

1  
00:00:05,590 --> 00:00:04,470  
what's every what's up everyone ryan

2  
00:00:09,030 --> 00:00:05,600  
sprague here and

3  
00:00:12,789 --> 00:00:09,040  
uh a very happy holiday season this is

4  
00:00:15,669 --> 00:00:12,799  
a fireside chat with me uh a la

5  
00:00:16,870 --> 00:00:15,679  
you know how the president used to do um

6  
00:00:20,230 --> 00:00:16,880  
not the current president

7  
00:00:22,470 --> 00:00:20,240  
um lbj that would be and uh

8  
00:00:23,590 --> 00:00:22,480  
i thought this would just be fun to

9  
00:00:26,470 --> 00:00:23,600  
catch up with everyone

10  
00:00:27,830 --> 00:00:26,480  
right before the holidays see how um how

11  
00:00:31,029 --> 00:00:27,840  
everyone's doing out there

12  
00:00:31,830 --> 00:00:31,039  
during these weird times uh now if

13  
00:00:34,549 --> 00:00:31,840

you're watching

14

00:00:36,150 --> 00:00:34,559

this on facebook uh i did put a link it

15

00:00:38,950 --> 00:00:36,160

should be the first comment

16

00:00:40,790 --> 00:00:38,960

in the video of um giving stream yard

17

00:00:42,310 --> 00:00:40,800

the program i used to stream this

18

00:00:44,389 --> 00:00:42,320

permission to show your comments so

19

00:00:44,630 --> 00:00:44,399

please do that just click on that link

20

00:00:47,670 --> 00:00:44,640

and

21

00:00:49,590 --> 00:00:47,680

click ok um it's totally safe i

22

00:00:50,869 --> 00:00:49,600

wrote that i promise um if you're

23

00:00:52,389 --> 00:00:50,879

watching on youtube just put your

24

00:00:53,910 --> 00:00:52,399

comments on the right hand side

25

00:00:57,189 --> 00:00:53,920

and hopefully they'll show up for me

26

00:01:00,630 --> 00:00:57,199

here i'm also going to have my uh

27

00:01:02,790 --> 00:01:00,640

my facebook open down here as well so if

28

00:01:04,789 --> 00:01:02,800

i'm looking down a lot please forgive me

29

00:01:05,830 --> 00:01:04,799

i'm trying to make this as efficient as

30

00:01:08,469 --> 00:01:05,840

possible

31

00:01:08,950 --> 00:01:08,479

but uh yeah just want to chat with you

32

00:01:11,190 --> 00:01:08,960

guys

33

00:01:13,350 --> 00:01:11,200

and um if you have any questions or

34

00:01:15,749 --> 00:01:13,360

anything loving the sweater audrey says

35

00:01:18,149 --> 00:01:15,759

thank you audrey um this was a gift

36

00:01:20,630 --> 00:01:18,159

actually a christmas gift last holiday

37

00:01:22,550 --> 00:01:20,640

season from one of our listeners becky

38

00:01:25,190 --> 00:01:22,560

who was so sweet enough to uh

39

00:01:26,870 --> 00:01:25,200

to get this for me i love it rocking it

40

00:01:29,510 --> 00:01:26,880

for you guys tonight here

41

00:01:30,950 --> 00:01:29,520

um yeah so i'm really rusty when it

42

00:01:32,390 --> 00:01:30,960

comes to these things so forgive me if

43

00:01:35,429 --> 00:01:32,400

i'm all over the place

44

00:01:37,350 --> 00:01:35,439

but welcome everyone and um

45

00:01:38,789 --> 00:01:37,360

i guess i'll just kind of catch up with

46

00:01:41,910 --> 00:01:38,799

what i've been up to

47

00:01:42,389 --> 00:01:41,920

um i'm still like many here in new york

48

00:01:45,670 --> 00:01:42,399

city

49

00:01:48,550 --> 00:01:45,680

uh waiting for my job to reopen

50

00:01:50,149 --> 00:01:48,560

um which has been tough i'm not gonna

51

00:01:53,270 --> 00:01:50,159

lie it's almost been a year

52

00:01:55,030 --> 00:01:53,280

since my job on broadway closed down and

53

00:01:56,389 --> 00:01:55,040

um i know i'm not the only one i know

54

00:01:58,550 --> 00:01:56,399

there's so many people

55

00:02:00,389 --> 00:01:58,560

out there who are still out at work and

56

00:02:01,030 --> 00:02:00,399

you know struggling day to day just to

57

00:02:03,270 --> 00:02:01,040

get by

58

00:02:04,149 --> 00:02:03,280

so um if i can say anything you're not

59

00:02:06,870 --> 00:02:04,159

alone

60

00:02:07,510 --> 00:02:06,880

and um hopefully there'll be some sort

61

00:02:10,389 --> 00:02:07,520

of

62

00:02:11,589 --> 00:02:10,399

relief coming soon it seems to change

63

00:02:14,229 --> 00:02:11,599

every day now

64

00:02:15,589 --> 00:02:14,239

uh which is kind of sad but um welcome

65

00:02:17,430 --> 00:02:15,599

to 2020.

66

00:02:19,110 --> 00:02:17,440

uh but other than that i want to keep

67

00:02:20,150 --> 00:02:19,120

things a little lighter during this

68

00:02:23,510 --> 00:02:20,160

conversation

69

00:02:25,910 --> 00:02:23,520

um i did receive some awesome gifts

70

00:02:27,350 --> 00:02:25,920

uh this holiday season and the first i

71

00:02:30,390 --> 00:02:27,360

wanted to share with you guys

72

00:02:31,270 --> 00:02:30,400

was this little gem here the truth about

73

00:02:35,030 --> 00:02:31,280

ufos

74

00:02:38,470 --> 00:02:35,040

by robert powell um this is an awesome

75

00:02:39,350 --> 00:02:38,480

book for um for kids for like ages seven

76

00:02:43,350 --> 00:02:39,360

to twelve

77

00:02:47,350 --> 00:02:43,360

um that runs through the ufo topic

78

00:02:50,710 --> 00:02:47,360

um you know very easily very accessible

79

00:02:51,750 --> 00:02:50,720

um and it's awesome so if you have kids

80

00:02:54,470 --> 00:02:51,760

out there who

81

00:02:55,270 --> 00:02:54,480

may be curious about getting into ufos

82

00:02:57,190 --> 00:02:55,280

trust me

83

00:02:59,750 --> 00:02:57,200

it is the wild west out there in terms

84

00:03:03,430 --> 00:02:59,760

of information and it's overwhelming

85

00:03:06,550 --> 00:03:03,440

and a lot of it's bs to begin with so um

86

00:03:08,630 --> 00:03:06,560

for any of your kids out there who are

87

00:03:10,869 --> 00:03:08,640

kind of in that ballpark you know 7 to

88

00:03:12,949 --> 00:03:10,879

12 or or even a little earlier

89

00:03:14,550 --> 00:03:12,959

um i can't recommend this book enough

90

00:03:17,030 --> 00:03:14,560

it's so digestible

91

00:03:18,630 --> 00:03:17,040

and easy to read um i finished it in

92

00:03:21,750 --> 00:03:18,640

like um maybe

93

00:03:22,470 --> 00:03:21,760

25 minutes 30 minutes top so please

94

00:03:25,990 --> 00:03:22,480

check it out

95

00:03:29,350 --> 00:03:26,000

um the truth about ufos by robert powell

96

00:03:32,550 --> 00:03:29,360

robert is an amazing guy he runs the uh

97

00:03:35,030 --> 00:03:32,560

the scientific coalition of uap studies

98

00:03:35,990 --> 00:03:35,040

which is an amazing citizen scientist

99

00:03:39,430 --> 00:03:36,000

organization

100

00:03:41,990 --> 00:03:39,440

that investigates ufo videos photos

101  
00:03:43,030 --> 00:03:42,000  
uh cases and they're doing amazing

102  
00:03:45,830 --> 00:03:43,040  
things right now

103  
00:03:46,390 --> 00:03:45,840  
so help support them help support robert

104  
00:03:48,070 --> 00:03:46,400  
and

105  
00:03:51,350 --> 00:03:48,080  
get this book for your kids it's so

106  
00:03:51,830 --> 00:03:51,360  
awesome um on the other side of my life

107  
00:03:53,910 --> 00:03:51,840  
which is

108  
00:03:55,990 --> 00:03:53,920  
theater i do want to share this with

109  
00:03:58,070 --> 00:03:56,000  
people this was a book that my buddy

110  
00:04:01,270 --> 00:03:58,080  
mike anthony just came out with

111  
00:04:03,589 --> 00:04:01,280  
um life at hamilton so for those who may

112  
00:04:06,949 --> 00:04:03,599  
not know who mike is he was a guest on

113  
00:04:10,470 --> 00:04:06,959

the summer in the skies podcast uh god

114

00:04:12,070 --> 00:04:10,480

almost a year ago um with investigative

115

00:04:14,309 --> 00:04:12,080

journalist leslie kane

116

00:04:16,629 --> 00:04:14,319

i had the opportunity to go to leslie's

117

00:04:19,909 --> 00:04:16,639

home in uh new york city

118

00:04:22,469 --> 00:04:19,919

and sit down with her all day and um

119

00:04:24,230 --> 00:04:22,479

talk about everything from ufos to life

120

00:04:25,909 --> 00:04:24,240

after death another big topic that

121

00:04:28,550 --> 00:04:25,919

leslie kane the journalist

122

00:04:29,830 --> 00:04:28,560

looks into and has written a book about

123

00:04:31,749 --> 00:04:29,840

and also

124

00:04:33,670 --> 00:04:31,759

was just announced this week that her

125

00:04:36,629 --> 00:04:33,680

book surviving death

126

00:04:38,070 --> 00:04:36,639

uh was adapted into a netflix series

127

00:04:38,550 --> 00:04:38,080

which is going to be premiering i

128

00:04:41,590 --> 00:04:38,560

believe

129

00:04:42,390 --> 00:04:41,600

january 7th on netflix which is just so

130

00:04:44,310 --> 00:04:42,400

exciting

131

00:04:45,670 --> 00:04:44,320

i remember when we were um sitting down

132

00:04:47,909 --> 00:04:45,680

in her apartment

133

00:04:49,270 --> 00:04:47,919

they actually were going to be filming

134

00:04:51,510 --> 00:04:49,280

some of the show

135

00:04:52,550 --> 00:04:51,520

uh hours after i left which is really

136

00:04:54,790 --> 00:04:52,560

exciting so

137

00:04:56,070 --> 00:04:54,800

so happy to see it come to fruition and

138

00:04:58,150 --> 00:04:56,080

um mike anthony

139

00:04:59,510 --> 00:04:58,160

is involved as well uh he has worked

140

00:05:01,830 --> 00:04:59,520

with leslie in the past

141

00:05:04,230 --> 00:05:01,840

on the life after death phenomenon he's

142

00:05:07,029 --> 00:05:04,240

just a curious guy looking for answers

143

00:05:08,870 --> 00:05:07,039

um after his father passed away and he

144

00:05:11,510 --> 00:05:08,880

believes that he may have

145

00:05:12,070 --> 00:05:11,520

encountered a spirit or something of his

146

00:05:13,510 --> 00:05:12,080

father

147

00:05:15,510 --> 00:05:13,520

in that letter monopath to try to

148

00:05:18,150 --> 00:05:15,520

understand what comes next

149

00:05:20,070 --> 00:05:18,160

after this life what is the next chapter

150

00:05:22,710 --> 00:05:20,080

but getting back to the book

151  
00:05:24,070 --> 00:05:22,720  
life at hamilton i met mike as a

152  
00:05:26,310 --> 00:05:24,080  
bartender on broadway

153  
00:05:28,629 --> 00:05:26,320  
again that is my job here in new york

154  
00:05:31,909 --> 00:05:28,639  
city uh to pay the bills i

155  
00:05:34,950 --> 00:05:31,919  
attend bar at over 20 different theaters

156  
00:05:37,909 --> 00:05:34,960  
on broadway i get to see free theater um

157  
00:05:39,270 --> 00:05:37,919  
i get to work just a few hours a night

158  
00:05:41,749 --> 00:05:39,280  
and it's an incredible

159  
00:05:42,790 --> 00:05:41,759  
dream job that i thought would never go

160  
00:05:44,870 --> 00:05:42,800  
away

161  
00:05:46,469 --> 00:05:44,880  
and then the pandemic happened so such

162  
00:05:47,270 --> 00:05:46,479  
is life that is the reality of the

163  
00:05:49,430 --> 00:05:47,280

situation

164

00:05:51,590 --> 00:05:49,440

but yeah i met mike um when i was

165

00:05:52,230 --> 00:05:51,600

working at the richard rodgers theater

166

00:05:55,830 --> 00:05:52,240

where a

167

00:05:59,029 --> 00:05:55,840

very popular show has popped up

168

00:06:00,150 --> 00:05:59,039

hamilton the phenomenon and mike is a

169

00:06:03,590 --> 00:06:00,160

bartender was

170

00:06:06,150 --> 00:06:03,600

a bartender at hamilton and um

171

00:06:08,550 --> 00:06:06,160

just this book is amazing it's kind of a

172

00:06:11,110 --> 00:06:08,560

uh biography about his time

173

00:06:12,870 --> 00:06:11,120

working at the show and meeting all the

174

00:06:13,670 --> 00:06:12,880

amazing people who've come through the

175

00:06:15,749 --> 00:06:13,680

doors

176  
00:06:16,870 --> 00:06:15,759  
including former presidents vice

177  
00:06:20,070 --> 00:06:16,880  
presidents

178  
00:06:21,909 --> 00:06:20,080  
celebrities of every ilk and um yeah

179  
00:06:24,070 --> 00:06:21,919  
just the things he's learned along the

180  
00:06:26,390 --> 00:06:24,080  
way in working at that show

181  
00:06:28,790 --> 00:06:26,400  
and uh the beauty of live theater and

182  
00:06:31,670 --> 00:06:28,800  
what the show hamilton has done

183  
00:06:32,469 --> 00:06:31,680  
uh to change the world i mean it's

184  
00:06:36,550 --> 00:06:32,479  
probably the most

185  
00:06:38,790 --> 00:06:36,560  
popular musical to ever be created so

186  
00:06:40,469 --> 00:06:38,800  
um we get to follow mike's adventures

187  
00:06:43,029 --> 00:06:40,479  
and observations along the way

188  
00:06:43,749 --> 00:06:43,039

of working at hamilton and it's awesome

189

00:06:46,469 --> 00:06:43,759

i mean i'm

190

00:06:48,230 --> 00:06:46,479

i'm not that far in yet but already like

191

00:06:51,430 --> 00:06:48,240

he's met obama and

192

00:06:54,150 --> 00:06:51,440

um and vice president pence and

193

00:06:54,550 --> 00:06:54,160

uh celebrities of all all different

194

00:06:57,589 --> 00:06:54,560

kinds

195

00:06:59,670 --> 00:06:57,599

including uh amy schumer who i don't

196

00:07:01,670 --> 00:06:59,680

know if any of you remember this but

197

00:07:04,150 --> 00:07:01,680

she made headlines when she went to see

198

00:07:05,270 --> 00:07:04,160

hamilton and she tipped the bartenders

199

00:07:08,309 --> 00:07:05,280

like

200

00:07:09,830 --> 00:07:08,319

two grand or something on an order and

201  
00:07:11,350 --> 00:07:09,840  
hence michael was one of those

202  
00:07:13,670 --> 00:07:11,360  
bartenders so

203  
00:07:15,749 --> 00:07:13,680  
obviously he talks very highly of her in

204  
00:07:17,589 --> 00:07:15,759  
the book as well and again just the

205  
00:07:18,629 --> 00:07:17,599  
amazing stuff he's experienced in

206  
00:07:21,270 --> 00:07:18,639  
working

207  
00:07:22,629 --> 00:07:21,280  
on broadway and uh let's just hope it

208  
00:07:25,589 --> 00:07:22,639  
comes back sooner

209  
00:07:26,550 --> 00:07:25,599  
than later um so yeah please if you can

210  
00:07:29,909 --> 00:07:26,560  
support

211  
00:07:31,510 --> 00:07:29,919  
mike check out this book it's very funny

212  
00:07:33,350 --> 00:07:31,520  
and heartfelt and um

213  
00:07:35,350 --> 00:07:33,360

again if you want the inside story of

214

00:07:37,430 --> 00:07:35,360

how hamilton came to be

215

00:07:38,469 --> 00:07:37,440

and um kind of the earlier days of

216

00:07:41,350 --> 00:07:38,479

lin-manuel

217

00:07:42,150 --> 00:07:41,360

miranda the the writer of hamilton and a

218

00:07:44,550 --> 00:07:42,160

little show he

219

00:07:46,469 --> 00:07:44,560

also did called in the heights uh which

220

00:07:48,790 --> 00:07:46,479

kind of started his broadway career

221

00:07:50,309 --> 00:07:48,800

uh this is the perfect book so please

222

00:07:50,550 --> 00:07:50,319

support my check it out you can get it

223

00:07:54,469 --> 00:07:50,560

on

224

00:07:56,629 --> 00:07:54,479

light

225

00:07:57,990 --> 00:07:56,639

keeps catching the book and it's making

226

00:08:01,189 --> 00:07:58,000

it look like a halo love

227

00:08:03,830 --> 00:08:01,199

it um yeah so check that out as well

228

00:08:05,830 --> 00:08:03,840

um for me what i'm also currently

229

00:08:08,150 --> 00:08:05,840

reading was another book given to me

230

00:08:09,670 --> 00:08:08,160

by a fellow listener of the show

231

00:08:11,909 --> 00:08:09,680

somewhere in the skies and that's uh t

232

00:08:13,830 --> 00:08:11,919

crewless who wrote this amazing new book

233

00:08:17,029 --> 00:08:13,840

called american madness

234

00:08:19,909 --> 00:08:17,039

um this one's different

235

00:08:20,950 --> 00:08:19,919

that's all i can really say um tea goes

236

00:08:24,230 --> 00:08:20,960

into

237

00:08:26,710 --> 00:08:24,240

the kind of conspiracy

238

00:08:27,990 --> 00:08:26,720

theorist culture we live in right now

239

00:08:32,949 --> 00:08:28,000

with q anon

240

00:08:35,029 --> 00:08:32,959

and um anti-vaxxers and anti-science and

241

00:08:35,990 --> 00:08:35,039

and kind of the lengths that americans

242

00:08:38,630 --> 00:08:36,000

have gone

243

00:08:39,990 --> 00:08:38,640

in believing these absolutely ridiculous

244

00:08:42,230 --> 00:08:40,000

conspiracy theories that

245

00:08:43,190 --> 00:08:42,240

have kind of plagued us these past four

246

00:08:46,630 --> 00:08:43,200

years or so

247

00:08:47,910 --> 00:08:46,640

uh being empowered and uh emboldened by

248

00:08:51,110 --> 00:08:47,920

certain leaders

249

00:08:52,790 --> 00:08:51,120

in our country um and how that's kind of

250

00:08:54,150 --> 00:08:52,800

changed the entire landscape of

251

00:08:57,910 --> 00:08:54,160

conspiracy theory

252

00:09:01,110 --> 00:08:57,920

and uh the united states overall so um

253

00:09:03,990 --> 00:09:01,120

i know some of you may not agree with uh

254

00:09:05,590 --> 00:09:04,000

with that but um look after you read

255

00:09:07,190 --> 00:09:05,600

this book i think you'll be convinced so

256

00:09:11,190 --> 00:09:07,200

definitely check this one out

257

00:09:13,590 --> 00:09:11,200

as well american madness uh

258

00:09:16,310 --> 00:09:13,600

i think that's really oh one last book

259

00:09:19,990 --> 00:09:16,320

you should check out

260

00:09:21,829 --> 00:09:20,000

sorry i had to i had to i'm out of work

261

00:09:23,590 --> 00:09:21,839

i'm struggling just like a lot of you

262

00:09:24,310 --> 00:09:23,600

out there so please if you haven't

263

00:09:26,070 --> 00:09:24,320

already

264

00:09:27,350 --> 00:09:26,080

um head on over to amazon and get

265

00:09:30,630 --> 00:09:27,360

somewhere in the skies

266

00:09:32,470 --> 00:09:30,640

um i had to do it sorry um exciting news

267

00:09:33,750 --> 00:09:32,480

on that the audiobook just dropped not

268

00:09:34,790 --> 00:09:33,760

too long ago so

269

00:09:36,550 --> 00:09:34,800

um if you're looking for a last

270

00:09:37,990 --> 00:09:36,560

last-minute gift you should be able to

271

00:09:39,829 --> 00:09:38,000

get the print copy

272

00:09:41,750 --> 00:09:39,839

to you within the united states uh

273

00:09:43,829 --> 00:09:41,760

before christmas but if not

274

00:09:46,070 --> 00:09:43,839

the audiobook is available the e-book is

275

00:09:49,030 --> 00:09:46,080

available so please check those out

276

00:09:50,949 --> 00:09:49,040

i'm so proud of the audiobook uh that

277

00:09:52,389 --> 00:09:50,959

was done by beyond the fray publishing

278

00:09:54,389 --> 00:09:52,399

my publishing

279

00:09:56,230 --> 00:09:54,399

company and um they just knocked it out

280

00:09:57,269 --> 00:09:56,240

of the park i think you really really

281

00:10:00,710 --> 00:09:57,279

enjoy it

282

00:10:02,630 --> 00:10:00,720

um but yeah that's kind of all i have um

283

00:10:04,230 --> 00:10:02,640

so i'm gonna check in with you guys and

284

00:10:06,790 --> 00:10:04,240

see if anyone has any

285

00:10:07,750 --> 00:10:06,800

questions or comments here give me just

286

00:10:11,910 --> 00:10:07,760

one

287

00:10:13,190 --> 00:10:11,920

moment um what else what else do i have

288

00:10:17,030 --> 00:10:13,200

going on

289

00:10:20,710 --> 00:10:17,040

oh yeah so i recently

290

00:10:22,790 --> 00:10:20,720

wow this isn't helping me at all

291

00:10:25,590 --> 00:10:22,800

see if i can get this to work trying to

292

00:10:27,509 --> 00:10:25,600

read your comments and it's not working

293

00:10:29,110 --> 00:10:27,519

i'm gonna pull it up on my phone that's

294

00:10:32,150 --> 00:10:29,120

what phones are for

295

00:10:32,470 --> 00:10:32,160

um another thing that i'm doing right

296

00:10:34,230 --> 00:10:32,480

now

297

00:10:35,670 --> 00:10:34,240

is i'm writing for a new website called

298

00:10:38,389 --> 00:10:35,680

the debrief so

299

00:10:39,030 --> 00:10:38,399

for any of you out there who are into um

300

00:10:42,790 --> 00:10:39,040

science

301  
00:10:43,750 --> 00:10:42,800  
tech aerospace ufos we cover it all at

302  
00:10:45,750 --> 00:10:43,760  
the debrief

303  
00:10:48,150 --> 00:10:45,760  
um i am a contributing writer for this

304  
00:10:49,350 --> 00:10:48,160  
amazing organization that three of my

305  
00:10:51,509 --> 00:10:49,360  
really good friends

306  
00:10:52,550 --> 00:10:51,519  
co-founded and created that is micah

307  
00:10:55,509 --> 00:10:52,560  
hanks

308  
00:10:58,150 --> 00:10:55,519  
mj binnies and tim mcmillan all amazing

309  
00:11:00,949 --> 00:10:58,160  
guys all amazing journalists doing

310  
00:11:01,910 --> 00:11:00,959  
awesome work um there was a a viral

311  
00:11:04,389 --> 00:11:01,920  
article

312  
00:11:06,710 --> 00:11:04,399  
uh recently going around about what the

313  
00:11:07,430 --> 00:11:06,720

pentagon is looking at in terms of ufos

314

00:11:10,790 --> 00:11:07,440

right now

315

00:11:12,949 --> 00:11:10,800

with their pentagon ufo task force and

316

00:11:14,069 --> 00:11:12,959

uh the debrief broke this story and it

317

00:11:17,030 --> 00:11:14,079

crashed their website

318

00:11:17,670 --> 00:11:17,040

it it it went viral um mainstream media

319

00:11:20,949 --> 00:11:17,680

covered it

320

00:11:23,350 --> 00:11:20,959

they're still covering it up to today um

321

00:11:25,509 --> 00:11:23,360

so i believe that that article is pinned

322

00:11:27,590 --> 00:11:25,519

over on the website or on the

323

00:11:28,550 --> 00:11:27,600

the debrief twitter account so you can

324

00:11:29,990 --> 00:11:28,560

check that one out

325

00:11:31,829 --> 00:11:30,000

but yeah we're covering everything over

326

00:11:32,790 --> 00:11:31,839

there i mean i just finished an article

327

00:11:35,670 --> 00:11:32,800

today

328

00:11:37,910 --> 00:11:35,680

about um i won't give away too much but

329

00:11:40,870 --> 00:11:37,920

about satellite imagery in this

330

00:11:41,590 --> 00:11:40,880

new private sector of companies who for

331

00:11:44,310 --> 00:11:41,600

a price

332

00:11:45,670 --> 00:11:44,320

can take the most crystal clear high

333

00:11:48,870 --> 00:11:45,680

resolution photos

334

00:11:49,509 --> 00:11:48,880

of anywhere uh in the world literally

335

00:11:52,629 --> 00:11:49,519

anywhere

336

00:11:55,190 --> 00:11:52,639

with no restrictions whatsoever

337

00:11:57,590 --> 00:11:55,200

and the technology is so good that it's

338

00:12:01,269 --> 00:11:57,600

able to pierce through cloud cover

339

00:12:04,629 --> 00:12:01,279

and in darkness and can go through walls

340

00:12:05,750 --> 00:12:04,639

and basically regenerate an image of

341

00:12:09,030 --> 00:12:05,760

what's going on

342

00:12:10,949 --> 00:12:09,040

in a specific room of a house so

343

00:12:12,310 --> 00:12:10,959

a little scary i'm sure there's going to

344

00:12:15,590 --> 00:12:12,320

be a lot of battles

345

00:12:16,150 --> 00:12:15,600

with privacy as this technology uh gets

346

00:12:19,350 --> 00:12:16,160

better

347

00:12:23,030 --> 00:12:19,360

um but they said they will

348

00:12:25,190 --> 00:12:23,040

do whatever um you want for a price

349

00:12:26,550 --> 00:12:25,200

they will zoom in somewhere take photos

350

00:12:29,829 --> 00:12:26,560

for you so

351

00:12:32,150 --> 00:12:29,839

really scary really weird um and

352

00:12:33,190 --> 00:12:32,160

uh yeah look for that soon at the

353

00:12:36,230 --> 00:12:33,200

debrief

354

00:12:37,430 --> 00:12:36,240

um we're covering all other sorts of

355

00:12:40,310 --> 00:12:37,440

things like

356

00:12:40,790 --> 00:12:40,320

space exploration about um you know

357

00:12:43,750 --> 00:12:40,800

china

358

00:12:44,790 --> 00:12:43,760

just recently landed on the moon with an

359

00:12:46,790 --> 00:12:44,800

unmanned uh

360

00:12:48,150 --> 00:12:46,800

rover and collected moon samples to

361

00:12:50,870 --> 00:12:48,160

bring back to earth

362

00:12:52,069 --> 00:12:50,880

so that's a big step for china um trying

363

00:12:54,550 --> 00:12:52,079

to become a

364

00:12:55,190 --> 00:12:54,560

a big player in the space exploration

365

00:12:57,030 --> 00:12:55,200

field

366

00:12:58,790 --> 00:12:57,040

as of late so who knows what's going to

367

00:13:01,990 --> 00:12:58,800

happen after this with their space

368

00:13:04,069 --> 00:13:02,000

program but we covered that um one of

369

00:13:07,030 --> 00:13:04,079

the other recent articles was about

370

00:13:08,870 --> 00:13:07,040

quantum computing and that scientists

371

00:13:12,470 --> 00:13:08,880

have successfully figured out

372

00:13:16,629 --> 00:13:12,480

how to teleport using quantum computing

373

00:13:19,430 --> 00:13:16,639

so we're living in it guys 22nd

374

00:13:20,069 --> 00:13:19,440

century in my opinion in terms of um

375

00:13:21,350 --> 00:13:20,079

technology

376

00:13:24,069 --> 00:13:21,360

and science we're going to be able to

377

00:13:27,190 --> 00:13:24,079

teleport soon so that's really exciting

378

00:13:28,790 --> 00:13:27,200

a little unnerving but um interesting

379

00:13:30,790 --> 00:13:28,800

nonetheless and exciting

380

00:13:32,389 --> 00:13:30,800

like i said it's it's there's a lot of

381

00:13:34,230 --> 00:13:32,399

good that can come from stuff

382

00:13:37,509 --> 00:13:34,240

like this with quantum computing what

383

00:13:40,790 --> 00:13:37,519

could take you know a regular computer

384

00:13:42,710 --> 00:13:40,800

hundreds and hundreds of years to do and

385

00:13:44,069 --> 00:13:42,720

algorithms and all that a quantum

386

00:13:46,790 --> 00:13:44,079

computer can do within

387

00:13:48,470 --> 00:13:46,800

seconds so this could help so much of

388

00:13:50,949 --> 00:13:48,480

humanity in so many ways

389

00:13:51,910 --> 00:13:50,959

but we know that technology can be used

390

00:13:54,310 --> 00:13:51,920

in

391

00:13:55,829 --> 00:13:54,320

more uh negative ways as well so that's

392

00:13:57,910 --> 00:13:55,839

why we have to

393

00:13:59,750 --> 00:13:57,920

educate the the public on what this

394

00:14:01,189 --> 00:13:59,760

stuff is how it can be used

395

00:14:03,990 --> 00:14:01,199

and uh fight against you know

396

00:14:07,189 --> 00:14:04,000

weaponizing these sorts of things so um

397

00:14:09,990 --> 00:14:07,199

check out the debrief at the [debrief.org](http://debrief.org)

398

00:14:10,310 --> 00:14:10,000

we have articles going up all the time

399

00:14:13,110 --> 00:14:10,320

uh

400

00:14:13,750 --> 00:14:13,120

any time of the day any you know time of

401  
00:14:18,949 --> 00:14:13,760  
the uh

402  
00:14:22,310 --> 00:14:21,269  
yeah yeah i'm really babbling and i

403  
00:14:23,750 --> 00:14:22,320  
apologize

404  
00:14:25,509 --> 00:14:23,760  
i could have to do with the fact that

405  
00:14:28,230 --> 00:14:25,519  
i'm drinking coffee

406  
00:14:31,829 --> 00:14:28,240  
and my winter beer here harpoon winter

407  
00:14:34,150 --> 00:14:31,839  
warmer cheers to all of you out there

408  
00:14:35,990 --> 00:14:34,160  
audrey asks me how can i get a signed

409  
00:14:38,310 --> 00:14:36,000  
copy of somewhere in the skies

410  
00:14:40,710 --> 00:14:38,320  
i will be doing a batch of books again

411  
00:14:41,910 --> 00:14:40,720  
very soon audrey probably unfortunately

412  
00:14:45,030 --> 00:14:41,920  
after the holiday

413  
00:14:47,590 --> 00:14:45,040

i just sent out about 40 signed books

414

00:14:48,710 --> 00:14:47,600

this afternoon and the post office hated

415

00:14:51,030 --> 00:14:48,720

me because of that

416

00:14:51,910 --> 00:14:51,040

um and those were all pre-orders so

417

00:14:54,230 --> 00:14:51,920

that's why i didn't

418

00:14:56,790 --> 00:14:54,240

really publicize it or anything but i

419

00:14:59,750 --> 00:14:56,800

will be doing another batch of those

420

00:15:01,750 --> 00:14:59,760

right after the holiday so um please

421

00:15:03,269 --> 00:15:01,760

look forward to that and thank you thank

422

00:15:05,430 --> 00:15:03,279

you for your interest in the book

423

00:15:06,949 --> 00:15:05,440

and um i'm honored that anyone would

424

00:15:09,670 --> 00:15:06,959

want me to sign

425

00:15:11,189 --> 00:15:09,680

a book that's that never gets old for me

426

00:15:14,550 --> 00:15:11,199

so thank you thank you

427

00:15:17,750 --> 00:15:14,560

um let's see what else i have here

428

00:15:20,150 --> 00:15:17,760

um in terms of

429

00:15:21,670 --> 00:15:20,160

questions or anything like that oh god

430

00:15:24,150 --> 00:15:21,680

you could hear my own voice

431

00:15:25,269 --> 00:15:24,160

um lonnie says i heard you on with dave

432

00:15:27,829 --> 00:15:25,279

and tim

433

00:15:29,430 --> 00:15:27,839

of darkness radio yes thanks lonnie i i

434

00:15:31,350 --> 00:15:29,440

heard that dropped this morning

435

00:15:33,509 --> 00:15:31,360

i did an awesome interview with dave

436

00:15:35,269 --> 00:15:33,519

schroeder over at darkness radio

437

00:15:37,749 --> 00:15:35,279

um for those of you who may not know

438

00:15:41,110 --> 00:15:37,759

dave is one of the hosts of a

439

00:15:42,069 --> 00:15:41,120

a ghost hunting television show and um

440

00:15:44,870 --> 00:15:42,079

the holzer

441

00:15:45,509 --> 00:15:44,880

files i believe it's called um dave's an

442

00:15:49,749 --> 00:15:45,519

awesome

443

00:15:51,430 --> 00:15:49,759

kind to bring me on the show and chat

444

00:15:53,949 --> 00:15:51,440

ufos for a couple hours

445

00:15:56,150 --> 00:15:53,959

um so please go check that out

446

00:15:56,629 --> 00:15:56,160

darknessradio.com i believe or you can

447

00:16:00,230 --> 00:15:56,639

just

448

00:16:02,069 --> 00:16:00,240

google darkness radio um miss you ryan i

449

00:16:03,110 --> 00:16:02,079

miss you too courtney we'll have to get

450

00:16:04,870 --> 00:16:03,120

together soon

451  
00:16:06,629 --> 00:16:04,880  
when things get better here in new york

452  
00:16:09,030 --> 00:16:06,639  
city um

453  
00:16:10,870 --> 00:16:09,040  
let's see matt says i wish i'd known

454  
00:16:13,990 --> 00:16:10,880  
about the book before christmas

455  
00:16:17,189 --> 00:16:14,000  
ah it's never too late matt again that

456  
00:16:20,069 --> 00:16:17,199  
book let me show it one more time is

457  
00:16:20,629 --> 00:16:20,079  
a good truth about ufos made for

458  
00:16:23,430 --> 00:16:20,639  
children

459  
00:16:24,790 --> 00:16:23,440  
seven to twelve i feel like i'm

460  
00:16:27,829 --> 00:16:24,800  
promoting a

461  
00:16:31,189 --> 00:16:27,839  
kids board game or something um let's

462  
00:16:32,790 --> 00:16:31,199  
see what else i got here

463  
00:16:35,030 --> 00:16:32,800

dude just go ahead and shave the skull

464

00:16:38,870 --> 00:16:35,040

join the club scott says

465

00:16:40,629 --> 00:16:38,880

i so i took a uh eraser to my head today

466

00:16:43,590 --> 00:16:40,639

because i was getting sick of my hair

467

00:16:46,150 --> 00:16:43,600

and um my my girlfriend didn't seem too

468

00:16:49,269 --> 00:16:46,160

happy with the outcome and neither

469

00:16:51,910 --> 00:16:49,279

neither am i so um too late you can't

470

00:16:54,949 --> 00:16:51,920

put it back you can't unring that bell

471

00:16:58,069 --> 00:16:54,959

uh i should just shave the whole thing

472

00:17:01,269 --> 00:16:58,079

at this point we'll see hi jason

473

00:17:03,910 --> 00:17:01,279

hi frank hi katie um

474

00:17:05,750 --> 00:17:03,920

epic sweater thank you again this was a

475

00:17:06,789 --> 00:17:05,760

wonderful gift from becky one of our

476

00:17:10,150 --> 00:17:06,799

listeners

477

00:17:13,669 --> 00:17:10,160

um but yeah let's see what else

478

00:17:14,630 --> 00:17:13,679

is going on um i just finished the

479

00:17:17,270 --> 00:17:14,640

mandalorian

480

00:17:18,710 --> 00:17:17,280

today season two watched the finale this

481

00:17:22,150 --> 00:17:18,720

afternoon which was a

482

00:17:24,230 --> 00:17:22,160

a big mistake um knowing that i

483

00:17:26,069 --> 00:17:24,240

had things to do after that and i just

484

00:17:27,990 --> 00:17:26,079

sat there sobbing for

485

00:17:29,909 --> 00:17:28,000

almost an hour after the episode i won't

486

00:17:32,549 --> 00:17:29,919

give anything away no spoilers no

487

00:17:36,070 --> 00:17:32,559

spoilers but let's just say um

488

00:17:39,270 --> 00:17:36,080

if you're a fan of star wars and uh

489

00:17:40,630 --> 00:17:39,280

and the mythology and uh everything

490

00:17:41,750 --> 00:17:40,640

that's been coming out with the

491

00:17:45,270 --> 00:17:41,760

mandalorian

492

00:17:48,630 --> 00:17:45,280

i think you're gonna be very uh

493

00:17:51,430 --> 00:17:48,640

hit and impacted by by this last episode

494

00:17:54,470 --> 00:17:51,440

the finale that just released today

495

00:17:55,830 --> 00:17:54,480

so good it was so so good so um yeah

496

00:17:58,310 --> 00:17:55,840

be sure to check the show out the

497

00:18:01,510 --> 00:17:58,320

mandalorian if you haven't already

498

00:18:04,150 --> 00:18:01,520

um disney just dropped bombs on us like

499

00:18:06,310 --> 00:18:04,160

a week and a half ago of like 50 new

500

00:18:08,950 --> 00:18:06,320

shows and spin-offs and stuff

501  
00:18:09,669 --> 00:18:08,960  
coming to us at disney plus so that's

502  
00:18:13,270 --> 00:18:09,679  
exciting

503  
00:18:16,950 --> 00:18:13,280  
um but they didn't announce everything

504  
00:18:18,390 --> 00:18:16,960  
and you have to watch the mandalorian to

505  
00:18:21,029 --> 00:18:18,400  
see what i mean by that i won't say

506  
00:18:24,310 --> 00:18:21,039  
anything else um

507  
00:18:26,830 --> 00:18:24,320  
let's see what else we have hello tommy

508  
00:18:28,950 --> 00:18:26,840  
how's it going brother

509  
00:18:29,510 --> 00:18:28,960  
uh what else do i got going on oh

510  
00:18:33,990 --> 00:18:29,520  
youtube

511  
00:18:36,390 --> 00:18:34,000  
now

512  
00:18:38,230 --> 00:18:36,400  
um but if you aren't subscribed to the

513  
00:18:39,990 --> 00:18:38,240

rhinespring youtube channel

514

00:18:41,590 --> 00:18:40,000

please go over there right now just

515

00:18:42,870 --> 00:18:41,600

click in ryan sprague i'm the first

516

00:18:46,070 --> 00:18:42,880

thing that pops up

517

00:18:47,990 --> 00:18:46,080

and uh click subscribe click uh

518

00:18:49,510 --> 00:18:48,000

notifications and you'll be the first to

519

00:18:52,549 --> 00:18:49,520

know when i drop new videos there

520

00:18:54,230 --> 00:18:52,559

i got a ton of new video content um so

521

00:18:56,070 --> 00:18:54,240

you know if you listen to the podcast

522

00:18:57,270 --> 00:18:56,080

every week that's just a small portion

523

00:19:00,549 --> 00:18:57,280

of what i'm doing now

524

00:19:02,630 --> 00:19:00,559

i have the luxury of time now and i'm so

525

00:19:03,750 --> 00:19:02,640

thankful in many ways for that i i wish

526

00:19:07,110 --> 00:19:03,760

i was working

527

00:19:10,070 --> 00:19:07,120

and i'm continuing to try to work

528

00:19:11,590 --> 00:19:10,080

uh but um it's been it's afforded me

529

00:19:12,470 --> 00:19:11,600

some time to do some really creative

530

00:19:14,710 --> 00:19:12,480

stuff over

531

00:19:16,710 --> 00:19:14,720

at the ryan sprague youtube channel um

532

00:19:19,029 --> 00:19:16,720

including case files which is

533

00:19:21,110 --> 00:19:19,039

a series that i do where i run through

534

00:19:24,230 --> 00:19:21,120

some of my favorite ufo cases

535

00:19:25,990 --> 00:19:24,240

in less than like 10 minutes and um

536

00:19:27,750 --> 00:19:26,000

i create kind of like a cliff notes

537

00:19:29,510 --> 00:19:27,760

version of these cases

538

00:19:31,190 --> 00:19:29,520

so you can find that right on the

539

00:19:34,390 --> 00:19:31,200

channel it's its own

540

00:19:37,830 --> 00:19:34,400

playlist on there i started another

541

00:19:38,710 --> 00:19:37,840

playlist on there called vintage skies

542

00:19:41,830 --> 00:19:38,720

which is where

543

00:19:42,390 --> 00:19:41,840

i upload old news segments about ufos or

544

00:19:45,990 --> 00:19:42,400

um

545

00:19:48,630 --> 00:19:46,000

uh

546

00:19:51,190 --> 00:19:48,640

or or television shows stuff from the

547

00:19:52,390 --> 00:19:51,200

old days we're talking like 50s 60s 70s

548

00:19:54,470 --> 00:19:52,400

and um

549

00:19:56,150 --> 00:19:54,480

those are some interesting times for ufo

550

00:19:58,310 --> 00:19:56,160

docs i can tell you that much

551  
00:19:59,190 --> 00:19:58,320  
if you want to see someone like uh stan

552  
00:20:02,549 --> 00:19:59,200  
friedman

553  
00:20:04,950 --> 00:20:02,559  
in a really cool tweed suit and um

554  
00:20:05,990 --> 00:20:04,960  
jacques valet with his with his beatles

555  
00:20:08,390 --> 00:20:06,000  
haircut

556  
00:20:10,310 --> 00:20:08,400  
um it'll really make you feel nostalgic

557  
00:20:12,870 --> 00:20:10,320  
for those early days of uh

558  
00:20:13,590 --> 00:20:12,880  
ufology as we call it the the golden

559  
00:20:15,669 --> 00:20:13,600  
years

560  
00:20:16,789 --> 00:20:15,679  
um maybe we're living in a new golden

561  
00:20:19,510 --> 00:20:16,799  
age i don't know

562  
00:20:19,990 --> 00:20:19,520  
that's for you guys to decide but um you

563  
00:20:21,830 --> 00:20:20,000

can watch

564

00:20:24,070 --> 00:20:21,840

those again at the ryan sprague youtube

565

00:20:25,510 --> 00:20:24,080

channel and i'm doing a lot more of my

566

00:20:28,470 --> 00:20:25,520

podcast interviews

567

00:20:29,590 --> 00:20:28,480

uh i'm doing video versions now i think

568

00:20:31,350 --> 00:20:29,600

people really dig

569

00:20:32,710 --> 00:20:31,360

seeing the people that i talk to every

570

00:20:34,870 --> 00:20:32,720

week on the podcast

571

00:20:37,029 --> 00:20:34,880

um but the audio podcast will always be

572

00:20:39,510 --> 00:20:37,039

there but if you want that enhanced

573

00:20:41,029 --> 00:20:39,520

uh experience you can go to the

574

00:20:42,390 --> 00:20:41,039

rhinesburg youtube channel

575

00:20:45,350 --> 00:20:42,400

and watch a lot of the interviews as

576

00:20:48,390 --> 00:20:45,360

well put you know faces to the names

577

00:20:49,909 --> 00:20:48,400

and um yeah yeah that's that's really

578

00:20:53,430 --> 00:20:49,919

all i have in terms of what i'm

579

00:20:56,789 --> 00:20:53,440

up to um releasing bonus episodes

580

00:20:58,950 --> 00:20:56,799

of the podcast on patreon so if you're

581

00:21:01,029 --> 00:20:58,960

not a subscriber to patreon

582

00:21:01,990 --> 00:21:01,039

i would absolutely love for you to

583

00:21:04,870 --> 00:21:02,000

become a part of it

584

00:21:06,549 --> 00:21:04,880

i think for a dollar a month you get all

585

00:21:08,470 --> 00:21:06,559

of the podcast episodes

586

00:21:09,990 --> 00:21:08,480

early um so you don't have to wait till

587

00:21:13,190 --> 00:21:10,000

every monday to listen

588

00:21:16,470 --> 00:21:13,200

um five dollars a month i've got like

589

00:21:18,149 --> 00:21:16,480

something like 60 plus bonus episodes of

590

00:21:20,549 --> 00:21:18,159

stuff you've never heard before

591

00:21:23,110 --> 00:21:20,559

in the archives over there um you get

592

00:21:25,750 --> 00:21:23,120

your own rss feed and it pops up right

593

00:21:27,430 --> 00:21:25,760

in your own like podcast feeds every

594

00:21:30,310 --> 00:21:27,440

time i release one of those

595

00:21:30,950 --> 00:21:30,320

um and then the tears just go up and up

596

00:21:32,870 --> 00:21:30,960

you can

597

00:21:35,110 --> 00:21:32,880

be a guest on the show for a certain

598

00:21:36,630 --> 00:21:35,120

tier uh you can pick my guests and

599

00:21:39,110 --> 00:21:36,640

topics that i cover

600

00:21:41,990 --> 00:21:39,120

um all of it's described and explained

601  
00:21:44,470 --> 00:21:42,000  
over at patreon.com

602  
00:21:45,510 --> 00:21:44,480  
somewhere skies and like i said you know

603  
00:21:48,310 --> 00:21:45,520  
being out of work like

604  
00:21:49,909 --> 00:21:48,320  
a lot of people um this is a time for

605  
00:21:52,390 --> 00:21:49,919  
content creators to

606  
00:21:53,350 --> 00:21:52,400  
really get creative and try to find ways

607  
00:21:55,750 --> 00:21:53,360  
to um

608  
00:21:58,710 --> 00:21:55,760  
put food on the table and just survive

609  
00:22:01,190 --> 00:21:58,720  
so um any support is greatly appreciated

610  
00:22:02,710 --> 00:22:01,200  
especially during the holiday season um

611  
00:22:04,070 --> 00:22:02,720  
and speaking of holidays i'd love to

612  
00:22:06,630 --> 00:22:04,080  
know what you guys are up to

613  
00:22:08,070 --> 00:22:06,640

uh we're living in very different weird

614

00:22:10,710 --> 00:22:08,080

times right now

615

00:22:12,549 --> 00:22:10,720

and um i'm sure a lot of things changed

616

00:22:14,310 --> 00:22:12,559

at thanksgiving as well as

617

00:22:16,390 --> 00:22:14,320

for the holidays so if anyone wants to

618

00:22:17,029 --> 00:22:16,400

share what they're doing i'd be happy to

619

00:22:19,750 --> 00:22:17,039

uh

620

00:22:21,510 --> 00:22:19,760

to read it out loud um or what have you

621

00:22:24,789 --> 00:22:21,520

you can put them in the comments

622

00:22:26,070 --> 00:22:24,799

um yeah are you doing anything different

623

00:22:29,270 --> 00:22:26,080

for the holidays

624

00:22:30,390 --> 00:22:29,280

uh i i know a lot of people are just

625

00:22:33,830 --> 00:22:30,400

chilling where they live

626

00:22:36,230 --> 00:22:33,840

and having small small small small

627

00:22:37,029 --> 00:22:36,240

gatherings um which i could not

628

00:22:39,350 --> 00:22:37,039

recommend

629

00:22:41,350 --> 00:22:39,360

enough um please be safe please be

630

00:22:43,190 --> 00:22:41,360

careful i'll be doing the same

631

00:22:47,270 --> 00:22:43,200

and um just look out for the people

632

00:22:51,909 --> 00:22:48,710

i think that's enough public service

633

00:22:54,310 --> 00:22:51,919

announcements for the night um

634

00:22:56,390 --> 00:22:54,320

but yeah that's all i really have for

635

00:22:58,149 --> 00:22:56,400

you guys i'm glad i got to catch people

636

00:23:01,190 --> 00:22:58,159

up i don't do these often

637

00:23:03,270 --> 00:23:01,200

um so it's fun um i sound like a

638

00:23:04,630 --> 00:23:03,280

blabbering idiot but um that's because i

639

00:23:06,149 --> 00:23:04,640

didn't really prepare anything

640

00:23:08,630 --> 00:23:06,159

and sometimes that's the best way to do

641

00:23:11,270 --> 00:23:08,640

it um that's a clean cut says i believe

642

00:23:14,390 --> 00:23:11,280

in humans podcast very fifth element

643

00:23:17,190 --> 00:23:14,400

gary oldman thanks brother yes it is

644

00:23:17,990 --> 00:23:17,200

yes yes it is um that's an honor for

645

00:23:21,510 --> 00:23:18,000

sure

646

00:23:24,470 --> 00:23:21,520

what's up ryan big fat creep asks

647

00:23:25,430 --> 00:23:24,480

not much man or woman i apologize big

648

00:23:28,390 --> 00:23:25,440

fat creep

649

00:23:28,950 --> 00:23:28,400

as it were um thanks for hopping in um

650

00:23:32,070 --> 00:23:28,960

so yeah

651  
00:23:35,029 --> 00:23:32,080  
if anyone has any questions for me um

652  
00:23:37,110 --> 00:23:35,039  
i'm an open book i'm here to talk uh i'm

653  
00:23:37,909 --> 00:23:37,120  
or i might just shut this down in the

654  
00:23:40,470 --> 00:23:37,919  
next

655  
00:23:41,110 --> 00:23:40,480  
10 minutes or so so yeah if you have

656  
00:23:42,630 --> 00:23:41,120  
anything

657  
00:23:44,470 --> 00:23:42,640  
you want to add please put it in the

658  
00:23:45,830 --> 00:23:44,480  
chat there i'm just going to go through

659  
00:23:50,710 --> 00:23:45,840  
here quick

660  
00:23:54,149 --> 00:23:50,720  
see if i'm missing anything

661  
00:24:01,590 --> 00:23:57,590  
i'm not missing anything on facebook

662  
00:24:02,310 --> 00:24:01,600  
so yeah i think that's gonna be it guys

663  
00:24:04,310 --> 00:24:02,320

uh if

664

00:24:05,750 --> 00:24:04,320

anyone doesn't have any questions i'm

665

00:24:07,110 --> 00:24:05,760

not going to keep you here we all have

666

00:24:09,029 --> 00:24:07,120

busy lives and um

667

00:24:11,430 --> 00:24:09,039

i'm sure some last minute shopping for a

668

00:24:11,830 --> 00:24:11,440

lot of people but um yeah what i want to

669

00:24:14,870 --> 00:24:11,840

do

670

00:24:16,470 --> 00:24:14,880

right now is just wish all of you a very

671

00:24:19,590 --> 00:24:16,480

happy holiday season i know

672

00:24:20,230 --> 00:24:19,600

things are tough and weird and we're all

673

00:24:23,350 --> 00:24:20,240

dealing

674

00:24:23,909 --> 00:24:23,360

with it in our own ways and uh if

675

00:24:26,950 --> 00:24:23,919

anything

676

00:24:29,750 --> 00:24:26,960

if you're watching this right now um

677

00:24:32,230 --> 00:24:29,760

just be thankful as i am that we have

678

00:24:35,590 --> 00:24:32,240

this opportunity to be here

679

00:24:38,870 --> 00:24:35,600

every day and talk and um

680

00:24:40,549 --> 00:24:38,880

and experience this very historic moment

681

00:24:43,990 --> 00:24:40,559

in time

682

00:24:47,110 --> 00:24:44,000

definitely a historical

683

00:24:48,789 --> 00:24:47,120

moment um together so i mean

684

00:24:50,630 --> 00:24:48,799

if i could say anything this holiday

685

00:24:53,510 --> 00:24:50,640

season just be

686

00:24:54,549 --> 00:24:53,520

nice and and kind and patient to those

687

00:24:58,070 --> 00:24:54,559

around you

688

00:24:59,990 --> 00:24:58,080

um and be careful uh i know a lot of

689

00:25:00,789 --> 00:25:00,000

people are used to traditions this is a

690

00:25:03,750 --> 00:25:00,799

holiday

691

00:25:05,590 --> 00:25:03,760

season of traditions but um if you can

692

00:25:06,149 --> 00:25:05,600

you know just try to be as careful as

693

00:25:08,950 --> 00:25:06,159

possible

694

00:25:09,590 --> 00:25:08,960

no kissing under the mistletoe if you're

695

00:25:12,230 --> 00:25:09,600

uh

696

00:25:14,710 --> 00:25:12,240

you know coming from a long way away

697

00:25:18,230 --> 00:25:14,720

from those you love and everything

698

00:25:18,549 --> 00:25:18,240

um um but yeah i want to thank all of

699

00:25:21,510 --> 00:25:18,559

you

700

00:25:22,630 --> 00:25:21,520

for being here for always supporting me

701  
00:25:26,230 --> 00:25:22,640  
in my work

702  
00:25:28,549 --> 00:25:26,240  
and everything i'm doing um you know

703  
00:25:29,590 --> 00:25:28,559  
times are tough and i i would have to

704  
00:25:33,510 --> 00:25:29,600  
admit that

705  
00:25:36,789 --> 00:25:33,520  
um this hasn't been the best uh time

706  
00:25:38,390 --> 00:25:36,799  
for me personally uh on in many ways

707  
00:25:41,190 --> 00:25:38,400  
whether it's creatively

708  
00:25:43,029 --> 00:25:41,200  
professionally and um it's really taken

709  
00:25:45,350 --> 00:25:43,039  
a lot of uh you

710  
00:25:46,230 --> 00:25:45,360  
people out there following my work

711  
00:25:47,990 --> 00:25:46,240  
supporting me

712  
00:25:49,750 --> 00:25:48,000  
and kind of nudging me along the way to

713  
00:25:50,870 --> 00:25:49,760

keep going because there's been times

714

00:25:53,990 --> 00:25:50,880

i've just wanted to

715

00:25:56,549 --> 00:25:54,000

forget all of it um the podcast uh

716

00:25:58,630 --> 00:25:56,559

writing and we all have those moments

717

00:26:02,149 --> 00:25:58,640

and i've had them a lot recently

718

00:26:04,149 --> 00:26:02,159

but um honestly just

719

00:26:06,070 --> 00:26:04,159

people saying that they've read the book

720

00:26:09,830 --> 00:26:06,080

or going to read the book or

721

00:26:12,870 --> 00:26:09,840

listen to the podcast uh i had a doctor

722

00:26:15,110 --> 00:26:12,880

tell me like two weeks ago that

723

00:26:16,149 --> 00:26:15,120

he was working in a covid ward for the

724

00:26:19,190 --> 00:26:16,159

past

725

00:26:19,909 --> 00:26:19,200

nine ten months and uh that he would

726  
00:26:22,630 --> 00:26:19,919  
listen to

727  
00:26:23,590 --> 00:26:22,640  
the summer in the skies podcast to just

728  
00:26:26,310 --> 00:26:23,600  
decompress

729  
00:26:27,269 --> 00:26:26,320  
and uh distract him for a little while

730  
00:26:30,470 --> 00:26:27,279  
so i mean

731  
00:26:31,590 --> 00:26:30,480  
that just meant the world to me so uh if

732  
00:26:34,470 --> 00:26:31,600  
that's what i could do

733  
00:26:36,390 --> 00:26:34,480  
for people i think that's worth my time

734  
00:26:39,750 --> 00:26:36,400  
and kind of keeps me going

735  
00:26:40,710 --> 00:26:39,760  
so um if you haven't please subscribe to

736  
00:26:44,230 --> 00:26:40,720  
the podcast

737  
00:26:46,870 --> 00:26:44,240  
uh leave a review on itunes or

738  
00:26:48,149 --> 00:26:46,880

stitcher spotify wherever you listen um

739

00:26:50,310 --> 00:26:48,159

and let me know what you think

740

00:26:51,990 --> 00:26:50,320

like give me feedback let me know where

741

00:26:54,870 --> 00:26:52,000

you listen to it why you listen to

742

00:26:56,070 --> 00:26:54,880

it um another amazing instagram follower

743

00:26:58,549 --> 00:26:56,080

sent me a video

744

00:26:59,190 --> 00:26:58,559

of her entire family dancing to my theme

745

00:27:01,590 --> 00:26:59,200

song

746

00:27:03,350 --> 00:27:01,600

which you know made me laugh at first

747

00:27:05,269 --> 00:27:03,360

and then of course made me cry

748

00:27:06,549 --> 00:27:05,279

i'm just one of those sensitive people

749

00:27:09,190 --> 00:27:06,559

but um

750

00:27:10,870 --> 00:27:09,200

yeah thank you thank you for all your

751  
00:27:13,110 --> 00:27:10,880  
support this year it's been

752  
00:27:14,470 --> 00:27:13,120  
a hell of a year for everyone but you

753  
00:27:17,430 --> 00:27:14,480  
have really

754  
00:27:18,870 --> 00:27:17,440  
helped me as much as i hope some of my

755  
00:27:20,870 --> 00:27:18,880  
work has

756  
00:27:21,909 --> 00:27:20,880  
impacted you or helped you just get

757  
00:27:24,630 --> 00:27:21,919  
through the day

758  
00:27:25,430 --> 00:27:24,640  
and think about something other than the

759  
00:27:28,870 --> 00:27:25,440  
obvious

760  
00:27:29,830 --> 00:27:28,880  
you know uh the pandemic and uh the the

761  
00:27:32,310 --> 00:27:29,840  
strife going on

762  
00:27:33,029 --> 00:27:32,320  
in the world right now um if that's what

763  
00:27:36,070 --> 00:27:33,039

i can do

764

00:27:39,029 --> 00:27:36,080

awesome so thank you

765

00:27:39,669 --> 00:27:39,039

that took a lot out of me um so i think

766

00:27:43,110 --> 00:27:39,679

i'm gonna

767

00:27:46,389 --> 00:27:43,120

saying happy holiday season

768

00:27:49,909 --> 00:27:46,399

everyone please be safe be kind

769

00:27:51,830 --> 00:27:49,919

um watch the mandalorian subscribe to

770

00:27:55,269 --> 00:27:51,840

the rhyme spread youtube channel

771

00:27:56,230 --> 00:27:55,279

um if you can uh check out the patreon

772

00:27:58,549 --> 00:27:56,240

campaign

773

00:27:59,750 --> 00:27:58,559

uh my merch store is open and i believe

774

00:28:02,789 --> 00:27:59,760

on sale right now

775

00:28:06,549 --> 00:28:02,799

oh and i forgot to mention all um

776

00:28:08,950 --> 00:28:06,559

proceeds from the merch store uh

777

00:28:10,549 --> 00:28:08,960

one-time contributions and even a

778

00:28:12,710 --> 00:28:10,559

portion of my patreon

779

00:28:14,149 --> 00:28:12,720

um is going to the women's refugee

780

00:28:15,190 --> 00:28:14,159

commission which is an amazing

781

00:28:17,350 --> 00:28:15,200

organization

782

00:28:19,110 --> 00:28:17,360

here in new york city that helps uh

783

00:28:22,470 --> 00:28:19,120

women and children

784

00:28:26,870 --> 00:28:22,480

who have come here from

785

00:28:28,870 --> 00:28:26,880

war-stricken areas or have been homeless

786

00:28:30,070 --> 00:28:28,880

and everything in between and it helps

787

00:28:33,350 --> 00:28:30,080

them get on their feet

788

00:28:36,149 --> 00:28:33,360

and start a new life in america so um

789

00:28:36,950 --> 00:28:36,159

yeah anything you buy from the store um

790

00:28:39,909 --> 00:28:36,960

a certain

791

00:28:41,029 --> 00:28:39,919

amount of the patreon and uh ad revenue

792

00:28:42,870 --> 00:28:41,039

from the podcast

793

00:28:44,070 --> 00:28:42,880

all of that is going to be bundled

794

00:28:46,070 --> 00:28:44,080

together and given to the women's

795

00:28:46,710 --> 00:28:46,080

refugee commission so please check them

796

00:28:49,750 --> 00:28:46,720

out

797

00:28:50,549 --> 00:28:49,760

women's refugee commission dot org i

798

00:28:53,590 --> 00:28:50,559

believe it is

799

00:28:55,269 --> 00:28:53,600

or dot com um just try both of those

800

00:28:56,830 --> 00:28:55,279

and uh know that you're not only

801  
00:28:58,070 --> 00:28:56,840  
supporting me you're supporting an

802  
00:29:00,789 --> 00:28:58,080  
amazing

803  
00:29:02,470 --> 00:29:00,799  
uh organization this holiday season i'm

804  
00:29:02,870 --> 00:29:02,480  
gonna be running that until the end of

805  
00:29:05,430 --> 00:29:02,880  
uh

806  
00:29:06,070 --> 00:29:05,440  
i believe december maybe maybe i might

807  
00:29:08,789 --> 00:29:06,080  
actually

808  
00:29:09,430 --> 00:29:08,799  
extend it till the end of january um so

809  
00:29:11,269 --> 00:29:09,440  
yeah

810  
00:29:12,470 --> 00:29:11,279  
um know that you're helping an amazing

811  
00:29:15,669 --> 00:29:12,480  
organization

812  
00:29:17,350 --> 00:29:15,679  
as well and uh i believe humans asks

813  
00:29:20,630 --> 00:29:17,360

have you watched hellier

814

00:29:21,430 --> 00:29:20,640

i have and i highly suggest everyone go

815

00:29:24,149 --> 00:29:21,440

check out

816

00:29:25,110 --> 00:29:24,159

hellier just google it and the rest is

817

00:29:27,990 --> 00:29:25,120

history

818

00:29:29,990 --> 00:29:28,000

um thank you audrey for your very kind

819

00:29:31,430 --> 00:29:30,000

words tonight and for everyone who

820

00:29:34,950 --> 00:29:31,440

hopped in

821

00:29:37,110 --> 00:29:34,960

um let's see patrick says ba

822

00:29:39,510 --> 00:29:37,120

humbug ah don't don't be that way

823

00:29:41,510 --> 00:29:39,520

brother we have a lot to be thankful for

824

00:29:44,549 --> 00:29:41,520

i'm thankful for you my man

825

00:29:47,830 --> 00:29:44,559

um let's see

826

00:29:49,909 --> 00:29:47,840

uh that's about it alright guys

827

00:29:51,190 --> 00:29:49,919

that's gonna do it for me cheers to

828

00:29:54,470 --> 00:29:51,200

everyone out there

829

00:29:55,830 --> 00:29:54,480

cheers to you

830

00:29:58,470 --> 00:29:55,840

i don't have to do more of these they're

831

00:30:01,669 --> 00:29:58,480

super fun um and awkward

832

00:30:02,630 --> 00:30:01,679

and super cringe but whatever happy
