THE ALIEN AUTOPSY

≡≡≡ 25 YEARS LATER ≡≡≡

1
00:00:07,810 --> 00:00:04,630
this

2
00:00:14,910 --> 00:00:07,820
is somewhere in the skies with ryan

3
00:00:15,910 --> 00:00:14,920
[Music]

4
00:00:18,150 --> 00:00:15,920
spread

5
00:00:20,550 --> 00:00:18,160
[Music]

6
00:00:22,790 --> 00:00:20,560
all right it looks like we are live

7
00:00:24,550 --> 00:00:22,800
welcome everyone to another episode of

8
00:00:25,269 --> 00:00:24,560
somewhere in the skies live i am your

9
00:00:27,349 --> 00:00:25,279
host

10
00:00:28,790 --> 00:00:27,359
ryan sprague and today we're going to be

11
00:00:30,710 --> 00:00:28,800
talking about something that

12
00:00:32,470 --> 00:00:30,720
probably a lot of you are familiar with

13
00:00:33,430 --> 00:00:32,480

but if you're not we will try to catch

14

00:00:36,950 --> 00:00:33,440

you up to speed

15

00:00:38,549 --> 00:00:36,960

it is the 25th anniversary of the alien

16

00:00:40,709 --> 00:00:38,559

autopsy film

17

00:00:42,630 --> 00:00:40,719

and i've got a funny story about my

18

00:00:43,190 --> 00:00:42,640

first time seeing it i know my guest

19

00:00:44,950 --> 00:00:43,200

will

20

00:00:47,110 --> 00:00:44,960

today so without further ado i'm going

21

00:00:48,790 --> 00:00:47,120

to bring him in you know him best

22

00:00:51,189 --> 00:00:48,800

from rogue planet and the unknown

23

00:00:53,350 --> 00:00:51,199

podcast my buddy my colleague

24

00:00:54,549 --> 00:00:53,360

jason mcclellan how you doing man hey

25

00:00:56,950 --> 00:00:54,559

hey

26

00:00:58,389 --> 00:00:56,960

i'm wonderful ryan how are you i'm good

27

00:01:00,630 --> 00:00:58,399

man i'm good i

28

00:01:02,389 --> 00:01:00,640

i reached out to you you what was it

29

00:01:02,869 --> 00:01:02,399

yesterday about doing this yesterday

30

00:01:07,030 --> 00:01:02,879

yeah

31

00:01:09,190 --> 00:01:07,040

give you so much time to prepare

32

00:01:10,149 --> 00:01:09,200

um yeah that's how it goes that's how i

33

00:01:13,670 --> 00:01:10,159

did it

34

00:01:16,070 --> 00:01:13,680

i know um well we roll with it

35

00:01:17,670 --> 00:01:16,080

we do we do and we make it work um

36

00:01:20,149 --> 00:01:17,680

speaking of making it work

37

00:01:21,190 --> 00:01:20,159

um for those of you watching on facebook

38

00:01:23,109 --> 00:01:21,200

i literally

39

00:01:24,950 --> 00:01:23,119

just push send on this let's see if it

40

00:01:27,109 --> 00:01:24,960

goes yes if you're on facebook

41

00:01:28,390 --> 00:01:27,119

and you want your comments to be seen

42

00:01:30,230 --> 00:01:28,400

today uh

43

00:01:31,429 --> 00:01:30,240

click that link that i just put on the

44

00:01:34,550 --> 00:01:31,439

facebook feed and

45

00:01:35,830 --> 00:01:34,560

it gives us access to your comments so

46

00:01:36,149 --> 00:01:35,840

we can put it right up on the screen

47

00:01:37,990 --> 00:01:36,159

here

48

00:01:39,510 --> 00:01:38,000

if you're watching on youtube you know

49

00:01:40,870 --> 00:01:39,520

it's right there on the right hand side

50

00:01:42,389 --> 00:01:40,880

put your comments there

51
00:01:44,230 --> 00:01:42,399
hopefully we'll see them i see them

52
00:01:44,870 --> 00:01:44,240
pouring in already so this is gonna be

53
00:01:47,270 --> 00:01:44,880
fun

54
00:01:48,310 --> 00:01:47,280
um but before we talk about the main

55
00:01:51,350 --> 00:01:48,320
part of this

56
00:01:53,030 --> 00:01:51,360
jason the alien autopsy i gotta

57
00:01:54,870 --> 00:01:53,040
talk to you about your latest episode of

58
00:01:55,830 --> 00:01:54,880
the unknown podcast i listened to it

59
00:01:57,910 --> 00:01:55,840
last night

60
00:01:59,350 --> 00:01:57,920
and um look it's something that a lot of

61
00:02:02,950 --> 00:01:59,360
us don't think about

62
00:02:04,069 --> 00:02:02,960
and uh was a huge hypothetical some 20

63
00:02:07,510 --> 00:02:04,079

30 years ago

64

00:02:09,510 --> 00:02:07,520

but it's becoming a reality so i want to

65

00:02:10,790 --> 00:02:09,520

i want to get it from you you wrote a

66

00:02:12,790 --> 00:02:10,800

huge expose

67

00:02:14,710 --> 00:02:12,800

or article on this for open minds

68

00:02:17,670 --> 00:02:14,720

magazine in the past but it's

69

00:02:19,910 --> 00:02:17,680

space law so tell us a little about this

70

00:02:21,990 --> 00:02:19,920

uh most recent episode

71

00:02:24,070 --> 00:02:22,000

yeah so space law is something that's

72

00:02:25,350 --> 00:02:24,080

fascinated me for a long time because

73

00:02:28,470 --> 00:02:25,360

i'm a space geek

74

00:02:30,229 --> 00:02:28,480

and you know space is really the wild

75

00:02:32,710 --> 00:02:30,239

west and you think about

76
00:02:35,110 --> 00:02:32,720
all of these you know private companies

77
00:02:36,949 --> 00:02:35,120
in this modern space race we're in where

78
00:02:38,869 --> 00:02:36,959
private companies want to go into space

79
00:02:41,270 --> 00:02:38,879
and set up bases and

80
00:02:43,910 --> 00:02:41,280
mine asteroids and and the moon and

81
00:02:46,470 --> 00:02:43,920
other celestial bodies for resources

82
00:02:48,309 --> 00:02:46,480
and you know really we know on earth

83
00:02:51,110 --> 00:02:48,319
there's all sorts of regulations

84
00:02:52,470 --> 00:02:51,120
regarding business activities so talk

85
00:02:54,229 --> 00:02:52,480
about going into space

86
00:02:56,070 --> 00:02:54,239
who owns space who owns the moon who

87
00:02:57,509 --> 00:02:56,080
owns asteroids so these are all fun

88
00:03:00,070 --> 00:02:57,519

questions and

89

00:03:01,509 --> 00:03:00,080

existing space law the way it exists

90

00:03:02,790 --> 00:03:01,519

right now you know it was formulated

91

00:03:05,990 --> 00:03:02,800

back in the 60s back

92

00:03:07,030 --> 00:03:06,000

during the original space race and back

93

00:03:09,190 --> 00:03:07,040

then

94

00:03:10,949 --> 00:03:09,200

space was you know it was thought of as

95

00:03:12,949 --> 00:03:10,959

this science fiction type thing like

96

00:03:14,470 --> 00:03:12,959

yeah we were going into space but a lot

97

00:03:16,949 --> 00:03:14,480

of the things being contemplated were

98

00:03:18,869 --> 00:03:16,959

thought of as these far-off things that

99

00:03:20,630 --> 00:03:18,879

were never going to happen or or were

100

00:03:22,309 --> 00:03:20,640

going to happen far in the future so we

101
00:03:25,190 --> 00:03:22,319
don't need to worry about them now

102
00:03:26,390 --> 00:03:25,200
so you know there's a lot of ambiguities

103
00:03:29,430 --> 00:03:26,400
when it comes to space

104
00:03:30,710 --> 00:03:29,440
law to laws in space and

105
00:03:32,470 --> 00:03:30,720
we're also dealing with a lot of

106
00:03:33,030 --> 00:03:32,480
different countries right i mean we have

107
00:03:35,190 --> 00:03:33,040
enough

108
00:03:36,149 --> 00:03:35,200
issues getting people here on earth to

109
00:03:39,430 --> 00:03:36,159
to follow

110
00:03:40,390 --> 00:03:39,440
you know uh shared laws and when it

111
00:03:42,949 --> 00:03:40,400
comes to space

112
00:03:44,830 --> 00:03:42,959
how do we get all countries on board to

113
00:03:46,149 --> 00:03:44,840

to follow the same laws when it comes to

114

00:03:48,309 --> 00:03:46,159

space

115

00:03:50,149 --> 00:03:48,319

and that's proving to be a problem right

116

00:03:52,789 --> 00:03:50,159

because now we do have companies

117

00:03:54,630 --> 00:03:52,799

like getting really close to mining

118

00:03:57,750 --> 00:03:54,640

asteroids for resources

119

00:03:59,990 --> 00:03:57,760

and the current space law all space law

120

00:04:01,990 --> 00:04:00,000

is primarily based off the outer space

121

00:04:05,990 --> 00:04:02,000

treaty which was created in

122

00:04:07,750 --> 00:04:06,000

67 and you know not every country

123

00:04:10,710 --> 00:04:07,760

signed on to this treaty not every

124

00:04:13,830 --> 00:04:10,720

country adheres to this treaty

125

00:04:15,990 --> 00:04:13,840

and in recent years

126
00:04:17,349 --> 00:04:16,000
other countries and united states

127
00:04:20,550 --> 00:04:17,359
notably

128
00:04:21,590 --> 00:04:20,560
has basically said you know what we see

129
00:04:24,390 --> 00:04:21,600
your treaty

130
00:04:25,590 --> 00:04:24,400
that's all fine and good but we're

131
00:04:28,150 --> 00:04:25,600
entitled americans

132
00:04:29,510 --> 00:04:28,160
and we don't recognize your treaty like

133
00:04:31,510 --> 00:04:29,520
you have fun with that we're going to go

134
00:04:32,390 --> 00:04:31,520
do our own thing we don't recognize that

135
00:04:34,469 --> 00:04:32,400
space is

136
00:04:36,710 --> 00:04:34,479
for the greater good for you know

137
00:04:39,510 --> 00:04:36,720
beauties and international commons

138
00:04:42,070 --> 00:04:39,520

we're americans so we have the right to

139

00:04:45,030 --> 00:04:42,080

take your own resources from space

140

00:04:46,150 --> 00:04:45,040

so that's causing some some problems and

141

00:04:49,670 --> 00:04:46,160

there's been a recent

142

00:04:51,430 --> 00:04:49,680

uh recent outcry um asking the u.n to

143

00:04:55,030 --> 00:04:51,440

step in basically and take the lead

144

00:04:57,670 --> 00:04:55,040

on trying to establish some form of

145

00:04:58,469 --> 00:04:57,680

uniform international regulations that

146

00:05:02,150 --> 00:04:58,479

everybody

147

00:05:04,230 --> 00:05:02,160

can agree to and abide by it's it

148

00:05:06,230 --> 00:05:04,240

spaces the wild west and again i mean

149

00:05:08,070 --> 00:05:06,240

with the with the even with the laws

150

00:05:09,749 --> 00:05:08,080

who's going to enforce them right i mean

151
00:05:12,310 --> 00:05:09,759
unless you want to believe that there is

152
00:05:14,790 --> 00:05:12,320
a secret military in space right now and

153
00:05:16,710 --> 00:05:14,800
they have the ability to like zoom and

154
00:05:18,629 --> 00:05:16,720
shoot people for doing bad things

155
00:05:20,310 --> 00:05:18,639
like they're not really going to be able

156
00:05:21,830 --> 00:05:20,320
to like be space police and go and

157
00:05:23,270 --> 00:05:21,840
enforce laws in space i mean people are

158
00:05:25,909 --> 00:05:23,280
going to do what they're going to do

159
00:05:27,270 --> 00:05:25,919
it's it's a crazy wild time right now

160
00:05:28,550 --> 00:05:27,280
people are kind of making things up as

161
00:05:30,390 --> 00:05:28,560
they go

162
00:05:33,350 --> 00:05:30,400
right and i think that's the big part of

163
00:05:35,430 --> 00:05:33,360

it is uh every country has their own

164

00:05:37,270 --> 00:05:35,440

agendas and motives when it comes to

165

00:05:39,270 --> 00:05:37,280

trying to draft these laws

166

00:05:40,310 --> 00:05:39,280

and um you know like you mentioned in

167

00:05:42,550 --> 00:05:40,320

the episode

168

00:05:44,790 --> 00:05:42,560

a lot of countries have never been to

169

00:05:46,629 --> 00:05:44,800

space they don't have space programs

170

00:05:48,070 --> 00:05:46,639

yet what i think is interesting is they

171

00:05:50,230 --> 00:05:48,080

do get a say in this

172

00:05:51,510 --> 00:05:50,240

um apparently you know when it comes to

173

00:05:53,270 --> 00:05:51,520

the un's involvement

174

00:05:55,510 --> 00:05:53,280

it's good to see the u.n doing something

175

00:05:57,590 --> 00:05:55,520

that's the idea that's the idea behind

176

00:06:00,790 --> 00:05:57,600

this latest push to give

177

00:06:03,590 --> 00:06:00,800

non-space faring countries a voice when

178

00:06:06,390 --> 00:06:03,600

it comes to establishing these policies

179

00:06:07,990 --> 00:06:06,400

that really affect everybody and going

180

00:06:09,350 --> 00:06:08,000

back to the the outer space treaty from

181

00:06:12,950 --> 00:06:09,360

1967

182

00:06:15,830 --> 00:06:12,960

um that specifically states that

183

00:06:16,230 --> 00:06:15,840

you know space and activities in space

184

00:06:18,710 --> 00:06:16,240

are

185

00:06:20,150 --> 00:06:18,720

for the benefit of all humanity and

186

00:06:20,469 --> 00:06:20,160

that's always been the contention here

187

00:06:22,150 --> 00:06:20,479

with

188

00:06:23,990 --> 00:06:22,160

companies that want to go and make money

189

00:06:25,990 --> 00:06:24,000

in space they want to mine asteroids for

190

00:06:28,469 --> 00:06:26,000

resources they want to mine the moon

191

00:06:29,270 --> 00:06:28,479

how does it benefit all of humanity if a

192

00:06:32,390 --> 00:06:29,280

private company

193

00:06:33,189 --> 00:06:32,400

is profiting you know making money how's

194

00:06:35,430 --> 00:06:33,199

that benefiting

195

00:06:37,749 --> 00:06:35,440

all of humanity some have made some

196

00:06:40,070 --> 00:06:37,759

interesting and creative arguments but

197

00:06:41,990 --> 00:06:40,080

yeah it's interesting business people

198

00:06:44,629 --> 00:06:42,000

are good at making creative arguments

199

00:06:46,870 --> 00:06:44,639

oh yeah well that that's another um

200

00:06:49,670 --> 00:06:46,880

exactly yeah yeah it shows good business

201
00:06:51,350 --> 00:06:49,680
um the other kind of there's two other

202
00:06:53,110 --> 00:06:51,360
things i found really interesting

203
00:06:54,629 --> 00:06:53,120
in uh both the article you wrote and

204
00:06:58,390 --> 00:06:54,639
this episode of unknown

205
00:07:01,670 --> 00:06:58,400
um one was this idea of

206
00:07:05,350 --> 00:07:01,680
uh property versus you know

207
00:07:08,309 --> 00:07:05,360
actually the celestial body let's say

208
00:07:08,790 --> 00:07:08,319
like let's say you go to the moon um you

209
00:07:11,909 --> 00:07:08,800
know

210
00:07:15,589 --> 00:07:11,919
can you lay steak on the moon as

211
00:07:15,990 --> 00:07:15,599
property um so this this law was pretty

212
00:07:18,070 --> 00:07:16,000
interesting

213
00:07:19,510 --> 00:07:18,080

would you maybe yeah mine kind of

214

00:07:20,629 --> 00:07:19,520

running us through this whole thing the

215

00:07:22,629 --> 00:07:20,639

moon treaty

216

00:07:25,350 --> 00:07:22,639

i guess i'm with you man well there's

217

00:07:28,230 --> 00:07:25,360

certainly the moon treaty uh from 1979

218

00:07:29,350 --> 00:07:28,240

and most people don't pay any attention

219

00:07:31,110 --> 00:07:29,360

to it because

220

00:07:32,950 --> 00:07:31,120

only a handful of countries really

221

00:07:33,589 --> 00:07:32,960

signed on to it so most people don't

222

00:07:36,710 --> 00:07:33,599

view it as

223

00:07:38,870 --> 00:07:36,720

as being anything worth of note

224

00:07:40,629 --> 00:07:38,880

um but when it comes to the outer space

225

00:07:42,309 --> 00:07:40,639

treaty touches on this and we're talking

226

00:07:44,230 --> 00:07:42,319

about property ownership in space

227

00:07:47,270 --> 00:07:44,240

because you know people want to go and

228

00:07:48,710 --> 00:07:47,280

and lay claim to a you know piece of

229

00:07:50,150 --> 00:07:48,720

property on the moon or a piece of

230

00:07:51,990 --> 00:07:50,160

property on mars and

231

00:07:53,589 --> 00:07:52,000

even now this is this issue has come up

232

00:07:55,270 --> 00:07:53,599

because you've got so many companies out

233

00:07:57,430 --> 00:07:55,280

there you can look online and

234

00:07:59,350 --> 00:07:57,440

find companies that will sell you

235

00:08:02,550 --> 00:07:59,360

property you know sell you deeds

236

00:08:05,270 --> 00:08:02,560

to to land on mars and on the moon

237

00:08:06,469 --> 00:08:05,280

and legally can that be done and the

238

00:08:08,629 --> 00:08:06,479

answer is no

239

00:08:09,990 --> 00:08:08,639

um with current space law with the outer

240

00:08:13,510 --> 00:08:10,000

outer space treaty

241

00:08:17,110 --> 00:08:13,520

it prohibits anybody actually owning

242

00:08:20,230 --> 00:08:17,120

a piece or an entire celestial body

243

00:08:21,430 --> 00:08:20,240

but when it comes to structures like

244

00:08:24,309 --> 00:08:21,440

bases

245

00:08:25,909 --> 00:08:24,319

on the moon or on an asteroid or or you

246

00:08:27,589 --> 00:08:25,919

know landing rocket ships or having gas

247

00:08:31,270 --> 00:08:27,599

stations or things like that

248

00:08:32,230 --> 00:08:31,280

on these bodies the current law says

249

00:08:34,550 --> 00:08:32,240

that that's okay

250

00:08:36,310 --> 00:08:34,560

you can do that but here's where it gets

251
00:08:38,790 --> 00:08:36,320
interesting so

252
00:08:40,469 --> 00:08:38,800
you can own the structure you don't own

253
00:08:42,310 --> 00:08:40,479
the soil beneath it

254
00:08:43,509 --> 00:08:42,320
and that's again another strike against

255
00:08:45,590 --> 00:08:43,519
people who want to own

256
00:08:47,030 --> 00:08:45,600
the the minerals want to mine and own

257
00:08:49,990 --> 00:08:47,040
those resources

258
00:08:50,870 --> 00:08:50,000
um you can't lay steak to to the ground

259
00:08:52,310 --> 00:08:50,880
below

260
00:08:54,790 --> 00:08:52,320
but you can own the structure that you

261
00:08:58,070 --> 00:08:54,800
put there but

262
00:09:01,030 --> 00:08:58,080
all structures also all structures all

263
00:09:02,870 --> 00:09:01,040

like moon buggies you know any uh

264

00:09:05,990 --> 00:09:02,880

transportation devices

265

00:09:09,590 --> 00:09:06,000

whatever you have there has to be open

266

00:09:11,590 --> 00:09:09,600

and available for any astronaut so

267

00:09:12,870 --> 00:09:11,600

you spend the money and build this you

268

00:09:14,550 --> 00:09:12,880

know colony or

269

00:09:16,070 --> 00:09:14,560

or settlement or whatever you want to

270

00:09:17,910 --> 00:09:16,080

put up there

271

00:09:19,430 --> 00:09:17,920

that's great but then you have somebody

272

00:09:20,470 --> 00:09:19,440

from another country come knocking on

273

00:09:21,990 --> 00:09:20,480

the door you gotta like

274

00:09:23,829 --> 00:09:22,000

open it up and let them stay there if

275

00:09:25,829 --> 00:09:23,839

they want it's really weird

276

00:09:27,269 --> 00:09:25,839

and makes it very complicated from a

277

00:09:28,630 --> 00:09:27,279

business standpoint right i mean if

278

00:09:29,190 --> 00:09:28,640

you're trying to operate a hotel or

279

00:09:31,030 --> 00:09:29,200

something

280

00:09:32,230 --> 00:09:31,040

where you're charging people on earth to

281

00:09:32,790 --> 00:09:32,240

you know hundreds of thousands of

282

00:09:36,150 --> 00:09:32,800

dollars

283

00:09:38,470 --> 00:09:36,160

up there and stay in your space

284

00:09:39,269 --> 00:09:38,480

hotel but then like an astronaut from

285

00:09:41,110 --> 00:09:39,279

another country

286

00:09:42,630 --> 00:09:41,120

just like come up and you're obligated

287

00:09:45,269 --> 00:09:42,640

to let him stay there for free

288

00:09:46,389 --> 00:09:45,279

so kind of interesting kind of

289

00:09:49,350 --> 00:09:46,399

interesting

290

00:09:49,990 --> 00:09:49,360

yeah yeah again it's just like we're

291

00:09:52,389 --> 00:09:50,000

stumbling

292

00:09:53,269 --> 00:09:52,399

along as we continue to stumble is a

293

00:09:56,310 --> 00:09:53,279

good word yep

294

00:09:58,389 --> 00:09:56,320

you know explore the stars and uh yeah

295

00:09:59,910 --> 00:09:58,399

the wild west i think is the best way we

296

00:10:01,670 --> 00:09:59,920

could possibly put this

297

00:10:03,269 --> 00:10:01,680

um and everybody's just interpreting

298

00:10:06,150 --> 00:10:03,279

these things the way they want and

299

00:10:07,590 --> 00:10:06,160

and the way that fits their their

300

00:10:09,269 --> 00:10:07,600

individual motives

301

00:10:10,870 --> 00:10:09,279

yeah well what i thought was really

302

00:10:13,670 --> 00:10:10,880

interesting too is you um

303

00:10:15,509 --> 00:10:13,680

you referenced several books so they've

304

00:10:18,069 --> 00:10:15,519

actually been

305

00:10:18,630 --> 00:10:18,079

several books written about this already

306

00:10:20,069 --> 00:10:18,640

um

307

00:10:22,069 --> 00:10:20,079

you know yeah we've had these things

308

00:10:24,150 --> 00:10:22,079

going on since like the 60s 70s

309

00:10:25,590 --> 00:10:24,160

but the fact that like there have been

310

00:10:28,069 --> 00:10:25,600

full books and

311

00:10:30,150 --> 00:10:28,079

um you know attorneys who've looked at

312

00:10:32,550 --> 00:10:30,160

this

313

00:10:34,069 --> 00:10:32,560

interesting um yeah looks like a space

314

00:10:36,949 --> 00:10:34,079

launcher

315

00:10:38,710 --> 00:10:36,959

yep we glitched for a little bit but um

316

00:10:40,870 --> 00:10:38,720

yeah space law is a very specialized

317

00:10:44,150 --> 00:10:40,880

area there are people who

318

00:10:45,829 --> 00:10:44,160

who specialize in this field um and in

319

00:10:46,389 --> 00:10:45,839

fact nasa is currently hiring for a

320

00:10:52,310 --> 00:10:46,399

space

321

00:10:54,150 --> 00:10:52,320

yeah i think back when when i first

322

00:10:55,990 --> 00:10:54,160

started looking into space law

323

00:10:57,590 --> 00:10:56,000

it was when i was doing research for the

324

00:10:58,630 --> 00:10:57,600

article i was writing for open minds at

325

00:11:00,630 --> 00:10:58,640

the time

326

00:11:01,910 --> 00:11:00,640

and that's when i really loaded up on my

327

00:11:04,389 --> 00:11:01,920

my space law books

328

00:11:06,230 --> 00:11:04,399

so i added to my library with uh with

329

00:11:08,069 --> 00:11:06,240

some good space law books

330

00:11:09,350 --> 00:11:08,079

but you know i mean that was a long time

331

00:11:12,550 --> 00:11:09,360

ago and there's certainly

332

00:11:14,069 --> 00:11:12,560

many more uh by now and i also did some

333

00:11:14,949 --> 00:11:14,079

additional research i think i even wrote

334

00:11:16,949 --> 00:11:14,959

about this when

335

00:11:17,990 --> 00:11:16,959

when i was with two of the stars so

336

00:11:19,670 --> 00:11:18,000

space law has been

337

00:11:21,670 --> 00:11:19,680

again it's just something that i find

338

00:11:23,829 --> 00:11:21,680

incredibly fascinating it's

339

00:11:25,110 --> 00:11:23,839

developing it's it's a budding thing

340

00:11:25,990 --> 00:11:25,120

even though it's been around since the

341

00:11:27,829 --> 00:11:26,000

60s

342

00:11:29,350 --> 00:11:27,839

but we're just now seeing people think

343

00:11:32,470 --> 00:11:29,360

about this as a

344

00:11:34,150 --> 00:11:32,480

serious thing that because of the

345

00:11:36,550 --> 00:11:34,160

current space race and all of

346

00:11:37,269 --> 00:11:36,560

commercial space activities happening

347

00:11:38,470 --> 00:11:37,279

right now

348

00:11:40,470 --> 00:11:38,480

this is something that needs to be

349

00:11:43,430 --> 00:11:40,480

revisited and revised to

350

00:11:43,910 --> 00:11:43,440

you know have some working work from

351
00:11:47,110 --> 00:11:43,920
some

352
00:11:49,990 --> 00:11:47,120
legal framework that actually works

353
00:11:51,190 --> 00:11:50,000
right and here's the thing let's say

354
00:11:53,430 --> 00:11:51,200
it's implemented

355
00:11:54,870 --> 00:11:53,440
we're all on the same page here on earth

356
00:11:57,590 --> 00:11:54,880
about space law

357
00:11:58,150 --> 00:11:57,600
but then you know there's that curveball

358
00:12:01,389 --> 00:11:58,160
that

359
00:12:04,230 --> 00:12:01,399
possibility of

360
00:12:05,670 --> 00:12:04,240
extraterrestrials so again i want people

361
00:12:07,829 --> 00:12:05,680
to go listen to the episode because you

362
00:12:10,790 --> 00:12:07,839
get deep into all this but um

363
00:12:11,190 --> 00:12:10,800

let's talk a little about where does et

364

00:12:13,350 --> 00:12:11,200

play

365

00:12:14,629 --> 00:12:13,360

into all this it's one thing for us to

366

00:12:17,350 --> 00:12:14,639

create space law

367

00:12:18,389 --> 00:12:17,360

um on our planet and colonizing and

368

00:12:21,030 --> 00:12:18,399

property and

369

00:12:22,230 --> 00:12:21,040

drilling but then like boom what if we

370

00:12:25,590 --> 00:12:22,240

get to a planet

371

00:12:26,470 --> 00:12:25,600

let's say mars and uh it's already

372

00:12:28,550 --> 00:12:26,480

inhabited

373

00:12:29,670 --> 00:12:28,560

does our space law even count anymore

374

00:12:31,670 --> 00:12:29,680

when it comes to

375

00:12:33,990 --> 00:12:31,680

another civilization yeah where do you

376

00:12:37,269 --> 00:12:34,000

what do you think about all that jason

377

00:12:38,710 --> 00:12:37,279

yeah see these are all big issues that

378

00:12:39,910 --> 00:12:38,720

a lot of people spend time thinking

379

00:12:40,550 --> 00:12:39,920

about and things that need to be

380

00:12:42,790 --> 00:12:40,560

addressed

381

00:12:43,670 --> 00:12:42,800

but just like we see here on earth with

382

00:12:46,710 --> 00:12:43,680

issues of

383

00:12:49,750 --> 00:12:46,720

jurisdiction and extradition

384

00:12:51,509 --> 00:12:49,760

um it's a mess and i mean bring other

385

00:12:53,030 --> 00:12:51,519

planets into it other worlds other

386

00:12:56,230 --> 00:12:53,040

civilizations

387

00:12:58,069 --> 00:12:56,240

um it would be a nightmare

388

00:13:00,629 --> 00:12:58,079

yeah if we're if we're on mars we lay

389

00:13:02,550 --> 00:13:00,639

steak to you know some area on mars or

390

00:13:03,509 --> 00:13:02,560

try to establish a colony or a

391

00:13:05,430 --> 00:13:03,519

settlement

392

00:13:07,110 --> 00:13:05,440

and there's some native martians there

393

00:13:09,430 --> 00:13:07,120

they come and say hey you put this stuff

394

00:13:11,590 --> 00:13:09,440

on my land sorry it's mine

395

00:13:12,790 --> 00:13:11,600

what are you gonna do can you can you

396

00:13:14,150 --> 00:13:12,800

take them to court in

397

00:13:17,269 --> 00:13:14,160

in the united states if it's a united

398

00:13:19,910 --> 00:13:17,279

states company why would martians even

399

00:13:21,750 --> 00:13:19,920

blink an eye at united states law from

400

00:13:25,350 --> 00:13:21,760

some civilization on earth

401
00:13:28,069 --> 00:13:25,360
it's you know just a a complete mess

402
00:13:29,509 --> 00:13:28,079
and i'm glad the un is involved because

403
00:13:30,230 --> 00:13:29,519
it does need to be an international

404
00:13:32,230 --> 00:13:30,240
effort

405
00:13:33,509 --> 00:13:32,240
here on our planet when it comes to

406
00:13:35,110 --> 00:13:33,519
thinking about these issues and

407
00:13:37,670 --> 00:13:35,120
establishing these laws

408
00:13:39,110 --> 00:13:37,680
because it is any any sort of

409
00:13:42,310 --> 00:13:39,120
intergalactic

410
00:13:43,670 --> 00:13:42,320
uh legal issues that arise are going to

411
00:13:45,990 --> 00:13:43,680
affect the entire planet

412
00:13:48,230 --> 00:13:46,000
all of humanity so it needs to be a

413
00:13:51,829 --> 00:13:48,240

unified effort because we're we're

414

00:13:53,750 --> 00:13:51,839

then on a on a global scale a planetary

415

00:13:55,269 --> 00:13:53,760

scale when it comes to the laws and the

416

00:13:57,590 --> 00:13:55,279

issues and then

417

00:13:59,110 --> 00:13:57,600

you know i mean we can't even fathom

418

00:14:01,670 --> 00:13:59,120

some of the issues that we'd face

419

00:14:02,389 --> 00:14:01,680

our laws are written to deal with humans

420

00:14:04,230 --> 00:14:02,399

with people

421

00:14:06,710 --> 00:14:04,240

yeah you know and we're dealing with

422

00:14:07,829 --> 00:14:06,720

issues related to that now here on this

423

00:14:09,110 --> 00:14:07,839

planet where

424

00:14:11,269 --> 00:14:09,120

you know trying to get some of those

425

00:14:11,829 --> 00:14:11,279

laws that specifically only apply to

426
00:14:15,189 --> 00:14:11,839
people

427
00:14:18,230 --> 00:14:15,199
to apply to animals as well um you know

428
00:14:19,269 --> 00:14:18,240
so then thinking extraterrestrial it it

429
00:14:21,590 --> 00:14:19,279
gets wild

430
00:14:23,189 --> 00:14:21,600
and i love i love reading some of the

431
00:14:24,710 --> 00:14:23,199
stuff that that even goes down that

432
00:14:25,990 --> 00:14:24,720
route but it's it's all just thought at

433
00:14:29,110 --> 00:14:26,000
this point

434
00:14:31,829 --> 00:14:29,120
yeah until it becomes real right yeah um

435
00:14:32,470 --> 00:14:31,839
i think it's just too far off right

436
00:14:34,230 --> 00:14:32,480
exactly

437
00:14:36,949 --> 00:14:34,240
look at how rapidly we're moving it's

438
00:14:37,910 --> 00:14:36,959

insane um gary voorhees is in the chat

439

00:14:39,910 --> 00:14:37,920

he uh

440

00:14:42,230 --> 00:14:39,920

he was one of the gentlemen that um was

441

00:14:45,269 --> 00:14:42,240

first to witness the tic tac ufo event

442

00:14:48,389 --> 00:14:45,279

so you know um he he has a lot to

443

00:14:50,629 --> 00:14:48,399

to sort of um to suggest with all this

444

00:14:52,389 --> 00:14:50,639

and he says space force i mean i

445

00:14:53,189 --> 00:14:52,399

remember talking to an air force guy

446

00:14:55,509 --> 00:14:53,199

recently

447

00:14:56,389 --> 00:14:55,519

and i asked him hey why is the air force

448

00:14:58,710 --> 00:14:56,399

not really

449

00:14:59,829 --> 00:14:58,720

getting involved with all this ufo stuff

450

00:15:02,550 --> 00:14:59,839

the navy is

451

00:15:04,790 --> 00:15:02,560

the army is and he told me flat out we

452

00:15:06,550 --> 00:15:04,800

are we created an entire new branch of

453

00:15:09,350 --> 00:15:06,560

the military to deal with this

454

00:15:10,470 --> 00:15:09,360

so now you've got the idea of space law

455

00:15:12,710 --> 00:15:10,480

but then

456

00:15:13,670 --> 00:15:12,720

militarizing space too i mean did you

457

00:15:16,389 --> 00:15:13,680

watch the

458

00:15:18,389 --> 00:15:16,399

the netflix series that came out i

459

00:15:19,750 --> 00:15:18,399

didn't i had high hopes for it but i was

460

00:15:21,030 --> 00:15:19,760

turned off because of all the negative

461

00:15:23,750 --> 00:15:21,040

comments about it but

462

00:15:25,509 --> 00:15:23,760

uh it was i liked it i actually i

463

00:15:27,670 --> 00:15:25,519

watched the whole thing um

464

00:15:29,749 --> 00:15:27,680

it was cheesy at first but it actually

465

00:15:31,670 --> 00:15:29,759

got pretty deep and interesting

466

00:15:33,749 --> 00:15:31,680

and it did show you kind of like all

467

00:15:37,030 --> 00:15:33,759

right new branch of the military

468

00:15:38,069 --> 00:15:37,040

how do we how do we make ourselves known

469

00:15:40,710 --> 00:15:38,079

how do we make ourselves

470

00:15:42,949 --> 00:15:40,720

important enough to get um the military

471

00:15:45,030 --> 00:15:42,959

budget we need as the new

472

00:15:46,470 --> 00:15:45,040

air force space force so i thought that

473

00:15:46,949 --> 00:15:46,480

was pretty interesting you know they

474

00:15:50,470 --> 00:15:46,959

were

475

00:15:52,629 --> 00:15:50,480

training for uh battles on the moon

476
00:15:53,990 --> 00:15:52,639
or um you know what would happen if we

477
00:15:56,069 --> 00:15:54,000
got there and china already

478
00:15:57,670 --> 00:15:56,079
had something there that we didn't know

479
00:15:58,790 --> 00:15:57,680
about and how do you deal with these

480
00:16:00,230 --> 00:15:58,800
sort of things so

481
00:16:02,710 --> 00:16:00,240
you know for as much as it might have

482
00:16:04,150 --> 00:16:02,720
been cheesy and um a comedy i thought

483
00:16:04,870 --> 00:16:04,160
they brought up some really interesting

484
00:16:06,710 --> 00:16:04,880
stuff

485
00:16:08,550 --> 00:16:06,720
that maybe will come true someday i

486
00:16:11,189 --> 00:16:08,560
don't know

487
00:16:12,470 --> 00:16:11,199
yeah we'll see um we'll see i'm i'm

488
00:16:15,110 --> 00:16:12,480

hopeful

489

00:16:16,710 --> 00:16:15,120

i am too i am too well everyone go check

490

00:16:17,509 --> 00:16:16,720

out the latest episode of the unknown

491

00:16:19,829 --> 00:16:17,519

podcast

492

00:16:20,829 --> 00:16:19,839

to learn more about space law it's very

493

00:16:23,430 --> 00:16:20,839

interesting

494

00:16:24,470 --> 00:16:23,440

um but let's see what else do we got

495

00:16:27,749 --> 00:16:24,480

jason we've got um

496

00:16:29,189 --> 00:16:27,759

oh the uap task force now this is

497

00:16:31,670 --> 00:16:29,199

something that we've known about for a

498

00:16:34,710 --> 00:16:31,680

while now it's been making headlines

499

00:16:35,430 --> 00:16:34,720

all across the world um so yeah man what

500

00:16:38,710 --> 00:16:35,440

do you think

501
00:16:40,629 --> 00:16:38,720
i know you're kind of on the side of uh

502
00:16:43,990 --> 00:16:40,639
you don't think this bill is gonna pass

503
00:16:46,069 --> 00:16:44,000
necessarily uh if i'm mistaken um

504
00:16:48,470 --> 00:16:46,079
please correct me but um a lot of people

505
00:16:50,389 --> 00:16:48,480
think it's gonna pass with flying colors

506
00:16:51,670 --> 00:16:50,399
some think it's not going to happen and

507
00:16:52,790 --> 00:16:51,680
we're talking about the senate

508
00:16:55,590 --> 00:16:52,800
intelligence

509
00:16:56,550 --> 00:16:55,600
bill not necessarily the uap task force

510
00:16:58,389 --> 00:16:56,560
that's happening

511
00:17:00,069 --> 00:16:58,399
but um right let's go back for a minute

512
00:17:00,710 --> 00:17:00,079
to the um the bill what do you make of

513
00:17:02,230 --> 00:17:00,720

this bill

514

00:17:04,150 --> 00:17:02,240

and is it going to happen what do you

515

00:17:07,750 --> 00:17:04,160

think well that's the thing

516

00:17:11,829 --> 00:17:07,760

i mean we everything we know

517

00:17:14,069 --> 00:17:11,839

about the uh task force

518

00:17:15,110 --> 00:17:14,079

is really nothing at all you know we've

519

00:17:17,829 --> 00:17:15,120

been given

520

00:17:19,110 --> 00:17:17,839

a sentence or two directly from the

521

00:17:21,909 --> 00:17:19,120

pentagon

522

00:17:22,870 --> 00:17:21,919

and that tells us some some general

523

00:17:24,230 --> 00:17:22,880

things about

524

00:17:26,789 --> 00:17:24,240

what they're going to do i mean they

525

00:17:29,830 --> 00:17:26,799

want to understand ufos better

526

00:17:31,270 --> 00:17:29,840

but we still don't know what exactly

527

00:17:32,230 --> 00:17:31,280

they're going to do how they're going to

528

00:17:33,669 --> 00:17:32,240

do that

529

00:17:35,669 --> 00:17:33,679

if they're going to work with other

530

00:17:37,190 --> 00:17:35,679

agencies we just know that it's going to

531

00:17:39,510 --> 00:17:37,200

be led by the navy

532

00:17:40,390 --> 00:17:39,520

and that's really it when it comes to

533

00:17:43,990 --> 00:17:40,400

the task force

534

00:17:46,549 --> 00:17:44,000

everything else that people are assuming

535

00:17:47,510 --> 00:17:46,559

the task force is going to do is based

536

00:17:48,870 --> 00:17:47,520

on the

537

00:17:50,630 --> 00:17:48,880

intelligence authorization act for

538

00:17:53,669 --> 00:17:50,640

fiscal year 2021

539

00:17:55,029 --> 00:17:53,679

that has been attached to another bill

540

00:17:57,830 --> 00:17:55,039

that still has yet

541

00:17:58,950 --> 00:17:57,840

to to pass the house um and we'll see if

542

00:18:01,110 --> 00:17:58,960

that does

543

00:18:02,470 --> 00:18:01,120

uh the the likelihood that it will pass

544

00:18:04,870 --> 00:18:02,480

is has gone up

545

00:18:06,150 --> 00:18:04,880

but still because this was attached as

546

00:18:09,270 --> 00:18:06,160

an amendment

547

00:18:12,310 --> 00:18:09,280

uh we don't really we can't really see

548

00:18:14,470 --> 00:18:12,320

the the final wording that was attached

549

00:18:18,070 --> 00:18:14,480

so we don't know if a lot of the

550

00:18:20,789 --> 00:18:18,080

uh stuff about the the requested report

551
00:18:21,990 --> 00:18:20,799
about ufos the assessment of ufos is

552
00:18:24,230 --> 00:18:22,000
even included and

553
00:18:25,750 --> 00:18:24,240
if it is if it's been changed at all

554
00:18:28,150 --> 00:18:25,760
from what we initially saw

555
00:18:29,909 --> 00:18:28,160
in the original comments listed with the

556
00:18:31,510 --> 00:18:29,919
intelligence authorization act

557
00:18:33,190 --> 00:18:31,520
so again we're just doing a lot of

558
00:18:36,470 --> 00:18:33,200
assuming and

559
00:18:39,830 --> 00:18:36,480
in that that is where we get the comment

560
00:18:42,710 --> 00:18:39,840
about information being collected or

561
00:18:43,830 --> 00:18:42,720
being given for this report by the task

562
00:18:48,789 --> 00:18:43,840
force

563
00:18:50,870 --> 00:18:48,799

specifically is doing

564

00:18:52,470 --> 00:18:50,880

and people keep talking about the task

565

00:18:53,350 --> 00:18:52,480

force as this big thing that's going to

566

00:18:55,029 --> 00:18:53,360

be this

567

00:18:56,630 --> 00:18:55,039

open government giving all the

568

00:19:00,070 --> 00:18:56,640

information to the public

569

00:19:00,630 --> 00:19:00,080

again we don't have any concrete

570

00:19:02,870 --> 00:19:00,640

evidence

571

00:19:04,230 --> 00:19:02,880

that that is going to be the case that's

572

00:19:06,390 --> 00:19:04,240

all coming again

573

00:19:07,909 --> 00:19:06,400

from the comments that were listed in

574

00:19:10,549 --> 00:19:07,919

this bill

575

00:19:11,750 --> 00:19:10,559

that say that this report being

576
00:19:14,789 --> 00:19:11,760
requested

577
00:19:16,789 --> 00:19:14,799
will be they want to they want a

578
00:19:18,230 --> 00:19:16,799
an unclassified version of the report

579
00:19:21,350 --> 00:19:18,240
submitted

580
00:19:22,549 --> 00:19:21,360
that's nice that doesn't mean we want to

581
00:19:23,990 --> 00:19:22,559
broadcast

582
00:19:26,310 --> 00:19:24,000
something in a press release to the

583
00:19:28,549 --> 00:19:26,320
public it just means it's unclassified

584
00:19:29,830 --> 00:19:28,559
there are lots of things unclassified

585
00:19:31,590 --> 00:19:29,840
you know

586
00:19:34,470 --> 00:19:31,600
most things related to ufos are

587
00:19:37,350 --> 00:19:34,480
unclassified but it takes people

588
00:19:38,710 --> 00:19:37,360

like john greenwald doing strategic and

589

00:19:41,830 --> 00:19:38,720

crafty digging

590

00:19:42,150 --> 00:19:41,840

with cleverly worded foia requests to

591

00:19:45,510 --> 00:19:42,160

get

592

00:19:47,510 --> 00:19:45,520

those unclassified files released so

593

00:19:48,789 --> 00:19:47,520

again we don't have any guarantee or

594

00:19:51,110 --> 00:19:48,799

even a mention

595

00:19:53,830 --> 00:19:51,120

that we're getting information from the

596

00:19:55,750 --> 00:19:53,840

task force released to the public

597

00:19:57,430 --> 00:19:55,760

we just go back to the intelligence

598

00:20:00,789 --> 00:19:57,440

authorization act

599

00:20:03,029 --> 00:20:00,799

in the request for a ufo report and that

600

00:20:04,470 --> 00:20:03,039

report is supposed to be given in an

601
00:20:05,830 --> 00:20:04,480
unclassified form

602
00:20:08,149 --> 00:20:05,840
so everything after that is just

603
00:20:11,270 --> 00:20:08,159
speculation exactly

604
00:20:12,070 --> 00:20:11,280
exactly um well okay so moving to the

605
00:20:15,750 --> 00:20:12,080
task force

606
00:20:17,510 --> 00:20:15,760
i guess um what do you what do you think

607
00:20:19,830 --> 00:20:17,520
are we gonna get anything i mean again

608
00:20:21,909 --> 00:20:19,840
that unclassified part of this is where

609
00:20:23,590 --> 00:20:21,919
we're all excited hopefully maybe we'll

610
00:20:26,149 --> 00:20:23,600
get some new videos

611
00:20:27,350 --> 00:20:26,159
um you know luis elizondo tom long have

612
00:20:29,110 --> 00:20:27,360
sort of teased like

613
00:20:30,950 --> 00:20:29,120

there's more to come in terms of like

614

00:20:32,950 --> 00:20:30,960

what we're going to be releasing

615

00:20:34,630 --> 00:20:32,960

uh whether it's through the new york

616

00:20:36,710 --> 00:20:34,640

times working with them

617

00:20:38,230 --> 00:20:36,720

or uh their television show whatever it

618

00:20:41,430 --> 00:20:38,240

might be um

619

00:20:43,110 --> 00:20:41,440

what is this is this project blue book

620

00:20:45,510 --> 00:20:43,120

as someone mentioned in the chat

621

00:20:47,990 --> 00:20:45,520

2.0 or um you think we're actually going

622

00:20:51,270 --> 00:20:48,000

to get some information out of this

623

00:20:53,190 --> 00:20:51,280

so i mean i i would like to i would like

624

00:20:54,870 --> 00:20:53,200

to see project blue book 2.0

625

00:20:56,470 --> 00:20:54,880

but from what we've heard of the task

626
00:20:59,990 --> 00:20:56,480
force is completely different

627
00:21:02,149 --> 00:21:00,000
this isn't a cast your net wide

628
00:21:03,430 --> 00:21:02,159
type situation where they're looking

629
00:21:05,830 --> 00:21:03,440
into

630
00:21:06,710 --> 00:21:05,840
um you know citing reports from the

631
00:21:09,430 --> 00:21:06,720
public

632
00:21:10,630 --> 00:21:09,440
from even the faa or commercial

633
00:21:12,870 --> 00:21:10,640
airliners

634
00:21:14,789 --> 00:21:12,880
commercial pilots this is this is

635
00:21:16,310 --> 00:21:14,799
specifically looking at the military

636
00:21:17,669 --> 00:21:16,320
uh primarily there's hints that it's

637
00:21:18,789 --> 00:21:17,679
looking at other things as well but it's

638
00:21:21,029 --> 00:21:18,799

primarily looking at

639

00:21:22,950 --> 00:21:21,039

military sightings and incursions over

640

00:21:26,870 --> 00:21:22,960

military installations

641

00:21:29,110 --> 00:21:26,880

and specifically focused on the navy so

642

00:21:30,630 --> 00:21:29,120

it's far from blue book in that it's

643

00:21:32,630 --> 00:21:30,640

it's not casting a wide net

644

00:21:34,630 --> 00:21:32,640

it doesn't really seem to be wanting to

645

00:21:38,070 --> 00:21:34,640

take in a full picture

646

00:21:39,110 --> 00:21:38,080

of the ufo mystery um i hope that's not

647

00:21:40,950 --> 00:21:39,120

the case and i

648

00:21:42,230 --> 00:21:40,960

my biggest hope here and the biggest

649

00:21:43,990 --> 00:21:42,240

positive that

650

00:21:46,149 --> 00:21:44,000

i got excited about with the

651
00:21:48,630 --> 00:21:46,159
intelligence authorization act

652
00:21:49,669 --> 00:21:48,640
um the comments and the request for the

653
00:21:53,110 --> 00:21:49,679
report

654
00:21:55,830 --> 00:21:53,120
was this desire seeming desire

655
00:21:57,029 --> 00:21:55,840
that they want to improve communication

656
00:21:58,950 --> 00:21:57,039
they want

657
00:22:00,149 --> 00:21:58,960
all these different agencies to

658
00:22:02,149 --> 00:22:00,159
communicate on this

659
00:22:03,990 --> 00:22:02,159
issue and share information that's

660
00:22:06,149 --> 00:22:04,000
something that doesn't happen

661
00:22:08,070 --> 00:22:06,159
and obviously if you want to get any

662
00:22:10,710 --> 00:22:08,080
sort of answers related to this

663
00:22:11,909 --> 00:22:10,720

you need to be sharing information but

664

00:22:13,830 --> 00:22:11,919

you're dealing with branches of the

665

00:22:15,350 --> 00:22:13,840

military branches of the military all

666

00:22:15,990 --> 00:22:15,360

have their secrets they've got all of

667

00:22:19,190 --> 00:22:16,000

their

668

00:22:20,950 --> 00:22:19,200

you know individual uh you know

669

00:22:22,950 --> 00:22:20,960

projects they're working on they're

670

00:22:24,950 --> 00:22:22,960

they're not necessarily going to

671

00:22:26,470 --> 00:22:24,960

be very excited to share all that with

672

00:22:27,270 --> 00:22:26,480

other branches i mean yes we're all on

673

00:22:29,430 --> 00:22:27,280

the same team

674

00:22:30,470 --> 00:22:29,440

but at the same time they're their own

675

00:22:33,270 --> 00:22:30,480

branches and

676

00:22:34,549 --> 00:22:33,280

that's number one so it'll be

677

00:22:35,669 --> 00:22:34,559

interesting to see i want to see the

678

00:22:38,630 --> 00:22:35,679

communication lines

679

00:22:40,149 --> 00:22:38,640

improve i want to see them establish you

680

00:22:41,830 --> 00:22:40,159

know a formal way

681

00:22:43,270 --> 00:22:41,840

of these different organizations

682

00:22:44,390 --> 00:22:43,280

communicating with each other sharing

683

00:22:47,270 --> 00:22:44,400

that information

684

00:22:49,110 --> 00:22:47,280

and assigning somebody to head that up

685

00:22:50,630 --> 00:22:49,120

to be responsible for making sure this

686

00:22:52,549 --> 00:22:50,640

information gets shared

687

00:22:54,390 --> 00:22:52,559

and then you know hopefully we can get

688

00:22:56,950 --> 00:22:54,400

some answers from that but

689

00:22:58,070 --> 00:22:56,960

it's a long shot been down this road

690

00:23:00,470 --> 00:22:58,080

before

691

00:23:01,750 --> 00:23:00,480

and that's something that frustrates me

692

00:23:03,190 --> 00:23:01,760

with the task force i mean i hope

693

00:23:05,029 --> 00:23:03,200

they're they're looking at history and

694

00:23:07,190 --> 00:23:05,039

seeing what has been done before

695

00:23:09,190 --> 00:23:07,200

seeing what didn't work before and

696

00:23:11,990 --> 00:23:09,200

trying to overcome those hurdles

697

00:23:13,909 --> 00:23:12,000

and get beyond uh you know what blue

698

00:23:15,990 --> 00:23:13,919

book accomplished

699

00:23:17,510 --> 00:23:16,000

i mean that there are lots of roadblocks

700

00:23:18,710 --> 00:23:17,520

here and i i hope they can

701
00:23:21,270 --> 00:23:18,720
they can achieve something that's

702
00:23:23,909 --> 00:23:21,280
worthwhile but as you know ryan

703
00:23:26,070 --> 00:23:23,919
i always say i support people doing all

704
00:23:29,110 --> 00:23:26,080
the things all the time so good on them

705
00:23:32,870 --> 00:23:29,120
of transparency too i mean this is

706
00:23:34,390 --> 00:23:32,880
an opportunity for the public to trust

707
00:23:35,510 --> 00:23:34,400
our government again when it comes to

708
00:23:38,630 --> 00:23:35,520
this topic

709
00:23:40,310 --> 00:23:38,640
so um i'm hoping that we can build that

710
00:23:42,149 --> 00:23:40,320
relationship again i think that's what

711
00:23:44,789 --> 00:23:42,159
people like luis elizondo

712
00:23:46,549 --> 00:23:44,799
are trying to do is like show the public

713
00:23:48,870 --> 00:23:46,559

that you can trust the government

714

00:23:50,630 --> 00:23:48,880

you can trust the military completely

715

00:23:53,590 --> 00:23:50,640

never never going to happen but

716

00:23:54,230 --> 00:23:53,600

um it's a start and i think the other

717

00:23:56,070 --> 00:23:54,240

really

718

00:23:57,269 --> 00:23:56,080

good thing you brought up is this idea

719

00:23:59,269 --> 00:23:57,279

of um

720

00:24:00,390 --> 00:23:59,279

the intelligence agencies kind of coming

721

00:24:02,070 --> 00:24:00,400

together and

722

00:24:05,110 --> 00:24:02,080

figuring this out together rather than

723

00:24:06,310 --> 00:24:05,120

stovepiping and having different agendas

724

00:24:08,630 --> 00:24:06,320

in terms of what they're going to do

725

00:24:10,390 --> 00:24:08,640

with this information or how it can be

726
00:24:12,310 --> 00:24:10,400
implemented into certain

727
00:24:13,510 --> 00:24:12,320
branches of the military or stuff like

728
00:24:15,590 --> 00:24:13,520
that so um

729
00:24:16,950 --> 00:24:15,600
yeah if anything hopefully this will

730
00:24:18,710 --> 00:24:16,960
build a trust between us

731
00:24:20,789 --> 00:24:18,720
and a government who a lot of people

732
00:24:21,590 --> 00:24:20,799
think have lied to them for 70 plus

733
00:24:23,830 --> 00:24:21,600
years

734
00:24:24,870 --> 00:24:23,840
on the ufo topic so yeah we'll see what

735
00:24:27,430 --> 00:24:24,880
happens

736
00:24:29,029 --> 00:24:27,440
we'll see but it is interesting you know

737
00:24:32,870 --> 00:24:29,039
the the push

738
00:24:34,549 --> 00:24:32,880

to change the change the narrative

739

00:24:36,390 --> 00:24:34,559

change the mindset when it comes to

740

00:24:38,149 --> 00:24:36,400

military and ufos

741

00:24:40,310 --> 00:24:38,159

yet some of the people leading that

742

00:24:42,070 --> 00:24:40,320

charge are saying

743

00:24:44,830 --> 00:24:42,080

look the military screwed all this up

744

00:24:45,990 --> 00:24:44,840

the military's hiding all this

745

00:24:49,110 --> 00:24:46,000

information

746

00:24:50,230 --> 00:24:49,120

military what didn't work you know when

747

00:24:53,269 --> 00:24:50,240

it came to this effort

748

00:24:54,549 --> 00:24:53,279

so we love the military yet military's

749

00:24:55,430 --> 00:24:54,559

good let's get back and have the

750

00:24:58,950 --> 00:24:55,440

military

751
00:25:00,070 --> 00:24:58,960
facilitate all of this yeah i love this

752
00:25:02,149 --> 00:25:00,080
by audrey

753
00:25:03,510 --> 00:25:02,159
um she says perhaps the release of new

754
00:25:03,830 --> 00:25:03,520
information will come in the form of the

755
00:25:07,430 --> 00:25:03,840
new

756
00:25:09,750 --> 00:25:07,440
animated x-files comedy

757
00:25:11,669 --> 00:25:09,760
you do those of you who don't know jason

758
00:25:14,310 --> 00:25:11,679
was the first to actually pick this up

759
00:25:15,430 --> 00:25:14,320
and uh put it out to the twitter sphere

760
00:25:17,990 --> 00:25:15,440
from what i saw

761
00:25:19,110 --> 00:25:18,000
um fox is possibly developing an

762
00:25:21,830 --> 00:25:19,120
animated

763
00:25:22,789 --> 00:25:21,840

x-files show jason what do you think man

764

00:25:24,630 --> 00:25:22,799

are you gonna watch it

765

00:25:26,470 --> 00:25:24,640

uh what what can we expect from this i

766

00:25:29,909 --> 00:25:26,480

know it's super early

767

00:25:32,070 --> 00:25:29,919

well if it does come to fruition um

768

00:25:34,310 --> 00:25:32,080

of course i'll watch it um how many

769

00:25:36,950 --> 00:25:34,320

episodes that's that's to be seen

770

00:25:38,549 --> 00:25:36,960

but you know going into it again with

771

00:25:39,190 --> 00:25:38,559

anything ufos you have to know what

772

00:25:42,310 --> 00:25:39,200

you're going

773

00:25:43,590 --> 00:25:42,320

into from the start and you know if it's

774

00:25:45,110 --> 00:25:43,600

not something

775

00:25:46,549 --> 00:25:45,120

knowing what you know going into it if

776

00:25:47,669 --> 00:25:46,559

it's not something that would ordinarily

777

00:25:48,950 --> 00:25:47,679

appeal to you

778

00:25:51,110 --> 00:25:48,960

don't bother with it you're just going

779

00:25:53,590 --> 00:25:51,120

to be frustrated but

780

00:25:55,350 --> 00:25:53,600

you know i think if you've been in the

781

00:25:58,630 --> 00:25:55,360

ufo field long enough

782

00:26:00,390 --> 00:25:58,640

um and i i don't know you just learned

783

00:26:02,549 --> 00:26:00,400

to not not take yourself

784

00:26:03,590 --> 00:26:02,559

too seriously first of all number two

785

00:26:06,070 --> 00:26:03,600

don't take

786

00:26:06,870 --> 00:26:06,080

the the subject of ufos too seriously

787

00:26:08,630 --> 00:26:06,880

yes it's a

788

00:26:09,990 --> 00:26:08,640

serious issue but you've got to be able

789

00:26:13,430 --> 00:26:10,000

to laugh at it too and have some

790

00:26:15,269 --> 00:26:13,440

fun i mean this is not only our our

791

00:26:17,350 --> 00:26:15,279

serious passion but it's also our

792

00:26:19,510 --> 00:26:17,360

entertainment it's a subject that we're

793

00:26:21,909 --> 00:26:19,520

passionate about it's a subject we like

794

00:26:22,789 --> 00:26:21,919

so i like it in entertainment form as

795

00:26:24,870 --> 00:26:22,799

well

796

00:26:25,909 --> 00:26:24,880

now when it comes to the x-files

797

00:26:28,549 --> 00:26:25,919

animated show

798

00:26:29,350 --> 00:26:28,559

it sounds like it could be really bad

799

00:26:32,549 --> 00:26:29,360

because

800

00:26:33,190 --> 00:26:32,559

this is the way they build it is these

801
00:26:37,029 --> 00:26:33,200
are like

802
00:26:38,870 --> 00:26:37,039
flunky agents who take the cases that

803
00:26:41,190 --> 00:26:38,880
like even mulder won't take

804
00:26:42,470 --> 00:26:41,200
so it sounds like it's going to be

805
00:26:45,990 --> 00:26:42,480
really bad

806
00:26:47,750 --> 00:26:46,000
but i like the x-files i like ufos i

807
00:26:49,669 --> 00:26:47,760
like paranormal stuff so

808
00:26:51,269 --> 00:26:49,679
i'll give it a chance i need some

809
00:26:54,310 --> 00:26:51,279
mindless humor these days

810
00:26:58,470 --> 00:26:54,320
we all do we all do and you know if um

811
00:27:01,029 --> 00:26:58,480
if the simpsons episode uh the uh

812
00:27:01,750 --> 00:27:01,039
what is it um horror nights or whatever

813
00:27:03,669 --> 00:27:01,760

they do

814

00:27:04,789 --> 00:27:03,679

um treehouse of horror there we have

815

00:27:06,950 --> 00:27:04,799

some horror uh

816

00:27:09,190 --> 00:27:06,960

their x-files episode was freaking

817

00:27:12,710 --> 00:27:09,200

awesome so if it's anything like that

818

00:27:15,750 --> 00:27:12,720

i'm totally gonna watch um i i

819

00:27:18,389 --> 00:27:15,760

hey um gary voorhees says the

820

00:27:20,389 --> 00:27:18,399

the um what was it the reboot of the

821

00:27:21,430 --> 00:27:20,399

x-files was horrible so he doesn't have

822

00:27:24,149 --> 00:27:21,440

much pain

823

00:27:25,430 --> 00:27:24,159

in whatever comes next uh i'd have to

824

00:27:26,870 --> 00:27:25,440

agree with gary on that one

825

00:27:29,750 --> 00:27:26,880

unfortunately but um

826

00:27:31,669 --> 00:27:29,760

i guess moving on to the main event of

827

00:27:32,149 --> 00:27:31,679

the day what we're here to really talk

828

00:27:33,669 --> 00:27:32,159

about

829

00:27:35,269 --> 00:27:33,679

man we've been going for almost 28

830

00:27:36,070 --> 00:27:35,279

minutes now and we haven't even touched

831

00:27:37,510 --> 00:27:36,080

on it so

832

00:27:40,630 --> 00:27:37,520

let's do it we'll have to wait till next

833

00:27:43,269 --> 00:27:40,640

time yeah to be continued bye guys

834

00:27:44,070 --> 00:27:43,279

um yeah yeah we're gonna be talking

835

00:27:45,990 --> 00:27:44,080

about

836

00:27:47,190 --> 00:27:46,000

the alien autopsy let's see if this

837

00:27:50,070 --> 00:27:47,200

works

838

00:27:50,789 --> 00:27:50,080

oh there we go i see it good job ryan

839

00:27:53,269 --> 00:27:50,799

awesome

840

00:27:54,549 --> 00:27:53,279

technology i'm trying to get better at

841

00:27:57,190 --> 00:27:54,559

it um

842

00:27:59,430 --> 00:27:57,200

this these images probably bring back

843

00:28:03,029 --> 00:27:59,440

nightmares to a lot of you like it did

844

00:28:07,830 --> 00:28:03,039

me this is from the alien autopsy film

845

00:28:10,950 --> 00:28:07,840

uh originally aired on fox in 1995

846

00:28:11,430 --> 00:28:10,960

uh with host jonathan frakes i believe

847

00:28:14,470 --> 00:28:11,440

it was

848

00:28:16,630 --> 00:28:14,480

from our channel yeah yeah dude i don't

849

00:28:20,310 --> 00:28:16,640

remember so 95

850

00:28:23,190 --> 00:28:20,320

um i was 12 at the time

851
00:28:23,990 --> 00:28:23,200
and i had just had my ufo sighting like

852
00:28:27,029 --> 00:28:24,000
months prior

853
00:28:28,470 --> 00:28:27,039
oh wow this thing coming out so i was

854
00:28:31,510 --> 00:28:28,480
still

855
00:28:32,549 --> 00:28:31,520
i know and i was terrified man when i

856
00:28:34,389 --> 00:28:32,559
first saw it

857
00:28:36,070 --> 00:28:34,399
um i remember sitting down with my

858
00:28:38,230 --> 00:28:36,080
parents um

859
00:28:39,110 --> 00:28:38,240
you know talking to my dad about like

860
00:28:41,269 --> 00:28:39,120
ufos

861
00:28:43,430 --> 00:28:41,279
and we have to watch this thing tonight

862
00:28:45,750 --> 00:28:43,440
and we started watching it in like

863
00:28:46,950 --> 00:28:45,760

20 minutes in i was like too scared to

864

00:28:50,070 --> 00:28:46,960

keep watching it

865

00:28:50,549 --> 00:28:50,080

yeah dude definitely it's like it's like

866

00:28:52,710 --> 00:28:50,559

um

867

00:28:54,789 --> 00:28:52,720

when jfk was shot and we learned the

868

00:28:57,750 --> 00:28:54,799

news i have to ask jason

869

00:28:58,310 --> 00:28:57,760

where were you when the alien autopsy

870

00:29:00,950 --> 00:28:58,320

first

871

00:29:03,909 --> 00:29:00,960

uh came into your your personal

872

00:29:08,070 --> 00:29:03,919

zeitgeist i guess

873

00:29:11,110 --> 00:29:08,080

so i re i was in high school

874

00:29:13,510 --> 00:29:11,120

but i remember it was big news it really

875

00:29:16,070 --> 00:29:13,520

was i mean it it

876
00:29:17,590 --> 00:29:16,080
made this random splash and i remember

877
00:29:20,710 --> 00:29:17,600
seeing them teasing it

878
00:29:22,870 --> 00:29:20,720
in the the periodic uh

879
00:29:25,190 --> 00:29:22,880
teases for the the like nine o'clock

880
00:29:26,789 --> 00:29:25,200
news or whatever they talk about

881
00:29:28,710 --> 00:29:26,799
how they were going to be talking about

882
00:29:29,590 --> 00:29:28,720
the alien autopsy coming up on the nine

883
00:29:31,510 --> 00:29:29,600
o'clock news

884
00:29:33,029 --> 00:29:31,520
and and there were commercials leading

885
00:29:34,470 --> 00:29:33,039
up to it i don't remember how far in

886
00:29:36,549 --> 00:29:34,480
advance but i remember seeing it i saw

887
00:29:37,350 --> 00:29:36,559
what the hell is this alien autopsy are

888
00:29:40,230 --> 00:29:37,360

you kidding

889

00:29:41,990 --> 00:29:40,240

and it was being presented as this big

890

00:29:44,630 --> 00:29:42,000

event that was taking place

891

00:29:45,750 --> 00:29:44,640

and it was real and and people were very

892

00:29:49,430 --> 00:29:45,760

serious about it

893

00:29:50,789 --> 00:29:49,440

um yeah i thought

894

00:29:52,710 --> 00:29:50,799

i don't know i was 15 so i guess i

895

00:29:54,070 --> 00:29:52,720

didn't think i was drunk but it was

896

00:29:55,590 --> 00:29:54,080

weird it was like an

897

00:29:57,750 --> 00:29:55,600

alternate reality i was like what's

898

00:30:00,389 --> 00:29:57,760

going on but um

899

00:30:00,950 --> 00:30:00,399

yeah i just remember how big big of a

900

00:30:03,990 --> 00:30:00,960

deal

901
00:30:04,789 --> 00:30:04,000
the media was making it yeah yeah and i

902
00:30:06,950 --> 00:30:04,799
mean

903
00:30:07,990 --> 00:30:06,960
let's i i guess we should kind of dive

904
00:30:10,149 --> 00:30:08,000
into the whole story

905
00:30:12,710 --> 00:30:10,159
behind this because there's a lot to it

906
00:30:14,549 --> 00:30:12,720
it's a little convoluted but um

907
00:30:16,230 --> 00:30:14,559
i i should also mention i think i

908
00:30:19,510 --> 00:30:16,240
mentioned this on my last stream

909
00:30:20,230 --> 00:30:19,520
um i actually i recorded this fox

910
00:30:22,470 --> 00:30:20,240
special

911
00:30:23,430 --> 00:30:22,480
off of our vcr back in those days when

912
00:30:26,789 --> 00:30:23,440
you could do that

913
00:30:28,789 --> 00:30:26,799

and um i brought it into school uh

914

00:30:30,549 --> 00:30:28,799

eventually and yeah i brought it into

915

00:30:32,630 --> 00:30:30,559

school and it was the time of the year

916

00:30:35,029 --> 00:30:32,640

where like the teachers were checked out

917

00:30:37,190 --> 00:30:35,039

they like you know they they would do

918

00:30:40,149 --> 00:30:37,200

anything to just not teach

919

00:30:41,029 --> 00:30:40,159

and i was like pop this in the vcr let's

920

00:30:43,590 --> 00:30:41,039

watch this

921

00:30:46,310 --> 00:30:43,600

and the minute i put it on like half the

922

00:30:49,110 --> 00:30:46,320

class was like glued to the tv watching

923

00:30:50,310 --> 00:30:49,120

and uh half the class was like scared i

924

00:30:53,269 --> 00:30:50,320

remember this one girl

925

00:30:54,630 --> 00:30:53,279

liz i won't say her last name but uh she

926
00:30:56,310 --> 00:30:54,640
was petrified

927
00:30:58,149 --> 00:30:56,320
after we started watching it she was

928
00:30:59,110 --> 00:30:58,159
crying she left the room went to the

929
00:31:01,029 --> 00:30:59,120
bathroom

930
00:31:02,389 --> 00:31:01,039
came back and said she got sick because

931
00:31:04,870 --> 00:31:02,399
of uh watching this

932
00:31:06,070 --> 00:31:04,880
this alien autopsy and my teacher never

933
00:31:08,070 --> 00:31:06,080
forgave me for that

934
00:31:09,190 --> 00:31:08,080
uh i never i didn't forewarn her on what

935
00:31:11,029 --> 00:31:09,200
it was and uh

936
00:31:12,950 --> 00:31:11,039
but hey she let us watch the entire

937
00:31:14,549 --> 00:31:12,960
thing so that's her fault um

938
00:31:17,830 --> 00:31:14,559

but yeah those are my memories of the

939

00:31:20,470 --> 00:31:17,840

original airing of this thing but um

940

00:31:22,950 --> 00:31:20,480

let's talk a little about

941

00:31:23,990 --> 00:31:22,960

how it all came to be now we know it was

942

00:31:29,029 --> 00:31:24,000

a hoax

943

00:31:34,310 --> 00:31:32,149

uh that you know um

944

00:31:35,830 --> 00:31:34,320

i lost you again there you are he's back

945

00:31:38,710 --> 00:31:35,840

um we know that this was made

946

00:31:40,630 --> 00:31:38,720

in england so what do you know about the

947

00:31:42,149 --> 00:31:40,640

timeline of all this jason i've got kind

948

00:31:44,310 --> 00:31:42,159

of the bullet points here but

949

00:31:46,549 --> 00:31:44,320

um ray sent tilly let's start there with

950

00:31:49,909 --> 00:31:46,559

this dude

951
00:31:50,310 --> 00:31:49,919
yeah so ray was a london businessman and

952
00:31:56,870 --> 00:31:50,320
he

953
00:32:00,070 --> 00:31:56,880
was in

954
00:32:02,950 --> 00:32:00,080
cleveland ohio and he was looking for

955
00:32:04,789 --> 00:32:02,960
like archive footage of elvis and other

956
00:32:06,870 --> 00:32:04,799
rock and roll stars i guess

957
00:32:07,830 --> 00:32:06,880
and that's what he found this cameraman

958
00:32:10,149 --> 00:32:07,840
and

959
00:32:11,190 --> 00:32:10,159
he claims that the film that he got from

960
00:32:13,350 --> 00:32:11,200
this guy

961
00:32:15,110 --> 00:32:13,360
showed the autopsy of a dead alien

962
00:32:19,430 --> 00:32:15,120
recovered from the crash

963
00:32:23,830 --> 00:32:19,440

in roswell new mexico in 1947. so

964

00:32:26,630 --> 00:32:23,840

he uh contacted this guy named spiros

965

00:32:28,870 --> 00:32:26,640

and sparos was a filmmaker and ray

966

00:32:33,029 --> 00:32:28,880

wanted to make a documentary

967

00:32:34,470 --> 00:32:33,039

um about this footage of a real autopsy

968

00:32:37,029 --> 00:32:34,480

of an alien

969

00:32:37,909 --> 00:32:37,039

and spiros wasn't having it at first

970

00:32:40,549 --> 00:32:37,919

because

971

00:32:41,350 --> 00:32:40,559

he claims that when he went to meet with

972

00:32:44,630 --> 00:32:41,360

with ray

973

00:32:47,269 --> 00:32:44,640

santilli ray showed him the footage and

974

00:32:47,990 --> 00:32:47,279

spearos was like are you kidding me

975

00:32:49,830 --> 00:32:48,000

because

976

00:32:51,350 --> 00:32:49,840

again ray was presenting this as it

977

00:32:53,750 --> 00:32:51,360

being this re real

978

00:32:56,630 --> 00:32:53,760

film and everything and razel um this

979

00:32:57,110 --> 00:32:56,640

was obviously shot on video and it just

980

00:32:59,350 --> 00:32:57,120

like

981

00:33:00,789 --> 00:32:59,360

caught rey off guard that sparrows could

982

00:33:04,230 --> 00:33:00,799

tell this right away and he's all

983

00:33:05,990 --> 00:33:04,240

[h__h] the jig is up so experos left and

984

00:33:08,870 --> 00:33:06,000

you know thought it was done

985

00:33:09,750 --> 00:33:08,880

but he talked to his friend john

986

00:33:11,750 --> 00:33:09,760

humphries

987

00:33:12,870 --> 00:33:11,760

who's a sculptor really talented

988

00:33:15,909 --> 00:33:12,880

sculptor

989

00:33:18,070 --> 00:33:15,919

and they decided that uh you know

990

00:33:19,830 --> 00:33:18,080

doing this might open doors for them

991

00:33:21,590 --> 00:33:19,840

they had ambitions of like working for

992

00:33:22,710 --> 00:33:21,600

hollywood movies and stuff like that

993

00:33:25,509 --> 00:33:22,720

they thought this would get great

994

00:33:28,310 --> 00:33:25,519

exposure so they decided to do it

995

00:33:29,110 --> 00:33:28,320

so so they did and really spiros is the

996

00:33:33,029 --> 00:33:29,120

one who

997

00:33:35,350 --> 00:33:33,039

who did almost everything for this film

998

00:33:36,710 --> 00:33:35,360

um you know he he designed and directed

999

00:33:39,509 --> 00:33:36,720

the film he was the cameraman

1000

00:33:40,870 --> 00:33:39,519

on it his girlfriend did most of the

1001
00:33:43,110 --> 00:33:40,880
research for the film and there was a

1002
00:33:45,110 --> 00:33:43,120
lot of research that went into this film

1003
00:33:46,230 --> 00:33:45,120
making sure that you know everything you

1004
00:33:48,710 --> 00:33:46,240
see in the film

1005
00:33:50,470 --> 00:33:48,720
is period correct you know from the

1006
00:33:52,549 --> 00:33:50,480
clock to the telephone to the

1007
00:33:54,470 --> 00:33:52,559
instruments that the doctors use

1008
00:33:55,669 --> 00:33:54,480
to the procedures that the doctors are

1009
00:33:56,950 --> 00:33:55,679
doing uh

1010
00:33:58,389 --> 00:33:56,960
a lot of research went into it

1011
00:33:59,029 --> 00:33:58,399
apparently that was that was his

1012
00:34:00,630 --> 00:33:59,039
girlfriend

1013
00:34:02,470 --> 00:34:00,640

who did that she also played the role of

1014

00:34:04,870 --> 00:34:02,480

the nurse in the film

1015

00:34:06,630 --> 00:34:04,880

and the set was built in her apartment

1016

00:34:08,149 --> 00:34:06,640

or in her house in london it was being

1017

00:34:09,829 --> 00:34:08,159

renovated and they had like an empty

1018

00:34:12,950 --> 00:34:09,839

floor so they built a set

1019

00:34:14,950 --> 00:34:12,960

right in her house so you know they

1020

00:34:17,750 --> 00:34:14,960

put this thing together and and john

1021

00:34:20,950 --> 00:34:17,760

humphreys created the the alien he

1022

00:34:24,069 --> 00:34:20,960

molded it um from his 10 year old son

1023

00:34:26,230 --> 00:34:24,079

and this this thing came together they

1024

00:34:27,990 --> 00:34:26,240

they made their film and uh yeah came

1025

00:34:31,430 --> 00:34:28,000

out in uh

1026

00:34:33,909 --> 00:34:31,440

yeah 95 95. and um

1027

00:34:36,310 --> 00:34:33,919

i think we let's put this thing into

1028

00:34:39,430 --> 00:34:36,320

numbers

1029

00:34:41,669 --> 00:34:39,440

now besides the zabruder film and uh

1030

00:34:43,829 --> 00:34:41,679

the patterson gimlin bigfoot this is

1031

00:34:47,030 --> 00:34:43,839

probably in the top three

1032

00:34:49,589 --> 00:34:47,040

video uh hoaxes i mean

1033

00:34:50,629 --> 00:34:49,599

they're not hoaxes the jfk assassination

1034

00:34:52,629 --> 00:34:50,639

was not a hoax

1035

00:34:54,629 --> 00:34:52,639

it might have been a conspiracy um and

1036

00:34:56,550 --> 00:34:54,639

same with gimlin we don't know but uh

1037

00:34:58,069 --> 00:34:56,560

in terms of controversial videos out to

1038

00:34:58,550 --> 00:34:58,079

the public this is like one of the top

1039

00:35:01,190 --> 00:34:58,560

three

1040

00:35:02,150 --> 00:35:01,200

over two billion people have watched

1041

00:35:04,390 --> 00:35:02,160

this footage

1042

00:35:05,589 --> 00:35:04,400

um we've watched it three times already

1043

00:35:09,349 --> 00:35:05,599

just in this stream

1044

00:35:11,030 --> 00:35:09,359

um but your your history is great on

1045

00:35:11,910 --> 00:35:11,040

this jason you know the guy who made the

1046

00:35:15,190 --> 00:35:11,920

alien

1047

00:35:16,310 --> 00:35:15,200

um spiros the filmmaker the he is an

1048

00:35:17,510 --> 00:35:16,320

interesting guy

1049

00:35:19,510 --> 00:35:17,520

and i've been listening to a lot of

1050

00:35:21,190 --> 00:35:19,520

interviews with him lately um

1051

00:35:22,710 --> 00:35:21,200

this guy is a magician like a

1052

00:35:25,670 --> 00:35:22,720

professional magician

1053

00:35:26,950 --> 00:35:25,680

and he used a lot of those techniques in

1054

00:35:28,790 --> 00:35:26,960

making this film

1055

00:35:31,670 --> 00:35:28,800

you know you look over here while we do

1056

00:35:33,990 --> 00:35:31,680

this or your mind is thinking this well

1057

00:35:35,109 --> 00:35:34,000

and um you mentioned the research and i

1058

00:35:36,390 --> 00:35:35,119

thought that was one of the most

1059

00:35:38,230 --> 00:35:36,400

fascinating parts

1060

00:35:40,630 --> 00:35:38,240

of all of this the way they created the

1061

00:35:43,190 --> 00:35:40,640

alien is they created an entire

1062

00:35:44,150 --> 00:35:43,200

backstory to this alien where it came

1063

00:35:47,510 --> 00:35:44,160

from why

1064

00:35:50,390 --> 00:35:47,520

why it had six toes and six um

1065

00:35:51,510 --> 00:35:50,400

fingers and uh i think it's amazing that

1066

00:35:53,750 --> 00:35:51,520

they went to these

1067

00:35:55,109 --> 00:35:53,760

lengths to try to fool the public and

1068

00:35:57,349 --> 00:35:55,119

that was their goal

1069

00:35:58,230 --> 00:35:57,359

was to see if people would believe this

1070

00:35:59,589 --> 00:35:58,240

um

1071

00:36:01,270 --> 00:35:59,599

so i thought that was really interesting

1072

00:36:01,910 --> 00:36:01,280

too the amount of research that went

1073

00:36:03,349 --> 00:36:01,920

into this

1074

00:36:04,950 --> 00:36:03,359

this dead alien that we're seeing

1075

00:36:07,190 --> 00:36:04,960

getting cut up

1076

00:36:07,990 --> 00:36:07,200

so they actually made two films too

1077

00:36:10,150 --> 00:36:08,000

there were two

1078

00:36:11,510 --> 00:36:10,160

two alien autopsy talk about that yeah

1079

00:36:12,310 --> 00:36:11,520

yeah would you mind covering that a

1080

00:36:15,589 --> 00:36:12,320

little

1081

00:36:16,630 --> 00:36:15,599

sure so yeah i mean after they shot the

1082

00:36:18,870 --> 00:36:16,640

first one

1083

00:36:20,870 --> 00:36:18,880

um spiros's girlfriend apparently

1084

00:36:22,470 --> 00:36:20,880

noticed a couple mistakes

1085

00:36:24,150 --> 00:36:22,480

in some of the the medical procedures

1086

00:36:26,710 --> 00:36:24,160

that they were doing so

1087

00:36:27,670 --> 00:36:26,720

wanted it to be redone so they made

1088

00:36:31,109 --> 00:36:27,680

another

1089

00:36:35,030 --> 00:36:31,119

second alien and

1090

00:36:35,750 --> 00:36:35,040

in the second alien the foam latex used

1091

00:36:38,150 --> 00:36:35,760

to

1092

00:36:39,750 --> 00:36:38,160

fill the dummy didn't work right it

1093

00:36:41,750 --> 00:36:39,760

developed an air bubble and left this

1094

00:36:44,069 --> 00:36:41,760

hollow space in the leg

1095

00:36:44,790 --> 00:36:44,079

and so on the second one that's why you

1096

00:36:47,990 --> 00:36:44,800

have this leg

1097

00:36:48,870 --> 00:36:48,000

injury and they just like filled that

1098

00:36:51,030 --> 00:36:48,880

with some

1099

00:36:52,710 --> 00:36:51,040

bone and other stuff from animals and

1100

00:36:55,670 --> 00:36:52,720

then took a blow torch to it

1101
00:36:57,190 --> 00:36:55,680
and made it look like a burned area and

1102
00:36:59,030 --> 00:36:57,200
there you have a leg injury

1103
00:37:00,710 --> 00:36:59,040
so that was in the in the second one not

1104
00:37:04,790 --> 00:37:00,720
the first one so

1105
00:37:09,670 --> 00:37:08,150
but um rodrigo asks here about do you

1106
00:37:10,950 --> 00:37:09,680
have any insights about the debris

1107
00:37:13,990 --> 00:37:10,960
footage that came along

1108
00:37:14,630 --> 00:37:14,000
with the alien autopsy now um from what

1109
00:37:17,990 --> 00:37:14,640
i remember

1110
00:37:19,270 --> 00:37:18,000
this was part of the the spheros one

1111
00:37:23,589 --> 00:37:19,280
right

1112
00:37:24,950 --> 00:37:23,599
yeah so um i think

1113
00:37:27,270 --> 00:37:24,960

i'm trying to remember i think john

1114

00:37:29,190 --> 00:37:27,280

humphreys also designed all that stuff

1115

00:37:32,069 --> 00:37:29,200

yeah i think so too again this is so

1116

00:37:34,310 --> 00:37:32,079

convoluted this entire story there was

1117

00:37:36,150 --> 00:37:34,320

you know the original footage and then

1118

00:37:38,069 --> 00:37:36,160

there was the um the tent footage

1119

00:37:39,430 --> 00:37:38,079

and then there was this and then the

1120

00:37:42,390 --> 00:37:39,440

remake and this and that

1121

00:37:44,310 --> 00:37:42,400

and the funny thing too is uh ray

1122

00:37:47,510 --> 00:37:44,320

santilli we mentioned the guy who

1123

00:37:49,670 --> 00:37:47,520

kind of put this whole idea together to

1124

00:37:52,870 --> 00:37:49,680

sell alien autopsy footage

1125

00:37:55,990 --> 00:37:52,880

to um networks and whatnot uh

1126

00:37:58,790 --> 00:37:56,000

he claimed that he had

1127

00:37:59,589 --> 00:37:58,800

he got the footage from a military

1128

00:38:02,069 --> 00:37:59,599

person

1129

00:38:02,630 --> 00:38:02,079

who uh gave it to him and he kind of

1130

00:38:05,670 --> 00:38:02,640

stands

1131

00:38:07,510 --> 00:38:05,680

to that to this day that oh yeah i have

1132

00:38:09,589 --> 00:38:07,520

the original footage yes this is a

1133

00:38:10,310 --> 00:38:09,599

remake but um i have the original

1134

00:38:12,950 --> 00:38:10,320

footage

1135

00:38:14,550 --> 00:38:12,960

but from what i can tell is we've seen

1136

00:38:17,990 --> 00:38:14,560

the original footage now

1137

00:38:21,030 --> 00:38:18,000

and that's what made ray uh made spiro

1138

00:38:22,870 --> 00:38:21,040

say this is a piece of [h__h] and

1139

00:38:24,630 --> 00:38:22,880

this is horrible no one's gonna believe

1140

00:38:27,990 --> 00:38:24,640

it we have to remake this

1141

00:38:29,510 --> 00:38:28,000

um so yeah there's again i'm trying to

1142

00:38:31,270 --> 00:38:29,520

like piece all this together there's so

1143

00:38:31,750 --> 00:38:31,280

many different versions of this film

1144

00:38:34,150 --> 00:38:31,760

than

1145

00:38:35,030 --> 00:38:34,160

what we saw on fox and all across the

1146

00:38:37,349 --> 00:38:35,040

world

1147

00:38:38,390 --> 00:38:37,359

well and you know spirits wanted to that

1148

00:38:41,349 --> 00:38:38,400

the idea

1149

00:38:43,030 --> 00:38:41,359

the original idea was for them and and

1150

00:38:44,710 --> 00:38:43,040

one of the reasons bureaus got behind it

1151

00:38:46,950 --> 00:38:44,720

and john humphries as well

1152

00:38:47,990 --> 00:38:46,960

is that the idea was to create this

1153

00:38:51,349 --> 00:38:48,000

original film

1154

00:38:51,910 --> 00:38:51,359

fool everybody and then later release a

1155

00:38:54,710 --> 00:38:51,920

sort of

1156

00:38:56,150 --> 00:38:54,720

how we did it video right to show the

1157

00:38:59,190 --> 00:38:56,160

world how they did it

1158

00:39:00,630 --> 00:38:59,200

um because it is really really you know

1159

00:39:02,950 --> 00:39:00,640

especially for the time it was really

1160

00:39:06,390 --> 00:39:02,960

well done to create this period piece

1161

00:39:07,109 --> 00:39:06,400

um it's pretty remarkable what they

1162

00:39:09,990 --> 00:39:07,119

accomplished

1163

00:39:11,990 --> 00:39:10,000

with that tiny set and one alien and uh

1164

00:39:15,430 --> 00:39:12,000

yeah it was kind of fun

1165

00:39:17,829 --> 00:39:15,440

but uh then ray decided that

1166

00:39:18,950 --> 00:39:17,839

he couldn't do that because he he the

1167

00:39:20,470 --> 00:39:18,960

story he kept

1168

00:39:22,790 --> 00:39:20,480

giving spearows was that he needed to

1169

00:39:23,670 --> 00:39:22,800

recoup his money well yeah little did

1170

00:39:25,829 --> 00:39:23,680

sparrows know

1171

00:39:27,349 --> 00:39:25,839

this guy was making money uh left and

1172

00:39:30,310 --> 00:39:27,359

right so

1173

00:39:30,870 --> 00:39:30,320

it's very special by an nda so he

1174

00:39:34,630 --> 00:39:30,880

couldn't

1175

00:39:37,829 --> 00:39:34,640

he felt comfortable

1176
00:39:40,230 --> 00:39:37,839
speaking after the 2006 warner brothers

1177
00:39:43,510 --> 00:39:40,240
movie came out called alien autopsy

1178
00:39:43,829 --> 00:39:43,520
that ray santilli did yeah because it

1179
00:39:47,270 --> 00:39:43,839
was

1180
00:39:49,750 --> 00:39:47,280
and around that time

1181
00:39:50,550 --> 00:39:49,760
ray started talking publicly too about

1182
00:39:52,230 --> 00:39:50,560
the whole thing

1183
00:39:54,470 --> 00:39:52,240
so yeah that's when sparrows came

1184
00:39:57,190 --> 00:39:54,480
forward and and basically told the

1185
00:39:59,109 --> 00:39:57,200
entire story of it right and now you've

1186
00:39:59,510 --> 00:39:59,119
got these conflicting stories by both of

1187
00:40:02,630 --> 00:39:59,520
them

1188
00:40:03,030 --> 00:40:02,640

uh from what i can tell uh the spiros

1189

00:40:05,670 --> 00:40:03,040

guy

1190

00:40:06,950 --> 00:40:05,680

is his story seems to check out i mean

1191

00:40:10,230 --> 00:40:06,960

everything from

1192

00:40:10,870 --> 00:40:10,240

you know showing how they made

1193

00:40:13,589 --> 00:40:10,880

everything

1194

00:40:15,109 --> 00:40:13,599

and um and ray santilli comes out of

1195

00:40:16,390 --> 00:40:15,119

this thing not looking too good because

1196

00:40:19,750 --> 00:40:16,400

like you mentioned

1197

00:40:21,589 --> 00:40:19,760

um the the the idea was like you said to

1198

00:40:23,190 --> 00:40:21,599

make a documentary about how they made

1199

00:40:25,109 --> 00:40:23,200

it how they fooled the world

1200

00:40:26,230 --> 00:40:25,119

and that's what sparos wanted to do

1201

00:40:29,190 --> 00:40:26,240

little did he know

1202

00:40:29,910 --> 00:40:29,200

that um santilli was going and selling

1203

00:40:32,069 --> 00:40:29,920

this footage

1204

00:40:32,950 --> 00:40:32,079

all around the world except for in the

1205

00:40:34,790 --> 00:40:32,960

uk

1206

00:40:37,270 --> 00:40:34,800

where spiros would find out that he was

1207

00:40:40,470 --> 00:40:37,280

doing this because the deal was

1208

00:40:43,109 --> 00:40:40,480

um we're going to give it for free

1209

00:40:44,710 --> 00:40:43,119

to the news in the uk and see what they

1210

00:40:45,349 --> 00:40:44,720

do with it and that was the deal they

1211

00:40:46,950 --> 00:40:45,359

made

1212

00:40:48,950 --> 00:40:46,960

and they did that they gave it to the

1213

00:40:51,750 --> 00:40:48,960

media in the uk for free

1214

00:40:53,109 --> 00:40:51,760

um but little did sparrows know santilli

1215

00:40:56,069 --> 00:40:53,119

was going all over the world

1216

00:40:56,870 --> 00:40:56,079

in selling this and said here's the

1217

00:40:59,109 --> 00:40:56,880

footage

1218

00:41:01,430 --> 00:40:59,119

do what you want make a special

1219

00:41:03,349 --> 00:41:01,440

investigate it um do your thing

1220

00:41:05,270 --> 00:41:03,359

and making all this money and spiros had

1221

00:41:07,349 --> 00:41:05,280

no idea that he was doing this

1222

00:41:08,470 --> 00:41:07,359

uh and he also didn't know that a movie

1223

00:41:10,550 --> 00:41:08,480

was being made

1224

00:41:12,790 --> 00:41:10,560

by warner brothers on the making of this

1225

00:41:13,349 --> 00:41:12,800

film and sparrows was left out of that

1226

00:41:16,550 --> 00:41:13,359

as well

1227

00:41:18,630 --> 00:41:16,560

so um i feel horrible for this guy

1228

00:41:21,270 --> 00:41:18,640

like yeah he didn't help in fooling the

1229

00:41:22,390 --> 00:41:21,280

world but like he's a magician he does

1230

00:41:24,870 --> 00:41:22,400

that for a living

1231

00:41:26,230 --> 00:41:24,880

and he poured his heart and soul into

1232

00:41:28,710 --> 00:41:26,240

making this thing

1233

00:41:29,670 --> 00:41:28,720

and it fooled the world but he saw

1234

00:41:32,309 --> 00:41:29,680

nothing from it

1235

00:41:33,349 --> 00:41:32,319

he made no money off of it he got duped

1236

00:41:35,990 --> 00:41:33,359

by the guy who

1237

00:41:38,309 --> 00:41:36,000

kind of spearheaded this whole thing and

1238

00:41:42,150 --> 00:41:38,319

uh i guess the rest is history

1239

00:41:44,309 --> 00:41:42,160

yeah yeah yeah and we also have um

1240

00:41:45,349 --> 00:41:44,319

philip mantle one of um the researchers

1241

00:41:47,349 --> 00:41:45,359

in the uk

1242

00:41:48,950 --> 00:41:47,359

uh involved with all this too are you

1243

00:41:49,990 --> 00:41:48,960

are you familiar with philip mantle and

1244

00:41:53,270 --> 00:41:50,000

his work jason and

1245

00:41:55,270 --> 00:41:53,280

i absolutely am i absolutely am and

1246

00:41:56,630 --> 00:41:55,280

you know i direct anybody to philip

1247

00:41:59,430 --> 00:41:56,640

mantle to

1248

00:42:01,430 --> 00:41:59,440

you know hear the full story about this

1249

00:42:02,309 --> 00:42:01,440

um he's done so much research into it

1250

00:42:04,390 --> 00:42:02,319

he's you know

1251
00:42:05,589 --> 00:42:04,400
interviewed all these people and met

1252
00:42:07,510 --> 00:42:05,599
with them personally

1253
00:42:08,870 --> 00:42:07,520
and continues to follow the case i mean

1254
00:42:11,270 --> 00:42:08,880
philip is the guy

1255
00:42:12,630 --> 00:42:11,280
uh you know to follow for this and you

1256
00:42:14,950 --> 00:42:12,640
know we certainly had him

1257
00:42:16,309 --> 00:42:14,960
write stuff for us at open minds uh you

1258
00:42:18,470 --> 00:42:16,319
know covering this story

1259
00:42:20,230 --> 00:42:18,480
and yeah his his research is awesome on

1260
00:42:23,190 --> 00:42:20,240
this whole case

1261
00:42:25,109 --> 00:42:23,200
and i um i i should say that the whole

1262
00:42:27,109 --> 00:42:25,119
impetus for this live stream today and

1263
00:42:29,270 --> 00:42:27,119

this episode on the alien autopsy

1264

00:42:30,390 --> 00:42:29,280

was because i just watched a documentary

1265

00:42:32,630 --> 00:42:30,400

series

1266

00:42:34,790 --> 00:42:32,640

that philip mantle made with the

1267

00:42:37,349 --> 00:42:34,800

documentary crew about this entire

1268

00:42:39,270 --> 00:42:37,359

affair so um if anyone is interested in

1269

00:42:40,309 --> 00:42:39,280

watching that and hearing the expanded

1270

00:42:42,230 --> 00:42:40,319

version of all this

1271

00:42:43,510 --> 00:42:42,240

i believe it's called alien autopsy the

1272

00:42:45,990 --> 00:42:43,520

search for answers

1273

00:42:47,030 --> 00:42:46,000

uh it's very well done and it goes

1274

00:42:49,030 --> 00:42:47,040

through all of this

1275

00:42:50,470 --> 00:42:49,040

you know step by step that's what brings

1276

00:42:53,510 --> 00:42:50,480

us to current day

1277

00:42:55,510 --> 00:42:53,520

all right so jason i know nothing about

1278

00:42:57,750 --> 00:42:55,520

this part i'm gonna admit i know there

1279

00:43:01,270 --> 00:42:57,760

were emails that were part of the whole

1280

00:43:03,829 --> 00:43:01,280

you know admiral wilson leaks and emails

1281

00:43:06,870 --> 00:43:03,839

and eric davis blah blah blah

1282

00:43:08,870 --> 00:43:06,880

yeah let's if you can give us the

1283

00:43:11,670 --> 00:43:08,880

concise version of how cake

1284

00:43:11,990 --> 00:43:11,680

kit green is involved with this and um

1285

00:43:13,990 --> 00:43:12,000

why

1286

00:43:16,470 --> 00:43:14,000

the alien autopsy is back in the news

1287

00:43:18,309 --> 00:43:16,480

today yeah and that's really all i can

1288

00:43:20,950 --> 00:43:18,319

give because you know i don't i don't

1289

00:43:23,190 --> 00:43:20,960

bother to follow most of this anyway but

1290

00:43:26,230 --> 00:43:23,200

yeah it does does go back to

1291

00:43:27,589 --> 00:43:26,240

really eric davis memos and eric davis

1292

00:43:29,670 --> 00:43:27,599

memos being

1293

00:43:30,790 --> 00:43:29,680

revealed to the public from edgar

1294

00:43:32,550 --> 00:43:30,800

mittell's estate

1295

00:43:33,829 --> 00:43:32,560

and this is just another one of those

1296

00:43:37,109 --> 00:43:33,839

and this is from a

1297

00:43:38,829 --> 00:43:37,119

a 2001 memo that davis

1298

00:43:40,630 --> 00:43:38,839

sent to robert bigelow and colin

1299

00:43:43,109 --> 00:43:40,640

kelleher

1300

00:43:45,670 --> 00:43:43,119

about comments from kit green and kate

1301

00:43:48,150 --> 00:43:45,680

green is a former cia scientist

1302

00:43:49,589 --> 00:43:48,160

and green apparently claimed that he was

1303

00:43:53,670 --> 00:43:49,599

briefed at the pentagon

1304

00:43:55,510 --> 00:43:53,680

about an alien autopsy and shown photos

1305

00:43:57,990 --> 00:43:55,520

that he says were consistent with

1306

00:44:01,750 --> 00:43:58,000

santilli's alien autopsy video

1307

00:44:04,950 --> 00:44:01,760

so he believed that the film was genuine

1308

00:44:07,750 --> 00:44:04,960

now this has been buzzing lately because

1309

00:44:09,430 --> 00:44:07,760

allegedly and i say allegedly because i

1310

00:44:10,550 --> 00:44:09,440

haven't seen confirmation of this they

1311

00:44:13,430 --> 00:44:10,560

just know it's been

1312

00:44:14,309 --> 00:44:13,440

been talked about so i can't verify it

1313

00:44:16,790 --> 00:44:14,319

but allegedly

1314

00:44:18,390 --> 00:44:16,800
green now believes that he was being

1315

00:44:21,349 --> 00:44:18,400
played by the pentagon

1316

00:44:22,069 --> 00:44:21,359
being fed disinformation so i think that

1317

00:44:25,510 --> 00:44:22,079
opinion has

1318

00:44:25,990 --> 00:44:25,520
changed so that's the word around the

1319

00:44:27,750 --> 00:44:26,000
block

1320

00:44:29,750 --> 00:44:27,760
but uh yeah that's that's why this all

1321

00:44:32,150 --> 00:44:29,760
came in came into discussion talking

1322

00:44:35,349 --> 00:44:32,160
about this crappy alien autopsy film

1323

00:44:38,309 --> 00:44:35,359
because of the eric davis memos so yeah

1324

00:44:39,430 --> 00:44:38,319
yeah and you know ryan ryan none of this

1325

00:44:41,990 --> 00:44:39,440
matters because

1326
00:44:43,510 --> 00:44:42,000
it's so ridiculous again because the

1327
00:44:45,750 --> 00:44:43,520
alien autopsy film to me

1328
00:44:46,550 --> 00:44:45,760
is very much like billy meyer photos

1329
00:44:48,630 --> 00:44:46,560
right because

1330
00:44:50,630 --> 00:44:48,640
billy admitted that his photos weren't

1331
00:44:52,950 --> 00:44:50,640
real because the men in black

1332
00:44:54,150 --> 00:44:52,960
switched out his film with with fake

1333
00:44:56,069 --> 00:44:54,160
reproductions

1334
00:44:57,349 --> 00:44:56,079
but with the alien autopsy film ray

1335
00:45:00,390 --> 00:44:57,359
santilli

1336
00:45:03,030 --> 00:45:00,400
he did essentially admit in 2006

1337
00:45:05,190 --> 00:45:03,040
that the film isn't real that he he

1338
00:45:08,390 --> 00:45:05,200

claims the the real film was

1339

00:45:11,510 --> 00:45:08,400

so badly damaged that it was unusable

1340

00:45:15,030 --> 00:45:11,520

so they shot this recreation

1341

00:45:18,470 --> 00:45:15,040

of what was allegedly on the film so

1342

00:45:20,550 --> 00:45:18,480

saying what you see is fake we recreated

1343

00:45:23,430 --> 00:45:20,560

what was real but that is fake

1344

00:45:25,190 --> 00:45:23,440

so yes the alien autopsy film is fake

1345

00:45:25,990 --> 00:45:25,200

but you know what i'm i'm super excited

1346

00:45:27,750 --> 00:45:26,000

because and

1347

00:45:29,190 --> 00:45:27,760

this has been a long time in the making

1348

00:45:31,910 --> 00:45:29,200

but spiros is

1349

00:45:32,630 --> 00:45:31,920

is still working on his tell-all book

1350

00:45:35,829 --> 00:45:32,640

he's gonna

1351

00:45:37,109 --> 00:45:35,839

get a reveal everything you know down to

1352

00:45:38,790 --> 00:45:37,119

the back story that you were talking

1353

00:45:41,109 --> 00:45:38,800

about how they came up with

1354

00:45:42,150 --> 00:45:41,119

you know the back story for this this uh

1355

00:45:45,030 --> 00:45:42,160

et

1356

00:45:45,750 --> 00:45:45,040

um and every step of the process of of

1357

00:45:47,910 --> 00:45:45,760

how they did

1358

00:45:49,030 --> 00:45:47,920

everything and how they they fooled

1359

00:45:50,309 --> 00:45:49,040

everybody so

1360

00:45:52,550 --> 00:45:50,319

i mean that's a book i'm definitely

1361

00:45:53,829 --> 00:45:52,560

going to read absolutely i think it

1362

00:45:57,910 --> 00:45:53,839

actually released

1363

00:46:00,230 --> 00:45:57,920

releases this week if i'm not mistaken

1364

00:46:02,069 --> 00:46:00,240

yeah spears is on he's on facebook so

1365

00:46:03,910 --> 00:46:02,079

you can reach out to this guy

1366

00:46:05,430 --> 00:46:03,920

um i highly suggest people do it he

1367

00:46:08,550 --> 00:46:05,440

seems like a cool dude

1368

00:46:10,150 --> 00:46:08,560

and hey he created one of the biggest

1369

00:46:12,470 --> 00:46:10,160

hoaxes of all time

1370

00:46:13,270 --> 00:46:12,480

and uh you know if that doesn't give him

1371

00:46:16,230 --> 00:46:13,280

some uh

1372

00:46:17,990 --> 00:46:16,240

some clout in the uh the magician's

1373

00:46:19,910 --> 00:46:18,000

alliance or what have you

1374

00:46:21,670 --> 00:46:19,920

then i don't know what will let's be

1375

00:46:22,550 --> 00:46:21,680

honest he's probably outdone every

1376

00:46:25,589 --> 00:46:22,560

magician he's

1377

00:46:28,870 --> 00:46:25,599

ever worked with the best

1378

00:46:29,670 --> 00:46:28,880

best magic trick ever yep yep is to fool

1379

00:46:32,790 --> 00:46:29,680

the public

1380

00:46:35,430 --> 00:46:32,800

and to keep the ufo community hungry

1381

00:46:36,790 --> 00:46:35,440

for that truth they want so bad but um

1382

00:46:38,790 --> 00:46:36,800

jason this has been

1383

00:46:40,710 --> 00:46:38,800

awesome brother i'm glad uh you know

1384

00:46:42,390 --> 00:46:40,720

despite our technical glitches

1385

00:46:43,990 --> 00:46:42,400

uh we're gonna clean this up it will be

1386

00:46:45,349 --> 00:46:44,000

available as the audio version of

1387

00:46:48,230 --> 00:46:45,359

somewhere in the skies

1388

00:46:48,790 --> 00:46:48,240

very soon but um it's always a pleasure

1389

00:46:50,950 --> 00:46:48,800

my man

1390

00:46:52,710 --> 00:46:50,960

to chat with you i'm happy we finally

1391

00:46:54,710 --> 00:46:52,720

got to hear each other's stories

1392

00:46:56,150 --> 00:46:54,720

about uh how we first saw the alien

1393

00:46:58,870 --> 00:46:56,160

autopsy but

1394

00:47:00,390 --> 00:46:58,880

yeah before we go what are you up to

1395

00:47:02,390 --> 00:47:00,400

what can we expect over at

1396

00:47:04,150 --> 00:47:02,400

unknown in everything you're doing at

1397

00:47:05,349 --> 00:47:04,160

rogue planet

1398

00:47:07,349 --> 00:47:05,359

well you know now after this

1399

00:47:10,470 --> 00:47:07,359

conversation i want to do an episode

1400

00:47:12,470 --> 00:47:10,480

about the alien autopsy because

1401
00:47:13,670 --> 00:47:12,480
thinking back to to my days at open

1402
00:47:16,390 --> 00:47:13,680
minds i've got uh

1403
00:47:17,829 --> 00:47:16,400
got some other tie-ins there because you

1404
00:47:19,430 --> 00:47:17,839
know we had some pretty good

1405
00:47:21,510 --> 00:47:19,440
connections to some people who were

1406
00:47:24,150 --> 00:47:21,520
involved with that film and uh

1407
00:47:25,430 --> 00:47:24,160
you know including one of my former

1408
00:47:28,230 --> 00:47:25,440
co-workers

1409
00:47:29,190 --> 00:47:28,240
actually saw the first version of the

1410
00:47:32,069 --> 00:47:29,200
video

1411
00:47:34,069 --> 00:47:32,079
really one yeah so i might have to get

1412
00:47:36,790 --> 00:47:34,079
into that more on an episode of unknown

1413
00:47:37,270 --> 00:47:36,800

so you're giving me an idea there but

1414

00:47:38,870 --> 00:47:37,280

yeah

1415

00:47:40,309 --> 00:47:38,880

the the biggest thing i'm working on now

1416

00:47:42,950 --> 00:47:40,319

i'm working on my next book

1417

00:47:43,750 --> 00:47:42,960

i'm not ready to to shed details on that

1418

00:47:46,150 --> 00:47:43,760

yet

1419

00:47:47,109 --> 00:47:46,160

but uh another book is in the works uh

1420

00:47:48,630 --> 00:47:47,119

making progress

1421

00:47:51,589 --> 00:47:48,640

slowly on that but certainly more

1422

00:47:53,589 --> 00:47:51,599

progress than i have for a long time so

1423

00:47:54,950 --> 00:47:53,599

another book it's hopefully coming by

1424

00:47:57,430 --> 00:47:54,960

the end of the year

1425

00:47:59,349 --> 00:47:57,440

i know that feeling well my man um well

1426

00:48:01,430 --> 00:47:59,359

before we go i do have a really good

1427

00:48:02,069 --> 00:48:01,440

question here from rodrigo he asks jason

1428

00:48:04,390 --> 00:48:02,079

ryan

1429

00:48:06,150 --> 00:48:04,400

do you want disclosure or do you enjoy

1430

00:48:07,910 --> 00:48:06,160

the ufo mystery as

1431

00:48:10,390 --> 00:48:07,920

it is this is a question we get a lot

1432

00:48:11,990 --> 00:48:10,400

like do we actually as ufo researchers

1433

00:48:13,910 --> 00:48:12,000

want that truth we've been seeking all

1434

00:48:15,190 --> 00:48:13,920

along um or is it the journey that

1435

00:48:18,870 --> 00:48:15,200

matters so yeah jason

1436

00:48:22,390 --> 00:48:21,030

i think this is a great question and i

1437

00:48:23,109 --> 00:48:22,400

think it's one that can't really be

1438

00:48:25,270 --> 00:48:23,119

answered

1439

00:48:27,510 --> 00:48:25,280

because disclosure is such a complex

1440

00:48:30,309 --> 00:48:27,520

thing and a confusing one at that

1441

00:48:31,510 --> 00:48:30,319

because in my opinion there isn't a

1442

00:48:34,069 --> 00:48:31,520

single answer

1443

00:48:35,270 --> 00:48:34,079

right and i don't think anybody has a

1444

00:48:38,470 --> 00:48:35,280

single answer

1445

00:48:41,349 --> 00:48:38,480

or multiple answers

1446

00:48:42,150 --> 00:48:41,359

that would definitively end you know

1447

00:48:44,630 --> 00:48:42,160

what

1448

00:48:45,349 --> 00:48:44,640

are our quests our individual quests i

1449

00:48:47,109 --> 00:48:45,359

think

1450

00:48:49,430 --> 00:48:47,119

if the government does make some

1451
00:48:52,069 --> 00:48:49,440
announcement and reveal some information

1452
00:48:54,150 --> 00:48:52,079
about something they might know or about

1453
00:48:55,510 --> 00:48:54,160
even about a a specific race of

1454
00:48:58,710 --> 00:48:55,520
extraterrestrials

1455
00:49:00,150 --> 00:48:58,720
um a certain civilization that that

1456
00:49:02,309 --> 00:49:00,160
doesn't end everything

1457
00:49:04,630 --> 00:49:02,319
you know and in fact that might just

1458
00:49:09,190 --> 00:49:06,790
signal a start of a brand new quest for

1459
00:49:11,670 --> 00:49:09,200
us um and fuel the fire

1460
00:49:13,270 --> 00:49:11,680
because you know we know the the

1461
00:49:15,589 --> 00:49:13,280
universe is infinite and i believe that

1462
00:49:19,109 --> 00:49:15,599
life in the universe is also infinite

1463
00:49:20,790 --> 00:49:19,119

so uh just because we have one person or

1464

00:49:22,790 --> 00:49:20,800

one group giving us

1465

00:49:24,150 --> 00:49:22,800

one answer that doesn't answer

1466

00:49:26,069 --> 00:49:24,160

everything in the universe

1467

00:49:27,349 --> 00:49:26,079

and it's that uh that quest for the

1468

00:49:28,150 --> 00:49:27,359

unknowns in the universe that keeps us

1469

00:49:30,790 --> 00:49:28,160

going

1470

00:49:32,390 --> 00:49:30,800

absolutely i couldn't agree more i think

1471

00:49:34,630 --> 00:49:32,400

the the journey is

1472

00:49:35,670 --> 00:49:34,640

way more rewarding than the destination

1473

00:49:36,950 --> 00:49:35,680

because we're never

1474

00:49:39,109 --> 00:49:36,960

i don't think we're ever gonna solve the

1475

00:49:40,950 --> 00:49:39,119

ufo mystery um there's probably a

1476

00:49:42,870 --> 00:49:40,960

million different answers to it

1477

00:49:45,510 --> 00:49:42,880

and it's probably far weirder and

1478

00:49:48,150 --> 00:49:45,520

stranger than we ever could imagine

1479

00:49:49,349 --> 00:49:48,160

but hey look we're uh we're living in an

1480

00:49:51,910 --> 00:49:49,359

age where we're

1481

00:49:52,549 --> 00:49:51,920

getting acknowledgement by our

1482

00:49:53,829 --> 00:49:52,559

governments

1483

00:49:56,470 --> 00:49:53,839

and that's more than we've had in a

1484

00:49:58,870 --> 00:49:56,480

really long time they've denied it for

1485

00:50:02,630 --> 00:49:58,880

so long so i think it's important to

1486

00:50:05,510 --> 00:50:02,640

to find those baby steps and those

1487

00:50:05,910 --> 00:50:05,520

small accomplishments and move forward

1488

00:50:08,870 --> 00:50:05,920

with it

1489

00:50:09,430 --> 00:50:08,880

the mystery keeps jason and i both going

1490

00:50:11,349 --> 00:50:09,440

um

1491

00:50:13,190 --> 00:50:11,359

the mystery of the internet has been

1492

00:50:14,870 --> 00:50:13,200

with us all day today but uh
