

1  
00:00:04,070 --> 00:00:02,550  
west of euclid early yesterday mrs fayne

2  
00:00:06,470 --> 00:00:04,080  
knowles and her three sons

3  
00:00:08,150 --> 00:00:06,480  
patrick shawn and wayne say their car

4  
00:00:09,830 --> 00:00:08,160  
was chased to the night by a giant

5  
00:00:11,910 --> 00:00:09,840  
glowing egg-shaped object

6  
00:00:12,950 --> 00:00:11,920  
the car was picked up they say shaken

7  
00:00:15,030 --> 00:00:12,960  
and dropped so hard

8  
00:00:16,230 --> 00:00:15,040  
it blew a tire they say the car was

9  
00:00:17,990 --> 00:00:16,240  
showered with dark ash

10  
00:00:20,230 --> 00:00:18,000  
and police have confirmed that ash from

11  
00:00:21,750 --> 00:00:20,240  
somewhere was found on and in the car

12  
00:00:23,830 --> 00:00:21,760  
a truck driver has corroborated the

13  
00:00:25,910 --> 00:00:23,840

story and two fishing boats in the gulf

14

00:00:27,029 --> 00:00:25,920

have also reported ufo sightings about

15

00:00:28,870 --> 00:00:27,039

half an hour later

16

00:00:31,109 --> 00:00:28,880

i have the knolls family and our sister

17

00:00:32,150 --> 00:00:31,119

station sas7 in adelaide for this

18

00:00:35,590 --> 00:00:32,160

exclusive interview

19

00:00:37,830 --> 00:00:35,600

mr knowles how are you okay thank you

20

00:00:39,270 --> 00:00:37,840

if i said to you and one of your sons if

21

00:00:41,670 --> 00:00:39,280

say patrick had come home

22

00:00:43,110 --> 00:00:41,680

late tonight and said to you mum i'm

23

00:00:45,029 --> 00:00:43,120

late because i was crossing the

24

00:00:46,549 --> 00:00:45,039

nullarbor and a big giant thing picked

25

00:00:47,430 --> 00:00:46,559

up my car and shook it and dropped it

26

00:00:48,709 --> 00:00:47,440

again

27

00:00:50,549 --> 00:00:48,719

what would your reaction be if you

28

00:00:51,990 --> 00:00:50,559

hadn't been there i would say he was

29

00:00:53,990 --> 00:00:52,000

crazy

30

00:00:56,709 --> 00:00:54,000

had you believed in ufos before this

31

00:00:59,750 --> 00:00:58,389

were you at all tempted not to tell the

32

00:01:01,430 --> 00:00:59,760

police because people may take

33

00:01:03,349 --> 00:01:01,440

mickey out of you we weren't going to go

34

00:01:05,189 --> 00:01:03,359

but we made up our mind to go you know

35

00:01:06,789 --> 00:01:05,199

because it might happen to someone else

36

00:01:08,550 --> 00:01:06,799

well let's go back to stage one what

37

00:01:09,429 --> 00:01:08,560

time in the morning was it when you when

38

00:01:11,270 --> 00:01:09,439

it first happened

39

00:01:12,950 --> 00:01:11,280

about five o'clock in the morning and

40

00:01:15,990 --> 00:01:12,960

you're driving which way

41

00:01:18,550 --> 00:01:16,000

uh towards victoria

42

00:01:19,910 --> 00:01:18,560

and did it suddenly come behind you in

43

00:01:21,350 --> 00:01:19,920

front of you or just hover over it was

44

00:01:23,190 --> 00:01:21,360

on the middle of the road it was

45

00:01:25,749 --> 00:01:23,200

you know just in the middle of the road

46

00:01:29,590 --> 00:01:25,759

up in front of you yeah in front of us

47

00:01:31,109 --> 00:01:29,600

how big uh well it looked like

48

00:01:33,270 --> 00:01:31,119

looked like truck bots to us you know i

49

00:01:34,950 --> 00:01:33,280

didn't take much nose uh sean said to me

50

00:01:37,030 --> 00:01:34,960

oh that's something unusual now i said

51  
00:01:39,350 --> 00:01:37,040  
i've come off and you got to be joking

52  
00:01:40,550 --> 00:01:39,360  
was it still dark it was pretty dark

53  
00:01:41,749 --> 00:01:40,560  
then yeah

54  
00:01:42,870 --> 00:01:41,759  
and you thought it was patrick you

55  
00:01:43,670 --> 00:01:42,880  
thought they were just headlights sort

56  
00:01:44,950 --> 00:01:43,680  
of coming towards you

57  
00:01:46,950 --> 00:01:44,960  
you know you see something like that you

58  
00:01:48,310 --> 00:01:46,960  
wouldn't take much knowledge just think

59  
00:01:50,230 --> 00:01:48,320  
it's a truck or a car

60  
00:01:52,789 --> 00:01:50,240  
were you all awake at the time yes we

61  
00:01:55,350 --> 00:01:52,799  
were did it make a noise

62  
00:01:56,230 --> 00:01:55,360  
that was terrible it was terrifying what

63  
00:01:59,109 --> 00:01:56,240

was the noise like

64

00:01:59,670 --> 00:01:59,119

it was like a humming sound and so when

65

00:02:06,149 --> 00:01:59,680

it got

66

00:02:11,910 --> 00:02:09,430

i was driving you were driving sean

67

00:02:13,190 --> 00:02:11,920

and did you drive straight at it did it

68

00:02:16,470 --> 00:02:13,200

leap over you or what

69

00:02:19,670 --> 00:02:16,480

oh no i had to put my foot down because

70

00:02:21,750 --> 00:02:19,680

it was chasing us

71

00:02:22,949 --> 00:02:21,760

do you get behind you somehow then what

72

00:02:29,510 --> 00:02:22,959

it was

73

00:02:30,630 --> 00:02:29,520

jumped on the roof like you explained

74

00:02:33,990 --> 00:02:30,640

this

75

00:02:37,190 --> 00:02:34,000

like it was a fair distance back

76

00:02:38,710 --> 00:02:37,200

and the next second it was on the roof

77

00:02:41,270 --> 00:02:38,720

did you hear a clunking noise we got on

78

00:02:43,830 --> 00:02:41,280

the roof yes we did

79

00:02:44,550 --> 00:02:43,840

and then wayne after that how long doors

80

00:02:46,309 --> 00:02:44,560

go for it

81

00:02:48,150 --> 00:02:46,319

when did it lift the car off the ground

82

00:02:48,869 --> 00:02:48,160

start shaking and start lifting the

83

00:02:51,990 --> 00:02:48,879

ground up

84

00:02:53,670 --> 00:02:52,000

now they caught me start lifting it

85

00:02:56,070 --> 00:02:53,680

what were you saying to each other we

86

00:02:58,309 --> 00:02:56,080

died we thought we were dying

87

00:02:59,430 --> 00:02:58,319

you know we didn't know what to do did

88

00:03:02,390 --> 00:02:59,440

you shout you cry

89

00:03:03,110 --> 00:03:02,400

i was screaming i was hysterical what

90

00:03:06,630 --> 00:03:03,120

talking like i

91

00:03:09,910 --> 00:03:06,640

am uh explain this

92

00:03:11,190 --> 00:03:09,920

if you're doing 200 kilometers you blow

93

00:03:16,149 --> 00:03:11,200

out a back tire

94

00:03:19,509 --> 00:03:16,159

would you would you roll a car or what

95

00:03:21,589 --> 00:03:19,519

yeah instead does that explain it

96

00:03:23,030 --> 00:03:21,599

how long were you there how long you

97

00:03:23,750 --> 00:03:23,040

suspended how far off the ground do you

98

00:03:25,670 --> 00:03:23,760

think you were

99

00:03:27,190 --> 00:03:25,680

we don't know because we were stunned

100

00:03:29,190 --> 00:03:27,200

you know we were in the state of shock

101  
00:03:30,390 --> 00:03:29,200  
because we don't know what was going on

102  
00:03:31,990 --> 00:03:30,400  
all of a sudden these things on our roof

103  
00:03:33,589 --> 00:03:32,000  
and pulling the car up we don't know

104  
00:03:35,830 --> 00:03:33,599  
what's going on so then it dropped you

105  
00:03:37,430 --> 00:03:35,840  
and you blew a tire yeah what happened

106  
00:03:39,190 --> 00:03:37,440  
next did you get out of the car

107  
00:03:41,430 --> 00:03:39,200  
oh i went in a window and i said and i

108  
00:03:42,710 --> 00:03:41,440  
found this thing on the roof you know

109  
00:03:44,630 --> 00:03:42,720  
and i said dude there's something on top

110  
00:03:46,390 --> 00:03:44,640  
of our roof i said it's land on the roof

111  
00:03:47,509 --> 00:03:46,400  
or something you know

112  
00:03:49,350 --> 00:03:47,519  
and i didn't know what to do and i was

113  
00:03:50,309 --> 00:03:49,360

screaming as soon as i said that a

114

00:03:52,550 --> 00:03:50,319

little this um

115

00:03:53,910 --> 00:03:52,560

smoke stuff come into the car the car

116

00:03:55,750 --> 00:03:53,920

was covered in all

117

00:03:58,630 --> 00:03:55,760

this black stuff wasn't it well a grit

118

00:04:00,470 --> 00:03:58,640

or sort of it was like a soot

119

00:04:02,309 --> 00:04:00,480

like sweet stuff just coming on top of

120

00:04:04,390 --> 00:04:02,319

this so then what did you all do

121

00:04:06,390 --> 00:04:04,400

we thought we were dying then we got out

122

00:04:07,830 --> 00:04:06,400

the car and we hid beyond the little

123

00:04:09,429 --> 00:04:07,840

tree in the bushes

124

00:04:11,030 --> 00:04:09,439

and he couldn't find us then we jumped

125

00:04:12,390 --> 00:04:11,040

it was still there they were still there

126

00:04:14,309 --> 00:04:12,400

waiting for it looking for us

127

00:04:15,509 --> 00:04:14,319

was it on the road or moving around we

128

00:04:16,310 --> 00:04:15,519

don't know it was up the road a bit

129

00:04:19,349 --> 00:04:16,320

further

130

00:04:20,789 --> 00:04:19,359

from us i'm sorry that's right and so

131

00:04:22,150 --> 00:04:20,799

up the road a bit further then they'll

132

00:04:24,070 --> 00:04:22,160

come back looking for you yeah and then

133

00:04:25,749 --> 00:04:24,080

we took off in the bushes

134

00:04:27,590 --> 00:04:25,759

how long did you stay in the bushes oh

135

00:04:29,030 --> 00:04:27,600

about 15 minutes

136

00:04:30,629 --> 00:04:29,040

then all of a sudden it took off again

137

00:04:31,510 --> 00:04:30,639

and we when we hopped in the car to take

138

00:04:33,350 --> 00:04:31,520

off again

139

00:04:34,550 --> 00:04:33,360

come after us again wouldn't leave us

140

00:04:37,830 --> 00:04:34,560

alone

141

00:04:39,189 --> 00:04:37,840

well did you who changed the tyre sean

142

00:04:39,830 --> 00:04:39,199

chang took him two minutes to change

143

00:04:41,749 --> 00:04:39,840

satori

144

00:04:42,950 --> 00:04:41,759

i bet it did we left a jack and

145

00:04:44,390 --> 00:04:42,960

everything we just left everything up

146

00:04:46,710 --> 00:04:44,400

there we just took off

147

00:04:48,469 --> 00:04:46,720

and at that stage did you think you'd

148

00:04:49,830 --> 00:04:48,479

you evolved with a with a flying saucer

149

00:04:51,189 --> 00:04:49,840

yes we really did

150

00:04:53,590 --> 00:04:51,199

we said we're dead you know we thought

151

00:04:56,230 --> 00:04:53,600

we were really dying

152

00:04:57,830 --> 00:04:56,240

the question this morning that possibly

153

00:04:58,230 --> 00:04:57,840

the argument against whether it was ufo

154

00:05:00,150 --> 00:04:58,240

or not

155

00:05:01,270 --> 00:05:00,160

that possibly it was a freak it was a

156

00:05:02,790 --> 00:05:01,280

what they call ball

157

00:05:04,469 --> 00:05:02,800

lightning do you believe no that's not

158

00:05:06,950 --> 00:05:04,479

true no way no way

159

00:05:08,629 --> 00:05:06,960

if it's happening for about an hour and

160

00:05:11,830 --> 00:05:08,639

a half

161

00:05:13,029 --> 00:05:11,840

i doubt if that's a ball all this well

162

00:05:14,950 --> 00:05:13,039

for about an hour and a half

163

00:05:16,550 --> 00:05:14,960

yeah it went on for about an hour and a

164

00:05:18,390 --> 00:05:16,560

half wouldn't leave us alone

165

00:05:20,230 --> 00:05:18,400

did any other cars or trucks pass you at

166

00:05:20,870 --> 00:05:20,240

least they did there was a couple of

167

00:05:23,029 --> 00:05:20,880

trucks

168

00:05:24,230 --> 00:05:23,039

we tried to pull one up but the lady

169

00:05:25,909 --> 00:05:24,240

wouldn't pull up for us because she's

170

00:05:27,430 --> 00:05:25,919

lady trucky she told us when we got up

171

00:05:28,390 --> 00:05:27,440

the road that she didn't know it was us

172

00:05:30,870 --> 00:05:28,400

we were in trouble

173

00:05:32,469 --> 00:05:30,880

did she see something yes i did yeah

174

00:05:34,070 --> 00:05:32,479

they came around last night to have an

175

00:05:37,430 --> 00:05:34,080

interview with what's his name

176

00:05:39,110 --> 00:05:37,440

um fred i forget his second name yeah

177

00:05:41,110 --> 00:05:39,120

but they're the ones that reported to

178

00:05:43,110 --> 00:05:41,120

the police there was no witness

179

00:05:45,189 --> 00:05:43,120

that said they seen something on our car

180

00:05:46,950 --> 00:05:45,199

but they won't give their name

181

00:05:48,550 --> 00:05:46,960

went to the police did it when you were

182

00:05:49,749 --> 00:05:48,560

trying to put it back together again

183

00:05:52,070 --> 00:05:49,759

today and pitching together what it

184

00:05:53,510 --> 00:05:52,080

might have been did you cross your minds

185

00:05:58,950 --> 00:05:53,520

maybe it was some

186

00:06:02,390 --> 00:06:00,469

why do you think that they'd single out

187

00:06:03,510 --> 00:06:02,400

your car we don't know it's chasing

188

00:06:06,150 --> 00:06:03,520

other cars and all of a sudden

189

00:06:08,790 --> 00:06:06,160

come after us we don't really know

190

00:06:10,790 --> 00:06:08,800

because there was four of us in the car

191

00:06:12,230 --> 00:06:10,800

so none of you got physically hurt don't

192

00:06:12,790 --> 00:06:12,240

you nobody tried to you didn't see any

193

00:06:14,230 --> 00:06:12,800

any um

194

00:06:16,790 --> 00:06:14,240

little green men or any men from outer

195

00:06:19,029 --> 00:06:16,800

space no way

196

00:06:20,950 --> 00:06:19,039

before all of this happened uh have any

197

00:06:23,590 --> 00:06:20,960

any of you any of the four of you

198

00:06:25,270 --> 00:06:23,600

believed in flying swords no way well

199

00:06:25,830 --> 00:06:25,280

yeah i thought it was all that crap you

200

00:06:30,629 --> 00:06:25,840

know

201  
00:06:32,790 --> 00:06:30,639  
the way it happened it actually seemed

202  
00:06:34,710 --> 00:06:32,800  
like was a movie one of the policemen

203  
00:06:36,230 --> 00:06:34,720  
has already said that uh

204  
00:06:37,830 --> 00:06:36,240  
that when you finally talked to them

205  
00:06:39,270 --> 00:06:37,840  
that your mother was uh was really

206  
00:06:40,469 --> 00:06:39,280  
shocked you really looked like you'd

207  
00:06:42,469 --> 00:06:40,479  
seen something horrible out there in the

208  
00:06:44,870 --> 00:06:42,479  
desert we did we were like ghosts

209  
00:06:46,150 --> 00:06:44,880  
we were just like white ghosts did you

210  
00:06:49,510 --> 00:06:46,160  
manage to

211  
00:06:51,189 --> 00:06:49,520  
sleep last night no i couldn't sleep

212  
00:06:53,029 --> 00:06:51,199  
i i'm too scared to turn the light off

213  
00:06:54,309 --> 00:06:53,039

now and when we're driving along the car

214

00:06:54,950 --> 00:06:54,319

i'm frightened that it's behind us all

215

00:06:57,189 --> 00:06:54,960

the time

216

00:06:59,029 --> 00:06:57,199

there's chasteness are you likely to

217

00:07:00,550 --> 00:06:59,039

drive home again

218

00:07:02,150 --> 00:07:00,560

no i don't think so not enough that way

219

00:07:05,510 --> 00:07:02,160

i know right we're getting trained home

220

00:07:07,430 --> 00:07:05,520

to perth taking a train back now the ash

221

00:07:08,790 --> 00:07:07,440

that was on the car and in the car

222

00:07:10,550 --> 00:07:08,800

was the ash still there when you got the

223

00:07:11,990 --> 00:07:10,560

police station yes we left everything

224

00:07:13,110 --> 00:07:12,000

does it not to clean it don't do nothing

225

00:07:14,710 --> 00:07:13,120

with the car

226

00:07:17,270 --> 00:07:14,720

we're getting all checked there for us

227

00:07:18,870 --> 00:07:17,280

is that ash being um being analyzed yeah

228

00:07:21,189 --> 00:07:18,880

everything is everything's going to be

229

00:07:23,270 --> 00:07:21,199

you should set it higher

230

00:07:25,029 --> 00:07:23,280

do you now believe that there is life in

231

00:07:26,469 --> 00:07:25,039

outer space no actually i

232

00:07:29,110 --> 00:07:26,479

i'm not saying believe it all don't you

233

00:07:30,710 --> 00:07:29,120

know but what i'm saying is uh

234

00:07:33,670 --> 00:07:30,720

there is something out there which you

235

00:07:34,790 --> 00:07:33,680

can't explain which i don't know

236

00:07:37,189 --> 00:07:34,800

there's definitely something out there

237

00:07:38,950 --> 00:07:37,199

it's got something's got to be done

238

00:07:42,629 --> 00:07:38,960

someone else is going to get really hurt

239

00:07:44,710 --> 00:07:42,639

what could be done we don't really know

240

00:07:45,830 --> 00:07:44,720

and just one final question about the

241

00:07:47,350 --> 00:07:45,840

the look of it

242

00:07:48,950 --> 00:07:47,360

do you all agree on the description of

243

00:07:51,589 --> 00:07:48,960

it or you have different ideas no

244

00:07:53,029 --> 00:07:51,599

we definitely agree on the library so

245

00:07:54,550 --> 00:07:53,039

what like do you think it was

246

00:07:56,790 --> 00:07:54,560

um it was uh all of a sudden it was a

247

00:07:57,990 --> 00:07:56,800

small line and all of a sudden it comes

248

00:08:00,469 --> 00:07:58,000

so big like it's like a big

249

00:08:02,469 --> 00:08:00,479

ball could you see anything in the

250

00:08:05,270 --> 00:08:02,479

middle of anything metallic

251  
00:08:06,869 --> 00:08:05,280  
um we don't really know you know in a

252  
00:08:08,390 --> 00:08:06,879  
state of shock

253  
00:08:09,990 --> 00:08:08,400  
i didn't really take notice patrick is

254  
00:08:13,589 --> 00:08:10,000  
that the sort of thing you you saw

255  
00:08:17,749 --> 00:08:15,670  
looked like a truck headlight and on top

256  
00:08:20,230 --> 00:08:17,759  
it looked like it had a light uh

257  
00:08:21,110 --> 00:08:20,240  
high beam like a light high beam and

258  
00:08:24,550 --> 00:08:21,120  
like a flash

259  
00:08:27,430 --> 00:08:24,560  
it was kept on flashing okay

260  
00:08:35,029 --> 00:08:27,440  
it's terrible and uh sean how do you

261  
00:08:38,469 --> 00:08:36,949  
you'd rather not remember no that's

262  
00:08:39,589 --> 00:08:38,479  
right yeah

263  
00:08:42,949 --> 00:08:39,599

all right we'll leave at that i thank

264

00:08:45,030 --> 00:08:42,959

you for your time that's okay bye-bye

265

00:08:46,230 --> 00:08:45,040

that's the knolls family and as with all

266

00:08:48,389 --> 00:08:46,240

the ufo stories

267

00:08:49,509 --> 00:08:48,399

believers will believe and non-believers

268

00:08:50,949 --> 00:08:49,519

will scoff perhaps

269

00:08:53,190 --> 00:08:50,959

i've said before it's always intrigued

270

00:08:55,190 --> 00:08:53,200

me when people claim to be taken away by

271

00:08:56,230 --> 00:08:55,200

little green men and flying saucers that

272

00:08:58,230 --> 00:08:56,240

they always go for

273

00:08:59,590 --> 00:08:58,240

corn farmers from iowa and never for a
