00:00:15,749 --> 00:00:11,970
description to support now

7
00:00:21,029 --> 00:00:18,790
ufos seem to be invading both our skies

8
00:00:23,189 --> 00:00:21,039
and our news outlets like never before

9
00:00:25,910 --> 00:00:23,199
and more people are starting to look up

10
00:00:26,790 --> 00:00:25,920
and are wondering who or what might be

11
00:00:29,429 --> 00:00:26,800
out there

12
00:00:31,589 --> 00:00:29,439
in 2016 ryan sprague introduced the

13
00:00:33,590 --> 00:00:31,599

world to countless ufo encounters that

14

00:00:35,750 --> 00:00:33,600

had never been made public before

15

00:00:37,830 --> 00:00:35,760

and now in the second edition of his

16

00:00:40,549 --> 00:00:37,840

book he revisits these events and

17

00:00:42,950 --> 00:00:40,559

introduces brand new ufo cases

18

00:00:43,990 --> 00:00:42,960

in somewhere in the skies a human

19

00:00:46,630 --> 00:00:44,000

approach to the ufo

20

00:00:48,549 --> 00:00:46,640

phenomenon how have these events changed

21

00:00:49,910 --> 00:00:48,559

the lives of those involved

22

00:00:52,709 --> 00:00:49,920

and what might it tell us about the

23

00:00:54,549 --> 00:00:52,719

phenomenon with in-depth follow-ups

24

00:00:56,549 --> 00:00:54,559

brand new chapters and detailed

25

00:00:58,549 --> 00:00:56,559

testimony from credible witnesses and

26

00:01:01,189 --> 00:00:58,559

insight from those in the psychological

27

00:01:02,310 --> 00:01:01,199

academic and scientific fields somewhere

28

00:01:04,950 --> 00:01:02,320

in the skies

29

00:01:07,429 --> 00:01:04,960

a human approach to the ufo phenomenon

30

00:01:09,109 --> 00:01:07,439

weaves together a story of stories

31

00:01:11,830 --> 00:01:09,119

attempting to get to the heart of these

32

00:01:13,590 --> 00:01:11,840

mysteries one experience at a time

33

00:01:15,350 --> 00:01:13,600

available now on amazon in both

34

00:01:20,760 --> 00:01:15,360

paperback and ebook

35

00:01:30,310 --> 00:01:24,830

[Music]

36

00:01:38,830 --> 00:01:33,520

this is somewhere in the skies with ryan

37

00:01:56,850 --> 00:01:41,810

spread

38

00:01:56,860 --> 00:02:00,310

[Music]

39

00:02:06,550 --> 00:02:03,749

my name is benedict i'm 36 years old i

40

00:02:06,950 --> 00:02:06,560

am i'm originally icelandic but i've

41

00:02:10,630 --> 00:02:06,960

been

42

00:02:14,390 --> 00:02:10,640

years i am also a

43

00:02:16,949 --> 00:02:14,400

technology student i had a pretty crazy

44

00:02:19,430 --> 00:02:16,959

experience in 2010

45

00:02:21,750 --> 00:02:19,440

at that point i was already very into

46

00:02:24,070 --> 00:02:21,760

ufos i was researching and i was

47

00:02:27,270 --> 00:02:24,080

actually writing a blog about it

48

00:02:30,630 --> 00:02:27,280

i was also into kind of a paranormal

49

00:02:34,710 --> 00:02:30,640

and kind of occult

50

00:02:37,430 --> 00:02:34,720

magic ritual stuff so i

51
00:02:39,350 --> 00:02:37,440
i was into something called sigil magic

52
00:02:40,070 --> 00:02:39,360
this is kind of a technique that you use

53
00:02:43,270 --> 00:02:40,080
to

54
00:02:45,589 --> 00:02:43,280
and i

55
00:02:48,070 --> 00:02:45,599
i did this ritual to try to make contact

56
00:02:51,110 --> 00:02:48,080
with ufos or ets

57
00:02:52,949 --> 00:02:51,120
sometime after this i was getting ready

58
00:02:54,229 --> 00:02:52,959
to go to work i was working a night

59
00:02:57,270 --> 00:02:54,239
shift at a hotel so

60
00:03:00,710 --> 00:02:57,280
it was late at night the minute i

61
00:03:03,750 --> 00:03:00,720
pulled up my curtains i could see this

62
00:03:05,110 --> 00:03:03,760
glowing object in the sky i knew

63
00:03:08,390 --> 00:03:05,120

straight away that it was

64

00:03:11,430 --> 00:03:08,400

uh something extraordinary so i just it

65

00:03:14,550 --> 00:03:11,440

i looked at it for one second and then i

66

00:03:16,390 --> 00:03:14,560

i ran out to the driveway um

67

00:03:17,750 --> 00:03:16,400

when i got to the driveway i saw there

68

00:03:21,270 --> 00:03:17,760

were three of these

69

00:03:22,309 --> 00:03:21,280

objects in kind of the same area of the

70

00:03:26,229 --> 00:03:22,319

sky

71

00:03:27,270 --> 00:03:26,239

they were just glowing orbs of light

72

00:03:30,949 --> 00:03:27,280

really

73

00:03:34,949 --> 00:03:30,959

kind of golden reddish very intensely

74

00:03:36,869 --> 00:03:34,959

glowing lights they were moving slowly

75

00:03:39,990 --> 00:03:36,879

around this the same area

76
00:03:40,390 --> 00:03:40,000
and they were kind of playing with each

77
00:03:43,509 --> 00:03:40,400
other

78
00:03:46,630 --> 00:03:43,519
i could see one time they made a

79
00:03:49,750 --> 00:03:46,640
right angle triangle at five different

80
00:03:53,110 --> 00:03:49,760
occasions they kind of powered up this

81
00:03:55,350 --> 00:03:53,120
insanely to this insane intensity

82
00:03:56,949 --> 00:03:55,360
like like ten times the intensity that

83
00:03:59,750 --> 00:03:56,959
it was originally and

84
00:04:01,670 --> 00:03:59,760
the original intensity was very very

85
00:04:04,149 --> 00:04:01,680
intense also

86
00:04:06,070 --> 00:04:04,159
so they would hold this new intensity

87
00:04:07,990 --> 00:04:06,080
for maybe six to nine seconds and then

88
00:04:10,309 --> 00:04:08,000

they would go down again

89
00:04:11,110 --> 00:04:10,319
the the power-up sequences made me feel

90
00:04:13,030 --> 00:04:11,120
like there was

91
00:04:15,190 --> 00:04:13,040
kind of this enormous amount of energy

92
00:04:18,069 --> 00:04:15,200
being channeled into our

93
00:04:18,949 --> 00:04:18,079
our reality like there was some kind of

94
00:04:21,990 --> 00:04:18,959
reservoir

95
00:04:23,430 --> 00:04:22,000
being pumped in it was like all the

96
00:04:26,150 --> 00:04:23,440
colors of the spectrum just

97
00:04:27,189 --> 00:04:26,160
radiating at once from the from the from

98
00:04:29,110 --> 00:04:27,199
the point

99
00:04:30,710 --> 00:04:29,120
they were kind of putting on a show for

100
00:04:34,629 --> 00:04:30,720
me

101
00:04:36,950 --> 00:04:34,639
best is you know they were kind of

102
00:04:38,550 --> 00:04:36,960
fading in and out sometimes it was fade

103
00:04:39,670 --> 00:04:38,560
out and then it was come back into

104
00:04:42,950 --> 00:04:39,680
reality

105
00:04:45,430 --> 00:04:42,960
so this this maneuver that i remember is

106
00:04:46,150 --> 00:04:45,440
uh one of them would fade in at one

107
00:04:48,150 --> 00:04:46,160
place

108
00:04:49,189 --> 00:04:48,160
another one would fade in a little bit

109
00:04:53,030 --> 00:04:49,199
above and

110
00:04:56,150 --> 00:04:53,040
to the right and move over the first one

111
00:04:59,670 --> 00:04:56,160
and the moment it kind of was

112
00:05:00,710 --> 00:04:59,680
just above the first one the the lower

113
00:05:03,830 --> 00:05:00,720

one would

114

00:05:07,510 --> 00:05:03,840

light up as i just uh described

115

00:05:10,710 --> 00:05:07,520

to an insane intensity

116

00:05:13,350 --> 00:05:10,720

watching the phenomenon movie i i saw

117

00:05:14,629 --> 00:05:13,360

one person describe the ufos i saw as if

118

00:05:17,510 --> 00:05:14,639

they were looking

119

00:05:18,070 --> 00:05:17,520

down at a hot coal this was very similar

120

00:05:20,070 --> 00:05:18,080

to what

121

00:05:22,230 --> 00:05:20,080

i would describe with this ufos it was

122

00:05:25,510 --> 00:05:22,240

just a glowing object

123

00:05:27,590 --> 00:05:25,520

that was glowing from all directions so

124

00:05:30,310 --> 00:05:27,600

i was actually watching this thing for

125

00:05:32,710 --> 00:05:30,320

uh about 90 minutes in total

126

00:05:34,230 --> 00:05:32,720

uh i was standing outside in the cold

127

00:05:36,230 --> 00:05:34,240

just watching this and

128

00:05:37,749 --> 00:05:36,240

when they when they were lighting up i

129

00:05:41,510 --> 00:05:37,759

just kind of

130

00:05:43,189 --> 00:05:41,520

i screamed of joy it was just so intense

131

00:05:46,629 --> 00:05:43,199

for me

132

00:05:49,909 --> 00:05:46,639

so the experience ended with three

133

00:05:51,350 --> 00:05:49,919

military planes as i i i could i

134

00:05:53,909 --> 00:05:51,360

identify them as

135

00:05:55,990 --> 00:05:53,919

the type of hercules planes they were

136

00:05:59,189 --> 00:05:56,000

big propeller driven planes

137

00:06:02,629 --> 00:05:59,199

they came from the direction behind me

138

00:06:09,029 --> 00:06:06,150

the middle one flew i think maybe

139

00:06:09,670 --> 00:06:09,039

about 500 meters straight above my head

140

00:06:11,350 --> 00:06:09,680

and they were

141

00:06:13,990 --> 00:06:11,360

they were going in the direction of

142

00:06:16,309 --> 00:06:14,000

these lights these objects

143

00:06:18,070 --> 00:06:16,319

the middle plane that flew over my head

144

00:06:20,629 --> 00:06:18,080

flew in a straight

145

00:06:21,749 --> 00:06:20,639

line in the collision course towards one

146

00:06:25,189 --> 00:06:21,759

of the

147

00:06:26,230 --> 00:06:25,199

stationary ufos and it flew extremely

148

00:06:28,150 --> 00:06:26,240

close to it

149

00:06:29,270 --> 00:06:28,160

i was standing on the ground there and i

150

00:06:33,670 --> 00:06:29,280

was

151
00:06:34,550 --> 00:06:33,680
into it but in in the last second the

152
00:06:37,430 --> 00:06:34,560
airplane

153
00:06:37,830 --> 00:06:37,440
very abruptly turned to the right i

154
00:06:39,990 --> 00:06:37,840
think

155
00:06:40,950 --> 00:06:40,000
it must have turned as fast as this type

156
00:06:43,990 --> 00:06:40,960
of airplane can

157
00:06:47,350 --> 00:06:44,000
turn it looks very dramatic

158
00:06:50,469 --> 00:06:47,360
and you can just imagine three of these

159
00:06:51,430 --> 00:06:50,479
big hercules planes flying low over the

160
00:06:54,230 --> 00:06:51,440
town it was just

161
00:06:55,830 --> 00:06:54,240
a massive sound it was like a scene out

162
00:06:58,390 --> 00:06:55,840
of a movie really

163
00:07:00,309 --> 00:06:58,400

shortly after these planes came and

164

00:07:03,110 --> 00:07:00,319

confronted them i

165

00:07:05,350 --> 00:07:03,120

i had to go to work so i had to leave

166

00:07:07,430 --> 00:07:05,360

the area

167

00:07:08,790 --> 00:07:07,440

there were a lot of things that points

168

00:07:11,909 --> 00:07:08,800

me in the direction that

169

00:07:14,469 --> 00:07:11,919

this experience was put on for me

170

00:07:15,909 --> 00:07:14,479

personally i know it sounds crazy but

171

00:07:16,950 --> 00:07:15,919

it's the only thing that makes sense to

172

00:07:19,990 --> 00:07:16,960

me

173

00:07:21,909 --> 00:07:20,000

not only that i did this magic ritual to

174

00:07:22,790 --> 00:07:21,919

try to attract this experience and and

175

00:07:25,589 --> 00:07:22,800

then it happened

176
00:07:26,469 --> 00:07:25,599
um this had this happened on the 20th of

177
00:07:29,749 --> 00:07:26,479
october

178
00:07:33,110 --> 00:07:29,759
2010 before and after 20

179
00:07:34,150 --> 00:07:33,120
10 o'clock so in in the time format of

180
00:07:37,589 --> 00:07:34,160
my country it

181
00:07:41,670 --> 00:07:37,599
it happened 2010 2010 2010.

182
00:07:45,670 --> 00:07:41,680
it's triple 2010 there were three ufos

183
00:07:47,830 --> 00:07:45,680
there were three airplanes it just

184
00:07:48,790 --> 00:07:47,840
the symmetry of the date makes me feel

185
00:07:51,830 --> 00:07:48,800
that they

186
00:07:54,070 --> 00:07:51,840
they have they have a

187
00:07:55,029 --> 00:07:54,080
complete control of our time system down

188
00:07:56,790 --> 00:07:55,039

to the minute

189

00:07:58,629 --> 00:07:56,800

and i think it was kind of a

190

00:08:00,309 --> 00:07:58,639

demonstration that this wasn't a random

191

00:08:02,230 --> 00:08:00,319

event

192

00:08:03,430 --> 00:08:02,240

another thing that makes me think this

193

00:08:05,270 --> 00:08:03,440

is that

194

00:08:07,270 --> 00:08:05,280

the window i first looked at looked out

195

00:08:09,189 --> 00:08:07,280

to see them the first time

196

00:08:10,469 --> 00:08:09,199

there are a lot of trees in front of the

197

00:08:12,790 --> 00:08:10,479

windows so

198

00:08:13,510 --> 00:08:12,800

there's actually a very a little patch

199

00:08:16,710 --> 00:08:13,520

of clear

200

00:08:18,150 --> 00:08:16,720

sky and this ufo was in the middle of

201
00:08:22,309 --> 00:08:18,160
this patch

202
00:08:25,110 --> 00:08:22,319
so it that's kind of strange also

203
00:08:26,309 --> 00:08:25,120
sometime while i was standing there

204
00:08:29,670 --> 00:08:26,319
watching this i

205
00:08:31,350 --> 00:08:29,680
i had a good view um in general but i

206
00:08:34,149 --> 00:08:31,360
felt if i walked a little bit down the

207
00:08:35,589 --> 00:08:34,159
street i would have an even better view

208
00:08:38,630 --> 00:08:35,599
so i tried to walk

209
00:08:39,750 --> 00:08:38,640
down the street but then they just

210
00:08:42,790 --> 00:08:39,760
disappeared

211
00:08:44,550 --> 00:08:42,800
and there was nothing so

212
00:08:46,150 --> 00:08:44,560
the moment i walked back to the to my

213
00:08:50,630 --> 00:08:46,160

driveway it started up again

214

00:08:53,269 --> 00:08:50,640

with the show the last thing is that

215

00:08:54,550 --> 00:08:53,279

the maneuvers they did it really looked

216

00:08:56,710 --> 00:08:54,560

like they were

217

00:08:58,550 --> 00:08:56,720

performing something like on a screen

218

00:09:01,190 --> 00:08:58,560

for me

219

00:09:01,910 --> 00:09:01,200

the maneuver where the one was was uh

220

00:09:05,269 --> 00:09:01,920

flying

221

00:09:07,190 --> 00:09:05,279

over the other one it was just perfectly

222

00:09:08,230 --> 00:09:07,200

aligned for me to be able to see what

223

00:09:10,550 --> 00:09:08,240

was happening

224

00:09:11,430 --> 00:09:10,560

and then the airplanes coming straight

225

00:09:14,470 --> 00:09:11,440

over my head from

226

00:09:17,590 --> 00:09:14,480

from the other side it's just

227

00:09:18,630 --> 00:09:17,600

it just feels so symmetrical i don't

228

00:09:21,590 --> 00:09:18,640

know

229

00:09:23,030 --> 00:09:21,600

i tried i've tried many times over the

230

00:09:25,030 --> 00:09:23,040

years to get some answers from the

231

00:09:27,750 --> 00:09:25,040

military here in norway but they're

232

00:09:28,070 --> 00:09:27,760

not sharing anything they're not they're

233

00:09:30,630 --> 00:09:28,080

not

234

00:09:32,470 --> 00:09:30,640

even lying to me and telling me that it

235

00:09:35,269 --> 00:09:32,480

was some kind of exercise that just

236

00:09:36,790 --> 00:09:35,279

there's no trace of this uh this

237

00:09:38,150 --> 00:09:36,800

incident

238

00:09:39,590 --> 00:09:38,160

i'm convinced this were these were

239

00:09:41,110 --> 00:09:39,600

military planes there were three

240

00:09:43,670 --> 00:09:41,120

gigantic uh

241

00:09:45,750 --> 00:09:43,680

propeller driven planes and doing these

242

00:09:46,710 --> 00:09:45,760

kind of maneuvers i don't think a

243

00:09:50,310 --> 00:09:46,720

private

244

00:09:52,070 --> 00:09:50,320

entity would or a civilian entity would

245

00:09:54,550 --> 00:09:52,080

do something like that

246

00:09:55,110 --> 00:09:54,560

actually it makes me feel that they did

247

00:09:58,949 --> 00:09:55,120

something

248

00:10:01,590 --> 00:09:58,959

very risky by flying an airplane into

249

00:10:02,550 --> 00:10:01,600

this unknown object in the sky they they

250

00:10:05,910 --> 00:10:02,560

had no idea

251
00:10:06,870 --> 00:10:05,920
of knowing what this object was going to

252
00:10:10,949 --> 00:10:06,880
do

253
00:10:13,990 --> 00:10:10,959
feels very

254
00:10:17,350 --> 00:10:14,000
risky to me but at the same time i'm

255
00:10:18,069 --> 00:10:17,360
i'm i'm glad i got to see something as

256
00:10:21,190 --> 00:10:18,079
extraordinary

257
00:10:23,190 --> 00:10:21,200
as that in the end for me i

258
00:10:24,870 --> 00:10:23,200
i was kind i was very convinced about

259
00:10:26,790 --> 00:10:24,880
the ufo reality anyway because i had

260
00:10:29,269 --> 00:10:26,800
been studying the history so this

261
00:10:34,710 --> 00:10:29,279
this was just a big confirmation for me

262
00:10:40,150 --> 00:10:37,990
hi ryan hi everyone this is alexa from

263
00:10:43,190 --> 00:10:40,160

the pacific northwest

264

00:10:45,829 --> 00:10:43,200

and my sighting happened

265

00:10:47,269 --> 00:10:45,839

when i was in 7th grade in about two

266

00:10:49,750 --> 00:10:47,279

thousand

267

00:10:51,030 --> 00:10:49,760

this was in a town 20 miles north of

268

00:10:53,990 --> 00:10:51,040

seattle

269

00:10:55,829 --> 00:10:54,000

and it was much less developed back then

270

00:10:59,110 --> 00:10:55,839

than it is now

271

00:11:01,350 --> 00:10:59,120

but at the time my mom dad and i

272

00:11:02,630 --> 00:11:01,360

would go on drives in the evening after

273

00:11:05,509 --> 00:11:02,640

dinner

274

00:11:08,069 --> 00:11:05,519

and this particular time it must have

275

00:11:10,790 --> 00:11:08,079

been during winter break from school

276

00:11:11,829 --> 00:11:10,800

because i seem to recall this was on a

277

00:11:14,870 --> 00:11:11,839

week night

278

00:11:17,910 --> 00:11:14,880

and it was dark early

279

00:11:18,310 --> 00:11:17,920

so we were driving a new route out a

280

00:11:21,990 --> 00:11:18,320

little

281

00:11:25,110 --> 00:11:22,000

further than usual just exploring

282

00:11:27,910 --> 00:11:25,120

and i remember the car

283

00:11:29,110 --> 00:11:27,920

being silent but it's possible that my

284

00:11:31,670 --> 00:11:29,120

parents

285

00:11:32,790 --> 00:11:31,680

were chatting up front i was sitting in

286

00:11:35,750 --> 00:11:32,800

the back seat

287

00:11:36,630 --> 00:11:35,760

lost in my own thoughts and staring out

288

00:11:39,910 --> 00:11:36,640

the window

289

00:11:40,710 --> 00:11:39,920

into the winter darkness we turned down

290

00:11:43,670 --> 00:11:40,720

a road

291

00:11:45,030 --> 00:11:43,680

with trees on both sides and on the

292

00:11:47,670 --> 00:11:45,040

right side

293

00:11:49,269 --> 00:11:47,680

there was a low slope with some houses

294

00:11:52,310 --> 00:11:49,279

at the top

295

00:11:52,870 --> 00:11:52,320

i think about i seem to recall or

296

00:11:56,790 --> 00:11:52,880

remember

297

00:11:59,829 --> 00:11:56,800

three houses they were built

298

00:12:03,110 --> 00:11:59,839

into the hillside and they had those

299

00:12:03,590 --> 00:12:03,120

decks that were built on stilts because

300

00:12:05,190 --> 00:12:03,600

if you

301
00:12:06,870 --> 00:12:05,200
you know walked out your back door you

302
00:12:10,710 --> 00:12:06,880
would just fall straight down the hill

303
00:12:16,389 --> 00:12:13,750
i was pulled away from whichever

304
00:12:18,389 --> 00:12:16,399
middle school drama i was contemplating

305
00:12:21,670 --> 00:12:18,399
at the time

306
00:12:22,389 --> 00:12:21,680
with the sudden thought that's a really

307
00:12:25,829 --> 00:12:22,399
big

308
00:12:28,470 --> 00:12:25,839
bug zapper you know maybe we were

309
00:12:31,030 --> 00:12:28,480
traveling at about 25 miles per hour

310
00:12:32,470 --> 00:12:31,040
on a semi-rural road that was dark in

311
00:12:34,790 --> 00:12:32,480
the winter

312
00:12:36,870 --> 00:12:34,800
but these three houses had some lights

313
00:12:39,829 --> 00:12:36,880

on inside

314

00:12:41,430 --> 00:12:39,839

and i can see what i am assuming is a

315

00:12:44,790 --> 00:12:41,440

large bug zapper

316

00:12:48,790 --> 00:12:44,800

hanging from the roof of

317

00:12:51,670 --> 00:12:48,800

the closest house to us

318

00:12:52,629 --> 00:12:51,680

on the top of the hill uh like hanging

319

00:12:57,030 --> 00:12:52,639

from the roof

320

00:13:00,870 --> 00:12:57,040

right above the deck i could see lights

321

00:13:04,829 --> 00:13:00,880

through the trees that were not part of

322

00:13:11,509 --> 00:13:08,230

and it was a large

323

00:13:14,069 --> 00:13:11,519

rectangular hanging bug zapper

324

00:13:14,550 --> 00:13:14,079

at least that's what i thought i could

325

00:13:18,389 --> 00:13:14,560

see

326

00:13:20,710 --> 00:13:18,399

until we got closer and i realized that

327

00:13:23,829 --> 00:13:20,720

this thing is at the wrong angle

328

00:13:25,430 --> 00:13:23,839

to be something hanging from an awning

329

00:13:30,230 --> 00:13:25,440

or whatever

330

00:13:34,710 --> 00:13:30,240

in fact what i'm looking at is a large

331

00:13:38,389 --> 00:13:34,720

black floating rectangle

332

00:13:42,150 --> 00:13:38,399

hovering over the roof of this house

333

00:13:45,590 --> 00:13:42,160

the best way that i could describe it

334

00:13:48,230 --> 00:13:45,600

is that if you took a standard black

335

00:13:51,509 --> 00:13:48,240

tv remote and held it up with the

336

00:13:54,949 --> 00:13:51,519

buttons facing down

337

00:13:58,069 --> 00:13:54,959

except in the very center of this thing

338

00:14:01,350 --> 00:13:58,079

is a single round red

339

00:14:02,150 --> 00:14:01,360

light a big red light and in place of

340

00:14:05,189 --> 00:14:02,160

all the other

341

00:14:08,389 --> 00:14:05,199

remote buttons are hundreds of smaller

342

00:14:11,910 --> 00:14:08,399

golden white lights

343

00:14:14,949 --> 00:14:11,920

my parents didn't see it i didn't

344

00:14:18,870 --> 00:14:14,959

say anything mainly because

345

00:14:21,910 --> 00:14:18,880

i had this feeling like i saw something

346

00:14:24,949 --> 00:14:21,920

that i wasn't supposed to see

347

00:14:28,790 --> 00:14:24,959

and i was trying to convince myself

348

00:14:31,189 --> 00:14:28,800

that i didn't see it the phoenix lights

349

00:14:34,310 --> 00:14:31,199

were in the news only a few years before

350

00:14:35,430 --> 00:14:34,320

and my parents watched the x-files so i

351
00:14:39,590 --> 00:14:35,440
knew about

352
00:14:44,069 --> 00:14:39,600
ufos but i had never heard of a hovering

353
00:14:47,509 --> 00:14:44,079
black rectangle and it wasn't until

354
00:14:49,829 --> 00:14:47,519
about 2017 when i was reading

355
00:14:51,189 --> 00:14:49,839
the book hudson valley ufos by linda

356
00:14:54,230 --> 00:14:51,199
zimmerman

357
00:14:57,430 --> 00:14:54,240
when i turned to page 51

358
00:14:59,030 --> 00:14:57,440
that i ever heard of them again and this

359
00:15:02,069 --> 00:14:59,040
book in fact has a small

360
00:15:04,629 --> 00:15:02,079
chapter on unidentified flying

361
00:15:08,550 --> 00:15:04,639
rectangles but there are only maybe two

362
00:15:11,590 --> 00:15:11,030
and really this book is the only good

363
00:15:14,629 --> 00:15:11,600

info

364

00:15:17,509 --> 00:15:14,639

on such a thing flying rectangles that i

365

00:15:20,949 --> 00:15:17,519

could really find

366

00:15:23,269 --> 00:15:20,959

the main thing i remember feeling

367

00:15:25,110 --> 00:15:23,279

during the sighting was like i had

368

00:15:27,269 --> 00:15:25,120

walked into a room

369

00:15:28,629 --> 00:15:27,279

saw something that i wasn't supposed to

370

00:15:31,670 --> 00:15:28,639

see

371

00:15:33,509 --> 00:15:31,680

and then tried to convince myself i

372

00:15:37,670 --> 00:15:33,519

didn't see it

373

00:15:41,269 --> 00:15:37,680

it was like i didn't want to believe it

374

00:15:42,790 --> 00:15:41,279

or felt like i should forget that i did

375

00:15:45,670 --> 00:15:42,800

see it

376

00:15:47,910 --> 00:15:45,680

you know kind of like pay no attention

377

00:15:52,150 --> 00:15:47,920

to the man behind the curtain

378

00:15:58,870 --> 00:15:56,150

i don't know what it was but

379

00:16:00,629 --> 00:15:58,880

now i would probably say it had to be

380

00:16:04,150 --> 00:16:00,639

some kind of

381

00:16:07,749 --> 00:16:04,160

military craft maybe a drone or

382

00:16:11,110 --> 00:16:07,759

some kind of projection even but

383

00:16:15,269 --> 00:16:11,120

why a rectangle why hovering over

384

00:16:17,990 --> 00:16:15,279

a suburban house it just seems

385

00:16:20,069 --> 00:16:18,000

like a lot of strange choices and to

386

00:16:24,389 --> 00:16:20,079

this day

387

00:16:30,550 --> 00:16:26,790

that's the end of my story thanks for

388

00:16:33,910 --> 00:16:33,110

all right so uh my name is jake i'm

389

00:16:37,509 --> 00:16:33,920

going to

390

00:16:40,550 --> 00:16:37,519

talk about a ufo encounter that i had in

391

00:16:42,870 --> 00:16:40,560

the autumn of 2015.

392

00:16:44,389 --> 00:16:42,880

this took place in a rural part of

393

00:16:47,590 --> 00:16:44,399

central maine

394

00:16:49,269 --> 00:16:47,600

and it happened on my family's property

395

00:16:51,829 --> 00:16:49,279

we live on a property on the top of a

396

00:16:52,949 --> 00:16:51,839

hill the population of our town is about

397

00:16:56,310 --> 00:16:52,959

four thousand so

398

00:16:57,430 --> 00:16:56,320

pretty small the property is about a

399

00:17:00,150 --> 00:16:57,440

square acre

400

00:17:02,069 --> 00:17:00,160

and the house is right about the center

401
00:17:04,390 --> 00:17:02,079
of that acre

402
00:17:05,189 --> 00:17:04,400
the yard around it is fairly sizable on

403
00:17:07,350 --> 00:17:05,199
three sides

404
00:17:09,270 --> 00:17:07,360
it's surrounded by the woods and then

405
00:17:11,350 --> 00:17:09,280
the other side faces the road

406
00:17:13,270 --> 00:17:11,360
i do have neighbors but not really

407
00:17:16,789 --> 00:17:13,280
neighbors in the traditional

408
00:17:18,710 --> 00:17:16,799
suburban sense or just similarly sized

409
00:17:20,150 --> 00:17:18,720
properties kind of dotted along a back

410
00:17:23,510 --> 00:17:20,160
road

411
00:17:25,110 --> 00:17:23,520
so anyway i was home alone and i took my

412
00:17:27,189 --> 00:17:25,120
dogs out to the backyard

413
00:17:28,470 --> 00:17:27,199

at around 11 pm so that they could go to

414

00:17:30,150 --> 00:17:28,480

the bathroom and i could smoke a

415

00:17:32,070 --> 00:17:30,160

cigarette

416

00:17:34,310 --> 00:17:32,080

this was a nightly thing at the time and

417

00:17:36,789 --> 00:17:34,320

nothing weird had ever happened

418

00:17:39,029 --> 00:17:36,799

we were outside for probably a few

419

00:17:40,950 --> 00:17:39,039

minutes maybe five

420

00:17:42,310 --> 00:17:40,960

and uh we finished up i finished my

421

00:17:45,029 --> 00:17:42,320

cigarette my dogs finished

422

00:17:47,190 --> 00:17:45,039

doing their business and i walked them

423

00:17:49,669 --> 00:17:47,200

right up to the back porch

424

00:17:51,110 --> 00:17:49,679

and as soon as the dogs kind of crossed

425

00:17:52,950 --> 00:17:51,120

the threshold into the house

426

00:17:54,630 --> 00:17:52,960

from the back porch i just hear this

427

00:17:57,909 --> 00:17:54,640

really weird

428

00:18:01,110 --> 00:17:57,919

sort of humming noise coming from

429

00:18:03,190 --> 00:18:01,120

just above coming from the sky it's

430

00:18:06,390 --> 00:18:03,200

really really hard sound to describe

431

00:18:09,590 --> 00:18:06,400

it's sort of engine like but

432

00:18:12,549 --> 00:18:09,600

not really it was very otherworldly uh i

433

00:18:13,110 --> 00:18:12,559

kind of have compared it to the sound of

434

00:18:15,430 --> 00:18:13,120

like

435

00:18:16,630 --> 00:18:15,440

the boiler room when the heat kicks on

436

00:18:19,830 --> 00:18:16,640

but again that's

437

00:18:22,070 --> 00:18:19,840

really an approximation so

438

00:18:23,350 --> 00:18:22,080

it was just this really weird strange

439

00:18:26,310 --> 00:18:23,360

reverberating

440

00:18:27,110 --> 00:18:26,320

low frequency hum it immediately got my

441

00:18:29,190 --> 00:18:27,120

attention

442

00:18:31,350 --> 00:18:29,200

as it seemed to kind of fill my ears

443

00:18:33,590 --> 00:18:31,360

drowning out all the other noises

444

00:18:34,390 --> 00:18:33,600

i let the dogs inside they didn't seem

445

00:18:36,870 --> 00:18:34,400

to notice

446

00:18:37,830 --> 00:18:36,880

as far as i could tell but at the same

447

00:18:40,950 --> 00:18:37,840

time i wasn't

448

00:18:42,789 --> 00:18:40,960

exactly focused on their reaction at all

449

00:18:45,190 --> 00:18:42,799

but it did seem like they didn't they

450

00:18:47,830 --> 00:18:45,200

didn't pay it any mind

451
00:18:49,190 --> 00:18:47,840
so i let them in and turned around to

452
00:18:53,350 --> 00:18:49,200
see what was making the noise

453
00:18:56,310 --> 00:18:53,360
and after a few seconds i see this

454
00:18:57,430 --> 00:18:56,320
i guess rhombus shaped diamond like a 3d

455
00:18:59,510 --> 00:18:57,440
diamond

456
00:19:01,190 --> 00:18:59,520
the nose end of it was longer than the

457
00:19:05,110 --> 00:19:01,200
tail end of it

458
00:19:07,909 --> 00:19:05,120
and it's just uh it's hovering

459
00:19:09,350 --> 00:19:07,919
above the tree lines maybe just a couple

460
00:19:12,630 --> 00:19:09,360
feet above the trees

461
00:19:15,669 --> 00:19:12,640
so really only 30

462
00:19:17,510 --> 00:19:15,679
35 feet above the ground it's this this

463
00:19:20,950 --> 00:19:17,520

really big diamond shaped

464

00:19:22,870 --> 00:19:20,960

and it was uh

465

00:19:24,470 --> 00:19:22,880

black glass like the whole texture of

466

00:19:27,590 --> 00:19:24,480

the thing was just this

467

00:19:30,470 --> 00:19:27,600

seamless black glass and then the

468

00:19:32,310 --> 00:19:30,480

edges of the rhombus were all kind of

469

00:19:34,710 --> 00:19:32,320

lit up i almost imagine like

470

00:19:36,630 --> 00:19:34,720

like led strip lighting that's really

471

00:19:37,669 --> 00:19:36,640

the closest like human thing i can think

472

00:19:39,270 --> 00:19:37,679

of

473

00:19:42,150 --> 00:19:39,280

so it was edged out with all these

474

00:19:45,510 --> 00:19:42,160

little kind of sparkling lights

475

00:19:47,110 --> 00:19:45,520

and uh it just just it's hovering

476
00:19:49,669 --> 00:19:47,120
along the tree line kind of making its

477
00:19:51,830 --> 00:19:49,679
way across my yard

478
00:19:53,270 --> 00:19:51,840
and i just remember being completely

479
00:19:56,150 --> 00:19:53,280
frozen

480
00:19:58,950 --> 00:19:56,160
both with fear and kind of awe like

481
00:20:03,909 --> 00:20:00,870
it's moving at a low speed just sort of

482
00:20:06,070 --> 00:20:03,919
sauntering at about 10 miles or so

483
00:20:07,750 --> 00:20:06,080
so very very slowly just moving along

484
00:20:10,230 --> 00:20:07,760
the yard

485
00:20:10,950 --> 00:20:10,240
uh it seemed i remember thinking that it

486
00:20:14,950 --> 00:20:10,960
was it

487
00:20:16,310 --> 00:20:14,960
looked very large and dense and

488
00:20:18,549 --> 00:20:16,320

it didn't seem like something that could

489

00:20:21,270 --> 00:20:18,559

hover like that because it was just this

490

00:20:22,310 --> 00:20:21,280

giant thing so it just glides right

491

00:20:25,430 --> 00:20:22,320

along the trees

492

00:20:27,029 --> 00:20:25,440

and the other thing that i noticed uh

493

00:20:29,750 --> 00:20:27,039

was that the trees didn't move

494

00:20:31,110 --> 00:20:29,760

at all like like i could imagine if it

495

00:20:32,390 --> 00:20:31,120

was a giant drone

496

00:20:34,470 --> 00:20:32,400

then there would have been kind of like

497

00:20:35,909 --> 00:20:34,480

a vortex created by the

498

00:20:38,070 --> 00:20:35,919

propellers that kept it up that would

499

00:20:39,669 --> 00:20:38,080

have knocked the trees around

500

00:20:41,350 --> 00:20:39,679

but there was nothing it was not

501
00:20:45,110 --> 00:20:41,360
interacting with the world around it

502
00:20:45,830 --> 00:20:45,120
at all it was just uh it was like it was

503
00:20:48,230 --> 00:20:45,840
there but

504
00:20:49,590 --> 00:20:48,240
it was it was doing its own thing it

505
00:20:51,830 --> 00:20:49,600
wasn't interacting with the world

506
00:20:53,510 --> 00:20:51,840
around it which i thought was very very

507
00:20:57,270 --> 00:20:53,520
strange

508
00:20:59,669 --> 00:20:57,280
um so i remember it's coming from

509
00:21:02,230 --> 00:20:59,679
the right side of the tree line and over

510
00:21:04,950 --> 00:21:02,240
the course of a couple seconds it it

511
00:21:05,750 --> 00:21:04,960
kind of saunters away from me at the

512
00:21:07,270 --> 00:21:05,760
same speed

513
00:21:09,669 --> 00:21:07,280

to the point where i couldn't see it

514

00:21:13,510 --> 00:21:09,679

behind the trees after a certain point

515

00:21:16,470 --> 00:21:13,520

and i remember it maybe lasted about

516

00:21:18,230 --> 00:21:16,480

15-20 seconds of this thing kind of

517

00:21:20,470 --> 00:21:18,240

making its presence known

518

00:21:22,470 --> 00:21:20,480

and i remember making a very strong

519

00:21:23,510 --> 00:21:22,480

conscious effort not to blink or look

520

00:21:25,909 --> 00:21:23,520

away

521

00:21:27,029 --> 00:21:25,919

or flinch or anything because i i can

522

00:21:29,830 --> 00:21:27,039

immediately tell how

523

00:21:30,630 --> 00:21:29,840

important this experience was and i

524

00:21:32,950 --> 00:21:30,640

needed to do

525

00:21:35,190 --> 00:21:32,960

everything in my power to to kind of

526

00:21:38,230 --> 00:21:35,200

look at it and face up to it

527

00:21:38,549 --> 00:21:38,240

that's about as rational as it gets as i

528

00:21:42,070 --> 00:21:38,559

was

529

00:21:45,669 --> 00:21:42,080

fear

530

00:21:48,630 --> 00:21:45,679

i could imagine um like i remember

531

00:21:50,390 --> 00:21:48,640

hearing on a different podcast uh like

532

00:21:51,990 --> 00:21:50,400

if you if you imagine being a bear in

533

00:21:54,070 --> 00:21:52,000

the woods and all of a sudden

534

00:21:55,830 --> 00:21:54,080

this giant metal bird flies down and

535

00:21:57,430 --> 00:21:55,840

then people come out of it they

536

00:21:59,029 --> 00:21:57,440

they shoot you with this weird dart gun

537

00:22:00,070 --> 00:21:59,039

and then you pass out and then you wake

538

00:22:01,510 --> 00:22:00,080

up and you have this weird thing

539

00:22:03,590 --> 00:22:01,520

attached to your ear

540

00:22:05,350 --> 00:22:03,600

and you have no idea what just happened

541

00:22:06,710 --> 00:22:05,360

to you it's just this really weird

542

00:22:09,990 --> 00:22:06,720

thing just happened and you don't have

543

00:22:11,510 --> 00:22:10,000

any sort of frame of reference to

544

00:22:13,590 --> 00:22:11,520

compare it to anything that's that's

545

00:22:14,310 --> 00:22:13,600

kind of how i felt i felt like the

546

00:22:16,549 --> 00:22:14,320

grizzly bear

547

00:22:18,630 --> 00:22:16,559

being being tagged by the by the

548

00:22:21,909 --> 00:22:18,640

researchers or something

549

00:22:24,870 --> 00:22:21,919

um so anyway i just it

550

00:22:26,070 --> 00:22:24,880

it slowly gets farther and farther away

551

00:22:28,149 --> 00:22:26,080

from me and i can still hear

552

00:22:29,190 --> 00:22:28,159

it but it's i can't see it anymore and

553

00:22:32,310 --> 00:22:29,200

the sound of it is

554

00:22:33,990 --> 00:22:32,320

getting lighter and lighter um

555

00:22:35,909 --> 00:22:34,000

and then after that i just i just went

556

00:22:37,909 --> 00:22:35,919

inside i mean

557

00:22:39,590 --> 00:22:37,919

that's what's so strange to me sometimes

558

00:22:41,830 --> 00:22:39,600

is that

559

00:22:43,270 --> 00:22:41,840

you still have to i mean you have a

560

00:22:45,909 --> 00:22:43,280

whole life to live after that

561

00:22:47,110 --> 00:22:45,919

and this this insane thing just happened

562

00:22:49,190 --> 00:22:47,120

to you and then

563

00:22:50,470 --> 00:22:49,200

but you still have to you know you still

564

00:22:51,830 --> 00:22:50,480

have to go to school you still have to

565

00:22:54,390 --> 00:22:51,840

go to work you still have to

566

00:22:55,430 --> 00:22:54,400

cook dinner you know i i remember just

567

00:22:57,669 --> 00:22:55,440

going inside and

568

00:22:59,110 --> 00:22:57,679

and like watching tv and playing video

569

00:22:59,990 --> 00:22:59,120

games like this thing just didn't happen

570

00:23:01,909 --> 00:23:00,000

to me

571

00:23:03,750 --> 00:23:01,919

and i think it took a little while for

572

00:23:06,710 --> 00:23:03,760

for it to really set in

573

00:23:07,990 --> 00:23:06,720

uh that i just had this insane

574

00:23:12,870 --> 00:23:08,000

experience that makes

575

00:23:14,870 --> 00:23:12,880

no sense and uh and yeah i mean i still

576

00:23:16,070 --> 00:23:14,880

a lot of memories are fuzzy for me but

577

00:23:18,390 --> 00:23:16,080

that is

578

00:23:20,789 --> 00:23:18,400

forever burned into my brain the exact

579

00:23:24,310 --> 00:23:20,799

way it happened was just how it looked

580

00:23:26,630 --> 00:23:24,320

how it sounded and how it moved

581

00:23:27,990 --> 00:23:26,640

i don't i don't really tell very many

582

00:23:32,149 --> 00:23:28,000

people in my life

583

00:23:35,190 --> 00:23:32,159

i've told friends and family before and

584

00:23:35,990 --> 00:23:35,200

luckily nobody thinks i'm crazy but i do

585

00:23:39,110 --> 00:23:36,000

get the feeling

586

00:23:39,669 --> 00:23:39,120

that people are like yeah we we believe

587

00:23:41,510 --> 00:23:39,679

that you

588

00:23:43,350 --> 00:23:41,520

saw something they they don't know if

589

00:23:45,269 --> 00:23:43,360

it's an alien spacecraft or

590

00:23:46,630 --> 00:23:45,279

or what whatever the hell it was or some

591

00:23:48,710 --> 00:23:46,640

sort of interdimensional

592

00:23:51,669 --> 00:23:48,720

spacecraft but they they think that i

593

00:23:53,830 --> 00:23:51,679

saw something because i'm so

594

00:23:56,789 --> 00:23:53,840

it was so real for me and i wouldn't

595

00:23:59,590 --> 00:23:56,799

really lie about that sort of thing

596

00:24:00,710 --> 00:23:59,600

the other thing is that i don't have any

597

00:24:03,750 --> 00:24:00,720

history of

598

00:24:05,669 --> 00:24:03,760

schizophrenia in my family um i don't

599

00:24:08,390 --> 00:24:05,679

have any history of like

600

00:24:09,909 --> 00:24:08,400

grand mal seizures or epilepsy or

601
00:24:13,269 --> 00:24:09,919
anything

602
00:24:16,230 --> 00:24:13,279
so i don't really i don't have a

603
00:24:18,390 --> 00:24:16,240
physiological explanation for it or

604
00:24:21,110 --> 00:24:18,400
really a mental explanation for it

605
00:24:21,590 --> 00:24:21,120
and and nothing has ever happened since

606
00:24:38,950 --> 00:24:21,600
i

607
00:24:41,990 --> 00:24:38,960
happened that lasted

608
00:24:43,830 --> 00:24:42,000
like 20 seconds uh just this thing came

609
00:24:44,830 --> 00:24:43,840
out of nowhere and said hello and then

610
00:24:48,230 --> 00:24:44,840
just took off

611
00:24:50,549 --> 00:24:48,240
and i have no explanation i've

612
00:24:51,510 --> 00:24:50,559
been racking my brain ever since i go on

613
00:24:56,149 --> 00:24:51,520

the

614

00:24:57,909 --> 00:24:56,159

couple books about it i really like what

615

00:25:01,029 --> 00:24:57,919

jacques vallet has to say

616

00:25:02,630 --> 00:25:01,039

about the whole uh alien experience or

617

00:25:04,390 --> 00:25:02,640

ufo experience

618

00:25:06,390 --> 00:25:04,400

and i don't even know if it was aliens

619

00:25:09,990 --> 00:25:06,400

or if it was some

620

00:25:13,190 --> 00:25:10,000

insanely exotic military spacecraft

621

00:25:17,990 --> 00:25:13,200

uh if it was one of ours then we

622

00:25:21,029 --> 00:25:18,000

are way more advanced than we know

623

00:25:21,830 --> 00:25:21,039

so so i don't know but yeah that's my

624

00:25:24,789 --> 00:25:21,840

story

625

00:25:32,950 --> 00:25:24,799

and uh hope to hear it on the podcast

626

00:25:36,710 --> 00:25:34,870

what's up guys ryan sprague here and i'm

627

00:25:38,230 --> 00:25:36,720

just dropping in to remind you about our

628

00:25:40,149 --> 00:25:38,240

patreon campaign

629

00:25:42,310 --> 00:25:40,159

somewhere in the skies is always free to

630

00:25:43,669 --> 00:25:42,320

consume but it's not free to create

631

00:25:45,430 --> 00:25:43,679

so if you want to help the show on a

632

00:25:47,909 --> 00:25:45,440

monthly basis we have

633

00:25:49,669 --> 00:25:47,919

tons of rewards for you in return

634

00:25:52,950 --> 00:25:49,679

including shout outs on the show and

635

00:25:55,909 --> 00:25:52,960

website bonus content and episodes and

636

00:25:57,190 --> 00:25:55,919

free merch wanna be my guest or pick a

637

00:25:59,350 --> 00:25:57,200

topic for the show

638

00:26:01,430 --> 00:25:59,360

you can do that too so if you'd like to

639

00:26:04,950 --> 00:26:01,440

learn more and to help support the show

640

00:26:10,950 --> 00:26:04,960

visit patreon.com/summerskies

641

00:26:13,830 --> 00:26:10,960

thank you and keep looking up

642

00:26:15,029 --> 00:26:13,840

hi ryan my name is nicole morock and i'm

643

00:26:17,190 --> 00:26:15,039

a meteorologist

644

00:26:18,630 --> 00:26:17,200

writer and the producer and host of the

645

00:26:20,310 --> 00:26:18,640

peep podcast

646

00:26:22,310 --> 00:26:20,320

which explores how scientists and

647

00:26:24,070 --> 00:26:22,320

researchers study the paranormal

648

00:26:25,990 --> 00:26:24,080

and relates that to people who

649

00:26:27,830 --> 00:26:26,000

experience the paranormal

650

00:26:30,149 --> 00:26:27,840

you could say that my sighting is part

651
00:26:31,590 --> 00:26:30,159
of the reason i have a podcast now

652
00:26:33,590 --> 00:26:31,600
and somewhere in the skies has been an

653
00:26:34,549 --> 00:26:33,600
inspiration to me so i'm excited to

654
00:26:36,950 --> 00:26:34,559
share my story

655
00:26:39,350 --> 00:26:36,960
with you and your listeners this

656
00:26:41,750 --> 00:26:39,360
happened in november of 1997

657
00:26:43,590 --> 00:26:41,760
just south of falls lake and north of

658
00:26:45,510 --> 00:26:43,600
raleigh north carolina

659
00:26:47,830 --> 00:26:45,520
i was driving home from work down

660
00:26:49,269 --> 00:26:47,840
highway 50 which is a two-lane highway

661
00:26:50,230 --> 00:26:49,279
that goes over the lake and through the

662
00:26:52,230 --> 00:26:50,240
woods

663
00:26:53,430 --> 00:26:52,240

it was just a little after 5 pm and

664

00:26:56,390 --> 00:26:53,440

still light out but

665

00:26:57,750 --> 00:26:56,400

approaching dusk at that time i was

666

00:26:59,110 --> 00:26:57,760

about a year out of college with a

667

00:27:00,710 --> 00:26:59,120

communication degree

668

00:27:02,549 --> 00:27:00,720

and hadn't gone back to school for my

669

00:27:04,789 --> 00:27:02,559

meteorology degree yet

670

00:27:07,029 --> 00:27:04,799

i was an editor and office manager for a

671

00:27:10,310 --> 00:27:07,039

small wedding video company

672

00:27:11,750 --> 00:27:10,320

that was located just north of the lake

673

00:27:13,510 --> 00:27:11,760

back then there was hardly anything on

674

00:27:15,350 --> 00:27:13,520

that road because development hadn't

675

00:27:17,269 --> 00:27:15,360

spread that far north yet

676
00:27:18,389 --> 00:27:17,279
i was approaching a rare intersection

677
00:27:21,430 --> 00:27:18,399
with a stoplight

678
00:27:22,950 --> 00:27:21,440
which was and still is in a clearing and

679
00:27:26,389 --> 00:27:22,960
i was heading south

680
00:27:28,710 --> 00:27:26,399
to my left or east on the north side of

681
00:27:30,230 --> 00:27:28,720
the intersection was a gas station

682
00:27:31,909 --> 00:27:30,240
step back a bit from the road and the

683
00:27:35,350 --> 00:27:31,919
tree line was at least 50 feet

684
00:27:36,870 --> 00:27:35,360
maybe more behind that there was a man

685
00:27:40,230 --> 00:27:36,880
driving the vehicle in front of me and i

686
00:27:42,310 --> 00:27:40,240
was driving my little red isuzu pickup

687
00:27:44,230 --> 00:27:42,320
the light was red so we were slowing to

688
00:27:45,909 --> 00:27:44,240

a stop

689

00:27:47,430 --> 00:27:45,919

something made me look back to my left

690

00:27:48,950 --> 00:27:47,440

out my side window

691

00:27:50,870 --> 00:27:48,960

it might have been motioned in my side

692

00:27:52,710 --> 00:27:50,880

view mirror but i'm not sure

693

00:27:54,149 --> 00:27:52,720

i looked over my shoulder as i was

694

00:27:57,669 --> 00:27:54,159

stopping the pickup and

695

00:27:59,909 --> 00:27:57,679

i saw two round balls these days

696

00:28:01,669 --> 00:27:59,919

i'd call them orbs of light but at that

697

00:28:04,470 --> 00:28:01,679

time i didn't really know that word

698

00:28:07,029 --> 00:28:04,480

so i just called them balls they were

699

00:28:08,470 --> 00:28:07,039

back to the northeast

700

00:28:10,149 --> 00:28:08,480

in height they were close to the top of

701
00:28:11,669 --> 00:28:10,159
the tall pine trees we have all over

702
00:28:13,350 --> 00:28:11,679
north carolina

703
00:28:16,389 --> 00:28:13,360
they look to be about the size of beach

704
00:28:19,350 --> 00:28:16,399
balls bigger than a basketball for sure

705
00:28:20,070 --> 00:28:19,360
i don't recall any solid form just two

706
00:28:21,830 --> 00:28:20,080
lights

707
00:28:24,230 --> 00:28:21,840
and i have to admit all these years

708
00:28:24,789 --> 00:28:24,240
later i'm a little fuzzy on the exact

709
00:28:26,389 --> 00:28:24,799
color

710
00:28:28,149 --> 00:28:26,399
that they started as but i think it was

711
00:28:29,990 --> 00:28:28,159
red

712
00:28:32,070 --> 00:28:30,000
they came from back there and flew

713
00:28:33,190 --> 00:28:32,080

toward the center of the intersection in

714

00:28:34,950 --> 00:28:33,200

front of me

715

00:28:36,630 --> 00:28:34,960

as they did it was like they were

716

00:28:38,470 --> 00:28:36,640

playing follow the leader

717

00:28:39,669 --> 00:28:38,480

they stayed about four feet apart the

718

00:28:41,669 --> 00:28:39,679

whole time

719

00:28:44,389 --> 00:28:41,679

and the one in front changed color when

720

00:28:46,310 --> 00:28:44,399

it was parallel to the side of my truck

721

00:28:47,830 --> 00:28:46,320

i think it was a yellow just a half

722

00:28:50,310 --> 00:28:47,840

second later you know

723

00:28:53,350 --> 00:28:50,320

quickly but definitely delayed the one

724

00:28:55,190 --> 00:28:53,360

behind it changed to the same color

725

00:28:57,269 --> 00:28:55,200

when they got over the intersection they

726

00:28:59,430 --> 00:28:57,279

made a sharp turn and went back to

727

00:29:01,190 --> 00:28:59,440

my right or the northwest and headed

728

00:29:02,870 --> 00:29:01,200

back toward the trees on that side of

729

00:29:04,870 --> 00:29:02,880

the clearing

730

00:29:06,789 --> 00:29:04,880

it all seemed to happen in slow motion

731

00:29:08,389 --> 00:29:06,799

and i remember wondering if the guy in

732

00:29:11,590 --> 00:29:08,399

front of me was seeing the same thing

733

00:29:12,070 --> 00:29:11,600

like he had to right the light turned

734

00:29:15,269 --> 00:29:12,080

green

735

00:29:17,510 --> 00:29:15,279

and he started driving and so did i

736

00:29:18,549 --> 00:29:17,520

i don't recall seeing them appear or

737

00:29:20,470 --> 00:29:18,559

disappear i just

738

00:29:22,470 --> 00:29:20,480

watched them as they made this v-shape

739

00:29:24,310 --> 00:29:22,480

in the sky above me

740

00:29:26,230 --> 00:29:24,320

it seemed like they got lower as they

741

00:29:27,350 --> 00:29:26,240

approached the road and higher as they

742

00:29:29,269 --> 00:29:27,360

left

743

00:29:30,630 --> 00:29:29,279

i didn't have to strain my neck to look

744

00:29:32,070 --> 00:29:30,640

up through the windshield to see them in

745

00:29:34,310 --> 00:29:32,080

front of me

746

00:29:35,430 --> 00:29:34,320

it was obviously weird but i wasn't

747

00:29:38,470 --> 00:29:35,440

scared just

748

00:29:40,149 --> 00:29:38,480

really curious like what on earth did i

749

00:29:41,909 --> 00:29:40,159

just see

750

00:29:44,230 --> 00:29:41,919

i grew up hearing stories of others in

751

00:29:46,070 --> 00:29:44,240

my family having seen ufos so maybe

752

00:29:47,830 --> 00:29:46,080

that's why i didn't freak out

753

00:29:50,389 --> 00:29:47,840

i spent the rest of the drive home which

754

00:29:52,950 --> 00:29:50,399

was about seven minutes into raleigh

755

00:29:54,630 --> 00:29:52,960

going over all of it in my head there

756

00:29:56,710 --> 00:29:54,640

were there was nothing

757

00:29:57,990 --> 00:29:56,720

attached to the lights if it had been a

758

00:30:00,710 --> 00:29:58,000

helicopter

759

00:30:02,310 --> 00:30:00,720

unless it was completely invisible i

760

00:30:04,070 --> 00:30:02,320

would have seen it and i'm pretty sure

761

00:30:05,269 --> 00:30:04,080

we still don't have that kind of

762

00:30:06,630 --> 00:30:05,279

technology

763

00:30:07,909 --> 00:30:06,640

at the time i still lived with my

764

00:30:09,669 --> 00:30:07,919

parents and i couldn't wait to tell my

765

00:30:11,110 --> 00:30:09,679

dad when i got home because i was sure

766

00:30:13,269 --> 00:30:11,120

he'd believe me

767

00:30:14,870 --> 00:30:13,279

he did but of course he couldn't tell me

768

00:30:16,870 --> 00:30:14,880

what it was either

769

00:30:18,789 --> 00:30:16,880

they reminded me of the drones from star

770

00:30:21,350 --> 00:30:18,799

wars even though there's not technically

771

00:30:22,789 --> 00:30:21,360

anything like that in star wars i'm not

772

00:30:25,269 --> 00:30:22,799

convinced they weren't

773

00:30:26,389 --> 00:30:25,279

terrestrial but as a meteorologist i am

774

00:30:27,990 --> 00:30:26,399

100

775

00:30:29,669 --> 00:30:28,000

sure it wasn't any type of weather

776

00:30:32,950 --> 00:30:29,679

phenomenon or

777

00:30:34,870 --> 00:30:32,960

swamp gas or whatever these seem to be

778

00:30:36,549 --> 00:30:34,880

under intelligent control and their path

779

00:30:39,750 --> 00:30:36,559

made the shape of a v

780

00:30:41,350 --> 00:30:39,760

over the intersection i've met quite a

781

00:30:42,870 --> 00:30:41,360

few meteorologists over the year that

782

00:30:45,110 --> 00:30:42,880

work in the dod

783

00:30:47,830 --> 00:30:45,120

army and air force and some of them have

784

00:30:51,190 --> 00:30:47,840

pretty high clearances

785

00:30:54,389 --> 00:30:51,200

i've asked each one if they have ever

786

00:30:55,350 --> 00:30:54,399

heard or seen anything like that and all

787

00:30:57,990 --> 00:30:55,360

of them have said

788

00:30:58,789 --> 00:30:58,000

no and even the ones with the higher

789

00:31:00,630 --> 00:30:58,799

clearances

790

00:31:01,990 --> 00:31:00,640

have had the look on their face that

791

00:31:05,350 --> 00:31:02,000

said they were not lying

792

00:31:07,990 --> 00:31:05,360

so even if they could have said yes

793

00:31:08,789 --> 00:31:08,000

but were not supposed to and still said

794

00:31:14,070 --> 00:31:08,799

no

795

00:31:15,830 --> 00:31:14,080

never seen anything like that and i

796

00:31:17,350 --> 00:31:15,840

believe them

797

00:31:19,029 --> 00:31:17,360

i've always been fascinated with the

798

00:31:21,909 --> 00:31:19,039

unknown and this experience

799

00:31:23,110 --> 00:31:21,919

just cemented my interest in uap i'm not

800

00:31:25,110 --> 00:31:23,120

quite obsessed

801
00:31:27,350 --> 00:31:25,120
but i watch as many documentaries as i

802
00:31:28,230 --> 00:31:27,360
can and listen to your podcast and

803
00:31:30,310 --> 00:31:28,240
others

804
00:31:32,389 --> 00:31:30,320
hoping to hear someone describe

805
00:31:34,789 --> 00:31:32,399
something similar

806
00:31:36,310 --> 00:31:34,799
so far in all the years i've been

807
00:31:39,110 --> 00:31:36,320
waiting

808
00:31:40,950 --> 00:31:39,120
nobody has maybe someone out there is

809
00:31:43,190 --> 00:31:40,960
waiting to hear my story so they can

810
00:31:44,870 --> 00:31:43,200
relate to it too

811
00:31:47,590 --> 00:31:44,880
anyway thanks so much for doing what you

812
00:31:49,350 --> 00:31:47,600
do you do a great job of covering this

813
00:31:50,389 --> 00:31:49,360

topic from a grounded balanced

814

00:31:52,870 --> 00:31:50,399

perspective

815

00:31:53,990 --> 00:31:52,880

and you keep the focus on how it affects

816

00:31:56,789 --> 00:31:54,000

the experiencers

817

00:32:00,549 --> 00:31:56,799

and that is so important keep up the

818

00:32:03,029 --> 00:32:00,559

good work

819

00:32:03,909 --> 00:32:03,039

hey ryan uh thanks for the opportunity

820

00:32:07,110 --> 00:32:03,919

to share this

821

00:32:10,470 --> 00:32:07,120

brief but i hope slightly different

822

00:32:14,549 --> 00:32:10,480

uh sighting story uh my name is mark

823

00:32:16,230 --> 00:32:14,559

and this uh happened in 1991.

824

00:32:18,070 --> 00:32:16,240

i can't believe it's been nearly 30

825

00:32:20,470 --> 00:32:18,080

years but um

826

00:32:21,990 --> 00:32:20,480

it has and i still think about it quite

827

00:32:25,029 --> 00:32:22,000

a bit

828

00:32:28,470 --> 00:32:25,039

so at the time my buddy

829

00:32:30,710 --> 00:32:28,480

todd and i were in our early 20s and

830

00:32:31,909 --> 00:32:30,720

he had become part owner of a small boat

831

00:32:35,190 --> 00:32:31,919

that was docked

832

00:32:36,310 --> 00:32:35,200

in lorraine ohio which is about 30 miles

833

00:32:39,029 --> 00:32:36,320

west of cleveland

834

00:32:40,830 --> 00:32:39,039

on lake erie and one evening that summer

835

00:32:42,789 --> 00:32:40,840

the two of us took the boat out of the

836

00:32:44,470 --> 00:32:42,799

marina

837

00:32:46,070 --> 00:32:44,480

and we were just cruising around

838

00:32:47,990 --> 00:32:46,080

listening to music

839

00:32:49,110 --> 00:32:48,000

stopping to fish on occasion if we felt

840

00:32:51,350 --> 00:32:49,120

like it and

841

00:32:52,789 --> 00:32:51,360

basically just enjoying a summer night

842

00:32:54,549 --> 00:32:52,799

on the water

843

00:32:56,470 --> 00:32:54,559

and it was super calm that night there

844

00:32:59,430 --> 00:32:56,480

were no waves and

845

00:33:00,149 --> 00:32:59,440

if there was any wind it was minimal but

846

00:33:09,509 --> 00:33:00,159

it

847

00:33:11,029 --> 00:33:09,519

a mile offshore

848

00:33:13,909 --> 00:33:11,039

the motor was cut and motor wasn't

849

00:33:17,830 --> 00:33:13,919

running we were in the back of the boat

850

00:33:22,070 --> 00:33:17,840

just chilling facing east and

851

00:33:24,630 --> 00:33:22,080

we saw this small white light maybe

852

00:33:26,389 --> 00:33:24,640

50 yards to the southeast i'm

853

00:33:29,430 --> 00:33:26,399

guesstimating

854

00:33:32,870 --> 00:33:29,440

but that seems to be pretty accurate

855

00:33:34,389 --> 00:33:32,880

and the light was looked to be just off

856

00:33:36,389 --> 00:33:34,399

the surface of the water

857

00:33:37,830 --> 00:33:36,399

it was kind of hard to tell at that

858

00:33:40,549 --> 00:33:37,840

first sighting

859

00:33:42,230 --> 00:33:40,559

um and it didn't look very big but it

860

00:33:45,990 --> 00:33:42,240

was blinking on and off

861

00:33:46,950 --> 00:33:46,000

uh rhythmically and very consistently

862

00:33:49,190 --> 00:33:46,960

maybe

863

00:33:50,830 --> 00:33:49,200

um in one and a half second increments

864

00:33:53,430 --> 00:33:50,840

so it was like

865

00:33:56,230 --> 00:33:53,440

blink blink

866

00:33:57,430 --> 00:33:56,240

blink like that and it looked to be

867

00:34:00,870 --> 00:33:57,440

coming towards us

868

00:34:03,909 --> 00:34:00,880

and as we watched it it was definitely

869

00:34:05,990 --> 00:34:03,919

coming closer to us and

870

00:34:08,069 --> 00:34:06,000

we could tell it wasn't very big at all

871

00:34:09,589 --> 00:34:08,079

and it was making no noise

872

00:34:11,589 --> 00:34:09,599

and we're both watching it and

873

00:34:12,950 --> 00:34:11,599

commenting you know the the usual things

874

00:34:14,389 --> 00:34:12,960

you would say when you're

875

00:34:15,990 --> 00:34:14,399

looking at something that you don't

876
00:34:17,510 --> 00:34:16,000
understand is you know like what the

877
00:34:18,950 --> 00:34:17,520
hell is this thing and

878
00:34:21,669 --> 00:34:18,960
we're wondering if maybe it was a

879
00:34:25,190 --> 00:34:21,679
firefly or

880
00:34:28,950 --> 00:34:25,200
some kind of insect but the light

881
00:34:32,710 --> 00:34:28,960
when it was on was was a pure white

882
00:34:35,349 --> 00:34:32,720
and it was spherical and when it wasn't

883
00:34:36,869 --> 00:34:35,359
on in between blanks you couldn't see

884
00:34:39,510 --> 00:34:36,879
any outline or any shape

885
00:34:41,990 --> 00:34:39,520
so it was very hard to tell what this

886
00:34:44,470 --> 00:34:42,000
thing actually looked like

887
00:34:45,589 --> 00:34:44,480
if it had a shape at all but it

888
00:34:49,909 --> 00:34:45,599

continued

889

00:34:51,589 --> 00:34:49,919

towards us on a perfectly straight line

890

00:34:53,190 --> 00:34:51,599

and it wasn't changing altitude it

891

00:34:56,710 --> 00:34:53,200

wasn't changing its height

892

00:34:58,630 --> 00:34:56,720

whatsoever and it was probably three

893

00:35:01,990 --> 00:34:58,640

feet above the water

894

00:35:04,150 --> 00:35:02,000

so as it got closer we were watching

895

00:35:06,230 --> 00:35:04,160

it intently we're standing up trying to

896

00:35:08,710 --> 00:35:06,240

make sense of this thing coming at us

897

00:35:10,150 --> 00:35:08,720

and it got probably within 10 feet of

898

00:35:12,870 --> 00:35:10,160

the stern of the boat

899

00:35:13,910 --> 00:35:12,880

as it passed by and you could tell that

900

00:35:16,230 --> 00:35:13,920

it was

901
00:35:17,589 --> 00:35:16,240
maybe the size of a tennis ball when it

902
00:35:20,550 --> 00:35:17,599
was lit

903
00:35:22,550 --> 00:35:20,560
the the the lit orb was the size of a

904
00:35:24,950 --> 00:35:22,560
tennis ball

905
00:35:27,750 --> 00:35:24,960
um and again no sound we kept listening

906
00:35:30,230 --> 00:35:27,760
for sound it made no sound

907
00:35:31,990 --> 00:35:30,240
and watching for any deviation in this

908
00:35:33,829 --> 00:35:32,000
flight path that it was on but it never

909
00:35:36,870 --> 00:35:33,839
deviated at all

910
00:35:41,589 --> 00:35:36,880
and we just continued to watch it

911
00:35:43,670 --> 00:35:41,599
wide-eyed as it flew uh northwest

912
00:35:44,950 --> 00:35:43,680
on the same line until it was out of

913
00:35:48,310 --> 00:35:44,960

sight

914

00:35:48,710 --> 00:35:48,320

over the horizon in the dark and to this

915

00:35:51,910 --> 00:35:48,720

day

916

00:35:54,069 --> 00:35:51,920

i have no clue what this thing was

917

00:35:56,870 --> 00:35:54,079

um todd and i are still friends we still

918

00:36:00,550 --> 00:35:56,880

keep in touch regularly and

919

00:36:02,390 --> 00:36:00,560

um we will revisit the event on occasion

920

00:36:03,910 --> 00:36:02,400

and neither of us have any more clarity

921

00:36:06,790 --> 00:36:03,920

now than we did back then

922

00:36:07,750 --> 00:36:06,800

and we just shake our heads over it i

923

00:36:10,870 --> 00:36:07,760

have no clue

924

00:36:12,230 --> 00:36:10,880

um and i'm i've always been interested

925

00:36:16,150 --> 00:36:12,240

in the ufo

926

00:36:18,390 --> 00:36:16,160

topic and i've kept up on

927

00:36:19,190 --> 00:36:18,400

incredible sighting reports and whatnot

928

00:36:21,670 --> 00:36:19,200

and

929

00:36:22,870 --> 00:36:21,680

i have yet to come across a similar

930

00:36:24,870 --> 00:36:22,880

sighting

931

00:36:26,710 --> 00:36:24,880

and would love to know if anybody

932

00:36:29,349 --> 00:36:26,720

listening out there has

933

00:36:30,950 --> 00:36:29,359

seen something similar especially in the

934

00:36:33,990 --> 00:36:30,960

great lakes area or

935

00:36:35,510 --> 00:36:34,000

lake erie in particular if you have

936

00:36:37,030 --> 00:36:35,520

please get in touch with ryan i would

937

00:36:40,470 --> 00:36:37,040

love to talk to you

938

00:36:43,829 --> 00:36:40,480

um but the uh

939

00:36:46,470 --> 00:36:43,839

the event had uh a profound effect

940

00:36:48,069 --> 00:36:46,480

um like i said i still think about it

941

00:36:50,310 --> 00:36:48,079

today

942

00:36:52,150 --> 00:36:50,320

i still wonder what the heck this thing

943

00:36:55,030 --> 00:36:52,160

was

944

00:36:55,829 --> 00:36:55,040

and i don't know that that's really the

945

00:36:59,109 --> 00:36:55,839

gist of it

946

00:37:03,030 --> 00:36:59,119

so thank you for the opportunity to

947

00:37:08,230 --> 00:37:06,829

hi my name is kyle and uh this is my

948

00:37:11,829 --> 00:37:08,240

sighting

949

00:37:14,710 --> 00:37:11,839

in 2003 i was living in the town

950

00:37:15,829 --> 00:37:14,720

of belvedere illinois and my brother and

951
00:37:19,349 --> 00:37:15,839

i were playing

952
00:37:23,510 --> 00:37:19,359

um horse in our driveway and we had

953
00:37:26,550 --> 00:37:23,520

a hoop that was on our garage and it was

954
00:37:29,109 --> 00:37:26,560

facing west and my brother had tossed

955
00:37:32,230 --> 00:37:29,119

the ball in and bounced off the hoop

956
00:37:32,710 --> 00:37:32,240

and i go to follow the hoop with my eyes

957
00:37:36,310 --> 00:37:32,720

as it

958
00:37:39,670 --> 00:37:36,320

goes into the trees and i see this dark

959
00:37:44,069 --> 00:37:39,680

charcoal colored triangular shape

960
00:37:45,030 --> 00:37:44,079

and it was probably 2000 to 2500 feet in

961
00:37:48,150 --> 00:37:45,040

the air

962
00:37:51,750 --> 00:37:48,160

almost almost directly above and

963
00:37:54,069 --> 00:37:51,760

to the front or to the west of us and

964

00:37:56,790 --> 00:37:54,079

it didn't have any like solid edges it

965

00:37:59,670 --> 00:37:56,800

was all rounded on the sides

966

00:38:00,950 --> 00:37:59,680

and the back and in the back in a

967

00:38:04,150 --> 00:38:00,960

recessed section

968

00:38:07,510 --> 00:38:04,160

there were two like

969

00:38:11,910 --> 00:38:07,520

circle nozzles on each side and

970

00:38:12,710 --> 00:38:11,920

a longer uh elongated oval in the center

971

00:38:15,750 --> 00:38:12,720

but it was

972

00:38:19,510 --> 00:38:15,760

like recessed inside of the

973

00:38:21,750 --> 00:38:19,520

that flat that edge of the triangle

974

00:38:22,950 --> 00:38:21,760

and i looked at my brother and i was

975

00:38:25,030 --> 00:38:22,960

like

976

00:38:26,390 --> 00:38:25,040

what's that at the time i was really

977

00:38:29,510 --> 00:38:26,400

interested in

978

00:38:31,589 --> 00:38:29,520

you know our modern jets and uh mostly

979

00:38:33,750 --> 00:38:31,599

world war ii aircraft

980

00:38:34,950 --> 00:38:33,760

and i was like i i've never seen

981

00:38:37,109 --> 00:38:34,960

anything like that

982

00:38:39,589 --> 00:38:37,119

and uh that weekend we were supposed to

983

00:38:42,630 --> 00:38:39,599

go to our grandparents house

984

00:38:44,630 --> 00:38:42,640

and um we did

985

00:38:46,069 --> 00:38:44,640

and i we talked to my my

986

00:38:48,550 --> 00:38:46,079

step-grandfather about it

987

00:38:49,990 --> 00:38:48,560

and we spent two hours on the internet

988

00:38:50,790 --> 00:38:50,000

trying to find something that matched

989

00:38:54,630 --> 00:38:50,800

our description

990

00:38:58,550 --> 00:38:54,640

and we never found it

991

00:39:01,829 --> 00:38:58,560

and shortly after that i started having

992

00:39:04,069 --> 00:39:01,839

bouts of um

993

00:39:05,109 --> 00:39:04,079

sleep paralysis i would wake up in the

994

00:39:08,870 --> 00:39:05,119

middle of the night

995

00:39:11,430 --> 00:39:08,880

and i would be frozen

996

00:39:12,950 --> 00:39:11,440

and i couldn't move my fingers or my

997

00:39:16,870 --> 00:39:12,960

toes

998

00:39:20,230 --> 00:39:16,880

and i couldn't scream and

999

00:39:23,430 --> 00:39:20,240

it was really hard

1000

00:39:26,710 --> 00:39:23,440

and i didn't know what to do about it um

1001
00:39:28,950 --> 00:39:26,720
i continued having the sleep paralysis

1002
00:39:30,310 --> 00:39:28,960
for years after that and i eventually

1003
00:39:32,950 --> 00:39:30,320
just

1004
00:39:35,990 --> 00:39:32,960
figured out that i had to relax and

1005
00:39:39,430 --> 00:39:36,000
breathe and close my eyes and focus on

1006
00:39:40,829 --> 00:39:39,440
moving things that to get my body

1007
00:39:43,910 --> 00:39:40,839
working again

1008
00:39:47,030 --> 00:39:43,920
and um

1009
00:39:50,069 --> 00:39:47,040
shortly after the first incident

1010
00:39:51,270 --> 00:39:50,079
i was getting off the bus with my friend

1011
00:39:54,230 --> 00:39:51,280
nick

1012
00:39:55,510 --> 00:39:54,240
and as we got off the bus we saw these

1013
00:39:58,470 --> 00:39:55,520

two jets chase

1014

00:40:00,470 --> 00:39:58,480

something that was smoldering in the air

1015

00:40:02,950 --> 00:40:00,480

and we asked our

1016

00:40:05,190 --> 00:40:02,960

reading teacher the next day who was a

1017

00:40:06,390 --> 00:40:05,200

air force reservist

1018

00:40:08,150 --> 00:40:06,400

and she said that she didn't know

1019

00:40:10,390 --> 00:40:08,160

anything about it she'd ask and we of

1020

00:40:14,790 --> 00:40:10,400

course never heard anything

1021

00:40:18,309 --> 00:40:14,800

but um after that

1022

00:40:21,829 --> 00:40:18,319

um i started having real

1023

00:40:24,069 --> 00:40:21,839

vivid uh lucid dreams and uh that's

1024

00:40:26,630 --> 00:40:24,079

something i still have to this day i i

1025

00:40:29,990 --> 00:40:26,640

don't until recently i didn't

1026

00:40:33,270 --> 00:40:30,000

correlate these incidents and

1027

00:40:35,910 --> 00:40:33,280

put them together but it seems that

1028

00:40:37,109 --> 00:40:35,920

it's something that happens to people

1029

00:40:40,230 --> 00:40:37,119

who witness

1030

00:40:47,190 --> 00:40:40,240

the dark triangles and

1031

00:40:54,390 --> 00:40:50,790

hi my name is jake um on

1032

00:40:55,589 --> 00:40:54,400

the 9th of september 2020 uh which was a

1033

00:40:57,829 --> 00:40:55,599

sunday

1034

00:40:59,190 --> 00:40:57,839

my best friend and i who is here with me

1035

00:41:04,230 --> 00:40:59,200

hi my name is bruce

1036

00:41:07,190 --> 00:41:04,240

um saw a boomerang-shaped craft

1037

00:41:07,670 --> 00:41:07,200

ufo uap whatever you want to call it fly

1038

00:41:10,390 --> 00:41:07,680

over

1039

00:41:11,510 --> 00:41:10,400

our house in the middle of downtown

1040

00:41:14,470 --> 00:41:11,520

plant city

1041

00:41:16,630 --> 00:41:14,480

um if you don't know where that is that

1042

00:41:19,190 --> 00:41:16,640

is uh

1043

00:41:21,030 --> 00:41:19,200

oh it's um it's a small town east of

1044

00:41:23,030 --> 00:41:21,040

tampa but west of lakeland yeah there

1045

00:41:26,710 --> 00:41:23,040

you go east of tampa west of lakeland

1046

00:41:28,470 --> 00:41:26,720

um it was downtown

1047

00:41:30,550 --> 00:41:28,480

we live in what's called the historic

1048

00:41:32,470 --> 00:41:30,560

district probably a

1049

00:41:34,950 --> 00:41:32,480

three three or four minute walk from

1050

00:41:38,390 --> 00:41:34,960

what's considered downtown plant city

1051
00:41:41,750 --> 00:41:38,400
and um i just got off work that night

1052
00:41:42,710 --> 00:41:41,760
i picked up bruce and we went down to

1053
00:41:47,430 --> 00:41:42,720
wendy's to

1054
00:41:49,270 --> 00:41:47,440
get some food we came back

1055
00:41:51,589 --> 00:41:49,280
sat in my car for a little bit and we

1056
00:41:55,510 --> 00:41:51,599
started listening to an episode of

1057
00:41:59,109 --> 00:41:55,520
the podcast it was episode uh volume 4

1058
00:42:00,550 --> 00:41:59,119
of eyewitness accounts um that one's the

1059
00:42:02,069 --> 00:42:00,560
one with the dude

1060
00:42:04,550 --> 00:42:02,079
whose wife goes outside while she's

1061
00:42:06,550 --> 00:42:04,560
smoking and uh

1062
00:42:09,190 --> 00:42:06,560
sees the craft fly over his house and

1063
00:42:13,670 --> 00:42:09,200

he's the sheriff deputy and [\h__\h]

1064

00:42:17,030 --> 00:42:13,680

um and uh we finished up the episode

1065

00:42:19,990 --> 00:42:17,040

uh on that story specifically and

1066

00:42:21,349 --> 00:42:20,000

you know getting the stuff out of my car

1067

00:42:21,829 --> 00:42:21,359

getting my phone put my phone in my

1068

00:42:24,950 --> 00:42:21,839

pocket

1069

00:42:27,109 --> 00:42:24,960

um opened the door took

1070

00:42:28,630 --> 00:42:27,119

two or three steps and i'm standing

1071

00:42:32,230 --> 00:42:28,640

behind

1072

00:42:35,109 --> 00:42:32,240

bruce's car which uh we didn't take

1073

00:42:36,550 --> 00:42:35,119

and i just happened to look up and when

1074

00:42:40,390 --> 00:42:36,560

i look up

1075

00:42:44,069 --> 00:42:40,400

i see um a boomerang-shaped craft

1076
00:42:47,510 --> 00:42:44,079
like exactly a boomerang the exact same

1077
00:42:50,950 --> 00:42:47,520
shape to my uh to me it was uh

1078
00:42:54,150 --> 00:42:50,960
black and white it was

1079
00:42:56,309 --> 00:42:54,160
almost completely black except on the

1080
00:43:00,069 --> 00:42:56,319
border of the craft

1081
00:43:03,510 --> 00:43:00,079
there was about i don't know a

1082
00:43:05,990 --> 00:43:03,520
thick line of white and uh

1083
00:43:07,990 --> 00:43:06,000
on the white line were orbs that

1084
00:43:10,870 --> 00:43:08,000
surrounded the entire craft

1085
00:43:12,710 --> 00:43:10,880
on the outside but the inside of the

1086
00:43:15,510 --> 00:43:12,720
craft was black

1087
00:43:17,270 --> 00:43:15,520
and um i watched it and it was going

1088
00:43:19,910 --> 00:43:17,280

slow i mean

1089

00:43:22,390 --> 00:43:19,920

you know 20 30 miles an hour and it was

1090

00:43:26,470 --> 00:43:22,400

so low and quiet it was

1091

00:43:28,630 --> 00:43:26,480

not even 20 you know 200 feet above us

1092

00:43:30,710 --> 00:43:28,640

and you know i watch it for about three

1093

00:43:32,790 --> 00:43:30,720

seconds before i

1094

00:43:33,910 --> 00:43:32,800

get the sense in me to turn around and

1095

00:43:35,430 --> 00:43:33,920

slap bruce

1096

00:43:36,790 --> 00:43:35,440

and i turn around and hit him on the

1097

00:43:38,630 --> 00:43:36,800

shoulder and say look at this [h__\h]

1098

00:43:40,630 --> 00:43:38,640

thing holy [h__\h]

1099

00:43:42,069 --> 00:43:40,640

and he turns around looks up and sees it

1100

00:43:45,750 --> 00:43:42,079

and you know

1101
00:43:48,710 --> 00:43:45,760
bruce you wanna it took a moment

1102
00:43:50,390 --> 00:43:48,720
to realize what exactly i was looking at

1103
00:43:51,910 --> 00:43:50,400
because of the fact that it takes you a

1104
00:43:54,630 --> 00:43:51,920
moment to realize that you're looking at

1105
00:43:57,910 --> 00:43:54,640
something you've never seen before

1106
00:44:00,069 --> 00:43:57,920
but overall it looked exactly as jake

1107
00:44:01,430 --> 00:44:00,079
as jake described it but i would say

1108
00:44:03,349 --> 00:44:01,440
that

1109
00:44:05,030 --> 00:44:03,359
it gave me the impression of being

1110
00:44:07,990 --> 00:44:05,040
something meant for

1111
00:44:10,150 --> 00:44:08,000
reconnaissance if anything that's what

1112
00:44:13,349 --> 00:44:10,160
it seemed like to me it seemed like it

1113
00:44:16,790 --> 00:44:13,359

was observing what it flew over

1114

00:44:20,230 --> 00:44:16,800

um so yeah uh

1115

00:44:22,390 --> 00:44:20,240

and so we watched it and um we just

1116

00:44:23,670 --> 00:44:22,400

kind of sat there and watched it for

1117

00:44:26,870 --> 00:44:23,680

another few seconds

1118

00:44:31,030 --> 00:44:26,880

fly behind a tree uh that's

1119

00:44:34,390 --> 00:44:31,040

in a neighbor's yard behind our house

1120

00:44:36,069 --> 00:44:34,400

and uh we stood there for a few seconds

1121

00:44:39,270 --> 00:44:36,079

afterward kind of freaking out

1122

00:44:41,829 --> 00:44:39,280

because i've been into the ufo

1123

00:44:46,309 --> 00:44:41,839

phenomenon for most my life so

1124

00:44:48,950 --> 00:44:46,319

seeing something like this just

1125

00:44:50,630 --> 00:44:48,960

fly over your house in the middle of the

1126

00:44:53,910 --> 00:44:50,640

night

1127

00:44:57,270 --> 00:44:53,920

it just kind of gets you going and

1128

00:44:59,109 --> 00:44:57,280

uh i freaked out for a little bit and

1129

00:45:01,109 --> 00:44:59,119

bruce is trying to calm me down and i

1130

00:45:04,309 --> 00:45:01,119

finally get my sense together and

1131

00:45:07,990 --> 00:45:04,319

you know it was going kind of southeast

1132

00:45:09,829 --> 00:45:08,000

south direction and um i tell bruce to

1133

00:45:11,030 --> 00:45:09,839

hop in my car because i want to see if i

1134

00:45:13,990 --> 00:45:11,040

can go

1135

00:45:16,470 --> 00:45:14,000

see this thing again as it's flying so

1136

00:45:18,470 --> 00:45:16,480

you know i know that

1137

00:45:20,870 --> 00:45:18,480

south of where we're facing is highway

1138

00:45:21,910 --> 00:45:20,880

39 which leads out into an area called

1139

00:45:24,790 --> 00:45:21,920

lithia

1140

00:45:25,750 --> 00:45:24,800

which is where my dad's family is from

1141

00:45:27,589 --> 00:45:25,760

and

1142

00:45:29,190 --> 00:45:27,599

my dad has had his own share of

1143

00:45:31,750 --> 00:45:29,200

experiences you know we don't really

1144

00:45:35,109 --> 00:45:31,760

talk about him much but uh

1145

00:45:36,790 --> 00:45:35,119

he's had his share and you know i'm not

1146

00:45:39,589 --> 00:45:36,800

saying these this craft and his

1147

00:45:42,150 --> 00:45:39,599

experiences are related at all but

1148

00:45:43,670 --> 00:45:42,160

the way that this craft was flying was

1149

00:45:47,030 --> 00:45:43,680

the direction

1150

00:45:50,950 --> 00:45:47,040

of almost exactly where i believe

1151
00:45:52,550 --> 00:45:50,960
that area is so i got on my car and we

1152
00:45:54,309 --> 00:45:52,560
tried looking for it again but we just

1153
00:45:55,990 --> 00:45:54,319
couldn't find it and we finally drove

1154
00:46:00,230 --> 00:45:56,000
for about

1155
00:46:02,069 --> 00:46:00,240
35 45 minutes onto highway 39.

1156
00:46:05,190 --> 00:46:02,079
and we didn't see nothing and we kind of

1157
00:46:08,150 --> 00:46:05,200
just turned around went back home

1158
00:46:09,109 --> 00:46:08,160
went to bed like normal nothing else

1159
00:46:12,470 --> 00:46:09,119
really happened

1160
00:46:15,870 --> 00:46:12,480
uh we told my parents

1161
00:46:17,430 --> 00:46:15,880
told my dad he was intrigued

1162
00:46:19,990 --> 00:46:17,440
[Music]

1163
00:46:21,990 --> 00:46:20,000

told my girlfriend and that's about it

1164

00:46:25,190 --> 00:46:22,000

that's all that came of it um

1165

00:46:27,349 --> 00:46:25,200

in my opinion you know there's a few air

1166

00:46:29,109 --> 00:46:27,359

force bases around here

1167

00:46:31,750 --> 00:46:29,119

is one of the biggest ones right mcdo's

1168

00:46:34,309 --> 00:46:31,760

the air force yeah um

1169

00:46:35,109 --> 00:46:34,319

mcDill's not too far it's over in tampa

1170

00:46:36,790 --> 00:46:35,119

so

1171

00:46:39,109 --> 00:46:36,800

it would make sense that this is

1172

00:46:42,150 --> 00:46:39,119

actually you know maybe just kind of

1173

00:46:45,910 --> 00:46:42,160

a secret military craft or something

1174

00:46:46,790 --> 00:46:45,920

but even if it is like we get a why come

1175

00:46:51,270 --> 00:46:46,800

over

1176

00:46:53,349 --> 00:46:51,280

downtown plant city florida just

1177

00:46:55,030 --> 00:46:53,359

you know where god and everybody can see

1178

00:46:57,670 --> 00:46:55,040

i mean it's not an

1179

00:46:59,030 --> 00:46:57,680

unpopulated area where we're at i don't

1180

00:47:02,470 --> 00:46:59,040

know how i

1181

00:47:05,190 --> 00:47:02,480

you know reiterate this enough but

1182

00:47:06,230 --> 00:47:05,200

it's so mind-boggling that a military

1183

00:47:08,870 --> 00:47:06,240

craft

1184

00:47:10,069 --> 00:47:08,880

that if this was one this secret would

1185

00:47:13,829 --> 00:47:10,079

just

1186

00:47:16,870 --> 00:47:13,839

slowly quietly make its way

1187

00:47:19,510 --> 00:47:16,880

over some houses for fun yeah

1188

00:47:21,030 --> 00:47:19,520

bruce you want to add anything um i

1189

00:47:33,430 --> 00:47:21,040

don't have much to add no

1190

00:47:36,630 --> 00:47:35,349

somewhere in the skies is produced by

1191

00:47:38,470 --> 00:47:36,640

third kind productions
