in the

97

00:04:02,630 --> 00:04:00,480

skies for the first

98

00:04:03,830 --> 00:04:02,640

time yes no thanks for having me ryan

99

00:04:05,830 --> 00:04:03,840

this is exciting yeah

100

00:04:07,110 --> 00:04:05,840

long time listener first time caller

101  
00:04:08,949 --> 00:04:07,120  
glad to be here

102  
00:04:10,710 --> 00:04:08,959  
thanks man well hey i've been following

103  
00:04:13,030 --> 00:04:10,720  
your work for some time

104  
00:04:14,229 --> 00:04:13,040  
and uh the stuff you are cranking out

105  
00:04:16,390 --> 00:04:14,239  
for some of these

106  
00:04:17,270 --> 00:04:16,400  
mainstream outlets has been amazing so

107  
00:04:19,990 --> 00:04:17,280  
i've got a

108  
00:04:21,990 --> 00:04:20,000  
a long laundry list of questions for you

109  
00:04:22,710 --> 00:04:22,000  
we're gonna dive into it a lot tonight

110  
00:04:26,469 --> 00:04:22,720  
because

111  
00:04:28,230 --> 00:04:26,479  
i want the brutal honest truth on some

112  
00:04:30,390 --> 00:04:28,240  
of these things from you

113  
00:04:32,950 --> 00:04:30,400

um because there are some of these

114

00:04:34,710 --> 00:04:32,960

topics that i will admit i personally

115

00:04:36,070 --> 00:04:34,720

haven't looked into that we're gonna

116

00:04:38,230 --> 00:04:36,080

dive into tonight

117

00:04:39,430 --> 00:04:38,240

so um it'll be good to get a very

118

00:04:42,390 --> 00:04:39,440

grounded

119

00:04:44,070 --> 00:04:42,400

uh observation and approach when it

120

00:04:46,230 --> 00:04:44,080

comes to some of these things

121

00:04:47,590 --> 00:04:46,240

man so yeah i'm excited if we don't

122

00:04:49,030 --> 00:04:47,600

start a ride on twitter

123

00:04:50,870 --> 00:04:49,040

afterwards then i guess it won't be a

124

00:04:53,110 --> 00:04:50,880

good show exactly

125

00:04:53,909 --> 00:04:53,120

we will try our best to do that tonight

126  
00:04:56,870 --> 00:04:53,919  
for sure

127  
00:04:57,590 --> 00:04:56,880  
let's get those flames going um all

128  
00:04:59,430 --> 00:04:57,600  
right well

129  
00:05:00,950 --> 00:04:59,440  
i guess we'll start with the origin

130  
00:05:01,830 --> 00:05:00,960  
story tim that's always a good place to

131  
00:05:03,350 --> 00:05:01,840  
start um

132  
00:05:05,270 --> 00:05:03,360  
could you maybe tell us a little about

133  
00:05:07,189 --> 00:05:05,280  
your background and uh

134  
00:05:08,629 --> 00:05:07,199  
yeah what you do currently in relation

135  
00:05:10,469 --> 00:05:08,639  
to the ufo topic

136  
00:05:12,790 --> 00:05:10,479  
what back then brought you to where you

137  
00:05:15,510 --> 00:05:12,800  
are now i guess is a good way to put it

138  
00:05:16,550 --> 00:05:15,520

sure yeah now uh for the bulk of my

139

00:05:18,710 --> 00:05:16,560

adult life

140

00:05:20,310 --> 00:05:18,720

from the time i was 21 up until about

141

00:05:23,350 --> 00:05:20,320

two years ago

142

00:05:23,990 --> 00:05:23,360

it's almost 17 years i was in law

143

00:05:25,830 --> 00:05:24,000

enforcement

144

00:05:28,150 --> 00:05:25,840

and i did a lot of different jobs in law

145

00:05:31,110 --> 00:05:28,160

enforcement i worked for an agency

146

00:05:33,350 --> 00:05:31,120

in near savannah georgia um i was a

147

00:05:35,430 --> 00:05:33,360

violent crimes investigator i was a

148

00:05:37,909 --> 00:05:35,440

criminal intelligence analyst a

149

00:05:39,350 --> 00:05:37,919

behavioral profiler

150

00:05:41,189 --> 00:05:39,360

a whole bunch of things i wore a lot a

151  
00:05:42,870 --> 00:05:41,199  
lot of hats and

152  
00:05:44,950 --> 00:05:42,880  
i ended up taking early retirement as a

153  
00:05:46,390 --> 00:05:44,960  
lieutenant there

154  
00:05:48,230 --> 00:05:46,400  
worked as an investigator and

155  
00:05:49,590 --> 00:05:48,240  
intelligence analyst for a private firm

156  
00:05:52,390 --> 00:05:49,600  
for about a year

157  
00:05:53,510 --> 00:05:52,400  
until about a year ago and i guess i

158  
00:05:55,029 --> 00:05:53,520  
started dabbling in it

159  
00:05:56,390 --> 00:05:55,039  
while i was still in the law firm i

160  
00:05:57,830 --> 00:05:56,400  
guess i can say that now i'm no longer

161  
00:06:00,469 --> 00:05:57,840  
there so uh

162  
00:06:01,749 --> 00:06:00,479  
of uh you know doing freelance

163  
00:06:04,390 --> 00:06:01,759

investigative work

164

00:06:05,670 --> 00:06:04,400

um investigative journalism on the ufo

165

00:06:08,629 --> 00:06:05,680

topic

166

00:06:09,909 --> 00:06:08,639

i kind of came into it the writing end

167

00:06:11,990 --> 00:06:09,919

of it

168

00:06:13,430 --> 00:06:12,000

in a weird trajectory because it was

169

00:06:15,670 --> 00:06:13,440

always uh

170

00:06:16,870 --> 00:06:15,680

i was covering stuff initially in

171

00:06:20,070 --> 00:06:16,880

national security

172

00:06:22,390 --> 00:06:20,080

um national defense world

173

00:06:24,230 --> 00:06:22,400

it's kind of a in a roundabout way the

174

00:06:26,070 --> 00:06:24,240

sector i came up from and i've always

175

00:06:27,909 --> 00:06:26,080

been interested in that that kind of

176

00:06:30,230 --> 00:06:27,919

purview and so

177

00:06:31,909 --> 00:06:30,240

as we've all seen you know ufos have

178

00:06:35,110 --> 00:06:31,919

very much entered that world

179

00:06:38,150 --> 00:06:35,120

in a tangible sense um

180

00:06:40,629 --> 00:06:38,160

so yeah i started uh you know i i got

181

00:06:41,510 --> 00:06:40,639

frustrated that i didn't feel i felt

182

00:06:43,110 --> 00:06:41,520

that to

183

00:06:45,670 --> 00:06:43,120

not speak to anyone in particular but i

184

00:06:47,590 --> 00:06:45,680

just felt like there was a lack of good

185

00:06:49,830 --> 00:06:47,600

investigative journalism so good

186

00:06:51,749 --> 00:06:49,840

investigative work and then putting out

187

00:06:54,550 --> 00:06:51,759

information that was credible and could

188

00:06:56,790 --> 00:06:54,560

be backed up by evidence

189

00:06:59,670 --> 00:06:56,800

to the mainstream masses on the ufo

190

00:07:00,950 --> 00:06:59,680

topic and i felt like

191

00:07:02,150 --> 00:07:00,960

everything that we saw in the news you

192

00:07:03,909 --> 00:07:02,160

know going back to the new york times in

193

00:07:07,189 --> 00:07:03,919

2017 there was only

194

00:07:08,390 --> 00:07:07,199

really two kind of uh outcomes that

195

00:07:11,029 --> 00:07:08,400

could have come from this

196

00:07:12,070 --> 00:07:11,039

and that was either there's something

197

00:07:14,309 --> 00:07:12,080

real to this

198

00:07:15,589 --> 00:07:14,319

and so yeah i mean that's a pretty big

199

00:07:17,670 --> 00:07:15,599

deal or

200

00:07:19,270 --> 00:07:17,680

that there were these high-level people

201  
00:07:21,189 --> 00:07:19,280  
coming from government

202  
00:07:22,710 --> 00:07:21,199  
in positions that i was familiar with so

203  
00:07:24,629 --> 00:07:22,720  
i kind of had an idea of

204  
00:07:26,790 --> 00:07:24,639  
what they do and then significance that

205  
00:07:28,230 --> 00:07:26,800  
they serve

206  
00:07:30,390 --> 00:07:28,240  
and they're in these positions they're

207  
00:07:31,589 --> 00:07:30,400  
just batshit crazy so either outcome for

208  
00:07:34,150 --> 00:07:31,599  
me

209  
00:07:35,430 --> 00:07:34,160  
is significant and newsworthy i think um

210  
00:07:38,070 --> 00:07:35,440  
and so yeah i started

211  
00:07:39,830 --> 00:07:38,080  
uh kind of through my uh put my

212  
00:07:42,390 --> 00:07:39,840  
investigative skills my police

213  
00:07:44,070 --> 00:07:42,400

and investigative background the bulk of

214

00:07:45,990 --> 00:07:44,080

my experience into

215

00:07:48,390 --> 00:07:46,000

seeing could that be applied towards the

216

00:07:49,749 --> 00:07:48,400

ufo topic yeah and i think it has and

217

00:07:52,869 --> 00:07:49,759

we'll get to some of the

218

00:07:55,350 --> 00:07:52,879

those articles uh popular mechanics and

219

00:07:58,390 --> 00:07:55,360

vice in particular tim but um

220

00:07:59,510 --> 00:07:58,400

sort of backtracking i i had the honor

221

00:08:02,629 --> 00:07:59,520

recently of

222

00:08:04,629 --> 00:08:02,639

telling your story in the second edition

223

00:08:05,510 --> 00:08:04,639

of my book that just came out this past

224

00:08:07,909 --> 00:08:05,520

week and

225

00:08:09,830 --> 00:08:07,919

i was wondering you know a lot of people

226

00:08:10,469 --> 00:08:09,840

come into this topic having had an

227

00:08:13,270 --> 00:08:10,479

experience

228

00:08:15,029 --> 00:08:13,280

not everyone but um it is a good impetus

229

00:08:17,270 --> 00:08:15,039

for a lot of people to get

230

00:08:19,350 --> 00:08:17,280

interested in this and look into it

231

00:08:20,469 --> 00:08:19,360

further to find answers for themselves

232

00:08:22,710 --> 00:08:20,479

and i'm sure

233

00:08:23,510 --> 00:08:22,720

as we are gonna learn maybe that was the

234

00:08:25,430 --> 00:08:23,520

same for you

235

00:08:27,029 --> 00:08:25,440

but yeah could you maybe tell us a

236

00:08:29,029 --> 00:08:27,039

little about um

237

00:08:31,270 --> 00:08:29,039

what happened to you when you were still

238

00:08:35,110 --> 00:08:31,280

in law enforcement at the time and uh

239

00:08:38,310 --> 00:08:35,120

you had a uh what we would call it ufo

240

00:08:40,709 --> 00:08:38,320

encounter yeah no i and actually i want

241

00:08:41,509 --> 00:08:40,719

to say thank you ryan it was an honor to

242

00:08:44,230 --> 00:08:41,519

be asked to

243

00:08:46,230 --> 00:08:44,240

participate in your book because kind of

244

00:08:47,350 --> 00:08:46,240

indicative of the the rambling intro i

245

00:08:48,630 --> 00:08:47,360

just gave you i

246

00:08:49,829 --> 00:08:48,640

always give kind of my professional

247

00:08:51,670 --> 00:08:49,839

background because that's what people

248

00:08:52,389 --> 00:08:51,680

are interested in and i skipped the

249

00:08:55,350 --> 00:08:52,399

whole

250

00:08:57,269 --> 00:08:55,360

yeah but why ufos uh part of it and

251

00:08:59,670 --> 00:08:57,279

people don't realize that uh

252

00:09:01,269 --> 00:08:59,680

there's kind of a longer history with me

253

00:09:04,070 --> 00:09:01,279

in the ufo subject

254

00:09:04,470 --> 00:09:04,080

yeah about nine years so not incredibly

255

00:09:08,389 --> 00:09:04,480

long

256

00:09:10,870 --> 00:09:08,399

absolutely right and and um

257

00:09:12,230 --> 00:09:10,880

i i am really eager to i know your book

258

00:09:13,350 --> 00:09:12,240

just came out i've been really eager to

259

00:09:14,949 --> 00:09:13,360

take a look at it because i'm sure

260

00:09:18,070 --> 00:09:14,959

there's a lot of good stories in it

261

00:09:19,350 --> 00:09:18,080

my origin my ufo origin story begin with

262

00:09:22,470 --> 00:09:19,360

the sighting that is correct

263

00:09:26,150 --> 00:09:22,480

uh it was in 2011

264

00:09:29,190 --> 00:09:26,160

so december 2011 prior to this right i

265

00:09:31,110 --> 00:09:29,200

really you know i probably had what i

266

00:09:33,350 --> 00:09:31,120

would consider to be the normal

267

00:09:34,630 --> 00:09:33,360

interest or curiosity of the ufo subject

268

00:09:36,870 --> 00:09:34,640

so i didn't

269

00:09:38,550 --> 00:09:36,880

i'll dismiss it but it wasn't something

270

00:09:39,350 --> 00:09:38,560

that i was actively seeking or anything

271

00:09:41,110 --> 00:09:39,360

like that

272

00:09:42,389 --> 00:09:41,120

it was a toss-up whether whether i was

273

00:09:43,269 --> 00:09:42,399

going to watch ancient aliens or not

274

00:09:46,949 --> 00:09:43,279

that deal

275

00:09:47,670 --> 00:09:46,959

yeah and i you know in that particular

276

00:09:50,790 --> 00:09:47,680

night

277

00:09:52,230 --> 00:09:50,800

um it's december 2011. i was a sergeant

278

00:09:52,790 --> 00:09:52,240

with the police force but i was off at

279

00:09:55,190 --> 00:09:52,800

the time

280

00:09:56,310 --> 00:09:55,200

and i was actually visiting another

281

00:09:59,190 --> 00:09:56,320

friend of mine

282

00:09:59,750 --> 00:09:59,200

who is also she's a she's a sergeant

283

00:10:02,949 --> 00:09:59,760

with a

284

00:10:04,870 --> 00:10:02,959

separate police department and uh we

285

00:10:06,230 --> 00:10:04,880

were in her front yard just chatting

286

00:10:08,389 --> 00:10:06,240

i was getting ready to go home at the

287

00:10:11,590 --> 00:10:08,399

time and she lived in

288

00:10:14,710 --> 00:10:11,600

a city uh kind of a suburb of savannah

289

00:10:16,710 --> 00:10:14,720

rinken georgia and i remember that night

290

00:10:19,990 --> 00:10:16,720

in particular because it was

291

00:10:22,949 --> 00:10:20,000

extremely extremely cold for savannah

292

00:10:24,470 --> 00:10:22,959

and that's only important because living

293

00:10:26,150 --> 00:10:24,480

on the coast right there

294

00:10:27,590 --> 00:10:26,160

it's only on the coldest of nights do

295

00:10:28,790 --> 00:10:27,600

you actually get to see a clear starry

296

00:10:32,230 --> 00:10:28,800

night because the humidity

297

00:10:34,550 --> 00:10:32,240

and so we were just chatting kind of

298

00:10:35,829 --> 00:10:34,560

taking in the the really brilliant night

299

00:10:39,190 --> 00:10:35,839

sky that evening

300

00:10:40,470 --> 00:10:39,200

and out of the blue you know all of a

301  
00:10:42,310 --> 00:10:40,480  
sudden there was no

302  
00:10:43,590 --> 00:10:42,320  
forewarning there was no sounds there

303  
00:10:46,710 --> 00:10:43,600  
was nothing

304  
00:10:48,069 --> 00:10:46,720  
uh these three lights uh

305  
00:10:49,910 --> 00:10:48,079  
you know i describe it as if someone

306  
00:10:52,710 --> 00:10:49,920  
just flipped a light switch

307  
00:10:54,069 --> 00:10:52,720  
they just cut on uh perfectly in a

308  
00:10:55,590 --> 00:10:54,079  
straight look row

309  
00:10:57,430 --> 00:10:55,600  
probably about 30 degrees off the

310  
00:11:00,470 --> 00:10:57,440  
horizon and

311  
00:11:01,990 --> 00:11:00,480  
um they were much much bigger

312  
00:11:03,910 --> 00:11:02,000  
than a star or anything like that so

313  
00:11:04,550 --> 00:11:03,920

there was no you know much bigger than a

314

00:11:07,590 --> 00:11:04,560

plane

315

00:11:10,389 --> 00:11:07,600

even you know they were about the size

316

00:11:11,430 --> 00:11:10,399

as of if you know maybe like a little p

317

00:11:13,430 --> 00:11:11,440

like a frozen p

318

00:11:15,430 --> 00:11:13,440

in arm's length that's how bright they

319

00:11:17,350 --> 00:11:15,440

were and big and they were

320

00:11:19,430 --> 00:11:17,360

they weren't white and they were kind of

321

00:11:21,509 --> 00:11:19,440

this antique yellow is the best way i

322

00:11:23,110 --> 00:11:21,519

can describe it so

323

00:11:24,389 --> 00:11:23,120

it's interesting later as i started

324

00:11:25,190 --> 00:11:24,399

looking at this you hear people say i

325

00:11:27,670 --> 00:11:25,200

don't you know it's

326

00:11:29,269 --> 00:11:27,680

maybe whitish yellow and i'm like yeah i

327

00:11:32,470 --> 00:11:29,279

know exactly what you're talking about

328

00:11:34,310 --> 00:11:32,480

um and they just kind of

329

00:11:36,230 --> 00:11:34,320

sat there motionless so it's in this

330

00:11:39,350 --> 00:11:36,240

straight row for probably 30

331

00:11:40,790 --> 00:11:39,360

45 seconds maybe a minute at most and

332

00:11:42,550 --> 00:11:40,800

then it was like somebody just flipped a

333

00:11:45,670 --> 00:11:42,560

light switch off again

334

00:11:47,910 --> 00:11:45,680

and they just cut off and

335

00:11:49,750 --> 00:11:47,920

you know this was one of these things uh

336

00:11:51,910 --> 00:11:49,760

you know there's a lot of times we see

337

00:11:52,710 --> 00:11:51,920

stuff you know a satellite or something

338

00:11:55,910 --> 00:11:52,720

in the sky

339

00:11:56,629 --> 00:11:55,920

oh what's that um that was not one of

340

00:11:58,470 --> 00:11:56,639

that was not

341

00:11:59,750 --> 00:11:58,480

this type of experience you know this

342

00:12:02,790 --> 00:11:59,760

was a oh

343

00:12:05,910 --> 00:12:02,800

what is that i mean it was coming

344

00:12:07,030 --> 00:12:05,920

attention commanding yeah and um they

345

00:12:10,230 --> 00:12:07,040

cut off

346

00:12:11,829 --> 00:12:10,240

and there was you know the sky went back

347

00:12:14,310 --> 00:12:11,839

to normal for probably another

348

00:12:15,670 --> 00:12:14,320

30 40 seconds maybe a minute and then

349

00:12:19,030 --> 00:12:15,680

all of a sudden

350

00:12:21,110 --> 00:12:19,040

the original first three that we'd seen

351  
00:12:22,230 --> 00:12:21,120  
came came back on just like somebody

352  
00:12:24,150 --> 00:12:22,240  
flipped the light switch

353  
00:12:25,350 --> 00:12:24,160  
and uh but this time they were

354  
00:12:27,110 --> 00:12:25,360  
accompanied by two more

355  
00:12:28,629 --> 00:12:27,120  
and they were all in a straight row

356  
00:12:31,269 --> 00:12:28,639  
except for

357  
00:12:32,230 --> 00:12:31,279  
the the the new the two new ones were a

358  
00:12:34,150 --> 00:12:32,240  
little offset

359  
00:12:36,470 --> 00:12:34,160  
from the first three and so you've got

360  
00:12:39,190 --> 00:12:36,480  
these five

361  
00:12:40,230 --> 00:12:39,200  
big bright lights motionless no sound

362  
00:12:43,750 --> 00:12:40,240  
nothing

363  
00:12:44,949 --> 00:12:43,760

totally stationary and when all five

364

00:12:47,430 --> 00:12:44,959

were on

365

00:12:48,150 --> 00:12:47,440

and i i'm very cautious when i tell this

366

00:12:51,110 --> 00:12:48,160

part

367

00:12:52,389 --> 00:12:51,120

because i my background even in law

368

00:12:53,670 --> 00:12:52,399

enforcement a lot of what i did was

369

00:12:55,269 --> 00:12:53,680

cognitive psychology that's

370

00:12:57,430 --> 00:12:55,279

that's my academic background actually

371

00:12:57,910 --> 00:12:57,440

so my degree is in and i did a lot of

372

00:13:00,550 --> 00:12:57,920

work

373

00:13:01,590 --> 00:13:00,560

with that um training and even in the

374

00:13:05,030 --> 00:13:01,600

ufo field

375

00:13:07,670 --> 00:13:05,040

i will get into that i'm sure yeah

376

00:13:08,230 --> 00:13:07,680

i was very cautious because i understand

377

00:13:10,870 --> 00:13:08,240

that

378

00:13:13,110 --> 00:13:10,880

uh your brain tries to make sense of

379

00:13:15,670 --> 00:13:13,120

things you don't understand and so

380

00:13:17,670 --> 00:13:15,680

i say this and say it appeared to me

381

00:13:19,910 --> 00:13:17,680

though once all five are on

382

00:13:22,230 --> 00:13:19,920

that against the ambient light of the

383

00:13:25,470 --> 00:13:22,240

horizon so the city lights did you see

384

00:13:27,430 --> 00:13:25,480

the glow now there was this giant

385

00:13:30,230 --> 00:13:27,440

rectangular shape

386

00:13:31,269 --> 00:13:30,240

the object that these lights were

387

00:13:32,550 --> 00:13:31,279

attached to

388

00:13:34,790 --> 00:13:32,560

that appear to be blocking out the

389

00:13:35,509 --> 00:13:34,800

ambient light and so it was low on the

390

00:13:38,470 --> 00:13:35,519

horizon

391

00:13:39,189 --> 00:13:38,480

and um they stayed like that for about a

392

00:13:42,470 --> 00:13:39,199

minute

393

00:13:45,910 --> 00:13:42,480

and never moved never heard a sound

394

00:13:47,430 --> 00:13:45,920

um the friend that was with me she um

395

00:13:49,910 --> 00:13:47,440

you know she was pretty freaked out by

396

00:13:53,509 --> 00:13:49,920

it i was just fascinated

397

00:13:55,829 --> 00:13:53,519

and um yeah i remember at the time

398

00:13:57,509 --> 00:13:55,839

that uh the only time in my life that

399

00:13:59,269 --> 00:13:57,519

i've ever had an android phone

400

00:14:01,030 --> 00:13:59,279

was then and that stupid thing would

401  
00:14:02,470 --> 00:14:01,040  
never work whenever i needed it to and

402  
00:14:05,990 --> 00:14:02,480  
this was one of those times

403  
00:14:07,670 --> 00:14:06,000  
and i was fumbling with it and it like

404  
00:14:09,269 --> 00:14:07,680  
rebooted and so it's interesting you

405  
00:14:10,150 --> 00:14:09,279  
hear people go why are there good videos

406  
00:14:11,990 --> 00:14:10,160  
and stuff and i'm like

407  
00:14:14,949 --> 00:14:12,000  
well at least in my case i can tell you

408  
00:14:18,629 --> 00:14:14,959  
why and i wish there was a good reason

409  
00:14:20,230 --> 00:14:18,639  
um it just wouldn't work but uh

410  
00:14:21,829 --> 00:14:20,240  
there it was and when it after about a

411  
00:14:23,990 --> 00:14:21,839  
minute the lights went out

412  
00:14:25,350 --> 00:14:24,000  
and it was it was like the sky just

413  
00:14:28,629 --> 00:14:25,360

returned to normal

414

00:14:30,230 --> 00:14:28,639

and there was no there was no airplane

415

00:14:32,230 --> 00:14:30,240

traffic there's no helicopter traffic

416

00:14:33,829 --> 00:14:32,240

where the area there in savannah is kind

417

00:14:36,389 --> 00:14:33,839

of just a hub

418

00:14:38,550 --> 00:14:36,399

of uh air traffic especially a lot of

419

00:14:41,750 --> 00:14:38,560

military bases around there

420

00:14:43,829 --> 00:14:41,760

and in fact the for the 2015

421

00:14:45,110 --> 00:14:43,839

events that are now famous thanks to the

422

00:14:48,230 --> 00:14:45,120

videos

423

00:14:51,189 --> 00:14:48,240

those occurred not far off the coast uh

424

00:14:51,670 --> 00:14:51,199

from savannah but um there was just

425

00:14:53,750 --> 00:14:51,680

nothing

426  
00:14:55,910 --> 00:14:53,760  
and they disappeared and so that was

427  
00:14:57,430 --> 00:14:55,920  
kind of that was the first moment when

428  
00:14:58,870 --> 00:14:57,440  
this

429  
00:15:00,629 --> 00:14:58,880  
i've always been somebody who really

430  
00:15:03,430 --> 00:15:00,639  
wants to solve mysteries

431  
00:15:05,189 --> 00:15:03,440  
and suddenly ufos became a mystery a

432  
00:15:08,389 --> 00:15:05,199  
very real mystery for me

433  
00:15:11,430 --> 00:15:08,399  
because that's all i saw something

434  
00:15:13,430 --> 00:15:11,440  
and you know what was really incredible

435  
00:15:14,629 --> 00:15:13,440  
for me after this sighting is i

436  
00:15:16,710 --> 00:15:14,639  
first of all it's incredible i made it

437  
00:15:17,910 --> 00:15:16,720  
home because i i remember driving i

438  
00:15:18,710 --> 00:15:17,920

think halfway with my head out the

439

00:15:20,389 --> 00:15:18,720

window

440

00:15:22,230 --> 00:15:20,399

freezing my ass off but hoping i'd see

441

00:15:24,629 --> 00:15:22,240

it again yeah

442

00:15:26,230 --> 00:15:24,639

um but i got you know i got home and

443

00:15:28,389 --> 00:15:26,240

like everybody else and

444

00:15:29,749 --> 00:15:28,399

um who when they want to figure

445

00:15:31,509 --> 00:15:29,759

something out you start googling and

446

00:15:33,670 --> 00:15:31,519

everything and i

447

00:15:34,790 --> 00:15:33,680

uh it's the first time i stumbled upon

448

00:15:37,829 --> 00:15:34,800

mufon

449

00:15:40,870 --> 00:15:37,839

and at that time

450

00:15:42,230 --> 00:15:40,880

they didn't place their citing their

451

00:15:43,990 --> 00:15:42,240

initial sighting reports behind a

452

00:15:47,110 --> 00:15:44,000

paywall or anything so you could

453

00:15:48,389 --> 00:15:47,120

see exciting reports people had made and

454

00:15:51,509 --> 00:15:48,399

i was

455

00:15:55,030 --> 00:15:51,519

stunned to discover that

456

00:15:57,590 --> 00:15:55,040

someone else about 20 30 miles

457

00:15:58,470 --> 00:15:57,600

just west of us so town up just west of

458

00:16:01,670 --> 00:15:58,480

us

459

00:16:03,670 --> 00:16:01,680

had already reported the exact i mean

460

00:16:04,790 --> 00:16:03,680

they just they saw it too it was

461

00:16:07,749 --> 00:16:04,800

identical

462

00:16:07,990 --> 00:16:07,759

at the it was about 50 minutes before we

463

00:16:11,030 --> 00:16:08,000

saw

464

00:16:12,790 --> 00:16:11,040

it and so um

465

00:16:14,310 --> 00:16:12,800

that was when not there was any doubt

466

00:16:17,509 --> 00:16:14,320

prior to that

467

00:16:19,350 --> 00:16:17,519

that this was real um but the fact that

468

00:16:21,030 --> 00:16:19,360

you had someone else as well that i

469

00:16:22,949 --> 00:16:21,040

still i have no clue who that person is

470

00:16:23,910 --> 00:16:22,959

so so completely separate independent

471

00:16:27,030 --> 00:16:23,920

eyewitness

472

00:16:28,470 --> 00:16:27,040

um confirmed the exact same thing it it

473

00:16:31,189 --> 00:16:28,480

was very real

474

00:16:32,629 --> 00:16:31,199

and um though we never saw it move

475

00:16:33,430 --> 00:16:32,639

obviously because of where they were

476  
00:16:35,590 --> 00:16:33,440  
located

477  
00:16:37,189 --> 00:16:35,600  
in the county ovary this was something

478  
00:16:39,910 --> 00:16:37,199  
that was

479  
00:16:41,189 --> 00:16:39,920  
moving somehow it was it was conducting

480  
00:16:43,829 --> 00:16:41,199  
flight

481  
00:16:45,110 --> 00:16:43,839  
and so that really that is what uh

482  
00:16:48,870 --> 00:16:45,120  
really vaulted my

483  
00:16:50,710 --> 00:16:48,880  
interest into the entire topic of ufos

484  
00:16:51,990 --> 00:16:50,720  
um a lot of people don't know that's why

485  
00:16:53,030 --> 00:16:52,000  
i was glad to kind of share that in your

486  
00:16:54,310 --> 00:16:53,040  
book because that

487  
00:16:55,670 --> 00:16:54,320  
people don't realize it kind of started

488  
00:16:57,269 --> 00:16:55,680

about nine years ago and there is a

489

00:16:58,710 --> 00:16:57,279

personal reason for it wow

490

00:17:01,110 --> 00:16:58,720

see and that's awesome man because i

491

00:17:01,990 --> 00:17:01,120

know a lot of um a lot of the discussion

492

00:17:05,829 --> 00:17:02,000

that goes on

493

00:17:07,990 --> 00:17:05,839

on uh we'll call it ufo twitter people

494

00:17:10,309 --> 00:17:08,000

think you're this you know this hardened

495

00:17:11,510 --> 00:17:10,319

skeptic um because of your background

496

00:17:14,789 --> 00:17:11,520

and this and that

497

00:17:16,710 --> 00:17:14,799

and um that's really important and to

498

00:17:18,630 --> 00:17:16,720

to see you're just human like everyone

499

00:17:19,750 --> 00:17:18,640

else out there having an experience you

500

00:17:22,789 --> 00:17:19,760

can't explain

501  
00:17:23,750 --> 00:17:22,799  
um it lends a a level of legitimacy and

502  
00:17:26,069 --> 00:17:23,760  
credibility

503  
00:17:28,549 --> 00:17:26,079  
that you yourself have seen these things

504  
00:17:30,630 --> 00:17:28,559  
in our skies like so many other people

505  
00:17:31,669 --> 00:17:30,640  
and i want to ask before we move on to

506  
00:17:33,669 --> 00:17:31,679  
sort of where

507  
00:17:35,110 --> 00:17:33,679  
your interest went from there and how

508  
00:17:37,029 --> 00:17:35,120  
you implemented your

509  
00:17:39,190 --> 00:17:37,039  
you know your skill set into that you

510  
00:17:40,630 --> 00:17:39,200  
worked a lot of like graveyard shifts

511  
00:17:42,950 --> 00:17:40,640  
and stuff when you were

512  
00:17:43,830 --> 00:17:42,960  
on the police force and doing security

513  
00:17:45,270 --> 00:17:43,840

and whatnot

514

00:17:47,590 --> 00:17:45,280

and i remember in the book you

515

00:17:48,630 --> 00:17:47,600

specifically mentioning like i saw some

516

00:17:50,630 --> 00:17:48,640

strange

517

00:17:51,669 --> 00:17:50,640

you know flight patterns and things in

518

00:17:54,390 --> 00:17:51,679

the air in my

519

00:17:55,270 --> 00:17:54,400

all my years right now in 2020 tim do

520

00:17:57,029 --> 00:17:55,280

you think

521

00:17:58,390 --> 00:17:57,039

you'll ever know what it was you saw

522

00:18:01,029 --> 00:17:58,400

that night or is there

523

00:18:01,830 --> 00:18:01,039

do you have maybe some ideas of what you

524

00:18:04,070 --> 00:18:01,840

saw or

525

00:18:04,950 --> 00:18:04,080

is it legitimately still a mystery to

526

00:18:06,230 --> 00:18:04,960

you oh

527

00:18:09,110 --> 00:18:06,240

yeah no it's legitimately still a

528

00:18:11,830 --> 00:18:09,120

mystery i i really don't know right

529

00:18:13,110 --> 00:18:11,840

and i don't know i you know i'm very

530

00:18:15,430 --> 00:18:13,120

comfortable saying i don't know

531

00:18:16,630 --> 00:18:15,440

a lot of things so i'm comfortable i

532

00:18:17,350 --> 00:18:16,640

know what i know and i don't know what i

533

00:18:24,070 --> 00:18:17,360

don't know

534

00:18:25,350 --> 00:18:24,080

i do know just like you mentioned yeah

535

00:18:28,230 --> 00:18:25,360

the last six years

536

00:18:29,750 --> 00:18:28,240

of my police career i was the duty

537

00:18:31,590 --> 00:18:29,760

officer which

538

00:18:33,909 --> 00:18:31,600

you know sounds nice they give you a

539

00:18:35,190 --> 00:18:33,919

rank and a salary and everything but it

540

00:18:35,830 --> 00:18:35,200

actually just meant that you're kind of

541

00:18:37,830 --> 00:18:35,840

the

542

00:18:40,150 --> 00:18:37,840

nighttime shopkeeper so you i was in

543

00:18:42,070 --> 00:18:40,160

charge of all police services when the

544

00:18:43,430 --> 00:18:42,080

other bosses were asleep so it just

545

00:18:44,950 --> 00:18:43,440

means shitty hours um

546

00:18:47,190 --> 00:18:44,960

and so yeah the first six years i work 3

547

00:18:48,710 --> 00:18:47,200

pm to 3 a.m and

548

00:18:51,430 --> 00:18:48,720

savannah like i said is surrounded you

549

00:18:54,549 --> 00:18:51,440

have hunter army airfield fort stewart

550

00:18:57,350 --> 00:18:54,559

we have the 165th air force reserve

551

00:18:59,029 --> 00:18:57,360

right there gulfstream uh marine air

552

00:19:01,990 --> 00:18:59,039

station buford i mean there's just

553

00:19:03,590 --> 00:19:02,000

it's surrounded and so one thing when

554

00:19:05,190 --> 00:19:03,600

you're working nights so consistently

555

00:19:06,310 --> 00:19:05,200

there for years you do you learn the

556

00:19:08,630 --> 00:19:06,320

flight patterns

557

00:19:10,549 --> 00:19:08,640

and so you learn where the flight lanes

558

00:19:12,310 --> 00:19:10,559

are between bases you learn what is

559

00:19:14,950 --> 00:19:12,320

normal what's not normal

560

00:19:16,789 --> 00:19:14,960

um i saw a lot of weird stuff late at

561

00:19:18,789 --> 00:19:16,799

night people be very surprised at kind

562

00:19:21,510 --> 00:19:18,799

of just a strange

563

00:19:22,710 --> 00:19:21,520

uh military type activity that goes on

564

00:19:25,190 --> 00:19:22,720

in those areas at two

565

00:19:26,710 --> 00:19:25,200

three o'clock in the morning um but i

566

00:19:29,830 --> 00:19:26,720

knew it was always

567

00:19:32,789 --> 00:19:29,840

military and it was always ours um

568

00:19:33,350 --> 00:19:32,799

there's nothing weirder than seeing a uh

569

00:19:35,750 --> 00:19:33,360

one of the

570

00:19:37,510 --> 00:19:35,760

drone helicopters come flying over about

571

00:19:39,029 --> 00:19:37,520

300 feet overhead you can look in and

572

00:19:39,750 --> 00:19:39,039

see there's no pilot you're like oh my

573

00:19:43,190 --> 00:19:39,760

god

574

00:19:44,870 --> 00:19:43,200

but um and even weird you know i

575

00:19:46,310 --> 00:19:44,880

they would do a lot of training the

576  
00:19:48,390 --> 00:19:46,320  
f-22s would come in

577  
00:19:49,350 --> 00:19:48,400  
and so they do these uh red team blue

578  
00:19:50,710 --> 00:19:49,360  
team where you have

579  
00:19:52,470 --> 00:19:50,720  
jets that are pretending to be the bad

580  
00:19:53,110 --> 00:19:52,480  
guys and they go flying out over the

581  
00:19:54,950 --> 00:19:53,120  
ocean

582  
00:19:56,549 --> 00:19:54,960  
dog fighting playing games and so i saw

583  
00:19:59,750 --> 00:19:56,559  
a lot of this but

584  
00:20:01,590 --> 00:19:59,760  
what i saw that night was

585  
00:20:03,190 --> 00:20:01,600  
not consistent with any of that and it

586  
00:20:05,669 --> 00:20:03,200  
was out it wasn't in

587  
00:20:08,070 --> 00:20:05,679  
the flight lanes it wasn't in the normal

588  
00:20:10,310 --> 00:20:08,080

spots that i knew everything

589

00:20:12,230 --> 00:20:10,320

and so yeah i you know i guess i don't

590

00:20:15,029 --> 00:20:12,240

know i'm definitely always said i don't

591

00:20:17,750 --> 00:20:15,039

have a prosaic explanation for it

592

00:20:20,149 --> 00:20:17,760

but at the same time my my sighting in

593

00:20:23,029 --> 00:20:20,159

particular was not nearly as dramatic

594

00:20:24,710 --> 00:20:23,039

as a lot of people's you know even

595

00:20:26,390 --> 00:20:24,720

commander fravor and some of the more

596

00:20:29,270 --> 00:20:26,400

famous ones who know what they saw

597

00:20:29,909 --> 00:20:29,280

mine didn't challenge my version of

598

00:20:31,430 --> 00:20:29,919

reality

599

00:20:33,430 --> 00:20:31,440

let me put it that way because it i

600

00:20:35,669 --> 00:20:33,440

didn't see it perform anything

601  
00:20:36,950 --> 00:20:35,679  
that just wasn't characteristic with

602  
00:20:39,110 --> 00:20:36,960  
flight performance

603  
00:20:39,990 --> 00:20:39,120  
but at the same time i don't have

604  
00:20:42,149 --> 00:20:40,000  
anything

605  
00:20:43,110 --> 00:20:42,159  
that could match that you know flares it

606  
00:20:45,270 --> 00:20:43,120  
wasn't flares

607  
00:20:46,230 --> 00:20:45,280  
i know that i don't know i don't know

608  
00:20:49,750 --> 00:20:46,240  
what it was

609  
00:20:52,310 --> 00:20:49,760  
but yeah i don't know hopefully one day

610  
00:20:54,310 --> 00:20:52,320  
but i don't know hey man best answer

611  
00:20:56,070 --> 00:20:54,320  
anyone could ever give is i don't know i

612  
00:20:57,590 --> 00:20:56,080  
agree with you 100

613  
00:20:59,430 --> 00:20:57,600

on that because i don't think any of us

614

00:21:00,870 --> 00:20:59,440

truly know including the government

615

00:21:04,470 --> 00:21:00,880

which we will get to

616

00:21:04,789 --> 00:21:04,480

but um yeah i guess um sort of wrapping

617

00:21:09,029 --> 00:21:04,799

up

618

00:21:12,070 --> 00:21:09,039

your tim mcmillan as a ufo witness

619

00:21:13,110 --> 00:21:12,080

um your background in cognitive science

620

00:21:16,630 --> 00:21:13,120

how did you

621

00:21:18,230 --> 00:21:16,640

the ufo topic

622

00:21:19,590 --> 00:21:18,240

thank you for asking me ryan and that's

623

00:21:21,110 --> 00:21:19,600

why i said i appreciate having the

624

00:21:22,630 --> 00:21:21,120

opportunity to share

625

00:21:24,950 --> 00:21:22,640

i've never shied away from sharing my

626

00:21:26,390 --> 00:21:24,960

exciting experience and i

627

00:21:27,430 --> 00:21:26,400

really don't nobody ever asked this

628

00:21:28,310 --> 00:21:27,440

maybe it's my fault because i don't

629

00:21:30,870 --> 00:21:28,320

share it but

630

00:21:32,470 --> 00:21:30,880

um a lot of people don't realize that

631

00:21:33,350 --> 00:21:32,480

yeah long before i started writing

632

00:21:35,669 --> 00:21:33,360

articles

633

00:21:36,950 --> 00:21:35,679

or anything for popular mechanics or

634

00:21:39,350 --> 00:21:36,960

vice

635

00:21:40,549 --> 00:21:39,360

i was researching the ufo topic from

636

00:21:42,149 --> 00:21:40,559

that background

637

00:21:44,950 --> 00:21:42,159

in cognitive psychology and in

638

00:21:45,830 --> 00:21:44,960

particular my focus was on perception

639

00:21:47,830 --> 00:21:45,840  
studies

640

00:21:49,510 --> 00:21:47,840  
and perception-based research and kind

641

00:21:52,070 --> 00:21:49,520  
of you know like how we form

642

00:21:53,909 --> 00:21:52,080  
reality what how's camouflage work these

643

00:21:56,470 --> 00:21:53,919  
types of things and how

644

00:21:57,590 --> 00:21:56,480  
i helped design and develop some courses

645

00:21:58,070 --> 00:21:57,600  
for both the state and the federal

646

00:22:01,029 --> 00:21:58,080  
government

647

00:22:01,750 --> 00:22:01,039  
for how you can increase awareness and

648

00:22:04,070 --> 00:22:01,760  
perception

649

00:22:06,470 --> 00:22:04,080  
for officer safety or just plain be

650

00:22:08,630 --> 00:22:06,480  
better cops or better law enforcement or

651  
00:22:09,830 --> 00:22:08,640  
better you know security in general how

652  
00:22:13,350 --> 00:22:09,840  
you can pick out

653  
00:22:15,350 --> 00:22:13,360  
the right patterns and um my approach

654  
00:22:19,110 --> 00:22:15,360  
for the first seven years of this

655  
00:22:21,510 --> 00:22:19,120  
was uh i i purposely avoided

656  
00:22:23,430 --> 00:22:21,520  
what we will just i'm going to lump into

657  
00:22:24,390 --> 00:22:23,440  
this kind of ad hoc group called the ufo

658  
00:22:27,750 --> 00:22:24,400  
community

659  
00:22:28,310 --> 00:22:27,760  
um just because you know as a researcher

660  
00:22:30,549 --> 00:22:28,320  
that

661  
00:22:31,750 --> 00:22:30,559  
you know the problem when you're engaged

662  
00:22:34,149 --> 00:22:31,760  
in anything like this

663  
00:22:35,750 --> 00:22:34,159

is um psychology research is very

664

00:22:37,590 --> 00:22:35,760

difficult because the object of study is

665

00:22:40,630 --> 00:22:37,600

being studied by the object of study

666

00:22:41,029 --> 00:22:40,640

meaning the human mind so you try to you

667

00:22:42,549 --> 00:22:41,039

know

668

00:22:44,789 --> 00:22:42,559

kick out anything that could form your

669

00:22:46,950 --> 00:22:44,799

own biases in there so i try to avoid

670

00:22:49,909 --> 00:22:46,960

other people's theories hypothesis

671

00:22:51,510 --> 00:22:49,919

and instead um i examined the literature

672

00:22:53,590 --> 00:22:51,520

that was out there and felt like there

673

00:22:55,909 --> 00:22:53,600

was one area that i didn't see a lot of

674

00:22:57,510 --> 00:22:55,919

on i think jacques valet had really

675

00:22:57,990 --> 00:22:57,520

probably would be the closest and that

676  
00:23:00,390 --> 00:22:58,000  
was

677  
00:23:01,909 --> 00:23:00,400  
you know tracking down other people that

678  
00:23:05,430 --> 00:23:01,919  
had had sightings

679  
00:23:07,029 --> 00:23:05,440  
and trying to examine this this strange

680  
00:23:10,070 --> 00:23:07,039  
hypothesis of wondering

681  
00:23:12,470 --> 00:23:10,080  
if is what people see

682  
00:23:14,710 --> 00:23:12,480  
you know what they think they're seeing

683  
00:23:17,590 --> 00:23:14,720  
is that really what they're seeing

684  
00:23:18,070 --> 00:23:17,600  
and this is strange but it our brains

685  
00:23:21,110 --> 00:23:18,080  
are strange

686  
00:23:21,750 --> 00:23:21,120  
life strange it relates to how do we

687  
00:23:24,789 --> 00:23:21,760  
process

688  
00:23:26,630 --> 00:23:24,799

information when we have no other a

689

00:23:28,390 --> 00:23:26,640

language to describe it which is

690

00:23:29,909 --> 00:23:28,400

vitaly important i i happen to be a

691

00:23:31,830 --> 00:23:29,919

huge advocate of

692

00:23:33,909 --> 00:23:31,840

cognitive linguistic theory which means

693

00:23:35,270 --> 00:23:33,919

that our language helps form our

694

00:23:37,669 --> 00:23:35,280

cognitive perceptions

695

00:23:39,190 --> 00:23:37,679

and so a great example of this and uh

696

00:23:40,390 --> 00:23:39,200

usually blows everybody's mind i tell

697

00:23:42,549 --> 00:23:40,400

them google it and check it out

698

00:23:43,830 --> 00:23:42,559

but don't just look at the the popular

699

00:23:45,590 --> 00:23:43,840

science articles you know

700

00:23:47,029 --> 00:23:45,600

there is some good empirical studies

701  
00:23:48,310 --> 00:23:47,039  
look at that because that's we'll give

702  
00:23:51,510 --> 00:23:48,320  
you the good stuff but

703  
00:23:54,230 --> 00:23:51,520  
there's a host of good empirical studies

704  
00:23:55,909 --> 00:23:54,240  
um that showing that human beings

705  
00:23:59,350 --> 00:23:55,919  
couldn't perceive the color

706  
00:24:02,950 --> 00:23:59,360  
blue uh up until about 2000 years ago

707  
00:24:03,430 --> 00:24:02,960  
so really um yeah sounds so crazy

708  
00:24:05,590 --> 00:24:03,440  
doesn't it

709  
00:24:07,830 --> 00:24:05,600  
because blue is everywhere around it's

710  
00:24:10,870 --> 00:24:07,840  
the sky what the hell the sky look like

711  
00:24:12,789 --> 00:24:10,880  
um but yeah no i mean

712  
00:24:14,310 --> 00:24:12,799  
there's some great studies there you

713  
00:24:15,830 --> 00:24:14,320

know in fact the

714

00:24:17,510 --> 00:24:15,840

blue is not mentioned blue doesn't

715

00:24:20,070 --> 00:24:17,520

become mentioned until

716

00:24:21,669 --> 00:24:20,080

egypt really and egypt i give this kind

717

00:24:23,430 --> 00:24:21,679

of 2000 year window but

718

00:24:24,950 --> 00:24:23,440

i think egypt has some references a

719

00:24:26,230 --> 00:24:24,960

little further back than that but but

720

00:24:28,549 --> 00:24:26,240

especially in europe and

721

00:24:29,269 --> 00:24:28,559

in the east the blue is not referenced

722

00:24:31,830 --> 00:24:29,279

in any

723

00:24:33,830 --> 00:24:31,840

literature uh what is often called blue

724

00:24:36,710 --> 00:24:33,840

or sapphire in the bible is a

725

00:24:37,909 --> 00:24:36,720

mistranslation of the hebrew but uh

726

00:24:39,909 --> 00:24:37,919

people didn't see blue

727

00:24:40,950 --> 00:24:39,919

so what we're talking about here is the

728

00:24:43,350 --> 00:24:40,960

idea that

729

00:24:45,350 --> 00:24:43,360

if something is just a visual stimuli

730

00:24:46,310 --> 00:24:45,360

and if you have no inference from it you

731

00:24:49,510 --> 00:24:46,320

don't know what

732

00:24:52,549 --> 00:24:49,520

your brain kicks it out

733

00:24:55,029 --> 00:24:52,559

and as as weird as that sounds it's

734

00:24:56,470 --> 00:24:55,039

you know it's interesting that ufos are

735

00:24:57,590 --> 00:24:56,480

considered fringe science but the stuff

736

00:25:00,630 --> 00:24:57,600

that's real science is

737

00:25:03,190 --> 00:25:00,640

pretty crazy as well but that's

738

00:25:04,710 --> 00:25:03,200

accepted science you know our um the

739

00:25:07,029 --> 00:25:04,720

thalamus in our brain just to get a

740

00:25:10,149 --> 00:25:07,039

little nerdy here acts as a gatekeeper

741

00:25:13,029 --> 00:25:10,159

and so there's a lot of extraneous uh

742

00:25:14,470 --> 00:25:13,039

external stimuli that every moment gets

743

00:25:16,149 --> 00:25:14,480

kicked out by our brains

744

00:25:17,909 --> 00:25:16,159

because it's like a screw that that's

745

00:25:19,190 --> 00:25:17,919

not important yeah you know

746

00:25:21,029 --> 00:25:19,200

and there's a lot of good studies now

747

00:25:22,870 --> 00:25:21,039

coming out on lsd

748

00:25:24,630 --> 00:25:22,880

that's what the lsd does it just throws

749

00:25:25,669 --> 00:25:24,640

the thalamus wide open and floods with

750

00:25:28,310 --> 00:25:25,679

all these signals

751  
00:25:29,830 --> 00:25:28,320  
um and so you know it's not doesn't mean

752  
00:25:31,590 --> 00:25:29,840  
you're seeing a pink elephant floating

753  
00:25:33,110 --> 00:25:31,600  
by if you're on lsd it just means that

754  
00:25:34,390 --> 00:25:33,120  
your brain is picking up a stimuli that

755  
00:25:37,430 --> 00:25:34,400  
may normally be kicked out

756  
00:25:38,230 --> 00:25:37,440  
and then trying to interpret it the best

757  
00:25:41,510 --> 00:25:38,240  
that it can

758  
00:25:43,590 --> 00:25:41,520  
and so that was how i approached it was

759  
00:25:45,590 --> 00:25:43,600  
examining is the possibility here that

760  
00:25:48,070 --> 00:25:45,600  
people are seeing something

761  
00:25:49,909 --> 00:25:48,080  
it still can be sentient it could be

762  
00:25:52,950 --> 00:25:49,919  
cognitive it could be intelligent

763  
00:25:53,909 --> 00:25:52,960

it could um be interactive

764

00:25:56,310 --> 00:25:53,919

you know all the things that we

765

00:25:58,630 --> 00:25:56,320

associate with all the other hypothesis

766

00:25:59,430 --> 00:25:58,640

of interdimensionals aliens all these

767

00:26:01,029 --> 00:25:59,440

things are

768

00:26:02,950 --> 00:26:01,039

i guess technically still on the table

769

00:26:03,430 --> 00:26:02,960

but my question was do they look like

770

00:26:07,190 --> 00:26:03,440

what we

771

00:26:09,350 --> 00:26:07,200

think we're looking at and there's some

772

00:26:11,110 --> 00:26:09,360

interesting evidence that that could

773

00:26:12,630 --> 00:26:11,120

suggest maybe not

774

00:26:14,310 --> 00:26:12,640

for example if you look at the

775

00:26:14,870 --> 00:26:14,320

literature you know you can go back to

776

00:26:21,669 --> 00:26:14,880

the

777

00:26:23,590 --> 00:26:21,679

and uh people's versions of ufos and

778

00:26:24,470 --> 00:26:23,600

these what we would call now ufo flap

779

00:26:28,070 --> 00:26:24,480

that were

780

00:26:30,789 --> 00:26:28,080

uh mechanical air ships

781

00:26:31,590 --> 00:26:30,799

that were piloted by human beings that's

782

00:26:33,750 --> 00:26:31,600

what they saw

783

00:26:35,510 --> 00:26:33,760

that's what they reported but this

784

00:26:37,190 --> 00:26:35,520

coincided with the

785

00:26:39,269 --> 00:26:37,200

really the kind of technological zygote

786

00:26:40,870 --> 00:26:39,279

to the top we knew we were on the cusp

787

00:26:41,909 --> 00:26:40,880

of mechanical air flight it hadn't been

788

00:26:44,789 --> 00:26:41,919

developed yet

789

00:26:46,390 --> 00:26:44,799

and so you know fast forward uh i'll

790

00:26:47,430 --> 00:26:46,400

just skip into the 40s with the fly

791

00:26:50,710 --> 00:26:47,440

saucers but

792

00:26:52,630 --> 00:26:50,720

um they didn't become alien until we

793

00:26:54,549 --> 00:26:52,640

realized that after rocket technology

794

00:26:56,549 --> 00:26:54,559

was being developed and

795

00:26:58,070 --> 00:26:56,559

that the idea of leaving the earth's

796

00:27:00,470 --> 00:26:58,080

atmosphere was a

797

00:27:01,990 --> 00:27:00,480

potential possibility it was possible so

798

00:27:03,430 --> 00:27:02,000

once it becomes possible that we could

799

00:27:04,789 --> 00:27:03,440

possibly do it well then somebody else

800

00:27:07,830 --> 00:27:04,799

could too and come here

801  
00:27:11,269 --> 00:27:07,840  
and um kind of the disc lenticular shape

802  
00:27:13,590 --> 00:27:11,279  
lost a time but but back in the late 30s

803  
00:27:14,950 --> 00:27:13,600  
early 40s this was kind of perceived to

804  
00:27:17,029 --> 00:27:14,960  
be the aerospace

805  
00:27:18,630 --> 00:27:17,039  
design for the future uh you know it was

806  
00:27:20,230 --> 00:27:18,640  
gonna be aerodynamic this is this is

807  
00:27:21,830 --> 00:27:20,240  
what we're going to look like

808  
00:27:23,669 --> 00:27:21,840  
and then you know if you continue to

809  
00:27:24,230 --> 00:27:23,679  
kind of fast forward even today i think

810  
00:27:25,430 --> 00:27:24,240  
that

811  
00:27:27,750 --> 00:27:25,440  
you'll hear a lot of the leading

812  
00:27:30,710 --> 00:27:27,760  
hypothesis is that these are

813  
00:27:32,470 --> 00:27:30,720

these could be ai drones of some

814

00:27:32,950 --> 00:27:32,480  
extraterrestrial origin this type of

815

00:27:36,310 --> 00:27:32,960  
thing

816

00:27:38,070 --> 00:27:36,320  
but it just coincides with what you know

817

00:27:39,669 --> 00:27:38,080  
it's always just a step ahead of what

818

00:27:42,230 --> 00:27:39,679  
our technology

819

00:27:43,590 --> 00:27:42,240  
potential um and how these things are

820

00:27:45,510 --> 00:27:43,600  
perceived so they you know

821

00:27:46,950 --> 00:27:45,520  
they look like tic tacs now they look

822

00:27:49,590 --> 00:27:46,960  
like something else

823

00:27:51,750 --> 00:27:49,600  
they kind of change form i wish that i

824

00:27:54,310 --> 00:27:51,760  
could give you a firm conclusion

825

00:27:56,149 --> 00:27:54,320  
to that there's several historians i

826

00:27:58,230 --> 00:27:56,159

interviewed in the book as well

827

00:27:59,190 --> 00:27:58,240

and scientists and i'm so happy you

828

00:28:01,669 --> 00:27:59,200

brought this up

829

00:28:03,350 --> 00:28:01,679

because they all sort of you can tell

830

00:28:05,430 --> 00:28:03,360

they're on the same path

831

00:28:07,590 --> 00:28:05,440

in how they're viewing the ufo

832

00:28:09,830 --> 00:28:07,600

phenomenon and how we perceive it

833

00:28:11,029 --> 00:28:09,840

and i think you're right it's it's this

834

00:28:13,590 --> 00:28:11,039

aspiration

835

00:28:14,310 --> 00:28:13,600

and this like what could be you know

836

00:28:16,389 --> 00:28:14,320

where we

837

00:28:17,909 --> 00:28:16,399

our pilots are seeing something so far

838

00:28:20,630 --> 00:28:17,919

advanced and sophisticated

839

00:28:22,389 --> 00:28:20,640

that we don't personally possess and you

840

00:28:24,310 --> 00:28:22,399

know not until we started

841

00:28:26,070 --> 00:28:24,320

looking to the stars and wanting to

842

00:28:29,990 --> 00:28:26,080

travel elsewhere to

843

00:28:33,110 --> 00:28:30,000

maybe find life that's what becomes this

844

00:28:35,269 --> 00:28:33,120

this lore and these

845

00:28:36,950 --> 00:28:35,279

sightings throughout time is like you

846

00:28:39,350 --> 00:28:36,960

said that one step ahead of us

847

00:28:40,230 --> 00:28:39,360

all the way up and right now and for a

848

00:28:42,630 --> 00:28:40,240

while it's been

849

00:28:43,510 --> 00:28:42,640

alien you know and like you said maybe

850

00:28:45,590 --> 00:28:43,520

eventually it'll be

851  
00:28:47,990 --> 00:28:45,600  
interdimensional maybe we'll we'll

852  
00:28:48,870 --> 00:28:48,000  
circle back to bigfoot coming off a ufo

853  
00:28:51,750 --> 00:28:48,880  
i don't know man

854  
00:28:54,310 --> 00:28:51,760  
but i mean that'll be fun yeah right but

855  
00:28:56,710 --> 00:28:54,320  
no it is very fascinating and um

856  
00:28:57,590 --> 00:28:56,720  
when you look at the decades of ufos

857  
00:29:00,470 --> 00:28:57,600  
like you said

858  
00:29:02,149 --> 00:29:00,480  
airships up to saucers to triangles now

859  
00:29:04,070 --> 00:29:02,159  
we're seeing more

860  
00:29:05,190 --> 00:29:04,080  
stuff that represents what could be some

861  
00:29:08,230 --> 00:29:05,200  
sort of unmanned

862  
00:29:09,669 --> 00:29:08,240  
drone activity so yeah no i think um

863  
00:29:11,750 --> 00:29:09,679

i think it's a really interesting

864

00:29:13,110 --> 00:29:11,760

approach that you took and and something

865

00:29:16,710 --> 00:29:13,120

i think we need to look

866

00:29:19,190 --> 00:29:16,720

further into um but okay so taking

867

00:29:20,389 --> 00:29:19,200

taking off the uh the tim mcmillan

868

00:29:24,149 --> 00:29:20,399

witness hat

869

00:29:27,750 --> 00:29:24,159

um let's move to to some hard

870

00:29:30,070 --> 00:29:27,760

investigative journalism tim um

871

00:29:31,190 --> 00:29:30,080

done we gotta go there man this is gonna

872

00:29:34,310 --> 00:29:31,200

be fun um

873

00:29:36,710 --> 00:29:34,320

let's paint a picture of this massive

874

00:29:38,950 --> 00:29:36,720

article you wrote in february of 2020

875

00:29:42,070 --> 00:29:38,960

for popular mechanics it was titled

876  
00:29:44,549 --> 00:29:42,080  
inside the pentagon's secret ufo program

877  
00:29:46,230 --> 00:29:44,559  
and you unearthed some pretty

878  
00:29:48,149 --> 00:29:46,240  
interesting stuff and i think you

879  
00:29:50,710 --> 00:29:48,159  
dropped this if i can remember

880  
00:29:52,389 --> 00:29:50,720  
on valentine's day i think or it was

881  
00:29:53,990 --> 00:29:52,399  
right around there

882  
00:29:56,789 --> 00:29:54,000  
it was the perfect gift you could have

883  
00:29:58,789 --> 00:29:56,799  
given me tim for valentine's day so um

884  
00:30:00,630 --> 00:29:58,799  
yeah maybe tell us a little about this

885  
00:30:03,110 --> 00:30:00,640  
article and maybe some of your biggest

886  
00:30:05,590 --> 00:30:03,120  
takeaways you personally gained from uh

887  
00:30:07,590 --> 00:30:05,600  
looking into this one sure yes and it

888  
00:30:09,669 --> 00:30:07,600

was on valentine's day in fact uh

889

00:30:11,510 --> 00:30:09,679

our good buddy micah hanks will tell you

890

00:30:12,389 --> 00:30:11,520

he refers to that as the valentine's day

891

00:30:15,909 --> 00:30:12,399

massacre

892

00:30:17,430 --> 00:30:15,919

um that's perfect yeah i think i think

893

00:30:17,830 --> 00:30:17,440

for the pentagon's sake because it put a

894

00:30:21,669 --> 00:30:17,840

lot of

895

00:30:24,070 --> 00:30:21,679

yeah well first of all

896

00:30:25,510 --> 00:30:24,080

you know nothing but respect and love

897

00:30:27,990 --> 00:30:25,520

for popular mechanics who

898

00:30:29,750 --> 00:30:28,000

you know i'm a freelancer and they

899

00:30:31,350 --> 00:30:29,760

allowed me to

900

00:30:33,350 --> 00:30:31,360

share that entire article in its

901  
00:30:35,590 --> 00:30:33,360  
totality because it was a monsters

902  
00:30:37,110 --> 00:30:35,600  
you know about a six seven thousand word

903  
00:30:39,510 --> 00:30:37,120  
piece which anybody who's ever written

904  
00:30:41,669 --> 00:30:39,520  
for publications will tell you that yeah

905  
00:30:42,549 --> 00:30:41,679  
most editors are like give me a thousand

906  
00:30:46,950 --> 00:30:42,559  
fifteen hundred words

907  
00:30:48,710 --> 00:30:46,960  
tops if you're lucky yeah yeah no but uh

908  
00:30:51,350 --> 00:30:48,720  
really that article kind of exemplifies

909  
00:30:54,389 --> 00:30:51,360  
my approach to it and the info that i i

910  
00:30:55,510 --> 00:30:54,399  
try to share i don't work in volume

911  
00:30:57,909 --> 00:30:55,520  
that's what's fortunate about being

912  
00:30:59,990 --> 00:30:57,919  
freelance is it allows me to

913  
00:31:01,830 --> 00:31:00,000

pitch something when i'm ready and not

914

00:31:02,630 --> 00:31:01,840

also have to be assigned stuff and so i

915

00:31:05,909 --> 00:31:02,640

don't have to

916

00:31:07,830 --> 00:31:05,919

turn smaller pieces and instead

917

00:31:09,750 --> 00:31:07,840

what that article was is that really the

918

00:31:12,149 --> 00:31:09,760

accumulation of just what it said

919

00:31:13,669 --> 00:31:12,159

over a year or more worth of

920

00:31:18,230 --> 00:31:13,679

investigation

921

00:31:21,509 --> 00:31:18,240

into the atip the advanced aerial threat

922

00:31:23,590 --> 00:31:21,519

identification program or osap the

923

00:31:26,389 --> 00:31:23,600

oh lord which is uh the advanced

924

00:31:29,750 --> 00:31:26,399

aerospace weapon systems program

925

00:31:31,750 --> 00:31:29,760

something you know um

926  
00:31:33,269 --> 00:31:31,760  
right on alphabet soup always with these

927  
00:31:34,789 --> 00:31:33,279  
things

928  
00:31:38,560 --> 00:31:34,799  
yeah just stick to the three-letter

929  
00:31:43,669 --> 00:31:41,830  
[Music]

930  
00:31:45,509 --> 00:31:43,679  
what's up guys ryan sprague here and i'm

931  
00:31:46,149 --> 00:31:45,519  
just dropping in to remind you about our

932  
00:31:48,230 --> 00:31:46,159  
patreon

933  
00:31:49,590 --> 00:31:48,240  
campaign somewhere in the skies is

934  
00:31:51,509 --> 00:31:49,600  
always free to consume

935  
00:31:53,750 --> 00:31:51,519  
but it's not free to create so if you

936  
00:31:55,990 --> 00:31:53,760  
want to help the show on a monthly basis

937  
00:31:56,789 --> 00:31:56,000  
we have tons of rewards for you in

938  
00:31:58,470 --> 00:31:56,799

return

939

00:32:01,430 --> 00:31:58,480

including shout outs on the show and

940

00:32:04,389 --> 00:32:01,440

website bonus content and episodes

941

00:32:06,070 --> 00:32:04,399

and free merch want to be my guest or

942

00:32:08,230 --> 00:32:06,080

pick a topic for the show

943

00:32:10,310 --> 00:32:08,240

you can do that too so if you'd like to

944

00:32:13,750 --> 00:32:10,320

learn more and to help support the show

945

00:32:21,509 --> 00:32:13,760

visit [patreon.com/summerskies](https://patreon.com/summerskies)

946

00:32:25,350 --> 00:32:24,149

but yeah so those official programs that

947

00:32:27,590 --> 00:32:25,360

were being sponsored for

948

00:32:30,230 --> 00:32:27,600

run by the government in some capacity

949

00:32:32,789 --> 00:32:30,240

was my investigations into them

950

00:32:34,789 --> 00:32:32,799

you know what did they involve yeah and

951  
00:32:36,630 --> 00:32:34,799  
and really when i began these things

952  
00:32:38,310 --> 00:32:36,640  
uh you know as recently as last year i

953  
00:32:41,190 --> 00:32:38,320  
think there was still a lot of

954  
00:32:41,669 --> 00:32:41,200  
controversy over did they even exist at

955  
00:32:43,350 --> 00:32:41,679  
all

956  
00:32:45,110 --> 00:32:43,360  
or were they being embellished and

957  
00:32:48,149 --> 00:32:45,120  
everything and so

958  
00:32:49,750 --> 00:32:48,159  
i i approached that article just like i

959  
00:32:52,789 --> 00:32:49,760  
approached any of them which

960  
00:32:53,669 --> 00:32:52,799  
is for me it's as if i'm presenting a

961  
00:32:56,310 --> 00:32:53,679  
case to court

962  
00:32:57,750 --> 00:32:56,320  
so i'm not a classical king journalist i

963  
00:32:59,190 --> 00:32:57,760

tell people i'm not a journalist i'm an

964

00:33:02,389 --> 00:32:59,200

investigator who will write stuff

965

00:33:05,430 --> 00:33:02,399

sometimes but i go with what i know

966

00:33:07,990 --> 00:33:05,440

and that is can i present a case

967

00:33:08,950 --> 00:33:08,000

that i believe provides more than enough

968

00:33:11,509 --> 00:33:08,960

probable cause

969

00:33:13,190 --> 00:33:11,519

it could end up in a conviction of

970

00:33:14,710 --> 00:33:13,200

something beyond a reasonable doubt and

971

00:33:16,070 --> 00:33:14,720

that's what i get before i present that

972

00:33:19,509 --> 00:33:16,080

and for this

973

00:33:21,110 --> 00:33:19,519

that's what it was was examining a was

974

00:33:23,029 --> 00:33:21,120

was the government officially looking at

975

00:33:26,310 --> 00:33:23,039

ufos as it been reported

976

00:33:27,909 --> 00:33:26,320

in what capacity what scope and so it

977

00:33:28,389 --> 00:33:27,919

kind of splinters in from there because

978

00:33:31,830 --> 00:33:28,399

it was

979

00:33:34,549 --> 00:33:31,840

you know you had some denials about uh

980

00:33:35,669 --> 00:33:34,559

luis salazanda a former employee with

981

00:33:37,350 --> 00:33:35,679

the under secretary of defense for

982

00:33:39,669 --> 00:33:37,360

intelligence office former executive

983

00:33:41,830 --> 00:33:39,679

you said he had ran this ufo program

984

00:33:44,549 --> 00:33:41,840

from 2012 until he resigned

985

00:33:45,029 --> 00:33:44,559

in 2017 and it was you know the pentagon

986

00:33:47,110 --> 00:33:45,039

had

987

00:33:48,630 --> 00:33:47,120

disputed this even i mean there was just

988

00:33:51,430 --> 00:33:48,640

a lot of confusion

989

00:33:52,310 --> 00:33:51,440

going on and this was my attempt to get

990

00:33:55,190 --> 00:33:52,320

away

991

00:33:55,990 --> 00:33:55,200

or to to get a handle on that and i feel

992

00:33:58,310 --> 00:33:56,000

like i did

993

00:33:59,350 --> 00:33:58,320

uh i walked away from it you talk about

994

00:34:02,630 --> 00:33:59,360

the biggest takeaways

995

00:34:03,669 --> 00:34:02,640

is that i think there was an absolute

996

00:34:06,470 --> 00:34:03,679

just

997

00:34:07,350 --> 00:34:06,480

wealth of evidence in my opinion both

998

00:34:10,389 --> 00:34:07,360

both physical

999

00:34:10,790 --> 00:34:10,399

and testimonial and people that i talked

1000

00:34:12,470 --> 00:34:10,800

to

1001  
00:34:14,149 --> 00:34:12,480  
stuff that i tracked down the showing

1002  
00:34:17,349 --> 00:34:14,159  
indeed you know the

1003  
00:34:19,909 --> 00:34:17,359  
the us government had commissioned a

1004  
00:34:21,750 --> 00:34:19,919  
that the offsat program and indeed it

1005  
00:34:23,750 --> 00:34:21,760  
was a ufo program

1006  
00:34:25,909 --> 00:34:23,760  
one of the most strikingly interesting

1007  
00:34:28,869 --> 00:34:25,919  
things that i was able to discover

1008  
00:34:30,869 --> 00:34:28,879  
was how the government was able to kind

1009  
00:34:31,829 --> 00:34:30,879  
of deny it and why the lack of

1010  
00:34:34,950 --> 00:34:31,839  
information

1011  
00:34:37,430 --> 00:34:34,960  
and this was because they they ran it

1012  
00:34:39,270 --> 00:34:37,440  
uh similar to what's called a carve out

1013  
00:34:41,190 --> 00:34:39,280

when you when you you see carveouts

1014

00:34:43,909 --> 00:34:41,200

typically in the intelligence

1015

00:34:46,629 --> 00:34:43,919

industry and technology industry almost

1016

00:34:48,470 --> 00:34:46,639

exclusively defense some acquisitions

1017

00:34:50,710 --> 00:34:48,480

but this just means hidden programs so

1018

00:34:52,790 --> 00:34:50,720

it means uh in this case

1019

00:34:54,710 --> 00:34:52,800

if you read the solicitation order or if

1020

00:34:56,149 --> 00:34:54,720

you read the materials for what this

1021

00:34:58,710 --> 00:34:56,159

program was supposed to be

1022

00:35:01,349 --> 00:34:58,720

it read like they were examining

1023

00:35:03,510 --> 00:35:01,359

advanced aerospace platforms from

1024

00:35:05,589 --> 00:35:03,520

40 years in the future so what's the

1025

00:35:07,109 --> 00:35:05,599

landscape in the aerospace industry

1026  
00:35:08,710 --> 00:35:07,119  
in the defense aerospace industry going

1027  
00:35:11,270 --> 00:35:08,720  
to look like 40 years from now

1028  
00:35:12,069 --> 00:35:11,280  
and that was true they weren't lying

1029  
00:35:15,270 --> 00:35:12,079  
though

1030  
00:35:17,190 --> 00:35:15,280  
however what they were examining

1031  
00:35:19,750 --> 00:35:17,200  
to try to get an idea of where the

1032  
00:35:22,150 --> 00:35:19,760  
technological innovation was going

1033  
00:35:22,870 --> 00:35:22,160  
had to do with examining ufos and so

1034  
00:35:25,510 --> 00:35:22,880  
there you know

1035  
00:35:26,550 --> 00:35:25,520  
the object of study was ufos and i mean

1036  
00:35:28,790 --> 00:35:26,560  
there was

1037  
00:35:30,550 --> 00:35:28,800  
there's no doubt in my mind that that

1038  
00:35:32,230 --> 00:35:30,560

went on and then

1039

00:35:34,310 --> 00:35:32,240

after that was shut down you know

1040

00:35:36,310 --> 00:35:34,320

defunded in 2012.

1041

00:35:37,750 --> 00:35:36,320

there was some idea of whether or not

1042

00:35:40,150 --> 00:35:37,760

you know did it carry on

1043

00:35:40,870 --> 00:35:40,160

you know luis salazando said he did

1044

00:35:42,230 --> 00:35:40,880

carry it on

1045

00:35:43,829 --> 00:35:42,240

brought it over with him to the

1046

00:35:44,310 --> 00:35:43,839

secretary of defense's office and

1047

00:35:46,790 --> 00:35:44,320

frankly

1048

00:35:48,310 --> 00:35:46,800

i was able to find that there's a ton of

1049

00:35:50,950 --> 00:35:48,320

compelling evidence that shows

1050

00:35:52,150 --> 00:35:50,960

indeed that happened and it wasn't it's

1051

00:35:54,390 --> 00:35:52,160

still to this day i think a lot of

1052

00:35:56,710 --> 00:35:54,400

people get confused and they think

1053

00:35:57,430 --> 00:35:56,720

where's the atip office as if there's

1054

00:36:00,069 --> 00:35:57,440

like this

1055

00:36:01,030 --> 00:36:00,079

building with a flagpole out front um

1056

00:36:03,109 --> 00:36:01,040

and that's not how

1057

00:36:04,150 --> 00:36:03,119

that's not how it works and in fact

1058

00:36:06,150 --> 00:36:04,160

frankly

1059

00:36:07,670 --> 00:36:06,160

uh for me a lot of things that other

1060

00:36:09,589 --> 00:36:07,680

people questioned and draw up

1061

00:36:11,270 --> 00:36:09,599

conspiracies and think are weird

1062

00:36:13,109 --> 00:36:11,280

in my experience in dealing with just

1063

00:36:14,710 --> 00:36:13,119

the intelligence industry in the defense

1064

00:36:15,270 --> 00:36:14,720

industry i was like now this is totally

1065

00:36:18,550 --> 00:36:15,280

normal

1066

00:36:20,069 --> 00:36:18,560

this is exactly how things happen um

1067

00:36:21,670 --> 00:36:20,079

you know it was the program was what's

1068

00:36:22,150 --> 00:36:21,680

called bootstrapped which meant it

1069

00:36:24,710 --> 00:36:22,160

wasn't

1070

00:36:26,630 --> 00:36:24,720

appropriated funding but yet it was

1071

00:36:27,510 --> 00:36:26,640

officially approved and so it was kind

1072

00:36:29,510 --> 00:36:27,520

of

1073

00:36:31,109 --> 00:36:29,520

borrowing money from other programs and

1074

00:36:32,550 --> 00:36:31,119

stealing from paul to feed peter and

1075

00:36:35,670 --> 00:36:32,560

mary but still engaging

1076  
00:36:38,310 --> 00:36:35,680  
in this uh endeavor to examine once all

1077  
00:36:41,190 --> 00:36:38,320  
sap ended in atip examining

1078  
00:36:42,870 --> 00:36:41,200  
these encounters of what they're now

1079  
00:36:44,069 --> 00:36:42,880  
referring to as unidentified aerial

1080  
00:36:46,790 --> 00:36:44,079  
phenomena

1081  
00:36:49,109 --> 00:36:46,800  
by people in the united states military

1082  
00:36:53,109 --> 00:36:49,119  
if that in itself is really interesting

1083  
00:36:55,510 --> 00:36:53,119  
and there's no doubt in my mind that

1084  
00:36:57,829 --> 00:36:55,520  
i don't know everything they examined

1085  
00:37:00,390 --> 00:36:57,839  
but that whatever it was and

1086  
00:37:02,069 --> 00:37:00,400  
through a lot of conversations with him

1087  
00:37:03,910 --> 00:37:02,079  
especially after the articles

1088  
00:37:04,790 --> 00:37:03,920

for stuff i'm working on in the future

1089

00:37:05,910 --> 00:37:04,800

and everything but a lot of

1090

00:37:09,190 --> 00:37:05,920

conversations with

1091

00:37:10,390 --> 00:37:09,200

mr elizondo you know whatever he did see

1092

00:37:11,910 --> 00:37:10,400

and whatever they were doing was

1093

00:37:13,270 --> 00:37:11,920

compelling enough that he was willing to

1094

00:37:15,510 --> 00:37:13,280

quit his job

1095

00:37:17,190 --> 00:37:15,520

and bring it out in the open maybe into

1096

00:37:18,710 --> 00:37:17,200

this weird medium that people don't

1097

00:37:20,550 --> 00:37:18,720

understand with time to long

1098

00:37:21,990 --> 00:37:20,560

but if i had to say anything the biggest

1099

00:37:24,550 --> 00:37:22,000

takeaways from that article

1100

00:37:26,310 --> 00:37:24,560

for me is that everything that we had

1101

00:37:27,990 --> 00:37:26,320

heard kind of up to that point

1102

00:37:30,950 --> 00:37:28,000

about the government's interest in ufos

1103

00:37:32,710 --> 00:37:30,960

and there was compelling evidence

1104

00:37:34,390 --> 00:37:32,720

both for the existence of these objects

1105

00:37:35,510 --> 00:37:34,400

and uh that the government was

1106

00:37:37,750 --> 00:37:35,520

interested in that

1107

00:37:39,589 --> 00:37:37,760

is absolutely true i think the evidence

1108

00:37:41,109 --> 00:37:39,599

showed that but for me i think that was

1109

00:37:43,030 --> 00:37:41,119

the biggest takeaways that allowed me to

1110

00:37:43,910 --> 00:37:43,040

move forward and go okay well that all

1111

00:37:45,990 --> 00:37:43,920

is real

1112

00:37:47,109 --> 00:37:46,000

so now let's keep going forward and i

1113

00:37:48,710 --> 00:37:47,119

think a lot of people

1114

00:37:50,550 --> 00:37:48,720

were like yeah yeah but it was real for

1115

00:37:53,270 --> 00:37:50,560

me anyway and i'm like yeah

1116

00:37:54,069 --> 00:37:53,280

but it wasn't for me yet there wasn't

1117

00:37:56,230 --> 00:37:54,079

that compelling

1118

00:37:57,510 --> 00:37:56,240

there wasn't enough evidence for me like

1119

00:37:59,589 --> 00:37:57,520

i said to bring a court case

1120

00:38:00,550 --> 00:37:59,599

but i think so now all right and so it's

1121

00:38:03,349 --> 00:38:00,560

it's interesting

1122

00:38:04,310 --> 00:38:03,359

and and i think you know it's ex vitally

1123

00:38:07,750 --> 00:38:04,320

important

1124

00:38:08,230 --> 00:38:07,760

that uh these things do get scrutinized

1125

00:38:11,910 --> 00:38:08,240

and

1126  
00:38:13,349 --> 00:38:11,920  
uh you know criticized in some ways um

1127  
00:38:15,430 --> 00:38:13,359  
for the claims that they're bringing

1128  
00:38:17,109 --> 00:38:15,440  
forth you know when the original story

1129  
00:38:20,069 --> 00:38:17,119  
broke in the new york times

1130  
00:38:21,270 --> 00:38:20,079  
like yeah good fine this is amazing but

1131  
00:38:23,270 --> 00:38:21,280  
then you start seeing

1132  
00:38:24,710 --> 00:38:23,280  
like well let's really look at it and

1133  
00:38:26,550 --> 00:38:24,720  
see if it is what they

1134  
00:38:28,150 --> 00:38:26,560  
say it is and this and that and i think

1135  
00:38:29,190 --> 00:38:28,160  
for me the takeaway from your article

1136  
00:38:31,510 --> 00:38:29,200  
tim is uh

1137  
00:38:34,550 --> 00:38:31,520  
pretty much what you said but that this

1138  
00:38:36,790 --> 00:38:34,560

was a ufo program because that was

1139

00:38:38,150 --> 00:38:36,800

the contention for a while is did they

1140

00:38:39,990 --> 00:38:38,160

actually study

1141

00:38:41,589 --> 00:38:40,000

unidentified aerial phenomena are we

1142

00:38:45,030 --> 00:38:41,599

talking you know

1143

00:38:46,390 --> 00:38:45,040

um rivaling nations aerospace programs

1144

00:38:50,230 --> 00:38:46,400

or are we talking about

1145

00:38:50,710 --> 00:38:50,240

a non-human technology being displayed

1146

00:38:52,950 --> 00:38:50,720

and

1147

00:38:54,790 --> 00:38:52,960

i think what your article did is it

1148

00:38:57,430 --> 00:38:54,800

cleared up a lot of misconceptions

1149

00:38:58,950 --> 00:38:57,440

it showed the stovepiping and the

1150

00:39:00,310 --> 00:38:58,960

complexity of

1151  
00:39:02,950 --> 00:39:00,320  
the government we always look at the

1152  
00:39:04,950 --> 00:39:02,960  
government as uh this capital g

1153  
00:39:06,310 --> 00:39:04,960  
the government knows what ufos are

1154  
00:39:06,870 --> 00:39:06,320  
they're not telling us well what does

1155  
00:39:08,470 --> 00:39:06,880  
that mean

1156  
00:39:10,950 --> 00:39:08,480  
you know i mean the government is made

1157  
00:39:13,670 --> 00:39:10,960  
up of hundreds of thousands of people

1158  
00:39:14,550 --> 00:39:13,680  
and like you said different programs so

1159  
00:39:16,710 --> 00:39:14,560  
yeah i think

1160  
00:39:17,829 --> 00:39:16,720  
i think it really cleared up a lot in

1161  
00:39:21,030 --> 00:39:17,839  
there there's

1162  
00:39:23,190 --> 00:39:21,040  
so much more so that'll be coming out

1163  
00:39:24,150 --> 00:39:23,200

soon and i hate i don't like teasing

1164

00:39:27,349 --> 00:39:24,160

stuff and so

1165

00:39:28,950 --> 00:39:27,359

don't call it a tease but there is more

1166

00:39:32,390 --> 00:39:28,960

info that i'll come out with

1167

00:39:33,829 --> 00:39:32,400

soon that will give a lot more

1168

00:39:35,750 --> 00:39:33,839

hopefully it'll give people a lot better

1169

00:39:39,030 --> 00:39:35,760

understanding of indeed

1170

00:39:43,430 --> 00:39:39,040

this ufo problem in government

1171

00:39:44,870 --> 00:39:43,440

and recognize that a lot of things that

1172

00:39:46,550 --> 00:39:44,880

maybe don't make sense on the outside or

1173

00:39:47,750 --> 00:39:46,560

they're attributed to cover-ups and all

1174

00:39:50,150 --> 00:39:47,760

these different things

1175

00:39:51,349 --> 00:39:50,160

they're actually very very normal

1176

00:39:54,870 --> 00:39:51,359

bureaucratic

1177

00:39:55,990 --> 00:39:54,880

and you know this confusion and

1178

00:39:57,990 --> 00:39:56,000

things that go on government

1179

00:39:59,349 --> 00:39:58,000

is largely when it comes to this topic

1180

00:40:01,430 --> 00:39:59,359

is largely from the fact that

1181

00:40:03,190 --> 00:40:01,440

you know in the eyes of the department

1182

00:40:05,589 --> 00:40:03,200

of defense policy

1183

00:40:06,790 --> 00:40:05,599

uh official policy such a rigid

1184

00:40:10,230 --> 00:40:06,800

structure

1185

00:40:12,630 --> 00:40:10,240

as department of defense it lacks any

1186

00:40:15,109 --> 00:40:12,640

framework and so therefore

1187

00:40:16,150 --> 00:40:15,119

ufos and the normal channels of things

1188

00:40:18,870 --> 00:40:16,160

don't exist

1189

00:40:20,230 --> 00:40:18,880

like even to this day that the term uap

1190

00:40:22,150 --> 00:40:20,240

which they formally use

1191

00:40:23,510 --> 00:40:22,160

and has been approved by the general

1192

00:40:25,589 --> 00:40:23,520

counsel's office

1193

00:40:27,829 --> 00:40:25,599

it's not an official joint chiefs

1194

00:40:29,589 --> 00:40:27,839

acronym that seems silly to people but

1195

00:40:31,190 --> 00:40:29,599

it really is i mean like the words that

1196

00:40:33,109 --> 00:40:31,200

are used in the department of defense

1197

00:40:35,109 --> 00:40:33,119

just so many things are very very rigid

1198

00:40:37,750 --> 00:40:35,119

and all policy outlined and

1199

00:40:39,670 --> 00:40:37,760

for whatever reason ufos are not and

1200

00:40:42,950 --> 00:40:39,680

therefore it's very difficult

1201  
00:40:44,790 --> 00:40:42,960  
to get any kind of concise

1202  
00:40:46,630 --> 00:40:44,800  
information or really to be concise even

1203  
00:40:49,349 --> 00:40:46,640  
if you're working in

1204  
00:40:50,150 --> 00:40:49,359  
that system so you know public affairs

1205  
00:40:52,470 --> 00:40:50,160  
people

1206  
00:40:53,589 --> 00:40:52,480  
you know i don't think there's any overt

1207  
00:40:55,910 --> 00:40:53,599  
cover-up

1208  
00:40:56,790 --> 00:40:55,920  
by a lot of people it's very very human

1209  
00:40:58,630 --> 00:40:56,800  
and normal

1210  
00:41:01,190 --> 00:40:58,640  
now one of the things that'll come out

1211  
00:41:03,030 --> 00:41:01,200  
is why was general mattis never

1212  
00:41:04,710 --> 00:41:03,040  
you know because luella sandoz said i

1213  
00:41:06,069 --> 00:41:04,720

wanted to you know he wanted to get this

1214

00:41:07,990 --> 00:41:06,079

in front of the secretary of defense and

1215

00:41:11,510 --> 00:41:08,000

above or why didn't that happen

1216

00:41:13,910 --> 00:41:11,520

and um i i talked to those people

1217

00:41:14,790 --> 00:41:13,920

the advisers that were there that were

1218

00:41:16,390 --> 00:41:14,800

briefed by

1219

00:41:18,150 --> 00:41:16,400

luke who confirmed everything he had

1220

00:41:19,349 --> 00:41:18,160

said that far

1221

00:41:21,990 --> 00:41:19,359

and being briefed all the way back to

1222

00:41:22,309 --> 00:41:22,000

late 2016. but the reasons it didn't

1223

00:41:24,950 --> 00:41:22,319

move

1224

00:41:26,630 --> 00:41:24,960

up once you hear them you're like oh man

1225

00:41:29,190 --> 00:41:26,640

that makes so much sense

1226

00:41:30,150 --> 00:41:29,200

it's not nearly it's not nearly as

1227

00:41:32,390 --> 00:41:30,160

exciting as people

1228

00:41:33,270 --> 00:41:32,400

probably want but it makes it real world

1229

00:41:36,309 --> 00:41:33,280

and

1230

00:41:39,030 --> 00:41:36,319

i think that's important you know

1231

00:41:40,390 --> 00:41:39,040

absolutely yeah once it's a real world

1232

00:41:43,430 --> 00:41:40,400

it's real it's not

1233

00:41:46,309 --> 00:41:43,440

the world of fantasy and uh

1234

00:41:48,710 --> 00:41:46,319

even good critical open-minded skeptics

1235

00:41:50,710 --> 00:41:48,720

hear that go yeah that makes sense

1236

00:41:52,309 --> 00:41:50,720

i get that i think that's what's

1237

00:41:53,750 --> 00:41:52,319

important and um

1238

00:41:55,510 --> 00:41:53,760

so yeah no i mean once you see the

1239

00:41:56,550 --> 00:41:55,520

layers of bureaucracy involved in all

1240

00:41:59,430 --> 00:41:56,560

this stuff

1241

00:42:00,950 --> 00:41:59,440

you realize it's a very nuanced topic

1242

00:42:02,630 --> 00:42:00,960

that

1243

00:42:04,870 --> 00:42:02,640

it lacks a lot of the excitement people

1244

00:42:08,390 --> 00:42:04,880

hope for in terms of

1245

00:42:10,790 --> 00:42:08,400

like mj 12 cover-ups right topics

1246

00:42:12,470 --> 00:42:10,800

oh we we will get to that tim for sure

1247

00:42:14,950 --> 00:42:12,480

huh because there's another

1248

00:42:17,510 --> 00:42:14,960

another set of documents that uh we're

1249

00:42:19,589 --> 00:42:17,520

gonna talk about but before we get there

1250

00:42:20,950 --> 00:42:19,599

yeah i think you're right it's like it's

1251

00:42:23,910 --> 00:42:20,960

depressingly real

1252

00:42:24,470 --> 00:42:23,920

is a way to put it um so a lot has

1253

00:42:26,309 --> 00:42:24,480

happened

1254

00:42:28,150 --> 00:42:26,319

to him since you know the a-tip

1255

00:42:28,950 --> 00:42:28,160

revelations and everything we just

1256

00:42:32,309 --> 00:42:28,960

discussed

1257

00:42:35,510 --> 00:42:32,319

um up to the navy in regards to ufos

1258

00:42:37,829 --> 00:42:35,520

and now we know that there were

1259

00:42:40,069 --> 00:42:37,839

congressional meetings that took place

1260

00:42:41,829 --> 00:42:40,079

and now a bill a bill trying to be

1261

00:42:44,710 --> 00:42:41,839

passed concerning a

1262

00:42:45,750 --> 00:42:44,720

ufo task force so i have to get your

1263

00:42:46,870 --> 00:42:45,760

opinion on this

1264

00:42:48,790 --> 00:42:46,880

could you maybe give us a little

1265

00:42:51,829 --> 00:42:48,800

background on what this bill

1266

00:42:53,589 --> 00:42:51,839

is tim and uh who's working on it and um

1267

00:42:54,630 --> 00:42:53,599

you know with your knowledge of national

1268

00:42:56,550 --> 00:42:54,640

security

1269

00:42:58,150 --> 00:42:56,560

special access programs all this sort of

1270

00:43:00,710 --> 00:42:58,160

stuff what do you feel

1271

00:43:01,510 --> 00:43:00,720

that uh what do you feel we can expect

1272

00:43:03,829 --> 00:43:01,520

from this

1273

00:43:04,630 --> 00:43:03,839

senate intelligence committee that we

1274

00:43:07,349 --> 00:43:04,640

are now

1275

00:43:08,630 --> 00:43:07,359

learning about sure yeah yeah this was

1276

00:43:11,990 --> 00:43:08,640

what so what's come out

1277

00:43:13,670 --> 00:43:12,000

in uh i guess it was june yeah

1278

00:43:14,950 --> 00:43:13,680

is june is is we're getting ready for

1279

00:43:16,790 --> 00:43:14,960

the fiscal years they're getting ready

1280

00:43:20,390 --> 00:43:16,800

to do all the boring budget stuff

1281

00:43:21,750 --> 00:43:20,400

and uh the senate select intelligence

1282

00:43:23,270 --> 00:43:21,760

committee so this is made up of

1283

00:43:25,589 --> 00:43:23,280

different representatives who are

1284

00:43:26,630 --> 00:43:25,599

on this committee uh whose job is

1285

00:43:29,670 --> 00:43:26,640

oversight and

1286

00:43:32,069 --> 00:43:29,680

delegating um assignments tasks and

1287

00:43:33,990 --> 00:43:32,079

and requests to the intelligence

1288

00:43:35,990 --> 00:43:34,000

community which includes

1289

00:43:38,550 --> 00:43:36,000

all the department offense the cia all

1290

00:43:39,589 --> 00:43:38,560

everybody the the big scary ones the ufo

1291

00:43:43,109 --> 00:43:39,599

community is afraid of

1292

00:43:46,550 --> 00:43:43,119

and they included in the the

1293

00:43:48,309 --> 00:43:46,560

fiscal year 2021 intelligence

1294

00:43:51,430 --> 00:43:48,319

authorization act

1295

00:43:53,510 --> 00:43:51,440

a provision requesting uh

1296

00:43:55,190 --> 00:43:53,520

they first of all they specifically you

1297

00:43:56,069 --> 00:43:55,200

know it was titled the advanced aerial

1298

00:43:59,589 --> 00:43:56,079

threats

1299

00:44:02,950 --> 00:43:59,599

um so in terms of exciting news

1300

00:44:05,030 --> 00:44:02,960

for for some people is that it again now

1301  
00:44:06,470 --> 00:44:05,040  
it in no uncertain terms it put it in

1302  
00:44:09,670 --> 00:44:06,480  
legislative language

1303  
00:44:11,910 --> 00:44:09,680  
acknowledging that there was a uap

1304  
00:44:12,790 --> 00:44:11,920  
or unidentified aerial phenomena task

1305  
00:44:15,349 --> 00:44:12,800  
force

1306  
00:44:16,470 --> 00:44:15,359  
that was being run out of the office of

1307  
00:44:19,670 --> 00:44:16,480  
naval intelligence

1308  
00:44:21,829 --> 00:44:19,680  
is the who's heading up this this task

1309  
00:44:24,790 --> 00:44:21,839  
force

1310  
00:44:25,510 --> 00:44:24,800  
they were currently investigating uh ufo

1311  
00:44:27,349 --> 00:44:25,520  
sightings

1312  
00:44:29,589 --> 00:44:27,359  
and so you know this cooperated what

1313  
00:44:31,030 --> 00:44:29,599

we've been told um

1314

00:44:33,030 --> 00:44:31,040

by all intents i think this is just a

1315

00:44:35,190 --> 00:44:33,040

continuation of the same program

1316

00:44:36,870 --> 00:44:35,200

in fact i know it is it's a continuation

1317

00:44:39,109 --> 00:44:36,880

of the program that uh

1318

00:44:40,390 --> 00:44:39,119

mr lozano was running up until he left

1319

00:44:41,990 --> 00:44:40,400

in 2017.

1320

00:44:44,069 --> 00:44:42,000

and so that's real you know it's in

1321

00:44:47,349 --> 00:44:44,079

legislative language but then

1322

00:44:48,790 --> 00:44:47,359

a part of this provision is that uh

1323

00:44:50,470 --> 00:44:48,800

they there was an expression that they

1324

00:44:55,190 --> 00:44:50,480

were concerned

1325

00:44:57,910 --> 00:44:55,200

in terms of what was the inter-agency

1326  
00:44:58,230 --> 00:44:57,920  
cooperation in examining this so you

1327  
00:44:59,990 --> 00:44:58,240  
know

1328  
00:45:01,589 --> 00:45:00,000  
is everybody talking with each other

1329  
00:45:01,990 --> 00:45:01,599  
does the task force have the authority

1330  
00:45:04,950 --> 00:45:02,000  
to

1331  
00:45:06,390 --> 00:45:04,960  
and find out things you have the

1332  
00:45:09,030 --> 00:45:06,400  
authority to reach out to the

1333  
00:45:09,829 --> 00:45:09,040  
air force the cia or whoever and so they

1334  
00:45:12,230 --> 00:45:09,839  
asked for

1335  
00:45:13,829 --> 00:45:12,240  
kind of this is fairly normal is this is

1336  
00:45:15,430 --> 00:45:13,839  
kind of this is part of the oversight

1337  
00:45:16,069 --> 00:45:15,440  
process they want to know what is the

1338  
00:45:18,069 --> 00:45:16,079

status

1339

00:45:19,750 --> 00:45:18,079

of this program right now all the you

1340

00:45:20,870 --> 00:45:19,760

know how the collection methods are

1341

00:45:23,109 --> 00:45:20,880

going

1342

00:45:24,630 --> 00:45:23,119

what agencies are participating how well

1343

00:45:27,030 --> 00:45:24,640

are they participating

1344

00:45:27,670 --> 00:45:27,040

and what could or should we be doing

1345

00:45:30,470 --> 00:45:27,680

better

1346

00:45:31,990 --> 00:45:30,480

and uh it provided i think the most

1347

00:45:34,710 --> 00:45:32,000

exciting thing for the public

1348

00:45:36,710 --> 00:45:34,720

was it said uh you know the request

1349

00:45:40,309 --> 00:45:36,720

specifically said that they wanted an

1350

00:45:43,270 --> 00:45:40,319

unclassified report on all of this with

1351

00:45:44,710 --> 00:45:43,280

a classified annex so if there's any

1352

00:45:45,430 --> 00:45:44,720

classified information you put in that

1353

00:45:47,750 --> 00:45:45,440

but

1354

00:45:49,430 --> 00:45:47,760

we want this all to be unclassified so

1355

00:45:50,069 --> 00:45:49,440

by nature that means it's public

1356

00:45:52,309 --> 00:45:50,079

information

1357

00:45:53,349 --> 00:45:52,319

you know its current status is it it was

1358

00:45:55,430 --> 00:45:53,359

voted and

1359

00:45:57,270 --> 00:45:55,440

passed unanimously in the intelligence

1360

00:45:59,510 --> 00:45:57,280

committee so now it will

1361

00:46:00,710 --> 00:45:59,520

go through all of that uh you know

1362

00:46:03,190 --> 00:46:00,720

schoolhouse rock

1363

00:46:05,910 --> 00:46:03,200

uh i'm a bill on capitol hill i'm i'm

1364

00:46:08,230 --> 00:46:05,920

picturing that right now in my head yeah

1365

00:46:10,069 --> 00:46:08,240

yep it's gotta go through the house and

1366

00:46:12,069 --> 00:46:10,079

then the senate and everybody votes and

1367

00:46:12,950 --> 00:46:12,079

if there's any disputes they bicker and

1368

00:46:15,829 --> 00:46:12,960

try to

1369

00:46:17,349 --> 00:46:15,839

uh work that out you know i i think with

1370

00:46:19,190 --> 00:46:17,359

a pretty good high a pretty high degree

1371

00:46:21,829 --> 00:46:19,200

of certainty i think it will pass

1372

00:46:22,390 --> 00:46:21,839

because uh this specific request isn't

1373

00:46:24,390 --> 00:46:22,400

uh

1374

00:46:26,230 --> 00:46:24,400

it's just a request and it's there's no

1375

00:46:28,950 --> 00:46:26,240

there's no money attached to it

1376

00:46:31,190 --> 00:46:28,960

so there's not a funding thing uh and

1377

00:46:32,710 --> 00:46:31,200

ufos aren't really a partisan issue

1378

00:46:34,950 --> 00:46:32,720

you know it's you're not going to see it

1379

00:46:36,069 --> 00:46:34,960

become a big feud between republicans

1380

00:46:39,030 --> 00:46:36,079

and democrats over

1381

00:46:40,470 --> 00:46:39,040

and so i don't i think it will stay in i

1382

00:46:41,109 --> 00:46:40,480

think it'll be passed i think it'll get

1383

00:46:43,270 --> 00:46:41,119

signed

1384

00:46:44,470 --> 00:46:43,280

it's what comes next which will be

1385

00:46:45,990 --> 00:46:44,480

interesting

1386

00:46:47,430 --> 00:46:46,000

right and what do you think of that tip

1387

00:46:48,470 --> 00:46:47,440

because i know a lot of people are

1388

00:46:51,430 --> 00:46:48,480

really focusing

1389

00:46:52,390 --> 00:46:51,440

on that uh unclassified part obviously

1390

00:46:55,510 --> 00:46:52,400

as the public

1391

00:46:57,430 --> 00:46:55,520

so yeah what do you make of it yeah

1392

00:46:59,109 --> 00:46:57,440

and i gotta this is the time this is why

1393

00:47:00,150 --> 00:46:59,119

you said people on ufo twitter or

1394

00:47:03,190 --> 00:47:00,160

whatever will be like

1395

00:47:03,670 --> 00:47:03,200

you know blasphemy burn the witch uh you

1396

00:47:07,030 --> 00:47:03,680

know i

1397

00:47:08,790 --> 00:47:07,040

i think that people should probably be

1398

00:47:11,030 --> 00:47:08,800

pretty tempered in their expectations of

1399

00:47:13,030 --> 00:47:11,040

what an unclassified report

1400

00:47:15,030 --> 00:47:13,040

is going to say or if it is even

1401  
00:47:16,309 --> 00:47:15,040  
produced and everybody says but wait

1402  
00:47:19,349 --> 00:47:16,319  
it's in the bill

1403  
00:47:20,630 --> 00:47:19,359  
i go i know but um

1404  
00:47:23,430 --> 00:47:20,640  
first thing's important is to understand

1405  
00:47:25,990 --> 00:47:23,440  
that this is a request it is not a law

1406  
00:47:27,589 --> 00:47:26,000  
so technically the director of national

1407  
00:47:29,910 --> 00:47:27,599  
intelligence and o and i can say yeah

1408  
00:47:32,549 --> 00:47:29,920  
thanks for your quest take care

1409  
00:47:33,510 --> 00:47:32,559  
and not fulfill the request if that

1410  
00:47:35,349 --> 00:47:33,520  
sounds crazy

1411  
00:47:37,349 --> 00:47:35,359  
just you know do a little research about

1412  
00:47:39,349 --> 00:47:37,359  
the department of defense

1413  
00:47:41,430 --> 00:47:39,359

budget audit i think they were requested

1414

00:47:43,589 --> 00:47:41,440

to audit their budget in 1999.

1415

00:47:45,030 --> 00:47:43,599

they're still waiting on that they're

1416

00:47:47,910 --> 00:47:45,040

working on it it takes a while

1417

00:47:49,109 --> 00:47:47,920

yeah so and the other thing is is that

1418

00:47:50,630 --> 00:47:49,119

i'm just saying

1419

00:47:53,430 --> 00:47:50,640

this is where it's hard because i think

1420

00:47:56,230 --> 00:47:53,440

people the ufo topic especially

1421

00:47:56,950 --> 00:47:56,240

for people of even my generation so i'll

1422

00:47:59,190 --> 00:47:56,960

be

1423

00:48:01,750 --> 00:47:59,200

how about you almost 40 in a year i got

1424

00:48:04,309 --> 00:48:01,760

to be 39 this october so even you know

1425

00:48:06,710 --> 00:48:04,319

born in the 80s we haven't seen a lot of

1426

00:48:08,150 --> 00:48:06,720

the political ufo actions like you used

1427

00:48:11,430 --> 00:48:08,160

to see back in the 60s

1428

00:48:13,270 --> 00:48:11,440

um 70s this type of thing and so

1429

00:48:14,870 --> 00:48:13,280

we're people maybe a little more excited

1430

00:48:16,950 --> 00:48:14,880

about it than they

1431

00:48:18,230 --> 00:48:16,960

maybe should be because at the end of

1432

00:48:22,549 --> 00:48:18,240

the day

1433

00:48:24,150 --> 00:48:22,559

if you have objects that are unknown

1434

00:48:26,390 --> 00:48:24,160

and they're real so they're showing up

1435

00:48:26,870 --> 00:48:26,400

on sensors you have visual sightings by

1436

00:48:29,510 --> 00:48:26,880

train

1437

00:48:30,950 --> 00:48:29,520

military personnel multiple sensors

1438

00:48:32,230 --> 00:48:30,960

identifying these objects so there's no

1439

00:48:34,630 --> 00:48:32,240

doubt in your mind these are real

1440

00:48:35,589 --> 00:48:34,640

but you can't identify them and they're

1441

00:48:38,950 --> 00:48:35,599

flying

1442

00:48:42,630 --> 00:48:38,960

in proximity or over secured airspace

1443

00:48:45,910 --> 00:48:42,640

secure facilities in combat areas

1444

00:48:49,349 --> 00:48:45,920

this is an unmitigated vulnerability

1445

00:48:50,230 --> 00:48:49,359

to national defense and i know

1446

00:48:52,630 --> 00:48:50,240

you know people are going to be like

1447

00:48:55,990 --> 00:48:52,640

what no the space brothers they love us

1448

00:48:57,990 --> 00:48:56,000

i okay i got that but unfortunately

1449

00:48:59,589 --> 00:48:58,000

at least from everything that i know

1450

00:49:00,870 --> 00:48:59,599

from the defense side the space brothers

1451

00:49:03,030 --> 00:49:00,880

have not conveyed that

1452

00:49:04,630 --> 00:49:03,040

to the military and so when

1453

00:49:05,270 --> 00:49:04,640

vulnerabilities national defense are

1454

00:49:07,589 --> 00:49:05,280

things that are

1455

00:49:08,710 --> 00:49:07,599

very very very very very very classified

1456

00:49:10,790 --> 00:49:08,720

they're not discussed

1457

00:49:12,790 --> 00:49:10,800

for very obvious reasons right you know

1458

00:49:14,549 --> 00:49:12,800

you're not going to say hey guys

1459

00:49:16,309 --> 00:49:14,559

that new stuff that you know russia

1460

00:49:19,990 --> 00:49:16,319

china iran's scott

1461

00:49:22,790 --> 00:49:20,000

that would kick our ass so this is not

1462

00:49:23,829 --> 00:49:22,800

what happens and so until those are

1463

00:49:26,069 --> 00:49:23,839

mitigated risk

1464

00:49:27,910 --> 00:49:26,079

and so till those vulnerabilities until

1465

00:49:28,230 --> 00:49:27,920

you have some understanding of what it

1466

00:49:31,510 --> 00:49:28,240

is

1467

00:49:33,829 --> 00:49:31,520

and then uh are able to

1468

00:49:35,190 --> 00:49:33,839

you feel confident that risk associated

1469

00:49:36,390 --> 00:49:35,200

with that can be mitigated those are

1470

00:49:39,430 --> 00:49:36,400

highly classified

1471

00:49:41,750 --> 00:49:39,440

and so everything we see right now

1472

00:49:43,510 --> 00:49:41,760

is encouraging for anybody who's ever

1473

00:49:45,190 --> 00:49:43,520

been ridiculed for

1474

00:49:46,950 --> 00:49:45,200

being interested in the ufo subject for

1475

00:49:47,990 --> 00:49:46,960

having their own siding for saying that

1476

00:49:51,109 --> 00:49:48,000

these are real

1477

00:49:51,750 --> 00:49:51,119

it is being treated very much like it is

1478

00:49:58,710 --> 00:49:51,760

real

1479

00:50:00,230 --> 00:49:58,720

meaning from the defense and military

1480

00:50:04,069 --> 00:50:00,240

side it's going

1481

00:50:06,069 --> 00:50:04,079

to be treated that way and um so i guess

1482

00:50:08,710 --> 00:50:06,079

i'll have to default background and say

1483

00:50:10,790 --> 00:50:08,720

in terms of what we will actually see

1484

00:50:12,630 --> 00:50:10,800

from a rep unclassified report i don't

1485

00:50:15,589 --> 00:50:12,640

know i wouldn't

1486

00:50:17,750 --> 00:50:15,599

right now get my hopes up and believe

1487

00:50:20,549 --> 00:50:17,760

that we're going to see

1488

00:50:21,750 --> 00:50:20,559

incredible you know videos and

1489

00:50:25,109 --> 00:50:21,760

incredible data

1490

00:50:25,430 --> 00:50:25,119

and uh you know greg roswell wreckage

1491

00:50:29,190 --> 00:50:25,440

and

1492

00:50:31,510 --> 00:50:29,200

foresee that happen

1493

00:50:33,270 --> 00:50:31,520

but with some tempered expectations and

1494

00:50:35,190 --> 00:50:33,280

recognizing okay this is being treated

1495

00:50:38,390 --> 00:50:35,200

as a real subject

1496

00:50:41,670 --> 00:50:38,400

maybe even just the a report saying

1497

00:50:44,870 --> 00:50:41,680

this number of uap events

1498

00:50:47,270 --> 00:50:44,880

occurred under this period of time

1499

00:50:48,150 --> 00:50:47,280

that in itself for me i think is

1500

00:50:50,470 --> 00:50:48,160

impressive

1501  
00:50:53,349 --> 00:50:50,480  
because just kind of understanding what

1502  
00:50:55,670 --> 00:50:53,359  
goes on into the national defense

1503  
00:50:57,190 --> 00:50:55,680  
spear of things if you can the idea that

1504  
00:50:59,030 --> 00:50:57,200  
you could have multiple

1505  
00:51:01,109 --> 00:50:59,040  
uh sightings of something like this are

1506  
00:51:03,270 --> 00:51:01,119  
multiple events that are unidentified

1507  
00:51:04,790 --> 00:51:03,280  
on multiple different sensor systems

1508  
00:51:07,750 --> 00:51:04,800  
that's impressive

1509  
00:51:08,950 --> 00:51:07,760  
and that's not you know that's if a

1510  
00:51:12,390 --> 00:51:08,960  
foreign adversary

1511  
00:51:13,349 --> 00:51:12,400  
terrestrial origin has that that's

1512  
00:51:16,870 --> 00:51:13,359  
impressive

1513  
00:51:18,549 --> 00:51:16,880

because there's i mean it's just

1514

00:51:20,630 --> 00:51:18,559

you almost hope it's aliens at that

1515

00:51:22,630 --> 00:51:20,640

point right yeah that's what that's what

1516

00:51:23,030 --> 00:51:22,640

senator rubio who was the designer of

1517

00:51:28,150 --> 00:51:23,040

the

1518

00:51:29,109 --> 00:51:28,160

his name's on it and that's what he said

1519

00:51:59,109 --> 00:51:29,119

i

1520

00:52:01,109 --> 00:51:59,119

and hype

1521

00:52:02,470 --> 00:52:01,119

for something that people have been

1522

00:52:04,630 --> 00:52:02,480

waiting for maybe

1523

00:52:06,549 --> 00:52:04,640

for the last six months or so and that

1524

00:52:07,109 --> 00:52:06,559

was the new york times article a lot of

1525

00:52:10,150 --> 00:52:07,119

us thought

1526  
00:52:12,630 --> 00:52:10,160  
nope it's not happening it did happen

1527  
00:52:13,910 --> 00:52:12,640  
so kudos to those who said it was going

1528  
00:52:16,230 --> 00:52:13,920  
to but um

1529  
00:52:17,030 --> 00:52:16,240  
it may not have been what a lot of us

1530  
00:52:19,990 --> 00:52:17,040  
expected

1531  
00:52:21,030 --> 00:52:20,000  
or wanted but um some people hated it

1532  
00:52:23,910 --> 00:52:21,040  
some people didn't

1533  
00:52:24,309 --> 00:52:23,920  
but as of this recording now we have two

1534  
00:52:28,309 --> 00:52:24,319  
new

1535  
00:52:30,069 --> 00:52:28,319  
out tim so i got to ask your opinion on

1536  
00:52:32,630 --> 00:52:30,079  
this what did you take away

1537  
00:52:33,670 --> 00:52:32,640  
from either of these articles and this

1538  
00:52:37,510 --> 00:52:33,680

talk of

1539

00:52:40,150 --> 00:52:37,520

off-world vehicles that just has gone

1540

00:52:41,670 --> 00:52:40,160

insane in the mainstream and the

1541

00:52:43,990 --> 00:52:41,680

alternative

1542

00:52:45,829 --> 00:52:44,000

uh media yeah what do you make of the

1543

00:52:48,549 --> 00:52:45,839

new york times articles tim

1544

00:52:49,910 --> 00:52:48,559

okay yeah no i and count me as one of

1545

00:52:50,390 --> 00:52:49,920

the people who never doubted it was

1546

00:52:54,470 --> 00:52:50,400

coming

1547

00:52:55,109 --> 00:52:54,480

group of people jumping up and down

1548

00:52:57,750 --> 00:52:55,119

saying

1549

00:52:59,349 --> 00:52:57,760

kind of like i just did for this uh

1550

00:53:02,390 --> 00:52:59,359

unclassified report of that

1551  
00:53:03,750 --> 00:53:02,400  
provision to say hey guys we need to we

1552  
00:53:05,109 --> 00:53:03,760  
need to calm down a little bit

1553  
00:53:06,790 --> 00:53:05,119  
because i don't think it's going to be

1554  
00:53:07,430 --> 00:53:06,800  
what you think it's going to be so first

1555  
00:53:10,069 --> 00:53:07,440  
of all

1556  
00:53:11,109 --> 00:53:10,079  
you know i'll give my overall impression

1557  
00:53:13,990 --> 00:53:11,119  
and this is no

1558  
00:53:15,589 --> 00:53:14,000  
disrespect to the writers or anybody if

1559  
00:53:17,030 --> 00:53:15,599  
they're open to critique just like i am

1560  
00:53:18,390 --> 00:53:17,040  
for any of my work as well

1561  
00:53:20,390 --> 00:53:18,400  
it really does go back to what i was

1562  
00:53:22,630 --> 00:53:20,400  
just saying about the idea of

1563  
00:53:25,190 --> 00:53:22,640

treating this subject as the real world

1564

00:53:27,270 --> 00:53:25,200

and maybe not as much

1565

00:53:29,349 --> 00:53:27,280

of the fantasy or as excitement as we've

1566

00:53:31,910 --> 00:53:29,359

seen in the ufo community or

1567

00:53:33,589 --> 00:53:31,920

in fiction or anything else and that is

1568

00:53:36,870 --> 00:53:33,599

for me i think

1569

00:53:40,069 --> 00:53:36,880

if you're going to cover something

1570

00:53:43,430 --> 00:53:40,079

that is discussing crashed ufos

1571

00:53:45,510 --> 00:53:43,440

or off-world technologies or off-world

1572

00:53:49,030 --> 00:53:45,520

crafts i think is how they termed it

1573

00:53:52,390 --> 00:53:49,040

that's really freaking huge that's a

1574

00:53:53,349 --> 00:53:52,400

big deal and especially if you're

1575

00:53:55,510 --> 00:53:53,359

talking about

1576  
00:53:56,710 --> 00:53:55,520  
the because the you know i don't think

1577  
00:53:58,870 --> 00:53:56,720  
it was overtly said

1578  
00:54:00,150 --> 00:53:58,880  
but the implicit implication here is

1579  
00:54:01,990 --> 00:54:00,160  
that there's a government cover-up

1580  
00:54:03,670 --> 00:54:02,000  
uh you know never said roswell i don't

1581  
00:54:05,349 --> 00:54:03,680  
think in that article but everybody was

1582  
00:54:09,109 --> 00:54:05,359  
like uh-huh we know where that came from

1583  
00:54:11,750 --> 00:54:09,119  
yeah if you're talking about that i mean

1584  
00:54:12,470 --> 00:54:11,760  
it's so not only the idea that that okay

1585  
00:54:15,030 --> 00:54:12,480  
no no no

1586  
00:54:15,910 --> 00:54:15,040  
this is real ladies and gentlemen

1587  
00:54:19,589 --> 00:54:15,920  
something of

1588  
00:54:21,109 --> 00:54:19,599

another origin has you know visited

1589

00:54:23,109 --> 00:54:21,119

earth conclusively

1590

00:54:24,710 --> 00:54:23,119

and crashed and here's the physical

1591

00:54:27,910 --> 00:54:24,720

evidence for certain

1592

00:54:30,870 --> 00:54:27,920

that's you know in my opinion would be

1593

00:54:33,430 --> 00:54:30,880

the the only the greatest discovery of

1594

00:54:36,309 --> 00:54:33,440

mankind next to the advent of language

1595

00:54:37,349 --> 00:54:36,319

in terms of changing our entire world

1596

00:54:39,750 --> 00:54:37,359

views and

1597

00:54:40,710 --> 00:54:39,760

society world as we know it life that's

1598

00:54:42,470 --> 00:54:40,720

a big deal

1599

00:54:43,829 --> 00:54:42,480

if you're going to bring in this idea

1600

00:54:45,190 --> 00:54:43,839

that the government has covered that up

1601  
00:54:48,470 --> 00:54:45,200  
as well

1602  
00:54:49,750 --> 00:54:48,480  
now you're talking about something that

1603  
00:54:51,270 --> 00:54:49,760  
you know you're talking about

1604  
00:54:52,950 --> 00:54:51,280  
just kind of shattering of faith in

1605  
00:54:53,910 --> 00:54:52,960  
government which there's already we've

1606  
00:54:57,270 --> 00:54:53,920  
seen it in

1607  
00:54:58,630 --> 00:54:57,280  
past four years or so coming up

1608  
00:54:59,990 --> 00:54:58,640  
there's already kind of a mistrust in

1609  
00:55:01,190 --> 00:55:00,000  
government the mistrust in government is

1610  
00:55:04,150 --> 00:55:01,200  
inherent in any

1611  
00:55:05,030 --> 00:55:04,160  
democracies and so but you're talking

1612  
00:55:07,589 --> 00:55:05,040  
about

1613  
00:55:08,789 --> 00:55:07,599

watergate times a thousand you know i

1614

00:55:11,589 --> 00:55:08,799

mean

1615

00:55:13,910 --> 00:55:11,599

lying deception all sorts of different

1616

00:55:14,630 --> 00:55:13,920

things and i think any of the reasons

1617

00:55:17,030 --> 00:55:14,640

for why

1618

00:55:18,870 --> 00:55:17,040

if that occur are going to be hard for

1619

00:55:21,910 --> 00:55:18,880

people to swallow or accept

1620

00:55:23,190 --> 00:55:21,920

so again this that's a really big

1621

00:55:25,910 --> 00:55:23,200

freaking deal

1622

00:55:27,109 --> 00:55:25,920

and so i think if you're from my point

1623

00:55:29,510 --> 00:55:27,119

of view if you're going to bring that

1624

00:55:30,390 --> 00:55:29,520

into the into the public domain if

1625

00:55:32,150 --> 00:55:30,400

you're going to bring that in and

1626  
00:55:34,470 --> 00:55:32,160  
present a case for that you got a damn

1627  
00:55:34,870 --> 00:55:34,480  
well present case for it and it's got to

1628  
00:55:39,510 --> 00:55:34,880  
be

1629  
00:55:42,069 --> 00:55:39,520  
said

1630  
00:55:42,630 --> 00:55:42,079  
it in the court of public opinion it is

1631  
00:55:45,109 --> 00:55:42,640  
going to

1632  
00:55:47,109 --> 00:55:45,119  
render a verdict that yes this is true

1633  
00:55:49,910 --> 00:55:47,119  
beyond any reasonable but out

1634  
00:55:50,470 --> 00:55:49,920  
and so uh it's not just the height that

1635  
00:55:51,910 --> 00:55:50,480  
went in

1636  
00:55:53,589 --> 00:55:51,920  
to going into there that this was going

1637  
00:55:55,190 --> 00:55:53,599  
to be the big revelation

1638  
00:55:56,870 --> 00:55:55,200

it was even the content i'm going to

1639

00:55:58,950 --> 00:55:56,880

stay with there is that i

1640

00:56:00,390 --> 00:55:58,960

i don't think that the case for this

1641

00:56:02,870 --> 00:56:00,400

being true

1642

00:56:04,470 --> 00:56:02,880

was presented well it wasn't you know

1643

00:56:05,510 --> 00:56:04,480

there wasn't enough evidence to support

1644

00:56:08,630 --> 00:56:05,520

that and then

1645

00:56:09,190 --> 00:56:08,640

you know unfortunately there were a lot

1646

00:56:10,950 --> 00:56:09,200

of little

1647

00:56:12,630 --> 00:56:10,960

silly kind of errors i think that maybe

1648

00:56:15,990 --> 00:56:12,640

shouldn't have been

1649

00:56:19,030 --> 00:56:16,000

um it definitely didn't help the case no

1650

00:56:19,430 --> 00:56:19,040

no you know and senator harry reid you

1651  
00:56:21,349 --> 00:56:19,440  
know

1652  
00:56:23,430 --> 00:56:21,359  
coming out not only them having to make

1653  
00:56:25,910 --> 00:56:23,440  
the correction the times having to to

1654  
00:56:28,390 --> 00:56:25,920  
write a footnote correction in terms of

1655  
00:56:31,109 --> 00:56:28,400  
what they had attributed to him

1656  
00:56:31,510 --> 00:56:31,119  
but he you know coming out with a pretty

1657  
00:56:34,710 --> 00:56:31,520  
full

1658  
00:56:36,390 --> 00:56:34,720  
fl throttle rebuke saying he

1659  
00:56:38,950 --> 00:56:36,400  
had never said this and didn't believe

1660  
00:56:42,150 --> 00:56:38,960  
this that was really interesting to me

1661  
00:56:44,309 --> 00:56:42,160  
yeah you know it does speak to the fact

1662  
00:56:47,589 --> 00:56:44,319  
that it comes back to that debate always

1663  
00:56:49,670 --> 00:56:47,599

tim is connecting alien to the ufo

1664

00:56:50,789 --> 00:56:49,680

and the ufo to the alien it's it's

1665

00:56:53,589 --> 00:56:50,799

something we in this

1666

00:56:55,349 --> 00:56:53,599

field quote unquote have tried to uh

1667

00:56:58,470 --> 00:56:55,359

separate them for

1668

00:56:59,750 --> 00:56:58,480

decades now that we're not saying it's

1669

00:57:02,950 --> 00:56:59,760

aliens we're saying it's an

1670

00:57:06,069 --> 00:57:02,960

unidentified aerial phenomena so yeah

1671

00:57:08,230 --> 00:57:06,079

yeah yeah i was really surprised that

1672

00:57:09,510 --> 00:57:08,240

with harry reid's response only because

1673

00:57:10,470 --> 00:57:09,520

you know i was thinking of it from my

1674

00:57:13,109 --> 00:57:10,480

perspective

1675

00:57:15,349 --> 00:57:13,119

and this was something i was i was doing

1676

00:57:17,430 --> 00:57:15,359

going into this i realized that

1677

00:57:18,870 --> 00:57:17,440

if i'm gonna put it out there to the

1678

00:57:21,750 --> 00:57:18,880

masses that a

1679

00:57:22,549 --> 00:57:21,760

former senate majority leader 30-year

1680

00:57:25,430 --> 00:57:22,559

veteran

1681

00:57:25,990 --> 00:57:25,440

of uh congress former member of the

1682

00:57:27,510 --> 00:57:26,000

intelligence

1683

00:57:29,109 --> 00:57:27,520

community former member of the gang of

1684

00:57:30,470 --> 00:57:29,119

eight which the gang of eight for

1685

00:57:30,789 --> 00:57:30,480

anybody who's not aware of the gang of

1686

00:57:32,710 --> 00:57:30,799

eight

1687

00:57:34,309 --> 00:57:32,720

uh armed services and intelligence these

1688

00:57:37,349 --> 00:57:34,319

are the eight

1689

00:57:39,829 --> 00:57:37,359

highest officials in

1690

00:57:40,549 --> 00:57:39,839

the uh elected u.s government these are

1691

00:57:43,829 --> 00:57:40,559

the eight

1692

00:57:47,030 --> 00:57:43,839

individuals in which they have access to

1693

00:57:50,069 --> 00:57:47,040

all classified programs across all

1694

00:57:52,309 --> 00:57:50,079

branches of government so this is your

1695

00:57:53,510 --> 00:57:52,319

uh yeah if there's a majestic 12 there

1696

00:57:56,309 --> 00:57:53,520

are eight of them okay

1697

00:57:57,510 --> 00:57:56,319

so this is if you're gonna go on record

1698

00:57:59,349 --> 00:57:57,520

with somebody that

1699

00:58:00,870 --> 00:57:59,359

once held that i think he held that he

1700

00:58:03,510 --> 00:58:00,880

was in the gang and vape for seven years

1701  
00:58:06,230 --> 00:58:03,520  
i believe when he was majority leader so

1702  
00:58:07,349 --> 00:58:06,240  
essentially this is a guy who would know

1703  
00:58:09,990 --> 00:58:07,359  
if that was true

1704  
00:58:10,549 --> 00:58:10,000  
and so yeah if you're going to attribute

1705  
00:58:12,069 --> 00:58:10,559  
him

1706  
00:58:13,670 --> 00:58:12,079  
as saying because i think originally

1707  
00:58:16,069 --> 00:58:13,680  
they said that he maybe

1708  
00:58:17,270 --> 00:58:16,079  
knew that they had recovered stuff and

1709  
00:58:19,750 --> 00:58:17,280  
people were studying it

1710  
00:58:21,430 --> 00:58:19,760  
you better be sure that you know even if

1711  
00:58:22,870 --> 00:58:21,440  
you want to walk that back later like

1712  
00:58:23,589 --> 00:58:22,880  
you've got it in writing you've got it

1713  
00:58:25,270 --> 00:58:23,599

recorded

1714

00:58:26,950 --> 00:58:25,280

yeah i'm gonna be like no no no no you

1715

00:58:28,470 --> 00:58:26,960

said this buddy you know

1716

00:58:30,230 --> 00:58:28,480

yeah i mean that i mean that's a big

1717

00:58:33,510 --> 00:58:30,240

deal it's a really big deal

1718

00:58:35,430 --> 00:58:33,520

it is and it's you know it's it's kind

1719

00:58:38,150 --> 00:58:35,440

of sad that we see i mean

1720

00:58:40,230 --> 00:58:38,160

let's be completely upfront and honest

1721

00:58:41,270 --> 00:58:40,240

reid is getting up there he's battling

1722

00:58:44,309 --> 00:58:41,280

cancer

1723

00:58:47,349 --> 00:58:44,319

and um you know him like many

1724

00:58:49,670 --> 00:58:47,359

politicians and members of government

1725

00:58:51,030 --> 00:58:49,680

there's a legacy to be left behind that

1726

00:58:54,069 --> 00:58:51,040

they try to

1727

00:58:56,549 --> 00:58:54,079

keep intact so you do have to wonder

1728

00:58:58,710 --> 00:58:56,559

does he know more than he's letting on

1729

00:59:00,630 --> 00:58:58,720

like luis elizondo has even

1730

00:59:03,589 --> 00:59:00,640

personally stated he knows much more

1731

00:59:05,990 --> 00:59:03,599

than he can say to the public or on

1732

00:59:06,630 --> 00:59:06,000

television or with even with to the

1733

00:59:08,470 --> 00:59:06,640

stars

1734

00:59:10,630 --> 00:59:08,480

and that's why they're disseminating the

1735

00:59:12,470 --> 00:59:10,640

information in the ways they are

1736

00:59:14,390 --> 00:59:12,480

is to hopefully get some of that out you

1737

00:59:16,789 --> 00:59:14,400

know that's a whole other conversation

1738

00:59:17,990 --> 00:59:16,799

in terms of truth and fiction being

1739

00:59:20,470 --> 00:59:18,000

melded together but

1740

00:59:22,950 --> 00:59:20,480

uh with reed tim i think you're right

1741

00:59:25,990 --> 00:59:22,960

like if this guy really was that high up

1742

00:59:28,230 --> 00:59:26,000

and had carp launched to literally

1743

00:59:29,510 --> 00:59:28,240

everything our intelligence communities

1744

00:59:32,789 --> 00:59:29,520

possess uh

1745

00:59:33,270 --> 00:59:32,799

it's troubling to think he still needs

1746

00:59:37,109 --> 00:59:33,280

to

1747

00:59:37,750 --> 00:59:37,119

investigate ufos but he probably knows

1748

00:59:39,589 --> 00:59:37,760

more than

1749

00:59:41,670 --> 00:59:39,599

literally anyone else on the planet

1750

00:59:43,270 --> 00:59:41,680

about it sure no no yeah i mean is the

1751

00:59:44,870 --> 00:59:43,280

term is the us government no absolutely

1752

00:59:47,349 --> 00:59:44,880

i mean there's no doubt in my mind

1753

00:59:49,030 --> 00:59:47,359

senator harry reid knows much more about

1754

00:59:52,150 --> 00:59:49,040

it all the way across the board

1755

00:59:55,109 --> 00:59:52,160

what those truths are i don't know

1756

00:59:56,870 --> 00:59:55,119

and why does he makes a little green men

1757

00:59:59,109 --> 00:59:56,880

comment you know it's

1758

01:00:00,069 --> 00:59:59,119

that's where i'm like uh well that's

1759

01:00:02,950 --> 01:00:00,079

kind of depressing

1760

01:00:03,349 --> 01:00:02,960

if he does know that much and he's still

1761

01:00:04,870 --> 01:00:03,359

saying

1762

01:00:06,710 --> 01:00:04,880

we're not dealing with little green men

1763

01:00:09,910 --> 01:00:06,720

when it comes to all this uh

1764

01:00:11,750 --> 01:00:09,920

there goes 99 of the

1765

01:00:14,309 --> 01:00:11,760

hardcore believers out there that were

1766

01:00:15,829 --> 01:00:14,319

dealing with an alien phenomenon sure

1767

01:00:18,309 --> 01:00:15,839

and

1768

01:00:19,190 --> 01:00:18,319

you know i think that probably some of

1769

01:00:20,710 --> 01:00:19,200

his

1770

01:00:22,069 --> 01:00:20,720

rebuke was and i'm not going to

1771

01:00:22,390 --> 01:00:22,079

associate on what he knows or doesn't

1772

01:00:26,150 --> 01:00:22,400

know

1773

01:00:27,430 --> 01:00:26,160

it up but i'll say that maybe some of

1774

01:00:29,109 --> 01:00:27,440

that was frustration

1775

01:00:30,710 --> 01:00:29,119

it was shared by a lot of personal

1776

01:00:32,470 --> 01:00:30,720

friends and other people that i've met

1777

01:00:34,230 --> 01:00:32,480

you know over the past year who come

1778

01:00:37,829 --> 01:00:34,240

from really

1779

01:00:39,349 --> 01:00:37,839

credential backgrounds from academic

1780

01:00:40,870 --> 01:00:39,359

community and science who you you

1781

01:00:41,349 --> 01:00:40,880

wouldn't think would be interested in

1782

01:00:42,630 --> 01:00:41,359

this but

1783

01:00:44,470 --> 01:00:42,640

they enter in there they're very very

1784

01:00:46,309 --> 01:00:44,480

interested because

1785

01:00:48,630 --> 01:00:46,319

stuff like this bill provision the fact

1786

01:00:50,630 --> 01:00:48,640

that when you have a politician like

1787

01:00:52,549 --> 01:00:50,640

marco rubio let's put his we can put his

1788

01:00:54,069 --> 01:00:52,559

politics aside but the fact that

1789

01:00:55,589 --> 01:00:54,079

he's coming out and discussing it you

1790

01:00:56,710 --> 01:00:55,599

know like you mentioned politicians are

1791

01:00:57,750 --> 01:00:56,720

careful with their words because they

1792

01:01:00,390 --> 01:00:57,760

can come back and haunt them

1793

01:01:01,910 --> 01:01:00,400

the fact that he's okay saying uh yeah i

1794

01:01:03,109 --> 01:01:01,920

know this is real we need to look into

1795

01:01:04,870 --> 01:01:03,119

it and we know that

1796

01:01:06,309 --> 01:01:04,880

they receive briefings that makes a

1797

01:01:06,630 --> 01:01:06,319

tangible makes it interesting it makes

1798

01:01:09,990 --> 01:01:06,640

it

1799

01:01:12,230 --> 01:01:10,000

object

1800

01:01:13,990 --> 01:01:12,240

of scrutiny and study for normal

1801  
01:01:15,990 --> 01:01:14,000  
mainstream science nobody needs to feel

1802  
01:01:19,510 --> 01:01:16,000  
weird or fringe by it but i think

1803  
01:01:22,470 --> 01:01:19,520  
that bringing in the kind of crashed uh

1804  
01:01:23,349 --> 01:01:22,480  
ufo thing i think part of his part of

1805  
01:01:26,470 --> 01:01:23,359  
his rebuttal was

1806  
01:01:28,630 --> 01:01:26,480  
probably that that would allow for

1807  
01:01:29,510 --> 01:01:28,640  
the more fantastic side of things to

1808  
01:01:32,549 --> 01:01:29,520  
come into it

1809  
01:01:33,670 --> 01:01:32,559  
which may not be true and most

1810  
01:01:36,789 --> 01:01:33,680  
importantly i

1811  
01:01:39,109 --> 01:01:36,799  
think it probably gives this impression

1812  
01:01:40,789 --> 01:01:39,119  
to the public and the ufo community

1813  
01:01:41,430 --> 01:01:40,799

definitely has it the us government may

1814

01:01:44,150 --> 01:01:41,440

know a lot

1815

01:01:45,670 --> 01:01:44,160

more but i don't know that they have an

1816

01:01:48,710 --> 01:01:45,680

answer for what

1817

01:01:50,789 --> 01:01:48,720

where why yeah that in itself

1818

01:01:52,470 --> 01:01:50,799

you know i think that that's could be

1819

01:01:54,309 --> 01:01:52,480

scary you know wait

1820

01:01:55,589 --> 01:01:54,319

they cannot say no no it's real we don't

1821

01:01:57,270 --> 01:01:55,599

have anything crash

1822

01:01:58,789 --> 01:01:57,280

or yeah we do have stuff crashed but we

1823

01:02:00,789 --> 01:01:58,799

don't know what the hell this is

1824

01:02:02,230 --> 01:02:00,799

we don't know how it works we don't know

1825

01:02:04,549 --> 01:02:02,240

where it's from uh

1826

01:02:05,270 --> 01:02:04,559

we don't know which is a stunning

1827

01:02:07,829 --> 01:02:05,280

admission

1828

01:02:09,750 --> 01:02:07,839

and i mean even the dod said yes these

1829

01:02:11,029 --> 01:02:09,760

are aerial phenomena we can't explain we

1830

01:02:13,430 --> 01:02:11,039

don't know what they are

1831

01:02:15,510 --> 01:02:13,440

the videos are legitimate that that is

1832

01:02:17,190 --> 01:02:15,520

concerning and it is kind of a

1833

01:02:19,190 --> 01:02:17,200

a turn of the tide tim i would say

1834

01:02:20,390 --> 01:02:19,200

because for years whether it's project

1835

01:02:22,870 --> 01:02:20,400

blue book or

1836

01:02:23,430 --> 01:02:22,880

whatever um you want to pull up with

1837

01:02:26,630 --> 01:02:23,440

that

1838

01:02:29,109 --> 01:02:26,640

the government has always just denied

1839

01:02:30,549 --> 01:02:29,119

the phenomenon because you know that's

1840

01:02:33,029 --> 01:02:30,559

the easiest way to say

1841

01:02:34,470 --> 01:02:33,039

nothing here to see it's all explainable

1842

01:02:37,270 --> 01:02:34,480

um moving on

1843

01:02:38,390 --> 01:02:37,280

um but you know there is that that whole

1844

01:02:41,349 --> 01:02:38,400

that whole thing of

1845

01:02:41,910 --> 01:02:41,359

yeah maybe the government uh doesn't

1846

01:02:43,349 --> 01:02:41,920

know

1847

01:02:45,190 --> 01:02:43,359

but they can at least control the

1848

01:02:48,870 --> 01:02:45,200

information that gets out to the public

1849

01:02:52,069 --> 01:02:48,880

so yeah it is a constant dance or

1850

01:02:52,789 --> 01:02:52,079

um boxing matches it when it comes to it

1851

01:02:54,710 --> 01:02:52,799

all i think

1852

01:02:56,309 --> 01:02:54,720

but you bring it back too that like

1853

01:02:58,710 --> 01:02:56,319

people like marco rubio

1854

01:03:00,470 --> 01:02:58,720

now that he's connected to this man like

1855

01:03:03,510 --> 01:03:00,480

there is no getting out it's like being

1856

01:03:05,430 --> 01:03:03,520

in the mafia yeah no i just

1857

01:03:07,829 --> 01:03:05,440

recently i mean this is a good example

1858

01:03:08,630 --> 01:03:07,839

just with rubio i just saw a campaign ad

1859

01:03:11,029 --> 01:03:08,640

you know obviously we have the

1860

01:03:12,710 --> 01:03:11,039

reelection campaign coming up where uh

1861

01:03:14,470 --> 01:03:12,720

you know senator rubio was at one point

1862

01:03:16,789 --> 01:03:14,480

a republican candidate for president and

1863

01:03:17,349 --> 01:03:16,799

so they're replaying him at one of his

1864

01:03:19,430 --> 01:03:17,359

rallies

1865

01:03:21,109 --> 01:03:19,440

saying you know you can't trust trump

1866

01:03:23,109 --> 01:03:21,119

and don't vote for you know so i mean

1867

01:03:24,630 --> 01:03:23,119

his words are coming back to haunt him

1868

01:03:28,069 --> 01:03:24,640

and yeah no so

1869

01:03:29,990 --> 01:03:28,079

and rubio is a well-known politician

1870

01:03:31,750 --> 01:03:30,000

uh you know that senate select committee

1871

01:03:32,870 --> 01:03:31,760

if you really look at who is all on it i

1872

01:03:35,190 --> 01:03:32,880

mean it's

1873

01:03:36,069 --> 01:03:35,200

most of them are people names that

1874

01:03:38,549 --> 01:03:36,079

people would know

1875

01:03:39,190 --> 01:03:38,559

kamala harris is on that you know a once

1876

01:03:40,950 --> 01:03:39,200

democratic

1877

01:03:42,630 --> 01:03:40,960

candidate for president in this current

1878

01:03:44,870 --> 01:03:42,640

cycle and so there

1879

01:03:46,710 --> 01:03:44,880

is a very powerful committee and so yeah

1880

01:03:48,470 --> 01:03:46,720

the willingness to

1881

01:03:50,309 --> 01:03:48,480

uh for them to put their names behind it

1882

01:03:52,069 --> 01:03:50,319

the willingness to vote to approve it

1883

01:03:54,309 --> 01:03:52,079

the willingness to discuss it openly and

1884

01:03:56,309 --> 01:03:54,319

in what little bit they have

1885

01:03:58,150 --> 01:03:56,319

is very interesting because they they

1886

01:04:00,470 --> 01:03:58,160

have received briefings we know that

1887

01:04:01,430 --> 01:04:00,480

they've acknowledged that and so they're

1888

01:04:04,470 --> 01:04:01,440

real enough

1889

01:04:05,430 --> 01:04:04,480

and it's tangible enough that um they

1890

01:04:06,309 --> 01:04:05,440

don't think it's gonna come back and

1891

01:04:07,029 --> 01:04:06,319

haunt them but they're not gonna be

1892

01:04:09,829 --> 01:04:07,039

ridiculed

1893

01:04:11,589 --> 01:04:09,839

for for supporting this and i mean it

1894

01:04:12,789 --> 01:04:11,599

should it probably won't but but it all

1895

01:04:15,510 --> 01:04:12,799

but puts

1896

01:04:16,789 --> 01:04:15,520

a nail in the coffin for this idea that

1897

01:04:19,589 --> 01:04:16,799

this is all some kind of

1898

01:04:21,910 --> 01:04:19,599

you know disinformation psyop campaign

1899

01:04:24,950 --> 01:04:21,920

or something because

1900

01:04:28,309 --> 01:04:24,960

of being illegal political suicide very

1901

01:04:30,150 --> 01:04:28,319

very good point man yeah politicians are

1902

01:04:31,029 --> 01:04:30,160

always looking to dodge that political

1903

01:04:34,309 --> 01:04:31,039

suicide

1904

01:04:36,950 --> 01:04:34,319

no matter what it entails but um

1905

01:04:38,789 --> 01:04:36,960

you did mention uh disinformation now

1906

01:04:42,150 --> 01:04:38,799

this is something i want to

1907

01:04:44,230 --> 01:04:42,160

tackle with you here besides all of the

1908

01:04:45,670 --> 01:04:44,240

recent new york times discussion you

1909

01:04:47,710 --> 01:04:45,680

said powerful people

1910

01:04:50,470 --> 01:04:47,720

admiral wilson

1911

01:04:53,109 --> 01:04:50,480

[Music]

1912

01:04:53,510 --> 01:04:53,119

hey listeners ryan here dropping in i

1913

01:04:55,510 --> 01:04:53,520

know

1914

01:04:57,349 --> 01:04:55,520

things were just ramping up but you're

1915

01:04:58,069 --> 01:04:57,359

gonna have to wait till next week for

1916

01:04:59,990 --> 01:04:58,079

part two

1917

01:05:02,150 --> 01:05:00,000

of our discussion with tim mcmillan

1918

01:05:05,029 --> 01:05:02,160

we'll be covering the hotly debated

1919

01:05:05,589 --> 01:05:05,039

wilson davis memo and just exactly what

1920

01:05:07,910 --> 01:05:05,599

it is

1921

01:05:08,630 --> 01:05:07,920

if it's real and its place in this

1922

01:05:11,589 --> 01:05:08,640

entire

1923

01:05:12,630 --> 01:05:11,599

off-world vehicles revelation brought

1924

01:05:15,349 --> 01:05:12,640

forth recently

1925

01:05:16,069 --> 01:05:15,359

in the new york times then tim and i

1926

01:05:19,430 --> 01:05:16,079

discuss

1927

01:05:22,390 --> 01:05:19,440

bob lazar after over 30 years

1928

01:05:23,430 --> 01:05:22,400

of being discredited and scrutinized for

1929

01:05:26,870 --> 01:05:23,440

his claims

1930

01:05:29,910 --> 01:05:26,880

of having worked on ufos near area 51

1931

01:05:31,190 --> 01:05:29,920

has lazar finally been vindicated with

1932

01:05:34,390 --> 01:05:31,200

all the recent news of

1933

01:05:36,390 --> 01:05:34,400

ufo wreckage and materials and what if

1934

01:05:40,390 --> 01:05:36,400

he did possess the mysterious

1935

01:05:42,710 --> 01:05:40,400

element 115 tim then gives us the inside

1936

01:05:43,910 --> 01:05:42,720

scoop on his work on the history channel

1937

01:05:46,710 --> 01:05:43,920

television series

1938

01:05:47,109 --> 01:05:46,720

unidentified and then we answer some of

1939

01:05:49,829 --> 01:05:47,119

your

1940

01:05:52,230 --> 01:05:49,839

burning listener questions it's an

1941

01:05:55,190 --> 01:05:52,240

explosive part 2 that is available

1942

01:05:57,270 --> 01:05:55,200

right now as an early addition to all

1943

01:05:59,589 --> 01:05:57,280

patreon subscribers

1944

01:06:01,750 --> 01:05:59,599

so if you don't want to wait until next

1945

01:06:02,470 --> 01:06:01,760

monday hop on over to the patreon

1946

01:06:04,549 --> 01:06:02,480

campaign

1947

01:06:05,510 --> 01:06:04,559

and help support the show and listen

1948

01:06:08,870 --> 01:06:05,520

right now

1949

01:06:09,750 --> 01:06:08,880

visit [patreon.com](https://patreon.com/somewhereskies) somewhereskies to

1950

01:06:13,990 --> 01:06:09,760

learn more

1951

01:06:15,910 --> 01:06:14,000

again that's patreon.com somewhereskies

1952

01:06:18,870 --> 01:06:15,920

thank you to everyone who helped make

1953

01:06:21,109 --> 01:06:18,880

the book launch a massive success

1954

01:06:22,069 --> 01:06:21,119

we hit four different number one

1955

01:06:24,870 --> 01:06:22,079

categories

1956

01:06:25,990 --> 01:06:24,880

both in new releases and best sellers on

1957

01:06:27,910 --> 01:06:26,000

amazon

1958

01:06:29,190 --> 01:06:27,920

be sure to check out the new edition of

1959

01:06:32,309 --> 01:06:29,200

somewhere in the skies

1960

01:06:35,029 --> 01:06:32,319

a human approach to the ufo phenomenon

1961

01:06:35,589 --> 01:06:35,039

available on amazon and on the barnes

1962

01:06:38,470 --> 01:06:35,599

noble

1963

01:06:39,029 --> 01:06:38,480

online bookstore if you have a print

1964

01:06:41,910 --> 01:06:39,039

copy

1965

01:06:42,470 --> 01:06:41,920

or ebook please also consider being part

1966

01:06:45,430 --> 01:06:42,480

of our

1967

01:06:45,990 --> 01:06:45,440

book selfie campaign post a photo with

1968

01:06:48,390 --> 01:06:46,000

the book

1969

01:06:49,190 --> 01:06:48,400

and tag me on facebook twitter or

1970

01:06:51,430 --> 01:06:49,200

instagram

1971

01:06:52,230 --> 01:06:51,440

and you'll be entered into a contest to

1972

01:06:55,589 --> 01:06:52,240

receive all

1973

01:06:58,470 --> 01:06:55,599

bonus episodes for free for life

1974

01:06:59,190 --> 01:06:58,480

this should be fun no matter what i will

1975

01:07:01,430 --> 01:06:59,200

see you here

1976

01:07:02,950 --> 01:07:01,440

next week for part two of our discussion

1977

01:07:04,870 --> 01:07:02,960

with tim mcmillan

1978

01:07:07,430 --> 01:07:04,880

and as always keep your feet on the

1979

01:07:15,700 --> 01:07:07,440

ground but never stop searching

1980

01:07:27,760 --> 01:07:15,710

somewhere in the skies

1981

01:07:28,860 --> 01:07:27,770

[Music]

1982

01:07:51,190 --> 01:07:28,870

[Applause]

1983

01:07:53,190 --> 01:07:51,200

[Music]

1984

01:07:55,190 --> 01:07:53,200

somewhere in the skies is produced by

1985

01:07:57,470 --> 01:07:55,200

third kind productions in association
