

SOMEWHERE IN THE SKIES

THE O'HARE UFO TAPES

FEATURING STEVEN GREENSTREET

1
00:00:03,110 --> 00:00:01,750
there's this story you may have already

2
00:00:04,390 --> 00:00:03,120
heard about the united airlines

3
00:00:06,070 --> 00:00:04,400
employees who swear it was something

4
00:00:08,470 --> 00:00:06,080
other worldly in the skies above

5
00:00:09,990 --> 00:00:08,480
chicago's o'hare airport on november 7.

6
00:00:11,430 --> 00:00:10,000
several airport workers

7
00:00:13,830 --> 00:00:11,440
some of whom have talked to the chicago

8
00:00:14,709 --> 00:00:13,840
tribune who say they saw a saucer shaped

9
00:00:19,830 --> 00:00:14,719
ufo

10
00:00:21,349 --> 00:00:19,840
over a terminal without lights before

11
00:00:33,190 --> 00:00:21,359
shooting straight up

12
00:00:40,800 --> 00:00:36,990
this is somewhere in the skies with ryan

13
00:00:41,250 --> 00:00:40,810

[Music]

14

00:00:42,830 --> 00:00:41,260

[Applause]

15

00:00:45,100 --> 00:00:42,840

[Music]

16

00:00:55,110 --> 00:00:45,110

sprague

17

00:00:59,349 --> 00:00:56,790

welcome everyone to somewhere in the

18

00:01:01,750 --> 00:00:59,359

skies and today we have a return

19

00:01:02,549 --> 00:01:01,760

guest who is joining me to talk about a

20

00:01:04,710 --> 00:01:02,559

very

21

00:01:06,789 --> 00:01:04,720

exciting development that he has

22

00:01:09,990 --> 00:01:06,799

discovered along with some other people

23

00:01:11,590 --> 00:01:10,000

about a famous ufo event where we didn't

24

00:01:13,429 --> 00:01:11,600

think we were ever going to get

25

00:01:14,630 --> 00:01:13,439

any sort of evidence on this thing it

26

00:01:18,070 --> 00:01:14,640

was so

27

00:01:20,070 --> 00:01:18,080

behold

28

00:01:22,390 --> 00:01:20,080

he did it they did it we're gonna learn

29

00:01:24,390 --> 00:01:22,400

all about it but before we do that

30

00:01:27,109 --> 00:01:24,400

we're gonna catch up on his other

31

00:01:28,230 --> 00:01:27,119

endeavor which is the basement office so

32

00:01:31,190 --> 00:01:28,240

you know what that means

33

00:01:32,710 --> 00:01:31,200

with me today is stephen green street

34

00:01:33,910 --> 00:01:32,720

steven thanks for joining me again

35

00:01:37,830 --> 00:01:33,920

brother

36

00:01:41,190 --> 00:01:37,840

awesome glad to be here yeah yeah i know

37

00:01:43,590 --> 00:01:41,200

times are weird a lot's going on um

38

00:01:45,910 --> 00:01:43,600

in the world right now but hey if we can

39

00:01:48,149 --> 00:01:45,920

sit and chat about ufos for an hour

40

00:01:50,550 --> 00:01:48,159

and just distract us from everything

41

00:01:51,990 --> 00:01:50,560

going on in the world i think uh

42

00:01:54,230 --> 00:01:52,000

we're doing ourselves and a lot of

43

00:01:55,510 --> 00:01:54,240

people a service so um i gotta thank you

44

00:01:58,709 --> 00:01:55,520

again man for coming on

45

00:02:01,350 --> 00:01:58,719

yeah of course hell yeah so let's um

46

00:02:03,030 --> 00:02:01,360

let's catch up i mean a lot has happened

47

00:02:03,910 --> 00:02:03,040

since we last spoke i think the last

48

00:02:06,149 --> 00:02:03,920

time we talked

49

00:02:08,550 --> 00:02:06,159

was right before season two dropped of

50

00:02:10,630 --> 00:02:08,560

the basement office so let's start with

51

00:02:12,630 --> 00:02:10,640

that my man how did it go

52

00:02:13,830 --> 00:02:12,640

what did you talk about and uh what was

53

00:02:15,350 --> 00:02:13,840

sort of your favorite

54

00:02:17,350 --> 00:02:15,360

thing that you covered in season two

55

00:02:19,270 --> 00:02:17,360

over at the new york post

56

00:02:20,869 --> 00:02:19,280

yeah so you know it was a given that we

57

00:02:23,910 --> 00:02:20,879

were gonna do season two

58

00:02:25,510 --> 00:02:23,920

um you know season one it just blew us

59

00:02:28,070 --> 00:02:25,520

all away at how

60

00:02:29,350 --> 00:02:28,080

much people loved it i mean me

61

00:02:32,150 --> 00:02:29,360

particularly i mean

62

00:02:33,990 --> 00:02:32,160

the pitch for the show honestly was two

63

00:02:35,350 --> 00:02:34,000

dudes sitting at a desk talking about

64

00:02:36,790 --> 00:02:35,360

ufos so i was like

65

00:02:39,270 --> 00:02:36,800

uh maybe people are gonna think this is

66

00:02:39,589 --> 00:02:39,280

boring but uh it was great so you know

67

00:02:44,550 --> 00:02:39,599

we

68

00:02:47,350 --> 00:02:44,560

with nick

69

00:02:48,229 --> 00:02:47,360

and then we had a pickup shoot in in

70

00:02:50,949 --> 00:02:48,239

march

71

00:02:52,390 --> 00:02:50,959

literally a week and a half before the

72

00:02:55,030 --> 00:02:52,400

kovid shut down

73

00:02:57,110 --> 00:02:55,040

and so we were super stoked about season

74

00:02:59,350 --> 00:02:57,120

two and then covet hit and like

75

00:03:00,149 --> 00:02:59,360

basement just took like a back seat and

76

00:03:04,149 --> 00:03:00,159

so

77

00:03:07,670 --> 00:03:04,159

until

78

00:03:09,509 --> 00:03:07,680

i think it was june so you know it was

79

00:03:11,270 --> 00:03:09,519

it was a long time coming but you know

80

00:03:12,229 --> 00:03:11,280

we finally got it out and yeah like this

81

00:03:14,070 --> 00:03:12,239

season had some

82

00:03:16,630 --> 00:03:14,080

really awesome episodes i was able to

83

00:03:19,830 --> 00:03:16,640

get more kind of like into the weeds and

84

00:03:20,949 --> 00:03:19,840

my favorite episode i think just

85

00:03:24,149 --> 00:03:20,959

intellectually or

86

00:03:27,030 --> 00:03:24,159

the one that made me think most was our

87

00:03:27,830 --> 00:03:27,040

episode on usos unidentified submerged

88

00:03:30,229 --> 00:03:27,840

objects

89

00:03:32,630 --> 00:03:30,239

water and how it ties in with

90

00:03:35,589 --> 00:03:32,640

unidentified flying objects and

91

00:03:36,630 --> 00:03:35,599

i doing that episode i was almost like

92

00:03:39,350 --> 00:03:36,640

learning

93

00:03:41,190 --> 00:03:39,360

uh it through the episode like i had no

94

00:03:42,309 --> 00:03:41,200

idea before that episode that water

95

00:03:45,589 --> 00:03:42,319

played such a

96

00:03:47,270 --> 00:03:45,599

big role with ufos and so that was like

97

00:03:50,550 --> 00:03:47,280

a revelation to me

98

00:03:52,309 --> 00:03:50,560

uh to do that episode yeah and i think

99

00:03:55,030 --> 00:03:52,319

you know a lot of the

100

00:03:55,350 --> 00:03:55,040

the stuff we're hearing currently you

101
00:03:57,030 --> 00:03:55,360
know

102
00:03:59,589 --> 00:03:57,040
whether it's from leaked reports from

103
00:04:03,110 --> 00:03:59,599
the uap task force which we will get to

104
00:04:05,990 --> 00:04:03,120
uh or or various rumors

105
00:04:07,670 --> 00:04:06,000
that have been going around is uh yeah a

106
00:04:08,630 --> 00:04:07,680
lot of this has to do with water and we

107
00:04:10,550 --> 00:04:08,640
can only

108
00:04:12,789 --> 00:04:10,560
venture a guess as to why i mean there

109
00:04:15,589 --> 00:04:12,799
have been books written in the past

110
00:04:16,550 --> 00:04:15,599
all about usos but they just never seem

111
00:04:18,229 --> 00:04:16,560
to hit

112
00:04:20,069 --> 00:04:18,239
the mainstream or even a lot of

113
00:04:21,590 --> 00:04:20,079

researchers uh

114

00:04:23,350 --> 00:04:21,600

and yeah i think it's absolutely

115

00:04:26,629 --> 00:04:23,360

compelling i think a lot of the evidence

116

00:04:27,990 --> 00:04:26,639

is leading that way so i i i love that

117

00:04:29,830 --> 00:04:28,000

episode that you guys did

118

00:04:31,510 --> 00:04:29,840

and i was with you man it was like

119

00:04:32,070 --> 00:04:31,520

blowing my mind the more nick talked

120

00:04:34,469 --> 00:04:32,080

about it

121

00:04:36,310 --> 00:04:34,479

the more i started digging into it and

122

00:04:39,430 --> 00:04:36,320

um i can't wait to see where

123

00:04:40,390 --> 00:04:39,440

a lot of that goes next um but i guess

124

00:04:43,189 --> 00:04:40,400

kind of

125

00:04:44,230 --> 00:04:43,199

catching up on other recent news before

126

00:04:46,710 --> 00:04:44,240

we get to our

127

00:04:48,629 --> 00:04:46,720

the meat of the conversation the o'hare

128

00:04:51,590 --> 00:04:48,639

incident of 2006.

129

00:04:52,870 --> 00:04:51,600

uh you just released an article over at

130

00:04:54,629 --> 00:04:52,880

the new york post

131

00:04:56,710 --> 00:04:54,639

uh we just released one over at the

132

00:04:59,909 --> 00:04:56,720

debrief tim mcmillan and myself

133

00:05:02,310 --> 00:04:59,919

uh about the authorization authorization

134

00:05:04,469 --> 00:05:02,320

act the intelligence very operating

135

00:05:05,670 --> 00:05:04,479

with the uh you know the uap task force

136

00:05:07,670 --> 00:05:05,680

finding request

137

00:05:08,710 --> 00:05:07,680

long convoluted story we won't go into

138

00:05:11,830 --> 00:05:08,720

it now but

139

00:05:13,350 --> 00:05:11,840

yeah it happened it's passed so

140

00:05:15,029 --> 00:05:13,360

what do you think man do you think

141

00:05:17,830 --> 00:05:15,039

anything's gonna come of this

142

00:05:19,189 --> 00:05:17,840

um they have 180 days to provide

143

00:05:21,830 --> 00:05:19,199

findings to the public

144

00:05:24,469 --> 00:05:21,840

if they so choose what do you make of

145

00:05:27,029 --> 00:05:24,479

this entire thing well first and

146

00:05:30,469 --> 00:05:27,039

foremost i think about the genesis of it

147

00:05:33,029 --> 00:05:30,479

why this even exists to begin with

148

00:05:33,909 --> 00:05:33,039

and you know marco rubio you know

149

00:05:36,710 --> 00:05:33,919

championed

150

00:05:38,070 --> 00:05:36,720

this uh you know on the senate

151
00:05:40,870 --> 00:05:38,080
intelligence committee

152
00:05:42,390 --> 00:05:40,880
but what really happened the public

153
00:05:45,909 --> 00:05:42,400
started demanding this

154
00:05:46,310 --> 00:05:45,919
uh this wouldn't exist if if if ufos

155
00:05:50,310 --> 00:05:46,320
weren't

156
00:05:53,270 --> 00:05:50,320
calling congressional offices

157
00:05:54,390 --> 00:05:53,280
if media and journalists weren't making

158
00:05:58,790 --> 00:05:54,400
phone calls

159
00:06:01,270 --> 00:05:58,800
so you know pre-2000 december 2017

160
00:06:02,390 --> 00:06:01,280
this doesn't exist this exists because

161
00:06:05,510 --> 00:06:02,400
of pressure

162
00:06:08,390 --> 00:06:05,520
uh because on those um leaders

163
00:06:09,510 --> 00:06:08,400

and and those people who you know

164

00:06:11,270 --> 00:06:09,520

represent others

165

00:06:13,029 --> 00:06:11,280

and they want to say don't worry we're

166

00:06:14,710 --> 00:06:13,039

we're taking care of it we're on top of

167

00:06:16,950 --> 00:06:14,720

it we're going to do something

168

00:06:19,029 --> 00:06:16,960

and so on just on that like basic

169

00:06:19,990 --> 00:06:19,039

political level how politics works i

170

00:06:23,029 --> 00:06:20,000

mean that's

171

00:06:23,590 --> 00:06:23,039

essentially why this exists um which is

172

00:06:25,830 --> 00:06:23,600

awesome

173

00:06:27,350 --> 00:06:25,840

that the public is you know demanding

174

00:06:29,189 --> 00:06:27,360

this now

175

00:06:30,550 --> 00:06:29,199

on the other side of the spectrum what

176

00:06:34,230 --> 00:06:30,560

do we get

177

00:06:35,990 --> 00:06:34,240

out of it um i mean come on man

178

00:06:37,830 --> 00:06:36,000

we're not getting we're not going to get

179

00:06:39,510 --> 00:06:37,840

the cat's meow on this one we're not

180

00:06:42,230 --> 00:06:39,520

we're not going to get the whole

181

00:06:42,790 --> 00:06:42,240

shebang um but it's something it's a

182

00:06:45,990 --> 00:06:42,800

it's a

183

00:06:49,670 --> 00:06:46,000

forcing

184

00:06:51,830 --> 00:06:49,680

a hand and that's like a good thing

185

00:06:52,870 --> 00:06:51,840

um the fact that they have to they have

186

00:06:55,830 --> 00:06:52,880

to

187

00:06:58,469 --> 00:06:55,840

release something it's a mandate from

188

00:07:00,710 --> 00:06:58,479

the people that's rad

189

00:07:01,670 --> 00:07:00,720

you know that's awesome you're so right

190

00:07:05,350 --> 00:07:01,680

man i think

191

00:07:08,469 --> 00:07:05,360

the the pressure that the public has put

192

00:07:12,230 --> 00:07:08,479

on the pentagon dod uh even the uap

193

00:07:13,909 --> 00:07:12,240

task force is amazing i mean a lot of us

194

00:07:15,270 --> 00:07:13,919

in the world right now feel kind of out

195

00:07:16,870 --> 00:07:15,280

of control you know

196

00:07:18,870 --> 00:07:16,880

we're not even in control of our own

197

00:07:21,589 --> 00:07:18,880

lives there's restrictions

198

00:07:22,309 --> 00:07:21,599

in every country um going on right now

199

00:07:24,710 --> 00:07:22,319

because of

200

00:07:26,230 --> 00:07:24,720

the pandemic and and the government and

201
00:07:29,749 --> 00:07:26,240
this and that blah blah blah

202
00:07:31,909 --> 00:07:29,759
but this topic ufos uh

203
00:07:33,029 --> 00:07:31,919
is one thing that it feels like we're

204
00:07:35,510 --> 00:07:33,039
making headway

205
00:07:36,550 --> 00:07:35,520
and we're actually putting pressure on

206
00:07:39,749 --> 00:07:36,560
them to do this

207
00:07:40,629 --> 00:07:39,759
so look if the uap task force thought

208
00:07:42,950 --> 00:07:40,639
that um

209
00:07:44,390 --> 00:07:42,960
they were gonna get away with not

210
00:07:46,150 --> 00:07:44,400
telling us anything

211
00:07:48,550 --> 00:07:46,160
look lo and behold look look what

212
00:07:50,469 --> 00:07:48,560
happens i mean we get two leaked reports

213
00:07:53,270 --> 00:07:50,479

from what they're looking into

214

00:07:54,150 --> 00:07:53,280

uh to the public so i think that's a

215

00:07:56,309 --> 00:07:54,160

strong message

216

00:07:57,189 --> 00:07:56,319

message that we're not gonna just sit

217

00:08:01,029 --> 00:07:57,199

around

218

00:08:03,189 --> 00:08:01,039

and wait these 180 days we're gonna keep

219

00:08:05,110 --> 00:08:03,199

moving forward we're gonna keep asking

220

00:08:06,150 --> 00:08:05,120

questions and you're right man this is

221

00:08:09,270 --> 00:08:06,160

this is awesome

222

00:08:11,430 --> 00:08:09,280

citizen journalism at its best uh let me

223

00:08:12,390 --> 00:08:11,440

just add that i i honestly just don't

224

00:08:15,909 --> 00:08:12,400

think that

225

00:08:19,990 --> 00:08:15,919

um we're we're not going to get anything

226

00:08:23,189 --> 00:08:20,000

that is anything but we're in charge

227

00:08:24,230 --> 00:08:23,199

we are making progress we are looking

228

00:08:27,350 --> 00:08:24,240

into it

229

00:08:28,230 --> 00:08:27,360

we are curious just like you you're not

230

00:08:30,869 --> 00:08:28,240

going to get

231

00:08:32,630 --> 00:08:30,879

we don't know and it's where it's

232

00:08:34,949 --> 00:08:32,640

totally out of our control i mean

233

00:08:36,389 --> 00:08:34,959

the the biggest military the biggest

234

00:08:38,469 --> 00:08:36,399

most powerful country

235

00:08:39,990 --> 00:08:38,479

on planet earth isn't going to admit

236

00:08:42,949 --> 00:08:40,000

that something is zipping over

237

00:08:44,949 --> 00:08:42,959

their military you know airspace and

238

00:08:47,269 --> 00:08:44,959

they have no control over it

239

00:08:48,790 --> 00:08:47,279

i mean that's that that's a um they're

240

00:08:51,190 --> 00:08:48,800

just not going to admit

241

00:08:52,470 --> 00:08:51,200

that there's there is going to be an

242

00:08:55,110 --> 00:08:52,480

error of like

243

00:08:55,509 --> 00:08:55,120

we got this you know yeah they're not

244

00:08:58,710 --> 00:08:55,519

gonna

245

00:09:02,310 --> 00:08:58,720

the hills

246

00:09:03,829 --> 00:09:02,320

investigation exactly i'm totally with

247

00:09:05,910 --> 00:09:03,839

you on that yeah i mean

248

00:09:06,949 --> 00:09:05,920

i would be scared if our military our

249

00:09:08,710 --> 00:09:06,959

government said uh

250

00:09:10,550 --> 00:09:08,720

yeah we have no control over the

251

00:09:13,269 --> 00:09:10,560

situation even though

252

00:09:14,949 --> 00:09:13,279

they might not and that's one of the

253

00:09:18,230 --> 00:09:14,959

things that's scarier to me

254

00:09:19,030 --> 00:09:18,240

is is is it scarier that the government

255

00:09:21,430 --> 00:09:19,040

knows

256

00:09:22,470 --> 00:09:21,440

everything but isn't telling us or is it

257

00:09:25,590 --> 00:09:22,480

scarier that

258

00:09:29,430 --> 00:09:25,600

the our country knows about it

259

00:09:30,870 --> 00:09:29,440

but has no idea like in my opinion

260

00:09:32,949 --> 00:09:30,880

the people above us and who are supposed

261

00:09:34,070 --> 00:09:32,959

to protect us if they have no idea

262

00:09:36,870 --> 00:09:34,080

that's almost

263

00:09:39,350 --> 00:09:36,880

scarier yep i'm going with the latter as

264

00:09:43,350 --> 00:09:39,360

being scarier absolutely my man well

265

00:09:46,550 --> 00:09:43,360

let's talk about the case that really

266

00:09:47,350 --> 00:09:46,560

drew our attention back in 2006 and that

267

00:09:51,430 --> 00:09:47,360

is the

268

00:09:54,389 --> 00:09:51,440

chicago o'hare 2006. airport incident

269

00:09:55,750 --> 00:09:54,399

uh now you know we we talked about this

270

00:09:58,949 --> 00:09:55,760

in the past um

271

00:09:59,750 --> 00:09:58,959

even a report was given to uh to the

272

00:10:02,389 --> 00:09:59,760

national

273

00:10:04,550 --> 00:10:02,399

ufo reporting center to peter davenport

274

00:10:06,389 --> 00:10:04,560

which i believe was uh

275

00:10:08,470 --> 00:10:06,399

the first report to come out about this

276

00:10:10,310 --> 00:10:08,480

event so we do have a lot of people in

277

00:10:13,030 --> 00:10:10,320

the past to thank for that

278

00:10:14,389 --> 00:10:13,040

but there's new stuff coming out and you

279

00:10:15,269 --> 00:10:14,399

were one of the people to bring that

280

00:10:18,710 --> 00:10:15,279

forward

281

00:10:21,990 --> 00:10:18,720

so um i gotta ask you how did this come

282

00:10:22,550 --> 00:10:22,000

to be what did you find who did you work

283

00:10:25,190 --> 00:10:22,560

with

284

00:10:26,389 --> 00:10:25,200

to make this happen and uh yeah give us

285

00:10:29,350 --> 00:10:26,399

the rundown about

286

00:10:30,150 --> 00:10:29,360

how you got what you got man sure so you

287

00:10:34,069 --> 00:10:30,160

know

288

00:10:36,230 --> 00:10:34,079

the prologue to this story is when

289

00:10:37,829 --> 00:10:36,240

uh they asked me to pitch and produce

290

00:10:39,670 --> 00:10:37,839

the basement office season one

291

00:10:42,069 --> 00:10:39,680

the first thing i did was read leslie

292

00:10:44,150 --> 00:10:42,079

keane's book ufos from 2010

293

00:10:45,590 --> 00:10:44,160

and in there is you know the chicago

294

00:10:48,069 --> 00:10:45,600

case is featured

295

00:10:49,670 --> 00:10:48,079

and discussed in the details of the case

296

00:10:51,509 --> 00:10:49,680

my jaw dropped because

297

00:10:52,790 --> 00:10:51,519

i'd i'd never heard of this case it was

298

00:10:55,590 --> 00:10:52,800

fairly recently

299

00:10:57,590 --> 00:10:55,600

and it involved a saucer i mean when you

300

00:10:59,910 --> 00:10:57,600

think of a flying saucer you usually

301
00:11:01,670 --> 00:10:59,920
think of the 40s or 50s you know like

302
00:11:04,310 --> 00:11:01,680
you don't really hear about

303
00:11:05,190 --> 00:11:04,320
big you know crazy flying saucer cases

304
00:11:08,470 --> 00:11:05,200
nowadays

305
00:11:11,030 --> 00:11:08,480
and is it so that was the prologue now

306
00:11:13,030 --> 00:11:11,040
i did an episode on saucers and featured

307
00:11:15,829 --> 00:11:13,040
the chicago case

308
00:11:18,230 --> 00:11:15,839
and in producing that episode i went

309
00:11:20,069 --> 00:11:18,240
crazy looking for the audio because

310
00:11:22,870 --> 00:11:20,079
we know the audio had been released via

311
00:11:25,990 --> 00:11:22,880
foia we know there was a transcript of

312
00:11:28,949 --> 00:11:26,000
of the audio in the narcap report

313
00:11:31,190 --> 00:11:28,959

and i was like well surely this uh and i

314

00:11:31,829 --> 00:11:31,200

think the history channel had played a

315

00:11:34,389 --> 00:11:31,839

snippet

316

00:11:36,069 --> 00:11:34,399

of uh of the audio and i was like well

317

00:11:37,910 --> 00:11:36,079

surely this is it everywhere

318

00:11:39,509 --> 00:11:37,920

by this point it's on youtube it's

319

00:11:41,509 --> 00:11:39,519

somewhere and we

320

00:11:43,750 --> 00:11:41,519

searched me and my uh production

321

00:11:45,509 --> 00:11:43,760

assistant we searched forever

322

00:11:47,430 --> 00:11:45,519

for this audio and just like couldn't

323

00:11:48,310 --> 00:11:47,440

find it and we're like are we gonna have

324

00:11:51,269 --> 00:11:48,320

to foia this

325

00:11:53,269 --> 00:11:51,279

ourselves so anyway we made the episode

326

00:11:55,190 --> 00:11:53,279

in season one without the audio we

327

00:11:56,069 --> 00:11:55,200

referenced you know the narcap report

328

00:11:58,230 --> 00:11:56,079

but no audio

329

00:12:00,790 --> 00:11:58,240

but it was like my white whale i was

330

00:12:02,550 --> 00:12:00,800

like there's no way

331

00:12:04,150 --> 00:12:02,560

this doesn't exist because it was

332

00:12:05,750 --> 00:12:04,160

released so anyway

333

00:12:07,350 --> 00:12:05,760

flash forward to just you know a few

334

00:12:10,949 --> 00:12:07,360

months ago i was talking with

335

00:12:11,350 --> 00:12:10,959

uh jake at it's redacted the the ufo

336

00:12:14,069 --> 00:12:11,360

channel

337

00:12:15,509 --> 00:12:14,079

uh it's redacted which i love i like

338

00:12:18,470 --> 00:12:15,519

love their stuff

339

00:12:19,350 --> 00:12:18,480

their videos and we were like yo let's

340

00:12:23,350 --> 00:12:19,360

you know

341

00:12:25,430 --> 00:12:23,360

everyone's resources are limited because

342

00:12:26,949 --> 00:12:25,440

of the pandemic but maybe if we team up

343

00:12:29,509 --> 00:12:26,959

we can like make something

344

00:12:30,470 --> 00:12:29,519

we decided to do chicago and we we made

345

00:12:33,350 --> 00:12:30,480

it our goal

346

00:12:34,069 --> 00:12:33,360

and life mission to like find this audio

347

00:12:36,389 --> 00:12:34,079

and so we

348

00:12:38,069 --> 00:12:36,399

called everyone like we went through the

349

00:12:40,230 --> 00:12:38,079

narcap report and we were like

350

00:12:41,910 --> 00:12:40,240

contacting everyone within that narcap

351

00:12:45,350 --> 00:12:41,920

report ted rowe

352

00:12:49,030 --> 00:12:45,360

at at narcap um you know who is

353

00:12:51,110 --> 00:12:49,040

uh i think in hawaii now uh you know had

354

00:12:52,310 --> 00:12:51,120

multiple phone calls with him and the

355

00:12:55,990 --> 00:12:52,320

problem was

356

00:12:56,870 --> 00:12:56,000

is uh narcaps original archives or older

357

00:12:59,030 --> 00:12:56,880

archives have

358

00:13:00,629 --> 00:12:59,040

have been kind of like moved and spread

359

00:13:01,829 --> 00:13:00,639

out to different locations throughout

360

00:13:04,629 --> 00:13:01,839

the country

361

00:13:05,990 --> 00:13:04,639

and so people were like oh right we had

362

00:13:09,750 --> 00:13:06,000

that but i don't know where that ended

363

00:13:12,870 --> 00:13:09,760

up etc etc etc so anyway

364

00:13:13,910 --> 00:13:12,880

um we ended up finding it on on william

365

00:13:17,750 --> 00:13:13,920

puckett's

366

00:13:20,150 --> 00:13:17,760

uh website like totally almost unlisted

367

00:13:21,750 --> 00:13:20,160

like it doesn't show up in in search

368

00:13:25,230 --> 00:13:21,760

results it was just like

369

00:13:27,990 --> 00:13:25,240

hosted on his website i think it's ufos

370

00:13:29,829 --> 00:13:28,000

nw.com and then backslash whatever like

371

00:13:32,550 --> 00:13:29,839

you have to dig into it

372

00:13:33,990 --> 00:13:32,560

and it's there like and william puckett

373

00:13:36,230 --> 00:13:34,000

i don't know if you know but he was part

374

00:13:38,470 --> 00:13:36,240

of the original narcap report his name

375

00:13:40,710 --> 00:13:38,480

is on the foia documents who foied the

376

00:13:43,590 --> 00:13:40,720

faa for the audio

377

00:13:44,470 --> 00:13:43,600

um and luckily he had digital copies of

378

00:13:46,470 --> 00:13:44,480

it

379

00:13:47,990 --> 00:13:46,480

and we were like yeah we got to like

380

00:13:50,150 --> 00:13:48,000

take this and we gotta release it

381

00:13:51,350 --> 00:13:50,160

raw like just release everything we got

382

00:13:54,310 --> 00:13:51,360

so that in the future

383

00:13:56,389 --> 00:13:54,320

people looking for this stuff can google

384

00:13:59,910 --> 00:13:56,399

and boom there it is and so

385

00:14:02,230 --> 00:13:59,920

that's how we got it yeah and i mean

386

00:14:02,949 --> 00:14:02,240

i don't know how many views it's up to

387

00:14:04,629 --> 00:14:02,959

now over

388

00:14:06,230 --> 00:14:04,639

at the new york post youtube and

389

00:14:08,629 --> 00:14:06,240

everything but

390

00:14:09,829 --> 00:14:08,639

it was awesome man to hear it in its

391

00:14:11,990 --> 00:14:09,839

entirety you know

392

00:14:12,949 --> 00:14:12,000

like you mentioned i think certain ufo

393

00:14:15,670 --> 00:14:12,959

researchers had

394

00:14:17,829 --> 00:14:15,680

heard certain bites every now and again

395

00:14:18,550 --> 00:14:17,839

uh you mentioned ufo hunters on history

396

00:14:21,350 --> 00:14:18,560

channel

397

00:14:22,230 --> 00:14:21,360

had some of it but um when you hear all

398

00:14:24,389 --> 00:14:22,240

of the people

399

00:14:26,230 --> 00:14:24,399

talking about this and we'll get to the

400

00:14:29,110 --> 00:14:26,240

dispute between

401
00:14:30,949 --> 00:14:29,120
apparently there wasn't any of this in

402
00:14:33,110 --> 00:14:30,959
lo and behold here we go

403
00:14:34,310 --> 00:14:33,120
um yeah it was awesome so i think what

404
00:14:35,910 --> 00:14:34,320
i'm gonna do right now is

405
00:14:37,590 --> 00:14:35,920
i'm actually gonna play a little bit of

406
00:14:39,829 --> 00:14:37,600
the audio so it'll give the

407
00:14:41,590 --> 00:14:39,839
the audience some context of what we're

408
00:14:42,870 --> 00:14:41,600
gonna discuss after that about what's in

409
00:14:44,310 --> 00:14:42,880
the audio tape so

410
00:14:45,910 --> 00:14:44,320
yeah i'm going to go ahead and play that

411
00:14:51,030 --> 00:14:45,920
now if you don't mind

412
00:14:55,189 --> 00:14:52,949
this is dave hey dave it's your favorite

413
00:14:56,230 --> 00:14:55,199

tower hey did you see a flying disc out

414

00:15:10,829 --> 00:14:56,240

by c-17

415

00:15:10,839 --> 00:15:27,350

is

416

00:15:31,110 --> 00:15:29,110

okay i'm sorry what uh what can i do for

417

00:15:32,230 --> 00:15:31,120

you oh yeah all right there was i told

418

00:15:34,629 --> 00:15:32,240

dave there was a disc

419

00:15:35,509 --> 00:15:34,639

flying outside above charlie 17 and he

420

00:15:38,550 --> 00:15:35,519

thought it was

421

00:15:39,670 --> 00:15:38,560

pretty much high but um i'm not high and

422

00:15:41,110 --> 00:15:39,680

i'm not drinking

423

00:15:42,710 --> 00:15:41,120

someone actually has a picture of it so

424

00:15:45,509 --> 00:15:42,720

if you guys see it out there a

425

00:15:47,110 --> 00:15:45,519

disc like a frisbee like a ufo type

426
00:15:50,310 --> 00:15:47,120
thing

427
00:15:52,870 --> 00:15:50,320
yeah okay okay yeah you have a picture

428
00:15:54,069 --> 00:15:52,880
how high above charlie 17. well above

429
00:15:56,790 --> 00:15:54,079
our tower

430
00:15:58,310 --> 00:15:56,800
so if you happen to see anything you

431
00:15:58,790 --> 00:15:58,320
know what i'll keep a peeled eye for

432
00:16:05,509 --> 00:15:58,800
that all right

433
00:16:08,550 --> 00:16:07,110
go ahead yeah look out your window let's

434
00:16:09,829 --> 00:16:08,560
see if you see anything above united's

435
00:16:11,430 --> 00:16:09,839
concourse they actually believe it or

436
00:16:13,350 --> 00:16:11,440
not they called us and said there's a

437
00:16:15,509 --> 00:16:13,360
somebody observed a flying disc about a

438
00:16:19,990 --> 00:16:15,519

thousand feet above the uh

439

00:16:23,740 --> 00:16:22,230

not that i can tell okay yeah i thought

440

00:16:25,509 --> 00:16:23,750

my job was stressful

441

00:16:29,509 --> 00:16:25,519

[Music]

442

00:16:31,430 --> 00:16:29,519

oh we thought a half hour ago who saw it

443

00:16:32,710 --> 00:16:31,440

whole bunch of us over at the uh charlie

444

00:16:44,790 --> 00:16:32,720

concourse

445

00:16:49,030 --> 00:16:47,990

yeah so as you can hear there were

446

00:16:51,829 --> 00:16:49,040

definitely some

447

00:16:52,550 --> 00:16:51,839

gems in there that we did not know about

448

00:16:55,269 --> 00:16:52,560

and that was

449

00:16:56,310 --> 00:16:55,279

were said by certain people so um i

450

00:16:58,310 --> 00:16:56,320

gotta ask you

451
00:16:59,350 --> 00:16:58,320
after putting this out there man um

452
00:17:01,990 --> 00:16:59,360
after digging

453
00:17:03,829 --> 00:17:02,000
and finding it what do you make of it

454
00:17:05,270 --> 00:17:03,839
what do you glean most from these audio

455
00:17:07,750 --> 00:17:05,280
tapes in terms of uh

456
00:17:09,510 --> 00:17:07,760
what we've been told in the public about

457
00:17:11,429 --> 00:17:09,520
this event and what we're hearing in the

458
00:17:12,309 --> 00:17:11,439
audio tapes anything really stick out to

459
00:17:14,990 --> 00:17:12,319
you

460
00:17:18,069 --> 00:17:15,000
sure yeah two things one it's it's

461
00:17:20,710 --> 00:17:18,079
extremely interesting to hear

462
00:17:21,909 --> 00:17:20,720
this occur in real time or what was then

463
00:17:25,510 --> 00:17:21,919

real time

464

00:17:26,630 --> 00:17:25,520

how do government and airline workers

465

00:17:28,470 --> 00:17:26,640

react

466

00:17:29,750 --> 00:17:28,480

to something in real time how is that

467

00:17:33,029 --> 00:17:29,760

reported

468

00:17:36,070 --> 00:17:33,039

you know this was five years after 9 11.

469

00:17:38,710 --> 00:17:36,080

this was five years and so and here

470

00:17:40,710 --> 00:17:38,720

you've got you know pilot supervisors

471

00:17:44,390 --> 00:17:40,720

airline mechanics reporting

472

00:17:44,950 --> 00:17:44,400

something unknown over a united airlines

473

00:17:48,150 --> 00:17:44,960

gate

474

00:17:50,310 --> 00:17:48,160

like in the air space like how

475

00:17:53,029 --> 00:17:50,320

would the government react to that you

476

00:17:56,230 --> 00:17:53,039

know just a few years after 9 11 so it's

477

00:17:59,669 --> 00:17:56,240

it's interesting to hear that play out

478

00:18:02,390 --> 00:17:59,679

and and to hear um

479

00:18:04,070 --> 00:18:02,400

everyone jokes about it i mean sue from

480

00:18:05,669 --> 00:18:04,080

united god bless her you know she's

481

00:18:08,710 --> 00:18:05,679

trying her best

482

00:18:10,230 --> 00:18:08,720

to like tell the faa no seriously like

483

00:18:13,029 --> 00:18:10,240

this is happening

484

00:18:15,110 --> 00:18:13,039

and everyone is essentially saying you

485

00:18:17,510 --> 00:18:15,120

must be drunk you must be high

486

00:18:19,270 --> 00:18:17,520

and she's like no no no like pilots or

487

00:18:20,950 --> 00:18:19,280

no like this person no

488

00:18:22,310 --> 00:18:20,960

actually this actually happened someone

489

00:18:24,070 --> 00:18:22,320

has a picture of it

490

00:18:25,909 --> 00:18:24,080

she mentions twice someone has a picture

491

00:18:28,789 --> 00:18:25,919

of it um

492

00:18:29,430 --> 00:18:28,799

and then later towards the end of the

493

00:18:32,310 --> 00:18:29,440

audio

494

00:18:33,350 --> 00:18:32,320

where you hear um you know the

495

00:18:34,630 --> 00:18:33,360

supervisors

496

00:18:36,310 --> 00:18:34,640

talking and they're just kind of like

497

00:18:37,590 --> 00:18:36,320

blah blah blah blah like okay

498

00:18:39,590 --> 00:18:37,600

whatever hahaha

499

00:18:41,029 --> 00:18:39,600

and then you hear a mechanic go like no

500

00:18:44,470 --> 00:18:41,039

i i saw it

501
00:18:47,190 --> 00:18:44,480
and they're like wait what he's like

502
00:18:49,270 --> 00:18:47,200
yeah i saw it i'm a united taxi mechanic

503
00:18:51,110 --> 00:18:49,280
it was it was there and so it's

504
00:18:53,590 --> 00:18:51,120
interesting to hear it play out

505
00:18:55,590 --> 00:18:53,600
now you're asking about the discrepancy

506
00:18:57,190 --> 00:18:55,600
about what the audio says versus what

507
00:19:00,470 --> 00:18:57,200
the official story was right

508
00:19:03,190 --> 00:19:00,480
right yep yeah this is this is where it

509
00:19:07,990 --> 00:19:03,200
gets crazy to me because

510
00:19:10,310 --> 00:19:08,000
uh the faa originally back in 2006

511
00:19:11,190 --> 00:19:10,320
before all the press and everything said

512
00:19:12,870 --> 00:19:11,200
oh

513
00:19:14,470 --> 00:19:12,880

we didn't even investigate that that was

514

00:19:16,630 --> 00:19:14,480

nothing

515

00:19:18,630 --> 00:19:16,640

and then when john hilkovich at the

516

00:19:20,789 --> 00:19:18,640

tribune chicago tribune and

517

00:19:22,950 --> 00:19:20,799

and and narcap they started firing

518

00:19:25,750 --> 00:19:22,960

filing foia requests

519

00:19:27,750 --> 00:19:25,760

they were like uh um no actually uh

520

00:19:29,830 --> 00:19:27,760

we're backtracking that and like we did

521

00:19:32,150 --> 00:19:29,840

investigate it but it was just probably

522

00:19:33,190 --> 00:19:32,160

a weather phenomenon some weird cloud or

523

00:19:34,870 --> 00:19:33,200

something

524

00:19:37,190 --> 00:19:34,880

and and that's it so that's that's

525

00:19:41,350 --> 00:19:37,200

probably all it was the end

526

00:19:44,470 --> 00:19:41,360

and in the in the audio i mean

527

00:19:47,029 --> 00:19:44,480

you've got trained people people who

528

00:19:49,350 --> 00:19:47,039

work at airport at the airport fly

529

00:19:53,270 --> 00:19:49,360

airplanes for a living

530

00:19:55,110 --> 00:19:53,280

interact with clouds day in and day out

531

00:19:56,470 --> 00:19:55,120

these people that's what they're paid to

532

00:19:59,669 --> 00:19:56,480

do saying

533

00:20:04,310 --> 00:19:59,679

a disc a metallic

534

00:20:08,950 --> 00:20:04,320

disc is hovering over our airport

535

00:20:09,750 --> 00:20:08,960

and okay you these people are not seeing

536

00:20:12,310 --> 00:20:09,760

a cloud

537

00:20:14,310 --> 00:20:12,320

at least they're not according to these

538

00:20:17,430 --> 00:20:14,320

trained individuals they're not looking

539

00:20:20,310 --> 00:20:17,440

at at a cloud and so that conflict

540

00:20:21,590 --> 00:20:20,320

and then to say that there is a um a

541

00:20:23,029 --> 00:20:21,600

photo

542

00:20:25,350 --> 00:20:23,039

a lot of people are latching onto that i

543

00:20:29,029 --> 00:20:25,360

mean suet united says they have a photo

544

00:20:30,149 --> 00:20:29,039

twice and you know i asked the faa i

545

00:20:33,990 --> 00:20:30,159

said

546

00:20:37,430 --> 00:20:34,000

hey like in this audio talking to you

547

00:20:38,470 --> 00:20:37,440

in the faa tower it's reported to you

548

00:20:40,870 --> 00:20:38,480

that a photo

549

00:20:42,789 --> 00:20:40,880

photographic evidence of this exists did

550

00:20:44,950 --> 00:20:42,799

you look at the photo did you request

551
00:20:47,990 --> 00:20:44,960
the photo did you analyze the photo

552
00:20:50,549 --> 00:20:48,000
did you do anything about the photo

553
00:20:51,110 --> 00:20:50,559
they wouldn't answer the question yeah

554
00:20:52,789 --> 00:20:51,120
yeah

555
00:20:54,870 --> 00:20:52,799
it was stonewalled and i mean every

556
00:20:57,270 --> 00:20:54,880
employee at uh

557
00:20:58,230 --> 00:20:57,280
at united airlines in the entire airport

558
00:21:01,270 --> 00:20:58,240
i should say

559
00:21:02,950 --> 00:21:01,280
uh we're told not to talk about this so

560
00:21:03,990 --> 00:21:02,960
you know we got a lot of anonymous

561
00:21:05,590 --> 00:21:04,000
sources

562
00:21:08,149 --> 00:21:05,600
and this and that and everyone at the

563
00:21:10,789 --> 00:21:08,159

airport was staying quiet for so long

564

00:21:12,470 --> 00:21:10,799

uh but you know lo and behold uh ufo

565

00:21:14,789 --> 00:21:12,480

researcher sam moronto

566

00:21:16,870 --> 00:21:14,799

uh was able to get in touch with a

567

00:21:19,270 --> 00:21:16,880

witness outside of the airport

568

00:21:21,270 --> 00:21:19,280

that was not employed there who saw this

569

00:21:24,549 --> 00:21:21,280

thing and i actually have audio

570

00:21:26,230 --> 00:21:24,559

right now of this witness uh and how

571

00:21:27,190 --> 00:21:26,240

their story compares to those that saw

572

00:21:28,870 --> 00:21:27,200

it at the airport

573

00:21:31,029 --> 00:21:28,880

so i'm gonna play that right now for the

574

00:21:33,669 --> 00:21:31,039

audience i have seen

575

00:21:35,270 --> 00:21:33,679

anomalous things in the sky and i don't

576
00:21:37,750 --> 00:21:35,280
say anomalous lightly

577
00:21:38,390 --> 00:21:37,760
i can identify so many different

578
00:21:40,390 --> 00:21:38,400
phenomena

579
00:21:42,950 --> 00:21:40,400
you know it's interesting i even have

580
00:21:45,909 --> 00:21:42,960
experience with lenticular clouds

581
00:21:47,669 --> 00:21:45,919
i used to do high health climbing and i

582
00:21:49,909 --> 00:21:47,679
have seen a zillion of them can't tell

583
00:21:51,190 --> 00:21:49,919
you how many lenticular clouds i've seen

584
00:21:53,430 --> 00:21:51,200
hovering over o'hare

585
00:21:54,230 --> 00:21:53,440
and just punching a hole in the cloud

586
00:22:02,549 --> 00:21:54,240
cover

587
00:22:06,710 --> 00:22:05,510
it was very obviously not cloud it was

588
00:22:10,310 --> 00:22:06,720

very obviously

589

00:22:13,909 --> 00:22:10,320

a solid object uh it didn't change

590

00:22:16,950 --> 00:22:13,919

shape in any way uh it obviously wasn't

591

00:22:19,590 --> 00:22:16,960

a balloon that was subject to the wind

592

00:22:21,430 --> 00:22:19,600

it didn't move with the wind very

593

00:22:22,950 --> 00:22:21,440

obviously i mean this was a daytime

594

00:22:25,270 --> 00:22:22,960

thing this wasn't some

595

00:22:26,230 --> 00:22:25,280

you know case of lights that look a

596

00:22:28,950 --> 00:22:26,240

little unusual

597

00:22:31,990 --> 00:22:28,960

at night or anything like that this was

598

00:22:33,990 --> 00:22:32,000

just a very blatant daytime sighting and

599

00:22:35,590 --> 00:22:34,000

no it wasn't so dark that we couldn't

600

00:22:38,870 --> 00:22:35,600

tell what we were seeing not

601
00:22:41,190 --> 00:22:38,880
not at all not by any stretch

602
00:22:43,110 --> 00:22:41,200
so yeah man i mean even uh people

603
00:22:43,430 --> 00:22:43,120
outside of the airport were seeing this

604
00:22:45,350 --> 00:22:43,440
thing

605
00:22:47,029 --> 00:22:45,360
and that were willing to talk about it

606
00:22:49,430 --> 00:22:47,039
which is really interesting

607
00:22:50,950 --> 00:22:49,440
as well uh you did mention the weather

608
00:22:53,350 --> 00:22:50,960
phenomenon now this was kind of the

609
00:22:54,950 --> 00:22:53,360
official statement by the faa

610
00:22:56,630 --> 00:22:54,960
i mean they even got in touch with an

611
00:22:59,110 --> 00:22:56,640
astronomer uh dr

612
00:22:59,909 --> 00:22:59,120
hammondgren i have here from um the

613
00:23:01,510 --> 00:22:59,919

adler

614

00:23:03,270 --> 00:23:01,520

planetarium and i'm just going to read

615

00:23:03,909 --> 00:23:03,280

here for a second what they said this

616

00:23:05,590 --> 00:23:03,919

was

617

00:23:07,590 --> 00:23:05,600

weather conditions at o'hare that day

618

00:23:08,630 --> 00:23:07,600

were right for a hole punch cloud like

619

00:23:10,149 --> 00:23:08,640

you mentioned

620

00:23:11,990 --> 00:23:10,159

something that occurs when a propeller

621

00:23:13,510 --> 00:23:12,000

or jet airplane passes through

622

00:23:14,789 --> 00:23:13,520

when you have uniform cloud cover and

623

00:23:15,669 --> 00:23:14,799

the temperature is right near the

624

00:23:17,909 --> 00:23:15,679

freezing point

625

00:23:20,549 --> 00:23:17,919

they make liquid water droplets freeze

626
00:23:22,470 --> 00:23:20,559
and a hazy disk of ice crystals descends

627
00:23:24,789 --> 00:23:22,480
from a hole and it looks like a perfect

628
00:23:27,190 --> 00:23:24,799
hole punched in the cloud

629
00:23:27,990 --> 00:23:27,200
that's all fine and great but like you

630
00:23:30,789 --> 00:23:28,000
mentioned

631
00:23:32,310 --> 00:23:30,799
uh one of the united taxi maintenance

632
00:23:35,590 --> 00:23:32,320
crew members

633
00:23:37,029 --> 00:23:35,600
actually saw a structure craft and boom

634
00:23:39,190 --> 00:23:37,039
that puts that the rest right there i

635
00:23:41,669 --> 00:23:39,200
mean again yeah it's just a testimony

636
00:23:43,110 --> 00:23:41,679
but so many other people said they saw

637
00:23:46,149 --> 00:23:43,120
the structured craft

638
00:23:48,230 --> 00:23:46,159

so i mean we were being lied to

639

00:23:50,549 --> 00:23:48,240

from the very start with this thing well

640

00:23:53,750 --> 00:23:50,559

you know i will uh

641

00:23:55,029 --> 00:23:53,760

let me say this like first off okay a

642

00:23:56,950 --> 00:23:55,039

hole punch cloud

643

00:23:59,110 --> 00:23:56,960

okay that's that's that's an explanation

644

00:24:02,390 --> 00:23:59,120

that is an explanation

645

00:24:05,430 --> 00:24:02,400

now is it what they saw at chicago

646

00:24:08,630 --> 00:24:05,440

you know it it could be

647

00:24:11,190 --> 00:24:08,640

but first and foremost

648

00:24:11,750 --> 00:24:11,200

um you know the quote you just read you

649

00:24:18,230 --> 00:24:11,760

know

650

00:24:20,230 --> 00:24:18,240

water molecules freeze uh suddenly

651
00:24:21,590 --> 00:24:20,240
and you know the temperature that day at

652
00:24:24,870 --> 00:24:21,600
the airport was

653
00:24:27,830 --> 00:24:24,880
in the 50s uh the freezing

654
00:24:28,470 --> 00:24:27,840
level uh what see the freezing ceiling

655
00:24:30,390 --> 00:24:28,480
was around

656
00:24:32,070 --> 00:24:30,400
ten thousand feet nine thousand feet ten

657
00:24:34,149 --> 00:24:32,080
thousand feet which where the freezing

658
00:24:36,710 --> 00:24:34,159
temperatures were

659
00:24:37,990 --> 00:24:36,720
and the cloud coverage that day was one

660
00:24:42,870 --> 00:24:38,000
to two thousand feet

661
00:24:44,470 --> 00:24:42,880
um now beyond that the fact that was

662
00:24:47,029 --> 00:24:44,480
at that level nowhere near freezing

663
00:24:49,909 --> 00:24:47,039

temperatures

664

00:24:52,149 --> 00:24:49,919

you've got multiple witnesses and i mean

665

00:24:53,269 --> 00:24:52,159

at least a dozen witnesses that say they

666

00:24:56,630 --> 00:24:53,279

saw

667

00:24:59,350 --> 00:24:56,640

step one a craft below the

668

00:25:00,390 --> 00:24:59,360

clouds so they saw a craft below the

669

00:25:03,029 --> 00:25:00,400

clouds

670

00:25:03,830 --> 00:25:03,039

and then some of those witnesses step

671

00:25:06,470 --> 00:25:03,840

two

672

00:25:07,350 --> 00:25:06,480

saw the craft punch through the the

673

00:25:11,029 --> 00:25:07,360

clouds

674

00:25:13,269 --> 00:25:11,039

creating a hole now so you've got

675

00:25:14,390 --> 00:25:13,279

it's not just a hole that everyone's

676

00:25:16,549 --> 00:25:14,400

looking at people

677

00:25:17,830 --> 00:25:16,559

actually not just one or two or three

678

00:25:20,710 --> 00:25:17,840

but multiple people

679

00:25:21,990 --> 00:25:20,720

saw the thing go up through the clouds

680

00:25:26,950 --> 00:25:22,000

punching a hole

681

00:25:29,590 --> 00:25:26,960

now how the faa handled the

682

00:25:30,390 --> 00:25:29,600

their statement about it being weather

683

00:25:34,789 --> 00:25:30,400

it's just so

684

00:25:37,510 --> 00:25:34,799

weird like just lead with that

685

00:25:39,510 --> 00:25:37,520

don't you don't say don't initially say

686

00:25:41,190 --> 00:25:39,520

uh nothing happened here

687

00:25:43,110 --> 00:25:41,200

and then when your press and foia

688

00:25:46,070 --> 00:25:43,120

requests are coming in and going like oh

689

00:25:47,909 --> 00:25:46,080

oh uh it's uh it's weather it's probably

690

00:25:48,710 --> 00:25:47,919

just lights or a whole punch cloud or

691

00:25:51,190 --> 00:25:48,720

something like that

692

00:25:52,630 --> 00:25:51,200

and then when people like myself and

693

00:25:55,350 --> 00:25:52,640

others bring up the audio

694

00:25:57,669 --> 00:25:55,360

and the fact that a photo was taken just

695

00:26:01,269 --> 00:25:57,679

don't respond at all like the way it

696

00:26:02,390 --> 00:26:01,279

was handles just really weird can i just

697

00:26:05,350 --> 00:26:02,400

add that

698

00:26:07,669 --> 00:26:05,360

we are all you i we're all u.s citizens

699

00:26:10,870 --> 00:26:07,679

you know not right now obviously but

700

00:26:12,630 --> 00:26:10,880

we fly planes we go to airports we get

701
00:26:13,190 --> 00:26:12,640
on planes and we want to feel safe we

702
00:26:15,430 --> 00:26:13,200
want to

703
00:26:16,789 --> 00:26:15,440
feel like if there's something

704
00:26:20,789 --> 00:26:16,799
unidentified

705
00:26:22,630 --> 00:26:20,799
and unauthorized above my plane

706
00:26:25,029 --> 00:26:22,640
that people like the faa are going to

707
00:26:26,549 --> 00:26:25,039
take care of it and take it seriously

708
00:26:28,310 --> 00:26:26,559
you know we're not talking i'm not

709
00:26:30,470 --> 00:26:28,320
saying alien you know

710
00:26:32,390 --> 00:26:30,480
i'm not saying x y inner dimension i'm

711
00:26:35,510 --> 00:26:32,400
saying something was there

712
00:26:37,990 --> 00:26:35,520
i want them to take it seriously

713
00:26:40,149 --> 00:26:38,000

absolutely man i mean the stigma and

714

00:26:43,510 --> 00:26:40,159

ridicule of reporting these things

715

00:26:46,070 --> 00:26:43,520

uh i think is more dangerous than the

716

00:26:47,269 --> 00:26:46,080

you know the the craft or whatever it is

717

00:26:49,430 --> 00:26:47,279

could be itself

718

00:26:50,630 --> 00:26:49,440

i mean if they don't report it because

719

00:26:52,390 --> 00:26:50,640

they're afraid of

720

00:26:55,269 --> 00:26:52,400

what's going to be said they're going to

721

00:26:57,990 --> 00:26:55,279

lose their job or this or that

722

00:26:58,630 --> 00:26:58,000

then it doesn't get reported and

723

00:27:01,350 --> 00:26:58,640

something

724

00:27:03,110 --> 00:27:01,360

could seriously go wrong i mean even in

725

00:27:06,390 --> 00:27:03,120

the original report i saw

726

00:27:07,909 --> 00:27:06,400

with peter davenport uh he he adds this

727

00:27:09,590 --> 00:27:07,919

little thing here and you know it could

728

00:27:13,110 --> 00:27:09,600

be connected or not but he said

729

00:27:16,149 --> 00:27:13,120

um the plane that was taxied in

730

00:27:18,310 --> 00:27:16,159

to gates c-17 where this happened

731

00:27:19,990 --> 00:27:18,320

the next plane after the whole incident

732

00:27:23,110 --> 00:27:20,000

occurred and they kind of

733

00:27:24,950 --> 00:27:23,120

said yup no we're fine no issues um

734

00:27:26,389 --> 00:27:24,960

the plane that came in had severe

735

00:27:29,750 --> 00:27:26,399

electrical failures

736

00:27:31,750 --> 00:27:29,760

when it parked into the gate c17

737

00:27:33,510 --> 00:27:31,760

where supposedly this craft had been

738

00:27:35,590 --> 00:27:33,520

seen so again

739

00:27:36,630 --> 00:27:35,600

that could have been for any reason um i

740

00:27:39,350 --> 00:27:36,640

find it an

741

00:27:40,630 --> 00:27:39,360

interesting coincidence so yeah who

742

00:27:42,549 --> 00:27:40,640

knows who knows i thought that was a

743

00:27:45,029 --> 00:27:42,559

cool little addendum

744

00:27:46,630 --> 00:27:45,039

is it okay if i read uh some quotes from

745

00:27:48,630 --> 00:27:46,640

some witnesses just quick questions

746

00:27:51,269 --> 00:27:48,640

regarding

747

00:27:51,669 --> 00:27:51,279

so what's great about the narcap report

748

00:27:53,830 --> 00:27:51,679

which

749

00:27:55,669 --> 00:27:53,840

you know you should send a link to it's

750

00:27:58,789 --> 00:27:55,679

152 pages and i mean

751

00:28:01,110 --> 00:27:58,799

it's in depth they've got

752

00:28:02,950 --> 00:28:01,120

radar data they've got like eight pages

753

00:28:04,470 --> 00:28:02,960

on just the weather that day

754

00:28:06,630 --> 00:28:04,480

they've got everything but they were

755

00:28:09,830 --> 00:28:06,640

able to interview

756

00:28:11,750 --> 00:28:09,840

some of the witnesses before all the

757

00:28:13,830 --> 00:28:11,760

press and before the faa

758

00:28:14,870 --> 00:28:13,840

and they were able to interview people

759

00:28:18,070 --> 00:28:14,880

in this kind of like

760

00:28:19,750 --> 00:28:18,080

virgin pure moment in time

761

00:28:21,830 --> 00:28:19,760

uh before the you know that everything

762

00:28:24,070 --> 00:28:21,840

clamped down now there are

763

00:28:25,990 --> 00:28:24,080

you know like i said at least a dozen

764

00:28:28,149 --> 00:28:26,000

solid witnesses

765

00:28:29,110 --> 00:28:28,159

but let's talk about a hole punch cloud

766

00:28:32,789 --> 00:28:29,120

for example

767

00:28:36,549 --> 00:28:32,799

and versus what pilots and supervisors

768

00:28:39,590 --> 00:28:36,559

on the ground there were talking about

769

00:28:42,310 --> 00:28:39,600

right here uh witness b

770

00:28:43,269 --> 00:28:42,320

and c who were mechanics seated in a

771

00:28:46,630 --> 00:28:43,279

cockpit

772

00:28:49,430 --> 00:28:46,640

heard on the radio a about a circle or

773

00:28:50,710 --> 00:28:49,440

disc shaped object hovering over the

774

00:28:53,430 --> 00:28:50,720

gate

775

00:28:54,149 --> 00:28:53,440

it was described as elliptical sphere

776

00:28:57,350 --> 00:28:54,159

like

777

00:29:00,070 --> 00:28:57,360

dark metal object very specific

778

00:29:01,669 --> 00:29:00,080

dark metal object now bring up a hole

779

00:29:03,430 --> 00:29:01,679

punch cloud picture and tell me

780

00:29:04,870 --> 00:29:03,440

if you would look at that and describe

781

00:29:08,310 --> 00:29:04,880

it as dark

782

00:29:08,710 --> 00:29:08,320

metal another witness here describes it

783

00:29:12,310 --> 00:29:08,720

as

784

00:29:14,149 --> 00:29:12,320

aluminum a dirty aluminum color

785

00:29:16,549 --> 00:29:14,159

again a hole punch cloud does not look

786

00:29:20,630 --> 00:29:16,559

like dirty aluminum

787

00:29:22,470 --> 00:29:20,640

uh there is laughter uh as they're

788

00:29:24,230 --> 00:29:22,480

they're calling on the radio talking to

789

00:29:26,630 --> 00:29:24,240

people all over looking up and

790

00:29:30,549 --> 00:29:26,640

describing this

791

00:29:38,310 --> 00:29:35,190

again here we go elliptical metal

792

00:29:40,149 --> 00:29:38,320

i i just you've got people on the ground

793

00:29:41,669 --> 00:29:40,159

people who are trained people who are

794

00:29:44,789 --> 00:29:41,679

professionals

795

00:29:46,149 --> 00:29:44,799

going on the record and saying what they

796

00:29:49,350 --> 00:29:46,159

were looking at look like

797

00:29:52,630 --> 00:29:49,360

a round piece of smooth

798

00:29:55,110 --> 00:29:52,640

hovering metal and so

799

00:29:57,830 --> 00:29:55,120

you can't just dismiss that you can't

800

00:30:00,710 --> 00:29:57,840

just you can't dismiss that at all

801
00:30:01,590 --> 00:30:00,720
and it just makes you wonder like what

802
00:30:07,430 --> 00:30:01,600
what

803
00:30:08,630 --> 00:30:07,440
one guy said it was uh spinning it was

804
00:30:11,510 --> 00:30:08,640
like um

805
00:30:11,909 --> 00:30:11,520
rotating yeah yeah i remember reading

806
00:30:14,230 --> 00:30:11,919
that

807
00:30:15,669 --> 00:30:14,240
it's crazy so i mean we're not dealing

808
00:30:18,950 --> 00:30:15,679
with a whole punch cloud

809
00:30:20,310 --> 00:30:18,960
um that's just not the case um i mighty

810
00:30:22,310 --> 00:30:20,320
crow if that were

811
00:30:23,750 --> 00:30:22,320
were what we come to find out it was but

812
00:30:24,389 --> 00:30:23,760
uh who knows if we're ever gonna know

813
00:30:27,430 --> 00:30:24,399

the truth

814

00:30:29,110 --> 00:30:27,440

um you did mention john hilkovich and

815

00:30:31,269 --> 00:30:29,120

we do have to give this guy credit he

816

00:30:34,470 --> 00:30:31,279

was the first kind of on the ground

817

00:30:37,909 --> 00:30:34,480

to um to write about this in the chicago

818

00:30:40,950 --> 00:30:37,919

tribune and uh and that now

819

00:30:43,510 --> 00:30:40,960

not famous but um well-known

820

00:30:44,870 --> 00:30:43,520

broadcast interview he did with uh cltv

821

00:30:47,909 --> 00:30:44,880

with jim wagner

822

00:30:49,669 --> 00:30:47,919

a news reporter um it was leaked about

823

00:30:53,269 --> 00:30:49,679

their conversation that happened

824

00:30:55,590 --> 00:30:53,279

prior to the official interview they did

825

00:30:57,509 --> 00:30:55,600

and there were some telling stuff kind

826
00:30:58,230 --> 00:30:57,519
of in that of you know how he was being

827
00:31:00,710 --> 00:30:58,240
stonewalled

828
00:31:02,149 --> 00:31:00,720
from the very start with this thing um

829
00:31:03,509 --> 00:31:02,159
and i actually want to play a little bit

830
00:31:05,350 --> 00:31:03,519
of that now to give the

831
00:31:06,870 --> 00:31:05,360
audience a taste of that so here's a

832
00:31:07,750 --> 00:31:06,880
little bit of that interview that john

833
00:31:11,269 --> 00:31:07,760
hilkovich

834
00:31:11,750 --> 00:31:11,279
gave uh and the conversation that

835
00:31:17,269 --> 00:31:11,760
happened

836
00:31:20,389 --> 00:31:19,110
hey john hey jim how are you well fine

837
00:31:23,430 --> 00:31:20,399
thanks how are you i'm

838
00:31:24,230 --> 00:31:23,440

busy with this yo my god did you see it

839

00:31:26,470 --> 00:31:24,240

hit the fox

840

00:31:28,230 --> 00:31:26,480

crawl on monday night did it it's just

841

00:31:31,430 --> 00:31:28,240

been everywhere i mean i've been on

842

00:31:34,630 --> 00:31:31,440

cnn i did my fourth appearance today

843

00:31:35,350 --> 00:31:34,640

really every msnbc every network oh my

844

00:31:38,470 --> 00:31:35,360

goodness

845

00:31:41,830 --> 00:31:38,480

and just worldwide i mean yeah australia

846

00:31:43,909 --> 00:31:41,840

everywhere that's what we're going to

847

00:31:45,750 --> 00:31:43,919

start off i'm going to say

848

00:31:49,110 --> 00:31:45,760

john the response has been well out of

849

00:31:52,549 --> 00:31:50,870

congratulations that's so where's the

850

00:31:53,430 --> 00:31:52,559

latest on the investigation in the faa

851
00:31:56,070 --> 00:31:53,440
then

852
00:31:57,269 --> 00:31:56,080
well uh by this time tomorrow i'm going

853
00:31:58,950 --> 00:31:57,279
to approve it yeah

854
00:32:00,950 --> 00:31:58,960
united is now acknowledging that they

855
00:32:03,990 --> 00:32:00,960
were approached by employees

856
00:32:06,470 --> 00:32:04,000
so they've done that flip-flop and i'm

857
00:32:07,509 --> 00:32:06,480
trying to locate photos of this i'm told

858
00:32:16,630 --> 00:32:07,519
there may be photos

859
00:32:23,269 --> 00:32:20,070
um i'm told that the uh

860
00:32:26,070 --> 00:32:23,279
the story on on ct right

861
00:32:29,509 --> 00:32:26,080
has almost a million hits yeah it's the

862
00:32:32,310 --> 00:32:29,519
most read story in the history of ct.com

863
00:32:32,870 --> 00:32:32,320

i got an email yesterday from bill d

864

00:32:34,789 --> 00:32:32,880

wow

865

00:32:36,789 --> 00:32:34,799

i mean it's like yeah in the entire

866

00:32:39,830 --> 00:32:36,799

history of the website

867

00:32:41,750 --> 00:32:39,840

oh incredible

868

00:32:42,950 --> 00:32:41,760

incredible so is the possible does it

869

00:32:43,830 --> 00:32:42,960

possibly exist you might get the

870

00:32:46,230 --> 00:32:43,840

pictures and

871

00:32:47,190 --> 00:32:46,240

get them in for tomorrow oh no i don't

872

00:32:49,830 --> 00:32:47,200

think no no no

873

00:32:51,350 --> 00:32:49,840

no i mean i i'm told the pilots on that

874

00:32:53,110 --> 00:32:51,360

plane that was being pushed back

875

00:32:54,470 --> 00:32:53,120

uh you know i said in the story that

876

00:32:55,750 --> 00:32:54,480

they opened the windscreen and stuck

877

00:32:57,350 --> 00:32:55,760

their head out

878

00:32:58,710 --> 00:32:57,360

now i'm being told that one of them had

879

00:32:59,509 --> 00:32:58,720

a digital camera and snapped some

880

00:33:01,750 --> 00:32:59,519

pictures

881

00:33:04,310 --> 00:33:01,760

wow so united is not playing ball with

882

00:33:07,350 --> 00:33:06,470

fa i've expanded my foia to include the

883

00:33:10,470 --> 00:33:07,360

flight plan

884

00:33:11,750 --> 00:33:10,480

which might include the pilots names and

885

00:33:12,310 --> 00:33:11,760

i'm trying to work with the union as

886

00:33:13,590 --> 00:33:12,320

well

887

00:33:15,909 --> 00:33:13,600

are they still going by weather

888

00:33:17,750 --> 00:33:15,919

phenomenon uh

889

00:33:19,110 --> 00:33:17,760

faa you know pretty much because of the

890

00:33:20,630 --> 00:33:19,120

federal holiday i

891

00:33:22,950 --> 00:33:20,640

i haven't talked to them that much but

892

00:33:25,669 --> 00:33:22,960

yeah they haven't changed their story

893

00:33:26,070 --> 00:33:25,679

and it's i've just heard from other

894

00:33:27,269 --> 00:33:26,080

people

895

00:33:29,190 --> 00:33:27,279

you know since then that you know that

896

00:33:30,070 --> 00:33:29,200

that's that explanation just doesn't

897

00:33:31,830 --> 00:33:30,080

wash

898

00:33:34,789 --> 00:33:31,840

and they haven't gone out of their way

899

00:33:36,310 --> 00:33:34,799

to to say anything otherwise so far

900

00:33:38,149 --> 00:33:36,320

no i mean they say you know it was it

901
00:33:38,710 --> 00:33:38,159
was november 7th they're they're moving

902
00:33:42,389 --> 00:33:38,720
on

903
00:33:46,149 --> 00:33:44,549
well i tell you what the all the people

904
00:33:47,750 --> 00:33:46,159
who saw it must be

905
00:33:49,430 --> 00:33:47,760
feeling a little validated right about

906
00:33:50,789 --> 00:33:49,440
now huh oh yeah and i'm getting tons of

907
00:33:52,950 --> 00:33:50,799
emails from other people who

908
00:33:55,190 --> 00:33:52,960
outside the airport as well as ed o'hare

909
00:33:57,350 --> 00:33:55,200
who also either sighted that

910
00:33:58,950 --> 00:33:57,360
same object or saw the hole in the sky

911
00:34:01,430 --> 00:33:58,960
and said what is that

912
00:34:02,710 --> 00:34:01,440
wow okay so what did it look like again

913
00:34:06,549 --> 00:34:02,720

to the folks who saw it

914

00:34:09,589 --> 00:34:06,559

it was a saucer-like yeah

915

00:34:12,629 --> 00:34:09,599

yeah right over directly over gate c17

916

00:34:13,909 --> 00:34:12,639

that was stationary in the sky uh dark

917

00:34:16,710 --> 00:34:13,919

gray metallic

918

00:34:17,750 --> 00:34:16,720

uh you know like i say saucer shaped no

919

00:34:19,589 --> 00:34:17,760

lights

920

00:34:21,190 --> 00:34:19,599

and it was there for some minutes and

921

00:34:23,190 --> 00:34:21,200

then when it

922

00:34:25,030 --> 00:34:23,200

disappeared it just streaked through the

923

00:34:28,069 --> 00:34:25,040

clouds with such energy

924

00:34:29,349 --> 00:34:28,079

that it broke a big a blue hole in the

925

00:34:30,950 --> 00:34:29,359

overcast

926
00:34:32,790 --> 00:34:30,960
and the hole remained there for several

927
00:34:34,389 --> 00:34:32,800
minutes until the wind

928
00:34:37,589 --> 00:34:34,399
drifted and pushed the clouds back

929
00:34:39,190 --> 00:34:37,599
together so the blue was the sky

930
00:34:41,750 --> 00:34:39,200
yeah the blue was the sky but but

931
00:34:44,869 --> 00:34:41,760
otherwise the the entire skyline was uh

932
00:34:46,149 --> 00:34:44,879
was cloudy totally overcast huh man so

933
00:34:48,069 --> 00:34:46,159
you know it's nothing an airplane just

934
00:34:50,230 --> 00:34:48,079
doesn't react like that it slices

935
00:34:57,750 --> 00:34:50,240
through and it doesn't disturb the

936
00:35:01,109 --> 00:34:59,109
so yeah i thought that was pretty

937
00:35:04,470 --> 00:35:01,119
interesting i mean we get kind of the

938
00:35:06,710 --> 00:35:04,480

raw conversation about this and you know

939

00:35:08,550 --> 00:35:06,720

talking about how it crashed the chicago

940

00:35:09,190 --> 00:35:08,560

tribune website when the story first

941

00:35:12,310 --> 00:35:09,200

came out

942

00:35:14,069 --> 00:35:12,320

right and um and they said as well

943

00:35:15,430 --> 00:35:14,079

like you mentioned there were

944

00:35:18,870 --> 00:35:15,440

photographs taken

945

00:35:20,710 --> 00:35:18,880

there might have been video so ah

946

00:35:23,030 --> 00:35:20,720

man if we could just get our hands on

947

00:35:26,230 --> 00:35:23,040

that stuff um and i guess i kind of

948

00:35:26,870 --> 00:35:26,240

want to wrap up the o'hare thing with

949

00:35:29,270 --> 00:35:26,880

that

950

00:35:30,870 --> 00:35:29,280

steven do you think it's out there do

951
00:35:33,030 --> 00:35:30,880
you think we'll ever see a photo

952
00:35:35,990 --> 00:35:33,040
we'll ever see video um where do you

953
00:35:40,550 --> 00:35:36,000
stand on that part of all this

954
00:35:42,950 --> 00:35:40,560
um i well i believe it exists

955
00:35:43,829 --> 00:35:42,960
or at least exists dead i mean you've

956
00:35:46,390 --> 00:35:43,839
got

957
00:35:47,910 --> 00:35:46,400
in written with witness testimony you've

958
00:35:50,230 --> 00:35:47,920
got the audio

959
00:35:52,069 --> 00:35:50,240
of radio communications from that day of

960
00:35:54,950 --> 00:35:52,079
folks acknowledging

961
00:35:56,470 --> 00:35:54,960
more than once that at least one photo

962
00:35:58,550 --> 00:35:56,480
was taken that day

963
00:36:00,550 --> 00:35:58,560

now you have to understand this is 2006

964

00:36:02,870 --> 00:36:00,560

and if you take this is pre-iphone

965

00:36:04,550 --> 00:36:02,880

this is pre-smartphone days and those

966

00:36:05,510 --> 00:36:04,560

those little flip phones didn't take the

967

00:36:08,710 --> 00:36:05,520

greatest pictures

968

00:36:10,550 --> 00:36:08,720

um and you know

969

00:36:12,550 --> 00:36:10,560

unless someone had like a digital camera

970

00:36:15,430 --> 00:36:12,560

like hanging around their

971

00:36:16,470 --> 00:36:15,440

their neck it's probably not the

972

00:36:18,470 --> 00:36:16,480

greatest photo

973

00:36:20,069 --> 00:36:18,480

especially if you know the craft was

974

00:36:23,430 --> 00:36:20,079

estimated to be

975

00:36:26,310 --> 00:36:23,440

um 1900 2000 feet up

976

00:36:28,310 --> 00:36:26,320

it's probably not the greatest photo

977

00:36:29,910 --> 00:36:28,320

especially if you know the craft was

978

00:36:33,430 --> 00:36:29,920

estimated to be

979

00:36:35,430 --> 00:36:33,440

um 1900 2000 feet up

980

00:36:36,870 --> 00:36:35,440

about the size of a quarter held at

981

00:36:38,950 --> 00:36:36,880

arm's length and so

982

00:36:40,150 --> 00:36:38,960

you know taking a cell phone photo who

983

00:36:42,069 --> 00:36:40,160

knows how

984

00:36:43,910 --> 00:36:42,079

how clear that's gonna be or how you

985

00:36:46,710 --> 00:36:43,920

know i i think

986

00:36:48,230 --> 00:36:46,720

uh this case and how infamous it is it's

987

00:36:51,109 --> 00:36:48,240

led to some fakes

988

00:36:52,870 --> 00:36:51,119

um people creating fake photos of this i

989

00:36:54,470 --> 00:36:52,880

think if and when the final photo

990

00:36:55,109 --> 00:36:54,480

actually comes out it's not gonna be

991

00:36:58,790 --> 00:36:55,119

this like

992

00:36:59,270 --> 00:36:58,800

oh like amazing photo i think it's gonna

993

00:37:02,950 --> 00:36:59,280

be like

994

00:37:07,510 --> 00:37:02,960

you know crappy 2006 cell phone uh

995

00:37:09,190 --> 00:37:07,520

photo or even a video um i'd be amazed

996

00:37:10,790 --> 00:37:09,200

like honestly that would be like the

997

00:37:14,150 --> 00:37:10,800

coolest thing if like

998

00:37:16,390 --> 00:37:14,160

that photo ever came to be even if it is

999

00:37:17,430 --> 00:37:16,400

blurry and and crazy if it was like

1000

00:37:19,829 --> 00:37:17,440

legit like

1001
00:37:21,109 --> 00:37:19,839
it was legitimized as a real photo from

1002
00:37:23,829 --> 00:37:21,119
o'hare

1003
00:37:25,349 --> 00:37:23,839
wow and it's not a hole punch cloud wow

1004
00:37:27,430 --> 00:37:25,359
that would be awesome

1005
00:37:29,270 --> 00:37:27,440
i'm with you man i mean again we deal

1006
00:37:30,470 --> 00:37:29,280
with blurry photos in this field on a

1007
00:37:32,710 --> 00:37:30,480
daily basis

1008
00:37:33,670 --> 00:37:32,720
so what's one more to add on to the pile

1009
00:37:37,430 --> 00:37:33,680
but hey

1010
00:37:40,150 --> 00:37:37,440
i think this case uh is so underrated um

1011
00:37:41,510 --> 00:37:40,160
it's it was so well investigated from

1012
00:37:43,990 --> 00:37:41,520
very tenacious

1013
00:37:45,670 --> 00:37:44,000

researchers from the very start and i

1014

00:37:48,710 --> 00:37:45,680

mean what you guys did

1015

00:37:51,109 --> 00:37:48,720

um over at it's redacted and uh

1016

00:37:53,510 --> 00:37:51,119

basement office new york post uh it's

1017

00:37:56,230 --> 00:37:53,520

adding to the tapestry of this case

1018

00:37:58,150 --> 00:37:56,240

that hopefully we will find out someday

1019

00:37:59,670 --> 00:37:58,160

what actually occurred but um

1020

00:38:01,190 --> 00:37:59,680

yeah is there anything else you want to

1021

00:38:03,270 --> 00:38:01,200

add in terms of the uh

1022

00:38:05,589 --> 00:38:03,280

the o'hare incident before we move on to

1023

00:38:08,630 --> 00:38:05,599

some closing questions here

1024

00:38:10,390 --> 00:38:08,640

yeah just one quick anecdote um

1025

00:38:12,069 --> 00:38:10,400

a personal anecdote that ties into

1026

00:38:14,630 --> 00:38:12,079

chicago which is

1027

00:38:17,030 --> 00:38:14,640

um the way every when you listen to the

1028

00:38:20,790 --> 00:38:17,040

audio the way everyone

1029

00:38:24,069 --> 00:38:20,800

reacts to the ufo is either dismissive

1030

00:38:27,750 --> 00:38:24,079

joking um confusing

1031

00:38:31,270 --> 00:38:27,760

confusion and then joking um

1032

00:38:32,630 --> 00:38:31,280

and almost like uh come on i don't want

1033

00:38:35,030 --> 00:38:32,640

to deal with this

1034

00:38:36,390 --> 00:38:35,040

and i have a relative who's in the

1035

00:38:39,589 --> 00:38:36,400

military

1036

00:38:43,270 --> 00:38:39,599

and who was flying

1037

00:38:46,550 --> 00:38:43,280

near the east coast down um in the navy

1038

00:38:50,390 --> 00:38:46,560

flying near the east coast this is

1039

00:38:53,910 --> 00:38:50,400

a while ago and they he and his crew saw

1040

00:38:57,349 --> 00:38:53,920

a uap at night and

1041

00:38:59,510 --> 00:38:57,359

um my relative who's the pilot

1042

00:39:00,390 --> 00:38:59,520

pointed it out to the crew and they saw

1043

00:39:03,829 --> 00:39:00,400

this

1044

00:39:06,870 --> 00:39:03,839

um thing moving around

1045

00:39:07,750 --> 00:39:06,880

erratically um you know off in the

1046

00:39:10,470 --> 00:39:07,760

distance

1047

00:39:11,109 --> 00:39:10,480

and the first thing that was spoken in

1048

00:39:15,270 --> 00:39:11,119

that

1049

00:39:16,870 --> 00:39:15,280

spoken was i really wish i hadn't seen

1050

00:39:19,829 --> 00:39:16,880

that

1051
00:39:20,790 --> 00:39:19,839
and they were serious because of the

1052
00:39:24,069 --> 00:39:20,800
stigma

1053
00:39:26,630 --> 00:39:24,079
the ridicule the embarrassment it wasn't

1054
00:39:27,589 --> 00:39:26,640
oh my god let's what is this let's find

1055
00:39:29,349 --> 00:39:27,599
out it was i

1056
00:39:31,670 --> 00:39:29,359
really wish i hadn't seen that it was

1057
00:39:32,230 --> 00:39:31,680
just this like it's this weird stigma

1058
00:39:34,550 --> 00:39:32,240
and so

1059
00:39:35,670 --> 00:39:34,560
it reminded me of chicago o'hare of

1060
00:39:38,310 --> 00:39:35,680
everyone reacting

1061
00:39:40,069 --> 00:39:38,320
the exact same way and you know i'm

1062
00:39:41,670 --> 00:39:40,079
hoping with all of the

1063
00:39:43,430 --> 00:39:41,680

the recent news i mean it's it's

1064

00:39:44,950 --> 00:39:43,440

trending on twitter you know at least

1065

00:39:47,109 --> 00:39:44,960

once or twice a month now

1066

00:39:49,430 --> 00:39:47,119

i'm hoping that kind of like it breaks

1067

00:39:51,589 --> 00:39:49,440

that wall down a little bit

1068

00:39:54,630 --> 00:39:51,599

i i hope you're right man because i mean

1069

00:39:57,349 --> 00:39:54,640

that that even traces back to i remember

1070

00:39:58,310 --> 00:39:57,359

recently jacques commented he went to

1071

00:40:00,150 --> 00:39:58,320

norad

1072

00:40:01,510 --> 00:40:00,160

to discuss you know all the work that

1073

00:40:04,069 --> 00:40:01,520

they do and

1074

00:40:05,750 --> 00:40:04,079

he asked them you know okay so you're

1075

00:40:06,950 --> 00:40:05,760

tracking things here that could be a

1076

00:40:09,349 --> 00:40:06,960

potential threat

1077

00:40:10,309 --> 00:40:09,359

things in our skies and everything uh do

1078

00:40:12,710 --> 00:40:10,319

you ever

1079

00:40:14,230 --> 00:40:12,720

come across unknowns things that you

1080

00:40:15,030 --> 00:40:14,240

can't explain and they're like of course

1081

00:40:18,150 --> 00:40:15,040

we do

1082

00:40:21,109 --> 00:40:18,160

thousands and thousands of them and

1083

00:40:22,630 --> 00:40:21,119

valet is just like oh my god so do you

1084

00:40:23,990 --> 00:40:22,640

have reports on these like

1085

00:40:27,030 --> 00:40:24,000

what do you do in that case and they're

1086

00:40:27,829 --> 00:40:27,040

like if we can't identify it or it's not

1087

00:40:30,550 --> 00:40:27,839

a threat

1088

00:40:31,270 --> 00:40:30,560

uh immediately uh we don't do anything

1089

00:40:34,470 --> 00:40:31,280

we don't

1090

00:40:37,430 --> 00:40:34,480

report it we we do nothing with it and

1091

00:40:38,790 --> 00:40:37,440

ah my heart just dropped when he when he

1092

00:40:39,829 --> 00:40:38,800

recalled that because i'm like are you

1093

00:40:41,510 --> 00:40:39,839

kidding me

1094

00:40:43,430 --> 00:40:41,520

thousands and thousands of things you

1095

00:40:45,829 --> 00:40:43,440

can't explain are just

1096

00:40:46,470 --> 00:40:45,839

thrown out and we've heard this time and

1097

00:40:49,349 --> 00:40:46,480

time again

1098

00:40:50,069 --> 00:40:49,359

so can you imagine if every uh pilot

1099

00:40:58,069 --> 00:40:50,079

every

1100

00:41:00,150 --> 00:40:58,079

stewardess or or cabin worker in a plane

1101
00:41:02,069 --> 00:41:00,160
reported what they saw it would be

1102
00:41:04,390 --> 00:41:02,079
amazing i i just

1103
00:41:06,309 --> 00:41:04,400
it astounds me it really does it

1104
00:41:08,950 --> 00:41:06,319
astounds me too and i think it just goes

1105
00:41:09,910 --> 00:41:08,960
back to the ignore what you can't

1106
00:41:13,030 --> 00:41:09,920
control

1107
00:41:21,990 --> 00:41:13,040
it

1108
00:41:26,309 --> 00:41:24,630
yeah well ignore is a good way to

1109
00:41:27,589 --> 00:41:26,319
transition here man i got to get your

1110
00:41:31,109 --> 00:41:27,599
opinion on this

1111
00:41:34,710 --> 00:41:31,119
um the leaked uap

1112
00:41:36,630 --> 00:41:34,720
reports from the supposed uap task force

1113
00:41:39,030 --> 00:41:36,640

uh that came forward in the debrief and

1114

00:41:40,630 --> 00:41:39,040

several other uh companies lately

1115

00:41:42,630 --> 00:41:40,640

what do you make of all this man i mean

1116

00:41:46,150 --> 00:41:42,640

we heard some dramatic stuff

1117

00:41:46,790 --> 00:41:46,160

triangles emerging from water and photos

1118

00:41:48,069 --> 00:41:46,800

uh

1119

00:41:49,670 --> 00:41:48,079

what do you what do you make of this

1120

00:41:51,990 --> 00:41:49,680

entire ordeal going on with these

1121

00:41:53,990 --> 00:41:52,000

reports that we saw

1122

00:41:55,990 --> 00:41:54,000

well yeah i mean obviously that was like

1123

00:42:00,630 --> 00:41:56,000

the main thing that jumped out to me

1124

00:42:01,589 --> 00:42:00,640

was um the the fact that it literally

1125

00:42:04,550 --> 00:42:01,599

says

1126
00:42:06,309 --> 00:42:04,560
you know uap might be coming from the

1127
00:42:09,589 --> 00:42:06,319
world's oceans

1128
00:42:12,950 --> 00:42:09,599
and i don't even think it said some

1129
00:42:15,270 --> 00:42:12,960
i think the exact quote was uap

1130
00:42:18,230 --> 00:42:15,280
might be coming or originating from the

1131
00:42:20,069 --> 00:42:18,240
world's oceans

1132
00:42:22,230 --> 00:42:20,079
and like because of you know i'd done

1133
00:42:25,030 --> 00:42:22,240
the episode on on usos

1134
00:42:26,390 --> 00:42:25,040
like that was the thing that stuck out

1135
00:42:29,510 --> 00:42:26,400
most to me now

1136
00:42:30,069 --> 00:42:29,520
you know when i when i researched my uso

1137
00:42:33,349 --> 00:42:30,079
episode

1138
00:42:35,670 --> 00:42:33,359

you know you you can find um

1139

00:42:37,349 --> 00:42:35,680

you know plans that the navy had for a

1140

00:42:40,550 --> 00:42:37,359

trans-medium

1141

00:42:42,309 --> 00:42:40,560

uh craft back in like the 40s

1142

00:42:44,710 --> 00:42:42,319

you see these drawings of this plane

1143

00:42:46,470 --> 00:42:44,720

that's half playing half submarine

1144

00:42:49,030 --> 00:42:46,480

and you know in the drawing it's it's

1145

00:42:52,069 --> 00:42:49,040

coming out of the ocean going back in

1146

00:42:52,710 --> 00:42:52,079

uh so like you know we know the military

1147

00:42:55,829 --> 00:42:52,720

has

1148

00:42:59,510 --> 00:42:55,839

pursuing this in

1149

00:43:01,510 --> 00:42:59,520

in a way um already has probably

1150

00:43:03,589 --> 00:43:01,520

has it and so you've got to like enter

1151

00:43:06,230 --> 00:43:03,599

that into the equation that

1152

00:43:07,270 --> 00:43:06,240

you know is this uh some kind of of

1153

00:43:10,390 --> 00:43:07,280

black project

1154

00:43:12,950 --> 00:43:10,400

that hasn't been revealed yet um

1155

00:43:14,790 --> 00:43:12,960

but i don't know like when it comes to

1156

00:43:17,910 --> 00:43:14,800

the uaptf

1157

00:43:21,589 --> 00:43:19,910

i don't see it being any different than

1158

00:43:24,870 --> 00:43:21,599

the frustrations that

1159

00:43:28,630 --> 00:43:24,880

lou elizondo ran into with atip

1160

00:43:31,510 --> 00:43:28,640

for example you know like i don't see i

1161

00:43:33,190 --> 00:43:31,520

i just don't see the dod going like ah

1162

00:43:37,589 --> 00:43:33,200

lou was right

1163

00:43:39,190 --> 00:43:37,599

better double down on this it's like i

1164

00:43:40,710 --> 00:43:39,200

don't think so i think

1165

00:43:42,230 --> 00:43:40,720

you know similar to a tip they got

1166

00:43:45,030 --> 00:43:42,240

handed a mandate

1167

00:43:47,349 --> 00:43:45,040

and said do this and they're probably

1168

00:43:49,109 --> 00:43:47,359

like oh god okay fine we'll you know

1169

00:43:52,390 --> 00:43:49,119

we'll do this and so

1170

00:43:53,589 --> 00:43:52,400

um i don't know again i've said it

1171

00:43:56,710 --> 00:43:53,599

before i

1172

00:43:59,750 --> 00:43:56,720

every company brand corporation

1173

00:44:00,390 --> 00:43:59,760

needs a public facing side the side that

1174

00:44:03,030 --> 00:44:00,400

interacts

1175

00:44:04,390 --> 00:44:03,040

one-on-one with the public you know

1176

00:44:05,829 --> 00:44:04,400

different from the business side the

1177

00:44:08,309 --> 00:44:05,839

public-facing side

1178

00:44:09,670 --> 00:44:08,319

and it's all about you know interacting

1179

00:44:11,349 --> 00:44:09,680

with the public and making them feel

1180

00:44:11,829 --> 00:44:11,359

like they're part of the conversation

1181

00:44:14,950 --> 00:44:11,839

and

1182

00:44:16,230 --> 00:44:14,960

i almost feel like uaptf is is like the

1183

00:44:19,349 --> 00:44:16,240

public facing side

1184

00:44:19,750 --> 00:44:19,359

of like the real ufo program yeah you

1185

00:44:21,750 --> 00:44:19,760

know

1186

00:44:23,829 --> 00:44:21,760

it it's like we interact with you and we

1187

00:44:27,030 --> 00:44:23,839

give you little nip you know tidbits and

1188

00:44:27,750 --> 00:44:27,040

we keep you happy and and and complacent

1189

00:44:31,030 --> 00:44:27,760

and stuff

1190

00:44:34,309 --> 00:44:31,040

you know there's no way the ua ptf is

1191

00:44:37,349 --> 00:44:34,319

the one and only ufo program

1192

00:44:40,710 --> 00:44:37,359

it's definitely it a program

1193

00:44:43,750 --> 00:44:40,720

or maybe part of the program or the pr

1194

00:44:46,309 --> 00:44:43,760

side of the program but i don't

1195

00:44:46,950 --> 00:44:46,319

i just don't think i don't think it goes

1196

00:44:50,230 --> 00:44:46,960

that deep

1197

00:44:51,750 --> 00:44:50,240

uaptf yep i i

1198

00:44:54,950 --> 00:44:51,760

again i think you're right i think it's

1199

00:44:57,349 --> 00:44:54,960

just another concerted effort to control

1200

00:44:58,470 --> 00:44:57,359

the information that does get out but

1201
00:44:59,910 --> 00:44:58,480
like you said

1202
00:45:01,990 --> 00:44:59,920
you know there are people fighting that

1203
00:45:03,750 --> 00:45:02,000
fight elizondo included saying

1204
00:45:05,750 --> 00:45:03,760
pentagon we're watching you guys like

1205
00:45:07,190 --> 00:45:05,760
don't let us down or else we're gonna

1206
00:45:09,349 --> 00:45:07,200
knock down walls and

1207
00:45:10,230 --> 00:45:09,359
find this stuff out for ourselves so

1208
00:45:13,030 --> 00:45:10,240
yeah yeah

1209
00:45:13,990 --> 00:45:13,040
there are those i mean it's crazy like

1210
00:45:16,069 --> 00:45:14,000
there are those

1211
00:45:18,150 --> 00:45:16,079
like you said you know like lou whether

1212
00:45:21,349 --> 00:45:18,160
they're buried on the inside

1213
00:45:23,829 --> 00:45:21,359

who are frustrated like luke

1214

00:45:25,349 --> 00:45:23,839

was in his resignation letter of like

1215

00:45:29,510 --> 00:45:25,359

why is no one paying

1216

00:45:33,190 --> 00:45:29,520

more attention to this it's right there

1217

00:45:36,069 --> 00:45:33,200

it's right here let's study this

1218

00:45:36,710 --> 00:45:36,079

you know and uh but we're getting quotes

1219

00:45:39,910 --> 00:45:36,720

we're getting

1220

00:45:41,030 --> 00:45:39,920

actual quotes like might quote might not

1221

00:45:43,190 --> 00:45:41,040

be human

1222

00:45:44,150 --> 00:45:43,200

uh in the new york times article that

1223

00:45:47,190 --> 00:45:44,160

dropped this

1224

00:45:49,750 --> 00:45:47,200

year you know you've got quote off-world

1225

00:45:51,750 --> 00:45:49,760

vehicles not of this earth

1226

00:45:54,390 --> 00:45:51,760

these quotes aren't originating from

1227

00:45:57,109 --> 00:45:54,400

like a dungeons and dragons role-playing

1228

00:45:57,430 --> 00:45:57,119

game in some basement it's coming from

1229

00:45:59,750 --> 00:45:57,440

like

1230

00:46:01,589 --> 00:45:59,760

the pentagon and it's coming from

1231

00:46:02,230 --> 00:46:01,599

pentagon contractors and it's coming

1232

00:46:04,790 --> 00:46:02,240

from

1233

00:46:06,150 --> 00:46:04,800

briefings with classified briefings with

1234

00:46:08,710 --> 00:46:06,160

congressmen

1235

00:46:10,230 --> 00:46:08,720

i mean this is that's some of the

1236

00:46:12,550 --> 00:46:10,240

craziest stuff ever

1237

00:46:14,470 --> 00:46:12,560

what does that mean what does that mean

1238

00:46:16,390 --> 00:46:14,480

and it is progress you know there's a

1239

00:46:17,670 --> 00:46:16,400

lot of people out out there that argue

1240

00:46:20,069 --> 00:46:17,680

what have we learned what have we

1241

00:46:22,150 --> 00:46:20,079

learned from to the stars academy

1242

00:46:23,990 --> 00:46:22,160

or um you know these articles that have

1243

00:46:27,430 --> 00:46:24,000

come out have we truly learned

1244

00:46:29,750 --> 00:46:27,440

anything and i think we've learned that

1245

00:46:31,349 --> 00:46:29,760

the government and military are willing

1246

00:46:34,069 --> 00:46:31,359

to now say

1247

00:46:34,710 --> 00:46:34,079

it's unidentified it might not be from

1248

00:46:37,190 --> 00:46:34,720

here

1249

00:46:38,550 --> 00:46:37,200

it's not russia it's not china and

1250

00:46:39,750 --> 00:46:38,560

that's more than we've gotten in the

1251
00:46:42,470 --> 00:46:39,760
past 70

1252
00:46:44,150 --> 00:46:42,480
plus years of a supposed cover-up so i

1253
00:46:45,270 --> 00:46:44,160
think that's progress in my personal

1254
00:46:48,950 --> 00:46:45,280
opinion

1255
00:46:51,190 --> 00:46:48,960
yeah a hundred percent i mean

1256
00:46:52,710 --> 00:46:51,200
i mean the way the x5 if you look at the

1257
00:46:54,790 --> 00:46:52,720
tv show the x-files of like

1258
00:46:56,069 --> 00:46:54,800
cigarette smoking man who knows

1259
00:46:58,390 --> 00:46:56,079
everything and he's like

1260
00:47:00,550 --> 00:46:58,400
in the basement and like hoarding his

1261
00:47:03,670 --> 00:47:00,560
alien fetuses you know

1262
00:47:06,870 --> 00:47:03,680
and it's like and it's like uh

1263
00:47:08,829 --> 00:47:06,880

um nowadays it's like csm like cigarette

1264

00:47:10,069 --> 00:47:08,839

smoking man's like releasing press

1265

00:47:13,910 --> 00:47:10,079

releases

1266

00:47:16,069 --> 00:47:13,920

right oh man that is such a good point

1267

00:47:17,750 --> 00:47:16,079

absolutely under his pen name

1268

00:47:20,470 --> 00:47:17,760

nonetheless but um

1269

00:47:21,589 --> 00:47:20,480

yeah well all right my man so i have to

1270

00:47:23,109 --> 00:47:21,599

ask you this

1271

00:47:25,430 --> 00:47:23,119

because a lot of my listeners and

1272

00:47:26,150 --> 00:47:25,440

viewers wanted to get your opinion on

1273

00:47:28,470 --> 00:47:26,160

this

1274

00:47:29,829 --> 00:47:28,480

it's something very controversial in the

1275

00:47:32,710 --> 00:47:29,839

ufo community

1276

00:47:34,390 --> 00:47:32,720

um say what you will about that uh but

1277

00:47:37,750 --> 00:47:34,400

they want to know your thoughts

1278

00:47:40,230 --> 00:47:37,760

admiral wilson documents i'm not gonna

1279

00:47:42,390 --> 00:47:40,240

go into it here what they are just

1280

00:47:42,950 --> 00:47:42,400

google it everyone go check it out but

1281

00:47:44,390 --> 00:47:42,960

um

1282

00:47:46,230 --> 00:47:44,400

i know you did cover this on the

1283

00:47:47,430 --> 00:47:46,240

basement office at one point and teased

1284

00:47:49,270 --> 00:47:47,440

it a little bit so

1285

00:47:50,549 --> 00:47:49,280

what do you make of this the admiral

1286

00:47:53,670 --> 00:47:50,559

wilson documents

1287

00:47:57,190 --> 00:47:53,680

and do you think that this thing is real

1288

00:47:58,710 --> 00:47:57,200

is it genuine and uh are we gonna hear

1289

00:48:01,190 --> 00:47:58,720

any more about it with the work that

1290

00:48:03,829 --> 00:48:01,200

you're doing personally

1291

00:48:06,230 --> 00:48:03,839

yeah so you know the wilson documents

1292

00:48:09,510 --> 00:48:06,240

that was

1293

00:48:10,630 --> 00:48:09,520

december or april oh anyway it was in

1294

00:48:13,829 --> 00:48:10,640

2019

1295

00:48:14,230 --> 00:48:13,839

that the leak supposedly happened and

1296

00:48:17,349 --> 00:48:14,240

yeah

1297

00:48:19,910 --> 00:48:17,359

like it printed them out nick and i

1298

00:48:22,069 --> 00:48:19,920

talked about it you know in more general

1299

00:48:24,470 --> 00:48:22,079

terms talking about what a usap is what

1300

00:48:27,589 --> 00:48:24,480

a sap is what's the difference

1301

00:48:29,349 --> 00:48:27,599

um but journal

1302

00:48:30,790 --> 00:48:29,359

let me just start before i get into like

1303

00:48:32,150 --> 00:48:30,800

my personal feelings about it like

1304

00:48:36,069 --> 00:48:32,160

journalistically

1305

00:48:39,510 --> 00:48:36,079

the story isn't there yet it's just

1306

00:48:40,069 --> 00:48:39,520

it's missing like something it's missing

1307

00:48:43,510 --> 00:48:40,079

something

1308

00:48:44,390 --> 00:48:43,520

i it's not ready to be you know i can

1309

00:48:46,549 --> 00:48:44,400

discuss it

1310

00:48:48,150 --> 00:48:46,559

i can give my opinion on it but as in

1311

00:48:50,470 --> 00:48:48,160

like journalistically

1312

00:48:52,630 --> 00:48:50,480

releasing something it needs something i

1313

00:48:55,670 --> 00:48:52,640

mean beyond just a story

1314

00:48:57,589 --> 00:48:55,680

he said he said she said story

1315

00:48:59,829 --> 00:48:57,599

beyond just that kind of surface story

1316

00:49:01,589 --> 00:48:59,839

it's it's it's missing something

1317

00:49:02,870 --> 00:49:01,599

credible you know i'll give you an

1318

00:49:06,549 --> 00:49:02,880

example um

1319

00:49:09,670 --> 00:49:06,559

when i did my uh uap

1320

00:49:11,030 --> 00:49:09,680

pentagon back in may 2019

1321

00:49:13,109 --> 00:49:11,040

when the pentagon released a statement

1322

00:49:15,829 --> 00:49:13,119

to me that yes atip research

1323

00:49:17,030 --> 00:49:15,839

investigated an identified aerial

1324

00:49:20,630 --> 00:49:17,040

phenomenon

1325

00:49:23,190 --> 00:49:20,640

we spent i spent days making sure

1326

00:49:25,030 --> 00:49:23,200

that that was i said in my story this is

1327

00:49:28,470 --> 00:49:25,040

the first time the pentagon has ever

1328

00:49:30,230 --> 00:49:28,480

said spoken these words ufo uap

1329

00:49:32,710 --> 00:49:30,240

they've officially never spoken these

1330

00:49:35,109 --> 00:49:32,720

words i had i went back and i

1331

00:49:37,030 --> 00:49:35,119

dug dug through everything pentagon

1332

00:49:39,190 --> 00:49:37,040

statements previous spokes

1333

00:49:40,710 --> 00:49:39,200

everything going back forever to make

1334

00:49:43,030 --> 00:49:40,720

sure that that was actually

1335

00:49:44,069 --> 00:49:43,040

accurate that i could say that that's

1336

00:49:45,510 --> 00:49:44,079

how much work i mean

1337

00:49:48,230 --> 00:49:45,520

you do that as a journalist you want to

1338

00:49:50,870 --> 00:49:48,240

make sure that everything you're saying

1339

00:49:53,270 --> 00:49:50,880

fits and it it's accurate and so with

1340

00:49:55,069 --> 00:49:53,280

the wilson story oh my god dude what a

1341

00:49:58,069 --> 00:49:55,079

nightmare

1342

00:50:00,230 --> 00:49:58,079

journalistically i mean what a

1343

00:50:01,829 --> 00:50:00,240

nightmare that would that is i mean

1344

00:50:05,030 --> 00:50:01,839

she's like come on

1345

00:50:06,870 --> 00:50:05,040

um you know and so you stop at well i

1346

00:50:10,069 --> 00:50:06,880

can release a story that says

1347

00:50:13,109 --> 00:50:10,079

eric davis says this admiral wilson says

1348

00:50:16,069 --> 00:50:13,119

this you know grant cameron says this

1349

00:50:17,270 --> 00:50:16,079

the end you know i but that's not me

1350

00:50:18,950 --> 00:50:17,280

reporting

1351
00:50:20,710 --> 00:50:18,960
that's not me telling the audience being

1352
00:50:23,510 --> 00:50:20,720
able to provide the audience

1353
00:50:24,390 --> 00:50:23,520
here's why this is true or here's why

1354
00:50:27,990 --> 00:50:24,400
this probably

1355
00:50:30,710 --> 00:50:28,000
isn't true um i can't

1356
00:50:31,270 --> 00:50:30,720
fully get my arms around the whole story

1357
00:50:34,230 --> 00:50:31,280
uh

1358
00:50:36,549 --> 00:50:34,240
yeah as it exists now and i mean look

1359
00:50:39,829 --> 00:50:36,559
look at the story and how it spreads

1360
00:50:42,710 --> 00:50:39,839
on twitter and online it's um it's a

1361
00:50:45,910 --> 00:50:42,720
fascinating story and it's fun

1362
00:50:47,270 --> 00:50:45,920
i mean let's admit it uh to to to go

1363
00:50:49,589 --> 00:50:47,280

there with your mind

1364

00:50:50,950 --> 00:50:49,599

and to picture that car you know and

1365

00:50:54,230 --> 00:50:50,960

them sitting in the car

1366

00:50:56,230 --> 00:50:54,240

and and and like the incognito

1367

00:50:57,829 --> 00:50:56,240

aspect of it and what was discussed

1368

00:51:00,870 --> 00:50:57,839

alien bodies and

1369

00:51:04,309 --> 00:51:00,880

and you know x y and z like that's

1370

00:51:06,390 --> 00:51:04,319

fun but you know let's not

1371

00:51:07,750 --> 00:51:06,400

get ahead of ourselves let's not run

1372

00:51:09,589 --> 00:51:07,760

with that let's not

1373

00:51:11,430 --> 00:51:09,599

get it you know get out of control

1374

00:51:18,630 --> 00:51:11,440

personally

1375

00:51:23,190 --> 00:51:18,640

is if

1376
00:51:25,510 --> 00:51:23,200
it was true that the government

1377
00:51:26,270 --> 00:51:25,520
is in possession has been in possession

1378
00:51:31,910 --> 00:51:26,280
of

1379
00:51:36,230 --> 00:51:34,230
what is outlined in the wilson docks is

1380
00:51:36,870 --> 00:51:36,240
how i personally feel how it would be

1381
00:51:39,910 --> 00:51:36,880
done

1382
00:51:44,230 --> 00:51:39,920
from

1383
00:51:46,710 --> 00:51:44,240
people who are elected and

1384
00:51:47,349 --> 00:51:46,720
in every two four years get it out of

1385
00:51:50,630 --> 00:51:47,359
there

1386
00:51:52,549 --> 00:51:50,640
put it somewhere else permanent um

1387
00:51:54,309 --> 00:51:52,559
where it can be studied properly you

1388
00:51:56,390 --> 00:51:54,319

know unacknowledged and

1389

00:51:58,390 --> 00:51:56,400

and those things rang true to me

1390

00:52:01,030 --> 00:51:58,400

personally like in my head i was like

1391

00:52:02,950 --> 00:52:01,040

okay yeah if this was actually true then

1392

00:52:06,710 --> 00:52:02,960

maybe this is probably how you would

1393

00:52:09,670 --> 00:52:06,720

you would do it um so that's like that's

1394

00:52:10,790 --> 00:52:09,680

how i feel about it personally yeah yeah

1395

00:52:13,109 --> 00:52:10,800

i i think i'm

1396

00:52:14,870 --> 00:52:13,119

i'm on board with you on that the uh the

1397

00:52:15,589 --> 00:52:14,880

more i know about it the less i know

1398

00:52:18,150 --> 00:52:15,599

about it

1399

00:52:18,790 --> 00:52:18,160

absolutely so um yeah it's fun it's

1400

00:52:20,470 --> 00:52:18,800

exciting

1401
00:52:22,069 --> 00:52:20,480
we'll see where it leads i know there's

1402
00:52:22,710 --> 00:52:22,079
a lot of people out there who are very

1403
00:52:25,829 --> 00:52:22,720
adamant

1404
00:52:27,750 --> 00:52:25,839
that this is real this happened and hey

1405
00:52:29,510 --> 00:52:27,760
the meeting probably happened i can

1406
00:52:32,549 --> 00:52:29,520
admit that it probably

1407
00:52:33,829 --> 00:52:32,559
things were said now what was said and

1408
00:52:37,349 --> 00:52:33,839
if that is true is a

1409
00:52:39,349 --> 00:52:37,359
whole whole other story yeah the only

1410
00:52:40,710 --> 00:52:39,359
the only thing that can be confirmed

1411
00:52:43,750 --> 00:52:40,720
meaning

1412
00:52:45,030 --> 00:52:43,760
that i'm comfortable about is the

1413
00:52:48,470 --> 00:52:45,040

meeting with

1414

00:52:51,750 --> 00:52:48,480

you know edgar mitchell um the

1415

00:52:52,870 --> 00:52:51,760

meeting wilson uh and davis and edgar

1416

00:52:55,589 --> 00:52:52,880

mitchell the former

1417

00:52:56,870 --> 00:52:55,599

you know astronaut like all parties

1418

00:52:59,109 --> 00:52:56,880

agree that that meeting

1419

00:53:00,069 --> 00:52:59,119

occurred like everyone is on board

1420

00:53:01,589 --> 00:53:00,079

wilson himself so

1421

00:53:03,910 --> 00:53:01,599

you know he acknowledges that that

1422

00:53:04,549 --> 00:53:03,920

meeting happened now the scope of that

1423

00:53:06,069 --> 00:53:04,559

meeting

1424

00:53:07,589 --> 00:53:06,079

you know maybe has been embellished a

1425

00:53:10,549 --> 00:53:07,599

bit you know

1426
00:53:11,589 --> 00:53:10,559
and i also got to say we have to be

1427
00:53:14,630 --> 00:53:11,599
careful man like

1428
00:53:17,030 --> 00:53:14,640
there's a lot of embellishment and

1429
00:53:19,589 --> 00:53:17,040
in just in ufo reporting in general and

1430
00:53:23,589 --> 00:53:19,599
like hell i'm guilty of it sometimes

1431
00:53:25,510 --> 00:53:23,599
we all you know just just be just um

1432
00:53:26,950 --> 00:53:25,520
the way we talk about it the way we

1433
00:53:28,470 --> 00:53:26,960
present a story

1434
00:53:30,309 --> 00:53:28,480
not that the story is embellished but

1435
00:53:32,390 --> 00:53:30,319
the way the excitement

1436
00:53:34,309 --> 00:53:32,400
you know sometimes it's like i've said

1437
00:53:34,950 --> 00:53:34,319
previously it's fun and what the wilson

1438
00:53:38,870 --> 00:53:34,960

thing

1439

00:53:42,069 --> 00:53:38,880

is i i think there's some

1440

00:53:44,549 --> 00:53:42,079

embellishment going on um

1441

00:53:45,589 --> 00:53:44,559

with it there's just i just and the

1442

00:53:49,670 --> 00:53:45,599

thing that bugs me

1443

00:53:51,589 --> 00:53:49,680

is if it's true man like

1444

00:53:53,270 --> 00:53:51,599

what is that information doing like

1445

00:53:56,309 --> 00:53:53,280

floating around

1446

00:53:58,630 --> 00:53:56,319

like some dude's some dude's computer

1447

00:54:01,030 --> 00:53:58,640

like in canada like and what's it doing

1448

00:54:04,069 --> 00:54:01,040

like what's it doing on injure

1449

00:54:07,109 --> 00:54:04,079

you know.com chillin yeah

1450

00:54:08,549 --> 00:54:07,119

it's like uh if if that's like the

1451

00:54:12,230 --> 00:54:08,559

biggest ultimate secret

1452

00:54:16,470 --> 00:54:12,240

on planet earth it's just like um

1453

00:54:20,069 --> 00:54:16,480

it doesn't smell like a snowden reveal

1454

00:54:22,790 --> 00:54:20,079

or a a julian assange reveal you know

1455

00:54:24,470 --> 00:54:22,800

the the flip to that is you know they

1456

00:54:26,870 --> 00:54:24,480

went after cenote and they went after

1457

00:54:29,990 --> 00:54:26,880

assange and it validated

1458

00:54:31,670 --> 00:54:30,000

what they released and so you know maybe

1459

00:54:33,510 --> 00:54:31,680

maybe if you go after the folks who

1460

00:54:37,270 --> 00:54:33,520

leaked these documents

1461

00:54:40,549 --> 00:54:38,870

that's such a good point you know i've

1462

00:54:42,150 --> 00:54:40,559

been looking a lot and i've looked in

1463

00:54:44,710 --> 00:54:42,160

the past at these uh

1464

00:54:46,230 --> 00:54:44,720

ufo hacker whistleblowers whether it's

1465

00:54:48,630 --> 00:54:46,240

gary mckinnon uh

1466

00:54:49,349 --> 00:54:48,640

this other dude matthew bevin who did it

1467

00:54:52,630 --> 00:54:49,359

like

1468

00:54:55,670 --> 00:54:52,640

i think 10 years prior 15 years prior to

1469

00:54:56,870 --> 00:54:55,680

mckinnon hacked into like nasa and nsa

1470

00:54:58,470 --> 00:54:56,880

and all this stuff

1471

00:55:01,109 --> 00:54:58,480

to find ufo information and lo and

1472

00:55:02,230 --> 00:55:01,119

behold both of them found stuff but when

1473

00:55:05,190 --> 00:55:02,240

they were caught

1474

00:55:07,190 --> 00:55:05,200

arrested and uh mckinnon at least was

1475

00:55:08,150 --> 00:55:07,200

going to be extradited to the united

1476

00:55:10,230 --> 00:55:08,160

states to

1477

00:55:11,349 --> 00:55:10,240

face prison time on these things uh

1478

00:55:12,789 --> 00:55:11,359

bevin was going to have to pay a

1479

00:55:16,309 --> 00:55:12,799

ridiculous amount of money

1480

00:55:18,549 --> 00:55:16,319

for the damage he caused in security uh

1481

00:55:20,710 --> 00:55:18,559

the courts couldn't do anything because

1482

00:55:24,150 --> 00:55:20,720

the government wasn't willing to share

1483

00:55:25,910 --> 00:55:24,160

anything that they found like nothing

1484

00:55:27,589 --> 00:55:25,920

and that's understandable it could be

1485

00:55:29,750 --> 00:55:27,599

national security purposes

1486

00:55:30,870 --> 00:55:29,760

but then what do you do you can't charge

1487

00:55:32,789 --> 00:55:30,880

them with anything if

1488

00:55:34,390 --> 00:55:32,799

uh they're saying no comment well what

1489

00:55:37,349 --> 00:55:34,400

did he find no comment

1490

00:55:37,750 --> 00:55:37,359

then what did he do wrong no comment you

1491

00:55:40,390 --> 00:55:37,760

know

1492

00:55:42,230 --> 00:55:40,400

it's it's tough it's tough so yeah it's

1493

00:55:46,150 --> 00:55:42,240

always a catch-22

1494

00:55:49,190 --> 00:55:46,160

yeah yeah um well all right my man well

1495

00:55:52,630 --> 00:55:49,200

looking backward and looking forward

1496

00:55:54,950 --> 00:55:52,640

2020 was a hell of a year for

1497

00:55:55,990 --> 00:55:54,960

all of humanity but here in the ufo

1498

00:55:58,390 --> 00:55:56,000

world

1499

00:56:00,390 --> 00:55:58,400

a lot happened so i gotta ask you what

1500

00:56:02,789 --> 00:56:00,400

is your favorite thing

1501
00:56:05,750 --> 00:56:02,799
in 2020 that happened with this topic

1502
00:56:09,990 --> 00:56:05,760
anything really stick out to you

1503
00:56:14,870 --> 00:56:13,109
i mean it at the beginning of 2020 there

1504
00:56:17,990 --> 00:56:14,880
were two things that

1505
00:56:21,030 --> 00:56:18,000
i i'm rather new to this

1506
00:56:22,390 --> 00:56:21,040
you know when i say that ufos uh

1507
00:56:24,150 --> 00:56:22,400
you know i've had a i've had a long

1508
00:56:25,349 --> 00:56:24,160
career where ufos were not part of my

1509
00:56:28,710 --> 00:56:25,359
daily life

1510
00:56:29,510 --> 00:56:28,720
right and as someone relatively new to

1511
00:56:32,789 --> 00:56:29,520
this

1512
00:56:34,870 --> 00:56:32,799
uh the i believe was february uh tim

1513
00:56:39,750 --> 00:56:34,880

mcmillan's lou elizondo

1514

00:56:45,750 --> 00:56:42,870

wow that was like awesome that really

1515

00:56:46,390 --> 00:56:45,760

that hit me really deeply because lou

1516

00:56:53,750 --> 00:56:46,400

was

1517

00:56:56,789 --> 00:56:53,760

not 100 sure about lou

1518

00:56:58,710 --> 00:56:56,799

myself personally and

1519

00:56:59,990 --> 00:56:58,720

um you know i was leaning towards he's

1520

00:57:03,270 --> 00:57:00,000

legit because

1521

00:57:03,990 --> 00:57:03,280

but yeah so tim's popular mechanics

1522

00:57:07,190 --> 00:57:04,000

article

1523

00:57:09,030 --> 00:57:07,200

in february 2020 that was when

1524

00:57:10,309 --> 00:57:09,040

things started really getting real for

1525

00:57:13,030 --> 00:57:10,319

me um

1526
00:57:14,069 --> 00:57:13,040
as regards to atip awesome and

1527
00:57:16,150 --> 00:57:14,079
everything going on

1528
00:57:17,829 --> 00:57:16,160
behind the scenes there so i think that

1529
00:57:18,789 --> 00:57:17,839
was a really big awesome article and

1530
00:57:22,549 --> 00:57:18,799
then

1531
00:57:25,510 --> 00:57:22,559
soon after that when the the pentagon

1532
00:57:26,950 --> 00:57:25,520
released officially released the three

1533
00:57:29,349 --> 00:57:26,960
videos

1534
00:57:30,470 --> 00:57:29,359
everybody and their brother and sister

1535
00:57:33,589 --> 00:57:30,480
had already seen

1536
00:57:35,910 --> 00:57:33,599
since 2017 the fact that

1537
00:57:38,069 --> 00:57:35,920
the government is coming out and going

1538
00:57:40,789 --> 00:57:38,079

all right you got you got us like yeah

1539

00:57:44,910 --> 00:57:40,799

these are ours and yeah they're official

1540

00:57:47,829 --> 00:57:44,920

and in that release these are still

1541

00:57:49,670 --> 00:57:47,839

unidentified like the fact that the

1542

00:57:52,360 --> 00:57:49,680

pentagon is releasing this stuff

1543

00:57:53,510 --> 00:57:52,370

and saying that is i was like wow

1544

00:57:56,789 --> 00:57:53,520

[Music]

1545

00:57:58,549 --> 00:57:56,799

yeah give me chills yeah yeah

1546

00:58:00,630 --> 00:57:58,559

we've come a long way man you know i

1547

00:58:02,230 --> 00:58:00,640

mean there's cynical ufo researchers out

1548

00:58:04,470 --> 00:58:02,240

there have been doing this for

1549

00:58:05,510 --> 00:58:04,480

50 plus years and i don't blame them

1550

00:58:07,910 --> 00:58:05,520

we're let down

1551
00:58:08,710 --> 00:58:07,920
constantly in this field and with this

1552
00:58:11,430 --> 00:58:08,720
topic

1553
00:58:12,309 --> 00:58:11,440
but um i think we're living in exciting

1554
00:58:14,710 --> 00:58:12,319
times i

1555
00:58:15,910 --> 00:58:14,720
really do think we're on the precipice

1556
00:58:18,470 --> 00:58:15,920
of something big

1557
00:58:20,549 --> 00:58:18,480
and it's taking citizen journalists it's

1558
00:58:21,190 --> 00:58:20,559
taking independent ufo researchers it's

1559
00:58:23,750 --> 00:58:21,200
taking

1560
00:58:24,470 --> 00:58:23,760
even the mainstream media uh to put the

1561
00:58:27,670 --> 00:58:24,480
pressure

1562
00:58:29,349 --> 00:58:27,680
on the government to tell us and

1563
00:58:31,589 --> 00:58:29,359

it's not something i ever thought i

1564

00:58:33,430 --> 00:58:31,599

would see in my lifetime and i'm not

1565

00:58:35,349 --> 00:58:33,440

talking a grand disclosure

1566

00:58:37,030 --> 00:58:35,359

we're gonna get all the answers i don't

1567

00:58:40,549 --> 00:58:37,040

believe in that whatsoever

1568

00:58:43,349 --> 00:58:40,559

but it's a process it really is and

1569

00:58:44,069 --> 00:58:43,359

elizondo chris mellon um all these

1570

00:58:46,549 --> 00:58:44,079

people

1571

00:58:47,670 --> 00:58:46,559

uh john greenwald uh who have been

1572

00:58:49,910 --> 00:58:47,680

putting pressure

1573

00:58:50,789 --> 00:58:49,920

on the government for so long to get

1574

00:58:53,430 --> 00:58:50,799

information

1575

00:58:55,190 --> 00:58:53,440

understand it's a process and that they

1576

00:58:58,150 --> 00:58:55,200

do have to apply pressure

1577

00:58:59,510 --> 00:58:58,160

so i'm very thankful for everyone in the

1578

00:59:02,309 --> 00:58:59,520

ufo field out there

1579

00:59:04,470 --> 00:59:02,319

doing it um everything from ufo twitter

1580

00:59:05,510 --> 00:59:04,480

the activism you've seen on there from a

1581

00:59:08,549 --> 00:59:05,520

lot of people

1582

00:59:09,349 --> 00:59:08,559

they are a hungry hungry passionate

1583

00:59:12,150 --> 00:59:09,359

group

1584

00:59:14,150 --> 00:59:12,160

no matter what you believe or if you

1585

00:59:15,270 --> 00:59:14,160

agree or disagree with the way certain

1586

00:59:16,630 --> 00:59:15,280

people do things

1587

00:59:18,789 --> 00:59:16,640

hey man we're all in this together

1588

00:59:20,230 --> 00:59:18,799

trying to find answers so i think it's

1589

00:59:22,549 --> 00:59:20,240

awesome i think it's a

1590

00:59:24,470 --> 00:59:22,559

cohesion that we have not seen in a

1591

00:59:26,230 --> 00:59:24,480

while and it's a transparency by the

1592

00:59:29,430 --> 00:59:26,240

government to the public

1593

00:59:31,430 --> 00:59:29,440

that we haven't seen ever so i'm looking

1594

00:59:32,950 --> 00:59:31,440

forward to whatever's to come in 2021

1595

00:59:35,430 --> 00:59:32,960

so what do you think what are your hopes

1596

00:59:38,309 --> 00:59:35,440

for 2021 what do you want

1597

00:59:38,789 --> 00:59:38,319

stephen great street in the ufo field in

1598

00:59:42,230 --> 00:59:38,799

the uh

1599

00:59:45,589 --> 00:59:42,240

the coming new year well i think it's

1600

00:59:47,829 --> 00:59:45,599

it's time for some real talk

1601
00:59:49,670 --> 00:59:47,839
you know you can only get away the

1602
00:59:51,589 --> 00:59:49,680
pentagon can only get away with this is

1603
00:59:54,789 --> 00:59:51,599
unidentified we don't know

1604
00:59:57,109 --> 00:59:54,799
for so long you know there exists you

1605
00:59:57,829 --> 00:59:57,119
know as nick pope says there exists a

1606
01:00:01,030 --> 00:59:57,839
best

1607
01:00:03,430 --> 01:00:01,040
current assessment it exists

1608
01:00:05,430 --> 01:00:03,440
a best current assessment a guesstimate

1609
01:00:08,230 --> 01:00:05,440
whatever educated guess as to what it is

1610
01:00:10,470 --> 01:00:08,240
that exists so we gotta what i'm looking

1611
01:00:14,069 --> 01:00:10,480
for in 2021 are more specifics

1612
01:00:16,470 --> 01:00:14,079
beyond unidentified i'd like to uh

1613
01:00:17,270 --> 01:00:16,480

begin getting into officially on the

1614

01:00:19,430 --> 01:00:17,280

record

1615

01:00:20,789 --> 01:00:19,440

from the government a best current

1616

01:00:23,109 --> 01:00:20,799

assessment

1617

01:00:24,710 --> 01:00:23,119

and you know i don't want

1618

01:00:27,670 --> 01:00:24,720

generalizations like we need to start

1619

01:00:28,309 --> 01:00:27,680

getting into the the observables the

1620

01:00:29,990 --> 01:00:28,319

science

1621

01:00:31,750 --> 01:00:30,000

you know things like that and and more

1622

01:00:33,430 --> 01:00:31,760

people than just like eric davis for

1623

01:00:34,470 --> 01:00:33,440

example need to be out there in new york

1624

01:00:35,990 --> 01:00:34,480

times articles

1625

01:00:38,309 --> 01:00:36,000

so i'm looking forward to that like the

1626
01:00:40,870 --> 01:00:38,319
new voices people we've never heard of

1627
01:00:42,710 --> 01:00:40,880
yet those people like coming out and

1628
01:00:44,710 --> 01:00:42,720
going on the record

1629
01:00:46,150 --> 01:00:44,720
absolutely and dude i mean i was

1630
01:00:48,230 --> 01:00:46,160
considered uh

1631
01:00:50,309 --> 01:00:48,240
one of the young guns or whatever of

1632
01:00:52,309 --> 01:00:50,319
ufology for a really long time

1633
01:00:53,670 --> 01:00:52,319
and now i'm not one of them and that

1634
01:00:55,349 --> 01:00:53,680
actually really excites me i'm not

1635
01:00:57,510 --> 01:00:55,359
looking forward to losing my hair

1636
01:00:58,789 --> 01:00:57,520
and you know getting the dad bod and

1637
01:01:01,349 --> 01:00:58,799
everything but

1638
01:01:03,510 --> 01:01:01,359

um i think it's incredible that i can

1639

01:01:05,829 --> 01:01:03,520

now talk to people on twitter and

1640

01:01:07,190 --> 01:01:05,839

facebook whatever um about this topic

1641

01:01:09,430 --> 01:01:07,200

and they're researching it

1642

01:01:10,710 --> 01:01:09,440

and they're 10 years younger than me

1643

01:01:13,430 --> 01:01:10,720

that's awesome

1644

01:01:14,549 --> 01:01:13,440

and like you said new people i mean

1645

01:01:17,030 --> 01:01:14,559

let's look at

1646

01:01:18,230 --> 01:01:17,040

the scientific groups out there

1647

01:01:20,230 --> 01:01:18,240

organizations

1648

01:01:21,589 --> 01:01:20,240

that are around the scientific coalition

1649

01:01:24,950 --> 01:01:21,599

of uap studies

1650

01:01:28,950 --> 01:01:24,960

uh ufo data ufo dap

1651
01:01:30,150 --> 01:01:28,960
skyhub these incredible scientists and

1652
01:01:32,710 --> 01:01:30,160
engineers

1653
01:01:34,630 --> 01:01:32,720
are creating things to monitor ufo

1654
01:01:37,270 --> 01:01:34,640
activity like never before

1655
01:01:37,990 --> 01:01:37,280
so there you go man that's showing the

1656
01:01:41,430 --> 01:01:38,000
government

1657
01:01:42,470 --> 01:01:41,440
or or nasa even like fine if you're not

1658
01:01:44,950 --> 01:01:42,480
going to do the work

1659
01:01:46,390 --> 01:01:44,960
we're going to do it for you so i think

1660
01:01:47,990 --> 01:01:46,400
that's exciting and i look forward to

1661
01:01:51,030 --> 01:01:48,000
what all those groups are doing

1662
01:01:52,950 --> 01:01:51,040
in the next or so yeah

1663
01:01:54,870 --> 01:01:52,960

yep well that's all i got for you

1664

01:01:56,630 --> 01:01:54,880

brother i'm so happy we got to cover

1665

01:01:58,870 --> 01:01:56,640

this event i've never covered

1666

01:02:00,789 --> 01:01:58,880

chicago o'hare on the show before so we

1667

01:02:02,710 --> 01:02:00,799

kind of only scratched the surface

1668

01:02:04,230 --> 01:02:02,720

but um like i said thank you for the

1669

01:02:07,349 --> 01:02:04,240

work that you did

1670

01:02:10,950 --> 01:02:07,359

and um it's rejected on this it's it's

1671

01:02:13,510 --> 01:02:10,960

awesome um again any evidence

1672

01:02:15,349 --> 01:02:13,520

and testimony and context we can have

1673

01:02:18,150 --> 01:02:15,359

for these events only adds

1674

01:02:19,990 --> 01:02:18,160

to uh this process of disclosure that

1675

01:02:22,870 --> 01:02:20,000

hopefully we're living in um

1676

01:02:24,789 --> 01:02:22,880

so last question for you what comes next

1677

01:02:25,510 --> 01:02:24,799

the ball is in the air what comes next

1678

01:02:28,950 --> 01:02:25,520

for you

1679

01:02:32,470 --> 01:02:28,960

in your work in this field my man

1680

01:02:35,670 --> 01:02:32,480

ah not too sure actually

1681

01:02:37,670 --> 01:02:35,680

that is the perfect answer uh

1682

01:02:38,789 --> 01:02:37,680

there's some things there's some things

1683

01:02:41,510 --> 01:02:38,799

there on you know

1684

01:02:44,150 --> 01:02:41,520

being worked on uh there's nothing

1685

01:02:46,549 --> 01:02:44,160

serious i'm always kind of like looking

1686

01:02:48,230 --> 01:02:46,559

uh for the next thing i mean basement is

1687

01:02:51,029 --> 01:02:48,240

always there and i'm hoping you know in

1688

01:02:53,190 --> 01:02:51,039

2021 with like the vaccine and like

1689

01:02:54,549 --> 01:02:53,200

you know you know hopefully we can get

1690

01:02:55,829 --> 01:02:54,559

out of the weeds soon because i'd really

1691

01:02:58,230 --> 01:02:55,839

like to do that show right

1692

01:03:00,069 --> 01:02:58,240

you know again uh but yeah i got a

1693

01:03:02,789 --> 01:03:00,079

couple things but nothing i'm

1694

01:03:04,789 --> 01:03:02,799

ready to announce yet that's totally

1695

01:03:07,750 --> 01:03:04,799

fair brother well in the meantime

1696

01:03:08,470 --> 01:03:07,760

uh i know that uh we have not heard or

1697

01:03:09,829 --> 01:03:08,480

seen

1698

01:03:11,510 --> 01:03:09,839

the last of what's to come with the

1699

01:03:14,150 --> 01:03:11,520

chicago o'hare incident

1700

01:03:16,069 --> 01:03:14,160

uh you and i are gonna dig in a little

1701

01:03:18,630 --> 01:03:16,079

deeper into some leads that we've

1702

01:03:19,190 --> 01:03:18,640

come across so i look forward to what

1703

01:03:21,349 --> 01:03:19,200

comes

1704

01:03:22,390 --> 01:03:21,359

with that so you and i have to get to

1705

01:03:24,549 --> 01:03:22,400

work so

1706

01:03:26,710 --> 01:03:24,559

i'm gonna cut it here let's go do our

1707

01:03:27,109 --> 01:03:26,720

thing and i will see you in the new year

1708

01:03:30,410 --> 01:03:27,119

brother

1709

01:03:56,829 --> 01:03:30,420

thank you all right man later

1710

01:04:14,309 --> 01:03:58,260

so
