

SOMEWHERE IN THE SKIES

THE CRATE IN THE DESERT

FEATURING JEREMY MCGOWAN

1
00:00:00,000 --> 00:00:02,950

[Music]

2
00:00:08,230 --> 00:00:05,910
ufos seem to be invading both our skies

3
00:00:10,390 --> 00:00:08,240
and our news outlets like never before

4
00:00:11,749 --> 00:00:10,400
and more people are starting to look up

5
00:00:15,110 --> 00:00:11,759
and are wondering who

6
00:00:16,950 --> 00:00:15,120
or what might be out there in 2016

7
00:00:19,109 --> 00:00:16,960
ryan spregg introduced the world to

8
00:00:20,710 --> 00:00:19,119
countless ufo encounters that had never

9
00:00:22,870 --> 00:00:20,720
been made public before

10
00:00:24,870 --> 00:00:22,880
and now in the second edition of his

11
00:00:27,670 --> 00:00:24,880
book he revisits these events and

12
00:00:29,990 --> 00:00:27,680
introduces brand new ufo cases

13
00:00:32,229 --> 00:00:30,000

in somewhere in the skies a human

14

00:00:34,310 --> 00:00:32,239

approach to the ufo phenomenon

15

00:00:35,590 --> 00:00:34,320

how have these events changed the lives

16

00:00:37,030 --> 00:00:35,600

of those involved

17

00:00:39,750 --> 00:00:37,040

and what might it tell us about the

18

00:00:41,670 --> 00:00:39,760

phenomenon with in-depth follow-ups

19

00:00:43,590 --> 00:00:41,680

brand new chapters and detailed

20

00:00:44,069 --> 00:00:43,600

testimony from credible witnesses and

21

00:00:46,229 --> 00:00:44,079

insight

22

00:00:47,910 --> 00:00:46,239

from those in the psychological academic

23

00:00:50,389 --> 00:00:47,920

and scientific fields

24

00:00:52,069 --> 00:00:50,399

somewhere in the skies a human approach

25

00:00:54,549 --> 00:00:52,079

to the ufo phenomenon

26

00:00:56,229 --> 00:00:54,559

weaves together a story of stories

27

00:00:56,869 --> 00:00:56,239

attempting to get to the heart of these

28

00:00:59,670 --> 00:00:56,879

mysteries

29

00:01:00,389 --> 00:00:59,680

one experience at a time available now

[Music]

36

00:01:50,630 --> 00:01:48,960

jeremy mcgowan served in the u.s air

37

00:01:54,389 --> 00:01:50,640

force security forces

38

00:01:57,030 --> 00:01:54,399

for four years in 1995 he was deployed

39

00:01:58,550 --> 00:01:57,040

on a classified security mission deep in

40

00:02:02,149 --> 00:01:58,560

the jordanian desert

41

00:02:05,190 --> 00:02:02,159

in the middle east his mission to guard

42

00:02:06,149 --> 00:02:05,200

a large crate contents unknown in the

43

00:02:08,710 --> 00:02:06,159

dead of night

44

00:02:09,589 --> 00:02:08,720

in the desolate sands i get uh i get to

45

00:02:11,589 --> 00:02:09,599

my post

46

00:02:13,430 --> 00:02:11,599

i don't remember who's a captain or a

47

00:02:15,270 --> 00:02:13,440

lieutenant but he basically said

48

00:02:16,390 --> 00:02:15,280

all right here's here's your post what

49

00:02:17,430 --> 00:02:16,400

am i doing he's like well you're

50

00:02:18,869 --> 00:02:17,440

guarding this crate

51
00:02:20,390 --> 00:02:18,879
okay what's in the crate don't ask that

52
00:02:21,350 --> 00:02:20,400
question all right what do you mean by

53
00:02:23,190 --> 00:02:21,360
guard the crate

54
00:02:24,710 --> 00:02:23,200
where are my sops where's my rules of

55
00:02:25,510 --> 00:02:24,720
engagement he was like just don't let

56
00:02:27,670 --> 00:02:25,520
anybody near it

57
00:02:29,030 --> 00:02:27,680
can you define near it no just don't let

58
00:02:31,350 --> 00:02:29,040
anybody near the crate

59
00:02:32,790 --> 00:02:31,360
is anybody authorized near the crate no

60
00:02:34,550 --> 00:02:32,800
don't let anybody

61
00:02:36,630 --> 00:02:34,560
near the crate what happens if somebody

62
00:02:38,790 --> 00:02:36,640
gets near the crate shoot him

63
00:02:39,830 --> 00:02:38,800

while guarding the crate he and another

64

00:02:42,309 --> 00:02:39,840

security member

65

00:02:43,030 --> 00:02:42,319

had what can only be described as an

66

00:02:46,390 --> 00:02:43,040

authentic

67

00:02:48,869 --> 00:02:46,400

ufo event directly above the crate

68

00:02:50,390 --> 00:02:48,879

i saw his head drop down and swing to

69

00:02:53,430 --> 00:02:50,400

the left and i'm like yep

70

00:02:55,430 --> 00:02:53,440

he saw and he takes the nods off

71

00:02:57,110 --> 00:02:55,440

and he just hands him back to me he

72

00:02:58,470 --> 00:02:57,120

pulls out another cigarette he lights it

73

00:03:01,670 --> 00:02:58,480

and he walks off

74

00:03:05,670 --> 00:03:01,680

we never spoke about it again and it

75

00:03:07,750 --> 00:03:05,680

just burned itself into my brain man

76

00:03:09,430 --> 00:03:07,760

after coming forward for the very first

77

00:03:10,710 --> 00:03:09,440

time ever on the history channel

78

00:03:13,830 --> 00:03:10,720

television series

79

00:03:15,750 --> 00:03:13,840

unidentified mcgowan is convinced that

80

00:03:18,630 --> 00:03:15,760

he may just find some answers

81

00:03:20,949 --> 00:03:18,640

along with the former director of atip

82

00:03:23,750 --> 00:03:20,959

the secret pentagon ufo program

83

00:03:24,710 --> 00:03:23,760

luis elizondo and i've had conversations

84

00:03:27,750 --> 00:03:24,720

with lou

85

00:03:30,949 --> 00:03:27,760

and he has never told me what it is

86

00:03:33,910 --> 00:03:30,959

i have a very very

87

00:03:34,789 --> 00:03:33,920

solid belief that he knows exactly what

88

00:03:37,910 --> 00:03:34,799

it is

89

00:03:38,630 --> 00:03:37,920

but i also believe that why he knows

90

00:03:42,070 --> 00:03:38,640

what it is

91

00:03:43,670 --> 00:03:42,080

is because of his association during his

92

00:03:45,670 --> 00:03:43,680

involvement with the government which

93

00:03:46,789 --> 00:03:45,680

falls under his classification and his

94

00:03:49,990 --> 00:03:46,799

security clearance

95

00:03:52,789 --> 00:03:50,000

and he cannot say he's adamant

96

00:03:54,470 --> 00:03:52,799

to me that i am going to know what it

97

00:03:57,110 --> 00:03:54,480

was that i saw

98

00:03:59,350 --> 00:03:57,120

and what if the ufo above was somehow

99

00:04:02,149 --> 00:03:59,360

connected to the crate below

100

00:04:03,509 --> 00:04:02,159

what could it all mean and what was in

101
00:04:05,750 --> 00:04:03,519
that crate

102
00:04:07,509 --> 00:04:05,760
we might not always be the good guys and

103
00:04:10,229 --> 00:04:07,519
i say that because

104
00:04:12,550 --> 00:04:10,239
in my research i believe that i've

105
00:04:13,270 --> 00:04:12,560
tracked down the final dispensation of

106
00:04:15,830 --> 00:04:13,280
that crate

107
00:04:16,310 --> 00:04:15,840
where it went and why it went there and

108
00:04:19,270 --> 00:04:16,320
if

109
00:04:20,229 --> 00:04:19,280
my hypothesis and my theory is is true

110
00:04:23,430 --> 00:04:20,239
about that

111
00:04:25,510 --> 00:04:23,440
the united states may well deserve a lot

112
00:04:31,350 --> 00:04:25,520
of the bad monikers that we've earned

113
00:04:34,629 --> 00:04:33,430

jeremy first off i want to thank you for

114

00:04:37,110 --> 00:04:34,639

your service and

115

00:04:38,550 --> 00:04:37,120

welcome you to somewhere in the skies

116

00:04:39,430 --> 00:04:38,560

thank you thank you ryan i greatly

117

00:04:41,590 --> 00:04:39,440

appreciate it

118

00:04:43,350 --> 00:04:41,600

it's good to be here thanks man well a

119

00:04:46,390 --> 00:04:43,360

lot of my listeners may

120

00:04:49,110 --> 00:04:46,400

have seen you recently on the history

121

00:04:50,629 --> 00:04:49,120

television series unidentified and we're

122

00:04:53,270 --> 00:04:50,639

gonna dig deep into that

123

00:04:54,310 --> 00:04:53,280

and why you were on the show but before

124

00:04:56,390 --> 00:04:54,320

we do that

125

00:04:58,469 --> 00:04:56,400

um i was wondering could you sort of

126

00:04:58,950 --> 00:04:58,479

paint us a picture for the listeners of

127

00:05:01,110 --> 00:04:58,960

uh

128

00:05:02,070 --> 00:05:01,120

who you are and maybe a little about why

129

00:05:04,710 --> 00:05:02,080

you um

130

00:05:05,990 --> 00:05:04,720

joined the air force where you served

131

00:05:07,430 --> 00:05:06,000

with your time and

132

00:05:09,350 --> 00:05:07,440

and what your duties were and all that

133

00:05:09,990 --> 00:05:09,360

give us the origin story jeremy if you

134

00:05:12,230 --> 00:05:10,000

don't mind

135

00:05:13,590 --> 00:05:12,240

yeah you know the origin story just

136

00:05:15,830 --> 00:05:13,600

saying it like that makes it sound a

137

00:05:19,189 --> 00:05:15,840

whole lot sexier than it actually is

138

00:05:21,990 --> 00:05:19,199

um why i joined the air force uh

139

00:05:22,790 --> 00:05:22,000

you know i'd love to be able to say that

140

00:05:25,029 --> 00:05:22,800

my whole fit

141

00:05:27,670 --> 00:05:25,039

family has a huge military history which

142

00:05:30,550 --> 00:05:27,680

they kind of do or i was influenced by

143

00:05:31,830 --> 00:05:30,560

a great hero or something like that but

144

00:05:33,430 --> 00:05:31,840

honestly uh

145

00:05:34,870 --> 00:05:33,440

right out of high school i was working

146

00:05:37,189 --> 00:05:34,880

at ibm and

147

00:05:37,990 --> 00:05:37,199

uh i didn't really fit in with the big

148

00:05:40,950 --> 00:05:38,000

blue culture

149

00:05:42,950 --> 00:05:40,960

i had long hair probably a little bit of

150

00:05:45,189 --> 00:05:42,960

a mullet going on back in those days

151

00:05:46,710 --> 00:05:45,199

of course this was the late 80s so if

152

00:05:48,469 --> 00:05:46,720

you didn't play soccer and have a mullet

153

00:05:51,110 --> 00:05:48,479

you were doing life wrong

154

00:05:53,430 --> 00:05:51,120

um but i was working in uh diagnostic

155

00:05:54,629 --> 00:05:53,440

and repair of the ps2 systems that ibm

156

00:05:56,390 --> 00:05:54,639

had just come out with

157

00:05:57,749 --> 00:05:56,400

and uh you know like i said i didn't

158

00:06:01,189 --> 00:05:57,759

really fit in there

159

00:06:02,550 --> 00:06:01,199

and one one day after a particularly

160

00:06:05,590 --> 00:06:02,560

crappy day at work

161

00:06:07,670 --> 00:06:05,600

i was riding my my motorcycle home

162

00:06:09,430 --> 00:06:07,680

and i noticed an armed forces recruiting

163

00:06:12,070 --> 00:06:09,440

station off to the side of the road

164

00:06:14,070 --> 00:06:12,080

and i made a ue pulled into the parking

165

00:06:15,990 --> 00:06:14,080

lot walked in i walked past the army

166

00:06:17,270 --> 00:06:16,000

guys walked past the navy and

167

00:06:19,029 --> 00:06:17,280

in the marine corps guys and the air

168

00:06:21,029 --> 00:06:19,039

force guys were all the way in the back

169

00:06:22,309 --> 00:06:21,039

and i just kind of plop my butt down in

170

00:06:23,350 --> 00:06:22,319

their desk and they're like can i help

171

00:06:25,350 --> 00:06:23,360

you and i was like yeah

172

00:06:26,390 --> 00:06:25,360

get me the hell out of here they're like

173

00:06:27,909 --> 00:06:26,400

what do you want to do

174

00:06:29,430 --> 00:06:27,919

i was like i want to shoot guns and i

175

00:06:32,790 --> 00:06:29,440

blow stuff up you know

176

00:06:34,469 --> 00:06:32,800
six months later i'm i'm in basic

177

00:06:38,070 --> 00:06:34,479
training and then desert storm

178

00:06:40,070 --> 00:06:38,080
and and the world was falling apart and

179

00:06:42,150 --> 00:06:40,080
i was right in the middle of it so

180

00:06:44,230 --> 00:06:42,160
that's uh that's how i ended up in

181

00:06:45,270 --> 00:06:44,240
in the air force and uh and ended up in

182

00:06:48,390 --> 00:06:45,280
desert storm

183

00:06:50,550 --> 00:06:48,400
gotcha no i don't know if um if

184

00:06:52,629 --> 00:06:50,560
if you're willing to share jeremy or not

185

00:06:55,670 --> 00:06:52,639
but could you maybe give us an

186

00:06:58,309 --> 00:06:55,680
idea of you know what rank you were

187

00:06:59,270 --> 00:06:58,319
um when you finally left uh maybe a

188

00:07:01,589 --> 00:06:59,280

little about

189

00:07:02,790 --> 00:07:01,599

the operations that you worked on again

190

00:07:05,909 --> 00:07:02,800

i know a lot of this stuff

191

00:07:07,350 --> 00:07:05,919

may be a little sensitive but yeah maybe

192

00:07:08,950 --> 00:07:07,360

give us an idea of that

193

00:07:10,710 --> 00:07:08,960

yeah there's there's some things that i

194

00:07:12,790 --> 00:07:10,720

can't uh can't go into but

195

00:07:14,309 --> 00:07:12,800

the generalities are fine so i did a

196

00:07:16,710 --> 00:07:14,319

total of about 12 years

197

00:07:17,749 --> 00:07:16,720

active duty obviously i went in as

198

00:07:20,309 --> 00:07:17,759

enlisted

199

00:07:21,670 --> 00:07:20,319

and then at the the end of my career i

200

00:07:24,469 --> 00:07:21,680

actually had gotten selected

201
00:07:26,390 --> 00:07:24,479
for an officer commissioning program uh

202
00:07:27,029 --> 00:07:26,400
but i'll touch on that in just a second

203
00:07:29,270 --> 00:07:27,039
so

204
00:07:31,110 --> 00:07:29,280
the vast majority of my time was spent

205
00:07:32,550 --> 00:07:31,120
at the rank of e5 which is a staff

206
00:07:35,110 --> 00:07:32,560
sergeant

207
00:07:36,070 --> 00:07:35,120
and i spent a grand total of two and a

208
00:07:38,710 --> 00:07:36,080
half years

209
00:07:39,909 --> 00:07:38,720
combined time in the middle east and i

210
00:07:43,189 --> 00:07:39,919
served in

211
00:07:46,469 --> 00:07:43,199
saudi arabia kuwait taif

212
00:07:48,309 --> 00:07:46,479
jordan obviously some other places that

213
00:07:49,670 --> 00:07:48,319

may or may not have the same names now

214

00:07:52,390 --> 00:07:49,680

as they did then

215

00:07:53,749 --> 00:07:52,400

and if i wasn't in in the middle east i

216

00:07:55,670 --> 00:07:53,759

was also

217

00:07:57,589 --> 00:07:55,680

attached with jsoc which is joint

218

00:08:00,950 --> 00:07:57,599

special operations command

219

00:08:03,350 --> 00:08:00,960

and uh i did about uh almost two years

220

00:08:04,390 --> 00:08:03,360

down in south america with about a year

221

00:08:07,029 --> 00:08:04,400

being in panama

222

00:08:08,790 --> 00:08:07,039

and a year uh almost a year being deep

223

00:08:12,469 --> 00:08:08,800

in the jungles of colombia

224

00:08:14,230 --> 00:08:12,479

in uh in the middle of literally nowhere

225

00:08:15,830 --> 00:08:14,240

attached to the dea doing counter

226

00:08:17,029 --> 00:08:15,840

narcotics operations and things like

227

00:08:19,110 --> 00:08:17,039

that down there

228

00:08:20,230 --> 00:08:19,120

you know so so i've done a little bit of

229

00:08:21,749 --> 00:08:20,240

a lot or

230

00:08:23,749 --> 00:08:21,759

a lot of a little bit depending on how

231

00:08:27,029 --> 00:08:23,759

you want to look at it i broke

232

00:08:30,469 --> 00:08:27,039

my back during desert storm uh

233

00:08:33,110 --> 00:08:30,479

when i was actually uh riding an atv

234

00:08:34,870 --> 00:08:33,120

at a crash site we had not a ufo crash

235

00:08:37,829 --> 00:08:34,880

like we had an f-16

236

00:08:39,589 --> 00:08:37,839

you knew where i was going yeah exactly

237

00:08:40,709 --> 00:08:39,599

well we had an f-16 that went down in

238

00:08:42,630 --> 00:08:40,719

the middle of the desert

239

00:08:44,630 --> 00:08:42,640

and it was probably five or six hundred

240

00:08:46,630 --> 00:08:44,640

miles out into the middle of nowhere

241

00:08:48,389 --> 00:08:46,640

and uh there was just a couple of us

242

00:08:50,389 --> 00:08:48,399

that they had flown in

243

00:08:52,790 --> 00:08:50,399

dropped us off and we had atvs and a

244

00:08:54,790 --> 00:08:52,800

couple 55-gallon drums of fuel and

245

00:08:56,310 --> 00:08:54,800

of course i was riding the atvs through

246

00:08:58,150 --> 00:08:56,320

the desert you got no supervision you

247

00:09:00,710 --> 00:08:58,160

kind of do stupid stuff and

248

00:09:02,230 --> 00:09:00,720

i ended up one night wearing my night

249

00:09:03,910 --> 00:09:02,240

vision goggles you have no depth

250

00:09:05,509 --> 00:09:03,920

perception with the night vision goggles

251
00:09:07,750 --> 00:09:05,519
because they're monocular

252
00:09:08,710 --> 00:09:07,760
and i was riding a little faster than i

253
00:09:11,030 --> 00:09:08,720
should have and

254
00:09:12,630 --> 00:09:11,040
went up a sand dune and didn't uh hadn't

255
00:09:14,550 --> 00:09:12,640
been on the sand dune before and didn't

256
00:09:15,829 --> 00:09:14,560
realize that the wind had carved out the

257
00:09:18,070 --> 00:09:15,839
back side of the dune

258
00:09:20,230 --> 00:09:18,080
and i just launched myself off the dune

259
00:09:22,710 --> 00:09:20,240
and fell about 60 feet to the ground

260
00:09:24,550 --> 00:09:22,720
broke all four axles of the atv and

261
00:09:27,350 --> 00:09:24,560
fractured my back

262
00:09:28,710 --> 00:09:27,360
but uh didn't actually know that i

263
00:09:30,310 --> 00:09:28,720

fractured my back

264

00:09:32,710 --> 00:09:30,320

uh i was still able to walk i wasn't

265

00:09:35,269 --> 00:09:32,720

paralyzed or anything they uh

266

00:09:36,630 --> 00:09:35,279

they got me out of there and of course

267

00:09:39,509 --> 00:09:36,640

this is in the

268

00:09:40,710 --> 00:09:39,519

early 90s in the middle of you know a

269

00:09:43,110 --> 00:09:40,720

war zone and

270

00:09:45,590 --> 00:09:43,120

medical technology at that time kind of

271

00:09:48,150 --> 00:09:45,600

sucked so basically all i got was a

272

00:09:49,350 --> 00:09:48,160

an x-ray and they saw swelling and stuff

273

00:09:50,230 --> 00:09:49,360

like that but they never saw the

274

00:09:51,829 --> 00:09:50,240

fracture

275

00:09:55,190 --> 00:09:51,839

so i was up and walking around with a

276

00:09:57,350 --> 00:09:55,200

broken back and it never healed properly

277

00:09:58,230 --> 00:09:57,360

so the reason i'm saying this is when i

278

00:10:00,550 --> 00:09:58,240

uh

279

00:10:02,230 --> 00:10:00,560

towards the end of my military career i

280

00:10:04,949 --> 00:10:02,240

had actually gotten selected for

281

00:10:06,230 --> 00:10:04,959

an early release for uh officer

282

00:10:08,310 --> 00:10:06,240

commissioning program

283

00:10:10,310 --> 00:10:08,320

and i was going through my officer

284

00:10:11,590 --> 00:10:10,320

training at tyndall air force base

285

00:10:13,350 --> 00:10:11,600

and i slipped off of one of the

286

00:10:14,230 --> 00:10:13,360

obstacles and i couldn't get back up

287

00:10:17,350 --> 00:10:14,240

anymore

288

00:10:17,990 --> 00:10:17,360

and they they sent me in for an mri and

289

00:10:19,590 --> 00:10:18,000

they saw

290

00:10:21,030 --> 00:10:19,600

all the damage that i had done to my

291

00:10:23,509 --> 00:10:21,040

back you know 10

292

00:10:24,949 --> 00:10:23,519

11 years prior and they were like well

293

00:10:26,710 --> 00:10:24,959

you're no longer fit for military

294

00:10:29,829 --> 00:10:26,720

service have have a nice life

295

00:10:30,630 --> 00:10:29,839

so had i uh had i not tried to go from

296

00:10:33,110 --> 00:10:30,640

enlisted to

297

00:10:35,430 --> 00:10:33,120

becoming an officer i probably still uh

298

00:10:37,829 --> 00:10:35,440

would be in if if not retired by now

299

00:10:38,470 --> 00:10:37,839

and back to civilian life you sort of go

300

00:10:41,190 --> 00:10:38,480

but man

301
00:10:41,910 --> 00:10:41,200
that's uh quite a journey you've had and

302
00:10:44,870 --> 00:10:41,920
so

303
00:10:45,670 --> 00:10:44,880
like i mentioned uh the primary focus of

304
00:10:48,630 --> 00:10:45,680
this interview

305
00:10:49,990 --> 00:10:48,640
is an encounter you had while in the

306
00:10:52,150 --> 00:10:50,000
military but

307
00:10:53,910 --> 00:10:52,160
before that even happened before we

308
00:10:55,990 --> 00:10:53,920
really get into that event

309
00:10:57,590 --> 00:10:56,000
do you ever think about ufos before this

310
00:11:01,030 --> 00:10:57,600
had you ever seen anything

311
00:11:03,990 --> 00:11:01,040
what did you make of this whole ufo

312
00:11:05,030 --> 00:11:04,000
thing or a question or issue before this

313
00:11:07,030 --> 00:11:05,040

you know i i

314

00:11:08,710 --> 00:11:07,040

sure have i thought about ufos before

315

00:11:10,710 --> 00:11:08,720

yeah you look up in the sky you see

316

00:11:11,910 --> 00:11:10,720

something it's probably a helicopter

317

00:11:13,350 --> 00:11:11,920

probably an airplane

318

00:11:15,670 --> 00:11:13,360

you're like what the hell is that it

319

00:11:17,990 --> 00:11:15,680

doesn't look right but

320

00:11:19,430 --> 00:11:18,000

you're always considering it could be

321

00:11:19,990 --> 00:11:19,440

something or it might be something else

322

00:11:21,990 --> 00:11:20,000

right but

323

00:11:23,190 --> 00:11:22,000

it never is and when you're a kid

324

00:11:25,670 --> 00:11:23,200

obviously you have a

325

00:11:26,310 --> 00:11:25,680

vivid imagination and you know when i'm

326

00:11:28,949 --> 00:11:26,320

i was

327

00:11:29,509 --> 00:11:28,959

six years old when star wars came out so

328

00:11:31,990 --> 00:11:29,519

you know

329

00:11:33,590 --> 00:11:32,000

you kind of get your psyche primed for

330

00:11:35,269 --> 00:11:33,600

things with science fiction the last

331

00:11:36,790 --> 00:11:35,279

starfighter for example you know

332

00:11:38,630 --> 00:11:36,800

you you kind of want the guy to come

333

00:11:41,350 --> 00:11:38,640

down and recruit you to fly the

334

00:11:42,310 --> 00:11:41,360

strange extreme spaceships but then you

335

00:11:46,150 --> 00:11:42,320

grow up

336

00:11:49,829 --> 00:11:46,160

and uh you know i i never fell into

337

00:11:52,470 --> 00:11:49,839

the ufo crowd i never went to a mufon

338

00:11:54,310 --> 00:11:52,480

uh convention i never did any of that

339

00:11:56,470 --> 00:11:54,320

sort of stuff i've never even picked up

340

00:11:58,470 --> 00:11:56,480

or read a ufo book

341

00:12:00,870 --> 00:11:58,480

i think the closest i ever got to

342

00:12:02,870 --> 00:12:00,880

anything in ufology was

343

00:12:04,310 --> 00:12:02,880

maybe reading some of uh eric von

344

00:12:05,829 --> 00:12:04,320

danican's books

345

00:12:07,430 --> 00:12:05,839

like chariots of the gods and things

346

00:12:09,910 --> 00:12:07,440

like that that were written

347

00:12:10,470 --> 00:12:09,920

that was probably back in the 1960s yeah

348

00:12:12,470 --> 00:12:10,480

and uh

349

00:12:14,230 --> 00:12:12,480

you know just just old school stuff but

350

00:12:17,110 --> 00:12:14,240

i've never been a

351
00:12:17,910 --> 00:12:17,120
an alien conspiracy theorist you know i

352
00:12:20,389 --> 00:12:17,920
might watch

353
00:12:21,910 --> 00:12:20,399
ancient aliens when when i can't find my

354
00:12:22,949 --> 00:12:21,920
remote and there's nothing else to turn

355
00:12:24,949 --> 00:12:22,959
the tv on to

356
00:12:26,389 --> 00:12:24,959
but you know for the for by and large

357
00:12:27,110 --> 00:12:26,399
the most part i look at it as

358
00:12:30,069 --> 00:12:27,120
entertainment

359
00:12:31,910 --> 00:12:30,079
well hey that's a good way to to sort of

360
00:12:33,430 --> 00:12:31,920
look at it because a lot of the times

361
00:12:36,790 --> 00:12:33,440
when people come forward

362
00:12:38,710 --> 00:12:36,800
with a ufo story or whatnot uh

363
00:12:40,470 --> 00:12:38,720

you end up hearing oh yeah they've read

364

00:12:42,389 --> 00:12:40,480

300 books on ufos

365

00:12:43,509 --> 00:12:42,399

they've uh believed in this stuff their

366

00:12:46,629 --> 00:12:43,519

whole lives and

367

00:12:48,629 --> 00:12:46,639

it kind of paints a uh a very biased

368

00:12:50,550 --> 00:12:48,639

perception of that individual you know

369

00:12:53,190 --> 00:12:50,560

they're probably fantastic

370

00:12:54,150 --> 00:12:53,200

exactly exactly so it's refreshing when

371

00:12:56,389 --> 00:12:54,160

someone like you

372

00:12:57,829 --> 00:12:56,399

you know no preconceived notions or

373

00:12:59,590 --> 00:12:57,839

baggage has an event

374

00:13:01,430 --> 00:12:59,600

like what we're gonna talk about an

375

00:13:03,670 --> 00:13:01,440

extraordinary event like this

376

00:13:06,069 --> 00:13:03,680

and uh can come out on the other side

377

00:13:08,949 --> 00:13:06,079

just as credible and legitimate as

378

00:13:10,389 --> 00:13:08,959

the next military witness so um like i

379

00:13:12,550 --> 00:13:10,399

mentioned earlier

380

00:13:13,590 --> 00:13:12,560

unidentified the television show on the

381

00:13:16,150 --> 00:13:13,600

history channel

382

00:13:17,110 --> 00:13:16,160

is where i was able to find you and

383

00:13:20,230 --> 00:13:17,120

connect with you

384

00:13:22,629 --> 00:13:20,240

and um how did this opportunity come

385

00:13:24,389 --> 00:13:22,639

about jeremy before we again i'm teasing

386

00:13:24,949 --> 00:13:24,399

the event i know we will get there

387

00:13:27,269 --> 00:13:24,959

because i'm

388

00:13:27,990 --> 00:13:27,279

done to hear it how'd this opportunity

389

00:13:30,550 --> 00:13:28,000

come about

390

00:13:32,710 --> 00:13:30,560

and what compelled you to go public with

391

00:13:35,190 --> 00:13:32,720

this with this television series

392

00:13:36,949 --> 00:13:35,200

well uh let's answer the first question

393

00:13:39,430 --> 00:13:36,959

first how did the opportunity come about

394

00:13:42,310 --> 00:13:39,440

um like i told you i haven't really

395

00:13:44,629 --> 00:13:42,320

dived into the world of ufology

396

00:13:45,430 --> 00:13:44,639

but i was sitting on my sofa one day and

397

00:13:54,230 --> 00:13:45,440

i

398

00:13:56,230 --> 00:13:54,240

know that the uh

399

00:13:57,350 --> 00:13:56,240

the series was out i had never even

400

00:13:59,430 --> 00:13:57,360

heard of it because

401
00:14:00,949 --> 00:13:59,440
i don't i don't have cable at my house i

402
00:14:03,829 --> 00:14:00,959
use hulu for everything

403
00:14:05,030 --> 00:14:03,839
so i don't watch a lot of tv and when i

404
00:14:07,670 --> 00:14:05,040
saw that episode

405
00:14:09,350 --> 00:14:07,680
it just happened to be the episode where

406
00:14:13,750 --> 00:14:09,360
they were talking about

407
00:14:17,110 --> 00:14:13,760
um the ufos and the nukes in season one

408
00:14:20,230 --> 00:14:17,120
and as i'm as i'm watching that episode

409
00:14:21,990 --> 00:14:20,240
it was just like a mental gate a

410
00:14:25,030 --> 00:14:22,000
floodgate opened up

411
00:14:27,590 --> 00:14:25,040
and everything that i went through back

412
00:14:29,189 --> 00:14:27,600
in the early 90s it just came back to me

413
00:14:33,110 --> 00:14:29,199

and it became

414

00:14:36,150 --> 00:14:33,120

it became an itch that i had to scratch

415

00:14:40,629 --> 00:14:39,509

so i got on reddit and i didn't want to

416

00:14:42,230 --> 00:14:40,639

get on the show i didn't even think

417

00:14:44,150 --> 00:14:42,240

about getting on the show

418

00:14:46,150 --> 00:14:44,160

as far as i knew it was you know one

419

00:14:48,870 --> 00:14:46,160

season and it had already been done and

420

00:14:49,670 --> 00:14:48,880

it was over and done with but i get on

421

00:14:53,269 --> 00:14:49,680

reddit

422

00:14:55,269 --> 00:14:53,279

and i post a kind of watered-down

423

00:14:58,389 --> 00:14:55,279

version of my story

424

00:14:59,189 --> 00:14:58,399

but i did it in a way not to i don't

425

00:15:01,670 --> 00:14:59,199

even remember

426

00:15:03,990 --> 00:15:01,680

if i posted it in one of the ufo subs or

427

00:15:07,189 --> 00:15:04,000

if i posted in one of the military subs

428

00:15:10,949 --> 00:15:07,199

but the idea was i was trying to

429

00:15:14,389 --> 00:15:10,959

find anybody that was on this operation

430

00:15:15,350 --> 00:15:14,399

that i was on that could validate my

431

00:15:17,670 --> 00:15:15,360

story

432

00:15:18,470 --> 00:15:17,680

i wanted to reach out and reconnect with

433

00:15:21,670 --> 00:15:18,480

people

434

00:15:23,910 --> 00:15:21,680

that had been on the same operation uh

435

00:15:25,269 --> 00:15:23,920

one person in particular and we'll i'm

436

00:15:26,870 --> 00:15:25,279

sure we'll get into that when i

437

00:15:28,310 --> 00:15:26,880

recount the story but there was somebody

438

00:15:30,310 --> 00:15:28,320

with me at the time

439

00:15:31,749 --> 00:15:30,320

and i was hoping that you know there are

440

00:15:33,829 --> 00:15:31,759

my god reddit is

441

00:15:34,870 --> 00:15:33,839

the most wonderful collective group of

442

00:15:37,189 --> 00:15:34,880

detectives

443

00:15:38,550 --> 00:15:37,199

the world has ever seen they can find

444

00:15:40,470 --> 00:15:38,560

anything

445

00:15:41,910 --> 00:15:40,480

so i posted my story in the hopes that

446

00:15:44,069 --> 00:15:41,920

somebody would help me

447

00:15:45,430 --> 00:15:44,079

uh identify or track down the guy that

448

00:15:48,550 --> 00:15:45,440

was with me

449

00:15:49,030 --> 00:15:48,560

it did not happen but the comments that

450

00:15:51,910 --> 00:15:49,040

i got

451
00:15:53,269 --> 00:15:51,920
on the story told me about the show and

452
00:15:54,550 --> 00:15:53,279
i was like yeah i've heard of the show

453
00:15:56,629 --> 00:15:54,560
they're like well

454
00:15:58,629 --> 00:15:56,639
at the end of each episode they throw up

455
00:16:00,470 --> 00:15:58,639
a an email

456
00:16:02,710 --> 00:16:00,480
asking for military guys to submit their

457
00:16:04,949 --> 00:16:02,720
stories and you should do that

458
00:16:07,110 --> 00:16:04,959
and they said i should do that because

459
00:16:09,990 --> 00:16:07,120
they do so much investigation

460
00:16:11,749 --> 00:16:10,000
maybe they could actually help uncover

461
00:16:13,110 --> 00:16:11,759
and track down some of the people

462
00:16:15,350 --> 00:16:13,120
that that were with me on that

463
00:16:17,910 --> 00:16:15,360

deployment so i did

464

00:16:19,670 --> 00:16:17,920

and that was exactly the the idea that i

465

00:16:21,430 --> 00:16:19,680

had when i contacted the show as i was

466

00:16:23,030 --> 00:16:21,440

like hey i'm trying to

467

00:16:24,550 --> 00:16:23,040

find out if i can track these people

468

00:16:25,829 --> 00:16:24,560

down or if you guys can track these

469

00:16:27,430 --> 00:16:25,839

people down and even

470

00:16:29,749 --> 00:16:27,440

even after the show contacted me back

471

00:16:32,230 --> 00:16:29,759

and i was talking to anthony uh

472

00:16:33,030 --> 00:16:32,240

lapp and and and the the other producers

473

00:16:34,949 --> 00:16:33,040

and such

474

00:16:36,790 --> 00:16:34,959

even when i was being interviewed by lou

475

00:16:37,749 --> 00:16:36,800

i'd ask them hey can you help me find

476

00:16:40,150 --> 00:16:37,759

these people

477

00:16:41,910 --> 00:16:40,160

you know i want validation but but i

478

00:16:43,910 --> 00:16:41,920

sent the email to uh

479

00:16:45,189 --> 00:16:43,920

to the show and i didn't hear anything

480

00:16:48,629 --> 00:16:45,199

it must have been

481

00:16:51,430 --> 00:16:48,639

weeks if not a month or so had gone by

482

00:16:52,629 --> 00:16:51,440

then out of the blue uh one of the uh

483

00:16:56,069 --> 00:16:52,639

one of the producers

484

00:16:59,110 --> 00:16:56,079

contacted me and the email was

485

00:17:00,710 --> 00:16:59,120

kind of sketchy kind of standoffish

486

00:17:02,389 --> 00:17:00,720

because you know they didn't know me but

487

00:17:05,110 --> 00:17:02,399

they were just basically asking if

488

00:17:05,990 --> 00:17:05,120

if i would want to give more information

489

00:17:09,350 --> 00:17:06,000

or more detail

490

00:17:11,029 --> 00:17:09,360

on my story and uh i was i was very

491

00:17:12,150 --> 00:17:11,039

skeptical i was very hesitant because i

492

00:17:13,750 --> 00:17:12,160

didn't really want to give more

493

00:17:14,549 --> 00:17:13,760

information on my story i wanted them to

494

00:17:17,909 --> 00:17:14,559

help me find

495

00:17:20,069 --> 00:17:17,919

people to validate my story so through a

496

00:17:22,150 --> 00:17:20,079

series of emails and conversations

497

00:17:23,189 --> 00:17:22,160

and things like that i became a little

498

00:17:27,110 --> 00:17:23,199

bit more

499

00:17:29,830 --> 00:17:27,120

relaxed with them the people on the show

500

00:17:33,190 --> 00:17:29,840

the production team on the show

501
00:17:35,830 --> 00:17:33,200
they are extremely professional and

502
00:17:36,630 --> 00:17:35,840
not once during any of this did i ever

503
00:17:38,710 --> 00:17:36,640
feel like

504
00:17:39,830 --> 00:17:38,720
felt like i was being made fun of or

505
00:17:42,630 --> 00:17:39,840
laughed at or

506
00:17:43,430 --> 00:17:42,640
or anything these these guys were taking

507
00:17:46,549 --> 00:17:43,440
this

508
00:17:48,950 --> 00:17:46,559
seriously then moving through you know

509
00:17:51,510 --> 00:17:48,960
they fly me to new york and i sit down

510
00:17:52,310 --> 00:17:51,520
and i have conversations with uh with

511
00:17:54,789 --> 00:17:52,320
lou

512
00:17:55,830 --> 00:17:54,799
before and during taping and even after

513
00:17:59,990 --> 00:17:55,840

taping and

514

00:18:01,750 --> 00:18:00,000

and i met anthony and these guys and

515

00:18:04,070 --> 00:18:01,760

man i tell you what i i didn't think

516

00:18:07,029 --> 00:18:04,080

that anybody took this crap seriously

517

00:18:07,750 --> 00:18:07,039

and it was such a refreshing thing

518

00:18:09,110 --> 00:18:07,760

because

519

00:18:10,870 --> 00:18:09,120

and i think one of the reasons that

520

00:18:12,710 --> 00:18:10,880

people are starting to come out more

521

00:18:15,990 --> 00:18:12,720

especially from the military

522

00:18:17,029 --> 00:18:16,000

is there has been this stigma for so

523

00:18:20,150 --> 00:18:17,039

long

524

00:18:21,669 --> 00:18:20,160

about this that you don't you know i

525

00:18:23,990 --> 00:18:21,679

even said it on the show you don't want

526

00:18:25,990 --> 00:18:24,000

to be the guy that sees the ufo

527

00:18:28,630 --> 00:18:26,000

you don't want to have that label on you

528

00:18:30,310 --> 00:18:28,640

right but the way that that lou and

529

00:18:31,830 --> 00:18:30,320

anthony and the show is put this stuff

530

00:18:33,830 --> 00:18:31,840

together now and i want to say the show

531

00:18:36,230 --> 00:18:33,840

is not loot the show

532

00:18:38,390 --> 00:18:36,240

is the history channel with a e networks

533

00:18:40,950 --> 00:18:38,400

and it has creative licenses

534

00:18:42,470 --> 00:18:40,960

lou is ttsa and it's two separate

535

00:18:43,830 --> 00:18:42,480

entities you know lou doesn't do

536

00:18:45,590 --> 00:18:43,840

creative on the show

537

00:18:47,029 --> 00:18:45,600

the show doesn't tell you how to how to

538

00:18:49,750 --> 00:18:47,039

do his job it's

539

00:18:50,870 --> 00:18:49,760

it's like a a docu-series that kind of

540

00:18:53,909 --> 00:18:50,880

follows

541

00:18:55,590 --> 00:18:53,919

lou and his guys around but you know

542

00:18:57,350 --> 00:18:55,600

i'm sitting there and talking to both

543

00:18:58,870 --> 00:18:57,360

sides of the house and

544

00:19:00,390 --> 00:18:58,880

they were they were absolutely serious

545

00:19:01,990 --> 00:19:00,400

and like i said i think this is a reason

546

00:19:02,950 --> 00:19:02,000

that a lot of people are coming out is

547

00:19:05,110 --> 00:19:02,960

because now

548

00:19:06,310 --> 00:19:05,120

there are these creed credentialed

549

00:19:08,710 --> 00:19:06,320

individuals

550

00:19:10,230 --> 00:19:08,720

you know lou with his background and i

551
00:19:12,070 --> 00:19:10,240
won't go into it because everybody knows

552
00:19:14,630 --> 00:19:12,080
what his background is by now

553
00:19:15,909 --> 00:19:14,640
and and anthony anthony was a war

554
00:19:18,470 --> 00:19:15,919
correspondent and

555
00:19:19,590 --> 00:19:18,480
a war journalist with serious

556
00:19:21,510 --> 00:19:19,600
journalistic uh

557
00:19:23,190 --> 00:19:21,520
credentials behind him and when these

558
00:19:24,549 --> 00:19:23,200
guys are taking you seriously and it

559
00:19:26,390 --> 00:19:24,559
comes across in the show in the

560
00:19:28,950 --> 00:19:26,400
production value and everything and

561
00:19:29,990 --> 00:19:28,960
and i think people see that this is not

562
00:19:33,350 --> 00:19:30,000
a farce

563
00:19:36,390 --> 00:19:33,360

this is this is not uh oh you know

564

00:19:38,549 --> 00:19:36,400

some ancient tech decided how to liquefy

565

00:19:40,310 --> 00:19:38,559

uh rock and that's why some ancient

566

00:19:40,630 --> 00:19:40,320

temples have perfectly rounded corners

567

00:19:43,830 --> 00:19:40,640

no

568

00:19:44,950 --> 00:19:43,840

this is this is legitimate sticking to

569

00:19:47,990 --> 00:19:44,960

the facts type of

570

00:19:51,029 --> 00:19:48,000

type of reporting and it made me

571

00:19:51,430 --> 00:19:51,039

talk about it and because i talked about

572

00:19:56,630 --> 00:19:51,440

it

573

00:20:00,070 --> 00:19:56,640

that you've had bottled up

574

00:20:03,590 --> 00:20:00,080

for 24 25 years and to come out in such

575

00:20:06,390 --> 00:20:03,600

such a grandiose platform

576
00:20:08,789 --> 00:20:06,400
but having people like chris mellon and

577
00:20:12,149 --> 00:20:08,799
steve justice and lou alizondo

578
00:20:13,270 --> 00:20:12,159
not only listen to you and give you that

579
00:20:16,070 --> 00:20:13,280
knob in the wink

580
00:20:17,909 --> 00:20:16,080
that they get it but also to know the

581
00:20:19,750 --> 00:20:17,919
background and the research and the

582
00:20:21,669 --> 00:20:19,760
vetting that they put into you before

583
00:20:23,990 --> 00:20:21,679
you can tell your story

584
00:20:24,950 --> 00:20:24,000
you know that's that is also a series of

585
00:20:27,110 --> 00:20:24,960
validations

586
00:20:29,510 --> 00:20:27,120
that that i would never have gotten

587
00:20:31,590 --> 00:20:29,520
anywhere else and it made me feel

588
00:20:32,710 --> 00:20:31,600

that you know hey my brain did not short

589

00:20:34,950 --> 00:20:32,720

circuit that day

590

00:20:36,789 --> 00:20:34,960

you saw something you legitimately saw

591

00:20:38,710 --> 00:20:36,799

something well i mean anthony was a

592

00:20:40,710 --> 00:20:38,720

guest on the show a few weeks ago

593

00:20:42,149 --> 00:20:40,720

and you're right i can vouch for

594

00:20:43,990 --> 00:20:42,159

everything you're saying i've never met

595

00:20:45,909 --> 00:20:44,000

him in person but the passion

596

00:20:48,149 --> 00:20:45,919

the amount of seriousness he takes this

597

00:20:49,510 --> 00:20:48,159

entire thing uh it's a match made in

598

00:20:52,310 --> 00:20:49,520

heaven between he and

599

00:20:53,669 --> 00:20:52,320

to the stars academy both want the best

600

00:20:57,110 --> 00:20:53,679

thing for this topic

601
00:20:59,029 --> 00:20:57,120
especially for our military who for 70

602
00:21:01,590 --> 00:20:59,039
plus years in the ufo world

603
00:21:02,390 --> 00:21:01,600
it was very rare for us to have this

604
00:21:06,470 --> 00:21:02,400
opportunity

605
00:21:07,350 --> 00:21:06,480
to i mean i'm a ufo researcher talking

606
00:21:10,789 --> 00:21:07,360
to you

607
00:21:13,029 --> 00:21:10,799
a military veteran who saw ufo this was

608
00:21:16,070 --> 00:21:13,039
not always the case jeremy and i mean

609
00:21:18,630 --> 00:21:16,080
it's changed the entire conversation

610
00:21:19,430 --> 00:21:18,640
it is uh change the entire protocol

611
00:21:22,149 --> 00:21:19,440
within the

612
00:21:23,190 --> 00:21:22,159
military which we'll get to and i do

613
00:21:25,750 --> 00:21:23,200

agree i think

614

00:21:26,470 --> 00:21:25,760

both to the stars and this television

615

00:21:30,710 --> 00:21:26,480

show

616

00:21:33,190 --> 00:21:30,720

have completely changed the landscape of

617

00:21:35,590 --> 00:21:33,200

taking this topic seriously we're not

618

00:21:38,789 --> 00:21:35,600

talking about little green men and

619

00:21:41,350 --> 00:21:38,799

metal flying saucers we're talking about

620

00:21:42,950 --> 00:21:41,360

phenomena we cannot explain and it could

621

00:21:43,750 --> 00:21:42,960

be a potential threat which is something

622

00:21:46,149 --> 00:21:43,760

i want to

623

00:21:47,669 --> 00:21:46,159

touch on too but um yeah man before we

624

00:21:50,310 --> 00:21:47,679

get into all that

625

00:21:52,549 --> 00:21:50,320

the headier questions let's do it point

626

00:21:55,430 --> 00:21:52,559

by point if you're comfortable with that

627

00:21:56,950 --> 00:21:55,440

um sharing with us walk us through your

628

00:21:59,350 --> 00:21:56,960

event

629

00:22:00,630 --> 00:21:59,360

maybe an approximate time and everything

630

00:22:03,590 --> 00:22:00,640

where it happened and

631

00:22:04,070 --> 00:22:03,600

yeah tell us what you saw what happened

632

00:22:06,710 --> 00:22:04,080

yeah

633

00:22:08,070 --> 00:22:06,720

so and before i get into it uh i want to

634

00:22:09,270 --> 00:22:08,080

i want to let your viewers know or

635

00:22:10,549 --> 00:22:09,280

listeners know that

636

00:22:12,950 --> 00:22:10,559

there was there was a portion in the

637

00:22:13,590 --> 00:22:12,960

show where lou comes on and lou said

638

00:22:16,149 --> 00:22:13,600

that

639

00:22:17,510 --> 00:22:16,159

he had to be very careful about

640

00:22:20,070 --> 00:22:17,520

describing

641

00:22:21,909 --> 00:22:20,080

some of the nuances and the details of

642

00:22:23,669 --> 00:22:21,919

where i was and what i was doing when i

643

00:22:26,470 --> 00:22:23,679

saw what i saw

644

00:22:27,750 --> 00:22:26,480

lou does have to be careful lou has an

645

00:22:30,470 --> 00:22:27,760

active security clearance

646

00:22:31,830 --> 00:22:30,480

mine has lapsed i no longer have a

647

00:22:34,710 --> 00:22:31,840

security clearance

648

00:22:36,630 --> 00:22:34,720

and i am no longer or never was

649

00:22:39,750 --> 00:22:36,640

representing the history channel or

650

00:22:40,470 --> 00:22:39,760

a e or anybody like that so what i say

651
00:22:47,029 --> 00:22:40,480
is

652
00:22:49,669 --> 00:22:47,039
production uh houses and and i'm not

653
00:22:51,909 --> 00:22:49,679
beholden to their attorneys either so

654
00:22:53,909 --> 00:22:51,919
there are some things that i do have to

655
00:22:55,510 --> 00:22:53,919
i gotta choose my words carefully yeah

656
00:22:56,390 --> 00:22:55,520
yeah but i will go into a little bit

657
00:22:59,430 --> 00:22:56,400
more detail

658
00:23:02,789 --> 00:22:59,440
about uh who what where when and why

659
00:23:03,190 --> 00:23:02,799
than than lou was able to expose on the

660
00:23:06,390 --> 00:23:03,200
show

661
00:23:08,149 --> 00:23:06,400
thank you for that yeah absolutely

662
00:23:10,310 --> 00:23:08,159
they did a great job on on being able to

663
00:23:11,430 --> 00:23:10,320

tell the story but there was a lot left

664

00:23:14,310 --> 00:23:11,440

on the floor

665

00:23:15,830 --> 00:23:14,320

on the cutting room floor but it's it

666

00:23:17,750 --> 00:23:15,840

they did a fantastic job

667

00:23:20,789 --> 00:23:17,760

being able to keep the continuity and

668

00:23:23,110 --> 00:23:20,799

keep the understanding there

669

00:23:25,710 --> 00:23:23,120

so basically it this this happened in

670

00:23:29,669 --> 00:23:25,720

the early 1990s uh

671

00:23:30,390 --> 00:23:29,679

1995 to be exact uh and keep in mind

672

00:23:35,110 --> 00:23:30,400

that uh

673

00:23:38,630 --> 00:23:35,120

you know just just uh four years earlier

674

00:23:40,950 --> 00:23:38,640

the soviet empire had collapsed and

675

00:23:42,070 --> 00:23:40,960

this was you know precedent setting we

676
00:23:45,510 --> 00:23:42,080
we had never seen

677
00:23:48,789 --> 00:23:45,520
in in our lifetime such a

678
00:23:50,070 --> 00:23:48,799
collapse of of society and we saw the

679
00:23:53,430 --> 00:23:50,080
formation of nation

680
00:23:56,549 --> 00:23:53,440
states we saw countries being born from

681
00:23:59,350 --> 00:23:56,559
the rubble of of the soviet union and

682
00:24:00,710 --> 00:23:59,360
these countries uh they didn't have a

683
00:24:04,549 --> 00:24:00,720
political history they

684
00:24:07,110 --> 00:24:04,559
they just became an entity

685
00:24:07,750 --> 00:24:07,120
and a lot of these entities had uh

686
00:24:10,390 --> 00:24:07,760
nuclear

687
00:24:11,350 --> 00:24:10,400
weapons because the soviet union the

688
00:24:13,029 --> 00:24:11,360

soviet empire

689

00:24:14,630 --> 00:24:13,039

had placed nuclear weapons throughout

690

00:24:17,669 --> 00:24:14,640

their entire territory

691

00:24:18,149 --> 00:24:17,679

so when nation states like georgia or

692

00:24:20,630 --> 00:24:18,159

whatever

693

00:24:21,990 --> 00:24:20,640

would break off now they have a new

694

00:24:23,909 --> 00:24:22,000

government a new parliament a new

695

00:24:24,710 --> 00:24:23,919

military and oh my god they have nuclear

696

00:24:27,830 --> 00:24:24,720

weapons

697

00:24:30,310 --> 00:24:27,840

so that is kind of the backdrop for this

698

00:24:31,029 --> 00:24:30,320

i was stationed at pope air force base

699

00:24:33,029 --> 00:24:31,039

and

700

00:24:35,350 --> 00:24:33,039

pope air force base no longer exists

701

00:24:37,110 --> 00:24:35,360

it's now part of pope field

702

00:24:38,470 --> 00:24:37,120

uh it's called pope field and it's part

703

00:24:40,870 --> 00:24:38,480

of fort bragg

704

00:24:42,149 --> 00:24:40,880

uh but back in the 90s pope air force

705

00:24:44,149 --> 00:24:42,159

base was

706

00:24:45,990 --> 00:24:44,159

kind of a an open secret with the air

707

00:24:48,230 --> 00:24:46,000

force we were where most

708

00:24:49,990 --> 00:24:48,240

of the deployments occurred i think out

709

00:24:50,549 --> 00:24:50,000

of the the four or five years that i was

710

00:24:52,549 --> 00:24:50,559

at pope

711

00:24:53,909 --> 00:24:52,559

i was maybe only on base for six or

712

00:24:56,230 --> 00:24:53,919

seven months of that time

713

00:24:58,070 --> 00:24:56,240

and i was deployed for the vast majority

714

00:25:00,630 --> 00:24:58,080

of it this is where i was

715

00:25:02,630 --> 00:25:00,640

attached or assigned to a lot of

716

00:25:05,510 --> 00:25:02,640

deployments with jsoc

717

00:25:07,350 --> 00:25:05,520

we had delta force was at our back door

718

00:25:10,149 --> 00:25:07,360

the green bray training center was

719

00:25:11,269 --> 00:25:10,159

you know out of our side gate richard

720

00:25:13,590 --> 00:25:11,279

marchenko

721

00:25:14,789 --> 00:25:13,600

would would come and go quite often i

722

00:25:17,510 --> 00:25:14,799

remember having a

723

00:25:19,430 --> 00:25:17,520

a beer or two with him on occasion could

724

00:25:20,470 --> 00:25:19,440

you share with us jeremy who that is for

725

00:25:22,789 --> 00:25:20,480

some of our listeners

726

00:25:24,149 --> 00:25:22,799

who might not know yeah so richard

727

00:25:27,110 --> 00:25:24,159

marchenko basically

728

00:25:28,630 --> 00:25:27,120

founded uh the navy seams especially

729

00:25:30,390 --> 00:25:28,640

sealed team six he uh

730

00:25:31,830 --> 00:25:30,400

he he was the guy who put it all

731

00:25:34,230 --> 00:25:31,840

together so and

732

00:25:36,630 --> 00:25:34,240

he he's written several books i don't

733

00:25:38,390 --> 00:25:36,640

remember the names of his books but uh

734

00:25:40,710 --> 00:25:38,400

but your your listeners can certainly go

735

00:25:43,029 --> 00:25:40,720

out and and look him up but he's

736

00:25:44,390 --> 00:25:43,039

he's the real deal but anyway we were

737

00:25:46,789 --> 00:25:44,400

always accustomed to getting

738

00:25:48,310 --> 00:25:46,799

uh strange deployments and and no notice

739

00:25:51,110 --> 00:25:48,320

uh uh

740

00:25:53,029 --> 00:25:51,120

signals to to get our our go bags and

741

00:25:55,510 --> 00:25:53,039

get on an airplane but

742

00:25:56,950 --> 00:25:55,520

usually they were just for training but

743

00:25:57,669 --> 00:25:56,960

but this one was this one was

744

00:25:59,830 --> 00:25:57,679

interesting

745

00:26:01,510 --> 00:25:59,840

there was myself and nine other people

746

00:26:04,470 --> 00:26:01,520

that they got told

747

00:26:06,390 --> 00:26:04,480

to pack a bag and and get on a plane and

748

00:26:08,950 --> 00:26:06,400

we had no idea where we were going

749

00:26:10,470 --> 00:26:08,960

we initially flew to dover air force

750

00:26:12,870 --> 00:26:10,480

base in delaware

751
00:26:14,310 --> 00:26:12,880
and transferred aircraft and then we

752
00:26:15,750 --> 00:26:14,320
hopped on a uh

753
00:26:18,070 --> 00:26:15,760
and honestly i don't remember if it was

754
00:26:20,070 --> 00:26:18,080
a 141 or a c5 at the time

755
00:26:21,269 --> 00:26:20,080
i want to say it was a 141 but i

756
00:26:22,630 --> 00:26:21,279
honestly don't remember

757
00:26:24,390 --> 00:26:22,640
and they still didn't tell us where

758
00:26:27,990 --> 00:26:24,400
we're going until we were

759
00:26:29,590 --> 00:26:28,000
well airborne and past the point of no

760
00:26:30,950 --> 00:26:29,600
return on our trip

761
00:26:33,269 --> 00:26:30,960
and they told us that we were heading to

762
00:26:35,590 --> 00:26:33,279
jordan and i was like

763
00:26:37,269 --> 00:26:35,600

you know what the hell's in jordan

764

00:26:38,390 --> 00:26:37,279

because you know at this time i'd been

765

00:26:39,830 --> 00:26:38,400

in the military for

766

00:26:41,830 --> 00:26:39,840

a few years and you know i'd already

767

00:26:43,110 --> 00:26:41,840

served a significant amount of time in

768

00:26:44,950 --> 00:26:43,120

the middle east and

769

00:26:46,230 --> 00:26:44,960

i'd uh you know had done the desert

770

00:26:47,990 --> 00:26:46,240

storm thing and

771

00:26:49,350 --> 00:26:48,000

nothing had ever happened in jordan you

772

00:26:51,590 --> 00:26:49,360

know we were familiar with

773

00:26:52,470 --> 00:26:51,600

with syria we were familiar with the

774

00:26:54,870 --> 00:26:52,480

taif and

775

00:26:56,710 --> 00:26:54,880

and alcars and dahran and saudi arabia

776

00:26:58,950 --> 00:26:56,720

and you know all these little cities or

777

00:27:01,190 --> 00:26:58,960

areas or territories or aos but

778

00:27:02,710 --> 00:27:01,200

nothing that ever happened in jordan so

779

00:27:03,269 --> 00:27:02,720

we're really curious about what's going

780

00:27:05,350 --> 00:27:03,279

on

781

00:27:06,710 --> 00:27:05,360

and uh when we when we got in country

782

00:27:08,310 --> 00:27:06,720

and we landed

783

00:27:10,950 --> 00:27:08,320

the first thing that i noticed is that

784

00:27:13,350 --> 00:27:10,960

we were on a jordanian air base that

785

00:27:14,390 --> 00:27:13,360

looked like it had been demolished i

786

00:27:16,549 --> 00:27:14,400

mean it just

787

00:27:18,070 --> 00:27:16,559

it was in the worst state of repair of

788

00:27:19,830 --> 00:27:18,080

any place i've ever seen

789

00:27:21,669 --> 00:27:19,840

i was kind of surprised that the uh the

790

00:27:24,549 --> 00:27:21,679

aircraft that we were on was able to

791

00:27:25,830 --> 00:27:24,559

to actually land there and it was just

792

00:27:27,990 --> 00:27:25,840

it was just bad

793

00:27:29,909 --> 00:27:28,000

and we stayed off base uh we stayed in

794

00:27:31,190 --> 00:27:29,919

base housing uh not like in barracks or

795

00:27:33,669 --> 00:27:31,200

anything but like

796

00:27:35,830 --> 00:27:33,679

what used to have been jordanian officer

797

00:27:38,630 --> 00:27:35,840

housing is where we were staying

798

00:27:39,990 --> 00:27:38,640

and uh for quite some time and by quite

799

00:27:41,029 --> 00:27:40,000

some time i mean a couple days

800

00:27:43,909 --> 00:27:41,039

we still didn't know what we were going

801
00:27:45,990 --> 00:27:43,919
to be doing we just kind of sat around

802
00:27:47,430 --> 00:27:46,000
and our team was together and we didn't

803
00:27:49,830 --> 00:27:47,440
have any marching orders we didn't have

804
00:27:51,750 --> 00:27:49,840
any instructions on what we were doing

805
00:27:53,029 --> 00:27:51,760
and then all of a sudden we all got

806
00:27:54,870 --> 00:27:53,039
split up

807
00:27:56,470 --> 00:27:54,880
which is not something that's normal

808
00:27:57,830 --> 00:27:56,480
normally when you deploy with the team

809
00:27:59,269 --> 00:27:57,840
you stay with the team you work with the

810
00:28:00,310 --> 00:27:59,279
team because you know your team members

811
00:28:02,389 --> 00:28:00,320
you trust them to have

812
00:28:04,470 --> 00:28:02,399
your back and you've got theirs it's

813
00:28:07,190 --> 00:28:04,480

very rare that you get deployed and then

814

00:28:08,470 --> 00:28:07,200

moved off into a another team with

815

00:28:11,350 --> 00:28:08,480

working with people that you don't know

816

00:28:13,269 --> 00:28:11,360

that's exactly what happened and i got

817

00:28:15,830 --> 00:28:13,279

pulled away and i got sent on uh

818

00:28:16,389 --> 00:28:15,840

graveyard shift which was fine by me

819

00:28:20,070 --> 00:28:16,399

because

820

00:28:21,430 --> 00:28:20,080

in the desert you know it's it's 120 125

821

00:28:24,230 --> 00:28:21,440

degrees during the day and

822

00:28:26,630 --> 00:28:24,240

you're dying so of course i live in

823

00:28:28,389 --> 00:28:26,640

vegas now so i didn't learn my lesson

824

00:28:30,389 --> 00:28:28,399

but uh i was fine working night shift

825

00:28:33,430 --> 00:28:30,399

because it's a lot cooler

826

00:28:35,350 --> 00:28:33,440

and uh i get uh i get to my post and uh

827

00:28:37,269 --> 00:28:35,360

i don't remember if it was a captain or

828

00:28:39,830 --> 00:28:37,279

a lieutenant but he basically said

829

00:28:40,630 --> 00:28:39,840

all right here's here's your post what

830

00:28:41,750 --> 00:28:40,640

am i doing

831

00:28:44,230 --> 00:28:41,760

he's like well you're guarding this

832

00:28:45,269 --> 00:28:44,240

crate okay what's in the crate don't ask

833

00:28:46,710 --> 00:28:45,279

that question

834

00:28:48,950 --> 00:28:46,720

all right what do you mean by guard the

835

00:28:49,750 --> 00:28:48,960

crate where are my sops where's my rules

836

00:28:51,190 --> 00:28:49,760

of engagement

837

00:28:53,510 --> 00:28:51,200

he was like just don't let anybody near

838

00:28:56,549 --> 00:28:53,520

it can you define near it

839

00:28:58,710 --> 00:28:56,559

no just don't let anybody near the crate

840

00:28:59,590 --> 00:28:58,720

okay is anybody authorized near the

841

00:29:02,710 --> 00:28:59,600

crate no

842

00:29:04,470 --> 00:29:02,720

don't let anybody near the crate what

843

00:29:06,470 --> 00:29:04,480

happens if somebody gets near the crate

844

00:29:08,389 --> 00:29:06,480

shoot them and you know just i mean that

845

00:29:10,310 --> 00:29:08,399

was that was the response just

846

00:29:12,149 --> 00:29:10,320

don't let them get near the crate oh and

847

00:29:14,230 --> 00:29:12,159

don't get near the crate

848

00:29:15,510 --> 00:29:14,240

i was like okay so don't get near the

849

00:29:17,110 --> 00:29:15,520

crate don't let anybody get

850

00:29:19,590 --> 00:29:17,120

uh don't let anybody else get near the

851

00:29:21,110 --> 00:29:19,600

crate i got it i'm tracking

852

00:29:22,789 --> 00:29:21,120

so that's what i did for like three

853

00:29:24,950 --> 00:29:22,799

nights is just

854

00:29:26,070 --> 00:29:24,960

walk around this giant crate in the

855

00:29:28,230 --> 00:29:26,080

middle of the desert

856

00:29:30,789 --> 00:29:28,240

and not let anybody near it which was

857

00:29:32,870 --> 00:29:30,799

easy because there wasn't anybody there

858

00:29:34,710 --> 00:29:32,880

it was just this big ass crate in the

859

00:29:37,269 --> 00:29:34,720

middle of the desert and by

860

00:29:38,389 --> 00:29:37,279

large crate i mean this was a giant

861

00:29:41,430 --> 00:29:38,399

wooden crate

862

00:29:44,070 --> 00:29:41,440

that you could have put a small car

863

00:29:45,669 --> 00:29:44,080

inside of oh wow and sealed it up so you

864

00:29:47,990 --> 00:29:45,679

know it was it was

865

00:29:48,950 --> 00:29:48,000

almost as tall as i was if not as tall

866

00:29:52,549 --> 00:29:48,960

as i am

867

00:29:57,350 --> 00:29:52,559

um and you know probably

868

00:29:59,909 --> 00:29:57,360

15 feet long maybe eight nine feet wide

869

00:30:00,950 --> 00:29:59,919

and solid wood looks like something uh

870

00:30:02,710 --> 00:30:00,960

you would see on

871

00:30:05,510 --> 00:30:02,720

an old cartoon or something just it's

872

00:30:05,830 --> 00:30:05,520

just weird right no markings no insignia

873

00:30:12,470 --> 00:30:05,840

no

874

00:30:13,990 --> 00:30:12,480

on the crate it was just a giant wooden

875

00:30:16,870 --> 00:30:14,000

crate that i wasn't supposed to

876

00:30:17,590 --> 00:30:16,880

let anybody near and of course at this

877

00:30:19,750 --> 00:30:17,600

time

878

00:30:22,470 --> 00:30:19,760

you know i'm i'm not a staff sergeant

879

00:30:25,830 --> 00:30:22,480

i'm still lower ranking i think i was a

880

00:30:29,029 --> 00:30:25,840

senior airman e3 at the time i was

881

00:30:31,350 --> 00:30:29,039

in my early 20s and of course my sense

882

00:30:32,630 --> 00:30:31,360

of responsibility wasn't quite evolved

883

00:30:34,549 --> 00:30:32,640

at the time

884

00:30:36,070 --> 00:30:34,559

and there was nobody watching me there

885

00:30:37,669 --> 00:30:36,080

was nobody around there was nobody

886

00:30:39,830 --> 00:30:37,679

monitoring me there was another guy that

887

00:30:42,310 --> 00:30:39,840

was there but he wasn't really there he

888

00:30:45,029 --> 00:30:42,320

was kind of doing his own thing

889

00:30:45,830 --> 00:30:45,039

at the same time too right but back then

890

00:30:49,269 --> 00:30:45,840

i smoked

891

00:30:50,950 --> 00:30:49,279

probably a pack and a half maybe a two

892

00:30:53,590 --> 00:30:50,960

pack a day smoker

893

00:30:54,870 --> 00:30:53,600

but you can't smoke when you're on post

894

00:30:57,029 --> 00:30:54,880

because you know you're in the middle of

895

00:30:58,310 --> 00:30:57,039

the desert it's dark it's nighttime

896

00:30:59,909 --> 00:30:58,320

you light up a cigarette you're giving

897

00:31:01,269 --> 00:30:59,919

away your position if there is somebody

898

00:31:03,350 --> 00:31:01,279

out there watching you with night vision

899

00:31:04,950 --> 00:31:03,360

goggles you just lit up a neon billboard

900

00:31:06,950 --> 00:31:04,960

uh even even the cherry on the end of

901
00:31:07,990 --> 00:31:06,960
your cigarette will illuminate your

902
00:31:10,630 --> 00:31:08,000
entire body

903
00:31:12,149 --> 00:31:10,640
on night vision goggles so i just

904
00:31:14,789 --> 00:31:12,159
decided that i was going to start

905
00:31:16,549 --> 00:31:14,799
walking away from the post to go have a

906
00:31:18,230 --> 00:31:16,559
cigarette you know on or around some

907
00:31:19,990 --> 00:31:18,240
sand dunes that were nearby

908
00:31:21,509 --> 00:31:20,000
but i walked maybe maybe about a hundred

909
00:31:23,269 --> 00:31:21,519
meters out

910
00:31:24,870 --> 00:31:23,279
and uh crawled up on a sand dune where i

911
00:31:26,870 --> 00:31:24,880
can still kind of look down and

912
00:31:28,310 --> 00:31:26,880
and see the uh see what i was supposed

913
00:31:32,710 --> 00:31:28,320

to be guarding but there was literally

914

00:31:34,789 --> 00:31:32,720

nobody in in the ao to guard it from

915

00:31:35,830 --> 00:31:34,799

so i did this for you know the first

916

00:31:38,070 --> 00:31:35,840

night or so

917

00:31:39,669 --> 00:31:38,080

and then the third night uh the guy that

918

00:31:41,190 --> 00:31:39,679

was uh was stationed out there

919

00:31:42,710 --> 00:31:41,200

posted out there with me he decided to

920

00:31:45,830 --> 00:31:42,720

come out and have a cigarette

921

00:31:48,070 --> 00:31:45,840

at the same time i did and this this was

922

00:31:50,789 --> 00:31:48,080

the night that uh that i saw what i saw

923

00:31:52,230 --> 00:31:50,799

and it was it was obviously pitch black

924

00:31:53,750 --> 00:31:52,240

it's in the middle

925

00:31:55,669 --> 00:31:53,760

middle of the desert there is zero

926
00:31:56,870 --> 00:31:55,679
civilization around there's no ambient

927
00:31:59,029 --> 00:31:56,880
light there's no street lights

928
00:32:00,310 --> 00:31:59,039
there's no streets there's just sand

929
00:32:03,430 --> 00:32:00,320
dirt

930
00:32:04,470 --> 00:32:03,440
and uh in the box and i don't know if

931
00:32:06,710 --> 00:32:04,480
anybody's

932
00:32:08,950 --> 00:32:06,720
listening has has been out into the

933
00:32:11,269 --> 00:32:08,960
middle of literally nowhere

934
00:32:12,710 --> 00:32:11,279
especially in the desert but it's dry

935
00:32:16,070 --> 00:32:12,720
very few clouds if

936
00:32:16,710 --> 00:32:16,080
any clouds and you can see so many stars

937
00:32:19,029 --> 00:32:16,720
man

938
00:32:20,389 --> 00:32:19,039

i mean so i'm laying on this sand dune

939

00:32:22,470 --> 00:32:20,399

and i'm looking

940

00:32:23,909 --> 00:32:22,480

just imagine me laying flat on my back

941

00:32:26,789 --> 00:32:23,919

looking up at the night sky

942

00:32:28,630 --> 00:32:26,799

and just seeing the most beautiful

943

00:32:30,549 --> 00:32:28,640

spectacle of our cosmos that you could

944

00:32:33,750 --> 00:32:30,559

possibly imagine

945

00:32:34,870 --> 00:32:33,760

and uh i just i don't know why i did it

946

00:32:36,310 --> 00:32:34,880

i just decided hey

947

00:32:38,070 --> 00:32:36,320

i'm gonna look at see what this looks

948

00:32:39,590 --> 00:32:38,080

like with the night vision goggles

949

00:32:40,950 --> 00:32:39,600

so i reached down and got the the night

950

00:32:42,710 --> 00:32:40,960

vision goggles out of the pack and i

951
00:32:44,389 --> 00:32:42,720
strapped him onto my head

952
00:32:47,269 --> 00:32:44,399
got him focused in and i'm just laying

953
00:32:49,029 --> 00:32:47,279
back there and i am absolutely in

954
00:32:51,350 --> 00:32:49,039
awe because if you've ever looked

955
00:32:53,110 --> 00:32:51,360
through night vision goggles man it is

956
00:32:55,190 --> 00:32:53,120
not what you're seeing in the movies of

957
00:32:56,149 --> 00:32:55,200
course this was also back in the 1990s

958
00:32:58,310 --> 00:32:56,159
so the tech

959
00:32:59,269 --> 00:32:58,320
wasn't as good as what we have now but

960
00:33:02,710 --> 00:32:59,279
it was still

961
00:33:04,149 --> 00:33:02,720
pretty damn spectacular so for every

962
00:33:06,630 --> 00:33:04,159
star that i could see

963
00:33:07,509 --> 00:33:06,640

with my naked eye i could see a thousand

964

00:33:09,110 --> 00:33:07,519

more

965

00:33:11,029 --> 00:33:09,120

with the night vision goggle and it's

966

00:33:15,350 --> 00:33:11,039

like the universe just

967

00:33:18,710 --> 00:33:15,360

said hi i'm here stare at me

968

00:33:21,590 --> 00:33:18,720

and i could see satellites i could see

969

00:33:22,149 --> 00:33:21,600

satellites orbiting i could see things

970

00:33:27,590 --> 00:33:22,159

in

971

00:33:29,190 --> 00:33:27,600

it was easy to identify satellites i

972

00:33:30,870 --> 00:33:29,200

could see shooting stars that you would

973

00:33:33,350 --> 00:33:30,880

not be able to see

974

00:33:34,710 --> 00:33:33,360

uh because they would be so dim without

975

00:33:37,190 --> 00:33:34,720

the night vision goggles

976
00:33:39,190 --> 00:33:37,200
but with them i could see you know blaze

977
00:33:40,630 --> 00:33:39,200
outs of tiny little meteorites that were

978
00:33:41,990 --> 00:33:40,640
coming in and bouncing off the upper

979
00:33:43,029 --> 00:33:42,000
atmosphere i could see absolutely

980
00:33:45,909 --> 00:33:43,039
everything

981
00:33:46,950 --> 00:33:45,919
and then i saw what i saw and it freaked

982
00:33:48,470 --> 00:33:46,960
me out

983
00:33:50,149 --> 00:33:48,480
again i'm lying on my back and i'm

984
00:33:53,029 --> 00:33:50,159
looking straight up

985
00:33:53,750 --> 00:33:53,039
so the easiest way for me to describe it

986
00:33:57,029 --> 00:33:53,760
is

987
00:34:00,149 --> 00:33:57,039
i saw a pinpoint of light that

988
00:34:02,950 --> 00:34:00,159

came from my six o'clock position and it

989

00:34:04,789 --> 00:34:02,960

shot up to my top dead center my 12

990

00:34:05,350 --> 00:34:04,799

o'clock position is i'm looking straight

991

00:34:08,869 --> 00:34:05,360

up

992

00:34:11,990 --> 00:34:08,879

and it made a 90 degree left hand turn

993

00:34:14,710 --> 00:34:12,000

and shot off to my left horizon

994

00:34:16,710 --> 00:34:14,720

without slowing down or without even

995

00:34:19,990 --> 00:34:16,720

thinking about slowing down

996

00:34:23,589 --> 00:34:20,000

this thing went from horizon to horizon

997

00:34:26,629 --> 00:34:23,599

in under two seconds and it

998

00:34:27,349 --> 00:34:26,639

it weirded me out and uh at first i

999

00:34:28,710 --> 00:34:27,359

thought

1000

00:34:31,349 --> 00:34:28,720

that the night vision goggles were

1001
00:34:32,310 --> 00:34:31,359
malfunctioning so i took them off and

1002
00:34:34,869 --> 00:34:32,320
you know i kind of

1003
00:34:36,470 --> 00:34:34,879
tap them with thy sand man sand in the

1004
00:34:38,550 --> 00:34:36,480
jordanian desert gets

1005
00:34:40,310 --> 00:34:38,560
everywhere it's it's not even what i

1006
00:34:44,069 --> 00:34:40,320
would call sand it's like

1007
00:34:46,310 --> 00:34:44,079
evil dust i mean you you chew it you

1008
00:34:46,710 --> 00:34:46,320
breathe it it forms on your eyelashes

1009
00:34:48,710 --> 00:34:46,720
it's

1010
00:34:49,829 --> 00:34:48,720
it just gets everywhere so i was just

1011
00:34:52,230 --> 00:34:49,839
assuming

1012
00:34:54,629 --> 00:34:52,240
that there was uh there was dust or

1013
00:34:56,310 --> 00:34:54,639

something inside the imaging tube

1014

00:34:58,310 --> 00:34:56,320

of the the night vision goggles i took

1015

00:34:58,950 --> 00:34:58,320

it apart and blew on it and kind of

1016

00:35:00,630 --> 00:34:58,960

shook it out

1017

00:35:02,230 --> 00:35:00,640

and screwed it back together and put it

1018

00:35:05,750 --> 00:35:02,240

back on and

1019

00:35:07,829 --> 00:35:05,760

look back up and saw it again same exact

1020

00:35:10,150 --> 00:35:07,839

pattern it's like it just

1021

00:35:11,910 --> 00:35:10,160

just shot from my six o'clock top dead

1022

00:35:13,030 --> 00:35:11,920

center makes a 90 degree turn and shoots

1023

00:35:15,990 --> 00:35:13,040

off to my left

1024

00:35:18,390 --> 00:35:16,000

and it starts doing it over and over and

1025

00:35:21,349 --> 00:35:18,400

over again and i'm watching this thing

1026

00:35:22,310 --> 00:35:21,359

every few seconds it's just 90 degree

1027

00:35:24,630 --> 00:35:22,320

turn

1028

00:35:25,349 --> 00:35:24,640

off to the left like i said the the the

1029

00:35:27,030 --> 00:35:25,359

other guy

1030

00:35:28,790 --> 00:35:27,040

was out there and this is the guy that i

1031

00:35:31,109 --> 00:35:28,800

went on reddit to try to find

1032

00:35:32,790 --> 00:35:31,119

try to identify this guy and i have no

1033

00:35:34,390 --> 00:35:32,800

idea who it was because like i said my

1034

00:35:36,069 --> 00:35:34,400

team got split up so this is a guy that

1035

00:35:37,109 --> 00:35:36,079

i didn't know i had just been posted

1036

00:35:39,109 --> 00:35:37,119

with him right

1037

00:35:40,150 --> 00:35:39,119

so i took off the night vision goggles

1038

00:35:42,550 --> 00:35:40,160

we call them nods

1039

00:35:44,310 --> 00:35:42,560

i took off the nods and i handed it to

1040

00:35:45,109 --> 00:35:44,320

this guy and he's like what i was like

1041

00:35:46,790 --> 00:35:45,119

just look

1042

00:35:48,790 --> 00:35:46,800

he's like what am i looking for i'm like

1043

00:35:50,150 --> 00:35:48,800

just look so he's laying down he takes a

1044

00:35:51,589 --> 00:35:50,160

cigarette he sticks it in the sand and

1045

00:35:53,430 --> 00:35:51,599

he puts the night vision goggles on and

1046

00:35:56,470 --> 00:35:53,440

he's laying back and he's looking up and

1047

00:35:58,310 --> 00:35:56,480

he's not saying anything and

1048

00:36:00,230 --> 00:35:58,320

a few seconds go by and the next thing i

1049

00:36:02,870 --> 00:36:00,240

know i saw his head track

1050

00:36:04,550 --> 00:36:02,880

like i saw his head drop down and swing

1051

00:36:07,589 --> 00:36:04,560

to the left and i'm like yep

1052

00:36:09,589 --> 00:36:07,599

he saw and he takes the nods off

1053

00:36:11,270 --> 00:36:09,599

and he just hands him back to me he

1054

00:36:12,630 --> 00:36:11,280

pulls out another cigarette he lights it

1055

00:36:14,470 --> 00:36:12,640

and he walks off

1056

00:36:16,870 --> 00:36:14,480

that was it he didn't say anything he

1057

00:36:18,870 --> 00:36:16,880

didn't acknowledge it he didn't say

1058

00:36:20,550 --> 00:36:18,880

yeah i saw what you're what you saw or

1059

00:36:22,310 --> 00:36:20,560

what the hell was that he just lights a

1060

00:36:25,510 --> 00:36:22,320

cigarette and walks off

1061

00:36:29,109 --> 00:36:25,520

we never spoke about it again and it

1062

00:36:31,349 --> 00:36:29,119

just burned itself into my brain man

1063

00:36:32,470 --> 00:36:31,359

so it anybody who's listening that's

1064

00:36:34,390 --> 00:36:32,480

ever wore nods

1065

00:36:36,790 --> 00:36:34,400

you know you have no depth perception

1066

00:36:39,270 --> 00:36:36,800

it's why i broke my back

1067

00:36:40,150 --> 00:36:39,280

um so it's very hard to judge altitude

1068

00:36:44,790 --> 00:36:40,160

but

1069

00:36:47,270 --> 00:36:44,800

there are ways of estimating altitude

1070

00:36:48,550 --> 00:36:47,280

and my best guess without getting into

1071

00:36:50,550 --> 00:36:48,560

all the math and

1072

00:36:51,990 --> 00:36:50,560

the size of my finger at an arm's length

1073

00:36:55,829 --> 00:36:52,000

and things like that

1074

00:36:58,710 --> 00:36:55,839

my best guess was that it was

1075

00:36:59,750 --> 00:36:58,720

well over thirty thousand feet and

1076

00:37:02,390 --> 00:36:59,760

probably

1077

00:37:04,150 --> 00:37:02,400

much closer to the hundred and ten

1078

00:37:04,870 --> 00:37:04,160

hundred and twenty thousand foot range

1079

00:37:06,390 --> 00:37:04,880

which is

1080

00:37:08,790 --> 00:37:06,400

you know skirting the edge of our

1081

00:37:12,390 --> 00:37:08,800

atmosphere that's where i believe

1082

00:37:15,750 --> 00:37:12,400

this to have been now this was not an

1083

00:37:18,870 --> 00:37:15,760

airplane this was not a satellite

1084

00:37:21,670 --> 00:37:18,880

because we were where we were this was

1085

00:37:22,069 --> 00:37:21,680

restricted flight areas and like i said

1086

00:37:24,470 --> 00:37:22,079

earlier

1087

00:37:25,910 --> 00:37:24,480

i i could see satellites satellites

1088

00:37:27,990 --> 00:37:25,920

don't move like that

1089

00:37:30,150 --> 00:37:28,000

the amount of thrust that it would take

1090

00:37:31,750 --> 00:37:30,160

to make a satellite do a 90 degree turn

1091

00:37:36,150 --> 00:37:31,760

at that speed

1092

00:37:38,150 --> 00:37:36,160

is insane and when things turn

1093

00:37:40,550 --> 00:37:38,160

any conventional aircraft any

1094

00:37:43,270 --> 00:37:40,560

conventional spacecraft when they turn

1095

00:37:44,069 --> 00:37:43,280

they have an arc they have a slow arc

1096

00:37:47,349 --> 00:37:44,079

it's like

1097

00:37:50,950 --> 00:37:47,359

you you can't make a 90 degree turn

1098

00:37:52,790 --> 00:37:50,960

without either losing speed or having a

1099

00:37:55,109 --> 00:37:52,800

radius to your turn

1100

00:37:56,870 --> 00:37:55,119

and this never lost speed nor did it

1101
00:38:00,310 --> 00:37:56,880
have a radius to its turn

1102
00:38:01,270 --> 00:38:00,320
and it repeated this pattern multiple

1103
00:38:04,230 --> 00:38:01,280
times

1104
00:38:04,870 --> 00:38:04,240
jeremy can i ask um just a few technical

1105
00:38:07,750 --> 00:38:04,880
questions

1106
00:38:08,150 --> 00:38:07,760
uh you know um estimating that altitude

1107
00:38:10,069 --> 00:38:08,160
yeah

1108
00:38:12,310 --> 00:38:10,079
of course you're right that's pretty

1109
00:38:15,430 --> 00:38:12,320
pretty high in elevation um

1110
00:38:17,349 --> 00:38:15,440
so maybe some of these answers are can't

1111
00:38:20,470 --> 00:38:17,359
really be deduced but um

1112
00:38:22,390 --> 00:38:20,480
did you hear any sort of propulsion see

1113
00:38:23,190 --> 00:38:22,400

any sort of exhaust again i know it was

1114

00:38:25,270 --> 00:38:23,200

nighttime

1115

00:38:26,870 --> 00:38:25,280

you had night vision goggles on and last

1116

00:38:29,750 --> 00:38:26,880

question about how long

1117

00:38:30,870 --> 00:38:29,760

did the event last you think from like

1118

00:38:33,109 --> 00:38:30,880

first seeing it

1119

00:38:34,150 --> 00:38:33,119

to when you two were like i'm done with

1120

00:38:36,470 --> 00:38:34,160

this

1121

00:38:37,750 --> 00:38:36,480

yeah so uh last question first uh the

1122

00:38:39,670 --> 00:38:37,760

entire thing

1123

00:38:42,390 --> 00:38:39,680

my experience lasted approximately seven

1124

00:38:44,390 --> 00:38:42,400

to eight minutes and and i saw it repeat

1125

00:38:45,990 --> 00:38:44,400

multiple times inside that seven to

1126
00:38:47,910 --> 00:38:46,000
eight minutes and the guy that i showed

1127
00:38:49,109 --> 00:38:47,920
it to or the guy that saw it for himself

1128
00:38:51,670 --> 00:38:49,119
in the nightmare

1129
00:38:52,710 --> 00:38:51,680
he saw it at least once because i saw

1130
00:38:56,069 --> 00:38:52,720
his head track

1131
00:38:58,870 --> 00:38:56,079
in but about seven to eight minutes

1132
00:38:59,670 --> 00:38:58,880
sound wise nothing there was there was

1133
00:39:02,790 --> 00:38:59,680
nothing

1134
00:39:04,790 --> 00:39:02,800
and even even let's say that

1135
00:39:05,990 --> 00:39:04,800
there was a conventional aircraft at the

1136
00:39:07,750 --> 00:39:06,000
same altitude

1137
00:39:09,030 --> 00:39:07,760
it was so far away i probably wouldn't

1138
00:39:11,270 --> 00:39:09,040

have heard anything right

1139

00:39:12,710 --> 00:39:11,280

right but when you're looking through

1140

00:39:15,349 --> 00:39:12,720

night vision goggles it is an

1141

00:39:16,390 --> 00:39:15,359

amplification of light it is not

1142

00:39:19,829 --> 00:39:16,400

recording or

1143

00:39:22,310 --> 00:39:19,839

transmitting signals for heat uh

1144

00:39:23,109 --> 00:39:22,320

or uh infrared or anything like that

1145

00:39:26,310 --> 00:39:23,119

it's literally

1146

00:39:27,990 --> 00:39:26,320

just light amplification so there was no

1147

00:39:30,150 --> 00:39:28,000

way to tell if this object was hot

1148

00:39:32,950 --> 00:39:30,160

or cold or if it was emanating a trail

1149

00:39:36,150 --> 00:39:32,960

of of hot gases or anything like that

1150

00:39:39,510 --> 00:39:36,160

i saw only what i saw

1151

00:39:42,710 --> 00:39:39,520

but what i saw is not something

1152

00:39:45,990 --> 00:39:42,720

that i am familiar with in being able to

1153

00:39:47,510 --> 00:39:46,000

do what it did and skipping ahead just a

1154

00:39:48,630 --> 00:39:47,520

little bit when i was being interviewed

1155

00:39:49,910 --> 00:39:48,640

by lou

1156

00:39:51,829 --> 00:39:49,920

and this is something that didn't

1157

00:39:53,670 --> 00:39:51,839

actually get into the show but lou

1158

00:39:55,270 --> 00:39:53,680

asked me the question and i had never

1159

00:39:57,829 --> 00:39:55,280

even considered this

1160

00:39:58,950 --> 00:39:57,839

i hadn't considered it at all until he

1161

00:40:00,790 --> 00:39:58,960

asked me

1162

00:40:02,230 --> 00:40:00,800

he said jeremy do you do you think that

1163

00:40:04,710 --> 00:40:02,240

this was one

1164

00:40:06,309 --> 00:40:04,720

object repeating the same pattern or do

1165

00:40:09,670 --> 00:40:06,319

you think this was

1166

00:40:10,069 --> 00:40:09,680

multiple objects following the same

1167

00:40:14,069 --> 00:40:10,079

flight

1168

00:40:16,309 --> 00:40:14,079

path and when he said it man the hair on

1169

00:40:18,150 --> 00:40:16,319

the back of my neck stood up and it just

1170

00:40:21,109 --> 00:40:18,160

creeped me out because up until that

1171

00:40:23,270 --> 00:40:21,119

point i had never even considered

1172

00:40:24,470 --> 00:40:23,280

the possibility that this was more than

1173

00:40:28,230 --> 00:40:24,480

one and

1174

00:40:29,990 --> 00:40:28,240

if it was what lou is is hinting at

1175

00:40:33,829 --> 00:40:30,000

man this was 20 or 30 of these damn

1176

00:40:38,069 --> 00:40:36,069

what is it that makes us so interested

1177

00:40:39,589 --> 00:40:38,079

in what we don't understand

1178

00:40:41,910 --> 00:40:39,599

we're setting out to investigate

1179

00:40:44,790 --> 00:40:41,920

everything strange unusual and scary

1180

00:40:46,309 --> 00:40:44,800

in our world they're going to be able to

1181

00:40:48,790 --> 00:40:46,319

scan your brain

1182

00:40:50,230 --> 00:40:48,800

and upload it to a computer some people

1183

00:40:51,589 --> 00:40:50,240

think of it as like the greatest victory

1184

00:40:53,109 --> 00:40:51,599

that we could ever have because it makes

1185

00:40:55,270 --> 00:40:53,119

you immortal in a sense

1186

00:40:56,950 --> 00:40:55,280

i think it's terrifying it is terrifying

1187

00:40:58,309 --> 00:40:56,960

we invite guests who bring their own

1188

00:40:59,910 --> 00:40:58,319

personal perspectives

1189

00:41:02,390 --> 00:40:59,920

i mean especially considering the fact

1190

00:41:04,230 --> 00:41:02,400

that the overwhelming majority of ufo

1191

00:41:04,710 --> 00:41:04,240

sightings and documentation occurs

1192

00:41:07,829 --> 00:41:04,720

within

1193

00:41:09,589 --> 00:41:07,839

miles of nuclear testing facilities yeah

1194

00:41:11,510 --> 00:41:09,599

they bring their own encounters with the

1195

00:41:14,870 --> 00:41:11,520

paranormal all of a sudden

1196

00:41:17,510 --> 00:41:14,880

i feel this whoosh of wind

1197

00:41:18,870 --> 00:41:17,520

and this ringing in my ear so loud that

1198

00:41:21,270 --> 00:41:18,880

makes me stand up straight

1199

00:41:22,710 --> 00:41:21,280

and we both had this moment of you know

1200

00:41:25,750 --> 00:41:22,720

maybe we should get out of here

1201
00:41:26,630 --> 00:41:25,760
it was a hot summer day and a hot night

1202
00:41:30,069 --> 00:41:26,640
but when i went

1203
00:41:32,150 --> 00:41:30,079
into this one room it was freezing

1204
00:41:33,510 --> 00:41:32,160
and i to this day it felt like somebody

1205
00:41:35,910 --> 00:41:33,520
was gonna push me

1206
00:41:37,589 --> 00:41:35,920
down the stairs a few months into living

1207
00:41:39,910 --> 00:41:37,599
at the new house i was woken up to the

1208
00:41:42,069 --> 00:41:39,920
lamps being on and the snow globe music

1209
00:41:44,390 --> 00:41:42,079
box going off hello

1210
00:41:45,190 --> 00:41:44,400
and most of all we just have a ton of

1211
00:41:47,030 --> 00:41:45,200
fun

1212
00:41:50,150 --> 00:41:47,040
jacques would never eat not a single

1213
00:41:53,510 --> 00:41:50,160

bite just sip from his glass of water he

1214

00:41:56,550 --> 00:41:53,520

was a vampire he's a vampire 100

1215

00:41:58,150 --> 00:41:56,560

vampire holy bucket my name is ashley

1216

00:42:00,790 --> 00:41:58,160

and this is my co-host lauren

1217

00:42:06,210 --> 00:42:00,800

hello weirdos and you are listening to

1218

00:42:06,220 --> 00:42:11,109

[Music]

1219

00:42:14,950 --> 00:42:13,990

wow so a fleet of them potentially

1220

00:42:17,750 --> 00:42:14,960

potentially

1221

00:42:19,910 --> 00:42:17,760

right right so and and i don't know i

1222

00:42:23,349 --> 00:42:19,920

don't know man it just

1223

00:42:25,030 --> 00:42:23,359

i never got my pilot's license but i was

1224

00:42:27,750 --> 00:42:25,040

i was going through flight school

1225

00:42:28,390 --> 00:42:27,760

uh on the civilian side okay and i've

1226
00:42:30,069 --> 00:42:28,400
flown

1227
00:42:31,670 --> 00:42:30,079
tiny little single engine aircraft and

1228
00:42:33,270 --> 00:42:31,680
i've got probably maybe

1229
00:42:35,109 --> 00:42:33,280
a hundred and fifteen hundred and twenty

1230
00:42:38,150 --> 00:42:35,119
hours as pilot in command

1231
00:42:39,109 --> 00:42:38,160
of small single engine aircraft and i i

1232
00:42:41,750 --> 00:42:39,119
studied uh

1233
00:42:43,750 --> 00:42:41,760
aviation administration in college and

1234
00:42:44,230 --> 00:42:43,760
aerodynamics and things like that and

1235
00:42:47,910 --> 00:42:44,240
this

1236
00:42:52,230 --> 00:42:47,920
did not do what conventional

1237
00:42:55,589 --> 00:42:52,240
wisdom dictates that something

1238
00:42:59,109 --> 00:42:55,599

that moves does it just

1239

00:43:01,589 --> 00:42:59,119

it just didn't work right well the

1240

00:43:02,630 --> 00:43:01,599

the ufo itself jeremy is super

1241

00:43:05,910 --> 00:43:02,640

intriguing but

1242

00:43:06,710 --> 00:43:05,920

um it seems like all roads lead back to

1243

00:43:09,109 --> 00:43:06,720

the crate

1244

00:43:11,030 --> 00:43:09,119

so i want to dive into the more

1245

00:43:14,390 --> 00:43:11,040

sensitive part of all this with you

1246

00:43:17,670 --> 00:43:14,400

if we can um first of all did you

1247

00:43:20,470 --> 00:43:17,680

report this to anyone or was it kind of

1248

00:43:22,069 --> 00:43:20,480

you know kind of such a odd experience

1249

00:43:22,950 --> 00:43:22,079

it was like huh all right that was

1250

00:43:25,670 --> 00:43:22,960

interesting

1251
00:43:26,150 --> 00:43:25,680
um but you didn't see any potential

1252
00:43:29,109 --> 00:43:26,160
threat

1253
00:43:29,829 --> 00:43:29,119
at the time um yeah any reporting

1254
00:43:33,030 --> 00:43:29,839
protocol or

1255
00:43:33,829 --> 00:43:33,040
anything like that no i i there is no

1256
00:43:35,109 --> 00:43:33,839
way in hell

1257
00:43:37,349 --> 00:43:35,119
that i would have said anything to

1258
00:43:38,790 --> 00:43:37,359
anybody except the guy that that saw it

1259
00:43:40,390 --> 00:43:38,800
right and he didn't say anything else

1260
00:43:43,270 --> 00:43:40,400
about it for

1261
00:43:44,390 --> 00:43:43,280
for two reasons one it's the 1990s and i

1262
00:43:47,510 --> 00:43:44,400
saw a ufo

1263
00:43:50,790 --> 00:43:47,520

right right what the hell right i mean

1264

00:43:52,550 --> 00:43:50,800

we don't have at least my unit

1265

00:43:53,990 --> 00:43:52,560

didn't have written operational

1266

00:43:56,309 --> 00:43:54,000

procedures on how to go

1267

00:43:59,190 --> 00:43:56,319

about reporting that second thing is i

1268

00:44:02,309 --> 00:43:59,200

had walked away from my assigned post

1269

00:44:05,270 --> 00:44:02,319

you know i'm smoking a cigarette on

1270

00:44:06,790 --> 00:44:05,280

duty when i was told to guard this

1271

00:44:08,150 --> 00:44:06,800

really super sensitive crate

1272

00:44:09,829 --> 00:44:08,160

and i just kind of said screw it i'm

1273

00:44:11,030 --> 00:44:09,839

going to go have a cigarette so no i'm

1274

00:44:14,309 --> 00:44:11,040

not going to walk up

1275

00:44:15,270 --> 00:44:14,319

to my co or or to whatever the the the

1276

00:44:16,870 --> 00:44:15,280

guy in charge of

1277

00:44:18,069 --> 00:44:16,880

the major the captain or whoever he was

1278

00:44:20,069 --> 00:44:18,079

and goes hey you know when i was

1279

00:44:21,829 --> 00:44:20,079

abandoning in derelict of duty

1280

00:44:23,349 --> 00:44:21,839

and smoking a cigarette i saw something

1281

00:44:24,950 --> 00:44:23,359

that i want to report so

1282

00:44:27,030 --> 00:44:24,960

the thought of reporting it was not

1283

00:44:29,030 --> 00:44:27,040

something that i was going to do

1284

00:44:31,109 --> 00:44:29,040

before we get to the great jeremy i

1285

00:44:34,069 --> 00:44:31,119

remember in the interview with lou

1286

00:44:35,670 --> 00:44:34,079

on the episode you mentioned there were

1287

00:44:38,230 --> 00:44:35,680

all types of military

1288

00:44:39,030 --> 00:44:38,240

at the base at the time and officials

1289

00:44:42,630 --> 00:44:39,040

and

1290

00:44:45,670 --> 00:44:42,640

agencies um is this common

1291

00:44:46,150 --> 00:44:45,680

or uh what did you make of all that i

1292

00:44:49,030 --> 00:44:46,160

mean

1293

00:44:51,430 --> 00:44:49,040

again i assume all roads lead back to

1294

00:44:53,910 --> 00:44:51,440

the crate but yeah what do you make of

1295

00:44:55,990 --> 00:44:53,920

everyone that was on this base that a

1296

00:44:59,190 --> 00:44:56,000

lot of people didn't even know about

1297

00:45:01,190 --> 00:44:59,200

yeah so there are joint training

1298

00:45:02,550 --> 00:45:01,200

exercises that the military does we do

1299

00:45:05,109 --> 00:45:02,560

them with foreign

1300

00:45:06,790 --> 00:45:05,119

uh nations we do them internally you

1301
00:45:08,309 --> 00:45:06,800
know the the army in the air force and

1302
00:45:09,190 --> 00:45:08,319
the marine corps we all to get together

1303
00:45:12,150 --> 00:45:09,200
and we do

1304
00:45:13,109 --> 00:45:12,160
uh joint training exercises uh quite

1305
00:45:15,910 --> 00:45:13,119
often

1306
00:45:17,910 --> 00:45:15,920
what is different is that when we do

1307
00:45:19,670 --> 00:45:17,920
those joint training exercises we use

1308
00:45:21,589 --> 00:45:19,680
something called miles gear

1309
00:45:23,109 --> 00:45:21,599
which is basically the military version

1310
00:45:26,150 --> 00:45:23,119
of laser tag

1311
00:45:28,230 --> 00:45:26,160
and we use blanks in our weapons and

1312
00:45:29,750 --> 00:45:28,240
you know we we have special keywords

1313
00:45:30,470 --> 00:45:29,760

that we're using on the radio and we

1314

00:45:33,109 --> 00:45:30,480

have

1315

00:45:34,630 --> 00:45:33,119

white hat safety guys walking around the

1316

00:45:36,069 --> 00:45:34,640

ranges making sure that nobody's

1317

00:45:39,190 --> 00:45:36,079

violating the rules of the

1318

00:45:42,630 --> 00:45:39,200

exercise and everybody

1319

00:45:45,349 --> 00:45:42,640

knows that it is an exercise

1320

00:45:48,550 --> 00:45:45,359

this was not that i had live ammunition

1321

00:45:48,790 --> 00:45:48,560

i had 240 rounds of 5.56 i had 18 rounds

1322

00:45:50,710 --> 00:45:48,800

of

1323

00:45:53,030 --> 00:45:50,720

high explosive grenades strapped to my

1324

00:45:53,990 --> 00:45:53,040

vest uh because it was a two i was a 203

1325

00:45:56,069 --> 00:45:54,000

gunner

1326

00:45:57,670 --> 00:45:56,079

this this was this was not an exercise

1327

00:45:59,430 --> 00:45:57,680

and the guy the

1328

00:46:00,950 --> 00:45:59,440

the people that were there the units

1329

00:46:03,190 --> 00:46:00,960

that were there man i saw

1330

00:46:05,510 --> 00:46:03,200

i saw people from 75th ranger battalion

1331

00:46:06,550 --> 00:46:05,520

i saw people from navy special warfare i

1332

00:46:09,589 --> 00:46:06,560

saw people

1333

00:46:13,829 --> 00:46:09,599

uh from the 101st i

1334

00:46:15,190 --> 00:46:13,839

i saw guys that had mismatched uniforms

1335

00:46:17,109 --> 00:46:15,200

and no name tapes on

1336

00:46:18,309 --> 00:46:17,119

i saw people wearing the blue

1337

00:46:21,750 --> 00:46:18,319

windbreakers that said

1338

00:46:25,030 --> 00:46:21,760

fbi or cia on the back of it but what

1339

00:46:26,550 --> 00:46:25,040

really really struck me the most

1340

00:46:28,230 --> 00:46:26,560

and because at some point in time in my

1341

00:46:29,109 --> 00:46:28,240

military career we've worked with all of

1342

00:46:31,430 --> 00:46:29,119

those types

1343

00:46:33,190 --> 00:46:31,440

never they all all at the same time but

1344

00:46:36,069 --> 00:46:33,200

we've we've done work with them

1345

00:46:36,710 --> 00:46:36,079

in the past but what struck me more than

1346

00:46:39,910 --> 00:46:36,720

anything

1347

00:46:43,190 --> 00:46:39,920

is i saw people from

1348

00:46:45,430 --> 00:46:43,200

the doe the department of energy and

1349

00:46:46,790 --> 00:46:45,440

the department of energy when you take

1350

00:46:48,309 --> 00:46:46,800

the department of energy and you put

1351
00:46:50,150 --> 00:46:48,319
them with naval special warfares the

1352
00:46:53,510 --> 00:46:50,160
75th ranger battalion

1353
00:46:57,670 --> 00:46:53,520
uh the cia and the fbi you're looking

1354
00:46:59,510 --> 00:46:57,680
at an event that is not an exercise this

1355
00:47:00,790 --> 00:46:59,520
is this is a real world deployment and

1356
00:47:04,790 --> 00:47:00,800
this is something

1357
00:47:07,990 --> 00:47:04,800
that is straight up a nuclear

1358
00:47:08,710 --> 00:47:08,000
type of event um you don't put that type

1359
00:47:11,589 --> 00:47:08,720
of time

1360
00:47:12,630 --> 00:47:11,599
manpower resources and personnel into

1361
00:47:14,630 --> 00:47:12,640
something for

1362
00:47:15,829 --> 00:47:14,640
for training at that level and you you

1363
00:47:16,790 --> 00:47:15,839

certainly don't do it with live

1364

00:47:19,750 --> 00:47:16,800

ammunition

1365

00:47:20,710 --> 00:47:19,760

okay so this this was everybody that was

1366

00:47:24,950 --> 00:47:20,720

there

1367

00:47:27,190 --> 00:47:24,960

is involved in nuclear safety operations

1368

00:47:28,470 --> 00:47:27,200

so that leads to the obvious question

1369

00:47:31,750 --> 00:47:28,480

now uh

1370

00:47:34,710 --> 00:47:31,760

the crate i mean i know you said you've

1371

00:47:35,510 --> 00:47:34,720

since spoken to individuals who can kind

1372

00:47:38,870 --> 00:47:35,520

of

1373

00:47:42,630 --> 00:47:38,880

have been in there

1374

00:47:44,470 --> 00:47:42,640

or why or who or so i'd love to get into

1375

00:47:45,990 --> 00:47:44,480

that jeremy whatever you can share your

1376

00:47:49,030 --> 00:47:46,000

own personal opinions

1377

00:47:50,549 --> 00:47:49,040

or that which was told to you what are

1378

00:47:51,510 --> 00:47:50,559

we talking about what do you think was

1379

00:47:53,829 --> 00:47:51,520

in that crate and

1380

00:47:54,870 --> 00:47:53,839

was it at all connected with the ufo

1381

00:47:57,030 --> 00:47:54,880

activity

1382

00:47:59,030 --> 00:47:57,040

yeah so uh last question first i

1383

00:48:01,109 --> 00:47:59,040

absolutely positively believe that yes

1384

00:48:04,150 --> 00:48:01,119

it has a direct correlation with

1385

00:48:06,870 --> 00:48:04,160

what i saw in this guy at the time again

1386

00:48:09,990 --> 00:48:06,880

this is early 90s i'm in my early 20s

1387

00:48:11,430 --> 00:48:10,000

and nobody's telling me anything but

1388

00:48:13,030 --> 00:48:11,440

through observation through looking

1389

00:48:14,390 --> 00:48:13,040

around through seeing all these people

1390

00:48:15,990 --> 00:48:14,400

in the department of energy

1391

00:48:17,430 --> 00:48:16,000

you know you you kind of put things

1392

00:48:20,069 --> 00:48:17,440

together uh

1393

00:48:21,829 --> 00:48:20,079

just based on personal observation given

1394

00:48:23,750 --> 00:48:21,839

the fact that the soviet empire

1395

00:48:24,950 --> 00:48:23,760

had collapsed and given the fact that at

1396

00:48:27,589 --> 00:48:24,960

the time

1397

00:48:28,390 --> 00:48:27,599

it was a known issue to have lost or

1398

00:48:31,510 --> 00:48:28,400

stolen

1399

00:48:33,190 --> 00:48:31,520

nuclear devices from the soviet union

1400

00:48:34,870 --> 00:48:33,200

and we'd had security briefings and

1401

00:48:36,790 --> 00:48:34,880

safety briefings on things like that

1402

00:48:38,710 --> 00:48:36,800

and that was something that people were

1403

00:48:40,630 --> 00:48:38,720

looking for actively

1404

00:48:42,870 --> 00:48:40,640

was trying to account for for nuclear

1405

00:48:45,990 --> 00:48:42,880

weapons from the soviet union

1406

00:48:49,349 --> 00:48:46,000

but i was under the impression

1407

00:48:51,910 --> 00:48:49,359

that what was in the crate was ours

1408

00:48:52,790 --> 00:48:51,920

and that it was probably something that

1409

00:48:55,349 --> 00:48:52,800

would emit a

1410

00:48:57,270 --> 00:48:55,359

radio active signature that our

1411

00:48:59,109 --> 00:48:57,280

satellites or our sensor tech

1412

00:49:00,630 --> 00:48:59,119

on our aircraft would be able to

1413

00:49:03,829 --> 00:49:00,640

identify

1414

00:49:07,030 --> 00:49:03,839

in in an effort to kind of train

1415

00:49:08,950 --> 00:49:07,040

our guys on how to look for lost or

1416

00:49:10,390 --> 00:49:08,960

stolen nuclear devices you know

1417

00:49:12,150 --> 00:49:10,400

because if you're doing like an aerial

1418

00:49:14,309 --> 00:49:12,160

survey you're putting giant x's on the

1419

00:49:14,950 --> 00:49:14,319

ground to zoom the cameras in and get

1420

00:49:16,950 --> 00:49:14,960

the focus

1421

00:49:18,230 --> 00:49:16,960

and things like that so i just kind of

1422

00:49:20,470 --> 00:49:18,240

assumed that

1423

00:49:21,910 --> 00:49:20,480

maybe what was in this crate was

1424

00:49:24,549 --> 00:49:21,920

something that would

1425

00:49:26,309 --> 00:49:24,559

trigger the sensors on the aircraft that

1426

00:49:29,750 --> 00:49:26,319

were looking for this right

1427

00:49:33,430 --> 00:49:29,760

and i just left it at that for years

1428

00:49:36,549 --> 00:49:33,440

but it still it still bugged me because

1429

00:49:37,430 --> 00:49:36,559

the ops tempo was not that of an

1430

00:49:40,630 --> 00:49:37,440

exercise

1431

00:49:44,710 --> 00:49:40,640

it was that of an actual real world

1432

00:49:46,470 --> 00:49:44,720

event and it bugged me and it and i just

1433

00:49:48,390 --> 00:49:46,480

started thinking over and over over the

1434

00:49:50,790 --> 00:49:48,400

course of 20 some years

1435

00:49:51,910 --> 00:49:50,800

that the idea that this was just some

1436

00:49:54,549 --> 00:49:51,920

sort of

1437

00:49:55,109 --> 00:49:54,559

signature device inside this crate

1438

00:49:58,630 --> 00:49:55,119

didn't

1439

00:50:00,549 --> 00:49:58,640

work out for me so i just i just started

1440

00:50:02,069 --> 00:50:00,559

basically putting boots on the ground

1441

00:50:04,309 --> 00:50:02,079

and i started digging

1442

00:50:05,829 --> 00:50:04,319

things up and and calling people and

1443

00:50:08,390 --> 00:50:05,839

talking to people

1444

00:50:09,910 --> 00:50:08,400

and uh one of the things that did not

1445

00:50:12,309 --> 00:50:09,920

make it into the show

1446

00:50:13,750 --> 00:50:12,319

is the story that i gave them which is

1447

00:50:16,309 --> 00:50:13,760

verifiable and i'll

1448

00:50:17,430 --> 00:50:16,319

i'll give you the link to this that you

1449

00:50:20,069 --> 00:50:17,440

can probably post on

1450

00:50:21,349 --> 00:50:20,079

on your site yeah absolutely but there

1451

00:50:25,750 --> 00:50:21,359

is a document

1452

00:50:27,829 --> 00:50:25,760

from the cia and it's hosted on cia.gov

1453

00:50:29,430 --> 00:50:27,839

and i've got it up here on my screen but

1454

00:50:31,430 --> 00:50:29,440

it's testimony

1455

00:50:32,870 --> 00:50:31,440

by the director of central intelligence

1456

00:50:37,190 --> 00:50:32,880

john deutsch

1457

00:50:40,549 --> 00:50:37,200

and it's from march 20th 1996

1458

00:50:41,750 --> 00:50:40,559

less than a year after my experience in

1459

00:50:45,030 --> 00:50:41,760

jordan

1460

00:50:46,390 --> 00:50:45,040

and this is a direct quote from

1461

00:50:48,230 --> 00:50:46,400

from john deutch during his

1462

00:50:49,349 --> 00:50:48,240

congressional testimony now keep in mind

1463

00:50:52,790 --> 00:50:49,359

this is a

1464

00:50:53,510 --> 00:50:52,800

year after after my experience and he

1465

00:50:56,309 --> 00:50:53,520

says

1466

00:50:58,710 --> 00:50:56,319

we have no indication that iraq has

1467

00:50:59,589 --> 00:50:58,720

attempted to acquire fissile materials

1468

00:51:03,270 --> 00:50:59,599

from the formal

1469

00:51:06,069 --> 00:51:03,280

former soviet union we assess however

1470

00:51:08,150 --> 00:51:06,079

that iraq would seize any opportunity to

1471

00:51:11,430 --> 00:51:08,160

buy nuclear weapon materials

1472

00:51:11,829 --> 00:51:11,440

or a complete weapon in much the same

1473

00:51:13,990 --> 00:51:11,839

way

1474

00:51:15,030 --> 00:51:14,000

that it attempted to rejuvenate its

1475

00:51:18,309 --> 00:51:15,040

missile program

1476

00:51:21,190 --> 00:51:18,319

late last year in that incident

1477

00:51:21,990 --> 00:51:21,200

jordanian authorities intercepted a

1478

00:51:24,630 --> 00:51:22,000

shipment

1479

00:51:25,109 --> 00:51:24,640

of sophisticated russian-produced

1480

00:51:28,470 --> 00:51:25,119

missile

1481

00:51:31,670 --> 00:51:28,480

guidance instruments bound for iraq

1482

00:51:34,549 --> 00:51:31,680

a year after my incident he is referring

1483

00:51:37,190 --> 00:51:34,559

to an event that happened in jordan

1484

00:51:42,870 --> 00:51:40,309

saying that it was sophisticated russian

1485

00:51:43,910 --> 00:51:42,880

produced missile guidance instruments

1486

00:51:47,030 --> 00:51:43,920

okay

1487

00:51:49,750 --> 00:51:47,040

sure maybe but

1488

00:51:50,470 --> 00:51:49,760

when i saw that and i read that and this

1489

00:51:52,069 --> 00:51:50,480

is this is

1490

00:51:53,670 --> 00:51:52,079

multiple pages of information i mean

1491

00:51:54,790 --> 00:51:53,680

this is a congressional testimony that

1492

00:51:57,030 --> 00:51:54,800

just goes

1493

00:51:57,910 --> 00:51:57,040

absolutely bonkers i mean he's talking

1494

00:52:00,309 --> 00:51:57,920

even about

1495

00:52:02,230 --> 00:52:00,319

uh the ability to to bribe certain

1496

00:52:02,710 --> 00:52:02,240

russian guards with bottles of vodka to

1497

00:52:05,109 --> 00:52:02,720

allow

1498

00:52:06,630 --> 00:52:05,119

passage without papers to smuggle

1499

00:52:09,109 --> 00:52:06,640

nuclear material across

1500

00:52:11,190 --> 00:52:09,119

you know uh west eastern europe it's a

1501
00:52:14,390 --> 00:52:11,200
wide swath if you will yeah

1502
00:52:17,589 --> 00:52:14,400
yeah exactly anyway i uh i

1503
00:52:19,030 --> 00:52:17,599
really went down the rabbit hole and i i

1504
00:52:19,990 --> 00:52:19,040
started turning over everything and i

1505
00:52:22,150 --> 00:52:20,000
started digging

1506
00:52:23,349 --> 00:52:22,160
where where anywhere i could dig and

1507
00:52:25,190 --> 00:52:23,359
keep in mind that this is all

1508
00:52:26,549 --> 00:52:25,200
open source none of this was classified

1509
00:52:28,069 --> 00:52:26,559
this was just

1510
00:52:29,510 --> 00:52:28,079
picking up the phone and calling people

1511
00:52:30,790 --> 00:52:29,520
and talking to people and saying hey i

1512
00:52:32,150 --> 00:52:30,800
know that you were in the military at

1513
00:52:33,670 --> 00:52:32,160

this time did you happen to have

1514

00:52:34,710 --> 00:52:33,680

anything to do with this exercise were

1515

00:52:38,069 --> 00:52:34,720

you there

1516

00:52:40,069 --> 00:52:38,079

and finally i i landed on one guy

1517

00:52:41,670 --> 00:52:40,079

who was actually interviewed by the

1518

00:52:44,390 --> 00:52:41,680

history channel

1519

00:52:46,230 --> 00:52:44,400

they did not air his testimony but they

1520

00:52:48,230 --> 00:52:46,240

used him as validation

1521

00:52:49,670 --> 00:52:48,240

for my story and like i said it didn't

1522

00:52:52,230 --> 00:52:49,680

it didn't make the show but

1523

00:52:52,790 --> 00:52:52,240

uh it happened they they interviewed him

1524

00:52:55,829 --> 00:52:52,800

and he

1525

00:52:56,470 --> 00:52:55,839

he basically told him them that while he

1526
00:52:59,430 --> 00:52:56,480
could not

1527
00:53:00,470 --> 00:52:59,440
absolutely confirm uh the contents of

1528
00:53:03,510 --> 00:53:00,480
the crate

1529
00:53:05,990 --> 00:53:03,520
that my developed theory of

1530
00:53:07,030 --> 00:53:06,000
what actually was in the crate was most

1531
00:53:09,510 --> 00:53:07,040
likely accurate

1532
00:53:11,510 --> 00:53:09,520
i think as this told them but to

1533
00:53:13,349 --> 00:53:11,520
backtrack a little bit

1534
00:53:14,630 --> 00:53:13,359
and and not to take up a lot of time i

1535
00:53:17,589 --> 00:53:14,640
believe

1536
00:53:18,470 --> 00:53:17,599
now that what was in the crate was not

1537
00:53:21,430 --> 00:53:18,480
just

1538
00:53:22,549 --> 00:53:21,440

sophisticated russian russian guidance

1539

00:53:25,910 --> 00:53:22,559

material it was

1540

00:53:27,990 --> 00:53:25,920

actually a recovered nuclear warhead

1541

00:53:30,069 --> 00:53:28,000

that had been intercepted and was

1542

00:53:33,270 --> 00:53:30,079

probably bound for either iraq

1543

00:53:35,349 --> 00:53:33,280

or north korea and that

1544

00:53:36,870 --> 00:53:35,359

most likely jordanian authorities had

1545

00:53:39,829 --> 00:53:36,880

intercepted it and then

1546

00:53:41,270 --> 00:53:39,839

we got it from jordan and that's what

1547

00:53:43,430 --> 00:53:41,280

was in the crate

1548

00:53:45,589 --> 00:53:43,440

uh and i'll even go so far as to say

1549

00:53:47,430 --> 00:53:45,599

that i believe it was probably

1550

00:53:49,589 --> 00:53:47,440

and there are reasons that i'm saying

1551

00:53:52,630 --> 00:53:49,599

this i'm not going to go into

1552

00:53:54,630 --> 00:53:52,640

how i got to this conclusion uh

1553

00:53:56,710 --> 00:53:54,640

anybody that's listening to this can do

1554

00:53:58,230 --> 00:53:56,720

their own research and probably dig up

1555

00:54:00,150 --> 00:53:58,240

the same information i'm just not going

1556

00:54:02,309 --> 00:54:00,160

to say how i did it

1557

00:54:03,750 --> 00:54:02,319

but i i honestly believe that what was

1558

00:54:07,430 --> 00:54:03,760

in that crate

1559

00:54:11,270 --> 00:54:07,440

was what's called an ss24 and it is

1560

00:54:15,750 --> 00:54:11,280

a basically a nose cone of a russian

1561

00:54:19,349 --> 00:54:15,760

nuclear icbm that carries 10 warheads

1562

00:54:21,990 --> 00:54:19,359

and i believe that 8 of the 10 warheads

1563

00:54:23,030 --> 00:54:22,000

were still on that device inside that

1564

00:54:25,510 --> 00:54:23,040

crate

1565

00:54:27,109 --> 00:54:25,520

that that just gave me chills man even

1566

00:54:29,829 --> 00:54:27,119

thinking about that that is

1567

00:54:30,230 --> 00:54:29,839

a massive force of power right there

1568

00:54:34,710 --> 00:54:30,240

yeah

1569

00:54:35,990 --> 00:54:34,720

i will say one of the reasons because

1570

00:54:37,190 --> 00:54:36,000

this is something that nobody else can

1571

00:54:39,109 --> 00:54:37,200

do because it's no longer there it's

1572

00:54:41,349 --> 00:54:39,119

it's gone and done with

1573

00:54:43,190 --> 00:54:41,359

but going back to saying you know when i

1574

00:54:44,710 --> 00:54:43,200

was in my early 20s and people tell you

1575

00:54:45,510 --> 00:54:44,720

to do something you kind of tell them to

1576

00:54:47,589 --> 00:54:45,520

screw off and

1577

00:54:49,270 --> 00:54:47,599

i have no supervision and don't get near

1578

00:54:50,870 --> 00:54:49,280

the crate okay well what do i do i get

1579

00:54:52,470 --> 00:54:50,880

near the great hell i stood on the crate

1580

00:54:54,309 --> 00:54:52,480

i laid on the crate i sat on the grid i

1581

00:54:57,670 --> 00:54:54,319

pissed on the crate

1582

00:55:00,710 --> 00:54:57,680

because there's nobody there right and

1583

00:55:04,069 --> 00:55:00,720

about nine years ago i got diagnosed

1584

00:55:06,870 --> 00:55:04,079

with a very specific type of skin cancer

1585

00:55:07,829 --> 00:55:06,880

which is caused only by radiation

1586

00:55:10,390 --> 00:55:07,839

exposure

1587

00:55:12,549 --> 00:55:10,400

now luckily i've had it uh excised it

1588

00:55:14,069 --> 00:55:12,559

was uh surgically removed and it has not

1589

00:55:17,270 --> 00:55:14,079

reoccurred

1590

00:55:20,789 --> 00:55:17,280

but it was in my groin and

1591

00:55:24,390 --> 00:55:20,799

i am not a nude sunbather other than

1592

00:55:26,069 --> 00:55:24,400

sitting on that crate and pissing on

1593

00:55:29,030 --> 00:55:26,079

that crate

1594

00:55:29,349 --> 00:55:29,040

i have no reason to think that i was

1595

00:55:32,470 --> 00:55:29,359

ever

1596

00:55:35,109 --> 00:55:32,480

exposed to radiation anywhere else in my

1597

00:55:38,309 --> 00:55:35,119

military career uh or civilian

1598

00:55:39,670 --> 00:55:38,319

life and going back through the way that

1599

00:55:40,870 --> 00:55:39,680

i think of things the way that i put

1600

00:55:44,789 --> 00:55:40,880

things together

1601

00:55:45,589 --> 00:55:44,799

if i'm secreting uh fissile material if

1602

00:55:49,190 --> 00:55:45,599

i'm secreting

1603

00:55:50,789 --> 00:55:49,200

stolen warheads or bought wall warheads

1604

00:55:52,069 --> 00:55:50,799

across eastern europe

1605

00:55:53,589 --> 00:55:52,079

these things are heavy man i mean

1606

00:55:54,870 --> 00:55:53,599

they've got lead shielding they've got

1607

00:55:55,270 --> 00:55:54,880

lead plating they're you know they're

1608

00:56:01,750 --> 00:55:55,280

they're

1609

00:56:02,309 --> 00:56:01,760

radiation dampening uh provisions to

1610

00:56:03,750 --> 00:56:02,319

them

1611

00:56:06,309 --> 00:56:03,760

but if i'm gonna put that in the back of

1612

00:56:08,470 --> 00:56:06,319

my truck i'm gonna get rid of all that

1613

00:56:09,670 --> 00:56:08,480

i'm gonna make it as light as i possibly

1614

00:56:11,349 --> 00:56:09,680

can

1615

00:56:13,190 --> 00:56:11,359

because the guy that's paying me for it

1616

00:56:15,109 --> 00:56:13,200

they they want the radioactive

1617

00:56:16,230 --> 00:56:15,119

portions they don't care about the

1618

00:56:17,270 --> 00:56:16,240

shielding because they're going to

1619

00:56:18,789 --> 00:56:17,280

either use it or they're going to

1620

00:56:20,630 --> 00:56:18,799

reverse engineer it

1621

00:56:22,150 --> 00:56:20,640

and i'm going to put it in the back of a

1622

00:56:23,829 --> 00:56:22,160

truck and i'm going to make it as light

1623

00:56:25,349 --> 00:56:23,839

as i can because i want to extend my

1624

00:56:27,430 --> 00:56:25,359

fuel supply for as long as i can

1625

00:56:29,030 --> 00:56:27,440

possibly drive that thing

1626
00:56:30,630 --> 00:56:29,040
so i really think that that crate was

1627
00:56:33,910 --> 00:56:30,640
hot and that just

1628
00:56:37,270 --> 00:56:33,920
amplifies the fact that a ufo was

1629
00:56:40,069 --> 00:56:37,280
possibly cited during that and uh

1630
00:56:41,270 --> 00:56:40,079
i gotta ask you know when it comes to

1631
00:56:43,990 --> 00:56:41,280
discussing

1632
00:56:44,470 --> 00:56:44,000
the ufo portion of this story jeremy

1633
00:56:48,789 --> 00:56:44,480
with

1634
00:56:51,109 --> 00:56:48,799
lou did you guys deduce it all what you

1635
00:56:53,109 --> 00:56:51,119
both personally or collectively think

1636
00:56:55,190 --> 00:56:53,119
the thing might have been in the sky

1637
00:56:57,270 --> 00:56:55,200
or do you have any idea in retrospect

1638
00:56:57,990 --> 00:56:57,280

now or are you just as mystified today

1639

00:57:02,630 --> 00:56:58,000

as you were back

1640

00:57:04,390 --> 00:57:02,640

then so i had a conversation with lou

1641

00:57:05,910 --> 00:57:04,400

before the taping we we kind of

1642

00:57:08,150 --> 00:57:05,920

accidentally bumped into each other at

1643

00:57:12,309 --> 00:57:08,160

the hotel the day before

1644

00:57:16,230 --> 00:57:12,319

the interview and lou told me things

1645

00:57:18,309 --> 00:57:16,240

that it blows my mind man

1646

00:57:20,150 --> 00:57:18,319

the validation of what i saw the fact

1647

00:57:22,549 --> 00:57:20,160

that i'm not the only one

1648

00:57:23,910 --> 00:57:22,559

that has reported these things the fact

1649

00:57:25,109 --> 00:57:23,920

that i'm not the only one that has

1650

00:57:28,630 --> 00:57:25,119

reported

1651
00:57:31,109 --> 00:57:28,640
that thing at that time at that place

1652
00:57:33,190 --> 00:57:31,119
the fact that what i saw fits into a

1653
00:57:35,190 --> 00:57:33,200
very specific pattern it fits into a

1654
00:57:38,230 --> 00:57:35,200
very specific association of

1655
00:57:39,190 --> 00:57:38,240
of uh nuclear movements all sorts of

1656
00:57:43,030 --> 00:57:39,200
things and

1657
00:57:46,630 --> 00:57:43,040
i've had conversations with lou post

1658
00:57:47,829 --> 00:57:46,640
the show and he has never told me what

1659
00:57:50,789 --> 00:57:47,839
it is

1660
00:57:51,589 --> 00:57:50,799
he has never told me if he knows what it

1661
00:57:55,349 --> 00:57:51,599
is

1662
00:57:58,309 --> 00:57:55,359
i have a very very

1663
00:57:59,990 --> 00:57:58,319

solid belief that he knows exactly what

1664

00:58:03,030 --> 00:58:00,000

it is

1665

00:58:03,750 --> 00:58:03,040

but i also believe that why he knows

1666

00:58:07,270 --> 00:58:03,760

what it is

1667

00:58:08,789 --> 00:58:07,280

is because of his association during his

1668

00:58:10,789 --> 00:58:08,799

involvement with the government which

1669

00:58:11,910 --> 00:58:10,799

falls under his classification and his

1670

00:58:15,589 --> 00:58:11,920

security clearance

1671

00:58:18,710 --> 00:58:15,599

and he cannot say so until

1672

00:58:20,789 --> 00:58:18,720

an open source verification of that

1673

00:58:23,030 --> 00:58:20,799

information becomes present or

1674

00:58:23,910 --> 00:58:23,040

until the government declassifies what

1675

00:58:27,829 --> 00:58:23,920

it is

1676
00:58:30,309 --> 00:58:27,839
lou is censored it's frustrating because

1677
00:58:31,190 --> 00:58:30,319
us as viewers and especially the ufo

1678
00:58:33,510 --> 00:58:31,200
community

1679
00:58:35,430 --> 00:58:33,520
are frustrated that we can tell we can

1680
00:58:36,230 --> 00:58:35,440
tell he knows more than he's allowed to

1681
00:58:38,789 --> 00:58:36,240
talk about

1682
00:58:39,829 --> 00:58:38,799
but he has stated as such and made it

1683
00:58:41,510 --> 00:58:39,839
very clear

1684
00:58:43,190 --> 00:58:41,520
and you know i respect him for that

1685
00:58:43,670 --> 00:58:43,200
there are certain things he cannot talk

1686
00:58:45,990 --> 00:58:43,680
about

1687
00:58:48,390 --> 00:58:46,000
but he's still pursuing these things and

1688
00:58:49,910 --> 00:58:48,400

uh you know we've even floated the idea

1689

00:58:52,950 --> 00:58:49,920

that he's finding

1690

00:58:53,349 --> 00:58:52,960

individuals to proxy this information

1691

00:58:55,750 --> 00:58:53,359

through

1692

00:58:57,270 --> 00:58:55,760

that can get it out to the public now

1693

00:58:57,829 --> 00:58:57,280

that's you know that's a whole other

1694

00:59:00,630 --> 00:58:57,839

story

1695

00:59:02,230 --> 00:59:00,640

but uh yeah you know i never i never got

1696

00:59:05,349 --> 00:59:02,240

that feeling from lou

1697

00:59:07,510 --> 00:59:05,359

lou and i have a lot of commonalities we

1698

00:59:10,390 --> 00:59:07,520

we both belong to a very specific

1699

00:59:11,349 --> 00:59:10,400

fraternal organization and uh i found

1700

00:59:13,430 --> 00:59:11,359

that out

1701
00:59:15,670 --> 00:59:13,440
when i met him in person so there are

1702
00:59:18,950 --> 00:59:15,680
things that he has told me that i trust

1703
00:59:22,230 --> 00:59:18,960
implicitly because we both have taken

1704
00:59:23,670 --> 00:59:22,240
two of the very same oaths one one with

1705
00:59:24,470 --> 00:59:23,680
the military and one with this

1706
00:59:28,470 --> 00:59:24,480
organization

1707
00:59:31,190 --> 00:59:28,480
and uh so so i trust him

1708
00:59:31,589 --> 00:59:31,200
more than i trust most people in giving

1709
00:59:34,309 --> 00:59:31,599
me

1710
00:59:35,829 --> 00:59:34,319
information like that but i think lou's

1711
00:59:36,150 --> 00:59:35,839
on a mission i think lose on a mission

1712
00:59:40,309 --> 00:59:36,160
to

1713
00:59:41,990 --> 00:59:40,319

uncover and find unclassified sources

1714

00:59:43,670 --> 00:59:42,000

to validate the information that he

1715

00:59:46,470 --> 00:59:43,680

already has in his head he's

1716

00:59:48,150 --> 00:59:46,480

adamant to me that i am going to know

1717

00:59:51,190 --> 00:59:48,160

what it was that i saw

1718

00:59:54,470 --> 00:59:51,200

that i will in my lifetime

1719

00:59:57,430 --> 00:59:54,480

know what it was that i saw that's

1720

00:59:59,190 --> 00:59:57,440

exciting many ufo witnesses never get

1721

01:00:01,430 --> 00:59:59,200

that opportunity especially

1722

01:00:02,789 --> 01:00:01,440

in the military well you know sort of

1723

01:00:05,030 --> 01:00:02,799

piggybacking off of that jeremy

1724

01:00:06,309 --> 01:00:05,040

what you saw i know you're sort of new

1725

01:00:08,630 --> 01:00:06,319

to the ufo

1726

01:00:10,309 --> 01:00:08,640

world as it were um i am a ufo

1727

01:00:13,109 --> 01:00:10,319

researcher who focuses

1728

01:00:14,549 --> 01:00:13,119

on individuals who've had an experience

1729

01:00:15,589 --> 01:00:14,559

you know everything from a light in the

1730

01:00:17,510 --> 01:00:15,599

sky up to

1731

01:00:19,349 --> 01:00:17,520

the most sensational claims of alien

1732

01:00:21,670 --> 01:00:19,359

abduction and everything in between

1733

01:00:24,789 --> 01:00:21,680

but it's not even those experiences or

1734

01:00:27,430 --> 01:00:24,799

my my own beliefs or judgments on it

1735

01:00:29,270 --> 01:00:27,440

it's uh how it impacted the life of that

1736

01:00:31,829 --> 01:00:29,280

witness of that individual

1737

01:00:33,510 --> 01:00:31,839

i gotta ask you after having this ufo

1738

01:00:35,750 --> 01:00:33,520

event with something

1739

01:00:36,870 --> 01:00:35,760

on the ground that is highly highly

1740

01:00:38,549 --> 01:00:36,880

highly sensitive

1741

01:00:40,230 --> 01:00:38,559

what does this leave you feeling has

1742

01:00:42,870 --> 01:00:40,240

this ufo event

1743

01:00:44,069 --> 01:00:42,880

impacted your life or changed you in any

1744

01:00:47,510 --> 01:00:44,079

way

1745

01:00:49,910 --> 01:00:47,520

yeah it pissed me off it it angered the

1746

01:00:52,309 --> 01:00:49,920

hell out of me because

1747

01:00:53,109 --> 01:00:52,319

man when i when i went into the military

1748

01:00:55,990 --> 01:00:53,119

i pissed

1749

01:00:56,630 --> 01:00:56,000

red white and blue you know i didn't

1750

01:00:59,430 --> 01:00:56,640

question

1751

01:01:00,870 --> 01:00:59,440

anything i saluted the flag i was like

1752

01:01:02,710 --> 01:01:00,880

you know the united states is the

1753

01:01:03,589 --> 01:01:02,720

absolute best place in the world and if

1754

01:01:06,549 --> 01:01:03,599

you don't like it

1755

01:01:07,670 --> 01:01:06,559

gtfo that was that was my first

1756

01:01:11,910 --> 01:01:07,680

experience

1757

01:01:13,910 --> 01:01:11,920

i'm not talking just about the ufo i'm

1758

01:01:17,750 --> 01:01:13,920

talking about the crate as well

1759

01:01:21,349 --> 01:01:17,760

we might not always be the good guys and

1760

01:01:24,069 --> 01:01:21,359

that really really opened my eyes to a

1761

01:01:26,789 --> 01:01:24,079

lot of things and i say that because

1762

01:01:29,030 --> 01:01:26,799

in my research i believe that i've

1763

01:01:29,829 --> 01:01:29,040

tracked down the final dispensation of

1764

01:01:32,789 --> 01:01:29,839

that crate

1765

01:01:34,150 --> 01:01:32,799

where it went and why it went there and

1766

01:01:37,670 --> 01:01:34,160

if

1767

01:01:40,710 --> 01:01:37,680

true

1768

01:01:42,789 --> 01:01:40,720

about that the united states

1769

01:01:44,309 --> 01:01:42,799

may well deserve a lot of the bad

1770

01:01:46,789 --> 01:01:44,319

monikers that we've

1771

01:01:48,390 --> 01:01:46,799

we've earned over the years and this is

1772

01:01:50,470 --> 01:01:48,400

coming from a guy that

1773

01:01:52,150 --> 01:01:50,480

you know i served my country i flew the

1774

01:01:55,430 --> 01:01:52,160

flag um

1775

01:01:57,829 --> 01:01:55,440

you know i've i've watched i've i've

1776

01:02:01,910 --> 01:01:57,839

lost guys i've i've watched

1777

01:02:07,109 --> 01:02:05,190

you know and at the time

1778

01:02:09,349 --> 01:02:07,119

you you think that there's a reason for

1779

01:02:14,069 --> 01:02:09,359

it you think that you're doing the right

1780

01:02:17,670 --> 01:02:16,150

the final dispensation of the crate as

1781

01:02:20,710 --> 01:02:17,680

far as i as far as

1782

01:02:23,990 --> 01:02:20,720

i am aware it

1783

01:02:25,510 --> 01:02:24,000

tells me that it may not have been the

1784

01:02:28,470 --> 01:02:25,520

right thing

1785

01:02:29,190 --> 01:02:28,480

in taking the fact that if the

1786

01:02:31,029 --> 01:02:29,200

government

1787

01:02:33,589 --> 01:02:31,039

did what i believe them to have done

1788

01:02:38,069 --> 01:02:33,599

with that crate

1789

01:02:40,789 --> 01:02:38,079

they are pretty capable of of

1790

01:02:42,390 --> 01:02:40,799

lying about just about anything you

1791

01:02:43,270 --> 01:02:42,400

asked me if it changed the way i look at

1792

01:02:46,710 --> 01:02:43,280

i don't trust

1793

01:02:48,150 --> 01:02:46,720

people for anymore we can't even

1794

01:02:49,990 --> 01:02:48,160

pretend to know what

1795

01:02:52,230 --> 01:02:50,000

you know you're talking about and when

1796

01:02:53,750 --> 01:02:52,240

that will come out and um

1797

01:02:55,430 --> 01:02:53,760

when you'll finally have that

1798

01:02:58,150 --> 01:02:55,440

vindication however

1799

01:02:58,789 --> 01:02:58,160

uh that's a very strong statement to

1800

01:03:02,230 --> 01:02:58,799

make but

1801
01:03:02,710 --> 01:03:02,240
clearly justifiable so you have to

1802
01:03:05,430 --> 01:03:02,720
wonder

1803
01:03:06,630 --> 01:03:05,440
you know if it was used for purposes

1804
01:03:10,150 --> 01:03:06,640
that aren't

1805
01:03:10,710 --> 01:03:10,160
so you know well natured as a country or

1806
01:03:13,750 --> 01:03:10,720
whatnot

1807
01:03:14,470 --> 01:03:13,760
uh it's too bad that damn ufo didn't

1808
01:03:15,990 --> 01:03:14,480
stop it

1809
01:03:17,990 --> 01:03:16,000
you know i mean those these are

1810
01:03:20,549 --> 01:03:18,000
questions you'll probably struggle with

1811
01:03:21,270 --> 01:03:20,559
forever and lou will probably struggle

1812
01:03:23,990 --> 01:03:21,280
with and

1813
01:03:26,230 --> 01:03:24,000

and all of us will so yeah i told lou

1814

01:03:29,190 --> 01:03:26,240

and i told anthony my theory

1815

01:03:30,549 --> 01:03:29,200

behind it and they they didn't agree

1816

01:03:33,670 --> 01:03:30,559

they didn't disagree

1817

01:03:36,069 --> 01:03:33,680

lou seemed to accept my

1818

01:03:37,670 --> 01:03:36,079

idea of the final dispensation and where

1819

01:03:40,309 --> 01:03:37,680

things went

1820

01:03:40,950 --> 01:03:40,319

just because of his experiences and i

1821

01:03:43,990 --> 01:03:40,960

think

1822

01:03:49,589 --> 01:03:44,000

i

1823

01:03:52,150 --> 01:03:49,599

about that

1824

01:03:53,510 --> 01:03:52,160

was was enough validation that i'm on

1825

01:03:56,870 --> 01:03:53,520

the right track

1826

01:03:58,789 --> 01:03:56,880

it did not make the show at all

1827

01:04:00,069 --> 01:03:58,799

for obvious reasons and i'm not even

1828

01:04:03,190 --> 01:04:00,079

saying here

1829

01:04:05,270 --> 01:04:03,200

uh what i what i believe the final

1830

01:04:06,309 --> 01:04:05,280

dispensation of that crate to uh to have

1831

01:04:07,750 --> 01:04:06,319

been

1832

01:04:09,829 --> 01:04:07,760

but the guy that they tracked down and

1833

01:04:11,670 --> 01:04:09,839

the guy that they interviewed

1834

01:04:14,309 --> 01:04:11,680

that's what he validated he said that my

1835

01:04:16,309 --> 01:04:14,319

theory on that is

1836

01:04:18,870 --> 01:04:16,319

more than likely correct that is

1837

01:04:21,190 --> 01:04:18,880

completely fair um i'll leave it at that

1838

01:04:22,870 --> 01:04:21,200

in terms of that um well switching gears

1839

01:04:24,309 --> 01:04:22,880

a little jeremy i'm gonna

1840

01:04:25,750 --> 01:04:24,319

i gotta throw a couple listener

1841

01:04:26,230 --> 01:04:25,760

questions your way if you don't mind

1842

01:04:28,309 --> 01:04:26,240

sure

1843

01:04:29,910 --> 01:04:28,319

cool yeah we had some excited people on

1844

01:04:33,190 --> 01:04:29,920

twitter and facebook for this man

1845

01:04:35,349 --> 01:04:33,200

um andreas on twitter asks

1846

01:04:37,510 --> 01:04:35,359

what do you believe about how the

1847

01:04:39,430 --> 01:04:37,520

phenomenon i i assume he means ufo

1848

01:04:41,270 --> 01:04:39,440

phenomenon is being dealt with

1849

01:04:42,870 --> 01:04:41,280

in congress do you think they should

1850

01:04:45,270 --> 01:04:42,880

open up everything or

1851

01:04:46,390 --> 01:04:45,280

do it delicately or yeah what do you

1852

01:04:48,150 --> 01:04:46,400

make of all this new

1853

01:04:50,630 --> 01:04:48,160

information about the senate

1854

01:04:51,910 --> 01:04:50,640

intelligence committee and ufo task

1855

01:04:55,029 --> 01:04:51,920

forces and

1856

01:04:57,349 --> 01:04:55,039

it's crazy man this is an age of ufo

1857

01:04:59,349 --> 01:04:57,359

uh acknowledgement by our government

1858

01:05:01,270 --> 01:04:59,359

that none of us ever saw coming

1859

01:05:03,029 --> 01:05:01,280

um but everyone is the weirdest year

1860

01:05:06,309 --> 01:05:03,039

that i've ever seen

1861

01:05:06,870 --> 01:05:06,319

in this we we we've got murder hornets

1862

01:05:11,190 --> 01:05:06,880

we've

1863

01:05:13,670 --> 01:05:11,200

killer frogs coming in from south

1864

01:05:16,630 --> 01:05:13,680

america obviously covet i don't

1865

01:05:18,150 --> 01:05:16,640

what the hell happened i mean are we

1866

01:05:20,309 --> 01:05:18,160

living in a sim and somebody

1867

01:05:21,670 --> 01:05:20,319

ran every subroutine at the exact same

1868

01:05:24,150 --> 01:05:21,680

time

1869

01:05:25,430 --> 01:05:24,160

some something went sideways here yeah

1870

01:05:27,349 --> 01:05:25,440

um

1871

01:05:28,789 --> 01:05:27,359

the phenomena how's it being dealt with

1872

01:05:29,829 --> 01:05:28,799

in congress that's that's a good

1873

01:05:31,750 --> 01:05:29,839

question

1874

01:05:33,510 --> 01:05:31,760

you know i'm probably gonna i'm probably

1875

01:05:35,349 --> 01:05:33,520

gonna piss off a lot of people with this

1876

01:05:37,750 --> 01:05:35,359

and and by a lot of people i mean people

1877

01:05:39,829 --> 01:05:37,760

in congress if they listen

1878

01:05:41,510 --> 01:05:39,839

people in congress are not special they

1879

01:05:42,630 --> 01:05:41,520

are just like us they get elected into

1880

01:05:44,789 --> 01:05:42,640

the position

1881

01:05:46,230 --> 01:05:44,799

they don't know anymore any less about

1882

01:05:48,150 --> 01:05:46,240

human nature than

1883

01:05:49,510 --> 01:05:48,160

the the tom dick or harry off the street

1884

01:05:49,990 --> 01:05:49,520

they just had the virtue of being

1885

01:05:53,670 --> 01:05:50,000

elected

1886

01:05:54,950 --> 01:05:53,680

into that position most often than not

1887

01:05:56,870 --> 01:05:54,960

they had the benefit

1888

01:05:58,950 --> 01:05:56,880

of having a shitload of money that got

1889

01:06:01,430 --> 01:05:58,960

them elected into that position

1890

01:06:02,789 --> 01:06:01,440

uh and having money does not necessarily

1891

01:06:05,670 --> 01:06:02,799

mean that you have

1892

01:06:07,349 --> 01:06:05,680

humanity's best interest in mind the way

1893

01:06:10,390 --> 01:06:07,359

that they're dealing with it

1894

01:06:12,069 --> 01:06:10,400

they are self-serving they look for what

1895

01:06:15,990 --> 01:06:12,079

is in their best interest

1896

01:06:19,430 --> 01:06:16,000

and i think i think right now

1897

01:06:21,670 --> 01:06:19,440

we are kind of a litmus test because

1898

01:06:23,510 --> 01:06:21,680

if you go back 10 or 15 years ago and if

1899

01:06:25,750 --> 01:06:23,520

you had somebody from congress

1900

01:06:27,990 --> 01:06:25,760

in an election year stand up and say hey

1901

01:06:29,270 --> 01:06:28,000

i want the ufo files declassified and

1902

01:06:31,430 --> 01:06:29,280

the people should know it

1903

01:06:33,349 --> 01:06:31,440

that dude is not getting reelected but

1904

01:06:37,349 --> 01:06:33,359

now mainstream

1905

01:06:41,029 --> 01:06:37,359

pop culture and general ideas and in

1906

01:06:44,390 --> 01:06:41,039

in democratic sentiment across the board

1907

01:06:47,430 --> 01:06:44,400

is starting to be a lot more accepted of

1908

01:06:49,349 --> 01:06:47,440

this ufo phenomena or the the the

1909

01:06:51,029 --> 01:06:49,359

idea that something else may be out

1910

01:06:53,990 --> 01:06:51,039

there that we may not be alone

1911

01:06:54,549 --> 01:06:54,000

so congress now has a little bit more

1912

01:06:56,710 --> 01:06:54,559

leeway

1913

01:06:58,309 --> 01:06:56,720

on an individual level a congressman has

1914

01:07:01,589 --> 01:06:58,319

a little bit more leeway

1915

01:07:03,510 --> 01:07:01,599

to look into it in a more open forum

1916

01:07:04,789 --> 01:07:03,520

without getting voted out of office as a

1917

01:07:06,549 --> 01:07:04,799

nut job so

1918

01:07:08,549 --> 01:07:06,559

the stigma that we had in the military

1919

01:07:09,910 --> 01:07:08,559

for not reporting it it translates

1920

01:07:11,829 --> 01:07:09,920

no matter where you are into the

1921

01:07:14,870 --> 01:07:11,839

government realm as well

1922

01:07:16,789 --> 01:07:14,880

so should they open up everything or do

1923

01:07:17,430 --> 01:07:16,799

it delicately that was the second part

1924

01:07:20,470 --> 01:07:17,440

of

1925

01:07:23,029 --> 01:07:20,480

andreas question i think

1926

01:07:24,069 --> 01:07:23,039

that my answer is probably the wrong

1927

01:07:26,630 --> 01:07:24,079

answer

1928

01:07:27,750 --> 01:07:26,640

i tend to think of myself now especially

1929

01:07:29,990 --> 01:07:27,760

because i don't trust

1930

01:07:30,870 --> 01:07:30,000

anybody anymore i tend to think of

1931

01:07:33,829 --> 01:07:30,880

myself now

1932

01:07:34,390 --> 01:07:33,839

more a little bit more of an anarchist

1933

01:07:38,789 --> 01:07:34,400

than

1934

01:07:41,270 --> 01:07:38,799

just should be laid out

1935

01:07:42,150 --> 01:07:41,280

you know open up the library of congress

1936

01:07:44,390 --> 01:07:42,160

open up

1937

01:07:46,549 --> 01:07:44,400

the secret files you know put guided

1938

01:07:49,910 --> 01:07:46,559

tours into area 51 and say

1939

01:07:53,029 --> 01:07:49,920

this is what we've got deal with it

1940

01:07:55,349 --> 01:07:53,039

had it for the past 65 years and

1941

01:07:57,190 --> 01:07:55,359

boom that's probably the wrong answer

1942

01:08:00,390 --> 01:07:57,200

hey i love it man

1943

01:08:02,069 --> 01:08:00,400

as a child of uh you know the punk rock

1944

01:08:04,390 --> 01:08:02,079

persuasion i uh

1945

01:08:05,589 --> 01:08:04,400

completely understand that sentiment and

1946

01:08:07,430 --> 01:08:05,599

i mean look

1947

01:08:08,630 --> 01:08:07,440

rip the band-aid off and see how

1948

01:08:11,029 --> 01:08:08,640

humanity

1949

01:08:12,230 --> 01:08:11,039

fares in some ways you know i mean look

1950

01:08:13,510 --> 01:08:12,240

at how we're dealing with a global

1951

01:08:17,110 --> 01:08:13,520

crisis right now

1952

01:08:18,149 --> 01:08:17,120

people are you know so you know divided

1953

01:08:19,910 --> 01:08:18,159

that it's it's

1954

01:08:22,630 --> 01:08:19,920

making things worse so you have to

1955

01:08:24,229 --> 01:08:22,640

wonder if we drop this disclosure bomb

1956

01:08:25,749 --> 01:08:24,239

is that gonna happen again or is it

1957

01:08:28,709 --> 01:08:25,759

gonna make things better

1958

01:08:30,470 --> 01:08:28,719

or worse these are huge sweeping

1959

01:08:32,789 --> 01:08:30,480

generalizations but uh yeah

1960

01:08:35,030 --> 01:08:32,799

yeah you have to wonder if you did take

1961

01:08:36,870 --> 01:08:35,040

that anarchist route and just

1962

01:08:38,229 --> 01:08:36,880

break everything down and build it up

1963

01:08:40,550 --> 01:08:38,239

again from scratch

1964

01:08:41,590 --> 01:08:40,560

you know maybe that is the answer you

1965

01:08:44,070 --> 01:08:41,600

know what i would love

1966

01:08:45,349 --> 01:08:44,080

ryan it i don't know the demographic of

1967

01:08:47,349 --> 01:08:45,359

your listener base

1968

01:08:48,390 --> 01:08:47,359

but if there are some of your guys that

1969

01:08:51,990 --> 01:08:48,400

are listening to this

1970

01:08:54,789 --> 01:08:52,000

that are working in ai

1971

01:08:55,510 --> 01:08:54,799

deep analytics game theory and things

1972

01:08:57,669 --> 01:08:55,520

like this

1973

01:08:59,189 --> 01:08:57,679

and and may have some university funding

1974

01:09:02,789 --> 01:08:59,199

money behind them

1975

01:09:05,510 --> 01:09:02,799

i would love for somebody to create

1976

01:09:06,630 --> 01:09:05,520

an open source and publicly accessible

1977

01:09:09,749 --> 01:09:06,640

simulation

1978

01:09:12,870 --> 01:09:09,759

on what happens to society

1979

01:09:13,910 --> 01:09:12,880

post disclosure i want to see the result

1980

01:09:15,430 --> 01:09:13,920

of that sim

1981

01:09:17,749 --> 01:09:15,440

interesting i never even thought of that

1982

01:09:19,749 --> 01:09:17,759

man like find those algorithms

1983

01:09:21,189 --> 01:09:19,759

that's fascinating hey any of my

1984

01:09:22,550 --> 01:09:21,199

listeners out there and i do have a

1985

01:09:24,870 --> 01:09:22,560

younger audience

1986

01:09:25,669 --> 01:09:24,880

than um a lot of these other ufo shows

1987

01:09:27,910 --> 01:09:25,679

tend to have

1988

01:09:29,749 --> 01:09:27,920

so if you're listening please reach out

1989

01:09:32,070 --> 01:09:29,759

to me possibly jeremy

1990

01:09:33,030 --> 01:09:32,080

we'll we'll see or i can um proxy that

1991

01:09:35,189 --> 01:09:33,040

to you um

1992

01:09:36,950 --> 01:09:35,199

please yeah i want that too now that you

1993

01:09:38,390 --> 01:09:36,960

mention it it was the thing i never knew

1994

01:09:41,510 --> 01:09:38,400

i wanted but i now want

1995

01:09:44,309 --> 01:09:41,520

um right well all right well here's

1996

01:09:44,789 --> 01:09:44,319

here's another one from electro dj on

1997

01:09:47,030 --> 01:09:44,799

twitter

1998

01:09:49,110 --> 01:09:47,040

love that name uh did anyone else you

1999

01:09:51,590 --> 01:09:49,120

worked with during this operation

2000

01:09:52,789 --> 01:09:51,600

think something was out of the ordinary

2001

01:09:55,030 --> 01:09:52,799

simply with the

2002

01:09:56,470 --> 01:09:55,040

cryptic nature of it all or do you think

2003

01:09:57,350 --> 01:09:56,480

that there possibly could have been some

2004

01:10:01,430 --> 01:09:57,360

sort of

2005

01:10:03,910 --> 01:10:01,440

cover this he did say it was

2006

01:10:05,189 --> 01:10:03,920

something possibly retrieved but um did

2007

01:10:07,590 --> 01:10:05,199

anyone else

2008

01:10:08,550 --> 01:10:07,600

i i guess to kind of um add to this

2009

01:10:11,110 --> 01:10:08,560

question jeremy

2010

01:10:12,790 --> 01:10:11,120

did anyone else ever tell you about ufo

2011

01:10:16,550 --> 01:10:12,800

activity at the space

2012

01:10:19,830 --> 01:10:16,560

or anything weird or mysterious going on

2013

01:10:21,430 --> 01:10:19,840

no no this was unlike any operation that

2014

01:10:23,750 --> 01:10:21,440

i'd ever been with and

2015

01:10:24,470 --> 01:10:23,760

you know nobody to answer the first part

2016

01:10:26,229 --> 01:10:24,480

of the question

2017

01:10:27,910 --> 01:10:26,239

did anybody work with during this

2018

01:10:28,790 --> 01:10:27,920

operation think something was out of the

2019

01:10:31,270 --> 01:10:28,800

ordinary

2020

01:10:32,229 --> 01:10:31,280

everybody that was there was out of the

2021

01:10:34,070 --> 01:10:32,239

ordinary

2022

01:10:36,229 --> 01:10:34,080

and everybody that was there was out of

2023

01:10:37,110 --> 01:10:36,239

the ordinary to everybody else that was

2024

01:10:39,910 --> 01:10:37,120

there

2025

01:10:41,830 --> 01:10:39,920

so the 75th ranger battalion would have

2026

01:10:43,350 --> 01:10:41,840

been looking at my unit going

2027

01:10:45,030 --> 01:10:43,360

what the hell are these guys doing my

2028

01:10:46,550 --> 01:10:45,040

unit's looking at the 75th going what

2029

01:10:48,470 --> 01:10:46,560

the hell are those guys doing here

2030

01:10:49,750 --> 01:10:48,480

the fbi is probably looking at the cia

2031

01:10:51,030 --> 01:10:49,760

going what the hell are those guys that

2032

01:10:52,630 --> 01:10:51,040

are doing here and the cia's probably

2033

01:10:53,910 --> 01:10:52,640

looking at the fbi going what the hell

2034

01:10:55,189 --> 01:10:53,920

are those guys doing here

2035

01:10:57,910 --> 01:10:55,199

and now that's at the boots on the

2036

01:10:59,830 --> 01:10:57,920

ground level somebody had coordinated

2037

01:11:01,510 --> 01:10:59,840

all of this and put all this together

2038

01:11:03,590 --> 01:11:01,520

and that's the group or the individual

2039

01:11:06,630 --> 01:11:03,600

or whomever that had

2040

01:11:10,229 --> 01:11:06,640

the complete and total picture but

2041

01:11:13,189 --> 01:11:10,239

this operation was so compartmentalized

2042

01:11:13,590 --> 01:11:13,199

that you didn't know the guys on the

2043

01:11:15,189 --> 01:11:13,600

ground

2044

01:11:17,110 --> 01:11:15,199

didn't know what the other guys on the

2045

01:11:18,310 --> 01:11:17,120

ground were doing everybody had a task

2046

01:11:20,390 --> 01:11:18,320

everybody had a purpose

2047

01:11:21,669 --> 01:11:20,400

and everybody executed it with military

2048

01:11:24,470 --> 01:11:21,679

precision

2049

01:11:25,990 --> 01:11:24,480

but we didn't know what the other side

2050

01:11:29,669 --> 01:11:26,000

was doing

2051
01:11:31,189 --> 01:11:29,679
so there wasn't an opportunity to

2052
01:11:33,270 --> 01:11:31,199
to think that somebody something was out

2053
01:11:34,790 --> 01:11:33,280
of the ordinary because everything was

2054
01:11:37,510 --> 01:11:34,800
out of the ordinary

2055
01:11:40,630 --> 01:11:37,520
i have to ask as an air force guy the

2056
01:11:42,870 --> 01:11:40,640
navy know as new ufo reporting protocol

2057
01:11:44,149 --> 01:11:42,880
the army is working with lou and to the

2058
01:11:47,669 --> 01:11:44,159
stars academy

2059
01:11:50,149 --> 01:11:47,679
on looking at materials possibly

2060
01:11:51,030 --> 01:11:50,159
extraterrestrial or not man-made that's

2061
01:11:53,350 --> 01:11:51,040
a whole other

2062
01:11:54,790 --> 01:11:53,360
conversation but i have to ask you as

2063
01:11:58,070 --> 01:11:54,800

former air force

2064

01:12:01,030 --> 01:11:58,080

why has the air force been so quiet

2065

01:12:03,110 --> 01:12:01,040

about all this i mean what what we would

2066

01:12:04,870 --> 01:12:03,120

we would assume they'd be the first

2067

01:12:06,229 --> 01:12:04,880

yeah we haven't been quiet you know what

2068

01:12:08,709 --> 01:12:06,239

we did

2069

01:12:10,390 --> 01:12:08,719

we created the space force mic drop

2070

01:12:12,229 --> 01:12:10,400

right there you're so right man

2071

01:12:13,990 --> 01:12:12,239

and even think about that everybody else

2072

01:12:16,470 --> 01:12:14,000

created a form

2073

01:12:17,990 --> 01:12:16,480

to report it we created a new branch of

2074

01:12:19,910 --> 01:12:18,000

the military

2075

01:12:21,750 --> 01:12:19,920

really good point especially right now

2076

01:12:25,350 --> 01:12:21,760

when we see what russia's up to

2077

01:12:26,149 --> 01:12:25,360

and uh possibly sending weapons up there

2078

01:12:27,510 --> 01:12:26,159

already man

2079

01:12:30,229 --> 01:12:27,520

didn't even think about that you're

2080

01:12:31,350 --> 01:12:30,239

right yeah i have no argument there

2081

01:12:34,229 --> 01:12:31,360

let's move to uh

2082

01:12:36,070 --> 01:12:34,239

let's move to peter on facebook he asks

2083

01:12:39,030 --> 01:12:36,080

what happened to the crate

2084

01:12:39,669 --> 01:12:39,040

after that did you ever see it again or

2085

01:12:41,990 --> 01:12:39,679

uh

2086

01:12:43,590 --> 01:12:42,000

yeah yeah what what happened there man

2087

01:12:43,910 --> 01:12:43,600

well that's that's what i was talking

2088

01:12:50,470 --> 01:12:43,920

about

2089

01:12:53,030 --> 01:12:50,480

80 percent self-convinced

2090

01:12:54,070 --> 01:12:53,040

position that i know what happened to

2091

01:12:57,430 --> 01:12:54,080

the crate

2092

01:12:57,990 --> 01:12:57,440

and that's what i i said has has pissed

2093

01:13:00,709 --> 01:12:58,000

me off

2094

01:13:02,709 --> 01:13:00,719

and that's what i said that it's a high

2095

01:13:04,310 --> 01:13:02,719

probability that the united states is

2096

01:13:07,750 --> 01:13:04,320

not the good guys

2097

01:13:09,110 --> 01:13:07,760

oftentimes and if that is true that has

2098

01:13:13,189 --> 01:13:09,120

changed

2099

01:13:16,950 --> 01:13:13,199

geopolitics

2100

01:13:20,950 --> 01:13:16,960

at the macro level nothing

2101

01:13:23,910 --> 01:13:20,960

nothing that happens can be

2102

01:13:24,790 --> 01:13:23,920

can be definitively explained upon first

2103

01:13:28,070 --> 01:13:24,800

viewing

2104

01:13:31,430 --> 01:13:28,080

anything that you see on

2105

01:13:32,149 --> 01:13:31,440

world news i mean words what maybe five

2106

01:13:34,870 --> 01:13:32,159

or six hours

2107

01:13:36,470 --> 01:13:34,880

in as we're recording this there was an

2108

01:13:39,830 --> 01:13:36,480

explosion in beirut

2109

01:13:41,910 --> 01:13:39,840

uh earlier today that looked or they're

2110

01:13:43,590 --> 01:13:41,920

saying it was a fireworks factory

2111

01:13:45,990 --> 01:13:43,600

that that went up but if you look at the

2112

01:13:48,070 --> 01:13:46,000

pressure wave that came off that thing

2113

01:13:49,430 --> 01:13:48,080

have your listeners look up what a czar

2114

01:13:53,350 --> 01:13:49,440

bomb is

2115

01:13:55,430 --> 01:13:53,360

and look at the uh the explosions

2116

01:13:56,790 --> 01:13:55,440

in the pressure wave from the tsar bomb

2117

01:13:58,550 --> 01:13:56,800

and then compare it

2118

01:13:59,990 --> 01:13:58,560

to the pressure wave that came off of

2119

01:14:02,229 --> 01:14:00,000

this fireworks factory yes

2120

01:14:03,830 --> 01:14:02,239

there was a fireworks factory there yes

2121

01:14:06,390 --> 01:14:03,840

you can see fireworks happening

2122

01:14:08,229 --> 01:14:06,400

yes the smoke was purple which probably

2123

01:14:09,990 --> 01:14:08,239

indicates potassium iodide

2124

01:14:12,550 --> 01:14:10,000

in in the in the smoke from the

2125

01:14:15,990 --> 01:14:12,560

fireworks but that pressure wave

2126

01:14:17,189 --> 01:14:16,000

was a singular explosion and it really

2127

01:14:19,430 --> 01:14:17,199

looks like something

2128

01:14:20,229 --> 01:14:19,440

like a tsar bomb and you put this

2129

01:14:22,709 --> 01:14:20,239

together

2130

01:14:24,229 --> 01:14:22,719

with the location being at a port and

2131

01:14:26,870 --> 01:14:24,239

being in beirut

2132

01:14:28,950 --> 01:14:26,880

and man i'm telling you if people

2133

01:14:30,229 --> 01:14:28,960

believe that that was a fireworks

2134

01:14:32,149 --> 01:14:30,239

processing facility

2135

01:14:34,229 --> 01:14:32,159

that caused that explosion and pressure

2136

01:14:36,709 --> 01:14:34,239

wave they are discounting

2137

01:14:38,070 --> 01:14:36,719

so many other things that it more than

2138

01:14:40,550 --> 01:14:38,080

likely is

2139

01:14:42,070 --> 01:14:40,560

everybody uses occam's razor you know in

2140

01:14:43,990 --> 01:14:42,080

if you don't know what the truth is this

2141

01:14:45,270 --> 01:14:44,000

no simplest explanation is probably the

2142

01:14:47,830 --> 01:14:45,280

right explanation

2143

01:14:48,630 --> 01:14:47,840

they're paraphrasing it but now that i

2144

01:14:50,470 --> 01:14:48,640

know

2145

01:14:52,229 --> 01:14:50,480

what the government does and what other

2146

01:14:55,030 --> 01:14:52,239

governments do

2147

01:14:56,070 --> 01:14:55,040

that is the simplest explanation man i

2148

01:14:58,390 --> 01:14:56,080

think that in that

2149

01:15:00,709 --> 01:14:58,400

case uh probably what happened in

2150

01:15:04,950 --> 01:15:00,719

lebanon is they were transporting

2151
01:15:08,310 --> 01:15:04,960
one of soviet's very powerful non-nuclear

2152
01:15:10,229 --> 01:15:08,320
uh bombs and somebody had an ups

2153
01:15:11,910 --> 01:15:10,239
well we'll let our conspiracy theorists

2154
01:15:14,149 --> 01:15:11,920
run with that but that is a highly

2155
01:15:15,110 --> 01:15:14,159
educated observation jeremy i'd say on

2156
01:15:17,270 --> 01:15:15,120
your part so

2157
01:15:18,310 --> 01:15:17,280
i'm not discounting anything absolutely

2158
01:15:20,310 --> 01:15:18,320
anything at this point

2159
01:15:21,669 --> 01:15:20,320
but to answer to answer peter's question

2160
01:15:24,630 --> 01:15:21,679
yes i've

2161
01:15:26,390 --> 01:15:24,640
i've tracked down people that were on

2162
01:15:29,270 --> 01:15:26,400
the receiving end of that crate

2163
01:15:30,630 --> 01:15:29,280

and were in different locations where

2164

01:15:32,470 --> 01:15:30,640

the crate ended up

2165

01:15:34,390 --> 01:15:32,480

and it doesn't make me happy we'll leave

2166

01:15:35,510 --> 01:15:34,400

it at that all right our last listener

2167

01:15:37,830 --> 01:15:35,520

question here comes from

2168

01:15:38,550 --> 01:15:37,840

lisa and quite a few others myself

2169

01:15:40,470 --> 01:15:38,560

included

2170

01:15:42,229 --> 01:15:40,480

have this question for you uh have you

2171

01:15:43,110 --> 01:15:42,239

talked to any of the other people that

2172

01:15:46,229 --> 01:15:43,120

lou interviewed

2173

01:15:47,110 --> 01:15:46,239

uh this season past season or not even

2174

01:15:50,229 --> 01:15:47,120

on the show

2175

01:15:51,669 --> 01:15:50,239

other military officers um yeah has this

2176
01:15:53,590 --> 01:15:51,679
kind of opened the world and the

2177
01:15:55,669 --> 01:15:53,600
discourse for you with other

2178
01:15:56,790 --> 01:15:55,679
service men and women about this topic

2179
01:15:59,350 --> 01:15:56,800
at all

2180
01:16:00,790 --> 01:15:59,360
it has but i approach it with caution uh

2181
01:16:02,149 --> 01:16:00,800
mike v

2182
01:16:03,350 --> 01:16:02,159
via i don't know how to pronounce his

2183
01:16:05,270 --> 01:16:03,360
name mike if you're listening i

2184
01:16:07,910 --> 01:16:05,280
apologize for butchering your name

2185
01:16:08,550 --> 01:16:07,920
uh mike was the guy that was featured in

2186
01:16:10,870 --> 01:16:08,560
the bright

2187
01:16:11,669 --> 01:16:10,880
the black triangle episode in episode

2188
01:16:13,830 --> 01:16:11,679

two

2189

01:16:16,470 --> 01:16:13,840

and he was the uh the naval signals

2190

01:16:18,070 --> 01:16:16,480

analyst that uh that was in episode two

2191

01:16:20,310 --> 01:16:18,080

mike and i tracked each other down and

2192

01:16:22,390 --> 01:16:20,320

we've had a series of conversations

2193

01:16:24,550 --> 01:16:22,400

and we've we've kind of refined our own

2194

01:16:28,709 --> 01:16:24,560

personal theories about things and

2195

01:16:32,229 --> 01:16:28,719

and shared uh a lot of things that

2196

01:16:33,669 --> 01:16:32,239

you're not going to see on the show

2197

01:16:35,830 --> 01:16:33,679

we've shared a lot of things that you're

2198

01:16:38,070 --> 01:16:35,840

probably not even going to see if you

2199

01:16:39,910 --> 01:16:38,080

uh if you dive into the black vault and

2200

01:16:42,870 --> 01:16:39,920

things like that just things that

2201

01:16:45,669 --> 01:16:42,880

that we've had access to that we're not

2202

01:16:48,870 --> 01:16:45,679

either capable or ready to

2203

01:16:49,430 --> 01:16:48,880

to mention but but yeah we've we've

2204

01:16:51,430 --> 01:16:49,440

talked

2205

01:16:52,709 --> 01:16:51,440

and some of the folks that i've known in

2206

01:16:55,750 --> 01:16:52,719

the military

2207

01:16:57,669 --> 01:16:55,760

uh have have reached out to me post show

2208

01:16:59,350 --> 01:16:57,679

and said hey i don't want to be on the

2209

01:17:00,709 --> 01:16:59,360

show i don't want to

2210

01:17:02,470 --> 01:17:00,719

have anything to do with this but i just

2211

01:17:04,310 --> 01:17:02,480

want to let you know that when i was in

2212

01:17:05,669 --> 01:17:04,320

iraq or when i was in irbil or when i

2213

01:17:07,669 --> 01:17:05,679

was in kandahar

2214

01:17:09,830 --> 01:17:07,679

uh you know i had i had a similar

2215

01:17:12,550 --> 01:17:09,840

experience and this is my story man

2216

01:17:13,830 --> 01:17:12,560

that's awesome yeah and i mean i will i

2217

01:17:16,390 --> 01:17:13,840

will be the first to admit

2218

01:17:18,390 --> 01:17:16,400

it was not easy tracking you down i uh i

2219

01:17:19,990 --> 01:17:18,400

had to get a little uh stalkerish in

2220

01:17:21,910 --> 01:17:20,000

terms of the internet but hey

2221

01:17:23,830 --> 01:17:21,920

it's the age we live in but uh i think

2222

01:17:25,430 --> 01:17:23,840

that's good because otherwise

2223

01:17:28,229 --> 01:17:25,440

man once you start talking about this

2224

01:17:30,229 --> 01:17:28,239

topic you're in it's like the mafia

2225

01:17:31,910 --> 01:17:30,239

there's no getting out so kind of

2226

01:17:34,070 --> 01:17:31,920

piggybacking off of that

2227

01:17:36,229 --> 01:17:34,080

where do we go from here your personal

2228

01:17:38,470 --> 01:17:36,239

thoughts on ufos and

2229

01:17:40,870 --> 01:17:38,480

these phenomena are we dealing with one

2230

01:17:44,550 --> 01:17:40,880

phenomenon when it comes to ufos

2231

01:17:46,470 --> 01:17:44,560

uh or multi phenomenon i guess is a good

2232

01:17:48,630 --> 01:17:46,480

way to put it um

2233

01:17:50,550 --> 01:17:48,640

what do you think is the most important

2234

01:17:53,030 --> 01:17:50,560

thing to take away from

2235

01:17:55,189 --> 01:17:53,040

uh your dive into this world of ufos and

2236

01:17:57,750 --> 01:17:55,199

for humanity overall i guess

2237

01:17:59,750 --> 01:17:57,760

pretty broad question there the absolute

2238

01:18:00,310 --> 01:17:59,760

most important thing to take away from

2239

01:18:03,030 --> 01:18:00,320

this

2240

01:18:04,390 --> 01:18:03,040

is don't trust and i'm sorry if i'm

2241

01:18:05,590 --> 01:18:04,400

cussing on your on your show i don't

2242

01:18:07,830 --> 01:18:05,600

know if you have to bleep that no

2243

01:18:09,270 --> 01:18:07,840

not at all don't trust what the

2244

01:18:11,830 --> 01:18:09,280

government's saying

2245

01:18:13,350 --> 01:18:11,840

don't trust anybody and don't even trust

2246

01:18:15,590 --> 01:18:13,360

your own eyes

2247

01:18:17,430 --> 01:18:15,600

until you can see it taste it hold it

2248

01:18:21,189 --> 01:18:17,440

feel it and verify it

2249

01:18:22,790 --> 01:18:21,199

don't trust it because this goes back to

2250

01:18:24,550 --> 01:18:22,800

what i think the government did with

2251

01:18:25,990 --> 01:18:24,560

that crate if they're capable of doing

2252

01:18:26,630 --> 01:18:26,000

that with the crate they're capable of

2253

01:18:29,669 --> 01:18:26,640

doing some

2254

01:18:33,750 --> 01:18:29,679

really nasty crap and

2255

01:18:37,430 --> 01:18:33,760

the second most important thing is

2256

01:18:39,590 --> 01:18:37,440

my personal belief yeah we're not alone

2257

01:18:41,830 --> 01:18:39,600

we're just we're just not it's a very

2258

01:18:43,350 --> 01:18:41,840

powerful statement i appreciate you

2259

01:18:44,950 --> 01:18:43,360

you know saying that especially with

2260

01:18:46,790 --> 01:18:44,960

what you've been through what you've

2261

01:18:49,750 --> 01:18:46,800

seen what you haven't seen

2262

01:18:51,590 --> 01:18:49,760

and uh everything in between jeremy um

2263

01:18:52,870 --> 01:18:51,600

that's all i have for you here man is

2264

01:18:54,950 --> 01:18:52,880

there anywhere

2265

01:18:56,470 --> 01:18:54,960

that listeners might be able to reach

2266

01:18:58,790 --> 01:18:56,480

out to you or um

2267

01:18:59,910 --> 01:18:58,800

would you rather remain private in terms

2268

01:19:02,229 --> 01:18:59,920

of that um

2269

01:19:03,669 --> 01:19:02,239

yeah anything you're willing to share a

2270

01:19:04,470 --> 01:19:03,679

little bit of column a and a little bit

2271

01:19:07,830 --> 01:19:04,480

of column b

2272

01:19:10,709 --> 01:19:07,840

um i'm findable you found me

2273

01:19:13,030 --> 01:19:10,719

so today uh right before this recording

2274

01:19:13,990 --> 01:19:13,040

i actually created a brand new twitter

2275

01:19:17,430 --> 01:19:14,000

account

2276

01:19:18,070 --> 01:19:17,440

just for uh these types of conversations

2277

01:19:24,950 --> 01:19:18,080

it's

2278

01:19:27,590 --> 01:19:24,960

compartmentalize

2279

01:19:29,510 --> 01:19:27,600

this if anybody wants to reach out to me

2280

01:19:31,830 --> 01:19:29,520

and and talk to me about this

2281

01:19:33,030 --> 01:19:31,840

uh they can they can get direct with me

2282

01:19:34,709 --> 01:19:33,040

i don't know if you want me to give it

2283

01:19:37,750 --> 01:19:34,719

to you over the air or if you want to

2284

01:19:38,790 --> 01:19:37,760

sure yeah okay so i'm gonna have to read

2285

01:19:40,709 --> 01:19:38,800

it because i haven't memorized it

2286

01:19:43,669 --> 01:19:40,719

because i just created it today

2287

01:19:44,750 --> 01:19:43,679

so it's uh my twitter for this is at

2288

01:19:48,630 --> 01:19:44,760

jeremy

2289

01:19:49,669 --> 01:19:48,640

j-e-r-e-m-y unidentified but it's not

2290

01:19:53,270 --> 01:19:49,679

spelled out it's

2291

01:19:56,870 --> 01:19:53,280

jeremy j e r e m y u n i

2292

01:19:59,830 --> 01:19:56,880

d e n t i o n e s o i t ' s j e r e m y

2293

01:20:01,750 --> 01:19:59,840

unidenti one you're gonna get a lot of

2294

01:20:03,750 --> 01:20:01,760

followers after this

2295

01:20:05,270 --> 01:20:03,760

man let's measure this because as of

2296

01:20:08,950 --> 01:20:05,280

right now i've got eight

2297

01:20:10,550 --> 01:20:08,960

okay okay hey the slow and steady uh

2298

01:20:13,750 --> 01:20:10,560

horse wins the race right

2299

01:20:14,550 --> 01:20:13,760

yeah took me years to get where i am so

2300

01:20:16,870 --> 01:20:14,560

um

2301

01:20:18,950 --> 01:20:16,880

brother i have to uh welcome you into

2302

01:20:21,270 --> 01:20:18,960

somewhere in this guy's family um i

2303

01:20:23,110 --> 01:20:21,280

thank you sincerely for all that you

2304

01:20:25,350 --> 01:20:23,120

shared with us today it was a lot

2305

01:20:26,629 --> 01:20:25,360

and uh your honest opinions are what we

2306

01:20:30,229 --> 01:20:26,639

want on this you know

2307

01:20:33,550 --> 01:20:30,239

we're so used to um carefully worded

2308

01:20:35,990 --> 01:20:33,560

documents and spin when it comes to uh

2309

01:20:37,110 --> 01:20:36,000

disinformation and and narratives and

2310

01:20:39,350 --> 01:20:37,120

agendas of

2311

01:20:40,310 --> 01:20:39,360

whether it's the government or military

2312

01:20:41,750 --> 01:20:40,320

so um

2313

01:20:43,350 --> 01:20:41,760

the fact that you were willing to come

2314

01:20:46,550 --> 01:20:43,360

forward on the show

2315

01:20:48,790 --> 01:20:46,560

and now on other outlets to share

2316

01:20:51,430 --> 01:20:48,800

what you saw and what you experienced uh

2317

01:20:53,830 --> 01:20:51,440

again it's only adding to that uh

2318

01:20:54,629 --> 01:20:53,840

that mountain of evidence that we we're

2319

01:20:56,550 --> 01:20:54,639

all looking for

2320

01:20:58,390 --> 01:20:56,560

so yeah is there anything you want to

2321

01:20:59,510 --> 01:20:58,400

leave the listeners with before we wrap

2322

01:21:01,350 --> 01:20:59,520

up here

2323

01:21:04,149 --> 01:21:01,360

uh the only thing that i want to say is

2324

01:21:05,990 --> 01:21:04,159

is that and and maybe we can we can push

2325

01:21:08,149 --> 01:21:06,000

this into a second interview later on

2326

01:21:09,990 --> 01:21:08,159

down the road or what have you but

2327

01:21:11,270 --> 01:21:10,000

there's a reason for this disclosure

2328

01:21:14,390 --> 01:21:11,280

push

2329

01:21:15,030 --> 01:21:14,400

something is happening hopefully for the

2330

01:21:17,030 --> 01:21:15,040

better

2331

01:21:19,270 --> 01:21:17,040

jeremy i have to thank you so much for

2332

01:21:21,910 --> 01:21:19,280

again for your service to our country

2333

01:21:23,510 --> 01:21:21,920

and uh for coming on here and talking

2334

01:21:25,270 --> 01:21:23,520

with me at length about this

2335

01:21:27,430 --> 01:21:25,280

and for joining me today on summer in

2336

01:21:29,380 --> 01:21:27,440

the skies absolutely it's been a

2337

01:21:31,270 --> 01:21:29,390

pleasure ryan thank you

2338

01:21:33,270 --> 01:21:31,280

[Music]

2339

01:21:35,590 --> 01:21:33,280
that's it for this week's episode if

2340

01:21:38,070 --> 01:21:35,600
some of you will recall i tweeted about

2341

01:21:38,950 --> 01:21:38,080
some disturbing things jeremy and i

2342

01:21:40,470 --> 01:21:38,960
discussed

2343

01:21:41,990 --> 01:21:40,480
and a lot of people asked what it

2344

01:21:44,550 --> 01:21:42,000
pertained to this

2345

01:21:45,430 --> 01:21:44,560
is the first time in somewhere in this

2346

01:21:47,750 --> 01:21:45,440
guy's history

2347

01:21:48,870 --> 01:21:47,760
that i could not share what a guest had

2348

01:21:51,270 --> 01:21:48,880
to tell me

2349

01:21:52,870 --> 01:21:51,280
for two reasons it was said in

2350

01:21:56,950 --> 01:21:52,880
confidence by our guest

2351
01:21:59,750 --> 01:21:56,960
and requested to not be made public yet

2352
01:22:00,870 --> 01:21:59,760
second where that crate ended up and for

2353
01:22:03,270 --> 01:22:00,880
what purpose

2354
01:22:04,950 --> 01:22:03,280
is something that can be tracked down

2355
01:22:07,270 --> 01:22:04,960
with enough research

2356
01:22:08,709 --> 01:22:07,280
i urge you to reach out to jeremy

2357
01:22:10,790 --> 01:22:08,719
mcgowan on twitter

2358
01:22:12,229 --> 01:22:10,800
he started a twitter account for this

2359
01:22:15,510 --> 01:22:12,239
very reason

2360
01:22:18,790 --> 01:22:15,520
so be sure to reach out to him at jeremy

2361
01:22:21,990 --> 01:22:18,800

2362
01:22:26,229 --> 01:22:22,000
jeremy u n i d e n

2363
01:22:28,390 --> 01:22:26,239

t i no matter the case his ufo event

2364

01:22:30,590 --> 01:22:28,400

adds to the growing list of military

2365

01:22:33,030 --> 01:22:30,600

witnesses coming forward to tell their

2366

01:22:35,270 --> 01:22:33,040

extraordinary ufo stories

2367

01:22:37,350 --> 01:22:35,280

and i thank him for keeping an open

2368

01:22:39,910 --> 01:22:37,360

dialogue with all of us

2369

01:22:40,950 --> 01:22:39,920

maybe someday and according to luis

2370

01:22:44,070 --> 01:22:40,960

elizondo

2371

the jordanian desert

2374

01:22:52,070 --> 01:22:50,800

01:22:55,510 --> 01:22:52,080

stuck around for a little

2376

01:22:56,390 --> 01:22:55,520

post-show patreon discussion we debrief
