

SOMEWHERE IN THE SKIES

**PRESIDENT EISENHOWER'S
CLOSE ENCOUNTERS**

1
00:00:04,070 --> 00:00:03,270
today on the show author and ufo

2
00:00:06,789 --> 00:00:04,080
researcher

3
00:00:07,909 --> 00:00:06,799
paul blake smith so this gives us

4
00:00:10,549 --> 00:00:07,919
another clue

5
00:00:11,669 --> 00:00:10,559
that communications were ongoing during

6
00:00:14,230 --> 00:00:11,679
the first year

7
00:00:16,310 --> 00:00:14,240
and this was set up in advance uh there

8
00:00:17,510 --> 00:00:16,320
were apparently even film cameras there

9
00:00:19,510 --> 00:00:17,520
recording the event

10
00:00:20,630 --> 00:00:19,520
uh put together in my book a couple

11
00:00:23,189 --> 00:00:20,640
sources who

12
00:00:24,710 --> 00:00:23,199
have said they've seen the film footage

13
00:00:27,470 --> 00:00:24,720

some of it's in black and white

14

00:00:29,349 --> 00:00:27,480

and some of it's in color that show the

15

00:00:30,790 --> 00:00:29,359

extraterrestrials looking a good deal

16

00:00:32,709 --> 00:00:30,800

like human beings

17

00:00:34,709 --> 00:00:32,719

walking up to eisenhower and greeting

18

00:00:44,360 --> 00:00:34,719

him in an airplane hangar

19

00:00:45,910 --> 00:00:44,370

59
00:02:50,869 --> 00:02:47,840
week's

60
00:02:51,750 --> 00:02:50,879
interview it's a story that has

61
00:02:54,229 --> 00:02:51,760
circulated

62
00:02:55,589 --> 00:02:54,239
in and out of the ufo community for

63
00:02:58,550 --> 00:02:55,599

years

64

00:02:59,589 --> 00:02:58,560

did former u.s president dwight d

65

00:03:02,869 --> 00:02:59,599

eisenhower

66

00:03:06,229 --> 00:03:02,879

have a meeting or several meetings with

67

00:03:09,110 --> 00:03:06,239

extraterrestrial it's been said

68

00:03:11,030 --> 00:03:09,120

that eisenhower interrupted his vacation

69

00:03:13,830 --> 00:03:11,040

in palm springs california

70

00:03:14,550 --> 00:03:13,840

to make a secret nocturnal trip to

71

00:03:17,190 --> 00:03:14,560

nearby

72

00:03:18,149 --> 00:03:17,200

edwards air force base to meet a race of

73

00:03:21,190 --> 00:03:18,159

aliens

74

00:03:22,309 --> 00:03:21,200

who wanted to make a deal but what

75

00:03:26,149 --> 00:03:22,319

exactly was

76

00:03:28,869 --> 00:03:26,159

that deal did eisenhower go for it

77

00:03:29,350 --> 00:03:28,879

what happened before during or after

78

00:03:32,869 --> 00:03:29,360

this

79

00:03:33,270 --> 00:03:32,879

alleged meeting and of course did any of

80

00:03:37,110 --> 00:03:33,280

this

81

00:03:38,710 --> 00:03:37,120

actually happen today we talked to ufo

82

00:03:41,350 --> 00:03:38,720

researcher and author

83

00:03:43,350 --> 00:03:41,360

paul blake smith who has heavily

84

00:03:45,110 --> 00:03:43,360

researched this entire affair

85

00:03:46,470 --> 00:03:45,120

in a new book titled president

86

00:03:49,670 --> 00:03:46,480

eisenhower's close

87

00:03:51,350 --> 00:03:49,680

encounters he walks us through that

88

00:03:53,509 --> 00:03:51,360

tumultuous weekend

89

00:03:54,789 --> 00:03:53,519

where not only did ike possibly meet

90

00:03:57,190 --> 00:03:54,799

with aliens

91

00:03:58,149 --> 00:03:57,200

but he also had an emergency dental

92

00:04:00,470 --> 00:03:58,159

appointment

93

00:04:01,910 --> 00:04:00,480

and in the night in question the

94

00:04:05,830 --> 00:04:01,920

associated press

95

00:04:08,710 --> 00:04:05,840

reported that ike died of a heart attack

96

00:04:09,750 --> 00:04:08,720

retracting the story only moments later

97

00:04:12,789 --> 00:04:09,760

no matter what

98

00:04:13,350 --> 00:04:12,799

it was a hell of a weekend for the 34th

99

00:04:15,830 --> 00:04:13,360

president

100

00:04:17,030 --> 00:04:15,840

of the united states and one that many

101
00:04:20,310 --> 00:04:17,040
have included

102
00:04:23,270 --> 00:04:20,320
as a historic moment in both ufo

103
00:04:24,070 --> 00:04:23,280
and american history and after hearing

104
00:04:26,390 --> 00:04:24,080
this interview

105
00:04:28,390 --> 00:04:26,400
and reading paul's book you just might

106
00:04:31,350 --> 00:04:28,400
come out on the other side thinking

107
00:04:32,800 --> 00:04:31,360
huh this might have actually happened

108
00:04:39,749 --> 00:04:32,810
enjoy

109
00:04:43,030 --> 00:04:41,430
paul thank you so much for joining me

110
00:04:45,030 --> 00:04:43,040
today on somewhere in the skies

111
00:04:47,510 --> 00:04:45,040
it's my pleasure thanks for having me on

112
00:04:48,950 --> 00:04:47,520
ryan so you know full disclosure

113
00:04:51,430 --> 00:04:48,960

uh what we're going to be talking about

114

00:04:53,510 --> 00:04:51,440

today your most recent book president

115

00:04:56,150 --> 00:04:53,520

eisenhower's close encounters

116

00:04:57,110 --> 00:04:56,160

i had the immense pleasure in honor of

117

00:04:59,110 --> 00:04:57,120

contributing

118

00:05:01,430 --> 00:04:59,120

the forward too so i'm really excited to

119

00:05:02,390 --> 00:05:01,440

dig into this story man i mean this is

120

00:05:05,430 --> 00:05:02,400

one of the

121

00:05:08,230 --> 00:05:05,440

you know those stories in ufo lore that

122

00:05:10,230 --> 00:05:08,240

never goes away and a lot of people

123

00:05:13,670 --> 00:05:10,240

think there's nothing to it but

124

00:05:16,070 --> 00:05:13,680

lo and behold here comes probably

125

00:05:18,310 --> 00:05:16,080

correct me if i'm wrong the first book

126

00:05:21,189 --> 00:05:18,320

to cover this in depth am i right

127

00:05:21,909 --> 00:05:21,199

that's right i would see this uh topic

128

00:05:25,430 --> 00:05:21,919

discussed

129

00:05:28,469 --> 00:05:25,440

on uh like ancient aliens and uh

130

00:05:30,230 --> 00:05:28,479

alien files decoded or mufon hanger one

131

00:05:31,590 --> 00:05:30,240

they all give it some serious airplay

132

00:05:33,909 --> 00:05:31,600

for a couple minutes and then

133

00:05:35,189 --> 00:05:33,919

nothing and i'm watching this over the

134

00:05:37,590 --> 00:05:35,199

years and thinking where

135

00:05:38,310 --> 00:05:37,600

is a book on this it should be the most

136

00:05:41,110 --> 00:05:38,320

amazing

137

00:05:42,550 --> 00:05:41,120

story in human history if at least uh

138

00:05:45,350 --> 00:05:42,560

american history

139

00:05:47,189 --> 00:05:45,360

so i got fed up and tired of waiting and

140

00:05:49,189 --> 00:05:47,199

i decided i'll write it myself

141

00:05:50,390 --> 00:05:49,199

so here we have the results it's getting

142

00:05:52,550 --> 00:05:50,400

good reviews and

143

00:05:53,749 --> 00:05:52,560

i thank ryan for writing the forward as

144

00:05:55,590 --> 00:05:53,759

he just mentioned

145

00:05:57,909 --> 00:05:55,600

oh absolutely man it was my pleasure

146

00:05:59,350 --> 00:05:57,919

again like this was one of those stories

147

00:06:01,350 --> 00:05:59,360

you know i heard whispers of it

148

00:06:03,270 --> 00:06:01,360

throughout the years of being into this

149

00:06:05,909 --> 00:06:03,280

topic and you always kind of

150

00:06:06,390 --> 00:06:05,919

laugh or shrug it off like oh yeah yeah

151
00:06:10,309 --> 00:06:06,400
that's

152
00:06:13,670 --> 00:06:10,319
scene a dead body or

153
00:06:16,390 --> 00:06:13,680
you know the aztec ufo crash but

154
00:06:17,029 --> 00:06:16,400
again like what you were able to uncover

155
00:06:20,150 --> 00:06:17,039
and dig

156
00:06:20,710 --> 00:06:20,160
up um documents files testimonies about

157
00:06:22,950 --> 00:06:20,720
this

158
00:06:23,990 --> 00:06:22,960
but uh before we kind of get to that i

159
00:06:25,830 --> 00:06:24,000
have to ask you

160
00:06:27,029 --> 00:06:25,840
this is your first time being on

161
00:06:29,909 --> 00:06:27,039
somewhere in the skies

162
00:06:30,629 --> 00:06:29,919
and this is the origin story question

163
00:06:32,230 --> 00:06:30,639

you know for

164

00:06:34,309 --> 00:06:32,240

many of my listeners and viewers who

165

00:06:35,830 --> 00:06:34,319

might not be too familiar

166

00:06:37,830 --> 00:06:35,840

with you paul tell us a little about

167

00:06:38,309 --> 00:06:37,840

yourself if you don't mind what got you

168

00:06:41,510 --> 00:06:38,319

first

169

00:06:42,710 --> 00:06:41,520

interested in the ufo topic well i was

170

00:06:45,189 --> 00:06:42,720

born and raised

171

00:06:46,070 --> 00:06:45,199

and educated in cape girardeau missouri

172

00:06:48,230 --> 00:06:46,080

a name that

173

00:06:51,350 --> 00:06:48,240

should be the most famous place in the

174

00:06:54,830 --> 00:06:51,360

whole world because we had a ufo crash

175

00:06:57,990 --> 00:06:54,840

six years before roswell in april of

176
00:07:00,309 --> 00:06:58,000
1941 and it got hushed up pretty good

177
00:07:01,270 --> 00:07:00,319
and over the years around the turn of

178
00:07:03,749 --> 00:07:01,280
the century

179
00:07:04,469 --> 00:07:03,759
i began hearing hearing uh more about

180
00:07:06,629 --> 00:07:04,479
this

181
00:07:07,909 --> 00:07:06,639
and wondering well where is a book on

182
00:07:10,469 --> 00:07:07,919
this subject and i

183
00:07:11,670 --> 00:07:10,479
being a resident for so many years i'm

184
00:07:13,990 --> 00:07:11,680
not now

185
00:07:16,550 --> 00:07:14,000
i decided to explore and investigate and

186
00:07:18,230 --> 00:07:16,560
put together my own book and i had so

187
00:07:21,270 --> 00:07:18,240
much material i had a

188
00:07:23,830 --> 00:07:21,280

sequel that was uh

189

00:07:25,510 --> 00:07:23,840

moderately successful and i sure wish we

190

00:07:27,430 --> 00:07:25,520

could get some

191

00:07:28,710 --> 00:07:27,440

documentary filmmakers into cape

192

00:07:30,870 --> 00:07:28,720

girardeau and

193

00:07:32,309 --> 00:07:30,880

and really explore this subject however

194

00:07:36,070 --> 00:07:32,319

i confess to this day

195

00:07:38,950 --> 00:07:36,080

i'm not 100 sure of the crash site

196

00:07:41,110 --> 00:07:38,960

there's no physical remains uh we've got

197

00:07:43,909 --> 00:07:41,120

a few documented uh

198

00:07:45,510 --> 00:07:43,919

references to uh these great recoveries

199

00:07:48,230 --> 00:07:45,520

and wonders that came to us in the

200

00:07:51,110 --> 00:07:48,240

missouri recovery of 1941

201
00:07:52,230 --> 00:07:51,120
in uh some material that's been

202
00:07:55,749 --> 00:07:52,240
unearthed by

203
00:07:56,309 --> 00:07:55,759
ryan wood and uh i'd like to know more

204
00:07:58,230 --> 00:07:56,319
about it

205
00:07:59,990 --> 00:07:58,240
uh even though i've written two books

206
00:08:02,469 --> 00:08:00,000
and occasionally i get a little uh

207
00:08:03,430 --> 00:08:02,479
message on my facebook page but not too

208
00:08:06,950 --> 00:08:03,440
much

209
00:08:07,749 --> 00:08:06,960
so after that i was digging into ufo

210
00:08:10,869 --> 00:08:07,759
stories

211
00:08:13,110 --> 00:08:10,879
to write that and the sequel and

212
00:08:14,309 --> 00:08:13,120
i kept running into that subject that

213
00:08:17,350 --> 00:08:14,319

has intrigued me

214

00:08:21,350 --> 00:08:17,360

since the 1980s eisenhower

215

00:08:23,670 --> 00:08:21,360

went to an air base and met aliens

216

00:08:24,550 --> 00:08:23,680

wow that is like the greatest story if

217

00:08:26,950 --> 00:08:24,560

true

218

00:08:28,629 --> 00:08:26,960

and i want to know all about that so i

219

00:08:29,589 --> 00:08:28,639

wrote this book and a few others in

220

00:08:32,790 --> 00:08:29,599

between

221

00:08:35,750 --> 00:08:32,800

and uh i hope to have one on

222

00:08:37,509 --> 00:08:35,760

president nixon and jackie gleason and i

223

00:08:38,949 --> 00:08:37,519

think there's something of substance

224

00:08:40,630 --> 00:08:38,959

there but i don't know if i'm going to

225

00:08:42,709 --> 00:08:40,640

have quite enough material

226

00:08:44,310 --> 00:08:42,719

to put together a whole book oh that's

227

00:08:45,110 --> 00:08:44,320

what you think man i mean what you were

228

00:08:47,990 --> 00:08:45,120

able to

229

00:08:49,350 --> 00:08:48,000

uncover for this one uh i have no doubt

230

00:08:50,710 --> 00:08:49,360

if it's out there you're going to be the

231

00:08:53,190 --> 00:08:50,720

one to find it but um

232

00:08:55,269 --> 00:08:53,200

well let's let's kind of dive right in

233

00:08:58,150 --> 00:08:55,279

so for some of our younger listeners

234

00:08:59,030 --> 00:08:58,160

could you maybe kind of paint a picture

235

00:09:01,990 --> 00:08:59,040

for us of who

236

00:09:04,230 --> 00:09:02,000

eisenhower was first as a person and how

237

00:09:05,990 --> 00:09:04,240

he was perceived by the american people

238

00:09:07,269 --> 00:09:06,000

you know during his presidency before we

239

00:09:09,590 --> 00:09:07,279

even get to this uh

240

00:09:10,710 --> 00:09:09,600

infamous i guess meeting dwight

241

00:09:13,670 --> 00:09:10,720

eisenhower

242

00:09:14,150 --> 00:09:13,680

uh became very very famous during world

243

00:09:16,790 --> 00:09:14,160

war

244

00:09:19,110 --> 00:09:16,800

ii as the allied commander in europe he

245

00:09:21,350 --> 00:09:19,120

was fdr's number one man

246

00:09:23,269 --> 00:09:21,360

holding together all the allied forces

247

00:09:24,630 --> 00:09:23,279

and the commanding generals and clashing

248

00:09:27,350 --> 00:09:24,640

personalities

249

00:09:27,670 --> 00:09:27,360

getting us all on the same page focused

250

00:09:29,670 --> 00:09:27,680

on

251

00:09:32,230 --> 00:09:29,680

defeating the nazis and it worked

252

00:09:33,430 --> 00:09:32,240

brilliantly eisenhower was hailed as a

253

00:09:36,070 --> 00:09:33,440

national hero

254

00:09:36,470 --> 00:09:36,080

received a ticker tape parade in his

255

00:09:39,910 --> 00:09:36,480

honor

256

00:09:41,590 --> 00:09:39,920

just him in new york city and he would

257

00:09:43,110 --> 00:09:41,600

attract crowds when he went out in

258

00:09:45,910 --> 00:09:43,120

public he wasn't quite like

259

00:09:48,550 --> 00:09:45,920

elvis or the beatles but he did have an

260

00:09:50,389 --> 00:09:48,560

enormous amount of fame adoration

261

00:09:53,430 --> 00:09:50,399

respect popularity

262

00:09:54,550 --> 00:09:53,440

so much so that his friend suggested

263

00:09:56,389 --> 00:09:54,560

that at one point

264

00:09:58,230 --> 00:09:56,399

he should leave the truman

265

00:09:59,430 --> 00:09:58,240

administration and run for president

266

00:10:03,030 --> 00:09:59,440

himself

267

00:10:04,710 --> 00:10:03,040

ike became harry truman's army chief of

268

00:10:05,509 --> 00:10:04,720

staff and served in a couple of other

269

00:10:08,550 --> 00:10:05,519

positions

270

00:10:12,069 --> 00:10:08,560

in the post-war era of the late 1940s

271

00:10:13,750 --> 00:10:12,079

and by 52 he became convinced

272

00:10:15,430 --> 00:10:13,760

that he should run for president and

273

00:10:18,230 --> 00:10:15,440

that brings us to our first

274

00:10:18,630 --> 00:10:18,240

ufo story i thought i would mention it

275

00:10:22,150 --> 00:10:18,640

was

276

00:10:24,790 --> 00:10:22,160

u

277

00:10:27,030 --> 00:10:24,800

or rather the new york post and it said

278

00:10:28,150 --> 00:10:27,040

i was serving on the uss franklin

279

00:10:31,670 --> 00:10:28,160

roosevelt

280

00:10:32,389 --> 00:10:31,680

a warship in the english channel off the

281

00:10:35,630 --> 00:10:32,399

coast of

282

00:10:38,550 --> 00:10:35,640

france in uh early

283

00:10:40,870 --> 00:10:38,560

1952 probably in the first few days

284

00:10:42,230 --> 00:10:40,880

and general dwight eisenhower was our

285

00:10:44,230 --> 00:10:42,240

guest he came

286

00:10:46,150 --> 00:10:44,240

up from below decks during a rather

287

00:10:47,350 --> 00:10:46,160

violent storm the ship was rocking and

288

00:10:49,509 --> 00:10:47,360

he couldn't sleep

289

00:10:50,550 --> 00:10:49,519

i'd like to picture ike in his pajamas

290

00:10:53,590 --> 00:10:50,560

and robe

291

00:10:55,110 --> 00:10:53,600

maybe uh with an empty mug in his hand

292

00:10:56,630 --> 00:10:55,120

because they said they gave him some

293

00:10:57,750 --> 00:10:56,640

coffee and were standing around the

294

00:11:01,190 --> 00:10:57,760

bridge of the

295

00:11:04,310 --> 00:11:01,200

ss roosevelt which was a nuclear weapon

296

00:11:06,230 --> 00:11:04,320

holding ship and

297

00:11:08,550 --> 00:11:06,240

suddenly someone looked out the window

298

00:11:11,750 --> 00:11:08,560

and saw your typical ufo

299

00:11:14,150 --> 00:11:11,760

a circular craft it was

300

00:11:16,069 --> 00:11:14,160

silver and shiny and it was pouring rain

301
00:11:17,829 --> 00:11:16,079
and lightning would light up the place

302
00:11:20,310 --> 00:11:17,839
and they could all clearly see it

303
00:11:21,750 --> 00:11:20,320
just hovering over the ship and you

304
00:11:24,710 --> 00:11:21,760
would think most ufo

305
00:11:25,910 --> 00:11:24,720
sightings go on for what 15 seconds less

306
00:11:27,509 --> 00:11:25,920
than a minute

307
00:11:29,590 --> 00:11:27,519
the author of the story in the new york

308
00:11:31,350 --> 00:11:29,600
post said ike and the crew

309
00:11:33,030 --> 00:11:31,360
sat there and watched this thing for at

310
00:11:35,990 --> 00:11:33,040
least 10 minutes

311
00:11:37,509 --> 00:11:36,000
no one panicked i'd like to think maybe

312
00:11:39,430 --> 00:11:37,519
somebody got out of camera but there

313
00:11:40,150 --> 00:11:39,440

wasn't any report of any film footage

314

00:11:42,310 --> 00:11:40,160

taken it was

315

00:11:43,350 --> 00:11:42,320

this was the graveyard shift in the

316

00:11:45,350 --> 00:11:43,360

middle of the night

317

00:11:47,190 --> 00:11:45,360

and the uh the craft showed no

318

00:11:48,230 --> 00:11:47,200

aggressive moves it just kind of sat

319

00:11:50,470 --> 00:11:48,240

there in the sky

320

00:11:51,670 --> 00:11:50,480

despite high winds lightning thunder

321

00:11:54,550 --> 00:11:51,680

heavy rain

322

00:11:56,310 --> 00:11:54,560

rocking seas the boat was going up and

323

00:11:59,350 --> 00:11:56,320

down a little and

324

00:12:01,910 --> 00:11:59,360

uh it was just uh so amazing this man

325

00:12:03,509 --> 00:12:01,920

said that eisenhower told them all to

326

00:12:05,110 --> 00:12:03,519

keep it to themselves

327

00:12:07,590 --> 00:12:05,120

and that he would check into it when he

328

00:12:10,230 --> 00:12:07,600

went back below decks after the

329

00:12:11,829 --> 00:12:10,240

encounter was over and he's uh the

330

00:12:12,870 --> 00:12:11,839

author of the article said we never

331

00:12:15,110 --> 00:12:12,880

heard about it again

332

00:12:17,509 --> 00:12:15,120

we keep we kept our mouths shut but he

333

00:12:18,790 --> 00:12:17,519

was getting older by 1997 he wanted the

334

00:12:21,430 --> 00:12:18,800

story out so he

335

00:12:23,670 --> 00:12:21,440

had it printed in the new york newspaper

336

00:12:26,629 --> 00:12:23,680

and it gives you an indication of well

337

00:12:28,310 --> 00:12:26,639

what was it that from early 1952 that

338

00:12:30,870 --> 00:12:28,320

convinced eisenhower

339

00:12:31,910 --> 00:12:30,880

to go ahead and run for president i

340

00:12:34,629 --> 00:12:31,920

don't know if this

341

00:12:36,230 --> 00:12:34,639

uh ufo sighting was a big factor but you

342

00:12:38,389 --> 00:12:36,240

never know it sounds like something of

343

00:12:41,030 --> 00:12:38,399

great impact doesn't it it does

344

00:12:43,030 --> 00:12:41,040

and i mean it kind of sets the stage for

345

00:12:43,910 --> 00:12:43,040

you know we start with just a sighting

346

00:12:47,030 --> 00:12:43,920

and then we move

347

00:12:49,910 --> 00:12:47,040

you know it progresses to close

348

00:12:50,310 --> 00:12:49,920

encounters so let's let's move to that

349

00:12:52,870 --> 00:12:50,320

paul

350

00:12:54,870 --> 00:12:52,880

um can you paint us a picture of the

351
00:12:55,870 --> 00:12:54,880
meeting the first quote unquote meeting

352
00:12:58,790 --> 00:12:55,880
with alleged

353
00:13:00,069 --> 00:12:58,800
extraterrestrials how is the meeting set

354
00:13:01,670 --> 00:13:00,079
up and um

355
00:13:03,269 --> 00:13:01,680
yeah yeah maybe run us through a little

356
00:13:05,750 --> 00:13:03,279
bit of that if you don't mind

357
00:13:08,389 --> 00:13:05,760
all right well dwight eisenhower ran for

358
00:13:10,470 --> 00:13:08,399
president in the fall of 52 he won in a

359
00:13:11,030 --> 00:13:10,480
landslide and spent his first year in

360
00:13:13,190 --> 00:13:11,040
office

361
00:13:14,069 --> 00:13:13,200
wrapping up the korean war he was super

362
00:13:17,030 --> 00:13:14,079
popular

363
00:13:19,670 --> 00:13:17,040

the economy was doing fairly well and he

364

00:13:20,069 --> 00:13:19,680

decided to go on vacation to georgia to

365

00:13:23,430 --> 00:13:20,079

hunt

366

00:13:24,150 --> 00:13:23,440

quail and a few days later uh flew out

367

00:13:26,550 --> 00:13:24,160

to

368

00:13:28,870 --> 00:13:26,560

uh palm springs california over two

369

00:13:31,350 --> 00:13:28,880

thousand miles from washington dc

370

00:13:32,389 --> 00:13:31,360

to palm springs just to play golf for a

371

00:13:35,910 --> 00:13:32,399

few days

372

00:13:38,389 --> 00:13:35,920

in itself that's a pretty suspicious uh

373

00:13:40,069 --> 00:13:38,399

cover story and it was a cover story

374

00:13:41,829 --> 00:13:40,079

although eisenhower did play golf

375

00:13:43,990 --> 00:13:41,839

everyone knew he loved golf

376

00:13:46,389 --> 00:13:44,000

he almost always just flew down the

377

00:13:48,310 --> 00:13:46,399

coast to augusta georgia which is right

378

00:13:51,030 --> 00:13:48,320

near the border of south carolina

379

00:13:51,990 --> 00:13:51,040

and he used to go golfing at the augusta

380

00:13:55,030 --> 00:13:52,000

national

381

00:13:57,509 --> 00:13:55,040

uh golf club which famously hosts the

382

00:13:57,910 --> 00:13:57,519

masters and ike loved it so much down

383

00:14:00,230 --> 00:13:57,920

there

384

00:14:01,030 --> 00:14:00,240

his supporters built him a house on the

385

00:14:04,389 --> 00:14:01,040

course

386

00:14:06,389 --> 00:14:04,399

the years

387

00:14:08,389 --> 00:14:06,399

so it becomes even more strange and

388

00:14:09,750 --> 00:14:08,399

suspicious that he just had to fly all

389

00:14:12,389 --> 00:14:09,760

the way out to

390

00:14:13,990 --> 00:14:12,399

the mojave desert in california not far

391

00:14:16,470 --> 00:14:14,000

from edwards air force base

392

00:14:17,430 --> 00:14:16,480

and and shoot some golf with some old

393

00:14:20,629 --> 00:14:17,440

cronies

394

00:14:24,069 --> 00:14:20,639

he stayed at the um palm springs

395

00:14:27,030 --> 00:14:24,079

uh vacation spot called the smoke tree

396

00:14:28,310 --> 00:14:27,040

ranch and he didn't do too much else

397

00:14:30,470 --> 00:14:28,320

besides uh

398

00:14:31,910 --> 00:14:30,480

hit some golf balls and he signed a few

399

00:14:35,269 --> 00:14:31,920

papers a few uh

400

00:14:37,509 --> 00:14:35,279

laws into uh existence in a small office

401
00:14:40,230 --> 00:14:37,519
they set up for him at the ranch

402
00:14:42,790 --> 00:14:40,240
and then on friday night there was a big

403
00:14:44,949 --> 00:14:42,800
party at the el mirador hotel in palm

404
00:14:46,790 --> 00:14:44,959
springs where the media were staying

405
00:14:48,710 --> 00:14:46,800
and that becomes somewhat significant in

406
00:14:50,710 --> 00:14:48,720
that it got them all distracted

407
00:14:51,990 --> 00:14:50,720
everyone was invited and encouraged to

408
00:14:54,629 --> 00:14:52,000
attend the party

409
00:14:56,389 --> 00:14:54,639
and eisenhower was not there and his top

410
00:14:58,389 --> 00:14:56,399
aides were not there

411
00:15:01,350 --> 00:14:58,399
no one really seemed to question this at

412
00:15:04,710 --> 00:15:01,360
the time but i feel that's the night

413
00:15:07,670 --> 00:15:04,720

eisenhower was driven to an airfield and

414

00:15:07,990 --> 00:15:07,680

flown out to edwards air force base in

415

00:15:11,189 --> 00:15:08,000

the

416

00:15:13,990 --> 00:15:11,199

mojave desert a very remote location

417

00:15:15,350 --> 00:15:14,000

and uh this was only after he was given

418

00:15:18,550 --> 00:15:15,360

the go-ahead

419

00:15:20,629 --> 00:15:18,560

that aliens were uh landed and friendly

420

00:15:23,590 --> 00:15:20,639

and the coast was cleared

421

00:15:23,910 --> 00:15:23,600

to arrive and be greeted safely now if

422

00:15:25,910 --> 00:15:23,920

you

423

00:15:27,189 --> 00:15:25,920

or i were president of the united states

424

00:15:29,509 --> 00:15:27,199

and were golfing

425

00:15:30,870 --> 00:15:29,519

and extraterrestrials landed in five

426

00:15:33,990 --> 00:15:30,880

different spaceships

427

00:15:35,269 --> 00:15:34,000

as they did at edwards uh if we were

428

00:15:37,110 --> 00:15:35,279

president we would be

429

00:15:38,870 --> 00:15:37,120

hustled out of there so fast it would

430

00:15:41,269 --> 00:15:38,880

make your head spin right

431

00:15:42,389 --> 00:15:41,279

so you've got to believe this was all

432

00:15:44,550 --> 00:15:42,399

premeditated

433

00:15:45,910 --> 00:15:44,560

and i go into my book on how this could

434

00:15:49,269 --> 00:15:45,920

have been put together

435

00:15:51,670 --> 00:15:49,279

a military scientific program

436

00:15:52,790 --> 00:15:51,680

in which extraterrestrials were

437

00:15:55,670 --> 00:15:52,800

contacted through

438

00:15:57,509 --> 00:15:55,680

high frequency radio waves apparently

439

00:16:01,430 --> 00:15:57,519

using a binary code

440

00:16:04,710 --> 00:16:01,440

and it was apparently someone possibly

441

00:16:05,829 --> 00:16:04,720

familiar to eisenhower someone who might

442

00:16:08,629 --> 00:16:05,839

have appeared

443

00:16:09,509 --> 00:16:08,639

in their spaceship in january of 52 off

444

00:16:13,110 --> 00:16:09,519

the

445

00:16:15,189 --> 00:16:13,120

coast of france when eisenhower was

446

00:16:17,590 --> 00:16:15,199

on the helm now that's just speculation

447

00:16:18,310 --> 00:16:17,600

i admit but eisenhower didn't panic

448

00:16:20,150 --> 00:16:18,320

there

449

00:16:22,949 --> 00:16:20,160

and it kind of goes back to a little

450

00:16:26,710 --> 00:16:22,959

store at pieced together from 1948

451
00:16:29,990 --> 00:16:26,720
to 1949 involving the aztec

452
00:16:31,430 --> 00:16:30,000
uh new mexico ufo crash i'll skip over

453
00:16:34,870 --> 00:16:31,440
that just for a little bit

454
00:16:37,509 --> 00:16:34,880
and mention congressman henry mcilroy

455
00:16:39,350 --> 00:16:37,519
from new hampshire who has a video on

456
00:16:40,629 --> 00:16:39,360
youtube you can watch it i believe to

457
00:16:45,350 --> 00:16:40,639
this day

458
00:16:46,949 --> 00:16:45,360
from i think 2010 and he reads a little

459
00:16:49,990 --> 00:16:46,959
statement he's got and he

460
00:16:52,550 --> 00:16:50,000
says i read the file

461
00:16:53,189 --> 00:16:52,560
a secret you know army classified file

462
00:16:55,949 --> 00:16:53,199
that says

463
00:16:58,310 --> 00:16:55,959

the military was in contact with

464

00:16:59,430 --> 00:16:58,320

extraterrestrials and in a communication

465

00:17:01,749 --> 00:16:59,440

program

466

00:17:03,269 --> 00:17:01,759

back and forth going on during the first

467

00:17:06,069 --> 00:17:03,279

year of the eisenhower

468

00:17:08,390 --> 00:17:06,079

administration the report concluded that

469

00:17:09,270 --> 00:17:08,400

they felt it was safe for eisenhower to

470

00:17:12,390 --> 00:17:09,280

go

471

00:17:14,870 --> 00:17:12,400

and meet these extraterrestrial beings

472

00:17:17,429 --> 00:17:14,880

in person and the congressman adds it is

473

00:17:19,750 --> 00:17:17,439

my understanding that he did go

474

00:17:21,829 --> 00:17:19,760

so this gives us another clue that

475

00:17:23,990 --> 00:17:21,839

communications were ongoing

476

00:17:25,510 --> 00:17:24,000

during the first year and this was set

477

00:17:27,590 --> 00:17:25,520

up in advance

478

00:17:29,270 --> 00:17:27,600

eisenhower stayed at a friend's house at

479

00:17:31,590 --> 00:17:29,280

the smoke tree ranch

480

00:17:32,470 --> 00:17:31,600

and it was set up with a special uh

481

00:17:34,150 --> 00:17:32,480

bedroom

482

00:17:35,990 --> 00:17:34,160

special quarters for the president the

483

00:17:36,950 --> 00:17:36,000

first lady special phone lines were

484

00:17:39,029 --> 00:17:36,960

installed

485

00:17:40,710 --> 00:17:39,039

and uh quarters for the secret service

486

00:17:43,510 --> 00:17:40,720

so this had to have been put together

487

00:17:44,390 --> 00:17:43,520

quite well in advance as a premeditated

488

00:17:48,230 --> 00:17:44,400

event

489

00:17:49,029 --> 00:17:48,240

not sudden spur of the moment because as

490

00:17:52,150 --> 00:17:49,039

i've said

491

00:17:54,150 --> 00:17:52,160

if we were president we would be put on

492

00:17:57,350 --> 00:17:54,160

a plane and flown out of the region

493

00:17:59,029 --> 00:17:57,360

so quickly that uh it would be due to

494

00:18:01,190 --> 00:17:59,039

security concerns because we wouldn't

495

00:18:03,510 --> 00:18:01,200

have known if the aliens were friendly

496

00:18:04,870 --> 00:18:03,520

or if this was a kind of trojan horse if

497

00:18:07,669 --> 00:18:04,880

they landed

498

00:18:09,590 --> 00:18:07,679

but in this case everything seems to

499

00:18:11,510 --> 00:18:09,600

have been set up in advance

500

00:18:13,430 --> 00:18:11,520

uh there were apparently even film

501
00:18:15,430 --> 00:18:13,440
cameras there recording the event

502
00:18:16,549 --> 00:18:15,440
i've put together in my book a couple

503
00:18:19,110 --> 00:18:16,559
sources who

504
00:18:20,630 --> 00:18:19,120
have said they've seen the film footage

505
00:18:23,470 --> 00:18:20,640
some of it's in black and white

506
00:18:25,270 --> 00:18:23,480
and some of it's in color that show the

507
00:18:26,710 --> 00:18:25,280
extraterrestrials looking a good deal

508
00:18:28,630 --> 00:18:26,720
like human beings

509
00:18:31,510 --> 00:18:28,640
walking up to eisenhower and greeting

510
00:18:32,310 --> 00:18:31,520
him in an airplane hangar at edwards air

511
00:18:35,510 --> 00:18:32,320
force base

512
00:18:37,830 --> 00:18:35,520
all right yeah so i mean

513
00:18:39,430 --> 00:18:37,840

even paul i mean i know even you could

514

00:18:41,029 --> 00:18:39,440

admit as the author of the book like

515

00:18:43,510 --> 00:18:41,039

this is a lot to take in

516

00:18:44,630 --> 00:18:43,520

you know this entire event but let's

517

00:18:46,590 --> 00:18:44,640

let's maybe

518

00:18:48,870 --> 00:18:46,600

clarify and clear up some of the

519

00:18:49,350 --> 00:18:48,880

misconceptions first and foremost you

520

00:18:51,430 --> 00:18:49,360

know

521

00:18:52,549 --> 00:18:51,440

in my mind when i first heard this story

522

00:18:55,430 --> 00:18:52,559

when i was younger

523

00:18:55,990 --> 00:18:55,440

i envisioned the you know the three foot

524

00:18:59,029 --> 00:18:56,000

tall

525

00:18:59,669 --> 00:18:59,039

grays with big black eyes but this this

526

00:19:01,430 --> 00:18:59,679

didn't

527

00:19:03,669 --> 00:19:01,440

seem to be the case and you found

528

00:19:05,909 --> 00:19:03,679

something really interesting that i was

529

00:19:08,390 --> 00:19:05,919

not aware of called the army manual

530

00:19:09,990 --> 00:19:08,400

101. so i'd love if you could maybe give

531

00:19:13,110 --> 00:19:10,000

us a little idea of what

532

00:19:15,830 --> 00:19:13,120

that is maybe tell us a little about um

533

00:19:16,710 --> 00:19:15,840

who else was at this meeting you know we

534

00:19:18,710 --> 00:19:16,720

it wasn't just

535

00:19:20,150 --> 00:19:18,720

eisenhower obviously they were the

536

00:19:22,870 --> 00:19:20,160

camera crew there were

537

00:19:23,190 --> 00:19:22,880

other i would assume military people and

538

00:19:25,510 --> 00:19:23,200

in

539

00:19:27,510 --> 00:19:25,520

aids to the president so yeah could you

540

00:19:28,230 --> 00:19:27,520

tell us a little first about army manual

541

00:19:30,870 --> 00:19:28,240

101

542

00:19:31,669 --> 00:19:30,880

and then who else was allegedly at this

543

00:19:34,230 --> 00:19:31,679

meeting

544

00:19:35,750 --> 00:19:34,240

uh the army manual we are familiar with

545

00:19:38,870 --> 00:19:35,760

and many people in the ufo

546

00:19:41,270 --> 00:19:38,880

community are familiar with was printed

547

00:19:43,029 --> 00:19:41,280

in april of 54 which means it was

548

00:19:44,870 --> 00:19:43,039

probably right in the aftermath

549

00:19:46,549 --> 00:19:44,880

of the eisenhower encounter from

550

00:19:49,029 --> 00:19:46,559

february 19th

551
00:19:50,870 --> 00:19:49,039
and it states that communication and

552
00:19:54,230 --> 00:19:50,880
contact has been made

553
00:19:55,830 --> 00:19:54,240
and it states that uh extraterrestrials

554
00:19:57,430 --> 00:19:55,840
come in various uh

555
00:19:59,350 --> 00:19:57,440
shapes or forms and it gives a

556
00:20:01,909 --> 00:19:59,360
description of someone

557
00:20:02,789 --> 00:20:01,919
who i think landed and spoke to

558
00:20:05,590 --> 00:20:02,799
eisenhower

559
00:20:07,270 --> 00:20:05,600
they were about five feet tall they had

560
00:20:08,789 --> 00:20:07,280
only a little bit of fuzz on their heads

561
00:20:10,549 --> 00:20:08,799
according to the manual

562
00:20:12,549 --> 00:20:10,559
they look a good deal like human beings

563
00:20:15,110 --> 00:20:12,559

the skin color is a little different

564

00:20:17,190 --> 00:20:15,120

uh it doesn't say quite how they were

565

00:20:18,230 --> 00:20:17,200

dressed we can assume flight suits of

566

00:20:22,549 --> 00:20:18,240

some kind

567

00:20:25,830 --> 00:20:22,559

and they seem very friendly and uh

568

00:20:29,430 --> 00:20:25,840

the description in that booklet is

569

00:20:33,350 --> 00:20:29,440

uh what was uh match or what matches

570

00:20:34,390 --> 00:20:33,360

uh uh and united states air force test

571

00:20:38,070 --> 00:20:34,400

pilot

572

00:20:41,190 --> 00:20:38,080

who said i was at the meeting with

573

00:20:42,310 --> 00:20:41,200

aliens and eisenhower and he said they

574

00:20:45,430 --> 00:20:42,320

looked something like

575

00:20:48,710 --> 00:20:45,440

human beings it's what i call

576

00:20:50,950 --> 00:20:48,720

just as this author's opinion cousins of

577

00:20:52,470 --> 00:20:50,960

humanity that they came from perhaps a

578

00:20:54,789 --> 00:20:52,480

planet much like earth

579

00:20:55,669 --> 00:20:54,799

they grew up with much the same body

580

00:20:57,190 --> 00:20:55,679

structure

581

00:20:59,350 --> 00:20:57,200

and their skin color turned a little

582

00:20:59,990 --> 00:20:59,360

different because of maybe the harshness

583

00:21:01,830 --> 00:21:00,000

of the sun

584

00:21:03,590 --> 00:21:01,840

on their planet or a little more

585

00:21:05,029 --> 00:21:03,600

difficult to breathe which might have

586

00:21:07,350 --> 00:21:05,039

affected the size of their

587

00:21:08,310 --> 00:21:07,360

nostrils or their lungs giving them just

588

00:21:10,310 --> 00:21:08,320

a slightly

589

00:21:11,909 --> 00:21:10,320

misshapen look that's how the the

590

00:21:15,270 --> 00:21:11,919

eyewitness the test pilot

591

00:21:15,990 --> 00:21:15,280

said in the early 1980s when this story

592

00:21:18,549 --> 00:21:16,000

exploded

593

00:21:19,430 --> 00:21:18,559

uh in the pages of the national enquirer

594

00:21:21,270 --> 00:21:19,440

and a few other

595

00:21:23,909 --> 00:21:21,280

newspapers picked up the story and ran

596

00:21:26,789 --> 00:21:23,919

it he the test pilot says i was brought

597

00:21:29,350 --> 00:21:26,799

in for my expertise in aerodynamics

598

00:21:30,549 --> 00:21:29,360

they wanted uh someone who really knew

599

00:21:33,750 --> 00:21:30,559

how to

600

00:21:36,549 --> 00:21:33,760

assess any kind of extraterrestrial

601
00:21:38,070 --> 00:21:36,559
craft if it landed and by golly he said

602
00:21:40,230 --> 00:21:38,080
three did they were

603
00:21:41,590 --> 00:21:40,240
three were circular shaped and two were

604
00:21:44,630 --> 00:21:41,600
cigar shaped

605
00:21:46,549 --> 00:21:44,640
and they landed at the air base and that

606
00:21:48,950 --> 00:21:46,559
eisenhower met them but i don't believe

607
00:21:51,190 --> 00:21:48,960
he touched them or shook hands with them

608
00:21:52,149 --> 00:21:51,200
and they did speak english which makes

609
00:21:54,549 --> 00:21:52,159
you uh

610
00:21:56,390 --> 00:21:54,559
certainly believe that the aliens had

611
00:21:59,990 --> 00:21:56,400
been monitoring

612
00:22:02,070 --> 00:22:00,000
uh america or humankind for a long time

613
00:22:03,830 --> 00:22:02,080

and knew our language and it was no

614

00:22:06,470 --> 00:22:03,840

problem to speak and it was no problem

615

00:22:09,669 --> 00:22:06,480

for them to breathe our atmosphere

616

00:22:11,270 --> 00:22:09,679

so uh the test pilot said i was one of

617

00:22:14,070 --> 00:22:11,280

these six other guys who were

618

00:22:17,190 --> 00:22:14,080

surrounding eisenhower just to make sure

619

00:22:19,270 --> 00:22:17,200

and everyone had died by the early 1980s

620

00:22:21,990 --> 00:22:19,280

and he said i'm the last one alive

621

00:22:22,630 --> 00:22:22,000

i want to tell this story before i pass

622

00:22:24,630 --> 00:22:22,640

away

623

00:22:27,270 --> 00:22:24,640

so the story doesn't die out and he

624

00:22:30,390 --> 00:22:27,280

swore it was true that these aliens

625

00:22:31,750 --> 00:22:30,400

were friendly and they were unarmed and

626

00:22:32,870 --> 00:22:31,760

they came out and they spoke to

627

00:22:35,669 --> 00:22:32,880

eisenhower

628

00:22:36,630 --> 00:22:35,679

and they got into the topic of atomic

629

00:22:38,870 --> 00:22:36,640

testing

630

00:22:40,070 --> 00:22:38,880

which really concerned them and i think

631

00:22:41,990 --> 00:22:40,080

that's a pretty valid

632

00:22:43,590 --> 00:22:42,000

reason for landing and speaking to the

633

00:22:46,710 --> 00:22:43,600

leader of the free world don't you

634

00:22:48,390 --> 00:22:46,720

i would say so absolutely uh no do we

635

00:22:49,510 --> 00:22:48,400

have a name for that person paul by

636

00:22:51,909 --> 00:22:49,520

chance

637

00:22:54,070 --> 00:22:51,919

uh no i was never able to find out the

638

00:22:55,830 --> 00:22:54,080

test pilot's name his whole life and

639

00:22:57,029 --> 00:22:55,840

career would have been ruined if he had

640

00:23:00,230 --> 00:22:57,039

ever given it

641

00:23:02,789 --> 00:23:00,240

so the author of an article at the time

642

00:23:03,990 --> 00:23:02,799

of the man he spoke to kept it an

643

00:23:05,830 --> 00:23:04,000

anonymous name

644

00:23:07,590 --> 00:23:05,840

kept him secret and i believe it's

645

00:23:10,310 --> 00:23:07,600

secret to this day now i

646

00:23:11,190 --> 00:23:10,320

give an opinion in my book over who it

647

00:23:13,110 --> 00:23:11,200

could be

648

00:23:14,470 --> 00:23:13,120

but i admit it's still a bit uh

649

00:23:16,870 --> 00:23:14,480

conjecture

650

00:23:17,909 --> 00:23:16,880

the man i have in mind fits the mold

651
00:23:19,990 --> 00:23:17,919
perfectly

652
00:23:21,590 --> 00:23:20,000
and he just passed away a few years ago

653
00:23:21,990 --> 00:23:21,600
i'll leave it that mysterious so you

654
00:23:24,230 --> 00:23:22,000
have to

655
00:23:25,350 --> 00:23:24,240
buy the book and find out who i'm

656
00:23:27,990 --> 00:23:25,360
talking about

657
00:23:28,549 --> 00:23:28,000
but uh this man who came forward around

658
00:23:31,990 --> 00:23:28,559
early

659
00:23:34,390 --> 00:23:32,000
to mid 1982 uh

660
00:23:36,390 --> 00:23:34,400
we cannot overlook the fact that uh

661
00:23:37,990 --> 00:23:36,400
general nathan twining the head of the

662
00:23:41,350 --> 00:23:38,000
air force at the time

663
00:23:43,590 --> 00:23:41,360

later eisenhower's joint chiefs of staff

664

00:23:46,710 --> 00:23:43,600

a very trusted individual

665

00:23:48,310 --> 00:23:46,720

had passed away in march of 82 and i

666

00:23:50,149 --> 00:23:48,320

think he might have been present

667

00:23:51,590 --> 00:23:50,159

and might have been the last authority

668

00:23:54,710 --> 00:23:51,600

figure uh

669

00:23:56,310 --> 00:23:54,720

involved either there or knowing about

670

00:23:58,950 --> 00:23:56,320

it and once he died

671

00:24:00,789 --> 00:23:58,960

uh that made perfect sense for the test

672

00:24:01,430 --> 00:24:00,799

pilot to step forward and try to find

673

00:24:03,510 --> 00:24:01,440

someone

674

00:24:04,950 --> 00:24:03,520

who would listen to his tail and take it

675

00:24:07,350 --> 00:24:04,960

quite seriously

676

00:24:09,350 --> 00:24:07,360

which i think we can do well let's let's

677

00:24:10,470 --> 00:24:09,360

rewind a little bit to uh the the

678

00:24:13,269 --> 00:24:10,480

communication

679

00:24:15,510 --> 00:24:13,279

between eisenhower and the the supposed

680

00:24:18,149 --> 00:24:15,520

et's you mentioned atomic testing

681

00:24:19,669 --> 00:24:18,159

uh but is there anything else we can

682

00:24:22,230 --> 00:24:19,679

sort of glean from

683

00:24:24,149 --> 00:24:22,240

what was said during this meeting what

684

00:24:26,070 --> 00:24:24,159

what message were these

685

00:24:28,149 --> 00:24:26,080

ets trying to convey and how did

686

00:24:30,710 --> 00:24:28,159

eisenhower actually respond to it all

687

00:24:31,669 --> 00:24:30,720

do we have anything on that paul right

688

00:24:34,710 --> 00:24:31,679

he responded

689

00:24:37,510 --> 00:24:34,720

unfortunately quite negatively uh the

690

00:24:39,590 --> 00:24:37,520

aliens offered their friendship and an

691

00:24:41,990 --> 00:24:39,600

education program for the people of

692

00:24:43,830 --> 00:24:42,000

earth to wake us up that we are hardly

693

00:24:45,590 --> 00:24:43,840

alone in the universe that there are

694

00:24:46,630 --> 00:24:45,600

other beings out there and they are just

695

00:24:48,789 --> 00:24:46,640

one example

696

00:24:49,750 --> 00:24:48,799

eisenhower wasn't too thrilled with that

697

00:24:52,070 --> 00:24:49,760

idea but

698

00:24:53,669 --> 00:24:52,080

things got worse for him when the aliens

699

00:24:56,710 --> 00:24:53,679

put on two

700

00:24:59,190 --> 00:24:56,720

shows first they showed eisenhower what

701

00:25:01,430 --> 00:24:59,200

their aircraft can do

702

00:25:03,190 --> 00:25:01,440

their five craft apparently lifted up

703

00:25:04,870 --> 00:25:03,200

into the air and spun around and darted

704

00:25:06,870 --> 00:25:04,880

around in the atmosphere

705

00:25:09,110 --> 00:25:06,880

according to the test pilot it was a

706

00:25:11,990 --> 00:25:09,120

dazzling display

707

00:25:12,870 --> 00:25:12,000

and uh it probably unnerved eisenhower

708

00:25:15,350 --> 00:25:12,880

because

709

00:25:17,590 --> 00:25:15,360

he was a licensed pilot and he knew all

710

00:25:21,029 --> 00:25:17,600

about america's air force

711

00:25:21,830 --> 00:25:21,039

and our aero technical uh plans for the

712

00:25:24,950 --> 00:25:21,840

future and

713

00:25:25,909 --> 00:25:24,960

everything the alien showed us uh on in

714

00:25:28,950 --> 00:25:25,919

that meeting

715

00:25:30,870 --> 00:25:28,960

outstripped what mankind had and in

716

00:25:31,909 --> 00:25:30,880

particular the u.s air force it was

717

00:25:34,549 --> 00:25:31,919

probably

718

00:25:36,070 --> 00:25:34,559

dazzling but unnerving is how i would

719

00:25:38,149 --> 00:25:36,080

call it to see

720

00:25:40,390 --> 00:25:38,159

airships that could fly far faster and

721

00:25:41,269 --> 00:25:40,400

maybe stop on a dime in the air and spin

722

00:25:44,149 --> 00:25:41,279

around or

723

00:25:45,269 --> 00:25:44,159

uh come down and land with a tripod very

724

00:25:47,269 --> 00:25:45,279

quickly

725

00:25:50,070 --> 00:25:47,279

we didn't have anything like this and

726

00:25:52,549 --> 00:25:50,080

eisenhower being an old army man

727

00:25:54,950 --> 00:25:52,559

was concerned about how this would

728

00:25:55,990 --> 00:25:54,960

impact the people of the united states

729

00:25:58,149 --> 00:25:56,000

if they ever saw

730

00:26:00,789 --> 00:25:58,159

this going on in our skies or if these

731

00:26:03,590 --> 00:26:00,799

aliens decided to land somewhere else

732

00:26:05,350 --> 00:26:03,600

and say hey we'd like to educate you to

733

00:26:07,909 --> 00:26:05,360

you to our existence

734

00:26:10,310 --> 00:26:07,919

and tell you all about us and how people

735

00:26:11,830 --> 00:26:10,320

would react to that probably sheer panic

736

00:26:14,070 --> 00:26:11,840

quite frankly

737

00:26:16,230 --> 00:26:14,080

many people would have maybe even

738

00:26:17,990 --> 00:26:16,240

reached for their shotgun

739

00:26:20,470 --> 00:26:18,000

in this country if they had seen such a

740

00:26:21,669 --> 00:26:20,480

thing remembering the old radio show the

741

00:26:23,590 --> 00:26:21,679

war of the worlds

742

00:26:25,510 --> 00:26:23,600

in which people did grab their guns in

743

00:26:29,190 --> 00:26:25,520

panic back in

744

00:26:29,590 --> 00:26:29,200

halloween of 1938 a radio program that

745

00:26:32,230 --> 00:26:29,600

had

746

00:26:34,310 --> 00:26:32,240

aliens landing and trying to invade

747

00:26:35,510 --> 00:26:34,320

grover's mill new jersey it was a very

748

00:26:37,350 --> 00:26:35,520

famous story

749

00:26:39,510 --> 00:26:37,360

and people of that generation remembered

750

00:26:42,070 --> 00:26:39,520

it well so that's another factor

751

00:26:43,990 --> 00:26:42,080

eisenhower had to keep in mind

752

00:26:45,990 --> 00:26:44,000

that wow we really need to hold this

753

00:26:48,149 --> 00:26:46,000

meeting in secret and then he asked them

754

00:26:49,909 --> 00:26:48,159

not to do this not to show yourselves

755

00:26:51,990 --> 00:26:49,919

too much if you have to be here

756

00:26:53,350 --> 00:26:52,000

poking around taking samples looking

757

00:26:56,310 --> 00:26:53,360

over our planet

758

00:26:57,350 --> 00:26:56,320

our life forms animal human and and

759

00:27:00,070 --> 00:26:57,360

plant form

760

00:27:01,190 --> 00:27:00,080

but then the aliens really did something

761

00:27:06,149 --> 00:27:01,200

that

762

00:27:09,269 --> 00:27:06,159

with great discomfort

763

00:27:11,269 --> 00:27:09,279

they made themselves disappear

764

00:27:13,669 --> 00:27:11,279

that is they became invisible to the

765

00:27:16,149 --> 00:27:13,679

naked eye according to the test pilot

766

00:27:16,950 --> 00:27:16,159

he said eisenhower was most unnerved by

767

00:27:19,510 --> 00:27:16,960

this

768

00:27:20,230 --> 00:27:19,520

the test pilot said we knew they were

769

00:27:22,230 --> 00:27:20,240

there

770

00:27:24,549 --> 00:27:22,240

but we couldn't see them and then they

771

00:27:25,510 --> 00:27:24,559

reappeared apparently uh having moved a

772

00:27:27,190 --> 00:27:25,520

little bit

773

00:27:29,510 --> 00:27:27,200

and if you're going to offer an

774

00:27:31,430 --> 00:27:29,520

education program to the people of earth

775

00:27:33,190 --> 00:27:31,440

and you can cloak yourself or make

776
00:27:35,510 --> 00:27:33,200
yourself invisible

777
00:27:36,470 --> 00:27:35,520
dematerialize and re-materialize however

778
00:27:38,870 --> 00:27:36,480
they did it

779
00:27:40,549 --> 00:27:38,880
that's got to be awfully scary uh the

780
00:27:43,669 --> 00:27:40,559
thought of spies

781
00:27:44,710 --> 00:27:43,679
murderers bank robbers rapists thieves

782
00:27:46,830 --> 00:27:44,720
of all kind

783
00:27:48,070 --> 00:27:46,840
learning this technique to cloak

784
00:27:50,789 --> 00:27:48,080
yourself

785
00:27:53,430 --> 00:27:50,799
uh somehow uh it had to have been the

786
00:27:54,389 --> 00:27:53,440
last straw for eisenhower and said and

787
00:27:57,590 --> 00:27:54,399
he said

788
00:27:58,549 --> 00:27:57,600

to the aliens you're gonna have to go we

789

00:28:03,170 --> 00:27:58,559

can't have this

790

00:28:06,549 --> 00:28:03,180

our world is not ready for this

791

00:28:09,510 --> 00:28:06,559

[Music]

792

00:28:11,830 --> 00:28:09,520

ufos seem to be invading both our skies

793

00:28:13,990 --> 00:28:11,840

and our news outlets like never before

794

00:28:15,430 --> 00:28:14,000

and more people are starting to look up

795

00:28:18,789 --> 00:28:15,440

and are wondering who

796

00:28:20,710 --> 00:28:18,799

or what might be out there in 2016

797

00:28:22,870 --> 00:28:20,720

ryan sprague introduced the world to

798

00:28:24,389 --> 00:28:22,880

countless ufo encounters that had never

799

00:28:26,549 --> 00:28:24,399

been made public before

800

00:28:28,630 --> 00:28:26,559

and now in the second edition of his

801
00:28:29,990 --> 00:28:28,640
book he revisits these events and

802
00:28:33,110 --> 00:28:30,000
introduces brand new

803
00:28:35,909 --> 00:28:33,120
ufo cases in somewhere in the skies

804
00:28:37,990 --> 00:28:35,919
a human approach to the ufo phenomenon

805
00:28:39,269 --> 00:28:38,000
how have these events changed the lives

806
00:28:40,710 --> 00:28:39,279
of those involved

807
00:28:43,430 --> 00:28:40,720
and what might it tell us about the

808
00:28:45,350 --> 00:28:43,440
phenomenon with in-depth follow-ups

809
00:28:47,350 --> 00:28:45,360
brand new chapters and detailed

810
00:28:49,350 --> 00:28:47,360
testimony from credible witnesses and

811
00:28:51,990 --> 00:28:49,360
insight from those in the psychological

812
00:28:53,110 --> 00:28:52,000
academic and scientific fields somewhere

813
00:28:55,750 --> 00:28:53,120

in the skies

814

00:28:58,230 --> 00:28:55,760

a human approach to the ufo phenomenon

815

00:28:59,909 --> 00:28:58,240

weaves together a story of stories

816

00:29:02,630 --> 00:28:59,919

attempting to get to the heart of these

817

00:29:04,389 --> 00:29:02,640

mysteries one experience at a time

818

00:29:06,070 --> 00:29:04,399

available now on amazon in both

819

00:29:10,830 --> 00:29:06,080

paperback and ebook

820

00:29:15,669 --> 00:29:13,190

somewhereintheskies.com

821

00:29:16,630 --> 00:29:15,679

okay so i i can understand that we're

822

00:29:19,590 --> 00:29:16,640

not ready

823

00:29:20,230 --> 00:29:19,600

and you know eisenhower was a very a

824

00:29:23,510 --> 00:29:20,240

very

825

00:29:25,190 --> 00:29:23,520

uh strategic individual i mean he could

826

00:29:26,789 --> 00:29:25,200

assess a situation

827

00:29:29,350 --> 00:29:26,799

front and back left and right up and

828

00:29:32,549 --> 00:29:29,360

down in you know the blink of an eye

829

00:29:34,710 --> 00:29:32,559

so you have to think he probably had the

830

00:29:35,430 --> 00:29:34,720

best for humankind in mind when this

831

00:29:37,590 --> 00:29:35,440

meeting

832

00:29:38,870 --> 00:29:37,600

occurred i mean we'll never truly know

833

00:29:40,470 --> 00:29:38,880

right but um

834

00:29:42,710 --> 00:29:40,480

here's something too paul so the lore of

835

00:29:43,750 --> 00:29:42,720

the story you know was that eisenhower

836

00:29:45,669 --> 00:29:43,760

was whisked away

837

00:29:47,510 --> 00:29:45,679

you know for an emergency dental issue

838

00:29:48,870 --> 00:29:47,520

this is kind of what we all thought was

839

00:29:50,310 --> 00:29:48,880

the cover story

840

00:29:52,710 --> 00:29:50,320

you know that doesn't seem to be the

841

00:29:54,549 --> 00:29:52,720

case am i correct that's correct that

842

00:29:56,789 --> 00:29:54,559

story is actually

843

00:29:58,549 --> 00:29:56,799

true in the sense that eisenhower the

844

00:30:00,549 --> 00:29:58,559

very next night was uh

845

00:30:02,630 --> 00:30:00,559

seated at a dinner at the smoke tree

846

00:30:03,669 --> 00:30:02,640

ranch trying to get his mind back to

847

00:30:07,350 --> 00:30:03,679

normal you know

848

00:30:10,230 --> 00:30:07,360

and he was chewing on a duck leg

849

00:30:12,149 --> 00:30:10,240

bit into some buck shot which broke off

850

00:30:14,389 --> 00:30:12,159

an incisor in his teeth

851

00:30:16,389 --> 00:30:14,399

and he needed emergency medical

852

00:30:18,389 --> 00:30:16,399

treatment at a dentist's office

853

00:30:19,909 --> 00:30:18,399

i talked to a woman whose best friend

854

00:30:22,630 --> 00:30:19,919

was at that dinner

855

00:30:24,630 --> 00:30:22,640

and she said they apologized up and down

856

00:30:26,230 --> 00:30:24,640

to eisenhower and said the boys went out

857

00:30:28,070 --> 00:30:26,240

shooting ducks this morning

858

00:30:30,710 --> 00:30:28,080

and that's why the meat's fresh but it

859

00:30:33,029 --> 00:30:30,720

still got you know grape shot shards of

860

00:30:34,789 --> 00:30:33,039

metal in it no wonder eisenhower had a

861

00:30:37,430 --> 00:30:34,799

dental emergency

862

00:30:39,590 --> 00:30:37,440

so they called up a dentist right away

863

00:30:41,990 --> 00:30:39,600

on saturday night the 20th

864

00:30:44,230 --> 00:30:42,000

and said we need you the president has

865

00:30:46,310 --> 00:30:44,240

uh injured a tooth and we need you to

866

00:30:48,070 --> 00:30:46,320

examine it and treat him right away

867

00:30:49,909 --> 00:30:48,080

apparently the dentist's reaction was

868

00:30:52,789 --> 00:30:49,919

yeah right the president

869

00:30:54,310 --> 00:30:52,799

yeah i'll sure be there and he hung up

870

00:30:56,149 --> 00:30:54,320

and like an hour or two

871

00:30:57,990 --> 00:30:56,159

later they were waiting and waiting and

872

00:31:00,070 --> 00:30:58,000

they they called it back said where

873

00:31:02,549 --> 00:31:00,080

are you the president is waiting and

874

00:31:05,669 --> 00:31:02,559

they assured him this was no joke so the

875

00:31:07,590 --> 00:31:05,679

dentist dr francis purcell

876

00:31:09,350 --> 00:31:07,600

got in his car and drove very hurriedly

877

00:31:12,070 --> 00:31:09,360

over to his dental office and there was

878

00:31:15,909 --> 00:31:12,080

eisenhower and he was treated that night

879

00:31:16,549 --> 00:31:15,919

the eisenhower presidential library has

880

00:31:19,750 --> 00:31:16,559

records

881

00:31:21,509 --> 00:31:19,760

for him being treated uh and he went

882

00:31:23,750 --> 00:31:21,519

later to his own dentist to have some

883

00:31:26,710 --> 00:31:23,760

more work done on this temporary

884

00:31:29,430 --> 00:31:26,720

crown that was put in that night and so

885

00:31:32,549 --> 00:31:29,440

that just simply is a true story

886

00:31:33,269 --> 00:31:32,559

uh that gets a little conflated with the

887

00:31:35,110 --> 00:31:33,279

fact that

888

00:31:37,029 --> 00:31:35,120

eisenhower did go out to edwards air

889

00:31:40,230 --> 00:31:37,039

force base but it was the night before

890

00:31:42,230 --> 00:31:40,240

friday the 19th it's also amusing and a

891

00:31:45,669 --> 00:31:42,240

sad reflection on the state of our

892

00:31:47,669 --> 00:31:45,679

uh media that the press found out that

893

00:31:49,750 --> 00:31:47,679

eisenhower rushed out of his smoke tree

894

00:31:50,549 --> 00:31:49,760

ranch saturday night and the rumor was

895

00:31:52,630 --> 00:31:50,559

he needed

896

00:31:53,909 --> 00:31:52,640

emergency medical treatment well the

897

00:31:56,789 --> 00:31:53,919

reporters went nuts

898

00:31:58,710 --> 00:31:56,799

and decided eisenhower had died and one

899

00:32:01,430 --> 00:31:58,720

even filed a report

900

00:32:02,310 --> 00:32:01,440

with uh like the associated press or upi

901
00:32:04,230 --> 00:32:02,320
forget which

902
00:32:05,350 --> 00:32:04,240
and said eisenhower died tonight and

903
00:32:07,909 --> 00:32:05,360
then he had to

904
00:32:08,470 --> 00:32:07,919
uh retract that when eisenhower press

905
00:32:10,549 --> 00:32:08,480
statement

906
00:32:12,389 --> 00:32:10,559
or press spokesman came in and gave a

907
00:32:14,149 --> 00:32:12,399
statement and said eisenhower

908
00:32:15,830 --> 00:32:14,159
was chewing on a chicken leg which is

909
00:32:18,710 --> 00:32:15,840
not true it was a duck leg

910
00:32:20,230 --> 00:32:18,720
and uh hurt his tooth and he'll be back

911
00:32:21,669 --> 00:32:20,240
in church sunday morning which he

912
00:32:24,549 --> 00:32:21,679
certainly was

913
00:32:25,190 --> 00:32:24,559

so uh it just goes to show you how the

914

00:32:27,430 --> 00:32:25,200

media

915

00:32:28,950 --> 00:32:27,440

sitting around board could snowball a

916

00:32:31,830 --> 00:32:28,960

bunch of gossip into

917

00:32:33,669 --> 00:32:31,840

a president died probably a case of

918

00:32:34,549 --> 00:32:33,679

franklin roosevelt died while on

919

00:32:37,509 --> 00:32:34,559

vacation

920

00:32:39,509 --> 00:32:37,519

in warm springs georgia maybe eisenhower

921

00:32:42,310 --> 00:32:39,519

has died on vacation in

922

00:32:44,630 --> 00:32:42,320

palm springs california but uh the whole

923

00:32:46,549 --> 00:32:44,640

thing was a wacky misunderstanding

924

00:32:47,669 --> 00:32:46,559

uh it really had nothing to do with the

925

00:32:50,310 --> 00:32:47,679

alien uh

926
00:32:51,509 --> 00:32:50,320
landing but uh it makes for an

927
00:32:54,230 --> 00:32:51,519
entertaining uh

928
00:32:54,789 --> 00:32:54,240
but uh again kind of sad reflection on

929
00:32:56,470 --> 00:32:54,799
the uh

930
00:32:58,149 --> 00:32:56,480
the state of the media to get that

931
00:33:00,630 --> 00:32:58,159
carried away without any facts

932
00:33:01,990 --> 00:33:00,640
any proof at all you know if anything i

933
00:33:03,990 --> 00:33:02,000
don't think the media has gotten any

934
00:33:05,590 --> 00:33:04,000
better paul but uh that's a story for

935
00:33:08,549 --> 00:33:05,600
another time but uh

936
00:33:08,950 --> 00:33:08,559
wow okay so let's say let's say this is

937
00:33:11,590 --> 00:33:08,960
true

938
00:33:12,389 --> 00:33:11,600

this meeting occurred what a weekend for

939

00:33:14,870 --> 00:33:12,399

this guy

940

00:33:16,310 --> 00:33:14,880

you know i mean meeting with aliens and

941

00:33:19,669 --> 00:33:16,320

then

942

00:33:21,750 --> 00:33:19,679

having to go for emergency dental uh

943

00:33:24,710 --> 00:33:21,760

appointment and everything and then to

944

00:33:27,430 --> 00:33:24,720

beat a church on sunday that is

945

00:33:28,470 --> 00:33:27,440

a sweeping weekend it had to be a real

946

00:33:30,789 --> 00:33:28,480

come down but

947

00:33:32,470 --> 00:33:30,799

eisenhower had a printed schedule and if

948

00:33:35,430 --> 00:33:32,480

he didn't show up

949

00:33:35,830 --> 00:33:35,440

it's going to start looking really weird

950

00:33:37,750 --> 00:33:35,840

and

951
00:33:40,389 --> 00:33:37,760
the press will really go nuts so he

952
00:33:43,669 --> 00:33:40,399
showed up at church he showed up at golf

953
00:33:45,590 --> 00:33:43,679
on monday there was a big dinner

954
00:33:46,710 --> 00:33:45,600
sunday night he showed up for that a

955
00:33:48,549 --> 00:33:46,720
bunch of

956
00:33:50,789 --> 00:33:48,559
locals and a few celebrities were there

957
00:33:52,950 --> 00:33:50,799
at the smoke tree ranch sunday night

958
00:33:53,909 --> 00:33:52,960
but we need to focus on that date the

959
00:33:56,389 --> 00:33:53,919
19th of

960
00:33:57,269 --> 00:33:56,399
february as it comes in a little handy

961
00:33:59,750 --> 00:33:57,279
with some other

962
00:34:01,110 --> 00:33:59,760
us presidents yeah yeah we will get

963
00:34:03,029 --> 00:34:01,120

there for sure um

964

00:34:05,110 --> 00:34:03,039

well i got to ask you this fall and i'm

965

00:34:08,470 --> 00:34:05,120

sure you've been asked this before

966

00:34:09,510 --> 00:34:08,480

but uh why do you think if aliens were

967

00:34:12,790 --> 00:34:09,520

to come here

968

00:34:14,470 --> 00:34:12,800

and to meet with um a a

969

00:34:16,710 --> 00:34:14,480

world leader i guess the leader of the

970

00:34:17,349 --> 00:34:16,720

free world as we call them in the united

971

00:34:20,069 --> 00:34:17,359

states

972

00:34:21,430 --> 00:34:20,079

why here why us why us americans do you

973

00:34:23,829 --> 00:34:21,440

think these meetings

974

00:34:25,030 --> 00:34:23,839

were occurring with other world leaders

975

00:34:27,510 --> 00:34:25,040

or diplomats

976

00:34:30,310 --> 00:34:27,520

and we were just one stop on this like

977

00:34:32,629 --> 00:34:30,320

diplomacy tour of the universe and the

978

00:34:33,669 --> 00:34:32,639

in the planet like why was it eisenhower

979

00:34:36,550 --> 00:34:33,679

in us

980

00:34:38,629 --> 00:34:36,560

that's a very very good question uh it's

981

00:34:40,869 --> 00:34:38,639

quite possible the aliens did try to

982

00:34:43,829 --> 00:34:40,879

meet with other nuclear powers like

983

00:34:45,190 --> 00:34:43,839

russia or china or england and a quick

984

00:34:48,389 --> 00:34:45,200

side story that didn't

985

00:34:51,990 --> 00:34:48,399

uh make my book but i found out

986

00:34:53,750 --> 00:34:52,000

about a month ago that prince philip in

987

00:34:56,230 --> 00:34:53,760

england has a very great private

988

00:35:00,069 --> 00:34:56,240

interest in ufos and he collects books

989

00:35:02,710 --> 00:35:00,079

so that he had apparently learned

990

00:35:06,470 --> 00:35:02,720

of a ufo sighting on the grounds of lord

991

00:35:08,550 --> 00:35:06,480

mountbatten's estate in 1955

992

00:35:09,670 --> 00:35:08,560

uh very close to the eisenhower

993

00:35:11,589 --> 00:35:09,680

encounter

994

00:35:13,589 --> 00:35:11,599

and some say eisenhower had a second

995

00:35:17,030 --> 00:35:13,599

encounter in february 55

996

00:35:19,270 --> 00:35:17,040

and this british one on the the

997

00:35:20,150 --> 00:35:19,280

rural out in the countryside lord

998

00:35:23,190 --> 00:35:20,160

mountbatten

999

00:35:25,270 --> 00:35:23,200

uh mansion they believed the man's story

1000

00:35:26,630 --> 00:35:25,280

that he said he saw this spacecraft and

1001

00:35:27,750 --> 00:35:26,640

he went out in the snow to look for

1002

00:35:29,510 --> 00:35:27,760

prince and such

1003

00:35:31,670 --> 00:35:29,520

so that gives you an example of maybe

1004

00:35:34,310 --> 00:35:31,680

aliens did come down at the other

1005

00:35:35,430 --> 00:35:34,320

nuclear superpowers but what they ask

1006

00:35:37,589 --> 00:35:35,440

eisenhower

1007

00:35:38,630 --> 00:35:37,599

at edwards air force base is could you

1008

00:35:41,349 --> 00:35:38,640

please stop

1009

00:35:42,390 --> 00:35:41,359

all these crazy reckless atomic testing

1010

00:35:45,510 --> 00:35:42,400

that you're doing

1011

00:35:47,430 --> 00:35:45,520

we were like kids playing with

1012

00:35:49,670 --> 00:35:47,440

matches frankly in those days we were

1013

00:35:52,310 --> 00:35:49,680

setting off nuclear bombs in

1014

00:35:53,109 --> 00:35:52,320

little experiments in the atmosphere uh

1015

00:35:55,750 --> 00:35:53,119

on the land

1016

00:35:57,829 --> 00:35:55,760

in the ground and underwater and it was

1017

00:36:00,310 --> 00:35:57,839

creating tremendous radiation

1018

00:36:02,230 --> 00:36:00,320

and pollution things leaking into outer

1019

00:36:04,790 --> 00:36:02,240

space maybe

1020

00:36:06,790 --> 00:36:04,800

genuinely affecting other worldly

1021

00:36:07,430 --> 00:36:06,800

creatures and they finally decided to

1022

00:36:10,630 --> 00:36:07,440

land

1023

00:36:12,630 --> 00:36:10,640

to go for it and to speak to someone

1024

00:36:13,750 --> 00:36:12,640

face to face and there was no one better

1025

00:36:15,430 --> 00:36:13,760

to do this

1026
00:36:17,109 --> 00:36:15,440
than as you say the leader of the free

1027
00:36:19,349 --> 00:36:17,119
world the most popular man

1028
00:36:20,310 --> 00:36:19,359
in america if not the world president

1029
00:36:22,230 --> 00:36:20,320
eisenhower

1030
00:36:23,750 --> 00:36:22,240
who was in charge of the atomic testing

1031
00:36:25,910 --> 00:36:23,760
they asked him to stop

1032
00:36:27,829 --> 00:36:25,920
and to get rid of your atomic weapons

1033
00:36:30,870 --> 00:36:27,839
and he apparently said

1034
00:36:32,710 --> 00:36:30,880
i'm not going to disarm unilaterally

1035
00:36:33,910 --> 00:36:32,720
you know the other nations of the world

1036
00:36:36,710 --> 00:36:33,920
will have to do so

1037
00:36:38,550 --> 00:36:36,720
also so again it makes you really wonder

1038
00:36:41,589 --> 00:36:38,560

did the aliens go

1039

00:36:42,390 --> 00:36:41,599

find a rural remote spot in russia and

1040

00:36:45,190 --> 00:36:42,400

china

1041

00:36:46,790 --> 00:36:45,200

and also speak to their leaders i uh

1042

00:36:49,349 --> 00:36:46,800

don't have any information

1043

00:36:51,750 --> 00:36:49,359

those were closed secret societies to

1044

00:36:53,990 --> 00:36:51,760

america back then that was the cold war

1045

00:36:54,950 --> 00:36:54,000

and uh to this day uh we're still trying

1046

00:36:58,310 --> 00:36:54,960

to uh

1047

00:37:00,470 --> 00:36:58,320

get uh russia to unleash its files

1048

00:37:01,510 --> 00:37:00,480

and find out what you know what the kgb

1049

00:37:03,589 --> 00:37:01,520

knew uh

1050

00:37:04,710 --> 00:37:03,599

there was a brief flurry of opening such

1051
00:37:08,710 --> 00:37:04,720
matters uh

1052
00:37:09,589 --> 00:37:08,720
after the soviet union fell around 1990

1053
00:37:11,829 --> 00:37:09,599
91

1054
00:37:13,510 --> 00:37:11,839
and then they closed them all up and boy

1055
00:37:14,069 --> 00:37:13,520
there are plenty of juicy secrets there

1056
00:37:16,390 --> 00:37:14,079
i bet

1057
00:37:17,750 --> 00:37:16,400
i can only imagine and hey you know i

1058
00:37:20,390 --> 00:37:17,760
mean i understand

1059
00:37:22,790 --> 00:37:20,400
if if if what you're saying is true and

1060
00:37:23,750 --> 00:37:22,800
this is what eisenhower how he responded

1061
00:37:26,390 --> 00:37:23,760
to them

1062
00:37:27,910 --> 00:37:26,400
the the supposed et's saying you know

1063
00:37:30,230 --> 00:37:27,920

get rid of your nuclear arms

1064

00:37:31,670 --> 00:37:30,240

i mean we have we have theories that

1065

00:37:34,630 --> 00:37:31,680

maybe russia had something to do with

1066

00:37:37,430 --> 00:37:34,640

the roswell crash or this or that case

1067

00:37:39,430 --> 00:37:37,440

and um they wanted to destabilize the

1068

00:37:42,550 --> 00:37:39,440

united states in such a way

1069

00:37:44,630 --> 00:37:42,560

and you have to wonder maybe eisenhower

1070

00:37:45,589 --> 00:37:44,640

maybe there were theories that uh this

1071

00:37:48,630 --> 00:37:45,599

whole et

1072

00:37:50,550 --> 00:37:48,640

meeting was was disguised and it came

1073

00:37:51,750 --> 00:37:50,560

from russia and they wanted us to get

1074

00:37:53,589 --> 00:37:51,760

rid of our nukes

1075

00:37:55,190 --> 00:37:53,599

and they build up their uh like i mean i

1076

00:37:55,510 --> 00:37:55,200

know i'm getting really out there paul

1077

00:37:57,910 --> 00:37:55,520

but

1078

00:37:58,630 --> 00:37:57,920

i mean at this point it's anyone's guess

1079

00:38:00,230 --> 00:37:58,640

as to what

1080

00:38:02,470 --> 00:38:00,240

there are so many unknowns how was

1081

00:38:04,630 --> 00:38:02,480

eisenhower to know what was going on in

1082

00:38:05,190 --> 00:38:04,640

other countries or even another part of

1083

00:38:07,829 --> 00:38:05,200

america

1084

00:38:09,670 --> 00:38:07,839

exactly uh it was another factor of him

1085

00:38:11,589 --> 00:38:09,680

nervously saying could you not show

1086

00:38:12,630 --> 00:38:11,599

yourselves around here we're not ready

1087

00:38:14,950 --> 00:38:12,640

for you yet

1088

00:38:16,150 --> 00:38:14,960

and react negatively uh i include in my

1089

00:38:20,150 --> 00:38:16,160

book also

1090

00:38:22,790 --> 00:38:20,160

another factor another story that uh

1091

00:38:25,190 --> 00:38:22,800

uh a ufo researcher came up with i don't

1092

00:38:28,230 --> 00:38:25,200

know if it's valid but he said he heard

1093

00:38:29,349 --> 00:38:28,240

the aliens offered uh clean energy

1094

00:38:31,430 --> 00:38:29,359

technology

1095

00:38:33,270 --> 00:38:31,440

just gonna hand it over and the the

1096

00:38:34,550 --> 00:38:33,280

sound of that is very exciting isn't it

1097

00:38:37,510 --> 00:38:34,560

we could get rid of our

1098

00:38:38,470 --> 00:38:37,520

coal and fuel fossil fuel burning uh

1099

00:38:40,790 --> 00:38:38,480

engines

1100

00:38:42,710 --> 00:38:40,800

plants and factories and cars and trucks

1101
00:38:45,109 --> 00:38:42,720
but eisenhower turned that down as well

1102
00:38:46,870 --> 00:38:45,119
when you think about it a brand new

1103
00:38:49,510 --> 00:38:46,880
cutting edge technology

1104
00:38:50,630 --> 00:38:49,520
it would wreck the auto industry maybe

1105
00:38:53,270 --> 00:38:50,640
the steel industry

1106
00:38:54,790 --> 00:38:53,280
wrecked the economy uh it would turn

1107
00:38:57,030 --> 00:38:54,800
everything upside down when you would

1108
00:39:00,390 --> 00:38:57,040
have to explain where we got it from

1109
00:39:01,030 --> 00:39:00,400
and how it works so uh if that story is

1110
00:39:02,550 --> 00:39:01,040
true

1111
00:39:05,030 --> 00:39:02,560
you kind of want to bang your head on a

1112
00:39:07,910 --> 00:39:05,040
desk somewhere because we polluted the

1113
00:39:10,710 --> 00:39:07,920

planet pretty badly in the last 60 years

1114

00:39:12,950 --> 00:39:10,720

and we could have uh obviated all of

1115

00:39:16,470 --> 00:39:12,960

that by accepting the alien offer

1116

00:39:17,910 --> 00:39:16,480

if that tale is uh valid but it makes

1117

00:39:20,230 --> 00:39:17,920

you wonder

1118

00:39:21,990 --> 00:39:20,240

were these like little enticements

1119

00:39:23,190 --> 00:39:22,000

thrown out there like a banana on the

1120

00:39:26,150 --> 00:39:23,200

end of a stick

1121

00:39:27,670 --> 00:39:26,160

for eisenhower to go for and again we

1122

00:39:29,589 --> 00:39:27,680

must emphasize

1123

00:39:32,470 --> 00:39:29,599

eisenhower was an old military

1124

00:39:35,190 --> 00:39:32,480

strategist he saw world war ii firsthand

1125

00:39:37,510 --> 00:39:35,200

he even toured the auschwitz death camps

1126
00:39:38,790 --> 00:39:37,520
and he saw what human beings can do to

1127
00:39:41,670 --> 00:39:38,800
each other

1128
00:39:43,589 --> 00:39:41,680
and how powerful people get carried away

1129
00:39:46,550 --> 00:39:43,599
and so he had to been suspicious

1130
00:39:48,390 --> 00:39:46,560
of the aliens in the fact that what if

1131
00:39:49,670 --> 00:39:48,400
they were a trojan horse and there were

1132
00:39:52,710 --> 00:39:49,680
invaders coming

1133
00:39:54,870 --> 00:39:52,720
after this initial friendly group he as

1134
00:39:56,870 --> 00:39:54,880
a military man he had to be suspicious

1135
00:39:59,349 --> 00:39:56,880
and honest defensive

1136
00:40:00,870 --> 00:39:59,359
and uh not just be a gullible fool and

1137
00:40:03,510 --> 00:40:00,880
accept everything he's told

1138
00:40:04,470 --> 00:40:03,520

yeah i mean you know maybe this was just

1139

00:40:07,109 --> 00:40:04,480

one

1140

00:40:08,470 --> 00:40:07,119

uh intelligence extraterrestrial

1141

00:40:08,870 --> 00:40:08,480

intelligence that doesn't mean there's

1142

00:40:10,950 --> 00:40:08,880

not

1143

00:40:12,390 --> 00:40:10,960

malevolent ones out there somewhere too

1144

00:40:14,630 --> 00:40:12,400

that's right it'd be like opening a

1145

00:40:17,990 --> 00:40:14,640

pandora's box if you let these guys in

1146

00:40:18,309 --> 00:40:18,000

what about 10 12 30 others and some of

1147

00:40:20,630 --> 00:40:18,319

them

1148

00:40:22,710 --> 00:40:20,640

not very friendly when they see the

1149

00:40:24,150 --> 00:40:22,720

floodgates open they think hey everybody

1150

00:40:27,270 --> 00:40:24,160

come on down

1151
00:40:27,829 --> 00:40:27,280
well you did mention a second meeting

1152
00:40:30,150 --> 00:40:27,839
this is

1153
00:40:32,069 --> 00:40:30,160
really interesting to me um can you tell

1154
00:40:32,390 --> 00:40:32,079
us a little about this supposed meeting

1155
00:40:35,030 --> 00:40:32,400
when

1156
00:40:36,950 --> 00:40:35,040
and where and uh what you found about

1157
00:40:38,790 --> 00:40:36,960
found out about this holloman air force

1158
00:40:41,750 --> 00:40:38,800
base we know this place well

1159
00:40:43,829 --> 00:40:41,760
from a different supposed landing as

1160
00:40:46,069 --> 00:40:43,839
well so yeah what do you got on this one

1161
00:40:48,230 --> 00:40:46,079
this stems from the great research of

1162
00:40:50,710 --> 00:40:48,240
the late great arthur campbell

1163
00:40:52,870 --> 00:40:50,720

who passed away within the last year or

1164

00:40:55,190 --> 00:40:52,880

two i didn't get a chance to talk to him

1165

00:40:58,710 --> 00:40:55,200

but he put almost everything he knew

1166

00:41:01,349 --> 00:40:58,720

on on the internet online and he found

1167

00:41:03,990 --> 00:41:01,359

some witnesses that say eisenhower uh

1168

00:41:05,990 --> 00:41:04,000

went to georgia for a little vacation

1169

00:41:08,069 --> 00:41:06,000

and then snuck away to holloman air

1170

00:41:10,790 --> 00:41:08,079

force base on

1171

00:41:12,309 --> 00:41:10,800

what was uh air force one now does that

1172

00:41:14,790 --> 00:41:12,319

sound like a familiar

1173

00:41:16,550 --> 00:41:14,800

method of operation there was even a

1174

00:41:19,030 --> 00:41:16,560

party for the media

1175

00:41:20,390 --> 00:41:19,040

at the hotel in georgia to distract them

1176

00:41:23,750 --> 00:41:20,400

while eisenhower

1177

00:41:26,069 --> 00:41:23,760

sneaked away and uh it's like they

1178

00:41:27,109 --> 00:41:26,079

played the palm springs trick all over

1179

00:41:29,349 --> 00:41:27,119

again the media fell

1180

00:41:32,069 --> 00:41:29,359

for it again distracted with free food

1181

00:41:35,030 --> 00:41:32,079

and drink and entertainment at the hotel

1182

00:41:37,670 --> 00:41:35,040

so eisenhower got an overnight trip um i

1183

00:41:40,950 --> 00:41:37,680

think he arrived actually by afternoon

1184

00:41:43,030 --> 00:41:40,960

and came back uh late uh overnight and

1185

00:41:44,950 --> 00:41:43,040

snuck back to his estate in georgia in

1186

00:41:46,950 --> 00:41:44,960

february of 55.

1187

00:41:49,349 --> 00:41:46,960

according to art campbell's research

1188

00:41:50,390 --> 00:41:49,359

eisenhower's plane was out on the runway

1189

00:41:52,630 --> 00:41:50,400
at holloman

1190

00:41:54,630 --> 00:41:52,640
and two extraterrestrial looking

1191

00:41:57,190 --> 00:41:54,640
spaceships came down out of the sky

1192

00:41:59,270 --> 00:41:57,200
circular your typical silver metal

1193

00:42:01,030 --> 00:41:59,280
flying saucers

1194

00:42:02,870 --> 00:42:01,040
one hovered in the air and remained

1195

00:42:04,309 --> 00:42:02,880
there and the other landed and

1196

00:42:07,349 --> 00:42:04,319
eisenhower was seen

1197

00:42:10,630 --> 00:42:07,359
supposedly walking out of his airplane

1198

00:42:12,870 --> 00:42:10,640
and over to it and stepped inside and

1199

00:42:15,910 --> 00:42:12,880
uh there would have been a real reason

1200

00:42:18,150 --> 00:42:15,920
for this meeting if the two had come to

1201

00:42:19,990 --> 00:42:18,160

a formal agreement a contract or a

1202

00:42:21,030 --> 00:42:20,000

treaty as we've heard many times and

1203

00:42:23,190 --> 00:42:21,040

eisenhower

1204

00:42:24,150 --> 00:42:23,200

formed a signed agreement and he would

1205

00:42:27,109 --> 00:42:24,160

have to have

1206

00:42:30,230 --> 00:42:27,119

put it into print and uh possibly the

1207

00:42:31,990 --> 00:42:30,240

aliens would have to have agreed to what

1208

00:42:34,390 --> 00:42:32,000

the wording was and how they would go

1209

00:42:36,550 --> 00:42:34,400

about maybe secretly landing on

1210

00:42:39,030 --> 00:42:36,560

planet earth if not out in the nevada

1211

00:42:42,069 --> 00:42:39,040

desert according to one document

1212

00:42:45,270 --> 00:42:42,079

and that they could continue in private

1213

00:42:48,470 --> 00:42:45,280

to land and inspect our air our sea

1214

00:42:51,430 --> 00:42:48,480

our land our animals and the human race

1215

00:42:53,109 --> 00:42:51,440

and we in return would get technology

1216

00:42:55,990 --> 00:42:53,119

possibly or

1217

00:42:56,550 --> 00:42:56,000

information to help us uh that's in my

1218

00:42:59,030 --> 00:42:56,560

book i

1219

00:43:01,270 --> 00:42:59,040

explain a little more at length but this

1220

00:43:02,390 --> 00:43:01,280

would explain why eisenhower needed a

1221

00:43:04,230 --> 00:43:02,400

second meeting

1222

00:43:05,910 --> 00:43:04,240

and he pulled it off apparently art

1223

00:43:06,550 --> 00:43:05,920

campbell said there were witnesses that

1224

00:43:09,270 --> 00:43:06,560

said

1225

00:43:10,230 --> 00:43:09,280

eisenhower went into an air base a small

1226
00:43:11,910 --> 00:43:10,240
theater there

1227
00:43:13,589 --> 00:43:11,920
they gathered all the personnel and

1228
00:43:15,990 --> 00:43:13,599
swore them to secrecy

1229
00:43:17,430 --> 00:43:16,000
said we cannot let this uh story out

1230
00:43:20,309 --> 00:43:17,440
you're gonna have to keep your mouth

1231
00:43:20,950 --> 00:43:20,319
shut just like he swore them to secrecy

1232
00:43:23,270 --> 00:43:20,960
at

1233
00:43:25,030 --> 00:43:23,280
edwards air force base the year before

1234
00:43:25,990 --> 00:43:25,040
then he hopped on a plane and flew back

1235
00:43:29,270 --> 00:43:26,000
to georgia for

1236
00:43:31,430 --> 00:43:29,280
this quail hunting vacation and no one

1237
00:43:32,550 --> 00:43:31,440
was the wiser until art campbell dug

1238
00:43:35,670 --> 00:43:32,560

into this

1239

00:43:36,309 --> 00:43:35,680

in the 1980s and 90s and so i tipped my

1240

00:43:38,470 --> 00:43:36,319

cap

1241

00:43:40,150 --> 00:43:38,480

to this very fine gentleman who was like

1242

00:43:43,349 --> 00:43:40,160

me he was from missouri

1243

00:43:43,910 --> 00:43:43,359

there you go yeah it's so so fascinating

1244

00:43:47,349 --> 00:43:43,920

paul i mean

1245

00:43:48,390 --> 00:43:47,359

all of this and um i guess i kind of

1246

00:43:49,990 --> 00:43:48,400

wrapping up

1247

00:43:52,309 --> 00:43:50,000

uh what's in the book because we don't

1248

00:43:55,270 --> 00:43:52,319

want to give away too much obviously

1249

00:43:57,670 --> 00:43:55,280

um but your last chapter you cover

1250

00:43:58,710 --> 00:43:57,680

eisenhower after his presidency and his

1251
00:44:00,950 --> 00:43:58,720
meetings

1252
00:44:02,230 --> 00:44:00,960
with a lot of interesting people that we

1253
00:44:03,829 --> 00:44:02,240
would come to know

1254
00:44:05,829 --> 00:44:03,839
pretty darn well here in the united

1255
00:44:08,230 --> 00:44:05,839
states and beyond so would you mind

1256
00:44:10,630 --> 00:44:08,240
teasing us a little bit about uh these

1257
00:44:11,589 --> 00:44:10,640
meetings that eisenhower had after his

1258
00:44:13,670 --> 00:44:11,599
presidency and

1259
00:44:15,030 --> 00:44:13,680
what it could all mean in terms of you

1260
00:44:17,670 --> 00:44:15,040
know this this meeting

1261
00:44:18,390 --> 00:44:17,680
in what we now know is the ufo cover-up

1262
00:44:21,030 --> 00:44:18,400
i guess

1263
00:44:23,349 --> 00:44:21,040

when i was researching uh whatever

1264

00:44:23,990 --> 00:44:23,359

agreement eisenhower reached with aliens

1265

00:44:26,630 --> 00:44:24,000

i would

1266

00:44:27,829 --> 00:44:26,640

uh press this in to type it into the

1267

00:44:30,950 --> 00:44:27,839

search engine

1268

00:44:33,910 --> 00:44:30,960

on my computer and one came back 10-year

1269

00:44:34,950 --> 00:44:33,920

agreement and i'm thinking why 10-year

1270

00:44:37,270 --> 00:44:34,960

agreement

1271

00:44:38,550 --> 00:44:37,280

who's who came up with this and i

1272

00:44:40,390 --> 00:44:38,560

couldn't find any more

1273

00:44:42,630 --> 00:44:40,400

and it became very frustrating but i

1274

00:44:43,109 --> 00:44:42,640

found out the president of the united

1275

00:44:46,470 --> 00:44:43,119

states

1276

00:44:48,870 --> 00:44:46,480

lyndon b johnson flew from washington dc

1277

00:44:50,390 --> 00:44:48,880

all the way out to palm springs he met

1278

00:44:53,030 --> 00:44:50,400

with eisenhower

1279

00:44:54,790 --> 00:44:53,040

there was a second air force one on the

1280

00:44:56,630 --> 00:44:54,800

tarmac at the airport

1281

00:44:57,829 --> 00:44:56,640

some monkey business might well have

1282

00:45:01,750 --> 00:44:57,839

been going on

1283

00:45:04,390 --> 00:45:01,760

they met on february 20th one day after

1284

00:45:05,910 --> 00:45:04,400

uh the exact 10-year anniversary in case

1285

00:45:06,870 --> 00:45:05,920

there was an agreement that needed

1286

00:45:10,550 --> 00:45:06,880

updating

1287

00:45:11,829 --> 00:45:10,560

or you know signing on to by this

1288

00:45:13,829 --> 00:45:11,839

president

1289

00:45:15,829 --> 00:45:13,839

it turns out that there were a few gaps

1290

00:45:16,710 --> 00:45:15,839

in the schedule and eisenhower did meet

1291

00:45:19,109 --> 00:45:16,720

with the

1292

00:45:20,230 --> 00:45:19,119

lbj a couple of times they could have

1293

00:45:22,870 --> 00:45:20,240

meant more

1294

00:45:23,270 --> 00:45:22,880

i don't know quite what's going on but

1295

00:45:29,349 --> 00:45:23,280

uh

1296

00:45:32,150 --> 00:45:29,359

there was extraterrestrial material at a

1297

00:45:36,390 --> 00:45:32,160

local air base that jfk flew out

1298

00:45:38,630 --> 00:45:36,400

to see he flew out in march of 1962

1299

00:45:40,069 --> 00:45:38,640

and met with eisenhower and posed for

1300

00:45:43,030 --> 00:45:40,079

pictures with ike

1301
00:45:44,470 --> 00:45:43,040
at his palm springs home and then he had

1302
00:45:46,470 --> 00:45:44,480
gaps in his schedule and

1303
00:45:47,829 --> 00:45:46,480
i tried to piece together what could

1304
00:45:50,630 --> 00:45:47,839
have happened uh

1305
00:45:51,670 --> 00:45:50,640
jfk ufo rumors are a little sketchy i'll

1306
00:45:54,309 --> 00:45:51,680
admit

1307
00:45:57,190 --> 00:45:54,319
and uh there's other presidents that

1308
00:46:01,030 --> 00:45:57,200
flew into palm springs

1309
00:46:04,230 --> 00:46:01,040
future presidents like reagan elder bush

1310
00:46:06,710 --> 00:46:04,240
and ford and that back

1311
00:46:07,829 --> 00:46:06,720
in the later 60s on the exact

1312
00:46:11,349 --> 00:46:07,839
anniversary

1313
00:46:13,670 --> 00:46:11,359

of the 15th year of the eisenhower

1314

00:46:13,990 --> 00:46:13,680

encounter with aliens lbj flew back to

1315

00:46:16,550 --> 00:46:14,000

palm

1316

00:46:17,750 --> 00:46:16,560

springs and met with eisenhower you

1317

00:46:20,870 --> 00:46:17,760

almost can't make this stuff

1318

00:46:24,230 --> 00:46:20,880

up february 19th 1968

1319

00:46:26,470 --> 00:46:24,240

and then february 19th is a date for the

1320

00:46:27,990 --> 00:46:26,480

richard nixon jackie gleason encounter

1321

00:46:30,710 --> 00:46:28,000

which was at an air force

1322

00:46:32,069 --> 00:46:30,720

base with armed security guards around

1323

00:46:35,589 --> 00:46:32,079

and they saw something

1324

00:46:37,670 --> 00:46:35,599

otherworldly uh in a laboratory there

1325

00:46:40,150 --> 00:46:37,680

so you know you have to ask yourself

1326

00:46:41,030 --> 00:46:40,160

what in the world is going on here in

1327

00:46:43,270 --> 00:46:41,040

private

1328

00:46:45,270 --> 00:46:43,280

that they can't tell us i think we're

1329

00:46:47,510 --> 00:46:45,280

able to piece together something that

1330

00:46:48,390 --> 00:46:47,520

at least these presidents back in the

1331

00:46:50,470 --> 00:46:48,400

day

1332

00:46:52,950 --> 00:46:50,480

knew we were being visited and that

1333

00:46:55,030 --> 00:46:52,960

there was an agreement that they

1334

00:46:56,710 --> 00:46:55,040

kept hushed up and everything's been

1335

00:46:58,309 --> 00:46:56,720

fine we haven't been invaded or

1336

00:47:00,710 --> 00:46:58,319

assaulted in any way

1337

00:47:02,630 --> 00:47:00,720

so you know why upset the apple cart

1338

00:47:05,190 --> 00:47:02,640

keep the status quo going

1339

00:47:06,550 --> 00:47:05,200

i don't know too much about more recent

1340

00:47:09,109 --> 00:47:06,560

presidents

1341

00:47:10,950 --> 00:47:09,119

and what they know but you see them on

1342

00:47:14,069 --> 00:47:10,960

jimmy kimmel live

1343

00:47:15,430 --> 00:47:14,079

or on stephen colbert and they uh these

1344

00:47:17,270 --> 00:47:15,440

hosts will ask them

1345

00:47:19,109 --> 00:47:17,280

you know are we alone are we being

1346

00:47:19,990 --> 00:47:19,119

visited or not and they give a flip and

1347

00:47:22,150 --> 00:47:20,000

answer

1348

00:47:24,150 --> 00:47:22,160

and laugh and chuckle or just say oh

1349

00:47:25,589 --> 00:47:24,160

it's a matter of national security but i

1350

00:47:27,829 --> 00:47:25,599

think that's your answer

1351

00:47:28,870 --> 00:47:27,839

i mean if the answer was absolutely not

1352

00:47:30,470 --> 00:47:28,880

they'd say so

1353

00:47:32,069 --> 00:47:30,480

right but they don't want to tell you

1354

00:47:34,710 --> 00:47:32,079

the truth so they just kind of

1355

00:47:36,829 --> 00:47:34,720

skirt around it and uh it's very

1356

00:47:39,750 --> 00:47:36,839

frustrating but maybe someday a former

1357

00:47:40,790 --> 00:47:39,760

president will tell us or maybe even one

1358

00:47:43,270 --> 00:47:40,800

in office

1359

00:47:43,910 --> 00:47:43,280

i mean who knows and i do wonder you

1360

00:47:47,270 --> 00:47:43,920

know

1361

00:47:49,829 --> 00:47:47,280

do these presidents do they want to be

1362

00:47:51,109 --> 00:47:49,839

the disclosure president you know you

1363

00:47:52,870 --> 00:47:51,119

really have to wonder what

1364

00:47:55,030 --> 00:47:52,880

kind of baggage would come with that and

1365

00:47:56,870 --> 00:47:55,040

that will be your legacy

1366

00:47:58,309 --> 00:47:56,880

you know so i have to wonder if that's

1367

00:48:00,150 --> 00:47:58,319

why the suppression

1368

00:48:01,430 --> 00:48:00,160

continues like you said to keep that

1369

00:48:03,990 --> 00:48:01,440

status quo

1370

00:48:06,150 --> 00:48:04,000

uh you are quite correct would it upset

1371

00:48:07,990 --> 00:48:06,160

the apple cart and damaged the stock

1372

00:48:09,829 --> 00:48:08,000

market and the economy and put people

1373

00:48:11,510 --> 00:48:09,839

out of work to this day

1374

00:48:13,349 --> 00:48:11,520

of course it's not too good right now

1375

00:48:15,750 --> 00:48:13,359

anyway so that's another factor

1376

00:48:17,750 --> 00:48:15,760

in uh keeping this information bottled

1377

00:48:18,390 --> 00:48:17,760

up the economy is not strong if people

1378

00:48:20,309 --> 00:48:18,400

started

1379

00:48:21,670 --> 00:48:20,319

quitting their jobs or quitting school

1380

00:48:24,230 --> 00:48:21,680

and decided to

1381

00:48:26,549 --> 00:48:24,240

study extraterrestrials or even worship

1382

00:48:29,030 --> 00:48:26,559

them that was something eisenhower was

1383

00:48:31,589 --> 00:48:29,040

apparently worried about people don't

1384

00:48:33,510 --> 00:48:31,599

seem to realize he was a very devoutly

1385

00:48:35,670 --> 00:48:33,520

christian gentleman he had himself

1386

00:48:37,430 --> 00:48:35,680

baptized in his first month or so

1387

00:48:39,109 --> 00:48:37,440

in the white house he's the only

1388

00:48:40,230 --> 00:48:39,119

american president to have himself

1389

00:48:42,950 --> 00:48:40,240

baptized

1390

00:48:44,150 --> 00:48:42,960

he took in god we trust so seriously he

1391

00:48:46,549 --> 00:48:44,160

made sure it was on

1392

00:48:48,069 --> 00:48:46,559

all of our currency he was a

1393

00:48:50,470 --> 00:48:48,079

church-going christian

1394

00:48:52,549 --> 00:48:50,480

and he was not open to the idea that

1395

00:48:53,270 --> 00:48:52,559

maybe people would start worshipping the

1396

00:48:55,510 --> 00:48:53,280

aliens

1397

00:48:57,270 --> 00:48:55,520

and forget about their religious faith

1398

00:48:59,270 --> 00:48:57,280

which takes us back to world war

1399

00:49:00,710 --> 00:48:59,280

ii and that incident with winston

1400

00:49:04,390 --> 00:49:00,720

churchill doesn't it

1401
00:49:05,190 --> 00:49:04,400
yeah exactly exactly yep you do have to

1402
00:49:08,150 --> 00:49:05,200
wonder

1403
00:49:10,549 --> 00:49:08,160
these uh you know kind of um

1404
00:49:13,270 --> 00:49:10,559
hypothesizing of what would change

1405
00:49:15,349 --> 00:49:13,280
if all of this were true and the the

1406
00:49:16,150 --> 00:49:15,359
possibilities are literally endless so

1407
00:49:18,710 --> 00:49:16,160
um

1408
00:49:20,710 --> 00:49:18,720
you know i remember when i first heard

1409
00:49:23,349 --> 00:49:20,720
you were coming out with this book paul

1410
00:49:23,910 --> 00:49:23,359
i i didn't think there was much to any

1411
00:49:26,309 --> 00:49:23,920
of this

1412
00:49:27,349 --> 00:49:26,319
as i'm sure some of my listeners and

1413
00:49:29,750 --> 00:49:27,359

viewers

1414

00:49:30,470 --> 00:49:29,760

felt as well but i mean after reading

1415

00:49:32,630 --> 00:49:30,480

what you brought

1416

00:49:34,309 --> 00:49:32,640

forth and and the documents you

1417

00:49:35,510 --> 00:49:34,319

uncovered we didn't even really go into

1418

00:49:36,230 --> 00:49:35,520

those but we'll leave that for the

1419

00:49:38,790 --> 00:49:36,240

reader

1420

00:49:39,910 --> 00:49:38,800

and uh and whatnot i have to ask you on

1421

00:49:41,990 --> 00:49:39,920

a personal

1422

00:49:43,030 --> 00:49:42,000

level what do you think do you

1423

00:49:45,430 --> 00:49:43,040

personally

1424

00:49:46,870 --> 00:49:45,440

buy into this after i did research i

1425

00:49:48,630 --> 00:49:46,880

think it really did happen

1426

00:49:51,109 --> 00:49:48,640

i've heard from some various people

1427

00:49:52,710 --> 00:49:51,119

who've read my book and said paul you

1428

00:49:54,549 --> 00:49:52,720

just blew my mind

1429

00:49:56,549 --> 00:49:54,559

i was skeptical at first and you

1430

00:49:57,990 --> 00:49:56,559

convinced me i can put together

1431

00:50:00,390 --> 00:49:58,000

what i feel is a pretty strong

1432

00:50:02,549 --> 00:50:00,400

circumstantial evidence case

1433

00:50:04,790 --> 00:50:02,559

and let the reader decide i try to cram

1434

00:50:06,390 --> 00:50:04,800

in as much information as i could find

1435

00:50:08,230 --> 00:50:06,400

to really research this

1436

00:50:10,230 --> 00:50:08,240

and not put a book full of loose

1437

00:50:10,790 --> 00:50:10,240

conspiracy theories without sources

1438

00:50:13,030 --> 00:50:10,800

together

1439

00:50:14,950 --> 00:50:13,040

or some junk you know that you end up

1440

00:50:17,349 --> 00:50:14,960

regretting spending your money for

1441

00:50:19,030 --> 00:50:17,359

i've gotten a lot of good reviews and

1442

00:50:20,470 --> 00:50:19,040

people have been very complementary and

1443

00:50:23,349 --> 00:50:20,480

i'm very appreciative

1444

00:50:25,109 --> 00:50:23,359

and i think that um if you uh read it

1445

00:50:27,510 --> 00:50:25,119

open-mindedly and piece it

1446

00:50:29,349 --> 00:50:27,520

together as i did i go along like it's a

1447

00:50:31,990 --> 00:50:29,359

puzzle let's piece it together

1448

00:50:33,990 --> 00:50:32,000

and come to the conclusion that yeah i

1449

00:50:35,670 --> 00:50:34,000

think eisenhower did meet these friendly

1450

00:50:37,589 --> 00:50:35,680

human type beings and

1451

00:50:39,589 --> 00:50:37,599

it went peacefully it had to be kept it

1452

00:50:42,230 --> 00:50:39,599

covered up i'm hopeful that

1453

00:50:43,109 --> 00:50:42,240

you know there's this new legislation

1454

00:50:45,829 --> 00:50:43,119

today

1455

00:50:47,750 --> 00:50:45,839

that congress has like 180 days of the

1456

00:50:48,870 --> 00:50:47,760

the intelligence services to open up

1457

00:50:51,910 --> 00:50:48,880

those files

1458

00:50:54,870 --> 00:50:51,920

and this is a very mind-boggling

1459

00:50:58,870 --> 00:50:54,880

possibility that maybe some older files

1460

00:51:01,270 --> 00:50:58,880

like cape girardeau 1941 roswell 47

1461

00:51:03,589 --> 00:51:01,280

or the eisenhower encounters could be

1462

00:51:05,510 --> 00:51:03,599

opened up first and not to

1463

00:51:06,790 --> 00:51:05,520

blow people away with like what's going

1464

00:51:08,710 --> 00:51:06,800

on today

1465

00:51:10,870 --> 00:51:08,720

if we're being threatened by someone up

1466

00:51:11,829 --> 00:51:10,880

in space these are more harmless older

1467

00:51:14,230 --> 00:51:11,839

stories

1468

00:51:15,349 --> 00:51:14,240

uh some of them involving the little

1469

00:51:18,390 --> 00:51:15,359

greys as we

1470

00:51:21,270 --> 00:51:18,400

sometimes refer to them as i believe

1471

00:51:23,589 --> 00:51:21,280

colonel philip corso who said that it

1472

00:51:24,470 --> 00:51:23,599

was his understanding that the grey

1473

00:51:26,870 --> 00:51:24,480

beings

1474

00:51:28,309 --> 00:51:26,880

are like uh little bio-robots that they

1475

00:51:31,190 --> 00:51:28,319

were created

1476
00:51:31,510 --> 00:51:31,200
probably by human-type aliens or others

1477
00:51:35,030 --> 00:51:31,520
as

1478
00:51:37,109 --> 00:51:35,040
uh almost like servants or slaves

1479
00:51:38,470 --> 00:51:37,119
they were compared in one document to

1480
00:51:40,790 --> 00:51:38,480
hunting dogs

1481
00:51:42,549 --> 00:51:40,800
that that would go out in little

1482
00:51:44,230 --> 00:51:42,559
spaceships and do what they're told and

1483
00:51:45,349 --> 00:51:44,240
that's why they don't seem to have any

1484
00:51:48,870 --> 00:51:45,359
feelings

1485
00:51:50,790 --> 00:51:48,880
any sympathy for any cattle they may

1486
00:51:51,750 --> 00:51:50,800
mutilate or human they may abduct and

1487
00:51:53,910 --> 00:51:51,760
put back

1488
00:51:55,990 --> 00:51:53,920

that they're not really human or

1489

00:51:57,990 --> 00:51:56,000

humanoids they were created

1490

00:51:59,270 --> 00:51:58,000

almost like in a factory and that's why

1491

00:52:02,069 --> 00:51:59,280

when they crash

1492

00:52:04,309 --> 00:52:02,079

as in cape girardeau or roswell that

1493

00:52:05,670 --> 00:52:04,319

aliens are not too particularly upset

1494

00:52:07,030 --> 00:52:05,680

that's like well we'll go back to the

1495

00:52:08,870 --> 00:52:07,040

factory and get some more

1496

00:52:11,430 --> 00:52:08,880

they never went back for their dead did

1497

00:52:13,109 --> 00:52:11,440

they that's such a good point they uh

1498

00:52:16,230 --> 00:52:13,119

they're definitely uh

1499

00:52:19,349 --> 00:52:16,240

expendable i guess at that point um well

1500

00:52:19,910 --> 00:52:19,359

okay so zooming out you know you did

1501
00:52:23,030 --> 00:52:19,920
mention

1502
00:52:24,349 --> 00:52:23,040
this uap task force that we have coming

1503
00:52:28,069 --> 00:52:24,359
at us now in

1504
00:52:29,349 --> 00:52:28,079
2021 what do you hope people will take

1505
00:52:32,549 --> 00:52:29,359
away from

1506
00:52:33,990 --> 00:52:32,559
your book most and how can they take

1507
00:52:35,430 --> 00:52:34,000
what they learned from your book and

1508
00:52:38,710 --> 00:52:35,440
infuse it into this

1509
00:52:41,670 --> 00:52:38,720
world of ufos today i think it's much

1510
00:52:43,349 --> 00:52:41,680
like what the aliens wanted in 1954 to

1511
00:52:45,990 --> 00:52:43,359
educate humanity that

1512
00:52:47,349 --> 00:52:46,000
we are not alone we are being visited by

1513
00:52:49,430 --> 00:52:47,359

other species

1514

00:52:51,270 --> 00:52:49,440

other races some of them friendly maybe

1515

00:52:53,750 --> 00:52:51,280

some of them a little cold-blooded

1516

00:52:54,870 --> 00:52:53,760

that uh this one human-type race knows

1517

00:52:56,549 --> 00:52:54,880

what's going on here

1518

00:52:58,829 --> 00:52:56,559

and speak english and they care about

1519

00:53:01,750 --> 00:52:58,839

our environment even if we

1520

00:53:04,790 --> 00:53:01,760

recklessly uh destroy it

1521

00:53:07,430 --> 00:53:04,800

they want us to live in peace and live

1522

00:53:09,910 --> 00:53:07,440

in harmony as corny as that may sound

1523

00:53:11,750 --> 00:53:09,920

and it probably you would assume they're

1524

00:53:14,309 --> 00:53:11,760

still buzzing around today

1525

00:53:15,589 --> 00:53:14,319

and observing us hoping we don't tear

1526

00:53:18,549 --> 00:53:15,599

ourselves apart and

1527

00:53:19,430 --> 00:53:18,559

have a better future uh it's something

1528

00:53:21,270 --> 00:53:19,440

that

1529

00:53:22,549 --> 00:53:21,280

some people have may not given much

1530

00:53:25,109 --> 00:53:22,559

thought to

1531

00:53:25,910 --> 00:53:25,119

before and maybe this book will help

1532

00:53:28,549 --> 00:53:25,920

them

1533

00:53:30,309 --> 00:53:28,559

uh as the aliens wanted to help open our

1534

00:53:32,390 --> 00:53:30,319

minds to our presence

1535

00:53:34,870 --> 00:53:32,400

unfortunately we have some people today

1536

00:53:37,349 --> 00:53:34,880

who think the earth is flat

1537

00:53:39,829 --> 00:53:37,359

and uh all those globes and pictures of

1538

00:53:40,470 --> 00:53:39,839

the earth as a round planet are somehow

1539

00:53:42,230 --> 00:53:40,480

false

1540

00:53:44,790 --> 00:53:42,240

and that gives you an indication we need

1541

00:53:46,870 --> 00:53:44,800

a lot of education going on don't we

1542

00:53:47,829 --> 00:53:46,880

we do we need a crash course more now

1543

00:53:49,750 --> 00:53:47,839

than ever

1544

00:53:52,069 --> 00:53:49,760

absolutely brother well i mean this book

1545

00:53:53,510 --> 00:53:52,079

was definitely a crash course for me and

1546

00:53:54,870 --> 00:53:53,520

again i'm going to say it i would not

1547

00:53:57,430 --> 00:53:54,880

have written the forward

1548

00:53:58,710 --> 00:53:57,440

if i did not believe in this journey

1549

00:53:59,990 --> 00:53:58,720

that you were taking and what you

1550

00:54:02,309 --> 00:54:00,000

brought forward so

1551

00:54:04,150 --> 00:54:02,319

i hope that's an indication to my my

1552

00:54:05,270 --> 00:54:04,160

listeners that this book is definitely

1553

00:54:07,190 --> 00:54:05,280

worth your time

1554

00:54:08,950 --> 00:54:07,200

again i was one of those people who

1555

00:54:09,430 --> 00:54:08,960

scoffed at it when i first heard about

1556

00:54:11,589 --> 00:54:09,440

it

1557

00:54:13,190 --> 00:54:11,599

and now i'm coming out on the other side

1558

00:54:16,309 --> 00:54:13,200

being like

1559

00:54:16,790 --> 00:54:16,319

i i think this happened so man if that's

1560

00:54:19,510 --> 00:54:16,800

even

1561

00:54:20,150 --> 00:54:19,520

any indication i hope people will check

1562

00:54:22,150 --> 00:54:20,160

it out

1563

00:54:24,150 --> 00:54:22,160

thank you for allowing me to be a small

1564

00:54:26,790 --> 00:54:24,160

part of this journey you're taking with

1565

00:54:27,670 --> 00:54:26,800

this story paul but um of course before

1566

00:54:29,430 --> 00:54:27,680

we go

1567

00:54:31,430 --> 00:54:29,440

where can we find the book and

1568

00:54:33,470 --> 00:54:31,440

everything you are up to my friend

1569

00:54:34,710 --> 00:54:33,480

uh the book can be found of course on

1570

00:54:36,829 --> 00:54:34,720

amazon.com

1571

00:54:38,630 --> 00:54:36,839

and you can go to also to

1572

00:54:41,109 --> 00:54:38,640

foundationsbooks.net

1573

00:54:43,670 --> 00:54:41,119

and if you're looking for the revised

1574

00:54:46,710 --> 00:54:43,680

updated 2020 version of my

1575

00:54:49,109 --> 00:54:46,720

no 41 book on the cape charter ufo crash

1576
00:54:50,710 --> 00:54:49,119
you can go to argusbooks.com where

1577
00:54:53,829 --> 00:54:50,720
shipping is free or also

1578
00:54:56,069 --> 00:54:53,839
to amazon.com uh

1579
00:54:57,510 --> 00:54:56,079
it comes in all kinds of e-form and

1580
00:55:00,549 --> 00:54:57,520
kindle and such

1581
00:55:02,470 --> 00:55:00,559
and uh i'm just so pleased with the

1582
00:55:04,309 --> 00:55:02,480
the response i've heard from a couple of

1583
00:55:06,309 --> 00:55:04,319
television producers

1584
00:55:08,630 --> 00:55:06,319
and so we may see some of this in the

1585
00:55:10,230 --> 00:55:08,640
future on the small screen

1586
00:55:12,150 --> 00:55:10,240
i'd like to see it on the big screen

1587
00:55:13,990 --> 00:55:12,160
it's such an awesome story isn't it

1588
00:55:15,829 --> 00:55:14,000

the president of the united states

1589

00:55:17,910 --> 00:55:15,839

meeting face to face with aliens and

1590

00:55:19,670 --> 00:55:17,920

seeing their craft buzz around

1591

00:55:21,190 --> 00:55:19,680

it has such a disappointing end though

1592

00:55:21,750 --> 00:55:21,200

doesn't it he has to tell him to get

1593

00:55:24,630 --> 00:55:21,760

long

1594

00:55:26,950 --> 00:55:24,640

get lost hey no one ever said these

1595

00:55:28,710 --> 00:55:26,960

things all have happy endies man but hey

1596

00:55:30,870 --> 00:55:28,720

i think this story is still being

1597

00:55:33,430 --> 00:55:30,880

written and spielberg

1598

00:55:35,750 --> 00:55:33,440

is still around man so maybe we'll get

1599

00:55:37,990 --> 00:55:35,760

him to take a crack at it but no

1600

00:55:39,190 --> 00:55:38,000

i commend you i congratulate you on the

1601
00:55:41,030 --> 00:55:39,200
release of the book man

1602
00:55:42,950 --> 00:55:41,040
and i have to thank you for coming on

1603
00:55:44,549 --> 00:55:42,960
somewhere in the skies well thank you so

1604
00:55:46,630 --> 00:55:44,559
much for writing the forward and having

1605
00:55:48,950 --> 00:55:46,640
me on as your guest i hope we get a

1606
00:55:49,750 --> 00:55:48,960
a good response and maybe i can produce

1607
00:55:52,230 --> 00:55:49,760
a sequel

1608
00:55:57,430 --> 00:55:52,240
