

**SOMEWHERE
IN THE
SKIES**

**≡≡≡ FEATURING ≡≡≡
ALEJANDRO ROJAS**

1
00:00:08,230 --> 00:00:05,910
ufos seem to be invading both our skies

2
00:00:10,390 --> 00:00:08,240
and our news outlets like never before

3
00:00:11,749 --> 00:00:10,400
and more people are starting to look up

4
00:00:15,110 --> 00:00:11,759
and are wondering who

5
00:00:16,950 --> 00:00:15,120
or what might be out there in 2016

6
00:00:19,109 --> 00:00:16,960
ryan spregg introduced the world to

7
00:00:20,710 --> 00:00:19,119
countless ufo encounters that had never

8
00:00:22,870 --> 00:00:20,720
been made public before

9
00:00:24,870 --> 00:00:22,880
and now in the second edition of his

10
00:00:27,670 --> 00:00:24,880
book he revisits these events and

11
00:00:29,990 --> 00:00:27,680
introduces brand new ufo cases

12
00:00:32,229 --> 00:00:30,000
in somewhere in the skies a human

13
00:00:34,310 --> 00:00:32,239

approach to the ufo phenomenon

14

00:00:35,590 --> 00:00:34,320

how have these events changed the lives

15

00:00:37,030 --> 00:00:35,600

of those involved

16

00:00:39,750 --> 00:00:37,040

and what might it tell us about the

17

00:00:41,670 --> 00:00:39,760

phenomenon with in-depth follow-ups

18

00:00:43,590 --> 00:00:41,680

brand new chapters and detailed

19

00:00:44,069 --> 00:00:43,600

testimony from credible witnesses and

20

00:00:46,229 --> 00:00:44,079

insight

21

00:00:47,910 --> 00:00:46,239

from those in the psychological academic

22

00:00:50,389 --> 00:00:47,920

and scientific fields

23

00:00:52,069 --> 00:00:50,399

somewhere in the skies a human approach

24

00:00:54,549 --> 00:00:52,079

to the ufo phenomenon

25

00:00:56,229 --> 00:00:54,559

weaves together a story of stories

26

00:00:56,869 --> 00:00:56,239

attempting to get to the heart of these

27

00:00:59,670 --> 00:00:56,879

mysteries

28

00:01:00,389 --> 00:00:59,680

one experience at a time available now

29

00:01:02,790 --> 00:01:00,399

on amazon

30

00:01:13,220 --> 00:01:02,800

in both paperback and ebook to learn

31

00:01:18,789 --> 00:01:13,230

more visit somerewhereintheskies.com

32

00:01:18,799 --> 00:01:24,830

this is somewhere in the skies with ryan

33

00:01:39,670 --> 00:01:26,100

spread

34

00:01:44,469 --> 00:01:41,749

alejandro thank you so much for joining

35

00:01:47,270 --> 00:01:44,479

me once again on somewhere in the skies

36

00:01:49,350 --> 00:01:47,280

my pleasure i always love it yeah man

37

00:01:51,749 --> 00:01:49,360

it's always an honor having you here and

38

00:01:53,190 --> 00:01:51,759

we know that when you're on the show

39

00:01:55,429 --> 00:01:53,200

it's got to have

40

00:01:56,630 --> 00:01:55,439

something to do with the ufo congress

41

00:01:59,590 --> 00:01:56,640

and i'm so

42

00:02:01,510 --> 00:01:59,600

excited for this i just registered over

43

00:02:03,030 --> 00:02:01,520

on the site so i can't wait for this but

44

00:02:05,270 --> 00:02:03,040

before we even talk

45

00:02:06,950 --> 00:02:05,280

about the ufo congress running september

46

00:02:09,029 --> 00:02:06,960

9th through the 13th

47

00:02:11,510 --> 00:02:09,039

i have to get your opinions on this

48

00:02:14,710 --> 00:02:11,520

because you're like at the forefront

49

00:02:16,390 --> 00:02:14,720

of uh getting this out to the media and

50

00:02:18,070 --> 00:02:16,400

um you've spoken to a lot of the

51
00:02:18,630 --> 00:02:18,080
individuals involved with this sort of

52
00:02:21,670 --> 00:02:18,640
thing

53
00:02:22,150 --> 00:02:21,680
but the uh uap task force this is the

54
00:02:26,470 --> 00:02:22,160
big

55
00:02:28,710 --> 00:02:26,480
wanted to get your opinions on this

56
00:02:30,710 --> 00:02:28,720
um maybe if you want to run us through

57
00:02:32,710 --> 00:02:30,720
what this is a little bit

58
00:02:34,390 --> 00:02:32,720
uh we a lot of our listeners probably

59
00:02:36,790 --> 00:02:34,400
know by now but for those who are

60
00:02:37,589 --> 00:02:36,800
new to everything going on with the

61
00:02:40,710 --> 00:02:37,599
pentagon

62
00:02:41,509 --> 00:02:40,720
and naval intelligence um what is the

63
00:02:43,750 --> 00:02:41,519

uap

64

00:02:45,270 --> 00:02:43,760

task force and what do you think is

65

00:02:47,990 --> 00:02:45,280

going to come of all this

66

00:02:49,430 --> 00:02:48,000

all right i think that uh you know it's

67

00:02:50,070 --> 00:02:49,440

something i've been examining very

68

00:02:53,350 --> 00:02:50,080

closely

69

00:02:54,390 --> 00:02:53,360

i'm mostly looking at kind of the

70

00:03:01,270 --> 00:02:54,400

perspective

71

00:03:04,149 --> 00:03:01,280

you know the the senate who intelligence

72

00:03:05,830 --> 00:03:04,159

who's asked for information um from the

73

00:03:08,309 --> 00:03:05,840

military on uaps

74

00:03:09,910 --> 00:03:08,319

and uh kind of trying to understand i

75

00:03:11,910 --> 00:03:09,920

wrote a piece on you know how the dod

76

00:03:14,309 --> 00:03:11,920

has been changing their story

77

00:03:15,910 --> 00:03:14,319

but trying to get a feel for for where

78

00:03:19,670 --> 00:03:15,920

this is all headed

79

00:03:21,990 --> 00:03:19,680

and i think that ufo the ufo community

80

00:03:23,990 --> 00:03:22,000

uh is in for a a pretty big

81

00:03:26,270 --> 00:03:24,000

disappointment for the most part

82

00:03:27,589 --> 00:03:26,280

and i think that there's a lot of

83

00:03:31,430 --> 00:03:27,599

misperception

84

00:03:33,509 --> 00:03:31,440

out there so essentially you know we

85

00:03:35,830 --> 00:03:33,519

when it comes to mixed messages where

86

00:03:38,869 --> 00:03:35,840

did this uap task force come from

87

00:03:39,750 --> 00:03:38,879

um just recently uh roger glassell you

88

00:03:41,750 --> 00:03:39,760

know swedish

89

00:03:43,190 --> 00:03:41,760

researcher he's been communicating with

90

00:03:44,149 --> 00:03:43,200

susan goh who's one of the press

91

00:03:46,149 --> 00:03:44,159

officers

92

00:03:47,589 --> 00:03:46,159

uh who has been sending out some of

93

00:03:49,910 --> 00:03:47,599

these weird messages

94

00:03:50,710 --> 00:03:49,920

but more recently he asked specifically

95

00:03:53,830 --> 00:03:50,720

you know

96

00:03:56,390 --> 00:03:53,840

is this uh why on august 4th did you

97

00:03:58,309 --> 00:03:56,400

announce that this uap task force is new

98

00:03:59,990 --> 00:03:58,319

when you told me it existed prior to

99

00:04:02,309 --> 00:04:00,000

this and what she said is because

100

00:04:03,750 --> 00:04:02,319

it wasn't formal before it was kind of

101
00:04:06,710 --> 00:04:03,760
an informal

102
00:04:08,229 --> 00:04:06,720
uh kind of discussions of the these

103
00:04:08,710 --> 00:04:08,239
people in the background headed by the

104
00:04:11,990 --> 00:04:08,720
navy

105
00:04:14,630 --> 00:04:12,000
to uh talk about ua pisa and um

106
00:04:15,270 --> 00:04:14,640
the topic uh he asked specifically if

107
00:04:18,150 --> 00:04:15,280
this was

108
00:04:19,590 --> 00:04:18,160
you know uh if an extension of the

109
00:04:22,950 --> 00:04:19,600
program that lua elizondo

110
00:04:25,830 --> 00:04:22,960
was part of and she said no um

111
00:04:26,710 --> 00:04:25,840
but i i doubtful of that answer because

112
00:04:29,670 --> 00:04:26,720
we have

113
00:04:30,950 --> 00:04:29,680

from what i understand there are the

114

00:04:34,310 --> 00:04:30,960

same players

115

00:04:36,230 --> 00:04:34,320

the people who were working with atib

116

00:04:37,830 --> 00:04:36,240

um are also the people working on the

117

00:04:40,070 --> 00:04:37,840

task force

118

00:04:42,469 --> 00:04:40,080

hopefully more specific information

119

00:04:43,510 --> 00:04:42,479

about that will come out and the reason

120

00:04:46,629 --> 00:04:43,520

being to show that

121

00:04:47,749 --> 00:04:46,639

yes indeed this was i think part of what

122

00:04:51,749 --> 00:04:47,759

they were working on

123

00:04:52,629 --> 00:04:51,759

but we keep hearing about drones and

124

00:04:55,350 --> 00:04:52,639

keep talking about

125

00:04:56,230 --> 00:04:55,360

drones and i think that's a much bigger

126

00:05:00,150 --> 00:04:56,240

deal

127

00:05:03,029 --> 00:05:00,160

than uh to the military and this topic

128

00:05:03,909 --> 00:05:03,039

then especially the ufo community wants

129

00:05:07,430 --> 00:05:03,919

to

130

00:05:09,670 --> 00:05:07,440

understand and that if you're looking at

131

00:05:12,790 --> 00:05:09,680

what are the major threats and kind of

132

00:05:14,310 --> 00:05:12,800

what uh has transpired around the

133

00:05:17,590 --> 00:05:14,320

creation of this

134

00:05:19,510 --> 00:05:17,600

is that the the chris mellon so

135

00:05:20,629 --> 00:05:19,520

you your audience probably knows who he

136

00:05:22,950 --> 00:05:20,639

is you know he

137

00:05:25,510 --> 00:05:22,960

used to work for ssci that the

138

00:05:27,670 --> 00:05:25,520

intelligence committee and everything

139

00:05:29,670 --> 00:05:27,680

melon is kind of the guy who engineered

140

00:05:33,029 --> 00:05:29,680

all this i mean it was a plan

141

00:05:34,710 --> 00:05:33,039

to come out with elizondo uh to

142

00:05:36,830 --> 00:05:34,720

demonstrate that the government indeed

143

00:05:37,990 --> 00:05:36,840

has investigated ufos and taken it

144

00:05:40,310 --> 00:05:38,000

seriously

145

00:05:41,830 --> 00:05:40,320

to get them on the record once they're

146

00:05:43,909 --> 00:05:41,840

on the record saying that

147

00:05:45,189 --> 00:05:43,919

you then can go to the senate and say

148

00:05:47,510 --> 00:05:45,199

look here's evidence

149

00:05:48,710 --> 00:05:47,520

they're they're looking into it and that

150

00:05:51,350 --> 00:05:48,720

gives the senate the

151
00:05:53,270 --> 00:05:51,360
ability to say hey you say you've been

152
00:05:54,310 --> 00:05:53,280
looking into uaps yet you're supposed to

153
00:05:55,830 --> 00:05:54,320
be briefing on

154
00:05:57,510 --> 00:05:55,840
us on everything you're doing you've

155
00:05:58,710 --> 00:05:57,520
never told us about this now we want to

156
00:06:02,230 --> 00:05:58,720
hear more

157
00:06:04,950 --> 00:06:02,240
um so that's what uh

158
00:06:06,469 --> 00:06:04,960
that's how this all came about but chris

159
00:06:08,550 --> 00:06:06,479
mellon's

160
00:06:09,990 --> 00:06:08,560
and we've heard this from the dod their

161
00:06:14,950 --> 00:06:10,000
major concern

162
00:06:17,350 --> 00:06:14,960
is the blind spot so this ufo taboo

163
00:06:18,150 --> 00:06:17,360

that's been created means that they

164

00:06:19,990 --> 00:06:18,160

haven't been

165

00:06:21,749 --> 00:06:20,000

paying attention to a lot of things they

166

00:06:25,029 --> 00:06:21,759

should have for example

167

00:06:26,629 --> 00:06:25,039

you know even when i did my first like

168

00:06:27,830 --> 00:06:26,639

mufon investigator as a field

169

00:06:29,510 --> 00:06:27,840

investigator

170

00:06:31,110 --> 00:06:29,520

this was a guy who just got back from

171

00:06:34,309 --> 00:06:31,120

iraq he saw an

172

00:06:36,550 --> 00:06:34,319

object he you know he's used to

173

00:06:37,670 --> 00:06:36,560

uh you know raising an alarm when when

174

00:06:39,590 --> 00:06:37,680

they see something that could be

175

00:06:42,469 --> 00:06:39,600

potentially dangerous or

176

00:06:43,830 --> 00:06:42,479

uh a safety concerns nobody wanted to

177

00:06:46,950 --> 00:06:43,840

listen

178

00:06:49,189 --> 00:06:46,960

they should be

179

00:06:50,629 --> 00:06:49,199

uh you know paying attention to that

180

00:06:52,790 --> 00:06:50,639

sort of thing but if you

181

00:06:54,230 --> 00:06:52,800

invoke the word ufo then they don't want

182

00:06:55,749 --> 00:06:54,240

anything to do with it

183

00:06:57,990 --> 00:06:55,759

and that's kind of the argument that

184

00:06:59,830 --> 00:06:58,000

chris has been making is that

185

00:07:01,589 --> 00:06:59,840

look these could be chinese these could

186

00:07:04,469 --> 00:07:01,599

be russian if they are

187

00:07:05,110 --> 00:07:04,479

we're in big trouble another piece that

188

00:07:07,589 --> 00:07:05,120

came out

189

00:07:09,350 --> 00:07:07,599

uh you know was this report about the

190

00:07:12,629 --> 00:07:09,360

the drone incursions

191

00:07:14,629 --> 00:07:12,639

over nuclear uh facilities right right

192

00:07:15,990 --> 00:07:14,639

and supposedly there's been like 50

193

00:07:18,469 --> 00:07:16,000

investigations only

194

00:07:19,430 --> 00:07:18,479

five of which have been resolved that's

195

00:07:21,189 --> 00:07:19,440

a big deal

196

00:07:23,430 --> 00:07:21,199

i mean if any of those objects had

197

00:07:26,629 --> 00:07:23,440

weapons on them

198

00:07:27,749 --> 00:07:26,639

um that would be a problem so they're

199

00:07:31,350 --> 00:07:27,759

looking at kind of these

200

00:07:34,550 --> 00:07:31,360

real world um more tangible

201

00:07:35,909 --> 00:07:34,560

sort of issues um and then

202

00:07:38,390 --> 00:07:35,919

there's of course what we're all

203

00:07:40,390 --> 00:07:38,400

interested the unidentifieds what about

204

00:07:42,150 --> 00:07:40,400

those what about the truly anomalous

205

00:07:44,629 --> 00:07:42,160

like the nimitz situation which

206

00:07:46,390 --> 00:07:44,639

the navy has insisted that is an

207

00:07:48,950 --> 00:07:46,400

unidentified we don't know what it is we

208

00:07:51,589 --> 00:07:48,960

don't think it's chinese or russian

209

00:07:53,350 --> 00:07:51,599

we don't know what to make of that well

210

00:07:56,150 --> 00:07:53,360

roger gassel asked about that

211

00:07:58,790 --> 00:07:56,160

specifically to susan go and essentially

212

00:08:00,790 --> 00:07:58,800

she uh said that would be classified any

213

00:08:02,790 --> 00:08:00,800

investigation we do in that

214

00:08:04,309 --> 00:08:02,800

so we're not seeing what uh the

215

00:08:08,150 --> 00:08:04,319

development of kind of an

216

00:08:10,150 --> 00:08:08,160

opaque uh or a transparent group

217

00:08:12,230 --> 00:08:10,160

uh it seems like they are gonna be

218

00:08:15,110 --> 00:08:12,240

attempting to uh

219

00:08:16,390 --> 00:08:15,120

do their work in the classified realm

220

00:08:19,110 --> 00:08:16,400

now chris mellon

221

00:08:19,749 --> 00:08:19,120

when he suggested the senate look into

222

00:08:23,350 --> 00:08:19,759

this

223

00:08:24,950 --> 00:08:23,360

he suggested he he i guess he understood

224

00:08:26,629 --> 00:08:24,960

that it would likely need to be

225

00:08:29,749 --> 00:08:26,639

classified

226

00:08:31,110 --> 00:08:29,759

it was unexpected by him and i could say

227

00:08:34,149 --> 00:08:31,120

this because i've interviewed him

228

00:08:36,149 --> 00:08:34,159

recently that you know

229

00:08:38,829 --> 00:08:36,159

marco rubio and the senate intelligence

230

00:08:41,430 --> 00:08:38,839

committee would ask for a public facing

231

00:08:42,070 --> 00:08:41,440

report um and i think that's all

232

00:08:47,829 --> 00:08:42,080

important

233

00:08:49,350 --> 00:08:47,839

grounded and realize this because

234

00:08:51,430 --> 00:08:49,360

you know a lot of people are out there

235

00:08:53,110 --> 00:08:51,440

oh this is the beginning of them telling

236

00:08:56,230 --> 00:08:53,120

about us about roswell

237

00:08:59,829 --> 00:08:56,240

and area 51 and aliens in a hangar

238

00:09:02,630 --> 00:08:59,839

it's absolutely none of that in fact

239

00:09:03,030 --> 00:09:02,640

it may be a blue book too but a much

240

00:09:06,150 --> 00:09:03,040

more

241

00:09:10,310 --> 00:09:06,160

secretive blue book than the original so

242

00:09:13,430 --> 00:09:10,320

if we do want data on the unidentifieds

243

00:09:14,710 --> 00:09:13,440

the one piece of leverage we have is

244

00:09:18,150 --> 00:09:14,720

that politicians

245

00:09:19,350 --> 00:09:18,160

are involved and kind of uh taking a bit

246

00:09:21,670 --> 00:09:19,360

of control

247

00:09:22,389 --> 00:09:21,680

and so through that we can try to

248

00:09:25,990 --> 00:09:22,399

solicit

249

00:09:29,030 --> 00:09:26,000

our politicians to make uh

250

00:09:29,590 --> 00:09:29,040

you know make sure that there is regular

251
00:09:32,710 --> 00:09:29,600
public

252
00:09:36,230 --> 00:09:32,720
uh information available and hopefully

253
00:09:38,710 --> 00:09:36,240
data that is shared with uh scientists

254
00:09:40,630 --> 00:09:38,720
to study this but i don't think that's a

255
00:09:42,550 --> 00:09:40,640
major priority whatsoever

256
00:09:44,949 --> 00:09:42,560
i i would imagine the military will

257
00:09:45,829 --> 00:09:44,959
fight that and i think that's a more

258
00:09:48,470 --> 00:09:45,839
realistic

259
00:09:50,070 --> 00:09:48,480
place where we're at right now but

260
00:09:51,910 --> 00:09:50,080
looking at the silver lining what we

261
00:09:54,949 --> 00:09:51,920
have achieved and i think this is what's

262
00:09:55,829 --> 00:09:54,959
what uh maybe a lot of people in this

263
00:09:58,230 --> 00:09:55,839

field

264

00:09:58,870 --> 00:09:58,240

don't appreciate or aren't as excited

265

00:10:00,870 --> 00:09:58,880

about but

266

00:10:02,630 --> 00:10:00,880

i'm extremely excited about it because

267

00:10:04,710 --> 00:10:02,640

it's been my goal the whole time and

268

00:10:06,550 --> 00:10:04,720

i think you know you probably would

269

00:10:09,590 --> 00:10:06,560

agree that it's important

270

00:10:12,630 --> 00:10:09,600

is that what has transpired though

271

00:10:15,590 --> 00:10:12,640

is that we do now have this admission

272

00:10:16,550 --> 00:10:15,600

that the military takes ufo seriously

273

00:10:18,949 --> 00:10:16,560

they have been

274

00:10:20,710 --> 00:10:18,959

investigating them just like a lot of us

275

00:10:23,670 --> 00:10:20,720

researchers have been saying

276

00:10:24,630 --> 00:10:23,680

uh but being ignored or being you know

277

00:10:26,150 --> 00:10:24,640

thinking oh

278

00:10:27,829 --> 00:10:26,160

we're just making this up no we were

279

00:10:29,350 --> 00:10:27,839

right you know they have been taking it

280

00:10:29,829 --> 00:10:29,360

seriously they have been investigating

281

00:10:32,550 --> 00:10:29,839

it

282

00:10:33,590 --> 00:10:32,560

and then now the mainstream is

283

00:10:36,230 --> 00:10:33,600

comfortable

284

00:10:37,350 --> 00:10:36,240

um talking about this so you've got you

285

00:10:40,310 --> 00:10:37,360

know politicians

286

00:10:42,550 --> 00:10:40,320

that in in washington you have people in

287

00:10:45,110 --> 00:10:42,560

the pentagon in the halls of pentagon

288

00:10:46,310 --> 00:10:45,120

more openly talking about uaps and and

289

00:10:48,230 --> 00:10:46,320

we have media

290

00:10:49,430 --> 00:10:48,240

which i think is slower to catch up but

291

00:10:51,030 --> 00:10:49,440

we have a lot of media

292

00:10:52,870 --> 00:10:51,040

some media talking about it we've got

293

00:10:55,829 --> 00:10:52,880

some mainstream media people

294

00:10:58,230 --> 00:10:55,839

but we also have uh some media outlets

295

00:11:00,150 --> 00:10:58,240

relying on people who have already been

296

00:11:01,670 --> 00:11:00,160

researching this topic to

297

00:11:05,110 --> 00:11:01,680

kind of write articles and share

298

00:11:07,990 --> 00:11:05,120

information so i think that shift

299

00:11:10,310 --> 00:11:08,000

that change where you how can our ufos

300

00:11:13,509 --> 00:11:10,320

are now legit

301

00:11:16,550 --> 00:11:13,519

that is something we need to foster

302

00:11:18,710 --> 00:11:16,560

it is a big step that could lead to more

303

00:11:20,710 --> 00:11:18,720

but that's going to be i think about all

304

00:11:23,990 --> 00:11:20,720

we're going to get out of this

305

00:11:26,230 --> 00:11:24,000

um and unless we really focus on

306

00:11:28,389 --> 00:11:26,240

uh i think more people focus on trying

307

00:11:31,910 --> 00:11:28,399

to support this legitimate

308

00:11:33,590 --> 00:11:31,920

kind of uh view of the topic

309

00:11:36,230 --> 00:11:33,600

you know that could slide through our

310

00:11:37,750 --> 00:11:36,240

fingers as well absolutely man and i

311

00:11:38,230 --> 00:11:37,760

think you made some really good points

312

00:11:41,030 --> 00:11:38,240

in that

313

00:11:42,710 --> 00:11:41,040

uh this could be our disclosure this

314

00:11:45,910 --> 00:11:42,720

could be it and right

315

00:11:47,829 --> 00:11:45,920

that's okay like that's the fact that

316

00:11:49,190 --> 00:11:47,839

the u.s government who's denied this

317

00:11:51,750 --> 00:11:49,200

topic for so long

318

00:11:52,389 --> 00:11:51,760

is admitting yeah ufos are real that's

319

00:11:54,629 --> 00:11:52,399

huge

320

00:11:55,990 --> 00:11:54,639

no the you know the tougher questions

321

00:11:57,990 --> 00:11:56,000

arise who are they what do they

322

00:11:59,670 --> 00:11:58,000

want where do they come from but we

323

00:12:03,350 --> 00:11:59,680

might not figure those things out

324

00:12:05,030 --> 00:12:03,360

ever ever ever but look like you said

325

00:12:07,110 --> 00:12:05,040

i think it's great that there's

326

00:12:08,230 --> 00:12:07,120

passionate ufo people out there

327

00:12:10,389 --> 00:12:08,240

advocating

328

00:12:11,269 --> 00:12:10,399

contacting their local officials and

329

00:12:12,629 --> 00:12:11,279

government

330

00:12:13,829 --> 00:12:12,639

and uh like you said putting the

331

00:12:14,550 --> 00:12:13,839

pressure on them whether it's through

332

00:12:16,870 --> 00:12:14,560

the media

333

00:12:18,150 --> 00:12:16,880

or uh you know through twitter or

334

00:12:20,710 --> 00:12:18,160

bombarding

335

00:12:21,190 --> 00:12:20,720

these people and departments with uh you

336

00:12:23,509 --> 00:12:21,200

know

337

00:12:25,110 --> 00:12:23,519

tell us the truth uh that could work it

338

00:12:28,069 --> 00:12:25,120

might scare them away

339

00:12:28,790 --> 00:12:28,079

as it often does from broaching this

340

00:12:31,350 --> 00:12:28,800

topic

341

00:12:33,509 --> 00:12:31,360

too but um i think you're right i think

342

00:12:36,949 --> 00:12:33,519

this is a good thing no matter what

343

00:12:37,590 --> 00:12:36,959

it could be all we get is what we have

344

00:12:40,870 --> 00:12:37,600

now but

345

00:12:43,030 --> 00:12:40,880

who knows we live in uncertain times

346

00:12:44,629 --> 00:12:43,040

right and we're at a stage where you

347

00:12:48,389 --> 00:12:44,639

know if we look at the scientific

348

00:12:51,110 --> 00:12:48,399

exploration uh or the the i'm sorry

349

00:12:51,990 --> 00:12:51,120

the search for extraterrestrial

350

00:12:54,710 --> 00:12:52,000

intelligence

351

00:12:55,110 --> 00:12:54,720

institute the seti institute and those

352

00:12:57,670 --> 00:12:55,120

people

353

00:12:58,710 --> 00:12:57,680

and how they made that they changed the

354

00:13:01,269 --> 00:12:58,720

public opinion

355

00:13:03,190 --> 00:13:01,279

from seeing it as a fringe sort of thing

356

00:13:05,990 --> 00:13:03,200

to now a mainstream thing where

357

00:13:07,350 --> 00:13:06,000

nasa it's mostly what they're doing now

358

00:13:12,069 --> 00:13:07,360

we need to

359

00:13:15,509 --> 00:13:12,079

continue to pay attention to

360

00:13:16,949 --> 00:13:15,519

and research just like seti did so we do

361

00:13:18,629 --> 00:13:16,959

need to foster you know more of these

362

00:13:21,590 --> 00:13:18,639

mainstream more these scientists

363

00:13:22,230 --> 00:13:21,600

looking at it talking about it hopefully

364

00:13:24,230 --> 00:13:22,240

you know more

365

00:13:25,430 --> 00:13:24,240

organizations or institutes will start

366

00:13:27,509 --> 00:13:25,440

to have projects

367

00:13:29,190 --> 00:13:27,519

looking at it that's what we have to

368

00:13:31,590 --> 00:13:29,200

foster and grow

369

00:13:33,190 --> 00:13:31,600

in order i think to get to where a lot

370

00:13:34,949 --> 00:13:33,200

of people would like to get

371

00:13:37,269 --> 00:13:34,959

um i would like to get where there is

372

00:13:39,590 --> 00:13:37,279

more resources put towards

373

00:13:40,470 --> 00:13:39,600

uh investigation because when you

374

00:13:42,710 --> 00:13:40,480

mentioned you know

375

00:13:44,069 --> 00:13:42,720

now who who are they what are they we're

376

00:13:46,150 --> 00:13:44,079

still in this realm

377

00:13:47,990 --> 00:13:46,160

where we've got to legitimize or at

378

00:13:50,629 --> 00:13:48,000

least to demonstrate

379

00:13:51,030 --> 00:13:50,639

that uh some of these that some of these

380

00:13:54,069 --> 00:13:51,040

things

381

00:13:56,470 --> 00:13:54,079

are not foreign technology i think that

382

00:13:58,310 --> 00:13:56,480

the media is certainly in a place where

383

00:13:59,829 --> 00:13:58,320

like well they could be

384

00:14:02,069 --> 00:13:59,839

because they're not techies they're not

385

00:14:04,069 --> 00:14:02,079

listening and hearing you know these jet

386

00:14:07,189 --> 00:14:04,079

fighter pilots and the technical reasons

387

00:14:09,189 --> 00:14:07,199

as to why these objects are exhibiting

388

00:14:11,990 --> 00:14:09,199

technology that cannot be ours

389

00:14:12,550 --> 00:14:12,000

and we need to really delve into that

390

00:14:14,710 --> 00:14:12,560

and

391

00:14:15,990 --> 00:14:14,720

really examine that to the degree where

392

00:14:18,470 --> 00:14:16,000

people understand

393

00:14:20,310 --> 00:14:18,480

wow there's more to this even than

394

00:14:22,629 --> 00:14:20,320

possibly some extraordinary

395

00:14:23,829 --> 00:14:22,639

chinese and russian technology and to

396

00:14:27,509 --> 00:14:23,839

give rubio credit

397

00:14:29,430 --> 00:14:27,519

you know he's i'm i'm not necessarily a

398

00:14:31,189 --> 00:14:29,440

fan of everything that marco rubio does

399

00:14:33,590 --> 00:14:31,199

but

400

00:14:35,350 --> 00:14:33,600

that statement that he made you know

401
00:14:36,949 --> 00:14:35,360
that hey i would rather these be from

402
00:14:38,790 --> 00:14:36,959
elsewhere because if they're chinese or

403
00:14:40,310 --> 00:14:38,800
russian that's really scary

404
00:14:42,230 --> 00:14:40,320
i think that's a good perspective

405
00:14:42,949 --> 00:14:42,240
because then it makes us really

406
00:14:44,710 --> 00:14:42,959
scrutinize

407
00:14:46,470 --> 00:14:44,720
are these chinese or russian and we

408
00:14:48,949 --> 00:14:46,480
really need to scrutinize that

409
00:14:50,550 --> 00:14:48,959
to determine but again you know when it

410
00:14:51,030 --> 00:14:50,560
comes to the military they're in a tough

411
00:14:53,509 --> 00:14:51,040
spot

412
00:14:55,350 --> 00:14:53,519
because as let's say they do know that

413
00:14:56,389 --> 00:14:55,360

their chinese are russian

414

00:14:57,910 --> 00:14:56,399

they're not going to want to tip their

415

00:14:59,350 --> 00:14:57,920

hand and let the chinese know that we

416

00:15:03,030 --> 00:14:59,360

know they got this

417

00:15:05,509 --> 00:15:03,040

so uh it's really complicated it is

418

00:15:07,189 --> 00:15:05,519

it's complex it's complicated everyone

419

00:15:07,910 --> 00:15:07,199

is in this for their own reasons when it

420

00:15:11,189 --> 00:15:07,920

comes when

421

00:15:13,509 --> 00:15:11,199

we're talking politics or military uh

422

00:15:15,430 --> 00:15:13,519

narratives everything so i think you're

423

00:15:17,269 --> 00:15:15,440

right yeah i think we just have to

424

00:15:18,550 --> 00:15:17,279

take it one day at a time see what

425

00:15:20,629 --> 00:15:18,560

happens but uh

426

00:15:22,230 --> 00:15:20,639

alejandra you mentioned there's more to

427

00:15:23,269 --> 00:15:22,240

all this and i think that's really

428

00:15:25,910 --> 00:15:23,279

important

429

00:15:27,910 --> 00:15:25,920

to focus on is you've got to the stars

430

00:15:31,110 --> 00:15:27,920

academy you've got the things going on

431

00:15:33,749 --> 00:15:31,120

in government and uh those are just one

432

00:15:36,389 --> 00:15:33,759

aspect of this entire ufo

433

00:15:37,670 --> 00:15:36,399

mystery in question and uh that's no

434

00:15:39,910 --> 00:15:37,680

more true than with

435

00:15:40,710 --> 00:15:39,920

the ufo congress so sort of pivoting

436

00:15:42,150 --> 00:15:40,720

here

437

00:15:43,670 --> 00:15:42,160

i have to talk to you about some of

438

00:15:44,949 --> 00:15:43,680

these speakers you guys have this year

439

00:15:46,310 --> 00:15:44,959

because it's probably one of the best

440

00:15:48,310 --> 00:15:46,320

lineups i've seen

441

00:15:50,230 --> 00:15:48,320

in a really long time to be honest and

442

00:15:53,269 --> 00:15:50,240

uh yeah the owner

443

00:15:54,710 --> 00:15:53,279

uh karen uh she pivoted you guys pivoted

444

00:15:57,110 --> 00:15:54,720

to what a lot of conferences

445

00:15:59,430 --> 00:15:57,120

are doing you know in these uncertain

446

00:16:01,590 --> 00:15:59,440

times and that's a virtual conference so

447

00:16:02,870 --> 00:16:01,600

i was wondering can you tell us a little

448

00:16:05,910 --> 00:16:02,880

about how the congress

449

00:16:06,389 --> 00:16:05,920

is running virtually this year yeah and

450

00:16:10,230 --> 00:16:06,399

this

451
00:16:12,389 --> 00:16:10,240
is a uh definitely a plea to or a

452
00:16:13,829 --> 00:16:12,399
recommendation to get your tickets early

453
00:16:16,470 --> 00:16:13,839
because

454
00:16:19,269 --> 00:16:16,480
what's really cool about it is that uh

455
00:16:21,910 --> 00:16:19,279
karen was able to find this tool

456
00:16:23,110 --> 00:16:21,920
that creates this kind of virtual

457
00:16:24,949 --> 00:16:23,120
environment

458
00:16:26,389 --> 00:16:24,959
where you go in there and it's kind of

459
00:16:28,629 --> 00:16:26,399
like a forum

460
00:16:30,230 --> 00:16:28,639
a community tab where you can discuss on

461
00:16:32,710 --> 00:16:30,240
a lot of different topics

462
00:16:34,949 --> 00:16:32,720
there's also another tab for exhibitors

463
00:16:36,629 --> 00:16:34,959

so the vendors kind of a virtual vendor

464

00:16:37,749 --> 00:16:36,639

room where you could look at this list

465

00:16:39,990 --> 00:16:37,759

of vendors and

466

00:16:42,310 --> 00:16:40,000

see information about their products and

467

00:16:44,629 --> 00:16:42,320

then they can also post videos

468

00:16:46,310 --> 00:16:44,639

about their products and they can do

469

00:16:48,069 --> 00:16:46,320

like live conference calls

470

00:16:50,069 --> 00:16:48,079

like they could say hey come join me at

471

00:16:53,030 --> 00:16:50,079

1pm tomorrow and i'm gonna do a

472

00:16:53,670 --> 00:16:53,040

live you know demonstration of my stuff

473

00:16:57,110 --> 00:16:53,680

so

474

00:16:59,189 --> 00:16:57,120

people are doing these virtual meetups

475

00:17:01,509 --> 00:16:59,199

to face to face over like zooming or

476
00:17:02,629 --> 00:17:01,519
or other conference call products to to

477
00:17:05,350 --> 00:17:02,639
see each other

478
00:17:06,789 --> 00:17:05,360
so it's this kind of entire world it's

479
00:17:08,710 --> 00:17:06,799
this community that's

480
00:17:10,309 --> 00:17:08,720
built and that's what's fun because if

481
00:17:12,630 --> 00:17:10,319
you jump if you get your tickets you get

482
00:17:14,549 --> 00:17:12,640
access to this community and you can get

483
00:17:15,590 --> 00:17:14,559
in there and start to talk with other

484
00:17:17,429 --> 00:17:15,600
attendees

485
00:17:18,710 --> 00:17:17,439
start to talk and interact with the

486
00:17:20,549 --> 00:17:18,720
vendors

487
00:17:22,230 --> 00:17:20,559
even the speakers you can send them

488
00:17:23,429 --> 00:17:22,240

messages

489

00:17:25,189 --> 00:17:23,439

and that's the beauty of it because a

490

00:17:27,350 --> 00:17:25,199

lot of times people don't have access to

491

00:17:29,510 --> 00:17:27,360

these speakers but through this tool

492

00:17:31,190 --> 00:17:29,520

you can ask them questions and they

493

00:17:32,710 --> 00:17:31,200

might not get back to you real soon but

494

00:17:34,710 --> 00:17:32,720

certainly during the event they'll be

495

00:17:36,870 --> 00:17:34,720

getting back to people quite a bit

496

00:17:39,029 --> 00:17:36,880

so it creates this community which is

497

00:17:40,390 --> 00:17:39,039

really cool before we even get to the

498

00:17:43,750 --> 00:17:40,400

presentations

499

00:17:46,630 --> 00:17:43,760

so it's a really cool tool um she

500

00:17:48,630 --> 00:17:46,640

it was a difficult situation because i

501
00:17:49,110 --> 00:17:48,640
like everybody we're waiting for things

502
00:17:50,950 --> 00:17:49,120
to

503
00:17:52,150 --> 00:17:50,960
open up people are thinking they're

504
00:17:55,029 --> 00:17:52,160
going to open up

505
00:17:56,549 --> 00:17:55,039
in arizona especially they um i would

506
00:17:58,630 --> 00:17:56,559
argue they weren't as savvy

507
00:18:00,470 --> 00:17:58,640
around uh you know doing what they

508
00:18:01,430 --> 00:18:00,480
should have done i mean doug ducey made

509
00:18:04,150 --> 00:18:01,440
some news

510
00:18:05,830 --> 00:18:04,160
regarding all of this and arizona kept

511
00:18:07,190 --> 00:18:05,840
thinking oh things are going to open up

512
00:18:09,270 --> 00:18:07,200
things are going to open up

513
00:18:10,950 --> 00:18:09,280

and that kind of makes it difficult for

514

00:18:11,669 --> 00:18:10,960

us because we're working with the hotel

515

00:18:13,110 --> 00:18:11,679

saying

516

00:18:14,950 --> 00:18:13,120

you know at least it was our point of

517

00:18:15,669 --> 00:18:14,960

view that the science isn't saying that

518

00:18:19,029 --> 00:18:15,679

you know

519

00:18:21,190 --> 00:18:19,039

right um and so uh we had to wait until

520

00:18:23,430 --> 00:18:21,200

you know that the hotel would let us out

521

00:18:26,870 --> 00:18:23,440

and say okay fine you know

522

00:18:28,950 --> 00:18:26,880

you can't do this physically um

523

00:18:31,029 --> 00:18:28,960

and so then we had to wait until that

524

00:18:34,150 --> 00:18:31,039

moment to then begin to entertain

525

00:18:35,669 --> 00:18:34,160

doing it uh in this manner so then karen

526
00:18:37,590 --> 00:18:35,679
had to do research okay if we're going

527
00:18:39,430 --> 00:18:37,600
to do this how are we going to do it

528
00:18:41,669 --> 00:18:39,440
and she found this tool we had to get

529
00:18:43,909 --> 00:18:41,679
that online and then there's all the

530
00:18:45,110 --> 00:18:43,919
time to to learn it and understand how

531
00:18:47,270 --> 00:18:45,120
to use it so

532
00:18:49,350 --> 00:18:47,280
it's all been kind of last minute it

533
00:18:51,350 --> 00:18:49,360
feels like and even now we're still

534
00:18:53,190 --> 00:18:51,360
learning some of the nuances of how all

535
00:18:55,190 --> 00:18:53,200
of this works but

536
00:18:56,390 --> 00:18:55,200
the community is up and online and

537
00:18:58,390 --> 00:18:56,400
that's really great

538
00:19:00,150 --> 00:18:58,400

i think it's a little more intimate you

539

00:19:02,789 --> 00:19:00,160

know in that it's one thing to see

540

00:19:05,909 --> 00:19:02,799

someone up on a stage which is nice and

541

00:19:06,310 --> 00:19:05,919

fun um but uh in this case we're going

542

00:19:08,310 --> 00:19:06,320

to be

543

00:19:10,150 --> 00:19:08,320

in people's living rooms but we're going

544

00:19:12,630 --> 00:19:10,160

to be in their

545

00:19:14,070 --> 00:19:12,640

personal working spaces and seeing them

546

00:19:16,070 --> 00:19:14,080

doing their their uh

547

00:19:18,710 --> 00:19:16,080

talks from there and then being able to

548

00:19:20,230 --> 00:19:18,720

interact with them and ask questions so

549

00:19:22,310 --> 00:19:20,240

all of that's pretty exciting i think

550

00:19:23,270 --> 00:19:22,320

it's going to be a lot of fun for

551
00:19:25,270 --> 00:19:23,280
everyone

552
00:19:26,549 --> 00:19:25,280
um so i just implore people if you're

553
00:19:27,750 --> 00:19:26,559
considering it and you're thinking yeah

554
00:19:29,510 --> 00:19:27,760
i'm gonna get my tickets

555
00:19:30,789 --> 00:19:29,520
get them now and get in there and start

556
00:19:33,430 --> 00:19:30,799
interacting with people

557
00:19:35,750 --> 00:19:33,440
um because it's a lot of fun yeah i

558
00:19:37,750 --> 00:19:35,760
think it's so cool that you're able to

559
00:19:39,110 --> 00:19:37,760
you know meet up with people even before

560
00:19:41,029 --> 00:19:39,120
the thing happens and

561
00:19:42,710 --> 00:19:41,039
who would have thought you know uh a

562
00:19:44,230 --> 00:19:42,720
virtual conference would actually bring

563
00:19:46,470 --> 00:19:44,240

you closer than a

564

00:19:48,150 --> 00:19:46,480

a flesh and blood conference but i do

565

00:19:50,630 --> 00:19:48,160

agree with you i think this

566

00:19:52,070 --> 00:19:50,640

this offers people the opportunity to

567

00:19:55,110 --> 00:19:52,080

speak to everyone

568

00:19:56,390 --> 00:19:55,120

and you know sit on their couch or lay

569

00:19:59,270 --> 00:19:56,400

in bed and have a

570

00:20:00,230 --> 00:19:59,280

you know have a mai tai and just enjoy

571

00:20:02,070 --> 00:20:00,240

the uh

572

00:20:03,510 --> 00:20:02,080

enjoy the show i think it's a great

573

00:20:05,990 --> 00:20:03,520

thing it's the future

574

00:20:08,310 --> 00:20:06,000

it's what where we have to deal with now

575

00:20:10,390 --> 00:20:08,320

in this new world we're living in and uh

576
00:20:12,789 --> 00:20:10,400
i think you guys have adapted amazing

577
00:20:14,789 --> 00:20:12,799
and that that really comes too with the

578
00:20:15,350 --> 00:20:14,799
speakers you have so i'd love to run

579
00:20:17,110 --> 00:20:15,360
through

580
00:20:18,870 --> 00:20:17,120
some of these people with the alejandro

581
00:20:20,310 --> 00:20:18,880
give us a little taste of what they

582
00:20:23,750 --> 00:20:20,320
might be talking about

583
00:20:25,669 --> 00:20:23,760
and what we can expect the first person

584
00:20:27,350 --> 00:20:25,679
i saw who really stood out was

585
00:20:29,190 --> 00:20:27,360
brian bender he's going to be talking

586
00:20:30,789 --> 00:20:29,200
about is government transparency

587
00:20:31,510 --> 00:20:30,799
happening this has a lot to do with what

588
00:20:34,310 --> 00:20:31,520

we just

589

00:20:34,710 --> 00:20:34,320

spoke about the uap task force so yeah

590

00:20:38,230 --> 00:20:34,720

how

591

00:20:39,190 --> 00:20:38,240

what what do you think he's gonna be

592

00:20:42,230 --> 00:20:39,200

talking about

593

00:20:44,630 --> 00:20:42,240

yeah this is fun because brian uh

594

00:20:45,350 --> 00:20:44,640

i think uh it'll probably be me doing a

595

00:20:47,909 --> 00:20:45,360

one-on-one

596

00:20:49,510 --> 00:20:47,919

interview with him but and i've done

597

00:20:51,750 --> 00:20:49,520

quite a few in the past but

598

00:20:53,750 --> 00:20:51,760

or at least a couple i guess i stay

599

00:20:55,510 --> 00:20:53,760

quite a few because we talk quite a bit

600

00:20:56,950 --> 00:20:55,520

um luckily we've become friends because

601
00:20:59,750 --> 00:20:56,960
he's out here in

602
00:21:01,510 --> 00:20:59,760
arizona and which is where the ufo

603
00:21:05,270 --> 00:21:01,520
congress is headquartered

604
00:21:05,909 --> 00:21:05,280
and uh you know he has had an interest i

605
00:21:08,870 --> 00:21:05,919
mean

606
00:21:10,710 --> 00:21:08,880
he while he was the defense and space

607
00:21:12,870 --> 00:21:10,720
editor for politico

608
00:21:13,830 --> 00:21:12,880
you know he was asking questions about

609
00:21:16,070 --> 00:21:13,840
this stuff which is

610
00:21:17,430 --> 00:21:16,080
shocking to me of you know these

611
00:21:19,669 --> 00:21:17,440
high-level officials

612
00:21:21,669 --> 00:21:19,679
what's great with brian is that he

613
00:21:25,110 --> 00:21:21,679

hobnobs with all of these people

614

00:21:27,830 --> 00:21:25,120

you know he goes to these defense

615

00:21:30,230 --> 00:21:27,840

conferences he goes to these government

616

00:21:32,390 --> 00:21:30,240

conferences some of the biggest ones

617

00:21:33,750 --> 00:21:32,400

he hobnobs with the generals with the

618

00:21:37,029 --> 00:21:33,760

politicians

619

00:21:39,909 --> 00:21:37,039

he's in dc so he knows what the buzz is

620

00:21:42,390 --> 00:21:39,919

and not only that he's got a huge amount

621

00:21:44,149 --> 00:21:42,400

of sources where he can kind of ask

622

00:21:46,630 --> 00:21:44,159

what do you guys think of this harry

623

00:21:48,149 --> 00:21:46,640

reid think you know this ufo thing

624

00:21:49,990 --> 00:21:48,159

um which is kind of of course the

625

00:21:52,630 --> 00:21:50,000

attitude they have harry reid and his

626
00:21:54,470 --> 00:21:52,640
ufo thing and you know get people's

627
00:21:57,510 --> 00:21:54,480
opinions and and get some

628
00:22:01,590 --> 00:21:57,520
uh background um and

629
00:22:04,230 --> 00:22:01,600
and that makes it invaluable uh in his

630
00:22:05,750 --> 00:22:04,240
reporting particularly important because

631
00:22:06,470 --> 00:22:05,760
when he's reporting he's not just

632
00:22:08,549 --> 00:22:06,480
reporting

633
00:22:10,070 --> 00:22:08,559
what he's discovered but it's also the

634
00:22:11,909 --> 00:22:10,080
bus you know this is the buzz on the

635
00:22:12,630 --> 00:22:11,919
hills this is what or in the pentagon

636
00:22:15,750 --> 00:22:12,640
this is what

637
00:22:18,549 --> 00:22:15,760
how to make how they see

638
00:22:20,549 --> 00:22:18,559

what's happening here and so that's kind

639

00:22:23,590 --> 00:22:20,559

of what we'll be talking about

640

00:22:24,230 --> 00:22:23,600

um and his impressions about things

641

00:22:25,830 --> 00:22:24,240

because

642

00:22:27,990 --> 00:22:25,840

you know he has a more holistic

643

00:22:31,350 --> 00:22:28,000

perspective uh i think

644

00:22:34,310 --> 00:22:31,360

and how this actually fits into

645

00:22:34,710 --> 00:22:34,320

government policy and the industrial you

646

00:22:37,350 --> 00:22:34,720

know

647

00:22:38,710 --> 00:22:37,360

military complex and i think that's

648

00:22:39,990 --> 00:22:38,720

really important i think a lot of people

649

00:22:42,310 --> 00:22:40,000

blow it off and think ah

650

00:22:44,070 --> 00:22:42,320

that can't be the case but you know i

651
00:22:45,270 --> 00:22:44,080
think you do so at your own peril

652
00:22:48,470 --> 00:22:45,280
because then you're not gonna

653
00:22:50,950 --> 00:22:48,480
really understand you know uh the inner

654
00:22:53,430 --> 00:22:50,960
mechanisms behind all of this and

655
00:22:55,430 --> 00:22:53,440
you know what kind of becomes difficult

656
00:22:57,029 --> 00:22:55,440
and it's kind of my job or you know our

657
00:22:59,830 --> 00:22:57,039
job as interviewers

658
00:23:00,549 --> 00:22:59,840
to interpret they also use different

659
00:23:03,990 --> 00:23:00,559
verbiage

660
00:23:05,430 --> 00:23:04,000
so for example um lou elizondo from his

661
00:23:08,070 --> 00:23:05,440
perspective is like you know

662
00:23:09,190 --> 00:23:08,080
atip was a big project we did a lot of

663
00:23:11,350 --> 00:23:09,200

stuff

664

00:23:13,909 --> 00:23:11,360

but bender's perspective is it was just

665

00:23:16,789 --> 00:23:13,919

a little portfolio that he worked on

666

00:23:18,230 --> 00:23:16,799

part of the time both are true those

667

00:23:21,830 --> 00:23:18,240

don't have to be

668

00:23:23,669 --> 00:23:21,840

opposing opinions or views it's just a

669

00:23:25,350 --> 00:23:23,679

matter of perspective

670

00:23:26,710 --> 00:23:25,360

brian's looking at the big picture and

671

00:23:28,549 --> 00:23:26,720

the big picture

672

00:23:30,230 --> 00:23:28,559

you know it's not like norad or

673

00:23:31,830 --> 00:23:30,240

something where they had a headquarters

674

00:23:33,990 --> 00:23:31,840

with a dozen people

675

00:23:35,430 --> 00:23:34,000

that are hard at work working with

676

00:23:37,430 --> 00:23:35,440

multiple agencies no

677

00:23:39,430 --> 00:23:37,440

it was kind of essentially like nick

678

00:23:42,470 --> 00:23:39,440

pope it's one guy

679

00:23:44,149 --> 00:23:42,480

at a desk making phone calls sure he's

680

00:23:45,990 --> 00:23:44,159

coordinating and working with a lot of

681

00:23:47,430 --> 00:23:46,000

people throughout the military

682

00:23:49,190 --> 00:23:47,440

but you know it's one person

683

00:23:50,789 --> 00:23:49,200

coordinating all this and working with

684

00:23:52,310 --> 00:23:50,799

these others who are just

685

00:23:54,310 --> 00:23:52,320

working with him as opposed to being

686

00:23:56,390 --> 00:23:54,320

part of the project so

687

00:23:57,750 --> 00:23:56,400

um from my perspective what lou

688

00:23:59,909 --> 00:23:57,760

describes is a big deal

689

00:24:01,029 --> 00:23:59,919

and even what bender describes is a big

690

00:24:03,430 --> 00:24:01,039

deal but it's just

691

00:24:04,630 --> 00:24:03,440

you know in the grand scheme of things

692

00:24:06,870 --> 00:24:04,640

it's a fairly

693

00:24:08,310 --> 00:24:06,880

you know kind of small thing as far as

694

00:24:09,909 --> 00:24:08,320

projects go so

695

00:24:11,990 --> 00:24:09,919

that's the sort of advantage i think

696

00:24:15,350 --> 00:24:12,000

someone like brian brings

697

00:24:16,710 --> 00:24:15,360

um in some of this uh in order to

698

00:24:19,990 --> 00:24:16,720

understand

699

00:24:21,990 --> 00:24:20,000

all of this and of course to un

700

00:24:23,269 --> 00:24:22,000

understand a mainstream perspective

701
00:24:26,950 --> 00:24:23,279
because politico

702
00:24:29,590 --> 00:24:26,960
is wonky you know it's it's uh policy

703
00:24:31,190 --> 00:24:29,600
it is very uh and this is the type of

704
00:24:32,230 --> 00:24:31,200
area where credibility is really

705
00:24:35,190 --> 00:24:32,240
important

706
00:24:35,750 --> 00:24:35,200
so um you really get i think a strong

707
00:24:38,789 --> 00:24:35,760
idea

708
00:24:41,750 --> 00:24:38,799
of kind of how mainstream media

709
00:24:43,669 --> 00:24:41,760
is kind of working with this too brian's

710
00:24:46,549 --> 00:24:43,679
more open than most

711
00:24:47,110 --> 00:24:46,559
but his experience in trying to research

712
00:24:50,950 --> 00:24:47,120
all of this

713
00:24:52,470 --> 00:24:50,960

is also um really interesting so

714

00:24:53,990 --> 00:24:52,480

yeah i think that it's really important

715

00:24:55,110 --> 00:24:54,000

i think these are the perspectives we

716

00:24:57,110 --> 00:24:55,120

need because

717

00:24:58,470 --> 00:24:57,120

again in the ufo community there's these

718

00:24:59,909 --> 00:24:58,480

echo chambers

719

00:25:01,990 --> 00:24:59,919

and people saying oh my gosh you're

720

00:25:05,029 --> 00:25:02,000

going to be talking about you know

721

00:25:06,630 --> 00:25:05,039

roswell and crashed ufos and you know

722

00:25:09,669 --> 00:25:06,640

and we're hearing none of that

723

00:25:13,190 --> 00:25:09,679

out of you know actually from washington

724

00:25:14,230 --> 00:25:13,200

um so so i think we get a more realistic

725

00:25:16,070 --> 00:25:14,240

perspective and

726

00:25:17,590 --> 00:25:16,080

yeah i'm excited about it it's always

727

00:25:19,029 --> 00:25:17,600

really exciting and that's another thing

728

00:25:21,110 --> 00:25:19,039

that's really cool with the conference

729

00:25:22,950 --> 00:25:21,120

like i talked about with the interaction

730

00:25:24,470 --> 00:25:22,960

people like brian bender who may be hard

731

00:25:26,149 --> 00:25:24,480

to get to

732

00:25:27,750 --> 00:25:26,159

if you're a person in the public and you

733

00:25:27,990 --> 00:25:27,760

have a question you know they'll have

734

00:25:30,870 --> 00:25:28,000

the

735

00:25:31,750 --> 00:25:30,880

opportunity to pose questions to him at

736

00:25:34,230 --> 00:25:31,760

the conference

737

00:25:35,110 --> 00:25:34,240

absolutely and i think it's amazing that

738

00:25:37,590 --> 00:25:35,120

he uh

739

00:25:38,549 --> 00:25:37,600

he took this invitation and he's willing

740

00:25:40,789 --> 00:25:38,559

to speak

741

00:25:42,549 --> 00:25:40,799

to the public and to the ufo community

742

00:25:44,710 --> 00:25:42,559

too who you know

743

00:25:45,590 --> 00:25:44,720

it's hard it's hard when all they want

744

00:25:48,630 --> 00:25:45,600

to talk about is

745

00:25:50,630 --> 00:25:48,640

crash saucers and alien abductions but

746

00:25:53,590 --> 00:25:50,640

then there's the cold hard truth

747

00:25:55,430 --> 00:25:53,600

that there is an extremely militarized

748

00:25:57,669 --> 00:25:55,440

and politicized version of

749

00:25:58,470 --> 00:25:57,679

the ufo topic so i'm really excited for

750

00:25:59,750 --> 00:25:58,480

that too man

751
00:26:01,669 --> 00:25:59,760
and just to add because this will come

752
00:26:04,070 --> 00:26:01,679
up later yeah i think is that

753
00:26:06,390 --> 00:26:04,080
there's also he's not even opposed to

754
00:26:10,070 --> 00:26:06,400
those things being a possibility

755
00:26:10,390 --> 00:26:10,080
um it's just how that would work you

756
00:26:13,029 --> 00:26:10,400
know

757
00:26:14,310 --> 00:26:13,039
in the real world that's what we really

758
00:26:17,029 --> 00:26:14,320
need to understand

759
00:26:17,909 --> 00:26:17,039
and how one may gain access or

760
00:26:20,710 --> 00:26:17,919
information

761
00:26:21,590 --> 00:26:20,720
and how willing uh is the military or

762
00:26:25,029 --> 00:26:21,600
the government

763
00:26:26,310 --> 00:26:25,039

um or how close what are the any clues

764

00:26:28,470 --> 00:26:26,320

that they may be

765

00:26:30,070 --> 00:26:28,480

ready to reveal more i think those are

766

00:26:31,110 --> 00:26:30,080

all the things that we need to look at

767

00:26:33,269 --> 00:26:31,120

closely

768

00:26:34,149 --> 00:26:33,279

um unfortunately as we talked about

769

00:26:36,549 --> 00:26:34,159

earlier we don't

770

00:26:38,070 --> 00:26:36,559

see those sort of things but at least

771

00:26:39,830 --> 00:26:38,080

you know you can ask someone like brian

772

00:26:40,310 --> 00:26:39,840

who's open-minded to say well if that

773

00:26:42,870 --> 00:26:40,320

sort of

774

00:26:44,149 --> 00:26:42,880

thing exists which it may here's how

775

00:26:46,630 --> 00:26:44,159

that might work

776

00:26:47,269 --> 00:26:46,640

um which gives us you know makes us

777

00:26:49,909 --> 00:26:47,279

smarter

778

00:26:50,310 --> 00:26:49,919

at what we do what we do well let's talk

779

00:26:53,350 --> 00:26:50,320

about

780

00:26:54,549 --> 00:26:53,360

smart people this next guy a lot of

781

00:26:56,470 --> 00:26:54,559

people might

782

00:26:58,950 --> 00:26:56,480

remember him he was on an episode of

783

00:27:01,510 --> 00:26:58,960

unidentified on the history channel

784

00:27:03,029 --> 00:27:01,520

and we know him as the triangular ufo

785

00:27:04,470 --> 00:27:03,039

guy but he's actually

786

00:27:06,470 --> 00:27:04,480

going to be talking about something

787

00:27:08,470 --> 00:27:06,480

completely different which is really

788

00:27:10,630 --> 00:27:08,480

cool that's david marlar

789

00:27:11,909 --> 00:27:10,640

and he's going to be talking about a ufo

790

00:27:14,630 --> 00:27:11,919

burn victim

791

00:27:16,630 --> 00:27:14,640

from 1964. now do you know anything

792

00:27:18,789 --> 00:27:16,640

about this case alejandro and uh

793

00:27:20,549 --> 00:27:18,799

yeah are you excited to see what david's

794

00:27:23,750 --> 00:27:20,559

bringing to the table

795

00:27:26,230 --> 00:27:23,760

i'm always excited for david's talks

796

00:27:27,830 --> 00:27:26,240

because david's talks are some of my

797

00:27:30,950 --> 00:27:27,840

absolute favorite

798

00:27:31,430 --> 00:27:30,960

and what's great about david is that if

799

00:27:34,549 --> 00:27:31,440

he's

800

00:27:37,990 --> 00:27:34,559

doing a talk on a topic you

801
00:27:41,110 --> 00:27:38,000
know that he's done a deep dive

802
00:27:42,870 --> 00:27:41,120
to really uh get to information

803
00:27:44,230 --> 00:27:42,880
that you have you'll never you won't see

804
00:27:48,230 --> 00:27:44,240
anywhere else

805
00:27:51,669 --> 00:27:48,240
and that he's gonna really substantiate

806
00:27:54,149 --> 00:27:51,679
his argument um for instance if you see

807
00:27:56,789 --> 00:27:54,159
his talk on uh the battle of la

808
00:27:59,110 --> 00:27:56,799
i mean he really demonstrates how this

809
00:28:00,950 --> 00:27:59,120
was a nimitz type case you know jet

810
00:28:02,710 --> 00:28:00,960
scrambled radar

811
00:28:04,470 --> 00:28:02,720
all of this stuff and i never knew any

812
00:28:06,549 --> 00:28:04,480
of that you know i never knew how

813
00:28:07,510 --> 00:28:06,559

solid of a case that was i don't think

814

00:28:10,870 --> 00:28:07,520

anybody did

815

00:28:14,389 --> 00:28:10,880

until david did this research so

816

00:28:15,190 --> 00:28:14,399

it burns if it was anybody else i would

817

00:28:17,990 --> 00:28:15,200

be like burn

818

00:28:19,750 --> 00:28:18,000

if someone getting burned from a ufo

819

00:28:20,630 --> 00:28:19,760

yeah right you know i would be pretty

820

00:28:22,549 --> 00:28:20,640

skeptical

821

00:28:24,549 --> 00:28:22,559

but i'm extremely excited with david

822

00:28:27,269 --> 00:28:24,559

because i'm confident

823

00:28:29,269 --> 00:28:27,279

that uh he's gonna convince me that you

824

00:28:32,310 --> 00:28:29,279

know he's gonna have some really strong

825

00:28:34,389 --> 00:28:32,320

evidence to support this so uh that's of

826

00:28:36,230 --> 00:28:34,399

course i'm super excited about it i know

827

00:28:37,909 --> 00:28:36,240

very little about the case

828

00:28:39,990 --> 00:28:37,919

and i'm trying to stay away from looking

829

00:28:43,430 --> 00:28:40,000

into it because i want to

830

00:28:46,470 --> 00:28:43,440

watch david go through it and share

831

00:28:49,669 --> 00:28:46,480

and so i can experience it you know

832

00:28:50,230 --> 00:28:49,679

uh through his work and uh he's so good

833

00:28:52,310 --> 00:28:50,240

i'm i'm

834

00:28:54,470 --> 00:28:52,320

really really excited about that yeah

835

00:28:56,230 --> 00:28:54,480

and what i would give to see that dude's

836

00:28:59,190 --> 00:28:56,240

library in his home

837

00:29:00,470 --> 00:28:59,200

yeah um well you know and the other

838

00:29:02,630 --> 00:29:00,480

thing just to uh

839

00:29:04,630 --> 00:29:02,640

to wrap up david marlar this idea of

840

00:29:08,070 --> 00:29:04,640

biological effects this is now

841

00:29:10,230 --> 00:29:08,080

like the official uh sixth observable

842

00:29:11,350 --> 00:29:10,240

according to luis elizondo and the work

843

00:29:14,470 --> 00:29:11,360

of atip and

844

00:29:17,029 --> 00:29:14,480

to the stars academy and look i

845

00:29:18,789 --> 00:29:17,039

i went in a deep dive after i saw that

846

00:29:21,990 --> 00:29:18,799

david was going to be talking about this

847

00:29:22,710 --> 00:29:22,000

and there are hundreds of cases where

848

00:29:24,870 --> 00:29:22,720

there have been

849

00:29:26,070 --> 00:29:24,880

physiological effects on the human

850

00:29:28,310 --> 00:29:26,080

observing the ufo

851
00:29:30,389 --> 00:29:28,320
or experiencing the close encounters so

852
00:29:31,269 --> 00:29:30,399
this is just one of many and one i'm

853
00:29:33,029 --> 00:29:31,279
sure

854
00:29:35,029 --> 00:29:33,039
is going to really perk some ears and

855
00:29:39,669 --> 00:29:35,039
open some eyes

856
00:29:41,269 --> 00:29:39,679
right i mean we george knapp

857
00:29:42,710 --> 00:29:41,279
leaked and not many people have looked

858
00:29:46,149 --> 00:29:42,720
at this or even seen it

859
00:29:48,950 --> 00:29:46,159
but it was a it was a report by a bass

860
00:29:49,590 --> 00:29:48,960
uh executive anonymous they didn't say

861
00:29:53,029 --> 00:29:49,600
who

862
00:29:55,430 --> 00:29:53,039
and they talk a lot about

863
00:29:56,310 --> 00:29:55,440

physical effects so obviously that was

864

00:29:58,950 --> 00:29:56,320

something

865

00:30:01,029 --> 00:29:58,960

that they were doing with this pentagon

866

00:30:04,310 --> 00:30:01,039

investigation that bigelow and bass was

867

00:30:06,389 --> 00:30:04,320

was contracted to do and then there's

868

00:30:08,389 --> 00:30:06,399

this project condyne which is a report

869

00:30:09,750 --> 00:30:08,399

from the uk where they also go over

870

00:30:11,750 --> 00:30:09,760

physical effects

871

00:30:13,430 --> 00:30:11,760

yeah there are a lot of people looking

872

00:30:14,230 --> 00:30:13,440

into this aspect so it's going to be

873

00:30:16,950 --> 00:30:14,240

great for

874

00:30:18,470 --> 00:30:16,960

david to demonstrate uh you know the

875

00:30:20,230 --> 00:30:18,480

credibility behind it how

876
00:30:21,590 --> 00:30:20,240
how convinced are we that there have

877
00:30:23,510 --> 00:30:21,600
been physical

878
00:30:27,340 --> 00:30:23,520
effects and that's what's going to be

879
00:30:32,470 --> 00:30:30,549
[Music]

880
00:30:34,310 --> 00:30:32,480
what's up guys ryan sprague here and i'm

881
00:30:36,789 --> 00:30:34,320
just dropping in to remind you about our

882
00:30:38,310 --> 00:30:36,799
patreon campaign somewhere in the skies

883
00:30:40,230 --> 00:30:38,320
is always free to consume

884
00:30:42,549 --> 00:30:40,240
but it's not free to create so if you

885
00:30:44,710 --> 00:30:42,559
want to help the show on a monthly basis

886
00:30:47,029 --> 00:30:44,720
we have tons of rewards for you in

887
00:30:47,269 --> 00:30:47,039
return including shout outs on the show

888
00:30:53,510 --> 00:30:47,279

and

889

00:30:54,789 --> 00:30:53,520

free merch wanna be my guest or pick a

890

00:30:57,029 --> 00:30:54,799

topic for the show

891

00:30:59,029 --> 00:30:57,039

you can do that too so if you'd like to

892

00:31:02,549 --> 00:30:59,039

learn more and to help support the show

893

00:31:04,360 --> 00:31:02,559

visit [patreon.com](https://patreon.com/summerskies) summerskies

894

00:31:10,389 --> 00:31:04,370

thank you and keep looking up

895

00:31:13,750 --> 00:31:12,070

all right well here's another one a

896

00:31:15,909 --> 00:31:13,760

gentleman who uh

897

00:31:17,990 --> 00:31:15,919

hasn't spoken at many conferences but

898

00:31:19,830 --> 00:31:18,000

he's he's kind of a big

899

00:31:21,350 --> 00:31:19,840

deal right now in the ufo community and

900

00:31:22,470 --> 00:31:21,360

that's deep prasad

901
00:31:25,029 --> 00:31:22,480
and he's going to be talking about the

902
00:31:26,230 --> 00:31:25,039
complexities of understanding alien

903
00:31:28,230 --> 00:31:26,240
intelligences

904
00:31:29,990 --> 00:31:28,240
so yeah tell us a little about deep

905
00:31:31,750 --> 00:31:30,000
alejandro and uh

906
00:31:33,990 --> 00:31:31,760
and if you're looking forward to this

907
00:31:37,029 --> 00:31:34,000
one too this is really interesting

908
00:31:38,230 --> 00:31:37,039
yeah deep is a controversial figure he's

909
00:31:41,430 --> 00:31:38,240
a young guy

910
00:31:43,190 --> 00:31:41,440
who speaks his mind and you know

911
00:31:45,190 --> 00:31:43,200
uh there have been people questioning

912
00:31:46,389 --> 00:31:45,200
his background and i don't know people

913
00:31:49,029 --> 00:31:46,399

have said he's kind of

914

00:31:51,350 --> 00:31:49,039

over exaggerated or something and

915

00:31:54,389 --> 00:31:51,360

perhaps in some arenas i don't know

916

00:31:56,789 --> 00:31:54,399

but we vetted him and you know he was

917

00:31:58,549 --> 00:31:56,799

a superstar at school he was you know

918

00:31:59,509 --> 00:31:58,559

they wrote an article on him in his

919

00:32:02,230 --> 00:31:59,519

school

920

00:32:04,230 --> 00:32:02,240

uh it seems like people have always been

921

00:32:04,710 --> 00:32:04,240

really excited about him and felt that

922

00:32:08,549 --> 00:32:04,720

he's

923

00:32:11,029 --> 00:32:08,559

a intelligent um you know deep thinker

924

00:32:11,669 --> 00:32:11,039

and i think that's what we appreciate

925

00:32:15,590 --> 00:32:11,679

about

926

00:32:18,149 --> 00:32:15,600

him and that others do um you know he

927

00:32:19,029 --> 00:32:18,159

he is he's got his own kind of tech

928

00:32:22,149 --> 00:32:19,039

startup he's

929

00:32:23,190 --> 00:32:22,159

trying to start up uh and and that's

930

00:32:25,750 --> 00:32:23,200

just it i think

931

00:32:26,710 --> 00:32:25,760

deep is hey as his first name is

932

00:32:29,990 --> 00:32:26,720

appropriate

933

00:32:32,710 --> 00:32:30,000

he's a deep or an intellectual speaker

934

00:32:34,070 --> 00:32:32,720

so i think that he's got interesting

935

00:32:37,350 --> 00:32:34,080

perspectives

936

00:32:39,669 --> 00:32:37,360

and so yeah i'm excited to see him

937

00:32:40,710 --> 00:32:39,679

bring up um how would we communicate

938

00:32:42,549 --> 00:32:40,720

with aliens

939

00:32:43,990 --> 00:32:42,559

it's kind of a topic that i've been

940

00:32:46,149 --> 00:32:44,000

interested in

941

00:32:47,430 --> 00:32:46,159

i've got an article comes up a lot there

942

00:32:51,590 --> 00:32:47,440

was this

943

00:32:53,750 --> 00:32:51,600

essentially

944

00:32:54,789 --> 00:32:53,760

the people getting trained on i think it

945

00:32:58,149 --> 00:32:54,799

was the nsa

946

00:32:59,830 --> 00:32:58,159

they train each other on kind of

947

00:33:01,350 --> 00:32:59,840

cracking codes right

948

00:33:02,950 --> 00:33:01,360

and there's this document out there

949

00:33:05,750 --> 00:33:02,960

about uh cracking

950

00:33:06,950 --> 00:33:05,760

alien code and a lot of people use this

951
00:33:08,630 --> 00:33:06,960
and say look they got an

952
00:33:10,630 --> 00:33:08,640
alien signal and they were trying to

953
00:33:11,590 --> 00:33:10,640
crack the code no that's not what it was

954
00:33:13,669 --> 00:33:11,600
at all

955
00:33:15,029 --> 00:33:13,679
um but i think what it really was is

956
00:33:16,789 --> 00:33:15,039
interesting because

957
00:33:18,789 --> 00:33:16,799
there was this professor teaching

958
00:33:21,110 --> 00:33:18,799
cracking code and he said

959
00:33:23,029 --> 00:33:21,120
you know what if we get a signal what if

960
00:33:24,630 --> 00:33:23,039
seti gets a signal and they come to us

961
00:33:26,870 --> 00:33:24,640
and they ask us to crack it

962
00:33:27,990 --> 00:33:26,880
how are we going to go about that and

963
00:33:30,070 --> 00:33:28,000

that was the

964

00:33:31,909 --> 00:33:30,080

idea which was kind of interesting they

965

00:33:33,430 --> 00:33:31,919

were seriously considering these

966

00:33:36,549 --> 00:33:33,440

possibilities

967

00:33:38,149 --> 00:33:36,559

and so he created exercises for students

968

00:33:40,950 --> 00:33:38,159

around cracking these alien

969

00:33:42,470 --> 00:33:40,960

codes so i think that that's really

970

00:33:45,509 --> 00:33:42,480

interesting the idea

971

00:33:47,110 --> 00:33:45,519

of if we do get a signal how are we

972

00:33:49,830 --> 00:33:47,120

going to deal with that and

973

00:33:51,830 --> 00:33:49,840

there it's a topic that has penetrated

974

00:33:53,430 --> 00:33:51,840

mainstream science

975

00:33:54,950 --> 00:33:53,440

you know there are scientists that you

976

00:33:57,350 --> 00:33:54,960

could read their papers on

977

00:33:59,269 --> 00:33:57,360

this very topic so it's going to be i

978

00:34:00,549 --> 00:33:59,279

think really interesting and eye opening

979

00:34:03,190 --> 00:34:00,559

to people

980

00:34:05,029 --> 00:34:03,200

to kind of consider how would we do that

981

00:34:06,070 --> 00:34:05,039

if we do receive a message how are we

982

00:34:08,310 --> 00:34:06,080

even going to understand

983

00:34:09,750 --> 00:34:08,320

it so i think it's a great topic kind of

984

00:34:11,829 --> 00:34:09,760

uh bleeding into that

985

00:34:13,589 --> 00:34:11,839

is another individual who's going to be

986

00:34:15,750 --> 00:34:13,599

talking about something somewhat similar

987

00:34:17,190 --> 00:34:15,760

and that's a diana paselka

988

00:34:19,829 --> 00:34:17,200

and she's going to be talking about

989

00:34:21,750 --> 00:34:19,839

protocols for contact so right there man

990

00:34:23,589 --> 00:34:21,760

you've got these two heavy hitters out

991

00:34:25,990 --> 00:34:23,599

there not necessarily

992

00:34:26,790 --> 00:34:26,000

um you know that well known in the ufo

993

00:34:28,950 --> 00:34:26,800

community

994

00:34:30,790 --> 00:34:28,960

tackling these hypotheticals so yeah

995

00:34:33,030 --> 00:34:30,800

tell us a little about diana and

996

00:34:34,310 --> 00:34:33,040

what we can expect from that i think

997

00:34:35,589 --> 00:34:34,320

this is going to be really

998

00:34:37,430 --> 00:34:35,599

interesting because she's another

999

00:34:40,149 --> 00:34:37,440

interesting um

1000

00:34:40,950 --> 00:34:40,159

person and her thoughts are more along

1001

00:34:45,030 --> 00:34:40,960

the

1002

00:34:47,990 --> 00:34:45,040

say

1003

00:34:48,950 --> 00:34:48,000

into religion and how kind of belief

1004

00:34:52,149 --> 00:34:48,960

systems affect

1005

00:34:53,349 --> 00:34:52,159

culture and everything so um i think

1006

00:34:57,030 --> 00:34:53,359

that that will be

1007

00:35:01,109 --> 00:34:57,040

an interesting take uh from her because

1008

00:35:03,750 --> 00:35:01,119

you know really if you are going to

1009

00:35:05,109 --> 00:35:03,760

if you were let's say part of the uap

1010

00:35:07,349 --> 00:35:05,119

task force

1011

00:35:08,470 --> 00:35:07,359

and you're like okay we are going to

1012

00:35:11,190 --> 00:35:08,480

have to

1013

00:35:12,950 --> 00:35:11,200

as a you know and we've we've got this

1014

00:35:14,550 --> 00:35:12,960

close encounter situation

1015

00:35:16,150 --> 00:35:14,560

they want to land and they want to talk

1016

00:35:17,750 --> 00:35:16,160

to us and it's got that it's going to be

1017

00:35:19,829 --> 00:35:17,760

a public thing

1018

00:35:20,870 --> 00:35:19,839

you know you would want to rely on

1019

00:35:24,069 --> 00:35:20,880

someone

1020

00:35:25,589 --> 00:35:24,079

like a diana pasulka in that how is this

1021

00:35:28,069 --> 00:35:25,599

going to affect

1022

00:35:30,069 --> 00:35:28,079

people uh are they going to freak are

1023

00:35:32,150 --> 00:35:30,079

they what are they gonna do

1024

00:35:33,109 --> 00:35:32,160

um especially because you know

1025

00:35:37,190 --> 00:35:33,119

considering

1026
00:35:38,069 --> 00:35:37,200
uh world views and deeply held world

1027
00:35:43,990 --> 00:35:38,079
views

1028
00:35:44,310 --> 00:35:44,000
is this gonna cause some emotional kind

1029
00:35:46,550 --> 00:35:44,320
of

1030
00:35:47,750 --> 00:35:46,560
problems uh how do we do this in a

1031
00:35:51,030 --> 00:35:47,760
manner in which

1032
00:35:52,390 --> 00:35:51,040
you know uh it's not it's effective and

1033
00:35:55,109 --> 00:35:52,400
not impactive

1034
00:35:57,510 --> 00:35:55,119
and so yeah i think that she's in a good

1035
00:35:59,990 --> 00:35:57,520
spot to be someone to

1036
00:36:01,190 --> 00:36:00,000
offer up some suggestions on how that

1037
00:36:03,750 --> 00:36:01,200
might happen and

1038
00:36:04,470 --> 00:36:03,760

of course a lot of us when we at least

1039

00:36:07,109 --> 00:36:04,480

myself

1040

00:36:09,109 --> 00:36:07,119

other sci-fi people or people into this

1041

00:36:12,630 --> 00:36:09,119

you know think how would that happen

1042

00:36:15,349 --> 00:36:12,640

you know i always think about uh

1043

00:36:16,630 --> 00:36:15,359

first contact uh star trek and how the

1044

00:36:19,190 --> 00:36:16,640

vulcans came and

1045

00:36:20,390 --> 00:36:19,200

you know after we flew this this new

1046

00:36:22,710 --> 00:36:20,400

spacecraft out

1047

00:36:24,310 --> 00:36:22,720

uh you know and what if that's the sort

1048

00:36:26,870 --> 00:36:24,320

of thing that happens when it happens

1049

00:36:27,589 --> 00:36:26,880

how's it gonna happen and will it happen

1050

00:36:30,390 --> 00:36:27,599

and i think

1051
00:36:32,230 --> 00:36:30,400
probably it will at some point so yeah

1052
00:36:34,390 --> 00:36:32,240
it's a topic that i'm really

1053
00:36:36,310 --> 00:36:34,400
into so it ought to be a great one i

1054
00:36:38,470 --> 00:36:36,320
think so yeah and uh

1055
00:36:39,430 --> 00:36:38,480
you know a lot of people may have read

1056
00:36:41,510 --> 00:36:39,440
diana's book

1057
00:36:42,950 --> 00:36:41,520
american cosmic and in that book she

1058
00:36:45,430 --> 00:36:42,960
featured a guy

1059
00:36:46,790 --> 00:36:45,440
named chris bledsoe and his experiences

1060
00:36:49,109 --> 00:36:46,800
so you guys

1061
00:36:50,710 --> 00:36:49,119
also have chris bledsoe coming he's

1062
00:36:51,670 --> 00:36:50,720
going to be talking about angels and

1063
00:36:54,390 --> 00:36:51,680

aliens

1064

00:36:56,230 --> 00:36:54,400

so right there man mixing ufos with

1065

00:36:57,430 --> 00:36:56,240

religion again yeah what do you make of

1066

00:36:59,990 --> 00:36:57,440

chris bledsoe

1067

00:37:01,750 --> 00:37:00,000

and his entire story and yeah should we

1068

00:37:05,829 --> 00:37:01,760

be excited about this one

1069

00:37:08,230 --> 00:37:05,839

i i think so in that um chris bledsoe

1070

00:37:09,750 --> 00:37:08,240

uh is a case that a lot of people

1071

00:37:12,470 --> 00:37:09,760

believe in i've been

1072

00:37:13,430 --> 00:37:12,480

friends with uh you know john alexander

1073

00:37:15,430 --> 00:37:13,440

formal colonel

1074

00:37:16,550 --> 00:37:15,440

and army intelligence and everything for

1075

00:37:18,710 --> 00:37:16,560

quite a while and

1076

00:37:20,470 --> 00:37:18,720

john is always talking about bloodsow

1077

00:37:23,910 --> 00:37:20,480

and that he had his own

1078

00:37:26,550 --> 00:37:23,920

personal signing with chris bledsoe

1079

00:37:28,310 --> 00:37:26,560

it's kind of interesting because when a

1080

00:37:29,829 --> 00:37:28,320

story first came out it was kind of a

1081

00:37:33,030 --> 00:37:29,839

big deal and then he went

1082

00:37:34,470 --> 00:37:33,040

um quiet he wasn't talking to anyone

1083

00:37:36,230 --> 00:37:34,480

and i guess because they were working on

1084

00:37:38,230 --> 00:37:36,240

a movie deal or something and it never

1085

00:37:39,109 --> 00:37:38,240

came to fruition i guess i'm not sure

1086

00:37:41,750 --> 00:37:39,119

but he was

1087

00:37:42,950 --> 00:37:41,760

like out of the public and now all of a

1088

00:37:44,470 --> 00:37:42,960

sudden he's back

1089

00:37:46,470 --> 00:37:44,480

and he's working very closely with a

1090

00:37:49,109 --> 00:37:46,480

friend of mine lori uh

1091

00:37:51,270 --> 00:37:49,119

a friend of ours karen and mine and so

1092

00:37:53,589 --> 00:37:51,280

luckily you know we were able to get him

1093

00:37:55,589 --> 00:37:53,599

at the conference because i think

1094

00:37:57,430 --> 00:37:55,599

people really into this topic have been

1095

00:37:57,990 --> 00:37:57,440

dying to get to know what this guy's

1096

00:38:01,349 --> 00:37:58,000

like

1097

00:38:03,349 --> 00:38:01,359

uh for maybe a decade that you know his

1098

00:38:05,589 --> 00:38:03,359

name has kind of been out there

1099

00:38:06,630 --> 00:38:05,599

so yeah so that's really exciting we'll

1100

00:38:10,790 --> 00:38:06,640

finally get to

1101

00:38:14,550 --> 00:38:10,800

more interacting and getting to know

1102

00:38:16,470 --> 00:38:14,560

chris bledsoe and his case and

1103

00:38:17,990 --> 00:38:16,480

i think what's interesting about this is

1104

00:38:19,430 --> 00:38:18,000

you know jacques valet talks about

1105

00:38:21,589 --> 00:38:19,440

this a lot and in fact we'll have

1106

00:38:23,670 --> 00:38:21,599

another speaker kind of talking about

1107

00:38:25,670 --> 00:38:23,680

this too is kind of these archetypes

1108

00:38:28,150 --> 00:38:25,680

when we experience

1109

00:38:28,870 --> 00:38:28,160

the paranormal how do we interpret it

1110

00:38:31,190 --> 00:38:28,880

and

1111

00:38:32,390 --> 00:38:31,200

in the past it's been interpreted

1112

00:38:34,550 --> 00:38:32,400

through mythology

1113

00:38:36,069 --> 00:38:34,560

through religion you know angels and

1114

00:38:38,950 --> 00:38:36,079

demons sort of thing

1115

00:38:40,550 --> 00:38:38,960

um and this case seems to be kind of a

1116

00:38:44,230 --> 00:38:40,560

mixture of that

1117

00:38:46,870 --> 00:38:44,240

uh aliens and angels so they have a diff

1118

00:38:48,950 --> 00:38:46,880

interesting i think a unique perspective

1119

00:38:52,150 --> 00:38:48,960

of what's going on with him

1120

00:38:53,510 --> 00:38:52,160

and uh so it'll be interesting to to

1121

00:38:55,589 --> 00:38:53,520

hear from him on this

1122

00:38:57,109 --> 00:38:55,599

yeah and you know i always tell people

1123

00:38:59,430 --> 00:38:57,119

the ufo topic

1124

00:39:00,710 --> 00:38:59,440

can be seen so through so many different

1125

00:39:02,870 --> 00:39:00,720

lenses and

1126
00:39:03,750 --> 00:39:02,880
and how you perceive your experience and

1127
00:39:06,310 --> 00:39:03,760
interpret that

1128
00:39:06,950 --> 00:39:06,320
so i i think that's fascinating i can't

1129
00:39:08,870 --> 00:39:06,960
wait to

1130
00:39:10,790 --> 00:39:08,880
to hear because i i know very little

1131
00:39:14,310 --> 00:39:10,800
about chris bledsoe's entire

1132
00:39:16,870 --> 00:39:14,320
uh string of events so i'm really

1133
00:39:17,510 --> 00:39:16,880
looking forward to finally sitting down

1134
00:39:20,230 --> 00:39:17,520
and

1135
00:39:21,030 --> 00:39:20,240
consuming everything he has to say um

1136
00:39:23,030 --> 00:39:21,040
and

1137
00:39:24,069 --> 00:39:23,040
that goes for this person too now we

1138
00:39:26,870 --> 00:39:24,079

know kind of the

1139

00:39:27,670 --> 00:39:26,880

key players in the rendociam forest

1140

00:39:30,230 --> 00:39:27,680

incident

1141

00:39:31,510 --> 00:39:30,240

you know the uh the the gentleman who

1142

00:39:34,069 --> 00:39:31,520

touched the craft and

1143

00:39:35,190 --> 00:39:34,079

the base commander deputy base commander

1144

00:39:36,710 --> 00:39:35,200

halt and

1145

00:39:38,310 --> 00:39:36,720

everyone in between but a lot of people

1146

00:39:41,190 --> 00:39:38,320

don't know about lori

1147

00:39:43,030 --> 00:39:41,200

rayfeldt and her incredible stories of

1148

00:39:46,470 --> 00:39:43,040

what happened while she was working

1149

00:39:47,910 --> 00:39:46,480

at raf bentwater so yeah uh tell us a

1150

00:39:48,950 --> 00:39:47,920

little about what laurie's going to be

1151

00:39:51,430 --> 00:39:48,960

talking about

1152

00:39:54,390 --> 00:39:51,440

yeah lori had an experience i think

1153

00:39:57,030 --> 00:39:54,400

something like a month or a year

1154

00:39:58,470 --> 00:39:57,040

but it was prior to the famous

1155

00:40:00,790 --> 00:39:58,480

reynoldshim forest stuff that we're

1156

00:40:03,190 --> 00:40:00,800

aware of in the 1980s that

1157

00:40:04,069 --> 00:40:03,200

involved colonel halt the deputy base

1158

00:40:07,030 --> 00:40:04,079

commander

1159

00:40:08,950 --> 00:40:07,040

and and made that all a big deal lori's

1160

00:40:10,710 --> 00:40:08,960

experience was prior to that when she

1161

00:40:13,829 --> 00:40:10,720

was stationed at the base

1162

00:40:15,750 --> 00:40:13,839

and uh you know i i always because

1163

00:40:17,030 --> 00:40:15,760

because as you know there's been some

1164

00:40:18,870 --> 00:40:17,040

people who have made

1165

00:40:20,790 --> 00:40:18,880

claims about being involved with that

1166

00:40:23,430 --> 00:40:20,800

that were

1167

00:40:25,510 --> 00:40:23,440

not accurate i'm well aware i was

1168

00:40:27,750 --> 00:40:25,520

writing a play about uh this

1169

00:40:29,430 --> 00:40:27,760

person you're speaking about that play

1170

00:40:31,109 --> 00:40:29,440

will never see the light of day that's

1171

00:40:34,069 --> 00:40:31,119

another story though

1172

00:40:36,230 --> 00:40:34,079

yeah yeah a lot of people were affected

1173

00:40:37,270 --> 00:40:36,240

by that but i did confirm with hulk you

1174

00:40:39,829 --> 00:40:37,280

know that she was

1175

00:40:41,430 --> 00:40:39,839

really there or at least working on the

1176

00:40:44,069 --> 00:40:41,440

base they didn't know each other

1177

00:40:45,670 --> 00:40:44,079

but she had worked there um the first

1178

00:40:47,510 --> 00:40:45,680

time i saw her was

1179

00:40:49,190 --> 00:40:47,520

with the disclosure project she was one

1180

00:40:52,790 --> 00:40:49,200

of those witnesses

1181

00:40:55,589 --> 00:40:52,800

so she did this video with stephen greer

1182

00:40:56,550 --> 00:40:55,599

years ago talking about her experience

1183

00:40:58,630 --> 00:40:56,560

and then uh

1184

00:41:00,390 --> 00:40:58,640

of course all of those interviews that

1185

00:41:02,870 --> 00:41:00,400

he did have become

1186

00:41:04,550 --> 00:41:02,880

you know big on the internet and she

1187

00:41:07,030 --> 00:41:04,560

kind of disappeared

1188

00:41:07,750 --> 00:41:07,040

and we actually were really fortunate

1189

00:41:10,790 --> 00:41:07,760

she sought

1190

00:41:12,390 --> 00:41:10,800

us out she sent an email saying hey uh

1191

00:41:13,589 --> 00:41:12,400

i'm really ready to talk about my

1192

00:41:15,990 --> 00:41:13,599

experiences

1193

00:41:16,630 --> 00:41:16,000

and we said we were flattered we were

1194

00:41:18,790 --> 00:41:16,640

like well

1195

00:41:20,309 --> 00:41:18,800

of course we'd be you know we'd be

1196

00:41:21,270 --> 00:41:20,319

honored to have you part of the

1197

00:41:23,829 --> 00:41:21,280

conference

1198

00:41:24,309 --> 00:41:23,839

and so yeah so she's gonna come talk

1199

00:41:27,190 --> 00:41:24,319

about

1200

00:41:28,069 --> 00:41:27,200

her experience and how it's affected her

1201

00:41:31,670 --> 00:41:28,079

life

1202

00:41:35,349 --> 00:41:31,680

and uh and um she's a very thoughtful

1203

00:41:38,150 --> 00:41:35,359

intelligent person retired now

1204

00:41:39,829 --> 00:41:38,160

and uh and so it's gonna yeah it's

1205

00:41:40,790 --> 00:41:39,839

another great one and you know someone

1206

00:41:43,589 --> 00:41:40,800

who

1207

00:41:45,030 --> 00:41:43,599

looked into the rental shum incidents uh

1208

00:41:46,950 --> 00:41:45,040

pretty thoroughly

1209

00:41:48,870 --> 00:41:46,960

is this next gentleman a lot of people

1210

00:41:49,349 --> 00:41:48,880

will know this name nick pope he was the

1211

00:41:52,390 --> 00:41:49,359

former

1212

00:41:54,630 --> 00:41:52,400

ufo desk guy for the mod

1213

00:41:57,270 --> 00:41:54,640

and uh look we've got all the news going

1214

00:41:58,309 --> 00:41:57,280

on in america about atip and pentagon

1215

00:42:00,790 --> 00:41:58,319

programs uob

1216

00:42:02,710 --> 00:42:00,800

task force uh but a lot of people didn't

1217

00:42:05,349 --> 00:42:02,720

know that while those stories were sort

1218

00:42:08,710 --> 00:42:05,359

of breaking back in 2017

1219

00:42:10,309 --> 00:42:08,720

the uk released tons of their ufo files

1220

00:42:11,990 --> 00:42:10,319

so that's what nick pope's

1221

00:42:13,670 --> 00:42:12,000

gonna be talking about here so yeah what

1222

00:42:17,190 --> 00:42:13,680

can we expect from our

1223

00:42:19,510 --> 00:42:17,200

our uh british correspondent over there

1224

00:42:21,990 --> 00:42:19,520

well you know i've relied on nick pope a

1225

00:42:26,309 --> 00:42:22,000

lot over the last few years to help us

1226
00:42:29,589 --> 00:42:26,319
understand uh atip and elizondo's role

1227
00:42:31,510 --> 00:42:29,599
and and all this stuff going on and that

1228
00:42:33,430 --> 00:42:31,520
you know i i think people have

1229
00:42:36,390 --> 00:42:33,440
underestimated his

1230
00:42:37,030 --> 00:42:36,400
uh the importance of his uh input and

1231
00:42:39,829 --> 00:42:37,040
insights

1232
00:42:40,390 --> 00:42:39,839
on this because he was doing the same

1233
00:42:43,349 --> 00:42:40,400
thing

1234
00:42:44,069 --> 00:42:43,359
though as time goes on and as we

1235
00:42:46,150 --> 00:42:44,079
understand

1236
00:42:47,349 --> 00:42:46,160
this more there are more and more

1237
00:42:50,950 --> 00:42:47,359
parallels

1238
00:42:54,470 --> 00:42:50,960

between what elizondo was doing

1239

00:42:57,910 --> 00:42:54,480

and what uh nick pope was doing

1240

00:42:59,430 --> 00:42:57,920

however the other helpful insight we get

1241

00:43:02,069 --> 00:42:59,440

from nick pope is that

1242

00:43:03,670 --> 00:43:02,079

he had some public interface whereas

1243

00:43:05,109 --> 00:43:03,680

elizondo did not they were more

1244

00:43:06,870 --> 00:43:05,119

secretive the public didn't even know

1245

00:43:08,390 --> 00:43:06,880

what was going on we in the field who

1246

00:43:09,829 --> 00:43:08,400

knew these people a lot of people

1247

00:43:10,550 --> 00:43:09,839

involved didn't even know what was going

1248

00:43:13,190 --> 00:43:10,560

on

1249

00:43:13,589 --> 00:43:13,200

but with nick the public is aware and so

1250

00:43:16,870 --> 00:43:13,599

nick

1251
00:43:19,430 --> 00:43:16,880
employed these spin and dirty tricks to

1252
00:43:20,870 --> 00:43:19,440
get people off the the trail you know to

1253
00:43:22,710 --> 00:43:20,880
trick the media into thinking there was

1254
00:43:24,309 --> 00:43:22,720
nothing to these things

1255
00:43:26,790 --> 00:43:24,319
and what's interesting about those

1256
00:43:29,910 --> 00:43:26,800
insights is that we've seen the dod

1257
00:43:31,750 --> 00:43:29,920
using the same type of tricks that nick

1258
00:43:33,670 --> 00:43:31,760
pope has described

1259
00:43:35,670 --> 00:43:33,680
beyond that though as far as his

1260
00:43:38,470 --> 00:43:35,680
similarities with elizondo

1261
00:43:40,470 --> 00:43:38,480
he was that guy working the ufo desk

1262
00:43:41,349 --> 00:43:40,480
over the years people have said oh nick

1263
00:43:44,470 --> 00:43:41,359

pope is

1264

00:43:45,990 --> 00:43:44,480

making his job looking into ufos bigger

1265

00:43:47,829 --> 00:43:46,000

than it was

1266

00:43:49,349 --> 00:43:47,839

and i don't think that's necessarily a

1267

00:43:52,790 --> 00:43:49,359

fair argument

1268

00:43:55,190 --> 00:43:52,800

i think it's impossible for nick to try

1269

00:43:58,710 --> 00:43:55,200

to accurately describe what he did

1270

00:44:02,390 --> 00:43:58,720

and people not ex you know ex uh

1271

00:44:04,790 --> 00:44:02,400

criticize the way he frames it just like

1272

00:44:06,790 --> 00:44:04,800

what is happening to lu elizondo

1273

00:44:08,790 --> 00:44:06,800

you know they try to describe what what

1274

00:44:10,309 --> 00:44:08,800

they did and some people are saying oh

1275

00:44:10,790 --> 00:44:10,319

you're making it a bigger deal than it

1276

00:44:14,069 --> 00:44:10,800

was

1277

00:44:15,990 --> 00:44:14,079

or you know um sort of thing

1278

00:44:17,589 --> 00:44:16,000

and and it's kind of interesting because

1279

00:44:18,390 --> 00:44:17,599

i think they're both in a tough spot

1280

00:44:20,069 --> 00:44:18,400

because

1281

00:44:22,150 --> 00:44:20,079

you're just trying to explain and how do

1282

00:44:25,109 --> 00:44:22,160

you try to tell someone

1283

00:44:27,270 --> 00:44:25,119

well it's a project but it's not like a

1284

00:44:28,470 --> 00:44:27,280

funded program like something huge like

1285

00:44:30,790 --> 00:44:28,480

you would think of

1286

00:44:31,910 --> 00:44:30,800

you know um and i think especially these

1287

00:44:35,750 --> 00:44:31,920

guys buoyant

1288

00:44:38,150 --> 00:44:35,760

a tip and stuff atip was very informal

1289

00:44:39,829 --> 00:44:38,160

you're not going to get the sort of

1290

00:44:41,829 --> 00:44:39,839

information you would get from a more

1291

00:44:42,470 --> 00:44:41,839

formal kind of project or program

1292

00:44:44,309 --> 00:44:42,480

remember

1293

00:44:45,670 --> 00:44:44,319

this was kind of a harry reid pet

1294

00:44:46,470 --> 00:44:45,680

project this isn't something the

1295

00:44:48,950 --> 00:44:46,480

pentagon

1296

00:44:50,550 --> 00:44:48,960

created that on their own it was kind of

1297

00:44:53,829 --> 00:44:50,560

shoehorned in

1298

00:44:54,390 --> 00:44:53,839

uh a-tip i mean and the ufo desk was not

1299

00:44:57,589 --> 00:44:54,400

like this

1300

00:44:58,069 --> 00:44:57,599

big thing either so the parallels are

1301

00:45:00,470 --> 00:44:58,079

really

1302

00:45:01,349 --> 00:45:00,480

interesting uh even the the ways they

1303

00:45:03,430 --> 00:45:01,359

went about

1304

00:45:04,710 --> 00:45:03,440

investigation i think were really

1305

00:45:06,550 --> 00:45:04,720

similar so

1306

00:45:08,870 --> 00:45:06,560

uh that's why i think right now nick

1307

00:45:12,230 --> 00:45:08,880

pope there's no person on the planet

1308

00:45:13,829 --> 00:45:12,240

who is more like an elizondo than nick

1309

00:45:15,589 --> 00:45:13,839

pope was in the uk

1310

00:45:17,270 --> 00:45:15,599

so i think if you're interested in

1311

00:45:18,069 --> 00:45:17,280

knowing about that and governments and

1312

00:45:21,030 --> 00:45:18,079

how they work

1313

00:45:22,630 --> 00:45:21,040

uh and i think you know there's

1314

00:45:24,390 --> 00:45:22,640

practically no better person than nick

1315

00:45:25,270 --> 00:45:24,400

pope to talk to about all these things

1316

00:45:27,670 --> 00:45:25,280

so

1317

00:45:28,550 --> 00:45:27,680

he is invaluable to lend insight

1318

00:45:31,670 --> 00:45:28,560

especially

1319

00:45:32,550 --> 00:45:31,680

right now absolutely i mean like you

1320

00:45:34,870 --> 00:45:32,560

said there are almost

1321

00:45:36,309 --> 00:45:34,880

mirror images of one another when it

1322

00:45:38,150 --> 00:45:36,319

comes to this uh

1323

00:45:40,470 --> 00:45:38,160

so i'm really excited for that and then

1324

00:45:41,589 --> 00:45:40,480

oh man here's the one i'm really looking

1325

00:45:44,230 --> 00:45:41,599

forward to

1326

00:45:45,829 --> 00:45:44,240

um for those who listen to the show

1327

00:45:48,950 --> 00:45:45,839

we've covered this case in the past the

1328

00:45:51,430 --> 00:45:48,960

rua zimbabwe aerial school encounter

1329

00:45:52,309 --> 00:45:51,440

and you know tons of kids were witness

1330

00:45:55,190 --> 00:45:52,319

to this

1331

00:45:55,589 --> 00:45:55,200

ufo landing on their school yard they

1332

00:45:58,790 --> 00:45:55,599

saw

1333

00:46:01,829 --> 00:45:58,800

entities it was a crazy case that

1334

00:46:03,670 --> 00:46:01,839

was investigated and uh all the kids

1335

00:46:06,710 --> 00:46:03,680

were interviewed by harvard

1336

00:46:08,470 --> 00:46:06,720

psychiatrist john mack at one point

1337

00:46:10,390 --> 00:46:08,480

stunning stunning case and you were able

1338

00:46:12,150 --> 00:46:10,400

to get one of the children that was

1339

00:46:14,870 --> 00:46:12,160

there back when this happened

1340

00:46:15,829 --> 00:46:14,880

and that's selma sadiq so yeah tell us a

1341

00:46:17,910 --> 00:46:15,839

little about this

1342

00:46:19,829 --> 00:46:17,920

and what we can expect from uh from

1343

00:46:21,670 --> 00:46:19,839

selma you're probably saying it right

1344

00:46:23,589 --> 00:46:21,680

sadie khan i say acidic which is

1345

00:46:25,589 --> 00:46:23,599

probably wrong who hey

1346

00:46:26,710 --> 00:46:25,599

well we'll ask you we'll ask her in the

1347

00:46:28,710 --> 00:46:26,720

chat right

1348

00:46:30,950 --> 00:46:28,720

yeah this is an exciting one were you

1349

00:46:33,190 --> 00:46:30,960

there when we had emily trim

1350

00:46:34,150 --> 00:46:33,200

out of congress yes i was there that i

1351

00:46:36,309 --> 00:46:34,160

thought so you're

1352

00:46:37,990 --> 00:46:36,319

you're there most the time but you you

1353

00:46:41,030 --> 00:46:38,000

can attest to

1354

00:46:41,990 --> 00:46:41,040

the atmosphere in the room when emily

1355

00:46:45,270 --> 00:46:42,000

trim was

1356

00:46:47,270 --> 00:46:45,280

talking about her experience was unique

1357

00:46:49,030 --> 00:46:47,280

and it was a rare moment it was a

1358

00:46:50,790 --> 00:46:49,040

special moment

1359

00:46:52,710 --> 00:46:50,800

everybody's on pins and needles

1360

00:46:55,030 --> 00:46:52,720

listening to her account

1361

00:46:56,470 --> 00:46:55,040

and that's what makes me excited for

1362

00:47:00,790 --> 00:46:56,480

salma because

1363

00:47:02,550 --> 00:47:00,800

they're both ex very articulate they've

1364

00:47:03,990 --> 00:47:02,560

these encounters have affected their

1365

00:47:07,510 --> 00:47:04,000

lives

1366

00:47:09,190 --> 00:47:07,520

and you know and the encounter itself

1367

00:47:11,829 --> 00:47:09,200

the ruat encounter

1368

00:47:12,710 --> 00:47:11,839

is an extraordinary situation you know

1369

00:47:15,270 --> 00:47:12,720

with all of these

1370

00:47:17,109 --> 00:47:15,280

kids none of the teachers side but the

1371

00:47:17,430 --> 00:47:17,119

kids saw you know this craft land and

1372

00:47:23,190 --> 00:47:17,440

this

1373

00:47:25,270 --> 00:47:23,200

you know the kids all tell the adults at

1374

00:47:26,870 --> 00:47:25,280

first they're blowing them off and then

1375

00:47:28,309 --> 00:47:26,880

all the kids are like no this really

1376
00:47:29,510 --> 00:47:28,319
happened so they start to take them

1377
00:47:32,549 --> 00:47:29,520
seriously

1378
00:47:35,910 --> 00:47:32,559
and the the way the kids ex

1379
00:47:36,710 --> 00:47:35,920
describe the experience and the feelings

1380
00:47:39,829 --> 00:47:36,720
they got

1381
00:47:42,710 --> 00:47:39,839
from looking at this this

1382
00:47:43,190 --> 00:47:42,720
what they allegedly you know alien or at

1383
00:47:46,309 --> 00:47:43,200
least

1384
00:47:49,270 --> 00:47:46,319
this creature is pretty incredible

1385
00:47:50,150 --> 00:47:49,280
i mean it's it's not the type of thing

1386
00:47:53,510 --> 00:47:50,160
you would expect

1387
00:47:55,589 --> 00:47:53,520
children to say so um

1388
00:47:56,630 --> 00:47:55,599

you can tell from talking to these

1389

00:47:58,950 --> 00:47:56,640

witnesses

1390

00:48:00,870 --> 00:47:58,960

you know these ex this experience was

1391

00:48:02,870 --> 00:48:00,880

very impactful

1392

00:48:04,390 --> 00:48:02,880

and so that's what's going to be

1393

00:48:07,190 --> 00:48:04,400

wonderful

1394

00:48:08,390 --> 00:48:07,200

about talking to selma as an adult a

1395

00:48:11,829 --> 00:48:08,400

professional

1396

00:48:15,030 --> 00:48:11,839

today um to get her impressions

1397

00:48:16,790 --> 00:48:15,040

of what it was like back then and how it

1398

00:48:19,829 --> 00:48:16,800

affected her life

1399

00:48:21,430 --> 00:48:19,839

and um you know it is one of these wow

1400

00:48:22,870 --> 00:48:21,440

moments a lot of people love hearing

1401

00:48:24,309 --> 00:48:22,880
from travis walton

1402

00:48:26,150 --> 00:48:24,319
and i think it's kind of a similar

1403

00:48:28,870 --> 00:48:26,160
reason you know someone who

1404

00:48:29,990 --> 00:48:28,880
apparently had an extraordinary

1405

00:48:32,870 --> 00:48:30,000
encounter

1406

00:48:35,349 --> 00:48:32,880
that really shook them to their core and

1407

00:48:39,430 --> 00:48:35,359
so to have them express

1408

00:48:43,270 --> 00:48:39,440
uh the emotional impact and and

1409

00:48:45,430 --> 00:48:43,280
is uh it's moving and so

1410

00:48:46,470 --> 00:48:45,440
yeah so like you i'm really excited for

1411

00:48:47,589 --> 00:48:46,480
this as well

1412

00:48:49,829 --> 00:48:47,599
it's something we've been trying to

1413

00:48:51,670 --> 00:48:49,839

arrange for a while uh

1414

00:48:53,109 --> 00:48:51,680

and then i was gonna try to get an

1415

00:48:54,950 --> 00:48:53,119

interview um

1416

00:48:56,549 --> 00:48:54,960

and then i decided to kind of hold off

1417

00:48:59,510 --> 00:48:56,559

because we've been trying to get her for

1418

00:49:01,270 --> 00:48:59,520

the congress and so thankfully uh very

1419

00:49:03,589 --> 00:49:01,280

excited that she'll be

1420

00:49:05,270 --> 00:49:03,599

involved this year yeah and i'm sure

1421

00:49:05,670 --> 00:49:05,280

it'll be well worth the wait because i

1422

00:49:07,829 --> 00:49:05,680

mean

1423

00:49:10,150 --> 00:49:07,839

you know me man i'm all about the human

1424

00:49:11,589 --> 00:49:10,160

behind the experience so

1425

00:49:13,270 --> 00:49:11,599

these things affect people in many

1426

00:49:16,150 --> 00:49:13,280

different ways some of those kids

1427

00:49:16,870 --> 00:49:16,160

were traumatized and their lives didn't

1428

00:49:19,190 --> 00:49:16,880

go

1429

00:49:19,910 --> 00:49:19,200

so well after that event but someone

1430

00:49:23,910 --> 00:49:19,920

like

1431

00:49:27,109 --> 00:49:23,920

light

1432

00:49:27,430 --> 00:49:27,119

for uh the world and the stuff she's

1433

00:49:29,910 --> 00:49:27,440

done

1434

00:49:30,790 --> 00:49:29,920

since that experience and she she admits

1435

00:49:33,750 --> 00:49:30,800

that a lot of

1436

00:49:35,430 --> 00:49:33,760

what she does today was directly

1437

00:49:37,670 --> 00:49:35,440

influenced by what she experienced as a

1438

00:49:39,990 --> 00:49:37,680

kid so i'm really excited about that um

1439

00:49:41,829 --> 00:49:40,000

oh here's here's the last one i really

1440

00:49:44,630 --> 00:49:41,839

want to talk to you about uh

1441

00:49:47,030 --> 00:49:44,640

specifically and that's travis taylor

1442

00:49:48,230 --> 00:49:47,040

bryant dragon arnold and tom winterton

1443

00:49:50,710 --> 00:49:48,240

the guys over at

1444

00:49:51,670 --> 00:49:50,720

skinwalker ranch no congress or no

1445

00:49:53,990 --> 00:49:51,680

conference

1446

00:49:55,510 --> 00:49:54,000

is anything without skinwalker ranch so

1447

00:49:56,790 --> 00:49:55,520

yeah tell us a little about what we can

1448

00:49:58,630 --> 00:49:56,800

expect with this

1449

00:49:59,990 --> 00:49:58,640

yeah how can you be into a tip and all

1450

00:50:02,470 --> 00:50:00,000

this stuff and bigelow without

1451
00:50:03,910 --> 00:50:02,480
being into skinwalker also skinwalker's

1452
00:50:06,630 --> 00:50:03,920
been such a big deal to us

1453
00:50:07,990 --> 00:50:06,640
in the ufo community general public is

1454
00:50:09,750 --> 00:50:08,000
just kind of starting to

1455
00:50:11,510 --> 00:50:09,760
understand it or at least get some

1456
00:50:13,829 --> 00:50:11,520
insight so yeah

1457
00:50:14,630 --> 00:50:13,839
to hear these guys in their experience

1458
00:50:18,150 --> 00:50:14,640
uh

1459
00:50:19,190 --> 00:50:18,160
working at skinwalker and doing the

1460
00:50:21,270 --> 00:50:19,200
history channel

1461
00:50:22,390 --> 00:50:21,280
show have you heard officially about a

1462
00:50:25,430 --> 00:50:22,400
season two

1463
00:50:28,790 --> 00:50:25,440

yes yeah it was a announced on the

1464

00:50:30,470 --> 00:50:28,800

skinwalker podcast i think over at rogue

1465

00:50:31,190 --> 00:50:30,480

planet at one point with the executive

1466

00:50:32,870 --> 00:50:31,200

producer

1467

00:50:34,950 --> 00:50:32,880

they have confirmed there is a second

1468

00:50:35,829 --> 00:50:34,960

season and they're halfway done with

1469

00:50:38,630 --> 00:50:35,839

filming it

1470

00:50:39,430 --> 00:50:38,640

yeah so we'll talk more about that in

1471

00:50:42,470 --> 00:50:39,440

fact uh

1472

00:50:43,910 --> 00:50:42,480

yeah because uh exactly yep so this is

1473

00:50:45,750 --> 00:50:43,920

going to be a lot of fun hearing about

1474

00:50:48,549 --> 00:50:45,760

season two hearing about

1475

00:50:48,950 --> 00:50:48,559

um you know their personal experiences

1476

00:50:51,750 --> 00:50:48,960

with

1477

00:50:52,950 --> 00:50:51,760

uh some weirdness yeah i'm excited for

1478

00:50:54,870 --> 00:50:52,960

that man well hey

1479

00:50:56,230 --> 00:50:54,880

i'm just going to run through the the

1480

00:50:58,630 --> 00:50:56,240

remaining names

1481

00:51:00,390 --> 00:50:58,640

uh so people can seek these people out

1482

00:51:01,589 --> 00:51:00,400

we got linda zimmerman rebecca

1483

00:51:04,710 --> 00:51:01,599

hardcastle

1484

00:51:05,270 --> 00:51:04,720

kate thor falcon i hope i'm saying that

1485

00:51:08,950 --> 00:51:05,280

correct

1486

00:51:11,589 --> 00:51:08,960

no you did it mj bonaires kevin knew

1487

00:51:11,990 --> 00:51:11,599

gwen farrell chad lewis timothy bringham

1488

00:51:14,069 --> 00:51:12,000

and

1489

00:51:15,670 --> 00:51:14,079

of course like you mentioned travis

1490

00:51:18,069 --> 00:51:15,680

walton so

1491

00:51:19,910 --> 00:51:18,079

huge lineup this is so awesome there's

1492

00:51:21,910 --> 00:51:19,920

going to be panel discussions

1493

00:51:23,589 --> 00:51:21,920

but the last thing i really want to talk

1494

00:51:25,750 --> 00:51:23,599

to you about here alejandro is

1495

00:51:27,750 --> 00:51:25,760

the ebe film festival this is something

1496

00:51:29,510 --> 00:51:27,760

i was a huge part of when i

1497

00:51:31,109 --> 00:51:29,520

volunteered for the congress for many

1498

00:51:32,710 --> 00:51:31,119

years and uh

1499

00:51:34,790 --> 00:51:32,720

yeah can you tell us a little about this

1500

00:51:38,870 --> 00:51:34,800

film festival um

1501
00:51:41,109 --> 00:51:38,880
do uh who was nominated and uh yeah how

1502
00:51:42,870 --> 00:51:41,119
how members can take part in this this

1503
00:51:44,870 --> 00:51:42,880
will be fun so essentially

1504
00:51:46,150 --> 00:51:44,880
if you register for the conference at

1505
00:51:49,190 --> 00:51:46,160
whatever level you're gonna have

1506
00:51:52,230 --> 00:51:49,200
access to watch the movies

1507
00:51:53,829 --> 00:51:52,240
so um tuesday we're trying to do it just

1508
00:51:56,470 --> 00:51:53,839
like we do at the conference

1509
00:51:58,710 --> 00:51:56,480
so tuesday the day before the conference

1510
00:52:02,150 --> 00:51:58,720
anybody who wants to join in can join in

1511
00:52:04,230 --> 00:52:02,160
and watch the movies and be a judge

1512
00:52:06,390 --> 00:52:04,240
if you want to be a judge we do require

1513
00:52:08,870 --> 00:52:06,400

that you watch all the movies

1514

00:52:09,910 --> 00:52:08,880

um because you need to judge you know

1515

00:52:12,630 --> 00:52:09,920

between them

1516

00:52:13,910 --> 00:52:12,640

but um otherwise yeah you can pop in and

1517

00:52:15,910 --> 00:52:13,920

watch the films

1518

00:52:17,190 --> 00:52:15,920

we don't have a whole lot and it's

1519

00:52:19,670 --> 00:52:17,200

probably because of this weird

1520

00:52:20,630 --> 00:52:19,680

format but we do have quite we're going

1521

00:52:23,430 --> 00:52:20,640

to have about

1522

00:52:23,910 --> 00:52:23,440

six movies that we'll be showing some of

1523

00:52:27,910 --> 00:52:23,920

them

1524

00:52:28,950 --> 00:52:27,920

uh from ufo tv uh and some of like for

1525

00:52:32,390 --> 00:52:28,960

instance we've got some

1526
00:52:35,510 --> 00:52:32,400
shorts that are actually animated

1527
00:52:36,630 --> 00:52:35,520
but extremely well produced um and those

1528
00:52:39,910 --> 00:52:36,640
are from ufo

1529
00:52:43,349 --> 00:52:39,920
tv uh we've got this short that uh

1530
00:52:46,630 --> 00:52:43,359
i think is really cool about this

1531
00:52:49,030 --> 00:52:46,640
guy this old man who says he had uh

1532
00:52:50,470 --> 00:52:49,040
an experience and and figured and was

1533
00:52:51,910 --> 00:52:50,480
kind of communicating to him how to

1534
00:52:55,190 --> 00:52:51,920
build a ufo

1535
00:52:57,589 --> 00:52:55,200
uh like howard menger or something so

1536
00:52:59,430 --> 00:52:57,599
this is it's a great little documentary

1537
00:53:00,309 --> 00:52:59,440
and then we also have a movie from louis

1538
00:53:03,430 --> 00:53:00,319

turi

1539

00:53:06,230 --> 00:53:03,440

uh about his alien

1540

00:53:07,349 --> 00:53:06,240

alleged alien contacts and then we have

1541

00:53:10,390 --> 00:53:07,359

another one

1542

00:53:13,670 --> 00:53:10,400

called the cahokie lights about uh

1543

00:53:16,950 --> 00:53:13,680

this case there and the the

1544

00:53:18,069 --> 00:53:16,960

filmmaker uh for this one has won awards

1545

00:53:21,430 --> 00:53:18,079

in the past of course

1546

00:53:23,030 --> 00:53:21,440

so is ufo tv so um

1547

00:53:24,870 --> 00:53:23,040

so you know they're they're produced

1548

00:53:26,870 --> 00:53:24,880

really well so the films are going to be

1549

00:53:28,470 --> 00:53:26,880

a lot of fun so we'll show them all on

1550

00:53:30,630 --> 00:53:28,480

tuesday we've got

1551
00:53:32,069 --> 00:53:30,640
two categories and then everybody who

1552
00:53:33,430 --> 00:53:32,079
watches them during the conference can

1553
00:53:35,430 --> 00:53:33,440
vote and let us know

1554
00:53:36,870 --> 00:53:35,440
and uh that person will win a people's

1555
00:53:37,990 --> 00:53:36,880
choice award so there's three awards

1556
00:53:40,710 --> 00:53:38,000
that are given out

1557
00:53:41,510 --> 00:53:40,720
the long form short form and people's

1558
00:53:44,230 --> 00:53:41,520
choice

1559
00:53:45,030 --> 00:53:44,240
and uh and so it ought to be fun i mean

1560
00:53:47,270 --> 00:53:45,040
i don't know that

1561
00:53:48,870 --> 00:53:47,280
we're going to have three films in each

1562
00:53:50,470 --> 00:53:48,880
category more than that

1563
00:53:52,790 --> 00:53:50,480

so they might all get shown which is

1564

00:53:53,589 --> 00:53:52,800

great you know more than marriott that's

1565

00:53:55,270 --> 00:53:53,599

even better

1566

00:53:57,430 --> 00:53:55,280

because it's it's great to get these

1567

00:54:00,790 --> 00:53:57,440

movies in front of audiences

1568

00:54:03,750 --> 00:54:00,800

and uh then saturday we're planning

1569

00:54:05,109 --> 00:54:03,760

on and uh it'll be interesting how we

1570

00:54:07,349 --> 00:54:05,119

pull this off

1571

00:54:09,109 --> 00:54:07,359

but karen wants to try to mirror the

1572

00:54:12,230 --> 00:54:09,119

award ceremony as good as

1573

00:54:14,870 --> 00:54:12,240

possible we'll have some of the speakers

1574

00:54:15,430 --> 00:54:14,880

including brian bender and travis walton

1575

00:54:19,030 --> 00:54:15,440

uh

1576

00:54:22,549 --> 00:54:19,040

so far here at the house

1577

00:54:24,870 --> 00:54:22,559

outside we're gonna have a food and kind

1578

00:54:27,990 --> 00:54:24,880

of try to do a banquet and dress up

1579

00:54:29,270 --> 00:54:28,000

and then do like an award ceremony so

1580

00:54:31,510 --> 00:54:29,280

that ought to be kind of funny

1581

00:54:32,470 --> 00:54:31,520

that'll be awesome hey no awards

1582

00:54:34,950 --> 00:54:32,480

ceremony

1583

00:54:36,470 --> 00:54:34,960

is uh is worth it if everyone's not

1584

00:54:37,990 --> 00:54:36,480

dressed to the nine so

1585

00:54:40,150 --> 00:54:38,000

that'll be cool i'm really looking

1586

00:54:42,470 --> 00:54:40,160

forward to the film festival i always do

1587

00:54:44,150 --> 00:54:42,480

it's near and dear to my heart but um

1588

00:54:46,309 --> 00:54:44,160

before we wrap things up here

1589

00:54:48,150 --> 00:54:46,319

alejandro with the congress tell us a

1590

00:54:49,109 --> 00:54:48,160

little about the rojas report and some

1591

00:54:51,349 --> 00:54:49,119

of the amazing

1592

00:54:52,309 --> 00:54:51,359

guests you've had on this this is like

1593

00:54:55,349 --> 00:54:52,319

alejandro

1594

00:54:56,549 --> 00:54:55,359

rebooted 2.0 so yeah tell us a little

1595

00:55:00,470 --> 00:54:56,559

about this

1596

00:55:02,069 --> 00:55:00,480

yeah exactly you know i kind of felt um

1597

00:55:04,549 --> 00:55:02,079

what you wrote for open minds and still

1598

00:55:05,910 --> 00:55:04,559

has you know maureen and jason who you

1599

00:55:08,069 --> 00:55:05,920

work with have

1600

00:55:09,670 --> 00:55:08,079

were also part of the staff and cute

1601
00:55:12,150 --> 00:55:09,680
contributed to a lot of what

1602
00:55:13,990 --> 00:55:12,160
we've done at openmind so we've we've

1603
00:55:16,069 --> 00:55:14,000
always took this perspective of trying

1604
00:55:18,230 --> 00:55:16,079
to be as journalistic as possible just

1605
00:55:21,990 --> 00:55:18,240
like we all continue to do

1606
00:55:25,109 --> 00:55:22,000
to this day and it's a it's a unique

1607
00:55:27,030 --> 00:55:25,119
niche i think and to be honest i got a

1608
00:55:27,510 --> 00:55:27,040
little bummed with the ufo community

1609
00:55:29,910 --> 00:55:27,520
because

1610
00:55:32,069 --> 00:55:29,920
all this atip stuff comes out you know

1611
00:55:33,910 --> 00:55:32,079
ufos are becoming legit

1612
00:55:36,470 --> 00:55:33,920
and it seemed like a lot of the ufo

1613
00:55:39,990 --> 00:55:36,480

community doubled down on the crazy if

1614

00:55:42,150 --> 00:55:40,000

they put it so fine but um

1615

00:55:43,510 --> 00:55:42,160

instead of kind of embracing this new

1616

00:55:46,069 --> 00:55:43,520

world and trying to help

1617

00:55:47,990 --> 00:55:46,079

i think you know people new to this like

1618

00:55:51,109 --> 00:55:48,000

credible mainstream in science

1619

00:55:53,670 --> 00:55:51,119

ease into the topic and try to foster

1620

00:55:54,309 --> 00:55:53,680

these relationships a lot just went like

1621

00:55:57,270 --> 00:55:54,319

hey this is

1622

00:55:58,950 --> 00:55:57,280

ours and i'm just going to roll all this

1623

00:56:00,870 --> 00:55:58,960

into my world view

1624

00:56:03,109 --> 00:56:00,880

and a lot of the commun ufo community

1625

00:56:06,630 --> 00:56:03,119

have this idea this is kind of a trickle

1626

00:56:09,030 --> 00:56:06,640

disclosure and this is leading to

1627

00:56:10,710 --> 00:56:09,040

you know the roswell aliens and

1628

00:56:13,589 --> 00:56:10,720

everything being exposed

1629

00:56:14,230 --> 00:56:13,599

none of which we have uh one iota i

1630

00:56:16,150 --> 00:56:14,240

think of

1631

00:56:17,910 --> 00:56:16,160

well i shouldn't say one iota i should

1632

00:56:20,710 --> 00:56:17,920

say we don't really have

1633

00:56:21,510 --> 00:56:20,720

any strong evidence towards that we do

1634

00:56:23,670 --> 00:56:21,520

have

1635

00:56:24,789 --> 00:56:23,680

some very fringe perspectives from

1636

00:56:27,750 --> 00:56:24,799

people like

1637

00:56:28,789 --> 00:56:27,760

tom delong and eric davis who are part

1638

00:56:30,870 --> 00:56:28,799

of this group

1639

00:56:31,910 --> 00:56:30,880

but you know um just because they

1640

00:56:33,750 --> 00:56:31,920

believe

1641

00:56:34,950 --> 00:56:33,760

something doesn't mean that this is

1642

00:56:37,990 --> 00:56:34,960

something that the government

1643

00:56:39,510 --> 00:56:38,000

is is actively working towards and we

1644

00:56:41,750 --> 00:56:39,520

don't have any indication of

1645

00:56:42,630 --> 00:56:41,760

any of that stuff so i i i kind of got

1646

00:56:45,750 --> 00:56:42,640

disappointed

1647

00:56:48,150 --> 00:56:45,760

um but then when i stopped doing stuff

1648

00:56:48,950 --> 00:56:48,160

and i also was potentially going to get

1649

00:56:52,150 --> 00:56:48,960

hired by two

1650

00:56:54,150 --> 00:56:52,160

stars so i didn't want to like uh write

1651
00:56:56,230 --> 00:56:54,160
about to the stars meanwhile

1652
00:56:58,230 --> 00:56:56,240
you know i could possibly be getting

1653
00:57:00,150 --> 00:56:58,240
hired by them in fact if it wasn't

1654
00:57:01,349 --> 00:57:00,160
supposedly if it wasn't for the pandemic

1655
00:57:04,390 --> 00:57:01,359
i'd be working there but

1656
00:57:05,109 --> 00:57:04,400
i don't know i'm regardless hey we would

1657
00:57:06,870 --> 00:57:05,119
all

1658
00:57:09,349 --> 00:57:06,880
kill for that opportunity but you know

1659
00:57:11,109 --> 00:57:09,359
what no you know the future is

1660
00:57:12,789 --> 00:57:11,119
bright there's a reason we're all still

1661
00:57:13,510 --> 00:57:12,799
here so i'm still pulling for you

1662
00:57:15,990 --> 00:57:13,520
brother

1663
00:57:17,750 --> 00:57:16,000

yeah so but i saw that you know this

1664

00:57:21,190 --> 00:57:17,760

credible arena had been left

1665

00:57:23,349 --> 00:57:21,200

open uh somewhat specifically on

1666

00:57:25,589 --> 00:57:23,359

this area the more you know credible

1667

00:57:28,470 --> 00:57:25,599

mainstream so i came back

1668

00:57:29,109 --> 00:57:28,480

and uh i also you know it was hard to

1669

00:57:32,230 --> 00:57:29,119

afford

1670

00:57:34,870 --> 00:57:32,240

all of this stuff there's

1671

00:57:35,829 --> 00:57:34,880

you know equipment tech i've got to pay

1672

00:57:37,349 --> 00:57:35,839

you know 50

1673

00:57:38,870 --> 00:57:37,359

a month just to keep the website up but

1674

00:57:40,549 --> 00:57:38,880

which is a good thing in a way because

1675

00:57:43,589 --> 00:57:40,559

it's a very popular website

1676

00:57:44,549 --> 00:57:43,599

so uh i came back and i decided i'm

1677

00:57:47,910 --> 00:57:44,559

going to put my

1678

00:57:49,990 --> 00:57:47,920

my interviews and analysis and behind a

1679

00:57:50,789 --> 00:57:50,000

paywall which is very cheap it cost very

1680

00:57:53,750 --> 00:57:50,799

little

1681

00:57:55,430 --> 00:57:53,760

and and i've been fortunate enough when

1682

00:57:58,470 --> 00:57:55,440

i did come back there were a lot of

1683

00:58:00,390 --> 00:57:58,480

people who i interacted with who wanted

1684

00:58:01,589 --> 00:58:00,400

to to talk with me and get some

1685

00:58:04,069 --> 00:58:01,599

information out

1686

00:58:05,910 --> 00:58:04,079

and so i have been really fortunate with

1687

00:58:07,990 --> 00:58:05,920

my relationships you know for with

1688

00:58:09,910 --> 00:58:08,000

people like brian bender

1689

00:58:11,430 --> 00:58:09,920

chris mellon i was able to get an

1690

00:58:12,950 --> 00:58:11,440

interview with and i don't think the ufo

1691

00:58:14,470 --> 00:58:12,960

community anybody has gotten an

1692

00:58:15,589 --> 00:58:14,480

interview with chris mellon in a long

1693

00:58:18,390 --> 00:58:15,599

time

1694

00:58:19,109 --> 00:58:18,400

lou elizondo luckily i have contact with

1695

00:58:21,510 --> 00:58:19,119

and i

1696

00:58:22,390 --> 00:58:21,520

got to do an interview with him recently

1697

00:58:24,390 --> 00:58:22,400

and and i

1698

00:58:26,549 --> 00:58:24,400

am in fairly regular contact i can't

1699

00:58:27,109 --> 00:58:26,559

always get information on the record for

1700

00:58:29,349 --> 00:58:27,119

him

1701

00:58:30,470 --> 00:58:29,359

well actually these days i can more but

1702

00:58:33,030 --> 00:58:30,480

you know sometimes it

1703

00:58:35,030 --> 00:58:33,040

depending on what's going on at the time

1704

00:58:35,430 --> 00:58:35,040

information is more readily available

1705

00:58:38,870 --> 00:58:35,440

than

1706

00:58:41,670 --> 00:58:38,880

others yeah so luckily uh i've i've got

1707

00:58:45,270 --> 00:58:41,680

access to a lot of these main players

1708

00:58:48,309 --> 00:58:45,280

uh and you know we're tackling this at

1709

00:58:48,630 --> 00:58:48,319

the level of you know hopefully what you

1710

00:58:52,549 --> 00:58:48,640

would

1711

00:58:53,510 --> 00:58:52,559

see you know washington insider type of

1712

00:58:55,990 --> 00:58:53,520

perspective

1713

00:58:56,789 --> 00:58:56,000

what's really going on what's the buzz

1714

00:59:00,470 --> 00:58:56,799

this stuff is

1715

00:59:03,750 --> 00:59:00,480

so complicated when it comes to policy

1716

00:59:03,990 --> 00:59:03,760

and regulations and laws and some of the

1717

00:59:06,470 --> 00:59:04,000

other

1718

00:59:07,910 --> 00:59:06,480

people i interview like john alexander

1719

00:59:09,670 --> 00:59:07,920

or adam kehoe

1720

00:59:12,630 --> 00:59:09,680

a guy who's now blogging about this

1721

00:59:13,990 --> 00:59:12,640

who's you know focuses on policy and

1722

00:59:17,030 --> 00:59:14,000

government policy

1723

00:59:18,710 --> 00:59:17,040

um steve mcdaniel from sky hub who

1724

00:59:20,870 --> 00:59:18,720

who has a background in naval

1725

00:59:22,230 --> 00:59:20,880

intelligence tim mcmillan who's got a

1726

00:59:23,910 --> 00:59:22,240

background in intelligence

1727

00:59:25,910 --> 00:59:23,920

mj banayas a lot of people you're

1728

00:59:28,309 --> 00:59:25,920

talking to too you know uh

1729

00:59:29,910 --> 00:59:28,319

but really focusing on all of these

1730

00:59:30,710 --> 00:59:29,920

topics and kind of putting our heads

1731

00:59:33,589 --> 00:59:30,720

together

1732

00:59:35,270 --> 00:59:33,599

to figure all of this out so yeah so

1733

00:59:37,589 --> 00:59:35,280

that's what the rojas report is about

1734

00:59:39,829 --> 00:59:37,599

i'm still doing my podcast in fact oh

1735

00:59:41,910 --> 00:59:39,839

in like an hour here i'll be uh

1736

00:59:44,069 --> 00:59:41,920

recording it live on on youtube

1737

00:59:45,589 --> 00:59:44,079

but uh that's much shorter where i just

1738

00:59:47,430 --> 00:59:45,599

kind of review the news of the week and

1739

00:59:48,789 --> 00:59:47,440

then tell them about the rojas reports

1740

00:59:52,069 --> 00:59:48,799

i've got out there

1741

00:59:54,630 --> 00:59:52,079

um so yeah that's the new world uh i'm

1742

00:59:55,190 --> 00:59:54,640

kind of working in and i had a lot of

1743

00:59:58,390 --> 00:59:55,200

friends

1744

01:00:00,069 --> 00:59:58,400

like richard dolan and and even lou

1745

01:00:01,430 --> 01:00:00,079

and some others who are like you got to

1746

01:00:02,150 --> 01:00:01,440

keep doing this you got to keep doing

1747

01:00:04,150 --> 01:00:02,160

this yeah

1748

01:00:06,150 --> 01:00:04,160

and that felt really good and a lot of

1749

01:00:08,230 --> 01:00:06,160

my audience you know like where are you

1750

01:00:10,390 --> 01:00:08,240

going to come back and so

1751

01:00:11,589 --> 01:00:10,400

that felt really good to have that and i

1752

01:00:13,030 --> 01:00:11,599

did notice and

1753

01:00:15,190 --> 01:00:13,040

you know i think this is something that

1754

01:00:17,349 --> 01:00:15,200

we all need to remember

1755

01:00:19,190 --> 01:00:17,359

all of us and i know for a fact you

1756

01:00:22,309 --> 01:00:19,200

experienced this we've got a lot of

1757

01:00:24,470 --> 01:00:22,319

people coming out it's really negative

1758

01:00:25,349 --> 01:00:24,480

um they want us to believe what they

1759

01:00:27,510 --> 01:00:25,359

believe

1760

01:00:28,870 --> 01:00:27,520

you know and if we don't then we're evil

1761

01:00:32,230 --> 01:00:28,880

and and awful and

1762

01:00:35,270 --> 01:00:32,240

and and they express that in

1763

01:00:36,870 --> 01:00:35,280

the worst ways that they could yeah and

1764

01:00:40,230 --> 01:00:36,880

that could that can affect you

1765

01:00:42,390 --> 01:00:40,240

but the reality is there are and we know

1766

01:00:43,030 --> 01:00:42,400

this by the numbers your show my show

1767

01:00:44,789 --> 01:00:43,040

you know

1768

01:00:46,710 --> 01:00:44,799

you look at the numbers there are

1769

01:00:50,150 --> 01:00:46,720

thousands of people out there

1770

01:00:52,390 --> 01:00:50,160

who are just quietly observing who

1771

01:00:53,190 --> 01:00:52,400

really appreciate the type of thing we

1772

01:00:55,750 --> 01:00:53,200

do right

1773

01:00:56,390 --> 01:00:55,760

and it's hard to remember that when

1774

01:00:59,829 --> 01:00:56,400

they're

1775

01:01:03,109 --> 01:00:59,839

there

1776

01:01:05,430 --> 01:01:03,119

every week every day you know they're

1777

01:01:06,309 --> 01:01:05,440

always there enjoying that um what we're

1778

01:01:08,710 --> 01:01:06,319

putting out there

1779

01:01:10,069 --> 01:01:08,720

and that's that's really inspiring and

1780

01:01:10,870 --> 01:01:10,079

it's something i think we always have to

1781

01:01:13,109 --> 01:01:10,880

remember

1782

01:01:15,270 --> 01:01:13,119

absolutely and you know you make a good

1783

01:01:17,109 --> 01:01:15,280

point it is the ones who don't

1784

01:01:18,870 --> 01:01:17,119

reach out and who are listening every

1785

01:01:20,950 --> 01:01:18,880

week that truly support you

1786

01:01:22,150 --> 01:01:20,960

whether it's through you know your your

1787

01:01:24,789 --> 01:01:22,160

patreons or

1788

01:01:26,470 --> 01:01:24,799

things like that and it's the most vocal

1789

01:01:28,870 --> 01:01:26,480

ones who are usually the mean

1790

01:01:29,510 --> 01:01:28,880

people so i think that's a really good

1791

01:01:31,750 --> 01:01:29,520

point for

1792

01:01:32,950 --> 01:01:31,760

but for every one of them there's a

1793

01:01:35,430 --> 01:01:32,960

hundred amazing

1794

01:01:37,589 --> 01:01:35,440

supportive people i am a member of your

1795

01:01:39,510 --> 01:01:37,599

patreon i love everything you do

1796

01:01:40,789 --> 01:01:39,520

i love getting the updates every week on

1797

01:01:42,470 --> 01:01:40,799

the ufo news

1798

01:01:44,470 --> 01:01:42,480

and look man i don't i don't bring

1799

01:01:46,549 --> 01:01:44,480

people on to promote things

1800

01:01:48,309 --> 01:01:46,559

that often and the reason i do it with

1801

01:01:48,870 --> 01:01:48,319

you is because i truly believe in the

1802

01:01:50,710 --> 01:01:48,880

work

1803

01:01:52,309 --> 01:01:50,720

that you and karen do i believe in

1804

01:01:53,670 --> 01:01:52,319

everything you've done for the ufo

1805

01:01:56,630 --> 01:01:53,680

journalism world

1806

01:01:57,029 --> 01:01:56,640

and i can't wait to see what comes next

1807

01:01:59,109 --> 01:01:57,039

but

1808

01:02:00,710 --> 01:01:59,119

tell us give us the links where can we

1809

01:02:02,390 --> 01:02:00,720

register for the congress

1810

01:02:03,829 --> 01:02:02,400

and where can we find everything you're

1811

01:02:06,309 --> 01:02:03,839

up to personally as well

1812

01:02:07,270 --> 01:02:06,319

and i do want to thank you i'm a patreon

1813

01:02:10,390 --> 01:02:07,280

follower of yours

1814

01:02:12,549 --> 01:02:10,400

as well a proud happy one so uh but

1815

01:02:14,069 --> 01:02:12,559

yeah uh patreon you can find me on

1816

01:02:16,150 --> 01:02:14,079

patreon of course by looking for

1817

01:02:17,829 --> 01:02:16,160

alejandro rojas because really

1818

01:02:19,670 --> 01:02:17,839

put up everything i put up there because

1819

01:02:21,670 --> 01:02:19,680

uh i haven't done a den of geek in a

1820

01:02:22,470 --> 01:02:21,680

while i was doing a lot of ufo stuff for

1821

01:02:25,589 --> 01:02:22,480

den of geek

1822

01:02:28,390 --> 01:02:25,599

um not too long ago and those went

1823

01:02:28,950 --> 01:02:28,400

really well but uh i should have some

1824

01:02:31,430 --> 01:02:28,960

pieces

1825

01:02:32,710 --> 01:02:31,440

again which something i love on space

1826

01:02:35,910 --> 01:02:32,720

unlike nasa

1827

01:02:38,789 --> 01:02:35,920

and some other types of things that way

1828

01:02:39,270 --> 01:02:38,799

but uh really if you want to find all my

1829

01:02:42,549 --> 01:02:39,280

stuff

1830

01:02:44,150 --> 01:02:42,559

you openminds tv openminds.tv

1831

01:02:46,069 --> 01:02:44,160

is where you find my ufo stuff and you

1832

01:02:49,549 --> 01:02:46,079

can find the congress

1833

01:02:51,670 --> 01:02:49,559

there and at ufocongress.com so

1834

01:02:53,670 --> 01:02:51,680

ufocongress.com is everything about the

1835

01:02:56,470 --> 01:02:53,680

international ufo congress

1836

01:02:57,990 --> 01:02:56,480

go there now um check our social media

1837

01:02:59,750 --> 01:02:58,000

for discount codes

1838

01:03:01,270 --> 01:02:59,760

uh if i could remember one i would tell

1839

01:03:02,470 --> 01:03:01,280

you but we've gotten posted on our

1840

01:03:04,309 --> 01:03:02,480

social media

1841

01:03:06,789 --> 01:03:04,319

and we've been doing you know rolling

1842

01:03:09,430 --> 01:03:06,799

discount codes on on social media

1843

01:03:11,270 --> 01:03:09,440

so definitely go check those out and

1844

01:03:12,710 --> 01:03:11,280

join us at the ufo congress it's going

1845

01:03:14,150 --> 01:03:12,720

to be a lot of fun and like i said get

1846

01:03:16,069 --> 01:03:14,160

your tickets as soon as possible

1847

01:03:17,750 --> 01:03:16,079

and and so that's a lot of fun and then

1848

01:03:18,150 --> 01:03:17,760

of course i am writing for den of geek

1849

01:03:19,670 --> 01:03:18,160

and

1850

01:03:21,270 --> 01:03:19,680

i've got some other exciting projects

1851
01:03:24,309 --> 01:03:21,280
writing projects in

1852
01:03:26,470 --> 01:03:24,319
the uh that i'm working on

1853
01:03:28,390 --> 01:03:26,480
um so i should have some really cool

1854
01:03:29,190 --> 01:03:28,400
bylines coming up here and i'm excited

1855
01:03:30,950 --> 01:03:29,200
about that

1856
01:03:32,230 --> 01:03:30,960
i guess i should explain that by lines

1857
01:03:35,270 --> 01:03:32,240
mean a credit

1858
01:03:36,630 --> 01:03:35,280
so i should be writing for uh an outlet

1859
01:03:39,270 --> 01:03:36,640
or two that's gonna be

1860
01:03:40,470 --> 01:03:39,280
uh i'm excited about yeah so that's

1861
01:03:42,549 --> 01:03:40,480
everything going on

1862
01:03:44,069 --> 01:03:42,559
it's fast and furious and then at the

1863
01:03:47,750 --> 01:03:44,079

same time i'm also doing

1864

01:03:50,150 --> 01:03:47,760

mortgages if anybody needs to refinance

1865

01:03:52,870 --> 01:03:50,160

get a hold of me you are a man on the

1866

01:03:53,349 --> 01:03:52,880

move you wear a million hats i love it

1867

01:03:55,109 --> 01:03:53,359

man

1868

01:03:56,870 --> 01:03:55,119

i don't know when you sleep but i know

1869

01:03:58,950 --> 01:03:56,880

you're not going to be sleeping at all

1870

01:04:00,309 --> 01:03:58,960

this upcoming week with the congress so

1871

01:04:01,829 --> 01:04:00,319

again alejandro

1872

01:04:03,990 --> 01:04:01,839

i have to thank you for coming on

1873

01:04:06,470 --> 01:04:04,000

everyone go register right now

1874

01:04:08,549 --> 01:04:06,480

and uh thank you so much for joining me

1875

01:04:13,550 --> 01:04:08,559

again on somewhere in the skies

1876

01:04:30,220 --> 01:04:13,560

my pleasure thank you so much

1877

01:04:31,340 --> 01:04:30,230

[Music]

1878

01:04:53,270 --> 01:04:31,350

[Applause]

1879

01:04:55,190 --> 01:04:53,280

[Music]

1880

01:04:56,470 --> 01:04:55,200

somewhere in the skies is produced by

1881

01:04:58,309 --> 01:04:56,480

third kind productions
