1
00:00:07,990 --> 00:00:06,230
what's up guys ryan sprague here

2
00:00:10,950 --> 00:00:08,000
from somewhere in the skies just making

3
00:00:12,549 --> 00:00:10,960
sure this is working for everyone so uh

4
00:00:14,230 --> 00:00:12,559
let me know in the comments

5
00:00:17,109 --> 00:00:14,240
if you're seeing this right now if it's

6
00:00:19,029 --> 00:00:17,119
live if it's working um

7
00:00:20,150 --> 00:00:19,039
yeah so this is something i just threw

8
00:00:23,429 --> 00:00:20,160
together today

9
00:00:25,589 --> 00:00:23,439
um gonna give some

10
00:00:27,509 --> 00:00:25,599
information about stuff i'm doing what

11
00:00:28,630 --> 00:00:27,519
i'm up to uh while this lockdown

12
00:00:30,870 --> 00:00:28,640
continues

13
00:00:32,950 --> 00:00:30,880

um and take your questions whatever you

14

00:00:35,430 --> 00:00:32,960

want to ask me whether it's ufos

15

00:00:36,470 --> 00:00:35,440

or um you know anything else you've ever

16

00:00:38,630 --> 00:00:36,480

been interested in

17

00:00:39,910 --> 00:00:38,640

asking me i thought i would do it see if

18

00:00:43,110 --> 00:00:39,920

anyone cares

19

00:00:44,869 --> 00:00:43,120

um but other than that uh i will say

20

00:00:46,310 --> 00:00:44,879

um on youtube right now if you have

21

00:00:48,229 --> 00:00:46,320

comments or questions

22

00:00:49,510 --> 00:00:48,239

throw them in the chat there under the

23

00:00:51,830 --> 00:00:49,520

youtube video

24

00:00:53,350 --> 00:00:51,840

um i'll be able to see them uh if you're

25

00:00:56,069 --> 00:00:53,360

on facebook it's a little bit

26

00:00:57,510 --> 00:00:56,079

uh a little bit different um you'll see

27

00:01:00,630 --> 00:00:57,520

in the comments there in

28

00:01:02,709 --> 00:01:00,640

facebook live that i put us

29

00:01:04,310 --> 00:01:02,719

a link for stream yard so if you click

30

00:01:05,189 --> 00:01:04,320

on that you have to give access so that

31

00:01:07,350 --> 00:01:05,199

i can see

32

00:01:09,109 --> 00:01:07,360

your comments as they come in uh through

33

00:01:10,870 --> 00:01:09,119

stream yard the service that i'm using

34

00:01:12,630 --> 00:01:10,880

to stream this so just make sure you

35

00:01:13,270 --> 00:01:12,640

click on that it's totally safe no

36

00:01:14,710 --> 00:01:13,280

viruses

37

00:01:16,390 --> 00:01:14,720

and you just have to click one button to

38

00:01:17,910 --> 00:01:16,400

accept it so then i will see your

39

00:01:18,310 --> 00:01:17,920

comments and i should be able to put

40

00:01:21,510 --> 00:01:18,320

them

41

00:01:23,510 --> 00:01:21,520

on the screen as well um but yeah

42

00:01:26,070 --> 00:01:23,520

i'm gonna see what we've got going on

43

00:01:28,390 --> 00:01:26,080

here clear video audio thank you michael

44

00:01:29,510 --> 00:01:28,400

live hey hey nice work in here awesome

45

00:01:30,789 --> 00:01:29,520

thank you guys thank you for your

46

00:01:33,910 --> 00:01:30,799

comments already

47

00:01:37,030 --> 00:01:33,920

um let me see what i got

48

00:01:39,749 --> 00:01:37,040

all right perfect everything's coming in

49

00:01:41,429 --> 00:01:39,759

nice and clear on stream yard here so

50

00:01:44,149 --> 00:01:41,439

let's get to it um

51
00:01:45,109 --> 00:01:44,159
a lot's been happening i uh i recently

52
00:01:47,190 --> 00:01:45,119
came out with

53
00:01:48,789 --> 00:01:47,200
my second edition of somewhere in the

54
00:01:49,749 --> 00:01:48,799
skies a human approach to the ufo

55
00:01:52,950 --> 00:01:49,759
phenomenon

56
00:01:55,590 --> 00:01:52,960
a book that kind of uh um encapsulates

57
00:01:56,709 --> 00:01:55,600
the kind of ufo research i do and that's

58
00:01:58,870 --> 00:01:56,719
talking to people

59
00:02:00,389 --> 00:01:58,880
witnesses experiencers people who've

60
00:02:02,230 --> 00:02:00,399
seen stuff in the skies

61
00:02:04,230 --> 00:02:02,240
they could not explain and the many

62
00:02:06,709 --> 00:02:04,240
different possibilities that it could be

63
00:02:08,630 --> 00:02:06,719

and uh how it changed their lives i mean

64

00:02:10,550 --> 00:02:08,640

for some people they say ufo

65

00:02:11,910 --> 00:02:10,560

and that's it cool move on with their

66

00:02:14,390 --> 00:02:11,920

life for some

67

00:02:15,750 --> 00:02:14,400

it changes everything and there's a huge

68

00:02:17,910 --> 00:02:15,760

spectrum between that

69

00:02:19,350 --> 00:02:17,920

and i try to cover that and get to the

70

00:02:21,830 --> 00:02:19,360

heart of these mysteries

71

00:02:23,670 --> 00:02:21,840

one person at a time and uh the

72

00:02:25,830 --> 00:02:23,680

reception has just been

73

00:02:27,510 --> 00:02:25,840

absolutely incredible for the book and i

74

00:02:28,390 --> 00:02:27,520

have to thank all of you for your

75

00:02:31,350 --> 00:02:28,400

support

76

00:02:31,750 --> 00:02:31,360

um for the book and for my work and uh

77

00:02:34,869 --> 00:02:31,760

and

78

00:02:35,270 --> 00:02:34,879

uh mike gilliam over at uh the new york

79

00:02:37,910 --> 00:02:35,280

post

80

00:02:39,110 --> 00:02:37,920

wrote a beautiful write-up um over there

81

00:02:40,309 --> 00:02:39,120

for the book so i have to thank him

82

00:02:42,309 --> 00:02:40,319

personally for that

83

00:02:43,430 --> 00:02:42,319

and um beyond the freight publishing who

84

00:02:46,710 --> 00:02:43,440

published the book

85

00:02:49,190 --> 00:02:46,720

they are just a dream come true for

86

00:02:50,150 --> 00:02:49,200

an independent author to work with so uh

87

00:02:53,190 --> 00:02:50,160

we are currently

88

00:02:55,350 --> 00:02:53,200

after three weeks still number one

89

00:02:57,270 --> 00:02:55,360

in four different categories on amazon

90

00:02:58,869 --> 00:02:57,280

and that just blows my mind so

91

00:03:00,550 --> 00:02:58,879

thank you from the bottom of my heart

92

00:03:03,750 --> 00:03:00,560

this has just been um

93

00:03:04,470 --> 00:03:03,760

an incredible experience uh times are

94

00:03:07,030 --> 00:03:04,480

uncertain

95

00:03:08,869 --> 00:03:07,040

and um you know less and less we feel in

96

00:03:10,309 --> 00:03:08,879

control of things in our lives every day

97

00:03:12,630 --> 00:03:10,319

myself included

98

00:03:14,390 --> 00:03:12,640

and um just the amount of support you

99

00:03:17,430 --> 00:03:14,400

guys have given me just truly

100

00:03:20,229 --> 00:03:17,440

means a lot so thank you um

101
00:03:22,309 --> 00:03:20,239
besides that uh i released a new episode

102
00:03:24,789 --> 00:03:22,319
of the summer in the skies podcast

103
00:03:27,030 --> 00:03:24,799
uh today um it's up right now i've got a

104
00:03:28,470 --> 00:03:27,040
video version and an audio version

105
00:03:30,309 --> 00:03:28,480
um so you can listen to it on your

106
00:03:31,990 --> 00:03:30,319
podcast apps or you can watch it over on

107
00:03:32,710 --> 00:03:32,000
the ryan sprague youtube channel which

108
00:03:34,710 --> 00:03:32,720
some of you are

109
00:03:35,750 --> 00:03:34,720
at right now and my guest was caroline

110
00:03:38,470 --> 00:03:35,760
cory caroline

111
00:03:40,309 --> 00:03:38,480
is a uh a consciousness researcher

112
00:03:43,110 --> 00:03:40,319
looking into everything from

113
00:03:43,750 --> 00:03:43,120

psychokinesis telekinesis esp remote

114

00:03:47,190 --> 00:03:43,760

viewing

115

00:03:50,149 --> 00:03:47,200

all this crazy mind-blowing mind

116

00:03:52,149 --> 00:03:50,159

stuff that just goes far beyond what i'm

117

00:03:53,750 --> 00:03:52,159

capable of researching so uh

118

00:03:55,509 --> 00:03:53,760

it was really cool to get her on and

119

00:03:57,990 --> 00:03:55,519

talk about her new documentary

120

00:03:58,630 --> 00:03:58,000

which is called superhuman the invisible

121

00:04:00,550 --> 00:03:58,640

made

122

00:04:02,390 --> 00:04:00,560

visible and i will tell you right now

123

00:04:05,750 --> 00:04:02,400

it's one of the most um

124

00:04:07,670 --> 00:04:05,760

in-depth and credible coverage of these

125

00:04:08,470 --> 00:04:07,680

topics i've ever seen i mean she's doing

126

00:04:13,030 --> 00:04:08,480

experiment

127

00:04:15,350 --> 00:04:13,040

credentialed highly brilliant scientists

128

00:04:16,550 --> 00:04:15,360

and getting amazing results i was blown

129

00:04:17,990 --> 00:04:16,560

away by some of the

130

00:04:19,909 --> 00:04:18,000

evidence that they brought forth in the

131

00:04:22,469 --> 00:04:19,919

film that you get to see

132

00:04:23,350 --> 00:04:22,479

play out and uh check it out um

133

00:04:25,270 --> 00:04:23,360

superhuman

134

00:04:27,510 --> 00:04:25,280

the invisible made visible available on

135

00:04:30,070 --> 00:04:27,520

all streaming platforms right now or you

136

00:04:32,790 --> 00:04:30,080

can go to superhumanfilm.com

137

00:04:33,350 --> 00:04:32,800

uh and yeah please listen to the

138

00:04:35,189 --> 00:04:33,360

interview

139

00:04:36,629 --> 00:04:35,199

go watch the movie and uh support her

140

00:04:38,870 --> 00:04:36,639

work because i think it's uh

141

00:04:40,870 --> 00:04:38,880

it's crucial right now you know um like

142

00:04:41,590 --> 00:04:40,880

i said we feel less and less in control

143

00:04:43,909 --> 00:04:41,600

of everything

144

00:04:45,510 --> 00:04:43,919

in our lives and um if we can just tap

145

00:04:47,670 --> 00:04:45,520

into those parts of our brain

146

00:04:49,189 --> 00:04:47,680

that we don't usually use uh just

147

00:04:50,629 --> 00:04:49,199

imagine the possibilities

148

00:04:53,110 --> 00:04:50,639

and i'm not saying you know we're gonna

149

00:04:54,230 --> 00:04:53,120

be able to to bend spoons with our mind

150

00:04:56,469 --> 00:04:54,240

even though um

151
00:04:58,790 --> 00:04:56,479
i'm pretty sure some people can do that

152
00:05:00,790 --> 00:04:58,800
but uh one by one if we can just

153
00:05:02,230 --> 00:05:00,800
tap into those parts of our brain and

154
00:05:05,270 --> 00:05:02,240
explore consciousness

155
00:05:07,270 --> 00:05:05,280
at a uh a higher frequency then boom

156
00:05:08,870 --> 00:05:07,280
uh i think we would be better off for

157
00:05:10,550 --> 00:05:08,880
that as human beings so

158
00:05:12,469 --> 00:05:10,560
yeah that was um that was an interesting

159
00:05:14,230 --> 00:05:12,479
episode for me unlike anything i've ever

160
00:05:14,870 --> 00:05:14,240
covered on the show and i will be honest

161
00:05:21,990 --> 00:05:14,880
i

162
00:05:23,749 --> 00:05:22,000
documentary

163
00:05:25,670 --> 00:05:23,759

i'm convinced there is something to all

164

00:05:26,710 --> 00:05:25,680

of this and that consciousness plays a

165

00:05:29,990 --> 00:05:26,720

huge role

166

00:05:30,629 --> 00:05:30,000

in the ufo phenomenon in uh life after

167

00:05:33,430 --> 00:05:30,639

death

168

00:05:33,830 --> 00:05:33,440

and possibly what might come after we

169

00:05:36,790 --> 00:05:33,840

leave

170

00:05:37,350 --> 00:05:36,800

these vessels that we're in on this

171

00:05:38,950 --> 00:05:37,360

planet

172

00:05:40,390 --> 00:05:38,960

so yeah you know it might seem a little

173

00:05:42,070 --> 00:05:40,400

out there for some but um

174

00:05:43,909 --> 00:05:42,080

i highly suggest keeping an open mind

175

00:05:45,510 --> 00:05:43,919

and checking all of that out

176
00:05:47,990 --> 00:05:45,520
um i'm gonna go ahead and look at some

177
00:05:51,510 --> 00:05:48,000
of the comments we got here

178
00:05:55,350 --> 00:05:51,520
before i go any further hello rodrigo

179
00:05:59,510 --> 00:05:55,360
hi phillip hi gary um let's see

180
00:06:00,950 --> 00:05:59,520
uh let me hop this in here a defuse 56

181
00:06:03,110 --> 00:06:00,960
says ryan i love your excellent work

182
00:06:05,590 --> 00:06:03,120
what's your take on john keel

183
00:06:06,550 --> 00:06:05,600
thank you first of all defuse i'm

184
00:06:08,629 --> 00:06:06,560
working on an

185
00:06:10,870 --> 00:06:08,639
academic article arguing that he saw the

186
00:06:13,749 --> 00:06:10,880
importance of consciousness early on

187
00:06:14,230 --> 00:06:13,759
long before anyone else yeah so john

188
00:06:17,189 --> 00:06:14,240

keel

189

00:06:17,590 --> 00:06:17,199

is a really interesting guy for anyone

190

00:06:20,230 --> 00:06:17,600

who

191

00:06:22,629 --> 00:06:20,240

is not familiar with your his work uh

192

00:06:24,469 --> 00:06:22,639

he's best known for the mothman prophecy

193

00:06:26,790 --> 00:06:24,479

he wrote the book that was eventually

194

00:06:27,110 --> 00:06:26,800

made into a movie but this dude has just

195

00:06:30,230 --> 00:06:27,120

been

196

00:06:32,710 --> 00:06:30,240

um a pioneer in forefront for

197

00:06:33,670 --> 00:06:32,720

everything weird and strange that we all

198

00:06:35,830 --> 00:06:33,680

um

199

00:06:38,629 --> 00:06:35,840

look into every day if you're a ufo

200

00:06:41,110 --> 00:06:38,639

person or a ghost person or um

201
00:06:42,390 --> 00:06:41,120
whatever whatever it is he's looked into

202
00:06:45,029 --> 00:06:42,400
it and um

203
00:06:46,150 --> 00:06:45,039
i think john keel is on the dot with a

204
00:06:48,469 --> 00:06:46,160
lot of what he's

205
00:06:50,469 --> 00:06:48,479
looked into in the past and what we

206
00:06:52,550 --> 00:06:50,479
continue to research

207
00:06:53,510 --> 00:06:52,560
now moving forward with all of these

208
00:06:55,189 --> 00:06:53,520
topics so

209
00:06:57,270 --> 00:06:55,199
just building off the shoulders of

210
00:06:58,629 --> 00:06:57,280
giants as it were and um

211
00:07:00,710 --> 00:06:58,639
looking at their work and seeing how we

212
00:07:02,150 --> 00:07:00,720
can ask new questions in a new

213
00:07:04,309 --> 00:07:02,160

generation so um

214

00:07:06,230 --> 00:07:04,319

that's really cool good luck with the

215

00:07:06,790 --> 00:07:06,240

academic paper please let us know if

216

00:07:08,469 --> 00:07:06,800

it's ever

217

00:07:10,309 --> 00:07:08,479

available to the public i would love to

218

00:07:13,749 --> 00:07:10,319

read that

219

00:07:15,510 --> 00:07:13,759

all right floyd rock let's see

220

00:07:17,189 --> 00:07:15,520

thank you for your content it has opened

221

00:07:17,589 --> 00:07:17,199

so many doors for myself and so many

222

00:07:19,589 --> 00:07:17,599

others

223

00:07:21,990 --> 00:07:19,599

floyd i really appreciate that man hey

224

00:07:23,749 --> 00:07:22,000

if i can get even one person to kind of

225

00:07:25,510 --> 00:07:23,759

open up to the possibilities of what

226

00:07:27,350 --> 00:07:25,520

else could be out there i feel like i've

227

00:07:27,909 --> 00:07:27,360

done my job and i hope i've done that

228

00:07:30,150 --> 00:07:27,919

with

229

00:07:31,029 --> 00:07:30,160

the book and the podcast and in

230

00:07:34,550 --> 00:07:31,039

everything i do

231

00:07:37,589 --> 00:07:34,560

um you know i i have a personal life

232

00:07:40,230 --> 00:07:37,599

but ufos are a huge part of that

233

00:07:42,390 --> 00:07:40,240

and the fact that anyone takes even a

234

00:07:45,270 --> 00:07:42,400

moment to listen to something i say

235

00:07:45,830 --> 00:07:45,280

or um or even to you know read the book

236

00:07:48,390 --> 00:07:45,840

that's

237

00:07:50,150 --> 00:07:48,400

just amazing so thank you thank you

238

00:07:52,390 --> 00:07:50,160

we're all in this together um

239

00:07:53,430 --> 00:07:52,400

just uh i'm just a guy um who's really

240

00:07:55,510 --> 00:07:53,440

interested in it

241

00:07:57,110 --> 00:07:55,520

and uh i love doing it it's a passion of

242

00:07:58,790 --> 00:07:57,120

mine and it's uh

243

00:08:00,869 --> 00:07:58,800

kind of what i want to do with my life

244

00:08:03,270 --> 00:08:00,879

so thank you thank you that really means

245

00:08:06,710 --> 00:08:03,280

a lot to me

246

00:08:07,270 --> 00:08:06,720

uh peter says hello doll face oh thank

247

00:08:14,150 --> 00:08:07,280

you

248

00:08:15,670 --> 00:08:14,160

uh david jacobs is a alien abduction

249

00:08:17,510 --> 00:08:15,680

researcher for anyone out there not

250

00:08:19,189 --> 00:08:17,520

familiar with his work he's been in it

251
00:08:22,629 --> 00:08:19,199
for a really long time

252
00:08:23,510 --> 00:08:22,639
um i know he was a a college professor

253
00:08:24,950 --> 00:08:23,520
at one point

254
00:08:26,710 --> 00:08:24,960
looking into the topic of alien

255
00:08:28,390 --> 00:08:26,720
abductions uh

256
00:08:30,309 --> 00:08:28,400
and coming out on the other side a kind

257
00:08:32,709 --> 00:08:30,319
of on a dark and disturbing note

258
00:08:33,670 --> 00:08:32,719
i mean jacobs thinks that uh these alien

259
00:08:36,630 --> 00:08:33,680
abductions

260
00:08:37,110 --> 00:08:36,640
and whatnot are for a hybridization

261
00:08:39,269 --> 00:08:37,120
program

262
00:08:40,469 --> 00:08:39,279
if i'm not mistaken or aliens are trying

263
00:08:43,589 --> 00:08:40,479

to become

264

00:08:46,870 --> 00:08:43,599

human and infiltrate our our planet and

265

00:08:49,190 --> 00:08:46,880

eventually take over um

266

00:08:50,230 --> 00:08:49,200

maybe i don't know i i haven't really

267

00:08:52,389 --> 00:08:50,240

read his work

268

00:08:54,710 --> 00:08:52,399

to be honest he's a very controversial

269

00:08:57,269 --> 00:08:54,720

character in the alien abduction

270

00:08:57,910 --> 00:08:57,279

world and um you know he's been caught

271

00:08:59,829 --> 00:08:57,920

up in

272

00:09:01,350 --> 00:08:59,839

some controversies in the past and how

273

00:09:01,750 --> 00:09:01,360

he's dealt with patients that he worked

274

00:09:04,870 --> 00:09:01,760

with

275

00:09:08,150 --> 00:09:04,880

hypnotically regressing them and um

276

00:09:09,509 --> 00:09:08,160

yeah some shady stuff so um to be honest

277

00:09:10,150 --> 00:09:09,519

i haven't really thought about him in a

278

00:09:11,750 --> 00:09:10,160

long time

279

00:09:13,269 --> 00:09:11,760

it's probably for the better for my own

280

00:09:15,030 --> 00:09:13,279

research but um

281

00:09:17,190 --> 00:09:15,040

if anyone's interested you can find all

282

00:09:22,310 --> 00:09:17,200

of his books and stuff online um

283

00:09:24,550 --> 00:09:22,320

like i said keep an open mind

284

00:09:26,070 --> 00:09:24,560

aloha what's up phillip thanks buddy i

285

00:09:28,710 --> 00:09:26,080

am still in hawaii

286

00:09:29,990 --> 00:09:28,720

um living the aloha life i guess

287

00:09:32,389 --> 00:09:30,000

everything's shut down though

288

00:09:34,070 --> 00:09:32,399

like a lot of the world so like you

289

00:09:34,630 --> 00:09:34,080

can't go to the beach you can't go

290

00:09:36,949 --> 00:09:34,640

hiking

291

00:09:37,910 --> 00:09:36,959

so kind of the things you come to hawaii

292

00:09:40,550 --> 00:09:37,920

for are

293

00:09:41,750 --> 00:09:40,560

not accessible right now so i'm going to

294

00:09:43,190 --> 00:09:41,760

be doing a lot more of this kind of

295

00:09:45,910 --> 00:09:43,200

stuff trust me but um

296

00:09:47,190 --> 00:09:45,920

hey you know i love new york city where

297

00:09:49,269 --> 00:09:47,200

i live where i'm from

298

00:09:50,949 --> 00:09:49,279

and i can't wait to get back there but

299

00:09:53,670 --> 00:09:50,959

um yeah it's been cool

300

00:09:55,750 --> 00:09:53,680

just kind of being here and um doing my

301
00:09:58,070 --> 00:09:55,760
thing and coming out with a book and

302
00:09:58,949 --> 00:09:58,080
and i've got more projects coming out

303
00:10:01,350 --> 00:09:58,959
soon which i

304
00:10:02,710 --> 00:10:01,360
will touchley i will touchly i will

305
00:10:05,750 --> 00:10:02,720
briefly touch on

306
00:10:07,990 --> 00:10:05,760
whoo uh dyslexic there um

307
00:10:09,269 --> 00:10:08,000
yeah so hopefully i can share some more

308
00:10:11,910 --> 00:10:09,279
news with that soon

309
00:10:13,670 --> 00:10:11,920
great podcast thank you fabio thanks man

310
00:10:15,670 --> 00:10:13,680
i i really appreciate that

311
00:10:17,990 --> 00:10:15,680
let's see i just found out about it last

312
00:10:19,590 --> 00:10:18,000
week while researching ufo podcasts

313
00:10:21,190 --> 00:10:19,600

your podcast is one of the best

314

00:10:23,670 --> 00:10:21,200

greetings from brazil

315

00:10:25,269 --> 00:10:23,680

fabio thank you so much man and hey

316

00:10:27,750 --> 00:10:25,279

brazil is at the forefront

317

00:10:28,550 --> 00:10:27,760

of acceptance and embracing the ufo

318

00:10:30,470 --> 00:10:28,560

topic

319

00:10:32,230 --> 00:10:30,480

so thank you thank you for everything

320

00:10:34,310 --> 00:10:32,240

that your your um

321

00:10:35,990 --> 00:10:34,320

you know your region has done to

322

00:10:37,509 --> 00:10:36,000

legitimize this topic

323

00:10:39,190 --> 00:10:37,519

and i want to know what you think about

324

00:10:41,110 --> 00:10:39,200

the brazil ufo crash

325

00:10:43,590 --> 00:10:41,120

from a few months ago like was that a

326

00:10:44,949 --> 00:10:43,600

total hoax or what let me know fabio

327

00:10:48,230 --> 00:10:44,959

get boots on the ground there brother

328

00:10:51,509 --> 00:10:50,069

sean says i haven't left my apartment in

329

00:10:54,389 --> 00:10:51,519

nyc since the first

330

00:10:55,910 --> 00:10:54,399

week of march i miss everything dude i

331

00:10:57,910 --> 00:10:55,920

know the feeling i didn't leave

332

00:10:59,430 --> 00:10:57,920

my queen's apartment for a hundred days

333

00:11:02,470 --> 00:10:59,440

straight and i was going

334

00:11:03,670 --> 00:11:02,480

absolutely crazy and bonkers so you know

335

00:11:06,949 --> 00:11:03,680

my girlfriend and i

336

00:11:09,190 --> 00:11:06,959

we got out and um i feel so much better

337

00:11:10,230 --> 00:11:09,200

having done it but like i said i'm not

338

00:11:12,829 --> 00:11:10,240

quitting new york

339

00:11:14,069 --> 00:11:12,839

i can't wait to come back but um you

340

00:11:17,350 --> 00:11:14,079

know

341

00:11:18,470 --> 00:11:17,360

it's it's hard um my job in new york is

342

00:11:20,710 --> 00:11:18,480

non-existent

343

00:11:21,910 --> 00:11:20,720

so there's really no impetus to head

344

00:11:23,590 --> 00:11:21,920

back except for

345

00:11:25,670 --> 00:11:23,600

the love and compassion i feel for

346

00:11:27,910 --> 00:11:25,680

friends and family there

347

00:11:29,509 --> 00:11:27,920

and um and love of the city that's

348

00:11:31,829 --> 00:11:29,519

treated me so amazing for

349

00:11:33,030 --> 00:11:31,839

almost a decade of my life now so

350

00:11:35,590 --> 00:11:33,040

brother hang in there

351

00:11:37,030 --> 00:11:35,600

when i get back let's have a beer and uh

352

00:11:42,550 --> 00:11:37,040

stay six feet apart

353

00:11:46,069 --> 00:11:45,110

awesome um and forgive me i have another

354

00:11:47,910 --> 00:11:46,079

computer

355

00:11:49,910 --> 00:11:47,920

set up here where i'm checking any um

356

00:11:53,190 --> 00:11:49,920

facebook comments that don't make it in

357

00:11:54,389 --> 00:11:53,200

hi zach nice to see you here man really

358

00:11:56,629 --> 00:11:54,399

interested in hearing about the

359

00:11:57,990 --> 00:11:56,639

destructive aspects of experiencing life

360

00:11:59,350 --> 00:11:58,000

after experiencing

361

00:12:02,150 --> 00:11:59,360

michael that's a really interesting

362

00:12:03,509 --> 00:12:02,160

comment um yeah it's very traumatizing

363

00:12:05,829 --> 00:12:03,519

for people who've had

364

00:12:07,030 --> 00:12:05,839

what they consider alien abduction

365

00:12:09,350 --> 00:12:07,040

experiences

366

00:12:11,110 --> 00:12:09,360

uh or close encounters and again no

367

00:12:11,829 --> 00:12:11,120

matter what your thoughts are on those

368

00:12:15,030 --> 00:12:11,839

um

369

00:12:17,350 --> 00:12:15,040

i talk about it extensively in my book

370

00:12:19,670 --> 00:12:17,360

and uh it is traumatizing for a lot of

371

00:12:21,269 --> 00:12:19,680

people and they firmly believe

372

00:12:22,949 --> 00:12:21,279

that these things happen to them and i'm

373

00:12:25,430 --> 00:12:22,959

not going to take that away from them

374

00:12:27,030 --> 00:12:25,440

uh i wasn't there when it happened and

375

00:12:28,870 --> 00:12:27,040

anything could have happened so

376

00:12:30,870 --> 00:12:28,880

you know in the book i try to talk them

377

00:12:31,670 --> 00:12:30,880

through it come up with ideas of what it

378

00:12:33,509 --> 00:12:31,680

could be

379

00:12:34,790 --> 00:12:33,519

and um how they cope with it and deal

380

00:12:36,389 --> 00:12:34,800

with it so um

381

00:12:38,310 --> 00:12:36,399

yeah there is a destructive nature to

382

00:12:40,389 --> 00:12:38,320

all of this and it really is

383

00:12:41,509 --> 00:12:40,399

whether you reject it deny it or embrace

384

00:12:43,430 --> 00:12:41,519

it in your life

385

00:12:45,110 --> 00:12:43,440

and uh for me i think it's very

386

00:12:45,829 --> 00:12:45,120

empowering to come out and share your

387

00:12:47,350 --> 00:12:45,839

story

388

00:12:49,430 --> 00:12:47,360

even if it was just like a weird light

389

00:12:51,829 --> 00:12:49,440

in the sky like that's fine

390

00:12:52,550 --> 00:12:51,839

we can all talk about that our us

391

00:12:55,269 --> 00:12:52,560

government

392

00:12:56,150 --> 00:12:55,279

is acknowledging yeah you guys see stuff

393

00:12:58,550 --> 00:12:56,160

we see stuff

394

00:12:59,670 --> 00:12:58,560

we can't explain it and within the next

395

00:13:01,990 --> 00:12:59,680

few months or so

396

00:13:03,670 --> 00:13:02,000

uh the pentagon is going to be creating

397

00:13:05,910 --> 00:13:03,680

a ufo task force if not

398

00:13:08,230 --> 00:13:05,920

already and investigating these things

399

00:13:10,710 --> 00:13:08,240

so like it's okay to talk about it

400

00:13:11,750 --> 00:13:10,720

that stigma and ridicule is is shedding

401
00:13:15,069 --> 00:13:11,760
very quickly

402
00:13:18,069 --> 00:13:15,079
um in this crazy post

403
00:13:21,750 --> 00:13:18,079
2017 new york times article

404
00:13:24,790 --> 00:13:21,760
and post pandemic i shouldn't say post

405
00:13:27,190 --> 00:13:24,800
we are still deep in the belly of this

406
00:13:28,949 --> 00:13:27,200
pandemic so everyone be safe be smart

407
00:13:30,389 --> 00:13:28,959
and i'm wishing you all the health out

408
00:13:33,829 --> 00:13:30,399
there um

409
00:13:34,470 --> 00:13:33,839
yeah well i really got off on that um

410
00:13:37,990 --> 00:13:34,480
that didn't

411
00:13:39,910 --> 00:13:38,000
sound right wow someone's gonna use that

412
00:13:43,189 --> 00:13:39,920
against me in the future i know they are

413
00:13:43,590 --> 00:13:43,199

um no free diving nick says nah sorry

414

00:13:47,110 --> 00:13:43,600

brother

415

00:13:51,030 --> 00:13:47,120

wasn't able to get out there um

416

00:13:52,790 --> 00:13:51,040

let's see if i'm missing anything here

417

00:13:55,189 --> 00:13:52,800

tim says ryan what did you think of the

418

00:13:58,310 --> 00:13:55,199

season finale of unidentified

419

00:13:59,829 --> 00:13:58,320

um tim i thought it was awesome uh for

420

00:14:01,590 --> 00:13:59,839

anyone who's not familiar the history

421

00:14:03,750 --> 00:14:01,600

channel has a television series

422

00:14:04,870 --> 00:14:03,760

that just wrapped up their second season

423

00:14:07,910 --> 00:14:04,880

called unidentified

424

00:14:08,870 --> 00:14:07,920

inside america's ufo investigation and

425

00:14:12,069 --> 00:14:08,880

it's by the group

426

00:14:12,790 --> 00:14:12,079

um to the stars academy uh who some of

427

00:14:15,430 --> 00:14:12,800

you might know

428

00:14:15,990 --> 00:14:15,440

tom delong former front man of link 182

429

00:14:19,030 --> 00:14:16,000

started this

430

00:14:21,990 --> 00:14:19,040

company to investigate ufos and uh

431

00:14:23,509 --> 00:14:22,000

look into um high-tech stuff and

432

00:14:25,829 --> 00:14:23,519

hopefully build a spaceship

433

00:14:27,269 --> 00:14:25,839

get us all out of this crazy hell hole

434

00:14:29,590 --> 00:14:27,279

we're living in right now

435

00:14:30,629 --> 00:14:29,600

someday but um no doing amazing work and

436

00:14:33,269 --> 00:14:30,639

the show is awesome

437

00:14:35,590 --> 00:14:33,279

so if anyone's interested um history

438

00:14:38,629 --> 00:14:35,600

channel i think is re-airing it a bunch

439

00:14:40,389 --> 00:14:38,639

or um go to history.com you can watch it

440

00:14:41,750 --> 00:14:40,399

or it's on amazon prime too that's how i

441

00:14:43,910 --> 00:14:41,760

watch the finale

442

00:14:45,189 --> 00:14:43,920

and uh awesome i thought it was great

443

00:14:46,870 --> 00:14:45,199

you know um

444

00:14:49,110 --> 00:14:46,880

they spent the whole season talking

445

00:14:51,590 --> 00:14:49,120

about military encounters with ufos

446

00:14:53,750 --> 00:14:51,600

and we got something like 70 new cases

447

00:14:54,629 --> 00:14:53,760

that like no ufo researchers really ever

448

00:14:56,550 --> 00:14:54,639

knew about

449

00:14:58,470 --> 00:14:56,560

um having to do with like ufos over

450

00:15:01,269 --> 00:14:58,480

nuclear installations

451
00:15:02,550 --> 00:15:01,279
and um just a lot of weird stuff and uh

452
00:15:04,629 --> 00:15:02,560
while we're on that topic

453
00:15:06,389 --> 00:15:04,639
i recently did a interview with one of

454
00:15:08,870 --> 00:15:06,399
the people that was featured in

455
00:15:10,069 --> 00:15:08,880
the ufos in nukes episode of

456
00:15:12,550 --> 00:15:10,079
unidentified

457
00:15:14,550 --> 00:15:12,560
and um and had him on the show to talk

458
00:15:17,509 --> 00:15:14,560
about this amazing

459
00:15:19,350 --> 00:15:17,519
ufo event he had in the jordanian desert

460
00:15:20,470 --> 00:15:19,360
where he was told to guard a crate in

461
00:15:22,150 --> 00:15:20,480
the middle of the desert

462
00:15:23,509 --> 00:15:22,160
he had no idea what was in the crate

463
00:15:24,310 --> 00:15:23,519

they didn't tell him what it was just

464

00:15:26,710 --> 00:15:24,320

guard it

465

00:15:27,590 --> 00:15:26,720

and then a ufo came and hovered over

466

00:15:29,670 --> 00:15:27,600

this crate

467

00:15:31,590 --> 00:15:29,680

and uh changed this guy's life forever

468

00:15:34,230 --> 00:15:31,600

so what the hell was in the crate

469

00:15:35,670 --> 00:15:34,240

why was this ufo over it and um why

470

00:15:37,829 --> 00:15:35,680

don't we know what happened

471

00:15:38,870 --> 00:15:37,839

uh check that out it's called the crate

472

00:15:40,790 --> 00:15:38,880

in the desert

473

00:15:42,230 --> 00:15:40,800

and it was um on the summer in the skies

474

00:15:46,389 --> 00:15:42,240

podcast recently

475

00:15:47,990 --> 00:15:46,399

and uh if what this guy says is true uh

476

00:15:49,910 --> 00:15:48,000

it shows that america is not always the

477

00:15:53,030 --> 00:15:49,920

good guy and i think a lot of us

478

00:15:55,110 --> 00:15:53,040

know that um but uh pretty controversial

479

00:15:57,269 --> 00:15:55,120

to say the least so yeah check out that

480

00:15:59,670 --> 00:15:57,279

interview go check out unidentified

481

00:16:02,389 --> 00:15:59,680

on the history channel and um yeah keep

482

00:16:07,350 --> 00:16:05,749

all right sean asks

483

00:16:09,110 --> 00:16:07,360

what's the best way to contact you about

484

00:16:12,389 --> 00:16:09,120

a story i have two uh

485

00:16:13,670 --> 00:16:12,399

sean please please reach out to me i

486

00:16:16,389 --> 00:16:13,680

love hearing stories

487

00:16:17,829 --> 00:16:16,399

as some of you may know i do a special

488

00:16:19,590 --> 00:16:17,839

series on the someone in the skies

489

00:16:22,230 --> 00:16:19,600

podcast called witness accounts

490

00:16:24,310 --> 00:16:22,240

where you send me a audio recording of

491

00:16:26,389 --> 00:16:24,320

you recalling your ufo story

492

00:16:28,230 --> 00:16:26,399

in your own words what you thought it

493

00:16:30,230 --> 00:16:28,240

was how it affected you

494

00:16:31,829 --> 00:16:30,240

and um share that with the public in

495

00:16:32,389 --> 00:16:31,839

fact i have a witness accounts episode

496

00:16:36,550 --> 00:16:32,399

coming up

497

00:16:38,790 --> 00:16:36,560

very very soon with some amazing cases

498

00:16:40,829 --> 00:16:38,800

um that i personally want to investigate

499

00:16:42,230 --> 00:16:40,839

so yeah please you can go to

500

00:16:44,310 --> 00:16:42,240

summerinthisguys.com

501
00:16:47,269 --> 00:16:44,320
use the contact tab and you can reach me

502
00:16:50,310 --> 00:16:47,279
there or i'm always available on

503
00:16:51,829 --> 00:16:50,320
facebook twitter um however you want man

504
00:16:52,629 --> 00:16:51,839
reach out to me on any of my social

505
00:16:54,949 --> 00:16:52,639
media

506
00:16:56,150 --> 00:16:54,959
or the easiest way is to email me um

507
00:16:58,150 --> 00:16:56,160
through the contact tab

508
00:17:01,829 --> 00:16:58,160
at somewhere in the skies.com i'd love

509
00:17:06,789 --> 00:17:04,870
let's see here peter says hello again i

510
00:17:08,230 --> 00:17:06,799
what about john mack was he 100 sure

511
00:17:10,549 --> 00:17:08,240
that abductions were real

512
00:17:12,630 --> 00:17:10,559
uh peter thanks for asking that man um

513
00:17:14,949 --> 00:17:12,640

while we're on the topic of ufo

514

00:17:16,710 --> 00:17:14,959

abductions or alien abductions john mack

515

00:17:19,829 --> 00:17:16,720

for those of you who don't know was a

516

00:17:22,870 --> 00:17:19,839

harvard uh psychiatrist who wrote an

517

00:17:25,189 --> 00:17:22,880

amazing book about alien abductions and

518

00:17:26,230 --> 00:17:25,199

his look into it and could this be a

519

00:17:29,430 --> 00:17:26,240

psychological

520

00:17:31,430 --> 00:17:29,440

um you know anomaly or are these people

521

00:17:33,990 --> 00:17:31,440

really experiencing these things

522

00:17:34,789 --> 00:17:34,000

and he was thoroughly convinced that

523

00:17:37,190 --> 00:17:34,799

something was

524

00:17:38,470 --> 00:17:37,200

going on and something happened to these

525

00:17:40,230 --> 00:17:38,480

people they were saying

526

00:17:42,310 --> 00:17:40,240

they were not fantasy prone they were

527

00:17:42,789 --> 00:17:42,320

not delusional they were not making it

528

00:17:44,870 --> 00:17:42,799

up

529

00:17:46,630 --> 00:17:44,880

uh something happened to them and i kind

530

00:17:49,110 --> 00:17:46,640

of am still under that

531

00:17:50,070 --> 00:17:49,120

assumption myself that yeah something

532

00:17:52,470 --> 00:17:50,080

happened to these people

533

00:17:53,190 --> 00:17:52,480

i don't know what um they might not know

534

00:17:55,669 --> 00:17:53,200

what but

535

00:17:57,110 --> 00:17:55,679

let's talk about it and uh and not make

536

00:17:58,150 --> 00:17:57,120

fun of it and try to figure it out

537

00:18:00,710 --> 00:17:58,160

together so

538

00:18:01,909 --> 00:18:00,720

yeah um there's a documentary coming out

539

00:18:03,590 --> 00:18:01,919

about john mack i

540

00:18:08,230 --> 00:18:03,600

think in the near future so keep your

541

00:18:16,549 --> 00:18:14,150

all right let's see

542

00:18:18,310 --> 00:18:16,559

ryan you've been on a few great tv shows

543

00:18:20,310 --> 00:18:18,320

in the past any coming soon

544

00:18:21,990 --> 00:18:20,320

thank you rodrigo i appreciate that man

545

00:18:24,150 --> 00:18:22,000

uh yes actually

546

00:18:26,070 --> 00:18:24,160

exciting news to share with you guys um

547

00:18:29,669 --> 00:18:26,080

the television series that

548

00:18:31,750 --> 00:18:29,679

i co-host uh sporadically and um

549

00:18:34,310 --> 00:18:31,760

co-investigate on is called mysteries

550

00:18:36,310 --> 00:18:34,320

decoded it's on the cw network

551

00:18:38,390 --> 00:18:36,320

and right now they are re-airing our

552

00:18:41,350 --> 00:18:38,400

first season but there is

553

00:18:42,789 --> 00:18:41,360

new content um we've updated all our

554

00:18:45,190 --> 00:18:42,799

investigations

555

00:18:47,190 --> 00:18:45,200

and uh we have brand new evidence to

556

00:18:49,590 --> 00:18:47,200

bring forward in our investigations

557

00:18:50,390 --> 00:18:49,600

and i'm super excited um it just started

558

00:18:52,070 --> 00:18:50,400

last week

559

00:18:53,990 --> 00:18:52,080

they re-aired the bigfoot episode and

560

00:18:56,390 --> 00:18:54,000

they had my buddy andrew sanford

561

00:18:58,310 --> 00:18:56,400

who is a budding cryptozoologist and a

562

00:18:59,350 --> 00:18:58,320

uh a writer in new york city and one of

563

00:19:01,590 --> 00:18:59,360

my best friends

564

00:19:03,270 --> 00:19:01,600

uh he went out to british columbia and

565

00:19:03,830 --> 00:19:03,280

investigated bigfoot with jennifer

566

00:19:06,470 --> 00:19:03,840

marshall

567

00:19:08,390 --> 00:19:06,480

the host of the television show and uh

568

00:19:10,870 --> 00:19:08,400

they have some stunning new stuff

569

00:19:11,909 --> 00:19:10,880

to look at and they updated us on that

570

00:19:14,630 --> 00:19:11,919

um as for me

571

00:19:16,070 --> 00:19:14,640

yes i have my investigations into the

572

00:19:18,950 --> 00:19:16,080

roswell ufo crash

573

00:19:19,990 --> 00:19:18,960

and also my investigation into area 51

574

00:19:22,549 --> 00:19:20,000

bob lazar

575

00:19:23,590 --> 00:19:22,559

and the recent navy ufo videos that

576

00:19:26,310 --> 00:19:23,600

we've all seen

577

00:19:28,630 --> 00:19:26,320

um and we have some really interesting

578

00:19:30,630 --> 00:19:28,640

interviews and updates to both of those

579

00:19:31,909 --> 00:19:30,640

episodes so um be on the lookout for

580

00:19:32,950 --> 00:19:31,919

those in the coming weeks i'll be

581

00:19:35,909 --> 00:19:32,960

posting about it

582

00:19:36,789 --> 00:19:35,919

on social media um or you know if you

583

00:19:40,870 --> 00:19:36,799

have like

584

00:19:42,789 --> 00:19:40,880

uh dish tv um just go to cw and record

585

00:19:44,230 --> 00:19:42,799

the entire mysteries decoded series so

586

00:19:47,110 --> 00:19:44,240

you won't miss an episode

587

00:19:48,549 --> 00:19:47,120

um also episodes are available to stream

588

00:19:51,750 --> 00:19:48,559

the day after the air

589

00:19:53,270 --> 00:19:51,760
at cwc dot com you can stream it

590

00:19:55,510 --> 00:19:53,280
completely for free

591

00:19:57,110 --> 00:19:55,520
um and yeah so it airs i believe

592

00:19:58,870 --> 00:19:57,120
thursdays and then you can stream it

593

00:20:01,430 --> 00:19:58,880
free on fridays at this

594

00:20:01,909 --> 00:20:01,440
uh cwc so yeah be on the lookout for

595

00:20:09,270 --> 00:20:01,919
that

596

00:20:10,149 --> 00:20:09,280
i can't really talk about right now but

597

00:20:11,510 --> 00:20:10,159
rest assured

598

00:20:14,310 --> 00:20:11,520
hopefully you'll be hearing more about

599

00:20:16,470 --> 00:20:14,320
those very very soon i'm very excited

600

00:20:22,070 --> 00:20:16,480
about it

601
00:20:25,510 --> 00:20:23,750
peter says can't someone tell president

602
00:20:27,750 --> 00:20:25,520
trump that quote you haven't got the

603
00:20:28,390 --> 00:20:27,760
balls to disclosure and could that may

604
00:20:31,590 --> 00:20:28,400
work

605
00:20:34,070 --> 00:20:31,600
it could man hey i've said it on um

606
00:20:34,870 --> 00:20:34,080
interviews recently with my buddy jaz

607
00:20:37,750 --> 00:20:34,880
shaw

608
00:20:38,549 --> 00:20:37,760
and um also in some upcoming interviews

609
00:20:41,669 --> 00:20:38,559
that i did

610
00:20:44,390 --> 00:20:41,679
that this could be a crazy

611
00:20:45,190 --> 00:20:44,400
um election season as if it isn't

612
00:20:48,549 --> 00:20:45,200
already

613
00:20:49,430 --> 00:20:48,559

um we could see some mic drops either

614

00:20:52,230 --> 00:20:49,440

from trump or

615

00:20:53,990 --> 00:20:52,240

biden uh with this topic i guarantee you

616

00:20:54,549 --> 00:20:54,000

the topic of ufos will come up at least

617

00:20:57,510 --> 00:20:54,559

once

618

00:20:59,350 --> 00:20:57,520

in the debates it has to um mainly

619

00:20:59,990 --> 00:20:59,360

because trump has been vocal about it

620

00:21:03,430 --> 00:21:00,000

lately

621

00:21:05,510 --> 00:21:03,440

and biden hasn't um so maybe maybe it's

622

00:21:05,990 --> 00:21:05,520

a card one of them is gonna pull i don't

623

00:21:09,270 --> 00:21:06,000

know

624

00:21:12,310 --> 00:21:09,280

but hey let's say hypothetically that um

625

00:21:14,870 --> 00:21:12,320

a trump loses he could just

626
00:21:16,390 --> 00:21:14,880
boom say everything he wants and be like

627
00:21:19,190 --> 00:21:16,400
i don't care i'm out of here

628
00:21:22,149 --> 00:21:19,200
um or or or not or it could go the

629
00:21:23,669 --> 00:21:22,159
opposite way i don't know um

630
00:21:25,990 --> 00:21:23,679
i don't want to get into politics it's

631
00:21:26,789 --> 00:21:26,000
so contentious i'm trying to um get much

632
00:21:29,430 --> 00:21:26,799
better at

633
00:21:30,070 --> 00:21:29,440
not talking about politics and bridging

634
00:21:31,909 --> 00:21:30,080
those gaps

635
00:21:33,510 --> 00:21:31,919
between people who have different

636
00:21:35,190 --> 00:21:33,520
mindsets but um

637
00:21:37,750 --> 00:21:35,200
yeah rest assured i think we haven't

638
00:21:39,990 --> 00:21:37,760

heard the last about ufos within the

639

00:21:41,830 --> 00:21:40,000

political sphere that's for damn sure

640

00:21:43,110 --> 00:21:41,840

especially now that the uh senate

641

00:21:45,590 --> 00:21:43,120

intelligence committee

642

00:21:46,149 --> 00:21:45,600

is drafting a bill to look into ufos and

643

00:21:48,470 --> 00:21:46,159

make that

644

00:21:50,310 --> 00:21:48,480

information available to the public

645

00:21:53,190 --> 00:21:50,320

through senator marc rubio

646

00:21:54,310 --> 00:21:53,200

and a few others so um yeah we can't

647

00:21:57,830 --> 00:21:54,320

escape politics

648

00:22:00,149 --> 00:21:57,840

when it comes to ufos it's embedded into

649

00:22:01,750 --> 00:22:00,159

the topic and i look forward and don't

650

00:22:03,430 --> 00:22:01,760

look forward to whatever

651
00:22:06,310 --> 00:22:03,440
people have to say about it in that

652
00:22:08,950 --> 00:22:06,320
world so yeah stay tuned man maybe

653
00:22:12,390 --> 00:22:08,960
maybe trump will uh disclose everything

654
00:22:17,110 --> 00:22:12,400
i don't know

655
00:22:21,430 --> 00:22:19,110
all right stick with me guys i'm trying

656
00:22:25,430 --> 00:22:21,440
to get to everything here

657
00:22:27,190 --> 00:22:25,440
um sarah hello sarah hello nick um

658
00:22:29,029 --> 00:22:27,200
lonnie asks any planned field

659
00:22:31,110 --> 00:22:29,039
investigations this year

660
00:22:32,149 --> 00:22:31,120
yes as soon as i can get out there man

661
00:22:35,190 --> 00:22:32,159
and travel is

662
00:22:37,110 --> 00:22:35,200
like more acceptable and um we can all

663
00:22:39,270 --> 00:22:37,120

kind of go back to our

664

00:22:40,549 --> 00:22:39,280

normal lives even though what will that

665

00:22:43,430 --> 00:22:40,559

look like i don't know

666

00:22:43,990 --> 00:22:43,440

um i have a active investigation i'm on

667

00:22:46,070 --> 00:22:44,000

um

668

00:22:47,110 --> 00:22:46,080

in michigan and i can't really say

669

00:22:49,669 --> 00:22:47,120

anything else about it

670

00:22:50,950 --> 00:22:49,679

except you can read the entire story in

671

00:22:51,669 --> 00:22:50,960

the new edition of somewhere in the

672

00:22:54,630 --> 00:22:51,679

skies

673

00:22:56,630 --> 00:22:54,640

the book um so yeah that's when i'm

674

00:22:58,870 --> 00:22:56,640

really excited to get out there

675

00:22:59,669 --> 00:22:58,880

and um continue investigating it's one

676
00:23:01,430 --> 00:22:59,679
of the

677
00:23:03,669 --> 00:23:01,440
most interesting and compelling cases

678
00:23:07,110 --> 00:23:03,679
i've come across with multi witnesses

679
00:23:10,310 --> 00:23:07,120
all of whom i've spoken to and uh yeah

680
00:23:12,070 --> 00:23:10,320
stay tuned for that also i have um i

681
00:23:14,630 --> 00:23:12,080
guess i can talk about this

682
00:23:15,430 --> 00:23:14,640
um i have exciting news to share about

683
00:23:17,909 --> 00:23:15,440
um

684
00:23:18,789 --> 00:23:17,919
i will be contributing to the uh the

685
00:23:21,590 --> 00:23:18,799
press

686
00:23:22,149 --> 00:23:21,600
and the media aspect of a very exciting

687
00:23:25,430 --> 00:23:22,159
group

688
00:23:28,710 --> 00:23:25,440

called uapx uap expeditions

689

00:23:32,149 --> 00:23:28,720

um this is comprised of four of the

690

00:23:35,270 --> 00:23:32,159

witnesses to the famous navy ufo

691

00:23:37,110 --> 00:23:35,280

tic tac event uh four of these guys

692

00:23:39,029 --> 00:23:37,120

came together they formed a group with

693

00:23:42,149 --> 00:23:39,039

all these amazing scientists

694

00:23:43,750 --> 00:23:42,159

and um technicians and and

695

00:23:45,750 --> 00:23:43,760

everyone you could think of involved

696

00:23:46,470 --> 00:23:45,760

with this awesome thing physicists and

697

00:23:48,390 --> 00:23:46,480

everything

698

00:23:50,149 --> 00:23:48,400

they're gonna go out to where the tic

699

00:23:52,070 --> 00:23:50,159

tic ufo event occurred

700

00:23:53,190 --> 00:23:52,080

and see if they can see any

701
00:23:55,110 --> 00:23:53,200
repeatability

702
00:23:56,310 --> 00:23:55,120
are we going to see more ufos out there

703
00:23:58,390 --> 00:23:56,320
is there anything

704
00:23:59,350 --> 00:23:58,400
under the water like the navy pilot said

705
00:24:01,350 --> 00:23:59,360
there were

706
00:24:02,549 --> 00:24:01,360
large objects under the water and in the

707
00:24:04,870 --> 00:24:02,559
sky so

708
00:24:06,149 --> 00:24:04,880
i'm really excited to be working with

709
00:24:09,430 --> 00:24:06,159
these guys to um

710
00:24:11,430 --> 00:24:09,440
kind of record and um and

711
00:24:13,190 --> 00:24:11,440
bring forth any information they find as

712
00:24:16,230 --> 00:24:13,200
they do this expedition

713
00:24:18,870 --> 00:24:16,240

so um be sure to check out uapx

714

00:24:20,630 --> 00:24:18,880

uh right now you can see the whole group

715

00:24:22,390 --> 00:24:20,640

and what their plans are

716

00:24:24,070 --> 00:24:22,400

and i can't really talk anymore about it

717

00:24:26,789 --> 00:24:24,080

because there's some

718

00:24:28,950 --> 00:24:26,799

um there's some classified nature to a

719

00:24:29,669 --> 00:24:28,960

lot of it but uh yeah i'm super excited

720

00:24:31,909 --> 00:24:29,679

and honored

721

00:24:33,750 --> 00:24:31,919

to be working with them on this uh one

722

00:24:36,789 --> 00:24:33,760

of which is gary voorhees

723

00:24:40,149 --> 00:24:36,799

who i think is in the chat here um

724

00:24:42,149 --> 00:24:40,159

uh he or he was here he is gary um

725

00:24:44,710 --> 00:24:42,159

oh later brother thanks for hopping in

726

00:24:46,630 --> 00:24:44,720

um gary's at the forefront of uapx

727

00:24:48,230 --> 00:24:46,640

and uh he was there that day when it

728

00:24:51,510 --> 00:24:48,240

happened and he's just

729

00:24:52,390 --> 00:24:51,520

a amazing guy that i uh that i'm going

730

00:24:55,029 --> 00:24:52,400

to be

731

00:24:57,350 --> 00:24:55,039

interviewing very soon um and another

732

00:24:59,590 --> 00:24:57,360

gentleman who started the uapx's

733

00:25:01,750 --> 00:24:59,600

kevin day he was the radar operator who

734

00:25:03,669 --> 00:25:01,760

first tracked the tic tac ufo

735

00:25:05,029 --> 00:25:03,679

and sent the intercept out to the pilots

736

00:25:07,350 --> 00:25:05,039

to uh try to

737

00:25:09,110 --> 00:25:07,360

see what this thing was and uh kevin has

738

00:25:10,630 --> 00:25:09,120

a whole chapter

739

00:25:12,630 --> 00:25:10,640

in the second edition of somewhere in

740

00:25:13,990 --> 00:25:12,640

the skies so um i hope you enjoy that

741

00:25:16,710 --> 00:25:14,000

it's a brand new chapter

742

00:25:17,029 --> 00:25:16,720

it's very powerful and um i hope that

743

00:25:21,990 --> 00:25:17,039

you

744

00:25:24,230 --> 00:25:22,000

enjoy that let's see

745

00:25:26,070 --> 00:25:24,240

dave views everyone smack that like

746

00:25:26,830 --> 00:25:26,080

button yeah if you're over on youtube

747

00:25:29,750 --> 00:25:26,840

please click

748

00:25:30,390 --> 00:25:29,760

notifications click that like share

749

00:25:31,990 --> 00:25:30,400

please

750

00:25:34,870 --> 00:25:32,000

um i hope i'm giving it getting

751

00:25:36,789 --> 00:25:34,880

everyone's comments again um

752

00:25:39,510 --> 00:25:36,799

some of them in facebook aren't showing

753

00:25:42,789 --> 00:25:39,520

up but such is life

754

00:25:45,669 --> 00:25:42,799

um let's see

755

00:25:47,190 --> 00:25:45,679

let's see let's see looks like i'm

756

00:25:51,269 --> 00:25:47,200

caught up on facebook

757

00:25:54,789 --> 00:25:51,279

um what do i have here uh

758

00:25:56,230 --> 00:25:54,799

peter what's all this um what's all this

759

00:25:59,430 --> 00:25:56,240

about deep prasad

760

00:26:02,950 --> 00:25:59,440

um i don't know i honestly don't know uh

761

00:26:05,669 --> 00:26:02,960

deep assad is a ufo researcher um

762

00:26:07,590 --> 00:26:05,679

and uh i guess he's been caught up in

763

00:26:09,269 --> 00:26:07,600

some controversy recently about his

764

00:26:11,029 --> 00:26:09,279

credentials and everything

765

00:26:12,789 --> 00:26:11,039

um i haven't personally spoken to deep

766

00:26:14,390 --> 00:26:12,799

he's been on the show in the past

767

00:26:16,070 --> 00:26:14,400

i don't know what to make of any of it

768

00:26:19,350 --> 00:26:16,080

i'm still trying to um

769

00:26:21,990 --> 00:26:19,360

uh assemble my thoughts on it and

770

00:26:23,190 --> 00:26:22,000

maybe i'll have something to share soon

771

00:26:25,990 --> 00:26:23,200

about it but um

772

00:26:26,950 --> 00:26:26,000

if you're interested that ufo podcast

773

00:26:29,269 --> 00:26:26,960

out of uh

774

00:26:31,029 --> 00:26:29,279

england hosted by andy a good buddy of

775

00:26:31,750 --> 00:26:31,039

mine who i was recently on that ufo

776

00:26:33,350 --> 00:26:31,760

podcast

777

00:26:35,269 --> 00:26:33,360

he is interviewing deep about all of

778

00:26:38,230 --> 00:26:35,279

this so um i would highly

779

00:26:39,029 --> 00:26:38,240

suggest people check that out um and

780

00:26:41,110 --> 00:26:39,039

gary says

781

00:26:42,390 --> 00:26:41,120

deep left uapx he was a part of our

782

00:26:44,789 --> 00:26:42,400

expedition group

783

00:26:45,990 --> 00:26:44,799

um due to strict policies about social

784

00:26:49,190 --> 00:26:46,000

media um hey

785

00:26:51,269 --> 00:26:49,200

that's that's them's the breaks um i

786

00:26:52,230 --> 00:26:51,279

i have nothing really more to say on

787

00:26:55,510 --> 00:26:52,240

that topic

788

00:26:57,350 --> 00:26:55,520

um so yeah check out the interview with

789

00:26:58,230 --> 00:26:57,360

that ufo podcast hopefully coming out

790

00:27:00,710 --> 00:26:58,240

soon

791

00:27:02,149 --> 00:27:00,720

um while the while the comments are sort

792

00:27:03,510 --> 00:27:02,159

of trickling in here there is some other

793

00:27:06,310 --> 00:27:03,520

stuff i want to talk about

794

00:27:07,830 --> 00:27:06,320

um the podcast summer in the skies

795

00:27:10,710 --> 00:27:07,840

podcast recently hit

796

00:27:11,909 --> 00:27:10,720

number three on apple podcasts we're in

797

00:27:15,029 --> 00:27:11,919

the top three

798

00:27:15,590 --> 00:27:15,039

in uh the social sciences and in the top

799

00:27:18,389 --> 00:27:15,600

20

800

00:27:20,549 --> 00:27:18,399

of science overall on apple podcast so i

801
00:27:20,870 --> 00:27:20,559
have to thank all of you for that i have

802
00:27:23,750 --> 00:27:20,880
to

803
00:27:26,230 --> 00:27:23,760
thank my amazing podcast network e1

804
00:27:28,230 --> 00:27:26,240
entertainment e1 podcast network

805
00:27:29,830 --> 00:27:28,240
um they're just an incredible group to

806
00:27:31,909 --> 00:27:29,840
work with and they've helped me

807
00:27:33,590 --> 00:27:31,919
really raise the bar and make the show

808
00:27:35,830 --> 00:27:33,600
something i can truly be proud of

809
00:27:37,029 --> 00:27:35,840
and get us to that place so thank you to

810
00:27:38,950 --> 00:27:37,039
all of you who have

811
00:27:41,190 --> 00:27:38,960
rated and reviewed the show who listen

812
00:27:43,990 --> 00:27:41,200
every week who download who share

813
00:27:45,350 --> 00:27:44,000

um it's just been mind-blowing um a lot

814

00:27:47,990 --> 00:27:45,360

going on right now and i have

815

00:27:49,830 --> 00:27:48,000

all of you to thank for that um so yeah

816

00:27:52,710 --> 00:27:49,840

if you're not subscribed to the show

817

00:27:54,950 --> 00:27:52,720

head on over to apple podcast subscribe

818

00:27:56,950 --> 00:27:54,960

rate review it helps us tremendously a

819

00:27:59,990 --> 00:27:56,960

lot of you know we're independent

820

00:28:00,950 --> 00:28:00,000

and we rely on people to um to help us

821

00:28:03,430 --> 00:28:00,960

out so yeah

822

00:28:04,789 --> 00:28:03,440

please please uh do that and i thank you

823

00:28:09,669 --> 00:28:04,799

immensely for that

824

00:28:13,909 --> 00:28:09,679

um what else do i have to talk about

825

00:28:15,830 --> 00:28:13,919

um oh here's something interesting so

826

00:28:17,190 --> 00:28:15,840

um i'm interested to hear all your

827

00:28:19,909 --> 00:28:17,200

thoughts on this um

828

00:28:21,269 --> 00:28:19,919

i'll try to make my talk on it brief but

829

00:28:23,669 --> 00:28:21,279

uh the alien

830

00:28:25,510 --> 00:28:23,679

autopsy video some of you might remember

831

00:28:28,789 --> 00:28:25,520

this thing from the 90s

832

00:28:29,430 --> 00:28:28,799

um they did a special on fox with uh uh

833

00:28:32,549 --> 00:28:29,440

freaks

834

00:28:34,389 --> 00:28:32,559

was hosting it and it was about a film

835

00:28:36,389 --> 00:28:34,399

of an alien autopsy of an alien that

836

00:28:37,669 --> 00:28:36,399

crashed in the roswell ufo crash from

837

00:28:40,950 --> 00:28:37,679

1947

838

00:28:42,310 --> 00:28:40,960

and this thing scared the living crap

839

00:28:43,750 --> 00:28:42,320

out of me when i first saw it

840

00:28:45,510 --> 00:28:43,760

i thought it was real like a lot of

841

00:28:47,750 --> 00:28:45,520

people did um

842

00:28:49,510 --> 00:28:47,760

since then we've learned that it was

843

00:28:53,190 --> 00:28:49,520

most likely a hoax

844

00:28:55,830 --> 00:28:53,200

um and it was made uh by a group

845

00:28:57,029 --> 00:28:55,840

of uh people special effects artists and

846

00:29:00,870 --> 00:28:57,039

and uh people

847

00:29:01,669 --> 00:29:00,880

you know um not con men but people

848

00:29:03,029 --> 00:29:01,679

trying to see

849

00:29:05,269 --> 00:29:03,039

if they could convince the public that

850

00:29:06,389 --> 00:29:05,279

this was real and uh they did a pretty

851
00:29:09,269 --> 00:29:06,399
damn good job

852
00:29:11,669 --> 00:29:09,279
um to my knowledge the alien autopsy

853
00:29:14,870 --> 00:29:11,679
film when it first came out

854
00:29:18,630 --> 00:29:14,880
had over has now over two

855
00:29:20,230 --> 00:29:18,640
billion watches uh in its time which is

856
00:29:22,149 --> 00:29:20,240
just astounding to me

857
00:29:23,909 --> 00:29:22,159
so um i'd like to know where were you

858
00:29:24,870 --> 00:29:23,919
guys when this thing came out what did

859
00:29:27,669 --> 00:29:24,880
you think of it

860
00:29:29,909 --> 00:29:27,679
did you think it was real or not um it's

861
00:29:32,630 --> 00:29:29,919
celebrating its 25th anniversary

862
00:29:33,350 --> 00:29:32,640
of this news coming out in this uh film

863
00:29:36,230 --> 00:29:33,360

coming out

864

00:29:37,110 --> 00:29:36,240

and um i'm going to have one of the ufo

865

00:29:39,510 --> 00:29:37,120

researchers

866

00:29:41,110 --> 00:29:39,520

directly connected to this entire affair

867

00:29:43,110 --> 00:29:41,120

on the show very soon

868

00:29:44,470 --> 00:29:43,120

um to talk all about it and get his

869

00:29:46,789 --> 00:29:44,480

thoughts on this you know

870

00:29:47,750 --> 00:29:46,799

put a timeline to all of it who is

871

00:29:50,549 --> 00:29:47,760

involved

872

00:29:51,990 --> 00:29:50,559

who made money off of it um is there a

873

00:29:54,710 --> 00:29:52,000

real film out there

874

00:29:56,710 --> 00:29:54,720

is there um you know we weren't shown

875

00:29:58,630 --> 00:29:56,720

the real one but this is a fake one

876

00:30:00,789 --> 00:29:58,640

uh were there snippets of the real one

877

00:30:02,389 --> 00:30:00,799

inserted blah blah blah blah we can

878

00:30:04,070 --> 00:30:02,399

really go down the rabbit hole but um

879

00:30:04,870 --> 00:30:04,080

hopefully i'll have that interview out

880

00:30:08,230 --> 00:30:04,880

soon

881

00:30:11,590 --> 00:30:08,240

um with that ufo researcher um

882

00:30:14,789 --> 00:30:12,950

yeah so what do you guys think of the

883

00:30:16,230 --> 00:30:14,799

alien autopsy i'm really interested to

884

00:30:20,149 --> 00:30:16,240

get your thoughts on it

885

00:30:24,710 --> 00:30:20,159

um it aired on fox out here in l.a

886

00:30:28,070 --> 00:30:24,720

yeah um cheryl says yes i remember

887

00:30:29,830 --> 00:30:28,080

um yeah

888

00:30:32,470 --> 00:30:29,840

yeah it was an interesting time what

889

00:30:34,950 --> 00:30:32,480

does rodriguez say spiros molyris

890

00:30:37,029 --> 00:30:34,960

uh made the sfx and holds the rights to

891

00:30:39,269 --> 00:30:37,039

the footage yes spiroz was the guy who

892

00:30:40,549 --> 00:30:39,279

was kind of behind the whole thing and

893

00:30:43,990 --> 00:30:40,559

uh found the

894

00:30:46,950 --> 00:30:44,000

the guy to make the dead alien and um

895

00:30:47,830 --> 00:30:46,960

and uh to create the film and work with

896

00:30:49,669 --> 00:30:47,840

people on that

897

00:30:51,909 --> 00:30:49,679

uh he's an interesting guy um

898

00:30:53,510 --> 00:30:51,919

astonishing legends podcast

899

00:30:55,990 --> 00:30:53,520

for any of you that may listen to that

900

00:30:57,590 --> 00:30:56,000

show uh they just released part one of

901
00:31:00,230 --> 00:30:57,600
their alien autopsy

902
00:31:01,669 --> 00:31:00,240
coverage and it's astounding they talk

903
00:31:04,549 --> 00:31:01,679
to spiros directly

904
00:31:05,990 --> 00:31:04,559
uh which is awesome um they go through

905
00:31:08,149 --> 00:31:06,000
the timeline of events of

906
00:31:09,430 --> 00:31:08,159
how this thing came to be what happened

907
00:31:11,430 --> 00:31:09,440
after blah blah blah

908
00:31:12,950 --> 00:31:11,440
um so part one is out right now i highly

909
00:31:15,350 --> 00:31:12,960
suggest you go check that out

910
00:31:16,070 --> 00:31:15,360
the dudes over there are amazing scott

911
00:31:18,549 --> 00:31:16,080
and um

912
00:31:21,350 --> 00:31:18,559
and and how they present the whole thing

913
00:31:25,430 --> 00:31:21,360

so astonishing legends podcast shout out

914

00:31:29,669 --> 00:31:28,070

um diffuse says i saw the alien autopsy

915

00:31:31,190 --> 00:31:29,679

film when it was first broadcast

916

00:31:33,029 --> 00:31:31,200

it only fooled me for about half the

917

00:31:35,750 --> 00:31:33,039

time but it was an excellent job

918

00:31:37,190 --> 00:31:35,760

of hoaxing it was i mean they did an

919

00:31:40,070 --> 00:31:37,200

amazing job

920

00:31:41,669 --> 00:31:40,080

if you watch the autopsy film you know

921

00:31:42,950 --> 00:31:41,679

everything kind of in the background and

922

00:31:45,269 --> 00:31:42,960

everything is time

923

00:31:46,149 --> 00:31:45,279

period accurate they really did their

924

00:31:49,430 --> 00:31:46,159

research

925

00:31:50,230 --> 00:31:49,440

um the body itself was really unique and

926
00:31:52,230 --> 00:31:50,240
interesting

927
00:31:53,830 --> 00:31:52,240
and spiro says like they went through a

928
00:31:55,990 --> 00:31:53,840
lot of uh research

929
00:31:57,149 --> 00:31:56,000
like how to make that body unique and

930
00:31:59,990 --> 00:31:57,159
kind of use the

931
00:32:00,789 --> 00:32:00,000
prototype of what many consider an alien

932
00:32:02,870 --> 00:32:00,799
gray

933
00:32:04,389 --> 00:32:02,880
and uh switch it up a little bit so it's

934
00:32:07,750 --> 00:32:04,399
not too prototypical

935
00:32:09,990 --> 00:32:07,760
um like the being had six fingers

936
00:32:11,750 --> 00:32:10,000
or toes i don't remember which but that

937
00:32:14,630 --> 00:32:11,760
was like research they did they're like

938
00:32:16,070 --> 00:32:14,640

yeah you know there's every kind of um

939

00:32:19,110 --> 00:32:16,080

folklore has these

940

00:32:21,110 --> 00:32:19,120

beings with six toes or six fingers you

941

00:32:24,310 --> 00:32:21,120

know the nephilim or um

942

00:32:27,190 --> 00:32:24,320

ancient uh um you know

943

00:32:29,269 --> 00:32:27,200

angels and uh ancient angels there's a

944

00:32:32,950 --> 00:32:29,279

new television show for you

945

00:32:35,029 --> 00:32:32,960

i'm looking at you prometheus um and uh

946

00:32:36,710 --> 00:32:35,039

native american lore has creatures like

947

00:32:38,230 --> 00:32:36,720

this so it was really interesting they

948

00:32:40,830 --> 00:32:38,240

did a lot more research than

949

00:32:43,430 --> 00:32:40,840

i ever thought they did but um i

950

00:32:45,509 --> 00:32:43,440

remember when the film came out

951
00:32:46,789 --> 00:32:45,519
um i got a bootleg of it you know when

952
00:32:47,830 --> 00:32:46,799
you used to be able to like record

953
00:32:51,029 --> 00:32:47,840
television shows

954
00:32:52,710 --> 00:32:51,039
on your vcr and i brought it into school

955
00:32:55,190 --> 00:32:52,720
one day and i remember you know i was

956
00:32:59,269 --> 00:32:55,200
like already the ufo guy at that point

957
00:33:01,190 --> 00:32:59,279
in school and um i brought this bootleg

958
00:33:03,190 --> 00:33:01,200
version that i recorded into

959
00:33:04,789 --> 00:33:03,200
into class and it was like the end of

960
00:33:06,630 --> 00:33:04,799
the school year so the teachers

961
00:33:07,990 --> 00:33:06,640
were totally checked out and like if

962
00:33:09,350 --> 00:33:08,000
anyone has anything they want to bring

963
00:33:10,870 --> 00:33:09,360

in we'll watch it i think we watched

964

00:33:12,789 --> 00:33:10,880

return of the jedi at one point

965

00:33:14,789 --> 00:33:12,799

but i brought in the alien autopsy film

966

00:33:17,750 --> 00:33:14,799

and i made my entire class watch it

967

00:33:18,950 --> 00:33:17,760

i remember like one girl like had to

968

00:33:21,590 --> 00:33:18,960

leave and she went

969

00:33:23,269 --> 00:33:21,600

and got sick because of watching this i

970

00:33:25,190 --> 00:33:23,279

remember like a couple kids were like

971

00:33:27,190 --> 00:33:25,200

crying because they were so scared

972

00:33:29,269 --> 00:33:27,200

and i'm just like in the corner like

973

00:33:31,430 --> 00:33:29,279

yeah i got him i got him

974

00:33:32,870 --> 00:33:31,440

um because at that point i was so young

975

00:33:33,750 --> 00:33:32,880

i still didn't know if it was totally

976
00:33:36,710 --> 00:33:33,760
real or not

977
00:33:37,990 --> 00:33:36,720
you know um i didn't really know a ton

978
00:33:40,070 --> 00:33:38,000
about the roswell incident

979
00:33:41,430 --> 00:33:40,080
at that point but um i knew something

980
00:33:43,430 --> 00:33:41,440
crashed and aliens were

981
00:33:44,549 --> 00:33:43,440
possibly found and this could be the

982
00:33:46,310 --> 00:33:44,559
film of it so

983
00:33:47,830 --> 00:33:46,320
uh yeah that was a pretty interesting

984
00:33:50,549 --> 00:33:47,840
memory i have so

985
00:33:52,470 --> 00:33:50,559
25 years ago that thing came out if that

986
00:33:54,470 --> 00:33:52,480
doesn't make any of you feel old like me

987
00:33:55,590 --> 00:33:54,480
um i don't know what will that's insane

988
00:34:01,110 --> 00:33:55,600

to me

989

00:34:05,029 --> 00:34:03,590

as technology enthusiast what impressed

990

00:34:07,669 --> 00:34:05,039

me the most was the debris

991

00:34:08,230 --> 00:34:07,679

footage yeah yeah man they um they

992

00:34:09,829 --> 00:34:08,240

definitely

993

00:34:11,589 --> 00:34:09,839

did their homework when it came to all

994

00:34:14,310 --> 00:34:11,599

that so yeah

995

00:34:15,750 --> 00:34:14,320

super interesting um i think it's a an

996

00:34:18,470 --> 00:34:15,760

awesome story so

997

00:34:20,710 --> 00:34:18,480

yeah be on the lookout for my episode

998

00:34:22,869 --> 00:34:20,720

coming out about the alien autopsy film

999

00:34:25,270 --> 00:34:22,879

um or go check out astonishing legends

1000

00:34:27,829 --> 00:34:25,280

right now for their coverage

1001
00:34:29,829 --> 00:34:27,839
um dinner to do i've got like always

1002
00:34:34,310 --> 00:34:29,839
tear of stuff i wanted to talk about

1003
00:34:36,310 --> 00:34:34,320
um see if i'm missing anything

1004
00:34:37,750 --> 00:34:36,320
oh um a few interviews that i've done

1005
00:34:40,310 --> 00:34:37,760
recently um

1006
00:34:41,430 --> 00:34:40,320
i'd like to tell you about uh my buddies

1007
00:34:43,190 --> 00:34:41,440
over at rogue planet

1008
00:34:44,710 --> 00:34:43,200
for those of you who don't know when i'm

1009
00:34:45,629 --> 00:34:44,720
not doing summer in the skies i am a

1010
00:34:47,990 --> 00:34:45,639
part of

1011
00:34:48,710 --> 00:34:48,000
rogueplanet.tv an awesome multimedia

1012
00:34:51,030 --> 00:34:48,720
company

1013
00:34:52,230 --> 00:34:51,040

that my buddy jason mcclellan started

1014

00:34:54,869 --> 00:34:52,240

and um

1015

00:34:55,430 --> 00:34:54,879

maureen elsberry and shane heard our two

1016

00:34:57,829 --> 00:34:55,440

other

1017

00:34:59,510 --> 00:34:57,839

crew members of the rogue planetees and

1018

00:35:00,630 --> 00:34:59,520

uh yeah we've been doing our own thing

1019

00:35:03,510 --> 00:35:00,640

over there for a while

1020

00:35:04,150 --> 00:35:03,520

a while um we put on virtual conferences

1021

00:35:07,750 --> 00:35:04,160

we do

1022

00:35:10,950 --> 00:35:07,760

um articles and videos and we have

1023

00:35:13,430 --> 00:35:10,960

a podcast called unknown a ufo podcast

1024

00:35:13,990 --> 00:35:13,440

and we recently did a special ufo happy

1025

00:35:15,670 --> 00:35:14,000

hour

1026
00:35:17,910 --> 00:35:15,680
it's like the longest episode we've ever

1027
00:35:19,670 --> 00:35:17,920
done um we all just happened to be

1028
00:35:21,109 --> 00:35:19,680
drinking whiskey that day which is so

1029
00:35:23,510 --> 00:35:21,119
rare for the four of us

1030
00:35:25,190 --> 00:35:23,520
um at least for some of them i

1031
00:35:25,829 --> 00:35:25,200
statistically remember they drink like

1032
00:35:27,910 --> 00:35:25,839
beer

1033
00:35:29,109 --> 00:35:27,920
uh so that was pretty cool we all got a

1034
00:35:31,430 --> 00:35:29,119
little wasted and

1035
00:35:32,950 --> 00:35:31,440
and talked about ufos and got a little

1036
00:35:36,470 --> 00:35:32,960
controversial and stuff

1037
00:35:38,790 --> 00:35:36,480
um so you can go over to rogueplanet.tv

1038
00:35:39,829 --> 00:35:38,800

to listen to that or subscribe on any

1039

00:35:42,950 --> 00:35:39,839

podcast apps

1040

00:35:45,990 --> 00:35:42,960

to listen to that it was a ton of fun um

1041

00:35:46,790 --> 00:35:46,000

today uh jess rogue over at the rogue

1042

00:35:49,670 --> 00:35:46,800

report

1043

00:35:50,310 --> 00:35:49,680

uh just released a youtube video of her

1044

00:35:52,630 --> 00:35:50,320

and i

1045

00:35:53,990 --> 00:35:52,640

chatting about ufos about the book and

1046

00:35:57,109 --> 00:35:54,000

it was one of the

1047

00:36:00,230 --> 00:35:57,119

most free wielding conversational things

1048

00:36:03,430 --> 00:36:00,240

i've done and um you really get to see

1049

00:36:06,310 --> 00:36:03,440

another side of me and my work and um

1050

00:36:07,670 --> 00:36:06,320

and jess's thoughts on ufos so i highly

1051

00:36:11,109 --> 00:36:07,680

suggest checking that out

1052

00:36:14,150 --> 00:36:11,119

the rogue report r-o-g-g-e report

1053

00:36:16,310 --> 00:36:14,160

um over on youtube and um and tell her

1054

00:36:17,510 --> 00:36:16,320

tell her i sent you and uh give it a

1055

00:36:19,190 --> 00:36:17,520

watch and a listen

1056

00:36:20,790 --> 00:36:19,200

and let me know what you think so yeah

1057

00:36:21,910 --> 00:36:20,800

those are some stuff i've been up to

1058

00:36:24,470 --> 00:36:21,920

recently

1059

00:36:26,390 --> 00:36:24,480

um the new york post featured the book

1060

00:36:28,069 --> 00:36:26,400

recently so if you

1061

00:36:29,829 --> 00:36:28,079

live in new york city or i guess

1062

00:36:31,430 --> 00:36:29,839

anywhere on the east coast or wherever

1063

00:36:34,790 --> 00:36:31,440

you can find the new york post

1064

00:36:36,870 --> 00:36:34,800

um this past sunday's edition had a

1065

00:36:37,910 --> 00:36:36,880

really cool blurb in there so i'm super

1066

00:36:40,870 --> 00:36:37,920

honored for that

1067

00:36:41,430 --> 00:36:40,880

and excited to see what else has come

1068

00:36:43,430 --> 00:36:41,440

down

1069

00:36:44,950 --> 00:36:43,440

the pipeline um i've got some cool stuff

1070

00:36:47,030 --> 00:36:44,960

coming up um

1071

00:36:48,710 --> 00:36:47,040

that's about it um that's really

1072

00:36:51,030 --> 00:36:48,720

everything i'm up to

1073

00:36:51,990 --> 00:36:51,040

so if anyone has any questions i'm more

1074

00:36:55,430 --> 00:36:52,000

than willing to

1075

00:36:59,270 --> 00:36:55,440

to look at those right now um

1076

00:37:02,230 --> 00:36:59,280

uh let's see let me double check

1077

00:37:03,829 --> 00:37:02,240

both things here lonnie says your audio

1078

00:37:05,270 --> 00:37:03,839

is great whatever you're using thanks

1079

00:37:07,670 --> 00:37:05,280

buddy it's a um

1080

00:37:09,270 --> 00:37:07,680

yeti snowball microphone and i have a

1081

00:37:12,790 --> 00:37:09,280

really interesting story about that

1082

00:37:15,910 --> 00:37:12,800

when i was living in los angeles uh and

1083

00:37:16,550 --> 00:37:15,920

recording the the podcast there um i was

1084

00:37:19,270 --> 00:37:16,560

moving

1085

00:37:20,310 --> 00:37:19,280

my studio around a lot and my mic was

1086

00:37:23,510 --> 00:37:20,320

taking some hits

1087

00:37:25,349 --> 00:37:23,520

and back then i had a yeti blue um which

1088

00:37:28,790 --> 00:37:25,359

was a great mic but um

1089

00:37:31,109 --> 00:37:28,800

i damaged it and it uh it broke down

1090

00:37:32,790 --> 00:37:31,119

and i was like in the middle of an

1091

00:37:33,349 --> 00:37:32,800

episode i'm like what do i do like i

1092

00:37:35,510 --> 00:37:33,359

gotta

1093

00:37:37,270 --> 00:37:35,520

i don't know what to do so i i put it on

1094

00:37:38,950 --> 00:37:37,280

facebook like sorry guys i might not

1095

00:37:41,109 --> 00:37:38,960

have an episode coming out this week

1096

00:37:42,069 --> 00:37:41,119

um the audio quality just is not to my

1097

00:37:45,670 --> 00:37:42,079

standings

1098

00:37:47,430 --> 00:37:45,680

um because my microphone died um and

1099

00:37:49,430 --> 00:37:47,440

i'm not kidding you within seconds of

1100

00:37:51,990 --> 00:37:49,440

posting that uh

1101
00:37:52,870 --> 00:37:52,000
some one of the listeners asked for a

1102
00:37:56,950 --> 00:37:52,880
link to a mic

1103
00:37:59,030 --> 00:37:56,960
i o i wanted and i sent him one and

1104
00:38:00,710 --> 00:37:59,040
within like two days he ordered me a

1105
00:38:02,950 --> 00:38:00,720
microphone which is again

1106
00:38:03,990 --> 00:38:02,960
just the support you guys give me is

1107
00:38:07,670 --> 00:38:04,000
incredible and i

1108
00:38:09,589 --> 00:38:07,680
can't thank you enough for that um so

1109
00:38:11,270 --> 00:38:09,599
yeah thank you thank you thank you i

1110
00:38:12,550 --> 00:38:11,280
love this microphone it's awesome it's

1111
00:38:15,349 --> 00:38:12,560
treated me so well

1112
00:38:16,310 --> 00:38:15,359
um so yeah again your support means the

1113
00:38:20,069 --> 00:38:16,320

world to me

1114

00:38:22,230 --> 00:38:20,079

uh andy asks hi ryan what do you think

1115

00:38:23,670 --> 00:38:22,240

about lu elizondo joining twitter do you

1116

00:38:24,710 --> 00:38:23,680

think there will be some interesting

1117

00:38:26,630 --> 00:38:24,720

conversations

1118

00:38:28,950 --> 00:38:26,640

there or is there is it just to promote

1119

00:38:30,550 --> 00:38:28,960

ttsa and unidentified

1120

00:38:32,069 --> 00:38:30,560

so for those of you who don't know luis

1121

00:38:34,390 --> 00:38:32,079

elizondo was

1122

00:38:36,870 --> 00:38:34,400

when that whole secret pentagon ufo

1123

00:38:39,109 --> 00:38:36,880

program story hit a few years ago

1124

00:38:40,390 --> 00:38:39,119

we found out that luis elizondo was the

1125

00:38:43,270 --> 00:38:40,400

director of

1126

00:38:45,270 --> 00:38:43,280

atip the secret pentagon ufo program uh

1127

00:38:47,109 --> 00:38:45,280

he eventually left the program

1128

00:38:48,310 --> 00:38:47,119

and started this company with tom delong

1129

00:38:50,550 --> 00:38:48,320

called to the stars

1130

00:38:52,230 --> 00:38:50,560

academy where he could continue his work

1131

00:38:53,990 --> 00:38:52,240

and looking into the ufo

1132

00:38:55,910 --> 00:38:54,000

phenomenon he was sick of the

1133

00:38:56,790 --> 00:38:55,920

bureaucracy within the defense

1134

00:38:58,069 --> 00:38:56,800

department

1135

00:38:59,990 --> 00:38:58,079

and they weren't really taking it

1136

00:39:02,470 --> 00:39:00,000

seriously he was getting

1137

00:39:03,030 --> 00:39:02,480

you know kind of sidetracked at every

1138

00:39:05,349 --> 00:39:03,040

corner

1139

00:39:06,069 --> 00:39:05,359

whenever he would come up with uh you

1140

00:39:08,310 --> 00:39:06,079

know

1141

00:39:09,589 --> 00:39:08,320

stuff to bring to them and he was

1142

00:39:12,790 --> 00:39:09,599

frustrated with the

1143

00:39:14,630 --> 00:39:12,800

the classified nature to all of it

1144

00:39:16,550 --> 00:39:14,640

so he said i want the public to know

1145

00:39:18,230 --> 00:39:16,560

about this stuff so that's why he

1146

00:39:18,790 --> 00:39:18,240

started to the stars academy with tom

1147

00:39:20,710 --> 00:39:18,800

delong

1148

00:39:21,990 --> 00:39:20,720

or she didn't start but became a part of

1149

00:39:24,390 --> 00:39:22,000

it um

1150

00:39:25,829 --> 00:39:24,400

he just joined twitter and um people

1151

00:39:28,150 --> 00:39:25,839

went nuts i think within

1152

00:39:30,710 --> 00:39:28,160

a day he got like almost i think he's up

1153

00:39:33,750 --> 00:39:30,720

to like 8 000 followers within a day

1154

00:39:36,630 --> 00:39:33,760

which like i can only dream of so um

1155

00:39:37,270 --> 00:39:36,640

and he's being very transparent and open

1156

00:39:39,349 --> 00:39:37,280

in like

1157

00:39:40,710 --> 00:39:39,359

answering everyone's questions and you

1158

00:39:43,030 --> 00:39:40,720

know you know it's

1159

00:39:44,870 --> 00:39:43,040

it's hyped right now and exciting and

1160

00:39:46,870 --> 00:39:44,880

i'm sure he's excited to

1161

00:39:48,230 --> 00:39:46,880

communicate with people in a way that he

1162

00:39:50,950 --> 00:39:48,240

probably didn't do before

1163

00:39:51,829 --> 00:39:50,960

um but i'm sure that'll kind of wane as

1164

00:39:54,790 --> 00:39:51,839

time goes on

1165

00:39:55,510 --> 00:39:54,800

uh but i think he has the best of

1166

00:39:58,950 --> 00:39:55,520

intentions

1167

00:40:01,430 --> 00:39:58,960

i think he's a cool guy um you know

1168

00:40:02,310 --> 00:40:01,440

i will always reserve a little hesitancy

1169

00:40:04,230 --> 00:40:02,320

because of the

1170

00:40:06,309 --> 00:40:04,240

former work he's done with intelligence

1171

00:40:08,630 --> 00:40:06,319

and we know they're not always the most

1172

00:40:09,109 --> 00:40:08,640

honest and they have agendas and motives

1173

00:40:10,870 --> 00:40:09,119

and

1174

00:40:14,069 --> 00:40:10,880

in narratives that they want to get out

1175

00:40:15,109 --> 00:40:14,079

there um but overall i think uh the work

1176

00:40:17,349 --> 00:40:15,119

he's done

1177

00:40:18,870 --> 00:40:17,359

and the information he's brought forward

1178

00:40:21,109 --> 00:40:18,880

has just been really really

1179

00:40:22,470 --> 00:40:21,119

interesting and i look forward to

1180

00:40:23,510 --> 00:40:22,480

everything they do over there to the

1181

00:40:25,589 --> 00:40:23,520

stars academy

1182

00:40:27,589 --> 00:40:25,599

so yeah i think he's a cool guy go

1183

00:40:29,990 --> 00:40:27,599

follow him ask him questions

1184

00:40:31,190 --> 00:40:30,000

he might answer you i don't know um so

1185

00:40:34,950 --> 00:40:31,200

yeah that's all i should

1186

00:40:38,470 --> 00:40:36,790

hi catherine catherine says when my

1187

00:40:39,910 --> 00:40:38,480

daughter was 10 she had a nightmare and

1188

00:40:41,910 --> 00:40:39,920

it went into her dead

1189

00:40:43,430 --> 00:40:41,920

and went into her dad's and stepmother's

1190

00:40:46,069 --> 00:40:43,440

room she saw

1191

00:40:47,030 --> 00:40:46,079

oh god she saw two small gray aliens

1192

00:40:48,950 --> 00:40:47,040

next to their bed

1193

00:40:50,069 --> 00:40:48,960

and then a big one stood in the door in

1194

00:40:52,390 --> 00:40:50,079

the bathroom

1195

00:40:54,390 --> 00:40:52,400

that's terrifying catherine um that

1196

00:40:57,510 --> 00:40:54,400

actually reminds me a lot of

1197

00:41:00,470 --> 00:40:57,520

a chapter in somewhere in the skies

1198

00:41:02,150 --> 00:41:00,480

shameless promotion um but no seriously

1199

00:41:05,270 --> 00:41:02,160

it really reminds me of

1200

00:41:06,790 --> 00:41:05,280

the case um in michigan with patty the

1201
00:41:07,510 --> 00:41:06,800
mother who had the two daughters one of

1202
00:41:10,390 --> 00:41:07,520
which

1203
00:41:10,870 --> 00:41:10,400
saw a ufo with patty the mother um but

1204
00:41:12,790 --> 00:41:10,880
then

1205
00:41:14,150 --> 00:41:12,800
the other daughter younger daughter

1206
00:41:16,710 --> 00:41:14,160
ended up seeing

1207
00:41:17,430 --> 00:41:16,720
a weird gray alien in their house coming

1208
00:41:20,470 --> 00:41:17,440
out of like

1209
00:41:22,790 --> 00:41:20,480
the rooms and coming down the hallway uh

1210
00:41:23,910 --> 00:41:22,800
totally terrifying story read it in the

1211
00:41:25,349 --> 00:41:23,920
book it's

1212
00:41:27,109 --> 00:41:25,359
probably the one that kept me up at

1213
00:41:30,630 --> 00:41:27,119

night the most and uh

1214

00:41:33,430 --> 00:41:30,640

the activity continues for patty

1215

00:41:34,550 --> 00:41:33,440

i actually met her in michigan recently

1216

00:41:37,829 --> 00:41:34,560

and um

1217

00:41:39,670 --> 00:41:37,839

yeah things have not uh changed and the

1218

00:41:41,430 --> 00:41:39,680

activity continues but you know she's

1219

00:41:43,990 --> 00:41:41,440

dealing with it in her own ways and i'm

1220

00:41:45,430 --> 00:41:44,000

helping her deal with that um but that's

1221

00:41:48,710 --> 00:41:45,440

really interesting catherine

1222

00:41:50,390 --> 00:41:48,720

and a little creepy um let me know if

1223

00:41:54,630 --> 00:41:50,400

catherine uh sorry catherine

1224

00:41:57,270 --> 00:41:54,640

let me know if uh if your daughter

1225

00:41:58,870 --> 00:41:57,280

wants to talk about it if she's willing

1226

00:42:01,750 --> 00:41:58,880

to talk about it i'd be

1227

00:42:03,270 --> 00:42:01,760

more than happy to um just hear her out

1228

00:42:06,870 --> 00:42:03,280

uh if it's too scary

1229

00:42:08,950 --> 00:42:06,880

i totally understand um but yeah i mean

1230

00:42:10,069 --> 00:42:08,960

i can't give her answers but i can be a

1231

00:42:11,750 --> 00:42:10,079

listening ear

1232

00:42:13,670 --> 00:42:11,760

and sometimes that's closure enough for

1233

00:42:14,790 --> 00:42:13,680

people so yeah let me know if she wants

1234

00:42:17,349 --> 00:42:14,800

to reach out to me

1235

00:42:18,390 --> 00:42:17,359

um and she can contact me on the website

1236

00:42:21,829 --> 00:42:18,400

or

1237

00:42:25,589 --> 00:42:21,839

sure

1238

00:42:29,510 --> 00:42:25,599

ah that's terrifying i hope she's okay

1239

00:42:29,520 --> 00:42:33,430

let's see

1240

00:42:39,750 --> 00:42:36,630

good one i guess that's about

1241

00:42:41,270 --> 00:42:39,760

it guys if anyone has any more questions

1242

00:42:43,030 --> 00:42:41,280

throw them in right now

1243

00:42:45,750 --> 00:42:43,040

i'm willing to talk about any and

1244

00:42:47,589 --> 00:42:45,760

everything ufo related non-ufo related

1245

00:42:49,109 --> 00:42:47,599

but um other than that i might call it

1246

00:42:49,829 --> 00:42:49,119

quits we've been going for almost an

1247

00:42:53,190 --> 00:42:49,839

hour now

1248

00:42:54,790 --> 00:42:53,200

i think um yeah so that's pretty

1249

00:42:56,470 --> 00:42:54,800

pretty solid i'm glad i got to share a

1250

00:42:57,270 --> 00:42:56,480

lot of news of everything i'm up to with

1251
00:43:00,790 --> 00:42:57,280
you guys

1252
00:43:02,309 --> 00:43:00,800
but um yeah let's see what does if you

1253
00:43:05,349 --> 00:43:02,319
say unfortunately for any aliens

1254
00:43:08,790 --> 00:43:05,359
visiting my bedroom i keep a 357

1255
00:43:11,270 --> 00:43:08,800
on my nightstand readily available

1256
00:43:12,150 --> 00:43:11,280
good for you man yeah you do what you

1257
00:43:16,150 --> 00:43:12,160
gotta do

1258
00:43:19,829 --> 00:43:16,160
aliens at bay

1259
00:43:24,150 --> 00:43:19,839
for sure um let's see if i

1260
00:43:27,829 --> 00:43:26,950
looks like we're doing good um i i'm not

1261
00:43:29,750 --> 00:43:27,839
sure

1262
00:43:30,950 --> 00:43:29,760
how good or bad the facebook comments

1263
00:43:34,309 --> 00:43:30,960

have been but

1264

00:43:35,510 --> 00:43:34,319

um guys thank you david altman i see you

1265

00:43:36,950 --> 00:43:35,520

hopped in here brother thanks for

1266

00:43:40,230 --> 00:43:36,960

joining us

1267

00:43:41,430 --> 00:43:40,240

um but yeah thank you thank you so much

1268

00:43:43,589 --> 00:43:41,440

for joining me

1269

00:43:45,470 --> 00:43:43,599

um one more time the book is now

1270

00:43:46,870 --> 00:43:45,480

available on amazon and at

1271

00:43:49,190 --> 00:43:46,880

barnesandnoble.com

1272

00:43:51,589 --> 00:43:49,200

in paperback and ebook please check it

1273

00:43:53,589 --> 00:43:51,599

out if you can please go to amazon

1274

00:43:54,950 --> 00:43:53,599

and write and review the book that helps

1275

00:43:57,589 --> 00:43:54,960

immensely

1276

00:43:59,430 --> 00:43:57,599

uh podcast is every monday uh you can

1277

00:44:00,069 --> 00:43:59,440

find it wherever you get your podcasts

1278

00:44:02,630 --> 00:44:00,079

um

1279

00:44:04,550 --> 00:44:02,640

or i do it on youtube as well the audio

1280

00:44:07,190 --> 00:44:04,560

version and sometimes video version

1281

00:44:09,670 --> 00:44:07,200

like today's episode that came up um

1282

00:44:12,309 --> 00:44:09,680

came out there's my canadian coming out

1283

00:44:14,230 --> 00:44:12,319

um even though i was born in new york uh

1284

00:44:17,589 --> 00:44:14,240

rodriguez says will you

1285

00:44:19,270 --> 00:44:17,599

um will you do this often um

1286

00:44:21,510 --> 00:44:19,280

you do a great show thanks man i'm

1287

00:44:25,349 --> 00:44:21,520

noticing i'm saying uh and um a lot

1288

00:44:28,069 --> 00:44:25,359

but that's me uh if people only knew

1289

00:44:30,230 --> 00:44:28,079

how polish and edited the podcast is um

1290

00:44:31,030 --> 00:44:30,240

compared to my live stuff it's a totally

1291

00:44:33,910 --> 00:44:31,040

different

1292

00:44:35,510 --> 00:44:33,920

monster uh but yeah thank you i really

1293

00:44:36,710 --> 00:44:35,520

appreciate that man these are fun i hope

1294

00:44:38,870 --> 00:44:36,720

to do them more

1295

00:44:40,710 --> 00:44:38,880

and make it more of a part of the

1296

00:44:41,430 --> 00:44:40,720

community where you guys can be a part

1297

00:44:43,750 --> 00:44:41,440

of this

1298

00:44:45,510 --> 00:44:43,760

i love it i love talking to people

1299

00:44:46,150 --> 00:44:45,520

that's why i do what i do that's why i

1300

00:44:48,309 --> 00:44:46,160

deal

1301
00:44:50,950 --> 00:44:48,319
with witnesses first and foremost in the

1302
00:44:51,829 --> 00:44:50,960
ufo research field i love talking and i

1303
00:44:53,109 --> 00:44:51,839
love listening

1304
00:44:54,870 --> 00:44:53,119
like i'm that guy in the corner

1305
00:44:56,309 --> 00:44:54,880
listening to people's conversations

1306
00:44:57,990 --> 00:44:56,319
which actually sounds a little creepy

1307
00:45:00,069 --> 00:44:58,000
but um but that's me

1308
00:45:02,309 --> 00:45:00,079
um i was trained as a playwright i was

1309
00:45:05,109 --> 00:45:02,319
trained to listen to how people talk

1310
00:45:05,910 --> 00:45:05,119
and react to things and um what makes

1311
00:45:07,750 --> 00:45:05,920
them tick

1312
00:45:09,430 --> 00:45:07,760
so if i can infuse that into my ufo

1313
00:45:12,470 --> 00:45:09,440

research and um

1314

00:45:13,910 --> 00:45:12,480

find a way to to kind of meld my skills

1315

00:45:16,870 --> 00:45:13,920

together i think i've

1316

00:45:18,390 --> 00:45:16,880

contributed something to this field that

1317

00:45:20,710 --> 00:45:18,400

desperately needs

1318

00:45:22,150 --> 00:45:20,720

new contributors new voices new

1319

00:45:24,230 --> 00:45:22,160

questions to be asked so

1320

00:45:25,750 --> 00:45:24,240

i really appreciate that man and um yeah

1321

00:45:27,190 --> 00:45:25,760

i'll do this whenever people want to

1322

00:45:29,990 --> 00:45:27,200

watch or listen

1323

00:45:30,630 --> 00:45:30,000

um maybe i'll i'll i'll take a poll and

1324

00:45:32,630 --> 00:45:30,640

see

1325

00:45:34,069 --> 00:45:32,640

what people want to talk about and maybe

1326

00:45:36,069 --> 00:45:34,079

i'll bring some of you guys on

1327

00:45:37,750 --> 00:45:36,079

i have that option on this program

1328

00:45:40,069 --> 00:45:37,760

streamyard to bring you in

1329

00:45:41,270 --> 00:45:40,079

and you can join me and talk about

1330

00:45:43,829 --> 00:45:41,280

whatever you want

1331

00:45:45,270 --> 00:45:43,839

and answer people's questions too so um

1332

00:45:47,270 --> 00:45:45,280

let's do that let's do that

1333

00:45:48,470 --> 00:45:47,280

if you want to be on one of these

1334

00:45:50,069 --> 00:45:48,480

broadcasts again

1335

00:45:51,589 --> 00:45:50,079

contact me on the website reach out to

1336

00:45:54,630 --> 00:45:51,599

me we'll talk about it

1337

00:45:55,190 --> 00:45:54,640

um and uh we'll get you on uh it's not

1338

00:45:56,870 --> 00:45:55,200

easy

1339

00:45:59,030 --> 00:45:56,880

i'll tell you that much i still get

1340

00:46:01,670 --> 00:45:59,040

super nervous doing this stuff

1341

00:46:02,150 --> 00:46:01,680

sweating like crazy it's also 90 degrees

1342

00:46:04,630 --> 00:46:02,160

here

1343

00:46:05,589 --> 00:46:04,640

um this stuff never gets easier uh but

1344

00:46:07,990 --> 00:46:05,599

yeah yeah

1345

00:46:09,750 --> 00:46:08,000

tons of fun i'd love to have you guys on

1346

00:46:11,510 --> 00:46:09,760

and uh yeah that's about it

1347

00:46:13,510 --> 00:46:11,520

um thank you catherine thank you for

1348

00:46:15,670 --> 00:46:13,520

joining us thank you defuse

1349

00:46:17,109 --> 00:46:15,680

thank you everybody for for taking the

1350

00:46:19,910 --> 00:46:17,119

time to watch this tonight

1351
00:46:20,710 --> 00:46:19,920
i'm gonna get going um but other than

1352
00:46:22,630 --> 00:46:20,720
that

1353
00:46:23,990 --> 00:46:22,640
cheers to all of you guys i'm drinking a

1354
00:46:28,150 --> 00:46:24,000
nice cider right now

1355
00:46:29,990 --> 00:46:28,160
to uh celebrate um

1356
00:46:31,349 --> 00:46:30,000
i don't know what should we celebrate

1357
00:46:34,550 --> 00:46:31,359
you guys tell me

1358
00:46:38,630 --> 00:46:34,560
um let's celebrate life

1359
00:46:41,990 --> 00:46:38,640
we're all still here for a reason and uh

1360
00:46:45,430 --> 00:46:42,000
look times are tough and the things are

1361
00:46:47,829 --> 00:46:45,440
bad and uh uh

1362
00:46:48,550 --> 00:46:47,839
yeah things are just bad and scary uh

1363
00:46:51,750 --> 00:46:48,560

but we're all

1364

00:46:52,230 --> 00:46:51,760

still here for some reason so let's use

1365

00:46:54,710 --> 00:46:52,240

that

1366

00:46:56,550 --> 00:46:54,720

and let's uh let's bridge gaps instead

1367

00:46:58,470 --> 00:46:56,560

of building walls and

1368

00:47:00,710 --> 00:46:58,480

let's celebrate life each and every one

1369

00:47:01,349 --> 00:47:00,720

of us and to all of you thank you thank

1370

00:47:05,430 --> 00:47:01,359

you

1371

00:47:06,870 --> 00:47:05,440

essential workers out there

1372

00:47:08,790 --> 00:47:06,880

thank you to everyone trying to make a

1373

00:47:11,670 --> 00:47:08,800

difference right now

1374

00:47:13,270 --> 00:47:11,680

and helping those around you um those

1375

00:47:15,829 --> 00:47:13,280

who are sick those are

1376

00:47:17,030 --> 00:47:15,839

who are elderly those are who who are

1377

00:47:20,390 --> 00:47:17,040

immune compromised

1378

00:47:21,670 --> 00:47:20,400

um our doctors our hospitals

1379

00:47:23,589 --> 00:47:21,680

thank you thank you for everything you

1380

00:47:26,069 --> 00:47:23,599

do uh other than that

1381

00:47:27,510 --> 00:47:26,079

i'm gonna sign off thank you head on

1382

00:47:28,950 --> 00:47:27,520

over to somewhere in the skies.com to

1383

00:47:30,630 --> 00:47:28,960

check out everything i'm up to

1384

00:47:32,710 --> 00:47:30,640

get the book let me know what you think

1385

00:47:34,710 --> 00:47:32,720

and have a great great night

1386

00:47:36,150 --> 00:47:34,720

um keep your feet on the ground but
