

**SOMEWHERE  
IN THE  
SKIES**

**WITNESS ACCOUNTS**  

---

**VOLUME TWELVE**

1  
00:00:04,550 --> 00:00:02,710

[Music]

2  
00:00:06,389 --> 00:00:04,560

what's up guys ryan sprague here and i'm

3  
00:00:07,990 --> 00:00:06,399

just dropping in to remind you about our

4  
00:00:09,910 --> 00:00:08,000

patreon campaign

5  
00:00:11,990 --> 00:00:09,920

somewhere in the skies is always free to

6  
00:00:13,350 --> 00:00:12,000

consume but it's not free to create

7  
00:00:16,230 --> 00:00:13,360

so if you want to help the show on a

8  
00:00:17,590 --> 00:00:16,240

monthly basis we have tons of rewards

9  
00:00:19,269 --> 00:00:17,600

for you in return

10  
00:00:22,230 --> 00:00:19,279

including shout outs on the show and

11  
00:00:25,269 --> 00:00:22,240

website bonus content and episodes

12  
00:00:27,349 --> 00:00:25,279

and free merch want to be my guest or

13  
00:00:28,310 --> 00:00:27,359

pick a topic for the show you can do

14

00:00:29,750 --> 00:00:28,320

that too

15

00:00:33,270 --> 00:00:29,760

so if you'd like to learn more and to

16

00:00:35,750 --> 00:00:33,280

help support the show visit [patreon.com](https://www.patreon.com)

17

00:00:47,670 --> 00:00:35,760

somewhereskies thank you and keep

18

00:00:56,830 --> 00:00:52,360

this is somewhere in the skies with ryan

19

00:01:14,630 --> 00:00:59,160

spread

20

00:01:18,870 --> 00:01:17,030

my name is sean and i live just outside

21

00:01:21,590 --> 00:01:18,880

of nashville tennessee

22

00:01:22,149 --> 00:01:21,600

this is my story about a ufo that i

23

00:01:24,950 --> 00:01:22,159

witnessed

24

00:01:25,990 --> 00:01:24,960

several years ago i don't remember

25

00:01:27,670 --> 00:01:26,000

exactly how

26

00:01:29,030 --> 00:01:27,680

long ago it was but it was probably

27

00:01:31,830 --> 00:01:29,040

around seven or eight

28

00:01:33,910 --> 00:01:31,840

years ago the time of day was between

29

00:01:36,230 --> 00:01:33,920

four and five o'clock in the afternoon

30

00:01:37,590 --> 00:01:36,240

the sky was clear with no clouds so

31

00:01:40,950 --> 00:01:37,600

visibility was

32

00:01:42,550 --> 00:01:40,960

excellent sometime between four and five

33

00:01:43,350 --> 00:01:42,560

in the afternoon i walked outside of my

34

00:01:46,789 --> 00:01:43,360

house to

35

00:01:47,830 --> 00:01:46,799

just go check my mail and i stepped out

36

00:01:49,590 --> 00:01:47,840

onto my front porch

37

00:01:51,429 --> 00:01:49,600

and as i shut the door behind me

38

00:01:54,710 --> 00:01:51,439

something told me

39

00:01:58,789 --> 00:01:54,720

that i needed to look up and when i did

40

00:02:02,069 --> 00:01:58,799

i saw a long white cigar-shaped object

41

00:02:04,149 --> 00:02:02,079

that was flying low in the sky

42

00:02:06,069 --> 00:02:04,159

pretty much directly in front of me and

43

00:02:07,590 --> 00:02:06,079

it was flying in a north to south

44

00:02:10,389 --> 00:02:07,600

direction

45

00:02:12,630 --> 00:02:10,399

i estimate that it was anywhere between

46

00:02:13,350 --> 00:02:12,640

five hundred to a thousand feet in the

47

00:02:15,190 --> 00:02:13,360

air

48

00:02:17,510 --> 00:02:15,200

and it was approximately a hundred feet

49

00:02:21,030 --> 00:02:17,520

in length so this was a rather

50

00:02:25,110 --> 00:02:21,040

large object in my opinion it

51

00:02:28,229 --> 00:02:25,120

had no wings no tail

52

00:02:32,229 --> 00:02:28,239

no visible means of propulsion and i saw

53

00:02:35,509 --> 00:02:32,239

no windows and it also

54

00:02:38,390 --> 00:02:35,519

didn't make a sound at all

55

00:02:39,750 --> 00:02:38,400

i stood there for what seemed like i

56

00:02:42,470 --> 00:02:39,760

don't know several minutes

57

00:02:45,110 --> 00:02:42,480

just watching it slowly move from the

58

00:02:48,470 --> 00:02:45,120

north to the south in the sky

59

00:02:50,390 --> 00:02:48,480

and i i was frozen in place

60

00:02:52,229 --> 00:02:50,400

after all i was just going out to check

61

00:02:54,550 --> 00:02:52,239

my mail you know i wasn't expecting to

62

00:02:57,030 --> 00:02:54,560

see something like a ufo

63

00:02:59,030 --> 00:02:57,040

and like i said it seemed like i was

64

00:03:01,589 --> 00:02:59,040

standing there watching it for

65

00:03:04,869 --> 00:03:01,599

what seemed like several minutes time

66

00:03:07,110 --> 00:03:04,879

just seemed to slow down but in reality

67

00:03:08,630 --> 00:03:07,120

it probably wasn't more than about 30 to

68

00:03:11,350 --> 00:03:08,640

60 seconds before

69

00:03:12,869 --> 00:03:11,360

i came to my senses and realized that

70

00:03:15,990 --> 00:03:12,879

what i was seeing

71

00:03:18,949 --> 00:03:16,000

wasn't a conventional aircraft

72

00:03:19,509 --> 00:03:18,959

i watched it for just a few more seconds

73

00:03:22,229 --> 00:03:19,519

trying to

74

00:03:23,830 --> 00:03:22,239

determine exactly what this thing was

75

00:03:25,509 --> 00:03:23,840

that i was seeing and and i

76  
00:03:27,670 --> 00:03:25,519  
suddenly realized that man i needed to

77  
00:03:30,949 --> 00:03:27,680  
get a picture of

78  
00:03:32,470 --> 00:03:30,959  
whatever this thing is and so i ran back

79  
00:03:34,630 --> 00:03:32,480  
inside

80  
00:03:36,229 --> 00:03:34,640  
to grab my cell phone and when i was

81  
00:03:37,110 --> 00:03:36,239  
doing that i called for my wife at the

82  
00:03:38,949 --> 00:03:37,120  
same time

83  
00:03:40,229 --> 00:03:38,959  
and i said you've got to come out here

84  
00:03:44,229 --> 00:03:40,239  
and see this

85  
00:03:46,710 --> 00:03:44,239  
i think it's a ufo so i ran back

86  
00:03:49,190 --> 00:03:46,720  
onto the porch with my wife behind me

87  
00:03:52,949 --> 00:03:49,200  
and the object was gone

88  
00:03:53,589 --> 00:03:52,959

it had vanished so i ran into the front

89

00:03:56,630 --> 00:03:53,599

yard

90

00:04:00,070 --> 00:03:56,640

and i began just scanning the skies

91

00:04:02,869 --> 00:04:00,080

first looking in the direction

92

00:04:03,830 --> 00:04:02,879

that this thing had been heading in and

93

00:04:05,270 --> 00:04:03,840

then just

94

00:04:07,509 --> 00:04:05,280

scanning the skies looking around and

95

00:04:11,030 --> 00:04:07,519

all 360 degrees

96

00:04:14,869 --> 00:04:11,040

and this thing was gone

97

00:04:17,909 --> 00:04:14,879

nowhere to be found now it was moving

98

00:04:19,590 --> 00:04:17,919

so slow when i ran back inside to grab

99

00:04:23,189 --> 00:04:19,600

my phone

100

00:04:26,150 --> 00:04:23,199

and there was no way

101  
00:04:26,870 --> 00:04:26,160  
it could have simply just disappeared in

102  
00:04:30,790 --> 00:04:26,880  
the five

103  
00:04:33,430 --> 00:04:30,800  
whole seconds it took me to get my phone

104  
00:04:34,629 --> 00:04:33,440  
my phone was on the coffee table in the

105  
00:04:37,670 --> 00:04:34,639  
living room so it

106  
00:04:39,270 --> 00:04:37,680  
literally took me just a few seconds to

107  
00:04:42,790 --> 00:04:39,280  
grab it

108  
00:04:45,590 --> 00:04:42,800  
whatever it was had to accelerate

109  
00:04:46,870 --> 00:04:45,600  
at an incredible rate of speed to

110  
00:04:49,270 --> 00:04:46,880  
disappear that fast

111  
00:04:50,550 --> 00:04:49,280  
there's no noise no sonic boom from

112  
00:04:51,830 --> 00:04:50,560  
something like you know breaking the

113  
00:04:54,950 --> 00:04:51,840

sound barrier

114

00:04:57,909 --> 00:04:54,960

nothing it was completely gone

115

00:04:59,350 --> 00:04:57,919

vanished the whole event couldn't have

116

00:05:03,510 --> 00:04:59,360

lasted more than

117

00:05:05,749 --> 00:05:03,520

about five minutes now my wife

118

00:05:07,670 --> 00:05:05,759

must have thought that i was crazy even

119

00:05:10,469 --> 00:05:07,680

though she said she believed me

120

00:05:11,909 --> 00:05:10,479

and i have to admit i felt a little

121

00:05:15,029 --> 00:05:11,919

crazy myself

122

00:05:15,430 --> 00:05:15,039

but i know that i saw something i just

123

00:05:18,950 --> 00:05:15,440

don't

124

00:05:19,350 --> 00:05:18,960

know what exactly the something that i

125

00:05:22,550 --> 00:05:19,360

saw

126  
00:05:24,390 --> 00:05:22,560  
was now here's a couple of things about

127  
00:05:27,110 --> 00:05:24,400  
me that you need to know

128  
00:05:27,830 --> 00:05:27,120  
first off i'm a former government

129  
00:05:30,150 --> 00:05:27,840  
employee

130  
00:05:31,670 --> 00:05:30,160  
and because of my job i held a top

131  
00:05:35,029 --> 00:05:31,680  
secret clearance

132  
00:05:36,469 --> 00:05:35,039  
i worked for the army and i was around a

133  
00:05:39,990 --> 00:05:36,479  
lot of aircraft

134  
00:05:41,990 --> 00:05:40,000  
it was mostly rotary wing but

135  
00:05:44,230 --> 00:05:42,000  
i've spent some time around some fixed

136  
00:05:47,590 --> 00:05:44,240  
wing aircraft as well

137  
00:05:50,830 --> 00:05:47,600  
i didn't work on the aircraft

138  
00:05:53,430 --> 00:05:50,840

nor did i fly them my job was

139

00:05:55,590 --> 00:05:53,440

something completely different but i was

140

00:05:57,830 --> 00:05:55,600

around them just about every day that i

141

00:05:59,990 --> 00:05:57,840

was at work

142

00:06:02,390 --> 00:06:00,000

now that's about all that i can say

143

00:06:05,590 --> 00:06:02,400

about what i did

144

00:06:08,950 --> 00:06:05,600

because of my the nature of my job

145

00:06:12,390 --> 00:06:08,960

um i know what kind

146

00:06:14,070 --> 00:06:12,400

of rotary rotary wing aircraft it is

147

00:06:15,110 --> 00:06:14,080

without even seeing it i've been around

148

00:06:18,830 --> 00:06:15,120

them so much that i

149

00:06:20,230 --> 00:06:18,840

i know what kind of aircraft it is that

150

00:06:23,029 --> 00:06:20,240

what type

151

00:06:24,550 --> 00:06:23,039

it is just by the sound of it so i know

152

00:06:27,510 --> 00:06:24,560

how to tell the difference between a

153

00:06:29,670 --> 00:06:27,520

fixed wing and a rotary wing

154

00:06:32,150 --> 00:06:29,680

i know the sounds they make and i

155

00:06:35,270 --> 00:06:32,160

definitely know what they look like

156

00:06:38,230 --> 00:06:35,280

and what i saw didn't look like

157

00:06:40,950 --> 00:06:38,240

anything like either one of those two

158

00:06:43,909 --> 00:06:40,960

type of aircraft

159

00:06:46,070 --> 00:06:43,919

now second i live about 20 minutes away

160

00:06:49,110 --> 00:06:46,080

from the nashville international airport

161

00:06:50,070 --> 00:06:49,120

my home is almost directly in line with

162

00:06:53,430 --> 00:06:50,080

an approach

163

00:06:55,350 --> 00:06:53,440

zone and a departure zone so

164

00:06:56,870 --> 00:06:55,360

i've got a lot of airplanes that fly

165

00:07:00,070 --> 00:06:56,880

over my home

166

00:07:02,950 --> 00:07:00,080

i mean a lot every day in fact

167

00:07:03,510 --> 00:07:02,960

now they don't fly too low because i

168

00:07:06,550 --> 00:07:03,520

live in a

169

00:07:08,550 --> 00:07:06,560

in a rather large subdivision but

170

00:07:09,830 --> 00:07:08,560

i would estimate that the lowest that

171

00:07:13,189 --> 00:07:09,840

they fly

172

00:07:15,510 --> 00:07:13,199

would be around a thousand feet however

173

00:07:16,950 --> 00:07:15,520

high or low it is it's it's low enough

174

00:07:18,550 --> 00:07:16,960

that you can see

175

00:07:19,990 --> 00:07:18,560

the black dots where the windows are

176

00:07:21,670 --> 00:07:20,000

supposed to be and

177

00:07:23,510 --> 00:07:21,680

you can see the wings of the plane you

178

00:07:26,550 --> 00:07:23,520

can see the tail you can see the

179

00:07:28,150 --> 00:07:26,560

engines and you can definitely hear the

180

00:07:31,749 --> 00:07:28,160

engines as well

181

00:07:33,909 --> 00:07:31,759

i see all sizes of passenger planes

182

00:07:34,950 --> 00:07:33,919

pretty much every day so i know what

183

00:07:37,830 --> 00:07:34,960

they look like

184

00:07:38,950 --> 00:07:37,840

and i know what they sound like the

185

00:07:42,950 --> 00:07:38,960

point i'm trying to make

186

00:07:47,029 --> 00:07:42,960

is i've been around a lot of aircraft

187

00:07:50,869 --> 00:07:47,039

of all types for a lot of years

188

00:07:54,550 --> 00:07:50,879

and what i saw wasn't a conventional

189

00:07:55,749 --> 00:07:54,560

aircraft whatever it was was flying a

190

00:07:57,990 --> 00:07:55,759

little lower

191

00:07:59,909 --> 00:07:58,000

than what these passenger planes fly in

192

00:08:03,189 --> 00:07:59,919

their approach and departure zones

193

00:08:05,430 --> 00:08:03,199

and it was flying way too slow for one

194

00:08:08,710 --> 00:08:05,440

of those big planes to fly

195

00:08:09,909 --> 00:08:08,720

i would think that if a passenger plane

196

00:08:12,070 --> 00:08:09,919

was flying at

197

00:08:14,230 --> 00:08:12,080

that slow of a rate of speed that it

198

00:08:16,629 --> 00:08:14,240

would literally just fall right out of

199

00:08:19,990 --> 00:08:16,639

the sky

200

00:08:21,430 --> 00:08:20,000

what i saw was definitely as big as a

201  
00:08:24,230 --> 00:08:21,440  
passenger plane

202  
00:08:27,270 --> 00:08:24,240  
and it was white in color but that's

203  
00:08:30,070 --> 00:08:27,280  
where the similarities begin and end

204  
00:08:31,110 --> 00:08:30,080  
it was shaped like a cigar and it was

205  
00:08:33,990 --> 00:08:31,120  
initially flying

206  
00:08:35,509 --> 00:08:34,000  
way too slow for a passenger plane to

207  
00:08:37,990 --> 00:08:35,519  
safely fly

208  
00:08:39,509 --> 00:08:38,000  
it had no windows that i could see it

209  
00:08:42,790 --> 00:08:39,519  
had no wings or tail

210  
00:08:45,350 --> 00:08:42,800  
and it made no sound at all now

211  
00:08:47,269 --> 00:08:45,360  
even though i didn't have eyes on it

212  
00:08:51,590 --> 00:08:47,279  
whenever it disappeared

213  
00:08:55,190 --> 00:08:51,600

it did it did it so fast

214

00:08:58,630 --> 00:08:55,200  
that any human that would have

215

00:09:01,990 --> 00:08:58,640  
been in that object

216

00:09:03,190 --> 00:09:02,000  
in that ufo or whatever it was

217

00:09:05,350 --> 00:09:03,200  
anybody that would have been in that

218

00:09:09,269 --> 00:09:05,360  
thing would have been crushed by the

219

00:09:12,630 --> 00:09:09,279  
g-force generated by the acceleration

220

00:09:15,829 --> 00:09:12,640  
so that's it that's my story

221

00:09:17,030 --> 00:09:15,839  
it's not some amazing ufo story i didn't

222

00:09:19,350 --> 00:09:17,040  
get abducted

223

00:09:20,710 --> 00:09:19,360  
i don't have any missing time i don't

224

00:09:22,310 --> 00:09:20,720  
suffer from any physical or

225

00:09:23,430 --> 00:09:22,320  
psychological effects from it or

226

00:09:25,990 --> 00:09:23,440

anything like that

227

00:09:27,269 --> 00:09:26,000

i simply saw something that i can't

228

00:09:29,590 --> 00:09:27,279

explain

229

00:09:30,949 --> 00:09:29,600

i don't know what it was but i know what

230

00:09:37,430 --> 00:09:30,959

it wasn't

231

00:09:39,750 --> 00:09:37,440

i know for a fact thank you for taking

232

00:09:42,310 --> 00:09:39,760

the time to listen to my story

233

00:09:43,990 --> 00:09:42,320

i'd love to know what you or any of your

234

00:09:47,829 --> 00:09:44,000

listeners think about it

235

00:09:51,110 --> 00:09:50,070

my name is montserrat panetta friends

236

00:09:52,870 --> 00:09:51,120

call me monzy

237

00:09:55,430 --> 00:09:52,880

and i've had what appears to be a

238

00:09:58,350 --> 00:09:55,440

lifelong relationship with unidentified

239

00:09:59,829 --> 00:09:58,360

flying objects i was born in chile in

240

00:10:01,750 --> 00:09:59,839

1961.

241

00:10:03,190 --> 00:10:01,760

my father had received a prestigious

242

00:10:05,030 --> 00:10:03,200

rockefeller scholarship

243

00:10:07,350 --> 00:10:05,040

which allowed my family to move to the

244

00:10:09,750 --> 00:10:07,360

states while he attended university

245

00:10:11,430 --> 00:10:09,760

upon receiving his master's in phd a

246

00:10:13,430 --> 00:10:11,440

doctorate in veterinary medicine

247

00:10:14,790 --> 00:10:13,440

we returned back home to the los rios

248

00:10:17,590 --> 00:10:14,800

region of valdivia

249

00:10:19,030 --> 00:10:17,600

where my family owned a ranch on the

250

00:10:21,269 --> 00:10:19,040

evening of my first event

251  
00:10:24,150 --> 00:10:21,279  
my extended family had gathered for a

252  
00:10:25,990 --> 00:10:24,160  
reunion celebrating our return

253  
00:10:27,990 --> 00:10:26,000  
after dinner that evening some of us

254  
00:10:29,190 --> 00:10:28,000  
gathered outside and because there was

255  
00:10:32,069 --> 00:10:29,200  
no electricity

256  
00:10:33,190 --> 00:10:32,079  
the remote landscape was pitch black

257  
00:10:35,269 --> 00:10:33,200  
suddenly a light

258  
00:10:36,389 --> 00:10:35,279  
was noticed through the tree line near

259  
00:10:37,750 --> 00:10:36,399  
the river's edge

260  
00:10:40,230 --> 00:10:37,760  
traveling and weaving while

261  
00:10:41,430 --> 00:10:40,240  
simultaneously our two dogs began

262  
00:10:44,470 --> 00:10:41,440  
barking

263  
00:10:46,310 --> 00:10:44,480

quite loudly and taking off toward it i

264

00:10:48,550 --> 00:10:46,320

heard an adult in the group wonder out

265

00:10:51,030 --> 00:10:48,560

loud who might be coming to visit

266

00:10:52,949 --> 00:10:51,040

they assumed it was a car but oddly that

267

00:10:53,670 --> 00:10:52,959

wouldn't make sense as there was only

268

00:10:56,949 --> 00:10:53,680

one road

269

00:10:59,030 --> 00:10:56,959

in and it was nowhere near the river

270

00:10:59,990 --> 00:10:59,040

unexpectedly a bright light appeared

271

00:11:02,710 --> 00:11:00,000

overhead

272

00:11:03,670 --> 00:11:02,720

our group mesmerized looking up no one

273

00:11:05,910 --> 00:11:03,680

said a word

274

00:11:07,509 --> 00:11:05,920

no sound just the stillness of the night

275

00:11:10,790 --> 00:11:07,519

and a sense of something huge

276

00:11:13,190 --> 00:11:10,800

looming overhead it slowly took off

277

00:11:14,550 --> 00:11:13,200

its bright light shining across hundreds

278

00:11:16,630 --> 00:11:14,560

of acres

279

00:11:18,949 --> 00:11:16,640

i stood by the barn along with other

280

00:11:20,069 --> 00:11:18,959

children watching in awe as this event

281

00:11:22,230 --> 00:11:20,079

unfolded

282

00:11:23,990 --> 00:11:22,240

my siblings and parents would each later

283

00:11:25,750 --> 00:11:24,000

recall being in different parts of the

284

00:11:27,910 --> 00:11:25,760

homestead that night

285

00:11:31,110 --> 00:11:27,920

interestingly no one could figure out

286

00:11:33,190 --> 00:11:31,120

who the other mysterious children were

287

00:11:34,790 --> 00:11:33,200

we heard on the car radio as we headed

288

00:11:36,710 --> 00:11:34,800

home that some fishermen

289

00:11:37,910 --> 00:11:36,720

few miles away had encountered an

290

00:11:40,630 --> 00:11:37,920

unexplained object

291

00:11:42,389 --> 00:11:40,640

the same night our family never

292

00:11:45,509 --> 00:11:42,399

discussed it until years later

293

00:11:46,949 --> 00:11:45,519

after other events unfolded many strange

294

00:11:48,949 --> 00:11:46,959

synchronicities would occur

295

00:11:51,829 --> 00:11:48,959

over the years especially after we came

296

00:11:53,990 --> 00:11:51,839

back to the states in the late 60s

297

00:11:56,550 --> 00:11:54,000

fast forward to the early morning of

298

00:11:58,550 --> 00:11:56,560

january 2007

299

00:12:00,389 --> 00:11:58,560

after 20 plus successful years in

300

00:12:01,990 --> 00:12:00,399

corporate i now had the privilege of

301  
00:12:04,710 --> 00:12:02,000  
being a stay-at-home mom

302  
00:12:05,350 --> 00:12:04,720  
and that particular january morning like

303  
00:12:07,350 --> 00:12:05,360  
clockwork

304  
00:12:09,269 --> 00:12:07,360  
i walked by two children down the long

305  
00:12:10,230 --> 00:12:09,279  
driveway in the dark to await the school

306  
00:12:12,150 --> 00:12:10,240  
bus

307  
00:12:13,670 --> 00:12:12,160  
as they chatted among themselves looking

308  
00:12:15,430 --> 00:12:13,680  
in the opposite direction i was

309  
00:12:18,550 --> 00:12:15,440  
mesmerized by a sphere

310  
00:12:20,150 --> 00:12:18,560  
now weaving and floating towards us it

311  
00:12:21,990 --> 00:12:20,160  
was softly glowing inside

312  
00:12:23,350 --> 00:12:22,000  
it was about the size of a basketball

313  
00:12:25,430 --> 00:12:23,360

and it was traveling

314

00:12:27,190 --> 00:12:25,440

only a few feet above the road toward me

315

00:12:30,069 --> 00:12:27,200

and below the tree line

316

00:12:31,509 --> 00:12:30,079

it was quiet and oddly i was calm except

317

00:12:34,310 --> 00:12:31,519

for the rush of adrenaline

318

00:12:35,430 --> 00:12:34,320

i now sense flowing through my veins it

319

00:12:38,069 --> 00:12:35,440

felt conscious

320

00:12:40,550 --> 00:12:38,079

and yet i was not afraid in fact my

321

00:12:42,949 --> 00:12:40,560

feelings were one of recognition of it

322

00:12:45,110 --> 00:12:42,959

yet this had never happened before it

323

00:12:46,550 --> 00:12:45,120

began to dematerialize as soon as the

324

00:12:49,190 --> 00:12:46,560

school bus strolled in

325

00:12:51,269 --> 00:12:49,200

i watched a cloak traveling over the bus

326

00:12:51,990 --> 00:12:51,279

toward the front pasture as my kids were

327

00:12:53,990 --> 00:12:52,000

boarding

328

00:12:56,230 --> 00:12:54,000

and it floated over my neighbor don's

329

00:12:58,230 --> 00:12:56,240

roof and it disappeared

330

00:13:00,230 --> 00:12:58,240

back inside the house i went and well

331

00:13:02,310 --> 00:13:00,240

rested from the previous night's sleep

332

00:13:03,509 --> 00:13:02,320

i usually would have 20 or more chores

333

00:13:05,670 --> 00:13:03,519

to do and yet

334

00:13:07,829 --> 00:13:05,680

perhaps in shock i felt suddenly the

335

00:13:10,710 --> 00:13:07,839

urge to go lie down for a nap

336

00:13:12,949 --> 00:13:10,720

i awoke four hours later to a sound

337

00:13:14,790 --> 00:13:12,959

unlike anything i had ever heard

338

00:13:17,190 --> 00:13:14,800

the glass windows throughout the house

339

00:13:19,269 --> 00:13:17,200

were rattling loudly to the vibration of

340

00:13:22,550 --> 00:13:19,279

what sounded like a military

341

00:13:24,790 --> 00:13:22,560

helicopter above my roof i bolted up

342

00:13:27,190 --> 00:13:24,800

disoriented and ran downstairs to look

343

00:13:29,190 --> 00:13:27,200

but now there was complete silence

344

00:13:30,870 --> 00:13:29,200

several hours later kids back from

345

00:13:32,069 --> 00:13:30,880

school and were hanging out in the den

346

00:13:35,269 --> 00:13:32,079

when suddenly that

347

00:13:36,949 --> 00:13:35,279

helicopter sound began again my windows

348

00:13:37,670 --> 00:13:36,959

are rattling and by this point i'm

349

00:13:39,350 --> 00:13:37,680

pissed off

350

00:13:42,069 --> 00:13:39,360

i'm wondering why some idiot in a

351  
00:13:43,670 --> 00:13:42,079  
helicopter is flying so close to my roof

352  
00:13:45,590 --> 00:13:43,680  
i felt like my windows were going to

353  
00:13:47,670 --> 00:13:45,600  
break and so i run outside

354  
00:13:49,350 --> 00:13:47,680  
but again nothing was there and the

355  
00:13:51,269 --> 00:13:49,360  
sound had stopped

356  
00:13:53,110 --> 00:13:51,279  
i'm confused and really trying hard to

357  
00:13:55,590 --> 00:13:53,120  
process what is happening

358  
00:13:57,670 --> 00:13:55,600  
later that evening out to dinner with my

359  
00:14:01,030 --> 00:13:57,680  
husband i share these odd events

360  
00:14:02,790 --> 00:14:01,040  
as the kids are playing nearby and on

361  
00:14:04,550 --> 00:14:02,800  
our return home while everyone else is

362  
00:14:06,710 --> 00:14:04,560  
upstairs getting ready for bed i'm in

363  
00:14:08,790 --> 00:14:06,720

the kitchen prepping our lunches

364

00:14:10,710 --> 00:14:08,800

and as i stand by the island facing a

365

00:14:11,189 --> 00:14:10,720

different pasture that is behind my pool

366

00:14:13,430 --> 00:14:11,199

fence

367

00:14:14,629 --> 00:14:13,440

a light of some kind is now traveling

368

00:14:16,629 --> 00:14:14,639

slowly along

369

00:14:19,030 --> 00:14:16,639

the fence line and it's just a few feet

370

00:14:21,509 --> 00:14:19,040

off the ground it's very luminous and i

371

00:14:24,389 --> 00:14:21,519

watch it in between the fence crack

372

00:14:26,470 --> 00:14:24,399

i step outside quietly and i go in to

373

00:14:29,030 --> 00:14:26,480

investigate

374

00:14:30,710 --> 00:14:29,040

again the sound of a helicopter above

375

00:14:32,629 --> 00:14:30,720

and yet it's pitch dark

376

00:14:35,030 --> 00:14:32,639

and nothing else i don't understand

377

00:14:37,110 --> 00:14:35,040

what's going on

378

00:14:39,269 --> 00:14:37,120

up until that night i had never been

379

00:14:41,430 --> 00:14:39,279

interested in nor had i pursued anything

380

00:14:43,350 --> 00:14:41,440

related to the study of ufos

381

00:14:46,069 --> 00:14:43,360

i did reach out to mufon on this one

382

00:14:47,750 --> 00:14:46,079

occasion after the event of 2007

383

00:14:50,150 --> 00:14:47,760

and i was informed that three other

384

00:14:51,590 --> 00:14:50,160

cases within a few miles of my home had

385

00:14:54,790 --> 00:14:51,600

actually been reported

386

00:14:55,430 --> 00:14:54,800

on the same day now while traveling in

387

00:14:58,710 --> 00:14:55,440

peru

388

00:15:00,870 --> 00:14:58,720

a couple years later in fact in 2009

389

00:15:02,470 --> 00:15:00,880

i had sensed their presence i began to

390

00:15:03,430 --> 00:15:02,480

shoot video but it would be several

391

00:15:05,110 --> 00:15:03,440

years later

392

00:15:06,710 --> 00:15:05,120

when trying to transfer that video

393

00:15:07,509 --> 00:15:06,720

format to another device that i

394

00:15:10,470 --> 00:15:07,519

discovered

395

00:15:12,710 --> 00:15:10,480

that i had the ufo in my shop the

396

00:15:15,189 --> 00:15:12,720

pictures proof of ufo being real and it

397

00:15:16,150 --> 00:15:15,199

is pinned on my at mystic monsie twitter

398

00:15:17,990 --> 00:15:16,160

account

399

00:15:19,430 --> 00:15:18,000

i've always felt guided and protected

400

00:15:21,670 --> 00:15:19,440

and even more so now

401  
00:15:22,470 --> 00:15:21,680  
as i on any given day or night do sense

402  
00:15:25,030 --> 00:15:22,480  
their presence

403  
00:15:25,990 --> 00:15:25,040  
and i do see their craft often it is

404  
00:15:28,150 --> 00:15:26,000  
always benevolent

405  
00:15:29,829 --> 00:15:28,160  
for me it has brought me deeper and a

406  
00:15:31,910 --> 00:15:29,839  
more profound connection to god

407  
00:15:36,389 --> 00:15:31,920  
and i'm really feeling blessed anytime i

408  
00:15:43,910 --> 00:15:40,310  
hello everyone stephen lloyd here

409  
00:15:48,870 --> 00:15:43,920  
i've been invited to talk about my

410  
00:15:52,629 --> 00:15:48,880  
ufo experience back in the early 90s

411  
00:15:54,870 --> 00:15:52,639  
i was 19 or 20 at the time

412  
00:15:56,790 --> 00:15:54,880  
and i was attending bac college in

413  
00:15:59,670 --> 00:15:56,800

granite city illinois

414

00:16:01,590 --> 00:15:59,680

before all this happened i was a skeptic

415

00:16:03,269 --> 00:16:01,600

i'd always been a skeptic i don't i

416

00:16:04,470 --> 00:16:03,279

never believed in such things even

417

00:16:07,509 --> 00:16:04,480

though i was a

418

00:16:09,829 --> 00:16:07,519

i'm a huge fan of the original three

419

00:16:12,069 --> 00:16:09,839

star wars movies and close encounters of

420

00:16:15,189 --> 00:16:12,079

the third kind

421

00:16:17,030 --> 00:16:15,199

but i didn't believe like millions of

422

00:16:20,550 --> 00:16:17,040

other people out there

423

00:16:21,430 --> 00:16:20,560

who have a hard time believing ufos

424

00:16:23,990 --> 00:16:21,440

exist

425

00:16:25,269 --> 00:16:24,000

other planets with life forms on them

426

00:16:28,389 --> 00:16:25,279

exist

427

00:16:31,430 --> 00:16:28,399

but i am a firm believer

428

00:16:33,829 --> 00:16:31,440

sitting here today and tell you that

429

00:16:36,150 --> 00:16:33,839

they do exist

430

00:16:37,110 --> 00:16:36,160

but in the early 90s i was sitting at a

431

00:16:40,230 --> 00:16:37,120

intersection

432

00:16:41,829 --> 00:16:40,240

waiting to for the light to change and i

433

00:16:43,509 --> 00:16:41,839

saw something moving out of the corner

434

00:16:47,110 --> 00:16:43,519

of my eye

435

00:16:50,470 --> 00:16:47,120

and i thought it was a blimp or a uh

436

00:16:51,670 --> 00:16:50,480

or a balloon of some sort a hot air

437

00:16:53,509 --> 00:16:51,680

balloon

438

00:16:55,670 --> 00:16:53,519

and as it got closer i realized it was

439

00:16:58,629 --> 00:16:55,680

moving way too quick to be

440

00:16:59,590 --> 00:16:58,639

either one of those and then it came

441

00:17:03,269 --> 00:16:59,600

into view so

442

00:17:05,909 --> 00:17:03,279

clear at one point that i realized

443

00:17:07,429 --> 00:17:05,919

that uh i'd never seen anything like it

444

00:17:12,549 --> 00:17:07,439

before in my life

445

00:17:17,029 --> 00:17:12,559

it was a silver ball about the size

446

00:17:22,390 --> 00:17:20,710

tractor trailer maybe it passed over the

447

00:17:23,429 --> 00:17:22,400

intersection and made no noise

448

00:17:26,549 --> 00:17:23,439

whatsoever

449

00:17:28,069 --> 00:17:26,559

when it crossed people started honking

450

00:17:29,510 --> 00:17:28,079

their horns letting other people know

451  
00:17:31,510 --> 00:17:29,520  
what was going on but i already knew

452  
00:17:33,990 --> 00:17:31,520  
what was going on and it was exciting my

453  
00:17:36,549 --> 00:17:34,000  
heart was beating so fast

454  
00:17:37,990 --> 00:17:36,559  
that i could hardly accept what was

455  
00:17:41,029 --> 00:17:38,000  
going on

456  
00:17:42,870 --> 00:17:41,039  
because i'd been accepted a skeptic the

457  
00:17:43,909 --> 00:17:42,880  
whole time my whole life up to that

458  
00:17:46,390 --> 00:17:43,919  
point

459  
00:17:48,390 --> 00:17:46,400  
and as it silently made its way over the

460  
00:17:49,510 --> 00:17:48,400  
intersection heading toward granite city

461  
00:17:53,029 --> 00:17:49,520  
illinois

462  
00:17:55,909 --> 00:17:53,039  
about four miles down the road

463  
00:17:58,710 --> 00:17:55,919

i'd say probably about maybe a minute or

464

00:18:02,390 --> 00:17:58,720

minute and a half

465

00:18:05,510 --> 00:18:02,400

after it crossed over there were uh

466

00:18:06,150 --> 00:18:05,520

three maybe four fighter jets following

467

00:18:08,150 --> 00:18:06,160

it

468

00:18:10,150 --> 00:18:08,160

of course we didn't we didn't we didn't

469

00:18:13,430 --> 00:18:10,160

see these jets until they were up

470

00:18:16,870 --> 00:18:13,440

right up on us and man they were loud

471

00:18:18,150 --> 00:18:16,880

passing over and i'm in this silver ball

472

00:18:21,270 --> 00:18:18,160

and these jets

473

00:18:21,669 --> 00:18:21,280

chasing it they were probably about 30

474

00:18:25,029 --> 00:18:21,679

feet

475

00:18:28,070 --> 00:18:25,039

above the lights they were

476

00:18:30,150 --> 00:18:28,080

they were flying pretty damn low

477

00:18:31,190 --> 00:18:30,160

and uh i just couldn't believe what i

478

00:18:32,470 --> 00:18:31,200

was seeing

479

00:18:34,789 --> 00:18:32,480

you know i had a guy roll down his

480

00:18:36,470 --> 00:18:34,799

window next to me and he's like did you

481

00:18:38,549 --> 00:18:36,480

see that

482

00:18:39,990 --> 00:18:38,559

and we were both laughing and just

483

00:18:42,390 --> 00:18:40,000

carrying on like it was

484

00:18:44,390 --> 00:18:42,400

the best thing in the world you know and

485

00:18:48,310 --> 00:18:44,400

i don't know if the guy

486

00:18:51,430 --> 00:18:48,320

across for me believed in them before

487

00:18:55,430 --> 00:18:51,440

before this but i know i didn't

488

00:18:58,310 --> 00:18:55,440

and uh the light changed back to red

489

00:18:59,830 --> 00:18:58,320

of course most of us missed you know a

490

00:19:01,990 --> 00:18:59,840

chance to go but we just could not

491

00:19:05,510 --> 00:19:02,000

believe what we had seen

492

00:19:05,990 --> 00:19:05,520

when i got over to the college i got in

493

00:19:07,669 --> 00:19:06,000

class

494

00:19:09,350 --> 00:19:07,679

i started telling all you know all my

495

00:19:11,430 --> 00:19:09,360

classmates man you're not gonna believe

496

00:19:13,510 --> 00:19:11,440

what i just saw

497

00:19:16,390 --> 00:19:13,520

and uh and of course they didn't believe

498

00:19:19,110 --> 00:19:16,400

me i wouldn't believe me either

499

00:19:20,230 --> 00:19:19,120

you know i thought it was kind of funny

500

00:19:23,190 --> 00:19:20,240

that uh

501  
00:19:23,669 --> 00:19:23,200  
at one time i would have been them you

502  
00:19:26,710 --> 00:19:23,679  
know

503  
00:19:30,470 --> 00:19:26,720  
not believing someone

504  
00:19:33,190 --> 00:19:30,480  
but uh we're not alone in this galaxy

505  
00:19:33,990 --> 00:19:33,200  
we're not we're definitely not alone you

506  
00:19:37,590 --> 00:19:34,000  
know

507  
00:19:41,110 --> 00:19:37,600  
the world the word the galaxy

508  
00:19:44,230 --> 00:19:41,120  
we cannot be the only ones

509  
00:19:46,470 --> 00:19:44,240  
you know having a life

510  
00:19:47,350 --> 00:19:46,480  
there's got to be other worlds out there

511  
00:19:51,590 --> 00:19:47,360  
that we have

512  
00:19:55,510 --> 00:19:51,600  
not even come close to to uh seeing

513  
00:19:57,750 --> 00:19:55,520

you know there's just no way um

514

00:19:59,510 --> 00:19:57,760

this course i told my parents when i got

515

00:20:02,070 --> 00:19:59,520

home

516

00:20:02,630 --> 00:20:02,080

and uh at the time i was still living

517

00:20:06,390 --> 00:20:02,640

and

518

00:20:08,070 --> 00:20:06,400

believe me either

519

00:20:09,190 --> 00:20:08,080

my little brother thought you got a kick

520

00:20:09,990 --> 00:20:09,200

out of it he was a little younger than

521

00:20:13,909 --> 00:20:10,000

me

522

00:20:15,830 --> 00:20:13,919

um i just knew there was going to be

523

00:20:19,190 --> 00:20:15,840

something on the news about it

524

00:20:22,710 --> 00:20:19,200

there had to be it was you know

525

00:20:25,830 --> 00:20:22,720

there had to be something aired

526

00:20:29,350 --> 00:20:25,840

about the sighting but after a week

527

00:20:32,630 --> 00:20:29,360

nothing there was no reports about it or

528

00:20:35,190 --> 00:20:32,640

nothing else and i was too young

529

00:20:36,070 --> 00:20:35,200

to uh to think about calling scott air

530

00:20:39,430 --> 00:20:36,080

force base

531

00:20:42,789 --> 00:20:39,440

which is based out past

532

00:20:46,149 --> 00:20:42,799

uh probably about 40 40 miles out

533

00:20:47,190 --> 00:20:46,159

past fairview heights illinois i didn't

534

00:20:50,549 --> 00:20:47,200

call them

535

00:20:52,310 --> 00:20:50,559

you know i guess you know thinking about

536

00:20:53,990 --> 00:20:52,320

it now they probably would have lied and

537

00:20:56,070 --> 00:20:54,000

said

538

00:20:57,430 --> 00:20:56,080

that i was crazy there was nothing out

539

00:20:59,029 --> 00:20:57,440

there of course there had been something

540

00:21:01,669 --> 00:20:59,039

out there to have their jets out there

541

00:21:04,310 --> 00:21:01,679

the air force chasing it

542

00:21:06,149 --> 00:21:04,320

just a memorable experience that i will

543

00:21:07,830 --> 00:21:06,159

never forget

544

00:21:09,590 --> 00:21:07,840

it changed my whole outlook on

545

00:21:12,630 --> 00:21:09,600

everything

546

00:21:14,149 --> 00:21:12,640

it's one of those things that that you

547

00:21:18,470 --> 00:21:14,159

dwell on you don't talk

548

00:21:21,510 --> 00:21:18,480

too much about it you know but uh

549

00:21:23,110 --> 00:21:21,520

because people think you're crazy

550

00:21:25,830 --> 00:21:23,120

of course people think you're crazy i've

551  
00:21:28,830 --> 00:21:25,840  
never seen anything not yet

552  
00:21:31,029 --> 00:21:28,840  
but uh in their life but it was

553  
00:21:33,350 --> 00:21:31,039  
memorable it was exciting it was an

554  
00:21:36,390 --> 00:21:33,360  
adrenaline rush

555  
00:21:37,510 --> 00:21:36,400  
and i'm glad i was i was there to uh to

556  
00:21:41,510 --> 00:21:37,520  
see it all go down

557  
00:21:43,350 --> 00:21:41,520  
i just thought it was absolutely amazing

558  
00:21:44,789 --> 00:21:43,360  
and it'll change your life it'll change

559  
00:21:47,830 --> 00:21:44,799  
your whole outlook on

560  
00:21:49,750 --> 00:21:47,840  
on what you think you know and i've

561  
00:21:51,669 --> 00:21:49,760  
always said this too

562  
00:21:53,990 --> 00:21:51,679  
human beings have been on this planet

563  
00:21:57,630 --> 00:21:54,000

for millions of years

564

00:22:00,390 --> 00:21:57,640

and you can't tell me that in the last

565

00:22:01,909 --> 00:22:00,400

120 years we've come up

566

00:22:04,070 --> 00:22:01,919

we've come up with what we've come up

567

00:22:06,230 --> 00:22:04,080

with today it's like

568

00:22:07,830 --> 00:22:06,240

uh why didn't they come out with this

569

00:22:11,270 --> 00:22:07,840

stuff millions of years ago

570

00:22:13,029 --> 00:22:11,280

planes automobiles things like that

571

00:22:15,029 --> 00:22:13,039

something's behind it there was some

572

00:22:16,950 --> 00:22:15,039

intelligence that got to somebody and

573

00:22:21,590 --> 00:22:16,960

and started teaching them

574

00:22:24,390 --> 00:22:21,600

you know and um it's just weird that uh

575

00:22:25,110 --> 00:22:24,400

we've come as far as we have and what we

576  
00:22:28,310 --> 00:22:25,120  
have today

577  
00:22:31,750 --> 00:22:28,320  
computers cars airplanes

578  
00:22:34,390 --> 00:22:31,760  
computers where you know about the size

579  
00:22:36,710 --> 00:22:34,400  
size of your thumbnail even smaller

580  
00:22:38,630 --> 00:22:36,720  
where did all the technology come from

581  
00:22:40,390 --> 00:22:38,640  
that's that's something to think about

582  
00:22:43,750 --> 00:22:40,400  
did it come from outer space

583  
00:22:47,110 --> 00:22:43,760  
could be but that is my story

584  
00:22:49,270 --> 00:22:47,120  
about my first ufo encounter and maybe

585  
00:22:53,870 --> 00:22:49,280  
one of these days i'll have another one

586  
00:22:57,270 --> 00:22:53,880  
who knows

587  
00:23:00,310 --> 00:22:57,280  
[Music]

588  
00:23:02,549 --> 00:23:00,320

ufos seem to be invading both our skies

589

00:23:04,710 --> 00:23:02,559

and our news outlets like never before

590

00:23:06,149 --> 00:23:04,720

and more people are starting to look up

591

00:23:09,510 --> 00:23:06,159

and are wondering who

592

00:23:11,430 --> 00:23:09,520

or what might be out there in 2016

593

00:23:13,590 --> 00:23:11,440

ryan spregg introduced the world to

594

00:23:15,110 --> 00:23:13,600

countless ufo encounters that had never

595

00:23:17,350 --> 00:23:15,120

been made public before

596

00:23:19,350 --> 00:23:17,360

and now in the second edition of his

597

00:23:22,070 --> 00:23:19,360

book he revisits these events and

598

00:23:24,470 --> 00:23:22,080

introduces brand new ufo cases

599

00:23:26,710 --> 00:23:24,480

in somewhere in the skies a human

600

00:23:28,710 --> 00:23:26,720

approach to the ufo phenomenon

601  
00:23:30,070 --> 00:23:28,720  
how have these events changed the lives

602  
00:23:31,430 --> 00:23:30,080  
of those involved

603  
00:23:34,230 --> 00:23:31,440  
and what might it tell us about the

604  
00:23:36,070 --> 00:23:34,240  
phenomenon with in-depth follow-ups

605  
00:23:37,909 --> 00:23:36,080  
brand new chapters and detailed

606  
00:23:39,190 --> 00:23:37,919  
testimony from credible witnesses

607  
00:23:41,430 --> 00:23:39,200  
and insight from those in the

608  
00:23:42,310 --> 00:23:41,440  
psychological academic and scientific

609  
00:23:44,789 --> 00:23:42,320  
fields

610  
00:23:46,470 --> 00:23:44,799  
somewhere in the skies a human approach

611  
00:23:49,029 --> 00:23:46,480  
to the ufo phenomenon

612  
00:23:50,630 --> 00:23:49,039  
weaves together a story of stories

613  
00:23:51,350 --> 00:23:50,640

attempting to get to the heart of these

614

00:23:54,149 --> 00:23:51,360

mysteries

615

00:23:55,830 --> 00:23:54,159

one experience at a time available now

616

00:24:02,830 --> 00:23:55,840

on amazon in both paperback

617

00:24:02,840 --> 00:24:06,010

somewhereintheskies.com

618

00:24:11,669 --> 00:24:07,669

[Music]

619

00:24:13,669 --> 00:24:11,679

it's july 18th 2020

620

00:24:14,789 --> 00:24:13,679

about 11 o'clock at night my wife and i

621

00:24:16,630 --> 00:24:14,799

came out

622

00:24:18,789 --> 00:24:16,640

take some pictures of comet kneel-wise

623

00:24:20,789 --> 00:24:18,799

before it was gone

624

00:24:22,870 --> 00:24:20,799

we're sitting in the backyard facing

625

00:24:24,630 --> 00:24:22,880

north towards the comet

626

00:24:27,909 --> 00:24:24,640

we have a few acres here there's a

627

00:24:30,830 --> 00:24:27,919

20-acre farm field behind our house

628

00:24:32,470 --> 00:24:30,840

that's surrounded by a rich line of

629

00:24:35,430 --> 00:24:32,480

trees and

630

00:24:36,630 --> 00:24:35,440

we're sitting in chairs we just got done

631

00:24:38,710 --> 00:24:36,640

taking pictures

632

00:24:39,990 --> 00:24:38,720

and i see off to my left which is the

633

00:24:43,029 --> 00:24:40,000

west

634

00:24:43,990 --> 00:24:43,039

a bright light i thought it was like a

635

00:24:46,310 --> 00:24:44,000

little blue

636

00:24:48,630 --> 00:24:46,320

blue beam but i credit that to be in the

637

00:24:50,149 --> 00:24:48,640

reflection off my glasses

638

00:24:52,310 --> 00:24:50,159

just the way it was i don't know if

639

00:24:55,190 --> 00:24:52,320

there was an actual beam or not

640

00:24:55,909 --> 00:24:55,200

but anyways i look off to my left and

641

00:24:57,669 --> 00:24:55,919

i'm like

642

00:24:59,110 --> 00:24:57,679

where's that bright light see it's light

643

00:25:01,669 --> 00:24:59,120

that's shining through the

644

00:25:03,669 --> 00:25:01,679

trees as it's moving kind of the way

645

00:25:07,190 --> 00:25:03,679

sunlight does with

646

00:25:08,149 --> 00:25:07,200

leaves and stuff but uh so i get up out

647

00:25:10,549 --> 00:25:08,159

of my chair in them

648

00:25:11,590 --> 00:25:10,559

i walk north a little ways and i'm

649

00:25:14,870 --> 00:25:11,600

watching this light

650

00:25:16,230 --> 00:25:14,880

as it's just coming i don't know how

651  
00:25:19,750 --> 00:25:16,240  
else to say it

652  
00:25:21,909 --> 00:25:19,760  
but it's coming flying towards us well

653  
00:25:23,110 --> 00:25:21,919  
it's south of us actually but it's still

654  
00:25:26,870 --> 00:25:23,120  
it's coming along the

655  
00:25:28,630 --> 00:25:26,880  
tree line in the sky and i think

656  
00:25:31,029 --> 00:25:28,640  
maybe five ten seconds went by and i'm

657  
00:25:33,430 --> 00:25:31,039  
like oh crap grab the camera film this

658  
00:25:34,950 --> 00:25:33,440  
so i went and got my camera and i'm

659  
00:25:37,669 --> 00:25:34,960  
starting to film it

660  
00:25:38,470 --> 00:25:37,679  
and it's just going over not making a

661  
00:25:41,029 --> 00:25:38,480  
sound

662  
00:25:42,870 --> 00:25:41,039  
it's not doing anything remarkable it's

663  
00:25:46,390 --> 00:25:42,880

just going

664

00:25:49,430 --> 00:25:46,400

like oh okay well that's a different

665

00:25:49,830 --> 00:25:49,440

so i've filmed it it went out of sight

666

00:25:51,990 --> 00:25:49,840

because

667

00:25:54,230 --> 00:25:52,000

we were lost in the trees off to the

668

00:25:57,350 --> 00:25:54,240

east of us

669

00:25:59,350 --> 00:25:57,360

and put the camera down i pull out my

670

00:26:01,110 --> 00:25:59,360

uh phone because i'm like i'm gonna

671

00:26:02,390 --> 00:26:01,120

check flight radar it's an

672

00:26:04,310 --> 00:26:02,400

app you can get it shows you all the

673

00:26:06,149 --> 00:26:04,320

location of any uh

674

00:26:07,830 --> 00:26:06,159

aircraft in the sky around you gives you

675

00:26:11,269 --> 00:26:07,840

the altitude speed heading

676  
00:26:15,590 --> 00:26:11,279  
whatnot and i'm curious what kind

677  
00:26:17,190 --> 00:26:15,600  
what kind of aircraft was that and uh

678  
00:26:19,830 --> 00:26:17,200  
there's no aircraft in our area

679  
00:26:22,870 --> 00:26:19,840  
according to that app nothing

680  
00:26:26,070 --> 00:26:22,880  
and i know in the video the light looks

681  
00:26:29,990 --> 00:26:26,080  
purplish where was the low-light camera

682  
00:26:30,230 --> 00:26:30,000  
uh psionics aurora is the type of camera

683  
00:26:35,029 --> 00:26:30,240  
it's

684  
00:26:36,789 --> 00:26:35,039  
poor man's night vision because i only

685  
00:26:38,310 --> 00:26:36,799  
paid like 300 bucks for it maybe a

686  
00:26:41,669 --> 00:26:38,320  
little more

687  
00:26:44,710 --> 00:26:41,679  
and uh but to the

688  
00:26:47,830 --> 00:26:44,720

naked eye it looked like a pure

689

00:26:48,470 --> 00:26:47,840

beautiful white light just intense white

690

00:26:51,590 --> 00:26:48,480

light

691

00:26:52,230 --> 00:26:51,600

with maybe a tinge of blue to it well

692

00:26:55,510 --> 00:26:52,240

okay

693

00:26:56,870 --> 00:26:55,520

um a good analogy is a welder's arc um

694

00:26:58,870 --> 00:26:56,880

it looked like when you look over at

695

00:27:01,430 --> 00:26:58,880

somebody that's welding

696

00:27:02,230 --> 00:27:01,440

it was it looked like that just bright

697

00:27:04,549 --> 00:27:02,240

white with

698

00:27:06,149 --> 00:27:04,559

a little bit of blue so i go inside the

699

00:27:08,390 --> 00:27:06,159

house after that

700

00:27:09,350 --> 00:27:08,400

i'm like ask my wife did you see it she

701  
00:27:11,750 --> 00:27:09,360  
was like no

702  
00:27:12,470 --> 00:27:11,760  
she never got up to look she now regrets

703  
00:27:15,350 --> 00:27:12,480  
that

704  
00:27:15,990 --> 00:27:15,360  
and she wish he wishes she would have

705  
00:27:17,750 --> 00:27:16,000  
but uh

706  
00:27:20,549 --> 00:27:17,760  
i go in the house i look at the clock

707  
00:27:22,549 --> 00:27:20,559  
it's 11 33

708  
00:27:24,389 --> 00:27:22,559  
so i upload it from the camera to my

709  
00:27:25,110 --> 00:27:24,399  
computer and i watch it a couple times

710  
00:27:28,230 --> 00:27:25,120  
i'm like

711  
00:27:30,870 --> 00:27:28,240  
man that is really interesting

712  
00:27:32,710 --> 00:27:30,880  
i know it wasn't the iss i know it

713  
00:27:34,389 --> 00:27:32,720

wasn't a chinese lantern because chinese

714

00:27:36,389 --> 00:27:34,399

lantern you can always

715

00:27:37,909 --> 00:27:36,399

you see the fire at the bottom of it you

716

00:27:39,510 --> 00:27:37,919

can see the

717

00:27:41,430 --> 00:27:39,520

light gradient the intensity of the

718

00:27:44,230 --> 00:27:41,440

light's different it's all at the bottom

719

00:27:45,669 --> 00:27:44,240

even though the whole lantern is lit up

720

00:27:47,590 --> 00:27:45,679

if it was a drone i'm going to have a

721

00:27:49,909 --> 00:27:47,600

drone pilot myself

722

00:27:50,950 --> 00:27:49,919

i'd like to see that person set up

723

00:27:52,710 --> 00:27:50,960

because one

724

00:27:54,549 --> 00:27:52,720

i didn't hear it and i can hear mine at

725

00:27:58,789 --> 00:27:54,559

400 feet

726

00:28:01,029 --> 00:27:58,799

into the battery system or battery setup

727

00:28:02,470 --> 00:28:01,039

the weight that would require to be that

728

00:28:04,870 --> 00:28:02,480

intense

729

00:28:06,389 --> 00:28:04,880

of a light i would have heard that the

730

00:28:07,990 --> 00:28:06,399

props on that drone

731

00:28:09,909 --> 00:28:08,000

because they would have had to have some

732

00:28:11,750 --> 00:28:09,919

serious batteries and weight to be able

733

00:28:13,510 --> 00:28:11,760

to be that bright

734

00:28:15,110 --> 00:28:13,520

i'm not saying it's aliens i'm saying i

735

00:28:18,070 --> 00:28:15,120

don't know what it was

736

00:28:18,870 --> 00:28:18,080

that's all i'm saying i eventually got

737

00:28:21,750 --> 00:28:18,880

hold of

738

00:28:23,590 --> 00:28:21,760

columbus approach out of columbus the

739

00:28:24,789 --> 00:28:23,600

air traffic control tower and asked them

740

00:28:26,870 --> 00:28:24,799

if they had any

741

00:28:29,269 --> 00:28:26,880

radar returns on aircraft that flew over

742

00:28:31,669 --> 00:28:29,279

a house at that time

743

00:28:32,870 --> 00:28:31,679

the guy was asked wondering why i'm

744

00:28:34,070 --> 00:28:32,880

asking that question i didn't really

745

00:28:36,310 --> 00:28:34,080

want to say hey i saw a

746

00:28:38,310 --> 00:28:36,320

bright ball of light fly over my house i

747

00:28:39,669 --> 00:28:38,320

was just saying an aircraft

748

00:28:41,669 --> 00:28:39,679

eventually i had to tell him it was a

749

00:28:43,430 --> 00:28:41,679

bright ball of light and

750

00:28:45,750 --> 00:28:43,440

i'm sure he thought oh great i get all

751

00:28:48,230 --> 00:28:45,760

these weirdos on a monday

752

00:28:49,190 --> 00:28:48,240

i described what it was he didn't really

753

00:28:52,470 --> 00:28:49,200

sound interested

754

00:28:54,149 --> 00:28:52,480

until i said i had it on video he asked

755

00:28:56,149 --> 00:28:54,159

for a copy of the video i sent him a

756

00:28:59,510 --> 00:28:56,159

copy of the video

757

00:29:02,149 --> 00:28:59,520

and uh he asked for then i got an email

758

00:29:05,590 --> 00:29:02,159

asking for a detailed report on it

759

00:29:06,549 --> 00:29:05,600

sent that to him um i'm sure i'm leaving

760

00:29:09,110 --> 00:29:06,559

things out here

761

00:29:10,470 --> 00:29:09,120

i'm trying not to didn't hear back from

762

00:29:13,909 --> 00:29:10,480

for a couple days

763

00:29:16,789 --> 00:29:13,919

i emailed him again and he asked my

764

00:29:18,470 --> 00:29:16,799

mailing address her phone address and

765

00:29:21,430 --> 00:29:18,480

that made me a little nervous because

766

00:29:25,430 --> 00:29:21,440

i like i like my privacy i really don't

767

00:29:28,870 --> 00:29:27,190

so i gave it to him because i figured

768

00:29:30,549 --> 00:29:28,880

screw it you know what the hell

769

00:29:32,630 --> 00:29:30,559

so i gave it to him he said he was going

770

00:29:34,710 --> 00:29:32,640

to send me a letter he never has

771

00:29:35,750 --> 00:29:34,720

i did follow our freedom of information

772

00:29:38,549 --> 00:29:35,760

request

773

00:29:41,350 --> 00:29:38,559

for the radar returns out of columbus

774

00:29:45,909 --> 00:29:41,360

between the hours of 10 45 pm

775

00:29:49,350 --> 00:29:45,919

and the 11 11 30 pm of that night

776

00:29:51,190 --> 00:29:49,360

we'll see where it goes um as far as how

777

00:29:54,549 --> 00:29:51,200

it made me feel

778

00:29:59,029 --> 00:29:54,559

i felt really calm

779

00:30:01,669 --> 00:29:59,039

and i don't know it felt like

780

00:30:02,950 --> 00:30:01,679

i was meant to see it i know it sounds

781

00:30:06,310 --> 00:30:02,960

stupid

782

00:30:08,950 --> 00:30:06,320

i don't get it it was just

783

00:30:10,950 --> 00:30:08,960

i felt like i was meant to see that at

784

00:30:15,909 --> 00:30:10,960

that point in time

785

00:30:19,430 --> 00:30:15,919

for some reason and why i don't know

786

00:30:19,990 --> 00:30:19,440

it was like a very i don't want to say

787

00:30:22,070 --> 00:30:20,000

personal

788

00:30:23,750 --> 00:30:22,080

experience because damn anyone look up

789

00:30:25,909 --> 00:30:23,760

at sky chris seen that thing but

790

00:30:26,980 --> 00:30:25,919

i don't know how to describe it it just

791

00:30:28,230 --> 00:30:26,990

felt

792

00:30:32,950 --> 00:30:28,240

[Music]

793

00:30:40,870 --> 00:30:32,960

different it felt good

794

00:30:45,830 --> 00:30:43,510

oh i saw my second ufo on thursday do

795

00:30:49,190 --> 00:30:45,840

you want to hear about that

796

00:30:50,710 --> 00:30:49,200

okay back up second welcome to nooks and

797

00:30:53,029 --> 00:30:50,720

crannies maddie here

798

00:30:53,830 --> 00:30:53,039

i'm joined by my speculative and

799

00:30:56,789 --> 00:30:53,840

inquisitive

800

00:30:58,470 --> 00:30:56,799

co-host evan i i think i wasn't present

801  
00:31:00,950 --> 00:30:58,480  
for the last two episodes but i'm very

802  
00:31:02,710 --> 00:31:00,960  
happy to be back with you maddie uh

803  
00:31:04,310 --> 00:31:02,720  
todd talk to me about these ufos you're

804  
00:31:05,509 --> 00:31:04,320  
seeing how are you you feeling okay

805  
00:31:07,509 --> 00:31:05,519  
what's going on here

806  
00:31:09,269 --> 00:31:07,519  
well yeah okay so this is my second one

807  
00:31:09,909 --> 00:31:09,279  
so i'll tell you the most recent one and

808  
00:31:12,389 --> 00:31:09,919  
then we'll

809  
00:31:13,590 --> 00:31:12,399  
we'll do the original one the og uh

810  
00:31:16,389 --> 00:31:13,600  
alien sighting

811  
00:31:18,230 --> 00:31:16,399  
so i it was thursday uh about four

812  
00:31:20,470 --> 00:31:18,240  
o'clock in the morning i was like just

813  
00:31:22,389 --> 00:31:20,480

uh you know drinking my coffee taking my

814

00:31:24,070 --> 00:31:22,399

medicine getting ready for my paper road

815

00:31:26,870 --> 00:31:24,080

right just like oh god i

816

00:31:27,830 --> 00:31:26,880

hate my life it's prime alien hours yeah

817

00:31:29,110 --> 00:31:27,840

well that's what

818

00:31:30,950 --> 00:31:29,120

you know it's like with the witching

819

00:31:32,070 --> 00:31:30,960

hour right between three and four so i

820

00:31:34,389 --> 00:31:32,080

look off to like

821

00:31:35,430 --> 00:31:34,399

say like a two o'clock position like on

822

00:31:39,029 --> 00:31:35,440

a clock

823

00:31:40,630 --> 00:31:39,039

and i see a band of like six to seven

824

00:31:44,070 --> 00:31:40,640

lights it was an odd number

825

00:31:47,110 --> 00:31:44,080

um in a vertical kind of

826

00:31:48,470 --> 00:31:47,120

orientation and the streak was slightly

827

00:31:51,269 --> 00:31:48,480

curved like

828

00:31:53,190 --> 00:31:51,279

like if the butt end of the sea was

829

00:31:55,509 --> 00:31:53,200

pointing to the right i guess

830

00:31:57,110 --> 00:31:55,519

uh just a little bit and there was a

831

00:31:59,590 --> 00:31:57,120

smoky trail going off

832

00:32:00,310 --> 00:31:59,600

uh the back of it and as i was looking

833

00:32:03,350 --> 00:32:00,320

at it

834

00:32:05,430 --> 00:32:03,360

it would turn say like 10 degrees to the

835

00:32:05,990 --> 00:32:05,440

left and then turn like 10 degrees to

836

00:32:08,549 --> 00:32:06,000

the right

837

00:32:10,950 --> 00:32:08,559

and kind of do a little bit of a around

838

00:32:13,990 --> 00:32:10,960

its center kind of like swivel

839

00:32:17,830 --> 00:32:14,000

and very kind of slowly but

840

00:32:21,430 --> 00:32:17,840

too fast for like conventional aircraft

841

00:32:21,909 --> 00:32:21,440

and i at that point at that point i was

842

00:32:24,070 --> 00:32:21,919

like this

843

00:32:25,029 --> 00:32:24,080

is crazy like i'm just gonna stare at

844

00:32:28,230 --> 00:32:25,039

this and take it all

845

00:32:29,669 --> 00:32:28,240

in right at that point i'm like oh no

846

00:32:31,269 --> 00:32:29,679

because i was drinking my morning coffee

847

00:32:33,990 --> 00:32:31,279

at four in the morning like oh no

848

00:32:34,950 --> 00:32:34,000

i had to take a he had to run

849

00:32:37,350 --> 00:32:34,960

inside

850

00:32:38,149 --> 00:32:37,360

because honestly man if i didn't like

851  
00:32:40,310 --> 00:32:38,159  
clench

852  
00:32:42,070 --> 00:32:40,320  
it was coming out like i i almost like

853  
00:32:43,750 --> 00:32:42,080  
crap my pants

854  
00:32:45,909 --> 00:32:43,760  
just from the coffee and like being

855  
00:32:47,590 --> 00:32:45,919  
almost 40. oh you don't have to describe

856  
00:32:49,509 --> 00:32:47,600  
the sensation i know it well

857  
00:32:51,029 --> 00:32:49,519  
i think we've all been there so i come

858  
00:32:52,230 --> 00:32:51,039  
rushing back from the bathroom like

859  
00:32:53,909 --> 00:32:52,240  
please still be there because it was

860  
00:32:54,470 --> 00:32:53,919  
moving slow enough then there wasn't

861  
00:32:56,789 --> 00:32:54,480  
enough

862  
00:32:59,190 --> 00:32:56,799  
any houses kind of obstructing its its

863  
00:33:00,870 --> 00:32:59,200

path and i come out and look where it

864

00:33:04,710 --> 00:33:00,880

should be maybe like three

865

00:33:08,230 --> 00:33:04,720

inches to the right and it's just gone

866

00:33:10,389 --> 00:33:08,240

hmm what do you think about that

867

00:33:11,590 --> 00:33:10,399

well this got me wondering do you think

868

00:33:14,470 --> 00:33:11,600

lights on a ufo

869

00:33:15,509 --> 00:33:14,480

are they a used for navigation be used

870

00:33:18,549 --> 00:33:15,519

to identify

871

00:33:20,549 --> 00:33:18,559

like whatever things they need to see or

872

00:33:22,789 --> 00:33:20,559

see is it just the byproduct because

873

00:33:23,750 --> 00:33:22,799

you'd think if alien crafts came over

874

00:33:25,750 --> 00:33:23,760

they wouldn't need

875

00:33:27,190 --> 00:33:25,760

lights for like navigatory purposes

876

00:33:28,710 --> 00:33:27,200

they'd probably have better stuff going

877

00:33:30,630 --> 00:33:28,720

on now so what's the what's the lights

878

00:33:32,389 --> 00:33:30,640

what are they doing with these lights on

879

00:33:33,990 --> 00:33:32,399

well maybe it's d they just want to be

880

00:33:36,230 --> 00:33:34,000

noticed oh

881

00:33:37,830 --> 00:33:36,240

oh it's a peacocking type thing yeah

882

00:33:39,029 --> 00:33:37,840

exactly like that's what i would like to

883

00:33:41,990 --> 00:33:39,039

believe because you know

884

00:33:43,190 --> 00:33:42,000

i'm like quite quite the believer so

885

00:33:45,590 --> 00:33:43,200

yeah i saw that and

886

00:33:46,549 --> 00:33:45,600

it was like the other thing that i was

887

00:33:49,190 --> 00:33:46,559

thinking like

888

00:33:50,389 --> 00:33:49,200

i live on vancouver island so there's a

889

00:33:53,590 --> 00:33:50,399

canadian forces base

890

00:33:55,269 --> 00:33:53,600

nearby and us forces base like across

891

00:33:57,750 --> 00:33:55,279

the channel of water there

892

00:33:58,310 --> 00:33:57,760

uh but i mean i've seen their like

893

00:34:00,149 --> 00:33:58,320

really

894

00:34:01,669 --> 00:34:00,159

kind of like borderline classified

895

00:34:03,990 --> 00:34:01,679

helicopters going by

896

00:34:05,269 --> 00:34:04,000

and they're loud as this thing was

897

00:34:08,069 --> 00:34:05,279

dead silence

898

00:34:09,750 --> 00:34:08,079

and it was moving quickly like it was

899

00:34:11,510 --> 00:34:09,760

rather large i would say like if i was

900

00:34:13,349 --> 00:34:11,520

looking at it it was um

901  
00:34:14,550 --> 00:34:13,359  
inch and a half two inches sort of from

902  
00:34:16,869 --> 00:34:14,560  
top to bottom

903  
00:34:18,230 --> 00:34:16,879  
um but it seemed like closer but maybe

904  
00:34:19,990 --> 00:34:18,240  
also further away

905  
00:34:21,909 --> 00:34:20,000  
and it was spooky man and there was like

906  
00:34:24,550 --> 00:34:21,919  
a a contrail

907  
00:34:26,470 --> 00:34:24,560  
uh behind it as well so like i don't

908  
00:34:27,109 --> 00:34:26,480  
know if that's just like an atmospheric

909  
00:34:31,990 --> 00:34:27,119  
thing

910  
00:34:35,030 --> 00:34:32,000  
know up in the okanagan what have you

911  
00:34:37,270 --> 00:34:35,040  
uh it wasn't that and and they the band

912  
00:34:39,909 --> 00:34:37,280  
of lights was like seven and it was in a

913  
00:34:40,629 --> 00:34:39,919

in a line and it looked like kind of a c

914

00:34:42,389 --> 00:34:40,639

well i mean

915

00:34:44,470 --> 00:34:42,399

it would be the year for that you know

916

00:34:46,470 --> 00:34:44,480

if uh if we're about to

917

00:34:47,990 --> 00:34:46,480

find out some horrifying shocking

918

00:34:49,669 --> 00:34:48,000

details about the the cosmic

919

00:34:51,030 --> 00:34:49,679

scale of things uh this would be the

920

00:34:54,710 --> 00:34:51,040

year we find that out so

921

00:34:56,230 --> 00:34:54,720

uh that's your most recent sighting but

922

00:34:57,430 --> 00:34:56,240

you've said your second sighting so

923

00:34:59,829 --> 00:34:57,440

let's let's hear about the first one

924

00:35:02,150 --> 00:34:59,839

this is news to me

925

00:35:04,550 --> 00:35:02,160

yeah i keep this a little bit quiet but

926  
00:35:05,920 --> 00:35:04,560  
um not as quiet as i keep the fact that

927  
00:35:07,750 --> 00:35:05,930  
i have esp

928  
00:35:09,829 --> 00:35:07,760  
[Laughter]

929  
00:35:12,150 --> 00:35:09,839  
all right so so the first one was like

930  
00:35:14,069 --> 00:35:12,160  
10 years ago right i was off camping

931  
00:35:17,270 --> 00:35:14,079  
in a cabin in the woods believe it or

932  
00:35:19,910 --> 00:35:17,280  
not in boston bar uh with some buddies

933  
00:35:21,030 --> 00:35:19,920  
and um you know like it was late at

934  
00:35:24,470 --> 00:35:21,040  
night it was probably like

935  
00:35:28,069 --> 00:35:24,480  
2 30. um crystal clear sky

936  
00:35:30,710 --> 00:35:28,079  
uh for whatever reason me and my buddy

937  
00:35:32,230 --> 00:35:30,720  
johnny were just um lying on like the

938  
00:35:34,630 --> 00:35:32,240

logging road that like kind of

939

00:35:35,670 --> 00:35:34,640

beats the the kind of cabins uh there in

940

00:35:37,750 --> 00:35:35,680

boston bar

941

00:35:39,109 --> 00:35:37,760

and just looking at the stars as you do

942

00:35:41,349 --> 00:35:39,119

late night camping

943

00:35:43,190 --> 00:35:41,359

and um you know i i had been drinking

944

00:35:45,109 --> 00:35:43,200

but not excessively it was

945

00:35:47,030 --> 00:35:45,119

a bunch of my muslim friends so like i

946

00:35:49,430 --> 00:35:47,040

don't go nuts when i camp with them

947

00:35:50,470 --> 00:35:49,440

um smoking weed but like i smoke it

948

00:35:52,150 --> 00:35:50,480

medicinally so

949

00:35:53,510 --> 00:35:52,160

that if anything it just makes me more

950

00:35:56,230 --> 00:35:53,520

clear-headed

951  
00:35:57,589 --> 00:35:56,240  
believe me folks um and so i wasn't like

952  
00:35:58,710 --> 00:35:57,599  
hammered or anything and like the

953  
00:35:59,990 --> 00:35:58,720  
world's spinning or

954  
00:36:01,430 --> 00:36:00,000  
anything like this and i'm just lying

955  
00:36:03,670 --> 00:36:01,440  
there with johnny we're like wow this

956  
00:36:05,910 --> 00:36:03,680  
starts crazy man this is awesome

957  
00:36:07,349 --> 00:36:05,920  
and uh you're seeing some shooting stars

958  
00:36:10,310 --> 00:36:07,359  
and stuff like this

959  
00:36:12,150 --> 00:36:10,320  
and from like the right corner of our

960  
00:36:15,109 --> 00:36:12,160  
eye

961  
00:36:16,150 --> 00:36:15,119  
we see this dot that is moving pretty

962  
00:36:19,030 --> 00:36:16,160  
quickly

963  
00:36:19,990 --> 00:36:19,040

from one edge of the horizon all the way

964

00:36:22,790 --> 00:36:20,000

over

965

00:36:23,670 --> 00:36:22,800

it stops at the tree that is blocking

966

00:36:27,270 --> 00:36:23,680

our view

967

00:36:29,430 --> 00:36:27,280

no even it goes up to the left

968

00:36:30,790 --> 00:36:29,440

down and then just continues off to the

969

00:36:32,550 --> 00:36:30,800

left like it was

970

00:36:33,829 --> 00:36:32,560

like that's why i'm thinking like they

971

00:36:36,870 --> 00:36:33,839

want to be seen

972

00:36:38,950 --> 00:36:36,880

and um we were just like chatting and

973

00:36:41,109 --> 00:36:38,960

then as soon as i noticed it

974

00:36:43,990 --> 00:36:41,119

i just went quiet and he went quiet and

975

00:36:46,310 --> 00:36:44,000

we without saying anything to each other

976  
00:36:47,270 --> 00:36:46,320  
eyes were locked on this thing and it

977  
00:36:50,310 --> 00:36:47,280  
went by and i

978  
00:36:52,390 --> 00:36:50,320  
looked at him like bro did you see that

979  
00:36:54,230 --> 00:36:52,400  
and he's like yeah man i'm like that

980  
00:36:56,390 --> 00:36:54,240  
wasn't no like shooting star right it

981  
00:36:59,670 --> 00:36:56,400  
was like a circle that was

982  
00:37:01,030 --> 00:36:59,680  
much like more diameter than a pinhole

983  
00:37:03,510 --> 00:37:01,040  
it'd be like almost like

984  
00:37:04,310 --> 00:37:03,520  
if you went halfway down on the tip of a

985  
00:37:07,990 --> 00:37:04,320  
pencil

986  
00:37:09,829 --> 00:37:08,000  
like about that big right um and it uh

987  
00:37:12,069 --> 00:37:09,839  
yeah i did that move around the tree and

988  
00:37:13,829 --> 00:37:12,079

and i'm like i've never seen

989

00:37:15,109 --> 00:37:13,839

anything do that it's not a satellite

990

00:37:16,870 --> 00:37:15,119

either i've seen satellites and they

991

00:37:17,589 --> 00:37:16,880

just go on a single trajectory across

992

00:37:20,150 --> 00:37:17,599

the field of vision

993

00:37:22,069 --> 00:37:20,160

they don't make a upwards left

994

00:37:23,910 --> 00:37:22,079

hand and then a downwards turn and then

995

00:37:25,349 --> 00:37:23,920

another left and go around a tree just

996

00:37:27,910 --> 00:37:25,359

so they can be seen right

997

00:37:31,030 --> 00:37:27,920

and as we're chatting about this we hear

998

00:37:34,470 --> 00:37:33,829

like that not a bear bro a

999

00:37:36,790 --> 00:37:34,480

cooker

1000

00:37:38,390 --> 00:37:36,800

like you do not typically hear cougars

1001  
00:37:39,910 --> 00:37:38,400  
and then it goes

1002  
00:37:41,589 --> 00:37:39,920  
and it comes like tumbling down this

1003  
00:37:44,230 --> 00:37:41,599  
hill because there's like a bit of a

1004  
00:37:45,430 --> 00:37:44,240  
like a slope behind us uh forested thank

1005  
00:37:47,430 --> 00:37:45,440  
god and it comes like

1006  
00:37:48,470 --> 00:37:47,440  
bear lasting down this hill we're like

1007  
00:37:51,190 --> 00:37:48,480  
cougar and we

1008  
00:37:51,829 --> 00:37:51,200  
book it into the cabin and lock the door

1009  
00:37:53,510 --> 00:37:51,839  
like

1010  
00:37:55,030 --> 00:37:53,520  
throw the chair under the handle and

1011  
00:37:56,550 --> 00:37:55,040  
everything there's like four of our

1012  
00:37:58,150 --> 00:37:56,560  
buddies out around the campfire

1013  
00:37:59,670 --> 00:37:58,160

we're like oh guys guys come in

1014

00:38:03,190 --> 00:37:59,680

come in come on it's a cougar

1015

00:38:04,710 --> 00:38:03,200

and uh and so just like on thursday when

1016

00:38:06,710 --> 00:38:04,720

i almost myself

1017

00:38:08,230 --> 00:38:06,720

and uh here we almost got eaten by a

1018

00:38:11,589 --> 00:38:08,240

cougar so it's weird like when

1019

00:38:13,130 --> 00:38:11,599

i view ufos it's like a moment before

1020

00:38:15,430 --> 00:38:13,140

extreme danger

1021

00:38:17,670 --> 00:38:15,440

[Laughter]

1022

00:38:18,790 --> 00:38:17,680

i can't imagine that the extent of what

1023

00:38:20,470 --> 00:38:18,800

exists

1024

00:38:23,030 --> 00:38:20,480

happens to exist within our sensory

1025

00:38:24,470 --> 00:38:23,040

perceptive uh fields so

1026

00:38:26,069 --> 00:38:24,480

when you see stuff like that who the

1027

00:38:29,910 --> 00:38:26,079

hell knows you know i

1028

00:38:31,910 --> 00:38:29,920

am uh i am no uh rational skeptic in

1029

00:38:32,790 --> 00:38:31,920

terms of these types of types of things

1030

00:38:36,550 --> 00:38:32,800

i just

1031

00:38:38,630 --> 00:38:36,560

i want to believe and i believe

1032

00:38:40,230 --> 00:38:38,640

well i certainly got that belief

1033

00:38:41,750 --> 00:38:40,240

reinforced on thursday now

1034

00:38:44,630 --> 00:38:41,760

this is the kicker this is the real

1035

00:38:46,550 --> 00:38:44,640

kicker um out of nowhere this guy ryan

1036

00:38:48,390 --> 00:38:46,560

sprague who's like a ufo guy he's kind

1037

00:38:51,349 --> 00:38:48,400

of like rob from our strange skies

1038

00:38:52,550 --> 00:38:51,359

um but he has like tv shows and youtube

1039

00:38:53,430 --> 00:38:52,560

channels really popular and all that

1040

00:38:55,829 --> 00:38:53,440

sort of stuff

1041

00:38:57,829 --> 00:38:55,839

um he sends me a direct message and i'm

1042

00:38:59,829 --> 00:38:57,839

like ryan sprague i know that name

1043

00:39:01,349 --> 00:38:59,839

he's like hey i saw your comment on

1044

00:39:04,230 --> 00:39:01,359

rob's post

1045

00:39:06,230 --> 00:39:04,240

which was like eight months ago right i

1046

00:39:07,750 --> 00:39:06,240

commented like hey i've seen a ufo like

1047

00:39:08,390 --> 00:39:07,760

you want me to come out and tell the

1048

00:39:11,510 --> 00:39:08,400

story rob

1049

00:39:12,230 --> 00:39:11,520

and he he just reached out that day at

1050

00:39:15,670 --> 00:39:12,240

like

1051

00:39:18,870 --> 00:39:15,680

seven a.m and i saw the ufo at 4am

1052

00:39:20,310 --> 00:39:18,880

out of nowhere whoa so i'm going to clip

1053

00:39:20,790 --> 00:39:20,320

this up and send it over to ryan for

1054

00:39:21,990 --> 00:39:20,800

sure

1055

00:39:24,710 --> 00:39:22,000

oh there's there's some bizarre

1056

00:39:27,430 --> 00:39:24,720

serendipity going on there

1057

00:39:28,390 --> 00:39:27,440

i think so it's uh it's a little creepy

1058

00:39:30,710 --> 00:39:28,400

but it's also

1059

00:39:32,069 --> 00:39:30,720

like because of my esp i'm like well i

1060

00:39:33,910 --> 00:39:32,079

know they're there so

1061

00:39:35,829 --> 00:39:33,920

it's just kind of fun that i got to see

1062

00:39:37,270 --> 00:39:35,839

another one like i didn't think that

1063

00:39:42,190 --> 00:39:37,280

would happen i thought i'd just get to

1064

00:39:49,510 --> 00:39:42,200

see one so here's to many more

1065

00:39:51,430 --> 00:39:49,520

[Music]

1066

00:39:52,710 --> 00:39:51,440

somewhere in the skies is produced by

1067

00:39:54,550 --> 00:39:52,720

third kind productions
