

# SOMEWHERE IN THE SKIES

---

THE UAP TASK FORCE,  
MAINSTREAM MEDIA,  
AND DISCLOSURE

GUEST: CLAYTON MORRIS

1  
00:00:00,000 --> 00:00:02,950

[Music]

2  
00:00:08,230 --> 00:00:05,910  
ufos seem to be invading both our skies

3  
00:00:10,390 --> 00:00:08,240  
and our news outlets like never before

4  
00:00:11,749 --> 00:00:10,400  
and more people are starting to look up

5  
00:00:15,110 --> 00:00:11,759  
and are wondering who

6  
00:00:16,950 --> 00:00:15,120  
or what might be out there in 2016

7  
00:00:19,109 --> 00:00:16,960  
ryan spregg introduced the world to

8  
00:00:20,710 --> 00:00:19,119  
countless ufo encounters that had never

9  
00:00:22,870 --> 00:00:20,720  
been made public before

10  
00:00:24,870 --> 00:00:22,880  
and now in the second edition of his

11  
00:00:27,670 --> 00:00:24,880  
book he revisits these events and

12  
00:00:29,990 --> 00:00:27,680  
introduces brand new ufo cases

13  
00:00:32,229 --> 00:00:30,000

in somewhere in the skies a human

14

00:00:34,310 --> 00:00:32,239

approach to the ufo phenomenon

15

00:00:35,590 --> 00:00:34,320

how have these events changed the lives

16

00:00:37,030 --> 00:00:35,600

of those involved

17

00:00:39,750 --> 00:00:37,040

and what might it tell us about the

18

00:00:41,670 --> 00:00:39,760

phenomenon with in-depth follow-ups

19

00:00:43,590 --> 00:00:41,680

brand new chapters and detailed

20

00:00:44,069 --> 00:00:43,600

testimony from credible witnesses and

21

00:00:46,229 --> 00:00:44,079

insight

22

00:00:47,910 --> 00:00:46,239

from those in the psychological academic

23

00:00:50,389 --> 00:00:47,920

and scientific fields

24

00:00:52,069 --> 00:00:50,399

somewhere in the skies a human approach

25

00:00:54,549 --> 00:00:52,079

to the ufo phenomenon

26  
00:00:56,229 --> 00:00:54,559  
weaves together a story of stories

27  
00:00:56,869 --> 00:00:56,239  
attempting to get to the heart of these

28  
00:00:59,670 --> 00:00:56,879  
mysteries

29  
00:01:00,389 --> 00:00:59,680  
one experience at a time available now

30  
00:01:02,790 --> 00:01:00,399  
on amazon

31  
00:01:16,530 --> 00:01:02,800  
in both paperback and ebook to learn

32  
00:01:24,830 --> 00:01:17,830  
[Music]

33  
00:01:43,830 --> 00:01:27,200  
spread

34  
00:01:45,749 --> 00:01:43,840  
[Music]

35  
00:01:47,069 --> 00:01:45,759  
somewhere in the skies premiered on

36  
00:01:50,230 --> 00:01:47,079  
april 17

37  
00:01:51,190 --> 00:01:50,240  
2017 with our very first guest being

38  
00:01:54,469 --> 00:01:51,200

historian

39

00:01:56,389 --> 00:01:54,479

author and ufo researcher richard dolan

40

00:01:59,270 --> 00:01:56,399

the episode covered a very interesting

41

00:02:01,429 --> 00:01:59,280

aspect to the entire ufo topic

42

00:02:02,550 --> 00:02:01,439

but in particular it focused on the

43

00:02:05,429 --> 00:02:02,560

manipulation

44

00:02:07,350 --> 00:02:05,439

and influence by the mainstream media

45

00:02:10,550 --> 00:02:07,360

when it comes to ufos

46

00:02:12,869 --> 00:02:10,560

but it goes much much deeper than just

47

00:02:14,070 --> 00:02:12,879

ridiculing the topic or having a little

48

00:02:16,070 --> 00:02:14,080

laugh

49

00:02:17,190 --> 00:02:16,080

here's richard dolan during our very

50

00:02:18,550 --> 00:02:17,200

first interview

51  
00:02:20,710 --> 00:02:18,560  
a couple of things that you notice about

52  
00:02:21,670 --> 00:02:20,720  
mainstream media it's interesting

53  
00:02:22,710 --> 00:02:21,680  
because we went through the whole

54  
00:02:26,070 --> 00:02:22,720  
election of 20

55  
00:02:28,710 --> 00:02:26,080  
in 2016 and now in 2017 and media itself

56  
00:02:29,110 --> 00:02:28,720  
is a story we hear everyone talking

57  
00:02:31,750 --> 00:02:29,120  
about

58  
00:02:33,190 --> 00:02:31,760  
so-called fake news and and you know

59  
00:02:37,030 --> 00:02:33,200  
there's lots of ways to look at

60  
00:02:39,270 --> 00:02:37,040  
this fake news phenomenon my perspective

61  
00:02:41,910 --> 00:02:39,280  
on it is that the corporate mainstream

62  
00:02:45,270 --> 00:02:41,920  
media itself is the primary conveyor

63  
00:02:46,949 --> 00:02:45,280

and purveyor of fake news and i say this

64

00:02:48,790 --> 00:02:46,959

not siding with any one particular

65

00:02:51,670 --> 00:02:48,800

political party here

66

00:02:52,470 --> 00:02:51,680

but i have been looking at cnn and msnbc

67

00:02:56,309 --> 00:02:52,480

and fox

68

00:02:58,630 --> 00:02:56,319

and uh pbs and really all of these large

69

00:03:00,390 --> 00:02:58,640

corporate dominated uh intelligence

70

00:03:02,869 --> 00:03:00,400

community dominated

71

00:03:04,149 --> 00:03:02,879

sources of news as purveyors of fake

72

00:03:07,190 --> 00:03:04,159

news

73

00:03:08,149 --> 00:03:07,200

one of the things that um was important

74

00:03:09,990 --> 00:03:08,159

for me is just

75

00:03:12,070 --> 00:03:10,000

to mention to people that not only is a

76  
00:03:13,750 --> 00:03:12,080  
mainstream media not your friend or my

77  
00:03:15,030 --> 00:03:13,760  
my friend i mean it lies it spins its

78  
00:03:17,270 --> 00:03:15,040  
sensors

79  
00:03:19,430 --> 00:03:17,280  
it's owned by just a few very sm

80  
00:03:21,350 --> 00:03:19,440  
powerful corporations it is merged

81  
00:03:22,949 --> 00:03:21,360  
with the popular culture entertainment

82  
00:03:24,630 --> 00:03:22,959  
industry it cooperates with the

83  
00:03:25,270 --> 00:03:24,640  
intelligence community all of this is

84  
00:03:27,110 --> 00:03:25,280  
known

85  
00:03:27,990 --> 00:03:27,120  
people often don't recognize this they

86  
00:03:28,949 --> 00:03:28,000  
don't pay attention they don't know

87  
00:03:31,110 --> 00:03:28,959  
their history

88  
00:03:32,470 --> 00:03:31,120

but the mainstream media has cooperated

89

00:03:35,270 --> 00:03:32,480

with us intelligence

90

00:03:37,270 --> 00:03:35,280

for decades and generations still does

91

00:03:38,550 --> 00:03:37,280

but it also makes us sick and i mean

92

00:03:40,630 --> 00:03:38,560

physically it makes us sick

93

00:03:41,910 --> 00:03:40,640

and intellectually emotionally it makes

94

00:03:44,229 --> 00:03:41,920

us sick again

95

00:03:45,190 --> 00:03:44,239

that interview was from almost four

96

00:03:47,910 --> 00:03:45,200

years ago

97

00:03:49,750 --> 00:03:47,920

when dolan brought this to our attention

98

00:03:52,949 --> 00:03:49,760

and i mean it was no huge secret

99

00:03:55,270 --> 00:03:52,959

but it seemed a whole new era

100

00:03:57,270 --> 00:03:55,280

in our budding social media age when

101  
00:03:59,990 --> 00:03:57,280  
both the 24-hour news cycle

102  
00:04:00,710 --> 00:04:00,000  
and the clashing idealism of politics

103  
00:04:04,229 --> 00:04:00,720  
beliefs

104  
00:04:07,350 --> 00:04:04,239  
and truth we're beginning to consume us

105  
00:04:10,070 --> 00:04:07,360  
every single second of every single day

106  
00:04:12,149 --> 00:04:10,080  
and as these early warnings by dolan and

107  
00:04:15,270 --> 00:04:12,159  
many others throughout the decades

108  
00:04:17,590 --> 00:04:15,280  
have become more and more real we find

109  
00:04:20,550 --> 00:04:17,600  
ourselves in a whole new world

110  
00:04:21,349 --> 00:04:20,560  
of uncertainty but we have to ask

111  
00:04:24,710 --> 00:04:21,359  
ourselves

112  
00:04:26,790 --> 00:04:24,720  
how new is it today

113  
00:04:28,310 --> 00:04:26,800

we talked to former host and news

114

00:04:31,189 --> 00:04:28,320

reporter clayton

115

00:04:33,189 --> 00:04:31,199

morris morris not only observed these

116

00:04:36,150 --> 00:04:33,199

notions being brought forward by

117

00:04:38,070 --> 00:04:36,160

dolan but he was a part of the machine

118

00:04:41,110 --> 00:04:38,080

that controlled it

119

00:04:44,390 --> 00:04:41,120

having worked for fox news he saw

120

00:04:47,590 --> 00:04:44,400

everything and now looking back

121

00:04:48,550 --> 00:04:47,600

he's able to understand and reflect on

122

00:04:51,749 --> 00:04:48,560

how deep

123

00:04:53,670 --> 00:04:51,759

and how high it actually goes

124

00:04:55,189 --> 00:04:53,680

i really try to shine a light on the

125

00:04:58,150 --> 00:04:55,199

fact that you're being lied to

126  
00:04:58,550 --> 00:04:58,160  
by the mainstream media every day you're

127  
00:05:00,950 --> 00:04:58,560  
being

128  
00:05:03,270 --> 00:05:00,960  
spoon-fed by the mainstream media every

129  
00:05:05,830 --> 00:05:03,280  
day you know people forget that it's a

130  
00:05:07,990 --> 00:05:05,840  
for-profit organization so you're

131  
00:05:09,350 --> 00:05:08,000  
watching msnbc you're watching cnn

132  
00:05:11,189 --> 00:05:09,360  
you're watching fox you're watching any

133  
00:05:14,550 --> 00:05:11,199  
of these channels and they're all

134  
00:05:16,310 --> 00:05:14,560  
for-profit massive companies that have

135  
00:05:18,230 --> 00:05:16,320  
an agenda they have a narrative they

136  
00:05:19,909 --> 00:05:18,240  
have a story and they know their

137  
00:05:20,629 --> 00:05:19,919  
audience and they're not going to tell

138  
00:05:23,110 --> 00:05:20,639

you

139

00:05:24,950 --> 00:05:23,120

the more difficult pieces of that story

140

00:05:26,790 --> 00:05:24,960

it's hard for people to swallow because

141

00:05:28,550 --> 00:05:26,800

we're also spoon fed these things

142

00:05:29,909 --> 00:05:28,560

and you might be a fan of rachel maddow

143

00:05:31,510 --> 00:05:29,919

you might be a fan of uh

144

00:05:32,950 --> 00:05:31,520

tucker carlson you might be a fan of

145

00:05:35,670 --> 00:05:32,960

hannity you might be a fan of

146

00:05:36,310 --> 00:05:35,680

joy read whatever it is to me all i'm

147

00:05:38,950 --> 00:05:36,320

saying is

148

00:05:40,870 --> 00:05:38,960

i want people to really start thinking

149

00:05:44,230 --> 00:05:40,880

outside of these sources

150

00:05:46,870 --> 00:05:44,240

because there's a whole world out there

151  
00:05:47,430 --> 00:05:46,880  
of people in the united states there's a

152  
00:05:50,390 --> 00:05:47,440  
hundred

153  
00:05:51,590 --> 00:05:50,400  
million people that don't vote 100

154  
00:05:53,189 --> 00:05:51,600  
million

155  
00:05:55,029 --> 00:05:53,199  
and the reason that you see wall street

156  
00:05:57,830 --> 00:05:55,039  
doing just fine is because if

157  
00:05:59,110 --> 00:05:57,840  
biden wins they'll be fine if trump wins

158  
00:06:01,110 --> 00:05:59,120  
they'll be fine

159  
00:06:02,710 --> 00:06:01,120  
because they're all part of this same

160  
00:06:05,510 --> 00:06:02,720  
machine

161  
00:06:07,430 --> 00:06:05,520  
and stretching far beyond politics we

162  
00:06:07,909 --> 00:06:07,440  
also hear about how clayton morris

163  
00:06:11,110 --> 00:06:07,919

fought

164

00:06:13,590 --> 00:06:11,120

to get the ufo topic covered in the most

165

00:06:14,950 --> 00:06:13,600

serious manner almost everything that

166

00:06:17,990 --> 00:06:14,960

you saw on fox was

167

00:06:20,790 --> 00:06:18,000

it was me bringing them a story

168

00:06:22,870 --> 00:06:20,800

this story is explosive and we need to

169

00:06:25,510 --> 00:06:22,880

do it we need to cover the story

170

00:06:26,469 --> 00:06:25,520

and so one time fox when i was doing the

171

00:06:28,629 --> 00:06:26,479

show they played

172

00:06:30,230 --> 00:06:28,639

um some like x-files music or something

173

00:06:32,790 --> 00:06:30,240

like that coming back from

174

00:06:33,990 --> 00:06:32,800

from break two into the segment and i

175

00:06:36,870 --> 00:06:34,000

flipped out in the meeting

176

00:06:38,469 --> 00:06:36,880

afterwards i was like no never again

177

00:06:40,070 --> 00:06:38,479

this story should be treated just as

178

00:06:43,510 --> 00:06:40,080

importantly as anything else we do

179

00:06:44,550 --> 00:06:43,520

and we never did it again here's our

180

00:06:49,670 --> 00:06:44,560

conversation

181

00:06:52,150 --> 00:06:49,680

with clayton morris

182

00:06:53,589 --> 00:06:52,160

clayton thank you so much for joining me

183

00:06:55,270 --> 00:06:53,599

for the very first time

184

00:06:56,950 --> 00:06:55,280

on somewhere in the skies are you

185

00:06:57,430 --> 00:06:56,960

kidding me man i know this has been like

186

00:07:14,070 --> 00:06:57,440

i

187

00:07:15,749 --> 00:07:14,080

paranormal world

188

00:07:16,629 --> 00:07:15,759

and in the mainstream media world which

189

00:07:17,510 --> 00:07:16,639

is kind of what we're going to be

190

00:07:19,749 --> 00:07:17,520

talking about

191

00:07:20,550 --> 00:07:19,759

today a little bit but um no it's

192

00:07:22,309 --> 00:07:20,560

definitely

193

00:07:24,070 --> 00:07:22,319

a pleasure having you here and we have

194

00:07:25,670 --> 00:07:24,080

so much to talk about man i think the

195

00:07:28,070 --> 00:07:25,680

last time we spoke

196

00:07:28,950 --> 00:07:28,080

was um right when the new york times

197

00:07:31,430 --> 00:07:28,960

story

198

00:07:32,790 --> 00:07:31,440

broke and a lot has happened since then

199

00:07:36,150 --> 00:07:32,800

so yeah we're gonna go

200

00:07:36,710 --> 00:07:36,160

deeper this is gonna be fun um well yeah

201  
00:07:38,870 --> 00:07:36,720  
i mean

202  
00:07:39,990 --> 00:07:38,880  
before we even really get to the bulk of

203  
00:07:43,270 --> 00:07:40,000  
the conversation

204  
00:07:45,589 --> 00:07:43,280  
i uh my origin story with you is

205  
00:07:46,790 --> 00:07:45,599  
i came across your work through podcast

206  
00:07:48,710 --> 00:07:46,800  
legend jim

207  
00:07:50,550 --> 00:07:48,720  
harold who everyone on the show probably

208  
00:07:52,869 --> 00:07:50,560  
knows he's been on a few times

209  
00:07:54,629 --> 00:07:52,879  
uh jim harold of the paranormal podcast

210  
00:07:57,110 --> 00:07:54,639  
and i would love

211  
00:07:57,830 --> 00:07:57,120  
to hear all about how you became

212  
00:08:00,070 --> 00:07:57,840  
connected with

213  
00:08:01,990 --> 00:08:00,080

jim your work together yeah maybe a

214

00:08:04,309 --> 00:08:02,000

little about how your interests

215

00:08:06,550 --> 00:08:04,319

in the paranormal and ufos started give

216

00:08:07,029 --> 00:08:06,560

us the origin story of clayton morris in

217

00:08:09,350 --> 00:08:07,039

this

218

00:08:10,230 --> 00:08:09,360

paranormal world you know it's funny i

219

00:08:12,309 --> 00:08:10,240

had i

220

00:08:13,510 --> 00:08:12,319

i actually it was the very beginning of

221

00:08:16,309 --> 00:08:13,520

me working uh

222

00:08:17,990 --> 00:08:16,319

at fox news channel in new york and um

223

00:08:20,710 --> 00:08:18,000

you know grew up in philadelphia i just

224

00:08:23,749 --> 00:08:20,720

left my job as a host of good day

225

00:08:25,830 --> 00:08:23,759

good day philadelphia and was on my way

226

00:08:27,670 --> 00:08:25,840

to new york city to host that show and

227

00:08:30,469 --> 00:08:27,680

started i was there for maybe five

228

00:08:32,070 --> 00:08:30,479

six seven months or so and i was always

229

00:08:32,870 --> 00:08:32,080

obsessed with the paranormal since i was

230

00:08:36,310 --> 00:08:32,880

a child and

231

00:08:38,230 --> 00:08:36,320

and mysteries and unexplained stories

232

00:08:39,589 --> 00:08:38,240

these things always fascinated me and my

233

00:08:42,870 --> 00:08:39,599

sister as well

234

00:08:44,070 --> 00:08:42,880

and i stumbled across i think it was in

235

00:08:46,710 --> 00:08:44,080

that maybe its first

236

00:08:49,030 --> 00:08:46,720

year or so was the paranormal podcast or

237

00:08:51,430 --> 00:08:49,040

was within its first year was jim's

238

00:08:53,190 --> 00:08:51,440

show and uh i became obsessed with it

239

00:08:53,990 --> 00:08:53,200

was listening to it and i just reached

240

00:08:56,389 --> 00:08:54,000

out to jim

241

00:08:58,470 --> 00:08:56,399

i think via twitter and he said oh my

242

00:09:00,310 --> 00:08:58,480

god i'm a huge fan of your show i watch

243

00:09:00,949 --> 00:09:00,320

you all the time on fox and i said

244

00:09:02,870 --> 00:09:00,959

really i mean

245

00:09:04,470 --> 00:09:02,880

he's like i can't believe this and and

246

00:09:06,070 --> 00:09:04,480

we just connected and we became great

247

00:09:07,110 --> 00:09:06,080

friends we got on the phone we talked

248

00:09:09,590 --> 00:09:07,120

and then

249

00:09:11,030 --> 00:09:09,600

we just started coming up with ideas i i

250

00:09:12,310 --> 00:09:11,040

kind of i don't know who came up with

251  
00:09:14,389 --> 00:09:12,320  
the idea but i said look

252  
00:09:15,750 --> 00:09:14,399  
maybe we should do a show together you

253  
00:09:17,509 --> 00:09:15,760  
know i've been wanting to do

254  
00:09:19,190 --> 00:09:17,519  
i said i think i think i might have said

255  
00:09:20,310 --> 00:09:19,200  
i've been wanting to do like a video

256  
00:09:21,829 --> 00:09:20,320  
paranormal show

257  
00:09:24,310 --> 00:09:21,839  
could we pull something like that off

258  
00:09:26,710 --> 00:09:24,320  
and jim obviously had the

259  
00:09:27,750 --> 00:09:26,720  
the the broadcasting chops and the

260  
00:09:29,590 --> 00:09:27,760  
experience and

261  
00:09:31,829 --> 00:09:29,600  
i don't remember it it's been like 12

262  
00:09:33,910 --> 00:09:31,839  
years at this point like what what the

263  
00:09:35,590 --> 00:09:33,920

what the entomology of that uh

264

00:09:37,670 --> 00:09:35,600

relationship was but

265

00:09:39,030 --> 00:09:37,680

um i i would tell jim i said you know

266

00:09:41,590 --> 00:09:39,040

there's something there was something so

267

00:09:43,269 --> 00:09:41,600

calming about jim's voice and you could

268

00:09:43,990 --> 00:09:43,279

tell that he had such empathy and

269

00:09:47,030 --> 00:09:44,000

reverence

270

00:09:48,630 --> 00:09:47,040

for the material and i uh you know i

271

00:09:49,990 --> 00:09:48,640

said i would like fall asleep listening

272

00:09:51,990 --> 00:09:50,000

to your shows not in a bad

273

00:09:53,269 --> 00:09:52,000

way but i just found them like lights

274

00:09:56,710 --> 00:09:53,279

off

275

00:09:58,070 --> 00:09:56,720

spooky story you know like um and i like

276

00:09:58,949 --> 00:09:58,080

for instance for you like one of your

277

00:10:00,949 --> 00:09:58,959

shows like that's

278

00:10:02,710 --> 00:10:00,959

the same thing like just with the music

279

00:10:04,389 --> 00:10:02,720

and the ambiance and how highly

280

00:10:06,389 --> 00:10:04,399

well-produced it is it's like

281

00:10:08,470 --> 00:10:06,399

you know that's perfect sort of like you

282

00:10:10,870 --> 00:10:08,480

know dark turn off the lights put a fire

283

00:10:12,470 --> 00:10:10,880

in the fireplace put your headphones on

284

00:10:14,630 --> 00:10:12,480

the ambiance that you put into your

285

00:10:17,509 --> 00:10:14,640

shows is just fantastic so

286

00:10:18,870 --> 00:10:17,519

um so kudos to you and so that's really

287

00:10:21,350 --> 00:10:18,880

how it started and then we

288

00:10:23,590 --> 00:10:21,360

started together doing a show called the

289

00:10:26,870 --> 00:10:23,600

paranormal report which was a

290

00:10:29,750 --> 00:10:26,880

once once a week video 30 minute uh

291

00:10:31,590 --> 00:10:29,760

video show where we would run down sort

292

00:10:34,310 --> 00:10:31,600

of the news of the week

293

00:10:35,670 --> 00:10:34,320

and yeah it just kind of grew from there

294

00:10:36,389 --> 00:10:35,680

and you know it was it was starting to

295

00:10:37,990 --> 00:10:36,399

take off

296

00:10:39,509 --> 00:10:38,000

you know and you know that's one of the

297

00:10:40,389 --> 00:10:39,519

problems like i worked in the mainstream

298

00:10:42,230 --> 00:10:40,399

media

299

00:10:43,750 --> 00:10:42,240

and that's one of the issues is like

300

00:10:45,590 --> 00:10:43,760

working in the mainstream media you're

301  
00:10:47,910 --> 00:10:45,600  
sort of bought and sold by them

302  
00:10:49,350 --> 00:10:47,920  
right you sign a contract you are their

303  
00:10:52,790 --> 00:10:49,360  
anchor you know i am

304  
00:10:55,750 --> 00:10:52,800  
i am the anchor for fox news and

305  
00:10:56,470 --> 00:10:55,760  
they just didn't like that i was like a

306  
00:10:58,949 --> 00:10:56,480  
host

307  
00:11:00,470 --> 00:10:58,959  
on another show that had nothing to do

308  
00:11:03,590 --> 00:11:00,480  
with their ownership

309  
00:11:05,350 --> 00:11:03,600  
so they kindly asked me please

310  
00:11:07,110 --> 00:11:05,360  
this would be technically a breach of

311  
00:11:10,150 --> 00:11:07,120  
contract would you mind

312  
00:11:12,550 --> 00:11:10,160  
stop doing this show and for me as a

313  
00:11:13,670 --> 00:11:12,560

fear-based young man who was just really

314

00:11:16,310 --> 00:11:13,680

getting started in

315

00:11:16,870 --> 00:11:16,320

like the biggest part of my career to

316

00:11:20,710 --> 00:11:16,880

have

317

00:11:22,230 --> 00:11:20,720

like a legal team sort of just nicely

318

00:11:23,910 --> 00:11:22,240

threatened you not threatened but you

319

00:11:25,030 --> 00:11:23,920

know nicely sort of nudge you in the

320

00:11:28,150 --> 00:11:25,040

right direction

321

00:11:29,509 --> 00:11:28,160

you might not want to do this and you

322

00:11:30,949 --> 00:11:29,519

know jim and i we weren't making any

323

00:11:31,430 --> 00:11:30,959

money doing it it was just a labor of

324

00:11:34,790 --> 00:11:31,440

love

325

00:11:36,150 --> 00:11:34,800

um and i just you know i had kids and i

326

00:11:39,590 --> 00:11:36,160

had to just make a decision

327

00:11:41,990 --> 00:11:39,600

and uh jim was gracious and kind and

328

00:11:44,150 --> 00:11:42,000

having to end that show and i think

329

00:11:45,430 --> 00:11:44,160

people then we a few like a few years

330

00:11:46,710 --> 00:11:45,440

later we were able to do a podcast

331

00:11:48,389 --> 00:11:46,720

together and talk about it

332

00:11:50,069 --> 00:11:48,399

it just but i felt bad because i really

333

00:11:51,750 --> 00:11:50,079

wasn't able to say anything i wasn't

334

00:11:53,509 --> 00:11:51,760

able to come out and kind of say i had i

335

00:11:55,990 --> 00:11:53,519

can't do this anymore we just had to say

336

00:11:57,430 --> 00:11:56,000

it was for personal reasons and

337

00:11:59,509 --> 00:11:57,440

it was that was the truth it was

338

00:12:01,110 --> 00:11:59,519

personal reasons but it uh it was

339

00:12:03,030 --> 00:12:01,120

kindly asked for by my corporate

340

00:12:06,310 --> 00:12:03,040

overlords to not do it

341

00:12:09,430 --> 00:12:06,320

hey man i mean look in you know we were

342

00:12:12,949 --> 00:12:09,440

i mean as a fan i i was disappointed but

343

00:12:13,750 --> 00:12:12,959

we understood like again i as i've sort

344

00:12:18,150 --> 00:12:13,760

of

345

00:12:19,509 --> 00:12:18,160

entertainment world as well when it

346

00:12:22,230 --> 00:12:19,519

comes to the paranormal

347

00:12:23,269 --> 00:12:22,240

and how it's uh how it's done with

348

00:12:25,590 --> 00:12:23,279

television

349

00:12:27,590 --> 00:12:25,600

um yeah it's tough when you get that

350

00:12:30,629 --> 00:12:27,600

contract and you sign on that line

351

00:12:32,949 --> 00:12:30,639

it they kind of own you and i mean

352

00:12:34,790 --> 00:12:32,959

i dealt with that with my current

353

00:12:36,550 --> 00:12:34,800

television projects and

354

00:12:38,069 --> 00:12:36,560

there were so many other things i wanted

355

00:12:41,110 --> 00:12:38,079

to do but i literally

356

00:12:44,069 --> 00:12:41,120

and legally could not and uh

357

00:12:45,750 --> 00:12:44,079

i completely understand so it was you

358

00:12:46,470 --> 00:12:45,760

know it was a moment in time we'll

359

00:12:49,110 --> 00:12:46,480

always have

360

00:12:50,870 --> 00:12:49,120

of the paranormal report and maybe some

361

00:12:53,110 --> 00:12:50,880

day but we're going to get to some uh

362

00:12:54,629 --> 00:12:53,120

some other stuff you're up to as well in

363

00:12:57,430 --> 00:12:54,639

that room yeah but um

364

00:12:58,389 --> 00:12:57,440

yeah i i guess kind of bouncing off of

365

00:13:01,509 --> 00:12:58,399

your work

366

00:13:04,310 --> 00:13:01,519

at fox now um a lot

367

00:13:04,870 --> 00:13:04,320

of us in this world of ufos um we're

368

00:13:07,910 --> 00:13:04,880

really

369

00:13:08,629 --> 00:13:07,920

excited to hear you talk about ufos on

370

00:13:11,430 --> 00:13:08,639

the air

371

00:13:12,389 --> 00:13:11,440

i mean again you were kind of our are in

372

00:13:14,470 --> 00:13:12,399

at the time

373

00:13:15,670 --> 00:13:14,480

when it came to this topic and getting

374

00:13:17,590 --> 00:13:15,680

it very kind

375

00:13:18,949 --> 00:13:17,600

it to the main but i deserve that but no

376

00:13:21,269 --> 00:13:18,959

you're very kind i mean

377

00:13:23,030 --> 00:13:21,279

thank you for that yeah of course man we

378

00:13:23,910 --> 00:13:23,040

every time you brought it up on the air

379

00:13:25,590 --> 00:13:23,920

we're like yes

380

00:13:27,670 --> 00:13:25,600

that's one more that's one more for

381

00:13:29,990 --> 00:13:27,680

clayton but um i want to ask you

382

00:13:32,069 --> 00:13:30,000

how does that work you know um when it

383

00:13:33,430 --> 00:13:32,079

comes to covering these topics

384

00:13:35,269 --> 00:13:33,440

at least with fox i'm sure it's

385

00:13:37,829 --> 00:13:35,279

different with every network or

386

00:13:39,509 --> 00:13:37,839

um maybe it's not maybe it's a sort of

387

00:13:40,069 --> 00:13:39,519

sweeping thing with the mainstream media

388

00:13:43,110 --> 00:13:40,079

but

389

00:13:45,110 --> 00:13:43,120

do you bring these stories to the

390

00:13:46,710 --> 00:13:45,120

network or is it something they

391

00:13:48,870 --> 00:13:46,720

knew you were kind of interested in so

392

00:13:49,670 --> 00:13:48,880

let's have clayton cover this how does

393

00:13:51,750 --> 00:13:49,680

it work

394

00:13:53,829 --> 00:13:51,760

in at least with fox when it comes to

395

00:13:56,310 --> 00:13:53,839

this topic uh when you were there

396

00:13:57,910 --> 00:13:56,320

right so i was the anchor on a morning

397

00:13:59,030 --> 00:13:57,920

show called fox and friends i did the

398

00:14:01,750 --> 00:13:59,040

weekend version of it

399

00:14:03,509 --> 00:14:01,760

um saturday and sunday and we had a

400

00:14:06,470 --> 00:14:03,519

little bit more leniency on the weekend

401  
00:14:08,230 --> 00:14:06,480  
because we had four hours and at the

402  
00:14:10,389 --> 00:14:08,240  
time when i took over that show they

403  
00:14:12,710 --> 00:14:10,399  
wanted it to be younger and hipper and

404  
00:14:14,790 --> 00:14:12,720  
and and so forth and we we pulled it off

405  
00:14:15,430 --> 00:14:14,800  
you know my co-host my co-host allison

406  
00:14:17,910 --> 00:14:15,440  
and dave

407  
00:14:19,189 --> 00:14:17,920  
and we you know we it was it was a

408  
00:14:19,750 --> 00:14:19,199  
phenomenal time it's probably the

409  
00:14:21,750 --> 00:14:19,760  
greatest

410  
00:14:23,430 --> 00:14:21,760  
time i've ever had in broadcasting and

411  
00:14:26,150 --> 00:14:23,440  
um three of us were just

412  
00:14:27,350 --> 00:14:26,160  
so good together we just the chemistry

413  
00:14:28,550 --> 00:14:27,360

etc was just

414

00:14:30,150 --> 00:14:28,560

fantastic it was like lightning in a

415

00:14:31,030 --> 00:14:30,160

bottle you know you just can't replicate

416

00:14:34,629 --> 00:14:31,040

it

417

00:14:36,629 --> 00:14:34,639

your question

418

00:14:38,550 --> 00:14:36,639

because they knew my personality they

419

00:14:40,389 --> 00:14:38,560

knew i loved weird stories

420

00:14:42,470 --> 00:14:40,399

they knew i loved the paranormal they

421

00:14:42,949 --> 00:14:42,480

knew i loved ufo stories they knew i

422

00:14:45,509 --> 00:14:42,959

loved

423

00:14:47,269 --> 00:14:45,519

things that could make people think

424

00:14:48,870 --> 00:14:47,279

could also make people laugh

425

00:14:51,430 --> 00:14:48,880

so if there was ever like a funny off

426  
00:14:52,870 --> 00:14:51,440  
the wall story hey like pet airways you

427  
00:14:55,110 --> 00:14:52,880  
know like they're gonna fly pets now

428  
00:14:57,269 --> 00:14:55,120  
like fly out to iowa and do a story

429  
00:14:58,550 --> 00:14:57,279  
fly into des moines and do a story on

430  
00:15:01,590 --> 00:14:58,560  
pet airways you know

431  
00:15:02,949 --> 00:15:01,600  
random stuff and have fun with it um

432  
00:15:04,629 --> 00:15:02,959  
we need someone to wear like a chicken

433  
00:15:05,430 --> 00:15:04,639  
suit on the show for something like

434  
00:15:06,629 --> 00:15:05,440  
they're like

435  
00:15:08,710 --> 00:15:06,639  
it wasn't even a question it was like

436  
00:15:10,710 --> 00:15:08,720  
clayton you know like it was like

437  
00:15:12,710 --> 00:15:10,720  
who's the jackass it's basically like

438  
00:15:14,150 --> 00:15:12,720

who could we find that's in our audience

439

00:15:16,230 --> 00:15:14,160

in our show that's like could pull that

440

00:15:18,629 --> 00:15:16,240

off yeah who's the fall guy

441

00:15:20,629 --> 00:15:18,639

right exactly but also they knew that i

442

00:15:23,030 --> 00:15:20,639

was fascinated by that so i would

443

00:15:23,829 --> 00:15:23,040

almost every thing that you saw on fox

444

00:15:26,870 --> 00:15:23,839

and friends was

445

00:15:28,389 --> 00:15:26,880

it was me bringing them a story whether

446

00:15:31,670 --> 00:15:28,399

it was

447

00:15:32,150 --> 00:15:31,680

something from leslie kane um or her new

448

00:15:36,150 --> 00:15:32,160

book

449

00:15:39,350 --> 00:15:36,160

or this story with you know

450

00:15:42,150 --> 00:15:39,360

then candidate obama

451

00:15:43,430 --> 00:15:42,160

the pilot uh whoever became the air

452

00:15:46,150 --> 00:15:43,440

force one pilot who

453

00:15:47,910 --> 00:15:46,160

you know admitted in my interview with

454

00:15:49,350 --> 00:15:47,920

him that uh

455

00:15:50,949 --> 00:15:49,360

you know this is very common and they

456

00:15:52,790 --> 00:15:50,959

witness the ufo off the

457

00:15:55,269 --> 00:15:52,800

you know off the front of the right side

458

00:15:56,790 --> 00:15:55,279

of the uh of air force one

459

00:15:58,790 --> 00:15:56,800

and that other pilots were not allowed

460

00:15:59,269 --> 00:15:58,800

to talk about this it was frowned

461

00:16:00,790 --> 00:15:59,279

upon

462

00:16:02,310 --> 00:16:00,800

and he was hoping that by shedding a

463

00:16:03,030 --> 00:16:02,320

light doing that interview that it would

464

00:16:05,269 --> 00:16:03,040

cast uh

465

00:16:06,790 --> 00:16:05,279

it would open that up so those stories

466

00:16:07,110 --> 00:16:06,800

yeah it was really me sort of bringing

467

00:16:09,189 --> 00:16:07,120

them

468

00:16:11,509 --> 00:16:09,199

and it was always you know i mean i have

469

00:16:13,910 --> 00:16:11,519

to give my producers a lot of uh

470

00:16:14,629 --> 00:16:13,920

a lot of uh credit you know gavin and

471

00:16:17,749 --> 00:16:14,639

jennifer

472

00:16:20,150 --> 00:16:17,759

the people

473

00:16:21,990 --> 00:16:20,160

my production team because i would pitch

474

00:16:24,069 --> 00:16:22,000

this story in a meeting and i had to

475

00:16:26,069 --> 00:16:24,079

bring the energy for it like it was me

476

00:16:27,430 --> 00:16:26,079

selling it to them in a pitch meeting

477

00:16:29,430 --> 00:16:27,440

like listen

478

00:16:31,269 --> 00:16:29,440

leslie kane has just written a book

479

00:16:33,990 --> 00:16:31,279

where she goes on the record

480

00:16:34,870 --> 00:16:34,000

with government officials former members

481

00:16:37,749 --> 00:16:34,880

of the military

482

00:16:39,430 --> 00:16:37,759

high high-ranking generals and this

483

00:16:41,509 --> 00:16:39,440

story is explosive

484

00:16:42,470 --> 00:16:41,519

and we need to do it we need to cover

485

00:16:44,470 --> 00:16:42,480

this story

486

00:16:46,550 --> 00:16:44,480

and it often helped if there was some

487

00:16:48,310 --> 00:16:46,560

other media that this person had done

488

00:16:49,110 --> 00:16:48,320

before so there wasn't something out of

489

00:16:51,269 --> 00:16:49,120

the blue

490

00:16:52,389 --> 00:16:51,279

i'd have to push three or four times in

491

00:16:53,670 --> 00:16:52,399

order to get the story

492

00:16:55,110 --> 00:16:53,680

like hey what about that leslie kane

493

00:16:56,629 --> 00:16:55,120

story what about that leslie you know i

494

00:16:57,430 --> 00:16:56,639

had to push a couple of times to get it

495

00:16:59,350 --> 00:16:57,440

on the air

496

00:17:01,189 --> 00:16:59,360

and then some other random sighting or

497

00:17:03,350 --> 00:17:01,199

events or pilots or whatever it happens

498

00:17:05,750 --> 00:17:03,360

to be i'd have to push a little bit

499

00:17:06,630 --> 00:17:05,760

but in the end they usually caved and

500

00:17:09,029 --> 00:17:06,640

honestly

501  
00:17:10,230 --> 00:17:09,039  
all it comes down to in mainstream media

502  
00:17:13,350 --> 00:17:10,240  
is dollars

503  
00:17:14,549 --> 00:17:13,360  
it all comes down to eyeballs ratings

504  
00:17:17,029 --> 00:17:14,559  
and dollars

505  
00:17:17,829 --> 00:17:17,039  
and so i learned early on that if the

506  
00:17:21,110 --> 00:17:17,839  
segment i

507  
00:17:24,230 --> 00:17:21,120  
pitched would garner high ratings

508  
00:17:26,949 --> 00:17:24,240  
then i would get more of them so

509  
00:17:27,510 --> 00:17:26,959  
i really tried to study the we would get

510  
00:17:29,430 --> 00:17:27,520  
the

511  
00:17:31,029 --> 00:17:29,440  
i don't know if you know this term but

512  
00:17:32,710 --> 00:17:31,039  
for the layperson who's not familiar

513  
00:17:34,230 --> 00:17:32,720

with broadcast terminology you'd get

514

00:17:35,990 --> 00:17:34,240

your minutes

515

00:17:37,830 --> 00:17:36,000

and what that means is you would

516

00:17:38,870 --> 00:17:37,840

literally you could get four hours of

517

00:17:42,150 --> 00:17:38,880

minutes

518

00:17:45,430 --> 00:17:42,160

so you could see that at 8 53 am

519

00:17:47,270 --> 00:17:45,440

when you did that ufo segment then

520

00:17:48,710 --> 00:17:47,280

the minutes like the numbers went off

521

00:17:51,029 --> 00:17:48,720

the charts

522

00:17:52,630 --> 00:17:51,039

so you could track minute by minute and

523

00:17:54,070 --> 00:17:52,640

that's what executives do

524

00:17:55,909 --> 00:17:54,080

you could see the nielsen ratings you

525

00:17:58,070 --> 00:17:55,919

could see the minute by minute response

526  
00:17:59,190 --> 00:17:58,080  
of viewers and eyeballs tuning into your

527  
00:18:01,909 --> 00:17:59,200  
show

528  
00:18:03,750 --> 00:18:01,919  
and so i used to study those the key

529  
00:18:05,909 --> 00:18:03,760  
part was to not look at them at the

530  
00:18:08,070 --> 00:18:05,919  
moment that the segment was on

531  
00:18:10,310 --> 00:18:08,080  
but the the amount of eyeballs that came

532  
00:18:12,310 --> 00:18:10,320  
about five or six minutes later

533  
00:18:14,070 --> 00:18:12,320  
because it was a flow you know maybe

534  
00:18:14,390 --> 00:18:14,080  
someone was telling someone to tune in

535  
00:18:19,510 --> 00:18:14,400  
or

536  
00:18:21,990 --> 00:18:19,520  
that might unfold

537  
00:18:24,230 --> 00:18:22,000  
so and then also a tease what i learned

538  
00:18:25,830 --> 00:18:24,240

is if you didn't tease a story

539

00:18:28,310 --> 00:18:25,840

and again to the lay person not

540

00:18:31,029 --> 00:18:28,320

television savvy if you're ever watching

541

00:18:32,150 --> 00:18:31,039

jake tapper or fox and friends or any

542

00:18:34,150 --> 00:18:32,160

show and they're saying

543

00:18:36,150 --> 00:18:34,160

hey coming up after the break we're

544

00:18:39,669 --> 00:18:36,160

going to be sitting down with uh

545

00:18:40,950 --> 00:18:39,679

uh you know this this individual who

546

00:18:42,710 --> 00:18:40,960

witnessed a ufo

547

00:18:44,310 --> 00:18:42,720

what he thought was a ufo crashing in

548

00:18:47,350 --> 00:18:44,320

kecksburg pennsylvania

549

00:18:48,310 --> 00:18:47,360

in 1965 and what he will tell you about

550

00:18:51,430 --> 00:18:48,320

this ufo

551  
00:18:53,510 --> 00:18:51,440  
is mind-blowing we now have the evidence

552  
00:18:54,950 --> 00:18:53,520  
right after the break if you do not

553  
00:18:57,190 --> 00:18:54,960  
tease a story

554  
00:18:59,270 --> 00:18:57,200  
people don't know what's coming up and

555  
00:19:00,710 --> 00:18:59,280  
so i got in the habit of really making

556  
00:19:02,630 --> 00:19:00,720  
sure that we had time

557  
00:19:04,710 --> 00:19:02,640  
in the segment beforehand to make sure

558  
00:19:06,950 --> 00:19:04,720  
that we didn't have to kill a tease

559  
00:19:09,190 --> 00:19:06,960  
because i knew if i could tease that ufo

560  
00:19:11,110 --> 00:19:09,200  
story i could sell it and i would say

561  
00:19:12,470 --> 00:19:11,120  
coming up after the break and they would

562  
00:19:13,590 --> 00:19:12,480  
give me the read because they knew i

563  
00:19:16,070 --> 00:19:13,600

could sell it

564

00:19:18,549 --> 00:19:16,080

one of the most remarkable ufo sightings

565

00:19:20,870 --> 00:19:18,559

over chicago chicago's o'hare airport

566

00:19:23,350 --> 00:19:20,880

right entire you know an entire part of

567

00:19:25,990 --> 00:19:23,360

the airport shut down because of a ufo

568

00:19:27,669 --> 00:19:26,000

hanging over the tarmac we're gonna show

569

00:19:28,630 --> 00:19:27,679

you the photos and the evidence when we

570

00:19:31,270 --> 00:19:28,640

come back

571

00:19:33,510 --> 00:19:31,280

and you could see a spike in ratings so

572

00:19:36,310 --> 00:19:33,520

i knew that if i could get the eyeballs

573

00:19:37,590 --> 00:19:36,320

i could then also get my producers to to

574

00:19:40,390 --> 00:19:37,600

do the story

575

00:19:41,430 --> 00:19:40,400

so it's a you have to have both i mean

576

00:19:43,510 --> 00:19:41,440

to be successful

577

00:19:44,470 --> 00:19:43,520

you know right it's a game yeah it

578

00:19:46,310 --> 00:19:44,480

really is right

579

00:19:47,909 --> 00:19:46,320

and uh you know we were lucky that you

580

00:19:49,909 --> 00:19:47,919

were really good at playing that game

581

00:19:52,470 --> 00:19:49,919

because we got a lot of those

582

00:19:53,990 --> 00:19:52,480

out of there um i have to ask you know

583

00:19:55,590 --> 00:19:54,000

in terms of when you

584

00:19:57,510 --> 00:19:55,600

you know you pitched it and they said

585

00:19:59,750 --> 00:19:57,520

yes we'll do it and uh

586

00:20:01,830 --> 00:19:59,760

you're you're there it's happening where

587

00:20:04,549 --> 00:20:01,840

you're being broadcast um

588

00:20:06,789 --> 00:20:04,559

did they ever make you downplay the

589

00:20:08,950 --> 00:20:06,799

topic or give it a certain angle

590

00:20:10,630 --> 00:20:08,960

you know throughout the years ever since

591

00:20:12,390 --> 00:20:10,640

project blue book we've learned that

592

00:20:14,470 --> 00:20:12,400

within the mainstream media

593

00:20:16,549 --> 00:20:14,480

even the pentagon or the cia were

594

00:20:18,789 --> 00:20:16,559

telling the media to

595

00:20:19,990 --> 00:20:18,799

ridicule the people who report these

596

00:20:22,310 --> 00:20:20,000

things or don't take

597

00:20:23,990 --> 00:20:22,320

it too seriously um did you ever

598

00:20:25,830 --> 00:20:24,000

experience anything like that with your

599

00:20:29,270 --> 00:20:25,840

time with fox

600

00:20:32,310 --> 00:20:29,280

never one time never one time

601  
00:20:34,630 --> 00:20:32,320  
and i can say that unequivocally

602  
00:20:35,590 --> 00:20:34,640  
no one in when i first got to fox one of

603  
00:20:37,510 --> 00:20:35,600  
the first things that

604  
00:20:39,190 --> 00:20:37,520  
you know i mean we know the story of

605  
00:20:41,029 --> 00:20:39,200  
roger ailes we know the story

606  
00:20:42,870 --> 00:20:41,039  
don't don't shoot the messenger don't

607  
00:20:44,549 --> 00:20:42,880  
paint all of us with a with a

608  
00:20:46,390 --> 00:20:44,559  
you know one brush but one thing that

609  
00:20:47,990 --> 00:20:46,400  
roger said to me when i first got there

610  
00:20:50,789 --> 00:20:48,000  
and was hired he said don't ever change

611  
00:20:52,390 --> 00:20:50,799  
who you are don't ever be somebody

612  
00:20:54,470 --> 00:20:52,400  
different on the air the reason

613  
00:20:55,750 --> 00:20:54,480

that we are successful here at fox is

614

00:20:57,909 --> 00:20:55,760

because the people that you see on the

615

00:21:00,789 --> 00:20:57,919

air are the same people off the air

616

00:21:01,430 --> 00:21:00,799

and don't ever change who you are and so

617

00:21:03,430 --> 00:21:01,440

you know i

618

00:21:05,830 --> 00:21:03,440

he knew i was like this liberal

619

00:21:08,070 --> 00:21:05,840

progressive guy from philadelphia and

620

00:21:09,669 --> 00:21:08,080

he's like just be who you are and so no

621

00:21:12,870 --> 00:21:09,679

one ever told me

622

00:21:15,190 --> 00:21:12,880

to downplay any kind of story like that

623

00:21:17,270 --> 00:21:15,200

now i know what you're saying because

624

00:21:18,549 --> 00:21:17,280

one of my biggest frustrations and jim

625

00:21:20,230 --> 00:21:18,559

and i used to talk about this on the

626

00:21:22,230 --> 00:21:20,240

paranormal report a lot i would get i

627

00:21:23,270 --> 00:21:22,240

would go off and i would be so mad and

628

00:21:26,470 --> 00:21:23,280

jim would too

629

00:21:28,950 --> 00:21:26,480

was about local news so let's let me

630

00:21:30,310 --> 00:21:28,960

you know i lived in west virginia and

631

00:21:31,909 --> 00:21:30,320

and tell me to shut up if i'm i'm

632

00:21:33,190 --> 00:21:31,919

rambling but i've been like

633

00:21:35,110 --> 00:21:33,200

i've been holding i've been i've been

634

00:21:37,430 --> 00:21:35,120

holding this information in for years

635

00:21:38,710 --> 00:21:37,440

so like please for for me to be able to

636

00:21:40,549 --> 00:21:38,720

talk to you about this is like

637

00:21:42,310 --> 00:21:40,559

liberating and cathartic in a lot of

638

00:21:44,630 --> 00:21:42,320

ways um love it so

639

00:21:46,149 --> 00:21:44,640

if i could be your therapist i i'm i'm

640

00:21:47,510 --> 00:21:46,159

happy to do that man i'm sure my

641

00:21:49,990 --> 00:21:47,520

listeners will appreciate

642

00:21:51,669 --> 00:21:50,000

that give us the exclusive feet up on

643

00:21:52,070 --> 00:21:51,679

the couch with a glass of wine in my

644

00:21:55,270 --> 00:21:52,080

hand

645

00:21:57,350 --> 00:21:55,280

um so you know i i one of my big fri

646

00:21:58,950 --> 00:21:57,360

so let's just say as an example i lived

647

00:22:01,029 --> 00:21:58,960

in bluefield west virginia

648

00:22:02,070 --> 00:22:01,039

i was a news anchor for an nbc affiliate

649

00:22:04,390 --> 00:22:02,080

there and

650

00:22:05,909 --> 00:22:04,400

as an example i'm not using this to say

651

00:22:07,510 --> 00:22:05,919

that that was the station or

652

00:22:09,669 --> 00:22:07,520

i'm just giving this as a local news

653

00:22:10,470 --> 00:22:09,679

example many of you can relate to the

654

00:22:13,909 --> 00:22:10,480

local news

655

00:22:14,549 --> 00:22:13,919

story so bluefield west virginia there

656

00:22:17,750 --> 00:22:14,559

was one

657

00:22:18,870 --> 00:22:17,760

evening where the local kroger was going

658

00:22:21,909 --> 00:22:18,880

out of business

659

00:22:23,750 --> 00:22:21,919

and that was our top story now obviously

660

00:22:24,950 --> 00:22:23,760

it affected jobs and the people were

661

00:22:26,070 --> 00:22:24,960

people going to shop but that was the

662

00:22:27,990 --> 00:22:26,080

top story

663

00:22:29,830 --> 00:22:28,000

okay i remember having to go and cover

664

00:22:31,350 --> 00:22:29,840

that i was the main news anchor they

665

00:22:33,029 --> 00:22:31,360

sent me down in the news car

666

00:22:34,710 --> 00:22:33,039

had to go get interviews with the store

667

00:22:35,990 --> 00:22:34,720

owners customers how it would affect the

668

00:22:37,350 --> 00:22:36,000

community et cetera

669

00:22:39,750 --> 00:22:37,360

and was covering it they were going to

670

00:22:42,549 --> 00:22:39,760

be out of business in a week now

671

00:22:43,590 --> 00:22:42,559

imagine also in the same 24 hour time

672

00:22:45,750 --> 00:22:43,600

span

673

00:22:47,830 --> 00:22:45,760

um you know i'm just throwing it like a

674

00:22:50,870 --> 00:22:47,840

keksburg ufo incident happens

675

00:22:53,510 --> 00:22:50,880

where thousands of people see a

676  
00:22:54,789 --> 00:22:53,520  
fireball streak through the sky right

677  
00:22:58,470 --> 00:22:54,799  
and crash

678  
00:22:59,270 --> 00:22:58,480  
and military shows up and cordons things

679  
00:23:02,710 --> 00:22:59,280  
off and

680  
00:23:04,149 --> 00:23:02,720  
you know right well it what always ends

681  
00:23:05,830 --> 00:23:04,159  
up happening with a lot of these local

682  
00:23:07,029 --> 00:23:05,840  
news stories at least back then i don't

683  
00:23:09,350 --> 00:23:07,039  
know that it's the same

684  
00:23:10,470 --> 00:23:09,360  
today as much i think we've made some

685  
00:23:12,390 --> 00:23:10,480  
progress

686  
00:23:13,510 --> 00:23:12,400  
is that the kroger story would be the

687  
00:23:15,830 --> 00:23:13,520  
first story

688  
00:23:17,270 --> 00:23:15,840

to lead the broadcast and they wouldn't

689

00:23:20,390 --> 00:23:17,280

even mention

690

00:23:22,630 --> 00:23:20,400

the ufo story until like right before

691

00:23:23,990 --> 00:23:22,640

their toss to the weather guy

692

00:23:25,750 --> 00:23:24,000

and it would go something like this and

693

00:23:27,350 --> 00:23:25,760

it was super frustrating

694

00:23:28,710 --> 00:23:27,360

or they would save it for the very end

695

00:23:29,270 --> 00:23:28,720

of the show before they're saying good

696

00:23:31,750 --> 00:23:29,280

night

697

00:23:33,270 --> 00:23:31,760

right and they roll the credits and then

698

00:23:34,390 --> 00:23:33,280

you know the tonight show with jay leno

699

00:23:36,470 --> 00:23:34,400

starts

700

00:23:37,669 --> 00:23:36,480

and so it would go something like this

701  
00:23:38,950 --> 00:23:37,679  
like they're going to cover the kroger

702  
00:23:40,870 --> 00:23:38,960  
story and then towards the end of the

703  
00:23:42,789 --> 00:23:40,880  
broadcast they say

704  
00:23:44,549 --> 00:23:42,799  
you know was that a bird or a plane in

705  
00:23:45,110 --> 00:23:44,559  
the sky and they'd start playing x-files

706  
00:23:48,230 --> 00:23:45,120  
music

707  
00:23:51,029 --> 00:23:48,240  
right every time every time you know

708  
00:23:51,909 --> 00:23:51,039  
well well local residents or area

709  
00:23:54,549 --> 00:23:51,919  
residents

710  
00:23:56,789 --> 00:23:54,559  
were on were a little scared last night

711  
00:23:57,590 --> 00:23:56,799  
when they saw a fireball shoot through

712  
00:24:00,789 --> 00:23:57,600  
the sky

713  
00:24:01,990 --> 00:24:00,799

you know is it a ufo we don't know they

714

00:24:03,350 --> 00:24:02,000

would all be chuckling you know then

715

00:24:05,750 --> 00:24:03,360

they tossed to the weather guy

716

00:24:07,830 --> 00:24:05,760

you know like so jim are we gonna see

717

00:24:09,909 --> 00:24:07,840

any ufos in our forecast

718

00:24:11,350 --> 00:24:09,919

well mary i don't know about that you

719

00:24:12,470 --> 00:24:11,360

know it was always a joke it was always

720

00:24:15,110 --> 00:24:12,480

an aside

721

00:24:16,070 --> 00:24:15,120

and so one time fox when i was doing the

722

00:24:18,149 --> 00:24:16,080

show they played

723

00:24:19,830 --> 00:24:18,159

um some like x-files music or something

724

00:24:22,390 --> 00:24:19,840

like that coming back from

725

00:24:24,470 --> 00:24:22,400

from break to into the segment and i

726

00:24:27,029 --> 00:24:24,480

flipped out in the meeting afterwards

727

00:24:28,630 --> 00:24:27,039

i was like no never again this story

728

00:24:29,669 --> 00:24:28,640

should be treated just as importantly as

729

00:24:31,430 --> 00:24:29,679

anything else we do

730

00:24:33,029 --> 00:24:31,440

and we never did it again i don't

731

00:24:34,390 --> 00:24:33,039

remember what story it was but

732

00:24:36,230 --> 00:24:34,400

i remember just being upset about it

733

00:24:37,669 --> 00:24:36,240

because it was something i really found

734

00:24:39,669 --> 00:24:37,679

irritating

735

00:24:41,430 --> 00:24:39,679

and it was this it was a way of doing

736

00:24:44,230 --> 00:24:41,440

the story

737

00:24:45,590 --> 00:24:44,240

to get the ratings local news but then

738

00:24:48,470 --> 00:24:45,600

to not

739

00:24:49,350 --> 00:24:48,480

take the i don't know take the blame for

740

00:24:50,789 --> 00:24:49,360

doing the story

741

00:24:53,430 --> 00:24:50,799

right like you could always get away

742

00:24:54,710 --> 00:24:53,440

with it by adding some music and having

743

00:24:55,510 --> 00:24:54,720

a little funny chuckles with your

744

00:24:58,070 --> 00:24:55,520

weather guy

745

00:24:58,950 --> 00:24:58,080

and it's it really irritated me as you

746

00:25:02,870 --> 00:24:58,960

can tell it still

747

00:25:03,750 --> 00:25:02,880

still does yeah and i get that i mean

748

00:25:06,070 --> 00:25:03,760

there have been

749

00:25:07,630 --> 00:25:06,080

several times i've been interviewed for

750

00:25:10,390 --> 00:25:07,640

news segments uh

751  
00:25:12,789 --> 00:25:10,400  
pre-2017 new york times and post

752  
00:25:13,590 --> 00:25:12,799  
where you still you get the smirk from

753  
00:25:15,350 --> 00:25:13,600  
the anchor

754  
00:25:16,950 --> 00:25:15,360  
and look it it has a lot to do with the

755  
00:25:18,470 --> 00:25:16,960  
person interviewing you

756  
00:25:20,390 --> 00:25:18,480  
as well if someone like you were

757  
00:25:22,230 --> 00:25:20,400  
interviewing me like you bet your ass

758  
00:25:23,830 --> 00:25:22,240  
we're both gonna be super serious

759  
00:25:26,149 --> 00:25:23,840  
but when you have someone who's not

760  
00:25:28,310 --> 00:25:26,159  
entrenched in this doesn't understand

761  
00:25:29,669 --> 00:25:28,320  
the seriousness of it or the potential

762  
00:25:32,549 --> 00:25:29,679  
threat of it from a

763  
00:25:33,510 --> 00:25:32,559

military angle uh it's gonna be

764

00:25:35,750 --> 00:25:33,520

completely different

765

00:25:37,909 --> 00:25:35,760

so yeah i'm sure it is a case-to-case

766

00:25:40,470 --> 00:25:37,919

basis but you're right i remember

767

00:25:43,110 --> 00:25:40,480

growing up in uh my hometown of syracuse

768

00:25:45,990 --> 00:25:43,120

new york whenever the topic of ufos was

769

00:25:46,950 --> 00:25:46,000

discussed on our local news it was it

770

00:25:49,669 --> 00:25:46,960

was the last

771

00:25:51,029 --> 00:25:49,679

maybe minute of the news leading into

772

00:25:54,070 --> 00:25:51,039

something else and it's like well

773

00:25:57,350 --> 00:25:54,080

wait what tell us more like what's right

774

00:25:58,950 --> 00:25:57,360

did like what happened after that and

775

00:26:01,190 --> 00:25:58,960

you never got that story

776

00:26:02,230 --> 00:26:01,200

so it's so good when you have time to

777

00:26:04,630 --> 00:26:02,240

stretch out

778

00:26:06,149 --> 00:26:04,640

and actually talk about it so um no

779

00:26:06,630 --> 00:26:06,159

that's that's awesome it's good to hear

780

00:26:08,149 --> 00:26:06,640

that you

781

00:26:10,310 --> 00:26:08,159

you kind of told them what's what and

782

00:26:13,110 --> 00:26:10,320

like never do that music again

783

00:26:14,710 --> 00:26:13,120

because oh god so for for loving the

784

00:26:17,430 --> 00:26:14,720

x-files and it's probably one of the

785

00:26:21,430 --> 00:26:17,440

most iconic songs of all time now

786

00:26:22,870 --> 00:26:21,440

i'm so damn sick of it right right right

787

00:26:24,630 --> 00:26:22,880

well and you know look i'm no pioneer

788

00:26:26,149 --> 00:26:24,640

there's been so many you know

789

00:26:27,590 --> 00:26:26,159

there's been so many people before me

790

00:26:29,590 --> 00:26:27,600

who have done that kind of stuff and

791

00:26:30,470 --> 00:26:29,600

like george knapp and others who've done

792

00:26:32,630 --> 00:26:30,480

amazing work

793

00:26:33,830 --> 00:26:32,640

right um you know being able to cover

794

00:26:36,870 --> 00:26:33,840

this in the news business

795

00:26:37,350 --> 00:26:36,880

and giving it real it's real do in its

796

00:26:39,350 --> 00:26:37,360

place

797

00:26:41,190 --> 00:26:39,360

and i don't know that my little piddly

798

00:26:43,430 --> 00:26:41,200

segments on my show

799

00:26:44,310 --> 00:26:43,440

move the needle much at all but you know

800

00:26:46,549 --> 00:26:44,320

i think

801  
00:26:47,590 --> 00:26:46,559  
if anything i don't see it as much i i

802  
00:26:49,510 --> 00:26:47,600  
don't and i think

803  
00:26:52,710 --> 00:26:49,520  
i think the new york times story has

804  
00:26:54,870 --> 00:26:52,720  
maybe has a lot to do with that i think

805  
00:26:56,870 --> 00:26:54,880  
the fact that it's on the front page now

806  
00:26:58,390 --> 00:26:56,880  
of newspapers has

807  
00:27:00,149 --> 00:26:58,400  
you know incredible amount to do with

808  
00:27:02,470 --> 00:27:00,159  
the seriousness of this

809  
00:27:03,190 --> 00:27:02,480  
um the fact that my old co-host who you

810  
00:27:05,029 --> 00:27:03,200  
know

811  
00:27:06,390 --> 00:27:05,039  
tucker who now does these stories

812  
00:27:07,909 --> 00:27:06,400  
regularly and

813  
00:27:09,510 --> 00:27:07,919

who used to sort of mock me in

814

00:27:11,669 --> 00:27:09,520

commercial breaks about it

815

00:27:13,669 --> 00:27:11,679

um and i used to tell him and like feed

816

00:27:15,430 --> 00:27:13,679

him information about what i knew

817

00:27:17,190 --> 00:27:15,440

and people had interviewed and he would

818

00:27:18,149 --> 00:27:17,200

like stop and like his tracks and he was

819

00:27:20,389 --> 00:27:18,159

like really

820

00:27:22,070 --> 00:27:20,399

really and uh so we sort of joke about

821

00:27:24,870 --> 00:27:22,080

it now but back then it was like

822

00:27:27,350 --> 00:27:24,880

you know even just a few years ago 2016

823

00:27:28,950 --> 00:27:27,360

was still a joke 2015 still a joke

824

00:27:30,950 --> 00:27:28,960

and i think we're turning the corner now

825

00:27:33,029 --> 00:27:30,960

in the mainstream media i hope

826

00:27:33,990 --> 00:27:33,039

i hope so too man well yeah you kind of

827

00:27:36,389 --> 00:27:34,000

you touched on two

828

00:27:37,909 --> 00:27:36,399

of my my next questions for you so let's

829

00:27:40,389 --> 00:27:37,919

dive in um the

830

00:27:42,230 --> 00:27:40,399

the new york times article broke and you

831

00:27:44,389 --> 00:27:42,240

know other news outlets started picking

832

00:27:46,470 --> 00:27:44,399

up on the story of this uh

833

00:27:47,669 --> 00:27:46,480

this secret pentagon ufo program and i

834

00:27:49,909 --> 00:27:47,679

mean none of us

835

00:27:51,350 --> 00:27:49,919

saw this coming no one and i think the

836

00:27:54,149 --> 00:27:51,360

ufo world even

837

00:27:55,350 --> 00:27:54,159

had any idea this is going on and um

838

00:27:58,470 --> 00:27:55,360

credit where credits do

839

00:28:01,190 --> 00:27:58,480

leslie kane uh ralph blumenthal and

840

00:28:02,070 --> 00:28:01,200

i um oh man i'm forgetting uh helene

841

00:28:05,029 --> 00:28:02,080

cooper the

842

00:28:07,669 --> 00:28:05,039

pentagon right correspondent um they

843

00:28:11,190 --> 00:28:07,679

they brought forth this amazing story

844

00:28:12,789 --> 00:28:11,200

and it exploded and um

845

00:28:14,149 --> 00:28:12,799

i'd love to get your thoughts you know

846

00:28:15,430 --> 00:28:14,159

what were your initial thoughts and

847

00:28:17,350 --> 00:28:15,440

reactions when this thing

848

00:28:18,470 --> 00:28:17,360

broke i mean i woke up and i was like

849

00:28:20,230 --> 00:28:18,480

holy

850

00:28:22,789 --> 00:28:20,240

like all right our world's about to

851  
00:28:24,950 --> 00:28:22,799  
change and our world changed in many

852  
00:28:27,269 --> 00:28:24,960  
ways in the past couple of years but um

853  
00:28:29,750 --> 00:28:27,279  
right what did you think when you first

854  
00:28:30,470 --> 00:28:29,760  
heard this news of the pentagon had done

855  
00:28:32,789 --> 00:28:30,480  
secretly

856  
00:28:34,549 --> 00:28:32,799  
investigating ufos and they had evidence

857  
00:28:36,549 --> 00:28:34,559  
to show us

858  
00:28:38,230 --> 00:28:36,559  
i mean i was blown away by it and i was

859  
00:28:39,510 --> 00:28:38,240  
part of me was super pissed that i had

860  
00:28:43,029 --> 00:28:39,520  
already retired from

861  
00:28:45,750 --> 00:28:43,039  
television so i was like oh man really

862  
00:28:46,789 --> 00:28:45,760  
here i leave the show i could have like

863  
00:28:48,789 --> 00:28:46,799

i could have you know

864

00:28:50,230 --> 00:28:48,799

done deeper interviews with leslie i

865

00:28:52,470 --> 00:28:50,240

could have gone you know

866

00:28:54,789 --> 00:28:52,480

and i could have conv you know had my

867

00:28:56,549 --> 00:28:54,799

producers send me out to

868

00:28:58,070 --> 00:28:56,559

to san diego i could have you know done

869

00:29:00,870 --> 00:28:58,080

all that stuff i could have you know

870

00:29:01,510 --> 00:29:00,880

sean cahill and all those guys um so in

871

00:29:03,430 --> 00:29:01,520

that

872

00:29:04,870 --> 00:29:03,440

and you know it was right by christmas

873

00:29:07,029 --> 00:29:04,880

time um

874

00:29:08,870 --> 00:29:07,039

and then i remember you jim and i and

875

00:29:09,909 --> 00:29:08,880

micah hanks we did a sort of a round

876

00:29:12,149 --> 00:29:09,919

table that year

877

00:29:13,669 --> 00:29:12,159

right talking about the you know it's

878

00:29:17,350 --> 00:29:13,679

amazing and

879

00:29:19,990 --> 00:29:17,360

um so my initial reaction was i hope

880

00:29:21,750 --> 00:29:20,000

that this is the first of many you know

881

00:29:22,710 --> 00:29:21,760

i hope that this is the first of many

882

00:29:26,470 --> 00:29:22,720

shoes to drop

883

00:29:29,909 --> 00:29:26,480

and that was 20 2017 it was december

884

00:29:31,830 --> 00:29:29,919

what 15th or 16th of like 2017

885

00:29:33,350 --> 00:29:31,840

and just before christmas so everyone's

886

00:29:34,870 --> 00:29:33,360

kind of paying attention to their

887

00:29:37,190 --> 00:29:34,880

christmas shopping and

888

00:29:38,830 --> 00:29:37,200

i i wish that it would have had i mean

889

00:29:40,070 --> 00:29:38,840

in our community i think it had major

890

00:29:41,830 --> 00:29:40,080

reverberations i

891

00:29:43,990 --> 00:29:41,840

i just at the end of the day i wonder

892

00:29:45,669 --> 00:29:44,000

you know it really got me thinking like

893

00:29:47,430 --> 00:29:45,679

this is the biggest story this could

894

00:29:47,909 --> 00:29:47,440

potentially be the biggest story of all

895

00:29:49,430 --> 00:29:47,919

time

896

00:29:51,909 --> 00:29:49,440

i remember having this conversation with

897

00:29:55,029 --> 00:29:51,919

tucker carlson who was my co-host and

898

00:29:57,590 --> 00:29:55,039

and went on to host his own show and we

899

00:30:00,070 --> 00:29:57,600

would talk off camera and you know

900

00:30:01,590 --> 00:30:00,080

i would say i i don't know i can't think

901  
00:30:03,590 --> 00:30:01,600  
of a bigger story and he said there is

902  
00:30:06,070 --> 00:30:03,600  
no bigger story like this should be the

903  
00:30:08,950 --> 00:30:06,080  
biggest story of all time

904  
00:30:09,269 --> 00:30:08,960  
and great for him for like continuing

905  
00:30:12,710 --> 00:30:09,279  
and

906  
00:30:14,070 --> 00:30:12,720  
over the years you know say what you

907  
00:30:16,710 --> 00:30:14,080  
want about

908  
00:30:17,909 --> 00:30:16,720  
fox it's politics hit whatever like i'm

909  
00:30:20,149 --> 00:30:17,919  
just separating this

910  
00:30:21,750 --> 00:30:20,159  
from that so just you know because

911  
00:30:23,269 --> 00:30:21,760  
there's a lot i don't agree with him in

912  
00:30:25,830 --> 00:30:23,279  
politics like that let's not

913  
00:30:27,269 --> 00:30:25,840

confuse the two at all um i think you

914

00:30:29,350 --> 00:30:27,279

know that about me but

915

00:30:30,789 --> 00:30:29,360

let's just talk about this story this

916

00:30:34,230 --> 00:30:30,799

issue this coverage

917

00:30:36,389 --> 00:30:34,240

and i was just i was in shock and then

918

00:30:37,669 --> 00:30:36,399

yes more shoes started to drop and just

919

00:30:39,190 --> 00:30:37,679

recently so

920

00:30:41,430 --> 00:30:39,200

i think we're starting to see the fruits

921

00:30:43,269 --> 00:30:41,440

of this and i think

922

00:30:45,830 --> 00:30:43,279

hopefully it seems like more shoes are

923

00:30:48,070 --> 00:30:45,840

about to drop and so i think

924

00:30:49,510 --> 00:30:48,080

wow if i just wonder though do the

925

00:30:52,710 --> 00:30:49,520

american people

926  
00:30:55,430 --> 00:30:52,720  
see it this way i just i'm curious to me

927  
00:30:57,029 --> 00:30:55,440  
this is like the most mind-altering

928  
00:31:00,470 --> 00:30:57,039  
earth-shattering

929  
00:31:02,950 --> 00:31:00,480  
story in in my lifetime

930  
00:31:04,389 --> 00:31:02,960  
and to know that this is here to know

931  
00:31:06,389 --> 00:31:04,399  
that this exists

932  
00:31:08,789 --> 00:31:06,399  
to know that these pilots are watching

933  
00:31:11,830 --> 00:31:08,799  
craft fire into the ocean

934  
00:31:14,389 --> 00:31:11,840  
and move at speeds that they that

935  
00:31:15,269 --> 00:31:14,399  
not even you know the the minutemen air

936  
00:31:17,669 --> 00:31:15,279  
missiles

937  
00:31:19,430 --> 00:31:17,679  
not could even come close to the speeds

938  
00:31:21,430 --> 00:31:19,440

how what do we attribute that to and do

939

00:31:24,230 --> 00:31:21,440

do most of most people who are walking

940

00:31:26,230 --> 00:31:24,240

around worrying about paying their bills

941

00:31:28,149 --> 00:31:26,240

who can't even put food on their table

942

00:31:29,750 --> 00:31:28,159

can't pay rent

943

00:31:31,750 --> 00:31:29,760

how does this sit with them and so th

944

00:31:33,029 --> 00:31:31,760

it's a it's a weird kind of story to be

945

00:31:34,230 --> 00:31:33,039

sitting right now in the middle of this

946

00:31:36,549 --> 00:31:34,240

like sort of pandemic

947

00:31:38,389 --> 00:31:36,559

backdrop and all of this you know i i

948

00:31:41,110 --> 00:31:38,399

kind of i think about those things

949

00:31:43,110 --> 00:31:41,120

and i mean i think a lot of us do and um

950

00:31:44,070 --> 00:31:43,120

yeah i mean it's exciting and we're

951  
00:31:45,830 --> 00:31:44,080  
getting

952  
00:31:47,830 --> 00:31:45,840  
more information than i think we ever

953  
00:31:50,070 --> 00:31:47,840  
have on the ufo topic within

954  
00:31:52,070 --> 00:31:50,080  
you know official dumb or government but

955  
00:31:54,149 --> 00:31:52,080  
i think you're right i think you know

956  
00:31:55,909 --> 00:31:54,159  
whether i don't want to get too

957  
00:31:57,909 --> 00:31:55,919  
conspiratorial but you know whether it

958  
00:31:59,509 --> 00:31:57,919  
was planned to drop these things now

959  
00:32:01,190 --> 00:31:59,519  
in the middle of a pandemic where people

960  
00:32:03,430 --> 00:32:01,200  
will not pay attention

961  
00:32:06,149 --> 00:32:03,440  
or you know the department of defense

962  
00:32:09,509 --> 00:32:06,159  
officially releasing those ufo videos

963  
00:32:12,630 --> 00:32:09,519

uh right when the pandemic was kind of

964

00:32:13,990 --> 00:32:12,640

ramping up uh you do have to wonder are

965

00:32:15,909 --> 00:32:14,000

these things sort of

966

00:32:17,590 --> 00:32:15,919

dropped on knowing that a lot of the

967

00:32:20,230 --> 00:32:17,600

public won't be paying attention

968

00:32:20,789 --> 00:32:20,240

and maybe maybe not but i think you're

969

00:32:22,389 --> 00:32:20,799

right

970

00:32:24,870 --> 00:32:22,399

clayton i mean i wake up every morning

971

00:32:26,149 --> 00:32:24,880

being like how how has the world not

972

00:32:28,710 --> 00:32:26,159

reacted to the news

973

00:32:29,590 --> 00:32:28,720

that like the pentagon was briefed on

974

00:32:31,430 --> 00:32:29,600

off-world

975

00:32:32,789 --> 00:32:31,440

vehicles that's something i wanted to

976

00:32:36,230 --> 00:32:32,799

ask you about as well

977

00:32:37,590 --> 00:32:36,240

or you know um signatures of life on

978

00:32:39,830 --> 00:32:37,600

venus

979

00:32:41,830 --> 00:32:39,840

within the last few weeks i mean this is

980

00:32:43,990 --> 00:32:41,840

like mind-blowing things that could

981

00:32:46,950 --> 00:32:44,000

potentially change our entire world

982

00:32:48,870 --> 00:32:46,960

but i think you're right you know we we

983

00:32:51,750 --> 00:32:48,880

are creatures just trying to survive

984

00:32:54,630 --> 00:32:51,760

right now in a very uncertain time and

985

00:32:56,070 --> 00:32:54,640

people are out of work and um people are

986

00:32:57,750 --> 00:32:56,080

trying to figure out how the hell

987

00:32:58,549 --> 00:32:57,760

they're gonna pay their bills next month

988

00:33:01,830 --> 00:32:58,559

and

989

00:33:03,909 --> 00:33:01,840

these amazing things are happening but

990

00:33:05,509 --> 00:33:03,919

does anyone care that that's a really

991

00:33:08,389 --> 00:33:05,519

good question

992

00:33:10,710 --> 00:33:08,399

i once had a co-host and uh i won't name

993

00:33:12,549 --> 00:33:10,720

i won't name her name but uh

994

00:33:13,750 --> 00:33:12,559

we were talking about this and i had

995

00:33:17,509 --> 00:33:13,760

spoken to

996

00:33:19,990 --> 00:33:17,519

a couple of high-ranking generals who

997

00:33:20,710 --> 00:33:20,000

told me some things that would you know

998

00:33:24,230 --> 00:33:20,720

would

999

00:33:26,710 --> 00:33:24,240

probably to be careful here um

1000

00:33:27,590 --> 00:33:26,720

confirm a lot of what we know think

1001  
00:33:30,230 --> 00:33:27,600  
about

1002  
00:33:31,029 --> 00:33:30,240  
these secret programs etc and i remember

1003  
00:33:34,230 --> 00:33:31,039  
having a co

1004  
00:33:34,710 --> 00:33:34,240  
uh co-host uh who said in a break

1005  
00:33:36,549 --> 00:33:34,720  
because i

1006  
00:33:38,549 --> 00:33:36,559  
mentioned this and talking about in the

1007  
00:33:40,950 --> 00:33:38,559  
air so how can you think we're alone

1008  
00:33:41,990 --> 00:33:40,960  
like i think it's kind of i don't want

1009  
00:33:45,190 --> 00:33:42,000  
to say arrogant

1010  
00:33:48,149 --> 00:33:45,200  
but to think that this is it like

1011  
00:33:48,870 --> 00:33:48,159  
here i am in sweatpants like this is it

1012  
00:33:51,750 --> 00:33:48,880  
this is the

1013  
00:33:51,990 --> 00:33:51,760

the highest epitome of the universe is

1014

00:33:55,110 --> 00:33:52,000

you're

1015

00:33:57,269 --> 00:33:55,120

looking at it you know like really um

1016

00:33:58,630 --> 00:33:57,279

and with all of the data that we now

1017

00:34:00,549 --> 00:33:58,640

have and all and

1018

00:34:02,070 --> 00:34:00,559

and uh she said to me she said yeah just

1019

00:34:04,230 --> 00:34:02,080

you know uh but

1020

00:34:05,830 --> 00:34:04,240

what does it i it has no effect on me

1021

00:34:06,389 --> 00:34:05,840

and my daughter or something like that

1022

00:34:07,830 --> 00:34:06,399

um

1023

00:34:09,430 --> 00:34:07,840

i don't know how she said it i just

1024

00:34:12,069 --> 00:34:09,440

remember thinking like but that's

1025

00:34:13,909 --> 00:34:12,079

probably how a lot of people think like

1026  
00:34:14,950 --> 00:34:13,919  
what does this have to do with me going

1027  
00:34:16,950 --> 00:34:14,960  
home after work

1028  
00:34:18,069 --> 00:34:16,960  
right having to take care of my daughter

1029  
00:34:19,829 --> 00:34:18,079  
and

1030  
00:34:21,829 --> 00:34:19,839  
that is a pr i remember even tweeting

1031  
00:34:24,230 --> 00:34:21,839  
about a recent ufo story on

1032  
00:34:24,869 --> 00:34:24,240  
on twitter and and someone saying will

1033  
00:34:27,510 --> 00:34:24,879  
it help me

1034  
00:34:28,149 --> 00:34:27,520  
get my stimulus check and so you're

1035  
00:34:30,149 --> 00:34:28,159  
right

1036  
00:34:31,349 --> 00:34:30,159  
to release this kind of information now

1037  
00:34:32,470 --> 00:34:31,359  
and i think we need to go back to

1038  
00:34:34,710 --> 00:34:32,480

something you said

1039

00:34:35,669 --> 00:34:34,720

because it's i think it's very true and

1040

00:34:37,270 --> 00:34:35,679

i think and

1041

00:34:38,869 --> 00:34:37,280

don't undercut don't under count what

1042

00:34:40,230 --> 00:34:38,879

you just said and i hope your audience

1043

00:34:43,349 --> 00:34:40,240

hears that

1044

00:34:45,589 --> 00:34:43,359

this idea that oh they like

1045

00:34:47,190 --> 00:34:45,599

maybe they just released this because it

1046

00:34:49,750 --> 00:34:47,200

was time for them to release this

1047

00:34:51,750 --> 00:34:49,760

or they release it because they knew it

1048

00:34:53,109 --> 00:34:51,760

would be downplayed they could bury it

1049

00:34:54,790 --> 00:34:53,119

they could hide it

1050

00:34:56,869 --> 00:34:54,800

we now have enough information about how

1051  
00:34:59,030 --> 00:34:56,879  
our government lies to us

1052  
00:34:59,910 --> 00:34:59,040  
to i think err on the side of your

1053  
00:35:02,950 --> 00:34:59,920  
comments

1054  
00:35:04,710 --> 00:35:02,960  
rather than think that

1055  
00:35:06,069 --> 00:35:04,720  
it's just a coincidence that these

1056  
00:35:08,150 --> 00:35:06,079  
things happen in this way

1057  
00:35:10,550 --> 00:35:08,160  
we've seen enough evidence of this now

1058  
00:35:11,430 --> 00:35:10,560  
at in every major department of the us

1059  
00:35:13,270 --> 00:35:11,440  
government

1060  
00:35:14,950 --> 00:35:13,280  
and it's it's frightening i mean it is

1061  
00:35:16,710 --> 00:35:14,960  
absolutely frightening to be both

1062  
00:35:18,310 --> 00:35:16,720  
in the journalism world where we covered

1063  
00:35:20,390 --> 00:35:18,320

these things where we covered

1064

00:35:22,470 --> 00:35:20,400

departments lying hiding covering up

1065

00:35:25,510 --> 00:35:22,480

targeting certain groups

1066

00:35:27,109 --> 00:35:25,520

uh to the other side of it um so i i

1067

00:35:28,230 --> 00:35:27,119

i i want to commend you for bringing

1068

00:35:29,670 --> 00:35:28,240

that up because i really think that

1069

00:35:31,510 --> 00:35:29,680

that's the case and i think

1070

00:35:32,950 --> 00:35:31,520

yeah we can't put a to to find a point

1071

00:35:34,550 --> 00:35:32,960

on if we all believe that the government

1072

00:35:36,150 --> 00:35:34,560

is just sitting there

1073

00:35:38,310 --> 00:35:36,160

has our best interests at heart we need

1074

00:35:41,109 --> 00:35:38,320

to to get our heads examined

1075

00:35:42,230 --> 00:35:41,119

right yeah and you know so many former

1076

00:35:44,710 --> 00:35:42,240

military people

1077

00:35:45,910 --> 00:35:44,720

and uh officials within government have

1078

00:35:48,630 --> 00:35:45,920

told me the same thing

1079

00:35:51,030 --> 00:35:48,640

you know uh yeah like a lot of the times

1080

00:35:52,950 --> 00:35:51,040

we have lied and we have hidden and

1081

00:35:54,630 --> 00:35:52,960

it's for a reason and there's times

1082

00:35:56,950 --> 00:35:54,640

where i understand that

1083

00:35:57,750 --> 00:35:56,960

you know there's national security and

1084

00:35:59,430 --> 00:35:57,760

and things of this

1085

00:36:01,990 --> 00:35:59,440

nature but then there comes a point

1086

00:36:03,430 --> 00:36:02,000

where um you know you can't put that

1087

00:36:05,670 --> 00:36:03,440

genie back in the bottle you can't

1088

00:36:08,390 --> 00:36:05,680

expect the public to believe

1089

00:36:09,109 --> 00:36:08,400

what you say when you have lied to us so

1090

00:36:11,510 --> 00:36:09,119

much

1091

00:36:12,310 --> 00:36:11,520

in the past and right and look like i'm

1092

00:36:14,310 --> 00:36:12,320

i'm

1093

00:36:15,589 --> 00:36:14,320

i consider myself a pretty patriotic

1094

00:36:17,990 --> 00:36:15,599

person i love

1095

00:36:18,870 --> 00:36:18,000

america i love i'm feel so fortunate to

1096

00:36:22,950 --> 00:36:18,880

live here

1097

00:36:25,430 --> 00:36:22,960

but um you know i for not for a second

1098

00:36:27,510 --> 00:36:25,440

would i say oh the government's gonna

1099

00:36:29,430 --> 00:36:27,520

tell us the truth about ufos cool

1100

00:36:31,750 --> 00:36:29,440

i'm gonna believe everything they say

1101  
00:36:34,710 --> 00:36:31,760  
and you sort of see that happening now

1102  
00:36:36,069 --> 00:36:34,720  
in this world clayton where uh you know

1103  
00:36:38,150 --> 00:36:36,079  
ufo people have been

1104  
00:36:39,990 --> 00:36:38,160  
screaming for decades don't trust the

1105  
00:36:43,190 --> 00:36:40,000  
government they've lied to us about ufos

1106  
00:36:44,069 --> 00:36:43,200  
for so long and then boom you know now

1107  
00:36:45,670 --> 00:36:44,079  
they're telling us

1108  
00:36:47,430 --> 00:36:45,680  
we're creating a task force to

1109  
00:36:48,310 --> 00:36:47,440  
investigate them we're gonna we're gonna

1110  
00:36:51,589 --> 00:36:48,320  
figure this out

1111  
00:36:54,790 --> 00:36:51,599  
and everyone's like yeah yay finally

1112  
00:36:57,589 --> 00:36:54,800  
and you have to wonder you know

1113  
00:36:59,109 --> 00:36:57,599

right how has the public been so quick

1114

00:37:00,630 --> 00:36:59,119

to be like oh okay we're going to

1115

00:37:02,550 --> 00:37:00,640

believe everything you tell us from here

1116

00:37:03,510 --> 00:37:02,560

on that oh yeah you can have a very open

1117

00:37:06,630 --> 00:37:03,520

and honest uh

1118

00:37:08,950 --> 00:37:06,640

uh uh um task force now like senator

1119

00:37:10,310 --> 00:37:08,960

marco rubio who's like yeah okay we

1120

00:37:12,230 --> 00:37:10,320

we're you know more interested to make

1121

00:37:12,550 --> 00:37:12,240

sure that this is not china or russians

1122

00:37:14,310 --> 00:37:12,560

and

1123

00:37:16,150 --> 00:37:14,320

uh you know we hope that they haven't

1124

00:37:17,589 --> 00:37:16,160

made some sort of technological leap and

1125

00:37:19,589 --> 00:37:17,599

yeah we want to check into this and you

1126  
00:37:20,630 --> 00:37:19,599  
know it's a national security risk and

1127  
00:37:22,390 --> 00:37:20,640  
we should be something we should be

1128  
00:37:24,950 --> 00:37:22,400  
looking into

1129  
00:37:26,310 --> 00:37:24,960  
i i just find it incredibly hard to

1130  
00:37:29,030 --> 00:37:26,320  
believe

1131  
00:37:30,630 --> 00:37:29,040  
given the you know just finishing up

1132  
00:37:33,750 --> 00:37:30,640  
reading bob woodward's new book

1133  
00:37:36,550 --> 00:37:33,760  
rage um by the way it's funny to read

1134  
00:37:37,670 --> 00:37:36,560  
like look at the covers for rage in

1135  
00:37:39,349 --> 00:37:37,680  
other languages

1136  
00:37:41,670 --> 00:37:39,359  
like when you see like the book covers

1137  
00:37:43,589 --> 00:37:41,680  
in portuguese and spanish and

1138  
00:37:44,790 --> 00:37:43,599

they all have their one word to describe

1139

00:37:46,069 --> 00:37:44,800

rage you know

1140

00:37:49,109 --> 00:37:46,079

anyway it's about president trump and

1141

00:37:52,310 --> 00:37:49,119

but you you get to see the level of

1142

00:37:53,589 --> 00:37:52,320

pinpoint precision intelligence on north

1143

00:37:56,390 --> 00:37:53,599

korea

1144

00:37:57,670 --> 00:37:56,400

and minute by minute movement of small

1145

00:38:00,310 --> 00:37:57,680

little things

1146

00:38:01,109 --> 00:38:00,320

inside of north korea you mean to tell

1147

00:38:04,150 --> 00:38:01,119

me

1148

00:38:07,349 --> 00:38:04,160

that they wouldn't be concerned with

1149

00:38:09,109 --> 00:38:07,359

vehicles flying over malstrom air force

1150

00:38:11,750 --> 00:38:09,119

base or god knows where else

1151

00:38:12,790 --> 00:38:11,760

turning off nuclear missiles come on

1152

00:38:15,109 --> 00:38:12,800

come on man

1153

00:38:16,950 --> 00:38:15,119

right yeah yeah and we have so many

1154

00:38:19,190 --> 00:38:16,960

instances where this has

1155

00:38:21,270 --> 00:38:19,200

apparently happened where these unknown

1156

00:38:23,190 --> 00:38:21,280

craft have turned on turned off these

1157

00:38:25,589 --> 00:38:23,200

things you look at rendelsham

1158

00:38:27,109 --> 00:38:25,599

uh maelstrom like you mentioned that

1159

00:38:29,030 --> 00:38:27,119

there's no way this isn't

1160

00:38:30,550 --> 00:38:29,040

a concern so i guess why we're on that

1161

00:38:33,589 --> 00:38:30,560

topic clayton of the

1162

00:38:35,430 --> 00:38:33,599

uap task force do you think we're going

1163

00:38:37,270 --> 00:38:35,440

to get anything from this as the public

1164

00:38:38,310 --> 00:38:37,280

we know there's going to be a classified

1165

00:38:39,990 --> 00:38:38,320

nature to it

1166

00:38:41,589 --> 00:38:40,000

and that's probably where all of it's

1167

00:38:43,510 --> 00:38:41,599

going to lie but um

1168

00:38:44,710 --> 00:38:43,520

are we are we going to get anything

1169

00:38:46,710 --> 00:38:44,720

from this task force

1170

00:38:48,710 --> 00:38:46,720

or is this project blue book all over

1171

00:38:50,870 --> 00:38:48,720

again where yeah they say they're gonna

1172

00:38:53,589 --> 00:38:50,880

look into it but then it just turns out

1173

00:38:54,790 --> 00:38:53,599

they're gonna explain it all away and

1174

00:38:57,750 --> 00:38:54,800

and

1175

00:38:59,510 --> 00:38:57,760

you know bury it again what do you think

1176

00:39:01,829 --> 00:38:59,520

i think the cat is out of the bag

1177

00:39:03,829 --> 00:39:01,839

at this point i think when you have you

1178

00:39:05,910 --> 00:39:03,839

know senator harry reid you have marco

1179

00:39:08,950 --> 00:39:05,920

rubio you have others

1180

00:39:10,790 --> 00:39:08,960

and i think it's too hard

1181

00:39:12,230 --> 00:39:10,800

in this information age to put that

1182

00:39:14,069 --> 00:39:12,240

genie back in that bottle

1183

00:39:17,750 --> 00:39:14,079

cat in a bag genie in a bottle i don't

1184

00:39:22,310 --> 00:39:20,710

but um i think yeah we won't get the

1185

00:39:23,109 --> 00:39:22,320

full story we will never get the full

1186

00:39:26,550 --> 00:39:23,119

story

1187

00:39:29,109 --> 00:39:26,560

um but i think that yes i i have some

1188

00:39:29,910 --> 00:39:29,119

hope i just like if you ask me as a as

1189

00:39:31,750 --> 00:39:29,920

an empath

1190

00:39:34,630 --> 00:39:31,760

you know that's i i feel it in my

1191

00:39:36,470 --> 00:39:34,640

stomach that we're we've turned a corner

1192

00:39:39,270 --> 00:39:36,480

and we are going to start to get this

1193

00:39:41,349 --> 00:39:39,280

information um

1194

00:39:42,950 --> 00:39:41,359

i don't know with the you know my big

1195

00:39:44,630 --> 00:39:42,960

fear of course is

1196

00:39:46,069 --> 00:39:44,640

all the focus on this sort of transfer

1197

00:39:47,589 --> 00:39:46,079

of power and what's going to happen

1198

00:39:49,750 --> 00:39:47,599

inside of a new administration

1199

00:39:50,870 --> 00:39:49,760

and what things get shaken up and what

1200

00:39:53,670 --> 00:39:50,880

sort of committees get

1201  
00:39:55,349 --> 00:39:53,680  
quashed and pushed aside and resources

1202  
00:39:57,589 --> 00:39:55,359  
and money transferred

1203  
00:39:59,510 --> 00:39:57,599  
but look you look at joe biden um you

1204  
00:39:59,990 --> 00:39:59,520  
know here's a guy who voted for the iraq

1205  
00:40:02,950 --> 00:40:00,000  
war

1206  
00:40:03,910 --> 00:40:02,960  
20 increase in military spending um he

1207  
00:40:06,870 --> 00:40:03,920  
is not a guy

1208  
00:40:08,150 --> 00:40:06,880  
uh who is going to cut military spending

1209  
00:40:10,630 --> 00:40:08,160  
he's not going to cut these types of

1210  
00:40:11,030 --> 00:40:10,640  
programs like if you're if you're like a

1211  
00:40:12,950 --> 00:40:11,040  
deep

1212  
00:40:14,550 --> 00:40:12,960  
progressive who's hoping that we would

1213  
00:40:15,670 --> 00:40:14,560

end our footprint in the middle east et

1214

00:40:17,910 --> 00:40:15,680

cetera et cetera

1215

00:40:20,470 --> 00:40:17,920

that's not going to happen so do not

1216

00:40:22,630 --> 00:40:20,480

look for these programs to dry up i'm

1217

00:40:25,990 --> 00:40:22,640

telling you like these guys

1218

00:40:27,670 --> 00:40:26,000

joe biden donald trump they

1219

00:40:30,069 --> 00:40:27,680

they have these guys in their pockets i

1220

00:40:31,750 --> 00:40:30,079

mean they have billions of dollars in

1221

00:40:33,910 --> 00:40:31,760

contracts with these people

1222

00:40:35,349 --> 00:40:33,920

these cut defense contractors rely on

1223

00:40:37,750 --> 00:40:35,359

the you know this 20

1224

00:40:39,430 --> 00:40:37,760

increase in defense department spending

1225

00:40:41,349 --> 00:40:39,440

um the fact that we're spending 900

1226

00:40:43,510 --> 00:40:41,359

billion dollars a year

1227

00:40:44,710 --> 00:40:43,520

we have these programs in place to check

1228

00:40:47,270 --> 00:40:44,720

and find this out now we

1229

00:40:48,950 --> 00:40:47,280

we have them on the record telling us

1230

00:40:51,589 --> 00:40:48,960

that this committee will direct

1231

00:40:53,349 --> 00:40:51,599

the dni you know in consultation with

1232

00:40:54,950 --> 00:40:53,359

the secretary of defense and the heads

1233

00:40:57,349 --> 00:40:54,960

of these other agencies

1234

00:40:59,109 --> 00:40:57,359

publicly we know this now to submit a

1235

00:41:01,349 --> 00:40:59,119

report with 180 days

1236

00:41:02,630 --> 00:41:01,359

of the enactment of the act right to the

1237

00:41:03,910 --> 00:41:02,640

congressional intelligence and armed

1238

00:41:07,030 --> 00:41:03,920

services committee

1239

00:41:08,950 --> 00:41:07,040

on unidentified aerial phenomenon so

1240

00:41:10,390 --> 00:41:08,960

okay we now know it's public record

1241

00:41:11,109 --> 00:41:10,400

where is it going to go why don't we see

1242

00:41:12,710 --> 00:41:11,119

this report

1243

00:41:13,910 --> 00:41:12,720

can you tell us what's in it is it empty

1244

00:41:14,950 --> 00:41:13,920

is there nothing in here just weather

1245

00:41:17,190 --> 00:41:14,960

balloons

1246

00:41:18,950 --> 00:41:17,200

there's going to be something and maybe

1247

00:41:21,030 --> 00:41:18,960

this is the first step to them

1248

00:41:22,710 --> 00:41:21,040

letting the full cat out of the bag i i

1249

00:41:25,030 --> 00:41:22,720

don't know i'm hopeful i'm hopeful

1250

00:41:26,309 --> 00:41:25,040

okay okay that's good because we need

1251

00:41:28,309 --> 00:41:26,319

that hopeful uh

1252

00:41:31,190 --> 00:41:28,319

part to all this because there's so many

1253

00:41:33,270 --> 00:41:31,200

who who have said we've been here before

1254

00:41:35,589 --> 00:41:33,280

well let's talk about you know the this

1255

00:41:38,309 --> 00:41:35,599

task force sort of came to be

1256

00:41:39,109 --> 00:41:38,319

through the pressure of um one

1257

00:41:42,150 --> 00:41:39,119

particular

1258

00:41:44,790 --> 00:41:42,160

group and that is to the stars academy

1259

00:41:46,550 --> 00:41:44,800

whether you love them or hate them tom

1260

00:41:48,950 --> 00:41:46,560

delong

1261

00:41:49,910 --> 00:41:48,960

you know uh christopher mellon luis

1262

00:41:53,589 --> 00:41:49,920

elizondo

1263

00:41:55,349 --> 00:41:53,599

these guys have pushed a lot of

1264

00:41:57,270 --> 00:41:55,359

people that they used to work with

1265

00:41:59,270 --> 00:41:57,280

within the government in corners

1266

00:42:01,990 --> 00:41:59,280

and said give us the information or

1267

00:42:04,550 --> 00:42:02,000

we're gonna we will find ways to get it

1268

00:42:05,510 --> 00:42:04,560

um so what do you make of this group i

1269

00:42:06,790 --> 00:42:05,520

mean they're

1270

00:42:08,550 --> 00:42:06,800

you know they're kind of at the

1271

00:42:09,750 --> 00:42:08,560

forefront right now when you think of

1272

00:42:14,550 --> 00:42:09,760

ufo

1273

00:42:16,630 --> 00:42:14,560

poster child right now

1274

00:42:17,990 --> 00:42:16,640

so you do what do you think about this

1275

00:42:20,630 --> 00:42:18,000

group and what they're doing

1276

00:42:21,589 --> 00:42:20,640

so i mean let's just go back to 2017

1277

00:42:23,910 --> 00:42:21,599

right which

1278

00:42:24,710 --> 00:42:23,920

the reason that we have these clips

1279

00:42:31,109 --> 00:42:24,720

these

1280

00:42:32,230 --> 00:42:31,119

is because of to the stars academy right

1281

00:42:35,829 --> 00:42:32,240

and then

1282

00:42:38,309 --> 00:42:35,839

the pentagon coming out in april

1283

00:42:39,270 --> 00:42:38,319

and determining and admitting yet yet

1284

00:42:42,230 --> 00:42:39,280

that those are

1285

00:42:44,230 --> 00:42:42,240

on those unclassified videos they don't

1286

00:42:45,589 --> 00:42:44,240

reveal any sensitive capabilities but

1287

00:42:46,309 --> 00:42:45,599

we're going to admit basically that

1288

00:42:48,790 --> 00:42:46,319

they're real

1289

00:42:49,510 --> 00:42:48,800

and the dod then released the videos

1290

00:42:51,270 --> 00:42:49,520

also

1291

00:42:53,270 --> 00:42:51,280

i mean it all started with them so it's

1292

00:42:53,990 --> 00:42:53,280

very easy for keyboard cowboys who are

1293

00:42:57,270 --> 00:42:54,000

sitting back

1294

00:42:59,750 --> 00:42:57,280

not doing anything to uh criticize

1295

00:43:01,270 --> 00:42:59,760

that you can have disagreements with

1296

00:43:02,950 --> 00:43:01,280

different things that they've done or

1297

00:43:03,430 --> 00:43:02,960

the way that they've approached sort of

1298

00:43:07,030 --> 00:43:03,440

a drip

1299

00:43:09,510 --> 00:43:07,040

campaign of things etc etc but

1300

00:43:11,109 --> 00:43:09,520

i think it's exciting i mean i i like to

1301

00:43:12,069 --> 00:43:11,119

give people the benefit of the doubt i'm

1302

00:43:14,950 --> 00:43:12,079

sort of a glass

1303

00:43:15,829 --> 00:43:14,960

half full kind of a guy to begin with i

1304

00:43:17,750 --> 00:43:15,839

remember tom

1305

00:43:19,670 --> 00:43:17,760

number of years ago talking about their

1306

00:43:21,510 --> 00:43:19,680

approach to this and i thought the

1307

00:43:22,309 --> 00:43:21,520

approach was really fascinating which

1308

00:43:24,390 --> 00:43:22,319

was

1309

00:43:26,069 --> 00:43:24,400

we're going to have an entertainment arm

1310

00:43:28,630 --> 00:43:26,079

which could help desensitize

1311

00:43:29,750 --> 00:43:28,640

people to the story and you know read

1312

00:43:31,910 --> 00:43:29,760

their books read their

1313

00:43:33,990 --> 00:43:31,920

and i think you could see that i think

1314

00:43:36,390 --> 00:43:34,000

you could understand that if people

1315

00:43:38,309 --> 00:43:36,400

are able to sort of digest that these

1316

00:43:39,270 --> 00:43:38,319

government programs are here that this

1317

00:43:40,790 --> 00:43:39,280

is happening that they've been

1318

00:43:42,790 --> 00:43:40,800

researching this for years this sort of

1319

00:43:44,870 --> 00:43:42,800

drip campaign of entertainment

1320

00:43:46,710 --> 00:43:44,880

or sort of it's like preparing us for it

1321

00:43:48,550 --> 00:43:46,720

in a way because

1322

00:43:49,750 --> 00:43:48,560

maybe we weren't ready for it before i

1323

00:43:51,190 --> 00:43:49,760

don't know and i don't know that that's

1324

00:43:53,990 --> 00:43:51,200

the right approach

1325

00:43:54,950 --> 00:43:54,000

it's an interesting take so i i'm not

1326

00:43:57,270 --> 00:43:54,960

one of those per

1327

00:43:58,870 --> 00:43:57,280

people that is um out with the

1328

00:44:01,109 --> 00:43:58,880

pitchforks for them and and

1329

00:44:02,309 --> 00:44:01,119

has a negative feeling towards it i i

1330

00:44:04,150 --> 00:44:02,319

think

1331

00:44:05,910 --> 00:44:04,160

they brought they they've shined a light

1332

00:44:08,309 --> 00:44:05,920

on something that we didn't know about

1333

00:44:10,150 --> 00:44:08,319

we've had confirmation of it now because

1334

00:44:11,670 --> 00:44:10,160

of it and they're continuing to do this

1335

00:44:13,910 --> 00:44:11,680

work and let's see what they get

1336

00:44:16,150 --> 00:44:13,920

i think it's exciting let's take what we

1337

00:44:18,069 --> 00:44:16,160

can get instead of like you said

1338

00:44:19,990 --> 00:44:18,079

using pitchforks and this and that and

1339

00:44:22,470 --> 00:44:20,000

look i understand you know there's

1340

00:44:23,990 --> 00:44:22,480

there's independent ufo researchers all

1341

00:44:26,150 --> 00:44:24,000

over the world who have busted their

1342

00:44:29,349 --> 00:44:26,160

asses for decades just to like

1343

00:44:32,470 --> 00:44:29,359

get any piece of the puzzle and

1344

00:44:34,950 --> 00:44:32,480

to uh you know find answers or

1345

00:44:35,829 --> 00:44:34,960

or whatnot and a lot of them sacrifice

1346

00:44:43,430 --> 00:44:35,839

their

1347

00:44:45,190 --> 00:44:43,440

uh right and haven't ever gotten the

1348

00:44:45,910 --> 00:44:45,200

attention or acknowledgement like this

1349

00:44:48,950 --> 00:44:45,920

group has

1350

00:44:49,990 --> 00:44:48,960

but i'm all for anyone who's willing to

1351  
00:44:51,750 --> 00:44:50,000  
get this topic out

1352  
00:44:53,430 --> 00:44:51,760  
there and uh get it out to the

1353  
00:44:55,910 --> 00:44:53,440  
mainstream and

1354  
00:44:57,430 --> 00:44:55,920  
i'm gonna ride the wave man look if

1355  
00:44:59,750 --> 00:44:57,440  
these guys are doing their thing

1356  
00:45:00,790 --> 00:44:59,760  
i'm gonna do mine like we we all have a

1357  
00:45:02,470 --> 00:45:00,800  
place in this

1358  
00:45:04,950 --> 00:45:02,480  
i think it's what's most important you

1359  
00:45:07,349 --> 00:45:04,960  
know when you have former military

1360  
00:45:09,190 --> 00:45:07,359  
and uh intelligence officials looking at

1361  
00:45:11,349 --> 00:45:09,200  
this as a potential threat

1362  
00:45:13,030 --> 00:45:11,359  
uh that's one thing but then for every

1363  
00:45:15,430 --> 00:45:13,040

one of those there's

1364

00:45:16,069 --> 00:45:15,440

hundreds of civilians who have witnessed

1365

00:45:18,230 --> 00:45:16,079

things

1366

00:45:20,550 --> 00:45:18,240

that i want to go talk to and i want to

1367

00:45:22,630 --> 00:45:20,560

get to know and hear their thoughts so

1368

00:45:23,829 --> 00:45:22,640

i think yeah there is a there's room at

1369

00:45:25,270 --> 00:45:23,839

the table for everyone

1370

00:45:27,190 --> 00:45:25,280

right and i think you know some of the

1371

00:45:28,309 --> 00:45:27,200

generals and and governors that i've

1372

00:45:31,589 --> 00:45:28,319

spoken to

1373

00:45:32,069 --> 00:45:31,599

off camera off the record um who have

1374

00:45:34,470 --> 00:45:32,079

told me

1375

00:45:35,829 --> 00:45:34,480

things that confirming and corroborating

1376

00:45:38,630 --> 00:45:35,839

a lot of what we hear

1377

00:45:39,670 --> 00:45:38,640

and to them to say you know that they

1378

00:45:41,430 --> 00:45:39,680

and i can tell

1379

00:45:42,710 --> 00:45:41,440

in their way that they're telling me

1380

00:45:45,109 --> 00:45:42,720

that they felt

1381

00:45:46,069 --> 00:45:45,119

that these stories should be told that

1382

00:45:48,230 --> 00:45:46,079

these things need

1383

00:45:50,230 --> 00:45:48,240

like they don't feel like these things

1384

00:45:51,829 --> 00:45:50,240

these are secrets that should be held by

1385

00:45:54,069 --> 00:45:51,839

the us military

1386

00:45:56,309 --> 00:45:54,079

these are not things that should be that

1387

00:45:58,630 --> 00:45:56,319

withheld from the american public

1388

00:45:59,510 --> 00:45:58,640

or the world for that matter and so i

1389

00:46:01,270 --> 00:45:59,520

can

1390

00:46:03,589 --> 00:46:01,280

in my discussions with them over the

1391

00:46:05,990 --> 00:46:03,599

time um many many years

1392

00:46:07,270 --> 00:46:06,000

i know that this is like an unburdening

1393

00:46:09,829 --> 00:46:07,280

in some ways and this is

1394

00:46:11,750 --> 00:46:09,839

uh they're happy about it this is a

1395

00:46:14,230 --> 00:46:11,760

confirmation a wink wink yes

1396

00:46:16,230 --> 00:46:14,240

like we've known this this is just the

1397

00:46:18,150 --> 00:46:16,240

tip of the iceberg kind of stuff

1398

00:46:19,990 --> 00:46:18,160

see that's awesome that's invigorating

1399

00:46:22,390 --> 00:46:20,000

to hear that even those who once

1400

00:46:23,109 --> 00:46:22,400

had to suppress the information are like

1401

00:46:27,430 --> 00:46:23,119

finally

1402

00:46:31,109 --> 00:46:27,440

right we can only hope you know

1403

00:46:32,950 --> 00:46:31,119

i'm sure there's many roswell witnesses

1404

00:46:33,910 --> 00:46:32,960

who wish they had that opportunity when

1405

00:46:36,790 --> 00:46:33,920

they were alive

1406

00:46:38,790 --> 00:46:36,800

and now they'll never they're not they

1407

00:46:40,950 --> 00:46:38,800

won't be there the day we finally

1408

00:46:42,069 --> 00:46:40,960

know what roswell was if that ever

1409

00:46:45,510 --> 00:46:42,079

happened right

1410

00:46:47,349 --> 00:46:45,520

right i guess moving back to um

1411

00:46:48,630 --> 00:46:47,359

to the media for a minute i'd love to

1412

00:46:52,150 --> 00:46:48,640

get your thoughts on this

1413

00:46:53,190 --> 00:46:52,160

um conspiracy theory it is something

1414

00:46:55,829 --> 00:46:53,200

that has become

1415

00:46:56,309 --> 00:46:55,839

quite popular you know as of late with

1416

00:46:58,630 --> 00:46:56,319

um

1417

00:47:00,550 --> 00:46:58,640

you know even up to the last few days

1418

00:47:01,349 --> 00:47:00,560

with national news covering things like

1419

00:47:03,829 --> 00:47:01,359

q anon

1420

00:47:04,470 --> 00:47:03,839

and you know other baseless conspiracy

1421

00:47:07,349 --> 00:47:04,480

theories

1422

00:47:08,309 --> 00:47:07,359

um you know to the point where a militia

1423

00:47:11,030 --> 00:47:08,319

group just

1424

00:47:11,750 --> 00:47:11,040

was thwarted from kidnapping a governor

1425

00:47:14,230 --> 00:47:11,760

of a state

1426  
00:47:16,150 --> 00:47:14,240  
right um because they believed they were

1427  
00:47:19,109 --> 00:47:16,160  
handling the pandemic

1428  
00:47:20,710 --> 00:47:19,119  
in a not so good way and taking away our

1429  
00:47:23,270 --> 00:47:20,720  
rights blah blah blah blah

1430  
00:47:23,990 --> 00:47:23,280  
this is the type of real world danger

1431  
00:47:26,549 --> 00:47:24,000  
that has come

1432  
00:47:28,630 --> 00:47:26,559  
i think sort of from this radicalization

1433  
00:47:30,549 --> 00:47:28,640  
of conspiracy theory so

1434  
00:47:32,390 --> 00:47:30,559  
uh what do you think about what's

1435  
00:47:33,910 --> 00:47:32,400  
happening in our country right now with

1436  
00:47:36,069 --> 00:47:33,920  
the internet and um

1437  
00:47:37,349 --> 00:47:36,079  
conspiracy theory has it evolved

1438  
00:47:40,950 --> 00:47:37,359

devolved and

1439

00:47:43,829 --> 00:47:40,960

where do ufos lay in all of that

1440

00:47:45,910 --> 00:47:43,839

i hope well i guess my 30 000 foot level

1441

00:47:48,549 --> 00:47:45,920

view is that i hope that ufos

1442

00:47:49,349 --> 00:47:48,559

and that study you know whether it's

1443

00:47:52,549 --> 00:47:49,359

talking about

1444

00:47:55,750 --> 00:47:52,559

you know life on venus or

1445

00:47:57,030 --> 00:47:55,760

us getting to mars uh or you know

1446

00:47:59,670 --> 00:47:57,040

discussions about

1447

00:48:01,510 --> 00:47:59,680

off-world vehicles and materials that

1448

00:48:03,589 --> 00:48:01,520

luis salazando has talked about like i

1449

00:48:06,950 --> 00:48:03,599

hope that doesn't get caught up in this

1450

00:48:08,870 --> 00:48:06,960

and corrupted but there's such a

1451  
00:48:09,910 --> 00:48:08,880  
propensity for misinformation and i

1452  
00:48:11,270 --> 00:48:09,920  
think the sad thing

1453  
00:48:12,710 --> 00:48:11,280  
i think the thing that i think people

1454  
00:48:13,829 --> 00:48:12,720  
need one of the things i've been really

1455  
00:48:15,829 --> 00:48:13,839  
trying to fight on

1456  
00:48:17,510 --> 00:48:15,839  
on my morning show i do called morning

1457  
00:48:19,990 --> 00:48:17,520  
invest every morning is

1458  
00:48:21,510 --> 00:48:20,000  
i i really try to shine a light on the

1459  
00:48:24,390 --> 00:48:21,520  
fact that you're being lied to

1460  
00:48:25,750 --> 00:48:24,400  
by the mainstream media every day you're

1461  
00:48:28,390 --> 00:48:25,760  
being spoon-fed

1462  
00:48:29,990 --> 00:48:28,400  
by the mainstream media every day you

1463  
00:48:32,630 --> 00:48:30,000

know people forget that it's a

1464

00:48:34,790 --> 00:48:32,640

for-profit organization so you're

1465

00:48:36,150 --> 00:48:34,800

watching msnbc you're watching cnn

1466

00:48:37,910 --> 00:48:36,160

you're watching fox you're watching any

1467

00:48:41,430 --> 00:48:37,920

of these channels and they're all

1468

00:48:43,510 --> 00:48:41,440

they're all for-profit massive companies

1469

00:48:45,430 --> 00:48:43,520

that have an agenda they have a

1470

00:48:47,190 --> 00:48:45,440

narrative they have a story

1471

00:48:48,790 --> 00:48:47,200

and they know their audience and they're

1472

00:48:51,270 --> 00:48:48,800

not going to tell you

1473

00:48:52,470 --> 00:48:51,280

the more difficult pieces of that story

1474

00:48:55,190 --> 00:48:52,480

so msnbc

1475

00:48:56,790 --> 00:48:55,200

is not going to tell you go deeper into

1476

00:48:58,309 --> 00:48:56,800

stories about fracking

1477

00:49:00,309 --> 00:48:58,319

is not going to talk about what's going

1478

00:49:03,349 --> 00:49:00,319

on in upstate pennsylvania with

1479

00:49:04,870 --> 00:49:03,359

groundwater in in and is going to sort

1480

00:49:06,710 --> 00:49:04,880

of cover over the

1481

00:49:08,390 --> 00:49:06,720

kamala harris talking about fracking

1482

00:49:10,870 --> 00:49:08,400

it's like you know there's

1483

00:49:12,710 --> 00:49:10,880

so i think it's hard for people to

1484

00:49:14,630 --> 00:49:12,720

swallow because you're all we're also

1485

00:49:16,230 --> 00:49:14,640

spoon fed these things and you might be

1486

00:49:17,190 --> 00:49:16,240

a fan of rachel maddow you might be a

1487

00:49:18,710 --> 00:49:17,200

fan of uh

1488

00:49:20,230 --> 00:49:18,720

tucker carlson you might be a fan of

1489

00:49:22,870 --> 00:49:20,240

hannity you might be a fan of

1490

00:49:23,510 --> 00:49:22,880

joy read whatever it is to me all i'm

1491

00:49:26,150 --> 00:49:23,520

saying is

1492

00:49:28,069 --> 00:49:26,160

i want people to really start thinking

1493

00:49:31,430 --> 00:49:28,079

outside of these sources

1494

00:49:34,069 --> 00:49:31,440

because there's a whole world out there

1495

00:49:34,630 --> 00:49:34,079

of people in the united states there's a

1496

00:49:37,589 --> 00:49:34,640

hundred

1497

00:49:38,390 --> 00:49:37,599

million people that don't vote 100

1498

00:49:40,710 --> 00:49:38,400

million

1499

00:49:41,829 --> 00:49:40,720

it's awful but here's what's so sad

1500

00:49:43,349 --> 00:49:41,839

about this

1501

00:49:45,109 --> 00:49:43,359

and i don't know i don't want to get

1502

00:49:46,790 --> 00:49:45,119

into politics here but i think it's so

1503

00:49:48,069 --> 00:49:46,800

important i'm an independent let me just

1504

00:49:50,150 --> 00:49:48,079

say that first and foremost i've been

1505

00:49:51,510 --> 00:49:50,160

i've been an independent for years

1506

00:49:53,750 --> 00:49:51,520

people think oh you're a fox you're a

1507

00:49:55,589 --> 00:49:53,760

conservative no i was a like progressive

1508

00:49:57,430 --> 00:49:55,599

liberal guy from philly and yet i don't

1509

00:49:59,349 --> 00:49:57,440

think the democratic party so

1510

00:50:00,950 --> 00:49:59,359

either way i think that they're product

1511

00:50:04,710 --> 00:50:00,960

of the same

1512

00:50:06,309 --> 00:50:04,720

huge corporate elite agenda

1513

00:50:08,150 --> 00:50:06,319

and the reason that you see wall street

1514

00:50:10,870 --> 00:50:08,160

doing just fine is because if

1515

00:50:12,150 --> 00:50:10,880

biden wins they'll be fine if trump wins

1516

00:50:14,230 --> 00:50:12,160

they'll be fine

1517

00:50:15,349 --> 00:50:14,240

because they're all part of this same

1518

00:50:17,430 --> 00:50:15,359

machine

1519

00:50:19,430 --> 00:50:17,440

you know why during the dnc didn't we

1520

00:50:22,710 --> 00:50:19,440

hear the democrats talking about

1521

00:50:24,790 --> 00:50:22,720

a really strong green energy policy

1522

00:50:26,230 --> 00:50:24,800

why didn't we hear them talking about

1523

00:50:29,510 --> 00:50:26,240

public education

1524

00:50:30,630 --> 00:50:29,520

for all medicare for all uh universal

1525

00:50:32,230 --> 00:50:30,640

health care

1526  
00:50:33,750 --> 00:50:32,240  
all of those things just got swept under

1527  
00:50:36,630 --> 00:50:33,760  
the rug why didn't

1528  
00:50:38,390 --> 00:50:36,640  
why did we same thing with the rnc it's

1529  
00:50:40,230 --> 00:50:38,400  
just an extension of the same stuff

1530  
00:50:42,069 --> 00:50:40,240  
and so there's not much that changes i

1531  
00:50:43,030 --> 00:50:42,079  
have little bits of tape changes that

1532  
00:50:44,710 --> 00:50:43,040  
tax code and

1533  
00:50:45,910 --> 00:50:44,720  
grover my dog agrees with me because he

1534  
00:50:47,190 --> 00:50:45,920  
hears me talking about this every

1535  
00:50:49,109 --> 00:50:47,200  
morning on my show

1536  
00:50:50,390 --> 00:50:49,119  
and he gets fired up about it so here

1537  
00:50:52,710 --> 00:50:50,400  
here girl

1538  
00:50:53,430 --> 00:50:52,720

yeah so he understands so you know i

1539

00:50:55,430 --> 00:50:53,440

think

1540

00:50:56,870 --> 00:50:55,440

the thing is that if people can start to

1541

00:50:59,430 --> 00:50:56,880

look at the media

1542

00:51:00,870 --> 00:50:59,440

the mainstream media as in fact in many

1543

00:51:04,150 --> 00:51:00,880

ways like an enemy

1544

00:51:04,870 --> 00:51:04,160

of truth and they can really start to

1545

00:51:07,510 --> 00:51:04,880

question

1546

00:51:08,470 --> 00:51:07,520

everything that they're watching i can

1547

00:51:10,790 --> 00:51:08,480

really start to

1548

00:51:12,630 --> 00:51:10,800

to open us up to these ideas that we can

1549

00:51:14,470 --> 00:51:12,640

get more truth out there

1550

00:51:16,470 --> 00:51:14,480

for and i think when people are

1551  
00:51:18,630 --> 00:51:16,480  
supporting your show

1552  
00:51:20,790 --> 00:51:18,640  
the listeners of your show when they go

1553  
00:51:23,430 --> 00:51:20,800  
to your website and buy a mug

1554  
00:51:25,190 --> 00:51:23,440  
buy a t-shirt like they are supporting

1555  
00:51:27,430 --> 00:51:25,200  
independent journalism

1556  
00:51:28,390 --> 00:51:27,440  
the work that you do on this show is

1557  
00:51:30,390 --> 00:51:28,400  
phenomenal

1558  
00:51:32,230 --> 00:51:30,400  
the stories that you uncover the

1559  
00:51:35,349 --> 00:51:32,240  
interviews you're able to get

1560  
00:51:37,349 --> 00:51:35,359  
the mainstream media will not cover it

1561  
00:51:38,950 --> 00:51:37,359  
they will not cover it so i think that

1562  
00:51:41,349 --> 00:51:38,960  
these conspiracy theories

1563  
00:51:43,030 --> 00:51:41,359

are in many ways sort of tailor-made for

1564

00:51:46,549 --> 00:51:43,040

the mainstream media

1565

00:51:48,309 --> 00:51:46,559

and this idea of you know cueing on or

1566

00:51:52,069 --> 00:51:48,319

whatever else like becoming the

1567

00:51:54,309 --> 00:51:52,079

the buzzword of the day it's so easy for

1568

00:51:55,430 --> 00:51:54,319

you to be on facebook and only see the

1569

00:51:57,910 --> 00:51:55,440

feeds that are

1570

00:51:59,589 --> 00:51:57,920

they're tailor-made for you right as a

1571

00:52:00,230 --> 00:51:59,599

conspiracy theorist or who's a

1572

00:52:03,430 --> 00:52:00,240

right-wing

1573

00:52:04,150 --> 00:52:03,440

person who loves fox news and loves that

1574

00:52:05,750 --> 00:52:04,160

world

1575

00:52:07,430 --> 00:52:05,760

and you can literally be sitting next to

1576

00:52:09,510 --> 00:52:07,440

your spouse and you are

1577

00:52:11,670 --> 00:52:09,520

you're a liberal or you and you can see

1578

00:52:14,470 --> 00:52:11,680

an entirely different news feed

1579

00:52:15,190 --> 00:52:14,480

totally totally constructed differently

1580

00:52:16,950 --> 00:52:15,200

uh that's

1581

00:52:18,390 --> 00:52:16,960

that looks nothing like what your spouse

1582

00:52:21,109 --> 00:52:18,400

is seeing because

1583

00:52:22,230 --> 00:52:21,119

it it knows how to talk to you um i

1584

00:52:23,829 --> 00:52:22,240

can't remember the name of the movie we

1585

00:52:25,030 --> 00:52:23,839

just watched it was on next netflix and

1586

00:52:28,710 --> 00:52:25,040

i can't i'm drawing a blank

1587

00:52:31,670 --> 00:52:28,720

oh uh yeah i saw that too the social

1588

00:52:32,150 --> 00:52:31,680

dilemma the dilemma yes bingo everyone

1589

00:52:34,150 --> 00:52:32,160

should

1590

00:52:37,190 --> 00:52:34,160

it's terrifying the social dilemma and

1591

00:52:39,990 --> 00:52:37,200

it's just how this algorithm works to

1592

00:52:40,549 --> 00:52:40,000

to feed this insecurity and this fear so

1593

00:52:42,309 --> 00:52:40,559

if you

1594

00:52:44,870 --> 00:52:42,319

i think what i try to do on my show is

1595

00:52:47,030 --> 00:52:44,880

let you know that like you are a pawn

1596

00:52:49,030 --> 00:52:47,040

and if you know you're a pawn what do

1597

00:52:51,589 --> 00:52:49,040

you do to break that cycle

1598

00:52:52,710 --> 00:52:51,599

and if you are starting to i have a

1599

00:52:54,309 --> 00:52:52,720

friend of mine who's like yeah my

1600

00:52:55,670 --> 00:52:54,319

friends they just went off the deep end

1601  
00:52:57,510 --> 00:52:55,680  
he's like they were you know they were

1602  
00:52:59,349 --> 00:52:57,520  
conservative and now they're like all in

1603  
00:53:00,950 --> 00:52:59,359  
on this q anon's conspiracy

1604  
00:53:02,470 --> 00:53:00,960  
and they think that this and he's like i

1605  
00:53:03,510 --> 00:53:02,480  
can't even talk to them anymore they're

1606  
00:53:06,549 --> 00:53:03,520  
absolutely

1607  
00:53:07,510 --> 00:53:06,559  
batshit crazy yeah and i don't know

1608  
00:53:09,829 --> 00:53:07,520  
where it comes from

1609  
00:53:11,270 --> 00:53:09,839  
i just you just it's like it's adding

1610  
00:53:13,190 --> 00:53:11,280  
fuel to the fire like if you already

1611  
00:53:14,790 --> 00:53:13,200  
have that little bit of kindling

1612  
00:53:17,430 --> 00:53:14,800  
and now you have all of these sort of

1613  
00:53:17,829 --> 00:53:17,440

like-minded tweets and facebook messages

1614

00:53:19,030 --> 00:53:17,839

being

1615

00:53:21,270 --> 00:53:19,040

thrown at you with all this

1616

00:53:22,309 --> 00:53:21,280

misinformation you're like yeah i feel

1617

00:53:25,190 --> 00:53:22,319

that

1618

00:53:25,589 --> 00:53:25,200

yeah let's go burn down a building uh

1619

00:53:29,430 --> 00:53:25,599

it's

1620

00:53:31,190 --> 00:53:29,440

know

1621

00:53:33,510 --> 00:53:31,200

in the moment when you're living in that

1622

00:53:34,790 --> 00:53:33,520

echo chamber you feel empowered like oh

1623

00:53:37,430 --> 00:53:34,800

someone gets me

1624

00:53:39,349 --> 00:53:37,440

like i'm on the right path uh but like

1625

00:53:40,309 --> 00:53:39,359

you said you can be standing next to a

1626  
00:53:42,390 --> 00:53:40,319  
person

1627  
00:53:44,309 --> 00:53:42,400  
who has been being fed something

1628  
00:53:46,630 --> 00:53:44,319  
completely different and

1629  
00:53:48,150 --> 00:53:46,640  
i i don't know clayton i mean i've never

1630  
00:53:50,230 --> 00:53:48,160  
really talked about

1631  
00:53:51,349 --> 00:53:50,240  
my private life on the show in terms of

1632  
00:53:54,470 --> 00:53:51,359  
all of this but

1633  
00:53:56,470 --> 00:53:54,480  
it affects all of us i mean we've lost

1634  
00:53:58,230 --> 00:53:56,480  
family members we've lost friends who

1635  
00:54:01,109 --> 00:53:58,240  
we've had for years who've been through

1636  
00:54:01,510 --> 00:54:01,119  
everything together and then this one

1637  
00:54:04,549 --> 00:54:01,520  
thing

1638  
00:54:07,109 --> 00:54:04,559

whether it's uh politics or um

1639

00:54:08,950 --> 00:54:07,119

you know just certain things that were

1640

00:54:12,549 --> 00:54:08,960

were shown on social media

1641

00:54:14,230 --> 00:54:12,559

it it just puts a wall up between you

1642

00:54:16,549 --> 00:54:14,240

and it's terrifying because i'm like

1643

00:54:17,190 --> 00:54:16,559

well how are we ever gonna get past that

1644

00:54:19,510 --> 00:54:17,200

or

1645

00:54:20,549 --> 00:54:19,520

how do we go back to a time where this

1646

00:54:21,990 --> 00:54:20,559

wasn't and

1647

00:54:23,990 --> 00:54:22,000

you know even in that movie you

1648

00:54:25,910 --> 00:54:24,000

mentioned we can't

1649

00:54:27,190 --> 00:54:25,920

there's there's no going back it's just

1650

00:54:29,910 --> 00:54:27,200

how we move forward

1651  
00:54:32,069 --> 00:54:29,920  
and i i think you're right i think you

1652  
00:54:32,549 --> 00:54:32,079  
know if we are going to be pawns in this

1653  
00:54:36,549 --> 00:54:32,559  
game

1654  
00:54:39,510 --> 00:54:36,559  
through this huge elite thing that the

1655  
00:54:40,710 --> 00:54:39,520  
mainstream media is uh feeding to us um

1656  
00:54:43,990 --> 00:54:40,720  
i think

1657  
00:54:45,349 --> 00:54:44,000  
maybe all we can really do is use them

1658  
00:54:47,910 --> 00:54:45,359  
like they're using us

1659  
00:54:48,710 --> 00:54:47,920  
and that's kind of the way i look at uh

1660  
00:54:51,589 --> 00:54:48,720  
you know

1661  
00:54:53,270 --> 00:54:51,599  
if i'm doing something on television or

1662  
00:54:56,390 --> 00:54:53,280  
if i'm being interviewed

1663  
00:54:58,549 --> 00:54:56,400

for a mainstream outlet um yeah

1664

00:55:00,710 --> 00:54:58,559

like i respect the anchor interviewing

1665

00:55:02,710 --> 00:55:00,720

me but as a huge corporation

1666

00:55:03,910 --> 00:55:02,720

i don't give a about fox i don't

1667

00:55:05,510 --> 00:55:03,920

care about cnn

1668

00:55:07,510 --> 00:55:05,520

i don't care about any of them they're

1669

00:55:09,510 --> 00:55:07,520

money-making machines like you said

1670

00:55:11,430 --> 00:55:09,520

and if they're gonna have me on i'm

1671

00:55:12,309 --> 00:55:11,440

gonna use that time to get my message

1672

00:55:15,510 --> 00:55:12,319

out there

1673

00:55:16,950 --> 00:55:15,520

or what i think and um try to lead

1674

00:55:19,270 --> 00:55:16,960

people to what i do

1675

00:55:21,109 --> 00:55:19,280

and what other independent podcasters

1676

00:55:22,950 --> 00:55:21,119

and and journalists do

1677

00:55:24,789 --> 00:55:22,960

so yeah like like you said if we're

1678

00:55:27,430 --> 00:55:24,799

gonna be upon let's uh

1679

00:55:29,910 --> 00:55:27,440

let's uh let's try to be the the bishop

1680

00:55:32,069 --> 00:55:29,920

or the queen for a little bit

1681

00:55:33,990 --> 00:55:32,079

i love that and look i'm with you man

1682

00:55:36,470 --> 00:55:34,000

like i've had you know i've lost

1683

00:55:37,910 --> 00:55:36,480

i mean look at any time i uh i do my

1684

00:55:39,589 --> 00:55:37,920

youtube show and i i

1685

00:55:41,750 --> 00:55:39,599

you know like i have this theory that

1686

00:55:43,349 --> 00:55:41,760

trump is you know um

1687

00:55:44,870 --> 00:55:43,359

so i did a whole thing today on the show

1688

00:55:45,829 --> 00:55:44,880

about how i think that trump is just

1689

00:55:47,829 --> 00:55:45,839

playing everybody

1690

00:55:49,910 --> 00:55:47,839

and i think that he's totally trying to

1691

00:55:52,150 --> 00:55:49,920

throw the election on purpose

1692

00:55:53,750 --> 00:55:52,160

and here's why because when i was at fox

1693

00:55:56,069 --> 00:55:53,760

in 2016

1694

00:55:58,710 --> 00:55:56,079

months before the election anchors were

1695

00:56:01,190 --> 00:55:58,720

being courted to sort of join a trump tv

1696

00:56:02,230 --> 00:56:01,200

network and you know so like and now

1697

00:56:04,150 --> 00:56:02,240

that's happening again

1698

00:56:05,670 --> 00:56:04,160

like this is like they've already laid

1699

00:56:07,510 --> 00:56:05,680

the groundwork he's 1.2 million

1700

00:56:09,750 --> 00:56:07,520

subscribers on his trump tv

1701

00:56:11,109 --> 00:56:09,760

channel uh he does not want to do this

1702

00:56:12,630 --> 00:56:11,119

another four years he never wanted to do

1703

00:56:14,230 --> 00:56:12,640

it in the first place it was all a media

1704

00:56:15,270 --> 00:56:14,240

play to pay off debt and you know to

1705

00:56:18,630 --> 00:56:15,280

build a media brand

1706

00:56:19,109 --> 00:56:18,640

yeah um and so i i mean it's it's plain

1707

00:56:20,710 --> 00:56:19,119

as day

1708

00:56:22,150 --> 00:56:20,720

i mean it's plainest day anybody can see

1709

00:56:23,750 --> 00:56:22,160

it and so like

1710

00:56:25,109 --> 00:56:23,760

i know that i'm gonna have people and

1711

00:56:27,109 --> 00:56:25,119

like on my youtube channel it'll be like

1712

00:56:27,789 --> 00:56:27,119

unsubscribed you know like just the one

1713

00:56:30,309 --> 00:56:27,799

word like

1714

00:56:31,190 --> 00:56:30,319

unsubscribe oh yeah i know that okay

1715

00:56:33,510 --> 00:56:31,200

that's fine

1716

00:56:34,470 --> 00:56:33,520

i'm just it's great and i i'm reminded

1717

00:56:37,270 --> 00:56:34,480

today i i

1718

00:56:37,990 --> 00:56:37,280

i i wrote this in our newsletter today

1719

00:56:40,710 --> 00:56:38,000

is you know

1720

00:56:41,589 --> 00:56:40,720

here we are in in october it's the 80th

1721

00:56:43,589 --> 00:56:41,599

birthday of

1722

00:56:45,349 --> 00:56:43,599

john lennon the beatle and uh you know

1723

00:56:46,630 --> 00:56:45,359

he was such a pioneer for peace and

1724

00:56:49,030 --> 00:56:46,640

and justice and one of the things he

1725

00:56:51,589 --> 00:56:49,040

said was and i think this

1726

00:56:53,109 --> 00:56:51,599

is so powerful given this era of

1727

00:56:55,190 --> 00:56:53,119

misinformation he said

1728

00:56:57,430 --> 00:56:55,200

being honest may not get you a lot of

1729

00:56:58,789 --> 00:56:57,440

friends but it will always get you the

1730

00:57:00,549 --> 00:56:58,799

right ones

1731

00:57:01,910 --> 00:57:00,559

and i just i said that at the top of my

1732

00:57:03,750 --> 00:57:01,920

show today because

1733

00:57:05,030 --> 00:57:03,760

i just feel like you know if you're a

1734

00:57:06,789 --> 00:57:05,040

viewer of my show

1735

00:57:08,870 --> 00:57:06,799

you're a follower of my show you're a

1736

00:57:11,349 --> 00:57:08,880

subscriber of of ryan's show

1737

00:57:11,990 --> 00:57:11,359

you you're listening you're listening

1738

00:57:15,109 --> 00:57:12,000

and you're you're

1739

00:57:16,390 --> 00:57:15,119

open-minded like you might say something

1740

00:57:17,990 --> 00:57:16,400

that might offend somebody else and you

1741

00:57:19,270 --> 00:57:18,000

might crack a few eggs to make an omelet

1742

00:57:21,030 --> 00:57:19,280

you might lose that person but the

1743

00:57:21,910 --> 00:57:21,040

person who sticks around the person

1744

00:57:24,630 --> 00:57:21,920

who's open

1745

00:57:26,390 --> 00:57:24,640

willing to to to question mainstream

1746

00:57:28,870 --> 00:57:26,400

media to think for themselves

1747

00:57:29,990 --> 00:57:28,880

it's like okay being honest may not get

1748

00:57:30,950 --> 00:57:30,000

you a lot of friends but it's going to

1749

00:57:32,549 --> 00:57:30,960

get you the right ones

1750

00:57:34,549 --> 00:57:32,559

and that's the way i look at subscribers

1751  
00:57:35,990 --> 00:57:34,559  
and viewers of my show now

1752  
00:57:37,589 --> 00:57:36,000  
you know so many people get caught up in

1753  
00:57:39,030 --> 00:57:37,599  
the popularity game

1754  
00:57:40,630 --> 00:57:39,040  
and that's what mainstream media is you

1755  
00:57:41,270 --> 00:57:40,640  
know how can we just like say the much

1756  
00:57:43,430 --> 00:57:41,280  
crap

1757  
00:57:45,430 --> 00:57:43,440  
to try to get the most eyeballs i'm more

1758  
00:57:47,589 --> 00:57:45,440  
interested in getting the right eyeballs

1759  
00:57:49,990 --> 00:57:47,599  
and that's what's more interesting to me

1760  
00:57:51,430 --> 00:57:50,000  
i like that and you know i have fallen

1761  
00:57:55,349 --> 00:57:51,440  
victim to

1762  
00:57:58,630 --> 00:57:55,359  
passion tweeting or angry facebooking

1763  
00:58:01,589 --> 00:57:58,640

like everyone else man and like i i

1764

00:58:02,309 --> 00:58:01,599

always regret it you know and my my

1765

00:58:05,190 --> 00:58:02,319

wonderful

1766

00:58:06,390 --> 00:58:05,200

partner taught me you know write it out

1767

00:58:08,549 --> 00:58:06,400

type it out

1768

00:58:10,549 --> 00:58:08,559

think about it for a minute and then see

1769

00:58:11,670 --> 00:58:10,559

if you still want to send it and my god

1770

00:58:14,789 --> 00:58:11,680

man that changed

1771

00:58:16,710 --> 00:58:14,799

everything because i have i've i've lost

1772

00:58:19,430 --> 00:58:16,720

friends i've lost supporters

1773

00:58:21,589 --> 00:58:19,440

and um it gets harder and harder the

1774

00:58:22,230 --> 00:58:21,599

more you get closer to an election or

1775

00:58:24,870 --> 00:58:22,240

something

1776

00:58:25,349 --> 00:58:24,880

and then you start to realize holy

1777

00:58:27,430 --> 00:58:25,359

like

1778

00:58:29,349 --> 00:58:27,440

i have been manipulated to think this

1779

00:58:30,069 --> 00:58:29,359

way and to tweet because every tweet i

1780

00:58:32,230 --> 00:58:30,079

put out

1781

00:58:33,349 --> 00:58:32,240

is more for the algorithm and more for

1782

00:58:35,910 --> 00:58:33,359

this and it just

1783

00:58:37,990 --> 00:58:35,920

feeds the machine who gives a about

1784

00:58:39,109 --> 00:58:38,000

biden who gives a about trump like

1785

00:58:41,270 --> 00:58:39,119

at the end of the day

1786

00:58:42,309 --> 00:58:41,280

we want what's best for our family for

1787

00:58:45,190 --> 00:58:42,319

our friends

1788

00:58:46,309 --> 00:58:45,200

and uh for our fellow neighbor and uh if

1789

00:58:48,549 --> 00:58:46,319

we all could

1790

00:58:49,750 --> 00:58:48,559

realize that and stop feeding the

1791

00:58:52,150 --> 00:58:49,760

divisiveness

1792

00:58:54,470 --> 00:58:52,160

i think we'd get we'd get somewhere and

1793

00:58:55,990 --> 00:58:54,480

i hope i hope that could happen someday

1794

00:58:58,710 --> 00:58:56,000

i i fear

1795

00:59:00,230 --> 00:58:58,720

we've kind of gone past it but hey look

1796

00:59:02,470 --> 00:59:00,240

sometimes you gotta

1797

00:59:04,230 --> 00:59:02,480

you gotta break everything down before

1798

00:59:06,069 --> 00:59:04,240

you build it back up but um

1799

00:59:08,069 --> 00:59:06,079

i completely agree with you you know i i

1800

00:59:10,150 --> 00:59:08,079

can have friends on both sides

1801  
00:59:11,109 --> 00:59:10,160  
and uh i think that's important to

1802  
00:59:14,069 --> 00:59:11,119  
realize what's

1803  
00:59:15,589 --> 00:59:14,079  
actually at stake and what's actually

1804  
00:59:18,630 --> 00:59:15,599  
important and that's

1805  
00:59:21,430 --> 00:59:18,640  
these things like climate change or

1806  
00:59:23,030 --> 00:59:21,440  
how to stop this pandemic it's not about

1807  
00:59:25,270 --> 00:59:23,040  
what trump thinks or

1808  
00:59:26,710 --> 00:59:25,280  
what biden thinks or kamala harris or

1809  
00:59:29,270 --> 00:59:26,720  
pence or whatever

1810  
00:59:31,430 --> 00:59:29,280  
these are just like these are just

1811  
00:59:32,069 --> 00:59:31,440  
cartoons that they put in front of us

1812  
00:59:35,990 --> 00:59:32,079  
you know

1813  
00:59:37,670 --> 00:59:36,000

just like parts of a puppet machine

1814

00:59:39,270 --> 00:59:37,680

and we just need to think for ourselves

1815

00:59:39,829 --> 00:59:39,280

and i think i that's why i just will say

1816

00:59:42,069 --> 00:59:39,839

this on

1817

00:59:43,349 --> 00:59:42,079

the politics piece i think if i could

1818

00:59:45,349 --> 00:59:43,359

leave in part anything

1819

00:59:46,789 --> 00:59:45,359

on politics to your audience something

1820

00:59:48,470 --> 00:59:46,799

that i'm passionate about it's about

1821

00:59:51,109 --> 00:59:48,480

like the state of maine

1822

00:59:51,829 --> 00:59:51,119

ranked choice voting the only state in

1823

00:59:54,549 --> 00:59:51,839

the country

1824

00:59:56,470 --> 00:59:54,559

right now that has ranked choice voting

1825

00:59:59,349 --> 00:59:56,480

and it's been upheld in the courts

1826  
01:00:00,870 --> 00:59:59,359  
and so this election cycle um depending

1827  
01:00:02,549 --> 01:00:00,880  
on when you're listening to this

1828  
01:00:03,829 --> 01:00:02,559  
hopefully before the election but

1829  
01:00:05,430 --> 01:00:03,839  
nevertheless if you live in the state of

1830  
01:00:06,630 --> 01:00:05,440  
maine you have ranked choice voting

1831  
01:00:07,510 --> 01:00:06,640  
which means you get to vote your

1832  
01:00:09,589 --> 01:00:07,520  
conscience so

1833  
01:00:11,270 --> 01:00:09,599  
if you think that joe jorgensen the

1834  
01:00:13,910 --> 01:00:11,280  
libertarian candidates right for you

1835  
01:00:15,589 --> 01:00:13,920  
and or you think howie hawkins the green

1836  
01:00:18,789 --> 01:00:15,599  
party candidate is right for you

1837  
01:00:19,990 --> 01:00:18,799  
and you know or whatever you can rank

1838  
01:00:21,270 --> 01:00:20,000

choice your vote

1839

01:00:23,430 --> 01:00:21,280

so that means you could pick howie

1840

01:00:24,950 --> 01:00:23,440

hawkins as your top choice

1841

01:00:26,549 --> 01:00:24,960

and then you're like okay well if howie

1842

01:00:29,349 --> 01:00:26,559

doesn't get 50 of the vote like if he

1843

01:00:33,510 --> 01:00:29,359

doesn't then then then the second choice

1844

01:00:36,150 --> 01:00:33,520

you can pick joe biden third you want

1845

01:00:37,750 --> 01:00:36,160

donald trump great whatever and you can

1846

01:00:39,670 --> 01:00:37,760

do it in that order and get and

1847

01:00:41,430 --> 01:00:39,680

the beauty of it is you can still vote

1848

01:00:42,870 --> 01:00:41,440

your conscience but if that particular

1849

01:00:44,950 --> 01:00:42,880

candidate doesn't get the act

1850

01:00:45,910 --> 01:00:44,960

the requisite number then it drops to

1851  
01:00:47,589 --> 01:00:45,920  
the second choice

1852  
01:00:49,589 --> 01:00:47,599  
and third and fourth and it goes down

1853  
01:00:50,470 --> 01:00:49,599  
and it's they've been doing it through

1854  
01:00:52,150 --> 01:00:50,480  
their primaries

1855  
01:00:53,910 --> 01:00:52,160  
and it's been fantastic and there's

1856  
01:00:55,510 --> 01:00:53,920  
literally no downside and

1857  
01:00:57,589 --> 01:00:55,520  
now they've got it for the presidential

1858  
01:01:00,230 --> 01:00:57,599  
election and i'm super jealous of you

1859  
01:01:01,670 --> 01:01:00,240  
mainers so anyone's listening in maine

1860  
01:01:03,349 --> 01:01:01,680  
i mean this is like this is what our

1861  
01:01:06,309 --> 01:01:03,359  
democracy needs not this

1862  
01:01:08,309 --> 01:01:06,319  
two-party system that's totally corrupt

1863  
01:01:09,190 --> 01:01:08,319

but the ability for other voices to

1864

01:01:12,789 --> 01:01:09,200

emerge

1865

01:01:14,789 --> 01:01:12,799

believe them and they're struck then

1866

01:01:16,470 --> 01:01:14,799

guess what people can vote their

1867

01:01:18,069 --> 01:01:16,480

conscience and somebody who

1868

01:01:19,990 --> 01:01:18,079

carries a message that's not bought and

1869

01:01:22,470 --> 01:01:20,000

sold by big corporations

1870

01:01:23,510 --> 01:01:22,480

that stands by us could actually emerge

1871

01:01:25,750 --> 01:01:23,520

so that's my little

1872

01:01:26,549 --> 01:01:25,760

ranked choice of voting psa for this

1873

01:01:28,870 --> 01:01:26,559

evening i

1874

01:01:30,870 --> 01:01:28,880

love it man well hey i mean it's true

1875

01:01:34,390 --> 01:01:30,880

though you know at least you can leave

1876

01:01:36,230 --> 01:01:34,400

knowing like i voted for who i wanted

1877

01:01:37,990 --> 01:01:36,240

to instead of being forced to vote for

1878

01:01:39,990 --> 01:01:38,000

one of the you know the main

1879

01:01:41,109 --> 01:01:40,000

the main people not from maine but the

1880

01:01:43,990 --> 01:01:41,119

main people out there

1881

01:01:44,390 --> 01:01:44,000

right so um that's that's cool i i do

1882

01:01:46,549 --> 01:01:44,400

hope

1883

01:01:47,750 --> 01:01:46,559

things move more in that direction but

1884

01:01:49,990 --> 01:01:47,760

you know if

1885

01:01:52,230 --> 01:01:50,000

if politics teach us anything it's that

1886

01:01:55,190 --> 01:01:52,240

it all it does is divide us

1887

01:01:56,870 --> 01:01:55,200

and that's unfortunate so i'm glad that

1888

01:02:00,470 --> 01:01:56,880

this ufo topic

1889

01:02:03,670 --> 01:02:00,480

um can pretty much remain bipartisan um

1890

01:02:06,390 --> 01:02:03,680

again it's much bigger than politics or

1891

01:02:06,950 --> 01:02:06,400

or nations or continents it could change

1892

01:02:09,510 --> 01:02:06,960

the world

1893

01:02:10,230 --> 01:02:09,520

so um i guess kind of moving back to

1894

01:02:12,549 --> 01:02:10,240

that

1895

01:02:14,309 --> 01:02:12,559

i gotta ask you being from pennsylvania

1896

01:02:18,230 --> 01:02:14,319

you did mention it throughout this

1897

01:02:20,470 --> 01:02:18,240

episode um kexpert 1965 ufo incident

1898

01:02:21,270 --> 01:02:20,480

this is one of my favorites um as i'm

1899

01:02:24,150 --> 01:02:21,280

sure it is

1900

01:02:26,230 --> 01:02:24,160

you being a local pennsylvanian um did

1901

01:02:26,549 --> 01:02:26,240

you grow up with this story clayton or

1902

01:02:27,589 --> 01:02:26,559

uh

1903

01:02:29,829 --> 01:02:27,599

yeah what do you make of the whole

1904

01:02:31,270 --> 01:02:29,839

kecksburg case so i didn't you know my

1905

01:02:33,270 --> 01:02:31,280

parents were fairly ignorant when it

1906

01:02:34,950 --> 01:02:33,280

came to ufo-related stuff

1907

01:02:37,430 --> 01:02:34,960

um you know they were blue collar hard

1908

01:02:38,710 --> 01:02:37,440

workers and you know we we had no music

1909

01:02:40,549 --> 01:02:38,720

on in the house they would listen like

1910

01:02:42,549 --> 01:02:40,559

kenny rogers and a few things so

1911

01:02:43,670 --> 01:02:42,559

like any music i would listen to in the

1912

01:02:45,109 --> 01:02:43,680

house was because i

1913

01:02:46,789 --> 01:02:45,119

discovered it and the same with like

1914

01:02:49,109 --> 01:02:46,799

keksburg and things like that

1915

01:02:49,829 --> 01:02:49,119

um so i went to university of pittsburgh

1916

01:02:51,270 --> 01:02:49,839

and so i

1917

01:02:53,589 --> 01:02:51,280

would drive out from reading

1918

01:02:55,349 --> 01:02:53,599

pennsylvania where my folks lived i

1919

01:02:57,190 --> 01:02:55,359

grew up in philadelphia area and then

1920

01:02:59,029 --> 01:02:57,200

moved to reading pennsylvania and so

1921

01:03:01,589 --> 01:02:59,039

would drive out west and then lived in

1922

01:03:05,270 --> 01:03:01,599

in bluefield west virginia so that

1923

01:03:08,309 --> 01:03:05,280

perpendicular nexus point of uh

1924

01:03:11,029 --> 01:03:08,319

of keksburg and that whole area um

1925

01:03:12,710 --> 01:03:11,039

is fascinating to me i mean it's it's

1926

01:03:14,309 --> 01:03:12,720

creepy in and of itself just coming up

1927

01:03:15,910 --> 01:03:14,319

from west virginia driving through that

1928

01:03:17,750 --> 01:03:15,920

area we all know uh

1929

01:03:20,069 --> 01:03:17,760

we all know mothman stories and other

1930

01:03:21,430 --> 01:03:20,079

things but driving through those winding

1931

01:03:24,150 --> 01:03:21,440

roads on up through

1932

01:03:25,750 --> 01:03:24,160

through that corridor um in southwestern

1933

01:03:29,109 --> 01:03:25,760

uh pennsylvania

1934

01:03:30,950 --> 01:03:29,119

uh is is fascinating and i think

1935

01:03:33,109 --> 01:03:30,960

to me in pennsylvania you know if you

1936

01:03:35,190 --> 01:03:33,119

look at the if you look at the data

1937

01:03:36,470 --> 01:03:35,200

for the number of bigfoot sightings and

1938

01:03:38,549 --> 01:03:36,480

ufo sightings

1939

01:03:39,589 --> 01:03:38,559

pennsylvania is like one of the top

1940

01:03:41,029 --> 01:03:39,599

spots

1941

01:03:42,829 --> 01:03:41,039

and for me to have like grown up in a

1942

01:03:44,150 --> 01:03:42,839

spot like that it's just been exciting

1943

01:03:45,750 --> 01:03:44,160

um

1944

01:03:47,190 --> 01:03:45,760

it's still an unsolved mystery you know

1945

01:03:49,430 --> 01:03:47,200

people want to say

1946

01:03:51,510 --> 01:03:49,440

that of course it was uh you know a

1947

01:03:52,470 --> 01:03:51,520

general what was it a general electric i

1948

01:03:55,670 --> 01:03:52,480

forget that the call

1949

01:03:58,069 --> 01:03:55,680

it was a mark ii re-entry vehicle right

1950

01:03:59,190 --> 01:03:58,079

like that yeah yeah that that's sort of

1951

01:04:00,789 --> 01:03:59,200

okay it was a you know

1952

01:04:02,870 --> 01:04:00,799

no one wanted to admit at the time in

1953

01:04:03,430 --> 01:04:02,880

the 60s that were spying on the russians

1954

01:04:05,589 --> 01:04:03,440

so

1955

01:04:06,549 --> 01:04:05,599

crash landed there and the military of

1956

01:04:08,950 --> 01:04:06,559

course swooped in

1957

01:04:10,710 --> 01:04:08,960

and blocked it off by 8 pm that night

1958

01:04:12,950 --> 01:04:10,720

they hauled away on a truck and

1959

01:04:13,990 --> 01:04:12,960

there's the funny little egg corn statue

1960

01:04:15,270 --> 01:04:14,000

up on that stilt

1961

01:04:17,910 --> 01:04:15,280

you know that's still there you can go

1962

01:04:19,589 --> 01:04:17,920

see it um but look i mean

1963

01:04:21,270 --> 01:04:19,599

that part of the country those you know

1964

01:04:23,750 --> 01:04:21,280

people in pittsburgh um

1965

01:04:25,589 --> 01:04:23,760

the you know and i used to read stories

1966

01:04:27,349 --> 01:04:25,599

in the pittsburgh post gazette about it

1967

01:04:29,589 --> 01:04:27,359

and they would do really well thought

1968

01:04:30,630 --> 01:04:29,599

out piece of pieces on this i even

1969

01:04:33,029 --> 01:04:30,640

remember

1970

01:04:34,789 --> 01:04:33,039

um in college reading about the stories

1971

01:04:36,150 --> 01:04:34,799

that like dan majors would cover on it

1972

01:04:37,829 --> 01:04:36,160

and even years later

1973

01:04:39,349 --> 01:04:37,839

um would would write about it from the

1974

01:04:41,349 --> 01:04:39,359

pittsburgh post gazette

1975

01:04:43,670 --> 01:04:41,359

and they wouldn't just they wouldn't do

1976

01:04:45,349 --> 01:04:43,680

the the x-files laughing yuck it up kind

1977

01:04:47,589 --> 01:04:45,359

of stuff they would actually do

1978

01:04:49,029 --> 01:04:47,599

like some some deep dive stories on this

1979

01:04:51,750 --> 01:04:49,039

with some really good reporting

1980

01:04:53,670 --> 01:04:51,760

interviewing um people from the mu you

1981

01:04:54,710 --> 01:04:53,680

know mutual ufo network from that area

1982

01:04:56,470 --> 01:04:54,720

so

1983

01:04:57,990 --> 01:04:56,480

it's been fascinating i think it is the

1984

01:05:01,430 --> 01:04:58,000

most famous

1985

01:05:02,150 --> 01:05:01,440

ufo story from pennsylvania what drew

1986

01:05:04,630 --> 01:05:02,160

you to it

1987

01:05:06,950 --> 01:05:04,640

um growing up i'm just curious is the

1988

01:05:09,109 --> 01:05:06,960

hieroglyphs is it the strange markings

1989

01:05:11,109 --> 01:05:09,119

is it the yeah

1990

01:05:12,549 --> 01:05:11,119

uh there's so much with this one man i

1991

01:05:14,230 --> 01:05:12,559

think the hieroglyphs were really

1992

01:05:16,870 --> 01:05:14,240

interesting i mean we've heard this in

1993

01:05:18,710 --> 01:05:16,880

several other cases like rendelsham

1994

01:05:21,109 --> 01:05:18,720

and whatnot that there are these weird

1995

01:05:22,470 --> 01:05:21,119

etchings even on the roswell debris

1996

01:05:24,789 --> 01:05:22,480

there were said to have been some sort

1997

01:05:26,950 --> 01:05:24,799

of hieroglyphics or whatnot um

1998

01:05:28,630 --> 01:05:26,960

right right there um but even besides

1999

01:05:32,069 --> 01:05:28,640

the craft itself

2000

01:05:35,750 --> 01:05:32,079

uh it was the i guess the immediacy

2001  
01:05:35,990 --> 01:05:35,760  
and the uh the cares probably isn't the

2002  
01:05:39,670 --> 01:05:36,000  
right

2003  
01:05:41,910 --> 01:05:39,680  
word but the way the military came in

2004  
01:05:43,190 --> 01:05:41,920  
cordoned it off and literally like

2005  
01:05:45,589 --> 01:05:43,200  
confiscated

2006  
01:05:46,470 --> 01:05:45,599  
homes to to like make their home base

2007  
01:05:50,150 --> 01:05:46,480  
for this thing

2008  
01:05:53,829 --> 01:05:50,160  
it was clearly something extremely

2009  
01:05:55,349 --> 01:05:53,839  
either dangerous or or top secret

2010  
01:05:57,270 --> 01:05:55,359  
i mean they were kicking people out of

2011  
01:05:57,829 --> 01:05:57,280  
their homes and saying we need this to

2012  
01:05:59,670 --> 01:05:57,839  
uh

2013  
01:06:02,150 --> 01:05:59,680

for communications and for this and for

2014

01:06:04,150 --> 01:06:02,160

recovery and they were silencing

2015

01:06:05,750 --> 01:06:04,160

everyone you know like the local fire

2016

01:06:07,750 --> 01:06:05,760

station was sent in to

2017

01:06:08,789 --> 01:06:07,760

stop a fire that happened after the

2018

01:06:10,870 --> 01:06:08,799

crash and

2019

01:06:12,309 --> 01:06:10,880

as soon as the flames were out they said

2020

01:06:13,029 --> 01:06:12,319

get out of here and never talk about

2021

01:06:15,829 --> 01:06:13,039

this again

2022

01:06:16,549 --> 01:06:15,839

so i think the uh the way the military

2023

01:06:18,390 --> 01:06:16,559

handled it

2024

01:06:20,150 --> 01:06:18,400

was always really intriguing to me i

2025

01:06:21,990 --> 01:06:20,160

hadn't really heard about that

2026  
01:06:23,510 --> 01:06:22,000  
other than roswell at the time when i

2027  
01:06:25,750 --> 01:06:23,520  
got into ufos

2028  
01:06:28,870 --> 01:06:25,760  
so yeah that's what fascinated me most

2029  
01:06:30,870 --> 01:06:28,880  
is we still don't know what it was

2030  
01:06:32,069 --> 01:06:30,880  
i think to in the children's siding you

2031  
01:06:34,630 --> 01:06:32,079  
know because hundreds

2032  
01:06:35,109 --> 01:06:34,640  
of people saw this hundreds so it wasn't

2033  
01:06:36,630 --> 01:06:35,119  
just

2034  
01:06:37,910 --> 01:06:36,640  
you know like a few and it was in the

2035  
01:06:39,670 --> 01:06:37,920  
middle of the night it was hundreds and

2036  
01:06:41,349 --> 01:06:39,680  
there's kids playing baseball in the

2037  
01:06:43,270 --> 01:06:41,359  
field i mean there's the ten-year-olds

2038  
01:06:44,870 --> 01:06:43,280

playing football in the fields

2039

01:06:46,470 --> 01:06:44,880

to your point you know having the

2040

01:06:48,069 --> 01:06:46,480

two-story house taken over by the

2041

01:06:49,670 --> 01:06:48,079

military they'll here you go

2042

01:06:51,029 --> 01:06:49,680

and and here by the way take a phone

2043

01:06:51,589 --> 01:06:51,039

with you like here's something right

2044

01:06:53,430 --> 01:06:51,599

just you

2045

01:06:55,589 --> 01:06:53,440

just leave like we're taking over your

2046

01:06:57,270 --> 01:06:55,599

house i mean like literally like war

2047

01:06:59,109 --> 01:06:57,280

this was like war like we're gonna take

2048

01:07:00,630 --> 01:06:59,119

over your house in gettysburg and like

2049

01:07:02,390 --> 01:07:00,640

we're kicking you out and this is now a

2050

01:07:03,670 --> 01:07:02,400

military house and

2051

01:07:05,829 --> 01:07:03,680

robert e lee is going to sleep here

2052

01:07:08,390 --> 01:07:05,839

tonight so get out of here um

2053

01:07:09,589 --> 01:07:08,400

you know and i think also too i was

2054

01:07:12,630 --> 01:07:09,599

because of broadcast

2055

01:07:13,270 --> 01:07:12,640

i was fascinated by like kdka radio in

2056

01:07:16,069 --> 01:07:13,280

pittsburgh

2057

01:07:17,829 --> 01:07:16,079

and i you know studied broadcasting at

2058

01:07:20,230 --> 01:07:17,839

the university of pittsburgh and

2059

01:07:22,150 --> 01:07:20,240

would it's pittsburgh you know is a

2060

01:07:24,230 --> 01:07:22,160

fascinating broadcasting

2061

01:07:25,190 --> 01:07:24,240

i don't know if you know much about that

2062

01:07:28,309 --> 01:07:25,200

thing but like

2063

01:07:30,549 --> 01:07:28,319

the first the first radio station is

2064

01:07:32,309 --> 01:07:30,559

pittsburgh the very first radio station

2065

01:07:34,230 --> 01:07:32,319

started in a garage in

2066

01:07:36,230 --> 01:07:34,240

in pittsburgh pennsylvania and it was

2067

01:07:38,870 --> 01:07:36,240

kdka and it was

2068

01:07:40,150 --> 01:07:38,880

the re it's the only east coast call

2069

01:07:42,309 --> 01:07:40,160

sign with a k

2070

01:07:43,990 --> 01:07:42,319

you know all k signs or i think what

2071

01:07:47,750 --> 01:07:44,000

rest west of the rockies i guess

2072

01:07:50,230 --> 01:07:47,760

um so kdka is the only east coast

2073

01:07:51,430 --> 01:07:50,240

radio station and all of them are w's

2074

01:07:53,670 --> 01:07:51,440

you know on the west on the east coast

2075

01:07:54,470 --> 01:07:53,680

so it's this weird anomaly of kdka radio

2076

01:07:57,670 --> 01:07:54,480

and

2077

01:07:59,670 --> 01:07:57,680

that night when that happened um all of

2078

01:08:00,390 --> 01:07:59,680

these people were calling in to kdk

2079

01:08:01,670 --> 01:08:00,400

radio

2080

01:08:03,990 --> 01:08:01,680

so it's pittsburgh you know it's like an

2081

01:08:07,270 --> 01:08:04,000

hour north but still like kdk

2082

01:08:09,510 --> 01:08:07,280

kdk radio became like

2083

01:08:10,549 --> 01:08:09,520

that the nexus point for all of these

2084

01:08:12,950 --> 01:08:10,559

people calling in

2085

01:08:13,829 --> 01:08:12,960

eyewitnesses talking about what they had

2086

01:08:16,950 --> 01:08:13,839

seen

2087

01:08:20,070 --> 01:08:16,960

you know and everyone in that town was

2088

01:08:21,749 --> 01:08:20,080

on the radio listening to kdka radio

2089

01:08:23,430 --> 01:08:21,759

and telling them what they had seen

2090

01:08:24,070 --> 01:08:23,440

people are saying cars are coming out of

2091

01:08:26,470 --> 01:08:24,080

nowhere

2092

01:08:28,309 --> 01:08:26,480

the military showing up volunteer

2093

01:08:30,070 --> 01:08:28,319

firefighters police

2094

01:08:31,590 --> 01:08:30,080

reporters were flooding into the scene

2095

01:08:33,590 --> 01:08:31,600

at the time um

2096

01:08:35,269 --> 01:08:33,600

you know military personnel coming in it

2097

01:08:37,910 --> 01:08:35,279

was all over the place

2098

01:08:39,590 --> 01:08:37,920

and so you know i think what what really

2099

01:08:40,550 --> 01:08:39,600

struck i think the people of kecksburg

2100

01:08:42,870 --> 01:08:40,560

at the time

2101  
01:08:43,829 --> 01:08:42,880  
was just how quickly the military

2102  
01:08:47,030 --> 01:08:43,839  
arrived

2103  
01:08:49,510 --> 01:08:47,040  
and took charge and took over everything

2104  
01:08:51,349 --> 01:08:49,520  
so i guess that does raise the question

2105  
01:08:52,470 --> 01:08:51,359  
you know well if they were there that

2106  
01:08:55,510 --> 01:08:52,480  
quickly

2107  
01:08:58,789 --> 01:08:55,520  
in 1965 was it

2108  
01:09:00,070 --> 01:08:58,799  
this general electric mark ii spy

2109  
01:09:02,709 --> 01:09:00,080  
satellite that was

2110  
01:09:04,550 --> 01:09:02,719  
studying the russians and we didn't want

2111  
01:09:05,990 --> 01:09:04,560  
them to know that we were studying them

2112  
01:09:08,390 --> 01:09:06,000  
so we kept it under wraps

2113  
01:09:11,110 --> 01:09:08,400

and kept it quiet but then again to your

2114

01:09:14,470 --> 01:09:11,120

point why the strange hieroglyphs why

2115

01:09:16,950 --> 01:09:14,480

yeah it's so enigmatic and

2116

01:09:18,470 --> 01:09:16,960

weird right you know and i i do agree

2117

01:09:21,749 --> 01:09:18,480

with you i think

2118

01:09:22,390 --> 01:09:21,759

this was some sort of either satellite

2119

01:09:26,470 --> 01:09:22,400

or

2120

01:09:29,669 --> 01:09:26,480

flight

2121

01:09:31,669 --> 01:09:29,679

shuttle i i don't know it's just

2122

01:09:32,950 --> 01:09:31,679

you're right the way the military moved

2123

01:09:34,870 --> 01:09:32,960

in so quickly

2124

01:09:36,870 --> 01:09:34,880

um it's almost as if they were tracking

2125

01:09:38,390 --> 01:09:36,880

this or they knew about it

2126  
01:09:40,149 --> 01:09:38,400  
um they didn't really know where it went

2127  
01:09:43,669 --> 01:09:40,159  
down but they knew it would be

2128  
01:09:44,229 --> 01:09:43,679  
in that area somewhere uh i do have to

2129  
01:09:46,070 --> 01:09:44,239  
wonder

2130  
01:09:47,990 --> 01:09:46,080  
yeah was this something not

2131  
01:09:50,070 --> 01:09:48,000  
extraterrestrial but something highly

2132  
01:09:51,669 --> 01:09:50,080  
exotic and classified yeah and you have

2133  
01:09:53,110 --> 01:09:51,679  
the pittsburgh post reporters too

2134  
01:09:54,149 --> 01:09:53,120  
because like i said i would i

2135  
01:09:56,390 --> 01:09:54,159  
when i was at the university of

2136  
01:09:57,830 --> 01:09:56,400  
pittsburgh i loved looking into this and

2137  
01:09:59,669 --> 01:09:57,840  
other stories and i would go down to

2138  
01:10:02,790 --> 01:09:59,679

hillman library and

2139

01:10:03,990 --> 01:10:02,800

and and just dig through archives and

2140

01:10:05,750 --> 01:10:04,000

things like that and

2141

01:10:07,669 --> 01:10:05,760

remember reading old newspaper clippings

2142

01:10:09,910 --> 01:10:07,679

the pittsburgh post gazette and

2143

01:10:11,990 --> 01:10:09,920

and things and so you know you have the

2144

01:10:12,790 --> 01:10:12,000

reporters at the time who went and were

2145

01:10:15,990 --> 01:10:12,800

sent there

2146

01:10:17,669 --> 01:10:16,000

you know who are working that case uh

2147

01:10:19,030 --> 01:10:17,679

who are out of like the greensburg

2148

01:10:20,630 --> 01:10:19,040

office because like if you know anything

2149

01:10:22,070 --> 01:10:20,640

about pittsburgh

2150

01:10:23,510 --> 01:10:22,080

like i went to the main campus

2151

01:10:25,030 --> 01:10:23,520

university of pittsburgh within like the

2152

01:10:26,870 --> 01:10:25,040

greenberg

2153

01:10:29,430 --> 01:10:26,880

like the greensburg campus and there was

2154

01:10:29,990 --> 01:10:29,440

like two other campuses kind of not too

2155

01:10:31,430 --> 01:10:30,000

far away

2156

01:10:33,189 --> 01:10:31,440

they were like satellites and the same

2157

01:10:34,070 --> 01:10:33,199

thing operated two of the news stations

2158

01:10:35,590 --> 01:10:34,080

at the time

2159

01:10:37,270 --> 01:10:35,600

for pittsburgh post gazette they would

2160

01:10:39,990 --> 01:10:37,280

cover the different bureaus

2161

01:10:40,390 --> 01:10:40,000

so to speak um but you know the reporter

2162

01:10:41,590 --> 01:10:40,400

that

2163

01:10:44,070 --> 01:10:41,600

wound up on the scene if i'm not

2164

01:10:45,750 --> 01:10:44,080

mistaken like described you know

2165

01:10:47,510 --> 01:10:45,760

everyone said it was huge everyone said

2166

01:10:48,790 --> 01:10:47,520

it was large like you know i think maybe

2167

01:10:49,510 --> 01:10:48,800

in people's minds they think it was

2168

01:10:52,870 --> 01:10:49,520

maybe 10

2169

01:10:55,990 --> 01:10:52,880

12 15 16 feet tall this

2170

01:10:56,950 --> 01:10:56,000

craft he's you know he's there he

2171

01:10:58,630 --> 01:10:56,960

arrives and he's

2172

01:11:00,310 --> 01:10:58,640

you know i forget his name i forget the

2173

01:11:00,630 --> 01:11:00,320

reporter's name at the time but he said

2174

01:11:02,630 --> 01:11:00,640

he

2175

01:11:04,310 --> 01:11:02,640

saw it and it was being taken away in a

2176  
01:11:05,510 --> 01:11:04,320  
flatbed truck and he said it wasn't that

2177  
01:11:07,350 --> 01:11:05,520  
large that it was

2178  
01:11:09,510 --> 01:11:07,360  
to him it looked like i think he

2179  
01:11:12,550 --> 01:11:09,520  
described as like two suitcases

2180  
01:11:15,590 --> 01:11:12,560  
the size of like two small suitcases

2181  
01:11:16,790 --> 01:11:15,600  
um so you have this discrepancy in sizes

2182  
01:11:18,790 --> 01:11:16,800  
from people who thought they saw

2183  
01:11:22,310 --> 01:11:18,800  
something bigger and you know

2184  
01:11:24,870 --> 01:11:22,320  
um so yeah it is it's

2185  
01:11:26,070 --> 01:11:24,880  
it's fascinating go pennsylvania yeah

2186  
01:11:28,229 --> 01:11:26,080  
absolutely

2187  
01:11:29,270 --> 01:11:28,239  
um and i mean look this is one of the

2188  
01:11:32,149 --> 01:11:29,280

only cases

2189

01:11:34,149 --> 01:11:32,159

where we can turn and say uh the

2190

01:11:35,350 --> 01:11:34,159

government got sued or at least a

2191

01:11:37,990 --> 01:11:35,360

government-funded

2192

01:11:39,189 --> 01:11:38,000

nasa got sued like we mentioned leslie

2193

01:11:41,270 --> 01:11:39,199

kane

2194

01:11:42,630 --> 01:11:41,280

she sued nasa under the freedom of

2195

01:11:45,030 --> 01:11:42,640

information act

2196

01:11:46,070 --> 01:11:45,040

for the lost nasa records on kecksburg

2197

01:11:47,669 --> 01:11:46,080

this case

2198

01:11:49,110 --> 01:11:47,679

and they agreed to search for the

2199

01:11:50,630 --> 01:11:49,120

records and

2200

01:11:53,189 --> 01:11:50,640

you know after being ordered by the

2201

01:11:55,270 --> 01:11:53,199

court to do so and during the hearing

2202

01:11:57,270 --> 01:11:55,280

i remember reading about this um nasa's

2203

01:12:00,310 --> 01:11:57,280

public liaison officer

2204

01:12:02,070 --> 01:12:00,320

testified that two boxes of papers

2205

01:12:03,350 --> 01:12:02,080

from the time of the kecksburg incident

2206

01:12:05,590 --> 01:12:03,360

were missing

2207

01:12:06,470 --> 01:12:05,600

and um you know the loss of records

2208

01:12:09,750 --> 01:12:06,480

isn't

2209

01:12:11,270 --> 01:12:09,760

unheard of for nasa but um even the

2210

01:12:13,669 --> 01:12:11,280

original tapes recorded during the

2211

01:12:15,350 --> 01:12:13,679

televised apollo 11 moon landing

2212

01:12:17,350 --> 01:12:15,360

were misplaced or reused so there's

2213

01:12:19,270 --> 01:12:17,360

another conspiracy right there

2214

01:12:21,990 --> 01:12:19,280

right and but um yeah we only have the

2215

01:12:23,590 --> 01:12:22,000

rec we only have the recording of the tv

2216

01:12:25,350 --> 01:12:23,600

of the landings we don't even have the

2217

01:12:28,070 --> 01:12:25,360

actual recording how does that happen

2218

01:12:29,590 --> 01:12:28,080

how does that happen yeah someone gets

2219

01:12:31,350 --> 01:12:29,600

stanley kubrick on the uh

2220

01:12:33,350 --> 01:12:31,360

the ouija board and let's figure this

2221

01:12:34,950 --> 01:12:33,360

out

2222

01:12:37,350 --> 01:12:34,960

that's a little morbid i shouldn't have

2223

01:12:40,550 --> 01:12:37,360

said that but um yeah no true true

2224

01:12:43,030 --> 01:12:40,560

but hey look she won she won and uh

2225

01:12:45,110 --> 01:12:43,040

they said we got nothing so um we've

2226

01:12:46,550 --> 01:12:45,120

heard this many times before so

2227

01:12:48,630 --> 01:12:46,560

it will go down i think is one of the

2228

01:12:50,550 --> 01:12:48,640

most historic cases but um

2229

01:12:51,990 --> 01:12:50,560

are there any other cases clayton that

2230

01:12:54,229 --> 01:12:52,000

you really turn to

2231

01:12:55,910 --> 01:12:54,239

like that you would hang your hat on and

2232

01:12:57,590 --> 01:12:55,920

say this is proof or

2233

01:12:59,709 --> 01:12:57,600

maybe not proof but this is enough

2234

01:13:01,110 --> 01:12:59,719

evidence to say we've been visited by

2235

01:13:03,669 --> 01:13:01,120

extraterrestrials

2236

01:13:05,510 --> 01:13:03,679

or interdimensionals what have you

2237

01:13:07,510 --> 01:13:05,520

insert phenomena here

2238

01:13:09,590 --> 01:13:07,520

um to really tell people there's

2239

01:13:11,189 --> 01:13:09,600

something to all this

2240

01:13:13,110 --> 01:13:11,199

well i think there's a couple i mean i'm

2241

01:13:15,430 --> 01:13:13,120

fascinated i've since i was a kid i've

2242

01:13:18,870 --> 01:13:15,440

been fascinated by the shag harbor

2243

01:13:19,270 --> 01:13:18,880

uh incident uh that was our episode last

2244

01:13:22,470 --> 01:13:19,280

week

2245

01:13:23,189 --> 01:13:22,480

actually sorry yes yes no i mean i love

2246

01:13:24,709 --> 01:13:23,199

it and because

2247

01:13:26,310 --> 01:13:24,719

you know it's i've been fascinated by

2248

01:13:28,470 --> 01:13:26,320

that for years i remember

2249

01:13:30,310 --> 01:13:28,480

watching documentaries on it years ago

2250

01:13:32,390 --> 01:13:30,320

and just reading books on it and just

2251

01:13:34,149 --> 01:13:32,400

always being just so blown away by it

2252

01:13:37,189 --> 01:13:34,159

maybe it's the remoteness of it

2253

01:13:39,590 --> 01:13:37,199

it's the the fishing village you know

2254

01:13:42,550 --> 01:13:39,600

canada very picturesque you know

2255

01:13:45,110 --> 01:13:42,560

picturesque canadians are not prone to

2256

01:13:46,709 --> 01:13:45,120

hyperbole you know they're not prone to

2257

01:13:47,030 --> 01:13:46,719

lying you know they're just they're just

2258

01:13:48,390 --> 01:13:47,040

like

2259

01:13:49,669 --> 01:13:48,400

salt of the earth i have so many

2260

01:13:51,510 --> 01:13:49,679

canadian friends and they are the

2261

01:13:52,630 --> 01:13:51,520

kindest human beings you'll ever meet

2262

01:13:54,470 --> 01:13:52,640

right so

2263

01:13:56,470 --> 01:13:54,480

like and the fact that the canadian

2264

01:13:58,630 --> 01:13:56,480

government is involved you know and

2265

01:14:00,550 --> 01:13:58,640

and i mean it's well known right i mean

2266

01:14:01,510 --> 01:14:00,560

it's it's not it's not it's not a hidden

2267

01:14:03,750 --> 01:14:01,520

story i think also

2268

01:14:06,390 --> 01:14:03,760

um so that one's a big one for me i'm

2269

01:14:08,310 --> 01:14:06,400

just i'm fascinated by that i think

2270

01:14:10,229 --> 01:14:08,320

you know i also think the tehran ufo

2271

01:14:14,229 --> 01:14:10,239

incident is another big one and

2272

01:14:16,229 --> 01:14:14,239

uh you know i think to hear those pilots

2273

01:14:18,390 --> 01:14:16,239

to hear those generals to hear

2274

01:14:20,229 --> 01:14:18,400

i mean to hear what was being discussed

2275

01:14:23,430 --> 01:14:20,239

inside the iranian government

2276

01:14:25,990 --> 01:14:23,440

and um with with a shake like

2277

01:14:26,709 --> 01:14:26,000

yeah we know that like this is this is

2278

01:14:29,830 --> 01:14:26,719

beyond

2279

01:14:32,630 --> 01:14:29,840

things that we know on this earth and

2280

01:14:34,390 --> 01:14:32,640

yeah what you saw yeah it's i'm sure

2281

01:14:36,390 --> 01:14:34,400

you're probably glad you didn't hit this

2282

01:14:39,189 --> 01:14:36,400

thing when you fired upon it like

2283

01:14:40,070 --> 01:14:39,199

yeah um so that's fascinating to me and

2284

01:14:42,149 --> 01:14:40,080

also

2285

01:14:43,270 --> 01:14:42,159

more more of a sort of the ground-based

2286

01:14:45,750 --> 01:14:43,280

stuff i think

2287

01:14:47,110 --> 01:14:45,760

i think that i've been fascinated by it

2288

01:14:48,709 --> 01:14:47,120

i don't know how to wrap my head around

2289

01:14:50,709 --> 01:14:48,719

it to be quite honest with you

2290

01:14:53,189 --> 01:14:50,719

like i don't want to come off as some

2291

01:14:54,550 --> 01:14:53,199

amazing ufologist because i'm not i mean

2292

01:14:56,470 --> 01:14:54,560

if you're you want to hear a real

2293

01:14:56,870 --> 01:14:56,480

ufologist you know you're the you're the

2294

01:14:59,910 --> 01:14:56,880

guy

2295

01:15:02,630 --> 01:14:59,920

right like so i'm i'm i'm

2296

01:15:04,470 --> 01:15:02,640

really um i don't say in some ways a

2297

01:15:06,950 --> 01:15:04,480

fanboy i mean i spend as much time as i

2298

01:15:08,390 --> 01:15:06,960

can trying to dive into this stuff but i

2299

01:15:11,990 --> 01:15:08,400

think i'm

2300

01:15:16,070 --> 01:15:12,000

i think antarctica to me

2301

01:15:18,229 --> 01:15:16,080

is so compelling and

2302

01:15:19,990 --> 01:15:18,239

there's so much there there's so many

2303

01:15:21,590 --> 01:15:20,000

stories that we have yet to uncover

2304

01:15:24,390 --> 01:15:21,600

about antarctica

2305

01:15:25,510 --> 01:15:24,400

um and i i don't know where to start

2306

01:15:27,030 --> 01:15:25,520

with it i don't know where to wrap my

2307

01:15:28,790 --> 01:15:27,040

head around with it i i don't know where

2308

01:15:29,510 --> 01:15:28,800

the starting point on discussion about

2309

01:15:32,950 --> 01:15:29,520

antarctica

2310

01:15:34,790 --> 01:15:32,960

is um so to me what's unfolding in the

2311

01:15:37,030 --> 01:15:34,800

stories that we hear the the

2312

01:15:38,229 --> 01:15:37,040

tidbits and and dispatches that come out

2313

01:15:40,950 --> 01:15:38,239

of antarctica

2314

01:15:41,669 --> 01:15:40,960

but underground bases and giant chasms

2315

01:15:47,350 --> 01:15:41,679

and

2316

01:15:48,470 --> 01:15:47,360

fact that we have this sort of

2317

01:15:50,470 --> 01:15:48,480

the way that the government has

2318

01:15:52,070 --> 01:15:50,480

structured antarctica the world

2319

01:15:54,709 --> 01:15:52,080

governments have structured it to me

2320

01:15:55,910 --> 01:15:54,719

is is is telling in and of itself so to

2321

01:15:57,990 --> 01:15:55,920

me antarctica

2322

01:15:59,669 --> 01:15:58,000

i you know maybe there's not one

2323

01:16:00,470 --> 01:15:59,679

kecksburg in antarctica that we could

2324

01:16:02,950 --> 01:16:00,480

all point to

2325

01:16:04,310 --> 01:16:02,960

because it's so remote but boy i'm just

2326

01:16:06,870 --> 01:16:04,320

fascinated by that

2327

01:16:07,910 --> 01:16:06,880

yeah it is a topic i have not discussed

2328

01:16:10,790 --> 01:16:07,920

on the show because

2329

01:16:12,630 --> 01:16:10,800

like you you know even as a ufo

2330

01:16:14,070 --> 01:16:12,640

researcher i hate using the word expert

2331

01:16:14,790 --> 01:16:14,080

because none of us know what the hell

2332

01:16:17,270 --> 01:16:14,800

any of this

2333

01:16:18,709 --> 01:16:17,280

is but um i i would have to agree

2334

01:16:20,950 --> 01:16:18,719

antarctica is just

2335

01:16:21,750 --> 01:16:20,960

i can't even imagine the secrets that

2336

01:16:24,229 --> 01:16:21,760

lie

2337

01:16:24,790 --> 01:16:24,239

you know under the ice there or what

2338

01:16:27,830 --> 01:16:24,800

have you

2339

01:16:30,070 --> 01:16:27,840

um and like you said we've heard some

2340

01:16:31,750 --> 01:16:30,080

really weird stories come out of there

2341

01:16:33,990 --> 01:16:31,760

and uh maybe

2342

01:16:35,510 --> 01:16:34,000

maybe some of them are true probably a

2343

01:16:36,630 --> 01:16:35,520

lot of them aren't but there is

2344

01:16:38,870 --> 01:16:36,640

definitely

2345

01:16:40,550 --> 01:16:38,880

something to that place and like you

2346

01:16:42,790 --> 01:16:40,560

mentioned you know the fact that all

2347

01:16:44,950 --> 01:16:42,800

world governments lead to antarctica

2348

01:16:46,070 --> 01:16:44,960

you have to wonder what the hell is

2349

01:16:48,709 --> 01:16:46,080

going on there

2350

01:16:49,270 --> 01:16:48,719

right right and especially now that

2351

01:16:51,350 --> 01:16:49,280

we've got

2352

01:16:53,830 --> 01:16:51,360

global warming and what are the concerns

2353

01:16:56,310 --> 01:16:53,840

with things being uncovered there

2354

01:16:58,630 --> 01:16:56,320

and ice shelves falling and what's you

2355

01:17:01,350 --> 01:16:58,640

know what's going to emerge there so

2356

01:17:02,070 --> 01:17:01,360

um i don't know you know it's also one

2357

01:17:03,910 --> 01:17:02,080

of those things i think

2358

01:17:06,070 --> 01:17:03,920

pay attention to what like elon musk

2359

01:17:08,070 --> 01:17:06,080

talks about i know he's it's easy to

2360

01:17:09,669 --> 01:17:08,080

write off and and conspiracy theorists

2361

01:17:11,590 --> 01:17:09,679

can just kind of laugh him off as like a

2362

01:17:12,870 --> 01:17:11,600

pot-smoking billionaire brilliant guy

2363

01:17:14,790 --> 01:17:12,880

but

2364

01:17:16,470 --> 01:17:14,800

when he when he makes random comments

2365

01:17:20,149 --> 01:17:16,480

about things like that sometimes

2366

01:17:23,430 --> 01:17:20,159

yeah the stuff that he has access to

2367

01:17:23,669 --> 01:17:23,440

like you should not should not discount

2368

01:17:25,430 --> 01:17:23,679

it

2369

01:17:27,430 --> 01:17:25,440

right here's a guy that managed to send

2370

01:17:30,709 --> 01:17:27,440

a car into space

2371

01:17:33,669 --> 01:17:30,719

right you know like he's very close

2372

01:17:35,510 --> 01:17:33,679

to getting people to mars like the fact

2373

01:17:35,910 --> 01:17:35,520

that when he makes an aside comment

2374

01:17:38,550 --> 01:17:35,920

about

2375

01:17:39,110 --> 01:17:38,560

things like that and i'm i'm also

2376

01:17:40,630 --> 01:17:39,120

curious

2377

01:17:42,229 --> 01:17:40,640

i could talk to you for hours but like

2378

01:17:43,510 --> 01:17:42,239

the boring project you know his

2379

01:17:45,350 --> 01:17:43,520

underground boring

2380

01:17:47,590 --> 01:17:45,360

yeah if anyone wants to go back and look

2381

01:17:49,990 --> 01:17:47,600

at the 1960s boring projects

2382

01:17:51,430 --> 01:17:50,000

um underground with the us air force and

2383

01:17:54,790 --> 01:17:51,440

those giant

2384

01:17:58,070 --> 01:17:54,800

giant it's easy to find to google

2385

01:17:58,709 --> 01:17:58,080

these giant ground penetrating digging

2386

01:18:01,590 --> 01:17:58,719

machines

2387

01:18:02,550 --> 01:18:01,600

from the us air force like why why why

2388

01:18:05,350 --> 01:18:02,560

do we have these

2389

01:18:07,110 --> 01:18:05,360

right why are these and reports of these

2390

01:18:10,070 --> 01:18:07,120

giant underground caverns and

2391

01:18:11,830 --> 01:18:10,080

and underground uh shuttle systems uh

2392

01:18:13,669 --> 01:18:11,840

being you know between the west coast

2393

01:18:15,030 --> 01:18:13,679

and through vegas and through the desert

2394

01:18:17,590 --> 01:18:15,040

southwest and

2395

01:18:18,390 --> 01:18:17,600

and so to i don't know something's going

2396

01:18:21,810 --> 01:18:18,400

on

2397

01:18:24,070 --> 01:18:21,820

feel like i can't handle it my pee brain

2398

01:18:25,990 --> 01:18:24,080

[Laughter]

2399

01:18:27,669 --> 01:18:26,000

you know like can i just i would love to

2400

01:18:29,830 --> 01:18:27,679

be i would like to be the

2401

01:18:31,430 --> 01:18:29,840

the fly on mike pence's hair and just

2402

01:18:34,070 --> 01:18:31,440

sit in on one of those meetings

2403

01:18:34,950 --> 01:18:34,080

you know and like hear what's going on

2404

01:18:36,709 --> 01:18:34,960

can i go

2405

01:18:39,350 --> 01:18:36,719

would you mind if i just fly to planet

2406

01:18:41,189 --> 01:18:39,360

serpo would you mind if i just like

2407

01:18:42,870 --> 01:18:41,199

head on up to to the moon base the

2408

01:18:43,430 --> 01:18:42,880

secret moon base on the secret space

2409

01:18:45,189 --> 01:18:43,440

program

2410

01:18:47,510 --> 01:18:45,199

like am i enlightened enough to just sit

2411

01:18:48,149 --> 01:18:47,520

in one day on one of those conversations

2412

01:18:51,189 --> 01:18:48,159

please

2413

01:18:53,110 --> 01:18:51,199

just one yeah well okay

2414

01:18:54,709 --> 01:18:53,120

so you did go there clean so i do want

2415

01:18:56,630 --> 01:18:54,719

to ask um

2416

01:18:58,709 --> 01:18:56,640

and i just got a few more to wrap up

2417

01:19:01,350 --> 01:18:58,719

with you here but you did mention

2418

01:19:02,950 --> 01:19:01,360

you know pence and meetings and whatnot

2419

01:19:05,990 --> 01:19:02,960

do you think

2420

01:19:07,189 --> 01:19:06,000

trump has any interest in this or is it

2421

01:19:10,070 --> 01:19:07,199

just another

2422

01:19:10,550 --> 01:19:10,080

way to get views and have people wonder

2423

01:19:13,430 --> 01:19:10,560

like

2424

01:19:14,950 --> 01:19:13,440

do you think he or any president are

2425

01:19:17,750 --> 01:19:14,960

more privy than others on

2426

01:19:18,870 --> 01:19:17,760

any of this ufo stuff or have been told

2427

01:19:21,669 --> 01:19:18,880

anything or

2428

01:19:23,590 --> 01:19:21,679

are they just temporary people who like

2429

01:19:25,110 --> 01:19:23,600

no we're not gonna give them like

2430

01:19:27,430 --> 01:19:25,120

they're gonna be gone in four to eight

2431

01:19:29,750 --> 01:19:27,440

years what do you think

2432

01:19:31,750 --> 01:19:29,760

i think some more than others i think

2433

01:19:32,950 --> 01:19:31,760

there's compelling evidence on the whole

2434

01:19:37,110 --> 01:19:32,960

jackie gleason

2435

01:19:39,590 --> 01:19:37,120

richard nixon story yeah in florida

2436

01:19:40,310 --> 01:19:39,600

and hop in the car and let me show you

2437

01:19:42,070 --> 01:19:40,320

something

2438

01:19:43,669 --> 01:19:42,080

you know jackie gleason and florida

2439

01:19:47,110 --> 01:19:43,679

story and i think there's

2440

01:19:48,550 --> 01:19:47,120

quite a bit to that um and uh

2441

01:19:50,149 --> 01:19:48,560

i mean how does that story just come out

2442

01:19:52,149 --> 01:19:50,159

of nowhere right i mean that's

2443

01:19:53,750 --> 01:19:52,159

comes from the family yeah it comes from

2444

01:19:54,390 --> 01:19:53,760

it comes from the gleason family right i

2445

01:19:57,590 --> 01:19:54,400

mean

2446

01:19:59,669 --> 01:19:57,600

so and it's confirmed with the

2447

01:20:01,669 --> 01:19:59,679

time and date stamps when nixon was in

2448

01:20:02,950 --> 01:20:01,679

florida taking him to see whatever he

2449

01:20:06,550 --> 01:20:02,960

saw which was

2450

01:20:09,669 --> 01:20:06,560

arguably what down ufo wreckage etc um

2451

01:20:12,950 --> 01:20:09,679

aliens on ice i i don't know but

2452

01:20:16,550 --> 01:20:12,960

who knows i'd pay to see that yeah yeah

2453

01:20:20,550 --> 01:20:16,560

yeah for sure um so i think there are so

2454

01:20:22,709 --> 01:20:20,560

i i think it's true um if you read

2455

01:20:24,070 --> 01:20:22,719

forget if it's in philip corso's books

2456

01:20:25,669 --> 01:20:24,080

or um others

2457

01:20:27,189 --> 01:20:25,679

you know this sort of idea of the need

2458

01:20:29,590 --> 01:20:27,199

to know basis

2459

01:20:30,550 --> 01:20:29,600

right and i think it's compellingly true

2460

01:20:31,990 --> 01:20:30,560

i mean if you think

2461

01:20:34,070 --> 01:20:32,000

you think of like the nut job that we

2462

01:20:37,510 --> 01:20:34,080

have in the white house right now

2463

01:20:39,590 --> 01:20:37,520

who's there for eight years or four

2464

01:20:41,189 --> 01:20:39,600

you're going to give them ever the keys

2465

01:20:42,790 --> 01:20:41,199

to the kingdom

2466

01:20:44,629 --> 01:20:42,800

i think there's compelling evidence to

2467

01:20:47,430 --> 01:20:44,639

suggest that there's this

2468

01:20:49,030 --> 01:20:47,440

secret internal body that sort of

2469

01:20:50,149 --> 01:20:49,040

protects those secrets

2470

01:20:51,910 --> 01:20:50,159

and oh you're the president of the

2471

01:20:52,790 --> 01:20:51,920

united states here's what you get to

2472

01:20:55,110 --> 01:20:52,800

know

2473

01:20:56,390 --> 01:20:55,120

please don't ask these questions when

2474

01:20:58,229 --> 01:20:56,400

senator then senator

2475

01:21:00,390 --> 01:20:58,239

bill still senator patrick leahy of

2476

01:21:03,430 --> 01:21:00,400

vermont asked the question of

2477

01:21:05,350 --> 01:21:03,440

uh then general uh forget

2478

01:21:07,750 --> 01:21:05,360

of wright patterson air force base and

2479

01:21:10,950 --> 01:21:07,760

what's in you know what's there

2480

01:21:12,390 --> 01:21:10,960

and he's told don't ever you do not ever

2481

01:21:15,270 --> 01:21:12,400

ask that question again oh

2482

01:21:15,910 --> 01:21:15,280

yes yeah you know that you you know

2483

01:21:18,310 --> 01:21:15,920

you're on a

2484

01:21:19,270 --> 01:21:18,320

need to know basis and the president of

2485

01:21:21,030 --> 01:21:19,280

the united states

2486

01:21:22,310 --> 01:21:21,040

according to i believe it's phil of

2487

01:21:24,629 --> 01:21:22,320

course so again forgive me

2488

01:21:25,910 --> 01:21:24,639

um my brain is fried in this pandemic

2489

01:21:28,310 --> 01:21:25,920

but um

2490

01:21:29,750 --> 01:21:28,320

basically levels of clearance the

2491

01:21:31,110 --> 01:21:29,760

president of the united states is not

2492

01:21:33,910 --> 01:21:31,120

even on the level

2493

01:21:34,950 --> 01:21:33,920

with what these individuals and levels

2494

01:21:37,990 --> 01:21:34,960

of clearance and

2495

01:21:40,950 --> 01:21:38,000

and uh classified information right kept

2496

01:21:42,229 --> 01:21:40,960

from really a person who's going to be

2497

01:21:44,709 --> 01:21:42,239

elected for four years

2498

01:21:46,149 --> 01:21:44,719

maybe eight they're going to get access

2499

01:21:47,990 --> 01:21:46,159

to all of this

2500

01:21:49,990 --> 01:21:48,000

i think it's so fascinating to watch

2501  
01:21:50,550 --> 01:21:50,000  
these presidents i did a story on my

2502  
01:21:54,550 --> 01:21:50,560  
channel

2503  
01:21:55,430 --> 01:21:54,560  
about these presidents and i'm so struck

2504  
01:21:57,189 --> 01:21:55,440  
by

2505  
01:21:58,790 --> 01:21:57,199  
the cavalier attitude they have while

2506  
01:22:01,110 --> 01:21:58,800  
they're running for president

2507  
01:22:02,709 --> 01:22:01,120  
obama hillary clinton on david

2508  
01:22:04,629 --> 01:22:02,719  
letterman's show or was it jimmy kimmel

2509  
01:22:06,070 --> 01:22:04,639  
when she talks about uaps and she's

2510  
01:22:06,790 --> 01:22:06,080  
going off about how she wants to shed

2511  
01:22:08,470 --> 01:22:06,800  
light on this

2512  
01:22:09,910 --> 01:22:08,480  
and then they you know they get close to

2513  
01:22:11,350 --> 01:22:09,920

it or that you know president trump that

2514

01:22:11,590 --> 01:22:11,360

talks about it and you have other people

2515

01:22:13,189 --> 01:22:11,600

who

2516

01:22:15,030 --> 01:22:13,199

want to shine lights on it and then they

2517

01:22:18,070 --> 01:22:15,040

get and it's just quiet

2518

01:22:20,070 --> 01:22:18,080

or it's downplayed so don jr

2519

01:22:21,830 --> 01:22:20,080

uh on that father's day special

2520

01:22:23,590 --> 01:22:21,840

interviews president trump

2521

01:22:25,990 --> 01:22:23,600

on trump tv which is going to be the

2522

01:22:28,149 --> 01:22:26,000

network once trump loses the presidency

2523

01:22:29,510 --> 01:22:28,159

he'll run his own major media network

2524

01:22:32,870 --> 01:22:29,520

watch mark my words

2525

01:22:35,030 --> 01:22:32,880

you heard it here first um and

2526

01:22:36,310 --> 01:22:35,040

you know he says he asks and the final

2527

01:22:37,430 --> 01:22:36,320

question of course is not the first

2528

01:22:39,270 --> 01:22:37,440

question it's the last

2529

01:22:40,629 --> 01:22:39,280

question huh yuck yuck we're gonna go to

2530

01:22:42,149 --> 01:22:40,639

commercial break we're gonna be no

2531

01:22:44,790 --> 01:22:42,159

thanks for joining me dad

2532

01:22:45,430 --> 01:22:44,800

um so the last question he asks people

2533

01:22:47,510 --> 01:22:45,440

want to know

2534

01:22:49,030 --> 01:22:47,520

like are there aliens have you do you

2535

01:22:51,189 --> 01:22:49,040

know what's at area 51

2536

01:22:53,030 --> 01:22:51,199

are there aliens and he says a pre he's

2537

01:22:55,110 --> 01:22:53,040

like you know stuff i you know

2538

01:22:56,870 --> 01:22:55,120

it would it's it's pretty interesting

2539

01:22:58,550 --> 01:22:56,880

it's pretty interesting i can't

2540

01:23:00,390 --> 01:22:58,560

he he basically says he can't talk about

2541

01:23:02,390 --> 01:23:00,400

it but you can tell like

2542

01:23:04,310 --> 01:23:02,400

he doesn't know much but he's been told

2543

01:23:06,709 --> 01:23:04,320

it's to me it's clear as day

2544

01:23:08,550 --> 01:23:06,719

he's been told to just not talk about it

2545

01:23:10,070 --> 01:23:08,560

obama gets uncomfortable being asked

2546

01:23:12,790 --> 01:23:10,080

about it on letterman

2547

01:23:14,709 --> 01:23:12,800

george w bush can't talk about it gets

2548

01:23:16,950 --> 01:23:14,719

uncomfortable changes the subject

2549

01:23:18,070 --> 01:23:16,960

stutters with it something happens i

2550

01:23:19,990 --> 01:23:18,080

don't know what it is

2551

01:23:21,350 --> 01:23:20,000

something's going on yeah and i think

2552

01:23:23,590 --> 01:23:21,360

it's obvious

2553

01:23:25,750 --> 01:23:23,600

i i would have to agree i mean we even

2554

01:23:27,590 --> 01:23:25,760

have clinton on the record saying

2555

01:23:29,590 --> 01:23:27,600

i looked into it i wanted to know what

2556

01:23:31,510 --> 01:23:29,600

was going on at area 51

2557

01:23:33,430 --> 01:23:31,520

i wanted to know a crash in roswell and

2558

01:23:34,790 --> 01:23:33,440

they flat out told and this was the day

2559

01:23:36,709 --> 01:23:34,800

of his inauguration

2560

01:23:37,830 --> 01:23:36,719

or like maybe the day after is when he

2561

01:23:40,310 --> 01:23:37,840

asked these things

2562

01:23:42,390 --> 01:23:40,320

because he said like this was one of my

2563

01:23:44,470 --> 01:23:42,400

goals as president i wanted to know what

2564

01:23:46,550 --> 01:23:44,480

the hell was up with these ufos

2565

01:23:48,070 --> 01:23:46,560

and he was told flat out like you said

2566

01:23:49,830 --> 01:23:48,080

you don't have a need to know for that

2567

01:23:52,629 --> 01:23:49,840

information so i think you're right

2568

01:23:54,550 --> 01:23:52,639

you know i i i was curious if the topic

2569

01:23:56,550 --> 01:23:54,560

would come up in the last debate but

2570

01:23:58,470 --> 01:23:56,560

look we we do have a lot more immediate

2571

01:24:01,510 --> 01:23:58,480

things that i think should be discussed

2572

01:24:02,950 --> 01:24:01,520

at a debate but i i do wonder if we are

2573

01:24:04,950 --> 01:24:02,960

going to get any more debates here in

2574

01:24:06,790 --> 01:24:04,960

america before the election um

2575

01:24:08,229 --> 01:24:06,800

will this topic come up what do you

2576

01:24:11,669 --> 01:24:08,239

think uh

2577

01:24:14,950 --> 01:24:11,679

no and i would i absolutely not

2578

01:24:16,550 --> 01:24:14,960

i would love it to come up it's not i

2579

01:24:19,750 --> 01:24:16,560

do you realize during the last debate

2580

01:24:22,229 --> 01:24:19,760

they in 90 minutes

2581

01:24:22,870 --> 01:24:22,239

there was no discussion of the stimulus

2582

01:24:25,590 --> 01:24:22,880

yeah

2583

01:24:27,030 --> 01:24:25,600

it was absolutely atrocious i mean on

2584

01:24:29,990 --> 01:24:27,040

both the how

2585

01:24:30,229 --> 01:24:30,000

how the hell in a 90-minute debate the

2586

01:24:34,070 --> 01:24:30,239

pr

2587

01:24:36,470 --> 01:24:34,080

but we had just gotten the news that

2588

01:24:38,629 --> 01:24:36,480

president trump ended negotiations

2589

01:24:40,149 --> 01:24:38,639

said i'm done yeah which was like you

2590

01:24:41,350 --> 01:24:40,159

know political malpractice you had

2591

01:24:43,189 --> 01:24:41,360

republicans like going

2592

01:24:44,950 --> 01:24:43,199

what the hell did you just do you just

2593

01:24:47,430 --> 01:24:44,960

cost me an election what are you

2594

01:24:49,189 --> 01:24:47,440

thinking right he then eventually he

2595

01:24:50,070 --> 01:24:49,199

just basically took credit for a lack of

2596

01:24:51,350 --> 01:24:50,080

stimulus

2597

01:24:54,229 --> 01:24:51,360

that didn't even come up in the 90

2598

01:24:55,990 --> 01:24:54,239

minute vice or 60 70 minute vice

2599

01:24:57,990 --> 01:24:56,000

presidential debate

2600

01:25:00,470 --> 01:24:58,000

there's no way that they're going to

2601  
01:25:02,950 --> 01:25:00,480  
bring up ufos i mean i would be stunned

2602  
01:25:04,310 --> 01:25:02,960  
i would i will be i will literally eat a

2603  
01:25:06,070 --> 01:25:04,320  
house plant like i've said that on my

2604  
01:25:07,750 --> 01:25:06,080  
show if that comes up i will

2605  
01:25:09,030 --> 01:25:07,760  
you can tune in i will do that you can

2606  
01:25:10,229 --> 01:25:09,040  
pick the house plant too it could be a

2607  
01:25:12,390 --> 01:25:10,239  
cactus i don't care

2608  
01:25:14,390 --> 01:25:12,400  
i would be stunned i just cannot see it

2609  
01:25:17,350 --> 01:25:14,400  
coming up the third and final debate

2610  
01:25:19,030 --> 01:25:17,360  
is the foreign policy debate which to me

2611  
01:25:20,470 --> 01:25:19,040  
is usually the most interesting debate

2612  
01:25:23,750 --> 01:25:20,480  
but it's also the least at least

2613  
01:25:25,110 --> 01:25:23,760

watched debate so um you know that's

2614

01:25:27,669 --> 01:25:25,120

when you get the really interesting

2615

01:25:28,629 --> 01:25:27,679

things like mitt romney's like a binder

2616

01:25:31,430 --> 01:25:28,639

full of women

2617

01:25:32,550 --> 01:25:31,440

comments and you know all you get really

2618

01:25:35,189 --> 01:25:32,560

interesting things that

2619

01:25:36,550 --> 01:25:35,199

emerge during that third debate but now

2620

01:25:37,590 --> 01:25:36,560

that the second debate looks like it's

2621

01:25:39,590 --> 01:25:37,600

not going to happen

2622

01:25:41,910 --> 01:25:39,600

um i don't know the third debate will

2623

01:25:42,709 --> 01:25:41,920

and trump i think it's a shame for the

2624

01:25:44,149 --> 01:25:42,719

american people

2625

01:25:45,990 --> 01:25:44,159

um i would love for those types of

2626

01:25:48,070 --> 01:25:46,000

questions to be asked but they're always

2627

01:25:50,470 --> 01:25:48,080

asked like as a sidebar thing

2628

01:25:52,950 --> 01:25:50,480

yeah the last the last comment question

2629

01:25:56,550 --> 01:25:52,960

we had on this subject was lou dobbs

2630

01:25:59,110 --> 01:25:56,560

asking president trump a few weeks ago

2631

01:26:01,350 --> 01:25:59,120

about this and he asked it as a

2632

01:26:04,229 --> 01:26:01,360

last-minute joke at the end of his

2633

01:26:06,709 --> 01:26:04,239

show and he said uh you know president

2634

01:26:10,149 --> 01:26:06,719

trump i just got to ask you about

2635

01:26:12,470 --> 01:26:10,159

you know ufos and uh and

2636

01:26:14,390 --> 01:26:12,480

would you uh would you you're gonna be

2637

01:26:15,750 --> 01:26:14,400

looking more into it and uh he just said

2638

01:26:17,750 --> 01:26:15,760

you know lou if i'm gonna do that i'm

2639

01:26:19,910 --> 01:26:17,760

gonna appoint you as my uh as my

2640

01:26:21,430 --> 01:26:19,920

my ufo expert and just sort of laugh

2641

01:26:22,149 --> 01:26:21,440

they all chuckled back and forth and

2642

01:26:23,510 --> 01:26:22,159

that was it

2643

01:26:25,510 --> 01:26:23,520

and he's like that's the best answer i

2644

01:26:27,430 --> 01:26:25,520

could have hoped for mr president and i

2645

01:26:29,270 --> 01:26:27,440

i was furious i did on my show i'm like

2646

01:26:31,590 --> 01:26:29,280

you are you kidding me that's the best

2647

01:26:33,189 --> 01:26:31,600

you're you're just a sycophant you're a

2648

01:26:35,030 --> 01:26:33,199

suck-up sycophant

2649

01:26:36,950 --> 01:26:35,040

that's the best answer no that's the

2650

01:26:38,790 --> 01:26:36,960

worst answer like no mr president you

2651  
01:26:40,470 --> 01:26:38,800  
can joke about it answer the question

2652  
01:26:41,990 --> 01:26:40,480  
right no one will press any of these

2653  
01:26:43,910 --> 01:26:42,000  
guys on these questions they ask

2654  
01:26:45,350 --> 01:26:43,920  
one time and they don't do any follow-up

2655  
01:26:45,990 --> 01:26:45,360  
and that's it and they move on and then

2656  
01:26:47,990 --> 01:26:46,000  
we're done

2657  
01:26:50,149 --> 01:26:48,000  
it's so frustrating welcome to my life

2658  
01:26:53,270 --> 01:26:50,159  
man i mean no follow-up

2659  
01:26:54,470 --> 01:26:53,280  
no follow-up is probably the mantra of

2660  
01:26:57,270 --> 01:26:54,480  
this entire thing

2661  
01:26:58,709 --> 01:26:57,280  
and um and like you said like you know

2662  
01:27:00,390 --> 01:26:58,719  
the last time it was mentioned in a

2663  
01:27:03,510 --> 01:27:00,400

debate was i believe with

2664

01:27:06,149 --> 01:27:03,520

kucinich and it was political suicide so

2665

01:27:07,750 --> 01:27:06,159

i understand why maybe it's not

2666

01:27:08,629 --> 01:27:07,760

something they want to broach but i do

2667

01:27:11,750 --> 01:27:08,639

wonder

2668

01:27:13,590 --> 01:27:11,760

you know in these last few weeks as

2669

01:27:16,950 --> 01:27:13,600

things just continue to heat up

2670

01:27:21,110 --> 01:27:16,960

and desperation sets in if

2671

01:27:24,310 --> 01:27:21,120

uh let's say the election goes

2672

01:27:27,110 --> 01:27:24,320

um not in trump's favor or do his favor

2673

01:27:29,270 --> 01:27:27,120

and he loses um will he have some sort

2674

01:27:31,189 --> 01:27:29,280

of mic drop a lot of people

2675

01:27:32,470 --> 01:27:31,199

think you know he's very unpredictable

2676

01:27:35,590 --> 01:27:32,480

and he shoots from the hip

2677

01:27:38,390 --> 01:27:35,600

and he says what he wants um will we get

2678

01:27:39,910 --> 01:27:38,400

something i don't know but um i i would

2679

01:27:41,189 --> 01:27:39,920

think we would have gotten it by now in

2680

01:27:43,590 --> 01:27:41,199

my personal opinion

2681

01:27:45,430 --> 01:27:43,600

yeah i think he's i don't know it's to

2682

01:27:47,669 --> 01:27:45,440

me it's strange because

2683

01:27:49,270 --> 01:27:47,679

trump of all people i thought would have

2684

01:27:50,870 --> 01:27:49,280

been able to pull the wool back on this

2685

01:27:53,990 --> 01:27:50,880

story we all did

2686

01:27:56,149 --> 01:27:54,000

yeah he might have let something slip

2687

01:27:58,830 --> 01:27:56,159

because think about it if he is kept

2688

01:28:02,390 --> 01:27:58,840

from knowing something

2689

01:28:04,390 --> 01:28:02,400

he will probably push to be told

2690

01:28:06,390 --> 01:28:04,400

about it right i'm the president of the

2691

01:28:07,510 --> 01:28:06,400

united states there's no you you've got

2692

01:28:10,229 --> 01:28:07,520

to tell me

2693

01:28:11,590 --> 01:28:10,239

right so that to me would be shocking

2694

01:28:14,790 --> 01:28:11,600

and then on the other side

2695

01:28:18,070 --> 01:28:14,800

if he's if he feels like some duty

2696

01:28:18,790 --> 01:28:18,080

somehow i just feel like he his ego is

2697

01:28:21,430 --> 01:28:18,800

too strong

2698

01:28:22,709 --> 01:28:21,440

for him to not you know not bring it up

2699

01:28:25,430 --> 01:28:22,719

not talk about it

2700

01:28:26,870 --> 01:28:25,440

um not let us know that he knows he

2701

01:28:29,350 --> 01:28:26,880

reminds me of a high school

2702

01:28:30,950 --> 01:28:29,360

all right sorry he reminds me of my

2703

01:28:34,550 --> 01:28:30,960

college roommate

2704

01:28:37,750 --> 01:28:34,560

who he had no life of his own and he was

2705

01:28:38,790 --> 01:28:37,760

he was so petty and and so if i were to

2706

01:28:41,030 --> 01:28:38,800

go out with a girl or

2707

01:28:41,990 --> 01:28:41,040

you know whatever he'd he'd be like oh

2708

01:28:45,030 --> 01:28:42,000

where were you

2709

01:28:47,110 --> 01:28:45,040

yesterday you know and i would tell him

2710

01:28:48,629 --> 01:28:47,120

in confidence and then i'd go to like

2711

01:28:50,470 --> 01:28:48,639

lunch and there's like six other guys

2712

01:28:51,990 --> 01:28:50,480

sitting around he was like well clayton

2713

01:28:54,550 --> 01:28:52,000

you know until where clayton was

2714

01:28:55,430 --> 01:28:54,560

yesterday like you told these people

2715

01:28:57,910 --> 01:28:55,440

like

2716

01:28:59,750 --> 01:28:57,920

because it lifted him up in their eyes

2717

01:29:00,790 --> 01:28:59,760

so like oh yeah dave's they are this i

2718

01:29:04,229 --> 01:29:00,800

don't say names but

2719

01:29:05,590 --> 01:29:04,239

this guy's the gossip guy you know he

2720

01:29:06,870 --> 01:29:05,600

he's always going to give us the goods

2721

01:29:08,229 --> 01:29:06,880

and the only reason we're sitting at

2722

01:29:09,590 --> 01:29:08,239

this table with him is because he just

2723

01:29:11,430 --> 01:29:09,600

likes to gossip and

2724

01:29:12,950 --> 01:29:11,440

tell tales about other people and i feel

2725

01:29:15,430 --> 01:29:12,960

like in some ways that's trump

2726

01:29:16,629 --> 01:29:15,440

you know like like he's got the goods

2727

01:29:18,629 --> 01:29:16,639

and he's going to just want to sh

2728

01:29:20,629 --> 01:29:18,639

and and so i just can't imagine why he

2729

01:29:23,189 --> 01:29:20,639

would be quiet on this subject

2730

01:29:24,629 --> 01:29:23,199

it's it really is mind-boggling to me i

2731

01:29:27,270 --> 01:29:24,639

can't wrap my head around it

2732

01:29:28,229 --> 01:29:27,280

yeah it is it is and it will probably

2733

01:29:30,550 --> 01:29:28,239

remain

2734

01:29:32,790 --> 01:29:30,560

an enigma and mind-boggling to all of us

2735

01:29:36,390 --> 01:29:32,800

uh as these remaining weeks

2736

01:29:37,990 --> 01:29:36,400

in america become extremely tumultuous

2737

01:29:39,590 --> 01:29:38,000

as they've already been but

2738

01:29:41,270 --> 01:29:39,600

kind of moving away from that clayton

2739

01:29:43,990 --> 01:29:41,280

you know we got a little heavy

2740

01:29:45,590 --> 01:29:44,000

with the politics but hey man it's bound

2741

01:29:47,750 --> 01:29:45,600

to come up when it comes to

2742

01:29:49,350 --> 01:29:47,760

the mainstream media first and foremost

2743

01:29:51,270 --> 01:29:49,360

and i'm so happy

2744

01:29:53,189 --> 01:29:51,280

uh to get that inside look from you

2745

01:29:55,030 --> 01:29:53,199

because we don't get that often

2746

01:29:56,470 --> 01:29:55,040

you know i think my first episode of

2747

01:29:59,590 --> 01:29:56,480

summer in the skies

2748

01:30:02,550 --> 01:29:59,600

was with uh ufo historian richard dolan

2749

01:30:03,910 --> 01:30:02,560

and we talked about media bias when it

2750

01:30:06,229 --> 01:30:03,920

comes to the ufo topic

2751  
01:30:07,590 --> 01:30:06,239  
and look that was back in 2016. so the

2752  
01:30:09,590 --> 01:30:07,600  
world has changed

2753  
01:30:11,350 --> 01:30:09,600  
politics have changed the ufo topic has

2754  
01:30:15,110 --> 01:30:11,360  
changed um so

2755  
01:30:16,390 --> 01:30:15,120  
to have that as a historical marker and

2756  
01:30:18,790 --> 01:30:16,400  
to now cover it with you

2757  
01:30:19,990 --> 01:30:18,800  
uh we are living in a new world in so

2758  
01:30:23,350 --> 01:30:20,000  
many ways so i'm

2759  
01:30:25,669 --> 01:30:23,360  
i'm happy we're able to tackle so much

2760  
01:30:26,790 --> 01:30:25,679  
in this conversation but man hey look

2761  
01:30:29,030 --> 01:30:26,800  
before we go

2762  
01:30:31,669 --> 01:30:29,040  
you're back you're back with us in the

2763  
01:30:34,229 --> 01:30:31,679

ufo world in the paranormal world

2764

01:30:36,550 --> 01:30:34,239

so i have to ask you about what you got

2765

01:30:37,350 --> 01:30:36,560

going on with a paranormal post i just

2766

01:30:39,910 --> 01:30:37,360

watched

2767

01:30:40,870 --> 01:30:39,920

one of them this morning staircases in

2768

01:30:43,430 --> 01:30:40,880

the woods which

2769

01:30:45,830 --> 01:30:43,440

absolutely terrified me so tell us all

2770

01:30:49,430 --> 01:30:45,840

about this new endeavor man

2771

01:30:50,310 --> 01:30:49,440

well you know i i honestly owned the url

2772

01:30:53,030 --> 01:30:50,320

and name

2773

01:30:54,870 --> 01:30:53,040

back when even before like jim jim and i

2774

01:30:57,669 --> 01:30:54,880

were doing our paranormal report i

2775

01:30:58,229 --> 01:30:57,679

uh i bought the rights to the paranormal

2776

01:31:01,350 --> 01:30:58,239

post

2777

01:31:04,070 --> 01:31:01,360

because you know i would love to do

2778

01:31:05,590 --> 01:31:04,080

like a paranormal newspaper um that

2779

01:31:07,430 --> 01:31:05,600

would cover the stories that you just

2780

01:31:09,510 --> 01:31:07,440

don't get in the mainstream media

2781

01:31:10,709 --> 01:31:09,520

and i could you know and i just kept

2782

01:31:12,390 --> 01:31:10,719

renewing that domain

2783

01:31:15,189 --> 01:31:12,400

and every year every year every year and

2784

01:31:15,990 --> 01:31:15,199

i bounce ideas off of gym over the years

2785

01:31:18,709 --> 01:31:16,000

and i just i was

2786

01:31:19,270 --> 01:31:18,719

always so busy with my with my investing

2787

01:31:21,590 --> 01:31:19,280

and my

2788

01:31:22,390 --> 01:31:21,600

my financial channel and all what i do

2789

01:31:25,030 --> 01:31:22,400

there

2790

01:31:26,550 --> 01:31:25,040

that i just i was always on the side and

2791

01:31:27,590 --> 01:31:26,560

it always just annoyed me because it

2792

01:31:30,229 --> 01:31:27,600

would always stare at me

2793

01:31:31,910 --> 01:31:30,239

and i knew it was my calling to to be

2794

01:31:32,950 --> 01:31:31,920

able to cover and talk about these types

2795

01:31:35,270 --> 01:31:32,960

of things so

2796

01:31:37,030 --> 01:31:35,280

yeah man i just in the over the summer

2797

01:31:39,270 --> 01:31:37,040

the pandemic has been amazing in some

2798

01:31:42,229 --> 01:31:39,280

ways and terrible in others but

2799

01:31:44,149 --> 01:31:42,239

it forced my hand to start to cover

2800

01:31:45,669 --> 01:31:44,159

stories that i find just utterly

2801

01:31:48,790 --> 01:31:45,679

fascinating um

2802

01:31:52,070 --> 01:31:48,800

like when i was in loch ness uh

2803

01:31:55,270 --> 01:31:52,080

uh two years ago and witnessed what i

2804

01:31:58,790 --> 01:31:55,280

i will say to them to this day was some

2805

01:32:00,950 --> 01:31:58,800

some large creature in the water wow and

2806

01:32:03,110 --> 01:32:00,960

coming around the bend towards fort

2807

01:32:03,510 --> 01:32:03,120

augustus and seeing what i saw and my

2808

01:32:05,270 --> 01:32:03,520

wife

2809

01:32:06,629 --> 01:32:05,280

we both looked down and we're just like

2810

01:32:08,390 --> 01:32:06,639

holy smokes and my son

2811

01:32:09,830 --> 01:32:08,400

looks out the window and cars are all

2812

01:32:10,550 --> 01:32:09,840

pulled over and we're looking at this

2813

01:32:12,870 --> 01:32:10,560

thing and

2814

01:32:13,669 --> 01:32:12,880

it's not a log it's an undulating so i

2815

01:32:15,669 --> 01:32:13,679

cover that on

2816

01:32:17,189 --> 01:32:15,679

the paranormal post and it's uh yeah

2817

01:32:19,110 --> 01:32:17,199

it's my new youtube channel we only have

2818

01:32:21,830 --> 01:32:19,120

about 10 episodes right now and we're

2819

01:32:25,590 --> 01:32:21,840

putting just a ton of work into it um

2820

01:32:27,830 --> 01:32:25,600

stories of the unexplained ufos um

2821

01:32:29,030 --> 01:32:27,840

you know i'm working on a big story

2822

01:32:31,189 --> 01:32:29,040

right now that i've been doing

2823

01:32:33,990 --> 01:32:31,199

interviews for and i'm excited about

2824

01:32:35,669 --> 01:32:34,000

um so yeah covering like kind of current

2825

01:32:36,950 --> 01:32:35,679

stuff like you know like the

2826

01:32:38,470 --> 01:32:36,960

what what's going on with the new york

2827

01:32:41,430 --> 01:32:38,480

times stuff but then also looking at

2828

01:32:44,550 --> 01:32:41,440

more historical stories

2829

01:32:46,149 --> 01:32:44,560

going back 100 years and there's so many

2830

01:32:47,510 --> 01:32:46,159

stories you know it's just so much fun

2831

01:32:48,470 --> 01:32:47,520

to be able to tell these stories in a

2832

01:32:50,870 --> 01:32:48,480

visual medium

2833

01:32:52,470 --> 01:32:50,880

and they're like 10 12 minutes long and

2834

01:32:54,790 --> 01:32:52,480

i just i love doing it so it's just yeah

2835

01:32:56,950 --> 01:32:54,800

it's just youtube.com

2836

01:32:59,110 --> 01:32:56,960

paranormal post and it's my little side

2837

01:32:59,590 --> 01:32:59,120

hobby uh project and it's it's a lot of

2838

01:33:01,750 --> 01:32:59,600

fun

2839

01:33:03,030 --> 01:33:01,760

awesome i that's what's most important

2840

01:33:04,629 --> 01:33:03,040

as long as it's fun

2841

01:33:06,070 --> 01:33:04,639

you know and it's the same with my work

2842

01:33:08,390 --> 01:33:06,080

like it's a lot of work i don't think

2843

01:33:10,390 --> 01:33:08,400

people understand how much goes into

2844

01:33:11,510 --> 01:33:10,400

these things we do but they are labors

2845

01:33:13,669 --> 01:33:11,520

of love and

2846

01:33:15,510 --> 01:33:13,679

you know everyone everyone always

2847

01:33:17,430 --> 01:33:15,520

wonders like ah are they

2848

01:33:19,270 --> 01:33:17,440

are they becoming rich from all this

2849

01:33:21,590 --> 01:33:19,280

stuff and are you kidding me

2850

01:33:23,990 --> 01:33:21,600

i've been dead with this podcast i can

2851

01:33:26,950 --> 01:33:24,000

tell you that much so it is definitely

2852

01:33:28,790 --> 01:33:26,960

a passion project for many of us but um

2853

01:33:31,990 --> 01:33:28,800

it's good to know that you

2854

01:33:34,550 --> 01:33:32,000

you find fun and joy in the work you do

2855

01:33:36,550 --> 01:33:34,560

and uh hey like you said stories are

2856

01:33:38,790 --> 01:33:36,560

something we all have in common

2857

01:33:39,910 --> 01:33:38,800

we've been telling them since the dawn

2858

01:33:43,030 --> 01:33:39,920

of uh

2859

01:33:43,910 --> 01:33:43,040

of humanity and uh i think every story

2860

01:33:46,709 --> 01:33:43,920

has value

2861

01:33:47,910 --> 01:33:46,719

so um and that that 10 minute marker

2862

01:33:50,229 --> 01:33:47,920

that's perfect

2863

01:33:51,189 --> 01:33:50,239

it's just enough to get interested in

2864

01:33:54,229 --> 01:33:51,199

something

2865

01:33:56,070 --> 01:33:54,239

to then go look into it on your own so

2866

01:33:57,830 --> 01:33:56,080

yeah yeah it's been crazy and some of

2867

01:33:59,830 --> 01:33:57,840

the stories i have to tell you because

2868

01:34:00,870 --> 01:33:59,840

and i don't talk about her much and i

2869

01:34:02,870 --> 01:34:00,880

will hear because

2870

01:34:04,950 --> 01:34:02,880

it's a you know favorable audience but

2871

01:34:08,310 --> 01:34:04,960

my sister my younger sister

2872

01:34:10,390 --> 01:34:08,320

is a high level psychic medium

2873

01:34:11,910 --> 01:34:10,400

and she does she does she does bookings

2874

01:34:12,790 --> 01:34:11,920

and things like that for readings and

2875

01:34:16,149 --> 01:34:12,800

stuff

2876

01:34:18,229 --> 01:34:16,159

and so i will run stories by her like as

2877

01:34:21,510 --> 01:34:18,239

i'm investigating a particular story

2878

01:34:25,110 --> 01:34:21,520

um she she will literally be

2879

01:34:28,390 --> 01:34:25,120

in a house and see see uh

2880

01:34:31,430 --> 01:34:28,400

spirits dead people i mean she's that

2881

01:34:33,030 --> 01:34:31,440

very very very powerful and

2882

01:34:35,030 --> 01:34:33,040

and the readings that she does are

2883

01:34:37,030 --> 01:34:35,040

always spot on i mean

2884

01:34:38,310 --> 01:34:37,040

she can tell you the date of when this

2885

01:34:40,390 --> 01:34:38,320

child will be born

2886

01:34:42,390 --> 01:34:40,400

she's that she's that amazing and so i

2887

01:34:43,990 --> 01:34:42,400

will run stories by her i will send

2888

01:34:46,310 --> 01:34:44,000

like here's what i'm working on here's

2889

01:34:47,109 --> 01:34:46,320

this image of this particular thing what

2890

01:34:48,870 --> 01:34:47,119

do you see

2891

01:34:51,350 --> 01:34:48,880

and i won't tell her anything about it

2892

01:34:54,229 --> 01:34:51,360

and she will give me details about it

2893

01:34:56,070 --> 01:34:54,239

that confirm the story that i'm working

2894

01:34:57,030 --> 01:34:56,080

on and she knows nothing of the story

2895

01:34:58,550 --> 01:34:57,040

and so

2896

01:35:00,709 --> 01:34:58,560

um you know that's that kind of stuff

2897

01:35:01,189 --> 01:35:00,719

that i'd like to incorporate into my

2898

01:35:03,669 --> 01:35:01,199

show

2899

01:35:05,430 --> 01:35:03,679

when i can on certain stories um and i

2900

01:35:07,669 --> 01:35:05,440

don't necessarily mention it

2901

01:35:08,550 --> 01:35:07,679

but it just adds that layer of validity

2902

01:35:12,310 --> 01:35:08,560

to

2903

01:35:15,189 --> 01:35:12,320

the show so yeah she's

2904

01:35:16,470 --> 01:35:15,199

she's amazing wow well hey you got to

2905

01:35:17,270 --> 01:35:16,480

have her on the show i don't know if you

2906

01:35:18,629 --> 01:35:17,280

uh i know

2907

01:35:20,470 --> 01:35:18,639

i don't know if that fits into somewhere

2908

01:35:24,070 --> 01:35:20,480

in the skies but she'd uh

2909

01:35:26,550 --> 01:35:24,080

absolutely especially in october

2910

01:35:27,109 --> 01:35:26,560

like i'm all yeah i love the halloween

2911

01:35:29,030 --> 01:35:27,119

season

2912

01:35:30,390 --> 01:35:29,040

and listeners and viewers are gonna be

2913

01:35:32,149 --> 01:35:30,400

seeing some

2914

01:35:34,229 --> 01:35:32,159

guests that they're probably not

2915

01:35:34,709 --> 01:35:34,239

familiar with or have ever heard before

2916

01:35:36,229 --> 01:35:34,719

so

2917

01:35:38,709 --> 01:35:36,239

no i would definitely love to reach out

2918

01:35:42,149 --> 01:35:38,719

to her and uh i can only imagine

2919

01:35:43,990 --> 01:35:42,159

what uh what she's seeing hearing or

2920

01:35:46,229 --> 01:35:44,000

experiencing

2921

01:35:46,460 --> 01:35:46,239

about the next few weeks here in america

2922

01:35:48,470 --> 01:35:46,470

but

2923

01:35:50,870 --> 01:35:48,480

[Laughter]

2924

01:35:52,870 --> 01:35:50,880

or the world let's be honest but um no i

2925

01:35:54,790 --> 01:35:52,880

would love to talk to her for sure

2926

01:35:56,550 --> 01:35:54,800

yeah i mean it's crazy because i'll i'll

2927

01:35:57,430 --> 01:35:56,560

run stuff by her just in my personal

2928

01:35:58,709 --> 01:35:57,440

life just about

2929

01:36:00,229 --> 01:35:58,719

how are we going to experience this

2930

01:36:01,910 --> 01:36:00,239

thing we went through two years ago a

2931

01:36:02,629 --> 01:36:01,920

really difficult time in our business

2932

01:36:04,950 --> 01:36:02,639

and our life

2933

01:36:05,669 --> 01:36:04,960

because of a business partner that lied

2934

01:36:07,590 --> 01:36:05,679

to us and

2935

01:36:09,270 --> 01:36:07,600

like defrauded us and it was really

2936

01:36:12,950 --> 01:36:09,280

awful and uh

2937

01:36:14,629 --> 01:36:12,960

and uh she was able to then like tell us

2938

01:36:16,070 --> 01:36:14,639

markers along the way about like what

2939

01:36:17,030 --> 01:36:16,080

was going to happen and it was a

2940

01:36:20,149 --> 01:36:17,040

tremendously

2941

01:36:21,430 --> 01:36:20,159

eye-opening and helpful and healing too

2942

01:36:22,070 --> 01:36:21,440

you know that's i think the purpose of

2943

01:36:24,070 --> 01:36:22,080

it right it's

2944

01:36:25,350 --> 01:36:24,080

it's not to be scared of this stuff so

2945

01:36:27,430 --> 01:36:25,360

absolutely yeah

2946

01:36:28,950 --> 01:36:27,440

and i mean well let me you know before

2947

01:36:32,310 --> 01:36:28,960

we go here i'd love

2948

01:36:35,430 --> 01:36:32,320

do you think people like that who ca

2949

01:36:38,149 --> 01:36:35,440

who have these precog abilities or um

2950

01:36:38,870 --> 01:36:38,159

or psychic abilities uh do you think

2951

01:36:40,709 --> 01:36:38,880

there is

2952

01:36:42,390 --> 01:36:40,719

benefit to knowing something before it

2953

01:36:42,950 --> 01:36:42,400

happens or are you the kind of person

2954

01:36:45,430 --> 01:36:42,960

who

2955

01:36:46,550 --> 01:36:45,440

wants to just live it moment by moment

2956

01:36:49,590 --> 01:36:46,560

you know i think

2957

01:36:51,590 --> 01:36:49,600

i i think in many ways if i've i've been

2958

01:36:53,750 --> 01:36:51,600

able to cross paths with some

2959

01:36:55,270 --> 01:36:53,760

really impressive you know high-level

2960

01:36:56,709 --> 01:36:55,280

psychic mediums

2961

01:36:59,030 --> 01:36:56,719

who i've been able to interview over the

2962

01:37:00,629 --> 01:36:59,040

years both at fox and out and elsewhere

2963

01:37:02,390 --> 01:37:00,639

those who are certified by you know

2964

01:37:03,030 --> 01:37:02,400

winbridge institute i think there's only

2965

01:37:05,030 --> 01:37:03,040

19

2966

01:37:06,390 --> 01:37:05,040

certified winbridge institute psychic

2967

01:37:08,870 --> 01:37:06,400

mediums in the world

2968

01:37:09,910 --> 01:37:08,880

so these are people that the fbi uses

2969

01:37:12,310 --> 01:37:09,920

regularly

2970

01:37:13,990 --> 01:37:12,320

to solve crimes like this is not i would

2971

01:37:15,830 --> 01:37:14,000

literally be on the phone with one of

2972

01:37:17,510 --> 01:37:15,840

them who's a close friend and

2973

01:37:19,430 --> 01:37:17,520

she couldn't she's like i have to go the

2974

01:37:21,510 --> 01:37:19,440

fbi needs me for this cold case

2975

01:37:22,470 --> 01:37:21,520

on this or this missing child like

2976

01:37:24,470 --> 01:37:22,480

that's literally

2977

01:37:25,590 --> 01:37:24,480

and they don't talk about it but they

2978

01:37:29,270 --> 01:37:25,600

use them all the time

2979

01:37:30,790 --> 01:37:29,280

um so i think you know it can be very

2980

01:37:32,870 --> 01:37:30,800

debilitating for some of them

2981

01:37:34,709 --> 01:37:32,880

because as laura lynn jackson writes

2982

01:37:35,750 --> 01:37:34,719

about in her book the light between us

2983

01:37:37,910 --> 01:37:35,760

you know it

2984

01:37:39,189 --> 01:37:37,920

that that energy that you're giving away

2985

01:37:42,470 --> 01:37:39,199

to other people

2986

01:37:44,149 --> 01:37:42,480

can cause autoimmune diseases and you're

2987

01:37:46,149 --> 01:37:44,159

basically allowing other people to

2988

01:37:47,750 --> 01:37:46,159

invade your energy on a regular basis so

2989

01:37:47,990 --> 01:37:47,760

that's i think the biggest concern and

2990

01:37:50,470 --> 01:37:48,000

you

2991

01:37:52,870 --> 01:37:50,480

really have to like build that my sister

2992

01:37:55,990 --> 01:37:52,880

had to learn how to protect herself

2993

01:37:58,550 --> 01:37:56,000

um because she would be at a stoplight

2994

01:37:59,430 --> 01:37:58,560

near she wouldn't know that the house on

2995

01:38:01,270 --> 01:37:59,440

the corner was

2996

01:38:02,709 --> 01:38:01,280

haunted and that there was some really

2997

01:38:04,310 --> 01:38:02,719

horrible event that had happened there

2998

01:38:04,870 --> 01:38:04,320

and she just would be overwhelmed to the

2999

01:38:07,350 --> 01:38:04,880

point of

3000

01:38:08,950 --> 01:38:07,360

bawling her eyes out and she had to

3001  
01:38:10,149 --> 01:38:08,960  
learn how to really protect herself from

3002  
01:38:11,669 --> 01:38:10,159  
it and then later she'd learned that

3003  
01:38:12,550 --> 01:38:11,679  
there was like a triple homicide in the

3004  
01:38:13,990 --> 01:38:12,560  
house you know

3005  
01:38:15,669 --> 01:38:14,000  
so these things would present themselves

3006  
01:38:17,510 --> 01:38:15,679  
to her so um

3007  
01:38:19,669 --> 01:38:17,520  
i think sometimes obviously it can be

3008  
01:38:20,550 --> 01:38:19,679  
helpful it can help you navigate your

3009  
01:38:23,510 --> 01:38:20,560  
world

3010  
01:38:24,870 --> 01:38:23,520  
um but it can also you can allow too

3011  
01:38:26,550 --> 01:38:24,880  
much of your energy

3012  
01:38:28,470 --> 01:38:26,560  
to get you can give too much of yourself

3013  
01:38:30,229 --> 01:38:28,480

away and so for i think for somebody

3014

01:38:33,990 --> 01:38:30,239

like that who's a very

3015

01:38:35,270 --> 01:38:34,000

sensitive person an empath a very high

3016

01:38:39,030 --> 01:38:35,280

level sensitive

3017

01:38:41,350 --> 01:38:39,040

person you can experience autoimmune

3018

01:38:42,149 --> 01:38:41,360

diseases for giving their energies away

3019

01:38:43,430 --> 01:38:42,159

and so

3020

01:38:45,590 --> 01:38:43,440

i think there's a level of protection

3021

01:38:46,709 --> 01:38:45,600

that needs to happen there so i i don't

3022

01:38:50,070 --> 01:38:46,719

know enough about it

3023

01:38:51,830 --> 01:38:50,080

um uh to go into it i'm i've been

3024

01:38:53,750 --> 01:38:51,840

found out that i'm an empath like that

3025

01:38:56,070 --> 01:38:53,760

that's one of my areas of

3026

01:38:57,430 --> 01:38:56,080

feeling like i feel people's energy we

3027

01:38:59,109 --> 01:38:57,440

all have one of these

3028

01:39:00,629 --> 01:38:59,119

in our life one of these sort of five

3029

01:39:02,629 --> 01:39:00,639

energies

3030

01:39:04,149 --> 01:39:02,639

and that's where mine sits so i can walk

3031

01:39:06,310 --> 01:39:04,159

into a starbucks and i can literally

3032

01:39:08,229 --> 01:39:06,320

feel the energy of everyone in that room

3033

01:39:09,430 --> 01:39:08,239

and i can feel that that person is mad

3034

01:39:11,669 --> 01:39:09,440

over there and i can

3035

01:39:13,189 --> 01:39:11,679

you can just sense energies and so i

3036

01:39:14,229 --> 01:39:13,199

think that's in many ways why i'm a bit

3037

01:39:15,590 --> 01:39:14,239

of an introvert

3038

01:39:17,669 --> 01:39:15,600

because to go out in large group

3039

01:39:19,750 --> 01:39:17,679

settings i end up feeling all of these

3040

01:39:21,750 --> 01:39:19,760

energies at one time and it can be um

3041

01:39:24,390 --> 01:39:21,760

it can be overwhelming i think to people

3042

01:39:27,270 --> 01:39:24,400

yeah i i think i'm kind of on the

3043

01:39:29,030 --> 01:39:27,280

the same frequency as you man i i'm the

3044

01:39:30,950 --> 01:39:29,040

same way i'm an introvert and

3045

01:39:33,030 --> 01:39:30,960

i don't do well in large crowds because

3046

01:39:35,109 --> 01:39:33,040

i am overwhelmed by the energy

3047

01:39:36,310 --> 01:39:35,119

so i'm with you on that i think there's

3048

01:39:38,950 --> 01:39:36,320

a reason we're uh

3049

01:39:41,030 --> 01:39:38,960

talking for almost an hour and a half

3050

01:39:41,830 --> 01:39:41,040

longer than i told you we would talk

3051  
01:39:43,830 --> 01:39:41,840  
today

3052  
01:39:45,430 --> 01:39:43,840  
i think that's true and don't apologize

3053  
01:39:47,030 --> 01:39:45,440  
like i really feel like i

3054  
01:39:48,310 --> 01:39:47,040  
the reason i'm able to have like an hour

3055  
01:39:49,109 --> 01:39:48,320  
and a half long conversation with

3056  
01:39:51,030 --> 01:39:49,119  
someone almost

3057  
01:39:52,870 --> 01:39:51,040  
always it's because that person is an

3058  
01:39:56,550 --> 01:39:52,880  
empath and

3059  
01:39:59,109 --> 01:39:56,560  
it's because we are introverts and we

3060  
01:40:00,550 --> 01:39:59,119  
we experience those energies and it

3061  
01:40:02,390 --> 01:40:00,560  
affects us in a deep way

3062  
01:40:03,830 --> 01:40:02,400  
you know i see your tweets i mean i see

3063  
01:40:05,910 --> 01:40:03,840

how passionate you know like

3064

01:40:07,990 --> 01:40:05,920

you know you know i get it and i'm the

3065

01:40:10,229 --> 01:40:08,000

same way and it's it's hard and we feel

3066

01:40:11,830 --> 01:40:10,239

things more we feel things harder i

3067

01:40:14,149 --> 01:40:11,840

think than other people do

3068

01:40:15,350 --> 01:40:14,159

um and but then we lack certain other

3069

01:40:17,750 --> 01:40:15,360

skills you know

3070

01:40:19,750 --> 01:40:17,760

um so that you know it's just it's just

3071

01:40:21,830 --> 01:40:19,760

our way of feeling energy i think

3072

01:40:23,510 --> 01:40:21,840

i think so and i'm sure there are many

3073

01:40:26,550 --> 01:40:23,520

listeners who feel the same way

3074

01:40:28,470 --> 01:40:26,560

so uh you know take it for what it is

3075

01:40:30,229 --> 01:40:28,480

and run with it and know everyone's a

3076

01:40:33,350 --> 01:40:30,239

little different and um

3077

01:40:35,990 --> 01:40:33,360

and everyone has their own baggage to

3078

01:40:37,910 --> 01:40:36,000

bring to everything in this life so uh

3079

01:40:39,990 --> 01:40:37,920

i think the more empathy and understand

3080

01:40:41,590 --> 01:40:40,000

we have the the better the world's gonna

3081

01:40:43,030 --> 01:40:41,600

get and hopefully

3082

01:40:44,950 --> 01:40:43,040

that will get us that place at the

3083

01:40:45,830 --> 01:40:44,960

intergalactic table with these aliens

3084

01:40:47,990 --> 01:40:45,840

man because they're

3085

01:40:49,830 --> 01:40:48,000

also i feel like they are uh they're

3086

01:40:52,470 --> 01:40:49,840

whizzing past us right now being like

3087

01:40:55,350 --> 01:40:52,480

good luck with all that but um

3088

01:40:56,229 --> 01:40:55,360

who knows but man this has been so

3089

01:40:58,629 --> 01:40:56,239

refreshing

3090

01:40:59,510 --> 01:40:58,639

so fun to really stretch out and talk

3091

01:41:01,910 --> 01:40:59,520

and um

3092

01:41:03,430 --> 01:41:01,920

before we go um where can we find

3093

01:41:03,990 --> 01:41:03,440

everything you're up to if there's

3094

01:41:06,149 --> 01:41:04,000

anything else

3095

01:41:07,830 --> 01:41:06,159

you want to share with us um yeah please

3096

01:41:09,990 --> 01:41:07,840

give it to us

3097

01:41:11,350 --> 01:41:10,000

yeah man i mean just i think if you know

3098

01:41:11,990 --> 01:41:11,360

if you're of like-minded and you're

3099

01:41:14,470 --> 01:41:12,000

interested

3100

01:41:16,830 --> 01:41:14,480

in uh in the paranormal just i think my

3101

01:41:19,910 --> 01:41:16,840

new youtube channel just

3102

01:41:21,510 --> 01:41:19,920

youtube.com paranormal post is my fun

3103

01:41:23,189 --> 01:41:21,520

um like i said we've got about 10

3104

01:41:24,070 --> 01:41:23,199

episodes up there right now we just did

3105

01:41:27,510 --> 01:41:24,080

uh

3106

01:41:30,870 --> 01:41:27,520

a story about faceless human beings um

3107

01:41:31,990 --> 01:41:30,880

and yeah these creatures that are being

3108

01:41:34,149 --> 01:41:32,000

witnessed by

3109

01:41:35,109 --> 01:41:34,159

truck drivers and and people all over

3110

01:41:37,270 --> 01:41:35,119

the place we're

3111

01:41:38,149 --> 01:41:37,280

seeing these uh creatures on the side of

3112

01:41:40,709 --> 01:41:38,159

the road with no

3113

01:41:42,229 --> 01:41:40,719

face um and showing up in people's

3114

01:41:45,830 --> 01:41:42,239

bedrooms and things so

3115

01:41:48,149 --> 01:41:45,840

no really fascinating eyewitness account

3116

01:41:49,990 --> 01:41:48,159

i'm living in hawaii right now man and

3117

01:41:51,030 --> 01:41:50,000

that's one of the biggest like folklore

3118

01:41:53,910 --> 01:41:51,040

tales here

3119

01:41:55,590 --> 01:41:53,920

yeah yes from the japanese culture is

3120

01:41:57,830 --> 01:41:55,600

the faceless woman and

3121

01:42:00,149 --> 01:41:57,840

every time i hear about it i'm like no

3122

01:42:00,790 --> 01:42:00,159

i'd rather a gray alien visit me in my

3123

01:42:02,950 --> 01:42:00,800

room

3124

01:42:04,550 --> 01:42:02,960

like i can't deal with this faceless

3125

01:42:06,390 --> 01:42:04,560

thing no thank you

3126

01:42:08,550 --> 01:42:06,400

when i lived in or not lived in hawaii i

3127

01:42:09,669 --> 01:42:08,560

visited hawaii and i insisted on going

3128

01:42:13,590 --> 01:42:09,679

on the ghost tour

3129

01:42:15,350 --> 01:42:13,600

of the um oh the volcanic ruins but

3130

01:42:17,590 --> 01:42:15,360

there was all sorts of interesting like

3131

01:42:20,870 --> 01:42:17,600

there like the giant cave that's there

3132

01:42:21,109 --> 01:42:20,880

the burial grounds and the at night time

3133

01:42:31,750 --> 01:42:21,119

and

3134

01:42:33,830 --> 01:42:31,760

oh it's good stuff my speed my speed

3135

01:42:35,510 --> 01:42:33,840

yeah yeah and i am i'm actually gonna

3136

01:42:38,070 --> 01:42:35,520

have one of the local

3137

01:42:39,430 --> 01:42:38,080

um ghost storytellers on the show very

3138

01:42:41,109 --> 01:42:39,440

soon as well so

3139

01:42:42,709 --> 01:42:41,119

um it might even be the person who took

3140

01:42:45,350 --> 01:42:42,719

you on these tours who knows

3141

01:42:46,149 --> 01:42:45,360

oh cool cool i can't wait that'll be fun

3142

01:42:48,149 --> 01:42:46,159

but um

3143

01:42:50,229 --> 01:42:48,159

clayton thank you so much brother this

3144

01:42:52,149 --> 01:42:50,239

has been an absolute pleasure to have

3145

01:42:55,189 --> 01:42:52,159

you on we'll have to have you back

3146

01:42:57,750 --> 01:42:55,199

again um and i have to thank you for

3147

01:43:00,790 --> 01:42:57,760

being so open and honest with us about

3148

01:43:02,950 --> 01:43:00,800

how this topic is discussed in the

3149

01:43:04,070 --> 01:43:02,960

mainstream media giving us that inside

3150

01:43:06,709 --> 01:43:04,080

perspective

3151  
01:43:09,030 --> 01:43:06,719  
and look things are changing rapidly in

3152  
01:43:11,270 --> 01:43:09,040  
our world with this topic i can only

3153  
01:43:13,750 --> 01:43:11,280  
hope we can all come together

3154  
01:43:15,510 --> 01:43:13,760  
and find some answers but um you are

3155  
01:43:16,950 --> 01:43:15,520  
part of that equation and i have to

3156  
01:43:18,229 --> 01:43:16,960  
thank you for coming on somewhere in the

3157  
01:43:20,070 --> 01:43:18,239  
skies

3158  
01:43:21,350 --> 01:43:20,080  
well thank you so much and thank you

3159  
01:43:24,390 --> 01:43:21,360  
ryan for being such

3160  
01:43:26,390 --> 01:43:24,400  
a great inspiration to this community

3161  
01:43:28,149 --> 01:43:26,400  
and the professionalism and the

3162  
01:43:30,950 --> 01:43:28,159  
perfectionism with which you

3163  
01:43:32,790 --> 01:43:30,960

produce and tell these stories and bring

3164

01:43:34,629 --> 01:43:32,800

light to these i just hope your audience

3165

01:43:37,109 --> 01:43:34,639

knows that you know it's

3166

01:43:38,550 --> 01:43:37,119

it's not easy like from the media

3167

01:43:40,629 --> 01:43:38,560

perspective what you do

3168

01:43:41,750 --> 01:43:40,639

and the level of perfection and polish

3169

01:43:44,149 --> 01:43:41,760

that you're able to put

3170

01:43:45,750 --> 01:43:44,159

on what you your you know your stories

3171

01:43:48,149 --> 01:43:45,760

that you're able to put out there

3172

01:43:49,430 --> 01:43:48,159

and you are a beacon of light and so you

3173

01:43:50,070 --> 01:43:49,440

should be proud of that and i hope your

3174

01:43:51,669 --> 01:43:50,080

audience

3175

01:43:53,510 --> 01:43:51,679

really knows that so thank you for

3176  
01:43:54,229 --> 01:43:53,520  
having me it's been a true true pleasure

3177  
01:43:56,070 --> 01:43:54,239  
and an honor

3178  
01:43:57,669 --> 01:43:56,080  
thank you well the pleasure was all mine

3179  
01:44:00,149 --> 01:43:57,679  
and i learned from the best brother so

3180  
01:44:02,950 --> 01:44:00,159  
to you and jim harold thank you for

3181  
01:44:03,750 --> 01:44:02,960  
being my inspiration and uh keep looking

3182  
01:44:13,820 --> 01:44:03,760  
up my man

3183  
01:44:51,030 --> 01:44:49,109  
[Music]

3184  
01:44:52,310 --> 01:44:51,040  
somewhere in the skies is produced by

3185  
01:44:54,070 --> 01:44:52,320  
third kind productions
