

SOMEWHERE IN THE SKIES

UFOS 2020 (PART 2)
FEATURING TIM MCMILLAN

1
00:00:00,000 --> 00:00:02,950

[Music]

2
00:00:08,230 --> 00:00:05,910
ufos seem to be invading both our skies

3
00:00:10,390 --> 00:00:08,240
and our news outlets like never before

4
00:00:11,749 --> 00:00:10,400
and more people are starting to look up

5
00:00:15,110 --> 00:00:11,759
and are wondering who

6
00:00:16,950 --> 00:00:15,120
or what might be out there in 2016

7
00:00:19,109 --> 00:00:16,960
ryan sprague introduced the world to

8
00:00:20,710 --> 00:00:19,119
countless ufo encounters that had never

9
00:00:22,870 --> 00:00:20,720
been made public before

10
00:00:24,870 --> 00:00:22,880
and now in the second edition of his

11
00:00:27,670 --> 00:00:24,880
book he revisits these events and

12
00:00:29,990 --> 00:00:27,680
introduces brand new ufo cases

13
00:00:32,229 --> 00:00:30,000

in somewhere in the skies a human

14

00:00:34,310 --> 00:00:32,239

approach to the ufo phenomenon

15

00:00:35,590 --> 00:00:34,320

how have these events changed the lives

16

00:00:37,030 --> 00:00:35,600

of those involved

17

00:00:39,750 --> 00:00:37,040

and what might it tell us about the

18

00:00:41,670 --> 00:00:39,760

phenomenon with in-depth follow-ups

19

00:00:43,590 --> 00:00:41,680

brand new chapters and detailed

20

00:00:44,069 --> 00:00:43,600

testimony from credible witnesses and

21

00:00:46,229 --> 00:00:44,079

insight

22

00:00:47,910 --> 00:00:46,239

from those in the psychological academic

23

00:00:50,389 --> 00:00:47,920

and scientific fields

24

00:00:52,069 --> 00:00:50,399

somewhere in the skies a human approach

25

00:00:54,549 --> 00:00:52,079

to the ufo phenomenon

26
00:00:56,229 --> 00:00:54,559
weaves together a story of stories

27
00:00:56,869 --> 00:00:56,239
attempting to get to the heart of these

28
00:00:59,670 --> 00:00:56,879
mysteries

29
00:01:00,389 --> 00:00:59,680
one experience at a time available now

30
00:01:02,790 --> 00:01:00,399
on amazon

31
00:01:10,789 --> 00:01:02,800
in both paperback and ebook to learn

32
00:01:14,950 --> 00:01:13,830
welcome to part two of our series ufos

33
00:01:17,109 --> 00:01:14,960
in 2020

34
00:01:18,630 --> 00:01:17,119
with our special guest former law

35
00:01:21,990 --> 00:01:18,640
enforcement professional

36
00:01:24,070 --> 00:01:22,000
and investigative writer tim mcmillan

37
00:01:25,990 --> 00:01:24,080
tim writes freelance currently for such

38
00:01:29,429 --> 00:01:26,000

venues as spice popular

39

00:01:31,350 --> 00:01:29,439

mechanics and the war zone and today

40

00:01:33,270 --> 00:01:31,360

we'll be covering the hotly debated

41

00:01:36,310 --> 00:01:33,280

wilson davis memo

42

00:01:39,270 --> 00:01:36,320

and just exactly what it is if it's real

43

00:01:39,990 --> 00:01:39,280

and its place in this entire off-world

44

00:01:42,630 --> 00:01:40,000

vehicles

45

00:01:43,990 --> 00:01:42,640

revelation brought forth recently in the

46

00:01:46,469 --> 00:01:44,000

new york times

47

00:01:47,190 --> 00:01:46,479

while initially very skeptical with good

48

00:01:49,109 --> 00:01:47,200

reason

49

00:01:50,389 --> 00:01:49,119

tim tells us what might have possibly

50

00:01:53,109 --> 00:01:50,399

changed his mind

51
00:01:55,749 --> 00:01:53,119
in relation to the entire wilson davis

52
00:01:57,270 --> 00:01:55,759
affair i have this nagging concern that

53
00:01:58,310 --> 00:01:57,280
lingers with me with this wilson

54
00:02:00,550 --> 00:01:58,320
documents

55
00:02:01,429 --> 00:02:00,560
eric davis isn't lying eric davis is i

56
00:02:02,630 --> 00:02:01,439
don't believe he is

57
00:02:03,990 --> 00:02:02,640
i have no problem standing on the record

58
00:02:04,950 --> 00:02:04,000
there's nothing that tells me that derek

59
00:02:07,510 --> 00:02:04,960
davis is

60
00:02:08,710 --> 00:02:07,520
a liar and that he's making this up that

61
00:02:11,190 --> 00:02:08,720
he did meet with somebody

62
00:02:12,150 --> 00:02:11,200
admittedly he'd never met thomas wilson

63
00:02:14,229 --> 00:02:12,160

before that

64

00:02:16,470 --> 00:02:14,239

they are these notes have this is

65

00:02:16,949 --> 00:02:16,480

concerned it still lingers that makes me

66

00:02:19,750 --> 00:02:16,959

wonder

67

00:02:20,550 --> 00:02:19,760

could he have been set up then tim and i

68

00:02:24,150 --> 00:02:20,560

discuss

69

00:02:27,070 --> 00:02:24,160

bob lazar after over 30 years of being

70

00:02:29,430 --> 00:02:27,080

discredited and scrutinized for his

71

00:02:33,509 --> 00:02:29,440

extraordinary claims of having worked on

72

00:02:35,750 --> 00:02:33,519

ufos near area 51 has blizzard

73

00:02:38,470 --> 00:02:35,760

finally been vindicated with all the

74

00:02:41,430 --> 00:02:38,480

recent news of ufo wreckage and

75

00:02:42,150 --> 00:02:41,440

materials in off-world vehicles and what

76

00:02:44,630 --> 00:02:42,160

if he did

77

00:02:45,830 --> 00:02:44,640

actually possess the mysterious element

78

00:02:49,350 --> 00:02:45,840

115

79

00:02:52,309 --> 00:02:49,360

as he claims supposedly he hasn't and

80

00:02:54,229 --> 00:02:52,319

my thing is that that right there is

81

00:02:55,589 --> 00:02:54,239

what vindicates pablo's our store

82

00:02:57,350 --> 00:02:55,599

you know short of them admitting yeah

83

00:02:59,350 --> 00:02:57,360

yeah we got nine name saucers

84

00:03:00,390 --> 00:02:59,360

s4 he's right that could easily

85

00:03:03,350 --> 00:03:00,400

vindicate his story

86

00:03:05,350 --> 00:03:03,360

you know if if he had that presented i'm

87

00:03:07,509 --> 00:03:05,360

certain we could find somebody

88

00:03:09,509 --> 00:03:07,519

not only would could bob lazar if he

89

00:03:11,509 --> 00:03:09,519

wanted to and that was true

90

00:03:12,550 --> 00:03:11,519

vindicate himself but but ryan he could

91

00:03:13,670 --> 00:03:12,560

actually like

92

00:03:15,990 --> 00:03:13,680

screw the government we're not worried

93

00:03:17,910 --> 00:03:16,000

about them he could prove

94

00:03:19,830 --> 00:03:17,920

that extraterrestrials that all of this

95

00:03:23,350 --> 00:03:19,840

is true single-handedly

96

00:03:25,430 --> 00:03:23,360

and um he chooses not to

97

00:03:26,789 --> 00:03:25,440

tim then gives us the inside scoop on

98

00:03:28,070 --> 00:03:26,799

his work on the history channel

99

00:03:30,630 --> 00:03:28,080

television series

100

00:03:31,670 --> 00:03:30,640

unidentified and we end with tim

101

00:03:34,789 --> 00:03:31,680

answering your

102

00:03:36,390 --> 00:03:34,799

listener questions i want to believe

103

00:03:38,309 --> 00:03:36,400

that there's something else that is

104

00:03:39,030 --> 00:03:38,319

traversing the cosmos and visiting us

105

00:03:41,350 --> 00:03:39,040

because if

106

00:03:42,710 --> 00:03:41,360

something else can do it then so can we

107

00:03:43,350 --> 00:03:42,720

and i think that'd be pretty freaking

108

00:03:46,149 --> 00:03:43,360

cool

109

00:03:46,789 --> 00:03:46,159

i'd like to do that it's an explosive

110

00:03:50,149 --> 00:03:46,799

part two

111

00:03:51,830 --> 00:03:50,159

of ufos in 2020 and trust me just when

112

00:03:52,630 --> 00:03:51,840

we thought this year gonna get any

113

00:03:55,670 --> 00:03:52,640

stranger

114

00:04:02,930 --> 00:03:55,680

we've only just begun here's part two

115

00:04:02,940 --> 00:04:08,149

[Music]

116

00:04:15,470 --> 00:04:12,830

this is somewhere in the skies with ryan

117

00:04:29,350 --> 00:04:15,480

spread

118

00:04:33,830 --> 00:04:31,990

you did mention uh disinformation now

119

00:04:36,550 --> 00:04:33,840

this is something i want to

120

00:04:37,189 --> 00:04:36,560

tackle with you here um besides all of

121

00:04:39,350 --> 00:04:37,199

the

122

00:04:40,710 --> 00:04:39,360

recent new york times discussion you

123

00:04:43,830 --> 00:04:40,720

said powerful people

124

00:04:44,550 --> 00:04:43,840

admiral wilson this is something tim i'm

125

00:04:48,070 --> 00:04:44,560

not

126

00:04:50,870 --> 00:04:48,080

familiar with the

127

00:04:52,150 --> 00:04:50,880

wilson davis memo it's all the rage on

128

00:04:55,430 --> 00:04:52,160

ufo twitter and

129

00:04:55,990 --> 00:04:55,440

uh yeah man so i'm curious to to hear if

130

00:04:58,070 --> 00:04:56,000

you're willing

131

00:04:59,430 --> 00:04:58,080

to maybe maybe walk us through what this

132

00:05:01,350 --> 00:04:59,440

memo is

133

00:05:03,270 --> 00:05:01,360

and uh maybe give your thoughts on the

134

00:05:05,270 --> 00:05:03,280

whole debate behind it because

135

00:05:06,870 --> 00:05:05,280

i'm just diving in man and i don't know

136

00:05:09,990 --> 00:05:06,880

what to make of any of it

137

00:05:11,830 --> 00:05:10,000

and i'm a bad ufo researcher for that

138

00:05:13,909 --> 00:05:11,840

run while you still can ryan don't get

139

00:05:14,469 --> 00:05:13,919

it maybe it is better i didn't yeah yeah

140

00:05:17,670 --> 00:05:14,479

what do you

141

00:05:19,830 --> 00:05:17,680

think oh man okay so

142

00:05:21,430 --> 00:05:19,840

no much like yourself i didn't pay much

143

00:05:23,430 --> 00:05:21,440

attention to these a year ago when they

144

00:05:25,270 --> 00:05:23,440

leaked out and i have since found myself

145

00:05:26,870 --> 00:05:25,280

in in dealing with them because they've

146

00:05:30,150 --> 00:05:26,880

become a big deal again but the

147

00:05:31,590 --> 00:05:30,160

so the the 50 000 foot overview of these

148

00:05:34,629 --> 00:05:31,600

are these are notes

149

00:05:36,150 --> 00:05:34,639

that are supposedly authored uh by dr

150

00:05:39,670 --> 00:05:36,160

eric davis who

151
00:05:41,590 --> 00:05:39,680
was a member of bob bigelow's needs team

152
00:05:43,749 --> 00:05:41,600
uh national institute of discovery

153
00:05:45,990 --> 00:05:43,759
science back in the late 90s early 2000s

154
00:05:47,029 --> 00:05:46,000
and then later was also a contractor for

155
00:05:49,909 --> 00:05:47,039
his

156
00:05:51,830 --> 00:05:49,919
uh bigelow advanced space vigolo

157
00:05:52,390 --> 00:05:51,840
aerospace advanced space studies geez

158
00:05:56,629 --> 00:05:52,400
one of the

159
00:06:00,070 --> 00:05:56,639
just simple words man fbi is easy

160
00:06:02,790 --> 00:06:00,080
so anyway who were awarded the

161
00:06:04,230 --> 00:06:02,800
the awes app another long acronym the

162
00:06:06,629 --> 00:06:04,240
asap contract so the

163
00:06:08,309 --> 00:06:06,639

the ufo program and so you know this was

164

00:06:10,150 --> 00:06:08,319

a meeting that uh these are notes

165

00:06:10,870 --> 00:06:10,160

supposedly transcribed from a meeting

166

00:06:14,390 --> 00:06:10,880

that he

167

00:06:15,909 --> 00:06:14,400

uh you know held with a retired admiral

168

00:06:18,150 --> 00:06:15,919

thomas wilson

169

00:06:19,110 --> 00:06:18,160

who at one point in time the late 90s

170

00:06:22,070 --> 00:06:19,120

was the

171

00:06:23,110 --> 00:06:22,080

the director of the defense intelligence

172

00:06:26,230 --> 00:06:23,120

agency so

173

00:06:28,469 --> 00:06:26,240

kind of the uh the dod cia

174

00:06:31,909 --> 00:06:28,479

so the military is cia he held what's

175

00:06:34,150 --> 00:06:31,919

called the j-2 position which is the

176

00:06:35,749 --> 00:06:34,160

the intelligence advisor to the joint

177

00:06:38,870 --> 00:06:35,759

chiefs i'm chuckling because

178

00:06:40,790 --> 00:06:38,880

it's an acronym minefield um and

179

00:06:42,629 --> 00:06:40,800

uh he held these positions it was pretty

180

00:06:46,110 --> 00:06:42,639

high-level position and

181

00:06:47,990 --> 00:06:46,120

this meeting was supposedly occurred in

182

00:06:49,430 --> 00:06:48,000

2001 or two

183

00:06:51,589 --> 00:06:49,440

i don't have in front of me but around

184

00:06:54,629 --> 00:06:51,599

that time frame right after he retired

185

00:06:55,430 --> 00:06:54,639

uh from the military and uh you know it

186

00:06:57,029 --> 00:06:55,440

was con

187

00:06:58,870 --> 00:06:57,039

it's got all the makings of a great

188

00:07:01,670 --> 00:06:58,880

movie or seen in the x-files

189

00:07:02,870 --> 00:07:01,680

um you know it it occurred in the the

190

00:07:06,070 --> 00:07:02,880

parking lot of the

191

00:07:08,150 --> 00:07:06,080

egng special projects who eg is the

192

00:07:10,070 --> 00:07:08,160

contractor who handles uh

193

00:07:11,990 --> 00:07:10,080

the flights to area 51 and a lot of the

194

00:07:16,070 --> 00:07:12,000

oversight for area 51

195

00:07:19,029 --> 00:07:16,080

so in the parking lot and uh

196

00:07:21,510 --> 00:07:19,039

supposedly you know this admiral wilson

197

00:07:22,950 --> 00:07:21,520

relayed to eric davis that you know

198

00:07:25,350 --> 00:07:22,960

during his tenure

199

00:07:25,990 --> 00:07:25,360

in the government that he had sought out

200

00:07:29,909 --> 00:07:26,000

and

201
00:07:31,749 --> 00:07:29,919
to see if there were any ufo programs in

202
00:07:34,790 --> 00:07:31,759
contractors who were working on

203
00:07:36,469 --> 00:07:34,800
crashed ufos that he had come across at

204
00:07:38,629 --> 00:07:36,479
least one contractor

205
00:07:40,309 --> 00:07:38,639
aerospace company who indeed was doing

206
00:07:43,110 --> 00:07:40,319
something weird and he

207
00:07:44,070 --> 00:07:43,120
called them up wanted access and that

208
00:07:47,350 --> 00:07:44,080
they

209
00:07:50,550 --> 00:07:47,360
on reverse engineering

210
00:07:51,749 --> 00:07:50,560
he crashed extraterrestrial vehicles uh

211
00:07:53,990 --> 00:07:51,759
but that he

212
00:07:56,150 --> 00:07:54,000
did not have access and clearance to

213
00:07:59,110 --> 00:07:56,160

this and so therefore he was turned away

214

00:08:00,150 --> 00:07:59,120

and much to his chagrin and so that's

215

00:08:03,510 --> 00:08:00,160

kind of the

216

00:08:05,749 --> 00:08:03,520

broad overview of these guys yeah man

217

00:08:07,110 --> 00:08:05,759

it's a lot to take in and that's i think

218

00:08:09,350 --> 00:08:07,120

that's kind of why

219

00:08:10,230 --> 00:08:09,360

it didn't take me out of it of course i

220

00:08:13,110 --> 00:08:10,240

was interested

221

00:08:14,390 --> 00:08:13,120

and fascinated by it but then you get to

222

00:08:16,469 --> 00:08:14,400

the whole idea of

223

00:08:17,990 --> 00:08:16,479

is any of this even true is it third

224

00:08:19,830 --> 00:08:18,000

hand testimony you know

225

00:08:21,990 --> 00:08:19,840

eric davis says this was something told

226

00:08:24,830 --> 00:08:22,000

to him that he then jotted down and

227

00:08:27,749 --> 00:08:24,840

that's where you start for me i'm like

228

00:08:29,830 --> 00:08:27,759

okay well it's just hearsay then

229

00:08:30,950 --> 00:08:29,840

so yeah sorry to interrupt but yeah what

230

00:08:35,589 --> 00:08:30,960

do you

231

00:08:36,870 --> 00:08:35,599

are we talking here this this is kind of

232

00:08:39,589 --> 00:08:36,880

what we're learning

233

00:08:41,829 --> 00:08:39,599

where this off-world vehicle sentence

234

00:08:44,149 --> 00:08:41,839

came from in the new york times so

235

00:08:45,350 --> 00:08:44,159

yeah bring it all back just him yeah

236

00:08:48,070 --> 00:08:45,360

circle us around

237

00:08:49,910 --> 00:08:48,080

okay no no i will i'll tell you why i

238

00:08:52,389 --> 00:08:49,920

mean in a nutshell why

239

00:08:53,990 --> 00:08:52,399

the a year ago when these leaked out and

240

00:08:55,670 --> 00:08:54,000

they leaked out from edgar mitchell

241

00:08:57,590 --> 00:08:55,680

the former astronaut who passed away in

242

00:08:59,430 --> 00:08:57,600

2016. they leaked out of his

243

00:09:01,190 --> 00:08:59,440

archive collection and he was he was a

244

00:09:02,070 --> 00:09:01,200

board member of ned's and supposedly

245

00:09:03,190 --> 00:09:02,080

these were

246

00:09:05,030 --> 00:09:03,200

given to the board members and

247

00:09:06,790 --> 00:09:05,040

everything the reason that i didn't put

248

00:09:09,910 --> 00:09:06,800

a lot of stock into him

249

00:09:10,790 --> 00:09:09,920

and and ultimately still don't for this

250

00:09:13,350 --> 00:09:10,800

very reason

251
00:09:15,430 --> 00:09:13,360
is just understanding a fundamental

252
00:09:18,230 --> 00:09:15,440
principle of secrecy in general

253
00:09:19,829 --> 00:09:18,240
and so the the these notes hinge on the

254
00:09:20,389 --> 00:09:19,839
most important thing being that admin

255
00:09:22,389 --> 00:09:20,399
wilson

256
00:09:23,990 --> 00:09:22,399
supposedly found this program through

257
00:09:24,790 --> 00:09:24,000
budget line items it was suspicious

258
00:09:27,269 --> 00:09:24,800
called him up

259
00:09:28,630 --> 00:09:27,279
accused him of having alien technology

260
00:09:30,870 --> 00:09:28,640
he admittedly

261
00:09:32,310 --> 00:09:30,880
according to notes didn't have access to

262
00:09:33,590 --> 00:09:32,320
the program it wouldn't be granted

263
00:09:36,150 --> 00:09:33,600

access to the program

264

00:09:37,670 --> 00:09:36,160

and therefore the contractor uh you know

265

00:09:39,670 --> 00:09:37,680

was like yeah we're working on crash

266

00:09:43,509 --> 00:09:39,680

ufos but you can't come see

267

00:09:45,990 --> 00:09:43,519

well that's not how secrecy works

268

00:09:47,750 --> 00:09:46,000

you know you don't you're ryan you don't

269

00:09:49,350 --> 00:09:47,760

show up to somewhere

270

00:09:51,269 --> 00:09:49,360

you know you could show up to lockheed

271

00:09:52,790 --> 00:09:51,279

and they're working on the b21

272

00:09:55,269 --> 00:09:52,800

raider so the replacement of the b2

273

00:09:56,949 --> 00:09:55,279

bomber or maybe they've got this sr-73

274

00:09:58,310 --> 00:09:56,959

you know something even we don't know it

275

00:09:59,430 --> 00:09:58,320

really exists

276

00:10:01,190 --> 00:09:59,440

and you're like i know you're working on

277

00:10:02,150 --> 00:10:01,200

aliens and ufos you don't have access to

278

00:10:04,069 --> 00:10:02,160

that right

279

00:10:05,670 --> 00:10:04,079

they're not going to go yeah oh well

280

00:10:08,230 --> 00:10:05,680

there goes my friday too

281

00:10:09,829 --> 00:10:08,240

thanks for uh bursting that bubble yeah

282

00:10:11,190 --> 00:10:09,839

you don't have access right they're not

283

00:10:13,030 --> 00:10:11,200

going to actually tell you

284

00:10:14,389 --> 00:10:13,040

what they're really working on and so if

285

00:10:16,150 --> 00:10:14,399

you showed up and said i know you're

286

00:10:19,509 --> 00:10:16,160

working on aliens they're going to go

287

00:10:20,230 --> 00:10:19,519

yep sure are bud don't tell anybody now

288

00:10:23,350 --> 00:10:20,240

go and get

289

00:10:25,430 --> 00:10:23,360

yeah and so yeah i mean they all

290

00:10:26,550 --> 00:10:25,440

roads no matter what whether the event

291

00:10:29,030 --> 00:10:26,560

is true or

292

00:10:29,990 --> 00:10:29,040

you know what thomas wilson said was

293

00:10:32,949 --> 00:10:30,000

true all

294

00:10:33,269 --> 00:10:32,959

it doesn't matter they all did in into

295

00:10:35,030 --> 00:10:33,279

this

296

00:10:37,430 --> 00:10:35,040

a was the contractor telling the truth

297

00:10:40,389 --> 00:10:37,440

and and comparatively to how

298

00:10:41,829 --> 00:10:40,399

secrecy actually works when you're not

299

00:10:43,590 --> 00:10:41,839

have access

300

00:10:45,030 --> 00:10:43,600

there's overwhelming evidence that says

301
00:10:45,750 --> 00:10:45,040
no they weren't they wouldn't be telling

302
00:10:49,829 --> 00:10:45,760
the truth

303
00:10:51,750 --> 00:10:49,839
now to fast forward to when they

304
00:10:53,829 --> 00:10:51,760
i will say that they have i've become

305
00:10:57,190 --> 00:10:53,839
something of renewed interest for me

306
00:10:58,790 --> 00:10:57,200
now uh it has to do not

307
00:11:00,310 --> 00:10:58,800
for the reason a lot of people would

308
00:11:02,710 --> 00:11:00,320
think and

309
00:11:05,430 --> 00:11:02,720
it's not that i believe that they are

310
00:11:08,069 --> 00:11:05,440
the linchpin to uncovering the

311
00:11:09,509 --> 00:11:08,079
crash ufo cover-up it's far more

312
00:11:12,710 --> 00:11:09,519
interesting in that

313
00:11:14,310 --> 00:11:12,720

um i've talked to enough people

314

00:11:15,910 --> 00:11:14,320

going back all the way back to the midst

315

00:11:18,069 --> 00:11:15,920

days who were who would have

316

00:11:19,030 --> 00:11:18,079

there in 2001 or two when this meeting

317

00:11:20,870 --> 00:11:19,040

occurred and so

318

00:11:22,630 --> 00:11:20,880

you know after the meeting occurred eric

319

00:11:25,829 --> 00:11:22,640

davis would have spoke with

320

00:11:27,190 --> 00:11:25,839

i mean i've talked to plenty of

321

00:11:30,710 --> 00:11:27,200

individuals there

322

00:11:32,230 --> 00:11:30,720

that i i have find no evidence that eric

323

00:11:35,350 --> 00:11:32,240

davis is lying

324

00:11:38,389 --> 00:11:35,360

or that these memos that he didn't meet

325

00:11:40,470 --> 00:11:38,399

with somebody and that this was related

326

00:11:42,150 --> 00:11:40,480

and this information as he transcribed

327

00:11:43,990 --> 00:11:42,160

him isn't what he was told

328

00:11:45,990 --> 00:11:44,000

it doesn't mean for certain it is but i

329

00:11:47,269 --> 00:11:46,000

would just say that interestingly enough

330

00:11:48,389 --> 00:11:47,279

there's an overwhelming amount of

331

00:11:51,110 --> 00:11:48,399

evidence that says

332

00:11:51,670 --> 00:11:51,120

yeah this meeting occurred within the

333

00:11:54,629 --> 00:11:51,680

last

334

00:11:55,269 --> 00:11:54,639

i guess month or two with billy cox

335

00:11:57,750 --> 00:11:55,279

excellent

336

00:11:59,269 --> 00:11:57,760

ufo journalist he was able to speak to

337

00:12:02,470 --> 00:11:59,279

admiral wilson

338

00:12:04,870 --> 00:12:02,480

thomas wilson who gave a very

339

00:12:05,590 --> 00:12:04,880

uh very interesting rebuttal to all this

340

00:12:06,949 --> 00:12:05,600

you know said it

341

00:12:08,710 --> 00:12:06,959

sounded like fiction never met with a

342

00:12:09,990 --> 00:12:08,720

guy doesn't know who the hell davis is

343

00:12:11,750 --> 00:12:10,000

what the hell are they talking about you

344

00:12:13,430 --> 00:12:11,760

know like this is crazy

345

00:12:15,110 --> 00:12:13,440

far beyond what you kind of expect i

346

00:12:17,030 --> 00:12:15,120

know the ufo community has said

347

00:12:18,470 --> 00:12:17,040

well of course he's just saying that to

348

00:12:20,629 --> 00:12:18,480

keep the cover-up alive

349

00:12:21,829 --> 00:12:20,639

you know yeah i'm like okay why wouldn't

350

00:12:23,829 --> 00:12:21,839

he just say

351
00:12:25,990 --> 00:12:23,839
no no comment on that he said why even

352
00:12:29,990 --> 00:12:26,000
answer but

353
00:12:32,389 --> 00:12:30,000
for me i think that people have

354
00:12:34,389 --> 00:12:32,399
overlooked dismissed and pushed to the

355
00:12:35,069 --> 00:12:34,399
side another set of documents that were

356
00:12:37,990 --> 00:12:35,079
leaked out

357
00:12:38,629 --> 00:12:38,000
simultaneously with these wilson memos

358
00:12:40,790 --> 00:12:38,639
and

359
00:12:42,949 --> 00:12:40,800
uh if you're not familiar that was a

360
00:12:44,389 --> 00:12:42,959
series of email exchanges between dr

361
00:12:46,949 --> 00:12:44,399
christopher kitt greene

362
00:12:47,509 --> 00:12:46,959
dr howell put off and dr davis same time

363
00:12:49,670 --> 00:12:47,519

frame

364

00:12:51,030 --> 00:12:49,680

this email exchange was related to the

365

00:12:53,190 --> 00:12:51,040

santilli

366

00:12:54,710 --> 00:12:53,200

alien autopsy video i'm sure you're

367

00:12:58,550 --> 00:12:54,720

familiar right right

368

00:13:00,389 --> 00:12:58,560

a little bit yeah i have uh

369

00:13:01,990 --> 00:13:00,399

i wish the audience could see my eyes

370

00:13:03,350 --> 00:13:02,000

rolling right now they might be able to

371

00:13:05,030 --> 00:13:03,360

even hear it at this point

372

00:13:06,470 --> 00:13:05,040

but no man please tell me about this

373

00:13:08,629 --> 00:13:06,480

because this is a a

374

00:13:09,670 --> 00:13:08,639

sub-topic within that whole thing where

375

00:13:11,269 --> 00:13:09,680

i'm like are we

376

00:13:12,790 --> 00:13:11,279

seriously talking about the alien

377

00:13:14,629 --> 00:13:12,800

autopsy in 2020

378

00:13:15,829 --> 00:13:14,639

yes you tell me why because this leaked

379

00:13:17,670 --> 00:13:15,839

documents these

380

00:13:19,030 --> 00:13:17,680

emails came out and the emails were from

381

00:13:21,350 --> 00:13:19,040

kit green

382

00:13:22,069 --> 00:13:21,360

uh you know put off and davis were

383

00:13:23,670 --> 00:13:22,079

asking him

384

00:13:25,910 --> 00:13:23,680

because he had evidently relayed to them

385

00:13:27,990 --> 00:13:25,920

that he had been shown this alien top

386

00:13:29,670 --> 00:13:28,000

autopsy video and told it was real and

387

00:13:31,030 --> 00:13:29,680

kids saying yeah no that's the

388

00:13:32,870 --> 00:13:31,040

that's the video i saw that's the video

389

00:13:35,750 --> 00:13:32,880

i saw it was real

390

00:13:36,949 --> 00:13:35,760

um i've spoken to kid several occasions

391

00:13:40,310 --> 00:13:36,959

and

392

00:13:43,350 --> 00:13:40,320

that yes he was

393

00:13:44,629 --> 00:13:43,360

shown the santelli video that we all

394

00:13:46,710 --> 00:13:44,639

know to be a hoax

395

00:13:48,470 --> 00:13:46,720

okay we know who filmed it we know all

396

00:13:49,189 --> 00:13:48,480

this stuff he said yeah no i was shown

397

00:13:51,350 --> 00:13:49,199

that

398

00:13:52,949 --> 00:13:51,360

i was told it was real he didn't he

399

00:13:54,230 --> 00:13:52,959

didn't tell me who showed him that

400

00:13:56,069 --> 00:13:54,240

he didn't tell me who told him it was

401
00:13:59,189 --> 00:13:56,079
real but it was somebody

402
00:14:00,949 --> 00:13:59,199
that had enough authority and and enough

403
00:14:01,590 --> 00:14:00,959
credentials behind him that he believed

404
00:14:03,670 --> 00:14:01,600
them

405
00:14:04,949 --> 00:14:03,680
we can assume well maybe that means that

406
00:14:07,509 --> 00:14:04,959
kit green's just a

407
00:14:09,590 --> 00:14:07,519
credulous person but i think if you

408
00:14:11,430 --> 00:14:09,600
really look at kit green's background

409
00:14:13,269 --> 00:14:11,440
it's pretty impressive you know he was

410
00:14:14,550 --> 00:14:13,279
in a he held some impressive positions

411
00:14:16,150 --> 00:14:14,560
for both general motors and more

412
00:14:19,670 --> 00:14:16,160
importantly the cia

413
00:14:22,069 --> 00:14:19,680

and so i don't just assume that he's

414

00:14:22,870 --> 00:14:22,079

credulous and in fact if you talk to kit

415

00:14:24,470 --> 00:14:22,880

nowadays

416

00:14:26,629 --> 00:14:24,480

he's pretty interesting because he i

417

00:14:28,949 --> 00:14:26,639

would say that he is a

418

00:14:29,990 --> 00:14:28,959

a much bigger skeptic of the ufo

419

00:14:32,550 --> 00:14:30,000

phenomena than people

420

00:14:35,030 --> 00:14:32,560

would even imagine but he was full and

421

00:14:39,189 --> 00:14:35,040

somebody with enough sophistication

422

00:14:41,829 --> 00:14:39,199

fooled him who who why i don't know

423

00:14:42,870 --> 00:14:41,839

other than it could have been a prank

424

00:14:44,710 --> 00:14:42,880

you know it could have been some of the

425

00:14:47,030 --> 00:14:44,720

cia colleagues they're like ah let's get

426
00:14:48,310 --> 00:14:47,040
get you know back in my police days we

427
00:14:48,710 --> 00:14:48,320
did all sorts of mean things to each

428
00:14:52,230 --> 00:14:48,720
other

429
00:14:55,189 --> 00:14:52,240
so maybe that's true um or i don't know

430
00:14:56,949 --> 00:14:55,199
but he was definitely told that and so

431
00:14:58,710 --> 00:14:56,959
what we see with these

432
00:15:00,069 --> 00:14:58,720
these memo releases that i find

433
00:15:01,350 --> 00:15:00,079
interesting is that the ones have been

434
00:15:04,949 --> 00:15:01,360
dismissed here

435
00:15:08,509 --> 00:15:04,959
are telling us that somebody uh someone

436
00:15:12,069 --> 00:15:08,519
or some organization was providing

437
00:15:14,389 --> 00:15:12,079
disinformation to the needs bass crew

438
00:15:15,509 --> 00:15:14,399

and kate green was a member of the knits

439

00:15:17,990 --> 00:15:15,519

board back then

440

00:15:19,829 --> 00:15:18,000

and so therefore i i have this nagging

441

00:15:21,189 --> 00:15:19,839

concern that lingers with me with this

442

00:15:23,990 --> 00:15:21,199

wilson documents

443

00:15:25,670 --> 00:15:24,000

is that eric davis isn't lying eric

444

00:15:27,189 --> 00:15:25,680

davis is i don't believe he is

445

00:15:28,550 --> 00:15:27,199

just i have no problem standing on the

446

00:15:29,829 --> 00:15:28,560

record there's nothing that tells me

447

00:15:32,470 --> 00:15:29,839

that eric davis is

448

00:15:33,910 --> 00:15:32,480

a liar and that he's making this up uh

449

00:15:36,790 --> 00:15:33,920

that he did meet with somebody

450

00:15:37,749 --> 00:15:36,800

admittedly he didn't know he'd never met

451
00:15:40,550 --> 00:15:37,759
thomas wilson

452
00:15:41,030 --> 00:15:40,560
before that day of these notes perhaps

453
00:15:43,189 --> 00:15:41,040
it's just

454
00:15:44,629 --> 00:15:43,199
concerned it still lingers that makes me

455
00:15:47,829 --> 00:15:44,639
wonder could he have been

456
00:15:51,670 --> 00:15:50,069
we can tell with kit green somebody set

457
00:15:53,350 --> 00:15:51,680
him up

458
00:15:54,870 --> 00:15:53,360
i'm not saying that that's the solution

459
00:15:56,870 --> 00:15:54,880
but uh but i

460
00:15:59,189 --> 00:15:56,880
for me why that becomes more interesting

461
00:16:01,749 --> 00:15:59,199
is now you um

462
00:16:03,350 --> 00:16:01,759
it brings this other weird element to

463
00:16:05,030 --> 00:16:03,360

the ufo topic where

464

00:16:06,150 --> 00:16:05,040

it really is a wilderness of mirrors

465

00:16:06,629 --> 00:16:06,160

right i know i'm not telling you

466

00:16:09,910 --> 00:16:06,639

anything

467

00:16:12,550 --> 00:16:09,920

you knew you know the cast of characters

468

00:16:14,470 --> 00:16:12,560

out there very interesting you don't

469

00:16:16,470 --> 00:16:14,480

have to have government state actors who

470

00:16:17,269 --> 00:16:16,480

are involved in disinformation you can

471

00:16:20,629 --> 00:16:17,279

have

472

00:16:22,230 --> 00:16:20,639

just you know sophisticated hoaxers

473

00:16:23,670 --> 00:16:22,240

you have different people who have

474

00:16:25,910 --> 00:16:23,680

agendas so i

475

00:16:26,790 --> 00:16:25,920

i wouldn't even gather to speculate who

476

00:16:30,310 --> 00:16:26,800

or why

477

00:16:32,150 --> 00:16:30,320

would try to deceive eric davis possibly

478

00:16:35,509 --> 00:16:32,160

or deceive kit green

479

00:16:38,230 --> 00:16:35,519

i'm not suggesting that was a government

480

00:16:40,230 --> 00:16:38,240

conspiracy you know the the nsa or

481

00:16:41,749 --> 00:16:40,240

whoever was like let's set these guys up

482

00:16:44,949 --> 00:16:41,759

but i'm not

483

00:16:48,150 --> 00:16:44,959

fully on board yet that uh

484

00:16:50,310 --> 00:16:48,160

that for certain tom admiral thomas j

485

00:16:51,910 --> 00:16:50,320

wilson met with eric davis and said

486

00:16:53,990 --> 00:16:51,920

everything that's in those notes

487

00:16:55,990 --> 00:16:54,000

while equally not saying that eric davis

488

00:16:58,069 --> 00:16:56,000

is being dishonest by what

489

00:16:59,509 --> 00:16:58,079

he believes occurred i don't know yet

490

00:17:02,310 --> 00:16:59,519

it's uh

491

00:17:03,509 --> 00:17:02,320

it's interesting but but yeah i mean i

492

00:17:05,429 --> 00:17:03,519

think that lingering

493

00:17:07,590 --> 00:17:05,439

ultimately that lingering overhead of

494

00:17:10,230 --> 00:17:07,600

the idea that uh

495

00:17:12,069 --> 00:17:10,240

at the end of the day it all roads lead

496

00:17:16,309 --> 00:17:12,079

to was a contractor telling the truth

497

00:17:17,350 --> 00:17:16,319

and i all all precedent all evidence

498

00:17:19,590 --> 00:17:17,360

would suggest no

499

00:17:20,710 --> 00:17:19,600

they were not and so i don't think these

500

00:17:21,270 --> 00:17:20,720

are the linchpin that are going to give

501
00:17:22,789 --> 00:17:21,280
us the

502
00:17:24,470 --> 00:17:22,799
the roswell bodies i know a lot of

503
00:17:26,470 --> 00:17:24,480
people think they will so who knows

504
00:17:27,990 --> 00:17:26,480
who knows man and i mean i think you

505
00:17:30,310 --> 00:17:28,000
bring up a good point of

506
00:17:31,270 --> 00:17:30,320
the people who bring these things

507
00:17:33,190 --> 00:17:31,280
forward

508
00:17:34,870 --> 00:17:33,200
not not the ones who gave them the

509
00:17:36,070 --> 00:17:34,880
information but the actual

510
00:17:38,630 --> 00:17:36,080
whatever you want to call them

511
00:17:41,350 --> 00:17:38,640
whistleblower or individual who

512
00:17:43,750 --> 00:17:41,360
says they heard this uh i would have to

513
00:17:45,750 --> 00:17:43,760

agree in many of these cases i also

514

00:17:47,830 --> 00:17:45,760

believe that they are telling the truth

515

00:17:50,310 --> 00:17:47,840

as they see it and as they

516

00:17:51,190 --> 00:17:50,320

experienced it and i think that really

517

00:17:53,029 --> 00:17:51,200

goes

518

00:17:54,950 --> 00:17:53,039

for the next individual who you've

519

00:17:57,510 --> 00:17:54,960

written about in the past uh

520

00:17:58,470 --> 00:17:57,520

i have made this very clear on my show

521

00:18:01,669 --> 00:17:58,480

in public

522

00:18:04,150 --> 00:18:01,679

that i do believe

523

00:18:06,310 --> 00:18:04,160

bob lazar yep his name's coming up again

524

00:18:08,470 --> 00:18:06,320

for anyone out there who hates it i'm

525

00:18:11,190 --> 00:18:08,480

sorry but we have to touch on this

526

00:18:13,190 --> 00:18:11,200

i have always been under the impression

527

00:18:15,430 --> 00:18:13,200

that he is telling the truth as he

528

00:18:17,830 --> 00:18:15,440

experienced it what he saw

529

00:18:19,669 --> 00:18:17,840

what he worked on what that was and the

530

00:18:22,230 --> 00:18:19,679

people who

531

00:18:23,909 --> 00:18:22,240

hired him or had anything to do with it

532

00:18:26,470 --> 00:18:23,919

what information they're feeding him

533

00:18:28,150 --> 00:18:26,480

that's a whole other story um so i want

534

00:18:29,669 --> 00:18:28,160

to get your thoughts on this tim he's

535

00:18:32,789 --> 00:18:29,679

back in the news you know

536

00:18:35,029 --> 00:18:32,799

he was on rogan not too long ago and

537

00:18:36,070 --> 00:18:35,039

i know you've spoken about bob in your

538

00:18:38,630 --> 00:18:36,080

past article so

539

00:18:39,830 --> 00:18:38,640

what do you make of the entire bob lazar

540

00:18:42,230 --> 00:18:39,840

affair do you think

541

00:18:42,870 --> 00:18:42,240

anything happening right now in the ufo

542

00:18:45,830 --> 00:18:42,880

world

543

00:18:47,590 --> 00:18:45,840

vindicates as some have said uh bob

544

00:18:48,789 --> 00:18:47,600

lazar's claims what do you what do you

545

00:18:50,950 --> 00:18:48,799

make of all this

546

00:18:52,470 --> 00:18:50,960

good old bob um yeah no i've actually

547

00:18:55,830 --> 00:18:52,480

i've spoken with bob

548

00:18:56,470 --> 00:18:55,840

um for an article i put out in vice in

549

00:18:58,230 --> 00:18:56,480

november

550

00:18:59,590 --> 00:18:58,240

it had to do with the quote-unquote fbi

551
00:19:01,750 --> 00:18:59,600
raid it was in

552
00:19:02,789 --> 00:19:01,760
uh the recent documentary jeremy

553
00:19:05,909 --> 00:19:02,799
corbell's film

554
00:19:07,830 --> 00:19:05,919
yeah you know uh

555
00:19:09,990 --> 00:19:07,840
i was on the fence with bob for a long

556
00:19:13,510 --> 00:19:10,000
time and i really uh

557
00:19:16,789 --> 00:19:13,520
went into it examining very objectively

558
00:19:20,070 --> 00:19:16,799
open-minded open to any outcome

559
00:19:22,230 --> 00:19:20,080
i will tell you that based on the

560
00:19:25,190 --> 00:19:22,240
overwhelming totality of evidence

561
00:19:25,830 --> 00:19:25,200
that uncovered or has been uncovered by

562
00:19:27,669 --> 00:19:25,840
plenty of

563
00:19:29,590 --> 00:19:27,679

great researchers a lot better than me

564

00:19:31,510 --> 00:19:29,600

but that i'm aware of that this can be

565

00:19:35,190 --> 00:19:31,520

substantiated and backed up

566

00:19:36,789 --> 00:19:35,200

uh i would say in the dearth of known

567

00:19:38,310 --> 00:19:36,799

information and evidence that the

568

00:19:41,350 --> 00:19:38,320

balance of probabilities

569

00:19:44,549 --> 00:19:41,360

that uh what he

570

00:19:46,549 --> 00:19:44,559

what he has said is being true and even

571

00:19:48,630 --> 00:19:46,559

and i respect what you just said that

572

00:19:51,750 --> 00:19:48,640

he's telling the truth is he

573

00:19:53,029 --> 00:19:51,760

was solid and what he was exposed to but

574

00:19:54,390 --> 00:19:53,039

i i don't think that

575

00:19:56,390 --> 00:19:54,400

you know for me i don't think that's

576
00:19:57,350 --> 00:19:56,400
accurate um at least for more the

577
00:19:59,669 --> 00:19:57,360
evidence shows

578
00:20:02,230 --> 00:19:59,679
i think that there's not a there's not

579
00:20:05,669 --> 00:20:02,240
even enough evidence that he was ever

580
00:20:08,789 --> 00:20:05,679
in the position to see anything

581
00:20:10,789 --> 00:20:08,799
like what he's describing i i don't

582
00:20:12,470 --> 00:20:10,799
know there's and i understand that

583
00:20:15,190 --> 00:20:12,480
recently you've had you know

584
00:20:16,230 --> 00:20:15,200
a former sr-71 pilot or something who

585
00:20:18,630 --> 00:20:16,240
went on

586
00:20:20,230 --> 00:20:18,640
uh where the venue where all truths are

587
00:20:24,070 --> 00:20:20,240
told ancient aliens

588
00:20:26,230 --> 00:20:24,080

to say that he was that a friend

589

00:20:28,230 --> 00:20:26,240

told him that he saw but you know we're

590

00:20:31,110 --> 00:20:28,240

going to this third hand thing

591

00:20:31,909 --> 00:20:31,120

um that lazar was ever at area 51 i

592

00:20:35,270 --> 00:20:31,919

think that

593

00:20:36,870 --> 00:20:35,280

um the czar if he he's

594

00:20:38,710 --> 00:20:36,880

not telling the truth he's very good at

595

00:20:41,190 --> 00:20:38,720

it and he presents himself

596

00:20:42,390 --> 00:20:41,200

in a way now i won't go down that route

597

00:20:44,549 --> 00:20:42,400

i was going to put on my

598

00:20:46,070 --> 00:20:44,559

my behavioral profiling hat like i used

599

00:20:46,630 --> 00:20:46,080

to do in police but i don't think that

600

00:20:50,310 --> 00:20:46,640

that's

601
00:20:52,390 --> 00:20:50,320
say that he's good at it

602
00:20:55,029 --> 00:20:52,400
and i mean when i i'd be happy to say

603
00:20:58,390 --> 00:20:55,039
when i interviewed him you know i had

604
00:21:00,149 --> 00:20:58,400
uh gotten the entire case file

605
00:21:02,230 --> 00:21:00,159
for the search of his business that was

606
00:21:03,110 --> 00:21:02,240
shown in the film from the michigan

607
00:21:04,630 --> 00:21:03,120
state police

608
00:21:06,149 --> 00:21:04,640
and also a local police department there

609
00:21:07,510 --> 00:21:06,159
i had spoken with

610
00:21:09,430 --> 00:21:07,520
the some of the law enforcement

611
00:21:12,070 --> 00:21:09,440
officials who were there

612
00:21:13,510 --> 00:21:12,080
um and you know so obviously there was

613
00:21:13,909 --> 00:21:13,520

just this wealth of evidence that it

614

00:21:17,029 --> 00:21:13,919

wasn't

615

00:21:20,230 --> 00:21:17,039

what is it was portrayed in the movie

616

00:21:21,590 --> 00:21:20,240

and this element 115 deal and in fact

617

00:21:23,750 --> 00:21:21,600

the fbi

618

00:21:25,270 --> 00:21:23,760

um when they were called in all this

619

00:21:27,029 --> 00:21:25,280

kind of stuff and so

620

00:21:29,190 --> 00:21:27,039

you know when i pushed him on those

621

00:21:33,029 --> 00:21:29,200

details when we spoke

622

00:21:36,789 --> 00:21:33,039

um you know he brought in new details

623

00:21:39,750 --> 00:21:36,799

to explain away my concerns you know

624

00:21:40,149 --> 00:21:39,760

i think a good example is that event and

625

00:21:43,990 --> 00:21:40,159

i

626
00:21:45,750 --> 00:21:44,000
whatever

627
00:21:47,430 --> 00:21:45,760
information's in front of us and believe

628
00:21:49,270 --> 00:21:47,440
that that's the most accurate

629
00:21:51,590 --> 00:21:49,280
or forget about those other details but

630
00:21:53,909 --> 00:21:51,600
you know there's a lot of things

631
00:21:55,590 --> 00:21:53,919
there you know when that raid occurred

632
00:21:56,870 --> 00:21:55,600
the the day after that raid occurred bob

633
00:21:59,590 --> 00:21:56,880
lazar went on reddit

634
00:22:01,110 --> 00:21:59,600
via his uh employee that worked there

635
00:22:03,590 --> 00:22:01,120
united nuclear

636
00:22:05,590 --> 00:22:03,600
and said hey guys he described the raid

637
00:22:06,630 --> 00:22:05,600
exactly to a tee as the police reports

638
00:22:07,909 --> 00:22:06,640

did

639

00:22:09,669 --> 00:22:07,919

exactly what it was about and everything

640

00:22:10,390 --> 00:22:09,679

it didn't become an area of an element

641

00:22:14,789 --> 00:22:10,400

115

642

00:22:17,190 --> 00:22:14,799

raid until the movie came out and um

643

00:22:18,149 --> 00:22:17,200

you know i brought that up with bob like

644

00:22:21,590 --> 00:22:18,159

what what the hell

645

00:22:23,669 --> 00:22:21,600

dude you know um and that's when

646

00:22:26,710 --> 00:22:23,679

that you know supposedly he was cornered

647

00:22:28,630 --> 00:22:26,720

upstairs by some fbi agents who

648

00:22:29,990 --> 00:22:28,640

mentioned it 115 and it becomes this

649

00:22:32,549 --> 00:22:30,000

thing like

650

00:22:33,590 --> 00:22:32,559

why why are more details always added

651
00:22:36,310 --> 00:22:33,600
why aren't we

652
00:22:37,190 --> 00:22:36,320
saying all this up front like why is

653
00:22:40,950 --> 00:22:37,200
this

654
00:22:44,230 --> 00:22:40,960
story but i think i'll just say that

655
00:22:46,630 --> 00:22:44,240
my ultimate my final opinion on lazar

656
00:22:48,310 --> 00:22:46,640
is that uh at the end of the day i don't

657
00:22:51,430 --> 00:22:48,320
want to express any more brain

658
00:22:54,789 --> 00:22:51,440
energy on that story because he told me

659
00:22:56,390 --> 00:22:54,799
well he did not confirm for it but

660
00:22:59,110 --> 00:22:56,400
definitely enough people around him seem

661
00:23:02,230 --> 00:22:59,120
to confirm it that he supposedly has a

662
00:23:05,830 --> 00:23:02,240
a secret piece of element 115 this

663
00:23:07,270 --> 00:23:05,840

alien fuel that powers the saucers um

664

00:23:09,750 --> 00:23:07,280

we won't even get on to how the hell do

665

00:23:10,870 --> 00:23:09,760

you sneak that off of a place that

666

00:23:12,789 --> 00:23:10,880

it's one of the most secure places in

667

00:23:15,669 --> 00:23:12,799

the world neither here nor there uh

668

00:23:16,149 --> 00:23:15,679

supposedly he has it and my thing is

669

00:23:20,230 --> 00:23:16,159

that

670

00:23:21,669 --> 00:23:20,240

pablo's our store

671

00:23:23,590 --> 00:23:21,679

you know short of them admitting yeah

672

00:23:25,590 --> 00:23:23,600

yeah we got nine eight saucers

673

00:23:26,630 --> 00:23:25,600

s4 he's right that could easily

674

00:23:28,710 --> 00:23:26,640

vindicate his story

675

00:23:30,230 --> 00:23:28,720

that could easily you know if if he had

676

00:23:32,549 --> 00:23:30,240

that presented

677

00:23:33,590 --> 00:23:32,559

i'm certain we could find somebody with

678

00:23:35,350 --> 00:23:33,600

uh

679

00:23:36,789 --> 00:23:35,360

the right kind of background that would

680

00:23:39,430 --> 00:23:36,799

be interested in this

681

00:23:41,669 --> 00:23:39,440

this and that would not only would could

682

00:23:42,630 --> 00:23:41,679

bob lazar if he wanted to and that was

683

00:23:44,630 --> 00:23:42,640

true

684

00:23:46,149 --> 00:23:44,640

vindicate himself but but ryan he could

685

00:23:47,190 --> 00:23:46,159

actually like

686

00:23:49,590 --> 00:23:47,200

screw the government we have to worry

687

00:23:51,430 --> 00:23:49,600

about them he could prove

688

00:23:53,430 --> 00:23:51,440

that extraterrestrials that all of this

689

00:23:56,470 --> 00:23:53,440

is true single-handedly

690

00:23:59,750 --> 00:23:56,480

and um he chooses not to

691

00:24:02,630 --> 00:23:59,760

i asked him you know would he be willing

692

00:24:04,630 --> 00:24:02,640

to come out with this element 115 and

693

00:24:05,909 --> 00:24:04,640

prove it and he he his divers were

694

00:24:09,190 --> 00:24:05,919

absolutely not

695

00:24:12,310 --> 00:24:09,200

but maybe if he got adequate funding

696

00:24:13,590 --> 00:24:12,320

in a big lab so you paid him and got him

697

00:24:18,470 --> 00:24:13,600

in a big lab

698

00:24:21,669 --> 00:24:18,480

then maybe he would come out with it so

699

00:24:23,190 --> 00:24:21,679

um yeah which important to know there

700

00:24:24,950 --> 00:24:23,200

at one point in time a lot of people

701

00:24:25,669 --> 00:24:24,960

don't realize but in the early 90s he

702

00:24:32,549 --> 00:24:25,679

had that

703

00:24:34,630 --> 00:24:32,559

big money in lab and he actually

704

00:24:36,070 --> 00:24:34,640

lost all that because i think um

705

00:24:38,470 --> 00:24:36,080

according to jacques valet

706

00:24:39,510 --> 00:24:38,480

bob came in bob bigelow that is came in

707

00:24:41,990 --> 00:24:39,520

and

708

00:24:43,830 --> 00:24:42,000

discovered that you know either whatever

709

00:24:45,830 --> 00:24:43,840

element 115 or some other type of

710

00:24:47,590 --> 00:24:45,840

product he was saying was alien was

711

00:24:49,350 --> 00:24:47,600

actually some industrial

712

00:24:50,630 --> 00:24:49,360

something that was in a bottle in the

713

00:24:53,830 --> 00:24:50,640

lab so

714

00:24:54,470 --> 00:24:53,840

i think yeah i just that's where i stand

715

00:24:58,070 --> 00:24:54,480

now

716

00:24:59,669 --> 00:24:58,080

ryan is that uh yeah i mean if what he's

717

00:25:01,590 --> 00:24:59,679

saying is true then

718

00:25:02,710 --> 00:25:01,600

besides the stories that are clearly

719

00:25:05,909 --> 00:25:02,720

unprovable

720

00:25:09,510 --> 00:25:05,919

he supposedly he has physical proof

721

00:25:12,070 --> 00:25:09,520

i mean why people aren't going

722

00:25:14,390 --> 00:25:12,080

what demanding bob lazar give disclosure

723

00:25:16,950 --> 00:25:14,400

i'll never know well

724

00:25:17,669 --> 00:25:16,960

and you gotta wonder too tim like we

725

00:25:21,269 --> 00:25:17,679

know he

726

00:25:22,630 --> 00:25:21,279

wrote his somebody sorry somebody wrote

727

00:25:24,630 --> 00:25:22,640

his autobiography

728

00:25:26,630 --> 00:25:24,640

i won't go there um people know my

729

00:25:30,390 --> 00:25:26,640

thoughts on bob lazar's book

730

00:25:32,470 --> 00:25:30,400

at this point but um the fact that he is

731

00:25:34,870 --> 00:25:32,480

in connection with tom delong clearly

732

00:25:37,669 --> 00:25:34,880

they published his autobiography

733

00:25:39,029 --> 00:25:37,679

uh you gotta wonder you know how far

734

00:25:41,590 --> 00:25:39,039

does that relationship

735

00:25:42,070 --> 00:25:41,600

go could bob lazar get the funding he

736

00:25:44,390 --> 00:25:42,080

needs

737

00:25:46,070 --> 00:25:44,400

through to the stars or or as we're

738

00:25:49,029 --> 00:25:46,080

learning to the stars working with

739

00:25:51,269 --> 00:25:49,039

the army now and the other big thing is

740

00:25:53,669 --> 00:25:51,279

if he is in possession of this

741

00:25:54,950 --> 00:25:53,679

element that supposedly fuels these

742

00:25:57,430 --> 00:25:54,960

craft

743

00:25:58,390 --> 00:25:57,440

that he witnessed is it hidden somewhere

744

00:26:00,789 --> 00:25:58,400

and is that in

745

00:26:02,390 --> 00:26:00,799

insurance you know when he first came

746

00:26:03,190 --> 00:26:02,400

forward he said this is why i came

747

00:26:06,070 --> 00:26:03,200

forward it was an

748

00:26:06,470 --> 00:26:06,080

insurance on my life you know now people

749

00:26:12,310 --> 00:26:06,480

know

750

00:26:13,510 --> 00:26:12,320

are we gonna see this element come

751
00:26:15,909 --> 00:26:13,520
forward when

752
00:26:18,070 --> 00:26:15,919
you know ultimately as we all do leave

753
00:26:19,990 --> 00:26:18,080
this mortal coil when bob lazar does

754
00:26:21,269 --> 00:26:20,000
that are we gonna finally get the map to

755
00:26:23,669 --> 00:26:21,279
where he hit it or

756
00:26:25,110 --> 00:26:23,679
or what but you make a good point if it

757
00:26:27,990 --> 00:26:25,120
if he had this

758
00:26:29,430 --> 00:26:28,000
and as he always claims the technology i

759
00:26:31,190 --> 00:26:29,440
reverse engineered could change the

760
00:26:33,190 --> 00:26:31,200
world for the better forever

761
00:26:34,870 --> 00:26:33,200
why is he keeping it hidden somewhere

762
00:26:37,029 --> 00:26:34,880
when he himself

763
00:26:38,310 --> 00:26:37,039

could change the world with this i i

764

00:26:41,269 --> 00:26:38,320

have to wonder too

765

00:26:42,710 --> 00:26:41,279

and i know anybody who listens to this

766

00:26:44,390 --> 00:26:42,720

who who definitely is

767

00:26:46,070 --> 00:26:44,400

you know firmly believes lazar that's

768

00:26:48,789 --> 00:26:46,080

fine i get that i'm not

769

00:26:50,549 --> 00:26:48,799

trying to change minds here but um yeah

770

00:26:52,470 --> 00:26:50,559

no i know one of those arguments

771

00:26:54,230 --> 00:26:52,480

is well no he can't come forward with it

772

00:26:56,710 --> 00:26:54,240

you know the government would off him or

773

00:26:58,630 --> 00:26:56,720

he'd go to jail and everything and and

774

00:27:00,470 --> 00:26:58,640

everything that you just said

775

00:27:01,669 --> 00:27:00,480

what he said is this could change the

776
00:27:03,029 --> 00:27:01,679
world for the better that this will

777
00:27:07,029 --> 00:27:03,039
prove alien life

778
00:27:09,350 --> 00:27:07,039
well thank god that history

779
00:27:10,230 --> 00:27:09,360
had people like harriet tubman or martin

780
00:27:13,669 --> 00:27:10,240
luther king

781
00:27:15,669 --> 00:27:13,679
or nathan hale who were willing to

782
00:27:17,430 --> 00:27:15,679
risk things for the betterment of

783
00:27:20,230 --> 00:27:17,440
humanity or mankind

784
00:27:21,269 --> 00:27:20,240
if i had it i would i would share it

785
00:27:25,269 --> 00:27:21,279
with the world

786
00:27:29,750 --> 00:27:27,669
warning if you like your ufo literature

787
00:27:32,230 --> 00:27:29,760
to confirm what you already know

788
00:27:33,990 --> 00:27:32,240

this is not the book for you from white

789

00:27:37,510 --> 00:27:34,000

crow books comes a brand new collection

790

00:27:38,710 --> 00:27:37,520

of essays 14 authors one goal to shatter

791

00:27:40,710 --> 00:27:38,720

the ufo topic

792

00:27:43,029 --> 00:27:40,720

and pick up the pieces in a whole new

793

00:27:43,510 --> 00:27:43,039

light compiled and edited by robbie

794

00:27:45,510 --> 00:27:43,520

graham

795

00:27:47,110 --> 00:27:45,520

with a foreword by professor diana walsh

796

00:27:49,830 --> 00:27:47,120

basulka ufos

797

00:27:51,430 --> 00:27:49,840

reframing the debate is a cold hard slap

798

00:27:54,310 --> 00:27:51,440

in the face for ufology

799

00:27:54,950 --> 00:27:54,320

delivered with love ufos reframing the

800

00:27:57,110 --> 00:27:54,960

debate

801
00:27:58,789 --> 00:27:57,120
available now in paperback and ebook on

802
00:28:01,350 --> 00:27:58,799
amazon and at barnes noble

803
00:28:03,029 --> 00:28:01,360
the book depository and the ibooks store

804
00:28:03,830 --> 00:28:03,039
for a complete list of contributors and

805
00:28:08,549 --> 00:28:03,840
to learn more

806
00:28:12,230 --> 00:28:11,510
well okay well we've we've pretty much

807
00:28:14,789 --> 00:28:12,240
tackled

808
00:28:16,149 --> 00:28:14,799
everything we possibly could tim but i

809
00:28:17,430 --> 00:28:16,159
do have some listener questions

810
00:28:19,350 --> 00:28:17,440
if you're willing to stick around for

811
00:28:20,870 --> 00:28:19,360
those yeah absolutely man

812
00:28:23,830 --> 00:28:20,880
awesome all right well the first one

813
00:28:24,389 --> 00:28:23,840

here comes from mountains of madness on

814

00:28:26,870 --> 00:28:24,399

twitter

815

00:28:27,430 --> 00:28:26,880

love that name uh what do you think

816

00:28:30,549 --> 00:28:27,440

about

817

00:28:32,070 --> 00:28:30,559

richard dolan's concept of a breakaway

818

00:28:33,830 --> 00:28:32,080

civilization this is a really

819

00:28:35,909 --> 00:28:33,840

interesting thing you know that

820

00:28:38,070 --> 00:28:35,919

dolan pretty much came up with i think

821

00:28:39,830 --> 00:28:38,080

you know maybe decades ago but

822

00:28:41,190 --> 00:28:39,840

do you know anything about what this

823

00:28:43,830 --> 00:28:41,200

term is tim and

824

00:28:44,630 --> 00:28:43,840

uh make anything of it just generally i

825

00:28:46,310 --> 00:28:44,640

haven't heard

826

00:28:48,230 --> 00:28:46,320

richard dolan's version of it but but i

827

00:28:48,789 --> 00:28:48,240

would say the variations of it i've

828

00:28:51,909 --> 00:28:48,799

heard

829

00:28:52,389 --> 00:28:51,919

from various people in fact a good buddy

830

00:28:54,070 --> 00:28:52,399

of mine

831

00:28:56,310 --> 00:28:54,080

who i've written for the war zone tyler

832

00:28:58,230 --> 00:28:56,320

roadway who's the

833

00:29:00,149 --> 00:28:58,240

editor over there i mean he he i will

834

00:29:01,430 --> 00:29:00,159

say i think he'd be okay with me saying

835

00:29:05,190 --> 00:29:01,440

that he kind of espouses

836

00:29:07,269 --> 00:29:05,200

a maybe a similar breakaway civilization

837

00:29:08,310 --> 00:29:07,279

idea for what the tic tac and stuff are

838

00:29:09,870 --> 00:29:08,320

but rather

839

00:29:13,669 --> 00:29:09,880

puts that breakaway in kind of the

840

00:29:15,909 --> 00:29:13,679

military-industrial complex

841

00:29:17,029 --> 00:29:15,919

and so i'm not sure if dolan's is like a

842

00:29:20,070 --> 00:29:17,039

true i know there's a

843

00:29:22,470 --> 00:29:20,080

true breakaway civilization um

844

00:29:24,870 --> 00:29:22,480

and uh yeah i don't know i mean i think

845

00:29:27,430 --> 00:29:24,880

that um

846

00:29:29,669 --> 00:29:27,440

it's an interesting story but there's a

847

00:29:33,669 --> 00:29:29,679

lot of interesting stories in this field

848

00:29:35,029 --> 00:29:33,679

and you know i hear a lot of interesting

849

00:29:36,789 --> 00:29:35,039

stories and i think that's an

850

00:29:38,630 --> 00:29:36,799

interesting story and i usually just

851

00:29:40,630 --> 00:29:38,640

stick with them there but in terms of

852

00:29:41,990 --> 00:29:40,640

what i think is provable and there's

853

00:29:44,549 --> 00:29:42,000

evidence to support

854

00:29:46,630 --> 00:29:44,559

it falls into that where i i haven't

855

00:29:50,389 --> 00:29:46,640

seen any evidence to support

856

00:29:53,590 --> 00:29:50,399

that and uh it raises

857

00:29:54,230 --> 00:29:53,600

a lot of interesting questions like what

858

00:29:57,669 --> 00:29:54,240

the hell

859

00:29:59,909 --> 00:29:57,679

you know we don't have any clue

860

00:30:01,750 --> 00:29:59,919

we can't honestly comprehend how alien

861

00:30:03,750 --> 00:30:01,760

psychology or what the thought process

862

00:30:07,269 --> 00:30:03,760

is of real true aliens would be

863

00:30:10,070 --> 00:30:07,279

because it's alien i mean we don't know

864

00:30:11,430 --> 00:30:10,080

we can interpret human behavior and so i

865

00:30:13,269 --> 00:30:11,440

don't know

866

00:30:15,750 --> 00:30:13,279

what you know i can't think of a human

867

00:30:16,389 --> 00:30:15,760

parallel comparison to where you would

868

00:30:19,750 --> 00:30:16,399

develop

869

00:30:22,149 --> 00:30:19,760

something that um is so far advanced

870

00:30:23,909 --> 00:30:22,159

and that that's kind of the lost point

871

00:30:27,350 --> 00:30:23,919

in all of it when we consider it being

872

00:30:30,470 --> 00:30:27,360

classified black technology is that um

873

00:30:32,710 --> 00:30:30,480

you know the if we take

874

00:30:34,230 --> 00:30:32,720

for face value that some some of the

875

00:30:36,870 --> 00:30:34,240

videos some of the photographs

876

00:30:38,950 --> 00:30:36,880

or you know the the testimony by highly

877

00:30:41,350 --> 00:30:38,960

skilled aviators like commander fravor

878

00:30:42,310 --> 00:30:41,360

uh and the pilots who witnessed the tic

879

00:30:44,789 --> 00:30:42,320

tac

880

00:30:46,070 --> 00:30:44,799

and what they saw you know we're talking

881

00:30:47,110 --> 00:30:46,080

about objects that are capable of

882

00:30:51,350 --> 00:30:47,120

achieving flight

883

00:30:53,990 --> 00:30:51,360

by means that we have no clue how to do

884

00:30:55,110 --> 00:30:54,000

uh you know whether it's the the b2

885

00:30:58,070 --> 00:30:55,120

stealth bomber

886

00:30:59,909 --> 00:30:58,080

or the wright brothers plane flight is

887

00:31:02,230 --> 00:30:59,919

achieved by the exact same principles

888

00:31:05,669 --> 00:31:02,240

there's been no dramatic change there

889

00:31:07,350 --> 00:31:05,679

you know it's same principles of of lift

890

00:31:09,029 --> 00:31:07,360

angle of attack with the control

891

00:31:10,870 --> 00:31:09,039

surfaces and wings

892

00:31:12,230 --> 00:31:10,880

um that's how we achieve flight whether

893

00:31:14,230 --> 00:31:12,240

it's helicopters planes

894

00:31:16,549 --> 00:31:14,240

whatever the only other option is firing

895

00:31:19,830 --> 00:31:16,559

a rocket you know as fast as we can

896

00:31:21,269 --> 00:31:19,840

in the air but um that's the only ways

897

00:31:22,630 --> 00:31:21,279

we know how to achieve flight and so

898

00:31:22,950 --> 00:31:22,640

when you're talking about these objects

899

00:31:26,070 --> 00:31:22,960

that

900

00:31:27,830 --> 00:31:26,080

lack control surfaces uh you know just

901
00:31:29,830 --> 00:31:27,840
kick out all the instantaneous

902
00:31:31,509 --> 00:31:29,840
acceleration and all of you know the

903
00:31:35,750 --> 00:31:31,519
ability to stop on a dime and

904
00:31:38,630 --> 00:31:35,760
acute angled turns that's just a

905
00:31:39,750 --> 00:31:38,640
massive list of aerospace abilities that

906
00:31:43,350 --> 00:31:39,760
we don't even know how to do

907
00:31:45,990 --> 00:31:43,360
one so somebody that somebody

908
00:31:48,230 --> 00:31:46,000
could have developed that completely in

909
00:31:50,950 --> 00:31:48,240
secret and then break away

910
00:31:51,269 --> 00:31:50,960
um either a hide it within government or

911
00:31:53,110 --> 00:31:51,279
b

912
00:31:54,310 --> 00:31:53,120
hide it i don't know where the hell are

913
00:31:56,549 --> 00:31:54,320

they hiding it's

914

00:31:58,389 --> 00:31:56,559

antarctica i don't know but when you

915

00:32:01,269 --> 00:31:58,399

work intelligence

916

00:32:01,909 --> 00:32:01,279

you know criminal intelligence and any

917

00:32:05,509 --> 00:32:01,919

intelligence

918

00:32:07,269 --> 00:32:05,519

first questions that you want to answer

919

00:32:08,710 --> 00:32:07,279

are motivation and intent

920

00:32:10,470 --> 00:32:08,720

once you know motivation and intent

921

00:32:11,830 --> 00:32:10,480

everything else kind of falls into play

922

00:32:15,110 --> 00:32:11,840

and so

923

00:32:17,830 --> 00:32:15,120

um i don't i mean i don't know and i

924

00:32:20,470 --> 00:32:17,840

would be willing to listen to richard

925

00:32:22,070 --> 00:32:20,480

dole or anybody else try to help explain

926

00:32:24,789 --> 00:32:22,080

what they think the motivation and

927

00:32:27,430 --> 00:32:24,799

intent for a breakaway society

928

00:32:28,549 --> 00:32:27,440

yeah that's a really good way of putting

929

00:32:30,630 --> 00:32:28,559

it and you know it

930

00:32:32,470 --> 00:32:30,640

it comes down to the highest bidder tim

931

00:32:34,789 --> 00:32:32,480

whoever gets that technology

932

00:32:35,669 --> 00:32:34,799

so and there's a motivation and they're

933

00:32:37,909 --> 00:32:35,679

not bidding it

934

00:32:39,029 --> 00:32:37,919

yeah yeah there's the motivation right

935

00:32:41,590 --> 00:32:39,039

thing yeah

936

00:32:42,710 --> 00:32:41,600

right really good point they're not

937

00:32:44,789 --> 00:32:42,720

bidding it um

938

00:32:46,149 --> 00:32:44,799

that's a really good point um all right

939

00:32:48,950 --> 00:32:46,159

well sarahm

940

00:32:51,269 --> 00:32:48,960

on twitter asks how has your knowledge

941

00:32:52,149 --> 00:32:51,279

of the ufo phenomenon changed your

942

00:32:55,430 --> 00:32:52,159

outlook

943

00:32:55,990 --> 00:32:55,440

on life uh how have your paradigms

944

00:32:58,950 --> 00:32:56,000

change this

945

00:32:59,509 --> 00:32:58,960

is what my book is about how these

946

00:33:02,789 --> 00:32:59,519

events

947

00:33:05,990 --> 00:33:02,799

affect you afterward before during

948

00:33:08,630 --> 00:33:06,000

yeah tim um yeah how did your ufo event

949

00:33:09,269 --> 00:33:08,640

change you if it did in any way you know

950

00:33:11,669 --> 00:33:09,279

i i

951
00:33:12,710 --> 00:33:11,679
wish that i could say one of the things

952
00:33:14,310 --> 00:33:12,720
and we talked about that first seven

953
00:33:16,389 --> 00:33:14,320
years before i started writing articles

954
00:33:17,909 --> 00:33:16,399
when i was looking at this from a from a

955
00:33:18,950 --> 00:33:17,919
kind of a cognitive investigative

956
00:33:20,950 --> 00:33:18,960
approach

957
00:33:22,470 --> 00:33:20,960
is one of the things that i probably the

958
00:33:23,350 --> 00:33:22,480
only thing that i was able to really

959
00:33:25,669 --> 00:33:23,360
gather that

960
00:33:27,190 --> 00:33:25,679
conclusively was identify uh a

961
00:33:31,509 --> 00:33:27,200
behavioral profile of people

962
00:33:34,630 --> 00:33:31,519
who had actually experienced

963
00:33:38,230 --> 00:33:34,640

real uh anomalous events

964

00:33:40,230 --> 00:33:38,240

so real sightings of ufos um and because

965

00:33:41,990 --> 00:33:40,240

it was very consistent and and like i

966

00:33:43,269 --> 00:33:42,000

said i was a behavioral profiler so this

967

00:33:46,710 --> 00:33:43,279

is kind of what you do

968

00:33:48,470 --> 00:33:46,720

and so um i wish that i'd had events

969

00:33:49,909 --> 00:33:48,480

like them because that profile

970

00:33:52,310 --> 00:33:49,919

was very interesting because it was

971

00:33:54,149 --> 00:33:52,320

always consistent in that

972

00:33:57,190 --> 00:33:54,159

describing and discussing the events

973

00:33:59,190 --> 00:33:57,200

were a little uncomfortable

974

00:34:01,269 --> 00:33:59,200

i use this term because it's really the

975

00:34:04,470 --> 00:34:01,279

only one that i have to associate

976

00:34:07,269 --> 00:34:04,480

the behavioral demeanor

977

00:34:09,109 --> 00:34:07,279

but it sounds bad uh and that is even in

978

00:34:11,109 --> 00:34:09,119

retelling the story is shame

979

00:34:12,470 --> 00:34:11,119

it's like they're ashamed in a way that

980

00:34:13,589 --> 00:34:12,480

this they have seen this and this has

981

00:34:17,430 --> 00:34:13,599

occurred

982

00:34:18,710 --> 00:34:17,440

um they will often while telling it

983

00:34:21,589 --> 00:34:18,720

it's very interesting because they they

984

00:34:21,990 --> 00:34:21,599

mitigate kind of the surreal nature of

985

00:34:25,349 --> 00:34:22,000

it

986

00:34:28,869 --> 00:34:25,359

in their mind um to themselves so not to

987

00:34:30,470 --> 00:34:28,879

you that they're telling it to but you

988

00:34:32,550 --> 00:34:30,480

nine out of 10 times as they're telling

989

00:34:34,069 --> 00:34:32,560

the story they will try to explain

990

00:34:35,990 --> 00:34:34,079

possibly a prosaic explanation that

991

00:34:37,109 --> 00:34:36,000

doesn't fit um

992

00:34:38,629 --> 00:34:37,119

you know like they'll say hey you know

993

00:34:39,669 --> 00:34:38,639

there was an airport nearby so it could

994

00:34:40,950 --> 00:34:39,679

have been a plane but

995

00:34:43,270 --> 00:34:40,960

you know never mind that that wouldn't

996

00:34:46,149 --> 00:34:43,280

fit because it shot off at you know

997

00:34:47,750 --> 00:34:46,159

50 000 miles per hour um so they they go

998

00:34:50,230 --> 00:34:47,760

this weird kind of ebb and flow with

999

00:34:52,869 --> 00:34:50,240

trying to explain it to themselves but

1000

00:34:53,990 --> 00:34:52,879

they all have this consistent behavioral

1001
00:34:56,310 --> 00:34:54,000
profile that

1002
00:34:58,310 --> 00:34:56,320
to me appears that whatever that they

1003
00:35:00,950 --> 00:34:58,320
saw there's no doubt my mind

1004
00:35:01,990 --> 00:35:00,960
that it was so consistent that it

1005
00:35:05,190 --> 00:35:02,000
challenged

1006
00:35:07,270 --> 00:35:05,200
their definition of reality it was it's

1007
00:35:09,190 --> 00:35:07,280
it was tough for them like it's it's

1008
00:35:11,670 --> 00:35:09,200
just weird because it's not

1009
00:35:13,510 --> 00:35:11,680
supposed to be real and it challenged it

1010
00:35:15,190 --> 00:35:13,520
i didn't my experience wasn't like that

1011
00:35:17,829 --> 00:35:15,200
and that's what i said i didn't

1012
00:35:19,589 --> 00:35:17,839
nothing that i saw performance wise like

1013
00:35:21,750 --> 00:35:19,599

you know but i saw didn't just like

1014

00:35:23,349 --> 00:35:21,760

dart off in an instant and me go holy

1015

00:35:25,349 --> 00:35:23,359

that's not supposed to be real

1016

00:35:27,349 --> 00:35:25,359

i didn't see anything up close that type

1017

00:35:30,630 --> 00:35:27,359

of thing and so it didn't have this

1018

00:35:33,270 --> 00:35:30,640

dramatic effect on me that i think uh

1019

00:35:33,670 --> 00:35:33,280

has for a lot of other people that truly

1020

00:35:35,750 --> 00:35:33,680

have

1021

00:35:36,950 --> 00:35:35,760

i mean that let's see that's probably

1022

00:35:38,470 --> 00:35:36,960

some of the most conclusive

1023

00:35:40,230 --> 00:35:38,480

evidence i've ever seen they've

1024

00:35:41,109 --> 00:35:40,240

encountered something at least that they

1025

00:35:44,870 --> 00:35:41,119

perceive

1026

00:35:46,630 --> 00:35:44,880

is not in their reality and so i yeah my

1027

00:35:48,390 --> 00:35:46,640

experience didn't change me in that

1028

00:35:51,750 --> 00:35:48,400

regard probably the biggest

1029

00:35:52,790 --> 00:35:51,760

change was just uh created this new

1030

00:35:56,069 --> 00:35:52,800

mystery

1031

00:35:59,349 --> 00:35:56,079

that i wanted to solve the idea that

1032

00:36:02,470 --> 00:35:59,359

uh ufos could represent um

1033

00:36:03,750 --> 00:36:02,480

aliens interdimensionals you know space

1034

00:36:05,670 --> 00:36:03,760

poltergeist or

1035

00:36:07,990 --> 00:36:05,680

black technology has always been on the

1036

00:36:10,150 --> 00:36:08,000

table i'm okay with any of those

1037

00:36:11,270 --> 00:36:10,160

it's but it's the mystery and intrigue

1038

00:36:14,390 --> 00:36:11,280

of it and so

1039

00:36:17,430 --> 00:36:14,400

i would say that if anything

1040

00:36:18,470 --> 00:36:17,440

big changes it gave me a really a really

1041

00:36:21,270 --> 00:36:18,480

great topic

1042

00:36:22,069 --> 00:36:21,280

to explore yeah because i don't if you

1043

00:36:23,750 --> 00:36:22,079

like mysteries

1044

00:36:25,190 --> 00:36:23,760

it's fantastic because it's full of

1045

00:36:28,390 --> 00:36:25,200

twists and turns

1046

00:36:30,790 --> 00:36:28,400

oh yeah and uh no end in sight either

1047

00:36:32,630 --> 00:36:30,800

no so yeah no that's i wish i could say

1048

00:36:36,230 --> 00:36:32,640

that it changed me dramatically

1049

00:36:39,910 --> 00:36:36,240

but um not you know

1050

00:36:40,950 --> 00:36:39,920

not in the way that i saw with real uh

1051

00:36:42,390 --> 00:36:40,960

experience or

1052

00:36:45,589 --> 00:36:42,400

let's just say that and i'm not talking

1053

00:36:48,630 --> 00:36:45,599

about uh abduction experiences but just

1054

00:36:50,150 --> 00:36:48,640

experiences anomalous events well i

1055

00:36:51,190 --> 00:36:50,160

think that's a great answer and i think

1056

00:36:53,589 --> 00:36:51,200

you're right the journey

1057

00:36:55,990 --> 00:36:53,599

is always far more rewarding than the

1058

00:36:56,710 --> 00:36:56,000

the destination with many things in life

1059

00:36:59,030 --> 00:36:56,720

but uh

1060

00:37:00,550 --> 00:36:59,040

i i do agree and if anything you just

1061

00:37:02,230 --> 00:37:00,560

coined a new term that i'm

1062

00:37:03,750 --> 00:37:02,240

probably gonna steal in that space

1063

00:37:06,870 --> 00:37:03,760

poltergeist wow

1064

00:37:08,390 --> 00:37:06,880

that's a band name right there that well

1065

00:37:11,270 --> 00:37:08,400

yeah and i can't take credit for that

1066

00:37:13,990 --> 00:37:11,280

that's uh jason calaveto who

1067

00:37:14,310 --> 00:37:14,000

fair enough very critical yeah yes he

1068

00:37:15,829 --> 00:37:14,320

like

1069

00:37:17,430 --> 00:37:15,839

i i don't even know if it's true he

1070

00:37:18,630 --> 00:37:17,440

always brings it up saying that uh

1071

00:37:20,069 --> 00:37:18,640

actually how put off should be the

1072

00:37:20,630 --> 00:37:20,079

person attributed that i don't even know

1073

00:38:13,190 --> 00:37:20,640

i

1074

00:38:15,829 --> 00:38:13,200

that's just

1075

00:38:17,589 --> 00:38:15,839

straight from the hill um i've got

1076

00:38:20,950 --> 00:38:17,599

nothing to give you

1077

00:38:22,470 --> 00:38:20,960

uh a reason why every interview that

1078

00:38:23,430 --> 00:38:22,480

he's ever has ever been brought up with

1079

00:38:26,470 --> 00:38:23,440

him and everything

1080

00:38:27,990 --> 00:38:26,480

he that doesn't seem to be an issue or

1081

00:38:29,670 --> 00:38:28,000

domain that i think he spent a

1082

00:38:31,910 --> 00:38:29,680

considerable amount of time of even

1083

00:38:33,510 --> 00:38:31,920

though he may have been briefed he may

1084

00:38:35,430 --> 00:38:33,520

have received briefings he

1085

00:38:36,870 --> 00:38:35,440

you know obviously this task force falls

1086

00:38:38,310 --> 00:38:36,880

on an executive branch and therefore

1087

00:38:41,270 --> 00:38:38,320

falls under his control

1088

00:38:41,829 --> 00:38:41,280

i just don't think uh he's had the same

1089

00:38:44,230 --> 00:38:41,839

amount of

1090

00:38:45,109 --> 00:38:44,240

interest i don't think that president

1091

00:38:47,589 --> 00:38:45,119

trump

1092

00:38:48,630 --> 00:38:47,599

i don't think he sees it as this uh

1093

00:38:51,750 --> 00:38:48,640

potential

1094

00:38:53,030 --> 00:38:51,760

election saver or even like big fu if he

1095

00:38:55,510 --> 00:38:53,040

lost the election

1096

00:38:57,910 --> 00:38:55,520

i don't think he he he views the topic

1097

00:38:59,829 --> 00:38:57,920

that way you know he said that's just

1098

00:39:01,589 --> 00:38:59,839

totally from the hip i don't i don't see

1099

00:39:03,349 --> 00:39:01,599

it happening but who knows hey man you

1100

00:39:06,390 --> 00:39:03,359

know

1101

00:39:08,390 --> 00:39:06,400

it's 20 20 right yeah man hashtag ufo

1102

00:39:11,190 --> 00:39:08,400

twitter he may hit it up who knows

1103

00:39:12,230 --> 00:39:11,200

who knows we might see him on there um

1104

00:39:15,430 --> 00:39:12,240

something

1105

00:39:16,790 --> 00:39:15,440

but uh okay here's our our last listener

1106

00:39:19,270 --> 00:39:16,800

question ray

1107

00:39:20,069 --> 00:39:19,280

and you phone nut on twitter they both

1108

00:39:23,030 --> 00:39:20,079

ask uh

1109

00:39:23,829 --> 00:39:23,040

similar question here have you or anyone

1110

00:39:26,790 --> 00:39:23,839

you know

1111

00:39:29,510 --> 00:39:26,800

ever tried to reach neil mccaslin for

1112

00:39:31,750 --> 00:39:29,520

comments this is the guy who supposedly

1113

00:39:33,109 --> 00:39:31,760

gave his information to tom delong he

1114

00:39:35,270 --> 00:39:33,119

was kind of the

1115

00:39:36,950 --> 00:39:35,280

the one who connected delon to all these

1116

00:39:39,910 --> 00:39:36,960

powerful intelligence

1117

00:39:41,829 --> 00:39:39,920

people and and everything i mean and

1118

00:39:42,230 --> 00:39:41,839

told along some pretty profound stuff

1119

00:39:44,870 --> 00:39:42,240

you know

1120

00:39:45,349 --> 00:39:44,880

something crashing 47 this that this

1121

00:39:47,109 --> 00:39:45,359

that

1122

00:39:49,349 --> 00:39:47,119

yeah and has anyone ever tried to reach

1123

00:39:52,310 --> 00:39:49,359

this guy because he seems to be the one

1124

00:39:52,790 --> 00:39:52,320

who started this all yeah no no i and

1125

00:39:55,990 --> 00:39:52,800

yes

1126

00:39:57,910 --> 00:39:56,000

uh and a half i have indeed reached out

1127

00:39:59,750 --> 00:39:57,920

to general mccaslin because he's retired

1128

00:40:02,550 --> 00:39:59,760

now and you're right he

1129

00:40:04,390 --> 00:40:02,560

uh is mentioned in the wikileaks and he

1130

00:40:05,190 --> 00:40:04,400

i'm not certain that tom de long has

1131

00:40:07,430 --> 00:40:05,200

ever

1132

00:40:09,750 --> 00:40:07,440

maybe he has been identified as the

1133

00:40:13,030 --> 00:40:09,760

general that you know the infamous uh

1134

00:40:14,069 --> 00:40:13,040

i don't know if the person yeah we found

1135

00:40:16,710 --> 00:40:14,079

a life for him

1136

00:40:17,190 --> 00:40:16,720

but uh yeah no i have reached out to him

1137

00:40:19,589 --> 00:40:17,200

and

1138

00:40:21,430 --> 00:40:19,599

he he didn't answer for me you know i

1139

00:40:22,550 --> 00:40:21,440

mean it's not a subject that he cares to

1140

00:40:25,109 --> 00:40:22,560

discuss

1141

00:40:26,710 --> 00:40:25,119

and you know even off the record so he

1142

00:40:28,230 --> 00:40:26,720

didn't he didn't even tell me

1143

00:40:29,910 --> 00:40:28,240

yeah no here's the real truth but this

1144

00:40:32,069 --> 00:40:29,920

is off the record it was

1145

00:40:33,990 --> 00:40:32,079

not something he cares to discuss i

1146

00:40:37,589 --> 00:40:34,000

think um

1147

00:40:40,870 --> 00:40:37,599

the ufo field in general has

1148

00:40:42,069 --> 00:40:40,880

often makes assumptions based on what

1149

00:40:44,470 --> 00:40:42,079

people say

1150

00:40:45,109 --> 00:40:44,480

i have joked with louis lozando that you

1151
00:40:47,190 --> 00:40:45,119
know

1152
00:40:50,150 --> 00:40:47,200
every word that he says people think is

1153
00:40:53,430 --> 00:40:50,160
a hint for disclosure and so i said

1154
00:40:56,710 --> 00:40:53,440
he sells obscure books by mere mention

1155
00:40:59,109 --> 00:40:56,720
um and you know i think we we have

1156
00:41:00,390 --> 00:40:59,119
often have a have a bad habit of reading

1157
00:41:03,750 --> 00:41:00,400
too much into things

1158
00:41:04,790 --> 00:41:03,760
and so i i i don't his unwillingness to

1159
00:41:08,150 --> 00:41:04,800
want to discuss it

1160
00:41:10,150 --> 00:41:08,160
doesn't sway me either way as to whether

1161
00:41:11,910 --> 00:41:10,160
he did meet with the long and tell him

1162
00:41:13,510 --> 00:41:11,920
all these things or

1163
00:41:15,030 --> 00:41:13,520

and he just doesn't you know it's

1164

00:41:15,589 --> 00:41:15,040

classified you don't want to talk about

1165

00:41:17,670 --> 00:41:15,599

it

1166

00:41:19,030 --> 00:41:17,680

because you know tom delong does not

1167

00:41:21,349 --> 00:41:19,040

have a security clearance so we're on

1168

00:41:22,309 --> 00:41:21,359

the same page um

1169

00:41:24,470 --> 00:41:22,319

at the same time it doesn't mean he

1170

00:41:27,190 --> 00:41:24,480

didn't i think that

1171

00:41:27,990 --> 00:41:27,200

kind of one of these things that uh if

1172

00:41:31,270 --> 00:41:28,000

you take yourself

1173

00:41:32,870 --> 00:41:31,280

out of the ufo community and and you're

1174

00:41:35,750 --> 00:41:32,880

not an enthusiast of the subject you

1175

00:41:37,190 --> 00:41:35,760

realize the ufo community makes it a in

1176

00:41:41,510 --> 00:41:37,200

a bad

1177

00:41:44,470 --> 00:41:41,520

lose-lose situation

1178

00:41:44,790 --> 00:41:44,480

because you know if he came out and said

1179

00:41:52,069 --> 00:41:44,800

no

1180

00:41:53,190 --> 00:41:52,079

mr delong misinterpreted

1181

00:41:54,870 --> 00:41:53,200

you know i thought he was talking about

1182

00:41:55,589 --> 00:41:54,880

a fictional book or movie and i was

1183

00:41:58,069 --> 00:41:55,599

giving him

1184

00:42:00,150 --> 00:41:58,079

ideas i thought i was being a a

1185

00:42:01,510 --> 00:42:00,160

consultant a subject matter expert

1186

00:42:03,589 --> 00:42:01,520

uh you know helping out a friend or

1187

00:42:05,910 --> 00:42:03,599

something i that was not real life

1188

00:42:08,390 --> 00:42:05,920

if he says that everybody's gonna come

1189

00:42:11,349 --> 00:42:08,400

out and go he's lying it's the cover-up

1190

00:42:12,230 --> 00:42:11,359

um if he came out and said oh yeah hell

1191

00:42:14,870 --> 00:42:12,240

yeah it's true

1192

00:42:16,069 --> 00:42:14,880

yep true true half of them are gonna go

1193

00:42:19,430 --> 00:42:16,079

it's the cover-up

1194

00:42:21,349 --> 00:42:19,440

you know somehow you know the other half

1195

00:42:22,710 --> 00:42:21,359

are going to i don't know storm right

1196

00:42:25,670 --> 00:42:22,720

patterson who knows

1197

00:42:26,470 --> 00:42:25,680

so um there's no advantage for him

1198

00:42:28,309 --> 00:42:26,480

discussing it

1199

00:42:30,150 --> 00:42:28,319

one way or another so i don't know but i

1200

00:42:31,109 --> 00:42:30,160

have tried you know i know a lot of

1201
00:42:34,309 --> 00:42:31,119
people

1202
00:42:35,589 --> 00:42:34,319
pressure on the castle and i'm like look

1203
00:42:37,430 --> 00:42:35,599
i'm not i'm not

1204
00:42:39,109 --> 00:42:37,440
i'm not gonna break into this retired

1205
00:42:42,230 --> 00:42:39,119
general's home and harass him

1206
00:42:42,790 --> 00:42:42,240
right you know well that's another thing

1207
00:42:43,750 --> 00:42:42,800
too tim

1208
00:42:45,750 --> 00:42:43,760
i mean there have been some

1209
00:42:47,190 --> 00:42:45,760
irresponsible journalists in the past

1210
00:42:49,510 --> 00:42:47,200
who have outed people

1211
00:42:51,190 --> 00:42:49,520
uh one of which was the female pilot

1212
00:42:52,870 --> 00:42:51,200
during the nimitz event

1213
00:42:55,910 --> 00:42:52,880

who never wanted their name out there

1214

00:42:57,910 --> 00:42:55,920

and a quote-unquote journalist

1215

00:42:59,589 --> 00:42:57,920

put her name out there and that's just

1216

00:43:00,630 --> 00:42:59,599

you know one of the most irresponsible

1217

00:43:02,309 --> 00:43:00,640

things you can do

1218

00:43:04,309 --> 00:43:02,319

and i mean if that person worked for a

1219

00:43:05,510 --> 00:43:04,319

mainstream outlet they would have been

1220

00:43:08,630 --> 00:43:05,520

fired immediately

1221

00:43:10,829 --> 00:43:08,640

but um yeah i think it's hard because

1222

00:43:12,550 --> 00:43:10,839

a lot of these things are

1223

00:43:14,470 --> 00:43:12,560

unsubstantiated and

1224

00:43:16,630 --> 00:43:14,480

made by anonymous people and where do

1225

00:43:18,069 --> 00:43:16,640

you go from there but

1226

00:43:19,910 --> 00:43:18,079

it's it is tough because you can

1227

00:43:21,430 --> 00:43:19,920

understand on one side of it these

1228

00:43:22,630 --> 00:43:21,440

people don't want to be connected to

1229

00:43:23,910 --> 00:43:22,640

this but they do want to get the

1230

00:43:26,550 --> 00:43:23,920

information out

1231

00:43:28,710 --> 00:43:26,560

and some of them just they don't want

1232

00:43:30,390 --> 00:43:28,720

their names or faces out there and you

1233

00:43:31,670 --> 00:43:30,400

have to respect that

1234

00:43:33,510 --> 00:43:31,680

yeah it's tough because when it is

1235

00:43:34,870 --> 00:43:33,520

anonymous that's when the ufo community

1236

00:43:37,670 --> 00:43:34,880

starts going crazy

1237

00:43:39,109 --> 00:43:37,680

and making up yeah or they can't

1238

00:43:41,430 --> 00:43:39,119

and i'll tell you that the pilot that

1239

00:43:44,950 --> 00:43:41,440

you're referring to i've spoken

1240

00:43:46,309 --> 00:43:44,960

to her several times and i consider her

1241

00:43:48,870 --> 00:43:46,319

to be

1242

00:43:49,349 --> 00:43:48,880

the most compelling eyewitness to that

1243

00:43:51,190 --> 00:43:49,359

event

1244

00:43:52,790 --> 00:43:51,200

of all the pilots i spoke to and yeah

1245

00:43:55,750 --> 00:43:52,800

it's very fortunate because

1246

00:43:57,430 --> 00:43:55,760

you know in her case yeah no i was very

1247

00:43:58,150 --> 00:43:57,440

close to i mean she was willing to go on

1248

00:44:01,030 --> 00:43:58,160

the record

1249

00:44:02,950 --> 00:44:01,040

with me and name and everything because

1250

00:44:06,150 --> 00:44:02,960

and hopefully when she retires one day

1251
00:44:06,630 --> 00:44:06,160
she will but um you know the next she's

1252
00:44:08,950 --> 00:44:06,640
still

1253
00:44:09,910 --> 00:44:08,960
in the navy and so she can't i mean she

1254
00:44:12,550 --> 00:44:09,920
has to

1255
00:44:13,910 --> 00:44:12,560
get approval uh for the navy to come out

1256
00:44:16,150 --> 00:44:13,920
and say this and and they

1257
00:44:17,109 --> 00:44:16,160
didn't want to give approval to that and

1258
00:44:18,630 --> 00:44:17,119
so yeah i know i mean

1259
00:44:21,349 --> 00:44:18,640
you're right because there are other

1260
00:44:23,030 --> 00:44:21,359
there's times that i have used sources

1261
00:44:24,790 --> 00:44:23,040
that are anonymous you know even in

1262
00:44:25,990 --> 00:44:24,800
those instances because i know i

1263
00:44:26,470 --> 00:44:26,000

understand why people would question

1264

00:44:28,870 --> 00:44:26,480

that

1265

00:44:29,510 --> 00:44:28,880

and i completely agree it should be

1266

00:44:30,710 --> 00:44:29,520

question

1267

00:44:32,630 --> 00:44:30,720

you know those are one of the reasons

1268

00:44:34,550 --> 00:44:32,640

that i try to write for major

1269

00:44:36,309 --> 00:44:34,560

publications because

1270

00:44:38,230 --> 00:44:36,319

you know in the editing and review and

1271

00:44:39,670 --> 00:44:38,240

fact finding and legal process

1272

00:44:41,910 --> 00:44:39,680

you know even though they're anonymous

1273

00:44:43,670 --> 00:44:41,920

in the article to the average reader

1274

00:44:45,270 --> 00:44:43,680

they're verified to the editor because

1275

00:44:45,910 --> 00:44:45,280

it's their publication's name going

1276

00:44:47,829 --> 00:44:45,920

behind it

1277

00:44:49,670 --> 00:44:47,839

so they know who they are but once that

1278

00:44:51,589 --> 00:44:49,680

occurs you know if you

1279

00:44:53,190 --> 00:44:51,599

if we agree if i say yeah no i'm willing

1280

00:44:54,950 --> 00:44:53,200

to um

1281

00:44:57,030 --> 00:44:54,960

you know i won't name who you are yeah

1282

00:44:59,670 --> 00:44:57,040

no i'm supreme court case law

1283

00:45:01,030 --> 00:44:59,680

i'm legally bound to do that and so i

1284

00:45:02,309 --> 00:45:01,040

think in this case that you're talking

1285

00:45:03,990 --> 00:45:02,319

about this was a

1286

00:45:05,670 --> 00:45:04,000

leak of some information and how her

1287

00:45:07,510 --> 00:45:05,680

name was put out there so this

1288

00:45:09,030 --> 00:45:07,520

this particular person didn't have any

1289

00:45:10,710 --> 00:45:09,040

agreement with them but yeah

1290

00:45:12,390 --> 00:45:10,720

when you as a journalist you're you're

1291

00:45:14,470 --> 00:45:12,400

actually legally obligated to protect

1292

00:45:16,069 --> 00:45:14,480

somebody's identity if you promise to

1293

00:45:17,910 --> 00:45:16,079

but i think that's why it's important

1294

00:45:19,829 --> 00:45:17,920

that if you're going to do that you you

1295

00:45:21,589 --> 00:45:19,839

have to couple that with

1296

00:45:23,589 --> 00:45:21,599

physical evidence whether it's documents

1297

00:45:24,870 --> 00:45:23,599

you know or other people on the record

1298

00:45:27,430 --> 00:45:24,880

that you can't

1299

00:45:28,150 --> 00:45:27,440

uh i would never try to make anybody

1300

00:45:31,270 --> 00:45:28,160

believe

1301
00:45:33,349 --> 00:45:31,280
something based solely on an unnamed

1302
00:45:34,550 --> 00:45:33,359
person because it's just too hard you

1303
00:45:37,430 --> 00:45:34,560
know you can't do that

1304
00:45:39,030 --> 00:45:37,440
well some of these people tim uh in the

1305
00:45:39,589 --> 00:45:39,040
military who have been witness to a lot

1306
00:45:42,589 --> 00:45:39,599
of these

1307
00:45:45,030 --> 00:45:42,599
events we saw recently on an episode of

1308
00:45:47,430 --> 00:45:45,040
unidentified on the history channel

1309
00:45:48,390 --> 00:45:47,440
and a couple of them were anonymous most

1310
00:45:50,870 --> 00:45:48,400
of them

1311
00:45:52,630 --> 00:45:50,880
came forward but uh someone else was

1312
00:45:53,670 --> 00:45:52,640
featured in that episode and i have to

1313
00:45:55,589 --> 00:45:53,680

ask him in

1314

00:45:58,069 --> 00:45:55,599

unidentified you were on the most recent

1315

00:45:59,990 --> 00:45:58,079

episode as of when this episode's airing

1316

00:46:01,670 --> 00:46:00,000

of the podcast so yeah how was that

1317

00:46:02,710 --> 00:46:01,680

whole experience working with to the

1318

00:46:05,030 --> 00:46:02,720

stars and

1319

00:46:07,030 --> 00:46:05,040

uh the history channel and would you

1320

00:46:10,790 --> 00:46:07,040

take away from that whole experience

1321

00:46:13,190 --> 00:46:10,800

yeah no no that was uh and um i believe

1322

00:46:15,510 --> 00:46:13,200

i will be yeah whenever this is airing

1323

00:46:17,190 --> 00:46:15,520

so actually probably the next episode

1324

00:46:19,190 --> 00:46:17,200

whenever this airs so yeah this next

1325

00:46:20,470 --> 00:46:19,200

week so um

1326

00:46:22,790 --> 00:46:20,480

i'm supposed to be in that one a lot

1327

00:46:23,670 --> 00:46:22,800

more oh okay so you're not a one-trick

1328

00:46:25,109 --> 00:46:23,680

pony

1329

00:46:26,630 --> 00:46:25,119

no and it should get everybody really

1330

00:46:27,589 --> 00:46:26,640

excited because i think i play the part

1331

00:46:30,950 --> 00:46:27,599

of the skeptic

1332

00:46:31,670 --> 00:46:30,960

um but um i will say man it was a great

1333

00:46:34,390 --> 00:46:31,680

experience

1334

00:46:34,790 --> 00:46:34,400

and for a lot of reasons it gives you an

1335

00:46:36,470 --> 00:46:34,800

idea

1336

00:46:38,230 --> 00:46:36,480

and i know you you've been on television

1337

00:46:40,230 --> 00:46:38,240

shows and you've been in productions and

1338

00:46:42,230 --> 00:46:40,240

so you realize behind the scenes

1339

00:46:43,910 --> 00:46:42,240

you get a better understanding is that a

1340

00:46:45,990 --> 00:46:43,920

lot of the assumptions people make

1341

00:46:47,109 --> 00:46:46,000

are just incorrect you know this idea

1342

00:46:50,550 --> 00:46:47,119

that this is a

1343

00:46:52,069 --> 00:46:50,560

i'll say up front this is a quote to the

1344

00:46:52,870 --> 00:46:52,079

stars academy production that's

1345

00:46:55,990 --> 00:46:52,880

incorrect

1346

00:46:57,910 --> 00:46:56,000

i mean this is um this is a

1347

00:46:59,990 --> 00:46:57,920

uh this is an a e history channel

1348

00:47:01,349 --> 00:47:00,000

production and production control is

1349

00:47:03,270 --> 00:47:01,359

by the show runner and everything

1350

00:47:05,030 --> 00:47:03,280

obviously you have christopher mellon

1351
00:47:05,670 --> 00:47:05,040
you have louis lozando and that you have

1352
00:47:08,390 --> 00:47:05,680
tom belong

1353
00:47:09,430 --> 00:47:08,400
so you have the the tudor scars academy

1354
00:47:11,349 --> 00:47:09,440
cast

1355
00:47:12,470 --> 00:47:11,359
but the idea that this is a to the stars

1356
00:47:15,750 --> 00:47:12,480
academy

1357
00:47:18,150 --> 00:47:15,760
program i mean it is is not correct

1358
00:47:19,670 --> 00:47:18,160
um and so because i get that a lot you

1359
00:47:20,870 --> 00:47:19,680
know i knew that was coming you know

1360
00:47:22,710 --> 00:47:20,880
you're a ttcsa

1361
00:47:24,710 --> 00:47:22,720
shield well no if i'm anything i'm an a

1362
00:47:28,230 --> 00:47:24,720
e show um

1363
00:47:30,390 --> 00:47:28,240

but not ddsa but one of the things

1364

00:47:31,910 --> 00:47:30,400

that i was very very impressed with is

1365

00:47:32,710 --> 00:47:31,920

uh i was very very impressed with

1366

00:47:35,190 --> 00:47:32,720

anthony lapp

1367

00:47:36,230 --> 00:47:35,200

the show runner so the guy who's running

1368

00:47:38,390 --> 00:47:36,240

the whole shebang

1369

00:47:39,990 --> 00:47:38,400

um he was our guest last week actually

1370

00:47:42,630 --> 00:47:40,000

tim oh was he yeah

1371

00:47:45,030 --> 00:47:42,640

yeah that's that's that's awesome i i i

1372

00:47:47,750 --> 00:47:45,040

had a blast you know we filmed in london

1373

00:47:48,549 --> 00:47:47,760

and so i spent three days in london

1374

00:47:50,470 --> 00:47:48,559

hanging out

1375

00:47:51,990 --> 00:47:50,480

uh you know it's kind of it's you know

1376

00:47:53,910 --> 00:47:52,000

you've been on tv we

1377

00:47:55,270 --> 00:47:53,920

filmed for eight hours and you know i'll

1378

00:47:59,109 --> 00:47:55,280

probably get a collective of

1379

00:48:00,790 --> 00:47:59,119

five minutes right but it was a great

1380

00:48:02,790 --> 00:48:00,800

conversation and then after that getting

1381

00:48:04,870 --> 00:48:02,800

to hang out me and anthony hung out

1382

00:48:06,710 --> 00:48:04,880

a lot you know went out to dinner those

1383

00:48:10,150 --> 00:48:06,720

nights hung out chatted a lot

1384

00:48:11,349 --> 00:48:10,160

and i'll just say that he's a really

1385

00:48:14,150 --> 00:48:11,359

solid guy and

1386

00:48:15,030 --> 00:48:14,160

he is uh if you look into anthony's

1387

00:48:17,349 --> 00:48:15,040

background i mean

1388

00:48:19,190 --> 00:48:17,359

it's he's legitimate investigative

1389

00:48:21,990 --> 00:48:19,200
documentaries and everything

1390

00:48:22,630 --> 00:48:22,000
this is not any by no means would i

1391

00:48:25,270 --> 00:48:22,640
classify

1392

00:48:26,390 --> 00:48:25,280
anthony as a ufo nut or a believer and

1393

00:48:27,910 --> 00:48:26,400
you know that was one thing i was really

1394

00:48:30,390 --> 00:48:27,920
impressed with he's very skeptical

1395

00:48:31,589 --> 00:48:30,400
of all this you know even being around

1396

00:48:33,829 --> 00:48:31,599
these people

1397

00:48:35,670 --> 00:48:33,839
he doesn't disbelieve them he's

1398

00:48:37,430 --> 00:48:35,680
skeptical of it which is good

1399

00:48:39,349 --> 00:48:37,440
because if i think if you're going to do

1400

00:48:41,990 --> 00:48:39,359
a show if you're going to do anything

1401
00:48:42,950 --> 00:48:42,000
um that's the type of people you would

1402
00:48:45,109 --> 00:48:42,960
want those

1403
00:48:47,109 --> 00:48:45,119
open-minded skeptics who are going to

1404
00:48:47,990 --> 00:48:47,119
take it seriously and so for me i was

1405
00:48:49,670 --> 00:48:48,000
very impressed i thought

1406
00:48:51,430 --> 00:48:49,680
that uh the way that they went about

1407
00:48:54,710 --> 00:48:51,440
things you know

1408
00:48:55,510 --> 00:48:54,720
the entire time during post-production

1409
00:48:57,990 --> 00:48:55,520
you know

1410
00:48:59,910 --> 00:48:58,000
i was in contact uh anthony or his

1411
00:49:02,630 --> 00:48:59,920
associate producers would

1412
00:49:03,829 --> 00:49:02,640
frequently reach out to me just asking

1413
00:49:06,150 --> 00:49:03,839

fact checking stuff

1414

00:49:07,190 --> 00:49:06,160
they put a lot of effort in to try to

1415

00:49:09,589 --> 00:49:07,200
make sure

1416

00:49:10,470 --> 00:49:09,599
that they got things accurate and so you

1417

00:49:12,710 --> 00:49:10,480
know

1418

00:49:14,309 --> 00:49:12,720
it's always going to be tv it's always

1419

00:49:16,950 --> 00:49:14,319
going to be entertaining

1420

00:49:18,950 --> 00:49:16,960
you know i mean it's just the way it is

1421

00:49:19,349 --> 00:49:18,960
but uh i i was very very impressed with

1422

00:49:22,470 --> 00:49:19,359
that

1423

00:49:24,309 --> 00:49:22,480
it's a lot of fun and um

1424

00:49:25,750 --> 00:49:24,319
believe it or not yeah i haven't even

1425

00:49:27,990 --> 00:49:25,760
watched any of the episodes this season

1426

00:49:29,270 --> 00:49:28,000

but it has nothing to do with

1427

00:49:30,470 --> 00:49:29,280

not thinking the show is great and

1428

00:49:31,670 --> 00:49:30,480

everything it's because i have to

1429

00:49:33,030 --> 00:49:31,680

because i'm out of germany i have to

1430

00:49:35,990 --> 00:49:33,040

hook up the vp and they haven't

1431

00:49:37,270 --> 00:49:36,000

it's not in your market yet so i have to

1432

00:49:40,710 --> 00:49:37,280

hook up the vpn

1433

00:49:42,950 --> 00:49:40,720

and you know or steal it offline um

1434

00:49:44,630 --> 00:49:42,960

but yeah we should much success because

1435

00:49:46,390 --> 00:49:44,640

i think that um

1436

00:49:47,750 --> 00:49:46,400

i'll be interested i i definitely i take

1437

00:49:48,549 --> 00:49:47,760

it back i have seen the first two

1438

00:49:51,829 --> 00:49:48,559

episodes

1439

00:49:54,470 --> 00:49:51,839

i saw them through the screeners but uh

1440

00:49:56,710 --> 00:49:54,480

you know i i think it would impress a

1441

00:49:58,150 --> 00:49:56,720

lot of people to realize that nobody's

1442

00:50:00,069 --> 00:49:58,160

when i filmed with them we sat down and

1443

00:50:02,710 --> 00:50:00,079

checked chatted just like we are now

1444

00:50:04,790 --> 00:50:02,720

right nobody told me what to say nobody

1445

00:50:06,630 --> 00:50:04,800

led me down any mess i mean

1446

00:50:08,230 --> 00:50:06,640

in that regard it's as it's as

1447

00:50:10,710 --> 00:50:08,240

legitimate as can be

1448

00:50:11,589 --> 00:50:10,720

for a tv production it's saying a lot i

1449

00:50:13,430 --> 00:50:11,599

mean i

1450

00:50:15,430 --> 00:50:13,440

you know i i'm glad to hear that because

1451
00:50:17,270 --> 00:50:15,440
there are things i've been involved with

1452
00:50:19,430 --> 00:50:17,280
i won't name them but uh

1453
00:50:20,870 --> 00:50:19,440
when you do these things you have to

1454
00:50:23,670 --> 00:50:20,880
bite and scratch

1455
00:50:24,470 --> 00:50:23,680
and just you know do everything you can

1456
00:50:31,109 --> 00:50:24,480
to

1457
00:50:33,270 --> 00:50:31,119
change something you say entirely with

1458
00:50:36,710 --> 00:50:33,280
you know the cut of a word here or there

1459
00:50:39,750 --> 00:50:36,720
so um it's tough it's a tough uh

1460
00:50:41,109 --> 00:50:39,760
industry and um if they have a

1461
00:50:43,829 --> 00:50:41,119
preconceived uh

1462
00:50:44,549 --> 00:50:43,839
narrative or or idea of what they want

1463
00:50:47,109 --> 00:50:44,559

they will

1464

00:50:48,710 --> 00:50:47,119

find a way to do it so you know it's

1465

00:50:50,230 --> 00:50:48,720

good to hear that they kind of just let

1466

00:50:51,109 --> 00:50:50,240

you do your thing and that's why you

1467

00:50:52,870 --> 00:50:51,119

were there

1468

00:50:54,150 --> 00:50:52,880

to give the facts and to give your

1469

00:50:56,950 --> 00:50:54,160

opinions as an educated

1470

00:50:58,390 --> 00:50:56,960

person on this topic so it's it's very

1471

00:50:59,829 --> 00:50:58,400

refreshing to hear that they are

1472

00:51:01,829 --> 00:50:59,839

continuing that uh

1473

00:51:03,109 --> 00:51:01,839

even up until hopefully the rest of the

1474

00:51:05,829 --> 00:51:03,119

season um

1475

00:51:06,950 --> 00:51:05,839

but yeah tim i guess to sort of wrap

1476
00:51:09,910 --> 00:51:06,960
things up i've got one

1477
00:51:10,630 --> 00:51:09,920
final closing question for you and um we

1478
00:51:13,750 --> 00:51:10,640
have a lot of

1479
00:51:15,430 --> 00:51:13,760
younger listeners uh of this show

1480
00:51:16,790 --> 00:51:15,440
people just starting to get their feet

1481
00:51:19,109 --> 00:51:16,800
wet in this topic

1482
00:51:20,390 --> 00:51:19,119
they reach out to me constantly like

1483
00:51:23,349 --> 00:51:20,400
asking where to turn

1484
00:51:23,910 --> 00:51:23,359
what to do like how do i get involved

1485
00:51:27,990 --> 00:51:23,920
with

1486
00:51:29,510 --> 00:51:28,000
ufos and studying researching it so

1487
00:51:31,430 --> 00:51:29,520
what advice would you give to these

1488
00:51:33,670 --> 00:51:31,440

people who are just starting

1489

00:51:34,630 --> 00:51:33,680

to get into this topic with so much

1490

00:51:37,750 --> 00:51:34,640

baggage

1491

00:51:39,750 --> 00:51:37,760

so many uh different belief systems and

1492

00:51:41,109 --> 00:51:39,760

disinformation oh god the list goes on

1493

00:51:43,270 --> 00:51:41,119

and on where should they

1494

00:51:44,870 --> 00:51:43,280

turn for credible information when it

1495

00:51:46,230 --> 00:51:44,880

comes to ufos

1496

00:51:48,630 --> 00:51:46,240

isn't that cool i just got my first

1497

00:51:49,270 --> 00:51:48,640

email like that yeah it never gets a

1498

00:51:52,230 --> 00:51:49,280

month ago

1499

00:51:53,750 --> 00:51:52,240

it's amazing yeah yeah now it was from a

1500

00:51:56,309 --> 00:51:53,760

fifth grader who was doing a report

1501
00:51:57,349 --> 00:51:56,319
and they asked me yeah i thought it was

1502
00:51:59,829 --> 00:51:57,359
cool um

1503
00:52:00,390 --> 00:51:59,839
awesome actually got him some quotes

1504
00:52:02,710 --> 00:52:00,400
from uh

1505
00:52:03,589 --> 00:52:02,720
louis lozando and some people for their

1506
00:52:05,510 --> 00:52:03,599
for their report

1507
00:52:06,710 --> 00:52:05,520
yeah i said you know what hang on man oh

1508
00:52:08,390 --> 00:52:06,720
my god

1509
00:52:11,190 --> 00:52:08,400
what i would give to have been that

1510
00:52:13,750 --> 00:52:11,200
fifth grader's friend back in the day

1511
00:52:14,309 --> 00:52:13,760
yeah that was cool you know yeah that

1512
00:52:18,630 --> 00:52:14,319
was

1513
00:52:20,390 --> 00:52:18,640

so i'll i'll give you

1514

00:52:21,990 --> 00:52:20,400

lou elizondo's answer to this young man

1515

00:52:25,270 --> 00:52:22,000

because it was mine

1516

00:52:27,270 --> 00:52:25,280

identical and that was i think the

1517

00:52:29,349 --> 00:52:27,280

first and foremost thing i would

1518

00:52:31,190 --> 00:52:29,359

encourage anybody especially

1519

00:52:33,910 --> 00:52:31,200

a young person who was interested in

1520

00:52:36,790 --> 00:52:33,920

investigating or researching the topic

1521

00:52:39,349 --> 00:52:36,800

would be to before you start

1522

00:52:41,109 --> 00:52:39,359

investigating researching ufos

1523

00:52:43,109 --> 00:52:41,119

get some books and literature on

1524

00:52:46,710 --> 00:52:43,119

investigation period

1525

00:52:49,270 --> 00:52:46,720

so you know how to process synthesize

1526
00:52:51,030 --> 00:52:49,280
and gather information and make

1527
00:52:52,549 --> 00:52:51,040
determinations for yourself

1528
00:52:54,309 --> 00:52:52,559
because the basis you know he said i

1529
00:52:55,829 --> 00:52:54,319
apply the same rules that i used

1530
00:52:56,470 --> 00:52:55,839
investigating homicides that i do to

1531
00:52:59,589 --> 00:52:56,480
ufos

1532
00:53:02,309 --> 00:52:59,599
same principles so they're universal and

1533
00:53:03,190 --> 00:53:02,319
that will help you in when you start

1534
00:53:05,190 --> 00:53:03,200
going through

1535
00:53:06,470 --> 00:53:05,200
the ufo literature and all these

1536
00:53:09,510 --> 00:53:06,480
different things kind of

1537
00:53:11,589 --> 00:53:09,520
cut through what is good

1538
00:53:12,790 --> 00:53:11,599

uh what is evidence what follows the

1539

00:53:16,230 --> 00:53:12,800

rules of evidence

1540

00:53:19,670 --> 00:53:16,240

and follow those paths for my part

1541

00:53:22,309 --> 00:53:19,680

what's helped me and kind of what i do

1542

00:53:23,829 --> 00:53:22,319

you know it's not come from reading ufo

1543

00:53:24,710 --> 00:53:23,839

books except for the latest book that

1544

00:53:26,230 --> 00:53:24,720

was released

1545

00:53:29,589 --> 00:53:26,240

just recently by ryan sprague i better

1546

00:53:31,589 --> 00:53:29,599

go check it out

1547

00:53:33,109 --> 00:53:31,599

i realize i'm leading into this not not

1548

00:53:34,309 --> 00:53:33,119

encouraging ufo books i'm like wait a

1549

00:53:36,870 --> 00:53:34,319

second ryan just kidding

1550

00:53:37,990 --> 00:53:36,880

um because they're great but getting

1551
00:53:40,549 --> 00:53:38,000
some basis

1552
00:53:42,230 --> 00:53:40,559
before they're probably one of the best

1553
00:53:44,150 --> 00:53:42,240
some of the best books i've read to help

1554
00:53:47,270 --> 00:53:44,160
me navigate the government's current

1555
00:53:49,109 --> 00:53:47,280
ufo involvement comes from books on

1556
00:53:50,950 --> 00:53:49,119
bureaucracy and policy

1557
00:53:52,150 --> 00:53:50,960
that have nothing to do with folks but

1558
00:53:54,230 --> 00:53:52,160
understanding the framework

1559
00:53:55,510 --> 00:53:54,240
yeah yeah you you have you have to

1560
00:53:57,270 --> 00:53:55,520
understand what you're working with

1561
00:53:59,670 --> 00:53:57,280
if you're talking about government you

1562
00:54:00,870 --> 00:53:59,680
know cover-up programs conspiracy will

1563
00:54:03,190 --> 00:54:00,880

understand government

1564

00:54:04,150 --> 00:54:03,200

understand how policy works and you

1565

00:54:06,390 --> 00:54:04,160

realize

1566

00:54:08,230 --> 00:54:06,400

that's how you can attack it that's how

1567

00:54:09,750 --> 00:54:08,240

i can that's how i've been successful in

1568

00:54:11,190 --> 00:54:09,760

getting a hold of people whether they're

1569

00:54:12,390 --> 00:54:11,200

in government or just got out is

1570

00:54:13,829 --> 00:54:12,400

understanding their mind

1571

00:54:15,990 --> 00:54:13,839

and understand the world that they work

1572

00:54:16,710 --> 00:54:16,000

in and so yeah i mean having if you if

1573

00:54:19,670 --> 00:54:16,720

you want to

1574

00:54:20,390 --> 00:54:19,680

really make an impact in the field i

1575

00:54:23,030 --> 00:54:20,400

think

1576
00:54:24,069 --> 00:54:23,040
get some get some get some literature

1577
00:54:26,549 --> 00:54:24,079
and some

1578
00:54:28,309 --> 00:54:26,559
some learning behind you in

1579
00:54:29,910 --> 00:54:28,319
investigations and the fields that

1580
00:54:32,870 --> 00:54:29,920
you're going to be looking into so both

1581
00:54:33,670 --> 00:54:32,880
the sciences and everything and then

1582
00:54:36,390 --> 00:54:33,680
after that

1583
00:54:38,069 --> 00:54:36,400
it's hard i think that people will kind

1584
00:54:38,549 --> 00:54:38,079
of figure out for themselves what are

1585
00:54:41,829 --> 00:54:38,559
the

1586
00:54:43,589 --> 00:54:41,839
shows

1587
00:54:45,430 --> 00:54:43,599
that can give you good information and

1588
00:54:48,710 --> 00:54:45,440

what won't because you'll know

1589

00:54:51,109 --> 00:54:48,720

what is good information and

1590

00:54:51,990 --> 00:54:51,119

so i don't have like a one book or one

1591

00:54:53,829 --> 00:54:52,000

show or one

1592

00:54:55,750 --> 00:54:53,839

whatever but that would be my biggest

1593

00:54:59,349 --> 00:54:55,760

advice to people

1594

00:55:02,470 --> 00:54:59,359

is um do that and then don't be afraid

1595

00:55:05,589 --> 00:55:02,480

to look at some of the historical

1596

00:55:08,150 --> 00:55:05,599

literature that's out there look at uh

1597

00:55:09,990 --> 00:55:08,160

you know the stuff that's been going

1598

00:55:12,309 --> 00:55:10,000

back to the 60s and 70s and

1599

00:55:13,510 --> 00:55:12,319

you start to see the patterns don't

1600

00:55:15,589 --> 00:55:13,520

think that this is something that just

1601
00:55:17,030 --> 00:55:15,599
started today because quite frankly that

1602
00:55:20,150 --> 00:55:17,040
is what makes it a compelling

1603
00:55:22,950 --> 00:55:20,160
interesting topic it's not new

1604
00:55:24,710 --> 00:55:22,960
though it may feel that way and so you

1605
00:55:26,630 --> 00:55:24,720
know my philosophy with all of it as

1606
00:55:27,910 --> 00:55:26,640
well as don't set your goal at thinking

1607
00:55:31,589 --> 00:55:27,920
you're going to solve

1608
00:55:33,349 --> 00:55:31,599
what are ufos i think that will lead

1609
00:55:35,030 --> 00:55:33,359
you down a path where you're going to a

1610
00:55:38,230 --> 00:55:35,040
get frustrated or b start

1611
00:55:40,069 --> 00:55:38,240
to be influenced or add in bad

1612
00:55:41,589 --> 00:55:40,079
information just to make things fit

1613
00:55:44,069 --> 00:55:41,599

because nobody likes mystery

1614

00:55:45,190 --> 00:55:44,079

you know the unknown is very hard on our

1615

00:55:47,670 --> 00:55:45,200

psychology

1616

00:55:48,549 --> 00:55:47,680

and so don't set your goal that you're

1617

00:55:52,150 --> 00:55:48,559

going to solve it

1618

00:55:55,990 --> 00:55:52,160

enjoy the process of trying to solve it

1619

00:55:58,710 --> 00:55:56,000

and um you know if we never figure out

1620

00:55:59,829 --> 00:55:58,720

what ufos are but we figure out how to

1621

00:56:01,510 --> 00:55:59,839

travel like them

1622

00:56:03,510 --> 00:56:01,520

that's pretty freaking cool i mean i

1623

00:56:05,430 --> 00:56:03,520

think you know

1624

00:56:06,710 --> 00:56:05,440

if i had to say anything i think that's

1625

00:56:09,990 --> 00:56:06,720

what makes me

1626

00:56:13,190 --> 00:56:10,000

if i had a one i want to believe

1627

00:56:14,710 --> 00:56:13,200

mentality it's i want to believe

1628

00:56:16,710 --> 00:56:14,720

that there's something else that is

1629

00:56:17,430 --> 00:56:16,720

traversing the cosmos and visiting us

1630

00:56:19,670 --> 00:56:17,440

because if

1631

00:56:21,109 --> 00:56:19,680

something else can do it then so can we

1632

00:56:21,670 --> 00:56:21,119

and i think that'd be pretty freaking

1633

00:56:23,589 --> 00:56:21,680

cool

1634

00:56:24,630 --> 00:56:23,599

i'd like to do that who cares if you

1635

00:56:25,910 --> 00:56:24,640

figure out where the aliens are i'd

1636

00:56:28,710 --> 00:56:25,920

rather be the aliens

1637

00:56:30,069 --> 00:56:28,720

huh so you know let's go visit let's go

1638

00:56:33,109 --> 00:56:30,079

visit them um

1639

00:56:34,470 --> 00:56:33,119

so yeah i think um i said i wish i had a

1640

00:56:36,789 --> 00:56:34,480

good concise answer

1641

00:56:38,069 --> 00:56:36,799

um i guess i need to write a book huh

1642

00:56:40,789 --> 00:56:38,079

yeah that way i can say well

1643

00:56:41,109 --> 00:56:40,799

honestly i can plug my own book yeah you

1644

00:56:46,630 --> 00:56:41,119

need

1645

00:56:47,670 --> 00:56:46,640

i think that's a perfect way to sort of

1646

00:56:49,829 --> 00:56:47,680

wrap this up is

1647

00:56:51,829 --> 00:56:49,839

it is it's an aspiration like we

1648

00:56:53,589 --> 00:56:51,839

mentioned earlier it's a want

1649

00:56:55,430 --> 00:56:53,599

to believe that we are capable of the

1650

00:56:58,230 --> 00:56:55,440

things that we are seeing

1651
00:56:59,349 --> 00:56:58,240
and that defy everything we once thought

1652
00:57:01,510 --> 00:56:59,359
we knew and

1653
00:57:03,670 --> 00:57:01,520
that's exciting to think that you know

1654
00:57:05,109 --> 00:57:03,680
as humans there will always be growth

1655
00:57:07,109 --> 00:57:05,119
and potential for

1656
00:57:09,109 --> 00:57:07,119
something better hopefully something

1657
00:57:11,430 --> 00:57:09,119
better uh but no i

1658
00:57:12,150 --> 00:57:11,440
i love it that's what history shows us

1659
00:57:15,270 --> 00:57:12,160
you know

1660
00:57:18,470 --> 00:57:15,280
don't be as long as you stay in those

1661
00:57:19,430 --> 00:57:18,480
good kind of um you know grounded

1662
00:57:21,990 --> 00:57:19,440
domains

1663
00:57:22,870 --> 00:57:22,000

um don't ever be ashamed about looking

1664

00:57:24,630 --> 00:57:22,880

at that i mean that's

1665

00:57:26,069 --> 00:57:24,640

you know the paranormal is just stuff

1666

00:57:29,990 --> 00:57:26,079

that's not normal now

1667

00:57:31,270 --> 00:57:30,000

yeah yes 2000 years you know or 3 000 4

1668

00:57:33,589 --> 00:57:31,280

000 5000 years ago

1669

00:57:35,510 --> 00:57:33,599

you know some kind of deity carried the

1670

00:57:36,870 --> 00:57:35,520

sun up every day and and carried it down

1671

00:57:40,870 --> 00:57:36,880

every night yeah that's

1672

00:57:44,230 --> 00:57:40,880

paranormal so oftentimes we attribute

1673

00:57:45,349 --> 00:57:44,240

paranormal aspects to what is inherently

1674

00:57:48,470 --> 00:57:45,359

natural phenomena but

1675

00:57:50,789 --> 00:57:48,480

still awe-inspiring um and lead to

1676
00:57:52,150 --> 00:57:50,799
this whole existence and so there's

1677
00:57:53,990 --> 00:57:52,160
nothing wrong with you

1678
00:57:55,589 --> 00:57:54,000
that there's nothing wrong with looking

1679
00:57:57,190 --> 00:57:55,599
at things like that in fact that's how

1680
00:57:58,789 --> 00:57:57,200
innovation that's how

1681
00:58:01,030 --> 00:57:58,799
like you just said that's how humanity

1682
00:58:01,750 --> 00:58:01,040
goes forward well tim in terms of

1683
00:58:04,549 --> 00:58:01,760
looking

1684
00:58:05,990 --> 00:58:04,559
gotta ask finally where can we find

1685
00:58:07,910 --> 00:58:06,000
everything you're up to

1686
00:58:09,430 --> 00:58:07,920
is there anything you can share that

1687
00:58:11,030 --> 00:58:09,440
you're working on i know

1688
00:58:12,870 --> 00:58:11,040

that's usually a tough question to

1689

00:58:15,349 --> 00:58:12,880

answer when it comes to what you cover

1690

00:58:16,230 --> 00:58:15,359

but uh yeah man what where can we find

1691

00:58:19,510 --> 00:58:16,240

everything

1692

00:58:19,910 --> 00:58:19,520

that you're up to yeah um you will i you

1693

00:58:23,910 --> 00:58:19,920

know

1694

00:58:26,549 --> 00:58:23,920

i shouldn't be but i

1695

00:58:27,670 --> 00:58:26,559

am you can find me on twitter at lt tim

1696

00:58:31,349 --> 00:58:27,680

mcmillan

1697

00:58:35,190 --> 00:58:31,359

uh i have a website too um

1698

00:58:37,030 --> 00:58:35,200

which is also lt tim mcmillan.com

1699

00:58:38,950 --> 00:58:37,040

so any one of those places you know my

1700

00:58:39,990 --> 00:58:38,960

my emails available on any of those i

1701
00:58:42,390 --> 00:58:40,000
try very hard

1702
00:58:43,510 --> 00:58:42,400
um go out of my way to answer anybody's

1703
00:58:46,150 --> 00:58:43,520
questions or anything

1704
00:58:47,270 --> 00:58:46,160
that they have i learn lots from people

1705
00:58:49,750 --> 00:58:47,280
who reach out to me

1706
00:58:51,030 --> 00:58:49,760
um and new insights so yeah if anybody's

1707
00:58:53,030 --> 00:58:51,040
got any questions or anything

1708
00:58:54,230 --> 00:58:53,040
feel free to reach out i'll try if i

1709
00:58:56,789 --> 00:58:54,240
don't answer

1710
00:58:57,430 --> 00:58:56,799
in a quick manner it's it's not personal

1711
00:58:59,270 --> 00:58:57,440
i promise

1712
00:59:01,430 --> 00:58:59,280
you're three little kids who always seem

1713
00:59:03,589 --> 00:59:01,440

to be both yes

1714

00:59:06,230 --> 00:59:03,599

not to mention yeah you're 12 hours

1715

00:59:08,549 --> 00:59:06,240

ahead of some of us so that's hard too

1716

00:59:09,910 --> 00:59:08,559

yeah yeah that's true yep but we're uh

1717

00:59:10,950 --> 00:59:09,920

half a world away from each other right

1718

00:59:12,470 --> 00:59:10,960

now so you're right

1719

00:59:14,789 --> 00:59:12,480

i'm in germany so a lot of times

1720

00:59:15,829 --> 00:59:14,799

messages come in different time zones

1721

00:59:19,109 --> 00:59:15,839

but uh

1722

00:59:20,950 --> 00:59:19,119

find me there and and um i

1723

00:59:22,789 --> 00:59:20,960

have a lot of different things in the

1724

00:59:24,470 --> 00:59:22,799

works um

1725

00:59:25,829 --> 00:59:24,480

i can't i wish i could tell you exactly

1726

00:59:27,030 --> 00:59:25,839

when stuff's coming out i know people

1727

00:59:28,470 --> 00:59:27,040

want that but that's

1728

00:59:29,750 --> 00:59:28,480

my biggest thing is just like i said

1729

00:59:30,230 --> 00:59:29,760

just like with that popular mechanics

1730

00:59:32,150 --> 00:59:30,240

article

1731

00:59:34,069 --> 00:59:32,160

it to me it's not about putting out more

1732

00:59:36,150 --> 00:59:34,079

it's about putting out good and so i try

1733

00:59:39,109 --> 00:59:36,160

to just put out stuff that

1734

00:59:39,990 --> 00:59:39,119

contributes to the body of knowledge on

1735

00:59:42,630 --> 00:59:40,000

this topic and

1736

00:59:44,230 --> 00:59:42,640

and helps peop other people jump forward

1737

00:59:46,470 --> 00:59:44,240

or whatever and so

1738

00:59:47,270 --> 00:59:46,480

uh yeah hopefully in the next i mean i i

1739

00:59:48,950 --> 00:59:47,280

usually kind of

1740

00:59:50,390 --> 00:59:48,960

line it up in the same cycle so if you

1741

00:59:51,109 --> 00:59:50,400

pay attention to what i did last year

1742

00:59:54,950 --> 00:59:51,119

where

1743

00:59:57,030 --> 00:59:54,960

something came out in november december

1744

00:59:58,789 --> 00:59:57,040

something big in january you know

1745

01:00:00,549 --> 00:59:58,799

something else

1746

01:00:02,069 --> 01:00:00,559

right after that or february as you say

1747

01:00:03,750 --> 01:00:02,079

the valentine's day massacre

1748

01:00:05,670 --> 01:00:03,760

um in january so usually they're

1749

01:00:06,870 --> 01:00:05,680

staggered like that so the fall kind of

1750

01:00:09,510 --> 01:00:06,880

december sweeps

1751

01:00:11,030 --> 01:00:09,520

uh hopefully we'll have some some more

1752

01:00:13,510 --> 01:00:11,040

stuff coming out but yeah

1753

01:00:14,309 --> 01:00:13,520

there's i'm as eager as anybody else to

1754

01:00:17,829 --> 01:00:14,319

get it out there

1755

01:00:19,670 --> 01:00:17,839

but for me it's just making sure that um

1756

01:00:21,589 --> 01:00:19,680

you know even the hardened skeptic can

1757

01:00:24,309 --> 01:00:21,599

come out okay well this is

1758

01:00:24,950 --> 01:00:24,319

yeah okay yeah i got this yeah you're

1759

01:00:27,349 --> 01:00:24,960

right

1760

01:00:28,150 --> 01:00:27,359

i can't dispute this i can say it will

1761

01:00:31,510 --> 01:00:28,160

not involve

1762

01:00:33,109 --> 01:00:31,520

crash ufos at least not now i don't

1763

01:00:34,789 --> 01:00:33,119

don't have anything on that in the works

1764

01:00:36,870 --> 01:00:34,799

so please don't

1765

01:00:39,430 --> 01:00:36,880

please nobody get excited yeah you heard

1766

01:00:41,430 --> 01:00:39,440

it here first guys

1767

01:00:43,270 --> 01:00:41,440

don't have that but if anybody's got

1768

01:00:45,349 --> 01:00:43,280

conclusive evidence of that by all means

1769

01:00:47,270 --> 01:00:45,359

though i will gladly bring that forward

1770

01:00:49,109 --> 01:00:47,280

yes don't have that order the map to the

1771

01:00:51,190 --> 01:00:49,119

element 115.

1772

01:00:52,870 --> 01:00:51,200

element yeah mr lazar if you're

1773

01:00:54,870 --> 01:00:52,880

listening yeah if you want to just ship

1774

01:00:58,870 --> 01:00:54,880

it to me i will gladly share it with the

1775

01:01:04,150 --> 01:01:01,510

uh tim dude this has been absolutely

1776

01:01:05,829 --> 01:01:04,160

fascinating we covered so much but uh

1777

01:01:07,589 --> 01:01:05,839

you know i just want to tell you thank

1778

01:01:08,870 --> 01:01:07,599

you for what you're doing for this topic

1779

01:01:11,349 --> 01:01:08,880

i think it's given it

1780

01:01:12,470 --> 01:01:11,359

that extra level of legitimacy we've

1781

01:01:15,190 --> 01:01:12,480

been waiting for

1782

01:01:15,990 --> 01:01:15,200

for over 70 years i i look forward to

1783

01:01:19,190 --> 01:01:16,000

seeing

1784

01:01:20,950 --> 01:01:19,200

you on unidentified and whatever comes

1785

01:01:22,470 --> 01:01:20,960

next man so again

1786

01:01:24,069 --> 01:01:22,480

thank you for joining me today on

1787

01:01:27,829 --> 01:01:24,079

somewhere in the skies thanks for having

1788

01:01:33,109 --> 01:01:30,069

that's it for part two of our series of

1789

01:01:34,789 --> 01:01:33,119

ufos in 2020 with tim mcmillan

1790

01:01:37,270 --> 01:01:34,799

i hope you enjoyed the conversation as

1791

01:01:39,030 --> 01:01:37,280

much as i did and i hope you'll consider

1792

01:01:41,109 --> 01:01:39,040

rating and reviewing somewhere in the

1793

01:01:43,750 --> 01:01:41,119

skies on apple podcasts

1794

01:01:44,710 --> 01:01:43,760

spotify your android apps or wherever

1795

01:01:47,030 --> 01:01:44,720

you get the show

1796

01:01:47,990 --> 01:01:47,040

every rating and review helps us gain

1797

01:01:50,150 --> 01:01:48,000

visibility and

1798

01:01:52,309 --> 01:01:50,160

find new listeners so head over to apple

1799

01:01:55,430 --> 01:01:52,319

podcast spotify or wherever

1800

01:01:57,910 --> 01:01:55,440

and rate in review right now thank you

1801
01:01:58,470 --> 01:01:57,920
in advance you can follow the show on

1802
01:02:01,069 --> 01:01:58,480
twitter

1803
01:02:02,549 --> 01:02:01,079
at summerskies and instagram at

1804
01:02:04,309 --> 01:02:02,559
summerskyspot

1805
01:02:05,670 --> 01:02:04,319
check out the ryan spreck youtube

1806
01:02:08,470 --> 01:02:05,680
channel for all

1807
01:02:10,150 --> 01:02:08,480
of my videos whether it's case files

1808
01:02:13,190 --> 01:02:10,160
past and present interviews

1809
01:02:14,870 --> 01:02:13,200
and all audio episodes as well and

1810
01:02:15,750 --> 01:02:14,880
please also be sure to check out the new

1811
01:02:17,750 --> 01:02:15,760
website

1812
01:02:19,029 --> 01:02:17,760
and contact me personally with your own

1813
01:02:21,990 --> 01:02:19,039

ufo stories

1814

01:02:23,190 --> 01:02:22,000

all at summer in the skies dot com i'll

1815

01:02:25,029 --> 01:02:23,200

see you here next week

1816

01:02:27,430 --> 01:02:25,039

and remember keep your feet on the

1817

01:02:36,690 --> 01:02:27,440

ground but never stop searching

1818

01:02:36,700 --> 01:02:46,829

[Music]

1819

01:02:46,839 --> 01:02:49,850

so

1820

01:03:14,150 --> 01:03:12,230

[Music]

1821

01:03:15,430 --> 01:03:14,160

somewhere in the skies is produced by

1822

01:03:17,270 --> 01:03:15,440

third kind productions
