

SOMEWHERE IN THE SKIES

THE NEEDLES UFO CRASH
WITH THE UFO BROS

1
00:00:03,909 --> 00:00:03,189
what's up guys welcome to a very special

2
00:00:06,070 --> 00:00:03,919
episode

3
00:00:07,670 --> 00:00:06,080
of somewhere in the skies and today

4
00:00:10,790 --> 00:00:07,680
we're doing a crossover

5
00:00:11,749 --> 00:00:10,800
with joe and emmett the ufo bros and

6
00:00:17,029 --> 00:00:11,759
hosts

7
00:00:20,240 --> 00:00:17,039
of the procast

8
00:00:28,830 --> 00:00:20,250
this is somewhere in the skies with ryan

9
00:00:33,990 --> 00:00:30,870
sprague

10
00:00:35,510 --> 00:00:34,000
i am here with the ufo bros and today

11
00:00:38,310 --> 00:00:35,520
we're just gonna have fun

12
00:00:38,950 --> 00:00:38,320
like this is not gonna be the the super

13
00:00:41,590 --> 00:00:38,960

standard

14

00:00:42,790 --> 00:00:41,600

list of questions answer goodbye we're

15

00:00:44,069 --> 00:00:42,800

gonna have a good time because if

16

00:00:47,270 --> 00:00:44,079

there's something i love about

17

00:00:47,830 --> 00:00:47,280

you guys is that you take this topic of

18

00:00:50,790 --> 00:00:47,840

ufos

19

00:00:52,310 --> 00:00:50,800

seriously but not too seriously and i

20

00:00:53,110 --> 00:00:52,320

think that's what's lacking in this

21

00:00:55,990 --> 00:00:53,120

field so

22

00:00:57,510 --> 00:00:56,000

so much so we're gonna have fun we're

23

00:00:59,270 --> 00:00:57,520

gonna get a little crazy

24

00:01:01,590 --> 00:00:59,280

we're gonna look at some interesting

25

00:01:04,310 --> 00:01:01,600

stuff that you guys are in possession of

26

00:01:06,070 --> 00:01:04,320

that the world has not really seen yet

27

00:01:07,830 --> 00:01:06,080

and i'm so excited for that um

28

00:01:09,990 --> 00:01:07,840

i just want to get to that but before we

29

00:01:11,429 --> 00:01:10,000

do that i want to ask you guys i mean

30

00:01:13,670 --> 00:01:11,439

this is kind of about

31

00:01:15,749 --> 00:01:13,680

all of us coming together figuring out

32

00:01:18,469 --> 00:01:15,759

like you know how we got into this stuff

33

00:01:19,270 --> 00:01:18,479

so origin story for the ufo bros how did

34

00:01:21,429 --> 00:01:19,280

you guys

35

00:01:23,990 --> 00:01:21,439

get interested in ufos how did you come

36

00:01:25,590 --> 00:01:24,000

up with this idea of the ufo bros yeah

37

00:01:27,350 --> 00:01:25,600

let my audience know what you guys are

38

00:01:30,550 --> 00:01:27,360

all about

39

00:01:32,950 --> 00:01:30,560

sure well it first started

40

00:01:34,550 --> 00:01:32,960

um coming out of the same person uh that

41

00:01:37,270 --> 00:01:34,560

was where we met

42

00:01:38,630 --> 00:01:37,280

and actually i'll tell you we say this

43

00:01:39,429 --> 00:01:38,640

story over and over again we've told a

44

00:01:42,630 --> 00:01:39,439

few times

45

00:01:45,830 --> 00:01:42,640

um alien autopsy an autopsy

46

00:01:49,109 --> 00:01:45,840

1996 1987 yup yup

47

00:01:51,109 --> 00:01:49,119

box i think this box okay so

48

00:01:53,190 --> 00:01:51,119

you know here we are our normal teenage

49

00:01:55,990 --> 00:01:53,200

selves and we come across this

50

00:01:57,670 --> 00:01:56,000

video they just hey it's my parrot we

51
00:01:59,990 --> 00:01:57,680
come across this video and

52
00:02:00,870 --> 00:02:00,000
it's amazing you know here's this alien

53
00:02:03,749 --> 00:02:00,880
body

54
00:02:05,910 --> 00:02:03,759
on a table they're cutting it open

55
00:02:08,869 --> 00:02:05,920
they're taking its brains out

56
00:02:09,190 --> 00:02:08,879
they're cataloging its organs and it

57
00:02:11,430 --> 00:02:09,200
just

58
00:02:13,750 --> 00:02:11,440
blew us away and really opened our mind

59
00:02:17,270 --> 00:02:13,760
to what's potentially out there

60
00:02:18,630 --> 00:02:17,280
um and so you know another thing i think

61
00:02:20,710 --> 00:02:18,640
that really sparked it was our

62
00:02:22,390 --> 00:02:20,720
older cousin gave us a book it was just

63
00:02:24,229 --> 00:02:22,400

called paranormal

64

00:02:27,110 --> 00:02:24,239

and it was actually a beautifully down

65

00:02:29,190 --> 00:02:27,120

book i wish i still had it

66

00:02:30,869 --> 00:02:29,200

and in it was everything loch ness

67

00:02:33,910 --> 00:02:30,879

monster ufos

68

00:02:36,949 --> 00:02:33,920

baghdad batteries uh anything that's

69

00:02:37,270 --> 00:02:36,959

paranormal strange you know that stuff

70

00:02:40,550 --> 00:02:37,280

was

71

00:02:42,229 --> 00:02:40,560

thing for us and so

72

00:02:44,070 --> 00:02:42,239

we've just been following it ever since

73

00:02:46,150 --> 00:02:44,080

bob lazar also was a huge revelation

74

00:02:49,589 --> 00:02:46,160

will you shut that damn bird up

75

00:02:49,990 --> 00:02:49,599

shut up come here there is a parrot in

76

00:02:52,470 --> 00:02:50,000

the room

77

00:02:53,350 --> 00:02:52,480

for those watching and listening oh my

78

00:02:56,630 --> 00:02:53,360

gosh

79

00:02:59,910 --> 00:02:56,640

love there she is there she is she is

80

00:03:01,910 --> 00:02:59,920

gorgeous man she loves uh

81

00:03:03,190 --> 00:03:01,920

facetiming thank you so much what's her

82

00:03:10,149 --> 00:03:03,200

name

83

00:03:13,190 --> 00:03:10,159

okay okay got it yeah

84

00:03:15,509 --> 00:03:13,200

um so bubbles are right

85

00:03:16,550 --> 00:03:15,519

yeah whoa i know you know because you

86

00:03:19,190 --> 00:03:16,560

guys covered it too

87

00:03:20,070 --> 00:03:19,200

right on your special on your tv show

88

00:03:22,630 --> 00:03:20,080

wasn't you

89

00:03:24,550 --> 00:03:22,640

regular your second season aren't you

90

00:03:25,190 --> 00:03:24,560

yeah we're going into our second season

91

00:03:28,229 --> 00:03:25,200

right now

92

00:03:30,710 --> 00:03:28,239

um you know i'm not like the main host

93

00:03:34,229 --> 00:03:30,720

but i come on anytime there's ufo stuff

94

00:03:36,869 --> 00:03:34,239

which is awesome jennifer marshall our

95

00:03:40,229 --> 00:03:36,879

prime investigator she's dude she is

96

00:03:42,949 --> 00:03:40,239

no [h__h] like top of the line

97

00:03:44,070 --> 00:03:42,959

uh skeptical believer which i think is

98

00:03:46,390 --> 00:03:44,080

very important

99

00:03:49,509 --> 00:03:46,400

like she wants the facts she wants the

100

00:03:51,670 --> 00:03:49,519

truth she doesn't give a [h__h] if aliens

101
00:03:52,630 --> 00:03:51,680
you know crashed in roswell she wants to

102
00:03:54,949 --> 00:03:52,640
go where the

103
00:03:57,030 --> 00:03:54,959
where the evidence leads her so um yeah

104
00:03:57,670 --> 00:03:57,040
when you know we did roswell we did area

105
00:03:59,429 --> 00:03:57,680
51

106
00:04:01,270 --> 00:03:59,439
and of course that had so much to do

107
00:04:02,550 --> 00:04:01,280
with bob lazar which uh

108
00:04:04,550 --> 00:04:02,560
which is one of my questions for you

109
00:04:06,949 --> 00:04:04,560
guys we'll get to later on but um

110
00:04:08,630 --> 00:04:06,959
yeah sorry to interrupt please continue

111
00:04:09,270 --> 00:04:08,640
yeah no i mean it just kind of spurred

112
00:04:13,350 --> 00:04:09,280
from there

113
00:04:15,270 --> 00:04:13,360

and then in 2016 we had some live events

114

00:04:16,629 --> 00:04:15,280

that brought us together as adults in a

115

00:04:21,030 --> 00:04:16,639

different way and

116

00:04:24,230 --> 00:04:21,040

we just was like let's go to area 51.

117

00:04:25,670 --> 00:04:24,240

and we went and uh it was the most

118

00:04:27,030 --> 00:04:25,680

beautiful time of the year

119

00:04:28,950 --> 00:04:27,040

i mean like if you're out there at the

120

00:04:30,230 --> 00:04:28,960

right time it can be

121

00:04:31,430 --> 00:04:30,240

gorgeous you know you just gotta be

122

00:04:33,590 --> 00:04:31,440

careful when you're driving at night

123

00:04:35,590 --> 00:04:33,600

because it is possible to hit a cow

124

00:04:36,790 --> 00:04:35,600

i'm just yeah you know this yeah yeah

125

00:04:40,070 --> 00:04:36,800

yeah

126
00:04:44,710 --> 00:04:40,080
with the

127
00:04:49,510 --> 00:04:46,870
went to roswell and then we went to

128
00:04:52,230 --> 00:04:49,520
aurora texas and then we went to

129
00:04:53,830 --> 00:04:52,240
needles and then we went to area 54 i

130
00:04:56,469 --> 00:04:53,840
mean we just

131
00:04:57,670 --> 00:04:56,479
spent so much time going there and i

132
00:04:59,270 --> 00:04:57,680
think is really what we do

133
00:05:02,230 --> 00:04:59,280
because some people you know they

134
00:05:04,390 --> 00:05:02,240
research and we need it

135
00:05:05,990 --> 00:05:04,400
some people uh it's a different thing to

136
00:05:08,710 --> 00:05:06,000
actually go and explore it

137
00:05:10,390 --> 00:05:08,720
and find the roswell crash site and find

138
00:05:11,510 --> 00:05:10,400

that monument out there in the middle of

139

00:05:13,590 --> 00:05:11,520

a field it's like a

140

00:05:14,710 --> 00:05:13,600

needle in a haystack finding that and

141

00:05:16,550 --> 00:05:14,720

then finding

142

00:05:17,749 --> 00:05:16,560

what the hell is it area 51 and i think

143

00:05:19,510 --> 00:05:17,759

we moon the guards

144

00:05:21,189 --> 00:05:19,520

in our special by the way did you yeah

145

00:05:23,670 --> 00:05:21,199

we did

146

00:05:24,790 --> 00:05:23,680

oh well hey let's while we're at it

147

00:05:27,029 --> 00:05:24,800

let's talk about that

148

00:05:27,990 --> 00:05:27,039

i mean you guys are probably most well

149

00:05:30,950 --> 00:05:28,000

known now

150

00:05:32,710 --> 00:05:30,960

as being national television stars so

151
00:05:35,670 --> 00:05:32,720
tell us about the special on

152
00:05:37,189 --> 00:05:35,680
travel channel uh joe what did you think

153
00:05:39,430 --> 00:05:37,199
about it brother um

154
00:05:40,629 --> 00:05:39,440
because i know and you're kind of you're

155
00:05:43,590 --> 00:05:40,639
like the

156
00:05:44,790 --> 00:05:43,600
the big believer right you you're he's

157
00:05:47,510 --> 00:05:44,800
the talker and you're the

158
00:05:49,510 --> 00:05:47,520
you're the guy who just is like you know

159
00:05:50,390 --> 00:05:49,520
always so stoic which i liked in the

160
00:05:52,070 --> 00:05:50,400
special so

161
00:05:53,430 --> 00:05:52,080
yeah give it to me like how did this

162
00:05:57,110 --> 00:05:53,440
special come about

163
00:06:01,270 --> 00:05:59,749

oh my god so the special um we me and

164

00:06:02,309 --> 00:06:01,280

emma just started doing our normal

165

00:06:04,309 --> 00:06:02,319

podcasting

166

00:06:06,150 --> 00:06:04,319

we just put a couple uh videos up on our

167

00:06:08,469 --> 00:06:06,160

channels and then

168

00:06:09,430 --> 00:06:08,479

uh we just started getting um phone

169

00:06:12,230 --> 00:06:09,440

calls of

170

00:06:13,270 --> 00:06:12,240

uh just production companies uh wanting

171

00:06:16,469 --> 00:06:13,280

to

172

00:06:19,749 --> 00:06:16,479

aliens we're like

173

00:06:22,070 --> 00:06:19,759

yeah so we started

174

00:06:23,029 --> 00:06:22,080

doing the the pre-production stuff pilot

175

00:06:25,510 --> 00:06:23,039

stuff and then

176

00:06:26,390 --> 00:06:25,520

uh it just it just happened it was

177

00:06:30,629 --> 00:06:26,400

really quick

178

00:06:32,309 --> 00:06:30,639

and surprising it's awesome

179

00:06:35,029 --> 00:06:32,319

how about you emmett like what was it

180

00:06:36,550 --> 00:06:35,039

like getting contacted by a tv network

181

00:06:39,590 --> 00:06:36,560

and being like we want you to go

182

00:06:42,870 --> 00:06:39,600

out and look at the ufo topic i'm still

183

00:06:44,629 --> 00:06:42,880

like in awe that it happened to me like

184

00:06:47,189 --> 00:06:44,639

it was something i never really

185

00:06:49,350 --> 00:06:47,199

saw coming um but man yeah like when you

186

00:06:51,830 --> 00:06:49,360

have a tv network behind you

187

00:06:52,469 --> 00:06:51,840

your the resources are amazing so yeah

188

00:06:55,189 --> 00:06:52,479

yeah i mean

189

00:06:56,550 --> 00:06:55,199

what would you say well first of all i

190

00:06:58,629 --> 00:06:56,560

just wanted to say like

191

00:07:00,550 --> 00:06:58,639

i know i bet i imagine you feel this way

192

00:07:02,309 --> 00:07:00,560

the whole time i just kept thinking i'm

193

00:07:05,589 --> 00:07:02,319

really not supposed to be here like

194

00:07:07,029 --> 00:07:05,599

i'm so lucky to be here to be a

195

00:07:08,390 --> 00:07:07,039

part like you know you mind yourself out

196

00:07:09,589 --> 00:07:08,400

of every minute you're like i'm not

197

00:07:12,150 --> 00:07:09,599

supposed to be here

198

00:07:12,870 --> 00:07:12,160

but oh my gosh with the resources of

199

00:07:14,870 --> 00:07:12,880

travel

200

00:07:16,790 --> 00:07:14,880

and the showrunners and all the people

201
00:07:17,990 --> 00:07:16,800
that really are the stars as far as i'm

202
00:07:19,510 --> 00:07:18,000
concerned because

203
00:07:21,029 --> 00:07:19,520
joe and i you know we talk and we do we

204
00:07:23,029 --> 00:07:21,039
do but these people

205
00:07:24,550 --> 00:07:23,039
they assembled that in less than two

206
00:07:26,070 --> 00:07:24,560
months from start to finish

207
00:07:27,670 --> 00:07:26,080
i don't know how they did it they were

208
00:07:30,790 --> 00:07:27,680
literally editing while we were

209
00:07:31,990 --> 00:07:30,800
going to different um shoots and stuff

210
00:07:35,589 --> 00:07:32,000
and interviews and that sort of thing

211
00:07:40,469 --> 00:07:35,599
but it was great to be able to get in

212
00:07:43,749 --> 00:07:40,479
vault with people um that are

213
00:07:46,710 --> 00:07:43,759

making more waves in this

214

00:07:47,510 --> 00:07:46,720

topic bringing in bob lazar jeremy

215

00:07:50,309 --> 00:07:47,520

corbell

216

00:07:51,830 --> 00:07:50,319

who has done a phenomenal job of

217

00:07:53,110 --> 00:07:51,840

covering this topic and

218

00:07:54,869 --> 00:07:53,120

in ways it's really connecting with

219

00:07:56,950 --> 00:07:54,879

people and that was kind of our whole

220

00:07:59,189 --> 00:07:56,960

premise was

221

00:08:00,550 --> 00:07:59,199

mysterious is great but what do you like

222

00:08:02,629 --> 00:08:00,560

the normal people think

223

00:08:04,550 --> 00:08:02,639

so going to area 51 was the perfect

224

00:08:06,309 --> 00:08:04,560

opportunity you know we interviewed some

225

00:08:08,309 --> 00:08:06,319

great people we interviewed the guy that

226

00:08:11,510 --> 00:08:08,319

wanted to fornicate with the alien

227

00:08:13,589 --> 00:08:11,520

um uh we interviewed the guy from boston

228

00:08:15,029 --> 00:08:13,599

that was pissed off that all of the

229

00:08:16,150 --> 00:08:15,039

you know secrets are covered up and

230

00:08:17,510 --> 00:08:16,160

that's so cool because that's on our

231

00:08:18,950 --> 00:08:17,520

level you know we talked we just talked

232

00:08:20,150 --> 00:08:18,960

to people about it and that's kind of

233

00:08:21,670 --> 00:08:20,160

always been our approach

234

00:08:23,270 --> 00:08:21,680

and i think that that just lined up well

235

00:08:24,869 --> 00:08:23,280

with area 51 we were just in the right

236

00:08:28,070 --> 00:08:24,879

place the right time for it

237

00:08:29,990 --> 00:08:28,080

but it was a blast i mean uh

238

00:08:31,430 --> 00:08:30,000

you know getting to be in the rv meeting

239

00:08:33,269 --> 00:08:31,440

rick dodie uh

240

00:08:35,589 --> 00:08:33,279

hanging out with jeremy you know in such

241

00:08:37,269 --> 00:08:35,599

an official capacity he's a tv star you

242

00:08:40,550 --> 00:08:37,279

know

243

00:08:43,509 --> 00:08:40,560

it was great man it was just such a huge

244

00:08:44,070 --> 00:08:43,519

moment to just absorb everything about

245

00:08:46,230 --> 00:08:44,080

our little

246

00:08:47,910 --> 00:08:46,240

world of ufos in our community and just

247

00:08:49,910 --> 00:08:47,920

be in it you know what i mean

248

00:08:50,949 --> 00:08:49,920

absolutely yeah i need to be paid for it

249

00:08:52,949 --> 00:08:50,959

you're like

250

00:08:56,150 --> 00:08:52,959

yeah what like that's your job it's

251
00:08:58,070 --> 00:08:56,160
insane wait i'm getting money for this

252
00:08:59,750 --> 00:08:58,080
what i thought was really cool too is

253
00:09:02,870 --> 00:08:59,760
like like you mentioned it's

254
00:09:06,550 --> 00:09:02,880
um you guys came right

255
00:09:08,710 --> 00:09:06,560
at the peak of interest both in area 51

256
00:09:10,310 --> 00:09:08,720
and ufos i mean look at all this stuff

257
00:09:13,670 --> 00:09:10,320
we have with um

258
00:09:16,630 --> 00:09:13,680
you know the the pentagon ufo program

259
00:09:17,670 --> 00:09:16,640
and i know on our show we looked at

260
00:09:19,350 --> 00:09:17,680
these

261
00:09:20,949 --> 00:09:19,360
stunning what i think are stunning

262
00:09:23,829 --> 00:09:20,959
similarities between

263
00:09:25,269 --> 00:09:23,839

uh what bob lazar was saying back in the

264

00:09:26,949 --> 00:09:25,279

80s of how these

265

00:09:29,430 --> 00:09:26,959

craft worked you know they they weren't

266

00:09:31,030 --> 00:09:29,440

like you know the saucer

267

00:09:32,710 --> 00:09:31,040

kind of floating and hovering like we

268

00:09:35,829 --> 00:09:32,720

see in the 50s movies

269

00:09:37,670 --> 00:09:35,839

you know it was yeah craft belly up and

270

00:09:40,470 --> 00:09:37,680

then like gets pulled instead of

271

00:09:42,230 --> 00:09:40,480

push out the back yeah yeah [h__\h] so

272

00:09:43,030 --> 00:09:42,240

lazar was saying this [h__\h] back in the

273

00:09:45,350 --> 00:09:43,040

80s

274

00:09:46,710 --> 00:09:45,360

and then jennifer and i are looking at

275

00:09:48,710 --> 00:09:46,720

the current videos

276

00:09:50,150 --> 00:09:48,720

you know the tic tac the gimbal the go

277

00:09:52,790 --> 00:09:50,160

fast uh

278

00:09:53,829 --> 00:09:52,800

navy videos and you look at one of those

279

00:09:57,269 --> 00:09:53,839

i believe it was the

280

00:09:59,430 --> 00:09:57,279

the gimbal video yeah and what did

281

00:10:01,509 --> 00:09:59,440

what did that craft do right at the end

282

00:10:03,910 --> 00:10:01,519

of the video that we see

283

00:10:04,949 --> 00:10:03,920

exactly brother and the guy even says it

284

00:10:07,110 --> 00:10:04,959

rotated

285

00:10:08,870 --> 00:10:07,120

and that gave me chills i think when i

286

00:10:10,710 --> 00:10:08,880

when i made that connection in our show

287

00:10:12,710 --> 00:10:10,720

and i can't pretend to be the first

288

00:10:14,550 --> 00:10:12,720

like jeremy's been saying it for a long

289

00:10:15,190 --> 00:10:14,560

time other people noticed they're like

290

00:10:17,030 --> 00:10:15,200

huh

291

00:10:18,310 --> 00:10:17,040

well lazar said back then is kind of

292

00:10:19,829 --> 00:10:18,320

true now so

293

00:10:21,750 --> 00:10:19,839

what do you guys think does that lend

294

00:10:24,069 --> 00:10:21,760

credence to his story and uh

295

00:10:25,670 --> 00:10:24,079

i guess the overall question what do you

296

00:10:27,590 --> 00:10:25,680

guys think do you believe bob

297

00:10:29,670 --> 00:10:27,600

i'd love to get your your both of your

298

00:10:30,870 --> 00:10:29,680

opinions on it i've got mine for damn

299

00:10:33,190 --> 00:10:30,880

sure

300

00:10:34,310 --> 00:10:33,200

i believe bob what about you joe yeah i

301
00:10:38,150 --> 00:10:34,320
believe bob

302
00:10:39,910 --> 00:10:38,160
think the thing with bob lazar that some

303
00:10:40,790 --> 00:10:39,920
people tend to focus on are some of his

304
00:10:43,590 --> 00:10:40,800
little quirky

305
00:10:45,990 --> 00:10:43,600
sort of side expeditions and side

306
00:10:50,069 --> 00:10:46,000
businesses that he's had um

307
00:10:55,110 --> 00:10:53,110
but to be honest with you if i was to

308
00:10:56,389 --> 00:10:55,120
bring somebody into an extremely super

309
00:10:58,870 --> 00:10:56,399
secretive

310
00:10:59,509 --> 00:10:58,880
black project i would look for somebody

311
00:11:01,990 --> 00:10:59,519
who

312
00:11:03,670 --> 00:11:02,000
is easily discredited discreditable is

313
00:11:05,829 --> 00:11:03,680

that a word discreditable

314

00:11:07,110 --> 00:11:05,839

it is today yeah let's go it's

315

00:11:08,870 --> 00:11:07,120

creditable

316

00:11:10,949 --> 00:11:08,880

and he's the perfect person for that and

317

00:11:12,790 --> 00:11:10,959

he's also got he's also you know

318

00:11:14,790 --> 00:11:12,800

a physicist and he thinks outside the

319

00:11:16,069 --> 00:11:14,800

box and that's the kind of person i

320

00:11:17,829 --> 00:11:16,079

think you'd want to look at

321

00:11:20,550 --> 00:11:17,839

in exotic technology you wouldn't want

322

00:11:22,230 --> 00:11:20,560

to bring the guy necessarily

323

00:11:23,750 --> 00:11:22,240

you know that's writing the papers and

324

00:11:25,910 --> 00:11:23,760

he's the book smart guy and

325

00:11:27,190 --> 00:11:25,920

because i think there's one thing that

326

00:11:28,949 --> 00:11:27,200

bob was able to do was

327

00:11:30,310 --> 00:11:28,959

technical application actually build the

328

00:11:32,470 --> 00:11:30,320

things and touch them

329

00:11:33,910 --> 00:11:32,480

that's he was a hands-on guy right i

330

00:11:37,430 --> 00:11:33,920

don't i don't say anything but you gotta

331

00:11:43,509 --> 00:11:37,440

drizzle on your drip of your chin there

332

00:11:45,350 --> 00:11:43,519

yum flavor saver

333

00:11:47,350 --> 00:11:45,360

what are you drinking man what is that

334

00:11:50,389 --> 00:11:47,360

that looks so good

335

00:11:53,430 --> 00:11:50,399

so talking to me so we are having

336

00:11:58,310 --> 00:11:56,389

cold brew with light sweet cream and

337

00:12:01,750 --> 00:11:58,320

some pumpkin phone no topping

338

00:12:03,910 --> 00:12:01,760

ooh fancy you fancy mother effort

339

00:12:05,430 --> 00:12:03,920

with a parrot it's a favorite i love it

340

00:12:07,590 --> 00:12:05,440

i love it

341

00:12:09,030 --> 00:12:07,600

i'm like first i have to have a parrot

342

00:12:11,269 --> 00:12:09,040

and of course it has to be

343

00:12:13,030 --> 00:12:11,279

rainbow parrot i mean like can i get a

344

00:12:15,829 --> 00:12:13,040

more inconspicuous bird

345

00:12:16,629 --> 00:12:15,839

i don't know i don't know i love her

346

00:12:19,269 --> 00:12:16,639

she's my tv

347

00:12:20,710 --> 00:12:19,279

bird i got her after storming area 51.

348

00:12:22,790 --> 00:12:20,720

oh that's awesome

349

00:12:24,389 --> 00:12:22,800

what a like good permanent souvenir

350

00:12:27,829 --> 00:12:24,399

right to remember right yeah

351

00:12:30,470 --> 00:12:27,839

um i love it my friend um i guess

352

00:12:31,670 --> 00:12:30,480

yeah i i'm with you guys like i i must

353

00:12:34,790 --> 00:12:31,680

admit i

354

00:12:36,629 --> 00:12:34,800

i here's here's my sort of passive

355

00:12:38,389 --> 00:12:36,639

answer and i get [h__h] for saying this a

356

00:12:40,150 --> 00:12:38,399

lot by the ufo community

357

00:12:41,590 --> 00:12:40,160

but i've been vocal about my thoughts on

358

00:12:44,629 --> 00:12:41,600

bob lazar uh

359

00:12:47,829 --> 00:12:44,639

ever since i met him i think in 2000

360

00:12:49,990 --> 00:12:47,839

it was like 2011 or 2012 he was speaking

361

00:12:52,150 --> 00:12:50,000

at the international ufo congress

362

00:12:53,350 --> 00:12:52,160

and he hadn't really come forward for a

363

00:12:54,790 --> 00:12:53,360

really long time

364

00:12:57,350 --> 00:12:54,800

and the only thing that really brought

365

00:12:59,670 --> 00:12:57,360

him out to talk about it was um

366

00:13:01,269 --> 00:12:59,680

george knapp you know the guy who broke

367

00:13:03,350 --> 00:13:01,279

was our story originally

368

00:13:04,710 --> 00:13:03,360

and we got him up on the stage and had

369

00:13:08,069 --> 00:13:04,720

him do like a q a

370

00:13:11,190 --> 00:13:08,079

and go through everything and uh i i was

371

00:13:13,269 --> 00:13:11,200

backstage and um i

372

00:13:14,949 --> 00:13:13,279

uh i got to like him put the microphone

373

00:13:17,910 --> 00:13:14,959

on him so i'm like

374

00:13:19,750 --> 00:13:17,920

what does he smell like oh he smells he

375

00:13:26,629 --> 00:13:19,760

smells like science

376

00:13:29,910 --> 00:13:26,639

elements if you've ever

377

00:13:32,949 --> 00:13:29,920

it's got a little pungent sourness to it

378

00:13:34,870 --> 00:13:32,959

nice little metallicness yeah yeah yeah

379

00:13:36,470 --> 00:13:34,880

no he he seems like the kind of guy who

380

00:13:38,230 --> 00:13:36,480

wears old spice to me

381

00:13:39,509 --> 00:13:38,240

so yeah i think i smoked a little bit of

382

00:13:42,389 --> 00:13:39,519

like um

383

00:13:42,949 --> 00:13:42,399

the fuji uh scented one or something

384

00:13:45,110 --> 00:13:42,959

like that

385

00:13:46,790 --> 00:13:45,120

but um oh no man i mean putting the mic

386

00:13:47,350 --> 00:13:46,800

on him getting to talk to him for a few

387

00:13:49,110 --> 00:13:47,360

minutes

388

00:13:50,710 --> 00:13:49,120

like he just seems like such a

389

00:13:54,230 --> 00:13:50,720

down-to-earth uh

390

00:13:54,949 --> 00:13:54,240

genuine dude and um here's where i land

391

00:13:57,910 --> 00:13:54,959

on it all

392

00:13:58,949 --> 00:13:57,920

i firmly believe bob lazar did what he

393

00:14:02,389 --> 00:13:58,959

said he did

394

00:14:05,350 --> 00:14:02,399

worked where he said he worked and uh

395

00:14:07,110 --> 00:14:05,360

saw what he says he saw but what that is

396

00:14:09,590 --> 00:14:07,120

is an entirely different story

397

00:14:10,550 --> 00:14:09,600

i mean this could have been part of some

398

00:14:13,350 --> 00:14:10,560

big

399

00:14:15,590 --> 00:14:13,360

disinformation campaign which is part of

400

00:14:17,110 --> 00:14:15,600

another individual who you guys spoke to

401
00:14:17,910 --> 00:14:17,120
that i want to talk to you about maybe

402
00:14:21,269 --> 00:14:17,920
in a little bit

403
00:14:23,910 --> 00:14:21,279
but um yeah

404
00:14:24,790 --> 00:14:23,920
yeah yeah that might be him yeah um i

405
00:14:28,870 --> 00:14:24,800
believe bob

406
00:14:31,590 --> 00:14:28,880
i'm with you guys uh i'm skeptical of

407
00:14:31,910 --> 00:14:31,600
uh some parts of his story but look no

408
00:14:33,750 --> 00:14:31,920
one

409
00:14:35,030 --> 00:14:33,760
do i believe in everything no did he

410
00:14:37,509 --> 00:14:35,040
have an advanced degree

411
00:14:39,189 --> 00:14:37,519
probably not uh anybody who's ever like

412
00:14:39,910 --> 00:14:39,199
put in a job on a resume might have been

413
00:14:43,590 --> 00:14:39,920

like

414

00:14:45,269 --> 00:14:43,600

i was the you know the top executive

415

00:14:47,350 --> 00:14:45,279

but you're you know you just pump it up

416

00:14:50,230 --> 00:14:47,360

a little bit who hasn't done that

417

00:14:51,750 --> 00:14:50,240

let's be honest right and frankly some

418

00:14:52,629 --> 00:14:51,760

people can carry the knowledge and

419

00:14:55,030 --> 00:14:52,639

application

420

00:14:55,990 --> 00:14:55,040

to be at a phd level just not have the

421

00:14:58,870 --> 00:14:56,000

degree so

422

00:15:00,069 --> 00:14:58,880

i mean you know it's whatever the words

423

00:15:01,110 --> 00:15:00,079

i just put the words out that people can

424

00:15:02,710 --> 00:15:01,120

determine what they think it's just the

425

00:15:06,310 --> 00:15:02,720

words

426

00:15:09,110 --> 00:15:06,320

have the most big

427

00:15:10,550 --> 00:15:09,120

beautiful words and uh the big words the

428

00:15:19,430 --> 00:15:10,560

big beautiful words

429

00:15:22,949 --> 00:15:22,230

my audience my audience is gonna love

430

00:15:26,629 --> 00:15:22,959

this part

431

00:15:29,509 --> 00:15:26,639

for sure

432

00:15:30,870 --> 00:15:29,519

especially this week you know or what do

433

00:15:32,550 --> 00:15:30,880

we we got something going on in the

434

00:15:34,470 --> 00:15:32,560

united states in a couple weeks we won't

435

00:15:36,629 --> 00:15:34,480

go there but um

436

00:15:38,069 --> 00:15:36,639

again yeah what is happening what is

437

00:15:39,430 --> 00:15:38,079

happening um

438

00:15:40,790 --> 00:15:39,440

but yeah i kind of hogged the first

439

00:15:42,069 --> 00:15:40,800

couple questions there i don't know if

440

00:15:44,470 --> 00:15:42,079

you guys wanted to

441

00:15:45,509 --> 00:15:44,480

take the lead or um i've got plenty for

442

00:15:47,269 --> 00:15:45,519

you but yeah

443

00:15:49,189 --> 00:15:47,279

there's anything you need me to spill

444

00:15:52,870 --> 00:15:49,199

the beans on i'm here too

445

00:15:57,030 --> 00:15:52,880

so joe had a question when do you

446

00:16:01,990 --> 00:15:57,040

think you'll reach puberty um what

447

00:16:08,150 --> 00:16:05,430

hey look look guys i can't i can't grow

448

00:16:08,790 --> 00:16:08,160

the beautiful facial hair you have but

449

00:16:10,949 --> 00:16:08,800

dude this

450

00:16:12,310 --> 00:16:10,959

is two months of growth this is two

451

00:16:13,990 --> 00:16:12,320

months

452

00:16:16,230 --> 00:16:14,000

is it really you look great dude you

453

00:16:18,230 --> 00:16:16,240

look like a guy that could be on tv

454

00:16:19,350 --> 00:16:18,240

you know what i mean he's talking to him

455

00:16:22,470 --> 00:16:19,360

or me

456

00:16:25,990 --> 00:16:22,480

you you should be on tv oh yes

457

00:16:27,110 --> 00:16:26,000

thank you you have the face for it man

458

00:16:28,470 --> 00:16:27,120

i was just telling myself i'm like look

459

00:16:29,829 --> 00:16:28,480

at this guy he's so young i wonder how

460

00:16:33,110 --> 00:16:29,839

old he is actually i'm sorry

461

00:16:34,870 --> 00:16:33,120

bro you're such a dick no i

462

00:16:36,629 --> 00:16:34,880

i'm taking it as a compliment i'm taking

463

00:16:38,870 --> 00:16:36,639

it as a yeah just take it

464

00:16:40,949 --> 00:16:38,880

some of us some of us go through stages

465

00:16:42,470 --> 00:16:40,959

of life later than others but um

466

00:16:43,990 --> 00:16:42,480

i'll get that i'm probably going to

467

00:16:45,749 --> 00:16:44,000

reach myself i'll probably

468

00:16:48,829 --> 00:16:45,759

solve the ufo mystery before i go

469

00:16:58,389 --> 00:16:48,839

through puberty but um that's a whole

470

00:17:02,150 --> 00:16:59,590

oh yeah i'm going to actually ask you a

471

00:17:05,029 --> 00:17:02,160

question oh god please go go go

472

00:17:06,390 --> 00:17:05,039

out of any of your investigations and

473

00:17:09,669 --> 00:17:06,400

research

474

00:17:11,110 --> 00:17:09,679

is there one piece of information maybe

475

00:17:12,309 --> 00:17:11,120

that you could share with us possibly

476

00:17:13,590 --> 00:17:12,319

you haven't shared with somebody else or

477

00:17:16,829 --> 00:17:13,600

you haven't talked about

478

00:17:20,630 --> 00:17:16,839

maybe even a developing theory or

479

00:17:23,750 --> 00:17:20,640

um i just want to know i just like yeah

480

00:17:26,870 --> 00:17:23,760

absolutely you know yep um

481

00:17:27,909 --> 00:17:26,880

for me it goes back to uh the pilot

482

00:17:30,310 --> 00:17:27,919

episode of the

483

00:17:32,470 --> 00:17:30,320

mysteries decoded television show where

484

00:17:35,669 --> 00:17:32,480

uh jennifer and riley went to

485

00:17:37,029 --> 00:17:35,679

roswell like you guys did and um look

486

00:17:38,950 --> 00:17:37,039

when i got approached for this

487

00:17:40,950 --> 00:17:38,960

television show and they said we want to

488

00:17:43,190 --> 00:17:40,960

do a ufo show i'm like that's so cool

489

00:17:44,789 --> 00:17:43,200

yeah if it ever happens let me know but

490

00:17:46,310 --> 00:17:44,799

you know that game like all these

491

00:17:47,830 --> 00:17:46,320

producers and people

492

00:17:49,430 --> 00:17:47,840

say they want to make these shows and

493

00:17:50,310 --> 00:17:49,440

then it never happens and you're waiting

494

00:17:52,710 --> 00:17:50,320

oh my god

495

00:17:53,750 --> 00:17:52,720

yeah so much but um is your hair

496

00:17:56,470 --> 00:17:53,760

reminded man

497

00:17:57,750 --> 00:17:56,480

yeah yeah yeah and i'm just like waiting

498

00:18:01,830 --> 00:17:57,760

by the phone

499

00:18:05,110 --> 00:18:01,840

and uh making lattes at my coffee shop

500

00:18:07,350 --> 00:18:05,120

and like miserable with my life

501
00:18:09,190 --> 00:18:07,360
and then i get the phone call and i'm

502
00:18:11,270 --> 00:18:09,200
like wow they actually made it happen

503
00:18:13,669 --> 00:18:11,280
they they got a pilot like a

504
00:18:15,430 --> 00:18:13,679
a one hour special and then they said

505
00:18:16,549 --> 00:18:15,440
they wanted to do roswell and right

506
00:18:19,110 --> 00:18:16,559
there man like

507
00:18:21,270 --> 00:18:19,120
i was roswell's roswell it's awesome but

508
00:18:22,870 --> 00:18:21,280
i also was like ah really

509
00:18:25,029 --> 00:18:22,880
like this we're going we're doing the

510
00:18:27,270 --> 00:18:25,039
case that everyone's covered

511
00:18:28,150 --> 00:18:27,280
everyone knows every play-by-play of the

512
00:18:30,310 --> 00:18:28,160
events

513
00:18:32,070 --> 00:18:30,320

um so i told them i'm like yeah

514

00:18:32,549 --> 00:18:32,080

absolutely but we have to do something

515

00:18:34,070 --> 00:18:32,559

new

516

00:18:36,549 --> 00:18:34,080

and we have to do something special and

517

00:18:39,190 --> 00:18:36,559

bring new evidence or like

518

00:18:40,789 --> 00:18:39,200

theories to the table and uh i think we

519

00:18:41,990 --> 00:18:40,799

did i thought we came up with some

520

00:18:44,549 --> 00:18:42,000

really cool stuff whether

521

00:18:47,029 --> 00:18:44,559

it was the the raimi memo that we looked

522

00:18:48,470 --> 00:18:47,039

at you know the guy who um

523

00:18:49,909 --> 00:18:48,480

had that memo during the press

524

00:18:51,029 --> 00:18:49,919

conference and what it might have said

525

00:18:54,310 --> 00:18:51,039

have you gotten

526

00:18:57,270 --> 00:18:54,320

any further on that um we're still

527

00:18:57,669 --> 00:18:57,280

analyzing the memo it's so hard man like

528

00:18:59,510 --> 00:18:57,679

we've

529

00:19:00,789 --> 00:18:59,520

you know what let me tell you a secret

530

00:19:02,870 --> 00:19:00,799

oh secret

531

00:19:03,830 --> 00:19:02,880

okay play with i've been playing around

532

00:19:07,029 --> 00:19:03,840

with it on

533

00:19:10,549 --> 00:19:07,039

facetune because you can

534

00:19:11,669 --> 00:19:10,559

take the lines and bend them face tune

535

00:19:14,310 --> 00:19:11,679

you know you can do things

536

00:19:16,070 --> 00:19:14,320

right but you can i if you manipulate

537

00:19:18,150 --> 00:19:16,080

the lines out you can i was starting to

538

00:19:20,789 --> 00:19:18,160

kind of get some

539

00:19:23,350 --> 00:19:20,799

like you know and what i'm getting i

540

00:19:24,630 --> 00:19:23,360

don't want to solve that [\h__\h]

541

00:19:26,230 --> 00:19:24,640

you know you're like let's solve some

542

00:19:27,590 --> 00:19:26,240

[\h__\h] i think we gotta you know i want to

543

00:19:30,070 --> 00:19:27,600

know what you know about that you know

544

00:19:31,430 --> 00:19:30,080

yeah i mean why can't you know have you

545

00:19:33,830 --> 00:19:31,440

like who have you taken it too

546

00:19:34,549 --> 00:19:33,840

i want to know yeah i mean in the show

547

00:19:37,590 --> 00:19:34,559

we

548

00:19:39,830 --> 00:19:37,600

checked it damn bird up sorry she's got

549

00:19:43,590 --> 00:19:39,840

a lot to say about roswell man we all do

550

00:19:46,630 --> 00:19:43,600

um we we had ben hansen look at it

551
00:19:48,390 --> 00:19:46,640
you know former fbi agent and um

552
00:19:50,150 --> 00:19:48,400
you know analyst and paranormal

553
00:19:52,310 --> 00:19:50,160
researcher and i thought he did an

554
00:19:53,830 --> 00:19:52,320
incredible job but we also

555
00:19:55,669 --> 00:19:53,840
have we're having it looked at by

556
00:19:58,950 --> 00:19:55,679
several other independent

557
00:19:59,350 --> 00:19:58,960
photo analysis and um and stuff like

558
00:20:01,909 --> 00:19:59,360
that

559
00:20:04,470 --> 00:20:01,919
but not even the memo for me we looked

560
00:20:07,750 --> 00:20:04,480
at a metal that was found out there

561
00:20:10,630 --> 00:20:07,760
um he had it tested at an aerospace lab

562
00:20:12,710 --> 00:20:10,640
um and that came from frank kimbler this

563
00:20:14,710 --> 00:20:12,720

dude who lives out in roswell

564

00:20:16,149 --> 00:20:14,720

and he's been digging out in the desert

565

00:20:18,230 --> 00:20:16,159

for like years now

566

00:20:20,149 --> 00:20:18,240

looking for any evidence of a craft that

567

00:20:22,710 --> 00:20:20,159

crashed and you know

568

00:20:24,149 --> 00:20:22,720

being the earth scientist and geologist

569

00:20:26,789 --> 00:20:24,159

geologist he is

570

00:20:27,909 --> 00:20:26,799

he made [h__\h] happen and he found what he

571

00:20:29,830 --> 00:20:27,919

believes

572

00:20:31,669 --> 00:20:29,840

that you've been to that i've been to

573

00:20:33,750 --> 00:20:31,679

which was the actual

574

00:20:35,110 --> 00:20:33,760

impact site where the the craft

575

00:20:37,350 --> 00:20:35,120

supposedly came down

576

00:20:38,870 --> 00:20:37,360

and he found metals out there and we

577

00:20:42,549 --> 00:20:38,880

were like holy [\h__\h] okay

578

00:20:45,750 --> 00:20:42,559

he also found buttons um military grade

579

00:20:48,149 --> 00:20:45,760

buttons that would be on um army outfits

580

00:20:50,070 --> 00:20:48,159

yeah because you need tons of army

581

00:20:50,710 --> 00:20:50,080

people to pick up a weather balloon of

582

00:20:55,190 --> 00:20:50,720

course

583

00:20:57,669 --> 00:20:55,200

of officers out there on hands and knees

584

00:20:59,029 --> 00:20:57,679

picking up one thing give me a [\h__\h]

585

00:21:01,270 --> 00:20:59,039

break it's very important

586

00:21:03,029 --> 00:21:01,280

yeah yeah so i mean the fact that he

587

00:21:04,149 --> 00:21:03,039

found medals and the fact that he found

588

00:21:06,710 --> 00:21:04,159

military buttons

589

00:21:08,549 --> 00:21:06,720

from the 40s you know that says a lot

590

00:21:10,870 --> 00:21:08,559

something crashed there in the 40s

591

00:21:12,230 --> 00:21:10,880

out there because it was so remote no

592

00:21:14,149 --> 00:21:12,240

trash nothing out there

593

00:21:16,950 --> 00:21:14,159

yet he found these metals so we had him

594

00:21:19,590 --> 00:21:16,960

tested at an aerospace lab in california

595

00:21:20,310 --> 00:21:19,600

and um you know we go about it in the

596

00:21:23,669 --> 00:21:20,320

special

597

00:21:26,470 --> 00:21:23,679

of like yeah it was definitely the

598

00:21:27,390 --> 00:21:26,480

metal was not alien in the sense that it

599

00:21:30,470 --> 00:21:27,400

was

600

00:21:32,950 --> 00:21:30,480

extraterrestrial um but but

601
00:21:35,110 --> 00:21:32,960
but we were really excited to find out

602
00:21:37,590 --> 00:21:35,120
that the alloys within the metal

603
00:21:40,149 --> 00:21:37,600
the composition makeup everything about

604
00:21:44,310 --> 00:21:40,159
this metal that he found out there

605
00:21:46,149 --> 00:21:44,320
was what we're using today in 2020

606
00:21:47,510 --> 00:21:46,159
and it's being used on our most

607
00:21:50,310 --> 00:21:47,520
sophisticated

608
00:21:51,350 --> 00:21:50,320
aerospace shuttles and missions and

609
00:21:54,310 --> 00:21:51,360
stuff like that

610
00:21:54,870 --> 00:21:54,320
today by elon musk by by people like

611
00:21:57,669 --> 00:21:54,880
that

612
00:21:58,390 --> 00:21:57,679
on their spacecraft so what the hell so

613
00:22:00,390 --> 00:21:58,400

familiar

614

00:22:02,470 --> 00:22:00,400

what's that metal doing out in the

615

00:22:03,909 --> 00:22:02,480

desert in the 40s i i can't tell how big

616

00:22:05,990 --> 00:22:03,919

is the metal piece

617

00:22:07,110 --> 00:22:06,000

he's got a bunch of them i mean the one

618

00:22:10,789 --> 00:22:07,120

what's the biggest

619

00:22:13,430 --> 00:22:10,799

um the biggest one i saw was probably

620

00:22:15,350 --> 00:22:13,440

about and i know this doesn't give much

621

00:22:19,029 --> 00:22:15,360

much context maybe like

622

00:22:21,110 --> 00:22:19,039

three inches long an inch wide

623

00:22:25,990 --> 00:22:21,120

so joe you know about three inches right

624

00:22:27,510 --> 00:22:26,000

can you show us

625

00:22:30,789 --> 00:22:27,520

i know you have a pretty good eyeball on

626

00:22:33,350 --> 00:22:30,799

how about you're out of control

627

00:22:34,390 --> 00:22:33,360

i hope you don't mind me jumping in on

628

00:22:36,789 --> 00:22:34,400

the metal

629

00:22:38,310 --> 00:22:36,799

yeah we found a piece of metal we're

630

00:22:41,110 --> 00:22:38,320

gonna talk about that right because

631

00:22:42,789 --> 00:22:41,120

yes we are yeah the things that you just

632

00:22:45,110 --> 00:22:42,799

said

633

00:22:46,230 --> 00:22:45,120

apply to this piece of metal because we

634

00:22:48,470 --> 00:22:46,240

had it tested

635

00:22:49,990 --> 00:22:48,480

oh good tease brother yeah i will

636

00:22:53,750 --> 00:22:50,000

definitely get there um

637

00:22:55,350 --> 00:22:53,760

i'm gonna end on my roswell banter or

638

00:22:57,590 --> 00:22:55,360

blabbering here with them

639

00:22:59,350 --> 00:22:57,600

it wasn't it wasn't the physical

640

00:23:00,710 --> 00:22:59,360

evidence to be honest that really

641

00:23:03,590 --> 00:23:00,720

captured my attention

642

00:23:05,350 --> 00:23:03,600

in the research it was actually um

643

00:23:07,990 --> 00:23:05,360

somebody who came up to us

644

00:23:09,430 --> 00:23:08,000

while we were you know cameras were off

645

00:23:10,549 --> 00:23:09,440

we were getting ready to go to our next

646

00:23:12,710 --> 00:23:10,559

location

647

00:23:13,909 --> 00:23:12,720

and this local and roswell came up and

648

00:23:14,390 --> 00:23:13,919

of course he's like what are you guys

649

00:23:17,190 --> 00:23:14,400

doing

650

00:23:17,909 --> 00:23:17,200

what are you filming and right like you

651
00:23:19,669 --> 00:23:17,919
know

652
00:23:21,669 --> 00:23:19,679
something about roswell he's like is it

653
00:23:22,390 --> 00:23:21,679
the crash we're like yeah he's like of

654
00:23:27,590 --> 00:23:22,400
course

655
00:23:29,990 --> 00:23:27,600
all that happens in roswell that's what

656
00:23:34,070 --> 00:23:30,000
they're known for

657
00:23:37,830 --> 00:23:35,750
the craft didn't even have the decency

658
00:23:38,870 --> 00:23:37,840
to actually crash in roswell that's just

659
00:23:41,990 --> 00:23:38,880
where

660
00:23:45,190 --> 00:23:42,000
it's oh man even right

661
00:23:46,470 --> 00:23:45,200
yeah yeah exactly even the airplanes are

662
00:23:48,149 --> 00:23:46,480
like we're gonna crack we're not gonna

663
00:23:51,510 --> 00:23:48,159

crash

664

00:23:52,310 --> 00:23:51,520

we're just gonna keep on keep on keep it

665

00:23:55,029 --> 00:23:52,320

on

666

00:23:56,789 --> 00:23:55,039

so uh oh yeah so this dude comes up to

667

00:23:59,430 --> 00:23:56,799

us and he's like

668

00:24:00,630 --> 00:23:59,440

so you know what really happened right

669

00:24:01,990 --> 00:24:00,640

and we're like

670

00:24:04,789 --> 00:24:02,000

i mean that's what we're trying to

671

00:24:06,390 --> 00:24:04,799

figure out um you know we've

672

00:24:08,549 --> 00:24:06,400

heard everything from weather balloons

673

00:24:10,310 --> 00:24:08,559

to project mogul to um

674

00:24:11,830 --> 00:24:10,320

you know an alien spacecraft and he was

675

00:24:14,310 --> 00:24:11,840

like nah

676
00:24:14,870 --> 00:24:14,320
nope and we're like what do you mean and

677
00:24:17,750 --> 00:24:14,880
he's like

678
00:24:18,470 --> 00:24:17,760
look this is a small town everyone knows

679
00:24:20,310 --> 00:24:18,480
someone

680
00:24:21,750 --> 00:24:20,320
that was involved with this crash

681
00:24:24,390 --> 00:24:21,760
everybody in the town

682
00:24:26,870 --> 00:24:24,400
either related to or knew of somebody

683
00:24:30,070 --> 00:24:26,880
and he said his grandfather

684
00:24:31,190 --> 00:24:30,080
was working at the roswell army airfield

685
00:24:34,310 --> 00:24:31,200
at the time

686
00:24:37,750 --> 00:24:34,320
and um he

687
00:24:39,029 --> 00:24:37,760
told this guy that told us and you guys

688
00:24:41,430 --> 00:24:39,039

might have heard this theory

689

00:24:42,789 --> 00:24:41,440

already um but it's one that i find

690

00:24:46,070 --> 00:24:42,799

really interesting

691

00:24:47,990 --> 00:24:46,080

uh close

692

00:24:49,669 --> 00:24:48,000

very close yeah i know where you're

693

00:24:53,990 --> 00:24:49,679

going so yeah

694

00:24:57,510 --> 00:24:54,000

he said his his way of putting it is

695

00:25:01,190 --> 00:24:57,520

there were bodies there was a craft

696

00:25:04,710 --> 00:25:01,200

it was human and it was children

697

00:25:07,830 --> 00:25:04,720

and oh russian children either russian

698

00:25:10,789 --> 00:25:07,840

german japanese somebody or american

699

00:25:11,990 --> 00:25:10,799

that's what he told us he told us that

700

00:25:15,110 --> 00:25:12,000

these were

701
00:25:16,870 --> 00:25:15,120
either mentally disabled or physically

702
00:25:19,269 --> 00:25:16,880
disabled children

703
00:25:21,669 --> 00:25:19,279
who the government snatched up these

704
00:25:24,149 --> 00:25:21,679
kids were left at you know orphanages

705
00:25:25,590 --> 00:25:24,159
um they were cast outs they nobody

706
00:25:27,190 --> 00:25:25,600
wanted these children

707
00:25:28,870 --> 00:25:27,200
and they said nobody will miss that's

708
00:25:32,230 --> 00:25:28,880
like joe

709
00:25:35,830 --> 00:25:32,240
could have put joe on that ouch

710
00:25:37,830 --> 00:25:35,840
oh man and there you go he says that

711
00:25:39,190 --> 00:25:37,840
they put these kids up in like a high

712
00:25:42,070 --> 00:25:39,200
altitude balloon

713
00:25:44,149 --> 00:25:42,080

or craft because you got to think 40s

714

00:25:44,870 --> 00:25:44,159

like this is the early early days of

715

00:25:47,269 --> 00:25:44,880

looking at

716

00:25:48,950 --> 00:25:47,279

space exploration and breaking the

717

00:25:50,310 --> 00:25:48,960

chains of gravity and getting up there

718

00:25:52,070 --> 00:25:50,320

into the atmosphere

719

00:25:53,430 --> 00:25:52,080

and they wanted to see how long these

720

00:26:00,230 --> 00:25:53,440

kids could survive

721

00:26:04,710 --> 00:26:01,909

all right kids yeah we're ready to go up

722

00:26:07,830 --> 00:26:04,720

you're gonna see some stars

723

00:26:09,510 --> 00:26:07,840

damn isn't that so [h__h] up and like

724

00:26:11,350 --> 00:26:09,520

that's what this guy told me and he said

725

00:26:14,070 --> 00:26:11,360

why do you think there was a cover-up

726

00:26:15,590 --> 00:26:14,080

like we were kidnapping kids putting

727

00:26:17,990 --> 00:26:15,600

them up there and they were dying at

728

00:26:21,190 --> 00:26:18,000

alarming rates

729

00:26:23,669 --> 00:26:21,200

never hurt so

730

00:26:24,390 --> 00:26:23,679

that blew my mind i heard about sorry i

731

00:26:25,909 --> 00:26:24,400

just detected

732

00:26:28,549 --> 00:26:25,919

i heard about like russians or something

733

00:26:31,269 --> 00:26:28,559

that that they like they sent

734

00:26:32,310 --> 00:26:31,279

you know like kids with pejor pejoria or

735

00:26:33,269 --> 00:26:32,320

whatever or something something like

736

00:26:36,310 --> 00:26:33,279

that but not exactly

737

00:26:39,029 --> 00:26:36,320

yours georgia yeah georgia

738

00:26:39,990 --> 00:26:39,039

georgia yeah i mean and again like i

739

00:26:41,590 --> 00:26:40,000

said it's not the

740

00:26:43,350 --> 00:26:41,600

it's not the first time this theory has

741

00:26:45,029 --> 00:26:43,360

been brought forward but

742

00:26:47,269 --> 00:26:45,039

the fact that this guy came up to me and

743

00:26:48,070 --> 00:26:47,279

told this and other residents in roswell

744

00:26:51,190 --> 00:26:48,080

said this

745

00:26:53,430 --> 00:26:51,200

and researchers like nick redfern um

746

00:26:54,870 --> 00:26:53,440

have written about this in the past he

747

00:26:58,549 --> 00:26:54,880

believes it could have been

748

00:26:59,669 --> 00:26:58,559

japanese uh who sent something over to

749

00:27:02,950 --> 00:26:59,679

spy on us

750

00:27:03,830 --> 00:27:02,960

and it crashed uh look the possibilities

751

00:27:06,470 --> 00:27:03,840

are endless and

752

00:27:08,230 --> 00:27:06,480

aliens are still on the table too but

753

00:27:09,110 --> 00:27:08,240

that for me kind of opened the doors

754

00:27:10,950 --> 00:27:09,120

wide open

755

00:27:12,950 --> 00:27:10,960

and we didn't cover it in the tv show

756

00:27:15,990 --> 00:27:12,960

because it was really dark

757

00:27:16,789 --> 00:27:16,000

and depressing and um they just didn't

758

00:27:18,950 --> 00:27:16,799

want to cover that

759

00:27:20,230 --> 00:27:18,960

yeah i would you know they don't want to

760

00:27:22,149 --> 00:27:20,240

cover it yet but but

761

00:27:23,269 --> 00:27:22,159

um i will say you know we're not done

762

00:27:24,870 --> 00:27:23,279

looking at roswell

763

00:27:27,110 --> 00:27:24,880

on the tv show i'll tell you this if

764

00:27:29,190 --> 00:27:27,120

that's what happened that's like a

765

00:27:30,870 --> 00:27:29,200

that's a that's like a like a worse

766

00:27:32,389 --> 00:27:30,880

story than aliens crashing frankly

767

00:27:36,230 --> 00:27:32,399

exactly that's what i said

768

00:27:38,389 --> 00:27:36,240

worse not worse or like more like

769

00:27:39,510 --> 00:27:38,399

explosive or whatever i don't know

770

00:27:41,269 --> 00:27:39,520

especially nowadays everybody's like

771

00:27:42,950 --> 00:27:41,279

yeah there's aliens or whatever but

772

00:27:45,590 --> 00:27:42,960

yeah i think that's interesting i love

773

00:27:47,669 --> 00:27:45,600

roswell i love the hieroglyphics i love

774

00:27:49,510 --> 00:27:47,679

when people are describing the materials

775

00:27:51,110 --> 00:27:49,520

and i just like

776

00:27:53,110 --> 00:27:51,120

so you're like the roswell guy you're a

777

00:27:54,870 --> 00:27:53,120

roswell guy well there you go too man

778

00:27:56,230 --> 00:27:54,880

hieroglyphics you bring up a really good

779

00:27:58,710 --> 00:27:56,240

point like

780

00:27:59,830 --> 00:27:58,720

back in the 40s and stuff like we p

781

00:28:02,950 --> 00:27:59,840

right

782

00:28:05,430 --> 00:28:02,960

people didn't know how to look at

783

00:28:07,029 --> 00:28:05,440

russian writing or japanese writing and

784

00:28:09,029 --> 00:28:07,039

whatnot at the time you know just

785

00:28:11,750 --> 00:28:09,039

everyday people in roswell new mexico

786

00:28:12,710 --> 00:28:11,760

i doubt it maybe the military yeah

787

00:28:14,789 --> 00:28:12,720

exactly

788

00:28:15,750 --> 00:28:14,799

so like if this rancher is the first to

789

00:28:19,269 --> 00:28:15,760

have found this

790

00:28:21,830 --> 00:28:19,279

this stuff and um and whatnot i can't

791

00:28:23,269 --> 00:28:21,840

say he didn't know japanese or russian

792

00:28:25,430 --> 00:28:23,279

or anything but

793

00:28:26,950 --> 00:28:25,440

maybe it's possible he mistook another

794

00:28:30,149 --> 00:28:26,960

language um

795

00:28:31,990 --> 00:28:30,159

written on these pieces or whatnot and

796

00:28:34,789 --> 00:28:32,000

thought it was hieroglyphics as he

797

00:28:36,630 --> 00:28:34,799

stated or um that jesse marcel

798

00:28:38,230 --> 00:28:36,640

senior showed his son that it was

799

00:28:39,750 --> 00:28:38,240

hieroglyphics who knows

800

00:28:41,110 --> 00:28:39,760

who knows but one more thing on roswell

801
00:28:42,549 --> 00:28:41,120
the hieroglyphics you're making me think

802
00:28:45,669 --> 00:28:42,559
about

803
00:28:48,070 --> 00:28:45,679
creating

804
00:28:49,110 --> 00:28:48,080
like scotch tape with patterns on it did

805
00:28:51,350 --> 00:28:49,120
you hear about this

806
00:28:53,190 --> 00:28:51,360
oh yeah yeah that's definitely yeah i've

807
00:28:53,750 --> 00:28:53,200
seen that special i've hunted for that

808
00:28:55,430 --> 00:28:53,760
tape

809
00:28:57,669 --> 00:28:55,440
to try i've looked everywhere to see if

810
00:29:01,110 --> 00:28:57,679
i could find just even like

811
00:29:03,029 --> 00:29:01,120
if it you know like has the diamonds and

812
00:29:05,430 --> 00:29:03,039
the clovers and the heart

813
00:29:07,430 --> 00:29:05,440

that's supposed to be what was on it but

814

00:29:09,750 --> 00:29:07,440

surprisingly that's a whole episode bro

815

00:29:11,110 --> 00:29:09,760

i mean you know that's a whole series

816

00:29:12,549 --> 00:29:11,120

yeah i mean

817

00:29:13,990 --> 00:29:12,559

you guys know you too you've

818

00:29:14,789 --> 00:29:14,000

investigated and every time you think

819

00:29:17,029 --> 00:29:14,799

you have an answer

820

00:29:18,549 --> 00:29:17,039

like something creeps in and makes you

821

00:29:20,470 --> 00:29:18,559

go a different route so

822

00:29:22,389 --> 00:29:20,480

yeah but that's what ufo investigation

823

00:29:23,269 --> 00:29:22,399

is and you guys know that more than

824

00:29:25,830 --> 00:29:23,279

anyone you've done

825

00:29:27,510 --> 00:29:25,840

more boots on the ground than i have

826

00:29:30,070 --> 00:29:27,520

personally like i am one of these

827

00:29:30,710 --> 00:29:30,080

keyboard armchair researchers most of

828

00:29:33,590 --> 00:29:30,720

the time

829

00:29:33,990 --> 00:29:33,600

but um i i'd like to give you guys i'd

830

00:29:37,269 --> 00:29:34,000

like to

831

00:29:39,669 --> 00:29:37,279

get your guys thoughts on um this case

832

00:29:43,510 --> 00:29:39,679

that not a lot of people know about

833

00:29:45,190 --> 00:29:43,520

and i i hope you can share some of it

834

00:29:47,110 --> 00:29:45,200

with us i know you're under

835

00:29:48,789 --> 00:29:47,120

ndas for certain things and this and

836

00:29:51,830 --> 00:29:48,799

that but um

837

00:29:54,310 --> 00:29:51,840

needles california this is a case that

838

00:29:55,909 --> 00:29:54,320

caught my attention and uh i've been

839

00:29:57,590 --> 00:29:55,919

looking into a lot but

840

00:29:59,430 --> 00:29:57,600

i want to get it from you guys this is

841

00:30:01,750 --> 00:29:59,440

probably one of the most recent

842

00:30:02,549 --> 00:30:01,760

quote unquote ufo crashes in history

843

00:30:05,269 --> 00:30:02,559

right now

844

00:30:07,110 --> 00:30:05,279

so tell us a little about needles um

845

00:30:09,269 --> 00:30:07,120

what you've heard about the case

846

00:30:10,789 --> 00:30:09,279

and about uh going there you guys

847

00:30:12,870 --> 00:30:10,799

actually went out to

848

00:30:14,549 --> 00:30:12,880

look for stuff so um is there anything

849

00:30:17,190 --> 00:30:14,559

you could share with my audience

850

00:30:17,590 --> 00:30:17,200

about that you know to be honest with

851
00:30:19,750 --> 00:30:17,600
you

852
00:30:21,269 --> 00:30:19,760
nobody has investigated needles

853
00:30:23,830 --> 00:30:21,279
california

854
00:30:24,950 --> 00:30:23,840
in a long time and so joe and i just to

855
00:30:28,230 --> 00:30:24,960
give you some background

856
00:30:28,710 --> 00:30:28,240
it was may 14th 2008. it's not that long

857
00:30:33,269 --> 00:30:28,720
ago

858
00:30:34,950 --> 00:30:33,279
12 years um about 2am the residence of

859
00:30:35,990 --> 00:30:34,960
needles california which by the way is

860
00:30:38,389 --> 00:30:36,000
like in the

861
00:30:40,789 --> 00:30:38,399
taint of california it's like where

862
00:30:41,990 --> 00:30:40,799
california and nevada and like there's

863
00:30:44,870 --> 00:30:42,000

like a little

864

00:30:45,430 --> 00:30:44,880

uh the residents saw this turquoise

865

00:30:47,990 --> 00:30:45,440

light

866

00:30:48,789 --> 00:30:48,000

reach across the sky right and then it

867

00:30:50,710 --> 00:30:48,799

came down

868

00:30:51,909 --> 00:30:50,720

crashed into the banks of the colorado

869

00:30:54,710 --> 00:30:51,919

river this

870

00:30:55,669 --> 00:30:54,720

was so bright it lit up the entire town

871

00:30:57,190 --> 00:30:55,679

of needles

872

00:30:59,269 --> 00:30:57,200

and they were calling the local radio

873

00:31:01,509 --> 00:30:59,279

station that night to report it and talk

874

00:31:03,590 --> 00:31:01,519

talk about it tell people about it

875

00:31:04,630 --> 00:31:03,600

a man named frank costigan who has since

876
00:31:05,909 --> 00:31:04,640
passed

877
00:31:08,389 --> 00:31:05,919
was one of the people that took those

878
00:31:10,230 --> 00:31:08,399
calls so what we did

879
00:31:11,430 --> 00:31:10,240
is we started there we started with

880
00:31:14,549 --> 00:31:11,440
frank costigan

881
00:31:15,750 --> 00:31:14,559
who uh gave us so much information about

882
00:31:19,110 --> 00:31:15,760
what happened

883
00:31:20,789 --> 00:31:19,120
in 2008 so that night after it crashed

884
00:31:21,430 --> 00:31:20,799
into the banks of the colorado river

885
00:31:28,789 --> 00:31:21,440
this

886
00:31:30,630 --> 00:31:28,799
it was definitely a vehicle of some sort

887
00:31:32,070 --> 00:31:30,640
primarily because a squadron of

888
00:31:35,350 --> 00:31:32,080

helicopters were following

889

00:31:37,590 --> 00:31:35,360

it as it crashed and a

890

00:31:38,470 --> 00:31:37,600

sky crane came in which is like a big

891

00:31:41,029 --> 00:31:38,480

helicopter

892

00:31:41,909 --> 00:31:41,039

that can lift really heavy stuff comes

893

00:31:45,509 --> 00:31:41,919

in

894

00:31:48,950 --> 00:31:45,519

picks up the object right with the sky

895

00:31:51,750 --> 00:31:48,960

and they fly off that morning

896

00:31:53,350 --> 00:31:51,760

the town is overrun with seemingly

897

00:31:56,950 --> 00:31:53,360

scientists

898

00:31:57,909 --> 00:31:56,960

uh possible uh people affiliated with

899

00:32:00,950 --> 00:31:57,919

the army

900

00:32:03,509 --> 00:32:00,960

or the navy

901
00:32:04,870 --> 00:32:03,519
men in black they asked lots of

902
00:32:08,710 --> 00:32:04,880
questions

903
00:32:10,710 --> 00:32:08,720
there was literally lines of cars

904
00:32:12,870 --> 00:32:10,720
coming into needles california it was

905
00:32:15,590 --> 00:32:12,880
unlike anything they had ever seen

906
00:32:18,470 --> 00:32:15,600
um because it's really a quiet place

907
00:32:21,750 --> 00:32:18,480
they just love their trailers

908
00:32:22,710 --> 00:32:21,760
and their phone fires and whatever they

909
00:32:24,549 --> 00:32:22,720
do there

910
00:32:26,310 --> 00:32:24,559
by chinese food we mean it's really bad

911
00:32:28,310 --> 00:32:26,320
not that there's chinese people there

912
00:32:31,269 --> 00:32:28,320
i just wanted to point that out yeah bad

913
00:32:33,029 --> 00:32:31,279

chinese food okay

914

00:32:34,870 --> 00:32:33,039

is there bad chinese food let's be

915

00:32:37,350 --> 00:32:34,880

honest

916

00:32:38,549 --> 00:32:37,360

yes because when it's 115 degrees you're

917

00:32:42,230 --> 00:32:38,559

eating

918

00:32:43,830 --> 00:32:42,240

some very hot sunflower

919

00:32:45,509 --> 00:32:43,840

i didn't think about that that just made

920

00:32:48,789 --> 00:32:45,519

my stomach turn yeah

921

00:32:49,990 --> 00:32:48,799

you're like awful at msg and then you're

922

00:32:52,310 --> 00:32:50,000

like

923

00:32:54,070 --> 00:32:52,320

the water's not working you guys don't

924

00:32:57,669 --> 00:32:54,080

carry gatorade

925

00:33:00,710 --> 00:32:57,679

oh my god i'm thinking of um

926

00:33:04,230 --> 00:33:00,720

anchorman milk was a bad choice

927

00:33:05,830 --> 00:33:04,240

yes exactly so anyway

928

00:33:07,430 --> 00:33:05,840

just found memories joe and i you know

929

00:33:11,029 --> 00:33:07,440

we pop in here and there

930

00:33:13,509 --> 00:33:11,039

yeah so how mysterious

931

00:33:15,190 --> 00:33:13,519

um there was a middle there was a mental

932

00:33:17,590 --> 00:33:15,200

there was a man named bob on the river

933

00:33:19,750 --> 00:33:17,600

okay who was a man that was boating that

934

00:33:23,110 --> 00:33:19,760

night wait he said his name is bob

935

00:33:27,590 --> 00:33:23,120

bob yeah no what do you know his last

936

00:33:33,110 --> 00:33:30,870

oh no i have a feeling this is an inside

937

00:33:35,350 --> 00:33:33,120

joke

938

00:33:36,230 --> 00:33:35,360

no you know bob up and bob up and down

939

00:33:38,630 --> 00:33:36,240

in the water

940

00:33:40,149 --> 00:33:38,640

up and down oh my god that went right

941

00:33:42,710 --> 00:33:40,159

over my head

942

00:33:43,269 --> 00:33:42,720

like in the water not in a lab oh my

943

00:33:45,350 --> 00:33:43,279

gosh

944

00:33:46,950 --> 00:33:45,360

but he was fishing on the banks of

945

00:33:50,230 --> 00:33:46,960

colorado river

946

00:33:53,830 --> 00:33:50,240

okay go ahead joe and

947

00:33:55,509 --> 00:33:53,840

he saw it you saw it flying okay

948

00:33:57,830 --> 00:33:55,519

so we went we interviewed frank costa

949

00:33:59,029 --> 00:33:57,840

again he gave us uh contact information

950

00:34:01,750 --> 00:33:59,039

with the local

951
00:34:02,710 --> 00:34:01,760
geologist and land surveyor so we could

952
00:34:04,389 --> 00:34:02,720
get an idea of

953
00:34:05,990 --> 00:34:04,399
approximately where this thing crashed

954
00:34:09,190 --> 00:34:06,000
the bank's colorado river

955
00:34:11,510 --> 00:34:09,200
and um we went out there with our metal

956
00:34:15,109 --> 00:34:11,520
detectors and our em detectors

957
00:34:17,909 --> 00:34:15,119
and we found something man and really

958
00:34:18,869 --> 00:34:17,919
not ever really shown this especially to

959
00:34:21,750 --> 00:34:18,879
somebody

960
00:34:22,389 --> 00:34:21,760
where you're at on tv yeah yeah so many

961
00:34:24,550 --> 00:34:22,399
followers

962
00:34:26,550 --> 00:34:24,560
showing people here and there but we

963
00:34:28,149 --> 00:34:26,560

actually dug down a couple feet and

964

00:34:28,869 --> 00:34:28,159

pulled this incredible piece of metal

965

00:34:31,270 --> 00:34:28,879

out of the ground

966

00:34:33,030 --> 00:34:31,280

and it's really a really pretty big

967

00:34:35,109 --> 00:34:33,040

piece of metal you want to see it

968

00:34:38,230 --> 00:34:35,119

uh yeah if you guys are willing to share

969

00:34:43,909 --> 00:34:41,669

i don't care what you're gonna do okay

970

00:34:45,430 --> 00:34:43,919

okay yeah let's see if you guys are

971

00:34:47,190 --> 00:34:45,440

willing this is a uh

972

00:34:48,629 --> 00:34:47,200

somewhere in the skies ufo bros

973

00:34:52,310 --> 00:34:48,639

exclusive i would love

974

00:34:53,349 --> 00:34:52,320

this astronaut john kelly saw this piece

975

00:34:56,950 --> 00:34:53,359

of metal

976
00:34:59,910 --> 00:34:56,960
okay yeah okay and he says because of

977
00:35:00,950 --> 00:34:59,920
the tinting on it he he thinks this is

978
00:35:03,990 --> 00:35:00,960
very much

979
00:35:05,670 --> 00:35:04,000
something that has been to space so

980
00:35:07,670 --> 00:35:05,680
um i'm going to show you the whole piece

981
00:35:11,270 --> 00:35:07,680
in its entirety

982
00:35:12,870 --> 00:35:11,280
oh wow that's huge okay yeah it's huge

983
00:35:14,870 --> 00:35:12,880
but when you when you look at it it's

984
00:35:16,790 --> 00:35:14,880
just like okay it's a piece of metal

985
00:35:18,470 --> 00:35:16,800
but upon further inspection you'll start

986
00:35:20,870 --> 00:35:18,480
to notice look these there's these

987
00:35:22,069 --> 00:35:20,880
this weird bubbling that has occurred in

988
00:35:25,510 --> 00:35:22,079

the middle

989

00:35:28,829 --> 00:35:25,520

which suggests that something was heated

990

00:35:30,550 --> 00:35:28,839

extremely quickly faster than able to

991

00:35:32,470 --> 00:35:30,560

char

992

00:35:33,990 --> 00:35:32,480

the other thing too is you can see the

993

00:35:36,470 --> 00:35:34,000

way that this has come off

994

00:35:38,950 --> 00:35:36,480

it looks as though it has literally

995

00:35:44,230 --> 00:35:38,960

exploded off something what's so funny

996

00:35:46,000 --> 00:35:44,240

yeah it's magic

997

00:35:48,550 --> 00:35:46,010

you know

998

00:35:51,430 --> 00:35:48,560

[Laughter]

999

00:35:52,870 --> 00:35:51,440

now i got glitter everywhere oh no so

1000

00:35:53,829 --> 00:35:52,880

this is important we're showing a piece

1001
00:35:57,910 --> 00:35:53,839
of the ufo

1002
00:35:58,710 --> 00:35:57,920
and you're yes literally i have kids

1003
00:36:00,550 --> 00:35:58,720
okay

1004
00:36:01,829 --> 00:36:00,560
yeah i'm sorry to hear that uh but this

1005
00:36:03,430 --> 00:36:01,839
is if you look at this p

1006
00:36:05,910 --> 00:36:03,440
this side here there's a strange like

1007
00:36:09,430 --> 00:36:05,920
yellow tinting to it yeah yeah

1008
00:36:11,829 --> 00:36:09,440
um back side there's some discoloration

1009
00:36:14,950 --> 00:36:11,839
it looks like oxidation um

1010
00:36:16,950 --> 00:36:14,960
we have this it hasn't wrestled yet

1011
00:36:19,349 --> 00:36:16,960
it has not rusted came right out of the

1012
00:36:22,390 --> 00:36:19,359
ground oh wow

1013
00:36:24,950 --> 00:36:22,400

yeah we had it analyzed and

1014

00:36:26,390 --> 00:36:24,960

same thing you said man this is

1015

00:36:29,589 --> 00:36:26,400

aerospace

1016

00:36:32,950 --> 00:36:29,599

ready material and

1017

00:36:34,710 --> 00:36:32,960

uh that it was designed to withstand a

1018

00:36:38,230 --> 00:36:34,720

tremendous amount of pressure

1019

00:36:41,510 --> 00:36:38,240

what type of metal it is and so uh

1020

00:36:42,550 --> 00:36:41,520

it is not a piece of like you know a

1021

00:36:46,069 --> 00:36:42,560

license plate

1022

00:36:48,470 --> 00:36:46,079

or a piece of aluminum off a roof or

1023

00:36:50,550 --> 00:36:48,480

something like that this is something

1024

00:36:52,870 --> 00:36:50,560

that has been through a traumatic event

1025

00:36:54,710 --> 00:36:52,880

okay and this was right in the

1026
00:36:58,390 --> 00:36:54,720
coordinates that the needle's crashing

1027
00:37:01,430 --> 00:36:58,400
on the banks of colorado river wow so

1028
00:37:02,390 --> 00:37:01,440
that's super thin very strong dude it

1029
00:37:06,069 --> 00:37:02,400
looks

1030
00:37:08,470 --> 00:37:06,079
identical to our metals i'm not kidding

1031
00:37:09,589 --> 00:37:08,480
even the um like you said the the

1032
00:37:11,109 --> 00:37:09,599
bubbling

1033
00:37:12,790 --> 00:37:11,119
that we're seeing there where it looks

1034
00:37:15,589 --> 00:37:12,800
like it was like

1035
00:37:16,150 --> 00:37:15,599
burned or impacted ours had the same

1036
00:37:18,710 --> 00:37:16,160
thing

1037
00:37:20,230 --> 00:37:18,720
and this was like a solid steel piece

1038
00:37:21,109 --> 00:37:20,240

that you could not bend you could not

1039

00:37:23,829 --> 00:37:21,119

break nothing

1040

00:37:24,870 --> 00:37:23,839

yet it had those really interesting

1041

00:37:26,790 --> 00:37:24,880

rivets in it and

1042

00:37:28,710 --> 00:37:26,800

bubbling like you said like something

1043

00:37:32,069 --> 00:37:28,720

very traumatic had happened

1044

00:37:33,910 --> 00:37:32,079

wow it is strikingly similar to our

1045

00:37:36,870 --> 00:37:33,920

metals there's

1046

00:37:38,630 --> 00:37:36,880

something to be said about that what do

1047

00:37:40,550 --> 00:37:38,640

you guys think what do you think it is

1048

00:37:42,069 --> 00:37:40,560

that was buried like four to five feet

1049

00:37:43,910 --> 00:37:42,079

down that was okay so

1050

00:37:46,150 --> 00:37:43,920

every time you say that story it gets a

1051

00:37:48,790 --> 00:37:46,160

foot deeper it was like two feet down

1052

00:37:56,630 --> 00:37:48,800

it was like two to four feet deep it was

1053

00:37:59,829 --> 00:37:58,230

here joe what do you think because i

1054

00:38:01,030 --> 00:37:59,839

think that

1055

00:38:03,109 --> 00:38:01,040

i don't necessarily know that it's

1056

00:38:03,990 --> 00:38:03,119

actually terrestrial but i really do

1057

00:38:05,829 --> 00:38:04,000

think that whatever

1058

00:38:07,430 --> 00:38:05,839

crashed in needles this could really

1059

00:38:09,430 --> 00:38:07,440

truly be a piece of it

1060

00:38:10,790 --> 00:38:09,440

that's what i do we had to analyze we

1061

00:38:13,349 --> 00:38:10,800

analyzed his properties

1062

00:38:14,470 --> 00:38:13,359

we you know had to take it around it and

1063

00:38:15,589 --> 00:38:14,480

from the results it's something that's

1064

00:38:18,230 --> 00:38:15,599

been in the space

1065

00:38:20,150 --> 00:38:18,240

the yellowing on it is from radiation

1066

00:38:22,710 --> 00:38:20,160

that they say

1067

00:38:23,589 --> 00:38:22,720

uh oh wow and that's saying something

1068

00:38:26,390 --> 00:38:23,599

yeah

1069

00:38:27,510 --> 00:38:26,400

that's like the radiation this being in

1070

00:38:29,990 --> 00:38:27,520

space

1071

00:38:31,829 --> 00:38:30,000

this creates this sort of yellow tint

1072

00:38:33,670 --> 00:38:31,839

okay a little coating tint yeah we've

1073

00:38:36,790 --> 00:38:33,680

actually even had skeptics look at it

1074

00:38:38,790 --> 00:38:36,800

and they still say this is weird

1075

00:38:41,109 --> 00:38:38,800

and so we can truly say that this is a

1076

00:38:43,829 --> 00:38:41,119

strange object off of something that

1077

00:38:45,990 --> 00:38:43,839

suffered a traumatic event and quite

1078

00:38:48,390 --> 00:38:46,000

possibly was in space

1079

00:38:49,829 --> 00:38:48,400

i really do think that this is possibly

1080

00:38:53,430 --> 00:38:49,839

a piece of what crashed

1081

00:38:55,829 --> 00:38:53,440

because it sounds to me like potentially

1082

00:38:57,190 --> 00:38:55,839

if needles wasn't extraterrestrial that

1083

00:39:00,310 --> 00:38:57,200

it definitely was

1084

00:39:02,550 --> 00:39:00,320

an advanced um potentially government

1085

00:39:04,470 --> 00:39:02,560

experimental craft of some sort

1086

00:39:05,990 --> 00:39:04,480

um which could explain this sort of

1087

00:39:09,190 --> 00:39:06,000

launch grade

1088

00:39:10,550 --> 00:39:09,200

alloy um so how do you like them apples

1089

00:39:14,310 --> 00:39:10,560

they're ryan do you like our food yeah

1090

00:39:16,790 --> 00:39:14,320

right the all i'm gonna say is

1091

00:39:18,950 --> 00:39:16,800

all i'm gonna say is guys your piece is

1092

00:39:22,230 --> 00:39:18,960

way bigger than mine

1093

00:39:24,230 --> 00:39:22,240

yeah um you know we had a black piece in

1094

00:39:38,470 --> 00:39:24,240

here actually but we

1095

00:39:41,990 --> 00:39:40,390

you catch me off my feet and leave me

1096

00:39:43,589 --> 00:39:42,000

silent so that's you

1097

00:39:45,270 --> 00:39:43,599

that's saying something because i've

1098

00:39:47,109 --> 00:39:45,280

heard everything we try

1099

00:39:48,630 --> 00:39:47,119

you try you should be in you should go

1100

00:39:50,870 --> 00:39:48,640

on a trip with us sometime you actually

1101
00:39:53,670 --> 00:39:50,880
probably might kill us

1102
00:39:54,790 --> 00:39:53,680
that'd be the funniest [h__h] in the world

1103
00:39:57,510 --> 00:39:54,800
oh

1104
00:39:58,710 --> 00:39:57,520
guy in the back of the rv and and and

1105
00:40:01,270 --> 00:39:58,720
yeah

1106
00:40:02,390 --> 00:40:01,280
they were just like how do you guys how

1107
00:40:05,589 --> 00:40:02,400
are you still talking

1108
00:40:11,510 --> 00:40:08,230
oh man i don't know it's the passion

1109
00:40:14,630 --> 00:40:12,870
how long did you guys record he's like

1110
00:40:15,030 --> 00:40:14,640
well like about 40 minutes after you

1111
00:40:18,390 --> 00:40:15,040
guys

1112
00:40:19,670 --> 00:40:18,400
we left we just stopped because she just

1113
00:40:23,829 --> 00:40:19,680

kept talking and talking

1114

00:40:26,309 --> 00:40:23,839

you just kept going ah that is about to

1115

00:40:29,349 --> 00:40:26,319

right ryan like it's supposed to be fun

1116

00:40:31,670 --> 00:40:29,359

absolutely i try to remind people

1117

00:40:33,190 --> 00:40:31,680

like yeah this is a serious topic like

1118

00:40:35,510 --> 00:40:33,200

we're talking about possible

1119

00:40:36,630 --> 00:40:35,520

kidnapping of kids by the us government

1120

00:40:40,390 --> 00:40:36,640

and killing them

1121

00:40:42,150 --> 00:40:40,400

at a like a ufo crash and also like the

1122

00:40:43,349 --> 00:40:42,160

potential of alien life visiting our

1123

00:40:46,069 --> 00:40:43,359

planet it is

1124

00:40:47,750 --> 00:40:46,079

a big thing but come on like we talk

1125

00:40:49,109 --> 00:40:47,760

about the weirdest [h__\h] out there and if

1126

00:40:51,750 --> 00:40:49,119

we can't laugh about it

1127

00:40:52,790 --> 00:40:51,760

every now and then you're gonna be

1128

00:40:56,390 --> 00:40:52,800

miserable

1129

00:40:59,109 --> 00:40:56,400

know

1130

00:41:02,470 --> 00:40:59,119

that that nick pope that was him letting

1131

00:41:08,790 --> 00:41:05,670

that was his having a good time

1132

00:41:11,030 --> 00:41:08,800

let's talk about that um

1133

00:41:12,309 --> 00:41:11,040

he didn't get anything that i was doing

1134

00:41:15,670 --> 00:41:12,319

i was doing the donald trump

1135

00:41:18,630 --> 00:41:15,680

water bottle drink he's like

1136

00:41:21,109 --> 00:41:18,640

what's up what happened look look what

1137

00:41:24,390 --> 00:41:21,119

was it like he's a very thoughtful man

1138

00:41:26,390 --> 00:41:24,400

yeah yeah oh he actually he was a black

1139

00:41:30,069 --> 00:41:26,400

and he went along with it perfectly yeah

1140

00:41:32,870 --> 00:41:30,079

he did i was able to really let go

1141

00:41:36,950 --> 00:41:32,880

yeah and by that he means like unbutton

1142

00:41:40,870 --> 00:41:39,109

he's awesome he was definitely a great

1143

00:41:42,710 --> 00:41:40,880

and i would like to have him on again

1144

00:41:43,990 --> 00:41:42,720

awesome yeah and for those who don't

1145

00:41:47,510 --> 00:41:44,000

know um

1146

00:41:50,150 --> 00:41:47,520

uh nick pope is was the former ufo

1147

00:41:52,230 --> 00:41:50,160

desk worker for the mod in england in

1148

00:41:53,990 --> 00:41:52,240

their ufo project and uh

1149

00:41:57,270 --> 00:41:54,000

you should know that by now to my

1150

00:41:59,829 --> 00:41:57,280

audience but um yeah yeah

1151
00:42:01,109 --> 00:41:59,839
yeah so what did he have to say anything

1152
00:42:03,430 --> 00:42:01,119
really compelling that he brought

1153
00:42:06,470 --> 00:42:03,440
forward with you guys

1154
00:42:09,670 --> 00:42:06,480
my favorite part of the whole show is

1155
00:42:11,030 --> 00:42:09,680
we ask him we say if there is a

1156
00:42:14,230 --> 00:42:11,040
revelation

1157
00:42:14,829 --> 00:42:14,240
about ufos and extraterrestrials this

1158
00:42:17,670 --> 00:42:14,839
month

1159
00:42:18,950 --> 00:42:17,680
potentially what would the president say

1160
00:42:23,030 --> 00:42:18,960
to the people

1161
00:42:24,630 --> 00:42:23,040
walk us through that moment and he does

1162
00:42:26,470 --> 00:42:24,640
well he actually got a silent we were

1163
00:42:41,430 --> 00:42:26,480

like yeah

1164

00:42:45,030 --> 00:42:43,190

that was my favorite part you know the

1165

00:42:48,150 --> 00:42:45,040

guy is deep into

1166

00:42:50,390 --> 00:42:48,160

what's going on over yeah uh he's on top

1167

00:42:52,390 --> 00:42:50,400

tucker carlson i know how much you you

1168

00:42:53,109 --> 00:42:52,400

watch tucker crosston all the time dude

1169

00:42:56,390 --> 00:42:53,119

i know you

1170

00:43:00,309 --> 00:42:56,400

love tucker carlson don't you write

1171

00:43:03,670 --> 00:43:00,319

oh huge huge fan of uh mr carlson hey

1172

00:43:06,470 --> 00:43:03,680

look i'm pretty vocal about my political

1173

00:43:09,430 --> 00:43:06,480

leanings and everything um but you know

1174

00:43:12,069 --> 00:43:09,440

i try to keep it out as much as i can

1175

00:43:13,750 --> 00:43:12,079

always all this but you know it's hard

1176

00:43:15,910 --> 00:43:13,760

because this is a political issue

1177

00:43:17,030 --> 00:43:15,920

ufos you know we can also i didn't mean

1178

00:43:18,870 --> 00:43:17,040

to bring politics

1179

00:43:20,069 --> 00:43:18,880

well i did but i didn't like to bring it

1180

00:43:21,670 --> 00:43:20,079

up in a big way

1181

00:43:23,910 --> 00:43:21,680

but hey look if there's anything i could

1182

00:43:26,870 --> 00:43:23,920

say about tucker carlson um

1183

00:43:29,349 --> 00:43:26,880

you know besides him as a person uh with

1184

00:43:31,670 --> 00:43:29,359

his principles and values and ethics uh

1185

00:43:33,030 --> 00:43:31,680

he is taking this thing more serious

1186

00:43:35,510 --> 00:43:33,040

than any news network

1187

00:43:37,750 --> 00:43:35,520

any news anchor and he's doing a really

1188

00:43:39,349 --> 00:43:37,760

good job at it he's a smart guy

1189

00:43:40,870 --> 00:43:39,359

there's no getting around that tucker

1190

00:43:43,670 --> 00:43:40,880

carlson is a very

1191

00:43:45,109 --> 00:43:43,680

smart guy um there are there's so much i

1192

00:43:48,150 --> 00:43:45,119

don't agree with him on

1193

00:43:49,430 --> 00:43:48,160

in the world but hey if he's gonna be

1194

00:43:50,309 --> 00:43:49,440

the one to get this thing out to the

1195

00:43:53,349 --> 00:43:50,319

forefront

1196

00:43:56,470 --> 00:43:53,359

i am appreciative of that

1197

00:43:57,990 --> 00:43:56,480

and i just want it out you know we want

1198

00:43:59,589 --> 00:43:58,000

the truth i don't care who does it

1199

00:44:01,030 --> 00:43:59,599

just put it out just get it out and

1200

00:44:02,870 --> 00:44:01,040

that's how i feel being

1201
00:44:04,390 --> 00:44:02,880
just a political and i was teasing you a

1202
00:44:05,190 --> 00:44:04,400
little bit but just being a political

1203
00:44:07,510 --> 00:44:05,200
about it

1204
00:44:09,829 --> 00:44:07,520
yeah i don't care if the pope i don't

1205
00:44:12,069 --> 00:44:09,839
care i just i want to know

1206
00:44:13,670 --> 00:44:12,079
so that we can i don't know what are we

1207
00:44:15,270 --> 00:44:13,680
going to do after all this is over

1208
00:44:16,470 --> 00:44:15,280
what do we have to do what are the three

1209
00:44:17,829 --> 00:44:16,480
of us going to do we're going to have to

1210
00:44:19,990 --> 00:44:17,839
like take up like

1211
00:44:21,510 --> 00:44:20,000
basket weaving or something i don't know

1212
00:44:24,790 --> 00:44:21,520
underwater basketball

1213
00:44:27,109 --> 00:44:24,800

underwater yes got to put that caveat on

1214

00:44:28,950 --> 00:44:27,119

um well hey i want to know what you guys

1215

00:44:32,069 --> 00:44:28,960

think and while we're on the topic

1216

00:44:35,510 --> 00:44:32,079

uh of like disclosure and

1217

00:44:37,430 --> 00:44:35,520

yeah i guess u.s politics we have

1218

00:44:38,950 --> 00:44:37,440

a major election coming up in a couple

1219

00:44:42,550 --> 00:44:38,960

weeks

1220

00:44:45,829 --> 00:44:42,560

and you know no matter which way it goes

1221

00:44:46,870 --> 00:44:45,839

um you know trump has kind of given us

1222

00:44:50,309 --> 00:44:46,880

his thoughts and

1223

00:44:52,150 --> 00:44:50,319

whatnot on the ufo topic but biden has

1224

00:44:52,630 --> 00:44:52,160

said nothing he's never really talked

1225

00:44:54,150 --> 00:44:52,640

about it

1226

00:44:56,390 --> 00:44:54,160

but do you think with a new

1227

00:44:58,870 --> 00:44:56,400

administration uh

1228

00:44:59,910 --> 00:44:58,880

things could change in terms of the ufo

1229

00:45:02,150 --> 00:44:59,920

disclosure

1230

00:45:04,309 --> 00:45:02,160

i mean we if we have a different

1231

00:45:07,030 --> 00:45:04,319

administration full of different people

1232

00:45:07,589 --> 00:45:07,040

who may have some interest in this topic

1233

00:45:09,430 --> 00:45:07,599

um

1234

00:45:11,190 --> 00:45:09,440

does it matter does it even matter if

1235

00:45:13,109 --> 00:45:11,200

trump is there or biden is there

1236

00:45:18,069 --> 00:45:13,119

will anything change with the overall

1237

00:45:20,630 --> 00:45:18,079

disclosure of ufos in your guys opinions

1238

00:45:21,990 --> 00:45:20,640

well i'll start chill i know that you

1239

00:45:25,829 --> 00:45:22,000

usually start

1240

00:45:30,829 --> 00:45:28,309

i think that there that things are so

1241

00:45:33,589 --> 00:45:30,839

chaotic right now

1242

00:45:35,910 --> 00:45:33,599

um now would be

1243

00:45:37,750 --> 00:45:35,920

the probably the most likely time that

1244

00:45:39,990 --> 00:45:37,760

something could get out

1245

00:45:41,430 --> 00:45:40,000

um i don't know what would happen if

1246

00:45:42,390 --> 00:45:41,440

biden got in like you said he hasn't

1247

00:45:45,030 --> 00:45:42,400

said anything

1248

00:45:46,790 --> 00:45:45,040

but what if he gets in but then he does

1249

00:45:48,069 --> 00:45:46,800

the you know what was the former which

1250

00:45:51,670 --> 00:45:48,079

was just kind of keep

1251
00:45:54,309 --> 00:45:51,680
he's pushing it along kind of thing

1252
00:45:56,309 --> 00:45:54,319
um i'm actually surprised trump hasn't

1253
00:45:58,230 --> 00:45:56,319
said anything yet

1254
00:45:59,990 --> 00:45:58,240
i mean the guy's like you know i mean

1255
00:46:01,750 --> 00:46:00,000
why wouldn't by i mean

1256
00:46:03,190 --> 00:46:01,760
did they tell you why i wouldn't buy

1257
00:46:04,950 --> 00:46:03,200
them you know they're little tiny little

1258
00:46:05,430 --> 00:46:04,960
beings and then he'd smell their head

1259
00:46:07,030 --> 00:46:05,440
and

1260
00:46:08,420 --> 00:46:07,040
as he sits there with them you know i

1261
00:46:10,870 --> 00:46:08,430
mean

1262
00:46:14,630 --> 00:46:10,880
[Laughter]

1263
00:46:17,109 --> 00:46:14,640

those are some creepy videos

1264

00:46:19,670 --> 00:46:17,119

i don't care who you vote for like them

1265

00:46:29,430 --> 00:46:19,680

some creepy videos for sure

1266

00:46:32,790 --> 00:46:29,440

he's just he's just like

1267

00:46:35,670 --> 00:46:32,800

oh man we we've

1268

00:46:36,230 --> 00:46:35,680

we've literally alienated 100 of our

1269

00:46:40,390 --> 00:46:36,240

audience

1270

00:46:44,790 --> 00:46:42,630

look it's all about fun and especially

1271

00:46:46,870 --> 00:46:44,800

right now man like

1272

00:46:47,829 --> 00:46:46,880

i think they're all crazy okay all of

1273

00:46:50,950 --> 00:46:47,839

them all of the

1274

00:46:53,910 --> 00:46:50,960

every single politician line they're all

1275

00:46:54,950 --> 00:46:53,920

they're all is equally not truthful so

1276

00:46:56,550 --> 00:46:54,960

let's just get that out

1277

00:46:58,069 --> 00:46:56,560

so you can do whatever you want to do

1278

00:47:01,190 --> 00:46:58,079

with whoever you want but

1279

00:47:04,309 --> 00:47:01,200

like you said let's get the info out

1280

00:47:07,829 --> 00:47:04,319

hopefully let's get it let's get it

1281

00:47:07,839 --> 00:47:12,309

that's called pop tourettes yes

1282

00:47:18,150 --> 00:47:15,349

is that a clip yeah yeah

1283

00:47:19,270 --> 00:47:18,160

well actually um uh this this could be

1284

00:47:22,950 --> 00:47:19,280

you can edit this out

1285

00:47:24,470 --> 00:47:22,960

right here if you want to uh i have a

1286

00:47:26,710 --> 00:47:24,480

movement disorder that they finally

1287

00:47:29,589 --> 00:47:26,720

diagnosed me with

1288

00:47:30,470 --> 00:47:29,599

so i constantly move and it's they can't

1289

00:47:32,549 --> 00:47:30,480

figure it out

1290

00:47:34,230 --> 00:47:32,559

it's called korea it's like part of like

1291

00:47:36,630 --> 00:47:34,240

honey tim's parkinson's

1292

00:47:37,990 --> 00:47:36,640

leave me alone i'm trying to talk and

1293

00:47:39,030 --> 00:47:38,000

you always ruin every time i try to

1294

00:47:44,950 --> 00:47:39,040

[h__\h] talk

1295

00:47:51,990 --> 00:47:49,349

that's what's happening okay

1296

00:47:53,349 --> 00:47:52,000

yeah that's what it is oh man i think

1297

00:47:56,390 --> 00:47:53,359

ryan just got cancelled

1298

00:47:58,150 --> 00:47:56,400

uh i don't i have i have no idea sorry

1299

00:48:01,190 --> 00:47:58,160

i'm trying to respond to that other than

1300

00:48:02,630 --> 00:48:01,200

dude i'm sorry and uh oh no it's okay

1301

00:48:04,470 --> 00:48:02,640

i just this is something that i've had

1302

00:48:05,030 --> 00:48:04,480

forever so if i'm like moving weird and

1303

00:48:07,829 --> 00:48:05,040

[h__\h]

1304

00:48:08,870 --> 00:48:07,839

that's just it's my thing it's gonna be

1305

00:48:12,390 --> 00:48:08,880

great for on camera

1306

00:48:15,990 --> 00:48:12,400

so i could snack exactly

1307

00:48:19,270 --> 00:48:16,000

exactly nobody cares um well okay

1308

00:48:22,549 --> 00:48:19,280

so i want to move on to

1309

00:48:23,990 --> 00:48:22,559

in asking you guys and um again if you

1310

00:48:24,790 --> 00:48:24,000

want to throw it back to me whenever i

1311

00:48:26,470 --> 00:48:24,800

don't want to

1312

00:48:28,230 --> 00:48:26,480

steer this ship because this is your

1313

00:48:30,470 --> 00:48:28,240

show too um

1314

00:48:32,230 --> 00:48:30,480

no i love it it's great that's great

1315

00:48:32,950 --> 00:48:32,240

before i ask the questions we all have

1316

00:48:35,109 --> 00:48:32,960

something to say

1317

00:48:36,309 --> 00:48:35,119

great exactly exactly that's why i knew

1318

00:48:39,430 --> 00:48:36,319

this was gonna work

1319

00:48:41,589 --> 00:48:39,440

um one of your guests is probably the

1320

00:48:44,470 --> 00:48:41,599

most controversial person

1321

00:48:45,670 --> 00:48:44,480

in ufology from years past and even up

1322

00:48:47,750 --> 00:48:45,680

until today

1323

00:48:49,430 --> 00:48:47,760

and i was really surprised to see you

1324

00:48:51,750 --> 00:48:49,440

guys get them on

1325

00:48:52,470 --> 00:48:51,760

and chat with this guy and that is rick

1326

00:48:55,190 --> 00:48:52,480

doughty

1327

00:48:56,470 --> 00:48:55,200

the professional disinformation

1328

00:48:59,589 --> 00:48:56,480

disinformation

1329

00:49:00,630 --> 00:48:59,599

agent within ufology working for the us

1330

00:49:03,190 --> 00:49:00,640

air force and

1331

00:49:04,230 --> 00:49:03,200

osi and all these other things um i

1332

00:49:06,069 --> 00:49:04,240

don't even want to list all his

1333

00:49:09,270 --> 00:49:06,079

credentials because they scare me

1334

00:49:11,750 --> 00:49:09,280

but um what was it like right what was

1335

00:49:13,750 --> 00:49:11,760

that like guys

1336

00:49:14,790 --> 00:49:13,760

he's a really great guy yeah he seems

1337

00:49:17,670 --> 00:49:14,800

nice yeah

1338

00:49:19,270 --> 00:49:17,680

that's the pizza point he's fun well

1339

00:49:21,829 --> 00:49:19,280

yeah you know that's actually very true

1340

00:49:22,470 --> 00:49:21,839

you know i think the point is um in

1341

00:49:24,630 --> 00:49:22,480

terms of

1342

00:49:27,349 --> 00:49:24,640

interviewing rick dodie is whether you

1343

00:49:32,950 --> 00:49:27,359

like it or not he has a story

1344

00:49:35,270 --> 00:49:32,960

and sometimes it's off-putting because

1345

00:49:36,309 --> 00:49:35,280

you know of his past and what he did

1346

00:49:37,670 --> 00:49:36,319

like you were saying being a

1347

00:49:40,549 --> 00:49:37,680

disinformation agent but

1348

00:49:41,349 --> 00:49:40,559

um you got to just talk to him yourself

1349

00:49:42,870 --> 00:49:41,359

you have to

1350

00:49:44,309 --> 00:49:42,880

you know you can't really just hear what

1351
00:49:45,910 --> 00:49:44,319
other people are saying you got to

1352
00:49:47,990 --> 00:49:45,920
really kind of ask them

1353
00:49:49,190 --> 00:49:48,000
why did you have to do that what did

1354
00:49:51,510 --> 00:49:49,200
that entail

1355
00:49:53,349 --> 00:49:51,520
what are you doing now you know what

1356
00:49:54,790 --> 00:49:53,359
about this this and this we just ask

1357
00:49:57,030 --> 00:49:54,800
you know we don't beat around the bush

1358
00:49:59,750 --> 00:49:57,040
and so that was really why

1359
00:50:01,190 --> 00:49:59,760
uh we continued to interview rick dodie

1360
00:50:03,670 --> 00:50:01,200
we only really got a chance to talk to

1361
00:50:06,230 --> 00:50:03,680
him a little bit about area 51.

1362
00:50:07,990 --> 00:50:06,240
um and so we wanted to further our

1363
00:50:09,270 --> 00:50:08,000

conversation our curiosity

1364

00:50:11,030 --> 00:50:09,280

i understand what you're saying you know

1365

00:50:12,069 --> 00:50:11,040

potentially giving a platform to maybe a

1366

00:50:14,870 --> 00:50:12,079

disinformation person

1367

00:50:15,670 --> 00:50:14,880

but i think the larger picture of what

1368

00:50:18,950 --> 00:50:15,680

we do here

1369

00:50:21,910 --> 00:50:18,960

is people have to pick and choose

1370

00:50:23,109 --> 00:50:21,920

what they think is the most accurate

1371

00:50:24,470 --> 00:50:23,119

rick dodie

1372

00:50:26,470 --> 00:50:24,480

people could listen to him and go that

1373

00:50:29,750 --> 00:50:26,480

guy is totally full of [h__h] and that's

1374

00:50:33,589 --> 00:50:29,760

fine with me that's fine because

1375

00:50:34,950 --> 00:50:33,599

you know ultimately um there's a story

1376

00:50:36,870 --> 00:50:34,960

and he shares one with us

1377

00:50:38,390 --> 00:50:36,880

and people you know i don't know it's an

1378

00:50:39,829 --> 00:50:38,400

interesting story it's a very

1379

00:50:41,109 --> 00:50:39,839

interesting story i've never told

1380

00:50:44,150 --> 00:50:41,119

anybody before

1381

00:50:46,390 --> 00:50:44,160

and it's

1382

00:50:48,710 --> 00:50:46,400

it's interesting you know what i believe

1383

00:50:50,710 --> 00:50:48,720

him bro and i believe him okay

1384

00:50:52,549 --> 00:50:50,720

you guys will have to in my audience go

1385

00:50:54,630 --> 00:50:52,559

watch or listen to that interview

1386

00:50:56,950 --> 00:50:54,640

to hear that story i do i obviously

1387

00:50:59,670 --> 00:50:56,960

don't want to give it away here but um

1388

00:51:01,109 --> 00:50:59,680

you're right he is a storyteller and uh

1389

00:51:04,069 --> 00:51:01,119

that's what um

1390

00:51:05,829 --> 00:51:04,079

worries a lot of people and also uh

1391

00:51:07,510 --> 00:51:05,839

captures a lot of people's attention who

1392

00:51:08,230 --> 00:51:07,520

might not know about what he's done in

1393

00:51:09,670 --> 00:51:08,240

the past

1394

00:51:11,670 --> 00:51:09,680

and again for anyone who doesn't know

1395

00:51:14,549 --> 00:51:11,680

this gentleman um

1396

00:51:16,470 --> 00:51:14,559

he's probably best known for a

1397

00:51:17,349 --> 00:51:16,480

disinformation campaign he did back in

1398

00:51:20,309 --> 00:51:17,359

the 80s

1399

00:51:22,069 --> 00:51:20,319

with a gentleman named paul benowitz who

1400

00:51:25,430 --> 00:51:22,079

was reporting ufos over

1401
00:51:27,430 --> 00:51:25,440
kirtland air force base and uh went

1402
00:51:29,430 --> 00:51:27,440
straight up to the base kind of like

1403
00:51:29,829 --> 00:51:29,440
knocked on the proverbial front door and

1404
00:51:32,710 --> 00:51:29,839
said

1405
00:51:33,030 --> 00:51:32,720
yo there's ufos over your base and also

1406
00:51:35,109 --> 00:51:33,040
like

1407
00:51:36,710 --> 00:51:35,119
i'm getting these weird transmissions on

1408
00:51:39,910 --> 00:51:36,720
my radios back home

1409
00:51:42,470 --> 00:51:39,920
and uh i think it's an alien invasion

1410
00:51:43,349 --> 00:51:42,480
and meanwhile the air force base is like

1411
00:51:46,150 --> 00:51:43,359
holy [h__\h]

1412
00:51:46,710 --> 00:51:46,160
he like cracked our secret spy codes and

1413
00:51:49,510 --> 00:51:46,720

whatnot

1414

00:51:49,990 --> 00:51:49,520

and like frequencies this is a huge

1415

00:51:52,630 --> 00:51:50,000

national

1416

00:51:53,349 --> 00:51:52,640

security breach and this dude is able to

1417

00:51:58,150 --> 00:51:53,359

like

1418

00:51:59,589 --> 00:51:58,160

something

1419

00:52:02,309 --> 00:51:59,599

and when he came to them and said it's

1420

00:52:05,670 --> 00:52:02,319

aliens they ran with it they're like

1421

00:52:08,790 --> 00:52:05,680

okay sure totally right it's alien yeah

1422

00:52:10,470 --> 00:52:08,800

and then into it they they fed him and

1423

00:52:11,190 --> 00:52:10,480

rick dodie was the gentleman who they

1424

00:52:13,990 --> 00:52:11,200

hired

1425

00:52:15,670 --> 00:52:14,000

to go to this guy and keep it going keep

1426
00:52:16,390 --> 00:52:15,680
telling him there's an alien invasion

1427
00:52:18,950 --> 00:52:16,400
coming

1428
00:52:20,630 --> 00:52:18,960
um they would break into his home him

1429
00:52:22,549 --> 00:52:20,640
and these other spooks

1430
00:52:23,990 --> 00:52:22,559
and when he wasn't home and like move

1431
00:52:26,710 --> 00:52:24,000
[h__\h] in his apartment

1432
00:52:27,750 --> 00:52:26,720
or his house and uh just so he would

1433
00:52:30,309 --> 00:52:27,760
become paranoid

1434
00:52:31,910 --> 00:52:30,319
or think he was crazy and they just kept

1435
00:52:32,710 --> 00:52:31,920
doing this and driving it into this

1436
00:52:34,470 --> 00:52:32,720
dude's brain

1437
00:52:36,150 --> 00:52:34,480
that there was a pending alien invasion

1438
00:52:38,710 --> 00:52:36,160

and the government knew about it

1439

00:52:39,670 --> 00:52:38,720

and until he went mad and his gu his

1440

00:52:42,150 --> 00:52:39,680

family had to

1441

00:52:43,349 --> 00:52:42,160

put him in a mental institution and this

1442

00:52:45,589 --> 00:52:43,359

is all proven

1443

00:52:46,950 --> 00:52:45,599

and documented and rick dodie the

1444

00:52:49,750 --> 00:52:46,960

gentleman you interviewed

1445

00:52:51,510 --> 00:52:49,760

was the one who drove this guy crazy for

1446

00:52:52,309 --> 00:52:51,520

the yes you have to talk to him about it

1447

00:52:54,870 --> 00:52:52,319

though

1448

00:52:55,430 --> 00:52:54,880

crazy very interesting he has no side of

1449

00:52:58,549 --> 00:52:55,440

the story

1450

00:52:59,270 --> 00:52:58,559

right well it's interesting when you

1451
00:53:02,390 --> 00:52:59,280
talk about

1452
00:53:03,750 --> 00:53:02,400
orders from the army yeah

1453
00:53:05,109 --> 00:53:03,760
or what i don't actually remember

1454
00:53:06,790 --> 00:53:05,119
exactly what branches i think was army

1455
00:53:07,910 --> 00:53:06,800
right joe

1456
00:53:09,109 --> 00:53:07,920
never touched my head i'm not sure i

1457
00:53:10,150 --> 00:53:09,119
don't i don't know everything about rig

1458
00:53:11,349 --> 00:53:10,160
dodie but

1459
00:53:13,349 --> 00:53:11,359
he explains that when you're under

1460
00:53:14,150 --> 00:53:13,359
orders there's certain things you have

1461
00:53:16,630 --> 00:53:14,160
to do

1462
00:53:17,190 --> 00:53:16,640
and um i found that to be interesting

1463
00:53:19,510 --> 00:53:17,200

because

1464

00:53:20,790 --> 00:53:19,520

if you are how does that work ryan if

1465

00:53:22,950 --> 00:53:20,800

you're like a

1466

00:53:23,829 --> 00:53:22,960

soldier and you're told to do something

1467

00:53:26,390 --> 00:53:23,839

what do you do

1468

00:53:26,870 --> 00:53:26,400

you know you do it and i get that like

1469

00:53:30,549 --> 00:53:26,880

and

1470

00:53:33,190 --> 00:53:30,559

said i was doing my job

1471

00:53:33,750 --> 00:53:33,200

and this is for national security and i

1472

00:53:36,549 --> 00:53:33,760

was

1473

00:53:38,790 --> 00:53:36,559

you know paid to do this and like of

1474

00:53:41,109 --> 00:53:38,800

course i'm gonna do what i'm told to do

1475

00:53:41,990 --> 00:53:41,119

and frankly who's to say he's not still

1476

00:53:45,589 --> 00:53:42,000

doing that job

1477

00:53:47,190 --> 00:53:45,599

either exactly you know which is true

1478

00:53:48,870 --> 00:53:47,200

yeah you know he's just got some

1479

00:53:50,470 --> 00:53:48,880

interesting stories and things to say so

1480

00:53:53,109 --> 00:53:50,480

that would be why we brought him on

1481

00:53:53,750 --> 00:53:53,119

awesome i totally get it you know i

1482

00:53:56,870 --> 00:53:53,760

think

1483

00:53:59,430 --> 00:53:56,880

there's such a a um

1484

00:54:00,069 --> 00:53:59,440

a weird thing nowadays i think in the

1485

00:54:01,589 --> 00:54:00,079

media

1486

00:54:03,910 --> 00:54:01,599

and whether it's like youtube or

1487

00:54:06,710 --> 00:54:03,920

mainstream media or anything in between

1488

00:54:07,270 --> 00:54:06,720

of giving certain people platforms and

1489

00:54:09,750 --> 00:54:07,280

uh

1490

00:54:11,270 --> 00:54:09,760

this sort of cancel culture we live in

1491

00:54:12,630 --> 00:54:11,280

is no

1492

00:54:14,150 --> 00:54:12,640

if you're interviewing them or talking

1493

00:54:14,710 --> 00:54:14,160

about them you're automatically giving

1494

00:54:17,109 --> 00:54:14,720

them

1495

00:54:18,069 --> 00:54:17,119

more exposure and to an extent i

1496

00:54:21,910 --> 00:54:18,079

understand that

1497

00:54:23,910 --> 00:54:21,920

but i also think it's important to

1498

00:54:26,150 --> 00:54:23,920

understand why someone feels the way

1499

00:54:29,270 --> 00:54:26,160

they feel or did the things they did

1500

00:54:32,230 --> 00:54:29,280

and um let the listener inside

1501

00:54:33,829 --> 00:54:32,240

so i understand why you guys did it it

1502

00:54:36,309 --> 00:54:33,839

was very interesting

1503

00:54:37,190 --> 00:54:36,319

and um look his story is still being

1504

00:54:39,270 --> 00:54:37,200

written

1505

00:54:41,190 --> 00:54:39,280

he's still in there i mean he's on

1506

00:54:42,630 --> 00:54:41,200

facebook every two seconds like liking

1507

00:54:46,069 --> 00:54:42,640

my posts and other

1508

00:54:48,549 --> 00:54:46,079

ufo researchers interacting with us

1509

00:54:49,349 --> 00:54:48,559

and it's weird it's weird knowing that

1510

00:54:52,069 --> 00:54:49,359

like

1511

00:54:52,870 --> 00:54:52,079

the poster child of disinformation

1512

00:54:55,030 --> 00:54:52,880

within you

1513

00:54:55,990 --> 00:54:55,040

guy from mirageman on the cover of

1514

00:54:59,510 --> 00:54:56,000

mirageman

1515

00:55:01,349 --> 00:54:59,520

yeah he's clicking like on like my posts

1516

00:55:01,990 --> 00:55:01,359

and whatnot in your guy's pose it's

1517

00:55:05,270 --> 00:55:02,000

weird

1518

00:55:08,230 --> 00:55:05,280

um right

1519

00:55:10,230 --> 00:55:08,240

i know i don't know where yeah where

1520

00:55:12,789 --> 00:55:10,240

should we go from here guys

1521

00:55:13,829 --> 00:55:12,799

well i think is there any questions show

1522

00:55:15,030 --> 00:55:13,839

that you have for ryan

1523

00:55:17,510 --> 00:55:15,040

because you know we got we got our

1524

00:55:18,549 --> 00:55:17,520

jewels show here uh you know two worlds

1525

00:55:21,109 --> 00:55:18,559

colliding

1526

00:55:22,549 --> 00:55:21,119

it's awesome um i think we're i think we

1527

00:55:23,510 --> 00:55:22,559

drive well this is fine we definitely

1528

00:55:25,030 --> 00:55:23,520

got to do this again

1529

00:55:27,109 --> 00:55:25,040

for sure oh my god i just want to know

1530

00:55:29,910 --> 00:55:27,119

what's for one of many yeah

1531

00:55:31,030 --> 00:55:29,920

oh definitely we got to let people know

1532

00:55:33,829 --> 00:55:31,040

about ryan's

1533

00:55:36,150 --> 00:55:33,839

book which is getting i think not just

1534

00:55:39,589 --> 00:55:36,160

national but worldwide attention

1535

00:55:42,630 --> 00:55:39,599

on major news outlets

1536

00:55:43,750 --> 00:55:42,640

and i think were even australia or

1537

00:55:46,069 --> 00:55:43,760

something

1538

00:55:48,069 --> 00:55:46,079

i did uh i did an interview out of

1539

00:55:49,670 --> 00:55:48,079

australia um about a month ago

1540

00:55:52,150 --> 00:55:49,680

well first of all thank you thank you

1541

00:55:54,549 --> 00:55:52,160

for those i know everything

1542

00:55:56,230 --> 00:55:54,559

but uh yeah man i uh i came out with a

1543

00:55:56,870 --> 00:55:56,240

second edition of my book which you can

1544

00:55:59,349 --> 00:55:56,880

see

1545

00:55:59,990 --> 00:55:59,359

right there that's um shameless

1546

00:56:02,230 --> 00:56:00,000

promotion

1547

00:56:03,589 --> 00:56:02,240

if i've ever seen no i would read it but

1548

00:56:05,510 --> 00:56:03,599

i don't read books

1549

00:56:06,950 --> 00:56:05,520

that's that's totally fair well hey i've

1550

00:56:10,950 --> 00:56:06,960

got an exclusive for you

1551

00:56:14,870 --> 00:56:10,960

the audiobook is coming out on my phone

1552

00:56:18,710 --> 00:56:14,880

yeah yeah yeah i have joe show him

1553

00:56:23,430 --> 00:56:18,720

show them the book oh show them the book

1554

00:56:26,470 --> 00:56:25,750

if we have that book oh we have your

1555

00:56:28,309 --> 00:56:26,480

book

1556

00:56:32,870 --> 00:56:28,319

we're we got to talk about that one we

1557

00:56:38,069 --> 00:56:36,230

it's signed by the prick oh

1558

00:56:39,829 --> 00:56:38,079

tell us how you really feel joe we'll

1559

00:56:41,670 --> 00:56:39,839

get into that guy um

1560

00:56:43,349 --> 00:56:41,680

but no thank you for mentioning the book

1561

00:56:46,150 --> 00:56:43,359

it's um it's the second edition

1562

00:56:47,990 --> 00:56:46,160

yeah um i i always said like if i'm

1563

00:56:50,230 --> 00:56:48,000

gonna buy a second edition of a book

1564

00:56:51,910 --> 00:56:50,240

there needs to be a reason you know

1565

00:56:53,030 --> 00:56:51,920

unless it's college and you're buying

1566

00:56:55,589 --> 00:56:53,040

like textbooks

1567

00:56:56,950 --> 00:56:55,599

that you you're forced to buy um why

1568

00:56:57,589 --> 00:56:56,960

would you want to read a second edition

1569

00:57:00,549 --> 00:56:57,599

of a book

1570

00:57:01,109 --> 00:57:00,559

so i went in dude and i wrote 80 000 new

1571

00:57:04,230 --> 00:57:01,119

words

1572

00:57:07,349 --> 00:57:04,240

it's a whole new book exhausting

1573

00:57:09,589 --> 00:57:07,359

it really was and uh it's amazing it was

1574

00:57:11,190 --> 00:57:09,599

really rewarding like i the book is all

1575

00:57:12,950 --> 00:57:11,200

about people who've seen ufos

1576

00:57:14,950 --> 00:57:12,960

experienced abductions

1577

00:57:16,390 --> 00:57:14,960

their thoughts and theories on them and

1578

00:57:17,990 --> 00:57:16,400

it's more about the people having the

1579

00:57:20,309 --> 00:57:18,000

experiences than like

1580

00:57:22,870 --> 00:57:20,319

how big was the craft when did it happen

1581

00:57:24,870 --> 00:57:22,880

um i wanted to get this which is great

1582

00:57:26,789 --> 00:57:24,880

yeah we're missing that yeah we need

1583

00:57:29,030 --> 00:57:26,799

both we need both because

1584

00:57:30,549 --> 00:57:29,040

we're definitely all very focused on

1585

00:57:32,390 --> 00:57:30,559

like what's going on and

1586

00:57:34,309 --> 00:57:32,400

you know and you know the evidence and

1587

00:57:35,109 --> 00:57:34,319

you know we want us vindication and

1588

00:57:37,510 --> 00:57:35,119

that's what

1589

00:57:38,789 --> 00:57:37,520

but there are people that are still

1590

00:57:40,150 --> 00:57:38,799

dealing with this or have dealt with it

1591

00:57:42,470 --> 00:57:40,160

they haven't even said anything

1592

00:57:44,309 --> 00:57:42,480

or they haven't had the chance to get it

1593

00:57:46,230 --> 00:57:44,319

out and now is a good time because now

1594

00:57:48,309 --> 00:57:46,240

you know you you don't have to

1595

00:57:50,789 --> 00:57:48,319

necessarily be a crazy person

1596

00:57:52,309 --> 00:57:50,799

quote unquote you know to have a ufo

1597

00:57:53,750 --> 00:57:52,319

experience it's different

1598

00:57:55,829 --> 00:57:53,760

different time that's what's great about

1599

00:57:57,670 --> 00:57:55,839

the book yeah thank you i appreciate

1600

00:58:00,230 --> 00:57:57,680

that and i think you're right man like

1601
00:58:01,750 --> 00:58:00,240
i think now is the time where the world

1602
00:58:04,309 --> 00:58:01,760
is embracing ufos

1603
00:58:05,750 --> 00:58:04,319
unlike ever before and that has a lot to

1604
00:58:07,030 --> 00:58:05,760
do with these articles that came out in

1605
00:58:10,309 --> 00:58:07,040
the new york times

1606
00:58:11,510 --> 00:58:10,319
and cnn fox whatever covering the topic

1607
00:58:14,789 --> 00:58:11,520
in a serious manner

1608
00:58:17,030 --> 00:58:14,799
when they didn't before and um

1609
00:58:18,549 --> 00:58:17,040
it's empowered people so i thought what

1610
00:58:21,430 --> 00:58:18,559
better time to come out with a new

1611
00:58:23,190 --> 00:58:21,440
version of the book with new ufo cases

1612
00:58:25,190 --> 00:58:23,200
um following up with everyone in the

1613
00:58:27,510 --> 00:58:25,200

2016 edition of the book

1614

00:58:29,270 --> 00:58:27,520

to see if their events have continued

1615

00:58:30,150 --> 00:58:29,280

that's another thing we hear about ufo

1616

00:58:32,390 --> 00:58:30,160

sightings

1617

00:58:33,349 --> 00:58:32,400

um whether on the news or in person and

1618

00:58:35,349 --> 00:58:33,359

then that's kind of it

1619

00:58:36,470 --> 00:58:35,359

we never hear about it again but look

1620

00:58:38,549 --> 00:58:36,480

did it continue

1621

00:58:40,150 --> 00:58:38,559

did these people see other things has

1622

00:58:41,910 --> 00:58:40,160

the story changed at all

1623

00:58:44,150 --> 00:58:41,920

like i wanted to know so i followed up

1624

00:58:45,670 --> 00:58:44,160

with everyone and then brought new cases

1625

00:58:47,829 --> 00:58:45,680

forward and um

1626
00:58:50,230 --> 00:58:47,839
including uh one of the dudes who was

1627
00:58:52,630 --> 00:58:50,240
part of the navy tic tac ufo event

1628
00:58:53,990 --> 00:58:52,640
um he was the first person to track the

1629
00:58:56,309 --> 00:58:54,000
things on radar

1630
00:58:58,230 --> 00:58:56,319
send out the intercept to the pilots and

1631
00:58:59,030 --> 00:58:58,240
ushered in this whole new era of ufo

1632
00:59:02,150 --> 00:58:59,040
disclosure

1633
00:59:03,990 --> 00:59:02,160
when it comes to the military so um and

1634
00:59:06,309 --> 00:59:04,000
look that affected his life in many ways

1635
00:59:07,349 --> 00:59:06,319
so i wrote a whole new chapter on that

1636
00:59:09,349 --> 00:59:07,359
and it's

1637
00:59:10,710 --> 00:59:09,359
awesome like i i can't tell you guys how

1638
00:59:12,150 --> 00:59:10,720

rewarding it is to

1639

00:59:14,549 --> 00:59:12,160

like you man i want to write a book

1640

00:59:17,030 --> 00:59:14,559

someday but i don't have the focus

1641

00:59:18,230 --> 00:59:17,040

i get it i totally get it man i'm like

1642

00:59:21,829 --> 00:59:18,240

i'm gonna write a book

1643

00:59:25,430 --> 00:59:21,839

i'll read it we'll go chapter by chapter

1644

00:59:27,750 --> 00:59:25,440

when is it i'll read it to you

1645

00:59:29,510 --> 00:59:27,760

at uh bedtime how's that sound man

1646

00:59:31,270 --> 00:59:29,520

remember popcorn will be like you read a

1647

00:59:34,150 --> 00:59:31,280

paragraph popcorn joe

1648

00:59:34,789 --> 00:59:34,160

do you remember popcorn no remember that

1649

00:59:36,789 --> 00:59:34,799

that was when

1650

00:59:38,710 --> 00:59:36,799

the class oh yeah remember you had to go

1651
00:59:40,710 --> 00:59:38,720
through the class and

1652
00:59:41,829 --> 00:59:40,720
and then you would say popcorn and then

1653
00:59:44,069 --> 00:59:41,839
you would call on your friend in the

1654
00:59:47,349 --> 00:59:44,079
class and then it was their turn to read

1655
00:59:47,670 --> 00:59:47,359
oh oh that sounds cool nice so i'll be

1656
00:59:51,349 --> 00:59:47,680
like

1657
00:59:53,430 --> 00:59:51,359
and ryan went down the slide head first

1658
00:59:55,589 --> 00:59:53,440
popcorn joe and then he can you know

1659
00:59:58,150 --> 00:59:55,599
what i mean yeah and it's a [h__h] face

1660
01:00:01,990 --> 00:59:58,160
and a [h__h] face of the [h__h] face emmett

1661
01:00:06,069 --> 01:00:04,069
no we are no stranger to that on

1662
01:00:10,950 --> 01:00:06,079
summaries i hope you don't mind

1663
01:00:14,069 --> 01:00:13,430

i know i just got um one of my videos on

1664

01:00:16,870 --> 01:00:14,079

youtube

1665

01:00:18,390 --> 01:00:16,880

um restricted age restricted and i'm

1666

01:00:20,150 --> 01:00:18,400

still trying to figure out why

1667

01:00:21,750 --> 01:00:20,160

i don't know if it was like a fluke or

1668

01:00:25,430 --> 01:00:21,760

what but i'm like going through i'm like

1669

01:00:27,589 --> 01:00:25,440

what the hell is so profane or

1670

01:00:29,589 --> 01:00:27,599

he needed to be censored in this but

1671

01:00:31,829 --> 01:00:29,599

we're seeing they're like cracking down

1672

01:00:33,190 --> 01:00:31,839

i know i know they really are i'm afraid

1673

01:00:35,030 --> 01:00:33,200

that the ufo

1674

01:00:36,390 --> 01:00:35,040

crack or sorry the conspiracy crackdown

1675

01:00:37,670 --> 01:00:36,400

i don't want that to reach into our

1676

01:00:42,309 --> 01:00:37,680

community where we're really trying to

1677

01:00:46,230 --> 01:00:43,829

you never know they could be like any

1678

01:00:47,750 --> 01:00:46,240

conspiracy at all who knows

1679

01:00:49,990 --> 01:00:47,760

where is this going to lead to you know

1680

01:00:50,470 --> 01:00:50,000

yeah it's hard it's hard i know like the

1681

01:00:52,549 --> 01:00:50,480

whole q

1682

01:00:54,470 --> 01:00:52,559

anon thing is being censored on all

1683

01:00:56,390 --> 01:00:54,480

social media platforms right now

1684

01:00:58,150 --> 01:00:56,400

which you know i struggle with

1685

01:01:00,950 --> 01:00:58,160

copyright for sure

1686

01:01:02,789 --> 01:01:00,960

but if it's dangerous and it's affecting

1687

01:01:04,789 --> 01:01:02,799

the real world in bad ways like

1688

01:01:06,710 --> 01:01:04,799

something like shooting up a pizza shop

1689

01:01:09,510 --> 01:01:06,720

doing pizzagate or like

1690

01:01:09,990 --> 01:01:09,520

drinking bleach or the coronavirus those

1691

01:01:11,750 --> 01:01:10,000

are real

1692

01:01:13,190 --> 01:01:11,760

that's a great one it's a tremendous one

1693

01:01:14,950 --> 01:01:13,200

i just want to let you know

1694

01:01:17,589 --> 01:01:14,960

that i was all part of that drink the

1695

01:01:20,390 --> 01:01:17,599

bleach you'll be wonderful

1696

01:01:21,270 --> 01:01:20,400

holy [h__\h] that is spot odd i can't

1697

01:01:22,870 --> 01:01:21,280

believe that but

1698

01:01:25,109 --> 01:01:22,880

you're right tell me about it right like

1699

01:01:27,990 --> 01:01:25,119

when is it gonna bleed over into ufology

1700

01:01:29,030 --> 01:01:28,000

and um the conspiracies that we cover i

1701

01:01:31,670 --> 01:01:29,040

i i

1702

01:01:32,390 --> 01:01:31,680

fear that maybe we won't see as much ufo

1703

01:01:34,069 --> 01:01:32,400

content

1704

01:01:36,829 --> 01:01:34,079

on these platforms any longer you have

1705

01:01:39,109 --> 01:01:36,839

to be cautious i guess of keywords and

1706

01:01:40,549 --> 01:01:39,119

descriptions you know yeah that's

1707

01:01:43,589 --> 01:01:40,559

slippery

1708

01:01:47,670 --> 01:01:43,599

it is i do know though um like

1709

01:01:49,510 --> 01:01:47,680

we've had a blast with you in this

1710

01:01:50,870 --> 01:01:49,520

interview it's not even an interview

1711

01:01:53,510 --> 01:01:50,880

it's like a chat

1712

01:01:53,990 --> 01:01:53,520

yeah i was chatting yeah this is so

1713

01:01:55,589 --> 01:01:54,000

great

1714

01:01:57,029 --> 01:01:55,599

i think this is how most people just

1715

01:01:59,910 --> 01:01:57,039

talk about ufos

1716

01:02:00,870 --> 01:01:59,920

yeah so tell me about your phd and you

1717

01:02:02,789 --> 01:02:00,880

know

1718

01:02:04,710 --> 01:02:02,799

we don't have any phds in portugal [h__h]

1719

01:02:07,109 --> 01:02:04,720

that [h__h] but

1720

01:02:08,230 --> 01:02:07,119

i think we are gonna have to wrap up for

1721

01:02:11,109 --> 01:02:08,240

ari because um

1722

01:02:12,069 --> 01:02:11,119

my airpods are dying oh my god that's

1723

01:02:13,430 --> 01:02:12,079

totally fine

1724

01:02:16,150 --> 01:02:13,440

we are gonna have plenty more

1725

01:02:18,069 --> 01:02:16,160

opportunities to do this oh yeah dude

1726

01:02:20,390 --> 01:02:18,079

we only scratched the surface today at

1727

01:02:21,750 --> 01:02:20,400

least on my end and i know we could do

1728

01:02:24,390 --> 01:02:21,760

this for hours but no

1729

01:02:26,390 --> 01:02:24,400

this has been awesome um so i guess for

1730

01:02:28,789 --> 01:02:26,400

my audience before you guys go

1731

01:02:30,549 --> 01:02:28,799

um where can we find you and everything

1732

01:02:32,870 --> 01:02:30,559

you're up to and what comes next for the

1733

01:02:35,910 --> 01:02:32,880

ufo bros

1734

01:02:38,309 --> 01:02:35,920

well our website real ufobros.com

1735

01:02:39,430 --> 01:02:38,319

uh we're on all things social media at

1736

01:02:42,549 --> 01:02:39,440

real ufo bros

1737

01:02:45,829 --> 01:02:42,559

so it's just the same handle um and

1738

01:02:48,710 --> 01:02:45,839

on uh our our podcast is called

1739

01:02:50,549 --> 01:02:48,720

probecast so you just got to search in

1740

01:02:53,190 --> 01:02:50,559

ufo bros probecast

1741

01:02:53,910 --> 01:02:53,200

and um you know it's slightly you know a

1742

01:02:56,870 --> 01:02:53,920

different

1743

01:02:57,829 --> 01:02:56,880

approach as ryan said earlier um but

1744

01:02:59,990 --> 01:02:57,839

most people enjoy

1745

01:03:03,349 --> 01:03:00,000

i think our show you download so check

1746

01:03:05,029 --> 01:03:03,359

it out and for people that are listening

1747

01:03:07,029 --> 01:03:05,039

because we've got this dual this awesome

1748

01:03:08,870 --> 01:03:07,039

dual thing going on ryan tell

1749

01:03:10,470 --> 01:03:08,880

our listeners where they can find out

1750

01:03:12,309 --> 01:03:10,480

about you absolutely

1751

01:03:13,910 --> 01:03:12,319

everything i do is that somewhere in the

1752

01:03:16,789 --> 01:03:13,920

skies dot com

1753

01:03:17,430 --> 01:03:16,799

uh the books on amazon paperback ebook

1754

01:03:20,069 --> 01:03:17,440

soon to be

1755

01:03:20,549 --> 01:03:20,079

an audiobook as well and like i said

1756

01:03:22,309 --> 01:03:20,559

yeah

1757

01:03:24,150 --> 01:03:22,319

look for me on mystery dakota look for

1758

01:03:26,470 --> 01:03:24,160

these guys on the travel channel

1759

01:03:27,750 --> 01:03:26,480

and um guys this has been so much fun on

1760

01:03:30,309 --> 01:03:27,760

my end thank you

1761

01:03:31,670 --> 01:03:30,319

i'm so happy we finally made it happen

1762

01:03:33,829 --> 01:03:31,680

and uh

1763

01:03:34,710 --> 01:03:33,839

it's only just begun right it's awesome

1764

01:03:37,670 --> 01:03:34,720

yes

1765

01:03:38,230 --> 01:03:37,680

buddy awesome take care guys keep

1766

01:03:46,450 --> 01:03:38,240

looking up
