

UFOS:

IT HAS BEGUN

1
00:00:08,790 --> 00:00:04,470
man

2
00:00:10,950 --> 00:00:08,800
who is he where is he why is he here

3
00:00:12,310 --> 00:00:10,960
isolated in space and around massive

4
00:00:15,749 --> 00:00:12,320
matter lives on several

5
00:00:18,470 --> 00:00:15,759
million intelligent beings man

6
00:00:21,109 --> 00:00:18,480
but what is his origin some say he

7
00:00:23,029 --> 00:00:21,119
evolved from the slime of the sea

8
00:00:25,349 --> 00:00:23,039
others that a god created an adam and

9
00:00:26,870 --> 00:00:25,359
eve and he was their descendant

10
00:00:28,550 --> 00:00:26,880
yet another speculates that he was

11
00:00:30,710 --> 00:00:28,560
brought here sometime in the distant

12
00:00:32,870 --> 00:00:30,720
past when the earth was colonized by men

13
00:00:35,510 --> 00:00:32,880

from another dying planet

14

00:00:38,790 --> 00:00:35,520

despite the theories and speculations

15

00:00:41,990 --> 00:00:38,800

the answer remains an unsolved mystery

16

00:00:44,790 --> 00:00:42,000

as to where he is that's easier a planet

17

00:00:47,029 --> 00:00:44,800

eight thousand miles in diameter located

18

00:00:50,950 --> 00:00:47,039

in a remote portion of a galaxy

19

00:00:53,670 --> 00:00:50,960

somewhere somewhere in infinite space

20

00:00:55,670 --> 00:00:53,680

why is he here that too remains an

21

00:00:57,750 --> 00:00:55,680

unsolved mystery

22

00:00:59,349 --> 00:00:57,760

occupied by his daily affairs he finds

23

00:01:00,630 --> 00:00:59,359

little time to contemplate such

24

00:01:03,110 --> 00:01:00,640

questions

25

00:01:04,149 --> 00:01:03,120

except for those moments on a clear

26

00:01:05,830 --> 00:01:04,159

night

27

00:01:07,750 --> 00:01:05,840

when man pauses and looks to the

28

00:01:09,990 --> 00:01:07,760

star-filled heavens

29

00:01:11,190 --> 00:01:10,000

and in his mind stirs an unanswered

30

00:01:12,950 --> 00:01:11,200

question

31

00:01:14,310 --> 00:01:12,960

he searches his thoughts for an

32

00:01:17,030 --> 00:01:14,320

explanation

33

00:01:18,710 --> 00:01:17,040

a key to the faint forgotten memory of

34

00:01:20,950 --> 00:01:18,720

his past

35

00:01:22,870 --> 00:01:20,960

and perhaps at that moment somewhere

36

00:01:25,749 --> 00:01:22,880

else in the universe

37

00:01:27,350 --> 00:01:25,759

on a distant planet similar to his own

38

00:01:28,630 --> 00:01:27,360

somewhere on the other side of our

39

00:01:31,670 --> 00:01:28,640

galaxy

40

00:01:33,910 --> 00:01:31,680

other intelligent beings wondered too

41

00:01:35,270 --> 00:01:33,920

and set out in airships on an adventure

42

00:01:39,670 --> 00:01:35,280

through space

43

00:01:45,590 --> 00:01:43,590

november 2nd 1967 two men are driving

44

00:01:48,310 --> 00:01:45,600

west of loveland texas

45

00:01:49,510 --> 00:01:48,320

the night is clear and still then around

46

00:01:56,560 --> 00:01:49,520

11 p.m

47

00:02:05,990 --> 00:01:58,260

[Music]

48

00:02:06,000 --> 00:02:10,469

before i paid

49

00:02:10,479 --> 00:02:19,670

[Music]

50

00:02:19,680 --> 00:02:33,760

come on let's get out and check it

51

00:03:28,949 --> 00:02:41,640

[Music]

52

00:03:32,710 --> 00:03:31,430

after the object disappears their lights

53

00:03:35,190 --> 00:03:32,720

come back on

54

00:03:37,190 --> 00:03:35,200

the engine restarts and they hurry to

55

00:03:39,110 --> 00:03:37,200

notify the police

56

00:03:41,670 --> 00:03:39,120

later the air force investigates their

57

00:03:44,229 --> 00:03:41,680

story and 15 similar reports

58

00:03:44,789 --> 00:03:44,239

for concluding that a form of globular

59

00:03:47,830 --> 00:03:44,799

lightning

60

00:03:48,869 --> 00:03:47,840

was responsible for the sightings but

61

00:03:51,130 --> 00:03:48,879

there are many other

62

00:03:54,869 --> 00:03:51,140

possible explanations

63

00:04:00,309 --> 00:03:57,750

what you're witnessing is based on fact

64

00:04:01,110 --> 00:04:00,319

some will find it fascinating some may

65

00:04:04,149 --> 00:04:01,120

find it

66

00:04:06,229 --> 00:04:04,159

frightening but it is all true

67

00:04:07,509 --> 00:04:06,239

with special thanks to nasa and the

68

00:04:10,149 --> 00:04:07,519

department of defense

69

00:04:11,110 --> 00:04:10,159

for their cooperation in our search for

70

00:04:15,030 --> 00:04:11,120

u

71

f o's

72

00:04:36,950 --> 00:04:28,550

it has begun

73

00:04:43,510 --> 00:04:41,430

the old testament ezekiel chapter 1

74

00:04:44,870 --> 00:04:43,520

it came to pass that the heavens were

75

00:04:48,230 --> 00:04:44,880

opened and i

76

00:04:49,110 --> 00:04:48,240

saw visions of god out of the midst

77

00:04:51,189 --> 00:04:49,120

thereof

78

00:04:52,710 --> 00:04:51,199

came the likeness of four living

79

00:04:56,310 --> 00:04:52,720

creatures

80

00:04:58,550 --> 00:04:56,320

they had the likeness of man now as i

81

00:05:01,670 --> 00:04:58,560

beheld the living creatures

82

00:05:04,629 --> 00:05:01,680

behold one wheel upon the earth

83

00:05:06,390 --> 00:05:04,639

by the living creatures the appearance

84

00:05:09,430 --> 00:05:06,400

of the wheels in their work

85

00:05:11,110 --> 00:05:09,440

was like under the color barrel and

86

00:05:13,909 --> 00:05:11,120

their appearance their work

87

00:05:15,270 --> 00:05:13,919

was as it were a wheel in the middle of

88

00:05:17,430 --> 00:05:15,280

a wheel

89

00:05:18,550 --> 00:05:17,440

and when they went they went up on their

90

00:05:22,390 --> 00:05:18,560

four sides

91

00:05:24,790 --> 00:05:22,400

and they turned not when they went

92

00:05:26,390 --> 00:05:24,800

as for the rings they were so high they

93

00:05:28,790 --> 00:05:26,400

were dreadful

94

00:05:29,749 --> 00:05:28,800

and their rings were full of eyes round

95

00:05:33,270 --> 00:05:29,759

about them

96

00:05:36,150 --> 00:05:33,280

for and when the living creatures were

97

00:05:38,230 --> 00:05:36,160

the wheels went by them and when the

98

00:05:39,590 --> 00:05:38,240

living creatures were lifted up from the

99

00:05:42,629 --> 00:05:39,600

earth

100

00:05:45,670 --> 00:05:42,639

the wheels lifted up

101
00:05:46,150 --> 00:05:45,680
this account took place some 500 years

102
00:05:48,950 --> 00:05:46,160
before

103
00:05:50,870 --> 00:05:48,960
christ other accounts very similar in

104
00:05:52,629 --> 00:05:50,880
earlier ancient writings

105
00:05:54,550 --> 00:05:52,639
the greeks and romans also known to have

106
00:05:56,390 --> 00:05:54,560
made observations of such things as

107
00:05:57,749 --> 00:05:56,400
phantom chariots appearing in the night

108
00:05:59,990 --> 00:05:57,759
sky

109
00:06:01,350 --> 00:06:00,000
records also tell us that during the

110
00:06:03,029 --> 00:06:01,360
reign of charlemagne

111
00:06:04,870 --> 00:06:03,039
there were many accounts of encounters

112
00:06:07,670 --> 00:06:04,880
with tyrants of the air

113
00:06:09,749 --> 00:06:07,680

and their aerial ships these accounts so

114

00:06:11,350 --> 00:06:09,759

concern charlemagne that those reporting

115

00:06:14,469 --> 00:06:11,360

such strange phenomena

116

00:06:16,469 --> 00:06:14,479

were subject to torture and death here

117

00:06:18,550 --> 00:06:16,479

is one recorded event

118

00:06:21,110 --> 00:06:18,560

given between the 8th and 9th century

119

00:06:24,309 --> 00:06:21,120

and france

120

00:06:26,390 --> 00:06:24,319

one day among other instances it chanced

121

00:06:29,110 --> 00:06:26,400

at leon that three men and a woman were

122

00:06:30,950 --> 00:06:29,120

seen descending from these aerial ships

123

00:06:32,870 --> 00:06:30,960

the entire city gathered above them

124

00:06:34,950 --> 00:06:32,880

saying that they were magicians

125

00:06:36,390 --> 00:06:34,960

sent by charlemagne's enemy to destroy

126

00:06:38,629 --> 00:06:36,400

the french harvest

127

00:06:40,070 --> 00:06:38,639

in vain the four innocents sought to

128

00:06:41,830 --> 00:06:40,080

vindicate themselves

129

00:06:43,510 --> 00:06:41,840

saying that they were their own country

130

00:06:46,150 --> 00:06:43,520

folks and have been carried away

131

00:06:48,710 --> 00:06:46,160

short time since by miraculous men who

132

00:06:50,550 --> 00:06:48,720

had shown them unheard of marvels

133

00:06:52,070 --> 00:06:50,560

luckily the bishop of lyon pronounced

134

00:06:53,670 --> 00:06:52,080

the incident as false

135

00:06:55,589 --> 00:06:53,680

saying it was not true these men had

136

00:06:57,350 --> 00:06:55,599

fallen from the sky and what the town

137

00:06:58,550 --> 00:06:57,360

folks said they had seen there was

138

00:06:59,749 --> 00:06:58,560

impossible

139

00:07:02,070 --> 00:06:59,759

the people believed what their good

140

00:07:04,150 --> 00:07:02,080

bishop said rather than their own eyes

141

00:07:05,909 --> 00:07:04,160

instead of liberty the four ambassadors

142

00:07:10,629 --> 00:07:05,919

from the ship

143

00:07:13,110 --> 00:07:10,639

the date was november 12th the year 1887

144

00:07:13,909 --> 00:07:13,120

the time was near midnight aboard the

145

00:07:16,790 --> 00:07:13,919

sailing ship

146

00:07:17,830 --> 00:07:16,800

siberian when it was reported that

147

00:07:21,110 --> 00:07:17,840

several people

148

00:07:22,469 --> 00:07:21,120

aboard ship witnessed a huge sphere of

149

00:07:25,990 --> 00:07:22,479

fire

150

00:07:29,430 --> 00:07:26,000

it was observed arising out of the ocean

151
00:07:32,390 --> 00:07:29,440
it rose to an altitude of 16 meters

152
00:07:33,510 --> 00:07:32,400
then flew against the wind and came

153
00:07:36,390 --> 00:07:33,520
close to the ship

154
00:07:37,909 --> 00:07:36,400
then dashed off toward the southeast

155
00:07:41,430 --> 00:07:37,919
this sighting lasted

156
00:07:42,950 --> 00:07:41,440
a full five minutes

157
00:07:46,550 --> 00:07:42,960
[Music]

158
00:07:48,790 --> 00:07:46,560
within the years 1896 and 97

159
00:07:50,869 --> 00:07:48,800
mysterious airships were reported all

160
00:07:52,629 --> 00:07:50,879
across the united states

161
00:07:54,790 --> 00:07:52,639
in oakland california a group of

162
00:07:56,950 --> 00:07:54,800
streetcar passengers reported a winged

163
00:07:57,990 --> 00:07:56,960

cigar that sent out a stream of bright

164

00:08:00,070 --> 00:07:58,000

light

165

00:08:02,150 --> 00:08:00,080

the sightings spread through colorado

166

00:08:04,469 --> 00:08:02,160

texas kansas nebraska

167

00:08:05,909 --> 00:08:04,479

iowa and many other states particularly

168

00:08:09,430 --> 00:08:05,919

in the midwest

169

00:08:10,469 --> 00:08:09,440

on april 11th 1897 walter mccann of

170

00:08:12,869 --> 00:08:10,479

rogers park

171

00:08:14,710 --> 00:08:12,879

a few miles north of chicago took a

172

00:08:16,230 --> 00:08:14,720

photograph of an airship

173

00:08:17,749 --> 00:08:16,240

the new york herald as well as the

174

00:08:19,909 --> 00:08:17,759

chicago herald tribune

175

00:08:23,189 --> 00:08:19,919

pronounced the plates as being genuine

176

00:08:29,110 --> 00:08:26,469

dr jacques valet international authority

177

00:08:30,869 --> 00:08:29,120

on the ufo experience the first thing

178

00:08:33,269 --> 00:08:30,879

i'd like to dispel

179

00:08:35,269 --> 00:08:33,279

is a frequent misconception that ufos

180

00:08:37,670 --> 00:08:35,279

are limited to this country

181

00:08:39,430 --> 00:08:37,680

very often people ask me how come i

182

00:08:40,230 --> 00:08:39,440

never hear about ufos in other parts of

183

00:08:42,469 --> 00:08:40,240

the world

184

00:08:43,670 --> 00:08:42,479

how can we only hear about ufos in

185

00:08:48,870 --> 00:08:43,680

america

186

00:08:50,470 --> 00:08:48,880

they are a worldwide phenomenon

187

00:08:52,310 --> 00:08:50,480

that's one of their most dramatic

188

00:08:55,430 --> 00:08:52,320

characteristics

189

00:08:57,269 --> 00:08:55,440

the first major wave of sightings

190

00:08:59,829 --> 00:08:57,279

and sightings tend to come in very

191

00:09:02,230 --> 00:08:59,839

intense series over a couple of months

192

00:09:02,949 --> 00:09:02,240

over a given region of the world the

193

00:09:05,190 --> 00:09:02,959

first

194

00:09:06,470 --> 00:09:05,200

such major wave occurred over

195

00:09:09,990 --> 00:09:06,480

scandinavia

196

00:09:13,190 --> 00:09:11,829

there was a major wave in this country

197

00:09:15,350 --> 00:09:13,200

in 1947

198

00:09:17,190 --> 00:09:15,360

mainly in the western states and then

199

00:09:20,310 --> 00:09:17,200

there have been waves in the us

200

00:09:21,430 --> 00:09:20,320

in 1950 1952 and so on

201
00:09:24,949 --> 00:09:21,440
and they have been intense

202
00:09:28,470 --> 00:09:24,959
concentrations of sightings in africa

203
00:09:30,470 --> 00:09:28,480
in latin america in mexico

204
00:09:32,230 --> 00:09:30,480
in the soviet union in the people's

205
00:09:34,230 --> 00:09:32,240
republic of china

206
00:09:36,710 --> 00:09:34,240
australia new zealand and on and on and

207
00:09:38,630 --> 00:09:36,720
on i don't know of any single country

208
00:09:40,949 --> 00:09:38,640
that has not had a series of ufo

209
00:09:44,230 --> 00:09:40,959
sightings

210
00:09:46,070 --> 00:09:44,240
may 1975 manitoba canada

211
00:09:48,870 --> 00:09:46,080
unidentified flying objects have been

212
00:09:50,550 --> 00:09:48,880
reported over the small town of carmen

213
00:09:54,230 --> 00:09:50,560

the objects have been seen by many

214

00:09:57,350 --> 00:09:54,240

witnesses over a period of several weeks

215

00:10:00,949 --> 00:09:57,360

may 13 1975 cameraman

216

00:10:03,190 --> 00:10:00,959

alan carr of station cky in manitoba

217

00:10:04,069 --> 00:10:03,200

photographs two separate sightings over

218

00:10:06,790 --> 00:10:04,079

common

219

00:10:09,190 --> 00:10:06,800

in front of four witnesses the first

220

00:10:10,230 --> 00:10:09,200

sighting occurs at approximately 10 30

221

00:10:12,389 --> 00:10:10,240

pm

222

00:10:13,829 --> 00:10:12,399

the object appears to be stationary just

223

00:10:16,790 --> 00:10:13,839

above the ground

224

00:10:18,550 --> 00:10:16,800

then almost simultaneous with a flash

225

00:10:22,150 --> 00:10:18,560

which appears in the sky

226
00:10:24,230 --> 00:10:22,160
the object moves north at blinding speed

227
00:10:25,430 --> 00:10:24,240
only when the film is later analyzed in

228
00:10:28,069 --> 00:10:25,440
slow motion

229
00:10:30,310 --> 00:10:28,079
the scar realized what he has captured

230
00:10:33,030 --> 00:10:30,320
photographically

231
00:10:34,630 --> 00:10:33,040
approximately an hour later a second

232
00:10:36,310 --> 00:10:34,640
sighting occurs

233
00:10:37,670 --> 00:10:36,320
the object appears over a group of

234
00:10:40,470 --> 00:10:37,680
trains and moves from

235
00:10:43,190 --> 00:10:40,480
left to right at an apparently low

236
00:10:45,910 --> 00:10:43,200
relative altitude to the horizon

237
00:10:47,350 --> 00:10:45,920
again slow motion analysis provides a

238
00:10:51,670 --> 00:10:47,360

fascinating study

239

00:10:56,790 --> 00:10:55,110

on june 30th 1973 john bego of the

240

00:10:59,590 --> 00:10:56,800

astrophysical institute

241

00:10:59,990 --> 00:10:59,600

flew over chad aboard a concord packed

242

00:11:03,430 --> 00:11:00,000

full of

243

00:11:06,150 --> 00:11:03,440

scientist and scientific apparatus at 17

244

00:11:07,430 --> 00:11:06,160

000 meters altitude in the twilight of a

245

00:11:09,430 --> 00:11:07,440

total eclipse

246

00:11:16,949 --> 00:11:09,440

mr bego photographed the horizon with

247

00:11:20,470 --> 00:11:19,030

when the photo was enlarged one of the

248

00:11:22,710 --> 00:11:20,480

slides showed what you're now

249

00:11:23,670 --> 00:11:22,720

seeing if you look closely at this

250

00:11:25,910 --> 00:11:23,680

photograph

251
00:11:29,480 --> 00:11:25,920
it resembles exactly what has been cited

252
00:11:32,710 --> 00:11:29,490
by many americans during 1973 and 74.

253
00:11:36,790 --> 00:11:34,870
although nasa takes no official position

254
00:11:38,470 --> 00:11:36,800
as to the ufo phenomena and their

255
00:11:40,389 --> 00:11:38,480
probable explanation

256
00:11:42,389 --> 00:11:40,399
nevertheless there remains on the record

257
00:11:42,949 --> 00:11:42,399
several unexplainable sightings by

258
00:11:45,990 --> 00:11:42,959
gemini

259
00:11:47,590 --> 00:11:46,000
apollo and skylab astronauts the first

260
00:11:51,829 --> 00:11:47,600
sighting occurred during gemini

261
00:11:53,910 --> 00:11:51,839
4 in june of 1965 astronaut jim mcdevitt

262
00:11:54,230 --> 00:11:53,920
suddenly spotted a cylindrical object

263
00:11:57,030 --> 00:11:54,240

with

264

00:11:57,509 --> 00:11:57,040

arms and antennae and when seen against

265

00:12:00,389 --> 00:11:57,519

the day

266

00:12:02,150 --> 00:12:00,399

sky it appeared white or silvery the

267

00:12:03,350 --> 00:12:02,160

object then appeared to be moving toward

268

00:12:05,750 --> 00:12:03,360

the craft

269

00:12:07,350 --> 00:12:05,760

suddenly they lost sight of it during

270

00:12:09,350 --> 00:12:07,360

the sighting the astronauts were able to

271

00:12:11,670 --> 00:12:09,360

take these photographs and movie films

272

00:12:14,470 --> 00:12:11,680

of the ufo

273

00:12:16,949 --> 00:12:14,480

gemini 5 later that year after three

274

00:12:19,670 --> 00:12:16,959

days and five hours into their mission

275

00:12:21,750 --> 00:12:19,680

were contacted by houston control center

276
00:12:23,829 --> 00:12:21,760
advising the astronauts that houston had

277
00:12:26,230 --> 00:12:23,839
picked up and was tracking another

278
00:12:28,230 --> 00:12:26,240
object which was pacing gemini across

279
00:12:30,389 --> 00:12:28,240
the entire united states

280
00:12:32,470 --> 00:12:30,399
they estimated the ufo between two

281
00:12:33,350 --> 00:12:32,480
thousand to ten thousand yards from the

282
00:12:38,790 --> 00:12:33,360
craft

283
00:12:40,550 --> 00:12:38,800
because of the limitations of viewing

284
00:12:43,670 --> 00:12:40,560
area aboard their capsule

285
00:12:45,750 --> 00:12:43,680
no visual contact was made radar

286
00:12:47,190 --> 00:12:45,760
continued to track the object until they

287
00:12:48,150 --> 00:12:47,200
passed the ascension islands in the

288
00:12:51,829 --> 00:12:48,160

atlantic

289

00:12:53,190 --> 00:12:51,839

it then disappeared gemini 10 crew

290

00:12:54,870 --> 00:12:53,200

collins and young

291

00:12:57,670 --> 00:12:54,880

picked up objects traveling together in

292

00:12:58,230 --> 00:12:57,680

orbit a positive identification has to

293

00:13:01,190 --> 00:12:58,240

date

294

00:13:03,509 --> 00:13:01,200

not been made this photo was taken

295

00:13:04,710 --> 00:13:03,519

during the gemini 11 flight on the 18th

296

00:13:08,790 --> 00:13:04,720

revolution

297

00:13:12,710 --> 00:13:08,800

27 hours and 47 minutes after liftoff

298

00:13:14,389 --> 00:13:12,720

september 13 1966 this ufo was tracked

299

00:13:17,430 --> 00:13:14,399

visually and recorded on

300

00:13:19,750 --> 00:13:17,440

film by the crew and is truly considered

301
00:13:22,389 --> 00:13:19,760
unidentified by the photo interpretation

302
00:13:23,910 --> 00:13:22,399
experts at nasa

303
00:13:25,910 --> 00:13:23,920
perhaps the strongest and most

304
00:13:27,670 --> 00:13:25,920
spectacular of all the sightings took

305
00:13:29,269 --> 00:13:27,680
place aboard apollo 11

306
00:13:30,790 --> 00:13:29,279
on its way to the moon for the first

307
00:13:35,430 --> 00:13:30,800
moon landing

308
00:13:38,230 --> 00:13:35,440
the ship was one day out on july 16 1969

309
00:13:40,790 --> 00:13:38,240
when they spotted an unusual object it

310
00:13:42,389 --> 00:13:40,800
had a sizable dimension to it

311
00:13:44,230 --> 00:13:42,399
at first the crew thought it was the

312
00:13:46,629 --> 00:13:44,240
saturn four booster rock

313
00:13:48,389 --> 00:13:46,639

and called houston for confirmation

314

00:13:50,389 --> 00:13:48,399

houston informed them the booster in

315

00:13:51,509 --> 00:13:50,399

question was some six thousand miles

316

00:13:54,949 --> 00:13:51,519

away

317

00:13:57,430 --> 00:13:54,959

the object remains unknown

318

00:13:58,150 --> 00:13:57,440

during the skylab three second manned

319

00:14:01,269 --> 00:13:58,160

flight

320

00:14:04,230 --> 00:14:01,279

on the 23rd day of 1973

321

00:14:06,069 --> 00:14:04,240

at sunrise a series of four exposures

322

00:14:08,230 --> 00:14:06,079

were made by the crew of a visually

323

00:14:10,790 --> 00:14:08,240

sighted unidentified flying object

324

00:14:12,870 --> 00:14:10,800

or satellite as considered by the nasa

325

00:14:15,189 --> 00:14:12,880

photo interpretation laboratory

326
00:14:16,470 --> 00:14:15,199
the skylab crew noticed a large

327
00:14:19,590 --> 00:14:16,480
star-shaped object

328
00:14:21,910 --> 00:14:19,600
brighter than a planet or star

329
00:14:24,230 --> 00:14:21,920
they watched it for about 10 minutes

330
00:14:27,030 --> 00:14:24,240
they estimated its distances from 30 to

331
00:14:29,750 --> 00:14:27,040
50 nautical miles from skylab

332
00:14:31,030 --> 00:14:29,760
it too remains an unknown despite north

333
00:14:34,310 --> 00:14:31,040
american air defense

334
00:14:36,389 --> 00:14:34,320
and nasa's attempt to identify it among

335
00:14:38,230 --> 00:14:36,399
the thousands of military men in recent

336
00:14:39,829 --> 00:14:38,240
times who lost their lives while in the

337
00:14:41,750 --> 00:14:39,839
service of their country

338
00:14:44,870 --> 00:14:41,760

the circumstances surrounding captain

339

00:14:46,870 --> 00:14:44,880

mantell's death are indeed extraordinary

340

00:14:48,710 --> 00:14:46,880

this experienced military pilot who'd

341

00:14:50,710 --> 00:14:48,720

flown in the invasion of normandy and

342

00:14:52,069 --> 00:14:50,720

numerous missions over the orion under

343

00:14:54,870 --> 00:14:52,079

heavy attack

344

00:14:55,670 --> 00:14:54,880

would take with him to his death perhaps

345

00:14:59,670 --> 00:14:55,680

the closest

346

00:15:03,590 --> 00:14:59,680

glimpse of what was thought to be ufo

347

00:15:05,990 --> 00:15:03,600

the date is january the 7th 1948

348

00:15:08,389 --> 00:15:06,000

the time is 2 o'clock in the afternoon

349

00:15:12,470 --> 00:15:08,399

here at the garden and air force base

350

00:15:14,790 --> 00:15:12,480

just outside of louisville kentucky

351
00:15:16,069 --> 00:15:14,800
state policeman calls in to report what

352
00:15:19,030 --> 00:15:16,079
he has cited

353
00:15:20,230 --> 00:15:19,040
it's an unusual aircraft circular in

354
00:15:23,269 --> 00:15:20,240
appearance

355
00:15:25,829 --> 00:15:23,279
approximately 250 to

356
00:15:27,750 --> 00:15:25,839
300 feet in diameter i'd say it's moving

357
00:15:28,870 --> 00:15:27,760
westwardly at a pretty good clip any

358
00:15:30,790 --> 00:15:28,880
information

359
00:15:32,310 --> 00:15:30,800
negative i will check with our

360
00:15:34,150 --> 00:15:32,320
commanding officer

361
00:15:36,310 --> 00:15:34,160
instructions were given to contact

362
00:15:38,550 --> 00:15:36,320
nearby right paterson air base

363
00:15:40,389 --> 00:15:38,560

to see if they had any experimental

364

00:15:42,069 --> 00:15:40,399

aircraft up in that area

365

00:15:43,749 --> 00:15:42,079

flight test we have no experimental

366

00:15:46,230 --> 00:15:43,759

aircraft in the area

367

00:15:48,150 --> 00:15:46,240

the reports still continue to come in

368

00:15:52,629 --> 00:15:48,160

from adjoining towns

369

00:15:54,710 --> 00:15:52,639

at 1 45 pm it happens

370

00:15:55,829 --> 00:15:54,720

it's very white and looks like an

371

00:15:57,829 --> 00:15:55,839

umbrella

372

00:15:59,749 --> 00:15:57,839

i don't know what it is through the

373

00:16:01,910 --> 00:15:59,759

binox it appears to have a

374

00:16:03,269 --> 00:16:01,920

red border at the bottom at times and a

375

00:16:06,629 --> 00:16:03,279

red border at the top

376

00:16:09,189 --> 00:16:06,639

at times at approximately 2 30 p.m

377

00:16:09,990 --> 00:16:09,199

a flight of air force p-51 has come into

378

00:16:12,150 --> 00:16:10,000

view

379

00:16:13,269 --> 00:16:12,160

the base commander decides to contact

380

00:16:16,069 --> 00:16:13,279

the flight leader

381

00:16:17,189 --> 00:16:16,079

captain mantell this is godman base

382

00:16:20,550 --> 00:16:17,199

commander

383

00:16:21,749 --> 00:16:20,560

roger garden tower this is ng869 flight

384

ng 869 from godman tower we have an

386

00:16:28,470 --> 00:16:26,720

object out south of godman here that we

387

00:16:29,910 --> 00:16:28,480

were unable to identify

388

00:16:31,749 --> 00:16:29,920

we would like you to take a look for us

389

00:16:33,509 --> 00:16:31,759

roger i will take a look for you if you

390

00:16:35,590 --> 00:16:33,519

give me the correct reading

391

00:16:37,430 --> 00:16:35,600

mantel moves ahead of its wingman the

392

00:16:37,910 --> 00:16:37,440

tower advises the flight leader to

393

00:16:40,389 --> 00:16:37,920

correct

394

00:16:43,590 --> 00:16:40,399

his course five degrees to the left to

395

00:16:46,230 --> 00:16:43,600

210 degrees from godman tower

396

00:16:48,629 --> 00:16:46,240

cotton tower this is flight leader ng

397

00:16:50,949 --> 00:16:48,639

869 captain mantel

398

00:16:52,150 --> 00:16:50,959

object traveling at half my speed and

399

00:16:54,389 --> 00:16:52,160

directly ahead of me

400

00:16:55,670 --> 00:16:54,399

and above and i'm closing in to take a

401
00:16:59,670 --> 00:16:55,680
good look

402
00:17:03,670 --> 00:17:02,150
and to be a tremendous size i'm going to

403
00:17:06,470 --> 00:17:03,680
20 000

404
00:17:07,029 --> 00:17:06,480
the other pilots level off under 15 000

405
00:17:10,069 --> 00:17:07,039
feet

406
00:17:13,750 --> 00:17:10,079
and start down at approximately 3

407
00:17:16,789 --> 00:17:13,760
15 p.m godman tower loses sight

408
00:17:19,110 --> 00:17:16,799
of the ufo five minutes later

409
00:17:20,309 --> 00:17:19,120
the report came in that captain mantel's

410
00:17:22,390 --> 00:17:20,319
plane had crashed

411
00:17:25,730 --> 00:17:22,400
he was found dead his watch had stopped

412
00:17:27,189 --> 00:17:25,740
at 3 10 p.m that afternoon

413
00:17:29,510 --> 00:17:27,199

[Music]

414

00:17:31,350 --> 00:17:29,520

what was it that caused this experienced

415

00:17:33,190 --> 00:17:31,360

pilot to become intrigued with an object

416

00:17:36,470 --> 00:17:33,200

that he would unwittingly give his life

417

00:17:41,669 --> 00:17:38,950

six months later a cylindrical shaped

418

00:17:43,669 --> 00:17:41,679

object giving off a phosphorescent glow

419

00:17:46,070 --> 00:17:43,679

was to be sighted in the night sky over

420

00:17:49,270 --> 00:17:46,080

robins air force base in georgia

421

00:17:51,510 --> 00:17:49,280

at 2 45 am captain c s childs

422

00:17:53,350 --> 00:17:51,520

and first officer jb whitted were

423

00:17:55,350 --> 00:17:53,360

piloting a routine eastern airlines

424

00:17:57,510 --> 00:17:55,360

flight number 576

425

00:17:58,549 --> 00:17:57,520

from houston to atlanta when whitted

426
00:18:01,669 --> 00:17:58,559
reports

427
00:18:04,150 --> 00:18:01,679
we cited an object coming toward us this

428
00:18:05,590 --> 00:18:04,160
strange object had a stream of red fire

429
00:18:07,430 --> 00:18:05,600
coming from its tail

430
00:18:09,750 --> 00:18:07,440
and i could see it was much larger than

431
00:18:11,750 --> 00:18:09,760
anything i had seen or read about

432
00:18:13,590 --> 00:18:11,760
childs then notices that the object had

433
00:18:16,230 --> 00:18:13,600
no wings supporting it

434
00:18:18,870 --> 00:18:16,240
it passed us on the right side its speed

435
00:18:20,870 --> 00:18:18,880
was about 700 miles per hour

436
00:18:22,789 --> 00:18:20,880
and both men get a very good look at

437
00:18:25,430 --> 00:18:22,799
this unusual object

438
00:18:26,470 --> 00:18:25,440

it was about 100 feet long shaped like a

439

00:18:28,710 --> 00:18:26,480

cigar

440

00:18:29,510 --> 00:18:28,720

as it passed they clearly saw two rows

441

00:18:31,750 --> 00:18:29,520

of windows

442

00:18:32,950 --> 00:18:31,760

and upper and lower that were large and

443

00:18:34,390 --> 00:18:32,960

square

444

00:18:37,110 --> 00:18:34,400

during that evening there was a third

445

00:18:39,110 --> 00:18:37,120

witness the one passenger who was awake

446

00:18:42,870 --> 00:18:39,120

on that eastern airlines flight

447

00:18:46,230 --> 00:18:42,880

clarence mckelvey i was startled

448

00:18:48,390 --> 00:18:46,240

frightened a male steward

449

00:18:50,150 --> 00:18:48,400

came to me and said i notice you've been

450

00:18:51,190 --> 00:18:50,160

looking out the window will you talk to

451
00:18:54,830 --> 00:18:51,200
the pilot

452
00:18:57,990 --> 00:18:54,840
down with his

453
00:18:59,990 --> 00:18:58,000
clipboard he was visibly shaken

454
00:19:01,110 --> 00:19:00,000
he told me that he had been a flyer in

455
00:19:04,310 --> 00:19:01,120
the war

456
00:19:05,909 --> 00:19:04,320
and it covered so many million miles of

457
00:19:07,110 --> 00:19:05,919
flight and had never seen anything like

458
00:19:10,789 --> 00:19:07,120
this before

459
00:19:13,669 --> 00:19:10,799
what was it that i saw i saw this object

460
00:19:14,630 --> 00:19:13,679
was cigar shaped they had a row of

461
00:19:17,750 --> 00:19:14,640
windows

462
00:19:21,430 --> 00:19:17,760
behind them it was lit out of the rear

463
00:19:23,510 --> 00:19:21,440

was a cherry red flame

464

00:19:25,350 --> 00:19:23,520

this hair-raising experience was

465

00:19:27,909 --> 00:19:25,360

witnessed by three aircraft

466

00:19:29,669 --> 00:19:27,919

a passenger and ground observers added

467

00:19:31,430 --> 00:19:29,679

more corroboration

468

00:19:33,350 --> 00:19:31,440

the conclusion of an air intelligence

469

00:19:35,909 --> 00:19:33,360

report was that the object remains

470

00:19:37,270 --> 00:19:35,919

unidentified as to origin construction

471

00:19:39,590 --> 00:19:37,280

and power source

472

00:19:40,760 --> 00:19:39,600

and goes into the record classified as

473

00:19:42,070 --> 00:19:40,770

unknown

474

00:19:46,630 --> 00:19:42,080

[Music]

475

00:19:50,710 --> 00:19:49,110

and this man is colonel bill coleman he

476

00:19:53,150 --> 00:19:50,720

was chief of public information for the

477

00:19:55,430 --> 00:19:53,160

united states air force from 1969 to

478

00:19:57,110 --> 00:19:55,440

1974.

479

00:19:58,710 --> 00:19:57,120

it was here at the pentagon that the

480

00:20:00,870 --> 00:19:58,720

defense department first became

481

00:20:03,830 --> 00:20:00,880

interested in the ufo phenomenon

482

00:20:05,270 --> 00:20:03,840

this occurred in the late 1940s with

483

00:20:07,110 --> 00:20:05,280

reports about objects

484

00:20:08,870 --> 00:20:07,120

and lights in the sky by military

485

00:20:10,789 --> 00:20:08,880

personnel and others

486

00:20:11,990 --> 00:20:10,799

the air force decided to investigate the

487

00:20:13,669 --> 00:20:12,000

matter anyway

488

00:20:15,590 --> 00:20:13,679

there was that one possibility that

489

00:20:17,270 --> 00:20:15,600

these flying objects could well be

490

00:20:20,549 --> 00:20:17,280

foreign weapons

491

00:20:22,950 --> 00:20:20,559

used for test purposes and might affect

492

00:20:24,789 --> 00:20:22,960

our national security

493

00:20:27,029 --> 00:20:24,799

the investigative branch was called

494

00:20:27,669 --> 00:20:27,039

project sign the project had only been

495

00:20:29,590 --> 00:20:27,679

underway

496

00:20:32,070 --> 00:20:29,600

for about two weeks when the mantel

497

00:20:33,190 --> 00:20:32,080

crash had made headlines across the

498

00:20:35,110 --> 00:20:33,200

nation

499

00:20:37,190 --> 00:20:35,120

the staff's investigation was far from

500

00:20:38,230 --> 00:20:37,200

complete but public pressure was

501
00:20:39,590 --> 00:20:38,240
enormous

502
00:20:41,270 --> 00:20:39,600
they were forced to come up with an

503
00:20:43,350 --> 00:20:41,280
answer to really quiet

504
00:20:46,149 --> 00:20:43,360
growing speculation that mantel had been

505
00:20:47,270 --> 00:20:46,159
killed by hostile aliens and some flying

506
00:20:49,750 --> 00:20:47,280
saucer

507
00:20:51,430 --> 00:20:49,760
that's when we decided that mantel had

508
00:20:53,909 --> 00:20:51,440
chased the planet venus

509
00:20:56,149 --> 00:20:53,919
however this was an initial finding the

510
00:20:57,669 --> 00:20:56,159
chills and wooded case had an impact on

511
00:20:59,270 --> 00:20:57,679
the air force project

512
00:21:02,070 --> 00:20:59,280
they presented the first close-up

513
00:21:03,990 --> 00:21:02,080

account by highly reliable witnesses the

514

00:21:05,190 --> 00:21:04,000

object described led some of the staff

515

00:21:07,830 --> 00:21:05,200

to postulate

516

00:21:10,070 --> 00:21:07,840

an extraterrestrial theory and they

517

00:21:11,990 --> 00:21:10,080

wrote up an estimate of the situation

518

00:21:14,870 --> 00:21:12,000

which at the time was classified top

519

00:21:19,029 --> 00:21:14,880

secret suggesting that the saucers were

520

00:21:20,710 --> 00:21:19,039

from outer space this story was rejected

521

00:21:21,909 --> 00:21:20,720

by the air force chief of staff general

522

00:21:23,669 --> 00:21:21,919

hoyt vanderberg

523

00:21:26,230 --> 00:21:23,679

and even other project science staff

524

00:21:28,789 --> 00:21:26,240

members as not having enough proof

525

00:21:29,990 --> 00:21:28,799

so the extraterrestrial visitation idea

526

00:21:34,070 --> 00:21:30,000

was dropped for the time

527

00:21:36,470 --> 00:21:34,080

being it's been said and just that if

528

00:21:37,990 --> 00:21:36,480

these ufos are from other worlds and

529

00:21:39,590 --> 00:21:38,000

they wanted to be known

530

00:21:41,350 --> 00:21:39,600

all they'd have to do is land on the

531

00:21:43,430 --> 00:21:41,360

white house lawn

532

00:21:45,830 --> 00:21:43,440

but an incredible incident too quickly

533

00:21:47,029 --> 00:21:45,840

forgotten in time took place over our

534

00:21:49,830 --> 00:21:47,039

capital

535

00:21:51,830 --> 00:21:49,840

in 1952 air force spokesman for the

536

00:21:54,710 --> 00:21:51,840

pentagon and ufos at that time

537

00:21:56,470 --> 00:21:54,720

mr al chop relates the famous incident

538

00:21:58,470 --> 00:21:56,480

that stirred the capital

539

00:22:00,789 --> 00:21:58,480

causing a request from even president

540

00:22:02,789 --> 00:22:00,799

truman to be kept up to date on all the

541

00:22:05,590 --> 00:22:02,799

details

542

00:22:06,630 --> 00:22:05,600

there were radar reports of unidentified

543

00:22:09,830 --> 00:22:06,640

flying objects

544

00:22:10,870 --> 00:22:09,840

over the nation's capital we had three

545

00:22:12,950 --> 00:22:10,880

reports

546

00:22:14,549 --> 00:22:12,960

one came from andrews air force base

547

00:22:16,950 --> 00:22:14,559

radar control room

548

00:22:19,909 --> 00:22:16,960

and two from the radar controls at

549

00:22:21,510 --> 00:22:19,919

washington national airport

550

00:22:24,390 --> 00:22:21,520

the first sightings consisted of a

551
00:22:25,669 --> 00:22:24,400
number of unidentified targets picked up

552
00:22:28,870 --> 00:22:25,679
on radar

553
00:22:30,630 --> 00:22:28,880
then a call was placed from national to

554
00:22:31,590 --> 00:22:30,640
the andrews air force base flight

555
00:22:33,350 --> 00:22:31,600
controllers

556
00:22:34,710 --> 00:22:33,360
they were apparently tracking the same

557
00:22:36,789 --> 00:22:34,720
targets

558
00:22:39,350 --> 00:22:36,799
ben andrews reported a visual

559
00:22:41,270 --> 00:22:39,360
observation of three objects

560
00:22:42,710 --> 00:22:41,280
that were apparently in the same

561
00:22:46,149 --> 00:22:42,720
position as those

562
00:22:48,230 --> 00:22:46,159
indicated by our radar sets

563
00:22:50,789 --> 00:22:48,240

the target stayed on radar until about

564

00:22:53,190 --> 00:22:50,799

12 30 a.m

565

00:22:53,990 --> 00:22:53,200

they moved slowly at first about 100 to

566

00:22:57,190 --> 00:22:54,000

200 miles

567

00:23:00,470 --> 00:22:57,200

per hour then one of the targets

568

00:23:03,590 --> 00:23:00,480

sped away at a fantastic rate of speed

569

00:23:05,830 --> 00:23:03,600

it moved west from andrews toward

570

00:23:09,350 --> 00:23:05,840

riverdale

571

00:23:10,549 --> 00:23:09,360

the estimated speed was 7 300 miles per

572

00:23:13,990 --> 00:23:10,559

hour

573

00:23:18,070 --> 00:23:14,000

at this time in the tower we had about

574

00:23:20,149 --> 00:23:18,080

seven targets on the radar scope

575

00:23:21,590 --> 00:23:20,159

these unidentified objects were flying

576

00:23:24,070 --> 00:23:21,600

all over the city

577

00:23:25,029 --> 00:23:24,080

they even violated the restricted air

578

00:23:27,350 --> 00:23:25,039

corridors

579

00:23:28,789 --> 00:23:27,360

here over the white house and over the

580

00:23:31,350 --> 00:23:28,799

capitol building

581

00:23:33,990 --> 00:23:31,360

the phenomena wasn't to subside the

582

00:23:36,070 --> 00:23:34,000

following saturday night july 26th

583

00:23:37,909 --> 00:23:36,080

a repeat performance unsettles the

584

00:23:39,669 --> 00:23:37,919

capital again

585

00:23:41,110 --> 00:23:39,679

i was awakened the following saturday

586

00:23:43,110 --> 00:23:41,120

night around midnight

587

00:23:44,149 --> 00:23:43,120

by a telephone call to my home in

588

00:23:46,310 --> 00:23:44,159

virginia

589

00:23:47,430 --> 00:23:46,320

it was the public information officer

590

00:23:50,549 --> 00:23:47,440

for the federal

591

00:23:52,789 --> 00:23:50,559

aviation authority he told me the

592

00:23:53,590 --> 00:23:52,799

air traffic control radars were again

593

00:23:56,070 --> 00:23:53,600

picking up

594

00:23:57,110 --> 00:23:56,080

a large number of ufos over the capital

595

00:23:58,630 --> 00:23:57,120

area

596

00:24:00,870 --> 00:23:58,640

first they would follow a definite

597

00:24:02,230 --> 00:24:00,880

flight path and then they would suddenly

598

00:24:04,070 --> 00:24:02,240

disappear

599

00:24:05,430 --> 00:24:04,080

others would come into view just as

600

00:24:07,190 --> 00:24:05,440

suddenly

601
00:24:08,470 --> 00:24:07,200
i placed the phone call to the command

602
00:24:12,390 --> 00:24:08,480
post in the pentagon

603
00:24:14,070 --> 00:24:12,400
and i asked for an intercept about 2 40

604
00:24:16,870 --> 00:24:14,080
a.m

605
00:24:18,230 --> 00:24:16,880
we got a radio call from a flight of

606
00:24:21,350 --> 00:24:18,240
f-94s

607
00:24:23,350 --> 00:24:21,360
two aircraft in the flight they also

608
00:24:24,789 --> 00:24:23,360
at about that moment appeared on our

609
00:24:26,950 --> 00:24:24,799
scope

610
00:24:28,950 --> 00:24:26,960
and at that moment a very frightening

611
00:24:31,669 --> 00:24:28,960
thing happened to us

612
00:24:32,470 --> 00:24:31,679
all of our unknown traffic completely

613
00:24:34,630 --> 00:24:32,480

disappeared

614

00:24:35,750 --> 00:24:34,640

the moment those aircraft came on the

615

00:24:37,269 --> 00:24:35,760

scope

616

00:24:38,789 --> 00:24:37,279

the flight leader called in and said

617

00:24:40,149 --> 00:24:38,799

well it doesn't look like we're going to

618

00:24:42,470 --> 00:24:40,159

do any good here

619

00:24:44,149 --> 00:24:42,480

so we're going to go back to base and at

620

00:24:45,669 --> 00:24:44,159

the very moment those aircraft

621

00:24:48,070 --> 00:24:45,679

disappeared

622

00:24:49,990 --> 00:24:48,080

all of our unknown traffic occurred

623

00:24:51,669 --> 00:24:50,000

again on our scope

624

00:24:53,029 --> 00:24:51,679

and again it was a very frightening

625

00:24:55,029 --> 00:24:53,039

experience

626
00:24:57,269 --> 00:24:55,039
we called andrew's air force base and

627
00:24:59,510 --> 00:24:57,279
they reported exactly the same thing

628
00:25:01,510 --> 00:24:59,520
happened to

629
00:25:03,029 --> 00:25:01,520
on their scotland after the sighting

630
00:25:04,310 --> 00:25:03,039
general landry at the request of

631
00:25:06,310 --> 00:25:04,320
president truman

632
00:25:08,070 --> 00:25:06,320
called intelligence to find out what was

633
00:25:10,070 --> 00:25:08,080
happening over washington

634
00:25:11,990 --> 00:25:10,080
it was the largest and longest press

635
00:25:12,830 --> 00:25:12,000
conference held in the pentagon since

636
00:25:16,789 --> 00:25:12,840
world war

637
00:25:18,230 --> 00:25:16,799
ii general samford headed the conference

638
00:25:20,310 --> 00:25:18,240

and said that he was personally

639

00:25:21,669 --> 00:25:20,320

satisfied that the radar scope sightings

640

00:25:22,549 --> 00:25:21,679

were the result of temperature

641

00:25:24,390 --> 00:25:22,559

inversions

642

00:25:26,070 --> 00:25:24,400

which are known and account for certain

643

00:25:28,149 --> 00:25:26,080

blips on radar

644

00:25:29,909 --> 00:25:28,159

although this was the conclusion of the

645

00:25:32,310 --> 00:25:29,919

air force investigations

646

00:25:35,029 --> 00:25:32,320

interestingly enough the actual report

647

00:25:37,350 --> 00:25:35,039

begins with this opening comment

648

00:25:38,470 --> 00:25:37,360

a study of the various reports regarding

649

00:25:41,190 --> 00:25:38,480

the subject

650

00:25:44,870 --> 00:25:41,200

radar sightings do not allow a positive

651
00:25:47,909 --> 00:25:44,880
and final explanation to be made

652
00:25:50,310 --> 00:25:47,919
the cia now would enter the picture by

653
00:25:52,789 --> 00:25:50,320
convening a panel of top scientists to

654
00:25:55,430 --> 00:25:52,799
examine the ufo phenomena

655
00:25:57,430 --> 00:25:55,440
the cia's concern was that recent waves

656
00:25:59,430 --> 00:25:57,440
of sightings might constitute a threat

657
00:26:01,669 --> 00:25:59,440
to our national security

658
00:26:04,149 --> 00:26:01,679
the thinking was that the enemy could

659
00:26:05,990 --> 00:26:04,159
exploit ufos as a decoy in the

660
00:26:07,350 --> 00:26:06,000
preparation for an attack on the united

661
00:26:09,510 --> 00:26:07,360
states

662
00:26:11,750 --> 00:26:09,520
five outstanding scientists and various

663
00:26:13,669 --> 00:26:11,760

air force and cia representatives will

664

00:26:17,029 --> 00:26:13,679

meet on wednesday january 14

665

00:26:18,789 --> 00:26:17,039

1953 among the panel members was one

666

00:26:20,549 --> 00:26:18,799

associate member who was destined to

667

00:26:21,350 --> 00:26:20,559

have more experience with the ufo

668

00:26:23,190 --> 00:26:21,360

phenomena

669

00:26:24,549 --> 00:26:23,200

than any other american scientist to

670

00:26:27,029 --> 00:26:24,559

date dr j

671

00:26:28,470 --> 00:26:27,039

alan heineck astrophysicist and head of

672

00:26:32,310 --> 00:26:28,480

the astronomy department

673

00:26:35,430 --> 00:26:33,669

i was called into the meeting on

674

00:26:37,909 --> 00:26:35,440

thursday

675

00:26:39,269 --> 00:26:37,919

the panel members were seated around

676
00:26:41,590 --> 00:26:39,279
this table

677
00:26:43,990 --> 00:26:41,600
it was a rather somber and impressive

678
00:26:46,149 --> 00:26:44,000
occasion actually

679
00:26:47,350 --> 00:26:46,159
i was a junior member and i remember

680
00:26:49,669 --> 00:26:47,360
feeling considerably

681
00:26:51,029 --> 00:26:49,679
nervous and apprehensive about being in

682
00:26:53,990 --> 00:26:51,039
front of this powerhouse of

683
00:26:55,110 --> 00:26:54,000
scientists but then for the past four

684
00:26:57,029 --> 00:26:55,120
years i had been

685
00:26:59,029 --> 00:26:57,039
scientific advisor to the us air force

686
00:27:01,190 --> 00:26:59,039
on this very problem

687
00:27:02,710 --> 00:27:01,200
there were two films that were of

688
00:27:06,710 --> 00:27:02,720

particular interest to the

689

00:27:09,269 --> 00:27:06,720

panel at that time one was a film taken

690

00:27:11,269 --> 00:27:09,279

by a navy officer while on vacation in

691

00:27:12,710 --> 00:27:11,279

utah near tremonton utah

692

00:27:14,710 --> 00:27:12,720

and the other was a film taken in great

693

00:27:18,549 --> 00:27:14,720

falls montana

694

00:27:21,110 --> 00:27:18,559

by the owner of the local baseball team

695

00:27:22,070 --> 00:27:21,120

the utah film had already been subjected

696

00:27:25,029 --> 00:27:22,080

to some

697

00:27:32,830 --> 00:27:25,039

thousand or so man hours of analysis by

698

00:27:37,190 --> 00:27:34,389

laboratory

699

00:27:38,710 --> 00:27:37,200

so the panel uh got up in their chairs

700

00:27:40,310 --> 00:27:38,720

and crouched around the

701
00:27:41,830 --> 00:27:40,320
walls to examine the films they asked to

702
00:27:44,310 --> 00:27:41,840
have the films run several times as a

703
00:27:47,110 --> 00:27:44,320
matter of fact

704
00:27:48,630 --> 00:27:47,120
now the navy had on the basis of their

705
00:27:51,350 --> 00:27:48,640
detailed analysis

706
00:27:52,870 --> 00:27:51,360
of the utah films they had concluded

707
00:27:53,909 --> 00:27:52,880
that the objects shown on the films

708
00:27:55,909 --> 00:27:53,919
could not be

709
00:27:57,830 --> 00:27:55,919
birds balloons aircraft and so forth but

710
00:28:02,470 --> 00:27:57,840
indeed that they were self-luminous

711
00:28:04,950 --> 00:28:02,480
unidentified objects

712
00:28:06,070 --> 00:28:04,960
despite this conclusion the panel

713
00:28:08,389 --> 00:28:06,080

rejected it

714

00:28:09,269 --> 00:28:08,399

and concluded that the objects were

715

00:28:11,669 --> 00:28:09,279

birds they couldn't

716

00:28:14,950 --> 00:28:11,679

be unidentified therefore they had to be

717

00:28:18,549 --> 00:28:17,110

i came away from the meeting and from

718

00:28:22,230 --> 00:28:18,559

the room with the

719

00:28:25,510 --> 00:28:22,240

distinct feeling however that the panel

720

00:28:29,110 --> 00:28:25,520

had deliberately moved to debunk

721

00:28:32,230 --> 00:28:29,120

the whole subject and not to give it

722

00:28:36,070 --> 00:28:32,240

the serious scientific attention which

723

00:28:39,510 --> 00:28:37,350

how many times have you noticed

724

00:28:40,710 --> 00:28:39,520

something in the sky something out of

725

00:28:43,029 --> 00:28:40,720

the ordinary

726

00:28:44,870 --> 00:28:43,039

a movement or shape that suddenly

727

00:28:47,430 --> 00:28:44,880

catches your attention

728

00:28:50,310 --> 00:28:47,440

you look more closely and usually the

729

00:28:54,470 --> 00:28:50,320

thing becomes immediately recognizable

730

00:28:58,230 --> 00:28:54,480

it's the moon or a flock of birds

731

00:29:00,630 --> 00:28:58,240

or a plane usually

732

00:29:01,510 --> 00:29:00,640

but just for a moment suppose the thing

733

00:29:05,029 --> 00:29:01,520

you glimpsed

734

00:29:07,430 --> 00:29:05,039

remains unrecognizable unidentified

735

00:29:09,990 --> 00:29:07,440

without witness or proof all you have

736

00:29:13,590 --> 00:29:10,000

left is a nagging sense of mystery

737

00:29:15,590 --> 00:29:13,600

of uncertainty a few years ago

738

00:29:16,710 --> 00:29:15,600

this man had such an encounter near san

739

00:29:19,110 --> 00:29:16,720

francisco

740

00:29:20,710 --> 00:29:19,120

only he had proof in the form of an

741

00:29:22,470 --> 00:29:20,720

eight-millimeter movie

742

00:29:24,230 --> 00:29:22,480

but through an unsettling series of

743

00:29:25,510 --> 00:29:24,240

circumstances involving the united

744

00:29:28,470 --> 00:29:25,520

states air force

745

00:29:30,710 --> 00:29:28,480

he remains today uncertain about exactly

746

00:29:34,310 --> 00:29:30,720

what he saw

747

00:29:36,310 --> 00:29:34,320

it was in august 1965. my family and i

748

00:29:37,430 --> 00:29:36,320

were invited to some friend's house near

749

00:29:40,230 --> 00:29:37,440

san francisco

750

00:29:41,350 --> 00:29:40,240

i remember it was a beautiful clear day

751
00:29:44,070 --> 00:29:41,360
we were driving for

752
00:29:45,590 --> 00:29:44,080
for a while and a matter of fact i

753
00:29:48,630 --> 00:29:45,600
recall looking at my watch

754
00:29:51,510 --> 00:29:48,640
and it was around noon time

755
00:29:52,630 --> 00:29:51,520
uh we continued driving and i noticed at

756
00:29:56,470 --> 00:29:52,640
the distance

757
00:29:57,110 --> 00:29:56,480
something very bright i was observing

758
00:30:00,230 --> 00:29:57,120
this for

759
00:30:02,310 --> 00:30:00,240
a few moments and it's it appeared to be

760
00:30:05,269 --> 00:30:02,320
suspended in the air

761
00:30:05,750 --> 00:30:05,279
there was no planes around was very

762
00:30:09,029 --> 00:30:05,760
clear

763
00:30:11,990 --> 00:30:09,039

the day there was no clouds

764

00:30:13,590 --> 00:30:12,000

my family they were with me i called to

765

00:30:15,029 --> 00:30:13,600

their attention they all look at it they

766

00:30:16,630 --> 00:30:15,039

were all amazed by it

767

00:30:18,389 --> 00:30:16,640

and in the meantime there were cars

768

00:30:20,149 --> 00:30:18,399

going by and

769

00:30:21,990 --> 00:30:20,159

i tried to attract their attention but

770

00:30:25,430 --> 00:30:22,000

they were not paying attention to me or

771

00:30:25,990 --> 00:30:25,440

they were driving too fast so i recall i

772

00:30:29,110 --> 00:30:26,000

had my

773

00:30:32,789 --> 00:30:29,120

movie camera with me and i started

774

00:30:36,230 --> 00:30:32,799

filming this and as i look at it

775

00:30:37,110 --> 00:30:36,240

it was getting larger it was moving from

776

00:30:38,870 --> 00:30:37,120

one direction

777

00:30:40,389 --> 00:30:38,880

like from towards the left then towards

778

00:30:43,029 --> 00:30:40,399

the right

779

00:30:43,669 --> 00:30:43,039

this object was very bright and i recall

780

00:30:46,789 --> 00:30:43,679

it was

781

00:30:47,750 --> 00:30:46,799

extremely enormous i was just completely

782

00:30:51,669 --> 00:30:47,760

amazed by it

783

00:30:55,029 --> 00:30:51,679

i ran out of film then when i got home

784

00:30:58,070 --> 00:30:55,039

i called the hamilton air force

785

00:30:58,710 --> 00:30:58,080

and i reported the sighting the air

786

00:31:00,950 --> 00:30:58,720

force

787

00:31:02,070 --> 00:31:00,960

was very interested they had asked me as

788

00:31:03,509 --> 00:31:02,080

soon as i had the film

789

00:31:06,389 --> 00:31:03,519

developed they would like very much to

790

00:31:09,750 --> 00:31:06,399

look at it well i had the film developed

791

00:31:12,549 --> 00:31:09,760

i looked at it there was very bright

792

00:31:14,789 --> 00:31:12,559

quite clear and moving very rapidly so i

793

00:31:16,950 --> 00:31:14,799

catch this on right on film

794

00:31:18,630 --> 00:31:16,960

a week later i received a letter from

795

00:31:21,750 --> 00:31:18,640

hamilton air force base

796

00:31:23,269 --> 00:31:21,760

which reads dear sir

797

00:31:24,870 --> 00:31:23,279

we have received the eight millimeter

798

00:31:27,029 --> 00:31:24,880

film on which you captured what

799

00:31:27,509 --> 00:31:27,039

certainly seems to be a very fast-moving

800

00:31:30,070 --> 00:31:27,519

object

801
00:31:31,590 --> 00:31:30,080
in the skies over the bay area the film

802
00:31:33,269 --> 00:31:31,600
has been forwarded to wright-patterson

803
00:31:37,990 --> 00:31:33,279
air force base in ohio

804
00:31:45,269 --> 00:31:41,590
well several weeks went by finally

805
00:31:47,990 --> 00:31:45,279
the air force returned my film

806
00:31:49,190 --> 00:31:48,000
and i noticed immediately it was not the

807
00:31:51,350 --> 00:31:49,200
original film

808
00:31:53,590 --> 00:31:51,360
it was not that clear and the quality

809
00:31:56,549 --> 00:31:53,600
was very poor

810
00:31:57,430 --> 00:31:56,559
for some reason or good reason the air

811
00:31:59,909 --> 00:31:57,440
force

812
00:32:01,350 --> 00:31:59,919
decided to make a copy they kept the

813
00:32:04,870 --> 00:32:01,360

original

814

00:32:06,950 --> 00:32:04,880

and i end up with a very poor copy

815

00:32:09,110 --> 00:32:06,960

close examination of the film returned

816

00:32:12,710 --> 00:32:09,120

to the air force reveals that it is

817

00:32:14,950 --> 00:32:12,720

indeed a print and not the original

818

00:32:17,190 --> 00:32:14,960

and while the print is very poor quality

819

00:32:19,190 --> 00:32:17,200

we can still catch a tantalizing glimpse

820

00:32:21,110 --> 00:32:19,200

of something extraordinary in the skies

821

00:32:23,269 --> 00:32:21,120

over san francisco

822

00:32:24,470 --> 00:32:23,279

watching it again this time with the aid

823

00:32:27,430 --> 00:32:24,480

of a pointer

824

00:32:28,549 --> 00:32:27,440

it's easier to spot the elusive thing

825

00:32:30,310 --> 00:32:28,559

but to date

826

00:32:31,590 --> 00:32:30,320

no one has been able to make a positive

827

00:32:35,350 --> 00:32:31,600

identification

828

00:32:38,070 --> 00:32:35,360

no one except possibly the air force

829

00:32:39,029 --> 00:32:38,080

i would imagine the film is somewhere in

830

00:32:41,029 --> 00:32:39,039

their files

831

00:32:42,630 --> 00:32:41,039

and probably by now they forgot all

832

00:32:46,149 --> 00:32:42,640

about it but i will

833

00:32:50,630 --> 00:32:46,159

not forget that day the study itself

834

00:32:53,149 --> 00:32:50,640

had such a profound influence in my life

835

00:32:54,470 --> 00:32:53,159

because since that time powerful

836

00:32:57,590 --> 00:32:54,480

extraordinary

837

00:32:58,549 --> 00:32:57,600

events has happened to me which i have

838

00:33:03,269 --> 00:32:58,559

no doubt

839

00:33:06,789 --> 00:33:03,279

are direct result of my experience

840

00:33:09,750 --> 00:33:06,799

but i will i can talk about it publicly

841

00:33:11,830 --> 00:33:09,760

it seems the cia was to become involved

842

00:33:14,870 --> 00:33:11,840

in the ufo phenomena again

843

00:33:16,630 --> 00:33:14,880

in a most unusual way a series of

844

00:33:18,789 --> 00:33:16,640

episodes were to take place

845

00:33:20,870 --> 00:33:18,799

that up until the airing of this program

846

00:33:22,950 --> 00:33:20,880

were not public knowledge

847

00:33:23,990 --> 00:33:22,960

the events were so bizarre that it's

848

00:33:26,070 --> 00:33:24,000

hard to conceive

849

00:33:28,549 --> 00:33:26,080

they happen to individuals associated

850

00:33:30,310 --> 00:33:28,559

with such no-nonsense organizations as

851

00:33:31,990 --> 00:33:30,320

the office of naval intelligence and the

852

00:33:33,990 --> 00:33:32,000

cia

853

00:33:35,269 --> 00:33:34,000

this man is retired lieutenant colonel

854

00:33:37,909 --> 00:33:35,279

robert friend

855

00:33:39,269 --> 00:33:37,919

u.s air force and former head of project

856

00:33:41,110 --> 00:33:39,279

blue book

857

00:33:43,190 --> 00:33:41,120

trend now on the management staff of

858

00:33:45,509 --> 00:33:43,200

celestial industries incorporated

859

00:33:47,509 --> 00:33:45,519

which builds and launches missiles for

860

00:33:49,669 --> 00:33:47,519

defense testing purposes

861

00:33:51,110 --> 00:33:49,679

friend now relates this most unusual

862

00:33:53,669 --> 00:33:51,120

experience

863

00:33:55,509 --> 00:33:53,679

1959 when i was invited to attend the

864

00:33:57,029 --> 00:33:55,519

briefing in the security portion of this

865

00:33:59,430 --> 00:33:57,039

building

866

00:34:01,190 --> 00:33:59,440

it seems a retired rear admiral had

867

00:34:01,830 --> 00:34:01,200

information about a woman enough of

868

00:34:03,509 --> 00:34:01,840

maine

869

00:34:06,789 --> 00:34:03,519

that purported to have established

870

00:34:08,710 --> 00:34:06,799

contact with extraterrestrial beings

871

00:34:10,950 --> 00:34:08,720

two naval intelligence officers were

872

00:34:13,669 --> 00:34:10,960

sent to investigate

873

00:34:15,669 --> 00:34:13,679

the naval officers met with the woman

874

00:34:18,550 --> 00:34:15,679

and she went into a trance

875

00:34:21,030 --> 00:34:18,560

supposedly to establish contact with

876
00:34:22,710 --> 00:34:21,040
reported extraterrestrials

877
00:34:25,190 --> 00:34:22,720
and then they asked her scientific and

878
00:34:26,950 --> 00:34:25,200
technical questions that a woman of her

879
00:34:28,710 --> 00:34:26,960
education could not possibly know the

880
00:34:31,430 --> 00:34:28,720
answers to

881
00:34:33,270 --> 00:34:31,440
yet as the questions were put to her she

882
00:34:35,589 --> 00:34:33,280
was able to answer easily

883
00:34:38,310 --> 00:34:35,599
with seeming telepathic help from these

884
00:34:40,470 --> 00:34:38,320
purported extraterrestrials

885
00:34:42,069 --> 00:34:40,480
according to the report she indicated

886
00:34:45,829 --> 00:34:42,079
there was an organization

887
00:34:47,030 --> 00:34:45,839
oeev which meant universal association

888
00:34:48,950 --> 00:34:47,040

of planets

889

00:34:51,430 --> 00:34:48,960

and their organization had a project

890

00:34:53,510 --> 00:34:51,440

uena meaning earth which was being

891

00:34:56,149 --> 00:34:53,520

conducted

892

00:34:57,990 --> 00:34:56,159

then an unexpected turn took place one

893

00:34:59,109 --> 00:34:58,000

of the naval officers was informed by

894

00:35:01,349 --> 00:34:59,119

the woman

895

00:35:03,190 --> 00:35:01,359

that they the extraterrestrials were

896

00:35:03,990 --> 00:35:03,200

willing to answer questions directly

897

00:35:05,990 --> 00:35:04,000

through him

898

00:35:08,230 --> 00:35:06,000

a naval commander and intelligence

899

00:35:10,630 --> 00:35:08,240

officer with no prior experience in

900

00:35:13,430 --> 00:35:10,640

telepathic communication

901
00:35:15,430 --> 00:35:13,440
he took over and attempted to write down

902
00:35:17,510 --> 00:35:15,440
the answers to questions put to him by

903
00:35:19,349 --> 00:35:17,520
his fellow naval officer

904
00:35:21,030 --> 00:35:19,359
the word traveled back quickly to

905
00:35:23,030 --> 00:35:21,040
washington officials and the very

906
00:35:24,710 --> 00:35:23,040
skeptical cia

907
00:35:26,870 --> 00:35:24,720
nevertheless there was no reason to

908
00:35:29,349 --> 00:35:26,880
totally disbelieve the report of this

909
00:35:32,310 --> 00:35:29,359
highly respected navy commander

910
00:35:33,109 --> 00:35:32,320
questions were put to him such as do you

911
00:35:36,630 --> 00:35:33,119
favor

912
00:35:39,270 --> 00:35:36,640
the government religious group or race

913
00:35:41,829 --> 00:35:39,280

and would there be a third world war the

914

00:35:44,950 --> 00:35:41,839

answer to both was no

915

00:35:46,230 --> 00:35:44,960

the group then asked if they could see a

916

00:35:48,950 --> 00:35:46,240

spaceship

917

00:35:50,470 --> 00:35:48,960

and the commander still in a trance told

918

00:35:52,950 --> 00:35:50,480

them to go to the window

919

00:35:54,069 --> 00:35:52,960

and they would have proof the group

920

00:35:57,190 --> 00:35:54,079

moved to the window

921

00:35:59,349 --> 00:35:57,200

where they supposedly observed a ufo

922

00:36:01,190 --> 00:35:59,359

i was told that a call was made for

923

00:36:03,990 --> 00:36:01,200

radar confirmation

924

00:36:05,190 --> 00:36:04,000

the reply came back that that particular

925

00:36:08,150 --> 00:36:05,200

quadrant of the area

926
00:36:09,670 --> 00:36:08,160
was blanked out on radar at the time

927
00:36:10,550 --> 00:36:09,680
after being briefed on all of the

928
00:36:11,990 --> 00:36:10,560
details

929
00:36:14,870 --> 00:36:12,000
i asked the commander if he would

930
00:36:17,270 --> 00:36:14,880
attempt to contact me

931
00:36:18,870 --> 00:36:17,280
he sat for several minutes and then

932
00:36:21,030 --> 00:36:18,880
appeared in the deep trance

933
00:36:23,109 --> 00:36:21,040
with his adam's apple moving up and down

934
00:36:25,190 --> 00:36:23,119
rapidly

935
00:36:26,470 --> 00:36:25,200
questions were put to him and he

936
00:36:29,430 --> 00:36:26,480
answered them

937
00:36:29,990 --> 00:36:29,440
by printing in rather large letters

938
00:36:33,109 --> 00:36:30,000

using

939

00:36:36,150 --> 00:36:33,119

rapid but jerky motions it wasn't at all

940

00:36:38,150 --> 00:36:36,160

like his natural hand

941

00:36:39,430 --> 00:36:38,160

during the course of the questioning we

942

00:36:41,349 --> 00:36:39,440

learned the names of some of the

943

00:36:44,790 --> 00:36:41,359

so-called extraterrestrials

944

00:36:50,470 --> 00:36:44,800

one was krill c-r-l-l-l

945

00:36:53,510 --> 00:36:50,480

another alamar a-l-o-m-a-r

946

00:36:57,670 --> 00:36:53,520

and another alpha a f

947

00:36:59,589 --> 00:36:57,680

f a purportedly from the planet uranus

948

00:37:01,670 --> 00:36:59,599

a case that just as well could have been

949

00:37:02,950 --> 00:37:01,680

written by a very imaginative science

950

00:37:04,790 --> 00:37:02,960

fiction writer

951
00:37:06,310 --> 00:37:04,800
but here in my hand is the actual

952
00:37:08,470 --> 00:37:06,320
account of the incident by one of the

953
00:37:10,550 --> 00:37:08,480
agents present at that time

954
00:37:11,990 --> 00:37:10,560
the names of seven men present are

955
00:37:13,990 --> 00:37:12,000
listed here

956
00:37:16,069 --> 00:37:14,000
because of the unusual nature of the

957
00:37:18,950 --> 00:37:16,079
incident and at their request

958
00:37:20,550 --> 00:37:18,960
their names will remain confidential

959
00:37:21,510 --> 00:37:20,560
another reason for control of the blue

960
00:37:24,230 --> 00:37:21,520
book files

961
00:37:26,310 --> 00:37:24,240
was to protect the names of witnesses to

962
00:37:28,310 --> 00:37:26,320
help satisfy public demand periodic

963
00:37:30,230 --> 00:37:28,320

summary releases were made

964

00:37:31,510 --> 00:37:30,240

we had no proof that we were indeed

965

00:37:33,190 --> 00:37:31,520

being visited by

966

00:37:34,870 --> 00:37:33,200

extraterrestrial vehicles under

967

00:37:36,310 --> 00:37:34,880

intelligent control

968

00:37:37,990 --> 00:37:36,320

however we couldn't prove that there

969

00:37:41,510 --> 00:37:38,000

weren't spaceships either

970

00:37:44,710 --> 00:37:41,520

it created a dilemma for the air force

971

00:37:46,390 --> 00:37:44,720

in 1966 an important incident takes

972

00:37:48,390 --> 00:37:46,400

place in michigan

973

00:37:51,030 --> 00:37:48,400

it creates enough of an uproar that

974

00:37:54,470 --> 00:37:51,040

president gerald ford would at that time

975

00:37:56,470 --> 00:37:54,480

call for a congressional hearing on ufos

976
00:37:57,990 --> 00:37:56,480
here are excerpts from ford's actual

977
00:37:59,190 --> 00:37:58,000
letter to the house armed services

978
00:38:01,750 --> 00:37:59,200
committee

979
00:38:02,710 --> 00:38:01,760
the air force senate consultant dr j

980
00:38:05,190 --> 00:38:02,720
allen heineck

981
00:38:06,790 --> 00:38:05,200
to investigate various reports and he

982
00:38:08,310 --> 00:38:06,800
dismissed all of them as products of

983
00:38:11,430 --> 00:38:08,320
college student pranks

984
00:38:13,190 --> 00:38:11,440
or swamp gas or an impression created by

985
00:38:14,230 --> 00:38:13,200
the rising crescent moon and the planet

986
00:38:16,390 --> 00:38:14,240
venus

987
00:38:19,030 --> 00:38:16,400
i do not agree that all of these reports

988
00:38:20,310 --> 00:38:19,040

can be or should be so easily explained

989

00:38:22,310 --> 00:38:20,320

away

990

00:38:23,589 --> 00:38:22,320

i am proposing that the science and

991

00:38:25,510 --> 00:38:23,599

astronautics committee

992

00:38:27,829 --> 00:38:25,520

or the armed services committee of the

993

00:38:29,349 --> 00:38:27,839

house schedule hearings on the subject

994

00:38:31,190 --> 00:38:29,359

of ufos

995

00:38:32,710 --> 00:38:31,200

and invite testimony from both the

996

00:38:34,870 --> 00:38:32,720

executive branch of government

997

00:38:35,990 --> 00:38:34,880

and some persons who claim to have seen

998

00:38:37,589 --> 00:38:36,000

ufos

999

00:38:41,030 --> 00:38:37,599

i think we owe it to the people to

1000

00:38:44,829 --> 00:38:41,040

establish credibility regarding ufos

1001
00:38:46,069 --> 00:38:44,839
sincerely gerald r ford member of

1002
00:38:50,470 --> 00:38:46,079
congress

1003
00:38:51,990 --> 00:38:50,480
an open hearing under the chairmanship

1004
00:38:54,550 --> 00:38:52,000
of el mendel rivers

1005
00:38:57,349 --> 00:38:54,560
the house armed services committee only

1006
00:38:59,910 --> 00:38:57,359
three persons are invited to testify

1007
00:39:01,270 --> 00:38:59,920
the secretary of the air force dr j

1008
00:39:04,069 --> 00:39:01,280
allen heineck

1009
00:39:06,310 --> 00:39:04,079
and project blue book head at the time

1010
00:39:08,150 --> 00:39:06,320
colonel hector quintanilla

1011
00:39:09,670 --> 00:39:08,160
hector quintanilla relates the events

1012
00:39:10,790 --> 00:39:09,680
and reports of the unusual

1013
00:39:13,190 --> 00:39:10,800

sighting that led up to the

1014

00:39:15,430 --> 00:39:13,200

congressional hearing well and the other

1015

00:39:17,829 --> 00:39:15,440

one here at dexter

1016

00:39:19,430 --> 00:39:17,839

based upon the original reports from the

1017

00:39:23,190 --> 00:39:19,440

sheriff's department

1018

00:39:25,270 --> 00:39:23,200

it all began at 8 35 pm on march 20th

1019

00:39:26,230 --> 00:39:25,280

when frank ranner who used to live over

1020

00:39:28,950 --> 00:39:26,240

there

1021

00:39:30,630 --> 00:39:28,960

reported to the sheriff's office that he

1022

00:39:34,069 --> 00:39:30,640

had seen a strange object

1023

00:39:35,910 --> 00:39:34,079

in the swamp over there according to the

1024

00:39:37,990 --> 00:39:35,920

police report

1025

00:39:39,589 --> 00:39:38,000

the police officer in company with a

1026
00:39:41,910 --> 00:39:39,599
complainant

1027
00:39:43,589 --> 00:39:41,920
proceeded along territorial road until

1028
00:39:46,069 --> 00:39:43,599
they reached grant road

1029
00:39:48,390 --> 00:39:46,079
at which time they turned left proceeded

1030
00:39:50,790 --> 00:39:48,400
to the end of the road

1031
00:39:51,990 --> 00:39:50,800
secured their vehicle got out of the

1032
00:39:54,230 --> 00:39:52,000
automobile

1033
00:39:57,430 --> 00:39:54,240
proceeded along the cornfield keeping

1034
00:39:59,270 --> 00:39:57,440
the trees lined to their left

1035
00:40:01,510 --> 00:39:59,280
then they cross an open field to the

1036
00:40:03,349 --> 00:40:01,520
creek across the creek

1037
00:40:04,710 --> 00:40:03,359
and reach this point which was their

1038
00:40:07,829 --> 00:40:04,720

vantage point

1039

00:40:10,150 --> 00:40:07,839

and observe the object frank manor

1040

00:40:13,349 --> 00:40:10,160

described the object

1041

00:40:15,750 --> 00:40:13,359

as brown in color quilted with a

1042

00:40:17,910 --> 00:40:15,760

porthole in the center

1043

00:40:19,829 --> 00:40:17,920

sort of flat on the bottom cone shape

1044

00:40:22,710 --> 00:40:19,839

towards the top

1045

00:40:24,790 --> 00:40:22,720

two small lights one at each end one

1046

00:40:27,030 --> 00:40:24,800

glowing bluish green

1047

00:40:29,190 --> 00:40:27,040

the other one a brilliant red with a

1048

00:40:31,030 --> 00:40:29,200

glow at the bottom

1049

00:40:33,589 --> 00:40:31,040

well of course by the time i arrived the

1050

00:40:36,150 --> 00:40:33,599

situation was so charged with emotion

1051

00:40:38,150 --> 00:40:36,160

that it was impossible for me to do any

1052

00:40:40,309 --> 00:40:38,160

really serious investigating

1053

00:40:42,230 --> 00:40:40,319

i had to fight my way through reporters

1054

00:40:43,990 --> 00:40:42,240

to interview the witnesses

1055

00:40:46,630 --> 00:40:44,000

other sightings were reported over the

1056

00:40:47,910 --> 00:40:46,640

area and the solution from dr heineck

1057

00:40:50,710 --> 00:40:47,920

and major quintanilla

1058

00:40:52,150 --> 00:40:50,720

seemed in the offing well the pressure

1059

00:40:54,630 --> 00:40:52,160

was mounting for an official

1060

00:40:55,910 --> 00:40:54,640

explanation there were more than 60

1061

00:40:58,470 --> 00:40:55,920

newsmen jammed in at that

1062

00:41:00,069 --> 00:40:58,480

news conference i gave what i thought to

1063

00:41:02,390 --> 00:41:00,079

be at that time the only

1064

00:41:03,589 --> 00:41:02,400

scientific explanation possible for the

1065

00:41:06,550 --> 00:41:03,599

faint lights

1066

00:41:08,470 --> 00:41:06,560

in the swampy area i made the statement

1067

00:41:10,630 --> 00:41:08,480

that it could be swamp gas

1068

00:41:12,150 --> 00:41:10,640

and even though i went on to emphasize

1069

00:41:13,030 --> 00:41:12,160

that i couldn't prove it in a court of

1070

00:41:14,630 --> 00:41:13,040

law

1071

00:41:16,150 --> 00:41:14,640

that that was the full explanation for

1072

00:41:18,069 --> 00:41:16,160

these sightings

1073

00:41:21,750 --> 00:41:18,079

well the press picked up the phrase

1074

00:41:23,829 --> 00:41:21,760

swamp gas and rushed off to the

1075

00:41:25,910 --> 00:41:23,839

telephones and i was to come into a

1076

00:41:27,430 --> 00:41:25,920

great deal of criticism over it

1077

00:41:29,030 --> 00:41:27,440

what was the outcome of that

1078

00:41:30,790 --> 00:41:29,040

congressional hearing

1079

00:41:33,589 --> 00:41:30,800

i believe the air force presented its

1080

00:41:35,670 --> 00:41:33,599

side quite openly and completely

1081

00:41:38,309 --> 00:41:35,680

it seemed to satisfy the members of the

1082

00:41:41,990 --> 00:41:40,630

now a remarkable observation is to be

1083

00:41:44,150 --> 00:41:42,000

recorded

1084

00:41:46,390 --> 00:41:44,160

if the facts are correct the air force

1085

00:41:49,270 --> 00:41:46,400

must now consider the possibility of

1086

00:41:51,990 --> 00:41:49,280

beings related to ufos

1087

00:41:53,829 --> 00:41:52,000

it happened in sakura new mexico here

1088

00:41:56,710 --> 00:41:53,839

just outside of this quiet

1089

00:41:57,510 --> 00:41:56,720

desert town a state highway patrol

1090

00:42:00,390 --> 00:41:57,520

officer

1091

00:42:02,470 --> 00:42:00,400

lani zamora was on duty as he had been

1092

00:42:05,670 --> 00:42:02,480

for the past several years

1093

00:42:07,190 --> 00:42:05,680

a black chevrolet was observed speeding

1094

00:42:09,510 --> 00:42:07,200

by the courthouse

1095

00:42:11,190 --> 00:42:09,520

zamora put his highway patrol car into

1096

00:42:15,270 --> 00:42:11,200

pursuit

1097

00:42:18,230 --> 00:42:15,280

lonnie chased the car north on us-85

1098

00:42:19,430 --> 00:42:18,240

as he passed this hilly area zamora

1099

00:42:22,630 --> 00:42:19,440

heard a roar

1100

00:42:23,910 --> 00:42:22,640

and something caught his attention 10 or

1101
00:42:27,270 --> 00:42:23,920
15 seconds

1102
00:42:32,630 --> 00:42:27,280
pass lonnie then calls into the

1103
00:42:34,910 --> 00:42:33,460
[Music]

1104
00:42:36,309 --> 00:42:34,920
[Applause]

1105
00:42:39,190 --> 00:42:36,319
[Music]

1106
00:42:40,710 --> 00:42:39,200
an accident and then he said i'll be ten

1107
00:42:43,829 --> 00:42:40,720
sticks out of the car

1108
00:42:44,870 --> 00:42:43,839
which meant that it was going to be

1109
00:42:49,030 --> 00:42:44,880
investigating a

1110
00:42:52,069 --> 00:42:49,040
possible accident and i went up this

1111
00:42:54,309 --> 00:42:52,079
road about a half a mile

1112
00:42:55,430 --> 00:42:54,319
and then i stopped my car and i got out

1113
00:42:59,750 --> 00:42:55,440

and looked up

1114

00:43:01,670 --> 00:42:59,760

and i could see a white looking object

1115

00:43:03,270 --> 00:43:01,680

in the distance i thought it was an

1116

00:43:05,030 --> 00:43:03,280

overturned car at first

1117

00:43:06,630 --> 00:43:05,040

but i got into my patrol car went up

1118

00:43:08,870 --> 00:43:06,640

closer to it

1119

00:43:09,670 --> 00:43:08,880

and when i started to get out of the car

1120

00:43:13,589 --> 00:43:09,680

i could

1121

00:43:15,510 --> 00:43:13,599

i heard a big roar as i got to it i

1122

00:43:17,670 --> 00:43:15,520

could see a

1123

00:43:19,030 --> 00:43:17,680

couple of uh look like couple of uh

1124

00:43:21,270 --> 00:43:19,040

coveralls

1125

00:43:22,390 --> 00:43:21,280

hanging from a close line i couldn't see

1126

00:43:24,390 --> 00:43:22,400

what it was but

1127

00:43:26,630 --> 00:43:24,400

it looked like a couple of coveralls

1128

00:43:27,589 --> 00:43:26,640

some more i called in uh he sounded very

1129

00:43:29,750 --> 00:43:27,599

excited

1130

00:43:30,630 --> 00:43:29,760

he said he watched an object lift up

1131

00:43:33,910 --> 00:43:30,640

slowly

1132

00:43:35,990 --> 00:43:33,920

and disappeared into the sky very fast

1133

00:43:38,069 --> 00:43:36,000

i went down to uh where the object had

1134

00:43:41,030 --> 00:43:38,079

been and i noticed the

1135

00:43:43,430 --> 00:43:41,040

brush was burning in several places the

1136

00:43:46,470 --> 00:43:43,440

object had left four perpendicular

1137

00:43:48,470 --> 00:43:46,480

impressions on the ground i noticed that

1138

00:43:50,870 --> 00:43:48,480

several bushes were smoldering but they

1139

00:43:53,510 --> 00:43:50,880

felt cold for the touch

1140

00:43:54,870 --> 00:43:53,520

i noticed what appeared to be a couple

1141

00:43:57,670 --> 00:43:54,880

of other

1142

00:43:58,950 --> 00:43:57,680

footprints on the ground i knew lonnie

1143

00:44:08,230 --> 00:43:58,960

had seen something

1144

00:44:10,309 --> 00:44:08,240

the proof was right there

1145

00:44:11,670 --> 00:44:10,319

the incident was very interesting to say

1146

00:44:13,750 --> 00:44:11,680

the least

1147

00:44:15,190 --> 00:44:13,760

it seems to differ from practically all

1148

00:44:17,750 --> 00:44:15,200

the earlier cases

1149

00:44:19,030 --> 00:44:17,760

we investigated from one standpoint the

1150

00:44:22,150 --> 00:44:19,040

vehicle had left

1151

00:44:24,390 --> 00:44:22,160

pod marks there was an insignia

1152

00:44:25,750 --> 00:44:24,400

observed by lani zamora on the side of

1153

00:44:28,790 --> 00:44:25,760

the craft

1154

00:44:29,430 --> 00:44:28,800

the insignia was unidentifiable not

1155

00:44:32,470 --> 00:44:29,440

american

1156

00:44:34,790 --> 00:44:32,480

nor russian and last of all the

1157

00:44:37,349 --> 00:44:34,800

observation of these two people

1158

00:44:38,309 --> 00:44:37,359

in some sort of suit but what did the

1159

00:44:41,109 --> 00:44:38,319

investigation

1160

00:44:43,109 --> 00:44:41,119

turn up what was the official air force

1161

00:44:45,349 --> 00:44:43,119

estimation of the situation

1162

00:44:47,670 --> 00:44:45,359

we went over the case completely we had

1163

00:44:49,030 --> 00:44:47,680

saw samples tested at the air materials

1164

00:44:50,790 --> 00:44:49,040

laboratory

1165

00:44:52,470 --> 00:44:50,800

the burnt bushes were analyzed for

1166

00:44:54,230 --> 00:44:52,480

propellant residue

1167

00:44:56,790 --> 00:44:54,240

we measured the distances between the

1168

00:44:58,870 --> 00:44:56,800

pod marks my first reaction

1169

00:45:00,630 --> 00:44:58,880

was that it was a lunar test module from

1170

00:45:02,309 --> 00:45:00,640

nasa or the air force

1171

00:45:04,870 --> 00:45:02,319

that seemed to be the only logical

1172

00:45:07,349 --> 00:45:04,880

explanation this was probably the best

1173

00:45:09,349 --> 00:45:07,359

documented case in the air force files

1174

00:45:10,550 --> 00:45:09,359

and i checked it out everywhere all the

1175

00:45:12,950 --> 00:45:10,560

way up to the top

1176

00:45:14,390 --> 00:45:12,960

even to the white house command post and

1177

00:45:16,630 --> 00:45:14,400

nothing

1178

00:45:18,790 --> 00:45:16,640

according to the official status of the

1179

00:45:21,589 --> 00:45:18,800

sighting of lonnie zamora

1180

00:45:24,790 --> 00:45:21,599

case carried as unidentified pending

1181

00:45:31,190 --> 00:45:28,150

april 19 1897

1182

00:45:32,150 --> 00:45:31,200

in leroy kansas a farmer named alexander

1183

00:45:35,270 --> 00:45:32,160

hamilton

1184

00:45:38,309 --> 00:45:35,280

his son and a farmhand are awakened by

1185

00:45:40,390 --> 00:45:38,319

strange noises from the cattle pen

1186

00:45:42,790 --> 00:45:40,400

going outside they discovered through

1187

00:45:45,430 --> 00:45:42,800

hamilton's utter amazement

1188

00:45:46,870 --> 00:45:45,440

an enormous airship with a brilliant

1189

00:45:50,390 --> 00:45:46,880

searchlight

1190

00:45:53,829 --> 00:45:50,400

is slowly descending over the cow lot

1191

00:45:55,589 --> 00:45:53,839

fearfully hamilton moves closer

1192

00:45:57,510 --> 00:45:55,599

and is startled to find that one of his

1193

00:46:00,710 --> 00:45:57,520

cows has been caught by a red cable

1194

00:46:02,630 --> 00:46:00,720

running down from the ship the next day

1195

00:46:06,069 --> 00:46:02,640

after an extensive search

1196

00:46:10,309 --> 00:46:06,079

he discovers a cows hide legs

1197

00:46:12,829 --> 00:46:10,319

and head in a field miles away

1198

00:46:15,829 --> 00:46:12,839

this is one of the first recorded cattle

1199

00:46:17,670 --> 00:46:15,839

mutilations connected with ufos

1200

00:46:19,030 --> 00:46:17,680

the report could easily be dismissed as

1201
00:46:22,230 --> 00:46:19,040
a tall tale

1202
00:46:24,630 --> 00:46:22,240
if there were no others but since then

1203
00:46:26,230 --> 00:46:24,640
thousands of bizarre animal mutilations

1204
00:46:29,270 --> 00:46:26,240
have been discovered

1205
00:46:32,390 --> 00:46:29,280
not only in this country but in africa

1206
00:46:33,430 --> 00:46:32,400
australia brazil and many european

1207
00:46:38,309 --> 00:46:33,440
countries

1208
00:46:42,069 --> 00:46:40,309
in this country mutilations have

1209
00:46:44,470 --> 00:46:42,079
occurred in over 30 states

1210
00:46:46,390 --> 00:46:44,480
in the last five years alone frustrated

1211
00:46:48,309 --> 00:46:46,400
ranchers and law enforcement officials

1212
00:46:51,349 --> 00:46:48,319
have come to recognize the classic

1213
00:46:54,550 --> 00:46:51,359

signature of the mysterious mutilators

1214

00:46:55,109 --> 00:46:54,560

often in a remote area a cow will be

1215

00:46:57,990 --> 00:46:55,119

found

1216

00:46:58,710 --> 00:46:58,000

dead the sex organs removed and the

1217

00:47:02,069 --> 00:46:58,720

tongue

1218

00:47:04,630 --> 00:47:02,079

an ear and an eye all surgically cut

1219

00:47:06,230 --> 00:47:04,640

out the body more often than not has

1220

00:47:08,230 --> 00:47:06,240

been drained of blood

1221

00:47:09,349 --> 00:47:08,240

though no blood has been found on the

1222

00:47:11,750 --> 00:47:09,359

ground

1223

00:47:14,069 --> 00:47:11,760

in fact there are no tracks or prints of

1224

00:47:16,390 --> 00:47:14,079

any kind near the body

1225

00:47:17,109 --> 00:47:16,400

and yet amazingly enough there is no

1226
00:47:20,710 --> 00:47:17,119
evidence

1227
00:47:25,349 --> 00:47:23,109
one of the first states to be hit by the

1228
00:47:27,510 --> 00:47:25,359
mutilations west colorado

1229
00:47:28,549 --> 00:47:27,520
reporter bill jackson of the sterling

1230
00:47:30,150 --> 00:47:28,559
advocate

1231
00:47:32,069 --> 00:47:30,160
covered the story from the very

1232
00:47:35,670 --> 00:47:32,079
beginning a classic

1233
00:47:37,349 --> 00:47:35,680
mutilation or or say 90 to 95

1234
00:47:40,150 --> 00:47:37,359
of the mutilations will be almost

1235
00:47:43,510 --> 00:47:40,160
identical some part of the face

1236
00:47:45,990 --> 00:47:43,520
will be gone exposing nothing but

1237
00:47:47,109 --> 00:47:46,000
you know the jawbone an eye will be

1238
00:47:49,430 --> 00:47:47,119

taken

1239

00:47:50,790 --> 00:47:49,440

a tongue will be cut out and an ear will

1240

00:47:52,630 --> 00:47:50,800

be taken

1241

00:47:54,630 --> 00:47:52,640

the rectal area of the animal will be

1242

00:47:57,109 --> 00:47:54,640

when it appears to be bored out

1243

00:47:58,870 --> 00:47:57,119

the reproductive organs will be removed

1244

00:48:00,470 --> 00:47:58,880

in the case of a cow the utter will

1245

00:48:05,270 --> 00:48:00,480

either be entirely removed

1246

00:48:07,750 --> 00:48:05,280

or parts of it will be removed usually

1247

00:48:08,790 --> 00:48:07,760

and again in probably 90 or 95 of the

1248

00:48:10,470 --> 00:48:08,800

cases

1249

00:48:12,230 --> 00:48:10,480

there will be no blood whatsoever in the

1250

00:48:14,390 --> 00:48:12,240

animal and there will be no

1251
00:48:16,790 --> 00:48:14,400
traces of blood on the ground where it

1252
00:48:18,390 --> 00:48:16,800
where it fell or where it was mutilated

1253
00:48:21,109 --> 00:48:18,400
all you've got is the carcass and you've

1254
00:48:24,710 --> 00:48:21,119
got no idea why it died or how it died

1255
00:48:30,950 --> 00:48:28,230
it all began in 1975 it was a

1256
00:48:32,069 --> 00:48:30,960
bizarre time nobody ever seen anything

1257
00:48:34,390 --> 00:48:32,079
like this before

1258
00:48:35,910 --> 00:48:34,400
not only did we have the mutilated dead

1259
00:48:37,670 --> 00:48:35,920
animals on the prairie

1260
00:48:38,950 --> 00:48:37,680
we also started getting the lights in

1261
00:48:40,710 --> 00:48:38,960
the sky at night

1262
00:48:42,309 --> 00:48:40,720
along that time there were many theories

1263
00:48:43,270 --> 00:48:42,319

that were being developed on why this

1264

00:48:45,750 --> 00:48:43,280

was being done

1265

00:48:46,390 --> 00:48:45,760

the satanic cults were being blamed dope

1266

00:48:50,309 --> 00:48:46,400

smugglers

1267

00:48:52,710 --> 00:48:50,319

ufos government experiment of some kind

1268

00:48:53,670 --> 00:48:52,720

as time went on the situation became so

1269

00:48:56,069 --> 00:48:53,680

widespread

1270

00:48:57,670 --> 00:48:56,079

that people realized it couldn't be the

1271

00:48:59,589 --> 00:48:57,680

the old cold or the stoke smugglers

1272

00:49:01,670 --> 00:48:59,599

which left us two possibilities

1273

00:49:02,950 --> 00:49:01,680

number one it was being done by a

1274

00:49:06,790 --> 00:49:02,960

government let's say

1275

00:49:09,510 --> 00:49:06,800

or number two it was being done by ufos

1276

00:49:11,750 --> 00:49:09,520

as more and more cases were reported the

1277

00:49:14,630 --> 00:49:11,760

colorado bureau of investigation

1278

00:49:16,710 --> 00:49:14,640

was called in well our position is

1279

00:49:19,910 --> 00:49:16,720

basically one

1280

00:49:21,829 --> 00:49:19,920

uh where predators

1281

00:49:23,750 --> 00:49:21,839

we start investigation determined the

1282

00:49:26,390 --> 00:49:23,760

predators were responsible for probably

1283

00:49:32,710 --> 00:49:30,069

of the reports of mutilations

1284

00:49:35,430 --> 00:49:32,720

as i said there were 203 separate

1285

00:49:38,790 --> 00:49:35,440

reports received from this agency

1286

00:49:42,309 --> 00:49:38,800

but of the 203 we only received

1287

00:49:44,549 --> 00:49:42,319

45 tissue samples to conduct microscopic

1288

00:49:47,990 --> 00:49:44,559

analysis on

1289

00:49:48,390 --> 00:49:48,000

of the 45 tissue samples we found that

1290

00:49:51,990 --> 00:49:48,400

only

1291

00:49:53,109 --> 00:49:52,000

two of those 45 had actually been

1292

00:49:56,710 --> 00:49:53,119

mutilated

1293

00:50:00,710 --> 00:49:58,870

when they first started they would send

1294

00:50:03,910 --> 00:50:00,720

samples of these animals

1295

00:50:05,829 --> 00:50:03,920

to the cbi to fort collins to

1296

00:50:07,670 --> 00:50:05,839

to try and determine what what was the

1297

00:50:09,190 --> 00:50:07,680

cause of their death what was mutilating

1298

00:50:11,190 --> 00:50:09,200

them

1299

00:50:13,109 --> 00:50:11,200

and nine times out of ten or more the

1300

00:50:16,150 --> 00:50:13,119

report would come back

1301
00:50:17,349 --> 00:50:16,160
that were being caused by predators now

1302
00:50:20,150 --> 00:50:17,359
these ranchers and

1303
00:50:21,510 --> 00:50:20,160
the sheriffs in these rural areas have

1304
00:50:22,870 --> 00:50:21,520
been around cattle all their lives

1305
00:50:24,230 --> 00:50:22,880
they've been around coyotes all their

1306
00:50:26,150 --> 00:50:24,240
lives

1307
00:50:27,510 --> 00:50:26,160
and they knew that this this just wasn't

1308
00:50:31,190 --> 00:50:27,520
possible

1309
00:50:33,589 --> 00:50:31,200
a coyote would not do that predators uh

1310
00:50:34,470 --> 00:50:33,599
uh when they come in and start to eat

1311
00:50:36,150 --> 00:50:34,480
now i'm

1312
00:50:38,870 --> 00:50:36,160
and i'm talking about four-legged

1313
00:50:39,510 --> 00:50:38,880

predators uh they'll come in and they'll

1314

00:50:42,470 --> 00:50:39,520

bite

1315

00:50:43,190 --> 00:50:42,480

and then they'll pull and they'll tear

1316

00:50:45,750 --> 00:50:43,200

uh the

1317

00:50:47,910 --> 00:50:45,760

other cuts we have even we can't make

1318

00:50:49,510 --> 00:50:47,920

cuts like this we've tried this many

1319

00:50:52,470 --> 00:50:49,520

times

1320

00:50:53,990 --> 00:50:52,480

now on dead animals with apples razors

1321

00:50:57,109 --> 00:50:54,000

and knives and we can't make

1322

00:50:59,109 --> 00:50:57,119

the same pets we've had cattle that

1323

00:51:01,510 --> 00:50:59,119

we've

1324

00:51:02,790 --> 00:51:01,520

went and investigated that were you know

1325

00:51:03,910 --> 00:51:02,800

called in and i think i have a

1326

00:51:05,349 --> 00:51:03,920

mutilation here

1327

00:51:06,950 --> 00:51:05,359

and we went out and we seen it and it

1328

00:51:08,549 --> 00:51:06,960

was not a mutilation

1329

00:51:11,109 --> 00:51:08,559

and these are not the ones that's

1330

00:51:14,069 --> 00:51:11,119

reported the ones that we

1331

00:51:15,990 --> 00:51:14,079

classed as a classic type mutilation are

1332

00:51:19,270 --> 00:51:16,000

actually mutilations and

1333

00:51:22,549 --> 00:51:19,280

they're not predators animals wild

1334

00:51:26,230 --> 00:51:22,559

animals predators coyotes

1335

00:51:28,069 --> 00:51:26,240

won't approach these these carcasses

1336

00:51:29,829 --> 00:51:28,079

but in the case of an animal being

1337

00:51:31,270 --> 00:51:29,839

mutilated in the wintertime there's

1338

00:51:33,030 --> 00:51:31,280

possibly something about the cold

1339

00:51:34,309 --> 00:51:33,040

weather that may mask whatever it is it

1340

00:51:35,670 --> 00:51:34,319

keeps predators away

1341

00:51:38,630 --> 00:51:35,680

and that will be the exception to the

1342

00:51:39,910 --> 00:51:38,640

rule is this animal here's any uh

1343

00:51:45,349 --> 00:51:39,920

pretty much like the other ones you had

1344

00:51:48,870 --> 00:51:47,430

how old are callie's just done eight

1345

00:51:52,150 --> 00:51:48,880

years old according to

1346

00:51:55,750 --> 00:51:52,160

the way i looked at her her teeth

1347

00:51:59,430 --> 00:51:55,760

eight or nine i know

1348

00:52:09,190 --> 00:51:59,440

definitely it wasn't uh animals

1349

00:52:13,910 --> 00:52:11,510

done you know now on this critter here

1350

00:52:15,750 --> 00:52:13,920

oh this looks like a real incised wound

1351

00:52:17,430 --> 00:52:15,760

yeah well it looks it's definitely cut

1352

00:52:17,990 --> 00:52:17,440

oh yeah everything you tell that i mean

1353

00:52:20,790 --> 00:52:18,000

even at the

1354

00:52:21,510 --> 00:52:20,800

age that it is right now that's opposed

1355

00:52:24,069 --> 00:52:21,520

to the way it is

1356

00:52:25,670 --> 00:52:24,079

where the animals have been to it on

1357

00:52:26,790 --> 00:52:25,680

this other side over here

1358

00:52:28,950 --> 00:52:26,800

kind of notice here you know the

1359

00:52:30,950 --> 00:52:28,960

difference they're down between here

1360

00:52:33,829 --> 00:52:30,960

and how animals have been to that and

1361

00:52:35,430 --> 00:52:33,839

that flesh is torn

1362

00:52:37,510 --> 00:52:35,440

and it's not a real incise but yet when

1363

00:52:40,390 --> 00:52:37,520

we seen this animal the other day

1364

00:52:40,870 --> 00:52:40,400

now these were all precise good clean

1365

00:52:43,589 --> 00:52:40,880

cuts

1366

00:52:45,109 --> 00:52:43,599

definitely so that's a good example of

1367

00:52:46,549 --> 00:52:45,119

what we was trying to say about the lab

1368

00:52:49,349 --> 00:52:46,559

up there they said that

1369

00:52:51,030 --> 00:52:49,359

uh they said it was predators doing it

1370

00:52:52,069 --> 00:52:51,040

but that definitely wasn't a predator

1371

00:52:55,829 --> 00:52:52,079

wound there

1372

00:52:58,470 --> 00:52:55,839

no i wouldn't say well it looks like uh

1373

00:52:59,750 --> 00:52:58,480

it went clear from the navel here turned

1374

00:52:59,990 --> 00:52:59,760

back in underneath there and took the

1375

00:53:03,349 --> 00:53:00,000

whole

1376

00:53:05,109 --> 00:53:03,359

uh

1377

00:53:06,710 --> 00:53:05,119

they cored down into the rectum the

1378

00:53:08,309 --> 00:53:06,720

whole rectal area

1379

00:53:11,990 --> 00:53:08,319

and looks like it got back into some of

1380

00:53:13,910 --> 00:53:12,000

the reproductive organs back in there

1381

00:53:16,150 --> 00:53:13,920

the mutilation and the sightings of the

1382

00:53:18,390 --> 00:53:16,160

lights in the sky continued

1383

00:53:19,750 --> 00:53:18,400

it got to a point to where more ranchers

1384

00:53:21,990 --> 00:53:19,760

in the northeastern part of the state

1385

00:53:23,750 --> 00:53:22,000

began arming themselves

1386

00:53:25,750 --> 00:53:23,760

they weren't getting the results they

1387

00:53:27,750 --> 00:53:25,760

wanted from state authorities

1388

00:53:28,950 --> 00:53:27,760

they were concerned for their families

1389

00:53:31,430 --> 00:53:28,960

and they never knew

1390

00:53:32,230 --> 00:53:31,440

when they might be next they began

1391

00:53:34,549 --> 00:53:32,240

patrolling

1392

00:53:36,470 --> 00:53:34,559

their pasture land watching over their

1393

00:53:38,630 --> 00:53:36,480

herds at night

1394

00:53:41,109 --> 00:53:38,640

lights from the sky when they got too

1395

00:53:43,510 --> 00:53:41,119

close to a bird of cattle

1396

00:53:45,589 --> 00:53:43,520

the ranch was shocked well i think

1397

00:53:47,750 --> 00:53:45,599

everybody was a little edgy

1398

00:53:49,430 --> 00:53:47,760

everybody everybody started carrying

1399

00:53:50,390 --> 00:53:49,440

high-powered rifles on what good it was

1400

00:53:52,790 --> 00:53:50,400

done but

1401
00:53:54,870 --> 00:53:52,800
everybody was awfully nervous i'm

1402
00:53:58,069 --> 00:53:54,880
completely convinced that there's

1403
00:53:59,510 --> 00:53:58,079
something there it's not normal there's

1404
00:54:00,309 --> 00:53:59,520
a lot of questions that are unanswered

1405
00:54:02,150 --> 00:54:00,319
i'm sure

1406
00:54:03,349 --> 00:54:02,160
hopefully someday maybe somebody will

1407
00:54:05,270 --> 00:54:03,359
figure it out

1408
00:54:06,790 --> 00:54:05,280
unidentifiable lights in the sky have

1409
00:54:08,549 --> 00:54:06,800
appeared in virtually

1410
00:54:11,190 --> 00:54:08,559
every area of this country which has

1411
00:54:13,430 --> 00:54:11,200
been plagued by color mutilations

1412
00:54:15,589 --> 00:54:13,440
but no explanation has been found for

1413
00:54:17,349 --> 00:54:15,599

these strange sightings

1414

00:54:19,510 --> 00:54:17,359

there are some who believe that these

1415

00:54:22,230 --> 00:54:19,520

objects in the sky are responsible for

1416

00:54:23,980 --> 00:54:22,240

thousands of mysterious cattle deaths

1417

00:54:27,510 --> 00:54:23,990

which continue to this day

1418

00:54:29,829 --> 00:54:27,520

[Music]

1419

00:54:31,910 --> 00:54:29,839

though state and local officials have

1420

00:54:33,109 --> 00:54:31,920

stated their views about the mutilation

1421

00:54:35,109 --> 00:54:33,119

mystery

1422

00:54:36,309 --> 00:54:35,119

surprisingly few veterinarians will

1423

00:54:39,349 --> 00:54:36,319

speak publicly

1424

00:54:41,829 --> 00:54:39,359

about the situation

1425

00:54:42,789 --> 00:54:41,839

this man is an exception dr william

1426
00:54:44,549 --> 00:54:42,799
fitzgerald

1427
00:54:45,829 --> 00:54:44,559
runs an animal clinic in durango

1428
00:54:47,670 --> 00:54:45,839
colorado

1429
00:54:49,589 --> 00:54:47,680
because of his expertise in the field of

1430
00:54:51,430 --> 00:54:49,599
veterinary medicine he was asked

1431
00:54:53,270 --> 00:54:51,440
by the sheriff's office to perform an

1432
00:54:55,990 --> 00:54:53,280
autopsy on a mutilated cow

1433
00:54:57,270 --> 00:54:56,000
found in a remote area of state-owned

1434
00:54:59,829 --> 00:54:57,280
forest

1435
00:55:01,430 --> 00:54:59,839
this particular animal had been largely

1436
00:55:05,270 --> 00:55:01,440
exsanguinated

1437
00:55:06,230 --> 00:55:05,280
the anus and about the first four inches

1438
00:55:10,390 --> 00:55:06,240

of the rectum

1439

00:55:13,670 --> 00:55:10,400

had been removed the

1440

00:55:15,030 --> 00:55:13,680

prepuce skin and the last two or three

1441

00:55:17,030 --> 00:55:15,040

inches of the penis

1442

00:55:18,470 --> 00:55:17,040

had been severed flush with the body

1443

00:55:23,270 --> 00:55:18,480

wall

1444

00:55:30,630 --> 00:55:27,109

and the last one third of the tongue

1445

00:55:31,030 --> 00:55:30,640

had been cut a portion of the lips on

1446

00:55:38,470 --> 00:55:31,040

the

1447

00:55:40,230 --> 00:55:38,480

sawed off uh presumably to gain access

1448

00:55:41,910 --> 00:55:40,240

to the tongue but this

1449

00:55:43,510 --> 00:55:41,920

makes no sense because that portion of

1450

00:55:45,349 --> 00:55:43,520

the tongue could have been easily pulled

1451

00:55:48,870 --> 00:55:45,359

out and cut off without that so i don't

1452

00:55:52,150 --> 00:55:48,880

understand that point

1453

00:55:52,710 --> 00:55:52,160

reports i have heard uh some that i have

1454

00:55:55,349 --> 00:55:52,720

read

1455

00:55:56,309 --> 00:55:55,359

subsequent to this time indicate that

1456

00:55:58,470 --> 00:55:56,319

people

1457

00:56:01,030 --> 00:55:58,480

have seen mutilations that they

1458

00:56:05,349 --> 00:56:01,040

attributed to predators

1459

00:56:07,430 --> 00:56:05,359

and if this was a predator he had two

1460

00:56:10,470 --> 00:56:07,440

feet and a six-inch knife

1461

00:56:13,430 --> 00:56:10,480

because it was a very sharp single cut

1462

00:56:15,510 --> 00:56:13,440

in most instances and although not the

1463

00:56:17,750 --> 00:56:15,520

world's leading expert i work

1464

00:56:20,150 --> 00:56:17,760

with knives frequently i know what they

1465

00:56:22,710 --> 00:56:20,160

do i know the marks they leave

1466

00:56:24,069 --> 00:56:22,720

next sanguine nation the removal of

1467

00:56:26,230 --> 00:56:24,079

blood from an animal

1468

00:56:27,829 --> 00:56:26,240

has been a predominant trademark of the

1469

00:56:29,910 --> 00:56:27,839

mutilators

1470

00:56:32,549 --> 00:56:29,920

few officials have found an answer to

1471

00:56:35,589 --> 00:56:32,559

the technique used in this procedure

1472

00:56:39,510 --> 00:56:35,599

dr fitzgerald describes what he thinks

1473

00:56:41,589 --> 00:56:39,520

is the method if a large bore needle

1474

00:56:44,069 --> 00:56:41,599

is placed in the animal's jugular vein

1475

00:56:45,109 --> 00:56:44,079

while the animal is sedated under

1476

00:56:47,829 --> 00:56:45,119

anesthesia or

1477

00:56:49,349 --> 00:56:47,839

awake if you like somehow restrained

1478

00:56:51,750 --> 00:56:49,359

however

1479

00:56:52,549 --> 00:56:51,760

the animal's heart will function as a

1480

00:56:56,829 --> 00:56:52,559

pump

1481

00:57:05,430 --> 00:56:56,839

blood

1482

00:57:07,829 --> 00:57:05,440

diminish

1483

00:57:10,069 --> 00:57:07,839

a natural physiological mechanism takes

1484

00:57:11,829 --> 00:57:10,079

over and sequesters or draws what

1485

00:57:13,670 --> 00:57:11,839

remaining blood is left into the

1486

00:57:15,589 --> 00:57:13,680

internal organs in the center to supply

1487

00:57:16,470 --> 00:57:15,599

the vital organs delivered the heart the

1488

00:57:19,670 --> 00:57:16,480

brain

1489

00:57:24,309 --> 00:57:19,680

and it will leave the peripheral area

1490

00:57:27,349 --> 00:57:24,319

the skin all of the non-vital centers

1491

00:57:30,230 --> 00:57:27,359

largely bloodless so if

1492

00:57:33,190 --> 00:57:30,240

you can successfully withdraw the major

1493

00:57:36,470 --> 00:57:33,200

portion of an animal's blood

1494

00:57:38,230 --> 00:57:36,480

you can cut on that animal and

1495

00:57:41,670 --> 00:57:38,240

there will be virtually no bleeding at

1496

00:57:44,549 --> 00:57:41,680

all from the surface

1497

00:57:45,109 --> 00:57:44,559

i know that i keep coming back to this

1498

00:57:48,549 --> 00:57:45,119

point

1499

00:57:52,230 --> 00:57:51,030

the animal was apparently restrained

1500

00:57:55,349 --> 00:57:52,240

with something other than

1501
00:58:01,910 --> 00:57:55,359
ropes why i don't know it was apparently

1502
00:58:08,470 --> 00:58:06,390
and it was in a very remote area

1503
00:58:09,430 --> 00:58:08,480
perhaps these things tie together

1504
00:58:13,270 --> 00:58:09,440
perhaps

1505
00:58:16,069 --> 00:58:13,280
whoever whatever performed this

1506
00:58:17,030 --> 00:58:16,079
didn't want to be observed i think one

1507
00:58:19,510 --> 00:58:17,040
of my initial

1508
00:58:20,950 --> 00:58:19,520
feelings was that somebody certainly

1509
00:58:21,990 --> 00:58:20,960
went to an awful lot of trouble to get

1510
00:58:23,349 --> 00:58:22,000
back into a remote area

1511
00:58:24,950 --> 00:58:23,359
where i don't believe you'd casually

1512
00:58:28,470 --> 00:58:24,960
know there were even cattle to do all of

1513
00:58:33,030 --> 00:58:31,030

dulce new mexico similar to the plains

1514

00:58:35,349 --> 00:58:33,040

of colorado in its isolation

1515

00:58:37,190 --> 00:58:35,359

but nestled among rolling hills and

1516

00:58:40,789 --> 00:58:37,200

small mountains

1517

00:58:43,910 --> 00:58:40,799

is the land of the hikaria apache

1518

00:58:46,069 --> 00:58:43,920

tradition is strong here indian women

1519

00:58:47,910 --> 00:58:46,079

weave intricate baskets and create

1520

00:58:50,789 --> 00:58:47,920

delicate beadwork

1521

00:58:51,349 --> 00:58:50,799

the men preside over tribal business and

1522

00:58:55,190 --> 00:58:51,359

raise

1523

00:58:57,829 --> 00:58:55,200

cattle and here as in logan county

1524

00:58:59,829 --> 00:58:57,839

the night sky has been lit with the glow

1525

00:59:03,109 --> 00:58:59,839

of unknown flying objects

1526

00:59:05,349 --> 00:59:03,119

and cattle are found mutilated

1527

00:59:06,630 --> 00:59:05,359

officer gabe valdez of the new mexico

1528

00:59:08,789 --> 00:59:06,640

state police

1529

00:59:10,630 --> 00:59:08,799

and retired scientist howard burgess who

1530

00:59:12,549 --> 00:59:10,640

pioneered the development of curling

1531

00:59:14,390 --> 00:59:12,559

photography in this country

1532

00:59:17,030 --> 00:59:14,400

periodically pooled their knowledge and

1533

00:59:19,750 --> 00:59:17,040

expertise in an effort to solve

1534

00:59:21,990 --> 00:59:19,760

the mutilation mystery officer valdes

1535

00:59:26,870 --> 00:59:22,000

describes how it all began

1536

00:59:29,670 --> 00:59:26,880

it was in 1976 june the 14th

1537

00:59:32,390 --> 00:59:29,680

we when we first had a one of our cattle

1538

00:59:34,150 --> 00:59:32,400

mutilations here in dulce

1539

00:59:36,069 --> 00:59:34,160

the cattle uh that was related belonged

1540

00:59:39,829 --> 00:59:36,079

to mr emmanuel gomez

1541

00:59:43,670 --> 00:59:39,839

anytime that we do find one that

1542

00:59:45,829 --> 00:59:43,680

it's not too decomposed and it's uh

1543

00:59:47,990 --> 00:59:45,839

it's fresh enough for us to do some

1544

00:59:50,549 --> 00:59:48,000

tests while i do call on mr burgess

1545

00:59:52,390 --> 00:59:50,559

because he has a lot of knowledge in the

1546

00:59:55,270 --> 00:59:52,400

field of science that

1547

00:59:56,789 --> 00:59:55,280

is very helpful to me in conducting my

1548

00:59:59,030 --> 00:59:56,799

investigations

1549

01:00:00,069 --> 00:59:59,040

howard burgess had a theory that some of

1550

01:00:02,710 --> 01:00:00,079

the cattle had been

1551

01:00:04,150 --> 01:00:02,720

marked prior to their mutilation with

1552

01:00:05,510 --> 01:00:04,160

something which would show up in the

1553

01:00:09,030 --> 01:00:05,520

ultraviolet light

1554

01:00:11,430 --> 01:00:09,040

but be invisible to the naked eye

1555

01:00:12,710 --> 01:00:11,440

late one night he and valdez conducted

1556

01:00:15,510 --> 01:00:12,720

an experiment

1557

01:00:16,789 --> 01:00:15,520

and found that out of 80 head of cattle

1558

01:00:19,510 --> 01:00:16,799

five were indeed

1559

01:00:23,349 --> 01:00:19,520

marked with a powdery white substance

1560

01:00:26,309 --> 01:00:23,359

visible only under ultraviolet light

1561

01:00:27,510 --> 01:00:26,319

so we took uh ultraviolet with some

1562

01:00:30,549 --> 01:00:27,520

special filters

1563

01:00:33,430 --> 01:00:30,559

and ran the cattle through it and what

1564

01:00:35,589 --> 01:00:33,440

appears to be markings glowed under

1565

01:00:38,789 --> 01:00:35,599

ultraviolet it's invisible to the

1566

01:00:42,069 --> 01:00:38,799

normal eye but under ultraviolet it does

1567

01:00:44,390 --> 01:00:42,079

glow then we remove the hair

1568

01:00:45,270 --> 01:00:44,400

from the region that does glow and we

1569

01:00:47,990 --> 01:00:45,280

removed

1570

01:00:48,470 --> 01:00:48,000

a control sample we took these to the

1571

01:00:52,309 --> 01:00:48,480

lab

1572

01:00:55,670 --> 01:00:52,319

and had chemical checks run on them

1573

01:00:58,470 --> 01:00:55,680

we did find that the

1574

01:01:00,789 --> 01:00:58,480

sample that did glow is extremely high

1575

01:01:03,829 --> 01:01:00,799

in potassium and magnesium

1576

01:01:05,670 --> 01:01:03,839

at the time this was interesting but it

1577

01:01:08,549 --> 01:01:05,680

didn't mean much to us

1578

01:01:10,309 --> 01:01:08,559

until we ran onto other things that

1579

01:01:13,510 --> 01:01:10,319

began to tie in with it

1580

01:01:15,990 --> 01:01:13,520

the time came on the third 1978 when a

1581

01:01:18,390 --> 01:01:16,000

ufo was sighted over taos new mexico

1582

01:01:20,710 --> 01:01:18,400

as it hovered over the town and dropped

1583

01:01:21,589 --> 01:01:20,720

a thin film of ashes onto the ground

1584

01:01:23,589 --> 01:01:21,599

below

1585

01:01:25,109 --> 01:01:23,599

the ashes contained high levels of

1586

01:01:27,589 --> 01:01:25,119

magnesium and potassium

1587

01:01:29,270 --> 01:01:27,599

the same elements found on the cattle

1588

01:01:31,990 --> 01:01:29,280

under ultraviolet light

1589

01:01:32,390 --> 01:01:32,000

but there was more we find there's at

1590

01:01:35,510 --> 01:01:32,400

least

1591

01:01:37,829 --> 01:01:35,520

25 elements in there there's a good

1592

01:01:38,230 --> 01:01:37,839

possibility that it may be something

1593

01:01:41,750 --> 01:01:38,240

that's

1594

01:01:45,190 --> 01:01:41,760

organic and if it is this just opens up

1595

01:01:47,270 --> 01:01:45,200

a real bag of worms because anything can

1596

01:01:48,309 --> 01:01:47,280

happen if this is an organic material

1597

01:01:53,270 --> 01:01:48,319

that has

1598

01:01:56,390 --> 01:01:53,280

come from one of these crafts and this

1599

01:01:57,670 --> 01:01:56,400

as the people told us directly fell from

1600

01:02:04,549 --> 01:01:57,680

the

1601
01:02:06,150 --> 01:02:04,559
one day in 1975 logan county sheriff tex

1602
01:02:08,470 --> 01:02:06,160
graves took his deputies into the

1603
01:02:10,470 --> 01:02:08,480
countryside around sterling colorado

1604
01:02:11,910 --> 01:02:10,480
determined to track the bright lights

1605
01:02:13,990 --> 01:02:11,920
which had been skimming across

1606
01:02:15,430 --> 01:02:14,000
the ranches and farmlands for the last

1607
01:02:17,510 --> 01:02:15,440
several weeks

1608
01:02:20,630 --> 01:02:17,520
reporter bill jackson describes the

1609
01:02:22,549 --> 01:02:20,640
sequence of events we were just getting

1610
01:02:25,029 --> 01:02:22,559
started in this we really didn't know

1611
01:02:28,069 --> 01:02:25,039
what we were doing we weren't prepared

1612
01:02:30,789 --> 01:02:28,079
for anything like this of course

1613
01:02:31,910 --> 01:02:30,799

but as as time went on we realized we

1614

01:02:33,510 --> 01:02:31,920

couldn't catch them

1615

01:02:35,990 --> 01:02:33,520

so maybe we can take pictures of them

1616

01:02:38,870 --> 01:02:36,000

and discover something that way

1617

01:02:40,390 --> 01:02:38,880

my search is turned up a year and a half

1618

01:02:42,789 --> 01:02:40,400

later

1619

01:02:44,789 --> 01:02:42,799

um the lights returned the mutilations

1620

01:02:47,430 --> 01:02:44,799

were still going on

1621

01:02:49,510 --> 01:02:47,440

so we uh we arranged with the honeywell

1622

01:02:54,230 --> 01:02:49,520

people in denver to borrow a

1623

01:02:56,549 --> 01:02:54,240

uh 1100 millimeter lentar lens from them

1624

01:02:57,270 --> 01:02:56,559

and got some high-speed recording film

1625

01:03:01,990 --> 01:02:57,280

from

1626
01:03:04,710 --> 01:03:02,000
kodak and then we sat and we waited

1627
01:03:06,069 --> 01:03:04,720
uh hoping that the lights would come

1628
01:03:09,430 --> 01:03:06,079
back and we'd have a chance and

1629
01:03:11,589 --> 01:03:09,440
finally that that chance came it was a

1630
01:03:12,630 --> 01:03:11,599
stationary object that we saw for

1631
01:03:14,950 --> 01:03:12,640
approximately

1632
01:03:16,069 --> 01:03:14,960
30 to 45 minutes and with resulting

1633
01:03:30,870 --> 01:03:16,079
shots were

1634
01:03:34,069 --> 01:03:30,880
interesting to say the least

1635
01:03:35,750 --> 01:03:34,079
shortly after these final exposures the

1636
01:03:37,750 --> 01:03:35,760
object just disappeared it was almost

1637
01:03:38,390 --> 01:03:37,760
like somebody hit a light switch and it

1638
01:03:39,100 --> 01:03:38,400

was there

1639

01:03:42,470 --> 01:03:39,110

no longer

1640

01:03:46,390 --> 01:03:45,109

what are these unidentifiable lights

1641

01:03:49,990 --> 01:03:46,400

what is their nature

1642

01:03:52,230 --> 01:03:50,000

and their purpose why have they appeared

1643

01:03:55,190 --> 01:03:52,240

in the night skies immediately prior to

1644

01:03:57,990 --> 01:03:55,200

the discovery of mutilated cattle

1645

01:04:00,180 --> 01:03:58,000

and how many more animals will die

1646

01:04:05,750 --> 01:04:00,190

before the mystery is song

1647

01:04:09,029 --> 01:04:05,760

[Music]

1648

01:04:11,349 --> 01:04:09,039

in 1974 i received a call from a woman

1649

01:04:13,589 --> 01:04:11,359

who had a strange story to tell

1650

01:04:15,430 --> 01:04:13,599

one night as she and three friends were

1651
01:04:16,630 --> 01:04:15,440
returning to los angeles from lombok

1652
01:04:18,630 --> 01:04:16,640
california

1653
01:04:19,990 --> 01:04:18,640
they encountered an unidentified light

1654
01:04:21,750 --> 01:04:20,000
in the sky

1655
01:04:23,910 --> 01:04:21,760
thinking at first it was a helicopter

1656
01:04:26,150 --> 01:04:23,920
the friends paid little attention

1657
01:04:27,029 --> 01:04:26,160
when the object began to fly the unusual

1658
01:04:29,589 --> 01:04:27,039
patterns

1659
01:04:30,630 --> 01:04:29,599
at extremely high speeds the passengers

1660
01:04:32,390 --> 01:04:30,640
soon realized

1661
01:04:33,750 --> 01:04:32,400
they were dealing with something out of

1662
01:04:35,829 --> 01:04:33,760
the ordinary

1663
01:04:37,270 --> 01:04:35,839

what happened next is best told in the

1664

01:04:39,910 --> 01:04:37,280

woman's own words

1665

01:04:40,950 --> 01:04:39,920

helen is a fictional name a real name is

1666

01:04:44,549 --> 01:04:40,960

being withheld

1667

01:04:45,029 --> 01:04:44,559

at her own request i saw it come into

1668

01:04:46,710 --> 01:04:45,039

the sky

1669

01:04:48,069 --> 01:04:46,720

from the top of the mountain range and

1670

01:04:50,150 --> 01:04:48,079

go straight up and do

1671

01:04:53,510 --> 01:04:50,160

a 90 degree angle toward us and i called

1672

01:04:57,430 --> 01:04:53,520

it to the attention of don john and sue

1673

01:04:59,910 --> 01:04:57,440

and they saw it too when it was there

1674

01:05:00,950 --> 01:04:59,920

i was not on dope or alcohol or anything

1675

01:05:02,710 --> 01:05:00,960

like that

1676

01:05:04,549 --> 01:05:02,720

and it came starting doing really

1677

01:05:05,670 --> 01:05:04,559

erratic things in the sky it was a small

1678

01:05:07,829 --> 01:05:05,680

white light

1679

01:05:09,270 --> 01:05:07,839

and very easy to see we were not

1680

01:05:11,829 --> 01:05:09,280

mistaking anything

1681

01:05:13,589 --> 01:05:11,839

he came over to the car stepped over and

1682

01:05:15,270 --> 01:05:13,599

went around on the other side

1683

01:05:16,710 --> 01:05:15,280

toward the other hills and came back

1684

01:05:19,190 --> 01:05:16,720

sailed above the car

1685

01:05:20,470 --> 01:05:19,200

by this time because it was so close it

1686

01:05:23,109 --> 01:05:20,480

was

1687

01:05:24,710 --> 01:05:23,119

eight lanes freeway is least in diameter

1688

01:05:28,390 --> 01:05:24,720

and even a little wider

1689

01:05:30,950 --> 01:05:28,400

saucy shape a very white luminescent

1690

01:05:33,829 --> 01:05:30,960

light emitted from the entirety of it

1691

01:05:34,150 --> 01:05:33,839

the ship stayed above us out in front of

1692

01:05:37,430 --> 01:05:34,160

us

1693

01:05:38,470 --> 01:05:37,440

about a minute or two and we watched it

1694

01:05:41,430 --> 01:05:38,480

none of us were saying

1695

01:05:43,109 --> 01:05:41,440

things and we just kept driving and they

1696

01:05:44,390 --> 01:05:43,119

kept staying in front of us and then out

1697

01:05:47,670 --> 01:05:44,400

of the perimeter of it

1698

01:05:49,829 --> 01:05:47,680

closed his test came four white

1699

01:05:51,750 --> 01:05:49,839

beams of light very much like funnel

1700

01:05:53,990 --> 01:05:51,760

shaped smaller at the perimeter

1701
01:05:56,150 --> 01:05:54,000
and they descended upon us and came

1702
01:05:57,990 --> 01:05:56,160
around each one of our bodies

1703
01:06:00,230 --> 01:05:58,000
and out of each one of our bodies we

1704
01:06:02,710 --> 01:06:00,240
started to float into that beam of light

1705
01:06:05,910 --> 01:06:02,720
the best description would

1706
01:06:06,789 --> 01:06:05,920
would be molecularly being dispersed and

1707
01:06:09,029 --> 01:06:06,799
um

1708
01:06:10,549 --> 01:06:09,039
when i looked over at don and sue and

1709
01:06:12,390 --> 01:06:10,559
john

1710
01:06:13,670 --> 01:06:12,400
their bodies their legs and their

1711
01:06:15,190 --> 01:06:13,680
bottoms are still on the

1712
01:06:17,270 --> 01:06:15,200
car seat and their heads and their

1713
01:06:18,710 --> 01:06:17,280

shoulders and their chest molecules were

1714

01:06:20,630 --> 01:06:18,720
going through the roof of the car

1715

01:06:22,390 --> 01:06:20,640
along with mine we didn't lose

1716

01:06:23,990 --> 01:06:22,400
consciousness while this happened we

1717

01:06:25,670 --> 01:06:24,000
were completely conscious of going

1718

01:06:28,069 --> 01:06:25,680
through the roof

1719

01:06:28,870 --> 01:06:28,079
and the bottom molecules of our body

1720

01:06:32,549 --> 01:06:28,880
were

1721

01:06:33,990 --> 01:06:32,559
three and a half or four feet outside

1722

01:06:36,789 --> 01:06:34,000
the car

1723

01:06:37,750 --> 01:06:36,799
going toward the ship and we hit energy

1724

01:06:41,430 --> 01:06:37,760
field

1725

01:06:43,270 --> 01:06:41,440
a strong one and remember nothing

1726

01:06:44,710 --> 01:06:43,280

next thing i did remember we were coming

1727

01:06:51,349 --> 01:06:44,720

back

1728

01:06:52,470 --> 01:06:51,359

it wasn't until several years later that

1729

01:06:54,069 --> 01:06:52,480

helen realized

1730

01:06:56,470 --> 01:06:54,079

she had experienced more than she

1731

01:06:58,870 --> 01:06:56,480

remembered mental images

1732

01:07:00,069 --> 01:06:58,880

which she couldn't explain caused her to

1733

01:07:01,430 --> 01:07:00,079

visit a specialist

1734

01:07:04,150 --> 01:07:01,440

who put her through a memory of

1735

01:07:06,710 --> 01:07:04,160

regression in this relaxed state

1736

01:07:08,789 --> 01:07:06,720

helen recalled the evening in question

1737

01:07:10,309 --> 01:07:08,799

and described in detail the experience

1738

01:07:13,910 --> 01:07:10,319

of being taken aboard

1739

01:07:15,990 --> 01:07:13,920

the ufo i came too

1740

01:07:17,990 --> 01:07:16,000

and standing in front of me was a very

1741

01:07:20,309 --> 01:07:18,000

tall man with whitish hair

1742

01:07:21,510 --> 01:07:20,319

kind of bronze beautifully tan type of

1743

01:07:25,910 --> 01:07:21,520

skin

1744

01:07:27,349 --> 01:07:25,920

and he had a long type of robust gown on

1745

01:07:30,470 --> 01:07:27,359

and he was looking at me and

1746

01:07:32,710 --> 01:07:30,480

very very friendly and he

1747

01:07:34,309 --> 01:07:32,720

said he supposed i'd like to know what

1748

01:07:35,829 --> 01:07:34,319

we were doing here

1749

01:07:37,510 --> 01:07:35,839

and i looked around and i did want to

1750

01:07:37,910 --> 01:07:37,520

know there was a huge room that we were

1751
01:07:39,750 --> 01:07:37,920
in

1752
01:07:41,190 --> 01:07:39,760
that had a hallway off the front the

1753
01:07:42,789 --> 01:07:41,200
hallway off to the side

1754
01:07:45,109 --> 01:07:42,799
and they were round curved hallways the

1755
01:07:47,029 --> 01:07:45,119
room was very light

1756
01:07:48,630 --> 01:07:47,039
iridescent light radiated all over but

1757
01:07:50,069 --> 01:07:48,640
you didn't see a light bulb anywhere in

1758
01:07:51,670 --> 01:07:50,079
fact you didn't see hardly anything

1759
01:07:52,630 --> 01:07:51,680
except for the swivel chairs we were

1760
01:07:56,870 --> 01:07:52,640
sitting in

1761
01:07:59,910 --> 01:07:56,880
and he proceeded to help me up and then

1762
01:08:00,789 --> 01:07:59,920
we walked together over to the screen in

1763
01:08:03,029 --> 01:08:00,799

front of us

1764

01:08:04,549 --> 01:08:03,039

across the room and he showed us some

1765

01:08:07,589 --> 01:08:04,559

information and pictures

1766

01:08:10,870 --> 01:08:07,599

and was very cordial and

1767

01:08:11,829 --> 01:08:10,880

very easy to talk with the man spoke to

1768

01:08:13,750 --> 01:08:11,839

me in english

1769

01:08:14,950 --> 01:08:13,760

but concurrent with everything he said

1770

01:08:17,590 --> 01:08:14,960

was a great

1771

01:08:20,309 --> 01:08:17,600

great deal of telepathic communication

1772

01:08:23,669 --> 01:08:20,319

and it was completely peaceful feeling

1773

01:08:26,229 --> 01:08:23,679

though it all made sense

1774

01:08:26,870 --> 01:08:26,239

he showed us a screen with many images

1775

01:08:29,269 --> 01:08:26,880

on it

1776

01:08:31,030 --> 01:08:29,279

that clarified some of the things he was

1777

01:08:32,870 --> 01:08:31,040

saying he also said that he'd been

1778

01:08:35,590 --> 01:08:32,880

around with the other people there

1779

01:08:37,430 --> 01:08:35,600

for thousands of years and that they had

1780

01:08:40,390 --> 01:08:37,440

been picking up people

1781

01:08:40,789 --> 01:08:40,400

and giving information to people for the

1782

01:08:43,030 --> 01:08:40,799

use

1783

01:08:44,550 --> 01:08:43,040

of putting it into this world into the

1784

01:08:47,430 --> 01:08:44,560

society

1785

01:08:48,950 --> 01:08:47,440

to bring about a lot of better changes

1786

01:08:51,990 --> 01:08:48,960

and

1787

01:08:53,829 --> 01:08:52,000

the interesting thing is that there are

1788

01:08:56,550 --> 01:08:53,839

some people he indicated

1789

01:08:58,309 --> 01:08:56,560

who have who we know and read about who

1790

01:09:00,229 --> 01:08:58,319

were given information by him this is

1791

01:09:03,269 --> 01:09:00,239

what he told me

1792

01:09:06,950 --> 01:09:03,279

and there was no fear

1793

01:09:09,110 --> 01:09:06,960

that's predominant i think in everything

1794

01:09:11,030 --> 01:09:09,120

from this large room where we first came

1795

01:09:14,229 --> 01:09:11,040

on the man led me down into

1796

01:09:15,990 --> 01:09:14,239

a couple other rooms and the one that's

1797

01:09:17,189 --> 01:09:16,000

very interesting was more or less in the

1798

01:09:19,829 --> 01:09:17,199

center of this ship

1799

01:09:20,709 --> 01:09:19,839

and it was a room full of dials and full

1800

01:09:22,470 --> 01:09:20,719

of men

1801

01:09:24,390 --> 01:09:22,480

dressed in more form-fitting clothes

1802

01:09:26,789 --> 01:09:24,400

whereas the one who met me had a

1803

01:09:28,550 --> 01:09:26,799

type of ambassadorial robes on and these

1804

01:09:30,470 --> 01:09:28,560

guys had more like

1805

01:09:32,470 --> 01:09:30,480

turtlenecks and levi's it was still

1806

01:09:34,149 --> 01:09:32,480

white soft iridescent

1807

01:09:36,550 --> 01:09:34,159

and very comfortable looking and they

1808

01:09:38,950 --> 01:09:36,560

were working there was plenty of dials

1809

01:09:40,870 --> 01:09:38,960

and there was lots of screens

1810

01:09:42,630 --> 01:09:40,880

types of scopes there and they were

1811

01:09:44,149 --> 01:09:42,640

doing things um

1812

01:09:47,990 --> 01:09:44,159

very involved none of them paid any

1813

01:09:50,950 --> 01:09:48,000

attention to us they kept their work

1814

01:09:52,709 --> 01:09:50,960

after he had taken me to these rooms we

1815

01:09:55,910 --> 01:09:52,719

were walking again down the hall

1816

01:09:57,590 --> 01:09:55,920

to go back to the car and while we were

1817

01:09:59,350 --> 01:09:57,600

walking i remember telling him you know

1818

01:10:01,510 --> 01:09:59,360

nobody's going to believe me

1819

01:10:03,110 --> 01:10:01,520

and he said it's really nice to talk to

1820

01:10:04,709 --> 01:10:03,120

and he goes it doesn't matter if anybody

1821

01:10:06,870 --> 01:10:04,719

believes you

1822

01:10:08,229 --> 01:10:06,880

and there was a purpose to being told

1823

01:10:10,790 --> 01:10:08,239

these things and

1824

01:10:11,750 --> 01:10:10,800

what i'd learned and what john and sue

1825

01:10:14,950 --> 01:10:11,760

had learned too

1826

01:10:17,430 --> 01:10:14,960

had its purpose and

1827

01:10:19,750 --> 01:10:17,440

it was very kind and very cordial you

1828

01:10:23,030 --> 01:10:19,760

could meet him on the street almost and

1829

01:10:25,430 --> 01:10:23,040

not even feel anything unusual

1830

01:10:27,110 --> 01:10:25,440

and then we came back to the room we

1831

01:10:28,390 --> 01:10:27,120

were put back in the car the same way as

1832

01:10:30,709 --> 01:10:28,400

we were taken out

1833

01:10:31,750 --> 01:10:30,719

and we just this tremendous sense of

1834

01:10:34,070 --> 01:10:31,760

peace

1835

01:10:34,870 --> 01:10:34,080

and that there was a lot more going on

1836

01:10:37,590 --> 01:10:34,880

them

1837

01:10:39,430 --> 01:10:37,600

than we had originally thought in

1838

01:10:41,750 --> 01:10:39,440

december of 1969

1839

01:10:43,510 --> 01:10:41,760

amidst great public controversy the

1840

01:10:44,149 --> 01:10:43,520

condon report from the university of

1841

01:10:47,270 --> 01:10:44,159

colorado

1842

01:10:47,990 --> 01:10:47,280

was finally out in summary they found no

1843

01:10:50,070 --> 01:10:48,000

evidence

1844

01:10:51,110 --> 01:10:50,080

that ufos were a threat to the national

1845

01:10:52,870 --> 01:10:51,120

security

1846

01:10:55,030 --> 01:10:52,880

and the late dr condon recommended that

1847

01:10:56,709 --> 01:10:55,040

the air force terminate its involvement

1848

01:11:00,229 --> 01:10:56,719

in ufo investigations

1849

01:11:01,590 --> 01:11:00,239

and analysis in 1969 the air force

1850

01:11:03,910 --> 01:11:01,600

officially disbanded

1851
01:11:06,229 --> 01:11:03,920
project blue book and the study of the

1852
01:11:08,870 --> 01:11:06,239
ufo phenomenon

1853
01:11:09,910 --> 01:11:08,880
conclusions of project blue book were

1854
01:11:12,870 --> 01:11:09,920
one

1855
01:11:14,950 --> 01:11:12,880
no ufo reported investigated and

1856
01:11:17,430 --> 01:11:14,960
evaluated by the air force has

1857
01:11:19,350 --> 01:11:17,440
ever given any indication of threat to

1858
01:11:21,830 --> 01:11:19,360
our national security

1859
01:11:25,030 --> 01:11:21,840
two there is no evidence submitted that

1860
01:11:27,590 --> 01:11:25,040
sightings categorized as unidentified

1861
01:11:29,750 --> 01:11:27,600
represent technological developments or

1862
01:11:30,149 --> 01:11:29,760
principles beyond the range of present

1863
01:11:33,590 --> 01:11:30,159

day

1864

01:11:34,550 --> 01:11:33,600

scientific knowledge and three there is

1865

01:11:36,550 --> 01:11:34,560

no evidence

1866

01:11:38,590 --> 01:11:36,560

indicating that these unidentified

1867

01:11:41,430 --> 01:11:38,600

objects are

1868

01:11:44,390 --> 01:11:41,440

extraterrestrial the files of over 12

1869

01:11:46,630 --> 01:11:44,400

000 cases were placed into storage but

1870

01:11:49,189 --> 01:11:46,640

the ubiquitous ufo wasn't to be

1871

01:11:51,510 --> 01:11:49,199

influenced by this government position

1872

01:11:53,350 --> 01:11:51,520

incidents were to continue with daily

1873

01:11:55,350 --> 01:11:53,360

reports of flying objects finding their

1874

01:11:58,390 --> 01:11:55,360

way into the news media

1875

01:12:00,630 --> 01:11:58,400

in the closing months of 1973 and early

1876

01:12:03,110 --> 01:12:00,640

into 1974 alone

1877

01:12:05,750 --> 01:12:03,120

there are over 1 000 unrelated and

1878

01:12:07,750 --> 01:12:05,760

unsolved reports of ufos from across the

1879

01:12:10,390 --> 01:12:07,760

united states

the air force do

1945

01:14:46,870 --> 01:14:44,880

have extremely sophisticated equipment

1946

01:14:47,910 --> 01:14:46,880

and by use of the phased array radar

1947

01:14:50,070 --> 01:14:47,920

facility

1948

01:14:51,350 --> 01:14:50,080

surveillance is maintained on objects in

1949

01:14:53,669 --> 01:14:51,360

space

1950

01:14:55,030 --> 01:14:53,679

the system is only designed to track

1951

01:14:57,990 --> 01:14:55,040

things like rockets

1952

01:14:58,390 --> 01:14:58,000

satellites and man-made debris objects

1953

01:15:01,189 --> 01:14:58,400

with

1954

01:15:02,709 --> 01:15:01,199

specific trajectories and which hold an

1955

01:15:04,630 --> 01:15:02,719

orbital or flight velocity of

1956

01:15:07,669 --> 01:15:04,640

approximately 4.8

1957

01:15:08,470 --> 01:15:07,679

nautical miles per second this system is

1958

01:15:11,110 --> 01:15:08,480

designed

1959

01:15:13,270 --> 01:15:11,120

to discriminate between objects in space

1960

01:15:15,430 --> 01:15:13,280

for example it will ignore a mid air

1961

01:15:17,189 --> 01:15:15,440

entering the earth's atmosphere that

1962

01:15:18,950 --> 01:15:17,199

will quickly spot a satellite as it

1963

01:15:20,709 --> 01:15:18,960

begins re-entry

1964

01:15:22,229 --> 01:15:20,719

objects can also be photographed with

1965

01:15:24,070 --> 01:15:22,239

incredible precision

1966

01:15:27,110 --> 01:15:24,080

by the electro optical surveillance

1967

01:15:29,270 --> 01:15:27,120

system and it's very good at its job

1968

01:15:30,310 --> 01:15:29,280

however it's not designed to photograph

1969

01:15:33,430 --> 01:15:30,320

everything

1970

01:15:35,189 --> 01:15:33,440

just specific items and particular

1971

01:15:37,990 --> 01:15:35,199

missions

1972

01:15:40,070 --> 01:15:38,000

the sky is so vast it is virtually

1973

01:15:43,189 --> 01:15:40,080

impossible to wait for

1974

01:15:44,310 --> 01:15:43,199

track and photograph all unidentified

1975

01:15:46,550 --> 01:15:44,320

phenomena

1976

01:15:47,990 --> 01:15:46,560

there is just not sufficient time or

1977

01:15:50,149 --> 01:15:48,000

budget

1978

01:15:51,669 --> 01:15:50,159

so it is not really accurate to say that

1979

01:15:52,790 --> 01:15:51,679

our sophisticated equipment and

1980

01:15:55,590 --> 01:15:52,800

personnel

1981

01:15:57,030 --> 01:15:55,600

are able to identify and examine any and

1982

01:15:59,669 --> 01:15:57,040

all ufos

1983

01:16:00,229 --> 01:15:59,679

on the contrary they are programmed to

1984

01:16:05,030 --> 01:16:00,239

study

1985

01:16:07,630 --> 01:16:05,040

men built machines and only that

1986

01:16:09,270 --> 01:16:07,640

among the many reports of ufos in late

1987

01:16:11,430 --> 01:16:09,280

1973

1988

01:16:13,830 --> 01:16:11,440

one incident would stand out because of

1989

01:16:16,630 --> 01:16:13,840

the credibility of the four witnesses

1990

01:16:19,030 --> 01:16:16,640

this is major coin army helicopter pilot

1991

01:16:21,189 --> 01:16:19,040

his co-pilot lieutenant arrigo jetsey

1992

01:16:22,390 --> 01:16:21,199

air medic sergeant healy and robert

1993

01:16:24,229 --> 01:16:22,400

yanicek

1994

01:16:26,550 --> 01:16:24,239

these men had just finished their annual

1995

01:16:29,350 --> 01:16:26,560

flight physical early that day

1996

01:16:31,189 --> 01:16:29,360

and were found fit and sound of mind

1997

01:16:34,149 --> 01:16:31,199

they would take off from port columbus

1998

01:16:36,310 --> 01:16:34,159

airport about 10 30 pm but

1999

01:16:38,550 --> 01:16:36,320

what was about to follow and the

2000

01:16:40,630 --> 01:16:38,560

subsequent report they filed

2001
01:16:41,750 --> 01:16:40,640
would put to the test the credibility of

2002
01:16:44,229 --> 01:16:41,760
these men

2003
01:16:46,229 --> 01:16:44,239
approximately eight miles east of

2004
01:16:48,709 --> 01:16:46,239
mansfield

2005
01:16:51,430 --> 01:16:48,719
our crew chief sergeant robert janicek

2006
01:16:53,669 --> 01:16:51,440
observed a red light on the east horizon

2007
01:16:55,590 --> 01:16:53,679
are you gentlemen see the same red light

2008
01:16:57,910 --> 01:16:55,600
yes i did

2009
01:16:59,030 --> 01:16:57,920
our helicopter was flying on a northerly

2010
01:17:01,910 --> 01:16:59,040
heading

2011
01:17:03,830 --> 01:17:01,920
we were flying at an altitude of 2500

2012
01:17:05,830 --> 01:17:03,840
feet

2013
01:17:07,510 --> 01:17:05,840

uh he indicated that the light seemed to

2014

01:17:09,830 --> 01:17:07,520

be facing the helicopter

2015

01:17:11,110 --> 01:17:09,840

moving along in a parallel direction

2016

01:17:13,270 --> 01:17:11,120

with our aircraft

2017

01:17:14,390 --> 01:17:13,280

which direction from the helicopter was

2018

01:17:17,990 --> 01:17:14,400

he at

2019

01:17:20,470 --> 01:17:18,000

moving it was it was to our right

2020

01:17:22,149 --> 01:17:20,480

to the right side of the helicopter and

2021

01:17:23,590 --> 01:17:22,159

it was moving with us

2022

01:17:25,270 --> 01:17:23,600

as we were heading north towards

2023

01:17:27,910 --> 01:17:25,280

cleveland

2024

01:17:28,709 --> 01:17:27,920

at this time uh he indicated that the

2025

01:17:30,790 --> 01:17:28,719

light

2026

01:17:32,070 --> 01:17:30,800

changes direction was coming directly at

2027

01:17:35,110 --> 01:17:32,080

the helicopter

2028

01:17:39,270 --> 01:17:35,120

at the same altitude

2029

01:17:41,910 --> 01:17:39,280

and as the helicopter was

2030

01:17:43,990 --> 01:17:41,920

maintaining a speed of 90 knots the

2031

01:17:46,470 --> 01:17:44,000

object came at a terrific speed from the

2032

01:17:48,790 --> 01:17:46,480

horizon we estimated 15 miles

2033

01:17:49,669 --> 01:17:48,800

visibility was reported 15 miles that

2034

01:17:51,669 --> 01:17:49,679

night

2035

01:17:53,590 --> 01:17:51,679

did you gentlemen see the object at this

2036

01:17:56,070 --> 01:17:53,600

time after had been pointed out by

2037

01:17:57,990 --> 01:17:56,080

the uh sergeant no not at that time i

2038

01:18:00,070 --> 01:17:58,000

was flying left cedar co-pilot

2039

01:18:01,590 --> 01:18:00,080

and this ability from that seed from

2040

01:18:02,950 --> 01:18:01,600

from an object approaching from the

2041

01:18:05,189 --> 01:18:02,960

right is rather limited

2042

01:18:06,310 --> 01:18:05,199

so i was having a difficulty you can see

2043

01:18:07,830 --> 01:18:06,320

in the octagon

2044

01:18:09,590 --> 01:18:07,840

and it was that for that reason that

2045

01:18:10,950 --> 01:18:09,600

major point did take the aircraft or the

2046

01:18:12,630 --> 01:18:10,960

controls from me

2047

01:18:14,390 --> 01:18:12,640

i grabbed the controls from lieutenant

2048

01:18:15,189 --> 01:18:14,400

jetsey because i thought it was going to

2049

01:18:18,229 --> 01:18:15,199

hit us

2050

01:18:19,510 --> 01:18:18,239

i braced for impact with that i pushed

2051

01:18:21,910 --> 01:18:19,520

the collective down to get the

2052

01:18:23,590 --> 01:18:21,920

helicopter to start to descend

2053

01:18:25,270 --> 01:18:23,600

i then looked at the altimeter it was

2054

01:18:27,910 --> 01:18:25,280

showing 1700

2055

01:18:29,990 --> 01:18:27,920

were descending a thousand feet a minute

2056

01:18:31,990 --> 01:18:30,000

the helicopter began to descend

2057

01:18:33,110 --> 01:18:32,000

and as this object came at the

2058

01:18:35,030 --> 01:18:33,120

helicopter it

2059

01:18:36,709 --> 01:18:35,040

seemed to descend with the helicopter

2060

01:18:38,310 --> 01:18:36,719

when the helicopter went down

2061

01:18:40,550 --> 01:18:38,320

the object came down but it still came

2062

01:18:43,430 --> 01:18:40,560

directly at our broadside as if to hit

2063

01:18:45,270 --> 01:18:43,440

the helicopter from the right side

2064

01:18:47,750 --> 01:18:45,280

did anyone else see the object at this

2065

01:18:49,669 --> 01:18:47,760

time yes i was watching it come on out

2066

01:18:51,590 --> 01:18:49,679

of the east horizon

2067

01:18:53,430 --> 01:18:51,600

and uh the only thing i felt was when

2068

01:18:55,830 --> 01:18:53,440

the skipper took over the controls

2069

01:18:57,110 --> 01:18:55,840

and we started auto rotate down and i've

2070

01:18:58,870 --> 01:18:57,120

never been involved in the mid-air

2071

01:19:00,149 --> 01:18:58,880

collision so i was just watching this

2072

01:19:03,189 --> 01:19:00,159

thing come at us

2073

01:19:05,830 --> 01:19:03,199

it was at this time my light came

2074

01:19:07,030 --> 01:19:05,840

and swung 90 degrees from the ufo

2075

01:19:08,630 --> 01:19:07,040

towards the helicopter

2076

01:19:11,189 --> 01:19:08,640

and it came in through the front of the

2077

01:19:13,030 --> 01:19:11,199

plexiglass and the entire cabin inside

2078

01:19:14,950 --> 01:19:13,040

turned green from the light

2079

01:19:16,310 --> 01:19:14,960

it was a pyramid-shaped type of light

2080

01:19:17,350 --> 01:19:16,320

that beamed down

2081

01:19:19,830 --> 01:19:17,360

and came through the front of the

2082

01:19:22,950 --> 01:19:19,840

helicopter how long was your

2083

01:19:26,070 --> 01:19:22,960

aircraft bathed in this beam

2084

01:19:28,149 --> 01:19:26,080

the light that came in the cockpit

2085

01:19:30,310 --> 01:19:28,159

apparently lasted only for a few seconds

2086

01:19:32,870 --> 01:19:30,320

but it was enough time

2087

01:19:34,709 --> 01:19:32,880

that i observed the red instrument panel

2088

01:19:36,630 --> 01:19:34,719

lights utilized for knife flying to be

2089

01:19:38,310 --> 01:19:36,640

absorbed by the green light

2090

01:19:40,070 --> 01:19:38,320

was it possible for you to determine the

2091

01:19:41,430 --> 01:19:40,080

outline of this object against the star

2092

01:19:45,350 --> 01:19:41,440

background

2093

01:19:48,149 --> 01:19:45,360

yes sir it was a cigar shaped object

2094

01:19:48,950 --> 01:19:48,159

like a symmetrical airfoil with the dome

2095

01:19:51,990 --> 01:19:48,960

on it

2096

01:19:55,430 --> 01:19:52,000

it was a solid object it was a metallic

2097

01:19:58,149 --> 01:19:55,440

structure to it and

2098

01:19:58,790 --> 01:19:58,159

you could see lights reflecting off the

2099

01:20:00,550 --> 01:19:58,800

structure

2100

01:20:02,790 --> 01:20:00,560

because and you could not see any of the

2101
01:20:05,669 --> 01:20:02,800
stars or

2102
01:20:06,709 --> 01:20:05,679
behind the object itself while all this

2103
01:20:09,030 --> 01:20:06,719
was going on

2104
01:20:10,310 --> 01:20:09,040
what was the attitude of the helicopter

2105
01:20:12,390 --> 01:20:10,320
apparently

2106
01:20:14,310 --> 01:20:12,400
when we were supposed to be descending

2107
01:20:18,070 --> 01:20:14,320
at 2 000 feet a minute

2108
01:20:20,709 --> 01:20:18,080
at 100 knots we were climbing at a

2109
01:20:22,550 --> 01:20:20,719
thousand feet a minute

2110
01:20:24,870 --> 01:20:22,560
with the controls still established for

2111
01:20:28,430 --> 01:20:24,880
a descent

2112
01:20:32,629 --> 01:20:28,440
and it we went from 1700 feet up to

2113
01:20:34,629 --> 01:20:32,639

3500 feet and topped out at 3 800 feet

2114

01:20:36,070 --> 01:20:34,639

i would like to stress one important

2115

01:20:38,870 --> 01:20:36,080

fact

2116

01:20:39,750 --> 01:20:38,880

and that is there is approximately 20

2117

01:20:42,070 --> 01:20:39,760

years of

2118

01:20:42,870 --> 01:20:42,080

army aviation experience between the

2119

01:20:46,149 --> 01:20:42,880

four men

2120

01:20:47,590 --> 01:20:46,159

on board the helicopter that night

2121

01:20:49,750 --> 01:20:47,600

we have been trained to follow

2122

01:20:52,870 --> 01:20:49,760

procedures and regulations

2123

01:20:55,750 --> 01:20:52,880

in reporting incidences regardless

2124

01:20:58,070 --> 01:20:55,760

of how they're accepted and we try to

2125

01:21:00,310 --> 01:20:58,080

follow those procedures

2126
01:21:01,750 --> 01:21:00,320
and we reported the incident as it

2127
01:21:03,830 --> 01:21:01,760
occurred

2128
01:21:06,070 --> 01:21:03,840
and have avoided any speculation on the

2129
01:21:07,990 --> 01:21:06,080
subject

2130
01:21:10,390 --> 01:21:08,000
well our government's official position

2131
01:21:12,709 --> 01:21:10,400
is not to speculate on this subject

2132
01:21:14,470 --> 01:21:12,719
we can choose to let our minds explore

2133
01:21:17,270 --> 01:21:14,480
other possibilities

2134
01:21:19,590 --> 01:21:17,280
to use our imaginations for if we

2135
01:21:20,709 --> 01:21:19,600
consider that astro scientists agree on

2136
01:21:22,950 --> 01:21:20,719
one point

2137
01:21:24,790 --> 01:21:22,960
that the possibility of life elsewhere

2138
01:21:27,430 --> 01:21:24,800

is not only quite probable

2139

01:21:28,790 --> 01:21:27,440

some feel it is there without a doubt

2140

01:21:31,430 --> 01:21:28,800

let us suppose then that

2141

01:21:33,110 --> 01:21:31,440

these objects are real space vehicles

2142

01:21:35,910 --> 01:21:33,120

extraterrestrial and origin

2143

01:21:38,229 --> 01:21:35,920

and not an illusion of the mind perhaps

2144

01:21:39,750 --> 01:21:38,239

we can begin to accept such ideas as

2145

01:21:41,830 --> 01:21:39,760

various reported ufo

2146

01:21:44,310 --> 01:21:41,840

shapes and configurations by looking at

2147

01:21:47,590 --> 01:21:44,320

our own aviation history

2148

01:21:49,750 --> 01:21:47,600

we have in 71 years devised dozens of

2149

01:21:52,070 --> 01:21:49,760

aircraft shapes

2150

01:21:58,790 --> 01:21:52,080

from propeller driven biplanes to lunar

2151

01:22:03,350 --> 01:22:01,350

and by projecting into the future it's

2152

01:22:05,669 --> 01:22:03,360

conceivable that our technology may lead

2153

01:22:08,629 --> 01:22:05,679

us to similar developments

2154

01:22:10,070 --> 01:22:08,639

as to the ufo's behavior if they are

2155

01:22:11,910 --> 01:22:10,080

space vehicles

2156

01:22:13,990 --> 01:22:11,920

they appear to have movement in advance

2157

01:22:15,510 --> 01:22:14,000

of our understanding of what is possible

2158

01:22:18,229 --> 01:22:15,520

in the 20th century

2159

01:22:19,830 --> 01:22:18,239

but we must realize however it stretches

2160

01:22:23,430 --> 01:22:19,840

our imagination

2161

01:22:24,470 --> 01:22:23,440

there will be a 21st 22nd and 23rd

2162

01:22:27,110 --> 01:22:24,480

century

2163

01:22:29,990 --> 01:22:27,120

where the impossibilities of today may

2164

01:22:32,550 --> 01:22:30,000

be tomorrow's common place

2165

01:22:33,750 --> 01:22:32,560

if these vehicles are of origins outside

2166

01:22:35,590 --> 01:22:33,760

our earth

2167

01:22:37,590 --> 01:22:35,600

then we must assume they are managed

2168

01:22:38,550 --> 01:22:37,600

controlled and operated by some sort of

2169

01:22:41,189 --> 01:22:38,560

beings

2170

01:22:43,270 --> 01:22:41,199

perhaps similar to us from sketchy

2171

01:22:45,350 --> 01:22:43,280

reports around the world we can begin to

2172

01:22:46,550 --> 01:22:45,360

construct a hazy portrait of these

2173

01:22:49,590 --> 01:22:46,560

aliens

2174

01:22:52,070 --> 01:22:49,600

reports indicate passion pale

2175

01:22:52,790 --> 01:22:52,080

white skin perhaps with a thin

2176

01:22:56,310 --> 01:22:52,800

protective

2177

01:23:00,149 --> 01:22:56,320

membrane over them eyes large

2178

01:23:03,030 --> 01:23:00,159

far apart with a wraparound appearance

2179

01:23:04,390 --> 01:23:03,040

nose indefinite two small breathing

2180

01:23:06,790 --> 01:23:04,400

holes

2181

01:23:07,830 --> 01:23:06,800

a slit mouth or small or no opening at

2182

01:23:11,750 --> 01:23:07,840

all

2183

01:23:14,870 --> 01:23:11,760

behavior cautious curious firm

2184

01:23:16,790 --> 01:23:14,880

ability to paralyze on touch sounds

2185

01:23:19,910 --> 01:23:16,800

emitted

2186

01:23:21,350 --> 01:23:19,920

humming who's in a foreign language or

2187

01:23:23,669 --> 01:23:21,360

some accent

2188

01:23:25,110 --> 01:23:23,679

buzzing as if electronic from their head

2189

01:23:27,669 --> 01:23:25,120

and chest

2190

01:23:29,590 --> 01:23:27,679

wearing head protection or overall body

2191

01:23:32,950 --> 01:23:29,600

protection

2192

01:23:34,709 --> 01:23:32,960

we just might not be scientific and

2193

01:23:36,790 --> 01:23:34,719

technically sophisticated

2194

01:23:38,870 --> 01:23:36,800

to the extent that's necessary in order

2195

01:23:39,910 --> 01:23:38,880

to recognize what is the real evidence

2196

01:23:42,310 --> 01:23:39,920

in this

2197

01:23:43,750 --> 01:23:42,320

in in what we have collected i think we

2198

01:23:44,870 --> 01:23:43,760

should also think of other possible

2199

01:23:49,189 --> 01:23:44,880

hypotheses

2200

01:23:52,070 --> 01:23:49,199

suppose there are such things as

2201
01:23:53,270 --> 01:23:52,080
interlocking universes where forms of

2202
01:23:56,870 --> 01:23:53,280
matter which

2203
01:23:59,669 --> 01:23:56,880
don't mesh with ours except under uh

2204
01:24:00,629 --> 01:23:59,679
strange conditions to assume that we are

2205
01:24:03,990 --> 01:24:00,639
on the level

2206
01:24:07,430 --> 01:24:04,000
of intelligence that a

2207
01:24:10,950 --> 01:24:07,440
that would of necessity be visiting us

2208
01:24:12,550 --> 01:24:10,960
if they have the ability to come here

2209
01:24:14,310 --> 01:24:12,560
there may be no common bridge of

2210
01:24:16,149 --> 01:24:14,320
understanding

2211
01:24:17,590 --> 01:24:16,159
there may be attempts at communication

2212
01:24:19,030 --> 01:24:17,600
and we don't recognize it as

2213
01:24:21,350 --> 01:24:19,040

communication

2214

01:24:22,229 --> 01:24:21,360

we must always be aware of the fact that

2215

01:24:25,510 --> 01:24:22,239

we may

2216

01:24:27,189 --> 01:24:25,520

be testing the wrong hypothesis as for

2217

01:24:29,270 --> 01:24:27,199

instance in the days when

2218

01:24:31,189 --> 01:24:29,280

people talked about stones falling from

2219

01:24:33,510 --> 01:24:31,199

heaven

2220

01:24:34,950 --> 01:24:33,520

that was testing the wrong hypothesis

2221

01:24:36,629 --> 01:24:34,960

meteorites do exist

2222

01:24:38,470 --> 01:24:36,639

the phenomenon exists but they're not

2223

01:24:41,590 --> 01:24:38,480

stones that fall from heaven

2224

01:24:42,229 --> 01:24:41,600

they're stones that the earth collides

2225

01:24:45,030 --> 01:24:42,239

with

2226

01:24:47,189 --> 01:24:45,040

when they're in orbit around the sun

2227

01:24:49,669 --> 01:24:47,199

it's arrogant

2228

01:24:51,189 --> 01:24:49,679

egocentric egotistical for us to think

2229

01:24:52,790 --> 01:24:51,199

that we are the highest intelligences in

2230

01:24:56,149 --> 01:24:52,800

the universe i think that's completely

2231

01:24:58,310 --> 01:24:56,159

preposterous as far as the

2232

01:24:59,750 --> 01:24:58,320

extraterrestrial intelligence is

2233

01:25:02,390 --> 01:24:59,760

concerned

2234

01:25:04,390 --> 01:25:02,400

i believe it's out there we have not

2235

01:25:05,990 --> 01:25:04,400

been able to come up with a logical

2236

01:25:09,030 --> 01:25:06,000

explanation

2237

01:25:12,070 --> 01:25:09,040

at least our scientists have not

2238

01:25:12,470 --> 01:25:12,080

uh the only plausible explanation that

2239

01:25:14,790 --> 01:25:12,480

does

2240

01:25:16,229 --> 01:25:14,800

it that would explain all of these

2241

01:25:19,120 --> 01:25:16,239

sightings

2242

01:25:20,310 --> 01:25:19,130

is the theory that these could be

2243

01:25:24,070 --> 01:25:20,320

[Music]

2244

01:25:27,510 --> 01:25:24,080

intelligently controlled vehicles

2245

01:25:29,990 --> 01:25:27,520

uh controlled by an alien species

2246

01:25:33,110 --> 01:25:30,000

alien to this planet how would the

2247

01:25:35,590 --> 01:25:33,120

public react if this event were true

2248

01:25:37,910 --> 01:25:35,600

to find the answer dr leon festninger of

2249

01:25:39,910 --> 01:25:37,920

the new school for social research

2250

01:25:41,990 --> 01:25:39,920

consulted a number of prominent social

2251
01:25:43,830 --> 01:25:42,000
psychologists from several universities

2252
01:25:46,070 --> 01:25:43,840
across the united states

2253
01:25:48,070 --> 01:25:46,080
you must realize that social scientists

2254
01:25:50,149 --> 01:25:48,080
can only make educated guesses about

2255
01:25:50,950 --> 01:25:50,159
reactions to such a new and startling

2256
01:25:53,430 --> 01:25:50,960
event

2257
01:25:54,790 --> 01:25:53,440
but nevertheless certain behavior can be

2258
01:25:57,350 --> 01:25:54,800
predicted

2259
01:25:58,550 --> 01:25:57,360
dr aronson of the university of texas

2260
01:26:01,590 --> 01:25:58,560
points out

2261
01:26:03,270 --> 01:26:01,600
that many people already have strong

2262
01:26:05,590 --> 01:26:03,280
beliefs about the existence or

2263
01:26:07,990 --> 01:26:05,600

non-existence of extraterrestrial beings

2264

01:26:10,830 --> 01:26:08,000

and are committed to these beliefs

2265

01:26:13,030 --> 01:26:10,840

dr walster tells us that if these

2266

01:26:14,629 --> 01:26:13,040

extraterrestrial beings were advanced

2267

01:26:16,390 --> 01:26:14,639

beyond us

2268

01:26:18,070 --> 01:26:16,400

we would probably gain technological

2269

01:26:20,149 --> 01:26:18,080

information from them

2270

01:26:22,149 --> 01:26:20,159

that many americans may worry that their

2271

01:26:23,270 --> 01:26:22,159

benefactor will demand something in

2272

01:26:25,510 --> 01:26:23,280

return

2273

01:26:27,430 --> 01:26:25,520

constant gratitude or acknowledgement of

2274

01:26:30,149 --> 01:26:27,440

their superiority

2275

01:26:32,790 --> 01:26:30,159

as far as panic is concerned most of my

2276

01:26:34,709 --> 01:26:32,800

associates agree that it wouldn't happen

2277

01:26:36,709 --> 01:26:34,719

unless they were one in imminent danger

2278

01:26:37,750 --> 01:26:36,719

with no escape or chance to protect

2279

01:26:40,070 --> 01:26:37,760

oneself

2280

01:26:43,189 --> 01:26:40,080

and two it resulted in loss of contact

2281

01:26:45,590 --> 01:26:43,199

with family or primary groups

2282

01:26:47,270 --> 01:26:45,600

and last there is also the question of

2283

01:26:50,070 --> 01:26:47,280

longer term effects

2284

01:26:52,070 --> 01:26:50,080

what would happen over many years one

2285

01:26:55,110 --> 01:26:52,080

social psychologist suggests

2286

01:26:56,709 --> 01:26:55,120

that it might help to unite the world if

2287

01:27:00,149 --> 01:26:56,719

the visitors from space

2288

01:27:03,350 --> 01:27:00,159

proved to be an enemy he suggests

2289

01:27:05,430 --> 01:27:03,360

then we would unite as one species to

2290

01:27:08,870 --> 01:27:05,440

drive the invader away

2291

01:27:11,350 --> 01:27:08,880

and then to live in peace thereafter

2292

01:27:12,470 --> 01:27:11,360

we've so far talked of the past and

2293

01:27:14,149 --> 01:27:12,480

present

2294

01:27:15,510 --> 01:27:14,159

but what are the possibilities of the

2295

01:27:17,510 --> 01:27:15,520

future

2296

01:27:19,669 --> 01:27:17,520

it seems almost certain that if other

2297

01:27:22,550 --> 01:27:19,679

beings more advanced than ourselves

2298

01:27:24,470 --> 01:27:22,560

do inhabit other sectors of the universe

2299

01:27:25,350 --> 01:27:24,480

then it's quite probable there will come

2300

01:27:27,669 --> 01:27:25,360

that day

2301
01:27:30,390 --> 01:27:27,679
that moment in time when official

2302
01:27:32,070 --> 01:27:30,400
contact will be made

2303
01:27:33,430 --> 01:27:32,080
let's look at an incident that might

2304
01:27:36,149 --> 01:27:33,440
happen in the future

2305
01:27:37,270 --> 01:27:36,159
or perhaps could have happened already

2306
01:27:39,430 --> 01:27:37,280
the premise is that

2307
01:27:41,350 --> 01:27:39,440
contact is made by extraterrestrial

2308
01:27:43,189 --> 01:27:41,360
beings with representatives of the

2309
01:27:44,070 --> 01:27:43,199
united states air force at holloman air

2310
01:27:47,350 --> 01:27:44,080
force base

2311
01:27:50,709 --> 01:27:47,360
in the deserts of new mexico

2312
01:27:52,390 --> 01:27:50,719
the day is clear it's about 5 30 2 a.m

2313
01:27:55,189 --> 01:27:52,400

at holland air force base

2314

01:27:56,870 --> 01:27:55,199

traffic light one recon plane is on the

2315

01:27:58,950 --> 01:27:56,880

field ready for takeoff

2316

01:28:00,800 --> 01:27:58,960

when sergeant mann is given a report of

2317

01:28:11,070 --> 01:28:00,810

an approaching unidentified craft

unidentified aircraft approaching hey

2327

01:29:08,229 --> 01:29:06,639

bill give me a quick check with wright

2328

01:29:09,830 --> 01:29:08,239

patterson intelligence there may be an

2329

01:29:10,070 --> 01:29:09,840

experimental craft somewhere i don't

2330

01:29:13,840 --> 01:29:10,080

know

2331

01:29:22,830 --> 01:29:13,850

here alert the fire chief and security

2333

01:29:32,470 --> 01:29:25,400

safety

2334

01:29:36,950 --> 01:29:34,629

two military interceptors are dispatched

2335

01:29:38,530 --> 01:29:36,960

to escort the unidentified crafts out of

2336

01:29:43,350 --> 01:29:38,540

the area

2337

01:29:47,270 --> 01:29:45,990

during a routine photographic mission a

2338

01:29:49,030 --> 01:29:47,280

tech sergeant and staff

2339

01:29:51,510 --> 01:29:49,040

sergeant of the base photographic team

2340

01:29:54,229 --> 01:29:51,520

were aboard a helicopter at the time

2341

01:29:55,669 --> 01:29:54,239

and run off several feet of film of the

2342

01:29:58,550 --> 01:29:55,679

three objects

2343

01:29:59,830 --> 01:29:58,560

one of which breaks away and begins a

2344

01:30:02,070 --> 01:29:59,840

descent

2345

01:30:05,350 --> 01:30:02,080

a second high-speed camera crew on the

2346

01:30:07,189 --> 01:30:05,360

ground runs off approximately 600 feet

2347

01:30:10,229 --> 01:30:07,199

the cameras continue to roll as the

2348

01:30:13,669 --> 01:30:10,239

extraordinary vehicle comes into view

2349

01:30:15,669 --> 01:30:13,679

it hovers almost silently about 10 feet

2350

01:30:18,310 --> 01:30:15,679

off the ground for nearly a minute

2351
01:30:20,149 --> 01:30:18,320
and yours like a ship at anchor then

2352
01:30:23,270 --> 01:30:20,159
sets down on three extension

2353
01:30:23,910 --> 01:30:23,280
pads commander and two officers along

2354
01:30:26,310 --> 01:30:23,920
with two

2355
01:30:28,229 --> 01:30:26,320
base air force scientists arrive and

2356
01:30:30,629 --> 01:30:28,239
wait apprehensively

2357
01:30:31,510 --> 01:30:30,639
a panel slides open on the side of the

2358
01:30:34,870 --> 01:30:31,520
craft

2359
01:30:37,590 --> 01:30:34,880
stepping forward one then two and a

2360
01:30:39,590 --> 01:30:37,600
third would appear to be men dressed in

2361
01:30:42,070 --> 01:30:39,600
tight-fitting jump suits

2362
01:30:44,470 --> 01:30:42,080
perhaps short by high standards with an

2363
01:30:47,510 --> 01:30:44,480

odd blue grey complexion

2364

01:30:49,830 --> 01:30:47,520

eyes set far apart a large pronounced

2365

01:30:52,470 --> 01:30:49,840

nose they were a head piece that

2366

01:30:54,390 --> 01:30:52,480

resembles a rope-like design

2367

01:30:56,709 --> 01:30:54,400

the commander and the two scientists

2368

01:30:58,550 --> 01:30:56,719

stepped forward to greet the visitors

2369

01:30:59,830 --> 01:30:58,560

arrangements are made by some sort of

2370

01:31:01,830 --> 01:30:59,840

communication

2371

01:31:02,870 --> 01:31:01,840

and the group quickly retires to an

2372

01:31:06,149 --> 01:31:02,880

inner office

2373

01:31:08,550 --> 01:31:06,159

in the king one area

2374

01:31:10,229 --> 01:31:08,560

left behind stand a stunned group of

2375

01:31:12,470 --> 01:31:10,239

military personnel

2376

01:31:13,990 --> 01:31:12,480

who the visitors are where they're from

2377

01:31:17,600 --> 01:31:14,000

and what they want

2378

01:31:20,229 --> 01:31:17,610

is unknown

2379

01:31:22,550 --> 01:31:20,239

[Music]

2380

01:31:25,189 --> 01:31:22,560

we now have a new challenge perhaps the

2381

01:31:26,950 --> 01:31:25,199

most monumental in recorded history

2382

01:31:29,990 --> 01:31:26,960

the opportunity to investigate a

2383

01:31:31,830 --> 01:31:30,000

phenomenon that could change our destiny

2384

01:31:33,430 --> 01:31:31,840

through the study and understanding of

2385

01:31:35,910 --> 01:31:33,440

the ufo phenomena

2386

01:31:37,189 --> 01:31:35,920

we may discover a new energy force or

2387

01:31:39,430 --> 01:31:37,199

how to use it

2388

01:31:41,110 --> 01:31:39,440

or it could lead to an understanding of

2389

01:31:42,550 --> 01:31:41,120

our relationship to life throughout the

2390

01:31:44,550 --> 01:31:42,560

universe

2391

01:31:46,310 --> 01:31:44,560

and if there are beings from distant

2392

01:31:49,270 --> 01:31:46,320

advanced societies

2393

01:31:51,430 --> 01:31:49,280

we may be privileged to see a revelation

2394

01:31:52,550 --> 01:31:51,440

a look at ourselves a thousand years in

2395

01:31:55,590 --> 01:31:52,560

the future

2396

01:31:57,030 --> 01:31:55,600

and perhaps at this very moment located

2397

01:32:00,390 --> 01:31:57,040

in another galaxy

2398

01:32:02,070 --> 01:32:00,400

somewhere in infinite space other beings

2399

01:32:04,310 --> 01:32:02,080

raise similar questions

2400

01:32:06,229 --> 01:32:04,320

and discuss the possibilities of life

2401

01:32:08,229 --> 01:32:06,239

outside their planet

2402

01:32:15,740 --> 01:32:08,239

and talk about earth as part of their

2403

01:32:15,750 --> 01:33:20,830

[Music]
