

SOMEWHERE
IN THE SPOOKY SKIES

PARANORMAL
PLANET

1
00:00:24,790 --> 00:00:22,630

[Music]

2
00:00:26,470 --> 00:00:24,800

welcome everybody to a very special

3
00:00:29,589 --> 00:00:26,480

episode of somewhere in

4
00:00:31,990 --> 00:00:29,599

the spooky skies and joining me today is

5
00:00:33,270 --> 00:00:32,000

no stranger to the show you know him

6
00:00:36,150 --> 00:00:33,280

from rogue planet

7
00:00:36,870 --> 00:00:36,160

you know him from so many other projects

8
00:00:39,590 --> 00:00:36,880

as well

9
00:00:40,389 --> 00:00:39,600

and while we usually talk about ufos and

10
00:00:43,030 --> 00:00:40,399

aliens

11
00:00:43,430 --> 00:00:43,040

we are taking a departure this week to

12
00:00:46,869 --> 00:00:43,440

talk

13
00:00:49,270 --> 00:00:46,879

about supernatural spooky stuff

14

00:00:50,630 --> 00:00:49,280

um some of our own personal stories and

15

00:00:53,590 --> 00:00:50,640

ones that we find

16

00:00:55,270 --> 00:00:53,600

extremely unsettling weird and creepy

17

00:00:56,150 --> 00:00:55,280

and that person i'm talking about is

18

00:00:59,110 --> 00:00:56,160

none other

19

00:00:59,510 --> 00:00:59,120

than jason mcclellan how you doing buddy

20

00:01:01,670 --> 00:00:59,520

i

21

00:01:02,869 --> 00:01:01,680

am wonderful mr sprague how about

22

00:01:04,789 --> 00:01:02,879

yourself

23

00:01:06,710 --> 00:01:04,799

not bad not bad you know all things

24

00:01:08,710 --> 00:01:06,720

considered with what's going on in the

25

00:01:11,190 --> 00:01:08,720

world this has been a fun time

26
00:01:11,990 --> 00:01:11,200
to kind of you know like i said shed our

27
00:01:14,310 --> 00:01:12,000
ufo

28
00:01:15,749 --> 00:01:14,320
armor and uh get to the heart of all

29
00:01:16,870 --> 00:01:15,759
these other things you and i

30
00:01:19,030 --> 00:01:16,880
are interested in whether it's

31
00:01:20,630 --> 00:01:19,040
paranormal supernatural cryptids

32
00:01:22,870 --> 00:01:20,640
and i don't know about you but it's

33
00:01:24,310 --> 00:01:22,880
refreshing to really kind of stretch

34
00:01:25,109 --> 00:01:24,320
your mind every now and again and

35
00:01:26,789 --> 00:01:25,119
realize

36
00:01:29,350 --> 00:01:26,799
there's a whole world out there of other

37
00:01:31,590 --> 00:01:29,360
weird stuff going on

38
00:01:32,469 --> 00:01:31,600

definitely man i mean you said it and

39

00:01:35,270 --> 00:01:32,479

you know that's

40

00:01:37,350 --> 00:01:35,280

why you and i do rogue planet i mean

41

00:01:39,749 --> 00:01:37,360

that's the whole point of rogue planet

42

00:01:40,789 --> 00:01:39,759

you know we are fans of all the strange

43

00:01:43,030 --> 00:01:40,799

and we are

44

00:01:43,830 --> 00:01:43,040

curious individuals and that curiosity

45

00:01:47,350 --> 00:01:43,840

doesn't stop

46

00:01:49,749 --> 00:01:47,360

at ufos there's lots of mysterious

47

00:01:51,510 --> 00:01:49,759

unknowns in the in the world in on our

48

00:01:54,550 --> 00:01:51,520

planet and in the universe

49

00:01:56,630 --> 00:01:54,560

as a whole so i mean we love it we eat

50

00:02:00,389 --> 00:01:56,640

it up and that's why we do what we do

51
00:02:02,789 --> 00:02:00,399
exactly exactly and you mentioned uh um

52
00:02:03,510 --> 00:02:02,799
you know all the strange for those who

53
00:02:05,749 --> 00:02:03,520

virtual conference of all the strange

57
00:02:13,990 --> 00:02:11,599
whether it's paranormal cryptids

58
00:02:14,710 --> 00:02:14,000
ufos cults everything you could think of

59
00:02:17,350 --> 00:02:14,720
we had

60
00:02:18,869 --> 00:02:17,360

63
00:02:23,589 --> 00:02:23,040

entire virtual conference for free right

64

00:02:26,470 --> 00:02:23,599

now

65

00:02:28,550 --> 00:02:26,480

at the rogue planet tv youtube channel

66

00:02:30,309 --> 00:02:28,560

subscribe click notifications

67

00:02:32,390 --> 00:02:30,319

but um yeah then we're gonna we're gonna

68

00:02:33,750 --> 00:02:32,400

talk spooky stuff today i'm excited i

69

00:02:36,470 --> 00:02:33,760

asked you to come on here

70

00:02:38,309 --> 00:02:36,480

for a little bit and um share with us

71

00:02:40,150 --> 00:02:38,319

some stories that have happened to you

72

00:02:42,470 --> 00:02:40,160

personally or ones you find

73

00:02:43,670 --> 00:02:42,480

of great interest so i guess we'll start

74

00:02:45,830 --> 00:02:43,680

with um

75

00:02:46,949 --> 00:02:45,840

uh we'll go to our personal story second

76

00:02:49,750 --> 00:02:46,959

i think that'll be the

77

00:02:50,630 --> 00:02:49,760

good way to uh wrap things up but other

78

00:02:53,030 --> 00:02:50,640

than that

79

00:02:55,589 --> 00:02:53,040

you know i have one that i'm gonna bring

80

00:02:58,869 --> 00:02:55,599

up that's really always unsettled me

81

00:03:01,430 --> 00:02:58,879

and um dives into the more spiritual

82

00:03:02,309 --> 00:03:01,440

um aspects of my life personally but i

83

00:03:04,229 --> 00:03:02,319

wanna hear from you

84

00:03:05,750 --> 00:03:04,239

what is the weirdest creepiest story

85

00:03:07,830 --> 00:03:05,760

you've come across jason that you'd like

86

00:03:09,910 --> 00:03:07,840

to share today

87

00:03:12,390 --> 00:03:09,920

when it comes to ghosts or you know

88

00:03:15,750 --> 00:03:12,400

supernatural things

89

00:03:18,390 --> 00:03:15,760

there's no end to just absolute

90

00:03:20,149 --> 00:03:18,400

spooky or or disturbing or unsettling

91

00:03:23,190 --> 00:03:20,159

things i mean they're things that are

92

00:03:25,670 --> 00:03:23,200

paranormal they're outside of our normal

93

00:03:26,229 --> 00:03:25,680

and you know a lot of these things they

94

00:03:29,430 --> 00:03:26,239

just

95

00:03:33,190 --> 00:03:29,440

baffle your mind and you know they defy

96

00:03:34,550 --> 00:03:33,200

explanation and leave you unsettled so

97

00:03:36,550 --> 00:03:34,560

you know thinking about this when you

98

00:03:38,710 --> 00:03:36,560

asked me to to do this

99

00:03:40,309 --> 00:03:38,720

um i was thinking of unsettling and

100

00:03:42,869 --> 00:03:40,319

something with with ghosts that

101
00:03:44,309 --> 00:03:42,879
you know it it's always fascinated me it

102
00:03:47,110 --> 00:03:44,319
makes me laugh a little

103
00:03:48,070 --> 00:03:47,120
but at the same time it is unsettling

104
00:03:51,350 --> 00:03:48,080
and that

105
00:03:54,630 --> 00:03:51,360
is the seemingly large number

106
00:03:55,910 --> 00:03:54,640
of paranormal cases involving ghosts and

107
00:03:59,830 --> 00:03:55,920
restrooms

108
00:04:01,830 --> 00:03:59,840
as this safe space you know that's our

109
00:04:02,789 --> 00:04:01,840
personal time we go into the restroom

110
00:04:05,270 --> 00:04:02,799
alone

111
00:04:06,630 --> 00:04:05,280
that's that's our time we don't expect

112
00:04:09,830 --> 00:04:06,640
to to be

113
00:04:11,910 --> 00:04:09,840

disturbed by anyone especially a ghost

114

00:04:13,270 --> 00:04:11,920

so there are so many cases involving

115

00:04:15,190 --> 00:04:13,280

ghosts and restrooms and

116

00:04:17,030 --> 00:04:15,200

those cases you know always always pique

117

00:04:17,749 --> 00:04:17,040

my interest you know they they catch my

118

00:04:20,789 --> 00:04:17,759

eye

119

00:04:23,830 --> 00:04:20,799

and um i guess um

120

00:04:24,310 --> 00:04:23,840

for today's purpose there are two that

121

00:04:27,189 --> 00:04:24,320

were

122

00:04:27,990 --> 00:04:27,199

you know just years apart and they in

123

00:04:29,110 --> 00:04:28,000

bangladesh

124

00:04:31,110 --> 00:04:29,120

and i don't know if this is a normal

125

00:04:33,030 --> 00:04:31,120

thing in bangladesh but you know it

126

00:04:34,310 --> 00:04:33,040

seems to it seems to be several stories

127

00:04:35,749 --> 00:04:34,320

involving ghosts and bathrooms in

128

00:04:39,430 --> 00:04:35,759

bangladesh but

129

00:04:42,310 --> 00:04:39,440

one was in 2015 and it involved

130

00:04:44,310 --> 00:04:42,320

a school with with children and so in

131

00:04:47,110 --> 00:04:44,320

2015 there was an 11 year old

132

00:04:49,189 --> 00:04:47,120

student who after using the toilet at a

133

00:04:52,710 --> 00:04:49,199

government primary school

134

00:04:54,870 --> 00:04:52,720

um in the town of pavna pavna bangladesh

135

00:04:56,070 --> 00:04:54,880

um she got sick after after using the

136

00:05:00,150 --> 00:04:56,080

toilet

137

00:05:01,670 --> 00:05:00,160

she died the next day that's pretty bad

138

00:05:03,830 --> 00:05:01,680

and then according to the school

139

00:05:06,310 --> 00:05:03,840

headmaster other students

140

00:05:07,990 --> 00:05:06,320

started getting sick after using that

141

00:05:09,029 --> 00:05:08,000

toilet approximately eight to ten

142

00:05:11,749 --> 00:05:09,039

students

143

00:05:13,029 --> 00:05:11,759

who either used that toilet or had been

144

00:05:13,830 --> 00:05:13,039

in the bathroom had been near that

145

00:05:17,189 --> 00:05:13,840

toilet

146

00:05:18,550 --> 00:05:17,199

they got really sick so okay

147

00:05:20,310 --> 00:05:18,560

getting sick from using a toilet what

148

00:05:21,830 --> 00:05:20,320

does that have to do with the ghost well

149

00:05:23,830 --> 00:05:21,840

there was a supposedly a legend at the

150

00:05:26,790 --> 00:05:23,840

school where

151
00:05:28,070 --> 00:05:26,800
are a legend about a ghost who lived in

152
00:05:29,590 --> 00:05:28,080
a palm tree outside

153
00:05:31,110 --> 00:05:29,600
and i don't know how they established

154
00:05:32,870 --> 00:05:31,120
that this ghost lived

155
00:05:34,230 --> 00:05:32,880
in the palm tree you know maybe somebody

156
00:05:35,830 --> 00:05:34,240
was communicating with this ghost and

157
00:05:36,469 --> 00:05:35,840
the ghost said you know this is my house

158
00:05:39,670 --> 00:05:36,479
i

159
00:05:43,270 --> 00:05:39,680
anyway

160
00:05:44,790 --> 00:05:43,280
the the the rumor or the the the legend

161
00:05:46,310 --> 00:05:44,800
at the school was that a ghost lived in

162
00:05:49,590 --> 00:05:46,320
this palm tree

163
00:05:51,110 --> 00:05:49,600

and so that was already going around

164

00:05:52,950 --> 00:05:51,120

then the students started getting sick

165

00:05:55,029 --> 00:05:52,960

from using the restroom

166

00:05:57,270 --> 00:05:55,039

and people started freaking out because

167

00:05:59,670 --> 00:05:57,280

they believed that this palm tree ghost

168

00:06:01,830 --> 00:05:59,680

had moved into the bathroom and nobody

169

00:06:04,950 --> 00:06:01,840

wants a ghost living in the bathroom

170

00:06:06,469 --> 00:06:04,960

so the ghost panic spread and students

171

00:06:08,550 --> 00:06:06,479

just stop coming to school

172

00:06:10,070 --> 00:06:08,560

because who wants to go to school where

173

00:06:14,390 --> 00:06:10,080

there's ghosts in the bathroom

174

00:06:16,230 --> 00:06:14,400

so officials shut the school down and

175

00:06:17,990 --> 00:06:16,240

just like they would do in in the united

176
00:06:19,510 --> 00:06:18,000
states

177
00:06:21,110 --> 00:06:19,520
i'm being sarcastic here they held

178
00:06:23,110 --> 00:06:21,120
religious ceremony

179
00:06:24,870 --> 00:06:23,120
to remove the ghosts from the restroom

180
00:06:26,950 --> 00:06:24,880
and apparently it worked because

181
00:06:27,909 --> 00:06:26,960
there were reportedly no more reports of

182
00:06:29,350 --> 00:06:27,919
people getting sick

183
00:06:31,830 --> 00:06:29,360
or encounters with the ghost in the

184
00:06:35,270 --> 00:06:31,840
bathroom so that's fascinating

185
00:06:36,710 --> 00:06:35,280
but then two years before that in 2013

186
00:06:41,110 --> 00:06:36,720
100 miles away

187
00:06:42,710 --> 00:06:41,120
in gazapur bangladesh a worker got sick

188
00:06:45,029 --> 00:06:42,720

after using the restroom in a garment

189

00:06:47,270 --> 00:06:45,039

factory and

190

00:06:48,469 --> 00:06:47,280

she didn't actually see a ghost at least

191

00:06:50,710 --> 00:06:48,479

that she didn't report

192

00:06:52,629 --> 00:06:50,720

actually seeing a ghost when she was

193

00:06:54,790 --> 00:06:52,639

doing her business in the bathroom

194

00:06:55,749 --> 00:06:54,800

but she still accused the ghost of

195

00:06:59,110 --> 00:06:55,759

attacking her

196

00:06:59,909 --> 00:06:59,120

and making her sick so reports from

197

00:07:02,070 --> 00:06:59,919

other workers

198

00:07:04,150 --> 00:07:02,080

started pouring in about infections

199

00:07:05,749 --> 00:07:04,160

caused by this ghost in the bathroom

200

00:07:07,589 --> 00:07:05,759

i don't know if that's an excuse for

201
00:07:10,309 --> 00:07:07,599
like i don't know

202
00:07:10,790 --> 00:07:10,319
doing other things in the bathroom dirty

203
00:07:13,430 --> 00:07:10,800
you know

204
00:07:15,029 --> 00:07:13,440
dirty toilet seat yeah yeah exactly i

205
00:07:16,230 --> 00:07:15,039
mean maybe a dirty toilet seat is a

206
00:07:18,550 --> 00:07:16,240
ghost like yeah

207
00:07:19,430 --> 00:07:18,560
something's magical there could be other

208
00:07:21,029 --> 00:07:19,440
things there but

209
00:07:22,550 --> 00:07:21,039
for whatever reason whatever half these

210
00:07:24,550 --> 00:07:22,560
people they were they were

211
00:07:26,309 --> 00:07:24,560
complaining that ghosts in the bathrooms

212
00:07:28,550 --> 00:07:26,319
were making them sick

213
00:07:30,309 --> 00:07:28,560

and these reports weren't isolated to

214

00:07:32,390 --> 00:07:30,319

just a single factory

215

00:07:34,870 --> 00:07:32,400

there were hundreds of reports coming in

216

00:07:36,230 --> 00:07:34,880

from other garment factories in the area

217

00:07:38,070 --> 00:07:36,240

where people were reporting these

218

00:07:42,070 --> 00:07:38,080

haunted toilets um

219

00:07:43,670 --> 00:07:42,080

and people got so frustrated that uh

220

00:07:46,070 --> 00:07:43,680

you know for the at the management for

221

00:07:48,309 --> 00:07:46,080

not taking action so they literally

222

00:07:49,510 --> 00:07:48,319

lost their [h__\h] and they started

223

00:07:51,909 --> 00:07:49,520

demolishing

224

00:07:53,510 --> 00:07:51,919

the restrooms at these factories because

225

00:07:54,629 --> 00:07:53,520

management wasn't going to do anything

226

00:07:56,629 --> 00:07:54,639

they didn't want anything to do with

227

00:07:58,550 --> 00:07:56,639

these these restrooms so they demolished

228

00:08:01,670 --> 00:07:58,560

the restrooms that's a

229

00:08:03,270 --> 00:08:01,680

pretty intense there but so just like

230

00:08:05,510 --> 00:08:03,280

the school

231

00:08:07,350 --> 00:08:05,520

in padna the the factory managers got

232

00:08:09,749 --> 00:08:07,360

together and decided they needed to

233

00:08:10,950 --> 00:08:09,759

address the situation so they held

234

00:08:12,230 --> 00:08:10,960

religious ceremonies

235

00:08:14,550 --> 00:08:12,240

to remove the ghosts from these

236

00:08:17,749 --> 00:08:14,560

bathrooms so

237

00:08:21,110 --> 00:08:17,759

wow i mean talk about kind of uh

238

00:08:22,629 --> 00:08:21,120

an interesting exorcism of sorts i guess

239

00:08:29,830 --> 00:08:22,639

right i mean talk about a shitty

240

00:08:32,870 --> 00:08:31,589

i need to do some ghost hunting in

241

00:08:35,670 --> 00:08:32,880

bathrooms

242

00:08:36,469 --> 00:08:35,680

yeah exactly man that's that's so

243

00:08:40,149 --> 00:08:36,479

interesting i

244

00:08:42,389 --> 00:08:40,159

um i just interviewed uh lopaka kapanui

245

00:08:45,829 --> 00:08:42,399

he's a master ghost storyteller here

246

00:08:47,750 --> 00:08:45,839

on oahu and as he's telling me these

247

00:08:49,509 --> 00:08:47,760

stories i couldn't help but notice a

248

00:08:50,630 --> 00:08:49,519

pattern that a lot of them take place in

249

00:08:52,310 --> 00:08:50,640

bathrooms

250

00:08:54,710 --> 00:08:52,320

and he was telling me stories about you

251
00:08:55,910 --> 00:08:54,720
know the faceless woman this japanese

252
00:08:58,949 --> 00:08:55,920
kind of myth

253
00:08:59,269 --> 00:08:58,959
and ghost story that was kind of you

254
00:09:01,110 --> 00:08:59,279
know

255
00:09:02,790 --> 00:09:01,120
immigrated over to hawaii with all the

256
00:09:05,190 --> 00:09:02,800
japanese culture

257
00:09:05,990 --> 00:09:05,200
and everything here uh filipino culture

258
00:09:07,750 --> 00:09:06,000
as well but

259
00:09:10,389 --> 00:09:07,760
yeah it always seems to be bathrooms

260
00:09:13,430 --> 00:09:10,399
where this faceless woman is seen or um

261
00:09:16,470 --> 00:09:13,440
i remember just this morning i i heard

262
00:09:18,870 --> 00:09:16,480
cases out of japan again where like

263
00:09:19,829 --> 00:09:18,880

a little girl ghost would be in a

264

00:09:21,910 --> 00:09:19,839

bathroom

265

00:09:23,190 --> 00:09:21,920

and she'd be sitting on a stall when you

266

00:09:26,790 --> 00:09:23,200

open the door

267

00:09:29,190 --> 00:09:26,800

and she had no legs um so supposedly

268

00:09:31,670 --> 00:09:29,200

you know back in the day uh um during

269

00:09:34,550 --> 00:09:31,680

world war ii a bomb exploded near this

270

00:09:36,470 --> 00:09:34,560

school and um it actually she was in the

271

00:09:38,870 --> 00:09:36,480

restroom at the time and it

272

00:09:39,910 --> 00:09:38,880

the building became demolished from the

273

00:09:42,710 --> 00:09:39,920

bomb and it

274

00:09:44,470 --> 00:09:42,720

severed her legs off and very sad so

275

00:09:46,310 --> 00:09:44,480

apparently the tale is that

276

00:09:48,150 --> 00:09:46,320

um when you go in a bathroom in japan

277

00:09:50,230 --> 00:09:48,160

and go into a ladies restroom

278

00:09:51,990 --> 00:09:50,240

if you open that door and there's a

279

00:09:53,829 --> 00:09:52,000

ghost with no legs get out of there

280

00:09:56,949 --> 00:09:53,839

because she wants your legs

281

00:09:58,550 --> 00:09:56,959

and that's just yeah

282

00:10:00,630 --> 00:09:58,560

yeah that one really stuck with me so

283

00:10:02,389 --> 00:10:00,640

i'm that's so interesting i'm glad you

284

00:10:02,790 --> 00:10:02,399

brought those to us we'll have to do a

285

00:10:05,269 --> 00:10:02,800

uh

286

00:10:06,790 --> 00:10:05,279

rogue planet ghost town in bangladesh

287

00:10:07,430 --> 00:10:06,800

yeah i think that sounds like a good

288

00:10:10,790 --> 00:10:07,440

plan

289

00:10:14,310 --> 00:10:10,800

and you know i i mean i don't know

290

00:10:17,750 --> 00:10:14,320

how things work in the ghost world

291

00:10:18,069 --> 00:10:17,760

and what makes the rules as to where you

292

00:10:21,430 --> 00:10:18,079

get

293

00:10:23,670 --> 00:10:21,440

stuck right right

294

00:10:24,550 --> 00:10:23,680

i would like to think that if you're a

295

00:10:28,870 --> 00:10:24,560

ghost

296

00:10:31,030 --> 00:10:28,880

who winds up being stuck in a bathroom

297

00:10:32,230 --> 00:10:31,040

that you were a really terrible person

298

00:10:33,910 --> 00:10:32,240

right i mean you

299

00:10:36,150 --> 00:10:33,920

like to think that the the most terrible

300

00:10:37,829 --> 00:10:36,160

people are the ones who get assigned to

301
00:10:40,310 --> 00:10:37,839
be trapped in a bathroom

302
00:10:42,470 --> 00:10:40,320
yeah that would be an awful way to live

303
00:10:44,949 --> 00:10:42,480
out your existence as a ghost

304
00:10:45,990 --> 00:10:44,959
i would have to agree that in the dmv

305
00:10:48,630 --> 00:10:46,000
those are the two places

306
00:10:49,190 --> 00:10:48,640
you do not want to haunt for sure oh man

307
00:10:51,990 --> 00:10:49,200
um

308
00:10:52,550 --> 00:10:52,000
well okay so dmv would be okay as long

309
00:10:55,350 --> 00:10:52,560
as you're not

310
00:10:57,030 --> 00:10:55,360
a customer in line there right right

311
00:10:59,829 --> 00:10:57,040
great people watching

312
00:11:01,829 --> 00:10:59,839
that's true that's true yeah yeah we'll

313
00:11:04,550 --> 00:11:01,839

mark that one off bathrooms it is

314

00:11:05,110 --> 00:11:04,560

definitely the worst um well i did

315

00:11:06,870 --> 00:11:05,120

mention

316

00:11:08,310 --> 00:11:06,880

exorcism and that's kind of where my

317

00:11:10,389 --> 00:11:08,320

story veers into

318

00:11:11,509 --> 00:11:10,399

this is a topic that's always terrified

319

00:11:12,870 --> 00:11:11,519

me ever since

320

00:11:14,790 --> 00:11:12,880

just like every other person on the

321

00:11:17,829 --> 00:11:14,800

planet i saw the exorcist

322

00:11:19,910 --> 00:11:17,839

for the first time um and

323

00:11:21,269 --> 00:11:19,920

you know growing up roman catholic this

324

00:11:23,990 --> 00:11:21,279

was a big

325

00:11:24,870 --> 00:11:24,000

part of my life religion and you know

326

00:11:26,550 --> 00:11:24,880

good and evil

327

00:11:27,990 --> 00:11:26,560

and and you know i'd always heard

328

00:11:30,310 --> 00:11:28,000

stories in church about

329

00:11:31,509 --> 00:11:30,320

like possessions having occurred at our

330

00:11:34,389 --> 00:11:31,519

church even

331

00:11:35,829 --> 00:11:34,399

or even miracles occurring uh things

332

00:11:37,590 --> 00:11:35,839

like stigmata and

333

00:11:39,269 --> 00:11:37,600

and things of that nature which was just

334

00:11:41,110 --> 00:11:39,279

as terrifying to me like

335

00:11:43,350 --> 00:11:41,120

yeah people consider it miraculous but

336

00:11:45,670 --> 00:11:43,360

like again it's things you don't

337

00:11:47,110 --> 00:11:45,680

you fear it because you don't understand

338

00:11:49,190 --> 00:11:47,120

it um

339

00:11:50,710 --> 00:11:49,200

so the one that really sticks with me

340

00:11:53,430 --> 00:11:50,720

man is um

341

00:11:54,790 --> 00:11:53,440

the case of anneliese mikhail or mikel i

342

00:11:56,150 --> 00:11:54,800

don't know how to pronounce it but this

343

00:11:59,190 --> 00:11:56,160

is what the movie

344

00:12:02,310 --> 00:11:59,200

the exorcism of emily rose was based on

345

00:12:04,550 --> 00:12:02,320

um but the true story was actually

346

00:12:06,790 --> 00:12:04,560

extremely unsettling the movie was

347

00:12:08,389 --> 00:12:06,800

terrifying i love love love the movie

348

00:12:10,629 --> 00:12:08,399

if anyone hasn't seen it go check it out

349

00:12:13,030 --> 00:12:10,639

have you seen it i have

350

00:12:14,870 --> 00:12:13,040

okay okay yeah i love it was kind of

351
00:12:15,750 --> 00:12:14,880
like a courtroom drama and a horror

352
00:12:17,590 --> 00:12:15,760
movie all

353
00:12:19,670 --> 00:12:17,600
put into one which i thought was cool

354
00:12:20,230 --> 00:12:19,680
but yeah i'm kind of just gonna run

355
00:12:22,150 --> 00:12:20,240
through it

356
00:12:23,350 --> 00:12:22,160
the cliff notes version here but um this

357
00:12:25,670 --> 00:12:23,360
happened in germany

358
00:12:26,870 --> 00:12:25,680
back in the early 70s this young girl

359
00:12:29,030 --> 00:12:26,880
named annelise

360
00:12:30,230 --> 00:12:29,040
she uh when she was 16 she started

361
00:12:33,910 --> 00:12:30,240
having really bad

362
00:12:35,590 --> 00:12:33,920
uh epileptic she's seizures and um

363
00:12:37,670 --> 00:12:35,600

you know complaints of being sick all

364

00:12:39,350 --> 00:12:37,680

the time and they brought her to the

365

00:12:40,710 --> 00:12:39,360

doctors and they they like couldn't

366

00:12:42,389 --> 00:12:40,720

figure out what was going on

367

00:12:44,550 --> 00:12:42,399

and what was wrong and they kind of

368

00:12:47,829 --> 00:12:44,560

diagnosed her with these um

369

00:12:49,430 --> 00:12:47,839

the temporal lobe epilepsy and uh

370

00:12:51,509 --> 00:12:49,440

the years went on and they went on and

371

00:12:54,550 --> 00:12:51,519

then when she turned 20

372

00:12:56,310 --> 00:12:54,560

she became severely depressed uh this is

373

00:12:58,710 --> 00:12:56,320

interesting she started

374

00:13:00,629 --> 00:12:58,720

rejecting all of these religious symbols

375

00:13:02,710 --> 00:13:00,639

in their home they were christian

376

00:13:04,550 --> 00:13:02,720

um you know almost like completely

377

00:13:06,790 --> 00:13:04,560

disgusted by them

378

00:13:09,430 --> 00:13:06,800

she started hearing voices in her head

379

00:13:12,069 --> 00:13:09,440

so these are all signs of something bad

380

00:13:13,030 --> 00:13:12,079

you know whether it's exorcism or

381

00:13:14,790 --> 00:13:13,040

schizophrenia

382

00:13:16,710 --> 00:13:14,800

like something was really bad and they

383

00:13:18,790 --> 00:13:16,720

brought her to so many doctors

384

00:13:19,990 --> 00:13:18,800

psychiatrists and they couldn't pin

385

00:13:23,350 --> 00:13:20,000

anything down

386

00:13:25,990 --> 00:13:23,360

and her parents they had no other choice

387

00:13:28,470 --> 00:13:26,000

in their eyes than to request an

388

00:13:31,750 --> 00:13:28,480

exorcism from the catholic church

389

00:13:33,750 --> 00:13:31,760

so it took him years to finally get this

390

00:13:34,790 --> 00:13:33,760

going the vatican was very strict and

391

00:13:36,389 --> 00:13:34,800

said no no no

392

00:13:38,470 --> 00:13:36,399

no so they you know they do an

393

00:13:41,670 --> 00:13:38,480

investigation before they come in to

394

00:13:43,590 --> 00:13:41,680

do an exorcism officially and uh like i

395

00:13:45,990 --> 00:13:43,600

said took them years finally they send

396

00:13:47,269 --> 00:13:46,000

two priests to the home in germany to do

397

00:13:49,990 --> 00:13:47,279

the exorcism

398

00:13:51,069 --> 00:13:50,000

and that's where things just got super

399

00:13:54,710 --> 00:13:51,079

messy

400

00:13:57,910 --> 00:13:54,720

65 exorcism sessions with this girl

401
00:13:59,910 --> 00:13:57,920
over the span of 10 months brutally

402
00:14:01,750 --> 00:13:59,920
trying to exercise whatever demon or

403
00:14:04,550 --> 00:14:01,760
whatever was

404
00:14:05,590 --> 00:14:04,560
inside of her and i mean it's terrifying

405
00:14:09,430 --> 00:14:05,600
man we have

406
00:14:13,430 --> 00:14:09,440
um images and photos of her during the

407
00:14:15,030 --> 00:14:13,440
exorcism um they're just very disturbing

408
00:14:17,110 --> 00:14:15,040
to look at there's audio

409
00:14:18,790 --> 00:14:17,120
of her during the exorcisms being

410
00:14:21,269 --> 00:14:18,800
possessed which is

411
00:14:22,550 --> 00:14:21,279
unbelievably terrifying i'll i'm

412
00:14:30,640 --> 00:14:22,560
actually going to play a little bit of

413
00:14:45,810 --> 00:14:30,650

it here for everyone right now

414

00:14:45,820 --> 00:14:52,650

[Music]

415

00:14:58,530 --> 00:14:56,829

[Applause]

416

00:14:59,940 --> 00:14:58,540

me

417

00:15:17,829 --> 00:14:59,950

[Music]

418

00:15:21,910 --> 00:15:21,110

so yeah that it just gives me severe

419

00:15:25,269 --> 00:15:21,920

chills

420

00:15:27,590 --> 00:15:25,279

um so what ended up happening after

421

00:15:28,550 --> 00:15:27,600

you know about 10 months of this she was

422

00:15:31,670 --> 00:15:28,560

losing weight

423

00:15:32,629 --> 00:15:31,680

she would not eat um it just got worse

424

00:15:35,829 --> 00:15:32,639

and worse

425

00:15:39,430 --> 00:15:35,839

and she died she died

426

00:15:42,389 --> 00:15:39,440

after one of these sessions and

427

00:15:44,710 --> 00:15:42,399

she was malnutrition she was um

428

00:15:46,230 --> 00:15:44,720

dehydrated and that's what they said the

429

00:15:49,670 --> 00:15:46,240

cause of death was

430

00:15:51,829 --> 00:15:49,680

and you know what do you do after that

431

00:15:53,350 --> 00:15:51,839

i mean apparently this is because of the

432

00:15:56,069 --> 00:15:53,360

exorcism but

433

00:15:57,189 --> 00:15:56,079

uh the you know the german police

434

00:15:58,949 --> 00:15:57,199

thought differently

435

00:16:01,189 --> 00:15:58,959

and they actually arrested both the

436

00:16:04,310 --> 00:16:01,199

priests and the parents

437

00:16:05,829 --> 00:16:04,320

for negligent homicide and the priests

438

00:16:07,590 --> 00:16:05,839

had to go to trial

439

00:16:08,949 --> 00:16:07,600

for this thing which is again is a big

440

00:16:12,949 --> 00:16:08,959

part of the movie

441

00:16:14,629 --> 00:16:12,959

um and they were sent to jail

442

00:16:16,629 --> 00:16:14,639

um they only did about six months for

443

00:16:18,949 --> 00:16:16,639

homicide which is pretty damn good

444

00:16:19,829 --> 00:16:18,959

if you ask me um but they are priests

445

00:16:22,310 --> 00:16:19,839

they seem to get

446

00:16:23,110 --> 00:16:22,320

away with a lot uh that's another story

447

00:16:25,509 --> 00:16:23,120

but um

448

00:16:26,629 --> 00:16:25,519

yeah man this one just always always

449

00:16:28,629 --> 00:16:26,639

gets me um and then

450

00:16:29,829 --> 00:16:28,639

this morning when i was looking at this

451
00:16:32,470 --> 00:16:29,839
case there was

452
00:16:34,069 --> 00:16:32,480
actually some updates um during the

453
00:16:35,430 --> 00:16:34,079
investigation a lot of people didn't

454
00:16:38,629 --> 00:16:35,440
know this but they actually

455
00:16:40,550 --> 00:16:38,639
exhumed the body of anneliese and we're

456
00:16:42,389 --> 00:16:40,560
not exactly sure why

457
00:16:44,310 --> 00:16:42,399
the parents said it was because they

458
00:16:46,870 --> 00:16:44,320
buried her in a rush

459
00:16:48,710 --> 00:16:46,880
um in a really cheap coffin so they

460
00:16:49,430 --> 00:16:48,720
wanted to give her a proper coffin so

461
00:16:51,509 --> 00:16:49,440
they

462
00:16:53,350 --> 00:16:51,519
exhumed it put her in a much more

463
00:16:56,550 --> 00:16:53,360

expensive luxury

464

00:16:57,749 --> 00:16:56,560

coffin and buried her um but i

465

00:16:58,949 --> 00:16:57,759

have a feeling it had something to do

466

00:17:00,470 --> 00:16:58,959

with the investigation like they

467

00:17:03,910 --> 00:17:00,480

actually had to go in and

468

00:17:04,949 --> 00:17:03,920

figure stuff out uh but then the most uh

469

00:17:08,710 --> 00:17:04,959

updated thing here

470

00:17:09,590 --> 00:17:08,720

is in 2013 in the home where this all

471

00:17:13,189 --> 00:17:09,600

happened

472

00:17:14,069 --> 00:17:13,199

it burned down and we don't know if this

473

00:17:16,150 --> 00:17:14,079

is arson

474

00:17:18,309 --> 00:17:16,160

but a lot of people believe it was

475

00:17:21,110 --> 00:17:18,319

because of what occurred in the home

476
00:17:22,630 --> 00:17:21,120
and something was left behind to burn

477
00:17:25,510 --> 00:17:22,640
that place to the ground

478
00:17:26,069 --> 00:17:25,520
i i can't tell you what who why but that

479
00:17:28,150 --> 00:17:26,079
happened

480
00:17:30,470 --> 00:17:28,160
so yeah man again the one that really

481
00:17:32,870 --> 00:17:30,480
got to me with this is the movie was my

482
00:17:35,029 --> 00:17:32,880
gateway into this case but now i'm just

483
00:17:36,390 --> 00:17:35,039
fascinated by it and terrified because

484
00:17:39,110 --> 00:17:36,400
of the audio

485
00:17:40,710 --> 00:17:39,120
and the photos and and this poor girl

486
00:17:41,350 --> 00:17:40,720
like no matter what if she was possessed

487
00:17:43,430 --> 00:17:41,360
or not

488
00:17:44,870 --> 00:17:43,440

she suffered greatly because of this and

489

00:17:47,029 --> 00:17:44,880

lost her life so

490

00:17:47,990 --> 00:17:47,039

go it shows how far the church will go

491

00:17:49,510 --> 00:17:48,000

to try to

492

00:17:51,029 --> 00:17:49,520

you know and they did this whole thing

493

00:17:52,150 --> 00:17:51,039

in secret i forgot to mention that the

494

00:17:54,070 --> 00:17:52,160

vatican said yes

495

00:17:55,350 --> 00:17:54,080

you can do it do it in secret but now

496

00:17:57,830 --> 00:17:55,360

it's one of the most

497

00:17:58,549 --> 00:17:57,840

out there cases we know of and um

498

00:18:00,630 --> 00:17:58,559

germany

499

00:18:02,630 --> 00:18:00,640

really put the lock down on exorcisms

500

00:18:03,510 --> 00:18:02,640

after that they were like nope we're

501
00:18:05,430 --> 00:18:03,520
done we're done

502
00:18:08,070 --> 00:18:05,440
so yeah what do you think what do you

503
00:18:11,190 --> 00:18:08,080
think about exorcisms jason

504
00:18:13,590 --> 00:18:11,200
i don't know man i mean there's

505
00:18:15,190 --> 00:18:13,600
definitely uh you know plenty of

506
00:18:18,549 --> 00:18:15,200
documentation on it

507
00:18:21,029 --> 00:18:18,559
and i mean until you f

508
00:18:22,870 --> 00:18:21,039
you're physically there in person

509
00:18:24,710 --> 00:18:22,880
witnessing something like that

510
00:18:26,310 --> 00:18:24,720
um that'll change your mind about

511
00:18:28,150 --> 00:18:26,320
anything i mean that's true for for

512
00:18:29,270 --> 00:18:28,160
anything with ufos with ghosts with

513
00:18:32,230 --> 00:18:29,280

anything i mean it's

514

00:18:33,510 --> 00:18:32,240

personal experiences um you need to have

515

00:18:36,630 --> 00:18:33,520

personal experiences

516

00:18:37,350 --> 00:18:36,640

to to truly have your mind changed about

517

00:18:40,310 --> 00:18:37,360

something

518

00:18:42,549 --> 00:18:40,320

or to even give you enough to to form a

519

00:18:44,630 --> 00:18:42,559

solid opinion on it

520

00:18:45,669 --> 00:18:44,640

you know for me i just just know what

521

00:18:49,430 --> 00:18:45,679

i've read

522

00:18:52,789 --> 00:18:49,440

obviously what i've seen on movies um

523

00:18:55,270 --> 00:18:52,799

it's like with with uh i equate it to

524

00:18:55,990 --> 00:18:55,280

alien abductions right i mean there is

525

00:18:59,110 --> 00:18:56,000

genuinely

526

00:19:02,630 --> 00:18:59,120

something there what that is i

527

00:19:04,150 --> 00:19:02,640

have no idea i just know the people to

528

00:19:06,710 --> 00:19:04,160

whom these things happen or

529

00:19:08,150 --> 00:19:06,720

the people who allege these things have

530

00:19:11,990 --> 00:19:08,160

happened

531

00:19:13,830 --> 00:19:12,000

that is i don't know

532

00:19:15,909 --> 00:19:13,840

so with exorcisms you know there's

533

00:19:17,909 --> 00:19:15,919

there's definitely something going on

534

00:19:19,669 --> 00:19:17,919

with the people and you know in these

535

00:19:22,150 --> 00:19:19,679

these cases where

536

00:19:24,310 --> 00:19:22,160

real exorcisms have taken place what

537

00:19:25,590 --> 00:19:24,320

that is i don't know i'm sure in some

538

00:19:27,990 --> 00:19:25,600

cases

539

00:19:29,110 --> 00:19:28,000

there's some faking going on in other

540

00:19:30,310 --> 00:19:29,120

cases

541

00:19:32,789 --> 00:19:30,320

you could be dealing with mental

542

00:19:34,310 --> 00:19:32,799

disorders but other cases

543

00:19:35,990 --> 00:19:34,320

you know they don't really fit into

544

00:19:38,310 --> 00:19:36,000

those boxes so neatly

545

00:19:39,669 --> 00:19:38,320

so um you know it was just one of those

546

00:19:41,110 --> 00:19:39,679

one of those mysteries one of those

547

00:19:43,909 --> 00:19:41,120

unknowns and

548

00:19:45,270 --> 00:19:43,919

you know it's again we want to want to

549

00:19:47,510 --> 00:19:45,280

equate things to other things

550

00:19:48,870 --> 00:19:47,520

you're trying to get tying it into ufos

551
00:19:49,510 --> 00:19:48,880
you know with the catholic church i

552
00:19:51,510 --> 00:19:49,520
understand

553
00:19:52,630 --> 00:19:51,520
it's like the us government with ufos

554
00:19:54,549 --> 00:19:52,640
right i mean

555
00:19:56,310 --> 00:19:54,559
they don't have any idea what the hell

556
00:19:59,750 --> 00:19:56,320
is going on i think right

557
00:20:02,149 --> 00:19:59,760
is the real answer and so you know

558
00:20:02,789 --> 00:20:02,159
they don't want the world to think that

559
00:20:05,990 --> 00:20:02,799
they don't

560
00:20:07,510 --> 00:20:06,000
have all the answers um so you got to

561
00:20:09,190 --> 00:20:07,520
kind of keep the lid on that not really

562
00:20:11,750 --> 00:20:09,200
talk about it all that much

563
00:20:12,630 --> 00:20:11,760

yeah exactly that's a really good

564

00:20:14,230 --> 00:20:12,640

comparison

565

00:20:16,149 --> 00:20:14,240

i never really thought of it that way

566

00:20:17,830 --> 00:20:16,159

yeah you know the catholic church

567

00:20:20,149 --> 00:20:17,840

thinks they're doing the right thing and

568

00:20:22,149 --> 00:20:20,159

that they're in control of the situation

569

00:20:24,470 --> 00:20:22,159

until a death occurs and then it's like

570

00:20:25,350 --> 00:20:24,480

wow yeah none of us truly know and i

571

00:20:26,789 --> 00:20:25,360

think you're right i think it's a

572

00:20:29,350 --> 00:20:26,799

case-to-case basis

573

00:20:30,549 --> 00:20:29,360

for sure and the mind is very powerful

574

00:20:31,510 --> 00:20:30,559

so if this girl thought she was

575

00:20:33,350 --> 00:20:31,520

possessed

576

00:20:34,710 --> 00:20:33,360

she could probably make herself

577

00:20:36,870 --> 00:20:34,720

possessed in a way

578

00:20:39,029 --> 00:20:36,880

um but it is powerful and it's

579

00:20:42,149 --> 00:20:39,039

incredibly complex and confusing

580

00:20:44,789 --> 00:20:42,159

i mean just just look at what

581

00:20:45,830 --> 00:20:44,799

you know different mental disorders do

582

00:20:49,430 --> 00:20:45,840

um

583

00:20:51,029 --> 00:20:49,440

i mean we have we've barely scratched

584

00:20:54,310 --> 00:20:51,039

the surface of understanding

585

00:20:54,710 --> 00:20:54,320

the human brain yeah you know who's to

586

00:20:56,549 --> 00:20:54,720

say

587

00:20:57,990 --> 00:20:56,559

what's really going on but i think i

588

00:20:59,029 --> 00:20:58,000

think you're right case-by-case basis i

589

00:21:00,390 --> 00:20:59,039

think a lot of different things are

590

00:21:02,549 --> 00:21:00,400

going on

591

00:21:04,630 --> 00:21:02,559

agreed agreed all right well we'll leave

592

00:21:05,830 --> 00:21:04,640

it at that as our creepiest stories we

593

00:21:08,310 --> 00:21:05,840

came across but

594

00:21:10,070 --> 00:21:08,320

i want to know those were ones we heard

595

00:21:13,590 --> 00:21:10,080

about but these are the ones we've

596

00:21:15,430 --> 00:21:13,600

lived so jason any stories you can share

597

00:21:17,190 --> 00:21:15,440

with us about weird stuff that's occur

598

00:21:19,350 --> 00:21:17,200

happened to you um i know you've

599

00:21:20,149 --> 00:21:19,360

traveled all over you've seen some stuff

600

00:21:21,510 --> 00:21:20,159

man so

601
00:21:24,070 --> 00:21:21,520
what are you willing to share with us

602
00:21:27,430 --> 00:21:24,080
today well for today

603
00:21:30,549 --> 00:21:27,440
uh because i mentioned toilet ghost

604
00:21:32,390 --> 00:21:30,559
um this one is not so satisfying but

605
00:21:34,149 --> 00:21:32,400
uh you know i do have my own my own

606
00:21:37,750 --> 00:21:34,159
toilet ghost story

607
00:21:41,270 --> 00:21:37,760
and it sounds ridiculous but i promise

608
00:21:44,950 --> 00:21:41,280
this actually happened and i promise

609
00:21:49,190 --> 00:21:44,960
that i genuinely believe that

610
00:21:51,669 --> 00:21:49,200
it was not something normal so

611
00:21:53,430 --> 00:21:51,679
but i have to preface this by saying i

612
00:21:54,950 --> 00:21:53,440
believe i was only four years old at the

613
00:21:57,510 --> 00:21:54,960

time

614

00:21:58,070 --> 00:21:57,520

but with that being the case i still

615

00:22:02,149 --> 00:21:58,080

remember

616

00:22:06,549 --> 00:22:05,029

so i was a four-year-old boy sitting on

617

00:22:09,990 --> 00:22:06,559

the toilet

618

00:22:11,350 --> 00:22:10,000

and my family was living in a in an

619

00:22:15,270 --> 00:22:11,360

apartment at that time

620

00:22:19,029 --> 00:22:15,280

and um yeah very small apartment

621

00:22:21,909 --> 00:22:19,039

and i was sitting on the toilet and

622

00:22:23,750 --> 00:22:21,919

i think i had just about finished doing

623

00:22:27,590 --> 00:22:23,760

what i was going to do

624

00:22:29,110 --> 00:22:27,600

and the ceiling fan a voice emerged from

625

00:22:30,950 --> 00:22:29,120

the ceiling fan

626
00:22:32,549 --> 00:22:30,960
and at least that's what it seemed like

627
00:22:35,669 --> 00:22:32,559
it was coming from above

628
00:22:38,470 --> 00:22:35,679
and the voice said

629
00:22:40,710 --> 00:22:38,480
wipe your butt and get out of here i

630
00:22:42,470 --> 00:22:40,720
remember that distinctly

631
00:22:44,870 --> 00:22:42,480
this mysterious voice you said wipe your

632
00:22:48,870 --> 00:22:44,880
butt and get out of here

633
00:22:51,909 --> 00:22:48,880
it freaked me out so much that i

634
00:22:53,510 --> 00:22:51,919
left off the toilet went screaming out

635
00:22:57,510 --> 00:22:53,520
of the bathroom with my

636
00:23:01,430 --> 00:22:57,520
pants at my ankles screaming and crying

637
00:23:03,750 --> 00:23:01,440
to my dad and my dad you know rationally

638
00:23:04,630 --> 00:23:03,760

thought somebody's messing around on the

639

00:23:09,909 --> 00:23:04,640

roof

640

00:23:13,029 --> 00:23:09,919

he looked all around the property

641

00:23:15,270 --> 00:23:13,039

around the complex nobody was outside

642

00:23:16,710 --> 00:23:15,280

there was nobody around so he didn't see

643

00:23:20,310 --> 00:23:16,720

anybody

644

00:23:22,630 --> 00:23:20,320

um you know certainly it is possible

645

00:23:24,710 --> 00:23:22,640

that someone was up there playing a

646

00:23:28,310 --> 00:23:24,720

prank playing a joke on me

647

00:23:29,669 --> 00:23:28,320

but certainly nobody that my dad's on he

648

00:23:32,870 --> 00:23:29,679

was out there right away

649

00:23:34,630 --> 00:23:32,880

it was a pretty you know good good field

650

00:23:36,230 --> 00:23:34,640

of view from out there you could see if

651
00:23:38,230 --> 00:23:36,240
if people were out milling about or

652
00:23:41,190 --> 00:23:38,240
certainly running away

653
00:23:43,269 --> 00:23:41,200
he didn't see anybody but i think the

654
00:23:45,430 --> 00:23:43,279
rational explanation is it was probably

655
00:23:48,630 --> 00:23:45,440
someone we didn't see

656
00:23:52,149 --> 00:23:48,640
however at the time you know

657
00:23:52,549 --> 00:23:52,159
it was something that terrified me and

658
00:23:55,350 --> 00:23:52,559
uh

659
00:23:55,909 --> 00:23:55,360
you know there was no explanation for it

660
00:23:59,190 --> 00:23:55,919
after

661
00:24:00,950 --> 00:23:59,200
people so

662
00:24:03,029 --> 00:24:00,960
that that spooked me i don't know if

663
00:24:05,510 --> 00:24:03,039

that's really a ghost

664

00:24:07,430 --> 00:24:05,520

encounter but had to throw that in there

665

00:24:08,070 --> 00:24:07,440

because of our toilet ghost conversation

666

00:24:10,549 --> 00:24:08,080

earlier

667

00:24:11,830 --> 00:24:10,559

but i will say yes i have had the great

668

00:24:14,630 --> 00:24:11,840

fortune to be on

669

00:24:15,669 --> 00:24:14,640

a few actually several ghost hunts um to

670

00:24:18,149 --> 00:24:15,679

this point

671

00:24:20,470 --> 00:24:18,159

and i don't know what it is man but i

672

00:24:22,470 --> 00:24:20,480

gotta say with with whether it's ufos or

673

00:24:22,870 --> 00:24:22,480

ghosts or whatever i'm doing i mean i

674

00:24:25,190 --> 00:24:22,880

guess i

675

00:24:27,190 --> 00:24:25,200

haven't had luck with bigfoot yet but i

676
00:24:29,510 --> 00:24:27,200
mean i've had pretty good luck

677
00:24:30,630 --> 00:24:29,520
you know having sightings or being able

678
00:24:32,549 --> 00:24:30,640
to experience things

679
00:24:34,390 --> 00:24:32,559
on the majority of the times i actively

680
00:24:37,750 --> 00:24:34,400
go looking for this stuff

681
00:24:41,029 --> 00:24:37,760
so what i'll talk about right now is is

682
00:24:43,430 --> 00:24:41,039
in uh 2011 my wife and i went to

683
00:24:45,029 --> 00:24:43,440
prescott arizona which is in in sort of

684
00:24:48,070 --> 00:24:45,039
northern arizona

685
00:24:51,029 --> 00:24:48,080
and we stayed at a place called

686
00:24:52,630 --> 00:24:51,039
the haciampa inn this place is well

687
00:24:56,070 --> 00:24:52,640
known for being haunted

688
00:24:57,990 --> 00:24:56,080

it was built in 1927 and that same year

689

00:25:01,269 --> 00:24:58,000

that it opened

690

00:25:04,230 --> 00:25:01,279

a young woman named faith essay

691

00:25:04,950 --> 00:25:04,240

she recently married a much older man

692

00:25:08,789 --> 00:25:04,960

and

693

00:25:10,390 --> 00:25:08,799

were staying at the uh

694

00:25:13,990 --> 00:25:10,400

in the grand balcony suite there for

695

00:25:17,350 --> 00:25:14,000

their honeymoon so they checked in there

696

00:25:20,789 --> 00:25:17,360

and after they had some marital fun um

697

00:25:24,149 --> 00:25:20,799

the husband went out for cigarettes

698

00:25:27,190 --> 00:25:24,159

and he never came back so

699

00:25:28,390 --> 00:25:27,200

you know it's not known whether this was

700

00:25:31,190 --> 00:25:28,400

his plan all along

701
00:25:31,830 --> 00:25:31,200
to marry this young woman have his way

702
00:25:34,070 --> 00:25:31,840
with her

703
00:25:35,830 --> 00:25:34,080
and then split or if he met with some

704
00:25:38,149 --> 00:25:35,840
sort of foul play or something

705
00:25:39,110 --> 00:25:38,159
but whatever the case may be he never

706
00:25:41,510 --> 00:25:39,120
came back

707
00:25:42,390 --> 00:25:41,520
so she was absolutely distraught she

708
00:25:45,269 --> 00:25:42,400
waited

709
00:25:46,310 --> 00:25:45,279
for three days and you know after that

710
00:25:49,110 --> 00:25:46,320
time

711
00:25:50,549 --> 00:25:49,120
he didn't come back she decided to take

712
00:25:51,830 --> 00:25:50,559
her own life she hung herself from the

713
00:25:55,110 --> 00:25:51,840

balcony

714

00:25:58,630 --> 00:25:55,120

and she haunts that hotel

715

00:26:00,870 --> 00:25:58,640

to this day there are so many reports of

716

00:26:01,830 --> 00:26:00,880

you know people staying there who who

717

00:26:03,830 --> 00:26:01,840

see her

718

00:26:05,909 --> 00:26:03,840

and we're talking apparition i mean they

719

00:26:07,430 --> 00:26:05,919

actually see this woman there this young

720

00:26:09,029 --> 00:26:07,440

woman sometimes she's holding flowers

721

00:26:10,870 --> 00:26:09,039

sometimes they smell flowers in the

722

00:26:13,430 --> 00:26:10,880

rooms

723

00:26:14,549 --> 00:26:13,440

the staff see her all the time the

724

00:26:17,830 --> 00:26:14,559

kitchen staff will

725

00:26:20,630 --> 00:26:17,840

will see her you know actually see

726

00:26:21,750 --> 00:26:20,640

her or also see effects that they

727

00:26:25,750 --> 00:26:21,760

attribute to her

728

00:26:29,190 --> 00:26:25,760

like stove burners turning on or off

729

00:26:30,470 --> 00:26:29,200

um the the desk staff sees her you know

730

00:26:33,510 --> 00:26:30,480

people who stay there

731

00:26:36,230 --> 00:26:33,520

come down and and ask the

732

00:26:37,830 --> 00:26:36,240

the desk staff about like different

733

00:26:39,669 --> 00:26:37,840

random things that you hear about like

734

00:26:42,230 --> 00:26:39,679

tv's turning on and off

735

00:26:43,750 --> 00:26:42,240

um cold spots and rooms things like that

736

00:26:44,549 --> 00:26:43,760

and they're all oh yeah that's just

737

00:26:46,230 --> 00:26:44,559

faith

738

00:26:48,310 --> 00:26:46,240

it's just like a known thing to them

739

00:26:50,310 --> 00:26:48,320

there they're used to having her there

740

00:26:51,990 --> 00:26:50,320

so when my wife and i stayed there in

741

00:26:55,190 --> 00:26:52,000

2011 you know i certainly knew about

742

00:26:56,549 --> 00:26:55,200

this i was actively looking for strange

743

00:26:59,590 --> 00:26:56,559

things to happen

744

00:27:01,190 --> 00:26:59,600

so when we we got in bed that night we

745

00:27:03,510 --> 00:27:01,200

were hearing all sorts of things because

746

00:27:05,909 --> 00:27:03,520

again this hotel was built in 1927.

747

00:27:07,350 --> 00:27:05,919

it's an old building everything creaks

748

00:27:09,269 --> 00:27:07,360

everything squeaks

749

00:27:10,390 --> 00:27:09,279

there's air blowing all over the place

750

00:27:12,870 --> 00:27:10,400

because it's

751
00:27:15,350 --> 00:27:12,880
horribly sealed you know all the things

752
00:27:18,149 --> 00:27:15,360
you expect from an old building

753
00:27:19,669 --> 00:27:18,159
but that night sometime and we hadn't

754
00:27:23,269 --> 00:27:19,679
been in bed that long

755
00:27:27,350 --> 00:27:23,279
i was certainly wide awake at that point

756
00:27:31,190 --> 00:27:29,990
i had taken my glasses off and put them

757
00:27:34,230 --> 00:27:31,200
on the nightstand

758
00:27:36,310 --> 00:27:34,240
next to the bed we're sitting there

759
00:27:38,149 --> 00:27:36,320
trying to fall asleep

760
00:27:39,350 --> 00:27:38,159
and we hear something you know we hear

761
00:27:40,549 --> 00:27:39,360
all these other noises like i said i

762
00:27:42,549 --> 00:27:40,559
mean you could hear people walking

763
00:27:45,350 --> 00:27:42,559

outside and the floorboard squeaking

764

00:27:46,789 --> 00:27:45,360

and all that stuff but we heard

765

00:27:48,549 --> 00:27:46,799

something

766

00:27:50,070 --> 00:27:48,559

hit the floor and we could tell that it

767

00:27:53,669 --> 00:27:50,080

was in our room

768

00:27:56,389 --> 00:27:53,679

so we both shot up turned the lights on

769

00:27:57,990 --> 00:27:56,399

my glasses were on the other side of the

770

00:27:59,909 --> 00:27:58,000

room

771

00:28:01,110 --> 00:27:59,919

now had this been later in the night had

772

00:28:03,029 --> 00:28:01,120

i been you know

773

00:28:04,710 --> 00:28:03,039

kind of drifting in and out of sleep i

774

00:28:07,510 --> 00:28:04,720

would say well maybe

775

00:28:09,750 --> 00:28:07,520

i like rolled and threw my arm and it

776

00:28:13,029 --> 00:28:09,760

hit the glasses and sent them flying

777

00:28:15,669 --> 00:28:13,039

but i haven't really ever done that

778

00:28:18,070 --> 00:28:15,679

as a sleeper i'm a pretty pretty uh good

779

00:28:22,310 --> 00:28:18,080

sleeper and that i don't toss and turn

780

00:28:25,430 --> 00:28:22,320

and we had just really gotten into bed

781

00:28:26,310 --> 00:28:25,440

we weren't dozing off you know so i'm

782

00:28:29,430 --> 00:28:26,320

confident

783

00:28:30,149 --> 00:28:29,440

that it wasn't me flipping my arm on the

784

00:28:32,230 --> 00:28:30,159

nightstand

785

00:28:34,230 --> 00:28:32,240

and sending these glasses flying they

786

00:28:37,190 --> 00:28:34,240

went all the way across the room

787

00:28:38,710 --> 00:28:37,200

so i can't explain that that was one of

788

00:28:41,430 --> 00:28:38,720

the more fascinating

789

00:28:42,710 --> 00:28:41,440

um you know experiences i've had with

790

00:28:44,710 --> 00:28:42,720

paranormal

791

00:28:45,750 --> 00:28:44,720

just because i can't explain it because

792

00:28:49,190 --> 00:28:45,760

there was a physical

793

00:28:53,110 --> 00:28:49,200

object that moved so it's kind of cool

794

00:28:55,190 --> 00:28:53,120

yeah absolutely it reminds me i had um

795

00:28:57,110 --> 00:28:55,200

kind of a similar experience where i was

796

00:28:57,990 --> 00:28:57,120

home one day and my apartment in new

797

00:29:01,350 --> 00:28:58,000

york

798

00:29:03,190 --> 00:29:01,360

i'm in the other room writing and um uh

799

00:29:05,590 --> 00:29:03,200

jane my girlfriend was out of town at

800

00:29:07,510 --> 00:29:05,600

the time and we had this really nice

801

00:29:09,830 --> 00:29:07,520

framed photo of us

802

00:29:12,070 --> 00:29:09,840

on a dresser in the bedroom and i

803

00:29:14,710 --> 00:29:12,080

remember i'm in the other room mind you

804

00:29:16,149 --> 00:29:14,720

it was winter there were no windows open

805

00:29:19,830 --> 00:29:16,159

nothing like that

806

00:29:21,590 --> 00:29:19,840

um nothing you know off or

807

00:29:22,950 --> 00:29:21,600

nothing going on and i'm just writing

808

00:29:24,950 --> 00:29:22,960

and all of a sudden i hear

809

00:29:26,470 --> 00:29:24,960

glass chatter and i thought maybe

810

00:29:28,310 --> 00:29:26,480

someone like tried to break into our

811

00:29:31,190 --> 00:29:28,320

apartment or something so i like

812

00:29:33,029 --> 00:29:31,200

get up i had a um i had a bat a baseball

813

00:29:35,029 --> 00:29:33,039

bat at the time but i'm like

814

00:29:36,789 --> 00:29:35,039

who came up to the fifth floor to break

815

00:29:39,430 --> 00:29:36,799

in like that's pretty impressive

816

00:29:41,190 --> 00:29:39,440

but um no i'm looking everywhere nothing

817

00:29:44,549 --> 00:29:41,200

nothing i go in the bedroom

818

00:29:48,310 --> 00:29:44,559

and the photo of us framed photo

819

00:29:49,029 --> 00:29:48,320

mind you is still like up upright on the

820

00:29:51,510 --> 00:29:49,039

dresser

821

00:29:52,549 --> 00:29:51,520

but the glass completely shattered in it

822

00:29:55,510 --> 00:29:52,559

and

823

00:29:57,110 --> 00:29:55,520

it was weird it seemed like we'd have

824

00:29:57,590 --> 00:29:57,120

other stuff happen where we had like

825

00:30:00,070 --> 00:29:57,600

phantom

826

00:30:01,269 --> 00:30:00,080

smells in the apartment as well you know

827

00:30:02,710 --> 00:30:01,279

these moments where you just smell

828

00:30:04,789 --> 00:30:02,720

something so

829

00:30:06,389 --> 00:30:04,799

like putrid or gross and you can't

830

00:30:09,590 --> 00:30:06,399

explain where it came from

831

00:30:11,110 --> 00:30:09,600

anything like that um but this was like

832

00:30:12,789 --> 00:30:11,120

super sturdy like the glass just

833

00:30:15,269 --> 00:30:12,799

shattered for no reason

834

00:30:16,149 --> 00:30:15,279

i was like oh my god uh so yeah that's

835

00:30:18,389 --> 00:30:16,159

cool

836

00:30:20,710 --> 00:30:18,399

i know that feeling of um literal

837

00:30:24,389 --> 00:30:20,720

objects just doing something you

838

00:30:26,149 --> 00:30:24,399

can explain or understand so yeah wow

839

00:30:28,230 --> 00:30:26,159

any anything else really stick out to

840

00:30:30,710 --> 00:30:28,240

you in your times doing ghost hunts or

841

00:30:33,909 --> 00:30:30,720

anything like that

842

00:30:34,549 --> 00:30:33,919

i mean ghost hunts are fun man yeah they

843

00:30:37,190 --> 00:30:34,559

are

844

00:30:38,710 --> 00:30:37,200

you know i've like i said i mean i i've

845

00:30:40,470 --> 00:30:38,720

encountered quite a bit

846

00:30:42,310 --> 00:30:40,480

of of interesting things many

847

00:30:45,269 --> 00:30:42,320

interesting things um

848

00:30:45,750 --> 00:30:45,279

and that's why you know i think it's

849

00:30:47,830 --> 00:30:45,760

it's

850

00:30:50,230 --> 00:30:47,840

it draws more people and gets gets more

851
00:30:51,269 --> 00:30:50,240
attention than like ufo hunting because

852
00:30:54,870 --> 00:30:51,279
ufos

853
00:30:56,070 --> 00:30:54,880
you know it's you're you're you're lucky

854
00:30:58,310 --> 00:30:56,080
if you see one you know

855
00:30:59,830 --> 00:30:58,320
yeah like it's something that repeats

856
00:31:01,350 --> 00:30:59,840
really um

857
00:31:03,110 --> 00:31:01,360
you know and there's not much to it with

858
00:31:04,630 --> 00:31:03,120
ghost hunting you know they're

859
00:31:06,789 --> 00:31:04,640
they're fun little toys you can play

860
00:31:08,230 --> 00:31:06,799
with and you know just different things

861
00:31:10,149 --> 00:31:08,240
that uh that you can do

862
00:31:12,149 --> 00:31:10,159
and places you can go where you know

863
00:31:14,549 --> 00:31:12,159

they tend to have more

864

00:31:15,750 --> 00:31:14,559

recurrences of these these strange

865

00:31:19,190 --> 00:31:15,760

phenomena

866

00:31:20,310 --> 00:31:19,200

so you know i've seen seen things move

867

00:31:22,870 --> 00:31:20,320

i've seen

868

00:31:23,350 --> 00:31:22,880

you know unexplainable things happen

869

00:31:26,310 --> 00:31:23,360

like

870

00:31:27,190 --> 00:31:26,320

gigantic heavy metal doors swinging

871

00:31:30,389 --> 00:31:27,200

violently and

872

00:31:33,750 --> 00:31:30,399

slamming um you know

873

00:31:34,630 --> 00:31:33,760

phantom footsteps uh you know flashing

874

00:31:38,789 --> 00:31:34,640

lights just

875

00:31:42,389 --> 00:31:38,799

you know odd occurrences and

876

00:31:46,310 --> 00:31:42,399

it is fun for people like us

877

00:31:49,750 --> 00:31:46,320

who are drawn to the unknown

878

00:31:52,950 --> 00:31:49,760

to these mysteries yeah it's

879

00:31:55,430 --> 00:31:52,960

it's creepy and i can't explain it but

880

00:31:57,190 --> 00:31:55,440

at the same time that's what we're

881

00:31:59,350 --> 00:31:57,200

looking for i mean we're

882

00:32:01,029 --> 00:31:59,360

we're after this stuff and it always

883

00:32:02,549 --> 00:32:01,039

makes me laugh and i have to remind

884

00:32:02,950 --> 00:32:02,559

myself when i'm out looking for this

885

00:32:06,149 --> 00:32:02,960

stuff

886

00:32:07,990 --> 00:32:06,159

that hey man this is what what we're

887

00:32:09,430 --> 00:32:08,000

looking for this is you know what we're

888

00:32:12,789 --> 00:32:09,440

attracted to

889

00:32:15,110 --> 00:32:12,799

if we see something like really scary

890

00:32:16,310 --> 00:32:15,120

like an apparition or something am i

891

00:32:19,269 --> 00:32:16,320

going to turn around and run

892

00:32:19,990 --> 00:32:19,279

or am i going to go towards it yeah

893

00:32:21,669 --> 00:32:20,000

because i know

894

00:32:23,350 --> 00:32:21,679

i've never understood that response from

895

00:32:24,230 --> 00:32:23,360

people who are out actively ghost

896

00:32:26,230 --> 00:32:24,240

hunting or

897

00:32:27,990 --> 00:32:26,240

trying to get you know more data or more

898

00:32:29,750 --> 00:32:28,000

information and capture the stuff on

899

00:32:31,590 --> 00:32:29,760

film things like that when these scary

900

00:32:32,789 --> 00:32:31,600

things happen they hightail it out of

901
00:32:33,909 --> 00:32:32,799
there you don't know this is what you've

902
00:32:35,750 --> 00:32:33,919
been waiting

903
00:32:37,750 --> 00:32:35,760
that's why you're here because again

904
00:32:40,389 --> 00:32:37,760
with ghost hunts with ufo hunting

905
00:32:41,110 --> 00:32:40,399
like it's most of the time it's really

906
00:32:42,870 --> 00:32:41,120
boring

907
00:32:44,630 --> 00:32:42,880
nothing's happening and you're just

908
00:32:46,389 --> 00:32:44,640
waiting for something to happen

909
00:32:48,230 --> 00:32:46,399
so it takes a lot of patience but when

910
00:32:49,990 --> 00:32:48,240
that thing actually happens really

911
00:32:52,549 --> 00:32:50,000
you're gonna turn and run

912
00:32:53,430 --> 00:32:52,559
no i mean i understand that impulse like

913
00:32:54,870 --> 00:32:53,440

i'm a wuss

914

00:32:56,789 --> 00:32:54,880

and you know i'd like to get out of

915

00:32:58,630 --> 00:32:56,799

there too but at the same time

916

00:33:00,070 --> 00:32:58,640

this is what you're waiting for this is

917

00:33:01,669 --> 00:33:00,080

this type of stuff you've been looking

918

00:33:05,269 --> 00:33:01,679

for so when it happens

919

00:33:06,549 --> 00:33:05,279

go to it not a waste yeah absolutely

920

00:33:07,909 --> 00:33:06,559

that's just like a mindset you've got to

921

00:33:08,870 --> 00:33:07,919

get yourself into when you're actually

922

00:33:11,909 --> 00:33:08,880

doing that

923

00:33:14,149 --> 00:33:11,919

yep yeah and as of this recording the la

924

00:33:14,470 --> 00:33:14,159

dodgers just won the world series and it

925

00:33:16,310 --> 00:33:14,480

uh

926
00:33:17,750 --> 00:33:16,320
it always brings me back to baseball too

927
00:33:21,430 --> 00:33:17,760
i remember growing up

928
00:33:23,750 --> 00:33:21,440
i uh i was afraid to swing

929
00:33:24,470 --> 00:33:23,760
when i was on up to bat and i was known

930
00:33:27,110 --> 00:33:24,480
to be like

931
00:33:27,830 --> 00:33:27,120
oh ryan he's going to strike out again

932
00:33:30,389 --> 00:33:27,840
and again

933
00:33:31,269 --> 00:33:30,399
he's not going to swing and that's

934
00:33:32,950 --> 00:33:31,279
because i

935
00:33:35,029 --> 00:33:32,960
was there to do something but i was

936
00:33:37,029 --> 00:33:35,039
afraid to do it and then i'll tell you

937
00:33:38,070 --> 00:33:37,039
man like that one time i finally

938
00:33:40,710 --> 00:33:38,080

connected and

939

00:33:41,350 --> 00:33:40,720

hit a home run it was history it was

940

00:33:44,789 --> 00:33:41,360

like

941

00:33:45,509 --> 00:33:44,799

so long to that aspect of it i was now

942

00:33:46,870 --> 00:33:45,519

hitting

943

00:33:49,029 --> 00:33:46,880

home runs left and right and you're

944

00:33:50,789 --> 00:33:49,039

right you gotta embrace it and you're

945

00:33:51,990 --> 00:33:50,799

there for that reason i'm not there to

946

00:33:54,470 --> 00:33:52,000

strike out i'm there to

947

00:33:56,230 --> 00:33:54,480

win the game so i i think there's

948

00:33:57,029 --> 00:33:56,240

interesting parallels between those two

949

00:33:59,190 --> 00:33:57,039

for sure

950

00:34:01,110 --> 00:33:59,200

and you're right we crave these things

951
00:34:01,830 --> 00:34:01,120
so when it happens be thankful don't be

952
00:34:04,710 --> 00:34:01,840
scared

953
00:34:05,990 --> 00:34:04,720
um but i guess i'll share mine with you

954
00:34:08,069 --> 00:34:06,000
i'll try to make it brief because

955
00:34:09,510 --> 00:34:08,079
this did scare me even though i was

956
00:34:11,829 --> 00:34:09,520
there for a ghost time

957
00:34:13,510 --> 00:34:11,839
but yeah i'll um i'll tell you this one

958
00:34:14,710 --> 00:34:13,520
quick and i'm sure some of my viewers

959
00:34:15,829 --> 00:34:14,720
and listeners have heard this one

960
00:34:18,869 --> 00:34:15,839
already but um

961
00:34:21,669 --> 00:34:18,879
this happened to me back in 2017

962
00:34:22,950 --> 00:34:21,679
i was in nova scotia in canada i was

963
00:34:25,990 --> 00:34:22,960

there to do a um

964

00:34:28,710 --> 00:34:26,000

a lecture and uh it was

965

00:34:30,629 --> 00:34:28,720

cool really nice event they flew me in i

966

00:34:31,589 --> 00:34:30,639

got to go to oak island and go on the

967

00:34:34,389 --> 00:34:31,599

island and

968

00:34:35,750 --> 00:34:34,399

check that mysterious place out and uh

969

00:34:38,310 --> 00:34:35,760

but the big thing for me

970

00:34:40,310 --> 00:34:38,320

was going to my first ever ghost hunt

971

00:34:43,109 --> 00:34:40,320

and i was with micah hanks

972

00:34:44,470 --> 00:34:43,119

and uh mutual colleague greg bishop

973

00:34:46,790 --> 00:34:44,480

who's a ufo guy

974

00:34:48,950 --> 00:34:46,800

and they decided to bring us all on this

975

00:34:51,829 --> 00:34:48,960

ghost hunt at the queens county museum

976

00:34:53,349 --> 00:34:51,839

in uh in the town of in nova scotia and

977

00:34:54,550 --> 00:34:53,359

um

978

00:34:56,069 --> 00:34:54,560

you know i didn't know what to expect

979

00:34:57,349 --> 00:34:56,079

i'd never been to one of these things

980

00:34:58,150 --> 00:34:57,359

you know they had all the gadgets and

981

00:35:00,870 --> 00:34:58,160

gizmos they're

982

00:35:02,870 --> 00:35:00,880

ready to get them going and i was pretty

983

00:35:04,550 --> 00:35:02,880

skeptical and i always have been of the

984

00:35:05,750 --> 00:35:04,560

paranormal which is funny because i'm a

985

00:35:08,630 --> 00:35:05,760

ufo guy

986

00:35:10,390 --> 00:35:08,640

and um me and micah were kind of just

987

00:35:11,510 --> 00:35:10,400

having a good time and like being like

988

00:35:13,510 --> 00:35:11,520

oh this will be fun

989

00:35:15,270 --> 00:35:13,520

and i remember distinctly leaving a

990

00:35:16,550 --> 00:35:15,280

group i was with at one point

991

00:35:18,630 --> 00:35:16,560

because everyone kind of went off on

992

00:35:19,910 --> 00:35:18,640

their own in the whole the whole complex

993

00:35:22,230 --> 00:35:19,920

which was huge

994

00:35:23,430 --> 00:35:22,240

and um i was just having a good time

995

00:35:25,430 --> 00:35:23,440

looking at the history

996

00:35:26,870 --> 00:35:25,440

of this area you know they have the um

997

00:35:29,670 --> 00:35:26,880

the indigenous people

998

00:35:30,069 --> 00:35:29,680

of the area the meek muck and uh really

999

00:35:31,750 --> 00:35:30,079

cool

1000

00:35:33,829 --> 00:35:31,760

old arrowheads and everything you can

1001
00:35:34,950 --> 00:35:33,839
think of in the integration of settlers

1002
00:35:36,470 --> 00:35:34,960
and blah blah blah

1003
00:35:38,470 --> 00:35:36,480
but there was this one room in the

1004
00:35:39,430 --> 00:35:38,480
museum that was called the activity room

1005
00:35:41,030 --> 00:35:39,440
and this is for

1006
00:35:42,390 --> 00:35:41,040
kids who the parents could leave them in

1007
00:35:43,589 --> 00:35:42,400
there to play while they go and look at

1008
00:35:47,190 --> 00:35:43,599
the museum

1009
00:35:49,109 --> 00:35:47,200
and uh we got in this room and

1010
00:35:50,550 --> 00:35:49,119
we started using one of these spirit

1011
00:35:52,790 --> 00:35:50,560
boxes this thing that goes through

1012
00:35:55,109 --> 00:35:52,800
frequencies radio frequencies

1013
00:35:56,390 --> 00:35:55,119

and um you catch words every now and

1014

00:35:58,550 --> 00:35:56,400

again and it's supposed to

1015

00:36:00,310 --> 00:35:58,560

string together to be a communication of

1016

00:36:00,790 --> 00:36:00,320

the spirit and again like these things

1017

00:36:02,630 --> 00:36:00,800

are

1018

00:36:04,950 --> 00:36:02,640

whatever you you can either buy into it

1019

00:36:07,589 --> 00:36:04,960

or not and i didn't really at the time

1020

00:36:08,710 --> 00:36:07,599

uh but i noticed at one point when we

1021

00:36:10,069 --> 00:36:08,720

were trying to communicate with

1022

00:36:13,349 --> 00:36:10,079

something in that room

1023

00:36:15,510 --> 00:36:13,359

uh we heard and again this thing goes

1024

00:36:17,670 --> 00:36:15,520

through radio frequencies like in

1025

00:36:19,349 --> 00:36:17,680

milliseconds a piece

1026
00:36:21,190 --> 00:36:19,359
you're never supposed to hear like a

1027
00:36:23,829 --> 00:36:21,200
full transmission

1028
00:36:24,310 --> 00:36:23,839
or frequency for more than a few seconds

1029
00:36:28,150 --> 00:36:24,320
and

1030
00:36:30,630 --> 00:36:28,160
we heard the sound of a child

1031
00:36:32,710 --> 00:36:30,640
like whimpering or crying at least

1032
00:36:35,510 --> 00:36:32,720
that's what we kind of contributed to

1033
00:36:36,790 --> 00:36:35,520
but it was constant which made no sense

1034
00:36:38,710 --> 00:36:36,800
because that would mean that

1035
00:36:40,069 --> 00:36:38,720
it would have to have been on a million

1036
00:36:43,430 --> 00:36:40,079
different frequencies at the same

1037
00:36:45,349 --> 00:36:43,440
time uh so that was interesting

1038
00:36:46,950 --> 00:36:45,359

and i asked the person in charge of the

1039

00:36:47,670 --> 00:36:46,960

ghost and i'm like it sounds like a

1040

00:36:49,910 --> 00:36:47,680

little girl

1041

00:36:51,750 --> 00:36:49,920

like upset or something she's like yeah

1042

00:36:54,230 --> 00:36:51,760

this is the activity room this is where

1043

00:36:56,150 --> 00:36:54,240

all the kids were so she might be scared

1044

00:36:58,310 --> 00:36:56,160

or um you know upset so

1045

00:36:59,750 --> 00:36:58,320

maybe we should all like get down to her

1046

00:37:02,069 --> 00:36:59,760

level you know we're all these

1047

00:37:03,109 --> 00:37:02,079

grown adults and towering over her if

1048

00:37:05,910 --> 00:37:03,119

she's a spirit

1049

00:37:06,950 --> 00:37:05,920

so we all get down on the ground make

1050

00:37:09,750 --> 00:37:06,960

ourselves you know

1051
00:37:10,230 --> 00:37:09,760
a little less uh threatening i guess and

1052
00:37:12,069 --> 00:37:10,240
um

1053
00:37:14,310 --> 00:37:12,079
we start communicating again and we

1054
00:37:15,109 --> 00:37:14,320
started getting really clear messages on

1055
00:37:18,550 --> 00:37:15,119
this thing

1056
00:37:19,750 --> 00:37:18,560
and again i'm still under the

1057
00:37:21,589 --> 00:37:19,760
the idea that this could all be

1058
00:37:24,150 --> 00:37:21,599
coincidence and everything

1059
00:37:25,510 --> 00:37:24,160
and we turn the spirit box off and then

1060
00:37:27,030 --> 00:37:25,520
we just kind of sit there for a little

1061
00:37:28,870 --> 00:37:27,040
while in silence and i'm kind of looking

1062
00:37:30,870 --> 00:37:28,880
throughout the room and everyone

1063
00:37:32,069 --> 00:37:30,880

you know taking it in being like oh i

1064

00:37:34,150 --> 00:37:32,079

could i think they're the one who

1065

00:37:36,550 --> 00:37:34,160

probably believes that person doesn't

1066

00:37:38,550 --> 00:37:36,560

and i was still very skeptical but i

1067

00:37:41,109 --> 00:37:38,560

remember sitting cross-legged i was in

1068

00:37:42,790 --> 00:37:41,119

like a corner of the room and all of a

1069

00:37:45,030 --> 00:37:42,800

sudden it got super cold

1070

00:37:46,710 --> 00:37:45,040

in that corner and again i'm making

1071

00:37:48,069 --> 00:37:46,720

excuses there's probably a draft above

1072

00:37:51,270 --> 00:37:48,079

me something i don't know

1073

00:37:52,790 --> 00:37:51,280

this building or this room well and once

1074

00:37:56,950 --> 00:37:52,800

i was in that cold spot

1075

00:38:00,150 --> 00:37:56,960

i felt my legs like my knees go down

1076

00:38:02,310 --> 00:38:00,160

and it felt like there was a weight

1077

00:38:04,069 --> 00:38:02,320

in my lap like something had sat in my

1078

00:38:05,589 --> 00:38:04,079

lap and that had never happened

1079

00:38:07,430 --> 00:38:05,599

to me before i've never felt anything

1080

00:38:08,150 --> 00:38:07,440

like that but my knees just hit the

1081

00:38:10,710 --> 00:38:08,160

ground

1082

00:38:12,550 --> 00:38:10,720

and then i felt like someone was hugging

1083

00:38:14,870 --> 00:38:12,560

me like putting their arms around me

1084

00:38:16,870 --> 00:38:14,880

and i could feel their fingers clasped

1085

00:38:19,510 --> 00:38:16,880

on the back back of my neck

1086

00:38:20,870 --> 00:38:19,520

and that was it like i i i had enough i

1087

00:38:23,750 --> 00:38:20,880

like flung back

1088

00:38:24,310 --> 00:38:23,760

and i felt like that weight lifted off

1089

00:38:26,550 --> 00:38:24,320

of me

1090

00:38:28,550 --> 00:38:26,560

and rushed out of the room and what was

1091

00:38:30,470 --> 00:38:28,560

interesting is in that exact moment i

1092

00:38:34,550 --> 00:38:30,480

look in the doorway of the room

1093

00:38:37,670 --> 00:38:34,560

and greg bishop my very skeptical friend

1094

00:38:38,150 --> 00:38:37,680

was in the doorway and he moved to the

1095

00:38:40,310 --> 00:38:38,160

side

1096

00:38:41,270 --> 00:38:40,320

as if something had just run ran past

1097

00:38:43,910 --> 00:38:41,280

him

1098

00:38:45,430 --> 00:38:43,920

and i remember getting up and going up

1099

00:38:47,829 --> 00:38:45,440

and being like dude what

1100

00:38:49,190 --> 00:38:47,839

i saw you like react really weird when

1101

00:38:49,829 --> 00:38:49,200

you were in the doorway what was up with

1102

00:38:51,829 --> 00:38:49,839

that and he said

1103

00:38:53,589 --> 00:38:51,839

i just felt in that moment i had to move

1104

00:38:57,030 --> 00:38:53,599

like something needed to get out

1105

00:38:58,150 --> 00:38:57,040

of that room really quick and that gave

1106

00:39:00,550 --> 00:38:58,160

me chills so

1107

00:39:02,230 --> 00:39:00,560

this was one that i will never forget it

1108

00:39:05,829 --> 00:39:02,240

wasn't about something i saw

1109

00:39:07,670 --> 00:39:05,839

or smelled or heard um over these

1110

00:39:09,349 --> 00:39:07,680

spirit boxes or whatever it was

1111

00:39:11,030 --> 00:39:09,359

literally something i felt

1112

00:39:13,750 --> 00:39:11,040

and that's what stuck with me most i

1113

00:39:16,550 --> 00:39:13,760

don't know what it was who it was i'm

1114

00:39:19,109 --> 00:39:16,560

assuming it was a child of some sort who

1115

00:39:20,310 --> 00:39:19,119

was wanting to be comforted or to kind

1116

00:39:22,870 --> 00:39:20,320

of comfort us and say

1117

00:39:24,710 --> 00:39:22,880

it's okay we're your friend but that was

1118

00:39:25,829 --> 00:39:24,720

amazing man i never felt anything like

1119

00:39:27,910 --> 00:39:25,839

that before

1120

00:39:30,150 --> 00:39:27,920

yeah that's intense that's it yeah

1121

00:39:33,030 --> 00:39:30,160

that's a physical contact

1122

00:39:34,790 --> 00:39:33,040

yep and it stuck with me i mean i i now

1123

00:39:36,710 --> 00:39:34,800

am a firm believer that

1124

00:39:38,470 --> 00:39:36,720

it's very possible that there's energies

1125

00:39:41,589 --> 00:39:38,480

out there residual energies

1126
00:39:43,270 --> 00:39:41,599
hanging out um just trying however they

1127
00:39:44,950 --> 00:39:43,280
can to communicate with us

1128
00:39:46,470 --> 00:39:44,960
and the thing that always sticks with me

1129
00:39:49,109 --> 00:39:46,480
is children

1130
00:39:50,230 --> 00:39:49,119
when it comes to ghosts now that in

1131
00:39:53,030 --> 00:39:50,240
itself is tragic

1132
00:39:54,790 --> 00:39:53,040
like no no person should die that young

1133
00:39:56,630 --> 00:39:54,800
and often it's probably because of an

1134
00:39:59,670 --> 00:39:56,640
illness or an accident

1135
00:40:00,470 --> 00:39:59,680
and children ghosts are often said to be

1136
00:40:02,310 --> 00:40:00,480
lost

1137
00:40:04,390 --> 00:40:02,320
they don't know where they are or what's

1138
00:40:06,069 --> 00:40:04,400

happening where my parents

1139

00:40:07,829 --> 00:40:06,079

and that's heartbreaking when you really

1140

00:40:09,430 --> 00:40:07,839

think about it you know they're so

1141

00:40:11,430 --> 00:40:09,440

innocent they haven't even lived life

1142

00:40:12,870 --> 00:40:11,440

and it's gone in an instant so

1143

00:40:15,349 --> 00:40:12,880

i think there's something really special

1144

00:40:17,430 --> 00:40:15,359

to be said about child ghosts too what

1145

00:40:20,309 --> 00:40:17,440

do you think

1146

00:40:21,190 --> 00:40:20,319

yeah yeah and you know just thinking

1147

00:40:24,470 --> 00:40:21,200

about

1148

00:40:26,309 --> 00:40:24,480

already you know based on the lore

1149

00:40:28,069 --> 00:40:26,319

all the the ghost stories and tales we

1150

00:40:31,109 --> 00:40:28,079

hear um

1151
00:40:32,870 --> 00:40:31,119
seem to be difficulty communicating yeah

1152
00:40:34,309 --> 00:40:32,880
ghosts aren't very good communicators

1153
00:40:36,069 --> 00:40:34,319
but you know

1154
00:40:37,829 --> 00:40:36,079
with that already being an issue then

1155
00:40:41,030 --> 00:40:37,839
bring children into it and children

1156
00:40:41,510 --> 00:40:41,040
trying to both navigate you know not

1157
00:40:43,829 --> 00:40:41,520
being

1158
00:40:45,270 --> 00:40:43,839
part of this world anymore um you know

1159
00:40:45,990 --> 00:40:45,280
part of the the living world that we

1160
00:40:48,390 --> 00:40:46,000
know

1161
00:40:49,670 --> 00:40:48,400
um and that they were used to and also

1162
00:40:52,069 --> 00:40:49,680
not understanding

1163
00:40:54,470 --> 00:40:52,079

whatever needs to be done you know to

1164

00:40:55,910 --> 00:40:54,480

bridge that communication gap

1165

00:40:57,750 --> 00:40:55,920

it's got to be challenging especially if

1166

00:41:00,390 --> 00:40:57,760

they're navigating it by themselves

1167

00:41:02,230 --> 00:41:00,400

yeah absolutely well i guess we'll leave

1168

00:41:02,870 --> 00:41:02,240

it at that man i've kept you way longer

1169

00:41:04,710 --> 00:41:02,880

than i

1170

00:41:06,069 --> 00:41:04,720

anticipated this always happens when we

1171

00:41:07,750 --> 00:41:06,079

talk but no

1172

00:41:09,510 --> 00:41:07,760

thank you for sharing those stories with

1173

00:41:12,230 --> 00:41:09,520

us today but before we go

1174

00:41:12,790 --> 00:41:12,240

tell us about rogue the rogue planet

1175

00:41:14,790 --> 00:41:12,800

show

1176

00:41:15,990 --> 00:41:14,800

um the podcast you're doing with amy

1177

00:41:17,910 --> 00:41:16,000

sheara and

1178

00:41:19,990 --> 00:41:17,920

everything else he got going on at rogue

1179

00:41:22,950 --> 00:41:20,000

planet yeah so we recently

1180

00:41:23,430 --> 00:41:22,960

launched a new video series on rogue

1181

00:41:29,190 --> 00:41:23,440

planet

1182

00:41:31,030 --> 00:41:29,200

ryan you'll be a part of that very much

1183

00:41:33,109 --> 00:41:31,040

so

1184

00:41:34,069 --> 00:41:33,119

and you know like we talked about today

1185

00:41:36,950 --> 00:41:34,079

it's going to

1186

00:41:38,309 --> 00:41:36,960

encompass a lot of what we do at rogue

1187

00:41:40,150 --> 00:41:38,319

planet you know

1188

00:41:41,349 --> 00:41:40,160

including all of our our various

1189

00:41:44,230 --> 00:41:41,359

interests which

1190

00:41:45,030 --> 00:41:44,240

include ufos but includes so much more

1191

00:41:48,950 --> 00:41:45,040

so

1192

00:41:50,710 --> 00:41:48,960

ghost adventures that you mentioned ryan

1193

00:41:52,710 --> 00:41:50,720

and and some other things to you but we

1194

00:41:53,589 --> 00:41:52,720

also have fun it's it's more of a casual

1195

00:41:56,069 --> 00:41:53,599

show it's

1196

00:41:57,030 --> 00:41:56,079

it's us getting to to hang out with each

1197

00:42:00,230 --> 00:41:57,040

other and

1198

00:42:03,430 --> 00:42:00,240

and with all of our our friends

1199

00:42:05,270 --> 00:42:03,440

who also like these things and uh

1200

00:42:07,270 --> 00:42:05,280

yeah it's a it's a good time so we just

1201
00:42:11,190 --> 00:42:07,280
started that and also

1202
00:42:13,829 --> 00:42:11,200
amy sure title and i are uh re-revamping

1203
00:42:15,990 --> 00:42:13,839
bringing back our our show that started

1204
00:42:16,309 --> 00:42:16,000
out as a podcast but it's just going to

1205
00:42:18,150 --> 00:42:16,319
be

1206
00:42:21,030 --> 00:42:18,160
solely a video series now it's called

1207
00:42:24,710 --> 00:42:21,040
the punk rocker moon stomper program

1208
00:42:26,790 --> 00:42:24,720
and that is also a show um

1209
00:42:29,270 --> 00:42:26,800
with amy and i sharing our our mutual

1210
00:42:32,710 --> 00:42:29,280
love of random things that

1211
00:42:36,550 --> 00:42:32,720
that we do like punk music and ska music

1212
00:42:39,589 --> 00:42:36,560
and space and booze and video games

1213
00:42:41,910 --> 00:42:39,599

and all sorts of things so yeah

1214

00:42:43,270 --> 00:42:41,920

look for that soon probably before the

1215

00:42:45,190 --> 00:42:43,280

end of the month

1216

00:42:47,190 --> 00:42:45,200

awesome well i'm clearly a fan of all

1217

00:42:49,109 --> 00:42:47,200

those things as well if you can't tell

1218

00:42:51,349 --> 00:42:49,119

from the t-shirt but dude i love it you

1219

00:42:53,030 --> 00:42:51,359

even got the less than jake singer to do

1220

00:42:55,430 --> 00:42:53,040

your theme song is that right

1221

00:42:57,430 --> 00:42:55,440

yes yes krista makes uh was kind enough

1222

00:42:59,910 --> 00:42:57,440

to to do our theme song for punk rocker

1223

00:43:02,630 --> 00:42:59,920

moon stomper program so

1224

00:43:03,109 --> 00:43:02,640

so jealous so jealous but also yeah very

1225

00:43:05,670 --> 00:43:03,119

proud

1226
00:43:07,349 --> 00:43:05,680
that's so cool man well hey let us know

1227
00:43:10,349 --> 00:43:07,359
where we can find everything

1228
00:43:11,510 --> 00:43:10,359

1229

1233
00:43:21,190 --> 00:43:18,960
