

SOMEWHERE IN THE SKIES

WITNESS ACCOUNTS

VOLUME THIRTEEN

1
00:00:05,910 --> 00:00:02,950

[Music]

2
00:00:08,230 --> 00:00:05,920
ufos seem to be invading both our skies

3
00:00:10,390 --> 00:00:08,240
and our news outlets like never before

4
00:00:11,749 --> 00:00:10,400
and more people are starting to look up

5
00:00:15,110 --> 00:00:11,759
and are wondering who

6
00:00:16,950 --> 00:00:15,120
or what might be out there in 2016

7
00:00:19,109 --> 00:00:16,960
ryan sprague introduced the world to

8
00:00:20,710 --> 00:00:19,119
countless ufo encounters that had never

9
00:00:22,870 --> 00:00:20,720
been made public before

10
00:00:24,870 --> 00:00:22,880
and now in the second edition of his

11
00:00:27,670 --> 00:00:24,880
book he revisits these events and

12
00:00:29,990 --> 00:00:27,680
introduces brand new ufo cases

13
00:00:32,229 --> 00:00:30,000

in somewhere in the skies a human

14

00:00:34,310 --> 00:00:32,239

approach to the ufo phenomenon

15

00:00:35,590 --> 00:00:34,320

how have these events changed the lives

16

00:00:37,030 --> 00:00:35,600

of those involved

17

00:00:39,750 --> 00:00:37,040

and what might it tell us about the

18

00:00:41,670 --> 00:00:39,760

phenomenon with in-depth follow-ups

19

00:00:43,590 --> 00:00:41,680

brand new chapters and detailed

20

00:00:44,069 --> 00:00:43,600

testimony from credible witnesses and

21

00:00:46,229 --> 00:00:44,079

insight

22

00:00:47,910 --> 00:00:46,239

from those in the psychological academic

23

00:00:50,389 --> 00:00:47,920

and scientific fields

24

00:00:52,069 --> 00:00:50,399

somewhere in the skies a human approach

25

00:00:54,549 --> 00:00:52,079

to the ufo phenomenon

26
00:00:56,229 --> 00:00:54,559
weaves together a story of stories

27
00:00:56,869 --> 00:00:56,239
attempting to get to the heart of these

28
00:00:59,670 --> 00:00:56,879
mysteries

29
00:01:00,389 --> 00:00:59,680
one experience at a time available now

30
00:01:02,790 --> 00:01:00,399
on amazon

31
00:01:13,490 --> 00:01:02,800
in both paperback and ebook to learn

32
00:01:18,710 --> 00:01:13,500
more visit somerewhereintheskies.com

33
00:01:18,720 --> 00:01:24,830
this is somewhere in the skies with ryan

34
00:01:48,230 --> 00:01:26,070
spread

35
00:01:54,950 --> 00:01:52,069
hey ryan it's allie from jersey

36
00:01:56,310 --> 00:01:54,960
um messaged you a couple days ago i

37
00:02:00,069 --> 00:01:56,320
think i'm ready to share

38
00:02:04,389 --> 00:02:00,079

my encounter so this happened

39

00:02:08,550 --> 00:02:04,399

maybe about eight nine years ago

40

00:02:11,750 --> 00:02:08,560

um so i had a friend over who was

41

00:02:13,830 --> 00:02:11,760

a ex-co-worker and

42

00:02:15,430 --> 00:02:13,840

um he was really close with my aunt my

43

00:02:17,510 --> 00:02:15,440

aunt lives literally like

44

00:02:18,869 --> 00:02:17,520

two streets down from me so when he

45

00:02:21,510 --> 00:02:18,879

stopped by to visit

46

00:02:22,790 --> 00:02:21,520

i you know asked him like hey you want

47

00:02:25,190 --> 00:02:22,800

to go visit my aunt

48

00:02:27,110 --> 00:02:25,200

say what's up he was down for it so we

49

00:02:30,390 --> 00:02:27,120

walked down the street

50

00:02:33,270 --> 00:02:30,400

to my aunt's house it was probably like

51
00:02:35,110 --> 00:02:33,280
spring fallish um in the evening because

52
00:02:38,309 --> 00:02:35,120
this guy kind of had that pretty

53
00:02:40,150 --> 00:02:38,319
cotton candy pinky purpley bluish kind

54
00:02:41,509 --> 00:02:40,160
of look like the sun was kind of setting

55
00:02:44,229 --> 00:02:41,519
a little bit

56
00:02:45,589 --> 00:02:44,239
so for whatever reason we were standing

57
00:02:47,830 --> 00:02:45,599
in the middle of the street talking

58
00:02:49,190 --> 00:02:47,840
instead of like in my aunt's yard or on

59
00:02:51,110 --> 00:02:49,200
the sidewalk

60
00:02:53,190 --> 00:02:51,120
um so anyway we're standing in the

61
00:02:54,630 --> 00:02:53,200
middle of the street and

62
00:02:56,790 --> 00:02:54,640
towards the end of our conversation

63
00:02:59,830 --> 00:02:56,800

we're getting ready to say our goodbyes

64

00:03:03,110 --> 00:02:59,840

and we all just happen to

65

00:03:03,990 --> 00:03:03,120

look up and to the left of where we were

66

00:03:07,430 --> 00:03:04,000

standing

67

00:03:10,949 --> 00:03:07,440

and there were these three like

68

00:03:11,990 --> 00:03:10,959

white circular glowing spheres they

69

00:03:13,910 --> 00:03:12,000

almost looked like

70

00:03:15,030 --> 00:03:13,920

when the moon is full how it has that

71

00:03:17,270 --> 00:03:15,040

glow

72

00:03:18,229 --> 00:03:17,280

there was three of them in a triangular

73

00:03:20,390 --> 00:03:18,239

shape

74

00:03:22,070 --> 00:03:20,400

just kind of off in the distance and at

75

00:03:24,070 --> 00:03:22,080

first we were kind of like

76

00:03:25,910 --> 00:03:24,080

the hell is that like it was just it

77

00:03:27,750 --> 00:03:25,920

just looked weird

78

00:03:30,070 --> 00:03:27,760

and they were bright enough to wear up

79

00:03:32,869 --> 00:03:30,080

against the sky they stood out like

80

00:03:34,309 --> 00:03:32,879

this stood out pretty well so we're just

81

00:03:35,670 --> 00:03:34,319

standing there for a while trying to

82

00:03:37,509 --> 00:03:35,680

figure out what it is they weren't

83

00:03:40,070 --> 00:03:37,519

moving or anything

84

00:03:41,350 --> 00:03:40,080

and my first thought was like oh weather

85

00:03:43,910 --> 00:03:41,360

balloons

86

00:03:46,229 --> 00:03:43,920

but they just didn't something was just

87

00:03:47,350 --> 00:03:46,239

off they just didn't look like weather

88

00:03:49,589 --> 00:03:47,360

balloons

89

00:03:52,229 --> 00:03:49,599

so as we're standing there trying to

90

00:03:54,470 --> 00:03:52,239

figure out what it was

91

00:03:56,229 --> 00:03:54,480

one of them it was almost like they had

92

00:03:57,830 --> 00:03:56,239

a string

93

00:03:59,429 --> 00:03:57,840

hanging from the bottom and they were

94

00:04:00,070 --> 00:03:59,439

like tethered to the ground because they

95

00:04:02,470 --> 00:04:00,080

were just like

96

00:04:03,670 --> 00:04:02,480

kind of just stuck like just stuck in

97

00:04:06,309 --> 00:04:03,680

place

98

00:04:08,710 --> 00:04:06,319

and one by one it was like someone just

99

00:04:11,910 --> 00:04:08,720

cut the string and they just started to

100

00:04:13,030 --> 00:04:11,920

release into the air and we're kind of

101

00:04:15,509 --> 00:04:13,040

just standing there like

102

00:04:17,830 --> 00:04:15,519

the hell is that and as they're like

103

00:04:19,430 --> 00:04:17,840

floating up into the sky like they're

104

00:04:21,509 --> 00:04:19,440

they were staying like same distance

105

00:04:22,230 --> 00:04:21,519

apart like they weren't like bobbing or

106

00:04:25,350 --> 00:04:22,240

anything they

107

00:04:26,550 --> 00:04:25,360

just shot straight up but slow enough to

108

00:04:29,350 --> 00:04:26,560

where we were like

109

00:04:29,830 --> 00:04:29,360

the hell is going on and as they were

110

00:04:33,350 --> 00:04:29,840

going

111

00:04:33,990 --> 00:04:33,360

up into the sky we kind of looked

112

00:04:37,030 --> 00:04:34,000

further

113

00:04:38,710 --> 00:04:37,040

back into the sky and we noticed there

114

00:04:41,189 --> 00:04:38,720

were probably like

115

00:04:43,430 --> 00:04:41,199

20 more of these spheres that we just

116

00:04:45,270 --> 00:04:43,440

didn't notice the first time

117

00:04:47,350 --> 00:04:45,280

because the three like you kind of

118

00:04:49,830 --> 00:04:47,360

couldn't tell how far they were because

119

00:04:51,990 --> 00:04:49,840

first glance they look kind of close

120

00:04:53,909 --> 00:04:52,000

but as we were kind of focusing in on

121

00:04:56,550 --> 00:04:53,919

them they were like

122

00:04:58,629 --> 00:04:56,560

they were kind of far out there so when

123

00:05:00,390 --> 00:04:58,639

we seen all these other spheres that

124

00:05:02,310 --> 00:05:00,400

were like glowing like all these little

125

00:05:03,990 --> 00:05:02,320

moons just kind of

126
00:05:05,350 --> 00:05:04,000
shooting up into the sky like i'm

127
00:05:06,710 --> 00:05:05,360
getting goosebumps now just thinking

128
00:05:09,029 --> 00:05:06,720
about it

129
00:05:09,990 --> 00:05:09,039
but there were like 20 other ones and

130
00:05:11,990 --> 00:05:10,000
they all just like

131
00:05:13,590 --> 00:05:12,000
when the first three kind of released

132
00:05:16,150 --> 00:05:13,600
and started to shoot up

133
00:05:18,550 --> 00:05:16,160
the other ones just followed after it

134
00:05:21,749 --> 00:05:18,560
and we were just kind of stuck

135
00:05:22,070 --> 00:05:21,759
um i don't remember there being any kind

136
00:05:25,909 --> 00:05:22,080
of

137
00:05:27,990 --> 00:05:25,919
busy road so you can

138
00:05:29,110 --> 00:05:28,000

typically hear cars and horns and all of

139

00:05:31,270 --> 00:05:29,120

that but

140

00:05:32,150 --> 00:05:31,280

we didn't hear anything we just heard

141

00:05:34,150 --> 00:05:32,160

each other

142

00:05:36,150 --> 00:05:34,160

and it was like just dead silence all

143

00:05:36,550 --> 00:05:36,160

around us and we were just standing

144

00:05:39,430 --> 00:05:36,560

there

145

00:05:40,870 --> 00:05:39,440

looking at these globes these glowing

146

00:05:43,270 --> 00:05:40,880

globes just

147

00:05:44,070 --> 00:05:43,280

shoot up into the sky and it was the

148

00:05:48,950 --> 00:05:44,080

weirdest

149

00:05:53,110 --> 00:05:51,749

kind of feeling i don't know it was just

150

00:05:55,510 --> 00:05:53,120

it was just bizarre

151
00:05:58,150 --> 00:05:55,520
so from listening to your podcast and

152
00:06:00,070 --> 00:05:58,160
listening to other encounters or

153
00:06:01,670 --> 00:06:00,080
stories that you've told or people that

154
00:06:05,189 --> 00:06:01,680
you've had on your podcast

155
00:06:07,510 --> 00:06:05,199
i truly think it was something

156
00:06:08,390 --> 00:06:07,520
from another world and it was like those

157
00:06:11,830 --> 00:06:08,400
three

158
00:06:13,189 --> 00:06:11,840
felt like they were kind of just there

159
00:06:15,510 --> 00:06:13,199
watching us

160
00:06:17,430 --> 00:06:15,520
just like peeping the scenery and then

161
00:06:19,430 --> 00:06:17,440
when we kind of looked up and noticed

162
00:06:21,189 --> 00:06:19,440
them and tried to like

163
00:06:22,790 --> 00:06:21,199

piece together what they were they were

164

00:06:25,029 --> 00:06:22,800

like oh gotta go

165

00:06:26,070 --> 00:06:25,039

and just kind of released up into the

166

00:06:28,790 --> 00:06:26,080

sky

167

00:06:30,230 --> 00:06:28,800

um if it wasn't for all of those other

168

00:06:32,070 --> 00:06:30,240

ones and there were so

169

00:06:33,670 --> 00:06:32,080

many if it wasn't for all of those other

170

00:06:34,790 --> 00:06:33,680

ones i probably just would have chalked

171

00:06:37,350 --> 00:06:34,800

it up to

172

00:06:39,189 --> 00:06:37,360

some weird in jersey like who knows

173

00:06:43,110 --> 00:06:39,199

but because there were so

174

00:06:44,790 --> 00:06:43,120

many other ones we kind of just stood

175

00:06:47,189 --> 00:06:44,800

there and was like

176

00:06:48,950 --> 00:06:47,199

what the and just gave each other

177

00:06:49,749 --> 00:06:48,960

that awkward stare i was like you know

178

00:06:51,909 --> 00:06:49,759

what

179

00:06:53,990 --> 00:06:51,919

i think it's time to go and we just kind

180

00:06:55,830 --> 00:06:54,000

of my aunt went back to her house

181

00:06:57,589 --> 00:06:55,840

me and my friend walked up the street he

182

00:07:01,270 --> 00:06:57,599

jumped in his car and left

183

00:07:03,270 --> 00:07:01,280

and we just never spoke about it since

184

00:07:04,710 --> 00:07:03,280

but from listening to your wonderful

185

00:07:07,510 --> 00:07:04,720

podcast

186

00:07:09,189 --> 00:07:07,520

it's kind of brought that moment back up

187

00:07:09,670 --> 00:07:09,199

and i've really really been thinking

188

00:07:13,110 --> 00:07:09,680

about

189

00:07:14,309 --> 00:07:13,120

what it could possibly be so i'm not

190

00:07:16,710 --> 00:07:14,319

sure what it was

191

00:07:18,309 --> 00:07:16,720

it feels like and seems like something

192

00:07:21,270 --> 00:07:18,319

unworldly

193

00:07:21,749 --> 00:07:21,280

um i would love to hear what you think

194

00:07:25,350 --> 00:07:21,759

so

195

00:07:30,870 --> 00:07:25,360

yeah thank you for the podcast i love it

196

00:07:33,670 --> 00:07:30,880

and you're doing a great job keep it up

197

00:07:34,870 --> 00:07:33,680

hi my name is troy peaslee i'm 43 years

198

00:07:37,749 --> 00:07:34,880

old

199

00:07:38,390 --> 00:07:37,759

i'm a security officer and i work in

200

00:07:40,710 --> 00:07:38,400

toowoomba

201
00:07:42,629 --> 00:07:40,720
queensland australia i'd like to share

202
00:07:45,990 --> 00:07:42,639
with you guys a story

203
00:07:49,670 --> 00:07:46,000
that happened to me a very long time ago

204
00:07:52,390 --> 00:07:49,680
i was uh 12 years old

205
00:07:53,670 --> 00:07:52,400
so i guess i'll start from the beginning

206
00:07:57,510 --> 00:07:53,680
when i was younger

207
00:08:00,950 --> 00:07:57,520
my mother would take myself and my

208
00:08:02,309 --> 00:08:00,960
little brother on holidays to see my

209
00:08:04,790 --> 00:08:02,319
cousins

210
00:08:06,950 --> 00:08:04,800
and they lived in redcliffe now

211
00:08:09,990 --> 00:08:06,960
redcliffe is

212
00:08:13,270 --> 00:08:10,000
north of brisbane and

213
00:08:15,510 --> 00:08:13,280

we'd go there whenever we

214

00:08:16,950 --> 00:08:15,520

had the chance usually beyond like

215

00:08:19,589 --> 00:08:16,960

school holidays

216

00:08:20,550 --> 00:08:19,599

and uh there's a whole heap of um

217

00:08:24,390 --> 00:08:20,560

cousins

218

00:08:25,110 --> 00:08:24,400

around red cliff this pacific time we're

219

00:08:28,869 --> 00:08:25,120

up

220

00:08:31,990 --> 00:08:28,879

seeing my cousins in redcliffe and um

221

00:08:34,709 --> 00:08:32,000

i know about you guys but every time

222

00:08:35,430 --> 00:08:34,719

i got with my cousins we would run amok

223

00:08:39,589 --> 00:08:35,440

as

224

00:08:41,589 --> 00:08:39,599

kids do we are very active kids

225

00:08:42,790 --> 00:08:41,599

i know that's just a nice way of saying

226

00:08:44,870 --> 00:08:42,800

that we were a

227

00:08:47,190 --> 00:08:44,880

little delinquent but i don't think we

228

00:08:50,550 --> 00:08:47,200

were anyway this one particular

229

00:08:53,590 --> 00:08:50,560

night my mother

230

00:08:53,990 --> 00:08:53,600

was um you know she'd get together with

231

00:08:57,430 --> 00:08:54,000

all my

232

00:08:58,150 --> 00:08:57,440

aunties and they would uh play cards and

233

00:09:01,269 --> 00:08:58,160

what not

234

00:09:01,990 --> 00:09:01,279

have a few drinks while all of us kids

235

00:09:06,550 --> 00:09:02,000

would

236

00:09:08,630 --> 00:09:06,560

basically run amok now i think it was

237

00:09:10,070 --> 00:09:08,640

around 10 o'clock at night it may have

238

00:09:12,470 --> 00:09:10,080

been my idea i'm not sure

239

00:09:13,350 --> 00:09:12,480

my cousins were a couple of years

240

00:09:15,750 --> 00:09:13,360

younger than me so

241

00:09:17,030 --> 00:09:15,760

it probably was my idea but i wanted to

242

00:09:20,070 --> 00:09:17,040

go exploring

243

00:09:24,070 --> 00:09:20,080

now redcliffe where they lived

244

00:09:26,470 --> 00:09:24,080

was right probably a five or

245

00:09:27,670 --> 00:09:26,480

five to seven minute walk to the red

246

00:09:31,030 --> 00:09:27,680

cliff beach

247

00:09:34,630 --> 00:09:31,040

which is where we spent most of our time

248

00:09:37,350 --> 00:09:34,640

when when we were visiting my cousins

249

00:09:39,110 --> 00:09:37,360

so it was about 10 o'clock at night my

250

00:09:41,350 --> 00:09:39,120

aunties and mum were busy

251
00:09:42,230 --> 00:09:41,360
so i thought okay let's go for a little

252
00:09:44,389 --> 00:09:42,240
wander

253
00:09:45,910 --> 00:09:44,399
and we you know we were pretty

254
00:09:49,750 --> 00:09:45,920
mischievous

255
00:09:53,110 --> 00:09:49,760
and uh you know we were causing habit

256
00:09:56,790 --> 00:09:53,120
we're throwing stones and just being

257
00:09:59,430 --> 00:09:56,800
little rascals um so yeah

258
00:10:01,590 --> 00:09:59,440
but we finally got to the beach and uh

259
00:10:02,790 --> 00:10:01,600
anyone who knows red cliff beach it's a

260
00:10:06,150 --> 00:10:02,800
beautiful

261
00:10:08,870 --> 00:10:06,160
stretch of uh beach it was 10 o'clock at

262
00:10:12,790 --> 00:10:08,880
night it was clear weather

263
00:10:14,949 --> 00:10:12,800

it was a beautiful spring

264

00:10:17,350 --> 00:10:14,959

spring weather i guess it would have

265

00:10:19,590 --> 00:10:17,360

been about 27 degrees i

266

00:10:21,509 --> 00:10:19,600

don't hold me to that but it was a warm

267

00:10:23,829 --> 00:10:21,519

night i remember that

268

00:10:24,550 --> 00:10:23,839

and as we were walking uh one of my

269

00:10:27,350 --> 00:10:24,560

cousins

270

00:10:28,870 --> 00:10:27,360

there was about four of us all up on

271

00:10:32,150 --> 00:10:28,880

this particular night

272

00:10:35,110 --> 00:10:32,160

and my cousin sean looked up

273

00:10:36,230 --> 00:10:35,120

and he said oh look a shooting star and

274

00:10:39,509 --> 00:10:36,240

you know

275

00:10:41,110 --> 00:10:39,519

we'd seen hundreds of shooting stars but

276

00:10:43,269 --> 00:10:41,120

anyway we all looked up

277

00:10:44,470 --> 00:10:43,279

and as we're watching the shooting start

278

00:10:47,110 --> 00:10:44,480

now it come

279

00:10:48,790 --> 00:10:47,120

down just like a shooting star would and

280

00:10:50,870 --> 00:10:48,800

so we were watching it but

281

00:10:52,069 --> 00:10:50,880

all of a sudden this what we thought at

282

00:10:55,030 --> 00:10:52,079

the time was shooting star

283

00:10:55,829 --> 00:10:55,040

it changed direction and it come towards

284

00:10:58,870 --> 00:10:55,839

us

285

00:11:02,069 --> 00:10:58,880

and it started to slow down and

286

00:11:05,750 --> 00:11:02,079

it looked like a

287

00:11:07,750 --> 00:11:05,760

like a yellow yellow object

288

00:11:09,110 --> 00:11:07,760

but i know this doesn't sort of make

289

00:11:11,350 --> 00:11:09,120

sense but it

290

00:11:13,910 --> 00:11:11,360

you could tell that it was like a

291

00:11:15,350 --> 00:11:13,920

metallic object i know that sounds

292

00:11:18,069 --> 00:11:15,360

whatever but

293

00:11:18,550 --> 00:11:18,079

i just remember it you could tell that

294

00:11:22,630 --> 00:11:18,560

it was

295

00:11:26,230 --> 00:11:22,640

very bright

296

00:11:29,509 --> 00:11:26,240

it uh was mostly like a yellowish color

297

00:11:32,949 --> 00:11:29,519

or even a goldish color it was um

298

00:11:36,389 --> 00:11:32,959

sort of like a like a ball like a

299

00:11:38,870 --> 00:11:36,399

like a bright bullish color a ball

300

00:11:39,509 --> 00:11:38,880

object with a with goldish yellow color

301
00:11:41,350 --> 00:11:39,519
to it

302
00:11:42,790 --> 00:11:41,360
now as it started slightly it actually

303
00:11:45,829 --> 00:11:42,800
stopped

304
00:11:47,670 --> 00:11:45,839
and it started to rotate in a circular

305
00:11:48,870 --> 00:11:47,680
motion like it started to go around in

306
00:11:53,269 --> 00:11:48,880
circles

307
00:11:56,150 --> 00:11:53,279
okay and then it stopped again

308
00:11:57,509 --> 00:11:56,160
and it went on the only way i can

309
00:12:00,550 --> 00:11:57,519
describe it is it when

310
00:12:03,670 --> 00:12:00,560
on its side it shifted

311
00:12:05,350 --> 00:12:03,680
its axis if that makes sense it it went

312
00:12:08,949 --> 00:12:05,360
on a side

313
00:12:12,389 --> 00:12:08,959

and then in a blink of an eye it shot up

314

00:12:12,949 --> 00:12:12,399

on an angle but the fastest thing you

315

00:12:14,790 --> 00:12:12,959

could imagine

316

00:12:16,230 --> 00:12:14,800

like turning off the light switch it was

317

00:12:19,910 --> 00:12:16,240

that quick

318

00:12:21,829 --> 00:12:19,920

and it was gone and it did leave like a

319

00:12:22,949 --> 00:12:21,839

i don't know whether it was because of

320

00:12:25,990 --> 00:12:22,959

the speed

321

00:12:28,310 --> 00:12:26,000

or whether it was an actual um

322

00:12:29,829 --> 00:12:28,320

some type of fuel or whether it was that

323

00:12:33,430 --> 00:12:29,839

quick that it left like a

324

00:12:36,230 --> 00:12:33,440

like a reflection or a light behind it

325

00:12:37,430 --> 00:12:36,240

but um thinking back now and talking to

326

00:12:40,870 --> 00:12:37,440

my cousin like we're

327

00:12:44,310 --> 00:12:40,880

in our 40s and our story

328

00:12:45,910 --> 00:12:44,320

has never changed and i remember that

329

00:12:49,269 --> 00:12:45,920

night we were that excited

330

00:12:52,710 --> 00:12:49,279

like we were excited but

331

00:12:53,430 --> 00:12:52,720

a little uh i don't know i wouldn't call

332

00:12:56,470 --> 00:12:53,440

it scared

333

00:12:58,870 --> 00:12:56,480

but but um weirded out

334

00:12:59,590 --> 00:12:58,880

i guess would be a something i would

335

00:13:01,750 --> 00:12:59,600

describe

336

00:13:02,870 --> 00:13:01,760

like we were weirded out like you know

337

00:13:05,350 --> 00:13:02,880

what the hell was that

338

00:13:06,629 --> 00:13:05,360

sort of a thing but we were that excited

339

00:13:08,790 --> 00:13:06,639

and

340

00:13:09,829 --> 00:13:08,800

i don't know a weirded out that we ran

341

00:13:12,790 --> 00:13:09,839

home

342

00:13:13,750 --> 00:13:12,800

to tell our parents and we burst through

343

00:13:16,870 --> 00:13:13,760

the door

344

00:13:20,150 --> 00:13:16,880

and we didn't even think that

345

00:13:20,710 --> 00:13:20,160

hey we snuck out so so we burst through

346

00:13:23,750 --> 00:13:20,720

the door

347

00:13:26,150 --> 00:13:23,760

and told our aunties and my mother

348

00:13:27,670 --> 00:13:26,160

and the only thing that they were

349

00:13:31,030 --> 00:13:27,680

concerned about at the time was

350

00:13:34,230 --> 00:13:31,040

um us sneaking out so

351

00:13:36,389 --> 00:13:34,240

we were punished and sent to bed

352

00:13:37,509 --> 00:13:36,399

but the next day my auntie one of my

353

00:13:40,629 --> 00:13:37,519

aunties

354

00:13:42,710 --> 00:13:40,639

wanted to know what we saw and

355

00:13:43,750 --> 00:13:42,720

we described what we saw and told her

356

00:13:45,350 --> 00:13:43,760

about it

357

00:13:47,269 --> 00:13:45,360

and for days i remember her going

358

00:13:50,150 --> 00:13:47,279

through newspapers and and

359

00:13:50,949 --> 00:13:50,160

news reports seeing if anything had had

360

00:13:54,230 --> 00:13:50,959

been

361

00:13:55,670 --> 00:13:54,240

uh reported and there was nothing now

362

00:13:57,430 --> 00:13:55,680

many years on

363

00:13:59,189 --> 00:13:57,440

every time i get with my cousins that's

364

00:14:02,550 --> 00:13:59,199

the first thing we talk about

365

00:14:05,030 --> 00:14:02,560

is what we saw that night and

366

00:14:05,910 --> 00:14:05,040

i can tell you now that i have

367

00:14:09,110 --> 00:14:05,920

researched

368

00:14:12,389 --> 00:14:09,120

uh ufos ever since that that moment

369

00:14:12,870 --> 00:14:12,399

and i can tell you it wasn't definitely

370

00:14:27,430 --> 00:14:12,880

wasn't

371

00:14:30,710 --> 00:14:27,440

have never seen again and uh

372

00:14:32,790 --> 00:14:30,720

it was definitely a ufo

373

00:14:33,750 --> 00:14:32,800

one of my cousins is now in the um air

374

00:14:37,509 --> 00:14:33,760

force

375

00:14:40,629 --> 00:14:37,519

and i as you can imagine i

376

00:14:44,310 --> 00:14:40,639

ask a lot of questions but uh

377

00:14:47,590 --> 00:14:44,320

yeah he doesn't say too much he but

378

00:14:51,030 --> 00:14:47,600

he um keeps that sort of uh

379

00:14:53,910 --> 00:14:51,040

what he saw to himself as

380

00:14:54,949 --> 00:14:53,920

you know you can imagine but um yeah my

381

00:14:56,790 --> 00:14:54,959

other cousin that

382

00:14:58,710 --> 00:14:56,800

we know what we saw that night and it

383

00:15:01,030 --> 00:14:58,720

was definitely um

384

00:15:02,069 --> 00:15:01,040

well it was ufo so thank you for

385

00:15:04,629 --> 00:15:02,079

listening to me

386

00:15:08,310 --> 00:15:04,639

and thank you for letting me share my

387

00:15:12,949 --> 00:15:10,710

my name is alex and i live in stanley

388

00:15:17,509 --> 00:15:12,959

island new york

389

00:15:20,949 --> 00:15:17,519

this happens like a year ago

390

00:15:28,629 --> 00:15:26,069

from work it was like 5 6 p.m

391

00:15:30,389 --> 00:15:28,639

and as i was walking to the back door

392

00:15:33,749 --> 00:15:30,399

something shiny

393

00:15:39,509 --> 00:15:33,759

caught my eye in the sky

394

00:15:43,990 --> 00:15:42,069

and it looked like the sun was

395

00:15:47,749 --> 00:15:44,000

reflecting right through it because

396

00:15:51,670 --> 00:15:47,759

it was so shiny that

397

00:15:55,670 --> 00:15:54,470

but it wasn't moving it was just static

398

00:15:59,350 --> 00:15:55,680

never move

399

00:16:02,629 --> 00:15:59,360

from that position and it didn't

400

00:16:05,910 --> 00:16:02,639

make no sound at all

401
00:16:09,990 --> 00:16:05,920
this thing was like there just

402
00:16:18,230 --> 00:16:13,749
i was so in shock that

403
00:16:24,949 --> 00:16:21,829
take out my phone that would be the

404
00:16:26,790 --> 00:16:24,959
first reaction to start recording

405
00:16:28,870 --> 00:16:26,800
uh but it's just you know i was so in

406
00:16:29,269 --> 00:16:28,880
shock that that i couldn't i couldn't do

407
00:16:33,030 --> 00:16:29,279
it

408
00:16:37,910 --> 00:16:33,040
i couldn't move and um

409
00:16:41,350 --> 00:16:37,920
the first thing that came in my mind was

410
00:16:45,189 --> 00:16:43,990
as soon as i turned around and i opened

411
00:16:48,870 --> 00:16:45,199
the door

412
00:16:57,590 --> 00:16:52,629
when i look back that thing was gone

413
00:17:00,870 --> 00:16:57,600

it just disappeared didn't make no sound

414

00:17:04,630 --> 00:17:00,880

no nothing i didn't hear anything

415

00:17:09,909 --> 00:17:04,640

and as i told my wife about what i

416

00:17:13,990 --> 00:17:09,919

seem she didn't want to believe me

417

00:17:15,620 --> 00:17:14,000

and funny thing that

418

00:17:17,110 --> 00:17:15,630

after my experience

419

00:17:20,150 --> 00:17:17,120

[Music]

420

00:17:22,230 --> 00:17:20,160

the next day or two

421

00:17:25,909 --> 00:17:22,240

she experienced it too while she was

422

00:17:28,950 --> 00:17:25,919

playing outside with my two kids

423

00:17:30,950 --> 00:17:28,960

and she said that the weird thing is

424

00:17:33,270 --> 00:17:30,960

that

425

00:17:35,190 --> 00:17:33,280

they try to record a video with her cell

426
00:17:38,310 --> 00:17:35,200
phone

427
00:17:41,830 --> 00:17:38,320
you know and this thing

428
00:17:44,789 --> 00:17:41,840
this ufo or whatever it is

429
00:17:47,350 --> 00:17:44,799
they couldn't record it with any cell

430
00:17:49,430 --> 00:17:47,360
phone at the house

431
00:17:50,870 --> 00:17:49,440
um they try to get uh they're trying to

432
00:17:53,909 --> 00:17:50,880
get their nephews

433
00:17:57,430 --> 00:17:53,919
outside because that

434
00:18:01,510 --> 00:17:57,440
thing the ufo

435
00:18:05,590 --> 00:18:01,520
it lasted for several minutes and

436
00:18:09,270 --> 00:18:05,600
she had the chance to go back inside and

437
00:18:12,310 --> 00:18:09,280
and tell her nephews to to come outside

438
00:18:15,750 --> 00:18:12,320

and they were able to see it too and

439

00:18:18,710 --> 00:18:15,760
as soon as they tried to record it

440

00:18:19,270 --> 00:18:18,720
with her with their cell phone they

441

00:18:23,430 --> 00:18:19,280
couldn't

442

00:18:26,950 --> 00:18:23,440
nothing on camera

443

00:18:29,990 --> 00:18:26,960
and that's that's the weirdest

444

00:18:33,590 --> 00:18:30,000
thing that they all got

445

00:18:36,230 --> 00:18:33,600
they were all in shock they were

446

00:18:37,669 --> 00:18:36,240
they were pointing at it with their cell

447

00:18:39,909 --> 00:18:37,679
phones

448

00:18:43,190 --> 00:18:39,919
but they couldn't get no image no video

449

00:18:47,669 --> 00:18:43,200
no nothing

450

00:18:51,909 --> 00:18:47,679
and until this day we don't know

451

00:18:54,230 --> 00:18:51,919

what we saw and we come to a conclusion

452

00:18:56,950 --> 00:18:54,240

that this must be

453

00:18:59,590 --> 00:18:56,960

some really high technology from

454

00:19:02,310 --> 00:18:59,600

somewhere else

455

00:19:07,430 --> 00:19:02,320

because again we never seen anything

456

00:19:12,470 --> 00:19:10,390

hi my name's daniel custer most people

457

00:19:16,230 --> 00:19:12,480

call me dan

458

00:19:21,750 --> 00:19:16,240

i'm just recording a recording about my

459

00:19:25,830 --> 00:19:21,760

ufo sighting that i had back in 1993

460

00:19:26,630 --> 00:19:25,840

it was also witnessed by myself and my

461

00:19:31,350 --> 00:19:26,640

parents

462

00:19:34,390 --> 00:19:31,360

um it occurred in a little town

463

00:19:35,909 --> 00:19:34,400

approximately 65 kilometers or about 40

464

00:19:39,750 --> 00:19:35,919

miles

465

00:19:43,430 --> 00:19:39,760

southwest of sydney australia um

466

00:19:45,270 --> 00:19:43,440

i have previously reported it to mufon

467

00:19:47,510 --> 00:19:45,280

it was investigated actually by the

468

00:19:49,190 --> 00:19:47,520

national director for mufon australia in

469

00:19:50,950 --> 00:19:49,200

new zealand

470

00:19:52,950 --> 00:19:50,960

who just by chance happened to have

471

00:19:53,909 --> 00:19:52,960

grown up in the same little town that i

472

00:19:56,470 --> 00:19:53,919

grew up in

473

00:19:58,070 --> 00:19:56,480

um just on the outskirts of sydney and

474

00:19:59,750 --> 00:19:58,080

um

475

00:20:01,350 --> 00:19:59,760

he actually had a ufo sighting that

476
00:20:06,310 --> 00:20:01,360
himself in the 70s

477
00:20:10,470 --> 00:20:06,320
um my sighting was in 1993

478
00:20:14,870 --> 00:20:10,480
it occurred on the 6th of april 1993.

479
00:20:17,590 --> 00:20:14,880
um it was so 27 and a half years ago

480
00:20:18,230 --> 00:20:17,600
and even though it was a long time ago i

481
00:20:21,350 --> 00:20:18,240
i did

482
00:20:24,630 --> 00:20:21,360
write down the

483
00:20:27,190 --> 00:20:24,640
events of the sighting not long after

484
00:20:27,990 --> 00:20:27,200
just so i would have a record of it for

485
00:20:31,190 --> 00:20:28,000
myself

486
00:20:33,669 --> 00:20:31,200
because it was an extraordinary event

487
00:20:35,830 --> 00:20:33,679
and i know how time fades memory so i

488
00:20:38,630 --> 00:20:35,840

wanted to keep a record of what

489

00:20:40,470 --> 00:20:38,640

exactly occurred that night um it's

490

00:20:41,350 --> 00:20:40,480

basically the same report that i filed

491

00:20:43,590 --> 00:20:41,360

with

492

00:20:46,230 --> 00:20:43,600

mufon years later and the one i am

493

00:20:49,750 --> 00:20:46,240

sharing with you now so

494

00:20:52,710 --> 00:20:49,760

uh it occurred that approximately

495

00:20:53,669 --> 00:20:52,720

just after 9 p.m or around 9 00 p.m on

496

00:20:56,710 --> 00:20:53,679

this

497

00:20:59,750 --> 00:20:56,720

6th of april 1993.

498

00:21:02,070 --> 00:20:59,760

um i was sitting in the lounge room of

499

00:21:04,789 --> 00:21:02,080

my parents house watching tv

500

00:21:05,430 --> 00:21:04,799

my parents were sitting in the back room

501
00:21:07,669 --> 00:21:05,440
the back

502
00:21:09,590 --> 00:21:07,679
living room watching tv in that room so

503
00:21:13,669 --> 00:21:09,600
they were sitting in another room

504
00:21:16,390 --> 00:21:13,679
to me a little bizarre in that i'm

505
00:21:18,470 --> 00:21:16,400
i was sitting there watching tv a wide

506
00:21:21,270 --> 00:21:18,480
awake one minute so this was probably

507
00:21:23,029 --> 00:21:21,280
about maybe i don't know five to nine or

508
00:21:24,710 --> 00:21:23,039
something that night and um

509
00:21:26,149 --> 00:21:24,720
and from one second to the next i

510
00:21:28,870 --> 00:21:26,159
basically just started feeling

511
00:21:31,590 --> 00:21:28,880
his overwhelming sense of tiredness and

512
00:21:33,750 --> 00:21:31,600
fatigue like i was about to drop asleep

513
00:21:36,230 --> 00:21:33,760

then and there and um

514

00:21:38,230 --> 00:21:36,240

so that was unusual as i was wide awake

515

00:21:40,470 --> 00:21:38,240

one second earlier and i just had this

516

00:21:42,390 --> 00:21:40,480

overwhelming feeling of tiredness that i

517

00:21:45,590 --> 00:21:42,400

needed to get to bed

518

00:21:46,230 --> 00:21:45,600

and so i went to bed and i was laying in

519

00:21:51,750 --> 00:21:46,240

bed

520

00:21:54,390 --> 00:21:51,760

out to the backyard so i had a window

521

00:21:56,870 --> 00:21:54,400

that looked out of the backyard

522

00:21:59,270 --> 00:21:56,880

and my bed was basically below the

523

00:22:01,830 --> 00:21:59,280

window so i was laying in bed

524

00:22:03,350 --> 00:22:01,840

on my side facing away from the window

525

00:22:05,830 --> 00:22:03,360

um

526
00:22:07,270 --> 00:22:05,840
and even though i felt this overwhelming

527
00:22:09,750 --> 00:22:07,280
sense of tiredness

528
00:22:10,710 --> 00:22:09,760
which drove me to bed i was laying there

529
00:22:13,909 --> 00:22:10,720
awake for

530
00:22:16,390 --> 00:22:13,919
probably 10 or 15 minutes

531
00:22:17,590 --> 00:22:16,400
when suddenly i don't know why but for

532
00:22:19,590 --> 00:22:17,600
some reason i

533
00:22:21,029 --> 00:22:19,600
i felt this urge to just turn around

534
00:22:21,830 --> 00:22:21,039
then i turned around and looked out the

535
00:22:26,310 --> 00:22:21,840
window

536
00:22:30,789 --> 00:22:26,320
and what i saw was basically this

537
00:22:32,630 --> 00:22:30,799
craft which was completely soundless um

538
00:22:34,630 --> 00:22:32,640

and as i turned around and looked out

539

00:22:38,149 --> 00:22:34,640

the window and

540

00:22:42,230 --> 00:22:38,159

um all i could see was this craft just

541

00:22:44,789 --> 00:22:42,240

basically moving from from the house

542

00:22:46,549 --> 00:22:44,799

it was just moving from the house over

543

00:22:48,549 --> 00:22:46,559

to the backyard as i looked out the

544

00:22:52,470 --> 00:22:48,559

window so i just saw this craft

545

00:22:55,590 --> 00:22:52,480

drifting over the backyard it was

546

00:22:59,029 --> 00:22:55,600

this silver metallic colored craft

547

00:23:01,510 --> 00:22:59,039

um round typical

548

00:23:02,230 --> 00:23:01,520

what you would describe as a flying

549

00:23:05,830 --> 00:23:02,240

saucer

550

00:23:08,149 --> 00:23:05,840

i suppose um uh look i i couldn't

551
00:23:10,950 --> 00:23:08,159
believe what i was seeing basically i

552
00:23:12,230 --> 00:23:10,960
i recalled turning around a couple of

553
00:23:13,909 --> 00:23:12,240
times

554
00:23:15,909 --> 00:23:13,919
and then looking back out the window

555
00:23:19,190 --> 00:23:15,919
because i thought i was seeing things

556
00:23:20,950 --> 00:23:19,200
and once i established that i was wide

557
00:23:22,070 --> 00:23:20,960
awake and that i wasn't seeing things

558
00:23:25,669 --> 00:23:22,080
and this thing was there

559
00:23:28,789 --> 00:23:25,679
i went running out to my parents um

560
00:23:30,310 --> 00:23:28,799
basically to the kitchen window so my

561
00:23:31,909 --> 00:23:30,320
parents were sitting in the living room

562
00:23:32,789 --> 00:23:31,919
beside the kitchen but the room they

563
00:23:34,470 --> 00:23:32,799

were sitting in

564

00:23:36,149 --> 00:23:34,480

they had the shutters down so they

565

00:23:38,310 --> 00:23:36,159

couldn't see out the window

566

00:23:39,510 --> 00:23:38,320

so i came running out saying basically

567

00:23:40,470 --> 00:23:39,520

look look there's something over the

568

00:23:42,789 --> 00:23:40,480

backyard and

569

00:23:43,909 --> 00:23:42,799

it looks like a ufo or something come

570

00:23:47,029 --> 00:23:43,919

and have a look you know

571

00:23:48,630 --> 00:23:47,039

like and my parents came out to the

572

00:23:49,990 --> 00:23:48,640

kitchen where i was standing at that

573

00:23:51,990 --> 00:23:50,000

point at the kitchen window

574

00:23:53,269 --> 00:23:52,000

and all three of us saw this thing and

575

00:23:55,110 --> 00:23:53,279

um

576
00:23:57,830 --> 00:23:55,120
i remember telling my mom to go and get

577
00:24:00,710 --> 00:23:57,840
the camera but being 1993

578
00:24:02,710 --> 00:24:00,720
you know we didn't have cell phones or

579
00:24:04,149 --> 00:24:02,720
cameras in our pockets or whatever you

580
00:24:07,350 --> 00:24:04,159
know we basically had a

581
00:24:07,909 --> 00:24:07,360
a camera with uh you know cameras back

582
00:24:09,909 --> 00:24:07,919
then took

583
00:24:11,750 --> 00:24:09,919
films so we had a camera but we didn't

584
00:24:14,950 --> 00:24:11,760
have film and we didn't

585
00:24:17,510 --> 00:24:14,960
own a video camera um

586
00:24:18,470 --> 00:24:17,520
so you know we couldn't photograph these

587
00:24:21,190 --> 00:24:18,480
things so i

588
00:24:22,710 --> 00:24:21,200

you know i want to get a closer look at

589

00:24:26,070 --> 00:24:22,720

this thing so i decided to go

590

00:24:27,590 --> 00:24:26,080

to the backyard um i remember my mum

591

00:24:29,590 --> 00:24:27,600

saying something along the lines of

592

00:24:31,909 --> 00:24:29,600

don't go out there you'll get

593

00:24:33,750 --> 00:24:31,919

you might get abducted you know and i

594

00:24:34,870 --> 00:24:33,760

basically just laughed and kept going

595

00:24:45,110 --> 00:24:34,880

and

596

00:24:46,950 --> 00:24:45,120

as i walked out to the backyard followed

597

00:24:48,630 --> 00:24:46,960

by my dad maybe five or ten seconds

598

00:24:51,830 --> 00:24:48,640

later this thing started to

599

00:24:55,870 --> 00:24:51,840

move off slowly so it just started to

600

00:24:57,669 --> 00:24:55,880

slowly fly off um as i said completely

601
00:25:01,269 --> 00:24:57,679
soundless made no

602
00:25:05,190 --> 00:25:01,279
noise whatsoever um

603
00:25:07,669 --> 00:25:05,200
was approximately 10 to 15 meters in

604
00:25:11,029 --> 00:25:07,679
diameter so that's maybe

605
00:25:13,350 --> 00:25:11,039
30 to 40 feet in diameter

606
00:25:15,510 --> 00:25:13,360
probably from bottom to top of the craft

607
00:25:16,310 --> 00:25:15,520
two to three meters high so what's that

608
00:25:19,430 --> 00:25:16,320
six to eight

609
00:25:24,549 --> 00:25:19,440
feet and it was probably only

610
00:25:28,149 --> 00:25:24,559
i would say 15 to 20 meters or

611
00:25:31,269 --> 00:25:28,159
45 to 60 feet above

612
00:25:34,789 --> 00:25:31,279
us so um it was very close

613
00:25:37,190 --> 00:25:34,799

sighting all three of us um

614

00:25:37,830 --> 00:25:37,200

described having seen the exact same

615

00:25:39,909 --> 00:25:37,840

thing

616

00:25:41,669 --> 00:25:39,919

it definitely looked like a structured

617

00:25:44,710 --> 00:25:41,679

manufactured

618

00:25:46,230 --> 00:25:44,720

craft so your typical silver metallic

619

00:25:49,590 --> 00:25:46,240

colored disk shaped

620

00:25:53,669 --> 00:25:49,600

ufo i guess

621

00:25:57,269 --> 00:25:53,679

it had a long rectangular red light with

622

00:26:00,149 --> 00:25:57,279

two square white lights on each side of

623

00:26:02,310 --> 00:26:00,159

the red light on the back of the craft

624

00:26:04,870 --> 00:26:02,320

definitely didn't see any windows or

625

00:26:06,870 --> 00:26:04,880

portholes or anything on the craft

626
00:26:08,870 --> 00:26:06,880
and didn't see any dome on top of it so

627
00:26:10,470 --> 00:26:08,880
just the silver disk shaped craft with

628
00:26:13,029 --> 00:26:10,480
lights on the back

629
00:26:15,190 --> 00:26:13,039
and as we went out to the backyard it

630
00:26:18,310 --> 00:26:15,200
started to fly off slowly

631
00:26:21,430 --> 00:26:18,320
in probably in first and easterly then

632
00:26:24,549 --> 00:26:21,440
more of a north easterly direction

633
00:26:27,990 --> 00:26:24,559
gaining in height and speed

634
00:26:30,149 --> 00:26:28,000
the further it got away um

635
00:26:31,830 --> 00:26:30,159
how does that make me feel the whole

636
00:26:34,310 --> 00:26:31,840
sighting thing well

637
00:26:35,830 --> 00:26:34,320
prior to this sighting i i can't say i

638
00:26:39,190 --> 00:26:35,840

had a great interest in

639

00:26:41,750 --> 00:26:39,200

ufos i mean i'd obviously heard of them

640

00:26:43,269 --> 00:26:41,760

i'm seeing the movies and all that sort

641

00:26:46,870 --> 00:26:43,279

of stuff like anyone

642

00:26:47,510 --> 00:26:46,880

my mum was obviously influenced by that

643

00:26:49,350 --> 00:26:47,520

as well

644

00:26:51,510 --> 00:26:49,360

i mean with her comment don't go out

645

00:26:52,470 --> 00:26:51,520

there you might get abducted pretty much

646

00:26:54,549 --> 00:26:52,480

says it all

647

00:26:56,990 --> 00:26:54,559

you know i guess we're conditioned to

648

00:26:59,350 --> 00:26:57,000

think that these things are

649

00:27:01,669 --> 00:26:59,360

extraterrestrial through tv and media

650

00:27:04,950 --> 00:27:01,679

but prior to that i personally had no

651
00:27:08,070 --> 00:27:04,960
interest in you of those i guess

652
00:27:10,470 --> 00:27:08,080
i mean i was 17 at the time and the i i

653
00:27:11,990 --> 00:27:10,480
i wouldn't say i was a disbeliever but i

654
00:27:15,190 --> 00:27:12,000
wasn't a believer i was

655
00:27:17,590 --> 00:27:15,200
sort of like you know they could exist

656
00:27:19,190 --> 00:27:17,600
but who knows and i'd never put much

657
00:27:20,710 --> 00:27:19,200
more thought into it than that at that

658
00:27:23,669 --> 00:27:20,720
point in my life

659
00:27:25,830 --> 00:27:23,679
my dad um complete skeptic doesn't

660
00:27:29,029 --> 00:27:25,840
believe in aliens visiting earth

661
00:27:31,029 --> 00:27:29,039
anything like that i will admit that

662
00:27:32,710 --> 00:27:31,039
since the sighting i developed a keen

663
00:27:35,110 --> 00:27:32,720

interest in the topic

664

00:27:36,630 --> 00:27:35,120

for a while and i read books about it

665

00:27:39,510 --> 00:27:36,640

and i

666

00:27:42,149 --> 00:27:39,520

i did start leaning towards the external

667

00:27:45,510 --> 00:27:42,159

extraterrestrial hypothesis myself

668

00:27:48,789 --> 00:27:45,520

but um i never 100

669

00:27:50,630 --> 00:27:48,799

have believed in what

670

00:27:52,950 --> 00:27:50,640

ufos are and they could be many

671

00:27:55,430 --> 00:27:52,960

different things um

672

00:27:57,029 --> 00:27:55,440

and to this day i i don't claim to know

673

00:27:59,510 --> 00:27:57,039

what we saw that night

674

00:28:02,149 --> 00:27:59,520

i did lean towards the extratest

675

00:28:04,789 --> 00:28:02,159

terrestrial hypothesis for a long time

676

00:28:05,750 --> 00:28:04,799

but would never stayed with 100

677

00:28:07,669 --> 00:28:05,760

certainty

678

00:28:08,789 --> 00:28:07,679

my dad takes the correct position in

679

00:28:10,710 --> 00:28:08,799

saying

680

00:28:12,230 --> 00:28:10,720

i mean he acknowledges having seen it

681

00:28:13,669 --> 00:28:12,240

still to this day

682

00:28:15,510 --> 00:28:13,679

but he's always taken the correct

683

00:28:16,230 --> 00:28:15,520

position in saying i don't know what it

684

00:28:18,710 --> 00:28:16,240

was

685

00:28:20,630 --> 00:28:18,720

and truth be told i don't know what it

686

00:28:23,190 --> 00:28:20,640

was either

687

00:28:24,389 --> 00:28:23,200

it's changed my life in the sense that i

688

00:28:27,750 --> 00:28:24,399

mean since then i

689

00:28:29,350 --> 00:28:27,760

have had an interest in ufos i've also

690

00:28:30,070 --> 00:28:29,360

had more of an interest just in the

691

00:28:34,389 --> 00:28:30,080

universe

692

00:28:35,430 --> 00:28:34,399

in general and even though i can't say

693

00:28:38,149 --> 00:28:35,440

what it was

694

00:28:39,269 --> 00:28:38,159

um i have to say that the more i learn

695

00:28:41,669 --> 00:28:39,279

about this topic

696

00:28:43,190 --> 00:28:41,679

even the less i seem to know about it

697

00:28:44,710 --> 00:28:43,200

because

698

00:28:46,630 --> 00:28:44,720

there is just such a wealth of

699

00:28:48,149 --> 00:28:46,640

information out there and so many people

700

00:28:51,990 --> 00:28:48,159

with different opinions

701
00:28:55,990 --> 00:28:52,000
but all i can say is i don't know

702
00:28:57,590 --> 00:28:56,000
what it was other than a ufo which is

703
00:28:59,830 --> 00:28:57,600
exactly what that stands for an

704
00:29:04,070 --> 00:28:59,840
unidentified flying object

705
00:29:06,710 --> 00:29:04,080
um it has changed my life in that

706
00:29:10,789 --> 00:29:06,720
it definitely made me interested in them

707
00:29:13,269 --> 00:29:10,799
and i would love to know before i die

708
00:29:14,389 --> 00:29:13,279
what the hell we saw that night and what

709
00:29:17,510 --> 00:29:14,399
ufos are

710
00:29:17,909 --> 00:29:17,520
and are they us different things or can

711
00:29:20,870 --> 00:29:17,919
they

712
00:29:22,149 --> 00:29:20,880
i mean yeah i just want i've it's

713
00:29:25,350 --> 00:29:22,159

basically

714

00:29:28,149 --> 00:29:25,360

put me on a lifelong search

715

00:29:30,310 --> 00:29:28,159

for answers not that it's consumed my

716

00:29:32,710 --> 00:29:30,320

entire life i don't

717

00:29:34,389 --> 00:29:32,720

you know just read ufo books or study

718

00:29:37,750 --> 00:29:34,399

this subject or whatever but

719

00:29:40,230 --> 00:29:37,760

i have had an interest ever since then

720

00:29:42,389 --> 00:29:40,240

and it's that interest has definitely

721

00:29:43,190 --> 00:29:42,399

rekindled a lot more over the last few

722

00:29:44,310 --> 00:29:43,200

years

723

00:29:47,510 --> 00:29:44,320

that's been getting a lot more

724

00:29:49,350 --> 00:29:47,520

mainstream media attention again

725

00:29:52,549 --> 00:29:49,360

yeah so that's my story thanks for

726

00:29:56,789 --> 00:29:55,110

my name is jack i live in norfolk

727

00:29:59,909 --> 00:29:56,799

virginia currently

728

00:30:03,269 --> 00:29:59,919

i'm nearly 50 years old in the late

729

00:30:04,630 --> 00:30:03,279

70s i'm eight or nine years old at the

730

00:30:07,750 --> 00:30:04,640

time

731

00:30:10,950 --> 00:30:07,760

and we're shopping

732

00:30:12,950 --> 00:30:10,960

at a strip mall my mom's in the grocery

733

00:30:15,990 --> 00:30:12,960

store inside the grocery store

734

00:30:20,230 --> 00:30:16,000

my dad my brother and i are in the car

735

00:30:22,070 --> 00:30:20,240

i'm in the back seat with a matchbox car

736

00:30:23,909 --> 00:30:22,080

and i'm playing with it in the back

737

00:30:27,029 --> 00:30:23,919

window of my dad's

738

00:30:28,310 --> 00:30:27,039

ford galaxy i don't know if you know but

739

00:30:31,830 --> 00:30:28,320

those things can be

740

00:30:35,110 --> 00:30:31,840

good size especially the back windows

741

00:30:35,750 --> 00:30:35,120

anyway i'm playing with the car in the

742

00:30:41,909 --> 00:30:35,760

back

743

00:30:45,110 --> 00:30:41,919

up in the sky

744

00:30:47,510 --> 00:30:45,120

and i see what i think at first is

745

00:30:48,549 --> 00:30:47,520

a hot air balloon like the goodyear

746

00:30:51,830 --> 00:30:48,559

blimp

747

00:30:54,789 --> 00:30:51,840

and i'm looking and i

748

00:30:56,470 --> 00:30:54,799

get all excited tell my dad and brother

749

00:30:58,950 --> 00:30:56,480

my brother's

750

00:31:00,630 --> 00:30:58,960

two three years old at the time so he

751
00:31:02,630 --> 00:31:00,640
has no clue

752
00:31:05,430 --> 00:31:02,640
my dad's in the front seat he goes yeah

753
00:31:07,669 --> 00:31:05,440
okay whatever so i keep looking

754
00:31:09,029 --> 00:31:07,679
and a couple of seconds after i see it i

755
00:31:12,950 --> 00:31:09,039
realize

756
00:31:16,549 --> 00:31:12,960
there's no gondola on the bottom okay

757
00:31:20,310 --> 00:31:16,559
so it's not a blimp then what is it

758
00:31:23,029 --> 00:31:20,320
as it continues it's passed through the

759
00:31:23,750 --> 00:31:23,039
through my field of view which is framed

760
00:31:27,190 --> 00:31:23,760
by

761
00:31:29,110 --> 00:31:27,200
the building to my left and a clump of

762
00:31:33,110 --> 00:31:29,120
trees on my right

763
00:31:36,389 --> 00:31:33,120

i see that it's smooth not like a blimp

764

00:31:37,509 --> 00:31:36,399

it's completely smooth and i noticed

765

00:31:40,630 --> 00:31:37,519

something

766

00:31:44,230 --> 00:31:40,640

it looks like a mirror because

767

00:31:47,750 --> 00:31:44,240

it's reflecting the sky

768

00:31:50,870 --> 00:31:47,760

and i swear to you i can see

769

00:31:53,590 --> 00:31:50,880

the rare cloud that is up there

770

00:31:54,490 --> 00:31:53,600

i can see it reflect off this thing

771

00:31:55,669 --> 00:31:54,500

whatever it is

772

00:31:58,870 --> 00:31:55,679

[Music]

773

00:32:01,909 --> 00:31:58,880

and the thing just keeps going

774

00:32:05,110 --> 00:32:01,919

there's no contrail there's no

775

00:32:05,669 --> 00:32:05,120

anything being left behind something to

776
00:32:10,710 --> 00:32:05,679
myself

777
00:32:13,990 --> 00:32:10,720
what is this and i continue to watch it

778
00:32:17,110 --> 00:32:14,000
i'm just watching this thing i have

779
00:32:18,230 --> 00:32:17,120
no idea what it is and i continue to

780
00:32:20,630 --> 00:32:18,240
watch it

781
00:32:21,350 --> 00:32:20,640
and the only thing that i can compare it

782
00:32:24,630 --> 00:32:21,360
to

783
00:32:27,990 --> 00:32:24,640
in terms of what i've seen of ufo stuff

784
00:32:31,430 --> 00:32:28,000
since this the closest thing

785
00:32:32,149 --> 00:32:31,440
is the what's his name this the new

786
00:32:35,909 --> 00:32:32,159
mexico

787
00:32:38,789 --> 00:32:35,919
sheriff the one that had the encounter

788
00:32:40,950 --> 00:32:38,799

in the desert i can't remember his name

789

00:32:44,230 --> 00:32:40,960

or the city he's from

790

00:32:47,509 --> 00:32:44,240

at the time but

791

00:32:48,710 --> 00:32:47,519

anyway it continues across my field of

792

00:32:51,750 --> 00:32:48,720

view

793

00:32:54,789 --> 00:32:51,760

and then about halfway through

794

00:32:56,230 --> 00:32:54,799

i see two jets giving chase they must

795

00:32:59,350 --> 00:32:56,240

have been scrambled out of

796

00:33:01,590 --> 00:32:59,360

nes langley or whatever so

797

00:33:02,789 --> 00:33:01,600

i'm continuing to watch this thing

798

00:33:05,190 --> 00:33:02,799

happen

799

00:33:05,830 --> 00:33:05,200

and i take a brief look around and i

800

00:33:08,630 --> 00:33:05,840

don't see

801
00:33:10,070 --> 00:33:08,640
having anybody seen this so i continue

802
00:33:12,630 --> 00:33:10,080
to look up

803
00:33:14,070 --> 00:33:12,640
and the thing was moving fairly slowly

804
00:33:16,710 --> 00:33:14,080
to my

805
00:33:18,389 --> 00:33:16,720
knowledge at the time it was moving

806
00:33:22,230 --> 00:33:18,399
across the sky

807
00:33:25,669 --> 00:33:22,240
and this thing once i see the jets

808
00:33:28,230 --> 00:33:25,679
come into view it looked like it sped

809
00:33:30,549 --> 00:33:28,240
up that's the only way i can explain it

810
00:33:33,029 --> 00:33:30,559
it looked like it might have sped up

811
00:33:33,750 --> 00:33:33,039
because by the time the jets get a

812
00:33:36,870 --> 00:33:33,760
quarter

813
00:33:38,950 --> 00:33:36,880

of the way to my field of view

814

00:33:41,750 --> 00:33:38,960

this thing is already starting getting

815

00:33:44,789 --> 00:33:41,760

ready to disappear behind the buildings

816

00:33:48,310 --> 00:33:44,799

and i'm thinking to myself what is

817

00:33:49,509 --> 00:33:48,320

this and i get all excited i get hyped

818

00:33:52,389 --> 00:33:49,519

up like i've had like

819

00:33:54,710 --> 00:33:52,399

50 things of sugar or something 50

820

00:33:58,149 --> 00:33:54,720

pieces of candy or something like that

821

00:34:01,590 --> 00:33:58,159

dude and i'm hype i'm going

822

00:34:03,590 --> 00:34:01,600

dad dad did you see what i see and he's

823

00:34:06,630 --> 00:34:03,600

in the front seat he can't see out

824

00:34:06,950 --> 00:34:06,640

that he has no idea what i'm talking

825

00:34:09,030 --> 00:34:06,960

about

826
00:34:10,950 --> 00:34:09,040
and he has no interest of getting out of

827
00:34:13,109 --> 00:34:10,960
the car to look

828
00:34:14,230 --> 00:34:13,119
and my little brother's in his car seat

829
00:34:17,990 --> 00:34:14,240
so

830
00:34:20,629 --> 00:34:18,000
he has no way to know what's going on

831
00:34:21,589 --> 00:34:20,639
other than what i'm telling and before

832
00:34:28,629 --> 00:34:21,599
the

833
00:34:31,990 --> 00:34:28,639
get too far into my field of view

834
00:34:33,270 --> 00:34:32,000
the thing's already gone now a couple of

835
00:34:36,470 --> 00:34:33,280
things

836
00:34:40,629 --> 00:34:36,480
first off it was tear drop shaped

837
00:34:44,230 --> 00:34:40,639
so that the teardrop the pointed end

838
00:34:45,430 --> 00:34:44,240

is moving forward it looked absolutely

839

00:34:49,270 --> 00:34:45,440

smooth

840

00:34:53,430 --> 00:34:49,280

no seams on it whatsoever

841

00:34:55,589 --> 00:34:53,440

and also like i said there was a it felt

842

00:34:57,030 --> 00:34:55,599

it looked like it was a mirror finish on

843

00:34:58,790 --> 00:34:57,040

the bottom of it

844

00:35:00,069 --> 00:34:58,800

because it looked like it was reflecting

845

00:35:03,349 --> 00:35:00,079

the sky

846

00:35:04,950 --> 00:35:03,359

and for a split second i thought i could

847

00:35:08,310 --> 00:35:04,960

see something that would be

848

00:35:09,190 --> 00:35:08,320

akin to maybe trying to reflect the sun

849

00:35:11,990 --> 00:35:09,200

off of it

850

00:35:13,670 --> 00:35:12,000

but it was just briefly most of it was

851
00:35:15,750 --> 00:35:13,680
looking like it was trying to reflect

852
00:35:18,150 --> 00:35:15,760
sky so it looked like it was trying to

853
00:35:22,630 --> 00:35:18,160
blend into the sky

854
00:35:26,390 --> 00:35:22,640
and i have no idea what it is

855
00:35:28,790 --> 00:35:26,400
to this day i don't know and

856
00:35:30,230 --> 00:35:28,800
the only thing that lends any credence

857
00:35:32,710 --> 00:35:30,240
to it for me

858
00:35:33,430 --> 00:35:32,720
it makes me think i saw something is

859
00:35:36,470 --> 00:35:33,440
because i

860
00:35:36,950 --> 00:35:36,480
saw the planes give chase otherwise i

861
00:35:39,910 --> 00:35:36,960
might have

862
00:35:41,589 --> 00:35:39,920
put it on my mind forgotten all about it

863
00:35:42,069 --> 00:35:41,599

but when the plane started getting

864

00:35:45,829 --> 00:35:42,079

chased

865

00:35:49,829 --> 00:35:45,839

i'm going i'm seeing something really

866

00:35:53,829 --> 00:35:49,839

i have no idea what it was it could be

867

00:35:56,870 --> 00:35:53,839

alien it could be man-made

868

00:35:59,190 --> 00:35:56,880

something that's still to come or

869

00:36:00,550 --> 00:35:59,200

something that we may never get to find

870

00:36:03,910 --> 00:36:00,560

out about

871

00:36:04,710 --> 00:36:03,920

whatever it was it was like nothing i've

872

00:36:07,910 --> 00:36:04,720

ever seen

873

00:36:11,109 --> 00:36:07,920

in the sky i mean

874

00:36:12,310 --> 00:36:11,119

it looks somewhere between a blimp a

875

00:36:16,069 --> 00:36:12,320

teardrop

876

00:36:19,270 --> 00:36:16,079

and a missile no contrail

877

00:36:19,990 --> 00:36:19,280

no noise except for the plane this thing

878

00:36:24,230 --> 00:36:20,000

did not

879

00:36:26,550 --> 00:36:24,240

make a sound now

880

00:36:27,670 --> 00:36:26,560

i can speculate for days of what it

881

00:36:34,710 --> 00:36:27,680

could be

882

00:36:38,230 --> 00:36:36,870

hello people um i'd like to share a

883

00:36:40,630 --> 00:36:38,240

story with you

884

00:36:42,150 --> 00:36:40,640

which uh a ufo story which has happened

885

00:36:43,750 --> 00:36:42,160

to myself and my brother

886

00:36:45,670 --> 00:36:43,760

around 40 years ago so it was a long

887

00:36:48,710 --> 00:36:45,680

time ago but the

888

00:36:50,230 --> 00:36:48,720

relevance of it has not changed briefly

889

00:36:53,589 --> 00:36:50,240

my brother and i witnessed a

890

00:36:55,910 --> 00:36:53,599

chase between two hostile craft

891

00:36:57,589 --> 00:36:55,920

the chase resulted in one of those craft

892

00:36:59,589 --> 00:36:57,599

crashing into a tree

893

00:37:01,030 --> 00:36:59,599

and a third party was involved that

894

00:37:03,589 --> 00:37:01,040

third party

895

00:37:04,790 --> 00:37:03,599

was able to get a close-up look of at

896

00:37:07,270 --> 00:37:04,800

the craft

897

00:37:09,589 --> 00:37:07,280

it measured around eight meters long and

898

00:37:11,589 --> 00:37:09,599

appeared like a yellow speedboat shape

899

00:37:13,750 --> 00:37:11,599

from the underneath

900

00:37:15,430 --> 00:37:13,760

i suppose i'll go into some detail about

901
00:37:17,510 --> 00:37:15,440
what my brother and i

902
00:37:18,710 --> 00:37:17,520
witnessed we were quite young at the

903
00:37:21,109 --> 00:37:18,720
time but

904
00:37:21,910 --> 00:37:21,119
um our house looked um looked over a

905
00:37:24,390 --> 00:37:21,920
valley

906
00:37:25,910 --> 00:37:24,400
up towards the step township of stirling

907
00:37:26,950 --> 00:37:25,920
at the end of the valley there was a

908
00:37:29,270 --> 00:37:26,960
ridge

909
00:37:31,510 --> 00:37:29,280
with some pine trees on it and we knew

910
00:37:33,670 --> 00:37:31,520
the valley well we'd hear cars and

911
00:37:35,190 --> 00:37:33,680
helicopters and any other mechanical

912
00:37:37,109 --> 00:37:35,200
devices the sound

913
00:37:38,470 --> 00:37:37,119

seemed to echo down the valley well this

914

00:37:40,550 --> 00:37:38,480

particular night

915

00:37:41,670 --> 00:37:40,560

my brother called out said phil come and

916

00:37:43,270 --> 00:37:41,680

check this out

917

00:37:45,270 --> 00:37:43,280

at the end of the valley just above the

918

00:37:48,069 --> 00:37:45,280

tree line was a

919

00:37:48,790 --> 00:37:48,079

yellow object it was hovering wobbling

920

00:37:51,349 --> 00:37:48,800

around

921

00:37:52,630 --> 00:37:51,359

then it would resume its hover and we

922

00:37:55,030 --> 00:37:52,640

knew that this was

923

00:37:56,390 --> 00:37:55,040

not any ordinary craft so we were pretty

924

00:37:59,829 --> 00:37:56,400

interested

925

00:38:02,630 --> 00:37:59,839

a few minutes later a red object joined

926
00:38:04,150 --> 00:38:02,640
this yellow object and it was almost had

927
00:38:06,790 --> 00:38:04,160
a cartoon-like quality

928
00:38:08,230 --> 00:38:06,800
to it the the red object zoomed up to

929
00:38:10,710 --> 00:38:08,240
the yellow object

930
00:38:12,069 --> 00:38:10,720
reversed up and then zoomed up again as

931
00:38:14,550 --> 00:38:12,079
if the yellow occupants

932
00:38:16,550 --> 00:38:14,560
had not actually noticed the presence of

933
00:38:19,270 --> 00:38:16,560
it the yellow object took off

934
00:38:20,390 --> 00:38:19,280
took off as fast as a rocket and the red

935
00:38:23,430 --> 00:38:20,400
object followed

936
00:38:23,990 --> 00:38:23,440
so these craft zigzagged across um our

937
00:38:27,270 --> 00:38:24,000
valley

938
00:38:29,270 --> 00:38:27,280

back and forth many times in very close

939

00:38:30,790 --> 00:38:29,280

pursuit sort of like a couple of

940

00:38:32,310 --> 00:38:30,800

blowflies if you've ever watched a

941

00:38:34,390 --> 00:38:32,320

couple of blowflies

942

00:38:35,349 --> 00:38:34,400

zipping around the sky they they they

943

00:38:38,550 --> 00:38:35,359

almost

944

00:38:41,030 --> 00:38:38,560

uh operate on on the same brain

945

00:38:42,310 --> 00:38:41,040

because the they don't they they stay

946

00:38:45,670 --> 00:38:42,320

such a close

947

00:38:47,349 --> 00:38:45,680

uniform distance apart it's

948

00:38:49,109 --> 00:38:47,359

it's quite impressive to watch and these

949

00:38:51,190 --> 00:38:49,119

craft performed like that

950

00:38:53,190 --> 00:38:51,200

every now and again the yellow object

951
00:38:54,870 --> 00:38:53,200
became stuck as if it was uh

952
00:38:56,790 --> 00:38:54,880
caught by some invisible force and it

953
00:38:58,870 --> 00:38:56,800
would shake back and forth

954
00:39:01,430 --> 00:38:58,880
and then it would free itself and the

955
00:39:04,470 --> 00:39:01,440
chase would continue

956
00:39:07,349 --> 00:39:04,480
the sort of movements of these craft

957
00:39:08,950 --> 00:39:07,359
were nothing like any uh conventional

958
00:39:11,670 --> 00:39:08,960
aircraft could do

959
00:39:13,990 --> 00:39:11,680
the accelerations were instant so that's

960
00:39:17,270 --> 00:39:14,000
that'd be from a stationary position

961
00:39:20,310 --> 00:39:17,280
get to a speed instantly and stop

962
00:39:20,790 --> 00:39:20,320
turn reverse with no change in velocity

963
00:39:22,950 --> 00:39:20,800

at all

964

00:39:24,710 --> 00:39:22,960

so the it was like watching ping pong

965

00:39:27,430 --> 00:39:24,720

balls bounce off of a wall

966

00:39:27,990 --> 00:39:27,440

that obviously overcome the barriers of

967

00:39:32,950 --> 00:39:28,000

inertia

968

00:39:35,190 --> 00:39:32,960

movements of these craft

969

00:39:36,310 --> 00:39:35,200

we had enough time to run into our

970

00:39:38,390 --> 00:39:36,320

parents room and

971

00:39:39,750 --> 00:39:38,400

try to get them out of bed to come and

972

00:39:42,390 --> 00:39:39,760

watch this

973

00:39:43,190 --> 00:39:42,400

but they told us to go back to sleep so

974

00:39:45,990 --> 00:39:43,200

they

975

00:39:47,270 --> 00:39:46,000

perhaps didn't believe us eventually the

976
00:39:49,829 --> 00:39:47,280
yellow craft

977
00:39:50,550 --> 00:39:49,839
had enough of this chase and took off to

978
00:39:53,670 --> 00:39:50,560
our right

979
00:39:55,030 --> 00:39:53,680
and disappeared behind a hill we that

980
00:39:56,550 --> 00:39:55,040
was the end of the event we

981
00:39:58,230 --> 00:39:56,560
didn't see any more chasing and we

982
00:40:00,790 --> 00:39:58,240
didn't see any more craft

983
00:40:02,870 --> 00:40:00,800
the um we waited probably for an hour

984
00:40:05,829 --> 00:40:02,880
afterwards to see if they'd reappear but

985
00:40:06,309 --> 00:40:05,839
they didn't all up the sighting lasted

986
00:40:10,150 --> 00:40:06,319
maybe

987
00:40:13,190 --> 00:40:10,160
15 minutes in total now two days later

988
00:40:16,150 --> 00:40:13,200

uh the in the paper another chap

989

00:40:17,990 --> 00:40:16,160

had reported on the same night at the

990

00:40:20,870 --> 00:40:18,000

same time

991

00:40:22,470 --> 00:40:20,880

uh hearing a loud crash he ran out the

992

00:40:25,990 --> 00:40:22,480

back of his house

993

00:40:29,030 --> 00:40:26,000

shone the torch into a tree and saw this

994

00:40:29,990 --> 00:40:29,040

yellow object wedged some 30 or 40

995

00:40:33,030 --> 00:40:30,000

meters into

996

00:40:34,390 --> 00:40:33,040

the upper branches of this tree he

997

00:40:37,030 --> 00:40:34,400

described it as an

998

00:40:38,630 --> 00:40:37,040

eight meter long yellow speedboat shape

999

00:40:40,950 --> 00:40:38,640

from the underside

1000

00:40:41,990 --> 00:40:40,960

now the craft had knocked off a branch

1001
00:40:44,870 --> 00:40:42,000
measuring some

1002
00:40:47,109 --> 00:40:44,880
30 centimeters in diameter and had done

1003
00:40:49,589 --> 00:40:47,119
significant damage to the tree so it

1004
00:40:51,670 --> 00:40:49,599
had a pretty significant impact but it

1005
00:40:54,390 --> 00:40:51,680
wasn't destroyed

1006
00:40:55,829 --> 00:40:54,400
daryl the chap who had witnessed this

1007
00:40:57,750 --> 00:40:55,839
called the police

1008
00:41:00,630 --> 00:40:57,760
and they did turn up but by the time

1009
00:41:03,030 --> 00:41:00,640
they turned up the craft had disappeared

1010
00:41:04,309 --> 00:41:03,040
but from my brother's perspective and my

1011
00:41:06,550 --> 00:41:04,319
own perspective

1012
00:41:08,470 --> 00:41:06,560
we knew daryl was telling the truth

1013
00:41:11,190 --> 00:41:08,480

because we had witnessed

1014

00:41:12,390 --> 00:41:11,200

the same event on the same night at the

1015

00:41:15,349 --> 00:41:12,400

same time

1016

00:41:16,470 --> 00:41:15,359

and where the craft had disappeared to

1017

00:41:19,030 --> 00:41:16,480

from our own

1018

00:41:20,710 --> 00:41:19,040

vision was where daryl lived which was

1019

00:41:23,430 --> 00:41:20,720

behind that hill

1020

00:41:23,910 --> 00:41:23,440

so we knew that the two events or the

1021

00:41:27,829 --> 00:41:23,920

two

1022

00:41:31,109 --> 00:41:27,839

sightings were the same event

1023

00:41:31,910 --> 00:41:31,119

so i guess my reason for bringing this

1024

00:41:35,109 --> 00:41:31,920

out to

1025

00:41:37,030 --> 00:41:35,119

public is that i'm hoping to bring the

1026
00:41:38,710 --> 00:41:37,040
conversation to move the conversation

1027
00:41:39,510 --> 00:41:38,720
forward beyond the believe it or not

1028
00:41:41,109 --> 00:41:39,520
stage

1029
00:41:42,870 --> 00:41:41,119
most of the public still seem

1030
00:41:44,870 --> 00:41:42,880
unconvinced that we are actually

1031
00:41:46,550 --> 00:41:44,880
being visited and from my own

1032
00:41:48,550 --> 00:41:46,560
perspective uh well

1033
00:41:50,630 --> 00:41:48,560
it's there is no question these these

1034
00:41:53,670 --> 00:41:50,640
craft were so far beyond

1035
00:41:56,790 --> 00:41:53,680
the human inventory especially

1036
00:41:59,270 --> 00:41:56,800
during the 1980s when i think the first

1037
00:42:02,950 --> 00:41:59,280
handheld calculator only came out

1038
00:42:04,870 --> 00:42:02,960

in 1972 into australia so we were still

1039

00:42:06,069 --> 00:42:04,880

pretty primitive as far as electronic

1040

00:42:09,109 --> 00:42:06,079

technology went

1041

00:42:12,150 --> 00:42:09,119

and these craft performed like nothing

1042

00:42:13,670 --> 00:42:12,160

that uh the human inventory had in its

1043

00:42:18,150 --> 00:42:13,680

possession

1044

00:42:21,030 --> 00:42:18,160

so it leaves very little

1045

00:42:21,589 --> 00:42:21,040

other explanations except to say that

1046

00:42:31,030 --> 00:42:21,599

these

1047

00:42:33,349 --> 00:42:31,040

non-human and likely extraterrestrial

1048

00:42:34,630 --> 00:42:33,359

so the question is or the questions

1049

00:42:37,750 --> 00:42:34,640

which i would like

1050

00:42:40,309 --> 00:42:37,760

the conversation to pursue

1051

00:42:42,630 --> 00:42:40,319

is what are they doing here you know

1052

00:42:45,349 --> 00:42:42,640

these are these are important questions

1053

00:42:47,109 --> 00:42:45,359

uh are they here to help us or are they

1054

00:42:49,910 --> 00:42:47,119

here to protect their own interest

1055

00:42:51,589 --> 00:42:49,920

in the planet we this is the level of

1056

00:42:53,589 --> 00:42:51,599

conversation that we need to get to

1057

00:42:55,270 --> 00:42:53,599

and we need to move beyond the believe

1058

00:42:58,069 --> 00:42:55,280

it or not stage

1059

00:42:59,190 --> 00:42:58,079

i believe that the conversation is very

1060

00:43:01,510 --> 00:42:59,200

important

1061

00:43:02,630 --> 00:43:01,520

the fact that my brother and i witnessed

1062

00:43:05,670 --> 00:43:02,640

conflict

1063

00:43:10,230 --> 00:43:05,680

tells us an enormous amount about

1064

00:43:13,990 --> 00:43:10,240

the the makeup of the visitors who are

1065

00:43:14,390 --> 00:43:14,000

doing stuff on earth if there's conflict

1066

00:43:16,390 --> 00:43:14,400

that

1067

00:43:17,990 --> 00:43:16,400

still exists within these

1068

00:43:20,630 --> 00:43:18,000

extraterrestrial groups

1069

00:43:22,230 --> 00:43:20,640

then it's likely that self-interest also

1070

00:43:24,470 --> 00:43:22,240

exists

1071

00:43:26,150 --> 00:43:24,480

and this is this is sort of probably one

1072

00:43:27,030 --> 00:43:26,160

of the most important parts of the

1073

00:43:29,750 --> 00:43:27,040

conversation

1074

00:43:30,950 --> 00:43:29,760

is that a lot of the a lot of the

1075

00:43:33,589 --> 00:43:30,960

conversation

1076
00:43:35,910 --> 00:43:33,599
seems to be or a lot of witnesses seem

1077
00:43:38,309 --> 00:43:35,920
to think that they are here to help us

1078
00:43:40,150 --> 00:43:38,319
well it may it may be that these

1079
00:43:41,750 --> 00:43:40,160
entities are more benevolent than the

1080
00:43:43,829 --> 00:43:41,760
human race

1081
00:43:45,430 --> 00:43:43,839
uh after all we're pretty well like

1082
00:43:46,950 --> 00:43:45,440
planet of the apes we're a bunch of

1083
00:43:50,069 --> 00:43:46,960
warring tribes

1084
00:43:51,670 --> 00:43:50,079
so there's no no credits to the human

1085
00:43:54,230 --> 00:43:51,680
species at all

1086
00:43:55,829 --> 00:43:54,240
but whether they're here to help us or

1087
00:44:00,230 --> 00:43:55,839
protect their own interests

1088
00:44:03,270 --> 00:44:00,240

is really the big question

1089

00:44:04,790 --> 00:44:03,280

uh i hope that you guys consider from

1090

00:44:08,390 --> 00:44:04,800

your own experiences

1091

00:44:10,870 --> 00:44:08,400

what sort of evidence that you've

1092

00:44:13,190 --> 00:44:10,880

witnessed personally that will add to

1093

00:44:14,550 --> 00:44:13,200

this story and i encourage you guys to

1094

00:44:16,790 --> 00:44:14,560

bring it out so that

1095

00:44:17,829 --> 00:44:16,800

we can begin a conversation because our

1096

00:44:20,390 --> 00:44:17,839

governments are not

1097

00:44:21,670 --> 00:44:20,400

our institutions are letting us down

1098

00:44:24,230 --> 00:44:21,680

they uh

1099

00:44:25,109 --> 00:44:24,240

and i've been in denial as much as uh

1100

00:44:28,470 --> 00:44:25,119

most of the

1101

00:44:29,430 --> 00:44:28,480

the general public so um thanks for

1102

00:44:40,160 --> 00:44:29,440

listening and i

1103

00:44:40,170 --> 00:44:43,430

[Music]

1104

00:44:46,630 --> 00:44:45,349

somewhere in the skies is produced by

1105

00:44:48,470 --> 00:44:46,640

third kind productions
