

# SOMEWHERE IN THE SKIES

THE NEXT CHAPTER  
LUIS ELIZONDO & SEAN CAHILL

1  
00:00:06,710 --> 00:00:04,309  
in 2017

2  
00:00:09,430 --> 00:00:06,720  
the new york times published a story

3  
00:00:10,150 --> 00:00:09,440  
that exposed a highly secretive pentagon

4  
00:00:13,589 --> 00:00:10,160  
unit

5  
00:00:16,870 --> 00:00:13,599  
that studied ufos it was known

6  
00:00:17,990 --> 00:00:16,880  
as atip the advanced aerospace threat

7  
00:00:21,269 --> 00:00:18,000  
identification

8  
00:00:25,109 --> 00:00:21,279  
program it was directed by a man

9  
00:00:26,870 --> 00:00:25,119  
named luis elizondo elizondo was a

10  
00:00:29,509 --> 00:00:26,880  
former special agent

11  
00:00:32,069 --> 00:00:29,519  
and senior counterintelligence officer

12  
00:00:34,470 --> 00:00:32,079  
for the department of defense

13  
00:00:36,470 --> 00:00:34,480

after leaving the program elizondo

14

00:00:39,990 --> 00:00:36,480

helped facilitate the release

15

00:00:43,190 --> 00:00:40,000

of three videos taken by navy pilots

16

00:00:45,270 --> 00:00:43,200

of unidentified aerial objects

17

00:00:46,630 --> 00:00:45,280

which were officially released by the

18

00:00:49,750 --> 00:00:46,640

department of defense

19

00:00:53,350 --> 00:00:49,760

and acknowledged as genuine unknown

20

00:00:55,350 --> 00:00:53,360

aerial phenomena one of those cases

21

00:00:57,590 --> 00:00:55,360

elizondo investigated while in the

22

00:00:59,430 --> 00:00:57,600

pentagon and one of the videos he would

23

00:01:02,389 --> 00:00:59,440

subsequently help release

24

00:01:04,390 --> 00:01:02,399

was from an event known as the nimitz

25

00:01:07,510 --> 00:01:04,400

ufo incident

26  
00:01:09,830 --> 00:01:07,520  
for several days in november of 2004

27  
00:01:12,310 --> 00:01:09,840  
a navy missile cruiser sailing around

28  
00:01:13,190 --> 00:01:12,320  
100 miles off the coast of southern

29  
00:01:16,230 --> 00:01:13,200  
california

30  
00:01:18,550 --> 00:01:16,240  
detected strange radar signals emanating

31  
00:01:21,190 --> 00:01:18,560  
from an object in the sky

32  
00:01:22,950 --> 00:01:21,200  
the signals were erratic and didn't seem

33  
00:01:26,310 --> 00:01:22,960  
to match those given off by

34  
00:01:29,190 --> 00:01:26,320  
known aircraft the navy then deployed

35  
00:01:31,830 --> 00:01:29,200  
fighter jets to catch a closer glimpse

36  
00:01:36,310 --> 00:01:31,840  
and one succeeded in recording a video

37  
00:01:39,350 --> 00:01:36,320  
of what is now known as the tic tac ufo

38  
00:01:40,870 --> 00:01:39,360

countless officers witnessed the ufo

39

00:01:43,190 --> 00:01:40,880

activity that day

40

00:01:44,310 --> 00:01:43,200

and one of those witnesses was chief

41

00:01:48,469 --> 00:01:44,320

petty officer

42

00:01:52,149 --> 00:01:48,479

and chief master at arms sean cahill

43

00:01:55,670 --> 00:01:52,159

today we speak to both luis elizondo

44

00:01:56,709 --> 00:01:55,680

and sean cahill this is somewhere in the

45

00:02:20,830 --> 00:01:56,719

skies

46

00:02:22,110 --> 00:02:20,840

[Music]

47

00:02:32,229 --> 00:02:22,120

spread

48

00:02:35,830 --> 00:02:34,229

welcome everyone to somewhere in the

49

00:02:38,630 --> 00:02:35,840

skies and this has been an

50

00:02:39,430 --> 00:02:38,640

interview a really long time in the

51

00:02:42,390 --> 00:02:39,440

making

52

00:02:44,470 --> 00:02:42,400

and it even got better in the last

53

00:02:46,790 --> 00:02:44,480

couple days so i'm not going to waste

54

00:02:48,390 --> 00:02:46,800

any time we have a ton of listener

55

00:02:51,589 --> 00:02:48,400

questions i want to get to

56

00:02:53,190 --> 00:02:51,599

so right now for the first time ever two

57

00:02:55,589 --> 00:02:53,200

first-time guests to somewhere in the

58

00:02:58,710 --> 00:02:55,599

skies i have lou elizondo

59

00:03:00,630 --> 00:02:58,720

and sean cahill gentlemen thank you so

60

00:03:02,390 --> 00:03:00,640

much for joining me today

61

00:03:04,309 --> 00:03:02,400

good morning ryan hey ryan thanks a lot

62

00:03:07,270 --> 00:03:04,319

appreciate the opportunity

63

00:03:08,149 --> 00:03:07,280

um well let's not waste any time guys i

64

00:03:10,630 --> 00:03:08,159

mean

65

00:03:12,710 --> 00:03:10,640

the fact that you're in a room together

66

00:03:14,630 --> 00:03:12,720

uh that's going to be a very obvious

67

00:03:16,070 --> 00:03:14,640

question that i think a lot of listeners

68

00:03:17,990 --> 00:03:16,080

are going to want to know we will get

69

00:03:19,509 --> 00:03:18,000

there but um let's just

70

00:03:22,149 --> 00:03:19,519

let's go right into it i don't want to

71

00:03:25,589 --> 00:03:22,159

assume that all my viewers and listeners

72

00:03:27,509 --> 00:03:25,599

know who all my guests are so if each of

73

00:03:28,070 --> 00:03:27,519

you could just give like a brief rundown

74

00:03:30,309 --> 00:03:28,080

of

75

00:03:31,910 --> 00:03:30,319

who you are what you do um luke would

76

00:03:32,789 --> 00:03:31,920

you mind starting with your military

77

00:03:36,869 --> 00:03:32,799

background and

78

00:03:39,190 --> 00:03:36,879

how you got involved with atip yeah um

79

00:03:40,869 --> 00:03:39,200

obviously had a long career with the

80

00:03:42,309 --> 00:03:40,879

united states government primarily in

81

00:03:43,750 --> 00:03:42,319

the world of national security spent a

82

00:03:46,470 --> 00:03:43,760

little time

83

00:03:47,750 --> 00:03:46,480

in uniform in the united states army and

84

00:03:49,990 --> 00:03:47,760

then was kind of pulled away and

85

00:03:52,149 --> 00:03:50,000

recruited into some special activities

86

00:03:53,110 --> 00:03:52,159

i spent a good portion of my earlier

87

00:03:56,390 --> 00:03:53,120

career uh

88

00:03:59,509 --> 00:03:56,400

in latin america area of operation

89

00:04:01,589 --> 00:03:59,519  
chasing drug dealers and then performing

90

00:04:04,630 --> 00:04:01,599  
counter insurgency operations

91

00:04:05,429 --> 00:04:04,640  
uh and then um kind of moved around a

92

00:04:07,350 --> 00:04:05,439  
little bit and

93

00:04:09,350 --> 00:04:07,360  
after 911 was focused primarily on

94

00:04:13,190 --> 00:04:09,360  
counter-terrorism operations

95

00:04:14,869 --> 00:04:13,200  
and uh and counter-espionage um i was a

96

00:04:16,710 --> 00:04:14,879  
trained special agent uh

97

00:04:18,229 --> 00:04:16,720  
counterintelligence special agent

98

00:04:19,590 --> 00:04:18,239  
worked a lot of joint investigations

99

00:04:21,270 --> 00:04:19,600  
with a lot of great folks and a lot of

100

00:04:25,350 --> 00:04:21,280  
great organizations

101  
00:04:27,670 --> 00:04:25,360  
and um in 2008 i was asked to be part

102  
00:04:29,430 --> 00:04:27,680  
based upon my counterintelligence skills

103  
00:04:32,070 --> 00:04:29,440  
be part of a program

104  
00:04:33,030 --> 00:04:32,080  
uh that at the time was very wasn't very

105  
00:04:34,469 --> 00:04:33,040  
well known at all

106  
00:04:36,550 --> 00:04:34,479  
it was called the advanced aerospace

107  
00:04:38,150 --> 00:04:36,560  
threat identification program

108  
00:04:39,909 --> 00:04:38,160  
uh which now i guess more people are

109  
00:04:43,189 --> 00:04:39,919  
familiar with as atip and

110  
00:04:44,390 --> 00:04:43,199  
uh in 2010 i i was responsible i took

111  
00:04:47,110 --> 00:04:44,400  
over that program

112  
00:04:47,990 --> 00:04:47,120  
um let me caveat when i say took over it

113  
00:04:51,110 --> 00:04:48,000

we had some

114

00:04:53,189 --> 00:04:51,120

tremendous fine men and women uh working

115

00:04:54,550 --> 00:04:53,199

that program and if anybody's ever

116

00:04:57,590 --> 00:04:54,560

worked with me before they know

117

00:04:59,670 --> 00:04:57,600

i run a very flat organization um

118

00:05:01,990 --> 00:04:59,680

because i was the most senior guy i was

119

00:05:03,909 --> 00:05:02,000

i was obviously the guy in charge but

120

00:05:05,270 --> 00:05:03,919

um it was really a team effort and i

121

00:05:07,110 --> 00:05:05,280

want to make sure that's clear i think a

122

00:05:08,390 --> 00:05:07,120

lot of people think that oh you know

123

00:05:10,310 --> 00:05:08,400

you sit in a big chair and you just

124

00:05:12,469 --> 00:05:10,320

direct traffic that's not that's not at

125

00:05:14,710 --> 00:05:12,479

all how this worked we were a team

126  
00:05:17,909 --> 00:05:14,720  
from the beginning and uh to the day i

127  
00:05:20,469 --> 00:05:17,919  
uh i resigned my position in 2017

128  
00:05:22,390 --> 00:05:20,479  
uh out of protest um it was a very

129  
00:05:24,550 --> 00:05:22,400  
difficult decision for me

130  
00:05:25,990 --> 00:05:24,560  
i was working for the time uh for

131  
00:05:28,629 --> 00:05:26,000  
secretary jim mattis

132  
00:05:29,749 --> 00:05:28,639  
who was in my opinion a and still is a

133  
00:05:31,670 --> 00:05:29,759  
war hero

134  
00:05:34,230 --> 00:05:31,680  
uh this is an individual i had the honor

135  
00:05:36,870 --> 00:05:34,240  
and privilege to serve with uh in combat

136  
00:05:38,390 --> 00:05:36,880  
and uh you know i uh it was part of a

137  
00:05:40,230 --> 00:05:38,400  
bureaucracy that wouldn't allow me to

138  
00:05:43,270 --> 00:05:40,240

report certain information

139

00:05:46,070 --> 00:05:43,280

up to the top brass and as a result i

140

00:05:47,909 --> 00:05:46,080

i subsequently resigned in 2017 and then

141

00:05:51,670 --> 00:05:47,919

from then on i've been engaged in this

142

00:05:55,270 --> 00:05:51,680

in this effort in a in a quasi-private

143

00:05:56,710 --> 00:05:55,280

role uh as a private citizen um

144

00:05:58,950 --> 00:05:56,720

unfortunately i still have my security

145

00:05:59,670 --> 00:05:58,960

clearance so i have to be careful what i

146

00:06:02,070 --> 00:05:59,680

say

147

00:06:03,110 --> 00:06:02,080

um obviously i can't discuss anything

148

00:06:05,189 --> 00:06:03,120

classified but

149

00:06:06,230 --> 00:06:05,199

in a nutshell there you go that's that's

150

00:06:08,150 --> 00:06:06,240

kind of who i am

151  
00:06:10,390 --> 00:06:08,160  
i'm also a gemini and i like long walks

152  
00:06:14,150 --> 00:06:10,400  
on the beach

153  
00:06:14,390 --> 00:06:14,160  
favorite color uh black i knew it i knew

154  
00:06:22,230 --> 00:06:14,400  
it

155  
00:06:24,469 --> 00:06:22,240  
met and um you were both on

156  
00:06:26,309 --> 00:06:24,479  
obviously unidentified on the history

157  
00:06:27,749 --> 00:06:26,319  
channel and you guys got to go to

158  
00:06:30,790 --> 00:06:27,759  
guadalupe island

159  
00:06:33,670 --> 00:06:30,800  
but give us the precursor to all of that

160  
00:06:34,710 --> 00:06:33,680  
um your time in the navy and uh what you

161  
00:06:37,990 --> 00:06:34,720  
were involved in

162  
00:06:39,510 --> 00:06:38,000  
in 2004 if you don't mind sure

163  
00:06:41,110 --> 00:06:39,520

as it stands right now i've been retired

164

00:06:42,469 --> 00:06:41,120

for about five years from the united

165

00:06:45,189 --> 00:06:42,479

states navy i was a

166

00:06:47,189 --> 00:06:45,199

i retired as a chief master at arms um

167

00:06:47,990 --> 00:06:47,199

at the time of the tic tac incident in

168

00:06:50,309 --> 00:06:48,000

2004

169

00:06:51,749 --> 00:06:50,319

i was uh the chief master at arms of the

170

00:06:52,950 --> 00:06:51,759

uss princeton

171

00:06:55,350 --> 00:06:52,960

that equates to being the chief law

172

00:06:56,230 --> 00:06:55,360

enforcement officer on board um an

173

00:06:57,990 --> 00:06:56,240

interesting

174

00:06:59,909 --> 00:06:58,000

caveat to that was i was also standing

175

00:07:01,589 --> 00:06:59,919

watch on the bridge as a conning officer

176

00:07:01,990 --> 00:07:01,599

and junior officer at the deck to help

177

00:07:04,230 --> 00:07:02,000

my

178

00:07:05,749 --> 00:07:04,240

department head fill a hole that he had

179

00:07:07,270 --> 00:07:05,759

it's not normally a position that a law

180

00:07:08,150 --> 00:07:07,280

enforcement officer on board a ship

181

00:07:10,629 --> 00:07:08,160

usually has to

182

00:07:11,749 --> 00:07:10,639

has to fill so it was unusual to have

183

00:07:13,510 --> 00:07:11,759

somebody like me

184

00:07:14,830 --> 00:07:13,520

in that place and in that position at

185

00:07:17,350 --> 00:07:14,840

that time

186

00:07:18,710 --> 00:07:17,360

um we're all pretty much familiar with

187

00:07:19,589 --> 00:07:18,720

the tic tac incident if you want to go

188

00:07:21,830 --> 00:07:19,599

into that more than

189

00:07:23,270 --> 00:07:21,840

we can but my my background is an

190

00:07:24,950 --> 00:07:23,280

anti-terrorism law enforcement

191

00:07:28,309 --> 00:07:24,960

investigations

192

00:07:28,870 --> 00:07:28,319

and um including uh vehicular accidents

193

00:07:30,790 --> 00:07:28,880

aeros

194

00:07:32,469 --> 00:07:30,800

or aircraft accidents and things like

195

00:07:36,150 --> 00:07:32,479

that so

196

00:07:38,550 --> 00:07:36,160

uh upon meeting lou we um we hit it off

197

00:07:39,430 --> 00:07:38,560

and be beyond unidentified we've kept in

198

00:07:42,629 --> 00:07:39,440

touch since

199

00:07:44,550 --> 00:07:42,639

and um have uh have

200

00:07:45,909 --> 00:07:44,560

kind of a fortune out friendship that

201  
00:07:48,309 --> 00:07:45,919  
has led to

202  
00:07:49,350 --> 00:07:48,319  
uh to a little bit more than just uh

203  
00:07:50,629 --> 00:07:49,360  
beers and jokes

204  
00:07:52,790 --> 00:07:50,639  
you know i think it's important that

205  
00:07:55,189 --> 00:07:52,800  
when people understand you know kind of

206  
00:07:56,950 --> 00:07:55,199  
kind of how we got together it's not

207  
00:07:59,029 --> 00:07:56,960  
uncommon that people with military and

208  
00:08:00,950 --> 00:07:59,039  
or law enforcement experience

209  
00:08:02,790 --> 00:08:00,960  
um you know you tend to gravitate

210  
00:08:04,469 --> 00:08:02,800  
towards each other because of the common

211  
00:08:06,550 --> 00:08:04,479  
experiences you share

212  
00:08:07,749 --> 00:08:06,560  
throughout your career and right you

213  
00:08:08,790 --> 00:08:07,759

know in some cases it can be a little

214

00:08:10,629 --> 00:08:08,800

bit isolating

215

00:08:12,070 --> 00:08:10,639

uh because you know there's not a whole

216

00:08:13,430 --> 00:08:12,080

lot of people that you can talk to about

217

00:08:15,110 --> 00:08:13,440

those type of things

218

00:08:17,189 --> 00:08:15,120

so when you find them you know you have

219

00:08:18,469 --> 00:08:17,199

this instant bond almost that this this

220

00:08:20,309 --> 00:08:18,479

camaraderie

221

00:08:21,990 --> 00:08:20,319

that you share with your your brothers

222

00:08:23,510 --> 00:08:22,000

and sisters who wore a uniform whether

223

00:08:24,950 --> 00:08:23,520

it's a blue uniform a green uniform a

224

00:08:27,189 --> 00:08:24,960

white uniform it doesn't really matter

225

00:08:30,150 --> 00:08:27,199

uniforms uniform you serve you serve

226

00:08:30,950 --> 00:08:30,160

and uh you know that for us we it's

227

00:08:32,870 --> 00:08:30,960

funny because i

228

00:08:34,310 --> 00:08:32,880

i don't want to speak on behalf of sean

229

00:08:37,350 --> 00:08:34,320

of course but we

230

00:08:39,029 --> 00:08:37,360

we we have fundamentally very different

231

00:08:40,949 --> 00:08:39,039

personalities yet we have the same

232

00:08:42,469 --> 00:08:40,959

mission and a lot of people

233

00:08:43,990 --> 00:08:42,479

you know will often ask well you know

234

00:08:46,470 --> 00:08:44,000

you guys you guys seem so

235

00:08:47,430 --> 00:08:46,480

opposite and we've always looked at that

236

00:08:49,509 --> 00:08:47,440

as a strength

237

00:08:50,710 --> 00:08:49,519

um because we we approach things from

238

00:08:51,990 --> 00:08:50,720

different fundamentally different

239

00:08:53,990 --> 00:08:52,000

perspectives

240

00:08:55,509 --> 00:08:54,000

and that's a good thing you know people

241

00:08:57,590 --> 00:08:55,519

will often where

242

00:08:59,509 --> 00:08:57,600

where i'm looking at things you know

243

00:09:01,990 --> 00:08:59,519

very very

244

00:09:03,269 --> 00:09:02,000

analytically and conclusively sean's on

245

00:09:03,829 --> 00:09:03,279

a little bit different journey and i'll

246

00:09:05,190 --> 00:09:03,839

let chum

247

00:09:07,030 --> 00:09:05,200

you know he can explain to you what his

248

00:09:09,430 --> 00:09:07,040

journey is but uh we

249

00:09:10,790 --> 00:09:09,440

we both but we're both on the same path

250

00:09:12,230 --> 00:09:10,800

if that makes sense and i think there's

251  
00:09:13,829 --> 00:09:12,240  
a lot of goodness in that and

252  
00:09:15,509 --> 00:09:13,839  
and you find that in this community this

253  
00:09:17,590 --> 00:09:15,519  
is one thing i tell people about about

254  
00:09:18,630 --> 00:09:17,600  
social media in the ufo twitter world

255  
00:09:20,150 --> 00:09:18,640  
you know we can all have different

256  
00:09:21,350 --> 00:09:20,160  
opinions and different perspectives and

257  
00:09:23,269 --> 00:09:21,360  
different approaches

258  
00:09:24,550 --> 00:09:23,279  
but when you put all those together you

259  
00:09:26,870 --> 00:09:24,560  
have a very very

260  
00:09:27,670 --> 00:09:26,880  
formidable force and an influential

261  
00:09:29,829 --> 00:09:27,680  
force

262  
00:09:31,269 --> 00:09:29,839  
that is now playing out as we speak you

263  
00:09:33,110 --> 00:09:31,279

see the movement we've had in the last

264

00:09:35,190 --> 00:09:33,120

three years and a lot of that is

265

00:09:36,230 --> 00:09:35,200

is due to this unified effort of this

266

00:09:39,590 --> 00:09:36,240

you know ragtag

267

00:09:41,829 --> 00:09:39,600

band we call we call ufo twitter or uap

268

00:09:42,790 --> 00:09:41,839

research you know enclave or whatever we

269

00:09:44,710 --> 00:09:42,800

want to give it

270

00:09:46,470 --> 00:09:44,720

but it's real and it's alive and it's

271

00:09:47,829 --> 00:09:46,480

it's breathing and it's growing and it's

272

00:09:49,590 --> 00:09:47,839

making a difference

273

00:09:51,990 --> 00:09:49,600

and i mean i think you're right i think

274

00:09:55,269 --> 00:09:52,000

there's an intimacy that's involved

275

00:09:56,949 --> 00:09:55,279

with um uh you know with the military

276

00:09:59,829 --> 00:09:56,959

and you guys sort of um

277

00:10:01,190 --> 00:09:59,839

banding together and um and here in the

278

00:10:03,829 --> 00:10:01,200

ufo world of

279

00:10:05,269 --> 00:10:03,839

people experience the weirdest stuff

280

00:10:06,790 --> 00:10:05,279

that they can explain

281

00:10:09,190 --> 00:10:06,800

together and that's something you'll

282

00:10:10,630 --> 00:10:09,200

always share so i completely understand

283

00:10:12,790 --> 00:10:10,640

how even if you are

284

00:10:15,110 --> 00:10:12,800

opposites in your approaches or your

285

00:10:18,949 --> 00:10:15,120

your methods or even your belief systems

286

00:10:21,269 --> 00:10:18,959

uh how that can build a bond that like

287

00:10:23,190 --> 00:10:21,279

nothing can be broken after that i mean

288

00:10:25,110 --> 00:10:23,200

it's the same for me and a lot of

289

00:10:27,590 --> 00:10:25,120

why i got into this topic i've made some

290

00:10:28,389 --> 00:10:27,600

of the most amazing friends through this

291

00:10:31,030 --> 00:10:28,399

who uh

292

00:10:32,870 --> 00:10:31,040

will challenge you along the way and um

293

00:10:33,430 --> 00:10:32,880

even change your beliefs sometimes but

294

00:10:36,630 --> 00:10:33,440

um

295

00:10:39,910 --> 00:10:36,640

i guess since i have both of you here uh

296

00:10:43,590 --> 00:10:39,920

you did investigate uh

297

00:10:47,190 --> 00:10:43,600

the the area where the tic tac event uh

298

00:10:49,030 --> 00:10:47,200

happened and uh i i'd like to know

299

00:10:50,470 --> 00:10:49,040

besides that investigation that you two

300

00:10:52,230 --> 00:10:50,480

went on there where you were able to

301  
00:10:54,310 --> 00:10:52,240  
finally speak to civilians lou

302  
00:10:55,509 --> 00:10:54,320  
which i think is also an integral part

303  
00:10:58,230 --> 00:10:55,519  
of uh the

304  
00:10:58,630 --> 00:10:58,240  
the work you're doing now could you kind

305  
00:11:01,190 --> 00:10:58,640  
of

306  
00:11:02,470 --> 00:11:01,200  
walk us through um okay so let's take

307  
00:11:05,269 --> 00:11:02,480  
the tic tac

308  
00:11:06,710 --> 00:11:05,279  
what would an atip version of that

309  
00:11:10,069 --> 00:11:06,720  
investigation look like

310  
00:11:10,389 --> 00:11:10,079  
versus what you were able to do um after

311  
00:11:12,389 --> 00:11:10,399  
that

312  
00:11:14,230 --> 00:11:12,399  
with with sean and a lot of other people

313  
00:11:15,030 --> 00:11:14,240

what would that look like from a tip to

314

00:11:16,550 --> 00:11:15,040

now

315

00:11:18,470 --> 00:11:16,560

yeah i think the a-tip approach would be

316

00:11:20,310 --> 00:11:18,480

your typical i hate to use the word

317

00:11:21,590 --> 00:11:20,320

sterile but but sterile government

318

00:11:23,430 --> 00:11:21,600

approach to something

319

00:11:25,030 --> 00:11:23,440

i've always said just the facts ma'am

320

00:11:26,710 --> 00:11:25,040

kind of guy that has always been my

321

00:11:28,550 --> 00:11:26,720

approach

322

00:11:30,150 --> 00:11:28,560

and you're only really looking at under

323

00:11:31,990 --> 00:11:30,160

title ten authorities the people that we

324

00:11:34,550 --> 00:11:32,000

could talk to were military

325

00:11:35,509 --> 00:11:34,560

personnel now what sean have i been and

326

00:11:38,389 --> 00:11:35,519

i have been able to do

327

00:11:39,829 --> 00:11:38,399

now that we are our civilians we can

328

00:11:40,470 --> 00:11:39,839

talk to a whole bunch of other quote

329

00:11:43,350 --> 00:11:40,480

unquote

330

00:11:45,110 --> 00:11:43,360

uh trained observers that are not

331

00:11:46,630 --> 00:11:45,120

military not law enforcement not

332

00:11:48,310 --> 00:11:46,640

government affiliated

333

00:11:50,069 --> 00:11:48,320

to get additional information that while

334

00:11:51,509 --> 00:11:50,079

in a tip we weren't able to do so what

335

00:11:52,150 --> 00:11:51,519

do i mean by other trained observers

336

00:11:53,670 --> 00:11:52,160

well

337

00:11:55,030 --> 00:11:53,680

sean and i had the honor and privilege

338

00:11:56,069 --> 00:11:55,040

of speaking with a lot of the local

339

00:11:57,590 --> 00:11:56,079

fishermen in the area

340

00:11:59,590 --> 00:11:57,600

and either these are individuals who

341

00:12:01,350 --> 00:11:59,600

have lived in these waters

342

00:12:02,790 --> 00:12:01,360

they're for not only their entire life

343

00:12:05,350 --> 00:12:02,800

but for generations

344

00:12:06,069 --> 00:12:05,360

and if there is an expert on on the

345

00:12:09,269 --> 00:12:06,079

ocean

346

00:12:11,110 --> 00:12:09,279

at that you know at concerning that area

347

00:12:12,389 --> 00:12:11,120

it is a local fisherman probably even

348

00:12:14,629 --> 00:12:12,399

more so than than

349

00:12:15,750 --> 00:12:14,639

dod military personnel yeah we have the

350

00:12:17,590 --> 00:12:15,760

technology

351

00:12:19,670 --> 00:12:17,600

but these folks in order to survive need

352

00:12:20,949 --> 00:12:19,680

to really read the ocean they need to

353

00:12:22,470 --> 00:12:20,959

understand and have an intimate

354

00:12:24,150 --> 00:12:22,480

relationship with the ocean

355

00:12:25,350 --> 00:12:24,160

and they know the difference between you

356

00:12:27,110 --> 00:12:25,360

we look into one and we say that's a

357

00:12:28,710 --> 00:12:27,120

shark they look in the water and say

358

00:12:31,350 --> 00:12:28,720

actually that's a six foot black tip

359

00:12:33,990 --> 00:12:31,360

versus a five foot hammerhead versus a

360

00:12:35,829 --> 00:12:34,000

an eight foot great white uh that's on a

361

00:12:37,350 --> 00:12:35,839

migration pattern of x y z

362

00:12:38,870 --> 00:12:37,360

and you know by the way they hang out

363

00:12:41,350 --> 00:12:38,880

here at this day on this

364

00:12:42,389 --> 00:12:41,360

these particular months they are experts

365

00:12:44,069 --> 00:12:42,399

in their own right

366

00:12:45,590 --> 00:12:44,079

they have to for survival they have to

367

00:12:47,509 --> 00:12:45,600

understand you know how

368

00:12:48,629 --> 00:12:47,519

how the fishing migration works and

369

00:12:51,030 --> 00:12:48,639

other other

370

00:12:52,310 --> 00:12:51,040

boats on the ocean and whatnot so when

371

00:12:54,150 --> 00:12:52,320

you get a chance to talk to these

372

00:12:56,150 --> 00:12:54,160

individuals and they're describing

373

00:12:57,670 --> 00:12:56,160

to you the same thing that are being

374

00:12:59,829 --> 00:12:57,680

described by

375

00:13:01,350 --> 00:12:59,839

by trained military personnel but

376

00:13:04,870 --> 00:13:01,360

they're describing it

377

00:13:07,269 --> 00:13:04,880

from a perspective of you know uh um

378

00:13:08,470 --> 00:13:07,279

as a fisherman as somebody who knows the

379

00:13:09,829 --> 00:13:08,480

waters

380

00:13:10,949 --> 00:13:09,839

you get another perspective that you

381

00:13:11,829 --> 00:13:10,959

don't necessarily get when you're

382

00:13:14,629 --> 00:13:11,839

talking to

383

00:13:16,310 --> 00:13:14,639

let's say uh a navy petty chief or

384

00:13:17,670 --> 00:13:16,320

someone like that it's not necessarily

385

00:13:19,670 --> 00:13:17,680

better or worse

386

00:13:21,110 --> 00:13:19,680

it's just another data point that you

387

00:13:22,949 --> 00:13:21,120

can overlay

388

00:13:24,389 --> 00:13:22,959

and uh you know you might might find

389

00:13:25,750 --> 00:13:24,399

yourself learning a thing or two

390

00:13:27,190 --> 00:13:25,760

i'll turn it over to sean because i know

391

00:13:29,509 --> 00:13:27,200

sean's got a really good perspective on

392

00:13:32,710 --> 00:13:29,519

this yeah absolutely

393

00:13:35,590 --> 00:13:32,720

of your home lou uses it as well

394

00:13:36,790 --> 00:13:35,600

i use it when i'm trying to discuss um

395

00:13:39,030 --> 00:13:36,800

the fact that this is an

396

00:13:40,310 --> 00:13:39,040

unknown and an unknown can possibly

397

00:13:42,389 --> 00:13:40,320

represent a threat

398

00:13:43,990 --> 00:13:42,399

but it's also a good metaphor for how

399

00:13:45,750 --> 00:13:44,000

how in touch we are with our

400

00:13:47,750 --> 00:13:45,760

surroundings and our environment

401  
00:13:49,189 --> 00:13:47,760  
many of us spend especially in the last

402  
00:13:49,990 --> 00:13:49,199  
year spent a lot of time within our

403  
00:13:51,590 --> 00:13:50,000  
homes

404  
00:13:53,670 --> 00:13:51,600  
um if you walk through a room in your

405  
00:13:55,829 --> 00:13:53,680  
home you know a few furniture is moved

406  
00:13:57,189 --> 00:13:55,839  
you know if things are changed even if

407  
00:13:59,590 --> 00:13:57,199  
pictures are slightly

408  
00:14:01,189 --> 00:13:59,600  
off-kilter so a lot of people don't

409  
00:14:01,990 --> 00:14:01,199  
necessarily understand what a trained

410  
00:14:03,750 --> 00:14:02,000  
observer is but

411  
00:14:05,030 --> 00:14:03,760  
you're a trained observer in your own

412  
00:14:06,629 --> 00:14:05,040  
home environment

413  
00:14:08,470 --> 00:14:06,639

and these fishermen and military

414

00:14:10,230 --> 00:14:08,480  
personnel live in a very dynamic

415

00:14:14,069 --> 00:14:10,240  
environment home environment

416

00:14:17,269 --> 00:14:14,079  
and so their ability to recall and and

417

00:14:19,269 --> 00:14:17,279  
and um and and build a picture that you

418

00:14:20,470 --> 00:14:19,279  
can see for an investigation is at a

419

00:14:22,230 --> 00:14:20,480  
very high level

420

00:14:24,310 --> 00:14:22,240  
because they are they have all of these

421

00:14:25,990 --> 00:14:24,320  
vectors coming in at all times

422

00:14:28,470 --> 00:14:26,000  
due to safety and other other things

423

00:14:30,629 --> 00:14:28,480  
like that in your home you're the master

424

00:14:31,910 --> 00:14:30,639  
you know so they're the master of these

425

00:14:33,509 --> 00:14:31,920  
dynamic environments

426

00:14:34,790 --> 00:14:33,519

i agree wholeheartedly and it's been

427

00:14:36,310 --> 00:14:34,800

very helpful to have those different

428

00:14:38,629 --> 00:14:36,320

perspectives

429

00:14:39,910 --> 00:14:38,639

absolutely and i mean i'll give you a

430

00:14:42,069 --> 00:14:39,920

small example with me

431

00:14:42,949 --> 00:14:42,079

i went to investigate a case out in uh

432

00:14:45,670 --> 00:14:42,959

michigan

433

00:14:46,949 --> 00:14:45,680

over uh lake superior and you know i

434

00:14:48,629 --> 00:14:46,959

spent so much time there with the

435

00:14:50,389 --> 00:14:48,639

primary witness and trying to

436

00:14:52,230 --> 00:14:50,399

guess and theorize about what it could

437

00:14:54,389 --> 00:14:52,240

be and um

438

00:14:56,150 --> 00:14:54,399

you know his other buddy a local

439

00:14:58,870 --> 00:14:56,160

fisherman that was there was like

440

00:15:00,310 --> 00:14:58,880

well there's this ship that passes every

441

00:15:02,629 --> 00:15:00,320

day through this channel

442

00:15:03,990 --> 00:15:02,639

um maybe we should get in touch with

443

00:15:06,230 --> 00:15:04,000

them they they

444

00:15:07,990 --> 00:15:06,240

they were there during the event and

445

00:15:10,310 --> 00:15:08,000

that just that never even

446

00:15:12,470 --> 00:15:10,320

you know came into my mind oh my god

447

00:15:15,430 --> 00:15:12,480

yeah like let's go to the people

448

00:15:17,350 --> 00:15:15,440

who that is their home on the water so

449

00:15:20,150 --> 00:15:17,360

you know we got in touch with the ship

450

00:15:21,030 --> 00:15:20,160

they observed what the anomaly was the

451  
00:15:22,710 --> 00:15:21,040  
phenomena

452  
00:15:24,389 --> 00:15:22,720  
and uh we took it from there so i think

453  
00:15:27,269 --> 00:15:24,399  
you guys are right i think there's a

454  
00:15:28,310 --> 00:15:27,279  
um it's good to know that the work can

455  
00:15:31,829 --> 00:15:28,320  
continue

456  
00:15:34,389 --> 00:15:31,839  
after the official investigation by uh

457  
00:15:36,150 --> 00:15:34,399  
by the government um more on a personal

458  
00:15:37,829 --> 00:15:36,160  
level with you guys i i'd love to know

459  
00:15:41,030 --> 00:15:37,839  
if you're willing to share

460  
00:15:42,710 --> 00:15:41,040  
uh lou what is your family

461  
00:15:44,230 --> 00:15:42,720  
your friends your colleagues what do

462  
00:15:46,150 --> 00:15:44,240  
they think about

463  
00:15:47,590 --> 00:15:46,160

what you did what you're doing now and

464

00:15:48,230 --> 00:15:47,600

same with you sean like how did that

465

00:15:51,670 --> 00:15:48,240

event

466

00:15:53,509 --> 00:15:51,680

in 2004 affect your life um with your

467

00:15:55,350 --> 00:15:53,519

whether it's friends significant others

468

00:15:57,590 --> 00:15:55,360

i love hearing the human story

469

00:15:59,269 --> 00:15:57,600

to all this so whoever wants to go first

470

00:16:01,670 --> 00:15:59,279

if you're willing to share

471

00:16:03,590 --> 00:16:01,680

i'm gonna let sean go first uh i i

472

00:16:06,310 --> 00:16:03,600

really kind of suck at giving my own

473

00:16:07,829 --> 00:16:06,320

personal perspectives

474

00:16:09,910 --> 00:16:07,839

you know sean's a lot better at it than

475

00:16:11,030 --> 00:16:09,920

i am so i'm going to hear what he has to

476

00:16:11,829 --> 00:16:11,040

say i think i know what he's going to

477

00:16:13,350 --> 00:16:11,839

say but

478

00:16:15,189 --> 00:16:13,360

i'll let him go first and maybe i'll

479

00:16:19,269 --> 00:16:15,199

have the courage to to share with you

480

00:16:23,990 --> 00:16:21,590

hyperbolic journey from the day that the

481

00:16:25,990 --> 00:16:24,000

um the new york times article came out

482

00:16:27,430 --> 00:16:26,000

and when i first saw luke walk out on

483

00:16:29,269 --> 00:16:27,440

the stage and then to see him walk down

484

00:16:32,389 --> 00:16:29,279

the pier and shake hands with him

485

00:16:33,990 --> 00:16:32,399

um to today and i feel like i'm finally

486

00:16:36,310 --> 00:16:34,000

kind of coming back to ground

487

00:16:38,470 --> 00:16:36,320

my feet are on the ground again and i'm

488

00:16:40,470 --> 00:16:38,480

down to earth with the process

489

00:16:41,829 --> 00:16:40,480

so i i have some cleanup to do over the

490

00:16:43,509 --> 00:16:41,839

last couple of years

491

00:16:45,110 --> 00:16:43,519

so you might have found me at a point

492

00:16:48,389 --> 00:16:45,120

where i might have blamed other people

493

00:16:48,870 --> 00:16:48,399

uh within my sphere um for how they felt

494

00:16:54,710 --> 00:16:48,880

or

495

00:16:57,030 --> 00:16:54,720

i've received a great deal of love and

496

00:17:00,629 --> 00:16:57,040

support um across the board

497

00:17:01,829 --> 00:17:00,639

i've received very little um negativity

498

00:17:05,350 --> 00:17:01,839

from people

499

00:17:05,829 --> 00:17:05,360

um from my my side of the family so to

500

00:17:07,750 --> 00:17:05,839

speak

501

00:17:09,429 --> 00:17:07,760

uh it's been hard for them to accept

502

00:17:11,270 --> 00:17:09,439

because it has come with uh with some

503

00:17:12,870 --> 00:17:11,280

personality changes but those are also

504

00:17:14,150 --> 00:17:12,880

inherent to me retiring from the

505

00:17:17,590 --> 00:17:14,160

military

506

00:17:18,069 --> 00:17:17,600

and um and overcoming uh and dealing

507

00:17:20,789 --> 00:17:18,079

with

508

00:17:22,549 --> 00:17:20,799

post-traumatic stress um and anxiety

509

00:17:24,710 --> 00:17:22,559

that stemmed from a career

510

00:17:26,390 --> 00:17:24,720

that might have been counter-intuitive

511

00:17:26,870 --> 00:17:26,400

to the person that i am at heart that

512

00:17:31,110 --> 00:17:26,880

was still

513

00:17:32,310 --> 00:17:31,120

important enough to me for me to do um

514

00:17:33,590 --> 00:17:32,320

you got me feeling a little emotional

515

00:17:35,029 --> 00:17:33,600

right now and i'm that guy who has no

516

00:17:38,150 --> 00:17:35,039

problem showing that

517

00:17:41,270 --> 00:17:38,160

but uh it's not easy to

518

00:17:44,549 --> 00:17:41,280

translate these experiences um into

519

00:17:48,230 --> 00:17:44,559

rational ways of expression uh

520

00:17:49,110 --> 00:17:48,240

for people who have not had experience

521

00:17:50,870 --> 00:17:49,120

in that realm

522

00:17:53,029 --> 00:17:50,880

so it's very important that i don't

523

00:17:54,870 --> 00:17:53,039

alienate anyone any further

524

00:17:56,789 --> 00:17:54,880

um i've cracked a couple of people's

525

00:17:59,110 --> 00:17:56,799

eggs with with some ideas

526

00:18:02,230 --> 00:17:59,120

and i i feel like in retrospect that was

527

00:18:05,750 --> 00:18:02,240

uh irresponsible

528

00:18:07,110 --> 00:18:05,760

to to to add a ufo event to a

529

00:18:10,549 --> 00:18:07,120

transformative

530

00:18:12,549 --> 00:18:10,559

experience of leaving the military i i

531

00:18:14,310 --> 00:18:12,559

can only imagine the layers

532

00:18:15,669 --> 00:18:14,320

that that added to everything you

533

00:18:18,870 --> 00:18:15,679

experienced sean so i

534

00:18:21,029 --> 00:18:18,880

i completely um i i respect that

535

00:18:22,390 --> 00:18:21,039

that you're willing to be so out there

536

00:18:24,870 --> 00:18:22,400

with your feelings because

537

00:18:26,230 --> 00:18:24,880

you know we we we always assume here in

538

00:18:29,350 --> 00:18:26,240

the civilian world that

539

00:18:30,950 --> 00:18:29,360

you guys are just so stoic and strategic

540

00:18:33,430 --> 00:18:30,960

and you never show emotion

541

00:18:35,190 --> 00:18:33,440

that's what a true soldier is but um i

542

00:18:37,270 --> 00:18:35,200

think it's amazing throughout

543

00:18:38,549 --> 00:18:37,280

these last few years as we've gotten to

544

00:18:40,150 --> 00:18:38,559

know the both of you

545

00:18:42,150 --> 00:18:40,160

um whether it's on television or in

546

00:18:44,230 --> 00:18:42,160

interviews to see that human side

547

00:18:46,549 --> 00:18:44,240

because it plays such a big role

548

00:18:47,990 --> 00:18:46,559

in all of this so um yeah lou is there

549

00:18:51,590 --> 00:18:48,000

anything you want to add to that on the

550

00:18:55,590 --> 00:18:51,600

the human side of what you're doing

551  
00:18:57,750 --> 00:18:55,600  
um you know for people who know me uh

552  
00:18:59,510 --> 00:18:57,760  
i mean look let's face it i i literally

553  
00:19:02,070 --> 00:18:59,520  
live in nowhere wyoming

554  
00:19:03,350 --> 00:19:02,080  
uh in the middle of nowhere and that's

555  
00:19:06,549 --> 00:19:03,360  
by choice

556  
00:19:09,669 --> 00:19:06,559  
um you know i often tell people it's

557  
00:19:12,070 --> 00:19:09,679  
uh i love humanity it's humans i don't

558  
00:19:14,470 --> 00:19:12,080  
particularly like

559  
00:19:15,430 --> 00:19:14,480  
you know i spent a career seeing really

560  
00:19:19,190 --> 00:19:15,440  
the bad side

561  
00:19:20,950 --> 00:19:19,200  
of of individuals and um

562  
00:19:22,230 --> 00:19:20,960  
it's it's been a very tough journey

563  
00:19:24,150 --> 00:19:22,240

because at least when you're in the

564

00:19:25,750 --> 00:19:24,160

government you're protected by that

565

00:19:27,270 --> 00:19:25,760

government apparatus but when you're

566

00:19:29,270 --> 00:19:27,280

outside

567

00:19:30,870 --> 00:19:29,280

uh you know you're you're a fair game

568

00:19:31,830 --> 00:19:30,880

for anybody out there who wants to take

569

00:19:33,510 --> 00:19:31,840

a shot at you

570

00:19:35,350 --> 00:19:33,520

and you know you're always trying to

571

00:19:38,549 --> 00:19:35,360

take the moral high road

572

00:19:41,190 --> 00:19:38,559

you know you you try to to

573

00:19:42,710 --> 00:19:41,200

to lead by action and not words um you

574

00:19:43,750 --> 00:19:42,720

know we're all human we all fail

575

00:19:46,390 --> 00:19:43,760

sometimes

576

00:19:47,590 --> 00:19:46,400

that's the reality of life you asked me

577

00:19:50,230 --> 00:19:47,600

in the beginning what

578

00:19:51,990 --> 00:19:50,240

my family thought about this and you

579

00:19:53,590 --> 00:19:52,000

know i'm very blessed my family

580

00:19:55,270 --> 00:19:53,600

supported me on this journey i don't

581

00:19:55,590 --> 00:19:55,280

know anybody else who would have because

582

00:20:06,470 --> 00:19:55,600

i

583

00:20:07,990 --> 00:20:06,480

crazy you know

584

00:20:11,190 --> 00:20:08,000

that they'll never understand or

585

00:20:13,190 --> 00:20:11,200

appreciate what you've been through

586

00:20:14,950 --> 00:20:13,200

to to have to get to the point where you

587

00:20:16,470 --> 00:20:14,960

can have this conversation

588

00:20:18,149 --> 00:20:16,480

um you know let's face it a lot of

589

00:20:19,990 --> 00:20:18,159

people are armchair quarterbacks it's

590

00:20:22,310 --> 00:20:20,000

easy to sit back in your

591

00:20:23,750 --> 00:20:22,320

easy chair and get on a keyboard and

592

00:20:24,470 --> 00:20:23,760

tell the world what you think about

593

00:20:26,070 --> 00:20:24,480

something

594

00:20:28,070 --> 00:20:26,080

it's another thing to put your keyboard

595

00:20:31,029 --> 00:20:28,080

down stand up get your ass off the couch

596

00:20:33,110 --> 00:20:31,039

and actually do something about it

597

00:20:34,630 --> 00:20:33,120

and you know risk everything your

598

00:20:36,310 --> 00:20:34,640

everything that you've ever worked for

599

00:20:39,669 --> 00:20:36,320

your credibility your reputation your

600

00:20:41,830 --> 00:20:39,679

retirement your clearance i mean it's

601  
00:20:42,789 --> 00:20:41,840  
i i'm not saying there's other people

602  
00:20:44,149 --> 00:20:42,799  
that wouldn't do it because a lot of

603  
00:20:44,630 --> 00:20:44,159  
people did do it just like sean and

604  
00:20:47,590 --> 00:20:44,640  
others

605  
00:20:48,070 --> 00:20:47,600  
so uh i just would tell people upfront

606  
00:20:51,110 --> 00:20:48,080  
that

607  
00:20:54,149 --> 00:20:51,120  
you know if you if you think it's easy

608  
00:20:55,909 --> 00:20:54,159  
it's it's it's it's not easy there's a

609  
00:20:57,909 --> 00:20:55,919  
lot of things i would recommend you get

610  
00:20:58,950 --> 00:20:57,919  
involved with that are a lot easier than

611  
00:21:02,549 --> 00:20:58,960  
this

612  
00:21:04,789 --> 00:21:02,559  
um i guess that'd be my perspective

613  
00:21:07,029 --> 00:21:04,799

yeah well i mean you know coming from

614

00:21:07,510 --> 00:21:07,039

experience too and no i'm not military

615

00:21:10,470 --> 00:21:07,520

but

616

00:21:11,830 --> 00:21:10,480

um as a quote unquote journalist i was

617

00:21:13,590 --> 00:21:11,840

told for years like

618

00:21:15,510 --> 00:21:13,600

don't do this man like what are you what

619

00:21:16,710 --> 00:21:15,520

are you doing like you're gonna totally

620

00:21:19,110 --> 00:21:16,720

ruin it

621

00:21:20,390 --> 00:21:19,120

right right and i think what's changed

622

00:21:22,549 --> 00:21:20,400

and it's because

623

00:21:23,750 --> 00:21:22,559

of the work that you two are doing uh

624

00:21:25,909 --> 00:21:23,760

you have

625

00:21:27,990 --> 00:21:25,919

vindicated so much for us out there that

626

00:21:30,470 --> 00:21:28,000

have been screaming from the rooftops

627

00:21:31,590 --> 00:21:30,480

for years like something's going on like

628

00:21:33,270 --> 00:21:31,600

and i'm not saying

629

00:21:35,590 --> 00:21:33,280

it's one thing or the other alien

630

00:21:37,029 --> 00:21:35,600

interdimensional time travels whatever

631

00:21:38,710 --> 00:21:37,039

like that's a journey we're going to be

632

00:21:41,190 --> 00:21:38,720

taking probably for the rest of

633

00:21:42,070 --> 00:21:41,200

our lives of trying to uncover that but

634

00:21:45,510 --> 00:21:42,080

um

635

00:21:47,909 --> 00:21:45,520

i mean for sean what you did for so many

636

00:21:48,870 --> 00:21:47,919

military people um to empower them to

637

00:21:51,270 --> 00:21:48,880

come forward

638

00:21:52,789 --> 00:21:51,280

i remember when your show aired i had a

639

00:21:57,750 --> 00:21:52,799

navy servicemen reach out

640

00:22:00,870 --> 00:21:57,760

who had five uh triangular ufo

641

00:22:03,110 --> 00:22:00,880

sightings over a naval air station and

642

00:22:03,909 --> 00:22:03,120

he never reported it because the first

643

00:22:06,630 --> 00:22:03,919

time he tried

644

00:22:07,029 --> 00:22:06,640

he was told stop drinking and uh dude i

645

00:22:08,789 --> 00:22:07,039

mean

646

00:22:10,230 --> 00:22:08,799

that was it for me the minute that guy

647

00:22:12,630 --> 00:22:10,240

came to me and was like

648

00:22:13,510 --> 00:22:12,640

this happened um you're the first person

649

00:22:16,470 --> 00:22:13,520

i'm telling

650

00:22:18,630 --> 00:22:16,480

like you've already made a difference so

651

00:22:22,070 --> 00:22:18,640

i have to commend you guys on that

652

00:22:23,590 --> 00:22:22,080

it's very humbling um i left out

653

00:22:25,110 --> 00:22:23,600

something that's that's very easy

654

00:22:27,430 --> 00:22:25,120

to overlook because they're so close to

655

00:22:29,669 --> 00:22:27,440

me um my wife and my children

656

00:22:30,789 --> 00:22:29,679

uh have always been they've lifted me up

657

00:22:33,750 --> 00:22:30,799

they've supported me

658

00:22:35,510 --> 00:22:33,760

uh they support me right now and uh that

659

00:22:36,710 --> 00:22:35,520

made it easy for me so i don't want to

660

00:22:41,110 --> 00:22:36,720

go off over that

661

00:22:44,710 --> 00:22:41,120

um i really appreciate uh that sentiment

662

00:22:46,710 --> 00:22:44,720

um it's not easy it wasn't easy then

663

00:22:48,070 --> 00:22:46,720

um i've been called crazy by people i

664

00:22:49,350 --> 00:22:48,080

love um

665

00:22:51,110 --> 00:22:49,360

just for having been witness to

666

00:22:54,310 --> 00:22:51,120

something um

667

00:22:55,430 --> 00:22:54,320

so if if what we're doing and the risks

668

00:22:57,110 --> 00:22:55,440

that we're willing to take

669

00:22:58,549 --> 00:22:57,120

are able to help other people heal and

670

00:23:00,070 --> 00:22:58,559

other people to come forward then that

671

00:23:03,350 --> 00:23:00,080

means everything to me

672

00:23:05,510 --> 00:23:03,360

um being able to communicate your

673

00:23:07,270 --> 00:23:05,520

your emotions and your feelings in a

674

00:23:08,070 --> 00:23:07,280

manner that doesn't have to hurt someone

675

00:23:09,830 --> 00:23:08,080

else

676

00:23:11,590 --> 00:23:09,840

leads to a reduction of harm and a

677

00:23:12,549 --> 00:23:11,600

reduction of stress and a reduction of

678

00:23:15,830 --> 00:23:12,559

trauma

679

00:23:17,830 --> 00:23:15,840

brought to this subject

680

00:23:20,070 --> 00:23:17,840

we've had we've had enough muddy waters

681

00:23:23,029 --> 00:23:20,080

we've had enough explosive egos

682

00:23:24,230 --> 00:23:23,039

and and long-term um pardon me with

683

00:23:27,270 --> 00:23:24,240

histrionics

684

00:23:30,710 --> 00:23:27,280

that that need to be put to bed

685

00:23:32,549 --> 00:23:30,720

we need more integrity um and i intend

686

00:23:33,990 --> 00:23:32,559

to help provide that if i'm able and i

687

00:23:36,549 --> 00:23:34,000

know luis does

688

00:23:37,270 --> 00:23:36,559

um he's he's not going to promote

689

00:23:38,870 --> 00:23:37,280

himself

690

00:23:40,710 --> 00:23:38,880

so i'll tell you right now that he's

691

00:23:41,110 --> 00:23:40,720

he's a team member what do you want to

692

00:23:45,669 --> 00:23:41,120

say

693

00:23:47,909 --> 00:23:45,679

don't listen to him he is a team member

694

00:23:49,029 --> 00:23:47,919

he believes in the pack he believes in

695

00:23:52,149 --> 00:23:49,039

the team

696

00:23:54,070 --> 00:23:52,159

um he refuses to let me even put him one

697

00:23:56,230 --> 00:23:54,080

inch higher than myself

698

00:23:58,070 --> 00:23:56,240

uh on any kind of pedestal he won't even

699

00:23:58,870 --> 00:23:58,080

let me lay a carpet down in front of him

700

00:24:00,870 --> 00:23:58,880

to kind of step

701  
00:24:03,669 --> 00:24:00,880  
up on because the guy is so team

702  
00:24:04,549 --> 00:24:03,679  
oriented so he he's an empowering force

703  
00:24:07,590 --> 00:24:04,559  
in this community

704  
00:24:09,669 --> 00:24:07,600  
and um i want to introduce him to people

705  
00:24:11,029 --> 00:24:09,679  
i want to introduce lewd people so i

706  
00:24:12,789 --> 00:24:11,039  
look at it this way this is a team

707  
00:24:14,710 --> 00:24:12,799  
effort and the only reason why we are

708  
00:24:16,390 --> 00:24:14,720  
able to collectively succeed is because

709  
00:24:18,230 --> 00:24:16,400  
we're all doing this together

710  
00:24:19,590 --> 00:24:18,240  
we all have a role it's like a tool bag

711  
00:24:21,510 --> 00:24:19,600  
right you don't use a hammer

712  
00:24:23,830 --> 00:24:21,520  
if you need a screwdriver and you don't

713  
00:24:25,590 --> 00:24:23,840

use a screwdriver to do a hammer's job

714

00:24:27,430 --> 00:24:25,600

you know we all have a role in this we

715

00:24:30,470 --> 00:24:27,440

all have our our

716

00:24:31,190 --> 00:24:30,480

our strengths and our weaknesses and we

717

00:24:34,390 --> 00:24:31,200

need

718

00:24:36,549 --> 00:24:34,400

everybody um

719

00:24:37,909 --> 00:24:36,559

that includes everybody out there your

720

00:24:39,110 --> 00:24:37,919

audience that's listening to this that

721

00:24:41,190 --> 00:24:39,120

includes you

722

00:24:42,630 --> 00:24:41,200

uh because this is a topic that involves

723

00:24:46,230 --> 00:24:42,640

all of us and

724

00:24:48,630 --> 00:24:46,240

no one owns the narrative no one uh has

725

00:24:50,070 --> 00:24:48,640

the answer and i think that's been a

726

00:24:50,549 --> 00:24:50,080

challenge we've been faced with for the

727

00:24:53,909 --> 00:24:50,559

last

728

00:24:55,750 --> 00:24:53,919

well decades in fact because people have

729

00:24:57,350 --> 00:24:55,760

have sold themselves out they started on

730

00:25:00,789 --> 00:24:57,360

a journey very nobly

731

00:25:05,350 --> 00:25:00,799

and then wound up getting caught up uh

732

00:25:08,390 --> 00:25:05,360

with the i guess the the notion of fame

733

00:25:11,590 --> 00:25:08,400

or importance or status or stature

734

00:25:13,269 --> 00:25:11,600

and they wind up they wind up selling

735

00:25:15,029 --> 00:25:13,279

themselves out they wind up selling you

736

00:25:15,669 --> 00:25:15,039

out it went up selling your audience out

737

00:25:17,350 --> 00:25:15,679

because

738

00:25:18,789 --> 00:25:17,360

they go down this preconceived notion

739

00:25:21,190 --> 00:25:18,799

this narrative and begin to

740

00:25:22,310 --> 00:25:21,200

realize hey i can make a buck off this

741

00:25:24,549 --> 00:25:22,320

and you know i

742

00:25:26,070 --> 00:25:24,559

i think that's that's dangerous now do i

743

00:25:28,549 --> 00:25:26,080

necessarily blame them

744

00:25:30,230 --> 00:25:28,559

you know it happens to a lot of people

745

00:25:31,110 --> 00:25:30,240

quite human trade yeah it's a human

746

00:25:33,669 --> 00:25:31,120

trait you know

747

00:25:34,789 --> 00:25:33,679

absolute power corrupts absolutely so

748

00:25:37,830 --> 00:25:34,799

it's important

749

00:25:39,750 --> 00:25:37,840

for for me to make sure

750

00:25:41,830 --> 00:25:39,760

everyone knows they're on the journey

751

00:25:43,669 --> 00:25:41,840

with us we're all on the boat together

752

00:25:47,029 --> 00:25:43,679

and we all have an ore that which

753

00:25:48,549 --> 00:25:47,039

for which we can row and uh you know i

754

00:25:50,310 --> 00:25:48,559

might be wearing a bright purple jacket

755

00:25:52,470 --> 00:25:50,320

while i'm doing it but i'm still rowing

756

00:25:54,950 --> 00:25:52,480

the boat like everybody else that's all

757

00:25:56,630 --> 00:25:54,960

uh and everybody is it has just as much

758

00:25:59,590 --> 00:25:56,640

important role to play as myself

759

00:26:00,149 --> 00:25:59,600

and sean and you and everybody and i

760

00:26:03,350 --> 00:26:00,159

think it's

761

00:26:05,269 --> 00:26:03,360

it's um i think that for me is is

762

00:26:06,950 --> 00:26:05,279

is why we've succeeded you know a lot of

763

00:26:07,830 --> 00:26:06,960

people you look say well ufo twitter

764

00:26:09,990 --> 00:26:07,840

really doesn't do much

765

00:26:10,950 --> 00:26:10,000

actually well they write congress

766

00:26:12,549 --> 00:26:10,960

actually they

767

00:26:13,669 --> 00:26:12,559

email the people in the media in the

768

00:26:14,710 --> 00:26:13,679

press saying it's okay to have this

769

00:26:16,390 --> 00:26:14,720

conversation

770

00:26:18,230 --> 00:26:16,400

uh what people don't realize what

771

00:26:21,269 --> 00:26:18,240

composes this this this

772

00:26:22,950 --> 00:26:21,279

this motley crew we call ufo twitter

773

00:26:24,549 --> 00:26:22,960

you know it's very formidable you have

774

00:26:26,789 --> 00:26:24,559

very powerful business

775

00:26:28,789 --> 00:26:26,799

people that are involved in this this

776  
00:26:30,470 --> 00:26:28,799  
little enclave you have very senior

777  
00:26:33,029 --> 00:26:30,480  
government officials that are

778  
00:26:34,149 --> 00:26:33,039  
hiding their their their identities

779  
00:26:36,310 --> 00:26:34,159  
under pseudos

780  
00:26:37,750 --> 00:26:36,320  
but make no mistake they're reading this

781  
00:26:37,990 --> 00:26:37,760  
every day because they're trying to get

782  
00:27:07,190 --> 00:26:38,000  
a

783  
00:27:08,149 --> 00:27:07,200  
english it's not just people here in

784  
00:27:09,430 --> 00:27:08,159  
america you have

785  
00:27:11,990 --> 00:27:09,440  
everybody from around the world and

786  
00:27:14,149 --> 00:27:12,000  
ireland the uk and italy and japan and

787  
00:27:17,590 --> 00:27:14,159  
india and everywhere the whole world

788  
00:27:19,590 --> 00:27:17,600

is part of this and to me um

789

00:27:21,590 --> 00:27:19,600

look i've made a living off of working

790

00:27:22,070 --> 00:27:21,600

with with with a teams with winning

791

00:27:25,110 --> 00:27:22,080

teams

792

00:27:27,430 --> 00:27:25,120

um and i said in the very beginning the

793

00:27:29,110 --> 00:27:27,440

the your success or failure is dependent

794

00:27:30,549 --> 00:27:29,120

upon you being able to have a winning

795

00:27:33,909 --> 00:27:30,559

team

796

00:27:37,350 --> 00:27:33,919

that's exactly what we've got on our

797

00:27:39,750 --> 00:27:37,360

hands and it's making a big difference

798

00:27:41,909 --> 00:27:39,760

right well hey i think you either just

799

00:27:42,710 --> 00:27:41,919

lou and sean you just boosted a lot of

800

00:27:45,110 --> 00:27:42,720

egos

801  
00:27:46,070 --> 00:27:45,120  
or uh you got a lot of people paranoid

802  
00:27:49,029 --> 00:27:46,080  
either one

803  
00:27:50,630 --> 00:27:49,039  
i think based on interacting with these

804  
00:27:51,590 --> 00:27:50,640  
folks a lot i think we just empowered a

805  
00:27:53,669 --> 00:27:51,600  
lot of hearts

806  
00:27:55,669 --> 00:27:53,679  
because i'm absolutely cool that's a

807  
00:27:57,350 --> 00:27:55,679  
really good one one of those folks

808  
00:27:59,190 --> 00:27:57,360  
these things people we're dealing with

809  
00:28:01,669 --> 00:27:59,200  
have integrity our community

810  
00:28:03,590 --> 00:28:01,679  
you know they want they're not looking

811  
00:28:04,310 --> 00:28:03,600  
they're not looking to go back where we

812  
00:28:05,830 --> 00:28:04,320  
were

813  
00:28:07,430 --> 00:28:05,840

they're looking to go ahead to where we

814

00:28:09,909 --> 00:28:07,440

want to be together

815

00:28:11,830 --> 00:28:09,919

right absolutely um i couldn't agree

816

00:28:14,149 --> 00:28:11,840

more well you did mention teamwork

817

00:28:15,029 --> 00:28:14,159

um i have never received this many

818

00:28:17,269 --> 00:28:15,039

listener

819

00:28:18,549 --> 00:28:17,279

questions um as when i announced that

820

00:28:20,950 --> 00:28:18,559

lou you are going to be on

821

00:28:22,389 --> 00:28:20,960

and sean so um i'd love to run through

822

00:28:23,110 --> 00:28:22,399

some of these with you guys if you don't

823

00:28:24,950 --> 00:28:23,120

mind

824

00:28:26,789 --> 00:28:24,960

um you know and this comes from a

825

00:28:27,830 --> 00:28:26,799

community of very guarded people who

826  
00:28:30,549 --> 00:28:27,840  
have been

827  
00:28:31,830 --> 00:28:30,559  
um you know had their hearts broken so

828  
00:28:34,549 --> 00:28:31,840  
many times in this

829  
00:28:35,909 --> 00:28:34,559  
field for so long so um some of these

830  
00:28:38,630 --> 00:28:35,919  
might be a lot more uh

831  
00:28:39,990 --> 00:28:38,640  
a brutal than my my forgiving approach

832  
00:28:42,549 --> 00:28:40,000  
to interviews so

833  
00:28:44,710 --> 00:28:42,559  
lou you said ask me anything brother so

834  
00:28:48,310 --> 00:28:44,720  
let's let's just go down the list here

835  
00:28:50,630 --> 00:28:48,320  
um rob on twitter asked lou did you

836  
00:28:52,149 --> 00:28:50,640  
leave tsa on good terms and do you

837  
00:28:54,389 --> 00:28:52,159  
still believe in their mission

838  
00:28:56,310 --> 00:28:54,399

and uh do you plan on still

839

00:28:57,190 --> 00:28:56,320

collaborating with these guys what can

840

00:29:00,549 --> 00:28:57,200

you tell us

841

00:29:02,149 --> 00:29:00,559

in that sector of all this tsa

842

00:29:03,830 --> 00:29:02,159

and i remain really good friends you've

843

00:29:05,669 --> 00:29:03,840

got some incredible people there but

844

00:29:06,310 --> 00:29:05,679

let's not forget you know how put off

845

00:29:10,389 --> 00:29:06,320

and

846

00:29:13,590 --> 00:29:10,399

folks really helped the conversation

847

00:29:15,750 --> 00:29:13,600

start um and they they really

848

00:29:16,710 --> 00:29:15,760

they they i believe they have their

849

00:29:20,470 --> 00:29:16,720

hearts in the right

850

00:29:22,470 --> 00:29:20,480

place but you know my my expertise

851  
00:29:24,149 --> 00:29:22,480  
um i've never been an entertainment guy

852  
00:29:26,789 --> 00:29:24,159  
i i believe in what we call

853  
00:29:27,430 --> 00:29:26,799  
infotainment which is if you can provide

854  
00:29:29,590 --> 00:29:27,440  
information

855  
00:29:30,630 --> 00:29:29,600  
in an entertaining way but it's factual

856  
00:29:32,950 --> 00:29:30,640  
i'm great with that

857  
00:29:33,830 --> 00:29:32,960  
and i'd like to be to be helpful in that

858  
00:29:36,070 --> 00:29:33,840  
endeavor

859  
00:29:37,750 --> 00:29:36,080  
but pure entertainment which by the way

860  
00:29:39,430 --> 00:29:37,760  
brings a lot of good revenue to

861  
00:29:39,990 --> 00:29:39,440  
companies right let's make let's let's

862  
00:29:41,590 --> 00:29:40,000  
let's face

863  
00:29:43,029 --> 00:29:41,600

it you know if you you've got a bunch of

864

00:29:45,430 --> 00:29:43,039

investors and you owe them

865

00:29:47,590 --> 00:29:45,440

a return on investment you have to find

866

00:29:50,149 --> 00:29:47,600

those business practices that return

867

00:29:51,269 --> 00:29:50,159

you know money back to back to the

868

00:29:53,590 --> 00:29:51,279

investors

869

00:29:54,549 --> 00:29:53,600

and entertainment is one of those areas

870

00:29:56,549 --> 00:29:54,559

where you can make

871

00:29:58,549 --> 00:29:56,559

a pretty sizable profit if you do it

872

00:30:01,990 --> 00:29:58,559

right and so

873

00:30:03,990 --> 00:30:02,000

without speaking for tsa tsa has never

874

00:30:05,510 --> 00:30:04,000

made it a secret that they are focusing

875

00:30:06,149 --> 00:30:05,520

on the entertainment you can look at

876

00:30:09,590 --> 00:30:06,159

their

877

00:30:11,430 --> 00:30:09,600

that you know they're they're they're

878

00:30:12,870 --> 00:30:11,440

heavy in that area and that's not a bad

879

00:30:14,149 --> 00:30:12,880

thing because it helps socialize a

880

00:30:16,710 --> 00:30:14,159

conversation

881

00:30:18,389 --> 00:30:16,720

that's just not my area of expertise my

882

00:30:20,149 --> 00:30:18,399

my contributions

883

00:30:21,590 --> 00:30:20,159

you know allow me i think we've we've

884

00:30:21,990 --> 00:30:21,600

accomplished our goal like we did with

885

00:30:24,950 --> 00:30:22,000

history

886

00:30:25,909 --> 00:30:24,960

channel that that the decision not to to

887

00:30:28,389 --> 00:30:25,919

continue with this

888

00:30:29,350 --> 00:30:28,399

with the history channel uh was a joint

889

00:30:31,590 --> 00:30:29,360

decision by

890

00:30:32,630 --> 00:30:31,600

all of us uh we weren't canceled you

891

00:30:34,149 --> 00:30:32,640

know a lot of people think oh you guys

892

00:30:35,590 --> 00:30:34,159

were cancelled actually we were

893

00:30:37,350 --> 00:30:35,600

you know the show actually did pretty

894

00:30:39,430 --> 00:30:37,360

well um

895

00:30:40,549 --> 00:30:39,440

but uh you know we we had accomplished

896

00:30:42,710 --> 00:30:40,559

our goal with

897

00:30:43,669 --> 00:30:42,720

that with that av with that particular

898

00:30:45,750 --> 00:30:43,679

venue

899

00:30:47,669 --> 00:30:45,760

and the same thing with tsa look you

900

00:30:48,870 --> 00:30:47,679

know the battlefield is constantly

901  
00:30:51,190 --> 00:30:48,880  
evolving

902  
00:30:53,990 --> 00:30:51,200  
and you constantly have to lift and

903  
00:30:57,029 --> 00:30:54,000  
shift your assets on the battlefield

904  
00:30:58,470 --> 00:30:57,039  
in order to achieve the mission and a

905  
00:31:01,110 --> 00:30:58,480  
battlefield is never static

906  
00:31:03,029 --> 00:31:01,120  
it's always a dynamic situation and you

907  
00:31:05,269 --> 00:31:03,039  
have to be able to react

908  
00:31:07,190 --> 00:31:05,279  
to to the battle space i mean this is

909  
00:31:08,630 --> 00:31:07,200  
this is the world i come from this is

910  
00:31:10,230 --> 00:31:08,640  
it's like any other military or

911  
00:31:11,669 --> 00:31:10,240  
intelligence campaign and

912  
00:31:14,230 --> 00:31:11,679  
of course people are going to read it

913  
00:31:15,590 --> 00:31:14,240

actually i told you it's a campaign

914

00:31:17,430 --> 00:31:15,600

please don't don't read too much what

915

00:31:19,190 --> 00:31:17,440

i'm saying what i'm saying is that this

916

00:31:22,389 --> 00:31:19,200

has to be a well choreographed

917

00:31:24,549 --> 00:31:22,399

well coordinated effort and if you

918

00:31:25,909 --> 00:31:24,559

rest you get too comfortable sitting on

919

00:31:29,830 --> 00:31:25,919

your laurels

920

00:31:32,149 --> 00:31:29,840

then you you

921

00:31:33,269 --> 00:31:32,159

you may fail in the mission and and i

922

00:31:34,710 --> 00:31:33,279

don't ever want to

923

00:31:37,990 --> 00:31:34,720

to fail in this mission it's too

924

00:31:40,070 --> 00:31:38,000

important so i've decided to take

925

00:31:41,830 --> 00:31:40,080

some of my i still talk to those guys i

926

00:31:44,070 --> 00:31:41,840

love i love my friends at tsa

927

00:31:45,430 --> 00:31:44,080

we actually talk all the time and i

928

00:31:46,389 --> 00:31:45,440

still help them out of course i will i

929

00:31:47,830 --> 00:31:46,399

love these guys

930

00:31:49,509 --> 00:31:47,840

and and gals that are in the

931

00:31:50,870 --> 00:31:49,519

organization um

932

00:31:52,310 --> 00:31:50,880

and i think they they're going to do a

933

00:31:52,789 --> 00:31:52,320

lot of good i think they can do a layout

934

00:31:55,190 --> 00:31:52,799

they have

935

00:31:55,909 --> 00:31:55,200

a lot of good and they will do a lot of

936

00:31:58,230 --> 00:31:55,919

good

937

00:32:00,230 --> 00:31:58,240

um but i think my skill sets are just

938

00:32:03,350 --> 00:32:00,240

better used in a different capacity

939

00:32:06,149 --> 00:32:03,360

and you know you you have to

940

00:32:07,350 --> 00:32:06,159

sometimes you have to divide to conquer

941

00:32:09,430 --> 00:32:07,360

if that makes sense

942

00:32:10,789 --> 00:32:09,440

and you have to take different teams on

943

00:32:13,269 --> 00:32:10,799

the battlefield

944

00:32:14,070 --> 00:32:13,279

and and put them in different places to

945

00:32:16,230 --> 00:32:14,080

to

946

00:32:17,509 --> 00:32:16,240

apply pressure in the right areas you

947

00:32:19,269 --> 00:32:17,519

can't just you know what like the

948

00:32:21,750 --> 00:32:19,279

british learned a long time ago

949

00:32:23,190 --> 00:32:21,760

you can't just march your entire army in

950

00:32:25,269 --> 00:32:23,200

rank and file

951  
00:32:27,430 --> 00:32:25,279  
and you know expect to win a battle

952  
00:32:31,190 --> 00:32:27,440  
battle battle has evolved over over the

953  
00:32:32,870 --> 00:32:31,200  
decades and and centuries so you have to

954  
00:32:36,389 --> 00:32:32,880  
evolve your tactics

955  
00:32:38,149 --> 00:32:36,399  
um and and and

956  
00:32:39,669 --> 00:32:38,159  
develop new strategies as the

957  
00:32:40,310 --> 00:32:39,679  
battlefield is evolving if that makes

958  
00:32:42,789 --> 00:32:40,320  
sense right

959  
00:32:44,950 --> 00:32:42,799  
and you spike the ball i mean you and

960  
00:32:45,830 --> 00:32:44,960  
chris mellon went in guns blazing and

961  
00:32:47,909 --> 00:32:45,840  
just look at

962  
00:32:49,350 --> 00:32:47,919  
what was accomplished in the past few

963  
00:32:52,389 --> 00:32:49,360

years from a government

964

00:32:55,350 --> 00:32:52,399

uh side of all this and of course like

965

00:32:56,149 --> 00:32:55,360

tom was extremely transparent from the

966

00:32:57,590 --> 00:32:56,159

start that

967

00:32:59,990 --> 00:32:57,600

a huge part of this is going to be

968

00:33:01,669 --> 00:33:00,000

entertainment so we get that like that's

969

00:33:04,070 --> 00:33:01,679

that's still long i mean i've been a fan

970

00:33:05,190 --> 00:33:04,080

of his since i was a kid so i understand

971

00:33:07,830 --> 00:33:05,200

that you know what

972

00:33:08,389 --> 00:33:07,840

and and that equation works uh but you

973

00:33:10,870 --> 00:33:08,399

know again

974

00:33:12,870 --> 00:33:10,880

you can't expect a hammer to do a

975

00:33:14,230 --> 00:33:12,880

screwdriver's job and vice versa we're

976  
00:33:16,710 --> 00:33:14,240  
all a tool in this

977  
00:33:18,310 --> 00:33:16,720  
and and tom is a very specific tool just

978  
00:33:19,830 --> 00:33:18,320  
like i am just like sean is just like

979  
00:33:22,950 --> 00:33:19,840  
you are everybody else

980  
00:33:24,549 --> 00:33:22,960  
to get the job accomplished so um you

981  
00:33:27,269 --> 00:33:24,559  
know that that would be my

982  
00:33:27,590 --> 00:33:27,279  
my perspective anyways well um i'm glad

983  
00:33:30,870 --> 00:33:27,600  
you

984  
00:33:33,110 --> 00:33:30,880  
of people want to know like

985  
00:33:34,389 --> 00:33:33,120  
the drama behind all of it but hey

986  
00:33:36,950 --> 00:33:34,399  
business is business

987  
00:33:38,470 --> 00:33:36,960  
and strategy is strategy so um i have

988  
00:33:39,430 --> 00:33:38,480

faith that you're all making these

989

00:33:42,310 --> 00:33:39,440

decisions

990

00:33:43,110 --> 00:33:42,320

for a reason to progress this this issue

991

00:33:45,029 --> 00:33:43,120

in this topic

992

00:33:47,110 --> 00:33:45,039

i'm not a drama guy ryan i got to tell

993

00:33:49,269 --> 00:33:47,120

you anybody

994

00:33:51,190 --> 00:33:49,279

we're not drama people uh you know we're

995

00:33:52,549 --> 00:33:51,200

mission focused people um i don't have

996

00:33:54,230 --> 00:33:52,559

time for drama

997

00:33:56,549 --> 00:33:54,240

um if that's what people are interested

998

00:33:59,110 --> 00:33:56,559

in then you know they can go tune into

999

00:33:59,669 --> 00:33:59,120

into something else but i'm not about

1000

00:34:01,750 --> 00:33:59,679

about

1001  
00:34:03,830 --> 00:34:01,760  
artificial drama manufacture drama we've

1002  
00:34:06,149 --> 00:34:03,840  
got enough challenges on our hands

1003  
00:34:07,430 --> 00:34:06,159  
to have to to involve ourselves in that

1004  
00:34:09,750 --> 00:34:07,440  
that he said she said

1005  
00:34:10,550 --> 00:34:09,760  
stuff absolutely brother no time for it

1006  
00:34:12,149 --> 00:34:10,560  
well um

1007  
00:34:13,829 --> 00:34:12,159  
let's talk about something a little

1008  
00:34:16,790 --> 00:34:13,839  
dramatic and uh

1009  
00:34:19,430 --> 00:34:16,800  
a lot of people want to know this what

1010  
00:34:20,069 --> 00:34:19,440  
are your guys thoughts on the entire bob

1011  
00:34:22,389 --> 00:34:20,079  
lazar

1012  
00:34:23,750 --> 00:34:22,399  
affair um i didn't think this would come

1013  
00:34:25,829 --> 00:34:23,760

up but it is

1014

00:34:27,270 --> 00:34:25,839

um there seems to be a huge disconnect

1015

00:34:29,669 --> 00:34:27,280

between what

1016

00:34:30,790 --> 00:34:29,679

this individual has claimed in the past

1017

00:34:33,430 --> 00:34:30,800

and what atip

1018

00:34:34,869 --> 00:34:33,440

is looking at and there's such a gray

1019

00:34:37,270 --> 00:34:34,879

area in between

1020

00:34:39,430 --> 00:34:37,280

if the government is looking at flare

1021

00:34:41,030 --> 00:34:39,440

videos of a blurry ufo

1022

00:34:43,349 --> 00:34:41,040

and then you have a guy claiming he's

1023

00:34:45,829 --> 00:34:43,359

worked on reverse engineered

1024

00:34:47,190 --> 00:34:45,839

technology from extraterrestrials like

1025

00:34:49,990 --> 00:34:47,200

where do these things meet

1026

00:34:51,109 --> 00:34:50,000

so yeah whoever wants to comment on that

1027

00:34:52,950 --> 00:34:51,119

that's a good question

1028

00:34:54,869 --> 00:34:52,960

um i think it's an opportunity for us to

1029

00:34:59,270 --> 00:34:54,879

really examine what we expect

1030

00:35:01,430 --> 00:34:59,280

um to to to data mine from history

1031

00:35:02,310 --> 00:35:01,440

and what we can really triangulate

1032

00:35:04,790 --> 00:35:02,320

together

1033

00:35:06,310 --> 00:35:04,800

um i don't know bob and i i don't know

1034

00:35:08,230 --> 00:35:06,320

the the folks that work with him

1035

00:35:10,790 --> 00:35:08,240

and i don't mean to be silly when i say

1036

00:35:13,190 --> 00:35:10,800

i don't know what happened for bob

1037

00:35:14,550 --> 00:35:13,200

um i've always found him to be a very

1038

00:35:16,390 --> 00:35:14,560

cogent intelligent

1039

00:35:17,990 --> 00:35:16,400

individual he tells an incredibly

1040

00:35:19,910 --> 00:35:18,000

interesting story

1041

00:35:22,230 --> 00:35:19,920

that um involves a lot of things that i

1042

00:35:23,990 --> 00:35:22,240

just don't have any experience or enough

1043

00:35:26,790 --> 00:35:24,000

evidence to bring to bear to it so for

1044

00:35:30,150 --> 00:35:26,800

me it's an anecdotal experience

1045

00:35:32,390 --> 00:35:30,160

um and that has value but

1046

00:35:34,870 --> 00:35:32,400

i can't make the doughnuts with that

1047

00:35:36,310 --> 00:35:34,880

it's just no offense to mr lazar but it

1048

00:35:38,790 --> 00:35:36,320

is a story without

1049

00:35:39,750 --> 00:35:38,800

a triangulation of evidentiary value for

1050

00:35:43,109 --> 00:35:39,760

me

1051

00:35:45,190 --> 00:35:43,119

uh anything to add to that lou uh

1052

00:35:47,030 --> 00:35:45,200

no ditto i i don't know mr lazar from

1053

00:35:49,190 --> 00:35:47,040

anybody else um

1054

00:35:51,030 --> 00:35:49,200

i know tangentially his story but really

1055

00:35:52,150 --> 00:35:51,040

in a tip it didn't we weren't concerned

1056

00:35:53,910 --> 00:35:52,160

with it because it

1057

00:35:56,150 --> 00:35:53,920

there's nothing we could do with it um

1058

00:35:58,390 --> 00:35:56,160

you know we we were focused on the here

1059

00:36:01,109 --> 00:35:58,400

and now what is it what is it impacting

1060

00:36:03,589 --> 00:36:01,119

our our military operational areas and

1061

00:36:06,230 --> 00:36:03,599

our equities and our assets in real time

1062

00:36:07,589 --> 00:36:06,240

um you know people already say well why

1063

00:36:08,550 --> 00:36:07,599

don't how can you not look at the past

1064

00:36:09,990 --> 00:36:08,560

information

1065

00:36:11,910 --> 00:36:10,000

and i've said this before and i know it

1066

00:36:13,270 --> 00:36:11,920

irritates people but you know in a court

1067

00:36:14,790 --> 00:36:13,280

of law that doesn't matter because if

1068

00:36:17,030 --> 00:36:14,800

you don't have

1069

00:36:18,630 --> 00:36:17,040

the the quantifiable and qualifiable

1070

00:36:20,550 --> 00:36:18,640

data to back it up

1071

00:36:22,150 --> 00:36:20,560

then it's useless it's just that it's an

1072

00:36:23,589 --> 00:36:22,160

anecdote and and

1073

00:36:25,430 --> 00:36:23,599

it's not overly helpful when you're

1074

00:36:26,710 --> 00:36:25,440

trying to get senior decision makers in

1075

00:36:28,069 --> 00:36:26,720

the department of defense and the

1076

00:36:30,150 --> 00:36:28,079

intelligence community

1077

00:36:31,190 --> 00:36:30,160

to commit resources authorities and

1078

00:36:33,270 --> 00:36:31,200

assets

1079

00:36:34,870 --> 00:36:33,280

to to do something you know i can't just

1080

00:36:36,630 --> 00:36:34,880

say yeah

1081

00:36:38,310 --> 00:36:36,640

because he said it that it's just like

1082

00:36:39,109 --> 00:36:38,320

me when i came out and people were like

1083

00:36:40,790 --> 00:36:39,119

well who the heck

1084

00:36:43,030 --> 00:36:40,800

is this guy you know he's got no

1085

00:36:45,109 --> 00:36:43,040

evidence well you have to bring evidence

1086

00:36:46,230 --> 00:36:45,119

you have to you have to you have to show

1087

00:36:48,150 --> 00:36:46,240

the evidence

1088

00:36:49,349 --> 00:36:48,160

and in this particular case you know i

1089

00:36:52,150 --> 00:36:49,359

i've never seen

1090

00:36:54,230 --> 00:36:52,160

any evidence but truth be told um you

1091

00:36:56,550 --> 00:36:54,240

know in the government

1092

00:36:57,589 --> 00:36:56,560

we were very very focused on the here

1093

00:37:00,150 --> 00:36:57,599

and now

1094

00:37:00,870 --> 00:37:00,160

so i don't want to disparage anybody i

1095

00:37:03,030 --> 00:37:00,880

really don't

1096

00:37:03,910 --> 00:37:03,040

have an opinion people say oh is it good

1097

00:37:04,870 --> 00:37:03,920

is it bad

1098

00:37:07,589 --> 00:37:04,880

i don't have any because i don't have

1099

00:37:09,670 --> 00:37:07,599

any information i i

1100

00:37:11,030 --> 00:37:09,680

to me it's it's no different than

1101  
00:37:11,589 --> 00:37:11,040  
someone off the street coming up and

1102  
00:37:13,670 --> 00:37:11,599  
saying

1103  
00:37:16,069 --> 00:37:13,680  
hey lou uh i saw something interesting

1104  
00:37:18,470 --> 00:37:16,079  
yesterday i'll listen

1105  
00:37:19,829 --> 00:37:18,480  
i could riff off ten ten ideas for you

1106  
00:37:21,430 --> 00:37:19,839  
but i'm not gonna do that

1107  
00:37:23,829 --> 00:37:21,440  
the reason that i'm not gonna is because

1108  
00:37:26,950 --> 00:37:23,839  
my my imagination based around

1109  
00:37:28,950 --> 00:37:26,960  
the mr lazarus's story that

1110  
00:37:30,069 --> 00:37:28,960  
if i were to do that that would inform

1111  
00:37:31,589 --> 00:37:30,079  
people who are who

1112  
00:37:33,430 --> 00:37:31,599  
who don't move their chest and checker

1113  
00:37:35,190 --> 00:37:33,440

pieces too much farther forward and want

1114

00:37:35,990 --> 00:37:35,200

other people to give them answers and i

1115

00:37:37,670 --> 00:37:36,000

don't have answers

1116

00:37:39,349 --> 00:37:37,680

for i don't have other people's answers

1117

00:37:42,390 --> 00:37:39,359

for them i agree with that i

1118

00:37:45,750 --> 00:37:42,400

agree with shawna wholeheartedly well

1119

00:37:47,190 --> 00:37:45,760

here sarah on twitter asks uh we keep

1120

00:37:48,870 --> 00:37:47,200

hearing that the general public will

1121

00:37:51,270 --> 00:37:48,880

have a hard time accepting

1122

00:37:53,270 --> 00:37:51,280

or understanding the phenomenon if when

1123

00:37:55,829 --> 00:37:53,280

disclosure happens so

1124

00:37:57,670 --> 00:37:55,839

from both of your point of views uh what

1125

00:37:59,109 --> 00:37:57,680

are some particular examples of what

1126

00:38:01,030 --> 00:37:59,119

might upset the public

1127

00:38:02,950 --> 00:38:01,040

and why do officials seem to get worried

1128

00:38:04,230 --> 00:38:02,960

about it

1129

00:38:06,470 --> 00:38:04,240

i think that's another one of those

1130

00:38:08,950 --> 00:38:06,480

areas that we have to be very careful in

1131

00:38:11,109 --> 00:38:08,960

um if i were to if i were to lay out

1132

00:38:12,710 --> 00:38:11,119

everything that i thought could go wrong

1133

00:38:14,550 --> 00:38:12,720

how many people would be focused on what

1134

00:38:17,670 --> 00:38:14,560

could go right um

1135

00:38:19,510 --> 00:38:17,680

we've seen i'll i will i will i won't

1136

00:38:20,390 --> 00:38:19,520

completely avoid avoid some of the big

1137

00:38:21,750 --> 00:38:20,400

examples

1138

00:38:23,030 --> 00:38:21,760

there are people who are concerned about

1139

00:38:23,990 --> 00:38:23,040

their worldview when it comes to their

1140

00:38:26,069 --> 00:38:24,000

religion

1141

00:38:28,230 --> 00:38:26,079

their personal moral view their

1142

00:38:30,390 --> 00:38:28,240

worldview of history in the past

1143

00:38:32,870 --> 00:38:30,400

those things are things that we need the

1144

00:38:34,310 --> 00:38:32,880

8 billion perspectives of to come up

1145

00:38:37,270 --> 00:38:34,320

with the proper

1146

00:38:39,670 --> 00:38:37,280

uh reading of this it's it's not up to

1147

00:38:42,230 --> 00:38:39,680

me or any other individual or group

1148

00:38:44,150 --> 00:38:42,240

to define these things whatever we're

1149

00:38:46,470 --> 00:38:44,160

experiencing together is quite elusive

1150

00:38:48,230 --> 00:38:46,480

um as a whole this is something that

1151

00:38:51,349 --> 00:38:48,240

requires more eyes

1152

00:38:54,790 --> 00:38:51,359

more study and um as

1153

00:38:57,109 --> 00:38:54,800

as we get closer possibly to to having

1154

00:38:58,069 --> 00:38:57,119

more consensus together then i think

1155

00:39:00,470 --> 00:38:58,079

that we can

1156

00:39:02,150 --> 00:39:00,480

we can start coming to some conclusions

1157

00:39:05,190 --> 00:39:02,160

together but right now there are so many

1158

00:39:06,950 --> 00:39:05,200

riffs not not only within the data but

1159

00:39:08,950 --> 00:39:06,960

within the communities of who's willing

1160

00:39:10,230 --> 00:39:08,960

to speak to whom who's willing to accept

1161

00:39:13,270 --> 00:39:10,240

data from whom

1162

00:39:15,750 --> 00:39:13,280

um there are folks that lockheed uh

1163

00:39:16,550 --> 00:39:15,760

that lock me and lou out of their world

1164

00:39:23,589 --> 00:39:16,560

view

1165

00:39:25,990 --> 00:39:23,599

they believe we represent a system

1166

00:39:27,910 --> 00:39:26,000

that to them has done them wrong right

1167

00:39:30,310 --> 00:39:27,920

and so therefore they demonize us

1168

00:39:31,109 --> 00:39:30,320

immediately and we can't work together

1169

00:39:33,349 --> 00:39:31,119

anymore

1170

00:39:35,829 --> 00:39:33,359

and we have data that i think they

1171

00:39:38,230 --> 00:39:35,839

desire probably or or observations and

1172

00:39:40,150 --> 00:39:38,240

we desire their observations and data so

1173

00:39:43,910 --> 00:39:40,160

that we can come to a proper conclusion

1174

00:39:45,990 --> 00:39:43,920

not a compartmentalized or partisan

1175

00:39:48,150 --> 00:39:46,000

i i think you know i'll echo what sean

1176

00:39:50,069 --> 00:39:48,160

said and i'll also add that

1177

00:39:51,589 --> 00:39:50,079

you can take any issue du jour right

1178

00:39:53,829 --> 00:39:51,599

let's take covet for example

1179

00:39:55,190 --> 00:39:53,839

and this this horrible global pandemic

1180

00:39:57,510 --> 00:39:55,200

we're dealing with

1181

00:39:59,190 --> 00:39:57,520

and this is a very serious topic and

1182

00:40:01,510 --> 00:39:59,200

even that topic

1183

00:40:02,390 --> 00:40:01,520

often polarizes people it doesn't unite

1184

00:40:05,750 --> 00:40:02,400

people right

1185

00:40:07,829 --> 00:40:05,760

and so um we have to be very cautious

1186

00:40:09,430 --> 00:40:07,839

if there's anything that i think we i

1187

00:40:10,870 --> 00:40:09,440

think we're seeing it where we

1188

00:40:12,630 --> 00:40:10,880

people say is there any information that

1189

00:40:15,829 --> 00:40:12,640

that that can scare people or

1190

00:40:16,470 --> 00:40:15,839

cause a divide well yes but it can also

1191

00:40:18,470 --> 00:40:16,480

unite

1192

00:40:19,829 --> 00:40:18,480

and we're seeing that we have to be very

1193

00:40:21,510 --> 00:40:19,839

careful because

1194

00:40:23,589 --> 00:40:21,520

you know we're not trying to weave

1195

00:40:26,790 --> 00:40:23,599

necessarily a threat narrative

1196

00:40:29,270 --> 00:40:26,800

but i i also don't want to you know

1197

00:40:30,309 --> 00:40:29,280

weave a narrative of of a false sense of

1198

00:40:32,069 --> 00:40:30,319

security

1199

00:40:34,710 --> 00:40:32,079

i think that's equally as dangerous and

1200

00:40:37,510 --> 00:40:34,720

i think we have to be very careful

1201  
00:40:39,510 --> 00:40:37,520  
how we collect and how we preserve and

1202  
00:40:40,950 --> 00:40:39,520  
how we present the facts or the evidence

1203  
00:40:43,990 --> 00:40:40,960  
in this case

1204  
00:40:46,069 --> 00:40:44,000  
and um you know i

1205  
00:40:47,910 --> 00:40:46,079  
any time you have a conversation whether

1206  
00:40:48,309 --> 00:40:47,920  
it's about religion politics or anything

1207  
00:40:49,990 --> 00:40:48,319  
else

1208  
00:40:51,510 --> 00:40:50,000  
you know you're going to get some

1209  
00:40:54,950 --> 00:40:51,520  
division uh

1210  
00:40:55,829 --> 00:40:54,960  
and this topic is certainly very very

1211  
00:40:57,670 --> 00:40:55,839  
very

1212  
00:41:00,150 --> 00:40:57,680  
personally and politically charged it

1213  
00:41:01,990 --> 00:41:00,160

depends on where you sit on the fence

1214

00:41:03,990 --> 00:41:02,000

and and depends on you know whose team

1215

00:41:06,550 --> 00:41:04,000

you're going to be on and for me i

1216

00:41:07,990 --> 00:41:06,560

i reject the entire notion of teams i i

1217

00:41:09,589 --> 00:41:08,000

i think it's ridiculous

1218

00:41:11,430 --> 00:41:09,599

you know i think i think we should all

1219

00:41:14,790 --> 00:41:11,440

i'll be working together for the truth

1220

00:41:16,630 --> 00:41:14,800

one team it's not an inescapable idea

1221

00:41:18,390 --> 00:41:16,640

to have one team if we're honest with

1222

00:41:20,790 --> 00:41:18,400

each other right yeah

1223

00:41:23,030 --> 00:41:20,800

absolutely i mean again that's why i'm

1224

00:41:25,829 --> 00:41:23,040

into this topic of ufos because it

1225

00:41:28,150 --> 00:41:25,839

you can literally relate it to anything

1226

00:41:30,150 --> 00:41:28,160

religion politics economy

1227

00:41:32,550 --> 00:41:30,160

psychology soft science hard science

1228

00:41:33,510 --> 00:41:32,560

what have you like this topic this issue

1229

00:41:36,870 --> 00:41:33,520

that you two

1230

00:41:37,589 --> 00:41:36,880

have decided to pursue um could change

1231

00:41:40,390 --> 00:41:37,599

everything

1232

00:41:41,510 --> 00:41:40,400

and i i honestly believe that will

1233

00:41:43,990 --> 00:41:41,520

happen someday

1234

00:41:45,030 --> 00:41:44,000

when i don't know let me offer this up

1235

00:41:46,630 --> 00:41:45,040

because people keep saying when are we

1236

00:41:49,829 --> 00:41:46,640

gonna have disclosure

1237

00:41:53,190 --> 00:41:49,839

yes please this year you just had

1238

00:41:56,150 --> 00:41:53,200

the department of defense say

1239

00:41:58,710 --> 00:41:56,160

that you a piece unidentified aerial

1240

00:41:59,430 --> 00:41:58,720

phenomenon not unidentified drones not

1241

00:42:03,190 --> 00:41:59,440

identified

1242

00:42:04,470 --> 00:42:03,200

aircraft phenomenon okay are real

1243

00:42:06,309 --> 00:42:04,480

and that we're videoing them to the

1244

00:42:09,109 --> 00:42:06,319

point where we have established

1245

00:42:09,990 --> 00:42:09,119

under the deputy secretary of defense an

1246

00:42:13,109 --> 00:42:10,000

official

1247

00:42:16,390 --> 00:42:13,119

and formal uap not uas

1248

00:42:18,710 --> 00:42:16,400

uap task force

1249

00:42:20,309 --> 00:42:18,720

if if you don't want a bigger indicator

1250

00:42:21,829 --> 00:42:20,319

that the government is finally willing

1251

00:42:25,349 --> 00:42:21,839

to play in this sphere

1252

00:42:27,030 --> 00:42:25,359

in this in this in this this arena

1253

00:42:28,710 --> 00:42:27,040

i don't know how to get through to you i

1254

00:42:29,990 --> 00:42:28,720

i can't there's nothing i can do that

1255

00:42:31,670 --> 00:42:30,000

convince people i would say look

1256

00:42:33,270 --> 00:42:31,680

you you're living through disclosure now

1257

00:42:34,390 --> 00:42:33,280

it's happening don't you're not waiting

1258

00:42:37,670 --> 00:42:34,400

you keep waiting for this

1259

00:42:39,349 --> 00:42:37,680

magic trip wire to occur look back and

1260

00:42:41,109 --> 00:42:39,359

it's already happened it just happened

1261

00:42:42,550 --> 00:42:41,119

and it's continuing to occur i talked to

1262

00:42:45,030 --> 00:42:42,560

a lot of people who who

1263

00:42:46,870 --> 00:42:45,040

after hearing something similar to that

1264

00:42:48,390 --> 00:42:46,880

want to jump up and down and say

1265

00:42:51,190 --> 00:42:48,400

what about this incident what about that

1266

00:42:52,390 --> 00:42:51,200

incident etc so i i'd be happy to sit

1267

00:42:55,109 --> 00:42:52,400

here and say

1268

00:42:56,630 --> 00:42:55,119

well i'm not a government spokesperson

1269

00:42:58,790 --> 00:42:56,640

but i'd be happy to say we've been

1270

00:42:59,510 --> 00:42:58,800

investigating this for 70 years on and

1271

00:43:02,950 --> 00:42:59,520

off

1272

00:43:03,910 --> 00:43:02,960

and that fact isn't a fact to the known

1273

00:43:07,030 --> 00:43:03,920

public it's

1274

00:43:08,630 --> 00:43:07,040

not an understood fact that

1275

00:43:11,030 --> 00:43:08,640

for all intents and purposes the

1276

00:43:13,910 --> 00:43:11,040

investigation has never ended

1277

00:43:15,589 --> 00:43:13,920

did not end and is ongoing right now i'm

1278

00:43:18,069 --> 00:43:15,599

not a spokesperson for that

1279

00:43:20,150 --> 00:43:18,079

but that's as obvious to me as as my own

1280

00:43:22,950 --> 00:43:20,160

hand in front of my face

1281

00:43:23,430 --> 00:43:22,960

and so once we start getting those data

1282

00:43:26,950 --> 00:43:23,440

points

1283

00:43:29,430 --> 00:43:26,960

out as knowns to the majority of people

1284

00:43:30,790 --> 00:43:29,440

the stigma is just going to melt away

1285

00:43:33,109 --> 00:43:30,800

that that holy s

1286

00:43:34,630 --> 00:43:33,119

moment that some of us have is is

1287

00:43:36,790 --> 00:43:34,640

powerful and it's long

1288

00:43:37,829 --> 00:43:36,800

lasting too so we need to be careful of

1289

00:43:40,309 --> 00:43:37,839

that

1290

00:43:42,150 --> 00:43:40,319

people who have thought this might be

1291

00:43:43,430 --> 00:43:42,160

real for their entire lives once

1292

00:43:46,870 --> 00:43:43,440

confronted with the

1293

00:43:50,390 --> 00:43:46,880

fact that this is real period

1294

00:43:52,230 --> 00:43:50,400

full stop it's it's a very sobering

1295

00:43:55,829 --> 00:43:52,240

experience that has a lot of

1296

00:43:57,349 --> 00:43:55,839

tangential uh consequences yeah

1297

00:43:59,510 --> 00:43:57,359

absolutely i think we have to keep in

1298

00:44:02,390 --> 00:43:59,520

mind like the public at large

1299

00:44:02,790 --> 00:44:02,400

doesn't read ufo books every day they're

1300

00:44:06,230 --> 00:44:02,800

not

1301  
00:44:07,349 --> 00:44:06,240  
going to ufo websites uh so even the

1302  
00:44:09,430 --> 00:44:07,359  
small thing

1303  
00:44:10,790 --> 00:44:09,440  
of a new york times article saying

1304  
00:44:13,349 --> 00:44:10,800  
off-world vehicle

1305  
00:44:14,790 --> 00:44:13,359  
is gonna like blow people's minds

1306  
00:44:16,230 --> 00:44:14,800  
whereas someone like me is like

1307  
00:44:18,550 --> 00:44:16,240  
yeah man they've been doing it for 70

1308  
00:44:20,550 --> 00:44:18,560  
plus years you know um well let's

1309  
00:44:22,309 --> 00:44:20,560  
you mentioned the uap task force lou i

1310  
00:44:26,309 --> 00:44:22,319  
would love um if

1311  
00:44:28,870 --> 00:44:26,319  
you could share anything with us are you

1312  
00:44:30,630 --> 00:44:28,880  
involved are they talking to you i mean

1313  
00:44:32,870 --> 00:44:30,640

you worked for the pentagon

1314

00:44:33,990 --> 00:44:32,880

and um i understand you left for a

1315

00:44:35,910 --> 00:44:34,000

certain reason

1316

00:44:37,430 --> 00:44:35,920

and i completely understand your reason

1317

00:44:39,270 --> 00:44:37,440

for that but look

1318

00:44:41,910 --> 00:44:39,280

it's circling back now it seems like

1319

00:44:44,309 --> 00:44:41,920

they they want to get involved so

1320

00:44:46,309 --> 00:44:44,319

are they using your five observables are

1321

00:44:48,630 --> 00:44:46,319

they reaching out to you these

1322

00:44:50,710 --> 00:44:48,640

these leaked reports that we saw what

1323

00:44:52,630 --> 00:44:50,720

are your thoughts on all of that

1324

00:44:54,390 --> 00:44:52,640

yeah give us your thoughts on uap task

1325

00:44:56,630 --> 00:44:54,400

force if you don't mind

1326

00:44:58,069 --> 00:44:56,640

uh they are some of the finest human

1327

00:45:01,510 --> 00:44:58,079

beings um

1328

00:45:01,910 --> 00:45:01,520

i've ever i've ever had the privilege to

1329

00:45:04,390 --> 00:45:01,920

know

1330

00:45:05,390 --> 00:45:04,400

um i i can't speak on behalf of the task

1331

00:45:09,750 --> 00:45:05,400

force

1332

00:45:11,109 --> 00:45:09,760

um and uh frankly any relationship i may

1333

00:45:14,230 --> 00:45:11,119

or may not have

1334

00:45:16,309 --> 00:45:14,240

um at this point i'm going to to um

1335

00:45:17,750 --> 00:45:16,319

keep personal you know a lot of people

1336

00:45:19,589 --> 00:45:17,760

in this arena like to tout their

1337

00:45:21,829 --> 00:45:19,599

connections because it gives them some

1338

00:45:24,470 --> 00:45:21,839

sort of stature or status

1339

00:45:25,829 --> 00:45:24,480

within the community i'm not that guy i

1340

00:45:27,430 --> 00:45:25,839

frankly see my language i don't give a

1341

00:45:29,109 --> 00:45:27,440

[h\_\_h] what do you think about me

1342

00:45:30,470 --> 00:45:29,119

um although i would never would have

1343

00:45:33,910 --> 00:45:30,480

done this job if

1344

00:45:36,150 --> 00:45:33,920

if if i did um you know i knew the heat

1345

00:45:37,190 --> 00:45:36,160

and flak i'd be taking

1346

00:45:38,470 --> 00:45:37,200

you know from an intelligence

1347

00:45:40,870 --> 00:45:38,480

perspective you always want to do things

1348

00:45:42,550 --> 00:45:40,880

in a coordinated manner

1349

00:45:44,710 --> 00:45:42,560

i'm not a kiss and tell kind of guy i'm

1350

00:45:46,550 --> 00:45:44,720

not going to talk about who i know and

1351

00:45:49,829 --> 00:45:46,560

what my contacts are

1352

00:45:51,510 --> 00:45:49,839

uh the the ufo community

1353

00:45:53,589 --> 00:45:51,520

is chock full of people like that

1354

00:45:55,990 --> 00:45:53,599

frankly most of them are liars

1355

00:45:57,030 --> 00:45:56,000

so i have no interest in that i think i

1356

00:45:58,230 --> 00:45:57,040

think

1357

00:46:00,710 --> 00:45:58,240

if you want to know what kind of person

1358

00:46:03,510 --> 00:46:00,720

i am look for the deeds

1359

00:46:04,870 --> 00:46:03,520

and and less my my words watch watch the

1360

00:46:07,270 --> 00:46:04,880

watch my actions

1361

00:46:08,470 --> 00:46:07,280

uh you know and if i disappoint you then

1362

00:46:11,589 --> 00:46:08,480

okay then then

1363

00:46:14,550 --> 00:46:11,599

you know i'm sorry um but

1364

00:46:15,510 --> 00:46:14,560

uh i'm gonna politely sidestep that

1365

00:46:18,790 --> 00:46:15,520

question because

1366

00:46:20,870 --> 00:46:18,800

um you know i i think there's enough

1367

00:46:23,109 --> 00:46:20,880

people out there

1368

00:46:23,990 --> 00:46:23,119

know what i'm trying to do who i'm

1369

00:46:27,030 --> 00:46:24,000

working with

1370

00:46:29,109 --> 00:46:27,040

who i'm talking to i

1371

00:46:30,470 --> 00:46:29,119

i i don't need to i don't need to to

1372

00:46:33,910 --> 00:46:30,480

reveal any of

1373

00:46:36,230 --> 00:46:33,920

my of my uh contacts uh

1374

00:46:36,950 --> 00:46:36,240

and who they who they may be i i

1375

00:46:39,430 --> 00:46:36,960

understand

1376

00:46:40,309 --> 00:46:39,440

this is a long game i think people have

1377

00:46:43,109 --> 00:46:40,319

to understand

1378

00:46:44,309 --> 00:46:43,119

uh disclosure in any form big or small

1379

00:46:47,670 --> 00:46:44,319

is a process

1380

00:46:49,510 --> 00:46:47,680

and there's a reason you know that you

1381

00:46:51,270 --> 00:46:49,520

you do that and i i completely

1382

00:46:54,390 --> 00:46:51,280

understand that um

1383

00:46:55,430 --> 00:46:54,400

well sort of playing off of that lou i

1384

00:46:57,109 --> 00:46:55,440

have to ask

1385

00:46:59,349 --> 00:46:57,119

um this is another big one if you're

1386

00:47:01,990 --> 00:46:59,359

willing to say anything on it

1387

00:47:03,190 --> 00:47:02,000

in an interview you were asked if there

1388

00:47:06,630 --> 00:47:03,200

was debris

1389

00:47:07,670 --> 00:47:06,640

in the possession of the us military or

1390

00:47:11,190 --> 00:47:07,680

government

1391

00:47:14,710 --> 00:47:11,200

and um your answer you think the u.s

1392

00:47:15,990 --> 00:47:14,720

government has debris from a ufo

1393

00:47:17,910 --> 00:47:16,000

in its possession right now

1394

00:47:20,150 --> 00:47:17,920

unfortunately tucker i really have to be

1395

00:47:21,670 --> 00:47:20,160

careful of my nda i really can't go into

1396

00:47:25,349 --> 00:47:21,680

a lot of more detail in that

1397

00:47:26,870 --> 00:47:25,359

okay but uh simply put yes

1398

00:47:28,630 --> 00:47:26,880

so is there anything you're willing to

1399

00:47:30,950 --> 00:47:28,640

share in terms of are we talking

1400

00:47:32,630 --> 00:47:30,960

fragments is this something kratta is

1401

00:47:35,349 --> 00:47:32,640

doing are we talking like an

1402

00:47:36,309 --> 00:47:35,359

intact craft i know that's a big loaded

1403

00:47:38,069 --> 00:47:36,319

question but

1404

00:47:39,670 --> 00:47:38,079

is there anything you can clarify online

1405

00:47:42,470 --> 00:47:39,680

i'm going to have to politely

1406

00:47:44,150 --> 00:47:42,480

um just uh i i will restate for the

1407

00:47:47,910 --> 00:47:44,160

record what i said that

1408

00:47:51,670 --> 00:47:47,920

uh it is my uh my belief

1409

00:47:52,630 --> 00:47:51,680

that uh we the united states government

1410

00:47:59,030 --> 00:47:52,640

uh

1411

00:48:01,349 --> 00:47:59,040

material and i'll leave it at that um i

1412

00:48:03,430 --> 00:48:01,359

i will not elaborate on that

1413

00:48:04,790 --> 00:48:03,440

um i don't want to do anything to to

1414

00:48:07,109 --> 00:48:04,800

compromise uh

1415

00:48:08,549 --> 00:48:07,119

any existing efforts if those efforts

1416

00:48:11,030 --> 00:48:08,559

are ongoing

1417

00:48:13,829 --> 00:48:11,040

um you know i i've said before we need

1418

00:48:15,829 --> 00:48:13,839

to give people a lot of space right now

1419

00:48:16,870 --> 00:48:15,839

the u.s government is coming to grips

1420

00:48:19,430 --> 00:48:16,880

with this

1421

00:48:20,069 --> 00:48:19,440

they have been been cooperating in the

1422

00:48:22,309 --> 00:48:20,079

disclosure

1423

00:48:23,589 --> 00:48:22,319

process i think a lot more than anybody

1424

00:48:25,589 --> 00:48:23,599

would have expected in just

1425

00:48:27,109 --> 00:48:25,599

three years and i think we need to have

1426

00:48:28,390 --> 00:48:27,119

patience with that you know i don't

1427

00:48:29,510 --> 00:48:28,400

think we need to kick him in the teeth

1428

00:48:31,430 --> 00:48:29,520

right now i think we

1429

00:48:32,870 --> 00:48:31,440

i think we need to put a hand out and a

1430

00:48:34,230 --> 00:48:32,880

hand on her shoulder and give him a pat

1431

00:48:37,270 --> 00:48:34,240

on the back and say hey

1432

00:48:40,150 --> 00:48:37,280

you know good job i know it's tough

1433

00:48:41,109 --> 00:48:40,160

um you know but we we appreciate what

1434

00:48:43,190 --> 00:48:41,119

you're doing

1435

00:48:44,309 --> 00:48:43,200

uh it took a lot of courage for people

1436

00:48:47,190 --> 00:48:44,319

in the senate

1437

00:48:48,150 --> 00:48:47,200

and congress folks and senior executives

1438

00:48:51,270 --> 00:48:48,160

in the executive

1439

00:48:52,150 --> 00:48:51,280

department to all admit that this is

1440

00:48:54,630 --> 00:48:52,160

real

1441

00:48:57,030 --> 00:48:54,640

and to further more be proactive and try

1442

00:49:00,069 --> 00:48:57,040

to figure something out and even more

1443

00:49:00,790 --> 00:49:00,079

how to report to congress in 180 days i

1444

00:49:02,309 --> 00:49:00,800

mean yeah

1445

00:49:05,589 --> 00:49:02,319

do you think the world is watching of

1446

00:49:08,710 --> 00:49:07,270

we got to give them some space man let's

1447

00:49:09,670 --> 00:49:08,720

let's give them some room to breathe

1448

00:49:12,390 --> 00:49:09,680

let's let's stop

1449

00:49:13,190 --> 00:49:12,400

swarming them and say okay look you know

1450

00:49:14,950 --> 00:49:13,200

uh

1451  
00:49:16,710 --> 00:49:14,960  
we know you've got to do something and

1452  
00:49:17,910 --> 00:49:16,720  
and we're going to back off a little bit

1453  
00:49:20,069 --> 00:49:17,920  
and let you

1454  
00:49:21,349 --> 00:49:20,079  
give you time to try to figure this out

1455  
00:49:23,829 --> 00:49:21,359  
that's that's

1456  
00:49:24,710 --> 00:49:23,839  
that's my perspective let's move back to

1457  
00:49:27,190 --> 00:49:24,720  
uh

1458  
00:49:28,150 --> 00:49:27,200  
um to catalina for a second if you guys

1459  
00:49:32,069 --> 00:49:28,160  
don't mind

1460  
00:49:34,630 --> 00:49:32,079  
um uh gabby from tijuana asks uh

1461  
00:49:36,390 --> 00:49:34,640  
was there ever any contact with mexican

1462  
00:49:39,030 --> 00:49:36,400  
government officials regarding

1463  
00:49:41,109 --> 00:49:39,040

the nimitz incident as a baja resident i

1464

00:49:42,309 --> 00:49:41,119

can say that this area is known as a hot

1465

00:49:44,069 --> 00:49:42,319

spot of sorts

1466

00:49:45,430 --> 00:49:44,079

and uh to your knowledge has the mexican

1467

00:49:48,630 --> 00:49:45,440

government collaborated

1468

00:49:51,750 --> 00:49:48,640

in any way regarding this specific event

1469

00:49:54,470 --> 00:49:51,760

anything you guys can share on that

1470

00:49:56,470 --> 00:49:54,480

um so when sean and i went down there we

1471

00:49:57,910 --> 00:49:56,480

actually went a few times down to mexico

1472

00:49:59,670 --> 00:49:57,920

and unfortunately the tv show you just

1473

00:50:01,750 --> 00:49:59,680

see kind of like the one time but

1474

00:50:03,109 --> 00:50:01,760

but uh we were down there a few times so

1475

00:50:04,950 --> 00:50:03,119

we did some reconnaissance and we talked

1476  
00:50:07,430 --> 00:50:04,960  
to some people and we talked to

1477  
00:50:08,069 --> 00:50:07,440  
all sorts of people from from you know

1478  
00:50:10,790 --> 00:50:08,079  
fishermen

1479  
00:50:12,630 --> 00:50:10,800  
and private citizens to uh law

1480  
00:50:13,589 --> 00:50:12,640  
enforcement and uh governmental

1481  
00:50:15,349 --> 00:50:13,599  
personnel

1482  
00:50:16,710 --> 00:50:15,359  
um sometimes the people in the

1483  
00:50:18,630 --> 00:50:16,720  
government don't necessarily want to be

1484  
00:50:20,790 --> 00:50:18,640  
on camera for obvious reasons right

1485  
00:50:22,630 --> 00:50:20,800  
uh sometimes they're talking to you in

1486  
00:50:23,589 --> 00:50:22,640  
an unofficial capacity and they can get

1487  
00:50:26,630 --> 00:50:23,599  
in trouble

1488  
00:50:28,549 --> 00:50:26,640

so we respect that we protect anybody's

1489

00:50:29,349 --> 00:50:28,559

identity who wants to be protected if

1490

00:50:32,549 --> 00:50:29,359

you want to

1491

00:50:34,630 --> 00:50:32,559

provide information uh uh in a

1492

00:50:35,990 --> 00:50:34,640

confidential manner and not expose who

1493

00:50:37,750 --> 00:50:36,000

you are then we honor that

1494

00:50:39,589 --> 00:50:37,760

i mean you that's that's kind of like

1495

00:50:40,950 --> 00:50:39,599

you in the media right you have a

1496

00:50:43,030 --> 00:50:40,960

confidential source and you don't want

1497

00:50:44,630 --> 00:50:43,040

to violate that trust um

1498

00:50:46,309 --> 00:50:44,640

i i will speak for sean i'll tell you

1499

00:50:47,750 --> 00:50:46,319

that we we cast a very wide net we

1500

00:50:50,069 --> 00:50:47,760

talked to a lot of people

1501  
00:50:50,790 --> 00:50:50,079  
and what most people don't realize is

1502  
00:50:53,270 --> 00:50:50,800  
for the

1503  
00:50:54,870 --> 00:50:53,280  
10 witnesses you might see on the show

1504  
00:50:57,270 --> 00:50:54,880  
in one episode

1505  
00:50:58,950 --> 00:50:57,280  
we actually conducted 50 interviews uh

1506  
00:51:00,549 --> 00:50:58,960  
with 50 different people and most of

1507  
00:51:01,270 --> 00:51:00,559  
them never made to make the cutting room

1508  
00:51:02,390 --> 00:51:01,280  
floor

1509  
00:51:04,470 --> 00:51:02,400  
it's just because you have too much

1510  
00:51:06,230 --> 00:51:04,480  
information you can't you can't squeeze

1511  
00:51:07,829 --> 00:51:06,240  
in a 45 minute

1512  
00:51:09,990 --> 00:51:07,839  
show including you know of course

1513  
00:51:11,750 --> 00:51:10,000

advertisements 10 hours worth of

1514

00:51:13,190 --> 00:51:11,760

interviews and for us i think for me

1515

00:51:15,829 --> 00:51:13,200

certainly that's the most frustrating

1516

00:51:18,069 --> 00:51:15,839

because we don't get to decide

1517

00:51:19,430 --> 00:51:18,079

from the editorial perspective what

1518

00:51:20,630 --> 00:51:19,440

makes and what doesn't i'll tell you

1519

00:51:21,990 --> 00:51:20,640

that there's times where there have been

1520

00:51:23,270 --> 00:51:22,000

interviews that

1521

00:51:24,790 --> 00:51:23,280

sean and i will look to each other and

1522

00:51:26,549 --> 00:51:24,800

be like how did that not make it in the

1523

00:51:28,549 --> 00:51:26,559

show that was you know one of the best

1524

00:51:30,309 --> 00:51:28,559

interviews with the most compelling data

1525

00:51:32,549 --> 00:51:30,319

um but you know there's a bit of an art

1526

00:51:34,309 --> 00:51:32,559

form there and ultimately you know the

1527

00:51:35,990 --> 00:51:34,319

editors get paid to make those those

1528

00:51:38,390 --> 00:51:36,000

editorial decisions

1529

00:51:40,150 --> 00:51:38,400

based upon content get based upon length

1530

00:51:40,950 --> 00:51:40,160

you know based upon a lot of things and

1531

00:51:42,950 --> 00:51:40,960

so

1532

00:51:44,390 --> 00:51:42,960

um you know certainly for me it was a

1533

00:51:46,069 --> 00:51:44,400

learning experience but i'll

1534

00:51:48,790 --> 00:51:46,079

i'll let sean take that that question

1535

00:51:51,430 --> 00:51:48,800

over at home i have 50 pages of notes

1536

00:51:53,270 --> 00:51:51,440

i have gigabytes of video and and

1537

00:51:54,230 --> 00:51:53,280

photographic data from those mission we

1538

00:51:55,990 --> 00:51:54,240

call missions

1539

00:51:57,750 --> 00:51:56,000

we're mission oriented we're ex-military

1540

00:52:00,230 --> 00:51:57,760

we're not afraid to talk that way

1541

00:52:01,990 --> 00:52:00,240

so pardon me if i overuse uh some of our

1542

00:52:04,470 --> 00:52:02,000

acronyms and phrases but

1543

00:52:05,829 --> 00:52:04,480

uh when i'm on mission uh that

1544

00:52:07,910 --> 00:52:05,839

investigation is mine

1545

00:52:09,750 --> 00:52:07,920

i own it it's not lose investigation

1546

00:52:10,790 --> 00:52:09,760

it's not anyone else's it's not history

1547

00:52:13,829 --> 00:52:10,800

channels

1548

00:52:17,750 --> 00:52:13,839

so my investigation you know

1549

00:52:19,589 --> 00:52:17,760

we it's how do i put it um

1550

00:52:21,750 --> 00:52:19,599

we're not messing around we're not

1551  
00:52:23,349 --> 00:52:21,760  
making a tv show

1552  
00:52:25,270 --> 00:52:23,359  
where there's there are cameras that are

1553  
00:52:28,710 --> 00:52:25,280  
with us that are documenting an

1554  
00:52:29,589 --> 00:52:28,720  
ongoing investigation and process of

1555  
00:52:31,589 --> 00:52:29,599  
trying to bring

1556  
00:52:32,870 --> 00:52:31,599  
new data out from a place that it's

1557  
00:52:35,990 --> 00:52:32,880  
never been

1558  
00:52:36,870 --> 00:52:36,000  
released from and if we can't get that

1559  
00:52:39,430 --> 00:52:36,880  
data

1560  
00:52:40,790 --> 00:52:39,440  
out into the daylight then perhaps we're

1561  
00:52:42,790 --> 00:52:40,800  
going to be able to

1562  
00:52:44,710 --> 00:52:42,800  
replicate that data and there's a lot of

1563  
00:52:48,309 --> 00:52:44,720

people out there working on new

1564

00:52:49,670 --> 00:52:48,319

um sensor suites and optical systems to

1565

00:52:51,750 --> 00:52:49,680

to assist us

1566

00:52:53,349 --> 00:52:51,760

because even if even if we are able to

1567

00:52:56,069 --> 00:52:53,359

replicate all that data

1568

00:52:56,390 --> 00:52:56,079

this is going on here and now for all of

1569

00:53:00,870 --> 00:52:56,400

us

1570

00:53:02,470 --> 00:53:00,880

of people so the any evidence that we

1571

00:53:05,829 --> 00:53:02,480

can gather in any form

1572

00:53:09,270 --> 00:53:05,839

in any fashion is i'm all for that

1573

00:53:11,430 --> 00:53:09,280

well i guess more of a uh

1574

00:53:13,430 --> 00:53:11,440

i guess a philosophical question to kind

1575

00:53:15,510 --> 00:53:13,440

of wrap things up here guys um

1576

00:53:16,470 --> 00:53:15,520

there's a lot of talk about ryan asks

1577

00:53:18,549 --> 00:53:16,480

this of um

1578

00:53:20,069 --> 00:53:18,559

lou and sean from twitter there's a lot

1579

00:53:22,150 --> 00:53:20,079

of talk about technology

1580

00:53:24,470 --> 00:53:22,160

and our progress trajectory playing a

1581

00:53:26,950 --> 00:53:24,480

vital role in the phenomenon

1582

00:53:28,790 --> 00:53:26,960

as someone who works with ai in in tech

1583

00:53:31,670 --> 00:53:28,800

uh what would you two

1584

00:53:33,430 --> 00:53:31,680

advise thought leaders in silicon valley

1585

00:53:37,589 --> 00:53:33,440

be wary of and why

1586

00:53:40,549 --> 00:53:37,599

when dealing with this topic charlatans

1587

00:53:42,710 --> 00:53:40,559

bullshitters people who say that they

1588

00:53:43,829 --> 00:53:42,720

have an amazing secret that they want to

1589

00:53:46,870 --> 00:53:43,839

share with them

1590

00:53:48,150 --> 00:53:46,880

it's going to change the world

1591

00:53:50,309 --> 00:53:48,160

that's the first thing i would have

1592

00:53:52,069 --> 00:53:50,319

people look out for because

1593

00:53:53,910 --> 00:53:52,079

i have pardon me again for being

1594

00:53:55,510 --> 00:53:53,920

slightly aggressive but the amount the

1595

00:53:56,630 --> 00:53:55,520

screen that i've had to put between

1596

00:53:59,829 --> 00:53:56,640

myself

1597

00:54:02,549 --> 00:53:59,839

and people who want to monetize my

1598

00:54:03,190 --> 00:54:02,559

knowledge or my experience for their

1599

00:54:07,910 --> 00:54:03,200

benefit

1600

00:54:10,230 --> 00:54:07,920

humanity or the public gain

1601  
00:54:12,230 --> 00:54:10,240  
it's really gotten in the way sometimes

1602  
00:54:15,750 --> 00:54:12,240  
of getting the job done

1603  
00:54:19,190 --> 00:54:15,760  
um so i would i would ask

1604  
00:54:20,230 --> 00:54:19,200  
people to maintain evidentiary value at

1605  
00:54:23,430 --> 00:54:20,240  
all costs

1606  
00:54:25,910 --> 00:54:23,440  
maintain openness and and records and

1607  
00:54:29,430 --> 00:54:25,920  
not given to conspiracy theory

1608  
00:54:33,109 --> 00:54:29,440  
urban myth and legend and whispers

1609  
00:54:36,230 --> 00:54:33,119  
um we're doing this in the open period

1610  
00:54:38,309 --> 00:54:36,240  
we're doing it in daylight this is it's

1611  
00:54:40,870 --> 00:54:38,319  
not going to get anywhere otherwise

1612  
00:54:42,150 --> 00:54:40,880  
totally um i get that um well let's talk

1613  
00:54:47,109 --> 00:54:42,160

about i guess

1614

00:54:49,829 --> 00:54:47,119

the the the ufos or the uaps

1615

00:54:51,349 --> 00:54:49,839

um in terms of the five observables lou

1616

00:54:53,190 --> 00:54:51,359

that you guys came up with and

1617

00:54:57,109 --> 00:54:53,200

everything um

1618

00:54:59,510 --> 00:54:57,119

it seems that we never see the same uap

1619

00:55:00,710 --> 00:54:59,520

twice like it's very rare we try to put

1620

00:55:03,270 --> 00:55:00,720

things in boxes

1621

00:55:04,630 --> 00:55:03,280

or patterns but it seems that perception

1622

00:55:07,670 --> 00:55:04,640

plays a huge role

1623

00:55:09,430 --> 00:55:07,680

in all of this obviously but um

1624

00:55:11,190 --> 00:55:09,440

with each sighting the craft seems to be

1625

00:55:11,990 --> 00:55:11,200

unique so richard wants to know on

1626  
00:55:15,430 --> 00:55:12,000  
twitter

1627  
00:55:17,190 --> 00:55:15,440  
um does this imply that the phenomenon

1628  
00:55:20,710 --> 00:55:17,200  
isn't as simple as being

1629  
00:55:22,230 --> 00:55:20,720  
i mean from one place uh or or yeah what

1630  
00:55:23,829 --> 00:55:22,240  
are your guys thoughts on that more on a

1631  
00:55:26,870 --> 00:55:23,839  
philosophical level i guess

1632  
00:55:29,589 --> 00:55:26,880  
why are all uap snowflakes i guess

1633  
00:55:31,510 --> 00:55:29,599  
sure uh well but at the end of the day a

1634  
00:55:33,030 --> 00:55:31,520  
snowflake is still a snowflake is it not

1635  
00:55:35,829 --> 00:55:33,040  
it's still bound by the same laws of

1636  
00:55:37,910 --> 00:55:35,839  
physics and how crystals form so in one

1637  
00:55:39,750 --> 00:55:37,920  
one case we can say yeah they're

1638  
00:55:40,950 --> 00:55:39,760

separate distinct and they seem to be

1639

00:55:43,030 --> 00:55:40,960

individuals

1640

00:55:44,390 --> 00:55:43,040

and then another case there that's why

1641

00:55:45,829 --> 00:55:44,400

we have the five observable the five

1642

00:55:47,270 --> 00:55:45,839

observables are nothing new

1643

00:55:49,829 --> 00:55:47,280

you can go back to reporting back to the

1644

00:55:51,349 --> 00:55:49,839

1940s and that you can see those

1645

00:55:53,510 --> 00:55:51,359

observables they just

1646

00:55:55,349 --> 00:55:53,520

never put those observables in a

1647

00:55:56,470 --> 00:55:55,359

comprehensive category like we do in

1648

00:55:58,630 --> 00:55:56,480

intelligence

1649

00:55:59,910 --> 00:55:58,640

to explain the performance

1650

00:56:01,990 --> 00:55:59,920

characteristics

1651  
00:56:03,670 --> 00:56:02,000  
um that was probably one of the the

1652  
00:56:04,390 --> 00:56:03,680  
greater contributions to a tip at the

1653  
00:56:06,390 --> 00:56:04,400  
time that

1654  
00:56:07,910 --> 00:56:06,400  
we were able to apply using an

1655  
00:56:11,190 --> 00:56:07,920  
intelligence lens

1656  
00:56:13,510 --> 00:56:11,200  
um uh apply these commonalities

1657  
00:56:15,589 --> 00:56:13,520  
okay so yeah you can say that the

1658  
00:56:15,990 --> 00:56:15,599  
physical objects may or may not look the

1659  
00:56:19,109 --> 00:56:16,000  
same

1660  
00:56:21,430 --> 00:56:19,119  
but most of them perform

1661  
00:56:22,309 --> 00:56:21,440  
very similar in those matters we they

1662  
00:56:25,030 --> 00:56:22,319  
all will have

1663  
00:56:25,349 --> 00:56:25,040

one to several of those display some of

1664

00:56:27,030 --> 00:56:25,359

those

1665

00:56:29,270 --> 00:56:27,040

observable characteristics of the five

1666

00:56:32,390 --> 00:56:29,280

observables um

1667

00:56:34,390 --> 00:56:32,400

but you know very few things

1668

00:56:35,910 --> 00:56:34,400

in life you can take an airplane and

1669

00:56:37,750 --> 00:56:35,920

compare that a biplane to an

1670

00:56:39,109 --> 00:56:37,760

f-16 they're both airplanes they both

1671

00:56:40,630 --> 00:56:39,119

use the same physics

1672

00:56:42,789 --> 00:56:40,640

but they look fundamentally entirely

1673

00:56:44,950 --> 00:56:42,799

different uh they perform differently

1674

00:56:47,510 --> 00:56:44,960

in some cases human beings we're all

1675

00:56:49,750 --> 00:56:47,520

human yet we look different you know

1676  
00:56:50,789 --> 00:56:49,760  
sean's a six foot two good looking guy

1677  
00:56:54,390 --> 00:56:50,799  
and i'm

1678  
00:56:58,069 --> 00:56:54,400  
not you know so uh there are

1679  
00:56:59,750 --> 00:56:58,079  
there are individual characteristics

1680  
00:57:01,829 --> 00:56:59,760  
that i think you know you can go out on

1681  
00:57:05,030 --> 00:57:01,839  
any highway today and look at a car

1682  
00:57:06,630 --> 00:57:05,040  
you can see a a 4x4 pickup truck sitting

1683  
00:57:07,990 --> 00:57:06,640  
next to a sports car

1684  
00:57:09,990 --> 00:57:08,000  
and they look fundamentally different

1685  
00:57:11,829 --> 00:57:10,000  
they sound different yet

1686  
00:57:13,270 --> 00:57:11,839  
they still abide by the same physics

1687  
00:57:14,470 --> 00:57:13,280  
they have four wheels and they have

1688  
00:57:16,230 --> 00:57:14,480

tires and they have

1689

00:57:17,589 --> 00:57:16,240

alternators and they have water pumps

1690

00:57:21,270 --> 00:57:17,599

and you know so

1691

00:57:24,870 --> 00:57:21,280

um i i don't want to hypothesize

1692

00:57:27,670 --> 00:57:24,880

too much um there are some theories um i

1693

00:57:28,630 --> 00:57:27,680

i don't think they're mature enough yet

1694

00:57:37,589 --> 00:57:28,640

to

1695

00:57:38,150 --> 00:57:37,599

i think more data is necessary and i'm

1696

00:57:40,150 --> 00:57:38,160

careful

1697

00:57:42,470 --> 00:57:40,160

one thing people notice i'm very very

1698

00:57:44,069 --> 00:57:42,480

careful to not offer my personal

1699

00:57:46,630 --> 00:57:44,079

thoughts on a lot of things because i

1700

00:57:48,630 --> 00:57:46,640

don't ever want people to misconstrue

1701  
00:57:50,950 --> 00:57:48,640  
a personal opinion with a fact that we

1702  
00:57:52,309 --> 00:57:50,960  
have collected

1703  
00:57:55,270 --> 00:57:52,319  
i think a lot of people make that

1704  
00:57:58,230 --> 00:57:55,280  
mistake they will overlay their own

1705  
00:58:00,230 --> 00:57:58,240  
uh personal view on something and what

1706  
00:58:02,069 --> 00:58:00,240  
is a belief now becomes a fact

1707  
00:58:03,270 --> 00:58:02,079  
and i want to make sure that never make

1708  
00:58:05,670 --> 00:58:03,280  
that mistake

1709  
00:58:06,630 --> 00:58:05,680  
i've made mistakes before and it's

1710  
00:58:09,430 --> 00:58:06,640  
because we're human

1711  
00:58:10,230 --> 00:58:09,440  
and those mistakes are usually result of

1712  
00:58:12,950 --> 00:58:10,240  
me

1713  
00:58:14,150 --> 00:58:12,960

allowing my analytic bias and overlay to

1714

00:58:17,589 --> 00:58:14,160

influence

1715

00:58:21,109 --> 00:58:17,599

my my my um

1716

00:58:24,789 --> 00:58:21,119

if you will analysis of the data

1717

00:58:27,349 --> 00:58:24,799

and i i really really want to avoid that

1718

00:58:29,030 --> 00:58:27,359

i i really try to have a lot of self

1719

00:58:30,309 --> 00:58:29,040

discipline in that area because i

1720

00:58:31,990 --> 00:58:30,319

it can be destructive if we're not

1721

00:58:34,150 --> 00:58:32,000

careful sean what do you think i try to

1722

00:58:35,430 --> 00:58:34,160

tell my friends to figure out what you

1723

00:58:38,390 --> 00:58:35,440

want this to be

1724

00:58:40,470 --> 00:58:38,400

spend time sit down use your imagination

1725

00:58:42,470 --> 00:58:40,480

bring your ego and your wants into it

1726  
00:58:44,549 --> 00:58:42,480  
and figure out exactly how you want this

1727  
00:58:46,150 --> 00:58:44,559  
to look 10 years from now

1728  
00:58:47,670 --> 00:58:46,160  
wrap it up nice and tight and put it up

1729  
00:58:48,710 --> 00:58:47,680  
on the shelf and don't look at it

1730  
00:58:51,910 --> 00:58:48,720  
anymore

1731  
00:58:52,630 --> 00:58:51,920  
because if until we remove our bias from

1732  
00:58:54,069 --> 00:58:52,640  
this

1733  
00:58:56,069 --> 00:58:54,079  
we're not going to know what it is i

1734  
00:58:58,230 --> 00:58:56,079  
often use the metaphor of a coffee cup

1735  
00:59:00,230 --> 00:58:58,240  
sitting in the middle of a gymnasium

1736  
00:59:01,829 --> 00:59:00,240  
this this is this doesn't have any

1737  
00:59:03,349 --> 00:59:01,839  
graphics or anything on it but there's a

1738  
00:59:05,030 --> 00:59:03,359

stain on this side

1739

00:59:06,390 --> 00:59:05,040

and you could you would have hundreds of

1740

00:59:08,069 --> 00:59:06,400

people filling those seats in the

1741

00:59:09,190 --> 00:59:08,079

gymnasium and this coffee cup would be

1742

00:59:10,390 --> 00:59:09,200

in the center

1743

00:59:11,829 --> 00:59:10,400

and there would be a great portion of

1744

00:59:13,190 --> 00:59:11,839

that crowd that would never know there

1745

00:59:15,349 --> 00:59:13,200

was a saying on the other side if they

1746

00:59:18,549 --> 00:59:15,359

hadn't communicated with the people

1747

00:59:20,950 --> 00:59:18,559

uh in other parts of the room

1748

00:59:22,710 --> 00:59:20,960

so as you say perspective is everything

1749

00:59:23,030 --> 00:59:22,720

with this we don't have enough data yet

1750

00:59:26,390 --> 00:59:23,040

if

1751

00:59:29,190 --> 00:59:26,400

toyota over there

1752

00:59:31,030 --> 00:59:29,200

we can't tell by looking at it if we ask

1753

00:59:34,150 --> 00:59:31,040

the motive of the driver

1754

00:59:36,069 --> 00:59:34,160

of the semi truck we're not sure um

1755

00:59:37,750 --> 00:59:36,079

what his motive is or even his

1756

00:59:40,549 --> 00:59:37,760

destination correct

1757

00:59:42,549 --> 00:59:40,559

so i think it's best that we that we try

1758

00:59:44,870 --> 00:59:42,559

to take our own experience

1759

00:59:46,710 --> 00:59:44,880

ratchet it up a couple of notches use

1760

00:59:48,549 --> 00:59:46,720

our imagination and speculate for

1761

00:59:50,630 --> 00:59:48,559

ourselves but at the end of the day

1762

00:59:52,549 --> 00:59:50,640

don't identify or get tied up with any

1763

00:59:55,030 --> 00:59:52,559

of this because it does seem to be

1764

00:59:57,109 --> 00:59:55,040

a morphic phenomenon that doesn't hold

1765

00:59:58,030 --> 00:59:57,119

still long enough for you to identify it

1766

01:00:01,430 --> 00:59:58,040

and it's not

1767

01:00:04,069 --> 01:00:01,440

self-identifying as of right now

1768

01:00:06,230 --> 01:00:04,079

that's such a good point man i think um

1769

01:00:07,190 --> 01:00:06,240

you know a lot of us got into this field

1770

01:00:09,750 --> 01:00:07,200

of study

1771

01:00:11,109 --> 01:00:09,760

in research for personal reasons and as

1772

01:00:13,750 --> 01:00:11,119

much as we'd like to think

1773

01:00:15,030 --> 01:00:13,760

it's an altruistic journey that we want

1774

01:00:17,430 --> 01:00:15,040

the truth for

1775

01:00:19,030 --> 01:00:17,440

for all of humanity yeah of course um

1776

01:00:20,789 --> 01:00:19,040

there are individuals out there who want

1777

01:00:23,670 --> 01:00:20,799

that and i think everyone should have

1778

01:00:24,309 --> 01:00:23,680

a piece of that out there but we're all

1779

01:00:26,630 --> 01:00:24,319

in it

1780

01:00:27,510 --> 01:00:26,640

because we want to know we're given this

1781

01:00:30,309 --> 01:00:27,520

one chance

1782

01:00:31,349 --> 01:00:30,319

in these bodies or this consciousness or

1783

01:00:34,230 --> 01:00:31,359

what have you

1784

01:00:35,109 --> 01:00:34,240

to figure [h\_\_h] out while we're here so

1785

01:00:37,829 --> 01:00:35,119

why not

1786

01:00:39,589 --> 01:00:37,839

you know try to find those answers uh

1787

01:00:40,789 --> 01:00:39,599

for you and that might sound selfish but

1788

01:00:42,549 --> 01:00:40,799

at the end of the day like

1789

01:00:44,549 --> 01:00:42,559

we are in all we can control is

1790

01:00:46,390 --> 01:00:44,559

ourselves in this world

1791

01:00:48,549 --> 01:00:46,400

i believe what you want to believe at

1792

01:00:50,710 --> 01:00:48,559

the end of the day and if you mature

1793

01:00:52,630 --> 01:00:50,720

to not to want too hard you might get

1794

01:00:55,510 --> 01:00:52,640

the answers you're looking for

1795

01:00:57,109 --> 01:00:55,520

yeah absolutely um all right well

1796

01:01:00,069 --> 01:00:57,119

wrapping things up gentlemen

1797

01:01:02,150 --> 01:01:00,079

um lou you said in the past you want

1798

01:01:02,470 --> 01:01:02,160

things to go global with this topic we

1799

01:01:04,789 --> 01:01:02,480

do

1800

01:01:05,750 --> 01:01:04,799

look at it from a very western

1801  
01:01:08,309 --> 01:01:05,760  
perspective

1802  
01:01:10,549 --> 01:01:08,319  
um especially here in america and all my

1803  
01:01:11,670 --> 01:01:10,559  
international listeners are always

1804  
01:01:13,589 --> 01:01:11,680  
craving that they're like

1805  
01:01:15,030 --> 01:01:13,599  
yo we got stuff going on over here that

1806  
01:01:18,870 --> 01:01:15,040  
would blow your guys minds

1807  
01:01:21,589 --> 01:01:18,880  
other than roswell and um chicago o'hare

1808  
01:01:23,349 --> 01:01:21,599  
so um what can you give us in terms of

1809  
01:01:25,910 --> 01:01:23,359  
that guys what comes next

1810  
01:01:28,069 --> 01:01:25,920  
um what's the next chapter in i guess

1811  
01:01:31,270 --> 01:01:28,079  
each of your individual journeys for

1812  
01:01:32,390 --> 01:01:31,280  
for all of this well i think it's safe

1813  
01:01:35,430 --> 01:01:32,400

to say that we are

1814

01:01:36,549 --> 01:01:35,440

well into a a good smooth shift into

1815

01:01:37,990 --> 01:01:36,559

second gear

1816

01:01:40,069 --> 01:01:38,000

now a lot of people say what the heck

1817

01:01:42,069 --> 01:01:40,079

does that mean well again i'm a car guy

1818

01:01:43,910 --> 01:01:42,079

i'm kind of a gear head so it just

1819

01:01:45,750 --> 01:01:43,920

simply means in a manual transmission

1820

01:01:48,150 --> 01:01:45,760

you're going from first gear

1821

01:01:49,829 --> 01:01:48,160

start in neutral not going anywhere to

1822

01:01:51,430 --> 01:01:49,839

now going into first gear well now i

1823

01:01:53,270 --> 01:01:51,440

think we're going into second gear and

1824

01:01:56,630 --> 01:01:53,280

second gear you know first gear was

1825

01:01:58,710 --> 01:01:56,640

was making this conversation a palatable

1826  
01:02:00,309 --> 01:01:58,720  
from a media perspective from a

1827  
01:02:04,470 --> 01:02:00,319  
governmental perspective

1828  
01:02:06,150 --> 01:02:04,480  
from a a a civilian perspective

1829  
01:02:07,190 --> 01:02:06,160  
right and and now you've got military

1830  
01:02:08,549 --> 01:02:07,200  
eye witnesses coming out of the

1831  
01:02:09,990 --> 01:02:08,559  
woodworks they've all

1832  
01:02:11,510 --> 01:02:10,000  
put their credibility on the line you've

1833  
01:02:13,190 --> 01:02:11,520  
got reporting going to where it needs to

1834  
01:02:14,630 --> 01:02:13,200  
go you have policies being made you have

1835  
01:02:16,069 --> 01:02:14,640  
the establishment of a task force you

1836  
01:02:17,190 --> 01:02:16,079  
have congress being briefed

1837  
01:02:18,870 --> 01:02:17,200  
government's being briefed the

1838  
01:02:20,150 --> 01:02:18,880

government is now finally involved like

1839

01:02:20,710 --> 01:02:20,160

like the way it should be and by the way

1840

01:02:24,150 --> 01:02:20,720

involved

1841

01:02:27,029 --> 01:02:24,160

in an open way so so that's huge now

1842

01:02:27,670 --> 01:02:27,039

second gear is doing exactly what we

1843

01:02:29,829 --> 01:02:27,680

have done

1844

01:02:30,710 --> 01:02:29,839

and now taking it to the global stage

1845

01:02:36,630 --> 01:02:30,720

going

1846

01:02:38,710 --> 01:02:36,640

where other governments are doing the

1847

01:02:40,069 --> 01:02:38,720

same we just saw japan come online and

1848

01:02:41,430 --> 01:02:40,079

enter into an intelligence and

1849

01:02:42,470 --> 01:02:41,440

information sharing agreement with the

1850

01:02:44,470 --> 01:02:42,480

us government

1851

01:02:45,670 --> 01:02:44,480

on uap technology but there's a lot of

1852

01:02:47,109 --> 01:02:45,680

other governments that want to do the

1853

01:02:48,789 --> 01:02:47,119

same

1854

01:02:50,150 --> 01:02:48,799

you know maybe there is without giving

1855

01:02:51,750 --> 01:02:50,160

away too much maybe there's an

1856

01:02:54,230 --> 01:02:51,760

international body that

1857

01:02:55,829 --> 01:02:54,240

uh would want to sponsor some sort of uh

1858

01:02:58,789 --> 01:02:55,839

international endeavor

1859

01:03:00,230 --> 01:02:58,799

right um across the planet and there's

1860

01:03:01,670 --> 01:03:00,240

only a few of those if you

1861

01:03:03,670 --> 01:03:01,680

if you you know you know what those

1862

01:03:05,750 --> 01:03:03,680

organizations are uh

1863

01:03:07,589 --> 01:03:05,760

that can pull it off um because i think

1864

01:03:08,710 --> 01:03:07,599

this is a global conversation

1865

01:03:10,630 --> 01:03:08,720

we've always thought we've always

1866

01:03:13,829 --> 01:03:10,640

thought that we've always said that

1867

01:03:16,069 --> 01:03:13,839

so why not do it why not

1868

01:03:17,829 --> 01:03:16,079

bring the conversation globally and have

1869

01:03:19,910 --> 01:03:17,839

the world provide their perspectives

1870

01:03:22,390 --> 01:03:19,920

because at the end of the day

1871

01:03:23,270 --> 01:03:22,400

you know we we may learn a thing or two

1872

01:03:24,789 --> 01:03:23,280

talking to our

1873

01:03:26,789 --> 01:03:24,799

our brothers and sisters in south

1874

01:03:28,390 --> 01:03:26,799

america and latin america and in europe

1875

01:03:31,510 --> 01:03:28,400

and in asia and

1876

01:03:34,789 --> 01:03:31,520

in india and yes china and even russia

1877

01:03:36,230 --> 01:03:34,799

um you know maybe we can put politics

1878

01:03:38,789 --> 01:03:36,240

aside for just

1879

01:03:40,150 --> 01:03:38,799

just a few short moments and have a

1880

01:03:41,670 --> 01:03:40,160

conversation that really involves

1881

01:03:44,630 --> 01:03:41,680

humanity at this point

1882

01:03:45,270 --> 01:03:44,640

and and not just individual countries so

1883

01:03:46,789 --> 01:03:45,280

um

1884

01:03:48,470 --> 01:03:46,799

i'm not going to go much further into

1885

01:03:51,910 --> 01:03:48,480

that um

1886

01:03:52,710 --> 01:03:51,920

because obviously we do have a very well

1887

01:03:54,950 --> 01:03:52,720

thought out

1888

01:03:56,950 --> 01:03:54,960

blueprint and plan most people realize

1889

01:03:58,710 --> 01:03:56,960

we don't do things haphazardly at least

1890

01:03:59,990 --> 01:03:58,720

most people realize by that by now for

1891

01:04:03,670 --> 01:04:00,000

sure hopefully

1892

01:04:07,109 --> 01:04:03,680

um that we we we're very deliberate um

1893

01:04:10,470 --> 01:04:07,119

and you know i we mean what we say we're

1894

01:04:14,230 --> 01:04:10,480

we're in this to to make a difference

1895

01:04:15,750 --> 01:04:14,240

um and to make make uh make a change in

1896

01:04:16,789 --> 01:04:15,760

the way we've been looking at this topic

1897

01:04:19,190 --> 01:04:16,799

for so long i'm

1898

01:04:19,829 --> 01:04:19,200

i'm going to shut up now let tom tom let

1899

01:04:29,029 --> 01:04:19,839

uh

1900

01:04:30,950 --> 01:04:29,039

week together let me put it that way

1901

01:04:32,549 --> 01:04:30,960

we've been able to solidify

1902

01:04:34,230 --> 01:04:32,559

some aspects of our relationship that

1903

01:04:35,829 --> 01:04:34,240

we've been looking forward to

1904

01:04:37,510 --> 01:04:35,839

you're looking at two people that we're

1905

01:04:39,109 --> 01:04:37,520

not going to stop it doesn't matter

1906

01:04:41,190 --> 01:04:39,119

where the issue takes us it doesn't

1907

01:04:43,910 --> 01:04:41,200

matter uh which one of us

1908

01:04:45,430 --> 01:04:43,920

runs ahead goes lateral brings on other

1909

01:04:47,670 --> 01:04:45,440

team members we're not quitting

1910

01:04:49,190 --> 01:04:47,680

we're going to be working together and

1911

01:04:50,710 --> 01:04:49,200

if if one of us

1912

01:04:53,349 --> 01:04:50,720

can't move forward the other one's going

1913

01:04:54,710 --> 01:04:53,359

to pick the ball up and run

1914

01:04:56,549 --> 01:04:54,720

and and we're just we're looking for

1915

01:04:59,670 --> 01:04:56,559

more folks that can handle that kind of

1916

01:05:03,270 --> 01:05:01,430

that kind of mission i guess that that

1917

01:05:05,109 --> 01:05:03,280

are willing to step up and say yeah

1918

01:05:06,710 --> 01:05:05,119

we we have something we want to do and

1919

01:05:09,349 --> 01:05:06,720

we're not going to quit till we're done

1920

01:05:09,910 --> 01:05:09,359

period i think you're going to see the

1921

01:05:12,950 --> 01:05:09,920

this

1922

01:05:14,710 --> 01:05:12,960

sphere of of individuals that we're

1923

01:05:16,230 --> 01:05:14,720

involved with continue to expand and

1924

01:05:17,750 --> 01:05:16,240

grow there's people that we talk to

1925

01:05:20,470 --> 01:05:17,760

behind the scenes that

1926

01:05:20,870 --> 01:05:20,480

at some point may become public um you

1927

01:05:23,349 --> 01:05:20,880

know

1928

01:05:24,789 --> 01:05:23,359

we're we're uh we're not static we're

1929

01:05:25,750 --> 01:05:24,799

we're trying to evolve with the battle

1930

01:05:28,710 --> 01:05:25,760

space

1931

01:05:30,150 --> 01:05:28,720

um you know sean and i work very well

1932

01:05:31,510 --> 01:05:30,160

together we've got a lot of other people

1933

01:05:32,710 --> 01:05:31,520

that are behind the scenes that we work

1934

01:05:36,230 --> 01:05:32,720

very well with

1935

01:05:38,069 --> 01:05:36,240

um you know i i you're having a

1936

01:05:40,230 --> 01:05:38,079

conversation with just two of us but

1937

01:05:41,750 --> 01:05:40,240

there's a whole lot more people that are

1938

01:05:43,670 --> 01:05:41,760

involved and i think

1939

01:05:44,789 --> 01:05:43,680

uh probably in the future those some of

1940

01:05:45,349 --> 01:05:44,799

those individuals are going to come to

1941

01:05:46,549 --> 01:05:45,359

light

1942

01:05:48,069 --> 01:05:46,559

you'll you'll see that you know folks

1943

01:05:50,150 --> 01:05:48,079

like chris mellon which everybody knows

1944

01:05:51,589 --> 01:05:50,160

who is an amazing human being but

1945

01:05:54,950 --> 01:05:51,599

there's a lot of other people i feel

1946

01:05:58,309 --> 01:05:54,960

like i'm crowd surfing with geniuses

1947

01:05:59,829 --> 01:05:58,319

excluding me i'm not one of those guys

1948

01:06:01,589 --> 01:05:59,839

everyone plays their part though and you

1949

01:06:03,829 --> 01:06:01,599

know like i think

1950

01:06:05,990 --> 01:06:03,839

it's awesome that like when you look at

1951

01:06:07,109 --> 01:06:06,000

the ufo community you know which is a

1952

01:06:10,150 --> 01:06:07,119

subculture

1953

01:06:12,549 --> 01:06:10,160

uh like any other one um

1954

01:06:13,750 --> 01:06:12,559

there are some bright minds there we're

1955

01:06:16,950 --> 01:06:13,760

not talking like

1956

01:06:18,789 --> 01:06:16,960

tin foil hat wearing people who

1957

01:06:20,630 --> 01:06:18,799

said they've met a million races of

1958

01:06:22,230 --> 01:06:20,640

aliens like we're talking some of the

1959

01:06:25,750 --> 01:06:22,240

brightest individuals

1960

01:06:28,630 --> 01:06:25,760

um scientists technologists uh military

1961

01:06:30,470 --> 01:06:28,640

intelligence uh coming together so i

1962

01:06:31,990 --> 01:06:30,480

know there's a lot going on behind the

1963

01:06:35,270 --> 01:06:32,000

scenes with both of you

1964

01:06:37,829 --> 01:06:35,280

with this uh endeavor with this sort of

1965

01:06:38,390 --> 01:06:37,839

journey so um i guess to kind of wrap it

1966

01:06:40,549 --> 01:06:38,400

up

1967

01:06:42,230 --> 01:06:40,559

is there anywhere that uh viewers and

1968

01:06:42,789 --> 01:06:42,240

listeners can go to reach out to you

1969

01:06:44,230 --> 01:06:42,799

guys

1970

01:06:47,430 --> 01:06:44,240

if they feel like they could help in

1971

01:06:49,990 --> 01:06:47,440

this uh this pursuit

1972

01:06:52,150 --> 01:06:50,000

well luis and i are both on twitter um i

1973

01:06:54,549 --> 01:06:52,160

believe lou is at lou elizondo

1974

01:06:55,589 --> 01:06:54,559

is that correct yep and uh i'm at minty

1975

01:06:57,510 --> 01:06:55,599

hyperspace

1976

01:06:59,910 --> 01:06:57,520

uh i also have a website that archives

1977

01:07:01,349 --> 01:06:59,920

my previous uh

1978

01:07:02,710 --> 01:07:01,359

interviews and such for people that are

1979

01:07:04,390 --> 01:07:02,720

that are wondering about the background

1980

01:07:07,109 --> 01:07:04,400

because i don't often rehash things and

1981

01:07:09,670 --> 01:07:07,119

that's the same mintyhyperspace.com

1982

01:07:10,870 --> 01:07:09,680

um but i'm i'm always willing to uh to

1983

01:07:12,789 --> 01:07:10,880

interact and i know lou

1984

01:07:14,630 --> 01:07:12,799

though he's a lot more busy than i am he

1985

01:07:16,710 --> 01:07:14,640

interacts as much as he can

1986

01:07:18,069 --> 01:07:16,720

and by the way we do read each post i

1987

01:07:19,430 --> 01:07:18,079

know people

1988

01:07:21,270 --> 01:07:19,440

will ask themselves well they're never

1989

01:07:23,270 --> 01:07:21,280

going to read this actually we do

1990

01:07:24,710 --> 01:07:23,280

um a lot of times we're just we don't

1991

01:07:27,510 --> 01:07:24,720

have

1992

01:07:28,069 --> 01:07:27,520

the time necessary to provide a comment

1993

01:07:29,589 --> 01:07:28,079

and i'm not

1994

01:07:31,750 --> 01:07:29,599

one that's just going to put a hazard

1995

01:07:33,510 --> 01:07:31,760

comment you know if someone asks me a

1996

01:07:34,630 --> 01:07:33,520

sincere question i want to be able to

1997

01:07:37,029 --> 01:07:34,640

explain it

1998

01:07:38,470 --> 01:07:37,039

and sometimes i get long-winded um just

1999

01:07:39,750 --> 01:07:38,480

because i want to be thorough i want to

2000

01:07:41,670 --> 01:07:39,760

be comprehensive i don't want to give

2001

01:07:43,109 --> 01:07:41,680

somebody just a yes or no answer

2002

01:07:45,109 --> 01:07:43,119

because i think if they took the time to

2003

01:07:47,990 --> 01:07:45,119

ask a question you know they deserve the

2004

01:07:49,430 --> 01:07:48,000

time to get a thoughtful answer and so

2005

01:07:51,190 --> 01:07:49,440

uh you know that's my greatest

2006

01:07:51,990 --> 01:07:51,200

frustration with social media is that i

2007

01:07:54,309 --> 01:07:52,000

can't

2008

01:07:56,150 --> 01:07:54,319

i don't have the time necessary to

2009

01:07:58,390 --> 01:07:56,160

address each and individual

2010

01:07:59,990 --> 01:07:58,400

everybody's questions but for anybody

2011

01:08:01,589 --> 01:08:00,000

who knows me i read them all

2012

01:08:03,510 --> 01:08:01,599

and and i think they're all very

2013

01:08:04,549 --> 01:08:03,520

valuable and what i try to do is over

2014

01:08:07,029 --> 01:08:04,559

the weeks and months

2015

01:08:08,630 --> 01:08:07,039

following that i try to answer a lot of

2016

01:08:10,950 --> 01:08:08,640

those people's questions

2017

01:08:11,910 --> 01:08:10,960

uh you know in a podcast like this where

2018

01:08:13,750 --> 01:08:11,920

if somebody five

2019

01:08:15,109 --> 01:08:13,760

six people have the same question then

2020

01:08:18,229 --> 01:08:15,119

i'll try to work it into

2021

01:08:19,990 --> 01:08:18,239

into a narrative during a podcast so

2022

01:08:21,510 --> 01:08:20,000

i can answer their question i may not be

2023

01:08:22,870 --> 01:08:21,520

able to yeah do it on social media on

2024

01:08:24,870 --> 01:08:22,880

twitter and type it out but

2025

01:08:27,189 --> 01:08:24,880

but at least i've addressed it you know

2026

01:08:29,990 --> 01:08:27,199

in like an interview like this

2027

01:08:31,349 --> 01:08:30,000

right and i think we we we certainly

2028

01:08:31,990 --> 01:08:31,359

appreciate that that you guys are

2029

01:08:34,070 --> 01:08:32,000

willing

2030

01:08:35,349 --> 01:08:34,080

to be so open and transparent with us

2031

01:08:38,229 --> 01:08:35,359

because um you know

2032

01:08:40,470 --> 01:08:38,239

i think when when to the stars first

2033

01:08:40,950 --> 01:08:40,480

came around and we learned about atip

2034

01:08:44,789 --> 01:08:40,960

and

2035

01:08:45,990 --> 01:08:44,799

community felt a little like we were

2036

01:08:47,749 --> 01:08:46,000

getting left behind

2037

01:08:49,590 --> 01:08:47,759

like we weren't going to be a part of

2038

01:08:50,470 --> 01:08:49,600

the discussion but you've made it very

2039

01:08:53,269 --> 01:08:50,480

clear

2040

01:08:55,269 --> 01:08:53,279

that this is a process and you did what

2041

01:08:57,189 --> 01:08:55,279

you had to do when you had to do it

2042

01:08:58,709 --> 01:08:57,199

and now you're going on all these shows

2043

01:09:00,950 --> 01:08:58,719

and talking to us so

2044

01:09:02,149 --> 01:09:00,960

i i certainly appreciate that i know a

2045

01:09:04,789 --> 01:09:02,159

lot of my listeners do

2046

01:09:05,510 --> 01:09:04,799

we covered maybe 12 questions of 300

2047

01:09:07,349 --> 01:09:05,520

something

2048

01:09:08,630 --> 01:09:07,359

so i'd love to get you guys back on at

2049

01:09:10,870 --> 01:09:08,640

some point but

2050

01:09:12,789 --> 01:09:10,880

um yeah we really only scratch the

2051

01:09:15,189 --> 01:09:12,799

surface but i want to thank you both

2052

01:09:16,550 --> 01:09:15,199

for your time i know you're running on

2053

01:09:19,430 --> 01:09:16,560

fumes at this point

2054

01:09:19,990 --> 01:09:19,440

so please go do what you got to do but

2055

01:09:22,870 --> 01:09:20,000

um

2056

01:09:23,430 --> 01:09:22,880

just know that i personally i'm in your

2057

01:09:25,590 --> 01:09:23,440

corner

2058

01:09:27,349 --> 01:09:25,600

i'm ready to fight um for what you guys

2059

01:09:28,630 --> 01:09:27,359

are doing i know there's a lot of people

2060

01:09:30,390 --> 01:09:28,640

out there that think lou

2061

01:09:32,149 --> 01:09:30,400

you know uh you're just here to

2062

01:09:35,430 --> 01:09:32,159

disinform you're working with

2063

01:09:37,430 --> 01:09:35,440

uh with the intelligence to uh to do

2064

01:09:39,910 --> 01:09:37,440

this and that but man i've never i've

2065

01:09:41,430 --> 01:09:39,920

never seen that from you i got a gut

2066

01:09:43,189 --> 01:09:41,440

feeling your intentions

2067

01:09:44,470 --> 01:09:43,199

are there and i can just hear it i can

2068

01:09:47,030 --> 01:09:44,480

hear it in the passion

2069

01:09:49,030 --> 01:09:47,040

that you probably dude if if i would be

2070

01:09:51,269 --> 01:09:49,040

the most hated man on the planet if

2071

01:09:52,550 --> 01:09:51,279

if i were doing this and it turns out i

2072

01:09:55,030 --> 01:09:52,560

was some sort of

2073

01:09:56,149 --> 01:09:55,040

some sort of psyop or disinformation

2074

01:09:57,990 --> 01:09:56,159

operation

2075

01:09:59,510 --> 01:09:58,000

i would be the most hated person on the

2076

01:10:00,950 --> 01:09:59,520

planet um

2077

01:10:03,189 --> 01:10:00,960

you know i think my military record

2078

01:10:04,950 --> 01:10:03,199

speaks for itself i've i've never done

2079

01:10:07,430 --> 01:10:04,960

anything to deceive the american public

2080

01:10:08,470 --> 01:10:07,440

um we deceived the enemy a lot you know

2081

01:10:10,070 --> 01:10:08,480

that was our job

2082

01:10:11,669 --> 01:10:10,080

but we never did that the american

2083

01:10:12,390 --> 01:10:11,679

public and it's a commitment it's you

2084

01:10:15,669 --> 01:10:12,400

don't

2085

01:10:18,070 --> 01:10:15,679

to to to

2086

01:10:19,350 --> 01:10:18,080

to the american taxpayer that's that's

2087

01:10:21,590 --> 01:10:19,360

we we protect

2088

01:10:23,110 --> 01:10:21,600

the american taxpayer we don't hurt them

2089

01:10:25,189 --> 01:10:23,120

um but you know

2090

01:10:26,709 --> 01:10:25,199

hopefully again through action not words

2091

01:10:29,750 --> 01:10:26,719

people will begin to realize

2092

01:10:31,189 --> 01:10:29,760

you know i'm not a threat what i'm a

2093

01:10:32,709 --> 01:10:31,199

threat to a status quo

2094

01:10:34,709 --> 01:10:32,719

that i will tell you i'm very much a

2095

01:10:35,990 --> 01:10:34,719

threat to uh and that's caused some

2096

01:10:37,669 --> 01:10:36,000

problems for me in the past

2097

01:10:39,910 --> 01:10:37,679

uh especially with with the us

2098

01:10:44,229 --> 01:10:39,920

government um

2099

01:10:45,030 --> 01:10:44,239

but um no i i i don't think i don't

2100

01:10:46,709 --> 01:10:45,040

think

2101

01:10:48,950 --> 01:10:46,719

the community has anything to worry

2102

01:10:51,110 --> 01:10:48,960

about me uh but then again you know

2103

01:10:52,950 --> 01:10:51,120

they got to decide for themselves i'll

2104

01:10:54,790 --> 01:10:52,960

i'll address the elephant in the room

2105

01:10:56,709 --> 01:10:54,800

the day i met lou as soon as we got our

2106

01:10:58,630 --> 01:10:56,719

microphone packs off the first thing i

2107

01:10:59,189 --> 01:10:58,640

said to him was tell me we're the good

2108

01:11:02,390 --> 01:10:59,199

guys

2109

01:11:04,310 --> 01:11:02,400

was very serious

2110

01:11:05,750 --> 01:11:04,320

about finding out that this was not

2111

01:11:07,270 --> 01:11:05,760

someone else coming out of government

2112

01:11:09,030 --> 01:11:07,280

with a couple of details that they were

2113

01:11:09,750 --> 01:11:09,040

going to try to try to pad their purse

2114

01:11:12,790 --> 01:11:09,760

with

2115

01:11:13,270 --> 01:11:12,800

and i put lou through hell proving that

2116

01:11:16,470 --> 01:11:13,280

to me

2117

01:11:19,030 --> 01:11:16,480

i i that's that's my perspective but he

2118

01:11:19,990 --> 01:11:19,040

he at no point did his integrity ever

2119

01:11:23,189 --> 01:11:20,000

waver

2120

01:11:25,270 --> 01:11:23,199

so i'm fully committed to this effort

2121

01:11:27,750 --> 01:11:25,280

for me it starts with with my friendship

2122

01:11:29,590 --> 01:11:27,760

with him but that's a stepping off point

2123

01:11:32,310 --> 01:11:29,600

for me to commit myself to something for

2124

01:11:34,229 --> 01:11:32,320

the remainder of my life frankly

2125

01:11:36,229 --> 01:11:34,239

well i have to thank both of you guys

2126

01:11:38,950 --> 01:11:36,239

for taking the risks you have

2127

01:11:40,709 --> 01:11:38,960

to get us to this point because it is i

2128

01:11:43,189 --> 01:11:40,719

honestly believe this is

2129

01:11:43,750 --> 01:11:43,199

a turning point for this topic this

2130

01:11:46,310 --> 01:11:43,760

issue

2131

01:11:48,070 --> 01:11:46,320

everyone can feel it and it has a lot to

2132

01:11:50,790 --> 01:11:48,080

do with what you guys

2133

01:11:51,830 --> 01:11:50,800

have done so from the bottom of my heart

2134

01:11:54,149 --> 01:11:51,840

for someone who's been

2135

01:11:55,590 --> 01:11:54,159

doing this since i was 13 years old

2136

01:11:56,950 --> 01:11:55,600

thank you thank you for what you're

2137

01:11:58,470 --> 01:11:56,960

doing what you will

2138

01:12:00,229 --> 01:11:58,480

thank you for what you're doing it's

2139

01:12:01,910 --> 01:12:00,239

again a team effort we can't do what we

2140

01:12:03,270 --> 01:12:01,920

do if you're not doing what you do

2141

01:12:05,189 --> 01:12:03,280

and you can't do what you do if your

2142

01:12:06,790 --> 01:12:05,199

audience doesn't do what they do so

2143

01:12:08,390 --> 01:12:06,800

again this is really a team effort and

2144

01:12:26,700 --> 01:12:08,400

thank you for everything and thank you

2145

01:12:51,020 --> 01:12:47,530

[Music]

2146

01:12:52,700 --> 01:12:51,030

do
